Table of CFR Titles and Chapters

Alphabetical List of Agencies Appearing in the CFR

List of CFR Sections Affected
Cite this Code: CFR

To cite the regulations in this volume use title, part and section number. Thus, 45 CFR 201.0 refers to title 45, part 201, section 0.
Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

- Title 1 through Title 16 .............................................................. as of January 1
- Title 17 through Title 27 ............................................................. as of April 1
- Title 28 through Title 41 ............................................................. as of July 1
- Title 42 through Title 50 ............................................................. as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, October 1, 1998), consult the “List of CFR Sections Affected (LSA),” which is issued monthly, and the “Cumulative List of Parts Affected,” which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cutoff date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96-511) requires Federal agencies to display an OMB control number with their information collection request.
Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

**OBSOLETE PROVISIONS**

Provisions that become obsolete before the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on a given date in the past by using the appropriate numerical list of sections affected. For the period before January 1, 1986, consult either the List of CFR Sections Affected, 1949-1963, 1964-1972, or 1973-1985, published in seven separate volumes. For the period beginning January 1, 1986, a “List of CFR Sections Affected” is published at the end of each CFR volume.

**CFR INDEXES AND TABULAR GUIDES**

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Statutory Authorities and Agency Rules (Table I), and Acts Requiring Publication in the Federal Register (Table II). A list of CFR titles, chapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.

An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

**REPUBLICATION OF MATERIAL**

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

**INQUIRIES**

For a legal interpretation or explanation of any regulation in this volume, contact the issuing agency. The issuing agency’s name appears at the top of odd-numbered pages.

[b FR 8326, Mar. 5, 1974]

§ 201.1 General definitions.

When used in this chapter, unless the context otherwise indicates:
(a) Act means the Social Security Act, and titles referred to are titles of that Act;
(b) Department means the Department of Health and Human Services;
(c) Administrator means the Administrator, Family Support Administration;
(d) Secretary means the Secretary of Health and Human Services;
(e) Administration means the Family Support Administration;
(f) Regional Administrator means the Regional Administrator of the Family Support Administration;
(g) State means the several States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, and American Samoa. The term "State" with respect to American Samoa applies to the programs set forth in title IV–A and IV–F of the Act;
(h) State agency means the State agency administering or supervising the administration of the State plan or plans under title I, IV–A, IV–F, X, or XVI (AABD) of the Act;
(i) The terms regional office and central office refer to the regional offices and the central office of the Family Support Administration, respectively.

Subpart A—Approval of State Plans and Certification of Grants

§ 201.2 General.

The State plan is a comprehensive statement submitted by the State agency describing the nature and scope of its program and giving assurance that it will be administered in conformity with the specific requirements stipulated in the pertinent title of the Act, the regulations in subtitle A and this chapter of this title, and other applicable official issuances of the Department. The State plan contains all information necessary for the Administration to determine whether the plan can be approved, as a basis for Federal financial participation in the State program.

§ 201.3 Approval of State plans and amendments.

The State plan consists of written documents furnished by the State to cover each of its programs under the Act: Old-age assistance (title I); aid and services to needy families with children (part A of title IV); aid to the blind (title X); aid to the permanently and totally disabled (title XIV); or aid to the aged, blind or disabled (title XVI). The State may submit the common material on more than one program as an integrated plan. However, it must identify the provisions pertinent to each title since a separate plan must be approved for each public assistance title. A plan submitted under title XVI encompasses, under a single plan, the programs otherwise covered by three separate plans under titles I, X, and XIV. After approval of the original plan by the Administration, all relevant changes, required by new statutes, rules, regulations, interpretations, and court decisions, are required to be submitted currently so that the Administration may determine whether the plan continues to meet Federal requirements and policies.

(a) Submittal. State plans and revisions of the plans are submitted first to the State governor or his designee for review in accordance with § 204.1 of this chapter, and then to the regional office. The States are encouraged to obtain consultation of the regional staff when a plan is in process of preparation or revision.

(b) Review. Staff in the regional offices are responsible for review of State plans and amendments. They also initiate discussion with the State agency on clarification of significant aspects of the plan which come to their attention in the course of this review. State plan material on which the regional staff has questions concerning the application of Federal policy is referred with recommendations as required to the central office for technical assistance. Comments and suggestions, including those of consultants in specified areas, may be prepared by the central office for use by the regional staff in negotiations with the State agency.

(c) Action. The Regional Administrator, exercising delegated authority, may take affirmative action on State plans and amendments thereto on the basis of policy statements or precedents previously approved by the Administrator. The Administrator retains authority for determining that proposed plan material is not approvable, or that a previously approved plan no longer meets the requirements for approval, except that a final determination of disapproval may not be made without prior consultation and discussion by the Administrator with the Secretary. The Regional Administrator, or the Administrator formally notifies the State agency of the actions taken on State plans or revisions.

(d) Basis for approval. Determinations as to whether State plans (including plan amendments and administrative practice under the plans) originally meet or continue to meet, the requirements for approval are based on relevant Federal statutes and regulations. Guidelines are furnished to assist in the interpretation of the regulations.

(e) Prompt approval of State plans. Pursuant to section 1116 of the Act, the determination as to whether a State plan submitted for approval conforms to the requirements for approval under the Act and regulations issued pursuant thereto shall be made promptly and not later than the 90th day following the date on which the plan submission is received in the regional office, unless the Regional Administrator, has secured from the State agency a written agreement to extend that period.

(f) Prompt approval of plan amendments. Any amendment of an approved State plan may, at the option of the State, be considered as a submission of a new State plan. If the State requests that such amendment be so considered the determination as to its conformity with the requirements for approval shall be made promptly and not later than the 90th day following the date on which such a request is received in the regional office with respect to an amendment that has been received in such office, unless the Regional Administrator, has secured from the State agency a written agreement to extend that period. In absence of request by a State that an amendment of an approved State plan shall be considered as a submission of a new State plan,
§ 201.5 Grants.

To States with approved plans, grants are made each quarter for expenditures under the plan for assistance, services, training and administration. The determination as to the amount of a grant to be made to a State is based upon documents submitted by the State agency containing information required under the Act and such other pertinent facts, including title IV-A the appropriate Federal share of child support collections made by the State, as may be found necessary.

(a) Form and manner of submittal. (1) Time and place: The estimates for public assistance grants for each quarterly period must be forwarded to the regional office 45 days prior to the period of the estimate. They include a certification of State funds available and a justification statement in support of the estimates. A statement of quarterly expenditures and any necessary supporting schedules must be forwarded to the Department of Health and Human Services, Family Support Administration, not later than 30 days after the end of the quarter.

(2) Description of forms: “State Agency Expenditure Projection—Quarterly Projection by Program” represents the State agency’s estimate of the total amount and the Federal share of expenditures for assistance, services, training, and administration to be made during the quarter for each of the public assistance programs under the Act. From these estimates the State and Federal shares of the total expenditures are computed. The State’s computed share of total estimated expenditures is the amount of State and local funds necessary for the quarter. The Federal share is the basis for the funds to be advanced for the quarter. The

§ 201.4 Administrative review of certain administrative decisions.

Pursuant to section 1116 of the Act, any State dissatisfied with a determination of the Administrator pursuant to § 201.3 (e) or (f) with respect to any plan or amendment may, within 60 days after the date of receipt of notification of such determination, file a petition with the Regional Administrator, asking the Administrator for reconsideration of the issue of whether such plan or amendment conforms to the requirements for approval under the Act and pertinent Federal requirements. Within 30 days after receipt of such a petition, the Administrator shall notify the State of the time and place at which the hearing for the purpose of reconsidering such issue will be held. Such hearing shall be held not less than 30 days nor more than 60 days after the date notice of such hearing is furnished to the State, unless the Administrator and the State agree in writing on another time. For hearing procedures, see part 213 of this chapter. A determination affirming, modifying, or reversing the Administrator’s original decision will be made within 60 days of the conclusion of the hearing. Action pursuant to an initial determination by the Administrator described in such § 201.3 (e) or (f) that a plan or amendment is not approvable shall not be stayed pending the reconsideration, but in the event that the Administrator subsequently determines that his original decision was incorrect he shall certify restitution forthwith in a lump sum of any funds incorrectly withheld or otherwise denied.

§ 201.5

State agency must also certify, on this form or otherwise, the amount of State funds (exclusive of any balance of advances received from the Federal Government) actually on hand and available for expenditure; this certification must be signed by the executive officer of the State agency submitting the estimate or a person officially designated by him, or by a fiscal officer of the State if required by State law or regulation. (A form “Certificate of Availability of State Funds for Assistance and Administration during Quarter” is available for submitting this information, but its use is optional.) If the amount of State funds (or State and local funds if localities participate in the program), shown as available for expenditures is not sufficient to cover the State’s proportionate share of the amount estimated to be expended, the certification must contain a statement showing the source from which the amount of the deficiency is expected to be derived and the time when this amount is expected to be made available.

(3) The State agency must also submit a quarterly statement of expenditures for each of the public assistance programs under the Act. This is an accounting statement of the disposition of the Federal funds granted for past periods and provides the basis for making the adjustments necessary when the State’s estimate for any prior quarter was greater or less than the amount the State actually expended in that quarter. The statement of expenditures also shows the share of the Federal Government in any recoupment, from whatever source, including for title IV-A the appropriate share of child support collections made by the State, of expenditures claimed in a prior period, and also in expenditures not properly subject to Federal financial participation which are acknowledged by the State agency, including the share of the Federal Government for uncashed and cancelled checks as described at 45 CFR 201.67 and replacement checks as described at 45 CFR 201.70 in this part, or which have been revealed in the course of an audit.

(b) Review. The State’s estimates are analyzed by the regional office staff and are forwarded with recommendations as required to the central office. The central office reviews the State’s estimate, other relevant information, and any adjustments to be made for prior periods, and computes the grant.

(c) Grant award. The grant award computation form shows, by program, the amount of the estimate for the ensuing quarter, and the amounts by which the estimate is reduced or increased because of over- or under-estimate for the prior quarter and for other adjustments. This form is transmitted to the State agency to draw the amount of the grant award, as needed, to meet the Federal share of disbursements. The draw is through a commercial bank and the Federal Reserve system against a continuing letter of credit certified to the Secretary of the Treasury in favor of the State payee. A copy of the grant award notice is sent to the State Central Information Reception Agency in accord with section 201 of the Intergovernmental Cooperation Act of 1968.

(d) Letter of credit payment system. The letter of credit system for payment of advances of Federal funds was established pursuant to Treasury Department regulations (Circular No. 1075), published in the Federal Register on July 11, 1967 (32 FR 10201). The HEW “Instructions to Recipient Organizations for Use of Letter of Credit” was transmitted to all grantees by memorandum from the Assistant Secretary-Comptroller on January 15, 1968.

(e) General administrative requirements. With the following exceptions, the provisions of part 74 of this title, establishing uniform administrative requirements and cost principles, shall apply to all grants made to States under this part:

Subpart G—Matching and Cost Sharing.
Subpart I—Financial Reporting Requirements.

§ 201.6 Withholding of payment; reduction of Federal financial participation in the costs of social services and training.

(a) When withheld. Further payments to a State are withheld in whole or in part if the Administrator, after reasonable notice and opportunity for hearing to the State agency administering or supervising the administration of an approved plan, finds:

(1) That the plan no longer complies with the provisions of section 2, 402, 1002, 1402, or 1602 of the Act; or

(2) That in the administration of the plan there is failure to comply substantially with any such provision.

A question of noncompliance of a State plan may arise from an unapprovable change in the approved State plan, the failure of the State to change its approved plan to conform to a new Federal requirement for approval of State plans, or the failure of the State in practice to comply with a Federal requirement, whether or not its State plan has been amended to conform to such requirement.

(b) When the rate of Federal financial participation is reduced. Under title I, X, XIV, or XVI (AABD) of the Act, Federal financial participation in the costs of social services and training approved at the rate of 75 percentum is reduced to 50 percentum if the Administrator, after reasonable notice and opportunity for a hearing to the State agency, finds:

(1) That the plan provision under such title for prescribed services no longer complies with the Federal requirements with respect to such prescribed services; or

(2) That in the administration of the plan there is a failure to comply substantially with such plan provision.

(c) Information discussions. Hearings with respect to matters under paragraph (a) or (b) of this section are generally not called, however, until after reasonable effort has been made by the Administration to resolve the questions involved by conference and discussion with State officials. Formal notification of the date and place of hearing does not foreclose further negotiations with State officials.

(d) Conduct of hearings. For hearing procedures, see part 213 of this chapter.

(e) Notification of withholding. If the Administrator makes a finding of noncompliance with respect to a matter under paragraph (a) of this section, the State agency is notified that further payments will not be made to the State (or, in his discretion, that payments will be limited to categories under or parts of the plan not affected by such failure), until the Administrator is satisfied that there will no longer be any such failure to comply. Until he is so satisfied, no further payments will be made to the State (or will be limited to categories under or parts of the plan not affected by such failure).

(f) Notification of reduction in the rate of Federal financial participation. If the Administrator makes a finding of noncompliance with respect to a matter under paragraph (b) of this section, the State agency is notified that further payments will be made to the State at the rate of 50 percentum of the costs of services and training, until the Administrator is satisfied that there will no longer be any failure to comply.

§ 201.7 Judicial review.

Any State dissatisfied with a final determination of the Secretary pursuant to §201.4 or §201.6(a) may, within 60 days after it has been notified of such determination, file with the U.S. Court of Appeals for the circuit in which such State is located a petition for review of such determination. After a copy of the petition is transmitted by the clerk of the court to the Secretary, the Secretary thereupon shall file in the court the record of proceedings upon which such determination was based as provided in section 2112 of title 28, United States Code. The court is bound by the Secretary's findings of fact, if supported by substantial evidence. The court has jurisdiction to affirm the Secretary's decision, or set it aside in whole or in part, or, for good cause, to remand the case for additional evidence. If the case is remanded, the Secretary may thereupon make new or modified findings of fact, and may modify his previous determination. The Secretary shall certify to the court the transcript and record of the further
proceedings. The judgment of the court is subject to review by the Supreme Court of the United States upon certiorari or certification as provided in 28 U.S.C. 1254.

Subpart B—Review and Audits

§ 201.10 Review of State and local administration.

(a) In order to provide a basis for determining that State agencies are adhering to Federal requirements and to the substantive legal and administrative provisions of their approved plans, the Administration conducts a review of State and local public assistance administration. This review includes analysis of procedures and policies of State and local agencies and examination of case records of individual recipients.

(b) Each State agency is required to carry out a continuing quality control program primarily covering determination of eligibility in statistically selected samples of individual cases. The Service conducts a continuing observation of these State systems.

(c) Adherence to other Federal requirements set forth in the pertinent titles of the Act and the regulations in this title is evaluated through review of selected case records and aspects of agency operations.

§ 201.11 Personnel merit system review.

A personnel merit system review is carried out by the Office of State Merit Systems of the Office of the Assistant Secretary for Administration of the Department. The purpose of the review is to evaluate the effectiveness of the State merit system relating to the public assistance programs and to determine whether there is compliance with Federal requirements in the administration of the merit system plan. See part 70 of this title.

§ 201.12 Public assistance audits.

(a) Annually, or at such frequencies as are considered necessary and appropriate, the operations of the State agency are audited by representatives of the Audit Agency of the Department. Such audits are made to determine whether the State agency is being operated in a manner that:

(1) Encourages prudent use of program funds, and

(2) Provides a reasonable degree of assurance that funds are being properly expended, and for the purposes for which appropriated and provided for under the related Act and State plan, including State laws and regulations.

(b) Reports of these audits are released by the Audit Agency simultaneously to program officials of the Department, and to the cognizant State officials. These audit reports relate the opinion of the Audit Agency on the practices reviewed and the allowability of costs audited at the State agency. Final determinations as to actions required on all matters reported are made by cognizant officials of the Department.
Office of Family Assistance, ACF, HHS

§ 201.14 Reconsideration under section 1116(d) of the Act.

(a) Applicability. This section applies to any disallowance of any item or class of items for which FFP is claimed under title I, IV, X, XIV, XVI(AABD), or XX of the Act, with respect to which reconsideration was requested prior to March 6, 1978, unless the State by filing a written notice to that effect with the Executive Secretary, Departmental Grant Appeals Board (with proof of service on the head of the constituent agency), within 30 days after mailing of the confirmation of the disallowance by the agency head, elects to have the reconsideration governed by 45 CFR part 16.

(1) Reduction of the Federal share of assistance payments under title IV±A, for failure to certify WIN registrants (section 402(e) of the Act);

(2) Reduction by one per centum of the quarterly amount payable to a State for all expenditures under title IV±A for failure, in certain cases, to carry out the provisions of section 402(a)(15) of the Act which require the offering of and arrangement for the provision of family planning services (section 402(f) of the Act);

(3)—(5) [Reserved]

(6) Any other decision pursuant to sections 3, 403, 422, 455, 1003, 1403, 1603, or 2003 of the Act.

(b) Notice of disallowance determination. (1) When the Regional Administrator, determines that a State claim for FFP in expenditures for a particular item or class of items is not allowable, he shall promptly issue a disallowance letter to the State.

(2) This disallowance letter shall include where appropriate:

(i) The date or dates on which the State's claim for FFP was made;

(ii) The time period during which the expenditures in question were made or claimed to have been made;

(iii) The date and amount of any payment or notice of deferral;

(iv) A statement of the amount of FFP claimed, allowed, and disallowed and the manner in which these amounts were calculated;

(v) Findings of fact on which the disallowance determination is based or a reference to other documents previously or contemporaneously furnished to the State (such as a report of a financial review or audit) which contain the findings of fact on which the disallowance determination is based;

(vi) Pertinent citations to the law, regulations, guides and instructions supporting the action taken; and

(vii) Notice of the State's right to request reconsideration of the disallowance under this section and the time within such request must be made.

(c) Request for reconsideration. (1) To obtain reconsideration of a disallowance of an item or class of items for FFP, a State shall, within 30 days of the date of the disallowance letter, request reconsideration by the Administrator, with copy to the Regional Administrator, and enclose a copy of the disallowance letter.

(2) The request for reconsideration must be accompanied by a brief statement of the issues in dispute, including an explanation of the State's position with respect to each issue.

(d) Reconsideration procedures. (1) The Administrator will promptly acknowledge receipt of a State's request for reconsideration.

(2) Upon receipt of a copy of the request for reconsideration, the Regional Administrator, shall, within 30 days of the request, provide to the Administrator a complete record of all material which he believes to have a bearing on the reconsideration, including any reports of audit or review which were the basis for his decision.

(3) The Administrator shall promptly forward to the State a list of all items currently in the record, including those received from the Regional Administrator, or with respect to the medical assistance program under title XIX, Regional Medicaid Director and make available for examination, inspection and copying any such items not previously received by the State.

(4) Within 60 days from the date of the Administrator’s transmittal to the State under paragraph (d)(3) of this
§ 201.14

section, the State shall submit in writing to the Administrator any new relevant evidence, documentation, or argument and shall simultaneously submit a copy thereof to the Regional Administrator, or with respect to the medical assistance program under title XIX, Regional Medicaid Director.

(5) The Regional Administrator, or with respect to the medical assistance program under title XIX, Regional Medicaid Director shall, within 60 days of submittal by the State, submit to the Administrator (with a copy to the State) an analysis of the issues relevant to the disallowance including:

(i) A restatement of the findings on which the disallowance was based;

(ii) A response to each issue raised by the State with respect to such findings;

(iii) A response to any other issues raised by the State, providing additional documentation when necessary; and

(iv) Any additional documentation which he deems relevant.

(6) The State may respond to the material submitted by the Regional Administrator, or with respect to the medical assistance program under title XIX, Regional Medicaid Director by submitting to the Administrator within 15 days any supplemental material the State wishes to have entered into the record.

(7) At the time of submitting any additional material pursuant to paragraph (d)(4), the State may obtain, upon request to him, a conference with the Administrator, during which it may discuss with the Administrator its position on the issues. The State may, at its own expense, have such conference transcribed; the transcript shall become part of the administrative record.

(8) In reconsidering the disallowance, the Administrator may request any additional information or documents necessary to his decision.

(9) New relevant evidence received into the record by the Administrator pursuant to paragraph (d)(8) of this section which is not received from, or previously otherwise made available to, the State shall promptly be made available to the State for examination, inspection, and copying and the State will be given appropriate additional time for comment.

(10) All documents, reports, correspondence, and other materials considered by the Administrator in reaching his decision shall constitute the record of the reconsideration proceedings.

(11) After consideration of such record and the laws and regulations pertinent to the issues in question, the Administrator shall issue a written decision, based on the administrative record, which summarizes the facts and cites the regulations or statutes that support the decision. The decision shall constitute final administrative action on the matter and shall be promptly mailed to the head of the State agency.

(12) Either the state or the Regional Administrator, or with respect to the medical assistance program under title XIX, Regional Medicaid Director may request from the Administrator, for good cause, an extension of any of the time limits specified in this section.

(13) No section of this regulation shall be interpreted as waiving the Department's right to assert any provision or exemption in the Freedom of Information Act.

(e) Implementation of the decision. If the decision requires an adjustment in the Federal share, either upward or downward, this will be reflected in subsequent grant awards.

(f) For purposes of this section, the Administrator includes the Deputy Administrator, except that whichever official conducts the conference requested pursuant to paragraph (d)(7) of this section will also issue the final administrative decision pursuant to paragraph (d)(11) of this section.

APPENDIX—RECONSIDERATION OF DISALLOWANCES UNDER SECTION 1116 (D) OF THE SOCIAL SECURITY ACT

TRANSFER OF FUNCTIONS

Under the authority of Reorganization Plan No. 1 of 1953, and pursuant to the authorities vested in me as Secretary of Health and Human Services, I hereby order that, with respect to reconsiderations of disallowances imposed under titles I, IV, VI, X, XIV, XVI (AABD), XIX, and XX of the Social Security Act, 42 U.S.C. 301 et seq., 601 et seq., 801 et seq., 1201 et seq., 1351 et seq., 1381 et seq., 1396 et seq. and 1397 et seq., all references to “Administrator” appearing in 45
§ 201.15 Deferral of claims for Federal financial participation.

(a) Scope. Except as otherwise provided, this section applies to all claims for Federal financial participation submitted by States pursuant to titles I, IV, X, XIV, XVI (AABD), of the Social Security Act.

(b) Definitions. (1) Deferral Action means the process of suspending payment with respect to a claim within the scope of paragraph (a) of this section, pending the receipt and analysis of further information relating to the allowability of the claim, under the procedures specified in this section.

(2) Deferred claim means a claim within the scope of paragraph (a) of this section upon which a deferral action has been taken.

(c) Procedures. (1) A claim or any portion of a claim for reimbursement for expenditures reported on the Quarterly Statement of Expenditures shall be deferred only when the Regional Administrator believes the claim or a specific portion of the claim is of questionable allowability. The deferral action will be taken within 60 days after receipt of a Quarterly Statement of Expenditures prepared in accordance with instructions issued by the Administration.

(2) When deferral action is taken on a claim, the Regional Administrator or the Administrator will within 15 days send written notice to the State identifying the type and amount of the claim and the reason for deferral. In the written notice of the deferral action, the Regional Administrator or the Administrator will request the State to make available for inspection all documents and materials which the Regional office then believes necessary to determine the allowability of the claim.

(3) Within 60 days of receipt of the notice of deferral action described in paragraph (c)(2) of this section the State shall make available to the Regional office, in readily reviewable form, all requested documents and materials, or when necessary, shall identify those documents and items of information which are not available. If the State requires additional time to make the documents and material available, it shall upon request be given an additional 60 days.

(4) The Regional office will normally initiate the review within 30 days of the date that materials become available for review.

(5) If the Regional Administrator finds that the documents and materials are not in readily reviewable form or that supplemental information is required, he will promptly notify the State. The State will have 15 days from the date of notification to complete the action requested. If the Regional Commissioner or the Administrator finds that the documents necessary to determine the allowability of the claim are not made available within the allowed time limits, or that the documents are not made available in readily reviewable form, he shall promptly disallow the claim.

(6) The Regional Administrator or the Administrator will have 90 days after all documentation is available in readily reviewable form to determine the allowability of the deferred claim. If he is unable to complete the review within the time period the claim will be paid subject to a later determination of allowability.
§ 201.66 Repayment of Federal funds by installments.

(a) Basic Conditions. When a State has been reimbursed Federal funds for expenditures claimed under titles I, IV-A, X, XIV, XVI (AABD) which are later determined to be unallowable for Federal financial participation, the State may make repayment of such Federal funds in installments provided:

(1) The amount of the repayment exceeds 2½ percent of the estimated annual State share for the program in which the unallowable expenditure occurred as set forth in paragraph (b) of this section; and

(2) The State has notified the Regional Administrator in writing of its intent to make installment repayments. Such notice must be given prior to the time repayment of the total was otherwise due.

(b) Criteria governing installment repayments. (1) The number of quarters over which the repayment of the total unallowable expenditures will be made will be determined by the percentage the total of such repayment is of the estimated State share of the annual expenditures for the specific program against which the recovery is made, as follows:

<table>
<thead>
<tr>
<th>Total repayment amount as percentage of State share of annual expenditures for the specific program</th>
<th>Number of quarters to make re-payment</th>
</tr>
</thead>
<tbody>
<tr>
<td>2.5 pct. or less</td>

<tr>
<td>Greater than 2.5, but not greater than 5</td>
<td>2</td>

<td>3</td>

<tr>
<td>Greater than 7.5, but not greater than 10</td>
<td>4</td>

<tr>
<td>Greater than 10, but not greater than 15</td>
<td>5</td>

<td>11</td>
</tr>
<tr>
<td>Greater than 82.5, but not greater than 100</td>
<td>12</td>
</tr>
</tbody>
</table>

The quarterly repayment amounts for each of the quarters in the repayment schedule shall not be less than the following percentages of the estimated State share of the annual expenditures for the program against which the recovery is made.

<table>
<thead>
<tr>
<th>Repayment installment may not be less than these percentages</th>

</tr>
<tr>
<td>5.0</td>
<td>5 to 8</td>
</tr>
<tr>
<td>17.5</td>

</tr>
</tbody>
</table>

If the State chooses to repay amounts representing higher percentages during the early quarters, any corresponding reduction in required minimum percentages would be applied first to the last scheduled payment, then to the next to the last payment, and so forth as necessary.

(2) The latest State Agency Statement of Financial Plan for AFDC submitted by the State shall be used to estimate the State's share of annual expenditures for the specific program in which the unallowable expenditures occurred. That estimated share shall be the sum of the State's share of the estimates (as shown on the latest State Agency Statement of Financial Plan for AFDC) for four quarters, beginning with the quarter in which the first installment is to be paid.

(3) In the case of a program terminated by law or by the State, the actual State share—rather than the estimate—shall be used for determining whether the amount of the repayment exceeds 2½% of the annual State share for the program. The annual State share...
share in these cases will be determined using payments computable for Federal funding as reported for the program by the State on its Quarterly Statement of Expenditures reports submitted for the last four quarters preceding the date on which the program was terminated.

(4) Repayment shall be accomplished through adjustment in the quarterly grants over the period covered by the repayment schedule.

(5) The amount of the repayment for purpose of paragraphs (a) and (b) of this section may not include any amount previously approved for installment repayment.

(6) The repayment schedule may be extended beyond 12 quarterly installments if the total repayment amount exceeds 100% of the estimated State share of annual expenditures. In these circumstances, the criteria in paragraphs (b) (1) and (2) or (3) of this section, as appropriate, shall be followed for repayment of the amount equal to 100% of the annual State share. The remaining amount of the repayment shall be in quarterly amounts not less than those for the 9th through 12th quarters.

(7) The amount of a retroactive claim to be paid a State will be offset against any amounts to be, or already being, repaid by the State in installments, under the same title of the Social Security Act. Under this provision the State may choose to:

(i) Suspend payments until the retroactive claim due the State has, in fact, been offset; or

(ii) Continue payments until the reduced amount of its debt (remaining after the offset), has been paid in full. This second option would result in a shorter payment period. A retroactive claim for the purpose of this regulation is a claim applicable to any period ending 12 months or more prior to the beginning of the quarter in which the payment is to be made by the Administration.

§ 201.70 Treatment of replacement checks.

(a) Purpose. This section provides the rules to ensure States do not claim Federal financial participation (FFP) for replacement checks under titles I, VI–A, X, XIV, XVI (AABD) of the Social Security Act, section 101 of the Rehabilitation Act of 1973, or title I of the Mental Retardation Facilities and Community Mental Health Centers Construction Act, must be submitted to the State Governor for his review and comments, and the State plan must provide that the Governor will be given opportunity to review State plan amendments and long-range program planning projections or other periodic reports thereon. This requirement does not apply to periodic statistical or budget and other fiscal reports. Under this requirement, the Office of the Governor will be afforded a specified period in which to review the material. All comments made will be transmitted to the Family Support Administration with the documents.

§ 204.1 Submittal of State plans for Governor's review.

A State plan under title I, IV–A, IV–B, X, XIV, XVI (AABD) of the Social Security Act, section 101 of the Rehabilitation Act of 1973, or title I of the Mental Retardation Facilities and Community Mental Health Centers Construction Act, must be submitted to the State Governor for his review and comments, and the State plan must provide that the Governor will be given opportunity to review State plan amendments and long-range program planning projections or other periodic reports thereon. This requirement does not apply to periodic statistical or budget and other fiscal reports. Under this requirement, the Office of the Governor will be afforded a specified period in which to review the material. All comments made will be transmitted to the Family Support Administration with the documents.

§ 204.3 Responsibilities of the State.

The State agency shall be responsible for assuring that the benefits and services available under titles IV–A, IV–D,
§ 204.4 Grant appeals.

(a) Scope. This section applies to certain determinations (as set forth in part 16, appendix A, section C of this title), made with respect to direct, discretionary project grants awarded by the Family Support Administration, and such other grants or grant programs as the Administrator, with the approval of the Secretary, may designate. The statutory authority for current grant programs to which this section applies appears in the appendix to this section. This section is also applicable to determinations with respect to grants which were made under authority which has expired or been repealed since the grants were made, even though such authority does not appear in the appendix.

(b) Submission. (1) A grantee who has received notification, as described in §16.3 (b) and (c) of this title, of a determination described in part 16, appendix A, section C of this title, may request reconsideration by informing the Grants Appeals Officer as identified in the final adverse determination or otherwise designated by the Administrator, Family Support Administration, Washington, DC 20201 of the grantee’s intent to contest the determination. The grantee’s request for reconsideration must be postmarked no later than 30 days after the postmark date of the written notification of such determination, except when the Grant Appeals Officer grants an extension of time for good cause.

(2) Although the request need not follow any prescribed form, it shall clearly identify the question or questions in dispute and contain a full statement of the grantee’s position with respect to such question or questions, and the pertinent facts and reasons in support of such position. The grantee shall attach to his submission a copy of the agency notification specified in §16.3(b) of this title.

(c) Action by the Administration on requests for reconsideration. (1) Upon receipt of such an application the Grant Appeals Officer will inform the grantee that:

(i) His request is under review, and

(ii) If no decision is received within 90 days of the postmark date of the grantee’s request for reconsideration, the determination may be appealed to the Departmental Grant Appeals Board.

(2) The Grant Appeals Officer will reconsider the determination appealed from, considering any material submitted by the grantee and any other material necessary.

(3) If the response to the grantee is adverse to the grantee’s position, the response will include notification of the grantee’s right to appeal to the Departmental Grant Appeals Board.

[40 FR 51443, Nov. 5, 1975, as amended at 53 FR 36579, Sept. 21, 1988]
§ 205.5 Plan amendments.

(a) State plan requirements. A State plan under title I, IV-A, X, XIV, or XVI (AABD) of the Social Security Act must provide that the plan will be amended whenever necessary to reflect new or revised Federal statutes or regulations, or material change in any phase of State law, organization, policy or State agency operation.

(b) Federal financial participation. Except where otherwise provided, Federal financial participation is available in the additional expenditures resulting from an amended provision of the State plan as of the first day of the calendar quarter in which an approvable amendment is submitted or the date on which the amended provision becomes effective in the State, whichever is later.

(i) The State or local agency shall give timely and adequate notice, except as provided for in paragraphs (a)(4)(i), (iii), or (iv) of this section. Under this requirement:

(A) Timely means that the notice is mailed at least 10 days before the date of action, that is, the date upon which the action would become effective;

(B) Adequate means a written notice that includes a statement of what action the agency intends to take, the reasons for the intended agency action, the specific regulations supporting such action, explanation of the individual’s right to request an evidentiary hearing (if provided) and a State agency hearing, the circumstances under which assistance is continued if a hearing is requested, and if the agency action is upheld, that such assistance must be repaid under Title IV-A, and must also be repaid under Titles I, X, XIV or XVI (AABD) if the State plan provides for recovery of such payments.

(ii) The agency may dispense with timely notice but shall send adequate notice not later than the date of action when:

(A) The agency has factual information confirming the death of a recipient or of the AFDC payee when there is no relative available to serve as new payee;

(B) The agency receives a clear written statement signed by a recipient that he no longer wishes assistance, or that gives information which requires termination or reduction of assistance, and the recipient has indicated, in writing, that he understands that this must be the consequence of supplying such information;

(C) The recipient has been admitted or committed to an institution, and further payments to that individual do not qualify for Federal financial participation under the State plan;

(D) The recipient has been placed in skilled nursing care, intermediate care, or long-term hospitalization;

(E) The claimant’s whereabouts are unknown and agency mail directed to him has been returned by the post office indicating no known forwarding address. The claimant’s check must, however, be made available to him if his whereabouts become known during the payment period covered by a returned check;

(F) A recipient has been accepted for assistance in a new jurisdiction and that fact has been established by the jurisdiction previously providing assistance;

(G) An AFDC child is removed from the home as a result of a judicial determination, or voluntarily placed in foster care by his legal guardian;

(H) For AFDC, the agency takes action because of information the recipient furnished in a monthly report or because the recipient has failed to submit a complete or a timely monthly report without good cause. (See §233.37);

(I) A special allowance granted for a specific period is terminated and the recipient has been informed in writing at the time of initiation that the allowance shall automatically terminate at the end of the specified period;

(J) The agency has made a presumption of mismanagement as a result of a recipient’s nonpayment of rent and provides for post hearings in such circumstances;

(K) An individual’s payment is suspended or reduced for failure to meet a payment after performance obligation as set forth at §233.101(b)(2)(iv) (B) or (C) of this chapter. In addition to the contents set forth in paragraph (a)(4)(i)(B) of this section, the adequate notice must advise the individual of the right to have assistance immediately reinstated retroactive to the date of action at the previous month’s level pending the hearing decision if he or she makes a request for a hearing and reinstatement within 10 days after the date of the notice.

(iii) When changes in either State or Federal law require automatic grant adjustments for classes of recipients, timely notice of such grant adjustments shall be given which shall be “adequate” if it includes a statement of the intended action, the reasons for such intended action, a statement of the specific change in law requiring such action and a statement of the circumstances under which a hearing may be obtained and assistance continued.

(iv) When the agency obtains facts indicating that assistance should be discontinued, suspended, terminated, or reduced because of the probable
§ 205.10

fraud of the recipient, and, where possible, such facts have been verified through collateral sources, notice of such grant adjustment shall be timely if mailed at least five (5) days before action would become effective.

(5) An opportunity for a hearing shall be granted to any applicant who requests a hearing because his or her claim for financial assistance (including a request for supplemental payments under §§233.23 and 233.27) is denied, or is not acted upon with reasonable promptness, and to any recipient who is aggrieved by any agency action resulting in suspension, reduction, discontinuance, or termination of assistance, or determination that a protective, vendor, or two-party payment should be made or continued. A hearing need not be granted when either State or Federal law requires automatic grant adjustments for classes of recipients unless the reason for an individual appeal is incorrect grant computation.

(i) A request for a hearing is defined as a clear expression by the claimant (or his authorized representative acting for him), to the effect that he wants the opportunity to present his case to higher authority. The State may require that such request be in written form in order to be effective;

(ii) The freedom to make such a request shall not be limited or interfered with in any way. The agency may assist the claimant to submit and process his request;

(iii) The claimant shall be provided reasonable time, not to exceed 90 days, in which to appeal an agency action;

(iv) Agencies may respond to a series of individual requests for hearing by conducting a single group hearing. Agencies may consolidate only cases in which the sole issue involved is one of State or Federal law or policy or changes in State or Federal law. In all group hearings, the policies governing hearings must be followed. Thus, each individual claimant shall be permitted to present his own case or be represented by his authorized representative;

(v) The agency may deny or dismiss a request for a hearing where it has been withdrawn by the claimant in writing, where the sole issue is one of State or Federal law requiring automatic grant adjustments for classes of recipients, where a decision has been rendered after a WIN hearing before the manpower agency that a participant has, without good cause, refused to accept employment or participate in the WIN program, or has failed to request such a hearing after notice of intended action for such refusal, or where it is abandoned. Abandonment may be deemed to have occurred if the claimant, without good cause therefor, fails to appear by himself or by authorized representative at the hearing scheduled for such claimant.

(6) If the recipient requests a hearing within the timely notice period:

(i) Assistance shall not be suspended, reduced, discontinued or terminated (but is subject to recovery by the agency if its action is sustained), until a decision is rendered after a hearing, unless:

(A) A determination is made at the hearing that the sole issue is one of State or Federal law or policy, or change in State or Federal law and not one of incorrect grant computation;

(B) A change affecting the recipient's grant occurs while the hearing decision is pending and the recipient fails to request a hearing after notice of the change;

(C) The recipient specifically requests that he or she not receive continued assistance pending a hearing decision; or

(D) The agency has made a presumption of mismanagement as a result of a recipient's nonpayment of rent and provides for the opportunity for a hearing after the manner or form of payment has been changed for such cases in accordance with §234.60 (a)(2) and (a)(11).

(ii) The agency shall promptly inform the claimant in writing if assistance is to be discontinued pending the hearing decision; and

(iii) In any case where the decision of an evidentiary hearing is adverse to the claimant, he shall be informed of and afforded the right to make a written request, within 15 days of the mailing of the notification of such adverse decision, for a State agency hearing and of his right to request a de novo hearing. Unless a de novo hearing is specifically requested by the appellant,
the State agency hearing may consist of a review by the State agency hearing officer of the record of the evidentiary hearing to determine whether the decision of the evidentiary hearing officer was supported by substantial evidence in the record. Assistance shall not be continued after an adverse decision to the claimant at the evidentiary hearing.

(7) A State may provide that a hearing request made after the date of action (but during a period not in excess of 10 days following such date) shall result in reinstatement of assistance to be continued until the hearing decision, unless (i) the recipient specifically requests that continued assistance not be paid pending the hearing decision; or (ii) at the hearing it is determined that the sole issue is one of State or Federal law or policy. In any case where action was taken without timely notice, if the recipient requests a hearing within 10 days of the mailing of the notice of the action, and the agency determines that the action resulted from other than the application of State or Federal law or policy or a change in State or Federal law, assistance shall be reinstated and continued until a decision is rendered after the hearing, unless the recipient specifically requests that continued assistance not be paid pending the hearing decision.

(8) The hearing shall be conducted at a reasonable time, date, and place, and adequate preliminary written notice shall be given.

(9) Hearings shall be conducted by an impartial official (officials) or designee of the agency. Under this requirement, the hearing official (officials) or designee shall not have been directly involved in the initial determination of the action in question.

(10) When the hearing involves medical issues such as those concerning a diagnosis, an examining physician’s report, or a medical review team’s decision, a medical assessment other than that of the person or persons involved in making the original decision shall be obtained at agency expense and made part of the record if the hearing officer considers it necessary.

(11) In respect to title IV-C, when the appeal has been taken on the basis of a disputed WIN registration requirement, exemption determination or finding of failure to appear for an appraisal interview, a representative of the local WIN manpower agency shall, where appropriate, participate in the conduct of the hearing.

(12) The hearing shall include consideration of:
  (i) An agency action, or failure to act with reasonable promptness, on a claim for financial assistance, which includes undue delay in reaching a decision on eligibility or in making a payment, refusal to consider a request for or undue delay in making an adjustment in payment, and discontinuance, termination or reduction of such assistance;
  (ii) Agency decision regarding:
    (A) Eligibility for financial assistance in both initial and subsequent determinations,
    (B) Amount of financial assistance or change in payments,
    (C) The manner or form of payment, including restricted or protective payments, even though no Federal financial participation is claimed.

(13) The claimant, or his representative, shall have adequate opportunity:
  (i) To examine the contents of his case file and all documents and records to be used by the agency at the hearing at a reasonable time before the date of the hearing as well as during the hearing;
  (ii) At his option, to present his case himself or with the aid of an authorized representative;
  (iii) To bring witnesses;
  (iv) To establish all pertinent facts and circumstances;
  (v) To advance any arguments without undue interference;
  (vi) To question or refute any testimony or evidence, including opportunity to confront and cross-examine adverse witnesses.

(14) Recommendations or decisions of the hearing officer or panel shall be based exclusively on evidence and other material introduced at the hearing. The transcript or recording of testimony and exhibits, or an official report containing the substance of what transpired at the hearing, together with all papers and requests filed in the proceeding, and the recommendation or decision of the hearing officer or
§ 205.25

Eligibility of supplemental security income beneficiaries for food stamps or surplus commodities.

(a) In respect to any individual who is receiving supplemental security income benefits under title XVI of the Social Security Act, the State agency shall make the following determinations:

1. The amount of assistance such individual would have been entitled to receive for any month under the appropriate State plan in effect for December 1973, under title I, X, XIV, or XVI, and for such purpose such individual shall be deemed to be aged, blind, or permanently and totally disabled, as the case may be, under the provisions of such plan.

2. The bonus value of the food stamps (according to the Food Stamp Schedule effective for July 1973) such individual would have been entitled to receive for such month, assuming the individual were receiving the assistance determined under paragraph (a)(1) of this section.

3. The amount of benefits such individual is receiving for such month under Title XVI, plus supplementary payments as defined in section 1616(a) of the Social Security Act and payments pursuant to section 212 of Pub. L. 93-66, if any.

(b) If the amount determined in paragraph (a)(1) of this section plus the amount determined in paragraph (a)(2)
of this section exceeds the amount determined in paragraph (a)(3) of this section, such individual shall be eligible to participate in the food stamp program established by the Food Stamp Act of 1964 or surplus commodities distribution programs established by the Secretary of Agriculture pursuant to section 416 of the Agricultural Act of 1949, section 32 of Pub. L. 74-320, or any other law, in accordance with regulations and procedures established by the Secretary of Agriculture.

(c) For purposes of paragraph (a)(3) of this section, the State agency shall obtain the amount of the title XVI payment and the amount of any Federally administered State supplementary payment from the Social Security Administration.

(d) The State agency shall redetermine the eligibility of individuals to participate in the food stamp or surplus commodities distribution programs hereunder at such times as the Secretary of Agriculture requires recertification for such stamps or commodities.

§ 205.30 Methods of administration.
State plan requirements: A State plan for financial assistance under title I, IV-A, X, XIV or XVI (AABD) of the Social Security Act must provide for such methods of administration as are found by the Secretary to be necessary for the proper and efficient operation of the plan.

§ 205.32 Procedures for issuance of replacement checks.
(a) State plan requirements. A State plan under title IV-A of the Social Security Act shall provide that (1) procedures are in effect to ensure that no undue delays occur in issuing a replacement check; and (2) when applicable, prior to the issuance of a replacement check, the State agency must:
   (i) Issue a stop payment order on the original AFDC check through appropriate banking procedures; and
   (ii) Require recipients to execute a signed statement attesting to the non-receipt, loss, or theft of the original FDC check. However, if obtaining such a statement from the recipient will cause the issuance of the check to be unduly delayed, the statement may be obtained within a reasonable time after the check is issued.

(b) State option. A State plan may provide that as a condition for issuance of a replacement check, a recipient is required to report a lost or stolen AFDC check to the police or other appropriate authorities. Under this provision, the State agency may require that the recipient verify that a report was made to the police or other appropriate authorities and, if so, the agency will establish procedures for such verification.

§ 205.35 Mechanized claims processing and information retrieval systems; definitions.
Section 205.35 through 205.38 contain State plan requirements for an automated statewide management information system, conditions for FFP and responsibilities of the Administration for Children and Families (ACF). For purposes of §§205.35 through 205.38:
(a) A mechanized claims processing and information retrieval system, hereafter referred to as an automated application processing and information retrieval system (APIRS), or the system, means a system of software and hardware used:
   (1) To introduce, control and account for data items in providing public assistance under the Aid to Families with Dependent Children (AFDC) State plan; and
   (2) To retrieve and produce utilization and management information about such aid and services as required by the single State agency and Federal government for program administration and audit purposes.

(b) Planning means:
   (1) The preliminary project activity to determine the requirements necessitating the project, the activities to be undertaken, and the resources required to complete the project;
   (2) The preparation of an APD;
   (3) The preparation of a detailed project plan describing when and how the computer system will be designed and developed; and
   (4) The preparation of a detailed implementation plan describing specific
§ 205.36 State plan requirements.

A State plan under title IV-A of the Social Security Act shall, at the option of the State, provide for the establishment and operation, in accordance with an (initial and annually updated) advance automated data processing planning document approved by SSA, of an automated statewide management information system designed effectively and efficiently, to assist management in the administration of an approved AFDC State plan. The submission process to amend the State plan is explained in §201.3. This system must be designed:

(a) To automatically control and account for—

(1) All the factors in the total eligibility determination process under the plan for aid, including but not limited to:

(i) Identifiable correlation factors (such as social security numbers, names, dates of birth, home addresses, and mailing addresses (including postal ZIP codes), of all applicants and recipients of AFDC and the relative with whom any child who is an applicant or recipient is living).

(A) To assure sufficient compatibility among the systems of different jurisdictions, and

(B) To permit periodic screening to determine whether an individual is or has been receiving benefits from more than one jurisdiction.

(ii) Checking records of applicants and recipients of such aid on a periodic basis with other agencies, both intra- and inter-state, for eligibility determination, verification and payment as required by other provisions of the Social Security Act.

(2) The costs, quality, and delivery of funds and services furnished to applicants for and recipients of such aid.

(b) To notify the appropriate State officials of child support, food stamp, social service, and medical assistance programs approved under title XIX whenever a case/recipient for aid and services becomes ineligible or the amount of aid or services is changed.

(c) To electronically refer and exchange information with programs under titles IV-D and IV-F for purposes of assuring that benefits and services are provided in an integrated manner.

(d) To provide for security against unauthorized access to, or use of, the data in the system.

§ 205.37 Responsibilities of the Administration for Children and Families (ACF).

(a) ACF shall not approve the initial and annually updated advance automatic data processing planning document unless the document, when implemented, will carry out the requirements of the law and the objectives of title IV-A (AFDC) Automated Application Processing and Information Retrieval System Guide. The initial advance automatic data processing planning document must include:

(1) A requirements analysis, including consideration of the program mission, functions, organization, services, constraints and current support relating to such system;

(2) A description of the proposed statewide management system, including the description of information flows, input data formats, output reports and uses;

(3) The security and interface requirements to be employed in such statewide management system;

(4) A description of the projected resource requirements including staff and other needs; and the resources available or expected to be available to meet these requirements;

(5) A cost benefit analysis of alternative systems designs, data processing services and equipment in terms of qualitative and quantitative measures.
The alternative systems considered should include the advantages of the proposed system over the alternatives and should indicate the period of time the system will be operated to justify the funds invested. ACF certified systems that are already in place in other States must be included in the alternatives to be considered and evaluated;

(6) A plan for distribution of costs, containing the basis for rates, both direct and indirect, to be in effect under such a statewide management system;

(7) An implementation plan with charts of development events, testing description, proposed acceptance criteria, and backup and fallback procedures to handle possible failure of a system; and

(8) Evidence that the State’s system will be compatible with those of the FSA to facilitate the exchange of data between the State and Federal system.

(b) ACF shall on a continuing basis, review, assess, and inspect the planning, design, and operation of statewide management information systems, with a view to determining whether, and to what extent, these systems meet and continue to meet the requirements under these regulations.

(c) If ACF finds that any statewide management information system referred to in §205.38 fails to comply substantially with criteria, requirements, and other undertakings prescribed by the approved advance automatic data processing planning document, approval of such document shall be suspended. The State will be given written notice of the suspension. The notice of suspension will state the reason for the suspension, whether the suspended system complies with the criteria for 50 percent FFP under 45 CFR part 95, the actions required for future Federal funding, and the effective date of the suspension. The suspension shall be effective as of the date that the system failed to comply substantially with the approved ADP. The suspension shall remain in effect until ACF makes a determination that such system complies with prescribed criteria, requirements, and other undertakings for future Federal funding. Should a State cease development of their approved system, either by voluntary withdrawal or as a result of Federal suspension, all Federal incentive funds invested to date that exceed the normal administrative FFP rate (50 percent) will be subject to recoupment.

(d) ACF shall provide technical assistance to States as is deemed necessary to assist States to plan, design, develop, or install and provide for the security of the management information systems.

(e) Approvals of the systems by ACF under the provisions of this section will be undertaken only as a result of State applications for increased matching. The requirements of 45 CFR part 95, subpart E and subpart F apply.

§205.38 Federal financial participation (FFP) for establishing a statewide mechanized system.

(a) Effective July 1, 1981 through March 31, 1994, FFP is available at 90 percent of expenditures incurred for planning, design, development or installation of a statewide automated application processing and information retrieval system which are consistent with an approved ADP. The 90 percent FFP includes the purchase or rental of computer equipment and software directly required for and used in the operation of this system.

(b) ACF will approve the system provided the following conditions are met—

1. ACF determines that the system is likely to provide more efficient, economical, and effective administration of the AFDC program.

2. The system is compatible with the claims processing and information retrieval systems used in the administration of State plans approved under title XIX, and State programs where there is FFP under title XX.

3. The system meets the requirements referred to in §205.36.

4. The system meets criteria established in the title IV-A (AFDC) Automated Application Processing and Information Retrieval System Guide.
issued by ACF and which provides specific standard requirements for major functions, such as automated eligibility determination, grant computation, verification, referral, management control, compatibility, and data security.

