Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

Title 1 through Title 16..........................as of January 1
Title 17 through Title 27..........................as of April 1
Title 28 through Title 41..........................as of July 1
Title 42 through Title 50..........................as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, January 1, 1998), consult the “List of CFR Sections Affected (LSA),” which is issued monthly, and the “Cumulative List of Parts Affected,” which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cut-off date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96-511) requires Federal agencies to display an OMB control number with their information collection request.
Many agencies have begun publishing numerous OMB control numbers as amend-
ments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

OBSOLETE PROVISIONS

Provisions that become obsolete before the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on a given date in the past by using the appropriate numerical list of sections affected. For the period before January 1, 1986, consult either the List of CFR Sections Affected, 1949-1963, 1964-1972, or 1973-1985, published in seven separate volumes. For the period beginning January 1, 1986, a “List of CFR Sections Affected” is published at the end of each CFR volume.

INCORPORATION BY REFERENCE

What is incorporation by reference? Incorporation by reference was established by statute and allows Federal agencies to meet the requirement to publish regulations in the Federal Register by referring to materials already published elsewhere. For an incorporation to be valid, the Director of the Federal Register must approve it. The legal effect of incorporation by reference is that the material is treated as if it were published in full in the Federal Register (5 U.S.C. 552(a)). This material, like any other properly issued regulation, has the force of law.

What is a proper incorporation by reference? The Director of the Federal Register will approve an incorporation by reference only when the requirements of 1 CFR part 51 are met. Some of the elements on which approval is based are:

(a) The incorporation will substantially reduce the volume of material published in the Federal Register.

(b) The matter incorporated is in fact available to the extent necessary to afford fairness and uniformity in the administrative process.

(c) The incorporating document is drafted and submitted for publication in accordance with 1 CFR part 51.

Properly approved incorporations by reference in this volume are listed in the Finding Aids at the end of this volume.

What if the material incorporated by reference cannot be found? If you have any problem locating or obtaining a copy of material listed in the Finding Aids of this volume as an approved incorporation by reference, please contact the agency that issued the regulation containing that incorporation. If, after contacting the agency, you find the material is not available, please notify the Director of the Federal Register, National Archives and Records Administration, Washington DC 20408, or call (202) 523-4534.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Statutory Authorities and Agency Rules (Table I), and Acts Requiring Publication in the Federal Register (Table II). A list of CFR titles, chapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.

An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.
A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

It also helps victims of disasters. It provides financial assistance, contractual assistance, and business development assistance. For a more detailed description of the functions of SBA see The United States Government Manual, a special publication of the Federal Register, which is available from Superintendent of Documents, P.O. Box 371954, Pittsburgh, PA 15250-7954.

§ 101.103 Where are SBA's field offices located?

A list of SBA's field offices with addresses, phone numbers and jurisdictions served is periodically published in the Federal Register. You can also obtain the address and phone number of an SBA office to serve you by calling 1-800-8-ASK-SBA or 1-800-827-5722.

§ 101.104 What are the functions of SBA's field offices?

(a) Regional offices. Regional offices are managed by a Regional Administrator who is responsible to the Administrator and to the Associate Administrator for Field Operations. They are located in major cities and have geographical boundaries which cover multi-state areas. Regional offices exercise limited authority over field activities within their region.

(b) District offices. District offices are managed by a District Director and are located in cities within a region. District offices are responsible to Headquarters, the Associate Administrator for Field Operations, and to a regional office. Within their delegated authority, district offices have authority for—

(1) Conducting all program delivery activities within the district boundaries;

(2) Supervising all branch offices located within the district boundaries; and

(3) Providing subordinate branch offices with the technical capability necessary to execute assigned programs.

(c) Branch offices. Branch offices are managed by a Branch Manager and are located in cities within a district. (a) SBA makes loans and provides other services that are authorized and executed under Federal programs to achieve national purposes.

(b) The following are construed and enforced in accordance with Federal law—

(1) Instruments evidencing loans;
Small Business Administration § 101.201

(2) Security interests in real or personal property payable to or held by SBA or the Administrator such as promissory notes, bonds, guarantee agreements, mortgages, and deeds of trust;

(3) Other evidences of debt or security;

(4) Contracts or agreements to which SBA is a party, unless expressly provided otherwise.

(c) To the extent feasible, SBA uses local or state procedures, especially for recordation and notification purposes, in implementing and facilitating SBA’s loan programs. This use of local or state procedures is not a waiver by SBA of any Federal immunity from any local or state control, penalty, tax, or liability.

(d) No person, corporation, or organization that applies for and receives any benefit or assistance from SBA, or that offers any assurance or security upon which SBA relies for the granting of such benefit or assistance, is entitled to claim or assert any local or state law to defeat the obligation incurred in obtaining or assuring such Federal benefit or assistance.

§ 101.107 What SBA forms are approved for public use?

(a) SBA uses forms approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.), as amended. You may obtain approved forms for use by the public when applying for or obtaining SBA assistance, or when providing services for SBA, from any field office (see § 101.103). You may also use forms which you have prepared yourself, or have obtained from another source, if those forms are identical in every respect to the forms approved by OMB for the same purpose.

(b) Any member of the public who has reason to believe any SBA office or agent is in violation of the Public Protection Clause of the Paperwork Reduction Act (44 U.S.C. 3512 and see 5 CFR 1320.6) should notify SBA. Direct such comments to the Assistant Administrator for Administration at 409 3rd Street, SW., Washington, DC 20416.

§ 101.108 Has SBA waived any of the public participation exemptions of the Administrative Procedure Act?

Yes. Despite these exemptions, SBA will follow the public participation requirements of the Administrative Procedure Act, 5 U.S.C. 553, in rulemakings relating to public property, loans, grants, benefits, or contracts.

Yes. All SBA regulations must be interpreted as including the section headings.

Subpart B—Employment of Private Counsel

§ 101.200 When does SBA hire private counsel?

(a) Business loans. SBA may hire private counsel to represent it in regard to business loans when the volume of activity in an area is not sufficient to require a full-time SBA employee, or the area is too remote for economical use of a full-time SBA employee.

(b) Disaster loans. SBA may hire private counsel in regard to disaster loans when the disaster presents an emergency and a volume of activity that cannot be promptly and economically serviced by available SBA employees.

§ 101.201 What are the minimum terms of private counsel’s employment?

(a) Private counsel must perform all requested work in compliance with SBA’s regulations, policies, and instructions, and take such action as is legally required under the Small Business Act, the Small Business Investment Act, and other laws applicable to SBA.

(b) Private counsel must adhere to the highest standards of professional conduct and maintain confidentiality appropriate to the attorney-client relationship.

(c) Private counsel acts under the supervision of the SBA General Counsel (and designees).

(d) Private counsel usually is compensated at an hourly rate as approved by SBA. Contingency fee agreements may be used if approved by the General Counsel.
§ 101.300

(e) Either party may terminate the employment upon written notice.

Subpart C—Inspector General

§ 101.300 What is the Inspector General’s authority to conduct audits, investigations, and inspections?

The Inspector General Act of 1978, as amended (5 U.S.C. App. 3) authorizes SBA’s Inspector General to provide policy direction for, and to conduct, supervise, and coordinate such audits, investigations, and inspections relating to the programs and operations of SBA as appears necessary or desirable.

§ 101.301 Who should receive information or allegations of waste, fraud, and abuse?

The Office of Inspector General should receive all information or allegations of waste, fraud, or abuse regarding SBA programs and operations.

§ 101.302 What is the scope of the Inspector General’s authority?

To obtain the necessary information and evidence, the Inspector General (and designees) have the right to:

(c) Administer oaths and affirmations or take affidavits; and

(d) Request information or assistance from any Federal, state, or local government agency or unit.

§ 101.303 How are Inspector General subpoenas served?

(a) Service of subpoenas may be effected by any of the following means—

(1) If by mail, a copy of the subpoena must be addressed to the person, partnership, corporation, or unincorporated association to be served at a residence or usual dwelling place, or at the principal office or place of business, and mailed first class by registered or certified mail (postage prepaid, return receipt requested), or by a commercial or U.S. Postal Service overnight or express delivery service.

(2) If by personal delivery, a copy of the subpoena must be delivered to the person to be served, or to a member of the partnership to be served, or to an executive officer or a director of the corporation or unincorporated association to be served, or to a person authorized by appointment or by law to receive process for the person or entity named in the subpoena.

(3) If by delivery to an address, a copy of the subpoena must be left at the principal office or place of business of the person, partnership, corporation, or unincorporated association to be served, or at the residence or usual dwelling place of the person, member of the partnership, or officer or director of the corporation or unincorporated association to be served, with someone of suitable age and discretion.

(b) Proof of service—

(1) When service is by registered, certified, overnight, or express mail, it is complete upon delivery of the document by the Postal Service or commercial service.

(2) The return Postal Service receipt for a document that was registered or certified and mailed, the signed receipt for a document delivered by an overnight or express delivery service, or the Return of Service completed by the individual serving the subpoena by personal delivery shall be proof of service.

Subpart D—Intergovernmental Partnership

§ 101.400 What is the purpose of this subpart?

(a) This subpart implements section 401 of the Intergovernmental Cooperation Act (31 U.S.C. 6506 et seq.) which promotes intergovernmental partnership and strengthens Federalism by relying on state processes and state, area-wide, regional, and local coordination for the review of proposed Federal financial assistance and direct Federal development.

(b) While guiding SBA’s management, this subpart does not create any right or benefit enforceable at law.
§ 101.401 What programs and activities of SBA are subject to this subpart?

SBA publishes in the FEDERAL REGISTER a list of programs and activities subject to this subpart.

§ 101.402 What procedures apply to the selection of SBA programs and activities?

(a) A state may—

(1) Select any program or activity published in the FEDERAL REGISTER under § 101.401 for intergovernmental review (providing it consults with local elected officials before doing so) and then notify the Administrator of the programs and activities selected; and

(2) Notify the Administrator of changes in its selections at any time. For each change, the state submits to the Administrator an assurance that it consulted with local elected officials regarding the change.

(b) SBA may establish deadlines by which states must inform the Administrator of changes in their program selections.

(c) After receiving notice of a state’s selections, the Administrator uses a state’s process as soon as feasible depending on individual programs and activities.

(d) “State” means any of the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, the Commonwealth of the Northern Mariana Islands, Guam, American Samoa, the U.S. Virgin Islands, or the Trust Territory of the Pacific Islands.

§ 101.403 What are the notice and comment procedures?

(a) The Administrator provides notice to directly affected state, area-wide, regional, and local entities in a state of proposed SBA financial assistance or direct SBA development if—

(1) The state has not adopted a process under Executive Order 12297 (3 CFR, 1982 Comp., p. 197); as amended by Executive Order 12416 (3 CFR, 1983 Comp., p. 186); or

(2) The assistance or development involves a program or activity not selected for the state process.

(b) Notice may be made by publication in the FEDERAL REGISTER or other means as SBA deems appropriate.

(c) Except in unusual circumstances the Administrator gives state processes or directly affected state, area-wide, regional, and local officials and entities at least 60 days to comment on proposed SBA financial assistance or direct SBA development.

(d) In cases where SBA delegates the review, coordination, and communication authority under this subpart, this section also applies.

§ 101.404 How does the Administrator receive comments?

(a) The Administrator follows the procedures of § 101.405 if—

(1) A state office or official is designated to act as a single point of contact between a state process and all Federal agencies; and

(2) That office or official transmits a state process recommendation for a program selected under § 101.402(a).

(b)(1) The single point of contact is not obligated to transmit comments from state, area-wide, regional, or local officials and entities where there is no state process recommendation.

(2) If a state process recommendation is transmitted by a single point of contact, all comments from state, area-wide, regional, and local officials and entities that differ from it must also be transmitted.

(c) If a state has not established a process, or is unable to submit a state process recommendation, state, area-wide, regional, and local officials and entities may submit comments to SBA.

(d) If a program or activity is not selected for a state process, state, area-wide, regional, and local officials and entities may submit comments to SBA.

(e) If a program or activity is not selected for a state process, the Administrator considers comments which do not constitute a state process recommendation submitted under this subpart and for which SBA is not required to apply the procedures of § 101.405 when such comments are provided by a state or any local entity in a state directly to SBA by a commenting party.
§ 101.405 How does the Administrator respond to comments?

(a) If a state process provides a recommendation to SBA through its single point of contact, the Administrator:
   (1) Accepts the recommendation; or
   (2) Reaches a mutually agreeable solution with the state process; or
   (3) Provides the single point of contact with a written explanation of the decision in a form the Administrator deems appropriate. The Administrator may also supplement the written explanation by telephone or other means.

(b) In any explanation under paragraph (a)(3) of this section, the Administrator informs the single point of contact that—
   (1) SBA will not implement its decision for at least 10 days after the single point of contact receives the explanation; or
   (2) Because of unusual circumstances the waiting period of at least 10 days is not feasible.

(c) For purposes of computing the waiting period under paragraph (b)(1) of this section, a single point of contact is presumed to have received written notification 5 days after the date of mailing.

§ 101.406 What are the Administrator's responsibilities in interstate situations?

The Administrator is responsible for—

(a) Identifying proposed SBA financial assistance and direct SBA development that have an impact on interstate areas;

(b) Notifying appropriate officials and entities in states which have adopted a process and selected an SBA program or activity;

Subpart A—Disclosure of Information

§ 102.1 What does this subpart do?

This subpart describes the procedures by which the SBA makes documents available under the Freedom of Information Act (“FOIA”) (5 U.S.C. 552).

§ 102.2 How can I get records from SBA?

(a) You can go to the SBA office at which the records are kept, and photostat any final SBA decision, policy statement, or standard operating procedure.

(b) For copies of all other records, you must send a letter request to the SBA office at which the records are kept. The letter must describe specific records you want. If you don’t know which SBA office keeps the records, you may send your letter to the nearest SBA District Office. You may also send your letter to the Chief, FOIA & PA Office, 409 Third Street SW., Suite 5000, Washington DC 20416. The office receiving your letter will forward it to the correct office.

§ 102.3 How long will it take for SBA to respond to my request for records?

(a) If you have met the fee requirements of §102.8, SBA will respond within 10 working days after the correct office receives your request, unless you have requested an especially large number of records, the records are not located in the office handling the request, or SBA needs to consult with another government office.

(b) If you make your request on behalf of another person, SBA will respond within 10 working days after you present a document signed by that person authorizing you to request information on his or her behalf. If you make your request on behalf of another person without including such signed authorization, SBA will inform you of the authorization needed.

(c) If you send your request to the wrong office, that office will send it to the correct office within 10 working days and will send you an acknowledgment letter.

(d) If SBA determines that one of the circumstances described in paragraph (a) of this section apply, it will respond within 20 working days of the date upon which the correct office receives your request, and will notify you that the extra time is required.
§ 102.4 How will SBA respond to my request?

Within the time limit described in § 102.3, SBA will either:
(a) Give you all the records you requested;
(b) Give you some or none of the records you requested, explain why SBA has decided not to comply fully with your request, citing specific exemptions where applicable, and explain how to appeal that decision; or
(c) Tell you that you will not receive a response until you have either paid your fee or committed to the amount of fee you will pay, as applicable.

§ 102.5 If SBA grants my request, which records will be supplied?
SBA will give you copies of all records or portions of records requested which are in the processing office as of the close of the day upon which that office received your request.

§ 102.6 How will SBA respond to requests for business information?
(a) Business information is a trade secret, or commercial or financial information, contained in records provided to SBA by any person and which may be protected from disclosure under Exemption Four of FOIA (5 U.S.C. 552(b)(4)).
(b) The submitter is the business entity to which the business information pertains and which submitted the information to SBA, either directly or through an intermediary, such as a bank.
(c) SBA will disclose upon request business information that has previously been released to the general public.
(d) If you request business information submitted to SBA prior to March 1, 1996 which has not previously been released to the general public, SBA will notify the submitter if it intends to release business information which either the submitter has previously claimed or which SBA believes to be confidential and the disclosure of which would cause substantial competitive harm. The submitter will have 5 working days to object to the disclosure, explaining why the harm would occur.
(e) If you request business information submitted to SBA after March 1, 1996 which has not previously been released to the general public, SBA will notify the submitter if it intends to release business information which either the submitter has previously claimed or which SBA believes to be confidential and the disclosure of which would cause substantial competitive harm. The submitter will have 5 working days to object to the disclosure, explaining why the harm would occur.

§ 102.7 What are the procedures for submitters of business information to SBA after March 1, 1996?
Submitters may identify business information at the time of submission which would likely cause them substantial competitive harm if disclosed. The identification shall lapse after 10 years, unless renewed in writing.

§ 102.8 What fees will SBA charge?
(a) Basic fees.
(1) For manual record search. SBA will charge $18 per hour.
(2) For computer record searches. SBA will charge the actual costs.
(3) For review and disclosure determinations. SBA will charge $18 per hour.
(4) Duplication. SBA will charge 10 cents per page for photocopy duplication, and the actual cost of reproduction for other methods.
(5) Certifying records. SBA will charge actual costs.
(b) If you are a representative of an educational institution, a non-commercial scientific institution, or a member of the news media, SBA will charge you only for the cost of duplication after the first 100 pages.
(1) What is an educational institution? A state-certified preschool, elementary or secondary school, an accredited college or university, an accredited institution of professional education, or any accredited or state-certified institute of vocational education which operates a program or programs of scholarly research.

(2) What is a non-commercial scientific institution? An organization which is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry.

(3) What is a representative of an educational or non-commercial scientific institution? A requester seeking records on behalf of that institution who is authorized by that institution to do so, and who is seeking those records for scholarly or scientific reasons, as long as there is no commercial purpose to the request for records.

(4) What is a representative of the news media? An individual who is actively gathering news for an entity that is organized and operated to disseminate information to the general public. To be considered “news media”, this organization may provide information by subscription and may target its dissemination to a narrow section of the general public as long as any member of the general public may purchase information from it. If you are not employed by the news media, but have a reasonable expectation that you will sell the information you obtain to the news media, SBA may conclude that you are a representative of the news media. SBA will not consider you to be a representative of the news media if your request has a commercial purpose, beyond the commercial purpose of selling information to the general public.

(c) Member of the general public. If you are a member of the general public, SBA will not charge you for the first two hours of search time, the first hundred pages of photocopy duplication, or for review and disclosure determinations. The general public is anyone who is not a representative of an educational institution, a representative of the news media, or a commercial requester.

(d) Commercial requester. If you are a commercial requester you must pay all the basic fees set forth in paragraph (a) of this section. A commercial requester is anyone seeking information for commercial, trade, or profit interests of the requester or someone he or she is trying to help.

(e) How does SBA determine what category of requester I am? The SBA office processing your request will determine the appropriate category. If you are not a commercial requester, you must show us what category of requester you are.

(f) Tell us how much you are willing to pay. To get the quickest possible response, you must tell SBA how much money you are willing to pay in fees when you make your request for records.

(g) If you don’t tell us how much you are willing to pay and SBA estimates that the fee will exceed $25.00, SBA will estimate the fee and will not process your request until you tell SBA that you are willing to pay the estimated amount, or until you narrow the request so that the fee is less than $25.

(h) SBA will waive fees less than $25.

(i) If the fee is more than $250, or if you have a history of failing to pay FOIA fees in a timely manner, SBA will ask you to remit the estimated amount and any past due charges before sending you the records.

(j) Who determines the fee? The SBA office which processes your request.

(k) When do you pay the fee? SBA will bill you when it responds to your request. You must pay within thirty-one calendar days.

(l) Failure to pay fees. (1) If you do not pay by the thirty-first day after the billing date, SBA will charge interest at the maximum rate allowed under Title 31 of the United States Code, section 3717.

(2) If you do not pay the amount due within ninety calendar days of the due date, SBA may notify consumer credit reporting agencies of your delinquency.

(3) If you owe fees for previous FOIA responses, SBA will not respond to further requests unless you satisfy the amount due.

(m) Unsuccessful searches. If SBA’s search for records is unsuccessful, it will still bill you for the search.

(n) Multiple requests. If you make multiple requests at or about the same
time, SBA will aggregate your requests for records. In no case will SBA give you more than the first two hours of search time, or more than the first 100 pages of duplication without charge.

(o) Reduction of fees in the public interest. If SBA determines that disclosure of the information you seek is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government, and that you are not seeking the information in your own commercial interests, SBA may waive or reduce the fee.

§ 102.9 How may I appeal a denial of my request for information or a fee determination?

(a) You must write to the Chief, FOIA & PA Office at 409 Third Street SW., Suite 5900, Washington, DC 20416.

(b) The Chief must receive your written appeal within 45 calendar days of the date of the SBA determination from which you are appealing.

(c)(1) If you are appealing a denial of your request for information, the appeal must contain the following information:

(i) What records were denied.

(ii) The name and title of the individual who denied the request and the address of his or her office.

(iii) Any other information you deem appropriate.

(2) If you are appealing a fee determination, the appeal must contain the following information:

(i) The address of the office which made the fee determination from which you are appealing.

(ii) The fee charged.

(iii) The fee, if any, you believe should have been charged.

(iv) The reasons you believe that your fee should be lower than the fee which the Agency charged.

(v) Any other information you deem appropriate.

(d) The Chief will decide your appeal, unless the Chief originally made the determination you are appealing. In that case, SBA’s Assistant Administrator for Hearings and Appeals will decide your appeal.

(e) SBA will decide your appeal within 20 working days from the date of its receipt. SBA may have an additional 10 working days if unusual circumstances require.

(f)(1) If you are appealing a decision to deny your request for records, SBA will either:

(i) Give you the records you requested; or

(ii) Decline to give you the records you requested, tell you why SBA has concluded that the records were exempt from disclosure under FOIA, and tell you how to obtain judicial review of SBA’s decision.

(2) If you are appealing a fee determination, SBA will either charge the fee you request or charge another fee and explain why SBA has concluded that the fee it has decided to charge is appropriate.

§ 102.10 How can I get the Public Index of SBA materials?

(a) The Public Index is a document which provides identifying information about official documents which SBA has issued.

(b) SBA has administratively determined, as permitted by FOIA, that periodic publication and distribution is unnecessary and impracticable.

(c) The Public Index is set forth in Appendix 3 of SBA Standard Operating Procedure 40 03. You can obtain the Public Index from any SBA office.

§ 102.11 What happens if I ask SBA for a record that another Federal agency generated?

Such a request is a request directed to the wrong office, as that term is used in §102.3(c). SBA will forward your request to the generating agency.

§ 102.12 What happens if I subpoena records or testimony of employees in connection with a civil lawsuit, criminal proceeding or administrative proceeding to which SBA is not a party?

(a) The person to whom the subpoena is directed must consult with SBA counsel in the relevant SBA office, who will seek approval for compliance from the Associate General Counsel for Litigation. Except where the subpoena requires the testimony of an employee of the Inspector General’s office, or records within the possession of the Inspector General, the Associate General
Counsel may delegate the authorization for appropriate production of documents or testimony to local SBA counsel.

(b) If SBA counsel approves compliance with the subpoena, SBA will comply.

(c) If SBA counsel disapproves compliance with the subpoena, SBA will not comply, and will base such non-compliance on an appropriate legal basis such as privilege or a statute.

(d) SBA counsel must provide a copy of any subpoena relating to a criminal matter to SBA's Inspector General prior to its return date.

Subpart B—The Privacy Act

§102.20 What privacy rights does this subpart regulate?

This subpart establishes SBA’s policy and procedures safeguarding an individual against an invasion of personal privacy.

(a) Except as otherwise provided by law or regulation, SBA will permit you to do the following:

(1) Determine what records pertaining to you are collected, maintained, used, or disseminated by SBA;

(2) Object when records pertaining to you are obtained by SBA for a particular purpose and are proposed to be used or made available for another purpose without your consent; and

(3) Gain access to information pertaining to you in records, have a copy made of all or any portion of those records, and correct or amend such records as appropriate.

(b) SBA will collect, maintain, use, or disseminate any record of identifiable personal information in a manner that assures that such action is for a necessary and lawful purpose, that the information is current and accurate for its intended use, and that adequate safeguards are provided to prevent misuse of such information.

(c) SBA will permit exemptions from the requirements of 5 U.S.C. 552a (Privacy Act of 1974) (“PA”) only where an important public policy need for such exemption has been determined pursuant to or under specific statutory authority.

§102.21 How will SBA maintain records?

SBA records will:

(a) Contain only such information about an individual as is relevant and necessary to accomplish a purpose required of SBA by statute, regulation, or by Executive Order of the President.

(b) Be comprised, to the maximum practical extent, of an individual’s own statements when the information may result in an adverse determination about an individual’s rights, benefits, or privileges under a Federal program.

§102.22 When will SBA disclose records?

SBA will not disclose to anyone any record which is contained in a system of records, except that it will disclose a record:

(a) To the person about whom the record is maintained, or to that person’s agent, within the limits discussed in this subpart;

(b) To those SBA employees who have a need for the record to perform their duties;

(c) When required under 5 U.S.C. 552 (FOIA);

(d) For a routine use of the record compatible with the purpose for which it was collected;

(e) To the Bureau of the Census for purposes of planning or carrying out a census, survey, or related activity pursuant to Title 13, United States Code;

(f) To a recipient who has provided the Agency with advance adequate written assurance that the record will be used solely as a statistical research or reporting record, where the record is transferred in a form that is not individually identifiable;

(g) To the National Archives of the United States as a record which has sufficient historical or other value to warrant its continued preservation by the U.S. Government, or for evaluation by the Administrator of General Services or his or her designee to determine whether the record has such value;

(h) To another agency or to an instrumentality of any governmental jurisdiction within or under the control of the United States for a civil or criminal law enforcement activity if:

(1) The activity is authorized by law; and
§ 102.23 Are there special rules about personnel and equal employment opportunity files?

(a) The provisions of parts 293 and 297 of title 5 of the Code of Federal Regulations govern all SBA files which the Office of Personnel Management determines are personnel files.

§ 102.24 What is a record?

A record is information which SBA maintains on an individual and which includes either his name or an identifying symbol (such as a fingerprint, a social security number (“SSN”), or a photograph).

§ 102.25 What is a system of records?

A system of records is one or more records which SBA routinely keeps for official purposes, and from which SBA can retrieve records by using a name or personal identifier.

§ 102.26 What does this subpart mean by “person to whom a record pertains” or “you”?

When this subpart refers to the “person to whom a record pertains” or uses the pronoun “you”, it refers to a United States citizen or a lawfully admitted alien. It does not refer to a corporation, partnership, or sole proprietorship.

§ 102.27 What records are partially exempt from the provisions of the Privacy Act?

(a) The following systems of records are exempt from certain provisions of the PA: Audit Reports (system of records #SBA 015), Litigation and Claims Files (#SBA 070), Personnel Security Files (#SBA 100), Security and Investigations Files (#SBA 120), Office of Inspector General Referrals (#SBA 125), Investigations Division Management Information System (#SBA 130), and Standards of Conduct Files (#SBA 140).

(b) The provisions of the PA from which these systems of records are exempt are subsections (c)(3) (Accounting of Certain Disclosures), (d) (Access to Records), (e)(1), 4G, H, and I (Agency Requirements), and (f) (Agency Rules).

(c) The systems of records described in paragraph (a) of this section are exempt from the provisions of the Privacy Act described in paragraph (b) of this section in order to:

1. Prevent the subject of investigations from frustrating the investigatory process;
2. Protect investigatory material compiled for law enforcement purposes;
3. Fulfill commitments made to protect the confidentiality of sources and to maintain access to necessary sources of information; or
4. Prevent interference with law enforcement proceedings.

(d) In addition to the foregoing exemptions in paragraphs (a) through (c) of this section, the systems of records described in paragraph (a) of this section numbered SBA 015, 100, 120, 125 and 130 are fully exempt from the Privacy Act to the extent that they contain:
§ 102.32 What do Systems Managers do?

Systems Managers have the following responsibilities, among others, for the offices for which they are appointed:
(a) Acting as the initial contact person for individuals seeking access to or amendment of their records.
(b) Responding to requests for information.
(c) Discussing the availability of records with individuals.
(d) Amending records in cases where amended information is not controversial and does not involve policy decisionmaking.
(e) Informing individuals of any reproduction fees to be charged.
(f) Assuring that their systems of records contain no record describing how any individual exercises rights guaranteed by the First Amendment unless expressly authorized by statute or by the individual about whom the record is maintained, or unless pertinent to and within the scope of an authorized law enforcement activity.

§ 102.29 Who administers SBA’s responsibilities under the Privacy Act?

The PA Officer has overall responsibility for administering the PA for SBA. A Systems Manager is responsible for administering the PA as to systems of records within an SBA Office.

§ 102.30 How can I write to the Privacy Act Officer?

You can write to the PA Officer at 400 Third Street SW., Suite 5900, Washington, DC 20416.

§ 102.31 Who appoints Systems Managers?

The senior official in each field office and each Headquarters program area designates himself or herself or appoints another as the Systems Manager for that office.

§ 102.28 What about information compiled for a civil action?

No individual shall have access to any information compiled by SBA in reasonable anticipation of a civil action or proceeding. § 102.33 How can I write to a Systems Manager?
You can write to a Systems Manager by writing to the SBA Office which maintains the record you are seeking. If you do not know which office that is, or you do not know the address of that office, you can write to the PA Officer at 409 3rd Street SW., Suite 5900, Washington, DC 20416, who will forward your request to the proper Systems Manager.

§ 102.34 How can I see records kept on me?
(a) You may look at any information pertaining to yourself contained in any SBA system of records unless some law or regulation prohibits it.
(b) In order to see this information, you must ask for it in writing, identifying what records you want. The writing should be addressed to the Systems Manager overseeing the system of records containing the record you wish to see.
(c) The Systems Manager (or, when appropriate, the PA Officer) may ask for more specific information about the system of records in which the document you are seeking is kept, and may ask you for identification. The Systems Manager may ask you for your social security number but you are not obliged to present it and your request will not be denied simply because you do not provide it. The Systems Manager may, however, deny your request if he or she cannot determine that you are the person to whom the information pertains.

§ 102.35 How long will it take SBA to respond to my request?
The Systems Manager will respond within 10 working days.

§ 102.36 How will SBA respond to my request?
The Systems Manager will inform you that:
(a) Your request is denied, in which case he or she will set forth the reasons for denial and your rights to appeal; or
(b) Your request is granted and you may view your record, in which case he or she will set forth the time and date for you to review your record in the presence of an SBA employee; or
(c) Your request is granted and, unless you object, SBA will mail you a copy of your record. SBA will mail you your record only if it determines that there are no other reasonable means for you to obtain access to your record.

§ 102.37 How may I appeal a decision to deny me access to my records?
Your appeal should be in writing and should set forth any information you think would show that you should have access to your records.

§ 102.38 To whom should my appeal be addressed?
(a) Denial of a personnel file. Address an appeal of a denial of a request for a personnel file to the Office of Personnel Management, 1900 E Street NW., Washington, DC 20006.
(c) All other appeals. Appeal the denial of any other record to the PA Officer. See §102.30.

§ 102.39 By when must I appeal to the Privacy Act Officer?
Your appeal must reach the PA Officer on or before 30 calendar days after the date the denial was issued. If your appeal is based on the failure of the Systems Manager to answer your request, your appeal must reach the PA Officer on or before 90 calendar days after the date by which the Systems Manager should have responded under §102.35.

§ 102.40 When will SBA respond to my appeal?
The PA Officer will respond to you within 30 working days of the date when your appeal was received.

§ 102.41 How will SBA respond to my appeal?
The PA Officer will inform you that:

(b) Equal Employment Opportunity Complaint File. Address your appeal to the Equal Employment Opportunity
§ 102.50

Commission, 1801 L Street NW., Washington, DC 20036.

(c) All other appeals. Address your appeal to the PA Officer. See §102.30.

§ 102.50 By when must I submit my appeal?

Your appeal must be received by the PA Officer within 30 calendar days of the date the Systems Manager declined to amend your records, or within 90 calendar days of the date the Systems Manager should have responded under §102.46 if the Systems Manager did not so respond.

§ 102.51 By what standards will the Privacy Act Officer review my appeal?

The PA Officer will decide your appeal using the criteria of accuracy, relevance, timeliness, and completeness described in §102.44. The PA Officer will review all relevant information and may seek the views of other SBA personnel. The PA Officer may review information not available to or not used by the Systems Manager.

§ 102.52 When will SBA respond to my appeal?

The PA Officer will respond to your appeal within 30 working days of its receipt, unless the Administrator determines that unusual circumstances exist, in which case the PA Officer will notify you of the presence of these unusual circumstances within 30 working days of the date upon which he or she received your appeal, and will respond to your appeal within 60 working days of the date of receipt.

§ 102.53 How will SBA respond to my appeal?

The PA Officer will:
(a) Make the amendment you request, sending all individuals who had previously received a copy of that record a copy of the amended record; or
(b) Amend the record in a different manner; or decline to amend it at all:
(1) Sending all individuals who had previously received a copy of that record a copy of the amended record;
(2) Telling you why your request was not granted in full and that you can seek judicial review; and
(3) Marking the areas of dispute, including your statement of disagreement in the file, and, if appropriate, a concise statement of why SBA refused to amend the record as you requested, sending this material to all individuals who had previously received a copy of that record.

§ 102.54 How can I obtain judicial review of an SBA Privacy Act decision?

You may bring a civil action against SBA in a United States district court if the SBA:
(a) Makes a final determination not to provide you with access to or to amend your record in accordance with your request;
(b) Fails to maintain your records with such accuracy, relevance, timeliness and completeness as is necessary to assure fairness in any determination relating to the qualifications, character, rights, opportunities of, or benefits to you that may be made on the basis of such records, and consequently a determination is made which harms you; or
(c) Fails to comply with any other provisions of the PA (5 U.S.C. 552a) or the implementing regulations in this subpart, in such a way as to cause harm to you.

§ 102.55 What must SBA tell the individuals from whom it collects information?

When SBA collects information from an individual, it must, either on the form which collects the information or on a separate form which the individual may keep, state:
(a) Whether disclosure of the information is voluntary or mandatory;
(b) By what authority SBA is collecting the information;
(c) For what principal purpose or purposes SBA is collecting the information;
(d) What routine uses might be made of that information; and
(e) What will happen if the information isn’t supplied.

§ 102.56 Will SBA release my name or address?

No, unless compelled to by law.
§ 102.57 Do I have to give SBA my SSN?
(a) No. You need not give SBA your SSN, even if SBA asks for it.
(b) If SBA asks you for your SSN, it must tell you under what authority it seeks your SSN, and for what purpose.
(c) SBA cannot withhold a benefit solely because you refuse to tell it your SSN.

§ 102.58 When will SBA show personnel records to a representative?
(a) If you go to where the records are kept, SBA will permit one person of your choosing to inspect the records with you.
(b) If you want your representative to inspect the records without you, you must give SBA a written authorization.
(c) SBA will mail a copy of the record to your representative if you direct SBA to do so in writing.
(d) You may inspect the records of a minor if you present evidence that you are the custodial parent (including joint custodial parent) or legal guardian of that minor. An affidavit or declaration, signed by you under penalty of perjury, is normally sufficient evidence unless SBA has information to the contrary.
(e) You may inspect the records of an adult incompetent if you present evidence that you are the legal guardian of that person. A guardianship order is sufficient evidence of your guardianship. Other evidence may be considered.

§ 102.59 What fees will SBA charge me for my records?
SBA will charge you only for photocopying at the rate of 10 cents per page. SBA will not charge you for finding or reviewing your records. Fees less than $25 will be waived.

§ 102.60 May I be informed of disclosures made of my records?
SBA will tell you what disclosures it made of your records if you ask, except that SBA will not tell you about disclosures it made to another federal agency or government entity for law enforcement purposes.

§ 102.61 Are there Matching Program procedures?
(a) SBA will comply with the Computer Matching and Privacy Protection Act of 1988 (5 U.S.C. 552a, 552a notes). This Act establishes procedures federal agencies must use if they want to match their computer lists.
(b) If SBA adopts any procedures to supplement its compliance with the Computer Matching and Privacy Protection Act of 1988 which are not mandated in that Act, SBA will publish those procedures in Standard Operating Procedure (SOP) 40 04. You can get a copy of SOP 40 04 at any SBA Office.
(c) If SBA enters into an agreement with any federal agency, contractor of any federal agency, state or local government, or agency of any state or local government to disclose records for purposes of a computer matching program, SBA will make a copy of that agreement available to the general public. You can get a copy of any such agreement by writing to the Privacy Act Officer.

PART 103—STANDARDS FOR CONDUCTING BUSINESS WITH SBA

§ 103.1 Key definitions.

§ 103.2 Who may conduct business with SBA?

§ 103.3 May SBA suspend or revoke an Agent’s privilege?

§ 103.4 What is “good cause” for suspension or revocation?

§ 103.5 How does SBA regulate an Agent’s fees and provision of service?

SOURCE: 61 FR 2681, Jan. 29, 1996, unless otherwise noted.
§ 103.2 Who may conduct business with SBA?

(a) If you are an Applicant, a Participant, a partner of an Applicant or Participant partnership, or serve as an officer of an Applicant, Participant corporation, or limited liability company, you may conduct business with SBA without a representative.

(b) If you are an Agent, you may conduct business with SBA on behalf of an Applicant, Participant or lender, unless representation is otherwise prohibited by law or the regulations in this part or any other part in this chapter. For example, persons debarred under the SBA or Government-wide debarment regulations may not conduct business with SBA. SBA may request that any Agent supply written evidence of his or her authority to act on behalf of an Applicant, Participant, or lender as a condition of revealing any information about the Applicant's, Participant's, or lender's current or prior dealings with SBA.

(c) Applicant means any person, firm, concern, corporation, partnership, cooperative or other business enterprise applying for any type of assistance from SBA.

(d) Lender Service Provider means an Agent who carries out lender functions in originating, disbursing, servicing, or liquidating a specific SBA business loan or loan portfolio for compensation from the lender. SBA determines whether or not one is a "Lender Service Provider" on a loan-by-loan basis.

(e) Packager means an Agent who is employed and compensated by an Applicant or lender to prepare the Applicant's application for financial assistance from SBA. SBA determines whether or not one is a "Packager" on a loan-by-loan basis.

(f) Referral Agent means a person or entity who identifies and refers an Applicant to a lender or a lender to an Applicant. The Referral Agent may be employed and compensated by either an Applicant or a lender.

(g) Participant means a person or entity that is participating in any of the financial, investment, or business development programs authorized by the Small Business Act or Small Business Investment Act of 1958.

§ 103.3 May SBA suspend or revoke an Agent's privilege?

The Administrator of SBA or designee may, for good cause, suspend or revoke the privilege of any Agent to conduct business with SBA. Part 134 of this chapter states the procedures for appealing the decision to suspend or revoke the privilege. The suspension or revocation remains in effect during the pendency of any administrative proceedings under part 134 of this chapter.

§ 103.4 What is "good cause" for suspension or revocation?

Any unlawful or unethical activity is good cause for suspension or revocation of the privilege to conduct business. This includes:

(a) Attempting to influence any employee of SBA or a lender, by gifts, bribes or other unlawful or unethical activity, with respect to any matter involving SBA assistance.

(b) Soliciting for the provision of services to an Applicant by another entity when there is an undisclosed business relationship between the two parties.

(c) Violating ethical guidelines which govern the profession or business of the Agent or which are published at any time by SBA.

(d) Implying or stating that the work to be performed for an Applicant will include use of political or other special influence with SBA. Examples include indicating that the entity is affiliated with or paid, endorsed or employed by SBA, advertising using the words Small Business Administration or SBA in a manner that implies SBA's endorsement or sponsorship, use of SBA's seal or symbol, and giving a "guaranty" to an Applicant that the application will be approved.
(e) Charging or proposing to charge any fee that does not bear a necessary and reasonable relationship to the services actually rendered or expenses actually incurred in connection with a matter before SBA or which is materially inconsistent with the provisions of an applicable compensation agreement or Lender Service Provider agreement. A fee based solely on a percentage of a loan or guarantee amount can be reasonable, depending on the circumstances of a case and the services actually rendered.

(f) Engaging in any conduct indicating a lack of business integrity or business honesty, including debarment, criminal conviction, or civil judgment within the last seven years for fraud, embezzlement, theft, forgery, bribery, falsification or destruction of records, false statements, conspiracy, receiving stolen property, false claims, or obstruction of justice.

(g) Acting as both a Lender Service Provider or Referral Agent and a Packager for an Applicant on the same SBA business loan and receiving compensation for such activity from both the Applicant and lender. A limited exception to this “two master” prohibition exists when an Agent acts as a Packager for packaging services; also acts as a Referral Agent and is compensated by the Applicant; discloses the referral activities to the Applicant; and discloses the packaging activities to the lender.

(h) Violating materially the terms of any compensation agreement or Lender Service Provider agreement provided for in §103.5.

(i) Violating or assisting in the violation of any SBA regulations, policies, or procedures of which the Applicant has been made aware.

§103.5 How does SBA regulate an Agent’s fees and provision of services?

(a) Any Applicant, Agent, or Packager must execute and provide to SBA a compensation agreement, and any Lender Service Provider must execute and provide to SBA a Lender Service Provider agreement. Each agreement governs the compensation charged for services rendered or to be rendered to the Applicant or lender in any matter involving SBA assistance. SBA provides the form of compensation agreement and a suggested form of Lender Service Provider agreement to be used by Agents.

(b) Compensation agreements must provide that in cases where SBA deems the compensation unreasonable, the Agent or Packager must: reduce the charge to an amount SBA deems reasonable; refund any sum in excess of the amount SBA deems reasonable to the Applicant; and refrain from charging or collecting, directly or indirectly, from the Applicant an amount in excess of the amount SBA deems reasonable.

(c) Each Lender Service Provider must enter into a written agreement with each lender for whom it acts in that capacity. SBA will review all such agreements. Such agreements need not contain each and every provision found in the SBA’s suggested form of agreement. However, each agreement must indicate that both parties agree not to engage in any sharing of secondary market premiums, that the services to be provided are accurately described, and that the agreement is otherwise consistent with SBA requirements. Subject to the prohibition on splitting premiums, lenders have reasonable discretion in setting compensation for Lender Service Providers. However, such compensation may not be directly charged to an Applicant or borrower.

You must obtain SBA’s prior written approval for any proposed transfer or issuance of ownership interests that result in the ownership (beneficial or of record) by any Person, or group of Persons acting in concert, of at least 10 percent of any class of your stock or partnership capital.

(b) Fee. A processing fee of $200 must accompany each such request for approval of a change of ownership.

§ 107.410 Changes in Control of Licensee (through change in ownership or otherwise).

(a) Prior approval requirements. You must obtain SBA’s prior written approval for any proposed transaction or event that results in Control by any Person(s) not previously approved by SBA.

(b) Fee. A processing fee of $10,000 must accompany any application for approval of one or more transactions or events that will result in a transfer of Control.

(c) Permit the proposed new owner(s) to participate in any manner in the conduct of your affairs (including exercising control over your books, records, funds or other assets; participating directly or indirectly in any disposition thereof; or serving as an officer, director, partner, employee or agent);

(d) Allow ownership or Control to pass to another Person.

§ 107.430 Notification to SBA of transactions that may change ownership or Control.

You must promptly notify SBA as soon as you have knowledge of transactions or events that may result in a transfer of Control or ownership of at least 10 percent of your capital. If there is any doubt as to whether a particular transaction or event will result in such a change, report the facts to SBA.

§ 107.440 Standards governing prior SBA approval for a proposed transfer of Control.

SBA approval is contingent upon full disclosure of the real parties in interest, the source of funds for the new owners’ interest, and other data requested by SBA. As a condition of approving a proposed transfer of control, SBA may:

(a) Require an increase in your Regulatory Capital;

(b) Require the new owners or the transferee’s Control Person(s) to assume, in writing, personal liability for your Leverage, effective only in the event of their direct or indirect participation in any transfer of Control not approved by SBA;

(c) Require compliance with any other conditions set by SBA.

§ 107.450 Notification to SBA of pledge of Licensee’s shares.

(a) You must notify SBA in writing, within 30 calendar days, of the terms of any transaction in which:

(1) Any Person, or group of Persons acting in concert, pledges shares of your stock (or equivalent ownership interests) as collateral for indebtedness; and

(2) The shares pledged are at least 10 percent of your Regulatory Capital.

§ 107.460 Restrictions on Common Control or Ownership of Two or More Licensees

(a) General rule. Without SBA’s prior written approval, you must not have an officer, director, manager, Control Person, or owner (with a direct or indirect ownership interest of at least 10 percent) who is also:

(1) An officer, director, manager, Control Person, or owner (with a direct or indirect ownership interest of at least 10 percent) of another Licensee; or

(2) An officer or director of any Person that directly or indirectly controls, or is controlled by, or is under Common Control with, another Licensee.

(b) Exceptions to general rule. This §107.460 does not apply to:

(1) Common officers, directors, managers, or owners of a Section 301(c) Licensee and its Section 301(d) subsidiary; or

(2) Common officers, directors, managers, Control Persons, or owners of two (or more) Licensees which have no Leverage.

13 CFR Ch. I (1-1-98 Edition)

Subpart E—Managing the Operations of a Licensee

General Requirements

§ 107.500 Lawful operations under the Act.

You must engage only in the activities contemplated by the Act and in no other activities.

§ 107.501 Identification as a Licensee.

You must display your SBIC license in a prominent location. You must also have a listed telephone number. Before collecting an application fee or extending Financing to a Small Business, you must obtain a written statement from the concern acknowledging its awareness that you are “a Federal licensee under the Small Business Investment Act of 1958, as amended.”

§ 107.502 Representations to the public.

You may not represent or imply to anyone that the SBA, the U.S. Government or any of its agencies or officers has approved any ownership interests you have issued or obligations you have incurred. Be certain to include a statement to this effect in any solicitation to investors. Example: You may not represent or imply that “SBA stands behind the Licensee” or that “Your capital is safe because SBA’s experts review proposed investments to make sure they are safe for the Licensee.”

§ 107.503 Licensee’s adoption of an approved Valuation Policy.

(a) SBA approval. You must have a written valuation policy for use in determining the value of your Loans and Investments. You must include this policy as part of your initial application to SBA.

(b) Adopting SBA’s valuation guidelines/automatic approval. If you adopt the exact wording of the Model Valuation Policy, “Valuation Guidelines for SBICs”, and make absolutely no additions or changes, then SBA will automatically accept your Valuation Policy. If SBA’s prior written approval, you may adopt a policy that differs from the model.
Small Business Administration

§ 107.510 Licensee's adoption of policy.
Your board of directors or general partners will be solely responsible for adopting your Valuation Policy and for using it to prepare valuations of your Loans and Investments for submission to SBA. If SBA reasonably believes that your valuations, individually or in the aggregate, are materially misstated, it reserves the right to require you to engage, at your expense, an independent third party, acceptable to SBA, to substantiate the valuations.

(d) Frequency of valuations.
(1) If you have outstanding Leverage or Earmarked Assets, you must value your Loans and Investments at the end of the second quarter of your fiscal year, and at the end of your fiscal year.
(2) Otherwise, you must value your Loans and Investments only at your fiscal year end.
(3) On a case-by-case basis, SBA may require you to perform valuations more frequently.
(4) You must report material adverse changes in valuations at least quarterly, within thirty days following the close of the quarter.

(e) Review of valuations by independent public accountant. Your independent public accountant must review only valuations performed as of the end of your fiscal year. The accountant's responsibility includes reviewing your valuation procedures and the implementation of such procedures, including adequacy of documentation. The accountant also has reporting responsibilities concerning the results of this review.

§ 107.504 Computer capability requirements of Licensee.
You must have a personal computer with a modem, and be able to use this equipment to prepare reports (using SBA-provided software) and transmit them by modem to SBA.

§ 107.505 Facsimile requirement.
You must be able to receive fax messages 24 hours per day at your primary office.

§ 107.506 Safeguarding Licensee's assets/Internal controls.
You must adopt a plan to safeguard your assets and monitor the reliability of your financial data, personnel, Portfolio, funds and equipment. You must provide your bank and custodian with a certified copy of your resolution or other formal document describing your control procedures.

§ 107.507 Violations based on false filings and nonperformance of agreements with SBA.
The following shall constitute a violation of this part:
(a) Nonperformance. Nonperformance of any of the requirements of any Debenture, Participating Security or Preferred Security, or of any written agreement with SBA.
(b) False statement. In any document submitted to SBA:
(1) Any false statement knowingly made; or
(2) Any misrepresentation of a material fact; or
(3) Any failure to state a material fact. A material fact is any fact which is necessary to make a statement not misleading in light of the circumstances under which the statement was made.

§ 107.508 Accessible office.
You must maintain an office that is convenient to the public and is open for business during normal working hours.

§ 107.509 Employment of SBA officials.
Without SBA's prior written approval, for a period of two years after the date of your most recent issuance of Leverage (or the receipt of any SBA Assistance as defined in part 105 of this chapter), you are not permitted to employ, offer employment to, or retain for professional services, any person who:
(a) Served as an officer, attorney, agent, or employee of SBA on or within one year before such date; and
(b) As such, occupied a position or engaged in activities which, in SBA's determination, involved discretion with respect to the granting of Assistance under the Act.

(a) Applicability of this section. This §107.530 applies if you have outstanding Leverage or if you have applied for Leverage.

§ 107.520 Management Expenses of a Licensee.

SBA must approve any increases in your Management Expenses if you have outstanding Leverage or Earmarked Assets.

(i) Salaries;
(ii) Office expenses;

(iv) Business development;
(v) Office and equipment rental;

agreement with, a federally insured institution that is your Associate is not considered a Financing of such Associate under §107.730, provided the terms of such deposit or repurchase agreement are no less favorable than those available to the general public.

BORROWING BY LICENSEES FROM NON-SBA SOURCES

§107.550 Prior approval of secured third-party debt of leveraged Licensees.

(a) Definition. In this §107.550, “secured third-party debt” means any non-SBA debt secured by any of your assets, including secured guarantees and other contingent obligations that you voluntarily assume, secured lines of credit, and secured Temporary Debt of a Licensee with outstanding Participating Securities.

(b) General rule. If you have outstanding Leverage, you must get SBA’s written approval before you incur any secured third-party debt or refinance any debt with secured third-party debt, including any renewal of a secured line of credit, increase in the maximum amount available under a secured line of credit, or expansion of the scope of a security interest or lien. For purposes of this paragraph (b), “expansion of the scope of a security interest or lien” does not include the substitution of one asset or group of assets for another, provided the asset values (as reported on your most recent annual Form 468) are comparable.

(c) Additional rule for secured lines of credit in existence on April 8, 1994. If you have outstanding Leverage and you have a secured line of credit that was created on or before April 8, 1994, you must receive SBA’s written approval of the line before you increase the amounts outstanding thereunder.

(d) Conditions for SBA approval. As a condition of granting its approval under this §107.550, SBA may impose such restrictions or limitations as it deems appropriate, taking into account your historical performance, current financial position, proposed terms of the secured debt and amount of aggregate debt you will have outstanding (including Leverage). SBA will not favorably consider any requests for approval which include a blanket lien on all your assets, or a security interest in your investor commitments in excess of 125 percent of the proposed borrowing.

(e) Thirty day approval. Unless SBA notifies you otherwise within 30 days after it receives your request, you may consider your request automatically approved if:

(1) You are in regulatory compliance;

(2) The security interest in your assets is limited to either those assets being acquired with the borrowed funds or an asset coverage ratio of no more than 2:1;

(3) Your Leverage does not exceed 150 percent of your Leverageable Capital; and

(4) Your request is for approval of a secured line of credit that would not cause your total outstanding borrowings (not including Leverage) to exceed 50 percent of your Leverageable Capital.

§107.560 Subordination of SBA’s creditor position.

(a) Debentures purchased or guaranteed on or before July 1, 1991. Under the terms of any Debenture purchased or guaranteed by SBA on or before July 1, 1991, SBA’s unsecured claims against you, as a Debenture-holder or as subrogee, are subordinated in favor of all your other creditors, except to the extent that such claims may be subject to equitable subordination in SBA’s favor.

(b) Debentures purchased or guaranteed after July 1, 1991, including refinancings of Debentures previously purchased or guaranteed. (1) Under the terms of any Debenture purchased or guaranteed by SBA after July 1, 1991, SBA’s unsecured claims against you, as a Debenture-holder or as subrogee, are subordinated only in favor of non-Associate lenders; and, to the extent that your indebtedness to such lenders exceeds the lesser of $10,000,000 or 200 percent of your Regulatory Capital (determined as of the date your Debentures were purchased or guaranteed), SBA’s unsecured claims enjoy parity with those of other unsecured creditors, except with respect to indebtedness created on or before July 1, 1991.

(2) In order to induce others to lend you money after your Debenture has
§ 107.570 Restrictions on third-party debt of issuers of Participating Securities.

(a) General. Temporary Debt is the only debt (other than Leverage) that you are permitted to incur if you have applied to issue Participating Securities or if you have outstanding Participating Securities. For additional rules governing secured Temporary Debt, see §107.550.

(b) Definition of Temporary Debt. Temporary Debt means your short-term borrowings if:
(1) Such borrowings are for the purpose of maintaining your operating liquidity or providing funds for a particular Financing of a Small Business;
(2) The funds are borrowed from a regulated financial institution or a regulated credit company (or, if approved by SBA on a case-by-case basis, from non-regulated lenders including shareholders or partners);
(3) Your total outstanding borrowings (not including Leverage) do not exceed 50 percent of your Leverageable Capital; and
(4) All such borrowings are fully paid off for at least 30 consecutive days during your fiscal year so that you have no outstanding third-party debt for 30 days.

§ 107.585 Voluntary decrease in Licensee's Regulatory Capital.

You must obtain SBA's prior written approval to reduce your Regulatory Capital by more than two percent in any fiscal year, unless otherwise permitted under §§107.1560 and 107.1570. At all times, you must retain sufficient Regulatory Capital to meet the minimum capital requirements in the Act and §107.210, and sufficient Leverageable Capital to avoid having excess Leverage in violation of section 303 of the Act and §§107.1150 through 107.1170.

REQUIREMENT TO CONDUCT ACTIVE INVESTMENT OPERATIONS

§ 107.590 Licensee's requirement to maintain active operations.

(a) Activity test. You must conduct active operations, as determined under this §107.590, as a condition of your license. You will be considered active if:
(1) During the eighteen months preceding your most recent fiscal year end, you made Financings totaling at least 20 percent of your Regulatory Capital; or
(2) Your idle funds did not exceed 20 percent of your total assets (at cost) at your most recent fiscal year end.

(b) Permitted exceptions to activity requirements. You are considered active if your failure to meet the requirements in paragraph (a) of this section is the result of one or more of the following factors:
(1) Your excess idle funds are the result of the receipt, within the previous nine months, of realized gains, repayments, additional capital contributions, or Leverage.
(2) It is necessary for you to maintain excess idle funds to conduct your operations because:
(i) Your unfunded commitments from investors are no more than 20 percent of your Regulatory Capital; and
(ii) You cannot receive additional Leverage, solely because SBA has insufficient funds available.
(3) You have not made sufficient Financings because of a lack of available funds, evidenced by Loans and Investments (at cost) equal to at least 90 percent of your Combined Capital as of your most recent fiscal year end.
(4) You have not made sufficient Financings solely because SBA has restricted your ability to make investments.

(c) Applicability of activity requirements. The activity requirements in paragraph (a) of this section do not apply if you have filed a "Wind-up
Plan approved by SBA. “Wind-up Plan” means a plan that you prepare when you decide that you will no longer make any financings other than follow-on investments, and that you update annually when you file your SBA Form 468. The plan must contain your best estimates of the following:

(1) The remaining number of years you expect to operate.
(2) For each of your Loans and Investments, the expected liquidation date and anticipated proceeds.
(3) The timing of your repayment of obligations to SBA.
(4) The timing and amount of any planned reductions in your Management Expenses.

(d) Phase-in of activity requirements.
(1) General rule. You must meet the activity requirements in this §107.590 as of the end of your first full fiscal year beginning after January 31, 1996. Until then, you will be considered active if you meet the activity requirements in effect on January 30, 1996.
(2) Rule for new Licensees. If you received your license after January 31, 1996, or if you received your license less than eighteen months before the fiscal year end determined under paragraph (d)(1) of this section, you must meet the activity requirements in this §107.590 as of the end of your second full fiscal year beginning after the date you received your license.

Subpart F—Recordkeeping, Reporting, and Examination Requirements for Licensees

RECORDKEEPING REQUIREMENTS FOR LICENSEES

§107.600 General requirement for Licensee to maintain and preserve records.

(a) Maintaining your accounting records. You must establish and maintain your accounting records using SBA’s standard chart of accounts for Licensees, unless SBA approves otherwise.

(b) Location of records. You must keep the following records at your principal place of business or, in the case of paragraph (b)(3) of this section, at the branch office that is primarily responsible for the transaction:

(1) All your accounting and other financial records;
(2) All minutes of meetings of directors, stockholders, executive committees, partners, or other officials; and
(3) All documents and supporting materials related to your business transactions, except for any items held by a custodian under a written agreement between you and a Portfolio Concern or non-SBA lender, or any securities held in a safe deposit box, or by a licensed securities broker in an amount not exceeding the broker’s per-account insurance coverage.

(c) Preservation of records. You must retain all the records that are the basis for your financial reports. Such records must be preserved for the periods specified in this paragraph (c), and must remain accessible for the first two years of the preservation period.

(1) You must preserve for at least 15 years or, in the case of a Partnership Licensee, at least two years beyond the date of liquidation:

(i) All your accounting ledgers and journals, and any other records of assets, asset valuations, liabilities, equity, income, and expenses.
(ii) Your Articles, bylaws, minute books, and license application.
(iii) All documents evidencing ownership of the Licensee including ownership ledgers, and ownership transfer registers.

(2) You must preserve for at least six years all supporting documentation (such as vouchers, bank statements, or canceled checks) for the records listed in paragraph (b)(1) of this section.

(3) After final disposition of any item in your Portfolio, you must preserve for at least six years:

(i) Financing applications and Financing instruments.
(ii) All loan, participation, and escrow agreements.
(iii) Size status declarations (SBA Form 480) and Financing Eligibility Statements (SBA Form 1941).
(iv) Any capital stock certificates and warrants of the Portfolio Concern that you did not surrender or exercise.
(v) All other documents and supporting material relating to the Portfolio Concern, including correspondence.
§ 107.610 Required certifications for Loans and Investments.

For each of your Loans and Investments, you must have the documents listed in this section. You must keep these documents in your files and make them available to SBA upon request.

(a) SBA Form 480, the Size Status Declaration, executed both by you and by the concern you are financing. By executing this document, both parties certify that the concern is a Small Business. For securities purchased from an underwriter in a public offering, you may substitute a prospectus showing that the concern is a Small Business.

(b) SBA Form 652, a certification by the concern you are financing that it will not illegally discriminate (see part 112 of this chapter).

(c) SBA Form 1941 (for Section 301(d) Licensees only), executed both by you and by the concern you are financing. By executing this document, both parties certify that the concern is a Disadvantaged Business.

(d) A certification by the concern you are financing of the intended use of the proceeds. For securities purchased from an underwriter in a public offering, you may substitute a prospectus indicating the intended use of proceeds.

§ 107.620 Requirements to obtain information from Portfolio Concerns.

All the information required by this section is subject to the requirements of § 107.600 and must be in English.

(a) Information for initial Financing decision. Before extending any Financing, you must require the applicant to submit such financial statements, plans of operation (including intended use of financing proceeds), cash flow analyses and projections as are necessary to support your investment decision. The information submitted must be consistent with the size and type of the business and the amount of the proposed Financing.

(b) Updated financial information. (1) The terms of each Financing must require the Portfolio Concern to provide, at least annually, sufficient financial information to enable you to perform the following required procedures:

(i) Evaluate the financial condition of the Portfolio Concern for the purpose of valuing your investment;

(ii) Determine the continued eligibility of the Portfolio Concern; and

(iii) Verify the use of Financing proceeds.

(2) The information submitted to you must be certified by the president, chief executive officer, treasurer, chief financial officer, general partner, or proprietor of the Portfolio Concern.

(3) For financial and valuation purposes, you may accept a complete copy of the Federal income tax return filed by the Portfolio Concern (or its proprietor) in lieu of financial statements, but only if appropriate for the size and type of the business involved.

(4) The requirements in this paragraph (b) do not apply when you acquire securities from an underwriter in a public offering (see § 107.825). In that case, you must keep copies of all reports furnished by the Portfolio Concern to the holders of its securities.

(c) Information required for examination purposes. You must obtain any information requested by SBA’s examiners for the purpose of verifying the certifications made by a Portfolio Concern under § 107.610. In this regard, your Financing documents must contain provisions requiring the Portfolio Concern to give you and/or SBA’s examiners access to its books and records for such purpose.

§ 107.630 Requirement for Licensees to file financial statements with SBA (Form 468).

(a) Annual filing of Form 468. For each fiscal year, you must submit to SBA financial statements and supplementary information prepared on SBA Form 468. You must report such changes to SBA within 30 days for post approval. A processing fee of $200 must accompany each request for post approval of new officers, directors, or Control Persons.

(2) Exception for non-leveraged Licensees. If you do not have outstanding Leverage or Earmarked Assets, you are not required to obtain post approval of new directors or new officers other than your chief operating officer; however, you must notify SBA of the new directors or officers within 30 days.

(b) Approval by SBA. You may consider any change submitted under this section § 107.680 to be approved unless SBA notifies you to the contrary within 90 days after receiving it. SBA’s approval is contingent upon your full disclosure of all relevant facts and is subject to any conditions SBA may prescribe.

§ 107.690 Examinations.

SBA will examine all Licensees for the purpose of evaluating regulatory compliance.

§ 107.691 Responsibilities of Licensee during examination.

You must make all books, records and other pertinent documents and materials available for the examination, including any information required by the examiner under § 107.620(c). In addition, the agreement between you and the independent public accountant performing your audit must provide that any information in the accountant’s working papers be made available to SBA upon request.

§ 107.692 Examination fees.

(a) General. SBA will assess fees for examinations in accordance with this § 107.692. Unless SBA determines otherwise on a case by case basis, SBA will not assess fees for special examinations to obtain specific information.

Subpart G—Financing of Small Businesses by Licensees

Determining the Eligibility of a Small Business for SBIC Financing

§ 107.700 Compliance with size standards in Part 121 of this chapter as a condition of Assistance.

You are permitted to provide financial assistance and management services only to a Small Business. To determine whether an applicant is a Small Business, you may use either the financial size standards in §121.301(c)(1) of this chapter or the industry standard covering the industry in which the applicant is primarily engaged, as set forth in §121.301(c)(2) of this chapter.

§ 107.710 Requirement to Finance Smaller Enterprises.

Your Portfolio must include Financings to Smaller Enterprises.

(a) Definition of Smaller Enterprise. A Smaller Enterprise means any small business concern that:

(1) Together with its Affiliates has a net worth of not more than $6.0 million and average net income after Federal income taxes (excluding any carry-over losses) for the preceding two years no greater than $2.0 million; or

(2) Both together with its Affiliates, and by itself, meets the size standard of §121.201 of this chapter at the time of Financing for the industry in which it is then primarily engaged.

(1) You are permitted to provide financial assistance and management services only to a Small Business. To determine whether an applicant is a Small Business, you may use either the financial size standards in §121.301(c)(1) of this chapter or the industry standard covering the industry in which the applicant is primarily engaged, as set forth in §121.301(c)(2) of this chapter.

(b) Phase 1 of Smaller Enterprise Financing requirement. At the close of your first complete fiscal year beginning on or after April 25, 1994, at least 10 percent of the total dollar amount of the Financings you extended since April 25, 1994, must have been in Smaller Enterprises.

(c) Phase 2 of Smaller Enterprise Financing requirement. At the close of each of your next fiscal years, at least 20 percent of the total dollar amount of the Financings you extended since April 25, 1994, must have been invested in Smaller Enterprises.

(d) Financing a change of ownership which results in the creation of a Smaller Enterprise. The Financing of a change of ownership under §107.750 which results in the creation of a Smaller Enterprise qualifies as a Smaller Enterprise Financing.

(e) Non-compliance with this section. If you have not reached the required percentage of Smaller Enterprise
§ 107.720 Small Businesses that may be ineligible for Financing.

(a) Relenders or reinvestors. You are not permitted to finance any business that is a relender or reinvestor.

(1) Definition. Relenders or reinvestors are businesses whose primary business activity involves, directly or indirectly, providing funds to others, purchasing debt obligations, factoring, or long-term leasing of equipment with no provision for maintenance or repair.

(2) Exception. You may provide Venture Capital Financing to Disadvantaged Businesses that are relenders or reinvestors (except banks or savings and loans not insured by agencies of the federal government, and agricultural credit companies). Without SBA’s prior written approval, total Financings under this paragraph (a)(2) that are outstanding as of the close of your fiscal year must not exceed your Regulatory Capital.

(b) Passive Businesses. You are not permitted to finance a passive business.

(1) Definition. A business is passive if:

(i) It is not engaged in a regular and continuous business operation (for purposes of this paragraph (b), the mere receipt of payments such as dividends, rents, lease payments, or royalties is not considered a regular and continuous business operation); or

(ii) Its employees are not carrying on the majority of day to day operations, and the company does not provide effective control and supervision, on a day to day basis, over persons employed under contract; or

(iii) It passes through substantially all of the proceeds of the Financing to another entity.

(2) Exception. You may finance a passive business if, for all Financings extended, it passes substantially all the proceeds through to the same eligible Small Business that is not passive.

(c) Real Estate Businesses. (1) You are not permitted to finance any business classified under Major Group 65 (Real Estate) or Industry No. 1532 (Operative Builders) of the SIC Manual, with the following exceptions:

(i) Title Abstract companies (Industry No. 6541); and

(ii) Companies listed under Industry No. 6531 (for example, real estate agents, brokers, escrow agents, managers and multiple listing services) that derive at least 80 percent of their revenue from non-Affiliate sources.

(2) You are not permitted to finance a business, regardless of SIC classification, if the Financing is to be used to acquire realty or to discharge an obligation relating to the prior acquisition of realty, unless the Small Business:

(i) Is acquiring an existing property and will use at least 51 percent of the usable square footage for an eligible business purpose; or

(ii) Is building or renovating a building and will use at least 67 percent of the usable square footage for an eligible business purpose.

(d) Project Financing. You are not permitted to finance a business if:

(1) The assets of the business are to be reduced or consumed, generally without replacement, as the life of the business progresses, and the nature of the business requires that a stream of cash payments be made to the business’s financing sources, on a basis associated with the continuing sale of assets. Examples include real estate development projects and oil and gas wells; or

(2) The primary purpose of the Financing is to fund production of a single item or defined limited number of items, generally over a defined production period, and such production will constitute the majority of the activities of the Small Business. Examples include motion pictures and electric generating plants.

(e) Farm land purchases. You are not permitted to finance the acquisition of farm land. Farm land means land which is or is intended to be used for agricultural or forestry purposes, such as the production of food, fiber, or wood, or is so taxed or zoned.

(f) Public interest. You are not permitted to finance any business if the proceeds are to be used for purposes contrary to the public interest, including but not limited to activities which
are in violation of law, or inconsistent with free competitive enterprise.

(g) Foreign investment—(1) General rule. You are not permitted to finance a business if:
   (i) The funds will be used substantially for a foreign operation; or
   (ii) At the time of the Financing or within one year thereafter, more than 49 percent of the employees or tangible assets of the Small Business are located outside the United States (unless you can show, to SBA's satisfaction, that the Financing was used for a specific domestic purpose).

(2) Exception. This paragraph (g) does not prohibit a Financing used to acquire foreign materials and equipment or foreign property rights for use or sale in the United States.

(h) Associated supplier. You are not permitted to finance a business that purchases, or will purchase, goods or services from a supplier who is your Associate, except under the following conditions:
   (1) The amount of goods and services purchased (or to be purchased) from your Associate with the proceeds of the Financing, or with funds released as a result of the Financing, is less than 50 percent of the total amount of the Financing (75 percent for a Section 301(d) Licensee);
   (2) The price of such goods and services is no higher than that charged other customers of your Associate; and
   (3) The Small Business purchases no capital goods from your Associate.

(i) Financing Licensees. You are not permitted to provide funds, directly or indirectly, to a Licensee:
   (1) To purchase stock in or provide capital to a Licensee; or
   (2) To repay an indebtedness incurred for the purpose of investing in a Licensee.

§ 107.730 Financings which constitute conflicts of interest.

(a) General rule. You must not deal to the prejudice of a Small Business, the Licensee, its shareholders or partners, or SBA. Unless you obtain a prior written exemption from SBA for special instances in which a Financing may further the purposes of the Act despite presenting a conflict of interest, you must not directly or indirectly:
   (1) Provide Financing to any of your Associates.
   (2) Provide Financing to an Associate of another Licensee if one of your Associates has received or will receive any direct or indirect Financing or a Commitment from that Licensee or a third Licensee (including Financing or Commitments received under any understanding, agreement, or cross dealing, reciprocal or circular arrangement).
   (3) Borrow money from:
      (i) A Small Business Financed by you;
      (ii) An officer, director, or owner of at least a 10 percent equity interest in such business; or
      (iii) A Close Relative of any such officer, director, or equity owner.

(b) Rules applicable to Associates. Without SBA’s prior written approval, your Associates must not, directly or indirectly:
   (1) Borrow money from any Person described in paragraph (a)(3) of this section.
   (2) Receive from a Small Business any compensation in connection with Assistance you provide (except as permitted under §§ 107.825(c) and 107.900), or anything of value for procuring, attempting to procure, or influencing your action with respect to such Assistance.

(c) Applicability of other laws. You are also bound by any restrictions in Federal or State laws governing conflicts of interest and fiduciary obligations.

(d) Financings with Associates—(1) Financings with Associates requiring prior approval. Without SBA’s prior written approval, you may not Finance any business in which your Associate has either a voting equity interest, or
total equity interests (including potential interests), of at least five percent.

(2) Other Financings with Associates. If you and an Associate provide Financing to the same Small Business, either at the same time or at different times, you must be able to demonstrate to SBA’s satisfaction that the terms and conditions are (or were) fair and equitable to you, taking into account any differences in the timing of each party’s financing transactions.

(3) Exceptions to paragraphs (d)(1) and (d)(2) of this section. A Financing that falls into one of the following categories is exempt from the prior approval requirement in paragraph (d)(1) of this section or is presumed to be fair and equitable to you for the purposes of paragraph (d)(2) of this section, as appropriate:

(i) Your Associate is a Lending Institution that is providing financing under a credit facility in order to meet the operational needs of the Small Business, and the terms of such financing are usual and customary.

(ii) Your Associate invests in the Small Business on the same terms and conditions and at the same time as you.

(iii) Both you and your Associate are leveraged Licensees, and both have outstanding Participating Securities or neither has outstanding Participating Securities.

(iv) Both you and your Associate are non-leveraged Licensees.

(e) Use of Associates to manage Portfolio Concerns. To protect your investment, you may designate an Associate to serve as an officer, director, or other participant in the management of a Small Business. You must identify any such Associate in your records available for SBA’s review under §107.600. Without SBA’s prior written approval, the Associate must not:

(1) Have any other direct or indirect financial interest in the Portfolio Concern that exceeds, or has the potential to exceed, 5 percent of the Portfolio Concern’s equity.

(2) Have served for more than 30 days as an officer, director or other participant in the management of the Portfolio Concern before you provided Financing.

(3) Receive any income or anything of value from the Portfolio Concern unless it is for your benefit, with the exception of director’s fees, expenses, and distributions based upon the Associate’s ownership interest in the Concern.

(f) 1940 and 1980 Act Companies: SEC exemptions. If you are a 1940 or 1980 Act Company and you receive an exemption from the Securities and Exchange Commission for a transaction described in this §107.730, you need not obtain SBA’s approval of the transaction. However, you must promptly notify SBA of the transaction and satisfy the public notice requirements in paragraph (g) of this section.

(g) Public notice. Before SBA grants an exemption under this §107.730, you must publish notice of the transaction in a newspaper of general circulation in the locality most directly affected by the transaction, and furnish a certified copy to SBA within 10 days of publication. SBA will publish a similar notice in the Federal Register.

§ 107.740 Portfolio diversification (“overline” limitation).

(a) General rule. This §107.740 applies if you have outstanding Leverage or want to be eligible for Leverage. Without SBA’s prior written approval, your aggregate outstanding Financings and Commitments to a Small Business (including its Affiliates) must not exceed:

(1) 20 percent of Regulatory Capital for a Section 301(c) Licensee; or

(2) 30 percent of Regulatory Capital for a Section 301(d) Licensee.

(b) Outstanding Financings. For the purposes of paragraph (a) of this section, you must measure each outstanding Financing at its current cost plus any amount of the Financing that was previously written off.

(c) Adjustment to Regulatory Capital. For the purposes of paragraph (a) of this section, you may compute a higher maximum permitted investment in a Small Business (an “increased limit”) by adding “net unrealized gains” on Publicly Traded and Marketable securities to your Regulatory Capital, subject to the following conditions:

(1) “Net unrealized gains” on Publicly Traded and Marketable securities means unrealized gains on Publicly
Small Business Administration § 107.750 Conditions for financing a change of ownership of a Small Business.

You may finance a change of ownership of a Small Business only under the conditions set forth in this section.

(a) The Financing must:
(1) Promote the sound development or preserve the existence of the Small Business;
(2) Help create a Small Business as a result of a corporate divestiture; or
(3) Facilitate ownership in a Disadvantaged Business.

(b) The Resulting Concern (as defined in paragraph (c) of this section) must:
(1) Be a Small Business under § 107.700;
(2) Have 500 or fewer full-time equivalent employees; or meet one of the appropriate debt/equity ratio tests:
(i) If you have outstanding Leverage, the Resulting Concern’s ratio of debt to equity must be no more than 5 to 1; or
(ii) If you have no outstanding Leverage, the Resulting Concern’s ratio of debt to equity must be no more than 8 to 1.

(c) Definitions. (1) The “Resulting Concern” is determined by viewing the business as though the change of ownership had already occurred, giving effect to all contemplated financing, mergers, and acquisitions.

(2) For purposes of this section, “debt” means long-term debt, including contingent liabilities, but excluding accounts payable, operating leases, letters of credit, subordinated notes payable to the seller, any other liabilities approved for exclusion by SBA and short-term working capital loans (so long as the loans carry a zero balance for 30 consecutive days during the concern’s fiscal year).

(3) For purposes of this section, “equity” means common and preferred stock (corporation), contributed capital (partnership), or membership interests (limited liability company).

§ 107.760 How a change in size or activity of a Portfolio Concern affects the Licensee and the Portfolio Concern.

(a) Effect on Licensee of a change in size of a Portfolio Concern. If a Portfolio Concern no longer qualifies as a Small
§ 107.800 Business you may keep your investment in the concern and:
(1) Subject to the overline limitations of §107.740, you may provide additional Financing to the concern up to the time it makes a public offering of its securities.
(2) Even after the concern makes a public offering, you may exercise any stock options, warrants, or other rights to purchase Equity Securities which you acquired before the public offering, or fund Commitments you made before the public offering.
(b) Effect of a change in business activity occurring within one year of Licensee’s initial Financing—(1) Retention of Investment. Unless you receive SBA’s written approval, you may not keep your investment in a Portfolio Concern, small or otherwise, which becomes ineligible by reason of a change in its business activity within one year of your initial investment.
(2) Request for SBA’s approval to retain investment. If you request that SBA approves the retention of your investment, your request must include sufficient evidence to demonstrate that the change in business activity was caused by an unforeseen change in circumstances and was not contemplated at the time the Financing was made.
(3) Additional Financing. If SBA approves your request to retain an investment under paragraph (b)(2) of this section, you may provide additional Financing to the Portfolio Concern to the extent necessary to protect against the loss of the amount of your original investment, subject to the overline limitations of §107.740.
(c) Effect of a change in business activity occurring more than one year after the initial Financing. If a Portfolio Concern becomes ineligible because of a change in business activity more than one year after your initial Financing you may:
(1) Retain your investment; and
(2) Provide additional Financing to the Portfolio Concern to the extent necessary to protect against the loss of the amount of your original investment, subject to the overline limitations of §107.740.

§ 107.805 Structuring Licensee’s Financing of Eligible Small Businesses: Types of Financing

§ 107.800 Financings in the form of Equity Securities.
(a) You may purchase the Equity Securities of a Small Business. You may not, inadvertently or otherwise:
(1) Become a general partner in any unincorporated business; or
(2) Become jointly or severally liable for any obligations of an unincorporated business.
(b) Definition. Equity Securities means stock of any class in a corporation, stock options, warrants, limited partnership interests in a limited partnership, membership interests in a limited liability company, or joint venture interests. If the Financing agreement contains debt-type acceleration provisions or includes redemption provisions other than those permitted under §107.850, the security will be considered a Debt Security for purposes of §107.855.

§ 107.810 Financings in the form of Loans.
You may make Loans to Small Businesses. A Loan means a transaction evidenced by a debt instrument with no provision for you to acquire Equity Securities.

§ 107.815 Financings in the form of Debt Securities.
You may purchase Debt Securities from Small Businesses.
(a) Definition. Debt Securities are instruments evidencing a loan with an option or any other right to acquire Equity Securities in a Small Business or its Affiliates, or a loan which by its terms is convertible into an equity position. Consideration must be paid for all options that you acquire.
(b) Restriction on options obtained by Licensee’s management and employees. If you have outstanding Leverage or plan to obtain Leverage, your employees, officers, directors or general partners, or the general partners of the management company that is providing services to you or to your general partner, may obtain options in a Financed Small Business only if:
§ 107.825 Purchasing securities from an underwriter or other third party.

(a) Securities purchased through or from an underwriter. You may purchase the securities of a Small Business through or from an underwriter if:

(1) You purchase such securities within 90 days of the date the public offering is first made;

(2) Your purchase price is no more than the original public offering price; and

(3) The amount paid by you for the securities (less ordinary and reasonable underwriting charges and commissions) has been, or will be, paid to the Small Business, and the underwriter certifies in writing that this requirement has been met.

(b) Recordkeeping requirements. If you have outstanding Leverage or plan to obtain Leverage, you must keep records available for SBA’s inspection which show the relevant details of the transaction, including, but not limited to, date, price, commissions, and the underwriter’s certifications required under paragraph (c) of this section.

(c) Underwriter’s requirements. If you have outstanding Leverage or plan to obtain Leverage, the underwriter must certify whether it is your Associate. You may pay reasonable and customary commissions and expenses to an Associate underwriter for the portion of an offering that you purchase, provided it is no more than 25 percent of the total offering. If you buy more than 25 percent of the offering, the amount you pay to the Associate underwriter must not exceed the total of the application and closing fees and reimbursable expenses permitted by §107.860.

(d) Securities purchased from another Licensee or from SBA. You may purchase, or exchange with, another Licensee, Portfolio securities (or any interest therein). Such purchase or exchange may only be made on a non-recourse basis. You may not have more than one-third of your total assets (valued at cost) invested in such securities. If you have previously sold Portfolio Securities (or any interest therein) on a recourse basis, you shall include the amount for which you may be contingently liable in your overline computation.

(e) Purchases of securities from other non-issuers. You may purchase securities of a Small Business from a non-issuer not previously described in this §107.825 if:

(1) Such acquisition is a reasonably necessary part of the overall sound Financing of the Small Business under the Act; or

(2) The securities are acquired to finance a change of ownership under §107.750.
§ 107.830 Minimum duration/term of financing.

(a) General rule for Section 301(c) Licensees. If you are a Section 301(c) Licensee, the duration/term of all your Financings must be for a minimum period of five years. Exception: You may finance a Disadvantaged Business for a minimum term of four years.

(b) General rule for Section 301(d) Licensees. The duration/term of your Financings may be for a minimum period of four years.

(c) Restrictions on mandatory redemption of Equity Securities. If you have acquired Equity Securities, options or warrants on terms that include redemption by the Small Business, you must not require redemption by the Small Business within the first five years of your acquisition except as permitted in § 107.850.

(d) Special rules for Loans and Debt Securities. (1) Term. The minimum term for Loans and Debt Securities starts with the first disbursement of the Financing.

(2) Prepayment before five years. You must permit voluntary prepayment of Loans and Debt Securities by the Small Business at any time during the initial five year term. You must obtain SBA’s prior written approval of any restrictions on the ability of the Small Business to prepay other than the imposition of a reasonable prepayment penalty under paragraph (d)(3) of this section.

(3) Prepayment penalties. You may charge a reasonable prepayment penalty which must be agreed upon at the time of the Financing. If SBA determines that a prepayment penalty is unreasonable, you must refund the entire penalty to the Small Business. A prepayment penalty equal to 5 percent of the outstanding balance during the first year of any Financing, declining by one percentage point per year through the fifth year, is considered reasonable.

§ 107.835 Exceptions to minimum duration/term of Financing.

You may make a Short-term Financing for a term less than five years if the Financing is:

(a) An interim financing (for a period not to exceed one year) in contemplation of long-term Financing. The contemplated long-term Financing must be in an amount at least equal to the short-term Financing, and must be made by you alone or in participation with other investors; or

(b) For protection of your prior investment(s); or

(c) For the purpose of Financing a change of ownership under § 107.750. The total amount of such Financings may not exceed 20 percent of your Loans and Investments (at cost) at the end of any fiscal year; or

(d) For the purpose of aiding a Small Business in performing a contract awarded under a Federal, State, or local government set-aside program for “minority” or “disadvantaged” contractors.

§ 107.840 Maximum term of Financing.

The maximum term of any Loan or Debt Security Financing must be no longer than 20 years.

§ 107.845 Maximum rate of amortization on Loans and Debt Securities.

The principal of any Loan (or the loan portion of a Debt Security) with a term of five years or less cannot be amortized faster than straight line. If the term is greater than five years, the principal cannot be amortized faster than straight line for the first five years.

§ 107.850 Restrictions on redemption of Equity Securities.

(a) A Portfolio Concern cannot be required to redeem Equity Securities earlier than five years from the date of the first closing unless:

(1) The concern makes a public offering, or has a change of management or control, or files for protection under the provisions of the Bankruptcy Code, or materially breaches your Financing agreement; or
§ 107.855 Interest rate ceiling and limitations on fees charged to Small Businesses ("Cost of Money").

"Cost of Money" means the interest and other consideration that you receive from a Small Business. Subject to lower ceilings prescribed by local law, the Cost of Money to the Small Business must not exceed the ceiling determined under this section.

(a) Financings to which the Cost of Money rules apply. This section applies to all Loans and Debt Securities. As required by §107.800(b), you must include as Debt Securities any equity interests with redemption provisions that do not meet the restrictions in §107.850.

(b) When to determine the Cost of Money ceiling for a Financing. You may determine your Cost of Money ceiling for a particular Financing as of the date you issue a Commitment or as of the date of the first closing of the Financing. Once determined, the Cost of Money ceiling remains fixed for the duration of the Financing.

(c) How to determine the Cost of Money ceiling for a Financing. At a minimum, you may use a Cost of Money ceiling of 19 percent for a Loan and 14 percent for a Debt Security. To determine whether you may charge more, do the following:

(1) Choose a base rate for your Cost of Money computation. The base rate may be either the Debenture Rate currently in effect or your own "Cost of Capital" as determined under paragraph (d) of this section.

(2) For a Loan, add 11 percentage points to the base rate; for a Debt Security, add 6 percentage points. In either case, round the sum down to the nearest eighth of one percent.

(3) If the result is more than 19 percent (for a Loan) or 14 percent (for a Debt Security), you may use it as your Cost of Money ceiling.

(4) If two or more Licensees participate in the same Financing of a Small Business, the base rate used in this paragraph (c) is the highest of the following:

(i) The current Debenture rate;

(ii) The Cost of Capital of the lead Licensee; or

(iii) The weighted average of the Cost of Capital for all Licensees participating in the Financing.

(d) How to determine your Cost of Capital. "Cost of Capital" is an optional computation of the weighted average interest rate you pay on your "qualified borrowings". "Qualified borrowings" means your Debentures together with your borrowings at or below the usual interest rate charged by banks in your locality on the date your loan was made.

(1) For any fiscal year, you may compute your Cost of Capital:

(i) As of the first day of your fiscal year, to remain in effect for the entire year; or

(ii) As of the first day of every fiscal quarter during the fiscal year, to remain in effect for the duration of the quarter.

(2) For each qualified borrowing outstanding at your last fiscal year or fiscal quarter end, multiply the ending principal balance (net of related unamortized fees) by the number of days during the past four fiscal quarters that the borrowing was outstanding, and divide the result by 365.

(3) Add together the amounts computed for all borrowings under paragraph (d)(2) of this section. The result is your weighted average borrowings.
§ 107.855  

(4) For all qualified borrowings outstanding at your last fiscal year or fiscal quarter end, determine the aggregate interest expense for the past four fiscal quarters (excluding amortization of loan fees).

(5) Divide the interest expense from paragraph (d)(4) of this section by the weighted average borrowings from paragraph (d)(3) of this section, and multiply by 100. The result is your Cost of Capital, which you may use to compute a Cost of Money ceiling under paragraph (c) of this section.

(e) SBA review of Cost of Capital computation. You must keep your Cost of Capital computations in a separate file available for SBA’s review.

(1) A computation that is kept in such a file and is audited by your independent public accountant is considered correct unless SBA demonstrates otherwise.

(2) If a computation is not kept in such a file or is unaudited, you must prove its accuracy to SBA’s satisfaction.

(f) Charges included in the Cost of Money. The Cost of Money includes all interest, points, discounts, fees, royalties, profit participation, and any other consideration you receive from a Small Business, except for the specific exclusions in paragraph (g) of this section. For equity interests subject to the Cost of Money rules (see paragraph (a) of this section), you must include:

(1) The portion of the fixed redemption price that exceeds your original cost.

(2) Any amount of a redemption that is paid out of accounts other than the Small Business’s capital accounts (capital, paid-in surplus, or retained earnings of a corporation; or partners’ capital of a partnership).

(g) Charges excluded from the Cost of Money. You may exclude from the Cost of Money:

(1) Closing fees, application fees, and expense reimbursements, each as permitted under §107.880.

(2) Reasonable prepayment penalties permitted under §107.830(d)(3).

(3) Out-of-pocket conveyance and/or recordation fees and taxes.

(4) Reasonable closing costs.

(5) Fees for management services as permitted under §107.900.

(6) Reasonable and necessary out-of-pocket expenses you incur to monitor the Financing.

(7) Board of director fees not in excess of those paid to other outside directors, if your board representation meets the requirements of §107.730(e).

(8) A reasonable fee for arranging financing for a Small Business from a source that is neither a Licensee nor an Associate of yours. The Small Business must agree in writing to pay such a fee before you arrange the financing.

(9) A one-time “bonus” that satisfies the requirements in paragraph (i) of this section.

(10) The difference between the contractual interest rate of the Financing and a default rate of interest permitted as follows:

(i) If a Small Business is in default, you may charge a default rate of interest as much as 7 percentage points higher than the contractual rate until the default is cured.

(ii) For this purpose, “default” means either failure to pay an amount when due or failure to provide information required under the Financing documents.

(h) How to evaluate compliance with the Cost of Money ceiling. You must determine whether a Financing is within the Cost of Money ceiling based on its discounted cash flows, as follows:

(1) Beginning with the date of the first disbursement (“period zero”), identify your cash inflows and cash outflows for each period of the Financing. The appropriate period to use (such as years, quarters, or months) depends on how you have structured the disbursements and payments.

(2) Discount the cash flows back to the first disbursement date using the Cost of Money ceiling from paragraph (d) of this section as the discount rate.

(3) If the result is zero or less, the Financing is within the Cost of Money ceiling; if it is greater than zero, the Financing exceeds the Cost of Money ceiling.

(i) “Bonus” paid by a Small Business. You may provide Financing to a Small Business that includes both a loan and a one-time “bonus” determined at the end of the loan term. For Cost of Money purposes, you must treat such a Financing as a Debt Security. You may...
§ 107.865 Restrictions on Control of a Small Business by a Licensee.

(a) General. You must not operate a business enterprise or function as a holding company exercising Control over a business enterprise. Neither you, nor you and your Associates, nor you and other Licensee(s) (in the latter two more Licensees participate in the Financing, their combined closing fees are no more than 2 percent of the total Financing amount); and

(b) Closing fee—Loans. You may charge a closing fee on a Loan if:

(1) The fee is no more than 2 percent of the Financing amount (or, if two or more Licensees participate in the Financing, their combined closing fees are no more than 2 percent of the total Financing amount); and

(c) SBA review of application fees. For any fiscal year, if the number of application fees you collect is more than twice the number of Financings closed, SBA in its sole discretion may determine that you are engaged in activities not contemplated by the Act, in violation of §107.500.

(d) SBA review of closing fees. If the number of closing fees you charge is more than twice the number of Financings closed, SBA in its sole discretion may determine that you are engaged in activities not contemplated by the Act, in violation of §107.500.

§ 107.866 Restrictions on Control of a Small Business by a Licensee.
§ 107.880 Assets acquired in liquidation of Portfolio securities.

You may acquire assets in full or partial liquidation of a Small Business's obligation to you under the conditions permitted by this §107.880. The assets may be acquired from the Small Business, a guarantor of its obligation, or another party.

(a) Timely disposition of assets. You must dispose of assets acquired in liquidation of a Portfolio security within a reasonable period of time.

(b) Permitted expenditures to preserve assets. (1) You may incur reasonably necessary expenditures to maintain and preserve assets acquired.

(2) You may incur reasonably necessary expenditures for improvements to render such assets saleable.

(3) You may make payments of mortgage principal and interest (including amounts in arrears when you acquired the asset), pay taxes when due, and pay for necessary insurance coverage.

(c) SBA approval of expenditures. This paragraph (c) applies if you have outstanding Leverage or are applying for Leverage. Any application for SBA approval under this paragraph must specify all expenses estimated to be

necessary pending disposal of the assets. Without SBA's prior written approval:
(1) Your total expenditures under paragraphs (b)(1) and (b)(2) of this section plus your total financing(s) to the Small Business must not exceed your overline limit under §107.740 and
(2) Your total expenditures under paragraph (b) of this section plus your total Financing(s) to the Small Business must not exceed 35 percent of your Regulatory Capital.

limitations on disposition of assets

§ 107.885 Disposition of assets to Licensee's Associates or to Competitors of Portfolio Concern.

(a) Sale of assets to Associate. Except with SBA's prior written approval, you are not permitted to dispose of assets (including assets acquired in liquidation) to any Associate if you have outstanding Leverage or Earmarked Assets. As a prerequisite to such approval, you must demonstrate that the proposed terms of disposal are at least as favorable to you as the terms obtainable elsewhere.

(b) Sale of assets to competitor of Small Business. Except with the prior written approval of the Portfolio Concern (if it is not under your Control) or of SBA, you are not permitted to dispose of Portfolio securities to a competitor of such concern. If SBA's prior approval is not required, you must promptly notify SBA of any such disposal.

management services and fees

§ 107.900 Management fees for services provided to a Small Business by Licensee or its Associate.

This §107.900 applies to management services that you or your Associate provide to a Small Business during the term of a Financing or prior to Financing. It does not apply to management services that you or your Associate provide to a Small Business that you do not finance. Fees permitted under this section are not included in the Cost of Money (see §107.855).

(a) Permitted management fees. You or your Associate may provide management services to a Small Business financed by you if:

1. You or your Associate have entered into a written contract with the Small Business;
2. The fees charged are for services actually performed;
3. Services are provided on an hourly fee, project fee, or other reasonable basis; and
4. You can demonstrate to SBA, upon request, that the rate does not exceed the prevailing rate charged for comparable services by other organizations in the geographic area of the Small Business.

(b) Fees for service as a board member. You or your Associate may receive fees in the form of cash, warrants, or other payments, for services provided as members of the board of directors of a Small Business or Financed by you. The fees must not exceed those paid to other outside board members. In the absence of such board members, fees must be reasonable when compared with amounts paid to outside directors of similar companies.

(c) SBA approval required. You must obtain SBA's prior written approval of any management contract that does not satisfy paragraphs (a) or (b) of this section.

(d) Recordkeeping requirements. You must keep a record of hours spent and amounts charged to the Small Business, including expenses charged.

(e) Transaction fees. (1) You may charge reasonable transaction fees for work you or your Associate perform to prepare a client for a public offering, private offering, or sale of all or part of the business, and for assisting with the transaction. Compensation may be in the form of cash, notes, stock, and/or options.

(2) Your Associate may charge market rate investment banking fees to a Small Business on that portion of a Financing that you do not provide.

However, you must notify SBA of the new directors or officers within 30 days, and you must have all directors and officers approved by SBA in order to become eligible for Leverage.

Subpart I—SBA Financial Assistance for Licensees (Leverage)

To be eligible for Leverage, you must:

(a) Demonstrate a need for Leverage, evidenced by your investment activity and a lack of sufficient funds for investment. For your first issuance of Leverage, if you have invested at least 50 percent of your Leverageable Capital, you are presumed to lack sufficient funds for investment.

(b) Have adequate Private Capital to satisfy the requirements for financial viability under §107.220.

(c) Meet the minimum capital requirements of §107.210 or §107.220, as appropriate.

(e) Be in compliance with the regulations in this part.

(f) If required by SBA, have your Control Person(s) assume, in writing, personal responsibility for your Leverage, effective only if such Control Person(s) participate (directly or indirectly) in a transfer of Control not approved by SBA.

§ 107.1130 Leverage fees payable by Licensee.

(a) User fee for Debentures and Participating Securities. You must pay a user fee to SBA for each issuance of a Debenture or Participating Security. The fee is 2 percent of the face amount of the Leverage issued.

(b) Payment of user fee. If you issue a Debenture or Participating Security:

(1) To repay or redeem existing Leverage, you must pay the user fee before SBA will guarantee or purchase the new Debenture or Participating Security.

(2) That is not used to repay or redeem existing Leverage, SBA will deduct the user fee from the proceeds remitted to you, unless you prepaid the fee under §107.1210.

(c) Refundability. The user fee is not refundable under any circumstances.

(d) Other Leverage fees. SBA may establish a fee structure for services performed by the CRA. SBA will not collect any fee for its guarantee of TCs.

§ 107.1140 Licensee's acceptance of SBA remedies under §§ 107.1800 through 107.1820.

If you issue Leverage after April 25, 1994, you automatically agree to the terms and conditions in §§ 107.1800 through 107.1820 as they exist at the time of issuance. The effect of these terms and conditions is the same as if they were fully incorporated in the terms of your Leverage.

MAXIMUM AMOUNT OF LEVERAGE FOR WHICH A LICENSEE IS ELIGIBLE

§ 107.1150 Maximum amount of Leverage for a Section 301(c) Licensee.

(a) Maximum amount of Leverage. If you are a Section 301(c) Licensee, use the following table to determine the maximum amount of Leverage you may have outstanding at any time.

<table>
<thead>
<tr>
<th>If your Leverageable Capital is:</th>
<th>Then your maximum Leverage is:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Not over $15,000,000 .............</td>
<td>$30,000,000</td>
</tr>
<tr>
<td>Over $15,000,000 but not over $30,000,000</td>
<td>$45,000,000 + [200% of (Leverageable Capital—$15,000,000)].</td>
</tr>
<tr>
<td>Over $30,000,000 but not over $45,000,000</td>
<td>$75,000,000 + [100% of (Leverageable Capital—$30,000,000)].</td>
</tr>
<tr>
<td>Over $45,000,000 .................</td>
<td>$90,000,000.</td>
</tr>
</tbody>
</table>

(b) Exceptions to maximum Leverage provisions—(1) Licensees under Common Control. Two or more Licensees under Common Control may have aggregate outstanding Leverage over $90,000,000 only if SBA gives them permission to do so. SBA may grant such permission on a case-by-case basis only. SBA may
impose any terms and conditions SBA considers appropriate to minimize its risk of loss in the event of default.

(2) Licensees with excess Leverage issued before March 31, 1993. If you had outstanding Debentures on March 31, 1993 that exceeded 300 percent of your Leverageable Capital:

(i) You do not have to prepay the excess amount.

(ii) You may apply for an additional Debenture guarantee or Participating Security guarantee if you use the proceeds solely to pay the amount due at maturity on a Debenture issued before March 31, 1993. The new Debenture or Participating Security must mature on or before September 30, 2002.

(iii) You must maintain at least 65 percent of your “Total Funds Available for Investment” in “Venture Capital Financings” (as defined in §107.1160(e) and (f), respectively) until your outstanding Debentures no longer exceed 300 percent of your Leverageable Capital.

(3) Maximum amount of Participating Securities. See §107.1170.

§107.1160 Maximum amount of Leverage for a Section 301(d) Licensee.

(a) Maximum amount of subsidized Leverage. (1) “Subsidized Leverage” means Debentures with a reduced interest rate and Preferred Securities. If you are a Section 301(d) Licensee:

(i) The maximum amount of subsidized Leverage you may have outstanding at any time is 40 percent of your Leverageable Capital, or $35,000,000. The same limit applies to a group of Section 301(d) Licensees under Common Control.

(ii) The maximum amount of Preferred Securities you may have outstanding at any time is 100 percent of your Leverageable Capital.

(2) Certain types and amounts of subsidized Leverage have special eligibility requirements (see paragraphs (c) and (d) of this section).

(b) Maximum amount of total Leverage. Use §107.1150 (a) and (b)(1) to determine your maximum amount of Leverage as if you were a Section 301(c) Licensee. If the result is more than your maximum subsidized Leverage, then this is your maximum total (subsidized plus non-subsidized) Leverage. Otherwise, your maximum total Leverage is the same as your maximum subsidized Leverage. For Participating Securities, see §107.1170.

(c) Special eligibility requirements for fourth tier of Leverage. A “fourth tier of Leverage” is any amount of outstanding Leverage in excess of 300 percent of your Leverageable Capital.

(i) To qualify for a fourth tier of Leverage, you must have invested (or have Commitments to invest) at least 30 percent of your “Total Funds Available for Investment” in “Venture Capital Financings” (see the definitions in paragraphs (e) and (f) of this section).

(ii) While you have a fourth tier of Leverage, you must maintain Venture Capital Financings (at cost) that equal at least 30 percent of your Total Funds Available for Investment.

(d) Special eligibility requirements for second tier of Preferred Securities. A “second tier of Preferred Securities” is any amount of outstanding Preferred Securities in excess of 100 percent of your Leverageable Capital.

(i) If your license was issued after October 13, 1971, you must have at least $250,000 of Leverageable Capital.

(ii) You must have invested (or have Commitments to invest) at least the same dollar amount in Venture Capital Financings.

(2) While you have a second tier of Preferred Securities, you must maintain at least the same dollar amount of Venture Capital Financings (at cost).

(e) Definition of “Total Funds Available for Investment”. Total Funds Available for Investment means the result obtained from the following formula:

\[
T = 0.90 \times (CA + LI)
\]

Where:

\( T \) = Total funds available for investment
\( CA \) = Total current assets
\( LI \) = Total Loans and Investment at cost (as reported on SBA Form 468), net of current maturities

(f) Definition of “Venture Capital Financing”. Venture Capital Financing means an investment represented by common or preferred stock, a limited partnership interest, or a similar ownership interest; or by an unsecured
§ 107.1230 Draw-downs by Licensee under SBA’s Leverage commitment.

(a) Licensee’s authorization of SBA to purchase or guarantee securities. By submitting a request for a draw against SBA’s Leverage commitment, you:

- Take responsibility for the security and enforce collection from the issuer or any corporate sureties, and
- Accept responsibility for any losses resulting from a draw.

(b) Commitment fees. As a condition of SBA’s Leverage commitment, and before you may draw any Leverage, you must pay SBA a non-refundable fee of:

(1) 3 percent of the face amount of the Debentures or Participating Securities reserved under the commitment; or

(2) 1 percent of the issue price of Preferred Securities reserved under the commitment.

(c) Automatic cancellation of commitment. Unless you pay the full amount of the commitment fee by 5:00 P.M. Eastern Time on the 30th calendar day following the issuance of SBA’s Leverage commitment, the commitment will be automatically canceled.
(1) Authorize SBA to purchase your Preferred Security; or
(2) Authorize SBA, or any agent or trustee SBA designates, to guaranty your Debenture or Participating Security and to sell it with SBA’s guarantee.

(b) Limitations on amount of draw. For Debentures or Participating Securities, any draw against SBA’s Leverage commitment must be at least $500,000; amounts above $500,000 must be in multiples of $100,000. You may issue Preferred Securities in any amount.

(c) Effect of regulatory violations on Licensee’s eligibility for draws—(1) General rule. You are eligible to make a draw against SBA’s Leverage commitment only if you are in compliance with all applicable provisions of the Act and SBA regulations (i.e., no unresolved statutory or regulatory violations).
(2) Exception to general rule. If you are not in compliance, you may still be eligible for draws if:
(i) SBA determines that your outstanding violations are of non-substantive provisions of the Act or regulations and that you have not repeatedly violated any non-substantive provisions; or
(ii) You have agreed with SBA on a course of action to resolve your violations and such agreement does not prevent you from issuing Leverage.

(d) Procedures for funding draws. You may request a draw at any time during the term of the commitment. With each request, submit the following documentation:
(1) If your request is submitted within 30 days following the close of your fiscal quarter, a Financial Statement on SBA Form 468 (Short Form) prepared as of the close of that fiscal quarter; otherwise, a statement certifying that there has been no material adverse change in your financial condition since your last filing of SBA Form 468 (Long or Short Form).
(2) A statement certifying that to the best of your knowledge and belief, you are in compliance with all provisions of the Act and SBA regulations (i.e., no unresolved regulatory or statutory violations), or a statement listing any specific violations you are aware of. Either statement must be executed by one of the following:
(i) An officer of the Licensee;
(ii) An officer of a corporate general partner of the Licensee; or
(iii) An individual who is authorized to act as or for a general partner of the Licensee.

(3) A statement that the proceeds are needed to fund one or more particular Small Businesses. If required by SBA, the statement must include the name and address of each Small Business, and the amount and anticipated closing date of each proposed Financing.

(e) Reporting requirements after drawing funds. (1) Within 30 calendar days after the actual closing date of each Financing funded with the proceeds of your draw, you must file an SBA Form 1031 confirming the closing of the transaction.
(2) If SBA required you to provide information concerning a specific planned Financing under paragraph (d)(3) of this section, and such Financing has not closed within 60 calendar days after the anticipated closing date, you must give SBA a written explanation of the failure to close.
(3) If you do not comply with this paragraph (e), you will not be eligible for additional draws. SBA may also determine that you are not in compliance with the terms of your Leverage under §§ 107.1810 or 107.1820.

§ 107.1240 Funding of Licensee’s draw request through sale to short-term investor.

(a) Licensee’s authorization of SBA to arrange sale of securities to short-term investor. By submitting a request for a draw of Debenture or Participating Security Leverage, you authorize SBA, or any agent or trustee SBA designates, to enter into any agreements (and to bind you to such agreements) necessary to accomplish:
(1) The sale of your Debenture or Participating Security to a short-term investor;
(2) The purchase of your security from the short-term investor, either by you or on your behalf; and
(3) The pooling of your security with other securities with the same maturity date.
(b) Sale of Debentures to a short-term investor. If SBA sells your Debenture to a short-term investor:
§ 107.1400

Small Business Administration § 107.1400

(1) The sale will be at a discount based on an interest rate determined under section 303(b) of the Act (without any interest rate subsidy), as if the maturity date of the Debenture were the next scheduled date for the sale of Debenture Trust Certificates.

(2) If the actual sale of Trust Certificates takes place after the scheduled date, you must pay the short-term investor daily interest on the Debenture, at the same rate, from the scheduled sale date to the actual sale date. This additional interest is due on the actual sale date. Failure to pay the interest constitutes noncompliance with the terms of your Leverage (see §§ 107.1810 and 107.1820).

(c) Sale of Participating Securities to a short-term investor. If SBA sells your Participating Security to a short-term investor:

(1) The sale price will be the face amount.

(2) At the closing of the next scheduled sale of Participating Security Trust Certificates, you (or SBA, as guarantor) must pay the short-term investor Earned Prioritized Payments at a rate determined under section 303(b) of the Act, as if the maturity date of the Participating Security were the next scheduled date for the sale of Trust Certificates.

(d) Licensee’s right to repurchase its securities before pooling. You may repurchase your securities from the short-term investor before they are pooled. To do so, you must:

(1) Give SBA written notice at least 10 days before the cut-off date for the pool in which your security is to be included; and

(2) Pay the face amount of the Debenture, or the face amount of the Participating Security plus Earned Prioritized Payments, to the short-term investor.

Exchange of Outstanding Debentures for Participating or Preferred Securities—Section 301(d) Licensees

§ 107.1350 Exchange by Section 301(d) Licensee of Debentures for Participating or Preferred Securities.

(a) Conditions for exchange of Debentures. A Section 301(d) Licensee may, in SBA’s discretion, retire an eligible Debenture through the issuance of Preferred or Participating Securities. To do so, you must:

(1) Pay all unpaid accrued interest on the Debenture, plus any applicable prepayment penalties, fees, and other charges.

(2) Comply with all conditions that apply to the issuance of Preferred or Participating Securities.

(b) Debentures not eligible for exchange. You may not retire a Debenture by issuing Preferred or Participating Securities if SBA guaranteed or purchased it on the basis of funds not included in your Leverageable Capital. You must repay such a Debenture at its maturity date, unless SBA extends it. SBA has discretion to extend the maturity to a date not more than 15 years from the date of issuance if SBA believes the extension is necessary for orderly liquidation of the indebtedness.

Preferred Securities Leverage—Section 301(d) Licensees

§ 107.1400 Stock dividends or partnership distributions on 4 percent Preferred Securities.

Preferred Securities that SBA purchases from a Section 301(d) Licensee may be in the form of either preferred stock issued at par value or a preferred limited partnership interest issued at face value. When you issue Preferred Securities, you agree to pay SBA a dividend or partnership distribution of 4 percent per year, from the date you issue Preferred Securities to the date you repay them, both inclusive. The dividend or partnership distribution is:

(a) Computed on the par value of the outstanding stock or the face value of the outstanding limited partnership interest.

(b) Cumulative. This means that if you do not pay the entire dividend or partnership distribution for a given fiscal year, the unpaid balance accumulates as a distribution in arrears. You do not have to pay interest on distributions in arrears.

(c) Preferred. This means that you must pay SBA in full (including distributions in arrears) before setting aside or paying any amount to any other equity holder.

(d) Payable at the discretion of your Board of Directors or General Partner(s), except that all distributions in
§ 107.1410 Requirement to redeem 4 percent Preferred Securities.

You must redeem 4 percent Preferred Securities not later than 15 years from the date of issuance. At the redemption date, you must pay to SBA:

(a) The par value (of preferred stock) or face value (of a preferred limited partnership interest); plus

(b) Any unpaid dividends or partnership distributions accrued to the redemption date.

§ 107.1420 Articles requirements for 4 percent Preferred Securities issuers.

You may issue 4 percent Preferred Securities only if your Articles contain all the provisions in §§ 107.1400 and 107.1410.

§ 107.1430 Redeeming 4 percent Preferred Securities with proceeds of non-subsidized Debentures.

If SBA approves, a Section 301(d) Licensee may use the proceeds of a Debenture to redeem Preferred Securities at their mandatory redemption date, including any accrued unpaid dividends or partnership distributions. For this purpose, you may issue only a non-subsidized Debenture (see § 107.1100(c)).

§ 107.1440 Three percent preferred stock issued before November 21, 1989.

Before November 21, 1989, Preferred Securities were available only in the form of preferred stock and had a preferred and cumulative dividend of 3 percent. If you have such preferred stock outstanding, you must follow § 107.1400 (except for § 107.1400(d)), substituting “3 percent” for “4 percent” throughout. Dividends on 3 percent preferred stock are payable at the discretion of your Board of Directors or General Partner(s), except that all dividends in arrears must be paid in full before any non-SBA investor receives any distribution. Upon your liquidation, SBA is entitled to payment of all dividends in arrears even if you have no Retained Earnings Available for Distribution at such time.

§ 107.1450 Optional redemption of Preferred Securities.

(a) Redemption at par or face value. A Section 301(d) Licensee may redeem Preferred Securities at any time, provided you give SBA at least 30 days written notice. You may redeem all or only part of your Preferred Securities, but the par value or face value of the securities being redeemed must be at least $50,000. At the redemption date, you must pay to SBA:

(1) The par value (of preferred stock) or face value (of a preferred limited partnership interest); plus

(2) Any unpaid dividends or partnership distributions accrued to the redemption date.

(b) Repurchase of 3 percent preferred stock for less than par value. If you issued 3 percent preferred stock to SBA, you may ask SBA to sell it back to you at a price less than its par value. The terms and conditions of any such transaction will be as set forth in the Notice published in the Federal Register on April 1, 1994 (Copies of this notice are available from SBA, 409 3rd Street, SW., Washington, DC, 20416). SBA has sole discretion to:

(1) Approve or disapprove the sale.

(2) Determine the sale price after considering any factors SBA considers appropriate.

(3) Determine the form of payment SBA will accept. SBA is not authorized to accept the proceeds of a subsidized Debenture as payment.

PARTICIPATING SECURITIES LEVERAGE

§ 107.1500 General description of Participating Securities.

(a) Types of Participating Securities. Participating Securities are redeemable, preferred, equity-type securities. SBA may purchase or guarantee Participating Securities issued by Licensees in the form of limited partnership interests, preferred stock, or debentures with interest payable only to the extent of earnings. The structure, terms and conditions of Participating Securities are set forth in detail in §§ 107.1500 through 107.1590.

(b) Special eligibility requirements for Participating Securities. In addition to the general eligibility requirements for Leverage under § 107.1120, Participating...
Securities issuers must also comply with special rules on:

1. Minimum capital (see §107.220).
2. Liquidity (see §107.1505).
3. Non-SBA borrowing (see §107.570).

Making Equity Capital Investments in Small Businesses, as follows:

(i) General rule. If you issue Participating Securities, you must invest an amount equal to the Original Issue Price of such securities solely in Equity Capital Investments.

(ii) Continuing requirement to maintain Equity Capital Investments. Unless SBA permits otherwise, once you have met the initial investment requirement of this paragraph (b)(4), you must maintain Equity Capital Investments with an original cost equal to or greater than the outstanding balance of Participating Securities in your portfolio, measured as of the end of each fiscal year.

(c) Special features of Participating Securities—Prioritized Payments, Adjustments, and Profit Participation. When you issue Participating Securities, you agree to make the following payments:

1. Prioritized Payments. Depending upon the type of Participating Security you issue, Prioritized Payments may be preferred partnership distributions, preferred dividends, or interest. Your obligation to pay Prioritized Payments is contingent upon your profits as determined under §107.1520.

2. Adjustments to Prioritized Payments. If you have unpaid Prioritized Payments, you must compute Adjustments, which are additional contingent obligations determined under §107.1520. The conditions for paying Adjustments are the same as for Prioritized Payments.

3. SBA Profit Participation. Profit Participation is an amount payable to SBA under §107.1530 in consideration for SBA’s guarantee of your Participating Securities.

