PART 711—MANAGEMENT OFFICIAL INTERLOCKS

Sec.

711.1 Authority, purpose, and scope.

711.2 Definitions.

711.3 Prohibitions.

711.4 Interlocking relationships permitted by statute.

711.5 Regulatory Standards exemption.

711.6 Management Consignment exemption.

711.7 Change in circumstances.

711.8 Enforcement.

AUTHORITY: 12 U.S.C. 1757 and 3201-3208.

SOURCE: 61 FR 50702, Sept. 27, 1996, unless otherwise noted.

§ 711.1 Authority, purpose, and scope.

(a) *Authority.* This part is issued under the provisions of the Depository Institution Management Interlocks Act (Interlocks Act) (12 U.S.C. 3201 *et seq.*)

(b) *Purpose.* The purpose of the Interlocks Act and this part is to foster competition by generally prohibiting a management official from serving two nonaffiliated depository organizations in situations where the management interlock likely would have an anti-competitive effect.

(c) *Scope.* This part applies to management officials of federally insured

credit unions. Section 711.4(c) exempts a management official of a credit union from the prohibitions of the Interlocks Act when the individual serves as a management official of another credit union. Therefore, the Interlocks Act prohibitions contained in this part only apply to a management official of a credit union when that individual also serves as a management official of another type of depository organization (usually a bank or thrift).

§ 711.2 Definitions.

For purposes of this part, the following definitions apply:

(a) *Affiliate*. (1) The term *affiliate* has the meaning given in section 202 of the Interlocks Act (12 U.S.C. 3201). For purposes of that section 202, shares held by an individual include shares held by members of his or her immediate family. “Immediate family” means spouse, mother, father, child, grandchild, sister, brother, or any of their spouses, whether or not any of their shares are held in trust.

(2) For purposes of section 202(3)(B) of the Interlocks Act (12 U.S.C. 3201(3)(B)), an affiliate relationship involving a depository institution based on common ownership does not exist if the appropriate federal supervisory agency determines, after giving the affected persons the opportunity to respond, that the asserted affiliation was established in order to avoid the prohibitions of the Interlocks Act and does not represent a true commonality of interest between the depository organizations. In making this determination, the appropriate Federal supervisory agency considers, among other things, whether a person, including members of his or her immediate family, whose shares are necessary to constitute the group owns a nominal percentage of the shares of one of the organizations and the percentage is substantially disproportionate to that person’s ownership of shares in the other organization.

(b) *Anticompetitive effect* means a monopoly or substantial lessening of competition.

(c) *Area median income* means:

(1) The median family income for the metropolitan statistical area (MSA), if

a depository organization is located in an MSA; or

(2) The statewide nonmetropolitan median family income, if a depository organization is located outside an MSA.

(d) *Community* means a city, town, or village, and contiguous or adjacent cities, towns, or villages.

(e) *Contiguous or adjacent cities, towns, or villages* means cities, towns, or villages whose borders touch each other or whose borders are within 10 road miles of each other at their closest points. The property line of an office located in an unincorporated city, town, or village is the boundary line of that city, town, or village for the purpose of this definition.

(f) *Critical* means important to restoring or maintaining a depository organization’s safe and sound operations.

(g) *Depository holding company* means a bank holding company or a savings and loan holding company (as more fully defined in section 202 of the Interlocks Act (12 U.S.C. 3201) having its principal office located in the United States.

(h) *Depository institution* means a commercial bank (including a private bank), a savings bank, a trust company, a savings and loan association, a building and loan association, a home-stead association, a cooperative bank, an industrial bank, or a credit union, chartered under the laws of the United States and having a principal office located in the United States. Additionally, a United States office, including a branch or agency, of a foreign commercial bank is a depository institution.

(i) *Depository institution affiliate* means a depository institution that is an affiliate of a depository organization.

(j) *Depository organization* means a depository institution or a depository holding company.

(k) *District bank* means any State bank operating under the Code of Law of the District of Columbia.

(l) *Low- and moderate-income areas* means census tracts (or, if an area is not in a census tract, block numbering areas delineated by the United States Bureau of the Census) where the median family income is less than 100 percent of the area median income.

