

(1) If OMB disapproves the whole of such a collection of information (and the disapproval is not overridden under § 1320.15), the agency shall grant the benefit to (or not impose the penalty on) otherwise qualified persons without requesting further proof concerning the condition.

(2) If OMB instructs an agency to make a substantive or material change to such a collection of information (and the instruction is not overridden under § 1320.15), the agency shall permit respondents to prove or satisfy the condition by complying with the collection of information as so changed.

(d) Whenever a member of the public is protected from imposition of a penalty under this section for failure to comply with a collection of information, such penalty may not be imposed by an agency directly, by an agency through judicial process, or by any other person through administrative or judicial process.

(e) The protection provided by paragraph (a) of this section does not preclude the imposition of a penalty on a person for failing to comply with a collection of information that is imposed on the person by statute—e.g., 26 U.S.C. § 6011(a) (statutory requirement for person to file a tax return), 42 U.S.C. § 6938(c) (statutory requirement for person to provide notification before exporting hazardous waste).

§ 1320.7 Agency head and Senior Official responsibilities.

(a) Except as provided in paragraph (b) of this section, each agency head shall designate a Senior Official to carry out the responsibilities of the agency under the Act and this part. The Senior Official shall report directly to the head of the agency and shall have the authority, subject to that of the agency head, to carry out the responsibilities of the agency under the Act and this part.

(b) An agency head may retain full undelegated review authority for any component of the agency which by statute is required to be independent of any agency official below the agency head. For each component for which responsibility under the Act is not delegated to the Senior Official, the agency

head shall be responsible for the performance of those functions.

(c) The Senior Official shall head an office responsible for ensuring agency compliance with and prompt, efficient, and effective implementation of the information policies and information resources management responsibilities established under the Act, including the reduction of information collection burdens on the public.

(d) With respect to the collection of information and the control of paperwork, the Senior Official shall establish a process within such office that is sufficiently independent of program responsibility to evaluate fairly whether proposed collections of information should be approved under this Part.

(e) Agency submissions of collections of information for OMB review, and the accompanying certifications under § 1320.9, may be made only by the agency head or the Senior Official, or their designee.

§ 1320.8 Agency collection of information responsibilities.

The office established under § 1320.7 shall review each collection of information before submission to OMB for review under this part.

(a) This review shall include:

(1) An evaluation of the need for the collection of information, which shall include, in the case of an existing collection of information, an evaluation of the continued need for such collection;

(2) A functional description of the information to be collected;

(3) A plan for the collection of information;

(4) A specific, objectively supported estimate of burden, which shall include, in the case of an existing collection of information, an evaluation of the burden that has been imposed by such collection;

(5) An evaluation of whether (and if so, to what extent) the burden on respondents can be reduced by use of automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses;
