2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE; FINDINGS.**

4 (a) SHORT TITLE.—This Act may be cited as the
5 “Access to Community Health Care Act of 1994”.

6 (b) FINDINGS.—Congress finds the following:

7 (1) Efforts to assure universal coverage for
8 comprehensive health care benefits are a vitally im-
9 portant part of achieving effective national health
10 care reform.

11 (2) The provision of universal insurance cov-
12 erage, while vitally important, will not alone address
13 the critical needs of the estimated 43,000,000 Amer-
14 icans who are underserved by the current health
15 care system, and who lack access to the most basic
16 health services.

1 (3) Access to, and coordination of, health care
2 is especially difficult for those Americans who live in
3 underserved rural and inner-city communities or who
4 are members of other vulnerable groups, including
5 migratory and seasonal agricultural workers, persons
6 who are homeless, those with HIV infection, those
7 who suffer from substance addiction, high-risk preg-
8 nant women, infants and children, immigrants and
9 refugees, and individuals with disabilities.

10 (4) The consequences of poor access to, and
11 lack of coordination of, health care among the un-
12 derserved is evidenced by elevated infant and child-
13 hood illness and mortality rates, over-utilization of
14 emergency rooms and other inappropriate providers
15 for primary care services, and hospitalization rates
16 for preventable conditions that are significantly
17 higher than the national average.

18 (5) Efforts to provide increased access to, and
19 coordinate the delivery of, vital primary health care
20 and related services for underserved and vulnerable
21 Americans will not only contribute to improved
22 health status, but will also reduce unnecessary care
23 and the overall costs of health care.

24 (6) Essential community providers, such as the
25 community and migrant health centers, collectively

1 referred to as health centers, which serve more than
2 7,000,000 needy Americans, provide an effective and
3 proven model for extending access to all underserved
4 and vulnerable Americans.

5 (7) Support for the development and operation
6 of new and expanded sites served by the health cen-
7 ters and similar primary health care providers, is
8 needed to extend access to comprehensive primary
9 health care services for the millions of Americans
10 who remain unserved or underserved.

11 (8) As managed care has achieved recognition
12 as a means of organizing and paying for health care
13 for many Americans, there is a need to assure that
14 such arrangements develop in a manner that is re-
15 sponsive to the needs of underserved people and
16 communities. Of particular importance is the devel-
17 opment of community-based networks of health cen-
18 ters and other essential community providers that
19 offer high quality care to individuals and that en-
20 deavor to both contain costs and reduce unnecessary
21 or inappropriate uses of high-cost services.

22 (9) Essential community providers such as
23 health centers and community-based networks serv-
24 ing such populations must be afforded certain pro-
25 tections from full financial risk for the cost of serv-

1 ing such populations and communities. Protections
2 are needed because underserved populations typically
3 require more frequent and intensive care, and be-
4 cause reduced use of higher-cost inpatient, emer-
5 gency and specialty care will depend on the in-
6 creased provision of primary care as well as related
7 and enabling services.

8 (10) Health centers and community-based net-
9 works that participate in arrangements which
10 produce savings of grant funds or increased revenues
11 that will be used to further expand or improve serv-
12 ices to medically underserved populations should be
13 afforded protection from anti-kickback laws.

14 (11) Health centers, community-based networks
15 and other essential community providers of com-
16 prehensive primary care services to the underserved
17 provide the most appropriate locations and condi-
18 tions for educating and training primary health care
19 professionals, and should be centrally involved in
20 such education and training efforts.

21 **SEC. 2. GRANTS FOR THE DEVELOPMENT AND OPERATION**
22 **OF HEALTH CENTERS AND COMMUNITY**
23 **HEALTH NETWORKS AND HEALTH PLANS.**

24 (a) SERVICES AUTHORIZED AT SCHOOLS AND OTHER
25 APPROPRIATE LOCATIONS.—Section 330(a) of the Public

6 subsection (a)), is further amended—

7 (1) in paragraph (5), by striking “and” at the
8 end thereof;

9 (2) in paragraph (6)—

10 (A) by inserting “the services of outreach
11 workers and others to determine, or assist in
12 determining, the eligibility of individuals to re-
13 ceive services and benefits under Federal, State
14 and local health programs, and to assist such
15 individuals in enrolling in such programs, and
16 other” before “patient case”; and

17 (B) by adding “and” at the end thereof;
18 and

19 (3) by inserting after paragraph (6) the follow-
20 ing new paragraph:

21 “(7) enabling services (defined as those services
22 that are not otherwise described in this subsection)
23 that promote access to necessary health and other
24 human and social services, and that increase the ca-
25 pacity of individuals to utilize the items and services

1 included as covered benefits under Federal, State,
2 and local health programs;”.

