(5) An estimate of the costs of infrastructure required for Littoral Combat Ships at each home-port, including—

(A) existing infrastructure; and

(B) such upgraded infrastructure as may be required.

SEC. 113. PROCUREMENT PROGRAMS FOR FUTURE NAVAL SURFACE COMBATANTS.

(a) LIMITATION ON AVAILABILITY OF FUNDS PENDING REPORTS ABOUT SURFACE COMBATANT SHIP-BUILDING PROGRAMS.—The Secretary of the Navy may not obligate or expend funds for the construction of, or advanced procurement of materials for, a surface combatant to be constructed after fiscal year 2011 until the Secretary has submitted to Congress each of the following:

(1) An acquisition strategy for such surface combatants that has been approved by the Department of Defense.

(2) The results of reviews by the Joint Requirements Oversight Council for an Acquisition Category I program that supports the need for an acquisition strategy to procure surface combatants after fiscal year 2011.

(3) A verification by an independent review panel convened by the Secretary of Defense that, in
evaluating the shipbuilding program concerned, the Secretary of the Navy considered each of the following:

(A) Modeling and simulation, including war gaming conclusions regarding combat effectiveness for the selected ship platforms as compared to other reasonable alternative approaches.

(B) Assessments of platform operational availability.

(C) Life cycle costs from vessel manning levels to accomplish missions.

(4) An intelligence analysis reflecting a coordinated threat assessment of the Defense Intelligence Agency that provides the basis for deriving the mix of platforms in the shipbuilding program concerned when compared with the surface combatants in the 2009 shipbuilding plan.

(5) The differences in cost and schedule arising from the need to accommodate new sensors and weapons in future surface combatants to counter the future threats referred to in paragraph (4) when compared with the cost and schedule arising from the need to accommodate sensors and weapons on
surface combatants as contemplated by the 2009 shipbuilding plan for the vessels concerned.

(6) A verification by the commanders of the combatant commands that the shipbuilding program for the vessels concerned would be preferable to the surface combatants included in the 2009 shipbuilding plan for the vessels concerned in meeting all of their future mission requirements.

(7) A joint review by the Navy and the Missile Defense Agency setting forth additional requirements for investment in Aegis ballistic missile defense (BMD) beyond the number of DDG–51 and CG–47 vessels planned to be equipped for this mission area in the budget of the President for fiscal year 2010 (as submitted to Congress pursuant to section 1105 of title 31, United States Code).

(A) For the DDG–1000 destroyer—

(i) combat system;

(ii) multi-function and dual-band radars;

(iii) hull, mechanical and electrical systems achieving significant manpower savings; and

(iv) integrated electric propulsion technologies.

(B) For the DDG–51 and CG–47 Aegis ships—

(i) combat system, including missile defense capability;

(ii) hull, mechanical and electrical systems achieving manpower savings; and

(iii) anti-submarine warfare sensor systems designed for operating in open ocean areas.

(2) Scope of Plan.—The plan required by paragraph (1) shall include sufficient detail for systems and subsystems to ensure that the plan—

(A) avoids redundant development for common functions;
(B) reflects implementation of Navy plans for achieving an open architecture for all naval surface combat systems; and

(C) fosters full and open competition.

(e) DEFINITION.—In this section:

(1) The term “2009 shipbuilding plan” means the 30-year shipbuilding plan submitted to Congress pursuant to section 231, title 10, United States Code, together with the budget of the President for fiscal year 2009 (as submitted to Congress pursuant to section 1105 of title 31, United States Code).

(3) The strategic plan of the Navy for the manner in which the Littoral Combat Ship (LCS) will fulfill the roles and missions currently performed by the Oliver Hazard Perry class frigates as they are decommissioned.

(4) The strategic plan of the Navy for the Littoral Combat Ship if the extension of the service life of the Oliver Hazard Perry class frigates alleviates demand arising under the current capabilities gap in the Littoral Combat Ship.

(5) A description of the manner in which the Navy has met the needs of the United States Southern Command over time, including the assets and vessels the Navy has deployed for military-to-mili-
tary engagements, UNITAS exercises, and counterdrug operations in support of the Commander of the United States Southern Command during the five-year period ending on the date of the report.

Subtitle C—Air Force Matters

SEC. 121. LIMITATION ON RETIREMENT OF C-5 AIRCRAFT.

(a) LIMITATION.—The Secretary of the Air Force may not proceed with a decision to retire C–5A aircraft from the active inventory of the Air Force in any number that would reduce the total number of such aircraft in the active inventory below 111 until—
(1) the Air Force has modified a C–5A aircraft to the configuration referred to as the Reliability Enhancement and Reengining Program (RERP) configuration, as planned under the C–5 System Development and Demonstration program as of May 1, 2003; and

(2) the Director of Operational Test and Evaluation of the Department of Defense—

(A) conducts an operational evaluation of that aircraft, as so modified; and

(B) provides to the Secretary of Defense and the congressional defense committees an operational assessment.

(b) Operational Evaluation.—An operational evaluation for purposes of paragraph (2)(A) of subsection (a) is an evaluation, conducted during operational testing and evaluation of the aircraft, as so modified, of the performance of the aircraft with respect to reliability, maintainability, and availability and with respect to critical operational issues.

(c) Operational Assessment.—An operational assessment for purposes of paragraph (2)(B) of subsection (a) is an operational assessment of the program to modify C–5A aircraft to the configuration referred to in subsection (a)(1) regarding both overall suitability and defi-
ciencies of the program to improve performance of the C–5A aircraft relative to requirements and specifications for reliability, maintainability, and availability of that aircraft as in effect on May 1, 2003.

(d) ADDITIONAL LIMITATIONS ON RETIREMENT OF AIRCRAFT.—The Secretary of the Air Force may not retire C–5 aircraft from the active inventory as of the date of this Act until the later of the following:

(1) The date that is 150 days after the date on which the Director of Operational Test and Evaluation submits the report referred to in subsection (a)(2)(B).

(2) The date that is 120 days after the date on which the Secretary submits the report required under subsection (e).

(3) The date that is 30 days after the date on which the Secretary certifies to the congressional defense committees that—

(A) the retirement of such aircraft will not increase the operational risk of meeting the National Defense Strategy; and

(B) the retirement of such aircraft will not reduce the total strategic airlift force structure below 324 strategic airlift aircraft.
(c) REPORT ON RETIREMENT OF AIRCRAFT.—The Secretary of the Air Force shall submit to the congressional defense committees a report setting forth the following:

(1) The rationale for the retirement of existing C–5 aircraft and a cost/benefit analysis of alternative strategic airlift force structures, including the force structure that would result from the retirement of such aircraft.

(2) An assessment of the costs and benefits of applying the Reliability Enhancement and Re-engining Program (RERP) modification to the entire the C–5A aircraft fleet.

(3) An assessment of the implications for the Air Force, the Air National Guard, and the Air Force Reserve of operating a mix of C–5A aircraft and C–5M aircraft.

(4) An assessment of the costs and benefits of increasing the number of C–5 aircraft in Back-up Aircraft Inventory (BAI) status as a hedge against future requirements of such aircraft.

(5) An assessment of the costs, benefits, and implications of transferring C–5 aircraft to United States flag carriers operating in the Civil Reserve
Air Fleet (CRAF) program or to coalition partners in lieu of the retirement of such aircraft.

(6) Such other matters relating to the retirement of C–5 aircraft as the Secretary considers appropriate.

(f) MAINTENANCE OF AIRCRAFT UPON RETIREMENT.—The Secretary of the Air Force shall maintain any C–5 aircraft retired after the date of the enactment of this Act in Type 1000 storage until opportunities for the transfer of such aircraft as described in subsection (e)(5) have been fully exhausted.

SEC. 122. REVISED AVAILABILITY OF CERTAIN FUNDS AVAILABLE FOR THE F–22A FIGHTER AIRCRAFT.

(b) AVAILABILITY OF ADVANCE PROCUREMENT FUNDS FOR OTHER F–22A AIRCRAFT MODERNIZATION PRIORITIES.—Subject to the provisions of appropriations Acts and applicable requirements relating to the transfer of funds, the Secretary of the Air Force may transfer amounts authorized to be appropriated for fiscal year
2009 by section 103(1) for aircraft procurement for the
Air Force and available for advance procurement for the
F–22A fighter aircraft within that subaccount or to other
subaccounts for aircraft procurement for the Air Force for
purposes of providing funds for other modernization priori-
ties with respect to the F–22A fighter aircraft.

SEC. 123. REPORT ON POTENTIAL FOREIGN MILITARY
SALES OF THE F–22A FIGHTER AIRCRAFT.

(a) Report Required.—Not later than 180 days
after the date of the enactment of this Act, the Secretary
of Defense shall, in coordination with the Secretary of
State and in consultation with the Secretary of the Air
Force, submit to the congressional defense committees,
the Committee on Foreign Relations of the Senate, and
the Committee on Foreign Affairs of the House of Rep-
resentatives a report on potential foreign military sales of
the F–22A fighter aircraft.

(b) Elements.—The report required by subsection
(a) shall include the following:

(1) An estimate of the costs to the United
States Government, industry, and any foreign mili-
tary sales customer of developing an exportable
version of the F–22A fighter aircraft.

(2) An assessment whether an exportable
version of the F–22A fighter aircraft is technically
feasible and executable, and, if so, a timeline for achieving an exportable version of the aircraft.

(3) An assessment of the potential strategic implications of permitting foreign military sales of the F–22A fighter aircraft.

(4) An assessment of the impact of foreign military sales of the F–22A fighter aircraft on the United States aerospace and aviation industry, and the advantages and disadvantages of such sales for sustaining that industry.

(5) An identification of any modifications to current law that are required to authorize foreign military sales of the F–22A fighter aircraft.

(c) ADDITIONAL REPORT REQUIRED.—Not later than 180 days after the date of the enactment of this Act, the Secretary of Defense shall provide for a federally funded research and development center which will submit to the congressional defense committees, the Committee on Foreign Relations of the Senate, and the Committee on Foreign Affairs of the House of Representatives, through the Secretary of Defense, a report on potential foreign military sales of the F–22A fighter aircraft, addressing the same elements as in subsection (b) of this section.
SEC. 124. NEXT GENERATION BOMBER AIRCRAFT.

(a) FINDINGS.—Congress makes the following findings:

(1) Long-range strike is a critical mission in which the United States needs to retain a credible and dominant capability.

(2) Long range, penetrating strike systems provide—

   (A) a hedge against being unable to obtain access to forward bases for political reasons;

   (B) a capacity to respond quickly to contingencies;

   (C) the ability to base outside the reach of emerging adversary anti-access and area-denial capabilities; and

   (D) the ability to impose disproportionate defensive costs on prospective adversaries of the United States.

(3) The 2006 Quadrennial Defense Review found that there was a requirement for a next generation bomber aircraft and directed the United States Air Force to “develop a new land-based, penetrating long range strike capability to be fielded by 2018”.

(4) On April 6, 2009, Secretary Gates announced that the United States “will not pursue a
development program for a follow-on Air Force bomber until we have a better understanding of the need, the requirement and the technology”.

(5) On May 7, 2009, President Barack Obama announced the termination of the next generation bomber aircraft program in the document of the Office of Management and Budget entitled “Terminations, Reductions, and Savings”, stating that “there is no urgent need to begin an expensive development program for a new bomber” and that “the future bomber fleet may not be affordable over the next six years”.

(6) The United States will need a new long-range strike capability because the conflicts of the future will likely feature heavily defended airspace, due in large part to the proliferation of relatively inexpensive, but sophisticated and deadly, air defense systems.

(7) General Michael Maples, the Director of the Defense Intelligence Agency, noted during a March 10, 2009, hearing of the Committee on Armed Services of the Senate on worldwide threats that “Russia, quite frankly, is the developer of most of those [advanced air defense] systems and is exporting
those systems both to China and to other countries in the world”.

(8) The Final Report of the Congressional Commission on the Strategic Posture of the United States, submitted to Congress on May 6, 2009, states that “[t]he bomber force is valuable particularly for extending deterrence in time of crisis, as their deployment is visible and signals U.S. commitment. Bombers also impose a significant cost burden on potential adversaries in terms of the need to invest in advanced air defenses”.

(9) The commanders of the United States Pacific Command, the United States Strategic Command, and the United States Joint Forces Command have each testified before the Committee on Armed Services of the Senate in support of the capability that the next generation bomber aircraft would provide.

(10) On June 17, 2009, General James Cartwright, Vice-Chairman of the Joint Chiefs of Staff and chair of the Joint Requirements Oversight Council, stated during a hearing before the Committee on Armed Services of the Senate that “the nation needs a new bomber”. 
(11) Nearly half of the United States bomber aircraft inventory (47 percent) pre-dates the Cuban Missile Crisis.

(12) The only air-breathing strike platforms the United States possesses today with reach and survivability to have a chance of successfully executing missions more than 1,000 nautical miles into enemy territory from the last air-to-air refueling are 16 combat ready B-2 bomber aircraft.

