A BILL

To direct the Consumer Product Safety Commission to promulgate a consumer product safety standard under section 7(a) of the Consumer Product Safety Act for each durable infant or toddler product, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Infant and Toddler
5 Durable Product Safety Act”.

1 **SEC. 2. FINDINGS.**

2 The Congress finds the following:

3 (1) Unintentional injuries are the leading cause
4 of death among children, and for every such injury
5 that is fatal, approximately 18 children are hospital-
6 ized and 233 are treated by emergency departments
7 for such injuries that are nonfatal.

8 (2) According to the Consumer Product Safety
9 Commission, an average of 65 children under the
10 age of 5 die each year in incidents associated with
11 nursery products, and about 27 of these deaths each
12 year are associated with cribs.

13 (3) In 2001, an estimated 69,500 children
14 under the age of 5 were treated in United States
15 hospital emergency rooms for injuries associated
16 with nursery products, and there were 13,070 inju-
17 ries to children under the age of 5 years associated
18 with strollers alone.

19 (4) Of the 210 recalls issued by the Consumer
20 Product Safety Commission in 2002, 90 (or 43 per-
21 cent) were children's products. Children's products
22 were recalled, on average, nearly 2 times per week,
23 and accounted for over 11,000,000 individual units.

24 **SEC. 3. PURPOSE.**

25 The purpose of this Act is to prevent dangerous chil-
26 dren's products from getting to the market, by requiring

1 independent testing of all durable infant and toddler prod-
2 ucts before they enter commerce.
