### § 591.5 Declarations required for importation.

No person shall import a motor vehicle or item of motor vehicle equipment into the United States unless, at the time it is offered for importation, its

importer files a declaration, in duplicate, which declares one of the following:

(a)(1) The vehicle was not manufactured primarily for use on the public roads and thus is not a motor vehicle subject to the Federal motor vehicle safety, bumper, and theft prevention standards; or

(2) The equipment item is not a system, part, or component of a motor vehicle and thus is not an item of motor vehicle equipment subject to the Federal motor vehicle safety, bumper, and theft prevention standards.

(b) The vehicle or equipment item conforms with all applicable safety standards (or the vehicle does not conform solely because readily attachable equipment items which will be attached to it before it is offered for sale to the first purchases for purposes other than resale are not attached), and bumper and theft prevention standards, and bears a certification label or tag to that effect permanently affixed by the original manufacturer to the vehicle, or by the manufacturer to the equipment item or its delivery container, in accordance with, as applicable, parts 541, 555, 567, 568, and 581, or 571 (for certain equipment items) of this chapter.

(c) The vehicle or equipment item does not comply with all applicable Federal motor vehicle safety, bumper, and theft prevention standards, but is intended solely for export, and the vehicle or equipment item, and the outside of the container of the equipment item, if any, bears a label or tag to that effect.

(d) The vehicle does not conform with all applicable Federal motor vehicle safety, bumper, and theft prevention standards, but the importer is eligible to import it because:

(1) (S)he is a nonresident of the United States and the vehicle is registered in a country other than the United States,

(2) (S)he is temporarily importing the vehicle for personal use for a period not to exceed one year, and will not sell it during that time,

(3) (S)he will export it not later than the end of one year after entry, and

(4) The declaration contains the importer's passport number and country of issue.

(e) The vehicle or equipment item requires further manufacturing operations to perform its intended function, other than the addition of readily attachable equipment items such as mirrors, wipers, or tire and rim assemblies, or minor finishing operations such as painting, and any part of such vehicle that is required to be marked by part 541 of this chapter is marked in accordance with that part.

(f) The vehicle does not conform with all applicable Federal motor vehicle safety and bumper standards (but does conform with all applicable Federal theft prevention standards), but the importer is eligible to import it because:

(1) The importer has furnished a bond in an amount equal to 150% of the dutiable value of the vehicle, containing the terms and conditions specified in section 591.8; and

(2)(i) The importer has registered with NHTSA pursuant to part 592 of this chapter, and such registration has not been revoked or suspended, and the Administrator has determined pursuant to part 593 of this chapter that the model and model year of the vehicle to be imported is eligible for importation into the United States; or

(ii) The importer has executed a contract or other agreement with an importer who has registered with NHTSA pursuant to part 592 of this chapter and whose registration has not been suspended or revoked; and the Administrator has determined pursuant to part 593 of this chapter that the model and model year of the vehicle to be imported is eligible for importation into the United States;

(g) [Reserved]

(h) The vehicle does not conform with all applicable Federal motor vehicle safety, bumper, and theft prevention standards, but the importer is eligible to import it because (s)he:

(1)(i) Is a member of the personnel of a foreign government on assignment in the United States, or a member of the Secretariat of a public international organization so designated under the International Organization Immunities Act, and within the class of persons for

§ 591.6

49 CFR Ch. V (10–1–97 Edition)

whom free entry of motor vehicles has been authorized by the Department of State;

(ii) Is importing the motor vehicle on a temporary basis for the personal use of the importer, and will register it through the Office of Foreign Missions of the Department of State;

(iii) Will not sell the vehicle to any person in the United States, other than a person eligible to import a vehicle under this paragraph; and

(iv) Will obtain from the Office of Foreign Missions of the Department of State, before departing the United States at the conclusion of a tour of duty, an ownership title to the vehicle good for export only; or

(2)(i) Is a member of the armed forces of a foreign country on assignment in the United States;

(ii) Is importing the vehicle on a temporary basis, and for the personal use of the importer;

(iii) Will not sell the vehicle to any person in the United States, other than to a person eligible to import a vehicle under this subsection; and

(iv) Will export the vehicle upon departing the United States at the conclusion of a tour of duty.

(i)(1) The vehicle is 25 or more years old.

(2) The equipment item was manufactured on a date when no applicable safety or theft prevention standard was in effect.

