3 search shows that the skill level required to enter  
4 college or a work-training program is the same.

5 (2) Implementing college- and career-ready  
6 State standards is a complex undertaking, requiring  
7 that teachers utilize a wide array of knowledge and  
8 skills.

9 (3) Peer learning among small groups of teach-  
10 ers is one of the most powerful predictors of im-  
11 proved student academic achievement. Students  
12 achieve more in mathematics and reading when they  
13 attend schools characterized by high levels of teacher  
14 collaboration for school improvement.

15 (4) Other nations that outperform the United  
16 States on international assessments invest more  
17 heavily in professional development for teachers and  
18 build time for ongoing, sustained collaboration and  
19 professional development into the school day and  
20 year. Teachers in the United States spend about 80  
21 percent of their working time engaged in classroom  
22 instruction compared to teachers in other countries  
23 where 60 percent of their time is spent in classroom  
24 instruction.

19           **PART I—COMMISSION ON RETIREMENT**

20           **SECURITY**

21           **SEC. 211. SHORT TITLE.**

22           This part may be cited as the “Retirement Security  
23 Act of 2012”.

24           **SEC. 212. FINDINGS.**

25           Congress makes the following findings:

1           (1) The United States is facing a retirement  
2 crisis. The difference between what people need for  
3 retirement and what they actually have is approxi-  
4 mately \$6,600,000,000,000.

5           (2) Social Security is the bedrock of retirement  
6 security, but Social Security must be supplemented  
7 by a strong and vibrant private retirement system.

8           (3) The private retirement system is not doing  
9 enough to help families prepare for retirement. Only  
10  $\frac{1}{2}$  of the workforce has access to an employer pro-  
11 vided retirement plan, and the number of workers  
12 covered by defined benefit pension plans has fallen  
13 from 50 percent to 20 percent in just 30 years. Con-  
14 sequently, retirement is getting less and less secure  
15 for middle class families.

16           (4) In order to address the retirement crisis,  
17 the United States needs a retirement system that  
18 embodies the following principles:

19                   (A) The private retirement system must be  
20 universal and automatic.

21                   (B) The private retirement system must  
22 provide people with income certainty.

23                   (C) The private retirement system must be  
24 one of shared responsibility.

1 (D) The private retirement system must be  
2 pooled and professionally managed.

3 **SEC. 213. COMMISSION ON RETIREMENT SECURITY.**

18 **SEC. 241. SHORT TITLE.**

19 This subtitle may be cited as the “Healthy Families  
20 Act”.

21 **SEC. 242. FINDINGS.**

22 Congress makes the following findings:

- 23 (1) Working Americans need time to meet their  
24 own health care needs and to care for family mem-  
25 bers, including their children, spouse, parents, and

1 parents-in-law, and other children and adults for  
2 whom they are caregivers.

3 (2) Health care needs include preventive health  
4 care, diagnostic procedures, medical treatment, and  
5 recovery in response to short- and long-term ill-  
6 nesses and injuries.

7 (3) Providing employees time off to meet health  
8 care needs ensures that they will be healthier in the  
9 long run. Preventive care helps avoid illnesses and  
10 injuries and routine medical care helps detect ill-  
11 nesses early and shorten their duration.

12 (4) When parents are available to care for their  
13 children who become sick, children recover faster,  
14 more serious illnesses are prevented, and children's  
15 overall mental and physical health improve. In a  
16 2009 study published in the American Journal of  
17 Public Health, 81 percent of parents of a child with  
18 special health care needs reported that taking leave  
19 from work to be with their child had a "good" or  
20 "very good" effect on their child's physical health.  
21 Similarly, 85 percent of parents of such a child  
22 found that taking such leave had a "good" or "very  
23 good" effect on their child's emotional health.

24 (5) When parents cannot afford to miss work  
25 and must send children with contagious illnesses to

1 child care centers or schools, infection can spread  
2 rapidly through child care centers and schools.

3 (6) Providing paid sick time improves public  
4 health by reducing infectious disease. Policies that  
5 make it easier for sick adults and children to be iso-  
6 lated at home reduce the spread of infectious dis-  
7 ease.

