The nonpartisan United States Association of Former Members of Congress was founded in 1970 as a nonprofit, educational, research and social organization. It has been chartered by the United States Congress and has approximately 600 members who represented American citizens in both the U.S. Senate and the House of Representatives. The Association promotes improved public understanding of the role of Congress as a unique institution as well as the crucial importance of representative democracy as a system of government, both domestically and internationally.
