- Table of CFR Titles and Chapters ................................................... 803
- Alphabetical List of Agencies Appearing in the CFR ......................... 819
- Redesignation Tables ........................................................................ 829
- List of CFR Sections Affected .......................................................... 837
Cite this Code: CFR

To cite the regulations in this volume use title, part and section number. Thus, 5 CFR 1200.1 refers to title 5, part 1200, section 1.
Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

- Title 1 through Title 16..............................................................as of January 1
- Title 17 through Title 27.................................................................as of April 1
- Title 28 through Title 41.............................................................as of July 1
- Title 42 through Title 50.............................................................as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, January 1, 1998), consult the “List of CFR Sections Affected (LSA),” which is issued monthly, and the “Cumulative List of Parts Affected,” which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cutoff date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96-511) requires Federal agencies to display an OMB control number with their information collection request.
Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

**OBsolete PROVISIONS**

Provisions that become obsolete before the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on a given date in the past by using the appropriate numerical list of sections affected. For the period before January 1, 1986, consult either the List of CFR Sections Affected, 1949-1963, 1964-1972, or 1973-1985, published in seven separate volumes. For the period beginning January 1, 1986, a “List of CFR Sections Affected” is published at the end of each CFR volume.

**CFR INDEXES AND TABULAR GUIDES**

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Statutory Authorities and Agency Rules (Table I), and Acts Requiring Publication in the Federal Register (Table II). A list of CFR titles, chapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.

An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

**REPUBLICATION OF MATERIAL**

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

**INQUIRIES**

For a legal interpretation or explanation of any regulation in this volume, contact the issuing agency. The issuing agency’s name appears at the top of odd-numbered pages.

For inquiries concerning CFR reference assistance, call 202-523-5227 or write to the Director, Office of the Federal Register, National Archives and Records Administration, Washington, DC 20408 or e-mail info@fedreg.nara.gov.

§ 1200.1 Statement of purpose.

The Merit Systems Protection Board (the Board) is an independent Government agency that operates like a court. The Board was created to ensure that all Federal government agencies follow Federal merit systems practices. The Board does this by adjudicating Federal employee appeals of agency personnel actions, and by conducting special reviews and studies of Federal merit systems.

§ 1200.2 Board members and duties.

(a) The Board has three members whom the President appoints and the Senate confirms. Members of the Board serve seven-year terms.

(b) The President appoints, with the Senate's consent, one member of the Board to serve as Chairman and chief executive officer of the Board. The President also appoints one member of the Board to serve as Vice Chairman. If the office of the Chairman is vacant or the Chairman cannot perform his or her duties, then the Vice Chairman performs the Chairman's duties. If both the Chairman and the Vice Chairman cannot perform their duties, then the remaining Board Member performs the Chairman's duties.

§ 1200.3 How the Board members make decisions.

(a) The three Board members make decisions in all cases by majority vote except in circumstances described in paragraphs (b) and (c) of this section or as otherwise provided by law.

(b) When due to a vacancy, recusal or other reasons, the Board members are unable to decide any case by majority vote, the decision, recommendation or order under review shall be deemed the final decision or order of the Board. The Chairman of the Board may direct the issuance of an order consistent with this paragraph.

(c) When due to a vacancy, recusal or other reasons, the Board members are unable to decide a matter in a case which does not involve a decision, recommendation or order, the Chairman may direct referral of the matter to an administrative judge or other official for final disposition.

(d) Decisions and orders issued pursuant to paragraphs (b) and (c) of this section shall not be precedential.

(e) This section applies only when at least two Board members are in office.

§ 1200.10 Staff organization and functions.

(a) The Board's headquarters staff is organized into the following offices and divisions:

(1) Office of Regional Operations.

(2) Office of the Administrative Law Judge.

(3) Office of Appeals Counsel.

(4) Office of the Clerk of the Board.

(5) Office of the General Counsel.

(6) Office of Policy and Evaluation.

§ 1200.10

   (9) Termination of appointment during a managerial or supervisory probationary period when the employee alleges discrimination because of partisan political affiliation or marital status (5 CFR 315.908(b));
   (10) Separation, demotion, or furlough for more than 30 days, when the action was effected because of a reduction in force (5 CFR 351.901);
   (11) Furlough of a career appointee in the Senior Executive Service (5 CFR 359.805);
   (12) Failure to restore, improper restoration of, or failure to return following a leave of absence an employee or former employee of an agency in the executive branch (including the U.S. Postal Service and the Postal Rate Commission) following partial or full recovery from a compensable injury (5 CFR 353.304);
   (13) Employment of another applicant when the person who wishes to appeal to the Board is entitled to priority employment consideration after a reduction-in-force action, or after partial or full recovery from a compensable injury (5 CFR 302.501, 5 CFR 330.209);
   (14) Failure to reinstate a former employee after service under the Foreign Assistance Act of 1961 (5 CFR 352.508);
   (15) Failure to re-employ a former employee after movement between executive agencies during an emergency (5 CFR 352.209);
   (16) Failure to re-employ a former employee after service under the Foreign Assistance Act of 1961 (5 CFR 352.508);
   (17) Failure to re-employ a former employee after service under the Indian Self-Determination Act (5 CFR 352.707);
   (18) Failure to re-employ a former employee after service under the Taiwan Relations Act (5 CFR 352.807);
   (19) Employment practices administered by the Office of Personnel Management to examine and evaluate the qualifications of applicants for appointment in the competitive service (5 CFR 300.104);
   (20) Removal of a career appointee from the Senior Executive Service for failure to be recertified (5 U.S.C. 3592(a)(3), 5 CFR 359.304);
(21) Reduction-in-force action affecting a career or career candidate appointee in the Foreign Service (5 U.S.C. 4011); and

(22) Non-compliance by a Federal executive agency employer or the Office of Personnel Management with the provisions of chapter 43 of title 38 of the United States Code relating to the employment or reemployment rights or benefits to which a person is entitled after service in the uniformed services (38 U.S.C. 4324, 5 CFR 353.211), excluding any action related to benefits to be provided under the Thrift Savings Plan under title 5 of the United States Code (38 U.S.C. 4322(f)).

(b) Appeals involving an allegation that the action was based on appellant's "whistleblowing." Appeals of actions appealable to the Board under any law, rule, or regulation, in which the appellant alleges that the action was taken because of the appellant's "whistleblowing" (a violation of the prohibited personnel practice described in 5 U.S.C. 2302(b)(8)), are governed by part 1209 of this title. The provisions of subparts B, C, E, F, and G of part 1201 apply to appeals and stay requests governed by part 1209 unless other specific provisions are made in that part. The provisions of subpart H of this part regarding awards of attorney fees and consequential damages under 5 U.S.C. 1221(g) apply to appeals governed by part 1209 of this chapter.

(c) Limitations on appellate jurisdiction, collective bargaining agreements, and election of procedures:

(1) For an employee covered by a collective bargaining agreement under 5 U.S.C. 7121, the negotiated grievance procedures contained in the agreement are the exclusive procedures for resolving any action that could otherwise be appealed to the Board, with the following exceptions:

(i) An appealable action involving discrimination under 5 U.S.C. 2302(b)(1), reduction in grade or removal under 5 U.S.C. 4303, or adverse action under 5 U.S.C. 7512, may be raised under the Board's appellate procedures, or under the negotiated grievance procedures, but not under both;

(ii) An appealable action involving a prohibited personnel practice other than discrimination under 5 U.S.C. 2302(b)(1) may be raised under more than one of the following procedures:

(A) The Board's appellate procedures;

(B) The negotiated grievance procedures;

or

(C) The procedures for seeking corrective action from the Special Counsel under subchapters II and III of chapter 12 of title 5 of the United States Code.

(ii) Except for actions involving discrimination under 5 U.S.C. 2302(b)(1) or any other prohibited personnel practice, any appealable action that is excluded from the application of the negotiated grievance procedures may be raised only under the Board's appellate procedures.

(2) Choice of procedure. When an employee has an option of pursuing an action under the Board's appeal procedures or under negotiated grievance procedures, the Board considers the choice between those procedures to have been made when the employee timely files an appeal with the Board or timely files a written grievance, whichever event occurs first. When an employee has the choice of pursuing an appealable action involving a prohibited personnel practice other than discrimination under 5 U.S.C. 2302(b)(1) in accordance with paragraph (c)(1)(i)(ii) of this section, the Board considers the choice among those procedures to have been made when the employee timely files an appeal with the Board, timely files a written grievance under the negotiated grievance procedure, or seeks corrective action from the Special Counsel by making an allegation under 5 U.S.C. 1214(a)(1), whichever event occurs first.

(3) Review of discrimination grievances. If an employee chooses the negotiated grievance procedure under paragraph (c)(2) of this section and alleges discrimination as described at 5 U.S.C. 2302(b)(1), then the employee, after having obtained a final decision under the negotiated grievance procedure, may ask the Board to review that final decision. The request must be filed with the Clerk of the Board in accordance with §1201.154.

§ 1201.4 General definitions.

(a) Judge. Any person authorized by the Board to hold a hearing or to decide a case without a hearing, including an attorney-examiner, an administrative judge, an administrative law judge, the Board, or any member of the Board.

(b) Pleading. Written submission setting out claims, allegations, arguments, or evidence. Pleadings include briefs, motions, petitions, attachments, and responses.

(c) Motion. A request that a judge take a particular action.

(d) Appropriate regional or field office. The regional or field office of the Board that has jurisdiction over the area where the appellant’s duty station was located when the agency took the action. Appeals of Office of Personnel Management reconsideration decisions concerning retirement benefits, and appeals of adverse suitability determinations under 5 CFR part 731, must be filed with the regional or field office that has jurisdiction over the area where the appellant lives. Appendix II of these regulations lists the geographic areas over which each of the Board’s regional and field offices has jurisdiction. Appeals, however, may be transferred from one regional or field office to another.

(e) Party. A person, an agency, or an intervenor, who is participating in a Board proceeding. This term applies to the Office of Personnel Management and to the Office of Special Counsel when those organizations are participating in a Board proceeding.

(f) Appeal. A request for review of an agency action.

(g) Petition for review. A request for review of an initial decision of a judge.

(h) Day. Calendar day.

(i) Service. The process of furnishing a copy of any pleading to Board officials, other parties, or both, either by mail, by facsimile, by personal delivery, or by commercial overnight delivery.

(j) Date of service. The date on which documents are served on other parties.

(k) Certificate of Service. A document certifying that a party has served copies of pleadings on the other parties.

(l) Date of filing. A document that is filed with a Board office by personal delivery is considered filed on the date on which the Board office receives it. The date of filing by facsimile is the date of the facsimile. The date of filing by mail is determined by the postmark date; if no legible postmark date appears on the mailing, the submission is presumed to have been mailed five days (excluding days on which the Board is closed for business) before its receipt. The date of filing by commercial overnight delivery is the date the document was delivered to the commercial overnight delivery service.

Subpart B—Procedures for Appellate Cases

GENERAL

§ 1201.11 Scope and policy.

The regulations in this subpart apply to Board appellate proceedings except as otherwise provided in §1201.13. The regulations in this subpart also apply to appellate proceedings and stay requests covered by part 1209 unless other specific provisions are made in that part. These regulations also apply to original jurisdiction proceedings of the Board except as otherwise provided in subpart D. It is the Board’s policy that these rules will be applied in a manner that expedites the processing of each case, with due regard to the rights of all parties.

§ 1201.12 Revocation, amendment, or waiver of rules.

The Board may revoke, amend, or waive any of these regulations. A judge may, for good cause shown, waive a Board regulation unless a statute requires application of the regulation. The judge must give notice of the waiver to all parties, but is not required to give the parties an opportunity to respond.

§ 1201.13 Appeals by Board employees.

Appeals by Board employees will be filed with the Clerk of the Board and will be assigned to an administrative law judge for adjudication under this
subchapter. The Board’s policy is to insulate the adjudication of its own employees’ appeals from agency involvement as much as possible. Accordingly, the Board will not disturb initial decisions in those cases unless the party shows that there has been harmful procedural irregularity in the proceedings before the administrative law judge or a clear error of law. In addition, the Board, as a matter of policy, will not rule on any interlocutory appeals or motions to disqualify the administrative law judge assigned to those cases until the initial decision has been issued.

Appeal of Agency Action; Pleadings

§ 1201.21 Notice of appeal rights.

When an agency issues a decision notice to an employee on a matter that is appealable to the Board, the agency must provide the employee with the following:

(a) Notice of the time limits for appealing to the Board, the requirements of § 1201.22(c), and the address of the appropriate Board office for filing the appeal;

(b) A copy, or access to a copy, of the Board’s regulations;

(c) A copy of the appeal form in appendix I of this part; and

(d) Notice of any right the employee has to file a grievance.

§ 1201.22 Filing an appeal and responses to appeals.

(a) Place of filing. Appeals, and responses to those appeals, must be filed with the appropriate Board regional or field office. See §1201.4(d) of this part.

(b) Time of filing. (1) Except as provided in paragraph (b)(2) of this section, an appeal must be filed no later than 30 days after the effective date, if any, of the action being appealed, or 30 days after the date of receipt of the agency’s decision, whichever is later. The time for filing is computed in accordance with §1201.23 of this part. A response to an appeal must be filed within 20 days of the date of the Board’s acknowledgment order.

(2) (i) Where a person alleges non-compliance with the provisions of chapter 43 of title 38 of the United States Code relating to the employment or reemployment rights or benefits to which a person is entitled after service in the uniformed services (see paragraph (a)(22) of §1201.3 of this part), he or she may file an appeal directly with the Board within 180 days after the alleged act or incidence of non-compliance.

(ii) Where a person seeks assistance from the Secretary of Labor under 38 U.S.C. 4321 but does not file a complaint under 38 U.S.C. 4322(a), he or she may file an appeal directly with the Board within 180 days after the alleged act or incidence of non-compliance, whichever is later. A copy of the Secretary’s notification must be submitted with the appeal.

(iii) Where a person files a complaint with the Secretary of Labor under 38 U.S.C. 4322(a) and receives notification under 38 U.S.C. 4322(e) that the Secretary has been unable to resolve the matter, he or she may subsequently file an appeal with the Board within 30 days after the date of receipt of the Secretary’s notification or within 180 days after the alleged act or incidence of non-compliance, whichever is later. A copy of the Secretary’s notification must be submitted with the appeal.

(iv) Where the Secretary of Labor refers a person’s complaint to the Special Counsel under 38 U.S.C. 4322(a) and the person receives notification that the Special Counsel declines to represent the person in an appeal to the Board, he or she may subsequently file an appeal with the Board within 30 days after the date of receipt of the Special Counsel’s notification or within 180 days after the alleged act or incidence of non-compliance, whichever is later. A copy of the Special Counsel’s notification must be submitted with the appeal.

(v) Where the Secretary of Labor refers a person’s complaint to the Special Counsel under 38 U.S.C. 4322(a) and the Special Counsel agrees to represent the person in an appeal to the Board, the Special Counsel may file an appeal with the Board at any time thereafter.

(c) Timeliness of appeals. If a party does not submit an appeal within the time set by statute, regulation, or order of a judge, it will be dismissed as untimely filed unless a good reason for the delay is shown. The judge will provide the party an opportunity to show why the appeal should not be dismissed as untimely.
(d) Method of filing. Filing must be made with the appropriate Board office by personal delivery, by facsimile, by mail, or by commercial overnight delivery.

§ 1201.26 Number of pleadings, service, and response.

(a) Number. The appellant must file two copies of both the appeal and all attachments with the appropriate Board office.
§ 1201.27 Class appeals.

(a) Appeal. One or more employees may file an appeal as representatives of a class of employees. The judge will hear the case as a class appeal if he or she finds that a class appeal is the fairest and most efficient way to adjudicate the appeal and that the representative of the parties will adequately protect the interests of all parties. When a class appeal is filed, the time from the filing date until the judge issues his or her decision under paragraph (b) of this section is not counted in computing the time limit for individual members of the potential class to file individual appeals.

(b) Procedure. The judge will consider the appellant’s request and any opposition to that request, and will issue an order within 30 days after the appeal is filed stating whether the appeal is to be heard as a class appeal. If the judge denies the request, the appellants affected by the decision may file individual appeals within 30 days after the date of receipt of the decision denying the request to be heard as a class appeal. Each individual appellant is responsible for either filing an individual appeal within the original time limit, or keeping informed of the status of a class appeal and, if the class appeal is denied, filing an individual appeal within the additional 35-day period.

(c) Standards. In determining whether it is appropriate to treat an appeal as a class action, the judge will be guided but not controlled by the applicable provisions of the Federal Rules of Civil Procedure.

§ 1201.31 Representatives.

(a) A party to an appeal may be represented in any matter related to the appeal. The parties must designate their representatives, if any, in writing. Any change in representation, and any revocation of a designation of representative, also must be in writing. Notice of the change must be filed and served on the other parties in accordance with § 1201.26 of this part.

(b) A party may choose any representative as long as that person is willing and available to serve. The other party or parties may challenge the designation, however, on the ground that it involves a conflict of interest or a conflict of position. Any party who challenges the designation must do so by filing a motion with the judge within 15 days after the date of service of the notice of designation. The judge will rule on the motion before considering the merits of the appeal. These procedures apply equally to each designation of representative, regardless of whether the representative was the first one designated by a party or a subsequently designated representative. If a representative is disqualified, the judge will give the party whose representative was disqualified a reasonable time to obtain another one.

(c) The judge, on his or her own motion, may disqualify a party’s representative on the grounds described in paragraph (b) of this section.
§ 1201.34 Intervenors and amicus curiae.

(a) Explanation of Intervention. Intervenors are organizations or persons who want to participate in a proceeding because they believe the proceeding, or its outcome, may affect their rights or duties. Intervenors as a “matter of right” are those parties who have a statutory right to participate. “Permissive” intervenors are those parties who may be permitted to participate if the proceeding will affect them directly and if intervention is otherwise appropriate under law. A request to intervene may be made by motion filed with the judge.

(b) Intervenors as a matter of right. (1) The Director of the Office of Personnel Management may intervene as a matter of right under 5 U.S.C. 7701(d)(1). The motion to intervene must be filed at the earliest practicable time.

(2)(i) Except as provided in paragraph (b)(2)(ii) of this section, the Special Counsel may intervene as a matter of right under 5 U.S.C. 1212(c). The motion to intervene must be filed at the earliest practicable time.

(ii) The Special Counsel may not intervene in an action brought by an individual under 5 U.S.C. 7701, without the consent of that individual. The Special Counsel...
must present evidence that the individual has consented to the intervention at the time the motion to intervene is filed.

(c) Permissive intervenors. (1) Any person, organization or agency may, by motion, ask the judge for permission to intervene. The motion must explain the reason why the person, organization or agency should be permitted to intervene.

(2) A motion for permission to intervene will be granted where the requester will be affected directly by the outcome of the proceeding. Any person alleged to have committed a prohibited personnel practice under 5 U.S.C. 2302(b) may request permission to intervene. A judge’s denial of a motion for permissive intervention may be appealed to the Board under §1201.91 of this part.

(d) Role of intervenors. Intervenors have the same rights and duties as parties, with the following two exceptions:

(1) Intervenors do not have an independent right to a hearing; and

(2) Permissive intervenors may participate only on the issues affecting them. The judge is responsible for determining the issues on which permissive intervenors may participate.

e) Amicus curiae. An amicus curiae is a person or organization that, although not a party to an appeal, gives advice or suggestions by filing a brief with the judge regarding an appeal. Any person or organization, including those who do not qualify as intervenors, may, in the discretion of the judge, be granted permission to file an amicus curiae brief.

§ 1201.35 Substituting parties.

(a) If an appellant dies or is otherwise unable to pursue the appeal, the processing of the appeal will only be completed upon substitution of a proper party. Substitution will not be permitted where the interests of the appellant have terminated because of the appellant’s death or other disability.

(b) The representative or proper party must file a motion for substitution within 90 days after the death or other disabling event, except for good cause shown.

(c) In the absence of a timely substitution of a party, the processing of the appeal may continue if the interests of the proper party will not be prejudiced.

§ 1201.36 Consolidating and joining appeals.

(a) Explanation. (1) Consolidation occurs when the appeals of two or more parties are united for consideration because they contain identical or similar issues. For example, individual appeals rising from a single reduction in force might be consolidated.

(2) Joinder occurs when one person has filed two or more appeals and they are united for consideration. For example, a judge might join an appeal challenging a 30-day suspension with a pending appeal challenging a subsequent dismissal if the same appellant filed both appeals.

(b) Action by judge. A judge may consolidate or join cases on his or her own motion or on the motion of a party if doing so would:

(1) Expedite processing of the cases; and

(2) Not adversely affect the interests of the parties.

(c) Any objection to a motion for consolidation or joinder must be filed within 10 days of the date of service of the motion.

§ 1201.37 Witness fees.

(a) Federal employees. Employees of a Federal agency or corporation testifying in any Board proceeding or making a statement for the record will be in official duty status and will not receive witness fees.

(b) Other witnesses. Other witnesses (whether appearing voluntarily or under subpoena) shall be paid the same fee and mileage allowances which are paid subpoenaed witnesses in the courts of the United States.

(c) Payment of witness fees and travel costs. The party requesting the presence of a witness must pay that witness’ fees. Those fees must be paid or offered to the witness at the time the subpoena is served, or, if the witness appears voluntarily, at the time of appearance. A Federal agency or corporation is not required to pay or offer witness fees in advance.

§ 1201.42 Disqualifying a judge.

(a) If a judge considers himself or herself disqualified, he or she will withdraw from the case, state on the record the reasons for doing so, and immediately notify the Board of the withdrawal.

(b) A party may file a motion asking the judge to withdraw on the basis of personal bias or other disqualification. This motion must be filed as soon as the party has reason to believe there is a basis for disqualification. The reasons for the request must be set out in an affidavit or sworn statement under 28 U.S.C. 1746. (See appendix IV.)

(c) If the judge denies the motion, the party requesting withdrawal may request certification of the issue to the
§ 1201.43 Sanctions.

The judge may impose sanctions upon the parties as necessary to serve the ends of justice. This authority covers, but is not limited to, the circumstances set forth in paragraphs (a), (b), and (c) of this section.

(a) Failure to comply with an order. When a party fails to comply with an order, the judge may:
(1) Draw an inference in favor of the requesting party with regard to the information sought;
(2) Prohibit the party failing to comply with the order from introducing evidence concerning the information sought, or from otherwise relying upon testimony related to that information;
(3) Permit the requesting party to introduce secondary evidence concerning the information sought; and
(4) Eliminate from consideration any appropriate part of the pleadings or other submissions of the party that fails to comply with the order.

(b) Failure to prosecute or defend appeal. If a party fails to prosecute or defend an appeal, the judge may dismiss the appeal with prejudice or rule in favor of the appellant.

(c) Failure to make timely filing. The judge may refuse to consider any motion or other pleading that is not filed in a timely fashion in compliance with this subpart.

§ 1201.51 Scheduling the hearing.

(a) The hearing will be scheduled not earlier than 15 days after the date of the hearing notice unless the parties agree to an earlier date. The agency, upon request of the judge, must provide appropriate hearing space.

(b) The judge may change the time, date, or place of the hearing, or suspend, adjourn, or continue the hearing. The change will not require the 15-day notice provided in paragraph (a) of this section.

(c) Either party may file a motion for postponement of the hearing. The motion must be made in writing and must either be accompanied by an affidavit or sworn statement under 28 U.S.C. 1746. (See appendix IV.) The affidavit or sworn statement must describe the reasons for the request. The judge will grant the request for postponement only upon a showing of good cause.

(d) The Board has established certain approved hearing locations, which are published as a Notice in the Federal Register. See appendix III. Parties, for good cause, may file motions requesting a different hearing location. Rulings on those motions will be based on a showing that a different location will be more advantageous to all parties and to the Board.

§ 1201.52 Public hearings.

Hearings are open to the public. The judge may order a hearing or any part of a hearing closed, however, when doing so would be in the best interests of the appellant, a witness, the public, or any other person affected by the proceeding. Any order closing the hearing will set out the reasons for the judge's decision. Any objections to the order will be made a part of the record.

§ 1201.53 Verbatim record.

(a) Preparation. A verbatim record of every hearing, made under the supervision of the judge, will be kept and will be the sole official record of the proceeding.

(b) Copies. Upon request, and upon payment of costs, a copy of a tape recording or transcript (if one is prepared) of the hearing will be made available to the parties. Parties must direct requests for copies of tape recordings or transcripts to the official hearing reporter.

(c) Exceptions to payment of costs. Exceptions to the payment requirement may be granted under extenuating circumstances for good cause shown. A motion for an exception must be filed with the judge. The reasons for the request must be set out in an affidavit or sworn statement under 28 U.S.C. 1746. (See appendix IV.)

(d) Corrections. Corrections of the official transcript may be permitted on motion by a party or on the judge's own motion. Motions for corrections must be filed within 10 days after the receipt of a transcript. Corrections of
the official transcript will be permitted only when errors of substance are involved and only on approval of the judge.

§ 1201.54 Official record. Exhibits and the verbatim record of testimony, if a hearing is held, together with all pleadings filed during the appellate proceedings, and all orders and decisions of the judge and the Board, constitute the exclusive and official record of the case.

§ 1201.55 Motions.
(a) Form. All motions, except those made during a prehearing conference or a hearing, must be in writing. All motions must include a statement of the reasons supporting them. Written motions must be filed with the judge or the Board, as appropriate, and must be served upon all other parties in accordance with §1201.26(b)(2) of this part. A party filing a motion for extension of time, a motion for postponement of a hearing, or any other procedural motion must first contact the other party to determine whether there is any objection to the motion, and must state in the motion whether the other party has an objection.
(b) Objection. Unless the judge provides otherwise, any objection to a written motion must be filed within 10 days from the date of service of the motion. Judges, in their discretion, may grant or deny motions for extension of time to file pleadings without providing any opportunity to respond to the motions.
(c) Motions for extension of time. Motions for extension of time will be granted only on a showing of good cause.
(d) Motions for protective orders. A motion for an order under 5 U.S.C. 1204(a)(3)(B) to protect a witness or other individual from harassment must be filed as early in the proceeding as practicable. The party seeking a protective order must include a concise statement of reasons justifying the motion, together with any relevant documentary evidence. An agency, other than the Office of Special Counsel, may not request such an order with respect to an investigation by the Special Counsel during the Special Counsel’s investigation. An order issued under this paragraph may be enforced in the same manner as provided under subpart F for Board final decisions and orders.

§ 1201.56 Burden and degree of proof; affirmative defenses. (a) Burden and degree of proof—(1) Agency: Under 5 U.S.C. 7701(c)(1), and subject to the exceptions stated in paragraph (b) of this section, the agency action must be sustained if:
(i) It is brought under 5 U.S.C. 3592(a)(3), 5 U.S.C. 4303 or 5 U.S.C. 5335 and is supported by substantial evidence; or
(ii) It is brought under any other provision of law or regulation and is supported by a preponderance of the evidence.
(2) Appellant. The appellant has the burden of proof, by a preponderance of the evidence, with respect to:
(i) Issues of jurisdiction;
(ii) The timeliness of the appeal; and
(iii) Affirmative defenses.
In appeals from reconsideration decisions of the Office of Personnel Management involving retirement benefits, if the appellant filed the application, the appellant has the burden of proving, by a preponderance of the evidence, entitlement to the benefits. An appellant who has received an overpayment from the Civil Service Retirement and Disability Fund has the burden of proving, by substantial evidence, eligibility for waiver or adjustment.
(b) Affirmative defenses of the appellant. Under 5 U.S.C. 7701(c)(2), the Board is required to overturn the action of the agency, even where the agency has met the evidentiary standard stated in paragraph (a) of this section, if the appellant:
(1) Shows harmful error in the application of the agency’s procedures in arriving at its decision;
(2) Shows that the decision was based on any prohibited personnel practice described in 5 U.S.C. 2302(b); or
(3) Shows that the decision was not in accordance with law.
(c) Definitions. The following definitions apply to this part:
§ 1201.57

(1) Substantial evidence. The degree of relevant evidence that a reasonable person, considering the record as a whole, might accept as adequate to support a conclusion, even though other reasonable persons might disagree. This is a lower standard of proof than preponderance of the evidence.

(2) Preponderance of the evidence. The degree of relevant evidence that a reasonable person, considering the record as a whole, would accept as sufficient to find that a contested fact is more likely to be true than untrue.

(3) Harmful error. Error by the agency in the application of its procedures that is likely to have caused the agency to reach a conclusion different from the one it would have reached in the absence or cure of the error. The burden is upon the appellant to show that the error was harmful, i.e., that it caused substantial harm or prejudice to his or her rights.

§ 1201.58 Order of hearing.

(a) In cases in which the agency has taken an action against an employee, the agency will present its case first.

(b) The appellant will proceed first at hearings convened on the issues of:

(1) Jurisdiction;

(2) Timeliness; or

(3) Office of Personnel Management disallowance of retirement benefits, when the appellant applied for those benefits.

(c) The judge may vary the normal order of presenting evidence.

§ 1201.59 Closing the record.

(a) When there is a hearing, the record ordinarily will close at the conclusion of the hearing. When the judge allows the parties to submit argument, briefs, or documents previously identified for introduction into evidence, however, the record will remain open for as much time as the judge grants for that purpose.

(b) If the appellant waives the right to a hearing, the record will close on the date the judge sets as the final date for the receipt or filing of submissions of the parties.

(c) Once the record closes, no additional evidence or argument will be accepted unless the party submitting it shows that the evidence was not readily available before the record closed. The judge will include in the record, however, any supplemental citations received from the parties or approved corrections of the transcript, if one has been prepared.

EVIDENCE

§ 1201.61 Exclusion of evidence and testimony.

Any evidence and testimony that is offered in the hearing and excluded by the judge will be described, and that description will be made a part of the record.

§ 1201.62 Producing prior statements.

After an individual has given evidence in a proceeding, any party may request a copy of any prior signed statement made by that individual that is relevant to the evidence given. If the party refuses to furnish the statement, the judge may exclude the evidence given.

§ 1201.63 Stipulations.

The parties may stipulate to any matter of fact. The stipulation will satisfy a party's burden of proving the fact alleged.

§ 1201.64 Official notice.

Official notice is the Board's or judge's recognition of certain facts without requiring evidence to be introduced establishing those facts. The judge, on his or her own motion or on the motion of a party, may take official notice of matters of common knowledge or matters that can be verified. The parties may be given an opportunity to object to the taking of official notice. The taking of official notice of any fact satisfies a party's burden of proving that fact.

DISCOVERY

§ 1201.71 Purpose of discovery.

Proceedings before the Board will be conducted as expeditiously as possible with due regard to the rights of the parties. Discovery is designed to enable a party to obtain relevant information needed to prepare the party's case.
§ 1201.72 Explanation and scope of discovery.

(a) Explanation. Discovery is the process, apart from the hearing, by which a party may obtain relevant information, including the identification of potential witnesses, from another person or a party, that the other person or party has not otherwise provided. Relevant information includes information that appears reasonably calculated to lead to the discovery of admissible evidence. This information is obtained to assist the parties in preparing and presenting their cases. The Federal Rules of Civil Procedure may be used as a general guide for discovery practices in proceedings before the Board. Those rules, however, are instructive rather than controlling.

(b) Scope. Discovery covers any nonprivileged matter that is relevant to the issues involved in the appeal, including the existence, description, nature, custody, condition, and location of documents or other tangible things, and the identity and location of persons with knowledge of relevant facts. Discovery requests that are directed to nonparties and nonparty Federal agencies and employees are limited to information that appears directly material to the issues involved in the appeal.

(c) Methods. Parties may use one or more of the methods provided under the Federal Rules of Civil Procedure. These methods include written interrogatories, depositions, requests for production of documents or things for inspection or copying, and requests for admission.

§ 1201.73 Discovery procedures.

(a) Discovery from a party. A party seeking discovery from another party must start the process by serving a request for discovery on the representative of the other party or the party if there is no representative. The request for discovery must state the time limit for responding, as prescribed in §1201.73(d), and must specify the time and place of the taking of the deposition, if applicable.

When a party directs a request for discovery to an officer or employee of a Federal agency that is a party, the agency must make the officer or employee available on official time to respond to the request, and must assist the officer or employee as necessary in providing relevant information that is available to the agency.

(b) Discovery from a nonparty, including a nonparty Federal agency. Parties should try to obtain voluntary discovery from nonparties whenever possible. A party seeking discovery from a nonparty Federal agency must start the process by serving a request for discovery on the nonparty Federal agency or employee. A party may begin discovery from other nonparties by serving a request for discovery on the nonparty directly. If the party seeking the information does not make that request, or if it does so but fails to obtain voluntary cooperation, it may obtain discovery from a nonparty by filing a written motion with the judge, showing the relevance, scope, and materiality of the particular information sought. If the party seeks to take a deposition, it should state in the motion the date, time, and place of the proposed deposition. An authorized official of the Board will issue a ruling on the motion, and will serve the ruling on the moving party. That official will also provide that party with a subpoena, if approved, that is directed to the individual or entity from which discovery is sought. The subpoena will specify the manner in which the party may seek compliance with it, and it will specify the time limit for seeking compliance. The party seeking the information is responsible for serving any Board-approved discovery request and subpoena on the individual or entity, or for arranging for their service.

(c) Responses to discovery requests. (1) A party, or a Federal agency that is not a party, must answer a discovery request within the time provided under paragraph (d)(2) of this section, either by furnishing to the requesting party the information or testimony requested or agreeing to make deponents
available to testify within a reasonable time, or by stating an objection to the particular request and the reasons for the objection.

(2) If a party fails or refuses to respond in full to a discovery request, or if a nonparty fails or refuses to respond in full to a Board-approved discovery order, the requesting party may file a motion to compel discovery. The requesting party must file the motion with the judge, and must serve a copy of the motion on the other party and on any nonparty entity or person from whom the discovery was sought. The motion must be accompanied by:

(i) A copy of the original request and a statement showing that the information sought is relevant and material; and

(ii) A copy of the response to the request (including the objections to discovery) or, where appropriate, a statement that no response has been received, along with an affidavit or sworn statement under 28 U.S.C. 1746 supporting the statement. (See appendix IV.)

(3) The other party and any other entity or person from whom discovery was sought may respond to the motion to compel discovery within the time limits stated in paragraph (d)(4) of this section.

(d) Time limits.

(1) Parties who wish to make discovery requests or motions must serve their initial requests or motions within 25 days after the date on which the judge issues an order to the respondent agency to produce the agency file and response.

(2) A party or nonparty must file a response to a discovery request promptly, but not later than 20 days after the date of service of the request or order of the judge. Any discovery requests following the initial request must be served within 10 days of the date of service of the prior response, unless the parties are otherwise directed. Deposition witnesses must give their testimony at the time and place stated in the request for deposition or in the subpoena, unless the parties agree on another time or place.

(3) Any motion to depose a nonparty (along with a request for a subpoena) must be submitted to the judge within the time limits stated in paragraph (d)(1) of this section or as the judge otherwise directs.

(4) Any motion for an order to compel discovery must be filed with the judge within 10 days of the date of service of objections or, if no response is received, within 10 days after the time limit for response has expired. Any pleading in opposition to a motion to compel discovery must be filed with the judge within 10 days of the date of service of the motion.

(5) Discovery must be completed within the time the judge designates.

§ 1201.74 Orders for discovery.

(a) Motion for an order compelling discovery. Motions for orders compelling discovery and motions for the appearance of nonparties must be filed with the judge in accordance with §1201.73(c)(2) and (d)(4).

(b) Content of order. Any order issued will include, where appropriate:

(1) A provision that the person to be depoised must be notified of the time and place of the deposition;

(2) Any conditions or limits concerning the conduct or scope of the proceedings or the subject matter that may be necessary to prevent undue delay or to protect a party or other individual or entity from undue expense, embarrassment, or oppression;

(3) Limits on the time for conducting depositions, answering written interrogatories, or producing documentary evidence; and

(4) Other restrictions upon the discovery process that the judge sets.

(c) Noncompliance. The judge may impose sanctions under §1201.43 of this part for failure to comply with an order compelling discovery.

§ 1201.75 Taking depositions.

Depositions may be taken by any method agreed upon by the parties. The person providing information is subject to penalties for intentional false statements.

Subpoenas

§ 1201.81 Requests for subpoenas.

(a) Request. Parties who wish to obtain subpoenas that would require the attendance and testimony of witnesses, or subpoenas that would require the
production of documents or other evidence under 5 U.S.C. 1204(b)(2)(A), should file their motions for those subpoenas with the judge. Subpoenas are not ordinarily required to obtain the attendance of Federal employees as witnesses.

(b) Form. Parties requesting subpoenas must file their requests, in writing, with the judge. Each request must identify specifically the books, papers, or testimony desired.

(c) Relevance. The request must be supported by a showing that the evidence sought is relevant and that the scope of the request is reasonable.

(d) Rulings. Any judge who does not have the authority to issue subpoenas will refer the request to an official with authority to rule on the request, with a recommendation for decision. The official to whom the request is referred will rule on the request promptly. Judges who have the authority to rule on these requests themselves will do so directly.

§ 1201.82 Motions to quash subpoenas.
Any person to whom a subpoena is directed, or any party, may file a motion to quash or limit the subpoena. The motion must be filed with the judge, and it must include the reasons why compliance with the subpoena should not be required or the reasons why the subpoena's scope should be limited.

§ 1201.83 Serving subpoenas.
(a) Any person who is at least 18 years of age and who is not a party to the appeal may serve a subpoena. The means prescribed by applicable state law are sufficient. The party who requested the subpoena, and to whom the subpoena has been issued, is responsible for serving the subpoena.

(b) A subpoena directed to an individual outside the territorial jurisdiction of any court of the United States may be served in the manner described by the Federal Rules of Civil Procedure for service of a subpoena in a foreign country.

§ 1201.84 Proof of service.
The person who has served the subpoena must certify that he or she did so:

(a) By delivering it to the witness in person,
(b) By registered or certified mail, or
(c) By delivering the subpoena to a responsible person (named in the document certifying the delivery) at the residence or place of business (as appropriate) of the person for whom the subpoena was intended.

The document in which the party makes this certification also must include a statement that the prescribed fees have been paid or offered.

§ 1201.85 Enforcing subpoenas.
(a) If a person who has been served with a Board subpoena fails or refuses to comply with its terms, the party seeking compliance may file a written motion for enforcement with the judge or make an oral motion for enforcement while on the record at a hearing. That party must present the document certifying that the subpoena was served and, except where the witness was required to appear before the judge, must submit an affidavit or sworn statement under 28 U.S.C. 1746 (see appendix IV) describing the failure or refusal to obey the subpoena. The Board, in accordance with 5 U.S.C. 1204(c), may then ask the appropriate United States district court to enforce the subpoena. If the person who has failed or refused to comply with a Board subpoena is located in a foreign country, the U.S. District Court for the District of Columbia will have jurisdiction to enforce compliance, to the extent that a U.S. court can assert jurisdiction over an individual in the foreign country.

(b) Upon application by the Special Counsel, the Board may seek court enforcement of a subpoena issued by the Special Counsel in the same manner in which it seeks enforcement of Board subpoenas, in accordance with 5 U.S.C. 1212(b)(3).

INTERLOCUTORY APPEALS

§ 1201.91 Explanation.
An interlocutory appeal is an appeal to the Board of a ruling made by a judge during a proceeding. The judge may permit the appeal if he or she determines that the issue presented in it is of such importance to the proceeding...
that it requires the Board's immediate attention. Either party may make a motion for certification of an interlocutory appeal. In addition, the judge, on his or her own motion, may certify an interlocutory appeal to the Board. If the appeal is certified, the Board will decide the issue and the judge will act in accordance with the Board's decision.

§ 1201.92 Criteria for certifying interlocutory appeals.

The judge will certify a ruling for review only if the record shows that:
(a) The ruling involves an important question of law or policy about which there is substantial ground for difference of opinion; and
(b) An immediate ruling will materially advance the completion of the proceeding, or the denial of an immediate ruling will cause undue harm to a party or the public.

§ 1201.93 Procedures.

(a) Motion for certification. A party seeking the certification of an interlocutory appeal must file a motion for certification within 10 days of the date of the ruling to be appealed. The motion must be filed with the judge, and must state why certification is appropriate and what the Board should do and why. The opposing party may file objections within 10 days of the date of service of the motion, or within any other time period that the judge may designate.

(b) Certification and review. The judge will grant or deny a motion for certification within five days after receiving all pleadings or, if no response is filed, within 10 days after receiving the motion. If the judge grants the motion for certification, he or she will refer the record to the Board. If the judge denies the motion, the party that sought certification may raise the matter at issue in a petition for review filed after the initial decision is issued, in accordance with §§ 1201.113 and 1201.114 of this part.

(c) Stay of hearing. The judge has the authority to proceed with or to stay the hearing while an interlocutory appeal is pending with the Board. Despite this authority, however, the Board may stay a hearing on its own motion while an interlocutory appeal is pending with it.

Ex Parte Communications

§ 1201.101 Explanation and definitions.

(a) Explanation. An ex parte communication is an oral or written communication between a decision-making official of the Board and an interested party to a proceeding, when that communication is made without providing the other parties to the appeal with a chance to participate. Not all ex parte communications are prohibited. Those that involve the merits of the case, or those that violate rules requiring submissions to be in writing, are prohibited. Accordingly, interested parties may ask about such matters as the status of a case, when it will be heard, and methods of submitting evidence to the Board. Parties may not ask about matters such as what defense they should use or whether their evidence is adequate, and they may not make a submission orally if that submission is required to be made in writing.

(b) Definitions for purposes of this section.

(1) Interested party includes:
(i) Any party or representative of a party involved in a proceeding before the Board; and
(ii) Any other person who might be affected by the outcome of a proceeding before the Board.

(2) Decision-making official means any judge, officer or other employee of the Board designated to hear and decide cases.

§ 1201.102 Prohibition on ex parte communications.

Except as otherwise provided in § 1201.41(c)(1) of this part, ex parte communications that concern the merits of any matter before the Board for adjudication, or that otherwise violate rules requiring written submissions, are prohibited from the time the persons involved know that the Board may consider the matter until the time the Board has issued a final decision on the matter.
§ 1201.103 Placing communications in the record; sanctions.

(a) Any communication made in violation of §1201.102 of this part will be made a part of the record. If the communication was oral, a memorandum stating the substance of the discussion will be placed in the record.

(b) If there has been a violation of §1201.102 of this part, the judge or the Clerk of the Board, as appropriate, will notify the parties in writing that the regulation has been violated, and will give the parties 10 days to file a response.

(c) The following sanctions are available:

(1) Parties. The offending party may be required to show why, in the interest of justice, the claim or motion should not be dismissed, denied, or otherwise adversely affected.

(2) Board personnel. Offending Board personnel will be treated in accordance with the Board's standards of conduct.

(3) Other persons. The Board may invoke appropriate sanctions against other offending parties.

§ 1201.111 Initial decision by judge.

(a) The judge will prepare an initial decision after the record closes, and will serve that decision on the Clerk of the Board, on the Director of the Office of Personnel Management, and on all parties to the appeal, including named parties, permissive intervenors, and intervenors of right.

(b) Each initial decision will contain:

(1) Findings of fact and conclusions of law upon all the material issues of fact and law presented on the record;

(2) The reasons or bases for those findings and conclusions;

(3) An order making final disposition of the case, including appropriate relief;

(4) A statement, if the appellant is the prevailing party, as to whether interim relief is provided effective upon the date of the decision, pending the outcome of any petition for review filed by another party under subpart C of this part;

(5) The date upon which the decision will become final (a date that, for purposes of this section, is 35 days after issuance); and

(6) A statement of any further process available, including, as appropriate, a petition for enforcement under §1201.182 of this part, a petition for review under §1201.114, a petition for judicial review, a motion for attorney fees under section 1201.203 of this part, and where a claim for consequential damages or compensatory damages has been raised, the right to an addendum proceeding to determine consequential damages or compensatory damages, with the time to be established by the judge.

(c) Interim relief. Under 5 U.S.C. 7701(b)(2), if the appellant is the prevailing party, the initial decision will provide appropriate interim relief to the appellant effective upon the date of the initial decision and remaining in effect until the date of the final order of the Board on any petition for review, unless the judge determines that the granting of interim relief is not appropriate. The agency may decline to return the appellant to his or her place of employment if it determines that the return or presence of the appellant will be unduly disruptive to the work environment. However, pay and benefits must be provided.

§ 1201.112 Jurisdiction of judge.

(a) After issuing the initial decision, the judge will retain jurisdiction over a case only to the extent necessary to:

(1) Correct the transcript, when one is obtained;

(2) Rule on motions for exception to the requirement that a party seeking a transcript must pay for it;

(3) Rule on a request by the appellant for attorney fees, consequential damages, or compensatory damages under subpart H of this part;

(4) Process any petition for enforcement filed under subpart F of this part;

(5) Vacate an initial decision before that decision becomes final under §1201.113 in order to accept a settlement agreement into the record.
§ 1201.113

(b) Nothing in this section affects the time limits prescribed in §1201.113 regarding the finality of an initial decision or the time allowed for filing a petition for review.

§ 1201.113 Finality of decision.

The initial decision of the judge will become final 35 days after issuance. Initial decisions are not precedential.

(a) Exceptions. The initial decision will not become final if any party files a petition for review within the time limit for filing specified in §1201.114 of this part, or if the Board reopens the case on its own motion.

