

Commodity Futures Trading Commission

§ 1.43

by the Director, authority to request under § 1.41(b)(2)(iii) that the contract market amend the proposed rule or supplement the submission, to notify a contract market under § 1.41(b)(3) that the time for review of a proposed contract term submitted under that section for fast-track review has been extended, and to notify the contract market under § 1.41(b)(4) that fast-track procedures are being terminated.

(c) The Director of the Division of Trading and Markets or the Director of the Division of Economic Analysis may submit to the Commission for its consideration any matter which has been delegated pursuant to paragraph (a) or (b) of this section.

(d) Nothing in this section shall be deemed to prohibit the Commission, at its election, from exercising the authority delegated to the Director of the Division of Trading and Markets and the Director of the Division of Economic Analysis under this section.

§ 1.41c Delegation of authority to the Director of the Division of Trading and Markets to receive notice of an emergency action.

The Commission hereby delegates authority to receive notification and explanation of a temporary emergency rule, notification of a physical emergency action, and a request for an extension of time for suspension of trading for a physical emergency, until the Commission orders otherwise, to the Director of the Division of Trading and Markets. This authority may be exercised by the Director or by another employee or employees of the Commission as may be designated from time to time by the Director.

§ 1.42 Delivery notice; filing of copy.

(a) Upon special call from the Commission or its designee, each contract market shall furnish or cause to be furnished promptly to the Commission for the futures or option contracts specified in the call a copy of each notice of delivery issued by any member thereof subject to the rules of such contract market, and shall also furnish or cause to be furnished promptly to the Com-

mission a record of all endorsements of the original notice of delivery shown in the order in which such endorsements were made. For the purposes of this paragraph the Commission hereby delegates to the Director of the Division of Economic Analysis, or to such other person designated by the Director, authority to issue calls for information contained in this section.

(b) Any contract market may provide the required delivery notice information on compatible data processing punched cards, magnetic tapes, magnetic discs, computer printouts, or other means: *Provided*, That the format and coding structure and the nature of the information contained thereon have been approved in writing by the Commission. A complete and accurate computer listing of any information supplied via data processing media must also be provided by an officer of the contract market at the time information via data processing media is supplied.

(c) For the purposes of this section, the term "delivery" includes the exercise of a commodity option on a physical but does not include any futures contract or option on a physical which is settled in cash rather than by delivery of the underlying commodity or underlying physical.

§ 1.44 Records and reports of warehouses, depositories, and other similar entities; visitation of premises.

Each contract market shall require the operators of warehouses, depositories and other similar entities whose receipts are deliverable in satisfaction of commodity futures contracts or options on physicals made on or subject to the rules of such contract market:

(a) To keep records showing the stocks of each commodity traded for future delivery or upon which option contracts are traded on such contract market in store in such warehouses, depositories and other similar entities by kinds, by classes, and by grades, if stored under conditions requiring such designation or identification, and including also lots and parcels stored specially or separately or in specially leased space of the warehouse, depository or other similar entity;

(b) Upon call from the Commission, to report the stocks of commodities in such warehouses, depositories and other similar entities and to furnish information concerning stocks of each commodity traded for future delivery or upon which option contracts are traded on such contract market about to be transferred or in the process of being transferred or otherwise moved into or out of such warehouses, depositories and other similar entities, as well as any other information concerning commodities stored in such warehouse, depositories and other similar entities and which are or may be available for delivery on futures contracts or options on physicals; and

(c) To permit visitation of the premises and inspection of the books and records of such warehouses, depositories and other similar entities by duly authorized representatives of the Commission or the Department of Jus-

§ 1.45 Delivery of commodities conforming to United States standards.

Each contract market shall require that all contracts of sale of any commodity for future delivery on or subject to the rules of such contract market shall provide for the delivery thereunder of commodities of grades conforming to United States standards if such standards shall have been officially promulgated and adopted by the Commission. In the event of a change in United States standards, all contracts made on and after the effective date of the adoption of the revised standard by the Commission shall be made on the basis of the standards as changed: *Provided*, That this shall not be construed to prevent the closing of trades made prior to the effective date of such adoption by the Commission.

§ 1.46 Application and closing out of offsetting long and short positions.

(a) *Application of purchases and sales.* Except with respect to purchases or sales which are for omnibus accounts, any futures commission merchant who, on or subject to the rules of a contract market:

(1) Purchases any commodity for future delivery for the account of any customer when the account of such customer at the time of such purchase has a short position in the same future of the same commodity on the same market;

(2) Sells any commodity for future delivery for the account of any customer when the account of such customer at the time of such sale has a long position in the same future of the same commodity on the same market;