(d) Distributions by Licensees issuing Participating Securities. Sections 107.1540 through 107.1580 govern both required and optional Distributions by Participating Securities issuers. Distributions include both profit distributions and returns of capital, paid either to SBA or to your non-SBA investors.

(e) Mandatory redemption of Participating Securities. You must redeem Participating Securities at the redemption date, which is the same as the maturity date of the Trust Certificates for the Trust containing such securities. The redemption date can never be later than 15 years after the issue date. You must pay the Redemption Price plus any unpaid Earned Prioritized Payments and any earned Adjustments due under §107.1520.

(f) Priority of Participating Securities in liquidation of Licensee. In the event of your liquidation, the following are senior in priority, for all purposes, to all other equity interests you have issued at any time:

1. The Redemption Price of Participating Securities;
2. Any Prioritized Payments and earned Adjustments; and
3. Any Profit Participation allocated to SBA under §107.1530.

§107.1505 Liquidity requirements for Licensees issuing Participating Securities.

If you have outstanding Participating Securities, you must maintain sufficient liquidity to avoid a condition of Liquidity Impairment. Such a condition will constitute noncompliance with the terms of your Leverage under §107.1820(e).

(a) Definition of Liquidity Impairment. A condition of Liquidity Impairment exists when your Liquidity Ratio, as determined in paragraph (b) of this section, is less than 1.20. You are responsible for calculating whether you have a condition of Liquidity Impairment as of the close of your fiscal year, at the time of application for Leverage, or at such time as you contemplate making any Distribution.

(b) Computation of Liquidity Ratio. Your Liquidity Ratio equals your Total Current Funds Available (A) divided by your Total Current Funds Required (B), as determined in the following table:
§ 107.1510 How a Licensee computes Earmarked Profit (Loss).

Computing your Earmarked Profit (Loss) is the first step in determining your obligations to pay Prioritized Payments and Adjustments under §107.1520 and Profit Participation under §107.1530.

(a) Requirement to compute your Earmarked Profit (Loss). While you have Participating Securities outstanding or have Earmarked Assets (as defined in paragraph (b) of this section), you must compute your Earmarked Profit (Loss) for:

(1) Each full fiscal year,
(2) Any interim period (consisting of one or more fiscal quarters) for which you want to make a Distribution.

(b) How to determine your Earmarked Assets. “Earmarked Assets” means all the Loans and Investments that you have when you issue Participating Securities or that you acquire while you have Participating Securities outstanding, and any non-cash assets that you receive in exchange for such Loans and Investments.

(1) An Earmarked Asset remains earmarked until you dispose of it, even if you no longer have any outstanding Participating Securities.
(2) Investments you make after redeeming all your Participating Securities are not Earmarked Assets. However, if you issue new Participating Securities, all of your Loans and Investments again become Earmarked Assets.

(c) How to compute your Earmarked Asset Ratio. You must determine your Earmarked Asset Ratio each time you compute Earmarked Profit (Loss). If all your Loans and Investments are Earmarked Assets, your Earmarked Asset Ratio equals 100 percent. Otherwise, compute your Earmarked Asset Ratio using the following formula:

\[ \text{EAR} = \frac{[\text{EA} + \text{P}]}{[\text{LI} + \text{P}]} \times 100 \]

where:

\[ \text{EA} = \text{Weighted average Earmarked Assets (at cost) for the fiscal year or interim period} \]
\[ \text{P} = \text{Weighted average uninvested proceeds of Participating Securities for the fiscal year or interim period} \]
\[ \text{LI} = \text{Weighted average Loans and Investments (at cost) for the fiscal year or interim period} \]

(d) How to compute your Earmarked Profit (Loss) if Earmarked Asset Ratio is 100 percent. (1) (i) If your Earmarked Asset Ratio from paragraph (b) of this section is 100 percent, use the following formula to compute your Earmarked Profit (Loss):

\[ \text{EP} = \text{NI} + \text{IK} + \text{EME} \]

where:

\[ \text{EP} = \text{Earmarked Profit (Loss)} \]
\[ \text{NI} = \text{Net Income (Loss), as reported on SBA Form 468 except as otherwise provided in this paragraph (d)(1)} \]

\[ \text{IK} = \text{Interest income on Loans and Investments} \]
\[ \text{EME} = \text{Estimated market value of Earmarked Securities} \]

\[ \text{NI} = \text{Net Income (Loss), as reported on SBA Form 468 except as otherwise provided in this paragraph (d)(1)} \]

§ 107.1520 How a Licensee computes and allocates Prioritized Payments to SBA.

This section tells you how to compute Prioritized Payments and Adjustments and determine the amounts you must pay. To distribute Prioritized Payments, see §107.1540.

(a) How to compute Prioritized Payments and Adjustments. (1) Prioritized Payments. For a full fiscal year, the Prioritized Payment on an outstanding Participating Security equals the Redemption Price times the Trust Certificate Rate. For a shorter period (one or more fiscal quarters), you must prorate the annual Prioritized Payment.

(2) Adjustments. Compute Adjustments using paragraph (f) of this section.

(b) Licensee’s obligation to pay Prioritized Payments and Adjustments. You are obligated to pay Prioritized Payments and Adjustments only if you have profit as determined under paragraph (d) of this section.

(1) Prioritized Payments that you must pay (or have already paid) because you have sufficient profit are “Earned Prioritized Payments.”

(2) Prioritized Payments that are not payable because you lack sufficient profit are “Accumulated Prioritized Payments.” Treat all Prioritized Payment as “Accumulated” until they become “Earned” under this section.

(3) Adjustments are computed under paragraph (f) of this section and are “earned” according to the same criteria applied to Prioritized Payments.

(c) How to keep track of Prioritized Payments. You must establish three accounts to record your Accumulated and Earned Prioritized Payments.

(1) Accumulation Account. The Accumulation Account is a memorandum account. Its balance represents your Accumulated Prioritized Payments and unearned Adjustments.

(2) Distribution Account. The Distribution Account is a liability account. Its balance represents your unpaid Earned Prioritized Payments and earned Adjustments.

(3) Earned Payments Account. The Earned Payments Account is a memorandum account. Each time you add to the Distribution Account balance, add
§ 107.1530 How a Licensee computes SBA's Profit Participation.

This section tells you how to compute SBA's Profit Participation. Profit Participation is included in the Distributions you make to SBA under §§ 107.1550 and 107.1560.

(a) How to compute Profit Participation. Profit Participation equals your "Base" times your "Profit Participation Rate" (if the Base is zero or less, you do not owe SBA Profit Participation). Compute the Base using paragraph (c) of this section and the Profit Participation Rate using paragraphs (d) through (g) of this section. You must compute your Earmarked Profit (Loss) under §107.1510 and your Prioritized Payments and Adjustments under §107.1520 before you can compute Profit Participation.

(b) How to keep track of Profit Participation. You must establish a Profit Participation Account to record your computations under this section and payments under §§ 107.1550 and 107.1560. Its balance represents your unpaid Profit Participation.

(c) How to compute the Base. As of the end of each fiscal year and year-to-date interim period (one or more fiscal quarters) during each fiscal year, do the computations in paragraph (f)1 of this section, substituting "Distribution Account" for "Accumulation Account".

(3) Add the amounts computed in this paragraph (f) to your Accumulation Account balance.

(g) Licensee's obligation to pay Prioritized Payments after redeeming Participating Securities. This paragraph (g) applies if you have redeemed all your Participating Securities, but you still hold Earmarked Assets and still have a balance in your Accumulation Account.

(1) You must continue to perform all the procedures in this §107.1520 as of the end of each fiscal quarter. You must distribute any Earned Prioritized Payments and earned Adjustments in accordance with §107.1540.

(2) After you dispose of all your Earmarked Assets and make any required Distributions in accordance with §107.1540, your obligation to pay any remaining Accumulated Prioritized Payments and unearned Adjustments will be extinguished.

§ 107.1530 How a Licensee computes SBA’s Profit Participation.

This section tells you how to compute SBA's Profit Participation. Profit Participation is included in the Distributions you make to SBA under §§ 107.1550 and 107.1560.

(a) How to compute Profit Participation. Profit Participation equals your "Base" times your "Profit Participation Rate" (if the Base is zero or less, you do not owe SBA Profit Participation). Compute the Base using paragraph (c) of this section and the Profit Participation Rate using paragraphs (d) through (g) of this section. You must compute your Earmarked Profit (Loss) under §107.1510 and your Prioritized Payments and Adjustments under §107.1520 before you can compute Profit Participation.

(b) How to keep track of Profit Participation. You must establish a Profit Participation Account to record your computations under this section and payments under §§ 107.1550 and 107.1560. Its balance represents your unpaid Profit Participation.

(c) How to compute the Base. As of the end of each fiscal year and year-to-date interim period (one or more fiscal quarters) during each fiscal year, do the computations in paragraph (f)1 of this section, substituting "Distribution Account" for "Accumulation Account".

(3) Add the amounts computed in this paragraph (f) to your Accumulation Account balance.

(g) Licensee's obligation to pay Prioritized Payments after redeeming Participating Securities. This paragraph (g) applies if you have redeemed all your Participating Securities, but you still hold Earmarked Assets and still have a balance in your Accumulation Account.

(1) You must continue to perform all the procedures in this §107.1520 as of the end of each fiscal quarter. You must distribute any Earned Prioritized Payments and earned Adjustments in accordance with §107.1540.

(2) After you dispose of all your Earmarked Assets and make any required Distributions in accordance with §107.1540, your obligation to pay any remaining Accumulated Prioritized Payments and unearned Adjustments will be extinguished.

§ 107.1530 How a Licensee computes SBA’s Profit Participation.

This section tells you how to compute SBA's Profit Participation. Profit Participation is included in the Distributions you make to SBA under §§ 107.1550 and 107.1560.

(a) How to compute Profit Participation. Profit Participation equals your "Base" times your "Profit Participation Rate" (if the Base is zero or less, you do not owe SBA Profit Participation). Compute the Base using paragraph (c) of this section and the Profit Participation Rate using paragraphs (d) through (g) of this section. You must compute your Earmarked Profit (Loss) under §107.1510 and your Prioritized Payments and Adjustments under §107.1520 before you can compute Profit Participation.

(b) How to keep track of Profit Participation. You must establish a Profit Participation Account to record your computations under this section and payments under §§ 107.1550 and 107.1560. Its balance represents your unpaid Profit Participation.

(c) How to compute the Base. As of the end of each fiscal year and year-to-date interim period (one or more fiscal quarters) during each fiscal year, do the computations in paragraph (f)1 of this section, substituting "Distribution Account" for "Accumulation Account".

(3) Add the amounts computed in this paragraph (f) to your Accumulation Account balance.

(g) Licensee's obligation to pay Prioritized Payments after redeeming Participating Securities. This paragraph (g) applies if you have redeemed all your Participating Securities, but you still hold Earmarked Assets and still have a balance in your Accumulation Account.

(1) You must continue to perform all the procedures in this §107.1520 as of the end of each fiscal quarter. You must distribute any Earned Prioritized Payments and earned Adjustments in accordance with §107.1540.

(2) After you dispose of all your Earmarked Assets and make any required Distributions in accordance with §107.1540, your obligation to pay any remaining Accumulated Prioritized Payments and unearned Adjustments will be extinguished.

§ 107.1530 How a Licensee computes SBA’s Profit Participation.

This section tells you how to compute SBA's Profit Participation. Profit Participation is included in the Distributions you make to SBA under §§ 107.1550 and 107.1560.

(a) How to compute Profit Participation. Profit Participation equals your "Base" times your "Profit Participation Rate" (if the Base is zero or less, you do not owe SBA Profit Participation). Compute the Base using paragraph (c) of this section and the Profit Participation Rate using paragraphs (d) through (g) of this section. You must compute your Earmarked Profit (Loss) under §107.1510 and your Prioritized Payments and Adjustments under §107.1520 before you can compute Profit Participation.

(b) How to keep track of Profit Participation. You must establish a Profit Participation Account to record your computations under this section and payments under §§ 107.1550 and 107.1560. Its balance represents your unpaid Profit Participation.

(c) How to compute the Base. As of the end of each fiscal year and year-to-date interim period (one or more fiscal quarters) during each fiscal year, do the computations in paragraph (f)1 of this section, substituting "Distribution Account" for "Accumulation Account".

(3) Add the amounts computed in this paragraph (f) to your Accumulation Account balance.

(g) Licensee's obligation to pay Prioritized Payments after redeeming Participating Securities. This paragraph (g) applies if you have redeemed all your Participating Securities, but you still hold Earmarked Assets and still have a balance in your Accumulation Account.

(1) You must continue to perform all the procedures in this §107.1520 as of the end of each fiscal quarter. You must distribute any Earned Prioritized Payments and earned Adjustments in accordance with §107.1540.

(2) After you dispose of all your Earmarked Assets and make any required Distributions in accordance with §107.1540, your obligation to pay any remaining Accumulated Prioritized Payments and unearned Adjustments will be extinguished.
Small Business Administration § 107.1530

B = EP – PPA – UL

where:
B = Base
EP = Earmarked Profit (Loss) for the period from §107.1510
PPA = Prioritized Payments from §107.1520(a)(1) and Adjustments (if applicable) from §107.1520(f)
UL = "Unused Loss" as determined in this paragraph (c).

(1) If you have never computed a Base before, or if the Base as of the end of your last fiscal year (your "Previous Base") was zero or greater, your Unused Loss is zero with the following exception: If, at the end of your last fiscal year, you computed a negative result under paragraph (h)(3) of this section, your Unused Loss equals that negative result.

(2) If your Previous Base was less than zero, your Unused Loss equals your Previous Base.

(d) How to compute the Profit Participation Rate. You must determine your Profit Participation Rate each time you compute a Base that is greater than zero. Compute the Rate by following the steps in paragraphs (e) through (g) of this section.

(e) Compute the "PLC ratio". (1) General rule. The "PLC ratio" is the highest ratio of outstanding Participating Securities to Leverageable Capital that you have ever attained.

(2) Exception. You may reduce the ratio computed under paragraph (e)(1) of this section if you have increased your Leverageable Capital above its highest previous level. The increase must have taken place at least 120 days before the date as of which your Base is computed. In addition, the increase must have been expressly provided for in a plan of operations submitted to and approved by SBA in writing, or must be the result of the take-down of commitments or the conversion of non-cash assets that were included in your Private Capital. To reduce your PLC ratio:

(i) Determine the increase in your Leverageable Capital over its highest previous level.

(ii) Find your highest previous ratio of Participating Securities to Leverageable Capital. If you have attained your highest ratio more than once, with different numerators and denominators, choose the ratio with the highest numerator.

(iii) Add the increase in Leverageable Capital to the denominator of the ratio chosen in paragraph (e)(2)(i) of this section, and divide the numerator by the revised denominator. The result is your new PLC ratio.

(3) Once you compute a PLC ratio under either paragraph (e)(1) or (e)(2) of this section, do not recompute it unless there has been a change in your outstanding Participating Securities or your Leverageable Capital.

(f) Compute the Profit Participation Rate (before indexing). Compute the Profit Participation Rate (before indexing) using the table in this paragraph (f). Then go to paragraph (g) of this section to determine whether to index the Profit Participation Rate.

Explanation of PLC Ratio calculation following increase in Leverageable Capital:
Step 1: Increase in Leverageable Capital over highest previous level=1,500 – 1,000=500.
Step 2: Highest previous ratio of Participating Securities to Leverageable Capital=1.50 (attained at end of periods 2 and 4).
Step 3: Highest numerator associated with highest ratio=1,500 (at end of period 2); associated denominator=1,000.
Step 4: Add the increase in Leverageable Capital (from step 1) to the denominator (from step 3): 500+1,000=1,500.
Step 5: Divide the numerator (from step 3) by the revised denominator (from step 4): 1,500/1,500=1.00.

(g) Indexing the Profit Participation Rate. The Profit Participation Rate is
indexed, up or down, to the yield-to-maturity on Treasury bonds with a remaining term of ten (10) years (the "Treasury Rate"). You must perform the indexing procedures in this paragraph (g) unless the Treasury Rate was exactly 8 percent on every date that you issued Participating Securities.

(1) Licensees that have issued Participating Securities on only one occasion. Determine the Treasury Rate for the date you issued your Participating Security. Adjust the Profit Participation Rate from paragraph (f) of this section by the percentage difference between the Treasury Rate and 8 percent. For example, assume that you issued Participating Securities when the Treasury Rate was 10 percent. The percentage difference between 10 percent and 8 percent is 25 percent. If you had a PLC ratio of 1, the Profit Participation Rate before indexing would be 9 percent. You would increase this rate by 25 percent, giving you a Profit Participation Rate of 11.25 percent.

(2) Licensees that have issued Participating Securities on more than one occasion. Determine the Treasury Rate for each of the dates you issued Participating Securities.

(i) Compute an average of all such Treasury Rates, weighted to reflect the dollar amount of each issuance (ignoring any redemptions) and the number of days from the date of each issuance to the date as of which you are computing the Profit Participation Rate.

Example to paragraph (g)(2)(i) of this section. If you issued $10 million of Participating Securities on the 60th day of Fiscal Year 1 when the Treasury Rate was 8 percent, and another $15 million on the 100th day of Fiscal Year 3 when the Treasury Rate was 10 percent, then the weighted average Treasury Rate computed as of the end of Fiscal Year 3 would be 8.55 percent. [Days elapsed since first issuance of Participating Securities = 1,035; days elapsed since second issuance of Participating Securities = 265; weighted amount of first issuance = $10,000,000 \times 1.035 = $10,350,000; weighted amount of second issuance = $15,000,000 \times 265/1035 = $3,840,579; weighted average amount of Participating Securities issued = $10,350,000 + $3,840,579 = $14,190,579; weighted average Treasury Rate = (1.08 \times $10,000,000) + (.10 \times $3,840,579) / $14,190,579 = 8.55%]

(ii) Adjust the Profit Participation Rate from paragraph (f) of this section by the percentage difference between the weighted average Treasury Rate and 8 percent. In the example given in paragraph (g)(2)(i) of this section, if the PLC ratio were equal to 2, the Profit Participation Rate for the fiscal year would be 12.83 percent. 

[((.0855 - .08) / .08) + 1] \times .12 \times 100 = 12.83%

(h) Computing SBA’s Profit Participation. If the Base from paragraph (c) of this section is greater than zero, you must compute SBA’s Profit Participation as follows:

(1) Multiply the Base by the Profit Participation Rate to determine the Profit Participation for the fiscal year or year-to-date interim period.

(2) If your last Profit Participation computation was for an interim period during the same fiscal year and used a higher Profit Participation Rate than that used in paragraph (h)(1) of this section, multiply the Base for that period by the Profit Participation Rate used in paragraph (h)(1) of this section.

(3) Reduce the Profit Participation from paragraph (h)(1) of this section by any amounts of Profit Participation that you distributed or reserve for distribution to SBA, or its designated agent or Trustee, for any previous interim period during the fiscal year, or by the amount you computed in paragraph (h)(2) of this section, whichever is less. If the result is less than zero, SBA’s Profit Participation is zero. If you obtain a negative result as of the end of your fiscal year, you must add it to your Unused Loss the next time you compute your Base under paragraph (c)(1) of this section.

(i) Allocation of Profit Participation. Before any Distribution and in any case within 120 days following the end of your fiscal year, you must add the amount of Profit Participation computed under this §107.1530 to the Profit Participation Account. You must reserve funds equal to this amount for distribution to SBA, or its designated agent or Trustee; you may not reinvest these funds or use them for any other purpose.

§ 107.1540 Distributions by Licensee—Prioritized Payments and Adjustments.

After you compute Prioritized Payments and Adjustments under § 107.1520, you must distribute them in accordance with this § 107.1540.

(a) Requirement to distribute Prioritized Payments and Adjustments. This paragraph (a) applies only if you satisfy the liquidity requirement in § 107.1505. All Distributions under this paragraph (a) go to SBA or its designated agent or trustee.

(1) You must distribute the balance in your Distribution Account from § 107.1520 annually on the first or second Payment Date following your fiscal year end, and on any date when you are making any other Distribution.

(2) You may distribute all or part of the balance in your Distribution Account on any Payment Date regardless of whether you are making any other Distribution on that date.

(b) Additional requirement for Licensees with undistributed Prioritized Payments. This paragraph (b) applies if you do not distribute the full amount in your Distribution Account by the second Payment Date following the end of your fiscal year. At the end of each fiscal quarter, until you reduce the balance in your Distribution Account to zero, you must:

(1) Do all the steps in § 107.1520; and

(2) Distribute the balance in your Distribution Account on the next Payment Date following the end of your fiscal quarter, provided you satisfy the liquidity requirement in § 107.1505.

§ 107.1550 Distributions by Licensee—permitted “tax Distributions” to private investors and SBA.

If you have outstanding Participating Securities or Earmarked Assets, and you are a limited partnership, “S Corporation”, or equivalent pass-through entity for tax purposes, you may make an annual “tax Distribution” to your investors, whether or not they have an actual tax liability. SBA receives a share of any tax Distribution you make. This section tells you when you may make a “tax Distribution” and how to compute it.

(a) Conditions for making a tax Distribution. You may make a tax Distribution only if:

(1) You have paid all your Prioritized Payments and Adjustments, so that the balance in both your Distribution Account and your Accumulation Account is zero (see § 107.1520).

(2) You satisfy the liquidity requirement in § 107.1505.

(3) The tax Distribution does not exceed your Retained Earnings Available for Distribution.

(4) The tax Distribution does not exceed the Maximum Tax Liability from paragraph (b) of this section.

(b) How to compute the Maximum Tax Liability. (1) Compute your Maximum Tax Liability for a full fiscal year only. Use the following formula:

\[ M = (TOI \times HRO) + (TCG \times HRC) \]

where:

- \( M \) = Maximum Tax Liability,
- \( TOI \) = Total ordinary income (less ordinary deductions) allocated to your partners or shareholders for Federal income tax purposes,
- \( HRO \) = The highest combined marginal Federal and State income tax rates for corporations or individuals (whichever is higher), on ordinary income,
- \( TCG \) = Total capital gains allocated to your partners or shareholders for Federal income tax purposes,
- \( HRC \) = The highest combined marginal Federal and State income tax rates for corporations or individuals (whichever is higher), on capital gains.

(2) For purposes of this paragraph (b), the “State income tax” is that of the State where your principal place of business is located.

(c) SBA’s share of the tax Distribution. (1) SBA’s percentage share of the tax Distribution is equal to the Profit Participation Rate computed under § 107.1530.

(2) SBA may direct you to pay its share of the tax Distribution to its designated agent or Trustee.

(3) SBA will apply its share of the tax Distribution to the Profit Participation you owe SBA under § 107.1530.

(d) Paying a tax Distribution. You may make a tax Distribution only on the first or second Payment Date following the end of your fiscal year or, if your fiscal year end is December 31, during the period beginning March 1 and ending April 15.
§ 107.1560 Distributions by Licensee—required Distributions to private investors and SBA.

You must make Distributions under this § 107.1560 if you have outstanding Participating Securities or Earmarked Assets and you satisfy the conditions in paragraph (a) of this section. Distributions under this section are determined as of the end of each fiscal year.

(a) Conditions for making Distributions. Distributions under this section are subject to the following conditions:

1. You must have paid all your Prioritized Payments and Adjustments, so that the balance in both your Distribution Account and your Accumulation Account is zero (see §§ 107.1520 and 107.1540).

2. You must have made any permitted tax Distribution that you choose to make under § 107.1550.

3. You must satisfy the liquidity requirement in § 107.1505.

4. The amount you distribute under this section must not exceed your Retained Earnings Available for Distribution.

(b) Total amount you must distribute. Unless SBA permits otherwise, the total amount you must distribute equals the result (if greater than zero) of the following computation:

1. Your Retained Earnings Available for Distribution as of the end of your fiscal year; minus

2. All previous Distributions under this § 107.1560 that were applied as re- demptions or repayments of Leverage; plus

3. All previous Distributions under § 107.1570(b) that reduced your Retained Earnings Available for Distribution.

(c) When you must make Distributions. You must make the required Distributions on either the first or second Payment Date following the end of your fiscal year.

(d) Effect of Distributions on Retained Earnings Available for Distribution. Distributions under this § 107.1560 have the following effect on your Retained Earnings Available for Distribution:

1. All Distributions to private investors reduce Retained Earnings Available for Distribution.

2. Distributions to SBA, or its designated agent or Trustee, reduce Retained Earnings Available for Distribution if they are applied as payments of Profit Participation or distributions on Preferred Securities (see paragraph (g) of this section).

3. Distributions to SBA, or its designated agent or Trustee, do not reduce Retained Earnings Available for Distribution if they are applied as a repayment or redemption of Leverage (see paragraph (g) of this section).

(e) SBA’s share of the total Distribution. Use the following table to determine the percentage share of the total Distribution (from paragraph (b) of this section) that goes to SBA (or its designated agent or Trustee):

<table>
<thead>
<tr>
<th>SBA’s Percentage Share of Total Distribution</th>

</tr>
<tr>
<td>Over 100% but not over 200%</td>

</tr>
</tbody>
</table>

(f) Exceptions to the Distribution requirement. (1) With SBA’s prior written approval, you may withhold from distribution reasonable reserves necessary to protect your investments or relative position in Loans and Investments and to meet contingent liabilities.

(i) If you submit a written request for SBA approval, you may withhold from distribution reasonable reserves necessary to protect your investments or relative position in Loans and Investments and to meet contingent liabilities.

(ii) Reserves that you withhold from distribution may not be used to make investments in additional portfolio companies.

(iii) Withholding of reserves under this paragraph (f)(1) is not a “payment failure” in violation of §107.1820(e)(6).

2. SBA may restrict Distributions under this § 107.1560 if SBA determines that the value of your assets is materially overstated. SBA must give you notice of such a determination in advance of your proposed Distribution.

(g) How SBA will apply your Distributions. Your Distributions to SBA (or its designated agent or Trustee) under this § 107.1560 will be applied in the following order:

1. First, to Profit Participation;
(2) Second, to the extent there remain any Retained Earnings Available for Distribution, to distributions on Preferred Securities;
(3) Third, as a redemption of Participating Securities in order of issue;
(4) Fourth, as a redemption of Preferred Securities; and
(5) Fifth, as the repayment of principal of any outstanding Debentures, with such repayment to be made into escrow on terms and conditions SBA determines.

§ 107.1570 Distributions by Licensee—optional Distribution to private investors and SBA.

If you have outstanding Participating Securities or Earmarked Assets, you may make two types of optional Distributions under this § 107.1570: quarterly Distributions determined the same way as the required annual Distributions in § 107.1560, and Distributions allocated between SBA and your private investors in proportion to the capital contributions of each.

(a) Quarterly Distributions subject to conditions in § 107.1560.

(1) You may make Distributions under this paragraph (a) as of the end of any fiscal quarter, giving SBA (or its designated agent or Trustee) a percentage share determined under § 107.1560(e).
(2) Such Distributions are subject to all the provisions in § 107.1560 (a)(1), (a)(3), (a)(4), (d), (f)(2), and (g).
(3) You may make such Distributions only on the next Payment Date following the end of your fiscal quarter.
(4) The total amount of such Distributions may not exceed the result of the following computation:
   (i) Your Retained Earnings Available for Distribution as of the end of your fiscal quarter; minus
   (ii) All previous Distributions under this paragraph (a) or § 107.1560 that were applied as redemptions or repayments of Leverage; plus
   (iii) All previous Distributions under paragraph (b) of this section that reduced your Retained Earnings Available for Distribution.

(b) Other optional Distributions. On any Payment Date, you may make additional Distributions to your private investors and to SBA (or its designated agent or Trustee) under this paragraph (b).

(1) Conditions for making Distribution. You may make a Distribution under this paragraph (b) only if:
   (i) You have distributed all Earned Prioritized Payments and earned Adjustments, so that the balance in your Distribution Account is zero (see § 107.1520).
   (ii) You have distributed all Profit Participation computed under § 107.1530 and made all required Distributions under § 107.1560.
   (iii) You satisfy the liquidity requirement in § 107.1505 or obtain SBA’s prior written approval of the Distribution.
   (iv) You do not have a condition of Capital Impairment.
   (v) The Distribution does not reduce your Regulatory Capital (excluding commitments from Institutional Investors) below the minimum required under § 107.210, unless SBA approves the reduction as part of a plan of liquidation.
   (vi) The Distribution does not cause you to have excess Leverage contrary to section 303 of the Act.

(2) SBA’s share of Distribution. (i) If your Capital Impairment Percentage under § 107.1840 is zero, SBA’s percentage share of any Distribution under this paragraph (b) equals:
   \[ \text{Leverage/} (\text{Leverage + Leverageable Capital}) \times 100 \]
   In this formula, use Leverage and Leverageable Capital as of the date of the Distribution, after giving effect to any Distribution under § 107.1560 and paragraph (a) of this section.
   (ii) If your Capital Impairment Percentage under § 107.1840 is greater than zero, you must modify the formula in paragraph (b)(2)(i) of this section by replacing Leverageable Capital with:
   \[ \text{Leverageable Capital} \times (100\% - \text{CIP}) \]
   where “CIP” is your Capital Impairment Percentage or 100 percent, whichever is less.
(3) How SBA will apply Distributions. Any amounts you distribute to SBA, or its designated agent or Trustee, under this paragraph (b) will be applied as a repayment or redemption of Leverage in the order set forth in § 107.1560 (g)(3) through (g)(5).
(4) Effect of Distributions on Retained Earnings Available for Distribution. Any
§ 107.1580 Special rules for In-Kind Distributions by Licensees.

(a) In-Kind Distributions while Licensee has outstanding Participating Securities. A Distribution under §§107.1560 or 107.1570 may consist of securities (an “In-Kind Distribution”). Such a Distribution must satisfy the conditions in this paragraph (a).

(1) You may distribute only securities that are Publicly Traded and Marketable at the time of the Distribution.

(2) You must distribute each security pro-rata to all investors and to SBA or its designated agent or Trustee, based on the amounts that each party would receive if the Distribution were in cash.

(3) You must impute a gain (loss) on each security being distributed as if it were being sold, using the value of the security as of the declaration date of the Distribution (if you are a Corporate Licensee) or the distribution date (if you are a Partnership Licensee).

(4) You must deposit SBA’s share of the securities being distributed with the CRA, who will select a Disposition Agent (a person who is knowledgeable about and proficient in the marketing of thinly traded securities). As an alternative, if you agree, SBA may direct you to dispose of its share. In this case, you must promptly remit the proceeds to SBA.

(b) In-Kind Distributions after Licensee has redeemed all Participating Securities. This paragraph (b) applies from the time you redeem all your Participating Securities until you dispose of all your Earmarked Assets.

(1) You may make an In-Kind Distribution of an Earmarked Asset only if you pay SBA the lower of:

(i) An amount equal to the Unrealized Appreciation on the asset; or

(ii) The full amount of your Accumulated Prioritized Payments and unpaid Adjustments.

(2) You must obtain SBA’s prior written approval of any In-Kind Distribution of an Earmarked Asset that is not Publicly Traded and Marketable, specifically including approval of the valuation of the asset.

§ 107.1590 Special rules for companies licensed on or before March 31, 1993.

This section applies to companies licensed on or before March 31, 1993 that apply to issue Participating Securities.

(a) Election to exclude pre-existing portfolio. You may choose to exclude all (but not a portion) of your Loans and Investments as of March 31, 1993, from classification as Earmarked Assets if:

(1) The proceeds of your first issuance of Participating Securities are not used to refinance outstanding Debentures (see paragraph (c) of this section). SBA will consider payment or prepayment of any outstanding Debenture to be a refinancing unless you demonstrate to SBA’s satisfaction that you can pay the Debenture principal without relying on the proceeds of the Participating Securities.

(2) SBA, in its sole discretion, approves the exclusion.

(b) Treatment of pre-existing portfolio if not excluded. If you do not choose to exclude your Loans and Investments from Earmarked Assets under paragraph (a) of this section, they will be Earmarked Assets for all purposes.

(c) Refinancing Debentures with Participating Securities. SBA may permit you to use the proceeds of a Participating Security to pay the principal amount due on an outstanding Debenture if:

(1) You have outstanding Equity Capital Investments (at cost) equal to the amount of the Debentures being refinanced.

(2) You have not elected to exclude Loans and Investments from Earmarked Assets under paragraph (a) of this section.

(d) Requirements for Licensee’s first issuance of Participating Securities. When you apply for your first issuance of Participating Securities, you must comply with the following:
§ 107.1610

Funding leverage by use of SBA-guaranteed trust certificates ("TCs")

§ 107.1600 SBA authority to issue and guarantee trust certificates.

(a) Authorization. Sections 321(a) and (b) of the Act authorize SBA or its CRA to issue TCs, and SBA to guarantee the timely payment of the principal and interest thereon. Any guarantee by SBA of such TC is limited to the principal and interest due on the Debentures or the Redemption Price of and Prioritized Payments on Participating Securities in any Trust or Pool backing such TC. The full faith and credit of the United States is pledged to the payment of all amounts due under the guarantee of any TC.

(b) Periodic exercise of authority. SBA will issue guarantees of Debentures and Participating Securities under section 303 and of TCs under section 321 of the Act at three month intervals, or at shorter intervals, taking into account the amount and number of such guarantees or TCs.

(c) SBA authority to arrange public or private fundings of leverage. SBA in its discretion may arrange for public or private financing under its guarantee authority. Such financing arranged by SBA may be accomplished by the sale of individual Debentures or Participating Securities, aggregations of Debentures or Participating Securities, or Pools or Trusts of Debentures or Participating Securities.

(d) Pass-through provisions. TCs shall provide for a pass-through to their holders of all amounts of principal and interest paid on the Debentures, or the Redemption Price of and Prioritized Payments on the Participating Securities in the Pool or Trust against which they are issued.

(e) Formation of a Pool or Trust holding leverage securities. SBA shall approve the formation of each Pool or Trust. SBA may, in its discretion, establish the size of the Pools and their composition, the interest rate on the TCs issued against Trusts or Pools, fees, discounts, premiums, and other charges made in connection with the Pools, Trusts, and TCs, and any other characteristics of a Pool or Trust it deems appropriate.

§ 107.1610 Effect of prepayment or early redemption of leverage on a trust certificate.

(a) The rights, if any, of a Licensee to prepay any Debenture or make early redemption of any Participating Security are established by the terms of such securities, and no such right is created or denied by the regulations in this part.

(b) SBA’s rights to purchase or prepay any Debenture without premium are established by the terms of the Guaranty Agreement relating to the Debenture. SBA’s rights to redeem, at any time, any Participating Security without premium are established by the terms of the Guaranty Agreement relating to the Participating Security.

(c) Any prepayment of a Debenture or early redemption of a Participating Security pursuant to the terms of the
§ 107.1620 Guaranty Agreement relating to such securities, shall reduce the SBA guarantee of timely payment of principal and interest on a TC in proportion to the amount of principal or Redemption Price that such prepaid Debenture or redeemed Participating Security represents in the Trust or Pool backing such TC.

(d) SBA shall be discharged from its guarantee obligation to the holder or holders of any TC, or any successor or transferee of such holder, to the extent of any such prepayment, whether or not such successor or transferee shall have notice of any such prepayment.

(e) Interest on prepaid Debentures and Prioritized Payments on Participating Securities shall accrue only through the date of such voluntary prepayment or SBA payment, as the case may be.

(f) In the event that all Debentures or Participating Securities constituting a Trust or Pool are prepaid, the TCs backed by such Trust or Pool shall be redeemed by payment of the unpaid principal and interest on the TCs; Provided, however, that in the case of the prepayment of a Debenture pursuant to the provisions of the Guaranty Agreement relating to the Debenture, the CRA shall pass through pro rata to the holders of the TCs any such prepayments including any prepayment penalty paid by the obligor Licensee pursuant to the terms of the Debenture.

§ 107.1620 Functions of agents, including Central Registration Agent, Selling Agent and Fiscal Agent.

(a) Agents. SBA will appoint or cause to be appointed agent(s) to perform functions necessary to market and service Debentures, Participating Securities, or TCs pursuant to this part.

(1) Selling Agent. As a condition of guaranteeing a Debenture or Participating Security, SBA shall cause each Licensee to appoint a Selling Agent to perform functions which include, but are not limited to:
   (i) Selecting qualified entities to become pool or Trust assemblers ("Poolers").
   (ii) Receiving guaranteed Debentures and Participating Securities as well as negotiating the terms and conditions of periodic offerings of Debentures and/or TCs with Poolers on behalf of Licensees.
   (iii) Directing and coordinating periodic sales of Debentures and Participating Securities and/or TCs.
   (iv) Arranging for the production of the Offering Circular, certificates, and such other documents as may be required from time to time.

(2) Fiscal Agent. SBA shall appoint a Fiscal Agent to:
   (i) Establish performance criteria for Poolers.
   (ii) Monitor and evaluate the financial markets to determine those factors that will minimize or reduce the cost of funding Debentures or Participating Securities.
   (iii) Monitor the performance of the Selling Agent, Poolers, CRA, and the Trustee.
   (iv) Perform such other functions as SBA, from time to time, may prescribe.

(3) Central Registration Agent. Pursuant to a contract entered into with SBA, the CRA, as SBA's agent, will do the following with respect to the Pools or Trust Certificates for the Debentures or Participating Securities:
   (i) Form an SBA-approved Pool or Trust;
   (ii) Issue the TCs in the form prescribed by SBA;
   (iii) Transfer the TCs upon the sale of original issue TCs in any secondary market transaction;
   (iv) Receive payments from Licensees;
   (v) Make periodic payments as scheduled or required by the terms of the TCs, and pay all amounts required to be paid upon prepayment of Debentures or redemption of Participating Securities;
   (vi) Hold, safeguard, and release all Debentures and Participating Securities constituting Trusts or Pools upon instructions from SBA;
   (vii) Remain custodian of such other documentation as SBA shall direct by written instructions;
   (viii) Provide for the registration of all pooled Debentures and Participating Securities, all Pools and Trusts, and all TCs;
   (ix) Perform such other functions as SBA may deem necessary to implement the provisions of this section.
§ 107.1700 Transfer by SBA of its interest in Licensee's Leverage security.

Upon such conditions and for such consideration as it deems reasonable,
§ 107.1710  SBA may sell, assign, transfer, or otherwise dispose of any Preferred Security, Debenture, Participating Security, or other security held by or on behalf of SBA in connection with Leverage. Upon notice by SBA, Licensee will make all payments of principal, dividends, interest, Prioritized Payments, and redemptions as shall be directed by SBA. Licensee will be liable for all damage or loss which SBA may sustain by reason of such disposal, up to the amount of Licensee's liability under such security, plus court costs and reasonable attorney's fees incurred by SBA.

§ 107.1710  SBA authority to collect or compromise its claims.

SBA may, upon such conditions and for such consideration as it deems reasonable, collect or compromise all claims relating to Preferred or Participating Securities or obligations held or guaranteed by SBA, and all legal or equitable rights accruing to SBA.

Subpart J—Licensee's Noncompliance With Terms of Leverage

§ 107.1800  Licensee's agreement to terms and conditions in §§ 107.1810 and 107.1820.

Any Licensee that violates the terms and conditions of its Leverage is subject to SBA remedies. The terms, conditions and remedies in §107.1810 apply to outstanding Debentures issued after April 25, 1994. The terms, conditions and remedies in §107.1820 apply to outstanding Preferred Securities and Participating Securities issued after April 25, 1994, or if you have Earmarked Assets in your portfolio.

§ 107.1810  Events of default and SBA's remedies for Licensee's noncompliance with terms of Debentures.

(a) Applicability of this section. This §107.1810 applies to Debentures issued after April 25, 1994. By issuing such Debentures, you automatically agree to the terms, conditions and remedies in this section, as in effect at the time of issuance and as if fully set forth in the Debentures. Debentures issued before April 25, 1994 continue to be governed by the remedies in effect at the time of their issuance.

(b) Automatic events of default. The occurrence of one or more of the events in this paragraph (b) causes the remedies in paragraph (c) of this section to take effect immediately.

(1) Insolvency. You become equitably or legally insolvent.

(2) Voluntary assignment. You make a voluntary assignment for the benefit of creditors without SBA's prior written approval.

(3) Bankruptcy. You file a petition to begin any bankruptcy or reorganization proceeding, receivership, dissolution or other similar creditors' rights proceeding, or such action is initiated against you and is not dismissed within 60 days.

(c) SBA remedies for automatic events of default. Upon the occurrence of one or more of the events in paragraph (b) of this section:

(1) Without notice, presentation or demand, the entire indebtedness evidenced by your Debentures, including accrued interest, and any other amounts owed SBA with respect to your Debentures, is immediately due and payable; and

(2) You automatically consent to the appointment of SBA or its designee as your receiver under section 311(c) of the Act.

(d) Events of default with notice. For any occurrence (as determined by SBA) of one or more of the events in this paragraph (d), SBA may avail itself of one or more of the remedies in paragraph (e) of this section.

(1) Fraud. You commit a fraudulent act which causes detriment to SBA's position as a creditor or guarantor.

(2) Fraudulent transfers. You make any transfer or incur any obligation that is fraudulent under the terms of 11 U.S.C. 548.

(3) Willful conflicts of interest. You willfully violate §107.730.

(4) Willful non-compliance. You willfully violate one or more of the substantive provisions of the Act, specifically including but not limited to the provisions summarized in section 310(c) of the Act, or any substantive regulation promulgated under the Act.

(5) Repeated Events of Default. At any time after being notified by SBA of the occurrence of an event of default under
Small Business Administration § 107.1810

paragraph (f) of this section, you engage in similar behavior which results in another occurrence of the same event of default.

(6) Transfer of Control. You violate §107.475 and/or willfully violate §107.410, and as a result of such violation you undergo a transfer of Control.

(7) Non-cooperation under §107.1810(h). You fail to take appropriate steps, satisfactory to SBA, to accomplish any action SBA may have required under paragraph (h) of this section.

(8) Non-notification of Events of Default. You fail to notify SBA as soon as you know or reasonably should have known that any event of default exists under this section.

(9) Non-notification of defaults to others. You fail to notify SBA in writing within ten days from the date of a declaration of an event of default or non-performance under any note, debenture or indebtedness of yours, issued to or held by anyone other than SBA.

(e) SBA remedies for events of default with notice. Upon written notice to you of the occurrence (as determined by SBA) of one or more of the events in paragraph (d) of this section:

(1) SBA may declare the entire indebtedness evidenced by your Debentures, including accrued interest, and/or any other amounts owed SBA with respect to your Debentures, immediately due and payable; and

(2) SBA may avail itself of any remedy available under the Act, specifically including institution of proceedings for the appointment of SBA or its designee as your receiver under section 311(c) of the Act.

(f) Events of default with opportunity to cure. For any occurrence (as determined by SBA) of one or more of the events in this paragraph (f), SBA may avail itself of one or more of the remedies in paragraph (g) of this section.

(1) Excessive Management Expenses. Without the prior written consent of SBA, you incur Management Expenses in excess of those permitted under §107.520.

(2) Improper Distributions. You make any Distribution to your shareholders or partners, except with the prior written consent of SBA, other than:

(i) Distributions permitted under §107.585:

(ii) Payments from Retained Earnings Available for Distribution based on either the shareholders’ pro-rata interests or the provisions for profit distributions in your partnership agreement, as appropriate; and

(iii) Distributions by Participating Securities issuers as permitted under §§107.1540 through 107.1580.

(3) Failure to make payment. Unless otherwise approved by SBA, you fail to make timely payment of any amount due under any security or obligation of yours that is issued to, held or guaranteed by SBA.

(4) Failure to maintain Regulatory Capital. You fail to maintain the minimum Regulatory Capital required under these regulations or, without the prior written consent of SBA, you reduce your Regulatory Capital, except as permitted by §§107.585 and 107.1560 through 107.1580.

(5) Capital Impairment. You have a condition of Capital Impairment as determined under §107.1830.

(6) Cross-default. An obligation of yours that is greater than $100,000 becomes due or payable (with or without notice) before its stated maturity date, for any reason including your failure to pay any amount when due. This provision does not apply if you pay the amount due within any applicable grace period or contest the payment of the obligation in good faith by appropriate proceedings.

(7) Nonperformance. You violate or fail to perform one or more of the terms and conditions of any security or obligation of yours that is issued to, held or guaranteed by SBA, or of any agreement with or conditions imposed by SBA in its administration of the Act and the regulations promulgated under the Act.

(8) Noncompliance. Except as otherwise provided in paragraph (d)(5) of this section, SBA determines that you have violated one or more of the substantive provisions of the Act, specifically including but not limited to the provisions summarized in section 310(c) of the Act, or any substantive regulation promulgated under the Act.

(9) Failure to maintain investment ratio. You fail to maintain the investment ratio for Leverage in excess of 300 percent of Leverageable Capital (see
§ 107.1820

§ 107.1150(b)(2) and 107.1160(c)), if applicable to you, as of the end of each fiscal year. In determining whether you have maintained the ratio, SBA will disregard any prepayment, sale, or disposition of Venture Capital Financing, any increase in Leverageable Capital, and any receipt of additional Leverage, within 120 days prior to the end of your fiscal year.

(10) Failure to maintain diversity. You fail to maintain diversity between management and ownership as required by §107.150, if applicable to you.

(g) SBA remedies for events of default with opportunity to cure. (1) Upon written notice to you of the occurrence (as determined by SBA) of one or more of the events of default in paragraph (f) of this section, and subject to the conditions in paragraph (g)(2) of this section:

(i) SBA may declare the entire indebtedness evidenced by your Debentures, including accrued interest, and/or any other amounts owed SBA with respect to your Debentures, immediately due and payable; and

(ii) SBA may avail itself of any remedy available under the Act, specifically including institution of proceedings for the appointment of SBA or its designee as your receiver under section 311(c) of the Act.

(2) SBA may invoke the remedies in paragraph (g)(1) of this section only if:

(i) It has given you at least 15 days to cure the default(s); and

(ii) You fail to cure the default(s) to SBA's satisfaction within the allotted time.

(h) Repeated non-substantive violations. If you repeatedly fail to comply with one or more of the non-substantive provisions of the Act or any non-substantive regulation promulgated under the Act, SBA, after written notification to you and until you cure such condition to SBA's satisfaction, may deny you additional Leverage and/or require you to take such actions as SBA may determine to be appropriate under the circumstances.

(i) Consent to removal of officers, directors, or general partners and/or appointment of receiver. The Articles of any Licensee issuing Debentures after April 25, 1994 must include the following provisions as a condition to the purchase or guarantee by SBA of such Leverage.

Upon the occurrence of any of the events specified in paragraphs (d)(1) through (d)(6) or (f)(1) through (f)(3) of this section as determined by SBA, SBA shall have the right, and your consent to SBA's exercise of such right:

(1) With respect to a Corporate Licensee, upon written notice, to require you to replace, with individuals approved by SBA, one or more of your officers and/or such number of directors of your board of directors as is sufficient to constitute a majority of such board; or

(2) With respect to a Partnership Licensee, upon written notice, to require you to remove the person(s) responsible for such occurrence and/or to remove the general partner of Licensee, which general partner shall then be replaced in accordance with Licensee's Articles by a new general partner approved by SBA; and/or

(3) With respect to either a Corporate or Partnership Licensee, to obtain the appointment of SBA or its designee as your receiver under section 311(c) of the Act for the purpose of continuing your operations. The appointment of a receiver to liquidate a Licensee is not within such consent, but is governed instead by the relevant provisions of the Act.

§ 107.1820 Conditions affecting issuers of Preferred Securities and/or Participating Securities.

(a) Applicability of this section. This section applies if you have Preferred Securities issued after April 25, 1994, or if you issue Participating Securities or have Earmarked Assets in your portfolio. Your Articles must include the provisions of this §107.1820 as a condition to the purchase of Preferred Securities or guarantee of Participating Securities and for as long as you own Earmarked Assets. Preferred Securities issued before April 25, 1994 continue to be governed by the remedies in effect at the time of their issuance.

(b) Removal Conditions. Upon the occurrence (as determined by SBA) of any of the following conditions ("Removal Conditions"), SBA may avail itself of one or more of the remedies in paragraph (d) of this section:
§ 107.1820

(1) Insolvency or extreme Capital Impairment. You become equitably or legally insolvent, or have a Capital Impairment Percentage of 100 percent or more (“extreme Capital Impairment”) and have not cured such Capital Impairment within the time limits set by SBA in writing. In this regard:

(i) You are not considered to have a condition of extreme Capital Impairment during the first eight years following your first issuance of Participating Securities.

(ii) This paragraph (b)(1) does not give you an additional opportunity to cure if you have already had an opportunity to cure your Capital Impairment under paragraph (e)(3) of this section.

(2) Voluntary assignment. You make a voluntary assignment for the benefit of creditors.

(3) Bankruptcy. You begin any bankruptcy or reorganization proceeding, receivership, dissolution or other similar creditors’ rights proceeding, or such action is initiated against you and is not dismissed within 60 days.

(4) Transfer of Control. You violate §107.475 and/or willfully violate §107.410, and such violation results in a transfer of Control.

(5) Fraud. You commit a fraudulent act which causes serious detriment to SBA’s position as a guarantor or investor.

(6) Fraudulent transfers. You make any transfer or incur any obligation that is fraudulent under the terms of 11 USC 548.

(c) Contingent Removal Conditions. Upon the occurrence (as determined by SBA) of any of the following conditions (“Contingent Removal Conditions”), SBA may avail itself of one or more of the remedies in paragraph (d) of this section, but only if you fail to remove the person(s) SBA identifies as responsible for such occurrence and/or cure such occurrence to SBA’s satisfaction within a time period determined by SBA (but not less than 15 days):

(1) Willful conflicts of interest. You willfully violate §107.730.

(2) Willful or repeated noncompliance. You willfully or repeatedly violate one or more of the substantive provisions of the Act, specifically including but not limited to the provisions summarized in section 310(c) of the Act, or any substantive regulation promulgated under the Act.

(3) Failure to comply with restrictions under paragraph (f) of this section. You fail to comply with the restrictions imposed by SBA under paragraph (f) of this section.

(d) SBA remedies for Removal Conditions and Contingent Removal Conditions. Upon the occurrence (as determined by SBA) of any Removal Condition, or any Contingent Removal Condition accompanied by your failure to act as set forth in paragraph (c) of this section, SBA has the following rights, and you consent to SBA’s exercise of any or all of such rights:

(1) With respect to a Corporate Licensee, upon written notice, to require you to replace, with individuals approved by SBA, one or more of your officers and/or such number of directors as is sufficient to constitute a majority of your board of directors; or

(2) With respect to a Partnership Licensee, upon written notice, to require you to remove the person(s) responsible for such occurrence and/or to remove your general partner, who shall then be replaced in accordance with your Articles by a new general partner approved by SBA; and/or

(3) With respect to either a Corporate or Partnership Licensee, to the appointment of SBA or its designee as your receiver under section 311(c) of the Act for the purpose of continuing your operations. The appointment of a receiver to liquidate a Licensee is not within such consent, but is governed instead by the relevant provisions of the Act.

(e) Restricted Operations Conditions. Upon the occurrence (as determined by SBA) of any of the following conditions (“Restricted Operations Conditions”), SBA may avail itself of any of the remedies in paragraph (f) of this section.

(1) Removal Conditions or Contingent Removal Conditions. Any condition occurs which is listed in paragraphs (b) or (c) of this section.

(2) Failure to maintain Regulatory Capital. You fail to maintain the minimum Regulatory Capital required by this part.
§ 107.1830

(3) Capital or Liquidity Impairment. You have a condition of Capital Impairment as determined under §107.1830 or, if applicable, a condition of Liquidity Impairment as determined under §107.1505, and you fail to cure the impairment within time limits set by SBA in writing.

(4) Improper Distributions. You make any Distribution to your shareholders or partners other than those permitted by §§107.585 and 107.1560 through 107.1580.

(5) Excessive Management Expenses. Without the prior written consent of SBA, you incur Management Expenses in excess of those permitted under §107.520.

(6) Failure to make payment. You fail to pay any amounts due under Preferred Securities or required by §§107.1500 through 107.1590, unless otherwise permitted by SBA.

(7) Noncompliance. Except as otherwise provided for in paragraphs (c)(1) and (c)(2) of this section, SBA determines that you have failed to comply with one or more of the substantive provisions of the Act, specifically including but not limited to the provisions summarized in section 310(c) of the Act, or any substantive regulation promulgated under the Act.

(8) Failure to maintain diversity. You fail to maintain diversity between management and ownership as required by §107.150, if applicable to you.

(9) Failure to maintain investment ratios. You fail to maintain the investment ratios or amounts required for Participating Securities (§107.1500(b)(4)) or Leverage in excess of 300 percent of Leverageable Capital (§107.1160(c)) or Preferred Securities in excess of 100 percent of Leverageable Capital (§107.1160(d)), if applicable to you, as of the end of each fiscal year. In determining whether you have maintained the ratios or amounts, SBA will disregard any prepayment, sale, or disposition of Equity Capital Investments or Venture Capital Financings, as appropriate, any increase in Leverageable Capital, and any receipt of additional Leverage, within 120 days prior to the end of your fiscal year.

(10) Nonperformance. You violate or fail to perform one or more of the terms and conditions of any Participating Security or Preferred Security or of any agreement with or condition imposed by SBA in its administration of the Act and the regulations promulgated thereunder.

(11) Noncooperation under paragraph (g) of this section. You fail to take appropriate steps, satisfactory to SBA, to accomplish such action as SBA may have required under paragraph (g) of this section.

(f) SBA remedies for Restricted Operations Conditions. Upon the occurrence of any Restricted Operations Condition, and until such condition(s) are cured to SBA’s satisfaction within a time period determined by SBA (but not less than 15 days), upon written notice SBA shall have the following rights, and you consent to SBA’s exercise of any or all of such rights:

(1) To prohibit you from making any additional investments except for investments under legally binding commitments you entered into before such notice and, subject to SBA’s prior written approval, investments that are necessary to protect your investments;

(2) Until all Leverage is redeemed and amounts due are paid, to prohibit Distributions by you to any party other than SBA, its agent or Trustee;

(3) To require all your commitments from investors to be funded at the earliest time(s) permitted in accordance with your Articles; and

(4) To review and re-determine your approved Management Expenses.

(g) Repeated non-substantive violations. If you repeatedly fail to comply with one or more of the non-substantive provisions of the Act or any non-substantive regulation promulgated thereunder, SBA, after written notification to you and until such condition is cured to SBA’s satisfaction, will deny you additional Leverage and/or require you to take such actions as SBA may determine to be appropriate under the circumstances.

Computation of Licensee’s Capital Impairment

§ 107.1830 Licensee’s Capital Impairment—definition and general requirements.

(a) Applicability of this section. This §107.1830 applies to you if you have any outstanding Leverage issued on or
§ 107.1840 Computation of Licensee’s Capital Impairment Percentage.

(a) General. This section contains the procedures you must use to determine your Capital Impairment Percentage if you have outstanding Leverage issued after April 25, 1994. You must compare your Capital Impairment Percentage to the maximum permitted under §107.1830(c) to determine whether you have a condition of Capital Impairment.

(b) Preliminary impairment test. If you satisfy the preliminary impairment test, your Capital Impairment Percentage is zero and you do not have to perform any more procedures in this §107.1840. Otherwise, you must continue with paragraph (c) of this section. You satisfy the test if the following amounts are both zero or greater:

(1) The sum of Undistributed Net Realized Earnings, as reported on SBA Form 468, and Includible Non-Cash Gains.

(2) Unrealized Gain (Loss) on Securities Held.

(c) How to compute your Capital Impairment Percentage. (1) If you have an Unrealized Gain on Securities Held, compute your Adjusted Unrealized Gain using paragraph (d) of this section. If you have an Unrealized Loss on...
Securities Held, continue with paragraph (c)(2) of this Section.

(2) Add together your Undistributed Net Realized Earnings, your Includible Non-cash Gains, and either your Unrealized Loss on Securities Held or your Adjusted Unrealized Gain.

(3) If the sum in paragraph (c)(2) of this section is zero or greater, your Capital Impairment Percentage is zero.

(4) If the sum in paragraph (c)(2) of this section is less than zero, drop the negative sign, divide by your Regulatory Capital (excluding Treasury Stock), and multiply by 100. The result is your Capital Impairment Percentage.

(d) How to compute your Adjusted Unrealized Gain.

(1) Subtract Unrealized Depreciation from Unrealized Appreciation. This is your “Net Appreciation”.

(2) Determine your Unrealized Appreciation on Publicly Traded and Marketable securities. This is your “Class 1 Appreciation”.

(3) Determine your Unrealized Appreciation on securities that are not Publicly Traded and Marketable and meet the following criteria, which must be substantiated to the satisfaction of SBA (this is your “Class 2 Appreciation”):

(i) The Small Business that issued the security received a significant subsequent equity financing by an investor whose objectives were not primarily strategic and at a price that conclusively supports the Unrealized Appreciation;

(ii) Such financing represents a substantial investment in the form of an arm’s length transaction by a sophisticated new investor in the issuer’s securities; and

(iii) Such financing occurred within 24 months of the date of the Capital Impairment computation, or the Small Business’ pre-tax cash flow from operations for its most recent fiscal year was at least 10 percent of the Small Business’ average contributed capital for such fiscal year.

(4) Perform the appropriate computation from the following table:

<table>
<thead>
<tr>
<th>Class 1 Appreciation ≤ Net Appreciation.</th>
<th>Class 1 Appreciation + Class 2 Appreciation ≤ Net Appreciation.</th>
<th>Then adjusted unrealized gain before taxes is:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Class 1 Appreciation ≤ Net Appreciation.</td>
<td>Class 1 Appreciation + Class 2 Appreciation ≤ Net Appreciation.</td>
<td>(80% × Class 1 Appreciation) + (50% × Class 2 Appreciation).</td>
</tr>
<tr>

APPENDIX A TO PART 112

SOURCE: 30 FR 298, Jan. 9, 1965, unless otherwise noted.

§ 112.1 Purpose.

The purpose of this part is to effectuate the provisions of Title VI of the Civil Rights Act of 1964 (hereinafter referred to as the Act) to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any financial assistance activities of the Small Business Administration to which the Act applies.

§ 112.2 Application of this part.

(a) This part applies to all recipients of assistance under programs administered by the Small Business Administration. (See appendix A)

(b) The term Federal financial assistance includes: (1) Grants and loans of Federal funds; (2) the grant or donation of Federal property and interests in property; (3) the detail of Federal personnel; (4) the sale and lease of, and the permission to use (on other than a casual or transient basis), Federal property or any interest in such property without consideration, or at a nominal consideration, or at a consideration which is reduced for the purpose of assisting the recipient, or in recognition of the public interest to be served by such sale or lease to the recipient; and (5) any Federal agreement, arrangement, or other contract which has as one of its purposes the provision of assistance.

(c) This part does not apply to financial assistance extended by way of insurance or guarantee.

(d) The terms applicant and recipient mean, respectively, one who applies for and one who receives any of the financial assistance under any of the statutes referred to in paragraph (a) of this section. The term recipient also shall be deemed to include subrecipients of SBA financial assistance, i.e., concerns which secondarily receive financial assistance from the primary recipients of such financial assistance.

§ 112.3 Discrimination prohibited.

(a) General. To the extent that this part applies, no person in the United States shall, on the ground of race, color or national origin be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination by any business or other activity.

(b) Specific discriminatory actions prohibited. (1) To the extent that this part applies, a business or other activity may not, directly or through contractual or other arrangements, on ground of race, color or national origin:
§ 112.6 Discrimination in accommodations or services.

Small business concerns which apply for or receive any financial assistance of the kind described in §112.2(a)(1), concerns which are identifiable beneficiaries of loans made under §112.2(a)(2), and physicians, hospitals, schools, libraries, and other individuals or organizations which apply for or receive financial assistance of the kind described in §112.2(a)(5), may not discriminate in the treatment accommodations or services they provide to
their patients, students, visitors, guests, members, passengers, or patrons in the conduct of such businesses or other enterprises, whether or not operated for profit.

[31 FR 2374, Feb. 4, 1966]

§ 112.7 Illustrative applications.

(a) Employment. The discrimination prohibited by § 112.4 includes but is not limited to any action (taken directly or through contractual or other arrangements) which subjects an individual to discrimination on the ground of race, color or national origin in any employment practice, including recruitment or recruitment advertising, employment, layoff or termination, upgrading, demotion, or transfer, rates of pay or other forms of compensation, and use of facilities.

(b) Financial assistance. The discrimination prohibited by § 112.5 includes but is not limited to the failure or refusal, because of the race, color, or national origin of a person, to extend a loan or equity financing to him or to any business concern of which he is an owner or employee; or, in the case of financing which has actually been extended, the failure or refusal, because of the race, color, or national origin of the borrower or of an owner or employee of the borrower, to accord the borrower fair treatment and the customary courtesies regarding such matters as default, grace periods and the like.

(c) Accommodations or services. The discrimination prohibited by § 112.6 includes but is not limited to the failure or refusal, because of the race, color, or national origin of a person, to accept him on a nonsegregated basis as a patient, student, visitor, guest, member, customer, passenger or patron.

(d) Affirmative action. (1) In some situations even though past discriminatory practices have been abandoned, the consequences of such practices continue to impede the full availability of equal opportunity. If the efforts required of the applicant or recipient under § 112.3(b)(3) to provide information as to the availability of equal opportunity, and the rights of individuals under this regulation, have failed to overcome these consequences, it will become necessary for such applicant or recipient to take additional steps to make equal opportunity fully available to racial and nationality groups previously subjected to discrimination.

(2) Even though an applicant or recipient has never used discriminatory policies, the opportunities in the business it operates may not in fact be equally available to some racial or nationality groups. In such circumstances a recipient may properly give special consideration to race, color, or national origin to make opportunity more widely available to such groups.

§ 112.8 Assurances required.

An application for any of the financial assistance described in § 112.2(a) shall, as a condition to its approval and the extension of such assistance, contain or be accompanied by an assurance that the recipient will comply with this part. Such an assurance shall contain provisions authorizing the acceleration of the maturity of the recipient’s financial obligation to the SBA in the event of a failure to comply, and provisions which give the United States a right to seek judicial enforcement of the terms of the assurance. SBA shall specify the form of the foregoing assurance for each program, and the extent to which like assurances will be required of contractors and subcontractors, transferees, successors in interest, and other participants in the program.

§ 112.9 Compliance information.

(a) Cooperation and assistance. SBA shall to the fullest extent practicable seek the cooperation of applicants and recipients in obtaining compliance with this part and shall provide assistance and guidance to applicants and recipients to help them comply voluntarily with this part.

(b) Compliance reports. Each applicant or recipient shall keep such records and submit to SBA timely, complete and accurate compliance reports at such times, and in such form and containing such information, as SBA may determine to be necessary to enable SBA to ascertain whether the applicant or recipient has complied or is complying with this part. In the case of
a small business concern which receives financial assistance from a development company or from a small business investment company, such concern shall submit to the company such information as may be necessary to enable the company to meet its reporting requirements under this part.

(c) Access to sources of information. Each applicant or recipient shall permit access by SBA during normal business hours to such of its books, records, accounts, and other sources of information, and its facilities as may be pertinent to ascertain compliance with this part. Where any information required of an applicant or recipient is in the exclusive possession of any other agency, institution or person and this agency, institution or person shall fail or refuse to furnish this information, the applicant or recipient shall so certify in its report and shall set forth what efforts it has made to obtain this information.

(d) Information to the public. Each recipient shall make available to persons entitled under the Act and under this part to protection against discrimination by the recipient such information as SBA may find necessary to apprise them of their rights to such protection.

§ 112.10 Conduct of investigations.

(a) Periodic compliance reviews. SBA shall from time to time review the practices of recipients to determine whether they are complying with this part.

(b) Complaints. Any person who believes himself or any specific class of individuals to be subjected to discrimination prohibited by this part may, by himself or by a representative, file with SBA a written complaint. A complaint must be filed not later than 180 days from the date of the alleged discrimination, unless the time for filing is extended by SBA.

(c) Investigations. SBA will make a prompt investigation whenever a compliance review, report, complaint, or any other information indicates a possible failure to comply with this part. The investigation should include, where appropriate, a review of the pertinent practices and policies of the applicant or recipient, the circumstances under which the possible noncompliance with this part occurred, and other factors relevant to a determination as to whether the applicant or recipient has failed to comply with this part.

(d) Resolution of matters. (1) If an investigation pursuant to paragraph (c) of this section indicates a failure to comply with this part, SBA will so inform the applicant or recipient and the matter will be resolved by informal means whenever possible. If it has been determined that the matter cannot be resolved by informal means, action will be taken as provided for in § 112.11.

(2) If an investigation does not warrant action pursuant to paragraph (d)(1) of this section, SBA will so inform the applicant or recipient and the complainant, if any, in writing.

(e) Intimidatory or retaliatory acts prohibited. No applicant or recipient or other person shall intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by section 601 of the Act or by this part or because he has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this part. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of this part, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder.

§ 112.11 Procedure for effecting compliance.

(a) General. (1) If there appears to be a failure or threatened failure to comply with this part and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this part may be effected by suspending, terminating, or refusing any financial assistance approved but not yet disbursed to an applicant or, in the case of a loan which has been partially disbursed, by refusing to make further disbursements. In addition, compliance may be effected by any other means authorized by law.

(2) Such other means may include but are not limited to (i) legal action
§ 112.12 Effect on other regulations; forms and instructions.

(a) Effect on other regulations. All regulations, orders or like directions hereafter issued by SBA which impose requirements designed to prohibit any discrimination against individuals on the grounds of race, color, or national origin and which authorize the suspension or termination of or refusal to grant to or to continue financial assistance to any applicant for or recipient of such assistance for failure to comply with such requirements, are hereby superseded to the extent that such discrimination is prohibited by this part, except that nothing in this part shall be deemed to relieve any person of any obligation assumed or imposed under any such superseded regulation, order, instruction, or like direction prior to the effective date of this part. Nothing
in this part, however, shall be deemed to supersede any of the following (including future amendments thereof):

(1) Executive Order 11246 and regulations issued thereunder, or (2) any other orders, regulations or instructions, insofar as such order, regulations, or instructions prohibit discrimination on the grounds of race, color, or national origin in any program or situation to which this part is inapplicable or prohibit discrimination on any other ground.

(b) Forms and instructions. SBA shall issue and promptly make available to interested persons forms and detailed instructions and procedures for effectuating this part.

(c) Supervision and coordination. The Administrator may from time to time assign to officials of SBA or to officials of other agencies of the Government with the consent of such agencies, responsibilities in connection with the effectuation of the purpose of Title VI of the Act and this part (other than responsibility for final decision as provided in §112.13), including the achievement of effective coordination and maximum uniformity within SBA and within the Executive Branch of the Government in the application of Title VI and this part to similar programs and in similar situations. Any action taken, determination made, or requirement imposed by an official of another Department or agency acting pursuant to an assignment of responsibility under this subsection shall have the same effect as though such action had been taken by the Administrator of SBA.

APPENDIX A TO PART 113

SOURCE: 44 FR 20068, Apr. 4, 1979, unless otherwise noted.

§ 113.1 Purpose.

(a) Part 112 of this chapter, issued pursuant to Title VI of the Civil Rights Act of 1964, prohibits discrimination on the basis of race, color, or national origin by some recipients of financial assistance from SBA. The purpose of this part is to reflect to the fullest extent possible the nondiscrimination policies of the Federal Government as expressed in the several statutes, Executive Orders, and messages of the President dealing with civil rights and equality of opportunity, and in the previous determination of the Administrator of the Small Business Administration that discrimination based on race, color, religion, sex, marital status, handicap or national origin shall be prohibited, to the extent that it is not prohibited by part 112 of this chapter, to all recipients of financial assistance from SBA.

(b) In accordance with Pub. L. 94-239, 15 U.S.C. 1691, cited as the Equal Credit Act Amendments of 1976, it is unlawful for any recipient creditor to discriminate against any applicant, with respect to any aspect of a credit transaction because of race, color, religion, national origin, sex, marital status, age: (Provided, the applicant has the capacity to contract), because all or part of the applicant's income derives from any public assistance program, or because the applicant has in good faith exercised any right under the Consumer Credit Protection Act.

(c) It is the intention of the Administrator that the prohibitions in this part supplement those in part 112 of this chapter, that the two parts be read in pari materia, and that the procedures established herein be harmonized to the maximum extent feasible with those established in part 112 of this chapter.

§ 113.2 Definitions.

As used in this part:

(a) The term Federal financial assistance includes (1) grants and loans of Federal funds, (2) the grant or donation of Federal property and interests in property, (3) the detail of Federal personnel, (4) the sale and lease of, and the permission to use (on other than a casual or transient basis), Federal property or any interest in such property without consideration, or at a nominal consideration, or at a consideration which is reduced for the purpose of assisting the recipient, or in recognition of the public interest to be served by such sale or lease to the recipient, and (5) any Federal agreement, arrangement, or other contract which has as one of its purposes the provision of assistance.

(b) The terms applicant and recipient mean, respectively, one who applies for and one who receives any of the financial assistance under any of the statutes referred to in paragraph (a) of this section. The term recipient also shall be deemed to include subrecipients of SBA financial assistance, i.e., concerns which secondarily receive financial assistance from the primary recipients of such financial assistance. For the purposes of this part, a paragraph (b) lender (13 CFR 120.4(b)) shall be deemed a recipient of financial assistance.

(c) The term religion includes all aspects of religious observance and practice, as well as belief.

(d) The term qualified handicapped person means (1) with respect to employment, a handicapped person who, with reasonable accommodation, can perform the essential functions of the job in question and (2) with respect to services, a handicapped person who meets the essential eligibility requirements for the receipt of such services.

(e) The term handicapped person, as defined by the guideline set forth by
Small Business Administration

§ 113.3 Discrimination prohibited.

To the extent not covered or prohibited by part 112 of this chapter, recipients of financial assistance may not:

(a) Discriminate with regard to goods, services, or accommodations offered or provided by the aided business or other enterprise, whether or not operated for profit, because of race, color, religion, sex, handicap, or national origin of a person, or fail or refuse to accept a person on a nonsegregated basis as a patient, student, visitor, guest, customer, passenger, or patron.

(b) With regard to employment practices within the aided business or other enterprise, whether or not operated for profit; fail or refuse, because of race, color, religion, sex or national origin of a person, to seek or retain the person's services, or to provide the person with opportunities for advancement or promotion, or accord an employee the rank and rate of compensation, including fringe benefits, merited by the employee's services and abilities.

(c) With regard to employment practices within the aided business or other enterprise, whether or not operated for profit; discriminate against a qualified handicapped person; or because of handicap, fail or refuse to seek or retain the person's services or to provide the person with opportunities for advancement or promotion, or accord an employee the rank and rate of compensation, including fringe benefits, merited by the employee's services and abilities. All employment decisions shall be made in a manner which ensures that discrimination on the basis

The term reasonable accommodation as used in these Regulations may include: (1) making facilities used by employees readily accessible to and usable by handicapped persons; and (2) job restructuring, part-time or modified work schedules, acquisition or modification of equipment or devices, the provision of readers or interpreters, and other similar actions.

§ 113.3 Discrimination prohibited.

To the extent not covered or prohibited by part 112 of this chapter, recipients of financial assistance may not:

(a) Discriminate with regard to goods, services, or accommodations offered or provided by the aided business or other enterprise, whether or not operated for profit, because of race, color, religion, sex, handicap, or national origin of a person, or fail or refuse to accept a person on a nonsegregated basis as a patient, student, visitor, guest, customer, passenger, or patron.

(b) With regard to employment practices within the aided business or other enterprise, whether or not operated for profit; fail or refuse, because of race, color, religion, sex or national origin of a person, to seek or retain the person's services, or to provide the person with opportunities for advancement or promotion, or accord an employee the rank and rate of compensation, including fringe benefits, merited by the employee's services and abilities.

(c) With regard to employment practices within the aided business or other enterprise, whether or not operated for profit; discriminate against a qualified handicapped person; or because of handicap, fail or refuse to seek or retain the person's services or to provide the person with opportunities for advancement or promotion, or accord an employee the rank and rate of compensation, including fringe benefits, merited by the employee's services and abilities. All employment decisions shall be made in a manner which ensures that discrimination on the basis
§ 113.3

of handicap does not occur. Such decisions may not limit, segregate, or classify job applicants or employees in any way that adversely affects the opportunities or status of qualified handicapped individuals.

(d) Participate in a contractual or other relationship that has the effect of subjecting job applicants or employees to discrimination prohibited by this part. The relationships referred to in this paragraph include those with employment and referral agencies, labor unions, organizations providing or administering fringe benefits to employees of the recipient, and organizations providing training and apprenticeship programs. Activities covered by this part are as follows:

(1) Recruitment, advertising, and the processing of applications for employment;

(2) Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff, and rehiring;

(3) Rates of pay or any other form of compensation and changes in compensation;

(4) Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists;

(5) Leaves of absence, sick leave, or any other leave;

(6) Fringe benefits available by virtue of employment, whether or not administered by the recipient;

(7) Selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, and selection for leaves of absence to pursue training;

(8) Employer sponsored activities, including social or recreational programs; and

(9) Any other term, condition, or privilege of employment.

(e) Use employment tests or criteria that discriminate on the basis of race, color, religion, sex, marital status, handicap, or national origin. Employment tests which are used for all other job applicants shall be adapted in an appropriate mode for use by persons who have handicaps that impair sensory, manual, or speaking skills.

(f) Conduct a preemployment medical examination, unless required of all job applicants, and subsequent to a conditional offer of employment. The results of all such medical examinations shall be kept confidential.

(g) Make a preemployment inquiry as to whether a job applicant is a handicapped person or as to the nature or severity of a handicap: EXCEPT when a recipient is taking remedial action to overcome the effects of conditions which resulted in past discrimination, or when a recipient is taking affirmative action pursuant to section 503 of the Rehabilitation Act of 1973, as amended.

(1) Such preemployment inquiry may only be made after the job applicant has been informed that such disclosure is for the purposes set forth in paragraph (g) of this section; that the disclosure is voluntary and will be kept confidential; and that refusal of the job applicant to provide such information will not subject the applicant to any adverse action.

(2) Information elicited from qualified handicapped job applicants concerning their medical history or condition shall be kept confidential EXCEPT that:

(i) Supervisors and managers may be informed about restrictions on or accommodations to be made for the qualified handicapped individual;

(ii) First aid and safety personnel may be informed, where appropriate, of the need for possible emergency treatment; and

(iii) Compliance officials shall be given relevant information, if requested.

(h) Discriminate on the basis of race, color, religion, handicap or national origin in the use of toilets or any facilities for rest or comfort. Discriminate on the basis of race, color, handicap, or national origin in the use of cafeterias, recreational programs or other programs sponsored by the applicant or recipient.

(i) With regard to all recipients offering credit, such as Small Business Investment Companies and Community Development Companies, discriminate against debtors on the basis of race, color, religion, sex, marital status, handicap, or national origin.
Small Business Administration § 113.3±1

(j) With regard to the granting of credit by all recipient creditors, discriminate against any credit applicant, with respect to any aspect of a credit transaction because of race, color, religion, national origin, sex, marital status, handicap, age (provided the applicant has the capacity to contract), because all or part of the applicant’s income derives from any public assistance program, or because the applicant has in good faith exercised any right under the Consumer Credit Protection Act.

§ 113.3-1 Consideration of race, color, religion, sex, marital status, handicap, or national origin.

(a) This regulation does not prohibit the consideration of race, color, religion, sex, marital status, handicap, or national origin if the purpose and effect are to remove or overcome the consequences of practices or impediments which have restricted the availability of, or participation in, the program or activity receiving Federal financial assistance, on the grounds of race, color, religion, sex, marital status, handicap, or national origin. Where previous discriminatory practices or usage tend, on the grounds of race, color, religion, sex, marital status, handicap, or national origin, to exclude individuals from participation in, to deny them the benefits of, or to subject them to discrimination under any program or activity to which this regulation applies, the applicant or recipient has an obligation to take reasonable action to remove or overcome the consequences of the prior discriminatory practice or usage, and to accomplish the purposes of this regulation. All programs and activities shall be administered in the most integrated setting possible.

(b) Nothing in this part shall prohibit the restriction of certain jobs to members of one sex if a bona fide occupational qualification can be demonstrated by the applicant or recipient. Custom or tradition is not a bona fide occupational qualification.

(c) Recipients shall take steps to ensure that communications with job applicants and employees who have vision and/or hearing disabilities are available in appropriate modes.

(d) Recipients shall make reasonable accommodation to the known physical or mental limitations of an otherwise qualified handicapped job applicant or employee UNLESS the recipient can demonstrate that the accommodation would impose an undue hardship on the operation of the business. Factors to be considered in determining whether an accommodation would impose an undue hardship on the operation of a recipient’s business include:

1. The overall size of the recipient’s business with respect to number of employees, number and type of facilities, size of budget, and the financial condition of the business;
2. The type of the recipient’s operation, including the composition and structure of the recipient’s workforce; and
3. The nature and cost of the accommodation needed.

(e) Such accommodation may include making facilities used by employees readily accessible to and usable by handicapped persons, job restructuring, part-time or modified work schedules, acquisition or modification of equipment or devices, the provision of readers or interpreters, and other similar actions.

(f) The final decision, when making a review or investigation of a complaint, as to whether an accommodation would impose an undue hardship on the operation of a recipient business will be made by the compliance officials of the Small Business Administration.

(g) Recipients shall administer programs and activities in the most integrated setting appropriate to the needs of qualified handicapped persons, and shall not participate in a contractual relationship that has the effect of subjecting qualified handicapped job applicants or employees to discrimination prohibited by this part. The relationships referred to in this paragraph include those with referral agencies, labor unions, organizations providing or administering fringe benefits to employees of the recipient, and organizations providing training and apprenticeship programs.

(h) Nothing in this part shall apply to a religious corporation, association, educational institution or society with...
§ 113.3-2 Accommodations to religious observance and practice.

A recipient of financial assistance must accommodate to the religious observances and practices of an employee or prospective employee unless the recipient demonstrates that it is unable to reasonably accommodate to an employee's or prospective employee's religious observance or practice without undue hardship on the conduct of the employer's business. As part of this obligation, recipient must make reasonable accommodations to the religious observances and practices of an employee or prospective employee who regularly observes Friday evening and Saturday, or some other day of the week, as Sabbath and/or who observes certain religious holidays during the year and is conscientiously opposed to performing work or engaging in similar activity on such days, when such accommodations can be made without undue hardship on the conduct of the employer's business. In determining the extent of a recipient's obligations under this section, at least the following factors should be considered: (a) Business necessity, (b) financial costs and expenses, and (c) resulting personnel problems.

§ 113.3-3 Structural accommodations for handicapped clients.

(a) Existing facilities. Recipients in preexisting structures shall make their goods or services accessible to and usable by handicapped clients. Where structural changes are necessary to make the recipient's goods or services accessible, such changes shall be made as soon as practicable, but in no event later than three years after the effective date of this Regulation. A plan setting forth the steps necessary to complete such structural changes shall be developed and submitted to SBA. If practical, interested persons, including handicapped persons or organizations representing handicapped persons, will be consulted.

(b) Design, construction, and alteration. New facilities shall be designed and constructed to be readily accessible to and usable by persons with handicaps. Alterations to existing facilities that affect usability shall, to the maximum extent feasible, be designed and constructed to be readily accessible to and usable by handicapped persons.

(c) Conformance with Uniform Federal Accessibility Standards. (1) Effective as of January 18, 1991, design, construction, or alteration of buildings in conformance with sections 3-8 of the Uniform Federal Accessibility Standards (UFAS) (appendix A to 41 CFR subpart 101-19.6) shall be deemed to comply with the requirements of this section with respect to those buildings. Departures from particular technical and scoping requirements of UFAS by the use of other methods are permitted where substantially equivalent or greater access to and usability of the building is provided.

(2) For purposes of this section, section 4.1.6(1)(g) of UFAS shall be interpreted to exempt from the requirements of UFAS only mechanical rooms and other spaces that, because of their intended use, will not require accessibility to the public or beneficiaries or result in the employment or residence therein of persons with physical handicaps.

(3) This section does not require recipients to make building alterations that have little likelihood of being accomplished without removing or altering a load-bearing structural member.

§ 113.4 Assurances required.

An application for financial assistance shall, as a condition to its approval and the extension of such assistance, contain or be accompanied by an assurance that the recipient will comply with this part. Such an assurance shall contain provisions authorizing the acceleration of the maturity of the recipient’s financial obligations to SBA in the event of a failure to comply, and provisions which give the United States a right to seek judicial
Small Business Administration § 113.6

enforcement of the terms of the assurance. SBA shall specify the form of the foregoing assurance for each program, and the extent to which like assurances will be required of contractors and subcontractors, transferees, successors in interest, and other participants in the program.

§ 113.5 Compliance information.

(a) Cooperation and assistance: SBA shall to the fullest extent practicable seek the cooperation of applicants and recipients in obtaining compliance with this part and shall provide assistance and guidance to applicants and recipients to help them comply voluntarily with this part. Recipients are expected to continually evaluate their compliance status, with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons.

(b) Compliance reports: Each applicant or recipient shall keep such records and submit to SBA timely, complete and accurate compliance reports at such times, and in such form and containing such information, as SBA may determine to be necessary to enable SBA to ascertain whether the applicant or recipient has complied or is complying with this part. Where any information required of an applicant or recipient is in the exclusive possession of any other agency, institution or person; and such agency, institution or person shall fail or refuse to furnish this information, the applicant or recipient shall so certify in its report and shall set forth what efforts it has made to obtain this information.

(d) Information to the Public. Each recipient shall make available to persons entitled under this part to protection against discrimination by the recipient such information as SBA may find necessary to apprise them of their rights to such protection.

(1) In some situations even though past discriminatory practices have been abandoned, the consequences of such practices continue to impede the full availability of equal opportunity. If the efforts required of the applicant or recipient under § 113.5(b) to provide information as to the availability of equal opportunity, and the rights of individuals under this regulation, have failed to overcome these consequences, it will become necessary for such applicant or recipient to take additional steps to make equal opportunity fully available to racial, qualified handicapped, nationality groups and persons who because of their sex were previously subjected to discrimination.

(2) Even though an applicant or recipient has never used discriminatory policies, the opportunities in the business it operates may not in fact be equally available to some racial, qualified handicapped, or nationality groups. In such circumstances a recipient may properly give special consideration to race, color, religion, sex, marital status, qualified handicap or national origin to make the opportunities more widely available to such groups.

§ 113.6 Conduct of investigations.

(a) Periodic compliance reviews. SBA shall from time to time review the practices of recipients to determine whether they are complying with this part.

(b) Complaints. Any person who believes that he, she or any class of individuals has been subjected to discrimination prohibited by this part may, personally or through a representative, file with SBA a written complaint. A complaint must be filed not later than 180 days from the date of the alleged discrimination, unless the time for filing is extended by SBA.

(c) Investigations. SBA will make a prompt investigation whenever a compliance review, report, complaint, or any other information indicates a possible failure to comply with this part.
The investigation should include, where appropriate, a review of the pertinent practices and policies of the applicant or recipient, the circumstances under which the possible noncompliance with this part occurred, and other factors relevant to a determination as to whether the applicant or recipient has failed to comply with this part.

(d) Resolution of matters. (1) If an investigation pursuant to paragraph (c) of this section indicates a failure to comply with this part, SBA will so inform the applicant or recipient and the matter will be resolved by informal means whenever possible. If it has been determined that the matter cannot be resolved by informal means, action will be taken as provided for in §113.7.

(2) If an investigation does not warrant action pursuant to paragraph (d)(1) of this section, SBA will so inform the applicant or recipient and the complainant, if any, in writing.

(e) Intimidatory or retaliatory acts prohibited. No applicant or recipient or other person shall intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by this part or because he has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this part. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of this part, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder.

§ 113.7 Procedure for effecting compliance.

(a) General. (1) If there appears to be a failure or threatened failure to comply with this part and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this part may be effected by suspending, terminating, or refusing any financial assistance approved but not yet disbursed to an applicant. In the case of loans partially or fully disbursed, compliance with this part may be effected by calling, canceling, terminating, accelerating repayment, or suspending in whole or in part the financial assistance provided. In addition compliance may be effected by any other means authorized by law.

(2) Such other means may include but are not limited to (i) legal action by SBA to enforce its rights, embodied in the assurances described in §113.4; (ii) a reference to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States; and (iii) any applicable proceedings under State or local law.

(b) Noncompliance with §113.4. If an applicant fails or refuses to furnish an assurance required under §113.4 or otherwise fails or refuses to comply with a requirement imposed by or pursuant to that section, Federal financial assistance may be refused in accordance with the procedures of paragraph (c) of this section. SBA shall not be required to provide assistance in such a case during the pendency of the administrative proceedings under such paragraph except that SBA shall continue assistance during the pendency of such proceedings where such assistance is due and payable pursuant to an application therefor approved prior to the effective date of this part. Such proceedings shall be conducted in accordance with the provisions of part 134 of this chapter by an Administrative Law Judge of the Office of Hearings and Appeals, who shall issue an initial decision in the case. The Administrator shall be the reviewing official for purposes of §134.228. The applicant’s failure to file a timely motion in accordance with §§134.222 and 134.211, requesting that the matter be scheduled for an oral hearing, shall constitute waiver of the right to an oral hearing but shall not prevent the submission of written information and argument for the record in accordance with the provisions of part 134.

(c) Condition precedent. Under this part 113, no order suspending, terminating, refusing, calling, canceling, or accelerating repayment of financial assistance in whole or in part shall become effective until (1) SBA has advised the applicant or recipient of his failure to comply and has determined that compliance cannot be secured by voluntary means; (2) there has been an express finding on the record after an
 Small Business Administration Pt. 113, App. A

opportunity for an oral hearing, of a failure by the applicant or recipient to comply with a requirement imposed by or pursuant to this part; and (3) the initial decision has become final pursuant to §134.227(b).

(d) Other means authorized by law. No action to effect compliance by any other means authorized by law shall be taken until:

(1) SBA has determined that compliance cannot be secured by voluntary means.

(2) The action has been approved by the Administrator or the Administrator’s designee.

(3) The applicant or recipient or other person has been notified of its failure to comply and of the action to be taken to effect compliance.

(4) The expiration of at least 10 days from the mailing of such notice to the applicant or recipient or other person. During this period of at least 10 days, additional efforts shall be made to persuade the applicant or recipient or other person to comply with this part and to take such corrective action as may be appropriate.

§ 113.8 Effect on other regulations, forms and instructions.

(a) Effect on other regulations. All regulations, orders of like directions here-tofore issued by SBA which impose requirements designed to prohibit any discrimination against individuals on the grounds of race, color, religion, sex, handicap, marital status, age, or national origin which authorize the suspension or termination of a refusal to grant to or to continue financial assistance to any applicant for or recipient of such assistance for failure to comply with such requirements, are hereby superseded to the extent that such discrimination is prohibited by this part, except that nothing in this part shall be deemed to relieve any person of any obligation assumed or imposed under any such superseded regulation, order, instruction or like direction prior to the effective date of this part.

(b) Forms and instructions. SBA shall issue and promptly make available to interested persons forms and detailed instructions and procedures for effectuating this part.

(c) Supervision and coordination. The Administrator may from time-to-time assign to officials of SBA or to officials of other agencies of the Government, with the consent of such agencies, responsibilities in connection with the effectuation of the purposes of this part (other than responsibility of first decisions as provided in §113.9) including the achievement of effective coordination and maximum uniformity within SBA and within the executive branch of the Government in the application of this part and of comparable regulations issued by other agencies of the Government to similar situations. Any action taken, determination made, or requirement imposed by an official of another department or agency acting pursuant to an assignment of responsibility under this subsection shall have the same effect as though such action had been taken by the Administrator of SBA.

Subpart B—Representation and Indemnification of SBA Employees

§ 114.109 If my claim is denied?

Subpart A—Administrative Tort Claims

§ 114.100 Definitions.

As used throughout this part 114, date of accrual means the date you know or reasonably should have known of your injury. The date of accrual will depend on the facts of each case. Site means the geographic location where the incident giving rise to your claim occurred.

§ 114.101 What do these regulations cover?

This part applies only to monetary claims you assert under the Federal Tort Claims Act, 28 U.S.C. 2671 et seq., for injury to or loss of property, personal injury, or death arising from the negligent or wrongful act or omission of any SBA employee acting within the scope of his or her employment.

§ 114.102 When and where do I present a claim?

You must present your claim within two years of the date of accrual at the SBA District Office nearest to the site and within the same state as the site. You must use an official form obtained from SBA or give other written notice of your claim, stating the specific amount of your alleged damages and providing enough information to enable SBA to investigate your claim. Your claim will be considered presented when SBA receives this information.

§ 114.103 Who may file a claim?

(a) If a claim is based on factors listed in the first column, then it may be
presented by persons listed in the second column.

(b) An agent or legal representative may present your claim in your name, but must sign the claim, state his or her title or legal capacity, and include documentation of authority to present the claim on your behalf.

§ 114.104 What evidence and information may SBA require relating to my claim?

(a) For a claim based on injury to or loss of property:
   (1) Proof you own the property.
   (2) A specific statement of the damage you claim with respect to each item of property.
   (3) Itemized receipts for payment for necessary repairs or itemized written estimates of the cost of such repairs.
   (4) A statement listing date of purchase, purchase price and salvage value, where repair is not economical.
   (5) Full information about potential insurance coverage and any insurance claims or payments relating to your claim.
   (6) Any other information that may be relevant to the government's alleged liability or the damages you claim.

(c) For a claim based on death:
   (1) An authenticated death certificate or other competent evidence showing cause of death, date of death, and age of the decedent.
   (2) Evidence of decedent's employment or occupation at the time of death, including monthly or yearly salary or earnings, and the duration of such employment or occupation.
   (3) Full names, addresses, birth dates, kinship, and marital status of the decedent's survivors, including identification of those survivors who were dependent upon the decedent for support at the time of his or her death.
   (4) Evidence of the support provided by the decedent to each dependent survivor at the time of his or her death.
   (5) A summary of the decedent's general physical and mental condition before death.
   (6) Itemized bills or receipts for payments for medical and burial expenses.
   (7) For pain and suffering damage claims, a physician's detailed statement specifying the injuries suffered, the duration of pain and suffering, any drugs administered for pain, and the

107
decedent’s physical condition in the interval between injury and death.

(b) Any other information that may be relevant to the government’s alleged liability or the damages claimed.

§ 114.105 Who investigates and considers my claim?

(a) SBA may investigate, or ask another Federal agency to investigate, your claim. SBA also may request any Federal agency to conduct a physical examination of you and provide a report to SBA. SBA will reimburse the Federal agency for the costs of that examination when authorized or required by statute or regulation.

(b) In those cases in which SBA investigates your claim, the SBA District Counsel with jurisdiction over the site will conduct an investigation and make recommendations or a determination with respect to your claim. The District Counsel may negotiate with you and is authorized to use alternative dispute resolution mechanisms (nonbinding on SBA) when they may promote the prompt, fair and efficient resolution of your claim.

(c) If your claim is for $5,000 or less, the District Counsel may deny the claim, or may recommend approval, compromise, or settlement of the claim to the General Counsel or designee, who may take final action. The District Counsel must refer the claim to SBA’s General Counsel or designee for review if SBA should consult with the Department of Justice before approving the claim, as required under § 114.107.

§ 114.106 What if my claim exceeds $5,000?

The District Counsel must review and investigate your claim and forward it with a report and recommendation to the General Counsel or designee, who may approve or deny an award, compromise, or settlement of claims in excess of $5,000, but not exceeding $25,000. The General Counsel or designee will handle claims in excess of $25,000 as required by § 114.107.

§ 114.107 What if my claim exceeds $25,000 or has other special features?

(a) The U.S. Attorney General or designee must approve in writing any award, compromise, or settlement of a claim in excess of $25,000. For this purpose, a principal claim and any derivative or subrogated claim are considered a single claim.

(b) SBA must consult with the Department of Justice before adjusting, determining, compromising, or settling a claim whenever the General Counsel or designee determines:

(1) The claim involves a new precedent or a new point of law; or

(2) The claim involves or may involve a question of policy; or

(3) The United States is or may be entitled to indemnity or contribution from a third party and SBA is unable to adjust the third party claim; or

(4) Approval of a claim, as a practical matter, will or may control the disposition of a related claim in which the amount to be paid may exceed $25,000.

(c) SBA must consult with the Department of Justice before adjusting, determining, compromising, or settling a claim whenever SBA learns that the United States, or any of its employees, agents, or cost-plus contractors, is involved in litigation based on a claim arising out of the same incident or transaction.

(d) SBA, acting through its General Counsel or designee, must make any referrals to the Department of Justice for approval or consultation by transmitting them in writing to the Assistant Attorney General, Civil Division.

(1) The referral must contain a short and concise statement of the facts and the reason for the request or referral, copies of the relevant portions of the claim file, and SBA’s views and recommendations.

(2) SBA may make this referral at any time after a claim is presented.

§ 114.108 What if my claim is approved?

SBA will notify you in writing if it approves your claim. The District Counsel will forward to you or your agent or legal representative the forms
necessary to indicate satisfaction of your claim and your acceptance of the payment. Acceptance by you, your agent or your legal representative, of any award, compromise or settlement of your claim is final and conclusive under the Federal Tort Claims Act. It binds you, your agent or your legal representative, and any other person on whose behalf or for whose benefit the claim was presented. It also constitutes a complete release of your claim against the United States and its employees. If you are represented by counsel, SBA will designate you and your counsel as joint payees and will deliver the check to your counsel. Payment is contingent upon the waiver of your claim and is subject to the availability of appropriated funds.

§ 114.109 What if my claim is denied?
SBA will notify you or your agent or legal representative in writing by certified or registered mail if it denies your claim. You have a right to file suit in an appropriate U.S. District Court not later than six months after the date the notification was mailed.

Subpart B—Representation and Indemnification of SBA Employees

§ 114.110 What is SBA's policy with respect to indemnifying and providing legal representation to SBA employees?
(a) If an SBA employee engages in conduct, within the scope of his or her employment, which gives rise to a claim, and the SBA Administrator or designee determines that any of the following actions relating to the claim are in SBA's interest, SBA may:
(1) Indemnify the employee after a verdict, judgment, or other monetary award is rendered personally against the employee in any civil suit in state or federal court or any arbitration proceeding;
(2) Settle or compromise the claim; and/or
(3) Pay for, or request that the Department of Justice provide, legal representation to the employee once personally named in such a suit.
(b) If you are an SBA employee, you may ask SBA to settle or compromise your claim, provide you with legal representation, or provide you with indemnification for a verdict, judgment or award entered against you in a suit. To do so, you must submit a timely, written request to the General Counsel, with appropriate documentation, including copies of any pleadings, verdict, judgment, award, or settlement proposal. The General Counsel will decide all requests for representation or settlement, and will forward to the Administrator, with the accompanying documentation and a recommendation, any requests for indemnification.

(c) Any payments by SBA under this section will be contingent upon the availability of appropriated funds.

§ 114.111 Does the attorney-client privilege apply when SBA employees are represented by the Government?

When attorneys employed by SBA participate in any process in which SBA seeks to determine whether SBA should request the Department of Justice to provide representation to an SBA employee sued, subpoenaed, or charged in his or her individual capacity, or whether attorneys employed by SBA should provide representational assistance for such an employee, those attorneys undertake a full and traditional attorney-client relationship with the employee with respect to the attorney-client privilege. If representation is authorized, SBA attorneys who assist in the representation of an SBA employee also undertake a full and traditional attorney-client relationship with the employee with respect to the attorney-client privilege. Unless authorized by the employee, the attorney must not disclose to anyone other than attorneys also responsible for the employee's representation information communicated to the attorney by the client-employee during the course of the attorney-client relationship. The attorney-client privilege will continue with respect to that information whether or not representation is provided, and even if the employee's representation is denied or discontinued.

materials only. With SBA's written approval, it can also include a longer maintenance agreement covering defective workmanship or materials, or a maintenance agreement covering something other than defective workmanship or materials. To qualify for such approval, the agreement must be ancillary to the Contract for which SBA is guaranteeing a bond, must be required to be performed by the same Principal, and must be customarily required in the relevant trade or industry.

Execution means signing by a representative or agent of the Surety with the authority and power to bind the Surety.

Final Bond means a Performance Bond and/or a Payment Bond.

Imminent Breach means a threat to the successful completion of a bonded Contract which, unless remedied by the Surety, makes a default under the bond appear to be inevitable.

Loss has the meaning set forth in § 115.16.

Obligee means:
(1)(i) In the case of a Bid Bond, the Person requesting bids for the performance of a Contract; or
(ii) In the case of a Final Bond, the Person who has contracted with a Principal for the completion of the Contract and to whom the primary obligation of the Surety runs in the event of a breach by the Principal.
(2) In either case, no Person (other than a Federal department or agency) may be named co-Obligee or Obligee on a bond or on a rider to the bond unless that Person is bound by the Contract to the Principal (or to the Surety, if the Surety has arranged completion of the Contract) to the same extent as the original Obligee. In no event may the addition of one or more co-Obligees increase the aggregate liability of the Surety under the bond.

OSG means SBA's Office of Surety Guarantees.

Payment Bond means a bond which is conditioned upon the payment by the Principal of money to persons who have a right of action against such bond, including those who have furnished labor, materials, equipment and supplies for use in the performance of the Contract. A Payment Bond can not require the Surety to pay an amount which exceeds the claimant's actual loss or damage.

Performance Bond means a bond conditioned upon the completion by the Principal of a Contract in accordance with its terms.

Person means a natural person or a legal entity.

Premium means the amount charged by a Surety to issue bonds. The Premium is determined by applying an approved rate (see §§ 115.32(a) and 115.60(a)(2)) to the bond or contract amount. The Premium does not include surcharges for extra services, whether or not considered part of the "premium" under local law.

Principal means, in the case of a Bid Bond, the Person bidding for the award of a Contract. In the case of Final Bonds and Ancillary Bonds, Principal means the Person primarily liable to complete the Contract, or to make Contract-related payments to other persons, and is the Person whose performance or payment is bonded by the Surety. A Principal may be a prime contractor or a subcontractor.

Prior Approval Agreement means the Surety Bond Guarantee Agreement (SBA Form 990) entered into between a Prior Approval Surety and SBA under which SBA agrees to guarantee a specific bond.

Prior Approval Surety means a Surety which must obtain SBA's prior approval on each guarantee and which has entered into one or more Prior Approval Agreements with SBA.

PSB Agreement means the Preferred Surety Bond Guarantee Agreement entered into between a PSB Surety and SBA.

PSB Surety means a Surety that has been admitted to the Preferred Surety Bond (PSB) Program.

Surety means a company which:
(1)(i) Under the terms of a Bid Bond, agrees to pay a sum of money to the Obligee if the Principal breaches the conditions of the bond;
(ii) Under the terms of a Performance Bond, agrees to pay a sum of money or to incur the cost of fulfilling the terms

111
§ 115.11 Applying to participate in the Surety Bond Guarantee Program.

Sureties interested in participating as Prior Approval Sureties or PSB Sureties should apply in writing to the AA/SG at 409 3rd Street, SW., Washington, DC 20416. OSG will determine the eligibility of the applicant considering its standards and procedures for underwriting, administration, claims and recovery. Each applicant must be a corporation listed by the U.S. Treasury as eligible to issue bonds in connection with Federal procurement contracts.

§ 115.12 General program policies and provisions.

(a) Description of Surety Bond Guarantee Programs. SBA guarantees Sureties participating in the Surety Bond Guarantee Programs against a portion of their losses incurred and paid as a result of a Principal's breach of the terms of a Bid Bond, Final Bond or Ancillary Bond, on any eligible contract. In the Prior Approval Program, the Surety must obtain SBA's approval before a guaranteed bond can be issued. In the PSB Program, selected Sureties may issue, monitor, and service SBA guaranteed bonds without further SBA approval.

(b) Eligibility of bonds. Bid Bonds and Final Bonds are eligible for an SBA guarantee if they are executed in connection with an eligible Contract and are of a type listed in the "Contract Bonds" section of the current Manual of Rules, Procedures and Classifications of the Surety Association of America (100 Wood Avenue South, Iselin, New Jersey 08830). Ancillary Bonds may also be eligible for SBA's guarantee. A Performance Bond must not prohibit a Surety from performing the Contract upon default of the Principal.

(c) Expiration of Bid Bond Guarantee. A Bid Bond guarantee expires 120 days after execution of the Bid Bond, unless the Surety notifies SBA in writing before the 120th day that a later expiration date is required. The notification must include the new expiration date.

(d) Guarantee agreement. The terms and conditions of SBA's bond guarantee agreements, including the guarantee percentage, may vary from Surety to Surety, depending on past experience with SBA. If the guarantee percentage is not fixed by the Investment Act, it is determined by OSG after considering, among other things, the rating or ranking assigned to the Surety by recognized authority, and the Surety's Loss rate, average Contract amount, average bond penalty per guaranteed bond, and ratio of Bid Bonds to Final Bonds, all in comparison with other Sureties participating in the same SBA Surety Bond Guarantee Program (Prior Approval or PSB) to a comparable degree. Any guarantee agreement under this part is made exclusively for the benefit of SBA and the Surety, and does not confer any rights (such as a right of action against SBA) or benefits on any other party.

(e) Amount of Contract—(1) Statutory ceiling. The amount of the Contract to be bonded must not exceed $1,250,000 in face value at the time of the bond's execution.

(2) Aggregation of Contract amounts. The amounts of two or more contracts for a "single project" are aggregated to determine the Contract amount unless the Contracts are to be performed in phases and the prior bond is released before the beginning of each succeeding phase. A bond may be considered released even if the warranty period it is covering has not yet expired. For purposes of this paragraph, a "single project" means one represented by two or more contracts of one Principal or its Affiliates with one Obligee or its Affiliates for performance at the same location, regardless of job title or nature of the work to be performed.
Small Business Administration § 115.14

(3) Service and supply contracts. A service or supply contract covering more than a 1-year period is eligible for an SBA guaranteed bond if neither the annual contract amount nor the penal sum of the bond exceeds $1,250,000 at any time.

(f) Transfers or sales by Surety. Sureties must not sell or otherwise transfer their files or accounts, whether before or after a default by the Principal has occurred, without the prior written approval of SBA. A violation of this provision is grounds for termination from participation in the program. This provision does not apply to the sale of an entire business division, subsidiary or operation of the Surety.

§ 115.13 Eligibility of Principal.

(a) General eligibility. In order to be eligible for a bond guaranteed by SBA, the Principal must comply with the following requirements:

(1) Size. Together with its Affiliates, it must qualify as a small business under part 121 of this title.

(2) Character. It must possess good character and reputation. A Principal meets this standard if each owner of 20% or more of its equity, and each of its officers, directors, or general partners, possess good character and reputation. A Person’s good character and reputation is presumed absent when:

(i) The Person is under indictment for, or has been convicted of a felony, or a final civil judgment has been entered stating that such Person has committed a breach of trust or has violated a law or regulation protecting the integrity of business transactions or business relationships; or

(ii) A regulatory authority has revoked, canceled, or suspended a license of the Person which is necessary to perform the Contract; or

(iii) The Person has obtained a bond guarantee by fraud or material misrepresentation (as described in §115.19(b)), or has failed to keep the Surety informed of unbonded contracts or of a contract bonded by another Surety, as required by a bonding line commitment under §115.33.

(3) Need for bond. It must certify that a bond is expressly required by the bid solicitation or the original Contract in order to bid on the Contract or to serve as a prime contractor or subcontractor.

(4) Availability of bond. It must certify that a bond is not obtainable on reasonable terms and conditions without SBA’s guarantee.

(5) Partial subcontract. It must certify the percentage of work under the Contract to be subcontracted. SBA will not guarantee bonds for Principals who are primarily brokers or who have effectively transferred control over the project to one or more subcontractors.

(6) Debarment. It must certify that the Principal is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from transactions with any Federal department or agency, under governmentwide debarment and suspension rules.

(b) Conflict of interest. A Principal is not eligible for an SBA-guaranteed bond issued by a particular Surety if that Surety, or an Affiliate of that Surety, or a close relative or member of the household of that Surety or Affiliate owns, directly or indirectly, 10% or more of the Principal. This prohibition also applies to ownership interests in any of the Principal’s Affiliates.

§ 115.14 Loss of Principal’s eligibility for future assistance.

(a) Ineligibility. A Principal and its Affiliates lose eligibility for further SBA bond guarantees if any of the following occurs under an SBA-guaranteed bond issued on behalf of the Principal:

(1) Legal action under the guaranteed bond has been initiated.

(2) The Obligee has declared the Principal to be in default under the Contract.

(3) The Surety has established a claim reserve for the bond of at least $1000.

(4) The Surety has requested reimbursement for losses incurred under the bond.

(5) The guarantee fee has not been paid by the Principal.

(6) The Principal committed fraud or material misrepresentation in obtaining the guaranteed bond.

(b) Reinstatement of Principal’s eligibility. Prior Approval Sureties should
§ 115.15

refer to §115.36(b) for provisions on reinstatement of the Principal's eligibility. A PSB Surety may reinstate a Principal's eligibility upon the Surety's determination that reinstatement is appropriate.

§ 115.15 Underwriting and servicing standards.

(a) Underwriting. (1) Sureties must evaluate the credit, capacity, and character of a Principal using standards generally accepted by the surety industry and in accordance with SBA's Standard Operating Procedures on underwriting and the Surety's principles and practices on unguaranteed bonds. The Principal must satisfy the eligibility requirements set forth in §115.13. The Surety must reasonably expect that the Principal will successfully perform the Contract to be bonded.

(2) The terms and conditions of the bond and the Contract must be reasonable in light of the risks involved and the extent of the Surety's participation. The bond must satisfy the eligibility requirements set forth in §115.12(b). The Surety must be satisfied as to the reasonableness of cost and the feasibility of successful completion of the Contract.

(b) Servicing. The Surety must ensure that the Principal remains viable and eligible for SBA's Surety Bond Guarantee Program, must monitor the Principal's progress on bonded Contracts guaranteed by SBA, and must request job status reports from Obligees of Final Bonds guaranteed by SBA. Documentation of the job status requests must be maintained by the Surety.

§ 115.16 Determination of Surety's Loss.

Loss is determined as follows:

(a) Loss under a Bid Bond is the lesser of the penal sum or the amount which is the difference between the bonded bid and the next higher responsive bid. In either case, the Loss is reduced by any amounts the Surety recovers by reason of the Principal's defenses against the Obligee's demand for performance by the Principal and any sums the Surety recovers from indemnitors and other salvage.

(b) Loss under a Payment Bond is, at the Surety's option, the sum necessary to pay all just and timely claims against the Principal for the value of labor, materials, equipment and supplies furnished for use in the performance of the bonded Contract and other covered debts, or the penal sum of the Payment Bond. In either case, the Loss includes interest (if any), but Loss is reduced by any amounts recovered (through offset or otherwise) by reason of the Principal's claims against laborers, materialmen, subcontractors, suppliers, or other rightful claimants, and by any amounts recovered from indemnitors and other salvage.

(c) Loss under a Performance Bond is, at the Surety's option, the sum necessary to meet the cost of fulfilling the terms of a bonded Contract or the penal sum of the bond. In either case, the Loss includes interest (if any), but Loss is reduced by any amounts recovered (through offset or otherwise) by reason of the Principal's defenses or causes of action against the Obligee, and by any amounts recovered from indemnitors and other salvage.

(d) Loss under an Ancillary Bond is the amount covered by such bond which is attributable to the Contract for which guaranteed Final Bonds were Executed.

(e) Loss includes the following expenses if they are itemized, documented and attributable solely to the Loss under the guaranteed bond:

(1) Amounts actually paid by the Surety which are specifically allocable to the investigation, adjustment, negotiation, compromise, settlement of, or resistance to a claim for Loss resulting from the breach of the terms of the bonded Contract. Any cost allocation method must be reasonable and must comply with generally accepted accounting principles; and

(2) Amounts actually paid by the Surety for court costs and reasonable attorney's fees incurred to mitigate any Loss under paragraphs (a) through (e)(1) of this section including suits to obtain sums due from Obligees, indemnitors, Principals and others.

(f) Loss does not include the following expenses:

(1) Any unallocated expenses, or any clear mark-up on expenses or any overhead, of the Surety, its attorney, or any other party hired by the Surety or the attorney;
(2) Expenses paid for any suits, cross-claims, or counterclaims filed against the United States of America or any of its agencies, officers, or employees unless the Surety has received, prior to filing such suit or claim, written concurrence from SBA that the suit may be filed;

(3) Attorney’s fees and court costs incurred by the Surety in a suit by or against SBA or its Administrator; and

(4) Fees, costs, or other payments, including tort damages, arising from a successful tort suit or claim by a Principal or any other Person against the Surety.

§ 115.18 Refusal to issue further guarantees; suspension and termination of PSB status.

(a) Improper surety bond guarantee practices—(1) Improper practices. SBA may refuse to issue further guarantees to a Prior Approval Surety or may suspend the preferred status of a PSB Surety, by written notice stating all reasons for such decision and the effective date. Reasons for such a decision include, but are not limited to, a determination that the Surety (in its underwriting, its efforts to minimize Loss, its claims or recovery practices, or its documentation related to SBA guaranteed bonds) has failed to adhere to prudent standards or practices, including any standards or practices required by SBA, as compared to those of other Sureties participating in the same SBA Surety Bond Guarantee Program to a comparable degree.

(2) Regulatory violations, fraud. Acts of wrongdoing such as fraud, material misrepresentation, breach of the Prior Approval or PSB Agreement, or regulatory violations (as defined in §§115.19(d) and 115.19(h)) also constitute sufficient grounds for refusal to issue further guarantees, or in the case of a PSB Surety, termination of preferred status.

(3) Audit; records. The failure of a Surety to consent to SBA’s audit or to maintain and produce records constitutes grounds for SBA to refuse to issue further guarantees for a Prior Approval Surety, to suspend a PSB Surety from participation, and to refuse to honor claims submitted by a Prior Approval or PSB Surety until the Surety consents to the audit.

(4) Excessive Losses. If a Surety experiences excessive Losses on SBA guaranteed bonds relative to those of other Sureties participating in the same SBA Surety Bond Guarantee Program to a
§ 115.19 Denial of liability.

In addition to equitable and legal defenses and remedies under contract law, the Act and the regulations in this part, SBA is not liable under a Prior Approval or PSB Agreement if any of the circumstances in paragraphs (a) through (h) of this section exist.

(a) Excess Contract or bond amount. The total Contract amount at the time of Execution of the bond exceeds $1,250,000 in face value (see §115.12(e)), or the bond amount at any time exceeds the total Contract amount.

(b) Misrepresentation or fraud. The Surety obtained the Prior Approval or PSB Agreement, or applied for reimbursement for losses, by fraud or material misrepresentation. Material misrepresentation includes (but is not limited to) both the making of an untrue statement of material fact and the omission of a statement of material fact necessary to make a statement comparable degree, SBA may also require the renegotiation of the guarantor percentage and/or SBA’s charge to the Surety for bonds executed thereafter.