(13) The B-2 bomber aircraft was designed in the 1980s and achieved initial operational capability over a decade ago.

(14) The crash of an operational B-2 bomber aircraft during takeoff at Guam in early 2008 indicates that attrition can and does occur even in peacetime.

(15) The primary mission requirement of the next generation bomber aircraft is the ability to strike targets anywhere on the globe with whatever weapons the contingency requires.

(16) The requisite aerodynamic, structural, and low-observable technologies to develop the next generation bomber aircraft already exist in fifth-generation fighter aircraft.
(b) Policy on Continued Development of Next Generation Bomber Aircraft in Fiscal Year 2010.—It is the policy of the United States to support a development program for next generation bomber aircraft technologies.

SEC. 125. AC–130 GUNSHIPS.

(a) Report on Reduction in Service Life in Connection With Accelerated Deployment.—Not later than 90 days after the date of the enactment of this Act, the Secretary of the Air Force, in consultation with the United States Special Operations Command, shall submit to the congressional defense committees an assessment of the reduction in the service life of AC–130 gunships of the Air Force as a result of the accelerated deployments of such gunships that are anticipated during the seven- to ten-year period beginning with the date of the enactment of this Act, assuming that operating tempo continues at a rate per year of the average of their operating rate for the last five years.

(b) Elements.—The report required by subsection (a) shall include the following:

(1) An estimate by series of the maintenance costs for the AC–130 gunships during the period described in subsection (a), including any major air-
frame and engine overhauls of such aircraft anticipated during that period.

(2) A description by series of the age, serviceability, and capabilities of the armament systems of the AC–130 gunships.

(3) An estimate by series of the costs of modernizing the armament systems of the AC–130 gunships to achieve any necessary capability improvements.

(4) A description by series of the age and capabilities of the electronic warfare systems of the AC–130 gunships, and an estimate of the cost of upgrading such systems during that period to achieve any necessary capability improvements.

(5) A description by series of the age of the avionics systems of the AC–130 gunships, and an estimate of the cost of upgrading such systems during that period to achieve any necessary capability improvements.

(c) FORM.—The report required by subsection (a) shall be submitted in unclassified form, but may include a classified annex.

(d) ANALYSIS OF ALTERNATIVES.—The Secretary of the Air Force, in consultation with the United States Special Operations Command, shall conduct an analysis of al-
ternatives for any gunship modernization requirements identified by the 2009 quadrennial defense review under section 118 of title 10, United States Code. The results of the analysis of alternatives shall be provided to the congressional defense committees not later than 18 months after the completion of the 2009 quadrennial defense review.

SEC. 126. REPORT ON E–8C JOINT SURVEILLANCE AND TARGET ATTACK RADAR SYSTEM RE-ENGINING.

(a) IN GENERAL.—Not later than 60 days after the date of the enactment of this Act, the Secretary of the Air Force shall submit to the congressional defense committees a report on replacing the engines of E-8C Joint Surveillance and Target Attack Radar System (Joint STARS) aircraft. The report shall include the following:

(1) An assessment of funding alternatives and options for accelerating funding for the fielding of Joint STARS aircraft with replaced engines.

(2) An analysis of the tradeoffs involved in the decision to replace the engines of Joint STARS aircraft or not to replace those engines, including the potential cost savings from replacing those engines and the operational impacts of not replacing those engines.
(3) An identification of the optimum path forward for replacing the engines of Joint STARS aircraft and modernizing the Joint STARS fleet.

(b) LIMITATION ON CERTAIN ACTIONS.—The Secretary of the Air Force may not take any action that would adversely impact the pace of the execution of the program to replace the engines of Joint STARS aircraft before submitting the report required by subsection (a).

Subtitle D—Joint and Multiservice Matters

SEC. 131. MODIFICATION OF NATURE OF DATA LINK UTILIZABLE BY TACTICAL UNMANNED AERIAL VEHICLES.

Section 141(a)(1) of the National Defense Authorization Act for Fiscal Year 2006 (Public Law 109–163; 119 Stat. 3164) is amended by striking “, until such time as the Tactical Common Data Link is replace by an updated standard for use by those vehicles” and inserting “or a data link that uses waveform capable of transmitting and receiving Internet Protocol communications”.

**SEC. 246. Sense of Senate on and Reservation of Funds for Development and Deployment of Missile Defense Systems in Europe.**

(a) **Findings.**—The Senate makes the following findings:

(1) In the North Atlantic Treaty Organization (NATO) Bucharest Summit Declaration of April 3, 2008, the Heads of State and Government participating in the meeting of the North Atlantic Council
declared that “[b]allistic missile proliferation poses an increasing threat to Allies’ forces, territory and populations. Missile defence forms part of a broader response to counter this threat. We therefore recognize the substantial contribution to the protection of Allies from long-range ballistic missiles to be provided by the planned deployment of European-based United States missile defence assets”.

(2) The Bucharest Summit Declaration also stated that “[b]earing in mind the principle of the indivisibility of Allied security as well as NATO solidarity, we task the Council in Permanent Session to develop options for a comprehensive missile defence architecture to extend coverage to all Allied territory and populations not otherwise covered by the United States system for review at our 2009 Summit, to inform any future political decision”.

(3) In the Bucharest Summit Declaration, the North Atlantic Council also reaffirmed to Russia that “current, as well as any future, NATO Missile Defence efforts are intended to better address the security challenges we all face, and reiterate that, far from posing a threat to our relationship, they offer opportunities to deepen levels of cooperation and stability”.
(4) In the Strasbourg/Kehl Summit Declaration of April 4, 2009, the heads of state and government participating in the meeting of the North Atlantic Council reaffirmed “the conclusions of the Bucharest Summit about missile defense,” and declared that “we judge that missile threats should be addressed in a prioritized manner that includes consideration of the level of imminence of the threat and the level of acceptable risk”.

(5) Iran is rapidly developing its ballistic missile capabilities, including its inventory of short-range and medium-range ballistic missiles that can strike portions of Eastern and Southern North Atlantic Treaty Organization European territory, as well as the pursuit of long-range ballistic missiles that could reach Europe or the United States.

(6) On July 8, 2008, the Government of the United States and the Government of the Czech Republic signed an agreement to base a radar facility in the Czech Republic that is part of a proposed missile defense system to protect Europe and the United States against a potential future Iranian long-range ballistic missile threat.

(7) On August 20, 2008, the United States and the Republic of Poland signed an agreement con-
cerning the deployment of ground-based ballistic missile defense interceptors in the territory of the Republic of Poland.

(8) Section 233 of the Duncan Hunter National Defense Authorization Act for Fiscal Year 2009 (Public Law 110–417; 122 Stat. 4393; 10 U.S.C. 2431 note) establishes conditions for the availability of funds for procurement, construction, and deployment of the planned missile defense system in Europe, including that the host nations must ratify any missile defense agreements with the United States and that the Secretary of Defense must certify that the system has demonstrated the ability to accomplish the mission.

(9) On April 5, 2009, President Barack Obama, speaking in Prague, Czech Republic, stated, “As long as the threat from Iran persists, we will go forward with a missile defense system that is cost-effective and proven. If the Iranian threat is eliminated, we will have a stronger basis for security, and the driving force for missile defense construction in Europe will be removed.”.

(10) On June 16, 2009, Deputy Secretary of Defense William Lynn testified before the Committee on Armed Services of the Senate that the
United States Government is reviewing its options for developing and deploying operationally effective, cost-effective missile defense capabilities to Europe against potential future Iranian missile threats, in addition to the proposed deployment of a missile defense system in Poland and the Czech Republic.

(11) On July 9, 2009, General James Cartwright, the Vice Chairman of the Joint Chiefs of Staff, testified before the Committee on Armed Services of the Senate that the Department of Defense was considering some 40 different missile defense architecture options for Europe that could provide a “regional defense capability to protect the nations” of Europe, and a “redundant capability that would assist in protecting the United States,” and that the Department was considering “what kind of an architecture best suits the defense of the region, the defense of the homeland, and the regional stability”.

(b) Sense of Senate.—It is the sense of the Senate that—

(1) the United States Government should continue developing and planning for the proposed deployment of elements of a Ground-based Midcourse Defense (GMD) system, including a midcourse radar in the Czech Republic and Ground-Based Intercep-
tors in Poland, consistent with section 233 of the
Duncan Hunter National Defense Authorization Act
for Fiscal Year 2009;

(2) in conjunction with the continued develop-
ment of the planned Ground-based Midcourse De-
fense system, the United States should work with its
North Atlantic Treaty Organization allies to explore
a range of options and architectures to provide mis-
sile defenses for Europe and the United States
against current and future Iranian ballistic missile
capabilities;

(3) any alternative system that the United
States Government considers deploying in Europe to
provide for the defense of Europe and a redundant
defense of the United States against future long-
range Iranian missile threats should be at least as
capable and cost-effective as the proposed European
deployment of the Ground-based Midcourse Defense
system; and

(4) any missile defense capabilities deployed in
Europe should, to the extent practical, be interoper-
able with United States and North Atlantic Treaty
Organization missile defense systems.

(c) RESERVATION OF FUNDS FOR MISSILE DEFENSE

SYSTEMS.—

SEC. 536. SENSE OF SENATE ON THE INTERSTATE COMPACT ON EDUCATIONAL OPPORTUNITY FOR MILITARY CHILDREN.

(a) FINDINGS.—The Senate makes the following findings:

(1) The incongruity in how States assess and enroll transfer students creates challenges for the moving military family and can, in some cases, be detrimental to the higher education opportunities of military children.

(2) The inability to transfer credits, maintain the proper number of school-year hours, missing exams, and other obstacles can make moving as a military family difficult.

(3) The average military child moves six to nine times between kindergarten and high school graduation, creating a variety of challenges and obstacles related to permanent change of station moves.

(4) The demands and strains on members of the Armed Forces and their families continue to increase and will do so for the foreseeable future as
the United States continues overseas contingency op-
erations, and children and adolescents are acutely
vulnerable to family stresses caused by the high
operational tempo and may therefore be at a height-
ened risk for emotional distress.

(5) The routine of the school environment can
be a source of stability for military children as they
cope with the disruptive challenges caused by the de-
ployment of a parent or a relocation.

(b) SENSE OF SENATE.—It is the sense of the Senate
to—

(1) express strong support and commendation
for Alabama, Alaska, Arizona, Colorado, Con-
necticut, Delaware, Florida, Hawaii, Indiana, Iowa,
Kansas, Kentucky, Maryland, Michigan, Mississippi,
Missouri, Nevada, North Carolina, Oklahoma,
Texas, Virginia, and Washington as States that have
successfully enacted the Interstate Compact on Edu-
cational Opportunity for Military Children;

(2) express its strong support and encourage all
remaining States to enact the Interstate Compact on
Educational Opportunity for Military Children;

(3) recognize the importance of the components
of the Interstate Compact on Educational Oppor-
tunity for Military Children, including—
(A) the transfer of educational records to expedite the proper enrollment and placement of students;

(B) the ability of students to continue their enrollment at a grade level in the receiving State commensurate with their grade level from the sending State;

(C) priority for attendance to children of members of the Armed Forces assuming the school district accepts transfer students;

(D) the ability of students to continue their course placement, including but not limited to Honors, International Baccalaureate, Advanced Placement, vocational, technical, and career pathways courses;

(E) the recalculation of grades to consider the weights offered by a receiving school for the same performance in the same course when a student transfers from one grading system to another system (for example, number-based system to letter-based system);

(F) the waiver of specific courses required for graduation if similar course work has been satisfactorily completed in another local education agency or the provision of an alternative
means of acquiring required coursework so that
graduation may occur on time; and
(G) the recognition of an appointed guardian
as a custodial parent while the child’s parent
or parents are deployed; and
(4) express strong support for States to develop
a State Council to provide for the coordination
among their agencies of government, local education
agencies, and military installations concerning the
participation of a State in the Interstate Compact
on Educational Opportunity for Military Children.

SEC. 556. SENSE OF SENATE ON PREPARATION AND CO-ORDINATION OF FAMILY CARE PLANS.

(a) FINDINGS.—The Senate makes the following findings:

(1) Family Care Plans provide a military tool to document the plan by which members of the Armed Forces provide for the care of their family members when military duties prevent members of the Armed Forces from doing so themselves. Properly prepared Family Care Plans are essential to military readiness. Minimizing the strain on members of the Armed Forces of unresolved, challenged, or voided child custody arrangements arising during deployments or temporary duty directly contributes to the national defense by enabling members of the Armed Forces to devote their entire energy to their military mission and duties.

(2) When Family Care Plans are properly prepared and coordinated with all affected parties, the legal difficulties that may otherwise arise in the ab-
sense of the military custodial parent often can be
minimized, if not eliminated.

