SEC. 118. SENSE OF CONGRESS REGARDING ENFORCE-

(a) FINDINGS.—Congress finds the following:

(1) A primary duty of the Federal Government
is to secure the homeland and ensure the safety of
United States citizens and lawful residents.
(2) As a result of the terrorist attacks on September 11, 2001, perpetrated by al Qaida terrorists on United States soil, the United States is engaged in a Global War on Terrorism.

(3) According to the National Commission on Terrorist Attacks Upon the United States, up to 15 of the 9/11 hijackers could have been intercepted or deported through more diligent enforcement of immigration laws.

(4) Four years after those attacks, there is still a failure to secure the borders of the United States against illegal entry.

(5) The failure to enforce immigration laws in the interior of the United States means that illegal aliens face little or no risk of apprehension or removal once they are in the country.

(6) If illegal aliens can enter and remain in the United States with impunity, so, too, can terrorists enter and remain while they plan, rehearse, and then carry out their attacks.

(7) The failure to control and to prevent illegal immigration into the United States increases the likelihood that terrorists will succeed in launching catastrophic or harmful attacks on United States soil.
(8) There are numerous immigration laws that are currently not being enforced.

(9) Law enforcement officers are often discouraged from enforcing the law by superiors.

(b) SENSE OF CONGRESS.—It is the sense of Congress that the President, the Attorney General, Secretary of State, Secretary of Homeland Security, and other Department Secretaries should immediately use every tool available to them to enforce the immigration laws of the United States, as enacted by Congress.

SEC. 119. SECURING ACCESS TO BORDER PATROL UNIFORMS.

Notwithstanding any other provision of law, all uniforms procured for the use of Border Patrol agents shall be manufactured in the United States substantially all from articles, materials, or supplies mined, produced, or manufactured, as the case may be, in the United States.

However, if an alien agrees to voluntary departure but later files a timely appeal of the immigration judge’s decision granting voluntary departure, the alien may pursue the appeal instead of the voluntary departure agreement. “(3) Reopening.—

“(A) In general.—Subject to subparagraph (B), the alien will be ineligible to reopen a final order of removal which took effect upon the alien’s failure to depart, or the alien’s violation of the conditions for voluntary departure, during the period described in paragraph (2).

“(B) Exception.—Subparagraph (A) does not preclude a motion to reopen to seek withholding of removal under section 241(b)(3) or protection against torture.
The order permitting the alien to depart voluntarily under this section shall inform the alien of the penalties under this subsection.”.

(2) IMPLEMENTATION OF EXISTING STATUTORY PENALTIES.—The Secretary of Homeland Security shall implement regulations to provide for the imposition and collection of penalties for failure to depart under section 240B(d) of the Immigration and Nationality Act, as amended by paragraph (1).

TITLE VII—EMPLOYMENT ELIGIBILITY VERIFICATION

SECTION 701. EMPLOYMENT ELIGIBILITY VERIFICATION SYSTEM.

(a) IN GENERAL.—Section 274A(b) of the Immigration and Nationality Act (8 U.S.C. 1324a(b)) is amended by adding at the end the following:

“(7) EMPLOYMENT ELIGIBILITY VERIFICATION SYSTEM.—

“(A) IN GENERAL.—The Secretary of Homeland Security shall establish and administer a verification system through which the
Secretary (or a designee of the Secretary, which may be a nongovernmental entity)—

“(i) responds to inquiries made by persons at any time through a toll-free telephone line and other toll-free electronic media concerning an individual’s identity and whether the individual is authorized to be employed; and

“(ii) maintains records of the inquiries that were made, of verifications provided (or not provided), and of the codes provided to inquirers as evidence of their compliance with their obligations under this section.

“(B) INITIAL RESPONSE.—The verification system shall provide verification or a tentative nonverification of an individual’s identity and employment eligibility within 3 working days of the initial inquiry. If providing verification or tentative nonverification, the verification system shall provide an appropriate code indicating such verification or such nonverification.

“(C) SECONDARY VERIFICATION PROCESS IN CASE OF TENTATIVE NONVERIFICATION.—In cases of tentative nonverification, the Secretary
shall specify, in consultation with the Commissioner of Social Security, an available secondary verification process to confirm the validity of information provided and to provide a final verification or nonverification within 10 working days after the date of the tentative nonverification. When final verification or nonverification is provided, the verification system shall provide an appropriate code indicating such verification or nonverification.

