

the payments before the collection can be made.

(5) Separated employee. If the employee is already separated and all payments due from his or her former paying agency have been paid, the Board may request, unless otherwise prohibited, that money due and payable to the employee from the Civil Service Retirement and Disability Fund (5 CFR part 831, subpart R, or 5 CFR part 845, subpart D) or other similar funds, be administratively offset to collect the debt.

(6) Employee transfer. When an employee transfers from one paying agency to another paying agency, the Board will not repeat the due process procedures described in 5 U.S.C. 5514 and this subpart to resume the collection. The Board will submit a properly certified claim to the new paying agency and will subsequently review the debt to make sure the collection is resumed by the new paying agency.

(b) *Responsibility of the Board as the paying agency.* (1) *Complete claim.* When the Board receives a certified claim from a creditor agency, deductions should be scheduled to begin within three officially established pay intervals. Before deductions can begin, the employee will receive a written notice from the Board including:

(i) A statement that the Board has received a certified debt claim from the creditor agency;

(ii) The amount of the debt claim;

(iii) The date salary offset deductions will begin, and

(iv) The amount of such deductions.

(2) *Incomplete claim.* When the Board receives an incomplete certification of debt from a creditor agency, the Board will return the debt claim with a notice that procedures under 5 U.S.C. 5514 and 5 CFR part 550, subpart K, must be followed and a properly certified debt claim received before action will be taken to collect from the employee's current pay account.

(3) *Review.* The Board is not authorized to review the merits of the creditor agency's determination with respect to the amount or validity of the debt certified by the creditor agency.

(4) *Employees who transfer from one paying agency to another.* If, after the creditor agency has submitted the debt

claim to the Board, the employee transfers from the Board to a different paying agency before the debt is collected in full, the Board will certify the total amount collected on the debt and notify the employee and the creditor agency in writing. The notification to the creditor agency will include information on the employee's transfer.

§ 1639.29 Refunds.

(a) If the Board is the creditor agency, it will promptly refund any amount deducted under the authority of 5 U.S.C. 5514, when:

(1) The debt is waived or all or part of the funds deducted are otherwise found not to be owed; or

(2) An administrative or judicial order directs the Board to make a refund.

(b) Unless required or permitted by law or contract, refunds under this section will not bear interest.

§ 1639.30 Non-waiver of rights by payments.

An employee's involuntary payment of all or any portion of a debt being collected under this subpart must not be construed as a waiver of any rights which the employee may have under 5 U.S.C. 5514 or any other provisions of a written contract or law, unless there are statutory or contractual provisions to the contrary.

Subpart C—Tax Refund Offset

§ 1639.40 Applicability and scope.

(a) The regulations in this subpart implement 31 U.S.C. 3720A which authorizes the Department of the Treasury to reduce a tax refund by the amount of a past-due legally enforceable debt owed to a Federal agency.

(b) For purposes of this section, a past-due legally enforceable debt referable to the Department of the Treasury is a debt that is owed to the Board; and:

(1) Is at least \$25.00 dollars;

(2) Except in the case of a judgment debt, has been delinquent for at least three months and will not have been delinquent more than 10 years at the time the offset is made;

§ 1639.41

5 CFR Ch. VI (1–1–98 Edition)

(3) Cannot be currently collected under the salary offset provisions of 5 U.S.C. 5514;

(4) Is ineligible for administrative offset under 31 U.S.C. 3716(a) by reason of 31 U.S.C. 3716(c)(2) or cannot be collected by administrative offset under 31 U.S.C. 3716(a) by the Board against amounts payable to the debtor by the Board;

(5) With respect to which the Board has given the debtor at least 60 days to present evidence that all or part of the debt is not past due or legally enforceable, has considered evidence presented by the debtor, and has determined that an amount of the debt is past due and legally enforceable;

(6) Which has been disclosed by the Board to a credit reporting agency as authorized by 31 U.S.C. 3711(e), unless the credit reporting agency would be prohibited from reporting information concerning the debt by reason of 15 U.S.C. 1681c;

(7) With respect to which the Board has notified or has made a reasonable attempt to notify the debtor that:

(i) The debt is past due, and

(ii) Unless repaid within 60 days thereafter, the debt will be referred to the Department of the Treasury for offset against any overpayment of tax; and

(8) All other requirements of 31 U.S.C. 3720A and the Department of Treasury regulations relating to the eligibility of a debt for tax return offset have been satisfied.

§ 1639.41 Procedures for tax refund offset.

(a) The Board will be the point of contact with the Department of the Treasury for administrative matters regarding the offset program.

(b) The Board will ensure that the procedures prescribed by the Department of the Treasury are followed in developing information about past-due debts and submitting the debts to the IRS.