National Credit Union Administration

§ 711.3

(m) *Management official.* (1) The term *management official* means:

- (i) A director;
- (ii) An advisory or honorary director of a depository institution with total assets of \$100 million or more;
- (iii) A senior executive officer as that term is defined in 12 CFR 701.14(b)(2), or a person holding an equivalent position regardless of title;
- (iv) A branch manager;
- (v) A trustee of a depository organization under the control of trustees; and
- (vi) Any person who has a representative or nominee serving in any of the capacities in this paragraph (m)(1).

(2) The term *management official* does not include:

- (i) A person whose management functions relate exclusively to the business of retail merchandising or manufacturing;
- (ii) A person whose management functions relate principally to the business outside the United States of a foreign commercial bank; or
- (iii) A person described in the provisions of section 202(4) of the Interlocks Act (12 U.S.C. 3201(4)) (referring to an officer of a State-chartered savings bank, cooperative bank, or trust company that neither makes real estate mortgage loans nor accepts savings).

(n) *Office* means a principal or branch office of a depository institution located in the United States. *Office* does not include a representative office of a foreign commercial bank, an electronic terminal, or a loan production office.

(o) *Person* means a natural person, corporation, or other business entity.

(p) *Relevant metropolitan statistical area (RMSA)* means an MSA, a primary MSA, or a consolidated MSA that is not comprised of designated primary MSAs to the extent that these terms are defined and applied by the Office of Management and Budget.

(q) *Representative or nominee* means a natural person who serves as a management official and has an obligation to act on behalf of another person with respect to management responsibilities. NCUA will find that a person has an obligation to act on behalf of another person only if the first person has an agreement, express or implied, to act on behalf of the second person with re-

spect to management responsibilities. NCUA will determine, after giving the affected persons an opportunity to respond, whether a person is a *representative or nominee*.

(r) *Total assets.* (1) The term *total assets* means assets measured on a consolidated basis and reported in the most recent fiscal year-end Consolidated Report of Condition and Income.

(2) The term *total assets* does not include:

(i) Assets of a diversified savings and loan holding company as defined by section 10(a)(1)(F) of the Home Owners' Loan Act (12 U.S.C. 1467a(a)(1)(F)) other than the assets of its depository institution affiliate;

(ii) Assets of a bank holding company that is exempt from the prohibitions of section 4 of the Bank Holding Company Act of 1956 pursuant to an order issued under section 4(d) of that Act (12 U.S.C. 1843(d)) other than the assets of its depository institution affiliate; or

(iii) Assets of offices of a foreign commercial bank other than the assets of its United States branch or agency.

(s) *United States* includes any State or territory of the United States of America, the District of Columbia, Puerto Rico, Guam, American Samoa, and the Virgin Islands.

§ 711.3 Prohibitions.

(a) *Community.* A management official of a depository organization may not serve at the same time as a management official of an unaffiliated depository organization if the depository organizations in question (or a depository institution affiliate thereof) have offices in the same community.

(b) *RMSA.* A management official of a depository organization may not serve at the same time as a management official of an unaffiliated depository organization if the depository organizations in question (or a depository institution affiliate thereof) have offices in the same RMSA and each depository organization has total assets of \$20 million or more.

(c) *Major assets.* A management official of a depository organization with total assets exceeding \$1 billion (or any affiliate thereof) may not serve at the same time as a management official of an unaffiliated depository organization

§ 711.4

with total assets exceeding \$500 million (or any affiliate thereof), regardless of the location of the two depository organizations.

§ 711.4 Interlocking relationships permitted by statute.

The prohibitions of § 711.3 do not apply in the case of any one or more of the following organizations or to a subsidiary thereof:

(a) A depository organization that has been placed formally in liquidation, or which is in the hands of a receiver, conservator, or other official exercising a similar function;

(b) A corporation operating under section 25 or section 25A of the Federal Reserve Act (12 U.S.C. 601 *et seq.* and 12 U.S.C. 611 *et seq.*, respectively) (Edge Corporations and Agreement Corporations);

(c) A credit union being served by a management official of another credit union;

(d) A depository organization that does not do business within the United States except as an incident to its activities outside the United States;

(e) A State-chartered savings and loan guaranty corporation;

