1ST SESSION

H. RES. 207

Expressing the sense of the House of Representatives with regard to community renewal through community- and faith-based organizations.

IN THE HOUSE OF REPRESENTATIVES

JUNE 15, 1999

Mr. PITTS submitted the following resolution; which was referred to the Committee on Education and the Workforce

RESOLUTION

Expressing the sense of the House of Representatives with regard to community renewal through community- and faith-based organizations.

Whereas, while the steady economic growth and low inflation in the United States has yielded unprecedented prosperity, many American citizens have not benefited from this prosperity and continue to be socioeconomically disadvantaged;

Whereas millions of our fellow citizens who live in the inner cities and rural communities continue to be plagued by social breakdown, economic disadvantage, and educational failure that fosters hopelessness and despair;

Whereas our most intractable pathologies—crime, drug addiction, teen pregnancy, homelessness, and youth violence—are each being addressed by small, and sometimes unrec-

ognized, community- or faith-based organizations, whose expertise should not be ignored;

Whereas these nonprofit organizations have local experts who are moving individuals from dependency to self-sufficiency and restoring the lives of men, women, and families across the country;

Whereas many community- and faith-based organizations are offering the American public a new vision of compassion, designed to encourage volunteerism, strengthen the community, and care for the poor and vulnerable;

Whereas private sector investment in capital development—social and economic—in the most poverty stricken pockets across the country is key to long-term renewal of urban centers and distressed rural communities;

Whereas economic growth attracts new businesses, provides stability to neighborhoods, as well as provides jobs that yield income to support families and nurture self-respect;

Whereas over 100 bipartisan Members of Congress have co-sponsored H.R. 815, the American Community Renewal Act, which targets the 100 poorest communities in the Nation for pro-growth tax benefits, regulatory relief, brownfields cleanup, and home-ownership opportunities that combine to create jobs, hope, and a sense of community;

Whereas the President and the Vice President, along with congressional organizations such as the Renewal Alliance, have recognized the importance of community renewal and have recently promoted strategies designed to rebuild communities to empower faith-based organizations on the front lines of renewal in our country; and

Whereas a concerted effort to empower community institutions, encourage community renewal, and implement educational reform will help those who reside in inner cities and distressed rural communities to gain their share of America's prosperity: Now, therefore, be it
