

§ 21.18

surety or insurance concern unless such action is expressly required by statute or contract.

§ 21.18 Collection in installments.

(a) Whenever feasible, and unless otherwise provided by law, debts owed to the United States, together with interest, penalties, and administrative costs should be collected in one lump sum. This is true whether the debt is being collected by administrative offset or by another method, including voluntary payment. However, if the debtor is financially unable to pay the indebtedness in one lump sum, the responsible Departmental official(s) may accept repayment in regular installments (See § 21.6). Prior to approving such repayments, financial statements shall be required from the debtor who represents that he/she is unable to pay the debt in one lump sum. A responsible Departmental official who agrees to accept payment in regular installments should obtain a legally enforceable written agreement from the debtor which specifies all of the terms of the arrangement and which contains a provision accelerating the debt in the event the debtor defaults. The size and frequency of installment payments should bear a reasonable relationship to the size of the debt and the debtor's ability to pay. If possible, the installment payments should be sufficient in size and frequency to liquidate the Government's claim in not more than three years. Installment payments of less than \$50 per month should be accepted only if justifiable on the grounds of financial hardship or for some other reasonable cause. If the debt is an unsecured claim for administrative collection, attempts should be made to obtain an executed confess-judgment note, comparable to the Department of Justice Form USA-70a, from a debtor when the total amount of the deferred installments will exceed \$750. Such notes may be sought when an unsecured obligation of a lesser amount is involved. When attempting to obtain confess-judgment notes, Departmental units should provide their debtors with written explanation of the consequences of signing the note, and should maintain documentation sufficient to demonstrate that the debtor

15 CFR Subtitle A (1-1-97 Edition)

has signed the note knowingly and voluntarily. Security for deferred payments other than a confess-judgment note may be accepted in appropriate cases. A Departmental units head (or designee) may accept installment payments notwithstanding the refusal of a debtor to execute a confess-judgment note or to give other security.

(b) If the debtor owes more than one debt and designates how a voluntary installment payment is to be applied as among those debts, that designation must be followed. If the debtor does not designate the application of the payment, the Department debt collection official should apply payments to the various debts in accordance with the best interests of the United States, as determined by the facts and circumstances of the particular case, paying special attention to applicable statutes of limitations.

§ 21.19 Additional administrative collection action.

Nothing contained in this subpart is intended to preclude the utilization of any other administrative remedy which may be available.

(b) If the employee files his or her required submissions within 5 days after the deadline date established under §22.5 and the hearing official finds that the employee has shown good cause for failure to comply with the deadline date, the hearing official may find that an employee has not waived his or her right to a hearing.

(a)(1) An offset produces an extreme financial hardship for an employee if the offset prevents the employee from meeting the costs necessarily incurred for essential subsistence expenses of the employee and his or her spouse and dependents.

§ 22.10

(2) Ordinarily, essential subsistence expenses include only costs incurred for food, housing, clothing, transportation, and medical care.

(b) In determining whether an offset would prevent the employee from meeting the essential subsistence expenses described in paragraph (a) of this section, the hearing official shall require that the employee submit a detailed financial statement showing assets, liabilities, income and expenses.

§ 22.10 Review of Departmental records related to the debt.

(a) *Notification by employee.* An employee who intends to inspect or copy Departmental records related to the debt must make arrangements in conformance with the instructions in the Notice of Intent.

(b) *Secretary's response.* In response to a timely request submitted by the debtor, as described in paragraph (a) of this section, the Secretary will notify the employee of the location and time when the employee may inspect and copy Departmental records related to the debt.

§ 22.11 Coordinating offset with another Federal agency.

(a) *When Commerce is owed the debt.* When the Department is owed a debt by an employee of another agency, the Department will submit a written request to the paying agency to begin salary offset. This request will include certification as to the debt (including the amount and basis of the debt and the due date of the payment) and that the Department has complied with these regulations.

(b) *When another agency is owed the debt.* The Department will use salary offset against one of its employees who is indebted to another agency if requested to do so by that agency. Such a request must be accompanied by a certification by the requesting agency that the person owes the debt (including the amount) and that the procedural requirements of 5 U.S.C. 5514 and 5 CFR part 550, subpart K, have been met.

(c) Requests by another Federal Department or agency for Department cooperation in offsetting the salary of one of its employees must be directed

15 CFR Subtitle A (1-1-97 Edition)

to the Director for Personnel and Civil Rights, Room 5001, U.S. Department of Commerce, Herbert C. Hoover Building, 14th and Constitution Ave., NW., Washington, DC 20230.

§ 22.12 Procedures for salary offset—When deductions may begin.

(a) Deductions to liquidate an employee's debt will be by the method and in the amount stated in the Secretary's Notice of Intent to collect from the employee's current pay.

(b) If the employee filed a timely petition for hearing, deductions will begin after the hearing official has provided the employee with a hearing, and the final written decision is in favor of the Secretary.

(c) If an employee retires or resigns before collection of the amount of the indebtedness is completed, the remaining indebtedness will be collected according to the procedures for administrative offset (15 CFR 21).

§ 22.13 Procedures for salary offset—Types of collection.

A debt will be collected in a lump-sum or in installments. Collection will be by lump-sum collections unless the amount of the debt exceeds 15 percent of disposable pay. In these cases, deduction will be by installments.

§ 22.14 Procedures for salary offset—Methods of collection.

(a) *General.* A debt will be collected by deductions at officially established pay intervals from an employee's current pay account, unless the employee and the Secretary agree to alternative arrangements for repayment.

(b) *Installment deductions.* Installment deductions will be made over a period not greater than the anticipated period of employment. The size and frequency of installment deductions will bear a reasonable relation to the size of the debt and the employee's ability to pay. However, the amount deducted for any period will not exceed 15 percent of the disposable pay from which the deduction is made; unless the employee has agreed in writing to the deduction of a greater amount. If possible, the installment payment will be sufficient in size and frequency to liquidate the debt in three years. Installment payments of

less than \$25 per pay period or \$50 a month will be accepted only in the most unusual circumstances.

(c) *Sources of deductions.* The Department will make deductions from the employee's pay.

§22.15 Procedures for salary offset—Imposition of interest, penalties, and administrative costs.

These charges will be made on installment payments in accordance with the Office of Personnel Management regulations (5 CFR 550.1104(n)) and the requirements contained in the FCCS (4 CFR 102.13).

§22.16 Non-waiver of rights.

So long as there are no statutory or contractual provisions to the contrary, no employee involuntary payment (of all or a portion of a debt) collected under these regulations will be interpreted as a waiver of any rights that the employee may have under 5 U.S.C. 5514, these implementing regulations, or any other provision of contract or law.

§22.17 Refunds.

The Department will refund promptly to the appropriate individual amounts offset under these regulations when:

(a) A debt is waived or otherwise found not owing the United States (unless expressly prohibited by statute or regulation); or

(b) The Department is directed by an administrative or judicial order to refund amounts deducted from the employee's current pay.