(j)(1) The vehicle or equipment item does not conform with all applicable Federal motor vehicle safety and bumper standards, but is being imported for a temporary period solely for the purpose of:

- (i) research;
- (ii) investigations;
- (iii) studies;
- (iv) demonstrations or training; or
- (v) competitive racing events;

(2)(i) The importer has received written permission from NHTSA; or

(ii) The importer is an original manufacturer of motor vehicles (or a wholly owned subsidiary thereof) that are certified to comply with all applicable Federal motor vehicle safety standards; and

(3) The importer will provide the Administrator with documentary proof of export or destruction not later than 30

days following the end of the period for which the vehicle has been admitted into the United States.

(k) The equipment item is subject to the theft prevention standard, and is marked in accordance with the requirements of part 541 of this chapter.

export at no cost to the United States, or for its abandonment.

(d) A declaration made pursuant to § 591.5(f) by an importer who is not a Registered Importer shall be accompanied by a copy of the contract or other agreement that the importer has with a Registered Importer to bring the vehicle into conformance with all applicable Federal motor vehicle safety standards.

**§ 591.7 Restrictions on importations.**

(a) A vehicle or equipment item which has entered the United States under a declaration made pursuant to § 591.5(j), and for which a Temporary Importation Bond has been provided to the Secretary of the Treasury, shall not remain in the United States for a period that exceeds 3 years from its date of entry.

(b) If the importer of a vehicle or equipment item under § 591.5(j) does not intend to export or destroy the vehicle or equipment item not later than 3 years after the date of entry, and intends to pay duty to the U.S. Customs Service on such vehicle or equipment item, the importer shall request permission in writing from the Administrator for the vehicle or equipment item to remain in the United States for an additional period of time not to exceed 5 years from the date of entry. Such a request must be received not later than 60 days before the date that is 3 years after the date of entry. Such vehicle or equipment item shall not remain in the United States for a period that exceeds 5 years from the date of entry, unless further written permission has been obtained from the Administrator.

(c) An importer of a vehicle which has entered the United States under a declaration made pursuant to § 591.5(j)(2)(i) shall at all times retain title to and possession of it, shall not lease it, and may use it on the public roads only if written permission has been granted by the Administrator, pursuant to § 591.6(f)(1). **§ 591.8 Conformance bond and conditions.**

(a) The bond required under section 591.6(c) for importation of a vehicle not originally manufactured to conform with all applicable standards issued under part 571 and part 581 of this chapter shall cover only one motor vehicle, and shall be in an amount equal to 150% of the dutiable value of the vehicle. However, a registered importer may enter vehicles under a bond of a continuing nature that covers an indefinite number of motor vehicles 150% of whose total dutiable value at any point in time does not exceed \$1,000,000.

(b) The principal on the bond shall be the importer of the vehicle.

(c) The surety on the bond shall possess a certificate of authority to underwrite Federal bonds. (See list of certificated sureties at 54 FR 27800, June 30, 1989)

(1) To have such vehicle brought into conformity with all applicable standards issued under part 571 and part 581 of this chapter within 120 days after the date of entry:

(2) In the case of a vehicle imported pursuant to section 591.5(f), to file (or if not a Registered Importer, to cause the Registered Importer of the vehicle to file) with the Administrator, a certificate that the vehicle complies with each Federal motor vehicle safety and

bumper standard in the year that the vehicle was manufactured and which applies in such year to the vehicle; or

(3) In the case of a Registered Importer, not to release custody of the vehicle to any person for license or registration for use on public roads, streets, or highways, or license or register the vehicle from the date of entry until 30 calendar days after it has certified compliance of the vehicle to the Administrator, unless the Administrator has notified the principal before 30 calendar days that (s)he has accepted such certification, and that the vehicle and bond may be released, except that the vehicle shall not be released if the principal has received written notice from the Administrator that an inspection of the vehicle will be required, or that there is reason to believe that such certification is false or contains a misrepresentation;

(4) In the case of a Registered Importer, to cause the vehicle to be available for inspection, if the principal has received written notice from the Administrator that an inspection is required.

(5) In the case of a Registered Importer, not to release the vehicle until the Administrator is satisfied with the certification and any modification thereof, if the principal has received written notice from the Administrator that there is reason to believe that the certification is false or contains a misrepresentation.

