

§ 1050.8

distributing plant which was a pool plant under this order in the immediately preceding month shall continue to be subject to all of the provisions of this part until the third consecutive month in which a greater proportion of such route disposition is made in such other marketing area, unless the other order requires regulation of the plant without regard to its qualifying as a pool plant under this order subject to the proviso of this paragraph;

(3) A distributing plant qualified pursuant to paragraph (a) of this section which meets the requirements of a fully regulated plant pursuant to the provisions of another Federal order and from which during the month there is greater quantity of route disposition, except filled milk, in the Central Illinois marketing area than in the other marketing area, and such other order which fully regulates the plant does not contain provisions to exempt the plant from regulation even though such plant has greater route disposition in the marketing area of the Central Illinois order; and

(4) Any plant qualified pursuant to paragraph (c) of this section for any portion of the period of February through August, inclusive, that the milk at such plant is subject to the classification and pricing provisions of another order issued pursuant to the Act.

§ 1050.8 Nonpool plant.

Nonpool plant means any milk or filled milk receiving, manufacturing, or processing plant other than a pool plant. The following categories of nonpool plants are further defined as follows:

(a) *Other order plant* means a plant that is fully subject to the pricing and pooling provisions of another order issued pursuant to the Act.

(b) *Producer-handler plant* means a plant operated by a producer-handler as defined in any order (including this part) issued pursuant to the Act.

(c) *Partially regulated distributing plant* means a nonpool plant that is neither an other order plant nor a producer-handler plant, from which there is route disposition in consumer-type packages or dispenser units in the marketing area during the month.

(d) *Unregulated supply plant* means a nonpool plant that is neither an other order plant nor a producer-handler plant, from which fluid milk products are shipped to a pool plant.

§ 1050.9 Handler.

Handler means:

(a) Any person in his capacity as the operator of a pool plant;

(b) Any cooperative association with respect to milk of producers diverted for its account pursuant to § 1050.13;

(c) Any cooperative association with respect to milk it receives for its account from the farm of a producer in a tank truck owned and operated by, or under the control of, such association, for delivery to a pool plant(s);

(d) Any person in his capacity as the operator of a partially regulated distributing plant;

(e) A producer-handler;

(f) Any person who operates an other order plant described in § 1050.7(d); and

(g) Any person in his capacity as the operator of an unregulated supply plant.

§ 1050.10 Producer-handler.

Producer-handler means a person who:

(a) Operates a distributing plant and processes milk from his own farm production and who disposes of all or a portion of such milk as route disposition in the marketing area but who receives no milk from other dairy farmers or fluid milk products from nonpool plants: *Provided*, That the skim milk and butterfat disposed of in the form of fluid milk products designated as Class I milk pursuant to § 1050.40(a) does not exceed the skim milk and butterfat, respectively, in the form of milk from his own farm production, and in the form of fluid milk products from pool plants of other handlers, allowing for inventory derived from such sources; and

(b) Assumes as his personal enterprise and risk the processing and distributing of fluid milk products and the maintenance, care and management of dairy animals and other resources necessary to produce his own farm milk production.