(b) Lack of business integrity. A Surety’s participation in the Surety Bond Guarantee Programs may be denied, suspended, or terminated upon the occurrence of any event in paragraphs (b) (1) through (5) of this section involving any of the following Persons: The Surety or any of its officers, directors, partners, or other individuals holding at least 20% of the Surety’s voting securities, and any agents, underwriters, or any individual empowered to act on behalf of any of the preceding Persons.

(1) If a State or other authority has revoked, canceled, or suspended the license required of such Person to engage in the surety business, the right of such Person to participate in the SBA Surety Bond Guarantee Program may be denied, terminated, or suspended, as applicable, in that jurisdiction or in other jurisdictions. Ineligibility or suspension from the Surety Bond Guarantee Programs is for at least the duration of the license suspension.

(2) If such Person has been indicted or otherwise formally charged with a misdemeanor or felony bearing on such Person’s fitness to participate in the Surety Bond Guarantee Programs, the participation of such Person may be suspended pending disposition of the charge. Upon conviction, participation may be denied or terminated.

(3) If a final civil judgment is entered holding that such Person has committed a breach of trust or violation of a law or regulation protecting the integrity of business transactions or relationships, participation may be denied or terminated.

(4) If such Person has made a material misrepresentation or willfully false statement in the presentation of oral or written information to SBA in connection with an application for a surety bond guarantee or the presentation of a claim, or committed a material breach of the Prior Approval or PSB Agreement or a material violation of the regulations (all as described in §115.19), participation may be denied or terminated.

(c) Notification requirement. The Prior Approval or PSB Surety must promptly notify SBA of the occurrence of any event in paragraphs (b) (1) through (5) of this section, or if any of the Persons described in paragraph (b) of this section does not, or ceases to, qualify as a Surety. SBA may require submission of a Statement of Personal History (SBA Form 912) from any of these Persons.

(d) SBA proceedings. Decisions to suspend, terminate, deny participation in, or deny reinstatement in the Surety Bond Guarantee program are made by the AA/SG. A Surety may file a petition for review of suspensions and terminations with the SBA Office of Hearings and Appeals (OHA) under part 134 of this chapter. SBA’s Administrator may, pending a decision pursuant to part 134 of this chapter, suspend the participation of any Surety for any of the causes listed in paragraphs (b) (1) through (5) of this section.

(e) Effect on guarantee. A guarantee issued by SBA before a suspension or termination under this section remains in effect, subject to SBA’s right to deny liability under the guarantee.
Small Business Administration § 115.19

not misleading in light of the circumstances in which it was made. Material misrepresentation also includes the adoption by the Surety of a material misstatement made by others which the Surety knew or under generally accepted underwriting standards should have known to be false or misleading. The Surety’s failure to disclose its ownership (or the ownership by any owner of at least 20% of the Surety’s equity) of an interest in a Principal or an Obligee is considered the omission of a statement of material fact.

(c) Material breach. The Surety has committed a material breach of one or more terms or conditions of its Prior Approval or PSB Agreement. A material breach is considered to have occurred if:

(1) Such breach (or such breaches in the aggregate) causes an increase in the Contract amount or in the bond amount of at least 25% or $50,000; or

(2) One of the conditions under Part B of Title IV of the Investment Act is not met.

(d) Substantial regulatory violation. The Surety has committed a “substantial violation” of SBA regulations. For purposes of this paragraph, a “substantial violation” is a violation which causes an increase in the bond amount of at least 25% or $50,000 in the aggregate, or is contrary to the purposes of the Surety Bond Guarantee Programs.

(e) Alteration. Without obtaining prior written approval from SBA (which may be conditioned upon payment of additional fees), the Surety agrees to or acquiesces in any material alteration in the terms, conditions, or provisions of the bond, including but not limited to the following acts:

(1) Naming as an Obligee or co-Obligee any Person that does not qualify as an Obligee under §115.10; or

(2) In the case of a Prior Approval Surety, acquiescing in any alteration to the bond which would increase the bond amount by at least 25% or $50,000.

(f) Timeliness. (1) Either:

(i) The bond was Executed prior to the date of SBA’s guarantee; or

(ii) The bond was Executed (or approved, if the Surety is legally bound by such approval) after the work under the Contract had begun, unless SBA executes a “Surety Bond Guarantee Agreement Addendum” (SBA Form 991) after receiving all of the following from the Surety:

(A) Satisfactory evidence, including a certified copy of the Contract (or a sworn affidavit from the Principal), showing that the bond requirement was contained in the original Contract, or other documentation satisfactory to SBA, showing why a bond was not previously obtained and is now being required;

(B) Certification by the Principal that all taxes and labor costs are current, and listing all suppliers and subcontractors, indicating that they are all paid to date, and attaching a waiver of lien from each; or an explanation satisfactory to SBA why such documentation cannot be produced; and

(C) Certification by the Obligee that all payments due under the Contract to date have been made and that the job has been satisfactorily completed to date.

(ii) For purposes of paragraph (f)(1)(ii) of this section, work under a Contract is considered to have begun when a Principal takes any action at the job site which would have exposed its Surety to liability under applicable law had a bond been Executed (or approved, if the Surety is legally bound by such approval) at the time.

(g) Principal fee. The Surety has not remitted to SBA the Principal’s payment for the full amount of the guarantee fee within the time period required under §115.30(d) for Prior Approval Sureties or §115.66 for PSB Sureties. SBA may reinstate the guarantee upon a showing that the Contract is not in default and that a valid reason exists why a timely submission was not made.

(h) Other regulatory violations. The occurrence of any of the following:

(1) The Principal on the bonded Contract is not a small business;

(2) The bond was not required under the bid solicitation or the original Contract;

(3) The bond was not eligible for guarantee by SBA because the bonded
§ 115.20 Insolvency of Surety.

(a) Successor in interest. If a Surety becomes insolvent, all rights or benefits conferred on the Surety under a valid and binding Prior Approval or PSB Agreement will accrue only to the trustee or receiver of the Surety. SBA will not be liable to the trustee or receiver under the guaranteed bonds.

(b) Filing requirement. The trustee or receiver must submit to SBA quarterly status reports accounting for all funds received and all settlements being considered.

§ 115.21 Audits and investigations.

(a) Audits—(1) Scope of audit. SBA may audit in the office of a Prior Approval or PSB Surety, the Surety’s attorneys or consultants, or the Principal or its subcontractors, all documents, files, books, records, tapes, disks and other material relevant to SBA’s guarantee, commitments to guarantee a surety bond, or agreements to indemnify the Prior Approval or PSB Surety. See §115.18(a)(3) for consequences of failure to comply with this section.

(2) Frequency of PSB audits. Each PSB Surety is subject to audit at least once each year by examiners selected and approved by SBA.

(b) Records. The Surety must maintain the records listed in this paragraph (b) for the term of each bond, plus any additional time required to settle any claims of the Surety for reimbursement from SBA and to attempt salvage or other recovery, plus an additional 3 years. If there are any unresolved audit findings in relation to a particular bond, the Surety must maintain the related records until the findings are resolved. The records to be maintained include the following:

(1) A copy of the bond;
(2) A copy of the bonded Contract;
(3) All documentation submitted by the Principal in applying for the bond;
(4) All information gathered by the Surety in reviewing the Principal’s application;
(5) All documentation of any of the events set forth in §115.35(a) or §115.65(c)(2);
(6) All records of any transaction for which the Surety makes payment under or in connection with the bond, including but not limited to claims, bills (including lawyers’ and consultants’ bills), judgments, settlement decisions, consultants’ reports, Contracts and receipts;
(7) All documentation relating to efforts to mitigate Losses, including documentation required by §115.34(a) or §115.69 concerning Imminent Breach;
(8) All records of any accounts into which fees and funds obtained in mitigation of Losses were paid and from which payments were made under the bond, and any other trust accounts, and any reconciliations of such accounts;
(9) Job status reports received from Obligees and documentation of each unanswered request for a job status report; and
(10) All documentation relating to any collateral held by or available to the Surety.

(c) Purpose of audit. SBA’s audit will determine, but not be limited to:

(1) The adequacy and sufficiency of the Surety’s underwriting and credit analysis, its documentation of claims and claims settlement procedures and activities, and its recovery procedures and practices;
(2) The Surety’s minimization of Loss, including the exercise of bond options upon Contract default; and
(3) The Surety’s loss ratio in comparison with other Sureties participating in the same SBA Surety Bond Guarantee Program to a comparable degree.

(d) Investigations. SBA may conduct investigations to inquire into the possible violation by any Person of the
Small Business Administration § 115.32

Small Business Act or the Investment Act, or of any rule or regulation under those Acts, or of any order issued under those Acts, or of any Federal law relating to programs and operations of SBA.

Subpart B—Guarantees Subject to Prior Approval

§ 115.30 Submission of Surety's guarantee application.

(a) Legal effect of application. By submitting an application to SBA for a bond guarantee, the Prior Approval Surety certifies that the Principal meets the eligibility requirements set forth in § 115.13 and that the underwriting standards set forth in § 115.15 have been met.

(b) SBA’s determination. SBA’s approval or decline of a guarantee application is made in writing by an authorized SBA officer. The officer may provide telephone notice before the Prior Approval Surety receives SBA’s guarantee approval form if the officer has already signed the form. In the event of a conflict between the telephone notice and the written form, the written form controls.

(c) Reconsideration—appeal of SBA determination. A Prior Approval Surety may request reconsideration of a denial by the SBA officer who made the decision. If the decision on reconsideration is negative, the Surety may appeal to an individual designated by the AA/SG. If the decision is again adverse, the Surety may appeal to the AA/SG, who will make the final decision.

(d) Notice and payment to SBA. When the Surety has Executed a Final Bond, including a Final Bond under a bonding line, the Surety must complete the Prior Approval Agreement, and submit the form, together with the Principal’s payment for its guarantee fee (see § 115.32(b)) to SBA within 45 days, or in the case of a bonding line, within 15 business days (see § 115.33(d)(2)) after Execution of the bond.

§ 115.31 Guarantee percentage.

(a) Ninety percent. SBA reimburses a Prior Approval Surety for 90% of the Loss incurred and paid if:

1. The total amount of the Contract at the time of Execution of the bond is $100,000 or less; or
2. The bond was issued on behalf of a small business owned and controlled by socially and economically disadvantaged individuals. See part 124 of this chapter for applicable definitions and criteria.

(b) Eighty percent. SBA reimburses a Prior Approval Surety in an amount not to exceed 80% of the Loss incurred and paid on bonds for Contracts in excess of $100,000 which are executed on behalf of non-disadvantaged concerns.

(c) Contract increase to over $100,000. If the Contract amount increases to more than $100,000 after Execution of the bond, the guarantee percentage decreases by one percentage point for each $5,000 of increase or part thereof, but it does not decrease below 80%. This provision applies only to guarantees which qualify under paragraph (a)(1) of this section.

(d) Contract increase to over $1,250,000. If the Contract amount increases above the statutory limit of $1,250,000 after Execution of the bond, SBA’s share of the Loss is limited to that percentage of the increased Contract amount which the statutory limit represents, multiplied by the guarantee percentage approved by SBA. For example, if a Contract amount increases to $1,375,000, SBA’s share of the Loss under an 80% guarantee is limited to

\[
\frac{1,250,000}{1,375,000} = 90.91\% \times 80\% = 72.73\%.
\]

(e) Contract decrease to $100,000 or less. If the Contract amount decreases to $100,000 or less after Execution of the bond, SBA’s guarantee percentage increases to 90% if the Surety provides SBA with evidence supporting the decrease and any other information or documents requested.

§ 115.32 Fees and Premiums.

(a) Surety’s Premium. A Prior Approval Surety must not charge a Principal an amount greater than that authorized by the appropriate insurance department. The Surety must not require the Principal to purchase casualty or other insurance or any other services from the Surety or any Affiliate or agent of the Surety. The Surety must not charge non-Premium fees to a
§ 115.33

Principal unless the Surety performs other services for the Principal, the additional fee is permitted by State law, and the Principal agrees to the fee.

(b) SBA charge to Principal. SBA does not charge Principal application or Bid Bond guarantee fees. If SBA guarantees a Final Bond, the Principal must pay a guarantee fee equal to a certain percentage of the Contract amount. The percentage is determined by SBA and is published in Notices in the FEDERAL REGISTER from time to time. The Principal’s fee is rounded to the nearest dollar and is to be remitted to SBA by the Surety together with the form required under § 115.30(d). See paragraph (d) of this section for additional requirements when the Contract amount changes.

(c) SBA charge to Surety. SBA does not charge Sureties application or Bid Bond guarantee fees. Subject to § 115.18(a)(4), the Surety must pay SBA a guarantee fee on each guaranteed bond (other than a Bid Bond) in the ordinary course of business. The fee is a certain percentage of the bond Premium, determined by SBA and published in Notices in the FEDERAL REGISTER from time to time. The fee is rounded to the nearest dollar. SBA does not receive any portion of a Surety’s non-Premium charges. See paragraph (d) of this section for additional requirements when the bond amount or the Contract amount changes.

(d) Contract or bond increases/decreases—(1) Notification and approval. The Prior Approval Surety must notify SBA of any increases or decreases in the Contract or bond amount that aggregate 25% or $50,000, as soon as the Surety acquires knowledge of the change. Whenever the original bond amount increases as a result of a single change order of at least 25% or $50,000, the prior written approval of such increase by SBA is required on a supplemental Prior Approval Agreement (Supplemental Form 990) and is conditioned upon payment by the Surety of the increase in the Principal’s guarantee fee as set forth in paragraph (d)(2) of this section.

(2) Increases; fees. Notification of increases in the Contract or bond amount under this paragraph (d) must be accompanied by payment of the increase in the Principal’s guarantee fee computed on the increase in the Contract amount. If the increase in the Principal’s fee is less than $40, such increase is not due until all unpaid increases in the Principal’s fee aggregate at least $40. The Surety’s check for payment of the increase in the Surety’s guarantee fee, computed on the increase in the bond Premium, may be submitted in the ordinary course of business. Increases in the Surety’s fee are not due until they aggregate at least $40.

(3) Decreases; refunds. Whenever SBA is notified of a decrease in the Contract or bond amount, SBA will refund to the Principal a proportionate amount of the Principal’s guarantee fee and rebate to the Surety a proportionate amount of SBA’s Premium share in the ordinary course of business. If the amount to be refunded or rebated is less than $40, such refund or rebate will not be made until the amounts to be refunded or rebated, respectively, aggregate at least $40. Upon receipt of the refund, the Surety must promptly pay a proportionate amount of its Premium to the Principal.

§ 115.33 Surety bonding line.

A surety bonding line is a written commitment by SBA to a Prior Approval Surety which provides for the Surety’s Execution of multiple bonds for a specified small business strictly within pre-approved terms, conditions and limitations. In applying for a bonding line, the Surety must provide SBA with information on the applicant as requested. In addition to the other limitations and provisions set forth in this part 115, the following conditions apply to each surety bonding line:

(a) Underwriting. A bonding line may be issued by SBA for a Principal only if the underwriting evaluation is satisfactory. The Prior Approval Surety must require the Principal to keep it informed of all its contracts, whether bonded by the same or another surety or unbonded, during the term of the bonding line.

(b) Bonding line conditions. The bonding line contains limitations on the following:
§ 115.34 Minimization of Surety's Loss.

(a) Imminent Breach—(1) Prior approval requirement. SBA will reimburse its guaranteed share of payments made by a Surety to avoid or attempt to avoid an Imminent Breach of the terms of a Contract covered by an SBA guaranteed bond only if the payments were made with the prior approval of OSG. OSG's prior approval will be given only if the Surety demonstrates to SBA's satisfaction that a breach is imminent and that there is no other recourse to prevent such breach.

(2) Amount of reimbursement. The aggregate of the payments by SBA to avoid Imminent Breach cannot exceed any new financial statements are required or have been received from the Principal, a “Surety Bond Guarantee Review Update” (SBA Form 994C) may be submitted instead. If the Surety fails to submit these forms together with the Principal's payment for its guarantee fee within this time period, SBA's guarantee of the bond will be void from its inception unless SBA determines otherwise upon a showing that the Contract is not in default and a valid reason exists why the timely submission was not made.

(3) Additional information. The Surety must submit any other data SBA requests.

(e) Cancellation of bonding line—(1) Optional cancellation. Either SBA or the Surety may cancel a bonding line at any time, with or without cause, upon written notice to the other party. Upon the receipt of any adverse information concerning the Principal, the Surety must promptly notify SBA, and SBA may cancel the bonding line.

(2) Mandatory cancellation. Upon the occurrence of a default by the Principal, whether under a contract bonded by the same or another surety or an unbonded contract, the Surety must immediately cancel the bonding line.

(3) Effect of cancellation. Cancellation of a bonding line by SBA is effective upon receipt of written notice by the Surety. Bonds issued before the effective date of cancellation remain guaranteed by SBA. Upon cancellation by SBA or the Surety, the Surety must promptly notify the Principal in writing.

§ 115.34 Minimization of Surety’s Loss.

(1) The term of the bonding line, not to exceed 1 year subject to renewal in writing;

(2) The total dollar amount of the Principal’s bonded and unbonded work on hand at any time, including outstanding bids, during the term of the bonding line;

(3) The number of such bonded and unbonded contracts outstanding at any time during the term of the bonding line;

(4) The maximum dollar amount of any single guaranteed bonded Contract;

(5) The timing of Execution of bonds under the bonding line—bonds must be dated and Executed before the work on the underlying Contract has begun, or the Surety must submit to SBA the documentation required under §115.19(f)(1)(ii); and

(6) Any other limitation related to type, specialty of work, geographical area, or credit.

(c) Excess bonding. If, after a bonding line is issued, the Principal desires a bond and the Surety desires a guarantee exceeding a limitation of the bonding line, the Surety must submit an application to SBA under regular procedures.

(d) Submission of forms to SBA—(1) Bid Bonds. Within 15 business days after the Execution of any Bid Bonds under a bonding line, the Surety must submit a “Surety Bond Guarantee Underwriting Review” (SBA Form 994B) to SBA for approval. If that form is already on file with SBA and no new financial statements are required or have been received from the Principal, a “Surety Bond Guarantee Review Update” (SBA Form 994C) may be submitted instead. If the Surety fails to submit these forms together with the Principal's payment for its guarantee fee within this time period, SBA's guarantee of the bond will be void from its inception unless SBA determines otherwise upon a showing that the Contract is not in default and a valid reason exists why the timely submission was not made.

(3) Additional information. The Surety must submit any other data SBA requests.

(e) Cancellation of bonding line—(1) Optional cancellation. Either SBA or the Surety may cancel a bonding line at any time, with or without cause, upon written notice to the other party. Upon the receipt of any adverse information concerning the Principal, the Surety must promptly notify SBA, and SBA may cancel the bonding line.

(2) Mandatory cancellation. Upon the occurrence of a default by the Principal, whether under a contract bonded by the same or another surety or an unbonded contract, the Surety must immediately cancel the bonding line.

(3) Effect of cancellation. Cancellation of a bonding line by SBA is effective upon receipt of written notice by the Surety. Bonds issued before the effective date of cancellation remain guaranteed by SBA. Upon cancellation by SBA or the Surety, the Surety must promptly notify the Principal in writing.

§ 115.34 Minimization of Surety’s Loss.

(a) Imminent Breach—(1) Prior approval requirement. SBA will reimburse its guaranteed share of payments made by a Surety to avoid or attempt to avoid an Imminent Breach of the terms of a Contract covered by an SBA guaranteed bond only if the payments were made with the prior approval of OSG. OSG’s prior approval will be given only if the Surety demonstrates to SBA’s satisfaction that a breach is imminent and that there is no other recourse to prevent such breach.

(2) Amount of reimbursement. The aggregate of the payments by SBA to avoid Imminent Breach cannot exceed any new financial statements are required or have been received from the Principal, a “Surety Bond Guarantee Review Update” (SBA Form 994C) may be submitted instead. If the Surety fails to submit these forms together with the Principal's payment for its guarantee fee within this time period, SBA's guarantee of the bond will be void from its inception unless SBA determines otherwise upon a showing that the Contract is not in default and a valid reason exists why the timely submission was not made.

(3) Additional information. The Surety must submit any other data SBA requests.

(e) Cancellation of bonding line—(1) Optional cancellation. Either SBA or the Surety may cancel a bonding line at any time, with or without cause, upon written notice to the other party. Upon the receipt of any adverse information concerning the Principal, the Surety must promptly notify SBA, and SBA may cancel the bonding line.

(2) Mandatory cancellation. Upon the occurrence of a default by the Principal, whether under a contract bonded by the same or another surety or an unbonded contract, the Surety must immediately cancel the bonding line.

(3) Effect of cancellation. Cancellation of a bonding line by SBA is effective upon receipt of written notice by the Surety. Bonds issued before the effective date of cancellation remain guaranteed by SBA. Upon cancellation by SBA or the Surety, the Surety must promptly notify the Principal in writing.

§ 115.34 Minimization of Surety’s Loss.

(a) Imminent Breach—(1) Prior approval requirement. SBA will reimburse its guaranteed share of payments made by a Surety to avoid or attempt to avoid an Imminent Breach of the terms of a Contract covered by an SBA guaranteed bond only if the payments were made with the prior approval of OSG. OSG’s prior approval will be given only if the Surety demonstrates to SBA’s satisfaction that a breach is imminent and that there is no other recourse to prevent such breach.

(2) Amount of reimbursement. The aggregate of the payments by SBA to avoid Imminent Breach cannot exceed the Surety Bond Guarantee Review Update” (SBA Form 994C) may be submitted instead. If the Surety fails to submit these forms together with the Principal's payment for its guarantee fee within this time period, SBA's guarantee of the bond will be void from its inception unless SBA determines otherwise upon a showing that the Contract is not in default and a valid reason exists why the timely submission was not made.

(3) Additional information. The Surety must submit any other data SBA requests.

(e) Cancellation of bonding line—(1) Optional cancellation. Either SBA or the Surety may cancel a bonding line at any time, with or without cause, upon written notice to the other party. Upon the receipt of any adverse information concerning the Principal, the Surety must promptly notify SBA, and SBA may cancel the bonding line.

(2) Mandatory cancellation. Upon the occurrence of a default by the Principal, whether under a contract bonded by the same or another surety or an unbonded contract, the Surety must immediately cancel the bonding line.

(3) Effect of cancellation. Cancellation of a bonding line by SBA is effective upon receipt of written notice by the Surety. Bonds issued before the effective date of cancellation remain guaranteed by SBA. Upon cancellation by SBA or the Surety, the Surety must promptly notify the Principal in writing.
§ 115.35 Claims for reimbursement of Losses.

(a) Notification requirements—(1) Events requiring notification. A Prior Approval Surety must notify OSG of the occurrence of any of the following: (i) Legal action under the bond has been initiated. (ii) The Obligee has declared the Principal to be in default under the Contract. (iii) The Surety has established a claim reserve for the bond. (iv) The Surety has received any adverse information concerning the Principal’s financial condition or possible inability to complete the project or to pay laborers or suppliers.

(2) Timing of notification. Notification must be made in writing at the earlier of the time the Surety applies for a guarantee on behalf of an affected Principal, or within 30 days of the date the Surety acquires knowledge, or should have acquired knowledge, of any of the listed events.

(b) Surety action. The Surety must take all necessary steps to mitigate Losses resulting from any of the events in paragraph (a) of this section, including the disposal at fair market value of any collateral held by or available to the Surety. Unless SBA notifies the Surety otherwise, the Surety must take charge of all claims or suits arising from a defaulted bond, and compromise, settle and defend such suits. The Surety must handle and process all claims under the bond and all settlements and recoveries as it does on non-guaranteed bonds.

(c) Claim reimbursement requests. (1) Claims for reimbursement for Losses which the Surety has paid must be submitted (together with a copy of the bond, the bonded Contract, and any indemnity agreements) with the initial claim to OSG on a “Default Report, Claim for Reimbursement and Record of Administrative Action” (SBA Form 994H), within 1 year from the time of each disbursement. Claims submitted after 1 year must be accompanied by substantiation satisfactory to SBA. The date of the claim for reimbursement is the date of receipt of the claim by SBA, or such later date as additional information requested by SBA is received.

(2) The Surety must also submit evidence of the disposal of all collateral at fair market value.

(3) SBA may request additional information prior to reimbursing the Surety for its Loss.

(4) Subject to the offset provisions of part 140, SBA pays its share of the Loss incurred and paid by the Surety within 90 days of receipt of the requisite information.

(5) Claims for reimbursement and any additional information submitted are subject to review and audit by SBA, including but not limited to the Surety’s compliance with SBA’s regulations and forms.

(d) Status updates. The Surety must submit semiannual status reports on each claim 6 months after the initial default notice, and then every 6 months. The Surety must notify SBA immediately of any substantial changes in the status of the claim or the amounts of Loss reserves.

(e) Reservation of SBA rights. The payment by SBA of a Surety’s claim does not waive or invalidate any of the terms of the Prior Approval Agreement, the regulations set forth in this part 115, or any defense SBA may have against the Surety. Within 30 days of receipt of notification that a claim or any portion of a claim should not have been paid by SBA, the Surety must repay the specified amounts to SBA.
§ 115.36 Indemnity settlements and reinstatement of Principal.

(a) Indemnity settlements. (1) An indemnity settlement occurs when a defaulted Principal and its Surety agree upon an amount, less than the actual loss under the bond, which will satisfy the Principal's indebtedness to the Surety. Sureties must not agree to any indemnity settlement proposal or enter into any such agreement without SBA's concurrence.

(2) Any settlement proposal submitted for SBA's consideration must include current financial information, including financial statements, tax returns, and credit reports, together with the Surety's written recommendations. It should also indicate whether the Principal is interested in further bonding.

(3) The Surety must pay SBA its pro rata share of the settlement amount within 90 days of receipt. Prior to closing the file on a Principal, the Surety must certify that SBA has received its pro rata share of all indemnity recovery.

(b) Conditions for reinstatement. At any time after a Principal becomes ineligible for further bond guarantees under § 115.14(a), the Surety may recommend that such Principal's eligibility be reinstated. OSG may agree to reinstate the Principal and its Affiliates if:

(1) The Principal's guarantee fee has been paid to SBA and SBA receives evidence that the Principal has paid all delinquent amounts due to the Surety (including amounts for Imminent Breach); or

(2) The Surety has settled its claim with the Principal for an amount and on terms accepted by OSG; or

(3) The Principal contests a claim and provides collateral, acceptable to the Surety and OSG, which has a liquidation value of at least the amount of the claim including related expenses; or

(4) The Principal’s indebtedness to the Surety is discharged by operation of law (e.g., bankruptcy discharge); or

(5) OSG and the Surety determine that further bond guarantees are appropriate.

(c) Underwriting after reinstatement. A guarantee application submitted after reinstatement of the Principal's eligibility is subject to a very stringent underwriting review.

Subpart C—Preferred Surety Bond (PSB) Guarantees

§ 115.60 Selection and admission of PSB Sureties.

(a) Selection of PSB Sureties. SBA's selection of PSB Sureties will be guided by, but not limited to, these factors:

(1) An underwriting limitation of at least $1,250,000 on the U.S. Treasury Department list of acceptable sureties;

(2) An agreement to charge Principals no more than the Surety Association of America's advisory premium rates in effect on August 1, 1987;

(3) Premium income from contract bonds guaranteed by any government agency (Federal, State or local) of no more than one-quarter of the total contract bond premium income of the Surety;

(4) The vesting of underwriting authority for SBA guaranteed bonds only in employees of the Surety;

(5) The vesting of final settlement authority for claims and recovery under the PSB program only in employees of the Surety's permanent claims department; and

(6) The rating or ranking designations assigned to the Surety by recognized authority.

(b) Admission of PSB Sureties. A Surety admitted to the PSB program must execute a PSB Agreement before approving SBA guaranteed bonds. No SBA guarantee attaches to bonds approved before the AA/SG or designee has countersigned the Agreement.

§ 115.61 Duration of PSB program.

The PSB program terminates on September 30, 1997, unless extended by legislation. SBA guarantees effective under this program on or before September 30, 1997, will remain in effect after such date.

§ 115.62 Prohibition on participation in Prior Approval program.

Neither a PSB Surety nor any of its Affiliates is eligible to submit applications under subpart B of this part.
§ 115.63 Allotment of guarantee authority.

(a) General. SBA allots to each PSB Surety a periodic maximum guarantee authority. No SBA guarantee attaches to bonds approved by a PSB Surety if the bonds exceed the allotted authority for the period in which the bonds are approved. No reliance on future authority is permitted. An allotment can be increased only by prior written permission of SBA.

(b) Execution of Bid Bonds. When the PSB Surety executes a Bid Bond, SBA debits the Surety's allotment for an amount equal to the guarantee percentage of the estimated penal sum of the Final Bond SBA would guarantee if the Contract were awarded. If the Contract is then awarded for an amount other than the bid amount, or if the bid is withdrawn or the Bid Bond guarantee has expired (see §115.12(c)), SBA debits or credits the Surety's allotment accordingly.

(c) Execution of Final Bonds. If the PSB Surety executes a guaranteed Final Bond, but not the related Bid Bond, SBA debits the Surety's allotment for an amount equal to the guarantee percentage of the penal sum of the Final Bond. SBA will debit the allotment for increases, and credit the allotment for decreases, in the bond amount.

(d) Release and non-issuance of Final Bonds. The release of Final Bonds upon completion of the Contract does not restore the corresponding allotment. If, however, a PSB Surety approves a Final Bond but never issues the bond, SBA will credit the Surety's allotment for an amount equal to the guarantee percentage of the penal sum of the bond. In that event, the Surety must notify SBA as soon as possible, but in no event later than 5 business days after the non-issuance has been determined. Until the Surety has so notified SBA, it cannot rely on such credit.

§ 115.64 Timeliness requirement.

There must be no Execution or approval of a bond by a PSB Surety after commencement of work under a Contract unless the Surety obtains written approval from the AA/SG. To apply for such approval, the Surety must submit a completed "Surety Bond Guarantee Agreement Addendum" (SBA Form 991), together with the evidence and certifications described in §115.19(f)(1)(ii).

§ 115.65 General PSB procedures.

(a) Retention of information. A PSB Surety must comply with all applicable SBA regulations and obtain from its applicants all the information and certifications required by SBA. The PSB Surety must document compliance with SBA regulations and retain such certifications in its files, including a contemporaneous record of the date of approval and Execution of each bond. See also §115.19(f). The certifications and other information must be made available for inspection by SBA or its agents and must be available for submission to SBA in connection with the Surety's claims for reimbursement. The PSB Surety must retain the certifications and other information for the term of the bond, plus such additional time as may be required to settle any claims of the Surety for reimbursement from SBA and to attempt salvage or other recovery, plus an additional 3 years. If there are any unresolved audit findings in relation to a particular bond, the Surety must maintain the related certifications and other information until the findings are resolved.

(b) Usual staff and procedures. The approval, Execution and administration by a PSB Surety of SBA guaranteed bonds must be handled in the same manner and with the same staff as the Surety's activity outside the PSB program. The Surety must request job status reports from Obligees in accordance with its own procedures.

(c) Notification to SBA. (1) Approvals. A PSB Surety must notify SBA by electronic transmission or monthly bordereau, as agreed between the Surety and SBA, of all approved Bid and Final Bonds, and of the Surety's approval of increases and decreases in the Contract or bond amount. The notice must contain the information specified from time to time in agreements between the Surety and SBA. SBA may deny liability with respect to Final Bonds for which SBA has not received timely notice.
§ 115.70 Claims for reimbursement of Losses.

(a) How claims are submitted. A PSB Surety must submit claims for reimbursement on a form approved by SBA no later than 1 year from the date the Surety paid the amount. Loss is determined as of the date of receipt by SBA of the claim for reimbursement, or as of such later date as additional information requested by SBA is received. Subject to the offset provisions of part 140, SBA pays its share of Loss within 90 days of receipt of the requisite information. Claims for reimbursement and any additional information submitted are subject to review and audit by SBA.

(b) Surety responsibilities. The PSB Surety must take all necessary steps to mitigate Losses when legal action
against a bond has been instituted, when the Obligee has declared a default, and when the Surety has established a claim reserve. The Surety may dispose of collateral at fair market value only. Unless SBA notifies the Surety otherwise, the Surety must take charge of all claims or suits arising from a defaulted bond, and compromise, settle or defend the suits. The Surety must handle and process all claims under the bond and all settlements and recoveries in the same manner as it does on non-guaranteed bonds.

(c) Reservation of SBA’s rights. The payment by SBA of a PSB Surety’s claim does not waive or invalidate any of the terms of the PSB Agreement, the regulations in this part 115, or any defense SBA may have against the Surety. Within 30 days of receipt of notification that a claim or any portion of a claim should not have been paid by SBA, the Surety must repay the specified amounts to SBA.

§ 115.71 Denial of liability.

In addition to the grounds set forth in §115.19, SBA may deny liability to a PSB Surety if:

(a) The PSB Surety’s guaranteed bond was in an amount which, together with all other guaranteed bonds, exceeded the allotment for the period during which the bond was approved, and no prior SBA approval had been obtained;

(b) The PSB Surety’s loss was incurred under a bond which was not listed on the bordereau for the period when it was approved; or

(c) The loss incurred by the PSB Surety is not attributable to the particular Contract for which an SBA guaranteed bond was approved.

APPENDIX A TO PART 117

SOURCE: 50 FR 41648, Oct. 11, 1985, unless otherwise noted.

§ 117.1 Purpose.

The purpose of this part is to effectuate the provisions of The Age Discrimination Act of 1975, as amended (hereinafter referred to as the Act), to the end that no person in the United States shall, on the basis of age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under programs receiving financial assistance or any financial activities of the Small Business Administration to which this Act applies. The Act also permits recipients of Federal funds to continue to use certain age distinctions and other factors other than age which meet the requirements of the Act and these regulations in the conduct of programs and the provision of services to the public.

§ 117.2 Application of this part.

(a) This part applies to all recipients of assistance under programs administered by the Small Business Administration and to programs of financial assistance by the Small Business Administration, whether or not listed in appendix A.

(b) For the purposes of this part, the prohibition against age discrimination applies to natural persons of all ages.

(c) This part does not apply to the employment practices of any recipients.
§ 117.3 Definitions.

As used in this part:

(a) The term act means the Age Discrimination Act of 1975, as amended (Title III of Pub. L. 94-135).

(b) The term action means any act, activity, policy, rule, standard, or method of administration; or the use of any policy, rule, standard, or method of administration.

(c) The term age means how old a person is, or the number of years from the date of a person's birth.

(d) The term age distinction means any action using age or an age-related term.

(e) The term age-related means a word or words which necessarily imply a particular age or range of ages (for example, children, adult, older persons, but not student).

(f) The term agency means a Federal department or agency that is empowered to extend financial assistance.

(g) The term applicant means one who applies for Federal financial assistance.

(h) The term Federal financial assistance includes: (1) Grants and loans of Federal funds; (2) the grant or donation of Federal property and interests in property; (3) the detail of Federal personnel; (4) the sale and lease of, and the permission to use (on other than a casual or transient basis), Federal property or any interest in such property without consideration, or at a nominal consideration, or at a consideration which is reduced for the purpose of assisting the recipient, or in recognition of the public interest to be served by such sale or lease to the recipient; and (5) any Federal agreement, arrangement, or other contract which has as one of its purposes the provision of assistance.

(i) The term normal operation means the operation of a business or activity without significant changes that would impair its ability to meet its objectives.

(j) The term recipient means one who receives any Federal financial assistance under any program administered by the Small Business Administration. (See Appendix A.) The term recipient also shall be deemed to include sub-recipients of SBA financial assistance.

(k) The term SBA means the Small Business Administration.

§ 117.4 Discrimination prohibited and exceptions.

(a) General. To the extent that this part applies, no person in the United States shall, on the basis of age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any business or activity receiving Federal financial assistance.

(b) Specific discriminatory actions prohibited. To the extent that this part applies, a recipient business or other activity may not, directly or through contractual arrangements, on the ground of age:

1. Deny an individual any services, financial aid or other benefit provided by the business or other activity, except where sanctioned by one of the exceptions stated in §117.4 (d), (e) or (f) of this section.

2. Provide any service, financial aid or other benefit, except as sanctioned by one of the exceptions stated below, in such a way as to deny or limit persons in their efforts to participate in federally-assisted programs.

3. Treat an individual differently from others, except as sanctioned by one of the exceptions stated below, in determining whether the person satisfied any admission, enrollment, eligibility, membership, or other requirement or condition which individuals must meet in order to be provided any service, financial aid or other benefit provided by the business or activity.

(c) The specific forms of prohibited discrimination in paragraph (b) of this
§ 117.5

The burden of proving that an age distinction or other action falls within the exceptions outlined in paragraphs (d), (e), and (f) of this section on the recipient of Federal financial assistance.

§ 117.5 Illustrative applications.

(a) Discrimination in providing financial assistance. Development companies and small business investment companies, which apply for or receive any financial assistance may not discriminate on the ground of age in providing financial assistance to small business concerns. Such discrimination prohibited by §117.4 includes but is not limited to the failure or refusal, because of the age of the applicant, or the age of the applicant's principal owner or operating official to extend a loan or equity financing to any business concern; or, in the case of financing which has actually been extended, the failure or refusal because of the age of the recipient, or the age of recipient's principal owner or operating official to accord the recipient fair treatment and the customary courtesies regarding such matters as default, grace periods and the like.

(b) Discrimination in accommodations or services. Small Business Concerns and others who or which apply for or receive any financial assistance in a program administered by the Small Business Administration, such as but not limited to physicians, dentists, hospitals, schools, libraries, and other individuals or organizations may not discriminate in the treatment, accommodations or services they provide to their patients, students, members, passengers, or members of the public, except when the normal operation or statutory objective of the business or activity of the intended beneficiary is designated in age-related terms, whether or not operated for profit. Action by such business or activity to be excluded from compliance with this regulation must fall within the exceptions enumerated in §117.4 (d), (e), and (f) of this part.

(c) The discrimination prohibited by §117.5(b) includes, but is not limited to the failure or refusal, because of age, to accept a patient, student, member, customer, client, or passenger, except when the imposition of this prohibition

(g) The section does not limit the generality of the prohibition in paragraph (a) of this section.

(d) Exception 1. A recipient is permitted to take an action otherwise prohibited by paragraphs (a) and (b) of this section, if the action reasonably takes into account age as a factor necessary to the normal operation or the achievement of any statutory objective of a business or activity. An action reasonably takes into account age as a factor necessary to the normal operation or the achievement of any statutory objective of a business or activity, if:

(1) Age is used as a measure or approximation of one or more other characteristics; and

(2) The other characteristic(s) must be measured or approximated in order for the normal operation of the business or activity to continue, or to achieve any statutory objective of the business or activity; and

(3) The other characteristic(s) can be reasonably measured or approximated by the use of age; and

(4) The other characteristic(s) are impractical to measure directly on an individual basis.

NOTE: All of the above factors must be met in order to exclude a business activity from the provisions of this part.

(e) Exception 2. A recipient is permitted to take an action otherwise prohibited by paragraphs (a) and (b) of this section which is based on a factor other than age, even though that action may have a disproportionate effect on persons of different ages. An action may be based on a factor other than age if the factor bears a direct and substantial relationship to the normal operation of the business or activity or to the achievement of a statutory objective.

(f) Exception 3. A recipient is permitted to take an action otherwise prohibited by paragraphs (a) and (b) of this section if an age distinction is contained in that part of a Federal, State or local statute or ordinance adopted by an elected general purpose legislative body which provides any benefits or assistance to, establishes criteria for participation in, or describes intended beneficiaries or target groups in age-related terms.
§ 117.6 Remedial and affirmative action by recipients.
(a) Where a recipient is found to have discriminated on the basis of age, the recipient shall take any remedial action which the Agency may require to overcome the effects of the discrimination. If another recipient exercises control over the recipient that has discriminated, both recipients may be required to take remedial action.
(b) Even in the absence of a finding of discrimination, a recipient may take affirmative action to overcome the effects of conditions that resulted in limited participation in the recipient's business or program on the basis of age.
(c) If a recipient operating a program which serves the elderly or children in addition to persons of other ages, provides special benefits to the elderly or to children, the provision of those benefits shall be presumed to be voluntary affirmative action provided that it does not have the effect of excluding otherwise eligible persons from participation in the program.

§ 117.7 Assurances required.
An application for financial assistance under any program administered by the Small Business Administration shall, as a condition of its approval and the extension of such assistance, contain or be accompanied by an assurance that the recipient will comply with this part. SBA shall specify the form of the foregoing assurance for each program, and the extent to which like assurances will be required of contractors and subcontractors, transferes, successors, and other participants in the program.

§ 117.8 Responsibilities of SBA recipients.
(a) Each SBA recipient has the primary responsibility to ensure that its programs and activities are in compliance with the Act and these regulations, and shall take steps to eliminate violations of the Act. A recipient also has responsibility to maintain records, provide information, and to afford SBA access to its records to the extent SBA finds necessary to determine whether the recipient is in compliance with the Act and these regulations. (OMB No. 3245 0076)
(b) Where a recipient passes on Federal financial assistance from SBA to subrecipients, the recipient shall provide the subrecipients written notice of their obligations under the Act and these regulations.
(c) Each recipient shall make necessary information about the Act and these regulations available to its program beneficiaries in order to inform them about the protections against discrimination provided by the Act and these regulations.
(d) Whenever an assessment indicates a violation of the Act and the SBA regulations, the recipient shall take corrective action.

§ 117.9 Compliance information.
(a) Cooperation and assistance. SBA shall, to the fullest extent practicable, seek the cooperation of recipients in obtaining compliance with this part and shall provide assistance and guidance to recipients to help them comply voluntarily with this part.
(b) Record Keeping. Each recipient shall keep records in such form, and containing such information which SBA determines may be necessary to ascertain whether the recipient has complied or is complying with this part (OMB No. 3245 0076). In the case of a small business concern which receives financial assistance from a development company or from a small business investment company, the small business concern shall also keep such records and information as may be necessary to enable SBA to determine if the small business concern is complying with this part.
(c) Each recipient shall provide to SBA, upon request, information and reports which SBA determines are necessary to ascertain whether the recipient is complying with the Act and these regulations.
(d) Access to sources of information. Each recipient shall permit reasonable access by SBA during normal business
§ 117.10 Review procedures.

(a) SBA shall from time to time review the practices of recipients to determine whether they are complying with this part. As part of a compliance review or complaint investigation, SBA may require a recipient employing 15 or more full-time employees to complete a written self-evaluation, in a manner specified by the Agency, of any age distinction imposed in its program or activity receiving Federal financial assistance.

(b) If a compliance review or pre-award review indicates a violation of the Act or these regulations, SBA will attempt to achieve voluntary compliance with the Act. If voluntary compliance with the recipient cannot be achieved, such recipient will be subject to the enforcement procedure contained in §117.15 of these regulations. A refusal to permit an on-site compliance review during normal working hours may constitute noncompliance with this part.

§ 117.11 Complaint procedures.

(a) Any person who believes that he/she or any specific class of individuals is being or has been subjected to discrimination by SBA, a recipient, or an applicant for assistance, prohibited by this part may, by himself/herself or by a representative, file with SBA a written complaint. The complainant has the right to have a representative at all stages of the complaint procedure.

(b) A complaint must be filed not later than 180 days from the date of the alleged discrimination, unless the time filing is extended by SBA. The Administrator, the Director, Office of Equal Employment Opportunity and Compliance, and the Chief, Office of Civil Rights Compliance, are the only officials who may waive the 180-day time limit for filing complaints under this part. SBA will consider the date a complaint is filed to be the date upon which the complaint is sufficient to be processed.

(c) Each complaint will be reviewed to ensure that it falls within the coverage of the Act and contains all information necessary for further processing.

(d) SBA will attempt to facilitate the filing of complaints wherever possible, including taking the following actions:

1. Accepting as a sufficient complaint, any written statement which identifies the parties involved and the date the complainant first had knowledge of the alleged violation, describes generally the action or practice complained of, and is signed by the complainant.

2. Freely permitting a complainant to add information to the complaint to meet the requirements of a sufficient complaint.

3. Notifying the complainant and the recipient (or their representatives) of their right to contact the Chief, Office of Civil Rights Compliance, for information and assistance regarding the complaint resolution process.

(e) SBA will return to the complainant any complaint filed under the jurisdiction of this regulation, but found to be outside the jurisdiction of this regulation, and will state the reason(s) why it is outside the jurisdiction of this regulation.
§ 117.12 Mediation.

(a) SBA shall, after ensuring that the complaint falls within the coverage of this Act and all information necessary for further processing is contained therein, unless the age distinction complained of is clearly within an exception, promptly refer the complaint to the Federal Mediation and Conciliation Service (FMCS).

(b) SBA shall, to the extent possible, require the participation of the recipient and the complainant in the mediation process in an effort to reach a mutually satisfactory settlement of the complaint or make an informed judgment that an agreement is not possible. Both parties need not meet with the mediator at the same time.

(c) If the complainant and the recipient reach a mutually satisfactory resolution of the complaint during the mediation period, the mediator shall prepare a written statement of the agreement and have the complainant and recipient sign it.

(d) A copy of the written mediation agreement will be referred to SBA, and no further action will be taken unless it appears that either the complainant or the recipient (or other alleged discriminator subject to this part) fails to comply with the agreement.

(e) If at the end of 60 days after the receipt of a complaint by SBA, or at any time prior thereto, an agreement is reached or the mediator determines an agreement cannot be reached through mediation, the agreement or complaint will be returned to SBA.

(f) This 60-day period may be extended by the mediator, with the concurrence of SBA for not more than 30 days if the mediator determines that an agreement will likely be reached during the extended period.

(g) The mediator shall protect the confidentiality of all information obtained in the course of the mediation process. No mediator shall testify in any adjudicative proceeding, produce any document, or otherwise disclose any information obtained during the course of the mediation process without prior approval of the head of the agency appointing the mediator.

§ 117.13 Investigation and resolution of matters.

(a) SBA will make a prompt investigation whenever a compliance review indicates a possible failure to comply with this part by the recipient and additional information is needed by SBA to assure compliance with this part, or when an unresolved complaint has been returned by the FMCS, or when it appears that the complainant or the recipient is failing to comply with a mediation agreement. The investigation shall include a review of the pertinent practices and policies of the recipient, the circumstances under which the possible noncompliance with this part occurred, and other factors relevant to a determination as to whether the recipient is complying, is not complying, or has failed to comply with this part.

(b) Resolution of matters. If an investigation indicates a failure to comply with this part, SBA will so inform the complainant, if applicable, and the recipient that the matter will be resolved by informal means that are mutually agreeable to the parties, whenever possible.

(1) If, during the course of an investigation, the matter is resolved by informal means, SBA will put any agreement in writing and have it signed by the parties and an authorized official of SBA.

(2) If investigation indicates a violation of the Act or these regulations, SBA will attempt to achieve voluntary compliance. If SBA cannot achieve voluntary compliance, it will begin enforcement as described in §117.15.

(3) If an investigation does not warrant action, SBA will so inform the complainant, if applicable, and the recipient in writing.

§ 117.14 Intimidating or retaliatory acts prohibited.

No complainant, recipient or other person shall intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by this part or because an individual or group has made a complaint, testified, assisted, or participated in any manner in an investigation, review, enforcement process, or hearing under this part. The identity of complainants...
§ 117.15 Procedure for effecting compliance.

(a) General. (1) If there appears to be a failure or threatened failure to comply with this part by an applicant or recipient and if the noncompliance or threatened noncompliance cannot be resolved by informal means, compliance with this part may be effected by suspending, terminating, or refusing any financial assistance approved but not yet disbursed to an applicant. In the case of loans partially or fully disbursed, compliance with this part may be effected by calling, canceling, terminating, accelerating repayment, or suspending in whole or in part the Federal financial assistance provided. The determination of the recipient’s violation may be made only after a recipient has had an opportunity for a hearing on the record before an administrative law judge.

(2) In addition, compliance may be effected by any other means authorized by law. Such other means may include, but are not limited to:

(i) Action by SBA to accelerate the maturity of the recipient’s obligation;

(ii) Referral to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States or obligations of the recipient created by the Act or this part; and

(iii) Use of any requirement of or referral to any Federal, State or local government agency that will have the effect of correcting a violation of the Act or these regulations.

(b) Noncompliance with §§ 117.7 and 117.9. If an applicant fails or refuses to furnish an assurance required under § 117.7, or fails to provide information or allow SBA access to information under § 117.9 or otherwise fails or refuses to comply with a requirement imposed by or pursuant to those sections, Federal financial assistance may be deferred for a period not to exceed 60 days after the applicant has received a notice for an opportunity for hearing under § 117.16, or unless a hearing has begun within that time, or the time for beginning the hearing has been extended by mutual consent of the recipient and the Agency, for purposes of determining what constitutes mutual consent, the Agency shall be deemed to have consented to any extension requested by the recipient and granted by the administrative law judge (hearing officer), whether or not the Agency initially approved the extension. A deferral may not continue for more than 30 days after the close of the hearing, unless the hearing results in a finding against the applicant or recipient.

(c) SBA will not take action toward accelerating repayment, suspending, terminating, or refusing financial assistance until:

(1) SBA has advised the applicant or recipient of the failure to comply and has determined that compliance cannot be secured by voluntary means;

(2) There has been an express finding on the record, after an opportunity for hearing, of a failure by the applicant or recipient to comply with a requirement imposed by or pursuant to this part;

(3) The action has been approved by the Administrator of SBA pursuant to § 117.17; and

(4) The expiration of 30 days after SBA has filed with the committee of the House and the committee of the Senate having legislative jurisdiction over the form of financial assistance involved, a full written report of the circumstances and the grounds for such action.

(d) Other means authorized by law. No action to effect compliance by any other means authorized by law shall be taken until:
§ 117.16 Hearings.

(a) Opportunity for hearing. Whenever an opportunity for a hearing is required by § 117.15, reasonable notice shall be given by registered or certified mail, return receipt requested, to the affected applicant or recipient. This notice shall advise the applicant or recipient of the action proposed to be taken, the specific provision under which the proposed action against it is to be taken, and the matters of fact or law asserted as the basis for this action, and either:

(1) Fix a date not less than 20 days after the date of such notice within which the applicant or recipient may request the Office of Hearings and Appeals (OHA) that the matter be scheduled for hearing; or

(2) Advise the applicant or recipient that the matter in question has been set down for hearing at a stated place and time. The time and place so fixed shall be reasonable and shall be subject to change for cause. The complainant shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to appear at a hearing for which a date has been set shall be deemed to be a waiver of the right to a hearing and as consent to the making of a decision on the basis of such information as is available.

(b) Time and place of hearing. Hearings shall be held at OHA in Washington, DC, at a time fixed by OHA unless that office determines that the convenience of the complainant, applicant, recipient or SBA requires that another place be selected. Hearings shall be held before an administrative law judge designated in accordance with the Administrative Procedure Act.

(c) Right to counsel. In all proceedings under this section, the applicant or recipient and SBA shall have the right to be represented by counsel.

(d) Procedures, evidence, and record. (1) The hearings, decisions, and any administrative review shall be conducted in conformity with the Administrative Procedure Act and 13 CFR part 134. Such rules of procedure should be consistent with this section, relate to the conduct of the hearing, provide for giving of notices to those referred to in paragraph (a) of this section, taking of testimony, exhibits, arguments, and briefs, request for findings and other related matters. SBA, the complainant, if any, and the applicant or recipient shall be entitled to introduce all relevant evidence on the issues as stated in the notice for hearing, or as determined by the administrative law judge conducting the hearing at the outset of or during the hearing.

(2) Technical rules of evidence may be waived by the administrative law judge conducting a hearing pursuant to this part, but rules or principles designed to assure production of the most credible evidence available, and subject testimony to test by cross-examination shall be applied where reasonably necessary. The administrative law judge may exclude irrelevant, immaterial, or unduly repetitious evidence. All documents and other evidence offered or taken for the record shall be open to examination by the parties and opportunity shall be given to refute facts and arguments advanced on either side of the issues. A transcript shall be made of the oral evidence except to the
§ 117.17
extent the substance thereof is stipulated for the record. All decisions shall be based upon the hearing record and written findings shall be made.

(e) Consolidated or joint hearings. In cases in which the same or related facts are asserted to constitute noncompliance or threatened noncompliance with this part, with respect to two or more forms of financial assistance to which this part applies, or noncompliance with this part and the regulations of one or more other Federal agencies issued under the Act, the Administrator may, by agreement with such other agencies, provide for the conduct of consolidated or joint hearings, and for the application to such hearings of rules and procedures not inconsistent with this part. Final decisions in such cases, insofar as this part is concerned, shall be made in accordance with § 117.17.

§ 117.17 Decisions and notices.

(a) Decision by an administrative law judge. If the hearing is held by an administrative law judge, such administrative law judge shall either make an initial decision, if so authorized, or certify the entire record, including recommended findings and proposed decision, to the Administrator for a final decision or the Administrator may, by agreement with such other agencies, provide for the conduct of consolidated or joint hearings, and for the application to such hearings of rules and procedures not inconsistent with this part. Final decisions in such cases, insofar as this part is concerned, shall be made in accordance with § 117.17.

(b) Decisions on record or review by the Administrator. Whenever a record is certified to the Administrator for decision or the Administrator reviews the decision of an administrative law judge pursuant to paragraph (a) of this section, or whenever the Secretary of the Department of Health and Human Services or the Department of Justice conducts the hearing, the applicant or recipient shall be given reasonable opportunity to file briefs or other written statements of its contentions and a copy of the final decision of the Administrator shall be given in writing to the applicant or recipient and the complainant, if any.

(c) Decisions on record where a hearing is waived. Whenever a hearing is waived pursuant to § 117.16, a decision shall be made by the Administrator on the record and a copy of such decision shall be given in writing to the applicant or recipient, and to the complainant, if any.

(d) Rulings required. Each decision of an administrative law judge or the Administrator shall set forth the ruling on each finding, conclusion, or exception presented, and shall identify the requirement or requirements imposed by or pursuant to this part with which it is found that the applicant or recipient has failed to comply.

(e) Decision by the Administrator. The Administrator shall make any final decision which provides for the suspension or termination of, or the refusal to grant or continue Federal financial assistance, acceleration repayment or the imposition of any other sanction available under the regulations or taken under other means authorized by law.

(f) Content of orders. The final decision may provide for accelerating of repayment, suspension or termination of, or refusal to approve, disburse, or continue Federal financial assistance, in whole or in part, under the programs involved, and may contain such terms, conditions, and other provisions as are consistent with and will effectuate the purposes of the Act and this part, including provisions designed to assure that no Federal financial assistance will, thereafter, be extended under such
§ 117.19 Effect on other regulations.

(a) All regulations, orders or like directions heretofore issued by SBA which impose requirements designed to prohibit any discrimination against individuals on the grounds of age and which authorize the suspension or termination of or refusal to grant or to continue financial assistance to any applicant for or recipient of such assistance for failure to comply with such requirements, are hereby superseded to the extent that such discrimination is prohibited by this part, except that nothing in this part shall be
§ 117.20 Supervision and coordination.

The Administrator may from time to time assign to officials of SBA or to officials of other agencies of the Government with the consent of such agencies, responsibilities in connection with the effectuation of the purpose of the Act and this part (other than responsibility for final decision as provided in §117.17), including the achievement of effective coordination and maximum uniformity within SBA and within the Executive Branch of the Government in the application of the Act and this part to similar programs and in similar situations. Responsibility for administering and enforcing this part is assigned by the Administrator, to the Office of Civil Rights Compliance, Office of Equal Employment Opportunity and Compliance of the Small Business Administration.

Small Business Administration

§ 120.10 Definitions.
The following terms have the same meaning wherever they are used in this part. Defined terms are capitalized wherever they appear.

Associate. (1) An Associate of a Lender or CDC is:
   (i) An officer, director, key employee, or holder of 20 percent or more of the value of the Lender’s or CDC’s stock or debt instruments, or an agent involved in the loan process;
   (ii) Any entity in which one or more individuals referred to in paragraphs (1)(i) of this definition or a Close Relative of any such individual owns or controls at least 20 percent;
   (iii) Any individual or entity in control of or controlled by the small business (except a Small Business Investment Company (‘‘SBIC’’) licensed by SBA).

(2) An Associate of a small business is:
   (i) An officer, director, owner of more than 20 percent of the equity, or key employee of the small business;
   (ii) Any entity in which one or more individuals referred to in paragraphs (2)(i) of this definition owns or controls at least 20 percent; and
   (iii) Any individual or entity in control of or controlled by the small business (except a Small Business Investment Company (‘‘SBIC’’) licensed by SBA).

(3) For purposes of this definition, the time during which an Associate relationship exists commences six months before the following dates and continues as long as the certification, participation agreement, or loan is outstanding:
   (i) For a CDC, the date of certification by SBA;
   (ii) For a 504 loan, the date of closing; and
   (iii) For a Microloan, the date of closing.

general business loan programs (‘‘7(a) loans’’) authorized by section 7(a) of the Small Business Act (‘‘the Act’’), 15 U.S.C. 636(a), its microlending demonstration loan program (‘‘Microloans’’) authorized by section 7(m) of the Act, 15 U.S.C. 636(m), and its development company program (‘‘504 loans’’) authorized by Title V of the Small Business Investment Act, 15 U.S.C. 695 to 697f (‘‘Title V’’). These three programs constitute the business loan programs of the SBA.

§ 120.2 Descriptions of the business loan programs.

(a) 7(a) loans. (1) 7(a) loans provide financing for general business purposes and may be:
   (i) A direct loan by SBA;
   (ii) An immediate participation loan by a Lender and SBA; or
   (iii) A guaranteed loan (deferred participation) by which SBA guarantees a portion of a loan made by a Lender.

   (2) A guaranteed loan is initiated by a Lender agreeing to make an SBA guaranteed loan to a small business and applying to SBA for SBA’s guarantee of a portion of the loan made by a Lender. If SBA agrees to guarantee (authorizes) a portion of the loan, SBA guarantees the Lender’s funds and services the loan. If the small business defaults on the loan, SBA’s guarantee requires SBA to purchase its portion of the outstanding balance, upon demand by the Lender and subject to specific conditions. Regulations specific to 7(a) loans are found in subpart B of this part.

(b) Microloans. SBA makes loans and loan guarantees to non-profit Intermediaries that make short-term loans up to $25,000 to eligible small businesses for general business purposes, except payment of personal debts. SBA also makes grants to Intermediaries for use in providing management assistance and counseling to small businesses. Regulations specific to these loans are found in subpart G of this part.

(c) 504 loans. Projects involving 504 loans require long-term fixed-asset financing for small businesses. A Certified Development Company (CDC) provides the final portion of this financing with a 504 loan made from the proceeds of a Debenture issued by the CDC, guaranteed 100 percent by SBA (with the full faith and credit of the United States), and sold to investors. The regulations specific to these loans are found in subpart H of this part.

§ 120.3 Pilot programs.
The Administrator of SBA may from time to time suspend, modify, or waive rules for a limited period of time to test new programs or ideas. The Administrator shall publish a document in the Federal Register explaining the reasons for these actions.

DEFINITIONS

§ 120.10 Definitions.
The following terms have the same meaning wherever they are used in this part. Defined terms are capitalized wherever they appear.

Associate. (1) An Associate of a Lender or CDC is:
   (i) An officer, director, key employee, or holder of 20 percent or more of the value of the Lender’s or CDC’s stock or debt instruments, or an agent involved in the loan process;
   (ii) Any entity in which one or more individuals referred to in paragraphs (1)(i) of this definition or a Close Relative of any such individual owns or controls at least 20 percent;
   (iii) Any individual or entity in control of or controlled by the small business (except a Small Business Investment Company (‘‘SBIC’’) licensed by SBA).

(2) An Associate of a small business is:
   (i) An officer, director, owner of more than 20 percent of the equity, or key employee of the small business;
   (ii) Any entity in which one or more individuals referred to in paragraphs (2)(i) of this definition owns or controls at least 20 percent; and
   (iii) Any individual or entity in control of or controlled by the small business (except a Small Business Investment Company (‘‘SBIC’’) licensed by SBA).

(3) For purposes of this definition, the time during which an Associate relationship exists commences six months before the following dates and continues as long as the certification, participation agreement, or loan is outstanding:
   (i) For a CDC, the date of certification by SBA;
§ 120.100 What are the basic eligibility requirements for all applicants for SBA business loans?

To be eligible for an SBA business loan, a small business applicant must:

(a) Be an operating business (except for loans to Eligible Passive Companies);
(b) Be organized for profit;
(c) Be located in the United States;
(d) Be small under the size requirements of part 121 of this chapter (including affiliates). See subpart H of this part for the size standards of part 121 of this chapter which apply only to 504 loans; and
(e) Be able to demonstrate a need for the desired credit.

§ 120.101 Credit not available elsewhere.

SBA provides business loan assistance only to applicants for whom the desired credit is not otherwise available on reasonable terms from non-Federal sources. SBA requires the Lender or CDC to certify or otherwise show that the desired credit is unavailable to the applicant on reasonable terms and conditions from non-Federal sources without SBA assistance, taking into consideration the prevailing rates and terms in the community in or near where the applicant conducts business, for similar purposes and periods of time. Submission of an application to SBA by a Lender or CDC constitutes certification by the Lender or
§ 120.110 What businesses are ineligible for SBA business loans?

The following types of businesses are ineligible:

(a) Non-profit businesses (for-profit subsidiaries are eligible);

(b) Financial businesses primarily engaged in the business of lending, such as banks, finance companies, and factors (pawn shops, although engaged

§ 120.103 Are farm enterprises eligible?

Federal financial assistance to agricultural enterprises is generally made by the United States Department of Agriculture (USDA), but may be made by SBA under the terms of a Memorandum of Understanding between SBA and USDA. Farm-related businesses which are not agricultural enterprises are eligible businesses under SBA’s business loan programs.

§ 120.104 Are businesses financed by SBICs eligible?

SBA may make or guarantee loans to a business financed by an SBIC if SBA’s collateral position will be superior to that of the SBIC. SBA may also make or guarantee a loan to an otherwise eligible small business which temporarily is owned or controlled by an SBIC under the regulations in part 107 of this chapter. SBA neither guarantees SBIC loans nor makes loans jointly with SBICs.

§ 120.105 Special consideration for veterans.

SBA will give special consideration to a small business owned by a veteran or, if the veteran chooses not to apply, to a business owned or controlled by one of the veteran’s dependents. If the veteran is deceased or permanently disabled, SBA will give special consideration to one survivor or dependent. SBA will process the application of a business owned or controlled by a veteran or dependent promptly, resolve close questions in the applicant’s favor, and pay particular attention to maximum loan maturity. For SBA loans, a veteran is a person honorably discharged from active military service.
§ 120.111 What conditions must an Eligible Passive Company satisfy?

An Eligible Passive Company must use loan proceeds to acquire or lease, and/or improve or renovate real or personal property (including eligible refinancing) that it leases to an Operating Company for the conduct of the Operating Company’s business. Any ownership structure or legal form may qualify as an Eligible Passive Company.

(a) Conditions that apply to all legal forms:

(1) The Operating Company must be an eligible small business, and the proposed use of the proceeds must be an eligible use if the Operating Company were obtaining the financing directly;

(2) The Eligible Passive Company (with the exception of a trust) and the Operating Company each must be small under the appropriate size standards in part 121 of this chapter;

(3) The lease between the Eligible Passive Company and the Operating Company must be in writing and must be subordinated to SBA’s mortgage, trust deed lien, or security interest on the property. Also, the Eligible Passive Company (as landlord) must furnish as collateral for the loan an assignment of all rents paid under the lease;

(4) The lease between the Eligible Passive Company and the Operating Company, including options to renew exercisable solely by the Operating Company, must have a remaining term at least equal to the term of the loan;

(5) The Operating Company must be a guarantor or a co-borrower (with the Eligible Passive Company) of the loan (in a 7(a) loan including working capital, the Operating Company must be a co-borrower); and

—businesses engaged in any illegal activity;
—private clubs and businesses which limit the number of memberships for reasons other than capacity;
—government-owned entities (except for businesses owned or controlled by a Native American tribe);
—businesses principally engaged in teaching, instructing, counseling or indoctrinating religion or religious beliefs, whether in a religious or secular setting;

—loan packagers earning more than one third of their gross annual revenue from packaging SBA loans;
—businesses with an associate who is incarcerated, on probation, on parole, or has been indicted for a felony or a crime of moral turpitude;
—businesses in which the Lender or CDC, or any of its associates owns an equity interest;
—businesses which:

(1) Present live performances of a prurient sexual nature; or

(2) Derive directly or indirectly more than de minimis gross revenue through the sale of products or services, or the presentation of any depictions or displays, of a prurient sexual nature;
—businesses that have previously defaulted on a Federal loan or Federalally assisted financing, resulting in the Federal government or any of its agencies or Departments sustaining a loss in any of its programs, and businesses owned or controlled by an applicant or any of its associates which previously owned, operated, or controlled a business which defaulted on a Federal loan (or guaranteed a loan which was defaulted) and caused the Federal government or any of its agencies or Departments to sustain a loss in any of its programs. For purposes of this section, a compromise agreement shall also be considered a loss;
—businesses primarily engaged in political or lobbying activities; and
—speculative businesses (such as oil wildcating).
(6) Each holder of an ownership interest constituting at least 20 percent of the Eligible Passive Company and the Operating Company must guarantee the loan (the trustee shall execute the guarantee on behalf of any trust).

(b) Additional conditions that apply to trusts. The eligibility status of the trustor will determine trust eligibility. All donors to the trust will be deemed to have trustor status for eligibility purposes. A trust qualifying as an Eligible Passive Company may engage in other activities as authorized by its trust agreement. The trustee must warrant and certify that the trust will not be revoked or substantially amended for the term of the loan without the consent of SBA. The trustor must guarantee the loan. For purposes of this section, the trustee shall certify to SBA that:

(1) The trustee has authority to act;
(2) The trust has the authority to borrow funds, pledge trust assets, and lease the property to the Operating Company;
(3) The trustee has provided accurate, pertinent language from the trust agreement confirming the above; and
(4) The trustee has provided and will continue to provide SBA with a true and complete list of all trustors and donors.

§ 120.130 Restrictions on uses of proceeds.

SBA will not authorize nor may a Borrower use loan proceeds for the following purposes (including the replacement of funds used for any such purpose):

(a) Payments, distributions or loans to Associates of the applicant (except for ordinary compensation for services rendered);
(b) Refinancing a debt owed to a Small Business Investment Company ("SBIC");
(c) Floor plan financing or other revolving line credit, except under §120.390;
(d) Investments in real or personal property acquired and held primarily for sale, lease, or investment (except for a loan to an Eligible Passive Company or to a small contractor under §120.310);
(e) A purpose which does not benefit the small business; or
(f) Any use restricted by §§120.201 through 120.203 and 120.884 (specific to 7(a) loans and 504 loans respectively).

§ 120.131 Leasing part of new construction or existing building to another business.

(a) If the SBA business loan involves the construction of a new building, a
§ 120.140  Borrower may lease up to 33% of the square footage of rentable property (total square footage of all buildings or facilities used for business operations) for a short term to any third party if reasonable growth projections show that the Borrower will need additional space within three years and will use all of the additional space within ten years. If the Borrower is an Eligible Passive Company leasing 100 percent of the Project space to an Operating Company, the Operating Company may sublease up to 33 percent to a third party under the same conditions.

(b) If the SBA business loan involves the acquisition, renovation, or reconstruction of an existing building, the Borrower (or Operating Company, if the Borrower is an Eligible Passive Company) must occupy at least 51 percent of the Rentable Property. The balance of the Rentable Property may be leased out to any third party, if the loan proceeds were not used to remodel or convert the space to be leased out. (For 504 loans, see also § 120.871.)

§ 120.140 What ethical requirements apply to participants?

Lenders, Intermediaries, CDCs, and Associate Development Companies (“ADCs”) (in this section, collectively referred to as “Participants”), must act ethically and exhibit good character. Ethical indiscretion of an Associate of a Participant or a member of a CDC will be attributed to the Participant. A Participant must promptly notify SBA if it obtains information concerning the unethical behavior of an Associate. The following are examples of such unethical behavior. A Participant may not:

(a) Self-deal;
(b) Have a real or apparent conflict of interest with a small business with which it is dealing (including any of its Associates or an Associate’s Close Relatives) or SBA;
(c) Own an equity interest in a business that has received or is applying to receive SBA financing (during the term of the loan or within 6 months prior to the loan application);
(d) Be incarcerated, on parole, or on probation;
(e) Knowingly misrepresent or make a false statement to SBA;
(f) Engage in conduct reflecting a lack of business integrity or honesty;
(g) Be a convicted felon, or have an adverse final civil judgment (in a case involving fraud, breach of trust, or other conduct) that would cause the public to question the Participant’s business integrity, taking into consideration such factors as the magnitude, repetition, harm caused, and remoteness in time of the activity or activities in question;
(h) Accept funding from any source that restricts, prioritizes, or conditions the types of small businesses that the Participant may assist under an SBA program or that imposes any conditions or requirements upon recipients of SBA assistance inconsistent with SBA’s loan programs or regulations;
(i) Fail to disclose to SBA all relationships between the small business and its Associates (including Close Relatives of Associates), the Participant, and/or the lenders financing the Project of which it is aware or should be aware;
(j) Fail to disclose to SBA whether the loan will:
   (1) Reduce the exposure of a Participant or an Associate of a Participant in a position to sustain a loss;
   (2) Directly or indirectly finance the purchase of real estate, personal property or services (including insurance) from the Participant or an Associate of the Participant;
   (3) Repay or refinance a debt due a Participant or an Associate of a Participant; or
   (4) Require the small business, or an Associate (including Close Relatives of Associates), to invest in the Participant (except for institutions which require an investment from all members as a condition of membership, such as a Production Credit Association);
(k) Issue a real estate forward commitment to a builder or developer; or
(l) Engage in any activity which taints its objective judgment in evaluating the loan.
§ 120.150 What are SBA’s lending criteria?

The applicant (including an Operating Company) must be creditworthy. Loans must be so sound as to reasonably assure repayment. SBA will consider:

(a) Character, reputation, and credit history of the applicant (and the Operating Company, if applicable), its Associated, and guarantors;
(b) Experience and depth of management;
(c) Strength of the business;
(d) Past earnings, projected cash flow, and future prospects;
(e) Ability to repay the loan with earnings from the business;
(f) Sufficient invested equity to operate on a sound financial basis;
(g) Potential for long-term success;
(h) Nature and value of collateral (although inadequate collateral will not be the sole reason for denial of a loan request); and
(i) The effect any affiliates (as defined in part 121 of this chapter) may have on the ultimate repayment ability of the applicant.

§ 120.151 What is the statutory limit for total loans to a Borrower?

The aggregate amount of the SBA portions of all loans to a single Borrower, including the Borrower’s affiliates as defined in part 121 of this chapter, may not exceed a guarantee amount of $750,000, except as otherwise authorized by statute for a specific loan program. The amount of any loan received by an Eligible Passive Company applies to the loan limit of both the Eligible Passive Company and the Operating Company.

§ 120.160 Loan conditions.

The following requirements are normally required by SBA for all business loans:

(a) Personal guarantees. Holders of at least a 20 percent ownership interest generally must guarantee the loan. SBA, in its discretion, consulting with the Participating Lender, may require other appropriate individuals to guarantee the loan as well, except SBA will not require personal guarantees from those owning less than 5% ownership.
(b) Appraisals. SBA may require professional appraisals of the applicant’s and principals’ assets, a survey, or a feasibility study.
(c) Hazard insurance. SBA requires hazard insurance on all collateral.
(d) Taxes. The applicant may not use any of the proceeds to pay past-due Federal and state payroll taxes.

Requirements Imposed Under Other Laws and Orders

§ 120.170 Flood insurance.

Under the Flood Disaster Protection Act of 1973 (Sec. 205(b) of Pub. L. 93-234; 87 Stat. 983 (42 U.S.C. 4000 et seq.)), a loan recipient must obtain flood insurance if any building (including mobile homes), machinery, or equipment acquired, installed, improved, constructed, or renovated with the proceeds of SBA financial assistance is located in a special flood hazard area. The requirement applies also to any inventory (business loan program), fixtures or furnishings contained or to be contained in the building. Mobile homes on a foundation are buildings. SBA, Lenders, CDCs, and Intermediaries must notify Borrowers that flood insurance must be maintained.

§ 120.171 Compliance with child support obligations.

Any holder of 50% or more of the ownership interest in the recipient of an SBA loan must certify that he or she is not more than 60 days delinquent on any obligation to pay child support arising under:

(a) An administrative order;
(b) A court order;
(c) A repayment agreement between the holder and a custodial parent; or
(d) A repayment agreement between the holder and a State agency providing child support enforcement services.

§ 120.172 Flood-plain and wetlands management.

(a) All loans must conform to requirements of Executive Orders 11988, “Flood Plain Management” (3 CFR, 1977 Comp., p. 117) and 11990, “Protection of Wetlands” (3 CFR, 1977 Comp., p. 121). Lenders, Intermediaries, CDCs,
and SBA must comply with requirements applicable to them. Applicants must show:
(1) Whether the location for which financial assistance is proposed is in a floodplain or wetland;
(2) If it is in a floodplain, that the assistance is in compliance with local land use plans; and
(3) That any necessary construction or use permits will be issued.

(b) Generally, there is an 8-step decision making process with respect to:
(1) Construction or acquisition of anything, other than a building;
(2) Repair and restoration equal to more than 50% of the market value of a building; or
(3) Replacement of destroyed structures.

(c) SBA may determine for the following types of actions, on a case-by-case basis, that the full 8-step process is not warranted and that only the first step (determining if a proposed action is in the base floodplain) need be completed:
(1) Actions located outside the base floodplain;
(2) Repairs, other than to buildings, that are less than 50% of the market value;
(3) Replacement of building contents, materials, and equipment;
(4) Hazard mitigation measures;
(5) Working capital loans; or
(6) SBA loan assistance of $1,500,000 or less.

§ 120.173 Lead-based paint.

If loan proceeds are for the construction or rehabilitation of a residential structure, lead-based paint may not be used on any interior surface, or on any exterior surface that is readily accessible to children under the age of seven years.

§ 120.174 Earthquake hazards.

When loan proceeds are used to construct a new building or an addition to an existing building, the construction must conform with the “National Earthquake Hazards Reduction Program (“NEHRP”) Recommended Provisions for the Development of Seismic Regulations for New Buildings” (which can be obtained from the Federal Emergency Management Agency, Publications Office, Washington, DC) or a code identified by SBA as being substantially equivalent.

§ 120.175 Coastal barrier islands.

SBA and Intermediaries may not make or guarantee any loan within the Coastal Barrier Resource System.

§ 120.176 Compliance with other laws.

All SBA loans are subject to all applicable laws, including (without limitation) the civil rights laws (see parts 112, 113, 117 and 136 of this chapter), prohibiting discrimination on the grounds of race, color, national origin, religion, sex, marital status, disability or age. SBA requests agreements or evidence to support or document compliance with these laws, including reports required by applicable statutes or the regulations in this chapter.

ENFORCEABILITY DESPITE RULE CHANGES

§ 120.180 Are rules enforceable if they are changed later?

Regulations and contractual provisions in effect at the time of a transaction govern an SBA loan financing transaction, notwithstanding subsequent rule or contract changes. SBA may conduct an enforcement action regarding any violation of provisions of regulations or contracts applicable at the time, but not longer in effect or in use.

LOAN APPLICATIONS

§ 120.190 Where does an applicant apply for a loan?

An applicant for a business loan should apply to:
(a) A Lender for a guaranteed or immediate participation loan;
(b) A CDC for a 504 loan;
(c) An Intermediary for a Microloan; or
(d) SBA for a direct loan.

§ 120.191 The contents of a business loan application.

For most business loans, SBA requires that an application for a business loan contain, among other things, a description of the history and nature
of the business, the amount and purpose of the loan, the collateral offered for the loan, current financial statements, historical financial statements (or tax returns if appropriate) for the past three years, IRS tax verification, and a business plan, when applicable. Personal histories and financial statements will be required from principals of the applicant (and the Operating Company, if applicable).

§ 120.192 Approval or denial.
Applicants receive notice of approval or denial by the Lender, CDC, Intermediary, or SBA, as appropriate. Notice of denial will include the reasons. If a loan is approved, an Authorization will be issued.

§ 120.193 Reconsideration after denial.
An applicant or recipient of a business loan may request reconsideration of a denied loan or loan modification request within 6 months of denial. Applicants denied due to a size determination can appeal that determination under part 121 of this chapter. All others must be submitted to the office that denied the original request. To prevail, the applicant must demonstrate that it has overcome all legitimate reasons for denial. Six months after denial, a new application is required. If the reconsideration is denied, a second and final reconsideration may be considered by the Associate Administrator for Financial Assistance (AA/FA), whose decision is final.

Computerized SBA Forms

§ 120.194 Use of computer forms.
Any Applicant or Participant may use computer generated SBA application forms, closing forms, and other forms designated by SBA if the forms are exact reproductions of SBA forms.

Reporting of Fees

§ 120.195 Disclosure of fees.
An Applicant for a business loan must identify to SBA the name of each Agent as defined in part 103 of this chapter that helped the applicant obtain the loan, describing the services performed, and disclosing the amount of each fee paid or to be paid by the applicant to the Agent in conjunction with the performance of those services.

Subpart B—Policies Specific to 7(a) Loans

Bonding Requirements

§ 120.200 What bonding requirements exist during construction?
On 7(a) loans which finance construction, the Borrower must supply a 100 percent payment and performance bond and builder’s risk insurance, unless waived by SBA.

Limitations on Use of Proceeds

§ 120.201 Refinancing unsecured or undersecured loans.
A Borrower may not use 7(a) loan proceeds to pay any creditor in a position to sustain a loss causing a shift to SBA of all or part of a potential loss from an existing debt.

§ 120.202 Restrictions on loans for changes in ownership.
A Borrower may not use 7(a) loan proceeds to purchase a portion of a business or a portion of another owner’s interest. One or more current owners may use loan proceeds to purchase the entire interest of another current owner, or a Borrower can purchase ownership of an entire business.

Maturities; Interest Rates; Loan and Guarantee Amounts

§ 120.210 What percentage of a loan may SBA guarantee?
SBA’s guarantee percentage must not exceed the applicable percentage established in section 7(a) of the Act. The maximum allowable guarantee percentage on a loan will be determined by the loan amount. As of October 12, 1995, the percentages are: Loans of $100,000 or less may receive a maximum guarantee of 80 percent. All other loans may receive a maximum guarantee of 75 percent, not to exceed $750,000, unless otherwise authorized by SBA.

§ 120.211 What limits are there on the amounts of direct loans?
(a) The statutory limit for direct loans made under the authority of section 7(a)(1)-19 of the Small Business
§ 120.212 What limits are there on loan maturities?

(a) The shortest appropriate term, depending upon the Borrower’s ability to repay;

(b) Ten years or less, unless it finances or refinances real estate or equipment with a useful life exceeding ten years; and

(c) A maximum of 25 years, including extensions. (A portion of a loan used to acquire or improve real property may have a term of 25 years plus an additional period needed to complete the construction or improvements.)

§ 120.213 What fixed interest rates may a Lender charge?

(a) Fixed Rates for Guaranteed Loans. A loan may have a reasonable fixed interest rate. SBA periodically publishes the maximum allowable rate in the Federal Register.

(b) Direct loans. A statutory formula based on the cost of money to the Federal government determines the interest rate on direct loans. SBA publishes the rate periodically in the Federal Register.

§ 120.214 What conditions apply for variable interest rates?

A Lender may use a variable rate of interest, upon SBA’s approval. SBA’s maximum allowable rates apply only to the initial rate on the date SBA received the loan application. SBA shall approve the use of a variable interest rate under the following conditions:

(a) Frequency. The first change may occur on the first calendar day of the month following initial disbursement, using the base rate (see paragraph (c) of this section) in effect on the first business day of the month. After that, changes may occur no more often than monthly.

(b) Range of fluctuation. The amount of fluctuation shall be equal to the movement in the base rate. The difference between the initial rate and the ceiling rate may be no greater than the difference between the initial rate and the floor rate.

(c) Base rate. The base rate shall be the prime rate in effect on the first business day of the month, printed in a national financial newspaper published each business day, or the SBA Optional Peg Rate which SBA publishes quarterly in the Federal Register.

(d) Maturities under 7 years. For loans with maturities under seven years, the maximum interest rate shall not exceed two and one-quarter (2 1/4 ) percentage points over the base rate.

(e) Maturities of 7 years or more. For loans with maturities of seven or more years, the maximum interest rate shall not exceed two and three-quarters (2 3/4 ) percentage points over the base rate.

(f) Amortization. Initial amortization of principal and interest may be recomputed and reassessed as interest rates fluctuate, as directed by SBA. With prior approval of SBA, the Lender may use certain other amortization methods, except that SBA does not allow balloon payments.

§ 120.215 What interest rates apply to smaller loans?

For a loan over $25,000 but not exceeding $50,000, the interest rate may be one percent more than the maximum interest rate described above. For a loan of $25,000 or less, the maximum interest rate described above may be increased by two percentage points.

Small Business Administration

§ 120.310

(b) If the guarantee fee is not paid, SBA may terminate the guarantee. The Borrower may use working capital loan proceeds to reimburse the Lender for the guarantee fee. Acceptance of the guarantee fee by SBA shall not waive any right of SBA arising from the Lender’s misconduct or violation of any provision of this part, the guarantee agreement, the Authorization, or other loan documents.

(c) The Lender shall also pay SBA an annual service fee equal to 0.5 percent of the outstanding balance of the guaranteed portion of each loan. The service fee cannot be charged to the Borrower. SBA may institute a late fee charge for delinquent payments of the annual service fee to cover administrative costs associated with collecting delinquent fees.

§ 120.221 Fees which the Lender may collect from a loan applicant.

(a) Service and packaging fees. The Lender may charge an applicant reasonable fees (customary for similar Lenders in the geographic area where the loan is being made) for packaging and other services. The Lender must advise the applicant in writing that the applicant is not required to obtain or pay for unwanted services. The applicant is responsible for deciding whether fees are reasonable. SBA may review these fees at any time. Lender must refund any such fee considered unreasonable by SBA.

(b) Extraordinary servicing. Subject to prior written SBA approval, if all or part of a loan will have extraordinary servicing needs, the Lender may charge the applicant a service fee not to exceed 2 percent per year on the outstanding balance of the part requiring special servicing.

(c) Out-of-pocket expenses. The Lender may collect from the applicant necessary out-of-pocket expenses such as filing or recording fees.

(d) Late payment fee. The Lender may charge the Borrower a late payment fee not to exceed 5 percent of the regular loan payment.

(e) No prepayment fee. The Lender may not charge a fee for full or partial prepayment of a loan.

§ 120.222 Fees which the Lender or Associate may not collect from the Borrower or share with third parties.

The Lender or its Associate may not:

(a) Require the applicant or Borrower to pay the Lender, an Associate, or any party designated by either, any fees or charges for goods or services, including insurance, as a condition for obtaining an SBA guaranteed loan (unless permitted by this part);

(b) Charge an applicant any commitment, bonus, broker, commission, referral or similar fee;

(c) Charge points or add-on interest;

(d) Share any premium received from the sale of an SBA guaranteed loan in the secondary market with a Service Provider, packager, or other loan-referral source; or

(e) Charge the Borrower for legal services, unless they are hourly charges for requested services actually rendered.

Subpart C—Special Purpose Loans

§ 120.300 Statutory authority.

Congress has authorized several special purpose programs in various subsections of section 7(a) of the Act. Generally, 7(a) loan policies, eligibility requirements and credit criteria enumerated in subpart B of this part apply to these programs. The sections of this subpart prescribe the special conditions applying to each special purpose program. As with other business loans, special purpose loans are available only to the extent funded by annual appropriations.

(c) SBA does not consider a DAL-1 organization to have a conflict of interest if one or more of its Associates is an Associate of the Lender.

§ 120.313 DAL-2 use of proceeds and other program conditions.

(a) The DAL-2 loan proceeds may be used for any 7(a) loan purposes.

(b) An applicant may use DAL-2 loan proceeds to acquire an eligible small business without complying with the change of ownership conditions in §120.202.

(c) A DAL-2 applicant must submit evidence from a physician, psychiatrist, or other qualified professional as to the permanent nature of the disability and the limitation it places on the applicant.

§ 120.314 Resolving doubts about creditworthiness.

For the purpose of the DAL Program, SBA shall resolve doubts concerning the creditworthiness of an applicant in favor of the applicant. However, the applicant must present satisfactory evidence of repayment ability. Personal guarantees of Associates are not required for purposes of DAL-1 financial assistance.

§ 120.315 Interest rate and loan limit.

The interest rate on direct DAL loans is three percent. There is an administrative limit of $150,000 on a direct DAL loan.

(c) SBA does not prescribe the interest rates for the EWCP, but will monitor these rates for reasonableness.

(a) Engaged or preparing to engage in international trade; or

All terms specific to ESOPs have the same definition for purposes of this section as in the Internal Revenue Service (IRS) Code (title 26 of the United States Code) or regulations (26 CFR chapter I).

§ 120.352 Use of proceeds.
Loan proceeds may be used for two purposes.
(a) Qualified employer securities. A qualified employee trust may relend loan proceeds to the employer by purchasing qualified employer securities. The small business concern may use these funds for any general 7(a) purpose.
(b) Control of employer. A qualified employee trust may use loan proceeds to purchase a controlling interest (51 percent) in the employer. Ownership and control must vest in the trust by the time the loan is repaid.

(b) The small business must provide adequate collateral.

SBA may guarantee or make direct loans to a small business 51 percent owned by one or more of the following eligible veterans:

§ 120.381 Eligibility.
(a) Eligible small businesses. A small business is eligible if it has been detrimentally impacted by the closure (or substantial reduction) of a Department of Defense installation, or the termination (or substantial reduction) of a Department of Defense Program on which the small business was a prime contractor, subcontractor, or supplier at any tier.
(b) Eligible individual. An eligible individual, for purposes of this program, includes the following persons involuntarily separated from their position or voluntarily terminated under a program offering inducements to encourage early retirement:

§ 120.382

(3) An employee of a prime contractor, sub-contractor, or supplier at any tier of a Department of Defense program.

(c) Defense loan and technical assistance (DELTA). The DELTA program provides financial and technical assistance to defense dependent small businesses which have been adversely affected by defense reductions. The goal of the program is to assist these businesses to diversify into the commercial market while remaining part of the defense industrial base. Complete information on eligibility and other rules is available from each SBA district office.

§ 120.382 Repayment ability.

SBA shall resolve reasonable doubts concerning the small business' proposed business plan for transition to non-defense-related markets in favor of the loan applicant in determining the sound value of the proposed loan.

§ 120.383 Restrictions on loan processing.

Since greater risk may be associated with a loan to an applicant under this program, a Certified Lender or Preferred Lender shall not make a defense economic assistance loan under the PLP or CLP programs.

CAPLINES PROGRAM

§ 120.390 Revolving credit.

(a) CapLines finances eligible small businesses’ short-term, revolving and non-revolving working-capital needs. SBA regulations governing the 7(a) loan program govern business loans made under this program. Under CapLines, SBA generally can guarantee up to $750,000.

(b) CapLines proceeds can be used to finance the cyclical, recurring, or other identifiable short-term operating capital needs of small businesses. Proceeds can be used to create current assets or used to provide financing against the current assets that already exist.

BUILDERS LOAN PROGRAM

§ 120.391 What is the Builders Loan Program?

Under section 7(a)(9) of the Act, SBA may make or guarantee loans to finance small general contractors to construct or rehabilitate residential or commercial property for resale. This program provides an exception under specified conditions to the general rule against financing investment property. “Construct” and “rehabilitate” mean only work done on-site to the structure, utility connections and landscaping.

§ 120.392 Who may apply?

A construction contractor or homebuilder with a past history of profitable construction or rehabilitation projects of comparable type and size may apply. An applicant may subcontract the work. Subcontracts in excess of $25,000 may require 100 percent payment and performance bonds.

§ 120.393 Are there special application requirements?

(a) An applicant must submit documentation from:

(1) A mortgage lender indicating that permanent mortgage money is available to qualified purchasers to buy such properties;

(2) A real estate broker indicating that a market exists for the proposed building and that it will be compatible with its neighborhood; and

(3) An architect, appraiser or engineer agreeing to make inspections and certifications to support interim disbursements.

(b) The Borrower may substitute a letter from a qualified Lender for one or more of the letters.

§ 120.394 What are the eligible uses of proceeds?

A Borrower must use the loan proceeds solely to acquire, construct or substantially rehabilitate an individual residential or commercial building for sale. “Substantial” means rehabilitation expenses of more than one-third of the purchase price or fair market value at the time of the application. A Borrower may use up to 20 percent of the proceeds to acquire land, and up to 5 percent for community improvements such as curbs and sidewalks.
§ 120.395 What is SBA's collateral position?
SBA will require a lien on the building which must be in no less than a second position.

§ 120.396 What is the term of the loan?
The loan must not exceed sixty (60) months plus the estimated time to complete construction or rehabilitation.

§ 120.397 Are there any special restrictions?
The borrower must not use loan proceeds to purchase vacant land for possible future construction or to operate or hold rental property for future rehabilitation. SBA may allow rental of the property only if the rental will improve the ability to sell the property. The sale must be a legitimate change of ownership.

Subpart D—Lenders

§ 120.400 Loan Guarantee Agreements.
SBA may enter into a Loan Guarantee Agreement with a Lender to make deferred participation (guaranteed) loans. Such an agreement does not obligate SBA to participate in any specific proposed loan that a Lender may submit. The existence of a Loan Guarantee Agreement does not limit SBA's rights to deny a specific loan or establish general policies. See also §§ 120.441(b) and 120.451(d) concerning Supplemental Guarantee Agreements.

Participation Criteria

§ 120.410 Requirements for all participating Lenders.
A Lender must:
(a) Have a continuing ability to evaluate, process, close, disburse, service and liquidate small business loans;
(b) Be open to the public for the making of such loans (not be a financing subsidiary, engaged primarily in financing the operations of an affiliate);
(c) Have continuing good character and reputation, and otherwise meet and maintain the ethical requirements of § 120.140;
(d) Be supervised and examined by a State or Federal regulatory authority, satisfactory to SBA; and
(e) In order to make Low Documentation loans, be:
(1) A bank or thrift institution which has executed an SBA Form 750, Loan Guarantee Agreement, and which has at least 20 qualified loans outstanding as of the call report date closest to the date of its fiscal year end, or
(2) An institution other than a bank or thrift institution which has executed an SBA Form 750, Loan Guarantee Agreement, and which has at least 20 qualified loans outstanding as of its latest fiscal year end. For purposes of this paragraph (e), a qualified loan is one which was initially approved in the amount of $100,000 or less and is classified as a commercial, industrial or commercial real estate loan for purposes of call reporting. A lender may request an exception to the requirements of this paragraph (e) from the SBA Associate Administrator for Financial Assistance.

§ 120.411 Preferences.
An agreement to participate under the Act may not establish any preferences in favor of the Lender.

§ 120.412 Other services Lenders may provide Borrowers.
Subject to § 120.140 Lenders, their Associates or the designees of either may provide services to and contract for goods with a Borrower only after full disbursement of the loan to the small business or to an account not controlled by the Lender, its Associate, or the designee. A Lender, an Associate, or a designee providing such services must do so under a written contract with the small business, based on time and hourly charges, and must maintain time and billing records for examination by SBA. Fees cannot exceed those charged by established professional consultants providing similar services. See also § 120.195.

§ 120.413 Advertisement of relationship with SBA.
A Lender may refer in its advertising to its participation with SBA. The advertising may not:
§ 120.420 Pledging Notes or Transferring Unguaranteed Portion.

(a) A lender may pledge the notes evidencing SBA guaranteed loans or sell the unguaranteed portions of such loans if SBA, notwithstanding the provisions of Sec. 120.453(c), in its sole discretion, gives its prior written consent. The Lender must be secure financially and have a history of compliance with SBA's regulations and any other applicable state or Federal statutory and regulatory requirements.

(b) The Lender, SBA, and any third party involvement in the transaction, as determined by SBA in its sole discretion, must enter into a written agreement satisfactory to SBA acknowledging SBA's interest as guarantor of the subject loans and accepting that all relevant third parties agree to recognize and uphold these interests under the Act, this part, and the contractual provisions of SBA's Loan Guarantee Agreement. In any such agreement, the parties must agree to the following conditions:

(1) The Lender, SBA, or third party custodian agreeable to SBA, will hold all pertinent Loan Instruments, and the Lender will continue to service the loans after the pledge or transfer is made; and

(2) The Lender must retain an economic risk in and bear the ultimate risk of loss on the unguaranteed portions. This must be demonstrated to SBA's satisfaction by establishing a sufficient reserve fund at the time of sale of the unguaranteed portions and, in the case of pledging notes, by retaining all of the economic interest in the unguaranteed portion of any loan which a note evidences.

(c) The Lender may not use SBA guaranteed loans or the collateral supporting such loans as collateral for any borrowing not related to financing of the guaranteed or unguaranteed portion of SBA loans.

§ 120.430 SBA access to Lender files.

A Lender must allow SBA's authorized representatives, during normal business hours, access to its files to review, inspect and copy all records and documents relating to SBA guaranteed loans.

§ 120.431 Suspension or revocation of eligibility to participate.

SBA may suspend or revoke the eligibility of a Lender to participate in the 7(a) program because of a violation of SBA regulations, a breach of any agreement with SBA, a change of circumstance resulting in the Lender’s inability to meet operational requirements, or a failure to engage in prudent lending practices. Proceedings for such purposes will be conducted in accordance with the provisions of part 134 of this chapter. A suspension or revocation will not invalidate a guarantee previously provided by SBA.

CERTIFIED LENDERS PROGRAM (CLP)

§ 120.440 What is the Certified Lenders Program?

Under the Certified Lenders Program (CLP), designated Lenders process, close, service, and may liquidate, SBA guaranteed loans. SBA gives priority to applications and servicing actions submitted by Lenders under this program, and will provide expedited loan processing or servicing. All other rules in this part 120 relating to the operations of Lenders apply to CLP Lenders.

§ 120.441 How does a Lender become a CLP Lender?

(a) An SBA field office may nominate a Lender or a Lender may request a field office to consider it for CLP status. SBA district directors may approve and renew a Lender's CLP status. The district director will consider whether the Lender:
§ 120.452 What are the requirements of PLP loan processing?

(a) Subparts A and B of this part govern the making of PLP loans, except for the following:

(1) Certain types of businesses, loans, and loan programs are not eligible for PLP, as detailed in published SBA policy and procedures.

(2) A Lender may not make a PLP business loan which reduces its existing credit exposure for any Borrower,
§ 120.453 Except in cases where an interim loan(s) has been made for other than real estate construction purposes to the Borrower which was approved by the Lender within 90 days of receipt of the issuance of a subsequent PLP loan number.

(3) SBA will not guarantee more than the specified statutory percentage of any PLP loan.

(b) A PLP Lender notifies SBA of its approval of a PLP loan by submitting to SBA's loan processing center appropriate documentation signed by two of the PLP's authorized representatives. SBA will attach the SBA guarantee and notify the PLP Lender of the SBA loan number (if it does not identify a problem with eligibility, and funds are available).

(c) The PLP Lender is responsible for all PLP loan decisions regarding eligibility (including size) and creditworthiness. The PLP Lender is also responsible for confirming that all PLP loan closing decisions are correct, and that it has complied with all requirements of law and SBA regulations.

§ 120.454 PLP performance review.

SBA may review the performance of a PLP Lender. SBA may charge the PLP Lender a fee to cover the costs of this review.

§ 120.455 Suspension or revocation of PLP status.

The AA/FA may suspend or revoke PLP status upon written notice providing the reasons at least 10 business days prior to the effective date of the suspension or revocation. Reasons for suspension or revocation may include loan performance unacceptable to SBA, failure to make the required number of loans under the expedited procedures, or violations of applicable statutes, regulations or published SBA policies and procedures. A PLP Lender may appeal the suspension or revocation made under this section under procedures found in part 134 of this chapter. The action of the AA/FA remains in effect pending resolution of the appeal.

§ 120.470 What is an SBLC?

A Small Business Lending Company (SBLC) is a nondepository lending institution licensed by SBA. SBA supervises, examines, and regulates SBLCs. An SBLC is subject to all applicable SBA regulations, including those governing Lenders. SBA has imposed a moratorium on licensing new SBLC’s since January, 1982.

(a) An SBLC may only make:

(1) Loans under section 7(a) (except section 7(a)(13)) of the Act in participation with SBA; and/or

(2) SBA guaranteed loans to micro-Lenders in the SBA Microloan program (see subpart G of this part). Such loans are subject to the same conditions as guaranteed loans made to SBA-designated microlenders by SBA participating Lenders.

(b) In addition to complying with §§120.400 through 120.413, an SBLC must meet the following requirements:

(1) Business structure. It must be a corporation (profit or non-profit).

(2) Written agreement. It must sign a written agreement with SBA.

§ 120.472  Reports to SBA.

An SBLC must submit the following to the AA/FA:

(a) An audited financial statement prepared by a certified public accountant within three months after the close of each fiscal year, and interim financial reports when requested by SBA;

(b) A report of any legal or administrative proceeding, by or against the SBLC, or against an officer, director, or employee of the SBLC for an alleged breach of official duty, within 10 days after initiating or learning of the proceeding, as well as notification of the terms of any settlement or final judgment (in addition to any reporting under applicable SBA Forms);

(c) Copies of any report furnished to its stockholders (including any prospectus, letter, or other publication concerning the financial operations of the SBLC);

(d) A summary of any changes in the SBLC’s organization or financing, such as:

1. Any change in its name, address or telephone number;
2. Any change in its charter, bylaws, or its officers or directors (to be accompanied by a statement of personal history or an approved SBA form);
3. Any changes in capitalization (including those identified in §120.470);
4. Any changes affecting the eligibility of the SBLC to continue to participate as an SBLC; and
5. Notice of a pledge of stock within 30 calendar days of the transaction if 10 percent or more of the stock is pledged by any person (or group of persons acting in concert) as collateral for indebtedness, and such pledge does not involve a transfer for which prior written approval of SBA is required under §120.473;

(e) Such other reports as SBA may require from time to time by written directive.

§ 120.473  Change of ownership or control.

(a) Any change of ownership or control without prior written approval of SBA is prohibited. An SBLC must request approval of any such change from the AA/FA. Pending the approval, the SBLC may not register the proposed new owners on its transfer books nor permit them to participate in any manner in the conduct of the SBLC’s affairs. Change of ownership or control includes:

1. Any transfer of 10 percent or more of any class of the SBLC’s stock, and any agreement providing for such transfer;
2. Any transfer that could result in the beneficial ownership by any person or group of persons acting in concert of 10 percent or more of any class of its stock, and any agreement providing for such transfer;
3. Any merger, consolidation, or reorganization; or
4. Any other transaction or agreement that transfers control of the SBLC.

(b) If transfer of ownership or control is subject to the approval of any State or Federal chartering, licensing, or other regulatory authority, copies of any documents filed with such authority must, at the same time, be transmitted to the AA/FA.
§ 120.474 Prohibited financing.

An SBLC may not make a loan to a small business that has received financing (or a commitment for financing) from an SBIC that is an Associate of the SBLC.

§ 120.475 Audits.

Every SBLC is subject to periodic audits by SBA’s Office of Inspector General, Auditing Division, and the cost of such audits will be assessed against the SBLC, except for the first audit. Fees are structured based on the SBLC’s assets as of the date of the latest audited financial statement submitted to SBA before the audit. The fee schedule is set forth in SBA’s Standard Operating Procedures manual.

§ 120.476 Suspension or revocation.

SBA may revoke or suspend an SBLC for a violation of law, these regulations, or any agreement with SBA. An appeal can be made following the procedures set forth in part 134 of this chapter.

Subpart E—Loan Administration

§ 120.500 General.

This subpart outlines the general loan administration policies applicable to loan servicing and liquidation.

Servicing

§ 120.510 Servicing direct and immediate participation loans.

SBA services the direct loans that it makes. Generally, the Lender services immediate participation loans that it makes and in which SBA participates.

§ 120.511 Servicing guaranteed loans.

The Lender services guaranteed loans, holds the Loan Instruments and receives the Borrower’s payments of principal and interest.

§ 120.512 Who services the loan after SBA honors its guarantee?

Generally, after SBA honors its guarantee, the Lender must continue to hold the Loan Instruments and service and liquidate the loan. The Lender must execute a Certificate of Interest showing SBA’s percentage of the loan, and must submit a liquidation plan to SBA for each loan to be liquidated. If SBA elects to service or liquidate the loan, the Lender must assign the Loan Instruments to SBA.

§ 120.513 What servicing actions require the prior written consent of SBA?

Except as otherwise provided in a Supplemental Guarantee Agreement with the Lender, SBA must give its prior written consent before the Lender takes any of the following actions:

(a) Alters substantially the terms or conditions of any Loan Instrument (for example, any increase in the principal amount or change in the interest rate, or action conferring a Preference on the Lender);

(b) Releases collateral having a cumulative value in excess of 20 percent of the original loan amount;

(c) Accelerates the maturity of the note;

(d) Sues upon any Loan Instrument;

(e) Compromises or waives any claim against any Borrower, guarantor, obligor or standby creditor arising out of any Loan Instrument; or

(f) Increases the amount of any prior lien held by the Lender on the collateral securing the loan.

§ 120.520 When does SBA honor its guarantee?

(a) SBA, in its sole discretion, may purchase a guaranteed portion of a loan at any time. A Lender may demand in writing that SBA honor its guarantee if the Borrower is in default on any installment for more than 60 calendar days (or less if SBA agrees) and the default has not been cured. If a Borrower cures a default before a Lender requests purchase by SBA, the Lender’s right to request purchase on that default lapses.

(b) Purchase by SBA of the guaranteed portion does not waive any of SBA’s rights to recover money paid on the guarantee, based upon the Lender’s negligence, misconduct, or violation of this part, including those actions listed in §120.524(a), the Loan Guarantee Agreement or the Loan Instruments.
§ 120.521 What interest rate applies after SBA purchases its guaranteed portion?

When SBA purchases the guaranteed portion of a fixed interest rate loan, the rate of interest remains as stated in the note. On loans with a fluctuating interest rate, the interest rate that the Borrower owes will be at the rate in effect at the time of the earliest uncured payment default, or the rate in effect at the time of purchase (where no default has occurred).

§ 120.522 How much accrued interest does SBA pay to the Lender or Registered Holder when SBA purchases the guaranteed portion?

(a) Rate of interest. If SBA purchases the guaranteed portion from a Lender or from a Registered Holder (if sold in the Secondary Market), it will pay accrued interest at:

(1) The rate in the note if it is a fixed rate loan; or

(2) The rate in effect on the date of the earliest uncured payment default, or of SBA’s purchase (if there has been no default).

(b) Payment to Lender. If the Lender submits a complete purchase request to SBA within 120 days of the earliest uncured payment default, SBA will pay accrued interest to the Lender from the last interest paid-to-date up to the date of payment. If the Lender requests SBA to purchase after 120 days from the date of the earliest uncured payment default date, SBA will pay only 120 days of interest. For LowDoc loans, the interest paid to the Lender will be governed by the Supplemental Guarantee Agreement.

(c) Payment to Registered Holder. SBA will pay a Registered Holder all accrued interest up to the date of payment.

(d) Extension of the 120 day period. Before the 120 days expire, the SBA field office may extend the period if the Lender and SBA agree that the Borrower can cure the default within a reasonable and definite period of time or that the benefits from doing so otherwise will exceed the costs of SBA paying additional interest. If the 120 days have passed, only the AA/FA or designee can extend the period.

§ 120.523 What is the “earliest uncured payment default”?

The earliest uncured payment default is the date of the earliest failure by a Borrower to pay a regular installment of principal and/or interest when due. Payments made by the Borrower before a Lender makes its request to SBA to purchase are applied to the earliest uncured payment default. If the installment is paid in full, the earliest uncured payment default date will advance to the next unpaid installment date. If a Borrower makes any payment after the Lender makes its request to SBA to purchase, the earliest uncured payment default date does not change because the Lender has already exercised its right to request purchase.

§ 120.524 When is SBA released from liability on its guarantee?

(a) SBA is released from liability on a loan guarantee (in whole or in part, within SBA’s exclusive discretion), if any of the events below occur:

(1) The Lender has failed to comply materially with any of the provisions of these regulations, the Loan Guarantee Agreement, or the Authorization;

(2) The Lender has failed to make, close, service, or liquidate a loan in a prudent manner;

(3) The Lender’s improper action or inaction has placed SBA at risk;

(4) The Lender has failed to disclose a material fact to SBA regarding a guaranteed loan in a timely manner;

(5) The Lender has misrepresented a material fact to SBA regarding a guaranteed loan;

(6) SBA has received a written request from the Lender to terminate the guarantee;

(7) The Lender has not paid the guarantee fee within the period required under SBA rules and regulations;

(8) The Lender has failed to request that SBA purchase a guarantee within 120 days after maturity of the loan;

(9) The Lender has failed to use required SBA forms or exact electronic copies; or

(10) The Borrower has paid the loan in full.

(b) If SBA determines, after purchasing its guaranteed portion of a loan, that any of the events set forth in paragraph (a) of this section occurred
in connection with that loan, SBA is entitled to recover any money paid on the guarantee plus interest from the Lender responsible for those events.

(c) If the Lender’s loan documentation indicates that one or more of the events in paragraph (a) of this section may have occurred, SBA may undertake such investigation as it deems necessary to determine whether to honor or deny the guarantee, and may withhold a decision on whether to honor the guarantee until the completion of such investigation.

(d) Any information provided to SBA prior to Lender’s request for SBA to honor its guarantee shall not prejudice SBA’s right to deny liability for a guarantee if one or more of the events listed in paragraph (a) of this section occur.

(e) Unless SBA provides written notice to the contrary, the Lender remains responsible for all loan servicing and liquidation actions until SBA honors its guarantee in full.

DEFERMENT, EXTENSION OF MATURITY AND LOAN MORATORIUM

§ 120.530 Deferment of payment.

SBA may agree to defer payments on a business loan for a stated period of time, and use such other methods as it considers necessary and appropriate to help in the successful operation of the Borrower. This policy applies to all business loan programs, including 504 loans.

§ 120.531 Extension of maturity.

SBA may agree to extend the maturity of a loan for up to 10 years beyond its original maturity if the extension will aid in the orderly repayment of the loan.

§ 120.532 What is a loan Moratorium?

SBA may assume a Borrower’s obligation to repay principal and interest on a loan by agreeing to make the payments to the Lender on behalf of the Borrower under terms and conditions set by SBA. This relief is called a “Moratorium.” Complete information concerning this program may be obtained from local SBA offices.

LIQUIDATION OF COLLATERAL

§ 120.540 What are SBA’s policies concerning liquidation of collateral?

(a) Liquidation policy. SBA or the Lender may liquidate collateral securing a loan if the loan is in default or there is no reasonable prospect that the loan can be repaid within a reasonable period.

(b) Sale and conversion of loans. Without the consent of the Borrower, SBA may:

(1) Sell a direct loan;

(2) Convert a guaranteed or immediate participation loan to a direct loan; or

(3) Convert an immediate participation loan to a guaranteed loan or a loan owned solely by the Lender.

(c) Disposal of collateral and assets acquired through foreclosure or conveyance. SBA or the Lender may sell real and personal property (including contracts and claims) pledged to secure a loan that is in default in accordance with the provisions of the related security instrument (see §120.550 for Homestead Protection for Farmers).

(1) Competitive bids or negotiated sales. Generally, SBA will offer loan collateral and acquired assets for public sale through competitive bids at auctions or sealed bid sales. The Lender may use negotiated sales if consistent with its usual practice for similar non-SBA assets.

(2) Lease of acquired property. Normally, neither SBA nor a Lender will rent or lease acquired property or grant options to purchase. SBA and the Lender will consider proposals for a lease if it appears a property cannot be sold advantageously and the lease may be terminated on reasonable notice upon receipt of a favorable purchase offer.

(d) Recoveries and security interests shared. SBA and the Lender will share pro rata (in accordance with their respective interests in a loan) all loan payments or recoveries, all reasonable expenses (including advances for the care, preservation, and maintenance of collateral securing the loan and the payment of senior lienholders), and any security interest or guarantee (excluding SBA’s guarantee) which the Lender
§ 120.550 What is homestead protection for farmers?

SBA may lease to a farmer-Borrower the farm residence occupied by the Borrower and a reasonable amount of adjoining property (no more than 10 acres and seven farm buildings), if they were acquired by SBA as a result of a defaulted farm loan made or guaranteed by SBA (see the Consolidated Farm and Rural Development Act, 7 U.S.C. 1921, for qualifying loan purposes).

§ 120.551 Who is eligible for homestead protection?

SBA must notify the Borrower in possession of the availability of these homestead protection rights within 30 days after SBA acquires the property. A farmer-Borrower must:

(a) Apply for the homestead occupancy to the SBA field office which serviced the loan within 90 days after SBA acquires the property;

(b) Provide evidence that the farm produces farm income reasonable for the area and economic conditions;

(c) Show that at least 60 percent of the Borrower and spouse's gross annual income came from farm or ranch operations in at least any two out of the last six calendar years;

(d) Have resided on the property during the previous six years; and

(e) Be personally liable for the debt.

§ 120.552 Lease.

If approved, the applicant must personally occupy the residence during the term of the lease and pay a reasonable rent to SBA. The lease will be for a period of at least 3 years, but no more than 5 years. A lease of less than 5 years may be renewed, but not beyond 5 years from the original lease date. During or at the end of the lease period, the lessee has a right of first refusal to reacquire the homestead property under terms and conditions no less favorable than those offered to any other purchaser.

§ 120.553 Appeal.

If the application is denied, the Borrower may appeal the decision to the AA/FA. Until the conclusion of any appeal, the Borrower may retain possession of the homestead property.

§ 120.554 Conflict of laws.

In the event of a conflict between the homestead provisions at §§120.550 through 120.553 of this part, and any state law relating to the right of a Borrower to designate for separate sale or to redeem part or all of the real property securing a loan foreclosed by the Lender, state law shall prevail.

§ 120.610 Form and terms of Certificates.

(a) General form and content. Each Certificate must be registered with the FTA. SBA must approve the terms of the Certificate.

(b) Face amount of Pool Certificate. The face amount of a Pool Certificate cannot be less than a minimum amount as specified in the Program Guide, and the dollar amount of Certificates must be in increments which SBA will specify in the Program Guide (except for one Certificate in each Pool). SBA may change these requirements based upon an analysis of market conditions and program experience, and will publish any such change in the FEDERAL REGISTER.

(c) Basis of payment for Pool Certificates. Principal installments and interest payments are based on the unpaid principal balance of the portion of the Pool represented by a Pool Certificate. All prepayments on loans in the Pool must be passed through to the appropriate Registered Holders with the regularly scheduled payments to such Holders.

