day following the day on which the bill was sent to the requester. A fee received by the FOIA Officer, even if not processed, will result in a stay of the accrual of interest. The Commission shall follow the provisions of the Debt Collection Act of 1982 and the implementing procedures to recover any indebtedness owed to the Commission.

(g) *Aggregating requests.* A requester or a group of requesters may not submit multiple requests at the same time, each seeking portions of a document or documents solely in order to avoid payment of fees. When the Commission reasonably believes that a requester is attempting to divide a request into a series of requests to evade an assessment of fees, the Commission may aggregate such request and charge accordingly.

(h) *Advance payment of fees.* Fees may be paid upon provision of the requested records, except that payment may be required prior to that time if the requester has previously failed to pay fees or if the FOIA Officer determines the total fee will exceed \$250. When payment is required in advance of the processing of a request, the time limits prescribed in §517.6 shall not be deemed to begin until the FOIA Officer has received payment of the assessed fee.

(i) *Payment of fees.* Where it is anticipated that the cost of providing the requested record will exceed \$25.00 after the free duplication and search time has been calculated, and the requester has not indicated in advance a willingness to pay a fee greater than \$25.00, the FOIA Officer shall promptly notify the requester of the amount of the anticipated fee or a portion thereof, which can readily be estimated. The notification shall offer the requesting party an opportunity to confer with agency representatives for the purpose of reformulating the request so as to meet the requester's needs at a reduced cost.
