If the President makes such a determination, then the President shall, within 2 years after the date of enactment of this Act, identify alternative bands of frequencies totalling 15 megahertz, and report to the Congress an identification of such alternative bands for assignment by competitive bidding.

(5) NOTIFICATION TO THE SECRETARY OF COMMERCE.—The Commission shall attempt to accommodate incumbent licensees displaced under this section by relocating them to other frequencies available for allocation by the Commission. The notification shall include—

- (A) specific information on the incumbent licensee;

“(1) IN GENERAL.—In order to expedite the commercial use of the electromagnetic spectrum and notwithstanding section 3302(b) of title 31, United States Code, any Federal entity which operates a Federal Government station may accept from any person payment of the expenses of relocating the Federal entity's operations from one or more frequencies to another frequency or frequencies, including the costs of any modification, replacement, or reissuance of equipment, facilities, operating manuals, or regulations incurred by that entity. Such payments may be in advance of relocation and may be in cash or in kind. Any such payment in cash shall be deposited in the account of such Federal entity in the Treasury of the United States or in a separate account authorized by law. Funds deposited according to this paragraph shall be available, without appropriation or fiscal year limitation, only for such expenses of the Federal entity for which such funds were deposited under this paragraph.

“(2) PROCESS FOR RELOCATION.—Any person seeking to relocate a Federal Government station that has been assigned a frequency within a band that has been allocated for mixed Federal and non-Federal use, or that has been scheduled for reallocation to non-Federal use, may submit a petition for such relocation to NTIA. The NTIA shall limit or terminate the Federal Government station's operating license within 6 months after receiving the petition if the following requirements are met:

“(A) the person seeking relocation of the Federal Government station has guaranteed to pay all relocation costs incurred by the Federal entity, including all engineering, equipment, site acquisition and construction, and regulatory fee costs;

“(B) all activities necessary for implementing the relocation have been completed, including construction of replacement facilities (if necessary and appropriate) and identifying and obtaining new frequencies for use by the relocated Federal Government station (where such station is not relocating to spectrum reserved exclusively for Federal use);

“(C) any necessary replacement facilities, equipment modifications, or other changes have been implemented and tested to ensure that the Federal Government station is able to successfully accomplish its purposes; and

“(D) NTIA has determined that the proposed use of the spectrum frequency band to which the Federal entity will relocate its operations is—

“(i) consistent with obligations undertaken by the United States in international agreements and with United States national security and public safety interests; and

“(ii) suitable for the technical characteristics of the band and consistent with other uses of the band. In exercising its authority under clause (i) of this subparagraph, NTIA shall consult with the Secretary of Defense, the Secretary of State, or other appropriate officers of the Federal Government.

“(3) RIGHT TO RECLAIM.—If within one year after the relocation the Federal entity demonstrates to the Commission that the new facilities or spectrum are not comparable to the facilities or spectrum from which the Federal Government station was relocated, the person who filed the petition under paragraph (2) for such relocation shall take reasonable steps to remedy any defects or pay the Federal entity for the expenses incurred in returning the Federal Government station to the spectrum from which such station was relocated.

“(h) FEDERAL ACTION TO EXPEDITE SPECTRUM TRANSFER.—Any Federal Government station which operates on electromagnetic spectrum that has been identified in any reallocation report under this section shall, to the maximum extent practicable through the use of the authority granted under subsection (g) and any other applicable provision of law, take action to relocate its spectrum use to other frequencies that are reserved for Federal use or to consolidate its spectrum use with other Federal Government stations in a manner that maximizes the spectrum available for non-Federal use.

“(i) DEFINITION.—For purposes of this section, the term ‘Federal entity’ means any department, agency, or other instrumentality of the Federal Government that utilizes a Government station license obtained under section 305 of the 1934 Act (47 U.S.C. 305).”.

“(c) LICENSING OF UNUSED FREQUENCIES FOR PUBLIC SAFETY SERVICES.—

“(1) USE OF UNUSED CHANNELS FOR PUBLIC SAFETY SERVICES.—Upon application by an entity seeking to provide public safety services, the Commission shall waive any requirement of this Act or its regulations implementing this Act (other than its regulations regarding harmful interference) to the extent necessary to permit the use of unassigned frequencies for the provision of public safety services by such entity. An application shall be granted under this subsection if the Commission finds that—

“(A) no other spectrum allocated to public safety services is immediately available to satisfy the requested public safety service use;

“(B) the requested use is technically feasible without causing harmful interference to other spectrum users entitled to protection from such interference under the Commission’s regulations;

“(C) the use of the unassigned frequency for the provision of public safety services is consistent with other allocations for the provision of such services in the geographic area for which the application is made;

“(D) the unassigned frequency was allocated for its present use not less than 2 years prior to the date on which the application is granted; and

“(E) granting such application is consistent with the public interest.

“(1) shall establish interference limits at the boundaries of the spectrum block and service area;

“(2) shall establish any additional technical restrictions necessary to protect full-service analog television service and digital television service during a transition to digital television service;

“(3) may permit public safety services licensees and commercial licensees—

“(A) to aggregate multiple licenses to create larger spectrum blocks and service areas; and

“(B) to disaggregate or partition licenses to create smaller spectrum blocks or service areas; and

“(4) shall establish rules insuring that public safety services licensees using spectrum reallocated pursuant to subsection (a)(1) shall not be subject to harmful interference from television broadcast licensees.

“(e) REMOVAL AND RELOCATION OF INCUMBENT BROADCAST LICENSEES.—

“(1) CHANNELS 60 TO 69.—Any person who holds a television broadcast license to operate between 746 and 806 megahertz may not operate at that frequency after the date on which the digital television service transition period terminates, as determined by the Commission.

“(2) INCUMBENT QUALIFYING LOW-POWER STATIONS.—After making any allocation or assignment under this section, the Commission shall seek to assure, consistent with the Commission’s plan for allotments for digital television service, that each qualifying low-power television station is assigned a frequency below 746 megahertz to permit the continued operation of such station.

“(f) DEFINITIONS.—For purposes of this section:

“(1) PUBLIC SAFETY SERVICES.—The term ‘public safety services’ means services—

“(A) the sole or principal purpose of which is to protect the safety of life, health, or property;

“(C) that are not made commercially available to the public by the provider.

“(2) QUALIFYING LOW-POWER TELEVISION STATIONS.—A station is a qualifying low-power television station if, during the 90 days preceding the date of enactment of the Balanced Budget Act of 1997—

“(A) such station broadcast a minimum of 18 hours per day;

“(B) such station broadcast an average of at least 3 hours per week of programming that was produced within the market area served by such station; and

H. R. 2015—19

“(y) Have authority to allocate electromagnetic spectrum so as to provide flexibility of use, if—

“(1) such use is consistent with international agreements to which the United States is a party; and

“(2) the Commission finds, after notice and an opportunity for public comment, that—

“(A) such an allocation would be in the public interest;

“(B) such use would not deter investment in communications services and systems, or technology development; and

“(C) such use would not result in harmful interference among users.”.

“ELIGIBILITY, ELECTION, AND ENROLLMENT

“SEC. 1851. (a) CHOICE OF MEDICARE BENEFITS THROUGH MEDICARE+CHOICE PLANS.—

“(1) IN GENERAL.—Subject to the provisions of this section, each Medicare+Choice eligible individual (as defined in paragraph (3)) is entitled to elect to receive benefits under this title—

“(A) through the original medicare fee-for-service program under parts A and B, or

“(B) through enrollment in a Medicare+Choice plan under this part.

“(2) TYPES OF MEDICARE+CHOICE PLANS THAT MAY BE AVAILABLE.—A Medicare+Choice plan may be any of the following types of plans of health insurance:

“(A) COORDINATED CARE PLANS.—Coordinated care plans which provide health care services, including but not limited to health maintenance organization plans (with or without point of service options), plans offered by provider-sponsored organizations (as defined in section 1855(d)), and preferred provider organization plans.

“(B) COMBINATION OF MSA PLAN AND CONTRIBUTIONS TO MEDICARE+CHOICE MSA.—An MSA plan, as defined in section 1859(b)(3), and a contribution into a Medicare+Choice medical savings account (MSA).

“(C) PRIVATE FEE-FOR-SERVICE PLANS.—A Medicare+Choice private fee-for-service plan, as defined in section 1859(b)(2).

“(3) MEDICARE+CHOICE ELIGIBLE INDIVIDUAL.—

“(A) IN GENERAL.—In this title, subject to subparagraph (B), the term ‘Medicare+Choice eligible individual’ means an individual who is entitled to benefits under part A and enrolled under part B.

“(B) SPECIAL RULE FOR END-STAGE RENAL DISEASE.—Such term shall not include an individual medically determined to have end-stage renal disease, except that an individual who develops end-stage renal disease while enrolled in a Medicare+Choice plan may continue to be enrolled in that plan.

“(b) SPECIAL RULES.—

“(1) RESIDENCE REQUIREMENT.—

“(A) IN GENERAL.—Except as the Secretary may otherwise provide, an individual is eligible to elect a Medicare+Choice plan offered by a Medicare+Choice organization only if the plan serves the geographic area in which the individual resides.

“(B) CONTINUATION OF ENROLLMENT PERMITTED.—Pursuant to rules specified by the Secretary, the Secretary shall provide that a plan may offer to all individuals residing in a geographic area the option to continue enrollment in the plan, notwithstanding that the individual no longer resides in the service area of the plan, so long as the plan provides that individuals exercising this option have, as part of the basic benefits described in section 1852(a)(1)(A), reasonable access within that geographic

area to the full range of basic benefits, subject to reasonable cost sharing liability in obtaining such benefits.

“(2) SPECIAL RULE FOR CERTAIN INDIVIDUALS COVERED UNDER FEHBP OR ELIGIBLE FOR VETERANS OR MILITARY HEALTH BENEFITS, VETERANS.—

“(A) FEHBP.—An individual who is enrolled in a health benefit plan under chapter 89 of title 5, United States Code, is not eligible to enroll in an MSA plan until such time as the Director of the Office of Management and Budget certifies to the Secretary that the Office of Personnel Management has adopted policies which will ensure that the enrollment of such individuals in such plans will not result in increased expenditures for the Federal Government for health benefit plans under such chapter.

“(B) VA AND DOD.—The Secretary may apply rules similar to the rules described in subparagraph (A) in the case of individuals who are eligible for health care benefits under chapter 55 of title 10, United States Code, or under chapter 17 of title 38 of such Code.

“(ii) as of any date if the number of such individuals so enrolled as of such date has reached 390,000. Under rules established by the Secretary, an individual is not eligible to enroll (or continue enrollment) in an MSA plan for a year unless the individual provides assurances satisfactory to the Secretary that the individual will reside in the United States for at least 183 days during the year.

“(B) EVALUATION.—The Secretary shall regularly evaluate the impact of permitting enrollment in MSA plans under this part on selection (including adverse selection), use of preventive care, access to care, and the financial status of the Trust Funds under this title.

“(C) REPORTS.—The Secretary shall submit to Congress periodic reports on the numbers of individuals enrolled in such plans and on the evaluation being conducted under subparagraph (B). “(A) the organization’s or plan’s certification under this part has been terminated or the organization has terminated or otherwise discontinued providing the plan in the area in which the individual resides;

“(B) the individual is no longer eligible to elect the plan because of a change in the individual’s place of residence or other change in circumstances (specified by the Secretary, but not including termination of the individual’s enrollment on the basis described in clause (i) or (ii) of subsection (g)(3)(B));

“(C) the individual demonstrates (in accordance with guidelines established by the Secretary) that—

“(C) who elects an MSA plan during an annual, coordinated election period, and who never previously had elected such a plan, may revoke such election, in a manner determined by the Secretary, by not later than December 15 following the date of the election.

“(6) OPEN ENROLLMENT PERIODS.—Subject to paragraph (5), a Medicare+Choice organization—

“(A) shall accept elections or changes to elections during the initial enrollment periods described in paragraph (1), during the month of November 1998 and each subsequent year (as provided in paragraph (3)), and during special election periods described in the first sentence of paragraph (4); and

“(g) GUARANTEED ISSUE AND RENEWAL.—

“(1) IN GENERAL.—Except as provided in this subsection, a Medicare+Choice organization shall provide that at any time during which elections are accepted under this section with respect to a Medicare+Choice plan offered by the organization, the organization will accept without restrictions individuals who are eligible to make such election.

“(2) PRIORITY.—If the Secretary determines that a Medicare+Choice organization, in relation to a Medicare+Choice plan it offers, has a capacity limit and the number of Medicare+Choice eligible individuals who elect the plan under this section exceeds the capacity limit, the organization may limit the election of individuals of the plan under this section but only if priority in election is provided—

“(A) first to such individuals as have elected the plan at the time of the determination, and

“(B) then to other such individuals in such a manner that does not discriminate, on a basis described in section 1852(b), among the individuals (who seek to elect the plan). The preceding sentence shall not apply if it would result in the enrollment of enrollees substantially nonrepresentative, as determined in accordance with regulations of the Secretary, of the Medicare population in the service area of the plan.

“(3) LIMITATION ON TERMINATION OF ELECTION.—

“(A) IN GENERAL.—Subject to subparagraph (B), a Medicare+Choice organization may not for any reason terminate the election of any individual under this section for a Medicare+Choice plan it offers.

“(B) BASIS FOR TERMINATION OF ELECTION.—A Medicare+Choice organization may terminate an individual’s election under this section with respect to a Medicare+Choice plan it offers if—

“(i) any Medicare+Choice monthly basic and supplemental beneficiary premiums required with respect to such plan are not paid on a timely basis (consistent with standards under section 1856 that provide for a grace period for late payment of such premiums),

“(ii) the individual has engaged in disruptive behavior (as specified in such standards), or

“(iii) the plan is terminated with respect to all individuals under this part in the area in which the individual resides.

“(C) CONSEQUENCE OF TERMINATION.—

“(i) TERMINATIONS FOR CAUSE.—Any individual whose election is terminated under clause (i) or (ii) of subparagraph (B) is deemed to have elected the original medicare fee-for-service program option described in subsection (a)(1)(A).

“(ii) TERMINATION BASED ON PLAN TERMINATION OR SERVICE AREA REDUCTION.—Any individual whose election is terminated under subparagraph (B)(iii) shall have a special election period under subsection (e)(4)(A) in which to change coverage to coverage under another Medicare+Choice plan. Such an individual who fails to make an election during such period is deemed to have chosen to change coverage to the original medicare fee-for-service program option described in subsection (a)(1)(A).

“(D) ORGANIZATION OBLIGATION WITH RESPECT TO ELECTION FORMS.—Pursuant to a contract under section 1857, each Medicare+Choice organization receiving an election form under subsection (c)(2) shall transmit to the Secretary (at such time and in such manner as the Secretary may specify) a copy of such form or such other information respecting the election as the Secretary may specify.

“(h) APPROVAL OF MARKETING MATERIAL AND APPLICATION FORMS.—

“(1) SUBMISSION.—No marketing material or application form may be distributed by a Medicare+Choice organization to (or for the use of) Medicare+Choice eligible individuals unless—

“(A) at least 45 days before the date of distribution the organization has submitted the material or form to the Secretary for review, and

“(B) the Secretary has not disapproved the distribution of such material or form.

“(2) REVIEW.—The standards established under section 1856 shall include guidelines for the review of any material or form submitted and under such guidelines the Secretary shall disapprove (or later require the correction of) such material or form if the material or form is materially inaccurate or misleading or otherwise makes a material misrepresentation.

“(3) DEEMED APPROVAL (1-STOP SHOPPING).—In the case of material or form that is submitted under paragraph (1)(A) to the Secretary or a regional office of the Department of Health and Human Services and the Secretary or the office has not disapproved the distribution of marketing material or form under paragraph (1)(B) with respect to a Medicare+Choice plan in an area, the Secretary is deemed not to have disapproved such distribution in all other areas covered by the plan and organization except with regard to that portion of such material or form that is specific only to an area involved.

“(4) PROHIBITION OF CERTAIN MARKETING PRACTICES.—Each Medicare+Choice organization shall conform to fair marketing standards, in relation to Medicare+Choice plans offered under this part, included in the standards established under section 1856. Such standards—

“(A) shall not permit a Medicare+Choice organization to provide for cash or other monetary rebates as an inducement for enrollment or otherwise, and

“(B) may include a prohibition against a Medicare+Choice organization (or agent of such an organization) completing any portion of any election form used to carry out elections under this section on behalf of any individual.

“(i) EFFECT OF ELECTION OF MEDICARE+CHOICE PLAN OPTION.—

“(1) PAYMENTS TO ORGANIZATIONS.—Subject to sections 1852(a)(5), 1853(g), 1853(h), 1886(d)(11), and 1886(h)(3)(D), payments under a contract with a Medicare+Choice organization under section 1853(a) with respect to an individual electing a Medicare+Choice plan offered by the organization shall be instead of the amounts which (in the absence of the contract) would otherwise be payable under parts A and B for items and services furnished to the individual.

“(2) ONLY ORGANIZATION ENTITLED TO PAYMENT.—Subject to sections 1853(e), 1853(g), 1853(h), 1857(f)(2), and 1886(d)(11), and 1886(h)(3)(D), only the Medicare+Choice organization shall be entitled to receive payments from the Secretary under this title for services furnished to the individual.

“BENEFITS AND BENEFICIARY PROTECTIONS

“SEC. 1852. (a) BASIC BENEFITS.—

“(1) IN GENERAL.—Except as provided in section 1859(b)(3) for MSA plans, each Medicare+Choice plan shall provide to members enrolled under this part, through providers and other persons that meet the applicable requirements of this title and part A of title XI—

“(A) those items and services (other than hospice care) for which benefits are available under parts A and B to individuals residing in the area served by the plan, and

“(B) additional benefits required under section 1854(f)(1)(A).

“(2) SATISFACTION OF REQUIREMENT.—

“(A) IN GENERAL.—A Medicare+Choice plan (other than an MSA plan) offered by a Medicare+Choice organization satisfies paragraph (1)(A), with respect to benefits for items and services furnished other than through a provider or other person that has a contract with the organization offering the plan, if the plan provides payment in an amount so that—

“(i) the sum of such payment amount and any cost sharing provided for under the plan, is equal to at least

“(ii) the total dollar amount of payment for such items and services as would otherwise be authorized under parts A and B (including any balance billing permitted under such parts).

“(B) REFERENCE TO RELATED PROVISIONS.—For provision relating to—

“(i) limitations on balance billing against Medicare+Choice organizations for non-contract providers, see sections 1852(k) and 1866(a)(1)(O), and

“(ii) limiting actuarial value of enrollee liability for covered benefits, see section 1854(e).

“(3) SUPPLEMENTAL BENEFITS.—

“(A) BENEFITS INCLUDED SUBJECT TO SECRETARY’S APPROVAL.—Each Medicare+Choice organization may provide to individuals enrolled under this part, other than under an MSA plan, (without affording those individuals an option to decline the coverage) supplemental health care benefits that the Secretary may approve. The Secretary shall approve any such supplemental benefits unless the Secretary determines that including such supplemental benefits would substantially discourage enrollment by Medicare+Choice eligible individuals with the organization.

“(B) AT ENROLLEES’ OPTION.—

“(i) IN GENERAL.—Subject to clause (ii), a Medicare+Choice organization may provide to individuals enrolled under this part supplemental health care benefits that the individuals may elect, at their option, to have covered.

“(ii) SPECIAL RULE FOR MSA PLANS.—A Medicare+Choice organization may not provide, under an MSA plan, supplemental health care benefits that cover the deductible described in section 1859(b)(2)(B). In applying the previous sentence, health benefits described in section 1882(u)(2)(B) shall not be treated as covering such deductible.

“(C) APPLICATION TO MEDICARE+CHOICE PRIVATE FEE-FOR-SERVICE PLANS.—Nothing in this paragraph shall be construed as preventing a Medicare+Choice private fee-for-service plan from offering supplemental benefits that include payment for some or all of the balance billing amounts permitted consistent with section 1852(k) and coverage of additional services that the plan finds to be medically necessary.

“(4) ORGANIZATION AS SECONDARY PAYER.—Notwithstanding any other provision of law, a Medicare+Choice organization may (in the case of the provision of items and services to an individual under a Medicare+Choice plan under circumstances in which payment under this title is made secondary pursuant to section 1862(b)(2)) charge or authorize the provider of such services to charge, in accordance with the charges allowed under a law, plan, or policy described in such section—

“(A) the insurance carrier, employer, or other entity which under such law, plan, or policy is to pay for the provision of such services, or

“(B) such individual to the extent that the individual has been paid under such law, plan, or policy for such services.

“(5) NATIONAL COVERAGE DETERMINATIONS.—If there is a national coverage determination made in the period beginning on the date of an announcement under section 1853(b) and ending on the date of the next announcement under such section and the Secretary projects that the determination will result in a significant change in the costs to a Medicare+Choice organization of providing the benefits that are the subject of such national coverage determination and that such change in costs was not incorporated in the determination of the annual Medicare+Choice capitation rate under section 1853 included

in the announcement made at the beginning of such period, then, unless otherwise required by law—

“(A) such determination shall not apply to contracts under this part until the first contract year that begins after the end of such period, and

“(B) if such coverage determination provides for coverage of additional benefits or coverage under additional circumstances, section 1851(i)(1) shall not apply to payment for such additional benefits or benefits provided under such additional circumstances until the first contract year that begins after the end of such period.

“(b) ANTIDISCRIMINATION.—

“(1) BENEFICIARIES.—

“(A) IN GENERAL.—A Medicare+Choice organization may not deny, limit, or condition the coverage or provision of benefits under this part, for individuals permitted to be enrolled with the organization under this part, based on any health status-related factor described in section 2702(a)(1) of the Public Health Service Act.

“(B) CONSTRUCTION.—Subparagraph (A) shall not be construed as requiring a Medicare+Choice organization to enroll individuals who are determined to have end-stage renal disease, except as provided under section 1851(a)(3)(B).

“(2) PROVIDERS.—A Medicare+Choice organization shall not discriminate with respect to participation, reimbursement, or indemnification as to any provider who is acting within the scope of the provider’s license or certification under applicable State law, solely on the basis of such license or certification. This paragraph shall not be construed to prohibit a plan from including providers only to the extent necessary to meet the needs of the plan’s enrollees or from establishing any measure designed to maintain quality and control costs consistent with the responsibilities of the plan.

