

114TH CONGRESS  
2D SESSION

# S. 2737

To improve medical device innovation.

---

IN THE SENATE OF THE UNITED STATES

MARCH 17, 2016

Ms. KLOBUCHAR (for herself and Mr. ROBERTS) introduced the following bill;  
which was read twice and referred to the Committee on Health, Edu-  
cation, Labor, and Pensions

---

## A BILL

To improve medical device innovation.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Improving Medical De-  
5       vice Innovation Act”.

6       **SEC. 2. RECOGNITION OF STANDARDS.**

7       (a) IN GENERAL.—Section 514(c) of the Federal  
8       Food, Drug, and Cosmetic Act (21 U.S.C. 360d(c)) is  
9       amended—

10               (1) in paragraph (1), by inserting after sub-  
11       paragraph (B) the following new subparagraphs:

1 “(C)(i) Any person may submit a request  
2 for recognition under subparagraph (A) of all  
3 or part of an appropriate standard established  
4 by a nationally or internationally recognized  
5 standard organization.

6 “(ii) Not later than 60 calendar days after  
7 the Secretary receives such a request, the Sec-  
8 retary shall—

9 “(I) make a determination to recog-  
10 nize all, part, or none of the standard that  
11 is the subject of the request; and

12 “(II) issue to the person who sub-  
13 mitted such request a response in writing  
14 that states the Secretary’s rationale for  
15 that determination, including the scientific,  
16 technical, regulatory, or other basis for  
17 such determination.

18 “(iii) The Secretary shall take such actions  
19 as may be necessary to implement all or part of  
20 a standard recognized under subclause (I) of  
21 clause (ii), in accordance with subparagraph  
22 (A).

23 “(D) The Secretary shall make publicly  
24 available, in such manner as the Secretary de-  
25 termines appropriate, the rationale for recogni-

1           tion of all, part, or none of a standard, includ-  
2           ing the scientific, technical, regulatory, or other  
3           basis for the decision regarding such recogni-  
4           tion.”; and

5           (2) by adding at the end the following:

6           “(4) TRAINING ON USE OF STANDARDS.—The  
7       Secretary shall provide to all employees of the Food  
8       and Drug Administration who review premarket sub-  
9       missions for devices periodic training on the concept  
10      and use of recognized standards for purposes of  
11      meeting a premarket submission requirement or  
12      other applicable requirement under this Act, includ-  
13      ing standards relevant to an employee’s area of de-  
14      vice review.”.

15      (b) GUIDANCE.—The Secretary of Health and  
16      Human Services, acting through the Commissioner of  
17      Food and Drugs, shall review and update, if necessary,  
18      previously published guidance and standard operating pro-  
19      cedures identifying the principles for recognizing stand-  
20      ards, and for withdrawing the recognition of standards,  
21      under section 514(c) of the Federal Food, Drug, and Cos-  
22      metic Act (21 U.S.C. 360d(c)), taking into account the  
23      experience with and reliance on a standard by foreign reg-  
24      ulatory authorities and the device industry, and whether

1 recognition of a standard will promote harmonization  
2 among regulatory authorities in the regulation of devices.

3 **SEC. 3. CERTAIN CLASS I AND CLASS II DEVICES.**

4 (a) CLASS I DEVICES.—Section 510(l) of the Federal  
5 Food, Drug, and Cosmetic Act (21 U.S.C. 360(l)) is  
6 amended—

7 (1) by striking “A report under subsection (k)”  
8 and inserting “(1) A report under subsection (k)”;  
9 and

10 (2) by adding at the end the following new  
11 paragraph:

12 “(2) Not later than 120 calendar days after the  
13 date of enactment of the Improving Medical Device  
14 Innovation Act and at least once every 5 years  
15 thereafter, as the Secretary determines appropriate,  
16 the Secretary shall identify, through publication in  
17 the Federal Register, any type of class I device that  
18 the Secretary determines no longer requires a report  
19 under subsection (k) to provide reasonable assurance  
20 of safety and effectiveness. Upon such publication—

21 “(A) each type of class I device so identi-  
22 fied shall be exempt from the requirement for  
23 a report under subsection (k); and

1 “(B) the classification regulation applica-  
2 ble to each such type of device shall be deemed  
3 amended to incorporate such exemption.”.