8 (7) Routine medical care reduces medical costs  
9 by detecting and treating illness and injury early,  
10 decreasing the need for emergency care. These sav-  
11 ings benefit public and private payers of health in-  
12 surance, including private businesses.

13 (8) The provision of individual and family sick  
14 time by large and small businesses, both here in the  
15 United States and elsewhere, demonstrates that pol-  
16 icy solutions are both feasible and affordable in a  
17 competitive economy. A 2009 study by the Center  
18 for Economic and Policy Research found that, of 22  
19 countries with comparable economies, the United  
20 States was 1 of only 3 countries that did not provide  
21 any paid time off for workers with short-term ill-  
22 nesses.

23 (9) Measures that ensure that employees are in  
24 good health and do not need to worry about unmet

1 family health problems help businesses by promoting  
2 productivity and reducing employee turnover.

3 (10) The American Productivity Audit com-  
4 pleted in 2003 found that lost productivity due to ill-  
5 ness costs \$226,000,000,000 annually, and that 71  
6 percent of that cost stems from presenteeism, the  
7 practice of employees coming to work despite illness.  
8 Studies in the Journal of Occupational and Environ-  
9 mental Medicine, the Employee Benefit News, and  
10 the Harvard Business Review show that  
11 presenteeism is a larger productivity drain than ei-  
12 ther absenteeism or short-term disability.

13 (11) The absence of paid sick time has forced  
14 Americans to make untenable choices between need-  
15 ed income and jobs on the one hand and caring for  
16 their own and their family's health on the other.

17 (12) Nearly 40 percent of the private-sector  
18 workforce (about 40,000,000 workers) lack paid sick  
19 time. Another 4,000,000 theoretically have access to  
20 sick time, but have not been on the job long enough  
21 to use it. Millions more lack sick time they can use  
22 to care for a sick child or ill family member.

23 (13) Workers' access to paid sick time varies  
24 dramatically by wage level. For private-sector work-  
25 ers in the lowest quartile of earners, 68 percent lack

1       paid sick time. For workers in the next 2 quartiles,  
2       34 and 25 percent, respectively, lack paid sick time.  
3       Even for workers in the highest income quartile, 16  
4       percent lack paid sick time. In addition, millions of  
5       workers cannot use paid sick time to care for ill  
6       family members.

7               (14) Due to the roles of men and women in so-  
8       ciety, the primary responsibility for family caregiving  
9       often falls on women, and such responsibility affects  
10      the working lives of women more than it affects the  
11      working lives of men.

12              (15) An increasing number of men are also tak-  
13      ing on caregiving obligations, and men who request  
14      paid time for caregiving purposes are often denied  
15      accommodation or penalized because of stereotypes  
16      that caregiving is only “women’s work”.

17              (16) Employers’ reliance on persistent stereo-  
18      types about the “proper” roles of both men and  
19      women in the workplace and in the home continues  
20      a cycle of discrimination and fosters stereotypical  
21      views about women’s commitment to work and their  
22      value as employees.

23              (17) Employment standards that apply to only  
24      one gender have serious potential for encouraging

1 employers to discriminate against employees and ap-  
2 plicants for employment who are of that gender.

3 (18) It is in the national interest to ensure that  
4 all Americans can care for their own health and the  
5 health of their families while prospering at work.

6 (19) Nearly 1 in 3 American women report  
7 physical or sexual abuse by a husband or boyfriend  
8 at some point in their lives. Domestic violence also  
9 affects men. Women account for about 85 percent of  
10 the victims of domestic violence and men account for  
11 approximately 15 percent of the victims. Therefore,  
12 women disproportionately need time off to care for  
13 their health or to find solutions, such as obtaining  
14 a restraining order or finding housing, to avoid or  
15 prevent physical or sexual abuse.