“(c) DISCLOSURE REQUIREMENTS.—

“(1) DETAILED DESCRIPTION OF PLAN PROVISIONS.—A Medicare+Choice organization shall disclose, in clear, accurate, and standardized form to each enrollee with a Medicare+Choice plan offered by the organization under this part at the time of enrollment and at least annually thereafter, the following information regarding such plan:

“(2) DISCLOSURE UPON REQUEST.—Upon request of a Medicare+Choice eligible individual, a Medicare+Choice organization must provide the following information to such individual:

“(A) The general coverage information and general comparative plan information made available under clauses (i) and (ii) of section 1851(d)(2)(A).

“(B) Information on procedures used by the organization to control utilization of services and expenditures.

“(C) Information on the number of grievances, redeterminations, and appeals and on the disposition in the aggregate of such matters.

“(D) An overall summary description as to the method of compensation of participating physicians.

“(d) ACCESS TO SERVICES.—

“(1) IN GENERAL.—A Medicare+Choice organization offering a Medicare+Choice plan may select the providers from whom the benefits under the plan are provided so long as—

“(A) the organization makes such benefits available and accessible to each individual electing the plan within the plan service area with reasonable promptness and in a manner which assures continuity in the provision of benefits;

“(B) when medically necessary the organization makes such benefits available and accessible 24 hours a day and 7 days a week;

“(C) the plan provides for reimbursement with respect to services which are covered under subparagraphs (A) and (B) and which are provided to such an individual other than through the organization, if—

“(i) the services were not emergency services (as defined in paragraph (3)), but (I) the services were medically necessary and immediately required because

of an unforeseen illness, injury, or condition, and (II) it was not reasonable given the circumstances to obtain the services through the organization,

“(ii) the services were renal dialysis services and were provided other than through the organization because the individual was temporarily out of the plan’s service area, or

“(iii) the services are maintenance care or post-stabilization care covered under the guidelines established under paragraph (2);

“(D) the organization provides access to appropriate providers, including credentialed specialists, for medically necessary treatment and services; and

“(E) coverage is provided for emergency services (as defined in paragraph (3)) without regard to prior authorization or the emergency care provider’s contractual relationship with the organization.

“(2) GUIDELINES RESPECTING COORDINATION OF POST-STABILIZATION CARE.—A Medicare+Choice plan shall comply with such guidelines as the Secretary may prescribe relating to promoting efficient and timely coordination of appropriate maintenance and post-stabilization care of an enrollee after the enrollee has been determined to be stable under section 1867.

“(3) DEFINITION OF EMERGENCY SERVICES.—In this subsection—

“(A) IN GENERAL.—The term ‘emergency services’ means, with respect to an individual enrolled with an organization, covered inpatient and outpatient services that—

“(i) are furnished by a provider that is qualified to furnish such services under this title, and

“(ii) are needed to evaluate or stabilize an emergency medical condition (as defined in subparagraph (B)).

“(B) EMERGENCY MEDICAL CONDITION BASED ON PRUDENT LAYPERSON.—The term ‘emergency medical condition’ means a medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) such that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in—

“(i) placing the health of the individual (or, with respect to a pregnant woman, the health of the woman or her unborn child) in serious jeopardy,

“(ii) serious impairment to bodily functions, or

“(iii) serious dysfunction of any bodily organ or part.

“(4) ASSURING ACCESS TO SERVICES IN MEDICARE+CHOICE PRIVATE FEE-FOR-SERVICE PLANS.—In addition to any other requirements under this part, in the case of a Medicare+Choice private fee-for-service plan, the organization offering the plan must demonstrate to the Secretary that the organization has sufficient number and range of health care professionals and providers willing

to provide services under the terms of the plan. The Secretary shall find that an organization has met such requirement with respect to any category of health care professional or provider if, with respect to that category of provider—

“(A) the plan has established payment rates for covered services furnished by that category of provider that are not less than the payment rates provided for under part A, part B, or both, for such services, or

“(B) the plan has contracts or agreements with a sufficient number and range of providers within such category to provide covered services under the terms of the plan,

or a combination of both. The previous sentence shall not be construed as restricting the persons from whom enrollees under such a plan may obtain covered benefits.

“(e) QUALITY ASSURANCE PROGRAM.—

“(1) IN GENERAL.—Each Medicare+Choice organization must have arrangements, consistent with any regulation, for an ongoing quality assurance program for health care services it provides to individuals enrolled with Medicare+Choice plans of the organization.

“(2) ELEMENTS OF PROGRAM.—

“(A) IN GENERAL.—The quality assurance program of an organization with respect to a Medicare+Choice plan (other than a Medicare+Choice private fee-for-service plan or a non-network MSA plan) it offers shall—

“(i) stress health outcomes and provide for the collection, analysis, and reporting of data (in accordance with a quality measurement system that the Secretary recognizes) that will permit measurement of outcomes and other indices of the quality of Medicare+Choice plans and organizations;

“(ii) monitor and evaluate high volume and high risk services and the care of acute and chronic conditions;

“(iii) evaluate the continuity and coordination of care that enrollees receive;

“(iv) be evaluated on an ongoing basis as to its effectiveness;

“(v) include measures of consumer satisfaction;

“(vi) provide the Secretary with such access to information collected as may be appropriate to monitor and ensure the quality of care provided under this part;

“(vii) provide review by physicians and other health care professionals of the process followed in the provision of such health care services;

“(viii) provide for the establishment of written protocols for utilization review, based on current standards of medical practice;

“(x) after identifying areas for improvement, establish or alter practice parameters;

“(xi) take action to improve quality and assesses the effectiveness of such action through systematic followup; and

“(xii) make available information on quality and outcomes measures to facilitate beneficiary comparison and choice of health coverage options (in such form and on such quality and outcomes measures as the Secretary determines to be appropriate).

“(B) ELEMENTS OF PROGRAM FOR ORGANIZATIONS OFFERING MEDICARE+CHOICE PRIVATE FEE-FOR-SERVICE PLANS AND NON-NETWORK MSA PLANS.—The quality assurance program of an organization with respect to a Medicare+Choice private fee-for-service plan or a non-network MSA plan it offers shall—

“(i) meet the requirements of clauses (i) through (vi) of subparagraph (A);

“(ii) insofar as it provides for the establishment of written protocols for utilization review, base such protocols on current standards of medical practice; and

“(iii) have mechanisms to evaluate utilization of services and inform providers and enrollees of the results of such evaluation.

“(C) DEFINITION OF NON-NETWORK MSA PLAN.—In this subsection, the term ‘non-network MSA plan’ means an MSA plan offered by a Medicare+Choice organization that does not provide benefits required to be provided by this part, in whole or in part, through a defined set of providers under contract, or under another arrangement, with the organization.

“(3) EXTERNAL REVIEW.—

“(A) IN GENERAL.—Each Medicare+Choice organization shall, for each Medicare+Choice plan it operates, have an agreement with an independent quality review and improvement organization approved by the Secretary to perform functions of the type described in sections 1154(a)(4)(B) and 1154(a)(14) with respect to services furnished by Medicare+Choice plans for which payment is made under this title. The previous sentence shall not apply to a Medicare+Choice private fee-for-service plan or a non-network MSA plan that does not employ utilization review.

“(B) NONDUPLICATION OF ACCREDITATION.—Except in the case of the review of quality complaints, and consistent with subparagraph (C), the Secretary shall ensure that the external review activities conducted under subparagraph (A) are not duplicative of review activities conducted as part of the accreditation process.

“(C) WAIVER AUTHORITY.—The Secretary may waive the requirement described in subparagraph (A) in the case of an organization if the Secretary determines that the organization has consistently maintained an excellent record of quality assurance and compliance with other requirements under this part.

“(4) TREATMENT OF ACCREDITATION.—The Secretary shall provide that a Medicare+Choice organization is deemed to meet requirements of paragraphs (1) and (2) of this subsection and subsection (h) (relating to confidentiality and accuracy of

enrollee records) if the organization is accredited (and periodically reaccredited) by a private organization under a process that the Secretary has determined assures that the organization, as a condition of accreditation, applies and enforces standards with respect to the requirements involved that are no less stringent than the standards established under section 1856 to carry out the respective requirements.

“(f) GRIEVANCE MECHANISM.—Each Medicare+Choice organization must provide meaningful procedures for hearing and resolving grievances between the organization (including any entity or individual through which the organization provides health care services) and enrollees with Medicare+Choice plans of the organization under this part.

“(g) COVERAGE DETERMINATIONS, RECONSIDERATIONS, AND APPEALS.—

“(1) DETERMINATIONS BY ORGANIZATION.—

“(A) IN GENERAL.—A Medicare+Choice organization shall have a procedure for making determinations regarding whether an individual enrolled with the plan of the organization under this part is entitled to receive a health service under this section and the amount (if any) that the individual is required to pay with respect to such service. Subject to paragraph (3), such procedures shall provide for such determination to be made on a timely basis.

“(B) EXPLANATION OF DETERMINATION.—Such a determination that denies coverage, in whole in part, shall be in writing and shall include a statement in understandable language of the reasons for the denial and a description of the reconsideration and appeals processes.

“(2) RECONSIDERATIONS.—

“(A) IN GENERAL.—The organization shall provide for reconsideration of a determination described in paragraph (1)(B) upon request by the enrollee involved. The reconsideration shall be within a time period specified by the Secretary, but shall be made, subject to paragraph (3), not later than 60 days after the date of the receipt of the request for reconsideration.

“(B) PHYSICIAN DECISION ON CERTAIN RECONSIDERATIONS.—A reconsideration relating to a determination to deny coverage based on a lack of medical necessity shall be made only by a physician with appropriate expertise in the field of medicine which necessitates treatment who is other than a physician involved in the initial determination.

“(3) EXPEDITED DETERMINATIONS AND RECONSIDERATIONS.—

“(A) RECEIPT OF REQUESTS.—

“(i) ENROLLEE REQUESTS.—An enrollee in a Medicare+Choice plan may request, either in writing or orally, an expedited determination under paragraph (1) or an expedited reconsideration under paragraph (2) by the Medicare+Choice organization.

“(B) ORGANIZATION PROCEDURES.—

“(i) IN GENERAL.—The Medicare+Choice organization shall maintain procedures for expediting organization determinations and reconsiderations when, upon request of an enrollee, the organization determines that the application of the normal time frame for making a determination (or a reconsideration involving a determination) could seriously jeopardize the life or health of the enrollee or the enrollee’s ability to regain maximum function.

“(ii) EXPEDITION REQUIRED FOR PHYSICIAN REQUESTS.—In the case of a request for an expedited determination or reconsideration made under subparagraph (A)(ii), the organization shall expedite the determination or reconsideration if the request indicates that the application of the normal time frame for making a determination (or a reconsideration involving a determination) could seriously jeopardize the life or health of the enrollee or the enrollee’s ability to regain maximum function

“(iii) TIMELY RESPONSE.—In cases described in clauses (i) and (ii), the organization shall notify the enrollee (and the physician involved, as appropriate) of the determination or reconsideration under time limitations established by the Secretary, but not later than 72 hours of the time of receipt of the request for the determination or reconsideration (or receipt of the information necessary to make the determination or reconsideration), or such longer period as the Secretary may permit in specified cases.

“(4) INDEPENDENT REVIEW OF CERTAIN COVERAGE DENIALS.—The Secretary shall contract with an independent, outside entity to review and resolve in a timely manner reconsiderations that affirm denial of coverage, in whole or in part.

“(5) APPEALS.—An enrollee with a Medicare+Choice plan of a Medicare+Choice organization under this part who is dissatisfied by reason of the enrollee’s failure to receive any health service to which the enrollee believes the enrollee is entitled and at no greater charge than the enrollee believes the enrollee is required to pay is entitled, if the amount in controversy is \$100 or more, to a hearing before the Secretary to the same extent as is provided in section 205(b), and in any such hearing the Secretary shall make the organization a party. If the amount in controversy is \$1,000 or more, the individual or organization shall, upon notifying the other party, be entitled to judicial review of the Secretary’s final decision as provided in section 205(g), and both the individual and the organization shall be entitled to be parties to that judicial review. In applying subsections (b) and (g) of section 205 as provided in this paragraph, and in applying section 205(l) thereto, any reference therein to the Commissioner of Social Security or the Social Security Administration shall be considered a reference to the Secretary or the Department of Health and Human Services, respectively.

“(2) to maintain such records and information in a manner that is accurate and timely, and

“(3) to assure timely access of enrollees to such records and information.

“(i) INFORMATION ON ADVANCE DIRECTIVES.—Each Medicare+Choice organization shall meet the requirement of section 1866(f) (relating to maintaining written policies and procedures respecting advance directives).

“(j) RULES REGARDING PROVIDER PARTICIPATION.—

“(1) PROCEDURES.—Insofar as a Medicare+Choice organization offers benefits under a Medicare+Choice plan through agreements with physicians, the organization shall establish reasonable procedures relating to the participation (under an agreement between a physician and the organization) of physicians under such a plan. Such procedures shall include—

“(A) providing notice of the rules regarding participation,

“(B) providing written notice of participation decisions that are adverse to physicians, and

“(C) providing a process within the organization for appealing such adverse decisions, including the presentation of information and views of the physician regarding such decision.

“(3) PROHIBITING INTERFERENCE WITH PROVIDER ADVICE TO ENROLLEES.—

“(A) IN GENERAL.—Subject to subparagraphs (B) and (C), a Medicare+Choice organization (in relation to an individual enrolled under a Medicare+Choice plan offered by the organization under this part) shall not prohibit or otherwise restrict a covered health care professional (as defined in subparagraph (D)) from advising such an individual who is a patient of the professional about the health status of the individual or medical care or treatment for the individual’s condition or disease, regardless of whether benefits for such care or treatment are provided under the plan, if the professional is acting within the lawful scope of practice.

“(B) CONSCIENCE PROTECTION.—Subparagraph (A) shall not be construed as requiring a Medicare+Choice plan to provide, reimburse for, or provide coverage of a counseling or referral service if the Medicare+Choice organization offering the plan—

“(i) objects to the provision of such service on moral or religious grounds; and

“(ii) in the manner and through the written instrumentalities such Medicare+Choice organization deems appropriate, makes available information on its policies regarding such service to prospective enrollees

before or during enrollment and to enrollees within 90 days after the date that the organization or plan adopts a change in policy regarding such a counseling or referral service.

“(C) CONSTRUCTION.—Nothing in subparagraph (B) shall be construed to affect disclosure requirements under State law or under the Employee Retirement Income Security Act of 1974.

“(D) HEALTH CARE PROFESSIONAL DEFINED.—For purposes of this paragraph, the term ‘health care professional’ means a physician (as defined in section 1861(r)) or other health care professional if coverage for the professional’s services is provided under the Medicare+Choice plan for the services of the professional. “(4) LIMITATIONS ON PHYSICIAN INCENTIVE PLANS.—

“(A) IN GENERAL.—No Medicare+Choice organization may operate any physician incentive plan (as defined in subparagraph (B)) unless the following requirements are met:

“(i) No specific payment is made directly or indirectly under the plan to a physician or physician group as an inducement to reduce or limit medically necessary services provided with respect to a specific individual enrolled with the organization.

“(ii) If the plan places a physician or physician group at substantial financial risk (as determined by the Secretary) for services not provided by the physician or physician group, the organization—

“(I) provides stop-loss protection for the physician or group that is adequate and appropriate, based on standards developed by the Secretary that take into account the number of physicians placed at such substantial financial risk in the group or under the plan and the number of individuals enrolled with the organization who receive services from the physician or group, and

“(II) conducts periodic surveys of both individuals enrolled and individuals previously enrolled with the organization to determine the degree of access of such individuals to services provided by the organization and satisfaction with the quality of such services.

“(iii) The organization provides the Secretary with descriptive information regarding the plan, sufficient to permit the Secretary to determine whether the plan is in compliance with the requirements of this subparagraph.

“(B) PHYSICIAN INCENTIVE PLAN DEFINED.—In this paragraph, the term ‘physician incentive plan’ means any

compensation arrangement between a Medicare+Choice organization and a physician or physician group that may directly or indirectly have the effect of reducing or limiting services provided with respect to individuals enrolled with the organization under this part.

“(5) LIMITATION ON PROVIDER INDEMNIFICATION.—A Medicare+Choice organization may not provide (directly or indirectly) for a health care professional, provider of services, or other entity providing health care services (or group of such professionals, providers, or entities) to indemnify the organization against any liability resulting from a civil action brought for any damage caused to an enrollee with a Medicare+Choice plan of the organization under this part by the organization’s denial of medically necessary care.

“(6) SPECIAL RULES FOR MEDICARE+CHOICE PRIVATE FEE-FOR-SERVICE PLANS.—For purposes of applying this part (including subsection (k)(1)) and section 1866(a)(1)(O), a hospital (or other provider of services), a physician or other health care professional, or other entity furnishing health care services is treated as having an agreement or contract in effect with a Medicare+Choice organization (with respect to an individual enrolled in a Medicare+Choice private fee-for-service plan it offers), if—

“(A) the provider, professional, or other entity furnishes services that are covered under the plan to such an enrollee; and

“(B) before providing such services, the provider, professional, or other entity —

“(i) has been informed of the individual’s enrollment under the plan, and

“(ii) either—

“(I) has been informed of the terms and conditions of payment for such services under the plan, or

“(II) is given a reasonable opportunity to obtain information concerning such terms and conditions,

in a manner reasonably designed to effect informed agreement by a provider.

The previous sentence shall only apply in the absence of an explicit agreement between such a provider, professional, or other entity and the Medicare+Choice organization.

“(k) TREATMENT OF SERVICES FURNISHED BY CERTAIN PROVIDERS.—

“(1) IN GENERAL.—Except as provided in paragraph (2), a physician or other entity (other than a provider of services) that does not have a contract establishing payment amounts for services furnished to an individual enrolled under this part with a Medicare+Choice organization described in section 1851(a)(2)(A) shall accept as payment in full for covered services under this title that are furnished to such an individual the amounts that the physician or other entity could collect if the individual were not so enrolled. Any penalty or other provision of law that applies to such a payment with respect to an individual entitled to benefits under this title (but not enrolled with a Medicare+Choice organization under this part) also applies with respect to an individual so enrolled.

“(2) APPLICATION TO MEDICARE+CHOICE PRIVATE FEE-FOR-SERVICE PLANS.—

“(A) BALANCE BILLING LIMITS UNDER MEDICARE+CHOICE PRIVATE FEE-FOR-SERVICE PLANS IN CASE OF CONTRACT PROVIDERS.—

“(i) IN GENERAL.—In the case of an individual enrolled in a Medicare+Choice private fee-for-service plan under this part, a physician, provider of services, or other entity that has a contract (including through the operation of subsection (j)(6)) establishing a payment rate for services furnished to the enrollee shall accept as payment in full for covered services under this title that are furnished to such an individual an amount not to exceed (including any deductibles, coinsurance, copayments, or balance billing otherwise permitted under the plan) an amount equal to 115 percent of such payment rate.

“(ii) PROCEDURES TO ENFORCE LIMITS.—The Medicare+Choice organization that offers such a plan shall establish procedures, similar to the procedures described in section 1848(g)(1)(A), in order to carry out the previous sentence.

“(iii) ASSURING ENFORCEMENT.—If the Medicare+Choice organization fails to establish and enforce procedures required under clause (ii), the organization is subject to intermediate sanctions under section 1857(g).

“(B) ENROLLEE LIABILITY FOR NONCONTRACT PROVIDERS.—For provision—

“(i) establishing minimum payment rate in the case of noncontract providers under a Medicare+Choice private fee-for-service plan, see section 1852(a)(2); or

“(ii) ADVANCE NOTICE BEFORE RECEIPT OF INPATIENT HOSPITAL SERVICES AND CERTAIN OTHER SERVICES.—In addition, such organization shall, in its terms and conditions of payments to hospitals for inpatient hospital services and for other services identified by the Secretary for which the amount of the balancing billing under subparagraph (A) could be substantial, require the hospital to provide to the enrollee, before furnishing such services and if the

hospital imposes balance billing under subparagraph (A)—

“(I) notice of the fact that balance billing is permitted under such subparagraph for such services, and

“(II) a good faith estimate of the likely amount of such balance billing (if any), with respect to such services, based upon the presenting condition of the enrollee.

“PAYMENTS TO MEDICARE+CHOICE ORGANIZATIONS

“SEC. 1853. (a) PAYMENTS TO ORGANIZATIONS.—

“(1) MONTHLY PAYMENTS.—

“(A) IN GENERAL.—Under a contract under section 1857 and subject to subsections (e) and (f) and section 1859(e)(4), the Secretary shall make monthly payments under this section in advance to each Medicare+Choice organization, with respect to coverage of an individual under this part in a Medicare+Choice payment area for a month, in an amount equal to  $\frac{1}{12}$  of the annual Medicare+Choice capitation rate (as calculated under subsection (c)) with respect to that individual for that area, adjusted for such risk factors as age, disability status, gender, institutional status, and such other factors as the Secretary determines to be appropriate, so as to ensure actuarial equivalence. The Secretary may add to, modify, or substitute for such factors, if such changes will improve the determination of actuarial equivalence.

“(B) SPECIAL RULE FOR END-STAGE RENAL DISEASE.—The Secretary shall establish separate rates of payment to a Medicare+Choice organization with respect to classes of individuals determined to have end-stage renal disease and enrolled in a Medicare+Choice plan of the organization. Such rates of payment shall be actuarially equivalent to rates paid to other enrollees in the Medicare+Choice payment area (or such other area as specified by the Secretary). In accordance with regulations, the Secretary shall provide for the application of the seventh sentence of section 1881(b)(7) to payments under this section covering the provision of renal dialysis treatment in the same manner as such sentence applies to composite rate payments described in such sentence.

“(2) ADJUSTMENT TO REFLECT NUMBER OF ENROLLEES.—

“(A) IN GENERAL.—The amount of payment under this subsection may be retroactively adjusted to take into account any difference between the actual number of individuals enrolled with an organization under this part and the number of such individuals estimated to be so enrolled in determining the amount of the advance payment.