(f) A Federal Home Loan Bank or any other bank organized solely to serve depository institutions (a bankers' bank) or solely for the purpose of providing securities clearing services and services related thereto for depository institutions and securities companies;

(g) A depository organization that is closed or is in danger of closing as determined by the appropriate Federal depository institutions regulatory agency and is acquired by another depository organization. This exemption lasts for five years, beginning on the date the depository organization is acquired; and

(h)(1) A diversified savings and loan holding company (as defined in section 10(a)(1)(F) of the Home Owners' Loan Act (12 U.S.C. 1467a(a)(1)(F)) with respect to the service of a director of such company who also is a director of an unaffiliated depository organization if:

(i) Both the diversified savings and loan holding company and the unaffiliated depository organization notify their appropriate Federal depository

12 CFR Ch. VII (1–1–97 Edition)

institutions regulatory agency at least 60 days before the dual service is proposed to begin; and

(ii) The appropriate regulatory agency does not disapprove the dual service before the end of the 60-day period.

(2) The NCUA Board or its designee may disapprove a notice of proposed service if it finds that:

(i) The service cannot be structured or limited so as to preclude an anti-competitive effect in financial services in any part of the United States;

(ii) The service would lead to substantial conflicts of interest or unsafe or unsound practices; or

(iii) The notificant failed to furnish all the information required by NCUA.

(3) The NCUA Board or its designee may require that any interlock permitted under this paragraph (h) be terminated if a change in circumstances occurs with respect to one of the interlocked depository organizations that would have provided a basis for disapproval of the interlock during the notice period.

§ 711.5 Regulatory Standards exemption.

(a) *Criteria.* NCUA may permit an interlock that otherwise would be prohibited by the Interlocks Act and § 711.3 if:

(1) The board of directors of the depository organization (or the organizers of a depository organization being formed) that seeks the exemption provides a resolution to NCUA certifying that the organization, after the exercise of reasonable efforts, is unable to locate any other candidate from the community or RMSA, as appropriate, who:

(i) Possesses the level of expertise required by the depository organization and who is not prohibited from service by the Interlocks Act; and

(ii) Is willing to serve as a management official; and

(2) NCUA, after reviewing an application submitted by the depository organization seeking the exemption, determines that:

(i) The management official is critical to the safe and sound operations of the affected depository organization; and

(ii) Service by the management official will not produce an anticompetitive effect with respect to the depository organization.

(b) *Presumptions.* NCUA applies the following presumptions when reviewing any application for a Regulatory Standards exemption. A proposed management official is critical to the safe and sound operations of a depository institution if:

(1) That official is approved by NCUA to serve as a director or senior executive officer of that institution pursuant to 12 CFR 701.14 or pursuant to conditions imposed on a newly chartered credit union; and

(2) The institution had operated for less than two years, was not in compliance with minimum capital requirements, or otherwise was in a “troubled condition” as defined in 12 CFR 701.14 at the time the service under 12 CFR 701.14 was approved.

(c) *Duration of interlock.* An interlock permitted under this section may continue until NCUA notifies the affected depository organizations otherwise. NCUA may require a credit union to terminate any interlock permitted under this section if NCUA concludes, after giving the affected persons the opportunity to respond, that the determinations under paragraph (a)(2) of this section no longer may be made. A management official may continue serving the depository organization involved in the interlock for a period of 15 months following the date of the order to terminate the interlock. NCUA may shorten this period under appropriate circumstances.

§ 711.6 Management Consignment exemption.

(a) *Criteria.* NCUA may permit an interlock that otherwise would be prohibited by the Interlocks Act and § 711.3 if NCUA, after reviewing an application submitted by the depository organization seeking an exemption, determines that the interlock would:

(1) Improve the provision of credit to low- and moderate-income areas;

(2) Increase the competitive position of a minority- or women-owned depository organization;

(3) Strengthen the management of a depository institution that has been

chartered for less than two years at the time an application is filed under this part; or

(4) Strengthen the management of a depository institution that is in an unsafe or unsound condition as determined by NCUA on a case-by-case basis.

