

§ 1.3 Sources of additional information.

(a) A statement of the NRC's organization, policies, procedures, assignments of responsibility, and delegations of authority is in the Nuclear Regulatory Commission Manual and other elements of the NRC's Management Directives System, including local directives issued by Regional Offices. Letters/memoranda delegations of authority are also issued from time to time that have not yet been incorporated into the Manual, parts of which are republished periodically. Copies of the Manual and other delegations of authority are available for public inspection and copying for a fee at the NRC Public Document Room, 2120 L Street, NW., Washington, DC, and at each of NRC's Regional Offices. Information may also be obtained from the Office of Public Affairs or from Public Affairs Officers at the Regional Offices. In addition, "NRC Functional Organization Charts" (NUREG-0325) contains detailed descriptions of the functional responsibilities of NRC's offices. It is revised annually and is available for public inspection at the NRC Public Document Room or for purchase from the Superintendent of Documents, U.S. Government Printing Office, P.O. Box 37082, Washington, DC 20013-7082; or from the National Technical Information Service, Springfield, VA 22161.

(b) Commission meetings are open to the public, as provided by the Government in the Sunshine Act, unless they fall within an exemption to the Act's openness requirement and the Commission also has determined that the public interest requires that those particular meetings be closed. Information concerning Commission meetings may be obtained from the Office of the Secretary.

(c) Information regarding the availability of NRC records under the Freedom of Information Act and the Privacy Act of 1974 may be obtained from the Division of Freedom of Information and Publications Services, Office of Administration. NRC's regulations are published in the FEDERAL REGISTER and codified in title 10, chapter I, of the Code of Federal Regulations. They are also published in looseleaf form as

"NRC Rules and Regulations," and available on a subscription basis from the Superintendent of Documents, U.S. Government Printing Office, P.O. Box 37082, Washington, DC 20013-7082. Final opinions made in the adjudication of cases are published in "Nuclear Regulatory Commission Issuances," and available on a subscription basis from the National Technical Information Service, 5285 Port Royal Road, Springfield, VA 22161.
