

Department of Veterans Affairs**§ 20.800****§ 20.716 Rule 716. Correction of hearing transcripts.**

The tape recording on file at the Board of Veterans' Appeals or a transcript prepared by the Board of Veterans' Appeals is the only official record of a hearing before the Board. Alternate transcript versions prepared by the appellant and representative will not be accepted. If an appellant wishes to seek correction of perceived errors in a hearing transcript, the appellant or his or her representative should move for the correction of the hearing transcript within 30 days after the date that the transcript is mailed to the appellant. The motion must be in writing and must specify the error, or errors, in the transcript and the correct wording to be substituted. In the case of hearings held before the Board of Veterans' Appeals, whether in Washington, DC, or in the field, the motion must be filed with the Director, Administrative Service (014), Board of Veterans' Appeals, 810 Vermont Avenue, NW., Washington, DC 20420. The ruling on the motion will be made by the presiding Member of the hearing.

§ 20.717 Rule 717. Loss of hearing tapes or transcripts—motion for new hearing.

(a) *Motion for new hearing.* In the event that a hearing has not been recorded in whole or in part due to equipment failure or other cause, or the official transcript of the hearing is lost or destroyed and the recording upon which it was based is no longer available, an appellant or his or her representative may move for a new hearing. The motion must be in writing and must specify why prejudice would result from the failure to provide a new hearing.

(b) *Time limit for filing motion for a new hearing.* The motion will not be granted if there has been no request for a new hearing within a period of 120 days from the date of a final Board of Veterans' Appeals decision or, in cases appealed to the United States Court of Veterans Appeals, if there has been no request for a new hearing within a reasonable

period of time after the appeal to that Court has been filed.

(c) *Where motion for a new hearing is filed.* In the case of hearings held before the Board of Veterans' Appeals, whether in Washington, DC, or in the field, the motion must be filed with: Director, Administrative Service (014), Board of Veterans' Appeals, 810 Vermont Avenue, NW., Washington, DC 20420.

(d) *Ruling on motion for a new hearing.* The ruling on the motion for a new hearing will be made by the Member who presided over the hearing. If the presiding Member is no longer available, the ruling on the motion may be made by the Member or Members to whom the case has been assigned for a determination. In cases in which a final Board of Veterans' Appeals decision has already been promulgated with respect to the appeal in question, the Chairman will assign the matter in accordance with § 19.3 of this title. Factors to be considered in ruling on the motion include, but will not be limited to, the extent of the loss of the record in those cases where only a portion of a hearing tape is unintelligible or only a portion of a transcript has been lost or destroyed, and the extent and reasonableness of any delay in moving for a new hearing. If a new hearing is granted in a case in which a final Board of Veterans' Appeals decision has already been promulgated, a supplemental decision will be issued.
