A BILL

To amend the Clean Air Act to remove flammable fuels from the list of substances with respect to which reporting and other activities are required under the risk management plan program.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Fuels Regulatory Re-
3 lief Act”.

4 **SEC. 2. FINDINGS.**

5 Congress finds that, because of their low toxicity and
6 because they are regulated sufficiently under other pro-
7 grams, flammable fuels, such as propane, should not be
8 included on the list of substances subject to the risk man-
9 agement plan program under section 112(r) of the Clean
10 Air Act (42 U.S.C. 7412(r)).

11 **SEC. 3. REMOVAL OF FLAMMABLE FUELS FROM RISK MAN-
12 AGEMENT LIST.**

13 Section 112(r)(4) of the Clean Air Act (42 U.S.C.
14 7412(r)(4)) is amended—

15 (1) by redesignating subparagraphs (A) through
16 (C) as clauses (i) through (iii), respectively, and in-
17 denting appropriately;

18 (2) by striking “Administrator shall consider
19 each of the following criteria—” and inserting the
20 following: “Administrator—

21 “(A) shall consider—”;

22 (3) in subparagraph (A)(iii) (as designated by
23 paragraphs (1) and (2)), by striking the period at
24 the end and inserting “; and”; and

25 (4) by adding at the end the following:

1 “(B) shall not regulate non-acute toxic
2 flammable fuels when used or stored for fuel
3 purposes or retail sale unless the fuels are haz-
4 ardous waste.”

5 “(B) shall not list a flammable substance
6 when used as a fuel or held for sale as a fuel
7 under this subsection solely because of the explo-
8 sive or flammable properties of the substance,
9 unless a fire or explosion caused by the substance
10 will result in acute adverse health effects from
11 human exposure to the substance, including the
12 unburned fuel or its combustion byproducts,
13 other than those caused by the heat of the fire or
14 impact of the explosion.”

15 **SEC. 4. PUBLIC AVAILABILITY OF OFF-SITE CONSEQUENCE**
16 **ANALYSIS INFORMATION IN RISK MANAGE-**
17 **MENT PLANS.**
