§ 19.3 Effect on other issuances.

For awards subject to this part, all administrative requirements of codified program regulations, program manuals, handbooks and other non-regulatory materials which are inconsistent with the requirements of this part are superseded, except to the extent they are required by statute, or authorized in accordance with the deviations provision in § 19.4.

§ 19.4 Deviations.

The Office of Management and Budget (OMB) may grant exceptions for classes of grants or recipients subject to the requirements of this part when exceptions are not prohibited by statute. Federal awarding agencies may apply more restrictive requirements to a class of recipients when approved by OMB. All requests for class deviations shall be processed through the Assistant Secretary for Administration. Federal awarding agencies may apply less restrictive requirements when awarding small awards, except for those requirements which are statutory, subject to the concurrence of the Assistant Secretary for Administration. Exceptions on a case-by-case basis may also be made by Federal awarding agencies, with the concurrence of the Assistant Secretary for Administration to ensure conformance with Department of Transportation grant administration policies.

§ 19.5 Subawards.

Unless sections of this part specifically exclude subrecipients from coverage, the provisions of this part shall be applied to subrecipients performing work under awards if such subrecipients are institutions of higher education, hospitals or other non-profit organizations. State and local government subrecipients are subject to the provisions of 49 CFR part 18, "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments."