(d) Basis of payment for Individual Certificates. Principal installments and interest payments are based on the unpaid principal balance of the SBA guaranteed portion of the loan supporting an individual Certificate. The Certificate must provide for a pass through to the Registered Holder of payments which the FTA receives from a Lender or any entity servicing the loan, less applicable fees.

(e) Interest rate on Pool Certificate. The interest rate on a Pool Certificate must be equal to the lowest Net Rate on any individual guaranteed portion of a loan in the Pool.

§ 120.611 Pools backing Pool Certificates.

(a) Pool characteristics. As set forth in the Program Guide, each Pool must have:

(b) Adjustment of Pool characteristics. SBA may adjust the Pool characteristics periodically based upon program experience and market conditions.

§ 120.612 Loans eligible to back Certificates.

1. Be current as of the date the Pool is formed or the individual guaranteed
§ 120.613 Secondary Participation Guarantee Agreement.

When a Lender wants to sell the guaranteed portion of a loan, it enters into a Secondary Participation Guarantee Agreement ("SPGA") with SBA and the prospective purchaser. The terms of sale between the Lender and the purchaser cannot require the Lender or SBA to repurchase the guaranteed portion of the loan except in accordance with the terms of the SPGA. Before execution of the SPGA, the Lender must:

(a) Submit to FTA a copy of the proposed SPGA, the note, and such other documents as SBA may require;
(b) Disburse to the Borrower the full amount of the loan; and
(c) Pay SBA all guarantee fees relevant to the loan in full.

§ 120.620 SBA guarantee of a Pool Certificate.

(a) Extent of Guarantee. SBA guarantees to a Registered Holder the timely payment of principal and interest installments and any prepayment or other recovery of principal to which the Registered Holder is entitled. If the Borrower of a loan in a Pool defaulting, the Certificate does not make a required installment payment, SBA, through the FTA, will make advances to maintain the schedule of interest and principal payments to the Registered Holders.
(b) SBA guarantee backed by full faith and credit. SBA’s guarantee of the Pool Certificate is backed by the full faith and credit of the United States.

§ 120.621 SBA guarantee of an Individual Certificate.

(a) Extent of SBA guarantee. With respect to Individual Certificates, SBA guarantees to purchase from the Registered Holder the guaranteed portion of the loan for an amount equal to the unpaid principal and accrued interest due as of the date of SBA’s purchase, less deductions for applicable fees. Unlike the SBA guarantee with respect to pooled loans, SBA does not guarantee timely payment on Individual Certificates.
(b) What triggers the SBA guarantee. SBA’s guarantee to the Registered Holder may be called upon when:
(1) The Borrower remains in uncured default for 60 days on payments of principal or interest due on the note;
(2) The Lender fails to send to the FTA on a timely basis payments it received from the Borrower; or
(3) The FTA fails to send to the Registered Holder on a timely basis any payments it has received from the Lender.
(c) Full faith and credit. SBA’s guarantee to the Registered Holder is backed by the full faith and credit of the United States.

§ 120.630 Qualifications to be a Pool Assembler.

(a) Application to become Pool Assembler. The application to become a Pool Assembler is available from the AA/FA. In order to qualify as a Pool Assembler, an entity must send the application to the AA/FA, with an application fee, and certify that it:
(2) Meets all financial and other applicable requirements of its regulatory authority and the Government Securities Act of 1986, as amended (Pub. L. 99-571, 100 Stat. 3208);
(3) Has the financial capability to assemble acceptable and eligible guaranteed loan portions in sufficient quantity to support the issuance of Pool Certificates; and
(4) Is in good standing with SBA (as the AA/FA determines), the Office of the Comptroller of the Currency ("OCC") if it is a national bank, the Federal Deposit Insurance Corporation if it is a bank not regulated by the
Small Business Administration

OCC, or the National Association of Securities Dealers if it is a member.

(b) Approval by SBA. An entity may not submit Pool applications to the FTA until SBA has approved the application to become a Pool Assembler.

(c) Conduct of business by Pool Assembler. An entity continues to qualify as a Pool Assembler so long as it:

(1) Meets the eligibility standards in paragraph (a) of this section;

(2) Conducts its business in accordance with SBA regulations and accepted securities or banking industry practices, ethics, and standards; and

(3) Maintains its books and records in accordance with generally accepted accounting principles or in accordance with the guidelines of the regulatory body governing its activities.

§ 120.631 Suspension or termination of Pool Assembler.

(a) Suspension or termination. The AA/FA may suspend a Pool Assembler from operating in the Secondary Market for up to 18 months or terminate its status as a Pool Assembler, if the Pool Assembler (and/or its Associates):

(1) Does not comply with any of the requirements in § 120.630 (a) and (c);

(2) Has been indicted or otherwise formally charged with, or convicted of, a misdemeanor or felony;

(3) Has received an adverse civil judgment that it has committed a breach of trust or a violation of a law or regulation protecting the integrity of business transactions or relationships;

(4) Has not formed a Pool for at least three years; or

(5) Is under investigation by its regulating authority for activities which may affect its fitness to participate in the Secondary Market.

(b) Suspension procedures. The AA/FA shall notify a Pool Assembler by certified mail, return receipt requested, of the decision to suspend and the reasons therefore at least 10 business days prior to the effective date of the suspension. The Pool Assembler may appeal the suspension made under this section pursuant to the procedures set forth in part 134 of this chapter. The action of the AA/FA shall remain in effect pending resolution of the appeal.

§ 120.640 Administration of the Pool and Individual Certificates.

(a) FTA responsibility. The FTA has the responsibility to administer each Pool or Individual Certificate. It shall maintain a registry of Registered Holders and other information as SBA requires.

(b) Self-liquidating. Each Pool or individual guaranteed portion of a loan in the Secondary Market is self-liquidating because of Borrower payments or prepayments, redemption by SBA, and/or payments by SBA or the Lender after default by the Borrower. Substitution of the guaranteed portions of existing loans for defaulted loans is not permitted.

(c) SBA’s right to subrogation. If SBA pays a claim under a guarantee with respect to a Certificate issued under this subpart, it must be subrogated fully to the rights satisfied by such payment.

(d) SBA ownership rights not limited. No Federal, State or local law can preclude or limit the exercise by SBA of its ownership rights in the portions of loans constituting the Pool against which the Certificates are issued.

§ 120.641 Disclosure to purchasers.

(a) Information to purchaser. Prior to any sale, the Pool Assembler, Registered Holder of an Individual Certificate, or any subsequent seller must disclose to the purchaser, verbally or in writing, information on the terms, conditions, and yield as described in the SBA Secondary Market Program Guide.

(b) Information on transfer document. The seller must provide the same information described in paragraph (a) of this section in writing on the transfer document when the seller submits it to
the FTA. After the sale of an Individual Certificate, the FTA will provide the disclosure information in writing to the purchaser.

(c) Information in prospectus. If the Registered Holder is a trust, investment Pool, mutual fund or other security, it must disclose the information in paragraph (a) of this section to investors through a prospectus and other promotional material if an Individual Certificate or Pool Certificate is placed into or used as the backing for the investment vehicle.

§ 120.642 Requirements before the FTA issues Pool Certificates.

Before the FTA issues any Pool Certificate, the Pool Assembler must deliver to it the following documents:

(a) A properly completed Pool application form;

(b) Either:

(1) Individual Certificates evidencing the guaranteed portions comprising the Pool; or

(2) An executed SPGA and related documentation for the loans whose guaranteed portions are to be part of the Pool; and

(c) Any other documentation which SBA may require.

§ 120.643 Requirements before the FTA issues Individual Certificates.

(a) FTA issuance of initial Certificate. Before the FTA can issue the Individual Certificate for a guaranteed portion of a loan, the original seller must provide the following documents to the FTA:

(1) An executed SPGA;

(2) A copy of the note representing the guaranteed loan; and

(3) Any other documentation which SBA may require.

(b) Review of documentation. SBA may review or require the FTA to review any documentation before the FTA issues a Certificate.

§ 120.644 Transfers of Certificates.

(a) General rule. Certificates are transferable. Transfers in the Secondary Market must comply with Article 8 of the Uniform Commercial Code of the State of New York. The seller must use the detached form of assignment (SBA Form 1088), unless the seller and purchaser choose to use another form which the SBA approves. The FTA may refuse to issue a Certificate until it is satisfied that the documents of transfer are complete.

(b) Transfer on FTA records. In order for the transfer of a Certificate to be effective the FTA must reflect it on its records.

(c) Contents of letter of transmittal accompanying the transfer of Certificates. (1) A letter of transmittal must accompany each Certificate which a Registered Holder submits to the FTA for transfer. The Registered Holder must supply the following information in the letter:

(i) Pool number, if applicable;

(ii) Certificate number;

(iii) Name of purchaser of Certificate;

(iv) Address and tax identification number of the purchaser;

(v) Name and telephone number of the person handling or facilitating the transfer;

(vi) Instructions for the delivery of the new Certificate.

(2) The Registered Holder must also send the fee which the FTA charges for this service. The FTA will supply fee information to the Registered Holder.

(d) Lender cannot purchase guaranteed portion of loan it made. The Lender (or its Associate) that made a 7(a) guaranteed loan cannot purchase the guaranteed portion of that loan in the Secondary Market. If a Lender does purchase the guaranteed portion of one of its own loans, it shall not have the unconditional guarantee of SBA.

§ 120.645 Redemption of Certificates.

(a) Redemption of Individual Certificate. The prepayment of the underlying loan or a default on such loan will trigger the redemption of the Certificate by FTA/SBA in accordance with the procedures prescribed in the SPGA.

(b) Redemption of Pool Certificate. The FTA and SBA may redeem a Pool Certificate because of prepayment or default of all loans in a Pool.

§ 120.650 Registration duties of FTA in Secondary Market.

The FTA registers all Certificates. This means it issues, transfers title to,
and redeems them. All financial transactions relating to a guaranteed portion of a loan flow through the FTA. In fulfilling its obligation to keep the central registry current, the FTA may, with SBA’s approval, obtain any necessary information from the parties involved in the Secondary Market.

§ 120.651 Claim to FTA by Registered Holder to replace Certificate.

(a) To replace a Certificate because of loss, theft, destruction, mutilation, or defacement, the Registered Holder must:

(1) Give the FTA information about the Certificate and the facts relating to the claim;

(2) File an indemnity bond acceptable to SBA and the FTA with a surety to protect the interests of SBA and the FTA;

(3) Pay the FTA its fee to replace a Certificate; and

(4) Use an affidavit of loss (form available from the FTA) to report:

(i) The name and address of the Registered Holder (and the name and capacity of any representative actually filing the claim);

(ii) The Certificate by Pool number, if applicable;

(iii) The Certificate number;

(iv) The original principal amount;

(v) The name in which the Certificate was registered;

(vi) Any assignment, endorsement or other writing on the Certificate; and

(vii) A statement of the circumstances of the theft or loss.

(b) When the FTA receives notice of the theft or loss, it will stop any transfer of the Certificate. The Registered Holder must send to the FTA all available portions of a mutilated or defaced Certificate. When the Registered Holder completes these steps, the FTA will replace the Certificate.

§ 120.652 FTA fees.

The FTA may charge reasonable servicing fees, transfer fees, and other fees as the SBA and FTA may negotiate under contract.

§ 120.660 Suspension or Revocation of Participant in Secondary Market

(a) Suspension or revocation of Lender, broker, dealer, or Registered Holder for violation of Secondary Market rules and regulations. The AA/FA may suspend or revoke the privilege of a Lender, broker, dealer, or Registered Holder to sell, purchase, broker, or deal in loans or Certificates for:

(1) Committing a serious violation, in SBA’s discretion, of:

(i) The regulations governing the Secondary Market; or

(ii) Any provisions in the contracts entered into by the parties, including SBA Forms 1085, 1086, 1088 and 1454; or

(2) Knowingly submitting false or fraudulent information to the SBA or FTA.

(b) Additional rules for suspension or revocation of broker or dealer. In addition to acting under paragraph (a) of this section, the AA/FA may suspend or revoke the privilege of any broker or dealer to sell or otherwise deal in Certificates in the Secondary Market if:

(1) Its supervisory agency has revoked or suspended the broker or dealer from engaging in the securities business, or is investigating the firm or broker for a practice which SBA considers, in its sole discretion, to be relevant to the broker’s or dealer’s fitness to participate in the Secondary Market;

(2) The broker or dealer has been indicted or otherwise formally charged with a misdemeanor or felony which bears on its fitness to participate in the Secondary Market; or

(3) A civil judgment is entered holding that the broker or dealer has committed a breach of trust or a violation of any law or regulation protecting the integrity of business transactions or relationships.

(c) Notice to suspend or revoke. The AA/FA shall notify the affected party in writing, providing the reasons therefore, at least 10 business days prior to the effective date of the suspension or revocation. The affected party may appeal the suspension or revocation made
§ 120.700

under this section pursuant to the procedures set forth in part 134 of this chapter. The action of the AA/FA will remain in effect pending resolution of the appeal. Revocation will last a minimum of five years.

Subpart G—Microloan Demonstration Program

§ 120.700 What is the Microloan Program?

The Microloan Demonstration Program assists women, low income individuals, minority entrepreneurs, and other small businesses which need small amounts of financial assistance. Under this program, SBA makes direct and guaranteed loans to Intermediaries (as defined below) who use the proceeds to make loans to eligible borrowers. SBA may also make grants under the program to Intermediaries and other qualified nonprofit entities to be used for marketing, management, and technical assistance to the program’s target population.

§ 120.701 Definitions.

(a) Deposit account is a demand, time, savings, passbook, or similar account maintained with an insured depository institution (not including an account evidenced by a Certificate of Deposit).

(b) Economically Distressed Area is a county or equivalent division of local government of a state in which, according to the most recent available data from the United States Bureau of the Census, 40 percent or more of the residents have an annual income that is at or below the poverty level.

(c) Grant is a Federal award of money, or property in lieu of money (including cooperative agreements) to an eligible grantee that must account for its use. The term does not include the provision of technical assistance, revenue sharing, loans, loan guarantees, interest subsidies, insurance, direct appropriations, or any fellowship or other lump sum award.

(d) Insured depository institution has the same meaning as in section 3(c) of the Federal Deposit Insurance Act, 12 U.S.C. 1813(c).

(e) Intermediary is an entity participating in the Microloan Demonstration Program which makes and services Microloans to eligible small businesses and which provides marketing, management, and technical assistance to its borrowers. It may be:

(1) A private, nonprofit community development corporation or other entity;

(2) A consortium of private, nonprofit community development corporations or other entities;

(3) A quasi-governmental economic development entity, other than a state, county, municipal government or any agency thereof; or

(4) An agency of or a nonprofit entity established by a Native American Tribal Government.

(f) Microloan is a short-term, fixed interest rate loan of not more than $25,000 made by an Intermediary to an eligible small business.

(g) Non-Federal sources are sources of funds other than the Federal Government and may include indirect costs or in-kind contributions paid for under non-Federal programs. Community Block Development Grants are considered non-Federal sources.

(h) Specialized Intermediary is an Intermediary which maintains a portfolio of Microloans averaging $7,500 or less.

§ 120.702 Are there limitations on who can be an Intermediary or on where an Intermediary may operate?

(a) Prior experience requirement. To be eligible to be an Intermediary, an organization must:

(1) Have made and serviced short-term fixed rate loans of not more than $25,000 to newly established or growing small businesses for at least one year; and

(2) Have at least one year of experience providing technical assistance to its borrowers.

(b) Limitation to one state. An Intermediary may not operate in more than one state unless the AA/FA determines that it would be in the best interests of the small business community for it to operate across state lines.

§ 120.703 How does an organization apply to become an Intermediary?

(a) Application Process. Organizations interested in becoming Intermediaries
should contact SBA for information on the application process.

(b) Documentation in support of application. The application must include a detailed narrative statement describing:

(1) The types of businesses assisted in the past and those the applicant intends to assist with Microloans;

(2) The average size of the loans made in the past and the average size of intended Microloans;

(3) The extent to which the applicant will make Microloans to small businesses in rural areas;

(4) The geographic area in which the applicant intends to operate, including a description of the economic and demographic conditions existing in the intended area of operations;

(5) The availability and cost of obtaining credit for small businesses in the area;

(6) The applicant's experience and qualifications in providing marketing, management, and technical assistance to small businesses; and

(7) Any plan to use other technical assistance resources (such as counselors from the Service Corps of Retired Executives) to help Microloan borrowers.

§ 120.704 How are applications evaluated?

(a) Evaluation criteria. In selecting Intermediaries, SBA will attempt to insure that Microloans are available to small businesses in all industries and particularly to small businesses located in urban and rural areas.

(b) Preference for organizations which make very small loans. In selecting Intermediaries, SBA will give priority to applicants which maintain a portfolio of loans averaging $7,500 or less.

(c) Consideration of quasi-governmental organizations. Generally, SBA will consider applications by quasi-governmental organizations only when it determines that program services for a particular geographic area would be best provided by such organization.

§ 120.705 What is a Specialized Intermediary?

At the end of an Intermediary's first year of participation in the program, SBA will determine whether it qualifies as a Specialized Intermediary. An Intermediary qualifies as a Specialized Intermediary if it maintains a portfolio of Microloans averaging $7,500 or less. Specialized Intermediaries qualify for more favorable interest rates on SBA loans. If, after the first year, an Intermediary qualifies as a Specialized Intermediary, the special interest rate is applied retroactively to SBA loans made to the Intermediary. After the first year SBA will determine an Intermediary's qualifications as a Specialized Intermediary annually, based on its lending practices during the term of its participation in the program. Specialized Intermediaries also qualify for a greater amount of technical assistance grant funding.

§ 120.706 What are the terms and conditions of an Intermediary SBA loan?

(a) Loan Amount. An Intermediary may not borrow more than $750,000 in the first year of participation in the program. In subsequent years, the Intermediary's obligations to SBA may not exceed an aggregate of $2.5 million, subject to statutory limitations on the total amount of funds available per state.

(b) Repayment terms. During the first year of the loan, an Intermediary is not required to make any payments, but interest accrues from the date that SBA disburses the loan proceeds to the Intermediary. After that, SBA will determine the periodic payments. The loan must be repaid within 10 years.

(c) Interest rate. The interest rate is equal to the rate applicable to five-year obligations of the United States Treasury, adjusted to the nearest one-eighth percent, less 1.25 percent. However, the interest rate for Specialized Intermediaries is equal to the rate applicable to five-year obligations of the United States Treasury, adjusted to the nearest one-eighth percent, less two percent.

(d) Collateral. As security for repayment of the SBA loan, an Intermediary must pledge to SBA a first lien position in the MRF (described below), LLRF (described below), and all notes receivable from Microloans.

(e) Default. If for any reason an Intermediary is unable to make payment to
§ 120.707 What conditions apply to loans by Intermediaries to Microloan borrowers?

(a) General. An Intermediary may make Microloans to any small business eligible to receive financial assistance under this part. Proceeds from Microloans may be used only for working capital and acquisition of materials, supplies, furniture, fixtures, and equipment. SBA does not review Microloans for creditworthiness.

(b) Amount and maturity. Generally, Intermediaries should not make a Microloan of more than $10,000 to any borrower. An Intermediary may not make a Microloan of more than $15,000 unless the borrower demonstrates that it is unable to obtain credit elsewhere at comparable interest rates and that it has good prospects for success. An Intermediary may not make a loan of more than $25,000, and no borrower may owe an Intermediary more than $25,000 at any one time. Each Microloan must be repaid within six years.

(c) Interest rate. The maximum interest rate that can be charged a Microloan borrower is:

1. On loans of more than $7,500, the interest rate charged on the SBA loan to the Intermediary, plus 7.75 percentage points; and
2. On loans of $7,500 or less, the interest rate charged on the SBA loan to the Intermediary, plus 8.5 percentage points.

§ 120.708 What is the Intermediary’s financial contribution?

The Intermediary must contribute from non-Federal sources an amount equal to 15 percent of any loan that it receives from SBA. The contribution may not be borrowed. For purposes of this program, Community Development Block Grants are considered non-Federal sources.

§ 120.709 What is the Microloan Revolving Fund?

The Microloan Revolving Fund (“MRF”) is an interest-bearing Deposit Account into which an Intermediary must deposit the proceeds from SBA loans, its contributions from non-Federal sources, and payments from its Microloan borrowers. An Intermediary may only withdraw from this account the money needed to establish the Loan Loss Reserve Fund (§ 120.710), proceeds for each Microloan it makes, and any payments to be made to SBA.

§ 120.710 What is the Loan Loss Reserve Fund?

(a) General. The Loan Loss Reserve Fund (“LLRF”) is an interest-bearing Deposit Account which an Intermediary must establish to pay any shortage in the MRF caused by delinquencies or losses on Microloans. An Intermediary must maintain the LLRF until it has repaid all obligations it owes SBA.

(b) Level of Loan Loss Reserve Fund in first year. In an Intermediary’s first year, the balance on deposit in the LLRF must equal not less than 15 percent of the total outstanding balance of all notes receivable owed by its Microloan borrowers.

(c) Level of Loan Loss Reserve Fund in subsequent years. In all subsequent years, an Intermediary must maintain a balance on deposit in the LLRF at a level which, at a minimum, reflects its loss experience as determined by SBA. However, the maximum amount required in the LLRF will not exceed 15 percent of the total outstanding balance owed by an Intermediary’s Microloan borrowers.
§ 120.711 What rules govern Intermediaries?

Intermediaries must operate in accordance with applicable statutes, regulations, policy notices, SBA’s Standard Operating Procedures (SOPs), and the information in the application.

§ 120.712 How does an Intermediary get a grant to assist Microloan borrowers?

(a) General. An Intermediary is eligible to receive grant funding from SBA of not more than 25 percent of the outstanding balance of all SBA loans to the Intermediary. The Intermediary must contribute, solely from non-Federal sources, an amount equal to 25 percent of the grant. Contributions may be made in cash or in kind.

(b) Limitations on grant funds. An Intermediary may not borrow its contribution. It may only use grant funds to provide Microloan borrowers with marketing, management, and technical assistance, except that:

(1) Up to 15 percent of the grant funds may be used to provide information and technical assistance to prospective Microloan borrowers; and

(2) Grant monies may be used to attend training required by SBA. Intermediaries may not enter into third party contracts for the provision of technical assistance to program clients.

(c) Exception to contribution requirement. Intermediaries which make at least 50 percent of their loans to small businesses located in or owned by residents of Economically Distressed Areas are not subject to the contribution requirement in paragraph (a) of this section.

(d) Intermediaries eligible to receive additional grant monies. An Intermediary may receive an additional SBA grant equal to five percent of the outstanding balance of all loans received from SBA (with no obligation to contribute additional matching funds) if:

(1) The Intermediary makes at least 25 percent of its loans to small businesses located in or owned by residents of an Economically Distressed Area; or

(2) The Intermediary is a Specialized Intermediary.

(e) SBA will determine an Intermediary’s eligibility for all grants under this section separately for each loanmaking office or site.

§ 120.713 Does SBA provide technical assistance to Intermediaries?

SBA may procure technical assistance for an Intermediary to improve its knowledge, skill, and understanding of microlending by awarding a grant to a more experienced Intermediary. SBA may also obtain such assistance for prospective Intermediaries in areas of the country that are either not served or underserved by an existing Intermediary.

§ 120.714 How does a non-Intermediary get a grant?

(a) Grant procedure for non-Intermediaries. Any nonprofit entity that is not an Intermediary may apply to SBA for a grant to provide marketing, management and technical assistance to low-income individuals for the purpose of assisting them in obtaining private sector financing in amounts of $25,000 or less. To qualify, it must submit information regarding its ability to provide this assistance. If approved, the grant agreement will establish the terms and conditions for the grant.

(b) Number and amounts of grants. In each year of the Microloan Program, SBA may make no more than 25 grants to non-Intermediaries for terms of up to five years. A grant may not exceed $125,000.

(c) Contribution by nonprofit entity. The nonprofit entity must contribute an amount equal to 20 percent of the grant. The contribution from the nonprofit entity must come solely from non-Federal sources, and may include direct costs or in-kind contributions paid for under non-Federal programs.

§ 120.715 Does SBA guarantee any loans an Intermediary obtains from another source?

(a) SBA may guarantee not less than 90 percent of no more than 10 loans by for-profit or nonprofit entities (or an alliance of such entities) to Intermediaries located in urban areas and no more than 10 loans by such entities to Intermediaries located in Rural Areas (as defined in §120.10).

(b) Any loan guaranteed by SBA under this section will have a term of
10 years. If an Intermediary receives such a loan, it will not need to repay any principal or interest during the first year, although the interest will accrue. During the second through fifth years, the Intermediary will pay interest only. During the sixth through tenth years, it will pay interest and fully amortize the principal.
(c) The interest rate on any loan under this section shall be calculated as described in §120.706.

Subpart H—Development Company Loan Program (504)
§ 120.800 What is the purpose of the 504 program?
As authorized by Congress, SBA has established this program to foster economic development, create or preserve job opportunities, and stimulate growth, expansion, and modernization of small businesses.

§ 120.801 How is a 504 Project financed?
(a) A small business may apply for 504 financing through the CDC serving the area in which the 504 Project is located. SBA issues an Authorization if it agrees to guarantee part of the funding for a Project.
(b) Usually, a Project requires interim financing from an interim lender (often the same lender that later provides a portion of the permanent financing).
(c) Generally, permanent financing of the Project consists of:
   (1) A contribution by the small business in an amount of at least 10 percent of the Project costs;
   (2) A loan made with the proceeds of a CDC Debenture for up to 40 percent of the Project costs and certain administrative costs, collateralized by a second lien on the Project Property; and
   (3) A private sector loan comprising the balance of the financing, collateralized by a first lien on the Project property.
(d) The Debenture is guaranteed 100 percent by SBA (with the full faith and credit of the United States), and sold to Underwriters who form Debenture Pools. Investors purchase interests in Debenture Pools, and receive Certificates representing ownership of all or part of a Debenture Pool. SBA and CDCs use various agents to facilitate the sale and service of the Certificates and the orderly flow of funds among the parties.

§ 120.802 Definitions.
The following terms have the same meaning wherever they are used in this subpart. Defined terms are capitalized wherever they appear.
Area of Operations is a geographic area in which a CDC conducts its activities.
Associate Development Company (ADC) is an entity approved by SBA to assist CDCs to deliver 504 financing.
Central Servicing Agent (CSA) is an entity that receives and disburses funds among the various parties involved in 504 financing under a master servicing agent agreement with SBA.
Certificate is a document issued by SBA or its agent representing ownership of all or part of a Debenture Pool.
Debenture is an obligation issued by a CDC and guaranteed 100 percent by SBA, the proceeds of which are used to fund a 504 loan.
Debenture Pool is an aggregation of Debentures.
Investor is an owner of a beneficial interest in a Debenture Pool.
Job Opportunity is a full time (or equivalent) permanent job created within two years of receipt of 504 funds, or retained in the community because of a 504 loan.
Net Debenture Proceeds are the portion of Debenture proceeds that finance eligible Project costs (excluding administrative costs).
Project is the purchase or lease, and/or improvement or renovation of long-term fixed assets by a small business, with 504 financing, for use in its business operations.
Project Property is one or more long-term fixed assets, such as land, buildings, machinery, and equipment, acquired or improved by a small business, with 504 financing, for use in its business operations.
Third Party Loan is a loan from a commercial or private lender, investor, or Federal (non-SBA), State or local government source as part of the Project financing.
Underwriter is an entity approved by SBA to form Debenture Pools and arrange for the sale of Certificates.

§ 120.820 CDC non-profit status.
A CDC must be a non-profit corporation (or limited liability company) in good standing. (For-profit CDCs certified by SBA prior to January 1, 1987 may retain their certifications.) An SBIC may not become a CDC.

§ 120.821 CDC Area of Operations.
A CDC must have a designated Area of Operations, specified by the CDC and approved by SBA. There can be only one statewide CDC in each state, which must foster economic development throughout the state and provide 504 assistance to areas not adequately served by other CDCs.

§ 120.822 CDC membership.
A CDC must have at least 25 members (or stockholders for for-profit CDCs approved prior to January 1, 1987). No person or entity may own or control more than 10 percent of the CDC’s voting membership (or stock). Members must be representative of and provide evidence of active support in the Area of Operations. Members must be from each of the following groups:

(a) Government organizations responsible for economic development in the Area of Operations and acceptable to SBA;
(b) Financial institutions that provide commercial long-term fixed asset financing in the Area of Operations;
(c) Community organizations dedicated to economic development in the Area of Operations such as chambers of commerce, foundations, trade associations, colleges, or universities; and
(d) Businesses in the Area of Operations.
§ 120.823 CDC Board of Directors.

The CDC must have a Board of Directors chosen from the membership by the members, and representing at least three of the four membership groups. No single group shall control. The Board members must be responsible officials of the organizations they represent, and at least one must possess commercial lending experience. The Board must meet at least quarterly and shall be responsible for CDC staff decisions and actions. A quorum shall require at least 5 Directors. If there is a vote on loan approval or servicing actions, at least one Board member with commercial loan experience approved by SBA must be present and vote. As an alternative, the Board may obtain the recommendation of another person approved by SBA and possessing commercial lending experience.

§ 120.824 Professional management and staff.

A CDC must have full-time professional management, including an Executive Director (or the equivalent) managing daily operations. It must also have a full-time professional staff qualified by training and experience to market the 504 Program, package and process loan applications, close loans, service the loan portfolio, and sustain a sufficient level of service and activity in the Area of Operations.

(a) Contracting out to third parties. CDCs may obtain, under contract, marketing, packaging, processing, and servicing services from qualified Lender Service Providers, as that term is defined in part 103 of this chapter, located in the Area of Operations, subject to SBA’s prior written approval. CDCs may contract for outside legal and accounting services without SBA approval. Compensation under all such contracts must be reasonable and customary for similar services in the Area of Operations. SBA may audit the contracts.

(b) Contracting out to other CDCs. CDCs may contract with other CDCs for specific services, subject to SBA’s prior written approval.

§ 120.825 Financial ability to operate.

A CDC must be able to sustain its operations continuously, with reliable sources of funds (such as income from services rendered and contributions from government or other sponsors).

§ 120.826 Basic requirements for operating a CDC.

A CDC must operate in accordance with applicable statutes, regulations, policy notices, SBA’s SOPs, and the information in its application. It must supply to SBA current and accurate information about all certification and operational requirements, and maintain the records and submit the reports required by SBA.

§ 120.827 Services a CDC provides to small businesses.

(a) A CDC must operate in and adequately service its Area of Operations. It must market the 504 program, package and process 504 loan applications, and close and service 504 loans. A CDC’s loan portfolio must be diversified by business sector.

(b) A CDC may provide small businesses with financial and technical assistance, or may help small businesses obtain such assistance from other sources, including preparing, closing, and servicing loans under contract with Lenders in SBA’s 7(a) program.

(c) A CDC also may loan amounts to the Borrower equal to the value of all or part of the Borrower’s contribution to a Project in the form of cash or land, including site improvements, previously acquired by the CDC.

§ 120.828 Minimum level of CDC lending activity.

A CDC must provide at least two 504 loan approvals each full fiscal year.

§ 120.829 Job Opportunity average a CDC must maintain.

(a) A CDC’s portfolio must reflect an average of one Job Opportunity per $35,000 of 504 loan funding. The AA/F A may permit a CDC to average up to one per $45,000 for good cause in:

(1) Alaska;

(2) Hawaii;

(3) State-designated urban or rural jobs and enterprise zones;

(4) Empowerment Zones and Enterprise Communities; and
Small Business Administration

§ 120.837

(5) Labor Surplus Areas listed in the Department of Labor’s publication “Area Trends.”

(b) A CDC must indicate in its annual report the Job Opportunities actually or estimated to be provided by each Project.

(c) If a CDC does not maintain the required average, it may retain its certification if it justifies to SBA’s satisfaction its failure to do so in its annual report and shows how it intends to attain the required average.

§ 120.830 Reports a CDC must submit.

A CDC must submit the following reports to SBA:

(a) An annual report within 90 days after the end of the CDC’s fiscal year, and such interim reports as SBA may require;

(b) Resumes for all new Associates and staff;

(c) Reports of involvement in any legal proceeding;

(d) Changes in organizational status;

(e) Changes in any condition that affects its eligibility to continue to participate in the 504 program; and

(f) Quarterly service reports on each loan in its portfolio which is 60 days or more past due (and interim reports upon request by SBA).

EXTENDING A CDC’S AREA OF OPERATIONS

§ 120.835 Application to extend an Area of Operations.

SBA may expand a CDC’s Area of Operations if the proposed Area of Operations is not being adequately served by existing CDC(s) and the expanding CDC is well-qualified to serve it. A CDC seeking to expand its Area of Operations must apply in writing to the SBA District Office serving the geographic area in which the CDC proposes to expand.

(a) A CDC may submit an application to expand its Area of Operations if the existing CDCs serving the area have not averaged, over the last two years, at least one loan approval per 100,000 of general population in the Area of Operation. The one loan per 100,000 population requirement applies only to the area proposed for expansion, not the entire Area of Operations of the existing CDC or CDCs serving the expanded area.

Example to paragraph (a) of this section. CDC A averages 0.8 loans per 100,000 of general population state-wide, but 1.2 loans per 100,000 in city X. CDC B seeks to expand its Area of Operations only into city X. CDC B’s application will be denied without further review because CDC A meets the 1 loan per 100,000 population requirement in the proposed expanded Area of Operation.

(b) The application to expand must demonstrate to the satisfaction of SBA the expanding CDC’s ability to provide full service to small businesses in the expanded territory, including processing, closing, servicing, and, if authorized, liquidating 504 loans. The expanding CDC must also demonstrate in its application that it will have a local presence and representation in the expanded Area of Operations before submitting any 504 loans for approval.

§ 120.836 Public notice and opportunity for response.

SBA will notify all CDCs servicing the proposed area of expansion, allowing at least 30 days for the existing CDCs to respond to the District Office. The expanding CDC also must publish a notice in a general circulation newspaper in the proposed area of expansion, advising of its intent to expand, advising of its intent to expand and giving the public at least 30 days to comment to SBA. The burden of proof in opposing the application will be upon the existing CDC or CDCs to show why SBA should not grant the application for extension.

§ 120.837 SBA decision on application for extension.

(a) The SBA District Office may consider any factor presented to it concerning the proposed area of expansion, the expanding CDC and its Area of Operations, and the existing CDC or CDCs serving the area, including the following: number of loan approvals per 100,000 of general population; number of loan approvals per 100,000 of small businesses; the density of small businesses; jobs created and retained; the number of 504 loan closings; the average 504 loan amount; urban, suburban, or rural character of the expanding area; the mix of small businesses; the prevailing economic conditions; servicing record
§ 120.838 Expiration of existing, temporary expansions.

All existing, temporary expansions of Areas of Operation shall expire 6 months after March 1, 1996, unless a CDC applies for permanent expansion before the expiration date.

§ 120.839 Case-by-case extensions.

(a) A CDC may apply to make an individual loan for a Project outside its Area of Operations to the District Office serving the area in which the Project will be located:

(1) The applicant CDC has previously assisted the business to obtain a 504 loan;

(2) The applicant small business or CDC can document in writing to the AA/FA specific circumstances that would prevent the existing CDC or CDCs serving the area from assisting the business adequately; or

(3) The existing CDC or CDCs serving the area agree to permit the applicant CDC to make the loan.

(b) The applicant CDC must demonstrate that it adequately can service the loan.

(c) The AA/FA may approve the request for good cause shown.

§ 120.840 Accredited Lenders Program.

The SBA may designate a CDC as an Accredited Lender. SBA will provide an Accredited Lender with expedited loan processing or servicing action.

(a) Applications. CDCs may apply to the SBA field office with which it is most active. The SBA office will send its recommendation and the application to the AA/FA for final decision.

(b) Eligibility. In order to be eligible to receive Accredited Lender status, a CDC must have been an active participant in the 504 loan program for not less than the preceding 12 months. In evaluating an application to be an Accredited Lender, SBA will consider all relevant factors, including:

(1) The CDC’s ability to work with the local SBA office;

(2) The quality of past performance; and

(3) The quality of the loan portfolio, including the default rate.

§ 120.845 Premier Certified Lenders Program.

The SBA has established a pilot program to designate a number of CDCs as Premier Certified Lenders ("PCLPs"), which will be able to process, approve, close and service 504 loans.

(a) Characteristics. Loans processed through the PCL Program will be subject to the same loan terms and conditions as other 504 loans, but final approval by SBA will be limited to eligibility of the guarantee.
(b) Applications. A CDC may obtain information concerning this program from SBA’s Office of Pilot Operations in Washington, D.C. A CDC may apply to the SBA field office with which it is most active. The SBA office will send the application with a recommendation to the AA/FA for final decision.

(c) Eligibility. SBA will consider the CDC’s ability to work with the local SBA office and the quality of past performance.

(d) Loss reserve. A PCLP must establish a loss reserve for its financings under this program, secured by its segregated assets in favor of SBA, in the amount of the PCLP’s historic loss rate or 10 percent of its exposure under the PCLP program, whichever is greater. The PCLP must contribute to the loss reserve for each such financing at the times and in the amounts established by law.

(e) Review. The SBA shall review a PCLP’s financings at least annually.

(f) Suspension and revocation. The AA/FA may suspend or revoke PCLP designation upon written notice stating the reasons therefore at least 10 business days prior to the effective date of the suspension or revocation. Reasons for suspension or revocation may include loan performance unacceptable to SBA, failure to meet loss reserve or eligibility criteria, or violations of applicable statutes, regulations or published SBA policies and procedures. A PCLP may appeal the suspension or revocation made under this section pursuant to the procedures set forth in part 134 of this chapter. The action of the AA/FA shall remain in effect pending resolution of the appeal.

(g) Program period. On October 1, 1997, the PCLP pilot program ends.

ASSOCIATE DEVELOPMENT COMPANIES (ADCs)

§ 120.850 ADC functions.

(a) An ADC must support local economic development efforts. An ADC may package, close, and service loans for a CDC under a written contract approved by SBA. Such contracts must meet Service Provider criteria, and specify the rights and responsibilities of the parties (including payment terms). The CDC remains solely responsible to SBA for the processing, closing, and servicing of the loan. It may not charge the Borrower a higher fee because it is using the ADC’s services.

(b) An ADC must operate in accordance with statutes, regulations, policy notices, SBA’s Standard Operating Procedures (SOPs), and the information in its application. It must supply SBA current and accurate information about all certification and operational requirements, and maintain the records required by SBA.

§ 120.851 ADC eligibility and operating requirements.

(a) An ADC must demonstrate to SBA and maintain the following:

(1) Adequate management ability;

(2) A Board of Directors meeting at least quarterly and chosen from the membership by the members;

(3) A professional staff, including at least one qualified full-time professional with small business lending experience available during regular business hours; and

(4) A budget or financial statements showing the financial capability and funding to sustain continuing operations.

(b) An ADC may contract out for staff services only if SBA gives prior approval. The contract, subject to SBA audit, may not be self-serving, and compensation must be reasonable and customary.

§ 120.852 Suspension and revocation of ADCs.

SBA may require corrective action, or the AA/FA may suspend or revoke ADC status upon written notice stating the reasons therefore at least 10 business days prior to the effective date of the suspension or revocation. Reasons for suspension or revocation may include violations of applicable statutes, regulations or published SBA policies and procedures. An ADC may appeal the suspension or revocation made under this section pursuant to the procedures set forth in part 134 of this chapter. The action of the AA/FA shall remain in effect pending resolution of the appeal.
§ 120.855  ETHICAL REQUIREMENTS

§ 120.855 CDC and ADC ethical requirements.

CDCs, ADCs and their Associates must act ethically and exhibit good character. They must meet all of the ethical requirements of §120.140. In addition, they are subject to the following:

(a) Any benefit flowing to an Associate or his or her employer from activities as an Associate must be merely incidental (this requirement does not prevent an Associate or an Associate’s employer from engaging in a business relationship with the CDC and/or the Borrower in the regular course of business, including providing interim financing or Third-Party loans); and

(b) Unless waived by SBA for good cause, an Associate may not be an officer, director, or manager of more than one CDC or ADC (except that the membership or Board of Directors of a broader-based CDC may include a member or director of a local CDC within its Area of Operations).

PROJECT ECONOMIC DEVELOPMENT GOALS

§ 120.860 Required objectives.

A Project must achieve at least one of the economic development objectives set forth in §120.861 or §120.862.

§ 120.861 Job creation or retention.

A Project must create or retain one Job Opportunity for every $35,000 guaranteed by SBA.

§ 120.862 Other economic development objectives.

A Project that achieves any of the following community development or public policy goals is eligible if the CDC’s overall portfolio of 504 loans, including the subject loan, meets or exceeds the CDC’s required Job Opportunity average. Loan applications must indicate how the Project will meet the specified economic development objective.

(a) Community Development goals:

(1) Improving, diversifying or stabilizing the economy of the locality;

(2) Stimulating other business development;

(3) Bringing new income into the community;

(b) Public Policy goals:

(1) Revitalizing a business district of a community with a written revitalization or redevelopment plan;

(2) Expanding exports;

(3) Expanding Minority Enterprise development (See §124.103(b) of this chapter);

(4) Aiding rural development;

(5) Increasing productivity and competitiveness (retooling, robotics, modernization, competition with imports);

(6) Modernizing or upgrading facilities to meet health, safety, and environmental requirements;

(7) Assisting businesses affected by Federal budget reductions, including base closings, either because of the loss of Federal contracts or the reduction in revenues due to a decreased Federal presence.

LEASING POLICIES SPECIFIC TO 504 LOANS

§ 120.870 Leasing Project Property.

(a) A Borrower may use the proceeds of a 504 loan to acquire, construct, or modify buildings and improvements, and/or to purchase and install machinery and equipment located on land leased to the Borrower by the CDC or an unrelated lessor if:

(1) The remaining term of the lease, including options to renew, exercisable solely by the lessee, equals or exceeds the term of the Debenture, or, in the case of machinery or equipment, equals or exceeds the useful life of the property or the term of the Debenture, whichever is lesser;

(2) The Borrower assigns its interest in the lease to the CDC with right of reassignment to SBA; and

(3) The 504 loan is secured by a recorded lien against the leasehold estate and other collateral as necessary.

(b) If a CDC leases property to a small business, the rent paid by the small business during the term of the Debenture must be enough to pay principal and interest on all debt incurred
Small Business Administration

§ 120.884 Ineligible costs for 504 loans.

(2) The economic development benefits to the applicant and the receiving community outweigh the negative impact on the community from which the applicant is moving; and

(b) Projects in foreign countries (loans financing real or personal property located outside the United States or its possessions).

§ 120.882 Eligible Project costs for 504 loans.

Eligible Project costs which may be paid with the proceeds of 504 loans are:

(a) Costs directly attributable to the Project including expenditures incurred by the Borrower (with its own funds or from a loan):

(1) To acquire land used in the Project prior to applying to SBA for the 504 loan; or

(2) For any other expense toward a Project within nine months prior to receipt by SBA of a complete loan application, unless the time limit is extended or waived by SBA for good cause;

(b) In Projects involving construction, a contingency reserve for cost overruns not to exceed 10 percent of construction cost;

(c) Professional fees directly attributable and essential to the Project, such as title insurance, architecture, engineering, accounting, environmental studies, and legal fees (other than legal fees associated with the closing); and

(d) Repayment of interim financing including points, fees and interest.

§ 120.883 Eligible administrative costs for 504 loans.

The following costs and fees are not part of Project costs but may be paid with the proceeds of the 504 loan and the Debenture (see §120.971):

(a) SBA guarantee fee;

(b) Funding fee (to cover the cost of a public issuance of securities and the Trustee);

(c) CDC processing fee;

(d) Closing costs, other than legal fees; and

(e) Underwriters fee.

§ 120.884 Ineligible costs for 504 loans.

Costs not directly attributable and necessary for the Project may not be
§ 120.890 Source of interim financing.

A Project may use interim financing for all Project costs except the Borrower's contribution. Any source (including a CDC) may supply interim financing provided:

(a) The financing is not derived from any SBA program, directly or indirectly;
(b) The terms and conditions of the financing are acceptable to SBA;
(c) The source is not the Borrower or an Associate of the Borrower; and
(d) The source has the experience and qualifications to monitor properly all Project construction and progress payments. (If the source lacks such experience or qualifications, SBA may require the interim loan to be managed by a third party such as a bank or professional construction manager.)

§ 120.891 Certifications of disbursement and completion.

Before the Debenture is issued, the interim lender must certify the amount disbursed. The CDC must certify that the Project was completed in accordance with the final plans and specifications (except as provided in §120.961).

§ 120.892 Certifications of no adverse change.

Following completion of the Project, the following certifications must be made before the 504 loan closing:

(a) The interim lender must certify to the CDC that it has no knowledge of any unremedied substantial adverse change in the condition of the small business since the application to the interim lender;
(b) The Borrower (or Operating Company) must certify to the CDC that there has been no unremedied substantial adverse change in its financial condition or its ability to repay the 504 loan since the date of application, and must furnish interim financial statements, current within 90 days of closing; and
(c) The CDC must issue an opinion to the best of its knowledge that there has been no unremedied substantial adverse change in the Borrower's (or Operating Company's) ability to repay the 504 loan since its submission of the loan application to SBA.

PERMANENT FINANCING

§ 120.900 What are the sources of permanent financing?

Permanent financing for each Project must come from three sources: the Borrower's contribution, Third-Party Loans, and the 504 loan. Typically, the Borrower contributes 10 percent of the permanent financing, Third-Party Loans 50 percent and the 504 loan 40 percent.

THE BORROWER'S CONTRIBUTION

§ 120.910 How much must the Borrower contribute?

The Borrower must contribute to the Project cash (or property acceptable to SBA obtained with the cash) or land (that is part of the Project Property) valued at 10 percent or more of the Project cost (exclusive of administrative cost). The source of the contribution may be a CDC or any other source.
§ 120.911 Land contributions.

The Borrower’s contribution may be land (including buildings, structures and other site improvements which will be part of the Project Property) previously acquired by the Borrower or the CDC.

§ 120.912 Borrowed contributions.

The Borrower may borrow its cash contribution from the CDC or a third party. If any of the contribution is borrowed, the interest rate must be reasonable. If the loan is secured by any of the Project assets, the loan must be subordinate to the liens securing the 504 Loan, and the loan may not be repaid at a faster rate than the 504 Loan unless SBA gives prior written approval. A third party lender may not receive voting rights, stock options, or any other actual or potential voting interest in the small business.

§ 120.913 May an SBIC provide the contribution?

Subject to part 107 of this chapter, SBIC’s may provide financing for all or part of the Borrower’s contribution to the project. SBA shall consider SBIC funds to be derived from federal sources if the SBIC has leverage (as defined in part 107 of this chapter). If the SBIC does not have leverage, the investment will be considered to be from private funds. SBIC financing must be subordinated to the 504 Loan and may not be repaid at a faster rate than the Debenture.

Third Party Loans

§ 120.920 The first lien position.

The Borrower must obtain one or more Third Party Loans totaling at least as much as the 504 Loan. Third Party Loans usually have the first lien position. They cannot be guaranteed by SBA.

§ 120.921 Terms of Third Party loans.

(a) Maturity. A Third Party Loan must have a term of at least 7 years when the 504 loan is for a term of 10 years and 10 years when the 504 loan is for 20 years. If there is more than one Third Party Loan, an overall loan maturity must be calculated, taking into account the maturities and amounts of each loan. If there is a balloon payment, it must be justified in the loan report and clearly identified in the Loan Authorization.

(b) Interest rates. Interest rates must be reasonable. SBA must establish and publish in the Federal Register a maximum interest rate for any Third Party Loan from commercial financial institutions. The rate shall remain in effect until changed.

(c) Other terms. The Third Party Loan must not have any early call feature or contain any demand provisions unless the loan is in default. By participating, a Third Party Loan lender waives, as to the CDC/SBA financing, any provision in its deed of trust, or mortgage, or other documents prohibiting further encumbrances or subordinate debt. In the event of default, the Third Party Lender must give the CDC and SBA written notice of default within 30 days of the event of default and at least 60 days prior to foreclosure.

(d) Subordination. A Third-Party Loan lienholder must subordinated to the CDC/SBA lien any future advance in excess of the outstanding principal balance and accrued interest of the Third Party Loan at the time of such advance except expenditures for collection, maintenance, and protection of the Third Party Loan lienholder’s lien position.

(e) Escalation upon default. A Third Party Lender may not escalate the rate of interest upon default to an amount greater than the maximum rate set forth in paragraph (b) of this section.

§ 120.922 Pre-existing debt on the Project Property.

In addition to its share of Project cost, a Third-Party Loan may include consolidation of existing debt on the Project Property. The consolidation must not improve the lien position of the Lender on the pre-existing debt, unless the debt is a previous Third-Party Loan.
§ 120.923 What are the policies on subordination?

(a) Financing provided by the seller of Project Property must be subordinate to the 504 loan. SBA may waive the subordination requirement if the property is classified as "other real estate owned" by a national bank or other Federally regulated lender and SBA considers the property to be of sufficient value to support the 504 loan.

(b) A Borrower is eligible for a 504 loan even if part of the Project financing is tax-exempt. SBA’s lien position must be subordinate to loans made from the proceeds of the tax-exempt obligation.

§ 120.924 Prepayment of subordinate financing.

The Borrower must not prepay any Project financing subordinate to the 504 loan without SBA’s prior written consent.

§ 120.925 Preferences.

No Third Party Lender shall establish a Preference.

§ 120.926 Referral fee.

The CDC may receive a referral fee from the Third Party Lender if the CDC secured the lender for the Borrower under a written contract. The Borrower cannot pay this fee. If a CDC charges a referral fee, the CDC will be construed as a Referral Agent under part 103 of this chapter.

§ 120.930 Amount.

(a) Generally, a 504 loan may not exceed 40 percent of total Project cost plus 10 percent of eligible administrative costs. For good cause shown, SBA may authorize an increase in the percentage of Project costs covered up to 50 percent. No more than 50 percent of eligible Project costs can be from Federal sources, whether received directly or indirectly through an intermediary.

(b) Generally, the minimum 504 loan must be $50,000, although, upon good cause shown, SBA may permit a 504 loan as small as $25,000. The amount of the Debenture must equal the amount of the 504 Loan plus administrative costs.

(c) Upon completion of the Project, the Debenture amount will be reduced by the amount that the unused contingency reserve exceeds 2 percent of the anticipated Debenture.

§ 120.931 504 lending limits.

The outstanding balance of all SBA financial assistance to a Borrower and its affiliates under the 504 program covered by this part must not exceed $750,000 ($1,000,000 if one or more of the public policy goals enumerated in §120.862(b) applies to the Project).

§ 120.932 Interest rate.

The interest rate of the 504 Loan and the Debenture which funds it is set by the SBA and approved by the Secretary of the Treasury.

§ 120.933 Maturity.

The term of a 504 Loan and the Debenture which funds it shall be either 10 or 20 years.

§ 120.934 Collateral.

The CDC/SBA takes a junior lien position (usually a second lien) on the Project collateral. In rare circumstances, collateral other than the Project collateral may be accepted by SBA. Sometimes secondary collateral is required. All collateral must be insured against such hazards and risks as SBA may require, with provisions for notice to SBA and the CDC in the event of impending lapse of coverage.

§ 120.935 Deposit.

At the time of application for a 504 loan, the CDC may require a deposit from the Borrower of $2,500 or 1 percent of the Net Debenture Proceeds, whichever is less. The deposit may be applied to the loan processing fee if the application is accepted, but must be refunded if the application is denied. If the small business withdraws its application, the CDC may deduct from the deposit reasonable costs incurred in packaging and processing the application.

§ 120.936 Subordination to CDC.

SBA, in its sole discretion, may permit subordination of the Debenture to any other obligation of the CDC, except debt incurred by the CDC to obtain
funds to loan to the Borrower for the Borrower’s required contribution to the Project financing.

§ 120.937 Assumption.
A 504 loan may be assumed with SBA’s prior written approval.

§ 120.938 Default.
(a) Upon occurrence of an event of default specified in the 504 note which requires automatic acceleration, the note becomes due and payable. Upon occurrence of an event of default which does not require automatic acceleration, SBA may forebear acceleration of the note and attempt to resolve the default. If the default is not cured subsequently, the note shall be accelerated. In either case, upon acceleration of the note, the Debenture which funded it is also due immediately, and SBA must honor its guarantee of the Debenture. SBA shall not reimburse the investor for any premium paid.

(b) If a CDC defaults on a Debenture, SBA generally shall limit its recovery to the payments made by the small business to the CDC on the loan made from the Debenture proceeds, and the collateral securing the defaulted loan. However, SBA will look to the CDC for the entire amount of the Debenture in the case of fraud, negligence, or misrepresentation by the CDC.

§ 120.939 Borrower prohibition.
Neither a Borrower nor an Associate of the Borrower may purchase an interest in a Debenture Pool in which the Debenture that funded its 504 loan has been placed.

§ 120.940 Prepayment of the 504 loan or Debenture.
The Borrower may prepay its 504 loan, if it pays the entire principal balance, unpaid interest, any unpaid fees, and any prepayment premium established in the note. If the Borrower prepays, the CDC must prepay the corresponding Debenture with interest and premium. If one of the Debentures in a Debenture Pool is prepaid, the Investors in that Debenture Pool must be paid pro rata, and SBA’s guarantee on the entire Debenture Pool must be proportionately reduced. If the entire Debenture Pool is paid off, SBA may call all Certificates backed by the Pool for redemption.

§ 120.941 Certificates.
(a) The face value of a Certificate must be at least $25,000. Certificates are issued in registered form and transferred only by entry on the central registry maintained by the Trustee. SBA guarantees the timely payment of principal and interest on the Certificates.

(b) Before the sale of a Certificate, the seller, or the broker or dealer acting as the seller’s agent, must disclose to the purchaser the terms, conditions, yield, and premium and other characteristics not guaranteed by SBA.

DEBENTURE SALES AND SERVICE AGENTS

§ 120.950 SBA and CDC must appoint agents.
SBA and the CDC must appoint the following agents to facilitate the sale and service of the Certificates and disbursement of the proceeds.

§ 120.951 Selling agent.
The CDC, with SBA approval, shall appoint a Selling Agent to select underwriters, negotiate the terms and conditions of Debenture offerings with the underwriters, and direct and coordinate Debenture sales.

§ 120.952 Fiscal agent.
SBA shall appoint a Fiscal Agent to assess the financial markets, minimize the cost of sales, arrange for the production of the Offering Circular, Debenture Certificates, and other required documents, and monitor the performance of the Trustee and the underwriters.

§ 120.953 Trustee.
SBA must appoint a Trustee to:
(a) Issue Certificates;
(b) Transfer the Certificates upon resale in the secondary market;
(c) Maintain physical possession of the Debentures for SBA and the Certificate holders;
(d) Establish and maintain a central registry of:
(1) Debenture Pools, including the CDC obligors and the interest rate payable on the Debentures in each Pool;
§ 120.954 Central Servicing Agent.

(a) SBA has entered into a Master Servicing Agreement designating a Central Servicing Agent (CSA) to support the orderly flow of funds among Borrowers, CDCs, and SBA. The CDC and Borrower must enter into an individual Servicing Agent Agreement with the CSA for each 504 loan, constituting acceptance by the CDC and the Borrower of the terms of the Master Servicing Agreement.

(b) The CSA has established a master reserve account. All funds related to the 504 loans and Debentures flow through the master reserve account under the provisions of the Master Servicing Agreement. The master reserve account will be funded by a guaranty fee, a funding fee to be published from time to time in the Federal Register, and by principal and interest payments of 504 loans. At SBA’s direction, the CSA may use funds in the master reserve account to defray program expenses. In the event a Borrower defaults and its 504 note is accelerated, SBA shall add funds under its guaranty to ensure the full and timely payment of the Debenture which funded the 504 loan. At SBA’s direction, the CSA must pay to the CDC servicing each loan the interest accruing in the master reserve account on loan payments made by each Borrower between the date of receipt of each monthly payment and the date of disbursement to investors. The CSA may disburse such interest periodically to CDCs on a pro rata basis. SBA may use interest accruals in the master reserve account earned prior to October 1991 (not previously distributed to the CDCs) for the costs of 504 program administration.

§ 120.955 Agent bonds and records.

(a) Each agent (in §§ 120.951 through 120.954) must provide a fidelity bond or insurance in such amount as necessary to fully protect the interest of the government.

(b) SBA must have access at the agent’s place of business to all books, records and other documents relating to Debenture activities.

§ 120.956 Suspension or revocation of brokers and dealers.

The AA/FA may suspend or revoke the privilege of any broker or dealer to participate in the sale or marketing of Debentures and Certificates for actions or conduct bearing negatively on the broker’s fitness to participate in the securities market. SBA must give the broker or dealer written notice, stating the reasons therefore, at least 10 business days prior to the effective date of the suspension or revocation. A broker or dealer may appeal the suspension or revocation made under this section pursuant to the procedures set forth in part 134 of this chapter. The action of the AA/FA will remain in effect pending resolution of the appeal. SBA may suspend or revoke the opportunity for a hearing under part 134 of this chapter.

CLOSINGS

§ 120.960 Responsibility for closing.

The CDC is responsible for the 504 Loan closing. The Debenture closing is the joint responsibility of the CDC and SBA.

§ 120.961 Construction escrow accounts.

The CSA, title company, CDC attorney, or bank may hold Debenture proceeds in escrow to complete Project components such as landscaping and parking lots, and acquire machinery and equipment if the component or acquisition is a minor portion of the total Project and has been contracted.
Small Business Administration § 120.972

for completion or delivery at a specified price and specific future date. The escrow agent must disburse funds upon approval by the CDC and the SBA, supported by invoices and payable jointly to the small business and the designated contractor.

Servicing and Fees

§ 120.970 Servicing of 504 loans and Debentures.

The CDC must service the 504 loan in accordance with the Loan Authorization, these regulations, SBA policies and procedures, and prudent lending standards until paid in full, including review of the small business’s financial statements, tax filings, insurance, and security filings. In doing so, CDCs must comply with the provisions of §120.513. In addition, CDCs must comply with the servicing requirements set forth in SBA’s SOP. CDCs must report promptly to SBA any adverse trend, condition or information relevant to a Borrower. Upon request by a CDC, SBA may agree to defer a Borrower’s monthly payment. SBA may negotiate agreements with CDCs to liquidate loans.

$120.971 Allowable fees paid by Borrower.

(a) CDC fees. CDCs may charge the following fees to the Borrower:

(1) Processing fee. The CDC may charge up to 1.5 percent of the net Debenture proceeds to process the financing. Two-thirds of this fee will be considered earned and may be collected by the CDC when the Authorization for the Debenture is issued by SBA. The portion of the processing fee paid by the Borrower may be reimbursed from the Debenture proceeds;

(2) Closing fee. The CDC may charge a fee to cover an amount sufficient to reimburse it for reasonable legal expenses of in-house or outside legal counsel. The CDC may also charge a fee to cover reasonable miscellaneous closing costs. Closing costs, other than legal fees, may be funded out of the Debenture proceeds;

(3) Servicing fee. The CDC will charge a monthly servicing fee of not less than 0.5 percent per annum nor more than 2 percent per annum on the unpaid balance of the loan as determined at five-year anniversary intervals. A servicing fee in excess of 1.5 percent in a Rural Area and 1 percent everywhere else requires SBA’s prior written approval, based on evidence of substantial need. The servicing fee may be paid only from loan payments received. The fees may be accrued without interest and collected from the CSA when the payments are made;

(4) Late fees. Loan payments received after the 15th of each month may be subject to a late payment fee of 5 percent of the late payment or $100, whichever is greater. These fees will be collected by the CSA on behalf of the CDC; and

(5) Assumption fee. Upon SBA’s written approval, a CDC may charge an assumption fee not to exceed 1 percent of the outstanding principal balance of the loan being assumed.

(b) CSA fees. The CSA may charge an initiation fee on each loan and a monthly servicing fee under the terms of the Master Servicing Agreement.

(c) Other agent fees. Agent fees and charges necessary to market and service Debentures and Certificates may be assessed to the Borrower or the investor. The fees must be approved by SBA and published periodically in the Federal Register.

(d) SBA fees. (1) SBA charges a 0.5 percent guarantee fee on the Debenture.

(2) For those loans approved after October 1, 1995, SBA charges a fee of 0.125 per annum on the unpaid principal balance of the loan as determined at five-year anniversary intervals.

(e) Miscellaneous fees. A funding fee not to exceed 0.25 percent of the Debenture may be charged to cover costs incurred by the trustee, fiscal agent, transfer agent.

§120.972 Oversight and evaluation of CDCs and ADCs.

SBA may conduct an operational review of a CDC or ADC. The SBA Office of Inspector General may conduct, supervise or coordinate audits pursuant to the Inspector General Act. The CDC or ADC must cooperate and make its staff, records, and facilities available.
§ 120.980 CDC Transfer, Suspension and Revocation

§ 120.980 Transfer of CDC to ADC status.

SBA shall transfer to ADC status any CDC that fails to meet the activity level required by SBA, on average over two consecutive fiscal years. SBA shall notify the CDC in writing of the action and of the opportunity for a hearing pursuant to part 134 of this chapter at least 10 business days prior to the transfer. During the pendency of a hearing, SBA's action will remain in effect.

§ 120.981 Voluntary transfer and surrender of CDC certification.

A CDC may not transfer its certification or withdraw from the 504 program without SBA's consent. The CDC must provide a plan to SBA to transfer its portfolio. The portfolio may only be transferred with SBA's written consent. If a CDC desires to withdraw from the 504 program, it must forfeit its portfolio to SBA. SBA may conduct an audit of the transferring or withdrawing CDC.

§ 120.982 Correcting CDC servicing deficiencies.

SBA may require corrective action, including the transfer of existing or pending financings to another CDC in good standing. SBA must notify the CDC in writing of any servicing, reporting or collection deficiencies and the corrective actions to be taken. SBA may instruct the CSA to withhold service and late fees and may assess the CDC up to $250 per day for expenses incurred by SBA to correct the deficiencies. If non-compliance continues for 90 days, SBA may take the fees as compensation for its efforts to obtain compliance.

§ 120.983 Transfer of CDC servicing to SBA or another CDC.

If a CDC fails to correct servicing deficiencies, or is unable or unwilling to service its portfolio, SBA may assume the servicing or require the transfer of all or part of the CDC's portfolio to another CDC within or adjoining the deficient CDC's Area of Operations. If there is no suitable CDC, SBA may approve a transfer to another entity. Future service fees from transferred loans will be paid to the transferee. In addition, the CDC's processing authority will be temporarily suspended.

§ 120.984 Suspension or revocation of CDC certification.

(a) Suspend or revoke. The AA/F/A may suspend or revoke the CDC's certification if a CDC:

(1) Violates a statute, an SBA regulation, or the terms of a Debenture, authorization, or agreement with SBA;

(2) Makes a material false statement, knowingly misrepresents, or fails to state a material fact;

(3) Fails to maintain good character;

(4) Fails to operate according to prudent lending standards;

(5) Fails to correct servicing, collection, reporting, or other deficiencies; or

(6) Is unable or unwilling to operate in accordance with the requirements of this part.

(b) Transfer portfolio. Upon suspension or revocation, the CDC must transfer its remaining portfolio and any 504 applications or financings in process to another CDC designated or approved by SBA. If a pending 504 financing is completed after a transfer, any deposit must also be transferred. Any fees must be apportioned by SBA between the two CDCs in proportion to services performed.

(c) Provide written notice. SBA must give written notice to the CDC at least 10 business days prior to the effective date of a suspension or revocation, informing the CDC of the opportunity for a hearing pursuant to part 134 of this chapter.

ENFORCEABILITY OF 501, 502 AND 503 LOANS AND OTHER LAWS

§ 120.990 501, 502 and 503 Loans.

SBA has discontinued loan programs for 501, 502, and 503 loans. Outstanding loans remain under these programs, and Borrowers, CDCs, and SBA must comply with the terms and conditions of the corresponding notes and Debentures, and the regulations in this part in effect when the obligations were undertaken or last in effect, if applicable.

No State or local law may preclude or limit SBA’s exercise of its rights with respect to notes, guarantees, Debentures and Debenture Pools, or of its enforcement rights to foreclose on collateral.

Subpart A—Size Eligibility Provisions and Standards

Provisions of General Applicability

§ 121.101 What are SBA size standards?

SBA’s size standards define whether a business entity is small and, thus, eligible for Government programs and preferences reserved for “small business” concerns. Size standards have been established for types of economic activity, or industry, generally under the Standard Industrial Classification (SIC) System. The SIC System is described in the “Standard Industrial Classification Manual” published by the Office of Management and Budget, Executive Office of the President, and sold by the U.S. Government Printing Office, Superintendent of Documents, P.O. Box 371954, Pittsburgh, PA 15250-7954. The SIC System assigns four-digit SIC codes to all economic activity within ten major divisions. Section 121.201 describes the size standards now established. A full table matching a size standard with each four-digit SIC
Small Business Administration § 121.102

How does SBA establish size standards?

(a) SBA considers economic characteristics comprising the structure of an industry, including degree of competition, average firm size, start-up costs and entry barriers, and distribution of firms by size. It also considers technological changes, competition from other industries, growth trends, historical activity within an industry, unique factors occurring in the industry which may distinguish small firms from other firms, and the objectives of its programs and the impact on those programs of different size standard levels.

(b) As part of its review of a size standard, SBA will investigate if any concern at or below a particular standard would be dominant in the industry. SBA will take into consideration market share of a concern and other appropriate factors which may allow a concern to exercise a major controlling influence on a national basis in which a number of business concerns are engaged. Size standards seek to ensure that a concern that meets a specific size standard is not dominant in its field of operation.

(c) Please address any requests to change existing size standards or establish new ones for emerging industries to the Assistant Administrator for Size Standards, Small Business Administration, 409 3rd Street, SW., Washington, DC 20416.

§ 121.103

What is affiliation?

(a) General Principles of Affiliation. (1) Concerns are affiliates of each other when one concern controls or has the power to control the other, or a third party or parties controls or has the power to control both.

(2) SBA considers factors such as ownership, management, previous relationships with or ties to another concern, and contractual relationships, in determining whether affiliation exists.

(3) Individuals or firms that have identical or substantially identical business or economic interests, such as family members, persons with common investments, or firms that are economically dependent through contractual or other relationships, may be treated as one party with such interests aggregated.

(4) SBA counts the receipts or employees of the concern whose size is an issue and those of all its domestic and foreign affiliates, regardless of whether the affiliates are organized for profit, in determining the concern’s size.

(b) Exclusion from affiliation coverage. (1) Business concerns owned in whole or substantial part by investment companies licensed, or development companies qualifying, under the Small Business Investment Act of 1958, as amended, are not considered affiliates of such investment companies or development companies.

(2) Business concerns owned and controlled by Indian Tribes, Alaska Regional or Village Corporations organized pursuant to the Alaska Native Claims Settlement Act (43 U.S.C. 1601), Native Hawaiian Organizations, or Community Development Corporations authorized by 42 U.S.C. 9805 are not considered affiliates of such entities, or with other concerns owned by these entities solely because of their common ownership.

(3) Business concerns which are part of an SBA approved pool of concerns for a joint program of research and development as authorized by the Small Business Act are not affiliates of one another because of the pool.

(4) Business concerns which lease employees from concerns primarily engaged in leasing employees to other businesses are not affiliated with the leasing company solely on the basis of a leasing agreement.

(5) For financial, management or technical assistance under the Small Business Investment Act of 1958, as amended, (and applicant is not affiliated with the investors listed in paragraphs (b)(5)(i) through (vi) of this section.

(i) Venture capital operating companies, as defined in the U.S. Department of Labor regulations found at 29 CFR 2510.3-101(d);

(ii) Employee benefit or pension plans established and maintained by the Federal government or any state, or their political subdivisions, or any
(iii) Employee benefit or pension plans within the meaning of the Employee Retirement Income Security Act of 1974, as amended (29 U.S.C. 1001, et seq.); 
(iv) Charitable trusts, foundations, endowments, or similar organizations exempt from Federal income taxation under section 501(c) of the Internal Revenue Code of 1986, as amended (26 U.S.C. 501(c)); 
(v) Investment companies registered under the Investment Company Act of 1940, as amended (1940 Act) (15 U.S.C. 80a-1, et seq.); and 
(vi) Investment companies, as defined under the 1940 Act, which are not registered under the 1940 Act because they are beneficially owned by less than 100 persons, if the company’s sales literature or organizational documents indicate that its principal purpose is investment in securities rather than the operation of commercial enterprises.

(6) A protege firm is not an affiliate of a mentor firm solely because the protege firm receives assistance from the mentor firm under Federal Mentor-Protege programs.

(c) Affiliation based on stock ownership. (1) A person is an affiliate of a concern if the person owns or controls, or has the power to control 50 percent or more of its voting stock, or a block of stock which affords control because it is large compared to other outstanding blocks of stock.

(2) If two or more persons each owns, controls or has the power to control less than 50 percent of the voting stock of a concern, with minority holdings that are equal or approximately equal in size, but the aggregate of these minority holdings is large as compared with any other stock holding, each such person is presumed to be an affiliate of the concern.

(d) Affiliation arising under stock options, convertible debentures, and agreements to merge. Since stock options, convertible debentures, and agreements to merge (including agreements in principle) affect the power to control a concern, SBA treats them as though the rights granted have been exercised (except that an affiliate cannot use them to appear to terminate control over another concern before it actually does so). SBA gives present effect to an agreement to merge or sell stock whether such agreement is unconditional, conditional, or finalized but unexecuted. Agreements to open or continue negotiations towards the possibility of a merger or a sale of stock at some later date are not considered “agreements in principle” and, thus, are not given present effect.

(e) Affiliation based on common management. Affiliation arises where one or more officers, directors, or general partners controls the board of directors and/or the management of another concern.

(f) Affiliation based on joint venture arrangements. (1) Parties to a joint venture are affiliates if any one of them seeks SBA financial assistance for use in connection with the joint venture.

(2) Concerns bidding on a particular procurement or property sale as joint venturers are affiliated with each other with regard to performance of that contract.

(3) A contractor and subcontractor are treated as joint venturers if the ostensible subcontractor will perform primary and vital requirements of a contract or if the prime contractor is unusually reliant upon the ostensible subcontractor. All requirements of the contract are considered in reviewing such relationship, including contract management, technical responsibilities, and the percentage of subcontracted work.

(4) For size purposes, a concern must include in its revenues its proportionate share of joint venture receipts.

(g) Affiliation based on franchise and license agreements. The restraints imposed on a franchisee or licensee by its franchise or license agreement relating to standardized quality, advertising, accounting format and other similar provisions, generally will not be considered in determining whether the franchisor or licensor is affiliated with the franchisee or licensee provided the franchisee or licensee has the right to profit from its efforts and bears the risk of loss commensurate with ownership. Affiliation may arise, however, through other means, such as common

§ 121.103 13 CFR Ch. I (1–1–98 Edition)
Small Business Administration § 121.105
ownership, common management or excessive restrictions upon the sale of the franchise interest.

§ 121.104 How does SBA calculate annual receipts?

(a) Definitions. In determining annual receipts of a concern:

(1) Receipts means “total income” (or in the case of a sole proprietorship, “gross income”) plus the “cost of goods sold” as these terms are defined or reported on Internal Revenue Service (IRS) Federal tax return forms (Form 1120 for corporations; Form 1120S for Subchapter S corporations; Form 1065 for partnerships; and Form 1040, Schedule F for farm or Schedule C for other sole proprietorships). However, the term receipts excludes net capital gains or losses, taxes collected for and remitted to a taxing authority if included in gross or total income, proceeds from the transactions between a concern and its domestic or foreign affiliates (if also excluded from gross or total income on a consolidated return filed with the IRS), and amounts collected for another by a travel agent, real estate agent, advertising agent, or conference management service provider.

(2) Completed fiscal year means a taxable year including any short period. Taxable year and short period have the meaning attributed to them by the IRS.

(3) Unless otherwise defined in this section, all terms shall have the meaning attributed to them by the IRS.

(b) Period of measurement. (1) Annual receipts of a concern which has been in business for 3 or more completed fiscal years means the receipts of the concern over its last 3 completed fiscal years divided by three.

(2) Annual receipts of a concern which has been in business for less than 3 complete fiscal years means the receipts for the period the concern has been in business divided by the number of weeks in business, multiplied by 52.

(c) Use of information other than the Federal tax return. Where other information gives SBA reason to regard Federal Income Tax returns as false, SBA may base its size determination on such other information.

(d) Annual receipts of affiliates. (1) If a concern has acquired an affiliate or been acquired as an affiliate during the applicable averaging period or before small business self-certification, the annual receipts in determining size status include the receipts of both firms. Furthermore, this aggregation applies for the entire applicable period used in computing size rather than only for the period after the affiliation arose. Receipts are determined for the concern and its affiliates in accordance with paragraph (b) of this section even though this may result in different periods being used to calculate annual receipts.

(2) The annual receipts of a former affiliate are not included as annual receipts if affiliation ceased before the date used for determining size. This exclusion of annual receipts of a former affiliate applies during the entire period used in computing size, rather than only for the period after which the affiliation ceased.

§ 121.105 How does SBA define “business concern or concern”?

(a) A business concern eligible for assistance from SBA as a small business is a business entity organized for profit, with a place of business located in the United States, and which operates primarily within the United States or which makes a significant contribution to the U.S. economy through payment of taxes or use of American products, materials or labor.

(b) A business concern may be in the legal form of an individual proprietorship, partnership, limited liability company, corporation, joint venture, association, trust or cooperative, except that where the form is a joint venture there can be no more than 49 percent participation by foreign business entities in the joint venture.
§ 121.106 How does SBA calculate number of employees?
(a) Employees counted in determining size include all individuals employed on a full-time, part-time, temporary, or other basis. SBA will consider the totality of the circumstances, including factors relevant for tax purposes, in determining whether individuals are employees of the concern in question.
(b) Where the size standard is number of employees, the method for determining a concern’s size includes the following principles:
1. The average number of employees of the concern is used (including the employees of its domestic and foreign affiliates) based upon numbers of employees for each of the pay periods for the preceding completed 12 calendar months.
2. Part-time and temporary employees are counted the same as full-time employees.
3. If a concern has not been in business for 12 months, the average number of employees is used for each of the pay periods during which it has been in business.
4. The treatment of employees of former affiliates or recently acquired affiliates is the same as for size determinations using annual receipts in §121.104(d).

§ 121.107 How does SBA determine a concern’s “primary industry”?
In determining the primary industry in which a concern or a concern combined with its affiliates is engaged, SBA considers the distribution of receipts, employees and costs of doing business among the different industries in which business operations occurred for the most recently completed fiscal year. SBA may also consider other factors, such as the distribution of patents, contract awards, and assets.

§ 121.108 What are the penalties for misrepresentation of size status?
In addition to other laws which may be applicable, section 16(d) of the Small Business Act, 15 U.S.C. 645(d), provides severe criminal penalties for knowingly misrepresenting the small business size status of a concern in connection with procurement programs. Section 16(a) of the Act also provides, in part, for criminal penalties for knowingly making false statements or misrepresentations to SBA for the purpose of influencing in any way the actions of the Agency.

SIZE STANDARDS USED TO DEFINE SMALL BUSINESS CONCERNS

§ 121.201 What size standards has SBA identified by Standard Industrial Classification codes?
The size standards described in this section apply to all SBA programs unless otherwise specified. The size standards themselves are expressed either in number of employees or annual receipts in millions of dollars, unless otherwise specified. The number of employees or annual receipts indicates the maximum allowed for a concern and its affiliates to be considered small. The following is a listing of size standards for industries under the SIC System. Size standards are listed by Division and apply to all industries in that Division except those specifically listed with separate size standards for a specific two-digit major group or four-digit industry code. The industry code applicable to a business that cannot be otherwise classified will be SIC code 9999, Nonclassifiable Establishments, with a corresponding size standard of $5.0 million in annual receipts.

**Footnotes:**

1. SIC code 1629—Dredging: To be considered small for purposes of Government procurement, a firm must perform at least 40 percent of the volume dredged with its own equipment or equipment owned by another small dredging concern.

2. SIC Division D—Manufacturing: For rebuilding machinery or equipment, the standard is that of the particular industry, and not the base maintenance size standard.

3. SIC code 3011: For purposes of Government procurement, a firm is small for bidding on a contract for pneumatic tires within Census Classification codes 30111 and 30112, provided that:
   - (1) The value of tires within Census Classification codes 30111 and 30112 which it manufactured in the United States during the previous calendar year is more than 50 percent of the value of its total worldwide manufacture; and
   - (2) The value of pneumatic tires within Census Classification codes 30111 and 30112 comprising its total worldwide manufacture during the preceding calendar year was less than 5 percent of the value of all such tires manufactured in the United States during that period; and
   - (3) The value of the principal product which it manufactured or otherwise produced, or sold worldwide during the preceding calendar year is less than 10 percent of the total value of such products manufactured or otherwise produced or sold in the United States during that period.

4. SIC codes 4724, 6531, 7311, 7312, 7313, 7319, and 8741 (part): As measured by total revenues, but excluding funds received in trust for an unaffiliated third party, such as bookings or sales subject to commissions. The commissions received are included as revenue.

5. A financial institution’s assets are determined by averaging the assets reported on its four quarterly financial statements for the preceding year. Assets for the purposes of this size standard means the assets defined according to the Federal Financial Institutions Examination Council O34 call report form.

6. SIC code 6515: Leasing of building space to the Federal Government by Owners: For Government procurement, a size standard of $15.0 million in gross receipts applies to the owners of building space leased to the Federal Government. The standard does not apply to an agent.

7. SIC codes 7699 and 3728: Contracts for the rebuilding or overhaul of aircraft ground support equipment on a contract basis are classified under SIC code 3728.

8. SIC code 8741: For research and development contracts requiring the delivery of a manufactured product, the appropriate size standard is that of the manufacturing industry.

9. Research and Development means laboratory or other physical research and development. It does not include economic, educational, engineering, operations, systems, or other nonphysical research; or computer programming, data processing, commercial and/or medical laboratory testing.

10. For purposes of the Small Business Innovation Research (SBIR) program only, a different definition has been established by law. See § 121.701.

11. Facilities Management, a component of SIC code 8744, includes establishments, not elsewhere classified, which provide overall management and the personnel to perform a variety of related support services in operating a complete facility in or around a specific building, or within another business or Government establishment. Facilities management means furnishing three or more personnel apply services which may include, but are not limited to, secretarial services, typists, telephone answering, reproduction or mimeograph service, mailing service, financial or business management, public relations, conference planning, travel arrangements, word processing, maintaining files and/or libraries, switchboard operation, writers, bookkeeping, minor office equipment maintenance and repair, or use of information systems (not programming).

12. SIC code 8744.

13. If one of the activities of base maintenance, as defined in paragraph (2) of this footnote, can be identified with a separate industry and that activity (or industry) accounts for 50 percent or more of the value of an entire contract, then the proper size standard is that of the particular industry, and not the base maintenance size standard.

14. "Base Maintenance" requires the performance of three or more separate activities in the areas of service or special trade construction industries. If services are performed, these activities must each be in a separate SIC code including, but not limited to, Janitorial and Custodial Service, Fire Prevention Service, Messenger Service, Commissary Service, Protective Guard Service, and Grounds Maintenance and Landscaping Service. If the contract requires the use of special trade contractors (plumbing, painting, plastering, carpentry, etc.), all such special trade construction activities are considered a single activity and classified as Base Housing Maintenance. Since Base Housing Maintenance is only one activity, two additional activities are required for a contract to be classified as "Base Maintenance."
§ 121.301  What size standards are applicable to financial assistance programs?

(a) For Business Loans and Disaster Loans (other than physical disaster loans), an applicant must not exceed the size standard for the industry in which:

(1) The applicant combined with its affiliates is primarily engaged; and

(2) The applicant alone is primarily engaged.

(b) For Development Company programs, an applicant must meet one of the following standards:

(1) Including its affiliates, tangible net worth not in excess of $6 million, and average net income after Federal income taxes (excluding any carry-over losses) for the preceding two completed fiscal years not in excess of $2 million; or

(2) The same standards applicable under paragraph (a) of this section.

(c) For the Small Business Investment Company (SBIC) program, an applicant must meet one of the following standards:

(1) Including its affiliates, tangible net worth not in excess of $18 million, and average net income after Federal income taxes (excluding any carry-over losses) for the preceding 2 completed fiscal years not in excess of $6 million; or

(2) The same standards applicable under paragraph (a) of this section.

(d) For Surety Bond Guarantee assistance—

(1) Any construction (general or special trade) concern or concern performing a contract for services is small if its average annual receipts do not exceed $5.0 million.

(2) Any concern not specified in paragraph (d)(1) of this section must meet the size standard for the primary industry in which it, combined with its affiliates, is engaged.

(e) The applicable size standards for the purpose of all SBA financial assistance programs, excluding the Surety Bond Guarantee assistance program, are increased by 25 percent whenever the applicant agrees to use the assistance within a labor surplus area. Labor surplus areas are listed monthly in the Department of Labor publication called “Area Trends.”

§ 121.302  When does SBA determine the size status of an applicant?

(a) The size of an applicant for SBA financial assistance is determined as of the date the application for such financial assistance is accepted for processing by SBA, except for the Disaster Loan and Preferred Lenders programs.

(b) For the Preferred Lenders program, size is determined as of the date of approval of the loan by the Preferred Lender.

(c) For disaster loan assistance (other than physical disaster loans), size status is determined as of the date the disaster commenced, as set forth in the Disaster Declaration.

(d) Changes in size subsequent to the applicable date when size is determined will not disqualify an applicant for assistance.
§ 121.303 What size procedures are used by SBA before it makes a formal size determination?

(a) A concern that submits an application for financial assistance is deemed to have certified that it is small under the applicable size standard. SBA may question the concern’s status based on information supplied in the application or from any other source.

(b) A small business investment company, a development company, a surety bond company, or a preferred lender may accept as true the size information provided by an applicant, unless credible evidence to the contrary is apparent.

(c) Size is initially considered by the individual with final financial assistance authority. This is not a formal size determination. A formal determination may be requested prior to a denial of eligibility based on size.

(d) An applicant may request a formal size determination when assistance has been denied for size ineligibility. Except for disaster loan eligibility, a request for a formal size determination must be made to the Government Contracting Area Director serving the area in which the headquarters of the applicant is located, regardless of the location of the parent company or affiliates. For disaster loan assistance, the request for a size determination must be made to the Area Director for the Disaster Area Office which denied the assistance.

(e) There are no time limitations for making a formal size determination for purposes of financial assistance. The official making the formal size determination must provide a copy of the determination to the applicant, the requesting SBA official, and to other interested SBA program officials.

§ 121.304 What are the size requirements for refinancing an existing SBA loan?

(a) A concern that applies to refinance an existing SBA loan or guarantee will be considered small for the refinancing even though its size has increased since the date of the original financing to exceed its applicable size standard, provided that:

1. The increase in size is due to natural growth (as distinguished from merger, acquisition or similar management action); and
2. SBA determines that refinancing is necessary to protect the Government’s financial interest.

(b) If a concern’s size has increased other than by natural growth, the concern and its affiliates must be small at the time the application for refinancing is accepted for processing by SBA.

§ 121.305 What size eligibility requirements exist for obtaining business loans relating to particular procurements?

A concern qualified as small for a particular procurement, including an 8(a) subcontract, is small for financial assistance directly and primarily relating to the performance of the particular procurement.

§ 121.401 What procurement programs are subject to size determinations?

The requirements set forth in §§ 121.401 through 121.412 cover all procurement programs for which status as a small business is required, including the small business set-aside program, SBA’s Certificate of Competency Program, SBA’s Minority Enterprise Development program, the Small Business Subcontracting program authorized under section 8(d) of the Small Business Act, and Federal Small Disadvantaged Business programs.

§ 121.402 What size standards are applicable to procurement assistance programs?

(a) A concern must meet the size standard for the SIC code specified in the solicitation.

(b) The procuring agency contracting officer, or authorized representative, designates the proper SIC code and size standard in a solicitation, selecting the SIC code which best describes the principal purpose of the product or service being acquired. Primary consideration is given to the industry descriptions in the SIC Manual, the product or service description in the solicitation and any attachments to it, the relative value and importance of the components of
the procurement making up the end item being procured, and the function of the goods or services being purchased. Other factors considered include previous Government procurement classifications of the same or similar products or services, and the classification which would best serve the purposes of the Small Business Act. A procurement is usually classified according to the component which accounts for the greatest percentage of contract value.

(c) The SIC code assigned to a procurement and its corresponding size standard is final unless timely appealed to SBA’s Office of Hearings and Appeals (OHA), or unless SBA assigns a SIC code or size standard as provided in paragraph (d) of this section.

(d) An unclear, incomplete or missing SIC code designation or size standard in the solicitation may be clarified, completed or supplied by SBA in connection with a formal size determination or size appeal.

(e) Any offeror or other interested party adversely affected by a SIC code designation or size standard designation may appeal the designations to OHA under part 134 of this chapter.

§ 121.404 When does SBA determine the size status of a business concern?

Generally, SBA determines the size status of a concern (including its affiliates) as of the date the concern submits a written self-certification that it is small to the procuring agency as part of its initial offer including price. The following are two exceptions to this rule:

(a) The size status of an applicant for a Certificate of Competency (COC) relating to an unrestricted procurement is determined as of the date of the concern’s application for the COC.

(b) Size status for purposes of compliance with the nonmanufacturer rule set forth in §121.406(b)(1) and the ostensible subcontractor rule set forth in §121.103(f)(3) is determined as of the date of the best and final offer.

§ 121.405 May a business concern self-certify its small business size status?

(a) A concern must self-certify it is small under the size standard specified in the solicitation, or as clarified, completed or supplied by SBA pursuant to §121.402(d).

(b) A contracting officer may accept a concern’s self-certification as true for the particular procurement involved in the absence of a written protest by other offerors or other credible information which causes the contracting officer or SBA to question the size of the concern.

(c) Procedures for protesting the self-certification of an offeror are set forth in §§121.1001 through 121.1009.

§ 121.406 How does a small business concern qualify to provide manufactured products under small business set-aside or MED procurements?

(a) General. In order to qualify as a small business concern for a small business set-aside or 8(a) contract to provide manufactured products, an offeror must either:

(1) Be the manufacturer of the end item being procured (and the end item must be manufactured or produced in the United States); or

(2) Comply with the requirements of paragraph (b), (c) or (d) of this section as a nonmanufacturer, a kit assembler or a supplier under Simplified Acquisition Procedures.

(b) Nonmanufacturers. (1) A concern may qualify for a requirement to provide manufactured products as a nonmanufacturer if it:

(i) Does not exceed 500 employees;

(ii) Is primarily engaged in the wholesale or retail trade and normally sells the items being supplied to the general public; and
§ 121.407 What are the size procedures for multiple item procurements?

If a procurement calls for two or more specific end items or types of services with different size standards and the offeror may submit an offer on any or all end items or types of services, the offeror must meet the size standard for each end item or service item for which it submits an offer.
offer on all items, the offeror may qualify as a small business for the procurement if it meets the size standard of the item which accounts for the greatest percentage of the total contract value.

§ 121.408 What are the size procedures for SBA’s Certificate of Competency Program?
(a) A firm which applies for a COC must file an “Application for Small Business Size Determination” (SBA Form 355). If the initial review of SBA Form 355 indicates the applicant, including its affiliates, is small for purposes of the COC program, SBA will process the application for COC. If the review indicates the applicant, including its affiliates, is other than small, SBA will initiate a formal size determination as set forth in §121.1009. In such a case, SBA will not further process the COC application until a formal size determination is made.
(b) A concern is ineligible for a COC if a formal SBA size determination finds the concern other than small.

§ 121.409 What size standard applies in an unrestricted procurement for Certificate of Competency purposes?
For the purpose of receiving a Certificate of Competency in an unrestricted procurement, the applicable size standard is that corresponding to the SIC code set forth in the solicitation. For a manufactured product, a concern must also furnish a domestically produced or manufactured product, regardless of the size status of the product manufacturer. The offeror need not be the manufacturer of any of the items acquired.

§ 121.410 What are the size standards for SBA’s Section 8(d) Subcontracting Program?
For subcontracting purposes pursuant to section 8(d) of the Small Business Act, a concern is small:
(a) For subcontracts of $10,000 or less which relate to Government procurements, if its number of employees (including its affiliates) does not exceed 500 employees. However, subcontracts for engineering services awarded under the National Energy Policy Act of 1992 have the same size standard as Military and Aerospace Equipment and Military Weapons under SIC code 8711;
(b) For subcontracts exceeding $10,000 which relate to Government procurements, if its number of employees or average annual receipts (including its affiliates) does not exceed the size standard for the product or service it is providing on the subcontract; and
(c) For subcontracts for financial services, if the concern (including its affiliates) is a commercial bank or savings and loan association whose assets do not exceed $100 million.

§ 121.411 What are the size procedures for SBA’s Section 8(d) Subcontracting Program?
(a) Prime contractors may rely on the information contained in SBA’s Procurement Automated Source System (PASS), or equivalent data base maintained or sanctioned by SBA, as an accurate representation of a concern’s size and ownership characteristics for purposes of maintaining a small business source list. Even though a concern is on a small business source list, it must still qualify and self-certify as a small business at the time it submits its offer as a section 8(d) subcontractor.
(b) Upon determination of the successful subcontract offeror for a competitive subcontract, but prior to award, the prime contractor must inform each unsuccessful subcontract offeror in writing of the name and location of the apparent successful offeror.
(c) The self-certification of a concern subcontracting or proposing to subcontract under section 8(d) of the Small Business Act may be protested by the contracting officer, the prime contractor, the appropriate SBA official or any other interested party.

§ 121.412 What are the size procedures for partial small business set-asides?
A firm is required to meet size standard requirements only for the small business set-aside portion of a procurement, and is not required to qualify as a small business for the unrestricted portion.
§ 121.501 What programs for sales or leases of Government property are subject to size determinations?
Sections 121.501 through 121.512 apply to small business size determinations for the purpose of the sale or lease of Government property, including the Timber Sales Program, the Special Salvage Timber Sales Program, and the sale of Government petroleum, coal and uranium.

§ 121.502 What size standards are applicable to programs for sales or leases of Government property?
(a) Unless otherwise specified in this part—
(1) A concern primarily engaged in manufacturing is small for sales or leases of Government property if it does not exceed 500 employees;
(2) A concern not primarily engaged in manufacturing is small for sales or leases of Government property if it has annual receipts not exceeding $2 million.
(b) Size status for such sales and leases is determined by the primary industry of the applicant business concern.

§ 121.503 Are SBA size determinations binding on parties?
Formal size determinations based upon a specific Government sale or lease, or made in response to a request from another Government agency under § 121.901, are binding upon the parties. Other SBA opinions provided to contracting officers or others are only advisory, and are not binding or appealable.

§ 121.504 When does SBA determine the size status of a business concern?
SBA determines the size status of a concern (including its affiliates) as of the date the concern submits a written self-certification that it is small to the Government as part of its initial offer including price where there is a specific sale or lease at issue, or as set forth in § 121.903 if made in response to a request of another Government agency.

§ 121.505 What is the effect of a self-certification?
(a) A contracting officer may accept a concern’s self-certification as true for the particular sale or lease involved, in the absence of a written protest by other offerors or other credible information which would cause the contracting officer or SBA to question the size of the concern.
(b) Procedures for protesting the self-certification of an offeror are set forth in §§ 121.1001 through 121.1009.

§ 121.506 What definitions are important for sales or leases of Government-owned timber?
(a) Forest product industry means logging, wood preserving, and the manufacture of lumber and wood related products such as veneer, plywood, hardboard, particle board, or wood pulp, and of products of which lumber or wood related products are the principal raw materials.
(b) Logging of timber means felling and bucking, yarding, and/or loading. It does not mean hauling.
(c) Manufacture of logs means, at a minimum, breaking down logs into rough cuts of the finished product.
(d) Sell means, in addition to its usual and customary meaning, the exchange of sawlogs for sawlogs on a product-for-product basis with or without monetary adjustment, and an indirect transfer, such as the sale of the assets of a concern after it has been awarded one or more set-aside sales of timber.
(e) Significant logging of timber means that a concern uses its own employees to perform at least two of the following: felling and bucking, yarding, and loading.

§ 121.507 What are the size standards and other requirements for the purchase of Government-owned timber (other than Special Salvage Timber)?
(a) To be small for purposes of the sale of Government-owned timber (other than Special Salvage Timber) a concern must:
(1) Be primarily engaged in the logging or forest products industry;
(2) Not exceed 500 employees, taking into account its affiliates; and
§ 121.508 What are the size standards and other requirements for the purchase of Government-owned Special Salvage Timber?

(a) In order to purchase Government-owned Special Salvage Timber from the United States Forest Service or the Bureau of Land Management as a small business, a concern must:

(1) Be primarily engaged in the logging or forest product industry;

(2) Have, together with its affiliates, no more than twenty-five employees during any pay period for the last twelve months; and

(3) If it does not intend at the time of offer to resell the timber—

(i) Agree that it will manufacture a significant portion of the logs with its own employees; and

(ii) Agree that it will log the timber only with its own employees or with employees of another business which is eligible for award of a Special Salvage Timber sales contract; or

(4) If it intends at the time of offer to resell the timber—

(i) Agree that it will not sell more than 30% of such timber (50% of such timber if the concern is an Alaskan business) to a business which does not meet the requirements of paragraphs (a)(1) and (a)(2) of this section; and

(ii) Agree that if it becomes acquired or controlled by a business which does not meet the requirements of paragraphs (a)(1) and (a)(2) of this section, it will require as a condition of the acquisition or change of control that the acquiring or controlling business resell at least 70% of the sawtimber volume to businesses which do meet the requirements of paragraphs (a)(1) and (a)(2) of this section; or

§ 121.509 What is the size standard for leasing of Government land for coal mining?

A concern is small for this purpose if it:

(a) Together with its affiliates, does not have more than 250 employees;

(b) Maintains management and control of the actual mining operations of the tract; and

(c) Agrees that if it subleases the Government land, it will be to another small business, and that it will require its sublessors to agree to the same.
§ 121.510 What is the size standard for leasing of Government land for uranium mining?

A concern is small for this purpose if it, together with its affiliates, does not have more than 100 employees.

§ 121.511 What is the size standard for buying Government-owned petroleum?

A concern is small for this purpose if it is primarily engaged in petroleum refining and meets the size standard for a petroleum refining business.

§ 121.512 What is the size standard for stockpile purchases?

A concern is small for this purpose if:

(a) It is primarily engaged in the purchase of materials which are not domestic products; and
(b) Its annual receipts, together with its affiliates, do not exceed $42 million.

SIZE ELIGIBILITY REQUIREMENTS FOR THE MINORITY ENTERPRISE DEVELOPMENT (MED) PROGRAM

§ 121.601 What is a small business for purposes of admission to SBA’s Minority Enterprise Development (MED) program?

An applicant must be small under the size standard corresponding to its primary industry classification in order to be admitted to SBA’s Minority Enterprise Development (MED) program.

§ 121.602 At what point in time must a MED applicant be small?

A MED applicant must be small for its primary industry at the time SBA certifies it for admission into the program.

§ 121.603 How does SBA determine whether a Participant is small for a particular MED subcontract?

(a) Self certification by Participant. A MED Participant must certify that it qualifies as a small business under the SIC code assigned to a particular MED subcontract as part of its initial offer including price to the procuring agency. The Participant also must submit a copy of its offer, including its self-certification as to size, to the appropriate SBA district office at the same time it submits the offer to the procuring agency. See §121.406 for the time at which size is determined for, and §121.406 for the applicability of the nonmanufacturer rule to, MED procurements.

(b) Verification of size by SBA. Within 30 days of its receipt of a Participant’s size self-certification for a particular MED subcontract, the SBA district office serving the geographic area in which the Participant’s principal office is located will review the Participant’s self-certification and determine if it is small for purposes of that subcontract. The SBA district office will review the Participant’s most recent financial statements and other relevant data and then notify the Participant of its decision.

(c) Changes in size between date of self-certification and date of award. (1) Where SBA verifies that the selected Participant is small for a particular procurement, subsequent changes in size up to the date of award, except those due to merger with or acquisition by another business concern, will not affect the firm’s size status for that procurement.

(2) Where a Participant has merged with or been acquired by another business concern between the date of its self-certification and the date of award, the concern must recertify its size status, and SBA must verify the new certification before award can occur.

(d) Finding Participant to be other than small. (1) A Participant may request a formal size determination (pursuant to §§121.1001 through 121.1009) with the SBA Government Contracting Area Office serving the geographic area in which the principal office of the Participant is located within 5 working days of its receipt of notice from the SBA district office that it is not small for a particular MED subcontract.

(2) Where the Participant does not timely request a formal size determination, SBA may accept the procurement in support of another Participant, or may rescind its acceptance of the offer for the MED program, as appropriate.

§ 121.604 Are MED Participants considered small for purposes of other SBA assistance?

A concern which SBA determines to be a small business for the award of a
§ 121.701  What SBIR programs are subject to size determinations?
(a) These sections apply to size status for award of a funding agreement pursuant to the Small Business Innovation Development Act of 1982 (Pub. L. 97-219, 15 U.S.C. 638(e) through (k)).
(b) Funding agreement officer means a contracting officer, a grants officer, or a cooperative agreement officer.
(c) Funding agreement means any contract, grant or cooperative agreement entered into between any Federal agency and any small business for the performance of experimental, developmental, or research work funded in whole or in part by the Federal Government. Such work includes:
   (1) A systematic, intensive study directed toward greater knowledge or understanding of the subject studied;
   (2) A systematic study directed specifically toward applying new knowledge to meet a recognized need; or
   (3) A systematic application of knowledge toward the production of useful materials, devices, and systems or methods, including design, developmental, and improvement of prototypes and new processes to meet specific requirements.
§ 121.702  What size standards are applicable to the SBIR program?
(a) To be eligible to compete for award of funding agreements in SBA's Small Business Innovation Research (SBIR) program, a business concern must:
   (1) Be at least 51 percent owned and controlled by one or more individuals who are citizens of, or permanent resident aliens in, the United States; and
   (2) Not have more than 500 employees, including its affiliates.
§ 121.703  Are formal size determinations binding on parties?
Size determinations by authorized SBA officials are formal actions based upon a specific funding agreement, and are binding upon the parties. Other SBA opinions provided to funding agreement officers or others, are only advisory, and are not binding or appealable.
§ 121.704  When does SBA determine the size status of a business concern?
The size status of a concern for the purpose of a funding agreement under the SBIR program is determined as of the date of the award for both Phase I and Phase II SBIR awards.
§ 121.705  Must a business concern self-certify its size status?
(a) A firm must self-certify it is small in its SBIR funding proposal.
(b) A funding agreement officer may accept a concern's self-certification as true for the particular funding agreement involved in the absence of a written protest by other offerors or other credible information which would cause the funding agreement officer or SBA to question the size of the concern.
(c) Procedures for protesting an offeror's self-certification are set forth in §§121.1001 through 121.1009.
§ 121.801  May patent fees be reduced if a concern is small?
These sections apply to size status for the purpose of paying reduced patent fees authorized by Pub. L. 97-247, 96 Stat. 317. The eligibility requirements for independent inventors and non-profit organizations for the purpose of paying reduced patent fees are set forth in regulations of the Patent and Trademark Office of the Department of Commerce, 37 CFR 1.19, 1.27, 1.28.
§ 121.802  What size standards are applicable to reduced patent fees programs?
A concern eligible for reduced patent fees is one:
§ 121.902

SIZE ELIGIBILITY REQUIREMENTS FOR COMPLIANCE WITH PROGRAMS OF OTHER AGENCIES

§ 121.901 Can other Government agencies obtain SBA size determinations?

Upon request by another Government agency, SBA will provide a size determination, under SBA rules, standards and procedures, for its use in determining compliance with small business requirements of its statutes, regulations or programs.

§ 121.902 What size standards are applicable to programs of other agencies?

(a) SBA size standards. The size standards for compliance with programs of other agencies are those for SBA programs which are most comparable to the programs of such other agencies, unless otherwise agreed by the agency and SBA.

(b) Special size standards. (1) Federal agencies or departments promulgating regulations relating to small businesses usually use SBA size criteria. In limited circumstances, if they decide the SBA size standard is not appropriate, then agency heads may establish a small business definition for the exclusive use of such program which is more appropriate, but only when:

(i) The size standard is first proposed for public comment pursuant to the Administrative Procedure Act, 4 U.S.C. 553;

(ii) The proposed size standard provides for determining size measured by average number of employees over 12 months for manufacturing concerns, average annual revenues over three years for concerns providing services, and data over a period of not less than three years for all other concerns (unless approved by SBA, “annual receipts” and “number of employees” must be determined in accordance with §§ 121.104 and 121.106, respectively); and

(iii) The proposed size standard is approved by SBA’s Administrator.

(2) In order to receive the approval of SBA’s Administrator, the agency head must:
(i) Request approval prior to publishing the proposed rule containing the size standard. The request must include: an explanation of the contemplated industry size standard, the reasons the SBA size standard is not appropriate, and the reasons the proposed size standard would be appropriate; and a certification that there will be compliance with the criteria set forth in paragraphs (b)(1)(i) and (b)(1)(ii) of this section; and

(ii) Agree to provide written notice to SBA's Administrator prior to publishing the contemplated size standard as a final rule. The notice must include: a copy of the intended final rule, including the preamble, or a separate written justification for the intended size standard followed by a copy of the intended final rule and preamble prior to its publication; copies of all public comments relating to the size standard received in response to the proposed rule; and any other supporting documentation relevant to the size standard and requested by SBA's Administrator.

(3) When approving any size standard established pursuant to subsection (b) of this section, SBA's Administrator will ensure that the size standard varies from industry to industry to the extent necessary to reflect the differing characteristics of the various industries, and consider other relevant factors.

(4) Where the agency head is developing a size standard for the sole purpose of performing a Regulatory Flexibility Analysis pursuant to the Regulatory Flexibility Act, the department or agency may, after consultation with the SBA Office of Advocacy, establish a size standard different from SBA's which is more appropriate for such analysis.

§ 121.903 When does SBA determine the size status of a business concern?

For the purpose of compliance with programs of other agencies, SBA will base its size determination on the size of the concern as of the date set forth in the request of the other agency.
Small Business Administration

§ 121.1002

connection with a particular SDB procurement:

(i) Any offeror for the specific SDB requirement;
(ii) The contracting officer; and
(iii) The responsible SBA Government Contracting Area Director, the Associate Administrator for Government Contracting, or the Associate Administrator for MED.

(5) For any unrestricted Government procurement in which status as a small business may be beneficial, including, but not limited to, the award of a contract to a small business where there are tie bids, the opportunity to seek a Certificate of Competency by a small business, and SDB price evaluation preferences, the following entities may protest in connection with a particular procurement:

(i) Any offeror;
(ii) The contracting officer; and
(iii) The responsible SBA Government Contracting Area Director, the Associate Administrator for Government Contracting, or the Associate Administrator for MED.

(b) Request for Size Determinations. (1) For SBA’s Financial Assistance Programs, the following entities may request a formal size determination:

(i) The applicant for assistance; and
(ii) The SBA official with authority to take final action on the assistance requested. That official may also request the appropriate Government Contracting Area Office to determine whether affiliation exists between an applicant for financial assistance and one or more other entities for purposes of determining whether the applicant would exceed the loan limit amount imposed by §120.151 of this chapter.

(2) For SBA’s MED program—

(i) Concerning initial MED eligibility, the following entities may request a formal size determination:

(A) The MED concern nominated by SBA for the particular sole source 8(a) award or the apparent successful offeror for the particular competitive 8(a) award;
(B) The SBA program official with authority to execute the 8(a) subcontract; and
(C) The SBA District Director in the district serving the area in which the headquarters of the MED concern is located, regardless of the location of a parent company and affiliates, or the Associate Administrator for MED.

(3) For SBA’s Certificate of Competency Program, the following entities may request a formal size determination:

(i) The offeror who has applied for a COC; and
(ii) The responsible SBA Government Contracting Area Director or the Associate Administrator for Government Contracting.

(4) For SBA’s sale or lease of government property, the following entities may request a formal size determination:

(i) The applicant for the reduced patent fees; and

(5) For eligibility to pay reduced patent fees, the following entities may request a formal size determination:

(i) The applicant for the reduced patent fees; and

(6) For purposes of determining compliance with small business requirements of another Government agency program not otherwise specified in this section, an official with authority to administer the program involved may request a formal size determination.

§ 121.1002 Who makes a formal size determination?

The responsible Government Contracting Area Director or designee makes all formal size determinations in response to either a size protest or a request for a formal size determination, with the exception of size determinations for purposes of the Disaster
§ 121.1003

Loan Program, which will be made by the Disaster Area Office Director or designee responsible for the area in which the disaster occurred.

§ 121.1003. Where should a size protest be filed?

A protest involving a government procurement or sale must be filed with the contracting officer for the procurement or sale, who must forward the protest to the SBA Government Contracting Area Office serving the area in which the headquarters of the protested concern is located, regardless of the location of any parent company or affiliates.

§ 121.1004 What time limits apply to size protests?

(a) Protests by entities other than contracting officers or SBA. (1) Non-negotiated procurement or sale. A protest must be received by the contracting officer prior to the close of business on the 5th day, exclusive of Saturdays, Sundays, and legal holidays, after bid or proposal opening.

(2) Negotiated procurement. A protest must be received by the contracting officer prior to the close of business on the 5th day, exclusive of Saturdays, Sundays, and legal holidays, after the contracting officer has notified the protestor of the identity of the prospective awardee.

(3) Multiple award schedule. On a multiple award schedule procurement set aside for small business, protests will be considered timely if received by SBA at any time prior to the expiration of the contract period (including renewals).

(b) Protests by contracting officers or SBA. The time limitations in paragraph (a) of this section do not apply to contracting officers or SBA, and they may file protests before or after awards, except to the extent set forth in paragraph (e) of this section.

(c) Effect of contract award. A timely filed protest applies to the procurement in question even though a contracting officer awarded the contract prior to receipt of the protest.

(d) Untimely protests. A protest received after the allotted time limits must still be forwarded to SBA. SBA will dismiss untimely protests.

(e) Premature protests. A protest filed by any party, including the contracting officer, before bid opening or notification to offerors of the selection of the apparent successful offer will be dismissed as premature.

§ 121.1005 How must a protest be filed with the contracting officer?

A protest must be delivered to the contracting officer by hand, telegram, mail, FAX, or telephone. If a protest is made by telephone, the contracting officer must later receive a confirming letter either within the 5-day period in §121.1004(a)(1) or postmarked no later than one day after the date of the telephone protest.

§ 121.1006 When will a size protest be referred to an SBA Government Contracting Area Office?

(a) A contracting officer who receives a protest (other than from SBA) must forward the protest promptly to the SBA Government Contracting Area Office serving the area in which the headquarters of the offeror is located.

(b) A contracting officer’s referral must contain the following information:

(1) The protest and any accompanying materials;

(2) A copy of the self-certification as to size;

(3) Identification of the applicable size standard;

(4) A copy of the solicitation;

(5) Identification of the date of bid opening or notification provided to unsuccessful offerors;

(6) The date on which the protest was received; and

(7) A complete address and point of contact for the protested concern.

§ 121.1007 Must a protest of size status relate to a particular procurement and be specific?

(a) Particular procurement. A protest challenging the size of a concern which does not pertain to a particular procurement or sale will not be acted on by SBA.

(b) A protest must include specific facts. A protest must be sufficiently specific to provide reasonable notice as to the grounds upon which the protested concern’s size is questioned. Some basis for the belief or allegation stated in
the protest must be given. A protest merely alleging that the protested concern is not small or is affiliated with unnamed other concerns does not specify adequate grounds for the protest. No particular form is prescribed for a protest. Where materials supporting the protest are available, they should be submitted with the protest.

(c) Non-specific protests will be dismissed. Protests which do not contain sufficient specificity will be dismissed by SBA.

§ 121.1008 What happens after SBA receives a size protest or a request for a formal size determination?

(a) When a size protest is received, the SBA Government Contracting Area Director, or designee, will promptly notify the contracting officer, the protested concern, and the protestor that a protest has been received. In the event the size protest pertains to a requirement involving SBA's SBIR Program, the Government Contracting Area Director will advise the Assistant Administrator for Technology of the receipt of the protest. SBA will provide a copy of the protest to the protested concern along with a blank SBA Application for Small Business Size Determination (SBA Form 355) by certified mail, return receipt requested, or by any overnight delivery service that provides proof of receipt. SBA will ask the protested concern to respond to the allegations of the protestor.

(b) When SBA receives a request for a formal size determination in accord with § 121.1001(b), SBA will provide a blank copy of SBA Form 355 to the concern whose size is at issue.

(c) The protested concern or concern whose size is at issue must return the completed SBA Form 355 and all other requested information to SBA within 3 working days from the date of receipt of the blank form from SBA. SBA has discretion to grant an extension of time to file the form. The firm must attach to the completed SBA Form 355 its answers to the allegations contained in the protest, where applicable, together with any supporting material.

(d) If a concern does not submit a completed SBA Form 355, answers to the protest allegations, or other requested information within the allotted time provided by SBA, or if it submits incomplete information, SBA may presume that disclosure of the form, any information missing from it, or other missing information would show or tend to show that the concern is other than a small business.

§ 121.1009 What are the procedures for making the size determination?

(a) Time frame for making size determination. After receipt of a protest or a request for a formal size determination, SBA will make a formal size determination within 10 working days, if possible.

(b) Basis for determination. The size determination will be based primarily on information supplied by the protestor or the entity requesting the size determination and the subject concern. The determination, however, may also be based on other grounds not raised in the protest or request for size determination. SBA may utilize other information in its files and may make inquiries including requests to the protestor, the protested concern and any alleged affiliates, or other persons for additional specific information.

(c) Burden of persuasion. The concern whose size is under consideration has the burden of establishing its small business size.

(d) Weight of evidence. SBA will give greater weight to specific, signed, factual evidence than to general, unsupported allegations or opinions. In the case of refusal or failure to furnish requested information within a required time period, SBA may assume that disclosure would be contrary to the interests of the party failing to make disclosure.

(e) Formal size determination. The SBA will base its formal size determination upon the record, including reasonable inferences from the record, and will state in writing the basis for its findings and conclusions.

(f) Notification of determination. SBA will promptly notify the contracting officer, the protestor, and the protested offeror, as well as each affiliate or alleged affiliate, of the size determination. The notification will be by certified mail, return receipt requested, or by any overnight delivery service that provides proof of receipt.
(g) Results of an SBA size determination.

(1) A formal size determination becomes effective immediately and remains in full force and effect unless and until reversed by OHA.

(2) Once SBA has determined that a concern is other than small for purposes of a particular procurement, the concern cannot later become eligible for the procurement by reducing its size.