16 (20) One study showed that 85 percent of do-  
17 mestic violence victims at a women's shelter who  
18 were employed missed work because of abuse. The  
19 mean number of days of paid work lost by a rape  
20 victim is 8.1 days, by a victim of physical assault is  
21 7.2 days, and by a victim of stalking is 10.1 days.  
22 Nationwide, domestic violence victims lose almost  
23 8,000,000 days of paid work per year.

24 (21) Without paid sick days that can be used  
25 to address the effects of domestic violence, these vic-

1 tims are in grave danger of losing their jobs. One  
2 survey found that 96 percent of employed domestic  
3 violence victims experienced problems at work re-  
4 lated to the violence. The Government Accountability  
5 Office similarly found that 24 to 52 percent of vic-  
6 tims report losing a job due, at least in part, to do-  
7 mestic violence. The loss of employment can be par-  
8 ticularly devastating for victims of domestic violence,  
9 who often need economic security to ensure safety.

10 (22) The Centers for Disease Control and Pre-  
11 vention has estimated that domestic violence costs  
12 over \$700,000,000 annually due to the victims' lost  
13 productivity in employment.

14 (23) Efforts to assist abused employees result  
15 in positive outcomes for employers as well as em-  
16 ployees because employers can retain workers who  
17 might otherwise be compelled to leave.

18 **SEC. 243. PURPOSES.**

19 The purposes of this subtitle are—

20 (1) to ensure that all working Americans can  
21 address their own health needs and the health needs  
22 of their families by requiring employers to permit  
23 employees to earn up to 56 hours of paid sick time  
24 including paid time for family care;

1           (2) to diminish public and private health care  
2 costs by enabling workers to seek early and routine  
3 medical care for themselves and their family mem-  
4 bers;

5           (3) to assist employees who are, or whose fam-  
6 ily members are, victims of domestic violence, sexual  
7 assault, or stalking, by providing the employees with  
8 paid time away from work to allow the victims to re-  
9 ceive treatment and to take the necessary steps to  
10 ensure their protection;

11           (4) to accomplish the purposes described in  
12 paragraphs (1) through (3) in a manner that is fea-  
13 sible for employers; and

14           (5) consistent with the provision of the 14th  
15 Amendment to the Constitution relating to equal  
16 protection of the laws, and pursuant to Congress’  
17 power to enforce that provision under section 5 of  
18 that Amendment—

19           (A) to accomplish the purposes described  
20 in paragraphs (1) through (3) in a manner that  
21 minimizes the potential for employment dis-  
22 crimination on the basis of sex by ensuring gen-  
23 erally that paid sick time is available for eligible  
24 medical reasons on a gender-neutral basis; and

1 (B) to promote the goal of equal employ-  
2 ment opportunity for women and men.

10 **SEC. 245. PROVISION OF PAID SICK TIME.**

11 (a) ACCRUAL OF PAID SICK TIME.—

12 (1) IN GENERAL.—An employer shall permit  
13 each employee employed by the employer to earn not  
14 less than 1 hour of paid sick time for every 30 hours  
15 worked, to be used as described in subsection (b).  
16 An employer shall not be required to permit an em-  
17 ployee to earn, under this section, more than 56  
18 hours of paid sick time in a calendar year, unless  
19 the employer chooses to set a higher limit.

20 (2) EXEMPT EMPLOYEES.—

21 (A) IN GENERAL.—Except as provided in  
22 paragraph (3), for purposes of this section, an  
23 employee who is exempt from overtime require-  
24 ments under section 13(a)(1) of the Fair Labor  
25 Standards Act of 1938 (29 U.S.C. 213(a)(1))

1 shall be assumed to work 40 hours in each  
2 workweek.

3 (B) SHORTER NORMAL WORKWEEK.—If  
4 the normal workweek of such an employee is  
5 less than 40 hours, the employee shall earn  
6 paid sick time based upon that normal work-  
7 week.

8 (3) DATES OF ACCRUAL AND USE.—Employees  
9 shall begin to earn paid sick time under this section  
10 at the commencement of their employment. An em-  
11 ployee shall be entitled to use the earned paid sick  
12 time beginning on the 60th calendar day following  
13 commencement of the employee’s employment. After  
14 that 60th calendar day, the employee may use the  
15 paid sick time as the time is earned. An employer  
16 may, at the discretion of the employer, loan paid  
17 sick time to an employee in advance of the earning  
18 of such time under this section by such employee.