(b) SENSE OF SENATE.—It is the sense of the Senate
that—

(1) the responsibility for establishing workable
and legally supportable Family Care Plans lies with
the members of the Armed Forces;

(2) notwithstanding that responsibility, com-
manders should—

(A) ensure that the members of their com-
mmand fully understand the purpose of the Fam-
ily Care Plan and its limitations, including the
overriding authority of State courts to deter-
mine child custody arrangements notwith-
standing a Family Care Plan;

(B) understand and emphasize to their
members that failure to involve, or at least in-
form, the non-custodial parent of custody ar-
rangements in anticipation of an absence can
undermine the Family Care Plan or even render
it useless, in such cases; and

(C) apprise their members of the risks de-
scribed in subparagraph (B), and strongly en-
courage them to seek legal assistance, as far in
advance of actual absences as practicable;
(3) the Secretary of Defense, and the Secretary of Homeland Security with respect to matters concerning the Coast Guard when it is not operating as a service in the Navy, should ensure that members of the Armed Forces update their Family Care Plans and emphasize—

(A) the importance of prior planning;

(B) that Family Care Plans are necessary not only for the single parent and for the dual military couple but also for a married member of the Armed Forces who has custody of a child pursuant to a court order or separation agreement or who has custody of a child whose other parent is not the current spouse of the member;

(C) that in spite of how important Family Care Plans are to readiness, they are not legal documents that can change a court-mandated custodial arrangement or interfere with the other parent’s right to custody of his or her child;

(D) that, to the greatest extent possible, a member of the Armed Forces should inform the other parent of the member’s impending absence due to military orders if such absence prohibits the member from fulfilling the mem-
ber’s custody responsibilities and inform that
other parent of the Family Care Plan;

(E) that a member of the Armed Forces
should attempt to obtain the consent of the
non-custodial or adoptive parent to any Family
Care Plan that would leave the child in the care
of a third party; and

(F) that if a member of the Armed Forces
cannot or will not contact the non-custodial
parent or cannot obtain that parent’s consent
to the Family Care Plan, the commander of the
member should—

(i) counsel the member about the im-
plications; and

(ii) encourage in the strongest pos-
sible terms that the member seek imme-
diate help from a legal assistance attorney
or other qualified legal counsel; and

(4) attorneys providing legal assistance as de-
scribed in paragraph (3)(F)(ii) should provide mem-
bers of the Armed Forces a full explanation of the
dangers of not involving the non-custodial parent
and discuss appropriate courses of action.

This subtitle may be cited as the “Military and Overseas Voter Empowerment Act”.

SEC. 582. FINDINGS.
Congress makes the following findings:

(1) The right to vote is a fundamental right.

(2) Due to logistical, geographical, operational and environmental barriers, military and overseas voters are burdened by many obstacles that impact their right to vote and register to vote, the most critical of which include problems transmitting balloting materials and not being given enough time to vote.
(3) States play an essential role in facilitating the ability of military and overseas voters to register to vote and have their ballots cast and counted, especially with respect to timing and improvement of absentee voter registration and absentee ballot procedures.

(4) The Department of Defense educates military and overseas voters of their rights under the Uniformed and Overseas Citizens Absentee Voting Act and plays an indispensable role in facilitating the procedural channels that allow military and overseas voters to have their votes count.

(5) The local, State, and Federal Government entities involved with getting ballots to military and overseas voters must work in conjunction to provide voter registration services and balloting materials in a secure and expeditious manner.

ning.

(1) all United States commercial carriers should
seek to lend their support with flexible, generous
policies applicable to members of the Armed Forces
who are traveling on leave or liberty at their own ex-
 pense; and

(2) each United States air carrier, for all mem-
ers of the Armed Forces who have been granted
leave or liberty and who are traveling by air at their
own expense, should—
(A) seek to provide reduced air fares that are comparable to the lowest airfare for ticketed flights and that eliminate to the maximum extent possible advance purchase requirements;

(B) seek to eliminate change fees or charges and any penalties for military personnel;

(C) seek to eliminate or reduce baggage and excess weight fees;

(D) offer flexible terms that allow members of the Armed Forces on active duty to purchase, modify, or cancel tickets without time restrictions, and to waive fees (including baggage fees), ancillary costs, or penalties; and

(E) seek to take proactive measures to ensure that all airline employees, particularly those who issue tickets and respond to members of the Armed Forces and their family members are trained in the policies of the airline aimed at benefitting members of the Armed Forces who are on leave.

SEC. 706. SENSE OF THE SENATE ON HEALTH CARE BENE-

FITS AND COSTS FOR MEMBERS OF THE

ARMED FORCES AND THEIR FAMILIES.

(a) FINDINGS.—The Senate makes the following

findings:

(1) Career members of the Armed Forces and
their families endure unique and extraordinary de-
mands, and make extraordinary sacrifices, over the
course of 20-year to 30-year careers in protecting
freedom for all Americans.

(2) The nature and extent of these demands
and sacrifices are never so evident as in wartime,
not only during the current combat operations, but
also during the wars of the last 60 years when cur-
rent retired members of the Armed Forces were on
continuous call to go in harm’s way when and as
needed.

(3) A primary benefit of enduring the extraor-
dinary sacrifices inherent in a military career is a
range of retirement benefits, including lifetime health benefits, that a grateful Nation provides for those who choose to subordinate their personal life to the national interest for so many years.

(4) Currently serving and retired members of the uniformed services and their families and survivors deserve benefits equal to their commitment and service to our Nation.

(5) Many employers are curtailing health benefits and shifting costs to their employees, which may result in retired members of the Armed Forces returning to the Department of Defense, and its TRICARE program, for health care benefits during retirement, and contribute to health care cost growth.

(6) Defense health costs also expand as a result of service-unique military readiness requirements, wartime requirements, and other necessary requirements that represent the “cost of business” for the Department of Defense.

(7) While the Department of Defense has made some efforts to contain increases in the cost of the TRICARE program, too many of those efforts have been devoted to shifting a larger share of the costs of benefits under that program to retired members
of the Armed Forces who have earned health care
benefits in return for a career of military service.

(8) In some cases health care providers refuse
to accept TRICARE patients because that program
pays less than other public and private payors and
imposes unique administrative requirements.

(9) The Department of Defense records depos-
its to the Department of Defense Military Retiree
Health Care Fund as discretionary costs to the De-
partment in spite of legislation enacted in 2006 that
requires such deposits to be made directly from the
Treasury of the United States.

(10) As a result, annual payments for the fu-
ture costs of servicemember health care continue to
compete with other readiness needs of the Armed
Forces.

(b) SENSE OF SENATE.—It is the sense of the Senate
that—

(1) the Department of Defense and the Nation
have an obligation to provide health care benefits to
retired members of the Armed Forces that equals
the quality of their selfless service to our country;

(2) past proposals by the Department of De-
fense to impose substantial fee increases on military
beneficiaries have failed to acknowledge properly the findings addressed in subsection (a); and

(3) the Department of Defense has many additional options to constrain the growth of health care spending in ways that do not disadvantage retired members of the Armed Forces who participate or seek to participate in the TRICARE program, and should pursue any and all such options rather than seeking large increases for enrollment fees, deductibles, and copayments for such retirees, and their families or survivors, who do participate in that program.

training needs of the United States Southern Com-
mand and the United States Northern Command.

(4) In a joint letter, dated April 9, 2009, Gen-
eral Renuart, the Commander of the United States
Northern Command, and Admiral Stavridis, the
Commander of the United States Southern Com-
mand, write “[t]he outstanding service that
WHINSEC provides directly supports the United
States Southern Command’s and United States
Northern Command’s strategic objective of fostering
lasting partnerships that will ensure security, en-
hance stability, and enable prosperity throughout the
Americas” and notes that the Institute provides
“culturally-sensitive training, with a strong emphasis
on the values of democracy and human rights”.

(5) In establishing the Western Hemisphere In-
institute for Security Cooperation, Congress mandates
that participants at the Institute receive a minimum
of 8 hours of instruction on human rights, due proc-
есс, the rule of law, the role of the Armed Forces
in a democratic society, and civilian control of the
military. Every course devotes at least 10 percent of
its course work to democracy, ethics, and human
rights issues. The Institute is also required to develop a curriculum that includes leadership development, counterdrug operations, peacekeeping, resource management, and disaster relief planning. In fiscal year 2008, the Institute presented 39 courses and hosted 1,196 students in residence at Fort Benning, Georgia, of whom 292 were police personnel, and trained an additional 280 students through the Mobile Training Team programs of the Institute.

(6) Congress mandated the formation of a Federal advisory committee—an oversight committee unique to the Western Hemisphere Institute for Security Cooperation. It provides recommendations and an independent review of the Institute and its curriculum to ensure the uniform adherence of the Institute to United States law, regulations, and policies. The Board of Visitors of the Institute includes the Chairman and Ranking Member of the Committee on Armed Services of the Senate, the Chairman and Ranking Member of the Committee on Armed Services of the House of Representatives, the Secretary of State, the Commander of the United States Southern Command, the Commander of the United States Northern Command, the Commander
of the United States Training and Doctrine Command, and six members designated by the Secretary of Defense. The six members designated by the Secretary of Defense include, to the extent practicable, individuals from academia and the religious and human rights communities. In addition to the 13 members of the Board of Visitors, advisors and subject matter experts assist the Board in areas the Board considers necessary and appropriate.

(7) The Western Hemisphere Institute for Security Cooperation operates in accordance with section 8130 of the Department of Defense Appropriations Act, 1999 (Public Law 105–262; 112 Stat. 2335) that prohibits United States military assistance to foreign military units that violate human rights, including security assistance programs funded through appropriations available for foreign operations and training programs funded through appropriations made available for the Department of Defense.

(8) The Western Hemisphere Institute for Security Cooperation does not select students for participation in its courses. A partner nation nominates students to attend the Institute, and in accordance with the law of the United States and the policies
of the Department of Defense and the Department of State, the United States Embassy in such partner nation screens and conducts background checks on such nominees. The vetting process of nominees for participation in the Institute includes a background check by United States embassies in partner nations, as well as checks by the Bureau of Western Hemisphere Affairs and the Bureau of Democracy, Human Rights, and Labor at the Department of State. The Department of State also uses the Abuse Case Evaluation System, a central database that aggregates human rights abuse data into a single, searchable location, to ensure nominees have not been accused of any human rights abuses.

(9) The training provided by the Western Hemisphere Institute for Security Cooperation is transparent and the Institute is open to visitors at any time. Visitors are welcome to sit in on classes, talk with students and faculty, and review instructional materials. Every year, the Institute hosts more than a thousand visiting students, faculty, civilian, and military officials.

(b) SENSE OF SENATE.—It is the sense of the Senate that—
(1) the Western Hemisphere Institute for Security Cooperation—

(A) offers quality professional military bilingual instruction for military officers and non-commissioned officers that promotes democracy, subordination to civilian authority, and respect for human rights; and

(B) is uniquely positioned to support the modernization of Latin America security forces as they work to transcend their own controversial pasts;

(2) the Western Hemisphere Institute for Security Cooperation is building partner capacity which enhances regional and global security while encouraging respect for human rights and promoting democratic principles among eligible military personnel, law enforcement officials, and civilians of nations of the Western Hemisphere;

(3) the Western Hemisphere Institute for Security Cooperation is an invaluable education and training facility whose curriculum is not duplicated in any of the military departments and is not replaceable by professional military education funded by appropriations for International Military Education and Training (IMET), which education is not
conducted in Spanish and does not concentrate on regional challenges; and

(4) the Western Hemisphere Institute for Security Cooperation is an essential tool to educate future generations of Latin American leaders and improve United States relationships with partner nations that are working with the United States to promote democracy, prosperity, and stability in the Western Hemisphere.

Subtitle B—Naval Vessels and
Shipyards

SEC. 1011. TEMPORARY REDUCTION IN MINIMUM NUMBER
OF AIRCRAFT CARRIERS IN ACTIVE SERVICE.

Notwithstanding section 5062(b) of title 10, United
States Code, during the period beginning on the date of
the decommissioning of the U.S.S. Enterprise (CVN 65)
and ending on the date of the commissioning into active
service of the U.S.S. Gerald R. Ford (CVN 78), the num-
ber of operational aircraft carriers in the naval combat
forces of the Navy may be 10.

SEC. 1012. REPEAL OF POLICY RELATING TO THE MAJOR
COMBATANT VESSELS OF THE STRIKE
FORCES OF THE UNITED STATES NAVY.

Section 1012 of the National Defense Authorization
303) is repealed.
SEC. 1013. SENSE OF SENATE ON THE MAINTENANCE OF A 313-SHIP NAVY.

(a) FINDINGS.—The Senate makes the following findings:

(1) The Department of the Navy has a stated requirement for a 313-ship fleet.

(2) The Navy can better meet this requirement—

(A) by procuring sufficient numbers of new ships; and

(B) by ensuring the sound material condition of existing ships that will enable the Navy to utilize them for their full planned service lives.

(3) When procuring new classes of ships, the Navy must exercise greater caution than it has exhibited to date in proceeding from one stage of the acquisition cycle to the next before a ship program has achieved a level of maturity that significantly lowers the risk of cost growth and schedule slippage.