“(B) SPECIAL RULE FOR CERTAIN ENROLLEES.—

“(i) IN GENERAL.—Subject to clause (ii), the Secretary may make retroactive adjustments under subparagraph (A) to take into account individuals enrolled during the period beginning on the date on which the individual enrolls with a Medicare+Choice organization under a plan operated, sponsored, or

contributed to by the individual's employer or former employer (or the employer or former employer of the individual's spouse) and ending on the date on which the individual is enrolled in the organization under this part, except that for purposes of making such retroactive adjustments under this subparagraph, such period may not exceed 90 days.

“(ii) EXCEPTION.—No adjustment may be made under clause (i) with respect to any individual who does not certify that the organization provided the individual with the disclosure statement described in section 1852(c) at the time the individual enrolled with the organization.

“(3) ESTABLISHMENT OF RISK ADJUSTMENT FACTORS.—

“(A) REPORT.—The Secretary shall develop, and submit to Congress by not later than March 1, 1999, a report on the method of risk adjustment of payment rates under this section, to be implemented under subparagraph (C), that accounts for variations in per capita costs based on health status. Such report shall include an evaluation of such method by an outside, independent actuary of the actuarial soundness of the proposal.

“(B) DATA COLLECTION.—In order to carry out this paragraph, the Secretary shall require Medicare+Choice organizations (and eligible organizations with risk-sharing contracts under section 1876) to submit data regarding inpatient hospital services for periods beginning on or after July 1, 1997, and data regarding other services and other information as the Secretary deems necessary for periods beginning on or after July 1, 1998. The Secretary may not require an organization to submit such data before January 1, 1998.

“(C) INITIAL IMPLEMENTATION.—The Secretary shall first provide for implementation of a risk adjustment methodology that accounts for variations in per capita costs based on health status and other demographic factors for payments by no later than January 1, 2000.

“(D) UNIFORM APPLICATION TO ALL TYPES OF PLANS.—Subject to section 1859(e)(4), the methodology shall be applied uniformly without regard to the type of plan.

“(b) ANNUAL ANNOUNCEMENT OF PAYMENT RATES.—

“(1) ANNUAL ANNOUNCEMENT.—The Secretary shall annually determine, and shall announce (in a manner intended to provide notice to interested parties) not later than March 1 before the calendar year concerned—

“(A) the annual Medicare+Choice capitation rate for each Medicare+Choice payment area for the year, and

“(B) the risk and other factors to be used in adjusting such rates under subsection (a)(1)(A) for payments for months in that year.

“(2) ADVANCE NOTICE OF METHODOLOGICAL CHANGES.—At least 45 days before making the announcement under paragraph (1) for a year, the Secretary shall provide for notice to Medicare+Choice organizations of proposed changes to be made in the methodology from the methodology and assumptions used in the previous announcement and shall provide

such organizations an opportunity to comment on such proposed changes.

“(3) EXPLANATION OF ASSUMPTIONS.—In each announcement made under paragraph (1), the Secretary shall include an explanation of the assumptions and changes in methodology used in the announcement in sufficient detail so that Medicare+Choice organizations can compute monthly adjusted Medicare+Choice capitation rates for individuals in each Medicare+Choice payment area which is in whole or in part within the service area of such an organization.

“(c) CALCULATION OF ANNUAL MEDICARE+CHOICE CAPITATION RATES.—

“(1) IN GENERAL.—For purposes of this part, subject to paragraphs (6)(C) and (7), each annual Medicare+Choice capitation rate, for a Medicare+Choice payment area for a contract year consisting of a calendar year, is equal to the largest of the amounts specified in the following subparagraph (A), (B), or (C):

“(A) BLENDED CAPITATION RATE.—The sum of—

“(i) the area-specific percentage (as specified under paragraph (2) for the year) of the annual area-specific Medicare+Choice capitation rate for the Medicare+Choice payment area, as determined under paragraph (3) for the year, and

“(ii) the national percentage (as specified under paragraph (2) for the year) of the input-price-adjusted annual national Medicare+Choice capitation rate, as determined under paragraph (4) for the year,

multiplied by the budget neutrality adjustment factor determined under paragraph (5).

“(B) MINIMUM AMOUNT.—12 multiplied by the following amount:

“(i) For 1998, \$367 (but not to exceed, in the case of an area outside the 50 States and the District of Columbia, 150 percent of the annual per capita rate of payment for 1997 determined under section 1876(a)(1)(C) for the area).

“(ii) For a succeeding year, the minimum amount specified in this clause (or clause (i)) for the preceding year increased by the national per capita Medicare+Choice growth percentage, described in paragraph (6)(A) for that succeeding year.

“(C) MINIMUM PERCENTAGE INCREASE.—

“(i) For 1998, 102 percent of the annual per capita rate of payment for 1997 determined under section 1876(a)(1)(C) for the Medicare+Choice payment area.

“(ii) For a subsequent year, 102 percent of the annual Medicare+Choice capitation rate under this paragraph for the area for the previous year.

“(2) AREA-SPECIFIC AND NATIONAL PERCENTAGES.—For purposes of paragraph (1)(A)—

“(A) for 1998, the ‘area-specific percentage’ is 90 percent and the ‘national percentage’ is 10 percent,

“(B) for 1999, the ‘area-specific percentage’ is 82 percent and the ‘national percentage’ is 18 percent,

“(C) for 2000, the ‘area-specific percentage’ is 74 percent and the ‘national percentage’ is 26 percent,

H. R. 2015—52

“(D) for 2001, the ‘area-specific percentage’ is 66 percent and the ‘national percentage’ is 34 percent,

“(E) for 2002, the ‘area-specific percentage’ is 58 percent and the ‘national percentage’ is 42 percent, and

“(F) for a year after 2002, the ‘area-specific percentage’ is 50 percent and the ‘national percentage’ is 50 percent.

“(3) ANNUAL AREA-SPECIFIC MEDICARE+CHOICE CAPITATION RATE.—

“(A) IN GENERAL.—For purposes of paragraph (1)(A), subject to subparagraph (B), the annual area-specific Medicare+Choice capitation rate for a Medicare+Choice payment area—

“(i) for 1998 is, subject to subparagraph (D), the annual per capita rate of payment for 1997 determined under section 1876(a)(1)(C) for the area, increased by the national per capita Medicare+Choice growth percentage for 1998 (described in paragraph (6)(A)); or

“(ii) for a subsequent year is the annual area-specific Medicare+Choice capitation rate for the previous year determined under this paragraph for the area, increased by the national per capita Medicare+Choice growth percentage for such subsequent year.

“(B) REMOVAL OF MEDICAL EDUCATION FROM CALCULATION OF ADJUSTED AVERAGE PER CAPITA COST.—

“(i) IN GENERAL.—In determining the area-specific Medicare+Choice capitation rate under subparagraph (A) for a year (beginning with 1998), the annual per capita rate of payment for 1997 determined under section 1876(a)(1)(C) shall be adjusted to exclude from the rate the applicable percent (specified in clause (ii)) of the payment adjustments described in subparagraph (C).

“(ii) APPLICABLE PERCENT.—For purposes of clause (i), the applicable percent for—

“(I) 1998 is 20 percent,

“(II) 1999 is 40 percent,

“(III) 2000 is 60 percent,

“(IV) 2001 is 80 percent, and

“(V) a succeeding year is 100 percent.

“(C) PAYMENT ADJUSTMENT.—

“(i) IN GENERAL.—Subject to clause (ii), the payment adjustments described in this subparagraph are payment adjustments which the Secretary estimates were payable during 1997—

“(I) for the indirect costs of medical education under section 1886(d)(5)(B), and

“(II) for direct graduate medical education costs under section 1886(h).

“(ii) TREATMENT OF PAYMENTS COVERED UNDER STATE HOSPITAL REIMBURSEMENT SYSTEM.—To the extent that the Secretary estimates that an annual per capita rate of payment for 1997 described in clause (i) reflects payments to hospitals reimbursed under section 1814(b)(3), the Secretary shall estimate a payment adjustment that is comparable to the payment

adjustment that would have been made under clause (i) if the hospitals had not been reimbursed under such section.

“(D) TREATMENT OF AREAS WITH HIGHLY VARIABLE PAYMENT RATES.—In the case of a Medicare+Choice payment area for which the annual per capita rate of payment determined under section 1876(a)(1)(C) for 1997 varies by more than 20 percent from such rate for 1996, for purposes of this subsection the Secretary may substitute for such rate for 1997 a rate that is more representative of the costs of the enrollees in the area.

“(4) INPUT-PRICE-ADJUSTED ANNUAL NATIONAL MEDICARE+CHOICE CAPITATION RATE.—

“(A) IN GENERAL.—For purposes of paragraph (1)(A), the input-price-adjusted annual national Medicare+Choice capitation rate for a Medicare+Choice payment area for a year is equal to the sum, for all the types of medicare services (as classified by the Secretary), of the product (for each such type of service) of—

“(i) the national standardized annual Medicare+Choice capitation rate (determined under subparagraph (B)) for the year,

“(ii) the proportion of such rate for the year which is attributable to such type of services, and

“(iii) an index that reflects (for that year and that type of services) the relative input price of such services in the area compared to the national average input price of such services.

In applying clause (iii), the Secretary may, subject to subparagraph (C), apply those indices under this title that are used in applying (or updating) national payment rates for specific areas and localities.

“(B) NATIONAL STANDARDIZED ANNUAL MEDICARE+CHOICE CAPITATION RATE.—In subparagraph (A)(i), the ‘national standardized annual Medicare+Choice capitation rate’ for a year is equal to—

“(i) the sum (for all Medicare+Choice payment areas) of the product of—

“(I) the annual area-specific Medicare+Choice capitation rate for that year for the area under paragraph (3), and

“(II) the average number of medicare beneficiaries residing in that area in the year, multiplied by the average of the risk factor weights used to adjust payments under subsection (a)(1)(A) for such beneficiaries in such area; divided by

“(ii) the sum of the products described in clause (i)(II) for all areas for that year.

“(C) SPECIAL RULES FOR 1998.—In applying this paragraph for 1998—

“(i) medicare services shall be divided into 2 types of services: part A services and part B services;

“(ii) the proportions described in subparagraph (A)(ii)—

“(I) for part A services shall be the ratio (expressed as a percentage) of the national average annual per capita rate of payment for part A for

1997 to the total national average annual per capita rate of payment for parts A and B for 1997, and

“(II) for part B services shall be 100 percent minus the ratio described in subclause (I);

“(iii) for part A services, 70 percent of payments attributable to such services shall be adjusted by the index used under section 1886(d)(3)(E) to adjust payment rates for relative hospital wage levels for hospitals located in the payment area involved;

“(iv) for part B services—

“(I) 66 percent of payments attributable to such services shall be adjusted by the index of the geographic area factors under section 1848(e) used to adjust payment rates for physicians’ services furnished in the payment area, and

“(II) of the remaining 34 percent of the amount of such payments, 40 percent shall be adjusted by the index described in clause (iii); and

“(v) the index values shall be computed based only on the beneficiary population who are 65 years of age or older and who are not determined to have end stage renal disease.

The Secretary may continue to apply the rules described in this subparagraph (or similar rules) for 1999.

“(5) PAYMENT ADJUSTMENT BUDGET NEUTRALITY FACTOR.—For purposes of paragraph (1)(A), for each year, the Secretary shall determine a budget neutrality adjustment factor so that the aggregate of the payments under this part shall equal the aggregate payments that would have been made under this part if payment were based entirely on area-specific capitation rates.

“(6) NATIONAL PER CAPITA MEDICARE+CHOICE GROWTH PERCENTAGE DEFINED.—

“(A) IN GENERAL.—In this part, the ‘national per capita Medicare+Choice growth percentage’ for a year is the percentage determined by the Secretary, by March 1st before the beginning of the year involved, to reflect the Secretary’s estimate of the projected per capita rate of growth in expenditures under this title for an individual entitled to benefits under part A and enrolled under part B, reduced by the number of percentage points specified in subparagraph (B) for the year. Separate determinations may be made for aged enrollees, disabled enrollees, and enrollees with end-stage renal disease.

“(B) ADJUSTMENT.—The number of percentage points specified in this subparagraph is—

“(i) for 1998, 0.8 percentage points,

“(ii) for 1999, 0.5 percentage points,

“(iii) for 2000, 0.5 percentage points,

“(iv) for 2001, 0.5 percentage points,

“(v) for 2002, 0.5 percentage points, and

“(vi) for a year after 2002, 0 percentage points.

“(C) ADJUSTMENT FOR OVER OR UNDER PROJECTION OF NATIONAL PER CAPITA MEDICARE+CHOICE GROWTH PERCENTAGE.—Beginning with rates calculated for 1999, before computing rates for a year as described in paragraph (1),

the Secretary shall adjust all area-specific and national Medicare+Choice capitation rates (and beginning in 2000, the minimum amount) for the previous year for the differences between the projections of the national per capita Medicare+Choice growth percentage for that year and previous years and the current estimate of such percentage for such years.

“(7) ADJUSTMENT FOR NATIONAL COVERAGE DETERMINATIONS.—If the Secretary makes a determination with respect to coverage under this title that the Secretary projects will result in a significant increase in the costs to Medicare+Choice of providing benefits under contracts under this part (for periods after any period described in section 1852(a)(5)), the Secretary shall adjust appropriately the payments to such organizations under this part.

“(d) MEDICARE+CHOICE PAYMENT AREA DEFINED.—

“(1) IN GENERAL.—In this part, except as provided in paragraph (3), the term ‘Medicare+Choice payment area’ means a county, or equivalent area specified by the Secretary.

“(2) RULE FOR ESRD BENEFICIARIES.—In the case of individuals who are determined to have end stage renal disease, the Medicare+Choice payment area shall be a State or such other payment area as the Secretary specifies.

“(3) GEOGRAPHIC ADJUSTMENT.—

“(A) IN GENERAL.—Upon written request of the chief executive officer of a State for a contract year (beginning after 1998) made by not later than February 1 of the previous year, the Secretary shall make a geographic adjustment to a Medicare+Choice payment area in the State otherwise determined under paragraph (1)—

“(i) to a single statewide Medicare+Choice payment area,

“(ii) to the metropolitan based system described in subparagraph (C), or

“(iii) to consolidating into a single Medicare+Choice payment area noncontiguous counties (or equivalent areas described in paragraph (1)) within a State.

Such adjustment shall be effective for payments for months beginning with January of the year following the year in which the request is received.

“(B) BUDGET NEUTRALITY ADJUSTMENT.—In the case of a State requesting an adjustment under this paragraph, the Secretary shall initially (and annually thereafter) adjust the payment rates otherwise established under this section for Medicare+Choice payment areas in the State in a manner so that the aggregate of the payments under this section in the State shall not exceed the aggregate payments that would have been made under this section for Medicare+Choice payment areas in the State in the absence of the adjustment under this paragraph.

“(C) METROPOLITAN BASED SYSTEM.—The metropolitan based system described in this subparagraph is one in which—

“(i) all the portions of each metropolitan statistical area in the State or in the case of a consolidated metropolitan statistical area, all of the portions of each primary metropolitan statistical area within the

consolidated area within the State, are treated as a single Medicare+Choice payment area, and

“(ii) all areas in the State that do not fall within a metropolitan statistical area are treated as a single Medicare+Choice payment area.

“(D) AREAS.—In subparagraph (C), the terms ‘metropolitan statistical area’, ‘consolidated metropolitan statistical area’, and ‘primary metropolitan statistical area’ mean any area designated as such by the Secretary of Commerce.

“(e) SPECIAL RULES FOR INDIVIDUALS ELECTING MSA PLANS.—

“(1) IN GENERAL.—If the amount of the Medicare+Choice monthly MSA premium (as defined in section 1854(b)(2)(C)) for an MSA plan for a year is less than  $\frac{1}{12}$  of the annual Medicare+Choice capitation rate applied under this section for the area and year involved, the Secretary shall deposit an amount equal to 100 percent of such difference in a Medicare+Choice MSA established (and, if applicable, designated) by the individual under paragraph (2).

“(2) ESTABLISHMENT AND DESIGNATION OF MEDICARE+CHOICE MEDICAL SAVINGS ACCOUNT AS REQUIREMENT FOR PAYMENT OF CONTRIBUTION.—In the case of an individual who has elected coverage under an MSA plan, no payment shall be made under paragraph (1) on behalf of an individual for a month unless the individual—

“(A) has established before the beginning of the month (or by such other deadline as the Secretary may specify) a Medicare+Choice MSA (as defined in section 138(b)(2) of the Internal Revenue Code of 1986), and

“(B) if the individual has established more than one such Medicare+Choice MSA, has designated one of such accounts as the individual’s Medicare+Choice MSA for purposes of this part.

Under rules under this section, such an individual may change the designation of such account under subparagraph (B) for purposes of this part.

“(3) LUMP-SUM DEPOSIT OF MEDICAL SAVINGS ACCOUNT CONTRIBUTION.—In the case of an individual electing an MSA plan effective beginning with a month in a year, the amount of the contribution to the Medicare+Choice MSA on behalf of the individual for that month and all successive months in the year shall be deposited during that first month. In the case of a termination of such an election as of a month before the end of a year, the Secretary shall provide for a procedure for the recovery of deposits attributable to the remaining months in the year.

“(f) PAYMENTS FROM TRUST FUND.—The payment to a Medicare+Choice organization under this section for individuals enrolled under this part with the organization and payments to a Medicare+Choice MSA under subsection (e)(1) shall be made from the Federal Hospital Insurance Trust Fund and the Federal Supplementary Medical Insurance Trust Fund in such proportion as the Secretary determines reflects the relative weight that benefits under part A and under part B represents of the actuarial value of the total benefits under this title. Monthly payments otherwise payable under this section for October 2000 shall be paid on the first business day of such month. Monthly payments otherwise payable under this section for October 2001 shall be paid on the

last business day of September 2001. Monthly payments otherwise payable under this section for October 2006 shall be paid on the first business day of October 2006.

“(g) SPECIAL RULE FOR CERTAIN INPATIENT HOSPITAL STAYS.— In the case of an individual who is receiving inpatient hospital services from a subsection (d) hospital (as defined in section 1886(d)(1)(B)) as of the effective date of the individual’s—

“(1) election under this part of a Medicare+Choice plan offered by a Medicare+Choice organization—

“(A) payment for such services until the date of the individual’s discharge shall be made under this title through the Medicare+Choice plan or the original medicare fee-for-service program option described in section 1851(a)(1)(A) (as the case may be) elected before the election with such organization,

“(B) the elected organization shall not be financially responsible for payment for such services until the date after the date of the individual’s discharge, and

“(C) the organization shall nonetheless be paid the full amount otherwise payable to the organization under this part; or

“(2) termination of election with respect to a Medicare+Choice organization under this part—

“(A) the organization shall be financially responsible for payment for such services after such date and until the date of the individual’s discharge,

“(B) payment for such services during the stay shall not be made under section 1886(d) or by any succeeding Medicare+Choice organization, and

“(C) the terminated organization shall not receive any payment with respect to the individual under this part during the period the individual is not enrolled.

“(h) SPECIAL RULE FOR HOSPICE CARE.—

“(1) INFORMATION.—A contract under this part shall require the Medicare+Choice organization to inform each individual enrolled under this part with a Medicare+Choice plan offered by the organization about the availability of hospice care if—

“(A) a hospice program participating under this title is located within the organization’s service area; or

“(B) it is common practice to refer patients to hospice programs outside such service area.

“(2) PAYMENT.—If an individual who is enrolled with a Medicare+Choice organization under this part makes an election under section 1812(d)(1) to receive hospice care from a particular hospice program—

“(A) payment for the hospice care furnished to the individual shall be made to the hospice program elected by the individual by the Secretary;

“(B) payment for other services for which the individual is eligible notwithstanding the individual’s election of hospice care under section 1812(d)(1), including services not related to the individual’s terminal illness, shall be made by the Secretary to the Medicare+Choice organization or the provider or supplier of the service instead of payments calculated under subsection (a); and

“(C) the Secretary shall continue to make monthly payments to the Medicare+Choice organization in an

amount equal to the value of the additional benefits required under section 1854(f)(1)(A).

“(b) MONTHLY PREMIUM CHARGED.—

“(1) IN GENERAL.—

“(A) RULE FOR OTHER THAN MSA PLANS.—The monthly amount of the premium charged to an individual enrolled in a Medicare+Choice plan (other than an MSA plan) offered by a Medicare+Choice organization shall be equal to the sum of the Medicare+Choice monthly basic beneficiary premium and the Medicare+Choice monthly supplementary beneficiary premium (if any).

“(B) MSA PLANS.—The monthly amount of the premium charged to an individual enrolled in an MSA plan offered by a Medicare+Choice organization shall be equal to the Medicare+Choice monthly supplemental beneficiary premium (if any).

“(2) PREMIUM TERMINOLOGY DEFINED.—For purposes of this part:

“(A) THE MEDICARE+CHOICE MONTHLY BASIC BENEFICIARY PREMIUM.—The term ‘Medicare+Choice monthly basic beneficiary premium’ means, with respect to a Medicare+Choice plan, the amount authorized to be charged under subsection (e)(1) for the plan, or, in the case of a Medicare+Choice private fee-for-service plan, the amount filed under subsection (a)(4)(A)(ii).

“(C) MEDICARE+CHOICE MONTHLY MSA PREMIUM.—The term ‘Medicare+Choice monthly MSA premium’ means, with respect to a Medicare+Choice plan, the amount of such premium filed under subsection (a)(3)(A) for the plan.

“(c) UNIFORM PREMIUM.—The Medicare+Choice monthly basic and supplemental beneficiary premium, the Medicare+Choice monthly MSA premium charged under subsection (b) of a Medicare+Choice organization under this part may not vary among individuals enrolled in the plan.

“(d) TERMS AND CONDITIONS OF IMPOSING PREMIUMS.—Each Medicare+Choice organization shall permit the payment of Medicare+Choice monthly basic and supplemental beneficiary premiums on a monthly basis, may terminate election of individuals for a Medicare+Choice plan for failure to make premium payments only in accordance with section 1851(g)(3)(B)(i), and may not provide for cash or other monetary rebates as an inducement for enrollment or otherwise.