19 (4) CARRYOVER.—

20 (A) IN GENERAL.—Except as provided in  
21 subparagraph (B), paid sick time earned under  
22 this section shall carry over from 1 calendar  
23 year to the next.

24 (B) CONSTRUCTION.—This subtitle shall  
25 not be construed to require an employer to per-

1           mit an employee to accrue more than 56 hours  
2           of earned paid sick time at a given time.

3           (5) EMPLOYERS WITH EXISTING POLICIES.—

4           Any employer with a paid leave policy who makes  
5           available an amount of paid leave that is sufficient  
6           to meet the requirements of this section and that  
7           may be used for the same purposes and under the  
8           same conditions as the purposes and conditions out-  
9           lined in subsection (b) shall not be required to per-  
10          mit an employee to earn additional paid sick time  
11          under this section.

12          (6) CONSTRUCTION.—Nothing in this section  
13          shall be construed as requiring financial or other re-  
14          imbursement to an employee from an employer upon  
15          the employee's termination, resignation, retirement,  
16          or other separation from employment for earned  
17          paid sick time that has not been used.

18          (7) REINSTATEMENT.—If an employee is sepa-  
19          rated from employment with an employer and is re-  
20          hired, within 12 months after that separation, by the  
21          same employer, the employer shall reinstate the em-  
22          ployee's previously earned paid sick time. The em-  
23          ployee shall be entitled to use the earned paid sick  
24          time and earn additional paid sick time at the re-  
25          commencement of employment with the employer.

1           (8) PROHIBITION.—An employer may not re-  
2           quire, as a condition of providing paid sick time  
3           under this subtitle, that the employee involved  
4           search for or find a replacement worker to cover the  
5           hours during which the employee is using paid sick  
6           time.

7           (b) USES.—Paid sick time earned under this section  
8           may be used by an employee for any of the following:

10          mental illness, injury, or medical condition of the  
11          employee.

12          (2) An absence resulting from obtaining profes-  
13          sional medical diagnosis or care, or preventive med-  
14          ical care, for the employee.

15          (3) An absence for the purpose of caring for a  
16          child, a parent, a spouse, or any other individual re-  
17          lated by blood or affinity whose close association  
18          with the employee is the equivalent of a family rela-  
19          tionship, who—

20                 (A) has any of the conditions or needs for  
21                 diagnosis or care described in paragraph (1) or  
22                 (2); and

23                 (B) in the case of someone who is not a  
24                 child, is otherwise in need of care.

1           (4) An absence resulting from domestic vio-  
2           lence, sexual assault, or stalking, if the time is to—

3                   (A) seek medical attention for the em-  
4                   ployee or the employee’s child, parent, or  
5                   spouse, or an individual related to the employee  
6                   as described in paragraph (3), to recover from  
7                   physical or psychological injury or disability  
8                   caused by domestic violence, sexual assault, or  
9                   stalking;

10                   (B) obtain or assist a related person de-  
11                   scribed in paragraph (3) in obtaining services  
12                   from a victim services organization;

13                   (C) obtain or assist a related person de-  
14                   scribed in paragraph (3) in obtaining psycho-  
15                   logical or other counseling;

16                   (D) seek relocation; or

17                   (E) take legal action, including preparing  
18                   for or participating in any civil or criminal legal  
19                   proceeding related to or resulting from domestic  
20                   violence, sexual assault, or stalking.

21           (c) SCHEDULING.—An employee shall make a reason-  
22           able effort to schedule a period of paid sick time under  
23           this subtitle in a manner that does not unduly disrupt the  
24           operations of the employer.

