

the event of a national security emergency, to avoid conflicting requirements between Federal, and State and local agencies.

(b) In response to requests for clearance by FEMA regional offices of designations of nonindustrial facilities by Federal departments and agencies, the appropriate State agency will review the request and provide an appropriate reply.

§336.9 Reporting.

The Director of FEMA may provide the President with periodic assessments of the Federal departments and agencies capability to respond to national security emergencies. Pursuant to section 201(15) of Executive Order 12656, departments and agencies, as appropriate, shall consult and coordinate with the Director of FEMA to ensure that their activities and plans are consistent with current National Security Council guidelines and policies. An evaluation of the programs of Federal departments and agencies to pre-designate nonindustrial facilities may be included in this report.