“(D) Design and Operation of System.—The verification system shall be designed and operated—

“(i) to maximize its reliability and ease of use by persons and other entities consistent with insulating and protecting the privacy and security of the underlying information;

“(ii) to respond to all inquiries made by such persons and entities on whether individuals are authorized to be employed and to register all times when such inquiries are not received;

“(iii) with appropriate administrative, technical, and physical safeguards to pre-
vent unauthorized disclosure of personal
information; and

“(iv) to have reasonable safeguards
against the system’s resulting in unlawful
discriminatory practices based on national
origin or citizenship status, including—

“(I) the selective or unauthorized
use of the system to verify eligibility;

“(II) the use of the system prior
to an offer of employment; or

“(III) the exclusion of certain in-
dividuals from consideration for em-
ployment as a result of a perceived
likelihood that additional verification
will be required, beyond what is re-
quired for most job applicants.

“(E) Responsibilities of the Commiss-
ioner of Social Security.—As part of the
verification system, the Commissioner of Social
Security, in consultation with the Secretary of
Homeland Security (and any designee of the
Secretary selected to establish and administer
the verification system), shall establish a reli-
able, secure method, which, within the time pe-
riods specified under subparagraphs (B) and
(C), compares the name and social security account number provided in an inquiry against such information maintained by the Commissioner in order to validate (or not validate) the information provided regarding an individual whose identity and employment eligibility must be confirmed, the correspondence of the name and number, and whether the individual has presented a social security account number that is not valid for employment. The Commissioner shall not disclose or release social security information (other than such verification or nonverification) except as provided for in this section or section 205(c)(2)(I) of the Social Security Act.

“(F) Responsibilities of the Secretary of Homeland Security.—(i) As part of the verification system, the Secretary of Homeland Security (in consultation with any designee of the Secretary selected to establish and administer the verification system), shall establish a reliable, secure method, which, within the time periods specified under subparagraphs (B) and (C), compares the name and alien identification or authorization number
which are provided in an inquiry against such
information maintained by the Secretary in
order to validate (or not validate) the informa-
tion provided, the correspondence of the name
and number, and whether the alien is author-
ized to be employed in the United States.

“(ii) When a single employer has sub-
mitted to the verification system pursuant to
paragraph (3)(A) the identical social security
account number in more than one instance, or
when multiple employers have submitted to the
verification system pursuant to such paragraph
the identical social security account number, in
a manner which indicates the possible fraudu-
 lent use of that number, the Secretary of
Homeland Security shall conduct an investiga-
tion, within the time periods specified in sub-
paragraphs (B) and (C), in order to ensure that
no fraudulent use of a social security account
number has taken place. If the Secretary has
selected a designee to establish and administer
the verification system, the designee shall notify
the Secretary when a single employer has sub-
mitted to the verification system pursuant to
paragraph (3)(A) the identical social security
account number in more than one instance, or when multiple employers have submitted to the verification system pursuant to such paragraph the identical social security account number, in a manner which indicates the possible fraudulent use of that number. The designee shall also provide the Secretary with all pertinent information, including the name and address of the employer or employers who submitted the relevant social security account number, the relevant social security account number submitted by the employer or employers, and the relevant name and date of birth of the employee submitted by the employer or employers.

“(G) UPDATING INFORMATION.—The Commissioner of Social Security and the Secretary of Homeland Security shall update their information in a manner that promotes the maximum accuracy and shall provide a process for the prompt correction of erroneous information, including instances in which it is brought to their attention in the secondary verification process described in subparagraph (C).
“(H) LIMITATION ON USE OF THE
VERIFICATION SYSTEM AND ANY RELATED SYS-
TEMS.—

“(i) IN GENERAL.—Notwithstanding
any other provision of law, nothing in this
paragraph shall be construed to permit or
allow any department, bureau, or other
agency of the United States Government to
utilize any information, data base, or other
records assembled under this paragraph
for any other purpose other than as pro-
vided for.

“(ii) NO NATIONAL IDENTIFICATION
CARD.—Nothing in this paragraph shall be
construed to authorize, directly or indi-
rectly, the issuance or use of national iden-
tification cards or the establishment of a
national identification card.

“(I) FEDERAL TORT CLAIMS ACT.—If an
individual alleges that the individual would not
have been dismissed from a job but for an error
of the verification mechanism, the individual
may seek compensation only through the mech-
anism of the Federal Tort Claims Act, and in-
junctive relief to correct such error. No class
action may be brought under this subparagraph.

“(J) **Protection from liability for actions taken on the basis of information.**—No person or entity shall be civilly or criminally liable for any action taken in good faith reliance on information provided through the employment eligibility verification mechanism established under this paragraph.”.

(b) **Repeal of provision relating to evaluations and changes in employment verification.**—Section 274A(d) (8 U.S.C. 1324a(d)) is repealed.