(3) A concern determined to be other than small for a particular size standard is ineligible for any procurement or assistance authorized by the Small Business Act or the Small Business Investment Act of 1958, requiring the same or a lower size standard, unless recertified as small pursuant to §121.1010. Following an adverse size determination, a concern cannot again self-certify as small within the same or a lower size standard unless it is recertified as small by SBA. If it does so, it may be in violation of criminal laws, including section 16(d) of the Small Business Act, 15 U.S.C. 645(d). If the concern has already certified itself as small on a pending procurement or on another assistance application, the concern must immediately inform the officials responsible for the pending procurement or other requested assistance of the adverse size determination.

(h) Limited reopening of size determinations.

In cases where the size determination contains clear administrative error or a clear mistake of fact, SBA may, in its sole discretion, reopen the size determination to correct the error or mistake, provided the case has not been accepted for review by OHA.

§ 121.1010 How does a concern become recertified as a small business?

(a) A concern may request SBA to recertify it as small at any time by filing an application for recertification with the Government Contracting Area Office responsible for the area in which the headquarters of the applicant is located, regardless of the location of parent companies or affiliates. No particular form is prescribed for the application; however, the request for recertification must be accompanied by a current completed SBA Form 355 and any other information sufficient to show a significant change in its ownership, management, or other factors bearing on its status as a small concern.

(b) Recertification will not be required nor will the prohibition against future self-certification apply if the adverse SBA size determination is based solely on a finding of affiliation due to a joint venture (e.g., ostensible sub-contracting) limited to a particular Government procurement or property sale, or is based on an ineligible manufacturer where the eligible small business bidder or offeror is a nonmanufacturer on a particular Government procurement.

(c) A denial of an application for recertification is a formal size determination and may be reviewed by OHA at the discretion of that office.

(d) The granting of an application for recertification has future effect only. While it is a formal size determination, notice of recertification is required to be given only to the applicant.

Appeals of Size Determinations and SIC Code Designations

§ 121.1101 Are formal size determinations subject to appeal?

There is no right of appeal of a size determination. OHA, however, may, in its sole discretion, review a formal size determination made by a SBA Government Contracting Area Office or by a Disaster Area Office. Unless OHA accepts a petition for review of a formal size determination, the size determination made by a SBA Government Contracting Area Office or by a Disaster Area Office is the final decision of SBA. The procedures for requesting discretionary reviews by OHA of formal size determinations are set forth in part 134 of this chapter.

§ 121.1102 Are SIC code designations subject to appeal?

Appeals may be made to OHA, which has exclusive jurisdiction to determine appeals of SIC code designations pursuant to part 134 of this chapter.

§ 121.1103 What are the procedures for appealing a SIC code designation?

(a) Generally, any interested party who has been adversely affected by a SIC code designation may appeal the
Small Business Administration § 121.1204

designation to OHA. However, with respect to a particular MED contract, only the Associate Administrator for MED may appeal.

(b) Procedures for perfecting SIC code appeals with OHA are contained in §19.303 of the Federal Acquisition Regulations, 48 CFR 19.303.

Subpart B—Other Applicable Provisions

Waivers of the Nonmanufacturer Rule for Classes of Products and Individual Contracts

§121.1201 What is the Nonmanufacturer Rule?

The Nonmanufacturer Rule is set forth in §121.406(b).

§121.1202 When will a waiver of the Nonmanufacturer Rule be granted for a class of products?

(a) A waiver for a class of products (class waiver) will be granted when there are no small business manufacturers or processors available to participate in the Federal market for that class of products.

(b) Federal market means acquisitions by the Federal Government from offerors located in the United States, or such smaller area as SBA designates if it concludes that the class of products is not supplied on a national basis.

(1) When considering the appropriate market area for a product, SBA presumes that the entire United States is the relevant Federal market, unless it is clearly demonstrated that a class of products cannot be procured on a national basis. This presumption may be particularly difficult to overcome in the case of manufactured products, since such items typically have a market area encompassing the entire United States.

(2) When considering geographic segmentation of a Federal market, SBA will not necessarily use market definitions dependent on airline radius, political, or SBA regional boundaries. Market areas typically follow established transportation routes rather than jurisdictional borders. SBA examines the following factors, among others, in cases where geographic segmentation for a class of products is urged:

(i) Whether perishability affects the area in which the product can practically be sold;

(ii) Whether transportation costs are high as a proportion of the total value of the product so as to limit the economic distribution of the product;

(iii) Whether there are legal barriers to transportation of the item;

(iv) Whether a fixed, well-delineated boundary exists for the purported market area and whether this boundary has been stable over time; and

(v) Whether a small business, not currently selling in the defined market area, could potentially enter the market from another area and supply the market at a reasonable price.

(c) Available to participate in the context of the Federal market means that contractors exist that have been awarded or have performed a contract to supply a specific class of products to the Federal Government within 24 months from the date of the request for waiver, either directly or through a dealer, or who have submitted an offer on a solicitation for that class of products within that timeframe.

(d) Class of products is an individual subdivision within a four-digit Industry Number as established by the Office of Management and Budget in the SIC Manual.

§121.1203 When will a waiver of the Nonmanufacturer Rule be granted for an individual contract?

An individual waiver for a product in a specific solicitation will be approved when the SBA Associate Administrator for Government Contracting reviews and accepts a contracting officer’s determination that no small business manufacturer or processor can reasonably be expected to offer a product meeting the specifications of a solicitation, including the period of performance.

§121.1204 What are the procedures for requesting and granting waivers?

(a) Waivers for classes of products. (1) SBA may, at its own initiative, examine a class of products for possible waiver of the Nonmanufacturer Rule.
(2) Any interested person, business, association, or Federal agency may submit a request for a waiver for a particular class of products. Requests should be addressed or hand-carried to the Associate Administrator of Government Contracting, Small Business Administration, 409 3rd Street SW., Washington, DC 20416.

(3) Requests for a waiver of a class of products need not be in any particular form, but should include a statement of the class of products to be waived, the applicable SIC code, and detailed information on the efforts made to identify small business manufacturers or processors for the class.

(4) If SBA decides that there are small business manufacturers or processors in the Federal procurement market, it will deny the request for waiver, issue notice of the denial, and provide the names, addresses, and telephone numbers of the sources found. If SBA does not initially confirm the existence of small business manufacturers or processors in the Federal market, it will:

(i) Publish notices in the Commerce Business Daily and the Federal Register seeking information on small business manufacturers or processors, announcing a notice of intent to waive the Nonmanufacturer Rule for that class of products and affording the public a 15-day comment period; and

(ii) If no small business sources are identified, publish a notice in the Federal Register stating that no small business manufacturers or processors in the Federal market for the waived class of products and the waiver should be terminated.

(6) The decision by the Associate Administrator for Government Contracting to grant or deny a waiver is the final decision by the Agency.

(7) A waiver of the Nonmanufacturer Rule for classes of products has no specific time limitation. SBA will, however, periodically review existing class waivers to the Nonmanufacturer Rule to determine if small business manufacturers or processors have become available to participate in the Federal market for the waived classes of products and the waiver should be terminated.

(i) Upon SBA’s receipt of evidence that a small business manufacturer or processor exists in the Federal market for a waived class of products, the waiver will be terminated by the Associate Administrator for Government Contracting. This evidence may be discovered by SBA during a periodic review of existing waivers or may be brought to SBA’s attention by other sources.

(ii) SBA will announce its intent to terminate a waiver for a class of products through the publication of a notice in the Federal Register, asking for comments regarding the proposed termination.

(iii) Unless public comment reveals that no small business manufacturer or processor in fact exists for the class of products in question, SBA will publish a final Notice of Termination in the Federal Register.

(b) Individual waivers for specific solicitations.

(1) A contracting officer’s request for a waiver of the Nonmanufacturer Rule for specific solicitations need not be in any particular form, but must, at a minimum, include:

(i) A definitive statement of the specific item to be waived and justification as to why the specific item is required;

(ii) The solicitation number, SIC code, dollar amount of the procurement, and a brief statement of the procurement history;

(iii) A determination by the contracting officer that there are no known
Small Business Administration

small business manufacturers or processors for the requested items (the determination must contain a narrative statement of the contracting officer’s efforts to search for small business manufacturers or processors of the item and the results of those efforts, and a statement by the contracting officer that there are no known small business manufacturers for the items and that no small business manufacturer or processor can reasonably be expected to offer the required items); and

(iv) For contracts expected to exceed $500,000, a copy of the Statement of Work.

(2) Requests should be addressed to the Associate Administrator for Government Contracting, Small Business Administration, 409 3rd Street, SW., Washington, DC 20416.

(3) SBA will examine the contracting officer’s determination and any other information it deems necessary to make an informed decision on the individual waiver request. If SBA’s research verifies that no small business manufacturers or processors exist for the item, the Associate Administrator for Government Contracting will grant an individual, one-time waiver. If a small business manufacturer or processor is found for the product in question, the Associate Administrator will deny the request. Either decision represents a final decision by SBA.

§ 121.1205 How is a list of previously granted class waivers obtained?

A list of classes of products for which waivers of the Nonmanufacturer Rule have been granted will be maintained in SBA’s Procurement Automated Source System (PASS). A list of such waivers may also be obtained by contacting the Office of Government Contracting at the Small Business Administration, 409 3rd Street, SW., Washington, DC 20416, or at the nearest SBA Government Contracting Area Office.

OVERVIEW

§ 123.1 What do these rules cover?
This part covers the disaster loan programs authorized under the Small Business Act, 15 U.S.C. 636(b), (c), and (f). Since SBA cannot predict the occurrence or magnitude of disasters, it reserves the right to change the rules in this part, without advance notice, by publishing interim emergency regulations in the Federal Register.

§ 123.2 What are disaster loans and disaster declarations?
SBA offers low interest, fixed rate loans to disaster victims, enabling them to repair or replace property damaged or destroyed in declared disasters. It also offers such loans to affected small businesses to help them recover from economic injury caused by such disasters. Disaster declarations are official notices recognizing that specific geographic areas have been damaged by floods and other acts of nature, riots, civil disorders, or industrial accidents such as oil spills. These disasters are sudden events which cause severe physical damage, and do not include slower physical occurrences such as shoreline erosion or gradual land settling. Sudden physical events that cause substantial economic injury may be disasters even if they do not cause physical damage to a victim’s property. Past examples include ocean conditions causing significant displacement (major ocean currents) or closure (toxic algae blooms) of customary fishing waters, as well as contamination of food or other products for human consumption from unforeseeable and unintended events beyond the control of the victims.

§ 123.3 How are disaster declarations made?
(a) There are four ways in which disaster declarations are issued which make SBA disaster loans possible:
(1) The President declares a Major Disaster and authorizes Federal assistance, including individual assistance (temporary housing and Individual and Family Grant Assistance).
(2) SBA makes a physical disaster declaration, based on the occurrence of at least a minimum amount of physical damage to buildings, machinery, equipment, inventory, homes and other property. Such damage usually must meet the following tests:
   (i) In any county or other smaller political subdivision of a State or U.S. possession, at least 25 homes or 25 businesses, or a combination of at least 25 homes, businesses, or other eligible institutions, each sustain uninsured losses of 40 percent or more of the estimated fair replacement value or pre-disaster fair market value of the damaged property, whichever is lower; or
   (ii) In any such political subdivision, at least three businesses each sustain uninsured losses of 40 percent or more of the estimated fair replacement value or pre-disaster fair market value of the damaged property, whichever is lower, and, as a direct result of such physical damage, 25 percent or more of the work force in their community would be unemployed for at least 90 days; and
   (iii) The Governor of the State in which the disaster occurred submits a written request to SBA for a physical disaster declaration by SBA (OMB Approval No. 3245-0121). This request should be delivered to the SBA Disaster Area Office serving the region where the disaster occurred within 60 days of the date of the disaster.
(3) SBA makes an economic injury disaster declaration in response to a determination of a natural disaster by the Secretary of Agriculture.
(4) SBA makes an economic injury declaration in reliance on a state certification that at least 5 small business concerns in a disaster area have suffered substantial economic injury as a result of the disaster and are in need of financial assistance not otherwise available on reasonable terms. The state certification must be signed by the Governor, must specify the county or counties or other political subdivisions in which the disaster occurred, and must be delivered (with supporting documentation) to the servicing SBA Disaster Area Office within 120 days of the disaster occurrence.
Small Business Administration

§ 123.9

(b) SBA publishes notice of any disaster declaration in the Federal Register. The published notice will identify the kinds of assistance available, the date and nature of the disaster, and the deadline and location for filing loan applications. Additionally, SBA will use the local media to inform potential loan applicants where to obtain loan applications and otherwise to assist victims in applying for disaster loans. SBA will accept applications after the announced deadline only when SBA determines that the late filing resulted from substantial causes beyond the control of the applicant.

§ 123.4 What is a disaster area and why is it important?

Each disaster declaration defines the geographical areas affected by the disaster. Only those victims located in the declared disaster area are eligible to apply for SBA disaster loans. When the President declares a major disaster, the Federal Emergency Management Agency defines the disaster area. In major disasters, economic injury disaster loans may be made for victims in contiguous counties or other political subdivisions. Disaster declarations issued by the Administrator of SBA include contiguous counties for both physical and economic injury assistance. Contiguous counties or other political subdivisions are those land areas which abut the land area of the declared disaster area without geographic separation other than by a minor body of water, not to exceed one mile between the land areas of such counties.

§ 123.5 What kinds of loans are available?

SBA offers three kinds of disaster loans: physical disaster home loans, physical disaster business loans, and economic injury business loans. SBA makes these loans directly or in participation with a financial institution. If a loan is made in participation with a financial institution, SBA’s share in that loan may not exceed 90 percent.

§ 123.6 What does SBA look for when considering a disaster loan applicant?

There must be reasonable assurance that you can repay your loan out of your personal or business cash flow, and you must have satisfactory credit and character. SBA will not make a loan to you if repayment depends upon the sale of collateral through foreclosure or any other disposition of assets owned by you. SBA is prohibited by statute from making a loan to you if you are engaged in the production or distribution of any product or service that has been determined to be obscene by a court.

§ 123.7 Are there restrictions on how disaster loans can be used?

You must use disaster loans to restore or replace your primary home (including a mobile home used as a primary residence) and your personal or business property as nearly as possible to their condition before the disaster occurred, and within certain limits, to protect damaged or destroyed real property from possible future similar disasters.

§ 123.8 Does SBA charge any fees for obtaining a disaster loan?

SBA does not charge points, closing, or servicing fees on any disaster loan. You will be responsible for payment of any closing costs owed to third parties, such as recording fees and title insurance premiums. If your loan is made in participation with a financial institution, SBA will charge a guarantee fee to the financial institution, which then may recover the guarantee fee from you.

§ 123.9 What happens if I don’t use loan proceeds for the intended purpose?

(a) When SBA approves each loan application, it issues a loan authorization which specifies the amount of the loan, repayment terms, any collateral requirements, and the permitted use of loan proceeds. If you wrongfully misapply these proceeds, you will be liable to SBA for one and one-half times the proceeds disbursed to you as of the date SBA learns of your wrongful misapplication. Wrongful misapplication means the willful use of any loan proceeds without SBA approval contrary to the loan authorization. If you fail to use loan proceeds for authorized purposes for 60 days or more
§ 123.10 What happens if I cannot use my insurance proceeds to make repairs?

If you must pay insurance proceeds to the holder of a recorded lien or encumbrance against your damaged property instead of using them to make repairs, you may apply to SBA for the full amount needed to make such repairs. If you voluntarily pay insurance proceeds to a recorded lienholder, your loan eligibility is reduced by the amount of the voluntary payment.

§ 123.11 Does SBA require collateral for any of its disaster loans?

Generally, SBA will not require that you pledge collateral to secure a disaster home loan or a physical disaster business loan of $10,000 or less, or an economic injury disaster loan of $5,000 or less. For loans larger than these amounts, you will be required to provide available collateral such as a lien on the damaged or replacement property, a security interest in personal property, or both.

(a) Sometimes a borrower, including affiliates as defined in part 121 of this title, will have more than one loan after a single disaster. In deciding whether collateral is required, SBA will add up all physical disaster loans to see if they exceed $10,000 and all economic injury disaster loans to see if they exceed $5,000.

(b) SBA will not decline a loan if you lack a particular amount of collateral as long as it is reasonably sure that you can repay your loan. If you refuse to pledge available collateral when requested by SBA, however, SBA may decline or cancel your loan.

§ 123.12 Are books and records required?

You must retain complete records of all transactions financed with your SBA loan proceeds, including copies of all contracts and receipts, for a period of 3 years after you receive your final disbursement of loan proceeds. If you have a physical disaster business or economic injury loan, you must also maintain current and accurate books of account, including financial and operating statements, insurance policies, and tax returns. You must retain applicable books and records for 3 years after your loan matures including any extensions, or from the date when your loan is paid in full, whichever occurs first. You must make available to SBA or other authorized government personnel upon request all such books and records for inspection, audit, and reproduction during normal business hours and you must also permit SBA and any participating financial institution to inspect and appraise your assets. (OMB Approval No. 3245-0110.)

§ 123.13 What happens if my loan application is denied?

(a) If SBA denies your loan application, SBA will notify you in writing and set forth the specific reasons for the denial. Any applicant whose request for a loan is declined for reasons other than size (not being a small business) has the right to present information to overcome the reason or reasons for the decline and to request reconsideration in writing. (OMB Approval No. 3245-0122.)

(b) Any decline due to size can only be appealed as set forth in part 121 of this chapter.

(c) Any request for reconsideration must be received by the SBA office that declined the original application
within six months of the date of the declined notice. After six months, a new loan application is required.

d) A request for reconsideration must contain all significant new information that you rely on to overcome SBA’s denial of your original loan application. Your request for reconsideration of a business loan application must also be accompanied by current business financial statements.

e) If SBA declines your application a second time, you have the right to appeal in writing to the Area Director’s Office. All appeals must be received by the office that declined the prior reconsideration within 30 days of the decline action. Your request must state that you are appealing, and must give specific reasons why the decline action should be reversed.

(f) The decision of the Area Director is final unless:

(1) The Area Director does not have authority to approve the requested loan;

(2) The Area Director refers the matter to the Associate Administrator for Disaster Assistance; or

(3) The Associate Administrator for Disaster Assistance, upon a showing of special circumstances, forwards the matter to the Associate Administrator for Disaster Assistance, or designee, for final consideration. Special circumstances may include, but are not limited to, policy considerations, alleged improper acts by SBA personnel or others in processing the application, and conflicting policy interpretations between two Area Offices.

§ 123.14 How does the Federal Debt Collection Procedures Act of 1990 apply?

(a) Under the Federal Debt Collection Procedures Act of 1990 (28 U.S.C. 3201(e)), a debtor who owns property which is subject to an outstanding judgment lien for a debt owed to the United States generally is not eligible to receive physical and economic injury disaster loans. The SBA Associate Administrator for Disaster Assistance, or designee, may waive this restriction as to disaster loans upon a demonstration of good cause. Good cause means a written representation by you under oath which convinces SBA that:

(1) The declared disaster was a major contributing factor to the delinquency which led to the judgment lien, regardless of when the original debt was incurred; or

(2) The disaster directly prevented you from fulfilling the terms of an agreement with SBA or any other Federal Government entity to satisfy its pre-disaster judgment lien; in this situation, the judgment creditor must certify to SBA that you were complying with the agreement to satisfy the judgment lien when the disaster occurred; or

(3) Other circumstances exist which would justify a waiver.

(b) The waiver determination by the Associate Administrator for Disaster Assistance, or designee, is a final, non-appealable decision. The granting of a waiver does not include loan approval; a waiver recipient must then follow normal loan application procedures.

§ 123.15 What if I change my mind?

If SBA required you to pledge collateral for your loan, you may change your mind and rescind your loan pursuant to the Consumer Credit Protection Act, 15 U.S.C. 1601, and Regulation Z of the Federal Reserve Board, 12 CFR part 226. Your note and any collateral documents signed by you will be canceled upon your return of all loan proceeds and your payment of any interest accrued.

§ 123.16 How are loans administered and serviced?

(a) If you obtained your disaster loan from a participating lender, that lender is responsible for closing and servicing your loan. If you obtained your loan directly from SBA, your loan will be closed and serviced by SBA. The SBA rules on servicing are found in part 120 of this chapter.

(b) If you are unable to pay your SBA loan installments in a timely manner for reasons substantially beyond your control, you may request that SBA suspend your loan payments, extend your maturity, or both.
§ 123.17 Do other Federal requirements apply?

As a condition of disbursement, you must be in compliance with certain requirements relating to flood insurance, lead-based paint, earthquake hazards, coastal barrier islands, and child support obligations, as set forth in §§120.170 through 120.175 of this chapter.

HOME DISASTER LOANS

§ 123.100 Am I eligible to apply for a home disaster loan?

(a) You are eligible to apply for a home disaster loan if you:

(1) Own and occupy your primary residence and have suffered a physical loss to your primary residence, personal property, or both; or

(2) Do not own your primary residence, but have suffered a physical loss to your personal property. Family members sharing a residence are eligible if they are not dependents of the owners of the residence.

(b) Losses may be claimed only by the owners of the property at the time of the disaster, and all such losses will be verified by SBA. SBA will consider beneficial ownership as well as legal title (for real or personal property) in determining who suffered the loss.

§ 123.101 When am I not eligible for a home disaster loan?

You are not eligible for a home disaster loan if:

(a) You have been convicted, during the past year, of a felony during and in connection with a riot or civil disorder or other declared disaster;

(b) You acquired voluntarily more than a 50 percent ownership interest in the damaged property after the disaster, and no contract of sale existed at the time of the disaster;

(c) Your damaged property can be repaired or replaced with the proceeds of insurance, gifts or other compensation, including condemnation awards (with one exception, these amounts must either be deducted from the amount of the claimed losses or, if received after SBA has approved and disbursed a loan, must be paid to SBA as principal payments on your loan. You must notify SBA of any such recoveries collected after receiving an SBA disaster loan (OMB Approval No. 3245-0124)). The one exception applies to amounts received under the Individual and Family Grant Program of the Federal Emergency Management Agency solely to meet an emergency need pending processing of an SBA loan. In such an event, you must repay the financial assistance with SBA loan proceeds if it was used for purposes also eligible for an SBA loan;

(d) SBA determines that you assumed the risk (for example, by not maintaining flood insurance as required by an earlier SBA disaster loan when the current loss is also due to flood);

(e) Your damaged property is a secondary home (although if you rented the property out before the disaster and the property would not constitute a “residence” under the provisions of Section 280A of the Internal Revenue Code (26 U.S.C. 280A), you may be eligible for a physical disaster business loan);

(f) Your damaged property is the type of vehicle normally used for recreational purposes, such as motorhomes, aircraft, and boats;

(g) Your damaged property consists of cash or securities;

(h) The replacement value of your damaged personal property is extraordinarily high and not easily verified, such as the value of antiques, artworks, or hobby collections;

(i) You or other principal owners of the damaged property are presently incarcerated, or on probation or parole following conviction for a serious criminal offense;

(j) Your only interest in the damaged property is in the form of a security interest, mortgage, or deed of trust;

(k) The damaged building, including contents, was newly constructed or substantially improved on or after February 9, 1989, and (without a significant business justification) is located seaward of mean high tide or entirely in or over water; or

(l) You voluntarily decide to relocate outside the business area in which the disaster has occurred, and there are no special or unusual circumstances leading to your decision (business area means the municipality which provides general governmental services to your
Small Business Administration § 123.106

damaged home or, if not located in a municipality, the county or equivalent political entity in which your damaged home is located).

§ 123.102 What circumstances would justify my relocating?
SBA may approve a loan if you intend to relocate outside the business area in which the disaster has occurred if your relocation is caused by such special or unusual circumstances as:
(a) Demonstrable risk that the business area will suffer future disasters;
(b) A change in employment status (such as loss of job, transfer, lack of adequate job opportunities within the business area or scheduled retirement within 18 months after the disaster occurs);
(c) Medical reasons; or
(d) Special family considerations which necessitate a move outside of the business area.

§ 123.103 What happens if I am forced to move from my home?
If you must relocate inside or outside the business area because local authorities will not allow you to repair your damaged property, SBA considers this to be a total loss and a mandatory relocation. In this case, your loan would be an amount that SBA considers sufficient to replace your residence at your new location, plus funds to cover losses of personal property and eligible refinancing.

§ 123.104 What interest rate will I pay on my home disaster loan?
If you can obtain credit elsewhere, your interest rate is set by a statutory formula, but will not exceed 8 percent per annum. If you cannot obtain credit elsewhere, your interest rate is one-half the statutory rate, but will not exceed 4 percent per annum. Credit elsewhere means that, with your cash flow and disposable assets, SBA believes you could obtain financing from non-federal sources on reasonable terms. If you cannot obtain credit elsewhere, you also may be able to borrow from SBA to refinance existing recorded liens against your damaged real property. Under prior legislation, some SBA disaster loans had split interest rates. On any such loan, repayments of principal are applied first to that portion of the loan with the lowest interest rate.

§ 123.105 How much can I borrow with a home disaster loan and what limits apply on use of funds and repayment terms?
(a) For all disasters occurring on or after October 26, 1993, there are limits on how much money you can borrow for particular purposes:
(1) $40,000 for repair or replacement of household and personal effects;
(2) $200,000 for repair or replacement of a primary residence (including upgrading in order to meet minimum standards of safety and decency or current building code requirements). Repair or replacement of landscaping and/or recreational facilities cannot exceed $5,000;
(3) $200,000 for eligible refinancing purposes; and
(4) 20 percent of the loan amount (not including refinancing) up to a maximum of $48,000 for mitigation (see § 123.107).
(b) You may not use loan proceeds to repay any debts on personal property, secured or unsecured, unless you incurred those debts as a direct result of the disaster.
(c) SBA determines the loan maturity and repayment terms based on your needs and your ability to pay. Generally, you will pay equal monthly installments of principal and interest, beginning five months from the date of the loan, as shown on the Note securing the loan. SBA will consider other payment terms if you have seasonal or fluctuating income, and SBA may allow installment payments of varying amounts over the first two years of the loan. The maximum maturity for a home disaster loan is 30 years. There is no penalty for prepayment of home disaster loans.

§ 123.106 What is eligible refinancing?
(a) If your home (primary residence) is totally destroyed or substantially damaged, and you do not have credit elsewhere, SBA may allow you to borrow money to refinance recorded liens or encumbrances on your home. Your
§ 123.107

home is totally destroyed or substantially damaged if it has suffered uninsured or otherwise uncompensated damage which, at the time of the disaster, is either:

1. 40 percent or more of the home's market value or replacement cost at the time of the disaster, including land value, whichever is less; or
2. 50 percent or more of its market value or replacement cost at the time of the disaster, not including land value, whichever is less.

(b) Your home disaster loan for refinancing existing liens or encumbrances cannot exceed an amount equal to the lesser of $200,000, or the physical damage to your primary residence after reductions for any insurance or other recovery.

§ 123.107 What is mitigation?

Mitigation means specific measures taken by you to protect against recurring damage in similar future disasters. Examples include retaining walls, sea walls, grading and contouring land, relocating utilities and modifying structures. The money that you can borrow for mitigation is limited to the lesser of the cost of mitigation, or 20 percent of your loan to repair or replace your damaged primary residence and personal property. SBA will not accept a request for a loan increase for mitigation filed after final disbursement of your original loan because of substantial reasons beyond your control.

Physical Disaster Business Loans

§ 123.200 Am I eligible to apply for a physical disaster business loan?

(a) Almost any business concern or charitable or other non-profit entity whose real or tangible personal property is damaged in a declared disaster area is eligible to apply for a physical disaster business loan. Your business may be a sole proprietorship, partnership, corporation, limited liability company, or other legal entity recognized under State law. Your business' size (average annual receipts or number of employees) is not taken into consideration in determining your eligibility for a physical disaster business loan. If your damaged business occupied rented space at the time of the disaster, and the terms of your business' lease require you to make repairs to your business' building, you may have suffered a physical loss and can apply for a physical business disaster loan to repair the property. In all other cases, the owner of the building is the eligible loan applicant.

(b) Damaged vehicles, of the type normally used for recreational purposes, such as motorhomes, aircraft, and boats, may be repaired or replaced with SBA loan proceeds if you can submit evidence that the damaged vehicles were used in your business at the time of the disaster.

§ 123.201 When am I not eligible to apply for a physical disaster business loan?

(a) You are not eligible for a physical disaster business loan if your business is an agricultural enterprise or if you (or any principal of the business) fit into any of the categories in § 123.101. Agricultural enterprise means a business primarily engaged in the production of food and fiber, ranching and raising of livestock, aquaculture and all other farming and agriculture-related industries.

(b) Sometimes a damaged business entity (whether in the form of a corporation, limited liability company, partnership, or sole proprietorship) is engaged in both agricultural enterprise and a non-agricultural business venture. If the agricultural enterprise part of your business entity has suffered a physical disaster, that enterprise is not eligible for SBA physical disaster assistance. If the non-agricultural business venture of your entity has incurred physical disaster damage, only the non-agricultural business venture of your business entity would be eligible for SBA physical disaster assistance.

(c) If your business is going to relocate voluntarily outside the business area in which the disaster occurred,
§ 123.202 How much can my business borrow with a physical disaster business loan?

(a) Disaster business loans, including both physical disaster and economic injury loans to the same borrower, together with its affiliates, cannot exceed the greater of the uncompensated physical loss and economic injury or $1.5 million. Physical disaster loans may include amounts to meet current building code requirements. If your business is a major source of employment, SBA may waive the $1.5 million limitation. A major source of employment is a business concern which has one or more locations in the disaster area which:

(1) Employed 10 percent or more of the entire work force within the commuting area of a geographically identifiable community (no larger than a county), provided that the commuting area does not extend more than 50 miles from such community; or

(2) Employed 5 percent of the work force in an industry within the disaster area and, if the concern is a non-manufacturing concern, employed no less than 50 employees in the disaster area, or if the concern is a manufacturing concern, employed no less than 150 employees in the disaster area; or

(3) Employed no less than 250 employees within the disaster area.

(b) SBA will consider waiving the $1.5 million loan limit only if:

(1) Your damaged location or locations are out of business or in imminent danger of going out of business as a result of the disaster, and a loan in excess of $1.5 million is necessary to reopen or keep open the damaged locations in order to avoid substantial unemployment in the disaster area; and

(2) You have used all reasonably available funds from your business, its affiliates and its principal owners (20% or greater ownership interest) and all available credit elsewhere (as described in §123.104) to alleviate your physical damage and economic injury.

(c) Physical disaster business borrowers may request refinancing of liens on both damaged real property and machinery and equipment, but for an amount reduced by insurance or other compensation. To do so, your business property must be totally destroyed or substantially damaged, which means:

(1) 40 percent or more of the aggregate value (lesser of market value or replacement cost at the time of the disaster) of the damaged real property (including land) and damaged machinery and equipment; or

(2) 50 percent or more of the aggregate value (lesser of market value or replacement cost at the time of the disaster) of the damaged real property (excluding land) and damaged machinery and equipment.
§ 123.203 Loan funds allocated for repair or replacement of landscaping or recreational facilities may not exceed $5,000 unless the landscaping or recreational facilities fulfilled a functional need or contributed to the generation of business.

§ 123.203 What interest rate will my business pay on a physical disaster business loan and what are the repayment terms?

(a) SBA will announce interest rates with each disaster declaration. If your business, together with its affiliates and principal owners, have credit elsewhere, your interest rate is set by a statutory formula, but will not exceed 8 percent per annum. If you do not have credit elsewhere, your interest rate will not exceed 4 percent per annum. The maturity of your loan depends upon your repayment ability, but cannot exceed 3 years if you have credit elsewhere. Otherwise, the maximum maturity is 30 years.

(b) Generally, you must pay equal monthly installments of principal and interest, beginning five months from the date of the loan as shown on the Note. SBA will consider other payment terms if you have seasonal or fluctuating income, and SBA may allow installment payments of varying amounts over the first two years of the loan. There is no penalty for prepayment for disaster loans.

Economic Injury Disaster Loans

§ 123.300 Is my business eligible to apply for an economic injury disaster loan?

(a) If your business is located in a declared disaster area, and suffered substantial economic injury as a direct result of a declared disaster, you are eligible to apply for an economic injury disaster loan.

(1) Substantial economic injury is such that a business concern is unable to meet its obligations as they mature or to pay its ordinary and necessary operating expenses.

(2) Loss of anticipated profits or a drop in sales is not considered substantial economic injury for this purpose.

(b) Economic injury disaster loans are available only if you were a small business (as defined in part 121 of this chapter) when the declared disaster commenced, you and your affiliates and principal owners (20% or more ownership interest) have used all reasonably available funds, and you are unable to obtain credit elsewhere (see § 123.104).

(c) Eligible businesses do not include agricultural enterprises, but do include—

(1) Small nurseries affected by a drought disaster designated by the Secretary of Agriculture (nurseries are commercial establishments deriving 50 percent or more of their annual receipts from the production and sale of ornamental plants and other nursery products, including, but not limited to, bulbs, florist greens, foliage, flowers, flower and vegetable seeds, shrubbery, and sod);

(2) Small agricultural cooperatives; and

(3) Producer cooperatives.

§ 123.301 When would my business not be eligible to apply for an economic injury disaster loan?

Your business is not eligible for an economic disaster loan if you (or any principal of the business) fit into any of the categories in §§ 123.101 and 123.201, or if your business is:

(a) Engaged in gambling, lending, multi-level sales distribution, loan packaging, speculation, or investment (except for real estate investment with property held for rental when the disaster occurred);

(b) A non-profit or charitable concern;

(c) A consumer or marketing cooperative; or

(d) Not a small business concern.

§ 123.302 What is the interest rate on an economic injury disaster loan?

Your economic injury loan will have an interest rate of 4 percent per annum or less.

§ 123.303 How can my business spend my economic injury disaster loan?

(a) You can only use the loan proceeds for working capital necessary to carry your concern until resumption of normal operations and for expenditures necessary to alleviate the specific economic injury, but not to exceed that
which the business could have provided had the injury not occurred.

(b) Loan proceeds may not be used to:

(1) Refinance indebtedness which you incurred prior to the disaster event;

(2) Make payments on loans owned by another federal agency (including SBA) or a Small Business Investment Company licensed under the Small Business Investment Act;

Source: 54 FR 34712, Aug. 21, 1989, unless otherwise noted.

§ 124.1 Scope of regulations.

(a) General. (1) These regulations implement sections 8(a) and 7(j) of the Small Business Act, as amended by the Business Opportunity Development Reform Act of 1988, and Business Opportunity Development Reform Act Technical Corrections Act, (15 U.S.C. 637(a) and 636(j), as amended by Pub. L. 100–656 and Pub. L. 101–37.). Sections 8(a) and 7(j) of the Small Business Act establish the Minority Small Business and Capital Ownership Development Program or 8(a) Program. The 8(a) Program is intended to be used exclusively for business development purposes to help small businesses owned and controlled by socially and economically disadvantaged individuals, economically disadvantaged Indian tribes, including Alaska Native Corporations, and economically Native Hawaiian Organizations to compete on an equal basis in the mainstream of the American economy.

(2)(i) Except as set forth in paragraphs (a)(2)(ii) and (iii) of this section and §124.311(b) of this title, these regulations apply to all business concerns that are 8(a) Program Participants, or have 8(a) Program applications in process as of the effective date of the regulations. As noted, portions of these regulations also apply to other Federal programs for which social and economic disadvantaged status is a requirement of program eligibility. Such programs include, among others, the Small Disadvantaged Business (SDB) Set-aside and Bid Preference Programs authorized by section 1207(a) of Pub. L. 99–661 and the Minority Small Business Subcontracting Program authorized by section 8(d) of the Small Business Act (15 U.S.C. 637(d)).

(ii) Applications in process as of the effective date of these regulations, including applications that have been declined but have not received final determinations on requests for reconsideration, will not be subject to the new provisions of §124.107(a) regarding length of time in business or the new provisions of §124.109(b) which make franchises ineligible for 8(a) program participation. Such applicants will be subject to Agency policy requirements regarding potential for success and ineligible businesses which were in effect on the date of application.

(iii) Procedures described in §124.210 relating to appeal of SBA’s decline of an application are effective as to applications which are declined, after reconsideration, by the Associate Administrator for Minority Small Business and Capital Ownership Development on or after the effective date of these regulations. Procedures described in §§124.209, 124.211, relating to Program graduation, Program termination and Program suspension shall apply to concerns which SBA seeks to graduate, terminate or suspend but to which, as of the effective date of these regulations, an Order to Show Cause has not been issued pursuant to 13 CFR 124.109(k). 124.112 and 124.113 of SBA’s rules which were in effect on July 31, 1989. Proceedings relating to any concern to which SBA has issued an Order to Show Cause prior to the effective date of these regulations shall be governed by 13 CFR part 124 and part 134 as it existed on the date of the issuance of the Order to Show Cause.

(b) The 8(a) and 7(j) programs. (1) Section 8(a) authorizes SBA to enter into all types of contracts, including, but not limited to, contracts for supplies, services, construction, research and development with other Government departments and agencies and to subcontract the performance of these contracts to small business concerns owned and controlled by socially and economically disadvantaged individuals, Indian tribes or Hawaiian Native Organizations.
Small Business Administration

(2) Section 7(j) authorizes SBA to provide financial assistance to public or private organizations to pay all or part of the cost of projects designed to provide technical or management assistance to individuals or small business concerns eligible for assistance under sections 7(j), 7(j)(3), and 8(a) of the Small Business Act.

§ 124.2 Associate Administrator for Minority Small Business and Capital Ownership Development.

The Associate Administrator for Minority Small Business and Capital Ownership Development (AA/MSB&COD), who shall be an employee in the competitive service or in the Senior Executive Service, and a career appointee, is responsible for the formulation and execution of the policies and programs under sections 7(j) and 8(a) of the Small Business Act. The AA/MSB&COD operates under the ultimate supervision of, and is generally responsible to, the Administrator of SBA.

§ 124.3 Division of Program Certification and Eligibility.

The Division of Program Certification and Eligibility (Division) within the Office of Minority Small Business and Capital Ownership Development (MSB&COD) shall be responsible for handling all matters relating to 8(a) program eligibility, termination and graduation from 8(a) program participation, and certifications of disadvantaged status for purposes of any program or activity conducted under the authority of section 8(d) of the Small Business Act or any Federal law that references such section. The Division, headed by a Director who shall report directly to the AA/MSB&COD, shall have field offices within some or all of the Agency's regional offices.

§ 124.4 Commission on Minority Business Development.

A Commission on Minority Business Development (Commission) shall be established pursuant to section 505 of the Business Opportunity Development Reform Act of 1988 (Pub. L. 100-656). This Commission is authorized to review all Federal programs designed to promote the development of minority-owned businesses in order to ascertain whether the congressionally described goals and purposes of such programs are being realized.

§ 124.5 Violations.

Willful violation by an applicant for admission to the section 8(a) program or an applicant for participation in the section 7(j) program or any of SBA's regulations governing these or its other programs may result in the applicant's denial of admission to the program. The nature and severity of any such violation will be considered by the AA/MSB&COD in making a determination on the admission of an applicant to the program.

§ 124.6 Penalties for misrepresentations and false statements.

(b) Misrepresentation of small business or small disadvantaged business status.

The Business Opportunity Development Reform Act of 1988 (Pub. L. 100-656) increased the penalties for intentional misrepresentation of small business status or small disadvantaged business status. Generally, section 16(d) of the Small Business Act provides that any person or entity that intentionally misrepresents the status of any concern or person as a "small business concern" or "small business concern owned and controlled by socially and economically disadvantaged individuals" in order to obtain for himself or another any of the contracting opportunities set forth in paragraph (b)(1) of this section will be subject to the penalties set forth in paragraph (b)(2) of this section. The following contracting opportunities are subject to penalties for misrepresentation described in this section:

(i) A prime contract to be awarded pursuant to section 9 (Small Business Innovation Research Program authority) or section 15 (various small business set-aside authorities) of the Small Business Act;

(ii) A subcontract to be awarded pursuant to section 8(a) of the Small Business Act;
(iii) A subcontract that is to be included as part or all of a goal contained in a subcontracting plan required pursuant to section 8(d) of the Small Business Act; or

(ii) The administrative remedies prescribed by the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. 3801-3812) and implementing regulations in part 142 of this chapter;

(iii) Suspension and debarment as specified in 13 CFR part 145 of subpart 9.4 of the Federal Acquisition Regulation (FAR) (48 CFR subpart 9.4), or any successor regulation, on the basis that such misrepresentation indicates a lack of business integrity that seriously and directly affects the present responsibility of a person or entity to transact business with the Federal government; and

(iv) Ineligibility for participation in any program or activity conducted under the authority of the Small Business Act or the Small Business Investment Act of 1958 (15 U.S.C. 661, et seq.) for a period not to exceed 3 years.

(c) Misrepresentation concerning compliance with competitive mix targets. Section 16(f) of the Small Business Act, as amended by Public Law 100-656, imposes the penalties set forth in paragraph (b)(2) of this section on any person or entity that falsely certifies past compliance with the requirements of section 7(j)(10)(i) of the Small Business Act which deals with competitive business mix and attainment of business activity targets (see §124.312).

§124.7 Restrictions on fees for applicant and Participant representatives.

(a) General. A new firm which has made such definite commitments in order to enter a manufacturing business which will later qualify it for the 8(a) program, shall not be barred from 8(a) approval because it has not yet done any manufacturing; however, this interpretation is not intended to qualify a firm whose arrangements to use space, equipment, or personnel are contingent upon 8(a) approval. (a) In order to be eligible to participate in the 8(a) program, an applicant concern and an individual upon whom 8(a) eligibility is based must meet all of the eligibility criteria set forth in §§ 124.102 through 124.109 hereunder. If the application is declined on reconsideration based solely on a negative finding of social disadvantage, economic disadvantage, ownership or control, such decline may be appealed by an unsuccessful applicant to the Office of Hearings and Appeals. If no reconsideration is sought, or if after reconsideration, the application is declined based in whole or in part on a ground other than a negative finding of social disadvantage, economic disadvantage, ownership or control, the written decline of the AA/MSB&COD is final and not subject to appeal. Appeal procedures for a decline of program admission by the AA/MSB&COD and grounds for which such an appeal may be brought are set forth in § 124.210 and part 134 of this title. The written decision of the Office of Hearings and Appeals shall be the final Agency decision. (b) If the AA/MSB&COD is unable to determine that an applicant concern qualifies as a small business, the AA/MSB&COD may deny the concern’s application for 8(a) program admission or may request a formal size determination from the appropriate regional office. If the application is so denied, the small business concern may request a formal size determination from the appropriate regional office pursuant to §124.208 and §124.209.

(c)(1) It is SBA’s intent to process applications for participation in a fair and consistent manner and to ensure that 8(a) program participation is limited to eligible individuals and concerns. Toward that end, SBA invites the participation of the public in preventing fraud and assuring the integrity of the 8(a) program.

(2) The AA/MSB&COD shall cause to be reviewed any determination that an individual, applicant concern or Participant is eligible to participate in the 8(a) program whenever a member of the public submits credible evidence that

(i) Such determination was based on fraudulent information;

(ii) SBA did not follow the requirements of these regulations in rendering the determination; or

(iii) The individual or concern has undergone one or more changes which have rendered it ineligible for 8(a) Program Participation.

(3) The AA/MSB&COD shall determine whether the facts developed during any such review warrant further action. The member of the public whose information gave rise to the review shall be advised of SBA’s findings, consistent with laws protecting confidentiality.

54 FR 34712, Aug. 21, 1989, as amended at 60 FR 29974, June 7, 1995

§ 124.103 Ownership requirements.

Except for concerns owned by Indian tribes, Alaska Native Corporations, Native Hawaiian Organizations, or Community Development Corporations, as
Small Business Administration § 124.103

defined in §124.110, in order to be eligible to participate in the 8(a) program, an applicant concern must be at least 51 percent unconditionally owned by an individual(s) who is a citizen of the United States (specifically excluding permanent resident alien(s)) and who is determined by SBA to be socially and economically disadvantaged. Special ownership requirements for concerns owned by Indian tribes and Alaska Native Corporations are set forth in §124.112. Ownership requirements for Native Hawaiian Organizations are set forth in §124.113. Ownership requirements for Community Development Corporations are set forth in §124.114.

(a) In the case of an applicant concern which is a partnership, 51 percent of the partnership interest must be unconditionally owned by an individual(s) determined by SBA to be socially and economically disadvantaged. Such unconditional ownership must be reflected in the concern's partnership agreement.

(b) In the case of an applicant concern which is a corporation, 51 percent of each class of voting stock and 51 percent of the aggregate of all outstanding shares of stock must be unconditionally owned by an individual(s) determined by SBA to be socially and economically disadvantaged. Such unconditional ownership must be reflected in the concern's partnership agreement.

(c) SBA will not find unconditional ownership if socially and economically disadvantaged individual(s) asserts ownership of a concern on the basis of unexercised stock options or other arrangements.

(d) When determining ownership for purposes of 8(a) program eligibility, SBA will consider options to purchase stock held by nondisadvantaged individuals or entities, or to rights to convert non-voting stock or debentures held by nondisadvantaged individuals or entities into voting stock, to have been exercised. However, any potential ownership interests (such as options or warrants) held by investment companies licensed under the Small Business Investment Act of 1958 shall not be treated as ownership interests until exercised.

(e)(1) The individual(s) upon whom eligibility is based must receive at least 51 percent of the annual distribution of dividends paid on the voting stock of a corporate applicant concern;

(2) In the event that the stock is sold, the individual(s) upon whom eligibility is based must be entitled to receive 100 percent of the value of each share of stock in his/her possession;

(3) In the event of dissolution of the corporation, the individual(s) upon whom eligibility is based must be entitled to receive at least 51 percent of the retained earnings of the concern and 100 percent of the value of each share of stock in his/her possession;

(f) One 8(a) concern may not hold more than a 10 percent equity ownership interest in any other 8(a) concern.

(g) Except for partners or shareholders which are financial institutions licensed or chartered by Federal, state or local government, including investment companies which are licensed under the Small Business Investment Act of 1958, an individual, whether or not disadvantaged, or entity, who/which is a partner, stockholder, officer and/or director in an 8(a) concern is prohibited from simultaneously holding an equity ownership interest exceeding 10 percent in another 8(a) concern. In no case shall an ownership interest in an 8(a) concern held by any such financial institution exceed 49 percent. The restrictions of this paragraph are not intended to affect the ability of an 8(a) concern to participate in any joint venture agreement that meets the requirements of §124.321.

(h) A non-8(a) concern in the same or similar line of business is prohibited from having an equity ownership interest in an 8(a) concern which exceeds 10 percent, except that a former Program Participant (except those that have been terminated from 8(a) program participation pursuant to §124.209) may have an equity ownership interest of up to 20 percent in a current 8(a) concern in the same or similar line of business. The restrictions of this paragraph are not intended to affect the ability of an 8(a) concern to participate in any joint venture agreement that meets the requirements of §124.321.

(i) An 8(a) business concern may continue participation in the program subsequent to a change in its 8(a) ownership, provided that SBA gave prior written approval to such change.
§ 124.104 Control and management.

Except for concerns owned by Indian tribes, Alaska Native Corporations (ANCs), Native Hawaiian Organizations, or Community Development Corporations (CDCs), as defined in § 124.100, an applicant concern’s management and daily business operations must be conducted by one or more owners of the applicant concern who have been determined to be socially and economically disadvantaged. (See § 124.112 for the requirements for tribally-owned entities and those owned by ANC’s, § 124.113 for requirements for concerns owned by Native Hawaiian Organizations, and § 124.114 for requirements for CDC-owned concerns). In order for a disadvantaged individual to be found to control the concern, that individual must have managerial or technical experience and competency directly related to the primary industry in which the applicant concern is seeking certification.

(a)(1) An applicant concern must be managed on a full-time basis by one or more individuals who have been found by SBA to be socially and economically disadvantaged, and such person(s) must possess requisite management or technical capabilities as determined by SBA. In addition, for those industries requiring professional licensing (i.e., public accountancy, law, professional engineering, etc.), SBA must determine that the applicant concern or individuals employed by the applicant concern hold(s) the requisite license(s).

(2) At least one socially and economically disadvantaged full-time manager must hold the position of President or Chief Executive Officer. This precludes outside employment or any other business interest by the individual which conflicts with the management of the firm or hinders it in achieving the objectives of its business development plan. Any disadvantaged person upon whom 8(a) eligibility is based, who is engaged in the management and daily business operations of the 8(a) concern and who wishes to engage in outside employment must notify SBA of the nature and anticipated duration of the outside employment and obtain the written approval of SBA, prior to engaging in such employment. SBA will review such notification for compliance with the requirement of day-to-day management and control of the 8(a) concern.

(b) The socially and economically disadvantaged individual(s) upon whom eligibility is based shall control the Board of Directors of an applicant or 8(a) concern, either in actual numbers of voting directors or through weighted voting (e.g., in a concern having a two-person Board of Directors where one individual on the Board is disadvantaged and one is not, the disadvantaged vote must be weighted—worth more than one vote—in order for the concern to be eligible for 8(a) participation.) This does not preclude the appointment of non-voting or honorary Directors so as to allow the firm to have a varied and experienced Board of Directors. All arrangements regarding the structure and voting rights of the Board must comply with applicable state law.

(c) Individuals who are not socially and economically disadvantaged may be involved in the management of an applicant concern, and may be stockholders, partners, officers, and/or directors of such concern. Such individual(s), their spouses or immediate family members who reside in the individual’s household may not however:
Small Business Administration § 124.105

(1) Exercise actual control or have the power to control the applicant or 8(a) concern.

(2) Be an officer or director or more than a 10% owner, stockholder, or partner of another firm in the same or similar line of business as the applicant or 8(a) concern.

(3) Receive excessive compensation from the applicant or 8(a) concern as directors, officers or employees. Individual compensation from the concern in any form, including dividends, which is paid to a nondisadvantaged owner, his/her spouse or immediate family member residing in the same household will be deemed excessive if it exceeds the compensation to be received by the Chief Executive Officer or, if no Chief Executive Officer, the President; provided that, with the written consent of the AA/MSB&COD or designee, the Chief Executive Officer or President may elect to take a lower salary than such a nondisadvantaged individual if it is demonstrated to be in the best interest of the applicant or 8(a) concern.

(4) Be former employers of the disadvantaged owner(s) of the applicant or 8(a) concern, unless it is determined by the AA/MSB&COD that the contemplated relationship between the former employer and the disadvantaged individual or applicant concern does not give the former actual control or the potential to control the applicant or 8(a) concern and such relationship is in the best interests of the 8(a) concern.

(5) Have an equity ownership interest of more than 10 percent in another 8(a) concern.

(d) Nondisadvantaged individuals or entities may be found to control or have the power to control in any of the following circumstances, which are illustrative only and not all inclusive:

(1) Nondisadvantaged individuals control the voting Board of Directors of the 8(a) concern, either directly through majority voting membership, or indirectly, if the by-laws allow nondisadvantaged individuals to block any action proposed by the disadvantaged individuals through negative control. For example, an equal number of disadvantaged and nondisadvantaged voting directors could create negative control.

(2) A nondisadvantaged individual, as an officer or member of the Board of Directors of the 8(a) concern, or through stock ownership, has the power to control day-to-day direction of the business affairs of the concern.

(3) The nondisadvantaged individual or entity provides critical financial or bonding support or licenses to the 8(a) concern which directly or indirectly allows the nondisadvantaged individual to gain control or direction of the 8(a) concern.

(4) A nondisadvantaged individual or entity exercises voting control of the Participant through a nominee(s).

(5) A nondisadvantaged individual or entity controls the corporation or the individual disadvantaged owners through loan arrangements.

(6) Other contractual relationships exist with nondisadvantaged individuals or entities, the terms of which would create control over the disadvantaged concern.

[54 FR 34712, Aug. 21, 1989, as amended at 60 FR 29975, June 7, 1995]

§ 124.105 Social disadvantage.

(a) General. Socially disadvantaged individuals are those who have been subjected to racial or ethnic prejudice or cultural bias because of their identities as members of groups without regard to their individual qualities. The social disadvantage must stem from circumstances beyond their control. For social disadvantage relating to Indian tribes and Alaska Native Corporations, see §124.112(a).

(b) Members of designated groups. (1) In the absence of evidence to the contrary, the following individuals are presumed to be socially disadvantaged: Black Americans; Hispanic Americans; Asian Pacific Americans (persons with origins from Burma, Thailand, Malaysia, Indonesia, Singapore, Brunei, Japan, China, Taiwan, Laos, Cambodia, Kampuchea, Vietnam, Korea, The Philippines, U.S. Trust Territory of the Pacific Islands (Republic of Palau), Republic of the Marshall Islands, Federated States of Micronesia, the Commonwealth of the Northern Mariana Islands, Guam, Samoa, Macao, Hong Kong, Fiji, Tonga, Kiribati, Tuvalu, or
(2) An individual seeking socially disadvantaged status as a member of a designated group may be required to demonstrate that he/she holds himself/herself out and is identified as a member of a designated group if SBA has reason to question such individual's status as a group member.

(c) Individuals not members of designated groups. (1) An individual who is not a member of one of the above-named groups must establish his/her individual social disadvantage on the basis of clear and convincing evidence. A clear and convincing case of social disadvantage must include the following elements:

(i) The individual's social disadvantage must stem from his or her color, ethnic origin, gender, physical handicap, long-term residence in an environment isolated from the mainstream of American society, or other similar cause not common to small business persons who are not socially disadvantaged.

(ii) The individual must demonstrate that he or she has personally suffered social disadvantage, not merely claim membership in a non-designated group which could be considered socially disadvantaged.

(iii) The individual's social disadvantage must be rooted in treatment which he or she has experienced in American society, not in other countries.

(iv) The individual's social disadvantage must be chronic and substantial, not fleeting or insignificant.

(v) The individual's social disadvantage must have negatively impacted on his or her entry into and/or advancement in the business world. SBA will entertain any relevant evidence in assessing this element of an applicant's case. SBA will particularly consider and place emphasis on the following experiences of the individual, where relevant:

(A) Education. SBA shall consider, as evidence of an individual's social disadvantage, denial of equal access to institutions of higher education; exclusion from social and professional association with students and teachers; denial of educational honors; social patterns or pressures which have discouraged the individual from pursuing a professional or business education; and other similar factors.

(B) Employment. SBA shall consider, as evidence of an individual's social disadvantage, discrimination in hiring; discrimination in promotions and other aspects of professional advancement; discrimination in pay and fringe benefits; discrimination in other terms and conditions of employment; retaliatory behavior by an employer; social patterns or pressures which have channelled the individual into nonprofessional or non-business fields; and other similar factors.

(C) Business history. SBA shall consider, as evidence of an individual's social disadvantage, unequal access to credit or capital; acquisition of credit or capital under unfavorable circumstances; discrimination in receipt (award and/or bid) of government contracts; discrimination by potential clients; exclusion from business or professional organizations; and other similar factors which have impeded the individual's business development.

(d) Socially disadvantaged group inclusion—(1) General. Upon an adequate preliminary showing to SBA by representatives of an identifiable group that the group has suffered chronic racial or ethnic prejudice or cultural bias, and upon the request of the representatives of the group that SBA do so, SBA shall publish in the FEDERAL REGISTER a notice of its receipt of a request that it consider a group not specifically named in paragraph (b)(1) of this section to have members which are socially disadvantaged because of their identification as members of the group for the purpose of eligibility for the 8(a) program. The notice shall adequately identify the group making the request, and if a hearing is requested on the matter and such request is granted, the time, date and location at which such hearing is to be held. All
§ 124.106 Economic disadvantage.

(a) Economic disadvantage for the 8(a) program. (1)(i) For purposes of the 8(a) program, economically disadvantaged individuals are socially disadvantaged individuals whose ability to compete in the free enterprise system has been impaired due to diminished capital and credit opportunities as compared to others in the same or similar line of business who are not socially disadvantaged, and such diminished opportunities have precluded or are likely to preclude such individuals from successfully competing in the open market. In determining economic disadvantage for purposes of 8(a) program eligibility, SBA shall compare the applicant concern's business and financial profile with profiles of businesses in the same or similar line of business which are not owned and controlled by socially and economically disadvantaged individuals.

(ii) This program is not intended to assist concerns owned and controlled by socially disadvantaged individuals who have accumulated substantial wealth, who have unlimited growth potential or who have not experienced or have overcome impediments to obtaining access to financing, markets and resources.

(iii) For economic disadvantage as it relates to tribally-owned concerns, see § 124.112(b)(2).

(2) Factors to be considered. In determining the degree of diminished credit and capital opportunities of a socially disadvantaged individual, SBA will consider factors relating both to the applicant concern and to the individual(s) claiming disadvantaged status. Factors fall into three general categories:

(i) Personal financial condition of the individual(s) claiming disadvantaged status, including the individual's access to credit and capital; the financial condition of the applicant concern; and the applicant concern's access to credit, capital and markets.

(ii) Personal financial condition of the individuals claiming disadvantaged status. This criterion is designed to assess the relative degree of economic disadvantage of the individual, as well as the individual's potential to capitalize or otherwise provide financial support for the business. The specific factors to
§ 124.106 13 CFR Ch. 1 (1–1–98 Edition)

be considered include, but are not limited to: the individual’s personal income for at least the past two years; total fair market value of all assets; and the individual’s personal net worth. Subject to the exclusions set forth in paragraph (a)(2)(i)(B) of this section, an individual whose personal net worth exceeds $250,000 will not be considered economically disadvantaged for purposes of 8(a) program entry. For personal net worth thresholds relating to continued 8(a) program eligibility, see §124.111(a).

(A)(1) Except as provided in paragraph (a)(2)(i)(A)(2) of this section, when married, an individual upon whom eligibility is based shall submit a financial statement relating to his/her personal finances and a separate financial statement relating to his/her spouse’s personal finances. A married applicant individual residing in any of the community property states or territories of the United States (e.g., Arizona, California, Idaho, Louisiana, Nevada, New Mexico, Puerto Rico, Texas, Washington and Wisconsin) must clearly identify on his or her financial statement those assets which are his or her separate property and those which are community property. The spouse of such married applicant must similarly identify on his or her financial statement those assets which are his or her separate property and those which are community property. A one-half interest in the assets identified as community property will be attributed to the applicant individual for purposes of determining economic disadvantage. Assets or a community property interest in assets, which applicant spouse has transferred to a non-applicant spouse within 2 years of the date of application to the 8(a) program will be presumed to be the property of the applicant spouse for purposes of determining his/her personal net worth. However, such presumption shall not apply to any applicant spouse who is subject to a legal separation recognized by a court of competent jurisdiction. A financial statement of a spouse of an applicant is not required if the individual and his/her spouse are subject to a legal separation recognized by a court of competent jurisdiction. However, an applicant individual must include on his or her statement all community property in which he or she has an interest.

(2) Except for concerns where both spouses are individuals upon whom eligibility is based, the requirement of paragraph (a)(2)(i)(A)(1) of this section, relating to the separate financial statements, applies only to determinations of economic disadvantage for purposes of 8(a) program entry. For a concern where both spouses are individuals upon whom program eligibility is based, the personal net worth of each spouse individually will be considered for program certification and for continued program eligibility.

(B) Whenever SBA calculates the personal net worth of an individual claiming disadvantaged status for purposes of the 8(a) program, SBA shall exclude the individual’s ownership interest in the applicant or participating 8(a) concern and the equity in his/her primary personal residence, but shall not exclude any portion of such equity in his/her primary residence which is attributable to excessive withdrawals from the applicant or participating 8(a) concern.

(C) Whenever SBA calculates the personal net worth of an individual claiming to be an Alaska Native, as defined in §124.100, for purposes of qualifying an individually owned 8(a) applicant concern, SBA shall include assets and income from sources other than an Alaska Native Corporation, as defined in §124.100, and shall exclude from such calculation any of the following which the individual receives from any Alaska Native Corporation:

(1) Cash (including cash dividends on stock received from a Native Corporation) to the extent that it does not, in the aggregate, exceed $2,000 per individual per annum;

(2) Stock (including stock issued or distributed by a Native Corporation as a dividend or distribution on stock);

(3) A partnership interest;

(4) Land or an interest in land (including land or an interest in land received from a Native Corporation as a dividend or distribution on stock); and

(5) An interest in a settlement trust.
(ii) Business financial condition. This criterion will be used to provide a financial picture of a firm at a specific point in time in comparison to other concerns in the same or similar line of business which are not owned and controlled by socially and economically disadvantaged individuals. In evaluating a concern's financial condition, SBA's consideration will include, but not be limited to, the following factors: business assets, revenues, pre-tax profit, working capital and net worth of the concern, including the value of the investments in the concern held by the individual claiming disadvantaged status.

(iii) Access to credit and capital. This criterion will be used to evaluate the ability of the applicant concern to obtain the external support necessary to operate a competitive business enterprise. In making the evaluation, SBA shall consider the concern's access to credit and capital, including, but not limited to, the following factors: access to long-term financing; access to working capital financing; equipment trade credit; access to raw materials and/or supplier trade credit; and bonding capability.

(b) Economic disadvantage for the 8(d) Subcontracting Program, Small Disadvantaged Business Set-Asides, Small Disadvantaged Business Evaluation Preferences and for any other Federal procurement programs requiring SBA's determination of disadvantaged status. (1) For purposes of the section 8(d) Subcontracting Program and other programs requiring SBA's determination of disadvantaged status, economically disadvantaged individuals are socially disadvantaged individuals whose ability to compete in the free enterprise system has been impaired due to diminished capital and credit opportunities, as compared to others in the same or similar line of business and whose diminished opportunities have precluded or are likely to preclude such individuals from successfully competing in the open market. In determining economic disadvantage for the section 8(d) Subcontracting program, Small Disadvantaged Business set-asides and Small Disadvantaged Business Evaluation preferences, SBA will consider the factors set forth in paragraph (a) of this section but will apply standards to each factor that are less restrictive than those applied when determining economic disadvantage for purposes of the 8(a) program. This approach corresponds to the Congressional intent that partial or complete achievement of a concern's 8(a) program business development goals should not necessarily preclude its participation in other Federal procurement programs for concerns owned and controlled by socially and economically disadvantaged individuals.

(2) An individual whose personal net worth exceeds $750,000 as calculated pursuant to paragraph (a)(2)(i) of this section, will not be considered economically disadvantaged for purposes of section 8(d) of the Small Business Act (15 U.S.C. 637(d)) or any other Federal procurement program which uses section 8(d) for its definition of economic disadvantage.

§ 124.107 Potential for success.

Except for tribally-owned applicant concerns which must meet the requirements of §124.112(c)(6), SBA will approve a concern for Program Participation only when it finds that the applicant concern possesses reasonable prospects for success in competing in the private sector and has been in business in its primary industry classification for two full years, unless a waiver for the two-year in business requirement is granted pursuant to paragraph (b) of this section.

(a) Unless a waiver is granted pursuant to paragraph (b) of this section, an applicant concern must demonstrate that it has been in business in the primary industry classification in which it seeks 8(a) certification for two full years prior to the date of its 8(a) application by submitting income tax returns showing revenues for each of the two previous years.

(b) The requirement that an applicant concern be in business for two full years may be waived, and the concern shall be considered to have demonstrated reasonable prospects for success, if each of the five conditions set forth in paragraph (b)(1) of this section are met.
§ 124.108 Additional 8(a) program eligibility requirements.

(a) Individual character review. If, during the processing of an application, adverse information is obtained from the 8(a) program applicant or a credible source regarding possible criminal conduct by an applicant concern or any of its principals, no further action will be taken on the application until SBA’s Inspector General has evaluated that information and has advised the AA/MSB&COD of his or her findings. The AA/MSB&COD will consider those findings when evaluating the application.

(b) Standards of conduct. The SBA Standards of Conduct regulations, 13 CFR Ch. I (1-1-98 Edition) § 124.108 (1) The two-year in business requirement may be waived if—
(i) The individual or individuals upon whom eligibility is to be based have substantial and demonstrated business management experience;
(ii) The prospective Program Participant has demonstrated technical experience to carry out its business plan with a substantial likelihood for success;
(iii) The prospective Program Participant has adequate capital to sustain its operations and carry out its business plan;
(iv) The prospective Program Participant has a record of successful performance on contracts from governmental and/or nongovernmental sources in the primary industry category in which the prospective Program Participant is seeking Program certification; and
(v) The prospective Program Participant has, or can demonstrate its ability to timely obtain, the personnel, facilities, equipment, and any other requirements needed to perform such contracts.

(2) In order to be eligible for a waiver of the two-year in business requirement, an applicant concern that has been in business for less than two years must indicate in its application that it seeks a waiver, must provide information on governmental and nongovernmental contracts in progress and completed (including letters of reference) to establish successful contract performance, and must demonstrate how it otherwise meets the five conditions for waiver.

(3) SBA shall consider an applicant’s performance on both government and private sector contracts if the applicant has performed contracts in both arenas. In such a case, an applicant’s performance on both types of contracts will be reviewed to determine whether the firm has an overall successful performance record. If, however, the applicant has performed only government contracts or only private sector contracts, the applicant’s performance on those contracts alone will be reviewed to determine whether the applicant possesses a record of successful performance.

(c) In determining whether a concern has the potential for success, SBA will look at a number of factors including, but not limited to, the technical and managerial experience and competency of the individual(s) upon whom eligibility is based, the financial capacity of the applicant concern and the concern’s record of performance on previous Federal and private sector contracts in the primary industry in which the concern is seeking 8(a) certification. SBA will examine each of these factors to determine whether the otherwise eligible applicant concern has the potential to successfully perform subcontracts awarded under the 8(a) program and to meet the business development objectives and goals of the program.

(d) An applicant concern shall not be denied admission into the program due solely to a determination that specific contract opportunities are unavailable to assist in the development of the concern unless:
(1) The Government has not previously procured and is unlikely to procure the types of products or services offered by the concern; or
(2) The purchase of such products or services by the Federal Government will not be in quantities sufficient to support the developmental needs of the applicant and other Program Participants providing the same or similar items or services.

§ 124.109 Ineligible businesses.

(a) Brokers and packagers. Brokers and packagers are ineligible to participate in the 8(a) program. These types of businesses do not satisfy the definition of a manufacturer or regular dealer, as stated in §124.100.

(b) Franchises. Except for those admitted to the 8(a) program prior to the effective date of these regulations, franchisees are ineligible to participate in the section 8(a) program.

(c) Debarred or suspended person or concern. Pursuant to 48 CFR part 9, subpart 9.4, or 13 CFR part 145, individuals or concerns who are debarred, suspended, voluntarily excluded from Federal programs, including the 8(a) program, or are found to be ineligible for Federal programs, including the 8(a) program, by any agency of the Federal Government are ineligible for admission into the 8(a) program during the
§ 124.110 Program term.

(a) Each concern certified for program participation on or after November 15, 1988, is subject to a Program Term of nine years from the date of such certification. The term will consist of two stages: the developmental stage and the transitional stage, which are described in §124.303. Nothing in this subsection shall be construed to limit SBA from initiating graduation, termination or suspension actions pursuant to §§124.208, 124.209 and 124.211 or to prohibit a Participant from voluntarily withdrawing from the program.

(b) A concern is subject to a revised Program Term if the following conditions are met:

(1) The concern was a Program Participant as of September 1, 1988 or was approved for 8(a) Program Participation between September 1, 1988 and November 15, 1988; and

(2) The concern did not voluntarily withdraw from the 8(a) program and was not graduated or terminated pursuant to §§124.208 and 124.209 between September 1, 1988 and November 15, 1988.

(c) The revised Program Term shall be the greater of nine years from the date of the Participant’s first contract pursuant to section 8(a) or the Participant’s Fixed Program Participation Term (FPPT) expiration date, including any extension thereof, plus 18 months.

(d) Once a Program Term has been established or revised in accordance with this section, SBA is statutorily prohibited from extending such term beyond the specified expiration date.

§ 124.111 Continued 8(a) program eligibility.

(a) Standards. (1) Except as set forth in paragraph (a)(2) of this section, in order for a concern to remain eligible for 8(a) program participation, it must continue to meet all eligibility criteria contained in §124.101 through §124.109. Failure to do so may cause SBA to initiate a graduation or termination proceeding in accordance with §§124.208 and 124.209.

(2) In order for a Program Participant to maintain continued 8(a) program eligibility, the net worth of an individual claiming to be socially and economically disadvantaged cannot exceed $750,000, as calculated pursuant to §124.106(a)(2)(ii). An individual whose personal net worth exceeds $750,000, as calculated pursuant to §124.106(a)(2)(i), will not be considered economically disadvantaged.
Small Business Administration § 124.112

(b) Submissions supporting continued eligibility. As part of an annual review, each Program Participant shall annually submit to the Division of Program Certification and Eligibility and to the servicing field office the following:

(1) A certification that it meets the 8(a) program eligibility requirements as set forth in §§124.101 through 124.109 and paragraph (a) of this section;
(2) A personal financial statement for each disadvantaged owner;
(3) A record of all payments, compensation, and distribution (including loans, advances, salaries and dividends) made by the Participant to each of its owners or to any person or entity affiliated with such owners; and
(4) Such other information as SBA may deem necessary. For other required annual submissions, see §124.501.

(c) Economic disadvantage eligibility reviews. (1) Upon receipt of specific and credible information alleging that a Program Participant no longer meets the requirements of economic disadvantage for continued program eligibility, SBA shall conduct a review of the concern’s eligibility for continued participation in the Program.
(2)(i) If, based on information received from the Participant or elsewhere, SBA has reason to believe that the Participant no longer meets the standards of economic disadvantage as set forth in §124.106 or paragraph (a) of this section, SBA shall conduct a review to determine whether the Participant and its disadvantaged owners continue to meet such standards.
(ii) Sufficient reasons for SBA to conclude that an 8(a) Participant is no longer economically disadvantaged may include, but are not limited to: demonstrated access of the concern and/or its owners to a substantial new source of capital or loans, an unusually large amount of funds withdrawn from the concern by its owners, or personal net worth of the disadvantaged owner(s) which exceeds the threshold described in paragraph (a) of this section, not including the owner’s equity in the 8(a) concern and in his/her primary personal residence.
(3) If SBA determines, pursuant to paragraphs (c)(1) or (c)(2) of this section, that a Program Participant and/or its disadvantaged owner(s) are no longer economically disadvantaged, SBA shall initiate a graduation or a termination proceeding under §§124.208 and 124.209.
(4) If, based on information received from the Participant or elsewhere, SBA has reason to believe that an excessive amount of funds or other assets has been withdrawn from the Participant for the personal benefit of the disadvantaged owner(s) or that of any person or entity affiliated with such owner(s), SBA shall conduct a review to determine whether such withdrawal was detrimental to the achievement of the targets, objectives and goals of the Participant’s business plan.
(5) If SBA determines, pursuant to paragraph (c)(4) of this section, that funds or other assets have been withdrawn to the detriment of the achievement of the targets, objectives and goals of the Participant’s business plan, SBA shall initiate a termination proceeding under §124.209 or shall require an appropriate reinvestment of funds or other assets and such other actions as SBA may deem necessary to counteract the detrimental withdrawals as a condition of maintaining program eligibility.

(d) Eligibility Reviews. If, on the basis of information submitted pursuant to paragraph (b) of this section or upon information received from any source, SBA has reason to believe the Program Participant no longer meets the eligibility criteria (other than economic disadvantage), SBA shall conduct a review of the Participant’s 8(a) program eligibility. If as a result of such review, SBA determines such Participant may no longer be eligible for program participation, SBA shall initiate termination proceedings under §124.209.

§124.112 Concerns owned by Indian tribes, including Alaska Native Corporations.

(a) General. (1) Small business concerns owned by Indian tribes (or wholly owned business entities of such tribes) are eligible for participation in the section 8(a) program, provided that certain conditions are met as described
§ 124.112
13 CFR Ch. I (1–1–98 Edition)

below. The term “Indian tribe” is defined in §124.100.

(2) Small business concerns owned and controlled by Indian tribes are generally considered socially and economically disadvantaged for purposes of participation in programs authorized by section 8(d) of the Small Business Act, section 1207(a) of the Defense Authorization Act of 1987 and any other program, except the 8(a) program, which requires social and economic disadvantaged status as a condition of eligibility. If the disadvantaged status of a tribally-owned concern is challenged under subpart B of this part, SBA will evaluate the concern’s disadvantaged status using the criteria set forth in this section.

(3) Small business concerns owned and controlled by Alaska Native Corporations (ANCs) are eligible for participation in the 8(a) program, subject to the same conditions as apply to tribally-owned concerns which are described at paragraphs (b) through (e) of this section, with the following exceptions which apply solely to ANC-owned concerns:

(i) Alaska Natives and descendants of Natives must own a majority of both the total equity of the ANC and the total voting powers to elect directors of the ANC through their holdings of settlement common stock. Settlement common stock means stock of an ANC issued pursuant to 43 U.S.C. 1606(g)(1), which is subject to the rights and restrictions listed in 43 U.S.C. 1606(h)(1).

(ii) An ANC that meets the requirements set forth in paragraph (a)(3)(i) of this section shall be deemed economically disadvantaged and need not establish that it is economically disadvantaged pursuant to paragraph (b)(2) of this section. See section 29(e) of the Alaska Native Claims Settlement Act, 43 U.S.C. 1628(e).

(iii) Even though an ANC can be either for profit or non-profit, a small business concern owned and controlled by ANC must be for profit to be eligible for the 8(a) program. The concern will be deemed owned and controlled by the ANC for purposes of program eligibility so as to satisfy paragraph (c)(3) of this section where the majority of stock or other ownership interest is held by the ANC and holders of its settlement common stock. Both a majority of the total equity and total voting power must be so held.

(iv) Paragraphs (b)(3) (i) and (ii) of this section are not generally applicable to an ANC, provided its status as an ANC is clearly shown in its articles of incorporation and by-laws. Additionally, paragraph (c)(1) of this section is not applicable to the ANC-owned concern to the extent it requires an express waiver of sovereign immunity or a “sue and be sued” clause.

(v) The Alaska Native Claims Settlement Act provides that a concern minority-owned by an ANC shall be deemed to be both owned and controlled by such ANC. Therefore, an individual responsible for control and management of an ANC-owned 8(a) applicant or Participant need not establish personal social and economic disadvantage.

(b) Tribal eligibility. In order to qualify a concern which it owns and controls for participation in the 8(a) program, an Indian tribe itself must meet the conditions set forth in paragraphs (b)(1) and (b)(2) of this section. Once an Indian tribe has so established its disadvantaged status, it need not reestablish such status in order to have other businesses that it owns certified for 8(a) Program Participation, unless specifically required to do so by the AA/MSB&COD or his/her designee. The AA/MSB&COD, or designee, may require proof of tribal eligibility during the Program Participation of any tribally-owned business or at any time during the processing of an 8(a) program application from a tribally-owned concern. However, nothing in this paragraph affects the requirement that each tribally-owned concern seeking to be certified for 8(a) Program Participation comply with the provisions of paragraph (c) of this section.

(1) Social disadvantage. An Indian tribe meeting the definition set forth in §124.100 shall be deemed socially disadvantaged.

(2) Economic disadvantage. In order to be eligible to participate in the 8(a) Program the Indian tribe must demonstrate to SBA that the tribe itself is economically disadvantaged. This shall involve the consideration of available
data showing the tribe’s economic condition, including but not limited to, the following information:

(i) The number of tribal members.
(ii) The present tribal unemployment rate.
(iii) The per capita income of tribal members, excluding judgment awards.
(iv) The percentage of the local Indian population below the poverty level.
(v) The tribe’s access to capital markets.
(vi) The tribal assets as disclosed in a current tribal financial statement. The statement should list all assets including those which are encumbered or held in trust, but the status of those encumbered or trust assets should be clearly delineated.
(vii) A list of all wholly or partially owned tribal enterprises or affiliates and the primary industry classification of each, as defined in §124.100. The list must also specify the members of the tribe who manage or control such enterprises or serve as officers or directors.

(3) Application process—forms and documents required. Except as provided in paragraph (a)(3)(iv) of this section, in order to establish tribal eligibility to qualify for the 8(a) program, the Indian tribe must submit the forms and documents required of 8(a) applicants generally as well as the following material:

(i) A copy of the tribe’s governing document(s) such as its constitution or business charter.
(ii) Evidence of its recognition as a tribe eligible for the special programs and services provided by the United States or by its state of residence.
(iii) Copies of its articles of incorporation and bylaws as filed with the organizing or chartering authority, or similar documents needed to establish and govern a non-corporate legal entity.
(iv) Documents or materials needed to show the tribe’s economically disadvantaged status as described in paragraph (b)(2) of this section.

(c) Business eligibility. In order to be eligible to participate in the 8(a) program, a concern which is owned by an eligible Indian tribe (or wholly owned business entities of such tribe) must meet the conditions set forth in paragraphs (c)(1) through (c)(6) of this section.

(1) Legal business entity organized for profit and susceptible to suit. The applicant or participating concern must be a separate and distinct legal entity organized or chartered by the tribe, or Federal or state authorities. Except as provided in paragraph (a)(3)(iv) of this section, the concern’s articles of incorporation must contain express sovereign immunity waiver language, or a “sue and be sued” clause which designates United States Federal Courts to be among the courts of competent jurisdiction for all matters relating to SBA’s programs including, but not limited to, 8(a) Program Participation, loans, advance payments and contract performance. Also, the concern must be organized for profit, and the tribe must possess economic development powers in the tribe’s governing documents.

(2) Size. (i) A tribally-owned applicant concern must qualify as a small business concern as defined for purposes of Government procurement in part 121 of this title. The particular size standard to be applied shall be based on the primary industry classification of the applicant concern.
(ii) Except as provided in paragraph (c)(2)(iii) of this section, a tribally-owned Program Participant must certify to SBA that it is a small business pursuant to the provisions of part 121 of this title for the purpose of performing each individual contract which it is awarded.
(iii) In determining the size of a small business concern owned by a socially and economically disadvantaged Indian tribe (or a wholly owned business entity of such tribe) for either 8(a) program entry or contract award, each firm’s size shall be determined independently without regard to its affiliation with the tribe, any entity of the tribal government, or any other business enterprise owned by the tribe, unless the Administrator determines that one or more such tribally-owned business concerns have obtained, or are likely to obtain, a substantial unfair competitive advantage within an industry category.
(iv) During its Program Term, a tribally-owned Program Participant may,
§ 124.112

for up to five 8(a) contracts, be a party to a joint venture which exceeds the applicable size standard, if the joint venture is:

(A) 51 percent or more owned and controlled by the tribally-owned Participant;
(B) Is located on the tribe's reservation or land owned by such tribe;
(C) Performs most of its activities on such reservation or tribally-owned land; and
(D) Employs members of the tribe for at least 50 percent of its total workforce.

(3) Ownership. For corporate entities, a tribe must own at least 51 percent of the voting stock and at least 51 percent of the aggregate of all classes of stock. For non-corporate entities, a tribe must own at least a 51 percent interest. No Indian tribe shall own more than one current or former 8(a) Program Participant having the same primary industry classification. Tribally-owned Program Participants are subject to the provisions of paragraphs (g) and (h) of §124.103 relating to ownership by nondisadvantaged individuals and non-8(a) concerns.

(4) Control and management. (i) Except for concerns owned by ANCs, the management and daily business operations of a tribally-owned concern must be controlled by an individual member(s) of an economically disadvantaged tribe, who does not manage and control more than one other tribally-owned 8(a) Program Participant. In addition, such manager(s) must be found to possess the requisite management or technical capabilities as determined by SBA. This paragraph does not preclude management of a tribally-owned concern by committees, teams, or Boards controlled by such individuals.

(ii) Members of the tribal council shall not participate in the daily management or on the board of directors of any tribally-owned 8(a) concern without obtaining prior written approval for such participation from SBA.

(iii) Except as permitted by paragraph (c)(4)(i) of this section, members of the management team, business committee members, officers, and directors are precluded from engaging in any outside employment or other business interests which conflict with the management of the concern or prevent the concern from achieving the objectives set forth in its business development plan. This is not intended to preclude participation in tribal or other activities which do not interfere with such individual’s responsibilities in the operation of the applicant concern.

(5) Location and economic benefit. The primary economic benefits from the concern must accrue to the tribe. A concern located on a designated Indian reservation or on tribally-owned land will be presumed to provide an economic benefit, such as employment, to the tribal community. SBA may approve a location not on tribally-owned land, if the applicant concern can demonstrate that similar economic benefits will accrue to the tribal community.

(6) Potential for success. (i) SBA will approve a tribally-owned concern, including a concern owned by an Alaska Native Corporation (ANC), for 8(a) Program participation only when it finds that:

(A) Either the applicant concern has been in business in its primary industry classification for two full years or a waiver is granted pursuant to paragraph (c)(6)(ii); and
(B) The concern meets the requirements of paragraph (c)(6)(iii) regarding potential success.

(ii) The AA/MSB&COD will waive the two year in business requirement for a tribally-owned concern if he/she finds that the concern has a marketing and development strategy for meeting the 8(a) program competitive business mix requirements of §124.312 without undue dependence on one or more contracts anticipated to be awarded under 8(a) program authority.

(iii) In determining whether a tribally-owned concern has the potential for success, SBA will look at a number of factors including, but not limited to:

(A) The technical and managerial experience and competency of the individual(s) who will manage and control the daily operations of the tribally-owned concern;
(B) The financial capacity of the tribally-owned concern; and
Small Business Administration

§ 124.114

(C) The concern’s record of performance on any previous Federal or private sector contract in the primary industry in which the concern is seeking 8(a) certification.

(7) Other eligibility criteria. (i) A tribally-owned applicant concern shall not be denied admission into the 8(a) program due solely to a determination that specific contract opportunities are unavailable to assist the development of the concern unless:

(A) The Government has not previously procured and is unlikely to procure the types of products or services offered by the concern; or

(B) The purchase of such products or services by the Federal Government will not be in quantities sufficient to support the developmental needs of the applicant and other Program Participants providing the same or similar items or services.

(d) Individual eligibility limitation. (1) Concerns owned by Indian tribes except those owned by Alaska Native Corporations. The Small Business Act, as amended, provides that the 8(a) requirements regarding management and daily business operations are met if a tribally-owned concern is controlled by one or more members of the economically disadvantaged Indian tribe. The statute does not require that such individual be found by SBA to be personally socially and economically disadvantaged. Therefore, SBA does not deem an individual involved in the management or daily business operations of the tribally-owned concern to have used his or her individual eligibility within the meaning of § 124.108(c).

(e) Existing Section 8(a) Firms. Tribally-owned concerns presently in the section 8(a) program must comply with the requirements of this section within 12 months from the effective date of these regulations. Failure to do so may result in the commencement of section 8(a) program termination proceedings.

§ 124.113 Concerns owned by Native Hawaiian Organizations.

Concerns owned by economically disadvantaged Native Hawaiian Organizations as defined in § 124.100 are eligible for participation in the 8(a) program and other federal programs requiring SBA to determine social and economic disadvantage as a condition of eligibility. Such concerns must meet all eligibility criteria set forth in §§ 124.102 through 124.109 and § 124.111(a) of this part.

§ 124.114 Concerns owned by Community Development Corporations.

(a) Concerns owned at least 51% by Community Development Corporations (CDCs), as defined in § 124.100, are eligible for participation in the 8(a) program and other federal programs requiring SBA to determine social and economic disadvantage as a condition of eligibility. Such concerns must meet all eligibility criteria set forth in §§ 124.102 through 124.109 and § 124.111(a) of this part.

(b) A concern that is at least 51% owned by a CDC shall be deemed to be controlled by such CDC and eligible for participation in the 8(a) program, provided it meets all eligibility criteria set forth or referred to in this section and its management and daily business operations are conducted by one or more individuals determined to have managerial or technical experience and competency directly related to the primary industry in which the applicant concern is seeking certification.

(c) A concern owned by a CDC must qualify as a small business concern as defined for purposes of Government procurement in part 121 of this title.
§ 124.201

The particular size standard to be applied shall be based on the primary industry classification of the applicant concern. Ownership by the CDC will not, in and of itself, cause affiliation with the CDC or with other CDC-owned entities. However, affiliation with the CDC or other CDC-owned entities may be caused by circumstances other than common CDC ownership.

(d) No CDC shall own more than one current or former 8(a) Program Participant having the same primary industry classification.

(e) SBA does not deem an individual involved in the management or daily business operations of a CDC-owned concern to have used his or her individual eligibility within the meaning of §124.108(c).

[60 FR 29975, June 7, 1995]

§ 124.201 8(a) Program application.

It is SBA’s policy that any concern or any individual on behalf of such business has the right to apply for 8(a) Program Participation whether or not there is an appearance of eligibility. However, concerns which have not been in business for two full years as described §124.107 will not be approved for 8(a) Program Participation.

§ 124.202 Place of filing.

An application for 8(a) program admission is to be filed in the SBA field office serving the territory in which the principal place of business, as defined in §124.100, is located. The field office will provide an applicant concern with information regarding the 8(a) program, and with all required application forms. An 8(a) application will be processed by the appropriate SBA regional office of the Division of Program Certification and Eligibility.

§ 124.203 Servicing office.

Once approved, a Program Participant will be served in the field office serving the territory in which the concern’s principal place of business, as defined in §124.100, is located.

§ 124.204 Applicant representatives.

Subject to the limitations of §124.7, an applicant concern may employ at its option outside representatives in connection with an application for 8(a) Program Participation. If the applicant chooses to employ outside representation such as an attorney, accountant, or others, the requirements of part 103 of this title dealing with the appearance and compensation of persons appearing before SBA are applicable to the conduct of the representative. In addition, representation in proceedings before the Office of Hearings and Appeals shall be limited as provided in §134.16 of this title.

§ 124.205 Forms and documents required.

Each 8(a) applicant concern must submit the forms and attachments thereto required by SBA when making application for admission to the 8(a) program. Such forms and attachments will include, but are not limited to, financial statements and Federal personal and business tax returns.

§ 124.206 Approval and decline of applications for 8(a) program admission.

(a) General. The AA/MSB&COD is authorized to approve or decline applications for admission to the 8(a) program. However, denials of program admission based on his/her finding that the individual(s) claiming social and economic disadvantage are not socially and/or economically disadvantaged and/or that such individual(s) does (do) not own and/or does (do) not control the applicant concern, may be appealed to SBA’s Office of Hearings and Appeals (OHA). The Division of Program Certification and Eligibility (the Division) will receive, review and evaluate all 8(a) applications. The Division will advise each program applicant within 15 days after the receipt of an application whether such application is complete and suitable for evaluation and, if not, what additional information or clarification is required to complete the application. SBA will process an application for 8(a) Program Participation within 90 days of receipt by the Division of a complete application package. Incomplete application packages will not be processed.

(b) Approval. If the AA/MSB&COD finds that the applicant concern meets all eligibility criteria, he/she shall
Small Business Administration § 124.206

issue an approval letter to the concern. The date of the approval letter shall be the date of program certification for purposes of determining the concern’s Program Term pursuant to §124.110. A concern is not approved for participation in the 8(a) program until an approval letter is sent by the AA/MSB&COD to the concern. Up until that event occurs, any new information which could have an adverse affect on the application may be considered by the AA/MSB&COD. An applicant is not entitled to receive program benefits of any kind until a participation agreement is signed and SBA has approved the concern’s business plan pursuant §124.301.

(c) Decline. If the AA/MSB&COD finds that an applicant concern does not meet all eligibility criteria, he/she will provide written notification of this finding to the applicant in a letter of decline. The letter of decline shall set forth findings based on the facts and in accordance with law and regulations for every material issue relating to each eligibility factor with specific reasons for each finding. The letter of decline shall inform the applicant of its rights to request reconsideration of the AA/MSB&COD’s decision and/or to appeal such decision.

(1) Reconsideration. Every applicant has the right to request that the AA/MSB&COD reconsider his/her decline decision. Such request must be made in writing to the appropriate regional office of the Division by certified mail, return receipt requested, within 45 days of the date of service of the decline letter. As part of the reconsideration request, the applicant should include any additional information and documentation pertinent to overcoming the reason(s) for the initial decline. If the concern requests reconsideration, the AA/MSB&COD will issue a written determination on the reconsideration within 45 days of receipt of the request by the Regional Office of the Division which processed the original application. The Agency’s eligibility analysis on reconsideration will consider all eligibility factors in light of all information then available to the Agency, and may approve the application, decline it for any of the same reasons cited in the initial decline or decline it for reasons not previously identified. If, on reconsideration, the AA/MSB&COD finds that the applicant concern meets all eligibility criteria, he/she shall issue an approval letter to the concern. The date of the approval letter shall be the date of program certification for purposes of determining the concern’s Program Term pursuant to §124.110. If, on reconsideration, the AA/MSB&COD determines that the concern does not meet all eligibility criteria, he/she will notify the applicant of this decision by letter. Such letter shall set forth findings based on the facts and in accordance with law and regulations for every material issue relating to each eligibility factor with specific reasons for each finding. If the concern is being declined solely for reasons not identified in the initial decline, the concern will be advised that SBA will treat the decline as an initial decline, and that the concern will be afforded all rights which were available to it on its initial decline.

(2) Appeal. An unsuccessful applicant will have the right to appeal its decline to OHA if the application is denied based solely on a negative finding of one or more of the following criteria: social disadvantage, economic disadvantage, ownership or control. The applicant, at its option, may bring such appeal either after the initial decline or after a decline on reconsideration. Petitions of appeal must conform to the requirements of §124.210 and will be handled in accordance with the procedures contained in §124.220 and part 134 of this title.

(3) Final Agency Decision. If a declined applicant does not request reconsideration of the decline or, if eligible under paragraph (c)(2) of this section, a declined applicant does not file an appeal with OHA within 45 days of the date of service of the decline letter, the determination of the AA/MSB&COD will become the final Agency decision. If the application is denied on reconsideration and the applicant does not appeal or have the right to appeal the denial under paragraph (c)(2) of this section, the decision of the AA/MSB&COD is the final Agency decision. If the applicant is entitled under paragraph (c)(2)
§ 124.207 of this section to an appeal, and exercises that right, the decision of the Administrative Law Judge shall be the final Agency decision.

(4) Reapplication for Program Participation. A concern which has been declined for 8(a) program admission may reapply for admission to the program 12 months after the date of the final Agency decision to decline.

§ 124.207 8(a) Program exit.

A concern participating in the 8(a) program may leave the program by any of the following means:

(a) Voluntary withdrawal.

(b) Expiration of the Program Term established pursuant to § 124.110;

(c) Graduation pursuant to the provisions of § 124.208;

(d) Termination pursuant to the provisions of § 124.209.

§ 124.208 Program graduation.

(a) General. When an 8(a) concern is recognized as successfully completing the 8(a) program by substantially achieving the targets, objectives and goals set forth in its business plan prior to the expiration of its Program Term, and has demonstrated the ability to compete in the marketplace without assistance under the 8(a) program, its participation within the program may be determined by SBA to be completed and the firm may be graduated from the program.

(b) Graduation criteria. In determining whether a concern has substantially achieved the goals and objectives of its business plan and has attained the ability to compete in the marketplace without 8(a) program assistance, the following factors, among others, shall be considered by SBA. Positive overall financial trends, including but not limited to:

(1) Profitability;

(2) Sales, including improved ratio of non-8(a) sales to 8(a) sales;

(3) Net worth, financial ratios, working capital, capitalization, access to credit and capital;

(4) Ability to obtain bonding;

(5) A positive comparison of the 8(a) concern’s business and financial profile with profiles of non-8(a) businesses in the same area or similar business category; and

(6) Good management capacity and capability.

(c) Graduation procedures. (1) Letter of notification. Upon determination by the SBA pursuant to paragraph (b) of this section that an 8(a) concern should be graduated from the 8(a) program, SBA shall notify the Participant in writing of its intent to graduate in a letter of notification. The letter of notification shall set forth findings, based on the facts and in accordance with law and regulations, for every material issue relating to the basis of the program graduation with specific reasons for each finding. The letter of notification shall also provide the Participant 45 days from the date of service of the letter to submit in writing information which would explain why the proposed basis of graduation is not warranted.

(2) Recommendation of the Division. Following the 45 day response period, the Division Director will consider the facts of the proposed graduation, including all information submitted by the Participant. If the Division Director determines that graduation is not appropriate, he/she will so notify the Participant within 15 days of the close of the response period. If the Division Director determines that graduation is appropriate, he/she will so notify the Participant within 45 days from the date of service of the letter to submit in writing information which would explain why the proposed basis of graduation is not warranted.

(3) Decision of the AA/MSB&COD. Upon the recommendation of the Division Director, the AA/MSB&COD will consider the proposed graduation and the written record supporting it. If the AA/MSB&COD determines that program graduation is warranted, he/she will issue a Notice of Program Graduation to the Participant. If not, he/she will so notify the Participant.

(4) Notice requirements. A Notice of Program Graduation shall conform to the form, filing and service requirements of part 134 of this title, under which the appeal proceeding shall be conducted. The Notice of Program Graduation shall set forth findings, based on the facts and in accordance with law and regulations, for every material issue relating to the basis of the program graduation with specific reasons for each finding. The Notice of Program Graduation shall also advise
§ 124.209 Program termination.

(a) General. Participation of a 8(a) business concern in the 8(a) program may be terminated by SBA prior to the expiration of the concern’s Program Term for good cause. Examples of good cause include, but are not limited to, the following:

(1) Failure by the concern to continue to maintain its eligibility for program participation.

(2) Failure by the concern to maintain its status as a small business under the Small Business Act, as amended, and the regulations promulgated thereunder. See §124.102.

(3) Failure by the concern for any reason, including the death of an individual upon whom eligibility was based, to maintain ownership, full-time day-to-day management, and control by the person(s) who has (have) been determined to be socially and economically disadvantaged pursuant to these regulations.

(4) Failure by the concern to obtain written approval from SBA for any changes in ownership, management or control pursuant to §§124.103 and 124.104.

(5) Failure by the concern to disclose to SBA the extent to which nondisadvantaged persons or firms participate in the management of the section 8(a) business concern.

(6) A demonstrated pattern of failing to make required submissions or responses to the Administration in a timely manner, including:

(i) Failure by the concern to provide required financial statements to SBA pursuant to §§124.312(b)(4), 124.312(c)(7), and 124.501(c). Failure to provide SBA with requested tax returns, reports, or other available data within 30 days of the date of request.

(ii) Failure by the concern to submit an updated business plan within 30 days of receipt of request, without an extension of time which has been approved by SBA.

(iii) Failure by the concern to provide documents or certifications of continued eligibility or otherwise respond to requests for information relating to the section 8(a) program from SBA or other authorized government officials within the time frames provided for in the requests.

(7) Cessation of business operations by the concern.

(8) Failure by the concern to achieve the goals cited in its original or modified business plan as a result of repeated refusals to accept or utilize SBA assistance.

(9) Failure by the concern to pursue competitive and commercial business in accordance with the business plan, or failure to make reasonable efforts to achieve competitive status.

(10) Failure by the concern to engage in business practices that will promote its competitiveness within a reasonable period of time as evidenced by, among other indicators, a pattern of inadequate performance or unjustified delinquent performance or terminations for default with respect to contracts awarded under the authority of section 8(a).

(11) A pattern of inadequate performance of awarded section 8(a) procurement subcontracts by the concern.

(14) Diversion of funds or other assets from the section 8(a) business concern or excessive withdrawals from such concern for the personal benefit of its disadvantaged owners or any person or entity affiliated with such owners.
which is detrimental to the achievement of the targets, objectives, and goals contained in such Program Participant’s business plan.

(15) Unauthorized use of business development expense funds and/or advance payment funds and/or SBA direct, guaranty or immediate participation loan proceeds; or violation of an advance payment, business development expense agreement, or loan agreement.

(16) Failure by the concern to obtain prior SBA approval of any management agreement, joint venture agreement or other agreement relative to the performance of a section 8(a) subcontract. Violation of any requirement of a management, joint venture, or other agreement approved by SBA by either the section 8(a) concern or one of the joint venturers.

(17) Failure by the concern to obtain approval from SBA before subcontracting under a section 8(a) subcontract, or failure by the concern to abide by any conditions imposed by SBA upon such approval.

(18) Violation by the concern of a section 8(a) subcontract provision which prohibits contingent fees and gratuities; or failure to disclose to SBA fees paid or to be paid, or costs incurred or committed to third parties, directly or indirectly, in the process of obtaining section 8(a) contracts or subcontracts, or violation of §124.7.

(19) Knowing submission of false information to SBA, including false certification of compliance with non-8(a) business activity targets under §124.312(c)(11), on behalf of a section 8(a) business concern by its principals, officers, or agents, or by its employees, where the principal(s) or the section 8(a) concern knows or should have known such submission to be false.

(20) Debarment, suspension, voluntary exclusion, or ineligibility of the concern or its principals pursuant to 13 CFR part 145, FAR subpart 9.4, 48 CFR Ch. 1, and 48 CFR Ch. 22, or any successor regulation.

(21) Conviction of the concern, the individual(s) upon whom 8(a) program eligibility is based, or the director, officer or manager of tribally-owned concern, including one owned by an Alaska Native Corporation, or concern owned by a Hawaiian organization, based on any offense indicating a lack of business integrity including, but not limited to:

(i) Commission of a criminal offense as an incident to obtaining or attempting to obtain a public or private contract, or subcontract thereunder, or in the performance of such contract or subcontract;

(ii) Violation of the Organized Crime Control Act of 1970 (Pub. L. 91±452; 84 Stat. 922);

(iii) Embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property, or any other offense indicating a lack of business integrity or business honesty which seriously and directly affects the question of present responsibility as a government contractor;

(iv) Violation of any Federal anti-trust statute;

(v) Commission of any felony not specifically listed above; or

(22) Conviction of a nondisadvantaged owner, officer, or director of the concern for any offense described in paragraph (a)(21) of this section, provided that one or more disadvantaged owners or officers of the concern abetted, conspired with or otherwise acquiesced in the owner’s or officer’s commission of the offense.

(23) Willful failure on behalf of an 8(a) business concern to comply with applicable labor standards and obligations.

(24) Violation of any terms and conditions of the 8(a) Program Participation Agreement.

(25) Willful violation by an 8(a) business concern, or any of its principals, of any rule or regulation of the Administration pertaining to material issues.

(b) Termination procedures. (1) Letter of notification. When SBA determines that grounds exist to terminate a concern’s participation in the 8(a) program pursuant to this section, SBA shall notify the Participant in writing of its intent to terminate in a letter of notification. The letter of notification shall set forth findings, based on the facts and in accordance with law and regulations, for every material issue relating
§ 124.210 Appeals to SBA's Office of Hearings and Appeals.

(a) Except as provided in paragraph (d) of this section, an applicant concern or Program Participant shall be afforded the opportunity to appeal any of the following Agency determinations:

(1) Denial of program admission based solely on a negative finding(s) of social disadvantage, economic disadvantage, ownership or control pursuant to §124.206;

(2) Graduation pursuant to §124.208;

(3) Termination pursuant to §124.209;

(4) Denial of a request to issue a waiver pursuant to §124.317.

(b) The applicant or Participant concern may initiate such appeal by filing a petition in accordance with part 134 of this title with SBA's Office of Hearings and Appeals (OHA) within 45 days of the date of service of the final Agency determination pursuant to paragraph (a) of this section. In addition to the requirements of §134.203(a), the petition shall state, with specific reference to the determination and the record supporting such determination, the reasons why the determination is alleged to be arbitrary, capricious or contrary to law. Concurrent with its filing with OHA, the concern shall also serve the AA/MSB&COD and SBA's Office of General Counsel with a copy of the petition, including attachments. In the context of appeals relating to denials of program admission pursuant to §124.206 or denials of requests for waivers pursuant to §124.317, service on the Office of General Counsel shall be made by personal delivery or certified mail.
return receipt requested, to SBA’s Associate General Counsel for General Law. For appeals relating to graduation pursuant to §124.208 or termination pursuant to §124.209, service on the Office of General Counsel shall be made by personal delivery or certified mail, return receipt requested, to SBA’s Associate General Counsel for Litigation. Service should be addressed to the AA/MSB&COD and either Associate General Counsel at the Small Business Administration, 409 3rd Street, SW., Washington, DC 20416.

(c) Appeal proceedings brought under the authority of this section shall be conducted by an Administrative Law Judge.

(d) The Administrative Law Judge selected to preside over an appeal shall decline to accept jurisdiction over any matter if:

(1) The appeal does not, on its face, allege facts that, if proven to be true, would warrant reversal or modification of the determination, including appeals of proposed denials of 8(a) program admission which have been based in whole or in part on grounds other than a negative finding of social disadvantage, economic disadvantage, ownership or control;

(2) The appeal is untimely filed under §134.202 or is not otherwise filed in accordance with the requirements of this section and the rules of procedure set forth in part 134 of this title;

(3) The matter has been decided or is the subject of an adjudication before a court of competent jurisdiction over such matters.

(e) Once the Administrative Law Judge accepts jurisdiction over an appeal, subsequent initiation of an adjudication of the matter by a court of competent jurisdiction will not preclude the Administrative Law Judge from rendering a final decision on the matter.

(f) Proceedings conducted under the authority of this section shall be conducted in accordance with the provisions of this section and part 134 of this title.

(g) Unless it is established that the convenience and necessity of the parties requires otherwise, in the sole discretion of the Administrative Law Judge, any oral hearing conducted with respect to an appeal pursuant to paragraph (a) of this section shall be held in the Washington, DC area.

(h)(1) Except as provided in paragraph (h)(3) of this section, any proceeding conducted under the authority of paragraph (a) of this section shall be decided solely on a review of the written administrative record. The determination by the AA/MSB&COD or a designee for matters related to paragraphs (a)(1), (a)(2), and (a)(3) of this section, and the determination by the Administrator for matters related to paragraph (a)(4) of this section, shall be sustained unless such determination is found to be arbitrary, capricious, or contrary to law.

(2) If the Administrative Law Judge determines that, due to the absence in the written administrative record of the reasons upon which the determination in question was based, such administrative record is insufficiently complete to decide whether the determination is arbitrary and capricious or contrary to law, the case shall be remanded by the Administrative Law Judge to the AA/MSB&COD for further consideration in accordance with the terms of such remand. Such remand shall be for a period of no more than 10 working days. The ALJ shall retain jurisdiction of the matter during such period as the matter is on remand.

(3)(i) Neither the admission of evidence beyond the written administrative record, nor any form of discovery, will be permitted in proceedings under this section unless it is first determined by the Administrative Law Judge that the applicant concern or Participant, upon written submission, has made a substantial showing, based upon credible evidence, and not mere allegation, that the Agency determination in question may have resulted from bad faith or improper behavior. Prior to any such determination, the Agency shall be afforded an opportunity to respond in writing to the submission of the applicant concern or Participant. Upon a determination by the Administrative Law Judge that the applicant concern or Participant has made such a substantial showing, the Administrative Law Judge may permit
§ 124.211 Suspension of program assistance.

(a) At any time after the issuance of an initial letter of notification of termination pursuant to § 124.209(b)(1), the AA/MSB and COD may suspend contract support and all other forms of 8(a) program assistance to that concern for a period of time not to exceed the time necessary to resolve the issue of the concern's termination from the program under the procedures set forth in § 124.209 and in part 134 of this title. The institution of such a suspension will not occur in conjunction with each proposed termination, but will only occur when SBA determines that suspension of the concern's program participation is needed to protect the interests of the Government. For example, SBA will generally find that it is in the best interests of the Government to suspend a Participant where the proposed termination is based on fraud or the submission of false statements or program ineligibility.

(b) Immediately upon SBA's determination to suspend an 8(a) concern, SBA will furnish that concern with a Notice of Suspension by certified mail, return receipt requested, to the last known address of the concern. If no receipt is returned within ten calendar days from the mailing of the notice, notice will be presumed to have occurred as of that time. The Notice of Suspension will provide the following information:

(1) The reason(s) for the suspension;

(2) A statement that the suspension will continue pending the completion of further investigation or final program termination proceeding or some other specified period of time;

(3) Notice that awards of competitive and non-competitive section 8(a) subcontracts, including those which have been "self-marketed" by an 8(a) concern, will not be made during the pendency of the suspension unless it is determined by the head of the relevant procuring agency or his/her authorized representative to be in the best interest of the Government to do so, and SBA adopts that determination;

(4) Notice that the concern is obligated to complete previously awarded section 8(a) subcontracts;

(5) Notice that the suspension is effective nationally throughout the SBA;

(6) A statement that a request for a hearing on the suspension will be considered by an Administrative Law Judge in SBA's Office of Hearings and Appeals (OHA), and granted or denied as a matter of his/her discretion.

(7) A statement that the firm's Program Term is suspended effective the date of the suspension and that it will resume only if the concern's participation in the program is not terminated.

(c) It is contemplated that in most cases a hearing on the issue of the suspension will be afforded if the Participant requests one. However, no hearing shall be granted if the suspension is based upon advice from either the Department of Justice or the Department of Labor that such a hearing would prejudice substantial interests of the Government.

(d) The applicant concern may appeal a Notice of Suspension by filing a petition in accordance with part 134 of this title with OHA within 30 days of the
§ 124.300 Business development.

The regulations at §124.301 through §124.321 address the provision of various forms of assistance to 8(a) Program Participants to promote the business development of such concerns. Such assistance includes financial, management and technical assistance, and contract support.

§ 124.301 Development of business plan.

(a) General. In order to assist the SBA in determining the business development needs of each 8(a) Program Participant, each such Participant shall develop a comprehensive business plan, setting forth the Participant's business targets, objectives, and goals. The business plan shall be submitted to the SBA servicing field office in final form promptly after the Participant's receipt of notice of certification to participate in the 8(a) program. The Participant will not be eligible for 8(a) Program benefits, including contracts until the SBA approves its business plan. The approved business plan will constitute the Participant's short and long term goals and the strategy for developmental growth to the point of economic viability independent of the 8(a) program.

(b) Standard Industrial Classification (SIC) code designations. The concern's primary industry classification as defined in §124.100 and all related secondary Standard Industrial Classification (SIC) code designations shall be stated in an 8(a) concern's original business plan. Such SIC codes may be changed, and new SIC codes may be added to the
Small Business Administration

§ 124.302

business plan, however, where the conditions of §124.302(c) are met. Once admitted to the 8(a) program, a concern will only be permitted to perform 8(a) contracts which are classified under approved SIC codes which appear in its business plan. An 8(a) concern may receive a Federal contract classified under a SIC code not contained in its business plan where the contract is not awarded through the section 8(a) program.

(c) Contents of business plan. The initial business plan shall contain at least the following:

(1) An analysis of market potential, competitive environment, and other business analyses estimating the Program Participant’s prospects for profitable operations during the term of program participation and after graduation;

(2) An analysis of the Program Participant’s strengths and weaknesses, with particular attention paid to the means of correcting any financial, managerial, technical, or labor conditions which could impede the Participant from receiving contracts other than those awarded through the 8(a) Program;

(3) Specific targets, objectives, and goals for the business development of the Participant during the next two years, utilizing the results of the analyses conducted pursuant to paragraphs (c)(1) and (c)(2) of this section;

(4) Estimates of contract awards pursuant to section 8(a) and from other sources which would be needed by the Participant to meet the specific targets, objectives and goals for the years covered by the business plan; and

(5) Such other information as SBA may require.

§ 124.302 Review and modification of business plan.

(a) Annual review. Each Participant shall annually review its currently approved business plan with the Business Opportunity Specialist (BOS) and shall modify such plan as may be appropriate. Any modified plan shall be submitted to the BOS for approval. A currently approved plan shall be considered the applicable plan for all program purposes until the SBA approves in writing a modified plan. SBA shall establish an anniversary date for review of the Participant’s business plan and contract support forecasts. The annual review of a Participant’s business plan will generally occur within 15 working days before or after the anniversary of the firm’s certification of 8(a) eligibility.

(b) Contract support forecast. Each Participant shall annually forecast in writing its needs for contract awards for the next program year and the succeeding program year during the review of its business plan conducted under paragraph (a) of this section. Such forecast shall be included in the Participant’s business plan. The forecast shall include:

(1) The aggregate dollar value of contract support to be sought under section 8(a) (sole source and competitive), reflecting compliance with the business mix requirements of §124.312;

(2) The aggregate dollar value of non-8(a) contracts to be sought;

(3) The types of contract opportunities being sought, identified by the appropriate Standard Industrial Classification (SIC) code; and

(4) Such other information as may be requested by the SBA to aid in providing effective business development assistance to the Participant.

(c) Changes in SIC code designations.

(1) Requests for changes in SIC code designations stated in a business plan shall be approved by SBA if it is determined that:

(ii) A sound business explanation exists for obtaining the requested SIC code, including, for example, the acquisition of the capability to perform contracts in an industry, even if unrelated to the 8(a) concern’s primary SIC code;

(B) The 8(a) concern has demonstrated capacity and capability to perform in the requested SIC code; and

(C) Other applicable eligibility criteria (Walsh-Healey Act, the non-manufacturer rule, size rules, etc.) appear to be met; or

(ii) SBA erred in omitting a previously requested and supported SIC code, improperly classifying a business industry or making a typographical or other error in its letter of approval to the 8(a) concern.
(2) SBA will make a decision on such request within 30 days from the date it receives the request.

(d) Transition management plan. Beginning in the first year of the transitional stage of program participation under §124.303, each Participant shall annually submit for inclusion in its business plan a transition management plan outlining specific steps to promote profitable business operations after graduation. The transition management plan should be submitted to the BOS at the same time other modifications are submitted pursuant to the annual review under paragraph (a) of this section. Such plan shall set forth the same information as required under paragraph (b) of this section for the initial plan, incorporate the competitive mix requirements of §124.312, and provide specific transition steps the Participant will take to continue its business development after the expiration of its Program Term.

[54 FR 34712, Aug. 21, 1989, as amended at 60 FR 29976, June 7, 1995]

§ 124.303 Stages of 8(a) program participation.

(a) General. Program participation is divided into two stages—a developmental stage and a transitional stage. For firms approved for 8(a) program participation after November 15, 1988, the developmental stage shall be 4 years and the transitional stage shall be 5 years unless the Participant has exited the program by one of the means set forth in §124.110. The developmental stage is designed to assist participants to overcome their economic disadvantage by providing such assistance as may be necessary and appropriate to enable them to access relevant markets and strengthen their financial and managerial skills. The transitional stage of program participation follows the developmental stage and is designed to assist Participants to overcome, insofar as practicable, the remaining elements of economic disadvantage and to prepare Participants for leaving the 8(a) program.

(b) Stages for grandfathered Program Participants. (1) For Program Participants with five or fewer years remaining in the 8(a) program as of August 15, 1989, the program year they are in on August 15, 1989 shall be considered the first year of the transitional stage. Such Participants shall be subject to the modified business targets set forth in §124.312.

(2) For concerns with more than five years remaining in the 8(a) program as of August 15, 1989, the stages of program participation shall be determined so that the Participant will have five years in the transitional stage. The remaining time in the program shall be considered time in the developmental stage. For example, if a Participant has seven years remaining in the program as of August 15, 1989, it will be considered to have 2 years remaining in the developmental stage and five years in the transitional stage.