(b) Petition for review denied. If the Board denies all petitions for review, the initial decision will become final when the Board issues its last decision denying a petition for review.

(c) Petition for review granted or case reopened. If the Board grants a petition for review or a cross petition for review, or reopens or dismisses a case, the decision of the Board is final if it disposes of the entire action.

(d) Extensions. The Board may extend the time limit for filing a petition for good cause shown as specified in §1201.114 of this part.

(e) Exhaustion. Administrative remedies are exhausted when a decision becomes final in accordance with this section.

Subpart C—Petitions for Review of Initial Decisions

§ 1201.114 Filing petition and cross petition for review.

(a) Who may file. Any party to the proceeding, the Director of the Office of Personnel Management (OPM), or the Special Counsel may file a petition for review. The Director of OPM may request review only if he or she believes that the decision is erroneous and will have a substantial impact on any civil service law, rule, or regulation under OPM’s jurisdiction. 5 U.S.C. 7701(e)(2). All submissions to the Board must contain the signature of the party or of the party’s designated representative.

(b) Cross petition for review. If a party, the Director of OPM, or the Special Counsel files a timely petition for review, any other party, the Director of OPM, or the Special Counsel may file a timely cross petition for review. The Board normally will consider only issues raised in a timely filed petition for review or in a timely filed cross petition for review.

(c) Place for filing. A petition for review, cross petition for review, responses to those petitions, and all motions and pleadings associated with them must be filed with the Clerk of the Merit Systems Protection Board, Washington, DC 20419, by personal delivery, by facsimile, by mail, or by commercial overnight delivery.

(d) Time for filing. Any petition for review must be filed within 35 days after the date of issuance of the initial decision or, if the petitioner shows that the initial decision was received more than 5 days after the date of issuance, within 30 days after the date the petitioner received the initial decision. A cross petition for review must be filed within 25 days of the date of service of the petition for review. Any response to a petition for review or to a cross petition for review must be filed within 25 days after the date of service of the petition or cross petition.

(e) Extension of time to file. The Board will grant a motion for extension of time to file a petition for review, a cross petition, or a response only if the party submitting the motion shows good cause. Motions for extensions must be filed with the Clerk of the Board before the date on which the petition or other pleading is due. The Board, in its discretion, may grant or deny those motions without providing the other parties the opportunity to comment on them. A motion for an extension must be accompanied by an affidavit or sworn statement under 28 U.S.C. 1746. (See appendix IV.) The affidavit or sworn statement must include a specific and detailed description of the circumstances alleged to constitute good cause, and it should be accompanied by any available documentation or other evidence supporting the matters asserted.
(f) Late filings. Any petition for review, cross petition for review, or response that is filed late must be accompanied by a motion that shows good cause for the untimely filing, unless the Board has specifically granted an extension of time under paragraph (e) of this section, or unless a motion for extension is pending before the Board. The motion must be accompanied by an affidavit or sworn statement under 28 U.S.C. 1746. (See appendix IV.) The affidavit or sworn statement must include:

(1) The reasons for failing to request an extension before the deadline for the submission; and

(2) A specific and detailed description of the circumstances causing the late filing, accompanied by supporting documentation or other evidence.

Any response to the motion may be included in the response to the petition for review, the cross petition for review, or the response to the cross petition for review. The response will not extend the time provided by paragraph (d) of this section to file a cross petition for review or to respond to the petition or cross petition. In the absence of a motion, the Board may, in its discretion, determine on the basis of the existing record whether there was good cause for the untimely filing, or it may provide the party that submitted the document with an opportunity to show why it should not be dismissed or excluded as untimely.

(g) Intervention—(1) By Director of OPM. The Director of OPM may intervene in a case before the Board under the standards stated in 5 U.S.C. 7701(d). The notice of intervention is timely if it is filed with the Clerk of the Board within 45 days of the date the petition for review was filed. If the Special Counsel requests additional time for filing a brief on intervention, the Board may, in its discretion, grant the request. A party may file a response to the Director's brief within 15 days of the date of service. The Special Counsel must serve the notice of intervention and the brief on all parties.

(ii) The Special Counsel may not intervene in an action brought by an individual under 5 U.S.C. 1221, or in an appeal brought by an individual under 5 U.S.C. 7701, without the consent of that individual. The Special Counsel must present evidence that the individual has consented to the intervention at the time the motion to intervene is filed.

(3) Permissive intervenors. Any person, organization or agency, by motion made in a petition for review, may ask for permission to intervene. The motion must state in detail the reasons why the person, organization or agency should be permitted to intervene. A motion for permission to intervene will be granted if the requester shows that he or she will be affected directly by the outcome of the proceeding. Any person alleged to have committed a prohibited personnel practice under 5 U.S.C. 2302(b) may ask for permission to intervene.

(h) Service. A party submitting a pleading must serve a copy of it on each party and on each representative as provided in §1201.26(b)(2).

(i) Closing the record. The record closes on expiration of the period for filing the response to the petition for review, or to the cross petition for review, or to the brief on intervention, if any, or on any other date the Board sets for this purpose. Once the record closes, no additional evidence or argument will be accepted unless the party submitting it shows that the evidence was not readily available before the record closed.

§ 1201.115 Contents of petition for review. 

(a) The petition for review must state objections to the initial decision that are supported by references to applicable laws or regulations and by specific references to the record. 

(b)(1) If the appellant was the prevailing party in the initial decision, and the decision granted the appellant interim relief, any petition for review or cross petition for review filed by the agency must be accompanied by evidence that the agency has provided the interim relief required, except when the agency has made a determination as described in paragraph (b)(2) of this section. The agency may comply by submitting an SF 50 or SF 52, a letter from an agency official directing the appellant to return to work and informing the appellant of his or her reinstatement as of the date of the initial decision, or an affidavit or declaration specifying the manner of the agency's compliance. The interim relief must be effected retroactively to the date of the initial decision. 

(2) Under 5 U.S.C. 7701(b)(2), if the initial decision provides interim relief which requires that the appellant be returned to his or her place of employment pending the outcome of any petition for review and the agency determines that the return or presence of the appellant will be unduly disruptive to the work environment, the agency must notify both the appellant and the judge in writing. The agency must also provide evidence of such notification to the Board at the time of filing a petition or cross petition for review. The evidence must show that the agency has provided that the appellant will receive appropriate pay, compensation, and all other benefits as terms and conditions of employment from the date of the initial decision until a final decision is issued. 

(c) If an appellant or an intervenor files a petition or cross petition for review of an initial decision ordering interim relief, upon order of the Clerk of the Board the agency must submit evidence that it has provided the interim relief required (or, where applicable, the evidence specified in paragraph (b)(2) of this section), and it must submit the name of the official responsible for compliance. The agency's failure to submit acceptable evidence of compliance with the interim relief order is a basis for the Board to order the withholding of the salary of the responsible official pursuant to 5 U.S.C. 1204(e)(2)(A) and 5 CFR 1201.183(c). This sanction is in addition to the dismissal of an agency petition or cross petition for review provided for in paragraph (b)(4) of this section. 

(d) The Board, after providing the other parties with an opportunity to respond, may grant a petition for review when it is established that: 

(1) New and material evidence is available that, despite due diligence, was not available when the record closed; or 

(2) The decision of the judge is based on an erroneous interpretation of statute or regulation. 

§ 1201.116 Appellant requests for enforcement of interim relief. 

(a) Before a final decision is issued. If the agency files a petition for review or a cross petition for review and has not provided required interim relief, the respondent may request dismissal of the agency's petition. Any such request must be filed with the Clerk of the Board within 25 days of the date of service of the agency's petition. A copy of the response must be served on the agency at the same time it is filed with the Board. The agency may respond with evidence and argument to the appellant's request to dismiss within 15
§ 1201.120 Judicial review.

Any employee or applicant for employment who is adversely affected by a final order or decision of the Board under the provisions of 5 U.S.C. 7703 may obtain judicial review in the United States Court of Appeals for the Federal Circuit. As § 1201.175 of this part provides, an appropriate United States district court has jurisdiction over a request for judicial review of

§ 1201.119 OPM petition for reconsideration.

(a) Criteria. Under 5 U.S.C. 7703(d), the Director of the Office of Personnel Management may file a petition for reconsideration of a Board final order if he or she determines:

(1) That the Board erred in interpreting a civil service law, rule, or regulation affecting personnel management, and

(2) That the Board's decision will have a substantial impact on a civil service law, rule, regulation, or policy directive.

(b) Time limit. The Director must file the petition for reconsideration within 35 days after the date of service of the Board's final order.

(c) Briefs. After the petition is filed, the Board will make the official record relating to the petition for reconsideration available to the Director for review. The Director's brief in support of the petition for reconsideration must be filed within 20 days after the Board makes the record available for review. Any party's opposition to the petition for reconsideration must be filed within 25 days from the date of service of the Director's brief.

(d) Stays. If the Director of OPM files a petition for reconsideration, he or she also may ask the Board to stay its final order. An application for a stay, with a supporting memorandum, must be filed at the same time as the petition for reconsideration.

cases involving the kinds of discrimination issues described in 5 U.S.C. 7702.

Subpart D—Procedures for Original Jurisdiction Cases

GENERAL

§ 1201.121 Scope of jurisdiction; application of subparts B, F, and H.

(a) Scope. The Board has original jurisdiction over complaints filed by the Special Counsel seeking corrective or disciplinary action (including complaints alleging a violation of the Hatch Political Activities Act), requests by the Special Counsel for stays of certain personnel actions, proposed agency actions against administrative law judges, and removals of career appointees from the Senior Executive Service for performance reasons.

(b) Application of subparts B, F, and H.

(1) Except as otherwise expressly provided by this subpart, the regulations in subpart B of this part applicable to appellate case processing also apply to original jurisdiction cases processed under this subpart.

(2) Subpart F of this part applies to enforcement proceedings in connection with Special Counsel complaints and stay requests, and agency actions against administrative law judges, decided under this subpart.

(3) Subpart H of this part applies to requests for attorney fees or compensatory damages in connection with Special Counsel corrective and disciplinary action complaints, and agency actions against administrative law judges, decided under this subpart.

§ 1201.122 Filing complaint; serving documents on parties.

(a) Place of filing. A Special Counsel complaint seeking disciplinary action under 5 U.S.C. 1215(a)(1) (including a complaint alleging a violation of the Hatch Political Activities Act) must be filed with the Clerk of the Board.

(b) Initial filing and service. The Special Counsel must file two copies of the complaint, together with numbered and tabbed exhibits or attachments, if any, and a certificate of service listing each party or the party’s representative. The certificate of service must show the last known address, telephone number, and facsimile number of each party or representative. The Special Counsel must serve a copy of the complaint on each party or the party’s representative, as shown on the certificate of service.

(c) Subsequent filings and service. Each party must serve on every other party or the party’s representative one copy of each of its pleadings, as defined by §1201.4(b). A certificate of service describing how and when service was made must accompany each pleading. Each party is responsible for notifying the Board and the other parties in writing of any change in name, address, telephone number, or facsimile number of the party or the party’s representative.

(d) Method of filing and service. Filing may be by mail, by facsimile, by commercial overnight delivery, or by personal delivery to the Clerk of the Board. § 1201.123 Contents of complaint.

(a) If the Special Counsel determines that the Board should take any of the actions listed below, he or she must file

(b) Any motion by the Special Counsel requesting a protective order must include a concise statement of reasons justifying the motion, together with any relevant documentary evidence. Where the request is made in connection with a pending Special Counsel proceeding, the motion must be filed as early in the proceeding as practicable.

(c) Where there is a pending Special Counsel proceeding, a Special Counsel motion requesting a protective order must be filed with the judge conducting the proceeding, and the judge will rule on the motion. (c) If the appellant files an appeal prematurely under this subpart, the judge will dismiss the appeal without prejudice to its later refiling under § 1201.22 of this part. If holding the appeal for a short time would allow it to become timely, the judge may hold the appeal rather than dismiss it.

(d) If the appellant has filed a grievance with the agency under its negotiated grievance procedure in accordance with 5 U.S.C. 7121, he or she may ask the Board to review the final decision under 5 U.S.C. 7702 within 35 days after the date of issuance of the decision or, if the appellant shows that the decision was received more than 5 days after the date of issuance, within 30 days after the date the appellant received the decision. § 1201.155 Remand of allegations of discrimination.

If the parties file a written agreement that the discrimination issue should be remanded to the agency for consideration, and if the judge determines that action would be in the interest of justice, the judge may take that action. The remand order will specify a time period within which the agency action must be completed. In no instance will that time period exceed 120 days. While the issue is pending with the agency, the judge will retain jurisdiction over the appeal.

(ii) The evidence in the record as a whole does not support the decision involving that provision.

(d) Transmittal of record. The Board will transmit a copy of its record to the Commission upon request.

(e) Development of additional evidence. When asked by the Commission to do so, the Board or a judge will develop additional evidence necessary to supplement the record. (2) To the extent that the Board finds that, as a matter of law:

(i) The Commission decision is based on an incorrect interpretation of any provision of any civil service law, rule, regulation, or policy directive, or
(ii) The evidence in the record as a whole does not support the Commission decision involving that provision, it may reaffirm the decision of the Board. In doing so, it may make revisions in the decision that it determines are appropriate.

(b) Judicial review. If the Board concurs in or adopts the decision of the Commission under paragraph (a)(1) of this section, the decision of the Board is a judicially reviewable action.

(d) Review by Commission—(1) Time for filing. A petition to review the preliminary decision of the Board on issues of prohibited discrimination shall be filed with the Commission within 35 days after the initial decision of the Board becomes the preliminary decision.

Because of the short statutory time limit for processing these cases, parties must file their submissions by overnight Express Mail, provided by the U.S. Postal Service, if they file their submissions by mail.
   (4) A submission filed by Express Mail is considered to have been filed on the date of the Express Mail Order. A submission that is delivered personally is considered to have been filed on the date the Office of the Clerk of the Board receives it.
   (g) Briefs and responsive pleadings. If the parties wish to submit written argument, they may file briefs with the
Special Panel within 15 days after the date of the Board's certification order. Because of the short statutory time limit for processing these cases, the Special Panel ordinarily will not permit responsive pleadings.

(h) Oral argument. The parties have the right to present oral argument. Parties wishing to exercise this right must indicate this desire when they file their briefs or, if no briefs are filed, within 15 days after the date of the Board's certification order. Upon receiving a request for argument, the Chairman of the Special Panel will determine the time and place for argument and the amount of time to be allowed each side, and he or she will provide this information to the parties.

(i) Postargument submission. Because of the short statutory time limit for processing these cases, the parties may not file postargument submissions unless the Chairman of the Special Panel permits those submissions.

(j) Procedural matters. Any procedural matters not addressed in these regulations will be resolved by written order of the Chairman of the Special Panel.

§ 1201.174 Enforcing the Special Panel decision.

The Board, upon receipt of the decision of the Special Panel, will order the agency concerned to take any action appropriate to carry out the decision of the Panel. The Board's regulations regarding enforcement of a final order of the Board apply to this matter. These regulations are set out in part F of this part.

(a) Place and type of review. The appropriate United States district court is authorized to conduct all judicial review of cases decided under 5 U.S.C. 7702. Those cases include appeals from actions taken under the following provisions: Section 717(c) of the Civil Rights Act of 1964, as amended (42 U.S.C. 2000e-16(c)); section 15(c) of the Age Discrimination in Employment Act of 1967, as amended (29 U.S.C. 633a(c)); and section 15(b) of the Fair Labor Standards Act of 1938, as amended (29 U.S.C. 216(b)).

(b) Time for filing request. Regardless of any other provision of law, requests for judicial review of all cases decided under 5 U.S.C. 7702 must be filed within 30 days after the appellant received notice of the judicially reviewable action.

Subpart F—Enforcement of Final Decisions and Orders

§ 1201.181 Authority and explanation.

(a) Under 5 U.S.C. 1204(a)(2), the Board has the authority to order any Federal agency or employee to comply with decisions and orders issued under its jurisdiction, and the authority to enforce compliance with its orders and decisions. The parties are expected to cooperate fully with each other so that compliance with the Board's orders and decisions can be accomplished promptly and in accordance with the laws, rules, and regulations that apply to individual cases. The Board's decisions and orders will contain a notice of the Board's enforcement authority.

(b) In order to avoid unnecessary petitions under this subpart, the agency must inform the appellant promptly of the actions it takes to comply, and it must tell the appellant when it believes it has completed its compliance. The appellant must provide all necessary information that the agency requests in order to comply, and, if not otherwise notified, he or she should, from time to time, ask the agency about its progress.

§ 1201.182 Petition for enforcement.

(a) Appellate jurisdiction. Any party may petition the Board for enforcement of a final decision or order issued under the Board's appellate jurisdiction. The petition must be filed promptly with the regional or field office that issued the initial decision; a copy of it must be served on the other party or that party's representative; and it must describe specifically the reasons the petitioning party believes there is noncompliance. The petition also must include the date and results of any communications regarding compliance. Any petition for enforcement that is filed more than 30 days after the date of service of the agency's notice that it has complied must contain a statement and evidence showing good
§ 1201.183 Procedures for processing petitions for enforcement.

(a) Initial Processing. (1) When a party has filed a petition for enforcement of a final decision, the alleged noncomplying party must file one of the following within 15 days of the date of service of the petition:

(i) Evidence of compliance, including a narrative explanation of the calculation of back pay and other benefits, and supporting documents;

(ii) Evidence as described in paragraph (a)(1)(i) of this section of the compliance actions that the party has completed, and a statement of the actions that are in process and the actions that remain to be taken, along with a reasonable schedule for full compliance;

(iii) A statement showing good cause for the failure to comply completely with the decision of the Board.

The party that filed the petition may respond to that submission within 10 days after the date of service of the submission. The parties must serve copies of their pleadings on each other as required under § 1201.26(b)(2) of this part.

(2) If the agency is the alleged noncomplying party, it shall submit the name and address of the agency official charged with complying with the Board's order, even if the agency asserts it has fully complied. In the absence of this information, the Board will presume that the highest ranking appropriate agency official who is not appointed by the President by and with the consent of the Senate is charged with compliance.

(3) The judge may convene a hearing if one is necessary to resolve matters at issue.

(4) If the judge finds that there has been compliance or a good faith effort to take all actions required to be in compliance with the final decision, he or she will state those findings in a decision. That decision will be subject to the procedures for petitions for review.
by the Board under subpart C of this part, and subject to judicial review under §1201.119 of this part.

(5) If the judge finds that:
   (i) The alleged noncomplying party has not taken, or has not made a good faith effort to take, any action required to be in compliance with the final decision, or
   (ii) The party has taken or made a good faith effort to take one or more, but not all, actions required to be in compliance with the final decision; he or she will issue a recommendation containing his or her findings, a statement of the actions required by the party to be in compliance with the final decision, and a recommendation that the Board enforce the final decision.

(6) If a recommendation described under paragraph (a)(5) of this section is issued, the alleged noncomplying party must do one of the following:
   (i) If it decides to take the actions required by the recommendation, it must submit to the Clerk of the Board, within 15 days after the issuance of the recommendation, evidence that it has taken those actions.
   (ii) If it decides not to take any of the actions required by the recommendation, it must file a brief supporting its nonconcurrency in the recommendation. The brief must be filed with the Clerk of the Board within 30 days after the recommendation is issued and, if it is filed by the agency, it must identify by name, title, and grade the agency official responsible for the failure to take the actions required by the recommendation for compliance.
   (iii) If the party decides to take one or more, but not all, actions required by the recommendation, it must submit both evidence of the actions it has taken and, with respect to the actions that it has not taken, a brief supporting its disagreement with the recommendation. The evidence and brief must be filed with the Clerk of the Board within 30 days after issuance of the recommendation and, if it is filed by the agency, it must contain the identifying information required by paragraph (a)(6)(ii) of this section.

(7) The petitioner may file a brief that responds to the submission described in paragraph (a)(6) of this section, and that asks the Board to review any finding in the recommendation, made under paragraph (a)(5)(ii) of this section, that the other party is in partial compliance with the final decision. The petitioner must file this brief with the Clerk of the Board within 20 days of the date of service of the submission described in paragraph (a)(6) of this section.

(b) Consideration by the Board. (1) The Board will consider the recommendation, along with the submissions of the parties, promptly. When appropriate, the Board may require the alleged noncomplying party, or that party's representative, to appear before the Board to show why sanctions should not be imposed under 5 U.S.C. 1204(a)(2) and 1204(e)(2)(A). The Board also may require the party or its representative to make this showing in writing, or to make it both personally and in writing.

(2) The Board may hold a hearing on an order to show cause, or it may issue a decision without a hearing.

(3) The Board's final decision on the issues of compliance is subject to judicial review under §1201.119 of this part.

(c) Certification to the Comptroller General. When appropriate, the Board may certify to the Comptroller General of the United States, under 5 U.S.C. 1204(e)(2)(A), that no payment is to be made to a certain Federal employee. This order may apply to any Federal employee, other than a Presidential appointee subject to confirmation by the Senate, who is found to be in noncompliance with the Board's order.

(d) Effect of Special Counsel's action or failure to act. Failure by the Special Counsel to file a complaint under 5 U.S.C. 1215(a)(1)(C) and subpart D of this part will not preclude the Board from taking action under this subpart.

Subpart G—Savings Provisions

§1201.191 Savings provisions.

(a) Civil Service Reform Act of 1978 (Pub.L. 95-454)—(1) Scope. All executive orders, rules and regulations relating to the Federal service that were in effect prior to the effective date of the Civil Service Reform Act shall continue in effect and be applied by the
§1201.201  Statement of purpose.

(a) This subpart governs Board proceedings for awards of attorney fees (plus costs, expert witness fees, and litigation expenses, where applicable), consequential damages, and compensatory damages.

(b) There are seven statutory provisions covering attorney fee awards. Because most MSPB cases are appeals under 5 U.S.C. 7701, most requests for attorney fees will be governed by §1201.202(a)(1). There are, however, other attorney fee provisions that apply only to specific kinds of cases. For example, §1201.202(a)(4) applies only to certain whistleblower appeals. Sections 1201.202(a)(5) and (a)(6) apply only to corrective and disciplinary action cases brought by the Special Counsel. Section 1201.202(a)(7) applies only to appeals brought under the Uniformed Services Employment and Re-employment Rights Act.

(c) An award of consequential damages is authorized in only two situations: Where the Board orders corrective action in a whistleblower appeal under 5 U.S.C. 1221, and where the Board orders corrective action in a Special Counsel complaint under 5
Consequential damages include such items as medical costs and travel expenses, and other costs as determined by the Board through case law.

(d) The Civil Rights Act of 1991 (42 U.S.C. 1981a) authorizes an award of compensatory damages to a prevailing party who is found to have been intentionally discriminated against based on race, color, religion, sex, national origin, or disability. Compensatory damages include pecuniary losses, future pecuniary losses, and nonpecuniary losses, such as emotional pain, suffering, inconvenience, mental anguish, and loss of enjoyment of life.

§1201.202 Authority for awards.

(a) Awards of attorney fees (plus costs, expert witness fees, and litigation expenses, where applicable). The Board may order payment of:

(1) Attorney fees, as authorized by 5 U.S.C. 7701(g)(1), where the appellant or respondent is the prevailing party in an appeal under 5 U.S.C. 7701 or an agency action against an administrative law judge under 5 U.S.C. 7521, and an award is warranted in the interest of justice;

(2) Attorney fees, as authorized by 5 U.S.C. 7701(g)(2), where the appellant or respondent is the prevailing party in an appeal under 5 U.S.C. 7701, a request to review an arbitration decision under 5 U.S.C. 7121(d), or an agency action against an administrative law judge under 5 U.S.C. 7521, and the decision is based on a finding of discrimination prohibited under 5 U.S.C. 2302(b)(1);

(3) Attorney fees and costs, as authorized by 5 U.S.C. 1221(g)(2), where the appellant is the prevailing party in an appeal under 5 U.S.C. 7701, and the Board’s decision is based on a finding of a prohibited personnel practice;

(4) Attorney fees and costs, as authorized by 5 U.S.C. 1221(g)(1)(B), where the Board orders corrective action in a whistleblower appeal to which 5 U.S.C. 1221 applies;

(5) Attorney fees, as authorized by 5 U.S.C. 1214(g)(2), where the Board orders corrective action in a Special Counsel complaint for disciplinary action under 5 U.S.C. 1215; and

(7) Attorney fees, expert witness fees, and litigation expenses, as authorized by the Uniformed Services Employment and Reemployment Rights Act, 38 U.S.C. 4324(c)(4).

(b) Awards of consequential damages. The Board may order payment of consequential damages, including medical costs incurred, travel expenses, and any other reasonable and foreseeable consequential damages:

(1) As authorized by 5 U.S.C. 1221(g)(1)(A)(ii), where the Board orders corrective action in a whistleblower appeal to which 5 U.S.C. 1221 applies; and

(2) As authorized by 5 U.S.C. 1214(g)(2), where the Board orders corrective action in a Special Counsel complaint under 5 U.S.C. 1214.

(c) Awards of compensatory damages. The Board may order payment of compensatory damages, as authorized by section 102 of the Civil Rights Act of 1991 (42 U.S.C. 1981a), based on a finding of unlawful intentional discrimination but not on an employment practice that is unlawful because of its disparate impact under the Civil Rights Act of 1964, the Rehabilitation Act of 1973, or the Americans with Disabilities Act of 1990. Compensatory damages include pecuniary losses, future pecuniary losses, and nonpecuniary losses such as emotional pain, suffering, inconvenience, mental anguish, and loss of enjoyment of life.

§1201.203 Proceedings for attorney fees.

(a) Form and content of request. A request for attorney fees must be made by motion, must state why the appellant or respondent believes he or she is entitled to an award under the applicable statutory standard, and must be supported by evidence substantiating the amount of the request. Evidence supporting a motion for attorney fees must include at a minimum:

(1) Accurate and current time records;

(2) A copy of the terms of the fee agreement (if any);

(3) A statement of the attorney’s customary billing rate for similar work if the attorney has a billing practice or,
§ 1201.204 Proceedings for consequential damages and compensatory damages.

(a) Time for making request. (1) In all instances where a request for consequential damages or compensatory damages is made, it should be made as early as possible in a Board proceeding before an administrative judge or administrative law judge but no later than the first pleading filed with the three-member Board.

(2) The judge or the Board, as applicable, may waive the time limit for making a request for consequential damages or compensatory damages for good cause shown.

(b) Service. A copy of a request for consequential damages or compensatory damages must be served on the parties or their representatives when the request is made. A party may file a pleading responding to the request within the time limit established by the judge or the Board, as applicable.

(c) Discretion to decide in merits proceeding or addendum proceeding. When a request for consequential damages or compensatory damages is made, the judge or the Board, as applicable, may:

(1) Consider the request during the proceeding on the merits and rule on the request in the decision on the merits if the judge or the Board, as applicable, determines that such action is in the interest of the parties and will promote efficiency and economy in adjudication; or

(2) Defer a decision on the request for an addendum proceeding. Except as provided in paragraph (e) of this section, the addendum proceeding will be held after issuance of a final decision in the proceeding on the merits. As used in this section, a “final decision in the proceeding on the merits” has the same meaning as in §1201.203(b) of this part.

(d) Initiation of addendum proceeding. If a decision on a request for consequential damages or compensatory damages has been deferred for an addendum proceeding, the judge will schedule the proceeding after issuance view by the Board under subpart C of this part.
of an initial decision that becomes final or a final Board decision.

(e) Discretion of Board to order addendum proceeding. Notwithstanding paragraphs (a) through (d) of this section, the Board, at its discretion, may order that an addendum proceeding to decide a request for consequential damages or compensatory damages be held prior to the issuance of a final decision on the merits. If the Board exercises this discretion, the Board order will provide for initiation of the addendum proceeding.

(f) Hearing; applicability of subpart B. The judge may hold a hearing on a request for consequential damages or compensatory damages and may apply appropriate provisions of subpart B of this part to the addendum proceeding.

(g) Review by the Board. (1) An initial decision issued by a judge under this section, whether in accordance with paragraph (c)(1) of this section or in an addendum proceeding, shall be subject to the provisions for a petition for review by the Board under subpart C of this part.

(2) A recommended decision issued by an administrative law judge in accordance with paragraph (c)(1) of this section shall be subject to the provisions of subpart D of this part.

(h) EEOC review of decision on compensatory damages. A final decision of the Board on a request for compensatory damages pursuant to the Civil Rights Act of 1991 shall be subject to review by the Equal Employment Opportunity Commission as provided under subpart E of this part.

§ 1201.205 Judicial review.

A final Board decision under this subpart is subject to judicial review as provided under 5 U.S.C. 7703.

### Part VIII Stay Request

**INSTRUCTIONS**

You may request a stay of a personnel action allegedly based on whistleblowing at any time after you become eligible to file an appeal with the Board under 5 C.F.R. 1209.5, but no later than the time limit set for the close of discovery in the appeal. The stay request may be filed prior to, simultaneous with, or after the filing of an appeal. When you file a stay request with the Board, you must simultaneously serve it upon the agency’s local servicing personnel office or the agency’s designated representative. 5 C.F.R. 1209.8.

If your stay request is being filed prior to filing an appeal with the Board, you must complete Parts I and II and Items 41 through 43 above.

44. On separate sheets of paper, please provide the following. Please put your name and address at the top of each page.

a. A chronology of facts, including a description of the disclosure and the action taken by the agency (unless you have already supplied this information in Part VII above).

b. Evidence and/or argument demonstrating that the:

   1. Action threatened, proposed, taken, or not taken is a personnel action, as defined in 5 C.F.R. 1209.4(a); and
   2. Action complained of was based on whistleblowing, as defined in 5 C.F.R. 1209.4(b) (unless you have already supplied this information in Part VII above).

c. Evidence and/or argument demonstrating that there is a substantial likelihood that you will prevail on the merits of your appeal of the personnel action.

d. Documentary evidence that supports your stay request.

e. Evidence and/or argument addressing how long the stay should remain in effect.

f. Certificate of service specifying how and when the stay request was served on the agency.

g. You may provide evidence and/or argument concerning whether a stay would impose extreme hardship on the agency.

[54 FR 23632, June 2, 1989, as amended at 54 FR 28658, July 6, 1989]

§ 1203.2 Definitions.

(a) Invalid regulation means a regulation that has been issued by OPM, and that, on its face, would require an employee to commit a prohibited personnel practice if any agency implemented the regulation.

(b) Invalidly implemented regulation means a regulation, issued by OPM, whose implementation by an agency has required an employee to commit a prohibited personnel practice. A valid regulation may be invalidly implemented.

(c) Merit system principles are the principles stated in 5 U.S.C. 2301(b)(1) through 2301(b)(9).

(d) Pleadings are written submissions containing claims, allegations, arguments, or evidence. They include briefs, motions, requests for regulation review, responses, replies, and attachments that are submitted in connection with proceedings under this part.

(f) Regulation review means the procedure under which the Board, under 5 U.S.C. 1204(f), reviews regulations issued by OPM on their face, or reviews those regulations as they have been implemented, or both, in order to determine whether the regulations require any employee to commit a prohibited personnel practice.

(g) Request for regulation review means a request that the Board review a regulation issued by OPM.

[54 FR 23632, June 2, 1989, as amended at 54 FR 28658, July 6, 1989]

PROCEDURES FOR REVIEW

§ 1203.11 Request for regulation review.

(a) An interested person or the Special Counsel may submit a request for regulation review.

(b) Contents of request. (1) Each request for regulation review must include the following information:

...
§ 1203.13 Filing pleadings.

(a) Place to file and number of copies. One original and three copies of each pleading must be filed with the Office of the Clerk, U.S. Merit Systems Protection Board, 1120 Vermont Avenue, NW., Washington, DC 20419. In addition, parties to a proceeding under this part must serve their pleadings on each other in accordance with § 1203.14 of this part. The Office of the Clerk will make all pleadings available for review by the public.

(b) Time limits. (1) A request for regulation review may be filed any time after the effective date of the regulation.

(2) A response to a request for regulation review, whether the response supports or opposes the request, must be filed within the time period provided in the Board order granting the request for review.

(3) A reply to a response may be filed within 10 days after the response is filed. The reply may address only those matters raised in the response that were not addressed in the request for regulation review.

(4) Motions may be filed at any time during the regulation review. The filing of a motion will not delay the acting of the Board unless the Board orders a postponement. The Board may rule immediately on a motion for an extension of time or a continuance if circumstances make consideration of others’ views regarding the motion impracticable.

(5) Submissions opposing motions must be filed within five days after the opposing party receives the motion.

(c) Additional pleadings. The Board will consider pleadings in addition to those mentioned above only if the Board requests them, or if it grants a request that it consider them.

(d) Method and date of filing. Documents may be filed with the Office of the Clerk either by mail, by personal delivery, by facsimile, or by commercial overnight delivery. If the document was submitted by certified mail, it is considered to have been filed on
§ 1203.14 Serving documents.

(a) Parties. In every case, the person requesting regulation review must serve a copy of the request on the Director of OPM. In addition, when the implementation of a regulation is being challenged, the requester must also serve a copy of the request on the head of the implementing agency. A copy of all other pleadings must be served, by the person submitting the pleading, on each other party to the proceeding.

(b) Method of serving documents. Pleadings may be served on parties by mail, by personal delivery, by facsimile, or by commercial overnight delivery. Service by mail is accomplished by mailing the pleading to each party or representative, at the party’s or representative’s last known address. Service by personal delivery is accomplished by transmitting the pleading by facsimile to each party or representative. Service by personal delivery or by commercial overnight delivery is accomplished by delivering the pleading to the business office or home of each party or representative. Regardless of the method of service, the party serving the document must submit to the Board, along with the pleading, a certificate of service as proof that the document was served on the other parties or their representatives. The certificate of service must list the names and addresses of the persons on whom the pleading was served, must state the date on which the pleading was served, must state the method (i.e., mail, personal delivery, facsimile, or commercial overnight delivery) by which service was accomplished, and must be signed by the person responsible for accomplishing service.

[e.g., 54 FR 23632, June 21, 1989, as amended at 59 FR 65242, Dec. 19, 1994]

§ 1203.15 Review of regulations on the Board’s own motion.

The Board may, from time to time, review a regulation on its own motion under 5 U.S.C. 1204(f)(1)(A). When it does so, it will publish notice of the review in the Federal Register.

[54 FR 28658, July 6, 1989]

§ 1203.16 Proceedings.

The Board has substantial discretion in conducting a regulation review under this part. It may conduct a review on the basis of the pleadings alone, or on the basis of the pleadings along with any or all of the following:

(a) Additional written comments;

(b) Oral argument;

(c) Evidence presented at a hearing; and/or

(d) Evidence gathered through any other appropriate procedures that are conducted in accordance with law.

ORDER OF THE BOARD

§ 1203.21 Final order of the Board.

(a) Invalid regulation. If the Board determines that a regulation is invalid on its face, in whole or in part, it will require any agency affected by the order to stop complying with the regulation, in whole or in part. In addition, it may order other remedial action that it finds necessary.

(b) Invalidly implemented regulation. If the Board determines that a regulation has been implemented invalidly, in whole or in part, it will require affected agencies to terminate the invalid implementation.

(c) Corrective action. The Board may order corrective action necessary to ensure compliance with its order. The action it may order includes, but is not limited to, the following:
(1) Cancellation of any personnel action related to the prohibited personnel practice;
(2) Rescission of any action related to the cancelled personnel action;
(3) Removal of any reference, record, or document within an employee's official personnel folder that is related to the prohibited personnel practice;
(4) Award of back pay and benefits;
(5) Award of attorney fees;
(6) Other remedial measures to reverse the effects of a prohibited personnel practice; and
(7) The agency's submission of a verified report of its compliance with the Board's order.

§ 1203.22 Enforcement of order.
(a) Any party may ask the Board to enforce a final order it has issued under this part. The request may be made by filing a petition for enforcement with the Office of the Clerk of the Board and by serving a copy of the petition on each party to the regulation review. The petition must include specific reasons why the petitioning party believes that there has been a failure to comply with the Board's order.
(b) The Board will take all action necessary to determine whether there has been compliance with its final order. If it determines that there has been a failure to comply with the order, it will take actions necessary to obtain compliance.
(c) Where appropriate, the Board may initiate the enforcement procedures described in 5 CFR 1201.183(c).

PART 1204—AVAILABILITY OF OFFICIAL INFORMATION

Subpart A—Purpose and Scope

Sec.
1204.1 Purpose.
1204.2 Scope.

Subpart B—Procedures for Disclosure of Records under the Freedom of Information Act

1204.11 Requests for access to Board records.
1204.12 Fees.
1204.13 Denials.
1204.14 Requests for access to confidential commercial information.
§ 1204.11 Requests for access to Board records.

(a) Submission of a request. A person may request a record of the Board under this part by writing to the office that maintains the record. If the requester has reason to believe that the records in question are located in a regional office, the request must be submitted to that office. A list of the addresses of the Board's 11 regional offices appears in appendix II of 5 CFR part 1201. Other requests must be addressed to the Clerk of the Board, 1120 Vermont Avenue NW., Washington, DC 20419. Requests submitted under this part must be clearly marked “Freedom of Information Act Request” on both the envelope and the request.

(b) Form. A request must describe the records sought in enough detail to enable Board personnel to locate the records with no more than a reasonable effort. Wherever possible, a request must include specific information about each record sought, such as the date, title or name, author, recipient, and subject matter of the record. In addition, if the request seeks records pertaining to cases decided by the Board, it must indicate the title of the case, the MSPB docket number, and the date of the decision.

(c) Time limits and decisions. The Board will make a decision on a request within 10 workdays after the regional office or the Office of the Clerk receives it, except under “unusual circumstances” as that term is defined at 5 U.S.C. 552(a)(6)(B). Where “unusual circumstances” exist, the Board may extend the time period for making a decision on the request by no more than 10 additional working days. When it does so, it will provide written notification of the extension to the requester. If a request or an appeal is not properly labeled or is submitted to the wrong office, the time for processing the request will begin when the proper office receives it. The Clerk of the Board or the Director of any of the Board's regional offices may make a decision on a request.

§ 1204.12 Fees.

(a) General. The Board will charge the requester fees for services provided in responding to and processing requests for information. Those fees will be charged according to the schedule contained in paragraph (d) of this section, and will recover the full allowable direct costs that the Board incurs. Fees may be charged for time spent searching for information, even if the Board fails to locate responsive records, and even if it determines that the information is exempt from disclosure. It will not charge the requester, however, if the fee for any request is less than $25 (the cost to the Board of processing and collecting the fee).

(b) Definitions. (1) The term direct costs means those costs that an agency actually incurs in searching for and duplicating (and in the case of commercial requesters, reviewing) documents to respond to a FOIA request. Direct costs include, for example, the salary of the employee performing work (the basic rate of pay for the employee plus 16 percent of that rate to cover benefits) and the cost of operating duplicating machinery. Overhead expenses, such as costs of space and of heating or lighting the facility in which the records are stored, are not included in direct costs.

(2) The term search includes all time spent looking for material in response to a request, including page-by-page or line-by-line identification of material within documents. Searches will be done in the most efficient and least expensive manner in order to minimize
costs for both the Board and the requestor. Searches may be done manually or by computer using existing programming.

(3) The term duplication means the process of making a copy of a document necessary to respond to a FOIA request. Those copies can take the form of paper, microform, audio-visual materials, or machine-readable documentation (e.g., magnetic tape or disk), among others. The copy provided will be in a form that is reasonably usable by requesters.

(4) The term review includes the process of examining documents to determine whether any portion of them may be exempt from disclosure under the FOIA, when the documents have been located in response to a request that is for a commercial use. The term also includes processing any documents for disclosure, e.g., doing all that is necessary to edit them and otherwise prepare them for release. Review does not include time spent resolving general legal or policy issues regarding whether exemptions apply.

(5) The term commercial use request means a request from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made. In determining whether a requester properly belongs in this category, the Board will determine the use the requester will make of the documents requested. Moreover, where the Board has reasonable cause to doubt the use a requester will make of the records sought, or where that use is not clear from the request itself, the Board will seek additional clarification before assigning the request to a specific category.

(6) The term educational institution means a preschool, a public or private elementary or secondary school, an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, or an institution of vocational education that operates a program or programs of scholarly research.

(7) The term noncommercial scientific institution means an institution that is not operated on a “commercial” basis as that term is used above, and that is operated solely for the purpose of conducting scientific research whose results are not intended to promote any particular product or industry.

(8) The term representative of the news media means any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term news means information that concerns current events or that would be of current interest to the public.

(c) Categories of requesters. There are four categories of FOIA requesters: Commercial use requesters; educational and noncommercial scientific institutions; representatives of the news media; and all other requesters. To be included in the category of educational and noncommercial scientific institutions, requesters must show that the request is authorized by a qualifying institution and that they are seeking the records not for a commercial use, but in furtherance of scholarly or scientific research. To be included in the news media category, a requester must meet the definition in paragraph (b)(8) of this section and the request must not be made for a commercial use. To avoid commercial use charges, requesters must show that they should be included in a category or categories other than that of commercial use requesters. The board will determine the categories in which to place requesters for fee purposes. It will make these determinations based on information provided by the requesters and information otherwise known to the Board.

(d) Charges. The Board will provide all requesters, except commercial use requesters as that term is defined above, the first 100 pages (paper copies of standard agency size) of duplication and the first two hours of search time without charge.

(1) When the Board receives a request:

(i) From a commercial use requester, it will assess charges that recover the full direct costs for searching for the information requested, reviewing it for release at the initial request stage, reviewing it after an appeal to determine whether other exemptions not considered prior to the appeal apply to it, and duplicating it;
(ii) From an educational and non-commercial scientific institution or, to the extent duplication exceeds 100 pages, from a representative of the news media, it will assess only charges for the cost of duplication of the requested information;

(iii) From all other requesters, to the extent reproduction exceeds 100 pages and search time exceeds 2 hours, it will assess fees to recover the full direct cost of searching for and duplicating requested records.

(2) When the Board reasonably believes that a requester or group of requesters is attempting to divide a request into a series of requests in order to evade the assessment of fees, the Board will combine the requests and charge fees accordingly. The Board will not combine multiple requests on unrelated subjects from one requester.

(3) When the Board determines that charges for a request are likely to exceed $250, the Board will require the requester to provide an advance payment of the entire fee before continuing to process the request.

(4) When a requester has an outstanding fee charge or has failed previously to pay a fee on time, the Board will require the requester to pay any outstanding amount owed, and to make an advance payment of the full amount of the estimated fee before the Board begins to process a new or pending request from that requester, and before it applies administrative time limits for making a determination on the new or pending request.

(e) Fee schedule. (1) Fees for document searches for records will be charged at a rate of $3.75 for each quarter of an hour.

(2) Fees for computer searches for records will be charged at a rate of 90 cents for each computer minute.

(3) Fees for review at the initial administrative level to determine whether records or portions of records are exempt from disclosure, and for review after an appeal to determine whether the records are exempt on other legal grounds, will be assessed, for commercial use requests, at the rate of $8.50 an hour.

(4) Fees for paper copy duplication will represent the reasonable direct costs to the Board of making copies, taking into account the salary of the operator, as well as the cost of the reproduction machinery. Based on these criteria, the Board has determined that the fee for photocopying records is 10 cents a page, the fee for duplicating audio tapes is $5.75 a cassette, the fee for computer printouts is 10 cents a page, the fee for records produced on magnetic computer tapes is $21 a tape, and the fee for records produced on computer diskettes is $2.70 a diskette. When the Board estimates that duplication costs will exceed $25, it will notify the requester of the estimated amount unless the requester has indicated in advance a willingness to pay an equal or higher amount.

(f) Fee waivers. (1) Upon request, the Clerk of the Board or regional director, as appropriate, will furnish information without charge or at reduced charges if it is established that disclosure "is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government." Factors on which this decision will be based include:

(i) The subject of the request: Whether the subject of the requested records concerns the operations or activities of the government;

(ii) The informative value of the information to be disclosed: Whether the disclosure is likely to contribute to an understanding of government operations or activities;

(iii) Whether disclosure of the requested information is likely to contribute to public understanding of the subject of the disclosure; and

(iv) The significance of the contribution the disclosure would make to public understanding of government operations or activities.

(2) If information is to be furnished without charge or at reduced rates, the requester must also establish that disclosure of the information is not primarily in the commercial interest of the requester. Factors on which this decision will be based include:

(i) Whether the requester has a commercial interest that would be furthered by the requested disclosure; and, if so,
(ii) Whether the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is primarily in the commercial interest of the requester.

(3) The requester has the burden of establishing eligibility for a waiver of fees or for reduced fees. The denial of a request for waiver of fees may be appealed under subpart C of this part.

§ 1204.14 Requests for access to confidential commercial information.

(a) General. Confidential commercial information provided to the Board by a business submitter will not be disclosed in response to a Freedom of Information Act request except in accordance with this section.

(b) Definitions. (1) The term confidential commercial information means records provided to the government by a submitter that arguably contain material exempt from release under Exemption 4 of the Freedom of Information Act, 5 U.S.C. 552(b)(4), because disclosure could reasonably be expected to cause substantial competitive harm.

(2) The term submitter means any person or entity who provides confidential commercial information to the government. The term “submitter” includes, but is not limited to, corporations, state governments, and foreign governments.

(c) Notice to business submitters. The Board will provide a business submitter with prompt written notice of a request encompassing its confidential commercial information whenever that action is required under paragraph (d) of this section, and except as provided in paragraph (h) of this section. This written notice will either describe the exact nature of the confidential information requested or will provide copies of the records or portions of records containing the commercial information.

