

(4) Investigation of complaints received from customers or option customers concerning the handling of their accounts or orders;

(5) Investigation of all other alleged or apparent violation of such bylaws, rules, regulations and resolutions;

(6) Such other surveillance, record examination and investigation as is necessary to enforce such bylaws, rules, regulations and resolutions; and

(7) A procedure which results in the taking of prompt, effective disciplinary action for any violation which is found to have been committed.

(b) Each contract market shall keep full, complete, and systematic records which will clearly set forth all action taken as a part of, and as a result of, its program required under paragraph (a) of this section.

§ 1.52 Self-regulatory organization adoption and surveillance of minimum financial requirements.

(a) Each self-regulatory organization must adopt, and submit for Commission approval, rules prescribing minimum financial and related reporting requirements for all its members who are registered futures commission merchants. Each self-regulatory organization other than a contract market must adopt, and submit for Commission approval, rules prescribing minimum financial and related reporting requirements for all its members who are registered introducing brokers. Each contract market which elects to have a category of membership for introducing brokers must adopt, and submit for Commission approval, rules prescribing minimum financial and related reporting requirements for all its members who are registered introducing brokers. Each self-regulatory organization shall submit for Commission approval any modification or other amendments to such rules. Such requirements must be the same as, or more stringent than, those contained

in §§ 1.10 and 1.17 and the definition of adjusted net capital must be the same as that prescribed in § 1.17(c): *Provided, however,* A designated self-regulatory organization may permit its member registrants which are registered with the Securities and Exchange Commission as securities brokers or dealers to file (in accordance with § 1.10(h)) a copy of their Financial and Operational Combined Uniform Single Report under the Securities Exchange Act of 1934, Part II or Part IIA, in lieu of Form 1-FR: And, *provided further,* A designated self-regulatory organization may permit its member introducing brokers to file a Form 1-FR-IB in lieu of a Form 1-FR-FCM.

(b) Each self-regulatory organization shall have in effect and enforce rules submitted to the Commission pursuant to paragraph (a) of this section and approved by the Commission.

(c) Any two or more self-regulatory organizations may file with the Commission a plan for delegating to a designated self-regulatory organization, for any registered futures commission merchant or any registered introducing broker which is a member of more than one such self-regulatory organization, the responsibility of:

(1) Monitoring and auditing for compliance with the minimum financial and related reporting requirements adopted by such self-regulatory organizations in accordance with paragraph (a) of this section; and

(2) Receiving the financial reports necessitated by such minimum financial and related reporting requirements.

Such plan may also delegate the responsibility of monitoring, and examining the books and records kept by, such registered futures commission merchant or registered introducing broker relating to its business of dealing in commodity futures, commodity options, and cash commodities, insofar as such business relates to its dealings on contract markets, as required by § 1.51(a)(3) and/or part 33 of this chapter.

(d) Any plan filed under this section may contain provisions for the allocation of expenses reasonably incurred by

the designated self-regulatory organization among the self-regulatory organizations participating in such a plan.

(e) A plan's designated self-regulatory organization must report to that plan's other self-regulatory organizations any violation of such other self-regulatory organizations' rules and regulations for which the responsibility to monitor, audit or examine has been delegated to such designated self-regulatory organization under this section.

(f) The self-regulatory organizations may, among themselves, establish programs to provide access to any necessary financial or related information.

(g) After appropriate notice and opportunity for comment, the Commission may, by written notice, approve such a plan, or any part of the plan, if it finds that the plan, or any part of it:

(1) Is necessary or appropriate to serve the public interest;

(2) Is for the protection and in the interest of customers or option customers;

(3) Reduces multiple monitoring and auditing for compliance with the minimum financial rules of the self-regulatory organizations submitting the plan for any futures commission merchant or introducing broker which is a member of more than one self-regulatory organization;

(4) Reduces multiple reporting of the financial information necessitated by such minimum financial and related reporting requirements by any futures commission merchant or introducing broker which is a member of more than one self-regulatory organization;

(5) Fosters cooperation and coordination among the contract markets; and

(6) Does not hinder the development of a registered futures association under section 17 of the Act.

(h)(1) Upon the approval of a plan or part of one under paragraph (g) of this section, a self-regulatory organization which is included in such a plan shall be considered to have met its affirmative action responsibilities under § 1.51 to the extent that such responsibilities have been delegated to a designated self-regulatory organization.

(2) After the Commission has approved a plan or part of one under § 1.52(g), a self-regulatory organization relieved of responsibility must notify each of its members which is subject to such a plan: (i) Of the limited nature of its responsibility for such a member's compliance with its minimum financial and related reporting requirements; and (ii) of the identity of the designated self-regulatory organization which has been delegated responsibility for such a member.

(i) The Commission may at any time, after appropriate notice and opportunity for hearing, withdraw its approval of any plan or part of one established under this section, if such plan or part of one ceases to effectuate adequately the purposes of section 4(f)(b) of the Act or of this section.

(j) Whenever a registered futures commission merchant or a registered introducing broker holding membership in a self-regulatory organization ceases to be a member in good standing of that self-regulatory organization, such self-regulatory organization must, on the same day that event takes place, give telegraphic notice of that event to the principal office of the Commission in Washington, DC and send a copy of that notification to such futures commission merchant or such introducing broker.

(k) Nothing in this section shall preclude the Commission from examining any futures commission merchant or introducing broker for compliance with the minimum financial and related reporting requirements to which such futures commission merchant or introducing broker is subject.

(l) In the event a plan is not filed and/or approved for each registered futures commission merchant or for each registered introducing broker which is a member of more than one self-regulatory organization, the Commission may design and, after notice and opportunity for comment, approve a plan for those futures commission merchants or introducing brokers which are not the subject of an approved plan (under

paragraph (g) of this section), delegating to a designated self-regulatory organization the responsibilities described in paragraph (c) of this section.

§ 1.55 Distribution of "Risk Disclosure Statement" by futures commission merchants and introducing brokers.

(a)(1) Except as provided in § 1.65, no futures commission merchant, or in the case of an introduced account no introducing broker, may open a commodity futures account for a customer, other than for a customer specified in paragraph (f) of this section, unless the futures commission merchant or introducing broker first:

EDITORIAL NOTE: At 63 FR 8570, Feb. 20, 1998, paragraph (a)(1) was revised. The Agency will publish a document in the FEDERAL REGISTER to clarify this discrepancy.

(b) The language set forth in the written disclosure document required by paragraph (a) of this section shall be as follows:

RISK DISCLOSURE STATEMENT

The risk of loss in trading commodity futures contracts can be substantial. You should, therefore, carefully consider whether such trading is suitable for you in light of your circumstances and financial resources. You should be aware of the following points:

(1) You may sustain a total loss of the funds that you deposit with your broker to establish or maintain a position in the commodity futures market, and you may incur losses beyond these amounts. If the market moves against your position, you may be called upon by your broker to deposit a substantial amount of additional margin funds, on short notice, in order to maintain your position. If you do not provide the required funds within the time required by your broker, your position may be liquidated at a loss, and you will be liable for any resulting deficit in your account.

(2) Under certain market conditions, you may find it difficult or impossible to liquidate a position. This can occur, for example, when the market reaches a daily price fluctuation limit ("limit move").

(3) Placing contingent orders, such as "stop-loss" or "stop-limit" orders, will not necessarily limit your losses to the intended
