19 agreement between the Secretaries of such Depart-

21 the terms and conditions of the Agreement for a pe-
22 riod of 26 years with the first payment beginning in

24 pledge of the full faith and credit of ASG;

1 (2) has entered into an agreement or memo-
2 randum of understanding described in subsection (c)
3 with the Secretary identifying with specificity the
4 manner in which approximately \$14,300,000 of the
5 loan proceeds will be used to pay debts of ASG in-
6 curred prior to April 15, 1999; and

7 (3) has provided to the Secretary an initial plan
8 of fiscal and managerial reform as described in sub-
9 section (d) designed to bring the ASG's annual oper-
10 ating expenses into balance with projected revenues
11 for the years 2003 and beyond, and identifying the
12 manner in which approximately \$4,300,000 of the
13 loan proceeds will be utilized to facilitate implemen-
14 tation of the plan.

15 (c) PROCEDURE AND PRIORITIES FOR DEBT PAY-
16 MENTS.—

17 (1) In structuring the agreement or memo-
18 randum of understanding identified in subsection
19 (b)(2), the ASG and the Secretary shall include pro-
20 visions, which create priorities for the payment of
21 creditors in the following order—

22 (A) debts incurred for services, supplies,
23 facilities, equipment and materials directly con-
24 nected with the provision of health, safety and
25 welfare functions for the benefit of the general

1 population of American Samoa (including, but
2 not limited to, health care, fire and police pro-
3 tection, educational programs grades K–12, and
4 utility services for facilities belonging to or uti-
5 lized by ASG and its agencies), wherein the
6 creditor agrees to compromise and settle the ex-
7 isting debt for a payment not exceeding 75 per-
8 cent of the amount owed, shall be given the
9 highest priority for payment from the loan pro-
10 ceeds under this section;

11 (B) debts not exceeding a total amount of
12 \$200,000 owed to a single provider and in-
13 curred for any legitimate governmental purpose
14 for the benefit of the general population of
15 American Samoa, wherein the creditor agrees to
16 compromise and settle the existing debt for a
17 payment not exceeding 70 percent of the
18 amount owed, shall be given the second highest
19 priority for payment from the loan proceeds
20 under this section;

21 (C) debts exceeding a total amount of
22 \$200,000 owed to a single provider and in-
23 curred for any legitimate governmental purpose
24 for the benefit of the general population of
25 American Samoa, wherein the creditor agrees to

1 compromise and settle the existing debt for a
2 payment not exceeding 65 percent of the
3 amount owed, shall be given the third highest
4 priority for payment from the loan proceeds
5 under this section;

6 (D) other debts regardless of total amount
7 owed or purpose for which incurred, wherein
8 the creditor agrees to compromise and settle the
9 existing debt for a payment not exceeding 60
10 percent of the amount owed, shall be given the
11 fourth highest priority for payment from the
12 loan proceeds under this section;

13 (E) debts described in subparagraphs (A),
14 (B), (C), and (D) of this paragraph, wherein
15 the creditor declines to compromise and settle
16 the debt for the percentage of the amount owed
17 as specified under the applicable subparagraph,
18 shall be given the lowest priority for payment
19 from the loan proceeds under this section.

20 (2) The agreement described in subsection
21 (b)(2) shall also generally provide a framework
22 whereby the Governor of American Samoa shall,
23 from time to time, be required to give 10 business
24 days notice to the Secretary that ASG will make
25 payment in accordance with this section to specified

1 creditors and the amount which will be paid to each
2 of such creditors. Upon issuance of payments in ac-
3 cordance with the notice, the Governor shall imme-
4 diately confirm such payments to the Secretary, and
5 the Secretary shall within three business days fol-
6 lowing receipt of such confirmation transfer from
7 the loan proceeds an amount sufficient to reimburse
8 ASG for the payments made to creditors.

9 (3) The agreement may contain such other pro-
10 visions as are mutually agreeable, and which are cal-
11 culated to simplify and expedite the payment of ex-
12 isting debt under this section and ensure the great-
13 est level of compromise and settlement with creditors
14 in order to maximize the retirement of ASG debt.

15 (d) FISCAL AND MANAGERIAL REFORM PROGRAM.—

16 (1) The initial plan of fiscal and managerial re-
17 form, designed to bring ASG's annual operating ex-
18 penses into balance with projected revenues for the
19 years 2003 and beyond as required under subsection
20 (b)(3), should identify specific measures which will
21 be implemented by ASG to accomplish such goal, the
22 anticipated reduction in government operating ex-
23 pense which will be achieved by each measure, and
24 should include a timetable for attainment of each re-
25 form measure identified therein.

1 (2) The initial plan should also identify with
2 specificity the manner in which approximately
3 \$4,300,000 of the loan proceeds will be utilized to
4 assist in meeting the reform plan's targets within
5 the timetable specified through the use of incentives
6 for early retirement, severance pay packages,
7 outsourcing services, or any other expenditures for
8 program elements reasonably calculated to result in
9 reduced future operating expenses for ASG on a
10 long term basis.

11 (3) Upon receipt of the initial plan, the Sec-
12 retary shall consult with the Governor of American
13 Samoa, and shall make any recommendations
14 deemed reasonable and prudent to ensure the goals
15 of reform are achieved. The reform plan shall con-
16 tain objective criteria that can be documented by a
17 competent third party, mutually agreeable to the

23 sum for additional payments against ASG debt
24 under paragraph (1).

1 (f) EXCEPTION.— Proceeds from the loan under this

6 the purpose of retaining the services of an individual or
7 business entity to provide direct assistance and manage-
8 ment expertise in carrying out the purposes of this section.
9 Such individual or business entity shall be mutually agree-
10 able to the Governor and the Secretary, may not be a cur-

12 not be a creditor of ASG. Notwithstanding the preceding
13 2 sentences, the Governor and the Secretary may agree
14 to also retain the services of any semi-autonomous agency
15 of ASG which has established a record of sound manage-
16 ment and fiscal responsibility, as evidenced by audited fi-
17 nancial reports for at least 3 of the past 5 years, to coordi-

19 under this subsection.

20 (g) CONSTRUCTION.—The provisions of this section
21 are expressly applicable only to the utilization of proceeds
22 from the loan described in this section, and nothing herein
23 shall be construed to relieve ASG from any lawful debt
24 or obligation except to the extent a creditor shall volun-

1 tarily enter into an arms length agreement to compromise
 2 and settle outstanding amounts under subsection (c).

3 (h) TERMINATION.—The payment of debt and the
 4 payments associated with implementation of the interim