25           (d) PROCEDURES.—

1           (1) IN GENERAL.—Paid sick time shall be pro-  
2           vided upon the oral or written request of an em-  
3           ployee. Such request shall—

4                   (A) include the expected duration of the  
5                   period of such time;

6                   (B) in a case in which the need for such  
7                   period of time is foreseeable at least 7 days in  
8                   advance of such period, be provided at least 7  
9                   days in advance of such period; and

10                  (C) otherwise, be provided as soon as prac-  
11                  ticable after the employee is aware of the need  
12                  for such period.

13           (2) CERTIFICATION IN GENERAL.—

14                   (A) PROVISION.—

2                   business.

3                   “(B) SPECIAL RULES FOR DETERMINING  
4                   IF PROPERTY NOT HELD IN CONNECTION WITH

9                   a trade or business under subparagraph  
10                  (A)(ii)—

11                   “(i) any election under subsection (e)

6 **SEC. 372. FINDINGS.**

7           Congress makes the following findings:

14          less volatile and more predictable, provided that par-  
15          ticipants are afforded additional protections should  
16          their pensions be terminated in bankruptcy.

17                   (3) It is further in the best interest of partici-  
18          pants for Congress to take future steps to both re-  
19          duce the volatility in pension funding requirements

## 6 **Subtitle I—Fair Playing Field**

### 7 **SEC. 381. SHORT TITLE; FINDINGS; PURPOSES.**

8 (a) **SHORT TITLE.**—This subtitle may be cited as the  
9 “Fair Playing Field Act of 2012”.

10 (b) **FINDINGS.**—Congress makes the following find-  
11 ings:

12 (1) In 1978, Congress was concerned that lack  
13 of clarity as to the proper classification of some  
14 workers, increased IRS enforcement activity, and  
15 retroactive application by IRS of interpretations that  
16 were arguably new had caused hardships for some  
17 small businesses and other taxpayers and confusion  
18 as to the applicable rules.

19 (2) To allow time to develop a comprehensive  
20 approach to the problem, Congress enacted section  
21 530 of the Revenue Act of 1978 as an interim meas-  
22 ure protecting taxpayers from liability for misclassi-  
23 fication if the taxpayer has a reasonable basis for  
24 classifying a worker as an independent contractor  
25 and meets certain other conditions. In addition, the

1 Act prohibited the Secretary of the Treasury from  
2 publishing regulations or revenue rulings on work-  
3 ers' employment tax status pending the expected  
4 near-term enactment of clarifying legislation.

5 (3) During the ensuing 33 years, Congress  
6 made section 530 of the Revenue Act of 1978 per-  
7 manent, however, changes in working relationships  
8 and the continued prohibition on new guidance have  
9 increased the uncertainty as to the proper classifica-  
10 tion of workers.

11 (4) Many workers are properly classified as  
12 independent contractors. In other instances, workers  
13 who are employees are being treated as independent  
14 contractors. Such misclassification for tax purposes  
15 contributes to inequities in the competitive positions  
16 of businesses and to the Federal and State tax gap,  
17 and may also result in misclassification for other  
18 purposes, such as denial of unemployment benefits,  
19 workplace health and safety protections, and retire-  
20 ment or other benefits or protections available to  
21 employees.

22 (5) Workers, businesses, and other taxpayers  
23 will benefit from clear guidance regarding employ-  
24 ment tax status. In the interest of fairness and in  
25 view of many service recipients' reliance on current

1 section 530, such guidance should apply only pro-  
2 spectively.

3 (c) PURPOSES.—The purposes of this subtitle are to  
4 permit the Secretary of the Treasury to provide guidance  
5 allowing workers and businesses to clearly understand the  
6 proper Federal tax classification of workers and to provide  
7 relief allowing an orderly transition to new rules designed  
8 to increase certainty and uniformity of treatment.

9 **SEC. 382. AUTHORITY TO ISSUE GUIDANCE CLARIFYING**  
10 **EMPLOYMENT STATUS FOR PURPOSES OF**  
11 **EMPLOYMENT TAXES.**

12 (a) IN GENERAL.—Chapter 25 of the Internal Rev-  
13 enue Code of 1986 is amended by adding at the end the  
14 following new section:

15 **“SEC. 3511. AUTHORITY TO ISSUE GUIDANCE CLARIFYING**  
16 **EMPLOYMENT STATUS.**

17 “(a) IN GENERAL.—The Secretary shall issue such  
18 regulations or other guidance as the Secretary determines  
19 to be necessary or appropriate to clarify the proper em-  
20 ployment status of individuals for purposes of any tax im-  
21 posed by this subtitle.