(5) The State agency certifies that—
   (i) The State will have all ownership rights in software or modifications thereof and associated documentation designed or developed with 90 percent FFP under this section, except that the Department of Health and Human Services reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use for Federal government purposes, such software, modifications, and documentation;
   (ii) Methods and procedures for properly charging the cost of all systems whether acquired from public or private sources shall be in accordance with Federal regulations in part 74 of this title and the applicable ACF title IV-A (AFDC) Automated Application Processing and Information Retrieval System Guide;
   (iii) The complete system planned, designed, developed, installed, and hardware acquired, with FFP under these regulations will be used for a period of time which is consistent with the advance planning document as approved, or which ACF determines is sufficient to justify the Federal funds invested;
   (iv) Information in the system will be safeguarded in accordance with applicable Federal law; and
   (v) Access to the system in all of its aspects, including design, development, and operation, including work performed by any source, and including cost records of contractors and subcontractors, shall be made available to the Federal Government by the State at intervals deemed necessary by ACF to determine whether the conditions for approval are being met and to determine its efficiency, economy and effectiveness.

(c) If ACF suspends approval, as described in §205.37, of the advance automated data processing planning document and/or system, FFP at the higher matching rate shall not be allowed for any costs incurred, until such time as the conditions for approval are met. Should the State fail to correct the deficiencies which led to the suspension within 90 days of the date of notification of suspension or within a longer period of time agreed to by both the State and ACF, all Federal incentive funds invested to date that exceed the normal administrative FFP rate (50 percent) will be disallowed.

(d) Should a State voluntarily withdraw its approved APD and cease development of the approved system, all Federal incentive funds invested to date that exceed the normal administrative FFP rate (50 percent) will be disallowed.

(e) Once a State is certified as having met the requirements referred to in §205.36 incentive funding will not be allowable for enhancements or other modifications unless these modifications are authorized by the Administration for Children and Families as a result of Federal legislative or regulatory change.

(iv) Publication of lists or names of applicants and recipients will be prohibited. Exception. In respect to a State plan for financial assistance under title I, IV-A, X, XIV, or XVI (AABD) of the Social Security Act, an exception to this restriction may be made by reason of the enactment or enforcement of State legislation, prescribing any conditions under which public access may be had to records of the disbursement of funds or payments under such titles within the State, if such legislation prohibits the use of any list or names obtained through such access to such records for commercial or political purposes.

(v) The State or local agency responsible for the administration of the State plan has authority to disclose the current address of a recipient to a State or local law enforcement officer at his or her request. For each category, the State must provide a reasonable justification that follow-up is not cost-effective. A formal cost-benefit analysis is not required. A State may exclude information items from the following data sources without written justification if followed up previously from another source: Unemployment compensation information received from the Internal Revenue Service, and earnings information received from the Social Security Administration. Information items in these categories which are not duplicative, but provide new leads, may not be excluded without written justification. A State may submit a follow-up plan or alter its plan at any time by notifying the Secretary and submitting the necessary justification. The Secretary will approve or disapprove categories of information items to be excluded under the plan within 60 days of its submission. Those categories approved by the Secretary will constitute an approved State follow-up plan for IEVS. For those information items not excluded from follow-up,

(iii) The State agency shall verify that the information is accurate and applicable to case circumstances either through the applicant or recipient or through a third party, if such verification is determined appropriate based on agency experience or is required under paragraph (b) of this section.

(iv) For individuals who are recipients when the information is received or for whom a decision could not be made prior to authorization of benefits, the State agency shall within forty-five (45) days of its receipt, initiate a

(3) The Social Security Administration for purposes of establishing or verifying eligibility or benefit amounts under title II and XVI (SSI) of the Social Security Act.

(d) The Secretary may, based upon application from a State, permit a State to obtain and use income and eligibility information from an alternate source or sources in order to meet any requirement of paragraph (a) of this section. The State agency must demonstrate to the Secretary that the alternate source or sources is as timely, complete and useful for verifying eligibility and benefit amounts. The Secretary will consult with the Secretary of Agriculture and the Secretary of Labor prior to approval of a request. The State must continue to meet the requirements of this section unless the Secretary has approved the request.

(e) The State agency must, upon request, reimburse another agency for reasonable costs incurred in furnishing income and eligibility information as prescribed in this section, including new developmental costs associated with furnishing such information, in accordance with specific agreements as described in § 205.58.

notice of case action or an entry in the case record that no case action is necessary, except that: Completion of action may be delayed beyond forty-five (45) days on no more than twenty (20) percent of the information items targeted for follow-up, if:

(A) The reason that the action cannot be completed within forty-five (45) days is the nonreceipt of requested third-party verification; and

(B) Action is completed promptly, when third party verification is received or at the next time eligibility is redetermined, whichever is earlier. If action is completed when eligibility is redetermined and third party verification has not been received, the State agency shall make its decision based on information provided by the recipient and any other information in its possession.

(v) The State agency shall use appropriate procedures to monitor the timeliness requirements specified in this subparagraph;

(2) Investigations to determine whether recipients received assistance under the State plan to which they were not entitled; and

(3) Criminal or civil prosecutions based on receipt of assistance under the State plan to which recipients were not entitled.

(b)(1) State agencies shall not take any adverse action to terminate, deny, suspend or reduce benefits to an applicant or recipient, based on information produced by a Federal computer matching program that is subject to the requirements in the Computer Matching and Privacy Protection Act (CMPPA) unless (i) The information has been independently verified in accordance with the independent verification requirements set out in the State agency's written agreement as required by §205.58 or (ii) The independent verification requirement has been waived by the Department's Data Integrity Board.

(b)(2) The CMPPA defines a matching program as any computerized comparison of (i) Two or more automated Federal personnel or payroll records or a system of Federal personnel or payroll record with non-Federal records.

(c) If the agency intends to reduce, suspend, terminate or deny benefits as a result of the actions taken pursuant to this section, the agency must provide notice and the opportunity for a fair hearing in accordance with §205.10(a).

(b)(1) State agencies shall not take any adverse action to terminate, deny, suspend or reduce benefits to an applicant or recipient, based on information produced by a Federal computer matching program that is subject to the requirements in the Computer Matching and Privacy Protection Act (CMPPA) unless (i) The information has been independently verified in accordance with the independent verification requirements set out in the State agency's written agreement as required by §205.58 or (ii) The independent verification requirement has been waived by the Department's Data Integrity Board.

(2) The CMPPA defines a matching program as any computerized comparison of (i) Two or more automated systems of records or a system of records with non-Federal records or (ii) Two or more automated systems of records or a system of records with non-Federal records.

PART 206—APPLICATION, DETERMINATION OF ELIGIBILITY AND FURNISHING ASSISTANCE—PUBLIC ASSISTANCE PROGRAMS

§ 206.10 Application, determination of eligibility and furnishing of assistance.

(a) State plan requirements A State plan under title I, IV-A, X, XIV, or XVI(AABD), of that Social Security Act shall provide that:
   (1) Each individual wishing to do so shall have the opportunity to apply for assistance under the plan without delay. Under this requirement:
      (i) Each individual may apply under whichever of the State plan plans he chooses;
      (ii) The agency shall require a written application, signed under a penalty of perjury, on a form prescribed by the State agency, from the applicant himself, or his authorized representative, or, where the applicant is incompetent or incapacitated, someone acting responsibly for him. When an individual is required to be included in an existing assistance unit pursuant to paragraph (a)(1)(vii), such individual will be considered to be included in the application, as of the date he is required to be included in the assistance unit;
      (iii) An applicant may be assisted, if he so desires, by an individual(s) of his choice (who need not be a lawyer) in
the various aspects of the application process and the redetermination of eligibility and may be accompanied by such individual(s) in contacts with the agency and when so accompanied may also be represented by them.

(iv)—(v) [Reserved]

(vi) Every recipient in a State which provides a supplemental payment under §233.27 of this chapter shall have an opportunity to request that payment without delay.

(vii) For AFDC only, in order for the family to be eligible, an application with respect to a dependent child must also include, if living in the same household and otherwise eligible for assistance:

(A) Any natural or adoptive parent, or stepparent (in the case of States with laws of general applicability); and

(B) Any blood-related or adoptive brother or sister; Exception: needs and income of disqualified alien siblings, pursuant to §233.50(c), are not considered in determining the eligibility and payment of an otherwise eligible dependent child.

(2)(i) Applicants shall be informed about the eligibility requirements and their rights and obligations under the program. Under this requirement individuals are given information in written form, and orally as appropriate, about coverage, conditions of eligibility, scope of the program, and related services available, and the rights and responsibilities of applicants for and recipients of assistance. Specifically developed bulletins or pamphlets explaining the rules regarding eligibility and appeals in simple, understandable terms are publicized and available in quantity.

(ii) Procedures shall be adopted which are designed to assure that recipients make timely and accurate reports of any change in circumstances which may affect their eligibility or the amount of assistance.

(iii) All applicants for and recipients of assistance shall be notified in writing at the time of application and on redetermination that eligibility and income information will be regularly requested from agencies specified in §205.55 and will be used to aid in determining their eligibility for assistance.

(3) A decision shall be made promptly on applications, pursuant to reasonable State-established time standards not in excess of:

(i) 45 days for OAA, AFDC, AB, AABD (for aged and blind); and

(ii) 60 days for APTD, AABD (for disabled). Under this requirement, the applicant is informed of the agency’s time standard in acting on applications which covers the time from date of application under the State plan to the date that the assistance check, or notification of denial of assistance or change of award is mailed to the applicant or recipient. The State’s time standards apply except in unusual circumstances (e.g., where the agency cannot reach a decision because of failure or delay on the part of the applicant or an examining physician, or because of some administrative or other emergency that could not be controlled by the agency), in which instances the case record shows the cause for the delay. The agency’s standards of promptness for acting on applications or redetermining eligibility shall not be used as a waiting period before granting aid, or as a basis for denial of an application or for terminating assistance.

(4) Adequate notice shall be sent to applicants and recipients to indicate that assistance has been authorized (including the amount of financial assistance) or that it has been denied or terminated. Under this requirement, adequate notice means a written notice that contains a statement of the action taken, and the reasons for and specific regulations supporting such action, and an explanation of the individual’s right to request a hearing.

(5)(i) Financial assistance and medical care and services included in the plan shall be furnished promptly to eligible individuals without any delay attributable to the agency’s administrative process, and shall be continued regularly to all eligible individuals until they are found to be ineligible. Under this requirement there must be arrangements to assist applicants and recipients in obtaining medical care and services in emergency situations on a 24-hour basis, 7 days a week.

(ii) Assistance will not be denied, delayed, or discontinued pending receipt
of income or other information requested under §205.55, if other evidence establishes the individual's eligibility for assistance.

(6) Assistance shall begin as specified in the State plan, which:

(i) For financial assistance.

(A) Must be no later than:

(1) The date of authorization of payment, or

(2) Thirty days in OAA, AFDC, AB, and AABD (as to the aged and blind), and 60 days in APTD and AABD (as to the disabled), from the date of receipt of a signed and completed application form, whichever is earlier: Provided, That the individuals then met all the eligibility conditions, and

(B) For purposes of Federal financial participation in OAA, AB, APTD, and AABD, may be as early as the first of the month in which an application has been received and the individual meets all the eligibility conditions; and

(C) In AFDC, for purposes of Federal financial participation, may be as early as the date of application provided that the assistance unit meets all the eligibility conditions; and

(D) In AFDC, States that pay for the month of application must prorate the payment for that month by multiplying the amount payable if payment were made for the entire month including special needs in accordance with §233.34 by the ratio of the days in the month including and following the date of application (or, at State option, the date of authorization of payment) to the total number of days in such month. The State plan may provide for using a standard 30-day month to determine the prorated amount.

(7) In cases of proposed action to terminate, discontinue, suspend or reduce assistance, the agency shall give timely and adequate notice. Such notice shall comply with the provisions of §205.10 of this chapter.

(8) Each decision regarding eligibility or ineligibility will be supported by facts in the applicant's or recipient's case record. Under this requirement each application is disposed of by a finding of eligibility or ineligibility unless:

(i) The applicant voluntarily withdraws his application, and there is an entry in the case record that a notice has been sent to confirm the applicant's notification to the agency that he does not desire to pursue his application; or

(ii) There is an entry in the case record that the application has been disposed of because the applicant died or could not be located.

(9) Where an individual has been determined to be eligible, eligibility will be reconsidered or redetermined:

(i) When required on the basis of information the agency has obtained previously about anticipated changes in the individual's situation;

(ii) Promptly, after a report is obtained which indicates changes in the individual's circumstances that may affect the amount of assistance to which he is entitled or may make him ineligible; and

(iii) Periodically, within agency established time standards, but not less frequently than every 12 months in OAA, AB, APTD, and AABD, on eligibility factors subject to change. For recipients of AFDC, all factors of eligibility will be redetermined at least every 6 months except in the case of monthly reporting cases or cases covered by an approved error-prone profiling system as specified in paragraph (a)(9)(iv) of this section. Under the AFDC program, at least one face-to-face redetermination must be conducted in each case once in every 12 months.

(iv) In accordance with paragraph (a)(9)(iii) of this section, under an alternative redetermination plan based on error-prone profiling, which has been approved by the Secretary, and includes:

(A) A description of the statistical methodology used to develop the error-prone profile system upon which the redetermination schedule is based;

(B) The criteria to be used to vary the scope of review and to assign different types of cases; and

(C) A detailed outline of the evaluation system, including provisions for necessary changes in the error-prone output, such as types of cases, types of errors, frequencies of redeterminations and corrective action.
(10) Standards and methods for determination of eligibility shall be consistent with the objectives of the programs, and will respect the rights of individuals under the United States Constitution, the Social Security Act, title VI of the Civil Rights Act of 1964, and all other relevant provisions of Federal and State laws.

(11) [Reserved]

(12) The State agency shall establish and maintain methods by which it shall be kept currently informed about local agencies' adherence to the State plan provisions and to the State agency's procedural requirements for determining eligibility, and it shall take corrective action when necessary.

(b) Definitions. For purposes of this section:

(1) Applicant is a person who has, directly, or through his authorized representative, or where incompetent or incapacitated, through someone acting responsibly for him, made application for public assistance from the agency administering the program, and whose application has not been terminated.

(2) Application is the action by which an individual indicates in writing to the agency administering public assistance (on a form prescribed by the State agency) his desire to receive assistance. The relative with whom a child is living or will live ordinarily makes application for the child for AFDC. An application is distinguished from an inquiry, which is simply a request for information about eligibility requirements for public assistance. Such inquiry may be followed by an application. When an individual is required to be included in an existing assistance unit pursuant to paragraph (a)(1)(vii), such individual will be considered to be included in the application, as of the date he is required to be included in the assistance unit.

(3) Date of Application is the date on which the action described in paragraph (b)(2) of this section occurs.

(4) Redetermination is a review of factors affecting AFDC eligibility and payment amount; e.g. continued absence, income (including child and spousal support), etc.

(5) Assistance Unit is the group of individuals whose income, resources and needs are considered as a unit for purposes of determining eligibility and the amount of payment.

If any other agency of the United States is responsible for the care and treatment of the eligible person, the Administrator shall make arrangements for his transfer and release to that agency.

§ 211.8 Continuing hospitalization.

(b) For continuing care and treatment. Any eligible person receiving continuing care and treatment in a hospital, or his estate, shall be liable to pay or contribute toward the payment of the costs or charges therefor, to the same extent as such person would, if a resident of the District of Columbia, be liable to pay, under the laws of the District of Columbia, for his care and maintenance in a hospital for the mentally ill in that jurisdiction.

(c) Collections, compromise, or waiver of payment. Subpart B—Preliminary Matters—
Notice and Parties

§213.11 Notice of hearing or opportunity for hearing.
Proceedings are commenced by mailing a notice of hearing or opportunity for hearing from the Administrator to the State. The notice shall state the time and place for the hearing, and the issues which will be considered, and shall be published in the Federal Register.

§213.12 Time of hearing.
The hearing shall be scheduled not less than 30 days nor more than 60 days after the date notice of the hearing is furnished to the State.

§213.13 Place.
The hearing shall be held in the city in which the regional office of the Department is located or in such other place as is fixed by the Administrator in light of the circumstances of the case, with due regard for the convenience and necessity of the parties or their representatives.

§213.14 Issues at hearing.
(a) The Administrator may, prior to a hearing under §201.6(a) or (b) of this chapter, notify the State in writing of additional issues which will be considered at the hearing, and such notice shall be published in the Federal Register. If such notice is furnished to the State less than 20 days before the date of the hearing, the State or any other party, at its request, shall be granted a postponement of the hearing to a date 20 days after such notice was furnished, or such later date as may be agreed to by the Administrator.

(b) If, as a result of negotiations between the Department and the State, the submittal of a plan amendment, a change in the State program, or other actions by the State, any issue is resolved in whole or in part, but new or modified issues are presented, as specified by the Administrator, the hearing shall proceed on such new or modified issues.

(c)(1) If at any time, whether prior to, during, or after the hearing, the Administrator finds that the State has come into compliance with Federal requirements on any issue, in whole or in part, he shall remove such issue from the proceedings in whole or in part, as may be appropriate. If all issues are removed, he shall terminate the hearing.

(2) Prior to the removal of any issue from the hearing, in whole or in part, the Administrator shall provide all parties other than the Department and the State (see §213.15(b)) with the statement of his intention, and the reasons therefor, and a copy of the proposed State plan provision on which the State and he have settled, and the parties shall have opportunity to submit in writing within 15 days, for the Administrator’s consideration and for the record, their views as to, or any information bearing upon, the merits of the proposed plan provision and the merits of the Administrator’s reasons for removing the issue from the hearing.

(d) The issues considered at the hearing shall be limited to those issues of which the State is notified as provided in §213.11 and paragraph (a) of this section, and new or modified issues described in paragraph (b) of this section, and shall not include issues or parts of issues removed from the proceedings pursuant to paragraph (c) of this section.

§213.15 Request to participate in hearing.
(a) The Department and the State are parties to the hearing without making a specific request to participate.

(b)(1) Other individuals or groups may be recognized as parties, if the issues to be considered at the hearing have caused them injury and their interest is within the zone of interests to be protected by the governing Federal statute.
(2) Any individual or group wishing to participate as a party shall file a petition with the FSA Hearing Clerk within 15 days after notice of the hearing has been published in the Federal Register, and shall serve a copy on each party of record at that time, in accordance with §213.5(b). Such petition shall concisely state (i) petitioner's interest in the proceeding, (ii) who will appear for petitioner, (iii) the issues on which petitioner wishes to participate, and (iv) whether petitioner intends to present witnesses.

(3) Any party may, within 5 days of receipt of such petition, file comments thereon.

(4) The presiding officer shall promptly determine whether each petitioner has the requisite interest in the proceedings and shall permit or deny participation accordingly. Where petitions to participate as parties are made by individuals or groups with common interests, the presiding officer may request all such petitioners to designate a single representative, or he may recognize one or more of such petitioners to represent all such petitioners. The presiding officer shall give each petitioner written notice of the decision on his petition, and if the petition is denied, he shall briefly state the grounds for denial.

(c)(1) Any interested person or organization wishing to participate as amicus curiae shall file a petition with the FSA Hearing Clerk before the commencement of the hearing. Such petition shall concisely state (i) the petitioner's interest in the hearing, (ii) who will represent the petitioner, and (iii) the issues on which petitioner intends to present argument. The presiding officer may grant the petition if he finds that the petitioner has a legitimate interest in the proceedings, that such participation will not unduly delay the outcome and may contribute materially to the proper disposition of the issues. An amicus curiae is not a party but may participate as provided in this paragraph.

(2) An amicus curiae may present a brief oral statement at the hearing, at the point in the proceedings specified by the presiding officer. He may submit a written statement of position to the presiding officer prior to the beginning of a hearing, and shall serve a copy on each party. The presiding officer may exclude irrelevant, immaterial, or unduly repetitious evidence. All documents and other evidence offered or taken for the record shall be open to examination by the parties and opportunity shall be given to refute facts and arguments advanced on either side of the issues.

§ 213.26 Exclusion from hearing for misconduct.
Disrespectful, disorderly, or contumacious language or contemptuous conduct, refusal to comply with directions, or continued use of dilatory tactics by any person at the hearing before a presiding officer shall constitute grounds for immediate exclusion of such person from the hearing by the presiding officer.

§ 233.10 General provisions regarding coverage and eligibility.

(a) State plan requirements. A State plan under title I, IV-A, X, XIV, or XVI of the Social Security Act must:

(1) Specify the groups of individuals, based on reasonable classifications, that will be included in the program, and all the conditions of eligibility that must be met by the individuals in the groups. The groups selected for inclusion in the plan and the eligibility conditions imposed must not exclude individuals or groups on an arbitrary or unreasonable basis, and must not result in inequitable treatment of individuals or groups in the light of the provisions and purposes of the public assistance titles of the Social Security Act. Under this requirement:

(i) A State shall impose each condition of eligibility required by the Social Security Act; and

(ii) A State may:

(A) Provide more limited public assistance coverage than that provided by the Act only where the Social Security Act or its legislative history authorizes more limited coverage;

(B) Impose conditions upon applicants for and recipients of public assistance which, if not satisfied, result in the denial or termination of public assistance, if such conditions assist the State in the efficient administration of its public assistance programs, or further an independent State welfare policy, and are not inconsistent with the provisions and purposes of the Social Security Act.

(iii) There must be clarity as to what groups are included in the plan, and which are within, and which are outside, the scope of Federal financial participation.

(iv) Eligibility conditions must be applied on a consistent and equitable basis throughout the State.

(v) A plan under title XVI must have the same eligibility conditions and other requirements for the aged, blind, and disabled, except as otherwise specifically required or permitted by the Act.

(vi) Eligibility conditions or agency procedures or methods must not preclude the opportunity for an individual to apply and obtain a determination of eligibility or ineligibility.

(vii) Methods of determining eligibility must be consistent with the objective of assisting all eligible persons to qualify.

(2) Provide that the State agency will establish methods for identifying the expenditures for assistance for any groups included in the plan for whom Federal financial participation in assistance may not be claimed.

(3) In addition, a State plan under title XIV of the Act, must:

Provided that no aid or assistance will be provided under the plan to an individual with respect to a period for which he is receiving aid or assistance under a State plan approved under any other of such titles or under title I of the Act.

(b) Federal financial participation. (1) The provisions which govern Federal financial participation in assistance payments are set forth in the Social Security Act, throughout this chapter, and in other policy issuances of the Secretary. Where indicated, State plan provisions are prerequisite to Federal financial participation with respect to the applicable group and payments.

State plan provisions on need, the amount of assistance, and eligibility determine the limits of Federal financial participation. Federal financial
participation is excluded from assistance payments in which the State refuses to participate because of the failure of a local authority to apply such State plan provisions.

(2) The following is a summary statement regarding the groups for whom Federal financial participation is available. (More detailed information is given elsewhere.)

(i) OAA—for needy individuals under the plan who are 65 years of age or older.

(ii) AFDC—for:

(a) Needy children under the plan who are:

(1) Under the age of 18, or age 18 if a full-time student in a secondary school, or in the equivalent level of vocational or technical training, and reasonably expected to complete the program before reaching age 19;

(2) Deprived of parental support or care by reason of the death, continued absence from the home, or physical or mental incapacity of a parent, or unemployment of a principal earner, and

(3) Living in the home of a parent or of certain relatives specified in the Act.

(b) The parent(s) of a dependent child, a caretaker relative (other than a parent) of a dependent child, and, in certain situations, a parent’s spouse.

(iii) AB—for needy individual’s under the plan who are blind.

(iv) APTD—for needy individuals under the plan who are 18 years of age or older and permanently and totally disabled.

(v) AABD—for needy individuals under the plan who are aged, blind, or 18 years of age or older and permanently and totally disabled.

(3) Federal financial participation is available in assistance payments made for the entire month in accordance with the State plan if the individual was eligible for a portion of the month, provided that the individual was eligible on the date that the payment was made; except that where it has been determined that the State agency had previously denied assistance to which the individual was entitled, Federal financial participation will be provided in any corrective payment regardless of whether the individual is eligible on the date that the corrective payment is made.

(4) Federal financial participation is available in assistance payments which are continued in accordance with the State plan, for a temporary period during which the effects of an eligibility condition are being overcome, e.g., blindness in AB, disability in APTD, physical or mental incapacity, continued absence of a parent, or unemployment of a principal earner in AFDC.

(5) Where changed circumstances or a hearing decision makes the individual ineligible for any assistance, or eligible for a smaller amount of assistance than was actually paid, Federal financial participation is available in excess payments to such individuals, for not more than one month following the month in which the circumstances changed or the hearing decision was rendered. Federal financial participation is available where assistance is required to be continued unadjusted because a hearing has been requested.

§ 233.20 Need and amount of assistance.

(a) Requirements for State Plans. A State Plan for OAA, AFDC, AB, APTD or AABD must, as specified below:

(1) General. (i) Provide that the determination of need and amount of assistance for all applicants and recipients will be made on an objective and equitable basis and all types of income will be taken into consideration in the same way except where otherwise specifically authorized by Federal statute and

(ii) Provide that the needs, income, and resources of individuals receiving SSI benefits under title XVI, individuals with respect to whom Federal foster care payments are made, individuals with respect to whom State or local foster care payments are made, individuals with respect to whom Federal adoption assistance payments are made, or individuals with respect to whom State or local adoption assistance payments are made, for the period for which such benefits or payments
are received, shall not be included in determining the need and the amount of the assistance payment of an AFDC assistance unit; except that the needs, income, and resources of an individual with respect to whom Federal adoption assistance payments are made, or individuals with respect to whom State or local adoption assistance payments are made are included in determining the need and the amount of the assistance payment for an AFDC assistance unit of which the individual would otherwise be a member where the amount of the assistance payment that the unit would receive would not be reduced by including the needs, income, and resources of such individual. Under this requirement, ‘individuals receiving SSI benefits under title XVI’ include individuals receiving mandatory or optional State supplementary payments under section 1616(a) of the Social Security Act or under section 212 of Public Law 93-66, and ‘individuals with respect to whom Federal foster care payments are made’ means a child with respect to whom Federal foster care maintenance payments under section 472(b) and defined in section 475(4)(A) of title IV-E of the Social Security Act are made, and a child whose costs in a foster family home or child care institution are covered by the Federal foster care maintenance payments made with respect to his or her minor parent under sections 472(h) and 475(4)(B) of title IV-E. ‘Individuals with respect to whom Federal adoption assistance payments are made’ means a child who receives payments made under an approved title IV-E plan based on an adoption assistance agreement between the State and the adoptive parents of a child with special needs, pursuant to sections 473 and 475(3) of the Social Security Act.

(iii) For AFDC, when an individual who is required to be included in the assistance unit pursuant to §206.10(a)(1)(vii) is also required to be included in another assistance unit, those assistance units must be consolidated, and treated as one assistance unit for purposes of determining eligibility and the amount of payment.

(iv) For AFDC, when a State learns of an individual who is required to be included in the assistance unit after the date he or she is required to be included in the unit, the State must redetermine the assistance unit’s eligibility and payment amount, including the need, income, and resources of the individual. This redetermination must be retroactive to the date that the individual was required to be in the assistance unit either through birth/ adoption or by becoming a member of the household. Any resulting overpayment must be recovered or corrective payment made pursuant to §233.20(a)(13).

(v) In determining need and the amount of payment for AFDC, all income and resources of an individual required to be in the assistance unit, but subject to sanction under §250.34 or because of an intentional program violation under the optional fraud control program implementing section 416 of the Social Security Act, are considered available to the assistance unit to the same extent that they would be if the person were not subject to a sanction. However, the needs of the sanctioned individual(s) are not considered. In accordance with §250.34(c), if a parent in an AFDC-UP case is sanctioned pursuant to §233.100(a)(3), the needs of the second parent are not taken into account in determining the family’s need for assistance and the amount of the assistance payment unless the second parent is participating in the JOBS program. An individual required to be in an assistance unit pursuant to §206.10(a)(1)(vii) but who fails to cooperate in meeting a condition of his or her eligibility for assistance is a sanctioned individual whose needs, income, and resources are treated in the manner described above.

(2) Standards of assistance.

(i) Specify a statewide standard, expressed in money amounts, to be used in determining (a) the need of applicants and recipients and (b) the amount of the assistance payment.

(ii) In the AFDC plan, provide that by July 1, 1969, the State’s standard of assistance for the AFDC program will have been adjusted to reflect fully changes in living costs since such standards were established, and any maximums that the State imposes on the amount of aid paid to families will have been proportionately adjusted.
§ 233.20

such adjustment a consolidation of the standard (i.e., combining of items) may not result in a reduction in the content of the standard. In the event the State is not able to meet need in full under the adjusted standard, the State may make ratable reductions in accordance with paragraph (a)(3)(viii) of this section. Nevertheless, if a State maintains a system of dollar maximums these maximums must be proportionately adjusted in relation to the updated standards.

(iii) Provide that the standard will be uniformly applied throughout the State except as provided under §239.54.

(iv) Include the method used in determining need and the amount of the assistance payment. For AFDC, the method must provide for rounding down to the next lower whole dollar when the result of determining the standard of need or the payment amount is not a whole dollar. Proration under §206.10(a)(6)(i)(D) to determine the amount of payment for the month of application must occur before rounding to determine the payment amount for that month.

(v) If the State IV-A agency includes special need items in its standard:

(A) Describe those that will be recognized and the circumstances under which they will be included, and

(B) Provide that they will be considered for all applicants and recipients requiring them; except that:

(1) Under AFDC, work expenses and child care (or care of incapacitated adults living in the same home and receiving AFDC) resulting from employment or participation in either a CWEP or an employment search program cannot be special needs, and

(2) In a State which has a JOBS program under part 250, child care (or care of incapacitated adults living in the same home and receiving AFDC) resulting from employment or participation in either a CWEP or an employment search program cannot be special needs.

(vi) If the State chooses to establish the need of the individual on a basis that recognizes, as essential to his well-being, the presence in the home of other needy individuals, (A) specify the persons whose needs will be included in the individual’s need, and (B) provide that the decision as to whether any individual will be recognized as essential to the recipient’s well-being shall rest with the recipient.

(vii) [Reserved]

(viii) Provide that the money amount of any need item included in the standard will not be prorated or otherwise reduced solely because of the presence in the household of a non-legally responsible individual; and the agency will not assume any contribution from such individual for the support of the assistance unit except as provided in paragraphs (a)(3)(xv) and (a)(5) of this section and §233.51 of this part.

(ix) For AFDC, provide that a State shall consider utility payments made in lieu of any direct rental payment to a landlord or public housing agency to be shelter costs for applicants or recipients living in housing assisted under the U.S. Housing Act of 1937, as amended, and section 236 of the National Housing Act. The amount considered as a shelter payment shall not exceed the total amount the applicant or recipient is expected to contribute for the cost of housing as determined by HUD. Utility payments means only those payments made directly to a utility company or supplier which are for gas, electricity, water, heating fuel, sewerage systems, and trash and garbage collection. Utility payments are made “in lieu of any direct rental payment to a landlord or public housing agency” when, and only when, the AFDC family pays its entire required contribution at HUD’s direction to one or more utility companies and does not make any direct payment to the landlord or the public housing agency. Housing covered by “the U.S. Housing Act of 1937, as amended, and section 236 of the National Housing Act” means Department of Housing and Urban Development assisted housing which includes Indian and public housing, section 8 new and existing rental housing, and section 236 rental housing.

(3) Income and resources. (i)(A) OAA, AB, APTD, AABD. Specify the amount and types of real and personal property, including liquid assets, that may be reserved, i.e., retained to meet the
Office of Family Assistance, ACF, HHS § 233.20

current and future needs while assistance is received on a continuing basis. In addition to the home, personal effects, automobile and income producing property allowed by the agency, the amount of real and personal property, including liquid assets, that can be reserved for each individual recipient shall not be in excess of two thousand dollars. Policies may allow reasonable proportions of income from businesses or farms to be used to increase capital assets, so that income may be increased; and (B) in AFDC—

- The amount of real and personal property that can be reserved for each assistance unit shall not be in excess of one thousand dollars equity value (or such lesser amount as the State specifies in its State plan) excluding only:
  1. The home which is the usual residence of the assistance unit;
  2. One automobile, up to $1,500 of equity value or such lower limit as the State may specify in the State plan; (any excess equity value must be applied towards the general resource limit specified in the State plan);
  3. One burial plot (as defined in the State plan) for each member of the assistance unit;
  4. Bona fide funeral agreements (as defined and within limits specified in the State plan) up to a total of $1,500 in equity value or such lower limit as the State may specify in the State plan for each member of the assistance unit (any excess equity value must be applied towards the general resource limit specified in the State plan). This provision addresses only formal agreements for funeral and burial expenses such as burial contracts, burial trusts or other funeral arrangements (generally with licensed funeral directors) and does not apply to other assets (e.g., passbook bank accounts, simple set-aside of savings, and cash surrender value of life insurance policies);
  5. Real property for a period of six consecutive months (or, at the option of the State, nine consecutive months) which the family is making a good faith effort (as defined in the State plan) to sell, subject to the following provisions. The family must sign an agreement to dispose of the property and to repay the amount of aid received during such period that would not have been paid had the property been sold at the beginning of such period, but not to exceed the amount of the net proceeds of the sale. The family has five working days from the date it realizes cash from the sale of the excess real property to repay the overpayment; failure to make repayment within this period results in the cash being considered to be an available resource. If the family becomes ineligible for AFDC for any other reason during the conditional payment period while making a good faith effort to sell the property, or fails to sell the property by the end of the period despite such a good faith effort, then the amount of the overpayment attributable to the real property will not be determined and recovery will not be begun until the property is, in fact, sold. However, if the property was intentionally sold at less than fair market value so that a good faith effort to sell it was not made, or if it is otherwise determined that a good faith effort to sell the property is not being made, the overpayment amount shall be computed using the fair market value determined at the beginning of the period. For applicants, the conditional payment period begins with the first payment month for which all otherwise applicable eligibility conditions are met and payment is authorized. For recipients who acquire property while receiving assistance, the period begins with the payment month in which the recipient receives the property; and
  6. At State option, basic maintenance items essential to day-to-day living such as clothes, furniture and other similarly essential items of limited value.

(ii) Provide that in determining need and the amount of the assistance payment, after all policies governing the reserves and allowances and disregard or setting aside of income and resources referred to in this section have been uniformly applied:

- (A) In determining need, all remaining income and resources shall be considered in relation to the State's need standard;
- (B) In determining financial eligibility and the amount of the assistance payment all remaining income (except unemployment compensation received
§ 233.20

by an unemployed principal earner) and, except for AFDC, all resources may be considered in relation to either the State's need standard or the State's payment standard. Unemployment compensation received by an unemployed principal earner shall be considered only by subtracting it from the amount of the assistance payment after the payment has been determined under the State's payment method;

(C) States may have policies which provide for allocating an individual's income for his or her own support if the individual is not applying for or receiving assistance; for the support of other individuals living in the same household but not receiving assistance; and for the support of other individuals living in another household. Such other individuals are those who are or could be claimed by the individual as dependents for determining Federal personal income tax liability, or those he or she is legally obligated to support. No income may be allocated to meet the needs of an individual who has been sanctioned under §§ 224.51, 232.11(a)(2), 232.12(d), 238.22 or 240.22 or who is required to be included in the assistance unit and has failed to cooperate. The amount allocated for the individual and the other individuals who are living in the home must not exceed the State's need standard amount for a family group of the same composition. The amount allocated for individuals not living in the home must not exceed the amount actually paid.

(D) Income after application of disregards, except as provided in paragraph (a)(3)(xiii) of this section, and resources available for current use shall be considered. To the extent not inconsistent with any other provision of this chapter, income and resources are considered available both when actually available and when the applicant or recipient has a legal interest in a liquidated sum and has the legal ability to make such sum available for support and maintenance.

(E) For AFDC, income tax refunds, but such payments shall be considered as resources; and

(F) When the AFDC assistance unit’s income, after applying applicable disregards, exceeds the State need standard for the family because of receipt of nonrecurring earned or unearned lump sum income (including for AFDC, title II and other retroactive monthly benefits, and payments in the nature of a windfall, e.g., inheritances or lottery winnings, personal injury and worker compensation awards, to the extent it is not earmarked and used for the purpose for which it is paid, i.e., monies for back medical bills resulting from accidents or injury, funeral and burial costs, replacement or repair of resources, etc.), the family will be ineligible for aid for the full number of months derived by dividing the sum of the lump sum income and other income by the monthly need standard for a family of that size. Any income remaining from this calculation is income in the first month following the period of ineligibility. The period of ineligibility shall begin with the month of receipt of the nonrecurring income or, at State option, as late as the corresponding payment month. For purposes of applying the lump sum provision, family includes all persons whose needs are taken into account in determining eligibility and the amount of the assistance payment, and includes solely for determining the income and resources of a family an individual who must be in a family pursuant to §206.10(a)(1)(vii) but who does not meet a condition of his or her eligibility due to a failure to cooperate or is required by law to have his or her needs excluded from an assistance unit’s AFDC grant calculation due to the failure to perform some action. A State may shorten the remaining period of ineligibility when: the standard of need increases and the amount the family would have received also changes (e.g., situations involving additions to the family unit during the period of ineligibility of persons who are otherwise eligible for assistance); the lump sum income or a portion thereof becomes unavailable to the family for a reason beyond the control of the family; or the family incurs and pays for medical expenses. If the State chooses to shorten the period of ineligibility, the State plan shall:

1) Identify which of the above situations are included;
Office of Family Assistance, ACF, HHS

§ 233.20

(2) In the case of situations involving an increase in the need standard and changes in the amount that should have been paid to the family, specify the types of circumstances which will be included;

(3) In the case of situations involving the unavailability of the lump sum income, include a definition of unavailability, and specify what reasons will be considered beyond the control of the family; and

(4) In the case of situations involving the payment of medical expenses, specify the types of medical expenses the State will allow to be offset against the lump sum income.

For purposes of this paragraph (a)(3):

Automobile means a passenger car or other motor vehicle used to provide transportation of persons or goods. (In AFDC, in appropriate geographic areas, one alternate primary mode of transportation may be substituted for the automobile); Equity value means fair market value minus encumbrances (legal debts); Fair market value means the price an item of a particular make, model, size, material or condition will sell for on the open market in the geographic area involved (if a motor vehicle is especially equipped with apparatus for the handicapped, the apparatus shall not increase the value of the vehicle); Liquid assets are those properties in the form of cash or other financial instruments which are convertible to cash and include savings accounts, checking accounts, stocks, bonds, mutual fund shares, promissory notes, mortgages, cash value of insurance policies, and similar properties; Need standard means the money value assigned by the State to the basic and special needs it recognizes as essential for applicants and recipients; Payment standard means the amount from which non-exempt income is subtracted.

(iii) States may prorate income received by individuals employed on a contractual basis over the period of the contract or may prorate intermittent income received quarterly, semiannually, or yearly over the period covered by the income. In OAA, AB, APTD and AABD, they may use the prorated amount to determine need under §233.23 and the amount of the assistance payment under §§233.24 and 233.25. In AFDC, they may use the prorated amount to determine need under §233.33 and the amount of the assistance payment under §§233.34 and 233.35.

(iv) Provide that in determining the availability of income and resources, the following will not be included as income:

(A) Except for AFDC, income equal to expenses reasonably attributable to the earning of income (including earnings from public service employment);

(B) Grants, such as scholarships, obtained and used under conditions that preclude their use for current living costs;

(C) Home produce of an applicant or recipient, utilized by him and his household for their own consumption;

(D) For AFDC, any amounts paid by a State IV-A agency from State-only funds to meet needs of children receiving AFDC, if the payments are made under a statutorily-established State program which has been continuously in effect since before January 1, 1979;

(E) For AFDC, income tax refunds, but such payments shall be considered as resources; and

(F) At State option, small non-recurring gifts, such as those for Christmas, birthdays and graduations, not to exceed $30 per recipient in any quarter; and

(G) For AFDC, the amount paid to the family by the IV-A agency under §232.20(d) or, in a State that treats direct support payments as income under §233.20(a)(3)(v)(B), the first $50 received by the assistance unit which represents a current monthly support obligation or a voluntary support payment. In no case shall the total amount disregarded exceed $50 per month per assistance unit.

(v) Provide that agency policies will assure that:

(A) In determining eligibility for an assistance payment, support payments assigned under §232.11 of this chapter will be treated in accordance with §232.20 and §232.21 of this chapter; and

(B) In determining the amount of an assistance payment, assigned support payments retained in violation of §232.12(b)(4) of this chapter, will be counted as income to meet need unless the approved IV-A State plan provides
that such support payments are subject to IV-D recovery under §§302.31(a)(3) and 303.80 of this title or unless such payments are sufficient to render the family ineligible as provided at §232.20 of this chapter.

(vi)(A) In family groups living together, income of the spouse is considered available for his spouse and income of a parent is considered available for children under 21, except as provided in paragraphs (a)(3)(xiv) and (a)(3)(xviii) of this section for AFDC. If an individual is a spouse or parent who is a recipient of SSI benefits under title XVI, an individual with respect to whom Federal foster care payments are made, an individual with respect to whom State or local foster care payments are made, an individual with respect to whom Federal adoption assistance payments are made, or an individual with respect to whom State or local adoption assistance payments are made, then, for the period for which such benefits or payments are received, his or her income and resources shall not be counted as income and resources available to the AFDC unit except that a child receiving adoption assistance payments will not be excluded if such exclusion would cause the AFDC benefits of the assistance unit of which the child would otherwise be considered a member to be reduced. For purposes of this exception, “a recipient of SSI benefits under title XVI” includes a spouse or parent receiving mandatory or optional State supplementary payments under section 1616(a) of the Social Security Act or under section 212 of Public Law 93-66, and an “individual with respect to whom Federal foster care payments are made” means a child with respect to whom Federal foster care maintenance payments are made under section 472(b) and defined in section 475(4)(A) of the Act, and a child whose costs in a foster family home or child-care institution are covered by the foster care maintenance payments made with respect to his or her minor parent under sections 472(h) and 475(4)(B) of the Act. “Individuals with respect to whom Federal adoption assistance payments are made” means a child who receives payments made under an approved title IV-E plan based on an adoption assistance agreement between the State and the adoptive parents of a child with special needs, pursuant to sections 473 and 475(3) of the Social Security Act.

(B) Income of an alien parent, who is disqualified pursuant to §233.50(c) is considered available to the otherwise eligible child by applying the step-parent deeming formula at 45 CFR 233.20(a)(3)(xiv).

(vii) If the State agency establishes policy under which assistance from other agencies and organizations will not be deducted in determining the amount of assistance to be paid, provide that no duplication shall exist between such other assistance and that provided by the public assistance agency. In such complementary program relationships, nonduplication shall be assured by provision that such aid will be considered in relation to: (a) The different purpose for which the other agency grants aid such as vocational rehabilitation; (b) the provision of goods and services that are not included in the statewide standard of the public assistance agency, e.g., a private agency might provide money for special training for a child or for medical care when the public assistance agency does not carry this responsibility; or housing and urban development payments might be provided to cover moving expenses that are not included in the assistance standard; or (c) the fact that public assistance funds are insufficient to meet the total amount of money determined to be needed in accordance with the statewide standard. In such instances, grants by other agencies in an amount sufficient to make it possible for the individual to have the amount of money determined to be needed, in accordance with the public assistance agency standard, will not constitute duplication.

(viii) Provide that: (A) Payment will be based on the determination of the amount of assistance needed; (B) if full individual payments are precluded by maximums or insufficient funds, adjustments will be made by methods applied uniformly statewide; (C) in the case of AFDC no payment of aid shall be made to an assistance unit in any month in which the amount of aid prior to any adjustments is determined
to be less than $10; and (D) an individual who is denied aid because of the limitation specified in (C) of this section, or because the payment amount is determined to be zero as a result of rounding the payment amount as required by §233.20(a)(2)(iv), shall be deemed a recipient of aid for all other purposes except participation in the Community Work Experience Program.

(ix) Provide that the agency will establish and carry out policies with reference to applicants’ and recipients’ potential sources of income that can be developed to a state of availability.

(x) Provide that the income and resources of individuals receiving SSI benefits under title XVI, individuals with respect to whom Federal foster care payments are made, individuals with respect to whom State or local foster care payments are made, individuals with respect to whom Federal adoption assistance payments are made, or individuals with respect to whom State or local adoption assistance payments are made, for the period for which such benefits or payments are received, shall not be counted as income and resources of an assistance unit applying for or receiving assistance under title IV-A; except that a child receiving adoption assistance payments will not be excluded if such exclusion would cause the AFDC benefits of the assistance unit of which the child would otherwise be considered a member to be reduced. Under this requirement, “individuals receiving SSI benefits under title XVI” include individuals receiving mandatory or optional State supplementary payments under section 1618(a) of the Social Security Act or under section 212 of Public Law 93-66 and, “individuals with respect to whom Federal foster care payments are made” means a child with respect to whom Federal foster care maintenance payments are made under section 472(b) and defined in section 475(4)(A) of the Act, and a child whose costs in a foster family home or child care institution are covered by foster care maintenance payments made with respect to his or her minor parent under sections 472(h) and 475(4)(B) of the Act. “Individuals with respect to whom Federal adoption assistance payments are made” means a child who receives payments made under an approved title IV-E plan based on an adoption assistance agreement between the State and the adoptive parents of a child with special needs, pursuant to sections 473 and 475(3) of the Social Security Act.

(xi) In the case of AFDC if the State chooses to count the value of the food stamp coupons as income, provide that the State plan shall:

(A) Identify the amount for food included in its need and payment standards for an assistance unit of the same size and composition. (States which have a flat grant system must estimate the amount based on historical data or some other justifiable procedure.); and

(B) Specify the amount of such food stamp coupons that it will count as income. Under this requirement, the amount of food stamp coupons which a State may count as income may not exceed the amount for food established in its payment standard for an assistance unit of the same size and composition.

(xii) In the case of AFDC if the State chooses to count the value of the governmental rent or housing subsidies as income, provide that the State plan shall:

(A) Identify the amount for shelter included in its need and payment standards for an assistance unit of the same size and composition. (States which have a flat grant system must estimate this amount based on historical data or some other justifiable procedure.); and

(B) Specify the amount of such housing assistance that it will count as income. Under this requirement, the amount of such rent or housing subsidies which a State may count as income may not exceed the amount for shelter established in its payment standard for an assistance unit of the same size and composition.

(xiii) Under the AFDC plan, provide that no assistance unit is eligible for aid in any month in which the unit’s income (other than the assistance payment) exceeds 185 percent of the State’s need standard (including special needs) for a family of the same composition (including special needs), without application of the disregards in paragraph (a)(11)(i) (except to the
(xiv) For AFDC, in States that do not have laws of general applicability holding the stepparent legally responsible to the same extent as the natural or adoptive parent, the State agency shall count as income to the assistance unit the income of the stepparent (i.e., one who is married, under State law, to the child’s parent) of an AFDC child who is living in the household with the child after applying the following disregards (exception: if the stepparent is included in the assistance unit, the disregard under paragraph (a)(11)(i) and (ii) of this section apply instead):

(A) The first $90 of the gross earned income of the stepparent;

(B) An additional amount for the support of the stepparent and any other individuals who are living in the home, but whose needs are not taken into account in making the AFDC eligibility determinations except for sanctioned individuals or individuals who are required to be included in the assistance unit but are or could be claimed by the stepparent as dependents for purposes of determining his or her Federal personal income tax liability. This disregarded amount shall equal the State’s need standard amount for a family group of the same composition as the stepparent and those other individuals described in the preceding sentence;

(C) Amounts actually paid by the stepparent to individuals not living in the home who are or could be claimed by him or her as dependents for purposes of determining his or her Federal personal income tax liability; and

(D) Payments by such stepparent of alimony or child support with respect to individuals not living in the household.

(xv) For AFDC, provide for the consideration of the income and resources of an alien’s sponsor who is an individual as provided in §233.51.

(xvi) For AFDC, provide that in considering the availability of income and resources, support and maintenance assistance (including home energy assistance) will be taken into account in accordance with §233.53.

(xvii) In the case of AFDC, if the State chooses to disregard monthly income of any dependent child when the income is derived from participation in a program under the JTPA, provide that the State plan shall:

(A) Identify from which programs under the JTPA, income will be disregarded;

(B) In the case of earned income, specify what amount will be disregarded, and the length of time the disregard will be applicable (up to six months per calendar year); and

(C) In the case of unearned income, specify what amount will be disregarded, and the length of time per calendar year the disregard will be applicable if any such limit is chosen.

(xviii) For AFDC, in the case of a dependent child whose parent is a minor under the age of 18 (without regard to school attendance), the State shall count as income to the assistance unit the income, after appropriate disregards, of such minor’s own parent(s) living in the same household as the minor and dependent child. The disregards to be applied are the same as are applied to the income of a stepparent pursuant to paragraph (a)(3)(xvi) of this section. However, in applying the disregards, each employed parent will receive the benefit of the work expense disregard in paragraph (a)(3)(xvi)(A) of this section.

(xix) In the case of AFDC, if the State chooses to disregard monthly earned income of dependent children who are full-time students in the determination of whether the family’s income exceeds the limit under §233.20(a)(3)(xiiii) of this section, provide that the State plan shall specify what amounts will be disregarded and the length of time the disregard will be applicable (up to six months per calendar year) except that earned income derived from participation in a program under the JTPA may only be disregarded under this paragraph, paragraph (a)(3)(xvii) or a combination of both paragraphs for a total of 6 months per calendar year.

(xx) In the case of AFDC, if the State chooses to disregard in the determination of eligibility the monthly earned
income of dependent children applying for AFDC who are full-time students, provide that the State plan shall:

(A) Specify the amount that will be disregarded, and

(B) Provide that the disregard shall only apply to the extent that the earned income is also disregarded pursuant to paragraph (a)(3)(ix) of this section.

(xxi) Provide that the principal of a bona fide loan will not be counted as income or resources in the determination of eligibility and the amount of assistance. Interest earned on a loan is counted as unearned income in the month received and as resources thereafter and purchases made with a loan are counted as resources. For purposes of this paragraph, a loan is considered bona fide when it meets objective and reasonable criteria included in the State plan.

(4) Disregard of income in OAA, AFDC, AB, APTD, OR AABD. (i) For all programs except AFDC. If the State chooses to disregard income from all sources before applying other provisions for disregarding or setting aside income, specify the amount that is first to be disregarded, but not more than $7.50 per month, of any income of an individual, child or relative claiming assistance. All income must be included such as social security or other benefits, earnings, contributions from relatives, or other income the individual may have.

