§ 24.2 Definitions.

(a) *Agency*. The term *Agency* means the Federal agency, State, State agency, or person that acquires real property or displaces a person.

(1) *Acquiring agency*. The term *acquiring agency* means a State agency, as defined in paragraph (a)(4) of this section, which has the authority to acquire property by eminent domain under State law, and a State agency or person which does not have such authority. Any Agency or person solely acquiring property pursuant to the provisions of § 24.101(a) (1), (2), (3), or (4) need not provide the assurances required by § 24.4(a)(1) or (2).

(2) *Displacing agency*. The term *displacing agency* means any Federal agency carrying out a program or project, and any State, State agency, or person carrying out a program or project with Federal financial assistance, which causes a person to be a displaced person.

(3) *Federal agency*. The term *Federal agency* means any department, Agency, or instrumentality in the executive branch of the Government, any wholly owned Government corporation, the Architect of the Capitol, the Federal Reserve Banks and branches thereof, and any person who has the authority

to acquire property by eminent domain under Federal law.

(4) *State agency*. The term *State agency* means any department, Agency or instrumentality of a State or of a political subdivision of a State, any department, Agency, or instrumentality of two or more States or of two or more political subdivisions of a State or States, and any person who has the authority to acquire property by eminent domain under State law.

(b) *Appraisal*. The term *appraisal* means a written statement independently and impartially prepared by a qualified appraiser setting forth an opinion of defined value of an adequately described property as of a specific date, supported by the presentation and analysis of relevant market information.

(c) *Business*. The term *business* means any lawful activity, except a farm operation, that is conducted:

(1) Primarily for the purchase, sale, lease and/or rental of personal and/or real property, and/or for the manufacture, processing, and/or marketing of products, commodities, and/or any other personal property; or

(2) Primarily for the sale of services to the public; or

(3) Primarily for outdoor advertising display purposes, when the display must be moved as a result of the project; or

(4) By a nonprofit organization that has established its nonprofit status under applicable Federal or State law.

(d) *Comparable replacement dwelling*. The term *comparable replacement dwelling* means a dwelling which is:

(1) Decent, safe and sanitary as described in paragraph (f) of this section;

(2) Functionally equivalent to the displacement dwelling. The term *functionally equivalent* means that it performs the same function, provides the same utility, and is capable of contributing to a comparable style of living. While a comparable replacement dwelling need not possess every feature of the displacement dwelling, the principal features must be present. Generally, functional equivalency is an objective standard, reflecting the range of purposes for which the various physical features of a dwelling may be used.

§ 24.2

However, in determining whether a replacement dwelling is functionally equivalent to the displacement dwelling, the Agency may consider reasonable trade-offs for specific features when the replacement unit is *equal to or better than* the displacement dwelling. (See appendix A of this part);

(3) Adequate in size to accommodate the occupants;

(4) In an area not subject to unreasonable adverse environmental conditions;

(5) In a location generally not less desirable than the location of the displaced person's dwelling with respect to public utilities and commercial and public facilities, and reasonably accessible to the person's place of employment;

(6) On a site that is typical in size for residential development with normal site improvements, including customary landscaping. The site need not include special improvements such as outbuildings, swimming pools, or greenhouses. (See also §24.403(a)(2).);

(7) Currently available to the displaced person on the private market. However, a comparable replacement dwelling for a person receiving government housing assistance before displacement may reflect similar government housing assistance. (See appendix A of this part.); and

(8) Within the financial means of the displaced person.

(i) A replacement dwelling purchased by a homeowner in occupancy at the displacement dwelling for at least 180 days prior to initiation of negotiations (180-day homeowner) is considered to be within the homeowner's financial means if the homeowner will receive the full price differential as described in §24.401(c), all increased mortgage interest costs as described at §24.401(d) and all incidental expenses as described at §24.401(e), plus any additional amount required to be paid under §24.404, Replacement housing of last resort.

(ii) A replacement dwelling rented by an eligible displaced person is considered to be within his or her financial means if, after receiving rental assistance under this part, the person's monthly rent and estimated average monthly utility costs for the replace-

ment dwelling do not exceed the person's base monthly rental for the displacement dwelling as described at §24.402(b)(2).

(iii) For a displaced person who is not eligible to receive a replacement housing payment because of the person's failure to meet length-of-occupancy requirements, comparable replacement rental housing is considered to be within the person's financial means if an Agency pays that portion of the monthly housing costs of a replacement dwelling which exceeds 30 percent of such person's gross monthly household income or, if receiving a welfare assistance payment from a program that designates amounts for shelter and utilities, the total of the amounts designated for shelter and utilities. Such rental assistance must be paid under §24.404, Replacement housing of last resort.