3 (c) COMMUNITY HEALTH SERVICE NETWORKS AND
4 PLANS.—Section 330 of such Act (42 U.S.C. 254c) is
5 amended by adding at the end thereof the following sub-
6 section:

7 “(l)(1) The Secretary may make a grant to one or
8 more community health centers that receive grants under
9 subsection (d)(l)(A), or to one or more federally qualified
10 health centers as defined in Section 1861(aa)(4) of the
11 Social Security Act, to support the development of a com-
12 munity health service network or plan as defined in para-
13 graph (3). Assistance received under a grant under this
14 subsection may be used to pay for the—

15 “(A) cost associated with the development of
16 the network or plan as a corporate entity, including
17 planning and needs assessments, and the cost associ-
18 ated with the development of appropriate contractual
19 agreements between the participating providers and
20 the network or plan;

21 “(B) cost associated with the development of
22 the internal management for the network or plan, as
23 well as the cost associated with the development of
24 financial, legal, clinical, information systems (exclu-
25 sive of systems that the Secretary determines are in-

1 formation highways), billing and reporting systems
2 for the network or plan;

3 “(C) cost associated with the development of
4 additional sites that will assure or enhance the pro-

8 areas;

9 “(D) cost associated with the recruitment,
10 training, and compensation of health professionals
11 and administrative staff;

13 facilities, conversion of unneeded hospital facilities to
14 facilities that will assure or enhance the provision
15 and accessibility of primary health care and enabling
16 services, as well as construction of new facilities and
17 purchase of major equipment (including equipment
18 necessary for support of external and internal infor-
19 mation systems);

20 “(F) amount of any reserves that are required
21 for furnishing services on a prepaid basis; and

22 “(G) such other costs as are necessary to as-
23 sure that the network or plan will be ready to as-
24 sume operational status by the end of the planning
25 and development phase.

1 “(2) The Secretary may make grants to support the
2 operation of community health service networks or plans
3 that received assistance under paragraph (1) for planning
4 and development and that meet the requirements of sub-
5 paragraphs (A) and (B) of paragraph (3). The costs for
6 which a grant may be made include, the costs described
7 in paragraph (1), and the otherwise unreimbursed costs
8 of furnishing services described in subsection (a) (except
9 for the costs of inpatient hospital services, extended care
10 facility services and long-term physical medicine) to medi-
11 cally underserved populations and residents of health pro-
12 fessional shortage areas and other hard-to-reach popu-
13 lations.

14 “(3)(A) For purposes of this section:

15 “(i) The term ‘community health service net-
16 work’ means a consortium of health care providers
17 that meets the following requirements:

18 “(I) The consortium is a public or non-
19 profit private entity whose principal purpose is,
20 with respect to the items and services that are
21 described in subsection (a), to provide all or a
22 portion of such items and services to a signifi-
23 cant number of individuals who are members of
24 a medically underserved population or popu-
25 lations, residents of health professional shortage

1 areas and other hard-to-reach populations in
2 the network service area.

3 “(II) The participation of health care pro-
4 viders in the consortium is governed by a writ-
5 ten agreement to which each of the participat-
6 ing providers is a party.

7 “(ii) The term ‘community health service plan’
8 means a health plan that meets the following condi-
9 tions:

10 “(I) The health plan is a public or non-

15 section (a), to provide all or a portion of the
16 items and services to a significant number of
17 individuals who are members of a medically un-

19 of health professional shortage areas in the
20 plan’s service area, and other hard-to-reach
21 populations in the plan’s service area.

21 Act in the service area of the plan or network;

22 “(II) a reasonable number and combina-
23 tion (to ensure that services will be comprehen-

20 by the network or plan; and

21 “(v) ensure that each participating provider
22 agrees to provide services regardless of an individ-
23 ual’s ability to pay.

24 “(4)(A) No grant may be made under paragraphs (1)
25 or (2) unless an application therefore is submitted to, and

1 approved by, the Secretary. Such an application shall be
2 submitted in such form and manner and shall contain such
3 information as the Secretary shall prescribe, including—

4 “(i) with respect to applications for planning
5 and development, the information required by sub-
6 section (c)(4) and a demonstration of how the appli-
7 cant will meet all requirements of paragraph (3) by
8 the end of the period of support under paragraph
9 (1); and

10 “(ii) with respect to applications for operations,
11 the information required by subsection (e).

