loss occurs. Such value may be based upon the replacement cost at the place where claimant resides when award is made, subject to appropriate depreciation to reflect the age and condition of the item at the time of loss and to reduction for salvage value, if any. Property is considered "destroyed", for purposes of this section, if the cost of repairs would exceed the value of the property immediately prior to the incident out of which the claim arose.

(b) *Damaged property.* Normally the amount allowable for damaged property will be the cost of repairs, unless it is determined to be in the best interests of the Government to authorize a higher award.

(c) *Special limitations.* There is reserved to the Chief, Claims Branch, subject to the supervision of the Chief Accountant, the authority to fix the maximum amount payable for specific classes of articles, to establish limitations on the maximum quantity of an item for which payment will be allowed, and, when appropriate, to require that repairs be made by the Government.