“(e) LIMITATION ON ENROLLEE LIABILITY.—

“(1) FOR BASIC AND ADDITIONAL BENEFITS.—In no event may—

“(A) the Medicare+Choice monthly basic beneficiary premium (multiplied by 12) and the actuarial value of the deductibles, coinsurance, and copayments applicable on average to individuals enrolled under this part with a Medicare+Choice plan described in section 1851(a)(2)(A) of an organization with respect to required benefits described in section 1852(a)(1)(A) and additional benefits (if any) required under subsection (f)(1)(A) for a year, exceed

“(B) the actuarial value of the deductibles, coinsurance, and copayments that would be applicable on average to individuals entitled to benefits under part A and enrolled under part B if they were not members of a Medicare+Choice organization for the year.

“(2) FOR SUPPLEMENTAL BENEFITS.—If the Medicare+Choice organization provides to its members enrolled under this part in a Medicare+Choice plan described in section 1851(a)(2)(A) with respect to supplemental benefits described in section 1852(a)(3), the sum of the Medicare+Choice monthly supplemental beneficiary premium (multiplied by 12) charged and the actuarial value of its deductibles, coinsurance, and copayments charged with respect to such benefits may not exceed the adjusted community rate for such benefits (as defined in subsection (f)(3)).

“(3) DETERMINATION ON OTHER BASIS.—If the Secretary determines that adequate data are not available to determine the actuarial value under paragraph (1)(A) or (2), the Secretary may determine such amount with respect to all individuals in same geographic area, the State, or in the United States, eligible to enroll in the Medicare+Choice plan involved under this part or on the basis of other appropriate data.

“(4) SPECIAL RULE FOR PRIVATE FEE-FOR-SERVICE PLANS.—With respect to a Medicare+Choice private fee-for-service plan (other than a plan that is an MSA plan), in no event may—

“(B) the actuarial value of the deductibles, coinsurance, and copayments that would be applicable on average to individuals entitled to benefits under part A and enrolled under part B if they were not members of a Medicare+Choice organization for the year.

“(f) REQUIREMENT FOR ADDITIONAL BENEFITS.—

“(1) REQUIREMENT.—

“(A) IN GENERAL.—Each Medicare+Choice organization (in relation to a Medicare+Choice plan, other than an MSA plan, it offers) shall provide that if there is an excess amount (as defined in subparagraph (B)) for the plan for a contract year, subject to the succeeding provisions of this subsection, the organization shall provide to individuals such additional benefits (as the organization may specify) in a value which the Secretary determines is at least equal to the adjusted excess amount (as defined in subparagraph (C)).

“(B) EXCESS AMOUNT.—For purposes of this paragraph, the ‘excess amount’, for an organization for a plan, is the amount (if any) by which—

“(i) the average of the capitation payments made to the organization under section 1853 for the plan at the beginning of contract year, exceeds

“(ii) the actuarial value of the required benefits described in section 1852(a)(1)(A) under the plan for individuals under this part, as determined based upon an adjusted community rate described in paragraph (3) (as reduced for the actuarial value of the coinsurance, copayments, and deductibles under parts A and B).

“(D) UNIFORM APPLICATION.—This paragraph shall be applied uniformly for all enrollees for a plan.

“(E) CONSTRUCTION.—Nothing in this subsection shall be construed as preventing a Medicare+Choice organization from providing supplemental benefits (described in section 1852(a)(3)) that are in addition to the health care benefits otherwise required to be provided under this paragraph and from imposing a premium for such supplemental benefits.

“(2) STABILIZATION FUND.—A Medicare+Choice organization may provide that a part of the value of an excess amount described in paragraph (1) be withheld and reserved in the Federal Hospital Insurance Trust Fund and in the Federal Supplementary Medical Insurance Trust Fund (in such proportions as the Secretary determines to be appropriate) by the Secretary for subsequent annual contract periods, to the extent required to stabilize and prevent undue fluctuations in the

additional benefits offered in those subsequent periods by the organization in accordance with such paragraph. Any of such value of the amount reserved which is not provided as additional benefits described in paragraph (1)(A) to individuals electing the Medicare+Choice plan of the organization in accordance with such paragraph prior to the end of such periods, shall revert for the use of such trust funds.

“(3) ADJUSTED COMMUNITY RATE.—For purposes of this subsection, subject to paragraph (4), the term ‘adjusted community rate’ for a service or services means, at the election of a Medicare+Choice organization, either—

“(A) the rate of payment for that service or services which the Secretary annually determines would apply to an individual electing a Medicare+Choice plan under this part if the rate of payment were determined under a ‘community rating system’ (as defined in section 1302(8) of the Public Health Service Act, other than subparagraph (C)), or

“(B) such portion of the weighted aggregate premium, which the Secretary annually estimates would apply to such an individual, as the Secretary annually estimates is attributable to that service or services, but adjusted for differences between the utilization characteristics of the individuals electing coverage under this part and the utilization characteristics of the other enrollees with the plan (or, if the Secretary finds that adequate data are not available to adjust for those differences, the differences between the utilization characteristics of individuals selecting other Medicare+Choice coverage, or Medicare+Choice eligible individuals in the area, in the State, or in the United States, eligible to elect Medicare+Choice coverage under this part and the utilization characteristics of the rest of the population in the area, in the State, or in the United States, respectively).

“(4) DETERMINATION BASED ON INSUFFICIENT DATA.—For purposes of this subsection, if the Secretary finds that there is insufficient enrollment experience to determine an average of the capitation payments to be made under this part at the beginning of a contract period or to determine (in the case of a newly operated provider-sponsored organization or other new organization) the adjusted community rate for the organization, the Secretary may determine such an average based on the enrollment experience of other contracts entered into under this part and may determine such a rate using data in the general commercial marketplace.

“(g) PROHIBITION OF STATE IMPOSITION OF PREMIUM TAXES.—No State may impose a premium tax or similar tax with respect to payments to Medicare+Choice organizations under section 1853.

“ORGANIZATIONAL AND FINANCIAL REQUIREMENTS FOR MEDICARE+CHOICE ORGANIZATIONS; PROVIDER-SPONSORED ORGANIZATIONS

“SEC. 1855. (a) ORGANIZED AND LICENSED UNDER STATE LAW.—

“(1) IN GENERAL.—Subject to paragraphs (2) and (3), a Medicare+Choice organization shall be organized and licensed under State law as a risk-bearing entity eligible to offer health insurance or health benefits coverage in each State in which it offers a Medicare+Choice plan.

“(2) SPECIAL EXCEPTION FOR PROVIDER-SPONSORED ORGANIZATIONS.—

“(A) IN GENERAL.—In the case of a provider-sponsored organization that seeks to offer a Medicare+Choice plan in a State, the Secretary shall waive the requirement of paragraph (1) that the organization be licensed in that State if—

“(i) the organization files an application for such waiver with the Secretary by not later than November 1, 2002, and

“(ii) the Secretary determines, based on the application and other evidence presented to the Secretary, that any of the grounds for approval of the application described in subparagraph (B), (C), or (D) has been met.

“(B) FAILURE TO ACT ON LICENSURE APPLICATION ON A TIMELY BASIS.—The ground for approval of such a waiver application described in this subparagraph is that the State has failed to complete action on a licensing application of the organization within 90 days of the date of the State’s receipt of a substantially complete application. No period before the date of the enactment of this section shall be included in determining such 90-day period.

“(C) DENIAL OF APPLICATION BASED ON DISCRIMINATORY TREATMENT.—The ground for approval of such a waiver application described in this subparagraph is that the State has denied such a licensing application and—

“(i) the standards or review process imposed by the State as a condition of approval of the license imposes any material requirements, procedures, or standards (other than solvency requirements) to such organizations that are not generally applicable to other entities engaged in a substantially similar business, or

“(ii) the State requires the organization, as a condition of licensure, to offer any product or plan other than a Medicare+Choice plan.

“(D) DENIAL OF APPLICATION BASED ON APPLICATION OF SOLVENCY REQUIREMENTS.—With respect to waiver applications filed on or after the date of publication of solvency standards under section 1856(a), the ground for approval of such a waiver application described in this subparagraph is that the State has denied such a licensing application based (in whole or in part) on the organization’s failure to meet applicable solvency requirements and—

“(i) such requirements are not the same as the solvency standards established under section 1856(a); or

“(ii) the State has imposed as a condition of approval of the license documentation or information requirements relating to solvency or other material requirements, procedures, or standards relating to solvency that are different from the requirements, procedures, and standards applied by the Secretary under subsection (d)(2).

For purposes of this paragraph, the term ‘solvency requirements’ means requirements relating to solvency and other

matters covered under the standards established under section 1856(a).

“(E) TREATMENT OF WAIVER.—In the case of a waiver granted under this paragraph for a provider-sponsored organization with respect to a State—

“(i) LIMITATION TO STATE.—The waiver shall be effective only with respect to that State and does not apply to any other State.

“(ii) LIMITATION TO 36-MONTH PERIOD.—The waiver shall be effective only for a 36-month period and may not be renewed.

“(iii) CONDITIONED ON COMPLIANCE WITH CONSUMER PROTECTION AND QUALITY STANDARDS.—The continuation of the waiver is conditioned upon the organization’s compliance with the requirements described in subparagraph (G).

“(iv) PREEMPTION OF STATE LAW.—Any provisions of law of that State which relate to the licensing of the organization and which prohibit the organization from providing coverage pursuant to a contract under this part shall be superseded.

“(F) PROMPT ACTION ON APPLICATION.—The Secretary shall grant or deny such a waiver application within 60 days after the date the Secretary determines that a substantially complete waiver application has been filed. Nothing in this section shall be construed as preventing an organization which has had such a waiver application denied from submitting a subsequent waiver application.

“(G) APPLICATION AND ENFORCEMENT OF STATE CONSUMER PROTECTION AND QUALITY STANDARDS.—

“(i) IN GENERAL.—A waiver granted under this paragraph to an organization with respect to licensing under State law is conditioned upon the organization’s compliance with all consumer protection and quality standards insofar as such standards—

“(I) would apply in the State to the organization if it were licensed under State law;

“(II) are generally applicable to other Medicare+Choice organizations and plans in the State; and

“(III) are consistent with the standards established under this part.

Such standards shall not include any standard preempted under section 1856(b)(3)(B).

“(ii) INCORPORATION INTO CONTRACT.—In the case of such a waiver granted to an organization with respect to a State, the Secretary shall incorporate the requirement that the organization (and Medicare+Choice plans it offers) comply with standards under clause (i) as part of the contract between the Secretary and the organization under section 1857.

“(iii) ENFORCEMENT.—In the case of such a waiver granted to an organization with respect to a State, the Secretary may enter into an agreement with the State under which the State agrees to provide for monitoring and enforcement activities with respect to compliance of such an organization and its

Medicare+Choice plans with such standards. Such monitoring and enforcement shall be conducted by the State in the same manner as the State enforces such standards with respect to other Medicare+Choice organizations and plans, without discrimination based on the type of organization to which the standards apply. Such an agreement shall specify or establish mechanisms by which compliance activities are undertaken, while not lengthening the time required to review and process applications for waivers under this paragraph.

“(H) REPORT.—By not later than December 31, 2001, the Secretary shall submit to the Committee on Ways and Means and the Committee on Commerce of the House of Representatives and the Committee on Finance of the Senate a report regarding whether the waiver process under this paragraph should be continued after December 31, 2002. In making such recommendation, the Secretary shall consider, among other factors, the impact of such process on beneficiaries and on the long-term solvency of the program under this title.

“(3) LICENSURE DOES NOT SUBSTITUTE FOR OR CONSTITUTE CERTIFICATION.—The fact that an organization is licensed in accordance with paragraph (1) does not deem the organization to meet other requirements imposed under this part.

“(b) ASSUMPTION OF FULL FINANCIAL RISK.—The Medicare+Choice organization shall assume full financial risk on a prospective basis for the provision of the health care services for which benefits are required to be provided under section 1852(a)(1), except that the organization—

“(1) may obtain insurance or make other arrangements for the cost of providing to any enrolled member such services the aggregate value of which exceeds such aggregate level as the Secretary specifies from time to time,

“(2) may obtain insurance or make other arrangements for the cost of such services provided to its enrolled members other than through the organization because medical necessity required their provision before they could be secured through the organization,

“(3) may obtain insurance or make other arrangements for not more than 90 percent of the amount by which its costs for any of its fiscal years exceed 115 percent of its income for such fiscal year, and

“(4) may make arrangements with physicians or other health care professionals, health care institutions, or any combination of such individuals or institutions to assume all or part of the financial risk on a prospective basis for the provision of basic health services by the physicians or other health professionals or through the institutions.

“(c) CERTIFICATION OF PROVISION AGAINST RISK OF INSOLVENCY FOR UNLICENSED PSOs.—

“(1) IN GENERAL.—Each Medicare+Choice organization that is a provider-sponsored organization, that is not licensed by a State under subsection (a), and for which a waiver application has been approved under subsection (a)(2), shall meet standards established under section 1856(a) relating to the financial solvency and capital adequacy of the organization.

“(2) CERTIFICATION PROCESS FOR SOLVENCY STANDARDS FOR PSOS.—The Secretary shall establish a process for the receipt and approval of applications of a provider-sponsored organization described in paragraph (1) for certification (and periodic recertification) of the organization as meeting such solvency standards. Under such process, the Secretary shall act upon such a certification application not later than 60 days after the date the application has been received.

“(d) PROVIDER-SPONSORED ORGANIZATION DEFINED.—

“(1) IN GENERAL.—In this part, the term ‘provider-sponsored organization’ means a public or private entity—

“(A) that is established or organized, and operated, by a health care provider, or group of affiliated health care providers,

“(B) that provides a substantial proportion (as defined by the Secretary in accordance with paragraph (2)) of the health care items and services under the contract under this part directly through the provider or affiliated group of providers, and

“(C) with respect to which the affiliated providers share, directly or indirectly, substantial financial risk with respect to the provision of such items and services and have at least a majority financial interest in the entity.

“(2) SUBSTANTIAL PROPORTION.—In defining what is a ‘substantial proportion’ for purposes of paragraph (1)(B), the Secretary—

“(A) shall take into account the need for such an organization to assume responsibility for providing—

“(i) significantly more than the majority of the items and services under the contract under this section through its own affiliated providers; and

“(ii) most of the remainder of the items and services under the contract through providers with which the organization has an agreement to provide such items and services,

in order to assure financial stability and to address the practical considerations involved in integrating the delivery of a wide range of service providers;

“(B) shall take into account the need for such an organization to provide a limited proportion of the items and services under the contract through providers that are neither affiliated with nor have an agreement with the organization; and

“(C) may allow for variation in the definition of substantial proportion among such organizations based on relevant differences among the organizations, such as their location in an urban or rural area.

“(3) AFFILIATION.—For purposes of this subsection, a provider is ‘affiliated’ with another provider if, through contract, ownership, or otherwise—

“(A) one provider, directly or indirectly, controls, is controlled by, or is under common control with the other,

“(B) both providers are part of a controlled group of corporations under section 1563 of the Internal Revenue Code of 1986,

“(C) each provider is a participant in a lawful combination under which each provider shares substantial financial risk in connection with the organization’s operations, or

“(D) both providers are part of an affiliated service group under section 414 of such Code.

“(4) CONTROL.—For purposes of paragraph (3), control is presumed to exist if one party, directly or indirectly, owns, controls, or holds the power to vote, or proxies for, not less than 51 percent of the voting rights or governance rights of another.

“(5) HEALTH CARE PROVIDER DEFINED.—In this subsection, the term ‘health care provider’ means—

“(A) any individual who is engaged in the delivery of health care services in a State and who is required by State law or regulation to be licensed or certified by the State to engage in the delivery of such services in the State, and

“(B) any entity that is engaged in the delivery of health care services in a State and that, if it is required by State law or regulation to be licensed or certified by the State to engage in the delivery of such services in the State, is so licensed.

“(6) REGULATIONS.—The Secretary shall issue regulations to carry out this subsection.

“ESTABLISHMENT OF STANDARDS

“SEC. 1856. (a) ESTABLISHMENT OF SOLVENCY STANDARDS FOR PROVIDER-SPONSORED ORGANIZATIONS.—

“(1) ESTABLISHMENT.—

“(A) IN GENERAL.—The Secretary shall establish, on an expedited basis and using a negotiated rulemaking process under subchapter III of chapter 5 of title 5, United States Code, standards described in section 1855(c)(1) (relating to the financial solvency and capital adequacy of the organization) that entities must meet to qualify as provider-sponsored organizations under this part.

“(B) FACTORS TO CONSIDER FOR SOLVENCY STANDARDS.—In establishing solvency standards under subparagraph (A) for provider-sponsored organizations, the Secretary shall consult with interested parties and shall take into account—

“(i) the delivery system assets of such an organization and ability of such an organization to provide services directly to enrollees through affiliated providers,

“(ii) alternative means of protecting against insolvency, including reinsurance, unrestricted surplus, letters of credit, guarantees, organizational insurance coverage, partnerships with other licensed entities, and valuation attributable to the ability of such an organization to meet its service obligations through direct delivery of care, and

“(iii) any standards developed by the National Association of Insurance Commissioners specifically for risk-based health care delivery organizations.

“(C) ENROLLEE PROTECTION AGAINST INSOLVENCY.—Such standards shall include provisions to prevent enrollees

from being held liable to any person or entity for the Medicare+Choice organization's debts in the event of the organization's insolvency.

“(2) PUBLICATION OF NOTICE.—In carrying out the rule-making process under this subsection, the Secretary, after consultation with the National Association of Insurance Commissioners, the American Academy of Actuaries, organizations representative of medicare beneficiaries, and other interested parties, shall publish the notice provided for under section 564(a) of title 5, United States Code, by not later than 45 days after the date of the enactment of this section.

“(3) TARGET DATE FOR PUBLICATION OF RULE.—As part of the notice under paragraph (2), and for purposes of this subsection, the ‘target date for publication’ (referred to in section 564(a)(5) of such title) shall be April 1, 1998.

“(4) ABBREVIATED PERIOD FOR SUBMISSION OF COMMENTS.—In applying section 564(c) of such title under this subsection, ‘15 days’ shall be substituted for ‘30 days’.

“(5) APPOINTMENT OF NEGOTIATED RULEMAKING COMMITTEE AND FACILITATOR.—The Secretary shall provide for—

“(A) the appointment of a negotiated rulemaking committee under section 565(a) of such title by not later than 30 days after the end of the comment period provided for under section 564(c) of such title (as shortened under paragraph (4)), and

“(B) the nomination of a facilitator under section 566(c) of such title by not later than 10 days after the date of appointment of the committee.

“(6) PRELIMINARY COMMITTEE REPORT.—The negotiated rulemaking committee appointed under paragraph (5) shall report to the Secretary, by not later than January 1, 1998, regarding the committee's progress on achieving a consensus with regard to the rulemaking proceeding and whether such consensus is likely to occur before 1 month before the target date for publication of the rule. If the committee reports that the committee has failed to make significant progress towards such consensus or is unlikely to reach such consensus by the target date, the Secretary may terminate such process and provide for the publication of a rule under this subsection through such other methods as the Secretary may provide.

“(7) FINAL COMMITTEE REPORT.—If the committee is not terminated under paragraph (6), the rulemaking committee shall submit a report containing a proposed rule by not later than 1 month before the target date of publication.

“(8) INTERIM, FINAL EFFECT.—The Secretary shall publish a rule under this subsection in the Federal Register by not later than the target date of publication. Such rule shall be effective and final immediately on an interim basis, but is subject to change and revision after public notice and opportunity for a period (of not less than 60 days) for public comment. In connection with such rule, the Secretary shall specify the process for the timely review and approval of applications of entities to be certified as provider-sponsored organizations pursuant to such rules and consistent with this subsection.

“(9) PUBLICATION OF RULE AFTER PUBLIC COMMENT.—The Secretary shall provide for consideration of such comments

and republication of such rule by not later than 1 year after the target date of publication.

“(b) ESTABLISHMENT OF OTHER STANDARDS.—

“(1) IN GENERAL.—The Secretary shall establish by regulation other standards (not described in subsection (a)) for Medicare+Choice organizations and plans consistent with, and to carry out, this part. The Secretary shall publish such regulations by June 1, 1998. In order to carry out this requirement in a timely manner, the Secretary may promulgate regulations that take effect on an interim basis, after notice and pending opportunity for public comment.

“(2) USE OF CURRENT STANDARDS.—Consistent with the requirements of this part, standards established under this subsection shall be based on standards established under section 1876 to carry out analogous provisions of such section.

“(3) RELATION TO STATE LAWS.—

“(A) IN GENERAL.—The standards established under this subsection shall supersede any State law or regulation (including standards described in subparagraph (B)) with respect to Medicare+Choice plans which are offered by Medicare+Choice organizations under this part to the extent such law or regulation is inconsistent with such standards.

“(B) STANDARDS SPECIFICALLY SUPERSEDED.—State standards relating to the following are superseded under this paragraph:

“(i) Benefit requirements.

“(ii) Requirements relating to inclusion or treatment of providers.

“(iii) Coverage determinations (including related appeals and grievance processes).

“CONTRACTS WITH MEDICARE+CHOICE ORGANIZATIONS

“SEC. 1857. (a) IN GENERAL.—The Secretary shall not permit the election under section 1851 of a Medicare+Choice plan offered by a Medicare+Choice organization under this part, and no payment shall be made under section 1853 to an organization, unless the Secretary has entered into a contract under this section with the organization with respect to the offering of such plan. Such a contract with an organization may cover more than 1 Medicare+Choice plan. Such contract shall provide that the organization agrees to comply with the applicable requirements and standards of this part and the terms and conditions of payment as provided for in this part.

“(b) MINIMUM ENROLLMENT REQUIREMENTS.—

“(1) IN GENERAL.—Subject to paragraph (2), the Secretary may not enter into a contract under this section with a Medicare+Choice organization unless the organization has—

“(A) at least 5,000 individuals (or 1,500 individuals in the case of an organization that is a provider-sponsored organization) who are receiving health benefits through the organization, or

“(B) at least 1,500 individuals (or 500 individuals in the case of an organization that is a provider-sponsored organization) who are receiving health benefits through the organization if the organization primarily serves individuals residing outside of urbanized areas.