(ii) Provide that in determining eligibility for public assistance and the amount of the assistance payment, the following will be disregarded as income and resources:

(a) In OAA, AB, APTD, and AABD, the value of the coupon allotment under the Food Stamp Act of 1964 in excess of the amount paid for the coupons;

(b) The value of the U.S. Department of Agriculture donated foods (surplus commodities);

(c) Any payment received under title II of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970;

(d) Grants or loans to any undergraduate student for educational purposes made or insured under any programs administered by the Secretary of Education except the programs under the Carl D. Perkins Vocational and Applied Technology Education Act (20 U.S.C. 2301 et seq.). Student financial assistance provided under the Carl D. Perkins Vocational and Applied Technology Education Act will be disregarded in accordance with paragraph (a)(4)(ii)(t) of this section.

(e) Any funds distributed per capita to or held in trust for members of any tribal government under the Alaska Native Claims Settlement Act (PL 92-219) Title II.

(f) Any benefits received under title VII, Nutrition Program for the Elderly, of the Older Americans Act of 1965, as amended;

(g) Payments for supporting services or reimbursement of out-of-pocket expenses made to individual volunteers serving as foster grandparents, senior health aides, or senior companions, and to persons serving in the Service Corps of Retired Executives (SCORE) and Active Corps of Executives (ACE) and any other programs under titles II and III, pursuant to section 418 of Pub. L. 93-113;

(h) Payments to applicants or recipients participating in the Volunteers in Service to America (VISTA) Program, except that this disregard will not be applied when the Director of ACTION determines that the value of all such payments, adjusted to reflect the number of hours such volunteers are serving, is equivalent to or greater than the minimum wage then in effect under the Fair Labor Standards Act of 1938, or the minimum wage under the laws of the States where the volunteers are serving, whichever is greater. (Section 404(g) of Pub. L. 93-113, as amended by section 9 of Pub. L. 96-143);

(i) The value of supplemental food assistance received under the Child Nutrition Act of 1966 as amended, and the special food service program for children under the National School Lunch Act, as amended (Pub. L. 92-433 and Pub. L. 93-150);

(j) [Reserved]

(k) Pursuant to section 15 of Public Law 100-241, any of the following distributions made to a household, an individual Native, or a descendant of a Native by a Native Corporation established pursuant to the Alaska Native
Claims Settlement Act (ANCSA) (Pub. L. 92-203, as amended):

(1) Cash distributions (including cash dividends on stock from a Native Corporation) received by an individual are never counted as income or resources to the extent that such cash does not, in the aggregate, exceed $2,000 in a year. Cash which, in the aggregate, is in excess of $2,000 in a year is not subject to the income and resources disregard in this paragraph (a)(4)(ii)(k)(1);

(2) Stock (including stock issued or distributed by a Native Corporation as a dividend or distribution on stock);

(3) A partnership interest;

(4) Land or an interest in land (including land or an interest in land received from a Native Corporation as a dividend or distribution on stock); and

(5) An interest in a settlement trust.

(i) Benefits paid to eligible households under the Low Income Home Energy Assistance Act of 1981 pursuant to section 2605(f) of Pub. L. 97-35;

(ii) Effective October 17, 1975, pursuant to section 6 of Pub. L. 94-114 (89 Stat. 577, 25 U.S.C. 459e) receipts distributed to members of certain Indian tribes which are referred to in section 5 of Pub. L. 94-114 (89 Stat. 577, 25 U.S.C. 459d);

(n) Pursuant to section 7 of Public Law 93-134, as amended by section 4 of Public Law 97-458, Indian judgment funds that are held in trust by the Secretary of the Interior (including interest and investment income accrued while such funds are so held in trust), or distributed per capita to a household or member of an Indian tribe, and initial purchases made with such funds. This disregard does not apply to proceeds from the sale of initial purchases, subsequent purchases made with funds derived from the sale or conversion of initial purchases, or to funds or initial purchases which are inherited or transferred.

(p) Any student financial assistance provided under programs in title IV of the Higher Education Act of 1965, as amended, and under Bureau of Indian Affairs education assistance programs.

(q) For AFDC, any payments made as restitution to an individual under title I of Public Law 100-383 (the Civil Liberties Act of 1988) or under title II of Public Law 100-383 (the Aleutian and Pribilof Islands Restitution Act).

(r) Any Federal major disaster and emergency assistance provided under the Disaster Relief Act of 1974, as amended by Public Law 100-707 (the Disaster Relief and Emergency Assistance Amendments of 1988) and comparable disaster assistance provided by States, local governments and disaster assistance organizations.

(s) Any payments made pursuant to the settlement in the In Re Agent Orange Product liability litigation, M.D.L. No. 381 (E.D.N.Y.).

(t) Student financial assistance made available for the attendance costs defined in this paragraph under programs in the Carl D. Perkins Vocational and Applied Technology Education Act (20 U.S.C. 2301 et seq.). Attendance costs are: tuition and fees normally assessed a student carrying the same academic workload as determined by the institution, and including costs for rental or purchase of any equipment, materials, or supplies required of all students in the same course of study; and an allowance for books, supplies, transportation, dependent care and miscellaneous personal expenses for a student attending the institution on at least a half-time basis, as determined by the institution.

(u) For AFDC, any payments made pursuant to section 6(h)(2) of Public Law 101-426, the Radiation Exposure Compensation Act.
Aside under this part will not be taken into consideration in determining the need of any other individual for assistance.

(iv) For AFDC, any amounts determined to have been paid by a State from State-only funds to supplement or otherwise increase the amount of aid paid to an assistance unit as computed under §233.35 for a month in recognition of current or anticipated needs of the assistance unit for that same month shall not be counted as income—
to the extent that the total of the State supplemental payment, the AFDC payment and actual income (i.e., the amount of income received during the payment month after subtracting from gross income the $75 work expense disregard (to recognize mandatory payroll deductions, transportation costs, and other work expenses), child care and other applicable disregards) received in that month are not in excess of what the State would have paid for that month to an assistance unit of the same size and composition with no income—in computing the assistance payment under §233.35 for the corresponding payment month.

(5) Proration of shelter, utilities, and similar needs in AFDC. (i) Provide that the State agency may prorate allowances in the need and payment standards for shelter, utilities, and similar needs when the AFDC assistance unit lives together with other individuals as a household; except that, the State shall not prorate with respect to any person receiving SSI to whom the statutory one-third reduction (section 1612(a)(2)(A)(i) of the Act) is applied, or prorate when a bona fide landlord-tenant relationship exists. If the State chooses to prorate under this paragraph, it must prorate both the need standard and payment standard.

(ii) If the State agency elects to prorate allowances for shelter, utilities, and similar needs when the AFDC assistance unit lives together with other individuals as a household; except that, the State shall not prorate with respect to any person receiving SSI to whom the statutory one-third reduction (section 1612(a)(2)(A)(i) of the Act) is applied, or prorate when a bona fide landlord-tenant relationship exists. If the State chooses to prorate under this paragraph, it must prorate both the need standard and payment standard.

(6) Disregard of earned income: definition. Provide that for purposes of disregarding earned income the agency policies will include:

(i) A definition of earned income in accordance with the provisions of paragraphs (a)(6) (iii) through (ix) of this section; and

(ii) Provision for disregarding earned income for the period during which it is earned, rather than when it is paid, in cases of lump-sum payment for services rendered over a period of more than 1 month.

(iii) The term earned income encompasses income in cash or in kind earned by an individual through the receipt of wages, salary, commissions, or profit from activities in which he is engaged as a self-employed individual or as an employee. For AFDC, earned income means gross earned income prior to any deductions for taxes or for any other purposes, except as provided in paragraph (a)(6)(v). Such earned income may be derived from his own employment, such as a business enterprise, or farming; or derived from wages or salary received as an employee. It includes earnings over a period of time for which settlement is made at one given time, as in the instance of sale of farm crops, livestock, or poultry. For OAA, AB, APTD and AABD only, in considering income from farm operation, the option available for reporting under OASDI, namely the cash receipts and disbursements method, i.e., a record of actual gross, of expenses, and of net, is an individual determination and is acceptable also for these assistance programs.

(iv) With reference to commissions, wages, or salary, the term earned income means the total amount, irrespective of personal expenses, such as income-tax deductions, lunches, and transportation to and from work, and irrespective of expenses of employment which are not personal, such as the cost of tools, materials, special uniforms, or transportation to call on customers.

(v)(A) For OAA, AB, APTD, and AABD, with respect to self-employment, the term earned income means
the total profit from business enterprise, farming, etc., resulting from a comparison of the gross income received with the business expenses, i.e., total cost of the production of the income. Personal expenses, such as income-tax payments, lunches, and transportation to and from work, are not classified as business expenses.

(B) For AFDC, with respect to self-employment the term earned income means the total profit from business enterprise, farming, etc., resulting from a comparison of the gross receipts with the business expenses, i.e., expenses directly related to producing the goods or services and without which the goods or services could not be produced. However, items such as depreciation, personal business and entertainment expenses, personal transportation, purchase of capital equipment and payments on the principal of loans for capital assets or durable goods are not business expenses.

(vi) The definition shall exclude the following from earned income: Returns from capital investment with respect to which the individual is not himself actively engaged, as in a business (for example, under most circumstances, dividends and interest would be excluded from earned income); benefits (not in the nature of wages, salary, or profit) accruing as compensation, or reward for service, or as compensation for lack of employment (for example, pensions and benefits, such as United Mine Workers’ benefits or veterans’ benefits).

(vii) With regard to the degree of activity, earned income is income produced as a result of the performance of services by a recipient; in other words, income which the individual earns by his own efforts, including managerial responsibilities, would be properly classified as earned income, such as management of capital investment in real estate. Conversely, for example, in the instance of capital investment wherein the individual carries no specific responsibility, such as where rental properties are in the hands of rental agencies and the check is forwarded to the recipient, the income would not be classified as earned income.

(viii) Reserves accumulated from earnings are given no different treatment than reserves accumulated from any other sources.

(7) Disregard of earned income; method.

(i) Provide that for other than AFDC, the following method will be used for disregarding earned income: The applicable amounts of earned income to be disregarded will be deducted from the gross amount of earned income, and all work expenses, personal and non-personal, will then be deducted. Only the net amount remaining will be applied in determining need and the amount of the assistance payment.

(ii) In applying the $30 and one-third disregard under paragraph (a)(11)(i)(D) of this section to an applicant for AFDC, there will be a preliminary step to determine whether the assistance unit is eligible without applying the disregard to the individual’s earned income, by comparing the applicant’s gross earned income (less the disregards in paragraphs (a)(11)(i) (A), (B) and (C)) and all of the assistance unit’s other income to the State need standard. This preliminary step does not apply if the individual has received AFDC in one of the four months prior to the month of application.

(8) Disregard of earned income applicable only to OAA, APTD, or AABD. If the State chooses to disregard earned income, specify the amount to be disregarded of the first $80 per month of income that is earned by an aged or disabled individual claiming OAA, APTD, or AABD, who is not blind, but not more than $20 per month plus one-half of the next $60 of such earned income.

(9) Disregard of income and resources applicable only to APTD or AABD. If the State chooses to disregard income (which may be additional to the income disregarded under paragraph (a)(8) of this section) or resources for a disabled individual to achieve the fulfillment of a plan of self-support, provide that the amounts of additional income and resources will not exceed those found necessary for the period during which the individual is actually undergoing vocational rehabilitation, and specify the period, not in excess of 36 months, for which such amounts are to be disregarded.

(10) Disregard of income and resources applicable only to AB or AABD. Provide
that, in determining the need of individuals who are blind, (i) the first $85 per month of earned income of the individual plus one-half of earned income in excess of $85 per month will be disregarded; and (ii) if the individual has a plan for achieving self-support, such additional income and resources as are necessary to fulfill such plan will be disregarded for a period not in excess of 12 months. Such additional income and resources may be disregarded for an additional period not in excess of 24 months (for a total of 36 months), as specified in the State plan.

(11) Disregard of income and resources applicable only to AFDC. (i) For purposes of eligibility determination, the State must disregard from the monthly earned income, i.e., earned income as defined in §233.20(a)(6)(iii), of each individual whose needs are included in the eligibility determination:

(A) Disregard all of the monthly earned income of each child receiving AFDC if the child is a full-time student or is a part-time student who is not a full-time employee. A student is one who is attending a school, college, or university or a course of vocational or technical training designed to fit him or her for gainful employment and includes a participant in the Job Corps program under the Job Training Partnership Act (JTPA).

(B) The first $90.

(C) Where appropriate, an amount equal to $30 plus one-third of the earned income not already disregarded under paragraphs (a)(11)(i), (a)(11)(v) and (a)(11)(vi) of this section of an individual who received assistance in one of the four prior months.

(D) An amount equal to the actual cost for the care of each dependent child or incapacitated adult living in the same home and receiving AFDC, but not to exceed $175 for each dependent child who is at least age two or each incapacitated adult, and not to exceed $200 for each dependent child who is under age two. For individuals not engaged in full-time employment or not employed throughout the month, the $175 and $200 disregard limits may be applied, or the State agency may establish disregard limits less than $175 and $200.

(E) Where appropriate, $30 of the earned income not already disregarded under paragraphs (a)(11)(i), (v), and (vi) of this section, in the case of an individual who reapplies for assistance within the eight-month period that he/she is eligible for the $30 disregard.

(ii) For purposes of benefit calculation for individuals found eligible under paragraph (a)(11)(i) of this section, the following disregards must be made by the State:

(A) Disregard all of the monthly earned income of each child receiving AFDC if the child is a full-time student or is a part-time student who is not a full-time employee. A student is one who is attending a school, college, or university or a course of vocational or technical training designed to fit him or her for gainful employment and includes a participant in the Job Corps program under the Job Training Partnership Act (JTPA).

(B) Disregard from any other individual’s earned income the amounts specified in paragraphs (a)(11)(i)(B) and (a)(11)(i)(D) of this section, and $30 plus one-third of the individual’s earned income not already disregarded under paragraphs (a)(11)(ii) and (a)(11)(v) of this section. However, the State may not provide the one-third portion of the disregard to an individual after the fourth consecutive month (any month for which the unit loses the $30 plus one-third disregard because of a provision in paragraph (a)(11)(iii) of this section, shall be considered as one of these months) it has been applied to the individual’s earned income and may not apply the $30 disregard after the eighth month following the fourth consecutive month (regardless of whether the $30 disregard was actually applied in those months) unless twelve consecutive months have passed during which the individual is not a recipient of AFDC. If income from a recurring source resulted in suspension or termination due to an extra paycheck, the month of ineligibility does not interrupt the accumulation of consecutive months of the $30 plus one-third disregard, nor does it count as one of the consecutive months.

(iii) The applicable earned income disregards in paragraphs (i) (B) and (C) and (ii)(B) of this paragraph do not
§ 233.20  
apply to the earned income of the individual for the month in which one of the following conditions apply to him:

(A) An individual terminated his employment or reduced his earned income without good cause (as specified in the State plan) within the period of 30 days preceding such month;

(B) An individual refused without good cause (as specified in the State plan) within the period of 30 days preceding such month to accept employment in which he is able to engage which is offered through the public employment offices of the State, or is otherwise offered by an employer if the offer of such employer is determined by the State or local agency administering the State plan, after notification by him, to be a bona fide offer of employment;

(C) An individual failed without good cause (as specified in the State plan) to make a timely report (as defined in §233.37(c)) of that income;

(D) The individual voluntarily requests assistance to be terminated for the primary purpose of avoiding receiving the $30 and one-third disregard for four consecutive months.

(iv) [Reserved]

(v) The treatment of earned income and expenses under JOBS is as follows:

(A) For earned income from regular employment or on-the-job training, as described at §250.61, the disregards in paragraphs (a)(11)(i) and (a)(11)(ii)(B) shall apply.

(B) For earned income from a job under the work supplementation component, as described at §250.62, the disregards in paragraphs (a)(11)(ii)(A) and (a)(11)(ii)(B) shall apply unless the State IV-A agency in its State JOBS plan, has elected to provide otherwise under §250.62(j) and §250.62(k).

(C) For all activities under JOBS and self-initiated education and training in non-JOBS areas, advance payment or reimbursement to the individual for child care, transportation, work-related expenses, or work-related supportive services is disregarded.

(D) Payment or reimbursement of child care pursuant to part 255 for employed individuals who are not JOBS participants and one-time work-related expenses for individuals who are not JOBS participants pursuant to part 255 are disregarded.

(vi) At State option, disregard all or part of the monthly income of any dependent child applying for or receiving AFDC when the income is derived from a program carried out under the Job Training Partnership Act of 1982, except that in respect to earned income such disregard may not exceed six months per calendar year.

(vii) At State option, disregard all or part of the monthly earned income of any dependent child applying for AFDC, if the child is a full-time student, and that income has been disregarded for purposes of paragraph (a)(3)(xiii) of this section.

(viii) Disregard as income the amount of any earned income tax credit payments received by an applicant or recipient. Disregard as resources, in the month of receipt and the following month, the amount of any earned income tax credit payments received by an applicant or recipient. “Earned income tax credit payments” include: Any advance earned income tax credit payment made to a family by an employer and any earned income tax credit payment made as a refund of Federal income taxes.

(12) Recoupment of overpayments and correction of underpayments for programs other than AFDC. Specify uniform Statewide policies for:

(i) Recoupment of overpayments of assistance, including certain overpayments resulting from assistance paid pending hearing decisions.

(A) The State may not recoup any overpayment previously made to a recipient:

(1) Unless the recipient has income or resources exclusive of the current assistance payment currently available in the amount by which the agency proposes to reduce payments: except that,

(2) Where such overpayments were occasioned or caused by the recipient’s willful withholding of information concerning his income, resources or other circumstances which may affect the amount of payment, the State may recoup prior overpayments from current assistance grants irrespective of current income or resources.
(B) Withholding of information which is subject to the provisions of paragraph (a)(12)(i)(A)(2) of this section includes the following:

(1) Willful misstatements (either oral or written) made by a recipient in response to oral or written questions from the State agency concerning the recipient’s income, resources or other circumstances which may affect the amount of payment. Such misstatements may include understatements of amounts of income or resources and omission of an entire category of income or resources;

(2) A willful failure by the recipient to report changes in income, resources or other circumstances which may affect the amount of payment, if the State agency has clearly notified the recipient of an obligation to report such changes. The recipient shall be given such notification periodically at times (not less frequently than semi-annually) and by methods which the State agency determines will effectively bring such reporting requirements to the recipient’s attention:

(3) A willful failure by the recipient (i) to report receipt of a payment which the recipient knew represented an erroneous overpayment, or (ii) to notify the State agency of receipt of a check which exceeded the prior check by at least the amount which the State agency had previously notified the recipient (pursuant to the provisions of paragraph (a)(12)(i)(A)(4) of this section) might represent an overpayment and constitute a sum to which the recipient would not be entitled. In making a determination pursuant to this paragraph (a)(12)(i)(B)(3), all relevant circumstances including the amount by which the erroneous payment exceeded the previous payment shall be considered.

(C) Each periodic notification under paragraph (a)(12)(i)(B)(2) of this section shall:

(1) Include a reminder that it is the recipient’s continuing obligation to furnish to the State agency accurate and timely information concerning changes in income, resources, or other circumstances which may affect the amount of payment, within a reasonable period after such change. The recipient may also be notified that a failure to so notify the State agency within the designated time period may constitute a willful withholding of such information and permit the State agency to recover any overpayment occasioned or caused by the willful withholding;

(2) Specifically and comprehensibly in simple phraseology indicate the type of information to be disclosed by the recipient. Examples shall be furnished of the most frequent types of newly acquired income or resources (e.g., inheritance, wages from a part-time job);

(3) Require that, if there is any doubt whether a particular change in circumstances constitutes such reportable information, the recipient contact the State agency or a designated representative thereof within a reasonable specified period of time after such change in circumstances;

(4) If the State plan provides for recoupment in the circumstances described in paragraph (a)(12)(i)(B)(3)(ii) of this section, notify the recipient that if the check received exceeds the prior check by a specified amount (which amount may not be less than that which a reasonable man should have known was erroneous), this increased check may constitute a sum to which the recipient is not entitled. In such instances, the notification may require that the recipient notify the State agency or a designated representative thereof prior to the negotiation of such check, so that corrective action may be taken; the State agency shall respond to such notification within 24 hours. The recipient may also be notified that a failure to so notify the State agency within the designated time period may constitute a willful withholding of such information and permit the State agency to recover such overpayment.

(D) The State agency shall require periodic formal acknowledgement by recipients (on a form utilized for this purpose) that the reporting obligations of this paragraph had been brought to the recipient’s attention and that they were understood.

(E) Any recoupment of overpayments made under circumstances other than those specified in paragraph (a)(12)(i)(B) of this section shall be limited to overpayments made during the
§ 233.20  
12 months preceding the month in which the overpayment was discovered.

(F) Any recoupment of overpayments permitted by paragraph (a)(12)(i)(A)(2) of this section may be made from available income and resources (including disregarded, set-aside or reserved items) or from current assistance payment or from both. If recoupments are made from current assistance payments, the State shall, on a case-by-case basis, limit the proportion of such payments that may be deducted in each case, so as not to cause undue hardship to recipients.

(G) The plan may provide for recoupment in all situations specified herein, or only in certain of the circumstances specified herein, and for waiver of the overpayment where the cost of collection would exceed the amount of the overpayment.

(H) Election by the State not to recoup overpayments shall not waive the provisions of §§ 205.40, and 205.41, or any other quality control requirement.

(ii) Prompt correction of underpayments to current recipients, resulting from administrative error where the State plan provides for recoupment of overpayments. Under this requirement:

(a) Retroactive corrective payment shall be made only for the 12 months preceding the month in which the underpayment is discovered;

(b) For purposes of determining continued eligibility and amount of assistance, such retroactive corrective payments shall not be considered as income or as a resource in the month paid nor in the next following month; and

(c) No retroactive payment need be made where the administrative cost would exceed the amount of the payment.

(13) Recovery of overpayments and correction of underpayments for AFDC.

Specify uniform Statewide policies for recovery of overpayments of assistance, including overpayments resulting from assistance paid pending hearing decisions. Overpayment means a financial assistance payment received by or for an assistance unit for the payment month which exceeds the amount for which that unit was eligible. (The agency may deny assistance for the corresponding payment month rather than recover if the assistance unit was ineligible for the budget month, the State becomes aware of the ineligibility when the monthly report is submitted, the recipient accurately reported the budget month's income and other circumstances, and the assistance unit will be eligible for the following payment month.)

(A) The State must take all reasonable steps necessary to promptly correct any overpayment, except that, as set forth in the plan, a State may waive any overpayment which occurred because receipt of an earned income tax credit payment by a family during the period January 1, 1990, to December 31, 1990, caused ineligibility under the 185 percent gross income limitation in paragraph (a)(3)(xiii) of this section.

(1) Any recovery of an overpayment to a current assistance unit, including a current assistance unit or recipient whose overpayment occurred during a prior period of eligibility, must be recovered through repayment (in part or in full) by the individual responsible for the overpayment or recovering the overpayment by reducing the amount of any aid payable to the assistance unit of which he or she is a member, or both.

(2) If recovery is made from the grant, such recovery shall result in the assistance unit retaining, for any payment month, from the combined aid, income and liquid resources, (without application of section 402(a)(8) of the Act) not less than 90 percent of the amount payable under the State plan to a family of the same composition with no other income. Where a State chooses to recover at a rate less than the maximum, it must recover promptly.

(B) The State shall recover an overpayment from (1) the assistance unit which was overpaid, or (2) any assistance unit of which a member of the overpaid assistance unit has subsequently become a member, or (3) any individual members of the overpaid assistance unit whether or not currently a recipient. If the State recovers from individuals who are no longer recipients, or from recipients who refuse to repay the overpayment from their income and resources, recovery shall be made by appropriate action under
State law against the income or resources of those individuals.

(C) If through recovery, the amount payable to the assistance unit is reduced to zero, members of the assistance unit are still considered recipients of AFDC.

(D) In cases which have both an underpayment and an overpayment, the State may offset one against the other in correcting the payment.

(E) Prompt recovery of an overpayment: A State must take one of the following three actions by the end of the quarter following the quarter in which the overpayment is first identified:

(1) Recover the overpayment, (2) initiate action to locate and/or recover the overpayment from a former recipient, or (3) execute a monthly recovery agreement from a current recipient's grant or income/resources.

(ii) Specify uniform Statewide policies for prompt correction of any underpayments to current recipients and those who would be a current recipient if the error causing the underpayment had not occurred. Underpayment means a financial assistance payment received by or for an assistance unit for the payment month which is less than the amount for which the assistance unit was eligible, or failure by the State to issue a financial assistance payment for the payment month to an eligible assistance unit if such payment should have been issued. Under this requirement, for purposes of determining continued eligibility and amount of assistance, such retroactive corrective payments shall not be considered as income, or as a resource in the month paid nor in the next following month.

(iii) Paragraph (a)(13) of this section is effective for incorrect payments which are identified subsequent to September 30, 1981.

(iv) In locating former recipients who have outstanding overpayments the State should use appropriate data sources such as State unemployment insurance files, State Department of Revenue information from tax returns, State automobile registration, Bendex, and other files relating to current or former recipients.

(v) The State must maintain information on the individual and total number and amount of overpayments identified and their disposition for current and former recipients.

(vi) The State may elect not to attempt recovery of an overpayment from an individual no longer receiving aid where the overpayment amount is less than $35. Where the overpayment amount owed by an individual no longer receiving aid is $35 or more, the State can determine when it is no longer cost-effective to continue overpayment recovery efforts, provided it has made reasonable efforts to recover the overpayment from the individual. Reasonable efforts must include notification of the amount of and reason for the overpayment and that repayment is required. States must also maintain information regarding uncollected overpayments as provided under paragraph (a)(13)(v) of this section, to enable the State to recover those overpayments if the individual subsequently becomes a recipient. In cases involving fraud, States must make every effort to recover the overpayment, regardless of the amount.

(14) For Medicaid eligibility only, beginning October 1, 1998, pursuant to section 402(a)(37) of the Act, an assistance unit will be deemed to be receiving AFDC, but only for the purposes of this paragraph, for a period of nine months after the last month the family actually received aid if the loss of AFDC eligibility was solely because a member of the unit was no longer eligible due to the 4 and 12 month time limitations to have the $30 and one-third or the $30 disregard in paragraph (a)(11)(ii)(B) applied to his or her earned income. At State option, an additional period of Medicaid coverage for up to six months may be provided when the assistance unit would be eligible during such additional period to receive AFDC if the $30 and one-third or the $30 disregards were applied to the assistance unit's earned income.

(15) For Medicaid eligibility only, pursuant to section 406(h) of the Act:

(i) Each dependent child and each relative with whom such a child is living (including the eligible spouse of such relative pursuant to section 237.50(b) of this chapter) who becomes ineligible for AFDC wholly or partly because of the initiation of or an increase in the
§ 233.20  

45 CFR Ch. II (10-1-98 Edition)

amount of a child or spousal support collection under title IV-D will be deemed to be receiving AFDC, but only for purposes of this paragraph (a)(15), for a period of four consecutive calendar months beginning with the first month of AFDC ineligibility. To be eligible for extended Medicaid coverage pursuant to this paragraph (a)(15), each dependent child and relative must meet the following conditions:

(A) The individual must have become ineligible for AFDC on or after August 16, 1984; and

(B) The individual must have received AFDC in at least three of the six months immediately preceding the month in which the individual becomes ineligible for AFDC; and

(C) The individual must have become ineligible for AFDC wholly or partly as a result of the initiation or an increase in the amount of a child or spousal support collection under title IV-D.

(ii) (A) Except as provided in paragraph (a)(15)(ii)(B) of this section, individuals who are eligible for extended Medicaid lose this coverage if they move to another State during the 4-month period. However, if they move back to and reestablish residence in the State in which they have extended coverage, they are eligible for any of the months remaining in the 4-month period in which they are residents of the State.

(B) If a State has chosen in its State plan to provide Medicaid to non-residents, the State may continue to provide the 4-month extended benefits to individuals who have moved to another State.

(iii) For purposes of paragraph (i)(3) of this section:

(A) The new collection or increased collection of child or spousal support results in the termination of AFDC eligibility when it actively causes or contributes to the termination. This occurs when:

(1) The change in support collection in and of itself is sufficient to cause ineligibility. This rule applies even if the support collection must be added to other, stable income. It also applies even if other independent factors, alone or in combination with each other, might simultaneously cause ineligibility; or

(2) The change in support contributes to ineligibility but does not by itself cause ineligibility. Ineligibility must result when the change in support is combined with other changes in income or changes in other circumstances and the other changes in income or circumstances cannot alone or in combination result in termination without the change in support.

(B) In cases of increases in the amounts of both the support collections and earned income, eligibility under this section does not preclude eligibility under paragraph (a)(14) of this section or section 1925 of the Social Security Act (which was added by section 303(a) of the Family Support Act of 1988 (42 U.S.C. 1396-6)). Extended periods result from both an increase in the amount of the support collection and from an increase in earned income must run concurrently.

(b) Federal financial participation; General. (1) Federal participation will be available in financial assistance payments made on the basis that (after application of policies governing the allowable reserve, disregard or setting aside of income and resources), all income of the needy individual, together with the assistance payment, do not exceed the State's defined standard of assistance, and available resources of the needy individuals do not exceed the limits under the State plan.

(2) Federal participation is available within the maximums specified in the Federal law, when the payments do not exceed the amount determined to be needed under the statewide standard, and are made in accordance with the State method for determining the amount of the payments, as specified in §233.31 for AFDC and in §§233.24 and 233.25 for OAA, AB, APTD, and AABD.

(3) Federal participation is available in financial assistance payments made on the basis of the need of the individual. This basis may include consideration of needy persons living in the same home with the recipient when such other persons are within the State's policy as essential to his well-being. Persons living in the home who are “essential to the well-being of the recipient,” as specified in the State
§ 233.21 Budgeting methods for OAA, AB, APTD, and AABD.

(a) Requirements for State plans. A State plan for OAA, AB, APTD, or AABD shall specify if assistance payments shall be computed using a prospective budgeting system or a retrospective budgeting system. A State electing retrospective budgeting shall specify which options it selects and the State plan shall state that it shall meet the requirements in §§ 233.21 through 233.29. Budgeting methods for AFDC are described in §§ 233.31 through 233.37.

(b) Definitions. The following definitions apply to §§ 233.21 through 233.29:

(1) Prospective budgeting means that the agency shall compute the amount of assistance for a payment month based on its best estimate of income and circumstances which will exist in that month. This estimate shall be based on the agency’s reasonable expectation and knowledge of current, past or future circumstances.

(2) Retrospective budgeting means that the agency shall compute the amount of assistance for a payment month based on actual income or circumstances which existed in a previous month, the “budget month”.

(3) Payment month means the fiscal or calendar month for which an agency shall pay assistance. Payment is based upon income or circumstances in the budget month. In prospective budgeting, the budget month and the payment month are the same. In retrospective budgeting, the payment month follows the budget month and the payment month shall begin within 32 days after the end of the budget month.

EDITORIAL NOTE: For Federal Register citations to § 233.20, see the List of CFR Sections Affected in the Finding Aids section of this volume.

EFFECTIVE DATE NOTE: Paragraph (a)(13)(v) was added to § 233.20 at 47 FR 5678, Feb. 5, 1982. The effectiveness of this paragraph is pending OMB approval. The agency will publish a document in the Federal Register when approval is obtained.
§ 233.22 Determining eligibility under prospective budgeting.

In States which compute the amount of the assistance payment prospectively, the State plan shall provide that the State shall also determine all factors of eligibility prospectively. Thus, the State agency shall establish eligibility based on its best estimate of income and circumstances which will exist in the month for which the assistance payment is made.

§ 233.23 When assistance shall be paid under retrospective budgeting.

(a) A State which uses retrospective budgeting shall specify in its plan that it will make assistance payments within the following time limits to recipients who file a completed report on time, and to those who are not required to file a report. A State shall choose one of two time periods for making assistance payments. The State plan shall provide that payment must be made:

(1) Within 25 days from the close of the budget month; or

(2) Between 25 and 45 days from the close of the budget month.

(b)(1) Where a State makes payments between 25 and 45 days from the close of the budget month, the State plan shall provide that the State will make supplemental payments as provided in § 233.27.

(2) If a State makes payments within 25 days from the close of the budget month, and also makes supplemental payments as provided in §233.27, the State plan shall so specify.

(c) In States which issue two checks for each payment month, these time periods apply to the first check.

[44 FR 26183, May 4, 1979]

§ 233.24 Retrospective budgeting: determining eligibility and computing the assistance payment in the initial one or two months.

(a) States which make assistance payments within 25 days of the close of the budget month shall determine eligibility and compute the amount of the payment for all recipients prospectively for the initial month of assistance. These States may choose to determine eligibility and compute the payment prospectively for the second month, also.

(b) States which make assistance payments between 25 and 45 days from the close of the budget month shall determine eligibility and compute the amount of the payment prospectively for the initial two months of assistance.

(c) When a person who previously received assistance reapplies during the same month in which a termination became effective, eligibility shall be determined according to paragraph (a) or (b) of this section. However, the amount of the assistance payment for the month of the reapplication shall be computed retrospectively.

[44 FR 26083, May 4, 1979]

§ 233.25 Retrospective budgeting: computing the assistance payment after the initial one or two months.

The State plan shall provide:

(a) After the initial one or two payment months of assistance under §233.24, the amount of each subsequent month’s payment shall be computed prospectively, i.e., shall be based on earned and unearned income received in the corresponding budget month.

(b) In these subsequent months, other factors of need which affect the amount of the assistance payment may also be based on circumstances in the corresponding budget month, or they may be based on circumstances in the payment month.

(c) For the first month in which retrospective budgeting is used, a State
shall not consider income received by
the recipient before the date of applica-
tion. When a person reappears during
the same month in which a termi-
nation became effective, the State may
consider income received before the
date of application.

[44 FR 26083, May 4, 1979]

§ 233.26 Retrospective budgeting; de-
termining eligibility after the initial
one or two months.

(a) Under retrospective budgeting,
there are three options for determining
eligibility. The State plan shall specify
that eligibility, following the initial
one or two months under §233.24, shall
be determined by one of the following
methods:

(1) A State may consider all factors,
including income retrospectively, i.e.,
only from the budget month. For ex-
ample, if a change in circumstances oc-
curs which affects eligibility, e.g., dep-
ervation ceases, the change may be re-
ported at the end of the budget month
and assistance shall be terminated for
the corresponding payment month.
Thus, even if the agency could have
terminated assistance earlier than the
 corresponding payment month, it shall
not do so under retrospective deter-
mination of eligibility.

(2) A State may consider all factors,
including income, prospectively. For
example, if deprivation ceases, and the
family becomes ineligible, the agency
shall immediately take steps to termi-
nate assistance.

(3) A State may use a combination of
the options in paragraphs (a) and (b) of
this section by considering factors re-
lated to earned and unearned income
retrospectively and all other factors
 prospectively. For example, if a change
in income makes the family ineligible,
the agency shall wait until the cor-
responding payment month to termi-
nate assistance. On the other hand, if a
change of circumstances other than in-
come makes the family ineligible, the
agency shall immediately take steps to
terminate assistance.

§ 233.27 Supplemental payments under
retrospective budgeting.

(a) General requirements. A State plan
which provides for payments between
25 and 45 days from the close of a budg-
et month, shall provide for supple-
mental payments to eligible recipients
who request them. A State plan which
provides for payments within 25 days
may provide for supplemental pay-
ments:

(1) The supplemental payment shall
be paid for the month in which it was
requested.

(2) The recipient family is eligible for
a supplemental payment if its income
for the month is less than 80 percent of
the amount the State would pay for a
similar family with no income. How-
ever, this percentage of the amount the
State would pay for a similar family
with no income may be set between 80
and 100 percent, as specified in the
State plan. The supplemental payment
equals the difference between the fami-
ly's income in the payment month and
that percentage.

(3) Supplemental payments shall be
issued within 5 working days of re-
quest.

(b) How income is treated. For pur-
poses of supplemental payments, in-
come includes that month's assistance
payment and any income received or
expected to be received by the recipi-
ent, but does not include work-related
expenses.

(1) The amount used for the assist-
ance payment shall be the monthly as-
sistance payment without regard to
any recoupments made for prior over-
payments or adjustments for prior un-
derpayments.

(2) The agency may include as in-
come cash in hand or available in bank
accounts. It may also include as in-
come any cash disregarded in deter-
mining need or the amount of the as-
sistance payment, but not cash pay-
ments that are disregarded by
§233.20(a)(4)(ii), paragraphs (c) on relo-
cation assistance, (d) on educational
grants or loans and (g) on payments for
certain services.

§ 233.28 Monthly reporting.

(a) State plans specifying retrospective budgeting shall require that recipients with earned income, other than income from self-employment, report that income to the agency monthly. The State may require recipients with unearned income, no income, or income from self-employment to report monthly. The agency shall provide a form for this purpose, which:

1. Is written in clear simple language;
2. Specifies the date by which the agency must receive the form and the consequences of a late or incomplete form, including whether the agency will delay or withhold payment if the form is not returned by the specified date;
3. Identifies an individual or agency unit the recipient should contact to receive prompt answers to questions about information requested on the form, and provides a telephone number for this purpose;
4. Includes a statement, to be signed by the recipient, that he or she understands that the information he or she provides may result in changes in assistance, including reduction or termination;
5. Advises the recipient if supplemental payments are available and the proper procedures for initiating a request; and
6. Advises the recipient of his or her right to a fair hearing on any decrease or termination of assistance or denial of a supplemental payment.

(b) The agency shall specify the date by which it must receive the monthly report. This date shall be at least 5 days from the end of the budget month and shall also allow the recipient at least 5 days to complete the report.

(c) The agency may consider a monthly report incomplete only if it is unsigned or omits information necessary to determine eligibility or compute the payment amount.

(d) The agency shall provide a stamped, self-addressed envelope for returning the monthly report.

(e) The agency shall make special provisions for persons who are illiterate or have other handicaps so that they cannot complete a monthly report form.

[44 FR 26083, May 4, 1979]

§ 233.29 How monthly reports are treated and what notices are required.

(a) What happens if a completed monthly report is received on time. When the agency receives a completed monthly report by the date specified in § 233.28 it shall process the payment. The agency shall notify the recipient of any changes from the prior payment and the basis for its determinations. This notice must meet the requirements of § 205.10(a)(4)(i)(B) of this chapter on adequate notice if the payment is being reduced or assistance is being terminated. This notice must be received by the recipient no later than his or her resulting payment or in lieu of the payment.

(b) What happens if the completed monthly report is received before the extension deadline. (1) If the completed monthly report is not received by the date specified in § 233.28, the agency shall send a notice to the recipient. This notice shall inform him or her that the monthly report is overdue or is not complete and that he or she has at least 10 additional days to file. It must inform the recipient that termination may result if that is the agency’s policy, if the report is not filed within the extension period. This notice must reach the recipient at least 10 days before the expected payment. However, in States in which the date specified in § 233.28 is within 10 days of the expected payment date, the notice must reach the recipient on or before the expected payment date.

2. When the report is received within the extension period, the agency may delay payment to the recipient, as follows:

(i) In a State that pays within 25 days of the budget month the payment may be delayed 10 days;
(ii) In a State that pays within 25 to 45 days of the budget month, the payment may not be delayed beyond the 45th day.

(c) What happens if a monthly report is not received by the end of the extension period. An agency may terminate assistance if it has not received a report.
or has received an incomplete report, and the 10 day extension period has expired. If the State decides to terminate assistance, it must send the recipient a notice which meets the requirements of §205.10(a)(4)(i)(B) on adequate notice.

(d) How a recipient may delay an adverse action based on a monthly report. If a recipient’s assistance is reduced or terminated based on information in the monthly report, and he or she requests a fair hearing within 10 days, the assistance payment shall be reinstated immediately at the previous month’s level pending the hearing decision. The payment shall be made effective from the date assistance was reduced or terminated.

[44 FR 26084, May 4, 1979]

§ 233.31 Budgeting methods for AFDC.

(a) Requirements for State plans. A State plan for AFDC shall specify that all factors of eligibility shall be determined prospectively and the amount of the assistance for any month for all assistance units required to file a monthly report for the month designated as the budget month under the State’s retrospective budgeting procedures shall be determined using retrospective budgeting as provided in §§233.31–233.37 except as provided in §233.34. The State plan shall specify whether the State uses prospective or retrospective budgeting to determine the amount of the assistance payments for recipients not required to report monthly. Budgeting methods for OAA, AB, APTD, and AABD are described in §§233.21–233.29.

(b) Definitions. The following definitions apply to §§233.31 through 233.37:

1. Prospective budgeting means that the agency shall determine eligibility (and compute the amount of assistance for the first one or two months) based on its best estimate of income and circumstances which will exist in that month. This estimate shall be based on the agency’s reasonable expectation and knowledge of current, past or future circumstances.

2. Retrospective budgeting means that the agency shall compute the amount of assistance for a payment month based on actual income or circumstances which existed in a previous month, the “budget month.”

3. Budget month means the fiscal or calendar month from which the agency shall use income or circumstances of the family to compute the amount of assistance.

4. Payment month means the fiscal or calendar month for which an agency shall pay assistance. Payment is based upon income or circumstances in the budget month. In prospective budgeting, the budget month and the payment month are the same. In retrospective budgeting, the payment month follows the budget month.

5. Recent work history means the individual received earned income in any one of the two months prior to the budget month.

§ 233.32 Payment and budget months (AFDC).

A State shall specify in its plan for AFDC the time period covered by the payment (payment month) and the time period used to determine that payment (budget month) and whether it adopts (a) a one-month or two-month retrospective system; and (b) a one-month or two-month prospective system for the initial payment months. If a State elects to have a two-month retrospective system it must also elect a two-month prospective system.

[47 FR 5678, Feb. 5, 1982]

§ 233.33 Determining eligibility prospectively for all payment months (AFDC).

(a) The State plan for AFDC shall provide that the State shall determine all factors of eligibility prospectively for all payment months. Thus, the State agency shall establish eligibility based on its best estimate of income and circumstances which will exist in the month for which the assistance payment is made.

(b) When a IV-A agency receives an official report of a child support collection it shall consider that information as provided in §232.20(a) of this chapter. (§232.20(a) explains the treatment of child support collections.)

[47 FR 5678, Feb. 5, 1982]
§ 233.34 Computing the assistance payment in the initial one or two months (AFDC).

A State shall compute the amount of the AFDC payment for the initial month of eligibility:

(a) Prospectively (except as in paragraphs (b) and (c) of this section); or

(b) Retrospectively if the applicant received assistance (or would have except for the prohibition on payments of less than $10) for the immediately preceding payment month (except where the State pays the second month after application prospectively); or

(c) Retrospectively if:

(1) Assistance had been suspended as defined in paragraph (d) of this section; and

(2) The initial month follows the month of suspension; and

(3) The family’s circumstances for the initial month had not changed significantly from those reported in the corresponding budget month, e.g., loss of job.

(d) A State may suspend, rather than terminate, assistance when:

(1) The agency has knowledge of, or reason to believe that ineligibility would be only for one payment month; and

(2) Ineligibility for that one payment month was caused by income or other circumstances in the corresponding budget month.

(e) If the initial month is computed prospectively as in paragraph (a) of this section, the second month shall be prospective if the State elects a 2-month retrospective budgeting system.

[47 FR 5679, Feb. 5, 1982]

§ 233.35 Computing the assistance payment under retrospective budgeting after the initial one or two months (AFDC).

The State plan for AFDC shall provide:

(a) After the initial one or two payment months of assistance under §233.34, the amount of each subsequent month’s payment shall be computed retrospectively, i.e., shall be based on income and other relevant circumstances in the corresponding budget month except as provided in §233.34(a)(3)(iii). In any month for which an individual will be determined eligible prospectively and will be added to an existing AFDC assistance unit, the State must meet the individual’s needs to the same extent it would if the individual were an applicant for AFDC.

(b) Except as provided in §233.34(b), for the first and second payment month for which retrospective budgeting is used, the State shall not count income from the budget month already considered for any payment month determined prospectively which is not of a continuous nature.

[47 FR 5679, Feb. 5, 1982]

§ 233.36 Monthly reporting (AFDC).

(a) Except as provided in paragraph (b) of this section, a State plan for AFDC shall require the caretaker relative, or another person designated by the State, to submit, on behalf of each assistance unit whose members have earned income or recent work history, each assistance unit which has income deemed to it from individuals living with the unit who have earned income or a recent work history and, at State option, other assistance units, a completed report form to the agency monthly on:

(1) Budget month income, family composition, and other circumstances relevant to the amount of the assistance payment; and

(2) Any changes in income, resources, or other relevant circumstances affecting continued eligibility which the assistance unit expects to occur in the current month or in future months.

(3) The income of a parent or a legal guardian of a minor parent, a stepparent, or an alien sponsor, as well as the resources of an alien sponsor, where appropriate.

(b) A State may exempt categories of recipients otherwise required to report monthly from reporting each month with prior approval by the Secretary if the State can demonstrate that not requiring these cases to file monthly reports is cost effective. The Secretary will grant waivers under this provision for a period up to one year, at the end of which time the State may request an extension of the waiver. A decision by the Secretary not to approve a request for an exemption is not appealable. The plan shall include criteria for
§ 233.38 Waiver of monthly reporting and retrospective budgeting requirements; AFDC.

(a) States may request waivers of the requirements at §§233.31-233.37 to promote compatibility with monthly reporting and budgeting requirements of the Food Stamp Act of 1977 as amended.
§ 233.39 Age.

(a) Condition for plan approval. A State plan under title I or XVI of the Social Security Act may not impose any age requirement of more than 65 years.

(b) Federal financial participation. (1) Federal financial participation is available in financial assistance provided to otherwise eligible persons who were, for any portion of the month for which assistance is paid:
   (i) In OAA or AABD with respect to the aged, 65 years of age or over;
   (ii) In AFDC, under 18 years of age; or age 18 if a full-time student in a secondary school, or in the equivalent level of vocational or technical training, and reasonably expected to complete the program before reaching age 19.
   (iii) In AB or AABD with respect to the blind, any age;
   (iv) In APTD or AABD with respect to the disabled, 18 years of age or older.

(2) Federal determination of whether an individual meets the age requirements of the Social Security Act will be made according to the common-law method (under which a specific age is attained the day before the anniversary of birth), unless the State plan specifies that the popular usage method (under which an age is attained on the anniversary of birth), is used.

(3) The State agency may adopt an arbitrary date such as July 1 as the point from which age will be computed in all instances where the month of an individual’s birth is not available, but the year can be established.

§ 233.40 Residence.

(a) Condition for plan approval. A State plan under title I, IV-A, X, XIV, or XVI of the Social Security Act may not impose any residence requirement which excludes any individual who is a resident of the State except as provided in paragraph (b) of this section. For purposes of this section:

(1) A resident of a State is one: (i) Who is living in the State voluntarily with the intention of making his or her home there and not for a temporary purpose. A child is a resident of the State in which he or she is living other than on a temporary basis. Residence may not depend upon the reason for which the individual entered the State, except insofar as it may bear upon whether the individual is there voluntarily or for a temporary purpose; or
   (ii) Who, is living in the State, is not receiving assistance from another State, and entered the State with a job commitment or seeking employment in the State (whether or not currently employed). Under this definition, the child is a resident of the State in which the caretaker is a resident.

(2) Residence is retained until abandoned. Temporary absence from the State, with subsequent returns to the State, or intent to return within 9 months of absence, does not interrupt continuity of residence.

(b) Exception. A State plan under title I, X, XIV, or XVI need not include an individual who has been absent from the State for a period in excess of 90 consecutive days (or a shorter period specified by the State) in the case of such individual who has maintained residence in the State during such period of absence or for a period of 90 consecutive days (or a shorter period as specified by the State) in the case of any other such individual. An individual thus excluded

(b) An alien lawfully admitted for permanent residence or otherwise permanently residing in the United States under color of law, including certain aliens lawfully present in the United States as a result of the application of the following provisions of the Immigration and Nationality Act:

1. Section 207(c), in effect after March 31, 1980—Aliens Admitted as Refugees.

2. Section 203(a)(7), in effect prior to April 1, 1980—Individuals who were Granted Status as Conditional Entrant Refugees.

4. Section 212(d)(5)—Aliens Granted Temporary Parole Status by the Attorney General, or

1. A Cuban and Haitian entrant as defined in paragraph (1) or (2)(A) of section 501(e) of Pub. L. 99-603, which must be in effect on April 1, 1983, or

2. An adult assistance applicant for OAA, AB, APTD, or AABD, or

3. An applicant for AFDC who is not a Cuban and Haitian applicant under paragraph (c)(1) of this section who was adjusted to lawful temporary resident status more than five years prior to application.

All other aliens granted lawful temporary or permanent resident status, pursuant to sections 201, 302, or 303 of the Immigration Reform and Control Act of 1986, are disqualified for five years from the date lawful temporary resident status is granted.

Section 233.51 Eligibility of sponsored aliens.

Definition: Sponsor is any person who, or any public or private agency or organization that, executed an affidavit(s) of support or similar agreement on behalf of an alien (who is not the child of the sponsor or the sponsor's spouse) as a condition of the alien's entry into the United States. Paragraphs (a) through (d) of this section apply only to aliens who are sponsored by individuals and who filed applications for the first time after September 30, 1981. Paragraphs (e) and (f) apply only to aliens sponsored by public or private agencies or organizations with respect to periods after October 1, 1984. A State plan under title IV-A of the Act shall provide that:

(a) For a period of three years following entry for permanent residence into the United States, a sponsored alien who is not exempt under paragraph (g) of this section, shall provide the State agency with any information and documentation necessary to determine the income and resources of the sponsor and the sponsor's spouse (if applicable) that can be deemed available to the alien, and obtain any cooperation necessary from the sponsor.