(e) *Contribute materially.* The term *contribute materially* means that during the 2 taxable years prior to the taxable year in which displacement occurs, or during such other period as the Agency determines to be more equitable, a business or farm operation:

(1) Had average annual gross receipts of at least \$5000; or

(2) Had average annual net earnings of at least \$1000; or

(3) Contributed at least 33 $\frac{1}{3}$ percent of the owner's or operator's average annual gross income from all sources.

(4) If the application of the above criteria creates an inequity or hardship in any given case, the Agency may approve the use of other criteria as determined appropriate.

(f) *Decent, safe, and sanitary dwelling.* The term *decent, safe, and sanitary dwelling* means a dwelling which meets applicable housing and occupancy codes. However, any of the following standards which are not met by an applicable code shall apply unless waived for good cause by the Federal agency funding the project. The dwelling shall:

(1) Be structurally sound, weather-tight, and in good repair.

(2) Contain a safe electrical wiring system adequate for lighting and other devices.

(3) Contain a heating system capable of sustaining a healthful temperature

(of approximately 70 degrees) for a displaced person, except in those areas where local climatic conditions do not require such a system.

(4) Be adequate in size with respect to the number of rooms and area of living space needed to accommodate the displaced person. There shall be a separate, well lighted and ventilated bathroom that provides privacy to the user and contains a sink, bathtub or shower stall, and a toilet, all in good working order and properly connected to appropriate sources of water and to a sewage drainage system. In the case of a housekeeping dwelling, there shall be a kitchen area that contains a fully usable sink, properly connected to potable hot and cold water and to a sewage drainage system, and adequate space and utility service connections for a stove and refrigerator.

(5) Contains unobstructed egress to safe, open space at ground level. If the replacement dwelling unit is on the second story or above, with access directly from or through a common corridor, the common corridor must have at least two means of egress.

(6) For a displaced person who is handicapped, be free of any barriers which would preclude reasonable ingress, egress, or use of the dwelling by such displaced person.

(g) *Displaced person*— (1) *General*. The term *displaced person* means any person who moves from the real property or moves his or her personal property from the real property: (This includes a person who occupies the real property prior to its acquisition, but who does not meet the length of occupancy requirements of the Uniform Act as described at §24.401(a) and 24.402(a):

(i) As a direct result of a written notice of intent to acquire, the initiation of negotiations for, or the acquisition of, such real property in whole or in part for a project.

(ii) As a direct result of rehabilitation or demolition for a project; or

(iii) As a direct result of a written notice of intent to acquire, or the acquisition, rehabilitation or demolition of, in whole or in part, other real property on which the person conducts a business or farm operation, for a project. However, eligibility for such person under this paragraph applies

only for purposes of obtaining relocation assistance advisory services under §24.205(c), and moving expenses under §24.301, §24.302 or §24.303.

(2) *Persons not displaced*. The following is a nonexclusive listing of persons who do not qualify as displaced persons under this part:

(i) A person who moves before the initiation of negotiations (see also §24.403(d)), unless the Agency determines that the person was displaced as a direct result of the program or project; or

(ii) A person who initially enters into occupancy of the property after the date of its acquisition for the project; or

(iii) A person who has occupied the property for the purpose of obtaining assistance under the Uniform Act;

(iv) A person who is not required to relocate permanently as a direct result of a project. Such determination shall be made by the Agency in accordance with any guidelines established by the Federal agency funding the project (see also appendix A of this part); or

(v) An owner-occupant who moves as a result of an acquisition as described at §§24.101(a) (1) and (2) , or as a result of the rehabilitation or demolition of the real property. (However, the displacement of a tenant as a direct result of any acquisition, rehabilitation or demolition for a Federal or federally-assisted project is subject to this part.); or

(vi) A person whom the Agency determines is not displaced as a direct result of a partial acquisition; or

(vii) A person who, after receiving a notice of relocation eligibility (described at §24.203(b)), is notified in writing that he or she will not be displaced for a project. Such notice shall not be issued unless the person has not moved and the Agency agrees to reimburse the person for any expenses incurred to satisfy any binding contractual relocation obligations entered into after the effective date of the notice of relocation eligibility; or

(viii) An owner-occupant who voluntarily conveys his or her property, as described at §24.101(a) (1) and (2), after being informed in writing that if a mutually satisfactory agreement on terms of the conveyance cannot be reached,

§ 24.2

the Agency will not acquire the property. In such cases, however, any resulting displacement of a tenant is subject to the regulations in this part; or

(ix) A person who retains the right of use and occupancy of the real property for life following its acquisition by the Agency; or

(x) An owner who retains the right of use and occupancy of the real property for a fixed term after its acquisition by the Department of the Interior under Public Law 93-477 or Public Law 93-303, except that such owner remains a displaced person for purposes of subpart D of this part; or

(xi) A person who is determined to be in unlawful occupancy prior to the initiation of negotiations (see paragraph (y) of this section), or a person who has been evicted for cause, under applicable law, as provided for in § 24.206.