(4) In retaining existing assets, the Navy can do a much better job of achieving the full planned service lives of ships and extending the service lives of certain ships so as to keep their unique capabilities in the fleet while the Navy takes the time nee-
necessary to develop and field next-generation capabilities under a low risk program.

(5) The Navy can undertake certain development approaches that can help the Navy control the total costs of ownership of a ship or class of ships, including emphasizing common hull designs, open architecture combat systems, and other common ship systems in order to achieve efficiency in acquiring and supporting various classes of ships.

(6) The Navy needs to continue its efforts toward achieving an open architecture for existing combat systems, as this will have great benefit in reducing the costs and risks of fielding new classes of ships, and will yield recurring savings from reducing the costs of buying later ships in a program and reducing life cycle support costs for ships and classes of ships.

(7) The Navy can also undertake other measures to acquire new ships and maintain the current fleet with greater efficiency, including—

(A) greater use of fixed-price contracts;

(B) maximizing competition (or the option of competition) throughout the life cycle of its ships;
(C) entering into multiyear contracts when warranted; and
(D) employing an incremental approach to developing new technologies.

(b) SENSE OF SENATE.—It is the sense of the Senate that—

(1) the Navy should meet its requirement for a 313-ship fleet;
(2) the Navy should take greater care to achieve the full planned service life of existing ships and reduce the incidence of early ship decommissioning;
(3) the Navy should exercise greater restraint on the acquisition process for ships in order to achieve on-time, on-cost shipbuilding programs; and
(4) Congress should support the Navy when it is acting responsibly to undertake measures that can help the Navy achieve the requirement for a 313-ship fleet and maintain a fleet that is adequate to meet the national security needs of the United States.

SEC. 1014. DESIGNATION OF U.S.S. CONSTITUTION AS AMERICA'S SHIP OF STATE.

(a) FINDINGS.—Congress makes the following findings:
(1) The 3rd Congress authorized, in the Act entitled “An Act to Provide a Naval Armament”, approved on March 27, 1794 (1 Stat. 350, Chap. XII), the construction of six frigates as the first ships to be built for the United States Navy.

(2) One of the six frigates was built in Boston between 1794 and 1797, and is the only one of the original six ships to survive.

(3) President George Washington named this frigate “Constitution” to represent the Nation’s founding document.

(4) President Thomas Jefferson, asserting the right of the United States to trade on the high seas, dispatched the frigate Constitution in 1803 as the flagship of the Mediterranean Squadron to end the depredations of the Barbary States against United States ships and shipping, which led to a treaty being signed with the Bashaw of Tripoli in the Captain’s cabin aboard the frigate Constitution on June 4, 1805.

(5) The frigate Constitution, with her defeat of HMS Guerriere, secured the first major victory by the young United States Navy against the Royal Navy during the War of 1812, gaining in the proc-
ess the nickname “Old Ironsides”, which she has
proudly carried since.

(6) Congress awarded gold medals to four of
the ship’s commanding officers (Preble, Hull, Stew-
art, and Bainbridge), a record unmatched by any
other United States Navy vessel.

(7) The frigate Constitution emerged from the
War of 1812 undefeated, having secured victories
over three additional ships of the Royal Navy.

(8) As early as May 1815, the frigate Constitu-
tion had already been adopted as a symbol of the
young Republic, as attested by the [Washington]
National Intelligencer which proclaimed, “Let us
keep ‘Old Ironsides’ at home. She has, literally be-
come the Nation’s Ship . . . and should thus be pre-
served . . . in honorable pomp, as a glorious Monu-
ment of her own, and our other Naval Victories.”.

(9) Rumors in 1830 that “Old Ironsides,” an
aging frigate, was about to be scrapped resulted in
a public uproar demanding that the ship be restored
and preserved, spurred by Oliver Wendell Holmes’
immortal poem “Old Ironsides”.

(10) “Old Ironsides” circumnavigated the world
between 1844 and 1846, showing the American flag
as she searched for future coaling stations that
would eventually fuel the steam-powered navy of the
United States.

(11) The first Pope to set foot on United States
sovereign territory was Pius IX onboard the frigate
Constitution in 1849.

(12) “Old Ironsides” helped evacuate the
United States Naval Academy from Annapolis,
Maryland, to Newport, Rhode Island, in 1860 to
prevent this esteemed ship from falling into Confed-
erate hands.

(13) Congressman John F. “Honey Fitz” Fitz-
gerald introduced legislation in 1896 to return “Old
Ironsides” from the Portsmouth (New Hampshire)
Naval Shipyard, where she was moored pier side and
largely forgotten, to Boston for her 100th birthday.

(14) Thousands of school children contributed
pennies between 1925 and 1927 to help fund a much
needed restoration for “Old Ironsides”.

(15) Between 1931 and 1934, more than
4,500,000 Americans gained inspiration, at the
depth of the Great Depression, by going aboard
“Old Ironsides” as she was towed to 76 ports on the
Atlantic, Gulf, and Pacific coasts.

(16) The 83rd Congress enacted the Act of
July 23, 1954 (68 Stat. 527, chapter 565), which
directed the Secretary of the Navy to transfer to the
States and appropriate commissions four other historic ships then on the Navy inventory, and to repair
and equip U.S.S. Constitution, as much as practicable, to her original condition, but not for active service.

(17) Queen Elizabeth II paid a formal visit to
U.S.S. Constitution in 1976, at the start of her state visit marking the Bicentennial of the United States.

(18) The U.S.S. Constitution, in celebration of her bicentennial, returned to sea under sail on July 21, 1997 for the first time since 1881, proudly setting sails purchased by the contributions of thousands of pennies given by school children across the United States.

(19) The U.S.S. Constitution is the oldest commissioned warship afloat in the world.

(20) The U.S.S. Constitution is a National Historic Landmark.

(21) The U.S.S. Constitution continues to perform official, ceremonial duties, including in recent years hosting a congressional dinner honoring the late Senator John Chafee of Rhode Island, a special salute for the dedication of the John Moakley Fed-
eral Courthouse, a luncheon honoring British Ambassador Sir David Manning, and a special under-
way demonstration during which 60 Medal of Honor recipients each received a personal Medal of Honor flag.

(22) The U.S.S. Constitution celebrated on October 21, 2007, the 210th anniversary of her launch-
ing.

(23) The U.S.S. Constitution will remain a commissioned ship in the United States Navy, with the Navy retaining control of the ship, its material condition, and its employment.

(24) The U.S.S. Constitution’s primary mission will remain education and public outreach, and any Ship of State functions will be an adjunct to the ship’s primary mission.

(b) DESIGNATION AS AMERICA’S SHIP OF STATE.—

(1) IN GENERAL.—The U.S.S. Constitution is hereby designated as “America’s Ship of State”.

(2) REFERENCES.—The U.S.S. Constitution may be known or referred to as “America’s Ship of State”.

(3) SENSE OF CONGRESS.—It is the sense of Congress that the President, Vice President, executive branch officials, and members of Congress
should utilize the U.S.S. Constitution for the conduct of pertinent matters of state, such as hosting visiting heads of state, signing legislation relating to the Armed Forces, and signing maritime related treaties.

(4) Fee or Reimbursement Structure for Non-Department of the Navy Use.—The Secretary of the Navy shall determine an appropriate fee or reimbursement structure for any non-Department of the Navy entities using the U.S.S. Constitution for Ship of State purposes.

"CHAPTER 47A—MILITARY COMMISSIONS"

"SUBCHAPTER I—GENERAL PROVISIONS"

"See."
"948a. Definitions."
"948b. Military commissions generally."
"948c. Persons subject to military commissions."
"948d. Jurisdiction of military commissions."

"§ 948a. Definitions"

"(2) CLASSIFIED INFORMATION.—The term ‘classified information’ means the following:

§948b. Military commissions generally

“(a) PURPOSE.—This chapter establishes procedures governing the use of military commissions to try alien unprivileged enemy belligerents for violations of the law of war and other offenses triable by military commission.

“(b) AUTHORITY FOR MILITARY COMMISSIONS UNDER THIS CHAPTER.—The President is authorized to establish military commissions under this chapter for offenses triable by military commission as provided in this chapter.

“(c) CONSTRUCTION OF PROVISIONS.—The procedures for military commissions set forth in this chapter are based upon the procedures for trial by general courts-martial under chapter 47 of this title (the Uniform Code of Military Justice). Chapter 47 of this title does not, by its terms, apply to trial by military commission except as specifically provided therein or in this chapter, and many of the provisions of chapter 47 of this title are by their
terms inapplicable to military commissions. The judicial
collection and application of chapter 47 of this title,
while instructive, is therefore not of its own force binding
on military commissions established under this chapter.

“(d) **Inapplicability of Certain Provisions.**—

(1) The following provisions of this title shall not apply
to trial by military commission under this chapter:

“(A) Section 810 (article 10 of the Uniform

31(a), (b), and (d) of the Uniform Code of Military
Justice), relating to compulsory self-incrimination.

“(C) Section 832 (article 32 of the Uniform
Code of Military Justice), relating to pretrial invest-
gination.

“(2) Other provisions of chapter 47 of this title shall
apply to trial by military commission under this chapter
only to the extent provided by the terms of such provisions
or by this chapter.

“(e) **Treatment of Rulings and Precedents.**—
The findings, holdings, interpretations, and other prece-
dents of military commissions under this chapter may not
be introduced or considered in any hearing, trial, or other
proceeding of a court-martial convened under chapter 47
of this title. The findings, holdings, interpretations, and
other precedents of military commissions under this chap-
ter may not form the basis of any holding, decision, or
other determination of a court-martial convened under
that chapter.

“(f) GENEVA CONVENTIONS NOT ESTABLISHING
PRIVATE RIGHT OF ACTION.—No alien unprivileged
enemy belligerent subject to trial by military commission
under this chapter may invoke the Geneva Conventions as
a basis for a private right of action.

§ 948c. Persons subject to military commissions

“Any alien unprivileged enemy belligerent having en-
gaged in hostilities or having supported hostilities against
the United States is subject to trial by military commis-
sion as set forth in this chapter.

§ 948d. Jurisdiction of military commissions

“A military commission under this chapter shall have
jurisdiction to try persons subject to this chapter for any
offense made punishable by this chapter, sections 904 and
906 of this title (articles 104 and 106 of the Uniform Code
of Military Justice), or the law of war, and may, under
such limitations as the President may prescribe, adjudge
any punishment not forbidden by this chapter, including
the penalty of death when specifically authorized under
this chapter. A military commission is a competent tri-

bunal to make a finding sufficient for jurisdiction.

"SUBCHAPTER II—COMPOSITION OF MILITARY

“(2) The Chief Defense Counsel in a military commission under this chapter shall meet the requirements set forth in subsection (c)(1).

“(e) INELIGIBILITY OF CERTAIN INDIVIDUALS.—No person who has acted as an investigator, military judge, or member of a military commission under this chapter in any case may act later as trial counsel or military defense counsel in the same case. No person who has acted for the prosecution before a military commission under this chapter may act later in the same case for the defense, nor may any person who has acted for the defense before a military commission under this chapter act later in the same case for the prosecution.

“(c) Statements Obtained Through Cruel, Inhuman, or Degrading Treatment.—A statement in which the degree of coercion is disputed may be admissible in a trial by military commission under this chapter only if the military judge finds that—

6 trial, trial, and post-trial procedures, including elements
7 and modes of proof, for cases triable by military commis-
8 sion under this chapter may be prescribed by the Secretary
9 of Defense. Such procedures may not be contrary to or
10 inconsistent with this chapter. Except as otherwise pro-
11 vided in this chapter or chapter 47 of this title, the proce-
12 dures and rules of evidence applicable in trials by general
13 courts-martial of the United States shall apply in trials
14 by military commission under this chapter.
15 "(b) EXCEPTIONS.—(1) The Secretary of Defense, in
16 consultation with the Attorney General, may make such
17 exceptions in the applicability in trials by military commis-
18 sion under this chapter from the procedures and rules of
evidence otherwise applicable in general courts-martial as may be required by the unique circumstances of the conduct of military and intelligence operations during hostilities or by other practical need.

“(2) Notwithstanding any exceptions authorized by paragraph (1), the procedures and rules of evidence in trials by military commission under this chapter shall include, at a minimum, the following rights:

“(A) To present evidence in his defense, to cross-examine the witnesses who testify against him, and to examine and respond to all evidence admitted against him on the issue of guilt or innocence and for sentencing, as provided for by this chapter.

“(B) To be present at all sessions of the military commission (other than those for deliberations or voting), except when excluded under section 949d of this title.

“(C) To be represented before a military commission by civilian counsel if provided at no expense to the Government, and by either the defense counsel detailed or by military counsel of the accused’s own selection, if reasonably available.

“(E) To the suppression of evidence that is not reliable or probative.

“(F) To the suppression of evidence the probative value of which is substantially outweighed by—

“(i) the danger of unfair prejudice, confusion of the issues, or misleading the members; or

“(ii) considerations of undue delay, waste of time, or needless presentation of cumulative evidence.

