20 *(4) On September 17, 1995, the highest number*

19               (3) *According to the Department of State, there*  
20 *are an estimated 80,000,000 to 110,000,000*  
21 *unexploded landmines in 62 countries.*

22               (4) *Antipersonnel landmines are routinely used*

1           (5) *The Secretary of State has noted that land-*

6           *a cost of only two dollars to the more complex self-*  
7           *destructing type, and all landmines of whatever vari-*

14         *from September 25 to October 13, 1995, the President*  
15         *should actively support proposals to modify Protocol II that*  
16         *would implement as rapidly as possible the United States*

21 **SEC. 702. FINDINGS.**

22           *The Congress makes the following findings:*

23           *(1) Since 1949, the North Atlantic Treaty Orga-*  
24           *nization (NATO) has played an essential role in*

1 *guaranteeing the security, freedom, and prosperity of*  
2 *the United States and its partners in the Alliance.*

3 *(2) NATO has expanded its membership on three*  
4 *different occasions since 1949.*

5 *(3) The sustained commitment of the member*  
6 *countries of NATO to mutual defense of their security*  
7 *ultimately made possible the democratic trans-*  
8 *formation in Central and Eastern Europe and the de-*  
9 *mise of the Soviet Union.*

10 *(4) NATO was designed to be and remains a de-*  
11 *fensive military organization whose members have*  
12 *never contemplated the use of, or used, military force*  
13 *to expand the borders of its member states.*

14 *(5) While the immediate threat to the security of*  
15 *the United States and its allies has been reduced with*  
16 *the collapse of the Iron Curtain, new security threats,*  
17 *such as the situation in Bosnia and Herzegovina, are*  
18 *emerging to the shared interests of the member coun-*  
19 *tries of NATO.*

20 *(6) NATO remains the only multilateral security*  
21 *organization capable of conducting effective military*  
22 *operations to protect Western security interests.*

23 *(7) NATO has played a positive role in defusing*  
24 *tensions between NATO members and, as a result, no*

1 *military action has occurred between two NATO*  
2 *member states since the inception of NATO in 1949.*

3 *(8) NATO is also an important diplomatic*  
4 *forum for the discussion of issues of concern to its*  
5 *member states and for the peaceful resolution of dis-*  
6 *putes.*

7 *(9) America's security, freedom, and prosperity*  
8 *remain linked to the security of the countries of Eu-*  
9 *rope.*

10 *(10) Any threat to the security of the newly*  
11 *emerging democracies in Europe would pose a secu-*  
12 *rity threat to the United States and its European al-*  
13 *lies.*

14 *(11) The admission to NATO of European coun-*  
15 *tries that have been freed from Communist domina-*  
16 *tion and that meet specific criteria for NATO mem-*  
17 *bership would contribute to international peace and*  
18 *enhance the security of the region.*

19 *(12) A number of countries have expressed vary-*  
20 *ing degrees of interest in NATO membership, and*  
21 *have taken concrete steps to demonstrate this commit-*  
22 *ment.*

23 *(13) Full integration of Central and East Euro-*  
24 *pean countries into the North Atlantic Alliance after*  
25 *such countries meet essential criteria for admission*

1        *would enhance the security of the Alliance and, there-*  
2        *by, contribute to the security of the United States.*

3            *(14) The expansion of NATO can create the sta-*  
4        *ble environment needed to successfully complete the*  
5        *political and economic transformation envisioned by*  
6        *European states emerging from Communist domina-*  
7        *tion.*

8            *(15) In recognition that not all countries which*  
9        *have requested membership in NATO will necessarily*  
10       *qualify at the same pace, the accession date for each*  
11       *new member will vary.*

12           *(16) Nothing in this title should be construed as*  
13       *precluding the eventual NATO membership of Euro-*  
14       *pean countries never under Communist domination,*  
15       *namely, Austria, Finland, and Sweden.*

16           *(17) The provision of NATO transition assist-*  
17       *ance should include those countries most ready for*  
18       *closer ties with NATO and should be designed to as-*  
19       *ist other countries meeting specified criteria of eligi-*  
20       *bility to move forward toward eventual NATO mem-*  
21       *bership.*

22           *(18) The evaluation of future membership in*  
23       *NATO for countries emerging from Communist domi-*  
24       *nation should be based on the progress of those na-*  
25       *tions in meeting criteria for NATO transition assist-*

1        *ance and evolving NATO criteria, which require en-*  
2        *hancement of NATO's security and the approval of all*  
3        *NATO members.*

4        **SEC. 703. UNITED STATES POLICY.**

5        *It should be the policy of the United States—*

6                *(1) to join with the NATO allies of the United*  
7        *States to redefine the role of the NATO Alliance in the*  
8        *post-Cold War world;*

9                *(2) to actively assist European countries emerg-*  
10        *ing from Communist domination in their transition*  
11        *so that such countries may eventually qualify for*  
12        *NATO membership; and*

13                *(3) to work to define the political and security*  
14        *relationship between an enlarged NATO and the Rus-*  
15        *sian Federation.*

16        **SEC. 704. REVISIONS TO PROGRAM TO FACILITATE TRANSI-**

10 *well as all other European countries emerging from*  
11 *Communist domination which have expressed an in-*  
12 *terest in joining NATO, in accordance with the cri-*