(d) When initial notice is required. (1) With respect to confidential commercial information submitted to the Board before January 1, 1988, the Board will give the business submitter notice of a request whenever:

(i) The information is less than 10 years old; or

(ii) The Board has reason to believe that disclosure of the information could reasonably be expected to cause substantial competitive harm.

(2) With respect to confidential commercial information submitted to the Board on or after January 1, 1988, the Board will give notice to the business submitter whenever:

(i) The business submitter has designated the information in good faith as commercially or financially sensitive information; or

(ii) The Board has reason to believe that disclosure of the information could reasonably be expected to cause substantial competitive harm.

(3) Notice of a request for commercially confidential information submitted before January 1, 1988, is required for a period of not more than 10 years after the date on which the information is submitted unless the business submitter requests, and provides justification for, a longer specific notice period. Whenever possible, the submitter’s claim of confidentiality must be supported by a statement or certification, by an officer or authorized representative of the company, that the information in question is in fact confidential commercial information and has not been disclosed to the public.

(e) Opportunity to object to disclosure. Through the notice described in paragraph (c) of this section, the Board will afford a business submitter a reasonable period within which to provide a detailed statement of any objection to disclosure. The statement must specify all grounds for withholding any of the information under any exemption of the Freedom of Information Act. In addition, in the case of Exemption 4, the statement must demonstrate why the information is alleged to be a trade secret, or to be commercial or financial information that is privileged or confidential. Information a business submitter provides under this paragraph...
may itself be subject to disclosure under the Freedom of Information Act.

(f) Notice of intent to disclose information. The Board will consider carefully a business submitter’s objections and specific grounds for claiming that the information should not be disclosed before determining whether to disclose confidential commercial information. Whenever the Board decides to disclose confidential commercial information over the objection of a business submitter, it will forward to the business submitter a written notice that includes:

(1) A statement of the reasons for which the business submitter’s disclosure objections were not sufficient;
(2) A description of the confidential commercial information to be disclosed; and
(3) A specified disclosure date. The Board will forward the notice of intent to disclose the information a reasonable number of days, as circumstances permit, before the specified date upon which disclosure is expected. It will forward a copy of the disclosure notice to the requester at the same time.

(g) Notice of Freedom of Information Act lawsuit. Whenever a requester files a lawsuit seeking to compel disclosure of business information covered by paragraph (d) of this section, the Board will notify the business submitter promptly.

(h) Exceptions to notice requirements. The notice requirements of this section do not apply when:

(1) The Board determines that the information should not be disclosed;
(2) The information lawfully has been published or otherwise made available to the public;
(3) Disclosure of the information is required by law (other than 5 U.S.C. 552); or
(4) The disclosure is required by an agency rule that:
   (i) Was adopted pursuant to notice and public comment;
   (ii) Specifies narrow classes of records submitted to the agency that are to be released under the Freedom of Information Act; or
   (iii) Provides in exceptional circumstances for notice when the submitter provides written justification, at the time the information is submitted or a reasonable time thereafter, that disclosure of the information could reasonably be expected to cause substantial competitive harm.

(5) The information requested is not designated by the submitter as exempt from disclosure in accordance with agency regulations promulgated pursuant to this section, when the submitter has an opportunity to do so at the time of submission of the information or a reasonable time thereafter, unless the agency has substantial reason to believe that disclosure of the information would result in competitive harm; or

(6) The designation made by the submitter in accordance with Board regulations appears obviously frivolous; except that, in such case, the Board must provide the submitter with written notice of any final administrative disclosure determination within a reasonable period prior to the specified disclosure date.

Subpart C—Appeals

§ 1204.21 Submission.

A person may appeal a denial by the Clerk of the Board, or by any regional director, of access to agency records, waiver of fees, or reduction of fees. The appeal must be filed with the Chairman, Merit Systems Protection Board, 1120 Vermont Avenue NW., Washington, DC 20419. Any appeal must include a copy of the initial request, a copy of the letter denying the request, and a statement of the reasons why the appellant believes the denying official erred.

§ 1204.22 Decisions on appeal.

Decisions on an appeal will be made within 20 workdays after the appeal is received. Each decision will be in writing and, if the denial of access to records is upheld, will contain the reasons for the decision, as well as information about the appellant’s right to seek judicial review of the denial.
PART 1205—PRIVACY ACT REGULATIONS

Subpart A—General Provisions

§ 1205.1 Purpose.

This subpart implements the Privacy Act of 1974, 5 U.S.C. 552a, ("the Act") by prescribing the procedures by which individuals may determine the existence of, seek access to, and request amendment of Board records concerning themselves, and by stating the requirements that apply to Board employees' use and dissemination of those records.

§ 1205.2 Policy and scope.

The Board's policy is to apply these regulations to all records that can be retrieved from a system of records under the Board's control by using an individual's name or by using a number, symbol, or other means of identifying the individual. These regulations, however, do not govern the rights of parties in adversary proceedings before the Board to obtain discovery from adverse parties; those rights are governed by part 1201 and part 1209 of this chapter. These regulations also are not intended to permit the alteration, either before or after the Board has issued a decision on an appeal, of evidence presented during the Board's adjudication of the appeal.

§ 1205.3 Definitions.

The definitions of 5 U.S.C. 552a apply to this part. In addition, as used in this part:

(a) Inquiry means a request by an individual regarding whether the Board has a record that pertains to that individual.

(b) Request for access means a request by an individual to inspect or copy a record.

(c) Request for amendment means a request by an individual to change the substance of a particular record by addition, deletion, or other correction.

(d) Requester means the individual requesting access to or amendment of a record. The individual may be either the person to whom the requested record pertains, a legal guardian acting on behalf of the individual, or a representative designated by that individual.

Subpart B—Procedures for Obtaining Records

§ 1205.11 Access to Board records.

(a) Submission of request. Inquiries or requests for access to records must be submitted to the appropriate regional office of the Board, or to the Office of
§ 1205.12 Time limits and determinations.

(a) Board determinations. The Board will acknowledge the request and make a determination on it within 10 workdays after it receives the request, except under the unusual circumstances described below:

1. When the Board needs to obtain the records from other Board offices;
2. When it needs to obtain and examine a large number of records;
3. When it needs to consult with another agency that has a substantial interest in the records requested; or
4. When other extenuating circumstances prevent the Board from processing the request within the 10-day period.

(b) Time extensions. When unusual circumstances exist, the Board may extend the time for making a determination on the request for no more than 10 additional workdays. If it does so, it will notify the requester of the extension.

(c) Improper request. If a request or an appeal is not properly labeled, does not contain the necessary identifying information, or is submitted to the wrong office, the time period for processing the request will begin when the correct official receives the properly labeled request and the necessary information.

(d) Determining officials. The Clerk of the Board or a regional director will make determinations on requests.

§ 1205.13 Identification.

(a) In person. Each requester must present satisfactory proof of identity. The following items, which are listed in order of the Board’s preference, are acceptable proof of the requester’s identity when the request is made in person:

1. A document showing the requester’s photograph;
2. A document showing the requester’s signature; or
3. If the items described in paragraphs (a)(1) and (2) of this section are not available, a signed statement in which the requester asserts his or her identity and acknowledges understanding that misrepresentation of identity in order to obtain a record is a misdemeanor and subject to a fine of up to $5,000 under 5 U.S.C. 552a(i)(3).

(b) By mail. The identification of a requester making a request by mail must be certified by a notary public or equivalent official or contain other information sufficient to identify the requester. Sufficient information could be the date of birth of the requester.
and some item of information in the record that only the requester would be likely to know.

d) Parents of minors, legal guardians, and representatives. Parents of minors, legal guardians, and representatives must submit identification under paragraph (a) or (b) of this section. Additionally, they must present an authenticated copy of:
(1) The minor's birth certificate, and
(2) The court order of guardianship, or
(3) The agreement of representation, where appropriate.

§ 1205.13 Granting access.

(a) The Board may allow a requester to inspect records through either of the following methods:

(1) It may permit the requester to inspect the records personally during normal business hours at a Board office or other suitable Federal facility closer to the requester; or

(2) It may mail copies of the records to the requester.

(b) A requester seeking personal access to records may be accompanied by another individual of the requester's choice. Under those circumstances, however, the requester must sign a statement authorizing the discussion and presentation of the record in the accompanying individual's presence.

§ 1205.14 Denying access.

(a) Basis. In accordance with 5 U.S.C. 552a(k)(2), the Board may deny access to records that are of an investigatory nature and that are compiled for law enforcement purposes. Those requests will be denied only where access to them would otherwise be unavailable under Exemption (b)(7) of the Freedom of Information Act.

(b) Form. All denials of access under this section will be made in writing and will notify the requester of the right to judicial review.

§ 1205.15 Fees.

(a) No fees will be charged except for making copies of records.

(b) Photocopies of records duplicated by the Board will be subject to a charge of 10 cents a page.

(c) If the fee to be assessed for any request is less than $25 (the cost to the Board of processing and collecting the fee), no charge will be made to the requester.

(d) Fees for duplicating audio tapes and computer records will be charged at a rate representing the actual costs to the Board, as those costs are shown below.

(1) Audio tapes will be provided at a charge of $5.75 for each cassette tape.

(2) Computer printouts will be provided at a charge of 1 cent a page.

(3) Records reproduced on magnetic computer tapes will be provided at a charge of $21 a tape.

(4) Records produced on computer diskettes will be provided at a charge of $2.70 a diskette.

(e) If duplication costs exceed $25, the Board will notify the requester of the estimated amount before copying the records.

(f) When the Board determines that charges for a request are likely to exceed $250, it will require the requester to pay the entire fee before it continues to process the request.

(g) The Board will provide one copy of the amended parts of any record it amends free of charge as evidence of the amendment.

Subpart C—Amendment of Records

§ 1205.21 Request for amendment.

A request for amendment of a record must be submitted to the director of the appropriate regional office, or to the Office of the Clerk of the Board, U.S. Merit Systems Protection Board, 1120 Vermont Avenue NW., Washington, DC 20419, depending on which office is maintaining the record. The request must be in writing, must be identified conspicuously on the outside of the envelope and the letter as a “PRIVACY ACT REQUEST,” and must include the following information:

(a) An identification of the record to be amended;

(b) A description of the amendment requested; and

(c) A statement of the basis for the amendment, along with supporting documentation, if any.
§ 1205.22 Action on request.

(a) Amendment granted. If the Board grants the request for amendment, it will notify the requester and provide him or her with a copy of the amendment.

(b) Amendment denied. If the Board denies the request for amendment in whole or in part, it will provide the requester with a written notice that includes the following information:

1. The basis for the denial; and
2. The procedures for appealing the denial.

§ 1205.23 Time limits.

The regional director or the Board will rule on a request for amendment within 10 workdays of receipt of the request in the regional office or the Office of the Clerk except under the unusual circumstances described in paragraphs (a)(1) through (a)(4) of §1205.12 of this part.

Subpart D—Appeals

§ 1205.31 Submitting appeal.

(a) A partial or complete denial, by the Clerk of the Board or a regional director, of a request for amendment may be appealed to the Chairman, Merit Systems Protection Board, 1120 Vermont Avenue, NW., Washington, DC 20419.

(b) Any appeal must be in writing, must be clearly and conspicuously identified as a Privacy Act appeal on both the envelope and letter, and must include:

1. A copy of the original request for amendment of the record;
2. A copy of the denial; and
3. A statement of the reasons why the original denial should be overruled.

§ 1205.32 Decision on appeal.

(a) The Chairman will decide the appeal within 30 working days unless that official determines that there is good cause for extension of that deadline. If an appeal is improperly labeled, does not contain the necessary information, or is submitted to an inappropriate official, the time period for processing the appeal will begin when the Chairman receives the appeal and the necessary information.

(b) If the request for amendment of a record is granted on appeal, the Chairman will direct that the amendment be made. A copy of the amended record will be provided to the requester.

(c) If the request for amendment of a record is denied, the Chairman will notify the requester of the denial and will inform the requester of:

1. The basis for the denial;
2. The right to judicial review of the decision under 5 U.S.C. 552a(g)(1)(A); and
3. The right to file a concise statement with the Board stating the reasons why the requester disagrees with the denial. This statement will become a part of the requester’s record.
§ 1206.2 Policy.

The Board will provide the public with the fullest practicable information regarding its decision-making processes, while protecting individuals' rights and the Board's ability to carry out its responsibilities. Meetings at which the Board members jointly conduct or dispose of official business are presumptively open to the public. The Board will close those meetings in whole or in part only in accordance with the exemptions provided under 5 U.S.C. 552b(c), and only when doing so is in the public interest.

§ 1206.3 Definitions.

The following definitions apply to this part:

(a) Meeting means deliberations of at least two Board members that determine or result in the joint conduct of official Board business.

(b) Member means one of the members of the Merit Systems Protection Board.

Subpart B—Procedures

§ 1206.4 Notice of meeting.

(a) Notice of a Board meeting will be published in the FEDERAL REGISTER at least one week before the meeting. Each notice will include the following information:

(1) The time of the meeting;

(2) The place where the meeting will be held;

(3) The subject and agenda of the meeting;

(4) Whether the meeting is to be open to the public or closed; and

(5) The name and telephone number of a Board official responsible for receiving inquiries regarding the meeting.

(b) The Board, by majority vote, may provide less than one week’s notice. When it does so, however, it will provide notice of the meeting at the earliest practicable time.

§ 1206.5 Change in meeting plans after notice.

(a) After notice of a meeting has been published, the Board may change the time or place of the meeting only if it announces the change publicly at the earliest practicable time.

(b) After notice of a meeting has been published, the Board may not change either the subject matter of the meeting or the decision that the meeting will be open to the public or closed unless both of the following conditions are met:

(1) By majority, recorded vote, the Board members determine that Board business requires the change and that no earlier announcement of the change was possible; and

(2) Notice of the change, and of the individual Board members’ vote, is published in the FEDERAL REGISTER at the earliest practicable time.

§ 1206.6 Decision to close meeting.

(a) Basis. The Board, by majority vote, may decide to close a meeting in accordance with the provisions of 5 U.S.C. 552b(c)(1) to 552b(c)(10) when closing the meeting is in the public interest.

(b) General Counsel certification. For every meeting that is closed to the public in whole or in part, the General Counsel will certify that closing the meeting is proper, and will state the basis for that opinion.

(c) Vote. Within one day after voting to close a meeting, the Board will make publicly available a record reflecting the vote of each member. In addition, within one day after any vote to close a portion or portions of a meeting to the public, the Board will make publicly available a full written explanation of its decision to close the meeting, together with a list naming all persons expected to attend the meeting and identifying their affiliation, unless that disclosure would reveal the information that the meeting was closed to protect.

§ 1206.7 Record of meetings.

(a) Closed Meeting. When the Board has decided to close a meeting in whole or in part, it will maintain the following record:

(1) A transcript or recording of the proceeding;

(2) A copy of the General Counsel’s certification under § 1206.6(b) of this part;

(3) A statement from the presiding official specifying the time and place of
§ 1206.8 Providing information to the public.

Information available to the public under this part will be made available by the Office of the Clerk of the Board, U.S. Merit Systems Protection Board, 1120 Vermont Avenue, NW., Washington, DC 20419. Individuals or organizations with a special interest in activities of the Board may ask the Office of the Clerk to have them placed on a mailing list for receipt of information available under this part.

§ 1206.9 Procedures for expedited closing of meetings.

Instead of following the procedures described in §§ 1206.4 through 1206.8 of this part, and in §§ 1206.11 and 1206.12, the Board may expedite the closing of its meetings under the following conditions by using the following procedures:

(a) Finding. (1) Most regular Board business consists of reviewing initial decisions in cases adjudicated after an opportunity for a hearing has been provided. Based on a review of this circumstance, the legislative history of the Civil Service Reform Act of 1978 (Pub. L. 95-454), the Government in the Sunshine Act (5 U.S.C. 552b), and the Board’s regulations at 5 CFR part 1201, the Board finds that a majority of its meetings may properly be closed to the public under 5 U.S.C. 552b(c)(10) and 552b(d)(4).

(2) Absent a compelling public interest to the contrary, meetings or portions of meetings that can be expected to be closed under these procedures include meetings held to consider the following: Petitions for review or cases that have been or may be reopened under 5 CFR 1201.114 through 1201.117; proposals to take action against administrative law judges under 5 CFR 1201.131 through 1201.136; and actions brought by the Special Counsel under 5 CFR 1201.129.

(b) Announcement. The Board will announce publicly, at the earliest practicable time, the time, place, and subject matter of meetings or portions of meetings that are closed under this provision.

(c) Procedure for closing meetings under this section. At the beginning of a meeting or portion of a meeting that is to be closed under this section, the Board may, by recorded vote of two of its members, decide to close the meeting or a portion of it to public observation. The Board may take this action, however, only after it receives a certification by the General Counsel under §1206.6(b) of this part.

(d) Record Availability. When the Board has closed a meeting or portion of a meeting under this paragraph, it will make the following available as soon as practicable:

(1) A written record reflecting the vote of each participating member of the Board with respect to closing the meeting; and

(2) The General Counsel certification under §1206.6(b).

Subpart C—Conduct of Meetings

§ 1206.11 Meeting place.

The Board will hold open meetings in meeting rooms designated in the public announcements of those meetings. Whenever the number of observers is greater than can be accommodated in the designated meeting room, however, it will make alternative facilities available to the extent possible.

§ 1206.12 Role of observers.

The public may attend open meetings for the sole purpose of observation. Observers may not participate in the meetings unless they are expressly invited to do so. They also may not create distractions that interfere with the conduct and disposition of Board business, and they may be asked to leave if they do so. Observers of meetings that are partially closed must leave the meeting room when they are asked to do so.

§ 1207.101 Purpose.

The purpose of this regulation is to effectuate section 119 of the Rehabilitation, Comprehensive Services, and Developmental Disabilities Amendments of 1978, which amended section 504 of the Rehabilitation Act of 1973 to prohibit discrimination on the basis of handicap in programs or activities conducted by Executive agencies or the United States Postal Service.

§ 1207.102 Application.

This regulation (§§ 1207.101–1207.170) applies to all programs or activities conducted by the agency, except for programs or activities conducted outside the United States that do not involve individuals with handicaps in the United States.

§ 1207.103 Definitions.

For purposes of this regulation, the term—
(i) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: Neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genitourinary; hemic and lymphatic; skin; and endocrine; or

(ii) Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term physical or mental impairment includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, and drug addiction and alcoholism.

(2) Major life activities includes functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working.

(3) Has a record of such an impairment means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

(4) Is regarded as having an impairment means—

(i) Has a physical or mental impairment that does not substantially limit major life activities but is treated by the agency as constituting such a limitation;

(ii) Has a physical or mental impairment that substantially limits major life activities only as a result of the attitudes of others toward such impairment; or

(iii) Has none of the impairments defined in paragraph (1) of this definition but is treated by the agency as having such an impairment.

Qualified individual with handicaps means—

(1) With respect to preschool, elementary, or secondary education services provided by the agency, an individual with handicaps who is a member of a class of persons otherwise entitled by statute, regulation, or agency policy to receive education services from the agency;

(2) With respect to any other agency program or activity under which a person is required to perform services or to achieve a level of accomplishment, an individual with handicaps who meets the essential eligibility requirements and who can achieve the purpose of the program or activity without modifications in the program or activity that the agency can demonstrate would result in a fundamental alteration in its nature;

(3) With respect to any other program or activity, an individual with handicaps who meets the essential eligibility requirements for participation in, or receipt of benefits from, that program or activity; and

(4) Qualified handicapped person as that term is defined for purposes of employment in 29 CFR 1613.702(f), which is made applicable to this regulation by §1207.140.

Substantial impairment means a significant loss of the integrity of finished materials, design quality, or special character resulting from a permanent alteration.

§§ 1207.104—1207.109 [Reserved]

§ 1207.110 Self-evaluation.

(a) The agency shall, by September 6, 1989, evaluate its current policies and practices, and the effects thereof, that do not or may not meet the requirements of this regulation and, to the extent modification of any such policies and practices is required, the agency shall proceed to make the necessary modifications.
(b) The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the self-evaluation process by submitting comments (both oral and written).

(c) The agency shall, for at least three years following completion of the self-evaluation, maintain on file and make available for public inspection:
   (1) A description of areas examined and any problems identified; and
   (2) A description of any modifications made.

§ 1207.111 Notice.

The agency shall make available to employees, applicants, participants, beneficiaries, and other interested persons such information regarding the provisions of this regulation and its applicability to the programs or activities conducted by the agency, and make such information available to them in such manner as the head of the agency finds necessary to apprise such persons of the protections against discrimination assured them by section 504 and this regulation.

§§ 1207.112–1207.129 [Reserved]

§ 1207.130 General prohibitions against discrimination.

(a) No qualified individual with handicaps shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(b)(1) The agency, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—
   (i) Deny a qualified individual with handicaps the opportunity to participate in or benefit from the aid, benefit, or service; or
   (ii) Afford a qualified individual with handicaps an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;
   (iii) Provide a qualified individual with handicaps with an aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;
   (iv) Provide different or separate aid, benefits, or services to individuals with handicaps or to any class of individuals with handicaps than is provided to others unless such action is necessary to provide qualified individuals with handicaps with aid, benefits, or services that are as effective as those provided to others;
   (v) Deny a qualified individual with handicaps the opportunity to participate as a member of planning or advisory boards;
   (vi) Otherwise limit a qualified individual with handicaps in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The agency may not deny a qualified individual with handicaps the opportunity to participate in programs or activities that are not separate or different, despite the existence of permissibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—
   (i) Subject qualified individuals with handicaps to discrimination on the basis of handicap; or
   (ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—
   (i) Exclude individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or
   (ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified individuals with handicaps to discrimination on the basis of handicap.
§§ 1207.131—1207.139

(6) The agency may not administer a licensing or certification program in a manner that subjects qualified individuals with handicaps to discrimination on the basis of handicap, nor may the agency establish requirements for the programs or activities of licensees or certified entities that subject qualified individuals with handicaps to discrimination on the basis of handicap. However, the programs or activities of entities that are licensed or certified by the agency are not, themselves, covered by this regulation.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to individuals with handicaps or the exclusion of a specific class of individuals with handicaps from a program limited by Federal statute or Executive order to a different class of individuals with handicaps is not prohibited by this regulation.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified individuals with handicaps.

§§ 1207.140—1207.148 [Reserved]

§ 1207.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in §1207.150, no qualified individual with handicaps shall, because the agency’s facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 1207.150 Program accessibility: Existing facilities.

(a) General. The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by individuals with handicaps;

(2) In the case of historic preservation programs, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1207.150(a) would result in such alteration or burdens. The decision that compliance would result in such an alteration or such burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) Methods—(1) General. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock,
or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(2) Historic preservation programs. In meeting the requirements of §1207.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to individuals with handicaps. In cases where a physical alteration to an historic property is not required because of §1207.150(a) (2) or (3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

(ii) Assigning persons to guide individuals with handicaps into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.

(d) Transition plan. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by March 6, 1989, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency’s facilities that limit the accessibility of its programs or activities to individuals with handicaps;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

§ 1207.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151-4157), as established in 41 CFR 101-19.600 to 101-19.607, apply to buildings covered by this section.

§ 1207.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(b) Transition plan. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by March 6, 1989, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency’s facilities that limit the accessibility of its programs or activities to individuals with handicaps;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

§ 1207.152 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151-4157), as established in 41 CFR 101-19.600 to 101-19.607, apply to buildings covered by this section.

§§ 1207.152–1207.159 Reserved

§ 1207.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(b) Transition plan. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by March 6, 1989, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both oral and written). (2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.
§ 1207.160 Effective communication.

(a) The agency shall take action to ensure that when it communicates with applicants or beneficiaries with handicaps, the communications are effective. The agency shall give primary consideration to the requests of the individual with handicaps.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD’s) or equally effective telecommunication systems shall be used to communicate with persons with impaired hearing.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 1207.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.

§§ 1207.161—1207.169 [Reserved]

(c) The Equal Employment Officer shall be responsible for coordinating implementation of this section. Complaints may be sent to the Equal Employment Office, Merit Systems Protection Board, 1120 Vermont Avenue, NW., Room 908, Washington, DC 20419.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate Government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157), is not readily accessible to and usable by individuals with handicaps.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found; and

(3) A notice of the right to appeal.
(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §1207.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.

(j) The head of the agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. AUTHORITY: 5 U.S.C. 1204, 1221, 2302(b)(8), and 7701.

SOURCE: 55 FR 28592, July 12, 1990, unless otherwise noted.

Subpart A—Jurisdiction and Definitions

§1209.1 Scope.

This part governs any appeal or stay request filed with the Board by an employee, former employee, or applicant for employment where the appellant alleges that a personnel action defined in 5 U.S.C. 2302(a)(2) was threatened, proposed, taken, or not taken because of the appellant’s whistleblowing activities. Included are individual right of action appeals authorized by 5 U.S.C. 1221(a), appeals of otherwise appealable actions allegedly based on the appellant’s whistleblowing activities, and requests for stays of personnel actions allegedly based on whistleblowing.

§1209.2 Jurisdiction.

(a) Under 5 U.S.C. 1221(a)(3), an employee, former employee, or applicant for employment may appeal to the Board from agency personnel actions alleged to have been threatened, proposed, taken, or not taken because of the appellant’s whistleblowing activities.

(b) The Board exercises jurisdiction over:

(1) Individual right of action appeals. These are authorized by 5 U.S.C. 1221(a) with respect to personnel actions listed in §1209.4(a) of this part that are allegedly threatened, proposed, taken, or not taken because of the appellant’s whistleblowing activities. If the action is not otherwise directly appealable to
the Board, the appellant must seek corrective action from the Special Counsel before appealing to the Board.

Example: Agency A gives Mr. X a performance evaluation under 5 U.S.C. chapter 43 that rates him as "minimally satisfactory." Mr. X believes that the agency has rated him "minimally satisfactory" because of his whistleblowing activities. Because a performance evaluation is not an otherwise appealable action, Mr. X must seek corrective action from the Special Counsel before appealing to the Board or before seeking a stay of the evaluation. If Mr. X appeals the evaluation to the Board after the Special Counsel proceeding is terminated or exhausted, his appeal is an individual right of action appeal.

(2) Otherwise appealable action appeals. These are appeals to the Board under laws, rules, or regulations other than 5 U.S.C. 1221(a) that include an allegation that the action was based on the appellant's whistleblowing activities. The appellant may choose either to seek corrective action from the Special Counsel before appealing to the Board or to appeal directly to the Board. (Examples of such otherwise appealable actions are listed in 5 CFR 1201.3 (a)(1) through (a)(19).)

Example: Agency B removes Ms. Y for alleged misconduct under 5 U.S.C. 7513. Ms. Y believes that the agency removed her because of her whistleblowing activities. Because the removal action is appealable to the Board under some law, rule or regulation other than 5 U.S.C. 1221(a), Ms. Y may choose to file an appeal with the Board without first seeking corrective action from the Special Counsel or to seek corrective action from the Special Counsel and then appeal to the Board.

(3) Stays. Where the appellant alleges that a personnel action was or will be based on whistleblowing, the Board may, upon the appellant's request, order an agency to suspend that action.

§ 1209.3 Application of 5 CFR part 1201.

Except as expressly provided in this part, the Board will apply subparts A, B, C, E, F, and G of 5 CFR part 1201 to appeals and stay requests governed by this part. The Board will apply the provisions of subpart H of part 1201 regarding awards of attorney fees and consequential damages under 5 U.S.C. 1221(g) to appeals governed by this part.

§ 1209.4 Definitions.

(a) Personnel action means, as to individuals and agencies covered by 5 U.S.C. 2302:

(1) An appointment;
(2) A promotion;
(3) An adverse action under chapter 75 of title 5, United States Code or other disciplinary or corrective action;
(4) A detail, transfer, or reassignment;
(5) A reinstatement;
(6) A restoration;
(7) A reemployment;
(8) A performance evaluation under chapter 43 of title 5, United States Code;
(9) A decision concerning pay, benefits, or awards, or concerning education or training if the education or training may reasonably be expected to lead to an appointment, promotion, performance evaluation, or other personnel action;
(10) A decision to order psychiatric testing or examination; or
(11) Any other significant change in duties, responsibilities, or working conditions.

(b) Whistleblowing is the disclosure of information by an employee, former employee, or applicant that the individual reasonably believes evidences a violation of law, rule, or regulation, gross mismanagement, gross waste of funds, abuse of authority, or substantial and specific danger to public health or safety. It does not include a disclosure that is specifically prohibited by law or required by Executive order to be kept secret in the interest of national defense or foreign affairs, unless such information is disclosed to the Special Counsel, the Inspector General of an agency, or an employee designated by the head of the agency to receive it.

(c) Contributing factor means any disclosure that affects an agency's decision to threaten, propose, take, or not take a personnel action with respect to the individual making the disclosure.

(d) Clear and convincing evidence is that measure or degree of proof that
§ 1209.7 Burden and degree of proof.

(a) Subject to the exception stated in paragraph (b) of this section, in any case involving a prohibited personnel practice described in 5 U.S.C. 2302(b)(8), the Board will order appropriate corrective action if the appellant shows by a preponderance of the evidence that a
(8) § 1209.8 Disclosure described under 5 U.S.C. 2302(b)(8) was a contributing factor in the personnel action that was threatened, proposed, taken, or not taken against the appellant.

(b) However, even where the appellant meets the burden stated in paragraph (a) of this section, the Board will not order corrective action if the agency shows by clear and convincing evidence that it would have threatened, proposed, taken, or not taken the same personnel action in the absence of the disclosure.

Subpart C—Stay Requests

§ 1209.8 Filing a request for a stay.

(a) Time of filing. An appellant may request a stay of a personnel action allegedly based on whistleblowing at any time after the appellant becomes eligible to file an appeal with the Board under §1209.5 of this part, but no later than the time limit set for the close of discovery in the appeal. It may be filed prior to, simultaneous with, or after the filing of an appeal.

(b) Place of filing. Requests must be filed with the appropriate Board regional or field office as set forth in 5 CFR 1201.4(d).

(c) Service of stay request. A stay request must be simultaneously served upon the Board’s regional or field office and upon the agency’s local servicing personnel office or the agency’s designated representative, if any. A certificate of service stating how and when service was made must accompany the stay request.

(d) Method of filing. A stay request must be filed with the appropriate Board regional or field office by personal delivery, by facsimile, by mail, or by commercial overnight delivery.

§ 1209.9 Content of stay request and response.

(a) Only an appellant, his or her designated representative, or a party properly substituted under 5 CFR 1201.35 may file a stay request. The request may be in any format, and must contain the following:

1. The name, address, and telephone number of the appellant, and the name and address of the acting agency;
2. The name, address, and telephone number of the appellant’s representative, if any;
3. The signature of the appellant or, if the appellant has a representative, of the representative;
4. A chronology of facts, including a description of the appellant’s disclosure and the action that the agency has taken or intends to take;
5. Where the appellant first sought corrective action from the Special Counsel, evidence that the stay request is timely filed;
6. Evidence and/or argument showing that:
   (i) The action threatened, proposed, taken, or not taken is a personnel action, as defined in §1209.4(a) of this part;
   (ii) The action complained of was based on whistleblowing, as defined in §1209.4(b) of this part; and
   (iii) There is a substantial likelihood that the appellant will prevail on the merits of the appeal;
7. Evidence and/or argument addressing how long the stay should remain in effect; and
8. Any documentary evidence that supports the stay request.

(b) An appellant may provide evidence and/or argument addressing the question of whether a stay would impose extreme hardship on the agency.

(c) Agency response. (1) The agency’s response to the stay request must be received by the appropriate Board regional or field office within five days (excluding Saturdays, Sundays, and Federal holidays) of the date of service of the stay request on the agency.

(2) The agency’s response must contain the following:

   (i) Evidence and/or argument addressing whether there is a substantial likelihood that the appellant will prevail on the merits of the appeal;
   (ii) Evidence and/or argument addressing whether the grant of a stay would result in extreme hardship to the agency; and
   (iii) Any documentation relevant to the agency’s position on these issues.

§ 1209.10 Hearing and order ruling on stay request.

(a) Hearing. The judge may hold a hearing on the stay request.

(b) Order ruling on stay request. (1) The judge must rule upon the stay request within 10 days (excluding Saturdays, Sundays, and Federal holidays) after the request is received by the appropriate Board regional or field office.

(2) The judge's ruling on the stay request must set forth the factual and legal bases for the decision. The judge must decide whether there is a substantial likelihood that the appellant will prevail on the merits of the appeal, and whether the stay would result in extreme hardship to the agency.

(3) If the judge grants a stay, the order must specify the effective date and duration of the stay.

§ 1209.11 Duration of stay; interim compliance.

(a) Duration of stay. A stay becomes effective on the date specified in the judge's order. The stay will remain in effect for the time period set forth in the order or until the Board issues a final decision on the appeal of the underlying personnel action that was stayed, or until the Board vacates or modifies the stay, whichever occurs first.

(b) Interim compliance. An agency must immediately comply with an order granting a stay request. Although the order granting a stay request is not a final order, petitions for enforcement of such orders are governed by 5 CFR part 1201, subpart F.

Subpart D—Reports on Applications for Transfers

§ 1209.12 Filing of agency reports.

When an employee who has applied for a transfer to another position in an Executive agency under 5 U.S.C. 3352 asks the agency head to review a rejection of his or her application for transfer, the agency head must complete the review and provide a written statement of findings to the employee and the Clerk of the Board within 30 days after receiving the request.

Subpart E—Referrals to the Special Counsel

§ 1209.13 Referral of findings to the Special Counsel.

When the Board determines in a proceeding under this part that there is reason to believe that a current Federal employee may have committed a prohibited personnel practice described at 5 U.S.C. 2302(b)(8), the Board will refer the matter to the Special Counsel to investigate and take appropriate action under 5 U.S.C. 1215.

This regulation does not apply when the employee consents to recovery from his/her current pay account.

(b) This regulation does not apply to debts or claims arising under:

(1) The Internal Revenue Code of 1954, as amended, 26 U.S.C. 1 et seq.;

(2) The Social Security Act, 42 U.S.C. 301 et seq.;

(3) The tariff laws of the United States; or

(4) Any case where a collection of a debt by salary offset is explicitly provided for or prohibited by another statute.

(c) This regulation does not apply to any adjustment to pay arising out of an employee's selection of coverage or a change in coverage under a Federal benefits program requiring periodic deductions from pay if the amount to be recovered was accumulated over four pay periods or less.

(ii) Certify in writing that the employee owes the debt, the amount and basis of the debt, the date on which payment is due, the date the Government's right to collect the debt accrued, and that MSPB regulations for salary offset have been approved by the Office of Personnel Management;

(iii) Advise the paying agency of the amount or percentage of disposable pay to be collected in each installment, if collection is to be made in installments;

(iv) Advise the paying agency of the actions taken under 5 U.S.C. 5514(b) and provide the dates on which action was taken unless the employee has consented to salary offset in writing or signed a statement acknowledging receipt of procedures required by law. The written consent or acknowledgment must be sent to the paying agency;

(v) If the employee is in the process of separating, MSPB must submit its debt claim to the paying agency as provided in this part. The paying agency must certify any amounts already collected, notify the employee, and send a copy of the certification and notice of the employee's separation to the creditor agency. If the paying agency is aware that the employee is entitled to Civil Service Retirement and Disability Fund or similar payments, it must certify to the agency responsible for making such payments the amount of the debt and that the provisions of this part have been followed; and

(vi) If the employee has already separated and all payments due from the paying agency have been paid, the Chairman may request unless otherwise prohibited, that money payable to the employee from the Civil Service Retirement and Disability Fund or other similar funds be collected by administrative offset.

(b) MSPB as the paying agency.

(1) Upon receipt of a properly certified debt claim from another agency, deductions will be scheduled to begin at the next established pay interval. The employee must receive written notice that the MSPB has received a certified debt claim from the creditor agency, the amount of the debt, the date salary offset will begin, and the amount of the deduction(s). The MSPB shall not review the merits of the creditor agency's determination of the validity or the amount of the certified claim.

(2) If the employee transfers to another agency after the creditor agency has submitted its debt claim to the MSPB and before the debt is collected completely, the MSPB must certify the total amount collected. One copy of the certification must be furnished to the employee. A copy must be furnished the creditor agency with notice of the employee's transfer.

§ 1210.8 Procedures for salary offset.

(a) Deductions to liquidate an employee's debt will be by the method and in the amount stated in the Chairman's notice of intention to offset as provided in § 1210.4. Debts will be collected in one lump sum where possible. If the employee is financially unable to pay in one lump sum, collection must be made in installments.

(b) Debts will be collected by deduction at officially established pay intervals from an employee's current pay account unless alternative arrangements for repayment are made.

(c) Installment deductions will be made over a period not greater than the anticipated period of employment. The size of installment deductions must bear a reasonable relationship to the size of the debt and the employee's ability to pay. The deduction for the pay intervals for any period must not exceed 15 percent of disposable pay unless the employee has agreed in writing to a deduction of a greater amount.

(d) Unliquidated debts may be offset against any financial payment due to a separated employee including but not limited to final salary payment or leave in accordance with 31 U.S.C. 3716.

§ 1210.9 Refunds.

(a) The MSPB will refund promptly any amounts deducted to satisfy debts owed to the MSPB when the debt is
§ 1210.24

Claims involving criminal activity or misconduct.

(a) A debtor whose indebtedness involves criminal activity such as fraud,
§ 1210.25 Collection.

(a) The MSPB will take aggressive action to collect debts and reduce delinquencies. Collection efforts shall include sending to the debtor's last known address a total of three progressively stronger written demands for payment at not more than 30 day intervals. When necessary to protect the Government's interest, written demand may be preceded by other appropriate action, including immediate referral for litigation. Other contact with the debtor or his or her representative or guarantor by telephone, in person and/or in writing may be appropriate to demand prompt payment, to discuss the debtor's position regarding the existence, amount and repayment of the debt, and to inform the debtor of his or her rights and effect of nonpayment or delayed payment. A debtor who disputes a debt must promptly provide available supporting evidence.

(b) If a debtor is involved in insolvency proceedings, the debt will be referred to the appropriate United States Attorney to file a claim. The United States may have a priority over other creditors under 31 U.S.C. 3713.

§ 1210.26 Notices to debtor.

The first written demand for payment must inform the debtor of the following:

(a) The amount and nature of the debt;
(b) The date payment is due, which will generally be 30 days from the date the notice was mailed;
(c) The assessment of interest under §1210.27 from the date the notice was mailed if payment is not received within the 30 days;
(d) The right to dispute the debt;
(e) The office, address and telephone number that the debtor should contact to discuss repayment and reconsideration of the debt; and
(f) The sanctions available to the MSPB to collect a delinquent debt including, but not limited to, referral of the debt to a credit reporting agency, a private collection bureau, or the Department of Justice for litigation.

§ 1210.27 Interest, penalties, and administrative costs.

(a) Interest will accrue on all debts from the date when the first notice of the debt and the interest requirement is mailed to the last known address or hand-delivered to the debtor if the debt is not paid within 30 days from the date the first notice was mailed. The MSPB will charge an annual rate of interest that is equal to the average investment rate for the Treasury tax and loan accounts on September 30 of each year, rounded to the nearest whole percent. This rate, which represents the current value of funds to the United States Treasury, may be revised quarterly by the Secretary of the Treasury and is published by the Secretary of the Treasury annually or quarterly in the Federal Register and the Treasury Financial Manual Bulletins.

(b) The rate of interest initially assessed will remain fixed for the duration of the indebtedness, except that if a debtor defaults on a repayment agreement interest may be set at the Treasury rate in effect on the date a new agreement is executed.

(c) The MSPB shall charge debtors for administrative costs incurred in handling overdue debts.

(d) Interest will not be charged on administrative costs.

(e) The MSPB shall assess a penalty charge, not to exceed 6 percent per year on debts which have been delinquent for more than 90 days. This charge shall accrue from the date that the debt became delinquent.

(f) The Chairman or his designee may waive in whole or in part the collection of interest and administrative and penalty charges if determined that collection would be against equity or not in
the best interests of the United States. The MSPB shall waive the collection of interest on the debt or any part of the debt which is paid within 30 days after the date on which interest began to accrue.

§ 1210.28 Administrative offset.
(a) The MSPB may collect debts owed by administrative offset if:
(1) The debt is certain in amount;
(2) Efforts to obtain direct payment have been, or would most likely be unsuccessful, or the MSPB and the debtor agree to the offset;
(3) Offset is cost effective or has significant deterrent value; and
(4) Offset is best suited to further and protect the Government’s interest.
(b) The MSPB may offset a debt owed to another Federal agency from amounts due or payable by the MSPB to the debtor or request another Federal agency to offset a debt owed to the MSPB;
(c) Prior to initiating administrative offset, the MSPB will send the debtor written notice of the following:
(1) The nature and amount of the debt and the agency’s intention to collect the debt by offset 30 days from the date the notice was mailed if neither payment nor a satisfactory response is received by that date;
(2) The debtor’s right to an opportunity to submit a good faith alternative repayment schedule to inspect and copy agency records pertaining to the debt, to request a review of the determination of indebtedness; and to enter into a written agreement to repay the debt; and
(3) The applicable interest.
(d) The MSPB may effect an administrative offset against a payment to be made to a debtor prior to the completion of the procedures required by paragraph (c) of this section if:
(1) Failure of offset would substantially prejudice the Government’s ability to collect the debt; and
(2) The time before the payment is to be made does not reasonably permit completion of those procedures.

§ 1210.29 Use of credit reporting agencies.
(a) The MSPB may report delinquent accounts to credit reporting agencies consistent with the notice requirements contained in §1210.26. Individual debtors must be given at least 60 days written notice that the debt is overdue and will be reported to a credit reporting agency.
(b) Debts may be reported to consumer or commercial reporting agencies. Consumer reporting agencies are defined in 31 U.S.C. 3701(a)(3) pursuant to 5 U.S.C. 552a(b)(12) and 31 U.S.C. 3711(f). The MSPB may disclose only an individual’s name, address, Social Security number, and the nature, amount, status and history of the debt and the program under which the claim arose.

§ 1210.30 Collection services.
(a) The MSPB may contract for collection services to recover outstanding debts. The MSPB may refer delinquent debts to private collection agencies listed on the schedule compiled by the General Services Administration. In such contracts, the MSPB will retain the authority to resolve disputes, compromise claims, terminate or suspend collection, and refer the matter to the Department of Justice or the General Accounting Office.
(b) The contractor shall be subject to the disclosure provisions of the Privacy Act of 1974, as amended (5 U.S.C. 552a(m)), and to applicable Federal and state laws and regulations pertaining to debt collection practices, including the Fair Debt Collection Practices Act, 15 U.S.C. 1692. The contractor shall be strictly accountable for all amounts collected.
(c) The contractor shall be required to provide to the MSPB any data contained in its files relating to the debt account upon agency request or upon returning an account to the MSPB for referral to the Department of Justice for litigation.

§ 1210.31 Referral to the Department of Justice or the General Accounting Office.
Debts over $600 but less than $100,000 which the MSPB determines can neither be collected nor otherwise disposed of will be referred for litigation to the United States Attorney in whose judicial district the debtor is located. Claims for amounts exceeding $100,000
§ 1210.32 Compromise, suspension and termination.

(a) The Chairman of the MSPB or his designee may compromise, suspend or terminate the collection of debts where the outstanding principal is not greater than $20,000. MSPB procedures for writing off outstanding accounts are available to the public.

(b) The Chairman of the MSPB may compromise, suspend or terminate collection of debts where the outstanding principal is greater than $20,000 only with the approval of, or by referral to the United States Attorney or the Department of Justice.

(c) The Chairman of the MSPB will refer to the General Accounting Office (GAO) debts arising from GAO audit exceptions.

§ 1210.33 Omissions not a defense.

Failure to comply with any provisions of this rule may not serve as a defense to any debtor.

Employees of the Office of Management and Budget are subject to the executive branch-wide standards of ethical conduct at 5 CFR part 2635, OMB’s regulations at 5 CFR part 8701 which supplement the executive branch-wide standards, and the executive branch-wide financial disclosure regulations at 5 CFR part 2634.

1302.1 Rules for determining if an individual is the subject of a record.
1302.2 Requests for access.
1302.3 Access to the accounting of disclosures from records.
1302.4 Requests to amend records.
1302.5 Request for review.
1302.6 Schedule of fees.

SOURCE: 41 FR 38491, Sept. 10, 1976, unless otherwise noted.

§ 1302.1 Rules for determining if an individual is the subject of a record.

(a) Individuals desiring to know if a specific system of records maintained by the Office of Management and Budget contains a record pertaining to them should address their inquiries to the Assistant to the Director for Administration, Office of Management and Budget, Washington, DC 20503. The written inquiry should contain a specific reference to the system of records maintained by OMB listed in the OMB Notices of Systems of Records or it should describe the type of record in sufficient detail to reasonably identify the system of records. Notice of OMB systems of records subject to the Privacy Act will be made in the Federal Register and copies of the notices will be available upon request to the Assistant to the Director for Administration when so published. A compilation of such notices will also be made and published by the Office of Federal Register, in accordance with section 5 U.S.C. 552a(f).

(b) At a minimum, the request should also contain sufficient information to identify the requester in order to allow OMB to determine if there is a record pertaining to that individual in a particular system of records. In instances when the information is insufficient to insure disclosure to the individual to whom the information pertains, in view of the sensitivity of the information, OMB reserves the right to ask the requester for additional identifying information.