“(2) APPLICATION TO MSA PLANS.—In applying paragraph (1) in the case of a Medicare+Choice organization that is offering an MSA plan, paragraph (1) shall be applied by substituting covered lives for individuals.

“(3) ALLOWING TRANSITION.—The Secretary may waive the requirement of paragraph (1) during the first 3 contract years with respect to an organization.

“(c) CONTRACT PERIOD AND EFFECTIVENESS.—

“(1) PERIOD.—Each contract under this section shall be for a term of at least 1 year, as determined by the Secretary, and may be made automatically renewable from term to term in the absence of notice by either party of intention to terminate at the end of the current term.

“(2) TERMINATION AUTHORITY.—In accordance with procedures established under subsection (h), the Secretary may at any time terminate any such contract if the Secretary determines that the organization—

“(A) has failed substantially to carry out the contract;

“(B) is carrying out the contract in a manner inconsistent with the efficient and effective administration of this part; or

“(C) no longer substantially meets the applicable conditions of this part.

“(3) EFFECTIVE DATE OF CONTRACTS.—The effective date of any contract executed pursuant to this section shall be specified in the contract, except that in no case shall a contract under this section which provides for coverage under an MSA plan be effective before January 1999 with respect to such coverage.

“(4) PREVIOUS TERMINATIONS.—The Secretary may not enter into a contract with a Medicare+Choice organization if a previous contract with that organization under this section was terminated at the request of the organization within the preceding 5-year period, except in circumstances which warrant special consideration, as determined by the Secretary.

“(5) CONTRACTING AUTHORITY.—The authority vested in the Secretary by this part may be performed without regard to such provisions of law or regulations relating to the making, performance, amendment, or modification of contracts of the United States as the Secretary may determine to be inconsistent with the furtherance of the purpose of this title.

“(d) PROTECTIONS AGAINST FRAUD AND BENEFICIARY PROTECTIONS.—

“(1) PERIODIC AUDITING.—The Secretary shall provide for the annual auditing of the financial records (including data relating to medicare utilization, costs, and computation of the adjusted community rate) of at least one-third of the Medicare+Choice organizations offering Medicare+Choice plans under this part. The Comptroller General shall monitor auditing activities conducted under this subsection.

“(2) INSPECTION AND AUDIT.—Each contract under this section shall provide that the Secretary, or any person or organization designated by the Secretary—

“(A) shall have the right to inspect or otherwise evaluate (i) the quality, appropriateness, and timeliness of services performed under the contract, and (ii) the facilities

of the organization when there is reasonable evidence of some need for such inspection, and

“(B) shall have the right to audit and inspect any books and records of the Medicare+Choice organization that pertain (i) to the ability of the organization to bear the risk of potential financial losses, or (ii) to services performed or determinations of amounts payable under the contract.

“(3) ENROLLEE NOTICE AT TIME OF TERMINATION.—Each contract under this section shall require the organization to provide (and pay for) written notice in advance of the contract’s termination, as well as a description of alternatives for obtaining benefits under this title, to each individual enrolled with the organization under this part.

“(4) DISCLOSURE.—

“(A) IN GENERAL.—Each Medicare+Choice organization shall, in accordance with regulations of the Secretary, report to the Secretary financial information which shall include the following:

“(i) Such information as the Secretary may require demonstrating that the organization has a fiscally sound operation.

“(ii) A copy of the report, if any, filed with the Health Care Financing Administration containing the information required to be reported under section 1124 by disclosing entities.

“(iii) A description of transactions, as specified by the Secretary, between the organization and a party in interest. Such transactions shall include—

“(I) any sale or exchange, or leasing of any property between the organization and a party in interest;

“(II) any furnishing for consideration of goods, services (including management services), or facilities between the organization and a party in interest, but not including salaries paid to employees for services provided in the normal course of their employment and health services provided to members by hospitals and other providers and by staff, medical group (or groups), individual practice association (or associations), or any combination thereof; and

“(III) any lending of money or other extension of credit between an organization and a party in interest.

The Secretary may require that information reported respecting an organization which controls, is controlled by, or is under common control with, another entity be in the form of a consolidated financial statement for the organization and such entity.

“(B) PARTY IN INTEREST DEFINED.—For the purposes of this paragraph, the term ‘party in interest’ means—

“(i) any director, officer, partner, or employee responsible for management or administration of a Medicare+Choice organization, any person who is directly or indirectly the beneficial owner of more than 5 percent of the equity of the organization, any person

who is the beneficial owner of a mortgage, deed of trust, note, or other interest secured by, and valuing more than 5 percent of the organization, and, in the case of a Medicare+Choice organization organized as a nonprofit corporation, an incorporator or member of such corporation under applicable State corporation law;

“(ii) any entity in which a person described in clause (i)—

“(I) is an officer or director;

“(II) is a partner (if such entity is organized as a partnership);

“(III) has directly or indirectly a beneficial interest of more than 5 percent of the equity; or

“(IV) has a mortgage, deed of trust, note, or other interest valuing more than 5 percent of the assets of such entity;

“(iii) any person directly or indirectly controlling, controlled by, or under common control with an organization; and

“(iv) any spouse, child, or parent of an individual described in clause (i).

“(C) ACCESS TO INFORMATION.—Each Medicare+Choice organization shall make the information reported pursuant to subparagraph (A) available to its enrollees upon reasonable request.

“(5) LOAN INFORMATION.—The contract shall require the organization to notify the Secretary of loans and other special financial arrangements which are made between the organization and subcontractors, affiliates, and related parties.

“(e) ADDITIONAL CONTRACT TERMS.—

“(1) IN GENERAL.—The contract shall contain such other terms and conditions not inconsistent with this part (including requiring the organization to provide the Secretary with such information) as the Secretary may find necessary and appropriate.

“(2) COST-SHARING IN ENROLLMENT-RELATED COSTS.—

“(A) IN GENERAL.—A Medicare+Choice organization shall pay the fee established by the Secretary under subparagraph (B).

“(B) AUTHORIZATION.—The Secretary is authorized to charge a fee to each Medicare+Choice organization with a contract under this part that is equal to the organization’s pro rata share (as determined by the Secretary) of the aggregate amount of fees which the Secretary is directed to collect in a fiscal year. Any amounts collected are authorized to be appropriated only for the purpose of carrying out section 1851 (relating to enrollment and dissemination of information) and section 4360 of the Omnibus Budget Reconciliation Act of 1990 (relating to the health insurance counseling and assistance program).

“(C) CONTINGENCY.—For any fiscal year, the fees authorized under subparagraph (B) are contingent upon enactment in an appropriations act of a provision specifying the aggregate amount of fees the Secretary is directed to collect in a fiscal year. Fees collected during any fiscal

year under this paragraph shall be deposited and credited as offsetting collections.

“(D) LIMITATION.—In any fiscal year the fees collected by the Secretary under subparagraph (B) shall not exceed the lesser of—

“(i) the estimated costs to be incurred by the Secretary in the fiscal year in carrying out the activities described in section 1851 and section 4360 of the Omnibus Budget Reconciliation Act of 1990; or

“(ii)(I) \$200,000,000 in fiscal year 1998;

“(II) \$150,000,000 in fiscal year 1999; and

“(III) \$100,000,000 in fiscal year 2000 and each subsequent fiscal year.

“(f) PROMPT PAYMENT BY MEDICARE+CHOICE ORGANIZATION.—

“(1) REQUIREMENT.—A contract under this part shall require a Medicare+Choice organization to provide prompt payment (consistent with the provisions of sections 1816(c)(2) and 1842(c)(2)) of claims submitted for services and supplies furnished to enrollees pursuant to the contract, if the services or supplies are not furnished under a contract between the organization and the provider or supplier (or in the case of a Medicare+Choice private fee-for-service plan, if a claim is submitted to such organization by an enrollee).

“(2) SECRETARY’S OPTION TO BYPASS NONCOMPLYING ORGANIZATION.—In the case of a Medicare+Choice eligible organization which the Secretary determines, after notice and opportunity for a hearing, has failed to make payments of amounts in compliance with paragraph (1), the Secretary may provide for direct payment of the amounts owed to providers and suppliers (or, in the case of a Medicare+Choice private fee-for-service plan, amounts owed to the enrollees) for covered services and supplies furnished to individuals enrolled under this part under the contract. If the Secretary provides for the direct payments, the Secretary shall provide for an appropriate reduction in the amount of payments otherwise made to the organization under this part to reflect the amount of the Secretary’s payments (and the Secretary’s costs in making the payments).

“(g) INTERMEDIATE SANCTIONS.—

“(1) IN GENERAL.—If the Secretary determines that a Medicare+Choice organization with a contract under this section—

“(A) fails substantially to provide medically necessary items and services that are required (under law or under the contract) to be provided to an individual covered under the contract, if the failure has adversely affected (or has substantial likelihood of adversely affecting) the individual;

“(B) imposes premiums on individuals enrolled under this part in excess of the amount of the Medicare+Choice monthly basic and supplemental beneficiary premiums permitted under section 1854;

“(C) acts to expel or to refuse to re-enroll an individual in violation of the provisions of this part;

“(D) engages in any practice that would reasonably be expected to have the effect of denying or discouraging enrollment (except as permitted by this part) by eligible individuals with the organization whose medical condition

or history indicates a need for substantial future medical services;

“(E) misrepresents or falsifies information that is furnished—

“(i) to the Secretary under this part, or

“(ii) to an individual or to any other entity under this part;

“(F) fails to comply with the applicable requirements of section 1852(j)(3) or 1852(k)(2)(A)(ii); or

“(G) employs or contracts with any individual or entity that is excluded from participation under this title under section 1128 or 1128A for the provision of health care, utilization review, medical social work, or administrative services or employs or contracts with any entity for the provision (directly or indirectly) through such an excluded individual or entity of such services;

the Secretary may provide, in addition to any other remedies authorized by law, for any of the remedies described in paragraph (2).

“(2) REMEDIES.—The remedies described in this paragraph are—

“(A) civil money penalties of not more than \$25,000 for each determination under paragraph (1) or, with respect to a determination under subparagraph (D) or (E)(i) of such paragraph, of not more than \$100,000 for each such determination, plus, with respect to a determination under paragraph (1)(B), double the excess amount charged in violation of such paragraph (and the excess amount charged shall be deducted from the penalty and returned to the individual concerned), and plus, with respect to a determination under paragraph (1)(D), \$15,000 for each individual not enrolled as a result of the practice involved,

“(B) suspension of enrollment of individuals under this part after the date the Secretary notifies the organization of a determination under paragraph (1) and until the Secretary is satisfied that the basis for such determination has been corrected and is not likely to recur, or

“(C) suspension of payment to the organization under this part for individuals enrolled after the date the Secretary notifies the organization of a determination under paragraph (1) and until the Secretary is satisfied that the basis for such determination has been corrected and is not likely to recur.

“(3) OTHER INTERMEDIATE SANCTIONS.—In the case of a Medicare+Choice organization for which the Secretary makes a determination under subsection (c)(2) the basis of which is not described in paragraph (1), the Secretary may apply the following intermediate sanctions:

“(A) Civil money penalties of not more than \$25,000 for each determination under subsection (c)(2) if the deficiency that is the basis of the determination has directly adversely affected (or has the substantial likelihood of adversely affecting) an individual covered under the organization’s contract.

“(B) Civil money penalties of not more than \$10,000 for each week beginning after the initiation of civil money

penalty procedures by the Secretary during which the deficiency that is the basis of a determination under subsection (c)(2) exists.

“(C) Suspension of enrollment of individuals under this part after the date the Secretary notifies the organization of a determination under subsection (c)(2) and until the Secretary is satisfied that the deficiency that is the basis for the determination has been corrected and is not likely to recur.

“(4) CIVIL MONEY PENALTIES.—The provisions of section 1128A (other than subsections (a) and (b)) shall apply to a civil money penalty under paragraph (2) or (3) in the same manner as they apply to a civil money penalty or proceeding under section 1128A(a).

“(h) PROCEDURES FOR TERMINATION.—

“(1) IN GENERAL.—The Secretary may terminate a contract with a Medicare+Choice organization under this section in accordance with formal investigation and compliance procedures established by the Secretary under which—

“(A) the Secretary provides the organization with the reasonable opportunity to develop and implement a corrective action plan to correct the deficiencies that were the basis of the Secretary’s determination under subsection (c)(2); and

“(B) the Secretary provides the organization with reasonable notice and opportunity for hearing (including the right to appeal an initial decision) before terminating the contract.

“(2) EXCEPTION FOR IMMINENT AND SERIOUS RISK TO HEALTH.—Paragraph (1) shall not apply if the Secretary determines that a delay in termination, resulting from compliance with the procedures specified in such paragraph prior to termination, would pose an imminent and serious risk to the health of individuals enrolled under this part with the organization.

(b) PAYMENT.—

(1) APPLICATION TO COST REPORTING PERIODS.—Any classification by reason of section 1886(d)(1)(B)(v)(II) of the Social Security Act (42 U.S.C. 1395ww(d)(1)(B)(v)(II)) (as added by subsection (a)) shall apply to all cost reporting periods beginning on or after January 1, 1991.

(2) BASE YEAR.—Notwithstanding the provisions of section 1886(b)(3)(E) of such Act (42 U.S.C. 1395ww(b)(3)(E)) or other provisions to the contrary, the base cost reporting period for purposes of determining the target amount for any hospital classified by reason of section 1886(d)(1)(B)(v)(II) of such Act shall be either—

(A) the hospital’s cost reporting period beginning during fiscal year 1990, or

(B) pursuant to an election under 1886(b)(3)(G) of such Act (42 U.S.C. 1395ww(b)(3)(G)), as added in section 4413(b), the period provided for under such section.

**Subchapter B—Prospective Payment System for PPS-Exempt Hospitals**

**SEC. 4421. PROSPECTIVE PAYMENT FOR INPATIENT REHABILITATION HOSPITAL SERVICES.**

(a) IN GENERAL.—Section 1886 (42 U.S.C. 1395ww) is amended by adding at the end the following new subsection:

“(j) PROSPECTIVE PAYMENT FOR INPATIENT REHABILITATION SERVICES.—

“(1) PAYMENT DURING TRANSITION PERIOD.—

“(A) IN GENERAL.—Notwithstanding section 1814(b), but subject to the provisions of section 1813, the amount of the payment with respect to the operating and capital costs of inpatient hospital services of a rehabilitation hospital or a rehabilitation unit (in this subsection referred to as a ‘rehabilitation facility’), in a cost reporting period beginning on or after October 1, 2000, and before October 1, 2002, is equal to the sum of—

“(i) the TEFRA percentage (as defined in subparagraph (C)) of the amount that would have been paid under part A with respect to such costs if this subsection did not apply, and

“(ii) the prospective payment percentage (as defined in subparagraph (C)) of the product of (I) the per unit payment rate established under this subsection for the fiscal year in which the payment unit of service occurs, and (II) the number of such payment units occurring in the cost reporting period.

“(B) FULLY IMPLEMENTED SYSTEM.—Notwithstanding section 1814(b), but subject to the provisions of section 1813, the amount of the payment with respect to the operating and capital costs of inpatient hospital services of a rehabilitation facility for a payment unit in a cost reporting period beginning on or after October 1, 2002, is equal to the per unit payment rate established under this subsection for the fiscal year in which the payment unit of service occurs.

“(C) TEFRA AND PROSPECTIVE PAYMENT PERCENTAGES SPECIFIED.—For purposes of subparagraph (A), for a cost reporting period beginning—

“(i) on or after October 1, 2000, and before October 1, 2001, the ‘TEFRA percentage’ is 66 $\frac{2}{3}$  percent and the ‘prospective payment percentage’ is 33 $\frac{1}{3}$  percent; and

“(ii) on or after October 1, 2001, and before October 1, 2002, the ‘TEFRA percentage’ is 33 $\frac{1}{3}$  percent and the ‘prospective payment percentage’ is 66 $\frac{2}{3}$  percent.

“(D) PAYMENT UNIT.—For purposes of this subsection, the term ‘payment unit’ means a discharge, day of inpatient hospital services, or other unit of payment defined by the Secretary.

“(2) PATIENT CASE MIX GROUPS.—

“(A) ESTABLISHMENT.—The Secretary shall establish—

“(i) classes of patients of rehabilitation facilities (each in this subsection referred to as a ‘case mix group’), based on such factors as the Secretary deems appropriate, which may include impairment, age, related prior hospitalization, comorbidities, and functional capability of the patient; and

“(ii) a method of classifying specific patients in rehabilitation facilities within these groups.

“(B) WEIGHTING FACTORS.—For each case mix group the Secretary shall assign an appropriate weighting which reflects the relative facility resources used with respect to patients classified within that group compared to patients classified within other groups.

“(C) ADJUSTMENTS FOR CASE MIX.—

“(i) IN GENERAL.—The Secretary shall from time to time adjust the classifications and weighting factors established under this paragraph as appropriate to reflect changes in treatment patterns, technology, case mix, number of payment units for which payment is made under this title, and other factors which may affect the relative use of resources. Such adjustments shall be made in a manner so that changes in aggregate payments under the classification system are a result of real changes and are not a result of changes in coding that are unrelated to real changes in case mix.

“(ii) ADJUSTMENT.—Insofar as the Secretary determines that such adjustments for a previous fiscal year (or estimates that such adjustments for a future fiscal year) did (or are likely to) result in a change in aggregate payments under the classification system during the fiscal year that are a result of changes in the coding or classification of patients that do not reflect real changes in case mix, the Secretary shall adjust the per payment unit payment rate for subsequent years so as to eliminate the effect of such coding or classification changes.

“(D) DATA COLLECTION.—The Secretary is authorized to require rehabilitation facilities that provide inpatient hospital services to submit such data as the Secretary deems necessary to establish and administer the prospective payment system under this subsection.

“(3) PAYMENT RATE.—

“(A) IN GENERAL.—The Secretary shall determine a prospective payment rate for each payment unit for which such rehabilitation facility is entitled to receive payment under this title. Subject to subparagraph (B), such rate for payment units occurring during a fiscal year shall be based on the average payment per payment unit under this title for inpatient operating and capital costs of rehabilitation facilities using the most recent data available (as estimated by the Secretary as of the date of establishment of the system) adjusted—

“(i) by updating such per-payment-unit amount to the fiscal year involved by the weighted average of the applicable percentage increases provided under subsection (b)(3)(B)(ii) (for cost reporting periods beginning during the fiscal year) covering the period from

the midpoint of the period for such data through the midpoint of fiscal year 2000 and by an increase factor (described in subparagraph (C)) specified by the Secretary for subsequent fiscal years up to the fiscal year involved;

“(ii) by reducing such rates by a factor equal to the proportion of payments under this subsection (as estimated by the Secretary) based on prospective payment amounts which are additional payments described in paragraph (4) (relating to outlier and related payments);

“(iii) for variations among rehabilitation facilities by area under paragraph (6);

“(iv) by the weighting factors established under paragraph (2)(B); and

“(v) by such other factors as the Secretary determines are necessary to properly reflect variations in necessary costs of treatment among rehabilitation facilities.

“(B) BUDGET NEUTRAL RATES.—The Secretary shall establish the prospective payment amounts under this subsection for payment units during fiscal years 2001 and 2002 at levels such that, in the Secretary’s estimation, the amount of total payments under this subsection for such fiscal years (including any payment adjustments pursuant to paragraphs (4) and (6)) shall be equal to 98 percent of the amount of payments that would have been made under this title during the fiscal years for operating and capital costs of rehabilitation facilities had this subsection not been enacted. In establishing such payment amounts, the Secretary shall consider the effects of the prospective payment system established under this subsection on the total number of payment units from rehabilitation facilities and other factors described in subparagraph (A).

“(C) INCREASE FACTOR.—For purposes of this subsection for payment units in each fiscal year (beginning with fiscal year 2001), the Secretary shall establish an increase factor. Such factor shall be based on an appropriate percentage increase in a market basket of goods and services comprising services for which payment is made under this subsection, which may be the market basket percentage increase described in subsection (b)(3)(B)(iii).

“(4) OUTLIER AND SPECIAL PAYMENTS.—

“(A) OUTLIERS.—

“(i) IN GENERAL.—The Secretary may provide for an additional payment to a rehabilitation facility for patients in a case mix group, based upon the patient being classified as an outlier based on an unusual length of stay, costs, or other factors specified by the Secretary.

“(ii) PAYMENT BASED ON MARGINAL COST OF CARE.—The amount of such additional payment under clause (i) shall be determined by the Secretary and shall approximate the marginal cost of care beyond the cutoff point applicable under clause (i).

“(iii) TOTAL PAYMENTS.—The total amount of the additional payments made under this subparagraph for payment units in a fiscal year may not exceed 5 percent of the total payments projected or estimated to be made based on prospective payment rates for payment units in that year.

“(B) ADJUSTMENT.—The Secretary may provide for such adjustments to the payment amounts under this subsection as the Secretary deems appropriate to take into account the unique circumstances of rehabilitation facilities located in Alaska and Hawaii.

“(5) PUBLICATION.—The Secretary shall provide for publication in the Federal Register, on or before August 1 before each fiscal year (beginning with fiscal year 2001), of the classification and weighting factors for case mix groups under paragraph (2) for such fiscal year and a description of the methodology and data used in computing the prospective payment rates under this subsection for that fiscal year.

“(6) AREA WAGE ADJUSTMENT.—The Secretary shall adjust the proportion (as estimated by the Secretary from time to time) of rehabilitation facilities’ costs which are attributable to wages and wage-related costs, of the prospective payment rates computed under paragraph (3) for area differences in wage levels by a factor (established by the Secretary) reflecting the relative hospital wage level in the geographic area of the rehabilitation facility compared to the national average wage level for such facilities. Not later than October 1, 2001 (and at least every 36 months thereafter), the Secretary shall update the factor under the preceding sentence on the basis of information available to the Secretary (and updated as appropriate) of the wages and wage-related costs incurred in furnishing rehabilitation services. Any adjustments or updates made under this paragraph for a fiscal year shall be made in a manner that assures that the aggregated payments under this subsection in the fiscal year are not greater or less than those that would have been made in the year without such adjustment.