(c) Developmental stage of program participation. A Program Participant, if otherwise eligible, shall be qualified to receive the following assistance during the developmental stage of program participation:

(1) Sole source and competitive 8(a) contract support;

(2) Financial assistance pursuant to §122.59 of this title;

(3) Pursuant to §124.306, financial assistance from SBA for skills training or upgrading for employees or potential employees of Program Participants;

(4) The transfer of technology or surplus property owned by the United States to Program Participants by grant, license, or sale. Technology or property transferred pursuant to this paragraph must be used by the Participant during the normal conduct of its business operation and cannot be sold or transferred to any other party (other than the Government) during such concern’s Program Term and for one year thereafter. A Participant must agree to these conditions prior to any transfer of technology or property; and

(5) Training sessions to assist individuals and enterprises eligible to receive 8(a) contracts in the development of business principles and strategies to enhance their ability to compete successfully for contracts in the marketplace.

(d) Transitional stage of program participation. A Program Participant, if otherwise eligible, shall be qualified to
Small Business Administration § 124.306

receive the following assistance during the transitional stage of program participation:

(1) The same assistance as that provided to Participants in the developmental stage under paragraphs (c)(1), (c)(2), (c)(4) and (c)(5) of this section;

(2) Assistance from procuring agencies (in cooperation with SBA) in forming joint ventures, leader-follower arrangements, and teaming agreements between the Participant and other Program Participants or other business concerns, in accordance with all applicable statutes and regulations, with respect to contracting opportunities for research, development, fullscale engineering or production of major systems. In the case of a requirement to be procured as a Small Business Set-aside, a Small Disadvantaged Business Set-aside, or through the 8(a) program, applicable size regulations will apply in determining whether the cooperative venture between a Participant and another business entity qualifies as a small business concern; and

(3) Training and technical assistance in transitional business planning.

§ 124.306 Financial assistance for skills training.

(a) SBA may pay in whole or in part the costs of training or upgrading of employees or potential employees of 8(a) concerns. An owner participating in the day-to-day management of a Participant may be considered to be an employee for purposes of this section. Payments may be made directly to the training provider or by reimbursing the Program Participant or the Participant's employee, if such reimbursement is found to be reasonable and appropriate.

(b) SBA assistance under this section is subject to the following conditions and requirements:

(1) The concern must be in the developmental stage of program participation.

(2) The 8(a) concern must document that it has explored the use of existing cost-free or cost-subsidized training programs offered by public and private sector agencies working with programs of employment and training and economic development and that no such programs are available or are capable of meeting the training needs of the participant.

(3) The concern must be current with any reporting requirements established by SBA for ongoing program participation.

(4) The employee receiving the training or upgrading may not be a beneficiary of any other publicly or privately funded training program which benefits the trainee or upgraded employee for the same activity SBA is compensating under this section.

(5) The training provider must be an institution of higher education, a community or vocational college, or an institution eligible to provide skills training under the Job Training Partnership Act (29 U.S.C. 1501, et seq.).

(6) The training provider may not be debarred or suspended from any Federal programs.

(7) The training of employees or potential employees of a concern must be consistent with the concern's approved business plan.

(8) SBA must approve the training in writing prior to its commencement.

(9) No more than five employees or potential employees of a single 8(a) concern may be recipients of benefits under this section at one time.

(10) The length of training or skills upgrading financed under this section may be no less than one month nor more than six months.

(11) The training of skills upgrading assistance must be of a type which will offer genuine capacity development for the employing firm.

(12) No more than $2,500 shall be made available for any one employee or potential employee.

(13) The Participant must execute and submit to SBA any appropriate written employment agreements in accordance with paragraph (f) of this section.

(c) SBA's allocation of resources appropriated for the purposes of this section shall generally be based on the identification of needs of developmental stage concerns. SBA shall evaluate training needs in the annual
(d) Projects to be funded under this section shall be initiated by a request prepared by the 8(a) concern and submitted to SBA. SBA may request additional information before the request is processed.

(e) Assistance under this section will be made only when the agreements entered into by SBA to fund training or upgrading contain acceptable training and upgrading standards and acceptable monitoring standards and requirements to insure the integrity and effectiveness of the training or upgrading.

(f) The Participant must give adequate assurance that it will employ the trainee or upgraded employee for at least six months after the training or upgrading financed pursuant to this section has been completed. Trainees and upgraded employees must provide a similar assurance that they will remain in the employ of the 8(a) firm for such six-month period. Such assurance will consist of an appropriate written employment agreement. If a trainee or upgraded employee does not remain in the employ of the participant for at least six months after receiving such SBA-financed training or upgrading, the violating party must reimburse SBA for the amount expended together with any reasonable interest and costs incurred for collection. In addition, the violating party, whether it is the Participant, individual trainee or upgraded employee, shall be barred from receiving any further assistance under this section. The appropriate SBA Regional Administrator, or his/her designee, may waive the reimbursement provisions of this paragraph in limited circumstances where an employee's leaving is due to an unforeseen event (e.g., the employee's spouse is relocated by his/her business and the employee must move).

§ 124.307 Contractual assistance.

(a) It is the policy of SBA to enter into contracts with other Government agencies and to subcontract the performance of such contracts, pursuant to section 8(a)(3)(C) of the Small Business Act, to 8(a) Program Participants at prices which will enable such concerns to perform the contracts and earn a reasonable profit.

(b) Such subcontracts may either be sole source awards or awards attained through competition reserved for eligible Participants.

(c) Admission into the 8(a) program does not bestow a right to receive 8(a) contracts. SBA's approval of a Participant's business plan pursuant to §124.301 does not guarantee the Participant any particular level of contract support.

(d) While a Program Participant's projected level of 8(a) contract support is required as part of its business plan under §124.302(b) as a planning and development tool, the level approved by SBA will not prevent contract awards above that level so long as SBA determines the concern to be competent and responsible to perform any such contracts and the Participant is in compliance with any applicable competitive business mix requirement, or approved remedial plan, imposed by §124.312.

(e) An 8(a) contract will be provided to a Participant only when such contract is consistent with the Participant's capabilities and business development needs, as determined by SBA.

(f) Except as provided in §124.311(i), an 8(a) concern must be an eligible Program Participant on the date of contract award.

§ 124.308 Procedures for obtaining and accepting procurements for the 8(a) program.

(a) PCR-serviced agencies. If an SBA Procurement Center Representative (PCR) is resident or has liaison responsibilities in a procuring agency, he/she will be responsible for screening proposed procurements for possible 8(a) contracts, in accordance with 13 CFR 125.6.

(b) Requirement identification. (1) A requirement for possible award may be identified by SBA, a particular Program Participant or the procuring agency itself. Once a requirement that appears suitable for the 8(a) program has been identified, SBA shall verify the appropriateness of the SIC code...
Small Business Administration § 124.308

designation assigned to the requirement and request the procuring agency to offer the requirement to the 8(a) program.

So long as the SIC code assigned to the requirement by the procuring agency contracting officer is reasonable, the SIC Code will be accepted by SBA.

(2) If SBA and the procuring agency are unable to agree as to the proper SIC code designation for the requirement, SBA may refuse to accept the requirement for the 8(a) program, or appeal the contracting officer's determination to the head of the agency pursuant to §124.320, or the AA/MSB & COD may file a SIC code appeal to SBA's Office of Hearings and Appeals.

(3) If the requirement exceeds the thresholds established by §124.311, the SBA will request that the requirement be offered to the 8(a) program to be competed among eligible Program Participants, unless SBA determines that there is not a reasonable expectation that at least two eligible 8(a) concerns will submit offers.

(4) If the requirement is below the thresholds established by §124.311, the SBA may request that it be offered to the 8(a) program for possible sole source award as an open requirement or in support of the approved business plan of a specific Program Participant, or it may accept the requirement for competition upon the procuring agency's request.

(c) Offering letter. When a requirement is offered to the 8(a) program, the SBA will request that the offering letter or notification from the procuring activity shall contain the following information.

(1) A description of the work to be performed or items to be delivered and a copy of the statement of work, if available;

(2) The estimated period of performance;

(3) The SIC code that applies to the principal nature of the acquisition;

(4) The anticipated dollar value of the requirement, including options, if any;

(5) Any special restrictions or geographical limitations on the requirement;

(6) The location of the work to be performed for construction and service procurements;

(7) Any special capabilities or disciplines needed for contract performance;

(8) The type of contract to be awarded, such as firm fixed price, cost reimbursement, or time and materials;

(9) The acquisition history, if any, of the requirement;

(10) The names and addresses of any small business contractors which have performed on this requirement during the previous 24 months;

(11) A statement that no solicitation for the specific acquisition has been issued as a small business set-aside or small disadvantaged business set-aside and that no other public communication (such as a notice in the Commerce Business Daily) has been made evidencing the procuring agency's clear intention to set aside the acquisition for small business or small disadvantaged business (see §124.309(a));

(12) Identification of any particular 8(a) concern designated for consideration, including a brief justification, such as one of the following:

(i) The 8(a) concern, through its own efforts, marketed the requirement and caused it to be reserved for the 8(a) program; or

(ii) The acquisition is a follow-on or renewal contract and the nominated concern is the incumbent;

(13) Bonding requirements, if applicable;

(14) Identification of all 8(a) concerns which have expressed an interest in being considered for the acquisition;

(15) If the requirement is a national buy, identification of all SBA district or regional offices which have asked for the acquisition for the 8(a) program;

(16) A request that the acquisition be competitive, if appropriate, and the estimated contract value is under the applicable threshold; and

(17) Any other information that the procuring agency deems relevant or SBA requests.

(d) Acceptance of the requirement. Upon receipt of the procuring agency's offer of a procurement requirement, SBA will determine whether it will accept the requirement for the 8(a) program. SBA's decision whether to accept the requirement will be transmitted to the procuring agency in writing.
within 15 working days of receipt of the written offering letter, unless SBA requests, and the procuring agency grants, an extension. SBA is not required to accept any particular procurement offered to the 8(a) program.

1. Where SBA decides to accept an offering of a sole source 8(a) procurement, SBA will accept the offer both on behalf of the program and in support of the approved business plan of a specific 8(a) Program Participant.

2. Where SBA decides to accept an offering of a competitive 8(a) procurement, SBA will accept the offer for the 8(a) program generally.

3. Except for requirements assigned a construction SIC code by the procuring agency contracting officer, all competitive 8(a) requirements accepted by SBA may be competed among all eligible 8(a) Program Participants nationally. The only geographic restrictions pertaining to 8(a) competitive requirements, other than those for construction requirements, would be those imposed by the solicitations themselves.

(e) Sole source award where procuring agency nominates a specific program participant. If the procuring agency identifies a particular 8(a) concern for a sole source award, SBA will determine whether an appropriate match exists.

1. Once a procurement is deemed suitable for acceptance as an 8(a) sole source contract, it will normally be accepted on behalf of the participant recommended by the procuring agency, provided that:

   i. The procurement is consistent with the Participant’s business plan;
   ii. The Participant is determined by SBA to be a responsible contractor with respect to performance of the contract; and
   iii. The award of the contract would not result in the Participant exceeding its business mix requirements established under §124.312.

2. If an appropriate match exists, SBA will send a letter accepting the offer in support of the business plan of the identified Participant to the procuring agency. This letter will advise the procuring agency whether SBA will participate in contract negotiations or whether SBA will authorize the procuring agency to negotiate directly with the identified Program Participant. A Program Participant selected by SBA to perform a noncompetitive 8(a) contract shall, when practicable, participate in any negotiation of the terms and conditions of such contract.

3. If SBA determines that an appropriate match with the nominated 8(a) concern does not exist based on the factors set forth in paragraph (e)(1) of this section, it will notify the affected 8(a) concern and may then select an alternate 8(a) concern, in accordance with paragraph (f)(3) of this section. It will so advise the procuring agency of its actions.

(f) Open requirements. When a procuring agency does not nominate a particular concern for performance of a sole source 8(a) contract (open requirement), the following additional procedures will apply:

1. If the procurement is a construction requirement, SBA will examine the portfolio of 8(a) concerns for the SBA district office where the work is to be performed for selection of a qualified 8(a) concern. If none is found to be qualified or a match for a concern in that district is determined to be impossible or inappropriate, the requirement may be considered for other 8(a) concerns located within the region or, if appropriate, other regions.

2. If the procurement is anything other than a construction requirement, SBA may select any eligible, responsible Program Participant nationally to perform the contract.

3. In cases in which SBA must select a participant for possible award from among two or more eligible and qualified participants, the selection will be based upon consideration of relevant factors, including the business development needs, compliance with competitive business mix requirements (if applicable), financial condition, management ability, and technical capability of each participant. SBA shall make its selection based upon an examination of the business plan and procurement history of the concern as well as any supplemental materials requested and received.

4. To the maximum extent practicable, the SBA shall promote the equitable geographic distribution of 8(a) sole source contracts.
Small Business Administration § 124.309

(g) Formal technical evaluations. SBA will not authorize formal technical evaluations for sole source 8(a) contracts. If a procuring agency requires the performance of a formal technical evaluation among more than one 8(a) concern, the procuring agency must request that the requirement be a competitive 8(a) award. The procuring agency may request a formal two-step procurement process pursuant to section 14.5 of the FAR, 48 CFR subpart 14.5, or a standard negotiated competitive procurement. Agencies may, however, conduct informal assessments of several 8(a) firms’ capabilities to perform a specific requirement, provided that the statement of work for the requirement is not released to any of the participating 8(a) firms.

(h) Repetitive acquisitions. In order for repetitive acquisitions to be awarded through the 8(a) program, there must be separate offers and acceptances. This enables the SBA to reassess a firm’s eligibility, to evaluate the suitability of each acquisition for competitive 8(a) award, and to determine whether the requirement should continue under the 8(a) program.

[54 FR 34712, Aug. 21, 1989, as amended at 55 FR 34903, Aug. 27, 1990; 60 FR 29976, June 7, 1995]

§ 124.309 Barriers to acceptance.

SBA will not accept for 8(a) award proposed procurements not previously in the 8(a) program if any of the circumstances identified in paragraphs (a), (b), or (c) of this section exist.

(a) Solicitation previously issued. A solicitation has already been issued for the procurement as a small business set-aside, such as an Invitation for Bid (IFB) or Request for Proposal (RFP). The AA/MSB&COD may permit the acceptance of the requirement, however, under extraordinary circumstances, such as where a procuring agency had made a decision to offer the requirement to the 8(a) program before the notice was sent out and the procuring agency acknowledges and documents that the requirement was in error.

(b) Reservation as small business or SDB set-aside. The procuring agency has expressed publicly a clear intention to reserve the procurement as a small business or small disadvantaged business (SDB) set-aside (e.g., a notice of intent to set aside a procurement published in the Commerce Business Daily which invites a response from interested small businesses). The AA/MSB&COD may permit the acceptance of the requirement, however, under extraordinary circumstances, such as where a procuring agency had made a decision to offer the requirement to the 8(a) program before the notice was sent out and the procuring agency acknowledges and documents that the notice was in error. An annual procurement forecast or solicitation of information for possible small business set aside will generally not be considered as a clear exhibition of intention to set aside a procurement for small businesses.

(c) Adverse impact. SBA has made a written determination that acceptance of the procurement for 8(a) award would have an adverse impact on other small business programs or on an individual small business, whether or not the affected small business is in the 8(a) program. The adverse impact concept is designed to protect small business concerns which are performing Government contracts awarded outside the 8(a) program. Adverse impact does not apply to “new” requirements. A new requirement is a requirement which has not been previously procured by the relevant procuring agency. Where a requirement is new, no small business could have performed the requirement and, thus, an impact determination need not be performed. The expansion or alteration of an existing requirement shall be considered a new requirement where the requirement is materially expanded or modified so that the ensuing requirement is not substantially similar to the prior requirement due to the magnitude of the expansion or alteration.

(1) In determining whether or not adverse impact exist, all relevant factors will be considered.

(2) SBA presumes adverse impact to exist when a small business concern has performed a specific requirement for at least 24 months, it is currently performing the requirement or finished such performance within 30 days of the
§ 124.310 Approval of lower tier subcontractors.

(a) SBA’s approval must be obtained prior to a Participant’s subcontracting of the performance of an 8(a) contract to another concern.

(b) SBA will not approve any subcontracting arrangement where:

1. The performance of work requirements set forth in §124.314 would not be met;

2. The proposed subcontractor has been suspended, debarred, or determined to be ineligible by any Federal agency;

3. SBA determines that the proposed subcontractor would control the performance of the requirement;

4. SBA determines that the proposed subcontracting relationship is not an arms length agreement; or

5. SBA determines that the proposed subcontracting arrangement is an attempt to circumvent SBA’s size regulations.

§ 124.311 8(a) competition.

(a) Competitive thresholds. A contract opportunity offered to the 8(a) program for award shall be awarded on the basis of a competition restricted to eligible Program Participants if:

1. There is a reasonable expectation that at least two eligible program participants will submit offers and that award can be made at a fair market price; and

2. The anticipated award price of the contract, including options, will exceed $5,000,000 for contracts assigned manufacturing Standard Industrial Classification (SIC) codes and $3,000,000 for all other contracts.

(i) For all types of contracts, the applicable competitive threshold amounts will be applied to the procuring agency estimate of the total value of the contract, including all options.

(ii) Where a procuring agency good faith estimate of the total value of a proposed 8(a) contract is less than the applicable competitive threshold amount and the requirement is accepted as a sole source requirement on that basis, award may be made even though the ultimate price arrived at through negotiations exceeds the competitive threshold, provided that the ultimate price is not significantly greater than the competitive threshold amount.

Example: If the anticipated award price for a professional services requirement is determined to be $2.7 million and it is accepted as a sole source 8(a) requirement on that basis, a sole source award will be valid even if the...
Small Business Administration § 124.311

contract price arrived at after negotiation is $3.1 million.

(iii) A proposed 8(a) requirement with an estimated value exceeding the applicable competitive threshold amount shall not be divided into several requirements for lesser amounts in order to use 8(a) sole source procedures for award to a single contractor.

(b) Exemption from competitive thresholds for 8(a) concerns owned by Indian tribes. SBA may award an 8(a) subcontract on a non-competitive basis to an 8(a) concern owned and controlled by an economically disadvantaged Indian tribe, as defined in §124.100, even if such contract exceeds the competitive thresholds set forth in paragraph (a) of this section. See generally, §124.112. However, once a requirement is accepted into the 8(a) program for competition and prospective offerors have been notified of such acceptance, SBA may not remove the requirement from competition and award it to a disadvantaged Indian tribe as a sole source contract.

(c) Competition below thresholds. The AA/MSB&COD may, on a nondelegable basis, approve a request from a procuring agency that an 8(a) contract be competed even if the anticipated award price is not expected to exceed the dollar amounts specified in paragraph (a) of this section. Such approvals will be granted on a limited basis.

(1) This authority will be used primarily in areas where technical competitions are appropriate or when a large number of responsible 8(a) contractors exists.

(2) In determining whether to approve a request to compete an 8(a) contract below the applicable threshold amount, the AA/MSB&COD shall consider whether the requesting agency has made and will continue to make available a significant number of its contracts to the 8(a) program on a non-competitive basis.

(3) The AA/MSB&COD shall deny a request to compete a contract having a dollar figure below the applicable threshold amount where the requirement was previously offered to the 8(a) program on a noncompetitive basis if he/she concludes that the request is based on the inability of the contracting agency and the Participant selected to perform the contract to reach an agreement on price or some other material term or condition.

(d) Sole source above thresholds. Where a contract opportunity exceeds the applicable threshold dollar figure and there is not a reasonable expectation that at least two eligible Program Participants will submit offers at a fair price, SBA may accept the requirement for a sole source 8(a) award if SBA determines that an eligible participant in the 8(a) portfolio is capable of performing the requirement at a fair price. SBA will accept a contract opportunity above the applicable competitive threshold as a sole source 8(a) requirement only if there are not two eligible offerors in the United States capable of performing the requirement at a fair price.

(e) Procedures for competition. (1) Competitions among eligible 8(a) participants shall be conducted by the procuring agencies in accordance with the Federal Acquisition Regulation (FAR). Such competitions shall be representative of competitions which are the normal practice in the relevant industries. Competitions need not stress price as the dominant factor, but may be based primarily on technical evaluations or other non-price related factors. Selection of a particular Program Participant by the procuring agency shall be based on specific evaluation criteria set forth in the solicitation.

(2) All solicitations for competitive 8(a) requirements shall include the appropriate SIC code for the requirement.

(3) The procuring agency shall evaluate offers pursuant to the evaluation criteria in the solicitation and the applicable FAR provisions.

(4)(i) In a sealed bid acquisition, upon the receipt of offers, the procuring agency shall submit to SBA a list of offerors ranked in the order of their standing for award (that is, lowest bid, second low bid, etc.) with the total evaluated price for each offer, differentiating between basic requirements and any options.

(ii) In a negotiated acquisition, the procuring agency shall transmit to SBA the offeror determined by the procuring agency to be the apparent successful offeror. Such a referral generally shall be made at the time the
§ 124.311

procuring agency transmits the 8(a) contract documents to SBA for signature, unless the contracting officer has made a responsibility referral to SBA under FAR 19.809. In the case of such a referral, SBA shall determine eligibility when the responsibility referral is made to SBA, and may determine responsibility both at the time of the referral and at the time of award.

(iii) Eligibility shall be determined as of the date of a Participant's submission of its initial offer which includes price. In addition, eligibility is determined for each competitive 8(a) acquisition independent of other 8(a) acquisitions for which a Participant has submitted an offer, but for which no award has been made.

(5) Within 5 working days after receipt of the procuring agency's request for an eligibility determination, the SBA will determine whether any firm identified is eligible for award of the contract, including:

(i) Whether it has the SIC code for the requirement in its approved business plan;

(ii) Whether it is small under the SIC code for the requirement;

(iii) If the procurement is to be restricted within a particular stage of program participation or a particular geographical area, whether the firm is within the required stage of development or location; and

(iv) If the firm is in the transitional stage of program participation, whether it has achieved its competitive business mix targets under §124.312, or is in compliance with a remedial plan that does not include the denial of future 8(a) contracts.

(6) If the low bidder in a sealed bid procurement is determined to be ineligible by SBA, SBA shall determine the eligibility of the next low bidder. This process shall be repeated until SBA determines that an identified participant is eligible for award, or until the list is exhausted.

(7) In a negotiated procurement, the procuring agency will evaluate the offers of those firms determined by SBA to be eligible for award pursuant to paragraph (e)(5) of this section and will conduct discussions and/or negotiations with those firms deemed appropriate.

(8) After negotiations and/or discussions occur in a negotiated procurement, the potential awardee will be selected by the procuring agency.

(9) Award shall be made through the normal 8(a) award procedures (i.e., a prime contract between the procuring agency and SBA and a subcontract between SBA and the selected 8(a) concern).

(f) Protest restrictions. The eligibility of a Program Participant for a competitive 8(a) award may not be challenged by another Program Participant or any other party to SBA or to any other administrative forum as part of a bid or other contract protest. Anyone with information concerning the eligibility of a Program Participant to continue participation in the 8(a) program may submit such information to SBA in accordance with §124.111(c).

(g) Restricted competition. (1) Competition within stages of program participation. SBA may accept a requirement to be awarded through a competition limited to 8(a) concerns in the developmental stage of program participation or limited to concerns in the transitional stage of program participation, or may accept a requirement to be competed among firms both in the developmental and transitional stages of program participation.

(2) SIC code requirements. Only those Participants that have in their approved business plan the SIC code identified in the solicitation may submit offers for the requirement. A participant will be deemed ineligible for award by SBA if it submits an offer for a requirement for which it does not have an approved SIC code.

(3) Construction competitions. Where a construction requirement offered to the 8(a) program exceeds the $3 million competitive threshold, SBA will determine, based on its knowledge of the 8(a) portfolio, whether the competition should be limited only to those Program Participants located within the geographical boundaries of one or more SBA district offices, an entire SBA regional office, or adjacent SBA regional offices. Only those Participants located within the appropriate geographical boundaries are eligible to submit offers.
§ 124.312 Competitive business mix.

(a) General. To ensure that 8(a) firms do not develop an unreasonable reliance on 8(a) contracts and to ease the transition of such firms into the competitive marketplace after exiting the 8(a) program, Program Participants must make maximum efforts to obtain business outside the 8(a) program.

(b) Non-8(a) business activity targets and support levels during developmental stage. (1) Attainment of targeted levels. During the developmental stage of Program Participation, an 8(a) concern must make substantial and sustained efforts to attain the targeted dollar levels of non-8(a) revenue established in its business plan.

(2) Maintenance of existing business base. A business concern which enters the 8(a) program must make maximum efforts to maintain its existing business base and use the 8(a) program as a resource to strengthen the firm after its 8(a) certification.

(3) Marketing strategy to attain targeted levels. Every Program Participant must engage in a reasonable marketing strategy that will maximize its potential to achieve the targeted levels of non-8(a) revenue established in its business plan.

(4) Reporting and verification of business activity. Once admitted to the 8(a) program, a Program Participant must provide annual financial statements to SBA in accord with §124.501(c). The statements shall segregate revenues as non-8(a) and 8(a) revenue as appropriate. Also, within 30 days from the end of the program year, the Program Participant shall provide SBA with an annual report of all non-8(a) contracts, options and modifications affecting price executed during the program year.

(c) Required Non-8(a) Business Activity Targets During Transitional Stage. (1) General. During the transitional stage of the program, the Program Participant shall be required to achieve certain targets of non-8(a) contract revenue. Such targets shall be referred to as non-8(a) business activity targets and shall be expressed as a percentage of total revenue. The targets shall reflect a reasonably consistent increase in non-8(a) revenue. Participants approved for participation on or after November 15, 1988 and Participants with more than five years remaining in the program as of August 15, 1989 shall be subject to the non-8(a) business activity targets set forth in paragraph (c)(2) of this section. Participants with five years or less remaining in the program as of August 15, 1989 shall be subject to the modified non-8(a) business activity targets set forth in paragraph (c)(3) of this section.

(2) Non-8(a) business activity targets. Firms approved for program participation on or after the enactment of Pub. L. 100-656 (November 15, 1988) and current Program Participants that have more than five years remaining in the program as of August 15, 1989 shall be subject to the following non-8(a) business activity targets during each year of program participation in the transitional stage:

<table>

<tr>

(3) Modified non-8(a) business activity targets. Firms that have five years or less remaining in the program as of August 15, 1989 shall be subject to modified non-8(a) business activity targets during the transitional stage of program participation.
(i) A firm with three to five years remaining in the program as of August 15, 1989 shall be subject to the following non-8(a) business activity targets:

<table>
<thead>
<tr>

<th>Modified non-8(a) business activity targets (non-8(a) revenue as a percentage of total revenue)</th>

</tbody>

(ii) A firm with less than three years remaining in the program as of August 15, 1989 shall make substantial and sustained efforts to attain the targeted dollar levels of non-8(a) sales approved in its business plan.

(4) Failure to meet required non-8(a) business activity target. Firms that fail to achieve the minimum percentage non-8(a) business activity target in any year of the transitional stage will be subject to the remedial measures set forth in paragraph (c)(12) of this section. Compliance with the applicable business activity target is measured at the end of any program year in the transitional stage of program participation (e.g., at the end of the first year in the transitional stage of program participation, non-8(a) revenue is compared to total revenue). Remedial measures, if appropriate, will be imposed during the subsequent program year (e.g., non-compliance with the required business activity target in year one of the transitional stage of program participation would cause remedial measures to be imposed in year two in the transitional stage).

(5) Attainment of targeted levels. The program participant must maintain maximum efforts to attain and increase its targeted level of non-8(a) revenue during the transitional stage.

(6) Marketing strategy to attain targeted levels. The program participant must engage in a reasonable marketing strategy that will maximize its potential to achieve the targeted levels of non-8(a) revenue established in the business plan.

(7) Reporting and verification of business activity. Program Participants during the transitional stage shall provide annual financial statements to SBA with a breakdown of 8(a) and non-8(a) revenue in accord with §124.501(c). The Program Participant shall also provide SBA with a report of all non-8(a) contracts, options and modifications affecting price executed during the program year (and any other information as required by SBA) within thirty days from the end of the reporting period. At the end of each year of participation in the transitional stage, the BOS assigned to work with the participant shall review the participant's total revenues to determine whether the participant's non-8(a) revenues have met the targets established pursuant to paragraphs (c)(2) and (c)(3) of this section.

(8) Certification of compliance. Before the receipt of any 8(a) contract during the transitional stage of the program, a Program Participant must certify that it is in compliance with the non-8(a) business activity targets established in its business plan as approved by SBA or that it is in compliance with any remedial measures imposed by SBA pursuant to paragraph (c)(9) of this section, if such remedial measures allow the continued award of 8(a) contracts.

(9) Remedial measures for failure to achieve non-8(a) business activity targets. SBA is authorized to take appropriate remedial measures with respect to a Program Participant which has failed to attain the minimum required business activity targets as established in paragraphs (c)(2) and (c)(3) of this section. The type of remedial measure used depends in part on the extent to which the Participant failed to obtain and the effort expended in seeking non-8(a) business. These remedial actions include, but are not limited to:

(i) Requiring the Program Participant to obtain management and technical assistance or to obtain counseling and/or attend seminars relating to management assistance, business development, financing, marketing, or proposal preparation.

(ii) Conditioning the award of future sole source 8(a) contracts on the Participant’s taking affirmative steps to expand the dollar volume of its competitive business activity, such as changes in marketing of financing strategies.
Small Business Administration

§ 124.314 Performance of work by the 8(a) concern.

(a) To assure the accomplishment of the purposes of the 8(a) program, each 8(a) subcontractor must perform work equivalent to the following percentages:

1. Services (except construction). In the case of an 8(a) contract for professional and/or non-professional services (except construction), at least 50 percent of the cost of contract performance incurred for labor must be expended for employees of the 8(a) concern.

2. Supplies (other than procurement from a regular dealer in such supplies). In the case of an 8(a) contract for supplies, an 8(a) concern that seeks to perform the requirement as a manufacturer must perform work for at least 50 percent of the cost of manufacturing the supplies, not including the cost of materials. This requirement does not apply to 8(a) concerns that seek to perform 8(a) supply contracts as regular dealers in such supplies.

3. General construction. In the case of an 8(a) general construction contract, the 8(a) concern must perform at least 15 percent of the cost of the contract, not including the cost of materials, with its own employees.

4. Construction by special trade contractors. In the case of an 8(a) contract for special trade construction (e.g., electrical, plumbing, mechanical), the 8(a) concern must perform at least 25 percent of the cost of the contract, not including the cost of materials, with its own employees.

(b) The Program Participant must certify in its bid or proposal that it will perform the required percentage of work with its own employees. Failure of the concern to provide such a statement will result in the firm being considered ineligible for award.

(c) For purposes of determining whether a Program Participant will perform the required percentage of the contract, the work to be performed by a subsidiary(ies) of the Participant or a concern(s) otherwise affiliated with the Participant is not counted as being performed by the Participant.

(d) Indefinite quantity contracts. (1) In order to ensure that the required percentage of an indefinite quantity 8(a) award is performed by the Program Participant, at any point in time the Program Participant must have performed the required percentage of the total value of the contract to that
date. For a service or supply contract, this does not mean that the Program Participant must perform 50% of each task order with its own force. But, rather, the Participant is required to perform 50% of the combined total of all task orders to date. The Regional Administrator or his/her designee may waive this requirement where a large amount of subcontracting is essential in the early stages of performance before the work to be done by the Participant can be performed, provided that there are written assurances from both the Participant and the procuring agency that the contract will ultimately comply with the requirements of this section.

**Example.** If a Program Participant performed 90 percent of a $100,000 task order on an indefinite quantity service contract with its own work force, it would only have to perform 10 percent of a second task order for $100,000 because the concern would still have performed 50 percent of the combined total value of the contract to date ($100,000 out of $200,000).

**§ 124.315 Fair market price for 8(a) awards.**

(a) A “fair market price” for an 8(a) contract shall be determined by the agency offering the procurement requirement to SBA in accordance with paragraphs (a)(1) and (a)(2) of this section.

1. The estimate of a current fair market price for a new procurement requirement, or a requirement that does not have a satisfactory procurement history, shall be derived from a price or cost analysis. Such analysis may take into account prevailing market conditions, commercial prices for similar products or services, or data obtained from any other agency. Such analysis must also consider any cost or pricing data that is timely submitted by the SBA.

2. The estimate of a current fair market price for a procurement requirement that has a satisfactory procurement history shall be based on recent award prices adjusted to insure comparability. Such adjustments shall take into account differences in quantities, performance, times, plans, specifications, transportation costs, packaging and packing costs, labor and material costs, overhead costs, and any other additional costs which may be deemed appropriate.

(b) Upon the request of SBA, an agency offering a procurement requirement for potential award through the 8(a) program shall submit to SBA a written statement detailing the method used by the agency to estimate the current fair market price for such contract. Such statement shall be submitted within 10 working days. The procuring agency must identify the information, studies, analyses, and other data it used in making its estimate. The procuring agency’s estimate of fair market price and any supporting data may not be disclosed to any potential contractor or subcontractor, other than SBA.

(c) The concern selected to perform the 8(a) contract may request SBA to protest the procuring agency’s estimate of current fair market price to the Secretary of the Department or
head of the agency in accordance with §124.320(b).

§ 124.316 Contract administration.
(a) SBA may delegate, by the use of special clauses in the prime contract and subcontract, certain responsibilities for administering an 8(a) subcontract to the procuring agency.
(b) SBA may delegate to the procuring agency all subcontract administration functions except the following: the approval of novation agreements (48 CFR 42.302(a)(25)); and all matters pertaining to advance payments approved by SBA.

[54 FR 34712, Aug. 21, 1989, as amended at 55 FR 34903, Aug. 27, 1990]

§ 124.317 Performance of contracts by original 8(a) concern.
(a) Subject to the provisions of paragraph (b) of this section, a contract (including options) awarded pursuant to section 8(a) of the Small Business Act on or after June 1, 1989 shall be performed by the concern that initially received such contract. If the owner or owners upon whom eligibility was based relinquishes ownership or control of such concern, or enters into any agreement to relinquish such ownership or control, such contract or option shall be terminated for the convenience of the Government. In such a case, repurchase costs or other damages cannot be assessed against the concern due solely to the provisions of this paragraph. This provision applies whether the concern that initially received 8(a) certification remains a separate legal entity after a transfer of ownership or whether the concern merges into or is acquired by another business concern.
(b) The Administrator may, as a matter of discretion and on a nondelegable basis, waive the requirements of paragraph (a) of this section if requested to do so by the original 8(a) awardee if any of the following conditions exist:
(1) When it is necessary for the owner(s) of the concern to surrender partial control of such concern on a temporary basis in order to obtain equity financing;
(2) Ownership and control of the concern that is performing the contract will pass to another Program Participant, but only if the acquiring firm would otherwise be eligible to receive the award directly as an 8(a) contract;
(3) The individuals upon whom eligibility was based are no longer able to exercise control of the concern due to incapacity of death; and
(4) When, in order to raise equity capital, it is necessary for the disadvantaged owner(s) of the concern to relinquish ownership of a majority of the voting stock of such concern, but only if—
(i) Such concern has exited the 8(a) program;
(ii) The disadvantaged owner(s) will maintain ownership of the largest single outstanding block of voting stock (including stock held by affiliated parties); and
(iii) The disadvantaged owner(s) will maintain control of the daily business operations of the concern.
(c) Requests pursuant to paragraph (b) of this section must be made prior to the relinquishment of ownership and control except in the case of death or incapacity. A request for a waiver under paragraph (b)(4) of this section must be made as soon as possible after the incapacity or death occurs.
(d) A procuring agency may request a waiver of the requirements of paragraph (a) of this section if the head of the procuring agency certifies that termination of the contract would severely impair attainment of the agency’s program objectives or missions.
(e) A concern performing an 8(a) contract must notify the SBA in writing immediately upon entering into an agreement or agreement in principle (either oral or written) to transfer all or part of its stock or other ownership interest or assets to any other party. Such an agreement could include an oral agreement to enter into a transaction to transfer interests in the future.
(f) Denial of a waiver request may be appealed to SBA’s Office of Hearings and Appeals in accordance with §124.210 and part 134 of the title.
(g) For the purposes of determining ownership and control of a concern under these regulations, any potential ownership interests (such as options or warrants) held by investment companies licensed under the Small Business
§ 124.318 Exercise of options and modifications.

(a) Unpriced Options. The exercise of an unpriced option is considered to be a new contracting action. As such, if a concern has exited the 8(a) program or is no longer small under the size standard corresponding to the SIC Code for the requirement, negotiations to price the option cannot be entered into and the option cannot be exercised. If, however, the concern is still a Program Participant and is still a small business under the size standard corresponding to the SIC Code for the requirement, negotiations to price the option may be entered into provided the estimated fair market price falls below the applicable threshold amount set forth in §124.311 and, if a fair and reasonable price is negotiated, and it is otherwise consistent with program requirements, the option may be exercised. If the estimated fair market price exceeds the applicable threshold amount set forth in §124.311, the requirement must be competed among eligible 8(a) concerns. Because this equates to a new contracting action, SBA’s concurrence in the exercise of such options is required.

(b) Priced Options. A priced option to an 8(a) contract award may be exercised whether the concern that received the award has exited the 8(a) program or whether the concern is no longer small under the size standard corresponding to the SIC Code for the requirement. If to do so is in the best interests of the Government considering the purposes of the 8(a) program.

(c) Modifications Beyond the Scope. A modification beyond the scope of the initial 8(a) contract award is considered to be a new contracting action. As such, if a concern has exited the 8(a) program or is no longer small under the size standard corresponding to the SIC Code for the requirement, the modification cannot be exercised. If, however, the concern is still a Program Participant and is still a small business under the size standard corresponding to the SIC Code for the requirement, the modification may be made provided the estimated fair market price falls below the applicable threshold amount set forth in §124.311 and other program requirements are met, since the authority exists to enter into a new 8(a) contract to fulfill the requirement. If the estimated fair market price exceeds the applicable threshold amount set forth in §124.311, the requirement must be competed among eligible 8(a) concerns. Because this equates to a new contracting action, SBA’s concurrence in the exercise of such modifications is required.

(d) Modifications Within the Scope. A modification within the scope of the initial 8(a) contract award may be exercised whether the concern that received the award has exited the 8(a) program and whether the concern is no longer small under the size standard corresponding to the SIC Code for the requirement.
§ 124.321 Termination for convenience.

(b) Termination for convenience. (1) In cooperation with SBA, the procuring agency contracting officer may terminate an 8(a) contract for convenience any time it is determined to be in the best interest of the government to do so.

(2) Pursuant to §124.317, a contract shall be terminated for convenience if the owner or owners upon whom eligibility was based relinquish ownership or control of such concern, or enter into any agreement to relinquish such ownership or control, unless a waiver is granted pursuant to §124.317. Such terminations shall be processed in accordance with the FAR, 48 CFR.

§ 124.320 Disputes and appeals.

(a) Contract disputes generally. (1) Except as provided in paragraphs (a)(2) and (a)(3) of this section, for purposes of the Disputes Clause of a specific 8(a) contract, the contracting officer is that of the procuring agency. A dispute arising between an 8(a) subcontractor and the procuring agency contracting officer will be decided unilaterally by the procuring agency contracting officer.

(2) For disputes arising out of advance payments or business development expense funds, the contracting officer is that of SBA.

(3) For disputes arising out of construction contracts where SBA has waived bonding pursuant to §124.305, the appropriate contracting officer depends upon the dispute. Where the dispute arises out of the disbursement of funds from the special bank account established to protect persons furnishing materials or labor to the 8(a) concern, the SBA contracting officer shall decide the dispute. In all other disputes, including disputes arising out of the performance of the contract, the procuring agency contracting officer shall decide the dispute.

(4) Decisions by contracting officers (either of SBA or a procuring agency) may be appealed as provided by the Contract Disputes Act of 1978.

(b) SBA appeals of nonselection or terms and conditions. (1) The Administrator of SBA may appeal the following matters to the head of the procuring agency:

(i) The decision not to make a particular procurement requirement available for award under the 8(a) program; or

(ii) The terms and conditions of a particular contract to be awarded under the 8(a) program, including selection of an appropriate SIC code.

(2) The SBA must notify the contracting officer of the Administrator’s intent to appeal an adverse determination within 5 working days of the SBA’s receipt of such determination. The SBA Administrator must file a written request to reconsider the adverse decision with the head of the procuring agency (appeal) within 15 working days of the SBA’s notification of intent to appeal.

(3) Upon receipt of the notice of intent to appeal, the procuring agency shall suspend further action regarding the procurement until the head of the procuring agency issues a written decision on the appeal, unless the head of the procuring agency makes a written determination that urgent and compelling circumstances which significantly affect interests of the United States will not permit waiting for a reconsideration of the adverse decision.

(4) If the Administrator’s appeal is denied, the procuring agency head shall so notify the SBA, specifying the reasons for the denial. This information shall be made a part of the contract file for the requirement.

(c) An 8(a) Participant selected by the SBA to perform or negotiate an 8(a) contract may request the SBA to protest the procuring agency’s estimate of the fair market price for such contract pursuant to paragraph (b) of this section.

§ 124.321 Joint venture agreements.

(a) Prerequisites for joint venture agreement. If approved by the AA/MSB&COD or his/her designee, an 8(a) concern may enter into a joint venture agreement, as defined in §124.100, with another small business concern, whether or not an 8(a) participant, for the purpose of performing a specific 8(a) contract. A joint venture agreement is permissible only when the 8(a) concern lacks the necessary capacity to perform the contract on its own, and when the agreement is fair and equitable and
will be of substantial benefit to the 8(a) concern.

(b) Size limitations. Except for certain Program Participants owned and controlled by Indian tribes, an 8(a) concern entering into a joint venture agreement with another concern is considered to be affiliated for size purposes with the other concern with respect to performance of the 8(a) subcontract. As such, the annual receipts or employees of the other concern are included in determining the size of the selected 8(a) concern. The combined annual receipts or employees of the concerns entering into the joint venture must meet the size standard for the SIC code industry designated for the contract. See paragraph (h) of this section for joint ventures controlled by tribally-owned concerns.

(c) Contents of joint venture agreements. The following provisions shall be included in all joint venture agreements:

(1) A provision setting forth the purpose of the joint venture.

(2) A provision designating the parties to the joint venture as co-managers.

(3) A provision stating that not less than 51 percent of the net profits earned by the joint venture shall be distributed to the 8(a) concern.

(4) A provision providing for the establishment and administration of a special bank account in the name of the joint venture. This account shall require the signature of all participants to the joint venture or designees for withdrawal purposes. All payments due the joint venture for performance on an 8(a) subcontract shall be deposited in the special account from which all expenses incurred under the subcontract shall be paid.

(5) An itemized description of all major equipment, facilities, and other resources to be furnished by each participant to the joint venture, with a detailed schedule of cost or value of each.

(6) A provision specifying the responsibilities of the parties with regard to contract performance, source of labor and negotiation of the 8(a) contract and any subcontracts to the joint venture.

(d) Other requirements. Joint venture agreements are subject to the following additional requirements:

(1) The joint venture agreement must be approved in advance of contract award by the AA/MSB&COD or his/her designee.

(2) An employee of the 8(a) concern must be the designated project manager responsible for contract performance.

(3) Accounting and other administrative records relating to the joint venture shall be kept in the office of the 8(a) concern, unless approval to keep them elsewhere is granted by the Regional Administrator or his/her designee upon written request. Upon completion of the contract performed by the joint venture, the final original records shall be retained by the 8(a) concern.

(4) Quarterly financial statements showing cumulative contract receipts and expenditures (including salaries of the joint venture's principals) shall be submitted to SBA not later than 45 days after each operating quarter of the joint venture.

(5) A project-end profit and loss statement shall be submitted no later than 90 days after completion of the contract including a statement of final profit distribution.

(e) Obligation of performance. All parties to the joint venture must sign such documents as are necessary to obligate themselves to ensure performance of the 8(a) contract.

(f) Performance of work by 8(a) concern(s). The 8(a) partner(s) to an eligible joint venture, and not the aggregate of all parties to the joint venture, must perform the applicable percentages of work required by §124.314.

(g) Inspection of records. The SBA shall have the right to inspect the records of the joint venture without notice at any time deemed necessary.

(h) Joint ventures with concerns owned by Indian tribes—(1) Exemption from size limitations. The size limitations set forth in paragraph (b) of this section will not be applied to joint ventures entered into by an 8(a) concern owned and controlled by an economically disadvantaged Indian tribe, as defined in §124.100, if the concern:
Small Business Administration § 124.401

(i) Owns and controls 51 percent or more of the joint venture;
(ii) Is located on the reservation of or land owned by the tribe;
(iii) Performs most of its activities on such reservation or tribally owned land; and
(iv) employs members of such tribe for at least 50 percent of its total workforce.

(2) Limitations. A tribally owned 8(a) concern as a party to a joint venture may receive the exemption set forth in paragraph (h) of this section on no more than five contracts.

(3) Sunset. This paragraph shall cease to be effective after September 30, 1994.

(i) Joint ventures for Small Disadvantaged Business Set-Asides and Small Disadvantaged Business Evaluation Preferences. Joint ventures are permitted for Small Disadvantaged Business (SDB) set-asides and SDB evaluation preferences, provided that the requirements set forth in this paragraph are met.

(1) For purposes of this paragraph, the term joint venture has the same meaning as that set forth in §121.401(l) of this chapter. Two or more concerns that form an ongoing relationship to conduct business would not be considered “joint venturers” within the meaning of this paragraph, and would also not be eligible as an entity owned and controlled by one or more socially and economically disadvantaged individuals.

(2) A concern that is owned and controlled by one or more socially and economically disadvantaged individuals entering into a joint venture agreement with one or more other business concerns is considered to be affiliated for size purposes with such other concern(s). The combined annual receipts or employees of the concerns entering into the joint venture must meet the applicable size standard corresponding to the SIC code designated for the contract.

(3) The majority of the venture’s earnings must accrue directly to the socially and economically disadvantaged individuals in the SDB concern(s) in the joint venture.

(4) The percentage ownership involvement in a joint venture by disadvantaged individuals must be at least 51 percent.

Example 1. Small business concern A is 100% owned by disadvantaged individuals. Small business concern B is 100% owned by nondisadvantaged individuals. The percentage involvement by concern A in a joint venture between A and B must be at least 51%.

Example 2. Small business concern C is 51% owned by disadvantaged individuals. Small business concern D is 100% owned by nondisadvantaged individuals. Any joint venture between C and D would be ineligible because the amount of ownership involvement in such a joint venture by disadvantaged individuals would be less than 51%. Even a 90% involvement by concern C in a joint venture with D would mean an overall ownership involvement by disadvantaged individuals of only 45.9% (51% of 90), and an overall ownership involvement by nondisadvantaged individuals of 54.1% (10%+49% of 90).

§ 124.401 Advance payments.

(a) General. (1) Advance payments are disbursements of cash made by SBA to an 8(a) concern prior to the completion of performance of a specific 8(a) subcontract and are based on anticipated performance on the part of the 8(a) concern under a particular 8(a) subcontract. Advance payments are made for the purpose of assisting the 8(a) concern to meet financial requirements pertinent to the performance of an 8(a) subcontract. Advance payments will be considered only after all other forms of financing have been considered by SBA and are determined to be either unavailable or unacceptable to support performance of the 8(a) subcontract.

(2) Advance payments may be authorized only for concerns which are current Program Participants at the time of approval of the advance payment. A firm which has graduated from or otherwise exited the 8(a) program prior to approval is ineligible for advance payments. Where the concern will graduate from the 8(a) program during the initial performance period (base year), advance payments may be authorized only for that year, and may not be authorized for option years.

(3) Advance payments will be authorized only in connection with sole
source 8(a) awards and not in connection with competitive 8(a) awards.

(4) The gross amount of advance payments will be determined by SBA at the time the request for such payments is approved. The gross amount of advance payments must be determined by SBA prior to commencement of performance of the contract, where possible. In no event shall the total amount of advance payments disbursed and not repaid exceed 90 percent of the outstanding unpaid proceeds of the 8(a) subcontract to which the advance payments relate. The value of unexercised options is not considered in determining the outstanding unpaid proceeds of the 8(a) subcontract. In the case of requirements and indefinite quantity type contracts, advance payments will be authorized only when a guaranteed minimum value is established in the 8(a) subcontract, and the amount of advance payments approved shall not exceed 90 percent of that guaranteed minimum. SBA must approve in writing any subsequent change in the gross amount of advance payments.

(5) All advance payments, whether disbursed by letter of credit or otherwise, and all 8(a) subcontract proceeds shall be deposited into a Special Bank Account established exclusively for that purpose pursuant to the Advance Payment clause of the 8(a) subcontract. Under no circumstances may advance payment funds be deposited in certificates of deposit or other securities. The procuring agency shall pay all 8(a) subcontract proceeds directly into the Special Bank Account until notified by SBA in writing that the advance payments have been fully liquidated. SBA will not authorize any withdrawals from the Special Bank Account that are inconsistent with the disbursement schedule established by the 8(a) subcontract under which the advance payments were made.

(6) Advance payments shall be liquidated from proceeds derived from the performance of the specific 8(a) subcontract to which they pertain or from other revenues of the business (except other advance payments). 8(a) subcontract proceeds shall be applied first to liquidate outstanding advance payments. Repayment must occur according to the liquidation schedule established by the 8(a) subcontract under which the advance payments were made.

(7) The special bank account may not be used as a revolving line of credit. The cumulative total amount of advance payments disbursed may not exceed the amount authorized by the Regional Administrator or the ARA/MSB&COD.

(b) Requirements and conditions. (1) Advance payments may be approved for an 8(a) concern only when all of the following conditions are found by SBA to exist:

(i) An 8(a) concern does not have adequate working capital to perform a specific 8(a) subcontract.

(ii) Adequate and timely private financing is not available on reasonable terms to provide necessary capital.

(iii) Progress payments based on costs at customary rates will not satisfy the working capital requirements of the 8(a) concern to perform the 8(a) subcontract.

(iv) When applicable, loan guarantees for defense production are not available.

(v) Progress payments based on costs with unusual terms will not satisfy the working capital requirements of the 8(a) concern to perform the 8(a) subcontract.

(vi) The 8(a) concern has established or agrees to establish and maintain financial records and controls which will provide for complete accountability and required reporting of advance payment funds. These records must be made available upon request for review and copying by SBA and other appropriate Federal officials.

(vii) The 8(a) concern has no unliquidated advance payments outstanding on another 8(a) subcontract which is completed, terminated or in default, unless such unliquidated advance payments are due only to the contracting agency’s delay in making final payment to the 8(a) concern after it has successfully completed the 8(a) subcontract.

(2) Advance payments shall not be made to an 8(a) concern in any case in which the concern has assigned its right to receive any payment under the specific 8(a) subcontract to any person or entity.
(3) SBA shall not charge interest on advance payments disbursed pursuant to these regulations, except upon an event of default, as defined in the subcontract. When charged, interest shall be assessed at such rate as established by the Secretary of the Treasury pursuant to Pub. L. 92-41.

(4) Under no circumstances may a liquidation schedule be waived. However, the cognizant Regional Administrator or ARA/MSB&COD may authorize a modified liquidation schedule in appropriate cases. Such modified schedule becomes effective when contained in an appropriate modification to the subcontract.

(c) Application and approval procedure. The following procedures apply to the approval of advance payments:

(1) The 8(a) concern must submit a written request for advance payments to the cognizant SBA Regional Administrator or the ARA/MSB&COD. Such request must include such detailed documentation as SBA may specify to support 8(a) concern’s need for such funds and proof that working capital financing cannot be found from financing institutions at reasonable terms.

(2) The 8(a) concern must identify a commercial bank which is a member of the Federal Reserve System in which it will establish a Special Bank Account for the deposit of advance payments and all payments made to it by the procuring agency for its performance of the 8(a) subcontract. This special account shall be a non-interest bearing demand deposit account.

(3) The 8(a) concern must, as required by IRS regulations, select a Federal Depository into which the Federal withholding and FICA payment will be made.

(4) Upon review of all of the circumstances, the Regional Administrator or the ARA/MSB&COD shall decide whether to approve or deny a request for advance payments, and, if approval is granted, shall designate the amount thereof and the terms and conditions upon which such advance payments may be made.

(d) Post-approval procedures. The Contracting Officer shall be responsible for assuring that advance payments are implemented consistent with the Finding, Determination and Authorization for Advance Payments issued by the Regional Administrator or the ARA/MSB&COD. Before any advance payments are disbursed, the following actions must occur:

(1) The 8(a) concern must execute a note evidencing the full amount of the advance payments and any other documents needed to create and perfect such other sources of security as SBA shall require, including, but not limited to the following:

(i) Real estate, deeds of trust and mortgages;

(ii) Security agreements and financing statements; and

(iii) Personal guarantees.

(2)(i) The 8(a) concern and SBA shall execute a modification to the 8(a) subcontract adding an Advance Payment clause prior to the disbursement of any advance payments. The clause shall state the amount of the advance payments, a liquidation schedule and all other terms and conditions to govern the advance payments, consistent with the Finding, Determination and Authorization for Advance Payments issued by the Regional Administrator or ARA/MSB&COD.

(ii) The Contracting Officer, when other contract terms reducing the quantity, price or term of performance of the 8(a) prime and subcontract are modified by the procuring agency, shall initiate action to modify the Advance Payment clause and, if appropriate, the letter of credit as necessary, including but not limited to reduction of the total amount of advance payments authorized or the amount of the letter of credit and/or restructuring the liquidation schedule, to ensure that at no time during the performance of the 8(a) subcontract does the unliquidated advance payments exceed 90 percent of the unpaid value of the 8(a) subcontract.

(3) The 8(a) concern, SBA and the bank in which the Special Bank Account has been established will enter into a Special Bank Account Agreement prior to disbursement of any funds. The agreement shall specify the respective rights and responsibilities of the parties. The Agreement shall grant
to SBA the unilateral right to withdraw any funds in the Special Bank Account to the extent necessary to liquidate any unliquidated advance payments.

(i) The cognizant SBA Regional Administrator or the ARA/MSB&COD shall designate at least two SBA employees to serve as countersignatories on the Special Bank Account. Withdrawals from the account will be made only upon the authorized signatures of a representative of the 8(a) concern and one of the designated SBA employees, as identified on the signature card for the Special Bank Account. Under no circumstances shall the requirement for an SBA employee countersignature be waived.

(ii) At the time that SBA disburses advance payment funds into the Special Bank Account, SBA shall obtain a paramount lien upon the Special Bank Account, any property contracted for, supplies, material and other property acquired with the advance payment funds, and the most superior lien possible upon any other security required by the Finding, Determination and Authorization for Advance Payments.

(4) Prior to disbursement of an advance payment, SBA shall modify the prime contract with the procuring agency in the following respects:

(i) Reassign contract administration authority to the extent necessary to administer the Advance Payment clause of the 8(a) subcontract to SBA's Contracting Officer.

(ii) Direct payment of all contract proceeds into the Special Bank Account until SBA issues written notice that the advance payments have been fully liquidated.

(iii) Require prompt notice of any adverse developments in contract performance, changes in the Government requirement, or of any other condition that may affect contract payments.

(iv) Require that copies of all payment vouchers issued by the procuring agency’s disbursing office be sent to the Contracting Officer.

(e) Procedures for use of Advance Payment funds. (1) Except for repayment to SBA in appropriate circumstances, advance payment funds may be used by an 8(a) concern only for the purchase of materials, payment of labor, payment for equipment expenses, general and administrative expenses and overhead, and payments to the subcontractors of the 8(a) concern necessary for the performance of the specific 8(a) subcontract for which the advance payments were authorized. Program Participants shall follow a two-step process to gain access to advance payment funds. The first step is the disbursement of the advance payment funds from SBA, either directly or by way of letter of credit into the Special Bank Account. The second step is the withdrawal of funds from the Special Bank Account by check to pay particular contract expenses.

(2) Disbursement of advance payment funds by SBA. (i) SBA shall disburse advance payments through a letter of credit where the Agency anticipates that all of the following conditions exist:

(A) Its relationship with the particular 8(a) concern will last for a year or more.

(B) The cumulative disbursements to that 8(a) concern will total at least $120,000 annually.

(C) The 8(a) concern has submitted a schedule of its projected monthly advance requirements for 8(a) subcontract disbursements and SBA has reviewed it and found it to be reasonable.

(D) The 8(a) concern has established or agrees to establish and maintain financial records and controls which will provide for complete accountability and required reporting of program funds. These records must be made available upon request for review and audit by SBA and the General Accounting Office.

(ii) Procedures for disbursements by letter of credit. The procedures for the utilization of the letter of credit method of payment shall be in accord with 48 CFR 32.406. Where disbursement is by the letter of credit method, 8(a) concerns shall draw down funds against their letters of credit for deposit into the Special Bank Account only as needed and in such amounts necessary for its immediate cash needs under the 8(a) subcontract for which the advance payments were authorized. Such immediate cash needs shall be documented by the 8(a) concern and verified by SBA.
prior to draw down. The amount of each draw down against the letter of credit shall be for the minimum amount needed to satisfy immediate cash needs, taking into account other financial resources available to the 8(a) concern, including progress payments not required for the liquidation of disbursed advance payments.

(iii) In all instances not covered by paragraph (e)(2)(i) of this section, SBA shall disburse advance payments by Treasury check or electronic funds transfer. In such cases, the Contracting Officer shall request SBA's Office of Financial Operations, Denver, Colorado, to disburse the authorized amount of the advance payments into the Special Bank Account.

(3) Procedures for withdrawal of funds from the Special Bank Account. All payments to the 8(a) concern under the 8(a) subcontract for which advance payments were authorized, together with all disbursements of such advance payments, shall be paid into the Special Bank Account.

(i) Liquidation of disbursed advance payments. The funds in the Special Bank Account shall be applied by SBA first to liquidate the balance of disbursed advance payments, in accordance with the liquidation schedule in the Advance Payment clause of the 8(a) subcontract. Withdrawals for liquidation of disbursed advance payments shall be made in accordance with the procedures contained in the Advance Payment clause of the 8(a) subcontract.

(ii) Payment of 8(a) subcontract expenses. Any amounts in the Special Bank Account not required to liquidate disbursed advance payments shall next be applied to pay allowable and allocable costs incurred in the performance of the 8(a) subcontract for which the advance payments were authorized. To obtain withdrawals from the Special Bank Account for the payment of such costs, the 8(a) concern shall request issuance of checks for the payment of expenses to the Contracting Officer, supported by the documentation described below. Such requests shall be made sufficiently in advance of the due date for such obligations to permit the review of the request by SBA and countersignature by the designated SBA countersignatories. The 8(a) concern shall support each request for a withdrawal from the Special Bank Account by submitting to the Contracting Officer or his/her designee, to the extent applicable, the following:

(A) The original vendor invoice or original payroll record;

(B) A certified statement, dated and signed by the concern's authorized certifying official, attesting to the truth and accuracy of the vendor invoice, and/or the payroll records for the requested withdrawal, including records of direct payroll expenditures as well as labor overhead;

(C) A certification by the 8(a) concern that all Federal taxes and FICA payments are current, or a copy of any agreement with the Internal Revenue Service (IRS) providing for payment of delinquent taxes; and

(D) Documentation of overhead and general and administrative rates, using projected indirect costs applied to a valid base, which have been properly allocated to direct material, labor, or other direct costs.

(E) Where the requested withdrawal is for payroll expenses, the 8(a) concern must prepare a check for Federal taxes in the name of the tax collecting agency, or the Federal Depository selected by the 8(a) concern into which its Federal withholding and FICA payments are made, to be signed by SBA and the 8(a) concern concurrent with the check for the submitted payroll. If the amount of a check payable to IRS or to the Federal Depository is less than 25 percent of the gross payroll for the period, the 8(a) concern's authorized certifying official shall prepare a statement certifying that the amount designated as payable to IRS or to the Federal Depository is true and correct. There shall be no change of Federal Depository without obtaining the prior written consent of SBA.

(iii) Release of residual funds after liquidation of the advance payments and payment of 8(a) subcontract expenses. Any funds remaining in the Special Bank Account after the 8(a) subcontract has been successfully completed or terminated and after the advance payments have been fully liquidated and all allowable and allocable 8(a) subcontract performance costs
have been paid shall be disbursed to the 8(a) concern. Upon receipt of the final progress payment, the Contracting Officer shall expeditiously close the Special Bank Account, executing a check withdrawing the remaining balance of the Account payable to the 8(a) concern.

(f) Cancellation. (1) SBA may determine that advance payments should be cancelled under appropriate circumstances, including but not limited to the following:

(i) The terms and conditions of the Advance Payment clause have not been adhered to by an 8(a) concern.

(ii) The 8(a) concern is not in compliance with its 8(a) Participation Agreement.

(iii) The 8(a) concern has been suspended pursuant to §124.211 or has been terminated by administrative action under section 8(a)(9) of the Small Business Act, 15 U.S.C. 637(a)(9).

(2) In the event of cancellation of advance payments to an 8(a) concern, all previous advance payments made to that 8(a) concern shall become due and payable to SBA prior to the receipt of final contract payment.

§ 124.402 Business development expenses.

(a) Any Business Development Expense (BDE) funds received by a Program Participant prior to the expiration of the BDE program must be used exclusively for the purposes stated in the BDE approval. Use of such funds for any other purpose may be good cause for termination from the 8(a) program pursuant to §124.209.

(b) Any Program Participant which received BDE funds prior to the expiration of the BDE program shall maintain records to substantiate the uses for which the BDE funds have been expended.

(c) In the event of default on an 8(a) contract to which BDE funds relate, the Participant shall be liable for repayment of the full amount of the BDE to SBA.

§ 124.403 Development Assistance Program.

(a) General. Section 7(j)(1) of the Small Business Act provides for financial assistance to public or private organizations to pay all or part of the cost of projects designed to provide technical or management assistance to individual or enterprises eligible for assistance under sections 7(a)(11), 7(j)(10) and 8(a) of the Small Business Act. (3) The AA/MSB&COD shall encourage the placement of deposits made by the Federal Government, or by programs aided with Federal funds, in such a way as to further the purposes of section 7(a)(11), 7(j) and 8(a) of the Small Business Act.

The development assistance described below shall be provided exclusively to those small business concerns eligible to receive contracts pursuant to section 8(a) of the Small Business Act. (b) Establish regular performance monitoring and reporting systems for small business concerns participating in the program to assure compliance with their business plans.

(2) Special management and technical assistance designed to meet the specific needs of small business concerns participating in the program and which have received or are applying to receive a surety bond; and

(3) Preparation of all forms necessary to receive a surety bond guarantee from the SBA pursuant to Title IV, part B of the Small Business Investment Act of 1958.

§ 124.501 Miscellaneous reporting requirements.

(a) Capability statements. Each 8(a) concern shall annually prepare and submit to the SBA a capability statement. Such statement shall briefly describe the concern's various contract performance capabilities and shall contain the name and telephone number of the BOS assigned to the concern. SBA will submit the capability statements to appropriate procuring agencies for the purpose of matching requirements with 8(a) concerns.

(b) Participant reports on parties assisting it and fees. Each 8(a) Program Participant shall submit semi-annually a written report to its assigned BOS to include the following information:

(1) A listing of any agents, representatives, attorneys, accountants, consultants and other parties (other than employees) receiving fees, commissions, or compensation of any kind to assist such participant in obtaining a Federal contract;

(ii) The amount of compensation received by any person listed under paragraph (b)(1)(i) of this section during the relevant reporting period along with a description of the activities performed for such compensation.

(2) The BOS will review the report and forward it to the AA/MSB&C. Any report that raises a suspicion of improper activity shall be referred immediately to the SBA Inspector General.

(3) The failure to submit a report pursuant to the requirements of this section shall be considered good cause for the initiation of a termination proceeding pursuant to § 124.209.

(c) Submission of financial statements.

(1) Program Participants with actual gross annual receipts of $5,000,000 or more must submit to SBA audited annual financial statements prepared by a licensed independent public accountant (as defined in part 107, appendix I, paragraph II. B) within 120 days after the close of the concern's fiscal year.

(ii) Upon request by the Program Participant, SBA may waive the requirement for audited financial statements. Waivers under this paragraph may be granted by the appropriate District Director only for the first year that audited financial statements are required. Beyond such first year, only the AA/MSB&C may waive this requirement for good cause shown by the Program Participant.

(iii) Circumstances where waivers of audited financial statements may be granted include, but are not limited to, the following:

(A) The concern has an unexpected increase in sales towards the end of its fiscal year that creates an unforeseen requirement for audited statements;

(B) The concern unexpectedly experiences severe financial difficulties which would make the cost of audited financial statements a particular burden; and

(C) The concern has been an 8(a) Program Participant less than 12 months.

(2) Program Participants with actual gross annual receipts of $1,000,000 to $4,999,999 shall submit to SBA reviewed annual financial statements prepared
by a licensed independent public accountant (as defined in part 107, appendix I, paragraph II. B) within 90 days after the close of the concern’s fiscal year.

(3) Program Participants with actual gross annual receipts of less than $1,000,000 shall submit to SBA an annual statement prepared in-house or a compilation statement prepared by a licensed independent public accountant (as defined in part 107, appendix I, paragraph II. B), verified as to accuracy by an authorized officer, partner, or sole proprietor of the 8(a) concern, by signature and date, within 90 days after the close of the concern’s fiscal year.

(4) Any audited financial statements submitted to SBA pursuant to §124.501(c) shall be prepared in accordance with Generally Accepted Accounting Principles and reflect the independent public accountant’s opinion.

(5) While financial statements need not be submitted until 90 or 120 days after the close of an 8(a) concern’s fiscal year, depending on the receipts of the concern, a concern seeking to be awarded an 8(a) contract between the close of its fiscal year and such 90 or 120-day time period must submit a final sales report signed by the CEO or President to SBA in order for SBA to determine/verify the concern’s size and its compliance with competitive business mix targets. This report must show a breakdown of 8(a) and non-8(a) sales.

(6) Notwithstanding a concern’s gross annual receipts, audited or reviewed annual and/or quarterly statements may be required whenever SBA determines it is necessary to obtain a more thorough verification of a concern’s assets, liabilities, income and/or expenses, or to determine the concern’s capacity to perform a specific 8(a) contract.

(d) Reporting requirements after exiting the 8(a) program. Former 8(a) Program Participants shall provide such information as SBA may request concerning such former Participant’s continued business operations, contract portfolio and financial condition for a period of three years following the date on which the concern exits the program. Failure to provide such information when requested may result in the nonexercise of options on contracts awarded through the 8(a) program.

§ 124.601

Subpart B—Disadvantaged Business Status Protest and Appeal Procedures

SOURCE: 54 FR 10272, Mar. 13, 1989, unless otherwise noted.

§ 124.601 Introduction.

(a) This subpart sets forth the procedures to be used whenever the SBA is asked to make a determination as to whether a particular concern is “disadvantaged” for purposes of Department of Defense’s (DoD’s) Small Disadvantaged Business (SDB) set-aside contracts and SDB evaluation preferences, authorized by section 1207 of the National Defense Authorization Act for Fiscal Year 1987, Pub. L. 99–661, SBA’s section 8(d) subcontracting program, and any other Federal procurement program requiring SBA to determine social and economic disadvantage as a condition for eligibility. These procedures are separate and distinct from those governing size protests and appeals.

(b) In determining the disadvantaged status of a protested concern, the SBA shall utilize the definitions of social and economic disadvantage and other eligibility requirements established in subpart A of part 124 of this title, including the requirements placed on ownership and control. In addition, for purposes of SDB set-asides and SDB evaluation preferences only, there is the additional requirement that the majority of the earnings of the concern directly accrue to the disadvantaged individual who owns and controls it. SBA shall apply these definitions in accordance with the presumption contained in section 8(d) of the Small Business Act (15 U.S.C. 636(d)).

(c) All protests relating to whether a concern is a “small” business for purposes of any Federal program requiring such a condition for eligibility, including SDB set-asides and SDB evaluation preferences, are to be filed pursuant to the procedures set forth in §§121.1601–121.1608 of these regulations. § 124.603 Who may protest the disadvantaged status of a concern.

(a) In connection with a specific SDB set-aside requirement or a requirement for which the apparent low bidder is an SDB which has invoked its SDB evaluation preference, the following entities may protest the disadvantaged status of a concern which is the apparent low responsible offeror:

(1) Any other concern which submitted an offer for that requirement;

(2) The procuring agency contracting officer; and

(3) The Small Business Administration.

(b) In connection with an 8(d) subcontract, the procuring agency contracting officer or SBA may protest the disadvantaged status of a proposed subcontractor. Other small business subcontractors and the prime contractor may submit information to the contracting officer in an effort to persuade the contracting officer to initiate a protest.

(c) Protests of disadvantaged status relating to other Federal procurement
§ 124.605 Protest procedures.

(a) Filing. (1) Except in cases where the contracting officer or SBA initiates a protest, all protests shall be directed to the procuring agency contracting officer responsible for the particular requirement.

(2) In cases where the contracting officer initiates a protest, he/she shall file the protest with SBA in accordance with paragraph (c) of this section and shall provide notification in accordance with §124.608 of this part.

(3) In cases where SBA initiates a protest, the protest shall be referred to the Division of Programs Certification and Eligibility within the Office of Minority Small Business and Capital Ownership Development (MSB&COD) shall determine whether the concern is disadvantaged.

(b) Timeliness of Protest—(1) SDB Set-Aside and SDB Evaluation of Preference Protest. In order for a protest to be timely when challenging the SDB status of an apparent low bidder to which an SDB evaluation preference has been applied, it must be received by the contracting officer prior to the close of business on the fifth day, exclusive of Saturdays, Sundays and legal holidays, after the receipt from the contracting officer of notification of the prospective awardee.

(ii) Written SDB Evaluation Preference Protest. In order for a protest by a business concern to be timely when challenging the SDB status of an apparent low bidder to which an SDB evaluation preference has been applied, it must be received by the contracting officer prior to the close of business on the fifth day, exclusive of Saturdays, Sundays and legal holidays, after the receipt from the contracting officer of notification of the prospective awardee.

(iii) Oral Protests. (iv) A protest received after the time limits set forth above shall not be considered.

(2) Section 8(d) Protests. (i) In order for a protest in connection with a 8(d) subcontract to be considered timely, it must be received by the contracting officer prior to the close of business on the fifth day, exclusive of Saturdays, Sundays and legal holidays, after the bid opening date for sealed bids, or after the receipt from the contracting officer of notification of the identity of the prospective awardee in negotiated acquisitions.

(ii) Written SDB Evaluation Preference Protest. In order for a protest by a business concern to be timely when challenging the SDB status of an apparent low bidder to which an SDB evaluation preference has been applied, it must be received by the contracting officer prior to the close of business on the fifth day, exclusive of Saturdays, Sundays and legal holidays, after the receipt from the contracting officer of notification of the prospective awardee.

(iii) Oral Protests. (v) A protest received after the time limits set forth above shall not be considered.

(2) Section 8(d) Protests. (i) In order for a protest in connection with an 8(d) subcontract to be considered timely, it must be received by the contracting officer prior to the close of business on the fifth day, exclusive of Saturdays, Sundays and legal holidays, after the bid opening date for sealed bids, or after the receipt from the contracting officer of notification of the identity of the prospective awardee in negotiated acquisitions.

(v) A protest received after the time limits set forth above shall not be considered.

(3) Protests, in connection with any procurement, which are filed by any person before bid opening or notification of intended award, whichever applies, shall be considered premature and shall not be forwarded to SBA, but shall be returned to the protestor without action.
§ 124.606 Referral to SBA. (1) Any contracting officer who receives a timely protest shall promptly forward such protest to the SBA's Director of the Division of Programs Certification and Eligibility, Office of Minority Small Business and Capital Ownership Development, 1441 L Street, NW., Washington, DC 20416.

(2) When a contracting officer receives a protest and refers it to the SBA, such referral shall contain the following:
   (i) The protest and any accompanying materials;
   (ii) The date on which the protest was received and a determination as to timeliness;
   (iii) A copy of the protested concern's self-certification as to disadvantaged status; and
   (iv) the date of bid opening or the date on which notification of the apparent successful offeror was sent to all unsuccessful offerors, as applicable.

(3) A protest by a Federal agency in connection with a procurement program requiring SBA to determine social and economic disadvantage as a condition of eligibility shall be accompanied by any materials in the possession of the agency which cause it to question the disadvantaged status of the concern.

§ 124.607 Form and specificity of protest.

(a) No specific form is required for a protest under this subpart.

(b) A protest must be sufficiently specific to provide reasonable notice as to the ground(s) upon which the protested concern's disadvantaged status is challenged and to call into question the disadvantaged status of the protested concern. A protest merely alleging that the protested concern is not disadvantaged, without setting forth any basis for the allegation, will not be deemed to specify adequate grounds for the protest. Some basis for the belief stated in the protest must be given. However, the contracting officer shall forward all protests received to SBA for a decision on whether to pursue the determination of disadvantaged status.

(c) Protests which do not contain sufficient specificity may be dismissed by the SBA.

(d) A dismissal by the Director of DPCE of a protest for lack of specificity may be appealed to SBA's AA/MSB&COD pursuant to § 124.609 of these regulations.

§ 124.608 Notification of protest.

(a) Upon receipt of a protest challenging the disadvantaged status of a concern, the Director of DPCE shall immediately notify the protestor and the contracting officer of the date such protest was received and whether it will be processed or dismissed for lack of specificity.

(b) In cases where the protest is sufficiently specific, the Director of DPCE shall also immediately advise the protested concern of the receipt of the protest and forward to the protested concern a copy of the protest.

(1) In such cases, the Director of DPCE is authorized to ask the protested concern to provide any or all of the following information and documentation: a completed SBA Form
§ 124.609 Making the disadvantaged status determination.

(a) General. The Director of DPCE shall make a disadvantaged status determination within 15 working days after receipt of a protest challenging such status, or as soon thereafter as possible. If, in connection with an SDB acquisition or other procurement requirement, the SBA cannot make such a determination within 15 working days, the Director of DPCE shall inform the contracting officer responsible for the particular requirement when a determination is expected to be made.

(b) Time Limits for Response. If the information and documentation requested by SBA under §124.608(b) is not received by the Director of DPCE within the 10-day period as required by §124.608(c), SBA may determine the protested concern to be non-disadvantaged.

(c) Withdrawal of Protest. Once properly instituted by the filing of a specific disadvantaged status protest, the determination may be completed by the SBA even if the protest is withdrawn or the SDB acquisition or other
procurement requirement in question is cancelled or awarded. The continuation of the disadvantaged status determination is discretionary with the SBA.

(d) Basis for Determination. (1) Except with respect to a concern which is a current participant in SBA's section 8(a) program or a concern authorized by §124.608(b) of this part to submit an affidavit concerning its disadvantaged status, the disadvantaged status determination shall be based on the protest record as supplied by the protestor, protested concern, SBA or others.

(2) If deemed necessary or appropriate, the SBA may make a part of the protest record information in its files and information submitted in response to requests to the protestor, the protested concern, the contracting officer, or other persons for additional specific information.

(3) In determining disadvantaged status, SBA shall review ownership and control of each protested firm as well as social and economic disadvantage regardless of the grounds specified in the protest.

(e) Disadvantaged Status Determination. The SBA shall base its disadvantaged status determination upon the record, including reasonable inferences therefrom. SBA shall render a written determination including the basis for its findings and conclusions.

(f) Summary Determination for Current 8(a) Participant. The SBA may summarily determine that a concern is socially and economically disadvantaged if that concern is a current participant in the SBA's section 8(a) program so long as SBA has completed an annual review of the concern within the previous 12 month period unless the protested concern cannot submit or fails to submit an affidavit authorized by §124.608(b) of these regulations. This summary determination shall not apply if suspension, termination, or graduation proceedings are pending against the concern.

(g) Notification of Determination. After making its disadvantaged status determination, the SBA shall immediately notify the contracting officer, the protestor, and the protested concern of its determination. No later than one business day thereafter, SBA shall provide by certified mail, return receipt requested, a copy of its written determination to the protested concern and, consistent with the Privacy Act (5 U.S.C. 552a) and Freedom of Information Act (5 U.S.C. 552), to all other parties to the proceeding.

(h) Results of an SBA Disadvantaged Status Determination. (1) A disadvantaged status determination becomes effective immediately and remains in full force and effect unless and until reversed upon appeal by SBA's AA/MSB&COD pursuant to §124.610 of this part.

(2) A concern which was determined to be non-disadvantaged may certify itself as a disadvantaged business for purposes of future SDB evaluation preferences, future SDB acquisitions, 8(d) subcontracts, and other Federal procurement programs requiring disadvantaged status as a condition for eligibility provided that it has a good faith belief that it has changed the conditions upon which the determination of non-disadvantaged status was based. At the time of such certification, the concern shall notify the contracting officer that it was previously determined to be non-disadvantaged. However, if such concern is the lowest responsive offeror for an SDB acquisition, or for any requirement by involving its SDB evaluation preference, or is otherwise deemed eligible for a Federal procurement program requiring disadvantaged status as a condition for eligibility, the contracting officer shall treat such certification as a protest of the concern's disadvantaged status and shall forward it to SBA pursuant to §124.605(c) of this part. SBA shall process a protest based on such certification in accordance with the provisions of this part.

(3) If a current 8(a) participant is found to be non-disadvantaged as a result of failure to submit the affidavit permitted by §124.608(b)(ii) of this part, or for other cause, the concern will be subject to the same certification and notice requirements specified in paragraph (i)(2) of this section. However, a determination of non-disadvantaged status will not automatically terminate the concern's 8(a) program participation. A hearing before an administrative law judge is required before a
§ 124.610 Appeals of disadvantaged status determinations.

(a) Appeals to re-examine disadvantaged status determinations may be filed with the SBA’s AA/MSB&COD by any of the following:

(1) The concern whose disadvantaged status was determined by the Director of OPE;

(2) The original protestor; and

(3) The procuring agency contracting officer responsible for the SDB acquisition or other procurement requirement in question.

(b) Notice of an appeal must be provided to the protested concern, the original protestor, and the procuring agency contracting officer responsible for the SDB acquisition or other procurement requirement in question.

(c) (1) An appeal must be in writing and must be received by the Associate Administrator for Minority Small Business and Capital Ownership Development, U.S. Small Business Administration, 1441 L Street, NW., Washington, DC 20416, no later than 5 working days after the date of receipt of such determination.

(2) An untimely appeal shall be dismissed.

(d) Grounds for Appeal. The SBA will re-examine a disadvantaged status determination only if there was a clear and significant administrative error in the processing of such decision, or if the Director of OPE completely failed to consider a significant fact contained within the materials supplied by the protestor or the protested concern. Disadvantaged status determinations shall not be re-examined based on additional information or changed circumstances which were not disclosed to the Director of OPE at the time of his/her decision.

(e) No specific form is required for the appeal. However, the appeal must identify the disadvantaged status determination for which a re-examination is sought, set forth a full and specific statement of the reasons as to why the disadvantaged status determination is alleged to be erroneous pursuant to paragraph (d) of this section, and present arguments in support of such allegations.

(f) An appeal may proceed to completion even though an award of the SDB acquisition or other procurement requirement which prompted the initial protest has been made. In such a case, however, a reversal by the AA/MSB&COD shall not apply to the awarded SDB acquisition or other awarded procurement requirement and shall have future effect only.

(g) The appeal will be decided by the AA/MSB&COD within 5 working days of its receipt, if practicable.

(h) The appeal decision shall be based on all the information and documentation in the record. A copy of the decision shall be provided to the protested concern by certified mail, return receipt requested. To the extent consistent with the Privacy Act and the Freedom of Information Act, all parties to the proceeding shall be notified of SBA’s final decision.
PART 125—GOVERNMENT CONTRACTING PROGRAMS

Sec. 125.1 Programs included.
125.2 Prime contracting assistance.
125.3 Subcontracting assistance.
125.4 Government property sales assistance.
125.5 Certificate of Competency Program.
125.6 Prime contractor performance requirements (limitations on subcontracting).

SOURCE: 61 FR 3312, Jan. 31, 1996, unless otherwise noted.

§ 125.1 Programs included.

The regulations in this part relate to the Government contracting assistance programs of SBA. There are four main programs: Prime contracting assistance; Subcontracting assistance; Government property sales assistance; and the Certificate of Competency program. The objective of the programs is to assist small businesses in obtaining a fair share of Federal Government contracts, subcontracts, and property sales.

§ 125.2 Prime contracting assistance.

(a) Traditional PCR responsibilities. (1) SBA Procurement Center Representatives (PCRs) are located at Federal agencies and buying activities which have major contracting programs. PCRs review all acquisitions not set aside for small businesses to determine whether a set-aside would be appropriate. In cases where there is disagreement between a PCR and the contracting officer over the suitability of a particular acquisition for a small business set-aside, the PCR may initiate an appeal to the head of the contracting activity. If the head of the contracting activity agrees with the contracting officer, SBA may appeal to the secretary of the department or head of the agency. The procedures and time limits for such appeals are set forth in §19.505 of the Federal Acquisition Regulation (FAR) (48 CFR 19.505).

(2) PCRs review and evaluate the small business programs of Federal agencies and buying activities and make recommendations for improvement. They also recommend small business, small women-owned business, and small disadvantaged business sources for use by contracting activities and assist these businesses in obtaining Federal contracts and subcontracts. Other authorized duties of a PCR are set forth in the FAR in 48 CFR 19.402(c) and in the Small Business Act (the Act) in Section 15(a) (15 U.S.C. 644(a)).

(b) BPCR responsibilities. (1) SBA is required by section 403 of Public Law 98-577 (15 U.S.C. 644(l)) to assign a breakout PCR (BPCR) to major contracting centers. A major contracting center is a center that, as determined by SBA, purchases substantial dollar amounts of other than commercial items, and which has the potential to achieve significant savings as a result of the assignment of a BPCR.

(2) BPCRs advocate full and open competition in the Federal contracting process and recommend the breakout for competition of items and requirements which previously have not been competed. They may appeal the failure by the buying activity to act favorably on a recommendation in accord with the appeal procedures set forth in §19.505 of the FAR (48 CFR 19.505). BPCRs also review restrictions and obstacles to competition and make recommendations for improvement. Other authorized functions of a BPCR are set forth in 48 CFR 19.403(c) of the FAR and Section 15(l) of the Act (15 U.S.C. 644(l)).

§ 125.3 Subcontracting assistance.

(a) The purpose of the subcontracting assistance program is to achieve maximum utilization of small business by major prime contractors. The Act requires other-than-small firms awarded contracts that offer subcontracting possibilities by the Federal Government in excess of $500,000, or $1 million for construction of a public facility, to submit a subcontracting plan to the contracting agency. The FAR sets forth the requirements for subcontracting plans in 48 CFR part 19, subpart 19.7, and 48 CFR 52.219-9.
§ 125.5 Certificate of Competency Program.

(a) General. (1) The Certificate of Competency (COC) Program is authorized under section 8(b)(7) of the Small Business Act. A COC is a written instrument issued by SBA to a Government contracting officer, certifying that one or more named small business concerns possess the responsibility to perform a specific Government procurement (or sale) contract. The COC Program is applicable to all Government procurement actions. For purposes of this Section, the term “United States” includes its territories, possessions, and the Commonwealth of Puerto Rico.

(2) A contracting officer must, upon determining an apparent low small business offeror to be nonresponsible, refer that small business to SBA for a possible COC, even if the next low apparently responsible offeror is also a small business.

(b) A small business offeror referred to SBA as nonresponsible may apply to SBA for a COC. Where the applicant is
§ 125.5

The offeror seeking a COC has the burden of proof to demonstrate its eligibility for COC review. To be eligible for the COC program, a firm must meet the following criteria:

(i) It must qualify as a small business concern under the size standard applicable to the procurement. Where the solicitation fails to specify a size standard or Standard Industrial Classification (SIC) code, SBA will assign the appropriate size standard to determine COC eligibility. SBA determines size eligibility as of the date described in § 121.404 of this chapter.

(ii) A manufacturing, service, or construction concern must demonstrate that it will perform a significant portion of the proposed contract with its own facilities, equipment, and personnel. The contract must be performed or the end item manufactured within the United States.

(iii) A non-manufacturer making an offer on a small business set-aside contract for supplies must furnish end items that have been manufactured in the United States by a small business. A waiver of this requirement may be requested under §§ 121.1301 through 121.1305 of this chapter.

(iv) A non-manufacturer making an offer on an unrestricted procurement or a procurement utilizing simplified acquisition threshold procedures with a cost that does not exceed $25,000 must furnish end items manufactured in the United States to be eligible for a COC.

(v) An offeror intending to provide a kit consisting of finished components or other components provided for a special purpose, is eligible if:

(A) It meets the Size Standard for the SIC code assigned to the procurement;

(B) Each component comprising the kit was manufactured in the United States; and

(C) In the case of a set-aside, each component comprising the kit was manufactured by a small business under the size standard applicable to the component provided. A waiver of this requirement may be requested under §§ 121.1301 through 121.1305 of this chapter.

(2) SBA will determine a concern ineligible for a COC if the concern, or any of its principals, appears in the “Parties Excluded From Federal Procurement Programs” section found in the U.S. General Services Administration Office of Acquisition Policy Publication: List of Parties Excluded From Federal Procurement or Nonprocurement Programs. If a principal is unable to presently control the applicant concern, and appears in the Procurement section of the list due to matters not directly related to the concern itself, responsibility will be determined in accordance with paragraph (f)(2) of this section.

(3) An eligibility determination will be made on a case-by-case basis, where a concern or any of its principals appears in the Nonprocurement Section of the publication referred to in paragraph (b)(2) of this section.

(c) Referral of nonresponsibility determination to SBA. (1) A contracting officer who determines that an apparently successful offeror that has certified itself to be a small business with respect to a specific Government procurement lacks any element of responsibility (including competency, capability, capacity, credit, integrity or tenacity or perseverance) must refer the matter in writing to the SBA Government Contracting Area Office (Area Office) serving the area in which the headquarters of the offeror is located. The referral must include a copy of the following:

(i) Solicitation;

(ii) Offer submitted by the concern whose responsibility is at issue for the procurement (its Best and Final Offer for a negotiated procurement);

(iii) Abstract of Bids, where applicable, or the Contracting Officer’s Price Negotiation Memorandum;

(iv) Preaward survey, where applicable;

(v) Contracting officer’s written determination of nonresponsibility;

(vi) Technical data package (including drawings, specifications, and Statement of Work); and
(vii) Any other justification and documentation used to arrive at the nonresponsibility determination.

(2) Contract award must be withheld by the contracting officer for a period of 15 working days (or longer if agreed to by SBA and the contracting officer) following receipt by the appropriate Area Office of a referral which includes all required documentation.

(3) The COC referral must indicate that the offeror has been found responsive to the solicitation, and also identify the reasons for the nonresponsibility determination.

(d) Application for COC. (1) Upon receipt of the contracting officer’s referral, the Area Office will inform the concern of the contracting officer’s negative responsibility determination, and offer it the opportunity to apply to SBA for a COC by a specified date.

(2) The COC application must include all information and documentation requested by SBA and any additional information which the firm believes will demonstrate its ability to perform on the proposed contract. The application should be returned as soon as possible, but no later than the date specified by SBA.

(3) Upon receipt of a complete and acceptable application, SBA may elect to visit the applicant’s facility to review its responsibility. SBA personnel may obtain clarification or confirmation of information provided by the applicant by directly contacting suppliers, financial institutions, and other third parties upon whom the applicant’s responsibility depends.

(e) Incomplete applications. If an application for a COC is materially incomplete or is not submitted by the date specified by SBA, SBA will close the case without issuing a COC and will notify the contracting officer and the concern with a declination letter.

(f) Reviewing an application. (1) The COC review process is not limited to the areas of nonresponsibility cited by the contracting officer. SBA may, at its discretion, independently evaluate the COC applicant for all elements of responsibility, but it may presume responsibility exists as to elements other than those cited as deficient. SBA may deny a COC for reasons of nonresponsibility not originally cited by the contracting officer.

(2) A small business will be rebuttably presumed nonresponsible if any of the following circumstances are shown to exist:

(i) Within three years before the application for a COC, the concern, or any of its principals, has been convicted of an offense or offenses that would constitute grounds for debarment or suspension under FAR subpart 9.4 (48 CFR part 9, subpart 9.4), and the matter is still under the jurisdiction of a court (e.g., the principals of a concern are incarcerated, on probation or parole, or under a suspended sentence); or

(ii) Within three years before the application for a COC, the concern or any of its principals has had a civil judgment entered against it or them for any reason that would constitute grounds for debarment or suspension under FAR subpart 9.4 (48 CFR part, subpart 9.4).

(g) Decision by Area Director (“Director”). After reviewing the information submitted by the applicant and the information gathered by SBA, the Area Director will make a determination, either final or recommended as set forth in the following chart:

§ 125.5 (h) Notification of intent to issue on a contract with a value between $100,000 and $25 million. Where the Director determines that a COC is warranted, he or she will notify the contracting officer of the intent to issue a COC, and of the reasons for that decision, prior to issuing the COC. At the time of notification, the contracting officer has the following options:

(1) Accept the Director’s decision to issue the COC and award the contract to the concern. The COC issuance letter will then be sent, including as an attachment a detailed rationale of the decision; or

(2) Ask the Director to suspend the case for one of the following purposes:
   (i) To forward a detailed rationale for the decision to the contracting officer for review within a specified period of time;
   (ii) To afford the contracting officer the opportunity to meet with the Area Office to review all documentation contained in the case file;
   (iii) To submit any information which the contracting officer believes SBA has not considered (at which time, SBA will establish a new suspense date mutually agreeable to the contracting officer and SBA); or
   (iv) To permit resolution of an appeal by the contracting agency to SBA Headquarters under paragraph (i) of this section.

(i) Appeals of Area Director determinations. For COC actions with a value exceeding $100,000, contracting agencies may appeal a Director’s decision to issue a COC to SBA Headquarters by filing an appeal with the Area Office processing the COC application. The Area Office must honor the request to appeal if the contracting officer agrees to withhold award until the appeal process is concluded. Without such an agreement from the contracting officer, the Director must issue the COC. When such an agreement has been obtained, the Area Office will immediately forward the case file to SBA Headquarters.

(1) The intent of the appeal procedure is to allow the contracting agency the opportunity to submit to SBA Headquarters any documentation which the Area Office may not have considered.

(2) SBA Headquarters will furnish written notice to the Director, Office of Small and Disadvantaged Business Utilization (OSDBU) at the secretariat level of the procuring agency (with a copy to the contracting officer), that the case file has been received and that an appeal decision may be requested by an authorized official at that level. If the contracting agency decides to file an appeal, it must notify SBA Headquarters through its Director, OSDBU, within 10 working days (or a time period agreed upon by both agencies) of its receipt of the notice under paragraph (h) of this section. The appeal and any supporting documentation must be filed within 10 working days (or a different time period agreed to by both agencies) after SBA receives the request for a formal appeal.

(j) Decision by SBA Headquarters where contract value exceeds $25 million. Prior to taking final action, SBA Headquarters will contact the contracting agency at the secretariat level or agency equivalent and afford it the following options:

(i) Ask SBA Headquarters to suspend the case so that the agency can meet with Headquarters personnel and review all documentation contained in the case file; or

(ii) Submit to SBA Headquarters for evaluation any information which the contracting agency believes has not been considered.

(ii) After reviewing all available information, the AA/GC will make a final decision to either issue or deny the COC. If the AA/GC’s decision is to deny the COC, the applicant and contracting agency will be informed in writing by the Area Office. If the decision is to issue the COC, a letter certifying the responsibility of the firm will be sent to the contracting agency by Headquarters and the applicant will be informed of such issuance by the Area Office. Except as set forth in paragraph (i) of this section, there can be no further appeal or reconsideration of the decision of the AA/GC.
§ 125.6 Prime contractor performance requirements (limitations on subcontracting).

(a) In order to be awarded a full or partial small business set-aside contract, an 8(a) contract, or an unrestricted procurement where a concern has claimed a 10 percent small disadvantaged business (SDB) price evaluation preference, a small business concern must agree that:

(1) In the case of a contract for services (except construction), the concern will perform at least 50 percent of the cost of the contract incurred for personnel with its own employees.

(2) In the case of a contract for supplies or products (other than procurement from a non-manufacturer in such supplies or products), the concern will perform at least 50 percent of the cost of manufacturing the supplies or products (not including the costs of materials).

(3) In the case of a contract for general construction, the concern will perform at least 15 percent of the cost of the contract with its own employees (not including the costs of materials).

(4) In the case of a contract for construction by special trade contractors, the concern will perform at least 25 percent of the cost of the contract with its own employees (not including the cost of materials).

(b) Definitions. The following definitions apply to this section:

(1) Cost of the contract. All allowable direct and indirect costs allocable to the contract, excluding profit or fees.

(2) Cost of contract performance incurred for personnel. Direct labor costs and any overhead which has only direct labor as its base, plus the concern’s General and Administrative rate multiplied by the labor cost.

(3) Cost of manufacturing. Those costs incurred by the firm in the production of the end item being acquired. These are costs associated with the manufacturing process, including the direct costs of fabrication, assembly, or other
production activities, and indirect costs which are allocable and allowable. The cost of materials, as well as the profit or fee from the contract, are excluded.

(4) Cost of materials. Includes costs of the items purchased, handling and associated shipping costs for the purchased items (which includes raw materials), off-the-shelf items (and similar proportionately high-cost common supply items requiring additional manufacturing or incorporation to become end items), special tooling, special testing equipment, and construction equipment purchased for and required to perform on the contract. In the case of a supply contract, the acquisition of services or products from outside sources following normal commercial practices within the industry are also included.

(5) Off-the-shelf item. An item produced and placed in stock by a manufacturer, or stocked by a distributor, before orders or contracts are received for its sale. The item may be commercial or may be produced to military or Federal specifications or description. Off-the-shelf items are also known as Nondevelopmental Items (NDI).

(6) Personnel. Individuals who are “employees” under §121.106 of this chapter.

(7) Subcontracting. That portion of the contract performed by a firm, other than the concern awarded the contract, under a second contract, purchase order, or agreement for any parts, supplies, components, or subassemblies which are not available off-the-shelf, and which are manufactured in accordance with drawings, specifications, or designs furnished by the contractor, or by the government as a portion of the solicitation. Raw castings, forgings, and moldings are considered as materials, not as subcontracting costs.

Where the prime contractor has been directed by the Government to use any specific source for parts, supplies, components subassemblies or services, the costs associated with those purchases will be considered as part of the cost of materials, not subcontracting costs.

(c) Compliance will be considered an element of responsibility and not a component of size eligibility.

(d) The period of time used to determine compliance will be the period of performance which the evaluating agency uses to evaluate the proposal or bid. If the evaluating agency fails to articulate in its solicitation the period of performance it will use to evaluate the proposal or bid, the base contract period, excluding options, will be used to determine compliance. In indefinite quantity contracts, performance over the guaranteed minimum will be used to determine compliance unless the evaluating agency articulates a different period of performance which it will use to evaluate the proposal or bid in its solicitation.

(e) Work to be performed by subsidiaries or other affiliates of a concern is not counted as being performed by the concern for purposes of determining whether the concern will perform the required percentage of work.

(f) The procedures of §125.5 apply where the contracting officer determines non-compliance, the procurement is a full or partial small business set-aside or an SDB has claimed a preference, and refers the matter to SBA for a COC determination.

(b) After review by the SBA Project Officer and written recommendation for approval by the District Director, the Program Manager and Grants Management Specialist shall review the renewal application for conformity with the Program Announcement, OMB Circulars and all other statutory, financial and regulatory requirements. SBA officials may request supplemental information and documentation prior to issuing the Cooperative Agreement.

§ 130.430 Application decisions.

In the event of a rejection, the AA/SBDCs shall communicate the reasons for rejection to the applicant and the appropriate SBA field office. If the approval is conditional, the conditions and applicable remedies shall be specified as special terms and conditions in the Cooperative Agreement. Upon approval or conditional approval, the Grants Management specialist may issue a Cooperative Agreement.

(b) In considering the application, significant factors shall include:

(1) The applicant’s ability to contribute Matching Funds;

(2) For renewal Proposals, the quality of prior performance;

(3) The results of any examination conducted pursuant to § 130.810(b) of these regulations; and

(4) Any certification resulting from any certification program developed by the Recognized Organization.

(c) In the event of a conditional approval, SBA may conditionally fund a recipient organization for one or more specified periods of time up to a maximum of one budget period. If the recipient organization fails to resolve the specified matters to the AA/SBDCs’ satisfaction within the allotted time period, SBA has the right to discontinue funding the SBDC, subject to the provisions of §130.700.

§ 130.440 Maximum grant.

No recipient shall receive an SBDC grant exceeding the greater of the minimum statutory amount, or its pro rata share of all SBDC grants as determined by the statutory formula set forth in section 21(a)(4) of the Act.

§ 130.450 Matching funds.

(a) The recipient organization must provide total Matching Funds equal to the total amount of SBA funding. At least 50% of the Matching Funds must be Cash Match. The remaining 50%
may be provided through any allowable combination of additional cash, in-kind contributions, or indirect costs.

(b) All sources of Matching Funds must be identified as specifically as possible in the budget proposal. Cash sources shall be identified by name and account. All applicants must submit a Certification of Cash Match and Program Income executed by an authorized official of the recipient organization or any sponsoring SBDC organization providing Cash Match through a subcontract agreement. The account containing such cash must be under the direct management of the SBDC Director, or, if provided by a sponsoring SBDC organization, its subcenter Director. If a political entity is providing such cash and the funds have not been appropriated prior to issuance of the Cooperative Agreement, the recipient organization must certify that sufficient funds will be available from the political entity prior to the use of Federal dollars.

(c) The Grants Management Specialist is responsible for determining whether Matching Funds or Cash Match meet the requirements of the Act and appropriate OMB circulars.

(d) Overmatched Amounts. (1) SBDC are encouraged to furnish Overmatched Amounts.

(2) An Overmatched Amount can be applied to additional Matching Funds requirements necessitated by any supplemental funding increase received by the SBDC during the budget period, as long as the total Cash Match provided by the SBDC is 50% or more of the total SBA funds provided during the budget period.

(3) If used in the manner described in paragraph (d)(2) of this section, such Overmatched Amount is reclassified as committed Matching Funds.

(4) Allowable Overmatched Amounts which have not been used in the manner described in paragraph (d)(2) of this section, on the approval of the AA/SBDCs, be used as a credit to offset any confirmed audit disallowances applicable only to the budget period in which the Overmatched Amount exists and the two previous budget periods. Such offsetting funds shall be considered Matching Funds.

(e) Impermissible sources of Matching Funds. Under no circumstances may the following be used as sources of the Matching Funds of the recipient organization:

(1) Uncompensated student labor;
(2) SCORE, ACE, or SBI volunteers;
(3) Program income or fees collected from small businesses receiving assistance;
(4) Funds or indirect or in-kind contributions from any other Federal source.

§ 130.460 Budget Justification.

The SBDC Director, as a part of the renewal application, or the applicant organization's authorized representative in the case of a new SBDC application, shall prepare and submit to the SBA Project Officer the budget justification for the upcoming budget period. The budget shall be reviewed annually upon submission of a renewal application.

(a) Direct costs. Unless otherwise provided in applicable OMB circulars, at least eighty percent (80%) of SBA funding must be allocated to direct costs of Program delivery.

(b) Indirect costs. If the applicant organization waives all indirect costs to meet the Matching Funds requirement, one hundred percent (100%) of SBA funding must be allocated to program delivery. If some, but not all, indirect costs are waived to meet the Matching Funds requirement, the lesser of the following may be allocated as indirect costs of the Program and charged against the Federal contribution:

(1) Twenty percent (20%) of Federal contribution,
(2) The amount remaining after the waived portion of indirect costs is subtracted from the total indirect costs.

(c) Separate SBDC Service Provider Budgets.

(1) The applicant organization shall include separate budgets for all subcontracted SBDC service providers in conformity with OMB requirements. Applicable direct cost categories and indirect cost base/rate agreements shall be included for the Lead Center and all SBDC service providers, using a rate equal to or less than the negotiated predetermined rate. If no such rate exists, the sponsoring SBDC organization
Small Business Administration § 130.470

or SBDC service provider shall negotiate a rate with its Cognizant Agency. In the event the sponsoring SBDC organization or SBDC service provider does not have a Cognizant Agency, the rate shall be negotiated with the SBA Project Officer in accordance with OMB guidelines (see OMB Circular A-21).

(2) The amount of cash, in-kind contributions and indirect costs for the Lead Center and all sub-contracted SBDC service providers shall be indicated in accordance with OMB requirements.

(d) Cost principles. Principles for determining allowable costs are contained in OMB Circulars A-21 (cost principles for grants, contracts, and other agreements with educational institutions), A-87 (cost principles for programs administered by State and local governments), and A-122 (cost principles for nonprofit organizations).

(e) Costs associated with lobbying. No portion of the Federal contribution received by an SBDC may be used for lobbying activities, either directly by the SBDC or indirectly through outside organizations, except those activities permitted by OMB. Restrictions on and reports of lobbying activities by the SBDC shall be in accordance with OMB requirements, Section 319 of Public Law No. 101-121, and the annual Program Announcement.

(f) Salaries. (1) If a recipient organization is an educational institution, the salaries of the SBDC Director and the subcenter Directors must approximate the average annualized salary of a full professor and an assistant professor, respectively, in the school or department in which the SBDC is located. If a recipient organization is not an educational institution, the salaries of the SBDC Director and the subcenter Directors must approximate the average salaries of parallel positions within the recipient organization. In both cases, the recipient organization should consider the Director’s longevity in the Program, the number of subcenters and the individual’s experience and background.

(2) Salaries for all other positions within the SBDC should be based upon level of responsibility, and be comparable to salaries for similar positions in the area served by the SBDC.

(3) Recruitment and salary increases for SBDC Directors, subcenter Directors and staff members should conform to the administrative policy of the recipient organization.

(g) Travel. All travel must be separately identified in the proposed budget as planned in-State, planned out-of-State, unplanned in-State or unplanned out-of-State. All proposed travel must use coach class, apply directly to specific work of the SBDC or be incurred in the normal course of Program administration, and conform to the written travel policies of the recipient organization or the sponsoring SBDC organization. (Per diem rates, including lodging, shall not exceed those authorized by the recipient organization.) Transportation costs must be justified in writing, including the estimated cost, number of persons traveling, and the benefit to be derived by the small business community from the proposed travel. A specific projected amount, based on the SBDC’s past experience, where appropriate, must also be included in the budget for unplanned travel. A more detailed justification must be given for unplanned out-of-State travel. Any proposed unplanned out-of-State travel exceeding the approved budgeted amount for travel must be submitted to the Project Officer for approval on a case-by-case basis. Travel outside the United States must have prior approval by the AA/SBDCs on a case-by-case basis.

(h) Dues. Costs of memberships in business, technical, and professional organizations shall be allowable expenses. The use of Federal funds to pay dues for business, technical and professional organizations shall be permitted, provided that the payments are included in the budget proposal, are approved by the SBA and comply with § 130.460(e).

§ 130.470 Fees.

An SBDC may charge clients a reasonable fee to cover the costs of Training sponsored or cosponsored by the SBDC, costs of services provided by or obtained from third parties, or the costs of providing Specialized Services.
§ 130.480 Program income.

(a) Program income for recipient organizations or SBDC service providers based in universities or nonprofit organizations shall be subject to OMB requirements (see OMB Circular A-110). Program income for recipient organizations or SBDC service providers based in State or local governments shall be subject to OMB requirements (see the provisions of §7.e and Attachment E of OMB Circular A-102) and 13 CFR 143.25.

(b) Program income, including any interest earned on Program income, must be used to expand the quantity or quality of services, resources or outreach provided by the SBDC network. It cannot be used to satisfy the requirements for Matching Funds. The Project Officer shall monitor the use of Program income. Any unused Program income will be carried over to a subsequent budget period.

(c) SBDCs must report in detail on standard SBA forms receipts and expenditures of program income, including any income received through co-sponsored activities. A narrative description of how Program income was used to accomplish Program objectives shall be included.

§ 130.500 Funding.

The SBA funds Cooperative Agreements through its internal Letter of Credit Replacement System (LORS), using SBA standard forms to establish and modify letters of credit. SBDCs must use SBA standard forms to draw down funds required to meet their estimated or actual expenses and to submit quarterly cash transactions reports used by SBA to monitor the frequency of drawdowns and the cash-on-hand balance. Repeated drawdowns in excess of immediate cash needs may result in the cancellation of the letter of credit. If interest results from the deposit of any drawdowns in an interest-bearing account, SBDCs, other than State government sponsored SBDCs, must report and return such interest annually to SBA.

(7) Failure of the SBDC Director to work at the SBDC Lead Center on a full-time basis;

(8) Failure promptly to suspend or terminate the employment of an SBDC Director, subcenter Director or other key employee upon receipt of knowledge by the recipient organization and/or SBA that such individual is engaging in or has engaged in conduct resulting in a criminal conviction or civil judgment which would cause the public to question the SBDC’s business integrity, taking into consideration such factors as the magnitude, repetitiveness, harm caused and remoteness in time of the activity or activities underlying the conviction or judgment.

(9) Violation of the SBDC's standards of conduct as specified in these rules and as established by the SBDC pursuant to these rules; or

(10) Any other cause not otherwise specified which materially and adversely affects the operation or integrity of an SBDC or the SBDC program.

(c) Non-Renewal Procedure. (1) Subject to §130.700(a), when an SBA District Director believes there is sufficient evidence of SBDC nonperformance, poor performance or unwillingness to implement changes to improve performance, under the terms of the Cooperative Agreement or these regulations, the District Director shall notify the SBDC Director and any other appropriate official of the recipient organization of an intention not to approve its renewal application.

(2) Notice can be submitted at any time during the budget period, but normally should be sent no later than 3 months prior to the due date for renewal applications at the District Office.
Small Business Administration § 130.820

(3) The notice shall specifically cite the reasons for the intention not to renew. It must allow the recipient organization 60 days within which to change its operations to correct the problems cited in the notice, and to report to the Project Officer, in writing, regarding the results of such changes.

(4) If the recipient organization is unwilling or unable to address the specific problem areas to the satisfaction of the SBA District Office within the 60-day period, the SBA Project Officer shall have ten (10) calendar days after expiration of the 60 days to submit to the AA/SBDCs a written description of the unresolved issues, a summary of the positions of the District Office on the issues, and any supportive documentation.

(5) The AA/SBDCs shall transmit a written, final decision to the recipient organization, the SBDC Director, the SBA Project Officer and other appropriate SBA field office personnel within 30 calendar days of receipt of such documentation, unless an extension of time is mutually agreed upon by the recipient organization and the AA/SBDCs.

(6) The AA/SBDCs shall consider written documentation of the issues to be resolved, including all relevant correspondence between the Project Officer, District Director and any other SBA personnel and the affected recipient organization. At a minimum, such documentation shall commence with the first written notice of issues involving the non-renewal procedure. In addition, the AA/SBDCs also may communicate with the recipient organization and appropriate SBA personnel.

(7) If the AA/SBDCs determines that the evidence submitted establishes nonperformance, ineffective performance or an unwillingness to implement suggested changes to improve performance, the AA/SBDCs shall have full discretion to order non-renewal of the SBDC. The SBA District Office shall then pursue proposals from other organizations interested in applying for SBDC designation. The incumbent SBDC shall have until the end of the budget period or 120 days, whichever is longer, to conclude operations and to submit close-out documents to the SBA District Office. Close-out procedures shall conform with applicable OMB Circulars.

(d) Effect of action on subcenter. If competing applications are being accepted, a subcenter of the previously funded recipient organization may apply for designation as the recipient organization, so long as the subcenter was not involved in the conduct leading to non-renewal or termination of the former recipient organization.

§ 130.800 Oversight of the SBDC program.

SBA shall monitor and oversee the Cooperative Agreement and ongoing operations of the SBDC network to ensure the effective and efficient use of Federal funds for the benefit of the small business community.

§ 130.810 SBA review authority.

(a) Site visits. The AA/SBDCs, or a representative, on notice to the SBDC Director, is authorized to make programmatic and financial review visits to SBDC service providers to inspect records and client files, and to analyze and assess SBDC activities.

(b) SBA examinations. SBA examiners shall perform a biannual programmatic and financial examination of each SBDC.

(c) Certification program. SBA may provide financial support to the Recognized Organization to develop and implement an SBDC certification program.

(d) Audits. The examinations by SBA examiners shall not substitute for audits required of Federal grantees under the Single Audit Act of 1984 or applicable OMB guidelines (see Circulars A-110, A-128 and A-133), nor shall such internal review substitute for audits to be conducted by the SBA Office of Inspector General under authority of the Inspector General Act of 1978, as amended (see § 130.830(b)).

§ 130.820 Reports and recordkeeping.

(a) Records. The recipient organization shall maintain the records required for a Lead Center audit and SBA reports. Lead Centers and other SBDC service providers shall maintain detailed, complete and accurate client activity files, specifying counseling, training and other assistance provided.
(b) Reports. The recipient organization shall submit client service evaluations and performance and financial reports for SBA review to determine the quality of services provided by the SBDC, the completeness and accuracy of SBDC records, and actual SBDC network accomplishments compared to performance objectives.

(c) Performance reports. For recipient organizations in the Program for more than three years, interim reports shall be due 30 days after completion of six months of operation each year; for those recipient organizations in the Program three years or less, reports shall be due 30 days after completion of each of the first three quarters. The annual report shall include the second semiannual or the fourth quarter report and shall be due December 30 for fiscal year and March 30 for calendar year SBDCs. These reports shall reflect accurately the activities, accomplishments and deficiencies of the SBDC network.

(d) Financial reports. The recipient organization shall provide three quarterly and one annual financial report to the SBA Project Officer as set forth in the Program Announcement and the Cooperative Agreement, in compliance with OMB Circulars.

(e) Availability of records. As required by OMB (see Circular A-133), all SBDC service provider records shall be made available to SBA for review upon request.

§ 130.830 Audits and investigations.

(a) Access to records. Applicable OMB Circulars set forth the requirements concerning record access and retention.

(b) Audits. (1) Pre-award audit. Applicant organizations that propose to enter the Program for the first time may be subject to a pre-award audit conducted by or coordinated with the SBA Office of Inspector General. The purpose of a pre-award audit is to verify the adequacy of the accounting system, the suitability of posed costs and the nature and source of proposed Matching Funds.

(2) Interim or final audits. The recipient organization or SBA may conduct SBDC network audits. All audits will be conducted according to Government Auditing Standards, promulgated by the Comptroller General of the United States.

(i) The recipient organization will conduct its audits as a single audit of a recipient organization pursuant to OMB Circulars A-102, A-110, A-128, and A-133, as applicable.

(ii) The SBA Office of Inspector General or its agents will conduct, supervise, or coordinate SBA’s audits, which may, at SBA’s discretion, be audits of the SBDC network, even though single audits may have been performed. In such instances, SBA will conduct such audits in compliance with Government Auditing Standards and all applicable OMB Circulars.