(c) Ordinarily the requester will be informed whether the named system of records contains a record pertaining to the requester within 10 days of receipt of such a request (excluding Saturdays, Sundays, and legal Federal holidays). Such a response will also contain or reference the procedures which must be followed by the individual making the request in order to gain access to the record.

(d) Whenever a response cannot be made within the 10 days, the Assistant to the Director for Administration will inform the requester of the reasons for the delay and the date by which a response may be anticipated.

§ 1302.2 Requests for access.

(a) Requirement for written requests. Individuals desiring to gain access to a record pertaining to them in a system of records maintained by OMB must submit their request in writing in accordance with the procedures set forth in paragraph (b) of this section. Due to security measures in effect in both the Old and New Executive Office Buildings, requests made in person (walk-ins) cannot be accepted, except that individuals who are employed by the Office of Management and Budget may make their request on a regularly scheduled workday (Monday through...
Office of Management and Budget

§ 1302.2

Friday, excluding legal Federal holidays) between the hours of 9:00 a.m. and 5:30 p.m. Such requests for access by individuals employed by OMB need not be made in writing.

(b) Procedures—(1) Content of the Request. (i) The request for access to a record in a system of records shall be addressed to the Assistant to the Director for Administration, at the address cited above, and shall name the system of records or contain a description (as concise as possible) of such system of records. The request should state that the request is pursuant to the Privacy Act of 1974. In the absence of specifying solely the Privacy Act of 1974 and, if the request may be processed under both the Freedom of Information Act and the Privacy Act and the request specifies both or neither act, the procedures under the Privacy Act of 1974 will be employed. The individual will be advised that the procedures of the Privacy Act will be utilized, of the existence and the general effect of the Freedom of Information Act, and the difference between procedures under the two acts (e.g., fees, time limits, access). The request should contain necessary information to verify the identity of the requester (see §1302.2(b)(2)(vi), of this part). In addition, the requester should include any other information which may assist in the rapid identification of the record for which access is being requested (e.g., maiden name, dates of employment, etc.) as well as any other identifying information contained in and required by the OMB Notice of Systems of Records.

(ii) If the request for access follows a prior request under §1302.1, of this part, the same identifying information need not be included in the request for access if a reference is made to that prior correspondence, or a copy of the OMB response to that request is attached.

(iii) If the individual specifically desires a copy of the record, the request should so specify.

(2) OMB action on request. A request for access will ordinarily be answered within 10 days, except when the Assistant to the Director for Administration determines that access cannot be afforded in that time, in which case the requester will be informed of the reason for the delay and an estimated date by which the request will be answered. Normally, access will be granted within 30 days from the date the request was received by the Office of Management and Budget. At a minimum, the answer to the request for access shall include the following:

(i) A statement that there is a record as requested or a statement that there is not a record in the system of records maintained by OMB;

(ii) A statement as to whether access will be granted only by providing a copy of the record through the mail; or the address of the location and the date and time at which the record may be examined. In the event the requester is unable to meet the specified date and time, alternative arrangements may be made with the official specified in §1302.2(b)(1) of this part;

(iii) A statement, when appropriate, that examination in person will be the sole means of granting access only when the Assistant to the Director for Administration has determined that it would not unduly impede the requester's right of access;

(iv) The amount of fees charged, if any (see §1302.6 of this part). (Fees are applicable only to requests for copies);

(v) The name, title, and telephone number of the OMB official having operational control over the record; and

(vi) The documentation required by OMB to verify the identity of the requester. At a minimum, OMB's verification standards include the following:

(A) Current or former OMB employees. Current or former OMB employees requesting access to a record pertaining to them in a system of records maintained by OMB may, in addition to the other requirements of this section, and at the sole discretion of the official having operational control over the record, have his or her identity verified by visual observation. If the current or former OMB employee cannot be so identified by the official having operational control over the records, identification documentation will be required. Employee identification cards, annuitant identification, driver licenses, or the "employee copy" of any official personnel document in the
§ 1302.2  5 CFR Ch. III (1-1-98 Edition)

record are examples of acceptable identification validation.

(B) Other than current or former OMB employees. Individuals other than current or former OMB employees requesting access to a record pertaining to them in a system of records maintained by OMB must produce identification documentation of the type described herein, prior to being granted access. The extent of the identification documentation required will depend on the type of record to be accessed. In most cases, identification verification will be accomplished by the presentation of two forms of identification. Any additional requirements are specified in the system notices published pursuant to 5 U.S.C. 552a(e)(4).

(C) Access granted by mail. For records to be accessed by mail, the Assistant to the Director for Administration shall, to the extent possible, establish identity by a comparison of signatures in situations where the data in the record is not so sensitive that unauthorized access could cause harm or embarrassment to the individual to whom they pertain. No identification documentation will be required for the disclosure to the requester of information required to be made available to the public by 5 U.S.C. 552. When, in the opinion of the Assistant to the Director for Administration, the granting of access through the mail could reasonably be expected to result in harm or embarrassment if disclosed to a person other than the individual to whom the record pertains, a notarized statement of identity or some similar assurance of identity will be required.

(D) Unavailability of identification documentation. If an individual is unable to produce adequate identification documentation the individual will be required to sign a statement asserting identity and acknowledging that knowingly or willfully seeking or obtaining access to records about another person under false pretenses may result in a fine of up to $5,000. In addition, depending upon the sensitivity of the records sought to be accessed, the official having operational control over the records may require such further reasonable assurances as may be considered appropriate; e.g., statements of other individuals who can attest to the identity of the requester. No verification of identity will be required of individuals seeking access to records which are otherwise available to any person under 5 U.S.C. 552, Freedom of Information Act.

(E) Access by the parent of a minor, or legal guardian. A parent of a minor, upon presenting suitable personal identification, may access on behalf of the minor any record pertaining to the minor maintained by OMB in a system of records. A legal guardian may similarly act on behalf of an individual declared to be incompetent due to physical or mental incapacity or age by a court of competent jurisdiction, absent a court order or consent, a parent or legal guardian has no absolute right to have access to a record about a child. Minors are not precluded from exercising on their own behalf rights given to them by the Privacy Act.

(F) Granting access when accompanied by another individual. When an individual requesting access to his or her record in a system of records maintained by OMB wishes to be accompanied by another individual during the course of the examination of the record, the individual making the request shall submit to the official having operational control of the record, a signed statement authorizing that person access to the record.

(G) Denial of access for inadequate identification documentation. If the official having operation control over the records in a system of records maintained by OMB determines that an individual seeking access has not provided sufficient identification documentation to permit access, the official shall consult with the Assistant to the Director for Administration prior to finally denying the individual access.

(H) Review of decision to deny access. Whenever the Assistant to the Director for Administration determines, in accordance with the procedures herein, that access cannot be granted, the response will also include a statement of the procedures to obtain a review of the decision to deny in accordance with §1302.5 of this part.

(vii) Exceptions. Nothing in these regulations shall be construed to entitle an individual the right to access to any
information compiled in reasonable anticipation of a civil action or proceedings. The mere fact that records in a system of records are frequently the subject of litigation does not bring those systems of records within the scope of this provision. This provision is not intended to preclude access by an individual to records which are available to that individual under other processes such as the Freedom of Information Act or the rules of civil procedure.

§ 1302.3 Access to the accounting of disclosures from records.

Rules governing the granting of access to the accounting of disclosures are the same as those for granting access to the records (including verification of identity) outlined in §1302.2, of this part.

§ 1302.4 Requests to amend records.

(a) Requirement for written requests. Individuals desiring to amend a record that pertain to them in a system of records maintained by OMB, must submit their request in writing in accordance with the procedures set forth herein unless this requirement is waived by the official having responsibility for the system of records. Records not subject to the Privacy Act of 1974 will not be amended in accordance with these provisions. However, individuals who believe that such records are inaccurate may bring this to the attention of OMB.

(b) Procedures. (1) (i) The request to amend a record in a system of records shall be addressed to the Assistant to the Director for Administration. Included in the request shall be the name of the system and a brief description of the record proposed for amendment. In the event the request to amend the record is the result of the individual's having gained access to the record in accordance with the provisions concerning access to records as set forth above, copies of previous correspondence between the requester and OMB will serve in lieu of a separate description of the record.

(ii) When the individual's identity has been previously verified pursuant to §1302.2(b)(2)(vi) herein, further verification of identity is not required as long as the communication does not suggest that a need for verification is present. If the individual's identity has not been previously verified, OMB may require identification validation as described in §1302.2(b)(2)(vi). Individuals desiring assistance in the preparation of a request to amend a record should contact the Assistant to the Director for Administration at the address cited above.

(iii) The exact portion of the record the individual seeks to have amended should be clearly indicated. If possible, the proposed alternative language should also be set forth, or at a minimum, the facts which the individual believes are not accurate, relevant, timely, or complete should be set forth with such particularity as to permit OMB not only to understand the individual's basis for the request, but also to make an appropriate amendment to the record.

(iv) The request must also set forth the reasons why the individual believes his record is not accurate, relevant, timely, or complete. In order to avoid the retention by OMB of personal information merely to permit verification of records, the burden of persuading OMB to amend a record will be upon the individual. The individual must furnish sufficient facts to persuade the official in charge of the system of the inaccuracy, irrelevancy, timeliness, or incompleteness of the record.

(v) Incomplete or inaccurate requests will not be rejected categorically. The individual will be asked to clarify the request as needed.

(2) OMB action on the request. To the extent possible, a decision upon a request to amend a record will be made within 10 days, excluding Saturdays, Sundays, and legal Federal holidays. The response reflecting the decision upon a request for amendment will include the following:

(i) The decision of the Office of Management and Budget whether to grant in whole, or deny any part of the request to amend the record.

(ii) The reasons for the determination for any portion of the request which is denied.

(iii) The name and address of the official with whom an appeal of the denial may be lodged.
§ 1302.5 Request for review.

(a) Individuals wishing to request a review of the decision by OMB with regard to an initial request to access or amend a record in accordance with the provisions of §§1302.2 and 1302.4 of this part, should submit the request for review in writing and, to the extent possible, include the information specified in §1302.5(b), below. Individuals desiring assistance in the preparation of their request for review should contact the Assistant to the Director for Administration at the address provided herein.

(b) The request for review should contain a brief description of the record involved or in lieu thereof, copies of the correspondence from OMB in which the request to access or to amend was denied and also the reasons why the requester believes that access should be granted or the disputed information amended. The request for review should make reference to the information furnished by the individual in support of his claim and the reasons as required by §§1302.2 and 1302.4 of this part set forth by OMB in its decision denying access or amendment. Appeals filed without a complete statement by the requester setting forth the reasons for the review will, of course, be processed. However, in order to make the appellate process as meaningful as possible, the requester’s disagreement should be set forth in an understandable manner.

In order to avoid the unnecessary retention of personal information, OMB reserves the right to dispose of the material concerning the request to access or amend a record if no request for review in accordance with this section is received by OMB within 180 days of the mailing by OMB of its decision upon an initial request. A request for review received after the 180 day period may, at the discretion of the Assistant to the Director for Administration, be treated as an initial request to access or amend a record.

(c) The request for review should be addressed to the Assistant to the Director for Administration.

(d) Upon receipt of a request for review, the Assistant to the Director for Administration will convene a review group composed of the Assistant to the Director for Administration, the General Counsel, or their designees, and the official having operational control over the record. This group will review the basis for the requested review and will develop a recommended course of action to the Deputy Director. If at any time additional information is required from the requester, the Assistant to the Director for Administration is authorized to acquire it or authorize its acquisition from the requester.

(e) The Office of Management and Budget has established an internal Committee on Freedom of Information and Privacy (hereinafter referred to as the Committee). The Committee is composed of:

1. Deputy Director;
2. Assistant to the Director for Administration;
3. General Counsel;
4. Assistant Director for Budget Review;
5. Assistant Director for Legislative Reference;
6. Assistant to the Director for Public Affairs;
7. Deputy Associate Director for Information Systems;
(8) Deputy Associate Director for Statistical Policy;
(9) Deputy Associate Director for National Security;
(10) Budget and Management Officer;
(11) Personnel Officer.

(f) The Committee, when directed by the Assistant to the Director for Administration, will review the Office’s administration of the Freedom of Information and Privacy Acts and make recommendations for the improvement thereto. In addition, the Committee, upon the request of the Deputy Director, may evaluate a request for review or appeal and recommend a decision to the Deputy Director, who has the final authority regarding appeals.

(g) The Deputy Director will inform the requester in writing of the decision on the request for review within 20 days (excluding Saturdays, Sundays, and legal Federal holidays) from the date of receipt by OMB of the individual’s request for review unless the Deputy Director extends the 20 day period for good cause. The extension and the reasons therefor will be sent by OMB to the requester within the initial 20 day period. Such extensions should not be routine and should not normally exceed an additional thirty days. If the decision does not grant in full the request for amendment, the notice of the decision will provide a description of the steps the individual may take to obtain judicial review of such a decision, a statement that the individual may file a concise statement with OMB setting forth the individual’s reasons for his disagreement with OMB’s determination in accordance with §1302.5 (a), (b) and (c). A copy of the individual’s statement, and if it chooses, OMB’s statement will be sent to any prior transferee of the disputed information who is listed on the accounting required by 5 U.S.C. 552a(c). If the reviewing official determines that the record should be amended in accordance with the individual’s request, OMB will promptly correct the record, advise the individual, and inform previous recipients if an accounting of the disclosure was made pursuant to 5 U.S.C. 552(a)(c). The notification of correction pertains to information actually disclosed.

§ 1302.6 Schedule of fees.

(a) Prohibitions against charging fees. Individuals will not be charged for:

(1) The search and review of the record,
(2) Any copies of the record produced as a necessary part of the process of making the record available for access, or
(3) Any copies of the requested record when it has been determined that access can only be accomplished by providing a copy of the record through the mail.

(b) Waiver. The Assistant to the Director for Administration may at no charge, provide copies of a record if it is determined the production of the copies is in the interest of the Government.

(c) Fee schedule and method of payment. Fees will be charged as provided below except as provided in paragraphs (a) and (b) of this section.

(1) Duplication of records. Records will be duplicated at a rate of $.10 per page for all copying of 4 pages or more. There is not charge for duplication 3 or fewer pages.

(2) Where it is anticipated that the fees chargeable under this section will amount to more than $25.00, an advance deposit may be required. The notice or request for an advance
deposit shall extend an offer to the requester to consult with Office personnel in order to reformulate the request in a manner which will reduce the fees, yet still meet the needs of the requester.

(3) Fees should be paid in full prior to issuance of requested copies. In the event the requester is in arrears for previous requests copies will not be provided for any subsequent request until the arrears have been paid in full.

(4) Remittances shall be in the form of a personal check or bank draft drawn on a bank in the United States, or a postal money order. Remittances shall be made payable to the order of the Treasury of the United States and mailed or delivered to the Assistant to the Director for Administration, Office of Management and Budget, Washington, DC 20503.

(5) A receipt for fees paid will be given upon request.

ORGANIZATION

§1303.1 General

This information is furnished for the guidance of the public and in compliance with the requirements of section 552 of title 5, United States Code, as amended.

§1303.2 Authority and functions.

(a) The Office of Management and Budget was established in the Executive Office of the President pursuant to Part I of Reorganization Plan No. 2 of 1970 (35 FR 7959), effective July 1, 1970. That plan transferred to the President all functions vested by law in the Bureau of the Budget, or its Director, and designated the Bureau of the Budget as the Office of Management and Budget. By Executive Order No. 11541 of July 1, 1970 (35 FR 10737), the President delegated all functions transferred to him by part I of the Plan to the Director of the Office of Management and Budget.

(c) The functions of the Office of Management and Budget are carried out pursuant to the provisions of the statutes cited above and the provisions of various Executive orders—principally, Executive Order No. 8248 of September 8, 1939 (CFR Cum. Supp., p. 576), outlining certain functions to be performed by the Bureau of the Budget for the President, and Executive Order No. 11239 of June 28, 1965 (3 CFR Supp., p. 146), as amended, delegating certain functions of the President to the Director of the Bureau of the Budget, and, Executive Order No. 12991 on Federal Regulation. Under the terms of Executive Order No. 11541 of July 1, 1970, the assignments and delegations made in the earlier orders are to be considered as assignments to the Office of Management and Budget and its Director.

§1303.3 Organization.

The central organization of the Office of Management and Budget consists of:
(a) The Office of the Director, which includes the Director and the Deputy Director and their principal assistants, including the Deputy Assistant Director for Administration.

(b) The Administrator of the Office of Federal Procurement Policy.

(c) The Administrator of the Office of Information and Regulatory Affairs.

(d) Two Associate and Assistant Directors with Government-wide management responsibilities in specialized areas as follows:
   (1) Legislative Reference.
   (2) Management.

(e) Five program and budget Associate and Assistant Directors, as follows:
   (1) Budget Review.
   (2) National Security and International Affairs.
   (3) Human Resources, Veterans, and Labor.
   (4) Economics and Government.

(f) The Office has no field organization.

(g) Units of the Office of Management and Budget are presently located in the Old Executive Office Building, 17th Street and Pennsylvania Avenue, NW., and in the New Executive Office Building, 17th and H Streets, NW., Washington, DC 20503. Regular office hours are from 9 a.m. to 5:30 p.m., Monday through Friday. Both buildings are under security control. Persons desiring to visit offices or employees of the Office of Management and Budget in either building will usually find it easier to do so if they write or telephone in advance for an appointment.

 Procedures

§ 1303.10 Methods of operation.

(a) The Office of Management and Budget maintains current indexes which identify information pertaining to matters issued, adopted, or promulgated after July 4, 1967, that are within the scope of 5 U.S.C. 552(a)(2). These indexes are updated quarterly and are published in the Federal Register. They are also available for public inspection and copying at the Office's Publication Office, Room G-236, New Executive Office Building, 17th and H Streets, NW., Washington, DC 20503. The indexes may be examined between the hours of 9:00 a.m. and 5:30 p.m. on any day, except Saturdays, Sundays, and legal public holidays.

(b) The Deputy Assistant Director for Administration is responsible for acting on all initial requests. Individuals wishing to obtain any information listed on the indexes should address their request in writing to the Deputy Assistant Director for Administration, Office of Management and Budget, Washington, DC 20503, Phone 395-7250. Requests for information shall be as specific as possible.

(c) Upon receipt of any request for information or records, the Deputy Assistant Director for Administration will determine within 10 days (excluding Saturdays, Sundays and legal public holidays) whether it is appropriate to grant the request and will immediately provide written notification to the person making the request. If the request is denied, the written notification to the person making the request shall include the names of the individuals who participated in the determination and a notice that an appeal may be lodged including the format and content of any such appeal within the Office of Management and Budget. (Receipt of a request as used herein means the date the request is received in the office of the Deputy Assistant Director for Administration.)

(d) Appeals shall be set forth in writing and addressed to the Deputy Assistant Director for Administration at the address specified in paragraph (b) of this section. The appeal shall include a statement explaining the basis for the appeal. Determinations of appeals will be set forth in writing and signed by the Deputy Director, or his designee, within 20 days (excluding Saturdays, Sundays, and legal public holidays). If, on appeal, the denial is in whole or in part upheld, the written determination will also contain a notification of the provisions for judicial review and the names of the persons who participated in the determination.

(e) In unusual circumstances, the time limits prescribed in paragraphs (c) and (d) of this section may be extended for not more than 10 working days (excluding Saturdays, Sundays, or legal public holidays). Extensions may
§ 1303.20 Inspection, copying, and exceptions.

(a) When a request for information has been approved pursuant to § 1303.10 above, the person making the request may make an appointment to inspect or copy the materials requested during regular business hours by writing or telephoning the Deputy Assistant Director for Administration at the address or telephone number listed in § 1303.10(c). Such materials may be copied manually without charge, and reasonable facilities will be made available for that purpose. Also, copies of individual pages of such materials will be made available at the price per page specified in § 1303.30(a); however, the right is reserved to limit to a reasonable quantity the copies of such materials which may be made available in this manner when copies also are offered for sale by the Superintendent of Documents.

(b) Certain functional units of the Office of Management and Budget solely advise and assist the President, and therefore these units are not covered by 5 U.S.C. 552. However, the Director or the Deputy Director, acting on his behalf, may determine that a record which falls in one of the following categories shall be made available. These units carry out activities that provide advice and assistance to the President with regard to:

1. The formulation and preparation of the Federal Budget.
2. The processing and enrolled bills and determinations of the relationships of pending and proposed legislation to the program of the President.
3. The compensation of Federal employees.
4. The establishment and organization of new agencies and the reorganization of existing programs and agencies, and
5. The preparation of Executive Orders and Proclamations.

(c) Except to the extent that the Director or Deputy Director, acting on his behalf, determines that a record which falls within one of the following categories shall be made available, this section shall not apply to matters that are:

1. Specifically authorized under criteria established by an Executive Order to be kept secret in the interest of the national defense or foreign policy, and (ii) are in fact properly classified pursuant to such Executive Order.
2. Related solely to the internal personnel rules and practices of the Office.
3. Specifically exempted from disclosure by statute, provided that such statute (i) requires that the matters be withheld from the public in such a manner as to leave no discretion on the issues, or (ii) establishes particular criteria for withholding or refers to particular types of matter to be withheld.
4. Trade secrets and commercial or financial information obtained from a person and privileged or confidential.
5. Interagency or intraagency memorandums or letters which would not be available by law to a party other than an agency in litigation with the Office.
6. Personnel and medical files and similar files, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.
Office of Management and Budget § 1303.30

(7) Records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information:
   (i) Could reasonably be expected to interfere with enforcement proceedings;
   (ii) Would deprive a person of a right to a fair trial or an impartial adjudication;
   (iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;
   (iv) Could reasonably be expected to disclose the identity of a confidential source, including a State, local, or foreign agency or authority or any private institution that furnished information on a confidential basis, and, in the case of a record or information compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, information furnished by a confidential source;
   (v) Would disclose techniques and procedures for law information investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or
   (vi) Could reasonably be expected to endanger the life or physical safety of any individual.

(8) Contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the regulation or supervision of financial institutions; or

(9) Geological and geophysical information and data, including maps, concerning wells.

CHARGES FOR SEARCH AND REPRODUCTION § 1303.30 Definitions.

For the purpose of these regulations:
   (a) All the terms defined in the Freedom of Information Act apply.
   (b) A statute specifically providing for setting the level of fees for particular types of records (5 U.S.C. 552(a)(4)(A)(vi)) means any statute that specifically requires a government agency, such as the Government Printing Office (GPO) or the National Technical Information Service (NTIS), to set the level of fees for particular types of records, in order to:
   (1) Serve both the general public and private sector organizations by conveniently making available government information;
   (2) Ensure that groups and individuals pay the cost of publications and other services that are for their special use so that these costs are not borne by the general taxpayer public;
   (3) Operate an information dissemination activity on a self-sustaining basis to the maximum extent possible; or
   (4) Return revenue to the Treasury for defraying, wholly or in part, appropriated funds used to pay the cost of disseminating government information.

Statutes, such as the User Fee Statute, which only provide a general discussion of fees without explicitly requiring that an agency set and collect fees for particular documents do not supersede the Freedom of Information Act under section (a)(4)(A)(vi) of that statute.

(c) The term direct costs means those expenditures that OMB actually incurs in searching for and duplicating (and in the case of commercial requesters, reviewing) documents to respond to a FOIA request. Direct costs include, for example, the salary of the employee performing work (the basic rate of pay for the employee plus 16 percent of that rate to cover benefits) and the cost of operating duplicating machinery. Not included in direct costs are overhead expenses such as costs of space, and heating or lighting the facility in which the records are stored.

(d) The term search includes all time spent looking for material that is responsive to a request, including page-by-page or line-by-line identification of material within documents. OMB employees should ensure that searching for material is done in the most efficient and least expensive manner so as to minimize costs for both the agency and the requester. For example, employees should not engage in line-by-line search when merely duplicating an
entire document would prove the less expensive and quicker method of complying with a request. Search should be distinguished, moreover, from review of material in order to determine whether the material is exempt from disclosure (see paragraph (f) of this section). Searches may be done manually or by computer using existing programming.

(e) The term duplication refers to the process of making a copy of a document necessary to respond to a FOIA request. Such copies can take the form of paper copy, microform, audio-visual materials, or machine readable documentation (e.g., magnetic tape or disk), among others. The copy provided must be in a form that is reasonably usable by requesters.

(f) The term review refers to the process of examining documents located in response to a request that is for a commercial use (see paragraph (g) of this section) to determine whether any portion of any document located is permitted to be withheld. It also includes processing any documents for disclosure, e.g., doing all that is necessary to excise them and otherwise prepare them for release. Review does not include time spent resolving general legal or policy issues regarding the application of exemptions.

(g) The term ‘commercial use’ request refers to a request from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made. In determining whether a requester properly belongs in this category, OMB must determine the use to which a requester will put the documents requested. Moreover, where an OMB employee has reasonable cause to doubt the use to which a requester will put the records sought, or where that use is not clear from the request itself, the employee should seek additional clarification before assigning the request to a specific category.

(h) The term educational institution refers to a preschool, a public or private elementary or secondary school, an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, or an institution of vocational education, that operates a program or programs of scholarly research.

(i) The term non-commercial scientific institution refers to an institution that is not operated on a commercial basis (as that term is referenced in paragraph (g) of this section), and that is operated solely for the purpose of conducting scientific research the results of which are not intended to promote any particular product or industry.

(j) The term representative of the news media refers to any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term news means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations broadcasting to the public at large, and publishers of periodicals (but only in those instances when they can qualify as disseminators of news) who make their products available for purchase or subscription by the general public. These examples are not intended to be all-inclusive. Moreover, as traditional methods of news delivery evolve (e.g., electronic dissemination of newspapers through telecommunications services), such alternative media would be included in this category. In the case of freelance journalists, they may be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization, even though not actually employed by it. A publication contract would be the clearest proof, but OMB may also look to the past publication record of a requester in making this determination.
should inform requesters of the steps necessary to obtain records from those sources.

(a) Manual searches for records. OMB will charge at the salary rate(s) (i.e., basic pay plus 16 percent) of the employee(s) making the search.

(b) Computer searches for records. OMB will charge at the actual direct cost of providing the service. This will include the cost of operating the central processing unit (CPU) for that portion of operating time that is directly attributable to searching for records responsive to a FOIA request and operator/programmer salary apportionable to the search.

(c) Review of records. Only requesters who are seeking documents for commercial use may be charged for time spent reviewing records to determine whether they are exempt from mandatory disclosure. Charges may be assessed only for the initial review; i.e., the review undertaken the first time OMB analyzes the applicability of a specific exemption to a particular record or portion of a record. Records or portions of records withheld in full under an exemption that is subsequently determined not to apply may be reviewed again to determine the applicability of other exemptions not previously considered. The costs for such a subsequent review is assessable.

(d) Duplication of records. Records will be duplicated at a rate of $.15 per page. For copies prepared by computer, such as tapes or printouts, OMB shall charge the actual cost, including operator time, of production of the tape or printout. For other methods of reproduction or duplication, OMB will charge the actual direct costs of producing the document(s). If OMB estimates that duplication charges are likely to exceed $25, it shall notify the requester of the estimated amount of fees, unless the requester has indicated in advance his willingness to pay fees as high as those anticipated. Such a notice shall offer a requester the opportunity to confer with agency personnel with the object of reformulating the request to meet his or her needs at a lower cost.

(e) Other charges. OMB will recover the full costs of providing services such as those enumerated below when it elects to provide them:

(1) Certifying that records are true copies;
(2) Sending records by special methods such as express mail.

(f) Remittances shall be in the form either of a personal check or bank draft drawn on a bank in the United States, or a postal money order. Remittances shall be made payable to the order of the Treasury of the United States and mailed or delivered to the Deputy Assistant Director for Administration, Office of Management and Budget, Washington, DC 20503.

(g) A receipt for fees paid will be given upon request. Refund of fees paid for services actually rendered will not be made.

(h) Restrictions on assessing fees. With the exception of requesters seeking documents for a commercial use, OMB will provide the first 100 pages of duplication and the first two hours of search time without charge. Moreover, OMB will not charge fees to any requester, including commercial use requesters, if the cost of collecting a fee would be equal to or greater than the fee itself.

(1) The elements to be considered in determining the "cost of collecting a fee" are the administrative costs of receiving and recording a requester's remittance, and processing the fee for deposit in the Treasury Department's special account.

(2) For purposes of these restrictions on assessment of fees, the word "pages" refers to paper copies of "8½ x 11" or "11 x 14." Thus, requesters are not entitled to 100 microfiche or 100 computer disks, for example. A microfiche containing the equivalent of 100 pages or 100 pages of computer printout, does meet the terms of the restriction.

(3) Similarly, the term "search time" in this context has as its basis, manual search. To apply this term to searches made by computer, OMB will determine the hourly cost of operating the central processing unit and the operator's hourly salary plus 16 percent. When the cost of search (including the operator time and the cost of operating the computer to process a request) equals the equivalent dollar amount of two hours of the salary of the person...
§ 1303.50 Fees to be charged—categories of requesters.

There are four categories of FOIA requesters: commercial use requesters; educational and non-commercial scientific institutions; representatives of the news media; and all other requesters. The specific levels of fees for each of these categories are:

(a) Commercial use requesters. When OMB receive a request for documents for commercial use, it will assess charges that recover the full direct costs of searching for, reviewing for release, and duplicating the record sought. Requesters must reasonably describe the records sought. Commercial use requesters are not entitled to two hours of free search time nor 100 free pages of reproduction of documents. OMB may recover the cost of searching for and reviewing records even if there is ultimately no disclosure of records (see §1303.60(b)).

(b) Educational and non-commercial scientific institution requesters. OMB shall provide documents to requesters in this category for the cost of reproduction alone, excluding charges for the first 100 pages. To be eligible for inclusion in this category, requesters must show that the request is being made as authorized by and under the auspices of a qualifying institution and that the records are not sought for a commercial use, but are sought in furtherance of scholarly (if the request is from an educational institution) or scientific (if the request is from a non-commercial scientific institution) research. Requesters must reasonably describe the records sought.

(c) Requesters who are representatives of the news media. OMB shall provide documents to requesters in this category for the cost of reproduction alone, excluding charges for the first 100 pages. To be eligible for inclusion in this category, a requester must meet the criteria in §1303.10(j), and his or her request must not be made for a commercial use. In reference to this class of requester, a request for records supporting the news dissemination function of the requester shall not be considered to be a request that is for a commercial use. Requesters must reasonably describe the records sought.

(d) All other requesters. OMB shall charge requesters who do not fit into any of the categories above fees that recover the full reasonable direct cost of searching for and reproducing records that are responsive to the request, except that the first 100 pages of reproduction and the first two hours of search time shall be furnished without charge. Moreover, requests for records about the requesters filed in OMB’s systems of records will continue to be treated under the fee provisions of the Privacy Act of 1974 which permit fees only for reproduction. Requesters must reasonably describe the records sought.

§ 1303.60 Miscellaneous fee provisions.

(a) Charging interest—notice and rate. OMB may begin assessing interest charges on an unpaid bill starting on the 31st day following the day on which the billing was sent. The fact that the fee has been received by OMB within the thirty day grace period, even if not processed, will suffice to stay the accrual of interest. Interest will be at the rate prescribed in section 3717 of title 31 of the United States Code and will accrue from the date of the billing.

(b) Charges for unsuccessful search. OMB may assess charges for time spent searching, even if it fails to locate the records or if records located are determined to be exempt from disclosure. If OMB estimates that search charges are likely to exceed $25, it shall notify the requester of the estimated amount of fees, unless the requester has indicated in advance his willingness to pay fees as high as those anticipated. Such a notice shall offer the requester the opportunity to confer with agency personnel with the object of reformulating the request to meet his or her needs at a lower cost.

(c) Aggregating requests. A requester may not file multiple requests at the same time, each seeking portions of a document or documents, solely in order to avoid payment of fees. When OMB reasonably believes that a requester or, on rare occasions, a group of requesters acting in concert, is attempting to

§ 1304.4601 Purpose.

(a) This section sets forth OMB’s policy and procedures under the Ethics in Government Act of 1978, 18 U.S.C. 207, and the Office of Personnel Management’s implementing regulations, 5 CFR part 737, for determining violations of restrictions on post-employment activities and for exercising OMB’s administrative enforcement authority.

(b) These regulations bar certain acts by former Government employees which may reasonably give the appearance of making unfair use of prior Government employment and affiliations. OMB acts on the premise that it has the primary responsibility for the enforcement of restrictions on post-employment activities and that criminal enforcement by the Department of Justice should be undertaken only in cases involving aggravated circumstances.

(c) These regulations do not incorporate possible additional restrictions.

PART 1304—POST EMPLOYMENT CONFLICT OF INTEREST

§ 1304.4603 Waiver or reduction of charges.

Fees otherwise chargeable in connection with a request for disclosure of a record shall be waived or reduced where it is determined that disclosure is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Government and is not primarily in the commercial interest of the requester.

[52 FR 49155, Dec. 30, 1987]
§ 1304.4604 Definitions.

(a) Government Employee includes any officer or employee of the Executive Branch, those appointed or detailed under 5 U.S.C. 3374, and Special Government Employees. It does not include an individual performing services for the United States as an independent contractor under a personal service contract.

(b) Former Government Employee means one who was, and no longer is, a Government employee.

(c) Special Government Employee means an officer or employee of an agency who is retained, designated, appointed, or employed to perform temporary duties on a full-time or intermittent basis for not more than 130 days during any period of 365 consecutive days. This applies whether the Special Government Employee is compensated or not.

(d) Senior Employee means an employee or officer as designated in the statute or by the Director of the Office of Government Ethics. The Director of the Office of Government Ethics has designated civilians who have significant decision-making or supervisory responsibility and are paid at or equivalent to GS-17 or above as Senior Employees. Civilians paid at the Executive level are automatically designated by statute as Senior Employees. (A list of Senior Employee positions is found at 5 CFR 737.33.)

§ 1304.4605 Post-employment restrictions.

(a) General Restrictions Applicable to All Former Government Employees:

(1) Permanent Bar. A former Government employee is restricted from acting as a representative before an agency as to a particular matter involving a specific party if the employee participated personally and substantially in that matter as a Government employee. The government employee is also restricted from making any oral or written communication to an agency with the intent to influence on behalf of another person as to a particular matter involving a specific party if the former Government employee participated personally and substantially in that matter as a Government employee.

(2) Two-Year Bar. (i) A former Government employee is restricted for two years from acting as a representative before an agency as to a particular matter involving a specific party if the employee had official responsibility for that matter. The former Government employee is also restricted for two years from making any oral or written communication to any agency with the intent to influence on behalf of another person as to a particular matter involving a specific party if the employee had official responsibility for that matter.

(ii) In order to be a matter for which the former Government employee had official responsibility, the matter must actually have been pending under the employee’s responsibility within the period of one year prior to the termination of such responsibility.

(iii) The statutory two-year restriction period is measured from the date when the employee’s responsibility for a particular matter ends, not from the termination of Government service.

(b) Restrictions Applicable Only to Former Senior Employees:

(1) Two-Year Bar on Assisting in Representing. (i) A former Senior Employee is restricted for two years from assisting in representing another person by personal appearance before an agency as to a particular matter involving a specific party if the former Senior Employee participated personally and substantially in that matter as a Government employee.

(ii) The statutory two-year period is measured from the date of termination of employment in the position that was held by the Senior Employee when he participated personally and substantially in the matter involved.

(2) One-Year Bar on Attempts to Influence Former Agency. (i) A former Senior
Employee is restricted for one year from any transactions with the former agency on a particular matter with the intent to influence the agency, regardless of the former Senior Employee's prior involvement in that matter.

(ii) This restriction is aimed at the possible use of personal influence based on past Government affiliations in order to facilitate transaction of business. Therefore, it includes matters which first arise after a Senior Employee leaves Government service.

(iii) The restriction applies whether the former Senior Employee is representing another or representing himself, either by appearance before an agency or through communication with that agency.

(c) OFPP is a separate agency for purposes of the foregoing restrictions on post-employment activities.

§ 1304.4606 Exemptions.

(a) General. (1) Communications made solely to furnish scientific or technological information are exempt from these prohibitions.

(2) A former Government employee may be exempted from the restrictions on post-employment practices if the Deputy Director of OMB, in consultation with the Director of the Office of Government Ethics, executes a certification that is published in the Federal Register. The certification shall state that the former Government employee has outstanding qualifications in a scientific, technological or other technical discipline; is acting with respect to a particular matter which requires such qualifications; and the national interest would be served by his participation.

(b) Specific. The one-year bar shall not apply to a former Senior Employee's representation on new matters if the former Senior Employee is:

(1) An elected State or local government official, who is acting on behalf of such government; or

(2) Regularly employed by or acting on behalf of an agency or instrumentality of a State or local government; an accredited, degree-granting institution of higher education; or a non-profit hospital or medical research organization.

§ 1304.4607 Advice to former Government employees.

The Office of General Counsel, OMB, has the responsibility for providing assistance promptly to former Government employees who seek advice on specific problems.

§ 1304.4608 Administrative Enforcement Procedures (18 U.S.C. 207(j); 5 CFR 737.27).

(a) Whenever an allegation is made that a former Government employee has violated 18 U.S.C. 207(a), (b) or (c) or any of the regulations promulgated thereunder by the Office of Government Ethics or by OMB, the allegation and any supporting evidence shall be transmitted through the Office of General Counsel to the Deputy Director, OMB.

(b) Allegations and evidence shall be safeguarded so as to protect the privacy of former employees prior to a determination of sufficient cause to initiate an administrative disciplinary proceeding.

(c) If review by the Office of General Counsel, OMB, shows that the information concerning a possible violation does not appear to be frivolous, the Deputy Director, OMB, shall expeditiously provide all relevant evidence, any appropriate comments, and copies of applicable agency regulations to the Director, Office of Government Ethics, and to the Criminal Division, Department of Justice. Unless the Department of Justice informs OMB that it does not intend to initiate criminal prosecution, OMB shall coordinate any investigation or administrative action with the Department of Justice in order to avoid prejudicing criminal proceedings.

(d) After appropriate review and recommendation by the Office of General Counsel, if the Deputy Director, OMB, determines that there is reasonable cause to believe that there has been a violation, the Deputy Director may direct the Office of General Counsel to initiate an administrative disciplinary proceeding and may designate an individual to represent OMB in the proceeding.
(e) Notice. The Office of General Counsel shall provide the former Government employee with adequate notice of its intention to institute a proceeding and with an opportunity for a hearing. The notice must include a statement of allegations, and the basis thereof, in sufficient detail to enable the former Government employee to prepare an adequate defense; notification of the right to a hearing; and an explanation of the method by which a hearing may be requested.

(f) Hearing. A hearing may be obtained by submitting a written request to the Office of General Counsel.

(g) Examiner. The presiding official at the proceedings shall be the hearing examiner, who is delegated authority by the Director, OMB, to make an initial decision. The hearing examiner shall be an attorney in the Office of General Counsel designated by the General Counsel. The hearing examiner shall be impartial and shall not have participated in any manner in the decision to initiate the proceedings.

(h) Time, Date and Place. The hearing shall be conducted at a reasonable time, date, and place. The hearing examiner shall give due regard in setting the hearing date to the former Government employee's need for adequate time to properly prepare a defense and for an expeditious resolution of allegations that may be damaging to his reputation.

(i) Hearing Rights. The hearing shall include, as a minimum, the right to represent oneself or to be represented by counsel; the right to introduce and examine witnesses and to submit physical evidence; the right to confront and cross-examine adverse witnesses; the right to present oral argument; and, on request, the right to have a transcript or recording of the proceedings.

(j) Burden of Proof. OMB has the burden of proof and must establish substantial evidence of a violation.

(k) Decision. The hearing examiner shall make a decision based exclusively on matters of record in the proceedings. All findings of fact and conclusions of law relevant to the matters at issue shall be set forth in the decision.

(l) Appeal within OMB. Within 30 days of the date of the hearing examiner's decision, either party may appeal the decision to the Director. The Director shall make a decision on the appeal based solely on the record of the proceedings or on those portions of the record agreed to by the parties to limit the issues. If the Director modifies or reverses the hearing examiner's decision, he shall specify the findings of fact and conclusions of law that are different from those of the hearing examiner.

(m) Administrative Sanctions. Administrative sanctions may be taken if the former Government employee fails to request a hearing after receipt of adequate notice or if a final administrative determination of a violation of 18 U.S.C. 207 (a), (b) or (c) or regulations promulgated thereunder has been made. The Director may prohibit the former Government employee from appearance or communication with OMB on behalf of another for a period not to exceed five years (5 CFR 737.27(a)(9)(i)) or take other appropriate disciplinary action (5 CFR 737.27(a)(9)(ii)).

(n) Judicial Review. Any person found by an OMB administrative decision to have participated in a violation of 18 U.S.C. 207 (a), (b) or (c) or regulations promulgated thereunder may seek judicial review of the administrative decision.

Subpart A—Classification and Declassification of National Security Information

§ 1312.1 Purpose and authority.

This subpart sets forth the procedures for the classification and declassification of national security information in the possession of the Office of Management and Budget. It is issued under the authority of Executive Order 12958, (60 FR 19825, 3 CFR, 1995 Comp., P. 333), as implemented by Information Security Oversight Office Directive No. 1 (32 CFR part 201), and is applicable to all OMB employees.

§ 1312.2 Responsibilities.

The effectiveness of the classification and declassification program in OMB depends entirely on the amount of attention paid to it by supervisors and their staffs in those offices and divisions that possess or produce classified material. Officials who originate classified information are responsible for proper assignment of a classification to that material and for the decision as to its declassification. Officials who
produce documents containing classified information must determine the source of the classification for that information and must ensure that the proper identity of that source is shown on the document. Custodians of classified material are responsible for its safekeeping and for ensuring that such material is adequately marked as to current classification. Custodians are also responsible for the control of and accounting for all classified material within their area of jurisdiction as prescribed in OMB Manual Section 1030.

(a) EOP Security Officer. In cooperation with the Associate Director (or Assistant Director) for Administration, the EOP Security Officer supervises the administration of this section and develops programs to assist in the compliance with the Order. Specifically, he:

(1) Promotes the correct understanding of this section by all employees by providing annual security refresher briefings and ensures that new employees attend initial briefings about overall security procedures and policies.

(2) Issues and keeps current such classification guides and guidelines for review for declassification as are required by the Order.

(3) Conducts periodic reviews of classified documents produced and provides assistance and guidance where necessary.

(4) Maintains and publishes a current listing of all officials who have been designated in writing to have Top Secret, Secret, and Confidential original classification authority.

(b) Heads of divisions or offices. The head of each division or major organizational unit is responsible for the administration of this section within his or her area. Appropriate internal guidance should be issued to cover special or unusual conditions within an office.

§ 1312.4 Classified designations.

(a) Except as provided by the Atomic Energy Act of 1954, as amended, (42 U.S.C. 2011) or the National Security Act of 1947, as amended, (50 U.S.C. 401) Executive Order 12958 provides the only basis for classifying information. Information which meets the test for classification may be classified in one of the following three designations:

1. Top Secret. This classification shall be applied only to information the unauthorized disclosure of which reasonably could be expected to cause
§ 1312.5 Authority to classify.

(a) The authority to originally classify information or material under this part shall be limited to those officials concerned with matters of national security. The officials listed in this section are granted authority by the Director, OMB, to assign original classifications as indicated to information or material that is originated by OMB staff and relating to the national security of the United States:

(1) Top Secret and below:
   (i) Deputy Director.
   (ii) Deputy Director for Management.
   (iii) Associate Director for National Security and International Affairs.
   (iv) Associate Director for Natural Resources, Energy and Science.

(2) Secret and below:
   (i) Deputy Associate Director for National Security.
   (ii) Deputy Associate Director for International Affairs.
   (iii) Deputy Associate Director for Energy and Science.

(b) Classification authority is not delegated to persons who only reproduce, extract, or summarize classified information, or who only apply classification markings derived from source material or from a classification guide.

§ 1312.6 Duration of classification.

(a)(1) When determining the duration of classification for information originally classified under Executive Order 12958, an original classification authority shall follow the following sequence:

   (i) He/She shall attempt to determine a date or event that is less than 10 years from the date of original classification, and which coincides with the lapse of the information's national security sensitivity, and shall assign such date or event as the declassification instruction;
   (ii) If unable to determine a date or event of less than 10 years, he/she shall ordinarily assign a declassification date that is 10 years from the date of the original classification decision;
   (iii) He/She may extend the duration of classification or reclassify specific information for a period not to exceed 10 additional years if such action is consistent with the exemptions as outlined in Section 1.6(d) of the Executive Order. This provision does not apply to information contained in records that are more than 25 years old and have been determined to have permanent historical value under Title 44 United States Code.
   (iv) He/She may exempt from declassification within 10 years specific information, which is consistent with the exemptions as outlined in Section 1.6(d) of the Executive Order.

(2) Extending Duration of Classification. Extensions of classification are not automatic. If an original classification authority with jurisdiction over the information does not extend the date or event for declassification, the information is automatically declassified upon the occurrence of the date or event. If an original classification authority has assigned a date or event for declassification that is 10 years or less from the date of classification, an original classification authority with jurisdiction over the information may extend the classification duration of such information for additional periods not to exceed 10 years at a time. Records determined to be of historical value may not exceed the duration of 25 years.

