#### DISPOSITION OF RESERVE PRUNES

##### § 993.65 Disposition of reserve prunes.

(a) *Committee's right of disposition.* The committee shall have the power and authority to sell or dispose of any and all reserve prunes (1) to meet demand either (i) as domestic trade demand, or (ii) as foreign trade demand, or (2) for use in any outlet, defined in rules and procedures, established by the Secretary after recommendation of the committee, noncompetitive with normal outlets for salable prunes.

(b) *Methods of disposition.* The committee may, for any of the purposes of § 993.65(a), offer to sell and sell reserve prunes to handlers for disposition or sale by them in specified outlets. Sale of reserve prunes by the committee to any handler for resale in such outlets or for resale to other persons for sale in such outlets shall be governed by the provisions of a sales agreement, exe-

cuted by the handler with the committee. The committee may refuse to sell reserve prunes to any handler if the handler violates the terms and conditions of the agreement or other provisions of this part. The committee may sell reserve prunes into any outlet in which direct selling is determined to be more appropriate.

(c) *Offers to sell reserve prunes.* No offer to sell reserve prunes either to handlers or to other persons shall be made by the committee until 5 days (exclusive of Saturdays, Sundays, and holidays) have elapsed from the time it files with the Secretary complete information as to the terms and conditions of the proposed offer including the basis for determining the handlers' shares: *Provided,* That at any time prior to the expiration of the 5-day period the offer may be made upon the committee receiving from the Secretary notice that he does not disapprove it.

(d) *Transfer of shares.* No handler may transfer a reserve obligation. However, any handler who is authorized by the committee to dispose of reserve prunes may arrange with another handler to dispose of his share of reserve prunes through such other handler. In that event, credit for the reserve disposition shall go to the handler whose reserve prunes are used.

(e) *Distribution of proceeds.* Expenses incurred by the committee for the receiving, handling, holding, or disposing of any quantity of reserve prunes shall be charged against the proceeds of sales of such prunes. Net proceeds from the disposition of reserve prunes shall be distributed by the committee either directly, or through handlers as agents of the committee, under safeguards to be established by the committee, to persons in proportion to their contributions thereto, or to their successors in interest, with appropriate grade and size differentials as established by the committee. Progress payments may be made by the committee as sufficient funds accumulate. Distribution of the proceeds in connection with the reserve prunes contributed by a cooperative marketing association shall be made to such association, if it so requests.