(b) The income and resources of a sponsor and the sponsor's spouse shall be deemed to be the unearned income and resources of an alien for three years following the alien's entry into the United States:

1. Monthly income deemed available to the alien from the sponsor and the sponsor's spouse not receiving AFDC or SSI shall be:

- The total monthly unearned and earned income of the sponsor and the sponsor's spouse reduced by 20 percent (not to exceed $175) of the total of any amounts received by them in the month as wages or salary or as net earnings from self-employment.
§ 233.52  

(ii) The amount described in paragraph (b)(1)(i) of this section reduced by:

(A) The cash needs standard under the plan in the alien's State of residence for a family of the same size and composition as the sponsor and those other people living in the same household as the sponsor who are or could be claimed by the sponsor as dependents to determine his or her Federal personal income tax liability but whose needs are not taken into account in making a determination under §233.20 of this chapter;

(B) Any amounts actually paid by the sponsor or sponsor's spouse to people not living in the household who are or could be claimed by them as dependents to determine their Federal personal income tax liability; and

(C) Actual payments of alimony or child support, with respect to individuals not living in the household.

(2) Monthly resources deemed available to the alien from the sponsor and sponsor's spouse shall be the total amount of their resources determined as if they were applying for AFDC in the alien's State of residence, less $1500.

(c) In any case where a person is the sponsor of two or more aliens, the income and resources of the sponsor and sponsor's spouse, to the extent they would be deemed the income and resources of any one of the aliens under the provisions of this section, shall be divided equally among the sponsored aliens.

(d) Income and resources which are deemed to a sponsored alien shall not be considered in determining the need of other unsponsored members of the alien's family except to the extent the income or resources are actually available.

(e) For a period of three years following entry for permanent residence into the United States, any alien who is not exempt under paragraph (g) of this section and has been sponsored by a public or private agency or organization, shall be ineligible for assistance unless the State agency determines (in accordance with paragraph (f)) that the sponsor no longer exists or has become unable to meet the alien's needs.

(f) The State plan shall set forth the criteria the State agency will use in determining whether an agency or organization no longer exists or is unable to meet the alien's needs and the documentation the agency will require of the alien in making such determination. The sponsored alien shall provide the State agency with any information and documentation necessary for such determination and obtain any cooperation necessary from the sponsor.

(g) The provisions of this section shall not apply to any alien who is:

(1) Admitted as a conditional entrant refugee to the United States as a result of the application of the provisions of section 203(a)(7) (in effect prior to April 1, 1980) of the Immigration and Nationality Act;

(2) Admitted as a refugee to the United States as a result of the application of the provisions of section 207(c) (in effect after March 31, 1980) of the Immigration and Nationality Act;

(3) Paroled into the United States as a refugee under section 212(d)(5) of the Immigration and Nationality Act;

(4) Granted political asylum by the Attorney General under section 208 of the Immigration and Nationality Act;

(5) A Cuban or Haitian entrant, as defined in section 501(e) of the Refugee Education Assistance Act of 1980 (Pub. L. 96-422); or

(6) The dependent child of the sponsor or sponsor's spouse.

(h) The Secretary shall make information necessary to make a determination under this section and supplied under agreement with the Secretary of State and the Attorney General, available upon request to a concerned State agency.

§ 233.52  Overpayment to aliens.

A State Plan under title IV-A of the Social Security Act, shall provide that:

(a) Any sponsor of an alien and the alien shall be jointly and severally liable for any overpayment of aid under the State plan made to the alien during the three years after the alien's entry into the United States due to the sponsor's failure to provide correct information under the provisions of §233.51,
except as provided in paragraph (b) of this section.

(b) When a sponsor is found to have good cause or to be without fault (as defined in the State plan) for not providing information to the agency, the sponsor will not be held liable for the overpayment and recovery will not be made from this sponsor.

(c) An overpayment for which the alien or the sponsor and the alien are liable (as described in paragraphs (a) and (b) of this section) shall be repaid to the State or recovered in accordance with §233.20(a)(13). If the agency is unable to recover the overpayment through this method, funds to reimburse the agency for the overpayment shall be withheld from future payments to which the alien or the alien and the individual sponsor are entitled under:

(1) Any State administered or supervised program established by the Social Security Act, or

(2) Any federally administered cash benefit program established by the Social Security Act.

§ 233.53 Support and maintenance assistance (including home energy assistance) in AFDC.

(a) General. At State option, certain support and maintenance assistance (including home energy assistance) may be excluded from income and resources.

(b) Definitions. The following definitions are limited to the support and maintenance assistance provisions of this section.

Appropriate State agency means the agency designated by the chief executive officer of the State to handle the State's responsibilities with respect to support and maintenance assistance under paragraph (c) of this section.

Based on need means that the assistance is given to or on behalf of an applicant or recipient for the purpose of support and maintenance (including home energy) and meets the criteria established by the State for determining the need for such assistance.

In kind assistance means assistance furnished in any form except direct cash payments to an applicant or recipient through other financial instruments which are convertible to cash.

Private, nonprofit organization means a religious, charitable, educational, or other organization such as described in section 501(c) of the Internal Revenue Code of 1954. (Actual tax exempt certification by IRS is not necessary).

Rate-of-return entity means an entity whose revenues are primarily received from the entity's charges to the public for goods or services, and such charges are based on rates regulated by a State or Federal governmental body.

Support and maintenance assistance means any assistance designed to meet the expenses of day to day living. Support and maintenance assistance includes home energy assistance. Home energy assistance means any assistance related to meeting the cost of heating or cooling a home. Home energy assistance includes such items as payments for utility service or bulk fuels; assistance in kind such as portable heaters, fans, blankets, storm doors, or other items which help reduce the costs of heating and cooling such as conservation or weatherization materials and services; etc.

(c) Requirements for State Plans. If a State elects to exclude from income and resources support and maintenance assistance, the State plan for AFDC must as specified below:

(1) Provide that an appropriate State agency will certify that support and maintenance assistance is based on need (as defined in paragraph (b) of this section), and that such certification will be accepted for purposes of determining eligibility for and the amount of payments under the AFDC program.

(2) Provide that in joint AFDC/SSI households, support and maintenance assistance furnished to the household which is not excluded under this paragraph will be prorated on a reasonable basis to determine the amount provided to the AFDC assistance unit. The State plan must describe the method that will be used to prorate the assistance in these circumstances.
§ 233.60 Institutional status.

(a) Federal financial participation. (1) Federal financial participation under title I, X, XIV, or XVI of the Social Security Act is not available in payments to or in behalf of any individual who is an inmate of a public institution except as a patient in a medical institution.

(2)(i) Federal financial participation under title X or XIV of the Social Security Act is not available in payments to or in behalf of any individual who is a patient in an institution for tuberculosis or mental diseases.

(ii) Federal financial participation under title XVI of the Social Security Act is not available in payments to or in behalf of any individual who has not attained 65 years of age and who is a patient in an institution for tuberculosis or mental diseases.

(3) For purposes of this paragraph:

(i) Federal financial participation is available in payments for the month in which an individual (if otherwise eligible) became an inmate of a public institution, or a patient in an institution for tuberculosis or mental diseases;

(ii) Whether an institution is one for tuberculosis or mental diseases will be determined by whether its overall character is that of a facility established and maintained primarily for the care and treatment of individuals with tuberculosis or mental diseases (whether or not it is licensed);

(iii) An institution for the mentally retarded is not an institution for mental diseases;

(iv) An individual on conditional release or convalescent leave from an institution for mental diseases is not considered to be a patient in such institution.

(b) Definitions. For purposes of Federal financial participation under paragraph (a) of this section:

(1) Institution means an establishment which furnishes (in single or multiple facilities) food and shelter to four or more persons unrelated to the proprietor, and in addition, provides some treatment or services which meet some need beyond the basic provision of food and shelter.

(2) In an institution refers to an individual who is admitted to participate in the living arrangements and to receive treatment or services provided there which are appropriate to his requirements.

(3) Public institution means an institution that is the responsibility of a governmental unit or over which a governmental unit exercises administrative control.

(4) Inmate of a public institution means a person who is living in a public institution. An individual is not considered an inmate when:

(i) He is in a public educational or vocational training institution, for purposes of securing education or vocational training, or
(ii) He is in a public institution for a temporary emergent period pending other arrangements appropriate to his needs.

(5) Medical institution means an institution which:
  (i) Is organized to provide medical care, including nursing and convalescent care;
  (ii) Has the necessary professional personnel, equipment, and facilities to manage the medical, nursing, and other health needs of patients on a continuing basis in accordance with accepted standards;
  (iii) Is authorized under State law to provide medical care;
  (iv) Is staffed by professional personnel who have clear and definite responsibility to the institution in the provision of professional medical and nursing services including adequate and continual medical care and supervision by a physician; sufficient registered nurse or licensed practical nurse supervision and services and nurse aid services to meet nursing care needs; and appropriate guidance by a physician(s) on the professional aspects of operating the facility.

(6) Institution for tuberculosis means an institution which is primarily engaged in providing diagnosis, treatment, or care of persons with tuberculosis, including medical attention, nursing care, and related services.

(7) Institution for mental diseases means an institution which is primarily engaged in providing diagnosis, treatment or care of persons with mental diseases, including medical attention, nursing care, and related services.

(8) Patient means an individual who is in need of and receiving professional services directed by a licensed practitioner of the healing arts toward maintenance, improvement, or protection of health, or alleviation of illness, disability, or pain.

§ 233.70 Blindness.

(a) State plan requirements. A State plan under title X or XVI of the Social Security Act must:

(1) Contain a definition of blindness in terms of ophthalmic measurement. The following definition is recommended: An individual is considered blind if he has central visual acuity of 20/200 or less in the better eye with correcting glasses or a field defect in which the peripheral field has contracted to such an extent that the widest diameter of visual field subtends an angular distance of no greater than 20°.

(2) Provide, in any instance in which a determination is to be made whether an individual is blind or continues to be blind as defined under the State plan, that there will be an initial examination or re-examination performed by either a physician skilled in the diseases of the eye or by an optometrist, whichever the individual so selects.

(i) No examination is necessary when both eyes are missing.

(ii) Where an initial eye examination or re-examination is necessary, the physician or optometrist conducting such examination will submit to the State agency a report thereof, on such forms and in such manner, as may be prescribed for such purpose. A determination whether the individual meets the State's definition of blindness under the State plan will be based upon a review of such eye examination report as provided for in paragraph (a)(3) of this section, and other information or additional examination reports as the State deems necessary.

(3) Provide that each initial eye examination report and any subsequent re-examination report will be reviewed by a State reviewing physician skilled in the diseases of the eye (e.g., an ophthalmologist or an eye, ear, nose and throat specialist). Such physician is responsible for making the agency's decision that the applicant or recipient does or does not meet the State's definition of blindness, and for determining if and when reexaminations are necessary in periodic reviews of eligibility, as required in §206.10(a)(9)(iii) of this chapter.

(b) Federal financial participation—(1) Assistance payments. Federal financial participation is available in assistance provided to or in behalf of any otherwise eligible person who is blind under the State's title X or XVI plan. Blindness may be considered as continuing until a determination by the reviewing physician establishes the fact that the
recipient's vision has improved beyond the State's definition of blindness set forth under its State title of X or XVI plan.

(2) Administrative expenses. Federal financial participation is available in any expenditures incidental to the eye examination necessary to determine whether an individual is blind.

§ 233.80 Disability.

(a) State plan requirements. A State plan under title XIV or XVI of the Social Security Act must:

(1) Contain a definition of permanently and totally disabled, showing that:

(i) “Permanently” is related to the duration of the impairment or combination of impairments; and

(ii) “Totally” is related to the degree of disability.

The following definition is recommended: “Permanently and totally disabled” means that the individual has some permanent physical or mental impairment, disease, or loss, or combination thereof, this substantially precludes him from engaging in useful occupations within his competence, such as holding a job.

Under this definition:

“Permanently” refers to a condition which is not likely to improve or which will continue throughout the lifetime of the individual; it may be a condition which is not likely to respond to any known therapeutic procedures, or a condition which is likely to remain static or to become worse unless certain therapeutic measures are carried out, where treatment is unavailable, inadvisable, or is refused by the individual on a reasonable basis; “permanently” does not rule out the possibility of vocational rehabilitation or even possible recovery in light of future medical advances or changed prognosis; in this sense the term refers to a condition which continues indefinitely, as distinct from one which is temporary or transient.

“Totally” involves considerations in addition to those verified through the medical findings, such as age, training, skills, and work experience, and the probable functioning of the individual in his particular situation in light of his impairment; an individual’s disability would usually be tested in relation to ability to engage in remunerative employment; the ability to keep house or to care for others would be the appropriate test for (and only for) individuals, such as housewives, who were engaged in this occupation prior to the disability and do not have a history of gainful employment; eligibility may continue, even after a period of rehabilitation and readjustment, if the individual’s work capacity is still very considerably limited (in comparison with that of a normal person) in terms of such factors as the speed with which he can work, the amount he can produce in a given period of time, and the number of hours he is able to work.

(2) Provide for the review of each medical report and social history by technically competent persons—not less than a physician and a social worker qualified by professional training and pertinent experience—acting cooperatively, who are responsible for the agency’s decision that the applicant does or does not meet the State’s definition of permanent and total disability. Under this requirement:

(i) The medical report must include a substantiated diagnosis, based either on existing medical evidence or upon current medical examination;

(ii) The social history must contain sufficient information to make it possible to relate the medical findings to the activities of the “useful occupation” and to determine whether the individual is totally disabled, and

(iii) The review physician is responsible for setting dates for reexamination; the review team is responsible for reviewing reexamination reports in conjunction with the social data to determine whether disabled recipients whose health condition may improve continue to meet the State’s definition of permanent and total disability.

(3) Provide for cooperative arrangements with related programs, such as vocational rehabilitation services.

(b) Federal financial participation—(1) Assistance payments. Federal financial participation is available in payments to or in behalf of any otherwise eligible individual who is permanently and totally disabled. Permanent and total disability may be considered as continuing until the review team establishes the fact that the recipient’s disability is no longer within the State’s definition of permanent and total disability.

(2) Administrative expenses. Federal financial participation is available in
any expenditures incident to the medical examinations necessary to determine whether an individual is permanently and totally disabled.

§ 233.90 Factors specific to AFDC.

(a) State plan requirements. A State plan under title IV-A of the Social Security Act shall provide that:

(1) The determination whether a child has been deprived of parental support or care by reason of the death, continued absence from the home, or physical or mental incapacity of a parent, or (if the State plan includes such cases) the unemployment of his or her parent who is the principal earner will be made only in relation to the child's natural or adoptive parent, or in relation to the child's stepparent who is married, under State law, to the child's natural or adoptive parent and is legally obligated to support the child under State law of general applicability which requires stepparents to support stepchildren to the same extent that natural or adoptive parents are required to support their children. Under this requirement, the inclusion in the family, or the presence in the home, of a "substitute parent" or "man-in-the-house" or any individual other than one described in this paragraph is not an acceptable basis for a finding of ineligibility or for assuming the availability of income by the State; and

(2) Where it has reason to believe that a child receiving aid is in an unsuitable environment because of known or suspected instances of physical or mental injury, sexual abuse or exploitation, or negligent treatment or maltreatment of such child, under circumstances which indicate the child's health or welfare is threatened, the State or local agency will:

(i) Bring such condition to the attention of a court, law-enforcement agency, or other appropriate agency in the State, providing whatever data it has with respect to the situation;

(ii) In reporting such conditions, use the same criteria as are used in the State for all other parents and children; and

(iii) Cooperate with the court or other agency in planning and implementing action in the best interest of the child.

(b) Conditions for plan approval. (1) A child may not be denied AFDC either initially or subsequently "because of the conditions of the home in which the child resides", or because the home is considered "unsuitable", unless "provision is otherwise made pursuant to a State statute for adequate care and assistance with respect to such child". (Section 404(b) of the Social Security Act.)

(2) An otherwise eligible child who is under the age of 18 years may not be denied AFDC, regardless of whether she attends school (unless she is required to participate in the JOBS program pursuant to §250.30 and she is assigned to educational activities) or makes satisfactory grades.

(3) A state may elect to include in its AFDC program children age 18 who are full-time students in a secondary school, or in the equivalent level of vocational or technical training, and who may reasonably be expected to complete the program before reaching age 19.

(4)(i) A child may not be denied AFDC either initially or subsequently because a parent or other caretaker relative fails to cooperate with the child support agency in performing any of the activities needed to:

(A) Establish the paternity of a child born out of wedlock; or

(B) Obtain support from a person having a legal duty to support the child.

(ii) Any parent or caretaker relative who fails to so cooperate shall be treated in accordance with §232.12 of this chapter.

(5) [Reserved]

(6) An otherwise eligible child may not be denied AFDC if a parent is mentally or physically incapacitated as defined in paragraph (c)(1)(iv) of this section.

(c) Federal financial participation. (1) Federal financial participation under title IV-A of the Social Security Act in payments with respect to a "dependent child," as defined in section 406(a) of the Act, is available within the following interpretations:

(i) Needy child deprived by reason of. The phrase "needy child deprived
by reason of'' requires that both need and deprivation of parental support or care exist in the individual case. The phrase encompasses the situation of any child who is in need and otherwise eligible, and whose parent—father or mother—either has died, has a physical or mental incapacity, or is continually absent from the home. This interpretation is equally applicable whether the parent was the chief bread winner or devoted himself or herself primarily to the care of the child, and whether or not the parents were married to each other. The determination whether a child has been deprived of parental support or care is made in relation to the child's natural parent or, as appropriate, the adoptive parent or stepparent described in paragraph (a) of this section.

(ii) Death of a parent. If either parent of a child is deceased, the child is deprived of parental support or care, and may, if he is in need and otherwise eligible, be included within the scope of the program.

(iii) Continued absence of the parent from the home. Continued absence of the parent from the home constitutes the reason for deprivation of parental support or care when the parent is out of the home, the nature of the absence is such as either to interrupt or to terminate the parent's functioning as a provider of maintenance, physical care, or guidance for the child, and the known or indefinite duration of the absence precludes counting on the parent's performance of the function of planning for the present support or care of the child. If these conditions exist, the parent may be absent for any reason, and may have left only recently or some time previously; except that a parent whose absence is occasioned solely by reason of the performance of active duty in the uniformed services of the United States (as defined in section 101(3) of Title 37, United States code) is not considered absent from the home. A parent who is a convicted offender but is permitted to live at home while serving a court-imposed sentence by performing unpaid public work or unpaid community service during the workday is considered absent from the home.

(iv) "Physical or mental incapacity''. "Physical or mental incapacity'' of a parent shall be deemed to exist when one parent has a physical or mental defect, illness, or impairment. The incapacity shall be supported by competent medical testimony and must be of such a debilitating nature as to reduce substantially or eliminate the parent's ability to support or care for the otherwise eligible child and be expected to last for a period of at least 30 days. In making the determination of ability to support, the agency shall take into account the limited employment opportunities of handicapped individuals.

A finding of eligibility for OASDI or SSI benefits, based on disability or blindness is acceptable proof of incapacity for AFDC purposes.

(v) "Living with [a specified relative] in a place of residence maintained * * * as his * * * own home''. (A) A child may be considered to meet the requirement of living with one of the relatives specified in the Act if his home is with a parent or a person in one of the following groups:

(1) Any blood relative, including those of half-blood, and including first cousins, nephews, or nieces, and persons of preceding generations as denoted by prefixes of grand, great, or great-great.

(2) Stepfather, stepmother, stepbrother, and stepsister.

(3) Person who legally adopt a child or his parent as well as the natural and other legally adopted children of such persons, and other relatives of the adoptive parents in accordance with State law.

(4) Spouses of any persons named in the above groups even after the marriage is terminated by death or divorce.

(B) A home is the family setting maintained or in process of being established, as evidenced by assumption and continuation of responsibility for day to day care of the child by the relative with whom the child is living. A home exists so long as the relative exercises responsibility for the care and control of the child, even though either the child or the relative is temporarily absent from the customary family setting. Within this interpretation, the
Office of Family Assistance, ACF, HHS

§ 233.100 Dependent children of unemployed parents.

(a) Requirements for State Plans. If a State wishes to provide AFDC for children of unemployed parents, the State plan under title IV-A of the Social Security Act must:

(1) Include a definition of an unemployed parent who is the principal earner which shall apply only to families determined to be needy in accordance with the provisions in §233.20. Such definition must include any such parent who:

(i) Is employed less than 100 hours a month; or

(ii) Exceeds that standard for a particular month, if the work is intermittent and the excess is of a temporary nature as evidenced by the fact that he or she was under the 100-hour standard for the prior 2 months and is expected to be under the standard during the next month; except that at the option of the State, such definition need not include a principal earner who is unemployed because of participation in a labor dispute (other than a strike) or by reason of conduct or circumstances which result or would result in disqualification for unemployment compensation under the State’s unemployment compensation law.

(2) Include a definition of a dependent child which shall include any child of an unemployed parent (as defined by the State pursuant to paragraph (a)(1) of this section) who would be, except for the fact that his parent is not dead, absent from the home, or incapacitated, a dependent child under the

Federal financial participation is available in:

(i) Payments made for the entire month in the course of which a child leaves the home of a specified relative, provided payments are not made for a concurrent period for the same child in the home of another relative or as foster care under title IV-E; and

(ii) Payments made to persons acting for relatives specified in section 406(a)(1) of the Act in emergency situations that deprive the child of the care of the relative through whom he has been receiving aid, for a temporary period necessary to make and carry out plans for the child’s continuing care and support.

(iv) At State option, (A) payments with respect to a pregnant woman with no other children receiving assistance, and additionally, at State option, (B) payments for the purpose of meeting special needs occasioned by or resulting from pregnancy both for the pregnant woman receiving AFDC. However, for both paragraphs (c)(2)(iv) (A) and (B) of this section it must be medically verified that the child is expected to be born in the month such payments are made or within the three-month period following such month of payment, and who, if such child had been born and was living with her in the month of payment, would be eligible for aid to families with dependent children. Federal financial participation is not available to meet the needs of the unborn child. Refer to Medicaid regulations at 42 CFR 435.115 for Medicaid coverage of pregnant women.)

(3) Federal financial participation (at the 50 percent rate) is available in any expenses incurred in establishing eligibility for AFDC, including expenses incident to obtaining necessary information to determine the existence of incapacity of a parent or pregnancy of a mother.

State's plan approved under section 402 of the Act.

(3) Provide for payment of aid with respect to any dependent child (as defined by the State pursuant to paragraphs (a)(2) of this section) when the conditions set forth in paragraphs (a)(3)(i), (ii), (iii), and (vii) of this section are met:

(i) His or her parent who is the principal earner has been unemployed for at least 30 days prior to the receipt of such aid.

(ii) Such parent has not without good cause, within such 30-day period prior to the receipt of such aid, refused a bona fide offer of employment or training for employment. Before it is determined that such parent has refused a bona fide offer of employment or training for employment without good cause, the agency must make a determination that such an offer was actually made. (In the case of offers of employment made through the public employment or manpower agencies, the determination as to whether the offer was bona fide, or whether there was good cause to refuse it, will be made by that office or agency.) The parent must be given an opportunity to explain why such offer was not accepted. Questions with respect to the following factors must be resolved:

(a) That there was a definite offer of employment at wages meeting any applicable minimum wage requirements and which are customary for such work in the community;

(b) Any questions as to the parent's inability to engage in such employment for physical reasons or because he has no way to get to or from the particular job; and

(c) Any questions of working conditions, such as risks to health, safety, or lack of worker's compensation protection.

(iii) Such parent (a) has six or more quarters of work (as defined in paragraph (a)(3)(iv) of this section), within any 13-calendar-quarter period ending within 1 year prior to the application for such aid, or (b) within such 1-year period, received unemployment compensation under an unemployment compensation law of a State or of the United States, or was qualified under the terms of paragraph (a)(3)(v) of this section) for such compensation under the State's unemployment compensation law.

(iv) A “quarter of work” with respect to any individual means a period (of 3 consecutive calendar months ending on March 31, June 30, September 30, or December 31) in which he or she received earned income of not less than $50 (or which is a “quarter of coverage” as defined in section 213(a)(2) of the Act), or in which he or she participated in a community work experience program under section 409 of the Act or the work incentive program established under title IV-C of the Act.

(v) An individual shall be deemed “qualified” for unemployment compensation under the State's unemployment compensation law if he would have been eligible to receive such benefits upon filing application, or he performed work not covered by such law which, if it had been covered, would (together with any covered work he performed) have made him eligible to receive such benefits upon filing application.

(vi)(A) The “parent who is the principal earner” means, in the case of any child, whichever parent, in a home in which both parents of such child are living, earned the greater amount of income in the 24-month period the last month of which immediately precedes the month in which an application is filed for aid under this part on the basis of the unemployment of a parent. If the State cannot secure primary evidence of earnings for this period, the State shall designate the principal earner, using the best evidence available. The earnings of each parent are considered in determining the principal earner regardless of when their relationship began. The principal earner so defined remains the principal earner for each consecutive month for which the family receives such aid on the basis of such application. This requirement applies to both new applicants and current AFDC unemployed parent families who were eligible and receiving aid prior to October 1, 1981.

(B) If both parents earned an identical amount of income (or earned no income) in such 24-month period, the State shall designate which parent shall be the principal earner.
(vii) The parent who is the principal earner (unless exempt under §240.14) has met the requirements for participation in an employment search program under part 240 of this chapter.

(4) Provide for entering into cooperative arrangements with the State agency responsible for administering or supervising the administration of vocational education to assure maximum utilization of available public vocational education services and facilities in the State to encourage the retraining of individuals capable of being retrained.

(5) Provide for the denial of such aid to any such dependent child or the relative specified in section 406(a)(1) of the Act with whom such child is living,

(i) If and for so long as such child's parent, unless exempt under §224.20, is not currently registered for the work incentive program or if exempt under §224.20(b)(6), is not currently registered with a public employment office in the State, except that in a State with an approved JOBS plan under §250.20, such child's parent, unless exempt under §250.30(b), must be currently participating (or available for participation) in a program under part 250, or, if he is exempt under §250.30(b)(5), must be registered with a public employment office in the State, and

(ii) With respect to any week for which such child's parent qualifies for unemployment compensation under an unemployment compensation law of the State or of the United States, or was qualified (under the terms of paragraph (a)(3)(v) of this section) for such compensation under the State's unemployment compensation law; and

(iii) If the parent who is the principal earner (unless exempt under §240.14) fails to meet the requirements for participation in a program of employment search established under part 240 of this chapter.

(6) Provide that within 30 days after the receipt of such aid, unemployed principal earners will be certified for participation in the work incentive program under part 224 or, if the State IV-A agency has an approved JOBS plan pursuant to §250.20, will participate or apply for participation in a program under part 250 unless the program is not available in the area where the parent is living.

(b) [Reserved]

(c) Federal financial participation. (1) Federal financial participation is available in payments authorized in accordance with the State plan approved under section 402 of the Act as aid to families with dependent children with respect to a child.

(i) Who meets the requirements of section 406(a)(2) of the Act;

(ii) Who is living with any of the relatives specified in section 406(a)(1) of the Act in a place of residence maintained by one or more of such relatives as his (or their) own home;

(iii) Who has been deprived of parental support or care by reason of the fact that his or her parent who is the principal earner is employed less than 100 hours a month; or exceeds that standard for a particular month if his or her work is intermittent and the excess is of a temporary nature as evidenced by the fact that he or she was under the 100-hour standard for 2 prior months and is expected to be under the standard during the next month.

(iv) Whose parent who is the principal earner (a) has six or more quarters of work (as defined in paragraph (a)(3)(iv) of this section) within any 13-calendar-quarter period ending within 1 year prior to the application for such aid, (b) within such 1-year period, received unemployment compensation under an unemployment compensation law of a State or of the United States, or was qualified (under the terms of paragraph (a)(3)(v) of this section) for such compensation under the State's unemployment compensation law; and

(v) Whose parent who is the principal earner (a) is currently registered with the WIN program unless exempt or is registered with the public employment office in the State if exempt from WIN registration under §224.20(b)(6) or because there is no WIN program in which he can effectively participate; and (b) has not refused to apply for or accept unemployment compensation with respect to any week for which such child's parent qualifies for unemployment compensation under an unemployment compensation law of a State or of the United States.

(2) The State may not include in its claim for Federal financial participation payments made as aid under the plan with respect to a child who meets
§ 233.101 Dependent children of unemployed parents.

(a) Requirements for State Plans. Effective October 1, 1990 (for Puerto Rico, American Samoa, Guam, and the Virgin Islands, October 1, 1992), a State plan must provide for payment of AFDC for children of unemployed parents. A State plan under title IV—A for payment of such aid must:

(1) Include a definition of an unemployed parent who is the principal earner which shall apply only to families determined to be needy in accordance with the provisions in §233.20 of this part. Such definition must have a reasonable standard for measuring unemployment and, at a minimum, include any such parent who:

   (i) Is employed less than 100 hours a month; or

   (ii) Exceeds that standard for a particular month, if the work is intermittent and the excess is of a temporary nature as evidenced by the fact that he or she was under the 100-hour standard for the prior 2 months and is expected to be under the standard during the next month; except that at the option of the State, such definition need not include a principal earner who is unemployed because of participation in a labor dispute (other than a strike) or by reason of conduct or circumstances which result or would result in disqualification for unemployment compensation under the State’s unemployment compensation law.

(2) Include a definition of a dependent child which shall include any child of an unemployed parent (as defined by the State pursuant to paragraph (a)(1) of this section) who would be, except for the fact that his parent is not dead, absent from the home, or incapacitated, a dependent child under the State’s plan approved under section 402 of the Act.

(3) Provide for payment of aid with respect to any dependent child (as defined by the State pursuant to paragraph (a)(2) of this section) when the conditions set forth in paragraphs (a)(3)(i), (a)(3)(ii), and (a)(3)(iii) of this section are met.

   (i) His or her parent who is the principal earner has been unemployed for at least 30 days prior to the receipt of such aid;

   (ii) Such parent has not without good cause, within such 30-day period prior to the receipt of such aid, refused a bona fide offer of employment or training for employment. Before it is determined that such parent has refused a bona fide offer of employment or training for employment without good cause, the agency must make a determination that such offer was actually made. (In the case of offers of employment made through the public employment or manpower agencies, the determination as to whether the offer was bona fide, or whether there was good
cause to refuse it, shall be made by the title IV-A agency. The IV-A agency may accept the recommendations of such agencies. The parent must be given an opportunity to explain why such offer was not accepted. Questions with respect to the following factors must be resolved:

(A) That there was a definite offer of employment at wages meeting any applicable minimum wage requirements and which are customary for such work in the community;

(B) Any questions as to the parent's inability to engage in such employment for physical reasons or because he has no way to get to or from the particular job; and

(C) Any questions of working conditions, such as risks to health, safety, or lack of worker's compensation protection.

(iii) Such parent:

(A) Has six or more quarters of work (as defined in paragraph (a)(3)(iv) of this section), within any 13-calendar-quarter period ending within one year prior to the application for such aid, or

(B) Within such 1-year period, received unemployment compensation under an unemployment compensation law of a State or of the United States, or was qualified under the terms of paragraph (a)(3)(v) of this section for such compensation under the State's unemployment compensation law.

(C) Any questions as to the parent's inability to engage in such employment for physical reasons or because he has no way to get to or from the particular job; and

(vi)(A) The "parent who is the principal earner" means, in the case of any child, whichever parent, in a home in which both parents of such child are living, earned the greater amount of income in the 24-month period the last month of which immediately precedes the month in which an application is filed for aid under this part on the basis of the unemployment of a parent. If the State cannot secure primary evidence of earnings for this period, the State shall designate the principal earner, using the best evidence available. The earnings of each parent are considered in determining the principal earner regardless of when their relationship began. The principal earner so defined remains the principal earner for each consecutive month for which the family receives such aid on the basis of such application. This requirement applies to both new applicants and current AFDC unemployed parent families who were eligible and receiving aid prior to October 1, 1981.

(B) If both parents earned an identical amount of income (or earned no income) in such 24-month period, the State shall designate which parent shall be the principal earner.

may qualify for no more than four quarters of work under this paragraph for purposes of the requirement set forth in paragraph (a)(3)(iii)(A) of this section; and

(C) A calendar quarter ending before October 1990 in which an individual participated in CWEP under section 409 of the Social Security Act or the WIN program established under title IV-C of the Social Security Act (as in effect for a State immediately before the effective date of that State's JOBS program).

(v) An individual shall be deemed "qualified" for unemployment compensation under the State's unemployment compensation law if he or she would have been eligible to receive such benefits upon filing an application, or he performed work not covered by such law, which, if it had been covered, would (together with any covered work he performed) have made him eligible to receive such benefits upon filing an application.

(vi)(A) The "parent who is the principal earner" means, in the case of any child, whichever parent, in a home in which both parents of such child are living, earned the greater amount of income in the 24-month period the last month of which immediately precedes the month in which an application is filed for aid under this part on the basis of the unemployment of a parent. If the State cannot secure primary evidence of earnings for this period, the State shall designate the principal earner, using the best evidence available. The earnings of each parent are considered in determining the principal earner regardless of when their relationship began. The principal earner so defined remains the principal earner for each consecutive month for which the family receives such aid on the basis of such application. This requirement applies to both new applicants and current AFDC unemployed parent families who were eligible and receiving aid prior to October 1, 1981.

(B) If both parents earned an identical amount of income (or earned no income) in such 24-month period, the State shall designate which parent shall be the principal earner.
(4) Provide for entering into cooperative arrangements with the State agency responsible for administering or supervising the administration of vocational education services and facilities in the State to encourage the retraining of individuals capable of being retrained.

(5) Provide that the needs of the child’s parent(s) shall not be taken into account in determining the needs and amount of assistance of the child’s family:
   (i) If and for so long as such child’s parent(s), unless exempt under §250.30(b) of this chapter, is not currently participating (or available for participation) in a program under part 250 of this chapter or, if they are exempt under §250.30(b)(5) of this chapter (or because a J OBS program has not been established in the subdivision where they reside or they reside in a J OBS subdivision but there is no appropriate J OBS activity in which they can participate), are not registered with a public employment office in the State, and
   (ii) With respect to any week for which such child’s parent qualifies for unemployment compensation under an unemployment compensation law of the State or of the United States but refuses to apply for or accept such unemployment compensation.

(6) Provide that medical assistance will be furnished under the State’s approved plan under title XIX during any month in which an otherwise eligible individual is denied assistance solely by reason of the time limitation provided under paragraph (b)(3) of this section.

(b) State Plan Options. A State plan under title IV-A may:

(1) Require the principal earner or both parents to participate in an activity in the J OBS program under part 250 of this chapter, subject to the limitations and conditions of part 250 of this chapter, provided that the participation of each parent in all required activities under the J OBS program does not exceed 40 hours per week, per parent.

(2) Provide cash assistance after the performance of assigned program activities by parents required to participate in an activity in the J OBS program under part 250 of this chapter (as provided in paragraph (b)(1) of this section) so long as the State:
   (i) Makes assistance payments at regular intervals at least monthly,
   (ii) Prescribes a set of criteria which defines goals or standards for each assigned activity in the J OBS program which must be completed by the participant prior to payment, and
   (iii) Prior to, or concurrent with, assignment to an activity, notifies the participant of the prescribed goals or standards and that payment for a period will be withheld unless performance of each assigned activity for that period is completed.

(3) Provide for a State to operate a payment after performance system under which a family is issued an assistance payment after the applicable family member has successfully completed her obligation to participate in J OBS for a specific period. If the applicable family member fails without good cause to satisfy the obligation, the State may:
   (i) Impose a sanction in accordance with the J OBS program rules at §§250.34, 250.35 and 250.36 of this chapter;
   (ii) Reduce the family’s assistance payment to which the specific period applies by the amount of the payment attributable to the family member for that period or do not make the payment to the family; or
   (iii) Reduce the family’s assistance payment to which the specific period applies (or the amount of the payment attributable to the family member for that period) in proportion to the number of required hours that were not completed.

For States that elect to implement paragraphs (b)(3) (ii) or (iii) of this section, the fair hearing requirements set forth at §205.10(a)(4)(i)(K) of this chapter apply.

(4) Limit the number of months that a family may receive AFDC-UP under this section when the following conditions are met:
   (i) The State did not have on September 26, 1988, an approved AFDC-UP program under section 407 of the Social Security Act.
(ii) The family received such aid (on the basis of the unemployment of the parent who is the principal earner) in at least 6 of the preceding 12 months.

(iii) The State has in effect a program (described in the plan) for providing education, training, and employment services to assist parents in preparing for and obtaining employment throughout the year. Such a program may include education, training and employment activities under the JOBS program which are provided in part 250 of this chapter or under a State-designed program which provides:

(A) Education and instruction for individuals who have not graduated from a secondary school or obtained an equivalent degree,

(B) Training whereby an individual acquires market-oriented skills necessary for self-support, and

(C) Employment services which seek to place individuals in jobs.

(iv) The State must guarantee child care necessary for an individual to participate in an approved, State-designed, non-JOBS program. The regulations at part 255 of this chapter apply to such care.

(v) The State has the option of providing necessary supportive services associated with an individual’s participation in a State-designed, non-JOBS program. Federal financial participation is available under sections 403 (k) and (l) of the Social Security Act. The regulations at part 255 of this chapter apply to such supportive services.

(vi) The State must inform an AFDC-UP family at the time of application that AFDC-UP cash assistance will terminate due to a time limitation, that any family with a child who is (or becomes) deprived due to the death, continued absence, or incapacity of a parent may receive cash assistance under the AFDC program during the time limitation for AFDC-UP, and that a program of training, education, and employment services is available to prepare the family to become self-supporting.

(vii) Prior to termination due to a time limitation, the State must notify an AFDC-UP recipient family of the earliest month that it may receive AFDC-UP cash assistance again. This notification may be included in the notice of proposed action which is required pursuant to §205.10(a)(4) of this chapter. To receive assistance again, the family must make a new application.

(viii) In establishing eligibility upon re-application following months of nonpayment due to the time limitation, an otherwise eligible family that does not receive aid in a month solely by reason of the option to limit assistance under this paragraph shall be deemed, for purposes of determining the period under paragraph (a)(3)(iii)(A) of this section, to be receiving AFDC-UP cash assistance in that month. This provision also applies if, at the time of the family’s original application for assistance, eligibility was established based on the provisions of paragraph (a)(3)(iii)(B) of this section, but eligibility could have been established based on the provisions of paragraph (a)(3)(iii)(A) of this section.

(c) Federal Financial Participation. (1) Federal financial participation is available for payments authorized in accordance with the State plan approved under section 402 of the Act as aid to families with dependent children with respect to a child:

(i) Who meets the requirements of section 406(a)(2) of the Act;

(ii) Who is living with any of the relatives specified in section 406(a)(1) of the Act in a place of residence maintained by one or more of such relatives as his (or their) own home;

(iii) Who has been deprived of parental support or care by reason of the fact that his or her parent who is the principal earner is employed less than 100 hours a month; or exceeds that standard for a particular month if his or her work is intermittent and the excess is of a temporary nature as evidenced by the fact that he or she was under the 100-hour standard for 2 prior months and is expected to be under the standard during the next month;

(iv) Whose parent who is the principal earner:

(A) Has six or more quarters of work (as defined in paragraph (a)(3)(iv) of this section) within any 13-calendar-quarter period ending within 1 year prior to the application for such aid,

(B) Within such 1-year period, received unemployment compensation
§ 233.106 Denial of AFDC benefits to strikers.

(a) Condition for plan approval. A State plan under title IV–A of the Social Security Act must:

(1) Provide that participation in a strike shall not constitute good cause to leave, or to refuse to seek or accept, employment.

(2)(i) Provide for the denial of AFDC benefits to any family for any month in which any caretaker relative with whom the child is living is, on the last day of such month, participating in a strike; and

(ii) Provide that no individual’s needs shall be included in determining the amount of aid payable for any month to a family under the plan if, on the last day of such month, such individual is participating in a strike.

(b) Definitions. (1) The State must define “strike” by using the National Labor Relations Board definition (29 U.S.C. 142(2)) or another definition of the term that is currently in State law.

(2) The State must define the term “participating in a strike.”

(3) For purposes of paragraph (a)(2)(i) of this section, “caretaker relative” means any natural or adoptive parent.

§ 233.107 Restriction in payment to households headed by a minor parent.

(a) State plan requirements. A State in its title IV–A State plan may provide that a minor parent and the dependent child in his or her care must reside in the household of a parent, legal guardian, or other adult relative, or in an

under an unemployment compensation law of a State or of the United States, or was qualified (under the terms of paragraph (a)(3)(v) of this section) for such compensation under the State’s unemployment compensation law; and

(v) Whose parent who is the principal earner:

(A) Is currently participating in or available to participate in an activity in the JOBS program under part 250 of this chapter, unless exempt, or is registered with the public employment office in the State if exempt from the JOBS program under §250.30(b)(5) of this chapter; and

(B) Has not refused to apply for or accept unemployment compensation with respect to any week for which such child’s parent qualifies for unemployment compensation under an unemployment compensation law of the State or of the United States.

(2) The State may not include in its claim for Federal financial participation payments made as aid under the plan with respect to a child who meets the conditions set forth in paragraph (c)(1) of this section, where such payments were made:

(i) For any part of the 30-day period specified in paragraph (a)(3)(i) of this section;

(ii) For such 30-day period if during that period the parent refused without good cause a bona fide offer of employment or training for employment;

(iii) For any period beginning with the 31st day after the receipt of aid, if and for as long as no action is taken during the period to undertake appropriate steps directed toward the participation of the parent who is the principal earner in a program under part 250 of this chapter;

(iv) To the extent that such payments are made to meet the need of an individual who is subject to a sanction imposed, under part 250 of this chapter (for failure to meet the requirements for participation in the JOBS program).

(3) Federal financial participation is available for child care and supportive services expenditures associated with participation in an approved State-designed program (as provided in paragraph (b)(3)(iii) of this section) under titles IV–A and IV–F of the Act respectively. However, Federal financial participation is not available for any other costs, program or administrative, associated with State-designed programs.

(d) For all States (other than Puerto Rico, American Samoa, Guam, and the Virgin Islands) the provisions of this section are in effect through September 30, 1998. For Puerto Rico, American Samoa, Guam, and the Virgin Islands, the provisions of this section are in effect from October 1, 1992, through September 30, 1998.

§ 233.145

adult-supervised supportive living arrangement in order to receive, AFDC unless:

(1) The minor parent has no living parent or legal guardian whose whereabouts is known;
(2) No living parent or legal guardian of the minor parent allows the minor parent to live in his or her home;
(3) The minor parent lived apart from his or her own parent or legal guardian for a period of at least one year before either the birth of the dependent child or the parent's having made application for AFDC;
(4) The physical or emotional health or safety of the minor parent or dependent child would be jeopardized if they resided in the same residence with the minor parent's parent or legal guardian;
(5) There is otherwise good cause for the minor parent and dependent child to receive assistance while living apart from the minor parent's parent, legal guardian, or other adult relative, or an adult-supervised supportive living arrangement.

(b) Allegations. If a minor parent makes allegations supporting the conclusion that paragraph (a)(4) of this section applies, the State agency shall determine whether it is justified.

(c) Good Cause. The circumstances justifying a determination of good cause must be set forth in the State plan.

(d) Protective Payments. When a minor parent and his or her dependent child are required to live with the minor parent's parent, legal guardian, or other adult relative, or in an adult-supervised supportive living arrangement, then AFDC is paid (where possible) in the form of a protective payment.

(e) Definitions: For purposes of this section:

(1) A minor parent is an individual who (i) is under the age of 18, (ii) has never been married, and (iii) is either the natural parent of a dependent child living in the same household or eligible for assistance paid under the State plan to a pregnant woman as provided in §233.90(c)(1)(iv) of this part.

(2) A household of a parent, legal guardian, or other adult relatives means the place of residence of (i) a natural or adoptive parent or a stepparent, or (ii) a legal guardian as defined by the State, or (iii) another individual who is age 18 or over and related to the minor parent and child as provided in §233.90(c)(1)(v)(B) of this part.

(3) An adult-supervised supportive living arrangement means a private family setting or other living arrangement (not including a public institution), which, as determined by the State, is maintained as a family setting, as evidenced by the assumption of responsibility for the care and control of the minor parent and dependent child or the provision of supportive services, such as counseling, guidance, or supervision. For example, foster homes and maternity homes are “adult-supervised supportive living arrangements.”

(f) Notice Requirements. Minor applicants shall be informed about the eligibility requirements and their rights and obligations consistent with the provisions at §206.10(a)(2)(i). For example, a State may wish to: (1) Advise the minor of the possible exemptions and specifically ask whether one or more of these exemptions is applicable; and (2) assist the minor in attaining the necessary verifications if one or more of these exemptions is alleged.

§ 233.110 Foster care maintenance and adoption assistance.

(a) State plan requirements. A State plan under title IV-A of the Social Security Act must provide that the State has in effect a plan approved under part E, title IV of the Social Security Act, and operates a foster care maintenance and adoption assistance program in conformity with such a plan.

(a) Under the provisions of section 121(b) of Pub. L. 89-97, enacted July 30, 1965, no payment may be made to any State under title I, IV-A, X, XIV or XVI of the Social Security Act for aid or assistance in the form of medical or

any other type of remedial care for any period after December 31, 1969. However, these provisions do not affect the availability of Federal financial participation in the cost of medical or remedial care furnished under title IV-A of the Act (pursuant to sections 403(a)(5) and 406(e)) of the Act, as emergency assistance to needy families with children (see §233.120 of this part), subject to the provisions of paragraph (c)¹ of this section. Federal financial participation in vendor payments for medical care and services is not otherwise available except under title XIX of the Act.

(1) In the case of any State which on January 1, 1972, had in effect a State plan approved under title XIX of the Social Security Act, section 1121 of the Act authorizing payments under title I, X, XIV, or XVI of the Act for assistance in the form of institutional services in intermediate care facilities is rescinded; and

(2) In the case of any State which on January 1, 1972, did not have in effect a State plan approved under title XIX of the Act, Federal financial participation is available in assistance in the form of institutional services in intermediate care facilities pursuant to section 1121 of the Act and under the provisions of §234.130 of this chapter until the first day of the first month after January 1, 1972, that the State has in effect a State plan approved under title XIX.

(c)(1) Under the provisions of section 2402 of Pub. L. 92–603, enacted October 30, 1972, Federal matching is not available for any portion of any payment by any State under titles I, IV–A, X, XIV, or XVI of the Social Security Act for or on account of any medical or any other type of remedial care provided by an institution to any individual as an inpatient thereof, in the case of any State which has a plan approved under title XIX of such Act, if such care is (or could be provided, under a State plan approved under title XIX of such Act, by an institution certified under such title XIX. The effective date of this proposed provision will be the date of publication of the final regulation in the Federal Register.

(2) For purposes of this paragraph,

(i) An institution (see §233.60(b)(1) of this chapter) is considered to provide medical or remedial care if it provides any care or service beyond room and board because of the physical or mental condition (or both) of its inpatients;

(ii) An inpatient is an individual who is living in an institution which provides medical or remedial care and who is receiving care or service beyond room and board because of his physical or mental condition (or both);

(iii) Federal financial participation is not available for any portion of the payment for care of an inpatient. It is immaterial whether such payment is made as a vendor payment or as a money payment or other cash assistance payment. It is also immaterial whether the payment is divided into components, such as separate amounts or payments for room and board, and for care or services beyond room and board, or whether the payment is considered to meet “basic” needs or “special” needs. If, however, a money payment (or protective payment) is made to an individual who is living in an institution, and such payment does not exceed a reasonable rate for room, board and laundry for individuals not living in their own homes, and no additional payment is made for such individual’s care in the institution, Federal financial participation is available in the money payment (or protective payment) since the individual may spend the funds at his discretion and obtain room and board at the place of his choice.

(iv) Federal financial participation is available in cash assistance payments to meet the needs of an inpatient for specific medical services, such as dental care or prescription drugs, which generally are not delivered in an institutional setting and in fact are not provided by the institution to the inpatient, provided that such services are

§ 234.11 Assistance in the form of money payments.

(a) Federal financial participation is available in money payments made under a State plan under title I, IV-A, X, XIV, or XVI of the Social Security Act to eligible families and individuals. Money payments are payments in cash, checks, or warrants immediately redeemable at par, made to the grantee or his legal representative with no restrictions imposed by the agency on the use of funds by the individual.

§ 234.60 Protective, vendor and two-party payments for dependent children.

(a) State plan requirements. (1) If a State plan for AFDC under title IV-A of the Social Security Act provides for protective, vendor and two-party payments for cases other than failure to participate in the Job Opportunities and Basic Skills Training (JOBS) Program under §250.34(d), or failure by the caretaker relative to meet the eligibility requirements of §232.11, 232.12, or 232.13 of this chapter. It must meet the requirements in paragraphs (a) (2) through (11) of this section. In addition, the plan may provide for protective, vendor, and two-party payments at the request of recipients as provided in paragraph (a)(14) of this section.

(b) Methods will be in effect to identify children whose relatives have demonstrated an inability to manage funds that payments to the relative have not been or are not currently used in the best interest of the child. This means that the relative has misused funds to such an extent that allowing him or her to manage the AFDC grant is a threat to the health or safety of the child.

(ii) States will establish criteria to determine if mismanagement exists. Under this provision, States may elect to use as one criterion a presumption of mismanagement based on a recipient’s nonpayment of rent.

(iii) Under State agency procedures, the recipient shall be notified whenever a creditor requests a protective, vendor, or two-party payment for mismanagement on the basis of nonpayment of bills.

(iv) The recipient shall be notified by the agency of a decision not to use a protective, vendor, or two-party payment if such payment has been requested by a creditor.

(v) A statement of the specific reasons that demonstrate the need for making protective, vendor, and two-party payments must be placed in the file of the child involved.

(3) Criteria will be established to identify the circumstances under which protective, vendor, or two-party payments will be made in whole or in part to:

(i) Another individual who is interested in or concerned with the welfare of the child or relative; or

(ii) A person or persons furnishing food, living accommodations or other goods, services, or items to or for the child, relative, or essential person.

(4) Procedures will be established for making protective, vendor, or two-party payments. Under this provision, part of the payment may be made to the family and part may be made to a protective payee or to a vendor, or part may be made in the form of two-party payments, i.e., checks which are drawn jointly to the order of the recipient and the person furnishing goods, services,
or items and negotiable only upon endorsement by both the recipient and the other person.

