**§ 100.201 Annual marine events within the Second Coast Guard District.**

(a) Permanent special local regulations are hereby established for the marine events listed in Table 1. These regulations will be effective annually within the zones and on the approximate dates and times as indicated in Table One. Additional information concerning each event, including dates, times, locations, and event descriptions, will be published in the FEDERAL REGISTER and in Local Notices to Mari-

ners. To be placed on the mailing list for Local Notices to Mariners, contact: Commander (oan), Second Coast Guard District, 1222 Spruce Street, St. Louis, Missouri, 63103-2832.

(b) *Special Local Regulations.* (1) The U.S. Coast Guard and U.S. Coast Guard Auxiliary will patrol the regulated area under the direction of a designated Coast Guard Patrol Commander. The Patrol Commander may be contacted on Channel 16 (156.8 MHz) by the call sign "COAST GUARD PATROL COMMANDER." Vessels desiring to transit the regulated area may do so only with the prior approval of the Patrol Commander and when so directed by that officer. Vessels granted permission to transit the regulated area are to do so at 'no wake' speed. The above restrictions shall not apply to event participants or patrol vessels performing assigned duties.

(2) The Patrol Commander may direct the anchoring, mooring or movement of any vessel within the regulated area. (c) *Effective dates:* The effective dates and times for each regulation will be published in the FEDERAL REGISTER and published and broadcast in Local Notices to Mariners. All times listed will represent local times.

(d) *Duration of closure:* During these events the river will be closed during

portions of the effective periods to all vessel traffic except participants, official regatta vessels and patrol craft. Actual river closures will not exceed three hours in duration. Mariners will be afforded enough time between closure periods to transit the area.

(a) This regulation will be in effect on July 31 through August 2, 1986 from 8:00 A.M. until 5:00 P.M. Pacific Daylight Time, and on August 3, 1986 from 8:00 A.M. until one hour after the conclusion of the last race. This regulation will be in effect thereafter annually during the last week of July and the first week of August, as published in the *Local Notice of Mariners*.

(b) The area where the Coast Guard will restrict general navigation by this regulation during the hours it is in effect is:

(1) The waters of Lake Washington bounded by Mercer Island (Lacey V. Murrow) Bridge, the western shore of Lake Washington, and the east/west

line drawn tangent to Bailey Peninsula and along the shoreline of Mercer Island.

(c) The area described in paragraph (b) has been divided into two zones. The zones are separated by a log boom and a line from the southeast corner of the boom to the northeast tip of Bailey Peninsula. The western zone is designated Zone I, the eastern zone, Zone II. (Refer to NOAA Chart 18447).

(d) The Coast Guard will maintain a patrol consisting of active and Auxiliary Coast Guard vessels in Zone II. The Coast Guard patrol of this area is under the direction of the Coast Guard Patrol Commander (the "Patrol Commander"). The Patrol Commander is empowered to control the movement of vessels on the race course and in the adjoining waters during the periods this regulation is in effect.

(e) Only authorized vessels may be allowed to enter Zone I during the hours this regulation is in effect. Vessels in the vicinity of Zone I shall maneuver and anchor as directed by Coast Guard Officers or Petty Officers.

(f) During the times in which the regulation is in effect, swimming, wading, or otherwise entering the water in Zone I by any person is prohibited.

(g) Vessels proceeding in either Zone I or Zone II during the hours this regulation is in effect shall do so only at speeds which will create minimum wake, seven (07) miles per hour or less. This maximum speed may be reduced at the discretion of the Patrol Commander.

(h) Upon completion of the daily racing activities, all vessels leaving either Zone I or Zone II shall proceed at speeds of seven (07) miles per hour or less. The maximum speed may be reduced at the discretion of the Patrol Commander.

(i) A succession of sharp, short signals by whistle or horn from vessels patrolling the areas under the direction of the Patrol Commander shall serve as signal to stop. Vessels signaled shall stop and shall comply with the orders of the patrol vessel; failure to do so may result in expulsion from the area, citation for failure to comply, or both.

All vessels permitted to be underway in the controlled area (other than racing or official vessels) shall do so only at speeds which will create minimum wake consistent with maintaining steerageway, and not to exceed seven (7) miles per hour. This speed limit may be adjusted at the discretion of the Patrol Commander to enhance the level of safety.

(e) A succession of sharp, short signals by whistle, siren, or horn from vessels patrolling the area under the direction of the U.S. Coast Guard Patrol Commander shall serve as a signal to stop.