(b) When extending the duration of classification, the original classification authority must:
§ 1312.8 Standard identification and markings.

(a) Original Classification. At the time classified material is produced, the classifier shall apply the following markings on the face of each originally classified document, including electronic media:

(1) Classification Authority. The name/personal identifier, and position title of the original classifier shall appear on the “Classified By” line.

(2) Agency and Office of Origin. If not otherwise evident, the agency and office of origin shall be identified and placed below the name on the “Classified By” line.

(3) Reasons for Classification. Identify the reason(s) to classify. The classifier shall include, at a minimum, a brief reference to the pertinent classification category(ies), or the number 1.5 plus the letter(s) that corresponds to that classification category in Section 1.5 of the Executive Order.

(b) Declassification instructions. These instructions shall indicate the following:

(i) The duration of the original classification decision shall be placed on the “Declassify On” line.

(ii) The date or event for declassification that corresponds to the lapse of the information’s national security sensitivity, which may not exceed 10 years from the date of the original decision.

(iii) When a specific date or event within 10 years cannot be established, the classifier will apply the date that is 10 years from the date of the original decision.

(iv) The exemption category from declassification. Upon determination that the information must remain classified beyond 10 years, the classifier will apply the letter “X” plus a brief recitation of the exemption category(ies), or the letter “X” plus the number that corresponds to the exemption category(ies) in Section 1.6(d) of the Executive Order.

(v) An original classification authority may extend the duration of classification for successive periods not to exceed 10 years at a time. The “Declassify On” line shall be revised to include the new declassification instructions.
and shall include the identity of the person authorizing the extension and the date of the action.

(vi) Information exempted from automatic declassification at 25 years should on the “Declassify On” line be revised to include the symbol “25X” plus a brief reference to the pertinent exemption categories/numbers of the Executive Order.

(5) The overall classification of the document is the highest level of information in the document and will be conspicuously placed stamped at the top and bottom of the outside front and back cover, on the title page, and on the first page.

(6) The highest classification of individual pages will be stamped at the top and bottom of each page, to include “unclassified” when it is applicable.

(7) The classification of individual portions of the document, (ordinarily a paragraph, but including subjects, titles, graphics) shall be marked by using the abbreviations (TS), (S), (C), or (U), will be typed or marked at the beginning or end of each paragraph or section of the document. If all portions of the document are classified at the same level, this may be indicated by a statement to that effect.

(b) Derivative Classification. Information classified derivatively on the basis of source documents shall carry the following markings on those documents:

(1) The derivative classifier shall concisely identify the source document(s) or the classification guide on the “Derived From” line, including the agency and where available the office of origin and the date of the source or guide. When a document is classified derivatively on the basis of more than one source document or classification guide, the “Derived From” line shall appear as “Derived From: Multiple Sources”.

(2) The derivative classifier shall maintain the identification of each source with the file or record copy of the derivatively classified document. Where practicable the copies of the document should also have this list attached.

(3) A document derivatively classified on the basis of a source document that is itself marked “Multiple Sources” shall cite the source document on its “Derived From” line rather than the term “Multiple Sources”.

(4) The reason for the original classification decision, as reflected in the source document, is not required to be transferred in a derivative classification action.

(5) Declassification instructions shall carry forward the instructions on the “Declassify On” line from the source document to the derivation document or the duration instruction from the classification guide. Where there are multiple sources, the longest duration of any of its sources shall be used.

(6) When a source document or classification guide contains the declassification instruction “Originating Agency’s Determination Required” (OADR) the derivative document shall carry forward the fact that the source document(s) were so marked and the date of origin of the most recent source document(s).

(7) The derivatively classified document shall be conspicuously marked with the highest level of classification of information.

(8) Each portion of a derivatively classified document shall be marked in accordance with its source.

(9) Each office shall, consistent with Section 3.8 of the Executive Order, establish and maintain a database of information that has been declassified.

(c) Additional Requirements. (1) Markings other than “Top Secret”, “Secret”, and “Confidential” shall not be used to identify classified national security information.

(2) Transmittal documents will be stamped to indicate the highest classification of the information transmitted, and shall indicate conspicuously on its face the following or something similar “Unclassified When classified Enclosure Removed” to indicate the classification of the transmittal document standing alone.

(3) The classification data for material other than documents will be affixed by tagging, stamping, recording, or other means to insure that recipients are aware of the requirements for the protection of the material.

(4) Documents containing foreign government information shall include
the markings “This Document Contains (country of origin) Information”. If the identity of the specific government must be concealed, the document shall be marked “This Document Contains Foreign Government Information,” and pertinent portions marked “FGI” together with the classification level, e.g., “(FGI-C)”. In such cases, separate document identifying the government shall be maintained in order to facilitate future declassification actions.

(5) Documents, regardless of medium, which are expected to be revised prior to the preparation of a finished product—working papers—shall be dated when created, marked with highest classification, protected at that level, and destroyed when no longer needed. When any of the following conditions exist, the working papers shall be controlled and marked in the same manner as prescribed for a finished classified document:

(i) Released by the originator outside the originating activity;
(ii) Retained more than 180 days from the date of origin;
(iii) Filed permanently.

(6) Information contained in unmarked records, or Presidential or related materials, and which pertain to the national defense or foreign relations of the U.S. and has been maintained and protected as classified information under prior orders shall continue to be treated as classified information under the Executive Order and is subject to its provisions regarding declassification.

§ 1312.12 Security Program Review Committee.

The Associate Director (or Assistant Director) for Administration will chair the OMB Security Program Review Committee, which will act on suggestions and complaints about the OMB security program.

(a) Transferred material. Information which was originated by an agency that no longer exists, or that was received by OMB in conjunction with a transfer of functions, is deemed to be OMB-originated material. Information which has been transferred to another agency for storage purposes remains the responsibility of OMB.

(b) Periodic review of classified material. Each office possessing classified material will review that material on an annual basis or in conjunction with the transfer of files to non-current record storage and take action to down grade or declassify all material no longer qualifying for continued protection at that level. All material transferred to non-current record storage must be properly marked with correct down grade and declassification instructions.

§ 1312.10 Systematic review guidelines.

The EOP Security Officer will prepare and keep current such guidelines as are required by Executive Order 12958 for the downgrading and declassification of OMB material that is in the custody of the Archivist of the United States.

§ 1312.11 Challenges to classifications.

OMB employees are encouraged to familiarize themselves with the provisions of Executive Order 12958 and with OMB Manual Sections 1010, 1020, and 1030. Employees are also encouraged to question or to challenge those classifications they believe to be improper, unnecessary, or for an inappropriate time. Such questions or challenges may be addressed to the originator of the classification, unless the challenger desires to remain anonymous, in which case the question may be directed to the EOP Security Officer.

§ 1312.12 Security Program Review Committee.

The Associate Director (or Assistant Director) for Administration will chair the OMB Security Program Review Committee, which will act on suggestions and complaints about the OMB security program.
§ 1312.21
Subpart B—Control and Accountability of Classified Information

§ 1312.21 Purpose and authority.
This subpart sets forth procedures for the receipt, storage, accountability, and transmission of classified information at the Office of Management and Budget. It is issued under the authority of Executive Order 12958, (60 FR 19825, 3 CFR, 1995 Comp., P. 333), as implemented by Information Security Oversight Office Directive No. 1 (32 CFR part 2001), and is applicable to all OMB employees.

§ 1312.22 Responsibilities.
The effective direction by supervisors and the alert performance of duty by employees will do much to ensure the adequate security of classified information in the possession of OMB offices. Each employee has a responsibility to protect and account for all classified information that he/she knows of within his/her area of responsibility. Such information will be made available only to those persons who have an official need to know and who have been granted the appropriate security clearance. Particular care must be taken not to discuss classified information over unprotected communication circuits, at non-official functions, or at any time that it might be revealed to unauthorized persons. Classified information may only be entered into computer systems meeting the appropriate security criteria.

(a) EOP Security Officer. In cooperation with the Associate Director (or Assistant Director) for Administration, the EOP Security Officer supervises the administration of this section. Specifically, he/she:
(1) Promotes the correct understanding of this section and insures that initial and annual briefings about security procedures are given to all new employees.
(2) Provides for periodic inspections of office areas and reviews of produced documents to ensure full compliance with OMB regulations and procedures.
(3) Takes prompt action to investigate alleged violations of security, and recommends appropriate administrative action with respect to violators.
(4) Supervises the annual inventories of Top Secret material.
(5) Ensures that containers used to store classified material meet the appropriate security standards and that combinations to security containers are changed as required.

(b) Heads of Offices. The head of each division or office is responsible for the administration of this section in his/her area. These responsibilities include:
(1) The appointment of accountability control clerks as prescribed in § 1312.26.
(2) The maintenance of the prescribed control and accountability records for classified information within the office.
(3) Establishing internal procedures to ensure that classified material is properly safeguarded at all times.

§ 1312.23 Access to classified information.
Classified information may be made available to a person only when the possessor of the information establishes that the person has a valid "need to know" and the access is essential to the accomplishment of official government duties. The proposed recipient is eligible to receive classified information only after he/she has been granted a security clearance by the EOP Security Officer. Cover sheets will be used to protect classified documents from inadvertent disclosure while in use. An SF-703 will be used for Top Secret material; an SF-704 for Secret material, and an SF-705 for Confidential material. The cover sheet should be removed prior to placing the document in the files.

§ 1312.24 Access by historical researchers and former Presidential appointees.
(a) The requirements of Section 4.2(a)(3) of Executive Order 12958 may be waived for persons who are engaged in historical research projects, or who previously have occupied policy-making positions to which they were appointed by the President. Waivers may
be granted only if the Associate Director (or Assistant Director) for Administration, in cooperation with the EOP Security Officer:

1. Determines in writing that access is consistent with the interest of national security;
2. Takes appropriate steps to protect classified information from unauthorized disclosure or compromise, and ensures that the information is safeguarded in a manner consistent with the order; and
3. Limits the access granted to former Presidential appointees to items that the person originated, reviewed, signed, or received while serving as a Presidential appointee.

(b) In the instances described in paragraph (a) of this section, the Associate Director (or Assistant Director) for Administration, in cooperation with the EOP Security Officer, will make a determination as to the trustworthiness of the requestor and will obtain written agreement from the requestor to safeguard the information to which access is given. He/She will also obtain written consent to the review by OMB of notes and manuscripts for the purpose of determining that no classified information is contained therein. Upon the completion of these steps, the material to be researched will be reviewed by the division/office of primary interest to ensure that access is granted only to material over which OMB has classification jurisdiction.

§ 1312.25 Storage.

All classified material in the possession of OMB will be stored in a GSA-approved container or in vault-type rooms approved for Top Secret storage. Under the direction of the EOP Security Officer, combinations to safes used in the storage of classified material will be changed when the equipment is placed in use, whenever a person knowing the combination no longer requires access to it, whenever the combination has been subjected to possible compromise, whenever the equipment is taken out of service, or at least once a year. Knowledge of combinations will be limited to the minimum number of persons necessary, and records of combinations will be assigned a classification no lower than the highest level of classified information stored in the equipment concerned. An SF-700, Security Container Information, will be used in recording safe combinations. Standard Form-702, Security Container check sheet, will be posted to each safe and will be used to record opening, closing, and checking the container whenever it is used.

§ 1312.26 Control of secret and confidential material.

Classified material will be accounted for by the office having custody of the material. OMB Form 87, Classified Document Control, will be used to establish accountability controls on all Secret material received or produced within OMB offices. No accountability controls are prescribed for Confidential material, but offices desiring to control and account for such material should use the procedures applicable to Secret material. Information classified by another agency shall not be disclosed without that agency's authorization.

(a) Accountability Control Clerks. Each division or office head will appoint one person as the Accountability Control Clerk (ACC). The ACC will be the focal point for the receipt, routing, accountability, dispatch, and declassification/downgrading or destruction of all classified material in the possession of the office.

(b) OMB Form 87. One copy of OMB Form 87 will be attached to the document, and one copy retained in the accountability control file for each active document within the area of responsibility of the ACC. Downgrading or destruction actions, or other actions removing the document from the responsibility of the ACC will be recorded on the OMB Form 87, and the form filed in an inactive file. Inactive control forms will be cut off annually, held for two additional years, then destroyed.

(c) Working papers and drafts. Working papers and drafts of classified documents will be protected according to their security classification, but will not be subject to accountability control unless they are forwarded outside of OMB.

(d) Typewriter ribbons. Typewriter ribbons, cassettes, and other devices used

The EOP Security Officer serves as the Top Secret Control Officer (TSCO) for OMB. He will be assisted by the Alternate TSCOs in each division/office holding Top Secret material. The ATSCOs will be responsible for the accountability and custodianship of Top Secret material within their divisions/offices. The provisions of this section do not apply to special intelligence material, which will be processed as prescribed by the controlling agency.

(a) Procedures. All Top Secret material produced or received in OMB will be taken to the appropriate ATSCO for receipting, establishment of custodianship, issuance to the appropriate action officer, and, as appropriate, obtaining a receipt. Top Secret material in the custody of the TSCO or ATSCO will normally be segregated from other classified material and will be stored in a safe under his or her control. Such material will be returned to the appropriate ATSCO by action officers as soon as action is completed. OMB Form 87 will be used to establish custody, record distribution, routing, receipting and destruction of Top Secret material. Top Secret Access Record and Cover Sheet (Standard Form 703) will be attached to each Top Secret document while it is in the possession of OMB.

(b) Inventory. The Associate Director (or Assistant Director) for Administration will notify each appropriate OMB office to conduct an inventory of its Top Secret material by May 1 each year. The head of each office will notify the EOP Security Officer when the inventory has been satisfactorily completed. Each Top Secret item will be examined to determine whether it can be downgraded or declassified, and the inventory will be adjusted accordingly. Discrepancies in the inventory, indicating loss or possible compromise, will be thoroughly investigated by the EOP Security Officer or by the Federal Bureau of Investigation, as appropriate. Each ATSCO will retain his/her division's inventory in accordance with the security procedures set forth in this regulation.

§ 1312.28 Transmission of classified material.

Prior to the transmission of classified material to offices outside OMB, such material will be enclosed in opaque inner and outer covers or envelopes. The inner cover will be sealed and marked with the classification, and the address of the sender and of the addressee. The receipt for the document, OMB Form 87, (not required for Confidential material) will be attached to or placed within the inner envelope to be signed by the recipient and returned to the sender. Receipts will identify the sender, the addressee, and the document, and will contain no classified information. The outer cover or envelope will be sealed and addressed with no identification of its contents.

(a) Transmittal of Top Secret Material. The transmittal of Top Secret material shall be by personnel specifically designated by the EOP Security Officer, or by Department of State diplomatic pouch, by a messenger-courier system specifically created for that purpose. Alternatively, it shall be taken to the White House Situation Room for transmission over secure communications circuits.

(d) Transmittal between OMB offices and within the EOP complex. Classified material will normally be hand carried within and between offices in the Executive Office of the President complex by cleared OMB employees. Documents so carried must be protected by the appropriate cover sheet or outer envelope. Top Secret material will always be hand carried in this manner. Secret and Confidential material may be transmitted between offices in the EOP complex by preparing the material as indicated above (double envelope) and forwarding it by special messenger service provided by the messenger center. The messenger shall be advised that the material is classified. Receipts shall be obtained if Top Secret or Secret material is being transmitted outside of OMB. Classified material will never be transmitted in the Standard Messenger Envelope (SF Form 65), or by the Mail Stop system.

§ 1312.29 Destruction.
The destruction of classified material will be accomplished under the direction of the TSCO or the appropriate ATSCO, who will assure that proper accountability records are kept. Classified official record material will be processed to the Information Systems and Technology, Records Management Office, Office of Administration, NEOB Room 5208, in accordance with OMB Manual Section 540. Classified non-record material will be destroyed as soon as it becomes excess to the needs of the office. The following destruction methods are authorized:
(a) Shredding. Using the equipment approved for that purpose within OMB offices. shredders will not accommodate typewriter ribbons or cassettes. Shredding is the only authorized means of Destroying Top Secret material.

In the event the Shredder Room is not manned, do not leave burn bags outside the Shredder Room as the security of that material may be compromised.
(3) Responsibility for the security of the burn bag remains with the OMB office until it is handed over to the authorized representative at the shredder room. Accountability records will be adjusted after the burn bags have been delivered. Destruction actions will be recorded on OMB Form 87 by the division TSCO or by the appropriate ATSCO at the time the destruction is accomplished or at the time the burn bag is delivered to the U.D. Officer.
(c) Technical Guidance. Technical guidance concerning appropriate methods, equipment, and standards for destruction of electronic classified media, processing equipment components and the like, may be obtained by submitting all pertinent information to NSA/CSS Directorate for Information Systems Security, Ft. Meade, Maryland 20755. Specifications concerning appropriate equipment and standards for destruction of other storage media may be obtained from the General Services Administration.

§ 1312.30 Loss or possible compromise.
Any person who has knowledge of the loss or possible compromise of classified information shall immediately secure the material and then report the circumstances to the EOP Security Officer. The EOP Security Officer will immediately initiate an inquiry to determine the circumstances surrounding the loss or compromise for the purpose of taking corrective measures and/or instituting appropriate administrative, disciplinary, or legal action. The agency originating the information shall be

### Subpart C—Mandatory Declassification Review

§ 1312.32 Purpose and authority.

Other government agencies, and individual members of the public, frequently request that classified information in OMB files be reviewed for possible declassification and release. This subpart prescribes the procedures for such review and subsequent release or denial. It is issued under the authority of Executive Order 12958 (60 FR 19825, 3 CFR, 1995 Comp., p. 333), as implemented by Information Security Oversight Office Directive No. 1 (32 CFR part 2001).

§ 1312.33 Responsibility.

All requests for the mandatory declassification review of classified information in OMB files should be addressed to the Associate Director (or Assistant Director) for Administration, who will acknowledge receipt of the request. When a request does not reasonably describe the information sought, the requester shall be notified that unless additional information is provided, or the scope of the request is narrowed, no further action will be taken. All requests will receive a response within 180 days of receipt of the request.
§ 1312.34 Information in the custody of OMB.

Information contained in OMB files and under the exclusive declassification jurisdiction of the office will be reviewed by the office of primary interest to determine whether, under the declassification provisions of the Order, the requested information may be declassified. If so, the information will be made available to the requestor unless withholding is otherwise warranted under applicable law. If the information may not be released, in whole or in part, the requestor shall be given a brief statement as to the reasons for denial, a notice of the right to appeal the determination to the Deputy Director, OMB, and a notice that such an appeal must be filed within 60 days in order to be considered.

§ 1312.35 Information classified by another agency.

When a request is received for information that was classified by another agency, the Associate Director (or Assistant Director) for Administration will forward the request, along with any other related materials, to the appropriate agency for review and determination as to release. Recommendations as to release or denial may be made if appropriate. The requester will be notified of the referral, unless the receiving agency objects on the grounds that its association with the information requires protection.

§ 1312.36 Appeal procedure.

Appeals received as a result of a denial, see §1312.34, will be routed to the Deputy Director who will take action as necessary to determine whether any part of the information may be declassified. If so, he will notify the requester of his determination and make that information available that is declassified and otherwise releasable. If continued classification is required, the requester shall be notified by the Deputy Director of the reasons thereafter. Determinations on appeals will normally be made within 60 working days following receipt. If additional time is needed, the requestor will be notified and this reason given for the extension. The agency's decision can be appealed to the Interagency Security Classification Appeals Panel.

§ 1312.37 Fees.

There will normally be no fees charged for the mandatory review of classified material for declassification under this section.

PART 1320—CONTROLLING PAPERWORK BURDENS ON THE PUBLIC

§ 1320.1 Purpose.

The purpose of this part is to implement the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35)(the Act) concerning collections of information. It is issued under the authority of section 3516 of the Act, which provides that "The Director shall promulgate rules, regulations, or procedures necessary to exercise the authority provided by this chapter." It is designed to reduce, minimize and control burdens and maximize the practical utility and public benefit of...
the information created, collected, disclosed, maintained, used, shared and disseminated by or for the Federal government.

§ 1320.2 Effect.

(a) Except as provided in paragraph (b) of this section, this part takes effect on October 1, 1995.

(b)(1) In the case of a collection of information for which there is in effect on September 30, 1995, a control number issued by the Office of Management and Budget under 44 U.S.C. Chapter 35, the provisions of this Part shall take effect beginning on the earlier of:

(i) The date of the first extension of approval for or modification of that collection of information after September 30, 1995; or

(ii) The date of the expiration of the OMB control number after September 30, 1995.

(2) Prior to such extension of approval, modification, or expiration, the collection of information shall be subject to 5 CFR part 1320, as in effect on September 30, 1995.

§ 1320.3 Definitions.

For purposes of implementing the Act and this Part, the following terms are defined as follows:

(a) Agency means any executive department, military department, Government corporation, Government controlled corporation, or other establishment in the executive branch of the government, or any independent regulatory agency, but does not include:

(1) The General Accounting Office;

(2) Federal Election Commission;

(3) The governments of the District of Columbia and the territories and possessions of the United States, and their various subdivisions; or

(4) Government-owned contractor-operated facilities, including laboratories engaged in national defense research and production activities.

(b)(1) Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency, including:

(i) Reviewing instructions;

(ii) Developing, acquiring, installing, and utilizing technology and systems for the purpose of collecting, validating, and verifying information;

(iii) Developing, acquiring, installing, and utilizing technology and systems for the purpose of processing and maintaining information;

(iv) Developing, acquiring, installing, and utilizing technology and systems for the purpose of disclosing and providing information;

(v) Adjusting the existing ways to comply with any previously applicable instructions and requirements;

(vi) Training personnel to be able to respond to a collection of information;

(vii) Searching data sources;

(viii) Completing and reviewing the collection of information; and

(ix) Transmitting, or otherwise disclosing the information.

(2) The time, effort, and financial resources necessary to comply with a collection of information that would be incurred by persons in the normal course of their activities (e.g., in compiling and maintaining business records) will be excluded from the “burden” if the agency demonstrates that the reporting, recordkeeping, or disclosure activities needed to comply are usual and customary.

(3) A collection of information conducted or sponsored by a Federal agency that is also conducted or sponsored by a unit of State, local, or tribal government is presumed to impose a Federal burden except to the extent that the agency shows that such State, local, or tribal requirement would be imposed even in the absence of a Federal requirement.

(c) Collection of information means, except as provided in §1320.4, the obtaining, causing to be obtained, soliciting, or requiring the disclosure to an agency, third parties or the public of information by or for an agency by means of identical questions posed to, or identical reporting, recordkeeping, or disclosure requirements imposed on, ten or more persons, whether such collection of information is mandatory, voluntary, or required to obtain or retain a benefit. “Collection of information” includes any requirement or request for persons to obtain, maintain, retain, report, or publicly disclose information. As used in this Part, “collection
of information” refers to the act of collecting or disclosing information, to the information to be collected or disclosed, to a plan and/or an instrument calling for the collection or disclosure of information, or any of these, as appropriate.

(1) A “collection of information” may be in any form or format, including the use of report forms; application forms; schedules; questionnaires; surveys; reporting or recordkeeping requirements; contracts; agreements; policy statements; plans; rules or regulations; planning requirements; circulars; directives; instructions; bulletins; requests for proposal or other procurement requirements; interview guides; oral communications; posting, notification, labeling, or similar disclosure requirements; telegraphic or telephonic requests; automated, electronic, mechanical, or other technological collection techniques; standard questionnaires used to monitor compliance with agency requirements; or any other techniques or technological methods used to monitor compliance with agency requirements. A “collection of information” may implicitly or explicitly include related collection of information requirements.

(2) Requirements by an agency for a person to obtain or compile information for the purpose of disclosure to members of the public or the public at large, through posting, notification, labeling or similar disclosure requirements constitute the “collection of information” whenever the same requirement to obtain or compile information would be a “collection of information” if the information were directly provided to the agency. The public disclosure of information originally supplied by the Federal government to the recipient for the purpose of disclosure to the public is not included within this definition.

(3) “Collection of information” includes questions posed to agencies, instrumentalities, or employees of the United States, if the results are to be used for general statistical purposes, that is, if the results are to be used for statistical compilations of general public interest, including compilations showing the status or implementation of Federal activities and programs.

(4) As used in paragraph (c) of this section, “ten or more persons” refers to the persons to whom a collection of information is addressed by the agency within any 12-month period, and to any independent entities to which the initial addressee may reasonably be expected to transmit the collection of information during that period, including independent State, territorial, tribal or local entities and separately incorporated subsidiaries or affiliates. For the purposes of this definition of “ten or more persons,” “persons” does not include employees of the respondent acting within the scope of their employment, contractors engaged by a respondent for the purpose of complying with the collection of information, or current employees of the Federal government (including military reservists and members of the National Guard while on active duty) when acting within the scope of their employment, but it does include retired and other former Federal employees.

(i) Any recordkeeping, reporting, or disclosure requirement contained in a rule of general applicability is deemed to involve ten or more persons.

(ii) Any collection of information addressed to all or a substantial majority of an industry is presumed to involve ten or more persons.

(d) Conduct or Sponsor. A Federal agency is considered to “conduct or sponsor” a collection of information if the agency collects the information, causes another agency to collect the information, contracts or enters into a cooperative agreement with a person to collect the information, or requires a person to provide information to another person, or in similar ways causes another agency, contractor, partner in a cooperative agreement, or person to obtain, solicit, or require the disclosure to third parties or the public of information by or for an agency. A collection of information undertaken by a recipient of a Federal grant is considered to be “conducted or sponsored” by an agency only if:

(1) The recipient of a grant is conducting the collection of information at the specific request of the agency; or

(2) The terms and conditions of the grant require specific approval by the...
agency of the collection of information or collection procedures.

(e) Director means the Director of OMB, or his or her designee.

(f) Display means:

(1) In the case of forms, questionnaires, instructions, and other written collections of information sent or made available to potential respondents (other than in an electronic format), to place the currently valid OMB control number on the front page of the collection of information;

(2) In the case of forms, questionnaires, instructions, and other written collections of information sent or made available to potential respondents in an electronic format, to place the currently valid OMB control number in the instructions, near the title of the electronic collection instrument, or, for on-line applications, on the first screen viewed by the respondent;

(3) In the case of collections of information published in regulations, guidelines, and other issuances in the Federal Register, to publish the currently valid OMB control number in the Federal Register (for example, in the case of a collection of information in a regulation, by publishing the OMB control number in the preamble or the regulatory text for the final rule, in a technical amendment to the final rule, or in a separate notice announcing OMB approval of the collection of information). In the case of a collection of information published in an issuance that is also included in the Code of Federal Regulations, publication of the currently valid control number in the Code of Federal Regulations constitutes an alternative means of “display.” In the case of a collection of information published in an issuance that is also included in the Code of Federal Regulations, OMB recommends for ease of future reference that, even where an agency has already “displayed” the OMB control number by publishing it in the Federal Register as a separate notice or in the preamble for the final rule (rather than in the regulatory text for the final rule or in a technical amendment to the final rule), the agency also place the currently valid control number in a table or codified section to be included in the Code of Federal Regulations. For placement of OMB control numbers in the Code of Federal Regulations, see 1 CFR 21.35.

(4) In other cases, and where OMB determines in advance in writing that special circumstances exist, to use other means to inform potential respondents of the OMB control number.

(g) Independent regulatory agency means the Board of Governors of the Federal Reserve System, the Commodity Futures Trading Commission, the Consumer Product Safety Commission, the Federal Communications Commission, the Federal Deposit Insurance Corporation, the Federal Energy Regulatory Commission, the Federal Housing Finance Board, the Federal Maritime Commission, the Federal Trade Commission, the Interstate Commerce Commission, the Mine Enforcement Safety and Health Review Commission, the National Labor Relations Board, the Nuclear Regulatory Commission, the Occupational Safety and Health Review Commission, the Postal Rate Commission, the Securities and Exchange Commission, and any other similar agency designated by statute as a Federal independent regulatory agency or commission.

(h) Information means any statement or estimate of fact or opinion, regardless of form or format, whether in numerical, graphic, or narrative form, and whether oral or maintained on paper, electronic or other media. “Information” does not generally include items in the following categories; however, OMB may determine that any specific item constitutes “information”:

(1) Affidavits, oaths, affirmations, certifications, receipts, changes of address, consents, or acknowledgments; provided that they entail no burden other than that necessary to identify the respondent, the date, the respondent’s address, and the nature of the instrument (by contrast, a certification would likely involve the collection of “information” if an agency conducted or sponsored it as a substitute for a collection of information to collect evidence of, or to monitor, compliance with regulatory standards, because such a certification would generally entail burden in addition to that necessary to identify the respondent, the
§ 1320.3  5 CFR Ch. III (1-1-98 Edition)

date, the respondent’s address, and the nature of the instrument;
(2) Samples of products or of any other physical objects;
(3) Facts or opinions obtained through direct observation by an employee or agent of the sponsoring agency or through nonstandardized oral communication in connection with such direct observations;
(4) Facts or opinions submitted in response to general solicitations of comments from the public, published in the Federal Register or other publications, regardless of the form or format thereof, provided that no person is required to supply specific information pertaining to the commenter, other than that necessary for self-identification, as a condition of the agency’s full consideration of the comment;
(5) Facts or opinions obtained initially or in follow-on requests, from individuals (including individuals in control groups) under treatment or clinical examination in connection with research on or prophylaxis to prevent a clinical disorder, direct treatment of that disorder, or the interpretation of biological analyses of body fluids, tissues, or other specimens, or the identification or classification of such specimens;
(6) A request for facts or opinions addressed to a single person;
(7) Examinations designed to test the aptitude, abilities, or knowledge of the persons tested and the collection of information for identification or classification in connection with such examinations;
(8) Facts or opinions obtained or solicited at or in connection with public hearings or meetings;
(9) Facts or opinions obtained or solicited through nonstandardized follow-up questions designed to clarify responses to approved collections of information; and
(10) Like items so designated by OMB.

(i) OMB refers to the Office of Management and Budget.

(j) Penalty includes the imposition by an agency or court of a fine or other punishment; a judgment for monetary damages or equitable relief; or the revocation, suspension, reduction, or denial of a license, privilege, right, grant, or benefit.

(k) Person means an individual, partnership, association, corporation (including operations of government-owned contractor-operated facilities), business trust, or legal representative, an organized group of individuals, a State, territorial, tribal, or local government or branch thereof, or a political subdivision of a State, territory, tribal, or local government or a branch of a political subdivision;

(l) Practical utility means the actual, not merely the theoretical or potential, usefulness of information to or for an agency, taking into account its accuracy, validity, adequacy, and reliability, and the agency’s ability to process the information it collects (or a person’s ability to receive and process that which is disclosed, in the case of a third-party or public disclosure) in a useful and timely fashion. In determining whether information will have “practical utility,” OMB will take into account whether the agency demonstrates actual timely use for the information either to carry out its functions or make it available to third-parties or the public, either directly or by means of a third-party or public posting, notification, labeling, or similar disclosure requirement, for the use of persons who have an interest in entities or transactions over which the agency has jurisdiction. In the case of recordkeeping requirements or general purpose statistics (see §1320.3(c)(3)), “practical utility” means that actual uses can be demonstrated.

(m) Recordkeeping requirement means a requirement imposed by or for an agency on persons to maintain specified records, including a requirement to:

(1) Retain such records;
(2) Notify third parties, the Federal government, or the public of the existence of such records;
(3) Disclose such records to third parties, the Federal government, or the public; or
(4) Report to third parties, the Federal government, or the public regarding such records.
§ 1320.4 Coverage.
(a) The requirements of this part apply to all agencies as defined in §1320.3(a) and to all collections of information conducted or sponsored by those agencies, as defined in §1320.3(c) and (d), wherever conducted or sponsored, but, except as provided in paragraph (b) of this section, shall not apply to collections of information:
(1) During the conduct of a Federal criminal investigation or prosecution, or during the disposition of a particular criminal matter;
(2) During the conduct of a civil action to which the United States or any official or agency thereof is a party, or during the conduct of an administrative action, investigation, or audit involving an agency against specific individuals or entities;
(3) By compulsory process pursuant to the Antitrust Civil Process Act and section 13 of the Federal Trade Commission Improvements Act of 1980; or
(4) During the conduct of intelligence activities as defined in section 3.4(e) of Executive Order No. 12333, issued December 4, 1981, or successor orders, or during the conduct of cryptologic activities that are communications security activities.
(b) The requirements of this Part apply to the collection of information during the conduct of general investigations or audits (other than information collected in an antitrust investigation to the extent provided in paragraph (a)(3) of this section) undertaken with reference to a category of individuals or entities that are communications security activities.
(c) The exception in paragraph (a)(2) of this section applies during the entire course of the investigation, audit, or action, whether before or after formal charges or complaints are filed or formal administrative action is initiated, but only after a case file or equivalent is opened with respect to a particular party. In accordance with paragraph (b) of this section, collections of information prepared or undertaken with reference to a category of individuals or entities, such as a class of licensees or an industry, do not fall within this exception.

§ 1320.5 General requirements.
(a) An agency shall not conduct or sponsor a collection of information unless, in advance of the adoption or revision of the collection of information—
(1) The agency has—
(i) Conducted the review required in §1320.8;
(ii) Evaluated the public comments received under §1320.8(d) and §1320.11;
(iii) Submitted to the Director, in accordance with such procedures and in such form as OMB may specify,
(A) The certification required under §1320.9,
(B) The proposed collection of information in accordance with §1320.10, §1320.11, or §1320.12, as appropriate;
(C) An explanation for the decision that it would not be appropriate, under §1320.8(b)(1), for a proposed collection of information to display an expiration date;
(D) An explanation for a decision to provide for any payment or gift to respondents, other than remuneration of contractors or grantees;
(E) A statement indicating whether (and if so, to what extent) the proposed collection of information involves the use of automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses, and an explanation for the decision;
(F) A summary of the public comments received under §1320.8(d), including actions taken by the agency in response to the comments, and the date and page of the publication in the Federal Register of the notice therefor; and
(G) Copies of pertinent statutory authority, regulations, and such related supporting materials as OMB may request; and
(iv) Published, except as provided in §1320.13(d), a notice in the Federal Register—
(A) Stating that the agency has made such submission; and
(B) Setting forth—
(1) A title for the collection of information;
(2) A summary of the collection of information;
§ 1320.5

(3) A brief description of the need for the information and proposed use of the information;

(4) A description of the likely respondents, including the estimated number of likely respondents, and proposed frequency of response to the collection of information;

(5) An estimate of the total annual reporting and recordkeeping burden that will result from the collection of information;

(6) Notice that comments may be submitted to OMB; and

(7) The time period within which the agency is requesting OMB to approve or disapprove the collection of information if, at the time of submittal of a collection of information for OMB review under §1320.10, §1320.11 or §1320.12, the agency plans to request or has requested OMB to conduct its review on an emergency basis under §1320.13; and

(2) OMB has approved the proposed collection of information, OMB’s approval has been inferred under §1320.10(c), §1320.11(i), or §1320.12(e), or OMB’s disapproval has been voided by an independent regulatory agency under §1320.15; and

(3) The agency has obtained from the Director a control number to be displayed upon the collection of information.

(b) In addition to the requirements in paragraph (a) of this section, an agency shall not conduct or sponsor a collection of information unless:

(1) The collection of information displays a currently valid OMB control number; and

(2)(i) The agency informs the potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

(ii) An agency shall provide the information described in paragraph (b)(2)(i) of this section in a manner that is reasonably calculated to inform the public.

(A) In the case of forms, questionnaires, instructions, and other written collections of information sent or made available to potential respondents in an electronic format, the information described in paragraph (b)(2)(i) of this section is provided “in a manner that is reasonably calculated to inform the public” if the agency includes it either on the form, questionnaire or other collection of information, or in the instructions for such collection.

(B) In the case of collections of information published in regulations, guidelines, and other issuances in the Federal Register, the information described in paragraph (b)(2)(i) of this section is provided “in a manner that is reasonably calculated to inform the public” if the agency places the currently valid OMB control number in the instructions, near the title of the electronic collection instrument, or, for on-line applications, on the first screen viewed by the respondent.

(C) In the case of collections of information published in an issuance that is also included in the Code of Federal Regulations, publication of such information in the Code of Federal Regulations constitutes an alternative means of providing it “in a manner that is reasonably calculated to inform the public.” In the case of a collection of information published in an issuance that is also included in the Code of Federal Regulations, OMB recommends for ease of future reference that, even where an agency has already provided such information “in a manner that is reasonably calculated to inform the public” by publishing it in the Federal Register as a separate notice or in the preamble for the final rule (rather than in the regulatory text for the final rule or in a technical amendment to the final rule), the agency also

publish such information along with a table or codified section of OMB control numbers to be included in the Code of Federal Regulations (see §1320.3(f)(3)).

(D) In other cases, and where OMB determines in advance in writing that special circumstances exist, to use other means that are reasonably calculated to inform the public of the information described in paragraph (b)(2)(i) of this section.

(c)(1) Agencies shall submit all collections of information, other than those contained in proposed rules published for public comment in the Federal Register or in current regulations that were published as final rules in the Federal Register, in accordance with the requirements in §1320.10. Agencies shall submit collections of information contained in interim final rules or direct final rules in accordance with the requirements of §1320.10.

(2) Agencies shall submit collections of information contained in proposed rules published for public comment in the Federal Register in accordance with the requirements in §1320.11.

(3) Agencies shall submit collections of information contained in current regulations that were published as final rules in the Federal Register in accordance with the requirements in §1320.12.

(4) Special rules for emergency processing of collections of information are set forth in §1320.13.

(5) For purposes of time limits for OMB review of collections of information, any submission properly submitted and received by OMB after 12:00 noon will be deemed to have been received on the following business day.

(d)(1) To obtain OMB approval of a collection of information, an agency shall demonstrate that it has taken every reasonable step to ensure that the proposed collection of information:

(i) Is the least burdensome necessary for the proper performance of the agency’s functions to comply with legal requirements and achieve program objectives;

(ii) Is not duplicative of information otherwise accessible to the agency; and

(iii) Has practical utility. The agency shall also seek to minimize the cost to itself of collecting, processing, and using the information, but shall not do so by means of shifting disproportionate costs or burdens onto the public.

(2) Unless the agency is able to demonstrate, in its submission for OMB clearance, that such characteristic of the collection of information is necessary to satisfy statutory requirements or other substantial need, OMB will not approve a collection of information—

(i) Requiring respondents to report information to the agency more often than quarterly;

(ii) Requiring respondents to prepare a written response to a collection of information in fewer than 30 days after receipt of it;

(iii) Requiring respondents to submit more than an original and two copies of any document;

(iv) Requiring respondents to retain records, other than health, medical, government contract, grant-in-aid, or tax records, for more than three years;

(v) In connection with a statistical survey, that is not designed to produce valid and reliable results that can be generalized to the universe of study;

(vi) Requiring the use of a statistical data classification that has not been reviewed and approved by OMB;

(vii) That includes a pledge of confidentiality that is not supported by authority established in statute or regulation, that is not supported by disclosure and data security policies that are consistent with the pledge, or which unnecessarily impedes sharing of data with other agencies for compatible confidential use; or

(viii) Requiring respondents to submit proprietary, trade secret, or other confidential information unless the agency can demonstrate that it has instituted procedures to protect the information’s confidentiality to the extent permitted by law.

(e) OMB shall determine whether the collection of information, as submitted by the agency, is necessary for the proper performance of the agency’s functions. In making this determination, OMB will take into account the criteria set forth in paragraph (d) of this section, and will consider whether the burden of the collection of information is justified by its practical utility. In addition:
§ 1320.6 Public protection.

(a) Notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information that is subject to the requirements of this part if:

(1) The collection of information does not display, in accordance with §1320.3(f) and §1320.5(b)(1), a currently valid OMB control number assigned by the Director in accordance with the Act; or

(2) The agency fails to inform the potential person who is to respond to the collection of information, in accordance with §1320.5(b)(2), that such person is not required to respond to the collection of information unless it displays a currently valid OMB control number.

(b) The protection provided by paragraph (a) of this section may be raised in the form of a complete defense, bar, or otherwise to the imposition of such penalty at any time during the agency administrative process in which such penalty may be imposed or in any judicial action applicable thereto.

(c) Whenever an agency has imposed a collection of information as a means for proving or satisfying a condition for the receipt of a benefit or the avoidance of a penalty, and the collection of information does not display a currently valid OMB control number or inform the potential persons who are to respond to the collection of information, as prescribed in §1320.5(b), the agency shall not treat a person's failure to comply, in and of itself, as grounds for withholding the benefit or imposing the penalty. The agency shall instead permit respondents to prove or satisfy the legal conditions in any other reasonable manner.

(d) If OMB disapproves the whole of such a collection of information (and the disapproval is not overridden under §1320.15), the agency shall grant the benefit to (or not impose the penalty on) otherwise qualified persons without requesting further proof concerning the condition.

(e) If OMB instructs an agency to make a substantive or material change to such a collection of information (and the instruction is not overridden under §1320.15), the agency shall permit respondents to prove or satisfy the condition by complying with the collection of information as so changed.

(f) Whenever a member of the public is protected from imposition of a penalty under this section for failure to comply with a collection of information, such penalty may not be imposed by an agency directly, by an agency through judicial process, or by any other person through administrative or judicial process.

(g) The protection provided by paragraph (a) of this section does not preclude the imposition of a penalty on a
§ 1320.7 Agency head and Senior Official responsibilities.

(a) Except as provided in paragraph (b) of this section, each agency head shall designate a Senior Official to carry out the responsibilities of the agency under the Act and this part. The Senior Official shall report directly to the head of the agency and shall have the authority, subject to that of the agency head, to carry out the responsibilities of the agency under the Act and this part.

(b) An agency head may retain full undelegated review authority for any component of the agency which by statute is required to be independent of any agency official below the agency head. For each component for which responsibility under the Act is not delegated to the Senior Official, the agency head shall be responsible for the performance of those functions.

(c) The Senior Official shall head an office responsible for ensuring agency compliance with and prompt, efficient, and effective implementation of the information policies and information resources management responsibilities established under the Act, including the reduction of information collection burdens on the public.

(d) With respect to the collection of information and the control of paperwork, the Senior Official shall establish a process within such office that is sufficiently independent of program responsibility to evaluate fairly whether proposed collections of information should be approved under this Part.

(e) Agency submissions of collections of information for OMB review, and the accompanying certifications under §1320.9, may be made only by the agency head or the Senior Official, or their designee.

§ 1320.8 Agency collection of information responsibilities.

The office established under §1320.7 shall review each collection of information before submission to OMB for review under this part.

(a) This review shall include:

(1) An evaluation of the need for the collection of information, which shall include, in the case of an existing collection of information, an evaluation of the continued need for such collection;

(2) A functional description of the information to be collected;

(3) A plan for the collection of information;

(4) A specific, objectively supported estimate of burden, which shall include, in the case of an existing collection of information, an evaluation of the burden that has been imposed by such collection;

(5) An evaluation of whether (and if so, to what extent) the burden on respondents can be reduced by use of automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses;

(6) A test of the collection of information through a pilot program, if appropriate; and

(7) A plan for the efficient and effective management and use of the information to be collected, including necessary resources.

(b) Such office shall ensure that each collection of information:

(1) Is inventoried, displays a currently valid OMB control number, and, if appropriate, an expiration date;

(2) Is reviewed by OMB in accordance with the clearance requirements of 44 U.S.C. §3507; and

(3) Informs and provides reasonable notice to the potential persons to whom the collection of information is addressed of—

(i) The reasons the information is planned to be and/or has been collected;

(ii) The way such information is planned to be and/or has been used to further the proper performance of the functions of the agency;

(iii) An estimate, to the extent practicable, of the average burden of the...
§ 1320.8 5 CFR Ch. III (1-1-98 Edition)

collection (together with a request that the public direct to the agency any comments concerning the accuracy of this burden estimate and any suggestions for reducing this burden);

(iv) Whether responses to the collection of information are voluntary, required to obtain or retain a benefit (citing authority), or mandatory (citing authority);

(v) The nature and extent of confidentiality to be provided, if any (citing authority); and

(vi) The fact that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

(c)(1) An agency shall provide the information described in paragraphs (b)(3)(i) through (v) of this section as follows:

(i) In the case of forms, questionnaires, instructions, and other written collections of information sent or made available to potential respondents (except in an electronic format), such information can be included either on the form, questionnaire or other collection of information, as part of the instructions for such collection, or in a cover letter or memorandum that accompanies the collection of information.

(ii) In the case of forms, questionnaires, instructions, and other written collections of information sent or made available to potential respondents in an electronic format, such information can be included either in the instructions, near the title of the electronic collection instrument, or, for on-line applications, on the first screen viewed by the respondent;

(iii) In the case of collections of information published in regulations, guidelines, and other issuances in the Federal Register, such information can be published in the Federal Register (for example, in the case of a collection of information in a regulation, by publishing such information in the preamble or the regulatory text to the final rule, or in a technical amendment to the final rule, or in a separate notice announcing OMB approval of the collection of information)

(iv) In other cases, and where OMB determines in advance in writing that special circumstances exist, agencies may use other means to inform potential respondents.

(2) An agency shall provide the information described in paragraph (b)(3)(vi) of this section in a manner that is reasonably calculated to inform the public (see §1320.5(b)(2)(ii)).

