(b) The importer may, at his or her option, request that birds or poultry be housed in nonstandard housing. Nonstandard housing is individual housing, any housing not normally available at the Animal Import Center, any housing constructed or purchased at the request of the importer, any housing with blinds, dense foliage, or plants, and any housing where the temperature can be adjusted.

(c) The importer may, at his or her option, request that birds or poultry be given nonstandard care and handling. Nonstandard care and handling in-

cludes hand-feeding, more than one feeding a day, frequent observation, and any handling or observation which requires personnel to attend to the birds or poultry outside of normal business hours.⁶

(d) If any bird or poultry is fed a diet other than seed, including but not limited to diets of fruit, insects, nectar or fish, the importer must either provide feed or pay for it on an actual cost basis, including the cost of delivery to the Animal Import Center.

(e) Any reservation fee paid by the importer under part 92 of this chapter, will be applied to the APHIS user fees due for animals or birds quarantined in an Animal Import Center.
