Subject to the ultimate control of litigation by DOJ (including the various U.S. Attorney Offices), and to the general oversight of litigation by the Army General Counsel, TJAG is responsible for litigation in which the Army has an interest except with respect to proceedings addressed in paragraph (i) of this section, only TJAG (or Chief, Litigation Division) will communicate to DOJ the army's position with regard to settlement of a case.

(3) Special Attorneys assigned to DOJ. By assignment of TJAG and with the concurrence of the appropriate DOJ official, Judge Advocates will work as Special Attorneys for DOJ. Special Attorneys are authorized to represent the United States in civil litigation in which the Army or DOD has an interest.

### **§ 516.5 Restriction on contact with DOJ.**

(a) General rule. Except as authorized by TJAG, the General Counsel, the Chief of Litigation Division, or this regulation, no Army personnel will confer or correspond with DOJ concerning legal proceedings in which the Army has an interest.

(b) Exceptions. This prohibition does not preclude contact with DOJ required by the Memorandum of Understanding between DOJ and DOD relating to the investigation and prosecution of certain crimes. (See AR 27-10, para 2-7). In addition, an installation SJA or legal adviser is expected to maintain a working relationship with the U.S. Attorney in each district within his geographical area. An SJA or legal adviser should request the U.S. Attorney to advise him immediately when litigation involving DA or its personnel is served on the U.S. Attorney.

[59 FR 38236, July 27, 1994; 59 FR 45974, Sept. 6, 1994]

### **§ 516.6 Appearance as counsel.**

(a) General. Military personnel on active duty and DA civilian personnel will not appear as counsel before any civilian court or in any preliminary proceeding, for example, deposition, in litigation in which the Army has an interest without the prior written approval of TJAG, except under the following conditions:

(1) The appearance is authorized by this regulation.

(2) The individual is a party to the proceeding.

(3) The appearance is authorized under an expanded legal assistance program (See AR 27-3).

or criminal cases, for example, a Special Assistant U.S. Attorney, or an attorney assigned to Litigation Division.

(b) Procedure. All requests for appearance as counsel will be made through Litigation Division to the Personnel, Plans and Training Office, OTJAG. Requests for DA military or civilian attorneys to appear in any civilian court or proceeding on behalf of a soldier who is also facing UCMJ action will be delivered to the SJA, legal adviser, or Regional Defense Counsel, as appropriate. The SJA or legal adviser will forward the request to Litigation Division with an evaluation of the case and recommendation. Regional Defense Counsel should send requests for USATDS counsel to Chief, USATDS, who will forward the request to Litigation Division. Privileged or otherwise sensitive client information should only be submitted through USATDS channels.

#### **§ 516.7 Mailing addresses.**

Mailing addresses for organizations referenced in this regulation are in appendix B to this part.

### **Subpart B—Service of Process**

#### **§ 516.8 General.**

(a) Defined. Process is a legal document that compels a defendant in an action to appear in court or to comply with the court's demands, for example, in a civil case a summons or subpoena, or in a criminal case, a warrant for arrest, indictment, contempt order, subpoena, or summons. Service of process is the delivery of the document to a defendant to notify him of a claim or charge against him.

(b) Policy. DA personnel will follow the guidance of this chapter when civil officials attempt to serve civil or criminal process on individuals on Federal property.

(c) Procedures. Provost marshals shall ensure that installation law enforcement personnel are adequately trained to respond to situations which arise with regard to service of civil and criminal process. SJAs or legal advisers shall provide guidance to law enforcement personnel in these matters.

#### **§ 516.9 Service of criminal process within the United States.**

(a) Surrender of personnel. Guidance for surrender of military personnel to civilian law enforcement officials is in Chapter 7 of AR 630-10 and AR 190-9. Army officials will cooperate with civilian law enforcement authorities who seek the surrender of a soldier in connection with criminal charges. Special rules apply when a bail bondsman or other surety seeks custody of a soldier.

(b) Requests for witnesses or evidence in criminal proceedings. See subpart G to this part.

[59 FR 38236, July 27, 1994; 59 FR 45975, Sept. 6, 1994]

#### **§ 516.10 Service of civil process within the United States.**

(a) Policy. DA officials will not prevent or evade the service or process in legal actions brought against the United States or against themselves in their official capacities. If acceptance of service of process would interfere with the performance of military duties, Army officials may designate a representative to accept service. DA personnel sued in their individual capacity should seek legal counsel concerning voluntary acceptance of process.

(b) Request for witnesses or evidence in civil proceedings. See subpart G to this part.

(c) Process of Federal courts. Subject to reasonable restrictions imposed by the commander, civil officials will be permitted to serve Federal process. (See Fed. R. Civ. P. 4, 45).

(d) Process of state courts.

(1) In areas of exclusive Federal jurisdiction that are not subject to the right to serve state process, the commander or supervisor will determine whether the individual to be served wishes to accept service voluntarily. A JA or other DA attorney will inform the individual of the legal effect of voluntary acceptance. If the individual does not desire to accept service, the party requesting service will be notified that the nature of the exclusive Federal jurisdiction precludes service by state authorities on the military installation.

(2) On Federal property where the right to serve process is reserved by or

granted to the state, in areas of concurrent jurisdiction, or where the United States has only a proprietary interest, Army officials asked to facilitate service of process will initially proceed as provided in the preceding subparagraph. If the individual declines to accept service, the requesting party will be allowed to serve the process in accordance with applicable state law, subject to reasonable restrictions imposed by the commander.

(e) Process of foreign courts. A U.S. District Court may order service upon a person who resides in the judicial district of any document issued in connection with a proceeding in a foreign or international tribunal. (28 U.S.C. 1696). In addition, the U.S. State Department has the power to receive a letter rogatory issued by a foreign or international tribunal, to transmit it to a tribunal, officer or agency in the United States, and to return it after execution. (28 U.S.C. 1781). Absent a treaty or agreement to the contrary, these provisions will govern.

(f) Seizure of personal property. State and Federal courts issue orders (for example, writ of attachment) authorizing a levy (seizure) of property to secure satisfaction of a judgment. DA personnel will comply with valid state or Federal court orders commanding or authorizing the seizure of private property to the same extent that state or Federal process is served.

[59 FR 38236, July 27, 1994; 59 FR 45975, Sept. 6, 1994]

**§516.11 Service of criminal process outside the United States.**

Army Regulation 630-10 and international treaties, such as status of forces agreements, govern the service of criminal process of foreign courts and the surrender of soldiers to foreign civilian law enforcement officials.

**§516.12 Service of civil process outside the United States.**

(a) Process of foreign courts. In foreign countries service of process issued by foreign courts will be made under the law of the place of service, as modified by status of forces agreements, treaties or other agreements. In foreign areas under exclusive U.S. jurisdiction, service of process issued by

foreign courts will be made under the law specified by appropriate U.S. authority.

(b) Process of Federal courts. Service of process on U.S. citizens or residents may be accomplished under the following provisions: The Hague Convention, reprinted in 28 USCA Federal Rules of Civil Procedure, following Rule 4; Fed. R. Civ. P. 4(i); 28 USC 1781 and 1783; and, the rules of the Federal court concerned. If a DA official receives a request to serve Federal process on a person overseas, he will determine if the individual wishes to accept service voluntarily. Individuals will be permitted to seek counsel. If the person will not accept service voluntarily, the party requesting service will be notified and advised to follow procedures prescribed by the law of the foreign country concerned.

(c) Process of state courts. If a DA official receives a request to serve state court process on a person overseas, he will determine if the individual wishes to accept service voluntarily. Individuals will be permitted to seek counsel. If the person will not accept service voluntarily, the party requesting service will be notified and advised to follow procedures prescribed by the law of the foreign country concerned. (See, for example, The Hague Convention, reprinted in 28 USCA Federal Rules of Civil Procedure, following Rule 4).

(d) Suits against the United States. DA personnel served with foreign civil process will notify the appropriate SJA or legal adviser, who will return the document to the issuing authority explaining the lack of authority to accept service for the United States. Service on the United States must be made upon DOJ through established diplomatic channels.

**§516.13 Assistance in serving process overseas.**

**§ 516.16 Individual and supervisory procedures upon commencement of legal proceedings.**

(a) Individual procedures. DA personnel served with civil or criminal process concerning a proceeding in which the United States has an interest (§ 516.15) will immediately inform their supervisor and furnish copies of process and pleadings. There is no requirement to notify supervisors of purely private litigation.

(b) Supervisory procedures. When supervisors learn that legal proceedings in which the United States has an interest have commenced, the supervisor will forward a copy of all process and pleadings, along with other readily available information, to the SJA or legal adviser. If no legal officer is available locally, the documents will be forwarded to the SJA or legal adviser of the next higher headquarters.

**§ 516.17 SJA or legal adviser procedures.**

(a) Immediate notice to HQDA. When an SJA or legal adviser learns of litigation in which the United States has an interest, and it appears that HQDA is not aware of the action, the SJA or legal adviser will telephonically notify the responsible HQDA office. (See § 516.15(c)). Immediate notice is particularly important when litigation involves one of the following: a lawsuit against an employee in his individual capacity; a motion for a temporary restraining order or preliminary injunction; a habeas corpus proceeding; a judicial or administrative proceeding involving less than 60 days to file an answer; and, actions with possible Congressional, Secretarial, or Army Staff interest. For legal proceedings instituted in foreign tribunals, the SJA or

legal adviser will also notify the major overseas commander concerned and the appropriate U.S. Embassy or Legation. A telephonic report to HQDA should include the following:

- (1) Title or style of the proceeding.
  - (2) Full names and addresses of the parties.
  - (3) Tribunal in which the action is filed, date filed, docket number, when and on whom service of process was made, and date by which pleading or response is required.
  - (4) Nature of the action, amount claimed or relief sought.
  - (5) Reasons for immediate action.
- (b) Transmission of process, pleadings, and related papers. Unless instructed otherwise by HQDA, the SJA or legal adviser will FAX or mail HQDA a copy of all process, pleadings, and related papers. Use of express mail or overnight delivery service is authorized.
- (c) Notice to U.S. Attorney. If the legal proceeding is instituted in the United States, the SJA or legal adviser, unless instructed otherwise by HQDA, will notify the appropriate U.S. Attorney and render assistance as required.

**§ 516.18 Litigation alleging individual liability.**

See subpart D for procedures to follow when DA personnel, as a result of performance of official duties, are either sued in their individual capacities or face criminal charges.

**§ 516.19 Injunctive relief.**

(a) General. Plaintiffs may attempt to force government action or restraint in important operational matters or pending personnel actions through motions for temporary restraining orders (TRO) or preliminary injunctions (PI). Because these actions can quickly impede military functions, immediate and decisive action must be taken.

(b) Notification to HQDA and U.S. Attorney. The SJA or legal adviser will immediately notify Litigation Division or other appropriate office at HQDA when a motion for TRO or PI has been, or is about to be, filed. The SJA or legal adviser will also notify the responsible U.S. Attorney.

(c) Actions by SJA or legal adviser. The SJA or legal adviser will assist the DOJ or DA attorney responsible for the litigation. Installation attorneys or support personnel should begin accumulating relevant documentary evidence and identifying witnesses. If requested, installation attorneys will prepare a legal memorandum concerning the motion, giving particular attention to the following issues relevant to a court granting injunctive relief:

- (1) Plaintiff's likelihood of success on the merits.
- (2) Whether plaintiff will be irreparably harmed if injunctive relief is not granted.
- (3) Harm to defendant and other parties if injunctive relief is granted.
- (4) The public interest.

#### § 516.20 Habeas Corpus.

(a) *General.* A soldier may file a writ of habeas corpus to challenge his continued custody (usually in a post court-martial situation) or retention in the Army. As is the case with injunctive relief in the preceding paragraph, installation SJAs and legal advisers must take immediate action.

(b) *Notification to Litigation Division and U.S. Attorney.* The SJA or legal adviser will notify Litigation Division and the responsible U.S. Attorney's Office immediately upon learning that a petition for writ of habeas corpus has been filed. All relevant documentary evidence supporting the challenged action should be assembled immediately.

(c) *Procedures in habeas corpus.* Upon the filing of a petition for a writ of habeas corpus, the court will dismiss the petition, issue the writ, or order the respondent to show cause why it should not be granted. If a writ or order to show cause is issued, the SJA or legal adviser should be prepared to assist the responsible Litigation Division or DOJ attorney in preparing a return and answer. If so directed, the SJA will also prepare a memorandum of points and authorities to accompany the return and answer. The government's response should cover the following: whether the Army has custody of petitioner; whether respondent and petitioner are within the judicial district; and, whether appellate or administrative remedies have been exhausted.

(d) *Writs or orders issued by state courts.* No state court, after being judicially informed that a petitioner is in custody under the authority of the United States, should interfere with that custody or require that petitioner be brought before the state court. A deserter, apprehended by any civil officer having authority to apprehend offenders under the laws of the United States or of any state, district, territory, or possession of the United States, is in custody by authority of the United States. If a writ of habeas corpus is issued by a state court, the SJA or legal adviser will seek guidance from Litigation Division.

(e) *Foreign court orders.* A foreign court should not inquire into the legality of restraint of a person held by U.S. military authority. If a foreign court issues any process in the nature of a writ of habeas corpus, the SJA or legal adviser will immediately report the matter to the appropriate U.S. forces commander and to Litigation Division.

#### § 516.21 Litigation against government contractors.

(a) *General.* A contract might require that the government reimburse a contractor (or subcontractor) for adverse judgments or litigation expenses. Unless a contractor or subcontractor facing a lawsuit requests representation by DOJ, the Army presumes the contractor will obtain private counsel to defend the case. If the contract so allows, however, the contractor may request and HQDA may recommend that DOJ represent the contractor if it is in the best interests of the United States.

(b) *Actions by SJA or legal adviser.* If a contractor or subcontractor faces litigation and the underlying contract with the government requires reimbursement for adverse judgments or costs of the litigation, the SJA or legal adviser, through the contracting officer, should determine if the contractor desires representation by DOJ. If so, the contractor or authorized agent will sign a request for representation. (See figure D-3, appendix G, of this part.) The SJA or legal adviser will determine whether, in his opinion, representation by DOJ should be granted. He will prepare a memorandum to support

his recommendation, especially concerning any issue regarding the government's obligation to reimburse the contractor under the contract. The SJA or legal adviser will forward his memorandum, along with the contractor's request, to Litigation Division.

(c) *Actions by Litigation Division.* The Chief, Litigation Division, will evaluate the submission and decide if it is in the Army's best interest that the request be granted. He will prepare a memorandum supporting his decision and send the packet to DOJ. The Chief's decision constitutes the final DA position on the matter. If DOJ grants the contractor's request, the Chief, Litigation Division, will ensure that the contractor is notified through the SJA or legal adviser and the contracting officer.

(d) *Private Counsel.* A contractor represented by DOJ may ask that private counsel assist the DOJ attorney in the litigation. The DOJ attorney will remain in control of the litigation, and the fees for private counsel will not be reimbursable except under unusual circumstances. The contractor must seek both DOJ and DA approval to employ private counsel when DOJ representation has been granted. Even if DOJ and DA grant authority to employ private counsel, the contracting officer will determine whether a contractor will be reimbursed under the contract for private counsel.

(e) *Settlement.* The contractor, unless the contract specifies otherwise, will ultimately decide whether to compromise a suit. Reimbursement under the contract is determined by the contracting officer, with the advice of his attorney.

**§ 516.22 Miscellaneous reporting requirements.**

SJAs or legal advisers will comply with the directives cited below concerning actual or prospective litigation involving the following types of cases:

(a) Taxation.

(1) Contractor transactions. (FAR and DFARS, 48 CFR parts 29 and 229).

(2) Army and Air Force Exchange Service (AAFES) activities. (AR 60-20).

(3) Purchase or sale of alcoholic beverages. (AR 215-2).

(4) Nonappropriated fund and related activities. (AR 215-1).

(b) Tort and contract claims, insurance and litigation involving non-appropriated fund activities. (AR 215-1).

(c) Annexation of Army lands. (AR 405-25).

(d) Communications, transportation, and utility services administrative proceedings. Any contracting officer or other Army official responsible for the acquisition of communications, transportation, utilities (gas, electric, water and sewer), or military mail services, who becomes aware of any action or proceeding of interest to the Army, will promptly refer the matter to the SJA or legal adviser, who will take the actions prescribed in § 516.17 of this part. Examples of actions requiring referral follow: new or amended rates, regulations, or conditions of service; applications for authority to discontinue or initiate service; changes in electromagnetic patterns causing adverse communications interference; or, zoning proposals affecting historic or aesthetic preservation. In addition, the SJA or legal adviser will transmit the following to Regulatory Law Office:

(1) The names and addresses of any parties intervening and the substance of their positions.

(2) Names of government users affected by any change.

(3) Copy of any proposed rates, rules, or regulations.

(4) A recommendation whether the Army should intervene in the action or proceeding. If intervention is recommended, provide a memorandum to support the recommendation.

(e) Legal proceedings overseas. Foreign communications, transportation, and utility service proceedings need not be reported. In other legal proceedings instituted in a foreign country, the SJA or legal adviser will take the actions prescribed in § 516.17 of this part.

(f) Maritime claims. Admiralty and maritime claims within the purview of Chapter 8, AR 27-20, which have been investigated and processed under AR 55-19 or other applicable regulations, will be referred to USARCS.

(g) Army and Air Force Exchange Service litigation. The SJA or legal adviser will send a copy of all documents relating to litigation against AAFES to General Counsel, AAFES, P.O. Box 660202, Dallas, TX 75266-0202.

(h) Bankruptcy. Reports of bankruptcy or insolvency proceedings shall be made in accordance with this regulation and AR 37-103.

#### § 516.23 Litigation reports.

The SJA or legal adviser will prepare a litigation report when directed by HQDA. The report will contain the following sections: Statement of Facts; Setoff or Counterclaim; Responses to Pleadings; Memorandum of Law; Witness List; and, Exhibits.

(a) Statement of Facts. Include a complete statement of the facts upon which the action and any defense thereto are based. Where possible, support facts by reference to documents or witness statements. Include details of previous administrative actions, such as the filing and results of an administrative claim. If the action is predicated on the Federal Tort Claims Act, include a description of the plaintiff's relationship to the United States, its instrumentalities, or its contractors. Also include a statement whether an insurance company or other third party has an interest in the plaintiff's claim by subrogation or otherwise and whether there are additional claims related to the same incident.

(b) Setoff or Counterclaim. Discuss whether setoff or counterclaim exists. If so, highlight the supportive facts.

(c) Responses to Pleadings. Prepare a draft answer or other appropriate response to the pleadings. (See figure C-1, to this part). Discuss whether allegations of fact are well-founded. Refer to evidence that refutes factual allegations.

(d) Memorandum of Law. Include a brief statement of the applicable law with citations to legal authority. Discussions of local law, if applicable, should cover relevant issues such as measure of damages, scope of employment, effect of contributory negligence, or limitations upon death and survival actions. Do not unduly delay submission of a litigation report to

prepare a comprehensive memorandum of law.

(e) Potential witness information. List each person having information relevant to the case and provide an office address and telephone number. If there is no objection, provide the individual's social security account number, home address, and telephone number. This is "core information" required by Executive Order No. 12778 (Civil Justice Reform). Finally, summarize the information or potential testimony that each person listed could provide.

(f) Exhibits.

(1) Attach a copy of all relevant documents. This is "core information" required by Executive Order No. 12778 (Civil Justice Reform). Unless otherwise directed by HQDA, each exhibit should be tabbed and internally paginated. References to exhibits in the litigation report should be to page numbers of particular exhibits.

(2) Copies of relevant reports of claims officers, investigating officers, boards or similar data should be attached, although such reports will not obviate the requirement for preparation of a complete litigation report.

(3) Prepare an index of tabs and exhibits.

(4) Where a relevant document has been released pursuant to a FOIA request, provide a copy of the response, or otherwise identify the requestor and the records released.

(g) Distribution and number of copies. Unless HQDA directs otherwise, SJAs or legal advisers will mail (first class) an original and one copy of the litigation report to the responsible HQDA office (See § 516.15 of this part) and one copy to the U.S. Attorney's Office handling the case. If possible, record the litigation report onto a magnetic diskette, using either Word-Perfect, Enable, or ACSII, and send it to Litigation Division.

#### § 516.24 Preservation of evidence.

Because documents needed for litigation or administrative proceedings are subject to routine destruction, the SJA or legal adviser will ensure that all relevant documents are preserved.

**§ 516.25 DA Form 4.**

(a) *General.* The DA Form 4 (See figure C-2, appendix G, of this part) is used to authenticate Army records or documents. Documents attached to a properly prepared and sealed DA Form 4 are self-authenticating. (See Fed. R. Evid. 902).

(b) *Preparation at the installation level.* A DA Form 4 need not be prepared until the trial attorney presenting the government's case identifies documents maintained at the installation level which he will need at trial. Once documents are identified, the custodian of the documents will execute his portion of the DA Form 4. (See figure C-2, appendix G, of this part). The custodian certifies that the documents attached to the DA Form 4 are true copies of official documents. Documents attached to each form should be generally identified; each document need not be mentioned specifically. Only the upper portion of the form should be executed at the local level.

(c) *Actions at HQDA.* Upon receipt of the DA Form 4 with documents attached thereto, HQDA will affix a ribbon and seal and deliver it to the Office of the Administrative Assistant to the Secretary of the Army. That office will place the official Army seal on the packet.

**§ 516.26 Unsworn declarations under penalty of perjury.**

(a) *General.* Under the provisions of 28 U.S.C. 1746, whenever any matter is required or permitted to be established or proven by a sworn statement, oath or affidavit, such matter may also be established or proven by an unsworn written declaration under penalty of perjury. Because such declaration does not require a notary or other official to administer oaths, individuals preparing statements for use in litigation should consider using this format. (See figure C-3, appendix G, of this part).

(b) When executed within the United States. Place the following at the end of the witness statement:

I declare under penalty of perjury that the foregoing is true and correct. (28 U.S.C. 1746).  
Executed on \_\_\_\_\_

(Date) (Signature)

(c) When executed outside the United States. Place the following at the end of the witness statement:

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct. (28 U.S.C. 1746).

Executed on \_\_\_\_\_  
(Date) (Signature)

**Subpart D—Individual Liability**

**§ 516.27 Scope.**

This subpart guidance when DA personnel, as a result of the performance of their official duties, are either sued in their personal capacity, or are charged in a criminal proceeding. Examples of civil actions alleging individual liability include the following: a medical malpractice lawsuit against health care providers; suits resulting from motor vehicle accidents; constitutional torts; or, common law torts such as assault, libel, or intentional infliction of emotional distress. Likewise, state or Federal criminal charges can arise from the performance of official duties, including environmental crimes or motor vehicle accidents.

**§ 516.28 Policy.**

(a) *General.* Commanders, supervisors, and SJAs or legal advisers will give highest priority to compliance with the requirements of this chapter with regard to current or former DA personnel who face criminal charges or civil litigation in their individual capacity as a result of performance of their official duties.

(b) *DOJ policy on representation.* If in the best interest of the United States, upon request of the individual concerned, and upon certification by his agency that he was acting within the scope of his employment, DOJ may represent present and former DA personnel sued individually as a result of actions taken within the scope of their employment. Representation can be declined for a variety of reasons, including but not limited to the following: the employee was not acting within the scope of his office; there is a conflict of interest; or, actions were not taken in a good faith effort to conform to law.

**§ 516.29 Federal statutes and regulations.**

(a) Federal Tort Claims Act (FTCA). (28 U.S.C. 1346(b), 2671-2680). A waiver of sovereign immunity which, with certain exceptions, makes the United States liable for tort claims in the same manner as a private individual.

(b) Federal Employees Liability Reform and Tort Compensation Act of 1988 (FELRTCA or the Westfall Act, Pub. L. No. 100-694, 102 Stat. 4563 (1988) (codified at and amending 28 U.S.C. 2671, 2674, 2679). FELRTCA, by amending the Federal Tort Claims Act, makes the FTCA the exclusive remedy for common law tort claims arising from actions taken by Federal employees acting within the scope of employment. The law was passed to eliminate problems caused by *Westfall v. Erwin*, 484 U.S. 292 (1988).

(c) 10 U.S.C. 1089 (Defense of certain suits arising out of medical malpractice). This provision, commonly referred to as the Gonzales Act, makes the FTCA the exclusive remedy for suits alleging medical malpractice against a military health care provider.

(d) 28 CFR 50.15 (Representation of Federal officials and employees by Department of Justice attorneys [ . . . ] in civil, criminal, and congressional proceedings in which Federal employees are sued, subpoenaed, or charged in their individual capacities). These DOJ regulations set out the policy and procedures for requesting representation in individual liability cases. See also 28 CFR part 15 (Defense of Certain Suits Against Federal Employees, etc.).

(e) 28 CFR 50.16 (Representation of Federal employees by private counsel at Federal expense).

**§ 516.30 Procedures for obtaining certification and DOJ representation.**

(a) SJA or legal adviser procedures. When an SJA or legal adviser learns of a criminal charge or of a lawsuit alleging individual liability against DA personnel as a result of performance of official duties, he will take the following actions:

(1) Immediately notify Litigation Division and the appropriate U.S. Attorney and FAX or express deliver copies of process and pleadings to each office.

Where time for response is limited, request that the U.S. Attorney either petition the court for an extension of time, or provide temporary counsel and representation pending formal approval.

(2) Investigate whether the employee was acting within the scope of his office or employment. Obtain, if possible, statements from the defendant, supervisors, and witnesses.

(3) Advise the individual defendant of the rights and conditions set out in 28 CFR 50.15, which include the following:

(i) His right to request representation by a DOJ attorney and, in appropriate cases, certification that he was acting within the scope of employment. (See 28 U.S.C. 2679; 28 CFR 50.15).

(ii) The right to request private counsel at government expense, subject to the availability of funds. (See 28 CFR 50.16).

(iii) That the United States is not obligated to pay or indemnify defendant for any judgment rendered against him in his individual capacity.

(4) If the defendant desires certification or DOJ representation, have him sign a request. (See figure D-1, appendix G, of this part). Obtain a signed scope of employment statement from the defendant's supervisor. (Figure D-2, appendix G, of this part).

(5) Prepare a report with, at a minimum, the following information: facts surrounding the incident for which defendant is being sued and those relating to scope of employment; the SJA's or legal adviser's conclusions concerning scope of employment; and, a recommendation whether certification by the Attorney General or representation by a DOJ attorney should be granted.

(6) In cases involving National Guard personnel, address also the following: whether defendant was acting in a state (Title 32 U.S.C.) or Federal (Title 10 U.S.C.) capacity during relevant periods (include orders); if defendant was acting under state authority, is it nevertheless in the interest of the United States to represent the individual; any impact on policies or practices of DA, the National Guard Bureau, or DOD; whether the relief requested can be granted only by a Federal officer or agency; and, whether Federal law or

## § 516.31

regulation required actions by state officials.

(7) Send the report, request for representation, and scope of employment statements to Chief, Litigation Division.

(b) Chief, Litigation Division, procedures. The Chief, Litigation Division, will review the report and evidence regarding representation and scope of employment and will determine whether certification and representation are appropriate. He will send his recommendation to the appropriate U.S. Attorney or office within DOJ. The Chief, Litigation Division, will notify the defendant of DOJ's decision.

### **§ 516.31 Private counsel at government expense.**

(a) General. DA personnel, sued in their individual capacity or facing criminal charges as a result of performance of official duties, have no right to employ a private sector counsel at government expense or to expect reimbursement for the same. For proceedings in the United States, a request for employment of counsel at government expense may be approved by DOJ, contingent among other things upon availability of funds and a determination that employment of private counsel at government expense is in the best interests of the United States. (See 28 CFR 50.16). Special rules apply in overseas areas. (See paragraph (e) of this section).

(b) Individual request procedures. The individual will prepare a request that private counsel be employed for him at government expense. The request must also contain the following statement: "I understand that the United States is not required to employ private counsel on my behalf, and that I may be responsible for expenses incurred prior to proper authorization by the Department of the Army or the Department of Justice."

(c) Supervisory and legal adviser procedures. The request will be submitted through the individual's supervisors, who will make a recommendation and forward the packet to the local SJA or legal adviser. The SJA or legal adviser will prepare his own recommendation and forward the matter to Litigation Division.

## 32 CFR Ch. V (7-1-98 Edition)

(d) Chief, Litigation Division, procedures. If the Chief, Litigation Division, determines that the request for private counsel is meritorious, he will prepare an appropriate recommendation and forward the packet to Civil Division, DOJ, for final approval.

(e) Special actions in foreign countries. Employment of private counsel in foreign proceedings is governed by AR 27-50 (Status of Forces Policies, Procedures, and Information). Under the authority of 10 U.S.C. 1037, soldiers, as well as employees or those accompanying the armed forces overseas, may be granted individual counsel in civil and criminal proceedings, under the criteria of AR 27-50.

### **§ 516.32 Requests for indemnification.**

(a) *Policy.* An individual liable for a judgment rendered against him in his individual capacity has no right to reimbursement from DA. DA will consider, however, a request for indemnification from DA personnel where conduct within the scope of official duties has resulted in personal liability and indemnification is in the best interests of the United States. Indemnification is strictly contingent upon an appropriation to pay the judgment, as well as availability of such funds.

(b) *Individual request procedures.* An individual against whom an adverse judgment has been rendered may request indemnification. The request must include, at a minimum, the following: how the employee was acting within the scope of his employment; whether the requestor has insurance or any other source of indemnification; and, how reimbursement is in the best interests of the United States. The request must also contain the following statements: "I understand that acceptance of this request for indemnification for processing by DA does not constitute an acceptance of any obligation to make such a payment. I also understand that payment is contingent on availability of funds and that it will only be made if such is determined to be in the best interests of the United States." The individual should attach a copy of relevant documents, for example, court's opinion, judgment, and other allied papers.

(c) *Supervisory and SJA procedures.* The request for indemnification will be submitted through supervisory channels to the local SJA or legal adviser. Each supervisor will make a recommendation on the propriety of reimbursement.

(d) *Chief, Litigation Division, procedures.* Requests for indemnification will be forwarded to Chief, Litigation Division. The Chief, Litigation Division, will examine the submission and, after consultation with DOJ or other agencies, forward the packet with his recommendation to the Army General Counsel. The General Counsel will obtain a final decision by the Secretary of the Army or his designee on the matter. There is no administrative appeal of the Secretary's (or his designee's) decision.

### Subpart E—Legal Proceedings Initiated by the United States Medical Care and Property Claims

#### § 516.33 General.

(a) Authorities.

(1) Federal Medical Care Recovery Act (42 U.S.C. 2651). The act provides for the recovery of medical care expenses incurred because of a tortfeasor's actions.

(2) Federal Claims Collection Act (31 U.S.C. 3711). The act provides for the collection of claims for money or property arising from the activities of Federal agencies.

(3) Third-party Collection Program (10 U.S.C. 1095). The statute provides for collection of reasonable costs of health-care services, provided in facilities of the uniformed services to covered beneficiaries, from private insurers or third-party payers. In accordance with DOD Instruction 6010.15, "Third Party Collection (TPC) Program," 7 March 1991, the authority to settle or waive a DOD claim under the act is delegated to TJAG or to his designee.

(4) Executive Order No. 12778, (56 FR 55195; 3 CFR, 1991 Comp. p. 359), Civil Justice Reform. This order establishes several requirements on Federal agencies involved in litigation or contemplating filing an action on behalf of the United States.

(5) AR 27-20, Claims. Chapter 14 (Affirmative Claims) contains comprehensive guidance for Recovery Judge Advocates (RJAs) in the administrative determination, assertion, collection, settlement, and waiver of claims in favor of the U.S. for property damage and for medical care claims.

(b) Duties and Procedures. In accordance with Chapter 14, AR 27-20, Commander, USARCS, has supervisory responsibility over the administrative processing of property and medical care claims by RJAs. The Commander, U.S. Army Health Services Command (HSC), has supervisory responsibility over the Third Party Collection Program (TPCP). The HSC TPCP Implementation Plan effects DOD Instruction 6010.15 and establishes procedures for processing TPC claims. Litigation Division, in conjunction with DOJ and U.S. Attorneys, is responsible for pursuing, through litigation, claims not resolved administratively. DOJ is ultimately responsible for initiating litigation for the United States. (28 U.S.C. 515).

(c) Assertion of claims on behalf of the United States by private attorneys. The Army incurs potentially recoverable expenses when it provides medical care to soldiers or dependents injured by tortfeasors (for example, a soldier is hospitalized after an automobile accident). When injured personnel employ a private attorney to sue the tortfeasor, it may be in the Government's best interests to enter into an agreement with the private attorney to include the Army's medical care claim.

(d) Statute of limitations. There is a three year statute of limitations for actions in favor of the U.S. for money damages founded upon tort. (28 U.S.C. 2415(b)). Limitations periods can vary, however, depending upon the theory of liability and the jurisdiction involved. RJAs must be alert to the applicable period of limitations. A case referred for litigation should arrive at Litigation Division at least 6 months before the expiration of the limitations period.

(e) Reporting of recoveries. Amounts recovered through litigation will be reported to USARCS by Tort Branch, Litigation Division, or, where referred

#### § 516.34

directly to a U.S. Attorney or the Nationwide Central Intake Facility (NCIF), by the responsible RJA.

#### **§ 516.34 Referral of medical care and property claims for litigation.**

(a) *Criteria for referral.* The RJA will forward the claims file and a litigation report (See § 516.35 of this part) through USARCS to Litigation Division when the claim has not been resolved administratively and any of the following conditions exist:

- (1) The claim exceeds \$5,000;
- (2) It involves collection from the injured party or his attorney;
- (3) The claim raises an important question of policy; or,
- (4) There is potential for a significant precedent.

(b) *Alternative methods.* When none of the conditions cited in the preceding subparagraph are present, the RJA may refer the claim directly to the U.S. Attorney for the district in which the prospective defendant resides. Similar property claims may be referred through USARCS to DOJ's Nationwide Central Intake Facility (NCIF) rather than directly to the U.S. Attorney. Notice of all such referrals shall be provided through USARCS to Tort Branch, Litigation Division. The RJA should be ready to provide support to the U.S. Attorney if requested.

(c) *Closing Files.* A file referred directly to the U.S. Attorney will be closed if the U.S. Attorney determines further action is unwarranted. If the RJA disagrees, the file should be forwarded with the RJA's recommendation through USARCS to Litigation Division.

#### **§ 516.35 Preparation of claims for litigation.**

(a) *General.* In preparing a referral for litigation the RJA will ensure the file contains at least the following:

(1) A litigation report (See § 516.23 of this part) that demonstrates a factual basis for the claim and a theory of recovery under applicable state law. (See Fed. R. Civ. P. 11)

(2) Copies of all medical records and bills reflecting the reasonable value of the medical care furnished to the injured party, including DA Form 2631-R (Medical Care-Third Party Liability

#### 32 CFR Ch. V (7-1-98 Edition)

Notification), and DA Form 3154 (MSA Invoice and Receipt). These documents should be authenticated as necessary on a DA Form 4.

(3) Copies of all documents necessary to establish the value of lost or damaged property.

(b) *Transmittal letter.* The letter of transmittal referring the claim for litigation should briefly summarize the facts giving rise to the claim and the collection actions previously taken by the Army and the injured party.

#### ASSERTION OF OTHER CLAIMS

#### **§ 516.36 Referral to Litigation Division.**

(a) *General.* The majority of cases filed on behalf of the United States will fall under this subpart E. All other civil cases which cannot be resolved administratively or by direct referral to DOJ will be forwarded through channels to Litigation Division with a litigation report. (See § 516.23 of this part).

(b) *Government contractors.* It may be in the Government's best interest to authorize a Government contractor, whose contract provides for the reimbursement of necessary legal expenses, to employ private counsel to initiate legal proceedings against a third party. To obtain authorization to employ private counsel in such instances the contractor should follow the procedures in § 516.21(c) of this part.

#### **§ 516.37 Proceedings to repossess Government real property or quarters or to collect delinquent rent.**

(a) *General.* U.S. Attorneys are authorized to accept a Federal agency's request for the following purposes: to initiate an action to recover possession of real property from tenants, trespassers, and others; to enjoin trespasses on Federal property; and, to collect delinquent rentals or damages for use and occupancy of real property for amounts less than \$200,000.

(b) *Procedures.* When eviction or an action to collect delinquent rent is necessary, the SJA or legal adviser will notify General Litigation Branch, Litigation Division, of the situation. If approved by Litigation Division, the SJA

or legal adviser may ask the U.S. Attorney to file suit. A copy of the complaint will be sent to Litigation Division. DOJ can take action to evict the occupants for violation of the terms of occupancy and collect delinquent rent or other charges. Once the matter has been referred to the U.S. Attorney, payments for rent should be sent to the U.S. Attorney. (See AR 210-50, chap 2.)

### Subpart F—Environmental Litigation

#### § 516.38 Scope.

This subpart contains guidance, policies, and procedures applicable to all environmental and natural resources civil litigation and administrative proceedings involving missions and functions of DA, its major and subordinate commands, all installations presently or previously managed by DA, and all other sites or issues in which DA has a substantial interest. In this chapter, “litigation” includes civil administrative proceedings.

#### § 516.39 Duties and procedures.

(a) Water rights. Environmental Law Division will conduct direct liaison with DOJ and will represent DA in State and Federal litigation relating to availability and allocation of surface and ground water and the establishment and protection of water rights for Army military installations and activities. This will include litigation in State general adjudications of water rights under the McCarran Amendment, 43 U.S.C. 666, for Army military installations and activities. Such litigation relating solely to COE civil works projects or activities will be handled by attorneys under the technical supervision of the Chief Counsel, COE. With respect to any general adjudication which could affect the civil works or real property functions of COE, The Judge Advocate General, acting through the Chief, Environmental Law Division, and Chief Counsel, COE, will jointly determine which office should maintain primary direct liaison with DOJ and will scope and execute appropriate coordination with each other and with the General Counsel with respect to that litigation.

(b) Navigable waters. The Chief Counsel, COE, will conduct direct liaison with DOJ and represent DA in civil litigation involving activities in or across navigable waters of the United States or other activities regulated under the Rivers and Harbors Act of 1899, 33 U.S.C. 401 et seq.

(c) Waters of the United States. The Chief Counsel, COE, will conduct direct liaison with DOJ and represent DA in civil litigation involving The Clean Water Act section 404 (See 33 U.S.C. 1344) permit authority of COE over the discharge of dredged or fill material into waters of the United States.

(d) Enforcement. Environmental Law Division will conduct direct liaison with DOJ and represent DA in all civil litigation involving citizen or State enforcement of applicable State, Federal and local requirements respecting the control or abatement of pollution and involving the management of hazardous wastes, with respect to the missions and functions of, and Federal facilities owned or controlled by, DA, except for civil works facilities.

(e) Environmental response.

(1) Except as provided in (a)(2) of this section. Environmental Law Division will conduct direct liaison with DOJ and represent DA in all civil litigation seeking declaratory or injunctive relief or involving claims of Army liability for the costs of response at Federal facilities currently owned or controlled by DA and at other sites where the Army is a potentially responsible party.

(2) The Chief Counsel, COE, will conduct direct liaison with DOJ and represent DA in all civil litigation seeking declaratory or injunctive relief or involving claims of Army liability for the costs of response at civil works facilities, at former defense sites or at other sites where the Army is a potentially responsible party due to the response actions of the COE or its contractors.

(f) Fish and Wildlife, and Plants. Environmental Law Division will conduct direct liaison with DOJ and represent DA in civil litigation involving citizen or State enforcement of applicable State, Federal, and local laws governing conservation of plant, fish, and wildlife resources at Federal facilities

## § 516.40

owned or controlled by DA, except that such litigation relating solely to the real estate, civil works, navigation and Clean Water Act section 404 (See 33 U.S.C. 1344) permit functions and activities of the COE will be handled by attorneys under the technical supervision of the Chief Counsel, COE.

(g) Toxic torts.

(1) Except as otherwise provided in this part, Environmental Law Division will conduct direct liaison with DOJ and represent DA in all civil litigation involving claims of tort liability for exposure to environmental contamination emanating from Federal facilities owned or controlled by DA.

(3) The Chief Counsel, COE, will conduct direct liaison with DOJ and will represent DA in civil litigation involving claims of tort liability for exposure to environmental contamination (including singular and discrete incidents) emanating from any civil works activities under the jurisdiction of the Secretary of the Army.

(4) The Chief Counsel, COE, and Chief, Environmental Law Division, will confer and jointly determine which office will conduct direct liaison with DOJ and represent DA in civil litigation involving all other claims of toxic tort liability.

## Subpart G—Release of Information and Appearance of Witnesses Scope

### § 516.40 General.

(a) Introduction. This subpart implements DOD Directive 5405.2 (See appendix C to this part and 32 CFR part 97). It governs the release of official information and the appearance of present and former DA personnel as witnesses in response to requests for interviews, notices of depositions, subpoenas, and other requests or orders related to judicial or quasi-judicial proceedings. Requests for records, if not in the nature of legal process, should be processed

## 32 CFR Ch. V (7–1–98 Edition)

under AR 25–55 (The Department of the Army Freedom of Information Act Program) or AR 340–21 (The Army Privacy Program). This subpart pertains to any request for witnesses, documents, or information for all types of litigation, including requests by private litigants, requests by State or U.S. attorneys, requests by foreign officials or tribunals, subpoenas for records or testimony, notices of depositions, interview requests, civil cases, criminal proceedings, private litigation, or litigation in which the United States has an interest.

(b) Definitions. (See appendix F to this part).

### § 516.41 Policy.

(a) *General Rule.* Except as authorized by this subpart, present or former DA personnel will not disclose official information (See appendix F—Glossary) in response to subpoenas, court orders, or requests.

(b) *Exception.* Present or former DA personnel may disclose official information if they obtain the written approval of the appropriate SJA, legal adviser, or Litigation Division.

(c) *Referral to deciding official.* If present or former DA personnel receive a subpoena, court order, request for attendance at a judicial or quasi-judicial proceeding, or request for an interview related to actual or potential litigation, and it appears the subpoena, order, or request seeks disclosures described in a above, the individual should immediately advise the appropriate SJA or legal adviser. If the SJA or legal adviser cannot informally satisfy the subpoena, order, or request in accordance with §§ 516.43 through 516.50 of this subpart, he should consult with Litigation Division.

(d) *Requesters' responsibilities.* Individuals seeking official information must submit, at least 14 days before the desired date of production, a specific written request setting forth the nature and relevance of the official information sought. (Requesters can be referred to this subpart G). Subject to § 516.47(a), present and former DA personnel may only produce, disclose, release, comment upon, or testify concerning those matters specified in writing and properly approved by the SJA, legal adviser, or Litigation Division.

(See United States ex. rel. Touhy v. Ragen, 340 U.S. 462 (1951)).

(e) *Litigation in which the United States has an interest.* If a subpoena, order, or request relates to litigation in which the United States has an interest and for which litigation responsibility has not been delegated, the SJA or legal adviser will coordinate with Litigation Division under § 516.42.

(f) *Motions to stay or quash subpoenas.* A subpoena should never be ignored, and an SJA or legal adviser should seek assistance from Litigation Division or the U.S. Attorney's office whenever necessary. If a response to a subpoena or order is required before a release determination can be made or before Litigation Division or the U.S. Attorney can be contacted, the SJA or legal adviser will do the following:

(1) Furnish the court or tribunal a copy of this regulation (32 CFR part 516, subpart G) and applicable case law (See United States ex. rel. Touhy v. Ragen, 340 U.S. 462 (1951));

(2) Inform the court or tribunal that the requesting individual has not complied with this Chapter, as set out in 32 CFR 97 & 516, or that the subpoena or order is being reviewed;

(3) Seek to stay the subpoena or order pending the requestor's compliance with this chapter or final determination by Litigation Division; and,

(4) If the court or other tribunal declines to quash or stay the subpoena or order, inform Litigation Division immediately so a decision can be made whether to challenge the subpoena or order. If Litigation Division decides not to challenge the subpoena or order, the affected personnel will comply with the subpoena or order. If Litigation Division decides to challenge the subpoena or order, it will direct the affected personnel to respectfully decline to comply with the subpoena or order. (See United States ex. rel. Touhy v. Ragen, 340 U.S. 462 (1951)).

(g) *Classified or sensitive information.* Only Litigation Division may authorize the release of official information or appearance of DA personnel as witnesses in litigation involving terrorism, espionage, nuclear weapons, or intelligence sources and methods.

(h) *Requests for Inspector General records or testimony.* IG records, and in-

formation obtained through performance of IG duties, are official information under the exclusive control of the Secretary of the Army. (See AR 20-1, Chapter 3.) IG records frequently contain sensitive official information that may be classified or obtained under guarantees of confidentiality. When justification exists, DA attorneys will seek court protection from disclosure of IG records and information. No DA personnel will release IG records or disclose information obtained through performance of IG duties without the approval of The Secretary of the Army, The Inspector General, TIG Legal Advisor, or Chief, Litigation Division. When IG personnel receive a subpoena, court order, request for attendance at a judicial or quasi-judicial proceeding, or a request for an interview which the IG reasonably believes is related to actual or potential litigation concerning IG records or related information, they should immediately notify the Inspector General Legal Adviser or the Chief, Litigation Division. IG personnel will follow the guidance of this subpart concerning actions to be taken regarding disclosure and testimony.

#### § 516.42 Reference to HQDA.

(a) *General.* If the SJA or legal adviser is unable to resolve the matter, it will be referred for approval or action by Litigation Division under this chapter, by the most expeditious means, to General Litigation Branch, Litigation Division, with the following exceptions:

(1) Those involving a case assigned to another branch of Litigation Division will be submitted to that branch (appendix B to this part).

(2) Those involving affirmative litigation (for example, medical care recovery or Army property damage or loss cases) under subpart E will be submitted to Tort Branch.

(3) Those involving patents, copyrights, privately developed technical information, or trademarks will be submitted to Intellectual Property Law Division.

(4) Those involving taxation will be submitted to Contract Law Division.

§ 516.43

(5) Those involving communication, transportation, or utility service proceedings will be submitted to the Regulatory Law Office.

(6) Those involving environmental matters will be submitted to the Environmental Law Division.

(7) Those involving contract appeals cases before the ASBCA will be submitted to the Contract Appeals Division.

(8) Those involving procurement fraud, including Qui Tam cases, will be submitted to the Procurement Fraud Division.

(b) *Information to be submitted.* When referring matters pursuant to paragraph (a) of this section, the following data should be provided:

(1) Parties (named or prospective) to the proceeding, their attorneys, and case number, where appropriate.

(2) Party making the request (if a subpoena, indicate moving party) and his attorney.

(3) Name of tribunal in which the proceeding is pending.

(4) Nature of the proceeding.

(5) Date of receipt of request or date and place of service of subpoena.

(6) Name, grade, position, and organization of person receiving request or served with subpoena.

(7) Date, time, and place designated in request or subpoena for production of information or appearance of witness.

(8) Nature of information sought or document requested, and place where document is maintained.

(9) A copy of each document requested. Contact the appropriate office at HQDA if this would be burdensome and unnecessary to a decision whether to release, redact, or withhold a particular document.

(10) Name of requested witness, expected testimony, requested appearance time and date, and whether witness is reasonably available.

(11) Analysis of the problem with recommendations.

RELEASE OF RECORDS IN CONNECTION  
WITH LITIGATION

**§ 516.43 Release of Army and other agency records.**

(a) *Preservation of originals.* To preserve the integrity of DA records, DA personnel will submit properly authen-

32 CFR Ch. V (7-1-98 Edition)

ticated copies rather than originals of documents or records for use in legal proceedings, unless directed otherwise by Litigation Division. (See 28 U.S.C. 1733.)

(b) *Authentication of copies.* Copies of DA records approved for release can be authenticated for introduction in evidence by use of DA Form 4. (See § 516.25 for instructions.)

(1) Records maintained in U.S. Army Engineer Districts and Divisions will be forwarded to HQDA(CECC-K), WASH DC 20314-1000.

(2) All other records will be forwarded to the appropriate office at HQDA (See § 516.42).

(c) *Fees and charges.* AR 37-60 prescribes the schedule of fees and charges for searching, copying, and certifying Army records for release in response to litigation-related requests.

(d) *Release of records of other agencies.* Normally an individual requesting records originating in agencies outside DA (that is, FBI reports, local police reports, civilian hospital records) that are also included in Army records should be advised to direct his inquiry to the originating agency.

**§ 516.44 Determination of release authorization.**

(a) *Policy.* DA policy is to make official information reasonably available for use in Federal and state courts and by other governmental bodies unless the information is classified, privileged, or otherwise protected from public disclosure.

(b) *Releasability factors.* In deciding whether to authorize release of official information, the deciding official should consider the following:

(1) Has the requester complied with DA policy governing the release of official documents in § 516.41(d) of this part.

(2) Is the request unduly burdensome or otherwise inappropriate under the applicable court rules?

(3) Is the disclosure appropriate under the rules of procedure governing the matter in which the request arose?

(4) Would the disclosure violate a statute, executive order, regulation, or directive?

(5) Is the disclosure appropriate under the relevant substantive law concerning privilege?

(6) Would the disclosure reveal information properly classified pursuant to the DOD Information Security Program under AR 380-5, unclassified technical data withheld from public release pursuant to 32 CFR §250, or other matters exempt from unrestricted disclosure?

(7) Would disclosure interfere with ongoing enforcement proceedings, compromise constitutional rights, reveal the identity of an intelligence source or confidential informant, disclose trade secrets or confidential commercial or financial information, or, otherwise be inappropriate under the circumstances?

(8) Would the disclosure violate any person's expectation of confidentiality or privacy?

**§ 516.45 Records determined to be releasable.**

If the deciding official, after considering the factors set forth in §536.44, determines that all or part of requested official records are releasable, copies of the records should be furnished to the requester.

**§ 516.46 Records determined not to be releasable.**

(a) General. If the deciding official, after considering the factors in §516.44, determines that all or part of requested official records should not be released, he will promptly communicate directly with the attorney or individual who caused the issuance of the subpoena, order, or request and seek to resolve the matter informally. If the subpoena or order is invalid, he should explain the basis of the invalidity. The deciding official should also explain why the records requested are privileged from release. The deciding official should attempt to obtain the agreement of the requester to withdraw the subpoena, order, or request or to modify the subpoena, order, or request so that it pertains only to records which may be released. (See figure G-1, appendix G, of this part.)

(b) Information protected by the Privacy Act.

(1) A subpoena duces tecum or other legal process signed by an attorney or clerk of court for records protected by the Privacy Act, 5 U.S.C. 552a, does not justify the release of the protected records. The deciding official should explain to the requester that the Privacy Act precludes disclosure of records in a system of records without the written consent of the subject of the records or "pursuant to the order of a court of competent jurisdiction." (See 5 U.S.C. 552a(b)(11)). An "order of the court" for the purpose of subsection 5 U.S.C. 552a(b)(11) is an order or writ requiring the production of the records, signed by a judge or magistrate.

(2) Unclassified records otherwise privileged from release under 5 U.S.C. 552a may be released to the court under either of the following conditions:

(i) The subpoena is accompanied by an order signed by a judge or magistrate, or such order is separately served, that orders the person to whom the records pertain to release the specific records, or that orders copies of the records be delivered to the clerk of court, and indicates that the court has determined the materiality of the records and the nonavailability of a claim of privilege.

(ii) The clerk of the court is empowered by local statute or practice to receive the records under seal subject to request that they be withheld from the parties until the court determines whether the records are material to the issues and until any question of privilege is resolved.

(iii) Subpoenas for alcohol abuse or drug abuse treatment records must be processed under 42 U.S.C. 290dd-3 and 290ee-3, and Public Health Service regulations published at 42 CFR 2.1-2.67.

(iv) Upon request, SJAs and legal advisers may furnish to the attorney for the injured party or the tortfeasor's attorney or insurance company a copy of the narrative summary of medical care that relates to a claim under subpart E of this part. If additional medical records are requested, only those that directly pertain to the pending action will be furnished. If furnishing copies of medical records would prejudice the cause of action, the matter will be reported to Litigation Division.

(c) Referral to Litigation Division. If the SJA or legal adviser is not able to resolve a request for Army records informally, he should contact Litigation Division.

(1) Litigation Division may respond to subpoenas or orders for records privileged from release by informing the local U.S. Attorney about the subpoena and requesting that office file a motion to quash the subpoena or a motion for a protective order. The records privileged from release should be retained by the custodian pending the court's ruling upon the government's motion.

(2) When a motion to quash or for a protective order is not filed, or the motion is unsuccessful, and the appropriate DA official has determined that no further efforts will be made to protect the records, copies of the records (authenticated if necessary) will be submitted to the court (or to the clerk of court) in response to the subpoena or order.

(d) Classified and privileged materials. Requests from DOJ, U.S. Attorneys, or attorneys for other governmental entities for records which are classified or otherwise privileged from release will be referred to Litigation Division. (See § 516.41(g).

DA PERSONNEL AS WITNESSES IN  
PRIVATE LITIGATION

**§ 516.47 Response to subpoenas, orders, or requests for witnesses.**

(a) *Policy.* The involvement of present or former DA personnel in private litigation is solely a personal matter between the witness and the requesting party, unless one or more of the following conditions apply:

(1) The testimony involves official information. (See appendix F—Glossary to this part).

(2) The witness is to testify as an expert.

(3) The absence of the witness from duty will seriously interfere with the accomplishment of a military mission.

(b) *Former DA personnel.* Former DA personnel may freely respond to requests for interviews and subpoenas except in instances involving official information (paragraph (a)(1) of this section) or concerning expert testimony prohibited by § 516.49. In those in-

stances, the subject of the request or subpoena should take the action specified in §§ 516.41(c) and 516.42.

(c) *Present DA personnel.* Present DA personnel will refer all requests for interviews and subpoenas for testimony in private litigation through their supervisor to the appropriate SJA or legal adviser.

(d) *Discretion to testify.* Any individual not wishing to grant an interview or to testify concerning private litigation may seek the advice of an Army attorney concerning the consequences, if any, of refusal. Any individual not authorized to consult with Army counsel should consult with private counsel, at no expense to the government.

**§ 516.48 Official information.**

(a) In instances involving § 516.47(a)(1), the matter will be referred to the SJA or legal adviser serving the organization of the individual whose testimony is requested, or to HQDA pursuant to § 516.47(a). The deciding official will determine whether to release the information sought under the principles established in § 516.44. If funding by the United States is requested, see § 516.55(d).

(b) If the deciding official determines that the information may be released, the individual will be permitted to be interviewed, deposed, or to appear as a witness in court provided such interview or appearance is consistent with the requirements of §§ 516.49 and 516.50. (See, for example, figure G-2, appendix G, to this part). A JA or DA civilian attorney should be present during any interview or testimony to act as legal representative of the Army. If a question seeks information not previously authorized for release, the legal representative will advise the witness not to answer. If necessary to avoid release of the information, the legal representative will advise the witness to terminate the interview or deposition, or in the case of testimony in court, advise the judge that DOD directives and Army regulations preclude the witness from answering without HQDA approval. Every effort should be made, however, to substitute releasable information and to continue the interview or testimony.

**§ 516.49 Expert witnesses.**

(a) *General rule.* Present DA personnel will not provide, with or without compensation, opinion or expert testimony either in private litigation or in litigation in which the United States has an interest for a party other than the United States. Former DA personnel will not provide, with or without compensation, opinion or expert testimony concerning official information, subjects, or activities either in private litigation or in litigation in which the United States has an interest for a party other than the United States. (See figure G-3, appendix G of this part). An SJA or legal adviser is authorized to deny a request for expert testimony, which decision may be appealed to Litigation Division.

(b) *Exception to the general prohibition.* If a requester can show exceptional need or unique circumstances, and the anticipated testimony will not be adverse to the interests of the United States, Litigation Division may grant special written authorization for present or former DA personnel to testify as expert or opinion witnesses at no expense to the United States. In no event may present or former DA personnel furnish expert or opinion testimony in a case in which the United States has an interest for a party whose interests are adverse to the interests of the United States.

(c) *Exception for AMEDD personnel.* Members of the Army medical department or other qualified specialists may testify in private litigation with the following limitations (See figure G-4, appendix G, of this part):

(1) The litigation involves patients they have treated, investigations they have made, laboratory tests they have conducted, or other actions taken in the regular course of their duties.

(2) They limit their testimony to factual matters such as the following: their observations of the patient or other operative facts; the treatment prescribed or corrective action taken; course of recovery or steps required for repair of damage suffered; and, contemplated future treatment.

(3) Their testimony may not extend to expert or opinion testimony, to hypothetical questions, or to a prognosis.

(d) *Court-ordered expert or opinion testimony.* If a court or other appropriate authority orders expert or opinion testimony, the witness will immediately notify Litigation Division. If Litigation Division determines it will not challenge the subpoena or order, the witness will comply with the subpoena or order. If directed by Litigation Division, however, the witness will respectfully decline to comply with the subpoena or order. (See *United States ex. rel. Touhy v. Ragen*, 340 U.S. 462 (1951)).

(e) *Expert witness fees.* All fees tendered to present DA personnel as an expert or opinion witness, to the extent they exceed actual travel, meals, and lodging expenses of the witness, will be remitted to the Treasurer of the United States.

**§ 516.50 Interference with mission.**

If the absence of a witness from duty will seriously interfere with the accomplishment of a military mission, the SJA or legal adviser will advise the requesting party and attempt to make alternative arrangements. If these efforts fail, the SJA or legal adviser will refer the matter to Litigation Division.

## LITIGATION IN WHICH THE UNITED STATES HAS AN INTEREST

**§ 516.51 Response to subpoenas, orders, or requests for witnesses.**

(a) Referral to a deciding official. Requests, subpoenas, or orders for official information, interviews or testimony of present or former DA personnel in litigation or potential litigation in which the United States has an interest, including requests from DOJ, will be resolved by the SJA or legal adviser pursuant to the principles of this subpart. Litigation Division will be consulted on issues that cannot be resolved by the SJA or legal adviser.

(b) Reassignment of witnesses. When requested by the U.S. Attorney, the SJA or legal adviser will ensure that no witnesses are reassigned from the judicial district without advising the DOJ attorney. If a witness is vital to the government's case and trial is imminent, the SJA or legal adviser should make informal arrangements to retain the witness in the command until trial. If this is not feasible, or if

a satisfactory arrangement cannot be reached with the DOJ attorney, the SJA or legal adviser should notify Litigation Division.

**§ 516.52 Expert witnesses.**

Requests for present or former DA personnel as expert or opinion witnesses from DOJ or other attorneys representing the United States will be referred to Litigation Division unless the request involves a matter that has been delegated by Litigation Division to an SJA or legal adviser. In no event, may present or former DA personnel furnish expert or opinion testimony in a case in which the United States has an interest for a party whose interests are adverse to the interests of the United States.

**§ 516.53 News media and other inquiries.**

News media inquiries regarding litigation or potential litigation will be referred to the appropriate public affairs office. DA personnel will not comment on any matter presently or potentially in litigation without proper clearance. Local public affairs officers will refer press inquiries to HQDA (SAPA), WASH DC 20310-1500, with appropriate recommendations for review and approval by the Office of the Chief of Public Affairs. All releases of information regarding actual or potential litigation will be coordinated with Litigation Division prior to release.

STATUS, TRAVEL, AND EXPENSES OF  
WITNESSES

**§ 516.54 Witnesses for the United States.**

(a) Status of witness. A military member authorized to appear as a witness for the United States, including those authorized to appear under § 516.55(d), will be placed on temporary duty. If USAR or NG personnel are requested as witnesses for the United States, and if their testimony arises from their active duty service, they should be placed on active duty to testify. The status of a civilian employee will be determined under Federal Personnel Manual 630, subchapter 10. DA personnel who appear as necessary witnesses for a party asserting the govern-

ment's claim for medical care expenses are witnesses for the United States.

(b) Travel arrangements. Travel arrangements for witnesses for the United States normally are made by DOJ through Litigation Division for other than local travel. Litigation Division will issue instructions for this travel, including fund citation, to the appropriate commander. A U.S. Attorney, or an attorney asserting the government's medical care claim under subpart E, may make arrangements for local travel through the SJA or legal adviser for attendance of a witness who is stationed at an installation within the same judicial district, or not more than 100 miles from the place where testifying. Other requests, including those under § 516.55(d), will be referred to Litigation Division. The instructions from Litigation Division, or the request from the U.S. Attorney or the attorney asserting the government's claim, will serve as a basis for the issuance of appropriate travel orders by the local commander.

(c) Travel and per diem expenses. The witness' commander or supervisor should ensure the witness has sufficient funds to defray expenses. The SJA or legal adviser will provide assistance.

(1) Where local travel is performed at the request of a U.S. Attorney and the testimony does not involve information acquired in the performance of duties, transportation arrangements and any per diem expenses are the responsibility of the U.S. Attorney.

(2) An attorney asserting the government's medical care or property claim may be required to advance local travel expense money to the witness requested and to include these in recoverable costs where the government's claim is not large enough to justify expenditures of government travel funds.

(3) Other local travel and per diem expense for cases involving Army activities or claims are proper expenses of the command issuing the orders.

(4) Litigation Division will furnish travel expense and per diem funds for other than local travel and will receive reimbursement from DOJ or other government agencies as appropriate.

**§ 516.55 Witnesses for a State or private litigant.**

(a) *Status of witness.* If authorized to appear as a witness for a state or private litigant, and the testimony to be given relates to information obtained in the performance of official duties, a military member will attend in a permissive TDY status. If authorized to appear as a witness, but the testimony does not relate to information obtained in the performance of official duties, a military member may be granted a pass or permissive TDY under AR 630-5, or be required to take ordinary leave. The status of a civilian employee will be determined under 5 CFR Chapter I.

(b) *Travel arrangements.* The requesting party or state agency will make all travel arrangements for attendance of DA personnel authorized to appear as witnesses for a state or private litigant. The local commander may issue appropriate orders when necessary.

(c) *Travel expenses.* The United States may not pay travel, meals, and lodging expenses of the witness, other than normal allowances for subsistence pursuant to the DOD Military Pay and Allowances Entitlements Manual. These expenses are solely a matter between the witness and the party seeking his appearance. Witnesses ordinarily should be advised to require advance payment of such expenses. Military personnel authorized to appear in a pass or permissive TDY status are not entitled to receive witness attendance fees, but may accept travel, meals, and lodging expense money from the requesting litigant. All witness fees tendered the military member, to the extent they exceed such actual expenses of the member, will be remitted to the Treasurer of the United States. A civilian employee authorized to appear in his or her official capacity will accept the authorized witness fees, in addition to the allowance for travel and subsistence, and make disposition of the witness fees as instructed by his or her personnel office.

(d) *Funding by the United States.* Requests for DA personnel to appear at government expense as witnesses in state or local proceedings for a party other than the United States, including

cases involving domestic violence or child abuse, will be referred to Litigation Division. Litigation Division may authorize travel and per diem expenses under § 516.54 when the case is one in which the United States has a significant interest.

**§ 516.56 Witnesses before foreign tribunals.**

(a) *Referral to the SJA.* Requests or subpoenas from a foreign government or tribunal for present DA personnel stationed or employed within that country to be interviewed or to appear as witnesses will be forwarded to the SJA of the command exercising general court-martial jurisdiction over the unit to which the individual is assigned, attached, or employed. The SJA will determine the following:

(1) Whether a consideration listed in § 516.47(a)(1) through (a)(3) applies.

(2) Whether the information requested is releasable under the principles established in § 516.43 through § 516.46.

(3) Whether the approval of the American Embassy should be obtained because the person is attached to the Embassy staff or a question of diplomatic immunity may be involved.

(b) *United States has an interest in the litigation.* If the SJA determines that the United States has an interest in the litigation, the commander may authorize the interview or order the individual's attendance in a temporary duty status. The United States will be deemed to have an interest in the litigation if it is bound by treaty or other international agreement to ensure the attendance of such personnel.

(c) *United States has no interest in the litigation.* If the SJA determines that the United States does not have an interest in the litigation, the commander may authorize the interview or the appearance of the witness under the principles established in § 516.47 through § 516.50.

(d) *Witnesses located outside the requester's country.* If the requested witness is stationed in a country other than the requester's, the matter will be referred to Litigation Division.

## Subpart H—Remedies in Procurement Fraud and Corruption

### § 516.57 Purpose.

This subpart delineates the policies, procedures, and responsibilities for reporting and resolving allegations of procurement fraud or irregularities (PFI) within DA. It implements DOD Directive 7050.5. (See appendix D to this part.)

### § 516.58 Policies.

(a) Procurement fraud and irregularities will be promptly and thoroughly addressed whenever encountered. Reports will be initiated in a timely manner and will be supplemented as appropriate.

(b) Investigations will be monitored to see that interim corrective action is taken and that final action is taken as expeditiously as possible.

(c) This regulation establishes the Procurement Fraud Division (PFD), U.S. Army Legal Services Agency, as the single centralized organization within the Army to coordinate and monitor criminal, civil, contractual, and administrative remedies in significant cases of fraud or corruption relating to Army procurement.

(d) The key elements of the Army's procurement fraud program follow: centralized policy making and program direction; fraud remedies coordination; decentralized responsibility for operational matters, such as reporting and remedial action; continuous case monitorship by PFD from the initial report until final disposition; and, command-wide fraud awareness training.

(e) Remedies for PFI will be pursued in a timely manner and properly coordinated with other agencies. Every effort will be made to support criminal investigation and prosecution of fraudulent activity.

(f) A specific remedies plan will be formulated for each significant case of fraud or corruption involving procurement.

(g) Coordination on the status and disposition of cases will be maintained between PFD, OTJAG, PFI Coordinators at MACOMs, and Procurement Fraud Advisers at subordinate commands. Coordination of procurement and personnel actions will be accom-

plished with investigative agencies as required by those agencies.

(h) Training which relates to fraud and corruption in the procurement process is a significant element of this program.

### § 516.59 Duties and procedures.

(a) TJAG has overall responsibility for the coordination of remedies in procurement fraud and corruption within the Army. This responsibility has been delegated to PFD. Functions of PFD will include the following:

(1) Serving as the single centralized organization in the Army to monitor the status of, and ensure the coordination of, criminal, civil, contractual, and administrative remedies for each significant case of fraud or corruption.

(2) Receiving reports of procurement fraud and corruption from any source including, but not limited to the following: DOD criminal investigative organizations; audit agencies; contracting officers; inspectors general of the executive branch; correspondence from the public; and, commanders. This provision does not repeal any other reporting requirement but establishes PFD as a recipient of PFI information at the earliest possible time.

(3) Establishing a monitoring system within OTJAG for all cases of fraud and corruption that relate to Army procurement.

(4) Discussing regularly with the U.S. Army Criminal Investigation Command (USACIDC) or the assigned DOD criminal investigative organization the current status of significant fraud or corruption cases and their coordination with prosecutive authorities.

(5) Ensuring that all criminal, civil, contractual, and administrative remedies are considered in each significant fraud or corruption case and that timely and applicable remedies are undertaken by commanders, contracting officers, and suspension and debarment authorities. For example, consideration of suspension or debarment of a contractor or individual should normally be initiated within 30 days of indictment or conviction.

(6) Coordinating, as appropriate, with other DOD components affected by a significant fraud or corruption case being monitored by the Army.

(7) Developing, with the responsible DOD investigative organization, Procurement Fraud Coordinators and Advisers, and other involved agencies, a specific comprehensive remedies plan for each significant fraud or corruption case.

(8) Coordinating remedies with DOJ. In the case of ongoing criminal investigations, coordinate remedies through, or with the prior knowledge of, the DOD criminal investigative organization responsible for the case.

(9) In significant fraud or corruption cases, identifying and documenting any known adverse impact on a DOD mission, and including the information in any remedies plan.

(10) Providing the appropriate DOD criminal investigative organization with information concerning final remedies as a result of an investigation by that organization.

(11) Receiving notifications from criminal investigative agencies concerning substituted, defective, and counterfeit hardware in which a serious hazard to health, safety or operational readiness is indicated; ensuring that appropriate safety, procurement and program officials are informed in accordance with enclosure 3 of DOD Directive 7050.5. PFD will specifically ensure that contract reviews (DD 350 reports) and adverse impact statements (See § 516.64(c)(2)) are prepared, and that such information is used to determine if further inquiry is warranted to prevent reoccurrence and to detect other possible fraud. Impact statements will not be released to prosecutive agencies until reviewed by PFD. When appropriate, PFD will coordinate with other DOD agencies to establish a lead agency for victim impact statements in multi-DOD agency cases.

(b) The Commanding General, USACIDC, will take the following actions:

(1) Notify PFD of any investigations involving fraud or corruption related to procurement activities.

(2) Notify other DOD component criminal investigative organizations when investigations involving fraud or corruption affect that component. This includes evidence of fraud by a contractor, subcontractor, or employee of

either, on current or past contracts with, or affecting, that component.

(3) Notify the Defense Investigative Service of any investigations that develop evidence which affects DOD cleared industrial facilities or personnel.

(4) Determine the effect on any ongoing investigations or prosecutions of any criminal, civil, contractual, or administrative actions being considered by a centralized organization and advise of any adverse impact.

(5) Promptly provide commanders, contracting officers, Procurement Fraud Advisers, and suspension and debarment authorities, when needed to allow consideration of applicable remedies, any court records, documents, or other evidence of fraud or corruption from ongoing or completed criminal investigations. In cases of indictment or conviction of a contractor or individual, the information will be provided in time for initiation, if appropriate, of suspension or debarment action within 30 days of the indictment or conviction.

(6) Provide prosecutive authorities and centralized organizations with timely information on the adverse impact on a DOD mission of fraud or corruption that relates to DOD procurement activities. This information will be obtained from individuals such as the head of the contracting agency, appropriate commanders, and staff agencies. Some examples of adverse impact on a DOD mission are endangerment of personnel or property, monetary loss, compromise of the procurement process, or reduction or loss of mission readiness.

(7) Discuss regularly with Procurement Fraud Advisers the status of significant investigations of fraud or corruption and their coordination with prosecutive authorities and provide documents and reports resulting from the investigations.

(c) Commanders of service schools conducting procurement or procurement-related training (such as The Judge Advocate General's School, the U.S. Military Police School, and the U.S. Army Logistics Management Center) will ensure the following:

(1) All procurement and procurement-related training includes a period

of instruction on fraud and corruption in the procurement process. The length of the period of instruction will be appropriate to the duration and nature of the training.

(2) Training materials are developed to support that training.

(3) Training materials developed will be sent to MACOM PFI Coordinators.

(d) MACOM commanders and heads of contracting activities will ensure the following:

(1) Substantial indications of fraud or corruption relating to Army contracts or Army administered contracts are reported promptly to the supporting USACIDC element and the Procurement Fraud Division.

(2) Information provided includes reports by contracting officers under DFARS 209.406-3.

**§ 516.60 Procurement fraud and irregularities programs at MACOMs.**

(a) Command counsel and SJAs at MACOMs will develop a program and appoint an attorney as PFI Coordinator for their command. Chief counsel and SJAs at commands with procurement advisory responsibility will appoint an attorney as a Procurement Fraud Adviser (PFA) to manage the PFI program at their installations as well.

(b) Provision may be made for activities not having sufficient attorney assets to obtain assistance from nearby installations that have a PFA.

(c) Reports and recommendations will be transmitted through command channels to the PFI coordinator for the affected MACOM.

(d) Command counsel, chief counsel, and SJAs will exercise supervisory authority to ensure effective operation of the fraud program and coordination of remedies within their organizations.

(e) The MACOM PFI Coordinator will have overall responsibility for the design and implementation of the MACOM's procurement fraud program.

(f) PFAs and PFI Coordinators will coordinate with the appropriate local CID or Defense Criminal Investigative Service (DCIS) activity to assure the prompt notification and coordination of all Procurement Fraud cases.

**§ 516.61 Reporting requirements.**

(a) Typical fraud indicators during the procurement cycle are listed in figure D-1, appendix G, to this part. The mere presence of one or more of these indicators does not, by itself, require reporting under paragraph b of this section. Reports should be submitted if there is a reasonable suspicion of procurement fraud or irregularity or the procuring agency refers the matter for investigation.

(b) "Procurement Flash Reports" will be transmitted by FAX directly to PFD whenever a PFI Coordinator or PFA receives notice of a PFI involving the Army. To facilitate filing, a separate sheet should be used for each case reported. These reports will provide a succinct summary of the following available information:

- (1) Name and address of contractor.
- (2) Known subsidiaries of parent firms.
- (3) Contracts involved in potential fraud.
- (4) Nature of potential fraud.
- (5) Summary of pertinent facts.
- (6) Possible damages.
- (7) Investigative agencies involved.
- (8) Local PFAs (name and phone numbers).

Any of the above categories that cannot be completed will be annotated as "unknown at present."

(c) When a report is required by DFARS or is requested by PFD, the provisions of DFARS 209.406-3 (48 CFR 209.406-3) will be followed. That paragraph provides the basic content and format for PFI reports.

(d) All personnel will cooperate to ensure that investigations and prosecutions of procurement fraud are completed in a timely and thorough manner. Requests for assistance from federal prosecutors should be processed through the local PFA whenever possible. Requests for federal investigators will be processed through the supporting USACIDC and the PFA will be notified. When the conduct of criminal investigations and prosecutions conflict with the progress of procurements, reasonable deference will be given to criminal investigators and prosecutors whenever possible. Any serious conflict that cannot be resolved at a local level

will be immediately reported to the PFI Coordinator or PFD for action.

(e) PFI Coordinators and PFAs may request access to information obtained during criminal investigations that is not protected by Fed. R. Crim. P. 6(e) and use this information to assist them in taking appropriate administrative, contractual, and civil remedies. Requests for this information should be made directly to the appropriate federal investigative agency. The investigative organization may withhold requested information if release would compromise an investigation. Difficulties in obtaining information which cannot be resolved locally will be referred to PFD for appropriate action.

(f) USACIDC will notify, in writing, local PFAs as well as PFD within 30 days, of initiation of a significant investigation of fraud or corruption related to Army procurement activities. Such notification will include the following:

- (1) Case title.
- (2) USACIDC Report of Investigation number.
- (3) Responsible investigative agency or agencies.
- (4) Office of primary responsibility.
- (5) Date opened.
- (6) Summary of facts.
- (7) Suspected offense.

(g) The transmission of the information in f above may be delayed if the Commanding General, USACIDC, or the head of another DOD criminal investigation organization determines the transmission would compromise the success of any case or its prosecution. The prosecutive authorities dealing with the case will be consulted, when appropriate, in making such determinations.

(h) USACIDC will obtain the following information at the earliest possible point in an investigation of fraud or corruption that relates to DOD procurement activities, whenever possible without reliance on grand jury subpoenas:

- (1) The individuals suspected to be responsible.
- (2) The suspected firm's organizational structure.
- (3) The firm's financial and contract history.

(4) The firm's organizational documents and records.

(5) Statements of witnesses.

(6) Monetary loss to the government.

(7) Other relevant information.

This information will be provided to PFD or other cognizant DOD centralized organization.

(i) PFD will provide written notification to the Defense Investigative Service of all suspension or debarment actions taken by the Army.

#### **§ 516.62 PFD and HQ USACIDC coordination.**

PFD and HQ USACIDC will coordinate as follows:

(a) Discuss the status of significant procurement fraud or corruption investigations being conducted by USACIDC and possible remedies. These discussions should take place on a regular basis.

(b) Discuss the coordination of possible criminal, civil, contractual, or administrative remedies with prosecutive authorities.

(c) PFD will maintain liaison with other DOD centralized organizations and will coordinate remedies with those centralized organizations affected by a significant investigation of fraud or corruption that relates to DOD procurement activities.

(d) Ascertain the effect on any ongoing investigation of the initiation of civil, contractual, or administrative remedies as follows:

(1) PFD will maintain liaison with USACIDC and other DOD criminal investigative organizations in order to determine the advisability of initiating any civil, contractual, or administrative actions.

(2) USACIDC will advise PFD of any adverse effect on an investigation or prosecution by the initiation of civil, contractual, or administrative actions.

#### **§ 516.63 Coordination with DOJ.**

(a) PFD will establish and maintain liaison with DOJ and the Defense Procurement Fraud Unit on significant fraud and corruption cases to accomplish the following:

- (1) Monitor criminal prosecutions.
- (2) Initiate litigation for civil recovery.

(3) Coordinate administrative or contractual actions while criminal or civil proceedings are pending.

(4) Coordinate settlement agreements or proposed settlements of criminal, civil, and administrative actions.

(5) Respond to DOJ requests for information and assistance.

(b) In cases where there is an ongoing criminal investigation, coordination with DOJ by any member of the Army normally will be accomplished by or through USACIDC or the cognizant DOD criminal investigative organization, or with the investigative organization's advance knowledge. This does not apply to the routine exchange of information between government attorneys in the course of civil litigation or the routine referral of cases to DOJ for civil recovery.

(c) Initial contact by any attorney associated with the U.S. Army with a U.S. Attorney's office or DOJ, whether initiated by the Army attorney or not, will be reported to PFD. Activity after the initial contact will only be reported to PFD when the Army attorney feels there has been a significant event in the case. If the Army attorney is not a PFI Coordinator or a PFA, the matter should be referred to one of these two attorneys as soon as possible. Routine exchanges between Army attorneys and U.S. Attorney's offices or DOJ do not need to be brought to the attention of PFD.

#### § 516.64 Comprehensive remedies plan.

(a) A specific, comprehensive remedies plan will be developed in each significant investigation involving fraud or corruption that relates to Army procurement activities. When possible, these plans should be forwarded with the DFARS 209.406-3 reports. In no case, however, should the report be delayed an appreciable time pending completion of the plan. The format for a remedies plan is at figure H-2, appendix G, to this part.

(b) The plan will be developed initially by the PFA with the participation of the appropriate criminal investigators and other relevant personnel such as the contracting officer. In significant cases the PFA should also coordinate a remedies plan early with PFD. Defective product/product substi-

tion remedies plans must comply with the requirements of appendix D to this part.

(c) A comprehensive remedies plan will include at a minimum the following information and considerations:

(1) Summary of allegations and investigative results.

(2) Statement of any adverse impact on a DOD mission. DOD investigative organizations, commanders, or procurement officials will also provide this information to prosecutive authorities to enhance prosecution of offenses or to prepare a victim impact statement pursuant to Fed. R. Crim. P. 32(c)(2).

(3) The impact upon combat readiness and safety.

(4) Consideration of each criminal, civil, contractual, and administrative remedy available, and documentation of those remedies, either planned, in progress, or completed.

(5) Restrictions on the pursuit of any remedies such as grand jury information or possible compromise of the investigation.

(d) When remedies plans are received by PFD they will be coordinated with the headquarters of the appropriate DOD criminal investigative organization involved.

(e) Testing necessary to support the investigation and remedies plan should comply with figure H-3, appendix G, to this part.

#### § 516.65 Litigation reports in civil recovery cases.

(a) All substantiated PFI cases will be evaluated by PFAs to determine whether it is appropriate to recommend civil recovery proceedings.

(b) Recovery should be considered under both statutory and common law theories, including but not limited to the following:

(1) False Claims Act, 31 USC 3729.

(2) Anti-Kickback Act, 41 USC 51.

(3) Sherman Act, 15 USC 1-7.

(4) Racketeer Influenced and Corrupt Organizations Act, 18 USC 1961-1968.

(5) Common law fraud.

(6) Unjust enrichment.

(7) Constructive trust.

(8) Cases where contracts have been procured in violation of the conflict of interest statute, 18 USC 218. See *K&R*

*Engineering Co. v. United States*, 616 F.2d 469 (Ct. Cl., 1980).

(c) When civil recovery appears possible, PFD should be consulted to determine if a litigation report is necessary. If requested by PFD, the report should summarize the available evidence and applicable theories of recovery and be prepared under §516.23 of this part. To avoid unnecessary duplication of effort, recovery reports may include and make liberal references to other reports previously prepared on a given case such as the DFARS 209.406-3 (48 CFR 209.406-3) report.

(d) The MACOM PFI coordinator and PFA will monitor all civil fraud recovery efforts throughout the command and will provide training and technical assistance as required. Status reports of all civil fraud recovery efforts will be provided through channels as required by PFD.

**§516.66 Administrative and contractual actions.**

(a) The following remedial options should be considered in response to confirmed fraudulent activity:

- (1) Contractual.
  - (i) Termination of contract for default.
  - (ii) Nonaward of contract based upon a finding of contractor nonresponsibility. (If this appears to be a valid option, a DFARS 209.406-3 (48 CFR 209.406-3) report must be prepared where contractor nonresponsibility is based on lack of integrity).
  - (iii) Rescission of contract.
  - (iv) Revocation of acceptance.
  - (v) Use of contract warranties.
  - (vi) Withholding of payments to contractor. In the case of withholding pursuant to DFARS 2032.173, the Chief, PFD, is the Army Remedy Coordinating Official.
  - (vii) Offset of payments due to contractor from other contracts.
  - (viii) Revocation of facility security clearances.
  - (ix) Increased level of quality assurance.
  - (x) Refusal to accept nonconforming goods.
  - (xi) Denial of claims submitted by contractors.
  - (xii) Removal of contract from automated solicitation or payment system.

- (2) Administrative.
  - (i) Change in contracting forms and procedures.
  - (ii) Removal or reassignment of government personnel.
  - (iii) Review of contract administration and payment controls.
  - (iv) Revocation of warrant of contracting officer.
  - (v) Suspension of contractor.
  - (vi) Debarment of contractor.
- (b) In cases which are pending review or action by DOJ, PFAs should coordinate with the DOJ attorney handling the case prior to initiating any contractual or administrative remedy. In the case of ongoing criminal investigations, this coordination will be accomplished through the appropriate DOD criminal investigation organization.

**§516.67 Overseas cases of fraud or corruption.**

(a) Commanders of overseas major commands will establish procedures, similar to this regulation and consistent with the DFARS, and regulations and directives of their respective unified commands, for reporting and coordination of available remedies in overseas procurement fraud and corruption cases involving foreign firms and individuals. Overseas major commands will also maintain liaison with PFD and provide periodic reports of remedies coordination results.

(b) Overseas suspension and debarment actions are governed by DFARS 209.403 (48 CFR 209.403). The names of all firms and individuals suspended or debarred will be expeditiously forwarded to PFD for inclusion on the List of Parties Excluded From Federal Procurement or NonProcurement Programs.

(c) Overseas cases of fraud or corruption related to the procurement process that involve U.S. firms or U.S. citizens may be referred to PFD for coordination of remedies under this regulation.

**§516.68 Program Fraud Civil Remedies Act (PFCRA).**

(a) PFCRA was enacted on 21 October 1986 (Public Law 99-509) and implemented by DOD on 30 August 1988 (DOD Directive 5505.5). (See appendix E to this part.)

(b) PFCRA expands the capability of the government to deter and recover losses from false, fictitious or fraudulent claims and statements. It is also applicable to program fraud and provides an administrative remedy in addition to those otherwise available to the Army in procurement fraud or pay and entitlements fraud cases.

(c) As part of the Army implementation, the Secretary of the Army's duties and responsibilities under PFCRA as Authority Head are delegated to the Army General Counsel. The Chief, Intellectual Property Law Division, is the Army's Reviewing Official within the meaning of PFCRA. Army implementation also requires DA to follow the policies and procedures prescribed in enclosure 2 of DOD Directive 5505.5. (See appendix E to this part.)

(d) The DOD Inspector General (IG) is the Investigating Official within DOD. The duties of this position will be performed by the Assistant IG For Investigations. This individual is vested with the authority to investigate all allegations of liability under PFCRA. That authority includes the power to task subordinate investigative agencies to review and report on allegations that are subject to PFCRA. If the Investigative Official concludes that an action under PFCRA is warranted in an Army case, the official will submit a report containing the findings and conclusions of such investigation through PFD to the Army Reviewing Official.

(e) Pursuant to DOD IG guidance, USACIDC will forward appropriate cases that appear to qualify for resolution under PFCRA to the Investigating Official in a timely manner. Additionally, USACIDC will forward current information regarding the status of remedies pending or concluded. USACIDC may obtain remedies information by coordinating with PFD and the cognizant command.

(f) In pay and entitlement or transportation operation fraud cases, USACIDC will coordinate with the Office of the Secretary of the Army, Financial Management, Review and Oversight Directorate (SAFM-RO), to determine the status of any pending or proposed action under the Debt Collection Act. This information, in addition to information obtained under § 517.68(e),

will be forwarded with appropriate cases to the Investigating Official.

(g) In those cases where the Investigating Official has submitted a report to the Army Reviewing Official for action under PFCRA, PFD will, at the direction of the Reviewing Official, prepare all legal memoranda as necessary to transmit the Reviewing Official's intention to issue a complaint. As part of this responsibility PFD will do the following: coordinate with the affected command or agency to ensure that all appropriate remedies have been considered; evaluate the overall potential benefits to the Army; and, ensure that action under PFCRA is not duplicative of other remedies already taken. In order to fully supplement the Reviewing Official's file, PFD may request a litigation report.

(h) PFD will coordinate all cases involving transportation operations emanating from Military Traffic Management Command (MTMC) activity, under the military transportation exception to the FAR, and all cases involving pay and entitlements fraud with SAFM-RO, for comments and recommendations. These matters will be forwarded with the case file to the Reviewing Official.

(i) If the Attorney General approves the issuance of a complaint, PFD, at the direction of the Army Reviewing Official, shall prepare the complaint and all necessary memoranda as required. PFD shall also designate attorneys to represent the Authority in hearings under PFCRA.

### Subpart I—Cooperation With the Office of Special Counsel

#### § 516.69 Introduction.

This subpart prescribes procedures for cooperation with the Office of Special Counsel (OSC) when OSC is investigating alleged prohibited personnel practices or other allegations of improper or illegal conduct within DA activities.

#### § 516.70 Policy.

(a) DA policy follows:

(1) Civilian personnel actions taken by management officials, civilian and military, will conform to laws and regulations implementing established

merit system principles and will be free of any prohibited personnel practices.

(2) Management officials will take vigorous corrective action when prohibited personnel practices occur. Disciplinary measures under AR 690-700, Chapter 751, may be initiated after consultation and coordination with appropriate civilian personnel office and labor counselor.

(b) DA activities will cooperate with OSC in the following ways:

(1) Promoting merit system principles in civilian employment programs within DA.

(2) Investigating and reporting allegations of improper or illegal conduct forwarded to the activity by HQDA.

(3) Facilitating orderly investigations by the OSC of alleged prohibited personnel practices and other matters assigned for investigation to the OSC, such as violations of the Whistleblower Protection Act of 1989, the Freedom of Information Act, or the Hatch Act.

#### § 516.71 Duties.

(a) *DA General Counsel.* The DA General Counsel is responsible for the following:

(1) Provide overall guidance on all issues concerning cooperation with OSC, including the investigation of alleged prohibited personnel practices and allegations of improper or illegal conduct.

(2) Review for adequacy and legal sufficiency each OSC report of investigation that must be personally reviewed by the Secretary of the Army.

(3) Ensure compliance with the Civil Service Reform Act of 1978 by obtaining a suitable investigation of allegations of improper or illegal conduct received from OSC. This includes compliance with time limits for reporting results of the investigation and personal review of the report by the Secretary of the Army when required.

(4) Forward to the DOD Inspector General (DODIG) copies of each allegation of improper or illegal conduct referred to DA by OSC.

(5) Delegate to The Judge Advocate General the authority to act on behalf of the DA General Counsel in all OSC investigations of prohibited personnel practices.

(6) Act upon requests for counsel from "accused" or "suspected" employees.

(b) *Chief, Labor and Employment Law Office.* The Chief, Labor and Employment Law Office, OTJAG (DAJA-LE) is responsible for the following:

(1) Act for TJAG as the Senior Management Official in cooperating with OSC. As Senior Management Official, the Chief, DAJA-LE, through TJAG, will be responsible to the DA General Counsel for administration of the policies and procedures contained in this chapter.

(2) Promptly inform the DA General Counsel of any OSC investigation and consult with the DA General Counsel on any legal or policy issue arising from an OSC investigation.

(3) Serve as the HQDA point of contact in providing assistance to OSC.

(4) Act as DA attorney-of-record in administrative matters initiated by OSC before the MSPB which arise from an OSC investigation. As DA attorney-of-record, the Chief, DAJA-LE, will file necessary pleadings and make necessary appearances before the MSPB to represent DA interests.

(5) Monitor ongoing OSC investigations within DA.

(6) Ensure that appropriate DA personnel are fully apprised of their rights, duties and the nature and basis for an OSC investigation.

(7) Review and prepare recommendations to the General Counsel concerning any OSC recommended corrective action referred to DA. Such review and recommendations will address whether disciplinary action should be taken against DA civilian employees or military members, and whether the information warrants referral to appropriate authorities for corrective and disciplinary action.

(8) Seek OSC approval of DA proposed disciplinary action against an employee for an alleged prohibited personnel practice or other misconduct which is the subject of or related to any OSC investigation.

(9) Review and prepare recommendations for DA General Counsel concerning requests for counsel, to include identifying available DA attorneys to act as individual representatives. Upon

approval of DA General Counsel, appoint DA civilian and military attorneys, to include attorneys from the U.S. Army Materiel Command and the Corps of Engineers, to represent individual military members or employees.

(10) Determine, to the extent practicable, whether an investigation is being or has been conducted which duplicates, in whole or in part, a proposed or incomplete OSC investigation, and convey that information to the OSC whenever it might avoid redundant investigative efforts.

(11) Provide guidance and assistance to activity Labor Counselors in fulfilling their duties as Liaison Officers.

(c) *Activity Labor Counselor.* The activity Labor Counselor will do the following:

(1) Act as Liaison Officer for OSC investigations arising within the command, activity or installation serviced by the Labor Counselor's client Employment Office.

(2) Promptly inform the MACOM labor counselor and the Chief, DAJA-LE, of any OSC inquiry or investigation.

(3) Act as the legal representative of the command, activity, or installation.

(4) Assist the OSC investigator with administrative matters related to the investigation, such as requests for witnesses and documents.

(5) Process all OSC requests for documents.

(6) Make appropriate arrangements for OSC requests to interview civilian employees and military members.

(7) Ensure that personnel involved are advised of the nature and basis for an OSC investigation, the authority of the OSC, and their rights and duties.

(8) Consult with the Chief, DAJA-LE, on policy and legal issues arising from the OSC investigation.

(9) Keep the Chief, DAJA-LE, informed of the status of the OSC investigation.

(10) Act as agency representative before the MSPB in actions initiated by employees (individual right of action appeals).

**§ 516.72 Procedures.**

(a) Witnesses and counsel for consultation.

(1) DA military and civilian managers, supervisors, and employees who are requested by OSC for an interview will be made available in accordance with arrangements the Labor Counselor will establish. Requests for the testimony of IGs will be coordinated with the Inspector General Legal Office, SAIG-ZXL, DSN 227-9734 or Commercial (703) 697-9734.

(2) The Labor Counselor will ensure that witnesses are aware of their obligation to answer OSC questions, their potential to be considered "suspects" in OSC investigations, and their right to the assistance of counsel during interviews with OSC representatives. If the requested witness is not an "accused" or "suspected" individual and the witness asks for assistance of counsel, a DA attorney will be made available for the limited purpose of consultation regarding the witness' rights and obligations. An attorney-client relationship will not be established. (See appendix F to this part).

(3) The Labor Counselor will arrange for individual counsel for consultation from local assets. If local assets are not sufficient, assistance may be requested from other DOD activities in the area or from HQDA, DAJA-LE. DA attorneys tasked to consult with one or more witnesses individually will not be tasked to represent the DA activity concerned.

(4) The Labor Counselor, as the legal representative of the activity, is precluded from assisting or representing individual witnesses during OSC interviews.

(b) "Accused" or "suspected" DA personnel and counsel for representation.

(1) If the OSC identifies a DA civilian employee or a military member as an "accused" or "suspected" individual, or if the Labor Counselor concludes that an individual is a "suspect," the Labor Counselor will inform the individual. The Labor Counselor also will advise the individual of the availability of counsel for representation upon approval by DA General Counsel. (See Glossary, Counsel for Representation).

(2) If the "suspected" individual desires legal representation by DA, the individual must request counsel by submitting a written request through

DAJA-LE to DA General Counsel. (See figure I-1, appendix G, to this part).

(3) During the investigation but prior to DA General Counsel approval of the request for counsel, an “accused” or “suspected” individual will be provided the assistance of counsel for consultation in the same manner as any other OSC requested witness. “Accused” or “suspected” individuals who do not request counsel for representation will be provided counsel for consultation in the same manner as any other OSC requested witness.

(4) If the DA General Counsel approves the request for counsel, the Chief, DAJA-LE, will appoint a DA attorney to represent the individual. This appointment may be made telephonically but will be confirmed in writing. The Chief, DAJA-LE, will make appropriate coordination with MACOM SJAs and command counsel to confirm availability of the attorney.

(5) An attorney appointed by DA may represent a civilian employee in any proceeding initiated by OSC before the MSPB. However, counsel provided by DA may not represent the employee in any proceeding initiated by DA, in any appeal from a final decision by the MSPB, or in any collateral proceeding before any forum other than the MSPB.

(6) OSC may not bring a disciplinary action before the MSPB against a military member. Accordingly, DA counsel will not be required to represent the military member in any MSPB disciplinary proceeding. However, counsel may represent the member during the OSC investigation with the understanding that the evidence obtained by OSC may be referred to the member’s command for possible disciplinary action under the UCMJ or appropriate regulations. If DA initiates action against the military member for misconduct disclosed in the OSC investigation, the member will obtain counsel as provided under the UCMJ or relevant regulations.

(c) Records.

(1) OSC requests for records must be in writing. The Labor Counselor will assist OSC representatives in identifying the custodian of specific records sought during the inquiry.

(2) Generally, requested records should be furnished to OSC representa-

tives if such records would be released under AR 25-55 or AR 340-21 to other government agencies in the normal course of official business. Records constituting attorney work product should not be released without approval of the Chief, DAJA-LE. IG records will not be released without the approval of the Inspector General. (AR 20-1). The Labor Counselor should seek guidance from the Chief, DAJA-LE, if there is any doubt concerning the release of records.

(3) If, after completion of the OSC investigation, the OSC files a complaint against DA or a DA employee, release of records and other information will be accomplished pursuant to MSPB rules of discovery (5 CFR part 1201, subpart B).

(d) Funding. The command, activity, or installation within which the allegations of misconduct arose will provide funding for travel, per diem and other necessary expenses related to the OSC investigation. These expenses may include appropriate funding for witnesses, counsel for consultation and DA General Counsel approved counsel for representation.

#### **§ 516.73 Assistance from HQDA.**

Labor Counselors may seek guidance on questions arising from implementation of this chapter by calling the Chief, DAJA-LE, DSN 225-9476/9481 or Commercial (703) 695-9476/9481.

### **Subpart J—Soldiers Summoned to Serve on State and Local Juries**

#### **§ 516.74 General.**

(a) This subpart implements 10 U.S.C. § 982 and DOD Directive 5525.8. It establishes Army policy concerning soldiers on active duty who are summoned to serve on state and local juries.

(b) This subpart does not apply to Army National Guard soldiers in an annual training or full-time AGR (Active Guard Reserve) status under Title 32, U.S. Code. Soldiers in a Title 32 status must refer to their respective state law for relief from state or local jury duty.

#### **§ 516.75 Policy.**

(a) Active duty soldiers should fulfill their civic responsibility by serving on

## §516.76

state and local juries, so long as it does not interfere with military duties.

(b) The following active duty soldiers are exempt from complying with summons to serve on state and local juries:

(1) General officers.

(2) Commanders.

(3) Active duty soldiers stationed outside the United States, Puerto Rico, Guam, the Northern Mariana Islands, American Samoa, and the Virgin Islands.

(4) Active duty soldiers in a training status.

(5) Active duty soldiers assigned to forces engaged in operations.

(c) Other active duty soldiers may be exempted from serving on local juries if compliance with such summons would have either of the following effects:

(1) It would unreasonably interfere with performance of the soldier's military duties; or,

(2) It would adversely affect the readiness of a summoned soldier's unit, command, or activity.

### **§516.76 Exemption determination authority.**

(a) The commander exercising special court-martial convening authority (SPCMCA) over a unit has the authority to determine whether a soldier of that unit, who has been served with a summons, is exempt from serving on a state or local jury unless that authority has been limited or withheld in accordance with paragraph (b) or (c) of this section. This authority may not be delegated to a subordinate commander who does not exercise SPCMCA.

(b) A commander superior to the SPCMCA, who also exercises SPCMCA or general court-martial convening authority (GCMCA) over a unit, may limit or withhold the exemption determination authority of subordinate commanders.

(c) A GCMCA, who orders a unit or soldier assigned to one command to be attached or detailed to another command for disciplinary purposes (for example, "for administration" or "for administration of military justice"), may reserve exemption determination authority to the commander exercising SPCMCA in the chain of command to which the unit or soldier is assigned

## 32 CFR Ch. V (7-1-98 Edition)

rather than the chain of command to which the unit or soldier is attached or detailed.

### **§516.77 Procedures for exemption.**

(a) Active duty soldiers served with a summons to serve on a state or local jury will promptly advise their commander and provide copies of pertinent documents.

(b) Unit commanders will evaluate the summons considering both the individual soldier's duties and the unit mission. Coordination with the servicing judge advocate or legal adviser and with the appropriate state or local official may be necessary to determine any impact on the soldier's duties or on unit readiness.

(1) If the soldier is not exempt under §516.75 (b) or (c), the commander will process the soldier for permissive TDY in accordance with AR 630-5, Leaves and Passes.

(2) If the soldier is exempt under §516.75 (b) or (c), the commander will forward the summons and any related documentation, with recommendations, through the chain of command to the commander with exemption determination authority over the soldier concerned.

(c) The commander with exemption determination authority over the soldier concerned will determine whether the soldier is exempt. His determination is final.

(d) The exemption determination authority will notify responsible state or local officials whenever a soldier summoned for jury duty is exempt. The notification will cite 10 U.S.C. 982 as authority.

### **§516.78 Status, fees, and expenses.**

(a) Soldiers who are required to comply with summons to serve on state or local juries will be placed on permissive TDY under the provisions of AR 630-5.

(b) Jury fees accruing to soldiers for complying with the summons to serve on state and local juries must be turned over to the appropriate finance office for deposit into the U.S. Treasury. Commands will establish procedures with local authorities and their servicing finance and accounting activity to ensure that such jury fees are so

deposited. Soldiers, however, may keep any reimbursement from state or local authority for expenses incurred in the performance of jury duty, including transportation, meals, and parking.

*A. Purpose*

Under Section 301 reference (a) and reference (b), this Directive establishes policy, assigns responsibilities, and prescribes procedures for the release of official DoD information in litigation and for testimony by DoD personnel as witnesses during litigation.

*B. Applicability and Scope*

1. This Directive applies to the Office of the Secretary of Defense (OSD), the Military Departments, the Organization of the Joint Chiefs of Staff (OJCS), the Unified and Specified Commands, and the Defense Agencies (hereafter referred to as "DoD Components"), and to all personnel of such DoD Components.

2. This Directive does not apply to the release of official information or testimony by DoD personnel in the following situations:

- a. Before courts-martial convened by the authority of the Military Departments or in administrative proceedings conducted by or on behalf of a DoD Component;
- b. Pursuant to administrative proceedings conducted by or on behalf of the Equal Employment Opportunity Commission (EEOC) or the Merit Systems Protection Board (MSPB), or pursuant to a negotiated grievance procedure under a collective bargaining agreement to which the Government is a party;
- c. In response to requests by Federal Government counsel in litigation conducted on behalf of the United States;
- d. As part of the assistance required in accordance with the Defense Industrial Personnel Security Clearance Program under DoD Directive 5220.6 (reference (c)); or
- e. Pursuant to disclosure of information to Federal, State, and local prosecuting and law enforcement authorities, in conjunction with an investigation conducted by a DoD criminal investigative organization.

3. This Directive does not supersede or modify existing laws or DoD programs governing the testimony of DoD personnel or the release of official DoD information during grand jury proceedings, the release of official information not involved in litigation, or the release of official information pursuant to the Freedom of Information Act, 5 U.S.C. Section 552 (reference (a)) or the Privacy Act, 5 U.S.C. Section 552a (reference (a)), nor does this Directive preclude treating any written request for agency records that is not in the nature of legal process as a request under the Freedom of Information or Privacy Acts.

4. This Directive is not intended to infringe upon or displace the responsibilities committed to the Department of Justice in conducting litigation on behalf of the United States in appropriate cases.

5. This Directive does not preclude official comment on matters in litigation in appropriate cases.

6. This Directive is intended only to provide guidance for the internal operation of the Department of Defense and is not intended to, does not, and may not be relied upon to create any right or benefit, substantive or procedural, enforceable at law against the United States or the Department of Defense.

#### C. Definitions

1. Demand. Subpoena, order, or other demand of a court of competent jurisdiction, or other specific authority for the production, disclosure, or release of official DoD information or for the appearance and testimony of DoD personnel as witnesses.

2. DoD Personnel. Present and former U.S. military personnel; Service Academy cadets and midshipmen; and present and former civilian employees of any Component of the Department of Defense, including non-appropriated fund activity employees; non-U.S. nationals who perform services overseas, under the provisions of status of forces agreements, for the United States Armed Forces; and other specific individuals hired through contractual agreements by or on behalf of the Department of Defense.

3. Litigation. All pretrial, trial, and post-trial stages of all existing or reasonably anticipated judicial or administrative actions, hearings, investigations, or similar proceedings before civilian courts, commissions, boards (including the Armed Services Board of Contract Appeals), or other tribunals, foreign and domestic. This term includes responses to discovery requests, depositions, and other pretrial proceedings, as well as responses to formal or informal requests by attorneys or others in situations involving litigation.

4. Official Information. All information of any kind, however stored, that is in the custody and control of the Department of De-

fense, relates to information in the custody and control of the Department, or was acquired by DoD personnel as part of their official duties or because of their official status within the Department while such personnel were employed by or on behalf of the Department or on active duty with the United States Armed Forces.

#### D. Policy

It is DoD policy that official information should generally be made reasonably available for use in Federal and state courts and by other governmental bodies unless the information is classified, privileged, or otherwise protected from public disclosure.

#### E. Responsibilities

1. The General Counsel, Department of Defense (GC, DoD), shall provide general policy and procedural guidance by the issuance of supplemental instructions or specific orders concerning the release of official DoD information in litigation and the testimony of DoD personnel as witnesses during litigation.

2. The Heads of DoD Components shall issue appropriate regulations to implement this Directive and to identify official information that is involved in litigation.

#### F. Procedures

##### 1. Authority to Act

a. In response to a litigation request or demand for official DoD information or the testimony of DoD personnel as witnesses, the General Counsels of DoD, Navy, and the Defense Agencies; the Judge Advocates General of the Military Departments; and the Chief Legal Advisors to the JCS and the Unified and Specified Commands, with regard to their respective Components, are authorized—after consulting and coordinating with the appropriate Department of Justice litigation attorneys, as required—to determine whether official information originated by the Component may be released in litigation; whether DoD personnel assigned to or affiliated with the Component may be interviewed, contacted, or used as witnesses concerning official DoD information or as expert witnesses; and what, if any, conditions will be imposed upon such release, interview, contact, or testimony. Delegation of this authority, to include the authority to invoke appropriate claims of privilege before any tribunal, is permitted.

b. In the event that a DoD Component receives a litigation request or demand for official information originated by another Component, the receiving Component shall forward the appropriate portions of the request or demand to the originating Component for action in accordance with this Directive. The receiving Component shall also

notify the requestor, court, or other authority of its transfer of the request or demand.

c. Notwithstanding the provisions of paragraphs F.1.a. and b., the GC, DoD, in litigation involving terrorism, espionage, nuclear weapons, intelligence means or sources, or otherwise as deemed necessary, may notify Components that GC, DoD, will assume primary responsibility for coordinating all litigation requests and demands for official DoD information or the testimony of DoD personnel, or both; consulting with the Department of Justice, as required; and taking final action on such requests and demands.

#### 2. Factors to Consider

In deciding whether to authorize the release of official DoD information or the testimony of DoD personnel concerning official information (hereinafter referred to as "the disclosure") pursuant to paragraph F.1., DoD officials should consider the following types of factors:

a. Whether the request or demand is unduly burdensome or otherwise inappropriate under the applicable court rules;

b. Whether the disclosure, including release in camera, is appropriate under the rules of procedure governing the case or matter in which the request or demand arose;

c. Whether the disclosure would violate a statute, executive order, regulation, or directive;

d. Whether the disclosure, including release in camera, is appropriate or necessary under the relevant substantive law concerning privilege;

e. Whether the disclosure, except when in camera and necessary to assert a claim of privilege, would reveal information properly classified pursuant to the DoD Information Security Program under DoD 5200.1-R (reference (d)), unclassified technical data withheld from public release pursuant to DoD Directive 5230.25 (reference (e)), or other matters exempt from unrestricted disclosure; and

f. Whether disclosure would interfere with ongoing enforcement proceedings, compromise constitutional rights, reveal the identity of an intelligence source or confidential informant, disclose trade secrets or similarly confidential commercial or financial information, or otherwise be inappropriate under the circumstances.

#### 3. Decisions on Litigation Requests and Demands

a. Subject to paragraph F.3.e., DoD personnel shall not, in response to a litigation request or demand, produce, disclose, release, comment upon, or testify concerning any official DoD information without the prior written approval of the appropriate DoD official designated in paragraph F.1. Oral approval may be granted, but a record of such

approval shall be made and retained in accordance with the applicable implementing regulations.

b. If official DoD information is sought, through testimony or otherwise, by a litigation request or demand, the individual seeking such release or testimony must set forth, in writing and with as much specificity as possible, the nature and relevance of the official information sought. Subject to paragraph F.3.e., DoD personnel may only produce, disclose, release, comment upon, or testify concerning those matters that were specified in writing and properly approved by the appropriate DoD official designated in paragraph F.1. See *United States ex rel. Touhy v. Ragen*, 340 U.S. 462 (1951).

c. Whenever a litigation request or demand is made upon DoD personnel for official DoD information or for testimony concerning such information, the personnel upon whom the request or demand was made shall immediately notify the DoD official designated in paragraph F.1. for the Component to which the individual contacted is or, for former personnel, was last assigned. In appropriate cases, the responsible DoD official shall thereupon notify the Department of Justice of the request or demands. After due consultation and coordination with the Department of Justice, as required, the DoD official shall determine whether the individual is required to comply with the request or demand and shall notify the requestor or the court or other authority of the determination reached.

d. If, after DoD personnel have received a litigation request or demand and have in turn notified the appropriate DoD official in accordance with paragraph F.3.c., a response to the request or demand is required before instructions from the responsible official are received, the responsible official designated in paragraph F.1. shall furnish the requestor or the court or other authority with a copy of this Directive and applicable implementing regulations, inform the requestor or the court or other authority that the request or demand is being reviewed, and seek a stay of the request or demand pending a final determination by the Component concerned.

e. If a court of competent jurisdiction or other appropriate authority declines to stay the effect of the request or demand in response to action taken pursuant to paragraph F.3.d., or if such court or other authority orders that the request or demand must be complied with notwithstanding the final decision of the appropriate DoD official, the DoD personnel upon whom the request or demand was made shall notify the responsible DoD official of such ruling or order. If the DoD official determines that no further legal review of or challenge to the court's ruling

or order will be sought, the affected DoD personnel shall comply with the request, demand, or order. If directed by the appropriate DoD official, however, the affected DoD personnel shall respectfully decline to comply with the demand. See *United States ex rel. Touhy v. Ragen*, 340 U.S. 462 (1951).

#### 4. Fees

Consistent with the guidelines in DoD Instruction 7230.7 (reference (f)), the appropriate officials designated in paragraph F.1. are authorized to charge reasonable fees, as established by regulation and to the extent not prohibited by law, to parties seeking, by request or demand, official DoD information not otherwise available under the DoD Freedom of Information Act Program (reference (g)). Such fees, in amounts calculated to reimburse the Government for the expense of providing such information, may include the costs of time expended by DoD employees to process and respond to the request or demand; attorney time for reviewing the request or demand and any information located in response thereto and for related legal work in connection with the request or demand; and expenses generated by materials and equipment used to search for, produce, and copy the responsive information. See *Oppenheimer Fund, Inc. v. Sanders*, 437 U.S. 340 (1978).

#### 5. Expert or Opinion Testimony

DoD personnel shall not provide, with or without compensation, opinion or expert testimony concerning official DoD information, subjects, or activities, except on behalf of the United States or a party represented by the Department of Justice. Upon a showing by the requestor of exceptional need or unique circumstances and that the anticipated testimony will not be adverse to the interests of the Department of Defense or the United States, the appropriate DoD official designated in paragraph F.1. may, in writing, grant special authorization for DoD personnel to appear and testify at no expense to the United States. If, despite the final determination of the responsible DoD official, a court of competent jurisdiction, or other appropriate authority, orders the appearance and expert or opinion testimony of DoD personnel, the personnel shall notify the responsible DoD official of such order. If the DoD official determines that no further legal review of or challenge to the court's order will be sought, the affected DoD personnel shall comply with the order. If directed by the appropriate DoD official, however, the affected DoD personnel shall respectfully decline to comply with the demand. See *United States ex rel. Touhy v. Ragen*, 340 U.S. 462 (1951).

#### G. Effective Date and Implementation

This Directive is effective immediately. Forward two copies of implementing documents to the General Counsel, DoD, within 120 days.

Signed by William H. Taft, IV  
*Deputy Secretary of Defense.*

#### A. Reissuance and Purpose

This Directive reissues reference (a) to update policies, procedures, and responsibilities for the coordination of criminal, civil, administrative, and contractual remedies stemming from investigation of fraud or corruption related to procurement activities. More effective and timely communication of information developed during such investigations will enable the Department of Defense to take the most appropriate of the available measures.

#### B. Applicability

This Directive applies to the Office of the Secretary of Defense (OSD); the Inspector General, Department of Defense (IG, DoD); the Military Departments; the Defense Agencies; and the DoD Field Activities (hereafter referred to collectively as "DoD Components").

#### C. Definitions

1. *DoD Criminal Investigative Organizations.* Refers to the U.S. Army Criminal Investigation Command; the Naval Investigative Service Command; the U.S. Air Force Office of Special Investigations; and the Defense Criminal Investigative Service, Office of the IG, DoD (OIG, DoD).

2. *Significant*. Refers to all fraud cases involving an alleged loss of \$100,000, or more; all corruption cases related to procurement that involved bribery, gratuities, or conflicts of interest; and any investigation into defective products or product substitution in which a SERIOUS HAZARD to health, safety, or operational readiness is indicated, regardless of loss value.

#### *D. Policy*

It is DoD policy that:

1. Each of the DoD Components shall monitor, from its inception, all significant investigations of fraud or corruption related to procurement activities affecting its organizations, for the purpose of ensuring that all possible criminal, civil, administrative, and contractual remedies in such cases are identified to cognizant procurement and command officials and that appropriate remedies are pursued expeditiously. This process shall include appropriate coordination with all other affected DoD Components.

2. All investigations of fraud or corruption related to procurement activities shall be reviewed to determine and implement the appropriate contractual and administrative actions that are necessary to recover funds lost through fraud or corruption and to ensure the integrity of DoD programs and operations.

3. Appropriate civil, contractual, and administrative actions, including those set forth in enclosure 1, shall be taken expeditiously. During an investigation and before prosecution or litigation, and when based in whole or in part on evidence developed during an investigation, such actions shall be taken with the advance knowledge of the responsible DoD criminal investigative organization and, when necessary, the appropriate legal counsel in the Department of Defense and the Department of Justice (DoJ). When appropriate, such actions shall be taken before final resolution of the criminal or civil case.

#### *E. Responsibilities*

1. The *Heads of DoD Components* shall:

a. Establish a centralized organization (hereafter referred to as "the centralized organization") to monitor and ensure the coordination of criminal, civil, administrative, and contractual remedies for each significant investigation of fraud or corruption related to procurement activities affecting the DoD Component.

b. Establish procedures requiring the centralized organization to discuss regularly with the assigned DoD criminal investigative organization(s) such issues as the current status of significant investigations and their coordination with prosecutive authorities.

c. Establish procedures requiring that all coordination involving the DoJ, during the

pendency of a criminal investigation, is accomplished by or with the advance knowledge of the appropriate DoD criminal investigative organization(s).

d. Establish procedures to ensure appropriate coordination of actions between the centralized organizations of any DoD Components affected by a significant investigation of fraud or corruption related to procurement activities.

e. Establish procedures to ensure that all proper and effective civil, administrative, and contractual remedies available to the Department of Defense are, when found applicable and appropriate, considered and undertaken promptly by the necessary DoD officials (e.g., commanders, program officials, and contracting officers). This includes initiation of any suspension and debarment action within 30 days of an indictment or conviction. The centralized organization shall ensure that all proposed actions are coordinated with appropriate investigative organization.

f. Establish procedures to ensure that a specific comprehensive remedies plan is developed for each significant investigation involving fraud or corruption related to procurement activities. These procedures shall include the participation of the appropriate DoD criminal investigative organization in the development of the plan.

g. Establish procedures to ensure that in those significant investigations of fraud or corruption related to procurement activities when adverse impact on a DoD mission can be determined, such adverse impact is identified and documented by the centralized organization. This information is to be used by the centralized organization of the DoD Component concerned in development of the remedies plan required in paragraph E.1.f., above, and shall be furnished to prosecutors as stated in paragraph E.2.e., below. The information shall also be used by the centralized organizations in development and preparation of "Victim Impact Statements" for use in sentencing proceedings, as provided for P.L. 97-291 (reference (b)). Some examples of adverse impact on a DoD mission are as follows:

- (1) Endangerment of personnel or property.
- (2) Monetary loss.
- (3) Denigration of program or personnel integrity.
- (4) Compromise of the procurement process.
- (5) Reduction or loss of mission readiness.

h. Ensure training materials are developed on fraud and corruption in the procurement process, and that all procurement and procurement-related training includes a period of such instruction appropriate to the duration and nature of the training.

i. Establish procedures enabling the centralized organization to ensure that safety

and readiness issues are examined and appropriately dealt with for all cases in which a notice is required under paragraph E.2.i., below. The minimum procedures to be followed by the centralized organization are in enclosure 3.

j. Ensure that appropriate command, procurement, and investigative organizations are provided sufficient information to determine if further inquiry is warranted on their part to prevent reoccurrence and detect other possible fraud within their activity.

2. The *Secretaries of the Military Departments* and the *Inspector General, Department of Defense (IG, DoD)*, or their designees, shall establish procedures that ensure that their respective criminal investigative organizations will:

a. Notify, in writing, the centralized organization for the affected DoD Component of the start of all significant investigations involving fraud or corruption that are related to procurement activities. Initial notification shall include the following elements:

- (1) Case title.
- (2) Case control number.
- (3) Investigative agency and office of primary responsibility.
- (4) Date opened.
- (5) Predication.

