

(f) All entities who have a present possessory interest in the land, to be eligible for CRSC cost share, must sign a CRSC contract.

(g) The participant and each entity signing the CRSC Contract shall be jointly and severally responsible for compliance with the contract and the provisions of this part and for any refunds or payments which may be required for violation of any of the terms and conditions of the CRSC Contract and the provisions of this part.

(h) The CRSC contract may require that all participants and/or landowners, as a condition of eligibility for cost-share assistance, grant to the Secretary a recordable security interest in the property or equipment of the SRP's that are installed, with the value of the granted interest to be determined by FSA.

(i) The Deputy Administrator, or the Deputy Administrator's designee, may, in consultation with SCS and the CD, accept or reject offers to enter into a CRSC Contract.

(j) CRSC Contracts shall be implemented, and salinity control plans shall be developed, in the order of priority within the applicable salt source area that is established by the COC and CD in consultation with SCS.

§ 702.10 Operation and maintenance agreements.

(a) The participant shall enter into with the COC any operation and maintenance agreements determined to be necessary by the COC in order to ensure proper operation and maintenance of the SRP's provided for in the CRSC Contract.

(b) The operation and maintenance agreement will be comprised of:

(1) The terms and conditions of the agreement; and

(2) An operation and maintenance plan prepared by SCS.

(c) By entering in a operation and maintenance agreement, the participant agrees to:

(1) Carry out the terms and conditions of the operation and maintenance agreement;

(2) Operate and maintain, at no cost to the Federal government, the SRP's

for the effective lifespan of all SRP's included in the operation and maintenance agreement;

(3) Operate, maintain and inspect the SRP's in accordance with the operation and maintenance plan;

(4) Obtain prior COC and SCS approval of all plans, designs, and specifications for any alteration to the SRP's;

(5) Prohibit the installation of any structure or facility that will interfere with the operation and maintenance of the SRP's;

(6) Notify the COC and SCS of any agreement to be entered into with other parties for the operation and maintenance of all or part of SRP's and provide the COC and SCS with a copy of such agreement when it has been signed by the participant and the other party; and

(7) Not undertake any action on the land subject to the operation and maintenance agreement that tends to defeat the purposes of the CRSC program;

(d) The participant and each person signing the operation and maintenance agreement shall be jointly and severally responsible for compliance with the operation and maintenance agreement and the provisions of this part and for any refunds or payment adjustments that may be required for violation of any of the terms and conditions of the operation and maintenance agreement and provisions of this part.

§ 702.11 Obligations of USDA.

FSA shall, subject to the availability of funds, share the cost with participants of establishing eligible SRP's specified in the salinity control plan at the levels and rates of cost-sharing determined in accordance with the provisions of § 702.13 and SCS shall provide such technical assistance as may be necessary to assist the participant in carrying out the CRSC Contract.

§ 702.12 Availability of cost-share payments.

(a) Cost-share payments shall be made available to a participant in a CRSC Contract upon a determination by the COC that SCS has certified that