(5)—(6) [Reserved]

(7) Standards will be established for selection:

(i) Of protective payees, who are interested in or concerned with the recipient's welfare, to act for the recipient in receiving and managing assistance, with the selection of a protective payee being made by the recipient, or with his participation and consent, to the extent possible. If it is in the best interest of the recipient for a staff member of a private agency, of the public welfare department, or of any other appropriate organization to serve as a protective payee, such selection will be made preferably from the staff of an agency or that part of the agency providing protective services for families; and the public welfare department will employ such additional staff as may be necessary to provide protective payees. The selection will not include:

The executive head of the agency administering public assistance; the person determining financial eligibility for the family; special investigative or resource staff; or staff handling fiscal processes related to the recipient; or landlords, grocers, or other vendors of goods, services, or items dealing directly with the recipient.

(ii) Of such persons providing goods, services, or items with the selection of such persons being made by the recipient, or with his participation and consent, to the extent possible.

(8) The agency will undertake and continue special efforts to develop greater ability on the part of the relative to manage funds in such manner as to protect the welfare of the family.

(9) Review will be made as frequently as indicated by the individual's circumstances, and at least once every 12 months, of:

(i) The need for protective, vendor, and two-party payments; and

(ii) The way in which a protective payee's responsibilities are carried out.

(10) Provision will be made for termination of protective payments, or payments to a person furnishing goods or services, as follows:

(i) When relatives are considered able to manage funds in the best interest of the child, there will be a return to money payment status.

(ii) When it appears that need for protective, vendor, or two-party payments will continue or is likely to continue beyond 2 years because all efforts have not resulted in sufficiently improved use of assistance in behalf of the child, judicial appointment of a guardian or other legal representative will be sought and such payments will terminate when the appointment has been made.

(11)(i) Opportunity for a fair hearing pursuant to §205.10 will be given to any individual claiming assistance in relation to the determination:

(A) That a protective, vendor, and two-party payment should be made or continued.

(B) As to the payee selected.

(ii) In cases where the agency has elected the option to presume mismanagement based on a recipient's nonpayment of rent pursuant to paragraph (a)(2)(ii), the agency may also elect the option to provide the opportunity for a fair hearing pursuant to §205.10 either before or after the manner or form of payment has been changed for these cases.

(12) In cases where an individual is sanctioned for failure to participate in WIN, employment search, CWEP, or JOBS, the State plan must provide that when protective or vendor payments are made pursuant to §224.52(a)(1), §238.22, §240.22(a)(1), §240.22(b)(1) and §250.34(d) of this chapter, only paragraphs (a)(7), (a)(9)(i), and (a)(11)(i) and (ii) of this section will be applicable. Under these circumstances, when protective payments are made, the entire payment will be made to the protective payee; and when vendor payments are made, at least the greater part of the payment will be through this method. However, if after making all reasonable efforts, the State agency is unable to locate an appropriate individual to whom protective payments can be made, the State may continue to make payments on behalf of the remaining members of the assistance unit to the sanctioned caretaker relative. Provision will be made for termination of protective payments, or payments to a person furnishing goods or services, with return
to money payment status when adults who refused training, employment, or participation in employment search without good cause either accept training, employment, or employment search or agree to do so. In the case of continuing refusal of the relative to participate, payments will be continued for the children in the home in accordance with this paragraph.

(13) For cases in which a caretaker relative fails to meet the eligibility requirements of §§232.11, 232.12, or 232.13 of this chapter by failing to assign rights to support or cooperate in determining paternity, securing support, or identifying and providing information to assist the State in pursuing third party liability for medical services, the State plan must provide that only the requirements of paragraphs (a)(7) and (9)(ii) of this section will be applicable. For such cases, the entire amount of the assistance payment will be in the form of protective or vendor payments. These protective or vendor payments will be terminated, with return to money payment status, only upon compliance by the caretaker relative with the eligibility requirements of §§232.11, 232.12, and 232.13 of this chapter. However, if after making reasonable efforts, the State agency is unable to locate an appropriate individual to whom protective payments can be made, the State may continue to make payments to the sanctioned caretaker relative on behalf of the remaining members of the assistance unit.

(14) If the plan provides for protective, vendor, or two-party payments:

(i) The State may use any combination of protective, vendor, or two-party payments (at the request of the recipient).

(ii) The request must be in writing from the recipient to whom payment would otherwise be made in an unrestricted manner and must be recorded or retained in the case file, and

(iii) The restriction will be discontinued promptly upon the written request of the recipient who initiated it.

Federal financial participation. Federal financial participation is available in payments which otherwise qualify as money payments with respect to an eligible dependent child, but which are made as protective, vendor or two-party payments under this section. Payrolls must identify protective, vendor, or two-party payments either by use of a separate payroll for these cases or by using a special identifying code or symbol on the regular payroll. The payment must be supported by an authorization of award through amendment of an existing authorization document for each case or by preparation of a separate authorization document. In either instance, the authorization document must be a formal agency record signed by a responsible agency official, showing the name of each eligible child and relative, the amount of payment authorized and the name of the protective, vendor or two-party payee.

§ 234.75 Rent payments to public housing agencies.

At the option of a State, if its plan approved under title I, X, XIV, or XVI of the Social Security Act so provides, Federal financial participation under such title is available in rent payments made directly to a public housing agency on behalf of a recipient or a group or

interest in or concerned with the individual’s welfare, to act for the individual in receiving and managing assistance, with the selection of a protective payee being made by the individual, or with his participation and consent, to the extent possible. If it is in the best interest of the individual for a staff member of a private agency, of the public welfare department, or of any other appropriate organization to serve as a protective payee, such selection will be made preferably from the staff of an agency or that part of the agency providing protective services for families or for the disabled or aged group of which the recipient is a member; and such staff of the public welfare department will be utilized only to the extent that the department has adequate staff for this purpose. The selection will not include: the executive head of the agency administering public assistance; the person determining financial eligibility for the individual; special investigative or resource staff, or staff handling fiscal processes related to the recipient; or landlords, grocers, or other vendors of goods or services dealing directly with the recipient—such as the proprietor, administrator or fiscal agent of a nursing home, or social care, medical or non-medical institution, except for the superintendent of a public institution for mental diseases or a public institution for the mentally retarded, or the designee of such superintendent, when no other suitable protective payee can be found and there are appropriate staff available to assist the superintendent in carrying out the protective payment function.

(4) Protective payments will be made only in cases in which the assistance payment, with other available income, meets all the needs of the individual, using the State’s standards for assistance for the pertinent program, not standards for protective payment cases only.

(5) The agency will undertake and continue special efforts to protect the welfare of such individuals and to improve, to the extent possible, their capacity for self-care and to manage funds.

(6) Reconsideration of the need for protective payments and the way in which a protective payee’s responsibilities are carried out will be as frequent as indicated by the individual’s circumstances and at least every 6 months.

(7) Provision will be made for appropriate termination of protective payments as follows:

(i) When individuals are considered able to manage funds in their best interest, there will be a return to money payment status.

(ii) When a judicial appointment of a guardian or other legal representative appears to serve the best interest of the individual, such appointment will be sought and the protective payment will terminate when the appointment has been made.

(8) Opportunity for a fair hearing will be given to any individual claiming assistance in relation to the determination that a protective payment should be made or continued, and in relation to the payee selected.

(b) Federal financial participation. Federal financial participation is available for payments, which otherwise qualify as money payments with respect to a needy individual, but which are made to a protective payee under paragraph (a)(3) of this section. The payment must be supported by an authorization of award through amendment of an existing authorization document for such case or by preparation of a separate authorization document. In either instance, the authorization document must be a formal agency record signed by a responsible agency official showing the name of each eligible individual, the amount of payment authorized and the name of the protective payee. Payrolls must identify protective payment cases either by use of a separate payroll for these cases or by using a special identifying code or symbol on the regular payroll.

[34 FR 1323, Jan. 28, 1969]
§ 234.120 Federal financial participation.

Federal financial participation is available in assistance payments made under a State plan under title I, IV-A, X, XIV, or XVI of the Social Security Act to any family or individual for periods beginning with the month in which they meet all eligibility conditions under the plan and in which an application has been received by the agency. Such assistance payments include:

(a) Money payments (titles I, IV-A, X, XIV, and XVI, see §234.11 of this chapter);

(b) Protective and vendor payments for dependent children (title IV-A, see §234.60 of this chapter);

(c) Protective payments for the aged, blind, or disabled (titles I, X, XIV, and XVI, see §234.70 of this chapter);

(d) AFDC foster care payments (title IV-A, see §234.110 of this chapter);

(e) Vendor payments for institutional services in intermediate care facilities (titles I, X, XIV, and XVI), but only in a State that did not, as of January 1, 1972, have an approved plan under title XIX of the act, and only until such State has such a plan in effect (see §234.130 of this chapter);

(f) Emergency assistance to needy families with children (title IV-A, see §234.120 of this chapter);

(g) Vendor payments for home repairs (titles I, IV-A, X, XIV, and XVI, see §234.75 of this chapter); and

(h) Rent payments to public housing agencies (titles I, X, XIV, and XVI, see §234.75 of this chapter).

§ 234.130 Assistance in the form of institutional services in intermediate care facilities.

(a) Applicability and State plan requirements. A State which, on January 1, 1972, did not have in effect a State plan approved under title XIX of the Social Security Act may provide assistance under title I, X, XIV, or XVI of the Act in the form of institutional services in intermediate care facilities as authorized under title XI of the Act, until the first day of the first month occurring after January 1, 1972 that such State does have in effect a State plan approved under title XIX of the Act. In any State which may provide such assistance as authorized under title XI of the Act, a State plan under title I, X, XIV, or XVI of the Act which includes such assistance must:

1. Provide that such benefits will be provided only to individuals who:

   (i) Are entitled (or would, if not receiving institutional services in intermediate care facilities, be entitled) to receive assistance, under the State plan, in the form of money payments; and

   (ii) Because of their physical or mental condition (or both) require living accommodations and care which, as a practical matter, can be made available to them only through institutional facilities; and

   (iii) Do not have such an illness, disease, injury, or other condition as to require the degree of care and treatment which a hospital or skilled nursing home (as that term is employed in title XIX) is designed to provide.

2. Provide that, in determining financial eligibility for benefits in the form of institutional services in intermediate care facilities, available income will be applied, first for personal and incidental needs including clothing, and that any remaining income will be applied to the costs of care in the intermediate care facility.

3. Provide methods of administration that include:

   (i) Placing of responsibility, within the State agency, with one or more staff members with sufficient staff time exclusive of other duties to direct and guide the agency’s activities with respect to services in intermediate care facilities, including arrangements for consultation and working relationships with the State standard-setting authority and State agencies responsible for mental health and for mental retardation;
(ii) In relation to authorization of benefits, provisions for evaluation by a physician of the individual’s physical and mental condition and the kinds and amounts of care he requires; evaluation by the agency worker of the resources available in the home, family and community; and participation by the recipient in determining where he is to receive care, except that in the case of services being provided in a Christian Science Sanatorium, certification by a qualified Christian Science practitioner that the individual meets the requirements specified in paragraphs (a)(1)(ii) and (iii) of this section may be substituted for the evaluation by a physician;

(iii) Provisions for redetermination at least semiannually that the individual is properly a recipient of intermediate care.

(4) Provide for regular, periodic review and reevaluation no less often than annually (by or on behalf of the State agency administering the plan and in addition to the activities described in paragraph (a)(3) of this section) of recipients in intermediate care facilities to determine whether their current physical and mental conditions are such as to indicate continued placement in the intermediate care facility, whether the services actually rendered are adequate and responsive to the conditions and needs identified, and whether a change to other living arrangements, or other institutional facilities (including skilled nursing homes) is indicated. Such reviews must be followed by appropriate action on the part of the State agency administering the plan. They must be conducted by or under the supervision of a physician with participation by a registered professional nurse and other appropriate medical and social service personnel not employed by or having a financial interest in the facility, except that, in the case of recipients who have elected care in a Christian Science sanatorium, review by a physician or other medical personnel is not required.

(5) Provide that all services with respect to social and related problems which the agency makes available to applicants and recipients of assistance under the plan will be equally available to all applicants for and recipients of benefits in the form of institutional services in intermediate care facilities.

(6) Specify the types of facilities, however described, that will qualify under the State plan for participation as intermediate care facilities, and provide for availability to the Department of Health and Human Services, upon request of (i) copies of the State’s requirements for licensing of such facilities, (ii) any requirements imposed by the State in addition to licensing and to definition of intermediate care facilities, and (iii) a description of the manner in which such requirements are applied and enforced including copies of agreements or contracts, if any, with the licensing authority for this purpose.

(7) Provide for and describe methods of determining amounts of vendor payments to intermediate care facilities which systematically relate amounts of the payment to the kinds, levels, and quantities of services provided to the recipients by the institutions and to the cost of providing such services.

(b) Other requirements. Except when inconsistent with purposes of section 1121 of the Act or contrary to any provision therein, any modification, pursuant thereto, of an approved State plan shall be subject to the same conditions, limitations, rights, and obligations as obtained with respect to such approved State plan. Included specifically among such conditions and limitations are the provisions of titles I, X, XIV, and XVI relating to payments to or care in behalf of any individual who is an inmate of a public institution (except as a patient in a medical institution).

(c) Federal financial participation. (1) Federal financial participation is available under section 1121 of the Act in vendor payments for institutional services provided to individuals who are eligible under the respective State plan and who are residents in intermediate care facilities. The rate of participation is the same as for money payments under the respective title or, if the State so elects, at the rate of the Federal medical assistance percentage as defined in section 1905(b) of the Act. Such Federal financial participation ends on the date specified in paragraph
(c) (2) of this section, or 12 months after the date when the State first has in effect a State plan approved under title XIX of the Act, whichever is later.

(2) For the period from January 1, 1972, to the date on which a determination is made under the provisions of 42 CFR 449.33 as to a facility’s eligibility to receive payments for intermediate care facility services under the medical assistance program, title XIX of the Act, but not later than 12 months following the effective date of these regulations, Federal financial participation in payments for such services under title XIX is governed by the provisions of this section, applied to State plans under title XIX.

(d) Definition of terms. For purposes of section 1121 of the Social Security Act, the following definitions apply:

(1) Institutional services. The term, institutional services, means those items and services provided by or under the auspices of the institution which contribute to the health, comfort, and well-being of the residents thereof; except that the term, institutional services, does not include allowances for clothing and incidental expenses for which money payments to recipients are made under the plan, nor does it include medical care, in a form identifiable as such and separable from the routine services of the facility, for which vendor payments may be made under a State plan approved under title XIX.

(2) Distinct part of an institution. A distinct part of an institution is defined as a part which meets the definition of an intermediate care facility and the following conditions:

(i) Identifiable unit. The distinct part of the institution is an entire unit such as an entire ward or contiguous wards, wing, floor, or building. It consists of all beds and related facilities in the unit and houses all residents, except as provided for, whom payment is being made for intermediate care. It is clearly identified and is approved, in writing, by the agency applying the definition of intermediate care facility herein.

(ii) Staff. Appropriate personnel are assigned and work regularly in the unit. Immediate supervision of staff is provided in the unit at all time by qualified personnel.

(iii) Shared facilities and services. The distinct part may share such central services and facilities as management services, building maintenance and laundry, with other units.

(iv) Transfers between distinct parts. In a facility having distinct parts devoted to skilled nursing home care and intermediate care, which facility has been determined by the appropriate State agency to be organized and staffed to provide services according to individual needs throughout the institution, nothing herein shall be construed to require transfer of an individual within the institution when in the opinion of the individual’s physician such transfer might be harmful to the physical or mental health of the individual.

(3) Intermediate care facility. An intermediate care facility is an institution or a distinct part thereof which:

(i) Is licensed, under State law to provide the residents thereof, on a regular basis, the range or level of care and services as defined in paragraph (d)(4) of this section, which is suitable to the needs of individuals who:

(a) Because of their physical or mental limitations or both, require living accommodations and care which, as a practical matter, can be made available to them only through institutional facilities, and

(b) Do not have such an illness, disease, injury, or other condition as to require the degree of care and treatment which a hospital or skilled nursing home (as that term is employed in title XIX) is designed to provide:

(ii) Does not provide the degree of care required to be provided by a skilled nursing home furnishing services under a State plan approved under title XIX:

(iii) Meets such standards of safety and sanitation as are applicable to nursing homes under State law; and

(iv) Regularly provides a level of care and service beyond board and room. The term intermediate care facility also includes a Christian Science sanatorium operated, or listed and certified, by the First Church of Christ, Scientist, Boston, Mass.

(4) Range or level of care and services. The range or level of care and services...
suitable to the needs of individuals described in paragraph (d)(3)(i) of this section is to be defined by the State agency. The following items are recommended as a minimum.

(i) Admission, transfer, and discharge of residents. The admission, transfer, and discharge of residents of the facility are conducted in accordance with written policies of the institution that include at least the following provisions.

(a) Only those persons are accepted into the facility whose needs can be met within the accommodations and services the facility provides;

(b) As changes occur in their physical or mental condition, necessitating service or care not regularly provided by the facility, residents are transferred promptly to hospitals, skilled nursing homes, or other appropriate facilities;

(c) The resident, his next of kin, and the responsible agency if any, are consulted in advance of the discharge of any resident, and casework services or other means are utilized to assure that adequate arrangements exist for meeting his needs through other resources.

(ii) Personal care and protective services. The types and amounts of protection and personal service needed by each resident of the facility are a matter of record and are known to all staff members having personal contact with the resident. At least the following services are provided.

(a) There is, at all times, a responsible staff member actively on duty in the facility, and immediately accessible to all residents, to whom residents can report injuries, symptoms of illness, or emergencies, and who is immediately responsible for assuring that appropriate action is taken promptly.

(b) Assistance is provided, as needed by individual residents, with routine activities of daily living including such services as help in bathing, dressing, grooming, and management of personal affairs such as shopping.

(c) Continuous supervision is provided for residents whose mental condition is such that their personal safety requires such supervision.

(iii) Social services. Services to assist residents in dealing with social and related problems are available to all residents through one or more caseworkers on the staff of the facility; and/or, in the case of recipients of assistance, through caseworkers on the staff of the assistance agency; or through other arrangements.

(iv) Activities. Activities are regularly available for all residents, including social and recreational activities involving active participation by the residents, entertainment of appropriate frequency and character, and opportunities for participation in community activities as possible and appropriate.

(v) Food service. At least three meals a day, constituting a nutritionally adequate diet, are served in one or more dining areas separate from sleeping quarters, and tray service is provided for residents temporarily unable to leave their rooms.

(vi) Special diets. If the facility accepts or retains individuals in need of medically prescribed special diets, the menus for such diets are planned by a professionally qualified dietitian, or are reviewed and approved by the attending physician, and the facility provides supervision of the preparation and serving of the meals and their acceptance by the resident.

(vii) Health services. Whether provided by the facility or from other sources, at least the following services are available to all residents:

(a) Immediate supervision of the facility’s health services by a registered professional nurse or a licensed practical nurse employed full-time in the facility and on duty during the day except that, where the State recognizes and describes two or more distinct levels of institutions as intermediate care facilities such personnel are not required in any level that serves only individuals who have been determined by their physicians not to be in need of such supervision and whose need for such supervision is reviewed as indicated, and at least quarterly;

(b) Continuing supervision by a physician who sees the resident as needed and in no case, less often than quarterly;

(c) Under direction by the resident’s physician and (where applicable in accordance with (d)(4)(viii)(a) of this section), general supervision by the nurse.
in charge of the facility’s health services, guidance, and assistance for each resident in carrying out his personal health program to assure that preventive measures, treatments, and medications prescribed by the physician are properly carried out and recorded;

(d) Arrangements for services of a physician in the event of an emergency when the resident’s own physician cannot be reached;

(e) In the presence of minor illness and for temporary periods, bedside care under direction of the resident’s physician including nursing service provided by, or supervised by, a registered professional nurse or a licensed practical nurse;

(f) An individual health record for each resident including:

(1) The name, address, and telephone number of his physician;
(2) A record of the physician’s findings and recommendations in the preadmission evaluation of the individual’s condition and in subsequent reevaluations and all orders and recommendations of the physician for care of the resident;
(3) All symptoms and other indications of illness or injury brought to the attention of the staff by the resident, or from other sources, including the date, time, and action taken regarding each.

(viii) Living accommodations. Space and furnishings provide each resident clean, comfortable, and reasonably private living accommodations with no more than four residents occupying a room, with individual storage facilities for clothing and personal articles, and with lounge, recreation and dining areas provided apart from sleeping quarters.

(ix) Administration and management. The direction and management of the facility are such as to assure that the services required by the residents are so organized and administered that they are, in fact, available to the residents on a regular basis and that this is accomplished efficiently and with consideration for the objective of providing necessary care within a homelike atmosphere. Staff are employed by the facility sufficient in number and competence, as determined by the appropriate State agency, to meet the requirements of the residents.

(b) When FFP is available. FFP is available for personnel employed and persons preparing for employment by the State or local agency provided the following conditions are met, and with the following limitations:

1. Employees in full-time, long-term training make a commitment to work in the agency for a period of time equal to the period for which financial assistance is granted. A State agency may exempt an employee from fulfilling this commitment only if failure to continue in employment is due to death, disability, employment in a financial assistance program in a public assistance agency in another State, or other emergent circumstances determined by the single State agency head to be valid for exemption;

2. An employee retains his or her rights and benefits in the agency while on full-time, long-term training leave;

3. Persons preparing for employment are selected by the State agency and accepted by the school;

4. Persons preparing for employment are pursuing educational programs approved by the State agency;

5. Persons preparing for employment are committed to work for State or local agency for a period of time at least equal to the period for which financial assistance is granted if employment is offered within 2 months after training is completed;

6. The State or local agency offers the individual preparing for employment a job upon completion of training unless precluded by merit system requirements, legislative budget cuts, position freezes, or other circumstances beyond the agency’s control; and if unable to offer employment, releases the individual from his or her commitment;

7. The State agency keeps a record of the employment of persons trained. If the persons are not employed by the State or local agency, the record specifies the reason for non-employment;

8. The State agency evaluates the training programs; and

9. Any recoupment of funds by the State from trainees failing to fulfill their commitment under this section shall be treated as a refund and deducted from total training costs for the purpose of determining net costs for FFP.

(c) Grants to educational institutions. FFP is available in payments for services rendered under grants to educational institutions provided all of the following conditions are met:

1. Grants are made for the purpose of developing, expanding, or improving training for personnel employed by the State or local agency or preparing for employment by the State or local agency administering the program. Grants are made for an educational program (curriculum development, classroom instruction, field instruction, or any combination of these) that is directly related to the agency’s program. Grants are made for not more than 3 years, but may be renewed, subject to the conditions of this section;

2. Grants are made to educational institutions and programs that are accredited by the appropriate institutional accrediting body recognized by the U.S. Commissioner of Education. When a specialized program within the institution for which there is a specialized accrediting body is used, that program must be accredited by or have pre-accreditation status from that body. (Part 149 of this title explains the requirements and procedures for obtaining recognition as an accrediting agency or association. Lists of currently recognized accrediting bodies are published in the FEDERAL REGISTER periodically. See also Nationally Recognized Accrediting Agencies and Associations published by the Office of Education);

3. The State agency has written policies establishing conditions and procedures for such grants;

4. Each grant describes objectives in terms of how the educational program is related to the financial assistance programs and how it is designed to meet the State or local agency’s manpower needs; and

5. An evaluation of the educational program funded by each grant is made.
§ 235.64 no later than the close of the second year of the grant. The evaluation shall be conducted by representatives from the educational institution and the State agency to determine whether conditions and objectives described in the grant are being met. If the educational program does not meet these conditions and objectives, payment shall be terminated no later than the close of the second year of the grant.

PART 237—FISCAL ADMINISTRATION OF FINANCIAL ASSISTANCE PROGRAMS

AUTHORITY: Section 1102 of the Social Security Act (42 U.S.C. 1302); 49 Stat. 647, as amended.

§ 237.50 Recipient count, Federal financial participation.

Pursuant to the formulas in sections 3, 403, 1103, 1118, 1121, 1403, and 1603 of the Social Security Act, it is necessary to identify expenditures that may be included in claims for Federal financial participation. The quarterly statement of expenditures and recoveries which is required for OAA, AFDC, AB, APTD, and AABD must include, as a part of the basis for computing the amount of Federal participation in such expenditures, the number of eligible recipients each month. However, where the State is making claims under section 1118 of the Act or under optional provisions for Federal sharing specified in such paragraphs no recipient count is involved. Vendor payments for medical care may not be considered if the State has a plan approved under title XIX of the Act. The procedures for determining recipient count are set forth in paragraphs (a), (b) and (c) of this section.

(a) Adult assistance categories. For each adult assistance category, under title I, X, XIV, or XVI, of the Act, the recipient count for any month may include:

(1) Eligible recipients who receive money payments or in whose behalf protective payments are made for that month; Provided, That such payments are not excluded from Federal financial participation under the provisions of §233.145(c) of this chapter; plus

(2) Other eligible recipients in whose behalf payments are made for institutional services in intermediate care facilities for that month, but only in a State which does not have in effect a plan approved under Title XIX of the Act. (See §233.145(b)(2) of this chapter.)

(b) AFDC category. For the AFDC category under title IV, part A, of the Act:

(1) The recipient count for any month includes:

(i) Eligible recipients in families which receive a money payment, plus

(ii) Eligible recipients in families not otherwise counted on whose behalf protective or nonmedical vendor assistance payments are made for such month in accordance with the vendor payment provisions at §234.60, provided that such payments are not excluded from Federal financial participation under the provisions of §233.145(c) of this chapter.

(2) For the purpose of this provision, recipients means, if otherwise eligible:

(i) Children;

(ii) In a home with no parent who is the caretaker relative, an otherwise eligible relative of specified degree;

(iii) Parent(s);

(iv) The spouse of such parent, in the case of AFDC eligibility due to incapacity or unemployment;

(3) As used in paragraph (b)(2)(iii) of this section, the term parent means the natural or adoptive parent, or the stepparent who is married to the child's natural or adoptive parent and is legally obligated to support the child under a State law of general applicability which requires stepparents to support stepchildren to the same extent that natural or adoptive parents are required to support their children; and the term “spouse” as used in paragraph (b)(2)(iv) of this section means an individual who is the husband or wife of the child's own parent, as defined above, by reason of a legal marriage as defined under State law.

(4) Where there are two or more dependent children living in a place of residence with two other persons and each of such other persons is a relative who has responsibility for the care and control of one or more of the dependent children, there may be two AFDC families (assistance units), if neither family includes a parent or sibling included in the other family pursuant to §206.10(a)(3)(vii).

(c) Essential person. An essential person or other ineligible person who is living with the eligible person may not be counted as a recipient.

§ 301.10

Overdue support means a delinquency pursuant to an obligation determined under a court order, or an order of an administrative process established under State law, for support and maintenance of a minor child, which is owed to or on behalf of the child, or for the absent parent’s spouse (or former spouse) with whom the child is living, but only if a support obligation has been established with respect to the spouse and the support obligation established with respect to the child is being enforced under State’s IV-D plan. At the option of the State, overdue support may include amounts which otherwise meet the definition in the previous sentence but which are owed to or on behalf of a child who is not a minor child. The option to include support owed to children who are not minors applies independently to the procedures required under § 302.70 of this chapter.

Past-due support means the amount of support determined under a court order or an order of an administrative process established under State law for support and maintenance of a child or of a child and the parent with whom the child is living, which has not been paid. For purposes of referral for Federal income tax refund offset of support due an individual who is receiving services under § 302.33 of this chapter, past-due support means support owed to or on behalf of a qualified child, or a qualified child and the parent with whom the child is living if the same support order includes support for the child and the parent.

Procedures means a written set of instructions which describe in detail the step by step actions to be taken by child support enforcement personnel in the performance of a specific function under the State’s IV-D plan. The State plan must be submitted to the Office in the format and containing the information prescribed by the Office, and within time limits set in implementing instructions issued by the Secretary.
Office of Child Support Enforcement, ACF, HHS

§ 301.13 Approval of State plans and amendments.

The State plan consists of written documents furnished by the State to cover its Child Support Enforcement program under title IV-D of the Act. After approval of the original plan by the Office, all relevant changes, required by new statutes, rules, regulations, interpretations, and court decisions, are required to be submitted currently so that the Office may determine whether the plan continues to meet Federal requirements and policies.

(a) Submittal. State plans and revisions of the plans are submitted first to the State governor or his designee for review in accordance with §301.12, and then to the regional office. The States are encouraged to obtain consultation of the regional staff when a plan is in process of preparation or revision.

(b) Review. The Office of Child Support Enforcement in the regional offices is responsible for review of State plans and amendments. It also initiates discussion with the IV-D agency on clarification of significant aspects of the plan which come to its attention in the course of this review. State plan material on which the regional staff has questions concerning the application of Federal policy is referred with recommendations as required to the Office of Child Support Enforcement in the central office for technical assistance. Comments and suggestions, including those of consultants in specified areas, may be prepared by the central office for use by the regional staff in negotiations with the IV-D agency.

(c) Action. The Regional Office exercises delegated authority to take affirmative action on the State plan and amendments thereto on the basis of policy statements or precedents previously approved by the Director. The Director retains authority for determining that proposed plan material is not approvable, or that a previously approved plan no longer meets the requirements for approval, except that a final determination of disapproval may not be made without prior consultation and discussion by the Director with the Secretary. The Regional Office or the Director formally notifies the IV-D agency of the actions taken on the State plan or revisions thereto.

(d) Basis for approval. Determinations as to whether the State plan (including plan amendments and administrative practice under the plan) originally meets or continues to meet the requirements for approval are based on relevant Federal statutes and regulations. Guidelines are furnished to assist in the interpretation of the regulations.

(e) Prompt approval of the State plan. The determination as to whether the State plan submitted for approval conforms to the requirements for approval under the Act and regulations issued pursuant thereto shall be made promptly and not later than the 90th day following the date on which the plan submittal is received in the regional office, unless the Regional Office has secured from the IV-D agency
§ 301.14 Administrative review of certain administrative decisions.

Any State dissatisfied with a determination of the Director pursuant to §301.13 (e) or (f) with respect to any plan or amendment may, within 60 days after the date of receipt of notification of such determination, file a petition with the Regional Office asking the Director for reconsideration of the issue of whether such plan or amendment conforms to the requirements for approval. Within 30 days after receipt of such a petition, the Director shall notify the State of the time and place at which the hearing for the purpose of reconsidering such issue will be held. Such hearing shall be held not less than 30 days nor more than 60 days after the date notice of such hearing is furnished to the State, unless the Director and the State agree in writing on another time. The hearing procedures contained in 45 CFR part 213 applicable to §201.4 of this title shall apply to reconsiderations brought under this section. A determination affirming, modifying, or reversing the Director's original decision will be made within 60 days of the conclusion of the hearing. Action pursuant to an initial determination by the Director described in such §301.1(e) or (f) that a plan or amendment is not approvable shall not be stayed pending the reconsideration, but in the event that the Director subsequently determines that his original decision was incorrect he shall certify restitution forthwith in a lump sum of any funds incorrectly withheld or otherwise denied.

§ 301.15 Grants.

To States with approved plans, a grant is made each quarter for expenditures under the plan for the administration of the Child Support Enforcement program. The determination as to the amount of a grant to be made to a State is based upon documents submitted by the IV-D agency containing information required under the Act and such other pertinent facts as may be found necessary.

(a) Form and manner of submittal—

(1) Time and place. An estimate for a grant for each quarterly period must be forwarded to the Regional Office 45 days prior to the period of the estimate. It includes a certification of State funds and a justification statement in support of the estimate. A statement of quarterly expenditures and any necessary supporting schedules must be forwarded to the Department of Health and Human Services, Administration for Children and Families, Office of Program Support, Division of Formula, Entitlement and Block Grants, 370 L’Enfant Promenade, S.W., Washington, DC 20447, not later than 30 days after the end of the quarter.

(2) Description of forms. “State Agency Expenditure Projection—Quarterly Projection by Program” represents the IV-D agency’s estimate of the total amount and the Federal share of expenditures for the administration of the title IV-D program for the quarter. From this estimate the State and Federal shares of the total expenditures are computed. The State’s computed share of total estimated expenditures is the amount of State and local funds necessary for the quarter. The Federal share is the basis for the funds to be advanced for the quarter. The agency
must also certify, on this form or otherwise, the amount of State funds (exclusive of any balance of advances received from the Federal Government) actually on hand and available for expenditure; this certification must be signed by the executive officer of the IV-D agency submitting the estimate or a person officially designated by him, or by a fiscal officer of the State if required by State law or regulation. (A form "Certificate of Availability of State Funds for Assistance and Administration during Quarter" is available for submitting this information, but its use is optional.) If the amount of State funds (or State and local funds if localities participate in the program), shown as available for expenditures is not sufficient to cover the State's proportionate share of the amount estimated to be expended, the certification must contain a statement showing the source from which the amount of the deficiency is expected to be derived and the time when this amount is expected to be made available.

(3) The IV-D agency must also submit a quarterly statement of expenditures for the title IV-D program. This is an accounting statement of the disposition of the Federal funds granted for past periods and provides the basis for making the adjustments necessary when the State's estimate for any prior quarter was greater or less than the amount the State actually expended in that quarter. The statement of expenditures also shows the share of the Federal Government in any recoupment, from whatever source, of expenditures claimed in any prior period, and also in expenditures not properly subject to Federal financial participation which are acknowledged by the IV-D agency or have been revealed in the course of an audit.

(b) Review. The State's estimate is analyzed by the regional office and is forwarded with recommendations as required to the central office. The central office reviews the State's estimate, other relevant information, and any adjustments to be made for prior periods, and computes the grant.

(c) Grant award. The grant award computation form shows the amount of the estimate for the ensuing quarter, and the amounts by which the estimate is reduced or increased because of over-or under-estimate for the prior quarter and for other adjustments. This form is transmitted to the IV-D agency to draw the amount of the grant award as needed, to meet the Federal share of disbursements. The draw is through a commercial bank and the Federal Reserve system against a continuing letter of credit certified to the Secretary of the Treasury in favor of the State payee. A notice of the amount of the grant award is sent to the State Central Information Reception Agency in accord with section 201 of the Intergovernmental Cooperation Act of 1968.

(d) Letter of credit payment system. The letter of credit system for payment of advances of Federal funds was established pursuant to Treasury Department regulations. (Circular No. 1075), published in the Federal Register on July 11, 1967 (32 FR 10201). The HHS "Instructions to Recipient Organizations for Use of Letter of Credit" was transmitted to all grantees by memorandum from the Assistant Secretary-Comptroller on January 15, 1968.

(e) General administrative requirements. With the following exceptions, the provisions of part 74 of this title, establishing uniform administrative requirements and cost principles, shall apply to all grants made to States under this part:

45 CFR PART 74
45 CFR 74.23 Cost Sharing or Matching.
45 CFR 74.52 Financial Reporting.
(Approved by the Office of Management and Budget under control numbers 0960-0239 and 0960-0235)

§ 301.16 Withholding of advance funds for not reporting.

(a) No advance for any quarter will be made unless full and complete reports on expenditures and collections, as required by §§ 301.15 and 302.15 of this chapter, respectively, have been submitted to the Office by the IV-D agency for all quarters with the exception of the two quarters immediately preceding the quarter for which the advance is to be made.
(b) For purposes of this section, a report is full and complete if:

1. All line items of information are reported in accordance with OCSE instructions; and
2. The report contains all applicable information available to the State and appropriate for inclusion in the report for the quarter being reported and prior quarters.

(Collection reporting form approved by the Office of Management and Budget under control number 0960-0238 and expenditure reporting form approved under control number 0960-0235)

(b) Scope. The requirement in paragraph (a) of this section applies to every person who, as a regular part of his or her employment, receives, disburses, handles or has access to support collections, which includes:

(c) Bond. The bond will be for an amount which the State IV-D agency deems adequate to indemnify the State IV-D program for loss resulting from employee dishonesty.

(d) Self-bonding System. A State or political subdivision may comply with the requirement in paragraph (a) of this section:

(1) By means of a self-bonding system established under State law or,

(2) In the case of a political subdivision, by means of a self-bonding system approved by the State IV-D agency.

(e) IV-D liability. The requirements of this section do not reduce or limit the ultimate liability of the IV-D agency for losses of support collections from the State's IV-D program.

(c) Exception. The Regional Office may grant a waiver to sparsely populated geographical areas, where the requirements in paragraph (a) of this section would necessitate the hiring of unreasonable numbers of additional staff. The IV-D agency must document such administrative infeasibility and provide an alternative system of controls that reasonably insures that support collections will not be misused.

§ 302.30 Publicizing the availability of support enforcement services.

Effective October 1, 1985, the State plan shall provide that the State will publicize regularly and frequently the availability of support enforcement services under the plan through public service announcements. Publicity must include information on any application fees which may be imposed for such services and a telephone number or postal address where further information may be obtained.

§ 302.31 Establishing paternity and securing support.

The State plan shall provide that:

(a) The IV-D agency will undertake:

(1) In the case of a child born out of wedlock with respect to whom an assignment as defined in § 301.1 of this chapter is effective, to establish the paternity of such child; and

(2) In the case of any individual with respect to whom an assignment as defined in § 301.1 of this chapter is effective, to secure support for a child or children from any person who is legally liable for such support, using State laws and reciprocal arrangements adopted with other States when appropriate. Effective October 1, 1985, this includes securing support for a spouse or former spouse who is living with the child or children, but only if a support obligation has been established for that spouse and the child support obligation is being enforced under the title IV-D State plan.

(3) When assigned support payments are received and retained by an AFDC recipient, to proceed as follows:

(i) In States that implement the IV-A State plan requirements to count retained support payments as income under 45 CFR 233.20(a)(3)(v), the IV-D agency shall notify the IV-A agency whenever it discovers that directly received payments are being, or have been, retained; or

(ii) In States that do not implement the IV-A State plan requirements to count retained support payments as income to meet need, the IV-D agency shall recover the retained support payments. This recovery by the IV-D agency shall be carried out in accordance with the standards for program operations provided in § 303.80 of this chapter.

(4) When assigned medical support payments are received and retained by a non-AFDC Medicaid recipient, the IV-D agency shall notify the Medicaid agency whenever it discovers that directly received medical support payments are being, or have been, retained.

(b) Upon receiving notice from the IV-A, IV-E or Medicaid agency that there has been a claim of good cause for failure to cooperate, the IV-D agency will suspend all activities to establish paternity or secure support until notified of a final determination by the appropriate agency.

(c) The IV-D agency will not undertake to establish paternity or secure support in any case for which it has received notice from the IV-A, IV-E or Medicaid agency that there has been a claim of good cause unless there has been a determination by the IV-A, IV-E or Medicaid agency, as appropriate, that support enforcement may proceed without the participation of the caretaker or other relative. If there has been such a determination, the IV-D agency will undertake to establish paternity or secure support but may not involve the caretaker or other relative in such undertaking.

(Approved by the Office of Management and Budget under control numbers 0960-0385 and 0970-0107)
§ 302.32 Collection and distribution of support payments by the IV-D agency.

The State plan shall provide that:

(a) In any case in which support payments are collected for a recipient of aid under the State's title IV-A plan with respect to whom an assignment under §232.11 is effective, such payments shall be made to the IV-D agency and shall not be paid directly to the family.

(b) The IV-D agency must inform the State's IV-A agency of the amount of the collection which represents payment on the required support obligation for the month as determined in §302.51(a) within 10 working days of the end of the month in which the support is received by the IV-D agency responsible for final distribution. Upon being informed of this amount, the IV-A agency will determine if such amount is sufficient to make the family ineligible for an assistance payment, pursuant to §232.20 of this title. If such amount is sufficient to make the family ineligible for an assistance payment, the IV-D agency will determine the amount by which the entire support collection for a month that the family would have received pursuant to paragraph (b) of this section exceeds the amount the family actually received for a month as an assistance payment and pursuant to §302.51. Such excess shall be paid to the family. If the family is determined to be eligible, distribution will continue to be made pursuant to §302.51.

(c) If the IV-A agency determines that the amount of the collection which represents payment on the required support obligation for the month does not make the family ineligible for an assistance payment, or if a hearing is requested pursuant to §205.10 of this title, the IV-A agency will notify the IV-D agency that it will continue to provide services pursuant to §302.33 of this part.

(f) Timeframes for distribution of support payments. (1) In interstate IV-D cases, amounts collected by the responding State on behalf of the initiating State must be forwarded to the initiating State within 15 calendar days of the initial point of receipt in the responding State, in accordance with §303.7(c)(7)(iv).

(2) Amounts collected by the IV-D agency on behalf of recipients of aid under the State's title IV-A or IV-E plan for whom an assignment under §232.11 of this title or section 471(a)(17) of the Act is effective shall be distributed as follows:

(i) When the IV-D agency sends payments to the family under §302.51(b)(1) of this part, the IV-D agency must send payments to the family within 15 calendar days of the end of the month in which the support was initially received in the State.

(ii) Except as specified under paragraph (f)(2)(iv) of this section:

(A) When the IV-D agency sends collections to the family under §302.51(b) (3) and (5) of this part, the IV-D agency must send collections to the family within 15 calendar days of the end of the month in which the support was initially received in the State.
(B) When the IV-D agency sends collections to the family for the month after the month the family becomes ineligible for AFDC, the IV-D agency must send collections to the family within 15 calendar days of the date in which the support was initially received in the State.

(iii) Except as specified under paragraph (f)(2)(iv) of this section, when the IV-D agency sends collections to the IV-E foster care agency under §302.52(b)-(2) and (4) of this part, the IV-D agency must send collections to the IV-E agency within 15 calendar days of the end of the month in which the support was initially received in the State.

(iv) Collections as a result of Federal or State income tax refund offset paid to the family under §302.51(b)(5) of this part, or distributed in title IV-E foster care cases under §302.52(b)(4) of this part, must be sent to the AFDC family or IV-E agency, as appropriate, within 30 calendar days of the date of initial receipt by the IV-D agency, unless State law requires a post-offset appeal process and an appeal is filed timely, in which case the IV-D agency must send any payment to the AFDC family or IV-E agency within 15 calendar days of the date the appeal is resolved.

(3) Amounts collected on behalf of individuals receiving services under §302.33 of this part shall be distributed as follows:

(i) Amounts collected which represent payment on the current support obligation shall be sent to the family within 15 calendar days of the date of initial receipt in the State.

(ii) Except as specified in paragraph (f)(3)(iii) of this section, if the amount collected is more than the amount required to be distributed in paragraph (f)(3)(i) of this section, the State may at its discretion either send such amounts to the family to satisfy past-due support within 15 calendar days of the date of initial receipt in the State or retain such amounts as have been assigned to satisfy assistance paid to the family which has not been reimbursed.

(iii) Collections due the family under §302.51(b)(5) as a result of Federal or State income tax refund offset must be sent to the family within 30 calendar days of the date of receipt in the IV-D agency, except:

(A) If State law requires a post-offset appeal process and an appeal is timely filed, in which case the IV-D agency must send any payment to the family within 15 calendar days of the date the appeal is resolved; or

(B) As provided in §303.72(h)(5) of this chapter.

(Approved by the Office of Management and Budget under control number 0960-0385)

§302.33 Services to individuals not receiving AFDC or title IV-E foster care assistance.

(a) Availability of Services. (1) The State plan must provide that the services established under the plan shall be made available to any individual who:

(i) Files an application for the services with the IV-D agency. In an interstate case, only the initiating State may require an application under this section; or

(ii) Is a non-AFDC Medicaid recipient;

(iii) Has been receiving IV-D services and is no longer eligible for assistance under the AFDC, IV-E foster care, and Medicaid program.

(2) The State may not require an application, other request for services or an application fee from any individual who is eligible to receive services under paragraphs (a)(1)(ii) and (iii) of this section. If an individual receiving services under paragraph (a)(1)(iii) of this section refuses services in response to a notice under paragraph (a)(4) of this section, and subsequently requests services, that individual must file an application and pay an application fee.

(3) The State may not charge fees or recover costs from any individual who is eligible to receive services under paragraphs (a)(1)(ii) and (iii) of this section, except as provided in paragraph (f)(2)(iv) of this section.

(4) Whenever a family is no longer eligible for assistance under the State's AFDC, IV-E foster care, and Medicaid programs, the IV-D agency must notify the family, within five working days of the notification of ineligibility, that
IV-D services will be continued unless the IV-D agency is notified to the contrary by the family. The notice must inform the family of the consequences of continuing to receive IV-D services, including the available services and the State’s fees, cost recovery and distribution policies.

(5) The State must provide all appropriate IV-D services, in addition to IV-D services related to securing medical support, to all individuals who are eligible to receive services under paragraph (a)(2)(ii) of this section unless the individual notifies the State that only IV-D services related to securing medical support are wanted.

(b) Definitions. For purposes of this section:

Applicant’s income means the disposable income available for the applicant’s use under State law.

(c) Application fee. (1) Beginning October 1, 1985, the State plan must provide that an application fee will be charged for each individual who applies for services under this section. Under this paragraph:

(i) The State shall collect the application fee from the individual applying for IV-D services or pay the application fee out of State funds.

(ii) The State may recover the application fee from the absent parent who owes a support obligation to a non-AFDC family on whose behalf the IV-D agency is providing services and repay it to the applicant or itself.

(iii) State funds used to pay an application fee are not program expenditures under the State plan but are program income under §304.50 of this chapter.

(iv) Any application fee charged must be uniformly applied on a statewide basis and must be:

(A) A flat dollar amount not to exceed $25 (or such higher or lower amount as the Secretary may determine to be appropriate for any fiscal year to reflect increases or decreases in administrative costs); or

(B) An amount based on a fee schedule not to exceed the flat dollar amount specified in paragraph (c)(2)(iv)(A) of this section. The fee schedule must be based on the applicant’s income.

(v) The State may allow the jurisdiction that collects support for the State under this part to retain any application fee collected under this section.

(2) In an interstate case, the application fee is charged by the State where the individual applies for services under this section.

(d) Recovery of costs. (1) The State may elect in its State plan to recover any costs incurred in excess of any fees collected to cover administrative costs under the IV-D State plan. A State which elects to recover costs shall collect on a case by case basis either excess actual or standardized costs:

(i) From the individual who owes a support obligation to a non-AFDC family on whose behalf the IV-D agency is providing services under this section; or

(ii) From the individual who is receiving IV-D services under paragraph (a)(1) (i) or (iii) of this section, either directly or from the support collected on behalf of the individual, but only if the State has in effect a procedure for informing all individuals authorized within the State to establish an obligation for support that the State will recover costs from the individual receiving IV-D services under paragraphs (a)(1) (i) and (ii) of this section.

(2) A State that recovers standardized costs under paragraph (d)(1) of this section shall develop a written methodology to determine standardized costs which are as close to actual costs as is possible. This methodology must be made available to any individual upon request.

(3) The IV-D agency shall not treat any amount collected from the individual as a recovery of costs under paragraph (d)(1)(i) of this section except amounts which exceed the current support owed by the individual under the obligation.

(4) If a State elects to recover costs under paragraph (d)(1)(ii) of this section, the IV-D agency may attempt to seek reimbursement from the individual who owes a support obligation for any costs paid by the individual who is receiving IV-D services and pay all amounts reimbursed to the individual who is receiving IV-D services.

(5) If a State elects to recover costs under this section, the IV-D agency
must notify, consistent with the option selected, either the individual who is receiving IV-D services under paragraphs (a)(1) (i) or (iii) of this section, or the individual who owes a support obligation that such recovery will be made. In an interstate case, the IV-D agency where the case originated must notify the individual receiving IV-D services of the States that recover costs.

(6) The IV-D agency must notify the IV-D agencies in all other States if it recovers costs from the individual receiving IV-D services.

§ 302.34 Cooperative arrangements.

The State plan shall provide that the State will enter into written agreements for cooperative arrangements under § 303.107 with appropriate courts and law enforcement officials. Such arrangements may be entered into with a single official covering more than one court, official, or agency, if the single official has the legal authority to enter into arrangements on behalf of the courts, officials, or agencies. Such arrangements shall contain provisions for providing courts and law enforcement officials with pertinent information needed in locating absent parents, establishing paternity and securing support, including the immediate transfer of the information obtained under § 235.70 of this title to the court or law enforcement official, to the extent that such information is relevant to the duties to be performed pursuant to the arrangement. They shall also provide for assistance to the IV-D agency in carrying out the program, and may relate to any other matters of common concern. Under matters of common concern, such arrangements may include provisions for the investigation and prosecution of fraud directly related to paternity and child and spousal support, and provisions to reimburse courts and law enforcement officials for their assistance.

§ 302.35 State parent locator service.

The State plan shall provide as follows:

(a) The IV-D agency shall establish a State PLS using:

(1) All relevant sources of information and records available in the State, and in other States as appropriate; and

(2) The Federal PLS of the Department of Health and Human Services.

(b)(1) The IV-D agency shall establish a central State PLS office and may also designate additional IV-D offices within the State to submit requests to the Federal PLS.

(2) To designate more than two additional IV-D offices within the State, the IV-D agency must obtain written approval from the Office.

(c) The State PLS shall only accept requests to use the Federal PLS from:

(1) Any State or local agency or official seeking to collect child and spousal support obligations under the State plan, or medical support obligations if an agreement is in effect under § 306.2 of this chapter;

(2) A court that has authority to issue an order against an absent parent for the support and maintenance of a child, or any agency of such court;

(3) The resident parent, legal guardian, attorney, or agent of a child who is not receiving aid under title IV-A of the Act; and

(4) Authorized persons as defined in § 303.15 of this chapter if an agreement is in effect under § 303.15 to use the Federal PLS in connection with parental kidnapping or child custody cases.

§ 302.36 Provision of services in interstate IV-D cases.

(a) The State plan shall provide that the State will extend the full range of services available under its IV-D plan to any other State in accordance with the requirements set forth in § 303.7 of this chapter.
§ 302.37

(b) The State plan shall provide that the State will establish a central registry for interstate IV-D cases in accordance with the requirements set forth in §303.7(a) of this chapter.

§ 302.37 [Reserved]

§ 302.38 Payments to the family.

The State plan shall provide that any payment required to be made under §§302.32 and 302.51 of this part to a family will be made to the resident parent, legal guardian, or caretaker relative having custody of or responsibility for the child or children.

§ 302.39 Standards for program operation.

The State plan shall provide that the IV-D agency will comply with the standards for program operation and the organizational and staffing requirements prescribed by part 303 of this chapter.

[41 FR 55348, Dec. 20, 1976]

§ 302.40 [Reserved]

§ 302.50 Support obligations.