(d)(1) Before an agency submits a collection of information to OMB for approval, and except as provided in paragraphs (d)(3) and (d)(4) of this section, the agency shall provide 60-day notice in the Federal Register, and otherwise consult with members of the public and affected agencies concerning each proposed collection of information, to solicit comment to:

(i) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(ii) Evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(iii) Enhance the quality, utility, and clarity of the information to be collected; and

(iv) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

(2) If the agency does not publish a copy of the proposed collection of information, together with the related instructions, as part of the Federal Register notice, the agency should—

(i) Provide more than 60-day notice to permit timely receipt, by interested members of the public, of a copy of the proposed collection of information and related instructions; or

(ii) Explain how and from whom an interested member of the public can request and obtain a copy without charge, including, if applicable, how the public can gain access to the collection of information and related instructions electronically on demand.

134
(3) The agency need not separately seek such public comment for any proposed collection of information contained in a proposed rule to be reviewed under §1320.11, if the agency provides notice and comment through the notice of proposed rulemaking for the proposed rule and such notice specifically includes the solicitation of comments for the same purposes as are listed under paragraph (d)(1) of this section.

(4) The agency need not seek or may shorten the time allowed for such public comment if OMB grants an exemption from such requirement for emergency processing under §1320.13.

§ 1320.9 Agency certifications for proposed collections of information.

As part of the agency submission to OMB of a proposed collection of information, the agency (through the head of the agency, the Senior Official, or their designee) shall certify (and provide a record supporting such certification) that the proposed collection of information—

(a) Is necessary for the proper performance of the functions of the agency, including that the information to be collected will have practical utility;

(b) Is not unnecessarily duplicative of information otherwise reasonably accessible to the agency;

(c) Reduces to the extent practicable and appropriate the burden on persons who shall provide information to or for the agency, including with respect to small entities, as defined in the Regulatory Flexibility Act (5 U.S.C. 601(6)), the use of such techniques as:

(1) Establishing differing compliance or reporting requirements or timeframes that take into account the resources available to those who are to respond;

(2) The clarification, consolidation, or simplification of compliance and reporting requirements; or

(3) An exemption from coverage of the collection of information, or any part thereof;

(d) Is written using plain, coherent, and unambiguous terminology and is understandable to those who are to respond;

(e) Is to be implemented in ways consistent and compatible, to the maximum extent practicable, with the existing reporting and recordkeeping practices of those who are to respond;

(f) Indicates for each recordkeeping requirement the length of time persons are required to maintain the records specified;

(g) Informs potential respondents of the information called for under §1320.8(b)(3);

(h) Has been developed by an office that has planned and allocated resources for the efficient and effective management and use of the information to be collected, including the processing of the information in a manner which shall enhance, where appropriate, the utility of the information to agencies and the public;

(i) Uses effective and efficient statistical survey methodology appropriate to the purpose for which the information is to be collected; and

(j) To the maximum extent practicable, uses appropriate information technology to reduce burden and improve data quality, agency efficiency and responsiveness to the public.

§ 1320.10 Clearance of collections of information, other than those contained in proposed rules or in current rules.

Agencies shall submit all collections of information, other than those contained either in proposed rules published for public comment in the Federal Register (which are submitted under §1320.11) or in current rules that were published as final rules in the Federal Register (which are submitted under §1320.12), in accordance with the following requirements:

(a) On or before the date of submission to OMB, the agency shall, in accordance with the requirements in §1320.5(a)(1)(iv), forward a notice to the Federal Register stating that OMB approval is being sought. The notice shall direct requests for information, including copies of the proposed collection of information and supporting documentation, to the agency, and shall request that comments be submitted to OMB within 30 days of the notice's publication. The notice shall direct comments to the Office of Information and Regulatory Affairs of OMB, Attention: Desk Officer for [name of agency]. A
§ 1320.11  Clearance of collections of information in proposed rules.

Agencies shall submit collections of information contained in proposed rules published for public comment in the FEDERAL REGISTER in accordance with the following requirements:

(a) The agency shall include, in accordance with the requirements in §1320.5(a)(iv) and §1320.8(d)(1) and (3), in the preamble to the Notice of Proposed Rulemaking a statement that the collections of information contained in the proposed rule, and identified as such, have been submitted to OMB for review under section 3507(d) of the Act. The notice shall direct comments to the Office of Information and Regulatory Affairs of OMB, Attention: Desk Officer for [name of agency].

(b) All such submissions shall be made to OMB not later than the day on which the Notice of Proposed Rulemaking is published in the FEDERAL
Office of Management and Budget

§ 1320.11

REGISTER, in such form and in accordance with such procedures as OMB may direct. Such submissions shall include a copy of the proposed regulation and preamble.

(c) Within 60 days of publication of the proposed rule, but subject to paragraph (e) of this section, OMB may file public comments on collection of information provisions. The OMB comments shall be in the form of an OMB Notice of Action, which shall be sent to the Senior Official or agency head, or their designee, and which shall be made a part of the agency's rulemaking record.

(d) If an agency submission is not in compliance with paragraph (b) of this section, OMB may, subject to paragraph (e) of this section, disapprove the collection of information in the proposed rule within 60 days of receipt of the submission. If an agency fails to submit a collection of information subject to this section, OMB may, subject to paragraph (e) of this section, disapprove it at any time.

(e) OMB shall provide at least 30 days after receipt of the proposed collection of information before submitting its comments or making its decision, except as provided under §1320.13.

(f) When the final rule is published in the Federal Register, the agency shall explain how any collection of information contained in the final rule responds to any comments received from OMB or the public. The agency shall include an identification and explanation of any modifications made in the rule, or explain why it rejected the comments. If requested by OMB, the agency shall include OMB's comments in the preamble to the final rule.

(g) If OMB has not filed public comments under paragraph (c) of this section, or has approved without conditions the collection of information contained in a rule before the final rule is published in the Federal Register, OMB may assign an OMB control number prior to publication of the final rule.

(h) On or before the date of publication of the final rule, the agency shall submit the final rule to OMB, unless it has been approved under paragraph (g) of this section (and not substantively or materially modified by the agency after approval). Not later than 60 days after publication, but subject to paragraph (e) of this section, OMB shall approve, instruct the agency to make a substantive or material change to, or disapprove, the collection of information contained in the final rule. Any such instruction to change or disapprove may be based on one or more of the following reasons, as determined by OMB:

1. The agency has failed to comply with paragraph (b) of this section;
2. The agency had substantially modified the collection of information contained in the final rule from that contained in the proposed rule without providing OMB with notice of the change and sufficient information to make a determination concerning the modified collection of information at least 60 days before publication of the final rule; or
3. In cases in which OMB had filed public comments under paragraph (c) of this section, the agency's response to such comments was unreasonable, and the collection of information is unnecessary for the proper performance of the agency's functions.

(i) After making such decision to approve, to instruct the agency to make a substantive or material change to, or disapprove, the collection of information, OMB shall so notify the agency. If OMB approves the collection of information or if it has not acted upon the submission within the time limits of this section, the agency may request, and OMB shall assign an OMB control number. If OMB disapproves or instructs the agency to make substantive or material change to the collection of information, it shall make the reasons for its decision publicly available.

(j) OMB shall not approve any collection of information under this section for a period longer than three years. Approval of such collection of information will be for the full three-year period, unless OMB determines that there are special circumstances requiring approval for a shorter period.

(k) After receipt of notification of OMB's approval, instruction to make a substantive or material change to, disapproval of a collection of information, or failure to act, the agency shall publish a notice in the Federal Register to inform the public of OMB's decision.
§ 1320.12 Clearance of collections of information in current rules.

Agencies shall submit collections of information contained in current rules that were published as final rules in the \textit{Federal Register} in accordance with the following procedures:

(a) In the case of a collection of information contained in a published current rule which has been approved by OMB and has a currently valid OMB control number, the agency shall:

(1) Conduct the review established under §1320.8, including the seeking of public comment under §1320.8(d); and

(2) After having made a reasonable effort to seek public comment, but no later than 60 days before the expiration date of the OMB control number for the currently approved collection of information, submit the collection of information for review and approval under this part, which shall include an explanation of how the agency has used the information that it has collected.

(b)(1) In the case of a collection of information contained in a published current rule that was not required to be submitted for OMB review under the Paperwork Reduction Act at the time the collection of information was made part of the rule, but which collection of information is now subject to the Act and this part, the agency shall:

(i) Conduct the review established under §1320.8, including the seeking of public comment under §1320.8(d); and

(ii) After having made a reasonable effort to seek public comment, submit the collection of information for review and approval under this part, which shall include an explanation of how the agency has used the information that it has collected.

(c) On or before the day of submission to OMB under paragraphs (a) or (b) of this section, the agency shall, in accordance with the requirements set forth in §1320.5(a)(1)(iv), forward a notice to the \textit{Federal Register} stating that OMB review is being sought. The notice shall direct requests for copies of the collection of information and supporting documentation to the agency, and shall request that comments be submitted to OMB within 30 days of the notice's publication. The notice shall direct comments to the Office of Information and Regulatory Affairs of OMB, Attention: Desk Officer for \[name of agency\]. A copy of the notice submitted to the \textit{Federal Register}, together with the date of expected publication, shall be included in the agency's submission to OMB.

(d) Within 60 days after receipt of the collection of information or publication of the notice under paragraph (c) of this section, whichever is later, OMB shall notify the agency involved of its decision to approve, to instruct the agency to make a substantive or material change to, or to disapprove, the collection of information, and shall make such decision publicly available. OMB shall provide at least 30 days for public comment after receipt of the proposed collection of information before making its decision, except as provided under §1320.13.

(e)(1) Upon approval of a collection of information, OMB shall assign an OMB control number and an expiration date. OMB shall not approve any collection of information for a period longer than three years. Approval of any collection while the submission is pending at OMB. In the case of a collection of information not previously approved, approval shall be granted for such period, which shall not exceed 60 days, unless extended by the Director for an additional 60 days, and an OMB control number assigned. Upon assignment of the OMB control number, and in accordance with §1320.3(f) and §1320.5(b), the agency shall display the number and inform the potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.
Office of Management and Budget

§ 1320.12

of information submitted under this section will be for the full three-year period, unless OMB determines that there are special circumstances requiring approval for a shorter period.

(2) If OMB fails to notify the agency of its approval, instruction to make substantive or material change, or disapproval within the 60-day period, the agency may request, and OMB shall assign without further delay, an OMB control number that shall be valid for not more than one year.

(3) As provided in §1320.5(b) and §1320.6(a), an agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

(f)(1) If OMB disapproves a collection of information contained in an existing rule, or instructs the agency to make a substantive or material change to a collection of information contained in an existing rule, OMB shall:

(i) Publish an explanation thereof in the Federal Register; and

(ii) Instruct the agency to undertake a rulemaking within a reasonable time limited to consideration of changes to the collection of information contained in the rule and thereafter to submit the collection of information for approval or disapproval under §1320.10 or §1320.11, as appropriate; and

(iii) Extend the existing approval of the collection of information (including an interim approval granted under paragraph (b) of this section) for the duration of the period required for consideration of proposed changes, including that required for OMB approval or disapproval of the collection of information under §1320.10 or §1320.11, as appropriate.

(2) Thereafter, the agency shall, within a reasonable period of time not to exceed 120 days, undertake such procedures as are necessary in compliance with the Administrative Procedure Act and other applicable law to amend or rescind the collection of information, and shall notify the public through the Federal Register. Such notice shall identify the proposed changes in the collections of information and shall solicit public comment on retention, change, or rescission of such collections of information. If the agency employs notice and comment rulemaking procedures for amendment or rescission of the collection of information, publication of the above in the Federal Register and submission to OMB shall initiate OMB clearance procedures under section 3507(d) of the Act and §1320.11. All procedures shall be completed within a reasonable period of time to be determined by OMB in consultation with the agency.

(g) OMB may disapprove, in whole or in part, any collection of information subject to the procedures of this section, if the agency:

(1) Has refused within a reasonable time to comply with an OMB instruction to submit the collection of information for review;

(2) Has refused within a reasonable time to initiate procedures to change the collection of information; or

(3) Has refused within a reasonable time to publish a final rule continuing the collection of information, with such changes as may be appropriate, or otherwise complete the procedures for amendment or rescission of the collection of information.

(h)(1) Upon disapproval by OMB of a collection of information subject to this section, except as provided in paragraph (f)(1)(iii) of this section, the OMB control number assigned to such collection of information shall immediately expire, and no agency shall conduct or sponsor such collection of information. Any such disapproval shall constitute disapproval of the collection of information contained in the Notice of Proposed Rulemaking or other submissions, and also of the preexisting information collection instruments directed at the same collection of information and therefore constituting essentially the same collection of information.

(2) The failure to display a currently valid OMB control number for a collection of information contained in a current rule, or the failure to inform the potential persons who are to respond to the collection of information that such
persons are not required to respond to
the collection of information unless it
displays a currently valid OMB control
number, does not, as a legal matter, re-
scind or amend the rule; however, such
absence will alert the public that ei-
ther the agency has failed to comply
with applicable legal requirements for
the collection of information or the
collection of information has been dis-
approved, and that therefore the por-
tion of the rule containing the collec-
tion of information has no legal force
and effect and the public protection
provisions of 44 U.S.C. 3512 apply.

(i) Prior to the expiration of OMB's
approval of a collection of information
in a current rule, OMB may decide on
its own initiative, after consultation
with the agency, to review the collec-
tion of information. Such decisions
will be made only when relevant cir-
cumstances have changed or the bur-
den estimates provided by the agency
at the time of initial submission were
materially in error. Upon notification
by OMB of its decision to review the
collection of information, the agency
shall submit it to OMB for review
under this Part.

§ 1320.13 Emergency processing.

An agency head or the Senior Offi-
cial, or their designee, may request
OMB to authorize emergency process-
ing of submissions of collections of in-
formation.

(a) Any such request shall be accom-
panied by a written determination that:
(i) The collection of information:
(i) Is needed prior to the expiration of
time periods established under this
Part; and
(ii) Is essential to the mission of the
agency; and

(ii) The agency cannot reasonably
comply with the normal clearance pro-
cedures under this part because:
(i) Public harm is reasonably likely
to result if normal clearance pro-
cedures are followed;
(ii) An unanticipated event has oc-
curred; or
(iii) The use of normal clearance pro-
cedures is reasonably likely to prevent
or disrupt the collection of information
or is reasonably likely to cause a stat-
utory or court ordered deadline to be
missed.

(b) The agency shall state the time
period within which OMB should ap-
prove or disapprove the collection of
information.

(c) The agency shall submit informa-
tion indicating that it has taken all
practicable steps to consult with inter-
ested agencies and members of the pub-
lic in order to minimize the burden of
the collection of information.

(d) The agency shall set forth in the
FEDERAL REGISTER notice prescribed by
§1320.5(a)(1)(iv), unless waived or modi-
fied under this section, a statement
that it is requesting emergency proc-
cessing, and the time period stated
under paragraph (b) of this section.

(e) OMB shall approve or disapprove
each such submission within the time
period stated under paragraph (b) of
this section, provided that such time
period is consistent with the purposes
of this Act.

(f) If OMB approves the collection of
information, it shall assign a control
number valid for a maximum of 90 days
after receipt of the agency submission.

§ 1320.14 Public access.

(a) In order to enable the public to
participate in and provide comments
during the clearance process, OMB will
ordinarily make its paperwork docket
files available for public inspection
during normal business hours. Not-
withstanding other provisions of this
Part, and to the extent permitted by
law, requirements to publish public no-
tices or to provide materials to the
public may be modified or waived by
OMB to the extent that such
public participation in the approval
process would defeat the purpose of the
collection of information; jeopardize
the confidentiality of proprietary,
trade secret, or other confidential in-
formation; violate State or Federal
law; or substantially interfere with an
agency's ability to perform its statu-

tory obligations.

(b) Agencies shall provide copies of
the material submitted to OMB for re-
view promptly upon request by any
person.

(c) Any person may request OMB to
review any collection of information
§ 1320.15 Independent regulatory agency override authority.

(a) An independent regulatory agency which is administered by two or more members of a commission, board, or similar body, may by majority vote void:

(1) Any disapproval, instruction to such agency to make material or substantive change to, or stay of the effectiveness of OMB approval of, any collection of information of such agency; or

(2) An exercise of authority under §1320.10(g) concerning such agency.

(b) The agency shall certify each vote to void such OMB action to OMB, and explain the reasons for such vote. OMB shall without further delay assign an OMB control number to such collection of information, valid for the length of time requested by the agency, up to three years, to any collection of information as to which this vote is exercised. No override shall become effective until the independent regulatory agency, as provided in §1320.5(b) and §1320.6(2), has displayed the OMB control number and informed the potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

§ 1320.16 Delegation of approval authority.

(a) OMB may, after complying with the notice and comment procedures of the Administrative Procedure Act, delegate OMB review of some or all of an agency’s collections of information to the Senior Official, or to the agency head with respect to those components of the agency for which he or she has not delegated authority.

(b) No delegation of review authority shall be made unless the agency demonstrates to OMB that the Senior Official or agency head to whom the authority would be delegate:

(1) Is sufficiently independent of program responsibility to evaluate fairly whether proposed collections of information should be approved;

(2) Has sufficient resources to carry out this responsibility effectively; and

(3) Has established an agency review process that demonstrates the prompt, efficient, and effective performance of collection of information review responsibilities.

(c) OMB may limit, condition, or rescind, in whole or in part, at any time, such delegations of authority, and reserves the right to review any individual collection of information, or part thereof, conducted or sponsored by an agency, at any time.

(d) Subject to the provisions of this part, and in accordance with the terms and conditions of each delegation as specified in appendix A to this part, OMB delegates review and approval authority to the following agencies:

(1) Board of Governors of the Federal Reserve System; and

(2) Managing Director of the Federal Communications Commission.

§ 1320.17 Information collection budget.

Each agency’s Senior Official, or agency head in the case of any agency for which the agency head has not delegated responsibility under the Act for any component of the agency to the Senior Official, shall develop and submit to OMB, in such form, at such time, and in accordance with such procedures as OMB may prescribe, an annual comprehensive budget for all collections of information from the public to be conducted in the succeeding twelve months. For good cause, OMB may exempt any agency from this requirement.
§ 1320.18 Other authority.

(a) OMB shall determine whether any collection of information or other matter is within the scope of the Act, or this Part.

(b) In appropriate cases, after consultation with the agency, OMB may initiate a rulemaking proceeding to determine whether an agency's collection of information is consistent with statutory standards. Such proceedings shall be in accordance with the informal rulemaking procedures of the Administrative Procedure Act.

(c) Each agency is responsible for complying with the information policies, principles, standards, and guidelines prescribed by OMB under this Act.

(d) To the extent permitted by law, OMB may waive any requirements contained in this part.

(e) Nothing in this part shall be interpreted to limit the authority of OMB under this Act, or any other law. Nothing in this part or this Act shall be interpreted as increasing or decreasing the authority of OMB with respect to the substantive policies and programs of the agencies.

APPENDIX A TO PART 1320—AGENCIES WITH DELEGATED REVIEW AND APPROVAL AUTHORITY

1. The Board of Governors of the Federal Reserve System

(a) Authority to review and approve collection of information requests, collection of information requirements, and collections of information in current rules is delegated to the Board of Governors of the Federal Reserve System.

(B) At the earliest practical date after approval, the Board will publish a Federal Register notice informing the public of its approval of the collection of information and indicating why immediate action was necessary. In such cases, the Board will conduct a normal delegated review and publish a notice in the Federal Register soliciting public comment on the intention to extend the collection of information for a period not to exceed three years.

(i) Provide the OMB/OIRA Desk Officer for the Federal Reserve Board with a copy of the Board's Federal Register notice not later than the day the Board files the notice with the Office of the Federal Register.

(ii) Provide the OMB/OIRA Desk Officer for the Federal Reserve Board with a copy of the Board's Federal Register notice not later than the day the Board files the notice with the Office of the Federal Register.

(iii) Assure that approved collections of information are reviewed not less frequently than once every three years, and that such reviews are normally conducted before the expiration date of the prior approval. Where the review has not been completed prior to

...
Office of Management and Budget

Pt. 1320, App. A

the expiration date, the Board may extend the report, for up to three months, without public notice in order to complete the review and consequent revisions, if any. There may also be other circumstances in which the Board determines that a three-month extension without public notice is appropriate.

(iv) Take every reasonable step to conduct the review established under 5 CFR 1320.8, including the seeking of public comment under 5 CFR 1320.8(d). In determining whether to approve a collection of information, the Board will consider all comments received from the public and other agencies. The Board will not approve a collection of information that it determines does not satisfy the guidelines set forth in 5 CFR 1320.5(d)(2), unless it determines that departure from these guidelines is necessary to satisfy statutory requirements or other substantial need.

(v) (A) Assure that each approved collection of information displays, as required by 5 CFR 1320.6, a currently valid OMB control number and the fact that a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

(B) Assure that all collections of information, except those contained in regulations, display the expiration date of the approval, or, in case the expiration date has been omitted, explain the decision that it would not be appropriate, under 5 CFR 1320.5(a)(i)(iii)(C), for a proposed collection of information to display an expiration date.

(C) Assure that each collection of information, as required by 5 CFR 1320.8(b)(3), informs and provides fair notice to the potential respondents of why the information is being collected, in a way in which such information is to be used; the estimated burden; whether responses are voluntary, required to obtain or retain a benefit, or mandatory; the confidentiality to be provided; and the fact that an agency may not conduct or sponsor, and the respondent is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

(vi) Assure that each approved collection of information, together with a completed form OMB 85-1, a supporting statement, a copy of each comment received from the public and other agencies in response to the Board's Federal Register notice or a summary of these comments, the certification required by 5 CFR 1320.9, and a certification that the Board has approved of the collection of information in accordance with the provisions of this delegation is transmitted to OMB for incorporation into OMB's public docket files. Such transmittal shall be made as soon as practical after the Board has taken final action approving the collection. However, no collection of information may be instituted until the Board has delivered this transmittal to OMB.

(b) OMB will:

(1) Provide the Board in advance with a block of control numbers which the Board will assign in sequential order to and display on, new collections of information.

(2) Provide a written notice of action to the Board indicating that the Board approvals of collections of information that have been received by OMB and incorporated into OMB's public docket files and an inventory of currently approved collections of information.

(3) Review any collection of information referred by the Board in accordance with the provisions of section 1(a)(2) of this Appendix.

(c) OMB may review the Board's paperwork review process under the delegation. The Board will cooperate in carrying out such a review. The Board will respond to any recommendations resulting from such review and, if it finds the recommendations to be appropriate, will either accept the recommendations or propose an alternative approach to achieve the intended purpose.

(d) This delegation may, as provided by 5 CFR 1320.16(c), be limited, conditioned, or rescinded, in whole or in part at any time. OMB will exercise this authority only in unusual circumstances and, in those rare instances, will do so, subject to the provisions of 5 CFR 1320.10(f) and 1320.10(g), prior to the expiration of the time period set for public comment in the Board's Federal Register notices and generally only if:

(1) Prior to the commencement of a Board review (e.g., during the review for the Information Collection Budget). OMB has notified the Board that it intends to review a specific new proposal for the collection of information or the continued use (with or without modification) of an existing collection;

(2) There is substantial public objection to a proposed information collection or;

(3) OMB determines that a substantially inadequate and inappropriate lead time has been provided between the final announcement date of the proposed requirement and the first date when the information is to be submitted or disclosed. When OMB exercises this authority it will consider that the period of its review began the date that OMB received the Federal Register notice provided for in section 1(a)(3)(i) of this Appendix.

(e) Where OMB conducts a review of a Board information collection proposal under section 1(a)(1), 1(a)(2), or 1(d) of this Appendix, the provisions of 5 CFR 1320.13 continue to apply.

2. The Managing Director of the Federal Communications Commission

(a) Authority to review and approve currently valid (OMB-approved) collections of
information, including collections of information contained in existing rules, that have a total annual burden of 5,000 hours or less and a burden of less than 500 hours per respondent, and on ways to minimize burden, including the use of automated, electronic, mechanical, or other technological collection techniques or other forms of information collection technology, e.g., permitting electronic submission of responses. Such notices shall advise the public that they may also send a copy of their comments to the OMB/Office of Information and Regulatory Affairs desk officer for the Commission.

(A) Should the Managing Director determine that a collection of information that falls within the scope of this delegation must be reauthorized quickly and that public participation in the reauthorization process interferes with the Commission’s ability to perform its statutory obligation, the Managing Director may temporarily reauthorize the extension of an information collection, for a period not to exceed 90 days, without granting opportunity for public comment.

(B) At the earliest practical date after granting this temporary extension to an information collection, the Managing Director will conduct a normal delegated review and publish a FEDERAL REGISTER notice soliciting public comment on its intention to extend the collection of information for a period not to exceed three years.

(iii) Assure that approved collections of information are reviewed not less frequently than once every three years and that such reviews are conducted before the expiration date. When the review is not completed prior to the expiration date, the Managing Director will submit the lapsed information collection to OMB for review and reauthorization.

(v) Transmit to OMB for incorporation into OMB’s public docket files, a report of delegated approval certifying that the Managing Director has reauthorized each collection of information in accordance with the provisions of this delegation. The Managing Director shall also make the certification required by 5 CFR 1320.8(b)(3), of why the information is being collected; the way in which such information is to be used; the estimated burden; whether responses are voluntary, required, required to obtain or retain a benefit, or mandatory; the confidentiality to be provided; and the fact that an agency may not conduct or sponsor, and the respondent is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

(b) OMB will:

(1) Provide notice to the Commission acknowledging receipt of the report of delegated approval and its incorporation into OMB’s public docket files and inventory of currently approved collections of information.

(2) Act upon any request by the Commission to review a collection of information referred by the Commission in accordance with the provisions of section 2(a)(2) of this appendix.

(3) Periodically assess, at its discretion, the Commission’s paperwork review process as administered under the delegation. The
Managing Director will cooperate in carrying out such an assessment. The Managing Director will respond to any recommendations resulting from such a review and, if it finds the recommendations to be appropriate, will either accept the recommendation or propose an alternative approach to achieve the intended purpose.

(c) This delegation may, as provided by 5 CFR 1320.16(c), be limited, conditioned, or rescinded, in whole or in part at any time. OMB will exercise this authority only in unusual circumstances.

(iv) Provide different or separate aid, benefits, or services to handicapped persons or to any class of handicapped persons than is provided to others unless such action is necessary to provide qualified handicapped persons with aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified handicapped person the opportunity to participate as a member of planning or advisory boards; or

(vi) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The agency may not deny a qualified handicapped person the opportunity to participate in programs or activities that are not separate or different, despite the existence of permissibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified handicapped persons to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to handicapped persons.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude handicapped persons from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to handicapped persons.
(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified handicapped persons to discrimination on the basis of handicap.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to handicapped persons or the exclusion of a specific class of handicapped persons from a program limited by Federal statute or Executive order to a different class of handicapped persons is not prohibited by this part.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified handicapped persons.

§§ 1411.131–1411.139 [Reserved]

§ 1411.140 Employment.

No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§§ 1411.141–1411.148 [Reserved]

§ 1411.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in §1411.150, no qualified handicapped person shall, because the agency’s facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 1411.150 Program accessibility: Existing facilities.

(a) General. The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by handicapped persons; or

(2) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1411.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that handicapped persons receive the benefits and services of the program or activity.

(b) Methods. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by handicapped persons. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency
§ 1411.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by handicapped persons. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151-4157), as established in 41 CFR 101.19-600 to 101.19-607, apply to buildings covered by this section.

§§ 1411.152–1411.159 [Reserved]

§ 1411.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford a handicapped person an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the handicapped person.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(b) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD's) or equally effective telecommunication systems shall be used.

(c) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1411.160 would result in such alteration or burdens.
The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, handicapped persons receive the benefits and services of the program or activity.

§§ 1411.161–1411.169 [Reserved]

§ 1411.170 Compliance procedures.
(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs or activities conducted by the agency.
(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).
(c) The Executive Director shall be responsible for coordinating implementation of this section. Complaints may be sent to Executive Director, Advisory Committee on Federal Pay, 1730 K Street, NW., Suite 205, Washington, DC 20006.
(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.
(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate government entity.
(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), or section 502 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 792), is not readily accessible to and usable by handicapped persons.
(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—
(1) Findings of fact and conclusions of law;
(2) A description of a remedy for each violation found;
(3) A notice of the right to appeal.
(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §1411.170(g). The agency may extend this time for good cause.
(i) Timely appeals shall be accepted and processed by the head of the agency.
(j) The head of the agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the head of the agency determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.
(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.
(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

He shall have immediate charge of the administrative duties of the Board under the direction of the chairman and shall have general responsibility for advising and assisting the Board members and exercising executive direction over the staff.

§ 1501.4 Hearings.
No adverse determination shall be made without the opportunity for a hearing.

§ 1501.5 Panels of the Board.
All hearings shall be held by panels of the Board, the determinations of which shall be the determinations of the Board. Such panels of the Board shall consist of not less than three members designated by the chairman. The chairman shall designate the Board member who shall be the presiding member and it shall be the duty of such presiding member to make due report to the Board of all acts and proceedings of the said panel.

§ 1501.6 Quorum.
A majority of all the members of the Board shall constitute a quorum of the Board. Minutes shall be kept of the transactions of the Board in its meetings.

§ 1501.7 Authority and responsibility of the Board.
The Board shall have the authority and responsibility to make rules and regulations, not inconsistent with the...
provisions of Executive Order 10422, as amended, for the execution of its functions and for making available to the Secretary General of the United Nations and the executive heads of other public international organizations certain information concerning United States citizens employed or being considered for employment by the United Nations or other public international organizations of which the United States is a member.

§ 1501.8 Grounds for determinations of the Board.

(a) Standard. The standard to be used by the Board in making any advisory determination relating to the loyalty of a United States citizen who is an employee of, or is being considered for employment in, a public international organization of which the United States is a member, shall be whether or not on all the evidence there is a reasonable doubt as to the loyalty of the person involved to the Government of the United States.

(b) Activities and associations. Among the activities and associations of the employee or person being considered for employment which may be considered in connection with a determination of disloyalty may be one or more of the following:

(1) Sabotage, espionage, or attempts or preparations therefor, or knowingly associating with spies or saboteurs.

(2) Treason or sedition or advocacy thereof.

(3) Advocacy of revolution or force or violence to alter the constitutional form of government of the United States.

(4) Intentional, unauthorized disclosure to any person, under circumstances which may indicate disloyalty to the United States, of United States documents or United States information of a confidential or non-public character obtained by the person making the disclosure as a result of his previous employment by the Government of the United States or otherwise.

(5) Performing or attempting to perform his duties, or otherwise acting, while an employee of the United States Government, during a previous period, so as to serve the interests of another government in preference to the interests of the United States.

(6) Membership in, or affiliation or sympathetic association with, any foreign or domestic organization, association, movement, or group or combination of persons, designated by the Attorney General as totalitarian, fascist, communist, or subversive, or as having adopted a policy of advocating or approving the commission of acts of force or violence to deny other persons their rights under the Constitution of the United States, or as seeking to alter the form of government of the United States by unconstitutional means.

§ 1501.9 Cases reviewable by the Board.

All cases in which an investigation has been made under Executive Order 10422, as amended, shall be referred to and reviewed by the Board in accordance with the Executive Order and the rules and regulations of the Board.

§ 1501.10 Consideration of reports of investigation.

(a) In all cases the Board shall consider the reports of investigation in the light of the standard as set forth in §1501.8 and shall determine whether such reports warrant a finding favorable to the individual or appear to call for further processing of the case with a view to a possible unfavorable determination.

(b) If the Board reaches a favorable conclusion in a case involving a question of loyalty, it shall make a determination that on all the evidence there is not a reasonable doubt as to the individual's loyalty.

(c) If the Board determines that the reports do not warrant a finding favorable to the individual, or the Board determines that the evidence is of such a nature that a hearing may be required before a final decision is made, the Board shall send by registered mail, or in such other manner as the Board in a particular case may decide, a written interrogatory to the individual. Such interrogatory shall state the nature of the evidence against him, setting forth with particularity the facts and circumstances involved, in as much detail as security conditions permit, in order
§ 1501.11 to enable him to submit his answer, defense or explanation and to submit affidavits. It will also inform the applicant or employee, of his opportunity to reply to the interrogatory in writing, under oath or affirmation, within ten (10) calendar days of the date of receipt by him of the interrogatory or such longer time as the Board in specific cases may prescribe, and of his opportunity for a hearing on the issues before the Board or a panel of the Board, including his right to appear personally at such hearing, to be represented by counsel of a representative of his own choosing, to present evidence in his own behalf, and to cross-examine witnesses offered in support of the derogatory information.

§ 1501.12 Obtaining further information.

At any stage in its review and consideration of a case, if the Board deems it advisable or necessary to obtain information or clarification of any matter, the Board may request further investigation, or submit a written questionnaire to the individual whose case is before the Board, or request such individual to furnish information in an oral interview.

§ 1501.13 Conduct of hearings.

(a) Not less than three members of a panel of the Board shall be present at all hearings. The Board shall conduct its hearings in such manner as to protect from disclosure information affecting the national security. The chairman of the panel shall preside and be responsible for the maintenance of decorum and order in the hearing.

(b) Attendance at hearings shall be limited to the applicant or employee, his attorney or representative, the panel of the Board assigned to the case, Board members, Board staff employees participating in the case, the witness who is testifying, and such other persons as in the opinion of the panel are required for the proper presentation of the case. Representation for an applicant or employee shall be limited to one attorney or representative and one bona fide assistant, both representing the applicant or employee only.

(c) Hearings shall begin with the reading of the interrogatory. The applicant or employee shall thereupon be informed of his right to participate in the hearing, to be represented by counsel, to present witnesses and other evidence in his behalf, and to cross-examine witnesses offered in support of the derogatory information.

(d) Testimony shall be given under oath or affirmation.

(e) Strict legal rules of evidence shall not be applied at the hearings, but reasonable bounds shall be maintained as to competency, relevancy, and materiality and due allowance shall be made for the effect of any nondisclosure to the individual of information or the absence of any opportunity to cross-examine persons who supplied information but who do not appear and testify. Both the Government and the applicant or employee may introduce such evidence as the panel may deem proper in the particular case.

(f) A complete verbatim stenographic transcript shall be made of the hearing, and the transcript shall constitute a permanent part of the record.

(g) Applicants and employees must pay their own travel and subsistence expenses incident to attendance at hearings, except that the Board may authorize the payment of travel and subsistence expenses to applicants or employees when the hearing is held at a place other than the place outside the continental limits of the United States where the employee works, or
§ 1501.14 Decision of the Board.

After the employee or person being considered for employment has been given a hearing, the Board shall promptly make its decision. The determination of the Board shall be in writing and shall be signed by the members of the panel. It shall state the action taken, together with the reasons therefor, and shall be made a permanent part of the file in every case.

§ 1501.15 Transmission of Determination to the Secretary of State.

The Board shall transmit its determination in each case to the Secretary of State for transmission to the Secretary General of the United Nations, or the executive head of any other public international organization concerned. In each case in which the Board determines that, on all the evidence, there is a reasonable doubt as to the loyalty of the person involved to the Government of the United States, it shall also transmit a statement of the reasons for the Board's determination in as much detail as the Board deems that security considerations permit.

§ 1501.16 Notification of individual concerned.

A copy of the determination of the Board, but not of the statement of reasons, shall be furnished in each case to the person who is the subject thereof.

(b) Subsequent open season. An open season will begin on November 15 of each year and end on January 31 of the following year and another open season will begin on May 15 of each year and end on July 31 of the same year. If the last day of an open season falls on a Saturday, Sunday, or legal holiday, the open season shall be extended through the next business day.
(c) Number of elections. Except for an election to terminate, an employee may make only one election during an open season.
(d) Belated elections. When an employing agency determines that an employee was unable, for reasons beyond the employee’s control, to make an election within the time limits prescribed by these regulations, that agency may accept the employee’s election within 30 calendar days after it advises the employee of that determination. Such election shall become effective not later than the first pay period beginning after the date that the agency accepts the employee’s election form.

§ 1600.3 Eligibility of a Federal Employees’ Retirement System employee to make an election.
(a) Each employee who was an employee on January 1, 1987 and continues as an employee without a break in service from January 1, 1987 through April 1, 1987 may make an election during the open season which begins on February 15, 1987 and ends on April 30, 1987.
(b) Except as provided in paragraph (c) of this section, each employee who is not eligible by virtue of paragraph (a) of this section to make an election during the open season beginning on February 15, 1987 shall not be eligible to make an election until the second open season (determined in accordance with paragraph (d) of this section) beginning after such employee’s date of commencement of service as an employee.
(c) Any employee who is reemployed by the federal government and who, during a previous period of service, had become eligible to participate in the Thrift Saving Plan under the foregoing paragraphs (a) or (b) of this section shall be eligible during the first open season (determined in accordance with paragraph (d) of this section) beginning after the date of reemployment to make an election.
(d) For an employee employed or reemployed during any open season, but whose employment or reemployment during such open season is prior to the election period occurring during the last calendar month of such open season, the open season during which the employee was employed or reemployed shall be considered the first open season.

§ 1600.4 Types of elections.
(a) Contribution. During an open season, an eligible employee may elect any one of the following:
1. To make contributions;
2. To change the amount of existing contributions; or
3. To terminate contributions.
§ 1600.5

(b) Investment choices. Contributions made for pay periods beginning in 1987 will be invested only in the Government Securities Investment Fund established by 5 U.S.C. 8438(b)(1)(A). Subsequent contributions may be invested in accordance with regulations which will provide contributing employees the option of investing limited amounts in the Fixed Income Investment Fund and the Common Stock Index Investment Fund established by 5 U.S.C. 8438 (b)(1)(B), (b)(1)(C), and (b)(2).

§ 1600.5 Termination of contributions.

Notwithstanding §§ 1600.4 and 1600.6, an employee may elect to terminate contributions to the Thrift Savings Plan at any time. If an employee makes an election to terminate during an open season, the employee, if otherwise eligible, may make an election to resume contributions during the next open season. If the election to terminate contributions is not made during an open season, the employee may not make an election to resume contributions until the second open season beginning after such election to terminate.

§ 1600.6 Method of election.

Each employee shall make an election, as described in §1600.4 or §1600.5, by completing and submitting to the employing agency an original or facsimile of Form No. TSP 1, entitled “Election Form,” at any time during the open season. This form must be accepted by the employing agency, as evidenced by the signature of the responsible agency official on the election form, before an election can become effective.

§ 1600.7 Effective dates of elections.

For each employee whose election form is accepted by the employing agency during the portion of an open season which precedes a prescribed election period, the election, except for an election to terminate contributions, shall become effective as of the first day of the first pay period beginning on or after the first day of the election period. Elections accepted by the employing agency during the last calendar month of the open season (i.e., the election period) shall become effective no later than the first day of the first pay period beginning after the date on which the employing agency accepts the election form. An election to terminate contributions to the Thrift Savings Plan, whenever made shall become effective as of the last day of the pay period in which the employing agency accepts the election form.

Subpart C—Program of Contributions

§ 1600.8 General.

Once an employee's election to make contributions to the Thrift Savings Plan becomes effective, the employing agency shall, for the pay period the election becomes effective and for each subsequent pay period until a new election becomes effective, deduct from the employee's basic pay the percentage of basic pay or the whole dollar amount elected by the employee not to exceed the applicable maximum contribution set forth in §1600.10. If the employee's elected whole dollar amount exceeds the amount of pay available for such deduction, no deduction will be made for that pay period.

§ 1600.9 Contributions in whole numbers.

Except in the case of a 7.5 percent contribution made by a CSRS employee as described in §1600.10(b) of this part, contributions may be made only in whole percentage amounts or whole dollar amounts.

§ 1600.10 Maximum contributions.

(a) FERS employees. Except as provided in paragraph (c) of this section, for the period starting with the first pay period beginning on or after April 1, 1987 and ending with the last pay period beginning on or before September 30, 1987, the maximum FERS employee contribution is 15 percent of basic pay. Starting with the first pay period beginning on or after October 1, 1987, the maximum FERS employee contribution is 10 percent of basic pay.

(b) CSRS employees. For the period starting with the first pay period beginning on or after April 1, 1987 and ending with the last pay period beginning on or before September 30, 1987,
the maximum CSRS employee contribution is 7.5 percent of basic pay. Starting with the first pay period beginning on or after October 1, 1987, the maximum CSRS employee contribution is 5 percent of basic pay.

(c) CSRS employees who transfer to FERS. The maximum employee contribution for CSRS employees who have transferred to FERS and have elected to participate in the Thrift Savings Plan, as described in §1600.12, is 10 percent of basic pay.

(d) Section 402(g) of the Internal Revenue Code places a ceiling on the amount which an employee may save on a tax-deferred basis through plans such as the Thrift Savings Plan. Employee contributions to the Thrift Savings Plan may be restricted or refunded to conform with this limit.

§ 1600.11 Required reductions of contribution rates.

The employing agency shall reduce the contribution of any FERS employee or CSRS employee whose elected contribution exceeds the applicable maximum percentage set forth in §1600.10 (a) or (b). For any FERS employee or CSRS employee covered by this section who has elected to contribute a percentage of basic pay, the employing agency shall automatically reduce the contribution rate to the applicable maximum percentage. For any FERS employee or CSRS employee covered by this section who has elected to contribute a whole dollar amount, the employing agency shall reduce the whole dollar amount to the highest whole dollar amount which does not exceed the applicable maximum percentage.

Subpart D—Civil Service Retirement System Employees

§ 1600.12 Election period for Civil Service Retirement System employees who transfer to the Federal Employees' Retirement System.

(a) General. Section 8432(b)(3) of the Act authorizes the Executive Director to provide a reasonable period following the election by an eligible CSRS employee to transfer to FERS for that employee to make an election to contribute to the Thrift Savings Plan.

(b) Individual election period. Notwithstanding §1600.2(c), each CSRS employee who transfers to FERS may make an election to contribute to the Thrift Savings Plan at the same time the individual elects to become subject to FERS and for 30 calendar days after the effective date of such election. The election options set forth in §1600.4 shall be available to each such individual, and elections shall be made by the method described in §1600.6. An election to contribute to the Thrift Savings Plan shall become effective no later than the first day of the first pay period following the acceptance of the election form by the employing agency. Such individual shall be subject to all provisions of this part except as limited by §1600.10(c).

(c) Beginning upon the effective date of the employee's election to transfer to FERS, until the employee makes an election to contribute to the Thrift Savings Plan under paragraph (b) of this section, the rate of contribution as a CSRS employee will be considered to be the rate of contribution as a FERS employee. The preceding sentence shall not apply where the CSRS employee's contribution rate was 7.5%. In such case, until the employee elects otherwise, the employee's FERS contribution rate shall be 7%.

§ 1600.13 Contributions by Civil Service Retirement System employees.

(a) General. 5 U.S.C. 8351 permits CSRS employees to elect to contribute to the Thrift Savings Plan for investment in the Government Securities Investment Fund only. The initial open season for CSRS employees who were employees as of March 31, 1987 shall be February 15, 1987 through April 30, 1987. The next open season for such employees with no intervening break in employment shall be May 15, 1987 through July 31, 1987. An election made during an open season by a CSRS employee shall become effective as described in §1600.7.

(b) Election upon reemployment. A CSRS employee reemployed on or after April 1, 1987, who was not previously eligible to contribute to the Thrift Savings Plan, may make an election to
§ 1600.14 Officials covered by Social Security who elected full CSRS coverage.

Officials who elected full coverage by both the CSRS and Social Security systems have the option pursuant to 5 CFR 846.201 to transfer to FERS. Alternatively, such officials may elect CSRS offset coverage or may elect to continue full CSRS coverage. If such officials transfer to FERS, they may make an election to participate in the Thrift Savings Plan under the rules and conditions described in §1600.12. If such officials elect either full or offset CSRS coverage, they may not make any special election to participate in the Thrift Savings Plan as a result of such election and they will continue to be treated as CSRS employees under this part.

§ 1600.15 Officials covered by Social Security who elected to have no other retirement coverage.

Officials who have only Social Security coverage have the option pursuant to 5 CFR 846.201 to transfer to FERS. Alternatively, such officials may elect CSRS offset coverage or may elect to continue to have no retirement coverage other than Social Security. If such officials transfer to FERS, they may make an election to participate in the Thrift Savings Plan under the rules and conditions described in §1600.12. If such officials elect coverage under the CSRS offset system, they may make an election to participate in the Thrift Savings Plan as a CSRS employee at the same time as the election to become subject to the CSRS offset system, or within 30 calendar days after the effective date of such election. If such officials continue coverage under Social Security only, they may not participate in the Thrift Savings Plan.

§ 1600.16 Officials who elected interim CSRS and Social Security coverage.

Officials who elected interim CSRS and Social Security coverage have the option pursuant to 5 CFR 846.201 to transfer to FERS. Alternatively, such officials may elect CSRS offset coverage. If such officials transfer to FERS, they may make an election to participate in the Thrift Savings Plan under the rules and conditions described in §1600.12. If such officials continue coverage under Social Security only, they may not make any special election to participate in the Thrift Savings Plan as a result of such election and they will continue to be treated as CSRS employees under this part.
Federal Retirement Thrift Investment Board

Subpart F—Miscellaneous

§ 1600.17 CSRS employees who are appointed without a break in service to a position mandatorily covered by Social Security and who are consequently covered by either FERS or the CSRS offset system.

(a) CSRS employees who are appointed to a position mandatorily covered by Social Security, who are consequently required by law to become subject to FERS as a result of such appointment, and who do not have a break in employment of more than three calendar days between their old and new positions, will be eligible to make a new election to participate as a FERS employee in the Thrift Savings Plan under this part, under the rules and conditions described in § 1600.12.

(b) CSRS employees who are appointed to a position mandatorily covered by Social Security, who are required by law to become subject to the CSRS offset system as a result of such appointment, and who do not have a break in employment of more than three calendar days between the old and new positions will be eligible to participate as an employee under CSRS offset in this new position. They may not make any special election to participate in the Thrift Savings Plan as a result of such appointment. These officials shall continue to be treated as CSRS employees under this part.

§ 1600.18 Reemployed participants who had previously terminated TSP contributions.

An employee reemployed by an agency after terminating contributions to the Thrift Savings Plan pursuant to § 1600.5 shall be eligible to contribute to the Thrift Savings Plan under the provisions of § 1600.3(c) (in the case of FERS employees) and § 1600.13(c) (in the case of CSRS employees).

PART 1601—PARTICIPANTS’ CHOICES OF INVESTMENT FUNDS

Account balance means the amount of money in a participant’s Thrift Savings Plan account as of the effective date of an interfund transfer;

Acknowledgment of risk means an acknowledgment that any investment in the C Fund or the F Fund is made at the participant’s risk, that the participant is not protected by the United States Government or the Board against any loss on the investment, and that neither the United States Government nor the Board guarantees any return on the investment.

Agency Automatic (1%) Contributions means any contributions made under 5 U.S.C. 8432(c)(1) or 5 U.S.C. 8432(c)(3);

Agency Matching Contributions means any contributions made under 5 U.S.C. 8432(c)(2); Allocation election means an election by a participant of the percentages of new contributions to his or her account that are to be invested in the C Fund, F Fund and/or G Fund;

Board means the Federal Retirement Thrift Investment Board;

C Fund means the Common Stock Index Investment Fund established under 5 U.S.C. 8438(b)(1)(C);

Calendar year means the period from January 1 through and including December 31 of any year;

CSRS means the Civil Service Retirement System established by subchapter III of chapter 83 of title 5,
§ 1601.2 Investing new contributions in the TSP investment funds.

(a) Removal of investment restrictions. Pursuant to section 3 of the Thrift Savings Plan Technical Amendments Act of 1990 (TSP TAA), Public Law 101-335, beginning with the first full pay period starting on or after January 1, 1991, all FERS and CSRS participants may invest all or any portion of their new Employee Contributions in the C Fund, the F Fund, and/or the G Fund. FERS participants may also invest their new Agency Automatic (1%) Contributions and Agency Matching Contributions in the C Fund, the F Fund, and/or the G Fund.
(b) Allocation elections. Each participant may indicate his or her choice of investment funds by completing an Election Form (TSP-1). The Election Form must be accepted by the employing agency in accordance with this part and with regulations then governing employee elections to contribute to the Thrift Savings Plan (5 CFR part 1600) and will be processed as provided in those regulations. The following rules apply to allocation elections:

(1) The percentages elected by a participant for investment of new contributions in the C Fund, F Fund and/or G Fund must be applied to Employee Contributions, Agency Automatic (1%) Contributions, and Agency Matching Contributions. Different percentage elections may not be made for different sources of contributions;

(2) Contributions may be directed to be invested in the C Fund, F Fund and/or G Fund only as a percentage of contributions to the TSP each pay period, and the allocation percentages may only be in 5 percent increments. The sum of the percentages elected for the three investment funds must equal 100%;

(3) Except in the case of a CSRS participant who has submitted an Election Form which contains an election to terminate contributions, an allocation election must be made on every Election Form in order for that Election Form to be accepted by the employing agency;

(4) In order to be accepted by the employing agency, an Election Form submitted by a FERS participant must:
   (i) Contain an election to contribute a whole dollar amount or a percentage of basic pay each pay period; or
   (ii) Contain an election to terminate Employee Contributions; or
   (iii) Indicate that the participant has not been making Employee Contributions and that the participant is not choosing to start making Employee Contributions on that Election Form;

(5) In order to be accepted by the employing agency, an Election Form submitted by a CSRS employee must:
   (i) Contain an election to contribute a whole dollar amount or a percentage of basic pay each pay period; or
   (ii) Contain an election to terminate Employee Contributions;

(6) Any participant who elects to invest any contributions in the C Fund and/or F Fund must sign the acknowledgement on the Election Form that the investment is made at the participant’s risk, that the participant is not protected by the United States Government or the Board against any loss on the investment, and that neither the United States Government nor the Board guarantees any return on the investment. If the acknowledgement of risk section of the Election Form is not signed when required, the Election Form will not be accepted;

(7) If an Election Form completed by a participant does not comply with all of the provisions of paragraphs (b)(1) through (b)(6) of this section, the Election Form will have no effect and must be returned to the participant by the employing agency. Except as provided in paragraph (c) of this section, no changes in the investment of new contributions will be made effective unless a properly completed Election Form is accepted in accordance with this Part and the regulations governing employee elections to contribute to the Thrift Savings Plan (5 CFR part 1600).

(8) An election to terminate Employee Contributions must, in accordance with 5 CFR 1600.7, be made effective so that the Employee Contributions will be terminated with respect to basic pay earned in the pay period following the pay period in which the employing agency accepts the Election Form. In the case of termination by a FERS participant, the allocation election on the Election Form must be made effective with respect to Agency Automatic (1%) Contributions for the pay period following the pay period in which the employing agency accepted the Election Form.

(9) All Agency Automatic (1%) Contributions made on behalf of FERS participants who do not have an allocation election in effect must be reported by the employing agency for investment in the G Fund;

(10) Except as provided in paragraph (c) of this section, once an Election Form becomes effective, it remains effective until superseded by a subsequent Election Form or until the employee separates from service.
§ 1601.3

(c) Transition rule. Beginning with the first full pay period starting on or after January 1, 1991, all new contributions to any participant’s account which are made pursuant to an Election Form that was made effective prior to the first full pay period starting on or after January 1, 1991, must be reported by the employing agency for investment in the G Fund unless the participant has made a different allocation election during the open season commencing November 15, 1990 and ending on January 31, 1991, which is effective as of the first full pay period starting on or after January 1, 1991. Where contributions to a participant’s account are invested in the G Fund pursuant to this paragraph, new contributions to the participant’s account must continue to be reported by the employing agency for investment in the G Fund unless and until a new allocation election is made effective. For open seasons subsequent to the open season commencing November 15, 1990 and ending on January 31, 1991, a participant who does not wish to change his or her current allocation election does not need to submit a new Election Form.

(d) Contributions for pre-1987 service. Any other provision of this section notwithstanding, any Agency Automatic (1%) Contributions made pursuant to 5 U.S.C. 8432(c)(3) must be reported by the employing agency for investment in the G Fund, regardless of any allocation election that may be in effect at the time the contribution is made.

§ 1601.4 Eligibility to redistribute money among the three investment funds.

(a) Subpart C of this part applies only to redistributing participants’ existing account balances among the C Fund, F Fund, and G Fund. Subpart C of this part does not apply to participants’ choice of the investment funds in which new contributions are to be invested; those choices are covered in subpart B of this part.

(b) Removal of investment restrictions. Pursuant to section 3 of the Thrift Savings Plan Technical Amendments Act of 1990 (TSPTAA), Public Law 101-335, starting December 31, 1990 FERS and CSRS participants may, in accordance with this part, invest all or any portion of their account balances in the C Fund, F Fund, or G Fund. Interfund transfer elections will be applied to participants’ Employee Contributions, Agency Automatic (1%) Contributions, Agency Matching Contributions, and earnings attributable to all three sources of contributions.

§ 1601.5 Methods of requesting an interfund transfer.

(a) To make an interfund transfer, participants may either submit to the TSP recordkeeper a properly completed Interfund Transfer Request (Form TSP-30), or may enter the interfund transfer request over the telephone by using the ThriftLine. Forms TSP-30 generated prior to October 1990, which were preprinted with a participant’s name and address, described restrictions on the amounts which could be invested in the C Fund and the F Fund, and specified an effective date for the interfund transfer, are obsolete forms. They will be rejected by the TSP recordkeeper if submitted to make an interfund transfer request. Similarly, Form TSP-30-S, which was designed for use only by certain FERS participants to make interfund transfers effective as of the end of December 1990, are obsolete forms which will be rejected by the TSP recordkeeper if submitted to make an interfund transfer request.

(b) To make an interfund transfer request, a participant must designate the percentages of his or her account balance that are to be invested in the C Fund, the F Fund, and/or the G Fund. The percentages selected by the participant must be in multiples of 5 percent and must total 100 percent. An interfund transfer request has no effect
on contributions made by a participant after the effective date of the interfund transfer (as determined in accordance with §1601.6); such subsequent contributions will continue to be allocated among the investment funds in accordance with the participant’s election under subpart B of this part.

(c) The percentages elected by the participant will be applied to the participant’s account balance attributable to each source of contributions as of the effective date of the interfund transfer, as determined in accordance with §1601.6.

(d) Participants who have at any time in the past invested any portion of their TSP accounts in the C Fund or the F Fund are eligible to make interfund transfer requests using the ThriftLine since they must, at some previous time, have submitted an Acknowledgment of Risk; such participants need not, if using Form TSP-30 to make a written interfund transfer request, complete the section of the form that contains the acknowledgment of risk. Participants who have not at any time in the past invested any portion of their TSP accounts in the C Fund or the F Fund are not eligible to make interfund transfers using the ThriftLine until a properly completed Acknowledgment of Risk for ThriftLine Interfund Transfer (Form TSP-32) has been received by the TSP recordkeeper. Participants who have not at any time in the past invested any portion of their TSP accounts in the C Fund or the F Fund must complete the Acknowledgment of Risk section of Form TSP-30 if they make a written interfund transfer request, unless a properly completed Form TSP-32 has been received by the TSP recordkeeper.

(e) An Interfund Transfer Request (Form TSP-30) that has been submitted to the TSP recordkeeper will not be processed and will have no effect, if:

(1) It is not signed and dated, or otherwise is not properly completed in accordance with the instructions on the form; or

(2) In the case of a participant who has not previously invested any portion of his or her TSP account in the C Fund or the F Fund and for whom a properly completed Form TSP-32 has not been received by the TSP recordkeeper, the acknowledgment of risk section of the Form TSP-30 is not signed; or

(3) The participant is not otherwise eligible to make an interfund transfer (e.g., because he or she is scheduled for a withdrawal of the entire account balance).

(f) If a Form TSP-30 is rejected, the form will have no effect. The participant will be provided with a brief written statement of the reason the form was rejected.

§ 1601.6 Timing and effective dates of interfund transfers.

(a) Annual limit. A participant may have no more than twelve interfund transfers made effective during any calendar year, one in each calendar month.

(b) Effective dates. Interfund transfer requests received by the TSP recordkeeper (whether by Form TSP-30 or on the ThriftLine) on or before the 15th day of a month (or, if the 15th day is not a business day, by the next business day) shall be effective as of the end of the month during which the interfund transfer request was received. Interfund transfer requests received by the TSP recordkeeper after the 15th day of a month (or, if applicable, by the next business day) will be effective as of the end of the month following the month during which the interfund transfer request was received. Account balances that are reallocated among the investment funds effective as of the end of any month will reflect the effects of all other account activity posted to the account effective during or as of the end of that month.

(c) Multiple interfund transfer requests.

(1) If two or more properly completed interfund transfer requests with different dates (as determined by paragraph (c)(3) of this section) are received for the same participant after the 15th day of one month (or, if applicable, after the next business day), but on or before the 15th day of the next month (or, if applicable, the next business day), the interfund transfer request with the latest date (as determined by paragraph (c)(3) of this section) will be made effective and the earlier
interfund transfer request(s) will be superseded.

(2) If two or more properly completed interfund transfer requests with the same dates are received for the same participant after the 15th day of one month (or, if applicable, after the next business day), but on or before the 15th day of the next month (or, if applicable, the next business day), the following rules shall apply:

(i) If one or more of the interfund transfer requests was submitted using the ThriftLine and one or more was made on Form TSP-30, the request(s) made on the ThriftLine will supersede the request(s) made on Form TSP-30; and

(ii) If more than one of the interfund transfer requests were made on the ThriftLine, the request entered at the latest time of day will supersede the earlier request(s); and

(iii) If more than one of the interfund transfer requests were submitted using Form TSP-30, all such forms will be rejected, unless they all contain identical percentage allocations among the TSP investment funds, in which case one will be accepted.

(3) For purposes of determining the date of an interfund transfer request:

(i) The date of an interfund transfer request made on the ThriftLine is the date of its telephone entry;

(ii) The date of an interfund transfer request made on Form TSP-30 is the signature date set forth on the form by the participant; and

(iii) Central time will be used for determining the date on which a transaction is entered on the ThriftLine.

(d) Cancellation of interfund transfer requests. Interfund transfer requests may be canceled either in writing or by entering the cancellation of the ThriftLine.

(1) Cancellation by letter. A participant may cancel an interfund transfer request by submitting a letter to the TSP recordkeeper requesting cancellation. To be accepted, the cancellation letter must be signed and dated and must contain the participant’s name, Social Security number, and date of birth. To be effective, the cancellation letter must be received on or before the 15th day of the month as of the end of which the interfund transfer is to be effective (or, if applicable, by the next business day). Unless the letter states unambiguously the specific interfund transfer request it seeks to cancel, the written cancellation will apply to any interfund transfer request with a date (as determined under paragraph (c)(3) of this section) before the date of the cancellation letter. If the date of a cancellation letter is the same as the date of an interfund transfer request and the request was made on Form TSP-30, the Form TSP-30 will be canceled; if the request was made on the ThriftLine it will only be canceled if the written cancellation specifies the date of the ThriftLine request to be canceled.

(2) Cancellation on the ThriftLine. (i) An interfund transfer request may also be canceled by entering the cancellation on the ThriftLine on or before the 15th day of the month (or, if applicable, the next business day) as of the end of which the interfund transfer is to be effective. A cancellation entered on the ThriftLine will apply to a pending interfund transfer request entered on the ThriftLine before the entry of the cancellation. A cancellation entered on the ThriftLine can only apply to interfund transfer requests submitted on Forms TSP-30 that were:

(A) Dated on or before the date of the cancellation; and

(B) Received and entered into the TSP recordkeeping system before the cancellation is attempted on the ThriftLine.

(ii) The Board cannot guarantee that the TSP recordkeeper will enter Forms TSP-30 into the TSP recordkeeping system before the 15th day of the month, regardless of the date the Form TSP-30 may have been received. Thus, participants cannot rely on the ThriftLine to cancel an interfund transfer request that was submitted on Form TSP-30, and participants are discouraged from attempting to do so. The Board is not responsible for any consequences of a participant’s inability to cancel on the ThriftLine an interfund transfer request submitted on Form TSP-30.

Subpart B—Employing Agency Errors

§ 1605.2 Makeup of missed or insufficient contributions.

(a) Applicability. This section applies whenever, as the result of an employing agency error, a participant does not receive all of the contributions to his or her account to which the participant is entitled. This includes, but is not limited to, situations in which an employing agency error prevents a participant from making an election to contribute to the TSP, the employing agency erroneously fails to implement a contribution election properly submitted by a participant, the employing agency fails to make agency automatic (1%) contributions or agency matching contributions that it is required to make, or the employing agency erroneously contributes less to the TSP than it would have contributed had the error not occurred. The corrections required by this section must be made in accordance with this part and procedures provided to employing agencies, from time to time, by the Board or the TSP recordkeeper in bulletins or other guidance. It is the responsibility of the employing agency to determine whether it has made an error that entitles a participant to correction under this section.

(b) Missed employer contributions. If an employing agency has failed to make agency automatic (1%) contributions that are required to be made under 5 U.S.C. 8432(c)(1)(A), agency matching contributions that are required to be made under 5 U.S.C. 8432(c)(2) based on employee contributions that have been made, or contributions required to be made under 5 U.S.C. 8432(c)(3), then:

(1) The employing agency must promptly submit, in a lump sum, all such missed contributions to the TSP recordkeeper on behalf of the affected participant. Makeup contributions must be allocated by the employing agency among the TSP investment fund(s) using the participant's current investment fund election at the time the makeup contributions are made. If no such election is on file, the contributions will be reported by the employing agency for investment in the G Fund.

(2) If applicable, the employing agency must also submit any lost earnings records required under 5 CFR Part 1606.

(c) Missed employee contributions. Within 30 days of receiving information from his or her employing agency that indicates that the employing agency acknowledges that an error has occurred that has caused less employee contributions to be made to the participant's account than would have been made had the error not occurred, a participant may elect to establish a schedule of makeup contributions to replace the missed contributions through future payroll deductions, in addition to any regular TSP contributions that the participant is entitled to make. The following rules apply to makeup contributions:

(1) The schedule of makeup contributions elected by the participant must establish the amount of contributions to be made each pay period over the duration of the schedule. The contribution amount per pay period may vary during the course of the schedule, but the amounts to be contributed should be established when the schedule is created. The schedule may not exceed four times the number of pay periods over which the errors occurred.

(2) The employing agency may, but need not, set a ceiling on the length of the schedule of makeup contributions which is less than four times the number of pay periods over which the errors being corrected occurred. The ceiling may not, however, be less than twice the number of pay periods over which the errors being corrected occurred.

(3) The employing agency must implement the schedule of makeup contributions as soon as practicable after the participant has made an election to implement a makeup schedule.

(4) Makeup contributions will not be considered in applying the maximum amount per pay period that a participant is permitted to contribute to the TSP (e.g., 5% of basic pay for CSRS participants, 10% of basic pay for
FERS participants, but will be included for purposes of applying the annual limits contained in 26 U.S.C. 402(g)(1) and 415.

(5) A participant’s regular TSP contributions will always take precedence over makeup contributions. Thus, when establishing a schedule of makeup contributions, the employing agency must review any schedule proposed by the affected participant as well as the participant’s current TSP contribution election, to determine whether the makeup contributions, when combined with regular TSP contributions, are expected to exceed the annual limits contained in 26 U.S.C. 402(g)(1) and 415. If so, the participant may elect to have the schedule of makeup contributions established in such a manner that the payments will, at an appropriate time, be suspended until the makeup contributions can be made within the annual limits. In any event, a schedule of makeup contributions may be suspended at any time in order to avoid a situation in which the participant is unable to make regular TSP contributions because of the annual limits. Similarly, a schedule of makeup contributions may be suspended if a participant has insufficient net pay to permit the makeup contributions. If a schedule of makeup contributions is suspended because of the annual limits or because of insufficient net pay, the period of suspension will not be counted against the maximum number of pay periods the participant has to complete the schedule of makeup contributions.

(6) A participant may elect to terminate a schedule of makeup contributions at any time, but may not elect to make partial payments under the schedule. Any such termination is irrevocable. If a participant separates from employment that makes the participant eligible to contribute to the TSP, the participant may elect to accelerate the payment schedule by a lump sum contribution from his or her final paycheck. No contributions may be made other than by payroll deduction from pay that constitutes basic pay.

(7) To the extent a participant makes up missed employee contributions, the employing agency must contribute any agency matching contributions that would have been made had the employing agency error that caused the missed employee contributions not been made. The agency matching contributions must be made in installments over the course of the schedule of makeup contributions. The participant may not receive matching contributions associated with any employee contributions that are not made up. If the makeup contributions are suspended in accordance with paragraph (c)(5) of this section, the payment of agency matching contributions must also be suspended.

(8) Makeup contributions must be reported by the employing agency for investment among the TSP investment fund(s) using the participant’s current investment fund election at the time the makeup contributions are made. If no such election is on file, the contributions must be reported by the employing agency for investment in the G Fund.

(9) Where a participant has transferred to a different employing agency from the one at which the participant was employed at the time of the missed contributions, it remains the responsibility of the former employing agency to determine whether an employing agency error is responsible for the missed contributions. If it is determined that such an error has occurred, the current agency must take any necessary steps to correct the error. The current agency may seek reimbursement from the former agency of any amount that would have been paid by the former agency had the error not occurred.

(10) Makeup employee contributions may be made only by payroll deduction from pay that constitutes basic pay. Contributions by check, money order, cash, or other form of payment, directly from the participant to the TSP, or from the participant to the employing agency for deposit to the TSP, are not permitted.

(11) If applicable, the employing agency must submit any lost earnings records required under 5 CFR Part 1606.
§ 1605.3 Removal of erroneous contributions.

(a) Applicability. This section applies whenever, as a result of an employing agency error, a TSP account contains money that should not have been contributed to the account and which, therefore, must be removed from the account. This includes, but is not limited to, situations in which, because of an employing agency error, employee contributions in excess of those elected by a participant are contributed to the participant’s account, employee contributions (and any associated agency matching contributions) are made on behalf of a participant who did not elect to have any contributions made, excess employer contributions are made to a participant’s account, or employee contributions are made in excess of the amount permissible because of an improper retirement classification that is subsequently corrected (e.g., a CSRS employee is permitted to make contributions in excess of 5% of basic pay during a temporary misclassification as FERS).

(b) Negative adjustment records. (1) In order to remove money from a participant’s account, the employing agency must submit, for each pay date involved, a negative adjustment record indicating the amount of the contribution being removed, the pay date for which it was made, the source(s) of the contributions involved (i.e., employee contributions, agency automatic (1%) contributions or agency matching contributions), and the investment fund or funds to which the erroneous contribution was made. A negative adjustment record may be for all or a part of the contributions made for the applicable pay date, investment fund and source of contributions, but for each investment fund and source of contributions the negative adjustment may not exceed the amount of contributions made for that pay date.

(2) Negative adjustment records must be submitted in accordance with this part and with procedures provided to employing agencies from time to time by the Board or the TSP recordkeeper in bulletins or other guidance.

(c) Processing negative adjustment records. Negative adjustment records will be processed in accordance with the following rules:

(1) Negative adjustment records received and accepted by the TSP recordkeeper by the second-to-last business day of a month will be processed effective as of the end of that month. Negative adjustment records accepted by the TSP recordkeeper on the last business day of a month will be processed effective as of the end of the following month.

(2) When negative adjustment records are processed, the TSP recordkeeper will determine separately, for each pay date and source of contributions involved, the amount of any investment gains or losses on the money the agency seeks to remove from the account and the investment fund or funds in which that money is currently invested. In making these determinations, investment gains and losses from the different TSP investment funds will be netted against each other. Investment gains and losses for different sources of contributions will be treated separately; gains and losses for different sources of contributions will not be netted against each other. The TSP recordkeeper will take into consideration any interfund transfers made effective on or after the date on which the erroneous contribution was processed.

(3)(i) Multiple negative adjustment records in the same processing cycle will be processed in the order of the applicable pay dates, starting with the earliest pay date.

(ii) If the participant’s account does not have sufficient funds in the applicable source of contributions to pay the amount of a negative adjustment, the adjustment to that source of contributions will not be processed. Funds may not be taken from another source of contributions to cover the negative adjustment. The employing agency may, at a later date, resubmit the record that was not processed. It will be processed if, at that time, there are sufficient funds for the applicable source of contributions.
(iii) If there are sufficient funds in the applicable source of contributions to pay the amount required by a negative adjustment record, but any of the investment funds does not have sufficient money to pay the portion that is attributable to that investment fund (e.g., because of a loan), then the amount required will be removed from the other investment fund(s), pro rata, based on the participant's total account balance in each investment fund for that source of contributions.

(d) Employee contributions. The following rules apply to removal of employee contributions from a participant's account:

(1) If there is a net investment gain on the erroneous employee contribution made for a pay date, then the full amount of the erroneous contribution will be returned to the employing agency. Subject to §1605.9(a), the investment earnings on the erroneous contribution will remain in the participant's account.

(2) If there is a net investment loss on the erroneous employee contribution made for a pay date, then the employing agency will receive only the amount of the erroneous contribution reduced by the investment loss. However, the investment loss does not affect the employing agency's obligation to refund to the participant the full amount of the erroneous contribution.

(3) If an employing agency removes erroneous employee contributions from a participant's account, it must also remove, under paragraph (e) of this section, any associated agency matching contributions.

(e) Employer contributions. The following rules apply to removal of employer contributions from a participant's account:

(1) Employer contributions will only be returned to the employing agency if the negative adjustment record submitted to remove the contributions is processed within one year of the date the contribution was processed. If more than one year has elapsed when the negative adjustment record is processed, the amount of the employer contribution plus (or minus) any investment gains (or losses) will be removed from the participant's account and used to offset TSP administrative expenses rather than returned to the employing agency. The employing agency's obligation to submit negative adjustment records to remove erroneous contributions from a participant's account is not affected by whether the contribution has been in the account for more or less than one year at the time the negative adjustment record is to be processed.

(2) Subject to paragraph (e)(1) of this section, if there is a net investment gain within a source of contributions for an erroneous employer contribution, then the employing agency will receive the full amount of the negative adjustment submitted. The earnings attributable to the erroneous contributions in the applicable source of contributions will be removed from the participant's account and used to offset TSP administrative expenses.

(3) Subject to paragraph (e)(1) of this section, if there is a net investment loss within a source of contributions for an erroneous employer contribution, then the employing agency will receive only the amount of the erroneous contribution reduced by the investment loss.

§1605.4 Back pay awards and other retroactive pay adjustments.

(a) Participant not employed. The following rules apply to participants who receive a back pay award or other retroactive pay adjustment for a period during which the participant was separated from Government employment:

(1) If the participant is reinstated to Government employment, then immediately upon reinstatement the employing agency must give the participant the opportunity to submit a contribution election form (Form TSP-1) to make current contributions. The effective date of the form will be the first day of the first full pay period in the most recent TSP election period. If the participant is reinstated during a TSP open season but before the election period, he or she can also submit an election form that will become effective the first day of the first full pay period in the following election period.

(2) The participant must be given the following options for electing makeup contributions:
§ 1605.4

(i) If the participant had a valid contribution election form (Form TSP-1) on file when he or she separated, upon the participant’s reinstatement to Government employment that election form will be reinstated for purposes of makeup contributions, unless a new contribution election form is submitted to terminate all makeup contributions or those contributions that would have been made from the date of separation through the end of the open season that occurred immediately before the separation.

(ii) Instead of making contributions for the period of separation under the reinstated contribution election form, the participant may submit a new election form for any open season that occurred during the period of separation. However, the investment allocation on each Form TSP-1 for the period of separation must be the same as the investment allocation on the current Form TSP-1.

(3) Lost earnings will be calculated and credited to the participant’s account, in accordance with 5 CFR Part 1606, using the rates of return for the G Fund, unless the participant submitted one or more interfund transfer requests during the period of separation. In the case of interfund transfer requests, the earnings will be calculated using the G Fund rates of return until the first interfund transfer was processed. The contribution that is subject to lost earnings will be moved to the investment fund(s) the participant requested and lost earnings will be calculated based on the earnings for that fund(s).

(2) The employing agency must compute the amount of additional employee contributions that would have been contributed to the participant’s account had the action leading to the back pay award or other retroactive pay adjustment not occurred. The employing agency must also compute the amount of agency matching contributions and agency automatic (1%) contributions that would have been payable had that action not occurred.

(c)(1) Makeup employee contributions required under paragraphs (a) and (b) of this section must be computed prior to payment of the award of back pay or other retroactive pay adjustment. The makeup employee contributions must be deducted from the payment of the back pay award or other retroactive pay adjustment and contributed to the TSP, unless the payment of such contributions will cause the participant to exceed the annual contribution limits contained in 26 U.S.C. 402(g)(1) or 26 U.S.C. 415 (taking into consideration the expected regular TSP contributions the participant will make during the year in which the back pay award or other retroactive pay adjustment is paid). To the extent TSP contributions from the back pay award or other retroactive pay adjustment would cause the participant to exceed the elective deferral limits contained in 26 U.S.C. 402(g) or 415, such contributions may be carried forward into subsequent years and made (along with attributable agency matching contributions) pursuant to a schedule of makeup contributions established under the rules set forth in §1605.3(c).

(ii) If employee contributions are deducted from a back pay award or other retroactive pay adjustment, the employing agency will be responsible for contributing the associated agency matching contributions at the same
time the employee contributions are made. Regardless of whether a participant elects make-up employee contributions, the employing agency must make, in a lump sum payment, all appropriate agency automatic (1%) contributions associated with the back pay award or other retroactive pay adjustment.

(ii) Any make-up contributions (both employer and employee) associated with a back pay award or other retroactive pay adjustment must be reported by the employing agency for investment among the TSP investment fund(s) using the participant’s investment fund election in effect at the time the make-up contributions are made. If no such election is on file, the contributions must be reported by the employing agency for investment in the G Fund.

(d) The employing agency must pay any lost earnings on TSP contributions derived from back pay awards or other retroactive pay adjustments that are required to be paid under 5 CFR Part 1606.

(e) If a participant has withdrawn his or her TSP account other than by purchasing an annuity, and the separation from Government employment upon which the withdrawal was based is reversed, resulting in reinstatement of the participant without a break in service, then the participant will have the option, which must be exercised by notice to the Board within 90 days of reinstatement, to restore to his or her TSP account the amount withdrawn. The right to restore the withdrawn funds will expire if the notice is not provided to the Board within 90 days of reinstatement. No earnings will be paid on any restored funds.

§ 1605.5 Misclassification of retirement coverage.

(a) If a CSRS participant is misclassified by an employing agency as a FERS participant, when the misclassification is corrected—

(1) The employing agency must, under §1605.3, remove all employee contributions that exceeded 5% of basic pay for the pay period(s) involved, and refund to the participant the amount contributed. In addition, the employing agency must submit negative adjustment records to remove all employer contributions made to the participant’s account during the period of misclassification that have been in the account for less than one year. The participant may choose whether or not he or she wishes to have the remainder of the employee contributions made during the period of misclassification removed from his or her account and refunded to the participant; and

(2) If the participant’s account at any time contains no employer contributions that have been in the account for less than one year, the TSP record-keeper will remove from the account any employer contributions that have been in the account for one year or more (and associated earnings), and will use such amounts to offset TSP administrative expenses.

(b) If a FERS participant is misclassified as a CSRS participant, when the misclassification is corrected he or she may not elect to have the contributions made while classified as CSRS removed from his or her account. The employing agency must make in a lump sum payment, pursuant to §1605.2(b)(1), the appropriate agency automatic (1%) contributions and agency matching contributions on the employee contributions that were made while the participant was misclassified as CSRS. The participant may also elect to make, under §1605.2(c), additional contributions that he or she would have been eligible to make as a FERS participant during the period of misclassification. If such contributions are made, the employing agency must also submit any associated agency matching contributions and any lost earnings records required under 5 CFR Part 1606.

§ 1605.6 Procedures for claims against employing agencies; time limitations.

(a) Agency procedures. Each employing agency must establish procedures for participants to submit claims for correction under this subpart. Each employing agency’s procedures must include the following:

(1) The employing agency will provide the participant with a decision on any claim within 30 days of receipt of the claim unless the employing agency
§ 1605.7

(provides the participant with good cause for requiring a longer period to decide the claim. Any decision to deny a claim in whole or in part must be in writing and must include the reasons for the denial (including citations to any applicable statutes, regulations or procedures), a description of any additional material that would enable the participant to perfect his or her claim, and a statement of the steps to be taken to appeal the denial.

(2) The employing agency must permit a participant at least 30 days to appeal the employing agency’s denial of all or any part of his or her claim for correction under this subpart. The appeal must be in writing and addressed to the agency official designated in the initial denial decision or in procedures promulgated by the agency. The participant may include with his or her appeal any documentation or comments that the participant deems relevant to the claim.

(3) The employing agency must issue a written decision on a timely filed appeal within 30 days of receipt of the appeal unless the employing agency provides the participant with good cause for taking a longer period to decide the appeal. The employing agency decision must include the reasons for the decision, as well as citations to any applicable statutes, regulations, or procedures.

(4) If the agency decision on the appeal is not issued in a timely manner, or if the appeal is denied in whole or in part, the participant will be deemed to have exhausted his or her administrative remedy and will be eligible to file suit against the employing agency under 5 U.S.C. 8477. There is no administrative appeal to the Board of a final agency decision.

(b) Time limit for filing claims. (1)(i) Upon discovery of administrative errors, employing agencies are required to promptly correct those errors under this subpart, regardless of whether a claim for correction is received from the affected participant. If an error has not been corrected by the employing agency, the affected participant may file a claim for correction with his or her employing agency. The claim must be filed within one year of the earlier of:

(A) Receipt of a pay stub, earnings and leave statement, or other document reflecting the error; or

(B) The close of the first TSP election period following the participant’s receipt of a TSP Participant Statement reflecting the error.

(ii) For purposes of paragraphs (b)(1)(i)(A) and (b)(1)(i)(B) of this section, in the case of a participant who has been improperly classified as to retirement coverage, the receipt of a document indicating the participant’s retirement code classification is not, in and of itself, sufficient to notify the participant that his or her retirement classification is incorrect. However, receipt of a document indicating a change in retirement code classification, in addition to a written notice to the participant that the change may have implications for his or her retirement classification had been incorrect prior to the change. The one-year time limit will not commence with respect to retirement coverage misclassification errors unless and until the participant receives a written notice of the error that specifically mentions the TSP.

(2) If a participant fails to file a claim for correction of an administrative error in a timely manner (or fails to appeal a denial of a claim in a timely manner) under paragraph (b)(1) of this section, the agency may still correct any administrative error that is brought to or comes to its attention.

Subpart C—Board or TSP Recordkeeper Errors

§ 1605.7 Plan-paid lost earnings and other corrections.

(a) Plan-paid lost earnings. (1) Subject to paragraph (a)(2) of this section, if, because of an error committed by the Board or the TSP recordkeeper, a participant’s account does not receive credit for earnings (which may be positive or negative) that it would have received had the error not occurred, the account will be credited with the difference between the earnings (if any) it actually received and the earnings it would have received had the error not
§ 1605.8

Claims for correction of Board or TSP Recordkeeper errors; time limitations.

(a) Filing claims. Claims for correction under this subpart may be submitted initially either to the TSP recordkeeper or the Board. The claim must be in writing and may be from the affected participant or beneficiary or from a representative of the participant or beneficiary. The written claim must state the basis for the claim.

(b) Processing claims. (1) If the initial claim is submitted to the TSP recordkeeper, the TSP recordkeeper may either respond directly to the participant or the person making the claim on behalf of the participant, or may forward the letter to the Board for response. The decision whether the TSP recordkeeper should respond directly or forward the claim to the Board will be made in accordance with guidance and procedures established by the Board or, if no such specific guidance is available, in consultation with the Board’s staff. If the TSP recordkeeper responds to a participant’s claim, and all or any

occurred. The errors that warrant crediting of lost earnings under this paragraph (a) include, but are not limited to:

(i) Board or TSP recordkeeper delay in crediting contributions or other monies to a participant’s account;

(ii) Improper issuance of a loan or withdrawal payment to a participant or beneficiary which requires the money to be restored to the participant’s account; and

(iii) Investment of all or part of a participant’s account in the wrong TSP investment fund(s) (e.g., improper processing or failure to process an interfund transfer request).

(2) A participant’s TSP account will not be credited with earnings under paragraph (a)(1) of this section if, during the period the participant’s account received credit for less earnings than it would have received but for the Board or recordkeeper error, the participant had the use of the money on which the earnings would have accrued.

(3) In the case of an error described in paragraph (a)(1)(iii) of this section, the affected participant will, upon discovery of the error, be given a choice whether or not to have the error corrected. If the participant chooses correction, the account will be placed in the position it would have attained had the error not occurred, including crediting of earnings (positive or negative as the case may be) that would have accrued had the error not occurred and reallocation of the account balance among the investment funds in the proportion that would have existed had the error not occurred.

(4) Where the participant continued to have a TSP account, or would have continued to have a TSP account but for the Board or TSP recordkeeper error, earnings under paragraph (a)(1) of this section will be computed for the relevant period based upon the investment funds in which the affected monies would have been invested had the error not occurred. If the period for which lost earnings are paid is a period for which the participant did not, and should not, have had an account in the TSP, then the earnings will be computed using the G Fund rate of return for the relevant period.
part of the participant's claim is denied, the participant may request review by the Board within 90 days of the date of the recordkeeper's response.

(2) If the Board denies all or any part of a participant's claim (whether upon review of a TSP recordkeeper denial or upon an initial review by the Board), the participant will be deemed to have exhausted his or her administrative remedy and may file suit under 5 U.S.C. 8477. If the participant does not submit to the Board a request for review of a claim denial by the TSP Recordkeeper within the 90 days permitted under paragraph (b)(1) of this section, the participant shall not be deemed to have exhausted his or her administrative remedy.

(c) Time limits for filing claims.

(1)(i) Upon discovery of errors subject to correction under this subpart, the Board or TSP recordkeeper will promptly correct such errors in accordance with this subpart, regardless of whether a claim for correction is received from the affected participant. If an error has not been corrected by the Board or TSP recordkeeper, the affected participant must file a claim for correction within one year of the earlier of:

(A) His or her receipt of a pay stub, earnings and leave statement, or other document reflecting the error; or

(B) The close of the first TSP election period following the participant's receipt of a TSP Participant Statement reflecting the error.

(ii) For purposes of paragraphs (c)(1)(i)(A) and (c)(1)(i)(B) of this section, in the case of a participant whose retirement coverage has been improperly classified, the receipt of a document indicating the participant's retirement code classification is not, in and of itself, sufficient to notify the participant that his or her retirement code classification is incorrect.

(2) If a participant fails in a timely manner to file a claim for correction (or fails in a timely manner to request reconsideration of a claim) under paragraph (c)(1) of this section, the Board or TSP recordkeeper may still correct any administrative error that is brought to or comes to its attention.

§ 1605.9 Miscellaneous provisions.

(a)(1) If all employee contributions are removed from a participant's account under the rules set forth in this part, but earnings on any of those employee contributions or other residual amounts are left in the account, unless the participant was ineligible to have an account in the TSP at the time the earnings were credited to the account and remains ineligible. In that case, the earnings will be removed from the account and paid to the ineligible participant. If earnings remain in the account under this paragraph (a), they will be subject to withdrawal from the participant's account upon separation from Federal employment under the same withdrawal rules as apply to any other money in a participant's account.

(2) If any residual earnings on employer contributions remain in a participant's account after all employer contributions have been removed from the account, those residual earnings will be removed from the account and used to offset TSP administrative expenses.

(b) If a participant fails to participate in the TSP due to circumstances beyond his or her control but not due to circumstances attributable to employing agency, Board, or TSP recordkeeper error, the participant will be entitled to elect to participate effective not later than the first pay period after the participant submits a contribution election form (Form TSP-1), regardless of whether the form is submitted during an election period. Such belated elections will be permitted on a prospective basis only; no makeup contributions will be permitted under this part.

(c) If TSP contributions are invested in the wrong investment fund(s) because of employing agency error, that error may be corrected only in accordance with 5 CFR 1606.7. Such errors may not be corrected under this part.

(d)(1) The address for the TSP recordkeeper is: National Finance Center, TSP Service Office, Post Office Box 61500, New Orleans, LA 70161-1500.

§ 1606.4 Applicability.

(a) In general. Except as otherwise provided, the provisions of this part 1606 apply in any case where, due to employing agency error, the Thrift Savings Fund has not invested or had the use of money that would have been invested in the Thrift Savings Fund had the employing agency error not occurred, or where the money would have been invested in a different investment fund had the error not occurred.

(b) Back pay awards and other retroactive pay adjustments. The application of this part 1606, as described in paragraph (a) of this section, includes TSP contributions derived from payments associated with back pay awards or other retroactive pay adjustments that are based on a determination that the employing agency paid a participant less than the full amount of basic pay to which the participant was entitled.

(c) Timing of errors. This part 1606 applies regardless of whether the employing agency error that caused the effects described in paragraph (a) of this section occurred prior to, at, or after the inception of the TSP.

(d) De minimis rules. Notwithstanding paragraphs (a) through (c) of this section or any other provision of this part 1606:

(1) Lost earnings shall not be payable where the amount of money for a source of contributions in a participant’s account that is not invested in the Thrift Savings Fund due to an employing agency error, or that is invested in the wrong investment fund due to an employing agency error, is less than one dollar ($1.00) for that source of contributions. Where the employing agency error caused delayed or erroneous contributions for more than one pay period, this paragraph shall apply separately to each pay period involved.

(2) Where the employing agency error caused delay in submission of TSP payment records or loan allotments, lost earnings shall not be payable unless the belated contributions or loan allotments were received by the TSP recordkeeper more than 30 days after the pay date associated with the pay period for which the contributions or loan allotments would have been submitted had the employing agency error not occurred.

(3) For employing agency errors not covered by paragraph (d)(2) of this section, lost earnings shall not be payable unless, as the result of an employing agency error, money was not invested in the Thrift Savings Fund for a period extending more than 30 days after the date it would have been invested had the error not occurred.

(4) The 30-day requirements contained in paragraphs (d)(2) and (d)(3) of this section do not apply where, due to employing agency error, money in a participant’s account has been invested in an incorrect investment fund.

(e) Contributions for pre-1987 service. This part does not apply to errors involving employing agency delay in submitting contributions required by 5 U.S.C. 8432(c)(3).

(f) Contributions for service in January through March 1987. Notwithstanding
§ 1606.5 Failure to timely make or deduct TSP contributions when participant received pay.

(a) If a participant receives pay, but as the result of an employing agency error all or any part of the Agency Automatic (1%) Contributions associated with that pay to which the participant is entitled are not timely received by the TSP recordkeeper, then the belated contributions shall be subject to lost earnings. In such cases:

(1) The employing agency must, for each pay period involved, submit to the TSP recordkeeper a lost earnings record indicating the pay date for which the belated contribution would have been made had the error not occurred, the investment fund to which the belated contribution would have been deposited had the error not occurred, the amount of the belated contribution, and the pay date for which the belated contribution was actually made. If the belated contribution was actually deposited to an investment fund different from the investment fund to which it would have been deposited had the contribution been timely submitted, then the employing agency must also submit an additional lost earnings record indicating the amount of the belated contribution, the pay date for which it was actually made, the investment fund to which it would have been deposited had the error not occurred, and the investment fund to which it was actually deposited;

(2) The TSP recordkeeper shall compute the amount of lost earnings associated with each lost earnings record submitted by the employing agency pursuant to paragraph (a)(1) of this section, and shall also determine the investment fund or funds in which the belated contributions and associated earnings would currently be invested had the error not occurred. In performing the computation of lost earnings and determining the appropriate investment fund or funds, the TSP recordkeeper must take into consideration any interfund transfers made effective on or after the pay date for which the belated contribution would have been made if the error had not occurred, and which were made effective prior to the end of the month preceding the month during which the lost earnings record is processed. With respect to the period prior to December 31, 1990, the TSP recordkeeper shall also take into account the investment restrictions that were effective under 5 U.S.C. 8438 prior to the effective date of section 3 of the TSPTAA.

(3) Where the lost earnings computed in accordance with paragraph (a)(2) of this section are positive, the TSP recordkeeper shall charge the amount of lost earnings computed to the appropriate employing agency and shall credit that amount to the TSP account of the participant involved. If the lost earnings computed are negative, the amount computed will be removed from the participant’s account and used to offset TSP administrative expenses;

(4) The TSP recordkeeper shall adjust the participant’s account to reflect the investment funds in which the belated contributions and associated earnings would currently be invested if the error had not occurred, as determined in accordance with paragraph (a)(2) of this section.

(b) If a participant receives pay from which Employee Contributions were properly deducted, but as the result of an employing agency error all or any part of the associated Agency Matching Contributions to which the participant is entitled were not timely received by the TSP recordkeeper, then the belated contributions will be subject to lost earnings. In such cases, the procedures described in paragraphs (a)(1) through (a)(4) of this section will apply to the belated Agency Matching Contributions.

(c) If a participant receives pay from which Employee Contributions were properly deducted, but as the result of an employing agency error all or any part of those Employee Contributions...
were not timely received by the TSP recordkeeper, the belated contributions will be subject to lost earnings. In such cases, the procedures described in paragraphs (a)(1) through (a)(4) of this section will apply to the belated Employee Contributions.

(d) If a participant receives pay from which Employee Contributions should have been deducted, but as the result of employing agency error all or any part of those deductions were not made, then even if the participant makes up those Employee Contributions pursuant to part 1605, the belated Employee Contributions shall not be subject to lost earnings. However, where the participant does make up the Employee Contributions pursuant to part 1605, the Agency Matching Contributions associated with those belated Employee Contributions (which must be made in accordance with part 1605) will be subject to lost earnings. With respect to such belated Agency Matching Contributions the procedures described in paragraphs (a)(1) through (a)(4) of this section shall apply.

§ 1606.6 Agency delay in paying employee.

Where, as the result of an employing agency error, a participant does not timely receive all or any part of the basic pay to which he or she is entitled, and as a result of that delay in receiving pay all or any part of the Employee Contributions, Agency Automatic (1%) Contributions, or Agency Matching Contributions are not submitted when they would have been had the employing agency error not occurred, all such belated Employee Contributions, Agency Automatic (1%) Contributions, and Agency Matching Contributions shall be subject to lost earnings. The procedures described in paragraphs (a)(1) through (a)(4) of § 1606.5 shall apply to all such belated contributions.

§ 1606.7 Contributions to incorrect investment fund.

