Subpart PHS 301.1—Purpose, Authority, Issuance

PHS 301.101 Purpose.

(a) The Public Health Service Acquisition Regulation (PHSAR) is issued to establish uniform acquisition policies and procedures throughout PHS which are necessary to implement or supplement the Department of Health and Human Services Acquisition Regulation (HHSAR).

(b) PHS issuances do not reiterate material published in the HHSAR or the Federal Acquisition Regulation (FAR).

(c) The PHSAR implements and supplements the HHSAR. Implementing material expands upon or indicates the manner of compliance with the related HHSAR. Supplementing material is new material which has no counterpart in the HHSAR. The omission of sections or subsections in PHSAR means no further explanation or qualification

is necessary for implementation within PHS. Therefore, in order to obtain comprehensive coverage and assure consideration of all acquisition policies and procedures pertinent to PHS, the FAR, HHSAR, and PHSAR should be read.

PHS 301.102 Authority.

(a) The HHSAR authorizes supplementation or implementation of the FAR and HHSAR in accordance with prescribed procedures (see 301.301) in order to publish essential acquisition instructions, policies, and procedures that do not conflict with, supersede or duplicate that prescribed by the FAR and the HHSAR.

PHS 301.103 Applicability.

The FAR, HHSAR and PHSAR issuances apply to all acquisitions made by PHS procuring activities as defined in FAR 1.103.

PHS 301.104 Issuance.

PHS 301.104-1 Publication and code arrangement.

(a) The PHSAR is published in the same forms as indicated in FAR 1.104-1(a).

(b) PHS issuances will be published on yellow pages in looseleaf form for insertion into the HHSAR.

PHS 301.104-2 Arrangement of regulations.

(a) *General.* The PHSAR conforms to the FAR and HHSAR with respect to divisional arrangements; i.e., subchapters, parts, subparts, sections, subsections, and paragraphs.

(c) *References and citations.*

(2) This regulation shall be referred to as the Public Health Service Acquisition Regulation (PHSAR), Appendix A to the Department of Health and Human Services Acquisition Regulation. Any reference shall be cited as "PHS" followed by the appropriate number.

(3) Citations of authority shall be incorporated where necessary. All FAR reference numbers shall be preceded by "FAR." References to the HHSAR shall

When it is recognized that a deviation will be required prior to the issuance of a solicitation, the request for deviation must be processed and approved prior to release of the solicitation. (b) Each request for deviation shall provide sufficient information to permit PHS compliance with the HHSAR. Generally, such requests shall contain the following in addition to the information required by 301.470(b):

(1) The name of the contractor and contract number, or the name of the