SEC. 702. **Employment eligibility verification process.**

Section 274A of the Immigration and Nationality Act (8 U.S.C. 1324a) is amended—

(1) in subsection (a)(3), by inserting “(A)” after “DEFENSE.—”, and by adding at the end the following:

“(B) **Failure to seek and obtain verification.**—In the case of a person or entity in the United States that hires, or continues to employ, an individual, or recruits or refers an individual for employment, the following requirements apply:

“(i) **Failure to seek verification.**—
“(I) IN GENERAL.—If the person or entity has not made an inquiry, under the mechanism established under subsection (b)(7), seeking verification of the identity and work eligibility of the individual, by not later than the end of 3 working days (as specified by the Secretary of Homeland Security) after the date of the hiring, the date specified in subsection (b)(8)(B) for previously hired individuals, or before the recruiting or referring commences, the defense under subparagraph (A) shall not be considered to apply with respect to any employment, except as provided in subclause (II).

“(II) SPECIAL RULE FOR FAILURE OF VERIFICATION MECHANISM.—If such a person or entity in good faith attempts to make an inquiry in order to qualify for the defense under subparagraph (A) and the verification mechanism has registered that not all inquiries were responded to during the relevant time, the person or entity can make an inquiry until the end of the first subsequent working day in which the
verification mechanism registers no non-
responses and qualify for such defense.

“(ii) Failure to obtain verification.—If the person or entity has
made the inquiry described in clause (i)(I) but
has not received an appropriate verification of
such identity and work eligibility under such
mechanism within the time period specified
under subsection (b)(7)(B) after the time the
verification inquiry was received, the defense
under subparagraph (A) shall not be considered
to apply with respect to any employment after
the end of such time period.”;

(2) by amending subparagraph (A) of sub-
section (b)(1) to read as follows:

“(A) In general.—The person or entity
must attest, under penalty of perjury and on a
form designated or established by the Secretary
by regulation, that it has verified that the indi-
vidual is not an unauthorized alien by—

“(i) obtaining from the individual the
individual’s social security account number
and recording the number on the form (if
the individual claims to have been issued
such a number), and, if the individual does
not attest to United States citizenship
under paragraph (2), obtaining such iden-
tification or authorization number estab-
lished by the Department of Homeland Se-
curity for the alien as the Secretary of
Homeland Security may specify, and re-
cording such number on the form; and

“(ii)(I) examining a document de-
scribed in subparagraph (B); or (II) exam-
inining a document described in subpara-
graph (C) and a document described in
subparagraph (D).

A person or entity has complied with the re-
quirement of this paragraph with respect to ex-
amination of a document if the document rea-
sonably appears on its face to be genuine, rea-
sonably appears to pertain to the individual
whose identity and work eligibility is being
verified, and, if the document bears an expira-
tion date, that expiration date has not elapsed.

If an individual provides a document (or com-
bination of documents) that reasonably appears
on its face to be genuine, reasonably appears to
pertain to the individual whose identity and
work eligibility is being verified, and is suffi-
cient to meet the first sentence of this para-
graph, nothing in this paragraph shall be con-
strued as requiring the person or entity to so-
licit the production of any other document or as
requiring the individual to produce another doc-
ument.”;

(3) in subsection (b)(1)(D)—

(A) in clause (i), by striking “or such other
personal identification information relating to
the individual as the Attorney General finds, by
regulation, sufficient for purposes of this sec-
tion”; and

(B) in clause (ii), by inserting before the
period “and that contains a photograph of the
individual”;

(4) in subsection (b)(2), by adding at the end
the following: “The individual must also provide that
individual’s social security account number (if the
individual claims to have been issued such a num-
ber), and, if the individual does not attest to United
States citizenship under this paragraph, such identi-
fication or authorization number established by the
Department of Homeland Security for the alien as
the Secretary may specify.”; and
(5) by amending paragraph (3) of subsection (b) to read as follows:

“(3) RETENTION OF VERIFICATION FORM AND VERIFICATION.—

“(A) IN GENERAL.—After completion of such form in accordance with paragraphs (1) and (2), the person or entity must—

“(i) retain a paper, microfiche, microfilm, or electronic version of the form and make it available for inspection by officers of the Department of Homeland Security, the Special Counsel for Immigration-Related Unfair Employment Practices, or the Department of Labor during a period beginning on the date of the hiring, recruiting, or referral of the individual or the date of the completion of verification of a previously hired individual and ending—

“(I) in the case of the recruiting or referral of an individual, three years after the date of the recruiting or referral;

“(II) in the case of the hiring of an individual, the later of—
“(aa) three years after the date of such hiring; or

“(bb) one year after the date the individual’s employment is terminated; and

“(III) in the case of the verification of a previously hired individual, the later of—

“(aa) three years after the date of the completion of verification; or

“(bb) one year after the date the individual’s employment is terminated;

“(ii) make an inquiry, as provided in paragraph (7), using the verification system to seek verification of the identity and employment eligibility of an individual, by not later than the end of 3 working days (as specified by the Secretary of Homeland Security) after the date of the hiring or in the case of previously hired individuals, the date specified in subsection (b)(8)(B), or before the recruiting or referring commences; and
“(iii) may not commence recruitment
or referral of the individual until the per-
son or entity receives verification under
subparagraph (B)(i) or (B)(iii).