22 “(b) PROHIBITION ON RETROACTIVE ASSESS-  
23 MENTS.—

24 “(1) IN GENERAL.—If—

1           “(A) for purposes of any tax imposed by  
2           this subtitle, the taxpayer did not treat an indi-  
3           vidual as an employee for any period before the  
4           reclassification date with respect to such indi-  
5           vidual, and

6           “(B) in the case of periods after December  
7           31, 1978, and before such reclassification date,  
8           all Federal tax returns (including information  
9           returns) required to be filed by the taxpayer  
10          with respect to such individual for such period  
11          are filed on a basis consistent with the tax-  
12          payer’s treatment of such individual as not  
13          being an employee,

14          then, for purposes of applying such taxes for periods  
15          before such reclassification date with respect to the  
16          taxpayer, the individual shall be deemed not to be an  
17          employee unless the taxpayer had no reasonable  
18          basis for not treating such individual as an em-  
19          ployee.

20          “(2) STATUTORY STANDARDS PROVIDING ONE  
21          METHOD OF SATISFYING THE REQUIREMENTS OF  
22          PARAGRAPH (1).—For purposes of paragraph (1), a  
23          taxpayer shall in any case be treated as having a  
24          reasonable basis for not treating an individual as an  
25          employee for a period if the taxpayer’s treatment of

1 such individual for such period was in reasonable re-  
2 liance on any of the following:

3 “(A) Judicial precedent, published rulings,  
4 technical advice with respect to the taxpayer, or  
5 a letter ruling to the taxpayer.

6 “(B) A past Internal Revenue Service  
7 audit of the taxpayer in which there was no as-  
8 sessment attributable to the treatment (for pur-  
9 poses of any tax imposed by this subtitle) of the  
10 individuals holding positions substantially simi-  
11 lar to the position held by such individual.

12 “(C) Long-standing recognized practice of  
13 a significant segment of the industry in which  
14 such individual was engaged.

15 “(3) CONSISTENCY REQUIRED IN THE CASE OF  
16 PRIOR TAX TREATMENT.—Paragraph (1) shall not  
17 apply with respect to the treatment of any individual  
18 (hereafter in this paragraph referred to as the re-  
19 classified individual) for purposes of any tax im-  
20 posed by this subtitle for any period ending after  
21 December 31, 1978, if the taxpayer (or a prede-  
22 cessor) has treated any individual holding a substan-  
23 tially similar position as an employee for purposes of  
24 any tax imposed by this subtitle for any period be-  
25 ginning after December 31, 1977, and ending before

1 the reclassification date with respect to such reclass-  
2 sified individual.

3 “(c) DEFINITIONS.—For purposes of this section—

4 “(1) RECLASSIFICATION DATE.—

5 “(A) IN GENERAL.—The term ‘reclassifica-  
6 tion date’ means, with respect to any individual,  
7 the earlier of—

8 “(i) the first day of the first calendar  
9 quarter beginning more than 180 days  
10 after the date of an employee classification  
11 determination with respect to such indi-  
12 vidual, or

13 “(ii) the effective date of the first ap-  
14 plicable final regulation issued by the Sec-  
15 retary under subsection (a) with respect to  
16 such individual (or, if later, the first day of  
17 the first calendar quarter beginning more  
18 than 180 days after such regulation is  
19 issued).

20 “(B) EMPLOYEE CLASSIFICATION DETER-  
21 MINATION.—The term ‘employee classification  
22 determination’ means, with respect to any indi-  
23 vidual, a determination by the Secretary, in  
24 connection with an audit of the taxpayer which  
25 is described in section 7436 and which com-

1 mences after the date which is 1 year after the  
 2 date of the enactment of this section, that a  
 3 class of individuals holding positions with such  
 4 taxpayer which are substantially similar to the  
 5 position held by such individual are employees.

