

the applicable form; cross-reference sheet; a prospectus containing the information called for by such form; the information, list of exhibits, undertakings and signatures required to be set forth in such form; financial statements and schedules; exhibits; and other information or documents filed as part of the registration statement; and all documents or information incorporated by reference in the foregoing (whether or not required to be filed).

(b) All general instructions, instructions to items of the form, and instructions as to financial statements, exhibits, or prospectuses are to be omitted from the registration statement in all cases.

(c) In the case of a registration statement filed on Form N-1A, Form N-2, Form N-3, or Form N-4, Parts A and B shall contain the information called for by each of the items of the applicable Part, except that unless otherwise specified, no reference need be made to inapplicable items, and negative answers to any item may be omitted. Copies of Parts A and B may be filed as part of the registration statement in lieu of furnishing the information in item-and-answer form. Wherever such copies are filed in lieu of information in item-and-answer form, the text of the items of the form is to be omitted from the registration statement, as well as from Parts A and B, except to the extent provided in paragraph (d) of the section.

(d) In the case of a registration statement filed on Form N-1A, Form N-2, Form N-3, or Form N-4, where any item of those forms calls for information not required to be included in Parts A and B (generally Part C of such form), the text of such items, including the numbers and captions thereof, together with the answers thereto, shall be filed with Parts A or B under cover of the facing sheet of the form as part of the registration statement. However, the text of such items may be omitted, provided the answers are so prepared as to indicate the coverage of the item without the necessity of reference to the text of the item. If any such item is inapplicable, or the answer thereto is in the negative, a statement to that effect shall be made. Any

financial statements not required to be included in Parts A and B shall also be filed as part of the registration statement proper, unless incorporated by reference pursuant to §230.411.

(e) *Electronic Filings.* (1) When ascertaining the date of filing, electronic filers should not presume a registration statement has been accepted until notice of acceptance has been received from the Commission.

(2) Attention is directed to the requirements of the relevant registration statement form and rule 483 under the Securities Act of 1933 (§230.483 of this chapter) concerning certain items of financial information (the Financial Data Schedule) that may be required.

REGULATION D—RULES GOVERNING THE LIMITED OFFER AND SALE OF SECURITIES WITHOUT REGISTRATION UNDER THE SECURITIES ACT OF 1933

AUTHORITY: Sections 230.501 to 230.506 issued under secs. 3(b), 4(2), 19(a), 19(c), 48 Stat. 75, 77, 85; sec. 209, 48 Stat. 908; c.122, 59 Stat. 167; sec. 12, 78 Stat. 580; 84 Stat. 1480; sec. 308(a)(2), 90 Stat. 57; sec. 18, 92 Stat. 275; sec. 2, 92 Stat. 962; secs. 505, 622, 701, 94 Stat. 2291, 2292, 2294 15 U.S.C. 77c(b), 77d(2), 77s(a), 77s(c).

SOURCE: Sections 230.501 to 230.506 appear at 47 FR 11262, Mar. 16, 1982, unless otherwise noted.

PRELIMINARY NOTES

1. The following rules relate to transactions exempted from the registration requirements of section 5 of the Securities Act of 1933 (the *Act*) (15 U.S.C. 77a *et seq.*, as amended). Such transactions are not exempt from the antifraud, civil liability, or other provisions of the federal securities laws. Issuers are reminded of their obligation to provide such further material information, if any, as may be necessary to make the information required under this regulation, in

light of the circumstances under which it is furnished, not misleading.

2. Nothing in these rules obviates the need to comply with any applicable state law relating to the offer and sale of securities. Regulation D is intended to be a basic element in a uniform system of Federal-State limited offering exemptions consistent with the provisions of sections 18 and 19(c) of the Act. In those states that have adopted Regulation D, or any version of Regulation D, special attention should be directed to the applicable state laws and regulations, including those relating to registration of person who receive remuneration in connection with the offer and sale of securities, to disqualification of issuers and other persons associated with offerings based on state administrative orders or judgments, and to requirements for filings of notices of sales.

3. Attempted compliance with any rule in Regulation D does not act as an exclusive election; the issuer can also claim the availability of any other applicable exemption. For instance, an issuer's failure to satisfy all the terms and conditions of Rule 506 shall not raise any presumption that the exemption provided by section 4(2) of the Act is not available.

4. These rules are available only to the issuer of the securities and not to any affiliate of that issuer or to any other person for resales of the issuer's securities. The rules provide an exemption only for the transactions in which the securities are offered or sold by the issuer, not for the securities themselves.

5. These rules may be used for business combinations that involve sales by virtue of rule 145(a) (17 CFR 230.145(a)) or otherwise.

6. In view of the objectives of these rules and the policies underlying the Act, regulation D is not available to any issuer for any transaction or chain of transactions that, although in technical compliance with these rules, is part of a plan or scheme to evade the registration provisions of the Act. In such cases, registration under the Act is required.

7. Securities offered and sold outside the United States in accordance with Regulation S need not be registered under the Act. See Release No. 33-6863. Regulation S may be relied upon for such offers and sales even if coincident offers and sales are made in accordance with Regulation D inside the United States. Thus, for example, persons who are offered and sold securities in accordance with Regulation S would not be counted in the calculation of the number of purchasers under Regulation D. Similarly, proceeds from such sales would not be included in the aggregate offering price. The provisions of this note, however, do not apply if the issuer

elects to rely solely on Regulation D for offers or sales to persons made outside the United States.