“(3) In making exceptions in the applicability in trials by military commission under this chapter from the procedures and rules otherwise applicable in general courts-martial, the Secretary of Defense may provide the following:

“(A) Evidence seized outside the United States shall not be excluded from trial by military commission on the grounds that the evidence was not seized pursuant to a search warrant or authorization.

“(i) the military judge of the military commission determines that there is sufficient evidence that the evidence is what it is claimed to be; and

“(ii) the military judge instructs the members that they may consider any issue as to authentication or identification of evidence in determining the weight, if any, to be given to the evidence.

“(D) Hearsay evidence not otherwise admissible under the rules of evidence applicable in trial by general courts-martial may be admitted in a trial by military commission only if—

“(i) the proponent of the evidence makes known to the adverse party, sufficiently in advance to provide the adverse party with a fair opportunity to meet the evidence, the proponent’s intention to offer the evidence, and the particulars of the evidence (including information on the circumstances under which the evidence was obtained); and
“(ii) the military judge, after taking into account all of the circumstances surrounding the taking of the statement, the degree to which the statement is corroborated, and the indicia of reliability within the statement itself, determines that—

“(I) the statement is offered as evidence of a material fact;

“(II) either—

“(aa) direct testimony from the witness is not available as a practical matter, taking into consideration the physical location of the witness and the unique circumstances of the conduct of military and intelligence operations during hostilities; or

“(bb) the production of the witness would have an adverse impact on military or intelligence operations; and

“(III) the general purposes of the rules of evidence and the interests of justice will best be served by admission of the statement into evidence.

“(4)(A) The accused in a military commission under this chapter who exercises the right to self-representation
under paragraph (2)(D) shall conform his deportment and
the conduct of the defense to the rules of evidence, procedure, and decorum applicable to trials by military commission.

“(B) Failure of the accused to conform to the rules described in subparagraph (A) may result in a partial or total revocation by the military judge of the right of self-representation under paragraph (2)(D). In such case, the military counsel of the accused or an appropriately authorized civilian counsel shall perform the functions necessary for the defense.

“(c) Delegation of Authority to Prescribe Regulations.—The Secretary of Defense may delegate the authority of the Secretary to prescribe regulations under this chapter.

of a command in the substantive and procedural as-
pects of military commissions; or

“(B) statements and instructions given in open
proceedings by a military judge or counsel.

“(b) PROHIBITION ON CONSIDERATION OF ACTIONS
ON COMMISSION IN EVALUATION OF FITNESS.—In the
preparation of an effectiveness, fitness, or efficiency report
or any other report or document used in whole or in part
for the purpose of determining whether a commissioned
officer of the armed forces is qualified to be advanced in
grade, or in determining the assignment or transfer of any such officer or whether any such officer should be retained on active duty, no person may—

“(1) consider or evaluate the performance of duty of any member of a military commission under this chapter; or

“(2) give a less favorable rating or evaluation to any commissioned officer because of the zeal with which such officer, in acting as counsel, represented any accused before a military commission under this chapter.

§949c. Duties of trial counsel and defense counsel

“(a) Trial Counsel.—The trial counsel of a military commission under this chapter shall prosecute in the name of the United States.

“(b) Defense Counsel.—(1) The accused shall be represented in his defense before a military commission under this chapter as provided in this subsection.

“(2) The accused may be represented by military counsel detailed under section 948k of this title or by military counsel of the accused’s own selection, if reasonably available.

“(3) The accused may be represented by civilian counsel if retained by the accused, provided that such civilian counsel—
“(A) is a United States citizen;

“(B) is admitted to the practice of law in a State, district, or possession of the United States, or before a Federal court;

“(C) has not been the subject of any sanction of disciplinary action by any court, bar, or other competent governmental authority for relevant misconduct;

“(D) has been determined to be eligible for access to information classified at the level Secret or higher; and

“(E) has signed a written agreement to comply with all applicable regulations or instructions for counsel, including any rules of court for conduct during the proceedings.

“(4) If the accused is represented by civilian counsel, military counsel shall act as associate counsel.

“(5) The accused is not entitled to be represented by more than one military counsel. However, the person authorized under regulations prescribed under section 948k of this title to detail counsel, in such person’s sole discretion, may detail additional military counsel to represent the accused.
“(6) Defense counsel may cross-examine each witness for the prosecution who testifies before a military commission under this chapter.

“(7) Civilian defense counsel shall protect any classified information received during the course of representation of the accused in accordance with all applicable law governing the protection of classified information, and may not divulge such information to any person not authorized to receive it.

“§ 949d. Sessions

“(a) Sessions Without Presence of Members.—(1) At any time after the service of charges which have been referred for trial by military commission under this chapter, the military judge may call the military commission into session without the presence of the members for the purpose of—

“(A) hearing and determining motions raising defenses or objections which are capable of determination without trial of the issues raised by a plea of not guilty;

“(B) hearing and ruling upon any matter which may be ruled upon by the military judge under this chapter, whether or not the matter is appropriate for later consideration or decision by the members;
“(C) if permitted by regulations prescribed by the Secretary of Defense, receiving the pleas of the accused; and

“(D) performing any other procedural function which may be performed by the military judge under this chapter or under rules prescribed pursuant to section 949a of this title and which does not require the presence of the members.

“(2) Except as provided in subsections (b), (c), and (d), any proceedings under paragraph (1) shall be conducted in the presence of the accused, defense counsel, and trial counsel, and shall be made part of the record.

“(b) DELIBERATION OR VOTE OF MEMBERS.—When the members of a military commission under this chapter deliberate or vote, only the members may be present.

“(c) CLOSURE OF PROCEEDINGS.—(1) The military judge may close to the public all or part of the proceedings of a military commission under this chapter.

“(2) The military judge may close to the public all or a portion of the proceedings under paragraph (1) only upon making a specific finding that such closure is necessary to—

“(A) protect information the disclosure of which could reasonably be expected to cause damage to the
national security, including intelligence or law enforcement sources, methods, or activities; or

“(B) ensure the physical safety of individuals.

“(3) A finding under paragraph (2) may be based upon a presentation, including a presentation ex parte or in camera, by either trial counsel or defense counsel.

“(d) EXCLUSION OF ACCUSED FROM CERTAIN PROCEEDINGS.—The military judge may exclude the accused from any portion of a proceeding upon a determination that, after being warned by the military judge, the accused persists in conduct that justifies exclusion from the courtroom—

“(1) to ensure the physical safety of individuals;

or

“(2) to prevent disruption of the proceedings by the accused.

“§ 949e. Continuances

“The military judge in a military commission under this chapter may, for reasonable cause, grant a continuance to any party for such time, and as often, as may appear to be just.

“§ 949f. Challenges

“(a) CHALLENGES AUTHORIZED.—The military judge and members of a military commission under this chapter may be challenged by the accused or trial counsel
for cause stated to the military commission. The military judge shall determine the relevance and validity of challenges for cause, and may not receive a challenge to more than one person at a time. Challenges by trial counsel shall ordinarily be presented and decided before those by the accused are offered.

“(b) PEREMPTORY CHALLENGES.—The accused and trial counsel are each entitled to one peremptory challenge, but the military judge may not be challenged except for cause.

“(c) CHALLENGES AGAINST ADDITIONAL MEMBERS.—Whenever additional members are detailed to a military commission under this chapter, and after any challenges for cause against such additional members are presented and decided, the accused and trial counsel are each entitled to one peremptory challenge against members not previously subject to peremptory challenge.

“§ 949g. Oaths

“(a) IN GENERAL.—(1) Before performing their respective duties in a military commission under this chapter, military judges, members, trial counsel, defense counsel, reporters, and interpreters shall take an oath to perform their duties faithfully.

“(2) The form of the oath required by paragraph (1), the time and place of the taking thereof, the manner of
recording thereof, and whether the oath shall be taken for all cases in which duties are to be performed or for a particular case, shall be as provided in regulations prescribed by the Secretary of Defense. The regulations may provide that—

“(A) an oath to perform faithfully duties as a military judge, trial counsel, or defense counsel may be taken at any time by any judge advocate or other person certified to be qualified or competent for the duty; and

“(B) if such an oath is taken, such oath need not again be taken at the time the judge advocate or other person is detailed to that duty.

“(b) WITNESSES.—Each witness before a military commission under this chapter shall be examined on oath.

“(c) OATH DEFINED.—In this section, the term ‘oath’ includes an affirmation.

“§ 949h. Former jeopardy

“(a) IN GENERAL.—No person may, without his consent, be tried by a military commission under this chapter a second time for the same offense.

“(b) SCOPE OF TRIAL.—No proceeding in which the accused has been found guilty by military commission under this chapter upon any charge or specification is a trial in the sense of this section until the finding of guilty
has become final after review of the case has been fully completed.

§ 949i. Pleas of the accused

(a) Plea of Not Guilty.—If an accused in a military commission under this chapter after a plea of guilty sets up matter inconsistent with the plea, or if it appears that the accused has entered the plea of guilty through lack of understanding of its meaning and effect, or if the accused fails or refuses to plead, a plea of not guilty shall be entered in the record, and the military commission shall proceed as though the accused had pleaded not guilty.

(b) Finding of Guilt After Guilty Plea.—With respect to any charge or specification to which a plea of guilty has been made by the accused in a military commission under this chapter and accepted by the military judge, a finding of guilty of the charge or specification may be entered immediately without a vote. The finding shall constitute the finding of the military commission unless the plea of guilty is withdrawn prior to announcement of the sentence, in which event the proceedings shall continue as though the accused had pleaded not guilty.

§ 949j. Opportunity to obtain witnesses and other evidence

(a) In General.—(1) Defense counsel in a military commission under this chapter shall have a reasonable op-
portunity to obtain witnesses and other evidence as pro-
vided in regulations prescribed by the Secretary of De-
fense.

“(2) Process issued in military commissions under
this chapter to compel witnesses to appear and testify and
to compel the production of other evidence—

“(A) shall be similar to that which courts of the
United States having criminal jurisdiction may law-
fully issue; and

“(B) shall run to any place where the United
States shall have jurisdiction thereof.

“(b) Disclosure of Exculpatory Evidence.—
(1) As soon as practicable, trial counsel in a military com-
mission under this chapter shall disclose to the defense
the existence of any evidence that reasonably tends to—

“(A) negate the guilt of the accused of an of-
fense charged; or

“(B) reduce the degree of guilt of the accused
with respect to an offense charged.

“(2) The trial counsel shall, as soon as practicable,
disclose to the defense the existence of evidence that rea-
sonably tends to impeach the credibility of a witness whom
the government intends to call at trial.

“(3) The trial counsel shall, as soon as practicable
upon a finding of guilt, disclose to the defense the exist-
ence of evidence that is not subject to paragraph (1) or paragraph (2) but that reasonably may be viewed as mitigation evidence at sentencing.

“(4) The disclosure obligations under this subsection encompass evidence that is known or reasonably should be known to any government officials who participated in the investigation and prosecution of the case against the defendant.

“§ 949k. Defense of lack of mental responsibility

“(a) AFFIRMATIVE DEFENSE.—It is an affirmative defense in a trial by military commission under this chapter that, at the time of the commission of the acts constituting the offense, the accused, as a result of a severe mental disease or defect, was unable to appreciate the nature and quality or the wrongfulness of the acts. Mental disease or defect does not otherwise constitute a defense.

“(b) BURDEN OF PROOF.—The accused in a military commission under this chapter has the burden of proving the defense of lack of mental responsibility by clear and convincing evidence.

“(c) FINDINGS FOLLOWING ASSERTION OF DEFENSE.—Whenever lack of mental responsibility of the accused with respect to an offense is properly at issue in a military commission under this chapter, the military judge shall instruct the members as to the defense of lack
of mental responsibility under this section and shall charge the members to find the accused—

“(1) guilty;
“(2) not guilty; or
“(3) subject to subsection (d), not guilty by reason of lack of mental responsibility.

“(d) MAJORITY VOTE REQUIRED FOR FINDING.—The accused shall be found not guilty by reason of lack of mental responsibility under subsection (c)(3) only if a majority of the members present at the time the vote is taken determines that the defense of lack of mental responsibility has been established.

§ 949l. Voting and rulings

“(a) VOTE BY SECRET WRITTEN BALLOT.—Voting by members of a military commission under this chapter on the findings and on the sentence shall be by secret written ballot.

“(b) RULINGS.—(1) The military judge in a military commission under this chapter shall rule upon all questions of law, including the admissibility of evidence and all interlocutory questions arising during the proceedings.

“(2) Any ruling made by the military judge upon a question of law or an interlocutory question (other than the factual issue of mental responsibility of the accused) is conclusive and constitutes the ruling of the military
commission. However, a military judge may change his ruling at any time during the trial.

