§ 1043.4 Property broker surety bond or trust fund.

(a) *Security.* A property broker must have a surety bond or trust fund in effect for \$10,000. The Commission will not issue a property broker license until a surety bond or trust fund for the full limits of liability prescribed herein is in effect. The broker license shall remain valid or effective only as long as a surety bond or trust fund remains in effect and shall ensure the financial responsibility of the broker.

(b) *Evidence of Security.* Evidence of a surety bond must be filed using the Commission's prescribed Form BMC 84. Evidence of a trust fund with a financial institution must be filed using the Commission's prescribed Form BMC 85. The surety bond or the trust fund shall ensure the financial responsibility of the broker by providing for payments to shippers or motor carriers if the broker fails to carry out its contracts, agreements, or arrangements for the supplying of transportation by authorized motor carriers.

(c) *Financial Institution*—when used in this section and in forms prescribed under this section, where not otherwise distinctly expressed or manifestly incompatible with the intent thereof, shall mean—Each agent, agency, branch or office within the United States of any person, as defined by the

Interstate Commerce Act, doing business in one or more of the capacities listed below:

(2) A commercial bank or trust company;

(4) An insured institution (as defined in section 401(a) of the National Housing Act (12 U.S.C. 1724(a));

(5) A thrift institution (savings bank, building and loan association, credit union, industrial bank or other);

(6) An insurance company;

(7) A loan or finance company; or

(8) A person subject to supervision by any state or federal bank supervisory authority.

(d) *Forms and Procedures*—(1) *Forms for broker surety bonds and trust agreements.* Form BMC-84 broker surety bond will be filed with the Commission for the full security limits under subsection (a); or Form BMC-85 broker trust fund agreement will be filed with the Commission for the full security limits under paragraph (a) of this section.

(2) *Broker surety bonds and trust fund agreements in effect continuously.* Surety bonds and trust fund agreements shall specify that coverage thereunder will remain in effect continuously until terminated as herein provided.

(i) *Cancellation notice.* The surety bond and the trust fund agreement may be cancelled as only upon 30 days' written notice to the Commission, on prescribed Form BMC 36, by the principal or surety for the surety bond, and on prescribed Form BMC 85, by the trustor/broker or trustee for the trust fund agreement. The notice period commences upon the actual receipt of the notice at the Commission's Washington, DC office.

(ii) *Termination by replacement.* Broker surety bonds or trust fund agreements which have been accepted by the Commission under these rules may be replaced by other surety bonds or trust fund agreements, and the liability of the retiring surety or trustee under such surety bond or trust fund agreements shall be considered as having terminated as of the effective date

of the replacement surety bond or trust fund agreement. However, such termination shall not affect the liability of the surety or the trustee hereunder for the payment of any damages arising as the result of contracts, agreements or arrangements made by the broker for the supplying of transportation prior to the date such termination becomes effective.

(3) *Filing and copies.* Broker surety bonds and trust fund agreements must be filed with the Commission in duplicate.

§ 1043.5 Qualifications as a self-insurer and other securities or agreements.

(a) *As a self-insurer.* The Commission will consider and will approve, subject to appropriate and reasonable conditions, the application of a motor carrier to qualify as a self-insurer, if the carrier furnishes a true and accurate statement of its financial condition and other evidence that establishes to the satisfaction of the Commission the ability of the motor carrier to satisfy its obligation for bodily injury liability, property damage liability, or cargo liability. Application Guidelines: In addition to filing Form B.M.C. 40, applicants for authority to self-insure against bodily injury and property damage claims should submit evidence that will allow the Commission to determine:

(1) The adequacy of the tangible net worth of the motor carrier in relation to the size of operations and the extent of its request for self-insurance authority. Applicant should demonstrate that it will maintain a net worth that will ensure that it will be able to meet its statutory obligations to the public to indemnify all claimants in the event of loss.

(2) *The existence of a sound self-insurance program.* Applicant should demonstrate that it has established, and will maintain, an insurance program that will protect the public against all claims to the same extent as the minimum security limits applicable to applicant under § 1043.2 of this part. Such a program may include, but not be limited to, one or more of the following: Irrevocable letters of credit; irrevocable trust funds; reserves; sinking

funds; third-party financial guarantees, parent company or affiliate sureties; excess insurance coverage; or other similar arrangements.

(3) *The existence of an adequate safety program.* Applicant must submit evidence of a current "satisfactory" safety rating by the United States Department of Transportation. Non-rated carriers need only certify that they have not been rated. Applications by carriers with a less than satisfactory rating will be summarily denied. Any self-insurance authority granted by the Commission will automatically expire 30 days after a carrier receives a less than satisfactory rating from DOT.

(4) *Additional information.* Applicant must submit such additional information to support its application as the Commission may require.

(b) *Other securities or agreements.* The Commission also will consider applications for approval of other securities or agreements and will approve any such application if satisfied that the security or agreement offered will afford the security for protection of the public contemplated by 49 U.S.C. 10927.

(a) *Public liability.* Each Form BMC 82 surety bond filed with the Commission must be for the full limits of liability required under § 1043.2(b)(1). Form MCS-82 surety bonds and other forms of similar import prescribed by the Department of Transportation, may be aggregated to comply with the minimum security limits required under § 1043.2(b)(1) or § 1043.2(b)(2). Each Form BMC 91 certificate of insurance filed with the Commission will always represent the full security minimum limits required for the particular carrier, while it remains in force, under § 1043.2(b)(1) or § 1043.2(b)(2), whichever is applicable. Any previously executed Form BMC 91 filed before the current revision which is left on file with the Commission after the effective date of this regulation, and not canceled within 30 days of that date will be deemed to certify the same coverage limits as would the filing of a revised Form BMC
