§ 235.4 Allocation of funds to States.

(a) *Nondiscretionary SAE Funds.* For each fiscal year, FCS shall allocate the following:

(1) To each State which administers the National School Lunch, School Breakfast or Special Milk Programs an amount equal to one (1) percent of the funds expended by such State during the second preceding fiscal year under sections 4 and 11 of the National School Lunch Act, as amended, and sections 3, 4 and 17A of the Child Nutrition Act of 1966, as amended. However, the total amount allocated to any State under this paragraph shall not be less than \$100,000 or the amount allocated to the State in the fiscal year ending September 30, 1981, whichever is greater.

(2) To each State which administers the Child and Adult Care Food Program an amount equal to the sum of: Twenty percent of the first \$50,000; ten percent of the next \$100,000; five percent of the next \$250,000; and two and one-half percent of any remaining funds expended within the State under section 17 of the National School Lunch Act, as amended, during the second preceding fiscal year. FCS may adjust the amount of any such allocation in accordance with changes in the size of the Child and Adult Care Food Program in a State.

(b) *Discretionary SAE Funds.* For each fiscal year, FCS shall provide the following additional allocations:

(1) Allocate \$30,000 to each State which administers the Child and Adult Care Food Program (7 CFR part 226).

(2) \$30,000 to each State which administers the Food Distribution Program (part 250 of this chapter) in schools and/or institutions which participate in programs under parts 210, 220, 226 of this chapter.

(3) Amounts derived by application of the following four-part formula to each State agency which is allocated funds under paragraph (a) of this section:

(i) One equal share of forty (40) percent of the funds designated by FCS for the reviews conducted under §210.18 or §210.18a of this title.

(ii) The ratio of the number of School Food Authorities participating in the National School Lunch or Commodity School Programs under the jurisdiction of the State agency to such School Food Authorities in all States times twenty (20) percent of the funds designated by FCS for reviews conducted under §210.18 or §210.18a of this title.

(iii) The ratio of the number of free and reduced price meals served in School Food Authorities under the jurisdiction of the State agency during the second preceding fiscal year to the number of free and reduced price meals served in all States in the second preceding fiscal year times twenty (20) percent of the funds designated by FCS for reviews conducted under §210.18 or §210.18a of this title.

(iv) Equal shares of twenty (20) percent of the funds designated by FCS for reviews conducted under §210.18 or §210.18a of this title for each School Food Authority under the jurisdiction of the State agency participating in the National School Lunch or Commodity School Programs which has an enrollment of 40,000 or more; *Provided, however,* That for State agencies with fewer than two School Food Authorities with enrollments of 40,000 or more, an equal share shall be provided to the State agency, for either, or both, of the two largest School Food Authorities which have enrollments of more than 2,000; and *Provided, further,* That State agencies with only one School Food Authority, regardless of size, shall be provided with one equal share. For each fiscal year, the amount of State Administrative Expense Funds designated by FCS for reviews conducted under §210.18 or §210.18a of this title and subject to allocation under this paragraph shall be equal to or greater than the amount designated by FCS for program management improvements for the fiscal year ending September 30, 1980.

(4) Funds which remain after the allocations required in paragraphs (a)(1), (a)(2), (b)(1), (b)(2) and (b)(3) of this section, and after any payments provided for under paragraph (c) of this section,

as determined by the Secretary, to those States which administer the Food Distribution Program (part 250 of this chapter) in schools and/or institutions which participate in programs under parts 210, 220, or 226 of this chapter and to those States which administer part 226 of this chapter. The amount of funds to be allocated to each State for the Food Distribution Program for any fiscal year shall bear the same ratio to the total amount of funds made available for allocation to the State for the Food Distribution Program under this paragraph as the value of USDA donated foods delivered to the State for schools and institutions participating in programs under parts 210, 220 and 226 of this chapter during the second preceding fiscal year bears to the value of USDA donated foods delivered to all the States for such schools and institutions during the second preceding fiscal year. The amount of funds to be allocated to each State which administers the Child and Adult Care Food Program for any fiscal year shall bear the same ratio to the total amount of funds made available for allocation to all such States under this paragraph as the amount of funds allocated to each State under paragraph (a)(2) of this section bears to the amount allocated to all States under that paragraph.

(c) *SAE Funds for the Child and Adult Care Food Program.* If a State elects to have a separate State agency administer the adult care component of the Child and Adult Care Food Program, such separate State agency shall receive a pro rata share of the SAE funds allocated to the State under paragraphs (a)(2), (b)(1), and (b)(4) of this section which is equal to the ratio of funds expended by the State for the adult care component of the Child and Adult Care Food Program during the second preceding fiscal year to the funds expended by the State for the entire Child and Adult Care Food Program during the second preceding fiscal year. The remaining funds shall be allocated to the State agency administering the child care component of the Child and Adult Care Food Program.

(d) *SAE Start-up Cost Assistance for State Administration of Former ROAPs.*

For any State agency which agrees to assume responsibility for the administration of food service programs in nonprofit private schools or child and adult care institutions that were previously administered by FCS, an appropriate adjustment in the administrative funds paid under this part to the State shall be made by FCS not later than the succeeding fiscal year. Such an adjustment shall consist of an amount of start-up cost assistance, negotiated with the State agency, of no less than \$10,000 and not exceeding \$100,000, per State.

(e) *SAE Funding Reduction Upon State Agency Termination of a Food Service Program.* For any State agency which terminates its administration of any food service program for which State administrative expense funds are provided under this part, a reduction in the amount of such funds, negotiated with the State agency, shall be made by FCS.

(f) *SAE Funds for ROAPs.* FCS shall have available to it the applicable amounts provided for in paragraphs (a)(1), (a)(2), and (b)(1) of this section, and part 225 of this title, when it is responsible for the administration of a program or programs within a State.

(g) *Reallocation.* Funds allotted to State agencies under this section shall be subject to the reallocation provisions of § 235.5(d).
