

crop for that crop year will be cancelled. No liability for indemnity or premium will attach to the contracts so cancelled.

(f) The person must repay all amounts received in violation of this section with interest at the rate contained in the contract for delinquent premiums.

(g) An insured whose contract with the Corporation or with a company reinsured by the Corporation under the Act has been terminated because of violation of the terms of the contract is not eligible to obtain multi-peril crop insurance under the Act with the Corporation or with a company reinsured by the Corporation unless the insured can show that the default in the prior contract was cured prior to the sales closing date of the contract applied for or unless the insured can show that the termination was improper and should not result in subsequent ineligibility.

(h) All applicants for insurance under the Act must advise the agent, in writing, at the time of application, of any previous applications for insurance under the Act and the present status of any such applications or insurance.

§401.3 Premium rates, production guarantees or amounts of insurance, coverage levels, and prices at which indemnities shall be computed.

(a) The Manager shall establish premium rates, production guarantees or amounts of insurance, coverage levels, and prices at which indemnities shall be computed for the insured crop which will be included in the actuarial table on file in the applicable service offices for the county and which may be changed from year to year.

(b) At the time the application for insurance is made, the applicant will elect an amount of insurance or a coverage level and price from among those contained in the actuarial table for the crop year.

§401.4 OMB control numbers.

OMB control numbers are contained in Subpart H to Part 400 in Title 7 CFR.

§401.5 Creditors.

An interest of a person in an insured crop existing by virtue of a lien, mortgage, garnishment, levy, execution, bankruptcy, involuntary transfer or other similar interest shall not entitle the holder of the interest to any benefit under the contract.

§401.6 Good faith reliance on misrepresentation.

Notwithstanding any other provision of the crop insurance contract, whenever:

(a) An insured under a contract of crop insurance entered into under these regulations, as a result of a misrepresentation or other erroneous action or advice by an agent or employee of the Corporation:

(1) Is indebted to the Corporation for additional premiums; or

(2) Has suffered a loss to a crop which is not insured or for which the insured is not entitled to an indemnity because of failure to comply with the terms of the insurance contract, but which the insured believed to be insured, or believed the terms of the insurance contract to have been complied with or waived; and

(b) The Board of Directors of the Corporation, or the Manager in cases involving not more than \$100,000.00, finds that:

(1) An agent or employee of the Corporation did in fact make such misrepresentation or take other erroneous action or give erroneous advice;

(2) Said insured relied thereon in good faith; and

(3) To require the payment of the additional premiums or to deny such insured's entitlement to the indemnity would not be fair and equitable, such insured shall be granted relief the same as if otherwise entitled thereto. Requests for relief under this section must be submitted to the Corporation in writing.

§401.7 The contract.

The insurance contract shall become effective upon the acceptance by the Corporation of a duly executed application for insurance on a form prescribed by the Corporation. The contract shall cover the crop as provided in the policy

and the crop endorsement. The contract shall consist of the application, the policy, the crop endorsement and any amendments thereto, and the county actuarial table. Changes made in the contract shall not affect its continuity from year to year. No indemnity shall be paid unless the insured complies with all terms and conditions of the contract. The forms referred to in the contract are available at the applicable service offices.

§ 401.8 The application and policy.

(a) Application for insurance on a form prescribed by the Corporation must be made by any person who wishes to participate in the program, to cover such person's share in the insured crop as landlord, owner-operator, or tenant. The application shall be submitted to the Corporation at the service office on or before the applicable sales closing date on file in the service office.

(b) The Corporation may reject or discontinue the acceptance of applications in any county or of any individual application upon its determination that the insurance risk is excessive. The Manager of the Corporation is authorized in any crop year to extend the sales closing date for submitting applications in any county, by placing the extended date on file in the applicable service offices and publishing a notice in the FEDERAL REGISTER upon the Manager's determination that no adverse selectivity will result during the extended period. However, if adverse conditions should develop during such period, the Corporation will immediately discontinue the acceptance of applications. If the sales closing date falls on a Saturday or Sunday or legal holiday when the service office is not open, the application must be submitted by the close of business on the next business day.

(c) In accordance with the provisions governing changes in the contract contained in previous policies and regulations issued by FCIC, a contract in the form provided for in this section will come into effect as a continuation of the contract issued under such prior regulations, without the filing of a new application.

(d) The application is found at subpart D of part 400—General Administrative Regulations (7 CFR 400.37 and 400.38) and may be amended from time to time for subsequent crop years. The provisions of the Crop Insurance Policy are as follows:
