

§ 345.84 The FPI scholarship fund.

FPI shall award post-secondary school scholarships to selected, qualified inmate workers. These scholarships provide an inmate with the opportunity to begin or continue with business and industry courses or vocational training as approved and deemed appropriate by the Supervisor of Education.

(a) *Eligibility requirements.* The SOI and the Supervisor of Education at each institution shall develop application procedures to include, at a minimum, the following criteria:

(1) The inmate shall be a full-time FPI worker.

(2) The inmate has a favorable recommendation for participation from his or her work supervisor.

(3) The inmate meets all relevant institution requirements for participation (e.g. disciplinary record, custody level).

(4) The inmate is accepted by the institution of higher learning offering the course or program which is requested.

(5) The inmate must maintain a verifiable average of "C" or better to continue program eligibility.

(6) Before beginning the course of study, the inmate must sign an agreement to provide the SOI with an unaltered, original copy of his or her grades.

(b) *Scholarship selection procedures.* FPI scholarship awards shall be made by a three member Selection Committee comprised of the SOI, the Supervisor of Education, and one other person designated by the SOI.

(c) *Scholarship program operation.* (1) Ordinarily, one scholarship may be awarded per school period for every fifty workers assigned. At least one

scholarship may be awarded at each institution location, regardless of the number of inmates assigned.

(2) Individual scholarships ordinarily should not exceed the cost of tuition and books for one course. Where several courses may be taken for the same cost as one, the inmate worker may be allowed to take more than one course.

(3) Scholarship monies are to be paid only to the institution providing instruction, or to the Education Department for transfer of funds to the college, university, or technical institution providing instruction.

(4) An inmate may not receive more than one scholarship per school period.

(5) An inmate must maintain at least a "C" average to be continued as eligible for further assistance. An inmate earning less than "C" must wait one school period of eligibility before re-applying for further assistance. Where a course grade is based on a "pass/fail" system, the course must be "passed" to be eligible for further assistance.

(6) An inmate awarded a correspondence course must successfully complete the course during a school year (e.g., 2 semesters, 3 quarters).

(7) An inmate receiving scholarship aid must have approval from the SOI and the Supervisor of Education before withdrawing from classes for good reason. An inmate withdrawing or "dropping" courses without permission shall wait one school year before applying for further scholarship assistance. An inmate may withdraw from courses without penalty for medical or non-disciplinary administrative reasons such as transfer, writ, release, etc., without first securing permission, although withdrawals for medical reasons must be certified in writing by the Hospital Administrator.

AUTHORITY: 5 U.S.C. 301; 18 U.S.C. 3621, 3622, 3624, 4001, 4042, 4081, 4082 (Repealed in part as to offenses committed on or after November 1, 1987), 4161-4166 (Repealed as to offenses committed on or after November 1, 1987), 5006-5024 (Repealed October 12, 1984 as to offenses committed after that date), 5039; 28 U.S.C. 509, 510; 28 CFR 0.95-0.99.

§501.1 Institutional emergencies.

When there is an institutional emergency which the Warden considers a threat to human life or safety, the Warden may suspend the operation of the rules contained in this chapter to the extent he deems necessary to handle the emergency. [44 FR 38244, June 29, 1979]

§501.2 National security cases.

(a) Upon direction of the Attorney General, the Director, Bureau of Prisons, may authorize the Warden to implement special administrative measures that are reasonably necessary to prevent disclosure of classified information upon written certification to the Attorney General by the head of a member agency of the United States

intelligence community that the unauthorized disclosure of such information would pose a threat to the national security and that there is a danger that the inmate will disclose such information. These special administrative measures ordinarily may include housing the inmate in administrative detention and/or limiting certain privileges, including, but not limited to, correspondence, visiting, interviews with representatives of the news media, and use of the telephone, as is reasonably necessary to prevent the disclosure of classified information. The authority of the Director under this paragraph may not be delegated below the level of Acting Director.

These procedures may be implemented upon written notification to the Director, Bureau of Prisons, by the Attorney General or, at the Attorney General's direction, by the head of a federal law enforcement agency, or the head of a member agency of the United States intelligence community, that there is a substantial risk that a prisoner's communications or contacts with persons could result in death or serious bodily injury to persons, or substantial damage to property that would entail the risk of death or serious bodily injury to persons. These special administrative measures ordinarily may include housing the inmate in administrative detention and/or limiting certain privileges, including, but not limited to, correspondence, visiting, interviews with representatives of the news media, and use of the telephone, as is reasonably necessary to protect persons against the risk of acts of violence or terrorism. L. 102-395, 106 Stat. 1842 (18 U.S.C. 4001 note); 28 CFR 0.95-0.99.

SOURCE: 59 FR 64781, Dec. 15, 1994, unless otherwise noted.

§ 505.1 Purpose and scope.

This part establishes procedures for the assessment and collection of a fee to cover the cost of incarceration. The provisions of this part apply to any person who is convicted in a United States District Court and committed to the custody of the Attorney General, and who begins service of sentence on or after January 1, 1995. For purposes of this part, revocation of parole or supervised release shall be treated as a separate period of incarceration for which a fee may be imposed.

§ 505.2 Fee assessment—annual determination of average cost of incarceration.

(a) The Attorney General is required to collect and establish a fee to cover the cost of confinement which is equivalent to the average cost of one year of incarceration. See 28 CFR 0.96c.

(1) For the fiscal year 1995, the fee to cover the cost of incarceration shall be \$21,352. This figure represents the average cost to the Bureau of Prisons of confining an inmate for one year.

(2) The fee is calculated by dividing the number representing the obligation encountered in Bureau of Prisons facilities (excluding activation costs) by the number of inmate-days incurred for

preceding fiscal year, and by then multiplying the quotient by 365. See 28 CFR 0.96c.

(b) The Director of the Bureau of Prisons shall review the amount of the fee not less than annually to determine the cost of incarceration. The new figure shall be published as a notice in the FEDERAL REGISTER.

§ 505.3 Calculation of assessment by unit staff.

Bureau of Prisons Unit Team staff shall be responsible for computing the amount of the fee to be paid by each inmate.

(a) Unit Team staff shall rely exclusively on the information contained in the Presentence Investigation Report and findings and orders of the sentencing court in order to determine the extent of an inmate's assets, liabilities and dependents.

(b) The fee shall be assessed in accordance with the following formula: If an inmate's assets are equal to or less than the poverty level, as established by the United States Department of Health and Human Services and published annually in the FEDERAL REGISTER, no fee is to be imposed. If an inmate's assets are above the poverty level, Unit Team staff shall impose a fee equal to the inmate's assets above the poverty level up to the average cost to the Bureau of Prisons of confining an inmate for one year.

§ 505.4 Inmates exempted from fee assessment.

A fee otherwise required by this part may not be collected from an inmate with respect to whom a fine was imposed or waived by a United States District Court pursuant to section 5E1.2 (f) and (i) of the United States Sentencing Guidelines or any successor provisions.

§ 505.5 Inmates subject to prorated fee assessment.

For any inmate committed to the custody of the Attorney General for a period of less than 334 days (including pretrial custody time), the maximum fee to be imposed shall be computed by prorating on a monthly basis the average cost for one year of confinement.

§ 505.6 Waiver of fee by Warden.

The Warden may reduce or waive the fee if the person under confinement establishes that:

(a) He or she is not able and, even with the use of a reasonable installment schedule, is not likely to become able to pay all or part of the fee, or

(b) Imposition of a fee would unduly burden the defendant's dependents.

§ 505.7 Procedures for payment.

Fees imposed pursuant to this part are due and payable 15 days after notice of the Unit Team actions. Fees shall be included in the Inmate Financial Responsibility Program under the category "other federal government obligations", and shall be paid before other financial obligations included in that same category. Fees not paid within 15 days may result in interest charges.

§ 505.8 Procedures for appeal.

An inmate may appeal the Warden's decision not to grant a waiver or the Unit Team's calculation through the Administrative Remedy Procedure (see part 542 of this chapter) and may submit information to demonstrate substantial hardship.

§ 505.9 Procedures for final disposition.

Before the inmate completes his or her sentence, Unit Team staff shall review the status of the inmate's fee and any unpaid amount will be referred for collection in accordance with Federal Claims Collection Standards (4 CFR chapter II).

Subpart A [Reserved]

Subpart B—Searching and Detaining or Arresting Persons Other Than Inmates

§ 511.10 Purpose and scope.

(a) In an effort to prevent the introduction of contraband (such prohibited objects as defined in § 511.11(c)) into an institution, Bureau of Prisons staff may subject all persons entering an institution, or during their presence in an institution, to a search of their persons and effects.

(b) Title 18, United States Code, section 3050 authorizes Bureau of Prisons employees (does not include United States Public Health Service employees)—

(1) To make an arrest on or off Bureau of Prisons premises without warrant for violation of the following provisions regardless of where the violation may occur: section 111 (assaulting officers), section 751 (escape), section 752 (assisting escape) of title 18, United States Code, and section 1826(c) (escape) of title 28, United States Code;

(2) To make an arrest on Bureau of Prisons premises or reservation land of a penal, detention, or correctional facility without warrant for violation occurring thereon of the following provisions: section 661 (theft), section 1361 (depredation of property), section 1363 (destruction of property), section 1791 (contraband), section 1792 (mutiny and riot), and section 1793 (trespass) of title 18, United States Code, and

(3) To arrest without warrant for any other offense described in title 18 or 21 of the United States Code, if committed on the premises or reservation of a penal or correctional facility of the Bureau of Prisons if necessary to safeguard security, good order, or government property. Bureau policy provides that such an arrest may be made when

§ 511.11

staff has probable cause to believe that a person has committed one of these offenses and when there is likelihood of the person escaping before a warrant can be obtained.

[59 FR 5924, Feb. 8, 1994]

§ 511.11 Definitions.

(a) *Reasonable suspicion.* As used in this rule, *reasonable suspicion* exists if the facts and circumstances that are known to the Warden warrant rational inferences by a person with correctional experience that a person is engaged, or attempting or about to engage, in criminal or other prohibited behavior. A reasonable suspicion may be based on reliable information, even if that information is confidential; on a positive reading of a metal detector; or when contraband or an indicia of contraband is found during search of a visitor's personal effects.

(b) *Probable cause.* As used in this rule, *probable cause* exists if the facts and circumstances that are known to the Warden would warrant a person of reasonable caution to believe that an offense has been committed.

(c) *Prohibited object.* A firearm or destructive device; ammunition; a weapon or an object that is designed or intended to be used as a weapon or to facilitate escape from a prison; a narcotic drug, lysergic acid diethylamide, or phencyclidine; a controlled substance or alcoholic beverage; any United States or foreign currency; and any other object that threatens the order, discipline, or security of a prison, or the life, health, or safety of an individual.

[59 FR 5924, Feb. 8, 1994]

§ 511.12 Procedures for searching visitors.

(a) The Warden shall post a notice outside the institution's secure perimeter advising all persons that it is a Federal crime to bring upon the institution grounds any weapons, intoxicants, drugs, or other contraband, and that all persons, property (including vehicles), and packages are subject to search. A person may not use either a camera or recording equipment on institution grounds without the written consent of the Warden.

28 CFR Ch. V (7-1-98 Edition)

(b) The Warden may require visitors entering the institution from outside the secure perimeter to submit to a search:

(1) By electronic means (for example, walk-through and/or hand-held metal detector).

(2) Of personal effects. The institution ordinarily provides locker space for personal effects not taken into the visiting room.

(c) The Warden may authorize a pat search of a visitor as a prerequisite to a visit when there is reasonable suspicion that the visitor possesses contraband, or is introducing or attempting to introduce contraband into the institution.

(d) The Warden may authorize a visual search (visual inspection of all body surfaces and cavities) of a visitor as a prerequisite to a visit to an inmate in a low and above security level institution, or administrative institution, or in a pretrial or in a jail (detention) unit within any security level institution when there is reasonable suspicion that the visitor possesses contraband or is introducing or attempting to introduce contraband into the institution.

(e) The Warden may authorize a breathalyzer or urine surveillance test or other comparable test of a visitor as a prerequisite to a visit to an inmate when there is reasonable suspicion that the visitor is under the influence of a narcotic, drug, or intoxicant. As stated in § 511.14, the visitor may refuse to take the test, but the visit will not be allowed.

(f) A pat search, visual search, or urine surveillance test is to be conducted by a person of the same sex as the visitor. A pat search, visual search, urine surveillance, or breathalyzer test shall be conducted out of the view of other visitors and inmates.

[49 FR 44057, Nov. 1, 1984, as amended at 51 FR 26126, July 18, 1986; 56 FR 4159, Feb. 1, 1991; 59 FR 5925, Feb. 8, 1994; 63 FR 11818, Mar. 10, 1998]

§ 511.13 Controlled visiting—denying visits.

(a) The Warden may restrict visiting to controlled situations or to more closely supervised visits when there is

any suspicion that the visitor is introducing or attempting to introduce contraband, or when there has been a prior incident of such introduction or attempted introduction, or when there is any concern, based upon sound correctional judgment, about the visitor presenting a risk to the orderly running of the visiting room or area.

(b) The Warden may deny visiting privileges when a controlled or closely supervised visit is not possible.

(c) Staff shall deny admission to the institution to a visitor who refuses to be screened by a metal detector or who refuses to undergo a search of person and/or effects as dictated by these rules.

§ 511.14 Right of refusal/termination of a visit.

(a) A visitor who objects to any of the search or test or entrance procedures has the option of refusing and leaving the institution property, unless there is reason to detain and/or arrest.

(b) Staff may terminate a visit upon determining that a visitor is in possession of, or is passing or attempting to pass contraband not previously detected during the search process, or is engaged in any conduct or behavior which poses a threat to the orderly or secure running of the institution, or to the safety of any person in the institution. The staff member terminating the visit is to prepare written documentation describing the basis for this action.

§ 511.15 Detaining visitors.

(a) Staff may detain a visitor or any person who is found to be introducing or attempting to introduce such contraband as narcotics, intoxicants, lethal or poisonous chemicals or gases, guns, knives, or other weapons, or who is engaged in any other conduct which is a violation of law (including, but not limited to, actions which assist escape, such as possession of escape paraphernalia, or which induce riots), pending notification and arrival of appropriate law enforcement officials. The standard for such detention is a finding, based on probable cause, that the person has engaged in such a violation. Institution staff should not interrogate suspects unless immediate questioning

is necessary to protect the security of the institution or the life or safety of any person.

(b) Staff shall employ only the minimum amount of force necessary to detain the individual. Visitors will be detained in an area away from the sight of, and where there can be no contact with, other visitors and inmates.

§ 511.16 Use of arrest authority.

To effect an arrest under any of the cited sections in § 511.10(b) of this part, or under any future arrest authorization statute that may be approved by the Congress of the United States, staff shall have probable cause that the suspected individual is violating the law. Whenever possible, the Warden or designee shall make the determination as to whether an arrest should occur.

Subpart A [Reserved]

Subpart B—Research

SOURCE: 59 FR 13860, Mar. 23, 1994, unless otherwise noted.

§ 512.10 Purpose and scope.

General provisions for the protection of human subjects during the conduct of research are contained in 28 CFR part 46. The provisions of this subpart B specify additional requirements for prospective researchers (both employees and non-employees) to obtain approval to conduct research within the Bureau of Prisons (Bureau) and responsibilities of Bureau staff in processing proposals and monitoring research projects. Although some research may be exempt from 28 CFR part 46 under § 46.101(b)(5), as determined by the Office of Research and Evaluation (ORE) of the Bureau, no research is exempt from 28 CFR part 512. For the purpose of this subpart, implementation of Bureau programmatic or operational initiatives made through pilot projects is not considered to be research.

[59 FR 13860, Mar. 23, 1994, as amended at 62 FR 6661, Feb. 12, 1997]

§ 512.11 Requirements for research projects and researchers.

(a) Except as provided for in paragraph (b) of this section, the Bureau requires the following:

(1) In all research projects the rights, health, and human dignity of individuals involved must be respected.

(2) The project must have an adequate research design and contribute to the advancement of knowledge about corrections.

(3) The project must not involve medical experimentation, cosmetic research, or pharmaceutical testing.

(4) The project must minimize risk to subjects; risks to subjects must be reasonable in relation to anticipated benefits. The selection of subjects within any one institution must be equitable. When applicable, informed consent must be sought and documented (see §§ 512.15 and 512.16).

(5) Incentives may not be offered to help persuade inmate subjects to participate. However, soft drinks and snacks to be consumed at the test setting may be offered. Reasonable accommodations such as nominal monetary recompense for time and effort may be offered to non-confined research subjects who are both:

(i) No longer in Bureau of Prisons custody, and

(ii) Participating in authorized research being conducted by Bureau employees or contractors.

(6) The researcher must have academic preparation or experience in the area of study of the proposed research.

(7) The researcher must assume responsibility for actions of any person engaged to participate in the research project as an associate, assistant, or subcontractor to the researcher.

(8) Except as noted in the informed consent statement to the subject, the researcher must not provide research information which identifies a subject to any person without that subject's prior written consent to release the information. For example, research information identifiable to a particular individual cannot be admitted as evidence or used for any purpose in any action, suit or other judicial, administrative, or legislative proceeding without the written consent of the individual to whom the data pertains.

(9) The researcher must adhere to applicable provisions of the Privacy Act of 1974 and regulations pursuant to this Act.

(10) The research design must be compatible with both the operation of prison facilities and protection of human subjects. The researcher must observe the rules of the institution or office in which the research is conducted.

(11) Any researcher who is a non-employee of the Bureau must sign a statement in which the researcher agrees to adhere to the provisions of this subpart.

(12) Except for computerized data records maintained at an official Department of Justice site, records which contain nondisclosable information directly traceable to a specific person may not be stored in, or introduced into, an electronic retrieval system.

(13) If the researcher is conducting a study of special interest to the Office of Research and Evaluation (ORE), but the study is not a joint project involving ORE, the researcher may be asked to provide ORE with the computerized

research data, not identifiable to individual subjects, accompanied by detailed documentation. These arrangements must be negotiated prior to the beginning of the data collection phase of the project.

(14) The researcher must submit planned methodological changes in a research project to the IRB for approval, and may be required to revise study procedures in accordance with the new methodology.

(b) Requests from Federal agencies, the Congress, the Federal judiciary, or State or local governments to collect information about areas for which they are responsible and requests by private organizations for organizational rather than personal information from Bureau staff shall be reviewed by ORE to determine which provisions of this subpart may be waived without jeopardizing the safety of human subjects. ORE shall document in writing the waiver of any specific provision along with the justification.

[62 FR 6661, Feb. 12, 1997]

§ 512.12 Content of research proposal.

When submitting a research proposal, the applicant shall provide the following information:

(a) A summary statement which includes:

(1) Name(s) and current affiliation(s) of the researcher(s);

(2) Title of the study;

(3) Purpose of the project;

(4) Location of the project;

(5) Methods to be employed;

(6) Anticipated results;

(7) Duration of the study;

(8) Number of subjects (staff/inmates) required and amount of time required from each; and

(9) Indication of risk or discomfort involved as a result of participation.

(b) A comprehensive statement which includes:

(1) Review of related literature;

(2) Detailed description of the research method;

(3) Significance of anticipated results and their contribution to the advancement of knowledge;

(4) Specific resources required from the Bureau;

(5) Description of all possible risks, discomforts, and benefits to individual

subjects or a class of subjects, and a discussion of the likelihood that the risks and discomforts will actually occur;

(6) Description of steps taken to minimize any risks described in (b)(5) of this section.

(7) Description of physical and/or administrative procedures to be followed to:

(i) Ensure the security of any individually identifiable data that are being collected for the project, and

(ii) Destroy research records or remove individual identifiers from those records when the research has been completed.

(8) Description of any anticipated effects of the research project on institutional programs and operations; and

(9) Relevant research materials such as vitae, endorsements, sample informed consent statements, questionnaires, and interview schedules.

(c) A statement regarding assurances and certification required by 28 CFR part 46, if applicable.

§ 512.13 Institutional Review Board.

(a) The Bureau of Prisons' central institutional review board shall be called the Bureau Research Review Board (BRRB). It shall consist of the Chief, ORE, at least four other members, and one alternate, appointed by the Director, and shall meet a sufficient number of times to insure that each project covered by 28 CFR part 46 receives an annual review. A majority of members shall not be Bureau employees. The BRRB shall include an individual with legal expertise and a representative for inmates whom the Director determines is able to identify with inmate concerns and evaluate objectively a research proposal's impact on, and relevance to, inmates and to the correctional process.

(b) The Chief, ORE, shall serve as chairperson of the BRRB. If a potential conflict of interest exists for the BRRB chairperson on a particular research proposal, the Assistant Director, Information, Policy, and Public Affairs Division, shall appoint another individual to serve as chairperson on matters pertaining to that project.

§ 512.14 Submission and processing of proposal.

(a) An applicant may submit a preliminary research proposal for review by the Office of Research and Evaluation, Federal Bureau of Prisons, 320 First Street, NW., Washington, DC 20534. Staff response to the preliminary proposal does not constitute a final decision.

(b) If the study is to be conducted at only one institution, the applicant shall submit a formal proposal to the warden of that institution. Proposal processing will be as follows:

(1) The warden shall appoint a local research review board to consult with operational staff, to evaluate the proposal for compliance with research policy, and to make recommendations to the warden. The local research review board is encouraged, but not required, to meet the membership requirements of an IRB, as specified in 28 CFR part 46.

(2) The warden shall review the comments of the board, make a recommendation regarding the proposal, and forward the proposal package to the Regional Director, with a copy to the Chief, ORE.

(3) The Regional Director shall review the proposal and forward recommendations to the Chief, ORE.

(c) If the study is to be conducted at more than one institution or at any other Bureau location, the applicant shall submit the research proposal to the Chief, Office of Research and Evaluation, Federal Bureau of Prisons, 320 First Street, NW., Washington, DC 20534. The Chief, ORE, shall determine an appropriate review process.

(d) All formal proposals will be reviewed by the BRRB.

(e) The BRRB chairperson may exercise the authority of the full BRRB under an expedited review process when another official IRB (either within or outside the Bureau) has approved the research, or when, in his/her judgment, the research proposal meets the minimal risk standard and involves only the following:

(1) The study of existing data, documents, or records; and/or

(2) The study of individual or group behavior or characteristics of individuals, where the investigator does not

manipulate subjects' behavior and the research will not involve stress to subjects. Such research would include test development and studies of perception, cognition, or game theory. If a proposal is processed under expedited review, the BRRB chairperson must document in writing the reason for that determination.

(f) The Chief, ORE, shall review all recommendations made and shall submit them in writing to the Director, Bureau of Prisons.

(g) The Director, Bureau of Prisons, has final authority to approve or disapprove all research proposals. The Director may delegate this authority to the Assistant Director, Information, Policy, and Public Affairs Division.

(h) The approving authority shall notify in writing the involved region(s), institution(s), and the prospective researcher of the final decision on a research proposal.

[59 FR 13860, Mar. 23, 1994, as amended at 62 FR 6661, Feb. 12, 1997]

§ 512.15 Access to Bureau of Prisons records.

(a) Employees, including consultants, of the Bureau who are conducting authorized research projects shall have access to those records relating to the subject which are necessary to the purpose of the research project without having to obtain the subject's consent.

(b) A non-employee of the Bureau is limited in access to information available under the Freedom of Information Act (5 U.S.C. 552).

(c) A non-employee of the Bureau may receive records in a form not individually identifiable when advance adequate written assurance that the record will be used solely as a statistical research or reporting record is provided to the agency (5 U.S.C. 552a(b)(5)).

§ 512.16 Informed consent.

(a) Before commencing a research project requiring participation by staff or inmates, the researcher shall give each participant a written informed consent statement containing the following information:

(1) Identification of the principal investigator(s);

(2) Objectives of the research project;

(3) Procedures to be followed in the conduct of research;

(4) Purpose of each procedure;

(5) Anticipated uses of the results of the research;

(6) A statement of benefits reasonably to be expected;

(7) A declaration concerning discomfort and risk, including a description of anticipated discomfort and risk;

(8) A statement that participation is completely voluntary and that the participant may withdraw consent and end participation in the project at any time without penalty or prejudice (the inmate will be returned to regular assignment or activity by staff as soon as practicable);

(9) A statement regarding the confidentiality of the research information and exceptions to any guarantees of confidentiality required by federal or state law. For example, a researcher may not guarantee confidentiality when the subject indicates an intent to commit future criminal conduct or harm himself/herself or someone else, or, if the subject is an inmate, indicates an intent to leave the facility without authorization.

(10) A statement that participation in the research project will have no effect on the inmate participant's release date or parole eligibility;

(11) An offer to answer questions about the research project; and

(12) Appropriate additional information as needed to describe adequately the nature and risks of the research.

(b) A researcher who is an employee of the Bureau shall include in the informed consent statement a declaration of the authority under which the research is conducted.

(c) A researcher who is an employee of the Bureau, in addition to presenting the statement of informed consent to the subject, shall also obtain the subject's signature on the statement of informed consent, when:

(1) The subject's activity requires something other than response to a questionnaire or interview; or

(2) The Chief, ORE, determines the research project or data-collection instrument is of a sensitive nature.

(d) A researcher who is a non-employee of the Bureau, in addition to presenting the statement of informed

consent to the subject, shall also obtain the subject's signature on the statement of informed consent prior to initiating the research activity. The researcher may not be required to obtain the signature if the researcher can demonstrate that the only link to the subject's identity is the signed statement of informed consent or that there is significantly more risk to the subject if the statement is signed. The signed statement shall be submitted to the chairperson of the appropriate local research review board.

§ 512.17 Monitoring approved research projects.

The BRRB shall monitor all research projects for compliance with Bureau policies. At a minimum, yearly reviews will be conducted.

§ 512.18 Termination or suspension.

The Director, Bureau of Prisons, may suspend or terminate a research project if it is believed that the project violates research policy or that its continuation may prove detrimental to the inmate population, the staff, or the orderly operation of the institution.

§ 512.19 Reports.

The researcher shall prepare reports of progress on the research and at least one report of findings.

(a) At least once a year, the researcher shall provide the Chief, ORE, with a report on the progress of the research.

(b) At least 12 working days before any report of findings is to be released, the researcher shall distribute one copy of the report to each of the following: the chairperson of the BRRB, the regional director, and the warden of each institution which provided data or assistance. The researcher shall include an abstract in the report of findings.

§ 512.20 Publication of results of research project.

(a) A researcher may publish in book form and professional journals the results of any research project conducted under this subpart.

§ 512.21

(1) In any publication of results, the researcher shall acknowledge the Bureau's participation in the research project.

(2) The researcher shall expressly disclaim approval or endorsement of the published material as an expression of the policies or views of the Bureau.

(b) Prior to submitting for publication the results of a research project conducted under this subpart, the researcher shall provide two copies of the material, for informational purposes only, to the Chief, Office of Research and Evaluation, Central Office, Bureau of Prisons.

[59 FR 13860, Mar. 23, 1994, as amended at 62 FR 6662, Feb. 12, 1997]

§ 512.21 Copyright provisions.

(a) An employee of the Bureau may not copyright any work prepared as part of his/her official duties.

(b) As a precondition to the conduct of research under this subpart, a non-employee shall grant in writing to the Bureau a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, translate, and otherwise use and authorize others to publish and use original materials developed as a result of research conducted under this subpart.

(c) Subject to a royalty-free, non-exclusive and irrevocable license, which the Bureau of Prisons reserves, to reproduce, publish, translate, and otherwise use and authorize others to publish and use such materials, a non-employee may copyright original materials developed as a result of research conducted under this subpart.

(i) If the requested FBI identification record is in the inmate's institution file, staff shall provide the inmate with a copy.

(ii) If the requested FBI identification record is not in the inmate's institution file, staff shall direct the inmate to the procedure referenced in paragraph (a)(1) of this section.

(b) *NCIC/III identification record.* An inmate who wishes to obtain a copy of his or her NCIC/III record must submit a written request to the FBI. The procedures outlined in 28 CFR 16.32, 16.33, and paragraphs (a)(1)(i) and (ii) of this section apply to such request.

§ 513.12 Inmate request for record clarification.

Where the inmate believes that his or her FBI identification record is incor-

rect or inaccurate, the inmate may follow procedures outlined in 28 CFR 16.34. The procedures in 28 CFR 16.34 also apply for the clarification of an inmate's NCIC/III record.

Subpart C—Release of Information to Law Enforcement Agencies**§ 513.20 Release of information to law enforcement agencies.**

(a) The Bureau of Prisons will provide to the head of any law enforcement agency of a state or of a unit of local government in a state information on federal prisoners who have been convicted of felony offenses and who are confined at a residential community treatment center located in the geographical area in which the requesting agency has jurisdiction. Law enforcement personnel interested in obtaining this information must forward a written request to the appropriate Regional Community Programs Administrator (see 28 CFR part 503 for the mailing address). The type of information that the Bureau of Prisons may provide is set forth in 18 U.S.C. 4082(f). That information includes: names, dates of birth, FBI numbers, nature of the offenses against the United States, fingerprints, photographs, and the designated community treatment centers, with prospective dates of release.

(b) Any law enforcement agency which receives information under this rule may not disseminate such information outside of such agency. If an agency disseminates information contrary to this restriction, the Bureau of Prisons may terminate or suspend release of information to that agency.

Subpart D—Release of Information

SOURCE: 61 FR 64950, Dec. 9, 1996, unless otherwise noted.

GENERAL PROVISIONS AND PROCEDURES**§ 513.30 Purpose and scope.**

This subpart establishes procedures for the release of requested records in possession of the Federal Bureau of Prisons ("Bureau"). It is intended to implement provisions of the Freedom

§ 513.31

of Information Act (FOIA), 5 U.S.C. 552, and the Privacy Act, 5 U.S.C. 552a, and to supplement Department of Justice (DOJ) regulations concerning the production or disclosure of records or information, 28 CFR part 16.

§ 513.31 Limitations.

(a) *Social Security Numbers.* As of September 27, 1975, Social Security Numbers may not be used in their entirety as a method of identification for any Bureau record system, unless such use is authorized by statute or by regulation adopted prior to January 1, 1975.

(b) *Employee records.* Access and amendment of employee personnel records under the Privacy Act are governed by Office of Personnel Management regulations published in 5 CFR part 297 and by Department of Justice regulations published in 28 CFR part 16.

§ 513.32 Guidelines for disclosure.

The Bureau provides for the disclosure of agency information pursuant to applicable laws, e.g. the Freedom of Information Act (5 U.S.C. 552), and the Privacy Act (5 U.S.C. 552a).

§ 513.33 Production of records in court.

Bureau records are often sought by subpoena, court order, or other court demand, in connection with court proceedings. The Attorney General has directed that these records may not be produced in court without the approval of the Attorney General or his or her designee. The guidelines are set forth in 28 CFR part 16, subpart B.

§ 513.34 Protection of individual privacy—disclosure of records to third parties.

(a) Information that concerns an individual and is contained in a system of records maintained by the Bureau shall not be disclosed to any person, or to another agency except under the provisions of the Privacy Act, 5 U.S.C. 552a, the Freedom of Information Act, 5 U.S.C. 552, and Departmental regulations.

(b) Lists of Bureau inmates shall not be disclosed.

28 CFR Ch. V (7–1–98 Edition)

§ 513.35 Accounting/nonaccounting of disclosures to third parties.

Accounting/nonaccounting of disclosures to third parties shall be made in accordance with Department of Justice regulations contained in 28 CFR 16.52.

§ 513.36 Government contractors.

(a) No Bureau component may contract for the operation of a record system by or on behalf of the Bureau without the express written approval of the Director or the Director's designee.

(b) Any contract which is approved shall contain the standard contract requirements promulgated by the General Services Administration (GSA) to ensure compliance with the requirements imposed by the Privacy Act. The contracting component shall have the responsibility to ensure that the contractor complies with the contract requirements relating to privacy.

INMATE REQUESTS TO INSTITUTION FOR INFORMATION

§ 513.40 Inmate access to Inmate Central File.

Inmates are encouraged to use the simple access procedures described in this section to review disclosable records maintained in his or her Inmate Central File, rather than the FOIA procedures described in §§ 513.60 through 513.68 of this subpart. Disclosable records in the Inmate Central File include, but are not limited to, documents relating to the inmate's sentence, detainer, participation in Bureau programs such as the Inmate Financial Responsibility Program, classification data, parole information, mail, visits, property, conduct, work, release processing, and general correspondence. This information is available without filing a FOIA request. If any information is withheld from the inmate, staff will provide the inmate with a general description of that information and also will notify the inmate that he or she may file a FOIA request.

(a) *Inmate review of his or her Inmate Central File.* An inmate may at any time request to review all disclosable portions of his or her Inmate Central File by submitting a request to a staff member designated by the Warden.

Staff are to acknowledge the request and schedule the inmate, as promptly as is practical, for a review of the file at a time which will not disrupt institution operations.

(b) *Procedures for inmate review of his or her Inmate Central File.* (1) Prior to the inmate's review of the file, staff are to remove the Privacy Folder which contains documents withheld from disclosure pursuant to §513.32.

(2) During the file review, the inmate is to be under direct and constant supervision by staff. The staff member monitoring the review shall enter the date of the inmate's file review on the Inmate Activity Record and initial the entry. Staff shall ask the inmate to initial the entry also, and if the inmate refuses to do so, shall enter a notation to that effect.

(3) Staff shall advise the inmate if there are documents withheld from disclosure and, if so, shall advise the inmate of the inmate's right under the provisions of §513.61 to make a FOIA request for the withheld documents.

§513.41 Inmate access to Inmate Central File in connection with parole hearings.

A parole-eligible inmate (an inmate who is currently serving a sentence for an offense committed prior to November 1, 1987) may review disclosable portions of the Inmate Central File prior to the inmate's parole hearing, under the general procedures set forth in §513.40. In addition, the following guidelines apply:

(a) A parole-eligible inmate may request to review his or her Inmate Central File by submitting the appropriate Parole Commission form. This form ordinarily shall be available to each eligible inmate within five work days after a list of eligible inmates is prepared.

(b) Bureau staff ordinarily shall schedule an eligible inmate for a requested Inmate Central File review within seven work days of the request after the inmate has been scheduled for a parole hearing. A reasonable extension of time is permitted for documents which have been provided (prior to the inmate's request) to originating agencies for clearance, or which are otherwise not available at the institution.

(c) A report received from another agency which is determined to be nondisclosable (see §513.40(b)) will be summarized by that agency, in accordance with Parole Commission regulations. Bureau staff shall place the summary in the appropriate disclosable section of the Inmate Central File. The original report (or portion which is summarized in another document) will be placed in the portion of the Privacy File for Joint Use by the Bureau and the Parole Commission.

(d) Bureau documents which are determined to be nondisclosable to the inmate will be summarized for the inmate's review. A copy of the summary will be placed in the disclosable section of the Inmate Central File. The document from which the summary is taken will be placed in the Joint Use Section of the Privacy Folder. Nondisclosable documents not summarized for the inmate's review are not available to the Parole Commission and are placed in a nondisclosable section of the Inmate Central File.

(e) When no response regarding disclosure has been received from an originating agency in time for inmate review prior to the parole hearing, Bureau staff are to inform the Parole Commission Hearing Examiner.

§513.42 Inmate access to medical records.

(a) Except for the limitations of paragraphs (c) and (d) of this section, an inmate may review records from his or her medical file (including dental records) by submitting a request to a staff member designated by the Warden.

(b) Laboratory reports which contain only scientific testing results and which contain no staff evaluation or opinion (such as Standard Form 514A, Urinalysis) are ordinarily disclosable. Lab results of HIV testing may be reviewed by the inmate. However, an inmate may not retain a copy of his or her test results while the inmate is confined in a Bureau facility or a Community Corrections Center. A copy of an inmate's HIV test results may be forwarded to a third party outside the institution and chosen by the inmate, provided that the inmate gives written authorization for the disclosure.

(c) Medical records containing subjective evaluations and opinions of medical staff relating to the inmate's care and treatment will be provided to the inmate only after the staff review required by paragraph (d) of this section. These records include, but are not limited to, outpatient notes, consultation reports, narrative summaries or reports by a specialist, operative reports by the physician, summaries by specialists as the result of laboratory analysis, or in-patient progress reports.

(d) Prior to release to the inmate, records described in paragraph (c) of this section shall be reviewed by staff to determine if the release of this information would present a harm to either the inmate or other individuals. Any records determined not to present a harm will be released to the inmate at the conclusion of the review by staff. If any records are determined by staff not to be releasable based upon the presence of harm, the inmate will be so advised in writing and provided the address of the agency component to which the inmate may address a formal request for the withheld records. An accounting of any medical records will be maintained in the inmate's medical file.

§ 513.43 Inmate access to certain Bureau Program Statements.

Inmates are encouraged to use the simple local access procedures described in this section to review certain Bureau Program Statements, rather than the FOIA procedures described in §§ 513.60 through 513.68 of this subpart.

(a) For a current Bureau Program Statement containing rules (regulations published in the FEDERAL REGISTER and codified in 28 CFR), local access is available through the institution law library.

(b) For a current Bureau Program Statement not containing rules (regulations published in the FEDERAL REGISTER and codified in 28 CFR), inmates may request that it be placed in the institution law library. Placement of a requested Program Statement in the law library is within the discretion of the Warden, based upon local institution conditions.

(c) Inmates are responsible for the costs of making personal copies of any Program Statements maintained in the institution law library. For copies of Program Statements obtained under the FOIA procedures described in §§ 513.60 through 513.68 of this subpart, fees will be calculated in accordance with 28 CFR 16.10.

§ 513.44 Fees for copies of Inmate Central File and Medical Records.

Within a reasonable time after a request, Bureau staff are to provide an inmate personal copies of requested disclosable documents maintained in the Inmate Central File and Medical Record. Fees for the copies are to be calculated in accordance with 28 CFR 16.10.

PRIVACY ACT REQUESTS FOR
INFORMATION

§ 513.50 Privacy Act requests by inmates.

Because inmate records are exempt from disclosure under the Privacy Act (see 28 CFR 16.97), inmate requests for records under the Privacy Act will be processed in accordance with the FOIA. See §§ 513.61 through 513.68.

FREEDOM OF INFORMATION ACT
REQUESTS FOR INFORMATION

§ 513.60 Freedom of Information Act requests.

Requests for any Bureau record (including Program Statements and Operations Memoranda) ordinarily shall be processed pursuant to the Freedom of Information Act, 5 U.S.C. 552. Such a request must be made in writing and addressed to the Director, Federal Bureau of Prisons, 320 First Street, NW., Washington, D.C. 20534. The requester shall clearly mark on the face of the letter and the envelope "FREEDOM OF INFORMATION REQUEST," and shall clearly describe the records sought. See §§ 513.61 through 513.63 for additional requirements.

§ 513.61 Freedom of Information Act requests by inmates.

(a) Inmates are encouraged to use the simple access procedures described in § 513.40 to review disclosable records

maintained in his or her Inmate Central File.

(b) An inmate may make a request for access to documents in his or her Inmate Central File or Medical File (including documents which have been withheld from disclosure during the inmate's review of his or her Inmate Central File pursuant to §513.40) and/or other documents concerning the inmate which are not contained in the Inmate Central File or Medical File. Staff shall process such a request pursuant to the applicable provisions of the Freedom of Information Act, 5 U.S.C. 552.

(c) The inmate requester shall clearly mark on the face of the letter and on the envelope "FREEDOM OF INFORMATION ACT REQUEST", and shall clearly describe the records sought, including the approximate dates covered by the record. An inmate making such a request must provide his or her full name, current address, date and place of birth. In addition, if the inmate requests documents to be sent to a third party, the inmate must provide with the request an example of his or her signature, which must be verified and dated within three (3) months of the date of the request.

§513.62 Freedom of Information Act requests by former inmates.

Former federal inmates may request copies of their Bureau records by writing to the Director, Federal Bureau of Prisons, 320 First Street, NW., Washington, D.C. 20534. Such requests shall be processed pursuant to the provisions of the Freedom of Information Act. The request must be clearly marked on the face of the letter and on the envelope "FREEDOM OF INFORMATION ACT REQUEST", and must describe the record sought, including the approximate dates covered by the record. A former inmate making such a request must provide his or her full name, current address, date and place of birth. In addition, the requester must provide with the request an example of his or her signature, which must be either notarized or sworn under penalty of perjury, and dated within three (3) months of the date of the request.

§513.63 Freedom of Information Act requests on behalf of an inmate or former inmate.

A request for records concerning an inmate or former inmate made by an authorized representative of that inmate or former inmate will be treated as in §513.61, on receipt of the inmate's or former inmate's written authorization. This authorization must be dated within three (3) months of the date of the request letter. Identification data, as listed in 28 CFR 16.41, must be provided.

§513.64 Acknowledgment of Freedom of Information Act requests.

(a) All requests for records under the Freedom of Information Act received by the FOI/PA Administrator, Office of General Counsel, will be reviewed and may be forwarded to the appropriate Regional Office for proper handling. Requests for records located at a Bureau facility other than the Central Office or Regional Office may be referred to the appropriate staff at that facility for proper handling.

(b) The requester shall be notified of the status of his or her request by the office with final responsibility for processing the request.

§513.65 Review of documents for Freedom of Information Act requests.

If a document is deemed to contain information exempt from disclosure, any reasonably segregable portion of the record shall be provided to the requester after deletion of the exempt portions. If documents, or portions of documents, in an Inmate Central File have been determined to be nondisclosable by institution staff but are later released by Regional or Central Office staff pursuant to a request under this section, appropriate instructions will be given to the institution to move those documents, or portions, from the Inmate Privacy Folder into the disclosable section of the Inmate Central File.

§513.66 Denials and appeals of Freedom of Information Act requests.

If a request made pursuant to the Freedom of Information Act is denied in whole or in part, a denial letter

§ 513.67

must be issued and signed by the Director or his or her designee, and shall state the basis for denial under § 513.32. The requester who has been denied such access shall be advised that he or she may appeal that decision to the Office of Information and Privacy, U.S. Department of Justice, Suite 570, Flag Building, Washington, D.C. 20530. Both the envelope and the letter of appeal itself should be clearly marked: "Freedom of Information Act Appeal."

§ 513.67 Fees for Freedom of Information Act requests.

Fees for copies of records disclosed under the FOIA, including fees for a re-

28 CFR Ch. V (7-1-98 Edition)

quester's own records, may be charged in accordance with Department of Justice regulations contained in 28 CFR 16.10.

§ 513.68 Time limits for responses to Freedom of Information Act requests.

Consistent with sound administrative practice and the provisions of 28 CFR 16.1, the Bureau strives to comply with the time limits set forth in the Freedom of Information Act.

Subpart A [Reserved]

Subpart B—Civil Contempt of Court Commitments

§ 522.10 Purpose and scope.

Occasionally federal civil commitments for contempt of court may be referred to the Bureau of Prisons. These cases are not regular commitments to the custody of the Attorney General and are not convictions for any offense against the laws of the United States. The Bureau of Prisons cooperates with the federal courts in implementing the sentence by making its facilities and resources available. The confinement

of civil contempt inmates shall terminate when the Bureau of Prisons receives notification from the court that the reason for the contempt commitment has ended or that the inmate is to be released for any other reason.

§ 522.11 Procedures.

(a) The U.S. Marshal's Service has primary jurisdiction in federal civil contempt commitments.

(b) When a U.S. Marshal requests designation from the Bureau of Prisons for a federal civil contempt commitment because local jails are not suitable, due to medical, security or other reasons, staff may designate the nearest Bureau institution having the necessary facilities.

(c) When the committing court specifies a Bureau of Prisons institution as the place of incarceration in its contempt order, the Bureau of Prisons shall designate that specified facility in accordance with the judicial wishes, unless there is a reason for not placing the inmate in that facility, in which case the matter shall be called to the attention of the court and an attempt made to arrive at an acceptable place of confinement with the agreement of the committing court.

(d) If an inmate is serving a federal criminal sentence when a civil contempt sentence is ordered, the criminal sentence is suspended for the duration of the civil contempt sentence and time spent serving the contempt sentence is inoperative on any sentence being served, including a Narcotic Addict Rehabilitation Act or Youth Corrections Act commitment, unless the court committing for the contempt orders otherwise.

(e) If a civil contempt is in effect when a criminal sentence is ordered, the criminal sentence runs concurrently with the contempt sentence, unless the judge issuing the criminal judgment specifically states that any sentence imposed is to run consecutively to preserve the intended effect of the civil contempt order.

§ 522.20

(f) An inmate serving a civil contempt sentence in a Bureau institution will be treated the same as a person awaiting trial; where the inmate is serving a civil contempt sentence and a concurrent criminal sentence, the inmate will be treated the same as a person serving a criminal sentence.

(g) An inmate is not entitled to statutory or extra good time credits under 18 U.S.C. 4161-62 while only the civil contempt sentence is in effect. Nor is an inmate entitled to good conduct time credits under 18 U.S.C. 3624(b). Time spent serving only a civil contempt sentence is not considered jail time under 18 U.S.C. 3568 or 18 U.S.C. 3585(b).

Subpart C—Intake Screening

§ 522.20 Purpose and scope.

Bureau of Prisons staff screen newly arrived inmates to ensure that Bureau health, safety, and security standards are met.

[45 FR 44229, June 30, 1980]

§ 522.21 Procedures.

(a) Except for such camps and other satellite facilities where segregating a newly arrived inmate in detention is not feasible, the Warden shall ensure that a newly arrived inmate is cleared by the Medical Department and provided a social interview by staff before assignment to the general population.

(1) Immediately upon an inmate's arrival, staff shall interview the inmate to determine if there are non-medical reasons for housing the inmate away from the general population. Staff shall evaluate both the general physical appearance and emotional condition of the inmate.

(2) Within 24 hours after an inmate's arrival, medical staff shall medically screen the inmate in compliance with Bureau of Prisons' medical procedures to determine if there are medical reasons for housing the inmate away from the general population or for restricting temporary work assignments.

(3) Staff shall place recorded results of the intake medical screening and

28 CFR Ch. V (7-1-98 Edition)

the social interview in the inmate's central file.

[45 FR 44229, June 30, 1980]

Subpart D—Unescorted Transfers and Voluntary Surrenders

§ 522.30 Purpose and scope.

When the court orders or recommends an unescorted commitment to a Bureau of Prisons institution, the Bureau of Prisons authorizes the commitment and designates the institution for service of sentence. The Bureau of Prisons also authorizes furlough transfers of inmates between Bureau of Prisons institutions or to nonfederal institutions in appropriate circumstances in accordance with 18 U.S.C. 3622 or 4082, and within the guidelines of the Bureau of Prisons policy on furloughs, which allows inmates to travel unescorted and to report voluntarily to an assigned institution.

Subpart E—Admission and Orientation Program

SOURCE: 46 FR 59507, Dec. 4, 1981, unless otherwise noted.

§ 522.40 Purpose and scope.

(a) Each inmate committed or transferred to a Bureau of Prisons institution shall become involved in the institution's Admission and Orientation (A&O) Program. The Warden shall ensure that staff involved with this program offer each newly committed inmate an orientation to the institution, to include information on institutional requirements and, whenever practicable, visits to the various areas of the institution. The institution A&O Program also shall provide the inmate with an awareness of the:

(1) Inmate's rights and responsibilities;

(2) Institution's program opportunities; and

(3) Institution's disciplinary system.

(b) Pretrial inmates and inmates in holdover status (en route to a different

institution) are excluded from the provisions of this rule.

§ 522.41 Responsibility.

(a) The Warden shall assign to a staff member the responsibility to coordinate the institution's A&O Program.

(b) Staff involved in the lecture portion of the A&O Program shall develop an outline of the information they wish to include in their presentation.

(c) Staff shall develop written orientation materials to supplement lectures and discussions.

(d) A staff member involved in the A&O Program who believes that an inmate is experiencing significant emotional stress shall notify the A&O staff coordinator so that the inmate may be offered appropriate assistance.

[46 FR 59507, Dec. 4, 1981, as amended at 56 FR 20512, May 3, 1991]

§ 522.42 Guidelines for an admission and orientation program.

(a) *Location.* Each Warden shall determine the appropriate location for the institution's A&O Program.

(b) *Quarters.* Each Warden shall establish procedures for the assignment of living quarters.

(c) *Activities.* The A&O staff coordinator is to ensure that the A&O Program provides a full schedule of activities in which each newly committed inmate may participate. Scheduled activities shall include exposure to programs responsive to a specialized need of the inmate, as well as exposure to various work assignments, education programs, and physical and social activity.

(d) *Telephone calls.* Newly committed inmates shall ordinarily be permitted to complete at least two local or long distance phone calls during the admission process, in accordance with the provisions in part 540, subpart I of this chapter.

(e) *Length of A&O Program.* An inmate's involvement in the institution's A&O Program is based on the time necessary to accomplish the program's objectives.

(f) *Documentation of A&O Program involvement.* Staff shall prepare documentation that the inmate has re-

ceived a copy of the institution's inmate handouts and has completed the institution's A&O Program. Staff shall have the inmate sign and date a copy of this document. The original of this document shall be placed in the inmate's central file.

SOURCE: 54 FR 32028, Aug. 3, 1989, unless otherwise noted.

Subpart A—Good Time

§ 523.1 Definitions.

(a) *Statutory good time* means a credit to a sentence as authorized by 18 U.S.C. 4161. The total amount of statutory good time which an inmate is entitled to have deducted on any given sentence, or aggregate of sentences, is calculated and credited in advance, when the sentence is computed.

(b) *Extra good time* means a credit to a sentence as authorized by 18 U.S.C. 4162 for performing exceptionally meritorious service or for performing duties

of outstanding importance in an institution or for employment in a Federal Prison Industry or Camp. "Extra Good Time" thus includes Meritorious Good Time, Work/Study Release Good Time, Community Corrections Center Good Time, Industrial Good Time, Camp or Farm Good Time, and Lump Sum Awards. Extra good time and seniority are inseparable with the exception of lump sum awards for which no seniority is earned.

(c) *Seniority* refers to the time accrued in an extra good time earning status. Twelve months of "seniority" automatically cause the earning rate to increase from three days per month to five days per month and seniority is then vested.

(d) *Earning status* refers to the status of an inmate who is in an assignment or employment which accrues extra good time.

§ 523.2 Good time credit for violators.

(a) An inmate conditionally released from imprisonment either by parole or mandatory release can earn statutory good time, upon being returned to custody for violation of supervised release, based on the number of days remaining to be served on the sentence. The rate of statutory good time for the violator term is computed at the rate of the total sentence from which released.

(b) An inmate whose special parole term is revoked can earn statutory good time based on the number of days remaining to be served on the special parole violator term. The rate of statutory good time for the violator term is computed at the rate of the initial special parole term plus the total sentence that was served prior to the special parole term and to which the special parole term was attached.

(c) Once an inmate is conditionally released from imprisonment, either by parole, including special parole, or mandatory release, the good time earned (extra or statutory) during that period of imprisonment is of no further effect either to shorten the period of supervision or to shorten the period of imprisonment which the inmate may be required to serve for violation of parole or mandatory release.

Subpart B—Extra Good Time

§ 523.10 Purpose and scope.

(a) The Bureau of Prisons awards extra good time credit for performing exceptionally meritorious service, or for performing duties of outstanding importance or for employment in an industry or camp. An inmate may earn only one type of extra good time award at a time (e.g., an inmate earning industrial or camp good time is not eligible for meritorious good time), except that a lump sum award as provided in § 523.16 may be given in addition to another extra good time award. The Warden or the Discipline Hearing Officer may not forfeit or withhold extra good time. The Warden may disallow or terminate the awarding of any type of extra good time (except lump sum awards), but only in a nondisciplinary context and only upon recommendation of staff. The Discipline Hearing Officer may disallow or terminate the awarding of any type of extra good time (except lump sum awards), as a disciplinary sanction. Once an awarding of meritorious good time has been terminated, the Warden must approve a new staff recommendation in order for the award to recommence. A "disallowance" means that an inmate does not receive an extra good time award for only one calendar month. Unless other action is taken, the award resumes the following calendar month. A "disallowance" must be for the entire amount of extra good time for that calendar month. There may be no partial disallowance. A decision to disallow or terminate extra good time may not be suspended pending future consideration. A retroactive award of meritorious good time may not include a month in which extra good time has been disallowed or terminated.

(b) The provisions of this rule do not apply to inmates sentenced under the Sentencing Reform Act provisions of the Comprehensive Crime Control Act of 1984. This means that inmates sentenced under the Sentencing Reform Act provisions for offenses committed on or after November 1, 1987 are not eligible for either statutory or extra good time, but may be considered for a maximum of 54 days of good conduct time credit per year (see 18 U.S.C. 3624(b)).

§ 523.11 Meritorious good time.

(a) Staff are responsible for recommending meritorious good time based upon work performance. Each recommendation must include a justification which clearly shows that the work being performed is of an exceptionally meritorious nature or is of outstanding importance in connection with institutional operations. Work performance and the importance of the work performed are the only criteria for awarding meritorious good time.

(b) A retroactive award of meritorious good time is ordinarily limited to three months, excluding the month in which the recommendation is made. A retroactive award in excess of three months requires the approval of the Warden or designee (may not be delegated below the level of Associate Warden). Staff are to include with any recommendation for an inmate to receive a retroactive award of meritorious good time, a written statement confirming the inmate's eligibility for the retroactive award.

(c) Meritorious good time continues uninterrupted regardless of work assignment changes unless the Warden or the Discipline Hearing Officer takes specific action to terminate or disallow the award.

§ 523.12 Work/study release good time.

Extra good time for an inmate in work or study release programs is awarded automatically, beginning on the date the inmate is assigned to the program and continuing without further approval as long as the inmate is participating in the program, unless the award is disallowed.

§ 523.13 Community corrections center good time.

Extra good time for an inmate in a Federal or contract Community Corrections Center is awarded automatically, beginning on arrival at the facility and continuing as long as the inmate is confined at the Center, unless the award is disallowed.

§ 523.14 Industrial good time.

Extra good time for an inmate employed in Federal Prison Industries, Inc., is automatically awarded, beginning on the first day of such employ-

ment, and continuing as long as the inmate is employed by Federal Prison Industries, unless the award is disallowed. An inmate on a waiting list for employment in Federal Prison Industries is not awarded industrial good time until actually employed.

§ 523.15 Camp or farm good time.

An inmate assigned to a farm or camp is automatically awarded extra good time, beginning on the date of commitment to the camp or farm, and continuing as long as the inmate is assigned to the farm or camp, unless the award is disallowed.

§ 523.16 Lump sum awards.

Any staff member may recommend to the Warden the approval of an inmate for a lump sum award of extra good time. Such recommendations must be for an exceptional act or service that is not part of a regularly assigned duty. The Warden may make lump sum awards of extra good time not to exceed thirty days. If the recommendation is for an award in excess of thirty days and the Warden concurs, the Warden shall refer the recommendation to the Regional Director who may approve the award. No award may be approved which would exceed the maximum number of days allowed under 18 U.S.C. 4162. The actual length of time served on the sentence, to the date that the exceptional act or service terminated, is the basis on which the maximum amount possible to award is calculated. No seniority is accrued for such awards. Staff may recommend lump sum awards of extra good time for the following reasons:

- (a) An act of heroism;
- (b) Voluntary acceptance and satisfactory performance of an unusually hazardous assignment;
- (c) An act which protects the lives of staff or inmates or the property of the United States; this is to be an act and not merely the providing of information in custodial or security matters;
- (d) A suggestion which results in substantial improvement of a program or operation, or which results in significant savings; or
- (e) Any other exceptional or outstanding service.

§ 523.17 Procedures.

(a) Extra good time is awarded at a rate of three days per month during the first twelve months of seniority in an earning status and at the rate of five days per month thereafter. The first twelve months of seniority need not be based on a continuous period of twelve months. If the beginning or termination date of an extra good time award occurs after the first day of a month, a partial award of days is made.

(b) An inmate may be awarded extra good time even though some or all of the inmate's statutory good time has been forfeited or withheld.

(c) Parole and mandatory release violators may earn extra good time the same as other inmates. Once an inmate is conditionally released from imprisonment, either by parole, including special parole, or mandatory release, the good time earned during that period of imprisonment is of no further effect either to shorten the period of supervision or to shorten the period of imprisonment which the inmate may be required to serve for violation of parole or mandatory release.

(d) Staff working in the community have the same extra good time authority as the Warden when approving the award of good time for an inmate confined in a non-federal facility and may approve meritorious good time or lump sum awards in accordance with this rule upon recommendations made by a responsible person employed by the non-federal facility. The appropriate staff in the Regional Office may review all such awards if the Regional Director requires the review.

(e) An inmate who is transferred remains in the earning status at time of transfer, unless the reason for transfer would otherwise have caused removal from an earning status, and provided the inmate's behavior is such while in transit that it does not justify removal. Where the receiving institution is a camp, farm, or community corrections center, the extra good time continues automatically upon the inmate's arrival. Where the receiving institution is other than a camp, farm, or community corrections center, the extra good time is terminated upon arrival, and staff at the receiving institution shall review each case to deter-

mine if the inmate should continue in meritorious good time earning status if not immediately employed in Federal Prison Industries or assigned to a work/study release program. If the inmate then is not continued in meritorious good time earning status, later awards must comply with procedures outlined in § 523.11.

(f) An inmate serving a life sentence may earn extra good time even though there is no mandatory release date from which to deduct the credit since the possibility exists that the sentence may be reduced or commuted to a definite term.

(g) Extra good time is not automatically discontinued while an inmate is hospitalized, on furlough, out of the institution on a writ of habeas corpus, or removed under the Interstate Agreement on Detainers. Extra good time may be terminated or disallowed during such absences if the Warden or the Discipline Hearing Officer finds that the inmate's behavior warrants such action.

(h) Extra good time earned by an inmate in a District of Columbia Department of Corrections facility is treated the same as if earned in a Bureau of Prisons institution, upon transfer to a Bureau institution.

(i) An inmate committed under the provisions of 18 U.S.C. 3651 (split sentence) may earn extra good time credits provided the sentence imposed is not under the provisions of 18 U.S.C. 5010 (b) or (c) (YCA). All extra good time and seniority earned is carried over to any subsequent probation violator sentence based on the original split sentence.

(j) An inmate committed under the provisions of 18 U.S.C. 4205(c) may earn extra good time credits towards the final sentence that may be imposed. Such extra good time credits do not reduce the three months allowed for study. An inmate committed under the provisions of 18 U.S.C. 4244, as amended effective October 12, 1984, may earn extra good time credits toward the final sentence that may be imposed. Such extra good time credits do not reduce the provisional sentence. Extra good time may continue during a commitment for examination of hospitalization and treatment under 18

U.S.C. 4245, as amended effective October 12, 1984.

(k) Inmates committed under the provisions of 18 U.S.C. 4244, 4246-47, 4252, 5010 (b), (c), (e), or 5037(c) as these sections were in effect prior to October 12, 1984, are not entitled to extra good time deductions. Inmates committed under the provisions of 18 U.S.C. 4241, 4242, 4243, or 4246 as these sections were amended effective October 12, 1984, are not entitled to extra good time deductions.

(l) A pretrial detainee may not earn good time while in pretrial status. A pretrial detainee, however, may be recommended for good time credit. This recommendation shall be considered in the event that the pretrial detainee is later sentenced on the crime for which he or she was in pretrial status.

(m) An inmate committed for civil contempt is not entitled to extra good time deductions while serving the civil contempt sentence.

(n) A military or Coast Guard inmate may earn extra good time. Extra good time earned in Federal Prison Industries in a military or Coast Guard installation is treated the same as if earned in Federal Prison Industries in the Bureau of Prisons. Other forms of military or Coast Guard extra good time, such as Army Abatement time, are fully credited, but no seniority is allowed.

(o) American citizens who are serving sentences in foreign countries and who are subsequently returned to this country under the provisions of 18 U.S.C. chapter 306 (Pub. L. 95-144) may have earned work, labor, or program time credits in the foreign country similar to extra good time earned under 18 U.S.C. 4162. Such foreign "extra good time" credits shall be treated as if awarded under §523.16, Lump Sum Awards, with any future lump sum award consideration in this country calculated on the basis of time served in custody of the Bureau of Prisons. After return to this country an inmate may earn extra good time at the three-day rate and advance to the five-day rate after one year of seniority is accrued. No seniority is accrued for foreign "extra good time" credits.

(p) An inmate in extra good time earning status may not waive or refuse extra good time credits.

(q) Once extra good time is awarded, it becomes vested and may not be forfeited or withheld, or retroactively terminated or disallowed.

Subpart C—Good Conduct Time

§523.20 Good conduct time.

Pursuant to 18 U.S.C. 3624(b), as in effect for offenses committed on or after November 1, 1987 but before April 26, 1996, an inmate earns 54 days credit toward service of sentence (good conduct time credit) for each year served. This amount is prorated when the time served by the inmate for the sentence during the year is less than a full year. The amount to be awarded is also subject to disciplinary disallowance (see tables 3 through 6 in §541.13 of this chapter). Pursuant to 18 U.S.C. 3624(b), as in effect for offenses committed on or after April 26, 1996, the Bureau shall consider whether the inmate has earned, or is making satisfactory progress (see §544.73(b) of this chapter) toward earning a General Educational Development (GED) credential before awarding good conduct time credit.

(a) When considering good conduct time for an inmate serving a sentence for an offense committed on or after April 26, 1996, the Bureau shall award:

(1) 54 days credit for each year served (prorated when the time served by the inmate for the sentence during the year is less than a full year) if the inmate has earned or is making satisfactory progress toward earning a GED credential or high school diploma; or

(2) 42 days credit for each year served (prorated when the time served by the inmate for the sentence during the year is less than a full year) if the inmate has not earned or is not making satisfactory progress toward earning a GED credential or high school diploma.

(b) The amount of good conduct time awarded for the year is also subject to disciplinary disallowance (see tables 3 through 6 in §541.13 of this chapter).

Subpart A [Reserved]

Subpart B—Classification and Program Review of Inmates

SOURCE: 56 FR 30676, July 3, 1991, unless otherwise noted.

§ 524.10 Purpose and scope.

It is the policy of the Bureau of Prisons to classify each newly committed inmate within four weeks of the inmate's arrival at the institution designated for service of sentence and to conduct subsequent program reviews for each inmate at regular intervals. The Warden shall establish procedures to ensure that a newly committed inmate is promptly assigned to a classification team.

§ 524.11 Classification team.

The Warden shall ensure that each department within the institution has the opportunity to contribute to the classification process.

(a) At a minimum, each classification (unit) team shall include the unit manager, a case manager, and a counselor. An education advisor and a psychology services representative are also ordinarily members of the team. Where the institution does not have unit management, the team shall include a case manager, counselor, and one other staff member.

(b) Each member of the classification team shall individually interview the newly arrived inmate within five working days of the inmate's assignment to that team.

[56 FR 30676, July 3, 1991, as amended at 57 FR 34662, Aug. 5, 1992]

§ 524.12 Initial classification and program reviews.

(a) The Warden or designee shall ensure that each newly committed inmate is scheduled for initial classification within four weeks of the inmate's arrival at the designated institution.

(b) Staff shall conduct a program review for each inmate at least once every 180 days. When an inmate is within twelve months of the projected release date, a program review shall be conducted at least once every 90 days.

(c) Staff shall notify an inmate at least 48 hours prior to that inmate's scheduled appearance before the classification team (whether for the initial classification or subsequent program review). An inmate may waive in writing the 48-hour notice requirement. The inmate is expected to attend the initial classification meeting. If the inmate refuses to appear at this meeting, staff shall document in the record of the meeting the inmate's refusal and, if known, the reasons for refusal. An inmate may elect not to attend the subsequent program review(s), but ordinarily must indicate this intent by signing the Program Review Report at least 24 hours prior to the scheduled team meeting. When an inmate does not provide this signed statement, but elects not to attend the program review, staff shall indicate the inmate's refusal to appear and, if known, the reasons for refusal on the Program Review Report. A copy of this report is to be forwarded to the inmate. The inmate is responsible for becoming aware of, and will be held accountable for, the classification team's actions.

(d) Staff shall complete a Program Review Report at the inmate's initial classification. This report ordinarily includes information on the apparent needs of the inmate and shall offer a correctional program designed to meet those needs. The Program Review Report is to be signed by the unit manager and the inmate, and a copy is to be provided to the inmate. The correctional programs will be stated in measurable terms, establishing time limits, performance levels, and specific, expected program accomplishments. Staff will document progress and any program changes at subsequent reviews in the same manner in a new Program Review Report. Each sentenced inmate who is physically and mentally able is assigned to a work program at the time of initial classification. The inmate may choose not to participate in the offered program, unless the program is a work assignment, or mandated by Bureau policy, by court order, or by statute.

(e) The inmate is to be provided with, and must sign for, a copy of the Program Review Report. If the inmate refuses to sign for a copy of this report,

staff witnessing the refusal shall place a signed statement to this effect on the report. Staff shall place a copy of the Program Review Report in the inmate's central file.

[56 FR 30676, July 3, 1991, as amended at 60 FR 33320, June 27, 1995; 61 FR 47795, Sept. 10, 1996]

§ 524.13 Effect of a detainer on an inmate's program.

The existence of a detainer, by itself, ordinarily does not affect the inmate's program. An exception may occur where the program is contingent on a specific issue (for example, custody) which is affected by the detainer.

§ 524.14 Unscheduled reviews.

Staff shall establish a procedure to ensure that inmates are provided program reviews as required by this rule. Upon request of either the inmate or staff, and with the concurrence of the team chairperson, an advanced program review may occur.

[56 FR 30676, July 3, 1991, as amended at 60 FR 33321, June 27, 1995]

§ 524.15 Appeals procedure.

An inmate may appeal, through the Administrative Remedy Program, a decision made at initial classification or at a program review.

[56 FR 30676, July 3, 1991, as amended at 61 FR 47795, Sept. 10, 1996]

§ 524.16 Study and observation cases.

Inmates committed to the custody of the U.S. Attorney General for purposes of study and observation are excluded from the provisions of this rule.

[61 FR 47795, Sept. 10, 1996]

§ 524.17 Pretrial inmates.

Additional provisions pertinent to pretrial inmates are contained in § 551.107 of this chapter.

Subpart C—Youth Corrections Act (YCA) Programs

SOURCE: 58 FR 50808, Sept. 28, 1993, unless otherwise noted.

§ 524.20 Purpose and scope.

This subpart establishes procedures for designation, classification, parole, and release of Youth Corrections Act (YCA) inmates. In keeping with court findings, and in accord with the repeal of 18 U.S.C. chapter 402, sections 5011 and 5015(b), all offenders sentenced under the provisions of the YCA presently in custody, those retaken into custody as parole violators, and those yet to be committed (probation violators, appeal bond cases, etc.) may be transferred to or placed in adult institutions under the provisions of this policy.

§ 524.21 Definitions.

(a) *YCA inmate*: An inmate sentenced under provision of the Youth Corrections Act who has not received an in-person “no further benefit” finding by his or her sentencing judge, and whose YCA sentence has not been completely absorbed by an adult federal sentence.

(b) *No further benefit*: An in-person finding by the inmate’s sentencing court that YCA treatment will not be of further benefit to the inmate. An inmate receiving such court finding is accordingly not considered to be a YCA inmate.

§ 524.22 YCA program.

(a) Wardens are to ensure each committed youth offender is scheduled for a three-phase program plan which will include a classification phase, a treatment phase, and a pre-release phase. A program plan for each YCA inmate will be developed by the Unit Team as a part of the classification phase. The Warden may exempt a YCA inmate from program participation when individual circumstances warrant such exceptions. Such exceptions must be requested and acknowledged by the inmate, and the reason(s) for exemption must be documented in the inmate’s central file.

(1) *Classification phase*: The classification phase begins upon the inmate’s arrival at the designated institution. It consists of evaluation, orientation, unit assignment, and concludes when the inmate has attended the initial classification (or transfer classification) meeting with the Unit Team. YCA inmates are to participate in the

classification process prior to the development of their individual program plans. The YCA inmate is to have received a psychological screening prior to attending the initial classification meeting. YCA program plans will include specific goals relative to:

- (i) Behavior;
- (ii) Treatment/self improvement;
- (iii) Pre-release.

(2) *Treatment phase*: YCA inmates are to be exposed to unit-based and community-based (if otherwise eligible) programs. Each YCA inmate shall be periodically reviewed during this phase. The treatment phase begins when the inmate attends the programs and activities described in the program plan which were established at the culmination of the classification phase. Each YCA inmate shall be assigned programs in accordance with the inmate’s needs and the established program plan. The “program day” shall consist of morning, afternoon, and evening time periods, during which the inmate shall be scheduled for treatment programs, work, and leisure-time activities. The inmate shall be expected to comply with the program plan. The inmate’s participation in a treatment program is required, not optional. An inmate’s failure to participate may result in disciplinary action.

(3) *Pre-release phase*: The YCA inmate shall enter the pre-release phase approximately 9 months prior to release. The pre-release phase is ordinarily divided into two segments: participation in the institution pre-release program and a stay at a Community Corrections Center (CCC), if otherwise eligible. Institution pre-release programs shall focus on the types of problems the inmate may face upon return to the community, such as re-establishing family relationships, managing a household, finding and keeping a job, and developing a successful life style. In addition, the pre-release phase may include visits from prospective employers.

(b) Staff shall establish incentives to motivate YCA inmates and to encourage program completion. Examples of such incentives which may be used are special recognition, awards, and “vacation days”.

(c) The program plan, and the YCA inmate’s participation in fulfilling

goals contained within the plan, are fundamental factors considered by the U.S. Parole Commission in determining when a YCA inmate should be paroled. Given the importance and joint use of the YCA programming process, the current program plan and a summary of the inmate's progress in meeting established treatment goals must be made available for review and discussion by the Commission at each parole hearing. In addition, a staff member familiar with the YCA inmate's case should be present at any parole hearing to clarify any questions concerning the plan or the inmate's progress in completing the plan.

(d) Upon full and satisfactory completion of the program plan, the Warden will notify the U.S. Parole Commission and make a specific recommendation for release.

§ 524.23 Program reviews.

Staff shall conduct periodic reviews of the inmate's program plan and shall modify the plan in accordance with the level of progress shown. Each YCA inmate shall be afforded a review at least once each 90 days, and shall have a formal progress report prepared every year summarizing the inmate's level of achievement. If the inmate's program plan needs to be modified in light of the progress made, or the lack thereof, appropriate changes will be made and a revised program plan will be developed and documented. Staff shall ordinarily notify the inmate of the 90-day review at least 48 hours prior to the inmate's scheduled appearance before the Unit Team. An inmate may waive in writing the requirement of 48 hours notice.

§ 524.24 Parole hearings.

All YCA inmates have been extended the parole procedures present in *Watts vs. Hadden*. YCA inmates shall be scheduled for interim hearings on the following schedules:

(a) For those inmates serving YCA sentences of less than 7 years, an in-person hearing will be scheduled every 9 months.

(b) For those inmates serving YCA sentences of 7 years or more, an in-person hearing will be scheduled every 12 months.

(c) Upon notification of a response to treatment/certified completion of a program plan by the Bureau of Prisons, the Parole Commission will schedule the inmate for an in-person hearing on the next available docket, unless the inmate is paroled on the record. If a hearing is held and the inmate is denied parole, the next hearing shall be scheduled in accordance with the schedule outlined in paragraphs (a) and (b) of this section.

(d) The hearings mentioned in paragraphs (a) and (b) of this section are not required for inmates who have been continued to expiration or mandatory parole who have less than one year remaining to serve or to a CCC placement date.

§ 524.25 U.S. Parole Commission.

The U.S. Parole Commission is the releasing authority for all YCA inmates except for full term and conditional releases. The Commission shall be provided a progress report:

(a) Upon request of the Commission,

(b) Prior to any interim hearing or pre-release record review, or

(c) Upon determination by the inmate's Unit Team, with concurrence by the Warden, that the inmate has completed his or her program plan.

Subpart D—Intensive Confinement Center Program

SOURCE: 61 FR 18658, Apr. 26, 1996, unless otherwise noted.

§ 524.30 Purpose and scope.

The intensive confinement center program is a specialized program combining features of a military boot camp with the traditional correctional values of the Bureau of Prisons, followed by extended participation in community-based programs. The goal of this program is to promote personal development, self-control, and discipline.

§ 524.31 Eligibility and placement.

(a) Eligibility for consideration of placement in the intensive confinement center program requires that the inmate is:

§ 524.32

28 CFR Ch. V (7-1-98 Edition)

(1)(i) Serving a sentence of more than 12, but not more than 30 months (see 18 U.S.C. 4046), or

(ii) Serving a sentence of more than 30, but not more than 60 months, and is within 24 months of a projected release date.

(2) Serving his or her first period of incarceration or has a minor history of prior incarcerations;

(3) Is not serving a term of imprisonment for a crime of violence or a felony offense:

(i) That has as an element, the actual, attempted, or threatened use of physical force against the person or property of another, or

(ii) That involved the carrying, possession, or use of a firearm or other dangerous weapon or explosives (including any explosive material or explosive device), or

(iii) That by its nature or conduct, presents a serious potential risk of physical force against the person or property of another, or

(iv) That by its nature or conduct involves sexual abuse offenses committed upon children.

(4) Appropriate for housing in minimum security;

(5) Physically and mentally capable of participating in the program;

(6) A volunteer.

(b) Placement in the intensive confinement center program is to be made by Bureau staff in accordance with sound correctional judgment and the availability of Bureau resources.

[61 FR 18658, Apr. 26, 1996, as amended at 62 FR 53691, Oct. 15, 1997]

§ 524.32 Institution-based component procedures.

(a) An eligible inmate who volunteers for participation in an institution-based intensive confinement center program must agree to forego opportunities which may be otherwise available to inmates in Bureau institutions. Opportunities that may be affected include, but are not limited to, visitation, telephone use, legal research time, religious practices, commissary, smoking, and grooming preferences.

(b) The institution-based component of the intensive confinement center program ordinarily is six months in duration.

(c) Disciplinary procedures to be followed in the institution-based intensive confinement center program are set forth in subpart B of part 541 of this chapter.

(d)(1) An inmate who successfully completes the institution-based component of the program ordinarily is eligible to serve the remainder of the sentence in a community-based program.

(2) An inmate eligible for participation in the program under § 524.31(a)(1)(i) who successfully completes the institution-based component, who maintains successful participation in a community-based program, and has a period of supervised release to follow is eligible for up to a six month reduction in sentence.

(3) An inmate who completes or has completed the institution-based component of an intensive confinement center pilot program, who maintains successful participation in a community-based program, and has a period of supervised release to follow is eligible for up to a six month reduction in sentence if staff confirm that the inmate has met the requirements of § 524.31(a)(1)(i), (2), (3) and (4).

§ 524.33 Program failure.

An inmate who fails to complete the institution-based component or who subsequently fails participation in a community-based program may forfeit his or her further involvement in the program.

Subpart E—Progress Reports

SOURCE: 55 FR 49977, Dec. 3, 1990, unless otherwise noted.

§ 524.40 Purpose and scope.

The Bureau of Prisons maintains current information on each inmate through progress reports completed by staff. The progress report summarizes information relating to the inmate's adjustment during confinement, program participation, and readiness for release.

§ 524.41 Types of progress reports.

The Bureau of Prisons prepares the following types of progress reports.

(a) Initial Hearing—prepared for an inmate's initial parole hearing when

progress has not been summarized within the previous 180 days.

(b) Statutory Interim/Two-Thirds Review—prepared for a parole hearing conducted 18 or 24 months following a hearing at which no effective parole date was established, or for a two-thirds review (see 28 CFR 2.53) unless the inmate has waived the parole hearing.

(c) Pre-Release—

(1) Record Review—prepared for and mailed to the appropriate Parole Commission office at least eight months prior to the inmate's presumptive parole date.

(2) Final—prepared at least 90 days prior to the release of an offender to a term of supervision.

(d) Transfer Report—prepared on an inmate recommended and/or approved for transfer to a community corrections center (CCC) or to another institution and whose progress has not been summarized within the previous 180 days.

(e) *Triennial report*—prepared on each designated inmate at least once every 36 months if not previously generated for another reason required by this section.

(f) Other—prepared for any reason other than those previously stated in this section. The reason (e.g., court request, clemency review) is specified in the report.

Subpart F—Central Inmate Monitoring (CIM) System

SOURCE: 61 FR 40143, July 31, 1996, unless otherwise noted.

§ 524.70 Purpose and scope.

The Bureau of Prisons monitors and controls the transfer, temporary release (e.g., on writ), and community activities of certain inmates who present special needs for management. Such inmates, known as central inmate monitoring (CIM) cases, require a higher level of review which may include Central Office and/or Regional Office clearance for transfers, temporary releases, or community activities. This monitoring is not to preclude a CIM case from such activities, when the inmate is otherwise eligible, but rather is to provide protection to all concerned and to contribute to the safe and orderly operation of federal institutions.

§ 524.71 Responsibility.

Authority for actions relative to the CIM system is delegated to the Assistant Director, Correctional Programs Division, to Regional Directors, and to Wardens. The Assistant Director, Correctional Programs Division, and Regional Directors shall assign a person responsible for coordinating CIM activities. The Case Management Coordinator (CMC) shall provide oversight and coordination of CIM activities at the institutional level, and the Community Corrections Manager shall assume these responsibilities for contract facilities.

§ 524.72 CIM assignment categories.

CIM cases are classified according to the following assignments:

(a) *Witness Security cases.* Individuals who agree to cooperate with law enforcement, judicial, or correctional authorities, frequently place their lives or safety in jeopardy by being a witness or intended witness against persons or groups involved in illegal activities. Accordingly, procedures have been developed to help ensure the safety of these individuals. There are two types of Witness Security cases: Department of Justice (authorized by the Attorney General under title V of Public Law 91-452, 84 Stat. 933); and Bureau of Prisons Witness Security cases (authorized by the Assistant Director, Correctional Programs Division).

(b) *Threats to government officials.* Inmates who have made threats to government officials or who have been

identified, in writing, by the United States Secret Service as requiring special surveillance.

(c) *Broad publicity.* Inmates who have received widespread publicity as a result of their criminal activity or notoriety as public figures.

(d) *Disruptive group.* Inmates who belong to or are closely affiliated with groups (e.g., prison gangs), which have a history of disrupting operations and security in either state or federal penal (which includes correctional and detention facilities) institutions. This assignment also includes those persons who may require separation from a specific disruptive group.

(e) *State prisoners.* Inmates, other than Witness Security cases, who have been accepted into the Bureau of Prisons for service of their state sentences. This assignment includes cooperating state witnesses and regular state boarders.

(f) *Separation.* Inmates who may not be confined in the same institution (unless the institution has the ability to prevent any physical contact between the separatees) with other specified individuals who are presently housed in federal custody or who may come into federal custody in the future. Factors to consider in classifying an individual to this assignment include, but are not limited to, testimony provided by or about an individual (in open court, to a grand jury, etc.), and whether the inmate has exhibited aggressive or intimidating behavior towards other specific individuals, either in the community or within the institution. This assignment also includes those inmates who have provided authorities with information concerning the unauthorized or illegal activities of others. This assignment may also include inmates from whom there is no identifiable threat, but who are to be separated from others at the request of the Federal Judiciary or U.S. Attorneys.

(g) *Special supervision.* Inmates who require special management attention, but who do not ordinarily warrant assignment in paragraphs (a) through (f) of this section. For example, this assignment may include an inmate with a background in law enforcement or an

inmate who has been involved in a hostage situation. Others may include those who are members of a terrorist group with a potential for violence.

§ 524.73 Classification procedures.

(a) *Initial assignment.* Except as provided for in paragraphs (a) (1) through (4) of this section, an inmate (including pretrial inmates) may be classified as a CIM case at any time by a Community Corrections Manager or by appropriate staff at the Central Office, Regional Office, or institution. This initial classification is effective upon documentation in the inmate's record.

(1) *Witness Security cases.* Witness Security cases are designated by the Central Office only. An inmate's participation in the Department of Justice Witness Security Program is voluntary. A commitment interview and an admission and orientation interview are to be conducted with the Witness Security inmate to ensure that the inmate understands the conditions of confinement within the Bureau of Prisons. Central Office classification of an individual as a Witness Security case, under either the Department of Justice or Bureau of Prisons, does not require additional review, and overrides any other CIM assignment.

(2) *State prisoners.* Appropriate staff in the Central Office or Regional Office designate state prisoners accepted into the Bureau of Prisons from state or territorial jurisdictions. All state prisoners while solely in service of the state sentence are automatically included in the CIM system to facilitate designations, transfers, court appearances, and other movements.

(3) *Special supervision.* Placement in this assignment may be made only upon the authorization of a Regional Director or the Assistant Director, Correctional Programs Division.

(4) *Recommitted offenders.* An inmate who is recommitted to federal custody, who at the time of release was classified as a CIM case, retains this classification pending a review of the CIM status in accordance with paragraph (c) of this section.

(b) *Notification.* The case manager shall ensure that the affected inmate is notified in writing as promptly as possible of the classification and the basis

for it. Witness Security cases will be notified through a commitment interview. The notice of the basis may be limited in the interest of security or safety. For example, in separation cases under § 524.72, notice will not include the names of those from whom the inmate must be separated. The inmate shall sign for and receive a copy of the notification form. If the inmate refuses to sign the notification form, staff witnessing the refusal shall indicate this fact on the notification form and then sign the form. Notification is not required for pretrial inmates. Any subsequent modification of a CIM assignment or removal from the CIM system requires separate notification to the inmate.

(c) *Initial review.* A classification may be made at any level to achieve the immediate effect of requiring prior clearance for an inmate's transfer, temporary release, or participation in community activities. Except for Central Office or Regional Office classification of an individual as a state prisoner in sole service of the state sentence or for classification of pretrial inmates made by designated staff at the institution, a review by designated staff (ordinarily within 60 days of notification to the inmate) is required to determine whether a sound basis exists for the classification. Staff making the initial classification shall forward to the reviewing authority complete information regarding the inmate's classification. An inmate not notified of a change in the classification by the reviewing authority within 60 days from the date of the initial notification may consider the CIM classification final. Reviewing authorities for CIM classification are:

(1) *Central Office Inmate Monitoring Section*— reviews classification decisions for all future separation assignments (including recommitments) for Witness Security cases and for any combination of assignments involving Witness Security cases.

(2) *Regional Office*— reviews CIM classification decisions for Disruptive Group, Broad Publicity, Threat to Government Officials, Special Supervision, State Prisoners not in sole service of state sentence and initial multiple assignments except Witness Security Cases.

(3) *Warden, or Designee*— reviews CIM classification decisions for all separation assignments.

(d) *Removal*. (1) Because participation in the Department of Justice Witness Security Program is voluntary, such participants may request removal from this assignment at any time. Such request shall be forwarded to the Central Office Inmate Monitoring Section. Actual removal of the CIM assignment will not occur until after approval from the Department of Justice is received.

(2) The reviewing authority is responsible for determining if removal or modification of any CIM classification other than a Department of Justice Witness Security case is appropriate. The inmate retains the CIM classification pending a decision by the reviewing authority.

(3) When an inmate is removed for any reason from a CIM classification (for example, because the reviewing authority either disapproves the CIM classification or approves removal of a CIM classification based on new information), the appropriate staff member shall ensure that the relevant portions of the inmate central file are either removed or, when part of a larger document, are amended to clearly reflect removal of the CIM assignment. Staff shall notify the inmate of the decision and document any change in the inmate's record, and supportive documentation and the written basis for removal are to be retained in the inmate privacy file.

§ 524.74 Activities clearance.

(a) Except as provided for in paragraph (b) of this section, the Warden is the clearance authority on all transfers, temporary releases, community activities, and escorted trips.

(b) *Witness Security cases*. Central Office Inmate Monitoring Section staff shall be the clearance authority on all transfers, temporary releases, community activities, and escorted trips for Witness Security cases, except in a medical emergency. In a medical emergency, the Warden may transfer a Witness Security case to a local hospital for emergency medical care without prior clearance.

§ 524.75 Periodic review.

The Warden shall ensure that the status of an inmate's CIM assignment is considered at each program review. When staff believe that removal or modification of a CIM classification is appropriate, the institution's CMC and the appropriate reviewing authority must be notified. Only the reviewing authority shall determine if removal or modification of the CIM classification is appropriate.

§ 524.76 Appeals of CIM classification.

An inmate may at any time appeal (through the Administrative Remedy Program) the inmate's classification as a CIM case. Inmates identified as Witness Security cases may choose to address their concerns directly to the Inmate Monitoring Section, Central Office, rather than use the Administrative Remedy Program.

Subpart D—Transfer of Inmates to State Agents for Production on State Writs

SOURCE: 46 FR 34549, July 1, 1981, unless otherwise noted.

§ 527.30 Purpose and scope.

The Bureau of Prisons will consider a request made on behalf of a state or local court that an inmate be transferred to the physical custody of state or local agents pursuant to state writ of habeas corpus *ad prosequendum* or *ad testificandum*. The Warden at the institution in which the inmate is confined is authorized to approve this transfer in accordance with the provisions of this rule.

§ 527.31 Procedures.

(a) These procedures apply to state and federal inmates serving sentences in federal institutions, and shall be followed prior to an inmate's transfer to state or local agents other than through the Interstate Agreement on Detainers.

(b) The Warden shall authorize transfer only when satisfied that the inmate's appearance is necessary, that state and local arrangements are satisfactory, that the safety or other interests of the inmate (such as an imminent parole hearing) are not seriously jeopardized, and that federal interests, which include those of the public, will not be interfered with, or harmed. Authorization may not be given where substantial concern exists over any of these considerations.

(c) The request for transfer of custody to state agents shall be made by the prosecutor or other authority who acts on behalf of the court and shall be directed to the Warden of the institution in which the inmate is confined. The request shall be made by letter. The request shall indicate the need for appearance of the inmate, name of the court, nature of the action, date of the requested appearance, name and phone number of the state agency or other organization with responsibility for transporting the inmate, the name and location where the inmate will be con-

finied during legal proceedings, and anticipated date of return. For civil cases, the request shall also indicate the reason that production on writ is necessary and some other alternative is not available. The applying authority shall provide either at the time of application or with the agent assuming custody, a statement signed by an authorized official that state or local officials with custody will provide for the safekeeping, custody, and care of the inmate, will assume full responsibility for that custody, and will return the inmate to Bureau of Prisons' custody promptly on conclusion of the inmate's appearance in the state or local proceedings for which the writ is issued.

(d) A certified copy of the writ (one with the Seal of the Court) must be received at the institution prior to release of the inmate. Institution staff shall verify the authenticity of the writ.

(e) Institution staff shall maintain contact with the state or local law enforcement agency with responsibility for transfer of the inmate to determine the exact date and time for transfer of custody. If the inmate is awaiting federal trial or has federal civil proceedings pending, staff must clear the transfer through the U.S. Attorney.

(f) Institution staff shall determine from the state or local agency the names of the agents assuming custody. Staff must carefully examine the credentials of the agents assuming custody. In any doubtful case, verification should be sought.

(g) Transfers in civil cases pursuant to a writ of habeas corpus *ad testificandum* must be cleared through both the Regional Counsel and the Warden. Transfer ordinarily shall be recommended only if the case is substantial, where testimony cannot be obtained through alternative means such as depositions or interrogatories, and where security arrangements permit. Postponement of the production until after the inmate's release from federal custody will always be considered, particularly if release is within twelve months.

(h) Release of inmates classified as Central Inmate Monitoring Cases requires review with and/or coordination

In accordance with the provisions of 28 CFR 0.96b the Attorney General has delegated to the Director of the Bureau of Prisons, and to designees of the Director, the authority to receive custody of, and to transfer to and from the United States, offenders in compliance with the conditions of the treaty.

(c) The Assistant Director, Correctional Programs Division, shall review the submitted material and forward it to the Office of Enforcement Operations (OEO), Criminal Division, International Prisoner Transfer Unit, Department of Justice, for review.

(d) The Assistant Director, Correctional Programs Division, shall ensure that the inmate is advised of the decision of OEO.

(1) When the Department of Justice determines that transfer is not appropriate, the Assistant Director, Correctional Programs Division, shall ensure that the inmate is advised of this determination and informed that the inmate may request the reason(s) for such action from OEO.

(2) When the Department of Justice determines that transfer is appropriate, the Assistant Director, Correctional Programs Division, shall ensure that the inmate is advised of the determination and of the probability that the inmate will be given an interview with his or her nation's consular officials.

(c) As soon as practicable after the inmate's arrival at the admission institution, staff shall initiate the following actions:

(1) Arrange for the inmate to receive a complete physical examination;

(2) Advise the local U.S. Probation Office of the inmate's arrival; and

§ 540.11 Mail depositories.

The Warden shall establish at least one mail depository within the institution for an inmate to place outgoing correspondence. The Warden may establish a separate mail depository for outgoing special mail. A return address, containing the inmate's name and register number, P.O. Box, city, state, and zip code, is necessary for each item placed in a mail depository.

§ 540.12 Controls and procedures.

(a) The Warden shall establish and exercise controls to protect individuals, and the security, discipline, and good order of the institution. The size, complexity, and security level of the institution, the degree of sophistication of the inmates confined, and other variables require flexibility in correspondence procedures. All Wardens shall establish open general correspondence procedures.

(b) Staff shall inform each inmate in writing promptly after arrival at an institution of that institution's rules for handling of inmate mail. This notice includes the following statement:

The staff of each institution of the Bureau of Prisons has the authority to open all mail addressed to you before it is delivered to you. "Special Mail" (mail from the President and Vice President of the U.S., attorneys, Members of the U.S. Congress, Embassies and Consulates, the U.S. Department of Justice (excluding the Bureau of Prisons but including U.S. Attorneys), other Federal law enforcement officers, State Attorneys General, Prosecuting Attorneys, Governors, U.S. Courts (including U.S. Probation Officers), and State Courts) may be opened only in your presence to be checked for contraband. This procedure occurs only if the sender is

adequately identified on the envelope and the front of the envelope is marked "Special Mail—Open only in the presence of the inmate." Other mail may be opened and read by the staff.

If you do not want your *general* correspondence opened and read, the Bureau will return it to the Postal Service. This means that you will not receive such mail. You may choose whether you want your general correspondence delivered to you subject to the above conditions, or returned to the Postal Service. Whatever your choice, special mail will be delivered to you, after it is opened in your presence and checked for contraband. You can make your choice by signing part I or part II.

PART I—GENERAL CORRESPONDENCE TO BE RETURNED TO THE POSTAL SERVICE

I have read or had read to me the foregoing notice regarding mail. I do not want my general correspondence opened and read. I REQUEST THAT THE BUREAU OF PRISONS RETURN MY GENERAL CORRESPONDENCE TO THE POSTAL SERVICE. I understand that special mail will be delivered to me, after it is opened in my presence and checked for contraband.

PART II—GENERAL CORRESPONDENCE TO BE OPENED, READ, AND DELIVERED

I have read or had read to me the foregoing notice regarding mail, I WISH TO RECEIVE MY GENERAL CORRESPONDENCE. I understand that the Bureau of Prisons may open and read my general correspondence if I choose to receive same. I also understand that special mail will be delivered to me, after it is opened in my presence and checked for contraband.

Inmate (Name), (Reg. No.), refused to sign this form. He (she) was advised by me that the Bureau of Prisons retains the authority to open and read all general correspondence. The inmate was also advised that his (her) refusal to sign this form will be interpreted as an indication that he (she) wishes to receive general correspondence subject to the conditions in part II above.

(c) Staff shall inform an inmate that letters placed in the U.S. Mail are placed there at the request of the inmate and the inmate must assume responsibility for the contents of each letter. Correspondence containing threats, extortion, etc., may result in

prosecution for violation of federal laws. When such material is discovered, the inmate may be subject to disciplinary action, the written material may be copied, and all material may be referred to the appropriate law enforcement agency for prosecution.

(d) An inmate shall ensure that each of the inmate's outgoing envelopes contains that inmate's name and register number, P.O. Box, city, state, and zip code.

§ 540.13 Notification of rejections.

When correspondence is rejected, the Warden shall notify the sender in writing of the rejection and the reasons for the rejection. The Warden shall also give notice that the sender may appeal the rejection. The Warden shall also notify an inmate of the rejection of any letter addressed to that inmate, along with the reasons for the rejection and shall notify the inmate of the right to appeal the rejection. The Warden shall refer an appeal to an official other than the one who originally disapproved the correspondence. The Warden shall return rejected correspondence to the sender unless the correspondence includes plans for or discussion of commission of a crime or evidence of a crime, in which case there is no need to return the correspondence or give notice of the rejection, and the correspondence should be referred to appropriate law enforcement authorities. Also, contraband need not be returned to the sender.

§ 540.14 General correspondence.

(a) Institution staff shall open and inspect all incoming general correspondence. Incoming general correspondence may be read as frequently as deemed necessary to maintain security or monitor a particular problem confronting an inmate.

(b) Except for "special mail," outgoing mail from a pretrial inmate may not be sealed by the inmate and may be read and inspected by staff.

(c)(1) Outgoing mail from a sentenced inmate in a minimum or low security level institution may be sealed by the inmate and, except as provided for in paragraphs (c)(1)(i) through (iv) of this section, is sent out unopened and

uninspected. Staff may open a sentenced inmate's outgoing general correspondence:

(i) If there is reason to believe it would interfere with the orderly running of the institution, that it would be threatening to the recipient, or that it would facilitate criminal activity;

(ii) If the inmate is on a restricted correspondence list;

(iii) If the correspondence is between inmates (see § 540.17); or

(iv) If the envelope has an incomplete return address.

(2) Except for "special mail," outgoing mail from a sentenced inmate in a medium or high security level institution, or an administrative institution may not be sealed by the inmate and may be read and inspected by staff.

(d) The Warden may reject correspondence sent by or to an inmate if it is determined detrimental to the security, good order, or discipline of the institution, to the protection of the public, or if it might facilitate criminal activity. Correspondence which may be rejected by a Warden includes, but is not limited to, correspondence which contains any of the following:

(1) Matter which is nonmailable under law or postal regulations;

(2) Matter which depicts, describes, or encourages activities which may lead to the use of physical violence or group disruption;

(3) Information of escape plots, of plans to commit illegal activities, or to violate Bureau rules or institution guidelines;

(4) Direction of an inmate's business (See § 541.13, Prohibited Act No. 408). An inmate, unless a pre-trial detainee, may not direct a business while confined.

This does not, however, prohibit correspondence necessary to enable an inmate to protect property and funds that were legitimately the inmate's at the time of commitment. Thus, for example, an inmate may correspond about refinancing an existing mortgage or sign insurance papers, but may not operate a mortgage or insurance business while in the institution.

(5) Threats, extortion, obscenity, or gratuitous profanity;

(6) A code;

(7) Sexually explicit material (for example, personal photographs) which by its nature or content poses a threat to an individual's personal safety or security, or to institution good order; or

(8) Contraband. (See § 500.1 of this chapter. A package received without prior authorization by the Warden is considered to be contraband.)

§ 540.15 Restricted general correspondence.

(a) The Warden may place an inmate on restricted general correspondence based on misconduct or as a matter of classification. Determining factors include the inmate's:

(1) Involvement in any of the activities listed in § 540.14(d);

(2) Attempting to solicit funds or items (e.g., samples), or subscribing to a publication without paying for the subscription;

(3) Being a security risk;

(4) Threatening a government official; or

(5) Having committed an offense involving the mail.

(b) The Warden may limit to a reasonable number persons on the approved restricted general correspondence list of an inmate.

(c) The Warden shall use one of the following procedures before placing an inmate on restricted general correspondence.

(1) Where the restriction will be based upon an incident report, procedures must be followed in accordance with inmate disciplinary regulations (part 541, subpart B of this chapter).

(2) Where there is no incident report, the Warden:

(i) Shall advise the inmate in writing of the reasons the inmate is to be placed on restricted general correspondence;

(ii) Shall give the inmate the opportunity to respond to the classification or change in classification; the inmate has the option to respond orally or to submit written information or both; and

(iii) Shall notify the inmate of the decision and the reasons, and shall advise the inmate that the inmate may

appeal the decision under the Administrative Remedy Procedure.

(d) When an inmate is placed on restricted general correspondence, the inmate may, except as provided in §§ 540.16 and 540.17:

(1) Correspond with the inmate's spouse, mother, father, children, and siblings, unless the correspondent is involved in a violation of correspondence regulations, or would be a threat to the security or good order of the institution;

(2) Request other persons also to be placed on the approved correspondence list, subject to investigation, evaluation, and approval by the Warden; with prior approval, the inmate may write to a proposed correspondence to obtain a release authorizing an investigation; and

(3) Correspond with former business associates, unless it appears to the Warden that the proposed correspondent would be a threat to the security or good order of the institution, or that the resulting correspondence could reasonably be expected to result in criminal activity. Correspondence with former business associates is limited to social matters.

(e) The Warden may allow an inmate additional correspondence with persons other than those on the inmate's approved mailing list when the correspondence is shown to be necessary and does not require an addition to the mailing list because it is not of an on-going nature.

§ 540.16 Inmate correspondence while in segregation and holdover status.

(a) The Warden shall permit an inmate in holdover status (i.e., enroute to a designated institution) to have correspondence privileges similar to those of other inmates insofar as practical.

(b) The Warden shall permit an inmate in segregation to have full correspondence privileges unless placed on restricted general correspondence under § 540.15.

§ 540.17 Correspondence between confined inmates.

An inmate may be permitted to correspond with an inmate confined in any other penal or correctional institution

if the other inmate is either a member of the immediate family, or is a party or witness in a legal action in which both inmates are involved. Such correspondence may be approved in other exceptional circumstances, with particular regard to the security level of the institution, the nature of the relationship between the two inmates, and whether the inmate has other regular correspondence. The following additional limitations apply:

(a) Such correspondence at institutions of all security levels may always be inspected and read by staff at the sending and receiving institutions (it may not be sealed by the inmate); and

(b)(1) The appropriate unit manager at each institution must approve of the correspondence if both inmates are housed in Federal institutions and both inmates are members of the same immediate family or are a party or witness in a legal action in which both inmates are involved.

(2) The Wardens of both institutions must approve of the correspondence if one of the inmates is housed at a non-Federal institution or if approval is being granted on the basis of exceptional circumstances.

[50 FR 40109, Oct. 1, 1985, as amended at 61 FR 65204, Dec. 18, 1995]

§ 540.18 Special mail.

(a) The Warden shall open incoming special mail only in the presence of the inmate for inspection for physical contraband and the qualification of any enclosures as special mail. The correspondence may not be read or copied if the sender is adequately identified on the envelope, and the front of the envelope is marked "Special Mail—Open only in the presence of the inmate".

(b) In the absence of either adequate identification or the "special mail" marking indicated in paragraph (a) of this section appearing on the envelope, staff may treat the mail as general correspondence and may open, inspect, and read the mail.

(c)(1) Except as provided for in paragraph (c)(2) of this section, outgoing special mail may be sealed by the inmate and is not subject to inspection.

(2) Special mail shall be screened in accordance with the provisions of paragraph (c)(2)(iii) of this section when the special mail is being sent by an inmate who has been placed on restricted special mail status.

(i) An inmate may be placed on restricted special mail status if the Warden, with the concurrence of the Regional Counsel, documents in writing that the special mail either has posed a threat or may pose a threat of physical harm to the recipient (e.g., the inmate has previously used special mail to threaten physical harm to a recipient).

(ii) The Warden shall notify the inmate in writing of the reason the inmate is being placed on restricted special mail status.

(iii) An inmate on restricted special mail status must present all materials and packaging intended to be sent as special mail to staff for inspection. Staff shall inspect the special mail material and packaging, in the presence of the inmate, for contraband. If the intended recipient of the special mail has so requested, staff may read the special mail for the purpose of verifying that the special mail does not contain a threat of physical harm. Upon completion of the inspection, staff shall return the special mail material to the inmate if the material does not contain contraband, or contain a threat of physical harm to the intended recipient. The inmate must then seal the special mail material in the presence of staff and immediately give the sealed special mail material to the observing staff for delivery. Special mail determined to pose a threat to the intended recipient shall be forwarded to the appropriate law enforcement entity. Staff shall send a copy of the material, minus the contraband, to the intended recipient along with notification that the original of the material was forwarded to the appropriate law enforcement entity.

(iv) The Warden shall review an inmate's restricted special mail status at least once every 180 days. The inmate is to be notified of the results of this review. An inmate may be removed from restricted special mail status if the Warden determines, with the concurrence of the Regional Counsel, that the special mail does not threaten or

pose a threat of physical harm to the intended recipient.

(v) An inmate on restricted mail status may seek review of the restriction through the Administrative Remedy Program.

(d) Except for special mail processed in accordance with paragraph (c)(2) of this section, staff shall stamp the following statement directly on the back side of the inmate's outgoing special mail: "The enclosed letter was processed through special mailing procedures for forwarding to you. The letter has neither been opened nor inspected. If the writer raises a question or problem over which this facility has jurisdiction, you may wish to return the material for further information or clarification. If the writer encloses correspondence for forwarding to another addressee, please return the enclosure to the above address."

[50 FR 40108, Oct. 1, 1985, as amended at 62 FR 65185, Dec. 10, 1997]

§ 540.19 Legal correspondence.

(a) Staff shall mark each envelope of incoming legal mail (mail from courts or attorneys) to show the date and time of receipt, the date and time the letter is delivered to an inmate and opened in the inmate's presence, and the name of the staff member who delivered the letter. The inmate may be asked to sign as receiving the incoming legal mail. This paragraph applies only if the sender has marked the envelope as specified in § 540.18.

(b) The inmate is responsible for advising any attorney that correspondence will be handled as special mail only if the envelope is marked with the attorney's name and an indication that the person is an attorney, and the front of the envelope is marked "Special Mail—Open only in the presence of the inmate". Legal mail shall be opened in accordance with special mail procedures (see § 540.18).

(c) Grounds for the limitation or denial of an attorney's correspondence rights or privileges are stated in part 543, subpart B. If such action is taken, the Warden shall give written notice to the attorney and the inmate affected.

(d) In order to send mail to an attorney's assistant or to a legal aid student or assistant, an inmate shall address

the mail to the attorney or legal aid supervisor, or the legal organization or firm, to the attention of the student or assistant.

(e) Mail to an inmate from an attorney's assistant or legal aid student or assistant, in order to be identified and treated by staff as special mail, must be properly identified on the envelope as required in paragraph (b) of this section, and must be marked on the front of the envelope as being mail from the attorney or from the legal aid supervisor.

§ 540.20 Inmate correspondence with representatives of the news media.

(a) An inmate may write through "special mail" to representatives of the news media specified by name or title (see § 540.2(b)).

(b) The inmate may not receive compensation or anything of value for correspondence with the news media. The inmate may not act as reporter or publisher under a byline.

(c) Representatives of the news media may initiate correspondence with an inmate. Staff shall open incoming correspondence from representatives of the media and inspect for contraband, for its qualification as media correspondence, and for content which is likely to promote either illegal activity or conduct contrary to Bureau regulations.

§ 540.21 Payment of postage.

(a) Except as provided in paragraphs (d), (e), (f), and (i) of this section, postage charges are the responsibility of the inmate. The Warden shall ensure that the inmate commissary has postage stamps available for purchase by inmates.

(b) Writing paper and envelopes are provided at no cost to the inmate. Inmates who use their own envelopes must place a return address on the envelope, containing their name and register number, P.O. Box, city, state, and zip code.

(c) Inmate organizations will purchase their own postage.

(d) An inmate who has neither funds nor sufficient postage and who wishes to mail legal mail (includes courts and attorneys) or Administrative Remedy forms will be provided the postage

stamps for such mailing. To prevent abuses of this provision, the Warden may impose restrictions on the free legal and administrative remedy mailings.

(e) When requested by an inmate who has neither funds nor sufficient postage, and upon verification of this status by staff, the Warden shall provide the postage stamps for mailing a reasonable number of letters at government expense to enable the inmate to maintain community ties. To prevent abuses of this provision, the Warden may impose restrictions on the free mailings.

(f) Mailing at government expense is also allowed for necessary correspondence in verified emergency situations for inmates with neither funds nor sufficient postage.

(g) Inmates must sign for all stamps issued to them by institution staff.

(h) Mail received with postage due is not ordinarily accepted by the Bureau of Prisons.

(i) Holdovers and pre-trial commitments will be provided a reasonable number of stamps for the mailing of letters at government expense.

(j) Inmates may not be permitted to receive stamps or stamped items (e.g., envelopes embossed with stamps, postal cards with postage affixed) other than by issuance from the institution or by purchase from commissary.

§ 540.22 Special postal services.

(a) An inmate, at no cost to the government, may send correspondence by registered, certified, or insured mail, and may request a return receipt.

(b) An inmate may insure outgoing personal correspondence (e.g., a package containing the inmate's hobbycrafts) by completing the appropriate form and applying sufficient postage.

(1) In the event of loss or damage, any claim relative to this matter is made to the U.S. Postal Service, either by the inmate or the recipient. The U.S. Postal Service will only indemnify a piece of insured mail for the actual value of an item, regardless of declared value.

(2) Inmate packages forwarded as a result of institution administration are

§ 540.23

28 CFR Ch. V (7-1-98 Edition)

considered official mail, except as otherwise specified (for example, hobbycraft articles mailed out of the institution). Official mail is not insured. If such an item is subsequently lost or damaged in the mail process the inmate may file a tort claim with the Bureau of Prisons (see part 543, subpart C of this chapter).

(c) Certified mail is sent first class at the inmate's expense.

(d) An inmate may not be provided such services as express mail, COD, private carriers, or stamp collecting while confined.

§ 540.23 Inmate funds received through the mails.

(a) An inmate, upon completing the appropriate form, may receive funds from family or friends or, upon approval of the Warden, from other persons for crediting to the inmate's trust fund account.

(b) An inmate is responsible for advising persons forwarding the inmate funds that all negotiable instruments, such as checks and money orders, should give both the inmate's name and register number, thereby helping to ensure a deposit to the proper inmate's account. Negotiable instruments not accepted because they are incorrectly prepared will be returned to the sender, with a letter of explanation. A copy of this letter will be sent to the inmate.

(c) An inmate may not receive through the mail unsolicited funds, nor may the inmate solicit funds or initiate requests which might result in the solicitation of funds from persons other than as specified in paragraph (a) of this section.

(d) An inmate may not receive through the mail funds for direct services provided by the government, such as medical services.

§ 540.24 Returned mail.

Staff shall open and inspect for contraband all undelivered mail returned to an institution by the Post Office before returning it to the inmate. The purpose of this inspection is to determine if the content originated with the inmate sender identified on the letter or package; to prevent the trans-

mission of material, substances, and property which an inmate is not permitted to possess in the institution; and to determine that the mail was not opened or tampered with before its return to the institution. Any remaining is at the inmate's expense. Any returned mail qualifying as "special mail" is opened and inspected for contraband in the inmate's presence.

§ 540.25 Change of address and forwarding of mail for inmates.

(a) Staff shall make available to an inmate who is being released or transferred appropriate Bureau of Prisons and U.S. Postal Service forms for change of address.

(b) Inmates are responsible for informing their correspondents of a change of address.

(c) Postage for mailing change of address cards is paid by the inmate.

(d) Except as provided in paragraphs (e) through (g) of this section, all mail received for a released or transferred inmate will be returned to the U.S. Postal Service for disposition in accordance with U.S. Postal Service regulations.

(e) Staff shall use all means practicable to forward special mail.

(f) Staff shall forward inmate general correspondence to the new address for a period of 30 days.

(g) Staff shall permit an inmate released temporarily on writ to elect either to have general correspondence held at the institution for a period not to exceed 30 days, or returned to the U.S. Postal Service for disposition.

(1) If the inmate refuses to make this election, staff at the institution shall document this refusal, and any reasons, in the inmate's central file. Staff shall return to the U.S. Postal Service all general correspondence received for such as inmate after the inmate's departure.

(2) If the inmate does not return from writ within the time indicated, staff shall return to the U.S. Postal Service all general correspondence being held for that inmate for disposition in accordance with postal regulations.

Subpart C [Reserved]

Subpart D—Visiting Regulations

SOURCE: 45 FR 44232, June 30, 1980, unless otherwise noted.

§ 540.40 Purpose and scope.

The Bureau of Prisons encourages visiting by family, friends, and community groups to maintain the morale of the inmate and to develop closer relationships between the inmate and family members or others in the community. The Warden shall develop procedures consistent with this rule to permit inmate visiting. The Warden may restrict inmate visiting when necessary to ensure the security and good order of the institution.

[45 FR 44232, June 30, 1980, as amended at 58 FR 39095, July 21, 1993]

§ 540.41 Visiting facilities.

The Warden shall have the visiting room arranged so as to provide adequate supervision, adapted to the degree of security required by the type of institution. The Warden shall ensure that the visiting area is as comfortable and pleasant as practicable, and appropriately furnished and arranged. If space is available, the Warden shall have a portion of the visiting room equipped and set up to provide facilities for the children of visitors.

(a) Institutions of minimum and low security levels may permit visits beyond the security perimeter, but always under supervision of staff.

(b) Institutions of medium and high security levels, and administrative institutions may establish outdoor visiting, but it will always be inside the security perimeter and always under supervision of staff.

[45 FR 44232, June 30, 1980, as amended at 51 FR 26127, July 18, 1986; 56 FR 4159, Feb. 1, 1991]

§ 540.42 Visiting times.

(a) Each Warden shall establish a visiting schedule for the institution. At a minimum, the Warden shall establish visiting hours at the institution on Saturdays, Sundays, and holidays. The restriction of visiting to these days may be a hardship for some families

and arrangements for other suitable hours shall be made to the extent practicable. Where staff resources permit, the Warden may establish evening visiting hours.

(b) Consistent with available resources, such as space limitations and staff availability, and with concerns of institution security, the Warden may limit the visiting period. With respect to weekend visits, for example, some or all inmates and visitors may be limited to visiting on Saturday or on Sunday, but not on both days, in order to accommodate the volume of visitors. There is no requirement that every visitor has the opportunity to visit on both days of the weekend, nor that every inmate has the opportunity to have visits on both days of the weekend.

[51 FR 26127, July 18, 1986]

§ 540.43 Frequency of visits and number of visitors.

The Warden shall allow each inmate a minimum of four hours visiting time per month. The Warden may limit the length or frequency of visits only to avoid chronic overcrowding. The Warden may establish a guideline for the maximum number of persons who may visit an inmate at one time, to prevent overcrowding in the visiting room or unusual difficulty in supervising a visit. Exceptions may be made to any local guideline when indicated by special circumstances, such as distance the visitor must travel, frequency of the inmate's visits, or health problems of the inmate or visitor.

§ 540.44 Regular visitors.

An inmate desiring to have regular visitors must submit a list of proposed visitors to the designated staff. Staff shall compile a visiting list for each inmate after suitable investigation (see § 540.51(b)). The list may include:

(a) *Members of the immediate family.* These persons include mother, father, step-parents, foster parents, brothers and sisters, spouse, and children. These individuals are placed on the visiting list, absent strong circumstances which preclude visiting.

(b) *Other relatives.* These persons include grandparents, uncles, aunts, in-laws, and cousins. They may be placed

on the approved list if the inmate wishes to have visits from them regularly and if there exists no reason to exclude them.

(c) *Friends and associates*—(1) *For Minimum and Low Security Level Institutions.* The visiting privilege shall ordinarily be extended to friends and other non-relatives, unless visits could reasonably create a threat to the security and good order of the institution;

(2) *For Medium and High Security Level Institutions and administrative institutions.* The visiting privilege shall ordinarily be extended to friends and associates having an established relationship prior to confinement, unless such visits could reasonably create a threat to the security and good order of the institution. Exceptions to the prior relationship rule may be made, particularly for inmates without other visitors, when it is shown that the proposed visitor is reliable and poses no threat to the security or good order of the institution.

(d) *Persons with prior criminal convictions.* The existence of a criminal conviction alone does not preclude visits. Staff shall give consideration to the nature, extent and recentness of convictions, as weighed against the security considerations of the institution. Specific approval of the Warden may be required before such visits take place.

(e) *Children under sixteen.* Children under the age of 16 may not visit unless accompanied by a responsible adult. Children shall be kept under supervision of a responsible adult or a children's program. Exceptions in unusual circumstances may be made by special approval of the Warden.

[45 FR 44232, June 30, 1980, as amended at 56 FR 4159, Feb. 1, 1991]

§ 540.45 Business visitors.

No inmate is permitted to engage actively in a business or profession. An inmate who was engaged in a business or profession prior to commitment is expected to assign authority for the operation of such business or profession to a person in the community. Even though the inmate has turned over the operation of a business or profession to another person, there may be an occasion where a decision must be made which will substantially affect the as-

sets or prospects of the business. In such cases, the Warden may permit a special visit.

§ 540.46 Consular visitors.

Whenever it has been determined that an inmate is a citizen of a foreign country, the Warden shall permit the consular representative of that country to visit on matters of legitimate business. The Warden may not withhold this privilege even though the inmate is in disciplinary status.

§ 540.47 Visits from representatives of community groups.

The Warden may approve as regular visitors, for one or more inmates, representatives from community groups such as civic and religious organizations, or other persons whose interests and qualifications for this kind of service are confirmed by staff. The Warden may waive the requirement for the existence of an established relationship prior to confinement for visitors approved under this section.

§ 540.48 Special visits.

The Warden may authorize special visits:

(a) For clergy, former or prospective employers, sponsors, and parole advisors. Visits in this category serve such purposes as assistance in release planning, counseling, and discussion of family problems;

(b) By an authorized visitor at other than regularly established visiting times, or in excess of regularly permitted visits;

(c) By attorneys;

(d) To pre-trial inmates to assist in protecting their business or in preparing for trial.

§ 540.49 Transportation assistance.

The Warden shall ensure that directions for transportation to and from the institution are provided for the approved visitor (see § 540.51(b)(4)). Directions for transportation to and from the institution and pay phone service, with commercial transportation phone numbers posted, are also to be made available at the institution to assist visitors.

§ 540.50 Visits to inmates not in regular population status.

(a) *Admission and holdover status.* The Warden may limit to the immediate family of the inmate visits during the admission-orientation period or for holdovers where there is neither a visiting list from a transferring institution nor other verification of proposed visitors.

(b) *Hospital patients.* (1) When visitors request to see an inmate who is hospitalized in the institution, the Chief Medical Officer (or, in his absence, the Health Services Administrator), in consultation with the Captain, shall determine whether a visit may occur, and if so, whether it may be held in the hospital.

(2) Visits to inmates hospitalized in the community may be restricted to only the immediate family and are subject to the general visiting policy of that hospital.

(c) *Detention or segregation status.* Ordinarily, an inmate retains visiting privileges while in detention or segregation status. Visiting may be restricted or disallowed, however, when an inmate, while in detention or segregation status, is charged with, or has been found to have committed, a prohibited act having to do with visiting guidelines or has otherwise acted in a way that would reasonably indicate that he or she would be a threat to the orderliness or security of the visiting room. Loss of an inmate's visiting privileges for other reasons may not occur unless the inmate is provided a hearing before the Discipline Hearing Officer (DHO) in accordance with the provisions of § 541.17 of this chapter, following those provisions which are appropriate to the circumstances, which results in a finding by the DHO that the inmate committed a prohibited act and that there is a lack of other appropriate sanctions or that imposition of an appropriate sanction previously has been ineffective. The Unit Discipline Committee (UDC) may not impose a loss of visiting privileges for inmates in detention or segregation status. The provisions of this paragraph (c) do not interrupt or delay a loss of visiting sanction imposed by the UDC or DHO prior to the inmate's

placement in detention or segregation status.

[45 FR 44232, June 30, 1980, as amended at 51 FR 26128, July 18, 1986; 58 FR 39095, July 21, 1993]

§ 540.51 Procedures.

(a) *Responsibility.* The Warden of the institution shall establish and enforce local visiting guidelines in accordance with the rules and regulations of the Bureau of Prisons.

(b) *Preparation of the list of visitors.* (1) Staff shall ask each inmate to submit during the admission-orientation process a list of proposed visitors. After appropriate investigation, staff shall compile a visiting list for each inmate and distribute that list to the inmate and the visiting room officer.

(2) Staff may request background information from potential visitors who are not members of the inmate's immediate family, before placing them on the inmate's approved visiting list. When little or no information is available on the inmate's potential visitor, visiting may be denied, pending receipt and review of necessary information, including information which is available on the inmate and/or the inmate's offense, including alleged offenses.

(3) If a background investigation is necessary before approving a visitor, the inmate may be held responsible for having a release authorization form forwarded to the proposed visitor. That form must be signed and returned to staff by the proposed visitor prior to any further action regarding visiting. Upon receipt of the authorization form, staff may then forward a questionnaire, along with the release authorization, to the appropriate law enforcement or crime information agency.

(4) Staff shall notify the inmate of each approval or disapproval of a requested person for the visiting list. Upon approval of each visitor, staff shall provide the inmate a copy of the visiting guidelines and with directions for transportation to and from the institution. The inmate is responsible for notifying the visitor of the approval or disapproval to visit and is expected to provide the approved visitors with a copy of the visiting guidelines and directions for transportation to and from the institution. The visiting guidelines

shall include specific directions for reaching the institution and shall cite 18 U.S.C. 1791, which provides a penalty of imprisonment for not more than twenty years, a fine, or both for providing or attempting to provide to an inmate anything whatsoever without the knowledge and consent of the Warden.

(5) An inmate's visiting list may be amended at any time in accordance with the procedures of this section.

(c) *Identification of visitors.* Staff shall verify the identity of each visitor (through driver's license, photo identification, etc.) prior to admission of the visitor to the institution.

(d) *Notification to visitors.* Staff shall make available to all visitors written guidelines for visiting the institution. Staff shall have the visitor sign a statement acknowledging that the guidelines were provided and declaring that the visitor does not have any articles in his/her possession which the visitor knows to be a threat to the security of the institution. Staff may deny the visiting privilege to a visitor who refuses to make such a declaration.

(e) *Searching visitors.* Staff may require a visitor to submit to a personal search, including a search of any items of personal property, as a condition of allowing or continuing a visit.

(f) *Record of visitors.* The Warden shall maintain a record of visitors to each inmate. The visitor's signature may be required on that record and shall be required on at least one visiting log or record maintained by the institution.

(g) *Supervision of visits.* Staff shall supervise each inmate visit to prevent the passage of contraband and to ensure the security and good order of the institution. The Warden may establish procedures to enable monitoring of the visiting area, including restrooms located within the visiting area. The Warden must provide notice to both visitors and inmates of the potential for monitoring the visiting area. The Warden may monitor a visitor restroom within the visiting area when there is reasonable suspicion that a visitor and/or an inmate is engaged, or attempting or about to engage, in criminal behavior or other prohibited behavior.

(1) The visiting room officer shall ensure that all visits are conducted in a

quiet, orderly, and dignified manner. The visiting room officer may terminate visits that are not conducted in the appropriate manner. See 28 CFR 541.12, item 5, for description of an inmate's responsibility during visits.

(2) Staff shall permit limited physical contact, such as handshaking, embracing, and kissing, between an inmate and a visitor, unless there is clear and convincing evidence that such contact would jeopardize the safety or security of the institution. Where contact visiting is provided, handshaking, embracing, and kissing are ordinarily permitted within the bounds of good taste and only at the beginning and at the end of the visit. The staff may limit physical contact to minimize opportunity for the introduction of contraband and to maintain the orderly operation of the visiting area.

(3) The visiting room officer may not accept articles or gifts of any kind for an inmate, except packages which have had prior approval by the Warden or a designated staff member. The Warden may allow a visitor to leave money with a designated staff member for deposit in the inmate's commissary account.

(4) The visiting room officer shall be aware of any articles passed between the inmate and the visitor. If there is any reasonable basis to believe that any item is being passed which constitutes contraband or is otherwise in violation of the law or Bureau regulations, the visiting room officer may examine the item.

[45 FR 44232, June 30, 1980, as amended at 51 FR 26128, July 18, 1986; 58 FR 39095, July 21, 1993]

§ 540.52 Penalty for violation of visiting regulations.

Any act or effort to violate the visiting guidelines of an institution may result in disciplinary action against the inmate, which may include the denial of future visits, possibly over an extended period of time. Moreover, criminal prosecution may be initiated against the visitor, the inmate, or both, in the case of criminal violations.

Subpart E—Contact With News Media

SOURCE: 44 FR 38247, June 29, 1979, unless otherwise noted.

§ 540.60 Purpose and scope.

The Bureau of Prisons recognizes the desirability of establishing a policy that affords the public information about its operations via the news media. Representatives of the news media (see §540.2) may visit institutions for the purpose of preparing reports about the institution, programs, and activities. It is not the intent of this rule to provide publicity for an inmate or special privileges for the news media, but rather to insure a better informed public. The Bureau of Prisons also has a responsibility to protect the privacy and other rights of inmates and members of the staff. Therefore, an interview in an institution must be regulated to insure the orderly and safe operation of the institution.

§ 540.61 Authorization.

(a) A news media representative who desires to make a visit or conduct an interview at an institution must make application in writing to the Warden, indicating that he or she is familiar with the rules and regulations of the institution and agrees to comply with them.

(b) As a condition of authorizing interviews and making facilities available to conduct an interview, the news media representative shall recognize a professional responsibility to make reasonable attempts to verify any allegations regarding an inmate, staff member or institution.

(c) A representative of the news media is requested to provide the Bureau of Prisons an opportunity to respond to any allegation, which might be published or broadcast prior to distribution.

(d) A representative of the news media shall collect information only from the primary source. A representative of the news media may not obtain and use personal information from one inmate about another inmate who refuses to be interviewed.

(e) The Warden may be contacted concerning discussions or comments

regarding applicability of any rule or order.

(f) Failure to adhere to the standards of conduct set forth by this rule for the news media representative constitutes grounds for denying that news media representative, or the news organization which he or she represents, permission to conduct an interview.

(g) Any questions as to the meaning or application of this subpart are resolved by the Director of the Bureau of Prisons.

§ 540.62 Institutional visits.

(a) A media representative shall make advance appointments for visits.

(b) When media representatives visit the institutions, photographs of programs and activities may be taken, and media representatives may meet with groups of inmates engaged in authorized programs and activities. An inmate has the right not to be photographed and not to have his or her voice recorded by the media. A visiting representative of the media is required to obtain written permission from an inmate before photographing or recording the voice of an inmate participating in authorized programs and activities.

(c) The Warden may suspend all media visits during an institutional emergency and for a reasonable time after the emergency.

(d) An inmate currently confined in an institution may not be employed or act as a reporter or publish under a byline.

(e) Interviews by reporters and others not included in §540.2 may be permitted only by special arrangement and with approval of the Warden.

§ 540.63 Personal interviews.

(a) An inmate may not receive compensation or anything of value for interviews with the news media.

(b) Either an inmate or a representative of the news media may initiate a request for a personal interview at an institution.

(c) Visits by the news media to conduct personal interviews are subject to the same conditions stated in §540.62. A media representative shall make a request for personal interview within a

reasonable time prior to the personal interview.

(d) Staff shall notify an inmate of each interview request, and shall, as a prerequisite, obtain from the inmate written consent for the interview prior to the interview taking place. The written consent or denial becomes part of the inmate's central file.

(e) As a prerequisite to granting the interview, an inmate must authorize the institutional staff to respond to comments made in the interview and to release information to the news media relative to the inmate's comments.

(f) The Warden shall normally approve or disapprove an interview request within 24 to 48 hours of the request.

(g) The Warden shall document any disapproval. A request for interview may be denied for any of the following reasons.

(1) The news media representative, or the news organization which he or she represents, does not agree to the conditions established by this subpart or has, in the past, failed to abide by the required conditions.

(2) The inmate is physically or mentally unable to participate. This must be supported by a medical officer's statement (a psychologist may be used to verify mental incapacity) to be placed in the inmate's record, substantiating the reason for disapproval.

(3) The inmate is a juvenile (under age 18) and written consent has not been obtained from the inmate's parent or guardian. If the juvenile inmate's parents or guardians are not known or their addresses are not known, the Warden of the institution shall notify the representative of the news media of the inmate's status as a juvenile, and shall then consider the request.

(4) The interview, in the opinion of the Warden, would endanger the health or safety of the interviewer, or would probably cause serious unrest or disturb the good order of the institution.

(5) The inmate is involved in a pending court action and the court having jurisdiction has issued an order forbidding such interviews.

(6) In the case of unconvicted persons (including competency commitments under 18 U.S.C. 4244 and 4246) held in

federal institutions, interviews are not authorized until there is clearance with the court having jurisdiction, ordinarily through the U.S. Attorney's Office.

(7) The inmate is a "protection" case and revelation of his or her whereabouts would endanger the inmate's safety.

(h) Interviews are normally held in the institution visiting room during normal weekday business hours. The Warden may:

(1) Determine that another location is more suitable for conducting the interview;

(2) Limit interview time for the entire institution if the Warden determines that the interviews are imposing a serious drain on staff or use of the facilities;

(3) Limit to one one-hour interview per month for an inmate in segregation, restricted, holdover, control unit, or hospital status if required by special security, custodial, or supervisory needs; and

(4) Limit the amount of audio, video, and film equipment or number of media personnel entering the institution if the Warden determines that the requested equipment or personnel would create a disruption within the institution.

(i) In conjunction with the personal interview, if the member of the media wishes to tour the institution, he or she must comply with the provisions of § 540.61.

(j) Interviews are not subject to auditory supervision.

§ 540.64 Press pools.

(a) The Warden may establish a press pool whenever he or she determines that the frequency of requests for interviews and visits reaches a volume that warrants limitations.

(b) Whenever the Warden establishes a press pool, the Warden shall notify all news media representatives who have requested interviews or visits that have not been conducted. Selected representatives are admitted to the institution to conduct the interviews under the specific guidelines established by the Warden.

(c) All members of the press pool are selected by their peers and consist of

not more than one representative from each of the following groups:

- (1) The national and international news services;
- (2) The television and radio networks and outlets;
- (3) The news magazines and newspapers; and
- (4) All media in the local community where the institution is located. If no interest has been expressed by one or more of these groups, no representative from such group need be selected.

(d) All news material generated by such a press pool is made available to all media without right of first publication or broadcast.

§ 540.65 Release of information.

(a) The Warden shall promptly make announcements stating the facts of unusual, newsworthy incidents to local news media. Examples are deaths, inside escapes, and institution emergencies.

(b) The Warden shall provide information about an inmate that is a matter of public record to the representatives of the media upon request. The information is limited to the inmate's:

- (1) Name;
- (2) Register number;
- (3) Place of incarceration;
- (4) Age;
- (5) Race;
- (6) Conviction and sentencing data: this includes the offense(s) for which convicted, the court where convicted, the date of sentencing, the length of sentence(s), the amount of good time earned, the parole eligibility date and parole release (presumptive or effective) date, and the date of expiration of sentence, and includes previous Federal, state, and local convictions;
- (7) Past movement via transfers or writs;
- (8) General institutional assignments.

(c) Information in paragraphs (b)(1) through (8) of this section may not be released if confidential for protection cases.

(d) A request for additional information concerning an inmate by a representative of the news media is referred to the Public Information Officer, Central Office, Washington, DC.

(e) The Public Information Officer, Central Office, Washington, DC shall release all announcements related to:

- (1) Bureau of Prisons policy;
- (2) Changes in an institutional mission;
- (3) Type of inmate population; or
- (4) Changes in executive personnel.

Subpart F—Incoming Publications

§ 540.70 Purpose and scope.

Except when precluded by statute (see § 540.72), the Bureau of Prisons permits an inmate to subscribe to or to receive publications without prior approval and has established procedures to determine if an incoming publication is detrimental to the security, discipline, or good order of the institution or if it might facilitate criminal activity. The term publication, as used in this subpart, means a book, booklet, pamphlet, or similar document, or a single issue of a magazine, periodical, newsletter, newspaper, plus such other materials addressed to a specific inmate such as advertising brochures, flyers, and catalogs.

[61 FR 57568, Nov. 6, 1996]

§ 540.71 Procedures.

(a) An inmate may receive hardcover publications and newspapers only from the publisher, from a book club, or from a bookstore. An inmate may receive other softcover material (for example, paperback books, newspaper clippings, or magazines) from any source. The Warden may have all incoming publications inspected for contraband. The Warden may designate staff to review and where appropriate to approve all incoming publications in accordance with the provisions of this subpart. Only the Warden may reject an incoming publication.

(b) The Warden may reject a publication only if it is determined detrimental to the security, good order, or discipline of the institution or if it might facilitate criminal activity. The Warden may not reject a publication solely because its content is religious, philosophical, political, social or sexual, or because its content is unpopular or repugnant. Publications which may be rejected by a Warden include but are

not limited to publications which meet one of the following criteria:

(1) It depicts or describes procedures for the construction or use of weapons, ammunition, bombs or incendiary devices;

(2) It depicts, encourages, or describes methods of escape from correctional facilities, or contains blueprints, drawings or similar descriptions of Bureau of Prisons institutions;

(3) It depicts or describes procedures for the brewing of alcoholic beverages, or the manufacture of drugs;

(4) It is written in code;

(5) It depicts, describes or encourages activities which may lead to the use of physical violence or group disruption;

(6) It encourages or instructs in the commission of criminal activity;

(7) It is sexually explicit material which by its nature or content poses a threat to the security, good order, or discipline of the institution, or facilitates criminal activity.

(c) The Warden may not establish an excluded list of publications. This means the Warden shall review the individual publication prior to the rejection of that publication. Rejection of several issues of a subscription publication is not sufficient reason to reject the subscription publication in its entirety.

(d) Where a publication is found unacceptable, the Warden shall promptly advise the inmate in writing of the decision and the reasons for it. The notice must contain reference to the specific article(s) or material(s) considered objectionable. The Warden shall permit the inmate an opportunity to review this material for purposes of filing an appeal under the Administrative Remedy Program unless such review may provide the inmate with information of a nature which is deemed to pose a threat or detriment to the security, good order or discipline of the institution or to encourage or instruct in criminal activity.

(e) The Warden shall provide the publisher or sender of an unacceptable publication a copy of the rejection letter. The Warden shall advise the publisher or sender that he may obtain an independent review of the rejection by writing to the Regional Director within 20 days of receipt of the rejection

letter. The Warden shall return the rejected publication to the publisher or sender of the material unless the inmate indicates an intent to file an appeal under the Administrative Remedy Program, in which case the Warden shall retain the rejected material at the institution for review. In case of appeal, if the rejection is sustained, the rejected publication shall be returned when appeal or legal use is completed.

(f) The Warden may set limits locally (for fire, sanitation or housekeeping reasons) on the number or volume of publications an inmate may receive or retain in his quarters. The Warden may authorize an inmate additional storage space for storage of legal materials in accordance with the Bureau of Prisons procedures on personal property of inmates.

[44 FR 38260, June 29, 1979, as amended at 47 FR 55130, Dec. 7, 1982; 50 FR 411, Jan. 3, 1985; 61 FR 57568, Nov. 6, 1996]

§ 540.72 Statutory restrictions requiring return of commercially published information or material which is sexually explicit or features nudity.

(a) When commercially published information or material may not be distributed by staff or made available to inmates due to statutory restrictions (for example, a prohibition on the use of appropriated funds to distribute or make available to inmates information or material which is sexually explicit or features nudity), the Warden or designee shall return the information or material to the publisher or sender. The Warden or designee shall advise the publisher or sender that an independent review of the decision may be obtained by writing to the Regional Director within 20 days of receipt of the notification letter. Staff shall provide the inmate with written notice of the action.

(b) *Definitions.* For the purpose of this section:

(1) *Commercially published information or material* means any book, booklet, pamphlet, magazine, periodical, newsletter, or similar document, including stationery and greeting cards, published by any individual, organization, company, or corporation which is distributed or made available through any

means or media for a commercial purpose. This definition includes any portion extracted, photocopied, or clipped from such items.

(2) *Nudity* means a pictorial depiction where genitalia or female breasts are exposed.

(3) *Features* means the publication contains depictions of nudity or sexually explicit conduct on a routine or regular basis or promotes itself based upon such depictions in the case of individual one-time issues. Publications containing nudity illustrative of medical, educational, or anthropological content may be excluded from this definition.

(4) *Sexually explicit* means a pictorial depiction of actual or simulated sexual acts including sexual intercourse, oral sex, or masturbation.

Subparts G–H [Reserved]

Subpart I—Telephone Regulations for Inmates

SOURCE: 44 FR 38249, June 29, 1979, unless otherwise noted.

§ 540.100 Purpose and scope.

(a) The Bureau of Prisons extends telephone privileges to inmates as part of its overall correctional management. Telephone privileges are a supplemental means of maintaining community and family ties that will contribute to an inmate's personal development. An inmate may request to call a person of his or her choice outside the institution on a telephone provided for that purpose. However, limitations and conditions may be imposed upon an inmate's telephone privileges to ensure that these are consistent with other aspects of the Bureau's correctional management responsibilities. In addition to the procedures set forth in this subpart, inmate telephone use is subject to those limitations which the Warden determines are necessary to ensure the security or good order, including discipline, of the institution or to protect the public. Restrictions on inmate telephone use may also be imposed as a disciplinary sanction (see 28 CFR part 541).

(b) Except as provided in this rule, the Warden shall permit an inmate who has not been restricted from telephone use as the result of a specific institutional disciplinary sanction to make at least one telephone call each month.

[59 FR 15824, Apr. 4, 1994, as amended at 61 FR 90, Jan. 2, 1996]

§ 540.101 Procedures.

(a) *Telephone list preparation.* An inmate telephone call shall ordinarily be made to a number identified on the inmate's official telephone list. This list ordinarily may contain up to 30 numbers. The Associate Warden may authorize the placement of additional numbers on an inmate's telephone list based on the inmate's individual situation, e.g., size of family.

(1) During the admission and orientation process, an inmate who chooses to have telephone privileges shall prepare a proposed telephone list. At the time of submission, the inmate shall acknowledge that, to the best of the inmate's knowledge, the person or persons on the list are agreeable to receiving the inmate's telephone call and that the proposed calls are to be made for a purpose allowable under Bureau policy or institution guidelines.

(2) Except as provided in paragraph (a)(3) of this section, telephone numbers requested by an inmate will ordinarily be placed on the inmate's telephone list. When an inmate requests the placement of numbers for persons other than for immediate family or those persons already approved for the inmate's visiting list, staff ordinarily will notify those persons in writing that their numbers have been placed on the inmate's telephone list. The notice advises the recipient that the recipient's number will be removed from the list if the recipient makes a written request to the institution, or upon the written request of the inmate, or as provided in paragraph (a)(3) of this section.

(3) The Associate Warden may deny placement of a telephone number on an inmate's telephone list if the Associate Warden determines that there is a threat to institution security or good order, or a threat to the public. Any disapproval must be documented in

§ 540.102

writing to both the inmate and the proposed recipient. As with concerns about any correctional issue, including any portion of these telephone regulations, an inmate may appeal the denial through the administrative remedy procedure (see 28 CFR part 542). The Associate Warden will notify the denied recipient that he or she may appeal the denial by writing to the Warden within 15 days of the receipt of the denial.

(b) *Telephone list update.* Each Warden shall establish procedures to allow an inmate the opportunity to submit telephone list changes on at least a quarterly basis.

(c) *Telephone access codes.* An inmate may not possess another inmate's telephone access code number. An inmate may not give his or her telephone access code number to another inmate, and is to report a compromised telephone access code number immediately to unit staff.

(d) *Placement and duration of telephone call.* The placement and duration of any telephone call is subject to availability of inmate funds. Ordinarily, an inmate who has sufficient funds is allowed at least three minutes for a telephone call. The Warden may limit the maximum length of telephone calling based on the situation at that institution (e.g., institution population or usage demand).

(e) *Exception.* The Warden may allow the placement of collect calls for good cause. Examples of good cause include, but are not limited to, inmates who are new arrivals to the institution, including new commitments and transfers; inmates confined at Metropolitan Correctional Centers, Metropolitan Detention Centers, or Federal Detention Centers; pretrial inmates; inmates in hold-over status; inmates who are without funds (see § 540.105(b)); and in cases of family emergencies.

[59 FR 15824, Apr. 4, 1994]

§ 540.102 Monitoring of inmate telephone calls.

The Warden shall establish procedures that enable monitoring of telephone conversations on any telephone located within the institution, said monitoring to be done to preserve the security and orderly management of

28 CFR Ch. V (7-1-98 Edition)

the institution and to protect the public. The Warden must provide notice to the inmate of the potential for monitoring. Staff may not monitor an inmate's properly placed call to an attorney. The Warden shall notify an inmate of the proper procedures to have an unmonitored telephone conversation with an attorney.

[48 FR 24622, June 1, 1983. Redesignated at 59 FR 15824, Apr. 4, 1994]

§ 540.103 Inmate telephone calls to attorneys.

The Warden may not apply frequency limitations on inmate telephone calls to attorneys when the inmate demonstrates that communication with attorneys by correspondence, visiting, or normal telephone use is not adequate.

[44 FR 38249, June 29, 1979. Redesignated at 59 FR 15824, Apr. 4, 1994]

§ 540.104 Responsibility for inmate misuse of telephones.

The inmate is responsible for any misuse of the telephone. The Warden shall refer incidents of unlawful inmate telephone use to law enforcement authorities. The Warden shall advise an inmate that violation of the institution's telephone regulations may result in institutional disciplinary action (See part 541, subpart B).

[44 FR 38249, June 29, 1979. Redesignated at 59 FR 15824, Apr. 4, 1994]

§ 540.105 Expenses of inmate telephone use.

(a) An inmate is responsible for the expenses of inmate telephone use. Such expenses may include a fee for replacement of an inmate's telephone access code that is used in an institution which has implemented debit billing for inmate telephone calls. Each inmate is responsible for staying aware of his or her account balance through the automated process provided by the system. Third party billing and electronic transfer of a call to a third party are prohibited.

(b) The Warden shall provide at least one collect call each month for an inmate who is without funds. An inmate without funds is defined as an inmate who has not had a trust fund account balance of \$6.00 for the past 30 days.

Bureau of Prisons, Justice

§ 541.2

The Warden may increase the number of collect calls based upon local institution conditions (e.g., institution population, staff resources, and usage demand). To prevent abuses of this provision (e.g., inmate shows a pattern of depleting his or her commissary funds prior to placing collect calls), the Warden may impose restrictions on the provisions of this paragraph (b).

(c) [Reserved]

(d) The Warden may direct the government to bear the expense of inmate telephone use or allow a call to be made collect under compelling circumstances such as when an inmate has lost contact with his family or has a family emergency.

[53 FR 197, Jan. 5, 1988]

Subpart B—Inmate Discipline and Special Housing Units

SOURCE: 53 FR 197, Jan. 5, 1988, unless otherwise noted.

§ 541.10 Purpose and scope.

(a) So that inmates may live in a safe and orderly environment, it is necessary for institution authorities to impose discipline on those inmates whose behavior is not in compliance with Bureau of Prisons rules. The provisions of this rule apply to all persons committed to the care, custody, and control (direct or constructive) of the Bureau of Prisons.

(b) The following general principles apply in every disciplinary action taken:

(1) Only institution staff may take disciplinary action.

(2) Staff shall take disciplinary action at such times and to the degree necessary to regulate an inmate's behavior within Bureau rules and institution guidelines and to promote a safe and orderly institution environment.

(3) Staff shall control inmate behavior in a completely impartial and consistent manner.

(4) Disciplinary action may not be capricious or retaliatory.

(5) Staff may not impose or allow imposition of corporal punishment of any kind.

(6) If it appears at any stage of the disciplinary process that an inmate is

mentally ill, staff shall refer the inmate to a mental health professional for determination of whether the inmate is responsible for his conduct or is incompetent. Staff may take no disciplinary action against an inmate whom mental health staff determines to be incompetent or not responsible for his conduct.

(i) A person is not responsible for his conduct if, at the time of the conduct, the person, as a result of a severe mental disease or defect, was unable to appreciate the nature and quality or the wrongfulness of his acts. When a person is determined not responsible for his conduct, the Incident Report is to show as a finding that the person did not commit the prohibited act because that person was found not to be mentally responsible for his conduct.

(ii) A person is incompetent if that person lacks the ability to understand the nature of the disciplinary proceedings, or to assist in his defense at the proceedings. When a person is determined incompetent, the disciplinary proceedings shall be postponed until such time as the inmate is able to understand the nature of the disciplinary proceedings and to assist in his defense at those proceedings. If competency is not restored within a reasonable period of time, the Incident Report is to show as a finding that the inmate is incompetent to assist in his or her defense at the disciplinary proceedings.

§ 541.11 Notice to inmate of Bureau of Prisons rules.

Staff shall advise each inmate in writing promptly after arrival at an institution of:

(a) The types of disciplinary action which may be taken by institution staff;

(b) The disciplinary system within the institution and the time limits thereof (see tables 1 and 2);

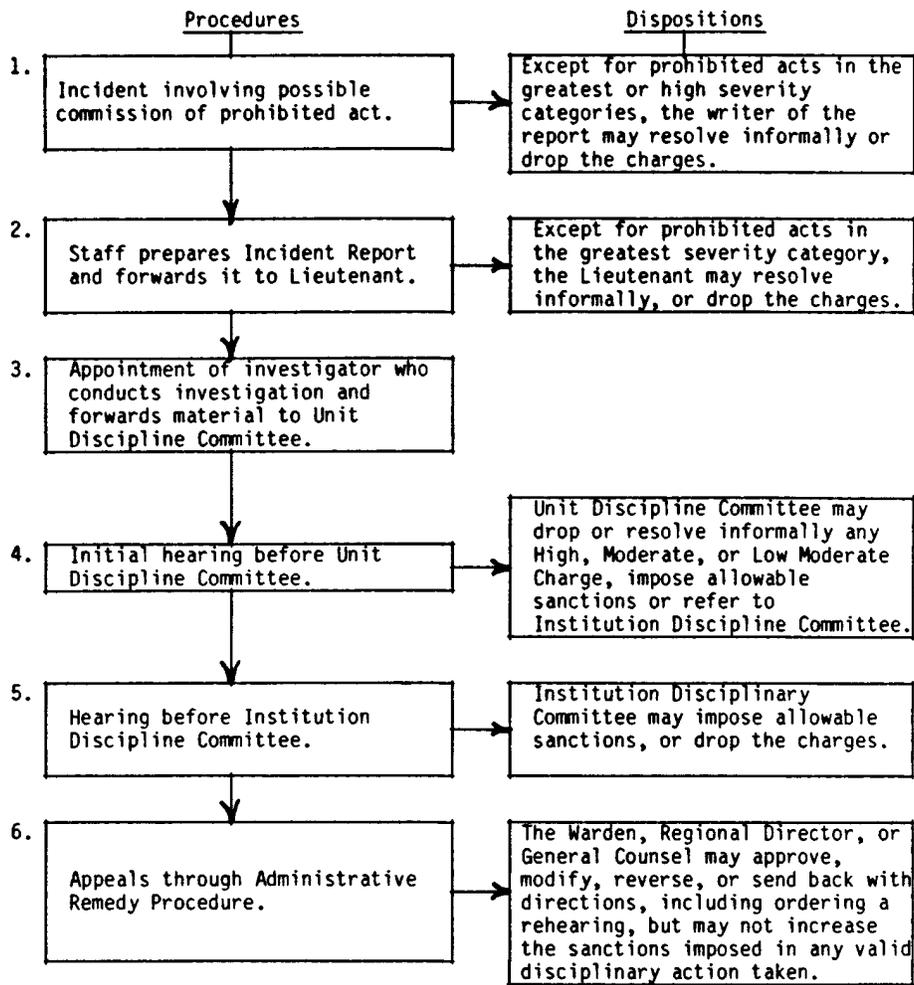

(c) The inmate's rights and responsibilities (see § 541.12);

(d) Prohibited acts and disciplinary severity scale (see § 541.13, tables 3, 4, and 5); and

(e) Sanctions by severity of prohibited act, with eligibility for restoration of forfeited and withheld statutory good time (see table 6).

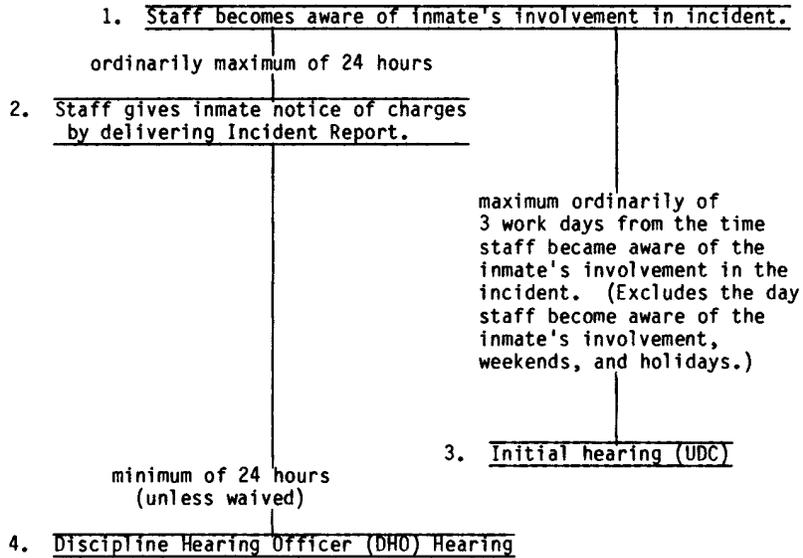

SUMMARY OF DISCIPLINARY SYSTEM

TABLE 1

TIME LIMITS IN DISCIPLINARY PROCESS

TABLE 2

NOTE: These time limits are subject to exceptions as provided in the rules.

Staff may suspend disciplinary proceedings for a period not to exceed two calendar weeks while informal resolution is undertaken and accomplished. If informal resolution is unsuccessful, staff may reinstitute disciplinary proceedings at the same stage at which suspended. The time requirements then begin running again, at the same point at which they were suspended.

You also have the responsibility to make use of your funds in a manner consistent with your release plans, your family needs, and for other obligations that you may have.

§ 541.13 Prohibited acts and disciplinary severity scale.

(a) There are four categories of prohibited acts—Greatest, High, Moderate, and Low Moderate (see table 3 for identification of the prohibited acts within each category). Specific sanctions are authorized for each category (see table 4 for a discussion of each sanction). Imposition of a sanction requires that the inmate first is found to have committed a prohibited act.

(1) *Greatest category offenses.* The Discipline Hearing Officer (DHO) shall impose and execute one or more of sanctions A through E. Sanction B.1 must be imposed for a VCCLEA inmate rated as violent (i.e., an inmate who, as specified in the Violent Crime Control and Law Enforcement Act of 1994, committed a crime of violence on or after September 13, 1994) and for a PLRA inmate (i.e., an inmate who has been sentenced for an offense committed on or after April 26, 1996). The DHO may impose and execute sanction F and/or G only in addition to execution of one or more of sanctions A through E. Except as noted in the sanction, the DHO may also suspend one or more additional sanctions A through G.

(2) *High category offenses.* The Discipline Hearing Officer shall impose and execute one or more of sanctions A through M, and, except as noted in the sanction, may also suspend one or more additional sanctions A through M. Sanction B.1 must be imposed for a VCCLEA inmate rated as violent and for a PLRA inmate. The Unit Discipline Committee shall impose and execute one or more of sanctions G through M, and may also suspend one or more additional sanctions G through M, except for a VCCLEA inmate rated as violent. All high category offense charges for a VCCLEA inmate rated as violent and for a PLRA inmate must be referred to the DHO.

(3) *Moderate category offenses.* The Discipline Hearing Officer shall impose at least one sanction A through N, but, except as noted in the sanction, may suspend any sanction or sanctions imposed. Sanction B.1 ordinarily must be imposed for a VCCLEA inmate rated as violent and for a PLRA inmate. Except for charges referred to the DHO, the Unit Discipline Committee shall impose at least one sanction G through N, but may suspend any sanction or sanctions imposed. The UDC ordinarily shall refer to the DHO a moderate category charge for a VCCLEA inmate rated as violent or for a PLRA inmate if the inmate had been found to have committed a moderate category offense during the inmate's current anniversary year (i.e., the twelve month period of time for which an inmate may be eligible to earn good conduct time).

The UDC must thoroughly document in writing the reasons why the charge for such an inmate was not referred to the DHO.

(4) *Low moderate category offenses.* The Discipline Hearing Officer shall impose at least one sanction B.1, or E through P. The Discipline Hearing Officer may suspend any E through P sanction or sanctions imposed (a B.1 sanction may not be suspended). Except for charges referred to the DHO, the Unit Discipline Committee (UDC) shall impose at least one sanction G through P, but may suspend any sanction or sanctions imposed. The UDC ordinarily shall refer to the DHO a low moderate category charge for a VCCLEA inmate rated as violent or for a PLRA inmate if the inmate had been found to have committed two low moderate category offenses during the inmate's current anniversary year (i.e., the twelve month period of time for which an inmate may be eligible to earn good conduct time). The UDC must thoroughly document in writing the reasons why the charge for such an inmate was not referred to the DHO.

(b) *Aiding* another person to commit any of these offenses, *attempting* to commit any of these offenses, *and making plans* to commit any of these offenses, in all categories of severity, *shall be considered the same as a commission of the offense itself.* In these cases, the letter "A" is combined with the offense code. For example, planning an escape would be considered as Escape and coded 102A. Likewise, attempting the adulteration of any food or drink would be coded 209A.

(c) Suspensions of any sanction cannot exceed six months. Revocation and execution of a suspended sanction require that the inmate first is found to have committed any subsequent prohibited act. Only the Discipline Hearing Officer (DHO) may execute, suspend, or revoke and execute suspension of sanctions A through F. The Discipline Hearing Officer (DHO) or Unit Discipline Committee (UDC) may execute, suspend, or revoke and execute suspensions of sanctions G through P. Revocations and execution of suspensions may be made only at the level (DHO or UDC) which originally imposed the sanction. The DHO now has

that authority for suspensions which were earlier imposed by the Inmate Discipline Committee (IDC).

(d) If the Unit Discipline Committee has previously imposed a suspended sanction and subsequently refers a case to the Discipline Hearing Officer, the referral shall include an advisement to the DHO of any intent to revoke that suspension if the DHO finds that the prohibited act was committed. If the DHO then finds that the prohibited act was committed, the DHO shall so ad-

verse the Unit Discipline Committee who may then revoke the previous suspension.

(e) The Unit Discipline Committee or Discipline Hearing Officer may impose increased sanctions for repeated, frequent offenses according to the guidelines presented in table 5.

(f) Sanctions by severity of prohibited act, with eligibility for restoration of forfeited and withheld statutory good time are presented in table 6.

TABLE 4—SANCTIONS

1. *Sanctions of the Discipline Hearing Officer:* (upon finding the inmate committed the prohibited act)

(a) *Recommend parole date rescission or retardation.* The DHO may make recommendations to the U.S. Parole Commission for retardation or rescission of parole grants. This may require holding fact-finding hearings

upon request of or for the use of the Commission.

(b) *Forfeit earned statutory good time, non-vested good conduct time, and/or terminate or disallow extra good time.* The statutory good time available for forfeiture is limited to an amount computed by multiplying the number of months served at the time of the offense for which forfeiture action is taken, by

the applicable monthly rate specified in 18 U.S.C. 4161 (less any previous forfeiture or withholding outstanding). The amount of good conduct time (GCT) available for forfeiture is limited to the total number of days in the "non-vested" status at the time of the misconduct (less any previous forfeiture). A forfeiture of good conduct time sanction may not be suspended. Disallowance of extra good time is limited to the extra good time for the calendar month in which the violation occurs. It may not be withheld or restored. The sanction of termination or disallowance of extra good time may not be suspended. Forfeited good conduct time will not be restored. Authority to restore forfeited statutory good time is delegated to the Warden. This decision may not be delegated lower than the Associate Warden level. Limitations on this sanction and eligibility for restoration are based on the severity scale. (See table 6)

(b.1) *Disallowance of good conduct time.* I. An inmate sentenced under the Sentencing Reform Act provisions of the Comprehensive Crime Control Act (includes the inmate who committed his or her crime on or after November 1, 1987) may not receive statutory good time, but is eligible to receive 54 days good conduct time credit each year (18 U.S.C. 3624(b)). Once awarded, the credit is vested, and may not be disallowed. However, for crimes committed on or after September 13, 1994 and prior to April 26, 1996, credit toward an inmate's service of sentence shall not be vested unless the inmate has earned or is making satisfactory progress toward a high school diploma or an equivalent degree, or has been exempted from participation because of a learning disability. For crimes committed on or after April 26, 1996, credit toward an inmate's service of sentence shall vest on the date the inmate is released from custody. Once disallowed, the credit may not be restored, except by immediate review or appeal action as indicated below. Prior to this award being made, the credit may be disallowed for an inmate found to have committed a prohibited act. A sanction of disallowance of good conduct time may not be suspended. Only the DHO can take action to disallow good conduct time. The DHO shall consider the severity of the prohibited act and the suggested disallowance guidelines in making a determination to disallow good conduct time. A decision to go above the guideline range is warranted for a greatly aggravated offense or where there is a repetitive violation of the same prohibited act that occurs within a relatively short time frame (e.g., within 18 months for the same greatest severity prohibited act, within 12 months for the same high severity prohibited act, and within 6 months for the same moderate severity prohibited act). A decision to go below the guidelines is warranted for strong mitigating factors. Any decision out-

side the suggested disallowance guidelines is to be documented and justified in the DHO report.

II. VCCLEA inmates rated as violent and PLRA inmates will ordinarily be disallowed good conduct time for each prohibited act they are found to have committed at a DHO hearing, consistent with the following:

(1) Greatest category offenses: A minimum of 40 days (or, if less than 54 days are available for the prorated period, a minimum of 75% of available good conduct time) for each act committed;

(2) High category offenses: A minimum of 27 days (or, if less than 54 days are available for the prorated period, a minimum of 50% of available good conduct time) for each act committed;

(3) Moderate category offenses: A minimum of 13 days (or, if less than 54 days are available for the prorated period, a minimum of 25% of available good conduct time) for each act committed if the inmate has committed two or more moderate category offenses during the current anniversary period;

(4) Low moderate category offenses: A minimum of 6 days (or, if less than 54 days are available for the prorated period, a minimum of 12.5% of available good conduct time) for each act committed if the inmate has committed three or more low moderate category offenses during the current anniversary period.

However, the DHO may, after careful consideration of mitigating factors (seriousness of the offense, the inmate's past disciplinary record, the lack of available good conduct time, etc.) choose to impose a lesser sanction, or even disallow no GCT for moderate and low moderate prohibited acts by VCCLEA inmates rated as violent or by PLRA inmates. The DHO must thoroughly detail the rationale for choosing to disallow less than 13 days or 6 days respectively. This will be documented in Section VII of the DHO report. Disallowances of amounts greater than 13 days or 6 days respectively will occur with repetitive offenses consistent with the guidelines in this (b.1).

III. The decision of the DHO is final and is subject only to review by the Warden to ensure conformity with the provisions of the disciplinary policy and by inmate appeal through the administrative remedy program. The DHO is to ensure that the inmate is notified that any appeal of a disallowance of good conduct time must be made within the time frames established in the Bureau's rule on administrative remedy procedures.

IV. Except for VCCLEA inmates rated as violent or PLRA inmates, Sanction B.1 may be imposed on the Low Moderate category only where the inmate has committed the same low moderate prohibited act more than one time within a six-month period.

(c) *Recommend disciplinary transfer.* The DHO may recommend that an inmate be

transferred to another institution for disciplinary reasons. Where a present or impending emergency requires immediate action, the Warden may recommend for approval of the Regional Director the transfer of an inmate prior to either a UDC or DHO hearing. Transfers for disciplinary reasons may be used only in emergency situations and only with approval of the Regional Director. When an inmate is transferred under these circumstances, the sending institution shall forward copies of incident reports and other relevant materials with completed investigation to the receiving institution's Discipline Hearing Officer. The inmate shall receive a hearing at the receiving institution as soon as practicable under the circumstances to consider the factual basis of the charge of misconduct and the reasons for the emergency transfer. All procedural requirements applicable to UDC or DHO hearings contained in this rule are appropriate, except that written statements of unavailable witnesses are liberally accepted instead of live testimony.

(d) *Disciplinary segregation.* The DHO may direct that an inmate be placed or retained in disciplinary segregation pursuant to guidelines contained in this rule. Consecutive disciplinary segregation sanctions can be imposed and executed for inmates charged with and found to have committed offenses that are part of different acts only. Specific limits on time in disciplinary segregation are based on the severity scale. (See table 6)

(e) *Make monetary restitution.* The DHO may direct that an inmate reimburse the U.S. Treasury for any damages to U.S. Government property that the individual is determined to have caused or contributed to.

(f) *Withholding statutory good time.* The DHO may direct that an inmate's good time be withheld. Withholding of good time should not be applied as a universal punishment to all persons in disciplinary segregation status. Withholding is limited to the total amount of good time creditable for the single month during which the violation occurs. Some offenses, such as refusal to work at an assignment, may be recurring, thereby permitting, when ordered by the DHO, consecutive withholding actions. When this is the intent, the DHO shall specify at the time of the initial DHO hearing that good time may be withheld until the inmate elects to return to work. During the running of such a withholding order, the DHO shall review the offense with the inmate on a monthly basis. For an on-going offense, staff need not prepare a new Incident Report or conduct an investigation or initial hearing (UDC). The

DHO shall provide the inmate an opportunity to appear in person and to present a statement orally or in writing. The DHO shall document its action on, or by an attachment to, the initial Institution Discipline report. If further withholding is ordered, the DHO shall advise the inmate of the inmate's right to appeal through the Administrative Remedy Procedure (part 542). Only the Warden may restore withheld statutory good time. This decision may not be delegated lower than the Associate Warden level. Restoration eligibility is based on the severity scale. (See table 6)

2. *Sanctions of the Discipline Hearing Officer/ Unit Discipline Committee:* (upon finding the inmate committed the prohibited act)

(g) *Loss of privileges:* The DHO or UDC may direct that an inmate forego specific privileges for a specified period of time. Ordinarily, loss of privileges is used as a sanction in response to an abuse of that privilege. However, the DHO or UDC may impose a loss of privilege sanction not directly related to the offense when there is a lack of other appropriate sanctions or when imposition of an appropriate sanction previously has been ineffective.

(h) *Change housing (quarters).* The DHO or UDC may direct that an inmate be removed from current housing and placed in other housing.

(i) *Remove from program and/or group activity.* The DHO or UDC may direct that an inmate forego participating in any program or group activity for a specified period of time.

(j) *Loss of job.* The DHO or UDC may direct that an inmate be removed from present job and/or be assigned to another job.

(k) *Impound inmate's personal property.* The DHO or UDC may direct that an inmate's personal property be stored in the institution (when relevant to offense) for a specified period of time.

(l) *Confiscate contraband.* The DHO or UDC may direct that any contraband in the possession of an inmate be confiscated and disposed of appropriately.

(m) *Restrict quarters.* The DHO or UDC may direct that an inmate be confined to quarters or in its immediate area for a specified period of time.

(n) *Extra duty.* The DHO or UDC may direct that an inmate perform tasks other than those performed during regularly assigned institutional job.

(o) *Reprimand.* The DHO or UDC may reprimand an inmate either verbally or in writing.

(p) *Warning.* The DHO or UDC may verbally warn an inmate regarding committing prohibited act(s)

TABLE 5—SANCTIONS FOR REPETITION OF PROHIBITED ACTS WITHIN SAME CATEGORY

[When the Unit Discipline Committee or DHO finds that an inmate has committed a prohibited act in the Low Moderate, Moderate, or High category, and when there has been a repetition of the same offense(s) within recent months (offenses for violation of the same code), increased sanctions are authorized to be imposed by the DHO according to the following chart. (Note: An informal resolution may not be considered as a prior offense for purposes of this chart.)]

Category	Prior offense (same code) within time period	Frequency of repeated offense	Sanction permitted
Low moderate (400 series).	6 months ...	2d offense	Low Moderate Sanctions, plus 1. Disciplinary segregation, up to 7 days. 2. Forfeit earned SGT or non-vested GCT up to 10% or up to 15 days, whichever is less, and/or terminate or disallow extra good time (EGT) (an EGT sanction may not be suspended).
		3d offense, or more	Any sanctions available in Moderate (300) and Low Moderate (400) series.
Moderate (300 series).	12 months	2d offense	Moderate Sanctions (A,C,E-N), plus. 1. Disciplinary segregation, up to 21 days. 2. Forfeit earned SGT or non-vested GCT up to 37½% or up to 45 days, whichever is less, and/or terminate or disallow EGT (an EGT sanction may not be suspended).
		3d offense, or more	Any sanctions available in Moderate (300) and High (200) series.
High (200 series) ...	18 months	2d offense	High Sanctions (A,C,E-M), plus. 1. Disciplinary segregation, up to 45 days. 2. Forfeit earned SGT or non-vested GCT up to 75% or up to 90 days, whichever is less, and/or terminate or disallow EGT (an EGT sanction may not be suspended).
		3d offense, or more	Any sanctions available in High (200) and Greatest (100) series.

				6 mos. (2nd or 3rd offense in same category within six months).		7 days (2nd offense). 15 days (3rd offense).

Note: (1) In table 6 headings, "GT" represents both good conduct and statutory good time and "SGT" represents statutory good time. Forfeited good conduct time is not eligible for restoration. Restoration of statutory good time will be approved at the time of initial eligibility only when the inmate has shown a period of time with improved good behavior. When the Warden or his delegated representative denies restoration of forfeited or withheld statutory good time, the unit team shall notify the inmate of the reasons for denial. The unit team shall establish a new eligibility date, not to exceed six months from the date of denial.

(2) An inmate with an approaching parole effective date, or an approaching mandatory release or expiration date who has forfeited good time may be placed in a Community Treatment Center only if that inmate is otherwise eligible under Bureau policy, and if there exists a legitimate documented need for such placement. The length of stay at the Community Treatment Center is to be held to the time necessary to establish residence and employment.

[53 FR 197, Jan. 5, 1988, as amended at 53 FR 40686, Oct. 17, 1988; 54 FR 38987, Sept. 22, 1989; 54 FR 39095, Sept. 22, 1989; 58 FR 39095, July 21, 1993; 62 FR 50788, Sept. 26, 1997]

§ 541.14 Incident report and investigation.

(a) *Incident report.* The Bureau of Prisons encourages informal resolution (requiring consent of both parties) of incidents involving violations of Bureau regulations. However, when staff witnesses or has a reasonable belief that a violation of Bureau regulations has been committed by an inmate, and when staff considers informal resolution of the incident inappropriate or unsuccessful, staff shall prepare an Incident Report and promptly forward it to the appropriate Lieutenant. Except for prohibited acts in the Greatest or High Severity Category, the Lieutenant may informally dispose of the Incident Report or forward the Incident Report for investigation consistent with this section. The Lieutenant shall expunge the inmate's file of the Incident Report if informal resolution is accomplished. Only the DHO may make a final disposition on a prohibited act in the Greatest Severity Category or on a prohibited act in the High Category (when the High Category prohibited act has been committed by a VCCLEA inmate rated as violent or by a PLRA inmate).

(b) *Investigation.* Staff shall conduct the investigation promptly unless circumstances beyond the control of the investigator intervene.

(1) When it appears likely that the incident may be the subject of criminal prosecution, the investigating officer shall suspend the investigation, and staff may not question the inmate until the Federal Bureau of Investigation or other investigative agency interviews have been completed or until the agency responsible for the criminal investigation advises that staff questioning may occur.

(2) The inmate may receive a copy of the Incident Report prior to being seen by the investigating agency. The investigating officer (Bureau of Prisons) shall give the inmate a copy of the Incident Report at the beginning of the investigation, unless there is good cause for delivery at a later date, such as absence of the inmate from the in-

stitution or a medical condition which argues against delivery. If the investigation is delayed for any reason, any employee may deliver the charge(s) to the inmate. The staff member shall note the date and time the inmate received a copy of the Incident Report. The investigator shall also read the charge(s) to the inmate and ask for the inmate's statement concerning the incident unless it appears likely that the incident may be the subject of criminal prosecution. The investigator shall advise the inmate of the right to remain silent at all stages of the disciplinary process but that the inmate's silence may be used to draw an adverse inference against the inmate at any stage of the institutional disciplinary process. The investigator shall also inform the inmate that the inmate's silence alone may not be used to support a finding that the inmate has committed a prohibited act. The investigator shall then thoroughly investigate the incident. The investigator shall record all steps and actions taken on the Incident Report and forward all relevant material to the staff holding the initial hearing. The inmate does not receive a copy of the investigation. However, if the case is ultimately forwarded to the Discipline Hearing Officer, the DHO shall give a copy of the investigation and other relevant materials to the inmate's staff representative for use in presentation on the inmate's behalf.

[53 FR 197, Jan. 5, 1988, as amended at 62 FR 50791, Sept. 26, 1997]

§ 541.15 Initial hearing.

The Warden shall delegate to one or more institution staff members the authority and duty to hold an initial hearing upon completion of the investigation. In order to ensure impartiality, the appropriate staff member(s) (hereinafter usually referred to as the Unit Discipline Committee (UDC)) may not be the reporting or investigating officer or a witness to the incident, or play any significant part in having the charges referred to the UDC. However, a staff member witnessing an incident may serve on the UDC where virtually every staff member in the institution witnesses the incident in whole or in part. If the UDC finds at the initial hearing that an inmate has committed

a prohibited act, the UDC may impose minor dispositions and sanctions. When an alleged violation of Bureau rules is serious and warrants consideration for other than minor sanctions, the UDC shall refer the charges to the Discipline Hearing Officer for further hearing. The UDC must refer all greatest category charges to the DHO. The following minimum standards apply to initial hearings in all institutions.

(a) Staff shall give each inmate charged with violating a Bureau rule a written copy of the charge(s) against the inmate, ordinarily within 24 hours of the time staff became aware of the inmate's involvement in the incident.

(b) Each inmate so charged is entitled to an initial hearing before the UDC, ordinarily held within three work days from the time staff became aware of the inmate's involvement in the incident. This three work day period excludes the day staff became aware of the inmate's involvement in the incident, weekends, and holidays.

(c) The inmate is entitled to be present at the initial hearing except during deliberations of the decision maker(s) or when institutional security would be jeopardized by the inmate's presence. The UDC shall clearly document in the record of the hearing reasons for excluding an inmate from the hearing. An inmate may waive the right to be present at this hearing provided that the waiver is documented by staff and reviewed by the UDC. A waiver may be in writing, signed by the inmate, or if the inmate refuses to sign a waiver, it shall be shown by a memorandum signed by staff and witnessed by a second staff member indicating the inmate's refusal to appear at the hearing. The UDC may conduct a hearing in the absence of an inmate when the inmate waives the right to appear. When an inmate escapes or is otherwise absent from custody, the UDC shall conduct a hearing in the inmate's absence at the institution in which the inmate was last confined.

(d) The inmate is entitled to make a statement and to present documentary evidence in the inmate's own behalf.

(e) The Unit Discipline Committee may drop or informally resolve any Moderate or Low Moderate charge. The UDC shall expunge the inmate's file of

the Incident Report if informal resolution is accomplished.

(f) The Unit Discipline Committee shall consider all evidence presented at the hearing and shall make a decision based on at least some facts, and if there is conflicting evidence, it must be based on the greater weight of the evidence. The UDC shall take one of the following actions:

(1) Find that the inmate committed the prohibited act charged and/or a similar prohibited act if reflected in the Incident Report;

(2) Find that the inmate did not commit the prohibited act charged or a similar prohibited act if reflected in the Incident Report; or

(3) Refer the case to the DHO for further hearing;

The UDC shall give the inmate a written copy of the decision and disposition by the close of business the next work day. Any action taken as a minor disposition is reviewable under the Administration Remedy Procedure (see part 542 of this chapter).

(g) The UDC shall prepare a record of its proceedings which need not be verbatim. A record of the hearing and supporting documents are kept in the inmate's file.

(h) When an alleged violation of Bureau rules is serious and warrants consideration for other than minor sanctions (G through P), the UDC shall refer the charge(s) without indication of findings as to commission of the alleged violation to the Discipline Hearing Officer (DHO) for hearing and disposition. The UDC shall forward copies of all relevant documents to the DHO with a brief statement of reasons for the referral along with any recommendations for appropriate disposition if the DHO finds the inmate has committed the act charged and/or a similar prohibited act. The inmate whose charge is being referred to the Discipline Hearing Officer may be retained in administrative detention or other restricted status, but the UDC may not impose a final disposition if the matter is being referred to the DHO.

(i) When charges are to be referred to the Discipline Hearing Officer, the UDC shall advise the inmate of the rights afforded at a hearing before the DHO.

The UDC shall ask the inmate to indicate a choice of staff representative, if any, and the names of any witnesses the inmate wishes to be called to testify at the hearing and what testimony they are expected to provide. The UDC shall advise the inmate that the inmate may waive the right to be present at the Institution Discipline hearing, but still elect to have witnesses and/or a staff representative appear in the inmate's behalf at this hearing.

(j) When the Unit Discipline Committee holds a full hearing and determines that the inmate did not commit a prohibited act of High, Moderate or Low Moderate Severity, the UDC shall expunge the inmate's file of the Incident Report and related documents. The UDC must refer to the Discipline Hearing Officer all incidents involving prohibited acts of Greatest Severity.

(k) The UDC may extend time limits imposed in this section for a good cause shown by the inmate or staff and documented in the record of the hearing.

§ 541.16 Establishment and functioning of the Discipline Hearing Officer.

(a) Each Bureau of Prison institution shall have an independent hearing officer (DHO) assigned to conduct administrative fact-finding hearings covering alleged acts of misconduct and violations of prohibited acts, including those acts which could result in criminal charges. In the event of a serious disturbance or other emergency, or if an inmate commits an offense in the presence of the DHO, an alternate Discipline Hearing Officer will be appointed to conduct hearings with approval of the appropriate Regional Director. If the institution's DHO is not able to conduct hearings, the Warden shall arrange for another DHO to conduct the hearings. This person must be trained and certified as a DHO, and meet the other requirements for DHO.

(b) In order to insure impartiality, the DHO may not be the reporting officer, investigating officer, or UDC member, or a witness to the incident or play any significant part in having the charge(s) referred to the DHO.

(c) The Discipline Hearing Officer shall conduct hearings, make findings,

and impose appropriate sanctions for incidents of inmate misconduct referred for disposition following the hearing required by § 541.15 before the UDC. The DHO may not hear any case or impose any sanctions in a case not heard and referred by the UDC. Only the Discipline Hearing Officer shall have the authority to impose or suspend sanctions A through F.

(d) The Warden at each institution shall designate a staff member, hereinafter called the Segregation Review Official (SRO), to conduct reviews of inmates placed in disciplinary segregation and administrative detention in accordance with the requirements of § 541.20 and § 541.22.

§ 541.17 Procedures before the Discipline Hearing Officer.

The Discipline Hearing Officer shall proceed as follows:

(a) The Warden shall give an inmate advance written notice of the charge(s) against the inmate no less than 24 hours before the inmate's appearance before the Discipline Hearing Officer unless the inmate is to be released from custody within that time. An inmate may waive in writing the 24-hour notice requirement.

(b) The Warden shall provide an inmate the service of a full time staff member to represent the inmate at the hearing before the Discipline Hearing Officer should the inmate so desire. The Warden, the DHO or alternate DHO, the reporting officer, investigating officer, a witness to the incident, and UDC members involved in the case may not act as staff representative. The Warden may exclude staff from acting as staff representative in a particular case when there is a potential conflict in roles. The staff representative shall be available to assist the inmate if the inmate desires by speaking to witnesses and by presenting favorable evidence to the DHO on the merits of the charge(s) or in extenuation or mitigation of the charge(s). The DHO shall arrange for the presence of the staff representative selected by the inmate. If the staff member selected declines or is unavailable because of absence from the institution, the inmate has the option of selecting another representative, or in the case of an absent

staff member of waiting a reasonable period for the staff member's return, or of proceeding without a staff representative. When several staff members decline this role, the Warden shall promptly appoint a staff representative to assist the inmate. The DHO shall afford a staff representative adequate time to speak with the inmate and interview requested witnesses where appropriate. While it is expected that a staff member will have had ample time to prepare prior to the hearing, delays in the hearing to allow for adequate preparation may be ordered by the Discipline Hearing Officer. When it appears that the inmate is not able to properly make a presentation on his own behalf (for example, an illiterate inmate), the Warden shall appoint a staff representative for the inmate, even if one is not requested.

(c) The inmate is entitled to make a statement and to present documentary evidence in the inmate's own behalf. An inmate has the right to submit names of requested witnesses and have them called to testify and to present documents in the inmate's behalf, provided the calling of witnesses or the disclosure of documentary evidence does not jeopardize or threaten institutional or an individual's security. The DHO shall call those witnesses who have information directly relevant to the charge(s) and who are reasonably available. This may include witnesses from outside of the institution. The inmate charged may be excluded during the appearance of an outside witness. The appearance of the outside witness should be in an area of the institution in which outside visitors are usually allowed. The DHO need not call repetitive witnesses. The reporting officer and other adverse witnesses need not be called if their knowledge of the incident is adequately summarized in the Incident Report and other investigative materials supplied to the DHO. The DHO shall request submission of written statements from unavailable witnesses who have information directly relevant to the charge(s). The DHO shall document reasons for declining to call requested witnesses in the DHO report, or, if the reasons are confidential, in a separate report, not available to the inmate. The inmate's

staff representative, or when the inmate waives staff representation, the DHO, shall question witnesses requested by the inmate who are called before the DHO. The inmate who has waived staff representation may submit questions for requested witnesses in writing to the DHO. The inmate may not question any witness at the hearing.

(d) An inmate has the right to be present throughout the DHO hearing except during a period of deliberation or when institutional security would be jeopardized. The DHO must document in the record the reason(s) for excluding an inmate from the hearing. An inmate may waive the right to be present at the hearing, provided that the waiver is documented by staff and reviewed by the DHO. A waiver may be in writing, signed by the inmate, or if the inmate refuses to sign a waiver, it shall be shown by a memorandum signed by staff and witnessed by a second staff member indicating the inmate's refusal to appear at the hearing. The DHO may conduct a hearing in the absence of an inmate when the inmate waives the right to appear. When an inmate escapes or is otherwise absent from custody, the Discipline Hearing Officer shall conduct a hearing in the inmate's absence at the institution in which the inmate was last confined. When an inmate returns to custody following absence during which sanctions were imposed by the DHO (or the predecessor Institution Discipline Committee (IDC)), the Warden shall have the charges reheard before the Discipline Hearing Officer ordinarily within 60 days after the inmate's arrival at the institution to which the inmate is designated after return to custody, and following appearance before the Unit Discipline Committee at that institution. The UDC shall ensure that the inmate has all rights required for appearance before the Discipline Hearing Officer, including delivery of charge(s), advisement of the right to remain silent and other rights to be exercised before the Discipline Hearing Officer. All the applicable procedural requirements for hearings before the Discipline Hearing Officer apply to this rehearing, except that written statements of witnesses not readily available may be liberally

used instead of in-person witnesses. The DHO upon rehearing may affirm the earlier action taken, may dismiss the charge(s), may modify the finding of the original DHO as to the offense which was committed, or may modify but may not increase the sanctions previously imposed in the inmate's absence.

(e) The DHO may refer the case back to the UDC for further information or disposition. The DHO may postpone or, at any time prior to making a decision as to whether or not a prohibited act was committed, may continue the hearing until a later date whenever further investigation or more evidence is needed. A postponement or continuance must be for good cause (determined by the DHO) shown by the inmate or staff and should be documented in the record of the hearing.

(f) The DHO shall consider all evidence presented at the hearing. The decision of the DHO shall be based on at least some facts, and if there is conflicting evidence, it must be based on the greater weight of the evidence. The DHO shall find that the inmate either:

(1) Committed the prohibited act charged and/or a similar prohibited act if reflected in the Incident Report; or

(2) Did not commit the prohibited act charged or a similar prohibited act if reflected in the Incident Report.

When a disciplinary decision is based on confidential informant information, the UDC or DHO shall document, ordinarily in the hearing report, the finding as to the reliability of each confidential informant relied on *and the factual basis for that finding*. When it appears that this documentation in the report would reveal the confidential informant's identity, the finding as to the reliability of each confidential informant relied on and the factual basis for that finding shall be made part of the hearing record in a separate report, prepared by the UDC chairman or DHO, not available to the inmate.

(g) The Discipline Hearing Officer shall prepare a record of the proceedings which need not be verbatim. This record must be sufficient to document the advisement of inmate rights, the DHO's findings, the DHO's decision and the specific evidence relied on by the DHO, and must include a brief state-

ment of the reasons for the sanctions imposed. The evidence relied upon, the decision, and the reasons for the actions taken must be set out in specific terms unless doing so would jeopardize institutional security. The DHO shall give the inmate a written copy of the decisions and disposition, ordinarily within 10 days of the DHO's decision.

(h) A record of the hearing and supporting documents are to be kept in the inmate central file.

(i) The Discipline Hearing Officer shall expunge an inmate's file of the Incident Report and related documents following a DHO finding that the inmate did not commit a prohibited act. The requirement for expunging the inmate's file does not preclude maintaining for research purposes copies of disciplinary actions resulting in "not guilty" findings in a master file separate from the inmate's institution file. However, institution staff may not use or allow the use of the contents of this master file in a manner which would adversely affect the inmate. Likewise, the expungement requirement does not require the destruction of medical reports or other reports relating to a particular inmate which must be maintained to document medical or other treatment given in a special housing unit. If an inmate's conduct during one continuous incident may constitute more than one prohibited act, and if the incident is reported in a single Incident Report, and if the DHO finds the inmate has not committed every prohibited act charged, or if the DHO finds that the inmate has committed a prohibited act(s) other than the act(s) charged, then the DHO shall record those findings clearly and shall change the Incident Report to show only the incident and code references to charges which were proved. Institution staff may not use the existence of charged but unproved misconduct against the inmate.

§ 541.18 Dispositions of the Discipline Hearing Officer.

The Discipline Hearing Officer has available a broad range of sanctions and dispositions following completion of the hearing. The Discipline Hearing Officer may do any of the following:

(a) Dismiss any charge(s) upon a finding that the inmate did not commit the prohibited act(s). The DHO shall order the record of charge(s) expunged upon such finding.

(b) Impose any of sanctions A through P as provided in § 541.13.

(c) Suspend the execution of a sanction it imposes as provided in § 541.13.

§ 541.19 Appeals from Unit Discipline Committee or Discipline Hearing Officer actions.

At the time the Unit Discipline Committee or Discipline Hearing Officer gives an inmate written notice of its decision, the UDC or DHO shall also advise the inmate that the inmate may appeal the decision under Administrative Remedy Procedures (see part 542 of this chapter). An inmate's initial appeal of a decision of the DHO should be filed directly to the appropriate Regional Office. The inmate should forward a copy of the DHO report or, if not available at the time of filing, should state in his appeal the date of the DHO hearing and the nature of the charges against the inmate. On appeals, the appropriate reviewing official (the Warden, Regional Director, or General Counsel) may approve, modify, reverse, or send back with directions, including ordering a rehearing, any disciplinary action of the Unit Discipline Committee or Discipline Hearing Officer but may not increase any valid sanction imposed. On appeals, the appropriate reviewing authority shall consider:

(a) Whether the Unit Discipline Committee or the Discipline Hearing Officer substantially complied with the regulations on inmate discipline;

(b) Whether the Unit Discipline Committee or Discipline Hearing Officer based its decision on some facts, and if there was conflicting evidence, whether the decision was based on the greater weight of the evidence; and

(c) Whether an appropriate sanction was imposed according to the severity level of the prohibited act, and other relevant circumstances.

§ 541.20 Justification for placement in disciplinary segregation and review of inmates in disciplinary segregation.

(a) Except as provided in paragraph (b) of this section, an inmate may be placed in disciplinary segregation only by order of the Discipline Hearing Officer following a hearing in which the inmate has been found to have committed a prohibited act in the Greatest, High, or Moderate Category, or a repeated offense in the Low Moderate Category. The DHO may order placement in disciplinary segregation only when other available dispositions are inadequate to achieve the purpose of punishment and deterrence necessary to regulate an inmate's behavior within acceptable limits.

(b) The Warden may temporarily (not exceeding five days) move an inmate to a more secure cell (which may be in an area ordinarily set aside for disciplinary segregation and which therefore requires the withdrawal of privileges ordinarily afforded in administrative detention status, until a hearing before the DHO can be held) who (1) is causing a serious disruption (threatening life, serious bodily harm, or property) in administrative detention, (2) cannot be controlled within the physical confines of administrative detention, and (3) upon advice of appropriate medical staff, does not require confinement in the institution hospital for mental or physical treatment, or who would ordinarily be housed in the institution hospital for mental or physical treatment, but who cannot safely be housed there because the hospital does not have a room or cell with adequate security provisions. The Warden may delegate this authority no further than to the official in charge of the institution at the time the move is necessary.

(c) The Segregation Review Official (SRO) (see § 541.16(d)) shall conduct a hearing and formally review the status of each inmate who spends seven continuous days in disciplinary segregation and thereafter shall review these cases on the record in the inmate's absence each week and shall conduct a hearing and formally review these cases at least once every 30 days. The

inmate appears before the SRO at the 30-day hearings, unless the inmate waives the right to appear. A waiver may be in writing, signed by the inmate, or if the inmate refuses to sign a waiver, it shall be shown by a memorandum signed by staff and witnessed by a second staff member indicating the inmate's refusal to appear at the hearing. Staff shall conduct a psychiatric or psychological assessment, including a personal interview, when disciplinary segregation continues beyond 30 days. The assessment, submitted to the SRO in a written report, shall address the inmate's adjustment to surroundings and the threat the inmate poses to self, staff and other inmates. Staff shall conduct a similar psychiatric or psychological assessment and report at subsequent one-month intervals if segregation continues for this extended period.

(d) The Segregation Review Official may release an inmate from disciplinary segregation earlier than the sanction initially imposed upon finding that continuation in disciplinary segregation is no longer necessary to regulate the inmate's behavior within acceptable limits or for fulfilling the purpose of punishment and deterrence which initially resulted in the inmate's placement in disciplinary segregation status. The SRO may not increase any previously imposed sanction.

§ 541.21 Conditions of disciplinary segregation.

(a) Disciplinary segregation is the status of confinement of an inmate housed in a special housing unit in a cell either alone or with other inmates, separated from the general population. Inmates housed in disciplinary segregation have significantly fewer privileges than those housed in administrative detention.

(b) The Warden shall maintain for each segregated inmate basic living levels of decency and humane treatment, regardless of the purpose for which the inmate has been segregated. Living conditions may not be modified for the purpose of reinforcing acceptable behavior and different levels of living arrangements will not be established. Where it is determined necessary to deprive an inmate of a usu-

ally authorized item, staff shall prepare written documentation as to the basis for this action, and this document will be signed by the Warden, indicating the Warden's review and approval.

(c) The basic living standards for segregation are as follows:

(1) *Segregation conditions.* The quarters used for segregation must be well-ventilated, adequately lighted, appropriately heated and maintained in a sanitary condition at all times. All cells must be equipped with beds. Strip cells may not be a part of the segregation unit. Any strip cells which are utilized must be a part of the medical facility and under the supervision and control of the medical staff.

(2) *Cell occupancy.* The number of inmates confined to each cell or room in segregation should not exceed the number for which the space was designated. The Warden may approve excess occupancy if the Warden finds there is a pressing need for this action, and that other basic living standards of this subsection can still be maintained.

(3) *Clothing and bedding.* An inmate in segregation may wear normal institution clothing but may not have a belt. Staff shall furnish a mattress and bedding. Cloth or paper slippers may be substituted for shoes at the discretion of the Warden. An inmate may not be segregated without clothing, mattress, blankets and pillow, except when prescribed by the medical officer for medical or psychiatric reasons. Inmates in special housing status will be provided, as nearly as practicable, the same opportunity for the issue and exchange of clothing, bedding, and linen, and for laundry as inmates in the general population. Exceptions to this procedure may be permitted only when found necessary by the Warden or designee. An exception, and the reasons for this, must be recorded in the unit log.

(4) *Food.* Staff shall give a segregated inmate nutritionally adequate meals, ordinarily from the menu of the day for the institution. Staff may dispense disposable utensils when necessary.

(5) *Personal hygiene.* Segregated inmates shall have the opportunity to

maintain an acceptable level of personal hygiene. Staff shall provide toilet tissue, wash basin, tooth brush, eyeglasses, shaving utensils, etc., as needed. Staff may issue a retrievable kit of toilet articles. Each segregated inmate shall have the opportunity to shower and shave at least three times a week, unless these procedures would present an undue security hazard. This security hazard will be documented and signed by the Warden, indicating the Warden's review and approval. Inmates in special housing will be provided, where practicable, barbering and hair care services. Exceptions to this procedure may be permitted only when found necessary by the Warden or designee.

(6) *Exercise.* Staff shall permit each segregated inmate no less than five hours exercise each week. Exercise should be provided in five one-hour periods, on five different days, but if circumstances require, one-half hour periods are acceptable if the five-hour minimum and different days schedule is maintained. These provisions must be carried out unless compelling security or safety reasons dictate otherwise. Institution staff shall document these reasons. Exercise periods, not to exceed one week, may be withheld from an inmate by order of the Warden, following a hearing, and recommendation, before a person certified in the discipline hearing officer procedures. This hearing must be held in accordance with the provisions of §541.17, following those provisions which are appropriate to these circumstances, and only upon a finding by the person conducting the hearing that the actions of the segregated inmate pose a threat to the safety or health conditions of the unit.

(7) *Personal property.* Institution staff shall ordinarily impound personal property.

(8) *Reading material.* Staff shall provide a reasonable amount of non-legal reading material, not to exceed five books per inmate at any one time, on a circulating basis. Staff shall provide the inmate opportunity to possess religious scriptures of the inmate's faith. As to legal materials, see part 543, subpart B.

(9) *Supervision.* In addition to the direct supervision afforded by the unit

officer, a member of the medical department and one or more responsible officers designated by the Warden (ordinarily a Lieutenant) shall see each segregated inmate daily, including weekends and holidays. Members of the program staff, including unit staff, shall arrange to visit inmates in special housing within a reasonable time after receiving the inmate's request.

(10) *Correspondence and visits.* As to correspondence privileges, see part 540, subpart B. Staff shall make reasonable effort to notify approved social visitors of any necessary restriction on ordinary visiting procedures so that they may be spared disappointment and unnecessary inconvenience. If ample time for correspondence exists, staff may place the burden of this notification to visitors on the inmate. As to general visiting and telephone privileges, see part 540, subpart D and subpart I. In respect to legal, religious, and privileged out-going mail, the relevant regulations must be followed by institution staff (see parts 540, 543, and 548 of this chapter).

§ 541.22 Administrative detention.

Administrative detention is the status of confinement of an inmate in a special housing unit in a cell either by self or with other inmates which serves to remove the inmate from the general population.

(a) *Placement in administrative detention.* The Warden may delegate authority to place an inmate in administrative detention to Lieutenants. Prior to the inmate's placement in administrative detention, the Lieutenant is to review the available information and determine whether the inmate's placement in administrative detention is warranted. The Warden may place an inmate in administrative detention when the inmate is in holdover status (i.e., en route to a designated institution) during transfer, or is a new commitment pending classification. The Warden may also place an inmate in administrative detention when the inmate's continued presence in the general population poses a serious threat to life, property, self, staff, other inmates or to the security or orderly running of the institution and when the inmate:

§ 541.22

28 CFR Ch. V (7-1-98 Edition)

(1) Is pending a hearing for a violation of Bureau regulations;

(2) Is pending an investigation of a violation of Bureau regulations;

(3) Is pending investigation or trial for a criminal act;

(4) Is pending transfer;

(5) Requests admission to administrative detention for the inmate's own protection, or staff determines that admission to or continuation in administrative detention is necessary for the inmate's own protection (see § 541.23); or

(6) Is terminating confinement in disciplinary segregation and placement in general population is not prudent. The Segregation Review Official is to advise the inmate of this determination and the reasons for such action.

(i) Except for pretrial inmates or inmates in a control unit program, staff ordinarily within 90 days of an inmate's placement in post-disciplinary detention shall either return the inmate to the general inmate population or request regional level assistance to effect a transfer to a more suitable institution.

(ii) The Assistant Director, Correctional Programs Division, shall review for purpose of making a disposition, the case of an inmate not transferred from post-disciplinary detention within the time frame specified in paragraph (a)(6)(i) of this section.

(iii) Staff in a control unit will attempt to adhere to the 90-day limit for an inmate's placement in post-disciplinary detention. Because security needs required for an inmate in a control unit program may not be available outside of post-discipline detention, the Warden may approve an extension of this placement upon determining in writing that it is not practicable to release the inmate to the general inmate population or to effect a transfer to a more suitable institution.

(iv) The appropriate Regional Director and the Assistant Director, Correctional Programs Division, shall review (for purpose of making a disposition) the case of an inmate in a control unit program not transferred from post-disciplinary detention within the 90-day time frame specified in paragraph (a)(6)(iii) of this section. A similar, subsequent review shall be conducted

every 60-90 days if post-disciplinary detention continues for this extended period.

(b) *Administrative detention order detailing reasons for placement.* The Warden shall prepare an administrative detention order detailing the reasons for placing an inmate in administrative detention, with a copy given to the inmate, provided institutional security is not compromised thereby. Staff shall deliver this order to the inmate within 24 hours of the inmate's placement in administrative detention, unless this delivery is precluded by exceptional circumstances. An order is not necessary for an inmate placed in administrative detention when this placement is a direct result of the inmate's hold-over status.

(c) *Review of inmates housed in administrative detention.* (1) Except as otherwise provided in paragraphs (c)(2) and (c)(3) of this section, the Segregation Review Official will review the status of inmates housed in administrative detention. The SRO shall conduct a record review within three work days of the inmate's placement in administrative detention and shall hold a hearing and formally review the status of each inmate who spends seven continuous days in administrative detention, and thereafter shall review these cases on the record (in the inmate's absence) each week, and shall hold a hearing and review these cases formally at least every 30 days. The inmate appears before the SRO at the hearing unless the inmate waives the right to appear. A waiver may be in writing, signed by the inmate, or if the inmate refuses to sign a waiver, it shall be shown by a memorandum signed by staff and witnessed by a second staff member indicating the inmate's refusal to appear at the hearing. Staff shall conduct a psychiatric or psychological assessment, including a personal interview, when administrative detention continues beyond 30 days. The assessment, submitted to the SRO in a written report, shall address the inmate's adjustment to surroundings and the threat the inmate poses to self, staff and other inmates. Staff shall conduct a similar psychiatric or psychological assessment and report at subsequent one-

month intervals should detention continue for this extended period. Administrative detention is to be used only for short periods of time except where an inmate needs long-term protection (see § 541.23), or where there are exceptional circumstances, ordinarily tied to security or complex investigative concerns. An inmate may be kept in administrative detention for longer term protection only if the need for such protection is documented by the SRO. Provided institutional security is not compromised, the inmate shall receive at each formal review a written copy of the SRO's decision and the basis for this finding. The SRO shall release an inmate from administrative detention when reasons for placement cease to exist.

(2) The Warden shall designate appropriate staff to meet weekly with an inmate in administrative detention when this placement is a direct result of the inmate's holdover status. Staff shall also review this type of case on the record each week.

(3) When an inmate is placed in administrative detention for protection, but not at that inmate's request, the Warden or designee is to review the inmate's status within two work days of this placement to determine if continued protective custody is necessary. A formal hearing is to be held within seven days of the inmate's placement (see § 541.23, Protection Cases).

(d) *Conditions of administrative detention.* The basic level of conditions as described in § 541.21(c) for disciplinary segregation also apply to administrative detention. If consistent with available resources and the security needs of the unit, the Warden shall give an inmate housed in administrative detention the same general privileges given to inmates in the general population. This includes, but is not limited to, providing an inmate with the opportunity for participation in an education program, library services, social services, counseling, religious guidance and recreation. Unless there are compelling reasons to the contrary, institutions shall provide commissary privileges and reasonable amounts of personal property. An inmate in administrative detention shall be permitted to have a radio, provided that the radio is

equipped with ear plugs. Exercise periods, at a minimum, will meet the level established for disciplinary segregation and will exceed this level where resources are available. The Warden shall give an inmate in administrative detention visiting, telephone, and correspondence privileges in accordance with part 540 of this chapter. The Warden may restrict for reasons of security, fire safety, or housekeeping the amount of personal property that an inmate may retain while in administrative detention.

[53 FR 197, Jan. 5, 1988, as amended at 56 FR 4159, Feb. 1, 1991; 56 FR 31530, July 10, 1991; 57 FR 23260, June 2, 1992; 61 FR 47795, Sept. 10, 1996]

§ 541.23 Protection cases.

(a) Staff may consider the following categories of inmates as protection cases:

- (1) Victims of inmate assaults;
- (2) Inmate informants;
- (3) Inmates who have received inmate pressure to participate in sexual activity;
- (4) Inmates who seek protection through detention, claiming to be former law enforcement officers, informants, or others in sensitive law enforcement positions, whether or not there is official information to verify the claim;
- (5) Inmates who have previously served as inmate gun guards, dog caretakers, or in similar positions in state or local correctional facilities;
- (6) Inmates who refuse to enter the general population because of alleged pressures from other unidentified inmates;
- (7) Inmates who will not provide, and as to whom staff cannot determine, the reason for refusal to return to the general population; and
- (8) Inmates about whom staff has good reason to believe the inmate is in serious danger of bodily harm.

(b) Inmates who are placed in administrative detention for protection, but not at their own request or beyond the time when they feel they need to be detained for their own protection, are entitled to a hearing, no later than seven days from the time of their admission (or from the time of their detention beyond their own consent). This hearing

is conducted in accordance with the procedural requirements of § 541.17, as to advance written notice, staff representation, right to make a statement and present documentary evidence, to request witnesses, to be present throughout the hearing, and advance advisement of inmate rights at the hearing, and as to making a record of the proceedings.

(c) Ordinarily, staff may place an inmate in administrative detention as provided in paragraph (a) of this rule relating to protection cases, for a period not to exceed 90 days. Staff shall clearly document in the record the reasons for any extension beyond this 90-day period.

(d) Where appropriate, staff shall first attempt to place the inmate in the general population of their particular facility. Where inappropriate, staff shall clearly document the reason(s) and refer the case, with all relevant material, to their Regional Director, who, upon review of the material, may order the transfer of a protection case.

Subpart C [Reserved]

Subpart D—Control Unit Programs

SOURCE: 49 FR 32991, Aug. 17, 1984, unless otherwise noted.

§ 541.40 Purpose and scope.

(a) In an effort to maintain a safe and orderly environment within its institutions, the Bureau of Prisons operates control unit programs intended to place into a separate unit those inmates who are unable to function in a less restrictive environment without being a threat to others or to the orderly operation of the institution. The Bureau of Prisons provides written criteria for the:

- (1) Referral of an inmate for possible placement within a control unit;
- (2) Selection of an inmate for placement within a control unit;
- (3) Regular review of an inmate while housed in a control unit; and
- (4) Release of an inmate from a control unit.

(b) The Bureau of Prisons provides an inmate confined within a control unit the opportunity to participate in programs and activities restricted as nec-

essary to protect the security, good order, or discipline of the unit.

§ 541.41 Institutional referral.

(a) The Warden shall submit a recommendation for referral of an inmate for placement in a control unit to the Regional Director in the region where the inmate is located.

(b) The Warden shall consider the following factors in a recommendation for control unit placement.

(1) Any incident during confinement in which the inmate has caused injury to other persons.

(2) Any incident in which the inmate has expressed threats to the life or well-being of other persons.

(3) Any incident involving possession by the inmate of deadly weapons or dangerous drugs.

(4) Any incident in which the inmate is involved in a disruption of the orderly operation of a prison, jail or other correctional institution.

(5) An escape from a correctional institution.

(6) An escape attempt. Depending on the circumstances, an escape attempt, considered alone or together with an inmate's prior history, may warrant consideration for a control unit placement.

(7) The nature of the offense for which committed. An inmate may not be considered solely on the nature of the crime which resulted in that inmate's incarceration; however, the nature of the crime may be considered in combination with other factor(s) as described in paragraph (b) of this section.

(c) The Warden may not refer an inmate for placement in a control unit:

(1) If the inmate shows evidence of significant mental disorder or major physical disabilities as documented in a mental health evaluation or a physical examination;

(2) On the basis that the inmate is a protection case, e.g., a homosexual, an informant, etc., unless the inmate meets other criteria as described in paragraph (b) of this section.

§ 541.42 Designation of Hearing Administrator.

(a) The Regional Director in the region where the inmate is located shall

review the institution's recommendation for referral of an inmate for placement in a control unit. If the Regional Director concurs with the recommendation, the Regional Director shall forward a written request, together with the institution's referral material, to the Regional Director of the region where the control unit is located. The Regional Director of the region where the control unit is located shall designate a person in the Regional Office to review the referral material and to conduct a hearing on the appropriateness of an inmate's placement in a control unit.

(b) The Hearing Administrator shall have the following qualifications:

(1) Correctional experience, including institutional work with inmates, processing of inmate disciplinary actions, significant institutional experience in observing and evaluating inmate adjustment and disruptive behavior, and knowledge of the options available in the Bureau of Prisons for dealing with such conduct;

(2) Lack of former personal involvement in an Institution Discipline Committee action involving the particular inmate in incident(s) referred; and

(3) Familiarity with Bureau of Prisons policies and operations, including the criteria for placement of inmates in different institutions and in a control unit.

§ 541.43 Hearing procedure.

(a) The Hearing Administrator shall provide a hearing to an inmate recommended for placement in a control unit. The hearing ordinarily shall take place at the recommending or sending institution.

(b) The hearing shall proceed as follows.

(1) Staff shall provide an inmate with an advance written notice of the hearing and a copy of this rule at least 24 hours prior to the hearing. The notice will advise the inmate of the specific act(s) or other evidence which forms the basis for a recommendation that the inmate be transferred to a control unit, unless such evidence would likely endanger staff or others. If an inmate is illiterate, staff shall explain the notice and this rule to the inmate and

document that this explanation has occurred.

(2) The Hearing Administrator shall provide an inmate the service of a full-time staff member to represent the inmate, if the inmate so desires. The Hearing Administrator shall document in the record of the hearing an inmate's request for, or refusal of staff representation. The inmate may select a staff representative from the local institution. If the selected staff member declines or is unavailable, the inmate has the option of selecting another representative or, in the case of an absent staff member, of waiting a reasonable period (determined by the Hearing Administrator) for the staff member's return, or of proceeding without a staff representative. When an inmate is illiterate, the Warden shall provide a staff representative. The staff representative shall be available to assist the inmate and, if the inmate desires, shall contact witnesses and present favorable evidence at the hearing. The Hearing Administrator shall afford the staff representative adequate time to speak with the inmate and to interview available witnesses.

(3) The inmate has the right to be present throughout the hearing, except where institutional security or good order is jeopardized. The Hearing Administrator may conduct a hearing in the absence of the inmate when the inmate refuses to appear. The Hearing Administrator shall document an inmate's refusal to appear, or other reason for non-appearance, in the record of the hearing.

(4) The inmate is entitled to present documentary evidence and to have witnesses appear, provided that calling witnesses would not jeopardize or threaten institutional security or individual safety, and further provided that the witnesses are available at the institution where the hearing is being conducted.

(i) The evidence to be presented must be material and relevant to the issue as to whether the inmate can and would function in a general prison population without being or posing a threat to staff or others or to the orderly operation of the institution. The Hearing

Administrator may not consider an attempt to reverse or repeal a prior finding of a disciplinary violation.

(ii) Repetitive witnesses need not be called. Staff who recommend placement in a control unit are not required to appear, provided their recommendation is fully explained in the record. Staff who were involved, in any capacity, in former disciplinary proceedings need not be called as to their involvement in those proceedings, since this hearing is not to go over the factual basis for prior actions which have been decided.

(iii) When a witness is not available within the institution, or not permitted to appear, the inmate may submit a written statement by that witness. The Hearing Administrator shall, upon the inmate's request, postpone any decision following the hearing for a reasonable time to permit the obtaining and forwarding of written statements.

(iv) The Hearing Administrator shall document in the record of the hearing the reasons for declining to permit a witness or to receive documentary evidence.

§ 541.44 Decision of the Hearing Administrator.

(a) At the conclusion of the hearing and following review of all material related to the recommendation for placement of an inmate in a control unit, the Hearing Administrator shall prepare a written decision as to whether this placement is warranted. The Hearing Administrator shall:

(1) Prepare a summary of the hearing and of all information presented upon which the decision is based; and

(2) Indicate the specific reasons for the decision, to include a description of the act, or series of acts, or evidence on which the decision is based.

(b) The Hearing Administrator shall advise the inmate in writing of the decision. The inmate shall receive the information described in paragraph (a) of this section unless it is determined that the release of this information could pose a threat to individual safety, or institutional security, in which case that limited information may be withheld. The Hearing Administrator shall advise the inmate that the deci-

sion will be submitted for review of the Executive Panel. The Hearing Administrator shall advise the inmate that, if the inmate so desires, the inmate may submit an appeal of the Hearing Administrator's decision to the Executive Panel. This appeal, with supporting documentation and reasons, must be filed within five working days of the inmate's receipt of the Hearing Administrator's decision.

(c) The Hearing Administrator shall send the decision, whether for or against placement in a control unit, and supporting documentation to the Executive Panel. Ordinarily this is done within 20 working days after conclusion of the hearing. Any reason for extension is to be documented.

§ 541.45 Executive Panel review and appeal.

The Executive Panel is composed of the Regional Director of the region where a control unit is located to which referral is being considered and the Assistant Director, Correctional Programs Division.

(a) The Executive Panel shall review the decision and supporting documentation of the Hearing Administrator and, if submitted, the information contained in an inmate's appeal. The Panel shall accept or reject the Hearing Administrator's decision within 30 working days of its receipt, unless for good cause there is reason for delay, which shall be documented in the record.

(b) The Executive Panel shall provide a copy of its decision to the Warden at the institution to which the inmate is to be transferred, to the inmate, to the referring Warden and region, and to the Hearing Administrator.

(c) An inmate may appeal a decision of the Executive Panel, through the Administrative Remedy Procedure, directly to the Office of General Counsel, Bureau of Prisons, within 30 calendar days of the inmate's receipt of the Executive Panel's decision.

§ 541.46 Programs and services.

The Warden shall provide the following services to a control unit inmate. These services must be provided unless compelling security or safety reasons dictate otherwise. These reasons will

be documented and signed by the Warden, indicating the Warden's review and approval.

(a) *Education.* The Warden shall assign a member of the education staff to the control unit on at least a part-time basis to assist in developing an educational program to fulfil each inmate's academic needs. The education staff member is ordinarily a member of the control unit team.

(b) *Work assignments.* Staff may assign inmates to a work assignment, such as range orderly. The manner in which these duties are carried out will reflect the inmate's unit adjustment, and will assist staff in evaluating the inmate.

(c) *Industries (UNICOR).* If an industry program exists in a control unit each inmate participating in this program may earn industrial pay, subject to the regulations of Federal Prison Industries, Inc. (UNICOR). The industry program is supervised by an industry foreman. The control unit team will determine when or if an industry assignment is appropriate for each inmate who submits a request for possible assignment to industries work.

(d) *Legal.* An inmate assigned to a control unit may use that unit's inmate basic law library, upon request and in rotation. Consistent with security considerations, the law library is to include basic legal reference books, and ordinarily a table and chair, typewriter, paper and carbon. Abuse of materials in the inmate law library (for example, a typewriter) may result in a decision by the Warden to limit the use of legal materials. A decision to limit materials due to abuse must be documented in writing and signed by the Warden.

(e) *Recreation.* The recreation program in a control unit shall include the following requirements:

(1) Each inmate shall have the opportunity to receive a minimum of seven hours weekly recreation and exercise out of the cell.

(2) Staff shall provide various games and exercise materials as consistent with security considerations and orderly operation of the unit. Inmates who alter or intentionally damage recreation equipment may be deprived

of the use of that equipment in the future.

(f) *Case management services.* The case manager is responsible for all areas of case management. This ordinarily includes preparation of the visiting list, notarizing documents, preparation of various reports, and other case management duties. The case manager is ordinarily a member of the control unit team.

(g) *Counselor services.* The unit counselor ordinarily handles phone call requests, special concerns and requests of inmates, and requests for administrative remedy forms. The unit counselor is also available for consultation and for counseling as recommended in the mental health evaluation (see paragraph (i) of this section—Mental Health Services).

(h) *Medical services.* A member of the medical staff shall visit control unit inmates daily. A physician will visit the unit as the need arises.

(i) *Mental health services.* During the first 30-day period in a control unit, staff shall schedule the control unit inmate for a psychological evaluation conducted by a psychologist. Additional individual evaluations shall occur every 30 days. The psychologist shall perform and/or supervise needed psychological services. Psychiatric services will be provided when necessary. Inmates requiring prescribed psychotropic medication are not ordinarily housed in a control unit.

(j) *Religion.* Staff shall issue religious materials upon request, limited by security consideration and housekeeping rules in the unit. This material may come from an inmate's personal property or from the chaplain's office. The institutional chaplains shall make at least weekly visits to the control unit. While individual prayer and/or worship is allowed in a control unit, religious assemblies or group meetings are not allowed.

(k) *Food service and personal hygiene.* Staff shall provide food services and personal hygiene care consistent with the requirements of the current rule regarding Special Housing Units.

(l) *Correspondence.* Inmates confined in a control unit are provided correspondence privileges in accordance

with the Bureau of Prisons' rule on Inmate Correspondence (see 28 CFR part 540).

(m) *Visiting.* Visits for inmates confined in a control unit are conducted in a controlled visiting area, separated from regular visiting facilities. Staff shall allot a minimum of four hours per month visiting time to a control unit inmate. The number of consecutive hours visiting on a particular day may be limited by the number of visitors waiting to visit. All visitors must be on the inmate's approved visiting list.

(n) *Commissary.* Staff shall establish a commissary purchase schedule. The amount of money which control unit inmates spend per month is comparable to the spending limitation for inmates residing in the general population. Staff may limit commissary items to ensure the safety and security of the unit.

(o) *Personal property.* Personal property retained by an inmate in a control unit is to be stored in the space provided. Personal property items shall be limited in number and type to ensure the safety and good order of the unit.

[49 FR 32991, Aug. 17, 1984, as amended at 60 FR 46484, Sept. 6, 1995]

§ 541.47 Admission to control unit.

Staff shall provide an inmate admitted to a control unit with:

(a) Notice of the projected duration of the inmate's confinement in a control unit;

(b) Notice of the type of personal property which is allowable in the unit (items made of glass or metal will not be permitted);

(c) A summary of the guidelines and disciplinary procedures applicable in the unit;

(d) An explanation of the activities in a control unit;

(e) The expectations of the inmate's involvement in control unit activities; and

(f) The criteria for release from the unit, and how those criteria specifically relate to this confinement period in the unit and any specific requirements in the inmate's individual case.

§ 541.48 Search of control unit inmates.

(a) The Warden at an institution housing a control unit may order a digital or simple instrument search for all new admissions to the control unit. The Warden may also order a digital or simple instrument search for any inmate who is returned to the control unit following contact with the public. Authorization for a digital or simple instrument search must be in writing, signed by the Warden, with a copy placed in the inmate central file. The Warden's authority may not be delegated below the level of Acting Warden.

(b) An inmate in a control unit may request in writing that an X-ray be taken in lieu of the digital search discussed in paragraph (a) of this section. The Warden shall approve this request, provided it is determined and stated in writing by the institution's Clinical Director or Acting Clinical Director (may not be further delegated) that the amount of X-ray exposure previously received by the inmate, or anticipated to be given the inmate in the immediate future, does not make the proposed X-ray medically unwise. Staff are to place documentation of the X-ray, and the inmate's signed request for it, in the inmate's central and medical files. The Warden's authority may not be delegated below the level of Acting Warden.

(c) Staff may not conduct a digital or simple instrument search if it is likely to result in physical injury to the inmate. In this situation, the Warden, upon approval of the Regional Director, may authorize the institution physician to order a non-repetitive X-ray for the purpose of determining if contraband is concealed in or on the inmate. The X-ray examination may not be performed if it is determined by the institution physician that such an examination is likely to result in serious or lasting medical injury or harm to the inmate. Staff are to place documentation of the X-ray examination in the inmate's central file and medical file. The authority of the Warden and Regional Director may not be delegated below the level of Acting Warden.

and Acting Regional Director respectively. If neither a digital or simple instrument search, nor an X-ray examination may be used, the inmate is to be placed in a dry cell until sufficient time has passed to allow excretion.

(d) Staff shall solicit the inmate's written consent prior to conducting a digital or simple instrument search, or, as specified in paragraph (c) of this section, an X-ray examination. However, the inmate's consent is not required.

[50 FR 25662, June 20, 1985, as amended at 60 FR 46484, Sept. 6, 1995]

§ 541.49 Review of control unit placement.

(a) Unit staff shall evaluate informally and daily an inmate's adjustment within the control unit. Once every 30 days, the control unit team, comprised of the control unit manager and other members designated by the Warden (ordinarily to include the officer-in-charge or lieutenant, case manager, and education staff member assigned to the unit), shall meet with an inmate in the control unit. The inmate is required to attend the team meeting in order to be eligible for the previous month's stay in the control unit to be credited towards the projected duration of confinement in that unit. The unit team shall make an assessment of the inmate's progress within the unit and may make a recommendation as to readiness for release after considering the inmate's:

- (1) Unit status;
- (2) Adjustment; and
- (3) Readiness for release from the unit. (See § 541.50(a))

(b) The Warden shall serve as the review authority at the institutional level for unit team actions.

(c) An inmate may appeal the Warden's decision to the Executive Panel within five working days of receipt of that decision. The inmate will receive a response to this appeal at the inmate's next appearance before the Executive Panel.

(d) At least once every 60 to 90 days, the Executive Panel shall review the status of an inmate in a control unit to determine the inmate's readiness for release from the Unit. The Executive Panel shall consider those factors specified in § 541.50(a), along with any rec-

ommendations by the unit team and Warden.

The decision of the Executive Panel is communicated to the inmate. Ordinarily, the inmate is interviewed in person at this review. If the inmate refuses to appear for this review, or if there is other reason for not having an in-person review, this will be documented.

(e) An inmate may appeal a decision of the Executive Panel, through the Administrative Remedy Procedure, directly to the Office of General Counsel, Bureau of Prisons within 30 calendar days from the date of the Executive Panel's response.

[49 FR 32991, Aug. 17, 1984, as amended at 60 FR 46484, Sept. 6, 1995]

§ 541.50 Release from a control unit.

(a) Only the Executive Panel may release an inmate from a control unit. The following factors are considered in the evaluation of an inmate's readiness for release from a control unit:

- (1) Relationship with other inmates and staff members, which demonstrates that the inmate is able to function in a less restrictive environment without posing a threat to others or to the orderly operation of the institution;
- (2) Involvement in work and recreational activities and assignments;
- (3) Adherence to institution guidelines and Bureau of Prisons rules and policy;
- (4) Personal grooming and cleanliness; and
- (5) Quarters sanitation.

(b) An inmate released from a control unit may be returned:

- (1) To the institution from which the inmate was originally transferred;
- (2) To another federal or non-federal institution; or
- (3) Into the general population of the institution which has a control unit.

Subpart E—Procedures for Handling of HIV Positive Inmates Who Pose Danger to Others

SOURCE: 54 FR 11323, Mar. 17, 1989, unless otherwise noted.

§ 541.60 Purpose and scope.

In an effort to maintain a safe and orderly environment within its institutions, the Bureau of Prisons may place in controlled housing status an inmate who tests HIV positive when there is reliable evidence that the inmate may engage in conduct posing a health risk to another person.

§ 541.61 Standard for placement in controlled housing status.

An inmate may be placed in a controlled housing status when there is reliable evidence causing staff to believe that the inmate engages in conduct posing a health risk to others. This evidence may be the inmate's behavior, or statements of the inmate, or other reliable evidence.

§ 541.62 Referral for placement.

(a) The Warden shall consider an inmate for controlled housing status when the inmate has been confirmed as testing HIV positive and when there is reliable evidence indicating that the inmate may engage in conduct posing a health risk to others. This evidence may come from the statements of the individual, repeated misconduct (including disciplinary actions), or other behavior suggesting that the inmate may engage in predatory or promiscuous sexual behavior, assaultive behavior where body fluids may be transmitted to another, or the sharing of needles.

(b) The Warden shall submit a recommendation for referral of an inmate for placement in a controlled housing status to the Regional Director in the region where the inmate is located.

(c) Based on the perceived health risk to others posed by the inmate's threatened or actual actions, the Warden may, with the telephonic approval of the Regional Director, temporarily (not to exceed 20 work days) place an inmate in a special housing status (e.g., administrative detention, or a secure health service unit room) pending the inmate's appearance before the Hearing Administrator. Reasons for this placement, and the approval of the Regional Director, shall be documented in the inmate central file. The inmate should be seen daily by case management and medical staff while in this

temporary status, and a psychological or psychiatric assessment report should be prepared during this temporary placement period.

[54 FR 11323, Mar. 17, 1989, as amended at 56 FR 31530, July 10, 1991]

§ 541.63 Hearing procedure.

(a) The Regional Director in the region where the inmate is located shall review the institution's recommendation for referral of an inmate for controlled housing status. If the Regional Director concurs with the recommendation, the Regional Director shall designate a person in the Regional Office or a person at department head level or above in the institution to conduct a hearing on the appropriateness of an inmate's placement in controlled housing status. This Hearing Administrator shall have correctional experience, no former personal involvement in the instant situation, and a knowledge of the type of behavior that poses a health risk to others, and of the options available for dealing with an inmate who poses such a health risk to others.

(b) The Hearing Administrator shall provide a hearing to an inmate recommended for controlled housing status. The hearing ordinarily shall take place at the institution housing the inmate.

(c) The hearing shall proceed as follows:

(1) Staff shall provide an inmate with an advance written notice of the hearing and a copy of this rule at least 24 hours prior to the hearing. The notice will advise the inmate of the specific act(s) or other evidence which forms the basis for a recommendation that the inmate be placed in a controlled housing status, unless such evidence would likely endanger staff or others. If an inmate is illiterate, staff shall explain the notice and this rule to the inmate and document that this explanation has occurred.

(2) The Hearing Administrator shall upon request of the inmate provide an inmate the service of a full-time staff member to represent the inmate. The Hearing Administrator shall document in the record of the hearing an inmate's request for, or refusal of staff representation. The inmate may select

a staff representative from the local institution. If the selected staff member declines for good reason or is unavailable, the inmate has the option of selecting another representative or, in the case of an absent staff member, of waiting a reasonable period (determined by the Hearing Administrator) for the staff member's return, or of proceeding without a staff representative. When an inmate is illiterate, the Warden shall provide a staff representative. The staff representative shall be available to assist the inmate and, if the inmate desires, shall contact witnesses and present favorable evidence at the hearing. The Hearing Administrator shall afford the staff representative adequate time to speak with the inmate and to interview available witnesses.

(3) The inmate has the right to be present throughout the hearing, except where institutional security or good order is jeopardized. The Hearing Administrator may conduct a hearing in the absence of the inmate when the inmate refuses to appear. The Hearing Administrator shall document an inmate's refusal to appear, or other reason for nonappearance, in the record of the hearing.

(4) The inmate is entitled to present documentary evidence and to have witnesses appear, provided that calling witnesses would not jeopardize or threaten institutional security or individual safety, and further provided that the witnesses are available at the institution where the hearing is being conducted.

(i) The evidence to be presented must be material and relevant to the issue as to whether the inmate can and would pose a health risk to others, if allowed to remain in general prison population. This evidence may come from the statements of the individual, repeated misconduct (including disciplinary actions), or other behavior suggesting that the inmate may engage in predatory or promiscuous sexual behavior, assaultive behavior where body fluids may be transmitted to others, or the sharing of needles.

(ii) Repetitive witnesses need not be called. Staff who recommend placement in a controlled housing status are not required to appear, provided their

recommendation is fully explained in the record.

(iii) When a witness is not available within the institution, or not permitted to appear, the inmate may submit a written statement by that witness. The Hearing Administrator shall, upon the inmate's request, postpone any decision following the hearing for a reasonable time to permit the obtaining and forwarding of written statements.

(iv) The Hearing Administrator shall document in the record of the hearing the reasons for declining to hear a witness or to receive documentary evidence.

[54 FR 11323, Mar. 17, 1989, as amended at 63 FR 5218, Jan. 30, 1998]

§ 541.64 Decision of the Hearing Administrator.

(a) At the conclusion of the hearing and following review of all material related to the recommendation for placement of an inmate in a controlled housing status, the Hearing Administrator shall prepare a written decision as to whether this placement is warranted. The Hearing Administrator shall:

(1) Prepare a summary of the hearing and of all information presented upon which the decision is based; and

(2) Indicate the specific reasons for the decision, to include a description of the act, or series of acts, or other reliable evidence on which the decision is based, along with evidence of the inmate's HIV positive status.

(b) The Hearing Administrator shall advise the inmate in writing of the decision. The inmate shall receive the information described in paragraph (a) of this section unless it is determined that the release of this information could pose a threat to individual safety, or institutional security, in which case that limited information may be withheld. The Hearing Administrator shall advise the inmate that the decision will be submitted for review of the Regional Director in the region where the inmate is located. The Hearing Administrator shall advise the inmate that, if the inmate so desires, the inmate may submit an appeal of the Hearing Administrator's decision to the Regional Director. This appeal,

with supporting documentation and reasons, must be filed within five working days of the inmate's receipt of the Hearing Administrator's decision.

(c) The Hearing Administrator may order the continuation of the inmate in special housing pending review by the Regional Director. The Hearing Administrator should state the reasons for this order in the record of the Hearing.

(d) The Hearing Administrator shall send the decision, whether for or against placement in a controlled housing status, and supporting documentation to the Regional Director. Ordinarily, this is done within 20 working days after conclusion of the hearing. Any reason for extension is to be documented.

§ 541.65 Regional Director review and appeal.

(a) The Regional Director shall review the decision and supporting documentation of the Hearing Administrator and, if submitted, the information contained in an inmate's appeal. The Regional Director shall accept or reject the Hearing Administrator's decision within 30 working days of its receipt, unless for good cause there is reason for delay, which shall be documented in the record. The authority of the Regional Director may not be delegated below the level of acting Regional Director.

(b) The Regional Director shall provide a copy of his decision to the Warden at the institution housing the inmate, to the inmate, and to the Hearing Administrator.

(c) An inmate may appeal a decision of the Regional Director, through the Administrative Remedy Program, directly to the National Inmate Appeals Administrator, Office of General Counsel, within 30 calendar days of the Regional Director's decision (see 28 CFR 542.15).

[54 FR 11323, Mar. 17, 1989, as amended at 63 FR 5218, Jan. 30, 1998]

§ 541.66 Programs and services.

To the extent consistent with available resources and the security needs of the institution, an inmate in controlled housing status is to be considered for activities and privileges afforded to the general population. This

includes, but is not limited to, providing an inmate with the opportunity for participation in an education program, library services, counseling, and religious guidance, as well as access to case management, medical and mental health assistance, and legal services, including access to the institution's law libraries. An inmate in controlled housing status should be afforded at least five hours weekly recreation and exercise out of the cell. The recreation shall be by himself or under close supervision. Unless there are compelling reasons to the contrary, institutions shall provide commissary privileges and reasonable amounts of personal property. The Warden may restrict for reasons of security, fire safety, or housekeeping the amount of personal property that an inmate may retain while in controlled housing status. An inmate shall be permitted to have a radio, provided it is equipped with ear plugs. Visits shall be carefully monitored.

§ 541.67 Review of controlled housing status.

(a) Staff designated by the Warden shall evaluate regularly an inmate's adjustment while in controlled housing status. A medical staff member shall see the inmate daily, and regularly record medical and behavioral impressions. Once every 90 days, staff, comprised of a correctional and case management supervisor, and a member of the medical staff, shall meet with the inmate. The inmate is required to attend this meeting in order to be considered for release to the general population. Any refusal by the inmate to attend this meeting will be documented. Staff, at this meeting, shall make an assessment of the inmate's adjustment while in controlled housing and the likely health threat the inmate poses to others by his actions.

(b) The Warden shall serve as the review authority at the institutional level, and shall make a recommendation to the Regional Director when he believes the inmate should be considered for release from controlled housing.

(c) An inmate may appeal a Warden's decision not to recommend release

Bureau of Prisons, Justice

§ 542.11

from controlled housing to the Regional Director within five working days of receipt of that decision.

(d) Upon recommendation of the Warden, or upon appeal from the inmate, the Regional Director may decide whether or not to release the inmate to general population from controlled housing status.

(e) An inmate may appeal a decision of the Regional Director, through the Administrative Remedy Program, directly to the National Inmate Appeals Administrator, Office of General Counsel, within 30 calendar days of the Regional Director's decision (see 28 CFR 542.15).

[54 FR 11323, Mar. 17, 1989; 54 FR 18198, Apr. 27, 1989, as amended at 63 FR 5218, Jan. 30, 1998]

§ 541.68 Release from controlled housing status.

(a) Only the Regional Director may release an inmate from controlled housing status. The following factors are considered in the evaluation of an inmate's readiness for return to the general population:

(1) Relationship with other inmates and staff members, which demonstrate that the inmate is able to function in a less restrictive environment without posing a health threat to others or to the orderly operation of the institution;

(2) Involvement in work and recreational activities and assignments or other programs; and

(3) Adherence to institution guidelines and Bureau of Prisons rules and policy.

(b) An inmate released from a controlled housing status may be returned to the general population of that institution, or to another federal or non-federal institution.

Subpart A [Reserved]

Subpart B—Administrative Remedy Program

§ 542.10 Purpose and scope.

The Administrative Remedy Program is a process through which inmates may seek formal review of an issue which relates to any aspect of their confinement, except as excluded in § 542.12, if less formal procedures have not resolved the matter. This Program applies to all inmates confined in institutions operated by the Bureau of Prisons, to inmates designated to contract Community Corrections Centers (CCCs) under Bureau of Prisons' responsibility, and to former inmates for issues that arose during their confinement, but does not apply to inmates confined in other non-federal facilities.

§ 542.11 Responsibility.

(a) The Community Corrections Manager (CCM), Warden, Regional Director, and General Counsel are responsible for the implementation and operation of the Administrative Remedy Program at the Community Corrections Center (CCC), institution, regional and Central Office levels, respectively, and shall:

(1) Establish procedures for receiving, recording, reviewing, investigating, and responding to Administrative Remedy Requests (Requests) or Appeals (Appeals) submitted by an inmate;

(2) Acknowledge receipt of a Request or Appeal by returning a receipt to the inmate;

(3) Conduct an investigation into each Request or Appeal;

§ 542.12

(4) Respond to and sign all Requests or Appeals filed at their levels. At the regional level, signatory authority may be delegated to the Deputy Regional Director. At the Central Office level, signatory authority may be delegated to the National Inmate Appeals Administrator. Signatory authority extends to staff designated as acting in the capacities specified in this § 542.11, but may not be further delegated without the written approval of the General Counsel.

(b) Inmates have the responsibility to use this Program in good faith and in an honest and straightforward manner.

§ 542.12 Excluded matters.

(a) An inmate may not use this Program to submit a Request or Appeal on behalf of another inmate. This program is intended to address concerns that are personal to the inmate making the Request or Appeal, but shall not prevent an inmate from obtaining assistance in preparing a Request or Appeal, as provided in § 542.16 of this part.

(b) Requests or Appeals will not be accepted under the Administrative Remedy Program for claims for which other administrative procedures have been established, including tort claims, Inmate Accident Compensation claims, and Freedom of Information or Privacy Act requests. Staff shall inform the inmate in writing of the appropriate administrative procedure if the Request or Appeal is not acceptable under the Administrative Remedy Program.

§ 542.13 Informal resolution.

(a) *Informal resolution.* Except as provided in § 542.13(b), an inmate shall first present an issue of concern informally to staff, and staff shall attempt to informally resolve the issue before an inmate submits a Request for Administrative Remedy. Each Warden shall establish procedures to allow for the informal resolution of inmate complaints.

(b) *Exceptions.* Inmates in CCCs are not required to attempt informal resolution. An informal resolution attempt is not required prior to submission to the Regional or Central Office as provided for in § 542.14(d) of this part. An informal resolution attempt may be waived in individual cases at the War-

28 CFR Ch. V (7-1-98 Edition)

den or institution Administrative Remedy Coordinator's discretion when the inmate demonstrates an acceptable reason for bypassing informal resolution.

§ 542.14 Initial filing.

(a) *Submission.* The deadline for completion of informal resolution and submission of a formal written Administrative Remedy Request, on the appropriate form (BP-9), is 20 calendar days following the date on which the basis for the Request occurred.

(b) *Extension.* Where the inmate demonstrates a valid reason for delay, an extension in filing time may be allowed. In general, valid reason for delay means a situation which prevented the inmate from submitting the request within the established time frame. Valid reasons for delay include the following; an extended period in-transit during which the inmate was separated from documents needed to prepare the Request or Appeal; an extended period of time during which the inmate was physically incapable of preparing a Request or Appeal; an unusually long period taken for informal resolution attempts; indication by an inmate, verified by staff, that a response to the inmate's request for copies of dispositions requested under § 542.19 of this part was delayed.

(c) *Form.* (1) The inmate shall obtain the appropriate form from CCC staff or institution staff (ordinarily, the correctional counselor).

(2) The inmate shall place a single complaint or a reasonable number of closely related issues on the form. If the inmate includes on a single form multiple unrelated issues, the submission shall be rejected and returned without response, and the inmate shall be advised to use a separate form for each unrelated issue. For DHO and UDC appeals, each separate incident report number must be appealed on a separate form.

(3) The inmate shall complete the form with all requested identifying information and shall state the complaint in the space provided on the form. If more space is needed, the inmate may use up to one letter-size (8½" by 11") continuation page. The inmate must provide an additional copy

of any continuation page. The inmate must submit one copy of supporting exhibits. Exhibits will not be returned with the response. Because copies of exhibits must be filed for any appeal (see § 542.15(b)(3)), the inmate is encouraged to retain a copy of all exhibits for his or her personal records.

(4) The inmate shall date and sign the Request and submit it to the institution staff member designated to receive such Requests (ordinarily a correctional counselor). CCC inmates may mail their Requests to the CCM.

(d) *Exceptions to initial filing at institution*—(1) *Sensitive issues.* If the inmate reasonably believes the issue is sensitive and the inmate's safety or well-being would be placed in danger if the Request became known at the institution, the inmate may submit the Request directly to the appropriate Regional Director. The inmate shall clearly mark "Sensitive" upon the Request and explain, in writing, the reason for not submitting the Request at the institution. If the Regional Administrative Remedy Coordinator agrees that the Request is sensitive, the Request shall be accepted. Otherwise, the Request will not be accepted, and the inmate shall be advised in writing of that determination, without a return of the Request. The inmate may pursue the matter by submitting an Administrative Remedy Request locally to the Warden. The Warden shall allow a reasonable extension of time for such a re-submission.

(2) *DHO appeals.* DHO appeals shall be submitted initially to the Regional Director for the region where the inmate is currently located.

(3) *Control Unit appeals.* Appeals related to Executive Panel Reviews of Control Unit placement shall be submitted directly to the General Counsel.

(4) *Controlled housing status appeals.* Appeals related to the Regional Director's review of controlled housing status placement may be filed directly with the General Counsel.

§ 542.15 Appeals.

(a) *Submission.* An inmate who is not satisfied with the Warden's response may submit an Appeal on the appropriate form (BP-10) to the appropriate Regional Director within 20 calendar

days of the date the Warden signed the response. An inmate who is not satisfied with the Regional Director's response may submit an Appeal on the appropriate form (BP-11) to the General Counsel within 30 calendar days of the date the Regional Director signed the response. When the inmate demonstrates a valid reason for delay, these time limits may be extended. Valid reasons for delay include those situations described in § 542.14(b) of this part. Appeal to the General Counsel is the final administrative appeal.

(b) *Form.* (1) Appeals to the Regional Director shall be submitted on the form designed for regional Appeals (BP-10) and accompanied by one complete copy or duplicate original of the institution Request and response. Appeals to the General Counsel shall be submitted on the form designed for Central Office Appeals (BP-11) and accompanied by one complete copy or duplicate original of the institution and regional filings and their responses. Appeals shall state specifically the reason for appeal.

(2) An inmate may not raise in an Appeal issues not raised in the lower level filings. An inmate may not combine Appeals of separate lower level responses (different case numbers) into a single Appeal.

(3) An inmate shall complete the appropriate form with all requested identifying information and shall state the reasons for the Appeal in the space provided on the form. If more space is needed, the inmate may use up to one letter-size (8½" x 11") continuation page. The inmate shall provide two additional copies of any continuation page and exhibits with the regional Appeal, and three additional copies with an Appeal to the Central Office (the inmate is also to provide copies of exhibits used at the prior level(s) of appeal). The inmate shall date and sign the Appeal and mail it to the appropriate Regional Director, if a Regional Appeal, or to the National Inmate Appeals Administrator, Office of General Counsel, if a Central Office Appeal (see 28 CFR part 503 for addresses of the Central Office and Regional Offices).

§ 542.16 Assistance.

(a) An inmate may obtain assistance from another inmate or from institution staff in preparing a Request or an Appeal. An inmate may also obtain assistance from outside sources, such as family members or attorneys. However, no person may submit a Request or Appeal on the inmate's behalf, and obtaining assistance will not be considered a valid reason for exceeding a time limit for submission unless the delay was caused by staff.

(b) Wardens shall ensure that assistance is available for inmates who are illiterate, disabled, or who are not functionally literate in English. Such assistance includes provision of reasonable accommodation in order for an inmate with a disability to prepare and process a Request or an Appeal.

§ 542.17 Resubmission.

(a) *Rejections.* The Coordinator at any level (CCM, institution, region, Central Office) may reject and return to the inmate without response a Request or an Appeal that is written by an inmate in a manner that is obscene or abusive, or does not meet any other requirement of this part.

(b) *Notice.* When a submission is rejected, the inmate shall be provided a written notice, signed by the Administrative Remedy Coordinator, explaining the reason for rejection. If the defect on which the rejection is based is correctable, the notice shall inform the inmate of a reasonable time extension within which to correct the defect and resubmit the Request or Appeal.

(c) *Appeal of rejections.* When a Request or Appeal is rejected and the inmate is not given an opportunity to correct the defect and resubmit, the inmate may appeal the rejection, including a rejection on the basis of an exception as described in § 542.14(d), to the next appeal level. The Coordinator at that level may affirm the rejection, may direct that the submission be accepted at the lower level (either upon the inmate's resubmission or direct return to that lower level), or may accept the submission for filing. The inmate shall be informed of the decision by delivery of either a receipt or rejection notice.

§ 542.18 Response time.

If accepted, a Request or Appeal is considered filed on the date it is logged into the Administrative Remedy Index as received. Once filed, response shall be made by the Warden or CCM within 20 calendar days; by the Regional Director within 30 calendar days; and by the General Counsel within 40 calendar days. If the Request is determined to be of an emergency nature which threatens the inmate's immediate health or welfare, the Warden shall respond not later than the third calendar day after filing. If the time period for response to a Request or Appeal is insufficient to make an appropriate decision, the time for response may be extended once by 20 days at the institution level, 30 days at the regional level, or 20 days at the Central Office level. Staff shall inform the inmate of this extension in writing. Staff shall respond in writing to all filed Requests or Appeals. If the inmate does not receive a response within the time allotted for reply, including extension, the inmate may consider the absence of a response to be a denial at that level.

§ 542.19 Access to indexes and responses.

Inmates and members of the public may request access to Administrative Remedy indexes and responses, for which inmate names and Register Numbers have been removed, as indicated below. Each institution shall make available its index, and the indexes of its regional office and the Central Office. Each regional office shall make available its index, the indexes of all institutions in its region, and the index of the Central Office. The Central Office shall make available its index and the indexes of all institutions and regional offices. Responses may be requested from the location where they are maintained and must be identified by Remedy ID number as indicated on an index. Copies of indexes or responses may be inspected during regular office hours at the locations indicated above, or may be purchased in accordance with the regular fees established for copies furnished under the Freedom of Information Act (FOIA).

Subpart A [Reserved]**Subpart B—Inmate Legal Activities**

SOURCE: 44 FR 38263, June 29, 1979, unless otherwise noted.

§ 543.10 Purpose and scope.

The Bureau of Prisons affords an inmate reasonable access to legal materials and counsel, and reasonable opportunity to prepare legal documents. The Warden shall establish an inmate law library, and procedures for access to legal reference materials and to legal counsel, and for preparation of legal documents.

[46 FR 59509, Dec. 4, 1981]

§ 543.11 Legal research and preparation of legal documents.

(a) The Warden shall make materials in the inmate law library available whenever practical, including evening and weekend hours. The Warden shall allow an inmate a reasonable amount of time, ordinarily during the inmate's leisure time (that is, when the inmate is not participating in a scheduled pro-

gram or work assignment), to do legal research and to prepare legal documents. Where practical, the Warden shall allow preparation of documents in living quarters during an inmate's leisure time.

(b) The Warden shall periodically ensure that materials in each inmate law library are kept intact and that lost or damaged materials are replaced.

(c) Staff shall advise an inmate of rules and local procedures governing use of the inmate law library. Unauthorized possession of library materials by an inmate constitutes a prohibited act, generally warranting disciplinary action (see part 541 of this chapter).

(d) An inmate's legal materials include but are not limited to the inmate's pleadings and documents (such as a presentence report) that have been filed in court or with another judicial or administrative body, drafts of pleadings to be submitted by the inmate to a court or with other judicial or administrative body which contain the inmate's name and/or case caption prominently displayed on the first page, documents pertaining to an inmate's administrative case, photocopies of legal reference materials, and legal reference materials which are not available in the institution main law library (or basic law library in a satellite camp).

(1) An inmate may solicit or purchase legal materials from outside the institution. The inmate may receive the legal materials in accordance with the provisions on incoming publications or correspondence (see 28 CFR part 540, subparts B and F) or through an authorized attorney visit from a retained attorney. The legal materials are subject to inspection and may be read or copied unless they are received through an authorized attorney visit from a retained attorney or are properly sent as special mail (for example, mail from a court or from an attorney), in which case they may be inspected for contraband or for the purpose of verifying that the mail qualifies as special mail.

(2) Staff may allow an inmate to possess those legal materials which are necessary for the inmate's own legal actions. Staff may also allow an inmate to possess the legal materials of

another inmate subject to the limitations of paragraph (f)(2) of this section. The Warden may limit the amount of legal materials an inmate may accumulate for security or housekeeping reasons.

(e) An inmate is responsible for submitting his documents to court. Institution staff who are authorized to administer oaths shall be available to provide necessary witnessing of these documents, as requested by inmates and at times scheduled by staff.

(f)(1) Except as provided for in paragraph (f)(4) of this section, an inmate may assist another inmate in the same institution during his or her leisure time (as defined in paragraph (a) of this section) with legal research and the preparation of legal documents for submission to a court or other judicial body.

(2) Except as provided for in paragraph (f)(4) of this section, an inmate may possess another inmate's legal materials while assisting the other inmate in the institution's main law library and in another location if the Warden so designates.

(i) The assisting inmate may not remove another inmate's legal materials, including copies of the legal materials, from the law library or other designated location. An assisting inmate is permitted to make handwritten notes and to remove those notes from the library or other designated location if the notes do not contain a case caption or document title or the name(s) of any inmate(s). The assisting inmate may also develop and possess handwritten drafts of pleadings, so long as the draft pleadings do not contain a case caption or document title or the name(s) of any inmate(s). These notes and drafts are not considered to be the assisting inmate's legal property, and when the assisting inmate has these documents outside the law library or other designated location, they are subject to the property limitations in § 553.11(a) of this chapter.

(ii) Although the inmate being assisted need not remain present in the law library or other designated location while the assistance is being rendered, that inmate is responsible for providing and retrieving his or her legal materials from the library or

other designated location. Ordinarily, the inmate must provide and retrieve his or her legal materials during his or her leisure time. An inmate with an imminent court deadline may request a brief absence from a scheduled program or work assignment in order to provide or retrieve legal materials from an assisting inmate.

(3) The Warden may give special consideration to the legal needs of inmates in mental health seclusion status in federal medical centers or to inmates in controlled housing.

(4) The Warden at any institution may impose limitations on an inmate's assistance to another inmate in the interest of institution security, good order, or discipline.

(g) The institution staff shall, upon an inmate's request and at times scheduled by staff, duplicate legal documents if the inmate demonstrates that more than one copy must be submitted to court and that the duplication cannot be accomplished by use of carbon paper. The inmate shall bear the cost, and the duplication shall be done so as not to interfere with regular institution operations. Staff may waive the cost if the inmate is without funds or if the material to be duplicated is minimal, and the inmate's requests for duplication are not large or excessive.

(h) Unless clearly impractical, the Warden shall allow an inmate preparing legal documents to use a typewriter, or, if the inmate cannot type, to have another inmate type his documents. The Warden may allow the inmate to hire a public stenographer to type documents outside the institution, but the institution may not assume the expense of hiring the public stenographer. Staff shall advise the inmate of any delay in the typing of which they have received notice from the stenographer.

(i) The Warden shall give special time allowance for research and preparation of documents to an inmate who demonstrates a requirement to meet an imminent court deadline. Otherwise, each inmate shall continue his regular institutional activities without undue disruption by legal activities.

(j) With consideration of the needs of other inmates and the availability of staff and other resources, the Warden

shall provide an inmate confined in disciplinary segregation or administrative detention a means of access to legal materials, along with an opportunity to prepare legal documents. The Warden shall allow an inmate in segregation or detention a reasonable amount of personal legal materials. In no case shall the amount of personal legal materials be such as to pose a fire, sanitation, security, or housekeeping hazard.

[44 FR 38263, June 29, 1979, as amended at 62 FR 4893, Jan. 31, 1997]

§ 543.12 Retention of attorneys.

(a) The Warden shall allow an inmate to contact and retain attorneys. With the written consent of the inmate, staff may advise an attorney of the inmate's available funds. Staff may not interfere with selection and retention of attorneys if the inmate has attained majority and is mentally competent. If the inmate is a mental incompetent or a minor, the Warden shall refer to the inmate's guardian or to the appropriate court all matters concerning the retention and payment of attorneys.

(b) The Bureau of Prisons may not act as guarantor or collector of fees. As to correspondence with attorneys and telephone calls to attorneys, see part 540 of this chapter.

§ 543.13 Visits by attorneys.

(a) The Warden shall, under the conditions of this section, permit visits by the retained, appointed, or prospective attorney of an inmate or by an attorney who wishes to interview an inmate as a witness.

(b) The Warden generally may not limit the frequency of attorney visits since the number of visits necessary is dependent upon the nature and urgency of the legal problems involved. The Warden shall set the time and place for visits, which ordinarily take place during regular visiting hours. Attorney visits shall take place in a private conference room, if available, or in a regular visiting room in an area and at a time designed to allow a degree of privacy. The Warden may make exceptions according to local conditions or for an emergency situation demonstrated by the inmate or visiting attorney.

(c) The attorney shall make an advance appointment for the visit through the Warden prior to each visit; however, the Warden shall make every effort to arrange for a visit when prior notification is not practical.

(d) The Warden may require an attorney to indicate where he is licensed as an attorney and how that fact may be verified. Prior to each appointment or visit, the Warden shall require each attorney to identify himself and to confirm that he wishes to visit an inmate who has requested his visit or whom he represents or whom he wishes to interview as a witness. The Warden may not ask the attorney to state the subject matter of the law suit or interview. If there is any question about the identity of the visitor or his qualification as an attorney in good standing, the Warden shall refer the matter to the Regional Counsel.

(e) Staff may not subject visits between an attorney and an inmate to auditory supervision. The Warden may permit tape recordings to be used by an attorney during the course of a visit only if the attorney states in writing in advance of the interview that the sole purpose of the recording is to facilitate the attorney-client or attorney-witness relationship.

(f) The Warden may, at any time, subject an attorney to a search of his person and belongings for the purpose of ascertaining if contraband is present, as a condition of visiting an inmate.

§ 543.14 Limitation or denial of attorney visits and correspondence.

(a) An act by an attorney which violates Bureau regulations or institution guidelines and which threatens the security, good order, or discipline of the institution is grounds for limitation or denial by the Warden of the attorney's privileged visitation and correspondence rights. Acts by an attorney which may warrant such limitation or denial include, for example the following:

(1) A false statement as to the attorney's identity or qualifications;

(2) A plan, attempt, or act to introduce contraband into the institution;

(3) A conspiracy to commit, an attempt to commit, or the actual commission of an act of violence within an institution; and

(4) Encouraging an inmate to violate the law, Bureau of Prisons rules, or local implementing guidelines.

(b) Unless the breach of regulations is extreme or repeated, limitation rather than a denial of visitation or correspondence rights is proper, especially where the inmate is represented by the attorney and is confronted with a court deadline. For example, the Warden may subject an attorney to a search of his person and belongings or may permit the attorney only non-privileged correspondence. The Warden shall also consider referral of the matter to the state agency regulating the attorney's professional conduct.

(c) An act by an inmate in violation of Bureau regulations or institution guidelines warrants a limitation by the Warden of the inmate's correspondence or visiting rights with attorneys only if necessary to protect institution security, good order, or discipline. The Warden may not deny correspondence or visiting rights with attorneys generally.

(d) The attorney may appeal any limitation or denial by the Warden of attorney visits or correspondence rights to the Regional Director. The inmate affected may appeal through the Administrative Remedy Procedures.

§ 543.15 Legal aid program.

(a) A legal aid program which is funded or approved by the Bureau is expected to provide a broad range of legal assistance to inmates. Staff shall allow these programs generally to operate with the same independence as privately retained attorneys. The Warden shall refer a request or decision to terminate or restrict a program, or individual participants in a program, to the Regional Counsel.

(b) In order to promote the inmate-program relationship, the Warden shall give those students or legal assistants working in legal aid programs the same status as attorneys with respect to visiting and correspondence except where specific exceptions are made in this section and in part 540 of this chapter.

(c) An attorney or law school professor shall supervise students and legal assistants participating in the program. The supervisor shall provide the Warden with a signed statement accepting professional responsibility for acts of each student or legal assistant affecting the institution. The Warden may require each student or legal assistant to complete and sign a personal history statement and a pledge to abide by Bureau regulations and institution guidelines. If necessary to maintain security or good order in the institution, the Warden may prohibit a student or legal assistant from visiting or corresponding with an inmate.

§ 543.16 Other paralegals, clerks, and legal assistants.

(a) The Bureau of Prisons recognizes the use of assistants by attorneys to perform legal tasks and, with proper controls and exceptions enumerated in this section and in part 540 of this chapter, accords such assistants the same status as attorneys with respect to visiting and correspondence.

(b) The attorney who employs an assistant and who wishes the assistant to visit or correspond with an inmate on legal matters shall provide the Warden with a signed statement including:

(1) Certification of the assistant's ability to perform in this role and awareness of the responsibility of this position;

(2) A pledge to supervise the assistant's activities; and

(3) Acceptance of personal and professional responsibility for all acts of the assistant which may affect the institution, its inmates, and staff. The Warden may require each assistant to fill out and sign a personal history statement and a pledge to abide by Bureau regulations and institution guidelines. If necessary to maintain security or good order in the institution, the Warden may prohibit a legal assistant from visiting or corresponding with an inmate.

Subpart C—Claims Under the Federal Tort Claims Act

SOURCE: 57 FR 62460, Dec. 30, 1992, unless otherwise noted.

§ 543.30 Purpose and scope.

The Bureau of Prisons shall consider administrative claims asserted under the Federal Tort Claims Act in accordance with the provisions of 28 CFR part 14. The Director of the Bureau of Prisons is delegated authority by 28 CFR 0.96 and 0.172 to consider, adjust, determine, compromise, settle, and pay federal tort claims if the amount of a proposed adjustment, compromise, settlement, or award does not exceed the amount specified in 28 CFR 0.172. Pursuant to 28 CFR 0.97, this authority is redelegated to the General Counsel and to Regional Counsel in accordance with the provisions of this subpart.

§ 543.31 Procedures.

(a) Staff shall provide the necessary forms to an individual who wishes to file a claim.

(b) Claims are to be submitted first to the Regional Office in the region where the basis for the claim occurred (see 28 CFR part 503 for the addresses of Regional Offices).

(c) Claims are ordinarily referred by the Regional Office to the appropriate institution for investigation. The Warden shall designate a staff member to investigate and prepare a report on the claim. The report, with the Warden's recommendations, shall be forwarded to Regional Counsel.

(d) The Regional Counsel shall consider the merits of the tort claim. The Regional Counsel may deny the claim, propose to the claimant a settlement (up to an amount established by the director, Bureau of Prisons), or forward the claim with recommendations to the Office of General Counsel, Central Office.

(e) The General Counsel shall consider the merits of a tort claim not denied or settled by Regional Counsel, and may deny the claim, propose a settlement to the claimant (up to an amount established by the Director, Bureau of Prisons), or otherwise dispose of the claim.

(f) The denial of a claim constitutes a final administrative action. Either the Regional Counsel or General Counsel may deny any claim filed under the Federal Tort Claims Act, regardless of the amount.

(g) Staff shall attempt to make a claim determination within six months from the date of filing. If a final disposition is not made within the six-month period, the claimant may assume that the claim is denied. An individual whose claim is denied may elect to institute a suit upon denial of that claim.

§ 543.32 Appreciation and depreciation.

Staff may take appreciation or depreciation into account in settling a claim filed under the Federal Tort Claims Act involving loss of or damage to personal property.

Subparts A-B [Reserved]

Subpart C—Postsecondary Education Programs for Inmates

SOURCE: 62 FR 25100, May 7, 1997, unless otherwise noted.

§ 544.20 Purpose and scope.

The Bureau of Prisons offers interested inmates the opportunity to participate in postsecondary education programs whenever staff recommends such enrollment to meet a correctional goal.

§ 544.21 Definition.

The term *postsecondary education programs* as defined in this subpart shall include courses of study, including correspondence courses, provided by junior or community colleges, four-year colleges and universities, and postsecondary vocational or technical schools.

§ 544.22 Enrollment requirements.

Inmates ordinarily shall be required to have a verified high school diploma or General Educational Development (GED) certificate prior to enrollment in a college-level (degree) program.

§ 544.23 Procedures.

(a) The Warden or designee shall appoint a postsecondary education coordinator (ordinarily an education staff member) who shall have the responsibility for coordinating the institution's postsecondary education program.

(b) An inmate who wishes to participate in a postsecondary education program must meet with his or her unit team to determine if such participation meets an appropriate correctional program goal.

(c) If unit team staff agree that the inmate's participation meets an appropriate correctional goal, the inmate may apply through the postsecondary education coordinator.

(d) The inmate is expected to pay the tuition from personal funds or other sources. If resources allow, the institution may pay the tuition if all of the following apply:

- (1) The inmate is unable to pay for the tuition from personal funds or other sources;
- (2) The course is directly related to preparation for a specific occupation/vocation;
- (3) The course is part of a one year certificate or a two year Associate Arts degree program.

Subpart D—Inmate Recreation Programs

SOURCE: 58 FR 65850, Dec. 16, 1993, unless otherwise noted.

§ 544.30 Purpose and scope.

The Bureau of Prisons encourages inmates to make constructive use of leisure time and offers movies, games, sports, social activities, arts and hobbies, wellness and other group and individual activities.

§ 544.31 Definitions.

(a) *Leisure activities* are a wide range of activities in which inmates may participate when not performing assigned duties. Leisure activities include participation in organized and informal games, sports, physical fitness, table games, hobbycrafts, music programs, intramural activities, social and cultural organizations, movies, and stage shows. Religious activities, psychological services, and education classes are not included within this definition, except when they are used specifically to encourage knowledge, skills, and attitudes related to leisure activity involvement.

(b) *Organized activities* are those activities accounted for by registration or roster of individual participants, and occur at a scheduled time and place.

(c) *Art work* includes all paintings and sketches rendered in any of the usual media (oils, pastels, crayons, pencils, inks, and charcoal).

(d) *Hobbycraft activities* include ceramics, leatherwork, models, clay, mosaics, crochet, knitting, sculptures, woodworking, lapidary, and other forms consistent with institution guidelines.

(e) *Inmate wellness program activities* include screening, assessments, goal setting, fitness/nutrition prescriptions and counseling.

§ 544.32 Goals.

The Warden is to ensure, to the extent possible, that leisure activities are provided to meet social, physical, psychological, and overall wellness needs of inmates.

(a) Leisure activities are designed to attract inmate participation regardless of ethnic, racial, age, or sex difference, or handicap considerations, and to enhance the potential for post-release involvement.

(b) Leisure activities are designed to ensure that an inmate with the need has the opportunity to complete one or more activities (see 28 CFR 544.81).

§ 544.33 Movies.

If there is a program to show movies, the Supervisor of Education shall ensure that X-rated movies are not shown.

§ 544.34 Inmate running events.

Running events will ordinarily not exceed 10 kilometers or 6.2 miles. Appropriate medical staff and fluid supplies (e.g., water) should be available for all inmate running events.

§ 544.35 Art and hobbycraft.

(a) An inmate engaged in art or hobbycraft activities may obtain materials through:

(1) The institution art program (if one exists);

(2) The commissary sales unit;

(3) Special purchase commissary orders, if the sales unit is unable to stock a sufficient amount of the needed materials; or

(4) Other sources approved by the Warden.

(b) Each inmate shall identify completed art or hobbycraft products by showing the inmate's name and register number on the reverse side of the item.

(c) Completed or abandoned art or hobbycraft articles must be disposed of in one of the following ways:

(1) Upon approval of the Warden, by giving the item to an authorized visitor. The quantity of items will be determined by the Warden.

(2) By mailing the item to a verified relative or approved visitor at the inmate's expense.

(3) By selling, through an institution art and hobbycraft sales program, if one exists, after the institution price committee has determined the sale price.

(4) Other methods established by the Warden.

(d) *Restrictions.* Art and hobbycraft programs are intended for the personal enjoyment of an inmate and as an opportunity to learn a new leisure skill. They are not for the mass production of art and hobbycraft items by artists or to provide a means of supplementing an inmate's income.

(1) The Warden may restrict, for reasons of security and housekeeping, the size and quantity of all products made in the art and hobbycraft program. Paintings mailed out of the institution must conform to both institution guidelines and postal regulations. If an inmate's art work or hobbycraft is on

public display, the Warden may restrict the content of the work in accordance with community standards of decency.

(2) The Warden may set limits, in compliance with commissary guidelines, on the amount of money an inmate may spend on art or hobbycraft items or materials.

(3) The Warden may restrict for reasons of security, fire safety, and house-keeping, the use or possession of art and hobbycraft items or materials.

(4) Appropriate hobbycraft activities shall be encouraged in the inmate living areas. However, the Warden may limit hobbycraft projects in the cell/living areas to those which can be contained/stored in provided personal property containers. Exceptions may be made for such items as a painting where the size would prohibit placement in a locker. Hobbycraft items must be removed from the living area when completed unless they are approved as personal property.

(5) The Warden shall require the inmate to mail completed hobbycraft articles out of the institution at the inmate's expense, or to give them to an authorized visitor within 30 days of completion, or to dispose of them through approved sales. However, articles offered for sale must be sold within 90 days of completion, or must be given to an authorized visitor or mailed out of the institution at the inmate's expense.

(6) Where space and equipment are limited and demand is high, the Warden may set limits on the amount of time an inmate may use a hobbycraft facility, e.g., the Warden may limit an inmate's use of any workshop or classroom to six months to make room for new students. Hobbycraft participants may be rotated to allow for maximum utilization of the resources.

(7) Disciplinary action may be taken against inmates found with unauthorized hobbycraft materials in their possession. This action may include the removal of the inmate from the hobbycraft program.

Subpart E—Mandatory English-as-a-Second Language Program (ESL)

SOURCE: 59 FR 14724, Mar. 29, 1994, unless otherwise noted.

§ 544.40 Purpose and scope.

Pursuant to the Crime Control Act of 1990 (18 U.S.C. 3624(f)), limited English proficient inmates confined in Federal Bureau of Prisons institutions are required to attend an English-as-a-Second Language (ESL) program until they function at the equivalence of the eighth grade level in competency skills. Waivers to this requirement may be granted by the Warden in accordance with §§ 544.41 and 544.42.

§ 544.41 Applicability: Who must attend the ESL program.

(a) All Federal prisoners who have limited English proficiency skills shall attend an ESL program except:

- (1) Pretrial inmates;
- (2) Inmates committed for purpose of study and observation under the provisions of 18 U.S.C. 4205(c) or, effective November 1, 1987, 18 U.S.C. 3552(b);
- (3) Sentenced aliens with a deportation detainer;
- (4) Other inmates whom, for documented good cause, the Warden may excuse from attending the ESL program.

(b) Staff shall document in the inmate's education file the specific reasons for not requiring the inmate to participate in the ESL program.

§ 544.42 Procedures.

(a) The Warden at each federal institution shall ensure that inmates who at their initial classification are found to be limited English proficient are enrolled in the ESL program. Determination of limited English proficiency is made by staff on the basis of personal interviews and placement testing.

(b) An inmate who returns to the Federal Bureau of Prisons on a new sentence or as a parole violator, and who has not achieved or is unable to demonstrate verified achievement of the eighth grade level, must provide

verification or enroll in the ESL program until that inmate achieves such a grade or is granted a waiver for cause.

(c) The Warden or designee shall assign to an education staff member the responsibility to coordinate the institution's ESL program. The ESL coordinator or designee shall meet with the inmate for the purpose of enrolling the inmate in the ESL program. The ESL coordinator shall be responsible for the completion of the official ESL Program Record, and shall place it in the inmate's education file.

(d) Ordinarily, there will be no time limit for completion of the ESL mandatory program. However, after 240 instructional hours of continuous enrollment in an ESL program, excluding sick time, furloughs, and other excused absences from scheduled classes, the Warden shall have the authority to grant a waiver from further program participation. This waiver may be granted when it is determined that the inmate will not benefit from further instruction. Each exemption determination shall be made on an individual basis and shall be supported by documentation.

[59 FR 14724, Mar. 29, 1994, as amended at 62 FR 39916, July 24, 1997]

§ 544.43 Incentives.

The Warden or designee shall establish a system of incentives to encourage an inmate to meet the mandatory ESL program requirements.

§ 544.44 Disciplinary action.

As with any other mandatory programs, such as work assignments, staff may take disciplinary action against an inmate when that inmate refuses to enroll and participate in, or to meet the minimum requirements of the mandatory ESL program.

Subpart F—Occupational Education Programs

SOURCE: 53 FR 10204, Mar. 29, 1988, unless otherwise noted.

§ 544.50 Purpose and scope.

Each Bureau of Prisons institution provides occupational education programs which allow interested inmates

the opportunity to obtain marketable skills.

§ 544.51 Types of occupational education programs.

Occupational education programs include the following:

(a) *Pre-industrial training.* Entry level skills training for employment in prison industries.

(b) *Vocational training.* Instruction in specific entry-level or advanced skills.

(c) *On-the-job-training.* Organized instruction and training under actual working conditions, either in the performance of a service through institution maintenance or in Federal Prison Industries, Inc. (UNICOR).

(d) *Apprentice training.* Training through structured apprenticeship programs approved at the state and national levels by the Bureau of Apprenticeship and Training, U.S. Department of Labor.

§ 544.52 Vocational training.

Vocational training programs will be combined, where opportunities exist, with pre-industrial programs of the same general skill area, and with "live work" provided by UNICOR. Similar cooperative training efforts, to include "live work," shall also be developed for nonindustrial areas.

(a) "Live work" is to be included within each vocational education program. As used in this rule, the term *live work* refers to a product or service produced by the student for actual use by the institution, UNICOR, or another agency. It is characterized by a specific end-product or service goal, as opposed to repetitive classroom work done for training purposes.

(b) The provisions of this rule apply to all vocational education programs, regardless of funding source, except:

(1) Programs granted an exception by the Regional Director; and

(2) Vocational assessment programs.

(c) Vocational training programs shall be combined with pre-industrial training programs offering similar or related training.

§ 544.53 On-the-job-training.

On-the-job-training (OJT) provides a marketable skill through the use of institution resources and facilities with a

potential for training inmates in various trades and occupations. The programs are distinctly separate and apart from formalized vocational training programs and approved apprenticeship programs. Completion of OJT does not preclude future placement of an inmate in a formal vocational training program or approved apprenticeship program. To the extent practicable, OJT content is to parallel the standards required for registered apprenticeship programs by the Bureau of Apprenticeship and Training, U.S. Department of Labor.

§ 544.54 Apprentice training.

Apprentice training provides an inmate the opportunity to participate in training which prepares the inmate for employment in various trades. Apprenticeship programs for inmates will be established in those areas of the institution which have the potential to meet the requirements and standards of the Bureau of Apprenticeship and Training (BAT), U.S. Department of Labor.

§ 544.55 Procedures for occupational education programs.

(a) A specified portion of all occupational education programs is to consist of "live work."

(b) Duplication of services should be eliminated within the institution among training programs, other departments, and UNICOR.

§ 544.56 Exploratory training.

In addition to the occupational education programs listed in this rule, each Bureau of Prisons institution shall, where practicable, provide Exploratory Training to interested inmates. Exploratory Training is a study of occupations and industries for the purpose of providing the student with a general knowledge of the world of work, rather than specific skill development.

Subpart G [Reserved]

Subpart H—Literacy Program

SOURCE: 62 FR 50793, Sept. 26, 1997, unless otherwise noted.

§ 544.70 Purpose and scope.

Except as provided for in § 544.71, an inmate confined in a federal institution who does not have a verified General Educational Development (GED) credential or high school diploma is required to attend an adult literacy program for a minimum of 240 instructional hours or until a GED is achieved, whichever occurs first.

§ 544.71 Exceptions to required literacy program participation.

(a) The following inmates are not required to attend the literacy program:

(1) Pretrial inmates;

(2) Inmates committed for purpose of study and observation under the provisions of 18 U.S.C. 4205(c), 4241(d), or, effective November 1, 1987, 18 U.S.C. 3552(b);

(3) Sentenced deportable aliens;

(4) Inmates determined by staff to be temporarily unable to participate in the literacy program due to special circumstances beyond their control (e.g., due to a medical condition, transfer on writ, on a waiting list for initial placement). Such inmates, however, shall be required to participate when the special circumstances are no longer applicable.

(b) Inmates who have been determined (on the basis of formal diagnostic assessment) to have a documented emotional, mental, or physical individual impediment to learning shall not be required to complete the literacy program beyond those achievement levels indicated as realistic by the formal diagnostic assessment.

(c) Staff shall document in the inmate's education file the specific reasons for not requiring the inmate to participate in, or to complete, the literacy program.

§ 544.72 Incentives.

The Warden shall establish a system of incentives to encourage an inmate to obtain a GED credential.

§ 544.73 Program participation.

(a) The Warden or designee shall assign to an education staff member the responsibility to coordinate the institution's literacy program. Initially, staff shall meet with the inmate for the purpose of enrolling the inmate in

the literacy program. Subsequently, staff shall formally interview each inmate involved in the literacy program when necessary for the purpose of determining a progress assignment. Staff shall place documentation of these interviews in the inmate's education file.

(b)(1) For the purposes of 18 U.S.C. 3624, an inmate subject to the Violent Crime Control and Law Enforcement Act of 1994 (VCCLEA) or the Prison Litigation Reform Act of 1995 (PLRA) shall be deemed to be making satisfactory progress toward earning a GED credential or high school diploma unless and until the inmate receives a progress assignment confirming that:

(i) The inmate refuses to enroll in the literacy program;

(ii) The inmate has been found to have committed a prohibited act that occurred in a literacy program during the last 240 instructional hours of the inmate's most recent enrollment in the literacy program; or

(iii) The inmate has withdrawn from the literacy program.

(2) When an inmate subject to VCCLEA or PLRA receives a progress assignment indicating that the inmate is not making satisfactory progress, the assignment shall be changed to indicate satisfactory progress only after the inmate is currently and continuously enrolled in a literacy program for a minimum of 240 instructional hours. Any further withdrawal or finding that the inmate has committed a prohibited act in a literacy program during the last 240 instructional hours of the inmate's most recent enrollment in the literacy program shall result in a progress assignment indicating that the inmate is again not making satisfactory progress (see paragraphs (b)(1)(ii) and (iii) of this section).

(c) At the end of 240 instructional hours, excluding sick time, furloughs, or other absences from scheduled classes, the unit team during scheduled program review sessions shall meet with the inmate to encourage continued participation in the literacy program until the inmate earns a GED credential or high school diploma. At these meetings, the inmate may elect not to continue in the literacy program, and no disciplinary action will be taken. The

inmate may not discontinue this program when participation is mandated by statute.

§ 544.74 Work assignment limitations.

These limitations on work assignment appointment and promotion apply to all inmates, including those exempted from required participation in the literacy program by § 544.71.

(a) *Appointment.* (1) An inmate who does not meet the literacy requirement may be assigned to a grade 4 position contingent upon the inmate's continued enrollment in the literacy program.

(2) An inmate ordinarily must show prior attainment of a GED credential or high school diploma in order to be considered for a commissary work assignment above minimum pay level, an institution work assignment above grade 4 compensation, or an industrial work assignment above grade four or in a non-graded incentive pay position.

(3) If labor force needs require, an inmate who does not meet the literacy requirement may be assigned to an industrial non-graded incentive pay position if the inmate is simultaneously enrolled in a literacy or related program. Withdrawal from the literacy program shall result in termination of the assignment. Local Federal Prison Industry (FPI) management may elect to retain the reassigned inmate in an hourly rated grade 4 position.

(b) *Promotion.* An inmate ordinarily must show prior attainment of a GED credential or high school diploma to be promoted above the minimum pay level or grade in a commissary work assignment, an institutional work assignment, or an industrial work assignment. An inmate already in an assignment above the minimum pay grade who had met prior literacy requirements when approved for promotion is eligible for further promotion under the prior standard. Such inmate, however, must meet the current standard if, due to demotion based upon a poor performance appraisal, he or she needs to reapply for a promotion.

(c) *Exceptions.* The Warden may, for good cause, exempt inmates on a case-by-case basis, from the literacy requirements for work assignment appointment and promotion. Staff shall

document such exemption in the inmate's education file and central file.

§ 544.75 Disciplinary action.

As with other mandatory programs, such as work assignments, staff may take disciplinary action against an inmate lacking a GED credential or high school diploma if that inmate refuses to enroll in, and to complete, the mandatory 240 instructional hours of the literacy program.

Subpart I—Education, Training and Leisure-Time Program Standards

SOURCE: 58 FR 65852, Dec. 16, 1993, unless otherwise noted.

§ 544.80 Purpose and scope.

In consideration of inmate education, occupation, and leisure-time needs, the Bureau of Prisons affords inmates the opportunity to improve their knowledge and skills through academic, occupation and leisure-time activities. All institutions, except satellite camps, detention centers and metropolitan correctional centers, shall operate a full range of activities as outlined in this rule.

§ 544.81 Program goals.

The Warden shall ensure that an inmate with the need, capacity, and sufficient time to serve, has the opportunity to:

- (a) Complete an Adult Literacy program leading to a General Educational Development (GED) certificate and/or high school diploma;
- (b) Complete one or more levels of English-as-a-Second Language;
- (c) Acquire or improve marketable skill through one or more programs of Occupation Education (OE);
- (d) Complete one or more Postsecondary Education activities;
- (e) Complete one or more Adult Continuing Education activities;
- (f) Participate in one or more leisure, fitness, wellness or sport activities;
- (g) Participate in a Release Preparation program; and
- (h) Participate in Career Counseling. Staff shall encourage each inmate to accept the responsibility to identify any specific education needs, set per-

sonal goals, and select activities, programs and/or work experiences which will help to reach those goals.

[58 FR 65852, Dec. 16, 1993, as amended at 61 FR 47795, Sept. 10, 1996]

§ 544.82 General program characteristics.

(a) The Supervisor of Education shall assure that the following minimum criteria are met for the institution's education program set forth in § 544.81.

(1) There is a written curriculum which establishes measurable behavioral objectives and procedures.

(2) There are clear criteria which establish minimum expectations for program completion, as well as provisions for the assessment of student progress.

(3) There are provisions for periodic review of the relevancy and effectiveness of the program.

(4) Unless unusual circumstances (e.g., college credit courses) exist, all programs should allow for open entry and exit, at least on a monthly basis.

(5) The Supervisor of Education may establish other requirements necessary to assure that the stated goals of the program are achieved.

(b) Upon an inmate's completion of a program specified in § 544.81, staff may issue and/or review and file a certificate when it contributes to an inmate's future plans in such a way that it validates the inmate's education and training; supports the inmate's chances of securing employment; improves the inmate's acceptance for advanced education; or enhances the inmate's opportunity for success in any other activity the inmate chooses to pursue. The certificate will confirm that the inmate has completed the requirements to receive a certificate that fits one or a combination of the following categories:

(1) Accredited certificates—high school diplomas and occupation training certificates approved or issued through local school districts, state departments of education, or other recognized accrediting educational organizations;

(2) Postsecondary certificates and transcripts—postsecondary degrees or course certificates approved or issued through a sponsoring accredited educational institution;

(3) General Educational Development tests—programs sponsored by the American Council on Education;

(4) Private certificates—outside agencies, private business and industry, other than those stated in paragraph (b)(1) of this section;

(5) Institutional certificates—approved general education, occupation training, recreation, adult continuing education and social education certificates, issued to an inmate who completes a program, and when the institution cannot provide a certificate as provided in paragraphs (b) (1) and (4) of this section; or

(6) Transcripts—issued to an inmate who completes general education programs, formal occupation training, on-the-job and apprentice training and work assignments. With the inmate's consent, transcripts may be sent to schools and colleges, business, industries and other agencies.

§ 544.83 Inmate tutors.

Institutions may establish an inmate tutor/aide program. Guidelines shall be developed regarding the training and supervision of inmate tutors/aides where such programs are available.

Subpart J [Reserved]

Subpart K—Inmate Library Services

§ 544.100 Purpose and scope.

Subpart A [Reserved]**Subpart B—Inmate Financial Responsibility Program**

SOURCE: 56 FR 23477, May 21, 1991, unless otherwise noted.

§ 545.10 Purpose and scope.

The Bureau of Prisons encourages each sentenced inmate to meet his or her legitimate financial obligations. As part of the initial classification process, staff will assist the inmate in developing a financial plan for meeting those obligations, and at subsequent program reviews, staff shall consider the inmate's efforts to fulfill those obligations as indicative of that individual's acceptance and demonstrated level of responsibility. The provisions of this rule apply to all inmates in federal facilities, except: Study and observation cases, pretrial detainees, and inmates in holdover status pending designation.

§ 545.11 Procedures.

When an inmate has a financial obligation, unit staff shall help that inmate develop a financial plan and shall monitor the inmate's progress in meeting that obligation.

(a) *Developing a financial plan.* At initial classification, the unit team shall review an inmate's financial obligations, using all available documentation, including, but not limited to, the Presentence Investigation and the Judgment and Commitment Order(s). The financial plan developed shall be documented and will include the following obligations, ordinarily to be paid in the priority order as listed:

- (1) Special Assessments imposed under 18 U.S.C. 3013;
- (2) Court-ordered restitution;
- (3) Fines and court costs;
- (4) State or local court obligations;
- and
- (5) Other federal government obligations.

(b) *Payment.* The inmate is responsible for making satisfactory progress in meeting his/her financial responsibility plan and for providing documentation of these payments to unit staff. Payments may be made from in-

stitution resources or non-institution (community) resources. In developing an inmate's financial plan, the unit team shall exclude from its assessment \$75.00 a month deposited into the inmate's trust fund account after subtracting from the trust fund account the inmate's IFRP minimum payment schedule for UNICOR or non-UNICOR work assignments, set forth below in paragraph (b)(1) and (b)(2) of this section. This \$75.00 is excluded to allow the inmate the opportunity to better maintain telephone communication under the Inmate Telephone System (ITS).

(1) Ordinarily, the minimum payment for non-UNICOR and UNICOR grade 5 inmates will be \$25.00 per quarter. This minimum payment may exceed \$25.00, taking into consideration the inmate's specific obligations, institution resources, and community resources.

(2) Inmates assigned grades 1 through 4 in UNICOR ordinarily will be expected to allot not less than 50% of their monthly pay to the payment process. Any allotment which is less than the 50% minimum must be approved by the Warden of the facility. Allotments may also exceed the 50% minimum after considering the individual's specific obligations and resources.

(c) *Monitoring.* Participation and/or progress in the Inmate Financial Responsibility Program will be reviewed each time staff assess an inmate's demonstrated level of responsible behavior.

(d) *Effects of non-participation.* Refusal by an inmate to participate in the financial responsibility program or to comply with the provisions of his financial plan ordinarily shall result in the following:

(1) Where applicable, the Parole Commission will be notified of the inmate's failure to participate;

(2) The inmate will not receive any furlough (other than possibly an emergency furlough);

(3) The inmate will not receive performance pay above the maintenance pay level, or bonus pay, or vacation pay;

(4) The inmate will not be assigned to any work detail outside the secure perimeter of the facility;

(5) The inmate will not be placed in UNICOR. Any inmate assigned to

UNICOR who fails to make adequate progress on his/her financial plan will be removed from UNICOR, and once removed, may not be placed on a UNICOR waiting list for six months. Any exceptions to this require approval of the Warden;

(6) The inmate will not be permitted to purchase any items in excess of the monthly spending limitation, including special purchase items like sports equipment, hobby crafts, etc.;

(7) The inmate will be quartered in the lowest housing status (dormitory, double bunking, etc.);

(8) The inmate will not be placed in a community-based program;

(9) The inmate will not receive a release gratuity unless approved by the Warden.

(10) [Reserved]

(11) The inmate will not receive an incentive for participation in residential drug treatment programs.

Subpart C—Inmate Work and Performance Pay Program

SOURCE: 49 FR 38915, Oct. 1, 1984, unless otherwise noted.

§ 545.20 Purpose and scope.

(a) The Bureau of Prisons operates an inmate work program within its institutions. To the extent practicable, the work program:

(1) Reduces inmate idleness, while allowing the inmate to improve and/or develop useful job skills, work habits, and experiences that will assist in post-release employment; and

(2) Ensures that activities necessary to maintain the day-to-day operation of the institution are completed. Sentenced inmates who are physically and mentally able to work are required to participate in the work program. When approved by the Warden or designee, drug treatment programming, education, or vocational training may be substituted for all or part of the work program.

(b) The Warden may recognize an inmate's work performance or productive

participation in specified correctional programs by granting performance pay.

[49 FR 38915, Oct. 1, 1984, as amended at 61 FR 379, Jan. 4, 1996]

(b) *Institution work assignment.* A work assignment which contributes to the day-to-day operation of the institution (e.g., carpentry, plumbing, food service).

(c) *Industry assignment.* A Federal Prison Industries (FPI) work assignment.

(d) *Commissary assignment.* A Trust Fund work assignment.

(e) *Full-time work assignment.* A work assignment to which an inmate is assigned for the entire scheduled work day.

(f) *Part-time work assignment.* A work assignment to which an inmate is assigned for only a portion of the scheduled work day. Part-time work assignments are ordinarily made in conjunction with drug treatment programming, education, and/or vocational training programs.

(g) *Medically unassigned.* An inmate who, because of medical restrictions, is unable to be assigned to any work program.

(h) *Light duty work assignment.* A work assignment in which an inmate may, because of physical limitations, temporary or otherwise, only perform limited work functions, e.g., sedentary work, no prolonged standing, no lifting over 25 lbs., etc.

§ 545.22 Institution work and performance pay committee.

(a) The Warden at each Bureau of Prisons institution is to establish an Institution Inmate Work and Performance Pay Committee to administer the institution's work and performance pay program. The Committee is to be comprised of an Associate Warden, the Inmate Performance Pay Coordinator,

§ 545.23

and any other member(s) the Warden considers appropriate.

(b) The Committee is responsible for approving the following aspects of the institution's inmate work and performance pay program:

- (1) Number of inmates on each work detail;
- (2) Number of pay grades in each detail;
- (3) Job descriptions;
- (4) Performance standards;
- (5) Budgeting for special act awards; and
- (6) Bonus pay/special bonus pay procedures.

§ 545.23 Inmate work/program assignment.

(a) Each sentenced inmate who is physically and mentally able is to be assigned to an institutional, industrial, or commissary work program. Exception shall be made to allow for inmate participation in an education, vocational, or drug abuse treatment program, on either a full or part-time basis, where this involvement is mandated by Bureau policy or statute (for example, the Literacy Program). Where such participation is not required by either policy or statute, exception may be made to allow an inmate to participate in an education, vocational, or drug abuse treatment program rather than work full-time upon the request of the inmate and approval of the Warden or designee.

(b) A pretrial inmate may not be required to work in any assignment or area other than housekeeping tasks in the inmate's own cell and in the community living area, unless the pretrial inmate has signed a waiver of his or her right not to work (see 28 CFR part 551, subpart J).

(c) Medically unassigned inmates may be required, to the extent medically possible, to perform housekeeping tasks in the inmate's own cell and in the community living area.

(d) In making the work and/or program assignment(s), staff shall consider the inmate's capacity to learn, interests, requests, needs, and eligibility, and the availability of the assignment(s). An inmate's assignment shall be made with consideration of the institution's security and operational

28 CFR Ch. V (7-1-98 Edition)

needs, and should be consistent with the safekeeping of the inmate and protection of the public.

[49 FR 38915, Oct. 1, 1984, as amended at 61 FR 379, Jan. 4, 1996]

§ 545.24 Inmate work conditions.

(a) The scheduled work day for an inmate in a federal institution ordinarily consists of a minimum of seven hours.

(b) An inmate is expected to report to the place of assignment at the required time. An inmate may not leave an assignment without permission.

(c) An inmate, regardless of assignment, is expected to perform all assigned tasks diligently and conscientiously. Disciplinary action may be taken against an inmate who refuses to work, who otherwise evades attendance and performance standards in assigned activities, or who encourages others to do so.

(d) Work, vocational, and education programs are to meet the appropriate minimum standards for health and safety. Safety equipment is to be available where needed.

(e) An inmate is expected to perform the work assignment in a safe manner, using safety equipment as instructed by the work supervisor. In the event of any work related injury, the inmate shall notify the work supervisor so that appropriate action (for example, medical attention, and submission of necessary reports) may be taken.

[49 FR 38915, Oct. 1, 1984, as amended at 56 FR 23478, May 21, 1991; 56 FR 31531, July 10, 1991; 61 FR 379, Jan. 4, 1996]

§ 545.25 Eligibility for performance pay.

(a) An inmate may receive performance pay for accomplishments in one or more of the following areas:

- (1) Institution work assignment;
- (2) Literacy program (GED) participation;
- (3) Apprenticeship training; and
- (4) Vocational training courses (approved by the Bureau of Prisons as certified vocational training instruction).

(b) An inmate is eligible for performance pay from the date of work or program assignment. An inmate is eligible to receive performance pay for each month that the inmate's performance justifies such payment.

(c) An inmate who refuses to participate in the financial responsibility program shall not ordinarily receive performance pay above the maintenance pay level, or bonus pay, or vacation pay in accordance with 28 CFR part 545, subpart B.

(d) An inmate who refuses participation, withdraws, is expelled, or otherwise fails attendance or examination requirements of the drug abuse education course shall be held at the lowest pay grade (Grade 4).

[49 FR 38915, Oct. 1, 1984. Redesignated and amended at 56 FR 23478, May 21, 1991; 61 FR 379, Jan. 4, 1996]

§ 545.26 Performance pay provisions.

(a) The Warden shall ensure that all institution work assignments have standardized work descriptions. Each inmate work position is assigned one of four pay grade levels. Factors to consider in assigning a grade level to the specific work position include the position's educational and vocational requirements, physical demands, working conditions (exposed to dusts, odors, etc.), and the degree of responsibility held by the inmate worker. The inmate assigned to a specific work position shall sign, and, if requested, receive a copy of, that position description.

(b) In recognition of budgetary constraints and for the effective management of the overall performance pay program, the percentage of inmates assigned to each grade level is approximately as follows (Grade 1 is highest pay):

Grade 1—5% of the institution's allotted inmate work assignments;

Grade 2—15% of the institution's allotted inmate work assignments;

Grade 3—25% of the institution's allotted inmate work assignments;

Grade 4—55% of the institution's allotted inmate work assignments.

(c) An inmate may receive performance pay only for that portion of the month that the inmate was working. Performance pay may not be awarded retroactively.

(d) An inmate is eligible to receive performance pay only for those hours during which the inmate is actually performing satisfactory work or actively participating in an education or

vocational training program. Absences from an inmate's scheduled assignment for such reasons as call-outs, visits, sick call, interviews, or making telephone calls shall be deducted from the monthly number of hours worked and will accordingly reduce the amount of pay received by the inmate. Any exception to such reduction in pay must be approved by the Assistant Director, Correctional Programs Division, Central Office.

(e) *Work evaluation.* At the end of each month the work detail/program supervisor shall compute on an evaluation form the hours worked by the inmate and the pay to be awarded. The supervisor shall also rate the inmate's performance over the past month in each of several categories. For example, an inmate may be rated in such categories as quality of work, quantity of work, initiative, ability to learn, dependability, response to supervision and instruction, safety and care of equipment, ability to work with others, and overall job proficiency. Any exception to the work performance evaluation procedures cited above requires approval of the Assistant Director, Correctional Programs Division, Central Office.

(1) An inmate shall receive performance pay only for those hours during which the inmate is satisfactorily performing work or is actively participating in an education/vocational program.

(2) An inmate's monthly pay shall be based on the grade and the number of hours during the month that the inmate's performance was satisfactory. The hourly rate may not be reduced for unsatisfactory performance; the inmate is either paid the hourly rate for an hour of at least satisfactory performance or receives no pay for an hour of unsatisfactory performance.

The work detail/program supervisor shall review the evaluation with the inmate and request that the inmate sign the evaluation form. If the inmate refuses to sign the form, the supervisor shall note this refusal on the evaluation and, if known, the reasons for refusal.

(f) *Bonus pay.* When the supervisor of an inmate worker or program participant believes the inmate has made exceptional accomplishments or appreciably contributed to the work assignment, the supervisor may recommend that the inmate receive a bonus. For example, an inmate who works in excess of the scheduled work day can qualify for bonus pay. Written justification for the bonus request must be forwarded to the Department Head for approval.

(g) *Special bonus pay.* An inmate may receive special bonus pay based on the inmate's exceptional work in a temporary job assignment, provided this assignment has been previously identified by the Warden, and approved by the Regional Director, as critical to the institution. When the supervisor of an inmate worker assigned to this temporary job assignment believes the inmate has performed exceptionally well, the supervisor may recommend that the inmate received a special bonus. Written justification for the special bonus request must be forwarded to the Department Head for approval.

(h) An inmate's performance pay, once earned, becomes vested.

(i) Each inmate in performance pay status shall be notified of monthly earnings.

[49 FR 38915, Oct. 1, 1984. Redesignated and amended at 56 FR 23478, 23479, May 21, 1991; 61 FR 379, Jan. 4, 1996]

§ 545.27 Inmate vacations.

(a) An inmate who has worked full-time for 12 consecutive months on an institution work assignment is eligible to take a five-day paid vacation at the inmate's prevailing hourly rate. A recommendation for an inmate to receive vacation credit is made by the inmate's work supervisor, through the Department Head, to the Unit Team, who shall approve the request if the inmate's work performance qualifies for vacation credit.

(b) Staff shall schedule an inmate's vacation so it is compatible with shop production and administrative support requirements.

(c) The Warden or designee may authorize an inmate to accumulate vacation credit when:

(1) The inmate is transferred to another institution for the benefit of the government or because of the inmate's favorable adjustment (custody reduction); or

(2) The inmate is placed in a new work assignment in the institution for the benefit of the government or institution, rather than solely at the inmate's request or because of the inmate's poor performance or adverse behavior.

§ 545.28 Achievement awards.

(a) With prior approval of the Education Department, each inmate who completes the Literacy program, Vocational Training, or related trades classroom work that is part of a certified apprenticeship program may be granted an achievement award from performance pay funds.

(b) With prior approval of the Psychology Services Department, each inmate who is making satisfactory progress or completes a residential drug treatment program may also be granted an achievement award from performance pay funds.

[61 FR 379, Jan. 4, 1996]

§ 545.29 Special awards.

(a) Inmates who perform exceptional services not ordinarily a part of the inmate's regular assignment may be granted a special award regardless of the inmate's work or program status. Examples of actions which may result in the inmate being considered for a special award are the following:

(1) An act of heroism.

(2) Voluntary acceptance and satisfactory performance of an unusually hazardous assignment.

(3) An act which protects the lives of employees or inmates, or the property of the United States. (This does not apply to informants.)

(4) Suggestions which result in substantial improvements or cost-savings in institutional programs or operations.

(5) Other exceptionally meritorious or outstanding services consistent with the general character of the preceding cases.

(b) The special award may be given in the form of a monetary payment in addition to any other award (e.g., extra good time) given.

(c) The Warden of each institution is empowered to approve special awards not exceeding \$150. Awards in excess of this amount may not be made unless approved by the Regional Director.

§ 548.10

SOURCE: 60 FR 46486, Sept. 6, 1995, unless otherwise noted.

§ 548.10 Purpose and scope.

(a) The Bureau of Prisons provides inmates of all faith groups with reasonable and equitable opportunities to pursue religious beliefs and practices, within the constraints of budgetary limitations and consistent with the security and orderly running of the institution and the Bureau of Prisons.

(b) When considered necessary for the security or good order of the institution, the Warden may limit attendance at or discontinue a religious activity. Opportunities for religious activities are open to the entire inmate population, without regard to race, color, nationality, or ordinarily, creed. The Warden, after consulting with the institution chaplain, may limit participation in a particular religious activity or practice to the members of that religious group. Ordinarily, when the nature of the activity or practice (e.g., religious fasts, wearing of headwear, work proscription, ceremonial meals) indicates a need for such a limitation, only those inmates whose files reflect the pertinent religious preference will be included.

(c) The Bureau of Prisons does not require an inmate to profess a religious belief. An inmate may designate any or no religious preference at his/her initial team screening. By notifying the chaplain in writing, an inmate may request to change this designation at any time, and the change will be effected in a timely fashion.

§ 548.11 Definition.

For purposes of this subpart, the term "religious activity" includes religious diets, services, ceremonies, and meetings.

§ 548.12 Chaplains.

Institution chaplains are responsible for managing religious activities within the institution. Institution chaplains are available upon request to provide pastoral care and counseling to inmates through group programs and individual services. Pastoral care and counseling from representatives in the community are available in accordance with the provisions of §§ 548.14 and

28 CFR Ch. V (7-1-98 Edition)

548.19. The chaplain may ask the requesting inmate to provide information regarding specific requested religious activities for the purpose of making an informed decision regarding the request.

[62 FR 44836, Aug. 22, 1997]

§ 548.13 Schedules and facilities.

(a) Under the general supervision of the Warden, chaplains shall schedule and direct the institution's religious activities.

(b) The Warden may relieve an inmate from an institution program or assignment if a religious activity is also scheduled at that time.

(c) Institutions shall have space designated for the conduct of religious activities.

§ 548.14 Community involvement (volunteers, contractors).

(a) The institution's chaplain may contract with representatives of faith groups in the community to provide specific religious services which the chaplain cannot personally deliver due to, ordinarily, religious prescriptions or ecclesiastical constraints to which the chaplain adheres.

(b) The institution's chaplain may secure the services of volunteers to assist inmates in observing their religious beliefs.

(c) The Warden or the Warden's designee (ordinarily the chaplain) may require a recognized representative of the faith group to verify a volunteer's or contractor's religious credentials prior to approving his or her entry into the institution.

§ 548.15 Equity.

No one may disparage the religious beliefs of an inmate, nor coerce or harass an inmate to change religious affiliation. Attendance at all religious activities is voluntary and, unless otherwise specifically determined by the Warden, open to all.

§ 548.16 Inmate religious property.

(a) Inmate religious property includes but is not limited to rosaries and prayer beads, oils, prayer rugs, phylacteries, medicine pouches, and religious medallions. Such items, which

become part of an inmate's personal property, are subject to normal considerations of safety and security. If necessary, their religious significance shall be verified by the chaplain prior to the Warden's approval.

(b) An inmate ordinarily shall be allowed to wear or use personal religious items during religious services, ceremonies, and meetings in the chapel, unless the Warden determines that the wearing or use of such items would threaten institution security, safety, or good order. Upon request of the inmate, the Warden may allow the wearing or use of certain religious items throughout the institution, consistent with considerations of security, safety, or good order. The Warden may request the chaplain to obtain direction from representatives of the inmate's faith group or other appropriate sources concerning the religious significance of the items.

(c) An inmate who wishes to have religious books, magazines or periodicals must comply with the general rules of the institution regarding ordering, purchasing, retaining, and accumulating personal property. Religious literature is permitted in accordance with the procedures governing incoming publications. Distribution to inmates of religious literature purchased by or donated to the Bureau of Prisons is contingent upon the chaplain's granting his or her approval.

[60 FR 46486, Sept. 6, 1995, as amended at 62 FR 44836, Aug. 22, 1997]

§ 548.17 Work assignments.

When the religious tenets of an inmate's faith are violated or jeopardized by a particular work assignment, a different work assignment ordinarily shall be made after it is requested in writing by the inmate, and the specific religious tenets have been verified by the chaplain. Maintaining security, safety, and good order in the institution are grounds for denial of such request for a different work assignment.

§ 548.18 Observance of religious holy days.

Consistent with maintaining security, safety, and good order in the institution, the Warden shall endeavor to facilitate the observance of important

religious holy days which involve special fasts, dietary regulations, worship, or work proscription. The inmate must submit a written request to the chaplain for time off from work to observe a religious holy day. The Warden may request the chaplain to consult with community representatives of the inmate's faith group and/or other appropriate sources to verify the religious significance of the requested observance. The chaplain will work with requesting inmates to accommodate a proper observance of the holy day. The Warden will ordinarily allow an inmate to take earned vacation days, or to make up for missed work, or to change work assignments in order to facilitate the observance of the religious holy day.

§ 548.19 Pastoral visits.

If requested by an inmate, the chaplain shall facilitate arrangements for pastoral visits by a clergyperson or representative of the inmate's faith.

(a) The chaplain may request an NCIC check and documentation of such clergyperson's or faith group representative's credentials.

(b) Pastoral visits may not be counted as social visits. They will ordinarily take place in the visiting room during regular visiting hours.

§ 548.20 Dietary practices.

(a) The Bureau provides inmates requesting a religious diet reasonable and equitable opportunity to observe their religious dietary practice within the constraints of budget limitations and the security and orderly running of the institution and the Bureau through a common fare menu. The inmate will provide a written statement articulating the religious motivation for participation in the common fare program.

(b) An inmate who has been approved for a common fare menu must notify the chaplain in writing if the inmate wishes to withdraw from the religious diet. Approval for an inmate's religious diet may be withdrawn by the chaplain if the inmate is documented as being in violation of the terms of the religious diet program to which the inmate has agreed in writing. In order to preserve the integrity and orderly operation of

the religious diet program and to prevent fraud, inmates who withdraw (or are removed) may not be immediately reestablished back into the program. The process of reapproving a religious diet for an inmate who voluntarily withdraws or who is removed ordinarily may extend up to thirty days. Repeated withdrawals (voluntary or otherwise), however, may result in inmates being subjected to a waiting period of up to one year.

(c) The chaplain may arrange for inmate religious groups to have one appropriate ceremonial or commemorative meal each year for their members as identified by the religious preference reflected in the inmate's file. An inmate may attend one religious ceremonial meal in a calendar year.

Subpart A—Infectious Diseases

SOURCE: 60 FR 52279, Oct. 5, 1995, unless otherwise noted.

§ 549.10 Purpose and scope.

This policy is designed to provide instruction and guidance in the management of infectious diseases in the confined environment of a correctional setting.

§ 549.11 Program responsibility.

(a) The Health Services Administrator (HSA) and Clinical Director (CD) of each institution shall be responsible for the development and implementation of this program.

(b) Each HSA shall designate a member of the clinical health care staff, for example, a physician, dentist, physician assistant, nurse practitioner, or nurse, as the Coordinator of Infectious Diseases (CID).

§ 549.12 Reporting.

The HSA shall ensure that each institution's respective state health department is informed of all cases of reportable infectious diseases. See § 549.17 for reporting requirements of chronic infectious diseases and for Freedom of Information Act requests.

§ 549.13 Medical testing.

(a) *Bloodborne pathogens.* Following an incident in which a staff member or an inmate may have been exposed to bloodborne pathogens, written, informed consent shall be obtained prior to acquiring or processing the source individual's blood or other biological

specimen for the purpose of determining an actual exposure to a bloodborne pathogen. In the context of exposure incidents, no inmate shall be tested forcibly or involuntarily, unless such testing is ordered by a court with proper jurisdiction. Inmates may be subjected to disciplinary action for assaultive behavior related to an exposure incident.

(b) *HIV testing.* HIV testing programs are mandatory and include a yearly random sample, yearly new commitment sample, new commitment re-test sample, pre-release testing, and clinically indicated testing. Inmates must participate in all mandatory testing programs. Staff shall initiate an incident report for failure to follow an order for any inmate refusing one of the mandatory HIV testing programs.

(c) *Diagnostics.* (1) An inmate who refuses clinically indicated diagnostic procedures and evaluations for infectious and communicable diseases shall be subject to an incident report for failure to follow an order; involuntary testing subsequently may be performed in accordance with paragraph (c)(3) of this section.

(2) Any inmate who refuses clinically indicated diagnostic procedures and evaluations for infectious and communicable diseases shall be subject to isolation or quarantine from the general population until such time as he/she is assessed to be non-communicable or the attending physician determines the inmate poses no health threat if returned to the general population.

(3) If isolation is not practicable, an inmate who refuses to comply with or adhere to the diagnostic process or evaluation shall be involuntarily evaluated or tested.

§ 549.14 Training.

The HSA shall ensure that a qualified health care professional provides training, incorporating a question-and-answer session, about infectious diseases to all newly committed inmates, during Admission and Orientation (A&O). Additional training shall be provided at least yearly.

§ 549.15 Medical isolation and quarantining.

(a) The CD, in consultation with the HSA, shall ensure that inmates with infectious diseases which are transmitted through casual contact (e.g., tuberculosis, chicken pox, measles) are isolated from the general inmate population until such time as they are assessed or evaluated by a health care provider.

(b) Inmates shall remain in medical isolation unless their activities, housing, and/or duty assignments can be limited or environmental/engineering controls or personal protective equipment is available to eliminate the risk of transmitting the disease.

§ 549.16 Duty and housing restrictions.

(a) The CD shall assess any inmate with an infectious disease for appropriateness for duties and housing. Inmates demonstrating infectious diseases, which are transmitted through casual contact, shall be prohibited from employment in any area, until fully evaluated by a health care provider.

(b) Inmates may be limited in duty and housing assignments only if their disease could be transmitted despite the use of environmental/engineering controls or personal protective equipment, or when precautionary measures cannot be implemented or are not available to prevent the transmission of the specific disease. The Warden, in consultation with the CD, may exclude inmates, on a case-by-case basis, from work assignments based upon the classification of the institution and the safety and good order of the institution.

(c) With the exception of the Bureau of Prisons rule set forth in subpart E of 28 CFR part 541, there shall be no special housing established for HIV-positive inmates.

§ 549.17 Confidentiality of information.

(a) Medical information relevant to chronic infectious diseases shall be limited to members of the institutional medical staff, institutional psychologist, and the Warden and case manager, as needed, to address issues regarding

pre- and post-release management. Prior to an inmate's release, medical information may be shared with the United States Probation Officer in the respective area of intended release for the inmate and, if applicable, with the Community Corrections Manager and the Director of the Community Correctional Center (CCC) for purposes of post-release management and access to care. Any other release of information shall be in accordance with the Privacy Act of 1974.

(b) All parties, with whom confidential medical information regarding another individual is communicated, shall be advised not to share this information, by any means, with any other person. Medical information may be communicated among medical staff directly concerned with a patient's case in the course of their professional duties.

§ 549.18 Human immunodeficiency virus (HIV) and hepatitis B virus (HBV).

(a) During routine intake screening, all new commitments shall be interviewed to identify those who may be HIV- or HBV-infected. Medical personnel may request any inmates identified in this manner to submit to an HIV or HBV test. Failure to comply shall result in an incident report for failure to follow an order.

(b) A seropositive test result alone may not constitute grounds for disciplinary action. Disciplinary action may be considered when coupled with a secondary action that could lead to transmission of the virus, e.g. sharing razor blades.

(c) A sample of all newly incarcerated inmates committed to the Bureau of Prisons ordinarily shall be tested annually.

(d) Additionally, a random sample for HIV of all inmates in the Bureau of Prisons shall be conducted once yearly. Inmates tested in this random sample are not scheduled for follow-up routine retesting.

(e) After consultation with a Bureau of Prisons' health care provider, an inmate may request an HIV/HBV antibody test. Ordinarily, an inmate will not be allowed to test, as a volunteer, more frequently than once yearly.

(f) A physician may order an HIV/HBV antibody test if an inmate has chronic illnesses or symptoms suggestive of an HIV or HBV infection. Inmates who are pregnant, inmates receiving live vaccines or inmates being admitted to community hospitals, if required by the hospital, shall be tested. Inmates demonstrating sexual behavior which is promiscuous, assaultive, or predatory shall also be tested.

(g)(1) An inmate being considered for full-term release, parole, good conduct time release, furlough, or placement in a community-based program such as a Community Corrections Center (CCC) shall be tested for the HIV antibody. An inmate who has been tested within one year of this consideration ordinarily will not be required to submit to a repeat test prior to the lapse of a one-year period. An inmate who refuses to be tested shall be subject to an incident report for refusing an order and will ordinarily be denied participation in a community activity.

(2) A seropositive test result is not sole grounds for denying participation in a community activity. Test results ordinarily must be available prior to releasing an inmate for a furlough or placement in a community-based program. When an inmate requests an emergency furlough, and current (within one year) HIV and HBV antibody test results are not available, the Warden may consider authorizing an escorted trip for the inmate, at government expense.

(h)(1) No later than thirty days prior to release on parole or placement in a community-based program, the Warden shall send a letter to the Chief United States Probation Officer (USPO) in the district where the inmate is being released, advising the USPO of the inmate's positive HIV status. A copy of this letter shall also be forwarded to the Community Corrections Manager. The Community Corrections Manager, in turn, shall notify the Director of the CCC (if applicable). In all instances of notification, precautions shall be taken to ensure that only authorized persons with a legitimate need to know are allowed access to the information.

(2) Prior to an HIV-positive inmate's participation in a community activity

(including furloughs), notification of the inmate's infectious status shall be made:

(i) By the Warden to the USPO in the district to be visited, and

(ii) By the Health Service Administrator to the state health department in the state to be visited, when that state requires such notification.

Notification is not necessary for an escorted trip.

(3) Prior to release on parole, completion of sentence, placement in a community-based program, or participation in an unescorted community activity, an HIV-positive inmate shall be strongly encouraged to notify his/her spouse (legal or common-law) or any identified significant others with whom it could be assumed the inmate might have contact resulting in possible transmission of the virus.

(4) When an inmate is confirmed positive for HIV or HBV, the HSA shall be responsible for notifying the state health departments in the state in which the institution is located and the state in which the inmate is expected to be released, when either state requires such notification. The HSA shall ensure medical staff perform the notification at the time of confirmed positive HIV or HBV antibody tests.

(5) The HSA shall notify the Immigration and Naturalization Service (INS) of any inmate testing positive who is to be released to an INS detainer.

(i) Inmates receiving the HIV or HBV antibody test shall receive pre- and post-test counseling, regardless of the test results.

(j) Health service staff shall clinically evaluate and review each HIV-positive inmate at least once quarterly.

(k) Pharmaceuticals approved by the Food and Drug Administration for use in the treatment of AIDS, HIV-infected, and HBV-infected inmates shall be offered, when indicated, at the institution.

Subpart B [Reserved]

Subpart C—Administrative Safeguards for Psychiatric Treatment and Medication

SOURCE: 57 FR 53820, Nov. 12, 1992, unless otherwise noted.

§ 549.40 Use of psychotropic medications.

Psychotropic medication is to be used only for a diagnosable psychiatric disorder or symptomatic behavior for which such medication is accepted treatment.

§ 549.41 Voluntary admission and psychotropic medication.

(a) A sentenced inmate may be voluntarily admitted for psychiatric treatment and medication when, in the professional judgment of qualified health personnel, such inmate would benefit from such treatment and demonstrates the ability to give informed consent to such admission. The assessment of the inmate's ability to give informed consent will be documented in the individual's medical record by qualified health personnel.

(b) If an inmate is to receive psychotropic medications voluntarily, his or her informed consent must be obtained, and his or her ability to give such consent must be documented in the medical record by qualified health personnel.

[57 FR 53820, Nov. 12, 1992, as amended at 60 FR 49444, Sept. 25, 1995]

§ 549.42 Involuntary admission.

A court determination is necessary for involuntary hospitalization for psychiatric treatment. A sentenced inmate, not currently committed for psychiatric treatment, who is not able or willing to voluntarily consent either to psychiatric admission or to medication, is subject to judicial involuntary commitment procedures. Even after an inmate is involuntarily committed, staff shall follow the administrative

due process procedures specified in § 549.43 of this subpart.

§ 549.43 Involuntary psychiatric treatment and medication.

Title 18 U.S.C. 4241-4247 and federal court decisions require that certain procedures be followed prior to the involuntary administration of psychiatric treatment and medication to persons in the custody of the Attorney General. Court commitment for hospitalization provides the judicial due process hearing, and no further judicial authorization is needed for the admission decision. However, in order to administer treatment or psychotropic medication on an involuntary basis, further administrative due process procedures, as specified in this section, must be provided to the inmate. Except as provided for in paragraph (b) of this section, the procedures outlined herein must be followed after a person is committed for hospitalization and prior to administering involuntary treatment, including medication.

(a) *Procedures.* When an inmate will not or cannot provide voluntary written informed consent for psychotropic medication, the inmate will be scheduled for an administrative hearing. Absent an emergency situation, the inmate will not be medicated prior to the hearing. In regard to the hearing, the inmate will be given the following procedural safeguards:

(1) Staff shall provide 24-hour advance written notice of the date, time, place, and purpose of the hearing, including the reasons for the medication proposal.

(2) Staff shall inform the inmate of the right to appear at the hearing, to present evidence, to have a staff representative, to request witnesses, and to request that witnesses be questioned by the staff representative or by the person conducting the hearing. If the inmate does not request a staff representative, or requests a staff representative with insufficient experience or education, the institution mental health division administrator shall appoint a staff representative. Witnesses should be called if they have information relevant to the inmate's mental condition and/or need for medication, and if they are reasonably

available. Witnesses who only have repetitive information need not be called.

(3) The hearing is to be conducted by a psychiatrist who is not currently involved in the diagnosis or treatment of the inmate.

(4) The treating/evaluating psychiatrist/clinician must be present at the hearing and must present clinical data and background information relative to the need for medication. Members of the treating/evaluating team may also attend the hearing.

(5) The psychiatrist conducting the hearing shall determine whether treatment or psychotropic medication is necessary in order to attempt to make the inmate competent for trial or is necessary because the inmate is dangerous to self or others, is gravely disabled, or is unable to function in the open population of a mental health referral center or a regular prison. The psychiatrist shall prepare a written report regarding the decision.

(6) The inmate shall be given a copy of the report and shall be advised that he or she may submit an appeal to the institution mental health division administrator regarding the decision within 24 hours of the decision and that the administrator shall review the decision within 24 hours of the inmate's appeal. The administrator shall ensure that the inmate received all necessary procedural protections and that the justification for involuntary treatment or medication is appropriate. Upon request of the inmate, the staff representative shall assist the inmate in preparing and submitting the appeal.

(7) If the inmate appeals, absent a psychiatric emergency, medication will not be administered before the administrator's decision. The inmate's appeal, which may be handwritten, must be filed within 24 hours of the inmate's receipt of the decision.

(8) A psychiatrist, other than the attending psychiatrist, shall provide follow-up monitoring of the patient's treatment or medication at least once every 30 days after the hearing. The follow-up shall be documented in the medical record.

(b) *Emergencies.* For purpose of this subpart, a psychiatric emergency is defined as one in which a person is suffering from a mental illness which creates an immediate threat of bodily harm to self or others, serious destruction of property, or extreme deterioration of functioning secondary to psychiatric illness. During a psychiatric emergency, psychotropic medication may be administered when the medication constitutes an appropriate treatment for the mental illness and less restrictive alternatives (e.g., seclusion or physical restraint) are not available or indicated, or would not be effective.

(c) *Exceptions.* Title 18 United States Code, sections 4241 through 4247 do not apply to military prisoners, unsentenced Immigration and Naturalization Service (INS) detainees, unsentenced prisoners in Bureau custody as a result of a court order (e.g. a civil contemnor), state or territorial prisoners, and District of Columbia Code offenders. For those persons not covered by sections 4241-4247, the decision to involuntarily admit the person to the hospital must be made at an administrative hearing meeting the requirements of *Vitek v. Jones*. The decision to provide involuntary treatment, including medication, shall nonetheless be made at an administrative hearing in compliance with § 549.43.

[57 FR 53820, Nov. 12, 1992, as amended at 60 FR 49444, Sept. 25, 1995]

Subpart D—Plastic Surgery

SOURCE: 61 FR 13322, Mar. 26, 1996, unless otherwise noted.

§ 549.50 Purpose and scope.

The Bureau of Prisons does not ordinarily perform plastic surgery on inmates to correct preexisting disfigurements (including tattoos) on any part of the body. In circumstances where plastic surgery is a component of a presently medically necessary standard of treatment (for example, part of the treatment for facial lacerations or for mastectomies due to cancer) or it is necessary for the good order and security of the institution, the necessary surgery may be performed.

§ 549.51 Approval procedures.

The Clinical Director shall consider individually any request from an inmate or a BOP medical consultant.

(a) In circumstances where plastic surgery is a component of the presently medically necessary standard of treatment, the Clinical Director shall forward the surgery request to the Office of Medical Designations and Transportation for approval.

(b) If the Clinical Director recommends plastic surgery for the good order and security of the institution, the request for plastic surgery authorization will be forwarded to the Warden for initial approval. The Warden will forward the request through the Regional Director to the Medical Director. The Medical Director shall have the final authority to approve or deny this type of plastic surgery request.

(c) If the Clinical Director is unable to determine whether the plastic surgery qualifies as a component of presently medically necessary standard of treatment, the Clinical Director may forward the request to the Medical Director for a final determination in accordance with the provisions of paragraph (b) of this section.

§ 549.52 Informed consent.

Approved plastic surgery procedures may not be performed without the informed consent of the inmate involved.

Subpart E—Hunger Strikes, Inmate

SOURCE: 45 FR 23365, Apr. 4, 1980, unless otherwise noted.

§ 549.60 Purpose and scope.

The Bureau of Prisons provides guidelines for the medical and administrative management of inmates who engage in hunger strikes. It is the responsibility of the Bureau of Prisons to monitor the health and welfare of individual inmates, and to ensure that procedures are pursued to preserve life.

[45 FR 23365, Apr. 4, 1980, as amended at 59 FR 31883, June 20, 1994]

§ 549.61 Definition.

As defined in this rule, an inmate is on a *hunger strike*:

§ 549.62

(a) When he or she communicates that fact to staff and is observed by staff to be refraining from eating for a period of time, ordinarily in excess of 72 hours; or

(b) When staff observe the inmate to be refraining from eating for a period in excess of 72 hours. When staff consider it prudent to do so, a referral for medical evaluation may be made without waiting 72 hours.

§ 549.62 Initial referral.

(a) Staff shall refer an inmate who is observed to be on a hunger strike to medical or mental health staff for evaluation and, when appropriate, for treatment.

(b) Medical staff ordinarily shall place the inmate in a medically appropriate locked room for close monitoring.

[59 FR 31883, June 20, 1994]

§ 549.63 Initial medical evaluation and management.

(a) Medical staff shall ordinarily perform the following procedures upon initial referral of an inmate on a hunger strike:

- (1) Measure and record height and weight;
- (2) Take and record vital signs;
- (3) Urinalysis;
- (4) Psychological and/or psychiatric evaluation;
- (5) General medical evaluation;
- (6) Radiographs as clinically indicated;
- (7) Laboratory studies as clinically indicated.

(b) Medical staff shall take and record weight and vital signs at least once every 24 hours while the inmate is on a hunger strike. Other procedures identified in paragraph (a) of this section shall be repeated as medically indicated.

(c) When valid medical reasons exist, the physician may modify, discontinue, or expand any of the medical procedures described in paragraphs (a) and (b) of this section.

(d) When medical staff consider it medically mandatory, an inmate on a hunger strike will be transferred to a Medical Referral Center or to another Bureau institution considered medi-

28 CFR Ch. V (7-1-98 Edition)

cally appropriate, or to a community hospital.

[45 FR 23365, Apr. 4, 1980, as amended at 59 FR 31883, June 20, 1994]

§ 549.64 Food/liquid intake/output.

(a) Staff shall prepare and deliver to the inmate's room three meals per day or as otherwise authorized by the physician.

(b) Staff shall provide the inmate an adequate supply of drinking water. Other beverages shall also be offered.

(c) Staff shall remove any commissary food items and private food supplies of the inmate while the inmate is on a hunger strike. An inmate may not make commissary food purchases while under hunger strike management.

[45 FR 23365, Apr. 4, 1980, as amended at 59 FR 31883, June 20, 1994]

§ 549.65 Refusal to accept treatment.

(a) When, as a result of inadequate intake or abnormal output, a physician determines that the inmate's life or health will be threatened if treatment is not initiated immediately, the physician shall give consideration to forced medical treatment of the inmate.

(b) Prior to medical treatment being administered against the inmate's will, staff shall make reasonable efforts to convince the inmate to voluntarily accept treatment. Medical risks faced by the inmate if treatment is not accepted shall also be explained to the inmate. Staff shall document their treatment efforts in the medical record of the inmate.

(c) When, after reasonable efforts, or in an emergency preventing such efforts, a medical necessity for immediate treatment of a life or health threatening situation exists, the physician may order that treatment be administered without the consent of the inmate. Staff shall document their treatment efforts in the medical record of the inmate.

(d) Staff shall continue clinical and laboratory monitoring as necessary until the inmate's life or permanent health is no longer threatened.

(e) Staff shall continue medical, psychiatric and/or psychological follow-up as long as necessary.

[45 FR 23365, Apr. 4, 1980, as amended at 59 FR 31883, June 20, 1994]

§ 549.66 Release from treatment.

Only the physician may order that an inmate be released from hunger strike evaluation and treatment. This order shall be documented in the medical record of the inmate.

[59 FR 31883, June 20, 1994]

Subpart F [Reserved]

Subpart G—Authority To Conduct Autopsies

§ 549.80 Authority to conduct autopsies.

(a) The Warden may order an autopsy and related scientific or medical tests to be performed on the body of a deceased inmate of the facility in the event of homicide, suicide, fatal illness or accident, or unexplained death. The autopsy or tests may be ordered in one of these situations only when the Warden determines that the autopsy or test is necessary to detect a crime, maintain discipline, protect the health or safety of other inmates, remedy official misconduct, or defend the United States or its employees from civil liability arising from the administration of the facility.

(1) The authority of the Warden under this section may not be delegated below the level of Acting Warden.

(2) Where the Warden has the authority to order an autopsy under this provision, no non-Bureau of Prisons authorization (e.g., from either the coroner or from the inmate's next-of-kin) is required. A decision on whether to order an autopsy is ordinarily made after consultation with the attending physician, and a determination by the Warden that the autopsy is in accordance with the statutory provision. Once it is determined that an autopsy is appropriate, the Warden shall prepare a written statement authorizing this procedure. The written statement is to include the basis for approval.

(b) In any situation other than as described in paragraph (a) of this section, the Warden may order an autopsy or post-mortem operation, including removal of tissue for transplanting, to be performed on the body of a deceased inmate of the facility with the written consent of a person (e.g., coroner, or next-of-kin, or the decedent's consent in the case of tissue removed for transplanting) authorized to permit the autopsy or post-mortem operation under the law of the State in which the facility is located.

(1) The authority of the Warden under this section may not be delegated below the level of Acting Warden.

(2) When the conducting of an autopsy requires permission of the family or next-of-kin, the following message is to be included in the telegram notifying the family or next-of-kin of the death: "Permission is requested to perform a complete autopsy". Also inform the family or next-of-kin that they may telegraph the institution *collect* with their response. Where permission is not received from the person (e.g., coroner or next-of-kin) authorized to permit the autopsy or post-mortem operation, an autopsy or post-mortem operation may not be performed under the conditions of this paragraph (b).

(c) In addition to the provisions of paragraphs (a) and (b) of this section, each institution also is expected to abide by the following procedures.

(1) Staff shall ensure that the state laws regarding the reporting of deaths are followed.

(2) Time is a critical factor in arranging for an autopsy, as this ordinarily must be performed within 48 hours. While a decision on an autopsy is pending, no action should be taken that will affect the validity of the autopsy results. Therefore, while the body may be released to a funeral home, this should be done only with the written understanding from the funeral home that no preparation for burial, including embalming, should be performed until a final decision is made on the need for an autopsy.

(3) Medical staff shall arrange for the approved autopsy to be performed.

(4) To the extent consistent with the needs of the autopsy or of specific scientific or medical tests, provisions of state and local laws protecting religious beliefs with respect to such autopsies are to be observed.

Subpart D—Urine Surveillance

SOURCE: 62 FR 45292, Aug. 26, 1997, unless otherwise noted.

§ 550.30 Purpose and scope.

The Warden shall establish programs of urine testing for drug use, to monitor specific groups or individual inmates who are considered as high risk for drug use, such as those involved in community activities, those with a history of drug use, and those inmates specifically suspected of drug use. Testing shall be performed with frequency determined by the Warden on at least 50 percent of those inmates who are involved in community activities. In addition, staff shall randomly sample each institution's inmate population during each month to test for drug use.

§ 550.31 Procedures.

(a) Staff of the same sex as the inmate tested shall directly supervise the giving of the urine sample. If an inmate is unwilling to provide a urine

sample within two hours of a request for it, staff ordinarily shall file an incident report. No waiting period or extra time need be allowed for an inmate who directly and specifically refuses to provide a urine sample. To eliminate the possibility of diluted or adulterated samples, staff shall keep the inmate under direct visual supervision during this two-hour period, or until a complete sample is furnished. To assist the inmate in giving the sample, staff shall offer the inmate eight ounces of water at the beginning of the two-hour time period. An inmate is presumed to be unwilling if the inmate fails to provide a urine sample within the allotted time period. An inmate may rebut this presumption during the disciplinary process.

(b) Institution staff shall determine whether a justifiable reason exists, (e.g., use of prescribed medication) for any positive urine test result. If the inmate's urine test shows a positive test result for the presence of drugs which cannot be justified, staff shall file an incident report.

Subpart E—Drug Services (Urine Surveillance and Counseling for Sentenced Inmates in Contract CTCs)

SOURCE: 48 FR 24624, June 1, 1983, unless otherwise noted.

§ 550.40 Purpose and scope.

The Bureau of Prisons requires that an inmate who is serving a sentence in a contract community treatment center (CTC) participate in a program of urine testing for drug use. An inmate who is serving a sentence in a contract CTC, and who has drug aftercare as a condition of release also shall receive drug counseling during the inmate's stay at the contract CTC.

§ 550.41 Urine surveillance.

A program of urine testing for drug use shall be established in contract CTCs.

(a) Urine surveillance shall be conducted on all inmates serving their sentence in a contract CTC:

(1) Who have drug aftercare as a condition of release;

(2) Who have a known history of drug abuse; or

(3) Who are suspected of using drugs. Center staff shall collect a minimum of six samples per month from an inmate who meets one or more of the criteria listed in paragraphs (a) (1) through (3) of this section.

(b) The Center Director shall establish a schedule for random collection for all other sentenced inmates not identified in paragraph (a) of this section.

§ 550.42 Procedures for urine surveillance.

(a) Contractor authorized personnel of the same sex as the inmate must witness collection of the inmate's urine sample. Inmates may not be involved in the collection, recording, mailing, or processing of the test results.

(b) If an inmate fails to provide a urine sample within two hours of a request for it, center staff may file a disciplinary report. To eliminate the possibility of diluted or adulterated samples, center staff shall keep the inmate under direct supervision during this two-hour period.

(c) Center staff shall have each positive urine test validated to substantiate the positive result. Center staff shall file a disciplinary report if the inmate's urine test shows a positive result for the presence of drugs which the inmate cannot satisfactorily justify to center staff.

(d) The results of disciplinary hearings and a copy of positive urine testing results which the inmate cannot satisfactorily justify to center staff shall be sent to the appropriate Regional U.S. Parole Commission Office, the Community Programs Manager (CPM), and the U.S. Probation Office.

§ 550.43 Drug counseling.

(a) Drug counseling shall be provided to sentenced inmates in contract community treatment centers who have drug aftercare as a condition of release.

(b) Counseling shall include a minimum of a 30-minute session each week, provided by qualified staff.

(c) Center staff shall document in the inmate's file the date and time of each counseling session. The counselor must

§ 550.44

prepare a monthly summary of each inmate's progress. This report shall be placed in the inmate's file.

§ 550.44 Procedures for arranging drug counseling.

The contract center staff shall hold a program planning conference with a sentenced inmate who has drug aftercare as a condition of release. At this meeting, held within one week of the inmate's arrival at the center, plans are made for the inmate to receive drug counseling. The meeting is attended by center staff, the inmate, and the Chief U.S. Probation Officer or designee.

Subpart F—Drug Abuse Treatment Programs

SOURCE: 59 FR 53343, Oct. 21, 1994, unless otherwise noted.

§ 550.50 Purpose and scope.

The Bureau of Prisons provides, subject to the availability of appropriated funds, drug abuse treatment programs to inmates.

[60 FR 27693, May 25, 1995]

§ 550.51 Institutional organization/staff roles and responsibilities.

(a) *Drug abuse treatment coordinator.* The Warden shall designate a drug abuse treatment coordinator for his/her institution.

(b) *Drug abuse treatment specialist.* All institutions shall employ a drug abuse treatment specialist. The drug abuse treatment specialist is responsible for providing drug abuse education and non-residential drug abuse treatment services to the inmate population, under the supervision of the drug abuse treatment coordinator. In institutions with residential drug abuse treatment programs, additional drug abuse treatment specialist staff are employed to provide treatment services on the residential drug abuse treatment unit.

§ 550.52 Admission and Orientation program.

Drug abuse treatment coordinators at all institutions shall ensure that inmates are informed during the Admission and Orientation program about

28 CFR Ch. V (7-1-98 Edition)

local and Bureau-wide drug abuse programming and treatment opportunities.

[60 FR 27693, May 25, 1995]

§ 550.53 Screening and referral.

A psychologist or drug abuse treatment specialist shall interview all new institution admissions for drug abuse problems. A record review will be performed by a case manager in the normal course of his/her duties. Based on these reviews and interviews, drug abuse treatment staff shall make an appropriate drug education/treatment referral.

§ 550.54 Requirements for drug abuse education course.

(a)(1) *Mandatory participation.* An inmate is required to participate in the drug abuse education course if he/she has been sentenced or returned to custody as a violator after September 30, 1991 and it is determined by unit and/or drug abuse treatment staff through a combination of interview and file review that:

(i) There is evidence in the Presentence Investigation that alcohol or other drug use contributed to the commission of the instant offense;

(ii) Alcohol or other drug use was a reason for violation either of supervised release, including parole, or BOP community status (CCC placement) for which the inmate is now incarcerated; or

(iii) The inmate was recommended for drug programming during incarceration by the sentencing judge.

(2) *Voluntary participation.* Inmates who are not required by paragraph (a)(1) of this section to participate in the drug abuse education course may request to participate voluntarily in the drug abuse education course when participant space is available. Volunteers must have the approval of the drug abuse treatment coordinator. Priority consideration shall be given to those inmates whose participation has been recommended by unit or treatment staff.

(b) *Sanctions.* An inmate who is required by paragraph (a)(1) of this section to participate in the drug abuse education course and who refuses participation, withdraws, is expelled, or

otherwise fails to meet the attendance and examination requirements shall be held at the lowest pay grade (Grade 4) within the institution and shall be ineligible for community programs. Inmates may be permitted to receive work promotions during their participation or while on a "waiting list" for the drug abuse education course. The Warden may make exceptions to the provisions of this paragraph for good cause with reasons for such exceptions documented in writing.

(c) *Exemptions.* An inmate may be exempted from the required drug abuse education course due to cognitive impairment or other learning disabilities only after evaluation and recommendation by a psychologist. An inmate may also be exempted from the drug abuse education course if that inmate does not have enough time remaining to serve to complete the drug abuse education course, or if that inmate volunteers for, enters and completes a residential drug abuse treatment program, or if he/she completes a structured drug abuse treatment program at one of the Bureau of Prisons' Intensive Confinement Centers (ICC).

(d) *Written consent.* All inmates who enter the drug abuse education course (whether as mandatory or as voluntary participants) are required to sign an agreement to participate prior to admission to the course.

(e) *Completion.* Completion of the drug abuse education course requires attendance and participation during course sessions and a passing grade on an examination given at the end of the course. Inmates required to participate in this course ordinarily are provided at least three chances to pass the final examination before privileges are lost or sanctions (see paragraph (b) of this section) are invoked. A certificate of achievement will be awarded to all who successfully complete the program. A copy of this certificate will be forwarded to the unit team for placement in the inmate's central file.

[59 FR 53343, Oct. 21, 1994, as amended at 60 FR 27694, May 25, 1995]

§ 550.55 Non-residential drug abuse treatment program.

Non-residential drug abuse treatment is provided at all institutions and ordi-

narily consists of individual and/or group counseling and self-help programming provided through the institution's Psychology Services department.

(a) *Eligibility.* An inmate must meet all of the following criteria to be eligible for the non-residential drug abuse treatment program.

(1) The inmate must have a verifiable documented drug abuse problem.

(2) The inmate must have no serious mental impairment which would substantially interfere with or preclude full participation in the program.

(3) The inmate must sign an agreement acknowledging his/her program responsibility.

(b) *Application/Referral/Placement.* Participation in the non-residential drug abuse treatment program is voluntary. An inmate may be referred for treatment by unit and/or drug treatment staff or may apply for these programs by submitting a request to a staff member (ordinarily, a member of the inmate's unit team or the drug abuse treatment coordinator). The decision on placement is made by the drug abuse treatment coordinator.

(c) *Withdrawal/expulsion.* An inmate may withdraw voluntarily from the program. The drug abuse treatment coordinator may remove an inmate from the program based upon disruptive or negative behavior.

[59 FR 53343, Oct. 21, 1994. Redesignated and amended at 60 FR 27694, May 25, 1995]

§ 550.56 Institution residential drug abuse treatment program.

Residential drug abuse treatment is available at selected Bureau of Prisons institutions. It is a course of individual and group activities provided by a team of drug abuse treatment specialists and the drug abuse treatment coordinator in a treatment unit set apart from the general prison population, lasting a minimum of 500 hours over a six to twelve-month period. Inmates enrolled in a residential drug abuse treatment program shall be required to complete subsequent transitional services programming in a community-based program and/or in a Bureau institution.

(a) *Eligibility.* An inmate must meet all of the following criteria to be eligible for the residential drug abuse treatment program.

(1) The inmate must have a verifiable documented drug abuse problem.

(2) The inmate must have no serious mental impairment which would substantially interfere with or preclude full participation in the program.

(3) The inmate must sign an agreement acknowledging his/her program responsibility.

(4) Ordinarily, the inmate must be within thirty-six months of release.

(5) The security level of the residential program institution must be appropriate for the inmate.

(b) *Application/Referral/Placement.* Participation in the residential drug abuse treatment program is voluntary. An inmate may be referred for treatment by unit or drug treatment staff or apply for the program by submitting a request to a staff member (ordinarily, a member of the inmate's unit team or the drug abuse treatment coordinator). The decision on placement is made by the drug abuse treatment coordinator.

(c) *Completion.* Completion of the residential drug abuse treatment program requires attendance and participation in scheduled individual and group activities and a passing grade on examinations covering each separate subject module of the program. An inmate who fails an examination on any subject module ordinarily shall be allowed to retest one time. A certificate of achievement will be awarded to all who successfully complete the program. A copy of this certificate will be forwarded to the unit team for placement in the inmate's central file.

(d) *Withdrawal/expulsion.* (1) An inmate may withdraw voluntarily from the program.

(2) The drug abuse treatment coordinator may remove an inmate from the program based upon disruptive behavior related to the program. Ordinarily, staff shall provide the inmate with at least one warning prior to removal. An inmate may not ordinarily be removed immediately without warning unless the inmate, pursuant to an incident report, is found by the DHO to have:

(i) Used or possessed alcohol or drugs;

(ii) Been violent or threatened violence against staff or another inmate; or

(iii) Committed a 100 level prohibited act.

(3) Withdrawal or removal from the residential program may result in the inmate's being returned to his/her prior institution (when the inmate had been specifically transferred for the purpose of program participation).

[60 FR 27694, May 25, 1995]

§ 550.57 Incentives for residential drug abuse treatment program participation.

(a) An inmate may receive incentives for his or her satisfactory involvement in the residential program. These incentives may include, but are not limited to, the following.

(1) Limited financial awards, based upon the inmate's achievement/completion of program phases.

(2) Consideration for the maximum period of time (currently 180 days) in a Community Corrections Center placement, provided the inmate is otherwise eligible for this designation.

(3) Local institution incentives such as preferred living quarters or special recognition privileges.

(4) If eligible under § 550.58, consideration for early release.

(b) An inmate must meet his/her financial program responsibility obligations (see 28 CFR part 545) prior to being able to receive an incentive for his/her residential program participation.

(c) Withdrawal or removal from the residential program may result in the loss of incentives previously achieved.

[60 FR 27694, May 25, 1995]

§ 550.58 Consideration for early release.

An inmate who was sentenced to a term of imprisonment pursuant to the provisions of 18 U.S.C. Chapter 227, Subchapter D for a nonviolent offense, and who is determined to have a substance abuse problem, and successfully completes a residential drug abuse treatment program during his or her current commitment may be eligible, in accordance with paragraph (a) of this section, for early release by a period not to exceed 12 months.

(a) *Additional early release criteria.* (1) As an exercise of the discretion vested in the Director of the Federal Bureau of Prisons, the following categories of inmates are not eligible for early release:

- (i) INS detainees;
- (ii) Pretrial inmates;
- (iii) Contractual boarders (for example, D.C., State, or military inmates);
- (iv) Inmates who have a prior felony or misdemeanor conviction for homicide, forcible rape, robbery, or aggravated assault, or child sexual abuse offenses;
- (v) Inmates who are not eligible for participation in a community-based program as determined by the Warden on the basis of his or her professional discretion;
- (vi) Inmates whose current offense is a felony:
 - (A) That has as an element, the actual, attempted, or threatened use of physical force against the person or property of another, or
 - (B) That involved the carrying, possession, or use of a firearm or other dangerous weapon or explosives (including any explosive material or explosive device), or
 - (C) That by its nature or conduct, presents a serious potential risk of physical force against the person or property of another, or
 - (D) That by its nature or conduct involves sexual abuse offenses committed upon children.

(2) An inmate who had successfully completed a Bureau of Prisons residential drug abuse treatment program before October 1, 1989 is otherwise eligible if:

- (i) Staff confirm that the completed program matches the treatment required by statute;
- (ii) The inmate signs an agreement acknowledging his/her program responsibility;
- (iii) The inmate completes a refresher treatment program and all applicable transitional services programs in a community-based program (i.e., in a Community Corrections Center or on home confinement); and
- (iv) Since completion of the program, the inmate has not been found to have committed a 100 level prohibited act and has not been found to have com-

mitted a prohibited act involving alcohol or drugs.

(3) An inmate who has successfully completed a Bureau of Prisons residential drug abuse treatment program on or after October 1, 1989 is otherwise eligible if:

- (i) The inmate completes all applicable transitional services programs in a community-based program (i.e., in a Community Corrections Center or on home confinement); and
- (ii) Since completion of the program, the inmate has not been found to have committed a 100 level prohibited act and has not been found to have committed a prohibited act involving alcohol or drugs.

(b) *Application*—(1) *Inmates currently enrolled.* Eligible inmates currently enrolled in a residential drug abuse treatment program shall automatically be considered for early release.

(c) *Length of reduction.* (1) Except as specified in paragraphs (c)(2) and (3) of this section, an inmate who is approved for early release may receive a reduction of up to 12 months.

(2) If the inmate has less than 12 months to serve after completion of all required transitional services, the amount of reduction may not exceed the amount of time left on service of sentence.

(3) If the inmate cannot fulfill his or her community-based treatment obligations by the presumptive release date, the Community Corrections Regional Administrator may adjust the presumptive release date by the minimum amount of time necessary to allow for fulfillment of the treatment obligations.

[60 FR 27695, May 25, 1995, as amended at 61 FR 25122, May 17, 1996; 62 FR 53691, Oct. 15, 1997]

§ 550.59 Transitional drug treatment services.

Transitional treatment programming is required for all inmates completing an institution's residential treatment program. Transitional treatment includes treatment provided to inmates who, upon completing the residential program, return to the general population of that or another institution or who are transferred to a community-based program. An inmate's refusal to participate in this program is considered a program failure and disqualifies the inmate for any additional incentives consideration, and may result in the inmate's redesignation.

(a) An inmate who successfully completes a residential drug abuse program and who participates in transitional treatment programming at an institution is required to participate in such programming for a minimum of one hour per month.

(b) An inmate who successfully completes a residential drug abuse program and who, based on eligibility, is transferred to a Community Corrections Center (CCC), is required to participate in a community-based treatment program, in addition to the required employment and other program activities of the CCC. The inmate's failure to meet the requirements of treatment may result in the inmate's being returned to the institution for refusing a program assignment.

(c) An inmate with a documented drug abuse problem but who did not choose to volunteer for the residential drug abuse program may be required to participate in transitional services as a condition of participation in a community-based program with the approval of the transitional services manager.

[60 FR 27694, May 25, 1995]

§ 550.60 Inmate appeals.

(a) Administrative remedy procedures for the formal review of a complaint relating to any aspect of an inmate's confinement (including the operation of the drug abuse treatment programs) are contained in 28 CFR part 542, subpart B.

(b) In order to expedite staff response, an inmate who has previously been found to be eligible for early re-

lease must, when filing an administrative remedy request pursuant to 28 part CFR 542, subpart B on an action which would result in the inmate's loss of early release eligibility, indicate in the first sentence of the request that the request affects the inmate's early release.

SOURCE: 49 FR 18385, Apr. 30, 1984, unless otherwise noted.

§ 551.10 Purpose and scope.

The Warden shall approve an inmate's request to marry except where a legal restriction to the marriage exists, or where the proposed marriage presents a threat to the security or good order of the institution, or to the protection of the public. The Warden may approve the use of institution facilities for an inmate's marriage ceremony. [49 FR 18385, Apr. 30, 1984, as amended at 58 FR 58248, Oct. 29, 1993]

§ 551.12 Eligibility to marry.

An inmate's request to marry shall be approved provided:

(a) The inmate is legally eligible to marry;

(b) The inmate is mentally competent;

(c) The intended spouse has verified, ordinarily in writing, an intention to marry the inmate; and

(d) The marriage poses no threat to institution security or good order, or to the protection of the public.

§ 551.13 Application to marry.

(a) A federal inmate confined in a Bureau institution who wants to get married shall submit a request to marry to the inmate's unit team. The unit team shall evaluate the request based on the criteria identified in § 551.12. A written report of the unit team's findings, and its recommendation, shall be forwarded to the Warden for a final decision.

(b) The Warden shall notify the inmate in writing whether the inmate's request to marry is approved or disapproved. A copy of this notification shall be placed in the inmate's central file. When the Warden's decision is to disapprove the inmate's request, the notification to the inmate shall include a statement of reason(s) for that action. The Warden shall advise the inmate that the decision may be appealed through the Administrative Remedy Procedure.

(c) All expenses of the marriage (for example, a marriage license) shall be paid by the inmate, the inmate's intended spouse, the inmate's family, or other appropriate source approved by the Warden. The Warden may not permit appropriated funds to be used for an inmate marriage.

§ 551.14 Special circumstances.

(a) *Detainers and pending charges.* Staff review of a marriage request from an inmate who has a detainer(s) and/or a pending charge(s) shall include an assessment of the legal effects of the marriage on these actions. For example, an inmate could request to marry a potential witness in litigation pending against that inmate. Approving this marriage could affect the status of this litigation.

(b) *Pretrial inmates.* A pretrial inmate may request permission to marry in accordance with the provisions of this rule. Staff shall contact the court, U.S.

The Warden may not delegate the authority to approve or to disapprove a marriage ceremony in the institution below the level of Acting Warden.

(b) Expenses for a marriage ceremony in the institution shall be paid by the inmate, the inmate's intended spouse, the inmate's family, or other appropriate source approved by the Warden. The Warden may not permit appropriated funds to be used for the marriage ceremony, except for those inherent in providing the place and supervision for the event. Upon request of the inmate, Bureau of Prisons or community clergy, or a justice of the peace may be authorized to assist in a marriage ceremony at the institution.

(l) The marriage ceremony may be performed by Bureau of Prisons or community clergy, or by a justice of the peace.

(2) Because of ecclesiastical constraints, Bureau of Prisons chaplains may decline to perform the marriage ceremony. Upon request of the inmate, a Bureau chaplain will assist that inmate in preparing for an approved marriage; for example, by providing, or arranging for an inmate to receive, pre-nuptial marriage counseling.

Subpart A [Reserved]

Subpart B—Searches of Housing Units, Inmates, and Inmate Work Areas

SOURCE: 45 FR 75134, Nov. 13, 1980, unless otherwise noted.

§ 552.10 Purpose and scope.

In order to further the safe, secure, and orderly running of its institutions, the Bureau of Prisons conducts searches of inmates and of inmate housing and work areas to locate contraband and to deter its introduction and movement. Staff shall employ the least intrusive method of search practicable, as indicated by the type of contraband and the method of suspected introduction.

§ 552.11 Body searches of inmates.

(a) *Pat search*— an inspection of an inmate, using the hands, that does not require the inmate to remove clothing. The inspection includes a search of the inmate's clothing and personal effects. A metal detector search may be done under the same circumstances. Staff may conduct a pat search of an inmate on a routine or random basis to control contraband.

(b) *Visual search*— a visual inspection of all body surfaces and body cavities.

(1) Staff may conduct a visual search where there is reasonable belief that contraband may be concealed on the person, or a good opportunity for concealment has occurred. For example, placement in a special housing unit (see 28 CFR part 541, subpart B), leaving the institution, or re-entry into an institution after contact with the public (after a community trip, court

transfer, or after a “contact” visit in a visiting room) is sufficient to justify a visual search. The visual search shall be made in a manner designed to assure as much privacy to the inmate as practicable.

(2) Staff of the same sex as the inmate shall make the search, except where circumstances are such that delay would mean the likely loss of contraband. Where staff of the opposite sex makes a visual search, staff shall document the reasons for the opposite sex search in the inmate’s central file.

(c) *Digital or simple instrument search*—inspection for contraband or any other foreign item in a body cavity of an inmate by use of fingers or simple instruments, such as an otoscope, tongue blade, short nasal speculum, and simple forceps. A digital or simple instrument search may be conducted only by designated qualified health personnel (for example, physicians, physician assistants, and nurses) upon approval of the Warden or Acting Warden and only if the Warden or Acting Warden has reasonable belief that an inmate is concealing contraband in or on his person. If located, the contraband or foreign item may be removed immediately by medical staff if such removal can easily be effected by use of fingers or the simple instruments referred to above. Staff shall document all digital and simple instrument searches and the reasons for the searches in the inmate’s central file.

(1) Staff shall solicit the inmate’s written consent prior to conducting a digital or simple instrument search. However, the inmate’s consent is not required.

(2) Staff may not conduct a digital or simple instrument search if it is likely to result in physical injury to the inmate.

[45 FR 75134, Nov. 13, 1980, as amended at 48 FR 48970, Oct. 21, 1983; 56 FR 21036, May 6, 1991]

§ 552.12 Close observation.

When there is reasonable belief that an inmate has ingested contraband or concealed contraband in a body cavity and the methods of search specified in § 552.11 are inappropriate or likely to result in physical injury to the inmate, the Warden or designee may authorize

the placement of an inmate in a room or cell for the purpose of staff’s closely observing that inmate until the inmate has voided the contraband or until sufficient time has elapsed to preclude the possibility that the inmate is concealing contraband.

(a) The length of close observation status will be determined on an individual basis. Ordinarily, the Captain, in consultation with qualified health personnel, shall determine when termination is appropriate. The status of an inmate under close observation for as long as three days must be reviewed by the Segregation Review Official according to the provisions in § 541.22(c) of this chapter, and the initial SRO review conducted within three work days shall be a formal hearing. Maintaining an inmate under close observation beyond seven days requires approval of the Warden, who makes this decision in consultation with the Captain and qualified health personnel.

(b) The supervising staff member shall be the same sex as the inmate and shall maintain complete and constant visual supervision of the inmate.

(c) The supervisor responsible for initiating the close observation watch shall advise the inmate of the conditions and of what is expected.

(1) The inmate shall be required to provide a urine sample within two hours of placement under close observation in accordance with the provisions of § 550.30 of this chapter on urine surveillance. A second urine sample is required prior to releasing the inmate from close observation.

(2) The light will be kept on at all times.

(3) No inmate under close observation status may be allowed to come into contact with another inmate.

(4) The inmate ordinarily may not be allowed personal property while under close observation status, except legal and personal mail and a reasonable amount of legal materials when requested. Personal hygiene items will be controlled by staff.

(5) When the inmate is lying on a bed, the inmate shall be required to lie on top of the mattress in full view, weather and room temperature permitting. When necessary for the inmate to use cover, hands must remain visible at all

times so that staff can observe any attempt to move contraband.

(6) Due to security concerns, the inmate ordinarily may not be permitted recreation outside of the cell.

(7) The inmate is to be served the same meals as those served to the general population, unless medically contraindicated.

(8) No medications may be given to the inmate except for those prescribed and given by hospital personnel. No laxatives may be given except natural laxatives, i.e., coffee, prune juice, etc.

(9) When the inmate needs to urinate and/or defecate, the inmate will be furnished an empty hospital bed pan.

(10) When the inmate requests to shave, to brush teeth, or other such request, a wash pan and container of water is to be provided for use in the cell.

(11) Institution staff shall be available to the inmate upon request, within reason and within the bounds of security concerns.

[56 FR 21036, May 6, 1991]

§ 552.13 X-ray, major instrument, fluoroscope, or surgical intrusion.

(a) The institution physician may authorize use of a fluoroscope, major instrument (including anoscope or vaginal speculum), or surgical intrusion for medical reasons only, with the inmate's consent.

(b) The institution physician may authorize use of an X-ray for medical reasons and only with the consent of the inmate. When there exists no reasonable alternative, and an X-ray examination is determined necessary for the security, good order, or discipline of the institution, the Warden, upon approval of the Regional Director, may authorize the institution physician to order a non-repetitive X-ray examination for the purpose of determining if contraband is concealed in or on the inmate (for example: in a cast or body cavity). The X-ray examination may not be performed if it is determined by the institution physician that it is likely to result in serious or lasting medical injury or harm to the inmate. Staff shall place documentation of the examination and the reasons for the examination in the inmate's central file and medical file.

(1) The Warden and Regional Director or persons officially acting in that capacity may not redelegate the authority to approve an X-ray examination for the purpose of determining if contraband is present. An Acting Warden or Acting Regional Director may, however, perform this function.

(2) Staff shall solicit the inmate's consent prior to the X-ray examination. However, the inmate's consent is not required.

(c) The Warden may direct X-rays of inanimate objects where the inmate is not exposed.

§ 552.14 Search of inmate housing and work areas.

(a) Staff may search an inmate's housing and work area, and personal items contained within those areas, without notice to or prior approval from the inmate and without the inmate's presence.

(b) Staff conducting the search shall leave the housing or work area as nearly as practicable in its original order.

Subpart C—Use of Force and Application of Restraints on Inmates

SOURCE: 54 FR 21394, May 17, 1989, unless otherwise noted.

§ 552.20 Purpose and scope.

The Bureau of Prisons authorizes staff to use force only as a last alternative after all other reasonable efforts to resolve a situation have failed. When authorized, staff must use only that amount of force necessary to gain control of the inmate, to protect and ensure the safety of inmates, staff, and others, to prevent serious property damage and to ensure institution security and good order. Staff are authorized to apply physical restraints necessary to gain control of an inmate who appears to be dangerous because the inmate:

- (a) Assaults another individual;
- (b) Destroys government property;

§ 552.21

- (c) Attempts suicide;
- (d) Inflicts injury upon self; or
- (e) Becomes violent or displays signs of imminent violence.

This rule on application of restraints does not restrict the use of restraints in situations requiring precautionary restraints, particularly in the movement or transfer of inmates (e.g., the use of handcuffs in moving inmates to and from a cell in detention, escorting an inmate to a Special Housing Unit pending investigation, etc.).

[59 FR 30469, June 13, 1994, as amended at 61 FR 39800, July 30, 1996]

§ 552.21 Types of force.

(a) *Immediate use of force.* Staff may immediately use force and/or apply restraints when the behavior described in § 552.20 constitutes an immediate, serious threat to the inmate, staff, others, property, or to institution security and good order.

(b) *Calculated use of force and/or application of restraints.* This occurs in situations where an inmate is in an area that can be isolated (e.g., a locked cell, a range) and where there is no immediate, direct threat to the inmate or others. When there is time for the calculated use of force or application of restraints, staff must first determine if the situation can be resolved without resorting to force (see § 552.23).

(c) *Use of Force Team Technique.* If use of force is determined to be necessary, and other means of gaining control of an inmate are deemed inappropriate or ineffective, then the Use of Force Team Technique shall be used to control the inmate and to apply soft restraints, to include ambulatory leg restraints. The Use of Force Team Technique ordinarily involves trained staff, clothed in protective gear, who enter the inmate's area in tandem, each with a coordinated responsibility for helping achieve immediate control of the inmate.

(d) *Exceptions.* Any exception to this rule is prohibited, except where the facts and circumstances known to the staff member would warrant a person using sound correctional judgment to reasonably believe other action is necessary (as a last resort) to prevent serious physical injury, or serious property damage which would immediately en-

28 CFR Ch. V (7-1-98 Edition)

danger the safety of staff, inmates, or others.

[59 FR 30469, June 13, 1994, as amended at 61 FR 39800, July 30, 1996]

§ 552.22 Principles governing the use of force and application of restraints.

(a) Staff ordinarily shall first attempt to gain the inmate's voluntary cooperation before using force.

(b) Force may not be used to punish an inmate.

(c) Staff shall use only that amount of force necessary to gain control of the inmate. Situations when an appropriate amount of force may be warranted include, but are not limited to:

(1) Defense or protection of self or others;

(2) Enforcement of institutional regulations; and

(3) The prevention of a crime or apprehension of one who has committed a crime.

(d) Where immediate use of restraints is indicated, staff may temporarily apply such restraints to an inmate to prevent that inmate from hurting self, staff, or others, and/or to prevent serious property damage. When the temporary application of restraints is determined necessary, and after staff have gained control of the inmate, the Warden or designee is to be notified immediately for a decision on whether the use of restraints should continue.

(e) Staff may apply restraints (for example, handcuffs) to the inmate who continues to resist after staff achieve physical control of that inmate, and may apply restraints to any inmate who is placed under control by the Use of Force Team Technique. If an inmate in a forcible restraint situation refuses to move to another area on his own, staff may physically move that inmate by lifting and carrying the inmate to the appropriate destination.

(f) Restraints should remain on the inmate until self-control is regained.

(g) Except when the immediate use of restraints is required for control of the inmate, staff may apply restraints to, or continue the use of progressive restraints on, an inmate while in a cell in administrative detention or disciplinary segregation only with approval of the Warden or designee.

(h) Restraint equipment or devices (e.g., handcuffs) may not be used in any of the following ways:

(1) As a method of punishing an inmate.

(2) About an inmate's neck or face, or in any manner which restricts blood circulation or obstructs the inmate's airways.

(3) In a manner that causes unnecessary physical pain or extreme discomfort.

(4) To secure an inmate to a fixed object, such as a cell door or cell grill, except as provided in § 552.24.

(i) Medication may not be used as a restraint solely for security purposes.

(j) All incidents involving the use of force and the application of restraints (as specified in § 552.27) must be carefully documented.

[54 FR 21394, May 17, 1989. Redesignated and amended at 59 FR 30469, 30470, June 13, 1994; 61 FR 39800, July 30, 1996]

§ 552.23 Confrontation avoidance procedures.

Prior to any calculated use of force, the ranking custodial official (ordinarily the Captain or shift Lieutenant), a designated mental health professional, and others shall confer and gather pertinent information about the inmate and the immediate situation. Based on their assessment of that information, they shall identify a staff member(s) to attempt to obtain the inmate's voluntary cooperation and, using the knowledge they have gained about the inmate and the incident, determine if use of force is necessary.

[59 FR 30470, June 13, 1994]

§ 552.24 Use of four-point restraints.

When the Warden determines that four-point restraints are the only means available to obtain and maintain control over an inmate, the following procedures must be followed:

(a) Soft restraints (e.g., vinyl) must be used to restrain an inmate, unless:

(1) Such restraints previously have proven ineffective with respect to that inmate, or

(2) Such restraints are proven ineffective during the initial application procedure.

(b) Inmates will be dressed in clothing appropriate to the temperature.

(c) Beds will be covered with a mattress, and a blanket/sheet will be provided to the inmate.

(d) Staff shall check the inmate at least every 15 minutes, both to ensure that the restraints are not hampering circulation and for the general welfare of the inmate. When an inmate is restrained to a bed, staff shall periodically rotate the inmate's position to avoid soreness or stiffness.

(e) A review of the inmate's placement in four-point restraints shall be made by a Lieutenant every two hours to determine if the use of restraints has had the required calming effect and so that the inmate may be released from these restraints (completely or to lesser restraints) as soon as possible. At every two-hour review, the inmate will be afforded the opportunity to use the toilet, unless the inmate is continuing to actively resist or becomes violent while being released from the restraints for this purpose.

(f) When the inmate is placed in four-point restraints, qualified health personnel shall initially assess the inmate to ensure appropriate breathing and response (physical or verbal). Staff shall also ensure that the restraints have not restricted or impaired the inmate's circulation. When inmates are so restrained, qualified health personnel ordinarily are to visit the inmate at least twice during each eight hour shift. Use of four-point restraints beyond eight hours requires the supervision of qualified health personnel. Mental health and qualified health personnel may be asked for advice regarding the appropriate time for removal of the restraints.

(g) When it is necessary to restrain an inmate for longer than eight hours, the Warden (or designee) or institution administrative duty officer shall notify the Regional Director or Regional Duty Officer by telephone.

[54 FR 21394, May 17, 1989. Redesignated and amended at 59 FR 30469, 30470, June 13, 1994; 61 FR 39800, July 30, 1996]

§ 552.25 Use of chemical agents or non-lethal weapons.

The Warden may authorize the use of chemical agents or non-lethal weapons only when the situation is such that the inmate:

§ 552.26

- (a) Is armed and/or barricaded; or
- (b) Cannot be approached without danger to self or others; and
- (c) It is determined that a delay in bringing the situation under control would constitute a serious hazard to the inmate or others, or would result in a major disturbance or serious property damage.

[54 FR 21394, May 17, 1989. Redesignated and amended at 59 FR 30469, 30470, June 13, 1994]

§ 552.26 Medical attention in use of force and application of restraints incidents.

(a) In immediate use of force situations, staff shall seek the assistance of mental health or qualified health personnel upon gaining physical control of the inmate. When possible, staff shall seek such assistance at the onset of the violent behavior. In calculated use of force situations, the use of force team leader shall seek the guidance of qualified health personnel (based upon a review of the inmate's medical record) to identify physical or mental problems. When mental health staff or qualified health personnel determine that an inmate requires continuing care, and particularly when the inmate to be restrained is pregnant, the deciding staff shall assume responsibility for the inmate's care, to include possible admission to the institution hospital, or, in the case of a pregnant inmate, restraining her in other than face down four-point restraints.

(b) After any use of force or forcible application of restraints, the inmate shall be examined by qualified health personnel, and any injuries noted, immediately treated.

[61 FR 39801, July 30, 1996]

§ 552.27 Documentation of use of force and application of restraints incidents.

Staff shall appropriately document all incidents involving the use of force, chemical agents, or non-lethal weapons. Staff shall also document, in writing, the use of restraints on an inmate who becomes violent or displays signs of imminent violence. A copy of the report shall be placed in the inmate's central file.

Subpart D—Hostage Situation Management

SOURCE: 61 FR 38042, July 22, 1996, unless otherwise noted.

§ 552.30 Purpose and scope.

The Bureau of Prisons primary objectives in all hostage situations are to safely free the hostage(s) and to regain control of the institution.

§ 552.31 Negotiations.

The Warden is not ordinarily involved directly in the negotiation process. Instead, this responsibility is ordinarily assigned to a team of individuals specifically trained in hostage negotiation techniques.

(a) Negotiators have no decision-making authority in hostage situations, but rather serve as intermediaries between hostage takers and command center staff.

(b) During the negotiation process, the following items are non-negotiable: release of captors from custody, providing of weapons, exchange of hostages, and immunity from prosecution.

§ 552.32 Hostages.

Captive staff have no authority and their directives shall be disregarded.

§ 552.33 Media.

The Warden shall assign staff to handle all news releases and news media inquiries in accordance with the rule on Contact with News Media (see 28 CFR 540.65).

Subpart E—Suicide Prevention Program

SOURCE: 55 FR 17355, Apr. 24, 1990, unless otherwise noted.

§ 552.40 Purpose and scope.

The Bureau of Prisons provides guidelines for the management of potentially suicidal inmates. While suicides cannot be totally eliminated, the Bureau of Prisons is responsible for monitoring the health and welfare of individual inmates and for ensuring that procedures are pursued to help preserve life.

§ 552.41 Policy.

Each Bureau of Prisons institution, other than medical centers, will implement a suicide prevention program which conforms to the procedures outlined in this rule. Each Bureau of Prisons medical center is to develop specific written procedures, consistent with the specialized nature of the institution and the intent of this rule.

§ 552.42 Program Coordinator.

Each Warden shall designate in writing a full-time staff member to serve as Program Coordinator for an institution Suicide Prevention Program. The Program Coordinator shall be responsible for managing the treatment of suicidal inmates and for ensuring that the institution's suicide prevention program conforms to the guidelines for training, identification, referral, and assessment/intervention outlined in this rule.

§ 552.43 Procedures.

(a) *Training.* The Program Coordinator will ensure that all staff will be trained (ordinarily by psychology services personnel) to recognize signs indicative of a potential suicide, the appropriate referral process, and suicide prevention techniques.

(b) *Identification.* All newly admitted inmates will be screened by a physician's assistant (PA) ordinarily within twenty-four hours of admission to the institution for both obvious and subtle signs of potential for suicide. Except for inmates confined at Metropolitan Correctional Centers, Federal Detention Centers or in Federal Detention Units, psychology staff will conduct a second, more comprehensive appraisal, ordinarily within 14 days of the inmate's admission to the institution.

(c) *Referral.* During regular working hours staff shall immediately advise the Program Coordinator of any inmate who exhibits behavior indicative of suicide potential. In emergency situations or during non-routine working hours, the potentially suicidal individual will be placed on formal suicide watch pending evaluation by the Program Coordinator or delegatee at his or her earliest opportunity.

(d) *Assessment/Intervention.* There are varying degrees of potential for suicidal and other deliberate self-injurious

behavior which may necessitate a variety of clinical interventions other than placing an inmate on suicide watch. These recommendations might include heightened staff or inmate interaction, a room/cell change, greater observation, or referral for psychotropic medication.

(1) *Non-suicidal inmates.* If the Program Coordinator determines that the inmate does not appear imminently suicidal, he/she shall document in writing the basis for this conclusion and any treatment recommendations made. This documentation is placed in the inmate's medical, psychology, and central file.

(2) *Suicidal inmates.* If the Program Coordinator determines the individual to have an imminent potential for suicide, the inmate will be placed on suicide watch in the institution's designated suicide prevention room. The actions and findings of the Program Coordinator will be documented, with copies going to the central file, medical record, psychology file, and the Warden. The inmate on watch will ordinarily be seen by the Program Coordinator on at least a daily basis. Unit staff will have frequent contact with the inmate while he/she is on watch. Only the Program Coordinator will have the authority to remove an inmate from suicide watch. Termination of the watch will be documented with copies to the central file, medical record, psychology file, and the Warden. There should be a clear description of the resolution of the crisis and guidelines for follow-up care.

§ 552.44 Housing suicidal inmates.

Inmates on watch will be placed in the institution's designated suicide prevention room, a non-administrative detention/segregation cell ordinarily located in the health services area. Despite the cell's location, the inmate will not be admitted as an in-patient unless there are medical indications that would necessitate immediate hospitalization.

§ 552.45 Authority and responsibility.

The Program Coordinator will have responsibility for determining the specific conditions of the watch.

§ 552.46

§ 552.46 Suicide watches.

(a) *Requirements for watches.* Individuals assigned to suicide watch will have verbal communication with, and CONSTANT observation of, the suicidal inmate at all times.

(b) *Inmate companions.* Any institution, at the Warden's discretion, may utilize inmates as companions to help monitor suicidal inmates. If the Warden authorizes a companion program, the Program Coordinator will be responsible for the selection, training, assignment, and removal of individual companions. These companions will receive at least semi-annual training in program procedures and purpose. Inmates selected as companions shall receive performance pay for time spent monitoring a potentially suicidal inmate. The authorization for the use of inmate companions is to be made in writing by the Warden on a case-by-case basis.

§ 552.47 Custodial issues.

The Program Coordinator will arrange for a potentially suicidal inmate to be removed from Special Housing Unit status prior to completion of his/her administrative detention or sanction and placed on suicide watch. Once the suicide crisis is over, the inmate will be expected to satisfy the administrative detention or Disciplinary Segregation sanction unless the Segregation Review Official finds the completion of the administrative detention or sanction no longer necessary and/or advisable.

§ 552.48 Transfer of inmates to other institutions.

The Program Coordinator will be responsible for making emergency referrals of suicidal inmates to the appropriate medical center. No inmate who is determined to be imminently suicidal will be transferred to another institution, except to a medical center on an emergency basis.

§ 552.49 Analysis of suicides.

If an inmate suicide does occur, the Program Coordinator will immediately notify the Regional Administrator, Psychology Services, who will arrange for a psychological reconstruction of

28 CFR Ch. V (7-1-98 Edition)

the suicide to be completed by a psychologist from another institution.

SOURCE: 48 FR 19573, Apr. 29, 1983, unless otherwise noted.

Subpart A [Reserved]

Subpart B—Inmate Personal Property

§ 553.10 Purpose and scope.

It is the policy of the Bureau of Prisons that an inmate may possess only that property which the inmate is authorized to retain upon admission to the institution, which is issued while the inmate is in custody, which the inmate purchases in the institution commissary, or which is approved by staff to be mailed to, or otherwise received by an inmate. These rules contribute to the management of inmate personal property in the institution, and contribute to a safe environment for staff and inmates by reducing fire hazards, security risks, and sanitation problems which relate to inmate personal property. Consistent with the mission of the institution, each Warden shall identify in writing that personal property which may be retained by an inmate.

§ 553.11 Limitations on inmate personal property.

(a) *Storage space.* Staff shall set aside space within each housing area for use by an inmate. The designated area

shall include a locker or other securable area in which the inmate may store authorized personal property. The inmate shall be allowed to purchase an approved locking device for personal property storage in regular living units.

(1) Staff may allow an inmate to retain that authorized personal property which the inmate may neatly and safely store in the designated area.

(2) Staff may not allow an inmate to accumulate materials to the point where the materials become a fire, sanitation, security, or housekeeping hazard.

(b) *Clothing.* Staff may allow an inmate to retain that clothing, whether civilian (at institutions where authorized) or institution, which the inmate is able to neatly store in the space provided.

(c) *Special purchase items.* Staff may authorize an inmate to retain special purchase items provided the items are able to be stored within the designated storage area.

(d) *Legal materials.* Staff may allow an inmate to possess legal materials in accordance with the provisions on inmate legal activities (see §543.11 of this chapter).

(e) *Hobbycraft materials.* Staff shall limit an inmate's hobby shop projects within the cell or living area to those projects which the inmate may store in designated personal property containers. Staff may make an exception for an item (for example, a painting) where size would prohibit placing the item in a locker. This exception is made with the understanding that the placement of the item is at the inmate's own risk. Staff shall require that hobby shop items be removed from the living area when completed, and be disposed of in accordance with the provisions of part 544, subpart D.

(f) *Commissary items.* Commissary items must be neatly stored in the designated storage space.

(g) *Radios and watches.* An inmate may possess only one approved radio and one approved watch at a time. The inmate must be able to demonstrate proof of ownership. An inmate who purchases a radio or watch through a Bureau of Prisons commissary is ordinarily permitted the use of that radio

or watch at any Bureau institution if the inmate is later transferred. If the inmate is not allowed to use the radio or watch at the new institution, the inmate shall be permitted to mail, at the receiving institution's expense, the radio or watch to a destination of the inmate's choice. Where the inmate refuses to provide a mailing address, the radio and/or watch may be disposed of through approved methods, including destruction of the property.

(h) *Correspondence and reading materials.* An inmate may retain those books, letters, newspapers, etc., which can be neatly and safely contained or stored in the designated storage space. Educational materials or current correspondence courses are exempt from this requirement.

(i) *Personal photos.* An inmate may possess photographs, subject to the limitations of paragraph (a) of this section, and so long as they are not detrimental to personal safety or security, or to the good order of the institution.

[48 FR 19573, Apr. 29, 1983, as amended at 62 FR 4894, Jan. 31, 1997]

§ 553.12 Contraband.

(a) Staff shall consider an item possessed by an inmate to be contraband unless the inmate was authorized to retain the item upon admission to the institution, the item was issued by authorized staff, purchased by the inmate from the commissary, or purchased or received through approved channels (to include approved for receipt by an authorized staff member or authorized by institution guidelines).

(b) There are two types of contraband.

(1) Staff shall consider as hard contraband any item which poses a serious threat to the security of an institution and which ordinarily is not approved for possession by an inmate or for admission into the institution. Examples of hard contraband include weapons, intoxicants, and currency (where prohibited).

(2) Staff shall consider as nuisance contraband any item other than hard contraband, which has never been authorized, or which may be, or which previously has been authorized for possession by an inmate, but whose possession is prohibited when its condition

or excessive quantities of it present a health, fire, or housekeeping hazard. Examples of nuisance contraband include excessive accumulation of commissary, newspapers, letters, or magazines which cannot be stored neatly and safely in the designated area, food items which are spoiled or retained beyond the point of safe consumption, government-issued items which have been altered, or other items made from government property without staff authorization. Altered personal property may be considered nuisance contraband when it is determined to adversely affect institution security, safety, or good order.

§ 553.13 Procedures for handling contraband.

(a) Staff shall seize any item in the institution which has been identified as contraband whether the item is found in the physical possession of an inmate, in an inmate's living quarters, or in common areas of the institution.

(b) Staff shall dispose of items seized as contraband in accordance with the following procedures.

(1) Staff shall return to the institution's issuing authority any item of government property seized as contraband, except where the item is needed as evidence for disciplinary action or criminal prosecution. In such cases, staff may retain the seized property as evidence.

(2) Items of personal property confiscated by staff as contraband are to be inventoried and stored pending identification of the true owner (if in question) and possible disciplinary action. Following an inventory of the confiscated items, staff shall employ the following procedures.

(i) Staff shall provide the inmate with a copy of the inventory as soon as practicable. A copy of this inventory shall also be placed in the inmate's central file.

(ii) The inmate shall have seven days following receipt of the inventory to provide staff with evidence of ownership of the listed items. A claim of ownership may not be accepted for an item made from the unauthorized use of government property. Items obtained from another inmate (for example, through purchase, or as a gift)

without staff authorization may be considered nuisance contraband for which a claim of ownership is ordinarily not accepted.

(iii) If the inmate establishes ownership, but the item is identified as contraband, staff shall mail such items (other than hard contraband), at the inmate's expense, to a destination of the inmate's choice. The Warden or designee may authorize the institution to pay the cost of such mailings where the inmate has insufficient funds and no likelihood of new funds being received. Where the inmate has established ownership of a contraband item, but is unwilling, although financially able to pay postage, or refuses to provide a mailing address for return of the property, the property is to be disposed of through approved methods, including destruction of the property.

(iv) If the inmate is unable to establish ownership, staff shall make reasonable efforts to identify the owner of the property before any decision to destroy the property is made.

(v) Staff shall prepare and retain written documentation describing any items destroyed and the reasons for such action.

(vi) Where disciplinary action is appropriate, staff shall delay disposition of property until completion of such action (including appeals).

(c) Staff shall retain items of hard contraband for disciplinary action or prosecution or both. The contraband items may be delivered to law enforcement personnel for official use. When it is determined that the item is not needed for criminal prosecution, the hard contraband shall be destroyed as provided in paragraph (b)(2)(v) of this section. Written documentation of the destruction shall be maintained for at least two years.

(d) Staff may not allow an inmate to possess funds in excess of established institutional limits. Staff shall deliver to the cashier any cash or negotiable instruments found in an inmate's possession which exceed the institution's allowable limits. Funds determined to be contraband shall be confiscated for crediting to the U.S. Treasury.

(1) Where disciplinary action against the inmate is appropriate, staff shall delay final disposition of the funds

until such action (including appeals) is completed.

(2) Prior to a decision on the disposition of funds, staff shall allow the inmate a reasonable amount of time to prove ownership.

§ 553.14 Inmate transfer between institutions.

When the institution to which an inmate is transferred has less available storage space than the sending institution, staff at the receiving institution shall arrange for the inmate's excess personal property to be mailed to a destination of the inmate's choice (other than the sending institution). The receiving institution shall bear the expense for this mailing. Where the inmate refuses to provide a mailing address for return of the property, the property is to be disposed of through approved methods, including destruction of the property.

§ 553.15 Limitations on personal property—medical transfers.

The Warden shall set a limit on the amount of personal property that may accompany an inmate transferring to a medical facility. For purpose of this rule, a medical facility is one which provides observation and/or treatment of a medical, surgical, or psychiatric nature, or any combination of these. Such medical transfers are ordinarily of a short-term duration (30–120 days).

(a) The Wardens of the sending and receiving institutions shall allow the inmate to retain those legal materials specifically needed in respect to ongoing litigation. Questions as to the need for such material may be referred to Regional Counsel.

(b) The Warden of the sending institution shall designate a secure location for storage of all inmate personal property not accompanying the inmate.

(c) Personal property permitted in the sending institution, but not in the receiving institution, shall either be retained at the sending institution or

be mailed to a destination of the inmate's choice.

(1) If the inmate is expected to return to the sending institution within 120 days of transfer, staff shall advise the inmate that property not allowed in the medical facility may be held at the sending institution or sent to a destination of the inmate's choice (other than the medical facility), at the inmate's expense. Where lack of space prevents retention of the inmate's property at the sending institution, that institution shall pay postage costs connected with mailing the inmate's property to a destination of the inmate's choice. Where lack of space prevents the retention of the inmate's property at the sending institution, and the inmate refuses to provide a mailing address for return of the property, the property is to be disposed of through approved methods, including destruction of the property.

(2) The inmate's property may be sent with the inmate to the medical facility when the inmate is not expected to return to the sending institution, will be at the medical facility over 120 days, or for any other justified reason. The Warden at the sending institution shall prepare and place in the inmate's central file written documentation for forwarding the inmate's personal property.

(d) The Warden of the medical facility shall return an inmate's personal property ordinarily in the same or equivalent size container as originally used by the sending institution. Property accumulated over that amount, at the option of the inmate, will either be sent to a destination selected by the inmate, at the inmate's expense, donated, or destroyed. If the inmate is financially able but refuses to pay for the mailing, or if the inmate refuses to provide a mailing address for forwarding of the property, the property is to be disposed of through approved methods, including destruction of the property.

Subpart C—Furloughs

SOURCE: 46 FR 34552, July 1, 1981, unless otherwise noted.

§ 570.30 Purpose and scope.

The furlough program of the Bureau of Prisons is intended to help the inmate to attain correctional goals. A furlough is not a right, but a privilege granted an inmate under prescribed conditions. It is not a reward for good behavior, nor a means to shorten a criminal sentence.

[46 FR 34552, July 1, 1981, as amended at 59 FR 3510, Jan. 21, 1994]

§ 570.31 Definitions.

(a) A *furlough* is an authorized absence from an institution by an inmate who is not under escort of a staff mem-

ber, U.S. Marshal, or state or federal agents. The two types of furlough are:

(1) *Day furlough*— A furlough within the geographic limits of the commuting area of the institution (approximately a 100-mile radius), which lasts 16 hours or less and ends before midnight.

(2) *Overnight furlough*— A furlough which falls outside or beyond the criteria of a day furlough.

(b) An *anticipated release date*, for purposes of this rule, refers to the first of the following dates which applies to an inmate requesting a furlough:

(1) The inmate's mandatory (statutory) release date;

(2) The inmate's minimum expiration date;

(3) The inmate's presumptive parole date; or

(4) The inmate's effective parole date.

[46 FR 34552, July 1, 1981, as amended at 48 FR 45051, Sept. 30, 1983; 59 FR 3510, Jan. 21, 1994]

§ 570.32 Justification for furlough.

(a) The authority to approve furloughs in Bureau of Prisons institutions is delegated to the Warden or Acting Warden. This authority may not be further delegated. An inmate may be authorized a furlough:

(1) To be present during a crisis in the immediate family, or in other urgent situations;

(2) To participate in the development of release plans;

(3) To reestablish family and community ties;

(4) To participate in selected educational, social, civic, religious, and recreational activities which will facilitate release transition;

(5) To transfer directly to another institution or to a non-federal facility;

(6) To appear in court in connection with a civil action;

(7) To comply with an official request to appear before a grand jury, or to comply with a request from a legislative body or regulatory or licensing agency;

(8) To appear in a criminal court proceeding, but only when the use of a furlough is requested or recommended by the applicable court or prosecuting attorney; or

(9) To participate in special training courses or in institution work assignments, including Federal Prison Industries (FPI) work assignments, of 30 calendar days or less, when daily commuting from the institution is not feasible.

(b) The Warden may recommend a furlough for an inmate to obtain necessary medical, surgical, psychiatric, or dental treatment not otherwise available. In addition to the recommendation of the Warden, a furlough of this nature requires the recommendation of the Chief Medical Officer (Chief of Health Programs). Approval for a furlough of this type occurs in one of the following ways:

(1) Staff shall contact the Regional Health Services Administrator for approval when the cost of medical care is at the expense of the government. In case of medical emergency, staff may authorize a furlough for hospitalization and shall notify the Regional Health Services Administrator as soon after the emergency admission as possible.

(2) When medical care expenditures are borne by the inmate, or other non-governmental source, the furlough request requires the approval of the Medical Director and the Assistant Director, Correctional Programs Division.

(c) The Warden may refer a request for a furlough in other situations through the Regional Director to the Assistant Director, Correctional Programs Division for approval.

[46 FR 34552, July 1, 1981, as amended at 48 FR 45051, Sept. 30, 1983; 59 FR 3510, Jan. 21, 1994]

§ 570.33 Expenses of furlough.

(a) Except as provided in paragraphs (b) and (c) of this section, the inmate or the inmate's family or other appropriate source approved by the Warden shall bear all expenses of a furlough, including transportation, food, lodging, and incidentals.

(b) The government may bear the expense of a furlough only when the purpose of the furlough is to obtain necessary medical, surgical, psychiatric, or dental treatment not otherwise

available, or to transfer an inmate to another correctional institution (includes community corrections centers), or, if it is for the primary benefit of the government, to participate in special training courses or institutional work assignments (including FPI work assignments) as outlined in § 570.32(a)(9).

(c) The Warden may allow an inmate scheduled for transfer to a community corrections center (CCC) to choose the means of transportation to the CCC if all transportation costs are borne by the inmate. An inmate traveling under these provisions is expected to go directly as scheduled from the institution to the CCC.

[48 FR 45052, Sept. 30, 1983, as amended at 59 FR 3510, Jan. 21, 1994; 59 FR 53937, Oct. 27, 1994]

§ 570.34 Eligibility requirements.

(a) Except as provided in paragraph (b) of this section, the Warden may grant a furlough only to an inmate with community custody.

(b) The Warden may grant a furlough to an inmate with "out" custody only when the furlough is for the purpose of transferring directly to another institution (except community corrections centers) or for obtaining local medical treatment not otherwise available at the institution.

(c) The Warden may grant a furlough only to an inmate the Warden determines to be physically and mentally capable of completing the furlough.

(d) The Warden may grant a furlough only to an inmate who has demonstrated sufficient responsibility to provide reasonable assurance that furlough requirements will be met.

(e) The Warden shall determine the eligibility of an inmate for furlough in accord with the inmate's anticipated release date and the basis for the furlough request.

(1) The Warden may approve only an emergency furlough (family crisis or other urgent situation) for an inmate who has been confined at the initially designated institution for less than 90 days.

(2) The Warden may approve only an emergency furlough for an inmate with more than two years remaining until the inmate's anticipated release date.

(3) The Warden may approve a day furlough for an inmate with two years or less remaining until the inmate's anticipated release date.

(4) The Warden may approve an overnight furlough within the institution's commuting area for an inmate with 18 months or less remaining until the inmate's anticipated release date.

(5) The Warden may approve an overnight furlough outside the institution's commuting area for an inmate with one year or less remaining until the inmate's anticipated release date. The Warden may ordinarily approve an overnight furlough not to exceed once each 90 days.

(6) If the Warden approves a furlough outside the above guidelines, the Warden shall document the reasons in the inmates's central file.

[46 FR 34552, July 1, 1981, as amended at 48 FR 45052, Sept. 30, 1983; 49 FR 8566, Mar. 7, 1984; 59 FR 3511, Jan. 21, 1994]

§ 570.35 Limitations on eligibility.

(a) The Warden ordinarily may not grant a furlough to an inmate convicted of a serious crime against the person and/or whose presence in the community could attract undue public attention, create unusual concern, or depreciate the seriousness of the offense. If the Warden approves a furlough for such an inmate, the Warden must place a statement of the reasons for this action in the inmate's central file.

(b) The Warden may approve a furlough for an inmate classified a central monitoring case upon compliance with the requirements of this rule and the requirements of part 524, subpart F.

(c) Staff at a contract facility may approve a furlough for a sentenced inmate housed in the contract facility as specified in that facility's written agreement with the Bureau of Prisons.

(d) The Bureau of Prisons does not have the authority to furlough U.S. Marshals prisoners in contract jails. Staff are to refer requests for such furloughs to the U.S. Marshals.

(e) Furlough for pretrial inmates will be arranged in accordance with the rule on pretrial inmates (see part 551, subpart J).

[46 FR 34552, July 1, 1981, as amended at 48 FR 45052, Sept. 30, 1983]

§ 570.36 Procedures.

(a) An inmate who meets the eligibility requirements of this rule may submit to staff an application for furlough.

(b) Before approving the application, staff shall verify that a furlough is indicated.

(c) Staff shall notify an inmate of the decision on the inmate's application for furlough. Where an application for furlough is denied, staff shall notify the inmate of the reasons for denial.

(d) Each inmate who is approved for a furlough must agree to abide by the specified conditions (table 1) of the furlough.

Subpart D—Escorted Trips

SOURCE: 50 FR 48366, Nov. 22, 1985, unless otherwise noted.

§ 570.40 Purpose and scope.

The Bureau of Prisons provides approved inmates with staff-escorted trips into the community for such purposes as receiving medical treatment not otherwise available, for visiting a critically-ill member of the inmate's immediate family, or for participating in program or work-related functions.

§ 570.41 Medical escorted trips.

(a) Medical escorted trips are intended to provide an inmate with medical treatment not available within the institution. There are two types of medical escorted trips.

(1) *Emergency medical escorted trip.* An escorted trip occurring as the result of an unexpected life-threatening medical situation requiring immediate medical treatment not available at the institution. The required treatment may be on either an in-patient or out-patient basis.

(2) *Non-emergency medical escorted trip.* A pre-planned escorted trip for the purpose of providing an inmate with medical treatment ordinarily not available at the institution. The required treatment may be on either an in-patient or out-patient basis.

(b) The Clinical Director or designee is responsible for determining whether a medical escorted trip is appropriate.

(c) *Escorted trip procedures—out-patient medical treatment.* A recommendation for an inmate to receive a medical escorted trip is prepared by medical staff, forwarded through the appropriate staff for screening and clearance, and then submitted to the Warden for review. The Warden may approve an inmate for an out-patient medical escorted trip.

(d) *Escorted trip procedures—in-patient medical treatment.* A recommendation for an inmate to receive a medical escorted trip is prepared by medical staff, forwarded through the appropriate staff for screening and clearance, and then submitted to the Warden. The Warden may approve an inmate for an in-patient medical escorted trip.

[50 FR 48366, Nov. 22, 1985, as amended at 57 FR 21158, May 18, 1992]

§ 570.42 Non-medical escorted trips.

(a) Non-medical escorted trips allow an inmate to leave the institution under staff escort for approved, non-medical reasons. There are two types of non-medical escorted trips.

(1) *Emergency non-medical escorted trip.* An escorted trip for such purposes as allowing an inmate to attend the funeral of, or to make a bedside visit to, a member of an inmate's immediate

family. For purposes of this rule, immediate family refers to mother, father, brother, sister, spouse, children, step-parents, and foster parents.

(2) *Non-emergency, non-medical escorted trip.* An escorted trip for such purposes as allowing inmates to participate in program-related functions, such an educational or religious activities, or in work-related functions.

(b) *Escorted trip procedures—emergency non-medical reasons.* Unit staff are to investigate, and determine, the merits of an escorted trip following a review of the available information. This includes contacting those persons (e.g., attending physician, hospital staff, funeral home staff, family members, U.S. Probation Officer) who can contribute to a determination on whether an escorted trip should be approved.

(1) The government assumes the salary expenses of escort staff for the first eight hours of each day. All other expenses, including transportation costs, are assumed by the inmate, the inmate's family, or other appropriate source approved by the Warden. The necessary funds must be deposited to the inmate's trust fund account prior to the trip. Funds paid by the inmate for purposes of the escorted trip are then drawn, payable to the Treasury of the United States. Unexpended funds are returned to the inmate's trust fund account following the completion of the trip.

(2) A request for an inmate to receive an emergency non-medical escorted trip is prepared by unit staff, forwarded through the appropriate staff for screening and clearance, and then submitted to the Warden. Except as specified in § 570.43, the Warden may approve an inmate for an emergency non-medical escorted trip.

(c) *Escorted trip procedures—non-emergency, non-medical reasons.* This type of escorted trip is considered for an inmate who has been at the institution for at least 90 days, and who is considered eligible for less secure housing and for work details, under minimal supervision, outside the institution's perimeter. A recommendation for an inmate to receive an escorted trip for non-emergency, non-medical reasons is prepared by the recommending staff, forwarded through the appropriate

staff for screening and clearance, and then submitted to the Warden. Except as specified in § 570.43, the Warden may approve an inmate for a non-emergency, non-medical escorted trip.

§ 570.43 Inmates requiring a high degree of control and supervision.

Only the Regional Director may approve a non-medical escorted trip (either emergency or non-emergency) for an inmate determined to require a high degree of control and supervision.

§ 570.44 Supervision and restraint requirements.

Inmates under escort will be within the constant and immediate visual supervision of escorting staff at all times. Restraints may be applied to an inmate going on an escorted trip, after considering the purpose of the escorted trip and the degree of supervision required by the inmate. Except for escorted trips for a medical emergency, an inmate going on an escorted trip must agree in writing to the conditions of the escorted trip (for example, agrees not to consume alcohol).

§ 570.45 Violation of escorted trip.

(a) Staff shall process as an escapee an inmate who absconds from an escorted trip.

(b) Staff may take disciplinary action against an inmate who fails to comply with any of the conditions of the escorted trip.

Subpart A [Reserved]

Subpart B—Release Preparation Program

SOURCE: 59 FR 35456, July 11, 1994, unless otherwise noted.

§ 571.10 Purpose and scope.

The Bureau of Prisons recognizes that an inmate's preparation for release begins at initial commitment and continues throughout incarceration and until final release to the commu-

nity. This subpart establishes a standardized release preparation program for all sentenced inmates reintegrating into the community from Bureau facilities. Exception to this subpart may be made by the Warden of a Bureau facility which has been designated as an administrative maximum security institution.

[61 FR 38043, July 22, 1996]

§ 571.11 Program responsibility.

The Warden shall designate to a staff member the responsibility to:

- (a) Determine the general release needs of the inmate population;
- (b) Coordinate the institution release preparation program;
- (c) Chair the Release Preparation Program Committee;
- (d) Contact and schedule volunteers from the local community to participate in the release preparation program.

§ 571.12 General characteristics.

(a) Staff shall structure the release preparation program to make extensive use of staff, inmate, and community resources.

(b) Staff shall strongly encourage and support an inmate's participation in the institution release preparation program. Staff shall document the inmate's participation in the program in the inmate's central file.

§ 571.13 Institution release preparation program.

(a) The institution release preparation program shall be administered by the Release Preparation Program Committee.

(b) The institution release preparation program will be based on a core curriculum of topics/courses organized into six broad categories. The six categories are:

- (1) Health and nutrition.
- (2) Employment.
- (3) Personal finance/consumer skills.
- (4) Information/community resources.
- (5) Release requirements and procedures.
- (6) Personal growth and development.
- (c) To assist in the release process, the Warden may, in accordance with

the Bureau of Prisons' rule on furloughs, grant an inmate a furlough for release preparation purposes.

(d) Staff shall help an inmate obtain proper identification (social security card, driver's license, birth certificate, and/or any other documents needed by the inmate) prior to release.

(e) An inmate who is not being released through a Community Corrections Center (CCC) may ask staff to request the assistance of a United States Probation Officer in establishing a release plan. Bureau staff are to encourage the inmate to give at least one employment lead or contact. Where the inmate or the inmate's family has already identified employment, the case manager shall notify the United States Probation Officer so that the usual verification of release plans may be made. Where employment has not been identified, the case manager shall notify the United States Probation Officer of the employment need. This notification should ordinarily occur at least six weeks prior to the inmate's release.

Subpart C—Release Gratuities, Transportation, and Clothing

SOURCE: 56 FR 23480, May 21, 1991, unless otherwise noted.

§ 571.20 Purpose and scope.

It is the policy of the Bureau of Prisons that an inmate being released to the community will have suitable clothing, transportation to the inmate's release destination, and some funds to use until he or she begins to receive income. Based on the inmate's need and financial resources, a discretionary gratuity up to the amount permitted by statute may be granted.

[61 FR 47795, Sept. 10, 1996]

§ 571.21 Procedures.

(a) An inmate is eligible for a gratuity as determined by the availability of personal and community resources. Greater consideration may be given to an inmate without funds or community resources.

(b) A federal prisoner boarded in a non-federal facility is eligible for a release gratuity. The director of the non-federal facility housing federal inmates

or the community corrections manager shall determine the amount of release gratuity in accordance with the purpose and scope of this regulation for federal inmates housed in non-federal facilities.

(c) An inmate who is without personal funds may receive a gratuity when transferred to a community corrections center. The amount shall enable the inmate to care for needs in transit and allow for the purchase of necessary personal items upon arrival.

(d) Staff shall provide the inmate released to a detainer with information on how to apply for a gratuity if released prior to expiration of the federal sentence.

(e) Staff shall ensure that each alien released to immigration authorities has \$10 cash. This provision does not apply to aliens serving 60 days or less in contract facilities.

§ 571.22 Release clothing and transportation.

(a) Staff shall provide release clothing appropriate for the time of year and the inmate's geographical destination. Upon request, work clothing will be provided. Nonavailability of work clothing may limit this practice.

(b) Inmates transferring to a community corrections center will be provided adequate clothing to complete a job search and perform work. Additionally, an outer garment, seasonably suited for the geographical destination will be provided.

(c) Transportation will be provided to an inmate's place of conviction, his legal residence within the United States, or to other such place as authorized and approved.

Subpart D—Release of Inmates Prior to a Weekend or Legal Holiday

§ 571.30 Purpose and scope.

The Bureau of Prisons may release an inmate whose release date falls on a Saturday, Sunday, or legal holiday, on the last preceding weekday unless it is necessary to detain the inmate for another jurisdiction seeking custody

under a detainer, or for any other reason which might indicate that the inmate should not be released until the inmate's scheduled release date.

(a) The release authority for inmates convicted of offenses occurring prior to November 1, 1987 is pursuant to 18 U.S.C. 4163. The number of days used under 18 U.S.C. 4163 may not be added to the number of days remaining to be served to release an inmate "as if * * * on parole" (18 U.S.C. 4164) who would otherwise have been released by expiration of sentence.

(b) The release authority for inmates sentenced under the provisions of the Sentencing Reform Act of the Comprehensive Crime Control Act of 1984 for offenses committed on/or after November 1, 1987 is pursuant to 18 U.S.C. 3624(a).

[54 FR 49070, Nov. 28, 1989]

Subpart E—Petition for Commutation of Sentence

§ 571.40 Purpose and scope.

An inmate may file a petition for commutation of sentence in accordance with the provisions of 28 CFR part 1.

(a) An inmate may request from the inmate's case manager the appropriate forms (and instructions) for filing a petition for commutation of sentence.

(b) When specifically requested by the U.S. Pardon Attorney, the Director, Bureau of Prisons will forward a recommendation on the inmate's petition for commutation of sentence.

[47 FR 9756, Mar. 5, 1982]

§ 571.41 Procedures.

(a) Staff shall suggest that an inmate who wishes to submit a petition for commutation of sentence do so through the Warden to the U.S. Pardon Attorney. This procedure allows institution staff to forward with the application the necessary supplemental information (for example, sentencing information, presentence report, progress report, pertinent medical records if the petition involves the inmate's health, etc.). Except as provided in paragraph (b) of this section, no Bureau of Prisons recommendation is to be forwarded

with the package of material submitted to the U.S. Pardon Attorney.

(b) When specifically requested by the U.S. Pardon Attorney, the Director, Bureau of Prisons shall submit a recommendation on the petition. Prior to making a recommendation, the Director may request comments from the Warden at the institution where the inmate is confined. Upon review of those comments, the Director will forward a recommendation on the petition to the U.S. Pardon Attorney.

(c) When a petition for commutation of sentence is granted by the President of the United States, the U.S. Pardon Attorney will forward the original of the signed and sealed warrant of clemency evidencing the President's action to the Warden at the detaining institution, with a copy to the Director, Bureau of Prisons. The Warden shall deliver the original warrant to the affected inmate, and obtain a signed receipt for return to the U.S. Pardon Attorney. The Warden shall take such action as is indicated in the warrant of clemency.

(1) If a petition for commutation of sentence is granted, institutional staff shall recalculate the inmate's sentence in accordance with the terms of the commutation order.

(2) If the commutation grants parole eligibility, the inmate is to be placed on the appropriate parole docket.

(d) When a petition for commutation of sentence is denied, the U.S. Pardon Attorney ordinarily notifies the Warden, requesting that the Warden notify the inmate of the denial.

Subpart F—Fines and Costs

SOURCE: 48 FR 48971, Oct. 21, 1983, unless otherwise noted.

§ 571.50 Purpose and scope.

This subpart establishes procedures for processing a fine, or fine and costs ordered by the court with respect to an inmate convicted of an offense committed before November 1, 1987. When the court orders a prisoner's confinement until payment of a fine, or fine and costs under 18 U.S.C. 3565, the Bureau

of Prisons shall confine that inmate until the fine, or fine and costs are paid, unless the inmate qualifies for release under 18 U.S.C. 3569.

(a) An inmate held on the sole basis of his/her inability to pay such fine, or fine and costs, and whose non-exempt property does not exceed \$20.00 may request discharge from imprisonment on the basis of indigency (see 18 U.S.C. 3569).

(b) Under 18 U.S.C. 3569, the determination of indigency may be made by a U.S. Magistrate Judge. Where the U.S. Magistrate Judge makes a finding of non-indigency based on the inmate's application for a determination of his ability to pay the committed fine, or fine and costs, staff shall refer the application to the appropriate United States Attorney for the purpose of making a final decision on the inmate's discharge under 18 U.S.C. 3569. It is to be noted that 18 U.S.C. 3569 provides for confining an inmate for non-payment of a committed fine, or fine and costs.

[63 FR 4357, Jan. 28, 1998]

§ 571.51 Definitions.

(a) *Fine*— a monetary penalty associated with an offense imposed as part of a judgment and commitment. There are two types of fines.

(1) *Committed fine*— a monetary penalty imposed with a condition of imprisonment until the fine is paid.

(2) *Non-committed fine*— a monetary penalty which has no condition of confinement imposed.

(b) *Costs*—Monetary costs of the legal proceeding which the court may levy. Imposition of costs is similar in legal effect to imposition of a fine. The court may also impose costs with a condition of imprisonment.

[48 FR 48971, Oct. 21, 1983, as amended at 63 FR 4357, Jan. 28, 1998]

§ 571.52 Procedures—committed fines.

(a)(1) Promptly after the inmate's commitment, staff shall inform the inmate that there is a committed fine, or fine and costs on file, as part of the sentence. Staff shall then impound the inmate's trust fund account until the fine, or fine and costs is paid, except—

(i) The inmate may spend money from his/her trust fund account for the purchase of commissary items not exceeding the maximum monthly allowance authorized for such purchases.

(ii) Staff may authorize the inmate to make withdrawals from his/her trust fund account for emergency family, emergency personal needs or furlough purposes.

(2) This rule of impounding an inmate's trust fund account applies only when the inmate is confined in a federal institution. It does not apply to a federal inmate confined in a state institution or a contract community-based facility.

(b) If the inmate pays the committed fine, or fine and costs, or staff have verified payment, staff shall document payment in the appropriate file and release the inmate's trust fund account from impoundment.

(c) Staff shall interview the inmate with an unpaid committed fine at least 75 days prior to the inmate's release date. Staff shall explain to the inmate that to secure release without paying the committed fine, or fine and costs in full, the inmate must make an application, on the appropriate form, to the U.S. Magistrate Judge for determination as to whether the inmate can be declared indigent under 18 U.S.C. 3569.

[63 FR 4357, Jan. 28, 1998]

§ 571.53 Determination of indigency by U.S. Magistrate—inmates in federal institutions.

(a) An inmate with a committed fine, or fine and costs who is imprisoned in a federal institution may make application for a determination of indigency directly to the U.S. Magistrate Judge in the district where the inmate is imprisoned under 18 U.S.C. 3569.

(b) After completion of the application, staff shall offer to forward the completed forms and any other applicable information the inmate chooses to the U.S. Magistrate Judge.

(c) If the U.S. Magistrate Judge finds that the inmate is indigent, the U.S. Magistrate Judge will administer the oath to the inmate. The inmate shall be released no earlier than the regularly established release date.

(d) If the U.S. Magistrate Judge finds that the inmate is not indigent, Bureau

staff shall forward a referral package to the appropriate United States Attorney for a final determination as to the inmate's ability to pay the committed fine, or fine and costs.

[63 FR 4357, Jan. 28, 1998]

§ 571.54 Determination of indigency by U.S. Magistrate Judge—inmates in contract community-based facilities or state institutions.

(a) Inmates with a committed fine, or fine and costs may be transferred to contract community-based facilities, state institutions as boarders, or state institutions for service of federal sentences running concurrently with state sentences.

(b) Inmates with a committed fine, or fine and costs may be committed directly to contract community-based facilities or state institutions as boarders or may be designated to state institutions for service of federal sentences running concurrently with state sentences.

(c) An inmate with a committed fine, or fine and costs who is imprisoned in a contract community-based facility or state institution and desires to make application for a determination of ability to pay the committed fine, or fine and costs under 18 U.S.C. 3569 may make application directly to the U.S. Magistrate Judge.

(d) Upon receipt of a finding by the U.S. Magistrate Judge that the inmate is not indigent, Bureau staff shall forward a referral package to the appropriate United States Attorney for a final determination as to the inmate's ability to pay the committed fine, or fine and costs.

Subpart G—Compassionate Release (Procedures for the Implementation of 18 U.S.C. 3582(c)(1)(A) and 4205(g))

SOURCE: 59 FR 1238, Jan. 7, 1994, unless otherwise noted.

§ 571.60 Purpose and scope.

Under 18 U.S.C. 4205(g), a sentencing court, on motion of the Bureau of Prisons, may make an inmate with a minimum term sentence immediately eligi-

ble for parole by reducing the minimum term of the sentence to time served. Under 18 U.S.C. 3582(c)(1)(A), a sentencing court, on motion of the Director of the Bureau of Prisons, may reduce the term of imprisonment of an inmate sentenced under the Comprehensive Crime Control Act of 1984. The Bureau uses 18 U.S.C. 4205(g) and 18 U.S.C. 3582(c)(1)(A) in particularly extraordinary or compelling circumstances which could not reasonably have been foreseen by the court at the time of sentencing.

§ 571.61 Initiation of request—extraordinary or compelling circumstances.

(a) A request for a motion under 18 U.S.C. 4205(g) or 3582(c)(1)(A) shall be submitted to the Warden. Ordinarily, the request shall be in writing, and submitted by the inmate. An inmate may initiate a request for consideration under 18 U.S.C. 4205(g) or 3582(c)(1)(A) only when there are particularly extraordinary or compelling circumstances which could not reasonably have been foreseen by the court at the time of sentencing. The inmate's request shall at a minimum contain the following information:

(1) The extraordinary or compelling circumstances that the inmate believes warrant consideration.

(2) Proposed release plans, including where the inmate will reside, how the inmate will support himself/herself, and, if the basis for the request involves the inmate's health, information on where the inmate will receive medical treatment, and how the inmate will pay for such treatment.

(b) The Bureau of Prisons processes a request made by another person on behalf of an inmate in the same manner as an inmate's request. Staff shall refer a request received at the Central Office or at a Regional Office to the Warden of the institution where the inmate is confined.

§ 571.62 Approval of request.

(a) The Bureau of Prisons makes a motion under 18 U.S.C. 4205(g) or 3582(c)(1)(A) only after review of the request by the Warden, the Regional Director, the General Counsel, and either

the Medical Director for medical referrals or the Assistant Director, Correctional Programs Division for non-medical referrals, and with the approval of the Director, Bureau of Prisons.

(1) The Warden shall promptly review a request for consideration under 18 U.S.C. 4205(g) or 3582(c)(1)(A). If the Warden, upon an investigation of the request determines that the request warrants approval, the Warden shall refer the matter in writing with recommendation to the Regional Director.

(2) If the Regional Director determines that the request warrants approval, the Regional Director shall prepare a written recommendation and refer the matter to the Office of General Counsel.

(3) If the General Counsel determines that the request warrants approval, the General Counsel shall solicit the opinion of either the Medical Director or the Assistant Director, Correctional Programs Division depending upon the nature of the basis of the request. With this opinion, the General Counsel shall forward the entire matter to the Director, Bureau of Prisons, for final decision.

(4) If the Director, Bureau of Prisons, grants a request under 18 U.S.C. 4205(g), the Director will contact the U.S. Attorney in the district in which the inmate was sentenced regarding moving the sentencing court on behalf of the Bureau of Prisons to reduce the minimum term of the inmate's sentence to time served. If the Director, Bureau of Prisons, grants a request under 18 U.S.C. 3582(c)(1)(A), the Director will contact the U.S. Attorney in the district in which the inmate was sentenced regarding moving the sentencing court on behalf of the Director of the Bureau of Prisons to reduce the inmate's term of imprisonment to time served.

(b) Upon receipt of notice that the sentencing court has entered an order granting the motion under 18 U.S.C. 4205(g), the Warden of the institution where the inmate is confined shall schedule the inmate for hearing on the earliest Parole Commission docket. Upon receipt of notice that the sentencing court has entered an order

granting the motion under 18 U.S.C. 3582(c)(1)(A), the Warden of the institution where the inmate is confined shall release the inmate forthwith.

(c) In the event the basis of the request is the medical condition of the inmate, staff shall expedite the request at all levels.

§ 571.63 Denial of request.

(a) When an inmate's request is denied by the Warden or Regional Director, the disapproving official shall provide the inmate with a written notice and statement of reasons for the denial. The inmate may appeal the denial through the Administrative Remedy Procedure (28 CFR part 542, subpart B).

(b) When an inmate's request for consideration under 18 U.S.C. 4205(g) or 3582(c)(1)(A) is denied by the General Counsel, the General Counsel shall provide the inmate with a written notice and statement of reasons for the denial. This denial constitutes a final administrative decision.

(c) When the Director, Bureau of Prisons, denies an inmate's request, the Director shall provide the inmate with a written notice and statement of reasons for the denial within 20 workdays after receipt of the referral from the Office of General Counsel. A denial by the Director constitutes a final administrative decision.

(d) Because a denial by the General Counsel or Director, Bureau of Prisons, constitutes a final administrative decision, an inmate may not appeal the denial through the Administrative Remedy Procedure.

§ 571.64 Ineligible offenders.

The Bureau of Prisons has no authority to initiate a request under 18 U.S.C. 4205(g) or 3582(c)(1)(A) on behalf of state prisoners housed in Bureau of Prisons facilities or D.C. Code offenders confined in federal institutions. The Bureau of Prisons cannot initiate such a motion on behalf of federal offenders who committed their offenses prior to November 1, 1987, and received non-parolable sentences.