“(c) INSTRUCTIONS PRIOR TO VOTE.—Before a vote is taken of the findings of a military commission under this chapter, the military judge shall, in the presence of the accused and counsel, instruct the members as to the elements of the offense and charge the members—

“(1) that the accused must be presumed to be innocent until his guilt is established by legal and competent evidence beyond a reasonable doubt;

“(2) that in the case being considered, if there is a reasonable doubt as to the guilt of the accused, the doubt must be resolved in favor of the accused and he must be acquitted;

“(3) that, if there is reasonable doubt as to the degree of guilt, the finding must be in a lower degree as to which there is no reasonable doubt; and

“(4) that the burden of proof to establish the guilt of the accused beyond a reasonable doubt is upon the United States.

“§ 949m. Number of votes required

“(a) CONVICTION.—No person may be convicted by a military commission under this chapter of any offense, except as provided in section 949i(b) of this title or by
concurrence of two-thirds of the members present at the
time the vote is taken.

“(b) Sentences.—(1) Except as provided in para-
graphs (2) and (3), sentences shall be determined by a
military commission by the concurrence of two-thirds of
the members present at the time the vote is taken.

“(2) No person may be sentenced to death by a mili-
tary commission, except insofar as—

“(A) the penalty of death has been expressly
authorized under this chapter, chapter 47 of this
title, or the law of war for an offense of which the
accused has been found guilty;

“(B) trial counsel expressly sought the penalty
of death by filing an appropriate notice in advance
of trial;

“(C) the accused was convicted of the offense
by the concurrence of all the members present at the
time the vote is taken; and

“(D) all members present at the time the vote
was taken concurred in the sentence of death.

“(3) No person may be sentenced to life imprison-
ment, or to confinement for more than 10 years, by a mili-
tary commission under this chapter except by the concur-
rence of three-fourths of the members present at the time
the vote is taken.
“(c) Number of Members Required for Penalty of Death.—(1) Except as provided in paragraph (2), in a case in which the penalty of death is sought, the number of members of the military commission under this chapter shall be not less than 12 members.

“(2) In any case described in paragraph (1) in which 12 members are not reasonably available for a military commission because of physical conditions or military exigencies, the convening authority shall specify a lesser number of members for the military commission (but not fewer than 5 members), and the military commission may be assembled, and the trial held, with not less than the number of members so specified. In any such case, the convening authority shall make a detailed written statement, to be appended to the record, stating why a greater number of members were not reasonably available.

“§ 949n. Military commission to announce action

“A military commission under this chapter shall announce its findings and sentence to the parties as soon as determined.

“§ 949o. Record of trial

“(a) Record; Authentication.—Each military commission under this chapter shall keep a separate, verbatim, record of the proceedings in each case brought before it, and the record shall be authenticated by the signa-
ture of the military judge. If the record cannot be authen-
ticated by the military judge by reason of his death, dis-
ability, or absence, it shall be authenticated by the signa-
ture of the trial counsel or by a member if the trial counsel
is unable to authenticate it by reason of his death, dis-
ability, or absence. Where appropriate, and as provided
in regulations prescribed by the Secretary of Defense, the
record of a military commission under this chapter may
contain a classified annex.

“(b) COMPLETE RECORD REQUIRED.—A complete
record of the proceedings and testimony shall be prepared
in every military commission under this chapter.

“(c) PROVISION OF COPY TO ACCUSED.—A copy of
the record of the proceedings of the military commission
under this chapter shall be given the accused as soon as
it is authenticated. If the record contains classified infor-
mation, or a classified annex, the accused shall receive a
redacted version of the record consistent with the require-
ments of section 949d(c)(4) of this title. Defense counsel
shall have access to the unredacted record, as provided
in regulations prescribed by the Secretary of Defense.

“SUBCHAPTER V—CLASSIFIED INFORMATION
PROCEDURES

§ 949p–1. Protection of classified information: applicability of subchapter.
§ 949p–4. Discovery of, and access to, classified information by the accused.
§ 949p–1. Protection of classified information: applicability of subchapter

“(a) Protection of Classified Information.—
Classified information shall be protected and is privileged from disclosure if disclosure would be detrimental to the national security. Under no circumstances may a military judge order the release of classified information to any person not authorized to receive such information.

“(b) Access to Evidence.—Any information admitted into evidence pursuant to any rule, procedure, or order by the military judge shall be provided to the accused.

“(c) Declassification.—Trial counsel shall work with the original classification authorities for evidence that may be used at trial to ensure that such evidence is declassified to the maximum extent possible, consistent with the requirements of national security. A decision not to declassify evidence under this section shall not be subject to review by a military commission or upon appeal.

“(d) Construction of Provisions.—The judicial construction of the Classified Information Procedures Act (18 U.S.C. App.) shall be authoritative in the interpretation of this subchapter, except to the extent that such con-
struction is inconsistent with the specific requirements of this chapter.

§ 949p–2. Pretrial conference

(a) MOTION.—At any time after service of charges, any party may move for a pretrial conference to consider matters relating to classified information that may arise in connection with the prosecution.

(b) CONFERENCE.—Following a motion under subsection (a), or sua sponte, the military judge shall promptly hold a pretrial conference. Upon request by either party, the court shall hold such conference ex parte to the extent necessary to protect classified information from disclosure, in accordance with the practice of the Federal courts under the Classified Information Procedures Act (18 U.S.C. App.).

(c) MATTERS TO BE ESTABLISHED AT PRETRIAL CONFERENCE.—

(1) TIMING OF SUBSEQUENT ACTIONS.—At the pretrial conference, the military judge shall establish the timing of—

(A) requests for discovery;

(B) the provision of notice required by section 949p–5 of this title; and

(C) the initiation of the procedure established by section 949p–6 of this title.
“(2) Other Matters.—At the pretrial conference, the military judge may also consider any matter—

“(A) which relates to classified information; or

“(B) which may promote a fair and expeditious trial.

“(d) Effect of Admissions by Accused at Pretrial Conference.—No admission made by the accused or by any counsel for the accused at a pretrial conference under this section may be used against the accused unless the admission is in writing and is signed by the accused and by the counsel for the accused.

§ 949p–3. Protective orders

“Upon motion of the trial counsel, the military judge shall issue an order to protect against the disclosure of any classified information that has been disclosed by the United States to any accused in any military commission under this chapter or that has otherwise been provided to, or obtained by, any such accused in any such military commission.

§ 949p–4. Discovery of, and access to, classified information by the accused

“(a) Limitations on Discovery or Access by the Accused.—
“(1) Declarations by the United States of Damage to National Security.—In any case before a military commission in which the United States seeks to delete, withhold, or otherwise obtain other relief with respect to the discovery of or access to any classified information, the trial counsel shall submit a declaration invoking the United States’ classified information privilege and setting forth the damage to the national security that the discovery of or access to such information reasonably could be expected to cause. The declaration shall be signed by a knowledgeable United States official possessing authority to classify information.

“(2) Standard for Authorization of Discovery or Access.—Upon the submission of a declaration under paragraph (1), the military judge shall not authorize the discovery of or access to such classified information unless the military judge determines that such classified information would be nonecumulative, relevant, and helpful to a legally cognizable defense, rebuttal of the prosecution’s case, or to sentencing, in accordance with standards generally applicable to discovery of or access to classified information in Federal criminal cases. If the discovery of or access to such classified information
is authorized, it shall be addressed in accordance
with the requirements of subsection (b).

“(b) DISCOVERY OF CLASSIFIED INFORMATION.—

“(1) Substitutions and other relief.—

The military judge, in assessing the accused’s dis-
covery of or access to classified information under
this section, may authorize the United States—

“(A) to delete or withhold specified items
of classified information;

“(B) to substitute a summary for classified
information; or

“(C) to substitute a statement admitting
relevant facts that the classified information or
material would tend to prove.

“(2) Ex parte presentations.—The military
judge shall permit the trial counsel to make a re-
quest for an authorization under paragraph (1) in
the form of an ex parte presentation to the extent
necessary to protect classified information, in ac-
cordance with the practice of the Federal courts
under the Classified Information Procedures Act (18
U.S.C. App.). If the military judge enters an order
granting relief following such an ex parte showing,
the entire text of the written submission shall be
sealed and preserved in the records of the military
commission to be made available to the appellate
court in the event of an appeal.

“(3) Action by military judge.—The mili-
tary judge shall grant the request of the trial coun-
sel to substitute a summary or to substitute a state-
ment admitting relevant facts, or to provide other
relief in accordance with paragraph (1), if the mili-
tary judge finds that the summary, statement, or
other relief would provide the accused with substan-
tially the same ability to make a defense as would
discovery of or access to the specific classified infor-
mation.

“(c) Reconsideration.—An order of a military
judge authorizing a request of the trial counsel to sub-
stitute, summarize, withhold, or prevent access to classi-
fied information under this section is not subject to a mo-
tion for reconsideration by the accused, if such order was
entered pursuant to an ex parte showing under this sec-
tion.

“§ 949p–5. Notice by accused of intention to disclose
classified information

“(a) Notice by accused.—

“(1) Notification of trial counsel and
military judge.—If an accused reasonably expects
to disclose, or to cause the disclosure of, classified
information in any manner in connection with any
trial or pretrial proceeding involving the prosecution
of such accused, the accused shall, within the time
specified by the military judge or, where no time is
specified, within 30 days before trial, notify the trial
counsel and the military judge in writing. Such no-
tice shall include a brief description of the classified
information. Whenever the accused learns of addi-
tional classified information the accused reasonably
expects to disclose, or to cause the disclosure of, at
any such proceeding, the accused shall notify trial
counsel and the military judge in writing as soon as
possible thereafter and shall include a brief descrip-
tion of the classified information.

“(2) LIMITATION ON DISCLOSURE BY AC-
cUSED.—No accused shall disclose, or cause the dis-
closure of, any information known or believed to be
classified in connection with a trial or pretrial pro-
ceeding until—

“(A) notice has been given under para-
graph (1); and

“(B) the United States has been afforded
a reasonable opportunity to seek a determina-
tion pursuant to the procedure set forth in sec-
tion 949p–6 of this title and the time for the
United States to appeal such determination under section 950d of this title has expired or any appeal under that section by the United States is decided.

“(b) Failure To Comply.—If the accused fails to comply with the requirements of subsection (a), the military judge—

“(1) may preclude disclosure of any classified information not made the subject of notification; and

“(2) may prohibit the examination by the accused of any witness with respect to any such information.

§ 949p–6. Procedure for cases involving classified information

“(a) Motion for Hearing.—

“(1) Request for hearing.—Within the time specified by the military judge for the filing of a motion under this section, either party may request the military judge to conduct a hearing to make all determinations concerning the use, relevance, or admissibility of classified information that would otherwise be made during the trial or pretrial proceeding.

“(2) Conduct of hearing.—Upon a request by either party under paragraph (1), the military
judge shall conduct such a hearing and shall rule prior to conducting any further proceedings.

“(3) **In camera hearing upon declaration to court by appropriate official of risk of disclosure of classified information.**—Any hearing held pursuant to this subsection (or any portion of such hearing specified in the request of a knowledgeable United States official) shall be held in camera if a knowledgeable United States official possessing authority to classify information submits to the military judge a declaration that a public proceeding may result in the disclosure of classified information. Classified information is not subject to disclosure under this section unless the information is relevant and necessary to an element of the offense or a legally cognizable defense and is otherwise admissible in evidence.

“(4) **Military judge to make determinations in writing.**—As to each item of classified information, the military judge shall set forth in writing the basis for the determination.

“(b) **Notice and use of classified information by the Government.**—

“(1) **Notice to accused.**—Before any hearing is conducted pursuant to a request by the trial coun-
sel under subsection (a), trial counsel shall provide
the accused with notice of the classified information
that is at issue. Such notice shall identify the spe-
cific classified information at issue whenever that in-
formation previously has been made available to the
accused by the United States. When the United
States has not previously made the information
available to the accused in connection with the case
the information may be described by generic cat-
emy, in such forms as the military judge may ap-
prove, rather than by identification of the specific in-
formation of concern to the United States.

“(2) ORDER BY MILITARY JUDGE UPON RE-
QUEST OF ACCUSED.—Whenever the trial counsel re-
quests a hearing under subsection (a), the military
judge, upon request of the accused, may order the
trial counsel to provide the accused, prior to trial,
such details as to the portion of the charge or speci-
ification at issue in the hearing as are needed to give
the accused fair notice to prepare for the hearing.

“(c) SUBSTITUTIONS.—

“(1) IN CAMERA PRETRIAL HEARING.—Upon
request of the trial counsel pursuant to the Military
Commission Rules of Evidence, and in accordance
with the security procedures established by the mili-
tary judge, the military judge shall conduct a classi-
ified in camera pretrial hearing concerning the ad-
missibility of classified information.

“(2) Protection of sources, methods, and
activities by which evidence acquired.—The
military judge shall permit the trial counsel to intro-
duce otherwise admissible evidence, including a sub-
stituted evidentiary foundation pursuant to the pro-
cedures described in subsection (d), before a military
commission while protecting from disclosure the
sources, methods, or activities by which the United
States acquired the evidence if the military judge
finds that the sources, methods, or activities are
classified, the evidence is reliable, and the redaction
is consistent with affording the accused a fair trial.