12 “(B) In evaluating applications submitted under sub-
13 paragraph (A), the Secretary shall consider—

14 “(i) the extent to which the applicant proposes
15 to provide or expand the provision of services de-

15 levels of support previously received from other
16 sources have been maintained.

17 “(5) Not more than two grants may be made under
18 this subsection for planning and developing the same net-
19 work or plan.”.

21 (42 U.S.C. 254c) (as amended by subsection (c)) is fur-
22 ther amended by adding at the end thereof the following
23 new subsection:

24 “(m)(1) The Secretary may make grants to public
25 and nonprofit private entities that meet all of the require-

1 ments of subsection (l), except for paragraph (3)(B)(i)
2 and such other requirements of that subsection as the Sec-
3 retary may decide for good cause to waive, for the purpose
4 of planning, developing and operating health networks and
5 health plans as the Secretary determines will provide or

8 populations and health professional shortage areas in the
9 service area of the network or plan.

10 “(2) An application for a planning and development

16 paragraph (2), the Secretary will consider the factors de-
17 scribed in subsection (l)(4)(B).

18 “(B) The Secretary may not approve an application
19 for a grant under this subsection unless the Secretary de-
20 termines that the network or plan involved will at a mini-
21 mum assure significant community involvement. For pur-
22 poses of this subsection, the term ‘significant community
23 involvement’ is demonstrated if the health network, or
24 health plan—

1 “(i) is governed by a board of directors, at least
2 one-third of the members of which are registered pa-

16 this subsection for planning and developing the same
17 health network or health plan.

18 “(5) Assistance received under a grant under para-

16 recipients under Farmers Home Administration pro-
17 grams, under section 330A of this Act, or under any

8 retary shall give preference as follows:

9 “(A) As between an application for a grant
10 under subsection (l) to plan, develop, or operate a
11 community health service network or plan and an
12 application for a grant under subsection (m) to plan,
13 develop, or operate a health network or plan serving
14 the same medically underserved population, the Sec-
15 retary shall give preference to the applicant that is
16 or will be a community health service plan or net-
17 work in accordance with subsection (l).

18 “(B) As between two or more applications
19 under subsection (m) to serve the same medically
20 underserved population, preference shall be given to
21 applicants that include as participating providers the
22 greatest number of entities providing health services

16 “(a) LOANS AND LOAN GUARANTEES.—

17 “(1) IN GENERAL.—From the fund established
18 under subsection (b), the Secretary may make loans,
19 and guarantee the payment of principal and interest

13 the grant recipient to achieve the objectives of
14 section 329, 330 or 340, as applicable.

15 “(2) PREFERENCES AND PRIORITIES.—

16 “(A) PREFERENCE.—In making loans and
17 loan guarantees under this section, the Sec-
18 retary shall give preference to applications sub-
19 mitted by community health centers that have
20 received grants under section 330(d)(1)(A) and
21 community health service networks or plans
22 that have received grants under section 330(l).

2 of medical facilities necessary to prevent or
3 eliminate safety hazards, avoid noncompliance
4 with licensure or accreditation standards, or
5 projects to replace obsolete facilities.

6 “(C) CONSTRUCTION OF NEW BUILD-
7 INGS.—The Secretary may make loans or loan
8 guarantees for the construction of new build-
9 ings only if the Secretary determines that ap-

12 existing buildings, or that construction of new
13 buildings will cost less.

14 “(3) INTEREST SUBSIDIES.—The Secretary
15 may pay, to the holder of a loan made to any recipi-
16 ent of a grant under sections 329, 330, or 340, for
17 and on behalf of the project for which the loan was
18 made, amounts sufficient to reduce, up to 75 percent

20 such loan, if the Secretary finds that without such
21 assistance the project could not be undertaken.

22 “(4) TOTAL COVERAGE OF COSTS.—The prin-
23 cipal amount of a loan directly made or guaranteed
24 under this section may, when added to any other as-

7 may not exceed limitations as may be specified in
8 appropriation Acts.

9 “(6) APPROVAL AND TERMS AND CONDI-
10 TIONS.—

11 “(A) APPROVAL OF GUARANTEES.—The
12 Secretary may not approve a loan guarantee for
13 a project under this section unless the Sec-
14 retary determines that the terms, conditions,
15 security (if any), and schedule and amount of
16 repayments with respect to the loan are suffi-
17 cient to protect the financial interests of the
18 United States and are otherwise reasonable.