“(7) LIMITATION ON REVIEW.—There shall be no administrative or judicial review under section 1869, 1878, or otherwise of the establishment of—

“(A) case mix groups, of the methodology for the classification of patients within such groups, and of the appropriate weighting factors thereof under paragraph (2),

“(B) the prospective payment rates under paragraph (3),

“(C) outlier and special payments under paragraph (4), and

“(D) area wage adjustments under paragraph (6).”.

(b) CONFORMING AMENDMENTS.—Section 1886(b) (42 U.S.C. 1395ww(b)) is amended—

(1) in paragraph (1), by inserting “and other than a rehabilitation facility described in subsection (j)(1)” after “subsection (d)(1)(B)”, and

(2) in paragraph (3)(B)(i), by inserting “and subsection (j)” after “For purposes of subsection (d)”.

(c) EFFECTIVE DATE.—The amendments made by this section shall apply to cost reporting periods beginning on or after October

1, 2000, except that the Secretary of Health and Human Services may require the submission of data under section 1886(j)(2)(D) of the Social Security Act (as added by subsection (a)) on and after the date of the enactment of this section.

**SEC. 4422. DEVELOPMENT OF PROPOSAL ON PAYMENTS FOR LONG-TERM CARE HOSPITALS.**

(a) IN GENERAL.—

(1) LEGISLATIVE PROPOSAL.—The Secretary of Health and Human Services shall develop a legislative proposal for establishing a case-mix adjusted prospective payment system for payment of long-term care hospitals described in section 1886(d)(1)(B)(iv) of the Social Security Act (42 U.S.C. 1395ww(d)(1)(B)(iv)) under the medicare program. Such system shall include an adequate patient classification system that reflects the differences in patient resource use and costs among such hospitals.

(2) COLLECTION OF DATA AND EVALUATION.—In developing the legislative proposal described in paragraph (1), the Secretary—

(A) may require such long-term care hospitals to submit such information to the Secretary as the Secretary may require to develop the proposal; and

(B) shall consider several payment methodologies, including the feasibility of expanding the current diagnosis-related groups and prospective payment system established under section 1886(d) of the Social Security Act to apply to payments under the medicare program to long-term care hospitals.

(b) REPORT.—Not later than October 1, 1999, the Secretary shall submit to the appropriate committees of Congress a report that includes the legislative proposal developed under subsection (a)(1).

**CHAPTER 3—PAYMENT FOR SKILLED NURSING FACILITIES**

**SEC. 4431. EXTENSION OF COST LIMITS.**

The last sentence of section 1888(a) (42 U.S.C. 1395yy(a)) is amended by striking “subsection” the last place it appears and all that follows and inserting “subsection, except that the limits effective for cost reporting periods beginning on or after October 1, 1997, shall be based on the limits effective for cost reporting periods beginning on or after October 1, 1996.”.

**SEC. 4432. PROSPECTIVE PAYMENT FOR SKILLED NURSING FACILITY SERVICES.**

(a) IN GENERAL.—Section 1888 (42 U.S.C. 1395yy) is amended by adding at the end the following new subsection:

“(e) PROSPECTIVE PAYMENT.—

“(1) PAYMENT PROVISION.—Notwithstanding any other provision of this title, subject to paragraph (7), the amount of the payment for all costs (as defined in paragraph (2)(B)) of covered skilled nursing facility services (as defined in paragraph (2)(A)) for each day of such services furnished—

“(A) in a cost reporting period during the transition period (as defined in paragraph (2)(E)), is equal to the sum of—

“(i) the non-Federal percentage of the facility-specific per diem rate (computed under paragraph (3)), and

“(ii) the Federal percentage of the adjusted Federal per diem rate (determined under paragraph (4)) applicable to the facility; and

“(B) after the transition period is equal to the adjusted Federal per diem rate applicable to the facility.

“(2) DEFINITIONS.—For purposes of this subsection:

“(A) COVERED SKILLED NURSING FACILITY SERVICES.—

“(i) IN GENERAL.—The term ‘covered skilled nursing facility services’—

“(I) means post-hospital extended care services as defined in section 1861(i) for which benefits are provided under part A; and

“(II) includes all items and services (other than services described in clause (ii)) for which payment may be made under part B and which are furnished to an individual who is a resident of a skilled nursing facility during the period in which the individual is provided covered post-hospital extended care services.

“(ii) SERVICES EXCLUDED.—Services described in this clause are physicians’ services, services described by clauses (i) through (iii) of section 1861(s)(2)(K), certified nurse-midwife services, qualified psychologist services, services of a certified registered nurse anesthetist, items and services described in subparagraphs (F) and (O) of section 1861(s)(2), and, only with respect to services furnished during 1998, the transportation costs of electrocardiogram equipment for electrocardiogram test services (HCPCS Code R0076). Services described in this clause do not include any physical, occupational, or speech-language therapy services regardless of whether or not the services are furnished by, or under the supervision of, a physician or other health care professional.

“(B) ALL COSTS.—The term ‘all costs’ means routine service costs, ancillary costs, and capital-related costs of covered skilled nursing facility services, but does not include costs associated with approved educational activities.

“(C) NON-FEDERAL PERCENTAGE; FEDERAL PERCENTAGE.—For—

“(i) the first cost reporting period (as defined in subparagraph (D)) of a facility, the ‘non-Federal percentage’ is 75 percent and the ‘Federal percentage’ is 25 percent;

“(ii) the next cost reporting period of such facility, the ‘non-Federal percentage’ is 50 percent and the ‘Federal percentage’ is 50 percent; and

“(iii) the subsequent cost reporting period of such facility, the ‘non-Federal percentage’ is 25 percent and the ‘Federal percentage’ is 75 percent.

“(D) FIRST COST REPORTING PERIOD.—The term ‘first cost reporting period’ means, with respect to a skilled nursing facility, the first cost reporting period of the facility beginning on or after July 1, 1998.

“(E) TRANSITION PERIOD.—

“(i) IN GENERAL.—The term ‘transition period’ means, with respect to a skilled nursing facility, the 3 cost reporting periods of the facility beginning with the first cost reporting period.

“(ii) TREATMENT OF NEW SKILLED NURSING FACILITIES.—In the case of a skilled nursing facility that first received payment for services under this title on or after October 1, 1995, payment for such services shall be made under this subsection as if all services were furnished after the transition period.

“(3) DETERMINATION OF FACILITY SPECIFIC PER DIEM RATES.—The Secretary shall determine a facility-specific per diem rate for each skilled nursing facility not described in paragraph (2)(E)(ii) for a cost reporting period as follows:

“(A) DETERMINING BASE PAYMENTS.—The Secretary shall determine, on a per diem basis, the total of—

“(i) the allowable costs of extended care services for the facility for cost reporting periods beginning in fiscal year 1995, including costs associated with facilities described in subsection (d), with appropriate adjustments (as determined by the Secretary) to non-settled cost reports, and

“(ii) an estimate of the amounts that would be payable under part B (disregarding any applicable deductibles, coinsurance, and copayments) for covered skilled nursing facility services described in paragraph (2)(A)(i)(II) furnished during such period to an individual who is a resident of the facility, regardless of whether or not the payment was made to the facility or to another entity.

In making appropriate adjustments under clause (i), the Secretary shall take into account exceptions and shall take into account exemptions but, with respect to exemptions, only to the extent that routine costs do not exceed 150 percent of the routine cost limits otherwise applicable but for the exemption.

“(B) UPDATE TO FIRST COST REPORTING PERIOD.—

“(i) IN GENERAL.—Subject to clause (ii), the Secretary shall update the amount determined under subparagraph (A), for each cost reporting period after the cost reporting period described in subparagraph (A)(i) and up to the first cost reporting period by a factor equal to the skilled nursing facility market basket percentage increase minus 1 percentage point.

“(ii) CERTAIN DEMONSTRATION PROJECTS.—In the case of a facility participating in the Nursing Home Case-Mix and Quality Demonstration (RUGS-III), there shall be substituted for the amount described in clause (i) the RUGS-III rate received by the facility for 1997.

“(C) UPDATING TO APPLICABLE COST REPORTING PERIOD.—The Secretary shall update the amount determined under subparagraph (B) for each cost reporting period beginning with the first cost reporting period and up to and including the cost reporting period involved by a factor equal to the facility-specific update factor.

“(D) FACILITY-SPECIFIC UPDATE FACTOR.—For purposes of this paragraph, the ‘facility-specific update factor’ for cost reporting periods beginning during—

“(i) during each of fiscal years 1998 and 1999, is equal to the skilled nursing facility market basket percentage increase for such fiscal year minus 1 percentage point, and

“(ii) during each subsequent fiscal year is equal to the skilled nursing facility market basket percentage increase for such fiscal year.

“(4) FEDERAL PER DIEM RATE.—

“(A) DETERMINATION OF HISTORICAL PER DIEM FOR FACILITIES.—For each skilled nursing facility that received payments for post-hospital extended care services during a cost reporting period beginning in fiscal year 1995 and that was subject to (and not exempted from) the per diem limits referred to in paragraph (1) or (2) of subsection (a) (and facilities described in subsection (d)), the Secretary shall estimate, on a per diem basis for such cost reporting period, the total of—

“(i) the allowable costs of extended care services (excluding exceptions payments) for the facility for cost reporting periods beginning in 1995 with appropriate adjustments (as determined by the Secretary) to non-settled cost reports, and

“(ii) an estimate of the amounts that would be payable under part B (disregarding any applicable deductibles, coinsurance, and copayments) for covered skilled nursing facility services described in paragraph (2)(A)(i)(II) furnished during such period to an individual who is a resident of the facility, regardless of whether or not the payment was made to the facility or to another entity.

“(B) UPDATE TO FIRST FISCAL YEAR.—The Secretary shall update the amount determined under subparagraph (A), for each cost reporting period after the cost reporting period described in subparagraph (A)(i) and up to the first cost reporting period by a factor equal to the skilled nursing facility market basket percentage increase reduced (on an annualized basis) by 1 percentage point.

“(C) COMPUTATION OF STANDARDIZED PER DIEM RATE.—The Secretary shall standardize the amount updated under subparagraph (B) for each facility by—

“(i) adjusting for variations among facilities by area in the average facility wage level per diem, and

“(ii) adjusting for variations in case mix per diem among facilities.

“(D) COMPUTATION OF WEIGHTED AVERAGE PER DIEM RATES.—

“(i) ALL FACILITIES.—The Secretary shall compute a weighted average per diem rate for all facilities by

computing an average of the standardized amounts computed under subparagraph (C), weighted for each facility by the number of days of extended care services furnished during the cost reporting period referred to in subparagraph (A).

“(ii) FREESTANDING FACILITIES.—The Secretary shall compute a weighted average per diem rate for freestanding facilities by computing an average of the standardized amounts computed under subparagraph (C) only for such facilities, weighted for each facility by the number of days of extended care services furnished during the cost reporting period referred to in subparagraph (A).

“(iii) SEPARATE COMPUTATION.—The Secretary may compute and apply such averages separately for facilities located in urban and rural areas (as defined in section 1886(d)(2)(D)).

“(E) UPDATING.—

“(i) INITIAL PERIOD.—For the initial period beginning on July 1, 1998, and ending on September 30, 1999, the Secretary shall compute for skilled nursing facilities an unadjusted federal per diem rate equal to the average of the weighted average per diem rates computed under clauses (i) and (ii) of subparagraph (D), increased by skilled nursing facility market basket percentage change for such period minus 1 percentage point.

“(ii) SUBSEQUENT FISCAL YEARS.—The Secretary shall compute an unadjusted federal per diem rate equal to the federal per diem rate computed under this subparagraph—

“(I) for fiscal year 2000, the rate computed for the initial period described in clause (i), increased by the skilled nursing facility market basket percentage change for the initial period minus 1 percentage point;

“(II) for each of fiscal years 2001 and 2002, the rate computed for the previous fiscal year increased by the skilled nursing facility market basket percentage change for the fiscal year involved minus 1 percentage point; and

“(III) for each subsequent fiscal year, the rate computed for the previous fiscal year increased by the skilled nursing facility market basket percentage change for the fiscal year involved.

“(F) ADJUSTMENT FOR CASE MIX CREEP.—Insofar as the Secretary determines that the adjustments under subparagraph (G)(i) for a previous fiscal year (or estimates that such adjustments for a future fiscal year) did (or are likely to) result in a change in aggregate payments under this subsection during the fiscal year that are a result of changes in the coding or classification of residents that do not reflect real changes in case mix, the Secretary may adjust unadjusted Federal per diem rates for subsequent fiscal years so as to eliminate the effect of such coding or classification changes.

“(G) DETERMINATION OF FEDERAL RATE.—The Secretary shall compute for each skilled nursing facility for each fiscal year (beginning with the initial period described in subparagraph (E)(i)) an adjusted Federal per diem rate equal to the unadjusted Federal per diem rate determined under subparagraph (E), as adjusted under subparagraph (F), and as further adjusted as follows:

“(i) ADJUSTMENT FOR CASE MIX.—The Secretary shall provide for an appropriate adjustment to account for case mix. Such adjustment shall be based on a resident classification system, established by the Secretary, that accounts for the relative resource utilization of different patient types. The case mix adjustment shall be based on resident assessment data and other data that the Secretary considers appropriate.

“(ii) ADJUSTMENT FOR GEOGRAPHIC VARIATIONS IN LABOR COSTS.—The Secretary shall adjust the portion of such per diem rate attributable to wages and wage-related costs for the area in which the facility is located compared to the national average of such costs using an appropriate wage index as determined by the Secretary. Such adjustment shall be done in a manner that does not result in aggregate payments under this subsection that are greater or less than those that would otherwise be made if such adjustment had not been made.

“(H) PUBLICATION OF INFORMATION ON PER DIEM RATES.—The Secretary shall provide for publication in the Federal Register, before May 1, 1998 (with respect to fiscal period described in subparagraph (E)(i)) and before the August 1 preceding each succeeding fiscal year (with respect to that succeeding fiscal year), of—

“(i) the unadjusted Federal per diem rates to be applied to days of covered skilled nursing facility services furnished during the fiscal year,

“(ii) the case mix classification system to be applied under subparagraph (G)(i) with respect to such services during the fiscal year, and

“(iii) the factors to be applied in making the area wage adjustment under subparagraph (G)(ii) with respect to such services.

“(5) SKILLED NURSING FACILITY MARKET BASKET INDEX AND PERCENTAGE.—For purposes of this subsection:

(a) IN GENERAL.—Section 1833 (42 U.S.C. 1395l) is amended by adding at the end the following:

“(t) PROSPECTIVE PAYMENT SYSTEM FOR HOSPITAL OUTPATIENT DEPARTMENT SERVICES.—

“(1) AMOUNT OF PAYMENT.—

“(A) IN GENERAL.—With respect to covered OPD services (as defined in subparagraph (B)) furnished during a year beginning with 1999, the amount of payment under this part shall be determined under a prospective payment system established by the Secretary in accordance with this subsection.

“(B) DEFINITION OF COVERED OPD SERVICES.—For purposes of this subsection, the term ‘covered OPD services’—

“(i) means hospital outpatient services designated by the Secretary;

“(ii) subject to clause (iii), includes inpatient hospital services designated by the Secretary that are covered under this part and furnished to a hospital inpatient who (I) is entitled to benefits under part A but has exhausted benefits for inpatient hospital services during a spell of illness, or (II) is not so entitled; but

“(iii) does not include any therapy services described in subsection (a)(8) or ambulance services, for which payment is made under a fee schedule described in section 1834(k) or section 1834(l).

“(2) SYSTEM REQUIREMENTS.—Under the payment system—

“(A) the Secretary shall develop a classification system for covered OPD services;

“(B) the Secretary may establish groups of covered OPD services, within the classification system described in subparagraph (A), so that services classified within each group are comparable clinically and with respect to the use of resources;

“(C) the Secretary shall, using data on claims from 1996 and using data from the most recent available cost reports, establish relative payment weights for covered OPD services (and any groups of such services described in subparagraph (B)) based on median hospital costs and shall determine projections of the frequency of utilization of each such service (or group of services) in 1999;

“(D) the Secretary shall determine a wage adjustment factor to adjust the portion of payment and coinsurance attributable to labor-related costs for relative differences in labor and labor-related costs across geographic regions in a budget neutral manner;

“(E) the Secretary shall establish other adjustments, in a budget neutral manner, as determined to be necessary to ensure equitable payments, such as outlier adjustments or adjustments for certain classes of hospitals; and

“(F) the Secretary shall develop a method for controlling unnecessary increases in the volume of covered OPD services.

“(3) CALCULATION OF BASE AMOUNTS.—

“(A) AGGREGATE AMOUNTS THAT WOULD BE PAYABLE IF DEDUCTIBLES WERE DISREGARDED.—The Secretary shall estimate the sum of—

“(i) the total amounts that would be payable from the Trust Fund under this part for covered OPD services in 1999, determined without regard to this subsection, as though the deductible under section 1833(b) did not apply, and

“(ii) the total amounts of copayments estimated to be paid under this subsection by beneficiaries to hospitals for covered OPD services in 1999, as though the deductible under section 1833(b) did not apply.

“(B) UNADJUSTED COPAYMENT AMOUNT.—

“(i) IN GENERAL.—For purposes of this subsection, subject to clause (ii), the ‘unadjusted copayment amount’ applicable to a covered OPD service (or group of such services) is 20 percent of the national median of the charges for the service (or services within the group) furnished during 1996, updated to 1999 using the Secretary’s estimate of charge growth during the period.

“(ii) ADJUSTED TO BE 20 PERCENT WHEN FULLY PHASED IN.—If the pre-deductible payment percentage for a covered OPD service (or group of such services) furnished in a year would be equal to or exceed 80 percent, then the unadjusted copayment amount shall be 20 percent of amount determined under subparagraph (D).

“(iii) RULES FOR NEW SERVICES.—The Secretary shall establish rules for establishment of an unadjusted copayment amount for a covered OPD service not furnished during 1996, based upon its classification within a group of such services.

“(C) CALCULATION OF CONVERSION FACTORS.—

“(i) FOR 1999.—

“(I) IN GENERAL.—The Secretary shall establish a 1999 conversion factor for determining the medicare OPD fee schedule amounts for each covered OPD service (or group of such services) furnished in 1999. Such conversion factor shall be established on the basis of the weights and frequencies described in paragraph (2)(C) and in such a manner that the sum for all services and groups of the products (described in subclause (II) for each such service or group) equals the total projected amount described in subparagraph (A).

“(II) PRODUCT DESCRIBED.—The Secretary shall determine for each service or group the product of the medicare OPD fee schedule amounts (taking into account appropriate adjustments described in paragraphs (2)(D) and (2)(E)) and the estimated frequencies for such service or group.

“(ii) SUBSEQUENT YEARS.—Subject to paragraph (8)(B), the Secretary shall establish a conversion factor for covered OPD services furnished in subsequent years in an amount equal to the conversion factor established under this subparagraph and applicable to such services furnished in the previous year increased by the OPD fee schedule increase factor specified under clause (iii) for the year involved.

“(iii) OPD FEE SCHEDULE INCREASE FACTOR.—For purposes of this subparagraph, the ‘OPD fee schedule increase factor’ for services furnished in a year is equal to the market basket percentage increase applicable under section 1886(b)(3)(B)(iii) to hospital discharges occurring during the fiscal year ending in such year, reduced by 1 percentage point for such factor for services furnished in each of 2000, 2001, and 2002. In applying the previous sentence for years beginning with 2000, the Secretary may substitute for the market basket percentage increase an annual percentage increase that is computed and applied with respect to covered OPD services furnished in a year in the same manner as the market basket percentage increase is determined and applied to inpatient hospital services for discharges occurring in a fiscal year.

“(D) CALCULATION OF MEDICARE OPD FEE SCHEDULE AMOUNTS.—The Secretary shall compute a medicare OPD fee schedule amount for each covered OPD service (or group of such services) furnished in a year, in an amount equal to the product of—

“(i) the conversion factor computed under subparagraph (C) for the year, and

“(ii) the relative payment weight (determined under paragraph (2)(C)) for the service or group.

“(E) PRE-DEDUCTIBLE PAYMENT PERCENTAGE.—The pre-deductible payment percentage for a covered OPD service (or group of such services) furnished in a year is equal to the ratio of—

“(i) the medicare OPD fee schedule amount established under subparagraph (D) for the year, minus the unadjusted copayment amount determined under subparagraph (B) for the service or group, to

“(ii) the medicare OPD fee schedule amount determined under subparagraph (D) for the year for such service or group.

“(4) MEDICARE PAYMENT AMOUNT.—The amount of payment made from the Trust Fund under this part for a covered OPD service (and such services classified within a group) furnished in a year is determined as follows:

“(A) FEE SCHEDULE ADJUSTMENTS.—The medicare OPD fee schedule amount (computed under paragraph (3)(D)) for the service or group and year is adjusted for relative differences in the cost of labor and other factors determined by the Secretary, as computed under paragraphs (2)(D) and (2)(E).

“(B) SUBTRACT APPLICABLE DEDUCTIBLE.—Reduce the adjusted amount determined under subparagraph (A) by

the amount of the deductible under section 1833(b), to the extent applicable.

“(C) APPLY PAYMENT PROPORTION TO REMAINDER.—The amount of payment is the amount so determined under subparagraph (B) multiplied by the pre-deductible payment percentage (as determined under paragraph (3)(E)) for the service or group and year involved.

“(5) COPAYMENT AMOUNT.—

“(A) IN GENERAL.—Except as provided in subparagraph (B), the copayment amount under this subsection is the amount by which the amount described in paragraph (4)(B) exceeds the amount of payment determined under paragraph (4)(C).

“(B) ELECTION TO OFFER REDUCED COPAYMENT AMOUNT.—The Secretary shall establish a procedure under which a hospital, before the beginning of a year (beginning with 1999), may elect to reduce the copayment amount otherwise established under subparagraph (A) for some or all covered OPD services to an amount that is not less than 20 percent of the medicare OPD fee schedule amount (computed under paragraph (3)(D)) for the service involved. Under such procedures, such reduced copayment amount may not be further reduced or increased during the year involved and the hospital may disseminate information on the reduction of copayment amount effected under this subparagraph.

“(C) NO IMPACT ON DEDUCTIBLES.—Nothing in this paragraph shall be construed as affecting a hospital’s authority to waive the charging of a deductible under section 1833(b).

