**A BILL**

To provide for additional development at War in the Pacific National Historical Park, and for other purposes.

1        *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. FINDINGS.**

4        Congress finds that—

5            (1) June 15 through August 10, 1994, marks  
6        the 50th anniversary of the Mariana campaign of  
7        World War II in which American forces captured the  
8        islands of Saipan and Tinian in the Northern Mari-  
9        anas and liberated the United States Territory of  
10       Guam from Japanese occupation;

11           (2) an attack during this campaign by the Jap-  
12        anese Imperial fleet, aimed at countering the Amer-  
13        ican forces that had landed on Saipan, led to the  
14        battle of the Philippine Sea, which resulted in a  
15        crushing defeat for the Japanese by United States  
16        naval forces and the destruction of the effectiveness  
17        of the Japanese carrier-based airpower;

18           (3) the recapture of Guam liberated one of the  
19        few pieces of United States territory that was occu-  
20        pied for two and one-half years by the enemy during  
21        World War II and restored freedom to the indige-  
22        nous Chamorros on Guam who suffered as a result  
23        of the Japanese occupation;

1           (4) Army, Navy, Marine Corps, and Coast  
2           Guard units distinguished themselves with their he-  
3           roic bravery and sacrifice;

4           (5) the Guam Insular Force Guard, the Guam  
5           militia, and the people of Guam earned the highest  
6           respect for their defense of the island during the  
7           Japanese invasion and their resistance during the  
8           occupation; their assistance to the American forces  
9           as scouts for the American invasion was invaluable;  
10          and their role, as members of the Guam Combat Pa-  
11          trol, was instrumental in seeking out the remaining  
12          Japanese forces and restoring peace to the island;

13          (6) during the occupation, the people of  
14          Guam—

15                (A) were forcibly removed from their  
16                homes;

17                (B) were relocated to remote sections of  
18                the island;

19                (C) were required to perform forced labor  
20                and faced other harsh treatment, injustices, and  
21                death; and

22                (D) were placed in concentration camps  
23                when the American invasion became imminent  
24                and were brutalized by their occupiers when the

1 liberation of Guam became apparent to the  
2 Japanese;

3 (7) the liberation of the Mariana Islands  
4 marked a pivotal point in the Pacific war and led to  
5 the American victories at Iwo Jima, Okinawa, the  
6 Philippines, Taiwan, and the south China coast, and  
7 ultimately against the Japanese home islands;

8 (8) the Mariana Islands of Guam, Saipan, and  
9 Tinian provided, for the first time during the war,  
10 air bases which allowed land-based American bomb-  
11 ers to reach strategic targets in Japan; and

12 (9) the air offensive conducted from the Mari-  
13 anas against the Japanese war-making capability  
14 helped shorten the war and ultimately reduced the  
15 toll of lives to secure peace in the Pacific.

16 **SEC. 2. SENSE OF CONGRESS.**

17 It is the sense of Congress that—

18 (1) an appropriate commemoration of the 50th  
19 anniversary of the Mariana campaign should be  
20 planned by the United States in conjunction with  
21 the Government of Guam and the Government of the  
22 Commonwealth of the Northern Mariana Islands;  
23 and

24 ~~(2) the Secretary of the Interior should take all~~  
25 ~~necessary steps to ensure that two visitor centers,~~

2 Park on Guam and the other at the American Me-  
3 morial Park in Saipan, are completed before June  
4 15, 1994, for the 50th anniversary commemoration,  
5 to provide adequate historical interpretation of the  
6 events described in section 1.

8 *necessary steps to ensure that appropriate visitor fa-*  
9 *ilities at War in the Pacific National Historical*