19 “(B) TERMS AND CONDITIONS.—Guaran-
20 tees of loans under this section shall be subject
21 to such further terms and conditions as the
22 Secretary determines to be necessary to assure
23 that the purposes of this section will be
24 achieved.

25 “(7) LOAN REQUIREMENTS.—

1 “(A) IN GENERAL.—The Secretary may
2 approve a loan under this section only if—

3 “(i) the Secretary is reasonably satis-
4 fied that the applicant for the project for
5 which the loan would be made will be able
6 to make payments of principal and interest
7 thereon when due; and

8 “(ii) the applicant provides the Sec-
9 retary with reasonable assurances that
10 there will be available to the applicant such
11 additional funds as may be necessary to

13 respect to which such loan is requested.

14 “(B) OTHER REQUIREMENTS.—Any loan

18 “(iii) be repayable in such install-
19 ments;

20 “(iv) bear interest at a rate com-

24 graph (3); and

1 “(v) be subject to such other terms
2 and conditions (including provisions for re-
3 covery in case of default), as the Secretary

7 quately protecting the financial interests of
8 the United States.

9 “(C) WAIVER OF RIGHT OF RECOVERY.—

10 The Secretary may, for good cause but with due
11 regard to the financial interests of the United
12 States, waive any right of recovery which the
13 Secretary has by reason of the failure of a bor-
14 rower to make payments of principal of and in-
15 terest on a loan made under this subsection, ex-
16 cept that if such loan is sold and guaranteed,
17 any such waiver shall have no effect upon the
18 Secretary’s guarantee of timely payment of
19 principal and interest.

20 “(b) LOAN AND LOAN GUARANTEE FUND.—

21 “(1) ESTABLISHMENT.—There is established in
22 the Treasury a loan and loan guarantee fund (here-

4 deposited in the fund amounts received by the Sec-

13 through 2005, and such additional amounts as may
14 be necessary to provide the sums required for the
15 fund. The preceding sentence constitutes budget au-
16 thority in advance of appropriations Acts and rep-
17 resents the obligation of the Federal Government to
18 provide funding for payments in the amounts and
19 for the fiscal years authorized under this section.

20 “(c) DEFAULT.—

21 “(1) IN GENERAL.—The Secretary may take
22 such action as may be necessary to prevent a default
23 on a loan made or guaranteed under subsection (a),
24 including the waiver of regulatory conditions, defer-

5 “(2) FORECLOSURE.—The Secretary may take
6 such action, consistent with State law respecting

13 possession of, holding, and using real property
14 pledged as security for such a loan or loan guaran-

16 “(d) APPLICATIONS.—No loan or loan guarantee may
17 be made under this section unless an application is sub-
18 mitted to and approved by the Secretary. The application
19 shall be in the form and manner and contain such infor-
20 mation as the Secretary may prescribe, and if the project
21 is for the construction, conversion, expansion, or mod-
22 ernization of a facility, the application shall at a minimum
23 meet the requirements of section 330(e)(1).

24 “(e) RIGHT OF RECOVERY.—

1 “(1) IN GENERAL.—If any facility with respect
2 to which a loan or loan guarantee was made under
3 this section, or with respect to which a grant was

15 the recipient of the grant, loan, or loan guarantee,
16 the purchaser or transferee, the amount of the
17 grant, loan, or loan guarantee plus interest. This
18 right of recovery shall not constitute a lien on any
19 facility with respect to which a grant was made
20 under sections 329, 330, 340, or with respect to
21 which funds have been paid under this section.

22 “(2) WAIVER.—Notwithstanding paragraph (1),
23 the Secretary shall subordinate or waive the right of
24 recovery and any other Federal interest that may be
25 derived by virtue of a loan or loan guarantee under

1 this section, or a grant under section 329, 330, or
2 340, to support the construction, acquisition, mod-
3 ernization, expansion, or conversion of a facility or
4 other capital project authorized under this section,
5 where the facility is being used as security for a new
6 loan that will support improvements to the facility,
7 construction of new primary health care facilities or
8 improvements of health services described in section
9 330(a) to medically underserved populations, or
10 where the facility is being sold in order to finance
11 the acquisition or construction of another facility
12 which will be used for the purposes authorized by
13 section 329, 330 or 340, if the Secretary obtains an

6 Service approval shall be conclusive and binding
7 on the Federal Government;

8 “(iii) the arrangement will not result in
9 private inurement to any current employees or