“(6) PERIODIC REVIEW AND ADJUSTMENTS COMPONENTS OF PROSPECTIVE PAYMENT SYSTEM.—

“(A) PERIODIC REVIEW.—The Secretary may periodically review and revise the groups, the relative payment weights, and the wage and other adjustments described in paragraph (2) to take into account changes in medical practice, changes in technology, the addition of new services, new cost data, and other relevant information and factors.

“(B) BUDGET NEUTRALITY ADJUSTMENT.—If the Secretary makes adjustments under subparagraph (A), then the adjustments for a year may not cause the estimated amount of expenditures under this part for the year to increase or decrease from the estimated amount of expenditures under this part that would have been made if the adjustments had not been made.

“(C) UPDATE FACTOR.—If the Secretary determines under methodologies described in paragraph (2)(F) that the volume of services paid for under this subsection increased beyond amounts established through those methodologies, the Secretary may appropriately adjust the update to the conversion factor otherwise applicable in a subsequent year.

“(7) SPECIAL RULE FOR AMBULANCE SERVICES.—The Secretary shall pay for hospital outpatient services that are ambulance services on the basis described in the matter in subsection (a)(1) preceding subparagraph (A), or, if applicable, the fee schedule established under section 1834(l).

H. R. 2015—199

“(8) SPECIAL RULES FOR CERTAIN HOSPITALS.—In the case of hospitals described in section 1886(d)(1)(B)(v)—

“(A) the system under this subsection shall not apply to covered OPD services furnished before January 1, 2000; and

“(B) the Secretary may establish a separate conversion factor for such services in a manner that specifically takes into account the unique costs incurred by such hospitals by virtue of their patient population and service intensity.

“(9) LIMITATION ON REVIEW.—There shall be no administrative or judicial review under section 1869, 1878, or otherwise of—

“(A) the development of the classification system under paragraph (2), including the establishment of groups and relative payment weights for covered OPD services, of wage adjustment factors, other adjustments, and methods described in paragraph (2)(F);

“(B) the calculation of base amounts under paragraph (3);

“(C) periodic adjustments made under paragraph (6); and

(1) by striking “or” at the end of subparagraph (B),

(2) by striking the period at the end of subparagraph (C) and inserting “; or”, and

(a) **IN GENERAL.**—Title XVIII (42 U.S.C. 1395 et seq.) (as amended by section 4801) is amended by adding at the end the following:

“PROSPECTIVE PAYMENT FOR HOME HEALTH SERVICES

“SEC. 1895. (a) **IN GENERAL.**—Notwithstanding section 1861(v), the Secretary shall provide, for cost reporting periods beginning on or after October 1, 1999, for payments for home health services in accordance with a prospective payment system established by the Secretary under this section.

“(b) SYSTEM OF PROSPECTIVE PAYMENT FOR HOME HEALTH SERVICES.—

“(1) IN GENERAL.—The Secretary shall establish under this subsection a prospective payment system for payment for all costs of home health services. Under the system under this subsection all services covered and paid on a reasonable cost basis under the medicare home health benefit as of the date of the enactment of the this section, including medical supplies, shall be paid for on the basis of a prospective payment amount determined under this subsection and applicable to the services involved. In implementing the system, the Secretary may provide for a transition (of not longer than 4 years) during which a portion of such payment is based on agency-specific costs, but only if such transition does not result in aggregate payments under this title that exceed the aggregate payments that would be made if such a transition did not occur.

“(2) UNIT OF PAYMENT.—In defining a prospective payment amount under the system under this subsection, the Secretary shall consider an appropriate unit of service and the number, type, and duration of visits provided within that unit, potential changes in the mix of services provided within that unit and their cost, and a general system design that provides for continued access to quality services.

“(3) PAYMENT BASIS.—

“(A) INITIAL BASIS.—

“(i) IN GENERAL.—Under such system the Secretary shall provide for computation of a standard prospective payment amount (or amounts). Such amount (or amounts) shall initially be based on the most current audited cost report data available to the Secretary and shall be computed in a manner so that the total amounts payable under the system for fiscal year 2000 shall be equal to the total amount that would have been made if the system had not been in effect but if the reduction in limits described in clause (ii) had been in effect. Such amount shall be standardized in a manner that eliminates the effect of variations in relative case mix and wage levels among different home health agencies in a budget neutral manner consistent with the case mix and wage level adjustments provided under paragraph (4)(A). Under the system, the Secretary may recognize regional differences or differences based upon whether or not the services or agency are in an urbanized area.

“(ii) REDUCTION.—The reduction described in this clause is a reduction by 15 percent in the cost limits and per beneficiary limits described in section 1861(v)(1)(L), as those limits are in effect on September 30, 1999.

“(B) ANNUAL UPDATE.—

“(i) IN GENERAL.—The standard prospective payment amount (or amounts) shall be adjusted for each fiscal year (beginning with fiscal year 2001) in a prospective manner specified by the Secretary by the home health market basket percentage increase applicable to the fiscal year involved.

“(ii) HOME HEALTH MARKET BASKET PERCENTAGE INCREASE.—For purposes of this subsection, the term ‘home health market basket percentage increase’ means, with respect to a fiscal year, a percentage (estimated by the Secretary before the beginning of the fiscal year) determined and applied with respect to the mix of goods and services included in home health services in the same manner as the market basket percentage increase under section 1886(b)(3)(B)(iii) is determined and applied to the mix of goods and services comprising inpatient hospital services for the fiscal year.

“(C) ADJUSTMENT FOR OUTLIERS.—The Secretary shall reduce the standard prospective payment amount (or amounts) under this paragraph applicable to home health services furnished during a period by such proportion as will result in an aggregate reduction in payments for the period equal to the aggregate increase in payments resulting from the application of paragraph (5) (relating to outliers).

“(4) PAYMENT COMPUTATION.—

“(A) IN GENERAL.—The payment amount for a unit of home health services shall be the applicable standard prospective payment amount adjusted as follows:

“(i) CASE MIX ADJUSTMENT.—The amount shall be adjusted by an appropriate case mix adjustment factor (established under subparagraph (B)).

“(ii) AREA WAGE ADJUSTMENT.—The portion of such amount that the Secretary estimates to be attributable to wages and wage-related costs shall be adjusted for geographic differences in such costs by an area wage adjustment factor (established under subparagraph (C)) for the area in which the services are furnished or such other area as the Secretary may specify.

“(B) ESTABLISHMENT OF CASE MIX ADJUSTMENT FACTORS.—The Secretary shall establish appropriate case mix adjustment factors for home health services in a manner that explains a significant amount of the variation in cost among different units of services.

“(C) ESTABLISHMENT OF AREA WAGE ADJUSTMENT FACTORS.—The Secretary shall establish area wage adjustment factors that reflect the relative level of wages and wage-related costs applicable to the furnishing of home health services in a geographic area compared to the national average applicable level. Such factors may be the factors used by the Secretary for purposes of section 1886(d)(3)(E).

“(5) OUTLIERS.—The Secretary may provide for an addition or adjustment to the payment amount otherwise made in the case of outliers because of unusual variations in the type or amount of medically necessary care. The total amount of the additional payments or payment adjustments made under this paragraph with respect to a fiscal year may not exceed 5 percent of the total payments projected or estimated to be made based on the prospective payment system under this subsection in that year.

“(6) PRORATION OF PROSPECTIVE PAYMENT AMOUNTS.—If a beneficiary elects to transfer to, or receive services from,

another home health agency within the period covered by the prospective payment amount, the payment shall be prorated between the home health agencies involved.

“(c) REQUIREMENTS FOR PAYMENT INFORMATION.—With respect to home health services furnished on or after October 1, 1998, no claim for such a service may be paid under this title unless—

“(1) the claim has the unique identifier (provided under section 1842(r)) for the physician who prescribed the services or made the certification described in section 1814(a)(2) or 1835(a)(2)(A); and

“(2) in the case of a service visit described in paragraph (1), (2), (3), or (4) of section 1861(m), the claim contains a code (or codes) specified by the Secretary that identifies the length of time of the service visit, as measured in 15 minute increments.

“(d) LIMITATION ON REVIEW.—There shall be no administrative or judicial review under section 1869, 1878, or otherwise of—

“(1) the establishment of a transition period under subsection (b)(1);

“(2) the definition and application of payment units under subsection (b)(2);

“(3) the computation of initial standard prospective payment amounts under subsection (b)(3)(A) (including the reduction described in clause (ii) of such subsection);

“(4) the establishment of the adjustment for outliers under subsection (b)(3)(C);

“(5) the establishment of case mix and area wage adjustments under subsection (b)(4); and

Such amount shall be based upon payment rates established for purposes of payment under section 1853 (or, for periods before January 1, 1999, for purposes of risk-sharing contracts under section 1876) and shall be adjusted to take into account the comparative frailty of PACE enrollees and such other factors as the Secretary determines to be appropriate. “(II) the provider has failed to comply substantially with conditions for a program or provider under this section or section 1934; and

“(ii) the entity has failed to develop and successfully initiate, within 30 days of the date of the receipt of written notice of such a determination, a plan to correct the deficiencies, or has failed to continue implementation of such a plan.

“(8) TIMELY CONSIDERATION OF APPLICATIONS FOR PACE PROGRAM PROVIDER STATUS.—In considering an application for PACE provider program status, the application shall be deemed approved unless the Secretary, within 90 days after the date of the submission of the application to the Secretary, either denies such request in writing or informs the applicant in writing with respect to any additional information that is needed in order to make a final determination with respect to the application. After the date the Secretary receives such additional information, the application shall be deemed approved unless the Secretary, within 90 days of such date, denies such request.

“(7) PROCEDURES FOR TERMINATION OR IMPOSITION OF SANCTIONS.—Under regulations, the provisions of section 1857(h) (or for periods before January 1, 1999, section 1876(i)(9)) shall apply to termination and sanctions respecting a PACE program agreement and PACE provider under this subsection in the same manner as they apply to a termination and sanctions with respect to a contract and a Medicare+Choice organization under part C of title XVIII (or for such periods an eligible organization under section 1876).

“(8) TIMELY CONSIDERATION OF APPLICATIONS FOR PACE PROGRAM PROVIDER STATUS.—In considering an application for PACE provider program status, the application shall be deemed approved unless the Secretary, within 90 days after the date of the submission of the application to the Secretary, either denies such request in writing or informs the applicant in writing with respect to any additional information that is needed in order to make a final determination with respect to the application. After the date the Secretary receives such additional information, the application shall be deemed

approved unless the Secretary, within 90 days of such date, denies such request.

“(2) USE OF PACE PROTOCOL.—

“(A) IN GENERAL.—In issuing such regulations, the Secretary shall, to the extent consistent with the provisions of this section, incorporate the requirements applied to PACE demonstration waiver programs under the PACE protocol.

“(B) FLEXIBILITY.—In order to provide for reasonable flexibility in adapting the PACE service delivery model to the needs of particular organizations (such as those in rural areas or those that may determine it appropriate to use nonstaff physicians according to State licensing law requirements) under this section and section 1894, the Secretary (in close consultation with State administering agencies) may modify or waive provisions of the PACE protocol so long as any such modification or waiver is not inconsistent with and would not impair the essential elements, objectives, and requirements of this section, but may not modify or waive any of the following provisions:

“(4) CONSTRUCTION.—Nothing in this subsection shall be construed as preventing the Secretary from including in regulations provisions to ensure the health and safety of individuals enrolled in a PACE program under this section that are in addition to those otherwise provided under paragraphs (2) and (3).

“(g) WAIVERS OF REQUIREMENTS.—With respect to carrying out a PACE program under this section, the following requirements of this title (and regulations relating to such requirements) shall not apply:

“(2) Section 1902(a)(10), insofar as such section relates to comparability of services among different population groups.

“(3) Sections 1902(a)(23) and 1915(b)(4), relating to freedom of choice of providers under a PACE program.

“(4) Section 1903(m)(2)(A), insofar as it restricts a PACE provider from receiving prepaid capitation payments.

“(j) MISCELLANEOUS PROVISIONS.—Nothing in this section or section 1894 shall be construed as preventing a PACE provider from entering into contracts with other governmental or nongovernmental payers for the care of PACE program eligible individuals who are not eligible for benefits under part A, or enrolled under part B, of title XVIII or eligible for medical assistance under this title.”.

(b) CONFORMING AMENDMENTS.—

(2) **ELIMINATION OF REPLICATION REQUIREMENT.**—Section 9412(b)(2)(B) of such Act, as so amended, shall not apply to waivers granted under such section after the date of the enactment of this Act.

(3) **TIMELY CONSIDERATION OF APPLICATIONS.**—In considering an application for waivers under such section before the effective date of the repeals under subsection (d), subject to the numerical limitation under the amendment made by paragraph (1), the application shall be deemed approved unless the Secretary of Health and Human Services, within 90 days after the date of its submission to the Secretary, either denies such request in writing or informs the applicant in writing

with respect to any additional information which is needed in order to make a final determination with respect to the application. After the date the Secretary receives such additional information, the application shall be deemed approved unless the Secretary, within 90 days of such date, denies such request.

(c) PRIORITY AND SPECIAL CONSIDERATION IN APPLICATION.—During the 3-year period beginning on the date of the enactment of this Act:

(1) PROVIDER STATUS.—The Secretary of Health and Human Services shall give priority in processing applications of entities to qualify as PACE programs under section 1894 or 1934 of the Social Security Act—

(A) first, to entities that are operating a PACE demonstration waiver program (as defined in sections 1894(a)(7) and 1934(a)(7) of such Act); and

(B) then to entities that have applied to operate such a program as of May 1, 1997.

(3) SPECIAL CONSIDERATION.—The Secretary shall give special consideration, in the processing of applications described in paragraph (1) and the awarding of waivers described in paragraph (2), to an entity which as of May 1, 1997, through formal activities (such as entering into contracts for feasibility studies) has indicated a specific intent to become a PACE provider.

(d) REPEAL OF CURRENT PACE DEMONSTRATION PROJECT WAIVER AUTHORITY.—

(1) IN GENERAL.—Subject to paragraph (2), the following provisions of law are repealed:

(2) DELAY IN APPLICATION TO CURRENT WAIVERS.—

(A) IN GENERAL.—Subject to subparagraph (B), in the case of waivers granted with respect to a PACE program before the initial effective date of regulations described in subsection (a), the repeals made by paragraph (1) shall not apply until the end of a transition period (of up to 24 months) that begins on the initial effective date of such regulations, and that allows sufficient time for an orderly transition from demonstration project authority to general authority provided under the amendments made by this subtitle.

(B) STATE OPTION TO SEEK EXTENSION OF CURRENT PERIOD.—A State may elect to maintain the PACE programs which (as of the date of the enactment of this Act) were operating in the State under the authority described in paragraph (1) until a date (specified by the State) that is not later than 3 years after the initial effective date of regulations described in subsection (a). If a State makes such an election, the repeals made by paragraph (1) shall not apply to the programs until the date so specified, but only so long as such programs continue to operate under the same terms and conditions as apply to such programs as of the date of the enactment of this Act, and subparagraph (A) shall not apply to such programs.

**SEC. 4804. STUDY AND REPORTS.**

(a) STUDY.—

(1) IN GENERAL.—The Secretary of Health and Human Services (in close consultation with State administering agencies, as defined in sections 1894(a)(8) and 1934(a)(8) of the Social Security Act) shall conduct a study of the quality and cost of providing PACE program services under the medicare and medicaid programs under the amendments made by this subtitle.

(2) STUDY OF PRIVATE, FOR-PROFIT PROVIDERS.—Such study shall specifically compare the costs, quality, and access to services by entities that are private, for-profit entities operating under demonstration projects waivers granted under sections 1894(h) and 1934(h) of the Social Security Act with the costs, quality, and access to services of other PACE providers.

The Secretary shall include in such report such recommendations for changes in the operation of such amendments as the Secretary deems appropriate.

(2) TREATMENT OF PRIVATE, FOR-PROFIT PROVIDERS.—The report shall include specific findings on whether any of the following findings is true:

(A) The number of covered lives enrolled with entities operating under demonstration project waivers under sections 1894(h) and 1934(h) of the Social Security Act is fewer than 800 (or such lesser number as the Secretary may find statistically sufficient to make determinations respecting findings described in the succeeding subparagraphs).

(B) The population enrolled with such entities is less frail than the population enrolled with other PACE providers.

(C) Access to or quality of care for individuals enrolled with such entities is lower than such access or quality for individuals enrolled with other PACE providers.

(D) The application of such section has resulted in an increase in expenditures under the medicare or medicaid programs above the expenditures that would have been made if such section did not apply.

(c) INFORMATION INCLUDED IN ANNUAL RECOMMENDATIONS.—The Medicare Payment Advisory Commission shall include in its annual report under section 1805(b)(1)(B) of the Social Security Act recommendations on the methodology and level of payments made to PACE providers under sections 1894(d) and 1934(d) of such Act and on the treatment of private, for-profit entities as PACE providers.

Such standards may include (to the extent consistent with this title) those relating to the geographic areas to be served by the plan, age, income and resources (including any standards relating to spenddowns and disposition of resources), residency, disability status (so long as any standard relating to such status does not restrict eligibility), access to or coverage under other health coverage, and duration of eligibility. Such standards may not discriminate on the basis of diagnosis.

“(B) LIMITATIONS ON ELIGIBILITY STANDARDS.—Such eligibility standards—

“(3) EXISTING COMPREHENSIVE STATE-BASED COVERAGE.—Health benefits coverage under an existing comprehensive State-based program, described in subsection (d)(1).

“(4) SECRETARY-APPROVED COVERAGE.—Any other health benefits coverage that the Secretary determines, upon application by a State, provides appropriate coverage for the population of targeted low-income children proposed to be provided such coverage.

“(b) BENCHMARK BENEFIT PACKAGES.—The benchmark benefit packages are as follows:

“(1) FEHBP-EQUIVALENT CHILDREN’S HEALTH INSURANCE COVERAGE.—The standard Blue Cross/Blue Shield preferred provider option service benefit plan, described in and offered under section 8903(1) of title 5, United States Code.

“(A) by an individual who is a member of the American Academy of Actuaries;

“(B) using generally accepted actuarial principles and methodologies;

“(C) using a standardized set of utilization and price factors;

“(D) using a standardized population that is representative of privately insured children of the age of children who are expected to be covered under the State child health plan;

“(E) applying the same principles and factors in comparing the value of different coverage (or categories of services);

“(F) without taking into account any differences in coverage based on the method of delivery or means of cost control or utilization used; and

“(G) taking into account the ability of a State to reduce benefits by taking into account the increase in actuarial value of benefits coverage offered under the State child health plan that results from the limitations on cost sharing under such coverage.

The actuary preparing the opinion shall select and specify in the memorandum the standardized set and population to be used under subparagraphs (C) and (D).

“(5) CONSTRUCTION ON PROHIBITED COVERAGE.—Nothing in this section shall be construed as requiring any health benefits coverage offered under the plan to provide coverage for items or services for which payment is prohibited under this title, notwithstanding that any benchmark benefit package includes coverage for such an item or service.

“(A) the actuarial value of the coverage under the program as of the date of the enactment of this title, or

“(B) the actuarial value described in subsection (a)(2)(B),

evaluated as of the time of the modification.

“(e) COST-SHARING.—

“(1) DESCRIPTION; GENERAL CONDITIONS.—

“(A) DESCRIPTION.—A State child health plan shall include a description, consistent with this subsection, of the amount (if any) of premiums, deductibles, coinsurance,

and other cost sharing imposed. Any such charges shall be imposed pursuant to a public schedule.

“(B) PROTECTION FOR LOWER INCOME CHILDREN.—The State child health plan may only vary premiums, deductibles, coinsurance, and other cost sharing based on the family income of targeted low-income children in a manner that does not favor children from families with higher income over children from families with lower income.

“(2) NO COST SHARING ON BENEFITS FOR PREVENTIVE SERVICES.—The State child health plan may not impose deductibles, coinsurance, or other cost sharing with respect to benefits for services within the category of services described in subsection (c)(1)(D).

“(3) LIMITATIONS ON PREMIUMS AND COST-SHARING.—

“(ii) a deductible, cost sharing, or similar charge that exceeds an amount that is nominal (as determined consistent with regulations referred to in section 1916(a)(3), with such appropriate adjustment for inflation or other reasons as the Secretary determines to be reasonable).

“(B) OTHER CHILDREN.—For children not described in subparagraph (A), subject to paragraphs (1)(B) and (2), any premiums, deductibles, cost sharing or similar charges imposed under the State child health plan may be imposed on a sliding scale related to income, except that the total annual aggregate cost-sharing with respect to all targeted low-income children in a family under this title may not exceed 5 percent of such family’s income for the year involved.

“(4) RELATION TO MEDICAID REQUIREMENTS.—Nothing in this subsection shall be construed as affecting the rules relating to the use of enrollment fees, premiums, deductions, cost sharing, and similar charges in the case of targeted low-income children who are provided child health assistance in the form of coverage under a medicaid program under section 2101(a)(2).

“(ii) the cost of such coverage is not greater, on an average per child basis, than the cost of coverage that would otherwise be provided under section 2103; and

“(iii) such coverage is provided through the use of a community-based health delivery system, such as through contracts with health centers receiving funds under section 330 of the Public Health Service Act or with hospitals such as those that receive disproportionate share payment adjustments under section 1886(d)(5)(F) or 1923.

“(B) OTHER FEDERAL GOVERNMENTAL PROGRAMS.—Except as otherwise provided by law, no payment shall be made to a State under this section for expenditures for child health assistance provided for a targeted low-income child under its plan to the extent that payment has been made or can reasonably be expected to be made promptly (as determined in accordance with regulations) under any other federally operated or financed health care insurance program, other than an insurance program operated or financed by the Indian Health Service, as identified by the Secretary. “(bb) may determine the amount to be allocated for the benefit of such an area in proportion to the number of adults residing in the area who have been recipients of assistance under the State program funded under this part (whether in effect before or after the amendments made by section 103(a) of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 first applied to the State) for at least 30 months (whether or not consecutive) relative to the number of such adults residing in the State; and

(1) Hmong and other Highland Lao tribal peoples were recruited, armed, trained, and funded for military operations by the United States Department of Defense, Central Intelligence Agency, Department of State, and Agency for International Development to further United States national security interests during the Vietnam conflict.