“(d) Alternative procedure for disclosure
of classified information.—

“(1) Motion by the United States.—Upon
any determination by the military judge authorizing
the disclosure of specific classified information under
the procedures established by this section, the trial
counsel may move that, in lieu of the disclosure of
such specific classified information, the military
judge order—
“(A) the substitution for such classified information of a statement admitting relevant facts that the specific classified information would tend to prove;

“(B) the substitution for such classified information of a summary of the specific classified information; or

“(C) any other procedure or redaction limiting the disclosure of specific classified information.

“(2) ACTION ON MOTION.—The military judge shall grant such a motion of the trial counsel if the military judge finds that the statement, summary, or other procedure or redaction will provide the defendant with substantially the same ability to make his defense as would disclosure of the specific classified information.

“(3) HEARING ON MOTION.—The military judge shall hold a hearing on any motion under this subsection. Any such hearing shall be held in camera at the request of a knowledgeable United States official possessing authority to classify information.

“(4) SUBMISSION OF STATEMENT OF DAMAGE TO NATIONAL SECURITY IF DISCLOSURE ORDERED.—The trial counsel may, in connection with
a motion under paragraph (1), submit to the military judge a declaration signed by a knowledgeable United States official possessing authority to classify information certifying that disclosure of classified information would cause identifiable damage to the national security of the United States and explaining the basis for the classification of such information.

If so requested by the trial counsel, the military judge shall examine such declaration during an ex parte presentation.

“(e) Sealing of Records of In Camera Hearings.—If at the close of an in camera hearing under this section (or any portion of a hearing under this section that is held in camera), the military judge determines that the classified information at issue may not be disclosed or elicited at the trial or pretrial proceeding, the record of such in camera hearing shall be sealed and preserved for use in the event of an appeal. The accused may seek reconsideration of the military judge’s determination prior to or during trial.

“(f) Prohibition on Disclosure of Classified Information by the Accused; Relief for Accused When the United States Opposes Disclosure.—

“(1) Order to prevent disclosure by accused.—Whenever the military judge denies a mo-
tion by the trial counsel that the judge issue an order under subsection (a), (c), or (d) and the trial counsel files with the military judge a declaration signed by a knowledgeable United States official possessing authority to classify information objecting to disclosure of the classified information at issue, the military judge shall order that the accused not disclose or cause the disclosure of such information.

“(2) Result of Order under Paragraph (1).—Whenever an accused is prevented by an order under paragraph (1) from disclosing or causing the disclosure of classified information, the military judge shall dismiss the case; except that, when the military judge determines that the interests of justice would not be served by dismissal of the case, the military judge shall order such other action, in lieu of dismissing the charge or specification, as the military judge determines is appropriate. Such action may include, but need not be limited to, the following:

“(A) Dismissing specified charges or specifications.

“(B) Finding against the United States on any issue as to which the excluded classified information relates.
“(C) Striking or precluding all or part of
the testimony of a witness.

“(3) TIME FOR THE UNITED STATES TO SEEK
INTERLOCUTORY APPEAL.—An order under para-
graph (2) shall not take effect until the military
judge has afforded the United States—

“(A) an opportunity to appeal such order
under section 950d of this title; and

“(B) an opportunity thereafter to withdraw
its objection to the disclosure of the classified
information at issue.

“(g) RECIPROCITY.—

“(1) DISCLOSURE OF REBUTTAL INFORMA-
tion.—Whenever the military judge determines that
classified information may be disclosed in connection
with a trial or pretrial proceeding, the military judge
shall, unless the interests of fairness do not so re-
quire, order the United States to provide the ac-
cused with the information it expects to use to rebut
the classified information. The military judge may
place the United States under a continuing duty to
disclose such rebuttal information.

“(2) SANCTION FOR FAILURE TO COMPLY.—If
the United States fails to comply with its obligation
under this subsection, the military judge—
“(A) may exclude any evidence not made the subject of a required disclosure; and

“(B) may prohibit the examination by the United States of any witness with respect to such information.

§949p–7. Introduction of classified information into evidence

“(a) PRESERVATION OF CLASSIFICATION STATUS.—Writings, recordings, and photographs containing classified information may be admitted into evidence in proceedings of military commissions under this chapter without change in their classification status.

“(b) PRECAUTIONS BY MILITARY JUDGES.—

“(1) PRECAUTIONS IN ADMITTING CLASSIFIED INFORMATION INTO EVIDENCE.—The military judge in a trial by military commission, in order to prevent unnecessary disclosure of classified information, may order admission into evidence of only part of a writing, recording, or photograph, or may order admission into evidence of the whole writing, recording, or photograph with excision of some or all of the classified information contained therein, unless the whole ought in fairness be considered.

“(2) CLASSIFIED INFORMATION KEPT UNDER SEAL.—The military judge shall allow classified in-
formation offered or accepted into evidence to re-
main under seal during the trial, even if such evi-
dence is disclosed in the military commission, and
may, upon motion by the Government, seal exhibits
containing classified information for any period after
trial as necessary to prevent a disclosure of classified
information when a knowledgeable United States of-
official possessing authority to classify information
submits to the military judge a declaration setting
forth the damage to the national security that the
disclosure of such information reasonably could be
expected to cause.

“(c) TAKING OF TESTIMONY.—

“(1) OBJECTION BY TRIAL COUNSEL.—During
the examination of a witness, trial counsel may ob-
ject to any question or line of inquiry that may re-
quire the witness to disclose classified information
not previously found to be admissible.

“(2) ACTION BY MILITARY JUDGE.—Following
an objection under paragraph (1), the military judge
shall take such suitable action to determine whether
the response is admissible as will safeguard against
the compromise of any classified information. Such
action may include requiring trial counsel to provide
the military judge with a proffer of the witness’ re-

†S 1391 ES
response to the question or line of inquiry and requiring the accused to provide the military judge with a proffer of the nature of the information sought to be elicited by the accused. Upon request, the military judge may accept an ex parte proffer by trial counsel to the extent necessary to protect classified information from disclosure, in accordance with the practice of the Federal courts under the Classified Information Procedures Act (18 U.S.C. App.).

“(d) Disclosure at Trial of Certain Statements Previously Made by a Witness.—

“(1) Motion for production of statements in possession of the United States.— After a witness called by the trial counsel has testified on direct examination, the military judge, on motion of the accused, may order production of statements of the witness in the possession of the United States which relate to the subject matter as to which the witness has testified. This paragraph does not preclude discovery or assertion of a privilege otherwise authorized.

“(2) Invocation of privilege by the United States.—If the United States invokes a privilege, the trial counsel may provide the prior statements of the witness to the military judge dur-
ing an ex parte presentation to the extent necessary

In considering the record, it may weigh the evidence, judge the credibility of witnesses, and determine controverted questions of fact, recognizing that the trial court saw and heard the witnesses.

“(3) If the United States Court of Appeals for the Armed Forces sets aside the findings and sentence, it may, except where the setting aside is based on lack of sufficient evidence in the record to support the findings, order a rehearing. SEC. 1226. REPORT ON TAIWAN’S AIR FORCE.

(a) FINDINGS.—Congress makes the following find-
ings:

(1) According to the Department of Defense’s
(DoD) 2009 Annual Report on Military Power of
the People’s Republic of China, the military balance
in the Taiwan Strait has been shifting in China’s
favor since 2000, marked by the sustained deploy-
ment of advanced military equipment to the Chinese
military regions opposite Taiwan.

(2) Although the DoD’s 2002 Report concluded
that Taiwan “has enjoyed dominance of the airspace
over the Taiwan Strait for many years,” the DoD’s
2009 Report states this conclusion no longer holds
true.

(3) China has based 490 combat aircraft (330
fighters and 160 bombers) within unrefueled oper-
ations range of Taiwan, and has the airfield capac-
ity to expand that number by hundreds. In contrast,
Taiwan has 390 combat aircraft (all of which are
fighters).
(4) Also according to the DoD’s 2009 Report, China has continued its build-up of conventional ballistic missiles since 2000, “building a nascent capacity for conventional short-range ballistic missile (SRBM) strikes against Taiwan into what has become one of China’s primary instruments of coercion.” At this time, China has expanded its SRBM force opposite Taiwan to seven brigades with a total of 1,050 through 1,150 missiles, and is augmenting these forces with conventional medium-range ballistic missiles systems and at least 2 land attack cruise missile variants capable of ground or air launch. Advanced fighters and bombers, combined with enhanced training for nighttime and overwater flights, provide China’s People’s Liberation Army (PLA) with additional capabilities for regional strike or maritime interdiction operations.

(5) Furthermore, the Report maintains, “the security situation in the Taiwan Strait is largely a function of dynamic interactions among Mainland China, Taiwan, and the United States. The PLA has developed and deployed military capability to coerce Taiwan or attempt an invasion if necessary. PLA improvements pose new challenges to Taiwan’s secu-
PLA’s inability to project power across the 100 nautical-mile Taiwan Strait, natural geographic advantages of island defense, Taiwan’s armed forces’ technological superiority, and the possibility of U.S. intervention”.

(6) The Taiwan Relations Act of 1979 requires that, in furtherance of the principle of maintaining peace and stability in the Western Pacific region, the United States shall make available to Taiwan such defense articles and defense services in such quantity “as may be necessary to enable Taiwan to maintain a sufficient self-defense capability,” allowing that “the President and the Congress shall determine the nature and quantity of such defense articles and services based solely upon their judgment of the needs of Taiwan . . .”.

(b) Report to Congress on Taiwan’s Current Air Force and Future Self-Defense Requirements.—Not later than 90 days after the date of the enactment of this Act, the President shall submit to Congress a report, in both classified and unclassified form, containing the following:

(1) A thorough and complete assessment of the current state of Taiwan’s Air Force, including—

(A) the number and type of aircraft;
(B) the age of aircraft; and

(C) the capability of those aircraft.

(2) An assessment of the effectiveness of the aircraft in the face of a full-scale concerted missile and air campaign by China, in which China uses its most modern surface-to-air missiles currently deployed along its seacoast.

(3) An analysis of the specific weapons systems and platforms that Taiwan would need to provide for it’s self-defense and maintain control of its own air space.

(4) Options for the United States to assist Taiwan in achieving those capabilities.

(5) A 5-year plan for fulfilling the obligations of the United States under the Taiwan Relations Act to provide for Taiwan’s self-defense and aid Taiwan in maintaining control of its own air space.

Subtitle C—Other Matters

SEC. 1231. SENSE OF CONGRESS ON ESTABLISHMENT OF MEASURES OF PROGRESS TO EVALUATE UNITED STATES STRATEGIC OBJECTIVES IN AFGHANISTAN AND PAKISTAN.

(a) FINDINGS.—Congress makes the following findings:

(1) The President announced a new strategy for Afghanistan and Pakistan on March 27, 2009, that calls for a commitment of more resources and a significant increase in the number of United States Armed Forces deployed to the region.

(2) It is the obligation of the United States Government to the members of the Armed Forces, and to all Americans, that their sacrifices be met by a clear method for evaluating the progress toward
achieving the objectives in the new strategy of the Administration.

(3) The President stated, with reference to the strategy for Afghanistan and Pakistan, that “going forward, we will not blindly stay the course. Instead, we will set clear metrics to measure progress and hold ourselves accountable. We’ll consistently assess our efforts to train Afghan security forces and our progress in combating insurgents. We will measure the growth of Afghanistan’s economy, and its illicit narcotics production. And we will review whether we are using the right tools and tactics to make progress towards accomplishing our goals”.

(4) Since the announcement of the new strategy of the Administration on March 27, 2009, key leaders in the Administration, including in the Department of Defense and Department of State, have testified before Congress that progress measures were needed to evaluate performance toward achieving the strategic objectives of the United States in Afghanistan and Pakistan and that the Administration was undertaking the process of reviewing and developing measures of progress.

(5) Key leaders in the Administration further assured Congress that the Administration would not
only share the measures of progress with Congress, but would also invite review and comment by Congress on proposed measures of progress.

(6) The establishment of both clear objectives and a means to impartially measure success toward those objectives will expound to the American people what the United States and its partners intend to accomplish in and for Afghanistan and Pakistan.

(b) SENSE OF CONGRESS.—It is the sense of Congress that—

(1) the Administration should, through the coordination of the Departments of Defense and State, expeditiously submit to Congress a comprehensive list of measures of progress with regard to United States strategic objectives in Afghanistan and Pakistan;

(2) the comprehensive list under paragraph (1) should include newly-established measures of progress as well as such measures of progress previously established pursuant to section 1230(d) of the National Defense Authorization Act for Fiscal Year 2008 (Public Law 110–181; 122 Stat. 385) that continue to be relevant to the current United States strategy for Afghanistan and Pakistan;
(3) the Administration should incorporate the comprehensive list under paragraph (1) with each report submitted under sections 1230 and 1232 of the National Defense Authorization Act for Fiscal Year 2008 (122 Stat. 385, 392) and should review, and if necessary modify, the comprehensive list for each such report; and

(4) upon submittal to Congress of the reports required by sections 1230 and 1232 of the National Defense Authorization Act for Fiscal Year 2008, the Administration should provide an assessment of each measure of progress by—

(A) setting forth the measure of progress being evaluated;

(B) providing data used to evaluate the measure of progress;

(C) providing an evaluation of the performance of the particular measure of progress; and

(D) providing a comprehensive assessment of how the performance of the particular measure of progress hinders or enhances the overall performance toward achieving strategic objectives of the United States in Afghanistan and Pakistan.
SEC. 1232. SENSE OF THE SENATE ON IMPOSING SANCTIONS WITH RESPECT TO THE ISLAMIC REPUBLIC OF IRAN.