The term *dwelling* means the place of permanent or customary and usual residence of a person, according to local custom or law, including a single family house; a single family unit in a two-family, multi-family, or multi-purpose property; a unit of a condominium or cooperative housing project; a non-housekeeping unit; a mobile home; or any other residential unit.

(j) *Federal financial assistance*. The term *Federal financial assistance* means a grant, loan, or contribution provided by the United States, except any Federal guarantee or insurance and any interest reduction payment to an individual in connection with the purchase and occupancy of a residence by that individual.

property by a Federal agency or State agency, the *initiation of negotiations* means the delivery of the initial written offer of just compensation by the Agency to the owner or the owner's representative to purchase the real property for the project. However, if the Federal agency or State agency issues a notice of its intent to acquire the real property, and a person moves after that notice, but before delivery to the initial written purchase offer, the *initiation of negotiations* means the actual move of the person from the property.

(2) Whenever the displacement is caused by rehabilitation, demolition or privately undertaken acquisition of the real property (and there is no related acquisition by a Federal agency or a State agency), the *initiation of negotiations* means the notice to the person that he or she will be displaced by the project or, if there is no notice, the actual move of the person from the property.

(3) In the case of a permanent relocation to protect the public health and welfare, under the Comprehensive Environmental Response Compensation and Liability Act of 1980 (Pub. L. 96-510, or *Superfund*) the *initiation of negotiations* means the formal announcement of such relocation or the Federal or federally-coordinated health advisory where the Federal Government later decides to conduct a permanent relocation.

(o) *Notice of intent to acquire or notice of eligibility for relocation assistance.* Written notice furnished to a person to be displaced, including those to be displaced by rehabilitation or demolition activities from property acquired prior to the commitment of Federal financial assistance to the activity, that establishes eligibility for relocation benefits prior to the initiation of negotiation and/or prior to the commitment of Federal financial assistance.

(p) *Owner of a dwelling.* A person is considered to have met the requirement to own a dwelling if the person purchases or holds any of the following interests in real property;

(1) Fee title, a life estate, a land contract, a 99-year lease, or a lease including any options for extension with at least 50 years to run from the date of acquisition; or

(2) An interest in a cooperative housing project which includes the right to occupy a dwelling; or

(3) A contract to purchase any of the interests or estates described in paragraphs (p) (1) or (2) of this section, or

(t) *Small business.* A business having not more than 500 employees working at the site being acquired or displaced

(u) *State.* Any of the several States of the United States or the District of Columbia, the Commonwealth of Puerto Rico, any territory or possession of the United States, the Trust Territories of the Pacific Islands or a political subdivision of any of these jurisdictions.

(v) *Tenant.* The term *tenant* means a person who has the temporary use and occupancy of real property owned by another.

(w) *Uneconomic remnant.* The term *uneconomic remnant* means a parcel of real property in which the owner is left with an interest after the partial acquisition of the owner's property, and which the acquiring agency has determined has little or no value or utility to the owner.

A displacing agency's assurances shall be in accordance with section 210 of the Uniform Act. An acquiring agency's assurances shall be in accordance with section 305 of the Uniform Act and must contain specific reference to any State law which the Agency believes provides an exception to section 301 or 302 of the Uniform Act. If, in the judgment of the Federal agency, Uniform Act compliance will be served, a State agency may provide these assurances at one time to cover all subsequent federally-assisted programs or projects. An Agency which both acquires real property and displaces persons may com-

(2) If a Federal agency or State agency provides Federal financial assistance to a "person" causing displacement, such Federal or State agency is responsible for ensuring compliance with the requirements of this part, notwithstanding the person's contractual obligation to the grantee to comply.

(3) As an alternative to the assurance requirement described in paragraph (a)(1) of this section, a Federal agency may provide Federal financial assistance to a State agency after it has accepted a certification by such State agency in accordance with the requirements in subpart G of this part.

(b) *Monitoring and corrective action.* The Federal agency will monitor compliance with this part, and the State agency shall take whatever corrective action is necessary to comply with the Uniform Act and this part. The Federal agency may also apply sanctions in accordance with applicable program regulations. (Also see § 24.603, subpart G.)

(c) *Prevention of fraud, waste, and mismanagement.* The Agency shall take appropriate measures to carry out this part in a manner that minimizes fraud, waste, and mismanagement.