(2) Hmong and other Highland Lao tribal forces sacrificed their own lives and saved the lives of American military personnel by rescuing downed American pilots and aircrews and by engaging and successfully fighting North Vietnamese troops.

(3) Thousands of Hmong and other Highland Lao veterans who fought in special guerilla units on behalf of the United States during the Vietnam conflict, along with their families, have been lawfully admitted to the United States in recent years.

(4) The Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (Public Law 104–193), the new national welfare reform law, restricts certain welfare benefits for noncitizens of the United States and the exceptions for noncitizen

veterans of the Armed Forces of the United States do not extend to Hmong veterans of the Vietnam conflict era, making Hmong veterans and their families receiving certain welfare benefits subject to restrictions despite their military service on behalf of the United States.

(b) CONGRESSIONAL STATEMENT.—It is the sense of the Congress that Hmong and other Highland Lao veterans who fought on behalf of the Armed Forces of the United States during the Vietnam conflict and have lawfully been admitted to the United States for permanent residence should be considered veterans for purposes of continuing certain welfare benefits consistent with the exceptions provided other noncitizen veterans under the Personal Responsibility and Work Opportunity Reconciliation Act of 1996.

“(h) RECALL OF RESERVES; LIMITATIONS ON USE OF RESERVE FUNDS AND ASSETS.—

“(1) IN GENERAL.—Notwithstanding any other provision of law, the Secretary shall, except as otherwise provided in this subsection, recall \$1,000,000,000 from the reserve funds held by guaranty agencies on September 1, 2002.

“(2) DEPOSIT.—Funds recalled by the Secretary under this subsection shall be deposited in the Treasury.

“(3) REQUIRED SHARE.—The Secretary shall require each guaranty agency to return reserve funds under paragraph (1)

based on the agency's required share of recalled reserve funds held by guaranty agencies as of September 30, 1996. For purposes of this paragraph, a guaranty agency's required share of recalled reserve funds shall be determined as follows:

“(A) The Secretary shall compute each guaranty agency's reserve ratio by dividing (i) the amount held in the agency's reserve funds as of September 30, 1996 (but reflecting later accounting or auditing adjustments approved by the Secretary), by (ii) the original principal amount of all loans for which the agency has an outstanding insurance obligation as of such date, including amounts of outstanding loans transferred to the agency from another guaranty agency.

“(B) If the reserve ratio of any guaranty agency as computed under subparagraph (A) exceeds 2.0 percent, the agency's required share shall include so much of the amounts held in the agency's reserve funds as exceed a reserve ratio of 2.0 percent.

“(C) If any additional amount is required to be recalled under paragraph (1) (after deducting the total of the required shares calculated under subparagraph (B)), such additional amount shall be obtained by imposing on each guaranty agency an equal percentage reduction in the amount of the agency's reserve funds remaining after deduction of the amount recalled under subparagraph (B), except that such percentage reduction under this subparagraph shall not result in the agency's reserve ratio being reduced below 0.58 percent. The equal percentage reduction shall be the percentage obtained by dividing—

“(i) the additional amount required to be recalled (after deducting the total of the required shares calculated under subparagraph (B)), by

“(ii) the total amount of all such agencies' reserve funds remaining (after deduction of the required shares calculated under such subparagraph).

“(D) If any additional amount is required to be recalled under paragraph (1) (after deducting the total of the required shares calculated under subparagraphs (B) and (C)), such additional amount shall be obtained by imposing on each guaranty agency with a reserve ratio (after deducting the required shares calculated under such subparagraphs) in excess of 0.58 percent an equal percentage reduction in the amount of the agency's reserve funds remaining (after such deduction) that exceed a reserve ratio of 0.58 percent. The equal percentage reduction shall be the percentage obtained by dividing—

“(i) the additional amount to be recalled under paragraph (1) (after deducting the amount recalled under subparagraphs (B) and (C)), by

“(ii) the total amount of all such agencies' reserve funds remaining (after deduction of the required shares calculated under such subparagraphs) that exceed a reserve ratio of 0.58 percent.

Funds transferred to such restricted accounts shall be invested in obligations issued or guaranteed by the United States or in other similarly low-risk securities.

“(B) REQUIREMENT.—A guaranty agency shall not use the funds in such a restricted account for any purpose without the express written permission of the Secretary, except that a guaranty agency may use the earnings from such restricted account for default reduction activities.

“(C) INSTALLMENTS.—In each of fiscal years 1998 through 2002, each guaranty agency shall transfer the agency’s required share to such restricted account in 5 equal annual installments, except that—

“(ii) a guaranty agency may transfer such required share to such account in accordance with such other payment schedules as are approved by the Secretary.

“(5) SHORTAGE.—If, on September 1, 2002, the total amount in the restricted accounts described in paragraph (4) is less than the amount the Secretary is required to recall under paragraph (1), the Secretary shall require the return of the amount of the shortage from other reserve funds held by guaranty agencies under procedures established by the Secretary. The Secretary shall first attempt to obtain the amount of such shortage from each guaranty agency that failed to transfer the agency’s required share to the agency’s restricted account in accordance with paragraph (4).

“(6) ENFORCEMENT.—

“(A) IN GENERAL.—The Secretary may take such reasonable measures, and require such information, as may be necessary to ensure that guaranty agencies comply with the requirements of this subsection.

“(B) PROHIBITION.—If the Secretary determines that a guaranty agency has failed to transfer to a restricted account any portion of the agency’s required share under this subsection, the agency may not receive any other funds under this part until the Secretary determines that the agency has so transferred the agency’s required share.

“(B) USE OF TERMINATION COLLECTIONS.—Any reserve funds directed by the Secretary to be returned to the Secretary under subsection (g)(1)(B) during such period that do not exceed a guaranty agency’s required share of recalled reserve funds under paragraph (3)—

“(i) shall be used to satisfy the agency’s required share of recalled reserve funds; and

“(iii) establishing a program of placement counseling to assist high-risk borrowers in identifying employment or additional training opportunities; and

## Subtitle A—District of Columbia Retirement Funds

### CHAPTER 1—SHORT TITLE; FINDINGS; DEFINITIONS

#### SEC. 11001. SHORT TITLE.

This subtitle may be cited as the “District of Columbia Retirement Protection Act of 1997”.

#### SEC. 11002. FINDINGS AND DECLARATION OF POLICY.

(a) FINDINGS.—The Congress finds that—

(1) State and municipal retirement programs should be funded on an actuarially sound basis;

(2) the retirement programs for the police officers and firefighters, teachers and judges of the District of Columbia had significant unfunded liabilities totaling approximately \$1,900,000,000 when the Federal government transferred those programs to the District of Columbia, and those liabilities have since increased to nearly \$4,800,000,000, an increase which is almost entirely attributable to the accumulation of interest on the value which existed at the time of transfer;

(3) the District of Columbia has fully met its financial obligations under the District of Columbia Retirement Reform Act of 1979 (Public Law 96–122);

(4) the growth of the unfunded liabilities of the three pension funds listed above did not occur because of any action taken or any failure to act that lay within the power of the District of Columbia government or the District of Columbia Retirement Board;

(5) the presence of the unfunded pension liability is having and will continue to have a negative impact on the District of Columbia's credit rating as it is a legal obligation and the total unfunded liability exceeds the total General Obligation debt of the District, and the costs associated with this liability are a contributing cause of the District's ongoing financial crisis;

(6) the obligations of the District associated with these pension programs in fiscal year 1997 represents nearly 10 percent of the District's revenue;

(7) the annual Federal contribution toward these costs under the District of Columbia Retirement Reform Act has remained \$52,000,000;

(8) if the unfunded pension liability situation is not resolved, in 2004 the District of Columbia would be responsible for annual costs exceeding \$800,000,000, a figure which would be impossible to meet without catastrophic impact on the District government's resources and programs;

(9) the financial resources of the District of Columbia are not adequate to discharge the unfunded liabilities of the retirement programs; and

(10) the level of benefits and funding of the current retirement programs were authorized by various Acts of Congress.

(b) POLICY.—It is the policy of this subtitle—

(1) to relieve the District of Columbia government of the responsibility for the unfunded pension liabilities transferred to it by the Federal government;

(2) for the Federal government to assume the legal responsibility for paying certain pension benefits (including certain unfunded pension liabilities which existed as of the day prior to introduction of this legislation) for the retirement plans of teachers, police, and firefighters;

(3) to provide for a responsible Federal system for payment of benefits accrued prior to the date of introduction of this legislation; and

(4) to require the establishment of replacement plans by the District of Columbia government for the current retirement plans for teachers, and police and firefighters.

**SEC. 11003. DEFINITIONS.**

(b) **TREATMENT OF SERVICE OCCURRING AFTER FREEZE DATE.**—Service after the freeze date shall not be credited for purposes of determining the amount of any Federal benefit payment. Nothing in this subsection shall be construed to affect the crediting of such service for any other purpose under the District Retirement Program.

(c) **SPECIAL RULE REGARDING DISABILITY BENEFITS.**—To the extent that any portion of a benefit payment to which an individual is entitled under a District Retirement Program is based on a determination of disability made by the District of Columbia Retirement Board or the Trustee after the freeze date, the Federal benefit payment determined with respect to the individual shall be an amount equal to the deferred retirement benefit or normal retirement benefit the individual would receive if the individual left service on the day before the commencement of disability retirement benefits.

(d) **SPECIAL RULE REGARDING CERTAIN DEATH BENEFITS.**—

(1) **IN GENERAL.**—In the case of a benefit payment to which an individual is entitled under a District Retirement Program which is payable on the death of a covered District employee or former covered District employee and which is not determined by the length of service of the employee or former employee, the Federal benefit payment determined with respect to the individual shall be equal to the pre-freeze date percentage of the amount otherwise payable.

(2) **PRE-FREEZE DATE PERCENTAGE DEFINED.**—In paragraph (1), the “pre-freeze date percentage” with respect to a covered District employee or former covered District employee is the amount (expressed as a percentage) equal to the quotient of—

(2) by amending paragraph (3) to read as follows:

“(3)(A) If (in accordance with paragraph (2)) the Mayor determines in a year (beginning with 1999) that the per centum change

“(i) in the case of an annuity having a commencing date on or before March 1 of such preceding year, the per centum change computed under paragraph (2), adjusted to the nearest  $\frac{1}{10}$  of 1 per centum; or

## CHAPTER 6—MISCELLANEOUS PROVISIONS

### SEC. 11281. TECHNICAL ASSISTANCE AND RESEARCH.

There are authorized to be appropriated to the National Institute of Justice in each fiscal year (beginning with fiscal year 1998) such sums as may be necessary for the following activities:

(1) Research and demonstration projects, evaluations, and technical assistance to assess and analyze the crime problem in the District of Columbia, and to improve the ability of the criminal justice and other systems and entities in the District of Columbia to prevent, solve, and punish crimes.

(2) The establishment of a locally-based corporation or institute in the District of Columbia supporting research and demonstration projects relating to the prevention, solution, or punishment of crimes in the District of Columbia, including the provision of related technical assistance.

### SEC. 11282. EXEMPTION FROM PERSONNEL AND BUDGET CEILINGS FOR TRUSTEES AND RELATED AGENCIES.

The Trustees described in sections 11202 and 11232 and the activities and personnel of, and the funds allocated or otherwise available to, the Trustees and the agencies over which the Trustees exercise financial oversight pursuant to those sections, shall not be subject to any general personnel or budget limitations which

otherwise apply to the District of Columbia government or its agencies in any appropriations act.

## **Subtitle D—Privatization of Tax Collection and Administration**

### **SEC. 11301. FINDINGS.**

Congress finds as follows:

(1) The District of Columbia government has historically had a poor record of determining and collecting all revenue it is due under its revenue code.

(2) The impact on the District's financial condition of poor administration and collection is significant and has contributed both to the size of its accumulated operating deficit and to the difficulty in balancing the budget going forward.

(3) More complete collection of taxes would not only increase District of Columbia revenues, but would give residents and businesses a sense of equity and that all were paying their fair share.

(4) Once District tax processing and collection is competently managed it will be possible for the District government to accurately assess the true value of its many taxes and determine that some may be reduced or eliminated without a significant negative impact on revenues.

(5) Any reduction or elimination of non-productive or counterproductive taxes or taxes which cost more to administer than they produce in revenue would significantly improve the negative atmosphere surrounding the District of Columbia tax system and its enforcement.

### **SEC. 11302. AUTHORIZING CHIEF FINANCIAL OFFICER TO PRIVATIZE TAX ADMINISTRATION AND COLLECTION.**

The Chief Financial Officer of the District of Columbia may enter into contracts with a private entity for the administration and collection of taxes of the District of Columbia.

## **Subtitle E—Financing of District of Columbia Accumulated Deficit**

### **SEC. 11401. FINDINGS.**

Congress finds as follows:

(1) The District of Columbia government sold accumulated deficit financing bonds in 1991.

(2) Between 1991 and the end of fiscal year 1997 the District of Columbia government is expected to accumulate an operating deficit in excess of \$500,000,000.

(3) Requiring the District of Columbia budget for fiscal year 1998 to be balanced will ensure that no further addition is made to the accumulated operating deficit.

(4) In every other example of an American city in financial crisis, a vital and necessary component of recovery was to finance the accumulated operating deficit.

(5) Carrying forward an accumulated operating deficit of more than \$500,000,000 has a significant negative impact on

the District of Columbia's cash flow and financial condition and on its ability to improve its credit rating.

(6) It is not feasible to carry forward such a debt with an expectation of paying it off gradually from future budget surpluses.

(7) Financing the accumulated deficit would improve the District's cash management position and allow more normal cash management techniques.

**SEC. 11402. AUTHORIZATION FOR INTERMEDIATE-TERM ADVANCES OF FUNDS BY THE SECRETARY OF THE TREASURY TO LIQUIDATE THE ACCUMULATED GENERAL FUND DEFICIT OF THE DISTRICT OF COLUMBIA.**

Title VI of the District of Columbia Revenue Act of 1939 (DC Code, sec. 47-3401 et seq.) is amended—

“(b) CONDITIONS TO MAKING ANY INTERMEDIATE-TERM ADVANCE.—The Secretary shall make an advance under this section if—

“(1) the Mayor delivers to the Secretary the following instruments, in form and substance satisfactory to the Secretary—

“(A) a financing agreement in which the Mayor agrees to procedures for requisitioning advances;

“(B) a requisition for an advance under this section; and

“(C) a promissory note evidencing the District government's obligation to reimburse the Treasury for the requisitioned advance, which note may be a general obligation bond issued under section 461(a) of the District of Columbia Self-Government and Governmental Reorganization Act by the District government to the Secretary if the Secretary determines that such a bond is satisfactory;

“(2) the date on which the requisitioned advance is requested to be made is not later than 3 years from the date of enactment of the Balanced Budget Act of 1997;

“(3) the District government delivers to the Secretary—

“(A) evidence demonstrating to the satisfaction of the Secretary that, at the time of the Mayor's requisition for an advance, the District government is effectively unable to obtain credit in the public credit markets or elsewhere in sufficient amounts and on sufficiently reasonable terms to meet the District government's need for financing to accomplish the purpose described in subsection (a); and

“(B) a schedule setting out the anticipated timing and amounts of requisitions for advances under this section;“(4) the Authority certifies to the Secretary that—

“(A) there is an approved financial plan and budget in effect under the District of Columbia Financial Responsibility and Management Assistance Act of 1995 for the fiscal year in which the requisition is to be made;

“(B) at the time that the Mayor’s requisition for an advance is delivered to the Secretary, the District government is in compliance with the approved financial plan and budget;

“(C) both the receipt of funds from such advance and the reimbursement of Treasury for such advance are consistent with the approved financial plan and budget for the year;

“(D) such advance will not adversely affect the financial stability of the District government; and

“(E) at the time that the Mayor’s requisition for an advance is delivered to the Secretary, the District government is effectively unable to obtain credit in the public credit markets or elsewhere in sufficient amounts and on sufficiently reasonable terms to meet the District government’s need for financing to accomplish the purpose described in subsection (a);

“(5) the Inspector General of the District of Columbia certifies to the Secretary the information described in subparagraphs (A) through (D) of paragraph (4), and in making this certification, the Inspector General may rely upon an audit conducted by an outside auditor engaged by the Inspector General under section 208(a)(4) of the District of Columbia Procurement Practices Act of 1985 if, after reasonable inquiry, the Inspector General concurs in the findings of such audit;

“(6) the Secretary determines that—

“(A) there is reasonable assurance of reimbursement for the requisitioned advance; and

“(B) the debt owed by the District government to the Treasury on account of the requisitioned advance will not be subordinate to any other debt owed by the District or to any other claims against the District; and

“(7) the Secretary receives from such persons as the Secretary determines to be appropriate such additional certifications and opinions relating to such matters as the Secretary determines to be appropriate.

“(c) AMOUNT OF ANY INTERMEDIATE-TERM ADVANCE.—

“(1) IN GENERAL.—Except as provided in paragraph (3), if the conditions in paragraph (2) are satisfied, each advance made under this section shall be in the amount designated by the Mayor in the Mayor’s requisition for such advance.

“(2) CONDITIONS APPLICABLE TO DESIGNATED AMOUNT.—Paragraph (1) applies if—

“(A) the Mayor certifies that the amount designated in the Mayor’s requisition for such advance is needed to accomplish the purpose described in subsection (a) within 30 days of the time that the Mayor’s requisition is delivered to the Secretary; and

“(B) the Authority concurs in the Mayor’s certification under subparagraph (A).

“(3) MAXIMUM AMOUNT.—Notwithstanding paragraph (1), the aggregate amount of all advances made under this section shall not be greater than \$300,000,000.

“(d) MATURITY OF ANY INTERMEDIATE-TERM ADVANCE.—

“(1) IN GENERAL.—Except as provided in paragraphs (2) and (3), each advance made under this section shall mature on the date designated by the Mayor in the Mayor’s requisition for such advance.

“(2) LATEST PERMISSIBLE MATURITY DATE.—Notwithstanding paragraph (1), the maturity date for any advance made under this section shall not be later than 10 years from the date on which the first advance under this section is made.

“(4) SECRETARY’S RIGHT TO REQUIRE EARLY REIMBURSEMENT.—Notwithstanding paragraph (1), if the Secretary determines, at any time while any advance made under this section has not been fully reimbursed, that the District is able to obtain credit in the public credit markets or elsewhere in sufficient amounts and on sufficiently reasonable terms, in the judgment of the Secretary, to refinance all or a portion of the unpaid balance of such advance in the public credit markets or elsewhere without adversely affecting the financial stability of the District government, the Secretary may require reimbursement for all or a portion of the unpaid balance of such advance at any time after the Secretary makes the determination.

“(e) INTEREST RATE.—Each advance made under this section shall bear interest at an annual rate equal to a rate determined by the Secretary at the time that the Secretary makes such advance taking into consideration the prevailing yield on outstanding marketable obligations of the United States with remaining periods to maturity comparable to the repayment schedule of such advance, plus  $\frac{1}{8}$  of 1 percent.

“(f) OTHER TERMS AND CONDITIONS.—Each advance made under this section shall be on such other terms and conditions, including repayment schedule, as the Secretary determines to be appropriate.

“(g) DEPOSIT OF ADVANCES.—As provided in section 204(b) of the District of Columbia Financial Responsibility and Management Assistance Act of 1995, advances made under this section for the account of the District government shall be deposited by the Secretary into an escrow account held by the Authority.”

## **Subtitle F—District of Columbia Bond Financing Improvements**

**SEC. 11501. SHORT TITLE.**

This subtitle may be cited as the “District of Columbia Bond Financing Improvements Act of 1997”.

**SEC. 11502. FINDINGS.**

Congress finds as follows:

(1) The bond authorization provision of the District of Columbia Self-Government and Governmental Reorganization Act (commonly known as the “Home Rule Act”) have not been updated to conform with changes in the municipal securities marketplace.

(2) The Home Rule Act unduly limits the ability of the District to take advantage of cost savings, investment opportunities, and other efficiencies generally available to municipal securities issuers.

(3) Section 461 of the Home Rule Act limits the ability of the District government to implement cost-effective capital planning to the extent that it does not permit the District access to interim capital financing in anticipation of its periodic long-term borrowings.

(4) Section 462 of the Home Rule Act prevents the reprogramming of unused bond proceeds from dormant projects to other pending, authorized, and viable projects.

(5) Section 466 of the Home Rule Act requires that the District undertake competitive bond sales even under circumstances in which greater efficiencies can be achieved through negotiated sales.

(6) Section 490 of the Home Rule Act does not permit the issuance and sale of taxable and tax-exempt bonds for the full range of economic development and governmental purposes permitted the States and their political subdivisions.

**SEC. 11503. AMENDMENT TO SECTION 462 (RELATING TO CONTENTS OF BORROWING LEGISLATION AND ELECTIONS ON ISSUING GENERAL OBLIGATION BONDS).**

Section 462(a) of the District of Columbia Self-Government and Governmental Reorganization Act (DC Code, sec. 47-322(a)) is amended to read as follows:

“(1) briefly describing the projects or categories of projects to be financed by the Act;

“(2) identifying the act authorizing each such project or category of projects;

“(3) setting forth the maximum amount of the principal of the indebtedness which may be incurred for the projects to be financed;

“(4) setting forth the maximum rate of interest to be paid on such indebtedness;

“(5) setting forth the maximum allowable maturity for the issue and the maximum debt service payable in any year; and

“(6) setting forth, in the event that the Council determines in its discretion to submit the question of issuing such bonds to a vote of the qualified voters of the District, the manner of holding such election, the date of such election, the manner of voting for or against the incurring of such indebtedness, and the form of ballot to be used at such election.”.

Such notice of public sale shall state, among other things, that no proposal shall be considered unless there is deposited with the District as a down payment a certified check, cashier’s check, or surety for an amount

(2) The Act was intended to eliminate unnecessary bureaucratic barriers and procedures throughout the District government, including the budget process.

(3) Preservation of home rule and self-government are consistent with cooperation between elected officials and the Authority in drawing the annual budget and other matters affecting the District of Columbia government, and are preferable to achieve greater efficiency, communication among the parties, and avoidance of conflict and delay.