The State plan shall provide as follows:

(a) An assignment of support rights, as defined in §301.1 of this chapter, constitutes an obligation owed to the State by the individual responsible for providing such support. Such obligation shall be established by:

(1) Order of a court of competent jurisdiction or of an administrative hearing process; or

(2) Except for obligations assigned under 42 CFR 433.146, other legal process as established by State laws, such as a legally enforceable and binding agreement.

(b) The amount of the obligation described in paragraph (a) of this section shall be:

(1) The amount specified in the order of a court of competent jurisdiction which covers the assigned support rights; or

(2) If there is no court order, an amount determined in writing by the IV-D agency as part of the legal process referred to in paragraph (a)(2) of this section in accordance with the requirements of §302.56.

(c) The obligation described in paragraph (a) of this section shall be deemed for collection purposes to be collectible under all applicable State and local processes.

(d) Any amounts which represent support payments collected from an individual responsible for providing support under the State plan shall reduce, dollar for dollar, the amount of his obligation under this section.

(e) No portion of any amounts collected which represent an assigned support obligation defined under §301.1 of this chapter may be used to satisfy a medical support obligation unless the court or administrative order designates a specific dollar amount for medical purposes.

(Approved by the Office of Management and Budget under control number 0960-0385)

§ 302.51 Distribution of support collections.

The State plan shall provide as follows:

(a)(1) For purposes of distribution in a IV-D case, amounts collected, except as provided under paragraphs (a)(3) of this section, shall be treated first as payment on the required support obligation for the month in which the support was collected and if any amounts are collected which are in excess of such amount, these excess amounts shall be treated as amounts which represents payment on the required support obligation for previous months.

(2) In AFDC and title IV-E foster care cases in which conversion to a monthly amount is necessary because support is ordered to be paid other than monthly, the IV-D agency may round off the converted amount to whole dollar amounts for the purpose of distribution under this section and §302.52 of this part.

(3) Amounts collected through Federal and State income tax refund offset must be distributed as arrearages in accordance with §§303.72(h) and 303.102(g) of this chapter, respectively.
(4) With respect to payments made through wage or other income withholding and received by the IV-D agency on or after January 1, 1989, the date of collection for distribution purposes in all IV-D cases must be the date the wages or other income are withheld to meet the support obligation. If the employer fails to report the date of withholding, the IV-D agency must reconstruct that date by contacting the employer or comparing actual amounts collected with the pay schedule specified in the court or administrative order.

(5) Except with respect to those collections addressed under paragraph (a)(3) and (4) of this section:

(i) Effective June 9, 1988, the date of collection for distribution purposes in all IV-D cases shall be the date on which the payment is received by the IV-D agency or the legal entity of any State or political subdivision actually making the collection, whichever is earliest; and

(ii) Effective January 1, 1989, a State may use on a statewide basis either the definition of the date of collection in paragraph (a)(5)(i) of this section or the date the payment is mailed, as evidenced by a legible U.S. Postal Service postmark or a legibly dated receipt from a commercial carrier, as the date of collection in all IV-D cases.

(b) The amounts collected as support by the IV-D agency pursuant to the State plan for children and the parents of such children who are current recipients of aid under the State's title IV-A plan and for whom an assignment under §232.11 of this title is effective shall be distributed as follows:

(1) Of such amounts as are collected periodically which represent monthly support payments, the first $50 of any payments for a month received in that month, and the first $50 of payments for each prior month received in that month which were made by the absent parent in the month when due, shall be paid to the family. This payment may not be used in determining the amount paid, if any, to the family in paragraph (b)(3) of this section. If the amount collected includes payment on the required support obligation for a previous month or months, the family shall only receive the first $50 of the amount which represents the required support obligation for the month in which the support was collected. If amounts are collected for one family which represent support payments from two or more absent parents, only the first $50 of the amount collected which represents the total required support obligation for the month in which the support was collected shall be paid to the family under this paragraph. No payment shall be made to a family under this paragraph for a month in which there is no child support collection.

(2) Any amount that is collected in a month which represents payment on the required support obligation for that month and is in excess of the amount paid to the family under paragraph (b)(1) of this section shall be retained by the State to reimburse, in whole or in part, the assistance payment for the month in which the support was collected or the next month. Of the amount retained by the State as reimbursement for that month's assistance payment, the IV-D agency shall determine the Federal Government's share of the amount so retained so the IV-A agency may reimburse the Federal Government to the extent of its participation in the financing of the assistance payment. From the Federal government's share, the State IV-D agency or political subdivision of the State pursuant to the title IV-D State plan shall deduct and pay the incentive payment, if any, prescribed in §304.12.

(3) If the amount collected is in excess of the amount required to be distributed under paragraphs (b)(1) and (2) of this section, the family shall be paid such excess up to the difference between the assistance payment for the month in which the amount of the collection was used to redetermine eligibility for an assistance payment under the State's title IV-A plan (see §302.32) and the court ordered amount for that month. If such court ordered amount is less than such assistance payment, no amount shall be paid to the family under this paragraph. In cases in which there is no court order, the family shall not be paid any amount under this paragraph.
§ 302.51  

45 CFR Ch. III (10-1-98 Edition)

(4) If the amount collected is in excess of the amounts required to be distributed under paragraphs (b)(1) through (3) of this section, any such excess shall be retained by the State as reimbursement for past assistance payments made to the family for which the State has not been reimbursed. The State may apply the amount retained to any sequence of months for which it has not yet been reimbursed. Of the amount retained by the State as reimbursement of past assistance payments, the IV-D agency shall determine the Federal Government’s share of the amounts so retained so the IV-A agency may reimburse the Federal Government to the extent of its participation in the financing of the assistance payments. From the Federal government’s share, the State IV-D agency or political subdivision of the State pursuant to the title IV-D State plan shall deduct and pay the incentive payment, if any, prescribed in §304.12. If past assistance payments are greater than the total support obligation owed, the maximum amount the State may retain as reimbursement for such assistance payments is the amount of such obligation, unless amounts are collected which represent the required support obligation for periods prior to the first month in which the family received assistance under the State’s title IV-A plan, in which case such amounts may be retained by the State to reimburse the difference between such support obligation and such assistance payments.

(5) If the amount collected is in excess of the amounts required to be distributed under paragraphs (b)(1) through (4) of this section, such excess shall be paid to the family.

(c) If an amount collected as support represents payment on the required support obligation for future months, the amount shall be applied to such future months. However, no such amounts shall be applied to future months unless amounts have been collected which fully satisfy the support obligation assigned under section 402(a)(26) of the Act for the current month and all past months.

(d) Any amount paid under paragraph (b)(1), (3) or (5) of this section shall be identified as not being an assistance payment.

(e)(1) The amounts collected by the IV-D agency which represent specific dollar amounts designated in the support order for medical purposes that have been assigned to the State under 42 CFR 433.146 shall be forwarded to the Medicaid agency for distribution under 42 CFR 433.154.

(2) When a family ceases receiving assistance under the State’s title XIX plan, the assignment of medical support rights under section 1912 of the Act terminates, except for the amount of any unpaid medical support obligation that has accrued under such assignment. The IV-D agency shall attempt to collect any unpaid specific dollar amounts designated in the support order for medical purposes. Under this requirement, any medical support collection made by the IV-D agency under this paragraph shall be forwarded to the Medicaid agency for distribution under 42 CFR 433.154.

(f) When a family ceases receiving assistance under the State’s title IV-A plan, the assignment of support rights under §232.11 of this title terminates, except with respect to the amount of any unpaid support obligation that has accrued under such assignment. From this accrued amount, the IV-D agency shall attempt to collect such unpaid obligation. Under this requirement:

(1) Such collections shall be used to reimburse any amounts of past assistance which have not been reimbursed under paragraph (b)(4) of this section;

(2) Of the amount collected, the IV-D agency shall determine the Federal Government’s share of the collection so the IV-A agency may reimburse the Federal Government to the extent of its participation in the financing of the assistance payments. From the Federal Government’s share, the State IV-D agency or political subdivision of the State pursuant to the title IV-D State plan shall deduct and pay the incentive payment, if any, prescribed in §304.12;

(3) Only amounts collected pursuant to this paragraph which exceed the amount of unreimbursed past assistance shall be paid to the family;

(4) For those cases in which collections are authorized under
§ 302.33(a)(1)(iii), priority shall be given to collection of current support.

(Approved by the Office of Management and Budget under control numbers 0960–0385 and 0970–0107)

§ 302.52 Distribution of support collected in Title IV–E foster care maintenance cases.

Effective October 1, 1984, the State plan shall provide as follows:

(a) For purposes of distribution under this section, amounts collected in foster care maintenance cases shall be treated in accordance with the provisions of § 302.51(a) of this part.

(b) The amounts collected as support by the IV–D agency under the State plan on behalf of children for whom the State is making foster care maintenance payments under the title IV–E State plan and for whom an assignment under section 471(a)(17) of the Act is effective shall be distributed as follows:

(1) Any amount that is collected in a month which represents payment on the required support obligation for that month shall be retained by the State to reimburse itself for foster care maintenance payments. Of that amount retained by the State as reimbursement for that month’s foster care maintenance payment, the State IV–D agency shall determine the Federal government’s share so that the State may reimburse the Federal government to the extent of its participation in financing the foster care maintenance payment.

(2) If the amount collected is in excess of the monthly amount of the foster care maintenance payment but not more than the monthly support obligation, the State must pay the excess to the State agency responsible for supervising the child’s placement and care under § 232.11 of this title and section 471(a)(17) of the Act. The State agency must use the money in the manner it determines will serve the best interests of the child including:

(i) Setting aside amounts for the child’s future needs; or
(ii) Making all or part of the amount available to the person responsible for meeting the child’s daily needs to be used for the child’s benefit.

(3) If the amount collected exceeds the amount required to be distributed under paragraphs (b)(1) and (2) of this section, but not the total unreimbursed foster care maintenance payments provided under title IV–E or unreimbursed assistance payments provided under title IV–A, the State shall retain the excess to reimburse itself for these payments. If past assistance or foster care maintenance payments are greater than the total support obligation owed, the maximum amount the State may retain as reimbursement for such payments is the amount of such obligation.

If amounts are collected which represent the required support obligation for periods prior to the first month in which the family received assistance under the State’s title IV–A plan or foster care maintenance payments under the State’s title IV–E plan, such amounts may be retained by the State to reimburse the difference between such support obligation and such payments. Of the amounts retained by the State, the State IV–D agency shall determine the Federal government’s share of the amount so that the State may reimburse the Federal government to the extent of its participation in financing the assistance payments and foster care maintenance payments.

(4) Any balance shall be paid to the State agency responsible for supervising the child’s placement and care and shall be used to serve the best interests of the child as specified in paragraph (b)(2) of this section.

(5) If an amount collected as support represents payment on the required support obligation for future months, the amount shall be applied to those future months. However, no amounts shall be applied to future months unless amounts have been collected which fully satisfy the support obligation assigned under § 232.11 of this title and section 471(a)(17) of the Act for the current month and all past months.

(c) When a State ceases making foster care maintenance payments under
§ 302.54 Notice of collection of assigned support.

(a) Effective January 1, 1993, the State plan shall provide that the State has in effect procedures for issuing notices of collections as follows:

(1) The IV-D agency must provide a monthly notice of the amount of support payments collected for each month to individuals who have assigned rights to support under § 232.11 of this title, unless no collection is made in the month, the assignment is no longer in effect and there are no longer any assigned arrearages, or the conditions in paragraph (c) of this section are met.

(2) The monthly notice must list separately payments collected from each absent parent when more than one absent parent owes support to the family and must indicate the amount of current support collected, the amount of arrearages collected and the amount of support collected which was paid to the family.

(b)(1) The Office may grant a waiver to permit a State to provide quarterly, rather than monthly, notices, if the State:

(i) Until September 30, 1997, does not have an automated system that performs child support enforcement activities consistent with § 302.85 or has an automated system that is unable to generate monthly notices; or

(ii) Uses a toll-free automated voice response system which provides the information required under paragraph (b)(2) of this section.

(2) A quarterly notice must be provided in accordance with conditions set forth in paragraph (b)(1) of this section and such notice must contain the information set forth in paragraph (b)(2) of this section.

§ 302.55 Incentive payments to States and political subdivisions.

Effective October 1, 1985, in order for the State to be eligible to receive any incentive payments under § 304.12 of this chapter, the State plan shall provide that, if one or more political subdivisions of the State participate in the costs of carrying out the activities under the State plan during any period, each such subdivision shall be entitled to receive an appropriate share of any incentive payments made to the State for such period, as determined by the State in accordance with § 303.52 of this chapter, taking into account the efficiency and effectiveness of the political subdivision in carrying out the activities under the State plan.

§ 302.56 Guidelines for setting child support awards.

(a) Effective October 13, 1989, as a condition of approval of its State plan, the State shall establish one set of guidelines by law or by judicial or administrative action for setting and modifying child support award amounts within the State.

(b) The State shall have procedures for making the guidelines available to all persons in the State whose duty it is to set child support award amounts.

(c) The guidelines established under paragraph (a) of this section must at a minimum:

(1) Take into consideration all earnings and income of the absent parent;

(2) Be based on specific descriptive and numeric criteria and result in a computation of the support obligation; and
(3) Provide for the child(ren)'s health care needs, through health insurance coverage or other means.

(d) The State must include a copy of the guidelines in its State plan.

(e) The State must review, and revise, if appropriate, the guidelines established under paragraph (a) of this section at least once every four years to ensure that their application results in the determination of appropriate child support award amounts.

(f) Effective October 13, 1989, the State must provide that there shall be a rebuttable presumption, in any judicial or administrative proceeding for the award of child support, that the amount of the award which would result from the application of the guidelines established under paragraph (a) of this section is the correct amount of child support to be awarded.

(g) A written finding or specific finding on the record of a judicial or administrative proceeding for the award of child support that the application of the guidelines established under paragraph (a) of this section would be unjust or inappropriate in a particular case shall be sufficient to rebut the presumption in that case, as determined under criteria established by the State. Such criteria must take into consideration the best interests of the child. Findings that rebut the guidelines shall state the amount of support that would have been required under the guidelines and include a justification of why the order varies from the guidelines.

(h) As part of the review of a State's guidelines required under paragraph (e) of this section, a State must consider economic data on the cost of raising children and analyze case data, gathered through sampling or other methods, on the application of, and deviations from, the guidelines. The analysis of the data must be used in the State's review of the guidelines to ensure that deviations from the guidelines are limited.

§ 302.57 Procedures for the payment of support through the IV-D agency or other entity.

(a) Effective October 1, 1985, the State may have in effect and use procedures for the payment of support through the State IV-D agency or the entity designated by the State to administer the State's withholding system upon the request of either the absent parent or custodial parent, regardless of whether or not arrearages exist or withholding procedures have been instituted.

(b) If the State opts to establish procedures described in paragraph (a) of this section, the State must:

1. Monitor all amounts paid and the dates of payments and record them on an individual payment record;

2. Ensure prompt payment to the custodial parent; and

3. Require the requesting parent to pay a fee for the cost of providing the service not to exceed $25 annually and not to exceed State costs.

§ 302.60 Collection of past-due support from Federal tax refunds.

The State plan shall provide that:

(a) The IV-D agency has in effect procedures necessary to obtain payment of past-due support from Federal tax refunds as set forth in section 464 of the Act, § 303.72 of this chapter, and regulations of the Internal Revenue Service at 26 C.F.R. 304.6402-1; and

(b) The IV-D agency shall take the steps necessary to implement and use these procedures.

§ 302.65 Withholding of unemployment compensation.

The State plan shall provide that the requirements of this section are met.

(a) Definitions. When used in this section:

Legal process means a writ, order, summons or other similar process in
the nature of a garnishment, which is issued by a court of competent jurisdiction or by an authorized official pursuant to an order of such court or pursuant to State or local law.

State employment security agency or SESA means the State agency charged with the administration of the State unemployment compensation laws in accordance with title III of the Act.

Unemployment compensation means any compensation payable under State unemployment compensation law (including amounts payable in accordance with agreements under any Federal unemployment compensation law). It includes extended benefits, unemployment compensation for Federal employees, unemployment compensation for ex-servicemen, trade readjustment allowances, disaster unemployment assistance, and payments under the Redwood National Park Expansion Act.

\[(b)\] Agreement. The State IV-D agency shall enter into a written agreement with the SESA in its State for the purpose of withholding unemployment compensation from individuals with unmet support obligations being enforced by the IV-D agency. The IV-D agency shall agree only to a withholding program that it expects to be cost-effective and to reimbursement for the SESA's actual, incremental costs of providing services to the IV-D agency.

\[(c)\] Functions to be performed by the IV-D agency. The IV-D agency shall:

\[1\] Determine periodically from information provided by the SESA under section 508 of the Unemployment Compensation Amendments of 1976 whether individuals applying for or receiving unemployment compensation owe support obligations that are being enforced by the IV-D agency.

\[2\] Enforce unmet support obligations by arranging for the withholding of unemployment compensation based on a voluntary agreement with the individual who owes the support, or in appropriate cases which meet the case selection criteria established under paragraph (c)(3), through legal process pursuant to State or local law. If a voluntary agreement is obtained, the IV-D agency must give the SESA a copy of the voluntary agreement.

\[3\] Establish and use written criteria for selecting cases to pursue via the withholding of unemployment compensation for support purposes. These criteria must be designed to insure maximum case selection and minimal discretion in the selection process.

\[4\] Provide a receipt at least annually to an individual who requests a receipt for the support paid via the withholding of unemployment compensation, if receipts are not provided through other means.

\[5\] Maintain direct contact with the SESA in its State:

\[i\] By processing cases through the SESA in its own State or through IV-D agencies in other States; and

\[ii\] By receiving all amounts withheld by the SESA in its own State and forwarding any amounts withheld on behalf of IV-D agencies in other States to those agencies.

\[6\] Reimburse the administrative costs incurred by the SESA that are actual, incremental costs attributable to the process of withholding unemployment compensation for support purposes insofar as these costs have been agreed upon by the SESA and the IV-D agency.

\[7\] Review and document, at least annually, program operations, including case selection criteria established under paragraph (c)(3), and costs of the withholding process versus the amounts collected and, as necessary, modify procedures and renegotiate the services provided by the SESA to improve program and cost effectiveness.

(4) Procedures for the imposition of liens against the real and personal property of absent parents who owe overdue support, in accordance with the requirements set forth in § 303.103 of this chapter;

(5)(i) Procedures for the establishment of paternity for any child at least to the child’s 18th birthday, including any child for whom paternity has not yet been established and any child for whom a paternity action was previously dismissed under a statute of limitations of less than 18 years; and

(ii) Effective November 1, 1989, procedures under which the voluntary acknowledgment of paternity creates a rebuttable or, at the option of the State, conclusive presumption of paternity, and under which such voluntary acknowledgment is admissible as evidence of paternity;

(v) Procedures which provide that any objection to genetic testing results must be made in writing within a specified number of days before any hearing at which such results may be introduced into evidence; and if no objection is made, a written report of the test results is admissible as evidence of paternity without the need for foundation testimony or other proof of authenticity or accuracy;

(vi) Procedures which create a rebuttable or, at the option of the State, conclusive presumption of paternity upon genetic testing results indicating a threshold probability of the alleged father being the father of the child;

(vii) Procedures under which a voluntary acknowledgment must be recognized as a basis for seeking a support order without requiring any further proceedings to establish paternity; and

(viii) Procedures requiring a default order to be entered in a paternity case upon a showing that process was served on the defendant in accordance with State law, that the defendant failed to respond to service in accordance with State procedures, and any additional showing required by State law.

(6) Procedures which require that an absent parent give security, post a bond, or give some other guarantee to secure payment of support, in accordance with the procedures set forth in § 303.104 of this chapter;

(7) Procedures for making information regarding the amount of overdue support owed by an absent parent available to consumer reporting agencies, in accordance with § 303.105 of this chapter;

(8) Procedures under which all child support orders which are issued or modified in the State will include provision for withholding from wages, in order to assure that withholding as a

means of collecting child support is available if arrearages occur without the necessity of filing an application for services under § 302.33 of this part, in accordance with § 303.100(i) of this chapter;

(9) Procedures which require that any payment or installment of support under any child support order, whether ordered through the State judicial system or through the expedited processes required by paragraph (a)(2) of this section, is (on and after the date it is due):
(i) A judgment by operation of law, with the full force, effect, and attributes of a judgment of the State, including the ability to be enforced;
(ii) Entitled as a judgment to full faith and credit in such State and in any other State; and
(iii) Not subject to retroactive modification by such State or by any other State, except as provided in § 303.106(b).

(10) Procedures for the review and adjustment of child support orders:
(i) Effective on October 13, 1990 until October 12, 1993, in accordance with the requirements of § 303.8 (a) and (b) of this chapter; and
(ii) Effective October 13, 1993, or an earlier date the State may select, in accordance with the requirements of § 303.8 (a) and (b) of this chapter.

(11) Procedures under which the State must give full faith and credit to a determination of paternity made by any other State, whether established through voluntary acknowledgment or through administrative or judicial processes.

(b) A State need not apply a procedure required under paragraphs (a) (3), (4), (6) and (7) of this section in an individual case if the State determines that it is not appropriate using guidelines generally available to the public which take into account the payment record of the absent parent, the availability of other remedies, and other relevant considerations. The guidelines may not determine a majority of cases in which no other remedy is being used to be inappropriate.

(c) State laws enacted under this section must give States sufficient authority to comply with the requirements of §§ 303.100 through 303.105 of this chapter.

(d)(1) Exemption. A State may apply for an exemption from any of the requirements of paragraph (a) of this section by the submittal of a request for exemption to the appropriate Regional Office.

(2) Basis for granting exemption. The Secretary will grant a State, or political subdivision in the case of paragraph (a)(2) of this section, an exemption from any of the requirements of paragraph (a) of this section for a period not to exceed three years if the State demonstrates that compliance would not increase the effectiveness and efficiency of its Child Support Enforcement program. Demonstration of the program's efficiency and effectiveness must be shown by actual, or, if actual is not available, estimated data pertaining to caseloads, processing times, administrative costs, and average support collections or such other actual or estimated data as the Office may request. The State must demonstrate to the satisfaction of the Secretary that the program's effectiveness would not improve by using these procedures. Disapproval of a request for exemption is not subject to appeal.

(3) Review of exemption. The exemption is subject to continuing review by the Secretary and may be terminated upon a change in circumstances or reduced effectiveness in the State or political subdivision, if the State cannot demonstrate that the changed circumstances continue to warrant an extension in accordance with this section.

(4) Request for extension. The State must request an extension of the exemption by submitting current data in accordance with paragraph (d)(2) of this section 90 days prior to the end of the exemption period granted under paragraph (d)(2) of this section.

(5) When an exemption is revoked or an extension is denied. If the Secretary revokes an exemption or does not grant an extension of an exemption, the State must enact the appropriate laws and procedures to implement the mandatory practice by the beginning of the fourth month after the end of the first regular, special, budget or other session of the State's legislature which ends after the date the exemption is revoked or the extension is denied. If no
State law is necessary, the State must establish and be using the procedure by the beginning of the fourth month after the date the exemption is revoked.

§ 302.75 Procedures for the imposition of late payment fees on absent parents who owe overdue support.

(a) Effective September 1, 1984, the State plan may provide for imposition of late payment fees on absent parents who owe overdue support.

(b) If a State opts to impose late payment fees—

1. The late payment fee must be uniformly applied in an amount not less than 3 percent nor more than 6 percent of overdue support.

2. The fee shall accrue as arrearages accumulate and shall not be reduced upon partial payment of arrears. The fee may be collected only after the full amount of overdue support is paid and any requirements under State law for notice to the absent parent have been met.

3. The collection of the fee must not directly or indirectly reduce the amount of current or overdue support paid to the individual to whom it is owed.

4. The late payment fee must be imposed in cases where there has been an assignment under § 232.11 of this title or section 471(a)(17) of the Act or the IV-D agency is providing services under § 302.33 of this chapter.

5. The State may allow fees collected to be retained by the jurisdiction making the collection.

6. The State must reduce its expenditures claimed under the Child Support Enforcement program by any fees collected under this section in accordance with § 305.50 of this chapter.

(b) The State plan must provide that the IV-D agency shall secure medical support information and establish and enforce medical support obligations in accordance with the requirements contained in §§ 303.30 and 303.31 of this chapter.

§ 302.85 Mandatory computerized support enforcement system.

(a) General. The State plan shall provide that the State will have in effect a computerized support enforcement system:

1. By October 1, 1997, which meets all the requirements of Title IV-D of the Act which were enacted on or before the date of enactment of the Family Support Act of 1988, Pub. (b) Waiver—(1) Request for waiver. The State may apply for a waiver of any condition for initial approval of an APD in §307.15(b) of this chapter, or any system functional requirement in §307.10 of this chapter, by the submission of a request for waiver under §307.5 of this chapter.

(2) Basis for granting waiver. The Secretary will grant a State a waiver if a State demonstrates that it has an alternative approach to APD requirements or an alternative system configuration, as defined in §307.1 of this chapter, that enables the State, in accordance with part 305 of this chapter, to be in substantial compliance with all other requirements of this chapter; and either:

(i) The waiver request meets the criteria set forth in section 1115(c)(1), (2) and (3) of the Act; or

(ii) The State provides written assurances that steps will be taken to otherwise improve the State's Child Support Enforcement program.

§ 303.0 Scope and applicability of this part.

This part prescribes:

(a) The minimum organizational and staffing requirements the State IV-D agency must meet in carrying out the IV-D program, and

(b) The standards for program operation which the IV-D agency must meet.

§ 303.1 Definitions.

The definitions found in §301.1 of this chapter also are applicable to this part.

§ 303.2 Establishment of cases and maintenance of case records.

(a) The IV-D agency must:

(1) Make applications for child support services readily accessible to the public;
(2) When an individual requests an application or IV-D services, provide an application to the individual on the day the individual makes a request in person or send an application to the individual within no more than 5 working days of a written or telephone request. Information describing available services, the individual's rights and responsibilities, and the State's fees, cost recovery and distribution policies must accompany all applications for services and must be provided to AFDC, Medicaid and title IV-E foster care applicants or recipients within no more than 5 working days of referral to the IV-D agency; and

(3) Accept an application as filed on the day it and the application fee are received. An application is a written document provided by the State which indicates that the individual is applying for child support enforcement services under the State's title IV-D program and is signed by the individual applying for IV-D services.

(b) For all cases referred to the IV-D agency or applying for services under §302.33 of this chapter, the IV-D agency must attempt to locate all absent parents or sources of income and/or assets when location is necessary to take necessary action. Under this standard, the IV-D agency must:

(1) Use appropriate location sources such as the Federal PLS; interstate location networks; local officials and employees administering public assistance, general assistance, medical assistance, food stamps and social services (whether such individuals are employed by the State or a political subdivision); relatives and friends of the absent parent; current or past employers; the local telephone company; the U.S. Postal Service; financial references; unions; fraternal organizations; and police, parole, and probation records if appropriate; and State agencies and departments, as authorized by State law, including those departments which maintain records of public assistance, wages and employment, unemployment insurance, income taxation, driver's licenses, vehicle registration, and criminal records;

(2) Establish working relationships with all appropriate agencies in order to utilize locate resources effectively;

(3) Within no more than 75 calendar days of determining that location is necessary, access all appropriate location sources, including transmitting appropriate cases to the Federal PLS, and ensure that location information is sufficient to take the next appropriate action in a case;

(4) Refer appropriate cases to the IV-D agency of any other State, in accordance with the requirements of §303.7 of this part. The IV-D agency of such other State shall follow the procedures in paragraphs (b)(1) through (b)(3) of this section for such cases, as necessary, except that the responding State is not required to access the Federal PLS under paragraph (b)(3) of this section;

(5) Repeat location attempts in cases in which previous attempts to locate absent parents or sources of income and/or assets have failed, but adequate

§303.3 Location of absent parents.

(a) Definition. Location means information concerning the physical whereabouts of the absent parent, or the absent parent's employer(s), other sources of income or assets, as appropriate, which is sufficient and necessary to take the next appropriate action in a case.

(b) For all cases referred to the IV-D agency or applying for services under §302.33 of this chapter, the IV-D agency must attempt to locate all absent parents or sources of income and/or assets when location is necessary to take necessary action. Under this standard, the IV-D agency must:

(1) Use appropriate location sources such as the Federal PLS; interstate location networks; local officials and employees administering public assistance, general assistance, medical assistance, food stamps and social services (whether such individuals are employed by the State or a political subdivision); relatives and friends of the absent parent; current or past employers; the local telephone company; the U.S. Postal Service; financial references; unions; fraternal organizations; and police, parole, and probation records if appropriate; and State agencies and departments, as authorized by State law, including those departments which maintain records of public assistance, wages and employment, unemployment insurance, income taxation, driver's licenses, vehicle registration, and criminal records;

(2) Establish working relationships with all appropriate agencies in order to utilize locate resources effectively;

(3) Within no more than 75 calendar days of determining that location is necessary, access all appropriate location sources, including transmitting appropriate cases to the Federal PLS, and ensure that location information is sufficient to take the next appropriate action in a case;

(4) Refer appropriate cases to the IV-D agency of any other State, in accordance with the requirements of §303.7 of this part. The IV-D agency of such other State shall follow the procedures in paragraphs (b)(1) through (b)(3) of this section for such cases, as necessary, except that the responding State is not required to access the Federal PLS under paragraph (b)(3) of this section;

(5) Repeat location attempts in cases in which previous attempts to locate absent parents or sources of income and/or assets have failed, but adequate
§ 303.4 Establishment of support obligations.

For all cases referred to the IV-D agency or applying under §302.33 of this chapter, the IV-D Agency must:

(a) When necessary, establish paternity pursuant to the standards of §303.5;

(b) Utilize appropriate State statutes and legal processes in establishing the support obligation pursuant to §302.50 of this chapter;

(c) Periodically review and adjust child support orders, as appropriate, in accordance with §303.8;

(d) Within 90 calendar days of locating the alleged father or noncustodial parent, regardless of whether paternity has been established, establish an order for support or complete service of process necessary to commence proceedings to establish a support order and, if necessary, paternity (or document unsuccessful attempts to serve process, in accordance with the State’s guidelines defining diligent efforts under §303.3(c));

(e) If the court or administrative authority dismisses a petition for a support order without prejudice, the IV-D agency must, at the time of dismissal, examine the reasons for dismissal and determine when it would be appropriate to seek an order in the future, and seek a support order at that time.

(f) Seek a support order based on a voluntary acknowledgment in accordance with §302.70(a)(5)(vi).

§ 303.5 Establishment of paternity.

(a) For all cases referred to the IV-D agency or applying for services under §302.33 of this chapter in which paternity has not been established, the IV-D agency must, as appropriate:

(1) Provide an alleged father the opportunity to voluntarily acknowledge paternity in accordance with §302.70(a)(5)(iii); and

(2) Attempt to establish paternity by legal process established under State law.

(b) The IV-D agency need not attempt to establish paternity in any case involving incest or forcible rape, or in any case in which legal proceedings for adoption are pending, if, in the opinion of the IV-D agency, it would not be in the best interests of the child to establish paternity.

(c) The IV-D agency must identify and use through competitive procurement laboratories which perform, at reasonable cost, legally and medically acceptable genetic tests which tend to identify the father or exclude the alleged father. The IV-D agency must make available a list of such laboratories to appropriate courts and law enforcement officials, and to the public upon request.

(d)(1) Upon the request of any party in a contested paternity case, the IV-D agency, if the agency lacks the authority to order such tests, shall petition the court or administrative authority to require all parties to submit to genetic tests unless, in the case of an individual receiving aid under the State’s title IV-A or XIX plan, there has been a determination of good cause for refusal to cooperate under §§232.40 through 232.49 of this title or 42 CFR 433.147, respectively, or if, in accordance with §303.5(b), the IV-D agency has determined that it would not be in
the best interest of the child to establish paternity in a case involving incest or forcible rape, or in any case in which legal proceedings for adoption are pending.

(2) A contested paternity case is any legal action in which the issue of paternity may be raised under State law and one party denies paternity.

(e)(1) The IV-D agency may charge any individual who is not a recipient of aid under the State's title IV-A or XIX plan a reasonable fee for performing genetic tests.

(2) Any fee charged must be reasonable so as not to discourage those in need of paternity establishment services from seeking them and may not exceed the actual costs of the genetic tests.

(3) If paternity is established and genetic tests were performed, the IV-D agency must attempt to obtain a judgment for the costs of the genetic tests from the party who denied paternity or, at State option, from each party so long as the total amount requested does not exceed the actual costs of the genetic tests.

(4) The IV-D agency must use any amount collected under paragraphs (e)(1) and (3) of this section that exceeds the costs of performing genetic tests to reimburse any fee paid under paragraph (e)(1) of this chapter.

(f) The IV-D agency must seek entry of a default order by the court or administrative authority in a paternity case by showing that process has been served on the defendant in accordance with State law, that the defendant has failed to respond to service in accordance with State procedures, and any additional showing required by State law, in accordance with §302.70(a)(5)(viii).

(g) Hospital-based program. (1) The State must establish, in cooperation with hospitals, a hospital-based program in every public and private birthing hospital. These programs must be operational in birthing hospitals statewide no later than January 1, 1995 (unless Federal law governing the effective date gives the State additional time).

(2) During the period immediately before or after the birth of a child to an unmarried woman in the hospital, a hospital-based program must, at a minimum:

(i) Provide to both the mother and alleged father, if he is present in the hospital:

(A) Written materials about paternity establishment,

(B) The forms necessary to voluntarily acknowledge paternity,

(C) A written description of the rights and responsibilities of acknowledging paternity, and

(D) The opportunity to speak with staff, either by telephone or in person, who are trained to clarify information and answer questions about paternity establishment;

(ii) Provide the mother and alleged father, if he is present, the opportunity to voluntarily acknowledge paternity in the hospital;

(iii) Afford due process safeguards; and

(iv) Forward completed acknowledgments or copies to the entity designated under §303.5(g)(8).

(3) A hospital-based program need not provide services specified in paragraph (g)(2) of this section in cases where the mother or alleged father is a minor or a legal action is already pending, if the provision of such services is precluded by State law.

(4) The State must require that a voluntary acknowledgment obtained through a hospital-based program be signed by both parents, and that the parents' signatures be authenticated by a notary or witness(es).

(5) The State must provide to all public and private birthing hospitals in the State:

(i) Written materials about paternity establishment,

(ii) Forms necessary to voluntarily acknowledge paternity, and

(iii) Copies of a written description of the rights and responsibilities of acknowledging paternity.

(6) The State must provide training, guidance, and written instructions regarding voluntary acknowledgment of paternity, as necessary to operate the hospital-based program.

(7) The State must assess each birthing hospital's program on at least an annual basis.

(8) The State must designate an entity to which hospital-based programs
must forward completed voluntary acknowledgments or copies in accordance with §303.5(g)(2)(iv). Under State procedures, this entity must be responsible for promptly recording identifying information about the acknowledgments with a statewide database, and the IV-D agency must have timely access to whatever identifying information and documentation it needs to determine in accordance with §303.5(h) if an acknowledgment has been recorded and to seek a support order on the basis of a recorded acknowledgment in accordance with §303.4(f).

(h) In IV-D cases needing paternity establishment, the IV-D agency must determine if identifying information about a voluntary acknowledgment has been recorded in the statewide database in accordance with §303.5(g)(8).

§ 303.6 Enforcement of support obligations.

For all cases referred to the IV-D agency or applying for services under §302.33 in which the obligation to support and the amount of the obligation have been established, the IV-D agency must maintain and use an effective system for:

(a) Monitoring compliance with the support obligation;

(b) Identifying on the date the parent fails to make payments in an amount equal to the support payable for one month, or on an earlier date in accordance with State law, those cases in which there is a failure to comply with the support obligation; and

(c) Enforcing the obligation by:

(1) Initiating income withholding, in accordance with §303.100;

(2) Taking any appropriate enforcement action (except income withholding and Federal and State income tax refund offset) unless service of process is necessary, within no more than 30 calendar days of identifying a delinquency or other support-related non-compliance with the order or the location of the absent parent, whichever occurs later. If service of process is necessary prior to taking an enforcement action, service must be completed (or unsuccessful attempts to serve process must be documented in accordance with the State's guidelines defining diligent efforts under §303.3(c)), and enforcement action taken if process is served, within no later than 60 calendar days of identifying a delinquency or other support-related non-compliance with the order, or the location of the absent parent, whichever occurs later;

(3) Submitting once a year all cases which meet the certification requirements under §303.102 of this part and State guidelines developed under §302.70(b) of this title for State income tax refund offset, and which meet the certification requirements under §303.72 of this part for Federal income tax refund offset; and

(4) In cases in which enforcement attempts have been unsuccessful, at the time an attempt to enforce fails, examining the reason the enforcement attempt failed and determining when it would be appropriate to take an enforcement action in the future, and taking an enforcement action in accordance with the requirements of this section at that time.

§ 303.7 Provision of services in interstate IV-D cases.

(a) Interstate central registry. (1) The State IV-D agency must establish an interstate central registry responsible for receiving, distributing and responding to inquiries on all incoming interstate IV-D cases, including URESA petitions and requests for wage withholding in IV-D cases, and at the option of the State, intrastate IV-D cases no later than August 22, 1988.

(2) Within 10 working days of receipt of an interstate IV-D case from an initiating State, the central registry must:

(i) Ensure that the documentation submitted with the case has been reviewed to determine completeness;

(ii) Forward the case for necessary action either to the State PLS for location services or to the appropriate agency for processing;
(iii) Acknowledge receipt of the case and ensure that any missing documentation has been requested from the initiating State; and
(iv) Inform the IV-D agency in the initiating State where the case was sent for action.

(3) If the documentation received with a case is inadequate and cannot be remedied by the central registry without the assistance of the initiating State, the central registry must forward the case for any action which can be taken pending necessary action by the initiating State.

(4) The central registry must respond to inquiries from other States within 5 working days of receipt of the request for a case status review.

(b) Initiating State IV-D agency responsibilities. The IV-D agency must:

(1) If the State has a long-arm statute which allows paternity establishment, use the authority to establish paternity whenever appropriate.

(2) Except as provided in paragraph (b)(1) of this section, within 20 calendar days of determining that the absent parent is in another State, and, if appropriate, receipt of any necessary information needed to process the case, refer any interstate IV-D case to the responding State's interstate central registry for action, including URESA petitions and requests for location, document verification, administrative reviews in Federal income tax refund offset cases, wage withholding, and State income tax refund offset in IV-D cases.

(3) Provide the IV-D agency in the responding State sufficient, accurate information to act on the case by submitting with each case any necessary documentation and either the Interstate Child Support Enforcement Transmittal Form or the URESA Action Request Forms package as appropriate. The State may use computer-generated replicas in the same format and containing the same information in place of the forms.

(4) Provide the IV-D agency or central registry in the responding State with any requested additional information or notify the responding State when the information will be provided within 30 calendar days of receipt of the request for information by submitting an updated form, or a computer-generated replica in the same format and containing the same information, and any necessary additional documentation.

(5) Notify the IV-D agency in the responding State within 10 working days of receipt of new information on a case by submitting an updated form and any necessary additional documentation.

(6) Send a request for review of a child support order to another State within 20 calendar days of determining that a request for review of the order should be sent to the other State and of receipt of information from the requester necessary to conduct the review in accordance with § 303.8(f)(1) of this part.

(c) Responding State IV-D agency responsibilities. The IV-D agency must:

(1) Establish and use procedures for managing its interstate IV-D caseload which ensure provision of necessary services and include maintenance of case records in accordance with § 303.2 of this part.

(2) Periodically review program performance on interstate IV-D cases to evaluate the effectiveness of the procedures established under this section.

(3) Establish and use procedures for managing its interstate IV-D caseload which ensure provision of necessary services and include maintenance of case records in accordance with § 303.2 of this part.

(4) Within 75 calendar days of receipt of an Interstate Child Support Enforcement Transmittal Form, a URESA Action Request Form or other alternative State form and documentation from its interstate central registry, the IV-D agency must:

(i) Provide location services in accordance with § 303.3 of this part if the request is for location services or the form or documentation does not include adequate location information on the absent parent;
§ 303.7  45 CFR Ch. III (10-1-98 Edition)

(ii) If unable to proceed with the case because of inadequate documentation, notify the IV-D agency in the initiating State of the necessary additions or corrections to the form or documentation.

(iii) If the documentation received with a case is inadequate and cannot be remedied by the responding IV-D agency without the assistance of the initiating State, the IV-D agency must process the interstate IV-D case to the extent possible pending necessary action by the initiating State.

(5) Within 10 working days of locating the absent parent in a different jurisdiction within the State, the IV-D agency must forward the form and documentation to the appropriate jurisdiction and notify the initiating State and central registry of its action.

(6) Within 10 working days of locating the absent parent in a different State, the IV-D agency must—

(i) Return the form and documentation, including the new location, to the initiating State, or, if directed by the initiating State, forward the form and documentation to the central registry in the State where the absent parent has been located; and

(ii) Notify the central registry where the case has been sent.

(7) The IV-D agency must provide any necessary services as it would in intrastate IV-D cases by:

(i) Establishing paternity in accordance with § 303.5 of this part and attempting to obtain a judgment for costs should paternity be established;

(ii) Establishing a child support obligation in accordance with §§ 303.4 and 303.101 of this part and § 303.31 of this chapter;

(iii) Processing and enforcing orders referred by another State, whether pursuant to the Uniform Reciprocal Enforcement of Support Act or other legal processes, using appropriate remedies applied in its own cases in accordance with §§ 303.6 and 303.100 through 303.105 of this part and § 303.31 of this chapter; and

(iv) Collecting and monitoring any support payments from the absent parent and forwarding payments to the location specified by the IV-D agency in the initiating State no later than 15 calendar days from the date of initial receipt in the responding State. The IV-D agency must include sufficient information to identify the case, indicate the date of collection as defined under § 302.51(a) of this chapter or that the payments were made through State income tax refund offset, and include the responding State’s identifying code as defined in the Federal Information Processing Standards Publication (FIPS) issued by the National Bureau of Standards or the Worldwide Geographic Location Codes issued by the General Services Administration.

(v) Reviewing and adjusting child support orders upon request in accordance with § 303.8(f)(2) of this part.

(8) The IV-D agency must provide timely notice to the IV-D agency in the initiating State in advance of any formal hearings which may result in establishment or adjustment of an order.

(9) The IV-D agency must notify the IV-D agency in the initiating State within 10 working days of receipt of new information on a case by submitting an updated form or a computer-generated replica in the same format and containing the same information.

(10) The IV-D agency must notify the interstate central registry in the responding State if a case is closed.

(d) Payment and recovery of costs in interstate IV-D cases.

(1) Except as provided in paragraphs (2) and (4), the IV-D agency in the responding State must pay the costs it incurs in processing interstate IV-D cases.

(2) The IV-D agency in the initiating State must pay for the costs of genetic testing in actions to establish paternity.

(3) If paternity is established in the responding State, the IV-D agency in the responding State must attempt to obtain a judgment for the costs of genetic testing from the party who denied paternity, or, at State option, from each party so long as the total amount requested does not exceed the actual costs of the genetic tests, and, if costs of genetic testing are recovered, must reimburse the initiating State.

(4) Each IV-D agency may recover its costs of providing services in interstate non-AFDC cases in accordance with § 302.33(d) of this chapter.
§ 303.8 Review and adjustment of child support orders.

(a) Definitions. For purposes of this section:

(1) Adjustment applies only to the child support provisions of the order, and means:

(i) An upward or downward change in the amount of child support based upon an application of State guidelines for setting and adjusting child support awards; and/or

(ii) Provision for the child's health care needs, through health insurance coverage or other means.

(2) Parent includes any custodial parent or non-custodial parent (or for purposes of requesting a review, any other person or entity who may have standing to request an adjustment to the child support order).

(3) Review means an objective evaluation, conducted through a proceeding before a court, quasi-judicial process, or administrative body or agency, of information necessary for application of the State's guidelines for support to determine:

(i) The appropriate support award amount; and

(ii) The need to provide for the child's health care needs in the order through health insurance coverage or other means.

(b) Plan for review and adjustment. (1) Effective on October 13, 1990, the State must have a written and publicly available plan indicating how and when child support orders in effect in the State will be periodically reviewed and adjusted.

(2) During the period from October 13, 1990 through October 12, 1993, the State must, for orders being enforced under this chapter:

(i) Determine whether such orders should be reviewed, using the plan specified in paragraph (b)(1) of this section;

(ii) Initiate a review, in accordance with the plan, at the request of either parent subject to the order or of a IV-D agency;

(iii) Notify each parent subject to a child support order of any review of the order at least 30 calendar days before commencement of the review;

(iv) Adjust the order when the review determines that there should be a change in the child support award amount, or that health insurance should be required, as indicated by the review in accordance with the State's guidelines for support described in §302.56 of this chapter.

(v) Following any review, notify each parent subject to a child support order in effect in the State of:

(A) Any adjustment or a determination that there should be no change in the order; and

(B) Each parent's right to initiate proceedings to challenge the adjustment or determination, either through pre-decision review, appeal, or administrative review, within at least 30 calendar days after the date of the notice.

(c) Review of child support orders. Effective October 13, 1993 or an earlier date the State may select, the State must, when providing services under this chapter:

(1) Have in effect and use a process for review and adjustment of child support orders in effect in the State, including a process for challenging a proposed adjustment or determination.

(2) Notify each parent subject to a child support order in the State of the right to request a review of the order, and the appropriate place and manner in which the request should be made.

(3) Periodically publicize the right to request a review as part of its support enforcement services as required under §302.30 of this chapter and include notice of this right as part of information on IV-D services under §303.2(a)(2) of this part.
(4) Review child support orders at 36-month intervals after establishment of the order or the most recent review, unless:
   (i) In a case in which there is an assignment as defined in §301.1 of this chapter, the State determines, in accordance with §303.8(c)(5) of this section, that a review would not be in the best interests of the child and neither parent has requested a review; or
   (ii) In a case in which there is no such assignment of support rights to the State, neither parent has requested a review; or
   (iii) In a case in which medical support rights are assigned under 42 CFR 433.146, but child support rights are not assigned to the State under §323.2 of this title or §471(a)(17) of the Act, the order requires the provision of health insurance coverage, and neither parent has requested a review; or
(5) Determine that a review of the child support order would not be in the best interests of a child if there has been a finding of good cause as set forth at §§302.31(c) and 232.40 through 232.49 of this title or §471(a)(17) of the Act, the State or local IV-D, XIX, or IV-E agency has determined that support enforcement may not proceed without risk of harm to the child or caretaker relative.
(6) Notify or serve process upon each parent subject to a child support order in effect in the State of:
   (i) Any review of such order at least 30 calendar days before commencement of the review, and
   (ii) Any information necessary to conduct the review that each parent must provide and the date by which such information must be provided.
(7) Following any review, notify each parent subject to the child support order of:
   (i) A proposed adjustment or a determination that there should be no adjustment in the order; and
   (ii) Each parent’s right to initiate proceedings to challenge the proposed adjustment or other determination, not less than 30 calendar days after the notice.
(8) Adjust the order, or determine that there should be no adjustment, as appropriate, in accordance with the State's guidelines for setting child support awards and paragraph (d) of this section.
(d) Basis for seeking adjustment. (1) Inconsistency between the existent child support award amount and the amount of child support which results from application of the State guidelines must be an adequate basis, under State law, for petitioning for an adjustment of an order in a IV-D case, unless:
   (i) The inconsistency does not meet a reasonable quantitative standard established by the State, in accordance with paragraph (d)(2) of this section or
   (ii) The inconsistency is due to the fact that the amount of the current child support award resulted from a rebuttal of the guideline amount and there has not been a change in the circumstances which resulted in the rebuttal of the guideline amount.
(2) The State may establish a reasonable quantitative standard based upon either a fixed dollar amount or percentage, or both, as a basis for determining whether an inconsistency between the existent child support award amount and the amount of support which results from application of the guidelines is adequate grounds for petitioning for adjustment of the order.
(3) The need to provide for the child's health care needs in the order, through health insurance or other means, must be an adequate basis under State law to petition for adjustment of an order to provide for the children's health care needs, regardless of whether an adjustment in the amount of child support is necessary. In no event shall the eligibility for or receipt of Medicaid be considered to meet the need to provide for the child's health care needs in the order.
(e) Timeframes for review and adjustment. (1) In any case in which support rights are assigned to the State under §301.1 of this part, the State must determine, within 15 calendar days of October 13, 1993 or the date the child support order is 36 months old, whichever date occurs later, whether a review should be conducted, as required under paragraph (c)(4) of this section. Subsequent determinations about whether to conduct a review must be made in accordance with paragraph (c)(4) of this section, at 36-month intervals based upon the date the child support order.
was adjusted or the date an order was entered determining that the child support order should not be adjusted, or, in any case in which a petition or motion for adjustment was not filed following a review, the date upon which the post-review challenge period ended.

(2) Within 15 calendar days of receipt of a request for a review, the State must determine whether a review should be conducted, as required under paragraph (c)(4) of this section.

(3) Within 180 calendar days of determining that a review should be conducted or locating the non-requesting parent, whichever occurs later, a State must:

(i) Send the notice or serve process required under paragraph (c)(6) of this section that a review will be conducted;

(ii) Conduct a review of the order;

(iii) Send the notice of the proposed adjustment or determination that there should be no adjustment as required under paragraph (c)(7) of this section; and

(iv) Adjust the order or determine that the order should not be adjusted in accordance with paragraphs (c)(6) through (8) of this section.

(f) Interstate review and adjustment. Effective October 13, 1993, or such earlier date the State may select:

(1) Initiating State responsibilities. The State in which a request for review is made, or in which there is an assignment of rights to support, as defined under §301.1 of this part, must:

(i) In any case in which support rights are assigned to the State under §301.1, determine, within 15 calendar days of October 13, 1993, or the date the child support order is 36 months old, whichever date occurs later, whether a review should be conducted, as required under paragraph (c)(4) of this section, and in which State a review and adjustment will be sought. Subsequent determinations about whether to conduct a review that are made in accordance with paragraph (c)(4) of this section, at 36-month intervals based upon the date the child support order was adjusted or the date an order was entered determining that the child support order should not be adjusted, or, in any case in which a petition or motion for adjustment was not filed following a review, the date upon which the post-review challenge period ended.