(a) FINDINGS.—The Senate makes the following findings:

(1) The illicit nuclear activities of the Government of the Islamic Republic of Iran, combined with its development of unconventional weapons and ballistic missiles and support for international terrorism, represent a grave threat to the security of the United States and United States allies in Europe, the Middle East, and around the world.

(2) The United States and other responsible countries have a vital interest in working together to prevent the Government of the Islamic Republic of Iran from acquiring a nuclear weapons capability.

(3) As President Barack Obama said, “Iran obtaining a nuclear weapon would not only be a threat to Israel and a threat to the United States, but would be profoundly destabilizing in the international community as a whole and could set off a nuclear arms race in the Middle East that would be extraordinarily dangerous for all concerned, including for Iran.”.

(4) The International Atomic Energy Agency has repeatedly called attention to the illicit nuclear
activities of the Islamic Republic of Iran, and, as a result, the United Nations Security Council has adopted a range of sanctions designed to encourage the Government of the Islamic Republic of Iran to cease those activities and comply with its obligations under the Treaty on Non-Proliferation of Nuclear Weapons, done at Washington, London, and Moscow July 1, 1968, and entered into force March 5, 1970 (commonly known as the “Nuclear Non-Proliferation Treaty”).

(5) The Department of the Treasury has imposed sanctions on several Iranian banks, including Bank Melli, Bank Saderat, Bank Sepah, and Bank Mellat, for their involvement in proliferation activities or support for terrorist groups.

(6) The Central Bank of Iran, the keystone of Iran’s financial system and its principal remaining lifeline to the international banking system, has engaged in deceptive financial practices and facilitated such practices among banks involved in proliferation activities or support for terrorist groups, including Bank Sepah and Bank Melli, in order to evade sanctions imposed by the United States and the United Nations.
(7) On April 8, 2009, the United States formally extended an offer to engage in direct diplomacy with the Government of the Islamic Republic of Iran through negotiations with the five permanent members of the United States Security Council and Germany (commonly referred to as the “P5-plus-1 process”), in the hope of resolving all outstanding disputes between the Islamic Republic of Iran and the United States.

(8) The Government of the Islamic Republic of Iran has yet to make a formal reply to the April 8, 2009, offer of direct diplomacy by the United States or to engage in direct diplomacy with the United States through the P5-plus-1 process.

(9) On July 8, 2009, President Nicolas Sarkozy of France warned that the Group of Eight major powers will give the Islamic Republic of Iran until September 2009 to accept negotiations with respect to its nuclear activities or face tougher sanctions.

(b) SENSE OF THE SENATE.—It is the sense of the Senate that—

(1) the Government of the Islamic Republic of Iran should—
(A) seize the historic offer put forward by President Barack Obama to engage in direct diplomacy with the United States;

(B) suspend all enrichment-related and reprocessing activities, including research and development, and work on all heavy-water related projects, including the construction of a research reactor moderated by heavy water, as demanded by multiple resolutions of the United Nations Security Council; and

(C) come into full compliance with the Nuclear Non-Proliferation Treaty, including the additional protocol to the Treaty; and

(2) the President should impose sanctions on the Central Bank of Iran and any other Iranian bank engaged in proliferation activities or support for terrorist groups, as well as any other sanctions the President determines appropriate, if—

(A) the Government of the Islamic Republic of Iran—

(i) has not accepted the offer by the United States to engage in direct diplomacy through the P5-plus-1 process before the Summit of the Group of 20 (G–20) in
Pittsburgh, Pennsylvania, in September 2009; or

(ii) has not suspended all enrichment-related and reprocessing activities and work on all heavy-water related projects within 60 days of the conclusion of that Summit; and

(B) the United Nations Security Council has failed to adopt significant and meaningful additional sanctions on the Government of the Islamic Republic of Iran.

SEC. 1233. SENSE OF THE SENATE ON ENFORCEMENT AND IMPOSITION OF SANCTIONS WITH RESPECT TO NORTH KOREA; REVIEW TO DETERMINE WHETHER NORTH KOREA SHOULD BE RE-LISTED AS A STATE SPONSOR OF TERRORISM.

(a) FINDINGS.—The Senate makes the following findings:

(2) On April 5, 2009, President Barack Obama issued a statement on North Korea, stating that
“Preventing the proliferation of weapons of mass de-
struction and their means of delivery is a high pri-
ority for my administration”, and adding, “North
Korea has ignored its international obligations, re-
jected unequivocal calls for restraint, and further
isolated itself from the community of nations”.

(3) On April 15, 2009, the Government of
North Korea announced it was expelling inter-
national inspectors from its Yongbyon nuclear facil-
ity and ending its participation in the Six Party
Talks for the Denuclearization of the Korean Penin-
sula.

(4) On May 25, 2009, the Government of North
Korea conducted a second nuclear test, in disregard
of United Nations Security Council Resolution 1718,
which was issued in 2006 following the first such
test and which demanded that North Korea not con-
duct any further nuclear tests or launches of a bal-
listic missile.

(5) The State Department’s 2008 Human
Rights Report on North Korea, issued on February
25, 2009, found that human rights conditions inside
North Korea remained poor, prison conditions are
harsh and life-threatening, and citizens were denied
basic freedoms such as freedom of speech, press, assembly, religion, and association.

(6) Pursuant to section 102(b)(2)(E) of the Arms Export Control Act (22 U.S.C. 279aa–1(b)(2)(E)), President George W. Bush, on February 7, 2007, notified Congress that the United States Government would oppose the extension of any loan or financial or technical assistance to North Korea by any international financial institution and the prohibition on support for the extension of such loans or assistance remains in effect.

(7) On June 12, 2009, the United Nations Security Council passed Resolution 1874, condemning North Korea’s nuclear test, imposing a sweeping embargo on all arms trade with North Korea, and requiring member states not to provide financial support or other financial services that could contribute to North Korea’s nuclear-related or missile-related activities or other activities related to weapons of mass destruction.

entities for their involvement in nuclear weapons and
ballistic missile development programs, marking the
first time the United Nations has imposed a travel
ban on North Koreans.

(9) On June 10, 2008, the Government of
North Korea issued a statement, subsequently con-
veyed directly to the United States Government, af-
firming that North Korea, “will firmly maintain its
consistent stand of opposing all forms of terrorism
and any support to it and will fulfill its responsi-
bility and duty in the struggle against terrorism.”.

(10) The June 10, 2008, statement by the Gov-
ernment of North Korea also pledged that North
Korea would take “active part in the international
efforts to prevent substance, equipment and tech-
nology to be used for the production of nukes and
biochemical and radioactive weapons from finding
their ways to the terrorists and the organizations
that support them”.

(11) On June 26, 2008, President George W.
Bush certified that—

(A) the Government of North Korea had
not provided any support for international ter-
rorism during the preceding 6-month period;
(B) the Government of North Korea had provided assurances that it will not support acts of international terrorism in the future.

(12) The President’s June 26 certification concluded, based on all available information, that there was “no credible evidence at this time of ongoing support by the DPRK for international terrorism” and that “there is no credible or sustained reporting at this time that supports allegations (including as cited in recent reports by the Congressional Research Service) that the DPRK has provided direct or witting support for Hezbollah, Tamil Tigers, or the Iranian Revolutionary Guard”.

(13) The State Department’s Country Reports on Terrorism 2008, in a section on North Korea, state, “The Democratic People’s Republic of Korea (DPRK) was not known to have sponsored any terrorist acts since the bombing of a Korean Airlines flight in 1987.”.

(14) The Country Reports on Terrorism 2008 also state, “A state that directs WMD resources to terrorists, or one from which enabling resources are clandestinely diverted, poses a grave WMD terrorism threat. Although terrorist organizations will continue to seek a WMD capability independent of state pro-
grams, the sophisticated WMD knowledge and re-
resources of a state could enable a terrorist capability.
State sponsors of terrorism and all nations that fail
to live up to their international counterterrorism and
nonproliferation obligations deserve greater scrutiny
as potential facilitators of WMD terrorism.”.

(15) On October 11, 2008, the Secretary of
State, pursuant to the President’s certification, re-
moved North Korea from its list of state sponsors of
terrorism, on which North Korea had been placed in

(b) REPORT ON CONDUCT OF NORTH KOREA.—Not
later than 30 days after the date of the enactment of this
Act, the President shall submit to Congress a detailed re-
port examining the conduct of the Government of North
Korea since June 26, 2008, based on all available informa-
tion, to determine whether North Korea meets the statu-
tory criteria for listing as a state sponsor of terrorism.
The report shall—

(1) present any credible evidence of support by
the Government of North Korea for acts of ter-
rorism, terrorists, or terrorist organizations;

(2) examine what steps the Government of
North Korea has taken to fulfill its June 10, 2008,
pledge to prevent weapons of mass destruction from
falling into the hands of terrorists; and

(3) assess the effectiveness of re-listing North
Korea as a state sponsor of terrorism as a tool to
accomplish the objectives of the United States with
respect to North Korea, including completely elimi-
nating North Korea’s nuclear weapons programs,
preventing North Korean proliferation of weapons of
mass destruction, and encouraging North Korea to
abide by international norms with respect to human
rights.

(c) SENSE OF THE SENATE.—It is the sense of the
Senate that—

(1) the United States should—

(A) vigorously enforce United Nations Se-
curity Council Resolutions 1718 (2006) and
1874 (2009) and other sanctions in place with
respect to North Korea under United States
law;

(B) urge all member states of the United
Nations to fully implement the sanctions im-
posed by United Nations Security Council Reso-
lutions 1718 and 1874; and

(C) explore the imposition of additional
unilateral and multilateral sanctions against
North Korea in furtherance of United States national security;

(2) the conduct of North Korea constitutes a threat to the northeast Asian region and to international peace and security;

(3) if the United States determines that the Government of North Korea has provided assistance to terrorists or engaged in state sponsored acts of terrorism, the Secretary of State should immediately list North Korea as a state sponsor of terrorism;

and

(4) if the United States determines that the Government of North Korea has failed to fulfill its June 10, 2008, pledges, the Secretary of State should immediately list North Korea as a state sponsor of terrorism.

(d) STATE SPONSOR OF TERRORISM DEFINED.—For purposes of this section, the term “state sponsor of terrorism” means a country that has repeatedly provided support for acts of international terrorism for purposes of—

(1) section 6(j) of the Export Administration Act of 1979 (50 U.S.C. App. 2405(j)) (as continued in effect pursuant to the International Emergency Economic Powers Act (50 U.S.C. 1701 et seq.));
(2) section 40 of the Arms Export Control Act
(22 U.S.C. 2780); or
(3) section 620A of the Foreign Assistance Act

SEC. 1235. SENSE OF CONGRESS ON CONTINUED SUPPORT
BY THE UNITED STATES FOR A STABLE AND
DEMOCRATIC REPUBLIC OF IRAQ.

(a) Findings.—Congress makes the following find-
ings:

(1) The men and women of the United States
Armed Forces who have served or are serving in the
Republic of Iraq have done so with the utmost braver-

ple of Iraq.

(2) The leadership of Generals David Petraeus
and Raymond Odierno, as the Commanders of the
Multi-National Force Iraq, as well as Ambassador
Ryan Crocker, was instrumental in bringing stability
and success to Iraq.
(3) The strategy known as the surge was a critical factor contributing to significant security gains and facilitated the economic, political, and social gains that have occurred in Iraq since 2007.

(4) The people of Iraq have begun to develop a stable government and stable society because of the security gains following the surge and the willingness of the people of Iraq to accept the ideals of a free and fair democratic society over the tyranny espoused by Al Qaeda and other terrorist organizations.

(5) The security gains in Iraq must be carefully maintained so that those fragile gains can be solidified and expanded upon, primarily by citizens of Iraq in service to their country, with the support of the United States as appropriate.

(2) A description of the practices in effect as of

(6) A discussion of the positive and negative effects of establishing general uniform procedures and guidelines for the provision of such assistance, based upon the goals of timely commencement of a program of monetary assistance, efficient and effective implementation of such program, and consistency in the amount of assistance in relation to the harm incurred...

(F) Whether a written record of the determination to provide or to not provide such assistance should be maintained and a copy made available to the civilian foreign national.

(G) Whether in the event of a determination to not provide such assistance the civilian foreign national should be afforded the option of a review of the determination by a higher ranking authority.