4 (b) CLASS II DEVICES.—Section 510(m) of the Fed-  
5 eral Food, Drug, and Cosmetic Act (21 U.S.C. 360(m))  
6 is amended—

7 (1) by striking paragraph (1) and inserting the  
8 following new paragraph:

9 “(1) The Secretary shall—

10 “(A) not later than 90 days after the date  
11 of enactment of the Improving Medical Device  
12 Innovation Act and at least once every 5 years  
13 thereafter, as the Secretary determines appro-  
14 priate—

15 “(i) publish in the Federal Register a  
16 notice that contains a list of each type of  
17 class II device that the Secretary deter-  
18 mines no longer requires a report under  
19 subsection (k) to provide reasonable assur-  
20 ance of safety and effectiveness; and

21 “(ii) provide for a period of not less  
22 than 60 calendar days for public comment  
23 beginning on the date of the publication of  
24 such notice; and

“(B) not later than 210 calendar days after the date of enactment of the Improving Medical Device Innovation Act, publish in the Federal Register a list representing the Secretary’s final determination with respect to the devices contained in the list published under subparagraph (A).”; and  
(2) in paragraph (2)—

(A) by striking “1 day after the date of publication of a list under this subsection,” and inserting “1 calendar day after the date of publication of the final list under paragraph (1)(B).”; and

(B) by striking “30-day period” and inserting “60-calendar-day period”; and

(C) by adding at the end the following new paragraph:

“(3) Upon the publication of the final list under paragraph (1)(B)—

“(A) each type of class II device so listed shall be exempt from the requirement for a report under subsection (k); and

“(B) the classification regulation applicable to each such type of device shall be deemed amended to incorporate such exemption.”.

1 **SEC. 4. CLASSIFICATION PANELS.**

2 (a) CLASSIFICATION PANELS.—Paragraph (5) of sec-  
3 tion 513(b) of the Federal Food, Drug, and Cosmetic Act  
4 (21 U.S.C. 360c(b)) is amended—

5 (1) by striking “(5)” and inserting “(5)(A)”;

6 and

7 (2) by adding at the end the following:

8 “(B) When a device is specifically the sub-  
9 ject of review by a classification panel, the Sec-  
10 retary shall—

11 “(i) ensure that adequate expertise is  
12 represented on the classification panel to  
13 assess—

14 “(I) the disease or condition  
15 which the device is intended to cure,  
16 treat, mitigate, prevent, or diagnose;  
17 and

18 “(II) the technology of the de-  
19 vice; and

20 “(ii) provide an opportunity for the  
21 person whose device is specifically the sub-  
22 ject of panel review to provide rec-  
23 ommendations on the expertise needed  
24 among the voting members of the panel.

25 “(C) For purposes of subparagraph (B)(i),  
26 the term ‘adequate expertise’ means that the

1 membership of the classification panel in-  
2 cludes—

3 “(i) two or more voting members, with  
4 a specialty or other expertise clinically rel-  
5 evant to the device under review; and

6 “(ii) at least one voting member who  
7 is knowledgeable about the technology of  
8 the device.

9 “(D) The Secretary shall provide an an-  
10 nual opportunity for patients, representatives of  
11 patients, and sponsors of medical device sub-  
12 missions to provide recommendations for indi-  
13 viduals with appropriate expertise to fill voting  
14 member positions on classification panels.”.

15 (b) PANEL REVIEW PROCESS.—Section 513(b)(6) of  
16 the Federal Food, Drug, and Cosmetic Act (21 U.S.C.  
17 360c(b)(6)) is amended—

18 (1) in subparagraph (A)(iii), by inserting before  
19 the period at the end “, including by designating a  
20 representative who will be provided a time during  
21 the panel meeting to address the panel individually  
22 (or accompanied by experts selected by such rep-  
23 resentative) for the purpose of correcting misstate-  
24 ments of fact or providing clarifying information,

1 subject to the discretion of the panel chairperson”;  
 2 and

3 (2) by striking subparagraph (B) and inserting  
 4 the following new subparagraph:

5 “(B)(i) Any meeting of a classification  
 6 panel with respect to the review of a device  
 7 shall—

8 “(I) provide adequate time for initial  
 9 presentations by the person whose device is  
 10 specifically the subject of such review and  
 11 by the Secretary; and

12 “(II) provide adequate time for and  
 13 encourage free and open participation by  
 14 all interested persons.

15 “(ii) Following the initial presentations de-  
 16 scribed in clause (i), the panel may—

17 “(I) pose questions to the designated  
 18 representative described in subparagraph  
 19 (A)(iii); and

20 “(II) consider the responses to such  
 21 questions in the panel’s review of the de-  
 22 vice.”.