(ii) Within 15 calendar days of receipt of a request for a review, determine whether a review should be conducted, as required under paragraph (c)(4) of this section, and in which State a review and adjustment will be sought.

(iii) If the State determines under paragraph (f)(1)(i) or paragraph (f)(1)(ii) of this section that it should review a child support order in effect in the State, the State shall, within the 180-calendar-day timeframe for review and adjustment of child support orders set forth in paragraph (e)(2) of this section, send the notice that a review will be conducted to each parent, conduct a review, provide notice to the parties of the right to challenge the proposed adjustment or other determination, and adjust the order or determine that the order should not be adjusted, in accordance with paragraphs (c) (6) through (8) of this section.

(iv) If the State determines under paragraph (f)(1)(i) or paragraph (f)(1)(ii) of this section to request a review of a child support order in another State, send a request for review to that State within 20 calendar days of receipt of sufficient information to conduct the review and provide that State with sufficient information on the requestor to act on the request, in accordance with the requirements of §303.7(b)(6) of this part.

(v) If the request for review is the first contact between the initiating and responding States in the case, send the request for review to the interstate central registry in the responding State. However, if the initiating State has previously referred the case to a responding State for action and determines under paragraph (f)(1)(i) or paragraph (f)(1)(ii) of this section that the child support order should be reviewed in that responding State, the request for review may be sent directly to the appropriate agency in the responding State for processing.

(vi) Send, to the parent in the initiating State, a copy of any notice issued by a responding State in connection with the review and adjustment of an order, within 5 working days of receipt of such notice in the initiating State.
§ 303.10  
(2) Responding State responsibilities.  
(i) Within 15 calendar days of receipt of a request for a review of a child support order in the responding State, the appropriate processing agency in the responding State must determine whether a review should be conducted, in accordance with paragraph (c)(4) of this section and the responding State’s procedures for review and adjustment of child support orders.  
(ii) Within 180 calendar days of determining that a review should be conducted or locating the non-requesting parent, whichever occurs later, the responding State must send the notice that a review will be conducted to each parent, conduct a review, adjust the order or determine that the order should not be adjusted, and provide the notice of the adjustment or determination and the right to challenge the adjustment or determination in accordance with paragraphs (c) (6) through (8) of this section.  
(iii) The State may meet the notice requirements of §303.7(c)(8) of this part by sending the notices of the review required under paragraphs (c)(6) and (c)(7) of this section to the parent in the initiating State through the IV-D agency in the initiating State.  

§ 303.11 Case closure criteria.  
(a) The IV-D agency shall establish a system for case closure.  
(b) In order to be eligible for closure, the case must meet at least one of the following criteria:  
(1) In the case of a child who has not reached the age of majority, there is no longer a current support order and arrearages are under $500 or unenforceable under State law;  
(2) In the case of a child who has not reached the age of majority, there is no longer a current support order and arrearages are under $500 or unenforceable under State law;  
(3) The absent parent or putative father is deceased and no further action, including a levy against the estate, can be taken;  
(4) Paternity cannot be established because:  
(i) The child is at least 18 years old and action to establish paternity is barred by a statute of limitations which meets the requirements of §302.70(a)(5) of this chapter;  
(ii) A genetic test or a court or administrative process has excluded the putative father and no other putative father can be identified; or  
(iii) In accordance with §303.5(b) of this part, the IV-D agency has determined that it would not be in the best interests of the child to establish paternity in a case involving incest or forcible rape, or in any case where legal proceedings for adoption are pending;  
(5) The absent parent’s location is unknown, and the State has made regular attempts using multiple sources to locate the absent parent over a three-year period, all of which have been unsuccessful;  
(6) The absent parent cannot pay support for the duration of the child’s minority because the parent has been institutionalized in a psychiatric facility, is incarcerated with no chance for parole, or has a medically-verified total and permanent disability with no evidence of support potential. The State must also determine that no income or assets are available to the absent parent which could be levied or attached for support;  
(7) The absent parent is a citizen of, and lives in, a foreign country, does not work for the Federal government or a company with headquarters or offices in the United States, and has no reachable domestic income or assets; and the State has been unable to establish reciprocity with the country;  
(8) The IV-D agency has provided location-only services as requested under §302.35(c)(3) of this chapter;  
(9) The non-AFDC custodial parent requests closure of a case and there is
§ 303.15 Agreements to use the Federal Parent Locator Service (PLS) in parental kidnapping and child custody cases.

(2) Making or enforcing a child custody determination.

(c) An agreement under section 463 of the Act must contain the following provisions:

(2) The State shall make requests for information under the agreement only for the purposes specified in paragraph (b) of this section.

(3) The State shall make requests to the Federal PLS through the State

Office of Child Support Enforcement, ACF, HHS § 303.21

§ 303.21 Safeguarding information.

(a) Under State statute which imposes legal sanctions, the use or disclosure of information concerning applicants or recipients of support enforcement services is limited to purposes directly connected with:

(1) The administration of the plan or program approved under parts A, B, D, E, or F of title IV or under titles I, X, XIV, XVI, XIX, or XX of the Act, and State or local General Assistance programs. It includes the complete process of determining initial and continuing eligibility for financial and medical assistance and commodities distribution or food stamps.

(2) The assistance payments function means those activities included in the approved State plan and carried out pursuant to parts 220, 222 and 226 of this title or carried out pursuant to title XX of the Act. (c) No functions under the State plan may be delegated by the IV-D agency if such functions are to be performed by caseworkers who are also performing the assistance payments or social services functions under title IV-A or XX of the Act.

(d) In the case of a sparsely populated geographic area, upon justification by the IV-D agency documenting a lack of administrative feasibility in not utilizing staff of the IV-A agency, the Office may approve alternate arrangements that include sufficient reporting and cost allocation methods that will assure compliance with Federal requirements and proper claims for Federal financial participation. (5) Provide the custodial parent with information pertaining to the health insurance policy which has been secured for the dependent child(ren) pursuant to an order obtained under this section.

The State must calculate and promptly pay incentives to political subdivisions as follows:

(a) The State IV-D agency must develop a standard methodology for passing through an appropriate share of its incentive payment to those political subdivisions of the State that participate in the costs of the program, taking into account the efficiency and effectiveness of the activities carried out under the State plan by those political subdivisions. In order to reward efficiency and effectiveness, the methodology also may provide for payment of incentives to other political subdivisions of the State that administer the program.

(b) To ensure that the standard methodology developed by the State reflects local participation, the State IV-D agency must submit a draft methodology to participating political subdivisions for review and comment or use the rulemaking process available under State law to receive local input.

§ 303.72

IV-D agency has verified this information previously, it need not reverify it.

6. A notification of liability for past-due support has been received by the Secretary of the Treasury as prescribed by paragraph (c)(2) of this section.

(b) Notification to OCSE of liability for past-due support. (1) A State IV-D agency shall submit a notification (or notifications) of liability for past-due support on a magnetic tape to the Office by the submittal date specified by the Office in instructions.

(2) If a request meets all requirements, the Deputy Director will transmit the request to the Secretary of the Treasury and will notify the State IV-D agency in writing of the transmittal.

(3) If a request does not meet all requirements, the Deputy Director will attempt to correct the request in consultation with the State IV-D agency.

(4) If a request cannot be corrected through consultation, the Deputy Director will return it to the State IV-D agency with a written explanation of why the request could not be transmitted to the Secretary of the Treasury.

(d) Notification of changes in case status. (1) The State referring past-due support of offset must, in interstate situations, notify any other State involved in enforcing the support order when it submits an interstate case for offset and when it receives the offset amount from the IRS.

(2) The State IV-D agency shall within time frames established by the Office in instructions, notify the Deputy Director in writing of any deletion of an amount referred for collection by Federal tax refund offset or any decrease in the amount if the decrease is significant according to guidelines developed by the State. The notification shall contain the information specified in paragraph (b) of this section.

(e) Notices of offset—(1) Advance. The State IV-D agency, or the Office, if the State requests and the Office agrees, shall send a written advance notice to inform an absent parent that the amount of his or her past-due support will be referred to the IRS for collection by Federal tax refund offset. The notice must inform absent parents:

(i) Of their right to contest the State’s determination that past-due support is owed or the amount of past-due support;

(ii) Of their right to an administrative review by the submitting State or at the absent parent’s request the State with the order upon which the referral for offset is based;

(iii) Of the procedures and timeframe for contacting the IV-D agency in the submitting State to request administrative review; and

(iv) That, in the case of a joint return, the IRS will notify the absent parent’s spouse at the time of offset regarding the steps to take to protect the share of the refund which may be payable to that spouse. If the IV-D agency sends the notice, it must meet the conditions specified by the Office in instructions.

(2) At offset. The IRS will notify the absent parent that the offset has been made. The IRS will also notify any individual who filed a joint return with the absent parent of the steps to take in order to secure a proper share of the refund.

(f) Procedures for contesting in interstate cases. (1) Upon receipt of a complaint from an absent parent in response to the advance notice required
§ 303.72 45 CFR Ch. III (10-1-98 Edition)

in paragraph (e)(1) of this section or concerning a tax refund which has already been offset, the IV-D agency must send a notice to the absent parent and, in non-AFDC cases the custodial parent, of the time and place of the administrative review of the complaint and conduct the review to determine the validity of the complaint.

(2) If the complaint concerns a joint tax refund that has not yet been offset, the IV-D agency must inform the absent parent that the IRS will notify the absent parent’s spouse at the time of offset regarding the steps to take to secure his or her proper share of the refund. If the complaint concerns a joint tax refund which has already been offset, the IV-D agency must refer the absent parent to the IRS.

(3) If the administrative review results in a deletion of, or decrease in, the amount referred for offset, the IV-D agency must notify OCSE in writing within time frames established by the Office and include the information specified in paragraph (b) of this section.

(4) If, as a result of the administrative review, an amount which has already been offset is found to have exceeded the amount of past-due support owed, the IV-D agency must take steps to refund the excess amount to the absent parent promptly.

(g) Procedures for contesting in interstate cases. (1) If the absent parent requests an administrative review in the submitting State, the IV-D agency must meet the requirements in paragraph (f) of this section.

(2) If the complaint cannot be resolved by the submitting State and the absent parent requests an administrative review in the State with the order upon which the referral for offset is based, the submitting State must notify the State with the order in writing within time frames established by the Office and include the information listed under paragraph (a)(4) of this section, within 10 days of the absent parent’s request for an administrative review.

(3) The State with the order must send a notice to the absent parent and, in non-AFDC cases the custodial parent, of the time and place of the administrative review, conduct the review and make a decision within 45 days of receipt of the notice and information from the submitting State.

(4) If the administrative review results in a deletion of, or decrease in, the amount referred for offset, the State with the order must notify the Office in writing within time frames established by the Office and include the information specified in paragraph (b) of this section.

(5) Upon resolution of a complaint after an offset has been made, the State with the order must notify the submitting State of its decision promptly.

(6) When an administrative review is conducted in the State with the order, the submitting State is bound by the decision made by the State with the order.

(7) Based on the decision of the State with the order, the IV-D agency in the submitting State must take steps to refund any excess amount to the absent parent promptly.

(8) In computing incentives under §304.12 of this part, if the case is referred to the State with the order for an administrative review, the collections made as a result of Federal tax refund offset will be treated as having been collected in full by both the submitting State and the State with the order.

(h) Distribution of collections. (1) Collections received by the IV-D agency as a result of refund offset to satisfy AFDC or non-AFDC past-due support shall be distributed as past-due support as required under §302.51(b) (4) and (5) and (e) of this chapter.

(2) Collections received by the IV-D agency in foster care maintenance cases shall be distributed as past-due support under §302.52(b) (3) and (4) of this chapter.

(3) The IV-D agency must inform individuals receiving services under §302.33 of this chapter in advance that amounts offset will be applied first to satisfy any past-due support which has been assigned to the State under §232.11 of this title, 42 CFR 433.146, or section 471(a)(17) of the Act and submitted for Federal tax refund offset.
§ 303.80 Recovery of direct payments.

(a) Definition. Direct payment means an assigned support payment from an absent parent which is received directly by an AFDC recipient.

(b) Direct payments that must be recovered by the IV-D agency. In States that place the responsibility for recovery of direct payments with the IV-D agency under the State plan option at §302.33(a)(3) of this chapter, the IV-D agency must recover all such payments. The only exception is a direct payment retained by the recipient during the period when the sanction for failure to cooperate is in effect, as provided at 45 CFR 232.12(d).

(c) What the IV-D agency must do prior to establishing a repayment agreement with an AFDC recipient. Before establishing a repayment agreement with an AFDC recipient, the IV-D agency must:

(1) Document that the recipient has, in fact, received and retained direct payments, and the amounts;

(2) Provide written notice of intent to recover the payments to the recipient that includes the following:

(i) An explanation of the recipient’s responsibility to cooperate by turning
§ 303.100 Procedures for wage or income withholding.

(a) General withholding requirements. (1) The State must ensure that in the case of each absent parent against whom a support order is or has been issued or modified in the State, and is being enforced under the State plan, so much of his or her wages must be withheld, in accordance with this section, as is necessary to comply with the order.

(2) In addition to the amount to be withheld to pay the current month's obligation, the amount to be withheld must include an amount to be applied toward liquidation of overdue support.

(3) The total amount to be withheld under paragraphs (a)(1), (a)(2) and, if applicable, (f)(1)(iii) of this section may not exceed the maximum amount permitted under section 303(b) of the Consumer Credit Protection Act (15 U.S.C. 1673(b)).

(4) In the case of a support order being enforced under the State plan, the withholding must occur without the need for any amendment to the support order involved or any other action by the court or entity that issued it other than that required or permitted under this section.

(1) The recipient who refused to enter into a repayment agreement consents to do so and signs the agreement; or

(2) The recipient who defaulted on an agreement begins making regularly scheduled payments according to the agreement. Under this paragraph, a regularly scheduled payment is any payment made in the current month for the amount specified in the initial repayment agreement between the IV-D agency and the recipient. The resumption of regularly scheduled payments cannot be interpreted to mean payment of amounts which were not paid during the period of default, nor amounts which could be categorized as balloon payments or which would be due as a result of an acceleration clause. To recover amounts due from any period of default, the IV-D agency must extend the duration of the repayment agreement.

§ 303.100 Procedures for wage or income withholding.

(a) General withholding requirements. (1) The State must ensure that in the case of each absent parent against whom a support order is or has been issued or modified in the State, and is being enforced under the State plan, so much of his or her wages must be withheld, in accordance with this section, as is necessary to comply with the order.

(2) In addition to the amount to be withheld to pay the current month's obligation, the amount to be withheld must include an amount to be applied toward liquidation of overdue support.

(3) The total amount to be withheld under paragraphs (a)(1), (a)(2) and, if applicable, (f)(1)(iii) of this section may not exceed the maximum amount permitted under section 303(b) of the Consumer Credit Protection Act (15 U.S.C. 1673(b)).

(4) In the case of a support order being enforced under the State plan, the withholding must occur without the need for any amendment to the support order involved or any other action by the court or entity that issued it other than that required or permitted under this section.

(1) The recipient who refused to enter into a repayment agreement consents to do so and signs the agreement; or

(2) The recipient who defaulted on an agreement begins making regularly scheduled payments according to the agreement. Under this paragraph, a regularly scheduled payment is any payment made in the current month for the amount specified in the initial repayment agreement between the IV-D agency and the recipient. The resumption of regularly scheduled payments cannot be interpreted to mean payment of amounts which were not paid during the period of default, nor amounts which could be categorized as balloon payments or which would be due as a result of an acceleration clause. To recover amounts due from any period of default, the IV-D agency must extend the duration of the repayment agreement.

(5) If there is more than one notice for withholding against a single absent parent, the State must allocate amounts available for withholding giving priority to current support up to the limits imposed under section 303(b) of the Consumer Credit Protection Act (15 U.S.C. 1673(b)). The State must establish procedures for allocation of support among families, but in no case shall the allocation result in a withholding for one of the support obligations not being implemented.

(6) The withholding must be carried out in full compliance with all procedural due process requirements of the State.

(7) The State must have procedures for promptly terminating withholding:

(i) In all cases, when there is no longer a current order for support and all arrearages have been satisfied; or,

(ii) At State option, when the absent parent requests termination and withholding has not been terminated previously and subsequently initiated, and the absent parent meets the conditions for an alternative arrangement set forth under paragraph (b)(3) of this section.

(8) The State must have procedures for promptly refunding to absent parents amounts which have been improperly withheld.

(9) The State may extend its withholding to include withholding from forms of income other than wages.

(10) Support orders issued or modified in IV-D cases must include a provision requiring the absent parent to keep the IV-D agency informed of the name and address of his or her current employer, whether the absent parent has access to health insurance coverage at reasonable cost and, if so, the health insurance policy information.

(b) Immediate withholding on IV-D cases. (1) In the case of a support order being enforced under this part that is issued or modified on or after November 1, 1990, the wages of an absent parent shall be subject to withholding, regardless of whether support payments by such parent are in arrears, on the effective date of the order, except that such wages shall not be subject to withholding under this paragraph in any case where:

(i) Either the absent or custodial parent demonstrates, and the court or administrative authority finds, that there is good cause not to require immediate withholding; or (ii) A written agreement is reached between the absent and custodial parent, and, at State option, the State in IV-D cases in which there is an assignment of support rights to the State, which provides for an alternative arrangement.

(2) For the purposes of this paragraph, any finding that there is good cause not to require immediate withholding must be based on at least:

(i) A written determination that, and explanation by the court or administrative authority of why, implementing immediate wage withholding would not be in the best interests of the child; and

(ii) Proof of timely payment of previously ordered support in cases involving the modification of support orders.

(3) For purposes of this paragraph, “written agreement” means a written alternative arrangement signed by both the custodial and absent parent, and, at State option, by the State in IV-D cases in which there is an assignment of support rights to the State, and reviewed and entered in the record by the court or administrative authority.

(c) Initiated withholding in IV-D cases. In the case of wages not subject to immediate withholding under paragraph (b) of this section, including cases subject to a finding of good cause or to a written agreement:

(1) The wages or the absent parent shall become subject to the withholding on the date on which the payments which the absent parent has failed to make under a support order are at least equal to the support payable for one month or, if earlier, and without regard to whether there is an arrearage, the earliest of:

(i) The date on which the absent parent requests that withholding begin;

(ii) The date on which the custodial parent requests that withholding begin, if the State determines, in accordance with such procedures and standards as it may establish, that the request should be approved; or

(iii) Such earlier date as State law or procedure may provide.
§ 303.100  

(2) The State must send the advance notice required under paragraph (d) of this section to the absent parent within 15 calendar days of the appropriate date under paragraph (c)(1) of this section if the absent parent’s address is known on that date, or, if the absent parent’s address is not known on that date, within 15 calendar days of locating the absent parent.

(3) The only basis for contesting a withholding under this paragraph is a mistake of fact, which for purposes of this paragraph means an error in the amount of current or overdue support or in the identity of the alleged absent parent.

(d) Advance notice to the absent parent in cases of initiated withholding. (1) On the date specified in paragraph (c)(2) of this section, the State must send advance notice to the absent parent regarding the initiated withholding. The notice must inform the absent parent:

(i) Of the amount of overdue support that is owed, if any, and the amount of wages that will be withheld;

(ii) That the provision for withholding applies to any current or subsequent employer or period of employment;

(iii) Of the procedures available for contesting the withholding and that the only basis for contesting the withholding is a mistake of fact;

(iv) Of the period within which the absent parent must contact the State in order to contest the withholding and that failure to contact the State within the specified time limit will result in the State notifying the employer to begin withholding; and

(v) Of the actions the State will take if the individual contests the withholding, including the procedures established under paragraph (e) of this section.

(2)(i) The requirement for advance notice to the absent parent under paragraph (d)(1) of this section and for State procedures when the absent parent contests the withholding in response to the advance notice under paragraph (e) of this section do not apply in the case of any State which had a withholding system in effect on August 16, 1984 if the system provided on that date, and continues to provide, any other procedures as may be necessary to meet the procedural due process requirements of State law.

(ii) Any State in which paragraph (d)(2)(i) of this section applies must meet all other requirements of this section and must send notice to the employer under paragraph (f) of this section within 15 calendar days of the appropriate date specified in paragraph (c)(1) of this section if the employer’s address is known on that date, or, if the employer’s address is not known on that date, within 15 calendar days of locating the employer’s address.

(e) State procedures when the absent parent contests initiated withholding in response to the advance notice. The State must establish procedures for use when an absent parent contests the withholding. Within 45 calendar days of sending advance notice to the absent parent under paragraph (d) of this section, the State must:

(1) Provide the absent parent an opportunity to present his or her case to the State;

(2) Determine if the withholding shall occur based on an evaluation of the facts, including the absent parent’s statement of his or her case;

(3) Notify the absent parent whether or not the withholding is to occur and, if it is to occur, include in the notice the time frames within which the withholding will begin and the information given to the employer in the notice required under paragraph (f) of this section; and

(4) If withholding is to occur, send the notice required under paragraph (f) of this section.

(f) Notice to the employer for immediate and initiated withholding. (1) To initiate withholding, the State must send the absent parent’s employer a notice which includes the following:

(i) The amount to be withheld from the absent parent’s wages, and a statement that the amount actually withheld for support and other purposes, including the fee specified under paragraph (f)(1)(iii) of this section, may not be in excess of the maximum amounts permitted under section 303(b) of the Consumer Credit Protection Act (15 U.S.C. 1673(b));

(ii) That the employer must send the amount to the State (or to such other individual or entity as the State may
direct) within 10 working days of the date the absent parent is paid, and must report to the State (or to such other individual or entity as the State may direct) the date on which the amount was withheld from the absent parent’s wages;

(iii) That, in addition to the amount withheld for support, the employer may deduct a fee established by the State for administrative costs incurred for each withholding, if the State permits a fee to be deducted;

(iv) That the withholding is binding upon the employer until further notice by the State;

(v) That the employer is subject to a fine to be determined under State law for discharging an absent parent from employment, refusing to employ, or taking disciplinary action against any absent parent because of the withholding;

(vi) That, if the employer fails to withhold wages in accordance with the provisions of the notice, the employer is liable for the accumulated amount the employer should have withheld from the absent parent’s wages;

(vii) That the withholding under this section shall have priority over any other legal process under State law against the same wages;

(viii) That the employer may combine withheld amounts from absent parents’ wages in a single payment to each appropriate agency requesting withholding and separately identify the portion of the single payment which is attributable to each individual absent parent;

(ix) That the employer must implement withholding no later than the first pay period that occurs after 14 working days following the date the notice was mailed; and

(x) That the employer must notify the State promptly when the absent parent terminates employment and provide the absent parent’s last known address and the name and address of the absent parent’s new employer, if known.

(2) In the case of an immediate wage withholding under paragraph (b) of this section, the State must issue the notice to the employer specified in paragraph (f)(1) of this section within 15 calendar days of the date the support order is entered if the employer’s address is known on that date, or, if the address is unknown on that date, within 15 calendar days of locating the employer’s address.

(3) In the case of initiated withholding, if the absent parent fails to contact the State to contest withholding within the period specified in the advance notice in accordance with the requirements of paragraph (d)(1)(iv) of this section, the State must send the notice to the employer required under paragraph (f)(1) of this section within 15 calendar days of the end of the contact period if the employer’s address is known on that date, or, if the address is unknown on that date, within 15 calendar days of locating the employer’s address.

(4) If the absent parent changes employment within the State when a withholding is in effect, the State must notify the absent parent’s new employer, in accordance with the requirements of paragraph (f)(1) of this section, that the withholding is binding on the new employer.

(g) Administration of withholding. (1) The State must designate a public agency to administer withholding in accordance with procedures specified by the State for keeping adequate records to document, track, and monitor support payments.

(2)(i) The State may designate public or private entities to administer withholding on a State or local basis under the supervision of the State withholding agency if the entity or entities are publicly accountable and follow the procedures specified by the State; and

(ii) the State may designate only one entity to administer withholding in each jurisdiction.

(3) Effective October 1, 1997, the State must be capable of receiving withheld amounts and accounting information which are electronically transmitted by the employer to the State.

(4) Amounts withheld must be distributed in accordance with section 457 of the Act and §§ 302.32, 302.51 and 302.52 of this chapter.

(2) Under expedited processes:

(i) In IV-D cases needing support order establishment, regardless of
whether paternity has been established, action to establish support orders must be completed from the date of service of process to the time of disposition within the following timeframes: (A) 75 percent in 6 months; and (B) 90 percent in 12 months.

(ii) In IV-D cases where a support order has been established, actions to enforce the support order must be taken within the timeframes specified in §§ 303.6(c)(2) and 303.100.

(iii) For purposes of the timeframe at § 303.102(b)(2)(i), in cases where the IV-D agency uses long-arm jurisdiction and disposition occurs within 12 months of service of process on the alleged father or noncustodial parent, the case may be counted as a success within the 6 month tier of the timeframe, regardless of when disposition occurs in the 12 month period following service of process.

(iv) Disposition, as used in paragraphs (b)(2)(i) and (iii) of this section, means the date on which a support order is officially established and/or recorded or the action is dismissed.

(c) Safeguards. Under expedited processes:

(1) Paternities and orders established by means other than full judicial process must have the same force and effect under State law as paternities and orders established by full judicial process within the State;

(2) The due process rights of the parties involved must be protected;

(3) The parties must be provided a copy of the voluntary acknowledgment of paternity, paternity determination, and/or support order;

(4) There must be written procedures for ensuring the qualification of presiding officers;

(5) Recommendations of presiding officers may be ratified by a judge; and

(6) Action taken may be reviewed under the State's generally applicable judicial procedures.

(5) Ordering genetic tests in contested paternity cases in accordance with § 303.5(d)(1).

(e) Exemption for political subdivisions. A State may request an exemption from any of the requirements of this section for a political subdivision on the basis of the effectiveness and timeliness of paternity establishment, support order issuance or enforcement within the political subdivision in accordance with the provisions of § 302.70(d) of this chapter.

Federal financial participation is available at the applicable matching rate for the purchase of support enforcement services as provided for in the State plan to the extent that payment for such purchased services is in accordance with the rates of payment established by the State which do not exceed the amounts reasonable and necessary to assure quality of such service and in the case of such services purchased from other public agencies, the cost reasonably assignable to such services. The determination that the amounts are reasonable and necessary and that the costs are reasonably assignable must be fully documented in the IV-D agency records. Support enforcement services which may be purchased with Federal financial participation are those for which Federal financial participation is otherwise available under §304.20 and which are included under the approved State plan.

Requirements concerning the management and disposition of equipment under the Child Support Enforcement Program are also prescribed in subpart G of 45 CFR part 95.

§ 304.25 Treatment of expenditures; due date.

(a) Treatment of expenditures. Expenditures are considered to be made on the date on which the cash disbursements occur or the date to which allocated in accordance with part 74 of this title. In the case of local administration, the date of disbursements by the local agency governs. In the case of purchase of services from another public agency, the date of disbursements by such other public agency governs. Different rules may be applied with respect to a State, either generally or for particular classes of expenditures only upon justification by the State to the Office of Child Support Enforcement and approval by the Office.

(b) Due date for expenditure statements. The due date for the submission of the quarterly statement of expenditures under §301.15 of this chapter is 30 days after the end of the quarter.

§ 304.26 Determination of Federal share of collections.

(a) From the amounts of support collected by the State and retained as reimbursement for AFDC payments, the State shall reimburse the Federal government to the extent of its participation in the financing of the AFDC payment. In computing the Federal share of support collections, the State has two options:

(i) The State may use the AFDC FFP rate applicable to the period in which the assistance payment was made as follows:

(ii) If the State uses the Federal medical assistance percentage under section 1118 of the Act, this percentage shall be used in computing the Federal share of collections.

(ii) If the State uses the computations in section 403(a) of the Act, the Federal share of collections shall be computed using the rate of Federal participation in the financing of:

(A) The individual assistance payment; or

(B) All of the assistance payments in the same month; or

(2) The State may use the current rate of AFDC FFP as follows:
Office of Child Support Enforcement, ACF, HHS

§ 304.40

(i) If the State uses the Federal medical assistance percentage under section 1118 of the Act, the percentage applicable at the time of distribution shall be used in computing the Federal share of collections.

(ii) If the State uses the computations in section 403(a) of the Act, the average rate of Federal participation in the financing of assistance payments during the immediately preceding quarter shall be used in computing the Federal share of collections.

(b) If an incentive payment is made to a jurisdiction under § 304.12 of this chapter for the enforcement and collection of support obligations, the payment shall be made from the Federal share of collections computed in paragraph (a) of this section.

§ 304.27 [Reserved]

§ 304.29 Applicability of other regulations.

Sections 201.14 and 201.15 of chapter II of title 45 of the Code of Federal Regulations, which establish procedures for disallowance, deferral and reconsideration of claims for expenditures submitted by the States, shall apply to all expenditures claimed for FFP under title IV-D of the Act. For purposes of applying those provisions under title IV-D, Service shall read Office which refers to the Office of Child Support Enforcement; Administrator shall read Deputy Director which refers to the Deputy Director, Office of Child Support Enforcement; Deputy Administrator shall read Deputy Director which refers to the Deputy Director, Office of Child Support Enforcement; Regional Commissioner shall read Regional Representative which refers to the Regional Representatives of the Office of Child Support Enforcement; and State shall refer to the State IV-D agency.

§ 304.40 Repayment of Federal funds by installments.

(a) Basic conditions. When a State has been reimbursed Federal funds for expenditures claimed under title IV-D, which is later determined to be unallowable for Federal financial participation, the State may make repayment of such Federal funds in installments provided:

(1) The amount of the repayment exceeds 2½ percent of the estimated annual State share of expenditures for the IV-D program as set forth in paragraph (b) of this section; and

(2) The State has notified the OCSE Regional Representative in writing of its intent to make installment repayments. Such notice must be given prior to the time repayment of the total was otherwise due.

(b) Criteria governing installment repayments. (1) The number of quarters over which the repayment of the total unallowable expenditures will be made will be determined by the percentage the total of such repayment is of the estimated State share of the annual expenditures for the IV-D program as follows:
§ 304.50 Treatment of program income.

The IV-D agency must exclude from its quarterly expenditure claims an amount equal to:

The quarterly repayment amounts for each of the quarters in the repayment schedule shall not be less than the following percentages of estimated State share of the annual expenditures for the program against which the recovery is made.

</tbody>

If the State chooses to repay amounts representing higher percentages during the early quarters, any corresponding reduction in required minimum percentages would be applied first to the last scheduled payment, then to the next to the last payment, and so forth as necessary.

(2) The latest OCSE-OA-25 submitted by the State shall be used to estimate the State's share of the annual expenditures for the IV-D program. That estimated share shall be the sum of the State's share of the estimates (as shown on the latest OCSE-OA-25) for four quarters, beginning with the quarter in which the first installment is to be paid.

(3) In case of termination of the program, the actual State share—rather than the estimate—shall be used for determining whether the amount of the repayment exceeds 2½ percent of the annual State share for the IV-D program. The annual State share in these cases will be determined using payments computable for Federal funding as reported for the program by the State on its Quarterly Statement of Expenditures (SRA-OA-41) reports submitted for the last four quarters preceding the date on which the program was terminated.

(4) Repayment shall be accomplished through adjustment in the quarterly grants over the period covered by the repayment schedule.

(5) The amount of the repayment for purpose of paragraphs (a) and (b) of this section may not include any amount previously approved for installment repayment.

(6) The repayment schedule may be extended beyond 12 quarterly installments if the total repayment amount exceeds 100% of the estimated State share of annual expenditures.

In these circumstances, the criteria in paragraphs (b) (1) and (2) or (3) of this section, as appropriate, shall be followed for repayment of the amount equal to 100% of the annual State share. The remaining amount of the repayment shall be in quarterly amounts not less than those for the 9th through 12th quarters.

(7) The amount of a retroactive claim to be paid a State will be offset against any amounts to be, or already being, repaid by the State in installments, under the same title of the Social Security Act. Under this provision the State may choose to:

(i) Suspend payments until the retroactive claim due the State has, in fact, been offset; or

(ii) Continue payments until the reduced amount of its debt (remaining after the offset), has been paid in full. This second option would result in a shorter payment period.

A retroactive claim for the purpose of this regulation is a claim applicable to any period ending 12 months or more prior to the beginning of the quarter in which the payment is to be made by the Service.

(a) All fees which are collected during the quarter under the title IV-D State plan; and
(b) All interest and other income earned during the quarter resulting from services provided under the IV-D State plan.

§ 305.10 Timing and scope of audit.

(a) The Office will conduct an audit in accordance with sections 452(a)(4) and 403(h) of the Act, at least once every three years, to evaluate the effectiveness of each State's program in carrying out the purposes of title IV-D of the Act and to determine that the program meets the title IV-D requirements. The audit of each State's program will be a comprehensive review using the criteria prescribed in §§ 305.20 and 305.98 of this part.

(b) The Office will conduct an annual comprehensive audit in the case of a State that is being penalized. For a State operating under a corrective action plan, the review at the end of the corrective action period will cover only the criteria specified in the notice of non-compliance as prescribed in § 305.99 of this part.

(c) During the course of the audit, the Office will:

(2) Use the audit standards promulgated by the Comptroller General of the United States in "Government Auditing Standards."

§ 305.11 Audit period.

The audit will cover a period comprised of any 12 consecutive months. When the State is operating under a corrective action plan, the review will cover the first three-month period after the corrective action period. (c) At the conclusion of the audit fieldwork, the Office will prepare and send to the IV-D agency a copy of its interim report on the results of the audit. Within 45 days from the date the report was sent by certified mail, the IV-D agency may submit written comments on any part of the report which the IV-D agency believes to be in error. The Office will incorporate such comments, if any, into the final audit report.

§ 305.13 State cooperation in annual audit.

(a) Each State shall make available to the Office such records or other supporting documentation as the Office's audit staff may request. The State shall also make available personnel associated with the State's IV-D program to provide answers which the audit staff may find necessary in order to conduct or complete the audit.

§ 305.98 Performance indicators and audit criteria.

(a) Beginning with the fiscal year 1986 audit period, the Office will use the following performance indicators in determining whether each State has an effective IV-D program.

(3) AFDC IV-D collections divided by IV-A assistance payments (less payments to unemployed parents).

(b) Beginning with the fiscal year 1988 audit period, the Office will use the performance indicators prescribed in paragraph (a) of this section and the following performance indicators in determining whether each State has an effective IV-D program.

(1) AFDC IV-D collections on support due (for a fiscal year) divided by total AFDC support due (for the same fiscal year);

(2) Non-AFDC IV-D collections on support due (for a fiscal year) divided by total non-AFDC support due (for the same fiscal year);

(3) AFDC IV-D collections on support due (for prior periods) divided by total AFDC support due (for the same periods); and

(4) Non-AFDC IV-D collection on support due (for prior periods) divided by total non-AFDC support due (for the same periods).

(c) The Office shall use the following procedures and audit criteria to measure State performance.

(1) The ratio for each of the performance indicators in paragraph (a) of this section will be evaluated on the basis of the scores in the tables in paragraphs (c)(i) through (iii) of this section. The tables show the scores the States will receive for different levels of performance.

(2) To be found to meet the audit criteria, a State's total score must equal or exceed 70.

Examples. A State achieves levels of performance of 1.22, 1.35 and 6.5 percent on the performance indicators in paragraph (a) of this section. The State would receive individual scores of 24, 48 and 20 on these performance indicators. The State would be found to meet the audit criteria because the total score is 92.
A State achieves levels of performance of $.65, $.65 and 2.5 percent on the performance indicators in paragraph (a) of this section. The State would receive individual scores of 14, 28 and 5 on these performance indicators. The State would be found not to meet the audit criteria because the total score is 47.

A State achieves levels of performance of $.92, $.96 and 4.2 percent on the performance indicators in paragraph (a) of this section. The State would receive individual scores of 20, 40 and 10 on these performance indicators. The State would be found to meet the audit criteria because the total score is 70.

(d) The scoring system provided in paragraph (c) of this section will be described and updated whenever OCSE determines that it is necessary and appropriate by the Office in regulations.

§ 305.99 Notice and corrective action period.

(a) If a State is found by the Secretary on the basis of the results of the audit described in this part not to comply substantially with the requirements of title IV-D of the Act, as implemented by chapter III of this title, the Office will notify the State in writing of such finding.

(b) The notice will:

(1) Cite the State for noncompliance, list the unmet audit criteria, apply a penalty and give reasons for the Secretary's finding;

(2) Identify any audit criteria listed in §305.20(a)(3) of this part that the State met only marginally [that is, in 75 to 80 percent of cases reviewed for criteria in §305.20(a)(3)];

(3) Specify that the penalty may be suspended if the State meets the conditions specified in paragraph (c) of this section; and

(4) Specify the conditions that result in terminating the suspension of the penalty as specified in paragraph (d) of this section.

(c) The penalty will be suspended for a period not to exceed one year from the date of the notice if the following conditions are met:

(1) Within 60 days of the date of the notice, the State submits a corrective action plan to the appropriate Regional Office which contains a corrective action period not to exceed one year from the date of the notice and which contains steps necessary to achieve substantial compliance with the requirements of title IV-D of the Act;

(2) The corrective action plan and any amendment are:

(i) Approved by the Secretary within 30 days of receipt of the corrective action plan; or

(ii) Approved automatically because the Secretary took no action within the period specified in paragraph (c)(2)(i) of this section; and

(3) The Secretary finds that the corrective action plan (or any amendment to it approved by the Secretary) is being fully implemented by the State and that the State is progressing to achieve substantial compliance with the unmet criteria cited in the notice.

(d) The suspension of the penalty will continue until such time as the Secretary determines that:

(1) The State has achieved substantial compliance with the unmet criteria cited in the notice and maintained substantial compliance with any marginally-met criteria cited in the notice;

(2) During the corrective action period, the State is not implementing its corrective action plan; or

(3) The State has implemented its corrective action plan but has failed to achieve substantial compliance with the unmet criteria cited in the notice and maintain substantial compliance with any marginally-met criteria cited in the notice. For State plan-related criteria, this determination will be made as of the first full three-month period after the corrective action period. For performance indicator-related criteria, this determination will be made as of the first full four quarters following the end of the corrective action period.

(e) A corrective action plan disapproved under paragraph (c) of this section is not subject to appeal.

(f) Only one corrective action period is provided to a State in relation to a given criterion when consecutive findings of noncompliance are made on that criterion.

(Approved by the Office of Management and Budget under control number 0960-0385)
§ 305.100 Penalty for failure to have an effective support enforcement program.

(a) If the Secretary finds, on the basis of the results of the audit described in this part, that a State’s program does not substantially meet the requirements in title IV-D of the Act, as implemented by chapter III of this title, and the State does not achieve substantial compliance with those requirements identified in the notice within the corrective action period approved by the Secretary under §305.99(c) of this part and maintain compliance in areas cited in the notice as marginally acceptable under §305.99(b)(2) of this part, total payments to the State under title IV-A of the Act will be reduced for the period prescribed in paragraph (c) or (d) of this section by:

(1) Not less than one nor more than two percent of such payments for a period beginning in accordance with paragraph (c) or (d) of this section not to exceed the one-year period following the end of the suspension period;

(2) Not less than two nor more than three percent of such payments if the finding is the second consecutive finding made as a result of an audit for a period beginning as of the second one-year period following the suspension period not to exceed one year; or

(3) Not less than three nor more than five percent of such payments if the finding is the third or subsequent consecutive finding as a result of an audit for a period beginning as of the third one-year period following the suspension period.

(b) In the case of a State that has achieved substantial compliance with the unmet criteria identified in the notice and maintained substantial compliance with any marginally-met criteria identified in the notice within the corrective action period approved by the Secretary under §305.99 of this part, the penalty will not be applied.

(c) In the case of a State whose penalty suspension ends because the State is not implementing its corrective action plan, the penalty will be applied as if the suspension had not occurred.

(d) In the case of a State whose penalty suspension ends because the State is implementing its corrective action plan but has failed to achieve substantial compliance with the unmet criteria identified in the notice or maintain substantial compliance with any marginally-met criteria identified in the notice within the corrective action period approved by the Secretary under §305.99 of this part, the penalty will be effective for any quarter that ends after the expiration of the suspension period until the first quarter throughout which the State IV-D program is in substantial compliance with the requirements of title IV-D of the Act.

(e) A consecutive finding under paragraph (a)(2) or (3) of this section occurs only when the State does not achieve substantial compliance with the same criterion or criteria.

(f) Any reduction required to be made under this section shall be made pursuant to §205.146(d) of this title.

(g) The reconsideration of penalty imposition provided for by §205.146(e) of this title shall be applicable to any reduction made pursuant to this section.

(f) The availability of FFP at the 90 percent rate;

(g) The availability of FFP at the applicable matching rate; and

(h) The conditions under which the Office will suspend approval of an APD.

§ 307.1 Definitions.

(a) Alternative approach to APD requirements means that the State has developed an APD that does not meet all conditions for APD approval in §307.15(b) resulting in the need for a waiver under §307.5.

(b) Business day means a day on which State offices are open for business.

(c) Alternative system means the separate manual and/or automated processes that perform one or more of the required functions separately from the base system and that interfaces with the base system to ensure that the State can meet all requirements for purposes of the audit prescribed in section 403(h) of the Act. These separate processes may involve geographic areas, such as counties; administrative jurisdictions, such as courts; or separate means by which the State meets particular program requirements, e.g., collection of support for non-AFDC cases.

(d) Alternative system configuration means an alternative to a comprehensive computerized support enforcement system. It includes a base system with electronic linkages to an alternative system(s), which is not part of the State’s computerized support enforcement project (i.e., not the State’s sole system effort), but which is necessary to meet the functional requirements of the statewide, comprehensive computerized support enforcement system under §307.10, or §307.11.

(e) Base system means the hardware, operational software, applications software and electronic linkages in an alternative system configuration which allow the State to monitor, account for and control all support enforcement services and activities under the State plan.

(f) Certification means approval of an operational computerized support enforcement system based on a determination that the system has an efficient and effective design and is comprehensive, except where a waiver applies.

(g) Comprehensive means that a computerized support enforcement system meets the requirements prescribed in §307.10, or §307.11 of this part, as further defined in the OCSE guideline entitled “Automated Systems for Child Support Enforcement: A Guide for States.”

(h) Computerized support enforcement system means a comprehensive, statewide system or an alternative system configuration which encompasses all political subdivisions within the State and which effectively and efficiently:
§ 307.5 Mandatory computerized support enforcement systems.

(a) Basic requirement. (1) By October 1, 1997, each State must have in effect an operational computerized support enforcement system, which meets Federal requirements under §302.85(a)(1) of this chapter, OCSE will review each system to certify that these requirements are met; and

(2) By October 1, 2000, each State must have in effect an operational computerized support enforcement system, which meets Federal requirements under §302.85(a)(2) of this chapter. OCSE will review each system to certify that these requirements are met.

(b) Waiver option. A State may apply for a waiver of any functional requirement in §307.10, or §307.11 by presenting a plan for an alternative system configuration, or a waiver of any conditions for APD approval in §307.15(b) by presenting an alternative approach. Waiver requests must be submitted and approved as part of the State's APD or APD update.

(c) Conditions for waiver. The Secretary may grant a State a waiver if:

(1) The State demonstrates that it has an alternative approach to the APD requirements or an alternative system configuration that enables the State, in accordance with part 305 of this chapter, to be in substantial compliance with the other requirements of this chapter; and either:

(2) The waiver request meets the criteria set forth in section 1115(c)(1), (2) and (3) of the Act; or

(3) The State provides written assurance that steps will be taken to otherwise improve the State's Child Support Enforcement program.

(d) APD submittal requirements for alternative system configuration. APDs submitted by States which include requests for waiver for an alternative system configuration must, in addition to meeting conditions of §307.15(b):

(1) Describe the State's base system;

(2) Include a detailed description of the separate automated or manual processes the State plans to use and how they will interface with the base system;

(3) Provide documentation that the alternative system configuration will enable the State to be in substantial compliance with title IV-D of the Act in accordance with section 403(h) of the Act and implementing regulations. In addition, if the State is subject to a Notice under §305.99 of this part that it did not substantially comply with one or more of the requirements of title IV-D of the Act, at the time a waiver request is submitted, the State must:

(i) Planning means: (1) The preliminary project activity to determine the requirements necessitating the project, the activities to be undertaken, and the resources required to complete the project;

(2) The preparation of an APD;

(3) The preparation of a detailed project plan describing when and how the computer system will be designed or transferred and adapted; and

(4) The preparation of a detailed implementation plan describing specific training, testing, and conversion plans to install the computer system.

The following terms are defined at 45 CFR part 95, subpart F, in §95.605:

``Advance Planning Document'';

``Annually Updated APD'';

``Design'' or ``System Design'';

``Development'';

``Enhancement'';

``Implementation Advance Planning Document'';

``Initial APD'';

``Installation'';

``Operation'';

``Planning Advance Planning Document'';

``Requirements Analysis''; and

``Software''.

(k) The definitions found in §301.1 of this chapter are also applicable to this part.

(i) Demonstrate that the deficiency is not related to or caused by the performance of the system; or
(ii) Specify the corrective action taken to modify the system if the system contributed to the deficiency.

(e) APD submittal requirements for alternative approach. APDs submitted by States which include requests for waiver of conditions for APD approval in §307.15(b) must demonstrate why meeting the conditions is unnecessary or inappropriate.

(f) Review of waiver requests. (1) The Office will review waiver requests to assure that all necessary information is provided, that all processes provide for effective and efficient program operation, and that the conditions for waiver in paragraph (d) of this section are met.

(2) When a waiver is approved, it becomes part of the State's approved APD. A waiver is subject to the APD suspension provisions in §307.40.

(3) When a waiver is disapproved, the APD will be disapproved. The APD disapproval is a final administrative decision and is not subject to administrative appeal.

(g) FFP limitations. (1) The provisions of §§307.30 and 307.35 apply to requests for FFP for costs of computerized support enforcement systems.

(2) FFP for alternative system configurations is further limited as follows:

(i) FFP is available at the enhanced matching rate for development of the base system and for hardware, operational system software, and electronic linkages with the separate components of an alternative system configuration.

(ii) FFP is available at the applicable matching rate for minor alterations to the separate automated or manual processes that are part of an alternative system configuration and for operating costs including hardware, operational software and applications software of a computerized support enforcement system.

(iii) FFP is not available for developing new systems or making major changes and enhancements to separate automated or manual processes so that alternative system configurations meet conditions for waiver.

§ 307.15 Approval of advance planning documents for computerized support enforcement systems.

(a) Approval of an APD. The Office shall not approve the APD and annually updated APD unless the document, when implemented, will carry out the requirements of §307.10, or §307.11 of this part. Conditions for APD approval are specified in this section.

(b) Conditions for initial approval. In order to be approvable, an APD for a statewide computerized support enforcement system described under §307.10, or §307.11 must meet the following requirements:

(1) The APD must represent the sole systems effort being undertaken by the State in accordance with §307.10, or §307.11. If the State is requesting a waiver under §302.85 of this chapter, the APD must specify the conditions for which waiver is requested;

(2) The APD must specify how the objectives of the computerized support enforcement system in §307.10, or §307.11 will be carried out throughout the State; this includes a projection of
§ 307.15  
how the proposed system will meet the functional requirements of § 307.10, or § 307.11 and how the single State system will encompass all political subdivisions in the State by October 1, 1997, or October 1, 2000 respectively.

(3) The APD must assure the feasibility of the proposed effort and provide for the conduct of a requirements analysis study which address all system components within the State and includes consideration of the program mission, functions, organization, services and constraints related to the computerized support enforcement system;

(4) The APD must indicate how the results of the requirements analysis study will be incorporated into the proposed system design, development, installation or enhancement;

(5) The APD must contain a description of each component within the proposed computerized support enforcement system as required by § 307.10, or § 307.11 and must describe information flows, input data, and output reports and uses;

(6) The APD must describe the security requirements to be employed in the proposed computerized support enforcement system;

(7) The APD must describe the intrastate and interstate interfaces set forth in § 307.10, or § 307.11 to be employed in the proposed computerized support enforcement system;

(8) The APD must describe the projected resource requirements for staff, hardware, and other needs and the resources available or expected to be available to meet the requirements;

(9) The APD must contain a proposed budget and schedule of life-cycle milestones relative to the size, complexity and cost of the project which at a minimum address requirements analysis, program design, procurement and project management; and, a description of estimated expenditures by category and amount for:

(i) Items that are eligible for funding at the enhanced matching rate, and

(ii) Items related to developing and operating the system that are eligible for Federal funding at the applicable matching rate;

(10) The APD must contain an implementation plan and backup procedures to handle possible failures in system planning, design, development, installation or enhancement.

(i) These backup procedures must include provision for independent validation and verification (IV&V) analysis of a State’s system development effort in the case of States:

(A) That do not have in place a statewide automated child support enforcement system that meets the requirements of the FSA of 1988;

(B) States which fail to meet a critical milestone, as identified in their APDs;

(C) States which fail to timely and completely submit APD updates;

(D) States whose APD indicates the need for a total system redesign;

(E) States developing systems under waivers pursuant to section 452(d)(3) of the Social Security Act; or,

(F) States whose system development efforts we determine are at risk of failure, significant delay, or significant cost overrun.

(ii) Independent validation and verification efforts must be conducted by an entity that is independent from the State (unless the State receives an exception from OCSE) and the entity selected must:

(A) Develop a project workplan. The plan must be provided directly to OCSE at the same time it is given to the State.

(B) Review and make recommendations on both the management of the project, both State and vendor, and the technical aspects of the project. The IV&V provider must provide the results of its analysis directly to OCSE at the same time it reports to the State.

(C) Consult with all stakeholders and assess the user involvement and buy-in regarding system functionality and the system’s ability to meet program needs.

(D) Conduct an analysis of past project performance sufficient to identify and make recommendations for improvement.

(E) Provide risk management assessment and capacity planning services.

(F) Develop performance metrics which allow tracking project completion against milestones set by the State.

(1) The Office shall disallow FFP as of the date the State failed to comply substantially with the approved APD; and

(2) FFP at the 90 and applicable matching rates is not available in any expenditures incurred under the APD after the date of the suspension until the date the Office determines that the State has taken the actions specified in the notice of suspension described in § 307.40(a)(2) of this part. The Office will notify the State in writing upon making such a determination. (See § 307.35(b) regarding reimbursement for disallowed expenditures under part 95, subpart F of this title.)

