

and the following December 30 of the same calendar year shall be deemed to have been filed during that calendar year, regardless of what assessment year that work fulfilled under State law.

(c) Notice of intention to hold a mining claim, mill site, or tunnel site may be filed at the election of the owner, regardless of whether the assessment work has been suspended, deferred, or not yet accrued. However, the owner shall have filed with the Bureau of Land Management the same documents which have been or will be recorded with the local recordation office. There is no requirement to file a notice of intent to hold for a mill site or a tunnel site with the local recordation office. A notice of intention to hold a mining claim, mill site, or tunnel site shall be effective only to satisfy the filing requirement for the calendar year in which the notice is filed. The filing of a notice of intention to hold with the Bureau of Land Management shall not relieve the owner of complying with Federal and State laws pertaining to the performance of assessment work.

(d) The Act of August 10, 1993, does not affect the requirements to do assessment work in the assessment year beginning at 12 o'clock noon on September 1, 1999, or to make annual filings on or before December 30, 2000, pursuant to §§ 3833.2 and 3851.1.

(e) For mining claims and sites located on or after September 1, 1998, and on or before September 29, 1998, and for which the required \$100 maintenance fee was paid at the time of recording pursuant to § 314(b) of FLPMA and § 3833.1-2, payment of the maintenance fee holds the claims or sites through at least September 1, 1999.

§ 3833.2-4 Contents for evidence of assessment work.

Evidence of annual assessment work shall be in the form of either;

(a) An exact legible reproduction or duplicate, except microfilm of the evidence of assessment work which was performed under state law and was or will be filed for record pursuant to section 314(a) of the Act in the local juris-

dition of the state where the claim or group of claims is located and recorded setting forth the additional information:

(1) The Bureau of Land Management serial number assigned to each claim upon filing of the notice, certificate of location in the proper BLM office. Filing the serial number shall comply with the requirement in the act to file an additional description of the claim.

(2) Any change in the mailing address, if known, of the owner or owners of the claim or claims; or

(b) An exact legible reproduction or duplicate, except microfilm, of the detailed report concerning geological, geochemical and geophysical surveys provided for by the Act of September 2, 1958 (30 U.S.C. 28-1) which has been or will be filed for record pursuant to section 314(a)(1) of the Act in the local jurisdiction of the State where the claim or group of claims is located and recorded setting forth the following additional information:

(1) The Bureau of Land Management serial number assigned to each claim upon filing in the proper BLM office of a copy of the official record of the notice or certificate of location or patent application; and

(2) Any change in the mailing address, if known, of the owner or owners of the claim.

§ 3833.2-5 Contents for a notice of intention to hold claim or site.

(a) A notice of intention to hold a mining claim or group of mining claims may be filed at the election of the owner, regardless of whether the assessment has been suspended, deferred or not yet accrued. However, the claimant shall file with the Bureau of Land Management the same documents which have been or will be recorded with the county or local office of recordation. A notice of intention to hold a mining claim shall be effective only to satisfy the filing requirement for the year (as specified in § 3833.0-5 of this title), in which the notice is filed. The filing of a notice with the Bureau of Land Management shall not relieve

the owner of complying with Federal and state laws pertaining to the performance of annual assessment work.

(b) A notice of intention to hold a mining claim or group of mining claims shall be in the form of either:

(1) An exact legible reproduction or duplicate, except microfilm, of an instrument, signed by the owner of the claim or his/her agent, which was or will be filed for record pursuant to section 314(a)(1) of the Act in the local jurisdiction of the State where the claim is located and recorded setting forth the following information:

(i) The Bureau of Land Management serial number assigned to each claim upon filing in the proper BLM office of a copy of the notice or certificate of location. Citing the serial number shall comply with the requirement in the Act to file an additional description of the claim;

(ii) Any change in the mailing address, if known, of the owner or owners of the claim;

(2) A reference to the decision on file in the proper BLM office by date and serial number which granted a deferment of the annual assessment work.

(3) A reference to a pending petition for deferment of the annual assessment work required by 30 U.S.C. 28 by date of filing and serial number and with the proper BLM office.

(c) A notice of intention to hold a mill or tunnel site or group of mill or tunnel sites shall be in the form of a letter or other notice signed by the owner(s) of such sites or their agent(s) setting forth the following information:

(1) The Bureau of Land Management serial number assigned to each site upon filing in the proper BLM office of a copy of the official record of the notice or certification of location;

(2) Any change in the mailing address, if known, of the owner(s) of the site(s).

§ 3833.2-6 When evidence or notice is not required.

Evidence of annual assessment work performed to hold a mining claim or a notice of intention to hold a mill site need not be filed on unpatented mining claims or mill sites if mineral entry under a mineral patent application has been allowed. The owner of that mining claim or mill site is exempt from the filing requirements of § 3833.2 and the payment of maintenance fees under § 3833.1-5 as of the date mineral entry is allowed.

[59 FR 44862, Aug. 30, 1994]

§ 3833.3 Notice of transfer of interest.

(a) Whenever the owner of an unpatented mining claim, mill site or tunnel site, which has been recorded in accordance with § 3833.1, sells, assigns, or otherwise conveys all or any part of his interest in the claim, his transferee shall file in the proper BLM office within 60 days after the completion of the transfer the following information:

(1) The serial number assigned to the claim by the authorized officer upon filing of a copy of the official record of the notice or certificate of location in the proper BLM office: and

(2) The name and mailing address of the person(s) to whom an interest in the claim has been sold, assigned, or otherwise transferred.

(3) A copy of the legal instrument or document that operates under State law to transfer the interest in the claim being sold, assigned, or otherwise transferred.

(b) Whenever any person acquires an interest through inheritance in an unpatented mining claim, mill site, or tunnel site recorded in accordance with § 3833.1, he shall file in the proper BLM office within 60 days after completion of the transfer the information required by paragraph (a) of this section.

(c) The filing of a transfer of interest, when properly executed and recorded under State law, is placed on the BLM record when it is filed with the proper BLM office. The transfer will be