23 **SEC. 5. POSTMARKET PILOT TO IMPROVE MEDICAL DEVICE**  
 24 **REPORTING.**

25 (a) PILOT PROJECTS.—

1           (1) IN GENERAL.—In order to improve the  
2           value and efficiency of reporting so as to advance  
3           the objectives of section 519(a) of the Federal Food,  
4           Drug, and Cosmetic Act (21 U.S.C. 360i(a)), within  
5           one year of the date of enactment of this Act, the  
6           Secretary of Health and Human Services shall es-  
7           tablish one or more pilot projects, in coordination  
8           with device manufacturers, to explore and evaluate  
9           the use of alternative methods of compliance with  
10          such subsection for manufacturers of devices de-  
11          scribed in section 513(a)(1)(C) of the Federal Food,  
12          Drug, and Cosmetic Act (21 U.S.C. 360c(a)(1)(C)).

13          (2) VOLUNTARY PARTICIPATION.—Participation  
14          in such pilot projects shall be voluntary for device  
15          manufacturers. The Secretary may establish the con-  
16          ditions for such voluntary participation and may es-  
17          tablish a process for authorizing participation.

18          (3) PURPOSES.—The pilot projects established  
19          under paragraph (1) shall be designed to—

20                (A) test methods of reporting for one or  
21                more device types, with priority given to devices  
22                for which device manufacturers submit a rel-  
23                atively high volume of reports under the regula-  
24                tions implementing section 519(a) of the Fed-

1           eral Food, Drug, and Cosmetic Act (21 U.S.C.  
2           360i(a));

3           (B) evaluate forms of data monitoring and  
4           reporting that improve the usability of report  
5           data by focusing on events and information that  
6           are most relevant to reasonably assuring the  
7           safety and effectiveness of the device;

8           (C) identify methods of reporting that will  
9           be least burdensome for device manufacturers;  
10          and

11          (D) evaluate methods that are alternative  
12          to, and do not duplicate, compliance with re-  
13          quirements of part 803 of title 21, Code of Fed-  
14          eral Regulations (or successor regulations).

15          (4) NOTIFICATION TO CONGRESS.—The Sec-  
16          retary of Health and Human Services shall notify  
17          the Committee on Health, Education, Labor, and  
18          Pensions of the Senate and the Committee on En-  
19          ergy and Commerce of the House of Representatives  
20          not later than 18 months after the date of enact-  
21          ment of this Act of the number of manufacturers  
22          that have agreed to participate in a pilot project  
23          under this subsection with the Secretary of Health  
24          and Human Services.

1           (5) RULE OF CONSTRUCTION.—Nothing in this  
2       subsection shall limit the authority of the Secretary  
3       of Health and Human Services to provide for alter-  
4       native methods of medical device reporting under  
5       part 803 of title 21, Code of Federal Regulations (or  
6       successor regulations), including such methods de-  
7       scribed in this subsection.

8           (6) COMPLIANCE WITH REQUIREMENTS FOR  
9       RECORDS OR REPORTS ON DEVICES.—

10           (A) IN GENERAL.—A device manufacturer  
11       that participates in a pilot project under this  
12       subsection shall be required to comply with all  
13       applicable provisions of section 519 of the Fed-  
14       eral Food, Drug, and Cosmetic Act (21 U.S.C.  
15       360i), and implementing regulations, except as  
16       described in subparagraph (B).

17           (B) CONDITIONAL EXEMPTION.—The Sec-  
18       retary may determine that, for a specified time  
19       period to be determined by the Secretary, a  
20       manufacturer participating in a pilot project  
21       under this subsection is exempt from certain  
22       provisions of section 519(a) of the Federal  
23       Food, Drug, and Cosmetic Act (21 U.S.C.  
24       360i(a)), and implementing regulations, if such

1 manufacturer complies with the conditions set  
2 forth in a pilot project under this subsection.

3 (b) GAO REVIEW.—

4 (1) REVIEW OF PILOT PROJECTS.—The Comp-  
5 troller General of the United States shall conduct a  
6 review of the pilot projects established under sub-  
7 section (a), and of the reporting system under part  
8 803 of title 21, Code of Federal Regulations (or suc-  
9 cessor regulations).

10 (2) REPORT.—Not later than January 31,  
11 2021, the Comptroller General of the United States  
12 shall submit to Congress a report containing the re-  
13 sults of the review described in paragraph (1). Such  
14 report shall analyze the value, efficiency, and effec-  
15 tiveness of reporting methods under subsections (a)  
16 and (b) of section 519 of Federal Food, Drug, and  
17 Cosmetic Act (21 U.S.C. 360i) and identify any rec-  
18 ommendations for statutory amendments that would  
19 enhance the objectives of section 519(a) of such Act.

○
