AUTHORITY: 10 U.S.C. 1162, 1163, 1169, 1170, 1172, and 1173.

§ 41.1 Purpose.

This part establishes policies, standards, and procedures governing the administrative separation of enlisted members from the Military Services.

§ 41.2 Applicability and scope.

The provisions of this part apply to Office of the Secretary of Defense and the Military Departments (including their reserve components). The term "Military Services," as used herein, refers to the Army, Navy, Air Force and Marine Corps.

§ 41.3 Policy.

(a) It is the policy of the Department of Defense to promote the readiness of the Military Services by maintaining high standards of conduct and performance. Separation policy promotes the readiness of the Military Services by providing an orderly means to:

(1) Ensure that the Military Services are served by individuals capable of meeting required standards of duty performance and discipline;

(2) Maintain standards of performance and conduct through characterization of service in a system that emphasizes the importance of honorable service;

(3) Achieve authorized force levels and grade distributions; and

(4) Provide for the orderly administrative separation of enlisted personnel in a variety of circumstances.

(b) DoD separation policy is designed to strengthen the concept that military service is a calling different from any civilian occupation.