6 “(C) FIRST APPLICABLE FINAL REGULA-  
 7 TION.—The term ‘first applicable final regula-  
 8 tion’ means, with respect to any individual, the  
 9 first final regulation (or other guidance of gen-  
 10 eral applicability) which sets forth the factors  
 11 for determining the employment status of a  
 12 class of individuals holding positions substan-  
 13 tially similar to the position held by such indi-  
 14 vidual.

15 “(2) EMPLOYMENT STATUS.—The term ‘em-  
 16 ployment status’ means the status of an individual,  
 17 under the usual common law rules applicable in de-  
 18 termining the employer-employee relationship, as an  
 19 employee or as an independent contractor (or other  
 20 individual who is not an employee).

21 “(d) CONTINUATION OF CERTAIN SPECIAL RULES.—

22 “(1) EXCEPTION FOR CERTAIN SKILLED WORK-  
 23 ERS.—Subsection (b) shall not apply in the case of  
 24 an individual who, pursuant to an arrangement be-  
 25 tween the taxpayer and another person, provides

1 services for such other person as an engineer, de-  
2 signer, drafter, computer programmer, systems ana-  
3 lyst, or other similarly skilled worker engaged in a  
4 similar line of work.

5 “(2) NOTICE OF AVAILABILITY OF SECTION.—

6 An officer or employee of the Internal Revenue Serv-  
7 ice shall, before or at the commencement of any  
8 audit inquiry relating to the employment status of  
9 one or more individuals who perform services for the  
10 taxpayer, provide the taxpayer with a written notice  
11 of the provisions of this section.

12 “(3) RULES RELATING TO STATUTORY STAND-  
13 ARDS.—For purposes of subsection (b)(2)—

14 “(A) a taxpayer may not rely on an audit  
15 commenced after December 31, 1996, for pur-  
16 poses of subparagraph (B) thereof unless such  
17 audit included an examination for purposes of  
18 any tax imposed by this subtitle whether the in-  
19 dividual involved (or any individual holding a  
20 position substantially similar to the position  
21 held by the individual involved) should be treat-  
22 ed as an employee of the taxpayer,

23 “(B) in no event shall the significant seg-  
24 ment requirement of subparagraph (C) thereof  
25 be construed to require a reasonable showing of

1 the practice of more than 25 percent of the in-  
2 dustry (determined by not taking into account  
3 the taxpayer), and

4 “(C) in applying the long-standing recog-  
5 nized practice requirement of subparagraph (C)  
6 thereof—

7 “(i) such requirement shall not be  
8 construed as requiring the practice to have  
9 continued for more than 10 years, and

10 “(ii) a practice shall not fail to be  
11 treated as long-standing merely because  
12 such practice began after 1978.

13 “(4) AVAILABILITY OF SAFE HARBORS.—Noth-  
14 ing in this section shall be construed to provide that  
15 subsection (b) only applies where the individual in-  
16 volved is otherwise an employee of the taxpayer.

17 “(5) BURDEN OF PROOF.—

18 “(A) IN GENERAL.—If—

19 “(i) a taxpayer establishes a prima  
20 facie case that it was reasonable not to  
21 treat an individual as an employee for pur-  
22 poses of subsection (b), and

23 “(ii) the taxpayer has fully cooperated  
24 with reasonable requests from the Sec-  
25 retary,

1           then the burden of proof with respect to such  
2           treatment shall be on the Secretary.

3           “(B) EXCEPTION FOR OTHER REASONABLE  
4           BASIS.—In the case of any issue involving  
5           whether the taxpayer had a reasonable basis  
6           not to treat an individual as an employee for  
7           purposes of subsection (b), subparagraph (A)  
8           shall only apply for purposes of determining  
9           whether the taxpayer meets the requirements of  
10          subparagraph (A), (B), or (C) of subsection  
11          (b)(2).