(6) If the principal has received written notice from the Administrator that the vehicle has been found not to comply with all applicable Federal motor vehicle safety standards, and written demand that the vehicle be abandoned to the United States, or delivered to the Secretary of the Treasury for export (at no cost to the United States), to abandon the vehicle to the United States, or to deliver the vehicle, or cause the vehicle to be delivered to, the custody of the District Director of Customs of the port of entry listed above, or to any other port of entry, and to execute all documents necessary for exportation of the vehicle from the United States, at no cost to the United States; or in default of abandonment or redelivery after proper notice by the Administrator to the principal, to pay

to the Administrator the amount of the bond.

(e) If the principal defaults on the obligation of paragraph (d)(6) of this section, to abandon the vehicle to the United States or to redeliver the vehicle to the custody of a District Director of Customs and to execute all documents necessary for its exportation, the obligors shall pay to the Administrator the amount of the bond given under the provisions of this section.

[55 FR 11379, Mar. 28, 1990, as amended at 59 FR 31560, June 20, 1994]

**§ 591.9 Petitions for remission or mitigation of forfeiture.**

(a) After a bond has been forfeited, a principal and/or a surety may petition for remission of forfeiture. A principal and/or surety may petition for mitigation of forfeiture only if the motor vehicle has been imported pursuant to paragraph 591.5(f) and the condition not met relates to the compliance of a passenger motor vehicle with part 581 of this chapter.

(b) A petition for remission or mitigation shall:

(1) Be addressed to the Administrator, identified as either a petition for remission or for mitigation, submitted in triplicate, and signed by the principal and/or the surety.

(2) State the make, model, model year, and VIN of the vehicle involved, and contain the Customs Entry number under which the vehicle entered the United States.

(3) State the facts and circumstances relied on by the petitioner to justify remission or mitigation.

(4) Be filed within 30 days from the date of the mailing of the notice of forfeiture incurred.

(c) A false statement contained in a petition may subject the petitioner to prosecution under the provisions of 18 U.S.C. 1001.

(d) If the Administrator finds that all conditions of the bond have, in fact, been fulfilled, the forfeiture is remitted.

(e) A decision to mitigate a forfeiture upon condition that a stated amount is paid shall be effective for not more than 60 days from the date of notice to the petitioner of such decision. If payment of the stated amount is not made,

§ 591.10

or arrangements made for delayed or installment payment, the full claim of forfeiture shall be deemed applicable. The Administrator shall collect the claim, or, if unable to collect the claim within 120 days, shall refer the matter to the Department of Justice.

(a) In lieu of sureties on any bond required under § 591.6(c), an importer may offer United States money, United States bonds (except for savings bonds), United States certificates of indebtedness, Treasury notes, or Treasury bills in an amount equal to the amount of the bond.

(b) At the time the importer deposits any obligation of the United States, other than United States money, with the Administrator, (s)he shall deliver a duly executed power of attorney and agreement, in the form shown in appendix C to this part, authorizing the Administrator or delegate of the Administrator, in case of any default in the performance of any of the conditions of the bond, to sell the obligation so deposited, and to apply the proceeds of sale, in whole or in part, to the satisfaction of any penalties for violations of 49 U.S.C. 30112 and 49 U.S.C. 32506 arising by reasons of default.

(c) If the importer deposits money of the United States with the Administrator, the Administrator, or delegate of the Administrator, may apply the cash, in whole or in part, to the satisfaction of any penalties for violations of 49 U.S.C. 30112 and 49 U.S.C. 32506 arising by reason of default.

However, if the inspection shows a failure to comply, such vehicle and all liability under this bond for such vehicle shall not be released until such time as the failure to comply ceases to exist;

(5) And if the principal has received written notice from the Administrator that there is reason to believe that such certificate is false or contains a misrepresentation, such vehicle and all liability under this bond for such vehicle shall not be released until the Administrator is satisfied with such certification and any modification thereof;

(6) And if the principal has received written notice from the Administrator that such vehicle has been found not to comply with all applicable Federal motor vehicle safety and bumper standards, and written demand that such vehicle be abandoned to the United States, or delivered to the Secretary of the Treasury for export (at no cost to the United States), the principal shall abandon such vehicle to the United States, or shall deliver such vehicle, or cause such vehicle to be delivered to, the custody of the District Director of Customs of the port of entry listed above, or any other port of entry, and shall execute all documents necessary for exportation of such vehicle from the United States, at no cost to the United States; or in default of abandonment or redelivery after proper notice by the Administrator for the principal, the principal shall pay to the Administrator an amount equal to 150% of the entered value of such vehicle as determined by the U.S. Customs Service;
