

In the Senate of the United States,

April 4, 2000.

Resolved, That the bill from the House of Representatives (H.R. 1167) entitled “An Act to amend the Indian Self-Determination and Education Assistance Act to provide for further self-governance by Indian tribes, and for other purposes.”, do pass with the following

AMENDMENT:

Strike out all after the enacting clause and insert:

1 ***SECTION 1. SHORT TITLE.***

2 *This Act may be cited as the “Tribal Self-Governance*
3 *Amendments of 2000”.*

4 ***SEC. 2. FINDINGS.***

5 *Congress finds that—*

6 *(1) the tribal right of self-government flows from*
7 *the inherent sovereignty of Indian tribes and nations;*

8 *(2) the United States recognizes a special govern-*
9 *ment-to-government relationship with Indian tribes,*
10 *including the right of the Indian tribes to self-govern-*

1 *ance, as reflected in the Constitution, treaties, Federal*
2 *statutes, and the course of dealings of the United*
3 *States with Indian tribes;*

4 *(3) although progress has been made, the Federal*
5 *bureaucracy, with its centralized rules and regula-*
6 *tions, has eroded tribal self-governance and dominates*
7 *tribal affairs;*

8 *(4) the Tribal Self-Governance Demonstration*
9 *Project, established under title III of the Indian Self-*
10 *Determination and Education Assistance Act (25*
11 *U.S.C. 450f note) was designed to improve and per-*
12 *petuate the government-to-government relationship be-*
13 *tween Indian tribes and the United States and to*
14 *strengthen tribal control over Federal funding and*
15 *program management;*

16 *(5) although the Federal Government has made*
17 *considerable strides in improving Indian health care,*
18 *it has failed to fully meet its trust responsibilities and*
19 *to satisfy its obligations to the Indian tribes under*
20 *treaties and other laws; and*

21 *(6) Congress has reviewed the results of the Trib-*
22 *al Self-Governance Demonstration Project and finds*
23 *that transferring full control and funding to tribal*
24 *governments, upon tribal request, over decision mak-*

1 *ing for Federal programs, services, functions, and ac-*
2 *tivities (or portions thereof)—*

3 *(A) is an appropriate and effective means of*
4 *implementing the Federal policy of government-*
5 *to-government relations with Indian tribes; and*

6 *(B) strengthens the Federal policy of Indian*
7 *self-determination.*

8 **SEC. 3. DECLARATION OF POLICY.**

9 *It is the policy of Congress—*

10 *(1) to permanently establish and implement trib-*
11 *al self-governance within the Department of Health*
12 *and Human Services;*

13 *(2) to call for full cooperation from the Depart-*
14 *ment of Health and Human Services and its con-*
15 *stituent agencies in the implementation of tribal self-*
16 *governance—*

17 *(A) to enable the United States to maintain*
18 *and improve its unique and continuing relation-*
19 *ship with, and responsibility to, Indian tribes;*

20 *(B) to permit each Indian tribe to choose*
21 *the extent of its participation in self-governance*
22 *in accordance with the provisions of the Indian*
23 *Self-Determination and Education Assistance*
24 *Act relating to the provision of Federal services*
25 *to Indian tribes;*

1 (C) to ensure the continuation of the trust
2 responsibility of the United States to Indian
3 tribes and Indian individuals;

4 (D) to affirm and enable the United States
5 to fulfill its obligations to the Indian tribes
6 under treaties and other laws;

7 (E) to strengthen the government-to-govern-
8 ment relationship between the United States and
9 Indian tribes through direct and meaningful
10 consultation with all tribes;

11 (F) to permit an orderly transition from
12 Federal domination of programs and services to
13 provide Indian tribes with meaningful authority,
14 control, funding, and discretion to plan, conduct,
15 redesign, and administer programs, services,
16 functions, and activities (or portions thereof)
17 that meet the needs of the individual tribal com-
18 munities;

19 (G) to provide for a measurable parallel re-
20 duction in the Federal bureaucracy as programs,
21 services, functions, and activities (or portion
22 thereof) are assumed by Indian tribes;

23 (H) to encourage the Secretary to identify
24 all programs, services, functions, and activities
25 (or portions thereof) of the Department of Health

1 *and Human Services that may be managed by*
2 *an Indian tribe under this Act and to assist In-*
3 *Indian tribes in assuming responsibility for such*
4 *programs, services, functions, and activities (or*
5 *portions thereof); and*

6 *(I) to provide Indian tribes with the earliest*
7 *opportunity to administer programs, services,*
8 *functions, and activities (or portions thereof)*
9 *from throughout the Department of Health and*
10 *Human Services.*