(c) The Board will submit a notification of a taxpayer's liability for past-due legally enforceable debt to the Department of the Treasury which will contain:

(1) The name and taxpayer identifying number (as defined in section 6109

of the Internal Revenue Code, 26 U.S.C. 6109) of the person who is responsible for the debt;

(2) The dollar amount of the past-due and legally enforceable debt;

(3) The date on which the original debt became past due;

(4) A statement certifying that, with respect to each debt reported, all of the requirements of eligibility of the debt for referral for the refund offset have been satisfied. See § 1639.40(b).

(d) The Board shall promptly notify the Department of the Treasury to correct Board data submitted when it:

(1) Determines that an error has been made with respect to a debt that has been referred;

(2) Receives or credits a payment on the debt; or

(3) Receives notice that the person owing the debt has filed for bankruptcy under Title 11 of the United States Code or has been adjudicated bankrupt and the debt has been discharged.

(e) When advising debtors of an intent to refer a debt to the Department of the Treasury for offset, the Board will also advise the debtors of all remedial actions available to defer or prevent the offset from taking place.

§ 1639.42 Notice requirements before tax refund offset.

(a) The Board must notify, or make a reasonable attempt to notify, the person:

(1) The amount of the debt and that the debt is past due; and

(2) Unless repaid within 60 days, the debt will be referred to the Department of the Treasury for offset against any refund of overpayment of tax.

(b) The Board will provide a mailing address for forwarding any written correspondence and a contact name and telephone number for any questions concerning the offset.

(c) The Board will give the individual debtor at least 60 days from the date of the notice to present evidence that all or part of the debt is not past due or legally enforceable. The Board will consider the evidence presented by the individual and will make a determination whether any amount of the debt is past due and legally enforceable. For purposes of this section, evidence that collection of the debt is affected by a

bankruptcy proceeding involving the individual will bar referral of the debt to the Department of the Treasury.

(d) Notice given to a debtor under paragraphs (a), (b), and (c) of this section shall advise the debtor of how he or she may present evidence to the Board that all or part of the debt is not past due or legally enforceable. Such evidence may not be referred to, or considered by, individuals who are not officials, employees, or agents of the United States in making the determination required under paragraph (c) of this section. Unless such evidence is directly considered by an official or employee of the Board, and the determination required under paragraph (c) of this section has been made by an official or employee of the Board, any unresolved dispute with the debtor regarding whether all or part of the debt is past due or legally enforceable must be referred to the Board for ultimate administrative disposition, and the Board must directly notify the debtor of its determination.

Subpart D—Administrative Offset

§ 1639.50 Applicability and scope.

(a) The regulations in this subpart apply to the collection of debts owed to the Board, or from a request for an offset received by the Board from a Federal agency. Administrative offset is authorized under section 5 of the Federal Claims Collection Act of 1966, as amended by the Debt Collection Act of 1982 (31 U.S.C. 3716). The regulations in this subpart are consistent with the Federal Claims Collection Standards on administrative offset issued jointly by the Department of Justice and the General Accounting Office as set forth in 4 CFR 102.3.

(b) The Executive Director, after attempting to collect a debt owed to the Board under section 3(a) of the Federal Claims Collection Act of 1966, as amended (31 U.S.C. 3711(a)), may collect the debt by administrative offset, subject to the following:

- (1) The debt is certain in amount; and
- (2) It is in the best interest of the Board to collect the debt by administrative offset because of the decreased costs of collection and acceleration in the payment of the debt.

(c) The Executive Director may initiate administrative offset with regard to debts owed by a person to a Federal agency, so long as the funds to be offset are not payable from net assets available for Thrift Savings Plan benefits. The head of the creditor agency, or his or her designee, must submit a written request for the offset with a certification that the debt exists and that the person has been afforded the necessary due process rights.

(d) The Executive Director may request another agency that holds funds payable to a Fund debtor to pay the funds to the Board in settlement of the debt. The Board will provide certification that:

- (1) The debt exists; and
- (2) The person has been afforded the necessary due process rights.

(e) If the six-year period for bringing action on a debt provided in 28 U.S.C. 2415 has expired, then administrative offset may be used to collect the debt only if the costs of bringing such an action are likely to be less than the amount of the debt.

(f) No collection by administrative offset will be made on any debt that has been outstanding for more than 10 years unless facts material to the Board or a Federal agency's right to collect the debt were not known, and reasonably could not have been known, by the official or officials responsible for discovering and collecting the debt.

(g) The regulations in this subpart do not apply to:

- (1) A case in which administrative offset of the type of debt involved is explicitly provided for or prohibited by another statute; or
- (2) Debts owed to the Board by Federal agencies or by any State or local government.

§ 1639.51 Notice procedures.

Before collecting any debt through administrative offset, the Board will send a notice of intent to offset to the debtor by certified mail, return receipt requested, at the most current address that is available to the Board. The notice will provide:

- (a) A description of the nature and amount of the debt and the intention of the Board to collect the debt through administrative offset;