12          “(6) PRESERVATION OF PRIOR PERIOD SAFE  
13          HARBOR.—If—

14                 “(A) an individual would (but for the  
15                 treatment referred to in subparagraph (B)) be  
16                 deemed not to be an employee of the taxpayer  
17                 under subsection (b) for any prior period, and

18                 “(B) such individual is treated by the tax-  
19                 payer as an employee for purposes of the taxes  
20                 imposed by this subtitle for any subsequent pe-  
21                 riod,

22          then, for purposes of applying such taxes for such  
23          prior period with respect to the taxpayer, the indi-  
24          vidual shall be deemed not to be an employee.

1           “(7) SUBSTANTIALLY SIMILAR POSITION.—For  
2 purposes of subsection (b) and this subsection, the  
3 determination as to whether an individual holds a  
4 position substantially similar to a position held by  
5 another individual shall include consideration of the  
6 relationship between the taxpayer and such individ-  
7 uals.

8           “(8) TREATMENT OF TEST ROOM SUPERVISORS  
9 AND PROCTORS WHO ASSIST IN THE ADMINISTRA-  
10 TION OF COLLEGE ENTRANCE AND PLACEMENT  
11 EXAMS.—

12           “(A) IN GENERAL.—In the case of an indi-  
13 vidual described in subparagraph (B) who is  
14 providing services as a test proctor or room su-  
15 pervisor by assisting in the administration of  
16 college entrance or placement examinations,  
17 subsection (b) shall be applied to such services  
18 performed after December 31, 2006 (and remu-  
19 neration paid for such services) without regard  
20 to paragraph (3) thereof.

21           “(B) APPLICABILITY.—An individual is de-  
22 scribed in this subparagraph if the individual—

23           “(i) is providing the services described  
24 in subsection (b) to an organization de-

1 scribed in section 501(c) and exempt from  
2 tax under section 501(a), and

3 “(ii) is not otherwise treated as an  
4 employee of such organization for purposes  
5 of this subtitle.

6 “(9) TREATMENT OF SECURITIES BROKER  
7 DEALERS.—In determining for purposes of this title  
8 whether a registered representative of a securities  
9 broker-dealer is an employee (as defined in section  
10 3121(d)), no weight shall be given to instructions  
11 from the service recipient which are imposed only in  
12 compliance with investor protection standards im-  
13 posed by the Federal Government, any State govern-  
14 ment, or a governing body pursuant to a delegation  
15 by a Federal or State agency.

19 for the services of an independent contractor on a  
20 regular and ongoing basis, within the scope of such  
21 person’s trade or business, shall provide a written  
22 statement to such independent contractor notifying  
23 such independent contractor of the Federal tax obli-  
24 gations of an independent contractor, the labor and  
25 employment law protections that do not apply to

1 independent contractors, and the right of such inde-  
2 pendent contractor to seek a status determination  
3 from the Internal Revenue Service.

4 “(2) INDEPENDENT CONTRACTOR.—For pur-  
5 poses of this subsection, the term ‘independent con-  
6 tractor’ means any individual who is not treated as  
7 an employee by the person receiving the services re-  
8 ferred to in paragraph (1).

9 “(3) TIMING OF STATEMENT.—Except as other-  
10 wise provided by the Secretary, the statement re-

12 a reasonable period of entering into the contract re-  
13 ferred to in paragraph (1).

6           3511(a) and the taxpayer lacks a reasonable basis  
7           for treating the individual as other than an em-  
8           ployee.

9           In the case of a taxpayer which has received a final written  
10          determination from the Internal Revenue Service holding  
11          that the individual referred to in paragraph (2) (or an-  
12          other individual who holds a position with the taxpayer  
13          substantially similar to the position held by such indi-  
14          vidual) is an employee, such taxpayer shall be treated for  
15          purposes of paragraph (2) as lacking a reasonable basis  
16          for treating such individual as other than an employee  
17          with respect to periods beginning on and after the first  
18          day of the first calendar quarter beginning more than 180  
19          days after the date of such written determination unless  
20          the taxpayer establishes by clear and convincing evidence  
21          that the taxpayer has a reasonable basis for such treat-  
22          ment.”.