(c) Investigations. SBA may conduct investigations as it deems necessary to determine whether any person or entity has engaged in acts or practices constituting a violation of the Act, any rule, regulation or order issued under that Act, or any other applicable Federal law.

Subpart B—Rules of Practice for Most Cases

§ 134.201 Scope of the rules in this subpart B.

The rules in this subpart generally apply to all proceedings over which OHA has jurisdiction, except for appeals from size determinations and SIC code designations. Specific procedural rules pertaining to 8(a) program appeals and to proceedings under the Program Fraud Civil Remedies Act are set forth, respectively, in parts 124 and 142 of this chapter. In the case of a conflict between a particular rule in this part, and a rule of procedure pertaining to OHA appearing in another part of this chapter, the latter rule shall govern.
§ 134.202 Commencement of cases.

A case may be commenced by filing a written petition within the following time periods:

(a) Except as provided by paragraphs (b) through (d) of this section, no later than 45 days from the date of service of the SBA action or determination to which the petition relates;

(b) In debt collection proceedings under part 140 of this chapter, no later than 15 days after receipt of a notice of indebtedness and intention to collect such debt by salary or administrative offset;

(c) In applications for an award of fees pursuant to subpart D of this part, no later than 30 days after the decision to which it applies becomes final;

(d) For 8(a) program suspension proceedings, see § 124.211 of this chapter.

§ 134.203 The petition.

(a) A petition must contain the following:

(1) The basis of OHA’s jurisdiction;

(2) A clear and concise statement of the factual basis of the case;

(3) The relief being sought; and

(4) The name, address, telephone number, and signature of the petitioner or its attorney.

(b) A petition which does not contain all of the information required by paragraph (a) of this section may be dismissed, with or without prejudice, at the Judge’s own initiative, or upon motion of the respondent.

§ 134.204 Service and filing requirements.

(a) Service. Each party is responsible for the service of its pleadings and other submissions upon all other parties or their attorneys. Unless otherwise ordered by the Judge, service is made by providing each party, or its attorney, with a copy of the pleading or other submission by personal delivery, first-class mail, express mail, facsimile transmission, or commercial delivery service. Service by mail must be directed as follows:

(1) To a party’s last-known residence or business address if it has not yet appeared in the case, or to the address of a party which has appeared as shown in its submission;

(2) If a party has appeared in the case through an attorney, to the address of the attorney shown in the party’s submission or in a notice of appearance;

(3) If SBA is the party, unless an attorney has been specified in SBA’s submissions to OHA, by mailing to: Office of General Counsel, Small Business Administration, 409 Third Street, SW., Washington, DC 20416.

(b) Filing. (1) All pleadings and other submissions must be filed with OHA by personal delivery, first-class mail, express mail, facsimile transmission, or commercial delivery service. Filing may only be accomplished at the following address: Office of Hearings and Appeals, Small Business Administration, 409 Third Street, SW., Washington, DC 20416.

(2) If filing is by personal delivery or commercial delivery service, such filing must be accomplished between the hours of 8:30 a.m. and 5:00 p.m. If filing is by facsimile transmission, the telephone number to be used may be obtained by calling OHA.

(c) Copies. Only the original of a pleading or other submission must be filed with OHA. In the case of a document offered as evidence, an authenticated copy may be filed instead of the original.

(d) Certificate of service. A signed certificate stating how and when service was made on all parties must be attached to each pleading or other submission filed with OHA.

(e) Date. Unless otherwise specified by the Judge, the date of service or filing is as follows:

(1) If by facsimile transmission, the date of transmission.

(2) If by first-class mail, the date of postmark. Where the postmark is illegible or incomplete, there is a rebuttable presumption that the postmark was dated five days prior to the date of receipt.

(3) If by personal delivery, express mail, or commercial delivery service, the date of receipt.

(f) Confidential information. Any information in pleadings or other submissions that is believed by the submitting party to constitute proprietary or confidential information need not be
served upon parties so long as the deletions are clearly identified and generally described in the documents which are served. Upon motion, the Judge may direct that the withheld information be provided to other parties, subject to any appropriate protective order.

§ 134.205 Motion for a more definite statement.

(a) Procedure. No later than 20 days after service of the petition or order to show cause, the respondent may serve and file a motion requesting a more definite statement of particular allegations in the petition.

(b) Stay. The serving and filing of a motion for a more definite statement stays the time for serving and filing an answer. The Judge will establish the time for serving and filing an answer.

§ 134.206 The answer.

(a) A respondent must serve and file an answer within 45 days after the service of a petition or order to show cause, except that debt collection proceeding answers are due within 30 days.

(b) The answer must contain the following:

(1) An admission or denial of each of the factual allegations contained in the petition or order to show cause, or a statement that the respondent denies knowledge or information sufficient to determine the truth of a particular allegation;

(2) Any affirmative defenses; and

(3) The name, address, telephone number, and signature of the respondent or its attorney.

(c) Allegations in the petition or order to show cause which are not answered in accordance with paragraph (b)(1) of this section will be deemed admitted unless injustice would occur.

(d) Upon an appeal from an SBA determination concerning the 8(a) program, SBA must serve and file the administrative record pertaining to that determination within the same time period applicable to the service and filing of its answer. If SBA fails to do so, the Judge will issue an order directing SBA to serve and file the administrative record by a specified date.

(e) If the respondent fails to serve and file an answer within the time period set forth in paragraph (a) of this section, or within any extended time period granted by the Judge, that failure will constitute a default. Following such a default, the respondent may be prohibited from participating further in the case, except to serve and file the administrative record in accordance with paragraph (d) of this section.

§ 134.207 Amendments and supplemental pleadings.

(a) Amendments. Upon motion, and under terms needed to avoid prejudice to any non-moving party, the Judge may permit the service and filing of amendments to pleadings. However, an amendment will not be permitted if it would cause unreasonable delay in the determination of the matter.

(b) Supplements. Upon motion, and under terms needed to avoid prejudice to any non-moving party, the Judge may permit the service and filing of a supplemental pleading setting forth relevant transactions or occurrences that have taken place since the filing of the original pleading.

(c) §(a) appeals. In §(a) program appeals, amendments to pleadings and supplemental pleadings will be permitted by the Judge only upon a showing of good cause.

(d) Answer. In an order permitting the serving and filing of an amended or supplemented petition or order to show cause, the Judge will establish the time for serving and filing an answer.

§ 134.208 Representation in cases before OHA.

(a) A party may represent itself, or be represented by a duly licensed attorney. A member of a partnership may represent the partnership, and an officer may represent a corporation, trust, or association.

(b) An attorney for a party who did not appear on behalf of that party in the party's first filing with OHA must serve and file a written notice of appearance.

(c) An attorney seeking to withdraw from a case must serve and file a motion for the withdrawal of his or her appearance.
§ 134.209 Requirement of signature.
Every written submission to OHA, other than evidence, must be signed by the party filing that submission, or by the party’s attorney. By signing the submission, a party or its attorney attests that the statements and allegations in that submission are true to the best of its knowledge, and that the submission is not being filed for the purpose of delay or harassment.

§ 134.210 Intervention.
(a) By SBA. SBA may intervene as of right at any time in any case until final decision.
(b) By interested persons. Any individual, partnership, association, corporation, trust, or governmental agency may move to intervene at any time until final decision by serving and filing a motion to intervene containing a statement of the movant’s interest in the case and the necessity for intervention to protect such interest. The Judge may grant leave to intervene upon such terms as he or she deems appropriate.

§ 134.211 Motions.
(a) Contents. All motions must state the relief being requested, as well as the grounds and any authority for that relief.
(b) Response. No later than 20 days after the service of a motion, all non-moving parties must serve and file a response or be deemed to have consented to the relief sought. Unless the Judge directs otherwise, the moving party will have no right to reply to a response, nor will oral argument be heard on the motion.
(c) Service of orders. OHA will serve upon all parties any written order issued in response to a motion.

§ 134.212 Summary decision.
(a) Grounds. A party may move for summary decision at any time as to all or any portion of the case, on the grounds that there is no genuine issue as to any material fact, and that the moving party is entitled to a decision in its favor as a matter of law.
(b) Contents of motion. The motion must include a statement of the material facts believed not to be disputed, and relevant law. Supporting affidavits may also be included.
(c) Cross-motions. In its response to a motion for summary decision, a party may cross-move for summary decision. The initial moving party may serve and file a response to any cross-motion for summary decision within 20 days after the service of that cross-motion.
(d) Stay. A motion for summary decision stays the time to answer. The Judge will establish the time for serving and filing an answer in the order determining the motion for summary decision.

§ 134.213 Discovery.
(a) Motion. A party may obtain discovery only upon motion, and for good cause shown. For 8(a) program appeals other than those involving suspensions, see §124.210 of this chapter.
(b) Forms. The forms of discovery which a Judge can order under paragraph (a) of this section include requests for admissions, requests for production of documents, interrogatories, and depositions.
(c) Limitations. Discovery may be limited in accordance with the terms of a protective order. Further, privileged information and irrelevant issues or facts will not be subject to discovery.
(d) Disputes. If a dispute should arise between the parties over a particular discovery request, the party seeking discovery may serve and file a motion to compel discovery. Discovery may be opposed on the grounds of harassment, needless embarrassment, irrelevance, undue burden or expense, privilege, or confidentiality.

§ 134.214 Subpoenas.
(a) Availability. At the request of a party, or upon his or her own initiative, a Judge may issue a subpoena requiring a witness to appear and testify, or to produce particular documents, at a specified time and place.
(b) Requests. A request for the issuance of a subpoena must be written, served upon all parties, and filed. The request must clearly identify the witness and any documents to be subpoenaed, and must set forth the relevance of the testimony or documents sought.
§ 134.215 Interlocutory appeals.

(a) General. A motion for leave to take an interlocutory appeal from a Judge's ruling will not be entertained in those proceedings in which OHA issues final decisions. In all other cases, an interlocutory appeal will be permitted only if, upon motion by a party, or upon the Judge's own initiative, the Judge certifies that his or her ruling raises a question which is immediately appealable. Interlocutory appeals will be decided by the AA/OHA or a designee.

(b) Motion for certification. A party must serve and file a motion for certification no later than 20 days after issuance of the ruling to which the motion applies. A denial of the motion does not preclude objections to the ruling in any subsequent request for review of an initial decision.

(c) Basis for certification. The Judge will certify a ruling for interlocutory appeal only if he or she determines that:

(1) The ruling involves an important question of law or policy about which there is substantial ground for a difference of opinion; and

(2) An interlocutory appeal will materially expedite resolution of the case, or denial of an interlocutory appeal would cause undue hardship to a party.

(d) Stay of proceedings. A stay while an interlocutory appeal is pending will be at the discretion of the Judge.

§ 134.216 Alternative dispute resolution procedures.

At any time during the pendency of a case, the parties may submit a joint motion requesting that the Judge permit the use of alternative dispute resolution procedures to assist in resolving the matter. If the motion is granted, the Judge will also stay the proceedings before OHA, in whole or in part, as he or she deems appropriate, pending the outcome of the alternative dispute resolution procedures.

§ 134.217 Settlement.

At any time during the pendency of a case, the parties may submit a settlement agreement, signed by all settling parties, to the Judge. Settlement negotiations, and rejected settlement agreements, are not admissible into evidence.

§ 134.218 Judges.

(a) Assignment. The AA/OHA will assign all cases subject to the Administrative Procedure Act, 5 U.S.C. 551 et seq., to an Administrative Law Judge. The AA/OHA will assign all other cases before OHA to either an Administrative Law Judge or an Administrative Judge, or, if the AA/OHA is a duly licensed attorney, to himself or herself.

(b) Authority. Except as otherwise limited by this part, or by statute or other regulation, a Judge has the authority to take all appropriate action to ensure the efficient, prompt, and fair determination of a case, including, but not limited to, the authority to administer oaths and affirmations and to subpoena and examine witnesses.

(c) Recusal. Upon the motion of a party, or upon the Judge's own initiative, a Judge will promptly recuse himself or herself from further participation in a case whenever disqualification is appropriate due to conflict of interest, bias, or some other significant reason. A denial of a motion for recusal may be immediately appealed to the AA/OHA, or to the Administrative Law Judge if the AA/OHA is the Judge, but that appeal will not stay proceedings in the case.

§ 134.219 Sanctions.

A Judge may impose appropriate sanctions, except for fees, costs,
monetary penalties, which he or she deems necessary to serve the ends of justice, if a party or its attorney:

(a) Fails to comply with an order of the Judge;
(b) Fails to comply with the rules set forth in this part;
(c) Acts in bad faith or for purposes of delay or harassment;
(d) Submits false statements knowingly, recklessly, or with deliberate disregard for the truth; or
(e) Otherwise acts in an unethical or disruptive manner.

§ 134.220 Prohibition against ex parte communications.

No person shall consult or communicate with a Judge concerning any fact, question of law, or SBA policy relevant to the merits of a case before that Judge except on prior notice to all parties, and with the opportunity for all parties to participate. In the event of such prohibited consultation or communication, the Judge will disclose the occurrence in accordance with 5 U.S.C. 557(d)(1), and may impose such sanctions as he or she deems appropriate.

§ 134.221 Prehearing conferences.

Prior to a hearing, the Judge, at his or her own initiative, or upon the motion of any party, may direct the parties or their attorneys to appear, by telephone or in person, in order to consider any matter which may assist in the efficient, prompt, and fair determination of the case. The conference may be recorded verbatim at the discretion of the Judge, and, if so, a party may purchase a transcript, at its own expense, from the recording service.

§ 134.222 Oral hearing.

(a) Availability. A party may obtain an oral hearing only if:

(1) It is required by regulation; or
(2) Following the motion of a party, or at his or her own initiative, the Judge orders an oral hearing upon concluding that there is a genuine dispute as to a material fact that cannot be resolved except by the taking of testimony and the confrontation of witnesses; or
(3) In 8(a) program appeals other than those involving suspensions, the requirements of §124.210 of this chapter are met.

(b) Place and time. The place and time of oral hearings is within the discretion of the Judge, who shall give due regard to the necessity and convenience of the parties, their attorneys, and witnesses. The Judge may direct that an oral hearing be conducted by telephone.

(c) Public access. Unless otherwise ordered by the Judge, all oral hearings are public.

(d) Payment of subpoenaed witnesses. A party which obtains a witness' presence at an oral hearing by subpoena, must pay to that witness the fees and mileage costs to which the witness would be entitled in Federal Court.

(e) Recording. Oral hearings will be recorded verbatim. A transcript of a recording may be purchased by a party, at its own expense, from the recording service.

§ 134.223 Evidence.

(a) Federal Rules of Evidence. Unless contrary to a particular rule in this part, or an order of the Judge, the Federal Rules of Evidence will be used as a general guide in all cases before OHA.

(b) Hearsay. Hearsay evidence is admissible if it is deemed by the Judge to be relevant and reliable.

§ 134.224 Standards for decision.

The decision of a Judge will be based upon a preponderance of the evidence.

§ 134.225 The record.

(a) Contents. The record of a case before OHA will consist of all pleadings, motions, and other non-evidentiary submissions, all admitted evidence, all orders and decisions, and any transcripts of proceedings in the case.

(b) Public access. Except for information subject to a protective order, proprietary or confidential information withheld in accordance with this part, or any other information which is excluded from disclosure by law or regulation, the record will be available at OHA for public inspection during normal business hours. Copies of the documents available for public inspection may be obtained by the public upon payment of any duplication charges.
(c) Closure. The Judge will set the date upon which the pre-decisional record of the case will be closed, and after which no additional evidence or argument will be accepted.

§ 134.226 The decision.

(a) Contents. Following closure of the record, the Judge will issue a decision containing findings of fact and conclusions of relevant law, reasons for such findings and conclusions, and any relief ordered. The contents of the record will constitute the exclusive basis for a decision.

(b) Time limits. Decisions pertaining to the collection of debts owed to SBA and the United States under the Debt Collection Act of 1982 and part 140 of this chapter must be rendered within 60 days after a petition is filed.

(c) Service. OHA will serve a copy of all written decisions on:
   (1) Each party, or, if represented by counsel, on its counsel; and
   (2) SBA’s General Counsel, or his or her designee, if SBA is not a party.

§ 134.227 Finality of decisions.

(a) Final decisions. A decision on the merits shall be a final decision, upon issuance, in proceedings concerning the collection of debts owed to SBA and the United States, under the Debt Collection Act of 1982 and part 140 of this chapter.

(b) Initial decisions. All decisions on the merits other than those set forth in paragraph (a) of this section are initial decisions. However, unless a request for review is filed pursuant to §134.228(a), an initial decision shall become the final decision of the SBA 30 days after its issuance.

§ 134.228 Review of initial decisions.

(a) Request for review. Within 30 days after the service of an initial decision, any party, or SBA’s Office of General Counsel, may serve and file with OHA a request for review. A request for review must set forth the filing party’s specific objections to the initial decision, and any alleged support for those objections in the record, or in case law, statute, regulation, or SBA policy. A party must serve its request for review upon all other parties and upon SBA’s Office of General Counsel.

(b) Response. Within 20 days after the service of a request for review, any party, or SBA’s Office of General Counsel, may serve and file with OHA a response. A party must serve its response upon all other parties and upon SBA’s Office of General Counsel.

(c) Transfer of the record. Upon receipt of all responses, or 30 days after the filing of a request for review, whichever is earlier, OHA will transfer the record of the case to the Administrator. The Administrator, or his or her designee, will then review the record.

(d) Standard of review. Upon review, the Administrator, or his or her designee, will sustain the initial decision unless it is based on an erroneous finding of fact or an erroneous interpretation or application of case law, statute, regulation, or SBA policy.

(e) Order. The Administrator, or his or her designee, will:
   (1) Affirm, reverse, or modify the initial decision, which determination will become the final decision of the SBA upon issuance; or
   (2) Remand the initial decision to the Judge for appropriate further proceedings.

§ 134.229 Termination of jurisdiction.

The jurisdiction of OHA will terminate upon the issuance of a decision by a Judge resolving all material issues of fact and law unless the case is subsequently remanded for appropriate further proceedings, pursuant to §134.228(e)(2).

§ 134.304 Commencement of appeals from size determinations and SIC code designations.

(a) Appeals from size determinations and SIC code designations must be commenced by serving and filing an appeal petition as follows:

(3) If appeal is from a SIC code designation, then the appeal petition must be served and filed within 10 days after the issuance of the initial invitation for bids or initial request for proposals or quotations.

(b) An untimely appeal will be dismissed. However, an appeal which is untimely under paragraph (a)(1) of this section, with respect to a pending procurement or sale, may, if timely under paragraph (a)(2) of this section, proceed with respect to future procurements or sales.

(1) The Judge, on his or her own initiative, orders the submission of such evidence; or

(2) A motion is served and filed establishing good cause for the submission of such evidence.

(b) If the submission of evidence is ordered by a Judge, and the party in possession of that evidence does not submit it, the Judge may draw adverse inferences against that party.

§ 134.309 Response to an appeal petition.

§ 134.311 Oral hearings.

Oral hearings will not be held in appeals from SIC code designations, and will be held in appeals from size determinations only upon a finding by the Judge of extraordinary circumstances. If such an oral hearing is ordered, the proceeding shall be conducted in accordance with those rules of subpart B of this part as the Judge deems appropriate.

§ 134.312 Evidence.

§ 134.405

Under what circumstances are fees and expenses reimbursable?

(a) If you are a prevailing eligible party, you may receive an award for reasonable fees and expenses incurred in prosecuting or defending a claim in an administrative proceeding.

(b) The ALJ may reduce or deny an award for reimbursement if you have unreasonably protracted the administrative proceeding, or if it is found by the ALJ to be “substantially justified”, or if you do not satisfy the requirements of §134.405.

(b) The ALJ may reduce or deny an award for reimbursement if you have unreasonably protracted the administrative proceeding, or if it is found by the ALJ to be “substantially justified”, or if you do not satisfy the requirements of §134.405.

Subpart D—Implementation of the Equal Access to Justice Act

§ 134.401 What is the purpose of this subpart?

The Equal Access to Justice Act, 5 U.S.C. 504, establishes procedures by which prevailing parties in certain administrative proceedings may apply for reimbursement of fees and other expenses incurred in prosecuting or defending a claim in an administrative proceeding.

§ 134.402 Under what circumstances may I apply for reimbursement?

You may apply for reimbursement under this subpart if you meet the eligibility requirements in §134.406 and you prevail over SBA in a final decision in:

(a) The type of administrative proceeding which qualifies as an “adversary adjudication” under §134.403; or

(b) An ancillary or subsidiary issue in an administrative proceeding that is sufficiently significant and discrete to merit treatment as a separate unit; or

(c) A matter which the agency orders to be determined as an “adversary adjudication” under 5 U.S.C. 554.

§ 134.403 What is an adversary adjudication?

For purposes of this subpart, adversary adjudications are administrative proceedings before OHA which involve SBA as a party and which are required to be conducted by an Administrative Law Judge (“ALJ”). These adjudications (“administrative proceedings”) include those proceedings listed in §134.102(a), (i), and (j)(1), but do not include other OHA proceedings such as those listed in §134.102(k). In order for an administrative proceeding to qualify, SBA must have been represented by counsel or by another representative who enters an appearance and participates in the proceeding.

§ 134.404 What benefits may I claim?

You may seek reimbursement for certain reasonable fees and expenses in incurred in prosecuting or defending a claim in an administrative proceeding.

§ 134.405 Under what circumstances are fees and expenses reimbursable?

(a) If you are a prevailing eligible party, you may receive an award for reasonable fees and expenses unless the position of the agency in the proceeding is found by the ALJ to be “substantially justified”, or, special circumstances exist which make an award unjust. The position of the agency includes not only the position taken by SBA in the administrative proceeding, but also the position which it took in the action which led to the administrative proceeding. No presumption arises that SBA’s position was not substantially justified simply because it did not prevail in a proceeding. However, upon your assertion that the position of SBA was not substantially justified, SBA will be required to establish that its position was reasonable in fact and law.

(b) The ALJ may reduce or deny an award for reimbursement if you have unreasonably protracted the administrative proceeding or if other special
§ 134.406 Who is eligible for possible reimbursement?

(a) You are eligible for possible reimbursement if:

(1) You are an individual, owner of an unincorporated business, partnership, corporation, association, organization, or unit of local government; and

(2) You are a party, as defined in 5 U.S.C. 551(3); and

(3) You are the prevailing party; and

(4) You meet certain net worth and employee eligibility requirements set forth in § 134.407.

(b) You are not eligible for possible reimbursement if you participated in the administrative proceeding only on behalf of persons or entities that are ineligible.

§ 134.407 How do I know which eligibility requirement applies to me?

Follow this chart to determine your eligibility. You should calculate your net worth and the number of your employees as of the date the administrative proceeding was initiated.

§ 134.408 What are the special rules for calculating net worth and number of employees?

(a) Your net worth must include the value of any assets disposed of for the purpose of meeting an eligibility standard, and must exclude any obligation incurred for that purpose. Transfers of assets, or obligations incurred, for less than reasonably equivalent value will be presumed to have been made for the purpose of meeting an eligibility standard.

(b) If you are an owner of an unincorporated business, or a partnership, corporation, association, organization, or unit of local government, your net worth must include the net worth of all of your affiliates. “Affiliates” are:

(1) Corporations or other business entities which directly or indirectly own or control a majority of the voting shares or other ownership interests in the applicant concern; and

(2) Corporations or other business entities in which the applicant concern directly or indirectly owns or controls a majority of the voting shares or other ownership interests.

(c) Your employees include all those persons regularly working for you at the time the administrative proceeding was initiated, whether or not they were at work on that date. Part-time employees must be included on a proportional basis. You must include the employees of all your affiliates in your total number of employees.

§ 134.409 What is the difference between a fee and an expense?

A fee is a charge to you for the professional services of attorneys, agents, or expert witnesses rendered in connection with your case. An expense is the cost to you of any study, analysis, engineering report, test, project, or similar matter prepared in connection with your case.

§ 134.410 Are there limitations on reimbursement for fees and expenses?

(a) Awards will be calculated on the basis of fees and expenses actually incurred. If services were provided by one or more of your employees, or were made available to you free, you may not seek an award for those services. If
services were provided at a reduced rate, fees and expenses will be calculated at that reduced rate.

(b) In determining the reasonableness of the fees for attorneys, agents or expert witnesses, the ALJ will consider at least the following:

(1) That provider's customary fee for like services;
(2) The prevailing rate for similar services in the community in which that provider ordinarily performs services;
(3) The time actually spent in representing you; and
(4) The time reasonably spent in light of the difficulty and complexity of the issues.

(c) An award for the fees of an attorney or agent may not exceed $75 per hour, and an award for the fees of an expert witness may not exceed $25 per hour, regardless of the rate charged.

(d) An award for the reasonable cost of any study, analysis, engineering report, test, project or similar matter prepared on your behalf may not exceed the prevailing rate payable for similar services, and you may be reimbursed only if the study or other matter was necessary to the preparation of your case.

§ 134.411 What should I include in my application for an award?

(a) Your application must be in the form of a written petition which is served and filed in accordance with §134.204. It must contain the following information:

(1) A statement that OHA has jurisdiction over the case pursuant to §134.102(g);
(2) Identification of the administrative proceeding for which you are seeking an award;
(3) A statement that you have prevailed, and a list of each issue in which you claim the position of SBA was not substantially justified;
(4) Your status as an individual, owner of an unincorporated business, partnership, corporation, association, organization, or unit of local government;
(5) Your net worth and number of employees as of the date the administrative proceeding was initiated, or a statement that one or both of these eligibility requirements do not apply to you;
(6) The amount of fees and expenses you are seeking, along with the invoice or billing statement from each service provider;
(7) A description of any affiliates (as that term is defined in §134.408), or a statement that no affiliates exist;
(8) A statement that the application and any attached statements and exhibits are true and complete to the best of your knowledge and that you understand a false statement on these documents is a felony punishable by fine and imprisonment under 18 U.S.C. 1001; and
(9)(i) Your name and address;
(ii) Your signature, or the signature of either a responsible official or your attorney; and
(iii) The address and telephone number of the person who signs the application.

(b) You should follow this chart to determine which further documents must be included with your application:

§ 134.412 What must a net worth exhibit contain?

(a) A net worth exhibit may be in any format, but it must contain:

(1) List of all assets and liabilities for you and each affiliate in detail sufficient to show your eligibility;

(2) Aggregate net worth for you and all affiliates; and

(3) Description of any transfers of assets from, or obligations incurred by, you or your affiliates within one year prior to the initiation of the administrative proceeding which reduced your net worth below the eligibility ceiling, or a statement that no such transfers occurred.

(b) The net worth exhibit must be filed with your application, but will not be part of the public record of the proceeding. Further, in accordance with the provisions of § 134.204(g), you need not serve your net worth exhibit on other parties.

§ 134.413 What documentation do I need for fees and expenses?

You must submit a separate itemized statement or invoice for the services of each provider for which you seek reimbursement. Each separate statement or invoice must contain:

(a) The hours worked in connection with the proceeding by each provider supplying a billable service;

(b) A description of the specific services performed by each provider;

(c) The rate at which fees were computed for each provider;

(d) The total charged by the provider on that statement or invoice; and

(e) The provider's verification that the statement or invoice is true to the best of his or her knowledge and that he or she understands that a false statement is punishable by fine and imprisonment under 18 U.S.C. 1001.

§ 134.414 What deadlines apply to my application for an award and where do I send it?

After you have prevailed in an administrative proceeding or in a discrete issue therein, you must serve, and file with OHA, your written application for an award, and its attachments, no later than 30 days after the decision in the administrative proceeding becomes final under § 134.227. The deadline for filing an application for an award may not be extended. If SBA or another party requests review of the decision in the underlying administrative proceeding, your request for an award for fees and expenses may still be filed, but it will not be considered by the ALJ until a final decision is rendered.

§ 134.415 How will proceedings relating to my application for fees and expenses be conducted?

Proceedings will be conducted in accordance with the provisions in subpart B of this part.

§ 134.416 How will I know if I receive an award?

The ALJ will issue an initial decision on the merits of your request for an award which will become final in 30 days unless a request for review is filed under § 134.228. The decision will include findings on your eligibility, on whether SBA's position was substantially justified, and on the reasonableness of the amount you requested. Where applicable, there will also be findings on whether you have unduly protracted the proceedings or whether other circumstances make an award unjust, and an explanation of the reason for the difference, if any, between the amount requested and the amount awarded. If you have sought an award against more than one federal agency, the decision will allocate responsibility for payment among the agencies with appropriate explanation.

§ 134.417 May I seek review of the ALJ's decision on my award?

You may request review of the ALJ’s decision on your award by filing a request for review in accordance with § 134.228. You may seek judicial review of a final decision as provided in 5 U.S.C. 504(c)(2).

§ 134.418 How are awards paid?

If you are seeking payment of an award, you must submit a copy of the final decision, along with your certification that you are not seeking judicial review of either the decision in the adversary adjudication, or of the award, to the following address: Chief Financial Officer, Office of Financial

§ 136.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in §136.150, no qualified individual with handicaps shall, because the Agency’s facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the Agency.

§ 136.150 Program accessibility: Existing facilities.

(a) General. The Agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not—

(1) Necessarily require the Agency to make each of its existing facilities accessible to and usable by individuals with handicaps; or

(2) Require the Agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where Agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the Agency has the burden of proving that compliance with §136.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the Administrator or Deputy Administrator after considering all Agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the Agency shall take any other action that would not result in such an alteration or such burdens but would, nevertheless, ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) Methods. The Agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aids to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. The Agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The Agency, in making alterations to existing buildings, shall
meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the Agency shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

§ 136.160 Communications.

(a) The Agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(b) The Agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The Agency shall provide a sign at each primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the Agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens.

§ 136.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the Agency shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151-4157), as established in 41 CFR 101-19.600—101-19.607, apply to buildings covered by this section.

§§ 136.152—136.159 [Reserved]

§ 136.160 Communications.

(a) The Agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(i) The Agency shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the Agency.

(ii) In determining what type of auxiliary aid is necessary, the Agency shall give primary consideration to the requests of the individual with handicap.

(b) The Agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(c) Where the Agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD's) or equally effective telecommunication systems shall be used.

(d) The Agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(e) The Agency shall provide a sign at each primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities.

(f) The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(g) This section does not require the Agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens.
those circumstances where Agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the Agency has the burden of proving that compliance with §136.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the Administrator or Deputy Administrator after considering all Agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. The Administrator or Deputy Administrator’s decision shall be made within 30 days of the initial decision by Agency personnel that an action would result in such an alteration or burdens. If an action required to comply with this section would result in such an alteration or such burdens, the Agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.

§§ 135.161—136.169 [Reserved]

§ 136.170 Compliance procedures.

(a) Applicability. Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs or activities conducted by the Agency.

(b) Employment complaints. The Agency shall process complaints alleging violations of section 501 with respect to employment according to the procedures established by EEOC in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 794).

(c) Filing a complaint. (1) Who may file. Any person who believes that he or she has been subjected to discrimination prohibited by this part and who is a member of that class, or the authorized representative of a member of that class, may file a complaint.

(2) Confidentiality. The Chief, Office of Civil Rights Compliance (OCRC), shall hold in confidence the identity of any person submitting a complaint, unless the person submits written authorization otherwise, except to the extent necessary to carry out the purposes of this part, including the conduct of any investigation, hearing, or proceeding under this part, or to cooperate with the Office of Inspector General in the performance of its responsibilities under the Inspector General Act of 1978, as amended.

(3) When to file. Complaints shall be filed within 180 days of the alleged act of discrimination, except when this deadline is extended by the Chief, OCRC, for good cause shown. For purposes of determining when a complaint is timely filed under this paragraph, a complaint mailed to the Agency shall be deemed filed on the date it is postmarked. Any other complaint shall be deemed filed on the date it is received by the Agency.

(d) Notification to the Architectural and Transportation Barriers Compliance Board. The agency shall promptly send to the Architectural and Transportation Barriers Compliance Board a copy of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended, 42 U.S.C. 4151-4157 is not readily accessible to and usable by individuals with handicaps.

(e) Acceptance of complaint. (1) The Chief, OCRC, shall accept a complete complaint that is filed in accordance with paragraph (c) of this section and over which the Agency has jurisdiction. The Chief, OCRC, shall notify the complainant and the respondent of receipt and acceptance of the complaint.

(2) If the Chief, OCRC, receives a complaint that is not complete, he or
she shall notify the complainant, within 30 days of receipt of the incomplete complaint, that additional information is needed. If the complainant fails to furnish the necessary information within 30 days of receipt of this notice, the Chief, OCRC, shall dismiss the complaint without prejudice.

(3) If the Chief, OCRC, receives a complaint over which the Agency does not have jurisdiction, he or she shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate Government entity.

(f) Investigation/Conciliation. (1) Within 180 days of the receipt of a complete complaint the Chief, OCRC, shall complete the investigation of the complaint and attempt informal resolution. If no informal resolution is achieved, the Chief, OCRC, shall issue a letter of findings.

(2) The Chief, OCRC, may require Agency employees to cooperate in the investigation and attempted resolution of complaints. Employees who are required to participate in any investigation under this section shall do so as part of their official duties and during regular duty hours.

(3) The Chief, OCRC, shall furnish the complainant and the respondent with a copy of the investigative report and provide the complainant and respondent with an opportunity for informal resolution of the complaint.

(4) If a complaint is resolved informally, the terms of the agreement shall be reduced to writing and made part of the complaint file, with a copy of the agreement provided to the complainant and respondent. The written agreement may include a finding on the issue of discrimination and shall describe any corrective action to which the complainant and respondent have agreed.

(g) Letter of findings. If an informal resolution of the complaint is not reached, the Chief, OCRC, shall, within 180 days of receipt of the complete complaint, notify the complainant, the respondent and the Director, Office of Equal Employment Opportunity and Compliance (OEEOC), of the results of the investigation in a letter sent by certified mail, return receipt requested, and containing—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found;

(3) A notice of the right of the complainant and respondent to appeal to the Director, OEEOC; and

(4) A notice of the right of the complainant and respondent to request a hearing.

The letter of findings becomes the final Agency decision if neither party files an appeal within the time prescribed in paragraph (h)(1) of this section. The Chief, OCRC, shall certify that the letter of findings is the final Agency decision on the complaint at the expiration of that time.

(h) Filing an appeal. (1) Any notice of appeal to the Director, OEEOC, with or without a request for hearing, shall be filed by the complainant or the respondent in writing with the Chief, OCRC, within 30 days of receipt from him or her of the letter required by paragraph (g) of this section. The notice shall be accompanied by a certificate of service attesting that the party has served a copy of his or her notice of appeal on all other parties to the proceeding. The Director, OEEOC, may extend this time limit for good cause shown pursuant to the procedure in paragraph (h)(3) of this section.

(2) If a timely notice of appeal without a request for hearing is filed, any other party may file a written request for hearing within the time limit specified in paragraph (h)(1) of this section or within 10 days of his or her receipt of such notice of appeal, whichever is later.

(3) A party may appeal to the Director, OEEOC, from a decision of the Chief, OCRC, that an appeal is untimely. This appeal shall be filed with the Director, OEEOC, within 15 days of receipt of the decision from the Chief, OCRC.

(4) Any request for hearing will be construed as a request for an oral hearing. The complainant's failure to file a timely request for a hearing in accordance with this part shall constitute waiver of the right to a hearing, but shall not preclude his or her submitting written information and argument to the Director, OEEOC, in connection with his or her notice of appeal.
(i) Acceptance of appeal. The Chief, OCRC, shall accept and process any timely filed appeal.

(1) If a notice of appeal is filed but no party requests a hearing, the Chief, OCRC, shall promptly transmit the complaint file, the letter of findings and the notice of appeal to the Director, OEEOC.

(2) If a notice of appeal is filed and a party makes a timely request for a hearing, the Chief, OCRC, will transmit the notice of appeal, the request for hearing and the investigative file to the Office of Hearings and Appeals which office will assign the case to an administrative judge who will conduct a hearing in accordance with the procedures contained in 13 CFR part 134.

(j) Decision. (1) Where no request for a hearing is made, the Director, OEEOC, shall make the final Agency decision based on the contents of the complaint file, the letter of findings, the notice of appeal, and any responses to the notice of appeal filed by other parties. The decision shall be made within 60 days of receipt of the appeal or any response to the notice of appeal, whichever is applicable. If the Director, OEEOC, determines that he or she needs additional information from any party, he or she shall request the information and provide the other party or parties an opportunity to respond to that information. The Director, OEEOC, shall have 60 days from receipt of the additional information or responses to such additional information, whichever is later, to make the decision. The Director, OEEOC, shall transmit his or her decision by letter to the parties. The decision shall set forth the findings, remedial actions, and reasons for the decision.

(2) Where a request for a hearing has been made, the administrative judge shall issue an initial decision, in writing, based on the hearing record, composed of the proposed findings of fact, conclusions of law, and remedies, to the parties and to the Director, OEEOC, within 60 days from receipt of the hearing transcripts, or within 30 days after the conclusion of the hearing if no transcript is made. This time limit may be extended with the permission of the Director, OEEOC. The decision of the administrative judge shall be deemed to be the final decision of the Agency after 30 days, unless a party files a petition for review with the Director, OEEOC, pursuant to 13 CFR 134.228(a) or the Director, OEEOC, issues an order stating his or her decision to review the initial decision, pursuant to 13 CFR 134.228(a).

(3) Where a petition for review is filed or a review is ordered by the Director, OEEOC, the Director, OEEOC, shall make the final decision of the Agency based on information in the complaint file, the letter of findings, the hearing record, the initial decision, the petition for review, and any responses to the petition or order. The decision shall be made within 60 days of receipt of the petition for review, the order, or any responses to such petition or order, whichever is later. If the Director, OEEOC, determines that he or she needs additional information from any party, he or she shall request the information and provide the other party or parties an opportunity to respond to that information. The Director, OEEOC, shall have 60 days from receipt of the additional information or responses to such additional information, whichever is later, to make the decision. The decision shall set forth the findings, recommended remedial actions, and reasons for the decision. The decision shall be deemed to be the final decision of the Agency after 30 days, unless a party files a petition for review with the Director, OEEOC, pursuant to 13 CFR 134.228(a).

(k) The time limit cited in paragraph (f) of this section may be extended with the permission of the Director, OEEOC.
§ 140.1 What does this part cover?

This part establishes procedures which SBA may use in the collection, through offset, of past-due debts owed to the Government. SBA’s failure to comply with any provision of the regulations in this part is not available to any debtor as a defense against collection of the debt through judicial process.

§ 140.2 What is a debt and how can the SBA collect it through offset?

(a) A debt means an amount owed to the United States from loans made or guaranteed by the United States, and from fees, leases, rents, royalties, services, sales of real or personal property, overpayments, fines, penalties, damages, interest, forfeitures, or any other source. You are a debtor if you owe an amount to the United States from any of these sources.

(b) SBA may collect past-due debts through offset by using any of three procedures: administrative offset, salary offset, or IRS tax refund offset. A past-due debt is one which has been reduced to judgment, has been accelerated, or has been due for at least 90 days.

(1) Administrative offset. SBA may withhold money it owes to the debtor in order to satisfy the debt. This procedure is an “administrative offset” and is authorized by 31 U.S.C. 3716.

(2) Salary offset. If the debtor is a federal employee (a civilian employee as defined by 5 U.S.C. 2105, an employee of the U.S. Postal Service or Postal Rate Commission, or a member of the Uniformed Services or Reserve of the Uniformed Services), SBA may deduct payments owed to SBA or another federal agency from the debtor’s paycheck. This procedure is a “salary offset” and is authorized by 5 U.S.C. 5514.

(i) Any amount deducted from salary in any one pay period will not exceed 15 percent of a debtor’s disposable pay, unless the debtor agrees in writing to a greater percentage.

(ii) SBA also may collect against travel advances, training expenses, disallowed payments, retirement benefits, or any other amount due the employee, including lump-sum payments.

(iii) If an employee has terminated employment after salary offset has been initiated, there are no limitations on the amount that can be withheld or offset.

(3) IRS tax refund offset. SBA may request that IRS reduce a debtor’s tax refund by the amount of the debt, as authorized by 31 U.S.C. 3720A. Where available, administrative and salary offsets must be used before collection is attempted through income tax offset. SBA may refer a debt to the IRS for a tax refund offset and take additional action against the debtor to collect the debt at the same time or in sequence. When SBA makes simultaneous or sequential referrals (within six months of the initial notice), only one review pursuant to the rules in this part and the statutes authorizing them is required.

§ 140.3 What rights do you have when SBA tries to collect a debt from you through offset?

(a) SBA must write to you and tell you that it proposes to collect the debt by reducing your federal paycheck, withholding money the Government
owes you, and/or reducing your tax refund.

(b) In its written notice to you, SBA must tell you the nature and amount of the debt; that SBA will begin procedures to collect the debt through reduction of your federal paycheck, administrative offset, or reduction of your tax refund; that you have an opportunity to inspect and copy Government records relating to the debt at your expense; and that, before collection begins, you have an opportunity to agree with SBA on a schedule for repayment of your debt.

(c) SBA also must tell you that unless you respond within 60 days from the date of the notice, it will disclose to consumer reporting agencies (also known as credit bureaus or credit agencies) that you are responsible for the debt and the specific information it intends to disclose in order to establish your identity. The amount, status, history of the debt, and agency program under which it arose also will be disclosed.

(d) If you respond to SBA within 60 days from the date of the notice, SBA will not disclose the information to consumer reporting agencies until it considers your response and determines that you owe a past-due, legally enforceable debt.

(e) Within 60 days of the notice you may present evidence that all or part of the debt is not past due or not legally enforceable.

(1) Where a salary offset or administrative offset is proposed, you will have the opportunity to present your evidence to SBA’s Office of Hearings and Appeals (“OHA”). The rules in part 134 of this title govern the procedural rights to which you are entitled. In order to have a hearing before OHA, you must request a hearing within 15 days of receipt of the written notice described in this section. An OHA judge will issue a decision within 60 days of the date you filed your petition/request for a review or hearing with OHA, unless you were granted additional time within which to file your request for review.

(2) Where an income tax refund offset is proposed, you will have the opportunity to request a review and present your evidence to the appropriate SBA Commercial Loan Servicing Center at the address provided in the notice.

(f) SBA must consider any evidence you present and must first decide that a debt is past due and legally enforceable. A debt is legally enforceable if there is any forum, including a State or Federal Court or administrative agency, in which SBA’s claim would not be barred on the date of offset. Non-judgment debts are enforceable for ten years; judgment debts are enforceable beyond ten years. You will be notified of SBA’s decision at least 30 days before any offset deduction is made. You also will be notified of the amount, frequency, proposed beginning date, and duration of the deductions, as well as any obligation to pay interest, penalties, and administrative costs.

(g) If there is any substantial change in the status or amount of your debt, SBA will promptly report that change to each consumer reporting agency it originally contacted.

(h) SBA will obtain satisfactory assurances from each consumer reporting agency that the consumer reporting agency has complied with all federal laws relating to provision of consumer credit information.

(i) If your debt is being repaid by reduction of your income tax refund and you make any additional payments to SBA, SBA will notify the IRS of these payments and your new balance within 10 business days of receiving your payment.

(j) When the debt of a federal employee is reduced to court judgment, the employee is not entitled to further review by SBA, but is only entitled to notice of a proposed salary offset resulting from the judgment. The amount deducted may not exceed 15% of disposable pay, except when the deduction of a greater amount is necessary to completely collect the debt within the employee’s remaining period of employment.

(k) When another federal agency asks SBA to offset a debt for it, SBA will not initiate the requested offset until it has received from the creditor agency a written certification that the debtor owes a debt, its amount, and that the provisions of all applicable statutes and regulations have been complied with fully.
Small Business Administration

§ 142.1

(l) SBA may make an offset prior to completion of the procedures described in this part, if:

(1) Failure to make an offset would substantially prejudice the government’s ability to collect the debt; and

(2) The time before the payment would otherwise be made to you does not reasonably permit the completion of the procedures.

(3) Such prior offset then must be followed by the completion of the procedures described in this part.

(m) Where an IRS tax refund offset is sought, SBA must follow the Department of the Treasury’s regulations governing offset of a past-due, legally enforceable debt against tax overpayment.

which to file a complete answer. A general answer must be filed within 30 days of service of the complaint.

(d) If the defendant initially files a general answer requesting an extension of time, the reviewing official must promptly file with the ALJ the complaint, the general answer, and the request for an extension of time.

(e) For good cause shown, the ALJ may grant the defendant up to 30 additional days within which to file an answer meeting the requirements of paragraph (b) of this section. Such answer must be filed with OHA and a copy must be served on the reviewing official.

§ 142.13 What happens if a defendant fails to file an answer?

(a) If a defendant does not file any answer within 30 days after service of the complaint, the reviewing official will refer the complaint to the ALJ.

(b) Once the complaint is referred, the ALJ will promptly serve the defendant a notice that an initial decision will be issued.

(c) The ALJ will assume the facts alleged in the complaint to be true and, if such facts establish liability under the statute, the ALJ will issue an initial decision imposing the maximum amount of penalties and assessments allowed under the statute.

(d) Except as otherwise provided in this section, when a defendant fails to file a timely answer, the defendant waives any right to further review of the penalties and assessments imposed in the initial decision.

(e) The initial decision becomes final 30 days after it is issued.

(f) If, at any time before an initial decision becomes final, a defendant files a motion with the ALJ asking that the case be reopened and describing the extraordinary circumstances that prevented the defendant from filing an answer, the initial decision will be stayed until the ALJ makes a decision on the motion. The reviewing official may respond to the motion.

(g) If, in his motion to reopen, a defendant demonstrates extraordinary circumstances excusing his failure to file a timely answer, the ALJ will withdraw the initial decision, and grant the defendant an opportunity to answer the complaint.

(h) A decision by the ALJ to deny a defendant’s motion to reopen a case is not subject to review or reconsideration.

§ 142.14 What happens once an answer is filed?

(a) When the reviewing official receives an answer, he must file concurrently, the complaint and the answer with the ALJ, along with a designation of an SBA representative.

(b) When the ALJ receives the complaint and the answer, the ALJ will promptly serve a notice of oral hearing upon the defendant and the representative for SBA, in the same manner as the complaint, service of which is described in §142.11. The notice of oral hearing must be served within six years of the date on which the claim or statement is made.

(c) The notice must include:
   (1) The tentative time, place and nature of the hearing;
   (2) The legal authority and jurisdiction under which the hearing is to be held;
   (3) The matters of fact and law to be asserted;
   (4) A description of the procedures for the conduct of the hearing;
   (5) The name, address, and telephone number of the defendant’s representative and the representative for SBA; and
   (6) Such other matters as the ALJ deems appropriate.

HEARING PROVISIONS

§ 142.15 What kind of hearing is contemplated?

The hearing is a formal proceeding conducted by the ALJ during which a defendant will have the opportunity to cross-examine witnesses, present testimony, and dispute liability.

§ 142.16 At the hearing, what rights do the parties have?

(a) The parties to the hearing shall be the defendant and SBA. Pursuant to 31 U.S.C. 3730(c)(5), a private plaintiff in an action under the False Claims Act may participate in the hearing to the extent authorized by the provisions of that Act.
§ 142.17 Each party has the right to:
(1) Be represented by a representative;
(2) Request a pre-hearing conference and participate in any conference held by the ALJ;
(3) Conduct discovery;
(4) Agree to stipulations of fact or law which will be made a part of the record;
(5) Present evidence relevant to the issues at the hearing;
(6) Present and cross-examine witnesses;
(7) Present arguments at the hearing as permitted by the ALJ; and
(8) Submit written briefs and proposed findings of fact and conclusions of law after the hearing, as permitted by the ALJ.

§ 142.18 Can the reviewing official or ALJ be disqualified?
(a) A reviewing official or an ALJ may disqualify himself or herself at any time.
(b) Upon motion of any party, the reviewing official or ALJ may be disqualified as follows:
   (1) The motion must be supported by an affidavit containing specific facts establishing that personal bias or other reason for disqualification exists, including the time and circumstances of the discovery of such facts;
   (2) The motion must be filed promptly after discovery of the grounds for disqualification, or the objection will be deemed waived; and
   (3) The party, or representative of record, must certify in writing that the motion is made in good faith.
(c) Once a motion has been filed to disqualify the reviewing official, the ALJ will halt the proceedings until resolving the matter of disqualification. If the ALJ determines that the reviewing official is disqualified, the ALJ will dismiss the complaint without prejudice. If the ALJ disqualifies himself or herself, the case will be promptly reassigned to another ALJ.

§ 142.19 What is the role of the ALJ?
An ALJ from OHA serves as the Presiding Officer at all hearings, with authority as set forth in §134.218(b) of this chapter.

§ 142.20 How are papers served?
Except for service of a complaint or a notice of hearing under §§142.11 and 142.14(b) respectively, service of papers must be made as prescribed by §134.204 of this chapter.

§ 142.21 How will the hearing be conducted and who has the burden of proof?
(a) The ALJ conducts a hearing in order to determine whether a defendant is liable for a civil penalty, assessment, or both, and, if so, the appropriate amount of the civil penalty and/or assessment. The hearing will be recorded and transcribed, and the transcript of testimony, exhibits admitted at the hearing, and all papers and requests filed in the proceeding constitute the record for a decision by the ALJ.
(b) SBA must prove a defendant’s liability and any aggravating factors by a preponderance of the evidence.
(c) A defendant must prove any affirmative defenses and any mitigating factors by a preponderance of the evidence.
(d) The hearing will be open to the public unless otherwise ordered by the ALJ for good cause shown.

§ 142.22 How is evidence presented at the hearing?
(a) Witnesses at the hearing must testify orally under oath or affirmation unless otherwise ordered by the ALJ. At the discretion of the ALJ, testimony may be admitted in the form of a written statement or deposition, a copy of which must be provided to all other parties, along with the last known address of the witness, in a manner which allows sufficient time for other parties to subpoena the witness for cross-examination at the hearing.
§ 142.29 Are witness lists exchanged before the hearing?

(a) At least 15 days before the hearing or at such other time as ordered by the ALJ, the parties must exchange witness lists and copies of proposed hearing exhibits, including copies of any written statements or transcripts of deposition testimony that the party intends to offer in lieu of live testimony.

(b) If a party objects, the ALJ will not admit into evidence the testimony of any witness whose name does not appear on the witness list or any exhibit not provided to an opposing party unless the ALJ finds good cause for the omission or concludes that there is no prejudice to the objecting party.

(c) Unless a party objects within the time set by the ALJ, documents exchanged in accordance with this section are deemed to be authentic for the purpose of admissibility at the hearing.

§ 142.28 Where is the hearing held?

The ALJ will hold the hearing in any judicial district of the United States:

(a) In which the defendant resides or transacts business; or

(b) In which the claim or statement on which liability is based was made, presented or submitted to SBA; or

(c) As agreed upon by the defendant and the ALJ.

§ 142.27 Are there sanctions for misconduct?

The ALJ may sanction a party or representative, as set forth in §134.219 of this chapter.

§ 142.26 Can a party informally discuss the case with the ALJ?

No. Such discussions are forbidden as ex parte communications with the ALJ as set forth in §134.220 of this chapter. This does not prohibit a party from communicating with other employees of OHA to inquire about the status of a case or to ask routine questions concerning administrative functions and procedures.

§ 142.25 Can a party or witness object to discovery?

Any party or prospective witness may file a motion to quash a subpoena or to limit discovery or the disclosure of evidence. Motions to limit discovery or to object to the disclosure of evidence are governed by §134.213 of this chapter. Motions to limit or quash subpoenas are governed by §134.214(d) of this chapter.
§ 142.30 How is the case decided?

(a) The ALJ will issue an initial decision based only on the record. It will contain findings of fact, conclusions of law, and the amount of any penalties and assessments imposed.

(b) The ALJ will serve the initial decision on all parties within 90 days after close of the hearing or expiration of any allowed time for submission of post-hearing briefs. If the ALJ fails to meet this deadline, he or she shall promptly notify the parties of the reason for the delay and set a new deadline.

(c) The findings of fact must include a finding on each of the following issues:

(1) Whether any one or more of the claims or statements identified in the complaint violate this part; and

(2) If the defendant is liable for penalties or assessments, the appropriate amount of any such penalties or assessments, considering any mitigating or aggravating factors.

(d) The initial decision will include a description of the right of a defendant found liable for a civil penalty or assessment to file a motion for reconsideration with the ALJ or a notice of appeal with the Administrator.

§ 142.31 Can a party request reconsideration of the initial decision?

(a) Any party may file a motion for reconsideration of the initial decision within 20 days of receipt of the initial decision. If the initial decision was served by mail, there is a rebuttable presumption that the initial decision was received by the party 5 days from the date of mailing.

(b) A motion for reconsideration must be accompanied by a supporting brief and must describe specifically each allegedly erroneous decision.

(c) Any response to a motion for reconsideration must be filed within 20 days of receipt of such motion.

(d) The ALJ will dispose of a motion for reconsideration by denying it or by issuing a revised initial decision.

(e) If the ALJ issues a revised initial decision upon motion of a party, that party may not file another motion for reconsideration.

§ 142.32 When does the initial decision of the ALJ become final?

(a) The initial decision of the ALJ becomes the final decision of SBA, and shall be binding on all parties 30 days after it is issued, unless any party timely files a motion for reconsideration or any defendant adjudged to have submitted a false claim or statement timely appeals to the SBA Administrator, as set forth in §142.33.

(b) If the ALJ disposes of a motion for reconsideration by denying it or by issuing a revised initial decision, the ALJ’s order on the motion for reconsideration becomes the final decision of SBA 30 days after the order is issued, unless a defendant adjudged to have submitted a false claim or statement timely appeals to the Administrator, within 30 days of the ALJ’s order, as set forth in §142.33.

§ 142.33 What are the procedures for appealing the ALJ decision?

(a) Any defendant who submits a timely answer and is found liable for a civil penalty or assessment in an initial decision may appeal the decision.

(b) The defendant may file a notice of appeal with the Administrator within 30 days following issuance of the initial decision, serving a copy of the notice of appeal on all parties and the ALJ. The Administrator may extend this deadline for up to thirty additional days if an extension request is filed within the initial 30 day period and shows good cause.

(c) The defendant’s appeal will not be considered until all timely motions for reconsideration have been resolved.

(d) If a timely motion for reconsideration is denied, a notice of appeal may be filed within 30 days following such denial or issuance of a revised initial decision, whichever applies.

(e) A notice of appeal must be supported by a written brief specifying why the initial decision should be reversed or modified.

(f) SBA’s representative may file a brief in opposition to the notice of appeal within 30 days of receiving the defendant’s notice of appeal and supporting brief.

(g) If a defendant timely files a notice of appeal, and the time for filing
motions for reconsideration has expired, the ALJ will forward the record of the proceeding to the Administrator.

§ 142.34 Are there any limitations on the right to appeal to the Administrator?

(a) A defendant has no right to appear personally, or through a representative, before the Administrator.
(b) There is no right to appeal any interlocutory ruling.
(c) The Administrator will not consider any objection or evidence that was not raised before the ALJ unless the defendant demonstrates that the failure to object was caused by extraordinary circumstances. If the appealing defendant demonstrates to the satisfaction of the Administrator that extraordinary circumstances prevented the presentation of evidence at the hearing, and that the additional evidence is material, the Administrator may remand the matter to the ALJ for consideration of the additional evidence.

§ 142.35 How does the Administrator dispose of an appeal?

(a) The Administrator may affirm, reduce, reverse, compromise, remand, or settle any penalty or assessment imposed by the ALJ in the initial decision or reconsideration decision.
(b) The Administrator will promptly serve each party to the appeal and the ALJ with a copy of his or her decision. This decision must contain a statement describing the right of any person, against whom a penalty or assessment has been made, to seek judicial review.

§ 142.36 Can I obtain judicial review?

If the initial decision is appealed, the decision of the Administrator is the final decision of SBA and is not subject to judicial review unless the defendant files a petition for judicial review within 60 days after the Administrator serves the defendant with a copy of the final decision.

§ 142.37 What judicial review is available?

31 U.S.C. 3805 authorizes judicial review by the appropriate United States District Court of any final SBA decision imposing penalties or assessments, and specifies the procedures for such review. To obtain judicial review, a defendant must file a petition in a timely fashion.

§ 142.38 Can the administrative complaint be settled voluntarily?

(a) Parties may make offers of compromise or settlement at any time. Any compromise or settlement must be in writing.
(b) The reviewing official has the exclusive authority to compromise or settle the case from the date on which the reviewing official is permitted to issue a complaint until the ALJ issues an initial decision.
(c) The Administrator has exclusive authority to compromise or settle the case from the date of the ALJ’s initial decision until initiation of any judicial review or any action to collect the penalties and assessments.
(d) The Attorney General has exclusive authority to compromise or settle the case while any judicial review or any action to recover penalties and assessments is pending.
(e) The investigating official may recommend settlement terms to the reviewing official, the Administrator, or the Attorney General, as appropriate. The reviewing official may recommend settlement terms to the Administrator or the Attorney General, as appropriate.

§ 142.39 How are civil penalties and assessments collected?

31 U.S.C. 3806 and 3808(b) authorize the Attorney General to bring specific actions for collection of such civil penalties and assessments including administrative offset under 31 U.S.C. 3716. The penalties and assessments may not, however, be administratively offset against an overpayment of federal taxes (then or later owed) to the defendant by the United States.

§ 142.40 What if the investigation indicates criminal misconduct?

(a) Any investigating official may:
(1) Refer allegations of criminal misconduct directly to the Department of Justice for prosecution or for suit under the False Claims Act or other civil proceeding
§ 142.41
(2) Defer or postpone a report or referral to the reviewing official to avoid interference with a criminal investigation or prosecution; or
(3) Issue subpoenas under other statutory authority.
(b) Nothing in this part limits the requirement that SBA employees report suspected violations of criminal law to the SBA Office of Inspector General or to the Attorney General.

§ 142.41 How does SBA protect the rights of defendants?
These procedures separate the functions of the investigating official, reviewing official, and the ALJ, each of whom report to a separate organizational authority in accordance with 31 U.S.C. 3801. Except for purposes of settlement, or as a witness or a representative in public proceedings, no investigating official, reviewing official, or SBA employee or agent who helps investigate, prepare, or present a case may (in such case, or a factually related case) participate in the initial decision or the review of the initial decision by the Administrator. This separation of functions and organization is designed to assure the independence and impartiality of each government official during every stage of the proceeding. The representative for SBA may be employed in the offices of either the investigating official or the reviewing official.

Subpart A—General
§ 143.1 Purpose and scope of this part.
This part establishes uniform administrative rules for Federal grants and cooperative agreements and subawards to State, local and Indian tribal governments.

§ 143.2 Scope of subpart.
This subpart contains general rules pertaining to this part and procedures for control of exceptions from this part.
§ 143.3 Definitions.

As used in this part:

Accrued expenditures mean the charges incurred by the grantee during a given period requiring the provision of funds for: (1) Goods and other tangible property received; (2) services performed by employees, contractors, subgrantees, subcontractors, and other payees; and (3) other amounts becoming owed under programs for which no current services or performance is required, such as annuities, insurance claims, and other benefit payments.

Accrued income means the sum of: (1) Earnings during a given period from services performed by the grantee and goods and other tangible property delivered to purchasers, and (2) amounts becoming owed to the grantee for which no current services or performance is required by the grantee.

Acquisition cost of an item of purchased equipment means the net invoice unit price of the property including the cost of modifications, attachments, accessories, or auxiliary apparatus necessary to make the property usable for the purpose for which it was acquired. Other charges such as the cost of installation, transportation, taxes, duty or protective in-transit insurance, shall be included or excluded from the unit acquisition cost in accordance with the grantee's regular accounting practices.

Administrative requirements mean those matters common to grants in general, such as financial management, kinds and frequency of reports, and retention of records. These are distinguished from programmatic requirements, which concern matters that can be treated only on a program-by-program or grant-by-grant basis, such as kinds of activities that can be supported by grants under a particular program.

Awarding agency means (1) with respect to a grant, the Federal agency, and (2) with respect to a subgrant, the party that awarded the subgrant.

Cash contributions means the grantee's cash outlay, including the outlay of money contributed to the grantee or subgrantee by other public agencies and institutions, and private organizations and individuals. When authorized by Federal legislation, Federal funds received from other assistance agreements may be considered as grantee or subgrantee cash contributions.

Contract means (except as used in the definitions for grant and subgrant in this section and except where qualified by Federal) a procurement contract under a grant or subgrant, and means a procurement subcontract under a contract.

Cost sharing or matching means the value of the third party in-kind contributions and the portion of the costs of a federally assisted project or program not borne by the Federal Government.

Cost-type contract means a contract or subcontract under a grant in which the contractor or subcontractor is paid on the basis of the costs it incurs, with or without a fee.

Equipment means tangible, non-expendable, personal property having a useful life of more than one year and an acquisition cost of $5,000 or more per unit. A grantee may use its own definition of equipment provided that such definition would at least include all equipment defined above.

Expenditure report means: (1) For non-construction grants, the SF-269 "Financial Status Report" (or other equivalent report); (2) for construction grants, the SF-271 "Outlay Report and Request for Reimbursement" (or other equivalent report).

Federally recognized Indian tribal government means the governing body or a governmental agency of any Indian tribe, band, nation, or other organized group or community (including any Native village as defined in section 3 of the Alaska Native Claims Settlement Act, 85 Stat 688) certified by the Secretary of the Interior as eligible for the special programs and services provided by him through the Bureau of Indian Affairs.

Government means a State or local government or a Federally recognized Indian tribal government.

Grant means an award of financial assistance, including cooperative agreements, in the form of money, or property in lieu of money, by the Federal Government to an eligible grantee. The term does not include technical assistance which provides services instead of money, or other assistance in the form
of revenue sharing, loans, loan guarantees, interest subsidies, insurance, or direct appropriations. Also, the term does not include assistance, such as a fellowship or other lump sum award, which the grantee is not required to account for.

Grantee means the government to which a grant is awarded and which is accountable for the use of the funds provided. The grantee is the entire legal entity even if only a particular component of the entity is designated in the grant award document.

Local government means a county, municipality, city, town, township, local public authority (including any public and Indian housing agency under the United States Housing Act of 1937) school district, special district, intrastate district, council of governments (whether or not incorporated as a nonprofit corporation under state law), any other regional or interstate government entity, or any agency or instrumentality of a local government.

Obligations means the amounts of orders placed, contracts and subgrants awarded, goods and services received, and similar transactions during a given period that will require payment by the grantee during the same or a future period.

OMB means the United States Office of Management and Budget.

Outlays (expenditures) mean charges made to the project or program. They may be reported on a cash or accrual basis. For reports prepared on a cash basis, outlays are the sum of actual cash disbursement for direct charges for goods and services, the amount of indirect expense incurred, the value of in-kind contributions applied, and the amount of cash advances and payments made to contractors and subgrantees. For reports prepared on an accrued expenditure basis, outlays are the sum of actual cash disbursements, the amount of indirect expense incurred, the value of in-kind contributions applied, and the new increase (or decrease) in the amounts owed by the grantee for goods and other property received, for services performed by employees, contractors, subgrantees, subcontractors, and other payees, and other amounts becoming owed under programs for which no current services or performance are required, such as annuities, insurance claims, and other benefit payments.

Percentage of completion method refers to a system under which payments are made for construction work according to the percentage of completion of the work, rather than to the grantee's cost incurred.

Prior approval means documentation evidencing consent prior to incurring specific cost.

Real property means land, including land improvements, structures and appurtenances thereto, excluding movable machinery and equipment.

Share, when referring to the awarding agency's portion of real property, equipment or supplies, means the same percentage as the awarding agency's portion of the acquiring party's total costs under the grant to which the acquisition costs under the grant to which the acquisition cost of the property was charged. Only costs are to be counted—not the value of third-party in-kind contributions.

State means any of the several States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, any territory or possession of the United States, or any agency or instrumentality of a State exclusive of local governments. The term does not include any public and Indian housing agency under United States Housing Act of 1937.

Subgrant means an award of financial assistance in the form of money, or property in lieu of money, made under a grant by a grantee to an eligible subgrantee. The term includes financial assistance when provided by contractual legal agreement, but does not include procurement purchases, nor does it include any form of assistance which is excluded from the definition of grant in this part.

Subgrantee means the government or other legal entity to which a subgrant is awarded and which is accountable to the grantee for the use of the funds provided.

Supplies means all tangible personal property other than equipment as defined in this part.

Suspension means depending on the context, either (1) temporary withdrawal of the authority to obligate grant funds pending corrective action.
by the grantee or subgrantee or a decision to terminate the grant, or (2) an action taken by a suspending official in accordance with agency regulations implementing E.O. 12549 to immediately exclude a person from participating in grant transactions for a period, pending completion of an investigation and such legal or debarment proceedings as may ensue.

Termination means permanent withdrawal of the authority to obligate previously-awarded grant funds before that authority would otherwise expire. It also means the voluntary relinquishment of that authority by the grantee or subgrantee. Termination does not include: (1) Withdrawal of funds awarded on the basis of the grantee’s underestimate of the unobligated balance in a prior period; (2) Withdrawal of the unobligated balance as of the expiration of a grant; (3) Refusal to extend a grant or award additional funds, to make a competing or noncompeting continuation, renewal, extension, or supplemental award; or (4) voiding of a grant upon determination that the award was obtained fraudulently, or was otherwise illegal or invalid from inception.

Terms of a grant or subgrant mean all requirements of the grant or subgrant, whether in statute, regulations, or the award document.

Third party in-kind contributions mean property or services which benefit a federally assisted project or program and which are contributed by non-Federal third parties without charge to the grantee, or a cost-type contractor under the grant agreement.

Unliquidated obligations for reports prepared on a cash basis mean the amount of obligations incurred by the grantee that has not been paid. For reports prepared on an accrued expenditure basis, they represent the amount of obligations incurred by the grantee for which an outlay has not been recorded.

Unobligated balance means the portion of the funds authorized by the Federal agency that has not been obligated by the grantee and is determined by deducting the cumulative obligations from the cumulative funds authorized.

§ 143.4 Applicability.

(a) General. Subparts A through D of this part apply to all grants and subgrants to governments, except where inconsistent with Federal statutes or with regulations authorized in accordance with the exception provision of § 143.6, or:

Subpart B—Pre-Award Requirements

§ 143.10 Forms for applying for grants.

(a) Scope. (1) This section prescribes forms and instructions to be used by governmental organizations (except hospitals and institutions of higher education operated by a government) in applying for grants. This section is not applicable, however, to formula grant programs which do not require applicants to apply for funds on a project basis.

(2) This section applies only to applications to Federal agencies for grants, and is not required to be applied by grantees in dealing with applicants for subgrants. However, grantees are encouraged to avoid more detailed or burdensome application requirements for subgrants.

(b) Authorized forms and instructions for governmental organizations. (1) In applying for grants, applicants shall only use standard application forms or those prescribed by the granting agency with the approval of OMB under the Paperwork Reduction Act of 1980.

(2) Applicants are not required to submit more than the original and two copies of preapplications or applications.

(3) Applicants must follow all applicable instructions that bear OMB clearance numbers. Federal agencies may specify and describe the programs, functions, or activities that will be used to plan, budget, and evaluate the work under a grant. Other supplementary instructions may be issued only with the approval of OMB to the
Small Business Administration § 143.12

extent required under the Paperwork Reduction Act of 1980. For any standard form, except the SF-424 facesheet, Federal agencies may shade out or instruct the applicant to disregard any line item that is not needed.

(4) When a grantee applies for additional funding (such as a continuation or supplemental award) or amends a previously submitted application, only the affected pages need be submitted. Previously submitted pages with information that is still current need not be resubmitted.

§ 143.11 State plans.

(a) Scope. The statutes for some programs require States to submit plans before receiving grants. Under regulations implementing Executive Order 12372, “Intergovernmental Review of Federal Programs,” States are allowed to simplify, consolidate and substitute plans. This section contains additional provisions for plans that are subject to regulations implementing the Executive order.

(b) Requirements. A State need meet only Federal administrative or programmatic requirements for a plan that are in statutes or codified regulations.

(c) Assurances. In each plan the State will include an assurance that the State shall comply with all applicable Federal statutes and regulations in effect with respect to the periods for which it receives grant funding. For this assurance and other assurances required in the plan, the State may:

(1) Cite by number the statutory or regulatory provisions requiring the assurances and affirm that it gives the assurances required by those provisions.

(2) Repeat the assurance language in the statutes or regulations, or

(3) Develop its own language to the extent permitted by law.

(d) Amendments. A State will amend a plan whenever necessary to reflect: (1) New or revised Federal statutes or regulations or (2) a material change in any State law, organization, policy, or State agency operation. The State will obtain approval for the amendment and its effective date but need submit for approval only the amended portions of the plan.

§ 143.12 Special grant or subgrant conditions for “high-risk” grantees.

(a) A grantee or subgrantee may be considered high risk if an awarding agency determines that a grantee or subgrantee:

(1) Has a history of unsatisfactory performance, or

(2) Is not financially stable, or

(3) Has a management system which does not meet the management standards set forth in this part, or

(4) Has not conformed to terms and conditions of previous awards, or

(5) Is otherwise not responsible; and if the awarding agency determines that an award will be made, special conditions and/or restrictions shall correspond to the high risk condition and shall be included in the award.

(b) Special conditions or restrictions may include:

(1) Payment on a reimbursement basis;

(2) Withholding authority to proceed to the next phase until receipt of evidence of acceptable performance within a given funding period;

(3) Requiring additional, more detailed financial reports;

(4) Additional project monitoring;

(5) Requiring the grantee or subgrantee to obtain technical or management assistance; or

(6) Establishing additional prior approvals.

(c) If an awarding agency decides to impose such conditions, the awarding official will notify the grantee or subgrantee as early as possible, in writing, of:

(1) The nature of the special conditions/restrictions;

(2) The reason(s) for imposing them;

(3) The corrective actions which must be taken before they will be removed and the time allowed for completing the corrective actions and

(4) The method of requesting reconsideration of the conditions/restrictions imposed.
§ 143.20 Standards for financial management systems.

(a) A State must expand and account for grant funds in accordance with State laws and procedures for expending and accounting for its own funds. Fiscal control and accounting procedures of the State, as well as its subgrantees and cost-type contractors, must be sufficient to—

(1) Permit preparation of reports required by this part and the statutes authorizing the grant, and

(2) Permit the tracing of funds to a level of expenditures adequate to establish that such funds have not been used in violation of the restrictions and prohibitions of applicable statutes.

(b) The financial management systems of other grantees and subgrantees must meet the following standards:

(1) Financial reporting. Accurate, current, and complete disclosure of the financial results of financially assisted activities must be made in accordance with the financial reporting requirements of the grant or subgrant.

(2) Accounting records. Grantees and subgrantees must maintain records which adequately identify the source and application of funds provided for financially-assisted activities. These records must contain information pertaining to grant or subgrant awards and authorizations, obligations, unobligated balances, assets, liabilities, outlays or expenditures, and income.

(3) Internal control. Effective control and accountability must be maintained for all grant and subgrant cash, real and personal property, and other assets. Grantees and subgrantees must adequately safeguard all such property and must assure that it is used solely for authorized purposes.

(4) Budget control. Actual expenditures or outlays must be compared with budgeted amounts for each grant or subgrant. Financial information must be related to performance or productivity data, including the development of unit cost information whenever appropriate or specifically required in the grant or subgrant agreement. If unit cost data are required, estimates based on available documentation will be accepted whenever possible.

(5) Allowable cost. Applicable OMB cost principles, agency program regulations, and the terms of grant and subgrant agreements will be followed in determining the reasonableness, allowability, and allocability of costs.

(6) Source documentation. Accounting records must be supported by such source documentation as cancelled checks, paid bills, payrolls, time and attendance records, contract and subgrant award documents, etc.

(7) Cash management. Procedures for minimizing the time elapsing between the transfer of funds from the U.S. Treasury and disbursement by grantees and subgrantees must be followed whenever advance payment procedures are used. Grantees must establish reasonable procedures to ensure the receipt of reports on subgrantees' cash balances and cash disbursements in sufficient time to enable them to prepare complete and accurate cash transactions reports to the awarding agency. When advances are made by letter-of-credit or electronic transfer of funds methods, the grantee must make drawdowns as close as possible to the time of making disbursements. Grantees must monitor cash drawdowns by their subgrantees to assure that they conform substantially to the same standards of timing and amount as apply to advances to the grantees.

(c) An awarding agency may review the adequacy of the financial management system of any applicant for financial assistance as part of a preaward review or at any time subsequent to award.

§ 143.21 Payment.

(a) Scope. This section prescribes the basic standard and the methods under which a Federal agency will make payments to grantees, and grantees will make payments to subgrantees and contractors.

(b) Basic standard. Methods and procedures for payment shall minimize the time elapsing between the transfer of funds and disbursement by the grantee or subgrantee, in accordance
Small Business Administration § 143.21

(c) Advances. Grantees and subgrantees shall be paid in advance, provided they maintain or demonstrate the willingness and ability to maintain procedures to minimize the time elapsing between the transfer of the funds and their disbursement by the grantee or subgrantee.

(d) Reimbursement. Reimbursement shall be the preferred method when the requirements in paragraph (c) of this section are not met. Grantees and subgrantees may also be paid by reimbursement for any construction grant. Except as otherwise specified in regulation, Federal agencies shall not use the percentage of completion method to pay construction grants. The grantee or subgrantee may use that method to pay its construction contractor, and if it does, the awarding agency’s payments to the grantee or subgrantee will be based on the grantee’s or subgrantee’s actual rate of disbursement.

(e) Working capital advances. If a grantee cannot meet the criteria for advance payments described in paragraph (c) of this section, and the Federal agency has determined that reimbursement is not feasible because the grantee lacks sufficient working capital, the awarding agency may provide cash or a working capital advance. Under this procedure the awarding agency shall advance cash to the grantee to cover its estimated disbursement needs for an initial period generally geared to the grantee’s disbursing cycle. Thereafter, the awarding agency shall reimburse the grantee for its actual cash disbursements. The working capital advance method of payment shall not be used by grantees or subgrantees if the reason for using such method is the unwillingness or inability of the grantee to provide timely advances to the subgrantee to meet the subgrantee’s actual cash disbursements.

(f) Effect of program income, refunds, and audit recoveries on payment. (1) Grantees and subgrantees shall disburse repayments to and interest earned on a revolving fund before requesting additional cash payments for the same activity.

(2) Except as provided in paragraph (f)(1) of this section, grantees and subgrantees shall disburse program income, rebates, refunds, contract settlements, audit recoveries and interest earned on such funds before requesting additional cash payments.

(g) Withholding payments. (1) Unless otherwise required by Federal statute, awarding agencies shall not withhold payments for proper charges incurred by grantees or subgrantees unless—

(i) The grantee or subgrantee has failed to comply with grant award conditions or

(ii) The grantee or subgrantee is indebted to the United States.

(2) Cash withheld for failure to comply with grant award condition, but without suspension of the grant, shall be released to the grantee upon subsequent compliance. When a grant is suspended, payment adjustments will be made in accordance with §143.43(c).

(3) A Federal agency shall not make payment to grantees for amounts that are withheld by grantees or subgrantees from payment to contractors to assure satisfactory completion of work. Payments shall be made by the Federal agency when the grantees or subgrantees actually disburse the withheld funds to the contractors or to escrow accounts established to assure satisfactory completion of work.

(h) Cash depositories. (1) Consistent with the national goal of expanding the opportunities for minority business enterprises, grantees and subgrantees are encouraged to use minority banks (a bank which is owned at least 50 percent by minority group members). A list of minority owned banks can be obtained from the Minority Business Development Agency, Department of Commerce, Washington, DC 20230.

(2) A grantee or subgrantee shall maintain a separate bank account only when required by Federal-State agreement.

(i) Interest earned on advances. Except for interest earned on advances of funds exempt under the Intergovernmental Cooperation Act (31 U.S.C. 6501 et seq.) and the Indian Self-Determination Act (23 U.S.C. 450), grantees and subgrantees shall promptly, but at least quarterly, report interest earned on advances to the Federal agency. The
§ 143.22 Allowable costs.

(a) Limitation on use of funds. Grant funds may be used only for:

(1) The allowable costs of the grantees, subgrantees and cost-type contractors, including allowable costs in the form of payments to fixed-price contractors; and

(2) Reasonable fees or profit to cost-type contractors but not any fee or profit (or other increment above allowable costs) to the grantee or subgrantee.

(b) Applicable cost principles. For each kind of organization, there is a set of Federal principles for determining allowable costs. Allowable costs will be determined in accordance with the cost principles applicable to the organization incurring the costs. The following chart lists the kinds of organizations and the applicable cost principles.

For the costs of a— | Use the principles in—
--- | ---
State, local or Indian tribal government. | OMB Circular A–87.
Private nonprofit organization other than an (1) institution of higher education, (2) hospital, or (3) organization named in OMB Circular A–122 as not subject to that circular. | OMB Circular A–122.
Educational institutions. | OMB Circular A–21.
For-profit organization other than a hospital or an organization named in OMB Circular A–122 as not subject to that circular. | 48 CFR part 31. Contract Cost Principles and Procedures, or uniform cost accounting standards that comply with cost principles acceptable to the Federal agency.

§ 143.23 Period of availability of funds.

(a) General. Where a funding period is specified, a grantee may charge to the award only costs resulting from obligations of the funding period unless carryover of unobligated balances is permitted, in which case the carryover balances may be charged for costs resulting from obligations of the subsequent funding period.

(b) Liquidation of obligations. A grantee must liquidate all obligations incurred under the award not later than 90 days after the end of the funding period (or as specified in a program regulation) to coincide with the submission of the annual Financial Status Report (SF–269). The Federal agency may extend this deadline at the request of the grantee.

§ 143.24 Matching or cost sharing.

(a) Basic rule: Costs and contributions acceptable. With the qualifications and exceptions listed in paragraph (b) of this section, a matching or cost sharing requirement may be satisfied by either or both of the following:

(1) Allowable costs incurred by the grantee, subgrantee or a cost-type contractor under the assistance agreement. This includes allowable costs borne by non-Federal grants or by others cash donations from non-Federal third parties.

(2) The value of third party in-kind contributions applicable to the period to which the cost sharing or matching requirements applies.

(b) Qualifications and exceptions—(1) Costs borne by other Federal grant agreements. Except as provided by Federal statute, a cost sharing or matching requirement may not be met by costs borne by another Federal grant. This prohibition does not apply to income earned by a grantee or subgrantee from a contract awarded under another Federal grant.

(2) General revenue sharing. For the purpose of this section, general revenue sharing funds distributed under 31 U.S.C. 6702 are not considered Federal grant funds.

(3) Cost or contributions counted towards other Federal costs-sharing requirements. Neither costs nor the values of third party in-kind contributions may count towards satisfying a cost sharing or matching requirement of a grant agreement if they have been or will be counted towards satisfying a cost sharing or matching requirement of another Federal grant agreement, a Federal procurement contract, or any other award of Federal funds.

(4) Costs financed by program income. Costs financed by program income, as defined in §143.25, shall not count towards satisfying a cost sharing or matching requirement of a grant agreement.
(5) Services or property financed by income earned by contractors. Contractors under a grant may earn income from the activities carried out under the contract in addition to the amounts earned from the party awarding the contract. No costs of services or property supported by this income may count toward satisfying a cost sharing or matching requirement unless other provisions of the grant agreement expressly permit this kind of income to be used to meet the requirement.

(6) Records. Costs and third party in-kind contributions counting towards satisfying a cost sharing or matching requirement must be verifiable from the records of grantees and subgrantee or cost-type contractors. These records must show how the value placed on third party in-kind contributions was derived. To the extent feasible, volunteer services will be supported by the same methods that the organization uses to support the allocability of regular personnel costs.

(7) Special standards for third party in-kind contributions. (i) Third party in-kind contributions count towards satisfying a cost sharing or matching requirement only where, if the party receiving the contributions were to pay for them, the payments would be allowable costs.

(ii) Some third party in-kind contributions are goods and services that, if the grantee, subgrantee, or contractor receiving the contribution had to pay for them, the payments would have been indirect costs. Costs sharing or matching credit for such contributions shall be given only if the grantee, subgrantee, or contractor has established, along with its regular indirect cost rate, a special rate for allocating to individual projects or programs the value of the contributions.

(iii) A third party in-kind contribution to a fixed-price contract may count towards satisfying a cost sharing or matching requirement only if it results in:

(A) An increase in the services or property provided under the contract (without additional cost to the grantee or subgrantee) or

(B) A cost savings to the grantee or subgrantee.

(iv) The values placed on third party in-kind contributions for cost sharing or matching purposes will conform to the rules in the succeeding sections of this part. If a third party in-kind contribution is a type not treated in those sections, the value placed upon it shall be fair and reasonable.

(c) Valuation of donated services—(1) Volunteer services. Unpaid services provided to a grantee or subgrantee by individuals will be valued at rates consistent with those ordinarily paid for similar work in the grantee's or subgrantee's organization. If the grantee or subgrantee does not have employees performing similar work, the rates will be consistent with those ordinarily paid by other employers for similar work in the same labor market. In either case, a reasonable amount for fringe benefits may be included in the valuation.

(2) Employees of other organizations. When an employer other than a grantee, subgrantee, or cost-type contractor furnishes free of charge the services of an employee in the employee's normal line of work, the services will be valued at the employee's regular rate of pay exclusive of the employee's fringe benefits and overhead costs. If the services are in a different line of work, paragraph (c)(1) of this section applies.

(d) Valuation of third party donated supplies and loaned equipment or space. (1) If a third party donates supplies, the contribution will be valued at the market value of the supplies at the time of donation.

(2) If a third party donates the use of equipment or space in a building but retains title, the contribution will be valued at the fair rental rate of the equipment or space.

(e) Valuation of third party donated equipment, buildings, and land. If a third party donates equipment, buildings, or land, and title passes to a grantee or subgrantee, the treatment of the donated property will depend upon the purpose of the grant or subgrant, as follows:

(1) Awards for capital expenditures. If the purpose of the grant or subgrant is to assist the grantee or subgrantee in the acquisition of property, the market value of that property at the time of
donation may be counted as cost sharing or matching.

(2) Other awards. If assisting in the acquisition of property is not the purpose of the grant or subgrant, paragraphs (e)(2)(i) and (ii) of this section apply:

(i) If approval is obtained from the awarding agency, the market value at the time of donation of the donated equipment or buildings and the fair rental rate of the donated land may be counted as cost sharing or matching. In the case of a subgrant, the terms of the grant agreement may require that the approval be obtained from the Federal agency as well as the grantee. In all cases, the approval may be given only if a purchase of the equipment or rental of the land would be approved as an allowable direct cost. If any part of the donated property was acquired with Federal funds, only the non-federal share of the property may be counted as cost-sharing or matching.

(ii) If approval is not obtained under paragraph (e)(2)(i) of this section, no amount may be counted for donated land, and only depreciation or use allowances may be counted for donated equipment and buildings. The depreciation or use allowances for this property are not treated as third party in-kind contributions. Instead, they are treated as costs incurred by the grantee or subgrantee. They are computed and allocated (usually as indirect costs) in accordance with the cost principles specified in §143.22, in the same way as depreciation or use allowances for purchased equipment and buildings. The amount of depreciation or use allowances for donated equipment and buildings is based on the property's market value at the time it was donated.

(3) Valuation of grantee or subgrantee donated real property for construction/acquisition. If a grantee or subgrantee donates real property for a construction or facilities acquisition project, the current market value of that property may be counted as cost sharing or matching. If any part of the donated property was acquired with Federal funds, only the non-federal share of the property may be counted as cost sharing or matching.

(4) Appraisal of real property. In some cases under paragraphs (d), (e) and (f) of this section, it will be necessary to establish the market value of land or a building or the fair rental rate of land or of space in a building. In these cases, the Federal agency may require the market value or fair rental value be set by an independent appraiser, and that the value or rate be certified by the grantee. This requirement will also be imposed by the grantee on subgrantees.

§ 143.25 Program income.

(a) General. Grantees are encouraged to earn income to defray program costs. Program income includes income from fees for services performed, from the use or rental of real or personal property acquired with grant funds, from the sale of commodities or items fabricated under a grant agreement, and from payments of principal and interest on loans made with grant funds. Except as otherwise provided in regulations of the Federal agency, program income does not include interest on grant funds, rebates, credits, discounts, refunds, etc. and interest earned on any of them.

(b) Definition of program income. Program income means gross income received by the grantee or subgrantee directly generated by a grant supported activity, or earned only as a result of the grant agreement during the grant period. During the grant period is the time between the effective date of the award and the ending date of the award reflected in the final financial report.

(c) Cost of generating program income. If authorized by Federal regulations or the grant agreement, costs incident to the generation of program income may be deducted from gross income to determine program income.

(d) Governmental revenues. Taxes, special assessments, levies, fines, and other such revenues raised by a grantee or subgrantee are not program income unless the revenues are specifically identified in the grant agreement or Federal agency regulations as program income.

(e) Royalties. Income from royalties and license fees for copyrighted material, patents, and inventions developed by a grantee or subgrantee is program income only if the revenues are specifically identified in the grant agreement.
§ 143.26 Non-Federal audit.
(a) Basic Rule. Grantees and subgrantees are responsible for obtaining audits in accordance with the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507) and revised OMB Circular A-133, “Audits of States, Local Governments, and Non-Profit Organizations.” The audit shall be made by an independent auditor in accordance with generally accepted government auditing standards covering financial audits.

(b) Subgrantees. State or local governments, as those terms are defined for purposes of the Single Audit Act Amendments of 1996, that provide Federal awards to a subgrantee, which expends $300,000 or more (or other amount as specified by OMB) in Federal awards in a fiscal year shall:

1. Determine whether State or local subgrantees have met the audit requirements of the Act and whether subgrantees covered by OMB Circular A-110, “Uniform Administrative Requirements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations,” have met the audit requirements of the Act. Commercial contractors (private for-profit and private and governmental organizations) providing goods and services to State and local governments are not required to have a single audit performed. State and local governments should use their own procedures to ensure that the contractors has complied with laws and regulations affecting the expenditure of Federal funds;

2. Determine whether the subgrantee spent Federal assistance funds provided in accordance with applicable laws and regulations. This may be accomplished by reviewing an audit of the subgrantee made in accordance with the Act, Circular A-110, or through other means (e.g., program reviews) if the subgrantee has not had such an audit;

3. Ensure that appropriate corrective action is taken within six months after receipt of the audit report in instance of noncompliance with Federal laws and regulations;

4. Consider whether subgrantee audits necessitate adjustment of the grantee’s own records; and
§ 143.30 Changes, Property, and Subawards

§ 143.30 Changes.

(a) General. Grantees and subgrantees are permitted to rebudget within the approved direct cost budget to meet unanticipated requirements and may make limited program changes to the approved project. However, unless waived by the awarding agency, certain types of post-award changes in budgets and projects shall require the prior written approval of the awarding agency.

(b) Relation to cost principles. The applicable cost principles (see §143.22) contain requirements for prior approval of certain types of costs. Except where waived, those requirements apply to all grants and subgrants even if paragraphs (c) through (f) of this section do not.

(c) Budget changes—(1) Nonconstruction projects. Except as stated in other regulations or an award document, grantees or subgrantees shall obtain the prior approval of the awarding agency whenever any of the following changes is anticipated under a nonconstruction award:

(i) Any revision which would result in the need for additional funding.

(ii) Unless waived by the awarding agency, cumulative transfers among direct cost categories, or, if applicable, among separately budgeted programs, projects, functions, or activities which exceed or are expected to exceed ten percent of the current total approved budget, whenever the awarding agency’s share exceeds $100,000.

(iii) Transfer of funds allotted for training allowances (i.e., from direct payments to trainees to other expense categories).

(2) Construction projects. Grantees and subgrantees shall obtain prior written approval for any budget revision which would result in the need for additional funds.

(3) Combined construction and nonconstruction projects. When a grant or subgrant provides funding for both construction and nonconstruction activities, the grantee or subgrantee must obtain prior written approval from the awarding agency before making any fund or budget transfer from nonconstruction to construction or vice versa.

(d) Programmatic changes. Grantees or subgrantees must obtain the prior approval of the awarding agency whenever any of the following actions is anticipated:

(1) Any revision of the scope or objectives of the project (regardless of whether there is an associated budget revision requiring prior approval).

(2) Need to extend the period of availability of funds.

(3) Changes in key persons in cases where specified in an application or a grant award. In research projects, a change in the project director or principal investigator shall always require approval unless waived by the awarding agency.

(4) Under nonconstruction projects, contracting out, subgranting (if authorized by law) or otherwise obtaining the services of a third party to perform activities which are central to the purposes of the award. This approval requirement is in addition to the approval requirements of §143.36 but does not apply to the procurement of equipment, supplies, and general support services.

(e) Additional prior approval requirements. The awarding agency may not require prior approval for any budget revision which is not described in paragraph (c) of this section.

(f) Requesting prior approval. (1) A request for prior approval of any budget revision will be in the same budget format the grantee used in its application and shall be accompanied by a narrative justification for the proposed revision.

(2) A request for a prior approval under the applicable Federal cost principles (see §143.22) may be made by letter.

(3) A request by a subgrantee for prior approval will be addressed in writing to the grantee. The grantee will promptly review such request and
shall approve or disapprove the request in writing. A grantee will not approve any budget or project revision which is inconsistent with the purpose or terms and conditions of the Federal grant to the grantee. If the revision, requested by the subgrantee would result in a change to the grantee’s approved project which requires Federal prior approval, the grantee will obtain the Federal agency’s approval before approving the subgrantee’s request.

§ 143.31 Real property.
(a) Title. Subject to the obligations and conditions set forth in this section, title to real property acquired under a grant or subgrant will vest upon acquisition in the grantee or subgrantee respectively.
(b) Use. Except as otherwise provided by Federal statutes, real property will be used for the originally authorized purposes as long as needed for that purposes, and the grantee or subgrantee shall not dispose of or encumber its title or other interests.
(c) Disposition. When real property is no longer needed for the originally authorized purpose, the grantee or subgrantee will request disposition instructions from the awarding agency. The instructions will provide for one of the following alternatives:
(1) Retention of title. Retain title after compensating the awarding agency. The amount paid to the awarding agency will be computed by applying the awarding agency’s percentage of participation in the cost of the original purchase to the fair market value of the property. However, in those situations where a grantee or subgrantee is disposing of real property acquired with grant funds and acquiring replacement real property under the same program, the net proceeds from the disposition may be used as an offset to the cost of the replacement property.
(2) Sale of property. Sell the property and compensate the awarding agency. The amount due to the awarding agency will be calculated by applying the awarding agency’s percentage of participation in the cost of the original purchase to the proceeds of the sale after deduction of any actual and reasonable selling and fixing-up expenses. If the grant is still active, the net proceeds from sale may be offset against the original cost of the property. When a grantee or subgrantee is directed to sell property, sales procedures shall be followed that provide for competition to the extent practicable and result in the highest possible return.
(3) Transfer of title. Transfer title to the awarding agency or to a third-party designated/approved by the awarding agency. The grantee or subgrantee shall be paid an amount calculated by applying the grantee or subgrantee’s percentage of participation in the purchase of the real property to the current fair market value of the property.

§ 143.32 Equipment.
(a) Title. Subject to the obligations and conditions set forth in this section, title to equipment acquired under a grant or subgrant will vest upon acquisition in the grantee or subgrantee respectively.
(b) Use. A State will use, manage, and dispose of equipment acquired under a grant by the State in accordance with State laws and procedures. Other grantees and subgrantees will follow paragraphs (c) through (e) of this section.
(c) Use. (1) Equipment shall be used by the grantee or subgrantee in the program or project for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds. When no longer needed for the original program or project, the equipment may be used in other activities currently or previously supported by a Federal agency.
(2) The grantee or subgrantee shall also make equipment available for use on other projects or programs currently or previously supported by the Federal Government, providing such use will not interfere with the work on the projects or program for which it was originally acquired. First preference for other use shall be given to other programs or projects supported by the awarding agency. User fees should be considered if appropriate.
(3) Notwithstanding the encouragement in §143.25(a) to earn program income, the grantee or subgrantee must not use equipment acquired with grant
§ 143.33 Supplies.

(a) Title. Title to supplies acquired under a grant or subgrant will vest,
upon acquisition, in the grantees or subgrantee respectively.

(b) Disposition. If there is a residual inventory of unused supplies exceeding $5,000 in totalaggregate fair market value upon termination or completion of the award, and if the supplies are not needed for any other federally sponsored programs or projects, the grantee or subgrantee shall compensate the awarding agency for its share.

§ 143.34 Copyrights.
The Federal awarding agency reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for Federal Government purposes:

(a) The copyright in any work developed under a grant, subgrant, or contract under a grant or subgrant; and

(b) Any rights of copyright to which a grantee, subgrantee or a contractor purchases ownership with grant support.

§ 143.35 Subawards to debarred and suspended parties.
Grantees and subgrantees must not make any award or permit any award (subgrant or contract) at any tier to any party which is debarred or suspended or is otherwise excluded from or ineligible for participation in Federal assistance programs under Executive Order 12549, “Debarment and Suspension.”

§ 143.36 Procurement.
(a) States. When procuring property and services under a grant, a State will follow the same policies and procedures it uses for procurements from its non-Federal funds. The State will ensure that every purchase order or other contract includes any clauses required by Federal statutes and executive orders and their implementing regulations. Other grantees and subgrantees will follow paragraphs (b) through (i) in this section.

(b) Procurement standards. (1) Grantees and subgrantees will use their own procurement procedures which reflect applicable State and local laws and regulations, provided that the procurements conform to applicable Federal law and the standards identified in this section.

(2) Grantees and subgrantees will maintain a contract administration system which ensures that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders.

(3) Grantees and subgrantees will maintain a written code of standards of conduct governing the performance of their employees engaged in the award and administration of contracts. No employee, officer or agent of the grantee or subgrantee shall participate in selection, or in the award or administration of a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when:

(i) The employee, officer or agent,

(ii) Any member of his immediate family,

(iii) His or her partner, or

(iv) An organization which employs, or is about to employ, any of the above, has a financial or other interest in the firm selected for award. The grantee’s or subgrantee’s officers, employees or agents will neither solicit nor accept gratuities, favors or anything of monetary value from contractors, potential contractors, or parties to subagreements. Grantee and subgrantees may set minimum rules where the financial interest is not substantial or the gift is an unsolicited item of nominal intrinsic value. To the extent permitted by State or local law or regulations, such standards or conduct will provide for penalties, sanctions, or other disciplinary actions for violations of such standards by the grantee’s and subgrantee’s officers, employees, or agents, or by contractors or their agents. The awarding agency may in regulation provide additional prohibitions relative to real, apparent, or potential conflicts of interest.

(4) Grantee and subgrantee procedures will provide for a review of proposed procurements to avoid purchase of unnecessary or duplicative items. Consideration should be given to consolidating or breaking out procurements to obtain a more economical
purchase. Where appropriate, an analysis will be made of lease versus purchase alternatives, and any other appropriate analysis to determine the most economical approach.

(5) To foster greater economy and efficiency, grantees and subgrantees are encouraged to enter into State and local intergovernmental agreements for procurement or use of common goods and services.

(6) Grantees and subgrantees are encouraged to use Federal excess and surplus property in lieu of purchasing new equipment and property whenever such use is feasible and reduces project costs.

(7) Grantees and subgrantees are encouraged to use value engineering clauses in contracts for construction projects of sufficient size to offer reasonable opportunities for cost reductions. Value engineering is a systematic and creative analysis of each contract item or task to ensure that its essential function is provided at the overall lower cost.

(8) Grantees and subgrantees will make awards only to responsible contractors possessing the ability to perform successfully under the terms and conditions of a proposed procurement. Consideration will be given to such matters as contractor integrity, compliance with public policy, record of past performance, and financial and technical resources.

(9) Grantees and subgrantees will maintain records sufficient to detail the significant history of a procurement. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price.

(10) Grantees and subgrantees will use time and material type contracts only—

(i) After a determination that no other contract is suitable, and

(ii) If the contract includes a ceiling price that the contractor exceeds at its own risk.

(11) Grantees and subgrantees alone will be responsible, in accordance with good administrative practice and sound business judgment, for the settlement of all contractual and administrative issues arising out of procurements. These issues include, but are not limited to source evaluation, protests, disputes, and claims. These standards do not relieve the grantee or subgrantee of any contractual responsibilities under its contracts. Federal agencies will not substitute their judgment for that of the grantee or subgrantee unless the matter is primarily a Federal concern. Violations of law will be referred to the local, State, or Federal authority having proper jurisdiction.

(12) Grantees and subgrantees will have protest procedures to handle and resolve disputes relating to their procurements and shall in all instances disclose information regarding the protest to the awarding agency. A protestor must exhaust all administrative remedies with the grantee and subgrantee before pursuing a protest with the Federal agency. Reviews of protests by the Federal agency will be limited to:

(i) Violations of Federal law or regulations and the standards of this section (violations of State or local law will be under the jurisdiction of State or local authorities) and

(ii) Violations of the grantee's or subgrantee's protest procedures for failure to review a complaint or protest. Protests received by the Federal agency other than those specified above will be referred to the grantee or subgrantee.

(c) Competition. (1) All procurement transactions will be conducted in a manner providing full and open competition consistent with the standards of §143.36. Some of the situations considered to be restrictive of competition include but are not limited to:

(i) Placing unreasonable requirements on firms in order for them to qualify to do business,

(ii) Requiring unnecessary experience and excessive bonding,

(iii) Noncompetitive pricing practices between firms or between affiliated companies,

(iv) Noncompetitive awards to consultants that are on retainer contracts,

(v) Organizational conflicts of interest,

(vi) Specifying only a brand name product instead of allowing an equal product to be offered and describing
Small Business Administration § 143.36

the performance of other relevant requirements of the procurement, and
(vii) Any arbitrary action in the procurement process.

(2) Grantees and subgrantees will conduct procurements in a manner that prohibits the use of statutorily or administratively imposed in-State or local geographical preferences in the evaluation of bids or proposals, except in those cases where applicable Federal statutes expressly mandate or encourage geographic preference. Nothing in this section preempts State licensing laws. When contracting for architectural and engineering (A/E) services, geographic location may be a selection criteria provided its application leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.

(3) Grantees will have written selection procedures for procurement transactions. These procedures will ensure that all solicitations:
(i) Incorporate a clear and accurate description of the technical requirements for the material, product, or service to be procured. Such description shall not, in competitive procurements, contain features which unduly restrict competition. The description may include a statement of the qualitative nature of the material, product or service to be procured, and when necessary, shall set forth those minimum essential characteristics and standards to which it must conform if it is to satisfy its intended use. Detailed product specifications should be avoided if at all possible. When it is impractical or uneconomical to make a clear and accurate description of the technical requirements, a brand name or equal description may be used as a means to define the performance or other salient requirements of a procurement. The specific features of the named brand which must be met by offerors shall be clearly stated; and
(ii) Identify all requirements which the offerors must fulfill and all other factors to be used in evaluating bids or proposals.

(4) Grantees and subgrantees will ensure that all prequalified lists of persons, firms, or products which are used in acquiring goods and services are current and include enough qualified sources to ensure maximum open and free competition. Also, grantees and subgrantees will not preclude potential bidders from qualifying during the solicitation period.

(d) Methods of procurement to be followed. (1) Procurement by small purchase procedures. Small purchase procedures are those relatively simple and informal procurement methods for securing services, supplies, or other property that do not cost more than the simplified acquisition threshold fixed at 41 U.S.C. 403(11) (currently set at $100,000). If small purchase procedures are used, price or rate quotations shall be obtained from an adequate number of qualified sources.

(2) Procurement by sealed bids (formal advertising). Bids are publicly solicited and a firm-fixed-price contract (lump sum or unit price) is awarded to the responsible bidder whose bid, conforming with all the material terms and conditions of the invitation for bids, is the lowest in price. The sealed bid method is the preferred method for procuring construction, if the conditions in § 143.36(d)(2) apply.

(i) In order for sealed bidding to be feasible, the following conditions should be present:
(A) A complete, adequate, and realistic specification or purchase description is available;
(B) Two or more responsible bidders are willing and able to compete effectively and for the business; and
(C) The procurement lends itself to a firm fixed price contract and the selection of the successful bidder can be made principally on the basis of price.

(ii) If sealed bids are used, the following requirements apply:
(A) The invitation for bids will be publicly advertised and bids shall be solicited from an adequate number of known suppliers, providing them sufficient time prior to the date set for opening the bids;
(B) The invitation for bids, which will include any specifications and pertinent attachments, shall define the items or services in order for the bidder to properly respond;
(C) All bids will be publicly opened at the time and place prescribed in the invitation for bids;
§ 143.36

(D) A firm fixed-price contract award will be made in writing to the lowest responsive and responsible bidder. Where specified in bidding documents, factors such as discounts, transportation cost, and life cycle costs shall be considered in determining which bid is lowest. Payment discounts will only be used to determine the low bid when prior experience indicates that such discounts are usually taken advantage of; and

(E) Any or all bids may be rejected if there is a sound documented reason.

(3) Procurement by competitive proposals. The technique of competitive proposals is normally conducted with more than one source submitting an offer, and either a fixed-price or cost-reimbursement type contract is awarded. It is generally used when conditions are not appropriate for the use of sealed bids. If this method is used, the following requirements apply:

(i) Requests for proposals will be publicized and identify all evaluation factors and their relative importance. Any response to publicized requests for proposals shall be honored to the maximum extent practical;

(ii) Proposals will be solicited from an adequate number of qualified sources;

(iii) Grantees and subgrantees will have a method for conducting technical evaluations of the proposals received and for selecting awardees;

(iv) Awards will be made to the responsible firm whose proposal is most advantageous to the program, with price and other factors considered; and

(v) Grantees and subgrantees may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby competitors' qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. The method, where price is not used as a selection factor, can only be used in procurement of A/E professional services. It cannot be used to purchase other types of services though A/E firms are a potential source to perform the proposed effort.

(4) Procurement by noncompetitive proposals is procurement through solicitation of a proposal from only one source, or after solicitation of a number of sources, competition is determined inadequate.

(i) Procurement by noncompetitive proposals may be used only when the award of a contract is infeasible under small purchase procedures, sealed bids or competitive proposals and one of the following circumstances applies:

(A) The item is available only from a single source;

(B) The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation;

(C) The awarding agency authorizes noncompetitive proposals; or

(D) After solicitation of a number of sources, competition is determined inadequate.

(ii) Cost analysis, i.e., verifying the proposed cost data, the projections of the data, and the evaluation of the specific elements of costs and profits, is required.

(iii) Grantees and subgrantees may be required to submit the proposed procurement to the awarding agency for pre-award review in accordance with paragraph (g) of this section.

(e) Contracting with small and minority firms, women's business enterprises and labor surplus area firms.

(1) The grantee and subgrantee will take all necessary affirmative steps to assure that minority firms, women's business enterprises, and labor surplus area firms are used when possible.

(ii) Affirmative steps shall include:

(i) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

(ii) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

(iii) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women's business enterprises;

(iv) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority business, and women's business enterprises;
(v) Using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce; and

(vi) Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (e)(2)(i) through (v) of this section.

(f) Contract cost and price. (1) Grantees and subgrantees must perform a cost or price analysis in connection with every procurement action including contract modifications. The method and degree of analysis is dependent on the facts surrounding the particular procurement situation, but as a starting point, grantees must make independent estimates before receiving bids or proposals. A cost analysis must be performed when the offeror is required to submit the elements of his estimated cost, e.g., under professional, consulting, and architectural engineering services contracts. A cost analysis will be necessary when adequate price competition is lacking, and for sole source procurements, including contract modifications or change orders, unless price reasonableness can be established on the basis of a catalog or market price of a commercial product sold in substantial quantities to the general public or based on prices set by law or regulation. A price analysis will be used in all other instances to determine the reasonableness of the proposed contract price.

(2) Grantees and subgrantees will negotiate profit as a separate element of the price for each contract in which there is no price competition and in all cases where cost analysis is performed. To establish a fair and reasonable profit, consideration will be given to the complexity of the work to be performed, the risk borne by the contractor, the contractor’s investment, the amount of subcontracting, the quality of its record of past performance, and industry profit rates in the surrounding geographical area for similar work.

(3) Costs or prices based on estimated costs for contracts under grants will be allowable only to the extent that costs incurred or cost estimates included in negotiated prices are consistent with Federal cost principles (see §143.22). Grantees may reference their own cost principles that comply with the applicable Federal cost principles.

(4) The cost plus a percentage of cost and percentage of construction cost methods of contracting shall not be used.

(g) Awarding agency review. (1) Grantees and subgrantees must make available, upon request of the awarding agency, technical specifications on proposed procurements where the awarding agency believes such review is needed to ensure that the item and/or service specified is the one being proposed for purchase. This review generally will take place prior to the time the specification is incorporated into a solicitation document. However, if the grantees or subgrantee desires to have the review accomplished after a solicitation has been developed, the awarding agency may still review the specifications, with such review usually limited to the technical aspects of the proposed purchase.

(2) Grantees and subgrantees must on request make available for awarding agency pre-award review procurement documents, such as requests for proposals or invitations for bids, independent cost estimates, etc. when:

(i) A grantee’s or subgrantee’s procurement procedures or operation fails to comply with the procurement standards in this section;

(ii) The procurement is expected to exceed the simplified acquisition threshold and is to be awarded without competition or only one bid or offer is received in response to a solicitation;

(iii) The procurement, which is expected to exceed the simplified acquisition threshold, specifies a “brand name” product;

(iv) The proposed award is more than the simplified acquisition threshold and is to be awarded to other than the apparent low bidder under a sealed bid procurement;

(v) A proposed contract modification changes the scope of a contract or increases the contract amount by more than the simplified acquisition threshold.

(3) A grantee or subgrantee will be exempt from the pre-award review in paragraph (g)(2) of this section if the
§ 143.36

13 CFR Ch. I (1-1-98 Edition)

awarding agency determines that its procurement systems comply with the standards of this section.

(i) A grantee or subgrantee may request that its procurement system be reviewed by the awarding agency to determine whether its system meets these standards in order for its system to be certified. Generally, these reviews shall occur where there is a continuous high-dollar funding, and third-party contracts are awarded on a regular basis.

(ii) A grantee or subgrantee may self-certify its procurement system. Such self-certification shall not limit the awarding agency’s right to survey the system. Under a self-certification procedure, awarding agencies may wish to rely on written assurances from the grantee or subgrantee that it is complying with these standards. A grantee or subgrantee will cite specific procedures, regulations, standards, etc., as being in compliance with these requirements and have its system available for review.

(h) Bonding requirements. For construction or facility improvement contracts or subcontracts exceeding the simplified acquisition threshold, the awarding agency may accept the bonding policy and requirements of the grantee or subgrantee provided the awarding agency has made a determination that the awarding agency’s interest is adequately protected. If such a determination has not been made, the minimum requirements shall be as follows:

(1) A bid guarantee from each bidder equivalent to five percent of the bid price. The “bid guarantee” shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.

(2) A performance bond on the part of the contractor for 100 percent of the contract price. A “performance bond” is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided for in the contract.

(3) Contract provisions. A grantee’s and subgrantee’s contracts must contain provisions in paragraph (i) of this section. Federal agencies are permitted to require changes, remedies, changed conditions, access and records retention, suspension of work, and other clauses approved by the Office of Federal Procurement Policy.

(1) Administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as may be appropriate. (Contracts more than the simplified acquisition threshold)

(2) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of $10,000)

(3) Compliance with Executive Order 11246 of September 24, 1965, entitled “Equal Employment Opportunity,” as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor regulations (41 CFR chapter 60). (All construction contracts awarded in excess of $10,000 by grantees and their contractors or subgrantees)

(4) Compliance with the Copeland “Anti-Kickback” Act (18 U.S.C. 874) as supplemented in Department of Labor regulations (29 CFR part 3). (All contracts and subgrants for construction or repair)

(5) Compliance with the Davis-Bacon Act (40 U.S.C. 276a to 276a-7) as supplemented by Department of Labor regulations (29 CFR part 5). (Construction contracts awarded by grantees and subgrantees when required by Federal grant program legislation)

(6) Compliance with Sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-330) as supplemented by Department of Labor regulations (29 CFR part 5). (Construction contracts awarded by grantees and subgrantees in excess of
§ 143.40  Monitoring and reporting program performance.

(a) Monitoring by grantees. Grantees are responsible for managing the day-to-day operations of grant and subgrant supported activities. Grantees must monitor grant and subgrant supported activities to assure compliance with applicable Federal requirements and that performance goals are being achieved. Grantee monitoring must

§ 143.40  Monitoring and reporting program performance.

(a) Monitoring by grantees. Grantees are responsible for managing the day-to-day operations of grant and subgrant supported activities. Grantees must monitor grant and subgrant supported activities to assure compliance with applicable Federal requirements and that performance goals are being achieved. Grantee monitoring must
cover each program, function or activity.

(b) Nonconstruction performance reports. The Federal agency may, if it decides that performance information available from subsequent applications contains sufficient information to meet its programmatic needs, require the grantee to submit a performance report only upon expiration or termination of grant support. Unless waived by the Federal agency, this report will be due on the same date as the final Financial Status Report.

(1) Grantees shall submit annual performance reports unless the awarding agency requires quarterly or semi-annual reports. However, performance reports will not be required more frequently than quarterly. Annual reports shall be due 90 days after the grant year, quarterly or semi-annual reports shall be due 30 days after the reporting period. The final performance report will be due 90 days after the expiration or termination of grant support. If a justified request is submitted by a grantee, the Federal agency may extend the due date for any performance report. Additionally, requirements for unnecessary performance reports may be waived by the Federal agency.

(2) Performance reports will contain, for each grant, brief information on the following:
   (i) A comparison of actual accomplishments to the objectives established for the period. Where the output of the project can be quantified, a computation of the cost per unit of output may be required if that information will be useful.
   (ii) The reasons for slippage if established objectives were not met.
   (iii) Additional pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.
   (iv) Grantees will not be required to submit more than the original and two copies of performance reports.
   (v) Grantees will adhere to the standards in this section in prescribing performance reporting requirements for subgrantees.
   (c) Construction performance reports. For the most part, on-site technical inspections and certified percentage-of-completion data are relied on heavily by Federal agencies to monitor progress under construction grants and subgrants. The Federal agency will require additional formal performance reports only when considered necessary, and never more frequently than quarterly.

(d) Significant developments. Events may occur between the scheduled performance reporting dates which have significant impact upon the grant or subgrant supported activity. In such cases, the grantee must inform the Federal agency as soon as the following types of conditions become known:
   (i) Problems, delays, or adverse conditions which will materially impair the ability to meet the objective of the award. This disclosure must include a statement of the action taken, or contemplated, and any assistance needed to resolve the situation.
   (ii) Favorable developments which enable meeting time schedules and objectives sooner or at less cost than anticipated or producing more beneficial results than originally planned.

(e) Federal agencies may make site visits as warranted by program needs.