(1) The Office has approved an APD in accordance with §307.15;
(2) The Office determines that the system meets the requirements specified in §307.10, or 42 U.S.C. 654(16) [454(16) of the Act];
(3) The Office determines that the expenditures incurred are consistent with the approved APD;

(b) Federal financial participation in the costs of hardware and proprietary software.

(1) Until September 30, 2001, FFP at the 80 percent rate is available for expenditures for the rental or purchase of hardware for the planning, design, development, installation, or enhancement of a computerized support enforcement system as described in §307.10 or 42 U.S.C. 654(16) [454(16) of the Act].
(2) Until September 30, 2001, FFP at the 80 percent rate is available for the rental or purchase of proprietary operating/vendor software necessary for the operation of hardware during the planning, design, development, installation, enhancement or operation of a computerized support enforcement system in accordance with the OCSE guideline entitled "Automated Systems for Child Support Enforcement: A Guide for States." FFP at the 80 percent rate is not available for proprietary application software developed specifically for a computerized support enforcement system. (See §307.35 regarding reimbursement at the applicable matching rate.)

(c) HHS rights to software. The Department of Health and Human Services reserves a royalty-free, non-exclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use for Federal government purposes, software, software modifications, and documentation developed under §307.10 or 42 U.S.C. 654(16) [454(16) of the Act]. (a) Suspension of approval. The Office will suspend approval of the APD for a computerized support enforcement system approved and developed under §307.10, or §307.11 as of the date that the system ceases to comply substantially with the criteria, requirements, and other provisions in the APD, including conditions in §307.15(b) and the requirements in §307.10 or §307.11 of this part covered under a waiver granted in accordance with §307.5. § 400.11 Award of Grants to States.

(a) Quarterly grants. Subject to the availability of funds (and in accordance with the limitations of Subpart J of this part), ORR will make two types of quarterly grants to eligible States:

1. Grants for cash assistance, medical assistance, and related administrative costs (“CMA grants”), for the following purposes: Cash assistance provided by a State or local public agency under the program of aid to families with dependent children (AFDC) under part A of title IV of the Social Security Act; under the adult assistance programs (AABD, AB, APTD, or OAA) in the territories, or under section 412(e) of the Immigration and Nationality Act; and cash or medical assistance provided under a public assistance program established under authority other than Federal law and under which such assistance is generally available to needy individuals or families in similar circumstances within the State; and

2. Grants for social services, as set forth in this part. ORR will compute the amount of the quarterly awards based on documents submitted by the State agency in accordance with this section and such other pertinent facts as the Director may find necessary.

be submitted in accordance with the requirements described in §400.210.

(d) Review. ORR will determine whether the State's description of services, estimates, other relevant information, and any adjustments to be made for prior periods meet the requirements under this part, and will compute the quarterly award.

(e) Grant award. (1) ORR will transmit to the State the grant award form showing, by type of assistance, the amount of the award.

(2) The State may draw funds, under the Department's Payment Management System (PMS), as needed, to meet the Federal share of disbursements.

Section 16.3(c) of this title mandates an appellant to exhaust any preliminary appeal process required by regulation before a formal appeal to the Board will be allowed. Paragraph (d) of this section provides an informal preliminary appeal process for resolution of such disputes within ORR prior to appeal to the Board.

(b) Scope. Adverse determinations to which this procedure is applicable are as follows:

(1) Termination, in whole or in part, of a grant for failure of the grantee to carry out its approved project or program in accordance with applicable law and the terms and conditions of such assistance or for failure of the grantee otherwise to comply with any law, regulation, assurance, term, or condition applicable to the grant.

(2) A determination that an expenditure not allowable under the grant has been charged to the grant or that the grantee has otherwise failed to discharge its obligation to account for grant funds.

(3) The disapproval of a grantee's written request for permission to incur an expenditure during the term of a grant.

(d) Request for review of an adverse determination. (1) If the State agency wants a review of the determination, it must submit a request for such review to the Director no later than 30 days after the postmark on the notice, unless an extension of time is granted for good cause.

(2) The request for review must contain a full statement of the State's position with respect to the determination being appealed and the pertinent facts and reasons in support of such position. The State agency must attach to the submission a copy of the notice.

(3) The Director may, at his or her discretion, invite the State to discuss pertinent issues and to submit such additional information as he or she deems appropriate.

(4) Based on his or her review, the Director will send a written response to the State. If the response is adverse to the State's position, the correspondence shall state the State's right to appeal to the Departmental Grant Appeals Board, pursuant to part 16 of this title.

(e) Request for appeal of an adverse determination. (1) To appeal an adverse determination, a State agency must file an appeal with the Departmental Grant Appeals Board, in accordance with requirements contained in part 16 of this title.

(2) The State's application for review must be postmarked no later than 30

Either the State or the recipient may terminate this period sooner when either believes that the dispute cannot be resolved by conciliation.

(b) The State must provide an applicant for or recipient of refugee cash assistance an opportunity for a hearing, using the same procedures and standards set forth in §205.10(a) of this title, to contest a determination concerning employability, or failure or refusal to carry out job search or to accept an appropriate offer of employability services or employment, resulting in denial or termination of assistance.

Medically needy means individuals who are eligible for medical assistance under a State's approved Medicaid State plan in accordance with section 1902(a)(10)(C) of the Social Security Act.

APPLICATIONS, DETERMINATIONS OF ELIGIBILITY, AND FURNISHING ASSISTANCE

(d) In providing notice to an applicant or recipient to indicate that assistance has been authorized or that it has been denied or terminated, the State must specify the program(s) to which the notice applies, clearly distinguishing between refugee medical assistance and Medicaid. For example, if a refugee applies for assistance, is determined ineligible for Medicaid but eligible for refugee medical assistance, the notice must specify clearly the determinations with respect both to Medicaid and to refugee medical assistance.

§ 400.94 Determination of eligibility for Medicaid.
(a) The State must determine Medicaid eligibility under its Medicaid State plan for each individual member of a family unit that applies for medical assistance.

§ 400.207 Federal funding for administrative costs.

Federal funding is available for reasonable and necessary identifiable administrative costs of providing assistance and services under this part only for those assistance and service programs set forth in §§ 400.203 through 400.205 for which Federal funding is currently made available under the refugee program. A State may claim only those costs that are determined to be reasonable and allowable as defined by the Administration for Children and Families. Such costs may be included in a State's claims against its quarterly grants for the purposes set forth in §§ 400.203 through 400.205 of this part.

§ 400.208 Claims involving filing units which include both refugees and nonrefugees.

(a) Federal funding is available for a State's expenditures for assistance and services to a filing unit which includes a refugee parent or two refugee parents and one or more of their children who are nonrefugees, including children who are United States citizens.

(b) Federal funding is not available for a State's expenditures for assistance and services provided to a nonrefugee adult member of a filing unit or to a nonrefugee child or children in a filing unit if one parent in the filing unit is a nonrefugee.

§ 400.209 Claims involving filing units which include refugees who have been in the United States more than 36 months.

Federal funding is not available for State expenditures for cash and medical assistance and child welfare services (except services for unaccompanied minors) provided to any refugee within a filing unit who has been in the United States more than 36 months.

(a) More than 36 months if the filing unit is eligible for AFDC, SSI, Medicaid, GA, or child welfare services (except services for unaccompanied minors), or
§ 400.210  Time limits for obligating and expending funds and for filing State claims.

Federal funding is available for a State’s expenditures for assistance and services to eligible refugees for which the following time limits are met:

(a) CMA grants, as described at §400.11(a)(1) of this part:

(1) Except for services for unaccompanied minors, a State must use its CMA grants for costs attributable to the Federal fiscal year (FFY) in which the Department awards the grants. With respect to CMA funds used for services for unaccompanied minors, the State may use its CMA funds for services provided during the Federal fiscal year following the FFY in which the Department awards the grants.

(2) A State’s final financial report on expenditures of CMA grants, including CMA expenditures for services for unaccompanied minors, must be received no later than one year after the end of the FFY in which the Department awarded the grant. At that time, the Department will deobligate any unexpended funds, including any unliquidated obligations.

(b) Social service grants and targeted assistance grants, as described, respectively, at §§400.11(a)(2) and 400.311 of this part:

(1) A State must obligate its social service and targeted assistance grants no later than one year after the end of the FFY in which the Department awards the grant.

(2) A State’s final financial report on expenditures of social service and targeted assistance grants must be received no later than two years after the end of the FFY in which the Department awarded the grant. At that time, the Department will deobligate any unexpended funds, including any unliquidated obligations.

§ 400.211  Methodology to be used to determine time-eligibility of refugees.

(a) The time-eligibility period for refugee cash assistance and refugee medical assistance will be determined by the Director each year, based on appropriated funds available for the fiscal year. The Director will make a determination of the eligibility period each year as soon as possible after funds are appropriated for the refugee program, and also at subsequent points during the fiscal year, only if necessary, based on updated information on refugee flows and State reports on receipt of assistance and expenditures. The method to be used to determine the RCA/RMA eligibility period will include the following steps and will be applied to various RCA/RMA time-eligibility periods in order to determine the time-eligibility period which will provide the most number of months without incurring a shortfall in funds for the fiscal year.

(1) The time-eligibility population for the projected fiscal year will be estimated on the basis of the refugee admissions ceiling established by the President for that fiscal year and the anticipated arrival of other persons eligible for refugee assistance, to the extent that data on these persons are available. The anticipated pattern of refugee flow for the projected fiscal year will be estimated based on the best available historical and current refugee flow information that will most accurately forecast the refugee flow for the projected fiscal year. These arrival figures will then be used to determine the time-eligible population for a given duration of RCA/RMA benefits.

(2) The average annual member of RCA and RMA recipients will be determined by multiplying the estimated time-eligible population established in paragraph (a)(1) of this section by the estimated RCA and RMA participation rates. The RMA participation rate will take into account both RCA recipients, who are also eligible for RMA, and RMA-only recipients. Recipient data

from quarterly performance reports submitted by States for the most recent 4 quarters for which reports are available will be used to determine the appropriate participation rates for various RCA/RMA time-eligibility periods.

(3) The average annual per recipient cost for RCA and RMA will be estimated separately, based on estimated per recipient costs for the most recent fiscal year, using available data, and inflated for the projected fiscal year using projected increases in per capita AFDC cash assistance costs for RCA and per capita AFDC Medicaid costs for RMA.

(4) The expected average number of RCA recipients will be multiplied by the expected RCA per recipient cost to derive estimated RCA costs. The expected average annual number of RMA recipients will be multiplied by the expected RMA per recipient cost to derive estimated RMA costs.

(5) State administrative costs for the projected fiscal year for all States in the aggregate will be estimated based on total actual allowable expenditures for State administration for the most recent fiscal year. The variable portion of administrative costs will be adjusted for changes in program participation and inflated by the Consumer Price Index (CPI) for all items as estimated by the Office of Management and Budget (OMB). The fixed portion of administrative costs will be adjusted by the CPI inflator only.

(6) The total estimated costs for the projected fiscal year will equal the combined estimated costs for RCA, RMA, and State administration as calculated in paragraphs (a)(1) through (5) of this section.

(b) If, as the Director determines, the period of eligibility needs to be changed from the eligibility period in effect at the time, the Director will publish a final notice in the Federal Register, announcing the new period of eligibility for refugee cash assistance and refugee medical assistance and the effective date for implementing the new eligibility period. States will be given as much notice as available funds will allow without resulting in a further reduction in the eligibility period. At a minimum, States will be given 30 days' notice.

§ 400.301 Withdrawal from the refugee program.

(a) In the event that a State decides to cease participation in the refugee program, the State must provide 120 days advance notice to the Director before withdrawing from the program.

(b) To participate in the refugee program, a State is expected to operate all

Subpart K—Waivers and Withdrawals

§ 400.300 Waivers.

If a State wishes to apply for a waiver of a requirement of this part, the Director may waive such requirement with respect to such State, unless required by statute, if the Director determines that such waiver will advance the purposes of this part and is appropriate and consistent with Federal refugee policy objectives. To the fullest extent practicable, the Director will approve or disapprove an application for a waiver within 130 days of receipt of such application. The Director shall provide timely written notice of the reasons for denial to States whose applications are disapproved.

§ 400.301 Withdrawal from the refugee program.

(a) In the event that a State decides to cease participation in the refugee program, the State must provide 120 days advance notice to the Director before withdrawing from the program.

(b) To participate in the refugee program, a State is expected to operate all
components of the refugee program, including refugee cash and medical assistance, social services, preventive health, and an unaccompanied minors program if appropriate. A State is also expected to play a coordinating role in the provision of assistance and services in accordance with §400.5(b). In the event that a State wishes to retain responsibility for only part of the refugee program, it must obtain prior approval from the Director of ORR. Such approval will be granted only under extraordinary circumstances and if it is in the best interest of the Government.

(c) When a State withdraws from all or part of the refugee program, the Director may authorize a replacement designee or designees to administer the provision of assistance and services, as appropriate, to refugees in that State. A replacement designee must adhere to the same regulations under this part that apply to a State-administered program, with the exception of the following provisions: 45 CFR 400.5(a), 400.7, 400.55(b)(2), 400.56(a)(1), 400.56(a)(2), 400.56(b)(2)(i), 400.94(a), 400.94(b), 400.94(c), and subpart L. Certain provisions are excepted because they apply only to States and become moot when a State withdraws from participation in the refugee program and is replaced by another entity. States would continue to be responsible for administering the other excepted provisions because these provisions refer to the administration of other State-run public assistance programs.

Subpart L—Targeted Assistance

SOURCE: 60 FR 33604, June 28, 1995, unless otherwise noted.

§ 400.310 Basis and scope.

This subpart sets forth requirements concerning formula allocation grants to States under section 412(c)(2) of the Act for targeted assistance.

§ 400.311 Definitions.

For purposes of this subpart—

“Targeted assistance grants” means formula allocation funding to States for assistance to counties and similar areas in the States where, because of factors such as unusually large refugee populations (including secondary migration), high refugee concentrations, and high use of public assistance by refugees, there exists and can be demonstrated a specific need for supplementation of available resources for services to refugees.

§ 400.312 Opportunity to apply for services.

A State must provide any individual wishing to do so an opportunity to apply for targeted assistance services and determine the eligibility of each applicant.

FUNDING AND SERVICE PRIORITIES

§ 400.313 Use of funds.

A State must use its targeted assistance funds primarily for employability services designed to enable refugees to obtain jobs with less than one year’s participation in the targeted assistance program in order to achieve economic self-sufficiency as soon as possible. Targeted assistance services may continue to be provided after a refugee has entered a job to help the refugee retain employment or move to a better job. Targeted assistance funds may not be used for long-term training programs such as vocational training that last for more than a year or educational programs that are not intended to lead to employment within a year.

§ 400.314 Priority in provision of services.

A State must plan its targeted assistance program and allocate its targeted assistance funds in such a manner that services are provided to refugees in the following order of priority, except in certain individual extreme circumstances:

(a) Cash assistance recipients, particularly long-term recipients;
(b) Unemployed refugees who are not receiving cash assistance; and
(c) Employed refugees in need of services to retain employment or to attain economic independence.

§ 400.315 General eligibility requirements.

(a) For purposes of determining eligibility of refugees for services under
this subpart, the same standards and
criteria shall be applied as are applied
in the determination of eligibility for
refugee social services under §§ 400.150
and 400.152(a).

(b) A State may not provide services
under this subpart, except for referral
and interpreter services, to refugees
who have been in the United States for
more than 60 months, except that refu-
gees who are receiving employability
services, as defined in § 400.316, as of
September 30, 1996, as part of an em-
ployability plan, may continue to re-
ceive those services through September
30, 1996, or until the services are com-
pleted, whichever occurs first, regard-
less of their length of residence in the
U.S.

§ 400.316 Scope of targeted assistance
services.
A State may provide the same scope
of services under this subpart as may
be provided to refugees under §§ 400.154
and 400.155, with the exception of
§ 400.155(h).

§ 400.317 Service requirements.
In providing targeted assistance serv-
ces to refugees, a State must adhere to
the same requirements as are applied
to the provision of refugee social serv-
ces under § 400.156.

§ 400.318 Eligible grantees.
Eligible grantees are those agencies
of State governments which are re-
sponsible for the refugee program
under 45 CFR 400.5 in States containing
counties which qualify for targeted as-
sistance awards. The use of targeted
assistance funds for services to Cuban
and Haitian entrants is limited to
States which have an approved State
plan under the Cuban/Haitian Entrant
Program (CHEP).

§ 400.319 Allocation of funds.
(a) A State with more than one quali-
fying targeted assistance county may
allocate its targeted assistance funds
differently from the formula alloca-
tions for counties presented in the ORR
targeted assistance notice in a fiscal
year only on the basis of its population
of refugees who arrived in the U.S. dur-
ing the most recent 5-year period. A
State may use welfare data as an addi-
tional factor in the allocation of tar-
geted assistance funds if it so chooses;
however, a State may not assign a
greater weight to welfare data than it
has assigned to population data in its
allocation formula.

(b) A State must assure that not less
than 95 percent of the total award to
the State is made available to the
qualified county or counties, except in
those cases where the qualified county
or counties have agreed to let the
State administer the targeted assist-
ance program in the county’s stead.

Subpart A—Introduction

§ 402.1 General.

(a) These regulations implement section 204 of Pub. L. 99-603, the Immigration Reform and Control Act of 1986.
(IRCA), as amended. This act establishes a temporary program of State Legalization Impact Assistance Grants (SLIAG) for States. The purpose of SLIAG is to lessen the financial impact on State and local governments resulting from the adjustment of immigration status under the Act of certain groups of aliens residing in the States, the District of Columbia, Puerto Rico, the Virgin Islands, and Guam.

(b) Funds appropriated by section 204 may be applied by States with approved applications to certain State and local government costs incurred:

(1) In providing public assistance and public health assistance to eligible legalized aliens,

(2) For making payments to State educational agencies for the purpose of assisting local educational agencies in providing certain educational services to eligible legalized aliens,

(3) To provide public education and outreach to lawful temporary resident aliens concerning the adjustment to lawful permanent resident status and other matters,

(4) To make payments for education and outreach efforts by State agencies regarding unfair discrimination in employment practices based on national origin or citizenship status, and

(5) To administer the funds provided under this Part.

[56 FR 21246, May 7, 1991]

§ 402.2 Definitions.

As used in this part—

Allocation means an amount designated for a State, as determined under § 402.31, § 402.33, or § 402.34.

Allotment means the total amount awarded to a State, as determined under § 402.31, § 402.33, or § 402.34.

Department means the U.S. Department of Health and Human Services.

Educational Services means:

(2) For adult eligible legalized aliens:

(i) Services authorized under the Adult Education Act, 20 U.S.C. 1201 et seq. (Pub. L. 89–750, as amended), as in effect November 6, 1986, and

(ii) English language and other programs designed to enable eligible legalized aliens to attain the citizenship skills required by section 245A(b)(1)(D)(i) of the INA.

Eligible legalized alien means an alien whose status has been adjusted to lawful temporary resident under section 245A, 210, or 210A of the Immigration and Nationality Act, beginning on the effective date of such adjustment as established by the Immigration and Naturalization Service, and continuing until the end of the five-year period beginning on the effective date of such adjustment, provided that during that time the alien remains in lawful temporary or permanent resident status granted under the Act.

Employment discrimination education and outreach means education and outreach efforts by State agencies regarding unfair discrimination in employment practices based on national origin or citizenship status.

INA means the Immigration and Nationality Act, 8 U.S.C. 1101, et seq.

Local educational agency means—

(a) A public board of education or other public authority legally constituted within a State for either administrative control of or direction of, or to perform service functions for, public elementary or secondary schools in—

(1) A city, county, township, school district, or other political subdivision of a State; or

(2) Such combination of school districts or counties a State recognizes as an administrative agency for its public elementary or secondary schools; or

(b) Any other public institution or agency that has administrative control and direction of a public elementary or secondary school.

Local government has the same meaning as in 45 CFR part 92.

Nonpublic, as applied to an agency, organization, or institution, means that the agency, organization, or institution is nonprofit and is not under Federal or public supervision or control.
Phase II outreach means public education and outreach (including the provision of information to individuals) to inform temporary resident aliens under section 210, 210A, 245A of the INA and aliens whose applications for such status are pending with the Immigration and Naturalization Service regarding:

Public assistance means cash, medical, or other assistance provided to meet the basic subsistence needs or health needs of individuals.

1. That is generally available to needy individuals residing in a State and
2. That is provided with funds from units of State or local government.

As used in this definition, basic subsistence needs are minimal living requirements, including food, shelter and clothing. For purposes of this definition, assistance is considered to have been provided to needy individuals if specified income or resource requirements are used to determine eligibility or the amount of a fee or other charges to be paid for services. Other assistance means assistance and services, other than cash or medical assistance, that are directed at meeting basic subsistence needs, and that meet all of the criteria in this definition. Other assistance also means assistance and services in which participation is required as a condition of receipt of cash or medical assistance.

Recipient means grantee or subgrantee.

Secretary means the Secretary of the Department of Health and Human Services.

SLIAG administrative costs means the direct and indirect costs related to administration of funds provided under this part, including: planning and conferring with local officials, preparing the application, audits, allocation of funds, tracking and recordkeeping, monitoring use of funds, and reporting.

SLIAG-reimbursable activity means programs of public assistance, programs of public health assistance, educational services, employment discrimination education and outreach, Phase II outreach, program administrative costs, and SLIAG administrative costs, as those terms are defined in this part, that are included in a State's application approved pursuant to subpart E of this part.

SLIAG-related costs means expenditures made: To provide public assistance, public health assistance, or educational services, as defined in this part, to eligible legalized aliens; to provide public health assistance to aliens applying on a timely basis to become lawful temporary residents under sections 210, 210A, or 245A of the INA during such time as that alien's application with INS is pending approval; to provide employment discrimination education and outreach, as defined in this part; to provide Phase II outreach, as defined in this part; and for SLIAG administrative costs, as defined in this part. SLIAG-related costs include all
allowable expenditures, including program administrative costs determined in accordance with §402.21(c), regardless of whether those expenditures actually are reimbursed or paid for with funds allotted to the State under this part. SLIAG-related costs for educational services, Phase II outreach, and employment discrimination education and outreach are limited to the amount of payment that can be made under the Act for those activities, as described in §402.11(e), (k) and (l), respectively. SLIAG-related costs exclude: (1) Expenditures by a State or local government for costs which are reimbursed or paid for by Federal programs other than SLIAG; and (2) program income (as defined in 45 CFR 74.42 or 45 CFR 92.25(b), as applicable) received from or on behalf of eligible legalized aliens receiving services or benefits for which payment or reimbursement may be made under this part.

If no agency or officer qualifies under the preceding sentence, the term means an appropriate agency or officer designated for the purpose of the Act by the Governor.

Unexpended funds means the amount by which allotments awarded to a State, as determined under §402.31 and §402.33 of this part, exceed the State’s SLIAG-related costs, as defined in this part, reported in annual reports pursuant to §402.51 and accepted by the Department as of March 15, 1995.

Unreimbursed SLIAG-related costs means the amount by which a State’s total SLIAG-related costs, as defined in this part, reported in annual reports pursuant to §402.51 and accepted by the Department as of March 15, 1995, exceed the allotments awarded to a State, as determined under §402.31 and §402.33 of this part.

Subpart B—Use of Funds

§402.10 Allowable use of funds.

(a) Funds provided under §402.31 and §402.33 of this part for a fiscal year may be used only with respect to SLIAG-related costs incurred in that fiscal year or succeeding fiscal years, except that funds provided for FY 1993 and FY 1994 may be used for SLIAG-related costs incurred in FY 1990 or succeeding years. Funds provided under §402.34 of this part may be used with respect to SLIAG-related costs incurred in any fiscal year of the program. Funds may be used, subject to §§402.11 and 402.26, for the following activities, as defined in this part:

(1) Public assistance;
(2) Public health assistance;
(3) Educational services;
(4) Employment discrimination education and outreach;
(5) Phase II outreach;
(6) SLIAG administrative costs; and
(7) Program administrative costs.

(b) Unless specifically prohibited by a statute enacted subsequent to November 6, 1986, a State may use SLIAG funds to pay the non-Federal share of costs allowable under (a) of this section incurred in providing assistance or services to eligible legalized aliens under Federal programs that have a matching or cost-sharing requirement, subject to the provisions of §402.11(f) of this part.

(c) [Reserved]

(d) Except as provided for in §402.11(n), funds awarded under this part may be used to reimburse or pay SLIAG-related costs incurred prior to the approval of a State’s application or
§ 402.11 Limitations on Use of SLIAG Funds.

(a) Funds provided under this part may be used only for SLIAG-reimbursable activities that—

(1) Meet the definitions of §402.2 of this part; and

(2) Are otherwise consistent with the rules and procedures governing such activities.

(b) Funds provided under this part may not be used for costs to the extent that those costs are otherwise reimbursed or paid for under other Federal programs.

(c) The amount of reimbursement or payment may not exceed 100% of SLIAG-related costs, as defined in this part, associated with SLIAG-reimbursable activities.

(d) A State must use a minimum of 10 percent of its allotment under this part in any fiscal year for costs associated with each of the following program categories: public assistance, public health assistance, and educational services. In the event that a State does not require use of a full 10% in one of the above categories, it must allocate the unused portion equally among the remaining categories listed in this paragraph.

(e) Payments for educational services in any fiscal year may not exceed the amounts described in (e) (3), (4) and (5) of this section, and are subject to the limitations in (e) (1), (2), and (6) of this section.

(1) Payments may be made to a local educational agency in a fiscal year for the purpose of providing educational services to eligible legalized aliens enrolled in elementary or secondary school only if 500 eligible legalized aliens meeting the conditions in (e)(2) of this section, are enrolled in elementary or secondary public or non-public schools in the jurisdiction in that fiscal year or if such eligible legalized aliens represent at least 3 percent of the total number of students enrolled in elementary or secondary public or non-public schools within that local educational agency’s jurisdiction in that fiscal year.

(2) In computing payments to local education agencies or to providers of educational services described in section 204(c)(3)(C) of the Act, State educational agencies may take into account only eligible legalized aliens who have been enrolled in elementary or secondary school, public or non-public school or in educational activities for adults described in §402.2 in the United States for fewer than three complete academic years.

(3) The amount that may be paid in any fiscal year to a local educational agency with respect to eligible legalized aliens enrolled in elementary and secondary public or non-public school may not exceed an amount equal to $500 (less, in States receiving Emergency Immigrant Education Act (EIEA) funds, the amount described in (e)(6) of this section) multiplied by the number of eligible legalized aliens meeting the criteria specified in (e)(2) of this section, who are enrolled in public or private non-profit elementary and secondary schools in the jurisdiction of that local educational agency in that fiscal year.

(4) The amount that may be paid in any fiscal year to a local educational agency or other provider of educational services for adults (who are not enrolled in elementary or secondary school), as described in section 204(c)(3)(C) of the Act, may not exceed an amount equal to $500 multiplied by the number of eligible legalized aliens meeting the criteria in paragraph (e)(2) of this section who receive educational services from that provider in that fiscal year.

(5) In no event may the amount paid to a local education agency or other provider of educational services exceed the actual costs of providing those services to eligible legalized aliens, as determined in accordance with 45 CFR part 74 (for grants awarded in FY 1988) or 45 CFR part 92 (for grants awarded in FY 1989 and succeeding fiscal years).
(6) The maximum amount of payment to a local educational agency with respect to eligible legalized aliens enrolled in elementary and secondary school will be reduced from the amount described in (e)(3) of this section, by an amount equal to the amount of funds received by the local educational agency with respect to such eligible legalized aliens pursuant to section 606 of the Emergency Immigrant Education Act.

(f) Funds provided under this part may not be used to provide assistance under the programs of financial assistance from which eligible legalized aliens are barred by section 245A(h)(1), 210(f), or 210A(d)(6) of the INA. However, such funds may be used for the State and local share of the costs of providing such assistance to eligible legalized aliens who are excepted from the bar by section 245A(h)(2) or (3), 210(f), or 210A(d)(6) of the INA, provided that such individuals are otherwise eligible for benefits under such programs, and that the costs of providing those benefits are otherwise allowable under the Act, this regulation, and the State’s approved application.

(g) Funds provided under this part shall not be used to perform abortions except where the life of the mother would be endangered if the fetus were carried to term.

(h) Funds provided under this part shall not be used to reimburse or pay costs incurred by any public or private entity or any individual, in the conduct of a medical examination as required for application for adjustment to lawful temporary resident status under 8 CFR 245a.2(i), 8 CFR 210.2(d), or 8 CFR 210a.6(f).

(i) Funds provided under this part shall not be used for client counselling or any other service which would assume responsibility for the adjustment of status of aliens to that of lawful temporary or permanent residence. This prohibition includes assisting an alien to appeal INS decisions or representation of an alien before any administrative or judicial body.

(j) Funds under this part shall not be used to investigate or prosecute discrimination complaints beyond initial intake and referral, to pay legal fees or other expenses incurred to provide legal counsel to a party alleging discrimination, or to represent such parties before any administrative or judicial body.

(k) A State may use funds to make payments for Phase II outreach activities, including related program administration, from allotments made to it under this part for FY 1989 and succeeding fiscal years. The maximum amount that a State may use for this purpose from a fiscal year’s allotment is the greater of 1% of its allotment for that fiscal year or $100,000.

(l) A State may use funds to make payments for employment discrimination education and outreach activities, including related program administration, from allotments made to it under this part for FY 1989 and succeeding fiscal years. The maximum amount that a State may use from a fiscal year’s allotment for this purpose is the greater of 1% of the State’s allotment for that fiscal year or $100,000.

(m) [Reserved]

(n)(1) Except as provided for in paragraph (n)(2) of this section, a State may use SLIAG funds allotted to it for a fiscal year to reimburse or pay only those SLIAG-related costs for employment discrimination education and outreach activities which occurred after approval by the Department of an application or amendment describing those activities, as required by §402.41(d).

(2) Costs incurred in FY 1990 prior to approval by the Department of an application or amendment containing the information required by §402.41(d), but after December 18, 1989, for reproduction and dissemination of public information material certified by the Office of the Special Counsel for Immigration-Related Unfair Employment Practices, Department of Justice (hereafter, “Office of the Special Counsel”), pursuant to paragraph (o) of this section may be reimbursed with funds allotted under this part.

(o)(1) With respect to employment discrimination education and outreach, a State shall not use SLIAG funds to pay for the cost of producing or distributing materials prepared for public dissemination unless the Office of the Special Counsel has certified that
§ 402.12 Use of SLIAG Funds for Costs Incurred Prior to October 1, 1987.

(a) Except as indicated in (b) and (c) of this section, States may not use funds provided under this part of costs incurred prior to October 1, 1987.

(b) A State may use funds provided under this part for administrative costs incurred prior to October 1, 1987, but after November 6, 1986, that are directly associated with implementation of this part. Such costs may include planning, preparing the application, establishing fund accounting and reporting systems, data development associated with the application, and other costs directly resulting from planning for implementation of this part.

(c) A State may use funds provided under this part for costs incurred prior to October 1, 1987, but after November 6, 1986, in providing public health assistance to eligible legalized aliens and to applicants for lawful temporary residence under sections 210, 210A and 245a of the INA, in conformity with the provisions of §402.10(a).

Subpart C—Administration of Grants

§ 402.20 General provisions.

Except where otherwise required by Federal law, the Department rules codified at 45 CFR part 74 (for grants awarded in FY 1988) or 45 CFR part 92 (for grants awarded in FY 1989 and succeeding fiscal years), relating to the administration of grants, apply to funds awarded under this part. A State may, however, apply any or all provisions of part 92 to FY 1988 SLIAG funds.

[56 FR 19808, Apr. 30, 1991]

§ 402.21 Fiscal control.

(a) Fiscal control and accounting procedures must be sufficient to permit preparation of reports required by the Act, this regulation, and other applicable statutes and regulations.

(b) States must have accounting procedures in place which allow funds provided under this part to be traced from drawdown to allowable SLIAG-related costs. Allowability of the amount and purpose of expenditures must be established for each recipient of SLIAG funds. States must demonstrate that SLIAG-related costs, as defined in this part, incurred in SLIAG-reimbursable activities, equal or exceed the amount of SLIAG funds expended with respect to costs incurred in those activities. Documentation of the method of accounting and appropriate supporting information must be available for audit purposes and for Federal program reviews. To establish allowability of expenditures, States may use methods
prescribed in (c) of this section. Alternatively, the State may use any other reliable method of cost calculation, subject to Federal review.

(c)(1) For public assistance, States may establish allowability by accounting for actual expenditures made to or on behalf of identifiable eligible legalized aliens who qualify for and receive assistance and/or services from the recipient, or by use of a statistically valid sampling of a recipient’s public assistance caseload.

(2) For public health assistance, States may establish allowability by accounting for actual expenditures made to or on behalf of identifiable eligible legal- ized aliens, or applicants for lawful temporary resident status under sections 210, 210A, or 245A of the INA, who qualify for and receive such assistance and/or services, by use of a statistically valid sampling of clients in the public health system of the State or local government, or by using the ratio of eligible legalized aliens in a service population to all members of the relevant service population.

(3) For educational services, States must be able to demonstrate that:

(i) Funds provided under this part were used to provide educational services, as defined in this part, to eligible legalized aliens, as defined in this part; and,

(ii) Payments to local educational agencies or other providers of educational services, as described in section 204(c)(3)(C) of the Act, did not exceed the amounts described in §402.11(e) of this part.

(4) With respect to Phase II outreach, as defined in this part, a State must demonstrate that the costs of activities that provide information directly to specific individuals are attributable only to lawful temporary residents under sections 210, 210A, or 245A of the INA, and applicants for such status whose applications were pending with the Immigration and Naturalization Service at the time information is provided. For Phase II outreach activities that do not involve the provision of information directly to specific individuals, States must demonstrate that such activities are targeted predominantly to or intended primarily for lawful temporary residents under sections 210, 210A, or 245A of the INA or applicants for such status whose applications are pending with the Immigration and Naturalization Service at the time information is provided. The State must demonstrate that the amount of any fiscal year’s allotment used for this purpose did not exceed the amount described in §402.11(k) and was consistent with the limitations of §402.11(i).

(5) With respect to employment discrimination education and outreach, as defined in this part, the State must demonstrate that funds were expended only for activities described in the State’s approved application pursuant to §402.41(d) and the limitations of §402.11(i), (n), and (o) and that the amount of any fiscal year’s allotment used for this purpose did not exceed the amount described in §402.11(i).

(6)(i) For program administrative costs, as defined in this part, a State may establish allowability by use of the proportion of eligible legalized aliens provided assistance and/or services allowable under this part by a recipient, as defined in this part, relative to all persons provided such assistance and/or services, by use of the proportion of program or service costs actually incurred in providing assistance and/or services allowable under this part by a recipient, relative to all costs of providing the same assistance and/or services allowable under this part by the recipient; or by use of such other basis as will document that administrative costs incurred in providing such assistance and/or services and reimbursed under this part are allowable, allocable to SLIAG, and reasonable.

(ii) Consistent with section 604 of the Emergency Immigrant Education Act, of the amount paid to a State educational agency for educational services, only 1.5 percent may be used for administrative costs incurred by the State educational agency in carrying out its function under this part.

[53 FR 7858, Mar. 10, 1988, as amended at 56 FR 21247, May 7, 1991]

§ 402.22 [Reserved]

§ 402.23 Repayment.

The Department will order a State to repay amounts found not to have been
expended in accordance with Federal law, regulations, the State's approved application, or terms of the State's grant. If a State refuses to repay such amounts, the Department may offset the amount against any other amount to which the State is or may become entitled under this part.

§ 402.24 Withholding.

After notice and opportunity for a hearing, the Secretary may withhold payment of funds to any State which is not using its allotment in accordance with the Act, these regulations, 45 CFR part 74 (for grants awarded in FY 1988) or 45 CFR part 92 (for grants awarded in FY 1989 and succeeding fiscal years), and terms of the grant award.

§ 402.25 Appeals.

Appeals under this Subpart will be subject to 45 CFR Part 16, Procedures of the Departmental Grant Appeals Board.

§ 402.26 Time period for obligation and expenditure of grant funds.

(a) Any amount awarded to a State for a fiscal year and remaining unobligated at the end of such year shall remain available to the State for obligation in subsequent fiscal years, but not after September 30, 1994. The funding period of a SLIAG grant begins on October 1 of the Federal fiscal year for which the allotment is made and ends on September 30, 1994.

(b) Obligations by the State of funds awarded under § 402.31 and § 402.33 must be liquidated within the time limit set by 45 CFR 92.23(b). This time limit will not be extended. The time limit established by 45 CFR 92.23(b) does not apply to funds awarded under § 402.34.

[53 FR 7858, Mar. 10, 1988, as amended at 56 FR 65727, Dec. 21, 1994]

Subpart D—State Allocations

§ 402.30 Basis of awards.

The Secretary will award funds in a fiscal year under § 402.31 or § 402.33 to States with approved applications for that fiscal year in accordance with the apportionment of funds from the Office of Management and Budget. The Secretary will award funds under § 402.34 to States whose annual reports submitted pursuant to § 402.51 establish that their allowable SLIAG-related costs exceed the total of their allotments, as determined under § 402.31 and § 402.33. The grant award constitutes the authority to draw and expend funds for the purposes set forth in the Act and this regulation.

applications) or FY 1992 (for FY 1993 applications) or FY 1993 (for FY 1994 applications), pursuant to §402.52(e)(4). In the event that a State has not submitted an approved report for a fiscal year, the Department will include no costs for that fiscal year in its calculation.

§ 402.32 Determination of state allotments.

Except as noted below, a State's allotment is the difference between the amount determined under §402.31(b) of this regulation and the cumulative amount previously allotted to the State. In the event that the amount determined under §402.31(b) is less than the cumulative amount previously allotted to a State, that State's allotment will be zero. The allotments of the remaining States would be calculated by multiplying the difference between the amount determined under §402.31(b) of this regulation and the cumulative amount previously allotted to the State by the ratio of the amount of funds available for grants to States to the sum of the differences between the amounts determined under §402.31(b) and the amounts previously awarded to those States.

§ 402.33 Allotment of excess funds.

If a State fails to qualify for an allotment in a particular fiscal year because it did not submit an approvable application by the deadline established in §402.43 of this part, or is not allotted its designated allocation amount because it indicated in its application that it does not intend to use, in the fiscal year for which the application is made or in any succeeding fiscal year before FY 1995, the full amount of its allocation, funds which would otherwise have been allotted to the State in that fiscal year shall be allotted among the remaining States submitting timely approved applications in proportion to the amount that otherwise would have been allotted to such State in that fiscal year.

§ 402.34 Allocation of unexpended funds.

(a) Any unexpended funds, as defined in this part, from allotments awarded to States under §402.31 and §402.33 of this part, will be allocated to States with unexpensed SLIAG-related costs, as defined in this part.

(b) To determine the allocations, the ratio of each State's unexpensed SLIAG-related costs to the total of all such costs in all States will be calculated. The ratio for each State with unexpensed SLIAG-related costs will be multiplied by total unexpensed funds to determine the allocation for each State. The amount allotted to a State will be the amount of the State's allocation under this section or the amount of the State's unexpensed SLIAG-related costs, whichever is less.

Subpart E—State Applications

§ 402.40 General.

In order to be eligible for funds available under §402.31 and §402.33 of this part in a fiscal year, a State must submit an annual application. A State's application must be approved by the Secretary prior to the award of funds to that State. In order to be eligible for funds under §402.34 of this part, a State must submit annual reports pursuant to §402.51 which establish that the State has incurred SLIAG-related costs in excess of the amount of the allotments it received under §402.31 and §402.33 of this part.

§ 402.41 Application content.

A State application must:

(a) Contain certifications by the chief executive officer or an individual specifically designated to make such certifications on behalf of the chief executive officer that, notwithstanding other contents of the application, the State assures that:
§ 402.41

(1) Funds allotted to the State will be used only to carry out the purposes described in the Act and this part.

(2) The State will provide a fair method for the allocation of funds among State and local agencies (as determined by the State) in accordance with the information in the application as required under (b) and (c) of this section and in accordance with the provisions of §402.11(d) of this part, which sets forth minimum funding levels for program categories.

(3) Fiscal control and accounting procedures used in the administration of SLIAG funds will be established that are adequate to meet the requirements established by the Act and this regulation.

(4) The State will comply with the prohibitions against discrimination on the basis of age under the Age Discrimination Act of 1975, on the basis of handicap under section 504 of the Rehabilitation Act of 1973, on the basis of sex under title IX of the Education Amendments of 1972, on the basis of race, color, or national origin under title VI of the Civil Rights Act of 1964, and on the basis of sex or religion under section 204(h)(1)(B) of the Immigration Reform and Control Act of 1986.

(b) Contain information on the number of eligible legalized aliens residing in the State. A State may either (1) adopt as its official State-level estimate the estimate of the State’s number of eligible legalized aliens provided by the Department, or (2) provide its own estimate, including detailed information on the method and data used in deriving the estimate. If a State has previously provided this information to the Department, it need not be included in the application unless the information has changed.

(c) Contain an estimate of likely SLIAG-related costs for the fiscal year for which application is being made for each program or activity in which SLIAG-related costs will be incurred. Programs and activities must be identified by the purposes listed in §402.10(a). Such estimates for FY 1988 should include, as a discrete subset, costs incurred in FY 1987, pursuant to §402.12.

(d) Contain the following information pertaining to the estimates required by paragraph (c) of this section (the application must include sufficient detail to permit assessment by the Department of the reasonableness of such estimates and the allowability of such costs under the Act and this part):

(i) Descriptions of the programs and activities for which SLIAG-related costs will be incurred; and,

(ii) If a State elects to use its allotment for employment discrimination education and outreach, a description of the State’s planned education and outreach activities, including: descriptions of the kinds of government or private agencies or other entities, if any, through which these activities will be conducted; brief descriptions of the targeted audience(s) for these activities; and, preproduction copies or the text of any material intended for distribution to the public to be produced or disseminated with SLIAG funds, if available at the time the application is submitted.

(2) Descriptions of the methodologies used to determine SLIAG-related cost. This description is to include (i) the methodology used in determining the proportion (or actual number) of eligible legalized aliens who are likely to participate in or benefit from the program or service, and (ii) a description of how a unit or other measure of the cost of providing services or benefits was calculated, or, if the estimate is based on actual cost data, a description of how the data were obtained. For SLIAG administrative costs, Phase II outreach, and employment discrimination education and outreach, the descriptions must instead include the basis for the estimate of SLIAG-related costs, as defined in this Part.

(e) Contain information on the criteria for and administrative methods of disbursing funds received under this part.

(f) Designate a single point of contact (SPOC) in the State responsible for securing and submitting information required by the Act and this regulation and provide the name, title, mailing address, and telephone number of such official. If the grantee agency is different from the SPOC, also provide the name, title, mailing address, and telephone number of the official in that agency responsible for State administration of funds available under this
§ 402.42 Application format.

A State may determine the format of its application as long as it contains all the information required by §402.41.

§ 402.43 Application deadline.

(a) An application from a State for SLIAG funds for any Federal fiscal year except fiscal years 1993 and 1994 must be received by the Department by October 1 of that fiscal year. Applications for fiscal years 1993 and 1994 must be received by July 1, 1992, and July 1, 1993, respectively. If a State fails to submit an application by this date, funds which it may otherwise have been eligible to receive shall be distributed among States submitting timely approved applications in accordance with §402.33 of this Part.

(b) In order to receive funds under this part, a State's application for any fiscal year except fiscal years 1993 and 1994 must be approvable by the Secretary by December 15 of that fiscal year. Applications for fiscal years 1993 and 1994 must be approvable by the Secretary by September 15, 1992, and September 15, 1993, respectively. This may necessitate a State's providing clarification, revision, or additional material, as required, to render its application approvable by the Secretary. If a State fails to render its application approvable by the Secretary by these dates, funds which it may otherwise have been eligible to receive shall be distributed among States which have submitted approved applications in accordance with §402.32 of this Part.

(c) The Department will notify the State that (1) its application has been approved or (2) its application has been disapproved, together with the reasons for disapproval.

(d)(1) The Department will forward to the Office of Special Counsel information provided by a State pursuant to §402.41(d).

(d)(1) The Department will forward to the Office of Special Counsel information provided by a State pursuant to §402.41(d).

(d)(2) The Office of the Special Counsel will review information forwarded to it by the Department pursuant to paragraph (d)(1) of this section to determine whether the activities described therein conflict with or unnecessarily duplicate other employment discrimination education and outreach efforts.

§ 402.44 Basis for approval.

(a) The Department will review each State's application to ensure that it contains all of the required assurances and information and otherwise is consistent with the Act and this part.

(b) The Department will assess the reasonableness of each State's estimates of SLIAG-related costs, as required by §402.41(c) (1) and (2), based on the following:

(1) Are the activities for which estimates are included in the application allowable under the Act and this part?

(2) Are the rates of participation by eligible legalized aliens in the activities for which estimates of SLIAG-related costs are included in the application and other assumptions underlying the cost estimates based on reliable empirical data?

(3) To what extent are the estimates based on actual costs incurred? Are actual costs based on methodologies described in this part or other methodologies likely to result in valid measures of SLIAG-related costs?

(4) Do current estimates appear to be consistent with past estimates, known actual costs pursuant to §402.41(c)(2), and current INS eligible legalized alien population data?

(5) Are revised estimates a result (all or in part) of changes in program activities?

(c) The Department will notify the State that (1) its application has been approved or (2) its application has been disapproved, together with the reasons for disapproval.

(d)(1) The Department will forward to the Office of Special Counsel information provided by a State pursuant to §402.41(d).

(d)(2) The Office of the Special Counsel will review information forwarded to it by the Department pursuant to paragraph (d)(1) of this section to determine whether the activities described therein conflict with or unnecessarily duplicate other employment discrimination education and outreach efforts.

Certification to the Department by the Office of the Special Counsel that the State's submission meets this criterion.
§ 402.45 Amendments to applications.

(a)(1) If, during the course of a fiscal year, a State adds a program or activity for which it intends to claim reimbursement or make payment in that fiscal year, it must submit an amendment (containing appropriate information pursuant to § 402.41(c)) to its approved application for that fiscal year prior to the due date for reports required by § 402.51 of this part.

(2) If a State plans to initiate employment discrimination education and outreach activities not described in its application pursuant to § 402.41(d), it must submit an application amendment, which shall be reviewed in accordance with procedures described in §402.41(d) of this part. The Department’s approval of such an amendment is a prerequisite for the initiation of such new activities, except as provided for in §402.11(n) (2).

(b) Except as provided for in §402.11(k) and (n), a State may use SLIAG funds received for a fiscal year to reimburse or pay SLIAG related costs for programs or activities described in paragraph (a) of this section retroactive to the date the activity began, but no earlier than the first day of the fiscal year and only to the extent described in §402.10(d), except that funds received in FY 1992, if any, may be used for costs incurred on or after October 1, 1989. Costs incurred prior to October 1, 1987, are allowable only to the extent described in §402.12.

§ 402.50 Recordkeeping.

A State must provide for the maintenance of such records as are necessary:

(a) To meet the requirements of the Act and Department regulations relating to retention of and access to records;

(b) To allow the State to provide to the Department (1) an accurate description of its activities undertaken with SLIAG funds, and (2) a complete record of the purposes for which SLIAG funds were spent, and of the recipients of such funds; and

(c) To allow the Department and auditors of the State to determine the extent to which SLIAG funds were expended consistent with the Act and this regulation.

§ 402.51 Reporting.

(a)(1) After the end of each Federal fiscal year through FY 1994 for which it received or during which it obligated or expended SLIAG funds and by the due date indicated below, a State must submit annual reports containing the information identified in (c) and (e) of this section. The reports are due no later than 90 days after the end of a Federal fiscal year.

(2) A State which receives funds pursuant to § 402.31 and § 402.33 and which expends funds pursuant to § 402.26(b) must submit a report containing the information identified in paragraph (e) of this section. The report is due no later than December 29, 1994.

(b)(1) Failure to submit the annual report required in (a) of this section by the deadline, without prior written permission from the Secretary, constitutes a basis for withholding of SLIAG funds.

(2) Failure by a State to submit the required information prior to the calculation of allocations pursuant to Subpart D will result in the Secretary’s including no SLIAG-related costs for the fiscal year for that State in the calculation of State allocations.

(c) A State’s annual report must provide information on the status of each fiscal year’s funds, as of September 30, for the fiscal year for funds received under §402.31 and §402.33, including:

(1) Identification of the amount obligated and the amount expended by the State grantee agency;

(2) Identification of any amount remaining unobligated at the end of the fiscal year which the State intends to carry over to succeeding fiscal years; and,

(3) Identification of any amount remaining unobligated at the end of the
fiscal year which the State does not desire to carry over to the succeeding fiscal year.

(d) A State must use SF-269 in its reporting under paragraph (c) of this section, but it may determine the format of its annual report content under paragraph (e) of this section.

(e)(1) For all years except fiscal years 1992 and 1993, a State's annual report must also provide the actual SLIAG-related costs incurred during the fiscal year. The report must provide, for each program or activity identified in the State's application, the amount of SLIAG-related costs, as defined in this part, incurred in that program or activity, identified as public assistance, public health assistance, educational services, Phase II outreach, employment discrimination education and outreach, and SLIAG administrative costs, as defined in this part, the amount of SLIAG funds obligated for that program or activity, and the time period for which the funds were obligated.

(2) The report must contain a description of the methodology used to determine actual SLIAG-related costs, if different from the description provided in the State's application pursuant to §402.41(d)(2) of this part.

(3) Federal and State costs of providing assistance under a State plan approved under title XIX of the Social Security Act to aliens whose status has been adjusted under sections 245A and 210A of the INA by virtue of the exceptions to the bar to Medicaid eligibility (sections 245A(h)(2) and (3) of the INA) must be shown separately in States' reports.

(4) For fiscal years 1992 and 1993, a State must report actual SLIAG-related costs, pursuant to paragraphs (e)(1), (2) and (3) of this section, for the first and second quarters, along with its application for SLIAG funding for fiscal years 1993 and 1994, respectively, in accordance with §402.43(a) of this part, and for the third and fourth quarters in accordance with paragraph (a) of this section.