“(B) Verification.—

“(i) Verification received.—If the
person or other entity receives an appro-
priate verification of an individual’s iden-
tity and work eligibility under the
verification system within the time period
specified, the person or entity shall record
on the form an appropriate code that is
provided under the system and that indi-
cates a final verification of such identity
and work eligibility of the individual.

“(ii) Tentative nonverification
received.—If the person or other entity
receives a tentative nonverification of an
individual’s identity or work eligibility
under the verification system within the
time period specified, the person or entity
shall so inform the individual for whom the
verification is sought. If the individual does
not contest the nonverification within the
time period specified, the nonverification
shall be considered final. The person or entity shall then record on the form an appropriate code which has been provided under the system to indicate a tentative nonverification. If the individual does contest the nonverification, the individual shall utilize the process for secondary verification provided under paragraph (7). The nonverification will remain tentative until a final verification or nonverification is provided by the verification system within the time period specified. In no case shall an employer terminate employment of an individual because of a failure of the individual to have identity and work eligibility confirmed under this section until a nonverification becomes final. Nothing in this clause shall apply to a termination of employment for any reason other than because of such a failure.

“(iii) Final verification or nonverification received.—If a final verification or nonverification is provided by the verification system regarding an individual, the person or entity shall record
on the form an appropriate code that is
provided under the system and that indi-
cates a verification or nonverification of
identity and work eligibility of the indi-
vidual.

“(iv) Extension of Time.—If the
person or other entity in good faith at-
ttempts to make an inquiry during the time
period specified and the verification system
has registered that not all inquiries were
received during such time, the person or
entity may make an inquiry in the first
subsequent working day in which the
verification system registers that it has re-
ceived all inquiries. If the verification sys-
tem cannot receive inquiries at all times
during a day, the person or entity merely
has to assert that the entity attempted to
make the inquiry on that day for the pre-
vious sentence to apply to such an inquiry,
and does not have to provide any addi-
tional proof concerning such inquiry.

“(v) Consequences of
Nonverification.—
“(I) Termination or notification of continued employment.—
If the person or other entity has received a final nonverification regarding an individual, the person or entity may terminate employment of the individual (or decline to recruit or refer the individual). If the person or entity does not terminate employment of the individual or proceeds to recruit or refer the individual, the person or entity shall notify the Secretary of Homeland Security of such fact through the verification system or in such other manner as the Secretary may specify.

“(II) Failure to notify.—If the person or entity fails to provide notice with respect to an individual as required under subclause (I), the failure is deemed to constitute a violation of subsection (a)(1)(A) with respect to that individual.

“(vi) Continued employment after final nonverification.—If the
person or other entity continues to employ
(or to recruit or refer) an individual after
receiving final nonverification, a rebuttable
presumption is created that the person or
entity has violated subsection (a)(1)(A).”.

SEC. 1302. FINDINGS.

United States or its citizens or lawful residents are able to obtain permission to remain in the United States.

(2) Only United States citizens have an absolute right to be in the United States; for all others, permission to enter and reside here, either as non-immigrants or immigrants, is a privilege that is conditioned on following the rules of one’s admission and stay.

(3) It is important that United States Citizenship and Immigration Services, like all other Federal agencies that come into close contact with the public their customers.

(4) Immigration benefits fraud has become endemic. It undermines the rule of law and threatens national security, and so must be addressed aggressively and consistently.

(5) Internal corruption also threatens national security and erodes the integrity of the immigration system. In order to restore integrity and credibility to the system, the backlog of complaints against United States Citizenship and Immigration Services employees must be cleared by experienced investigators as expeditiously as possible without compromising the quality of investigations.
(6) In separating customs and border protection and immigration and customs enforcement from United States Citizenship and Immigration Services, Congress did not intend to wholly eliminate all law enforcement functions within the latter, nor is it possible for United States citizenship and immigration services to achieve its mission without a law enforcement function. The attempt to do so has produced the current abysmal results. Thus, it is imperative that United States Citizenship and Immigration Services embrace the critical law enforcement function especially the internal audit function.