(f) Waivers, extensions.
   (1) Federal agencies may waive any performance report required by this part if not needed.
   (2) The grantee may waive any performance report from a subgrantee when not needed. The grantee may extend the due date for any performance report from a subgrantee if the grantee will still be able to meet its performance reporting obligations to the Federal agency.

§ 143.41 Financial reporting.

(a) General. (1) Except as provided in paragraphs (a) (2) and (5) of this section, grantees will use only the forms specified in paragraphs (a) through (e) of this section, and such supplementary or other forms as may from time to time be authorized by OMB, for:
   (i) Submitting financial reports to Federal agencies, or
   (ii) Requesting advances or reimbursements when letters of credit are not used.

(2) Grantees need not apply the forms prescribed in this section in dealing with their subgrantees. However,
Small Business Administration § 143.41

grantees shall not impose more burdensome requirements on subgrantees.

(3) Grantees shall follow all applicable standard and supplemental Federal agency instructions approved by OMB to the extent required under the Paperwork Reduction Act of 1980 for use in connection with forms specified in paragraphs (b) through (e) of this section. Federal agencies may issue substantive supplementary instructions only with the approval of OMB. Federal agencies may shade out or instruct the grantee to disregard any line item that the Federal agency finds unnecessary for its decisionmaking purposes.

(4) Grantees will not be required to submit more than the original and two copies of forms required under this part.

(5) Federal agencies may provide computer outputs to grantees to expedite or contribute to the accuracy of reporting. Federal agencies may accept the required information from grantees in machine usable format or computer printouts instead of prescribed forms.

(6) Federal agencies may waive any report required by this section if not needed.

(7) Federal agencies may extend the due date of any financial report upon receiving a justified request from a grantee.

(b) Financial Status Report—(1) Form.

Grantees will use Standard Form 269 or 269A, Financial Status Report, to report the status of funds for all non-construction grants and for construction grants when required in accordance with §143.41(e)(2)(iii) of this section.

(2) Accounting basis. Each grantee will report program outlays and program income on a cash or accrual basis as prescribed by the awarding agency. If the Federal agency requires accrual information and the grantee's accounting records are not normally kept on the accrual basis, the grantee shall not be required to convert its accounting system but shall develop such accrual information through and analysis of the documentation on hand.

(3) Frequency. The Federal agency may prescribe the frequency of the report for each project or program. However, the report will not be required more frequently than quarterly. If the Federal agency does not specify the frequency of the report, it will be submitted annually. A final report will be required upon expiration or termination of grant support.

(4) Due date. When reports are required on a quarterly or semiannual basis, they will be due 30 days after the reporting period. When required on an annual basis, they will be due 90 days after the grant year. Final reports will be due 90 days after the expiration or termination of grant support.

(c) Federal Cash Transactions Report—

(1) Form. (i) For grants paid by letter or credit, Treasury check advances or electronic transfer of funds, the grantee will submit the Standard Form 272, Federal Cash Transactions Report, and when necessary, its continuation sheet, Standard Form 272a, unless the terms of the award exempt the grantee from this requirement.

(ii) These reports will be used by the Federal agency to monitor cash advanced to grantees and to obtain disbursement or outlay information for each grant from grantees. The format of the report may be adapted as appropriate when reporting is to be accomplished with the assistance of automatic data processing equipment provided that the information to be submitted is not changed in substance.

(2) Forecasts of Federal cash requirements. Forecasts of Federal cash requirements may be required in the Remarks section of the report.

(3) Cash in hands of subgrantees. When considered necessary and feasible by the Federal agency, grantees may be required to report the amount of cash advances in excess of three days' needs in the hands of their subgrantees and contractors and to provide short narrative explanations of actions taken by the grantee to reduce the excess balances.

(4) Frequency and due date. Grantees must submit the report no later than 15 working days following the end of each quarter. However, where an advance either by letter of credit or electronic transfer of funds is authorized at an annualized rate of one million dollars or more, the Federal agency may require the report to be submitted within 15 working days following the end of each month.
§ 143.42 Request for advance or reimbursement—

(d) Request for advance or reimbursement—

(1) Advance payments. Requests for Treasury check advance payments will be submitted on Standard Form 270, Request for Advance or Reimbursement. (This form will not be used for drawdowns under a letter of credit, electronic funds transfer or when Treasury check advance payments are made to the grantee automatically on a predetermined basis.)

(2) Reimbursements. Requests for reimbursement under nonconstruction grants will also be submitted on Standard Form 270. (For reimbursement requests under construction grants, see paragraph (e)(1) of this section.)

(3) The frequency for submitting payment requests is treated in § 143.41(b)(3).

(e) Outlay report and request for reimbursement for construction programs. (1) Grants that support construction activities paid by reimbursement method.

(i) Requests for reimbursement under construction grants will be submitted on Standard Form 271, Outlay Report and Request for Reimbursement for Construction Programs. Federal agencies may, however, prescribe the Request for Advance or Reimbursement form, specified in § 143.41(d), instead of this form.

(ii) The frequency for submitting reimbursement requests is treated in § 143.41(b)(3).

(2) Grants that support construction activities paid by letter of credit, electronic funds transfer or Treasury check advance.

(i) When a construction grant is paid by letter of credit, electronic funds transfer or Treasury check advance, the grantee will report its outlays to the Federal agency using Standard Form 271, Outlay Report and Request for Reimbursement for Construction Programs. The Federal agency will provide any necessary special instruction. However, frequency and due date shall be governed by § 143.41(b)(3) and (4).

(ii) When a construction grant is paid by Treasury check advances based on periodic requests from the grantee, the advances will be requested on the form specified in § 143.41(d).

(iii) The Federal agency may substitute the Financial Status Report specified in § 143.41(b) for the Outlay Report and Request for Reimbursement for Construction Programs.

(3) Accounting basis. The accounting basis for the Outlay Report and Request for Reimbursement for Construction Programs shall be governed by § 143.41(b)(2).

§ 143.42 Retention and access requirements for records.

(a) Applicability. (1) This section applies to all financial and programmatic records, supporting documents, statistical records, and other records of grantees or subgrantees which are:

(i) Required to be maintained by the terms of this part, program regulations or the grant agreement; or

(ii) Otherwise reasonably considered as pertinent to program regulations or the grant agreement.

(2) This section does not apply to records maintained by contractors or subcontractors. For a requirement to place a provision concerning records in certain kinds of contracts, see § 143.36(i)(10).

(b) Length of retention period. (1) Except as otherwise provided, records must be retained for three years from the starting date specified in paragraph (c) of this section.

(2) If any litigation, claim, negotiation, audit or other action involving the records has been started before the expiration of the 3-year period, the records must be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular 3-year period, whichever is later.

(3) To avoid duplicate recordkeeping, awarding agencies may make special arrangements with grantees and subgrantees to retain any records which are continuously needed for joint use. The awarding agency will request transfer of records to its custody when it determines that the records possess long-term retention value. When the records are transferred to or maintained by the Federal agency, the 3-year retention requirement is not applicable to the grantee or subgrantee.

(c) Starting date of retention period—

General. When grant support is continued or renewed at annual or other intervals, the retention period for the
§ 143.43

records of each funding period starts on the day the grantee or subgrantee submits to the awarding agency its single or last expenditure report for that period. However, if grant support is continued or renewed quarterly, the retention period for each year's records starts on the day the grantee submits its expenditure report for the last quarter of the Federal fiscal year. In all other cases, the retention period starts on the day the grantee submits its final expenditure report. If an expenditure report has been waived, the retention period starts on the day the report would have been due.

(2) Real property and equipment records. The retention period for real property and equipment records starts from the date of the disposition or replacement or transfer at the direction of the awarding agency.

(3) Records for income transactions after grant or subgrant support. In some cases grantees must report income after the period of grant support. Where there is such a requirement, the retention period for the records pertaining to the earning of the income starts from the end of the grantee's fiscal year in which the income is earned.

(4) Indirect cost rate proposals, cost allocations plans, etc. This paragraph applies to the following types of documents, and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

(i) If submitted for negotiation. If the proposal, plan, or other computation is required to be submitted to the Federal Government (or to the grantee) to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts from the date of such submission.

(ii) If not submitted for negotiation. If the proposal, plan, or other computation is not required to be submitted to the Federal Government (or to the grantee) for negotiation purposes, then the 3-year retention period for the proposal plan, or computation and its supporting records starts from end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

(d) Substitution of microfilm. Copies made by microfilming, photcopying, or similar methods may be substituted for the original records.

(e) Access to records—(1) Records of grantees and subgrantees. The awarding agency and the Comptroller General of the United States, or any of their authorized representatives, shall have the right of access to any pertinent books, documents, papers, or other records of grantees and subgrantees which are pertinent to the grant, in order to make audits, examinations, excerpts, and transcripts.

(2) Expiration of right of access. The rights of access in this section must not be limited to the required retention period but shall last as long as the records are retained.

(f) Restrictions on public access. The Federal Freedom of Information Act (5 U.S.C. 552) does not apply to records. Unless required by Federal, State, or local law, grantees and subgrantees are not required to permit public access to their records.

§ 143.43 Enforcement.

(a) Remedies for noncompliance. If a grantee or subgrantee materially fails to comply with any term of an award, whether stated in a Federal statute or regulation, an assurance, in a State plan or application, a notice of award, or elsewhere, the awarding agency may take one or more of the following actions, as appropriate in the circumstances:

(1) Temporarily withhold cash payments pending correction of the deficiency by the grantee or subgrantee or more severe enforcement action by the awarding agency.

(2) Disallow (that is, deny both use of funds and matching credit for) all or part of the cost of the activity or action not in compliance.

(3) Wholly or partly suspend or terminate the current award for the grantee's or subgrantee's program.

§ 143.44 Termination for convenience.

Except as provided in §143.43 awards may be terminated in whole or in part only as follows:

(a) By the awarding agency with the consent of the grantee or subgrantee in which case the two parties shall agree upon the termination conditions, including the effective date and in the case of partial termination, the portion to be terminated, or

(b) By the grantee or subgrantee upon written notification to the awarding agency, setting forth the reasons for such termination, the effective date, and in the case of partial termination, the portion to be terminated. However, if, in the case of a partial termination, the awarding agency determines that the remaining portion of the award will not accomplish the purposes for which the award was made, the awarding agency may terminate the award in its entirety under either §143.43 or paragraph (a) of this section.

§ 143.45 Effect of suspension and termination.

Costs of grantee or subgrantee resulting from obligations incurred by the grantee or subgrantee during a suspension or after termination of an award are not allowable unless the awarding agency expressly authorizes them in the notice of suspension or termination or subsequently. Other grantee or subgrantee costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:

(1) The costs result from obligations which were properly incurred by the grantee or subgrantee before the effective date of suspension or termination, are not in anticipation of it, and, in the case of a termination, are noncancellable, and,

(2) The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

(d) Relationship to debarment and suspension. The enforcement remedies identified in this section, including suspension and termination, do not preclude grantee or subgrantee from being subject to “Debarment and Suspension” under E.O. 12549 (see §143.35).

§ 143.44 Termination for convenience.

Subpart D—After-The-Grant Requirements

§ 143.50 Closeout.

(a) General. The Federal agency will close out the award when it determines that all applicable administrative actions and all required work of the grant has been completed.

(b) Reports. Within 90 days after the expiration or termination of the grant, the grantee must submit all financial, performance, and other reports required as a condition of the grant. Upon request by the grantee, Federal agencies may extend this timeframe. These may include but are not limited to:

(1) Final performance or progress report.

(2) Financial Status Report (SF 269) or Outlay Report and Request for Reimbursement for Construction Programs (SF-271) (as applicable).

(3) Final request for payment (SF-270) (if applicable).

(4) Invention disclosure (if applicable).

(5) Federally-owned property report:

In accordance with §143.32(f), a grantee must submit an inventory of all federally owned property (as distinct from property acquired with grant funds) for which it is accountable and request disposition instructions from the Federal agency of property no longer needed.

(c) Cost adjustment. The Federal agency will, within 90 days after receipt of reports in paragraph (b) of this section, make upward or downward adjustments to the allowable costs.

(d) Cash adjustments. (1) The Federal agency will make prompt payment to the grantee for allowable reimbursable costs.

(2) The grantee must immediately refund to the Federal agency any balance of unobligated (unencumbered) cash advanced that is not authorized to be retained for use on other grants.
§ 143.51 Later disallowances and adjustments.

The closeout of a grant does not affect:
(a) The Federal agency’s right to disallow costs and recover funds on the basis of a later audit or other review;
(b) The grantee’s obligation to return any funds due as a result of later refunds, corrections, or other transactions;
(c) Records retention as required in §143.42;
(d) Property management requirements in §§143.31 and 143.32; and
(e) Audit requirements in §143.26.

§ 143.52 Collection of amounts due.

(a) Any funds paid to a grantee in excess of the amount to which the grantee is finally determined to be entitled under the terms of the award constitute a debt to the Federal Government. If not paid within a reasonable period after demand, the Federal agency may reduce the debt by:
(1) Making an administrative offset against other requests for reimbursements,
(2) Withholding advance payments otherwise due to the grantee, or
(3) Other action permitted by law.
(b) Except where otherwise provided by statutes or regulations, the Federal agency will charge interest on an overdue debt in accordance with the Federal Claims Collection Standards (4 CFR Ch. II). The date from which interest is computed is not extended by litigation or the filing of any form of appeal.

(4) Setting forth the consequences of a debarment, suspension, determination of ineligibility, or voluntary exclusion; and

(5) Offering such other guidance as necessary for the effective implementation and administration of the governmentwide system.

(c) These regulations also implement Executive Order 12689 (3 CFR, 1989 Comp., p. 235) and 31 U.S.C. 6101 note (Public Law 103-355, sec. 2455, 108 Stat. 3327) by—

(1) Providing for the inclusion in the List of Parties Excluded from Federal Procurement and Nonprocurement Programs all persons proposed for debarment, debarred or suspended under the Federal Acquisition Regulation, 48 CFR part 9, subpart 9.4; persons against which governmentwide exclusions have been entered under this part; and persons determined to be ineligible; and

(2) Setting forth the consequences of a debarment, suspension, determination of ineligibility, or voluntary exclusion.

(d) Although these regulations cover the listing of ineligible participants and the effect of such listing, they do not prescribe policies and procedures governing declarations of ineligibility.

Agencies may impose debarment or suspension for the causes and in accordance with the procedures set forth in these regulations.

(c) When more than one agency has an interest in the proposed debarment or suspension of a person, consideration shall be given to designating one agency as the lead agency for making the decision. Agencies are encouraged to establish methods and procedures for coordinating their debarment or suspension actions.
§ 145.200 Debarment or suspension.

(a) Primary covered transactions. Except to the extent prohibited by law, persons who are debarred or suspended shall be excluded from primary covered transactions as either participants or principals throughout the Executive Branch of the Federal Government for the period of their debarment, suspension, or the period they are proposed for debarment under 48 CFR part 9, subpart 9.4. Subpart C—Debarment

§ 145.300 General.

The debarring official may debar a person for any of the causes in § 145.305, using procedures established in §§ 145.310 through 145.314. The existence of a cause for debarment, however, does not necessarily require that the person be debarred; the seriousness of the person’s acts or omissions and any mitigating factors shall be considered in making any debarment decision.
¶ 145.310 Procedures.
SBA shall process debarment actions as informally as practicable, consistent with the principles of fundamental fairness, using the procedures in §§ 145.311 through 145.314.

¶ 145.311 Investigation and referral.
Information concerning the existence of a cause for debarment from any source shall be promptly reported, investigated, and referred, when appropriate, to the debarring official for consideration. After consideration, the debarring official may issue a notice of proposed debarment.

¶ 145.312 Notice of proposed debarment.
A debarment proceeding shall be initiated by notice to the respondent advising:
(a) That debarment is being considered;
(b) Of the reasons for the proposed debarment in terms sufficient to put the respondent on notice of the conduct or transaction(s) upon which it is based;
(c) Of the cause(s) relied upon under § 145.305 for proposing debarment;
(d) Of the provisions of §§ 145.311 through 145.314, and any other SBA procedures, if applicable, governing debarment decisionmaking; and
(e) Of the potential effect of a debarment.

¶ 145.313 Opportunity to contest proposed debarment.
(a) Submission in opposition. Within 30 days after receipt of the notice of proposed debarment, the respondent may submit, in person, in writing, or through a representative, information and argument in opposition to the proposed debarment.
(b) Additional proceedings as to disputed material facts. (1) In actions not based upon a conviction or civil judgment, if the debarring official finds that the respondent’s submission in opposition raises a genuine dispute over facts material to the proposed debarment, respondent(s) shall be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witness the agency presents.
(2) A transcribed record of any additional proceedings shall be made available at cost to the respondent, upon request, unless the respondent and the agency, by mutual agreement, waive the requirement for a transcript.
(3) In accordance with § 145.314(b)(2), the debarring official may refer cases involving disputed material facts to the Office of Hearings and Appeals, which shall conduct any additional proceedings necessary in accordance with the procedures contained in part 134 of this title. Upon conclusion of such proceedings, the Office of Hearings and Appeals shall issue a recommended decision to the debarring official including proposed findings of facts and conclusions of law.

¶ 145.314 Debarring official’s decision.
(a) No additional proceedings necessary. In actions based upon a conviction or civil judgment, or in which there is no genuine dispute over material facts, the debarring official shall make a decision on the basis of all the information in the administrative record, including any submission made by the respondent. The decision shall be made within 45 days after receipt of any information and argument submitted by the respondent, unless the debarring official extends this period for good cause.
Small Business Administration

§ 145.320

(b) Additional proceedings necessary. (1) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The debarring official shall base the decision on the facts as found, together with any information and argument submitted by the respondent and any other information in the administrative record.

(2) The debarring official may refer disputed material facts to another official for findings of fact. The debarring official may reject any such findings, in whole or in part, only after specifically determining them to be arbitrary and capricious or clearly erroneous.

(i) The Office of Hearings and Appeals shall conduct any proceedings regarding disputed material facts necessary under this section.

(ii) Any party to the debarment proceeding may file exceptions to the recommended decision with the debarring official in accordance with 13 CFR 134.35.

(3) The debarring official’s decision shall be made after the conclusion of the proceedings with respect to disputed facts.

(c)(1) Standard of proof. In any debarment action, the cause for debarment must be established by a preponderance of the evidence. Where the proposed debarment is based upon a conviction or civil judgment, the standard shall be deemed to have been met.

(2) Burden of proof. The burden of proof is on the agency proposing debarment.

(d) Notice of debarring official’s decision. (1) If the debarring official decides to impose debarment, the respondent shall be given prompt notice:

(i) Referring to the notice of proposed debarment;

(ii) Specifying the reasons for debarment;

(iii) Stating the period of debarment, including effective dates; and

(iv) Advising that the debarment is effective for covered transactions throughout the executive branch of the Federal Government unless an agency head or an authorized designee makes the determination referred to in §145.215.

(2) If the debarring official decides not to impose debarment, the respondent shall be given prompt notice of that decision. A decision not to impose debarment shall be without prejudice to a subsequent imposition of debarment by any other agency.

§ 145.315 Settlement and voluntary exclusion.

(a) When in the best interest of the Government, SBA may, at any time, settle a debarment or suspension action.

(b) If a participant and the agency agree to a voluntary exclusion of the participant, such voluntary exclusion shall be entered on the Nonprocurement List (see subpart E).

§ 145.320 Period of debarment.

(a) Debarment shall be for a period commensurate with the seriousness of the cause(s). If a suspension precedes a debarment, the suspension period shall be considered in determining the debarment period.

(1) Debarment for causes other than those related to a violation of the requirements of subpart F of this part generally should not exceed three years. Where circumstances warrant, a longer period of debarment may be imposed.

(2) In the case of a debarment for a violation of the requirements of subpart F of this part (see §145.305(c)(5)), the period of debarment shall not exceed five years.

(b) The debarring official may extend an existing debarment for an additional period, if that official determines that an extension is necessary to protect the public interest. However, a debarment may not be extended solely on the basis of the facts and circumstances upon which the initial debarment action was based. If debarment for an additional period is determined to be necessary, the procedures of §§145.311 through 145.314 shall be followed to extend the debarment.

(c) The respondent may request the debarring official to reverse the debarment decision or to reduce the period or scope of debarment. Such a request shall be in writing and supported by documentation. The debarring official
may grant such a request for reasons including, but not limited to:

(1) Newly discovered material evidence;
(2) Reversal of the conviction or civil judgment upon which the debarment was based;
(3) Bona fide change in ownership or management;
(4) Elimination of other causes for which the debarment was imposed; or
(5) Other reasons the debarring official deems appropriate.

§ 145.325 Scope of debarment.

(a) Scope in general. (1) Debarment of a person under these regulations constitutes debarment of all its divisions and other organizational elements from all covered transactions, unless the debarment decision is limited by its terms to one or more specifically identified individuals, divisions or other organizational elements or to specific types of transactions.

(2) The debarment action may include any affiliate of the participant that is specifically named and given notice of the proposed debarment and an opportunity to respond (see §§ 145.311 through 145.314).

(b) Imputing conduct. For purposes of determining the scope of debarment, conduct may be imputed as follows:

(1) Conduct imputed to participant. The fraudulent, criminal or other seriously improper conduct of any officer, director, shareholder, partner, employee, or other individual associated with a participant may be imputed to the participant when the conduct occurred in connection with the individual’s performance of duties for or on behalf of the participant, or with the participant’s knowledge, approval, or acquiescence. The participant’s acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

(2) Conduct imputed to individuals associated with participant. The fraudulent, criminal, or other seriously improper conduct of a participant may be imputed to any officer, director, shareholder, partner, employee, or other individual associated with the participant who participated in, knew of, or had reason to know of the participant’s conduct.

(3) Conduct of one participant imputed to other participants in a joint venture. Subpart D—Suspension

§ 145.400 General.

(a) The suspending official may suspend a person for any of the causes in § 145.405 using procedures established in §§ 145.410 through 145.413.

(b) Suspension is a serious action to be imposed only when:

(1) There exists adequate evidence of one or more of the causes set out in § 145.405, and

(2) Immediate action is necessary to protect the public interest.

(c) In assessing the adequacy of the evidence, the agency should consider how much information is available, how credible it is given the circumstances, whether or not important allegations are corroborated, and what inferences can reasonably be drawn as a result. This assessment should include an examination of basic documents such as grants, cooperative agreements, loan authorizations, and contracts.

§ 145.405 Causes for suspension.

(a) Suspension may be imposed in accordance with the provisions of §§ 145.400 through 145.413 upon adequate evidence:

(1) To suspect the commission of an offense listed in § 145.305(a); or

(2) That a cause for debarment under § 145.305 may exist.
Indictment shall constitute adequate evidence for purposes of suspension actions.

§ 145.410 Procedures.

(a) Investigation and referral. Information concerning the existence of a cause for suspension from any source shall be promptly reported, investigated, and referred, when appropriate, to the suspending official for consideration. After consideration, the suspending official may issue a notice of suspension.

(b) Decisionmaking process. SBA shall process suspension actions as informally as practicable, consistent with principles of fundamental fairness, using the procedures in §§ 145.411 through 145.413.

§ 145.411 Notice of suspension.

When a respondent is suspended, notice shall immediately be given:

(a) That suspension has been imposed;
(b) That the suspension is based on an indictment, conviction, or other adequate evidence that the respondent has committed irregularities seriously reflecting on the propriety of further Federal Government dealings with the respondent;
(c) Describing any such irregularities in terms sufficient to put the respondent on notice without disclosing the Federal Government’s evidence;
(d) Of the cause(s) relied upon under § 145.405 for imposing suspension;
(e) That the suspension is for a temporary period pending the completion of an investigation or ensuing legal, debarment, or Program Fraud Civil Remedies Act proceedings;
(f) Of the provisions of §§ 145.411 through 145.413 and any other SBA procedures, if applicable, governing suspension decisionmaking; and
(g) Of the effect of the suspension.

§ 145.412 Opportunity to contest suspension.

(a) Submission in opposition. Within 30 days after receipt of the notice of suspension, the respondent may submit, in person, in writing, or through a representative, information and argument in opposition to the suspension.

(b) Additional proceedings as to disputed material facts. (1) If the suspending official finds that the respondent’s submission in opposition raises a genuine dispute over facts material to the suspension, respondent(s) shall be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witness the agency presents, unless:
(i) The action is based on an indictment, conviction or civil judgment, or
(ii) A determination is made, on the basis of Department of Justice advice, that the substantial interests of the Federal Government in pending or contemplated legal proceedings based on the same facts as the suspension would be prejudiced.

(2) A transcribed record of any additional proceedings shall be prepared and made available at cost to the respondent, upon request, unless the respondent and the agency, by mutual agreement, waive the requirement for a transcript.

(3) In accordance with § 145.413(b)(2), the suspending official may refer cases involving disputed material facts to the Office of Hearings and Appeals, which shall conduct any additional proceedings necessary in accordance with the procedures contained in part 134 of this title. Upon conclusion of such proceedings, the Office of Hearings and Appeals shall issue a recommended decision to the suspending official including proposed findings of facts and conclusions of law.

§ 145.413 Suspending official’s decision.

The suspending official may modify or terminate the suspension (for example, see § 145.320(c) for reasons for reducing the period or scope of debarment) or may leave it in force. However, a decision to modify or terminate the suspension shall be without prejudice to the subsequent imposition of suspension by any other agency or debarment by any agency. The decision shall be rendered in accordance with the following provisions:

(a) No additional proceedings necessary. In actions: based on an indictment,
§ 145.415 Period of suspension.

(b) If legal or administrative proceedings are not initiated within 12 months after the date of the suspension notice, the suspension shall be terminated unless an Assistant Attorney General or United States Attorney requests its extension in writing, in which case it may be extended for an additional six months. In no event may a suspension extend beyond 18 months, unless such proceedings have been initiated within that period.

(c) The suspending official shall notify the Department of Justice of an impending termination of a suspension, at least 30 days before the 12-month period expires, to give that Department an opportunity to request an extension.

§ 145.420 Scope of suspension.

The scope of a suspension is the same as the scope of a debarment (see §145.325), except that the procedures of §§145.410 through 145.413 shall be used in imposing a suspension.

Instructions for Certification

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency’s determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

Subpart A—General

§ 146.100 Conditions on use of funds.

(a) No appropriated funds may be expended by the recipient of a Federal contract, grant, loan, or cooperative agreement to pay any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any of the following covered Federal...
actions; the awarding of any Federal contract, the making of any Federal grant, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(b) Each person who requests or receives from an agency a Federal contract, grant, loan, or cooperative agreement shall file with that agency a certification, set forth in appendix A, that the person has not made, and will not make, any payment prohibited by paragraph (a) of this section.

(c) Each person who requests or receives from an agency a Federal contract, grant, loan, or a cooperative agreement shall file with that agency a disclosure form, set forth in appendix B, if such person has made or has agreed to make any payment using nonappropriated funds (to include profits from any covered Federal action), which would be prohibited under paragraph (a) of this section if paid for with appropriated funds.

(d) Each person who requests or receives from an agency a commitment providing for the United States to insure or guarantee a loan shall file with that agency a statement, set forth in appendix A, whether that person has made or has agreed to make any payment to influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with that loan insurance or guarantee.

(e) Each person who requests or receives from an agency a commitment providing for the United States to insure or guarantee a loan shall file with that agency a disclosure form, set forth in appendix B, if that person has made or has agreed to make any payment to influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with that loan insurance or guarantee.

§ 146.105 Definitions.

For purposes of this part:

(a) Agency, as defined in 5 U.S.C. 552(f), includes Federal executive departments and agencies as well as independent regulatory commissions and Government corporations, as defined in 31 U.S.C. 9101(1).

(b) Covered Federal action means any of the following Federal actions:

1. The awarding of any Federal contract;
2. The making of any Federal grant;
3. The making of any Federal loan;
4. The entering into of any cooperative agreement; and,
5. The extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

Covered Federal action does not include receiving from an agency a commitment providing for the United States to insure or guarantee a loan. Loan guarantees and loan insurance are addressed independently within this part.

(c) Federal contract means an acquisition contract awarded by an agency, including those subject to the Federal Acquisition Regulation (FAR), and any other acquisition contract for real or personal property or services not subject to the FAR.

(d) Federal cooperative agreement means a cooperative agreement entered into by an agency.

(e) Federal grant means an award of financial assistance in the form of money, or property in lieu of money, by the Federal Government or a direct appropriation made by law to any person. The term does not include technical assistance which provides services instead of money, or other assistance in the form of revenue sharing, loans, loan guarantees, loan insurance, interest subsidies, insurance, or direct United States cash assistance to an individual.

(f) Federal loan means a loan made by an agency. The term does not include loan guarantee or loan insurance.

(g) Indian tribe and tribal organization have the meaning provided in section 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450b). Alaskan Natives are included under the definitions of Indian tribes in that Act.
(h) Influencing or attempting to influence means making, with the intent to influence, any communication to or appearance before an officer or employee or any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any covered Federal action.

(i) Loan guarantee and loan insurance means an agency’s guarantee or insurance of a loan made by a person.

(j) Local government means a unit of government in a State and, if chartered, established, or otherwise recognized by a State for the performance of a governmental duty, including a local public authority, a special district, an intrastate district, a council of governments, a sponsor group representative organization, and any other instrumentality of a local government.

(k) Officer or employee of an agency includes the following individuals who are employed by an agency:

(1) An individual who is appointed to a position in the Government under title 5, U.S. Code, including a position under a temporary appointment;

(2) A member of the uniformed services as defined in section 101(3), title 37, U.S. Code;

(3) A special Government employee as defined in section 202, title 18, U.S. Code; and,

(4) An individual who is a member of a Federal advisory committee, as defined by the Federal Advisory Committee Act, title 5, U.S. Code appendix 2.

(l) Person means an individual, corporation, company, association, authority, firm, partnership, society, State, and local government, regardless of whether such entity is operated for profit or not for profit. This term excludes an Indian tribe, tribal organization, or any other Indian organization with respect to expenditures specifically permitted by other Federal law.

(m) Reasonable compensation means, with respect to a regularly employed officer or employee of any person, compensation that is consistent with the normal compensation for such officer or employee for work that is not furnished to, not funded by, or not furnished in cooperation with the Federal Government.

(n) Reasonable payment means, with respect to professional and other technical services, a payment in an amount that is consistent with the amount normally paid for such services in the private sector.

(o) Recipient includes all contractors, subcontractors at any tier, and subgrantees at any tier of the recipient of funds received in connection with a Federal contract, grant, loan, or cooperative agreement. The term excludes an Indian tribe, tribal organization, or any other Indian organization with respect to expenditures specifically permitted by other Federal law.

(p) Regularly employed means, with respect to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or a commitment providing for the United States to insure or guarantee a loan, an officer or employee who is employed by such person for at least 130 working days within one year immediately preceding the date of the submission that initiates agency consideration of such person.

(q) State means a State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, a territory or possession of the United States, an agency or instrumentality of a State, and a multi-State, regional, or interstate entity having governmental duties and powers.

§ 146.110 Certification and disclosure.

(a) Each person shall file a certification, and a disclosure form, if required, with each submission that initiates agency consideration of such person for:

(1) Award of a Federal contract, grant, or cooperative agreement exceeding $100,000; or
§ 146.200

(a) The prohibition on the use of appropriated funds, in § 146.100(a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement if the payment is for agency and legislative liaison activities not directly related to a covered Federal action.
For purposes of paragraph (a) of this section, providing any information specifically requested by an agency or Congress is allowable at any time.

For purposes of paragraph (a) of this section, the following agency and legislative liaison activities are allowable at any time only where they are not related to a specific solicitation for any covered Federal action:

1. Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person's products or services, conditions or terms of sale, and service capabilities; and,

2. Technical discussions and other activities regarding the application or adaptation of the person's products or services for an agency's use.

For purposes of paragraph (a) of this section, the following agencies and legislative liaison activities are allowable only where they are prior to formal solicitation of any covered Federal action:

1. Providing any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;

2. Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and,

3. Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Public Law 95-507 and other subsequent amendments.

Only those activities expressly authorized by this section are allowable under this section.

(a) The prohibition on the use of appropriated funds, in §146.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or an extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) For purposes of paragraph (a) of this section, professional and technical services shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client's proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(c) Requirements imposed by or pursuant to law as a condition for receiving a Federal award include those required by law or regulation, or reasonably expected to be required by
law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by this section are allowable under this section.

§ 146.210 Reporting.

No reporting is required with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

Subpart C—Activities by Other Than Own Employees

§ 146.300 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §146.100 (a), does not apply in the case of any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) The reporting requirements in §146.110 (a) and (b) regarding filing a disclosure form by each person, if required, shall not apply with respect to professional or technical services rendered directly in the preparation, submission, or negotiation of any commitment providing for the United States to insure or guarantee a loan.

(c) For purposes of paragraph (a) of this section, professional and technical services shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting or a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client's proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(d) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(e) Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(f) Only those services expressly authorized by this section are allowable under this section.

Subpart D—Penalties and Enforcement

§ 146.400 Penalties.

(a) Any person who makes an expenditure prohibited herein shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such expenditure.

(b) Any person who fails to file or amend the disclosure form (see appendix B) to be filed or amended if required herein, shall be subject to a civil penalty of not less than $10,000 and not
§ 146.405 Penalty procedures.

Agencies shall impose and collect civil penalties pursuant to the provisions of the Program Fraud and Civil Remedies Act, 31 U.S.C. sections 3803 (except subsection (c)), 3804, 3805, 3806, 3807, 3808, and 3812, insofar as these provisions are not inconsistent with the requirements herein.

§ 146.410 Enforcement.

The head of each agency shall take such actions as are necessary to ensure that the provisions herein are vigorously implemented and enforced in that agency.

Subpart E—Exemptions

§ 146.500 Secretary of Defense.

(a) The Secretary of Defense may exempt, on a case-by-case basis, a covered Federal action from the prohibition whenever the Secretary determines, in writing, that such an exemption is in the national interest. The Secretary shall transmit a copy of each such written exemption to Congress immediately after making such a determination.

(b) The Department of Defense may issue supplemental regulations to implement paragraph (a) of this section.

Subpart F—Agency Reports

§ 146.600 Semi-annual compilation.

(a) The head of each agency shall collect and compile the disclosure reports (see appendix B) and, on May 31 and November 30 of each year, submit to the Secretary of the Senate and the Clerk of the House of Representatives a report containing a compilation of the information contained in the disclosure reports received during the six-month period ending on March 31 or September 30, respectively, of that year.

(b) The report, including the compilation, shall be available for public inspection 30 days after receipt of the report by the Secretary and the Clerk.

(c) Information that involves intelligence matters shall be reported only to the Select Committee on Intelligence of the Senate, the Permanent Select Committee on Intelligence of the House of Representatives, and the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(d) Information that is classified under Executive Order 12356 or any successor order shall be reported only to the Committee on Foreign Relations of the Senate and the Committee on Foreign Affairs of the House of Representatives or the Committees on Armed Services of the Senate and the House of Representatives (whichever such committees have jurisdiction of matters involving such information) and to the
Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(e) The first semi-annual compilation shall be submitted on May 31, 1990, and shall contain a compilation of the disclosure reports received from December 23, 1989 to March 31, 1990.

(f) Major agencies, designated by the Office of Management and Budget (OMB), are required to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives no later than with the compilations due on May 31, 1991. OMB shall provide detailed specifications in a memorandum to these agencies.

(g) Non-major agencies are requested to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives.

(h) Agencies shall keep the originals of all disclosure reports in the official files of the agency.

§ 146.605 Inspector General report.

(a) The Inspector General, or other official as specified in paragraph (b) of this section, of each agency shall prepare and submit to Congress each year, commencing with submission of the President’s Budget in 1991, an evaluation of the compliance of that agency with, and the effectiveness of, the requirements herein. The evaluation may include any recommended changes that may be necessary to strengthen or improve the requirements.

(b) In the case of an agency that does not have an Inspector General, the agency official comparable to an Inspector General shall prepare and submit the annual report, or, if there is no such comparable official, the head of the agency shall prepare and submit the annual report.

(c) The annual report shall be submitted at the same time the agency submits its annual budget justifications to Congress.

(d) The annual report shall include the following: All alleged violations relating to the agency’s covered Federal actions during the year covered by the report, the actions taken by the head of the agency in the year covered by the report with respect to those alleged violations and alleged violations in previous years, and the amounts of civil penalties imposed by the agency in the year covered by the report.

Include prefixes, e.g., “RFP-00-001.”

9. For a covered Federal action where there has been an award or loan commitment by the Federal agency, enter the Federal amount of the award/loan commitment for the prime entity identified in item 4 or 5.

Subpart A—Standards for Designation of Redevelopment Areas Under and Subject to Section 401(a) of the Act

§ 301.1 Designation on the basis of unemployment.

On the basis of labor force data on unemployment supplied by the Secretary of Labor, EDA shall designate such redevelopment areas in accordance with section 401(a) of the Act.

§ 301.2 Designation on the basis of loss of population.

Such designation shall be made in accordance with section 401(a) of the Act, 42 U.S.C. 3161.

§ 301.3 Designation on the basis of median family income.

Such designation shall be made in accordance with section 401(a) of the Act.

§ 301.4 Designation on the basis of American Indian lands.

(a) EDA shall designate as Redevelopment Areas those American Indian reservations, American Indian trust land areas, and restricted American Indian-owned land areas, including Alaskan Native Villages, which manifest the greatest degree of economic distress.

(1) American Indian reservations shall consist of land areas which by official Federal or State action or recognition have been reserved for the use and benefit of a specific American Indian tribe or tribes, and shall include those lands to which the Federal or State Government retains title and may include tribally-owned lands, lands allotted to individual tribal members, and interspersed land belonging to non-American Indians.

(2) American Indian trust land areas shall consist of land areas held in trust by or under the authority of Federal or State Government for use and occupancy by American Indians.

(3) Restricted American Indian-owned land areas shall consist of land areas owned by American Indian tribes, but subject to restrictions on alienation or use imposed by Federal or State Governments.

(b) EDA shall make such designations of Redevelopment Areas upon consultation with the Secretary of Interior or an appropriate State agency and on the basis of unemployment and income statistics and other appropriate evidence of economic underdevelopment.

(c) EDA, upon consultation with the Secretary of Interior or an appropriate State agency, may designate uninhabited Federal or State American Indian reservations or trust or restricted American Indian-owned land areas where such designation would permit assistance to American Indian tribes, with a direct beneficial effect on the economic well-being of American Indians.

(d) When the determination of economic distress pertains to land areas that are not contiguous, it must be shown that there is a clear economic connection justifying the inclusion of the noncontiguous land areas that will contribute to a more effective economic development program for the area.

§ 301.5 Designation on the basis of sudden rise in unemployment.

Such designation can be made under the Act when the following conditions are met:

(a) Where the loss, removal, curtailment, or closing of the major source of employment has occurred provided that:

(1) The major source of employment shall be construed as a single firm or industry; or

(2) Job losses in more than a single firm or in more than a single industry may be considered in the aggregate where:

(i) There is a clear demonstrable economic connection between or among the firms or industries; or

(ii) More than one firm or industry has been affected by a common disaster.

(3) A major source of employment is when its loss, removal, curtailment, or closing has caused or can reasonably be expected to cause:

(i) An increase of 500 or more of unemployed persons in the area; or

(ii) An increase of 2 percentage points or more in the area's unemployment...
Economic Development Administration, Commerce § 301.7
rate, based on the relationship of actual or expected additional unemployed to the number of persons in the area's labor force.
(b) Where there is an actual or threatened closing of a major source of employment within 3 years after the date of the area's request provided that:
   (1) The rise in unemployment must be shown to be unusual or unique for the area, the industry, and the time of year; and
   (2) Such rise must have occurred or be reasonably expected to occur during a 1-year period within the qualifying span of 3 years before to 3 years after the date of the request for designation.
(c) The area's unemployment rate can reasonably be expected to exceed the national average by 50 percent or more, except for those job-loss situations in which it is public knowledge that the jobs lost were or will be of a type in such great demand that the persons laid off were or will be readily reemployable.
(d) Areas designated under this section are allowed a reasonable time after designation to submit an acceptable OEDP to EDA. An area designated under this section which does not have an approved OEDP is not eligible for financial assistance under Title I of the Act.

§ 301.6 Designation of public works impact program areas.
(a) EDA shall designate communities or neighborhoods defined without regard to political or other subdivisions or boundaries as a public works impact program (PWIP) area, when it determines one of the following conditions have been met by the defined area in its entirety.
   (1) A large concentration of low-income persons. This includes:
      (i) An area selected for assistance under the Community Economic Development Act of 1981, as amended (42 U.S.C. 9615), Title VI, Chapter 8, Subchapter A of the Omnibus Budget Reconciliation Act of 1981 (Pub. L. 97-35); or
      (ii) An area in which the families are living in poverty as defined by the Department of Health and Human Services guidelines, as published each year in the Federal Register.
   (2) Rural areas having substantial outmigration. This includes an area which has experienced a minimum outmigration rate of at least 25 percent during the period from the beginning to the end of the most recent 10-year census period for which data is available.
   (3) Substantial unemployment as established by an annual average unemployment rate of 8.5 percent or more during the most recent quarter for which such data is available.
   (4) An actual or threatened abrupt rise of unemployment due to the closing or curtailment of a major source of employment. The area must meet the qualifications as set forth in §301.5 (a) through (c). Although no boundary constraints, as set forth in §301.13, shall apply, the area for which designation is sought must be one for which EDA can obtain data establishing its eligibility for designation.
   (b) No PWIP area designated under this section shall be eligible to be considered a redevelopment area for the purposes of district designation.

§ 301.7 Designation of special impact areas.
EDA shall designate special impact areas where:
(a) One of the following criteria have been met:
   (1) There are large concentration of low-income persons. This includes:
      (i) An area presently selected for assistance by the Department of Health and Human Services under the Community Economic Development Act of 1981, as amended (42 U.S.C. 9615), Title VI, Chapter 8, Subchapter A of the Omnibus Budget Reconciliation Act of 1981 (Pub. L. 97-35); or
      (ii) An area in which the families are living in poverty as defined by the Department of Health and Human Services guidelines as published each year in the Federal Register.

§ 301.8 Recognition of redevelopment areas designated under the Community Economic Redevelopment Act of 1981, as amended.

Areas selected for assistance under the Community Economic Development Act of 1981, as amended (42 U.S.C. 9815) will be deemed redevelopment areas within the meaning of section 401 of the Act.

§ 301.9 Designation on the basis of per capita employment.

EDA shall designate as redevelopment areas those areas which have suffered a significant decline in per capita employment of more than 1.2 percentage points from the beginning to the end of the most recent 10-year period for which data is available and has had net outmigration during the same period, as determined by the most currently available census data.

§ 301.10 Designation on the basis of substantial unemployment and the national average rate of unemployment.

(a) EDA shall designate as a redevelopment area any area for which the Secretary of Labor has provided labor force data showing that:

(1) The area has experienced a substantial average unemployment rate over a 24-month period; and

(2) The area has experienced an average 24-month unemployment rate for the most recent 24-month period for which data are available which was above the national 24-month average unemployment rate for the same period.

(b) The Secretary of Labor shall provide the unemployment data for use by EDA in designating redevelopment areas pursuant to the criteria of section 401(a)(8) of the Act, as implemented by paragraphs (a)(1) and (a)(2) of this section.

(c) For the purpose of this section, substantial unemployment is defined as an unemployment rate of 6 percent or more.

(d) EDA may determine for the purpose of this section that 24 month unemployment data is not available so that data for the most recent 12-month or 4-month period may be used instead.

§ 301.11 Designation on the basis of long-term economic deterioration.

Such designation shall be made in accordance with section 401(a) of the Act.
§ 301.12 Exception to criteria for qualification.

(a) EDA shall designate in a State which has no redevelopment area that area which most nearly qualifies under this subpart.

(b) Designation made under paragraph (a) of this section shall be terminated in accordance with section 402 of the Act if any other area within the same State subsequently becomes qualified or designated under any other section of this subpart.

(1) Designation under paragraph (a) of this section will not be terminated under paragraph (b) of this section if the area becoming qualified or designated becomes qualified under § 301.6 or § 301.7.

(2) Termination under this subsection will become effective at the time of the annual review.

Subpart B—Limitations on Designation of Areas

§ 301.13 Limitations with respect to the size and boundaries of redevelopment areas.

(a) The size and boundaries of redevelopment areas will be determined by EDA subject to requirements under the Act for at least 1500 in population, unless designated under § 301.4 or §§ 301.6, 301.7, 301.8, and other requirements in section 401(b) of the Act.

(b) Except for areas designated under §§ 301.4, 301.5, 301.6, 301.7 and 301.8, no area may be designated which is smaller than a labor area (as defined by the Secretary of Labor), a county, or a municipality with a population of over 25,000 persons whichever EDA deems appropriate.

(c) All parts of the area seeking designation under § 301.5 must be contiguous.

§ 301.14 Receipt of an acceptable OEDP.

(a) No area shall be designated until it has an approved OEDP, as described in section 403 of the Act, except those areas eligible for designation under §§ 301.5 and 301.6.

(b) Areas qualified in accordance with § 301.5 may be designated subject to the receipt of an acceptable OEDP within 6 months following such conditional designation, or within such additional period as EDA may grant for good cause.

(c) Any area, other than those areas eligible for designation pursuant to §§ 301.5 and 301.6, which does not submit an acceptable OEDP within 6 months after notification of its qualification for designation, shall not thereafter be designated prior to the next annual review of eligibility; however, such period may be extended for up to 6 months if EDA determines there is good cause.

Subpart C—Modification of Designated Areas

§ 301.15 Adjustment of boundaries.

(a) EDA may make minor modifications in the boundaries of redevelopment areas designated under Subpart A of this part if:
(1) Such modification will contribute to a more effective program for economic development within such area; and

(3) The interested State official or agency is informed and given opportunity to submit comments on and endorse or not endorse the request.
(b) Additional areas will be included within the redevelopment area only if such inclusion is necessary to meet program requirements for a project.

(d) Does not have a population in excess of 250,000 according to the last preceding Federal census;
(e) May reasonably be expected to accelerate or maintain existing rates of growth in terms of population, employment, and income;
(f) Has the prospect of developing a diversified economy providing a wide range of health, educational, recreational, and cultural facilities; a relatively large well-trained labor force; and other similar qualities which encourage the continuing growth of economic activities; and
(g) Is an active participant in the district economic development program.

§ 302.11 Number of economic development centers per district.
EDA will designate the single leading growth point in an EDD as the economic development center. However, additional centers may be designated where unusual conditions exist in the district, such as for example:
(a) Where the district contains a relatively large number of redevelopment area residents who do not have reasonable commuting access to any one economic development center; and
(b) Where the district contains several smaller growth points rather than one leading economic development center.

§ 302.12 Boundaries of economic development centers and boundary modifications.
(a) An economic development center is administratively defined as a city or grouping of contiguous incorporated places. However, where justified, boundaries may be extended to include adjoining minor civil divisions or corridors of growth between centers.
(b) EDA may modify either the boundaries of an economic development center or the number of economic development centers in a district after giving notice and opportunity for comment to the State or States affected, if such modification will contribute to a more effective program.

§ 302.13 Termination and suspension of economic development centers.
(a) EDA may, upon 30 days prior notice to the interested State and local agencies, terminate the designated status of an economic development center when:
(1) The economic development center is no longer identified or recommended for designation in an approved district OEDP;
(2) The economic development center no longer meets the standards for designation, § 302.10;
(3) It fails to actively pursue its role as an economic development center in a manner that makes a significant impact on the performance of the economic development district within which it is located; or
(4) The economic development center is no longer part of a designated economic development district.
(b) The termination of the designation of an economic development district and termination of the designation of an economic development center may be done concurrently.

§ 302.14 Redevelopment centers.
EDA may recognize a redevelopment center which meets the criteria for economic development centers, but which falls in a designated redevelopment area. There is no limit on the size of the population of a redevelopment center.

Subpart C—Financial and Other Assistance to Economic Development Centers and Districts

§ 302.15 Financial assistance to economic development centers.
EDA may provide financial assistance in accordance with the criteria contained in part 305 of this chapter for projects in economic development centers (EDCs) when:
(a) The project will further enhance the objectives of the OEDP of the district in which the EDC is located;
(b) The project will enhance the relationship between the EDC and the EDD, particularly the redevelopment areas; and
(c) The project will achieve one or more of the following:
(1) Encourage economic growth;
(2) Discourage out-migration from the district; and
(3) Have a beneficial impact on the district’s redevelopment areas.

§ 302.16 Economic development center project characteristics.
Projects in EDCs shall have one or more of the following characteristics:
(a) High job producing capability;
(b) Remove barriers of access to jobs for the target population;
(c) Ability to trigger further project activity;
(d) Ability to trigger further economic impact;
(e) Provision of facilities and services deemed essential to stimulate further growth, at a level above that normally required for simple maintenance of a substantial community.

§ 302.17 Grant rate for economic development center projects.
The grant rate for projects under Title I of the Act in EDCs, which are growth centers not located in designated redevelopment areas, shall not exceed 50 percent of the project costs except for the ten percent bonus provided for in §§ 302.18 and 305.9 of this chapter.

[61 FR 7982, Mar. 1, 1996]

§ 302.18 Financial assistant redevelopment centers.
The eligibility of redevelopment centers for EDA financial assistance, including the ten percent bonus as provided for herein, is the same as for any designated redevelopment area within the district. The grant rate for the redevelopment center shall be determined by the rate applicable to the redevelopment area within which it is located.

[61 FR 7982, Mar. 1, 1996]

§ 302.19 Assistance to economic development districts.
Pursuant to Title III of the Act, EDA may provide other assistance to the district including:
(a) Technical assistance;
(b) Planning grants under part 307 of this chapter to assist the district organization in engaging a professional staff and carrying out its planning activities; and
(c) Research assistance.
§ 303.5 Approval process for initial OEDPs.

§ 303.6 The continuing program.

Authority: Sec. 701, Pub. L. 89-136; 79 Stat. 570 (42 U.S.C. 3211); Department of Commerce Organization Order 10-4, as amended (40 FR 56702, as amended).

Source: 60 FR 49685, Sept. 26, 1995, unless otherwise noted.

§ 303.1 Purpose and scope.

(a) Approval of an OEDP is generally a prerequisite for designation of a redevelopment area or economic development district; and

(b) A redevelopment area or economic development district, where appropriate, is required to maintain a currently approved OEDP to retain its previous designation for eligibility to receive EDA funds.

§ 303.2 Redevelopment area—District OEDP's.

Those qualified areas within existing economic development districts may use the district's accepted OEDP in lieu of a separate area OEDP when the following conditions have been met:

(a) The area actively participates in and supports the district OEDP planning process; and

(b) The area submits a letter or resolution to EDA signed by the area's chief elected official, governing body, or the local OEDP committee stating that the area will use the district OEDP.

§ 303.3 Redevelopment area OEDP committee.

(a)(1) The primary purpose of this committee is to develop an ongoing development program and to prepare the Area OEDP.

(2) Redevelopment area OEDP committees are required only in areas not located in EDDs. EDA recommends OEDP committees in all areas whenever practicable.

(b) OEDP committees shall be representative of the community so that all viewpoints are considered in discussion and decisionmaking and all available local skills are engaged in program formulation. To the extent practicable, representation on these committees shall include those from local government, business, industry, finance, agriculture, the professions, organized labor, utilities, education, minorities, and the unemployed or underemployed.

§ 303.4 Initial OEDP.

(a) The initial OEDP should contain the following information:

(1) Background on the area or district's economic development situation, including for example a discussion of the district or area's:

(i) Geography;

(ii) Population;

(iii) Labor force, including minority and female;

(iv) Natural and manmade resources;

(v) Economic and social activities; and

(vi) Environmental considerations.

(2) An examination of economic and community development, opportunities and problems, including for example, identification of current major activities of other organizations involved in economic and community development and improvement; and

(3) A realistic action plan that will:

(i) Promote the district or area's economic progress;

(ii) Improve community facilities and services; and

(iii) Serve as a basis for a continuing planning and development program.

(b) In addition to requirements in paragraph (a) of this section, OEDPs for districts must contain the following:

(1) Proposed designation or recognition of at least one growth center; and

(2) Description of the role of the proposed center in implementing the district wide development program, particularly as it relates to redevelopment areas.

§ 303.5 Approval process for initial OEDPs.

(a) The completed initial OEDP must be reviewed and commented upon by appropriate:

(1) Governmental bodies;

(2) Interest groups; and

(3) EDA Regional Office.

(b) If the OEDP is approved, copies must be made available to interested
§ 304.1 General selection process and evaluation criteria for programs under PWEDA.

EDA has established a streamlined and uniform selection process based upon a short proposal and standardized application form with attachments as applicable to each particular program. Additional information if any, is set forth in program specific parts/sections. EDA applies uniform evaluation criteria to all programs, as well as evaluation criteria which are set forth in parts 305, 307 and 308 of this chapter.

(a) The selection process is described as follows:

(1) For projects to be funded under parts 305, 307 and 308 of this chapter proponents will submit forms to EDA during the selection process as follows:

(i) There will be a brief proposal on the OMB approved form, number 0610-0094, consisting of the face sheet (SF-424) and two additional pages, except for projects under part 307, subparts C and D, of this chapter for which proponents may include more than two pages if necessary to provide adequate information to EDA upon which to make an informed determination whether to invite a more comprehensive proposal and application, including for example, budget, scope of work and capability statements.

(ii) Such proposals, whether received through contact with the appropriate Economic Development Representative (EDR) or Regional Office of EDA, shall have the opportunity to be formally reviewed by the appropriate Regional Office Project Review Committee (PRC). Generally, an EDR will evaluate...
§ 304.2

proposals under paragraph (b) of this section before submitting them to the EDA Regional Office for such review.

(iii) The results of these PRC meetings shall be communicated to the proponents in writing and in a timely manner, advising them that they are: being invited to submit a formal application; having their application returned because of specified deficiencies (resubmissions will be allowed when the deficiencies are cured) or being denied for specific reasons.

(iv) An invitation to submit an application does not assure EDA funding.

(v) Applications are generally to be submitted within 30 days after receipt of an invitation letter.

(3) For projects to be funded under part 307—Subparts C and D of this chapter, requirements are as follows:

(i) Initial contact by proponents for information and assistance concerning proposals will generally be with Washington, DC, at locations noted in §§307.13 and 307.18 of this chapter.

(ii) Generally, proposals will be reviewed for relevance and quality by three or more technically knowledgeable EDA officials.

(iii) If the proposal is acceptable under paragraph (b) of this section, EDA may invite proponents to submit applications which must include a more detailed and comprehensive project narrative.

(iv) An invitation to submit an application does not assure EDA funding.

(v) Applications are generally to be submitted within 30 days after receipt of an invitation letter.

(b) General evaluation criteria for projects to be funded under parts 305, 307 and 308 of this chapter in addition to criteria noted in such parts, are as follows: All proposals/applications will be screened for conformance to statutory and regulatory requirements, the relative severity of the economic problem of the area, the quality of the scope of work proposed to address the problem, the merits of the activity(ies) for which funding is requested, and the ability of the prospective applicant to carry out the proposed activity(ies) successfully. The NOFA may identify special areas of interest for the fiscal year of such NOFA.

§ 304.2 Demonstration project assistance under Section 301(f) of PWEDA.

In addition to the selection of projects under the general selection process as set forth in §304.1 above, EDA may also select demonstration projects, as authorized under section 301(f) of PWEDA. Demonstration projects involve the provision of funds, through grants, loans or otherwise, to carry out the purpose of PWEDA. There are no set forms or procedure for project selection, and proposals may be submitted to EDA at any time. Demonstration projects must be within re-development areas.

PART 305—PUBLIC WORKS AND DEVELOPMENT FACILITIES PROGRAM

Subpart A—General

Sec.
305.1 Purpose and scope.
305.2 Applicants.
305.3 Eligibility requirements.
305.4 Project requirements.
305.5 Selection process.
305.6 Evaluation criteria.
305.7 Award requirements.

Subpart B—Supplementary and Overrun Grants

305.8 Supplementary grants.
305.9 Ten percent bonus supplemental grants.
305.10 Grants for construction cost increases.

Subpart C—Other Requirements

305.11 Disbursements of funds for grants.
305.12 Variance in cost of grant projects.
305.13 Final inspection.

§ 305.1 Purpose and scope.

The purpose of the Public Works Program is to assist communities with the funding of public works and development facilities that contribute to the creation or retention of primarily private sector jobs and alleviation of unemployment and underemployment. Such assistance is designed to help communities achieve lasting improvement by stabilizing and diversifying local economies and by improving local living conditions and the economic development of the area. Alleviation of unemployment and underemployment among residents of the project area is a primary focus of this program.

§ 305.2 Applicants.

Eligible applicants under this program include:
(a) States, or political subdivisions thereof;
(b) American Indian tribes;
(c) The Federated States of Micronesia, the Republic of the Marshall Islands, the Republic of Palau, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, American Samoa and the Commonwealth of the Northern Mariana Islands; and
(d) A private or public non-profit organization or association representing any redevelopment area or part thereof, provided the EDA project is located within an eligible EDA area represented by such non-profit organization or association.

(e) When the applicant is not a State, American Indian tribe or other general-purpose governmental authority, the applicant must afford the appropriate local governmental authority of the area a minimum of 15 days in which to review and comment on the proposed project. The applicant shall furnish with the application a copy of such comments, or a statement of the efforts made to obtain them together with an explanation of the actions taken to address any comments received.

§ 305.3 Eligibility requirements.

(a) Other than those areas designated under PWIP, applicant areas, including Special Impact Areas (SIAs) must have a current EDA approved Overall Economic Development Program (OEDP).
(b) Political entities claiming eligibility under OEDPs developed by multicity economic development organizations are expected to continue to participate actively in the organization.
(c) Non-profit organizations or associations must meet the following requirements:
(1) Such non-profit organizations or associations must represent a redevelopment area or part thereof, if EDA determines that such applicant is potentially capable of furthering the objectives of the economic development program of the area in which it is located;
(2) To the extent possible, non-profit applicants are urged to seek the cooperation and support of units of local government; and
(3) When deemed appropriate by EDA, have the local government as co-applicant for EDA assistance. This ensures the financial stability and continuity of the project in the event that the non-profit entity finds itself in a position of not having the financial resources to administer, operate, and maintain the EDA assisted facility in a proper and efficient manner consistent with the provisions of part 314 of this chapter.

§ 305.4 Project requirements.

(a) Public works projects other than PWIP projects must meet the following requirements:
(1) Be consistent with the EDA approved OEDP for the area in which it is or will be located, and have broad community support;
(2) Improve opportunities for the successful establishment or expansion of industrial or commercial facilities in the area where such project will be located;
(3) The project will not result in the increase of goods or services beyond the demand for such goods or services existing or to be created in the market area;
(4) The project fulfills a pressing need of the area or part thereof, in which it is located; and
(5) There is adequate local matching share; and
§ 305.5 Selection process.

Projects will be selected in accordance with § 304.1 of this chapter.

§ 305.6 Evaluation criteria.

In addition to and/or as an elaboration of the evaluation criteria set forth in part 304 of this chapter and to the extent practicable, evaluations are made on the basis of whether the proposed project:

(a) Assists in creating or retaining private sector jobs (primarily in the near term) and assists in the creation of additional long-term employment opportunities (provided the jobs have not been transferred from another commuting area of the United States) and will result in low costs-per-job in relation to total EDA costs, evidenced for example by:

(1) Commitments to create such jobs;
(2) Marketing; and
(3) Financial capabilities of the applicant.

(b) Is supported by significant private sector investment.

(c) Maximizes the amount of local, state or other Federal funding that is available.

(d) Is likely to be started and completed in a timely fashion.

(e) If located in an EDC with a stable economy and little distress, an employment plan is required that explains how new employment opportunities for residents of nearby highly distressed redevelopment areas will be provided.

(f) To the extent possible, factors that will be considered in the evaluation of PWIP projects include whether the proposed project:

(1) Improves the economic or community environment in areas of severe economic distress;
(2) Includes an acceptable plan for hiring the unemployed and underemployed from the project area to work on construction of the project;
(3) Assists in providing long-term employment opportunities or other economic benefits for the unemployed and underemployed in the project area;
(4) Primarily benefits low-income families by providing essential community services, or satisfying a pressing public need;
(5) Involves construction which can be started (normally within 120 days after affirmation of the award), and completed quickly (normally within one year) preferably without early construction start; or
(6) Has significant labor intensity (i.e., the proportion of labor costs to the total project costs).

§ 305.7 Award requirements.

(a) Projects are expected to be completed in a timely manner consistent with the nature of the project. Normally, the maximum period for any financial assistance that is provided shall be not more than 5 years from the end of the fiscal year of the award.

(b) Matching Requirements are as follows:

(1) EDA may provide direct grants not to exceed 50 percent of the estimated cost of the project;
(2) Under certain circumstances supplementary grants to augment the direct grant may be provided up to a maximum of 80 percent of the eligible project costs, though waivers may be permitted in accordance with Section 101(c) of the Act. Supplementary grant assistance to finance over 50 percent of the project costs will be approved by EDA only for projects in areas of high distress. Decisions on such supplementary grant assistance will be based on the nature of the project, the amount of fair user charges or other revenues the project may reasonably be expected to generate, and the relative needs of the area;
(3) Applicants are required to provide the local share from acceptable sources;
(4) The local share need not be in hand at the time of application; however, the applicant must assure EDA that such share is committed and will be available at the time the award is accepted; and
(5) The local share must not be encumbered in any way that would preclude its use consistent with the requirements of the grant.

Subpart B—Supplementary and Oversed Grants

§ 305.8 Supplementary grants.

(a) In the case of projects for which EDA supplements direct grants of other Federal agencies, the total Federal funding may be up to 80 percent of the project’s costs (except as allowed by paragraph (b) (1), (2) or (3) of this section).

(b) Based upon the kind of project, the severity of distress factors and revenue above and beyond the amount needed to amortize the local share, supplemental grants in excess of 50% may be awarded by EDA in accordance with the following Table:

(c) The applicable maximum grant eligibility rate for projects located in EDDs pursuant to section 403(j) of the Act shall be the same as the grant rates for the redevelopment areas for which such projects are determined to be a direct and substantial benefit.

(d) Notwithstanding paragraph (c) of this section, an applicant shall be eligible for the highest applicable maximum grant rate in effect between the time EDA invites the application and the time the project is approved.

(e) Where municipalities of over 25,000 population qualify for designation under Title IV of the Act and part 302 of this chapter, but are located in areas already designated thereunder, such municipalities are eligible for the maximum grant under paragraph (b) of this section as if they were designated independent of the existing redevelopment area. In determining the maximum grant rate for such municipalities, EDA will use the appropriate statistical information for the municipality involved, provided that consideration of such information will work to the municipality’s advantage.

§ 305.9 Ten percent bonus supplemental grants.

(a) Subject to the limitation that the maximum Federal share for any project may not exceed 80 percent of the aggregate project cost or 100 percent for projects listed in §305.8(b)(1)-
§ 305.10 Grants for construction cost increases.

(a) For the purposes of this section, construction cost increases means those costs which the applicant incurs or will incur in completing the project according to the original designs and specifications beyond the project costs set forth in the grant agreement.

(b) EDA may increase the amount of any grant made under the authority of Title I of the Act when the following conditions are met:

(1) The project is being or will be constructed in accordance with the original designs and specifications or in accord with final plans and specifications which reflect the original intent and purpose;

(2) The project’s total cost has increased because of increases in costs based on the original designs and specifications (or based on final plans and specifications reflecting the original intent and purpose); and

(3) The project has incurred construction cost increases after the grant was made but prior to completion of the project.

(c) Limitations on amount of grants are as follows:

(1) The amount of a grant made under paragraph (b) of this section may be equal to an amount based on the percentage increase in the costs referred to in paragraph (b)(2) of this section, as determined by EDA; and

(2) A grant for construction cost increases may not be in an amount which would cause the Federal share of the project’s costs to exceed the percentage originally provided for in the grant agreement.

Subpart C—Other Requirements

§ 305.11 Disbursements of funds for grants.

(a) Though disbursements of funds for grants are generally made upon application for reimbursement, advances of funds are allowable at the discretion of EDA. Disbursements will be made when the following conditions have been met:

(1) After execution of all contracts required for the completion of the project. This condition may be waived by EDA if the grantee can demonstrate that enforcement of the condition would place an undue burden on it;

(2) For itemized and certified eligible costs incurred, as substantiated by such documentary evidence as EDA may require;

(3) For the percentage of EDA participation, but in no event for more than the total sum stated in the financial assistance award accepted by the grantee;

(4) Upon such evidence as EDA may require that grantee’s proportionate share of funds is on deposit;

(5) After a determination by EDA that all applicable conditions of the grant have been met, and

(6) After meeting such other requirements as EDA shall establish.

(b) Disbursements are generally made in installments, based upon grantee’s actual rate of disbursement in accordance with the grant rate.

§ 305.12 Variance in cost of grant projects.

(a) If the total eligible costs are equal to or exceed the amount stated in the financial assistance award, disbursements will be the amount identified in the financial assistance award.

(b) If the total eligible project costs are less than the amount stated in the financial assistance award, the disbursements will be determined by multiplying the total eligible project costs by the grant rate percentage.
(c) The grant rate percentage is determined by dividing the total estimated project costs stated in the financial assistance award into the amount of EDA funding provided in the grant. For example, if the financial assistance award states that EDA will provide $50,000 for a project estimated to cost $100,000, the grant rate is 50% ($50,000 divided by $100,000). If the actual eligible project costs were $100,000, EDA would provide $50,000. If the actual eligible project costs were $120,000, EDA would still provide $50,000. If the actual eligible project costs were only $80,000, EDA would provide $40,000 (50% x $80,000).

§ 305.13 Final inspection.
A final inspection will be scheduled by the grantee, with EDA concurrence and/or participation, when the project has been completed and is functional and when all deficiencies have been corrected.

§ 307.29 Purpose and scope.

Planning assistance is to strengthen significant economic development planning capability and initiatives of eligible applicants to ensure a more productive use of available resources in reducing the effects of economic problems by formulation and implementation of an economic development program. Assistance must be part of a continuous process involving significant local leadership from public officials and private citizens and should include efforts to reduce unemployment and increase incomes. Authority: Sec. 701, Pub. L. 89-136; 79 Stat. 570 (42 U.S.C. 3211); Department of Commerce Organization Order 10-4, as amended (40 FR 56702, as amended).

Source: 60 FR 49692, Sept. 26, 1995, unless otherwise noted.

§ 308.1 Purpose and scope.

(a) The Economic Adjustment Program addresses the particular needs of
areas experiencing changes in their economic situation which are causing, or threaten to cause, serious structural damage to the underlying economic base. Such changes may occur suddenly or over time, for example, as a result of industrial or corporate restructuring in response to technological advancements or changes in the marketplace, new Federal laws or requirements, reductions in defense expenditures, or depletion of natural resources or natural disasters.

(b) Economic Adjustment grants are awarded for the purpose of enabling communities in such areas to meet the challenge of economic change more effectively through the development and implementation of strategies for inducing capital investment in production of the types of goods and/or services for which the community may have or be able to develop a comparative economic advantage, and which will lead to economic recovery and saving and/or creating permanent jobs.

(c) Overall funding objectives of this program are to:

(1) Provide impacted communities with the skills and knowledge needed to organize and carry out a strategic planning process focusing on increasing the productivity and competitiveness of a community’s assets, such as for example, existing industries and business acumen, natural resources, or labor force skills;

(2) Expand the capacity of public officials and development organizations to work more effectively with their business community to identify and address unmet needs of the types of firms identified in area strategies. Such needs include, for example, management assistance and information to help with modernization, financing, market research, and new product development;

(3) Assist communities to overcome critical impediments to implementing their adjustment strategy. Such impediments include, for example, a lack of available financing for the businesses or weaknesses in economic infrastructure;

(4) Enable communities to plan and coordinate:

(i) The use of Federal, and/or other resources available to support economic recovery from Federal actions adversely affecting a major industrial sector;

(ii) The economy of a discrete geographic region; or

(iii) Recovery from natural disasters.

(5) Encourage the development of innovative public/private approaches to economic restructuring and revitalization.

§ 308.2 Use of economic adjustment grants.

(a) Grants shall be used to develop or implement economic adjustment strategies. Strategy grants provide the resources for organizing and conducting a strategic planning process. Implementation grants support one or more activities identified in an adjustment strategy approved by EDA. Such activities include the following, which may be undertaken singly or in combination:

(1) Infrastructure improvements, such as for example, acquisition, site preparation, construction, rehabilitation and/or equipping of eligible facilities;

(2) Provision of business financing through establishment of locally administered revolving loan funds (RLFs);

(3) Planning, including strategy development, updating or refinement;

(4) Market or industry research and analysis;

(5) Technical assistance, including organizational development such as business networking, restructuring or improving the delivery of business services, or for feasibility studies;

(6) Public Services;

(7) Training; and

(8) Other activities as justified by the economic adjustment strategy which meet statutory and regulatory requirements.

(b) Adjustment grants may be disbursed by the grantee through direct expenditures or through redistribution by them to public and private entities.

(1) Redistribution in the form of grants may only be to units of government or to public or private non-profit organizations.
§ 308.3 Redistribution in the form of loans, loan guarantees or other appropriate assistance may be to public or private entities.

§ 308.3 Eligible applicants.
Eligible applicants within areas meeting the EDA eligibility criteria described below include:
(a) A redevelopment area or economic development district established under Title IV of the Act;
(b) An American Indian tribe;
(c) A State;
(d) A city or other political subdivision of a state;
(e) A consortium of such political subdivisions;
(f) A Community Development Corporation;
(g) A non-profit organization determined by EDA to represent the interests of a redevelopment area(s) or economic development districts with respect to the objectives of the Economic Adjustment program; and
(h) The Federated States of Micronesia, the Republic of the Marshall Islands, the Republic of Palau, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands.

§ 308.4 Eligible areas.
(a) General. The area(s) to be assisted by the applicant must be eligible on the basis of the criteria described below for establishing that it is experiencing either Long-Term Economic Deterioration (LTED) or a Sudden and Severe Economic Dislocation (SSED) or a Special Need.
(b) LTED. The area must be experiencing at least one of three economic problems:
(1) Very high unemployment;
(2) Low per capita income; or
(3) Chronic distress (i.e., failure to keep pace with national economic growth trends over the last 5 years). Priority consideration will be given to those areas with two or more of these indicators. Eligibility is generally determined statistically. Further information is available from EDA’s regional offices and EDRs (see §300.4 of this chapter).
(c) SSED. The area must show actual or threatened permanent job losses that exceed the following threshold criteria:
(1) For areas not in Metropolitan Statistical Areas:
   (i) If the unemployment rate of the Labor Market Area exceeds the national average, the dislocation must amount to the lesser of 2 percent of the employed population, or 500 direct jobs; and
   (ii) If the unemployment rate of the Labor Market Area is equal to or less than the national average, the dislocation must amount to the lesser of 4 percent of the employed population, or 1,000 direct jobs.
(2) For areas within Metropolitan Statistical Areas:
   (i) If the unemployment rate of the Metropolitan Statistical Area exceeds the national average, the dislocation must amount to the lesser of 0.5 percent of the employed population, or 4,000 direct jobs; and
   (ii) If the unemployment rate of the Metropolitan Statistical Area is equal to or less than the national average, the dislocation must amount to the lesser of 1 percent of the employed population or 8,000 direct jobs.
(3) In addition, 50 percent of the job loss threshold must result from the action of a single employer, or 80 percent of the job loss threshold must occur in a single standard industry classification (i.e., two digit SIC code).
(4) Actual dislocations must have occurred within one year and threatened dislocations must be anticipated to occur within 2 years of the date EDA is contacted.
(5) In the case of a Presidentially declared disaster, the area eligibility criteria findings are waived.
(d) Special need. An area must be determined by EDA to require assistance for another kind of economic adjustment problem or problems.

§ 308.5 Selection process.
(a) Projects will be selected in accordance with §304.1 of this chapter.
(b) Applicants for funding of a Revolving Loan Fund (RLF) are generally required to submit a RLF Plan in addition to the adjustment strategy for the area. Guidelines on RLFs are available
§ 308.6 Evaluation factors.

(a) General. EDA will use the evaluation criteria set forth in part 304 of this chapter. To the extent practicable, EDA will use the evaluation factors set out in this section in the selection process:

(b) Strategy grants. EDA will review strategy grant applications to determine whether:

(1) The applicant organization has the necessary authority, mandate and capacity to lead and manage the planning process and implementation of the resulting strategy;

(2) The planning process provides for the representation of public and private sector entities with a contribution to make to the development of the strategy and/or on which accomplishment of the strategic objectives will depend. These entities include public program and service providers, trade and business associations, educational and research institutions, and community development corporations, etc.; and

(3) The proposed scope of work focuses on the specific economic problems to be addressed and provides for undertaking the appropriate research and analysis needed to formulate a realistic, market-based, adjustment strategy.

(c) Implementation grants. EDA will review implementation grant applications to determine whether:

(1) Strategies have been completed; provided however, that EDA may, in some instances, consider funding a project prior to completion of the strategy/plan, if:

(i) An appropriate community planning process is underway;

(ii) Sufficient analysis has been done to show that the proposed project is economically viable and potentially consistent with the evolving strategy; and

(iii) The proposed project has the support of the community.

(2) Activities or projects proposed for funding are generally identifiable as integral and priority elements within an adjustment strategy for the eligible area(s) prepared or updated within the preceding 2 years;

(3) The strategy addresses the following:

(i) An appropriately designed and conducted planning process;

(ii) An understanding of the economic problems being addressed;

(iii) An analysis of the industry sectors and the firms within them that comprise the area’s economic base, and of the particular strengths and weaknesses of the area that contribute to, or detract from, its current and potential economic competitiveness;

(iv) Strategic objectives that flow from the economic analysis and conclusions and focus on stimulating investment in new and/or expanding economic activities that offer the best prospects for revitalization and growth;

(v) Appropriate and necessary resources in the area and elsewhere which have been identified and will be coordinated to support implementation of the strategy; and

(vi) The performance measures which the applicant will use to assess progress toward accomplishing its strategic objectives.

(4) All individual activities or projects proposed for funding are consistent with one or more of the Economic Adjustment Program objectives stated in §308.1.

(d) Revolving Loan Fund grants. For implementation grants proposing to capitalize or recapitalize a Revolving Loan Fund (RLF), EDA will also review how the application discusses:

(1) The need for a new or expanded public financing tool to complement other business assistance programs and services available to firms and/or would-be entrepreneurs in industry sectors and/or locations targeted by the adjustment strategy;

(2) The types of financing activities anticipated; and

(3) The prospective capacity of the RLF’s organization to work effectively with the business community and other financing providers, to function as an integral part of the overall economic adjustment effort and to manage the lending function.
§ 308.7 Award requirements.

(a) Projects are expected to be completed in a timely manner consistent with the nature of the project. Normally, the maximum period for any financial assistance that is provided shall be not more than 5 years from the end of the fiscal year of the award.

(b) Title IX funds are awarded through grants generally not to exceed 75 percent of the project cost. EDA may waive all or part of the 25 percent nonfederal share of economic adjustment assistance grants, because of the critical nature of the situation requiring economic adjustment assistance, or for other good cause. The local share must not be encumbered in any way that would preclude its use as required by the grant agreement. The local share for grants to establish or recapitalize a RLF must be in cash, and while the local share for grants for other activities may be cash or in-kind, priority consideration will be given to proposals with a cash local share.

(c) Direct recipients of grant assistance shall submit a report to EDA each year that the assistance continues in accordance with the Act. The report shall include:

1. Whether planned activities are completed or their anticipated completion time;

2. The degree to which activities have achieved their planned goals as described in the plan; and

3. RLF grantees must submit semiannual reports until graduated to annual report status.

312.4 Award requirements.
312.5 Construction management and disbursement.
312.6 Conditions for disbursement of funds.

SOURCE: 60 FR 49694, Sept. 26, 1995, unless otherwise noted.

312.1 Purpose and scope.

The purpose of this part is to set forth requirements governing the extension of assistance under section 304 of the Act (42 U.S.C. 3153). Funds obligated to a State shall be available for supplementing or making grants authorized under Titles I, III (other than planning grants authorized under sections 301(b) and 302), IV, and IX of the Act for projects within such States. The Assistant Secretary has notified the State of amounts available under section 304, if any, for basic and supplemental assistance under this part.

312.2 Selection and qualification of projects for supplementary assistance.

The selection of projects to be assisted by the use of funds in supplementing grants made by EDA under Titles I and III (other than planning grants authorized under sections 301(b) and 302), IV, and IX of the Act shall be made by the States and communicated to EDA on forms prescribed by EDA. Eligibility of a project for assistance shall be determined by EDA incident to the evaluation of the applications for the underlying basic grant assistance for such project.

312.3 Selection and qualification of projects for basic grant assistance.

(a) In those cases where the States propose to use funds for basic grant assistance for projects meeting requirements for assistance under Titles I and III (other than planning grants authorized under sections 301(b) and 302), IV, and IX of the Act, and for which funds have been determined to be unavailable by EDA under Titles I, III, IV, and IX, the States shall communicate the proposed use of the funds to EDA on forms prescribed by EDA. A proposal shall contain or be accompanied by the documentation or certification evidencing compliance with the requirements, conditions, and limitations as would be applicable to such project if it were...
being considered for funding under Titles I and III (other than planning grants authorized under sections 301(b) and 302), IV, and IX of the Act. Eligibility and compliance of a project for assistance shall be determined by EDA in the same manner as applicable to projects receiving only supplementary assistance under section 304 of the Act.

(b) A proposal by a State for the use of funds for a basic grant shall be accompanied by evidence that the principal governing authorities for the area in which a project is to be located have approved the project.

(c) Funds may not be used by a State as a grant to a private profitmaking entity.

§ 312.4 Award requirements.

States must make a contribution which is equal to at least 25 percent of the funds being made available to a particular project from funds appropriated under section 304 of the Act. Participation in or contributions to a project by local subdivisions of a State or private individuals or organizations shall not be deemed contributions by the State as required by this section.

§ 312.5 Construction management and disbursement.

Projects assisted through the use of funds in supplementing EDA grants under Titles I and III (other than planning grants authorized under sections 301(b) and 302), IV, and IX of the Act or in providing basic grants shall be subject to the same procedures and requirements relating to post-approval compliances, construction management, and disbursement as applicable to projects funded under Titles I, III, IV, and IX of the Act.

§ 312.6 Conditions for disbursement of funds.

(a) As a condition for the disbursement of funds, a State shall conform to the requirements of the Act and provide acceptable evidence of compliance with requirements conditions and limitations applicable to projects assisted under Titles I, III (other than planning grants authorized under section 301(b) and 302), IV, and IX of the Act. States will be promptly notified of proposals which do not meet requirements.

(b) It shall also be a condition for the disbursement of funds for any project that the State must make a showing:

(1) That such funds will be used in a manner consistent with the State planning process assisted under part 307 of this chapter if such a planning process has been established;

(2) That such State is not receiving planning assistance under part 307 but has an economic development planning process meeting the standards required for assistance under part 307 of this chapter and that the proposed use of funds is consistent with such planning process; or

(3) That the project is clearly of such nature that EDA may conclude that its implementation would not impair the benefits intended to be derived from an orderly economic development planning process.

Subpart A—In General

§ 314.1 Federal interest, applicability.

(a) All property that is acquired or improved with EDA grant assistance shall be held in trust by the recipient for the benefit of the project purposes under which the property was acquired or improved.

(b) During the estimated useful life of the project, EDA retains an undivided equitable reversionary interest in property acquired or improved with EDA grant assistance.

(c) EDA may approve the substitution of an eligible entity for a grantee. The original grantee remains responsible for the period it was the grantee, and the successor grantee holds the project property with the responsibilities of an original grantee under the award.

(d) The requirements contained in this part apply solely to grant and cooperative agreement award projects.

§ 314.2 Definitions.

As used in this part 314 of this chapter:

Dispose includes sell, lease, abandon, or use for a purpose or purposes not authorized under the grant award or this part.

Estimated useful life means that period of years from the time of award, determined by EDA as the expected lifespan of the project.

Grantee includes any recipient, subrecipient, awardee, or subawardee of grant assistance under the Public Works and Economic Development Act of 1965, or under Title II, Chapter 3 of the Trade Act of 1974, Title I of the Public Works Employment Act of 1976, the Public Works Employment Act of 1977, or the Community Emergency Drought Relief Act of 1977, and any EDA-approved successor to such recipient, subrecipient, awardee or subawardee.

Owner includes fee owner, transferee, lessee, or optionee of real property upon which project facilities or improvements are or will be located, or real property improved under a project which has as its purpose that the property be sold.

Personal Property means all property other than real property.

Project means the activity and property acquired or improved for which a grant is awarded. When property is used in other programs as provided in §314.3(b), “project” includes such programs.

Property includes all forms of property, real, personal (tangible and intangible), and mixed.

Real property means any land, improved land, structures, appurtenances thereto, or other improvements, excluding movable machinery and equipment.

Improved land also includes land which is improved by the construction of such project facilities as roads, sewers, and water lines which are not situated directly on the land but which contribute to the value of such land as a specific part of the project purpose.

§ 314.3 Use of property.

(a) The grantee or owner shall use any property acquired or improved in whole or in part with grant assistance only for the authorized purpose of the project as long as it is needed during the estimated useful life of the project and such property shall not be leased, sold, disposed of or encumbered without the written authorization of EDA.

(b) In the event that EDA and the grantee determine that property acquired or improved in whole or in part with grant assistance is no longer needed for the original grant purpose, it may be used in other Federal grant programs, or programs that have purposes consistent with those authorized for support by EDA, if EDA approves such use.

(c) When the authorized purpose of the EDA grant is to develop real property to be leased or sold, as determined by EDA, such sale or lease is permitted provided the sale is consistent with the authorized purpose of the grant and with applicable EDA requirements concerning, but not limited to, non-discrimination and nonrelocation.

(d) When acquiring replacement personal property of equal or greater value, the grantee may trade-in the property originally acquired or sell the original property and use the proceeds in the acquisition of the replacement property, provided that the replacement property shall be used for the
Economic Development Administration, Commerce § 314.6

§ 314.4 Unauthorized use.
(a) Except as provided in §314.3 (b), (c) or (d), whenever, during the expected useful life of the project, any property acquired or improved in whole or in part with grant assistance is disposed of without the approval of EDA, or no longer used for the authorized purpose of the project, the Federal Government shall be compensated by the grantee for the Federal share of the value of the property; provided that for equipment and supplies, the standards of the Uniform Administrative Requirements for Grants at 15 CFR part 24 and OMB Circular A-110 or any supplements or successors thereto, as applicable, shall apply.

(b) If property is disposed of without approval, EDA may assert its interest in the property to recover the Federal share of the value of the property for the Federal Government. EDA may pursue its rights under both paragraphs (a) and (b) of this section, except that the total amount to be recovered shall not exceed the Federal share, plus costs and interest.

§ 314.5 Federal share.
(a) For purposes of this part 314, the Federal share of the value of property is that percentage of the current fair market value of the property attributable to the EDA participation in the project (after deducting actual and reasonable selling and fix-up expenses, if any, incurred to put the property into condition for sale).

(b) Where the grantee's interest in property is a leasehold for a term of years less than the depreciable remaining life of the property, that factor shall be considered in determining the percentage of the Federal share.

(c) If property is transferred from the grantee to another eligible entity, as provided in §314.1(c), the Federal Government shall be compensated the Federal share of any money paid by or on behalf of the successor grantee to or for the benefit of the original grantee, provided that EDA may first permit the recovery by the original grantee of an amount not exceeding its investment in the project nor exceeding that percentage of the value of the property that is not attributable to the EDA participation in the project.

(d) When the Federal Government is compensated for the Federal share of the value of property acquired or improved in whole or in part with grant assistance, EDA has no further interest in the ownership, use or disposition of the property.

§ 314.6 Encumbrances.
(a) Except as provided in §314.6(c), grantee-owned property acquired or improved in whole or in part with grant assistance may not be used to secure a mortgage or deed of trust or otherwise be used as collateral or encumbered except to secure a grant or loan made by a State or Federal agency or other public body participating in the same project.

(b) Encumbering such property other than as permitted in this section is an unauthorized use of the property requiring compensation to the Federal Government as provided in §§314.4 and 314.5.

(c) EDA may waive the provisions of §314.6(a) for good cause when EDA determines all of the following:
(1) All proceeds from the grant/loan to be secured by the encumbrance on the property shall be available only to the grantee, and all proceeds from such secured grant/loan shall be used only on the project for which the EDA grant was awarded or on related activities of which the project is an essential part;
(2) The lender/grantor would not provide funds without the security of a lien on the project property; and
(3) There is a reasonable expectation that the borrower/grantee will not default on its obligation.

(d) EDA may waive the provisions of §314.6(a) as to an encumbrance on property which is acquired and/or improved by an EDA grant when EDA determines that the encumbrance arises solely from the requirements of a pre-existing water or sewer facilities or other utility encumbrance which by its terms extends to additional property connected to such facilities. EDA’s determination shall make reference to the specific requirements (for example, “water system and all accessions or additions or improvements thereto”) which extend
Subpart B—Real Property

§ 314.7 Title.

(a) The grantee must furnish evidence, satisfactory in form and substance to EDA, that title to real property required for a project (other than property of the United States) is vested in the grantee, and that such easements, rights-of-way, state permits, or long-term leases as are required for the project have been or will be obtained by the grantee within an acceptable time. EDA may determine that, in lieu of title, a long-term leasehold interest for a period not less than the estimated useful life of the project will be acceptable, but only if fee title is not obtainable and the lease provisions adequately safeguard EDA's interest in the project.

(b) The grantee must disclose to EDA any liens, mortgages, other encumbrances, reservations, reversionary interests, or other restrictions on title or the grantee's interest in the property. No such encumbrance or restriction will be acceptable if, as determined by EDA, the encumbrance or restriction will interfere with the construction, use, operation or maintenance of the project during its estimated useful life.

§ 314.8 Recorded statement.

(a) For all projects involving the acquisition, construction or improvement of a building, as determined by EDA, the grantee shall execute a lien, covenant or other statement of EDA’s interest in the property acquired or improved in whole or in part with the funds made available under the award. The statement shall specify in years the estimated useful life of the project and shall include, but not be limited to disposition, encumbrance, and compensation of Federal share requirements of this part 314. The statement shall be satisfactory in form and substance to EDA.

(b) The statement of EDA’s interest must be perfected and placed of record in the real property records of the jurisdiction in which the property is located, all in accordance with local law.

(c) Facilities in which the EDA investment is only a small part of a large project, as determined by EDA, may be exempted from the requirements of this section.

Subpart C—Personal Property

§ 314.9 Recorded statement.

For all projects which EDA determines involve the acquisition or improvement of significant items of tangible personal property, including but not limited to ships, machinery, equipment, removable fixtures or structural components of buildings, EDA will require the grantee to execute a security interest or other statement of EDA’s interest in the property, acceptable in form and substance to EDA, which statement must be perfected and placed of record in accordance with local law, with continuances filed as appropriate.

§ 314.10 Revolving loan funds.

(a) With EDA's consent, grantees holding revolving loan fund (RLF) property (including but not limited to money, notes, and security interests) may sell such property or encumber such property as part of a securitization of the RLF portfolio in either case to generate money to be used for additional loans as part of the RLF project;

(b) When a grantee determines that it is no longer necessary or desirable to operate an RLF, the RLF may be terminated; provided that, unless otherwise stated in the award, the Federal Government shall be compensated the Federal share of the value of the RLF property. The Federal share shall apply proportionate to the percentage of the capitalization of the RLF contributed by EDA to all RLF property including the present value of all outstanding loans; provided that the grantee may use for other economic development purposes with EDA’s approval that portion of such RLF property which EDA determines is attributable to the payment of interest on RLF loans and not used by the grantee for administrative or other allowable expenses.
PART 315—CERTIFICATION AND ADJUSTMENT ASSISTANCE FOR FIRMS

Subpart A—General Provisions

§ 315.1 Purpose and scope.
The regulations in this part implement certain changes to responsibilities of the Secretary of Commerce under Chapter 3 of Title II of the Trade Act of 1974, as amended (19 U.S.C. 2341 et. seq.) (Trade Act), concerning adjustment assistance for firms. The statutory authority and responsibilities of the Secretary of Commerce relating to adjustment assistance are delegated to EDA. EDA has the duties of certifying firms as eligible to apply for adjustment assistance, providing technical adjustment assistance to eligible recipients, and providing assistance to organizations representing trade injured industries.

§ 315.2 Definitions.
As used in this part 315:
Adjustment assistance is technical assistance provided to firms or industries under Chapter 3 of Title II of the Trade Act.
Adjustment proposal means a certified firm’s plan for improving its economic situation.
Certified firm means a firm which has been determined by EDA to be eligible to apply for adjustment assistance.
Confidential business information means information submitted to EDA or TAACs by firms that concerns or relates to trade secrets for commercial or financial purposes which is exempt from public disclosure under 5 U.S.C. 552(b)(4), 5 U.S.C. 552 b(c)(4) and 15 CFR part 4.
Decreased absolutely means a firm’s sales or production has declined:
(1) Irrespective of industry or market fluctuations; and
(2) Relative only to the previous performance of the firm;
Directly competitive means:
(1) Articles which are substantially equivalent for commercial purposes, i.e., are adapted to the same function or use and are essentially interchangeable; and
(2) Oil or natural gas (exploration, drilling or otherwise produced);
Firm means an individual proprietorship, partnership, joint venture, association, corporation (including a development corporation), business trust, cooperative, trustee in bankruptcy or receiver under court decree and including fishing, agricultural entities and those which explore, drill or otherwise produce oil or natural gas. When a firm owns or controls other firms as described below, for purposes of receiving benefits under this part, the firm and such other firms may be considered a single firm when they produce like or directly competitive articles or are exerting essential economic control over one or more production facilities. Such other firms include:
(1) Predecessor;
(2) Successor;
(3) Affiliate; or
(4) Subsidiary.
A group of workers threatened with total or partial separation means there is...
§ 315.3 Confidential business information.

EDA will follow the procedures set forth in 15 CFR 4.7, and submitters should so designate any information they believe confidential.

§ 315.4 Eligible applicants.

(a) Trade Adjustment Assistance Centers (TAACs) are eligible applicants. A TAAC can be:

(1) A university affiliate;
(2) State or local government affiliate;
(3) Non-profit organization.

(b) Firms;

(c) Organizations assisting or representing industries in which a substantial number of firms or workers have been certified as eligible to apply for adjustment assistance under Sections 223 or 251 of the Trade Act including the following:

(1) Existing agencies;
(2) Private individuals;
(3) Firms;
(4) Universities;
(5) Institutions;
(6) Associations;
(7) Unions; or
(8) Other non-profit industry organizations.

§ 315.5 Selection process.

(a) TAACs are selected in accordance with the following:

(1) Currently funded TAACs are invited by EDA to submit either new or amended applications, provided they have performed in a satisfactory manner and complied with previous and/or current conditions in their cooperative agreements with EDA and contingent upon availability of funds. Such TAACs shall submit an application on a form approved by OMB, as well as a proposed budget, narrative scope of work, and such other information as requested by EDA. Acceptance of an application or amended application for a cooperative agreement does not assure funding by EDA; and

(2) New TAACs will be invited to submit proposals, and if they are acceptable, EDA will invite an application on a form approved by OMB. An application will be accompanied by a narrative scope of work, proposed budget

and such other information as requested by EDA. Acceptance of an application does not assure funding by EDA.

(b) Firms are selected in accordance with the following:

(1) Firms may apply for certification generally through a TAAC by filling out a petition for certification. The TAAC will provide technical assistance to firms wishing to fill out such petitions;

(2) Once firms are certified in accordance with the procedures described in §§315.9 and 315.10, an adjustment proposal is usually prepared with technical assistance from a party independent of the firm, usually the TAAC, and submitted to EDA;

(3) Certified firms which have submitted acceptable adjustment proposals within the time limits described in §315.13 below, may begin implementation of such proposal, generally through the TAAC and often with Technical Assistance from the TAAC, by submitting a request to the TAAC to provide assistance in implementing an accepted adjustment proposal; and

(4) EDA determines whether or not to provide assistance for adjustment proposals based upon §315.6(c)(2).

c) Organizations representing trade injured industries must meet with an EDA representative to discuss the industry problems, opportunities and assistance needs, and if invited by EDA may then submit an application as approved by OMB, as well as a scope of work and proposed budget.

§ 315.6 Evaluation criteria.

(a) Currently funded TAACs are generally evaluated based on the following:

(1) How well they have performed under cooperative agreements with EDA and if they are in compliance with the terms and conditions of such cooperative agreements;

(2) Proposed scope of work, budget and application or amended application; and

(3) The availability of funds.

(b) New TAACs are generally evaluated based on the following:

(1) Demonstrates competence in administering business assistance programs;

(2) Background and experience of staff;

(3) Proposed scope of work, budget and application; and

(4) The availability of funding.

c) Firms are generally evaluated based on the following:

(1) For certification, firms' petitions are selected strictly on the basis of conformance with requirements set forth in §315.9 below;

(2) An adjustment proposal is evaluated on the basis of the following:

(i) The proposal must be submitted to EDA within 2 years after the date of the certification of the firm; and

(ii) The adjustment proposal must include a description of any technical assistance requested to implement such proposal including financial and other supporting documentation as EDA determines is necessary, based upon either:

(A) An analysis of the firm's problems, strengths and weaknesses and an assessment of its prospects for recovery;

(B) If EDA so determines, an acceptable adjustment proposal can be prepared on the basis of other available information.

(iii) The adjustment proposal must be evaluated to determine that it:

(A) Is reasonably calculated to contribute materially to the economic adjustment of the firm, i.e., that such proposal will be a constructive aid to the firm in establishing a competitive position in the same or a different industry;

(B) Gives adequate consideration to the interests of a sufficient number of separated workers of the firm, by providing for example that the firm will:

(1) Give a rehiring preference to such workers;

(2) Make efforts to find new work for a number of such workers; and

(3) Assist such workers in obtaining benefits under available programs.

(C) Demonstrates that the firm will make all reasonable efforts to use its own resources for economic development, though under certain circumstances, resources of related firm
§ 315.7
or major stockholders will also be con-
sidered.
(d) Organizations representing trade
injured industries must demonstrate
that the industry is injured by in-
creased imports and that the activities
to be funded will yield some short-term
actions that the industry itself (and in-
dividual firms) can and will take to-
ward the restoration of the industry’s
international competitiveness.
(1) The emphasis is on practical re-
results that can be implemented in the
near term, and long-term research and
development activities are given low
priority.
(2) It is also expected that the indus-
try will continue activities on its own
without the need for continued Federal
assistance.

§ 315.7 Award requirements.
(a) Award periods are as follows:
(1) TAACs are generally funded for 12
months;
(2) Firms are generally provided as-
sistance over a 2-year period; and
(3) Organizations representing trade
injured industries are generally funded
for 12 months.
(b) Matching requirements are as fol-
lows:
(1) There are no matching require-
ments for certification assistance pro-
vided by the TAACs to firms or for ad-
ministrative expenses for the TAACs;
(2) All adjustment proposals and im-
plementation assistance must include
50% of the total project cash cost, in addition
to appropriate in kind contribution,
are expected from organizations rep-
resenting trade injured industries.

Subpart B—Trade Adjustment
Assistance Centers
§ 315.8 Purpose and scope.
(a) Trade Adjustment Assistance
Centers (TAACs) are available to assist
firms in all fifty states, the District of
Columbia and the Commonwealth of
Puerto Rico in obtaining adjustment
assistance. TAACs provide technical
assistance in accordance with this sub-
part either through their own staffs or
by arrangements with outside consult-
ants. Information concerning TAACs
serving particular areas can be ob-
tained from EDA. See the annual FY
NOFA for the appropriate point of con-
tact and address.
(b) Prior to submitting a request for
technical assistance to EDA, a firm
should determine the extent to which
the required technical assistance can
be provided through a TAAC. EDA will
provide technical assistance through
TAACs whenever EDA determines that
such assistance can be provided most
effectively in this manner. Requests for
technical assistance will normally be
made through TAACs.
(c) TAACs generally provide tech-
nical assistance to a firm by providing
the following:
(1) Assistance to a firm in preparing
its petition for certification;
(2) Assistance to a certified firm in
diagnosing its strengths and weak-
nesses and developing an adjustment
proposal for the firm; and
(3) Assistance to a certified firm in
the implementation of the adjustment
proposal for the firm.

Subpart C—Certification of Firms
§ 315.9 Certification requirements.
A firm will be certified eligible to
apply for adjustment assistance based
upon the petition for certification if
EDA determines, under section 251(c)
of the Trade Act, that:
(a) A significant number or propor-
tion of workers in such firm have be-
come totally or partially separated,
or threatened to become totally or
partially separated.
(b) Either sales or production, or
both of the firm have decreased abso-
lutely; or sales or production, or both
of any article that accounted for not
less than 25 percent of the total pro-
duction or sales of the firm during the
12-month period preceding the most re-
cent 12-month period for which data
are available have decreased abso-
lutely; and
(c) Increases of imports (absolute or
relative to domestic production) of ar-
ticles like or directly competitive with
§ 315.10 Processing petitions for certification.

(a) Firms are encouraged to consult with a TAAC or EDA for guidance and assistance in the preparation of their petitions for certification.

(b) A firm seeking certification shall complete a petition (OMB Control Number 0610-0091) in the form prescribed by EDA with the following information about such firm:

1. Identification and description of the firm, including legal form of organization, economic history, major ownership interests, officers, directors, management, parent company, subsidiaries or affiliates, and production and sales facilities;

2. Description of goods and services produced and sold;

3. Description of imported articles like or directly competitive with those produced;

4. Data on its sales, production and employment for the two most recent years;

5. Copies of its audited financial statements, or if not available, unaudited financial statements and Federal income tax returns for the two most recent years;

6. Copies of unemployment insurance reports for the two most recent years.

7. Information concerning its major customers and their purchases; and

8. Such other information as EDA may consider material.

(c) EDA shall determine whether the petition has been properly prepared and can be accepted. Immediately thereafter EDA shall notify the petitioner that the petition has been accepted or advise the petitioner that the petition has not been accepted, but may be resubmitted at any time without prejudice when the specified deficiencies have been corrected and the resubmission will be treated as a new petition.

(d) A notice of acceptance of a petition shall be published in the Federal Register.

(e) An investigation shall be initiated by EDA to determine whether the petitioner meets requirements set forth in section 251(c) of the Trade Act and §315.9 above. The investigation can be terminated at any time for failure to meet such requirements. A report of this investigation shall become part of the record upon which a determination of the petitioner’s eligibility to apply for adjustment assistance shall be made.

(f) A petitioner may withdraw a petition for certification if a request for withdrawal is received by EDA before a certification determination or denial is made. Such firm may submit a new petition at any time thereafter in accordance with the requirements of this section and §315.9.

(g) Following acceptance, EDA shall decide what action to take on petitions for certification as follows:

1. Make a determination based on the record as soon as possible after all material has been submitted. In no event may the period exceed 60 days from the date on which the petition was accepted; and

2. Either certify the petitioner eligible to apply for adjustment assistance or deny the petition, and in either event EDA shall promptly give notice of the action in writing to the petitioner. A notice to the petitioner or any parties requesting notice as specified in §315.10(d) of a denial of a petition shall specify the reasons upon which the denial is based. If a petition is denied, the petitioner shall not be entitled to resubmit its petition within one year from the date of the denial. At the time of the denial of a petition EDA may waive the 1-year limitation for good cause.

§ 315.11 Hearings, appeals and final determinations.

(a) Any petitioner may appeal to EDA from a denial of certification provided that the appeal is received by EDA in writing by personal delivery or by registered mail within 60 days from the date of notice of denial under § 315.10(g). The appeal shall state the grounds on which the appeal is based, including a concise statement of the supporting facts and law. The decision of EDA on the appeal shall be the final determination within the Department of Commerce. In the absence of an appeal by the petitioner under this paragraph, such final determination shall be determined under § 315.10(g).

(b) A firm, its representative or any other interested domestic party aggrieved by a final determination under paragraph (a) of this section may, within 60 days after notice of such determination, begin a civil action in the United States Court of International Trade for review of such determination in accordance with section 284 of the Trade Act (19 U.S.C. 2395).

(c) EDA will hold a public hearing on an accepted petition not later than 10 days after the date the publication of the Notice of Acceptance in the Federal Register if requested by either the petitioner or any other person found by EDA to have a substantial interest in the proceedings, under procedures, as follows:

(1) The petitioner and other interested persons shall have an opportunity to be present, to produce evidence, and to be heard;

(2) A request for public hearing must be delivered by hand or by registered mail to EDA. A request by a person other than the petitioner shall contain:

(i) The name, address, and telephone number of the person requesting the hearing; and

(ii) A complete statement of the relationship of the person requesting the hearing to the petitioner and the subject matter of the petition, and a statement of the nature of its interest in the proceedings.

(3) If EDA determines that the requesting party does not have a substantial interest in the proceedings, a written notice of denial shall be sent to the requesting party. The notice shall specify the reasons for the denial;

(4) EDA shall publish a notice of a public hearing in the Federal Register, containing the subject matter, name of petitioner, and date, time and place of hearing;

(5) EDA shall appoint the presiding officer of the hearing who shall determine all procedural questions;

(6) Procedures for requests to appear are as follows:

(i) Within 5 days after publication of the Notice of Public Hearing in the Federal Register, each party wishing to be heard must file a request to appear with EDA. Such request may be filed by:

(A) The party requesting such hearing;

(B) Any other party with substantial interest; or

(C) Any other party demonstrating to the satisfaction of the presiding officer that it should be allowed to be heard.

(ii) The party filing the request shall submit the names of the witnesses and a summary of the evidence it wishes to present; and

(iii) Such requests to appear may be approved as deemed appropriate by the presiding officer.

(7) Witnesses will testify in the order and for the time designated by the presiding officer, except that the petitioner shall have the opportunity to make its presentation first. After testifying, a witness may be questioned by the presiding officer or his/her designee. The presiding officer may allow any person who has been granted permission to appear to question the witnesses for the purpose of assisting him/her in obtaining relevant and material facts on the subject matter of the hearing;

(8) The presiding officer may exclude evidence which s/he deems improper or irrelevant. Formal rules of evidence shall not be applicable. Documentary material must be of a size consistent with ease of handling, transportation, and filing. Large exhibits may be used during the hearing, but copies of such exhibits must be provided in reduced size for submission as evidence. Two copies of all documentary evidence must be furnished to the presiding officer during the hearing;
(9) Briefs may be presented to the presiding officer by parties who have entered an appearance. Three copies of such briefs shall be filed with the presiding officer within 10 days of the completion of the hearing; and

(10) Procedures for transcripts are as follows:

(i) All hearings will be transcribed. Persons interested in transcripts of the hearings may inspect them at the U.S. Department of Commerce in Washington, DC, or purchase copies as provided in 15 CFR part 4, Public Information; and

(ii) Confidential business information as determined by EDA shall not be a part of the transcripts. Any confidential business information may be submitted directly to the presiding officer prior to the hearing. Such information shall be labeled Confidential Business Information. For the purpose of the public record, a brief description of the nature of the information shall be submitted to the presiding officer during the hearing.

§ 315.14 Assistance to firms in import-impacted industries.

(a) Whenever the International Trade Commission makes an affirmative finding under section 202(B) of the Trade Act that increased imports are a substantial cause of serious injury or threat thereof with respect to an industry, EDA shall provide to the firms in such industry, assistance in the preparation and processing of petitions and applications for benefits under programs which may facilitate the orderly adjustment to import competition of such firms. (b) EDA may provide technical assistance, on such terms and conditions as EDA deems appropriate for the establishment of industry wide programs for new product development, new process development, export development or other uses consistent with the purposes of this part.

(c) Expenditures for technical assistance under this section may be up to $10,000,000 annually per industry and shall be made under such terms and conditions as EDA deems appropriate.
PART 316—GENERAL REQUIREMENTS FOR FINANCIAL ASSISTANCE

Sec. 316.1 Environment.
(a) The purpose of this section is to ensure proper environmental review of EDA's actions under PWEDA and the Trade Act and to comply with the Federal environmental statutes and regulations in making a determination that balances economic development and environmental enhancement and mitigates adverse environmental impacts to the extent possible.

(b) Environmental assessments of EDA actions will be conducted in accordance with the statutes, regulations, and Executive Orders listed below. This list will be supplemented and modified, as applicable, in EDA's annual FY NOFA.

(2) Flood Disaster Protection Act of 1973, Public Law 93-234, as amended, 42 U.S.C. 4002 et seq.; and

(3) Endangered Species Act of 1973, Public Law 93-205, as amended, 16 U.S.C. 1531 et seq.; and

(4) Coastal Zone Management Act of 1972, Public Law 92-583, as amended, 16 U.S.C. 1451 et seq.;
(17) Other Federal Environmental Statutes and Executive Orders as applicable.

§ 316.2 Certification as to waste treatment.

Whenever the Environmental Protection Agency (EPA) has established a permitting and enforcement system for the regulation and monitoring of the design and operation of wastewater treatment plants which is delegated to the states for certification, EDA under PWEDA will accept such state certifications in lieu of certification by EPA.

§ 316.3 Excess capacity.

(a) All projects funded by EDA under PWEDA are subject to section 702 of PWEDA and EDA shall determine section 702 compliance based on the following:

(1) A section 702 study;
(2) A section 702 report; or
(3) A section 702 exemption.

(b) Definitions. For purposes of this section only:

Capacity means the maximum amount of a product or service that can be supplied to the market area over a sustained period by existing enterprises through the use of present facilities and customary work schedules for the industry.

Demand means the actual quantity of a product or service that users are willing to purchase for use in the market area served by the intended commercial or industrial beneficiary.

Efficient capacity means that part of capacity derived from the use of contemporary structures, machinery and equipment, designs and technologies.

Existing competitive enterprise means an established operation which either produces the same product or delivers the same service to all or a substantial part of the market area.

Market Area means the geographic area within which products and/or services compete for purchase by customers.

Primary Beneficiary means one or more firms within the same industry which may reasonably be expected to use 50 percent or more of the capacity of an EDA-financed facility(ies) in order to expand the supply of goods or services sold in competition with other producers or suppliers of such goods or services.

(c) For certain types of EDA projects, a section 702 study of competitive impact will be used as a basis for a decision by EDA that such project would not violate section 702 of PWEDA. A section 702 study is required when either of the following situations exists:

(1) Where a primary beneficiary is present; or
(2) When EDA so determines.

(d) The following procedures shall be followed to the extent necessary to provide EDA with sufficient information to prepare a 702 study:

(1) The primary beneficiary shall submit as part of the project selection process the following information with regard to each product or service affected by the project:
   (i) A detailed description;
   (ii) Current and projected amount and value of annual sales;
   (iii) Distribution channel(s) and geographic marketing area; and
   (iv) Name of other suppliers and amount presently available in the market area.

(2) If the primary beneficiary has conducted or commissioned a market study supporting the proposed project, such market study shall be made available to EDA early in the project selection process for verification and possible use by EDA as a basis for the 702 study or report.

(e) A section 702 report (a summary of supply/demand factors) will form an acceptable basis on which to make a section 702 compliance finding when the characteristics described in paragraph (c) (1) or (2) of this section are present and in addition, it is readily apparent that the resulting increase in output alleviates a shortage of goods or services in the market area.

(f) EDA will make a blanket finding of compliance with section 702 of PWEDA for those projects which have one or more of the following characteristics:

(1) The project has no primary beneficiary;
(2) The beneficiary’s projected new or additional annual output is less than 1
§ 316.4 Nonrelocation.

(a) General requirements for nonrelocation for funding under PWEDA are as follows:

(1) EDA financial assistance will not be used to assist employers who transfer jobs from one commuting area to another. A commuting area (“area”) is that area defined by the distance people travel to work in the locality of the project receiving EDA financial assistance.

(2) Every applicant for EDA financial assistance has an affirmative duty to inform EDA of any employer who will benefit from such assistance who will transfer jobs (not persons) in connection with the EDA grant;

(3) EDA will determine compliance with this requirement prior to grant award based upon information provided by the applicant during the project selection process; and

(4) Each applicant and identified primary beneficiary of EDA assistance, which for purposes of this section means an entity providing the economic justification for the project, must submit its certification of compliance with this section, and other applicable information as determined by EDA.

(b) The nonrelocation requirements stated in paragraph (a) of this section shall not apply to businesses which:

(1) Relocated to the area prior to the date of applicant’s request for EDA assistance;

(2) Have moved or will move into the area primarily for reasons which have no connection to the EDA assistance;

(3) Will expand employment in the area where the project is to be located substantially beyond employment in the area in which the business had originally been located;

(4) Are relocating from technologically obsolete facilities to be competitive;

(5) Are expanding into the new area by adding a branch, affiliate, or subsidiary while maintaining employment levels in the old area or areas; or

(6) Are determined by EDA to be exempt.

§ 316.5 Electric and gas facilities.

(a) General requirements for funding under PWEDA are as follows:

(1) Except for those types of facilities listed in paragraph (a)(2), (b) and (c) of this section, no financial assistance authorized under PWEDA will be used to finance:

(i) The cost of facilities for the generation, transmission, or distribution of electrical energy; or

(ii) For the production or transmission of natural, manufactured or mixed gas.

(2) Electric or gas facilities are eligible to receive EDA funding under

Economic Development Administration, Commerce  § 316.7

PWEDA if they meet the following requirements:
   (i) Those specifically authorized by Congress; or
   (ii) If not funded, jobs will be lost or reduced or new jobs will not be created, provided the following findings are made:
      (A) EDA determines that project financing is not available from private lenders or other Federal agencies on terms which, in the opinion of EDA, would permit completion and operation of the project; and
      (B) The Federal or state agency regulating such facility makes one of the following determinations:
          (1) There would not be any competition with existing public utilities under their jurisdiction in public rate charges; and
          (2) There would be such competition as described in paragraph (a)(2)(ii)(B)(1) of this section, but existing public utilities are unable or unwilling to meet the increase in demand for such energy.
   (b) Electrical facilities may also be funded if such funds would be used for:
      (1) An internal electrical system (system) on the consumer side of the distribution metering station, including for example, conductors, conduits, structures, switchgear, transformers and other appurtenances; provided such system meets the following requirements:
          (i) It is owned by the owner of all or a portion of the facility served by such system; and
          (ii) Electricity carried on such system will not be resold.
      (2) Standby electrical generating equipment, provided that such equipment is:
          (i) Incapable of and not intended to provide service on a regular and continuous basis; and
          (ii) Needed to prevent significant damage or harm resulting from a power failure.
      (3) Facilities for replacement or expansion of existing public utilities when the area served will remain unchanged;
      (4) Otherwise eligible components of projects which generate electricity but which also have other purposes, such as heating; or
      (5) Electrical generation facilities which use waste as an alternative to conventional fuels.
   (c) Gas facilities, including those needed for local storage, regulation and consumer metering, may also be funded if for the distribution of gas from the plant and metering station to consumers within a particular area.