Department of the Army, Office of the Staff Judge Advocate, Fort Smith, North Dakota 84165, 15 April 1993

Mr. T. Hudson Taylor,  
Attorney At Law, 105 Hay Street, Whynot, ND 84167

Dear Mr. Taylor: We have learned that you subpoenaed Captain Roberta Selby to testify at a deposition in the case *Kramer v. Kramer*, currently filed in state court, and that you

directed her to bring her legal assistance file concerning her client, SSG Kramer.

Under 32 CFR §§97.6(c), 516.35, and 516.40, the Army must authorize the appearance of its personnel or the production of official documents in private litigation. In this case, the Army cannot authorize Captain Selby to appear or produce the requested file absent the following:

You must request in writing her appearance and the production of the file in accordance with Department of Defense directives, 32 CFR §97.6(c), and Army regulations, 32 CFR §§516-34—516.40. The request must include the nature of the proceeding, 32 CFR §516.34(b), and the nature and relevance of the official information sought. *Id.* §516.35(d). We cannot act on your request until we receive the required information. *See, for example, United States ex rel. Touhy v. Ragen*, 340 U.S. 462 (1951); *Boron Oil Co. v. Downie*, 873 F.2d 67 (4th Cir. 1989); *United States v. Bizzard*, 674 F.2d 1382 (11th Cir. 1982); *United States v. Marino*, 658 F.2d 1120 (6th Cir. 1981); *United States v. Allen*, 554 F.2d 398 (10th Cir. 1977).

To overcome Federal statutory restrictions on the disclosure of the requested file imposed by the Privacy Act, 5 U.S.C. §552a, you must provide either a written release authorization signed by the individual to whom the file pertains (that is, SSG Kramer) or a court ordered release signed by a judge of a court of competent jurisdiction. A subpoena signed by a clerk of court, notary, or other official is insufficient. *See, for example, Doe v. DiGenova*, 779 F.2d 74 (DC Cir. 1985).

In this case, because of the attorney-client relationship between Captain Selby and SSG Kramer, you must produce a written waiver of the attorney-client privilege from SSG Kramer. Because the privilege may protect both documents and testimony, Captain Selby may not divulge such information without SSG Kramer's consent. *See, for example, Rule of Professional Conduct for Army Lawyers* 1.6(a).

In addition to the above requirements, Captain Selby's supervisor must approve her absence from duty. *See* 32 CFR §516.43. In this regard, we suggest you take the deposition at Fort Smith. In any event, however, you or your client must pay all travel expenses, as this is purely private litigation and witness' appearance must be at no expense to the United States. *See id.* §516.48(c).

Finally, if Captain Selby does appear as a witness, she may only give factual testimony. She may not testify as an opinion or expert witness. This limitation is based on Department of Defense and Army policy that generally prohibits Government employees from appearing as expert witnesses in private litigation. *See id.* §§97.6(e), 516.42.

Our sole concern in this matter is to protect the interests of the United States Army; the Army will not block access to witnesses or documents to which you are lawfully enti-

tled. So that the Army can adequately protect its interests in this matter, I request that you respond to this letter by 27 April 1993. If you have any questions, please call CPT Taylor at 919-882-4500.

Sincerely,  
Robert V. Jackansi,  
Major, JA, Chief, Administrative Law.

Department of the Army, Office of the Staff Judge Advocate, Fort Smith, North Dakota 84165, 15 April 1993

Mr. T. Hudson Taylor,  
Attorney At Law, 105 Hay Street, Whynot, ND 84167

Dear Mr. Taylor: This letter responds to your request to interview and depose Captain Buzz Sawyer as a witness in *Morgan v. Jones*. Subject to the following conditions, your request is approved.

This grant of authority is limited to factual testimony only. Captain Sawyer may not testify as an expert witness. This limitation is based on Army policy prohibiting Government employees from appearing as expert witnesses in private litigation. *See* 32 CFR §516.42. Captain Sawyer may not provide official information that is classified, privileged, or otherwise protected from public disclosure.

The decision whether to testify in private litigation is within the discretion of the prospective witness. This authorization is also subject to the approval of the witness' supervisors to be absent during the period involved. Finally, because this is private litigation, the witness' participation must be at no expense to the United States. *See* 32 CFR §516.48.

If you have any questions, please call CPT Taylor at 919-882-4500.

Sincerely,  
Robert V. Jackansi,  
Major, JA, Chief, Administrative Law

*Figure G-3. Sample Expert Witness Denial Letter*

Department of the Army, Office of the Staff Judge Advocate, Fort Smith, North Dakota 84165, 15 April 1993

Mr. T. Hudson Taylor,  
Attorney At Law, 105 Hay Street, Whynot, ND 84167

Dear Mr. Taylor: This responds to your request for Mr. Charles Montrose to appear as an expert witness in private litigation: *Smithers v. ABC Video*. For the following reasons, the request is denied.

Army Regulation 27-40 forbids Army personnel from providing expert testimony in private litigation, with or without compensation, except under the most extraordinary circumstances. *See* 32 CFR §§97.6(e),

516.42. Several reasons support the exercise of strict control over such witness appearances.

The Army policy is one of strict impartiality in litigation in which the Army is not a named party, a real party in interest, or in which the Army does not have a significant interest. When a witness with an official connection with the Army testifies, a natural tendency exists to assume that the testimony represents the official view of the Army, despite express disclaimers to the contrary.

The Army is also interested in preventing the unnecessary loss of the services of its personnel in connection with matters unrelated to their official responsibilities. If Army personnel testify as expert witnesses in private litigation, their official duties are invariably disrupted, often at the expense of the Army's mission and the Federal taxpayer.

Finally, the Army is concerned about the potential for conflict of interest inherent in the unrestricted appearance of its personnel as expert witnesses on behalf of parties other than the United States. Even the appearance of such conflicts of interest seriously undermines the public trust and confidence in the integrity of our Government.

This case does not present the extraordinary circumstances necessary to justify the requested witness' expert testimony. You have demonstrated no exceptional need or unique circumstances that would warrant (his or her) appearance. The expert testimony desired can be secured from non-Army sources. Consequently, we are unable to grant you an exception to the Army's policy.

If you have any questions, please call me or CPT Taylor at 919-882-4500.

Sincerely,  
Robert V. Jackansi,  
Major, JA, Chief, Administrative Law.

Department of the Army, Office of the Staff  
Judge Advocate, Fort Smith, North Dakota 84165, 15 April 1993

Mr. T. Hudson Taylor,  
Attorney At Law, 105 Hay Street, Whynot, ND 84167

Dear Mr. Taylor: This responds to your request to depose Dr. (MAJ) J. McDonald, Fort Smith Medical Treatment Facility. Pursuant to 32 CFR §§516.33-516.49, you may depose him subject to the following conditions:

He may testify as to his treatment of his patient, Sergeant Rock, as to related laboratory tests he may have conducted, or other actions he took in the regular course of his duties.

He must limit his testimony to factual matters such as his observations of the patient or other operative facts, the treatment prescribed or corrective action taken, course

of recovery or steps required for treatment of injuries suffered, or contemplated future treatment.

His testimony may not extend to hypothetical questions or to a prognosis. He may not testify as an "expert." This limitation is based on Department of Defense and Army policy prohibiting present or former military personnel and Army civilian employees from providing opinion or expert testimony concerning official information, subjects, or activities in private litigation. See 32 CFR §§97.6(e), 516.42.

The witnesses may not provide official information that is classified, privileged, or otherwise protected from public disclosure. To protect the Army's interests, CPT Taylor or another Army attorney will be present during the depositions.

To overcome restrictions imposed by the Privacy Act, 5 U.S.C. §552a, Dr. McDonald may not discuss matters derived from the patient's medical records absent the patient's written consent or a court order signed by a judge. A subpoena issued by someone other than a judge or magistrate is insufficient. See *Doe v. DiGenova*, 779 F.2d 74 (D.C. Cir. 1985); *Stiles v. Atlanta Gas Light Co.*, 453 F. Supp. 798 (N.D. Ga. 1978).

The decision whether to testify in private litigation is within the discretion of the witness, subject to the approval of his supervisors to be absent during the period involved.

Finally, because this is private litigation, the witnesses' participation must be at no expense to the United States. See 32 CFR §516.48.

If you have any questions, please call me or CPT Taylor at 919-882-4500.

Sincerely,  
Robert V. Jackansi,

*Figure H-3. Guide for Testing Defective Items Under Criminal or Civil Investigation*

Testing Defective Items Under Criminal or Civil Investigation

1. Under no circumstances is testing to proceed unless the command has committed sufficient funding to cover the entire cost of the projected testing.

2. No testing will be initiated unless there has been a written request for the testing to the appropriate Procurement Fraud Advisor from a criminal investigator or Assistant United States Attorney or Department of Justice Attorney (AUSA is used in these procedures to indicate either an AUSA or Department of Justice attorney). If they have not already done so, criminal investigators should be requested to coordinate their testing requests with the AUSA overseeing the investigation.

3. Barring extraordinary circumstances, only one test will be conducted to support the criminal and civil recovery efforts of a procurement fraud/irregularity matter. Early coordination with the Civil Division of Department of Justice or the local United States Attorneys Office is necessary to ensure that testing funds are not wasted.

4. The request for testing should include a clear, concise statement of the purpose of the testing to include a statement of the allegations made and the contact number(s) involved. *Any test plan which requires destructive testing must be approved by the AUSA.*

5. No testing will be initiated unless a test plan has been developed which states the following:

- a. the contract number(s) involved
- b. the National Stock Number (NSN) of the item to be tested
- c. the purpose of the testing
- d. the alleged defect or the contractual requirement violated
- e. the CID report of investigation (ROI) number or the DCIS case number
- f. cost of the test (a cost proposal should be an attachment to the test plan)
- g. where the test will be conducted
- h. how the test will be conducted
- i. the name and telephone number of the test team leader
- j. the names of all test team members

k. the approximate dates of the testing

l. the date that completion of the test is required

m. a clear statement of the desired product (that is test report, raw data, analysis of results, evaluation of test results)

n. the PRON to fund the testing

o. a retention plan.

6. The test plan shall be coordinated with the concurrence received in advance from the appropriate personnel in the Procurement Directorate, Product Assurance and Test Directorate, the Procurement Fraud Advisor, and the investigator/AUSA requesting the test. No testing will be initiated until the criminal investigator/AUSA who requested the testing has approved the test plan.

7. If the items tested are to be retained as evidence, the criminal investigator should arrange for retention of the evidence. While the Command will support evidence retention, this is primarily the responsibility of the criminal investigators. Agents should be advised that putting items in Code L or similar non-use status is insufficient to protect it from being released to the field. *A decision not to retain the tested items as evidence must have the approval of the AUSA.*

8. All items to be tested should be from a statistically valid random sample. The sample should conform with the inspection requirements of the contract or be in conformance with a random sample specifically developed for the instant test plan. It is recommended that a statistician be consulted to determine the feasibility of a random sample specifically created to support the test plan.

9. Results of testing should be available to Command and DA personnel for appropriate contractual and administrative remedies. Any request for testing results that indicates that dissemination of the testing results will be limited by Rule 6(e) of the Federal Rules of Criminal Procedure is to be forwarded through the MACOM or AMC Procurement Fraud Coordinator to DA Procurement Fraud Division prior to the initiation of any testing.

10. Resolution of problems associated with testing requests should be conducted at the local level. In AMC the authority to refuse a testing request resides with the Office of Command Counsel. Any disputes which cannot be resolved at the local level will be forwarded to the AMC or MACOM Procurement Fraud Coordinator for resolution. This includes disputes regarding funding or any time sensitive issues.

11. Second requests for testing of the same item due to a change in the investigative plan require coordination by the PFA with the investigator *and* AUSA overseeing the investigation to determine the deficiencies in the earlier test. Disputes which cannot be

resolved between the AUSA, PFA, and investigator regarding testing are to be forwarded simultaneously to the MACOM Procurement Fraud Coordinator and PFD for resolution. The procedures established in paragraphs 5 and 6 apply for second requests for testing with the additional requirement that the Assistant United States Attorney must be requested to approve the test plan.

*Figure I-1. Guide for Seeking Legal Advice and Representation Before Office of Special Counsel*

Guide for Seeking Legal Advice and Representation Before Office of Special Counsel

1. Overview

a. DA employees or military members asked to provide information (testimonial or documentary) to OSC may obtain legal advice through the Labor Counselor from DA attorneys concerning their rights and obligations. This includes assistance at any interviews with OSC investigators. However, an attorney-client relationship will not be established unless the employee or military member—

(1) Is suspected or accused by the OSC of committing a prohibited personnel practice or other illegal or improper act; and

(2) Has been assigned counsel by the DA General Counsel.

b. Any military member or employee who reasonably believes that he or she is suspected or has been accused by OSC of committing a prohibited personnel practice or other illegal or improper act may obtain legal representation from DA. The counsel assigned will be from another DOD component whenever a DA attorney is likely to face a conflict between the attorney's ethical obligation to the client and DA, or when the suspected or accused individual has requested representation from another DOD component. Outside legal counsel may be retained by DA on behalf of the member or employee under unusual circumstances and only with the personal approval of the DOD General Counsel.

c. The DA General Counsel will determine whether a conflict is likely to occur if a DA attorney is assigned to represent a military member or civilian. If the DA General Counsel determines a conflict may occur, or if the suspected or accused employee has requested representation from another DOD component, the DA General Counsel will seek the assistance of another General Counsel in obtaining representation outside DA.

2. Requests for Representation

a. To obtain legal representation, military members or civilian employees must—

(1) Submit a written request for legal representation through the Labor and Employment Law Office, Office of the Judge Advocate General, Department of the Army, to

DA General Counsel, explaining the circumstances that justify legal representation. Copies of all process and pleadings served should accompany the request.

(2) Indicate whether private counsel, at personal expense, has been retained.

(3) Obtain written certification from their supervisor that—

(a) They were acting within the scope of official duties; and

(b) DA has not initiated any adverse or disciplinary action against them for the conduct being investigated by the OSC.

b. Requests for DA legal representation must be approved by the DA General Counsel.

c. The conditions of legal representation must be explained and accepted in writing by the member or employee.

3. Limitations on Representation

a. DA will not provide legal representation with respect to a DA initiated disciplinary action against a civilian employee for committing or participating in a prohibited personnel practice or for engaging in illegal or improper conduct. This prohibition applies regardless of whether the participation or conduct is also the basis for the disciplinary action proposed by the OSC.

b. In certain situations, counsel provided by DA may be limited to representing the individual only with respect to some of the pending matters, if other specific matters of concern to the OSC or MSPB do not satisfy the requirements contained in this regulation.

4. Attorney-Client Relationship

a. An attorney-client relationship will be established and continued between the suspected or accused individual and assigned DA counsel.

b. In representing a DA employee or military member, the DA attorney designated as counsel will act as a vigorous advocate of the individual's legal interests before the OSC or MSPB. The attorney's professional responsibility to DA will be satisfied by fulfilling this responsibility to the employee or military member. Legal representation may be terminated only with the approval of the DA General Counsel and normally only on the basis of information not available at the time the attorney was assigned.

c. The attorney-client relationship may be terminated if the assigned DA counsel determines, with the approval of the DA General Counsel, that—

(1) The military member or civilian employee was acting outside the scope of his or her official duties when engaging in the conduct that is the basis for the OSC investigation or charge; and

(2) Termination is not in violation of the rules of professional conduct applicable to the assigned counsel.

d. The DA attorney designated as counsel may request relief from the duties of representation or counseling without being required to furnish explanatory information that might compromise confidential communications between the client and the attorney.

5. Funding

This regulation authorizes cognizant DA officials to approve requests from military members or civilian employees for travel, per diem, witness appearances, or other departmental support necessary to ensure effective legal representation by the designated counsel.

6. Status

A military member's or civilian employee's participation in OSC investigations, MSPB hearings, and other related proceedings will be considered official departmental business for time and attendance requirements and similar purposes.

7. Advice to Witnesses

The following advice to military members and civilian employees questioned during the course of an OSC investigation may be appropriate in response to these frequent inquiries:

a. A witness may decline to provide a "yes" or "no" answer in favor of a more qualified answer when this is necessary to ensure accuracy in responding to an OSC interviewer's question.

b. Requests for clarification of both questions and answers are appropriate to avoid misinterpretation.

c. Means to ensure verifications of an interview by OSC investigators are appropriate, whether or not the military member or civilian employee is accompanied by counsel. Tape recorders may only be used for this purpose when—

(1) The recorder is used in full view.

(2) All attendees are informed.

(3) The OSC investigator agrees to record the proceeding.

d. Any errors that appear in a written summary of an interview prepared by the investigator should be corrected before the member or employee signs the statement. The military member or civilian employee is not required to sign any written summary that is not completely accurate. A military member or civilian employee may receive a copy of the summary as a condition of signing.