(b) *Presumptions.* NCUA applies the following presumptions when reviewing any application for a Management Consignment exemption:

(1) A proposed management official is capable of strengthening the management of a depository institution described in paragraph (a)(3) of this section if that official is approved by NCUA to serve as a director or senior executive officer of that institution pursuant to 12 CFR 701.14 or pursuant to conditions imposed on a newly chartered credit union and the institution had operated for less than two years at the time the service under 12 CFR 701.14 was approved; and

(2) A proposed management official is capable of strengthening the management of a depository institution described in paragraph (a)(4) of this section if that official is approved by NCUA to serve as a director or senior executive officer of that institution pursuant to 12 CFR 701.14 and the institution was in a “troubled condition” as defined under 12 CFR 701.14 at the time service under that section was approved.

(c) *Duration of interlock.* An interlock granted under this section may continue for a period of two years from the date of approval. NCUA may extend this period for one additional two-year period if the depository organization applies for an extension at least 30 days before the current exemption expires and satisfies one of the criteria specified in paragraph (a) of this section. The provisions set forth in paragraph (b) of this section also apply to applications for extensions.

§ 711.7 Change in circumstances.

(a) *Termination.* A management official shall terminate his or her service or apply for an exemption to the Interlocks Act if a change in circumstances causes the service to become prohibited under that Act. A change in circumstances may include, but is not

limited to, an increase in asset size of an organization, a change in the delineation of the RMSA or community, the establishment of an office, an acquisition, a merger, a consolidation, or any reorganization of the ownership structure of a depository organization that causes a previously permissible interlock to become prohibited.

(b) *Transition period.* A management official described in paragraph (a) of this section may continue to serve the depository organization involved in the interlock for 15 months following the date of the change in circumstances. NCUA may shorten this period under appropriate circumstances.

§ 711.8 Enforcement.

Except as provided in this section, NCUA administers and enforces the Interlocks Act with respect to federally insured credit unions, and may refer any case of a prohibited interlocking relationship involving these entities to the Attorney General of the United States to enforce compliance with the Interlocks Act and this part.

Sec.

721.1 Authority.

721.2 Reimbursement.

§ 721.1 Authority.

A Federal credit union may make insurance and group purchasing plans involving outside vendors available to the membership (including endorsement), and may perform administrative functions on behalf of the vendors.

[47 FR 44243, Oct. 7, 1982]

§ 721.2 Reimbursement.

(a) For purposes of paragraph (b) of this section, the following definitions shall apply:

(1) *Dollar amount* shall mean \$4 per single payment policy, \$6 per combination policy, or \$4 per annum for any other type of policy; and

(2) *Cost amount* shall mean the total of the direct and indirect costs to the Federal credit union of any administra-

tive functions performed on behalf of the vendor. The Federal credit union must be able to justify this amount using standard accounting procedures.

(b) A Federal credit union may be reimbursed or compensated by a vendor for activities performed under § 721.1 as follows:

(1) Except as otherwise provided by applicable state insurance law, reimbursement or compensation is not limited with respect to insurance sales by the credit union or its employees which are directly related to an extension of credit by the credit union or directly related to the opening or maintenance of a share, share draft or share certificate account at the credit union;

(2) For insurance sales other than those described in paragraph (b)(1), a Federal credit union may receive an amount not exceeding the greater of the dollar amount or the cost amount;

(3) For group purchasing plans other than insurance, a Federal credit union may receive an amount not exceeding the cost amount.

(c) No director, committee member, or senior management employee of a Federal credit union or any immediate family member of any such individual may receive any compensation or benefit, directly or indirectly, in conjunction with any activity under this part. For purposes of this section, *immediate family member* means a spouse or other family member living in the same household; and *senior management employee* means the credit union's chief executive officer (typically this individual holds the title of President or Treasurer/Manager), any assistant chief executive officers (e.g., Assistant President, Vice President or Assistant Treasurer/Manager) and the chief financial officer (Comptroller).

(d) The prohibition contained in paragraph (c) of this section also applies to any employee not otherwise covered if the employee is directly involved in insurance or group purchasing activities unless the board of directors determines that the employee's involvement does not present a conflict of interest.

(e) All transactions with business associates or family members not specifically prohibited by paragraph (c) of this section must be conducted at