(a) Where, as the result of an employing agency error, money was deposited to a participant’s TSP account in an incorrect investment fund(s), the erroneous contribution shall be subject to lost earnings. In such cases:

(1) The employing agency must submit a lost earnings record indicating the amount of the contributions submitted to the incorrect investment fund(s), the pay date for which it was submitted, the investment fund(s) to which it would have been deposited had the employing agency error not occurred, and the investment fund(s) to which it was actually deposited. If the employing agency has, prior to January 1, 1991 or in contravention of paragraph (b) of this section, removed the contribution from the incorrect investment fund(s) using a negative adjustment record and redeposited the money to the investment fund(s) in which it would have been invested had the error not occurred, the employing agency must also indicate on the lost earnings record when these actions were taken.

(2) The TSP recordkeeper shall compute the amount of lost earnings associated with each lost earnings record submitted by the employing agency pursuant to paragraph (a)(1) of this section, and shall also determine the investment fund or funds in which erroneously invested contributions and associated earnings would currently be invested had the error not occurred. In computing lost earnings and determining the appropriate investment fund or funds, the TSP recordkeeper shall take into consideration any interfund transfers that were made effective on or subsequent to the date erroneous contribution was made, and that were made effective prior to the end of the month preceding the month during which the lost earnings record is processed. With respect to the period prior to December 31, 1990, the TSP recordkeeper shall also take into account the investment restrictions that were effective under 5 U.S.C. 8438 prior to the effective date of section 3 of the TSPTAA.

(3) Where the lost earnings computed in accordance with paragraph (a)(2) of this section are positive, the TSP recordkeeper shall charge the amount of lost earnings computed to the appropriate employing agency and shall credit that amount to the account of the participant involved. If the lost earnings computed are negative, the amount computed shall be removed from the participant’s account and
used to offset TSP administrative expenses;

(4) The TSP recordkeeper shall adjust the participant’s account to reflect the investment funds in which the erroneous contributions and associated earnings would currently be invested had the error not occurred, as determined in accordance with paragraph (a)(2) of this section.

(b) The provisions of part 1605 notwithstanding, effective January 1, 1991, where employing agency error had caused money to be deposited to a TSP account in an incorrect investment fund, the employing agency may not remove the erroneously invested money from the incorrect investment fund(s) using a negative adjustment record and redeposit the money in the investment fund(s) in which it would have been invested had the error not occurred. Rather, the correction must be accomplished solely through the procedures described in paragraph (a) of this section.

§ 1606.8 Late payroll submissions.

(a) Payroll submissions received on or after January 1, 1991. All contributions on payment records contained in a payroll submission received from an employing agency by the TSP Recordkeeper on or after January 1, 1991 and more than 30 days after the pay date associated with the payroll submission (as reported on Form TSP-2, Certification of Transfer of Funds and Journal Voucher), shall be subject to lost earnings, as follows:

(1) The TSP Recordkeeper shall generate a lost earnings record for each payment record contained in the late payroll submission. The lost earnings records generated by the TSP Recordkeeper shall reflect that the contributions on the payment records should have been made on the pay date associated with the payroll submission, that the contributions should have been deposited to the investment fund(s) indicated on the payment records, and that the contributions were actually made on the date the late payroll submission was processed.

(2) The procedures applicable to lost earnings records submitted by employing agencies set forth in paragraphs (a)(2) through (a)(4) of §1606.5, shall be applied to lost earnings records generated by the TSP Recordkeeper pursuant to paragraph (a)(1) of this section.

(b) Payroll submissions received before January 1, 1991. All contributions on payment records contained in a payroll submission received from an employing agency by the TSP Recordkeeper before January 1, 1991 but more than 30 days after the pay date associated with the payroll submission (as reported on Form TSP-2, Certification of Transfer of Funds and Journal Voucher), shall be subject to lost earnings, as follows:

(1) The employing agency shall, pursuant to instructions provided to employing agencies by the Board, submit to the TSP recordkeeper authorization for lost earnings to be computed on all contributions on the payment records contained in the payroll submission;

(2) The procedures set forth in paragraphs (a)(1) and (a)(2) of this section shall apply.

Subpart C—Lost Earnings Not Attributable to Delayed or Erroneous Contributions

§ 1606.9 Loan allotments.

(a) Loan allotments deducted from a participant’s pay but not timely received by the TSP recordkeeper due to employing agency error shall be subject to lost earnings. In such cases:

(1) The employing agency must submit a lost earnings record indicating the amount of the loan allotment, the pay date for which the loan allotment was actually submitted, and the pay date for which the loan allotment should have been submitted;

(2) The TSP recordkeeper shall compute lost earnings on the belated loan allotment using the G Fund rates of return for each month of the calculation;

(3) The amount of lost earnings calculated shall be deposited in the participant’s account pro rata among the three investment funds on the basis of the balances of the three investment funds in the participant’s account as of the end of the second month preceding the month during which the lost earnings record is processed.

(b) Loan allotments not deducted from a participant’s pay due to employing agency error will not be subject to lost earnings.
§ 1606.10 Miscellaneous lost earnings.
Where lost earnings result from employing agency errors not specifically covered by this subpart or subpart B, the employing agency must consult with the Board or TSP Recordkeeper to determine the manner in which the employing agency shall submit lost earnings records or other data necessary to facilitate the payment of lost earnings.

Subpart D—Lost Earnings Records
§ 1606.11 Agency submission of lost earnings records.
(a) All lost earnings records required to be submitted pursuant to this part must be submitted to the TSP Recordkeeper in the manner and format prescribed in instructions provided to employing agencies by the Board or TSP recordkeeper.
(b) Where this part requires submission of lost earnings records, the employing agency must submit a separate lost earnings record for each pay period affected by the error. A lost earnings record may include all three sources of contributions, or it may include loan allotments, but may not include both loan allotments and contributions.
(c) Where this part requires the employing agency to indicate on a lost earnings record the investment fund to which a contribution would have been deposited had an employing agency error not occurred, that determination must be made solely on the basis of a properly completed allocation election on a Form TSP-1 that was accepted by the employing agency before the date the contribution should have been made, and that was still in effect as of that date. Where no such allocation election was in effect as of the date the contribution should have been made had the error not occurred, the lost earnings record submitted by the employing agency must indicate that the contributions should have been made to the G Fund. Under no circumstances may a participant or employing agency choose, after the date a contribution should have been made or the date that it was made to an erroneous investment fund, the investment fund to which the contribution would have been made had the employing error not occurred.
(d) With respect to employing agency errors that cause money not to be invested in the Thrift Savings Fund, lost earnings records may not be submitted until the money to which the lost earnings relate has been invested in the Thrift Savings Fund. Where the employing agency error involved delayed TSP contributions, not lost earnings shall be payable unless and until the associated payment records are submitted in accordance with the provisions of 5 CFR part 1605. Lost earnings records and the delayed payment records to which they relate may be submitted simultaneously;
(e) Where an employing agency erroneously submits a lost earnings record that is processed by the TSP recordkeeper, the employing agency must subsequently submit a lost earnings record indicating that the previous lost earnings transaction should be reversed.

§ 1606.12 Agency responsibility.
(a) The employing agency whose error caused the delayed or erroneous investment of money in the Thrift Savings Fund shall, in a manner consistent with paragraph (b) of this section, be ultimately responsible for payment of any lost earnings resulting from that error.
(b) The employing agency that submitted payment records or loan allotments that are subject to lost earnings shall be responsible for submitting lost earnings records relating to those submissions, and any lost earnings calculated shall be charged to that employing agency. Where another employing agency committed the error that caused the delayed or erroneous submission by the first employing agency, the employing agency that was charged for the lost earnings may seek reimbursement from the other employing agency.

Subpart E—Processing Lost Earnings Records
§ 1606.13 Calculation and crediting of lost earnings.
(a) Lost earnings records submitted or generated pursuant to this part
§ 1606.14 \(5\) CFR Ch. VI (1-1-98 Edition)

shall be processed by the TSP recordkeeper during a mid-month processing cycle;

(b) Lost earnings records received, edited, and accepted by the TSP recordkeeper by the next-to-last business day of a month shall be processed in the next month’s mid-month processing cycle. Lost earnings records that are received, edited, and accepted on the last business day of a month shall be processed in the second mid-month processing cycle following acceptance;

(c) In calculating lost earnings for a participant’s account attributable to any lost earnings record, investment gains and losses calculated in different investment funds but within one source of contributions shall be offset against each other to obtain a net investment gain or loss for that source of contributions. Gains and losses for different sources of contributions shall not be offset against each other;

(d) Where the de minimis rule of paragraph (d)(1) of § 1606.3 of this part is met with regard to delayed contributions or loan allotments, the calculation of lost earnings shall commence with the pay date for the pay period for which the contributions would have been made had the employing agency error not occurred. With regard to lost earnings not related to delayed contributions or loan allotments, lost earnings shall commence with the month during which the employing agency error caused the failure to invest in the Thrift Savings Fund money that would have been invested had the employing agency error not occurred, or with the month that the money was invested in an incorrect investment fund. Lost earnings calculations shall conclude as of the end of the month prior to the month during which the lost earnings records are processed;

(e) Negative lost earnings. Notwithstanding any other provision of this part, where the net lost earnings computed in accordance with this part on any lost earnings record are less than zero within a source of contributions, the employing agency account shall not be charged or credited with respect to that source of contributions. The amount of the negative lost earnings shall be removed from the participant’s account and applied against TSP administrative expenses;

(f) With respect to the period prior to December 31, 1990, in calculating lost earnings or determining the investment fund in which money would have been invested had an employing agency error not occurred, the TSP recordkeeper shall take into account the investment restrictions that were effective under 5 U.S.C. 8438 prior to the effective date of section 3 of the TSPTAA;

(g) In calculating lost earnings or determining the investment fund in which money would have been invested had an employing agency error not occurred, the TSP recordkeeper shall take into account interfund transfers processed on or subsequent to the date the error affected the participant’s account, and which were effective prior to the end of the month preceding the month during which the lost earnings record is processed.

Subpart F—Participant Claims For Lost Earnings

§ 1606.14 Employing agency procedures.

(a) Each employing agency must provide procedures for participants to file claims for lost earnings under this part. The employing agency procedures must include the following provisions:

(1) The employing agency shall review each claim and provide the participant with a decision within 30 days of its receipt of the participant’s written claim. The employing agency’s decision to deny a claim in whole or in part shall be in writing and shall contain the following information—

(i) The employing agency’s determination on the claim and the reasons for it, including any appropriate references to applicable statutes or regulations;

(ii) A description of any additional material or information which, if provided to the employing agency, would enable the employing agency to grant the participant’s claim; and

(iii) A description of the steps the participant must take if he or she wishes to appeal and initial denial of the claim, including the name and title
of the employing agency official to whom the appeal may be taken;
(2) Within 30 days of receipt of the employing agency decision denying the claim, a participant may appeal the employing agency decision. The appeal must be in writing and must be addressed to the employing agency official designated in the initial employing agency decision. The appeal may contain any documents and comments that the employee deems relevant to the claim;
(3) The employing agency must take a decision on the participant’s appeal not later than 30 days after it receives the appeal. The agency’s decision on the participant’s appeal must be written in an understandable manner and must include the reasons for the decision as well as any appropriate references to applicable statutes and regulations. If the decision on the employee's appeal is not made within this 30-day time period, or if the appeal is denied in whole or in part, the participant will have exhausted his or her administrative remedy and will be eligible to file suit against the employing agency in the appropriate Federal district court pursuant to 5 U.S.C. 8747. There is no administrative appeal to the Board of an agency final decision.

(b) Where it is determined that lost earnings resulted from an employing agency error, nothing in this part shall be deemed to preclude an employing agency from paying lost earnings to the participant in the absence of a claim from the employee.

§1606.15 Time limits on participant claims.

(a) Participant claims for lost earnings pursuant to §1606.14 of this part must be filed within one year of the later of:
(1) January 1, 1991, or
(2) The participant’s receipt of the earliest of the TSP Participant Statement, TSP Loan Statement, employing agency earnings and leave statement, or any other document that indicates that the employing agency error has affected the participant’s TSP account;
(b) Nothing in this section changes the provision of paragraph (d) of §1606.11 that no lost earnings shall be payable with respect to delayed contributions unless and until the contributions are submitted to the TSP recordkeeper in accordance with 5 CFR part 1605, nor does anything in this section extend any time limits for correcting contributions under 5 CFR part 1605. Thus, notwithstanding paragraph (a) of this section, if a participant is unable to have contributions corrected due to time limits contained in 5 CFR part 1605, no lost earnings shall be payable with respect to those contributions.

§ 1620.35 Computing percentage of basic pay.

When the employing authority computes a percentage of basic pay to determine the amount to be contributed to the Thrift Savings Fund, the rate of basic pay to be used must be the same as that used in computing any amount that the individual involved is otherwise required to contribute to the Civil Service Retirement and Disability Fund as a condition for participating in the Civil Service Retirement System or the Federal Employees' Retirement System, as the case may be.

§ 1620.36 Employee make-up contributions.

(a) If the employee chooses, the employing authority must compute the amount of employee contributions for which the employee would have been eligible to make after April 1, 1987, from the employee's net payable salary according to a schedule of equal payments that the employee has agreed to. The employee must make this election within 30 days of the date that he or she is notified by the employing authority of the opportunity to schedule make-up payments, or forfeit the opportunity to do so. The employing authority may set a ceiling on the number of pay periods over which the make-up payments may be made; however, this ceiling may not be less than two times the number of pay periods in which the payments could have been made. The payment schedule must begin no later than the pay period following the date of the agreed-upon schedule and it may not contain more than four times the number of pay periods in which the payments could have been made.

(b) If the agreed-upon payment schedule cannot be met because the employee has insufficient net pay or because the employee has reached an annual ceiling for tax-deferred contributions under 26 U.S.C. 402(g) or 415, the payment schedule will be suspended until the employee is again able to make full payments through payroll deductions. Pay periods that are prescribed in the payment schedule, and for which an employee is unable to make payments because of insufficient net pay or a ceiling on tax-deferred contributions, will not be counted against the maximum number of pay periods applicable to the schedule and the maximum number of applicable pay periods must be extended accordingly. Employees may not make partial payments under a payment schedule.

(c)(c) If an employee chooses to contribute the make-up amount, he or she may terminate that decision and that termination shall be irrevocable. If an employee separates from employment in such a way as to become ineligible to participate in the Thrift Savings Plan, the employee may terminate the retroactive contribution or accelerate the contribution by lump sum payment from the final salary payment (not including any lump sum annual leave payment). If the employee dies, the retroactive contribution of the deceased employee will be terminated as of the final salary payment.

(d) The retroactive payment amount is not subject to the maximum pay period contribution limitations; however, these amounts must be included when determining amounts subject to annual ceilings on contributions under 26 U.S.C. 402(g) or 415.

(e) In the event an employee does not have sufficient net pay to make all of the Thrift Savings Plan deductions, the employee's regular Thrift Savings Plan deduction shall take precedence over the employee's payment schedule contribution.

§ 1620.37 Make-up contributions by employing authority.

Make-up contributions by the employing authority are not subject to the limitations on maximum pay period contributions; however, these amounts must be included when determining amounts subject to any applicable annual ceiling described in 26 U.S.C. 415.

§ 1620.93 Employees who moved to a NAF instrumentality prior to August 10, 1996, but after December 31, 1965.

(a) Future TSP contributions. (1) Employee Contributions. An employee who moved to a NAF instrumentality prior to August 10, 1996, but after December 31, 1965, and who elects to be covered by CSRS or FERS as of the date of such move may elect to make any future contributions to the TSP in accordance with 5 U.S.C. 8351(b)(2) or 8432(a), as applicable, within 30 days of the date of his or her election to be covered by CSRS or FERS. Such contributions shall begin being deducted from the employee’s pay no later than the pay period following the election to contribute to the TSP. Any TSP election which may have been in effect at the time of the employee’s move will not be effective for any future contributions.

(2) Agency Automatic (1%) Contributions. If an employee who moved to a NAF instrumentality prior to August 10, 1996, but after December 31, 1965, elects to be covered by FERS, the NAF instrumentality must also contribute each pay period to the Thrift Savings Fund in accordance with Board procedures on behalf of such employee any amounts which the employee is eligible to receive under 5 U.S.C. 8432(c).
Fund on behalf of such employee any amounts which the employee is eligible to receive under 5 U.S.C. 8432(c)(1), beginning no later than the pay period following the employee's election to be covered by FERS.

(3) Agency Matching Contributions. If an employee who moved to a NAF instrumentality prior to August 10, 1996, but after December 31, 1965, elects to be covered by FERS and also elects to make contributions to the TSP pursuant to paragraph (a)(1) of this section, the NAF instrumentality must also contribute each pay period to the Thrift Savings Fund on behalf of such employee any amounts which the employee is eligible to receive under 5 U.S.C. 8432(c)(2), beginning at the same time as the employee's contributions are made pursuant to paragraph (a)(1) of this section.

(b) Retroactive TSP Contributions. (1) Without regard to any election to contribute to the TSP under paragraph (a)(1) of this section, the NAF instrumentality shall take the following actions with respect to an employee who moved to a NAF instrumentality prior to August 10, 1996, but after December 31, 1965, and who elects to be covered by CSRS or FERS as of the date of the move:

(i) Agency Automatic (1%) Make-up Contributions. The NAF instrumentality shall, within 30 days of the date of the employee's election to be covered by FERS, contribute to the Thrift Savings Fund an amount representing the Agency Automatic (1%) Contribution for all pay periods during which the employee would have been eligible to receive the Agency Automatic (1%) Contribution under 5 U.S.C. 8432, beginning with the date of the move and ending with the date that Agency Automatic (1%) Contributions begin under paragraph (a)(2) of this section. Lost earnings will not be paid on these contributions unless they are not made by the NAF instrumentality within the time frames required by these regulations.

(ii) Employee Make-up Contributions. (A) Within 60 days of the election to be covered by FERS, an employee who moved to a NAF instrumentality prior to August 10, 1996, but after December 31, 1965, and who elects to be covered by FERS, may make an election regarding Employee Make-up Contributions. The employee may elect to contribute all or a percentage of the amount of Employee Contributions which the employee would have been eligible to make under 5 U.S.C. 8432 between the date of the move and the date Employee Contributions begin under paragraph (a)(1) of this section or, if no such election is made under paragraph (a)(1) of this section, the date that Agency Automatic (1%) Contributions begin under paragraph (a)(2) of this section.

(B) Within 60 days of the election to be covered under CSRS, an employee who moved to an NAF instrumentality prior to August 10, 1996, but after December 31, 1965, and who elects to be covered by CSRS, may make an election regarding make-up contributions. The employee may elect to contribute all or a percentage of the amount of Employee Contributions which the employee would have been eligible to make under 5 U.S.C. 8351 between the date of the move and the date Employee Contributions begin under paragraph (a)(1) of this section or, if no such election is made under paragraph (a)(1) of this section, the pay period following the date the election to be covered by CSRS is made.

(C) Deductions made from the employee's pay pursuant to an employee's election under paragraph (b)(1)(ii) (A) or (B) of this section, as appropriate, shall be made according to a schedule that meets the requirements of paragraphs (b) (2) and (3) of this section.

(iii) Agency Matching Make-up Contributions. The NAF instrumentality must pay to the Thrift Savings Fund any Matching Contributions attributable to Employee Contributions made under paragraph (b)(1)(ii)(A) of this section that the NAF instrumentality would have been required to make under 5 U.S.C. 8432(c), at the same time that such Employee Contributions are contributed to the Fund.

(2) The NAF instrumentality may set a ceiling on the number of pay periods over which the contributions referred to in paragraph (b)(1)(ii) of this section may be made; however, this ceiling may not be less than two times the number of pay periods in which the
§ 1620.94 Employees who move from a NAF instrumentality to a Federal Government agency.

(a) An employee of a NAF instrumentality who moves from a NAF instrumentality to a Federal Government agency and who elects to be covered by a NAF retirement system is not eligible to participate in the TSP. Any TSP contributions relating to a period for which an employee elects retroactive NAF retirement coverage shall be removed from the TSP as required by the regulations at 5 CFR part 1605.

(b) An employee of a NAF instrumentality who moves from a NAF instrumentality to a Federal Government agency and who elects to be covered by CSRS or FERS will become eligible to participate in the TSP as follows:

(1) If the employee was previously eligible to participate in the TSP under a prior period of Federal Government service, the employee will be eligible to participate in the TSP the first Open Season (as determined in accordance with 5 CFR 1600.3(d)) beginning after the effective date of the CSRS and FERS coverage.

(2) If the employee was not previously eligible to participate in the
TSP, the employee will be eligible to contribute to the TSP in the second Open Season (as determined in accordance with 5 CFR 1600.3(d)) beginning after the effective date of the CSRS or FERS coverage.

§ 1620.95 Payment of TSP contributions.

The NAF instrumentality shall deduct any Employee Contributions authorized under this section from the pay of the employee each pay period and shall remit such amounts to the Thrift Savings Fund in accordance with this subpart and Board procedures. The NAF instrumentality shall contribute any future Agency Automatic (1%) Contributions and Agency Matching Contributions to the Thrift Savings Fund each pay period in accordance with this subpart and Board procedures. The NAF instrumentality shall contribute make-up contributions to the Thrift Savings Fund in accordance with this subpart and Board procedures.

§ 1620.96 Loan payments.

NAF instrumentalities shall deduct and transmit TSP loan payments for employees who elect to be covered by CSRS or FERS to the recordkeeper in accordance with 5 CFR part 1655 and Board procedures. Loan payments may not be deducted and transmitted for employees who elect to be covered by the NAF retirement system. Such employees will be considered to have separated from Government service and must prepay their loans or a taxable distribution will be declared.

§ 1620.97 Transmission of information.

Any employee who moves to a NAF instrumentality shall be reported by the losing Federal Government employing agency to the TSP recordkeeper as having transferred to a NAF instrumentality of the DOD or Coast Guard rather than as having separated from Government service. If the employee subsequently elects not to be covered by CSRS or FERS, the NAF instrumentality must submit an Employee Data Record to report the employee as having separated from Federal Government service as of the date of the move.

§ 1620.98 Notices.

All NAF instrumentalities employing any individuals covered by §1620.90 must notify affected employees of the application of the regulations in this subpart as soon as practicable.

§ 1620.99 Other regulations.

NAF instrumentalities and individuals covered by §1620.90 are governed by the regulations in this chapter, to the extent that the regulations in this chapter are not inconsistent with this subpart.

Subpart H—Military Service

§ 1620.100 Scope.

(a) General. To be covered by this subpart, an employee must have:

(1) Been separated from Federal civilian service or entered leave-without-pay status in order to perform military service;

(2) Been reemployed; and

(3) Become eligible to seek reemployment by virtue of a release from military service, discharge from hospitalization, or other similar event that occurred on or after August 2, 1990.

(b) Other rules. Except as provided in this part, the rules governing contributions to the TSP set forth in 5 CFR part 1600 will apply to persons reemployed under this subpart.

§ 1620.101 Definitions.

As used in this subpart:

(a) Basic pay has one of two meanings:

(1) For the portion of the retroactive period when an employee did not receive a Federal civilian salary, the rate of basic pay is that which would have been payable to the employee if the employee had remained continuously employed in the position which he or she last held before separating (or entering leave-without-pay status) to perform military service;

(2) For the portion of the retroactive period that occurs after the employee is reemployed, his or her actual basic
§ 1620.102 Processing contribution elections.

(a) Current contribution elections. Immediately upon reemployment, an employee’s agency will give an eligible employee the opportunity to submit a contribution election form (Form TSP-1) to make current contributions. The effective date of the current Form TSP-1 will be the first day of the first full pay period in the most recent TSP election period. If the employee is reemployed during a TSP Open Season but before the election period, he or she can also submit an election form that will become effective the first day of the first full pay period in the following election period.

(b) Retroactive contribution elections. An employee has the following options for making retroactive contributions:

(i) If the employee had a valid contribution election form (Form TSP-1) on file when he or she separated, that election form will be reinstated for purposes of retroactive contributions upon the employee’s reemployment, unless a new contribution election form is submitted to terminate all retroactive contributions or those contributions that would have been made from the date of separation through the end of the Open Season that occurred immediately after the separation.

(ii) Instead of making the contributions for the retroactive period under the reinstated contribution election form, the employee may submit a new election form for any Open Season that occurred during the retroactive period. However, the allocation election on each Form TSP-1 for the retroactive
Federal Retirement Thrift Investment Board

§ 1620.105

period must be the same as the allocation election on the current Form TSP-1.

(2) An employee who terminated contributions within two months before entering military service will be eligible to make a retroactive contribution election effective for the first Open Season that occurs after the effective date that the contributions were terminated. This election may be made even if the termination was made outside of an Open Season.

§ 1620.103 Processing lost earnings.

(a) Agency Automatic (1%) Contributions. Subject to the de minimis rules in 5 CFR part 1606, employing agencies are required to pay lost earnings on the Agency Automatic (1%) Contributions that are made for the retroactive period.

(b) Agency Matching Contributions. Subject to the de minimis rules in 5 CFR part 1606, employing agencies are required to pay lost earnings for the agency contributions that match make-up Employee Contributions.

(c) Make-up Employee Contributions. Employing agencies may not pay lost earnings for make-up Employee Contributions associated with the retroactive period.

(d) Lost earnings calculation. Lost earnings will be calculated on all retroactive agency contributions using the rates of return for the Government Securities Investment Fund (G Fund), unless the employee submitted one or more interfund transfer requests during the period of separation. In the case of interfund transfer requests, the earnings will be calculated using the G Fund rates of return until the first interfund transfer was processed. The contribution that is subject to lost earnings will be moved to the investment fund(s) the employee requested and lost earnings will be calculated based on the earnings for that fund(s). The amount of lost earnings calculated will be posted to the investment fund(s) to which the contribution was moved. If there were no interfund transfers processed during the lost earnings calculation period, the amount of lost earnings calculated will be posted to the employee’s G Fund account.

§ 1620.104 Agency payments to recordkeeper; agency ultimately chargeable.

(a) Agency making payments to recordkeeper. The current employing agency will always be the agency responsible for making payments to the recordkeeper for all contributions (both employee and agency) and lost earnings, regardless of whether some of that expense is ultimately chargeable to a prior employing agency.

(b) Agency ultimately chargeable with expense. The agency ultimately chargeable with the expense of agency contributions and lost earnings attributable to the retroactive period is ordinarily the agency that reemployed the employee. However, if an employee changed agencies during the period between the date of reemployment and October 13, 1994, the employing agency as of October 13, 1994, is the agency ultimately chargeable with the expense.

(c) Reimbursement by agency ultimately chargeable with expense. If the agency that made the payments to the recordkeeper for agency contributions and lost earnings is not the agency ultimately chargeable with that expense, the agency that made the payments to the recordkeeper may, but is not required to, obtain reimbursement from the agency ultimately chargeable with the expense.

§ 1620.105 Restoring forfeited Agency Automatic (1%) Contributions.

If an employee’s Agency Automatic (1%) Contributions were forfeited because the employee was not vested when he or she separated to perform military service, the employee must notify the employing agency that a forfeiture occurred. Employing agencies will submit a written request to the recordkeeper to restore any Agency Automatic (1%) Contributions that were forfeited from an employee’s account because he or she was not vested at the time the employee separated to perform military service.
§ 1620.106 Returning withdrawals.

(a) General. Employees who are subject to the TSP automatic cashout provisions (employees whose account balances were $3,500 or less) and employees who separated without eligibility for retirement benefits and prior to March 1995 withdrew amounts greater than $3,500, may elect to have the separation for military service treated as if it had never occurred. These employees will be allowed to return amounts to the Thrift Savings Plan that represent the full amount of the withdrawal. Eligible employees must notify the recordkeeper by April 21, 1996, or one year from the date of reemployment, whichever is later, of their intent to return the withdrawn funds.

(b) Documentation. An eligible employee who elects to return the full amount of a withdrawal under this section must provide documentation of reemployment to the recordkeeper. The recordkeeper will notify the employee of the amount of funds to be returned and the deadline for making that payment. The employee must provide the funds in a single payment to the recordkeeper within 90 days after the recordkeeper sends the employee the notice advising of the amount and procedures for returning the funds.

(c) Earnings. Employees will not receive retroactive earnings on any amounts withdrawn that they later return to their accounts.

(d) Taxable distribution reversed. Employees who return withdrawn funds under this section may be eligible to have a taxable distribution associated with a loan reversed. At the time the recordkeeper notifies the employee of the amount required to return the withdrawn funds, it will notify the employee whether he or she is eligible to have a taxable distribution reversed.

§ 1620.107 Agency responsibilities.

(a) General. Each employing agency must establish procedures for implementing these regulations. These procedures must at a minimum, require agency personnel to identify and notify eligible employees concerning their options under these regulations and tell them the time period within which those options must be exercised. For employees who are reemployed on or after August 2, 1990, and before April 21, 1995, the agency must perform these functions by June 20, 1995. For employees who are reemployed on or after April 21, 1995, employing agencies must perform these functions within 60 days of the employee's reemployment. An employee must submit a written request to the employing agency to make up Employee Contributions for the retroactive period on or before April 21, 1996, or one year from the date the employee was reemployed, whichever is later, or forfeit the right to make up these contributions.

(b) Agency records; procedure for reimbursement. The agency that is making the payments to the recordkeeper for all contributions (both employee and agency) and lost earnings will obtain from prior employing agencies whatever information is necessary in order to make accurate payments. If a prior employing agency is ultimately chargeable under §1620.104(b) for all or part of the expense of agency contributions and lost earnings, the agency making the payments to the recordkeeper will determine the procedure to follow in order to collect amounts owed to it by the agency ultimately chargeable with the expense.

(c) Payment schedule; matching contributions report. Agencies will, with the employee's consent, prepare a payment schedule for making retroactive Employee Contributions. In addition, the employing agencies will calculate the Agency Matching Contributions that will be reported for investment to the recordkeeper in equal installments for each pay period covered by the payment schedule. The employing agency may impose limits on the maximum amount of time during which an employee may make up the missed contributions. This maximum amount of time may be no less than two times and no more than four times the number of pay periods that were covered by the period of missed contributions. An employee may decide to terminate the make-up contributions; however, such a decision is irrevocable.

(d) Agency Automatic (1%) Contributions. Employing agencies must calculate the Agency Automatic (1%) Contributions for all reemployed FERS employees, report these contributions

(b) Non-TSP Board records. An individual who wishes to know if a specific system of records maintained by the Board contains a record pertaining to him or her, or who wishes access to such records, shall address a written request to the Privacy Act Officer, Federal Retirement Thrift Investment Board, 1250 H Street, NW., Washington, DC 20005. The request letter should contain the complete name and identifying number of the pertinent system as published in the annual Federal Register notice describing the Board’s Systems of Records; the full name and address of the subject individual; the subject’s Social Security number if a Board employee; a brief description of the nature, time, place, and circumstances of the individual’s prior association with the Board; and any other information the individual believes would help the Privacy Act Officer determine whether the information about the individual is included in the system of records. In instances where the information is insufficient to ensure disclosure to the subject individual to whom the record pertains, the Board reserves the right to ask the requester for additional identifying information. The words “PRIVACY ACT REQUEST” should be printed on both the letter and the envelope.

§ 1630.5 Granting access to a designated individual.

(a) An individual who wishes to have a person of his or her choosing review a record or obtain a copy of a record from the Board shall submit a signed statement authorizing the disclosure of his or her record before the record will be disclosed. The authorization shall be maintained with the record.

(b) The Board will honor any Privacy Act request (e.g., a request to have access or to amend a record) which is accompanied by a valid power of attorney from the subject of the record.

§ 1630.6 Action on request.

(a) For TSP records, the Head, TSP Service Office, or designee, and for non-TSP records, the Privacy Act Officer will answer or acknowledge the inquiry within 10 work days of the date it is received by the Board. When the answer cannot be made within 10 work days, the Head, TSP Service Office or
§ 1630.7 Identification requirements.

(a) In person. An individual should be prepared to identify himself or herself by signature, i.e., to note by signature the date of access, Social Security number, and to produce one photgraphic form of identification (driver's license, employee identification, annuitant card, passport, etc.). If an individual is unable to produce adequate identification, the individual must sign a statement asserting his or her identity and acknowledging that knowingly or willfully seeking or obtaining access to records about another person under false pretenses may result in a fine of up to $5,000 (see §1630.18). In addition, depending upon the sensitivity of the records, the Privacy Act Officer after consulting with the appropriate system manager may require further reasonable assurances, such as statements of other individuals who can attest to the identity of the requester.

(b) In writing. An individual shall provide his or her name, date of birth, and Social Security number and shall sign the request. If a request for access is granted by mail and, in the opinion of the Privacy Act Officer after consulting with the appropriate system manager, the disclosure of the records through the mail may result in harm or embarrassment (if a person other than the subject individual were to receive the records), a notarized statement of identity or some other similar assurance of identity will be required.

§ 1630.8 Access of others to records about an individual.

(a) The Privacy Act provides for access to records in systems of records in those situations enumerated in 5 U.S.C. 552a(b) and are set forth in paragraph (b) of this section. Access by executors, administrators, personal representatives, beneficiaries and former spouses to TSP records may be authorized if there is compliance with a routine use under paragraph (b)(3) of this section.

(b) No official or employee of the Board, or any contractor of the Board or other Federal agency operating a Board system of records under an interagency agreement, shall disclose any record to any person or to another agency without the express written consent of the subject individual, unless the disclosure is:

(1) To officers or employees (including contract employees) of the Board who need the information to perform their official duties;

(2) Pursuant to the requirements of the Freedom of Information Act, 5 U.S.C. 552;

(3) For a routine use that has been published in a notice in the FEDERAL
§ 1630.9 Access to the history (accounting) of disclosures from records.

Rules governing access to the accounting of disclosures are the same as those for granting access to the records as set forth in §1630.4.

§ 1630.10 Denials of access.

(a) The Privacy Act Officer or the Head, TSP Service Office, or designee, for records covered by system FRTIB-1, may deny an individual access to his or her record if:

(1) In the opinion of the Privacy Act Officer or the Head, TSP Service Office, or designee, the individual seeking access has not provided proper identification to permit access; or

(2) The Board has published rules in the Federal Register exempting the pertinent system of records from the access requirement.

(b) If access is denied, the requester shall be informed of the reasons for denial and the procedures for obtaining a review of the denial.

§ 1630.11 Requirements for requests to amend records.

§ 1630.12 Action on request to amend a record.

(a) For TSP records, the Head, TSP Service Office, will acknowledge a request for amendment of a record, which is to be decided by that office in accordance with the chart in §1630.11, within 10 work days. Requests received by the TSP Service Office which are to be decided by the current or former employing agency will be sent to that agency by the Head, TSP Service Office, within 3 work days of the date of receipt. A copy of the transmittal letter will be sent to the requester.

(b) For non-TSP records, the Privacy Act Officer will acknowledge a request for amendment of a record within 10 work days of the date the Board receives it. If a decision cannot be made within this time, the requester will be informed by mail of the reasons for the delay and the date when a reply can be expected, normally within 30 work days from receipt of the request.

(c) The final response will include the decision whether to grant or deny the request. If the request is denied, the response will include:

(1) The reasons for the decision;
(2) The name and address of the official to whom an appeal should be directed;

§ 1630.15 Exemptions.

(a) Pursuant to subsection (k) of the Privacy Act, 5 U.S.C. 552a, the Board may exempt certain portions of records within designated systems of records from the requirements of the Privacy Act, (including access to and review of such records pursuant to this part) if such portions are:

(1) Subject to the provisions of section 552(b)(1) of the Freedom of Information Act, 5 U.S.C. 552;

(2) Investigatory material compiled for law enforcement purposes, other than material within the scope of subsection (j)(2) of the Privacy Act, 5 U.S.C. 552a; Provided, however, that if any individual is denied any right, privilege, or benefit that he would otherwise be entitled by Federal law, or for which he would otherwise be eligible, as a result of the maintenance of such material, such material shall be

§ 1630.14 Appeals process.

(a) Within 20 work days of receiving the request for review, the Executive Director, after consultation with the General Counsel, will make a final determination on the appeal. If a final decision cannot be made in 20 work days, the Privacy Act Officer will inform the requester of the reasons for the delay and the date on which a final decision can be expected. Such extensions are unusual, and should not exceed an additional 30 work days.

(b) If the original request was for access and the initial determination is reversed, the procedures in §1630.7 will be followed. If the initial determination is upheld, the requester will be so informed and advised of the right to judicial review pursuant to 5 U.S.C. 552a(g).

(c) If the initial denial of a request to amend a record is reversed, the Board will correct the record as requested and inform the individual of the correction. If the original decision is upheld, the requester will be informed and notified in writing of the right to judicial review pursuant to 5 U.S.C. 552a(g) and the right to file a concise statement of disagreement with the Executive Director. The statement of disagreement should include an explanation of why the requester believes the record is inaccurate, irrelevant, untimely, or incomplete. The Executive Director shall maintain the statement of disagreement with the disputed record, and shall include a copy of the statement of disagreement to any person or agency to whom the record has been disclosed, if the disclosure was made pursuant to §1630.9.

§ 1630.13 Procedures for review of determination to deny access to or amendment of records.

(a) Individuals who disagree with the refusal to grant them access to or to amend a record about them should submit a written request for review to the Executive Director, Federal Retirement Thrift Investment Board, 1250 H Street, NW., Washington, DC 20005. The words “PRIVACY ACT—APPEAL” should be written on the letter and the envelope. Individuals who need assistance preparing their appeal should contact the Board’s Privacy Act Officer.

(b) The appeal letter must be received by the Board within 30 calendar days from the date the requester received the notice of denial. At a minimum, the appeal letter should identify:

(1) The records involved;

(2) The date of the initial request for access to or amendment of the record;

(3) The date of the Board’s denial of that request; and

(4) The reasons supporting the request for reversal of the Board’s decision.

Copies of previous correspondence from the Board denying the request to access or amend the record should also be attached, if possible.

(c) The Board reserves the right to dispose of correspondence concerning the request to access or amend a record if no request for review of the Board's decision is received within 180 days of the decision date. Therefore, a request for review received after 180 days may, at the discretion of the Privacy Act Officer, be treated as an initial request to access or amend a record.

§ 1630.15 Exemptions.

(a) Pursuant to subsection (k) of the Privacy Act, 5 U.S.C. 552a, the Board may exempt certain portions of records within designated systems of records from the requirements of the Privacy Act, (including access to and review of such records pursuant to this part) if such portions are:

(2) Investigatory material compiled for law enforcement purposes, other than material within the scope of subsection (j)(2) of the Privacy Act, 5 U.S.C. 552a; Provided, however, that if any individual is denied any right, privilege, or benefit that he would otherwise be entitled by Federal law, or for which he would otherwise be eligible, as a result of the maintenance of such material, such material shall be

(5) Investigatory material compiled solely for the purpose of determining suitability, eligibility, or qualifications for Federal civilian employment, military service, Federal contracts, or access to classified information, but only to the extent that the disclosures of such material would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or, prior to the effective date of the Privacy Act, 5 U.S.C. 552a, under an implied promise that the identity of the source would be held in confidence;

(6) Test or examination material used solely to determine individual qualifications for appointment or promotion in the Federal service, the disclosure of which would compromise the objectivity or fairness of the testing or examination process; or

(7) Evaluation material used to determine potential for promotion in the armed services, but only to the extent that the disclosure of such material be held in confidence, or, prior to the effective date of the Privacy Act, 5 U.S.C. 552a, under an implied promise that the identity of the source would be held in confidence.

(b) Those designated systems of records which are exempt from the requirements of this part or any other requirements of the Privacy Act, 5 U.S.C. 552a, will be indicated in the notice of designated systems of records published by the Board.

(c) Nothing in this part will allow an individual access to any information compiled in reasonable anticipation of a civil action or proceeding.

§ 1630.16 Fees.

(a) Individuals will not be charged for:

(1) The search and review of the record; and

(2) Copies of ten (10) or fewer pages of a requested record.

(b) Records of more than 10 pages will be photocopied for 15 cents a page. If the record is larger than 8½ × 14 inches, the fee will be the cost of reproducing the record through Government or commercial sources.

(c) Fees must be paid in full before requested records are disclosed. Payment shall be by personal check or money order payable to the Federal Retirement Thrift Investment Board, and mailed or delivered to the Head, TSP Service Office or to the Privacy Act Officer, depending upon the nature of the request, at the address listed in §1630.4.

(d) The Head, TSP Service Office or the Privacy Act Officer may waive the fee if:

(1) The cost of collecting the fee exceeds the amount collected; or

(2) The production of the copies at no charge is in the best interest of the Board.

(e) A receipt will be furnished on request.

§ 1630.17 Federal agency requests.

Employing agencies needing automated data processing services from the Board in order to reconcile agency TSP records for TSP purposes may be charged rates based upon the factors of:

(a) Fair market value;

(b) Cost to the TSP; and

(c) Interests of the participants and beneficiaries.

§ 1630.18 Penalties.

(a) Title 18, U.S.C. 1001, Crimes and Criminal Procedures, makes it a criminal offense, subject to a maximum fine of $10,000 or imprisonment for not more than five years, or both, to knowingly and willfully make or cause to be made any false or fraudulent statements or
representation in any matter within the jurisdiction of any agency of the United States. Section (i)(3) of the Privacy Act, 5 U.S.C. 552a(i)(3), makes it a misdemeanor, subject to a maximum fine of $5,000 to knowingly and willfully request or obtain any record concerning an individual under false pretenses. Sections (i)(1) and (2) of 5 U.S.C. 552a provide penalties for violations by agency employees of the Privacy Act or regulations established thereunder.

§ 1631.2 Purpose and scope.

This subpart contains the regulations of the Federal Retirement Thrift Investment Board, implementing 5 U.S.C. 552. The regulations of this subpart describe the procedures by which records may be obtained from all organizational units within the Board and from its recordkeeper. Official records of the Board, except those already published in bulk by the Board, available pursuant to the requirements of 5 U.S.C. 552 shall be furnished to members of the public only as prescribed by this subpart. To the extent that it is not prohibited by other laws the Board also will make available records which it is authorized to withhold under 5 U.S.C. 552 whenever it determines that such disclosure is in the interest of the Thrift Savings Plan.
§ 1631.3 Organization and functions.

(a) The Federal Retirement Thrift Investment Board was established by the Federal Employees’ Retirement System Act of 1986 (Pub. L. 99-335, 5 U.S.C. 8401 et seq.). Its primary function is to manage and invest the Thrift Savings Fund for the exclusive benefit of its participants (e.g., participating Federal employees, Federal judges, and Members of Congress). The Board is responsible for investment of the assets of the Thrift Savings Fund and the management of the Thrift Savings Plan. The Board consists of:

1. The five part-time members who serve on the Board;
2. The Office of the Executive Director;
3. The Office of Investments;
4. The Office of the General Counsel;
5. The Office of Benefits and Program Analysis;
6. The Office of Accounting;
7. The Office of Administration;
8. The Office of External Affairs;
9. The Office of Automated Systems; and
10. The Office of Communications.

(b) The Board has no field organization; however, it provides for its recordkeeping responsibility by contract or interagency agreement. The recordkeeper may be located outside of the Washington, DC area. Thrift Savings Plan records maintained for the Board by its recordkeeper are Board records subject to these regulations. Board offices are presently located at 1250 H Street, NW., Washington, DC 20005.

§ 1631.4 Public reference facilities and current index.

(a) The Board maintains a public reading area located in Room 4308, 1250 H Street, NW., Washington, DC. Reading area office hours are from 9:00 A.M. to 5:00 P.M., Monday through Friday. In the reading area, the Board makes available for public inspection and copying all of the material required by 5 U.S.C. 552(a)(2), including all documents published by the Board in the Federal Register which are currently in effect.

(b) The FOIA Officer shall maintain an index of Board regulations, directives, bulletins, and published materials.

§ 1631.5 Records of other agencies.

Requests for records that originated in another agency and that are in the custody of the Board may, in appropriate circumstances, be referred to that agency for consultation or processing, and the person submitting the request shall be so notified.

§ 1631.6 How to request records—form and content.

(a) A request made under the FOIA must be submitted in writing, addressed to: FOIA Officer, Federal Retirement Thrift Investment Board, 1250 H Street, NW., Washington, DC 20005. The words “FOIA Request” should be clearly marked on both the letter and the envelope.

(b) Each request must reasonably describe the record(s) sought, including, when known: Entity/individual originating the record, date, subject matter, type of document, location, and any other pertinent information which would assist in promptly locating the record(s). Each request should also describe the type of entity the requester is for fee purposes. See §1631.11.

(c) When a request is not considered reasonably descriptive, or requires the production of voluminous records, or places an extraordinary burden on the Board, seriously interfering with its normal functioning to the detriment of the Thrift Savings Plan, the Board may require the person or agent making the FOIA request to confer with a Board representative in order to attempt to verify, and, if possible, narrow the scope of the request.
(d) Upon initial receipt of the FOIA request, the FOIA Officer will determine which official or officials within the Board shall have the primary responsibility for collecting and reviewing the requested information and drafting a proposed response.

(e) Any Board employee or official who receives a FOIA request shall promptly forward it to the FOIA Officer, at the above address. Any Board employee or official who receives an oral request made under the FOIA shall inform the person making the request of the provisions of this subpart requiring a written request according to the procedures set out herein.

§ 1631.9 Responses—form and content.

(a) When a requested record has been identified and is available, the FOIA Officer shall notify the person making the request as to where and when the record is available for inspection or that copies will be made available. The notification shall also advise the person making the request of any fees assessed under § 1631.13 of this part.

(b) A denial or partial denial of a request for a record shall be in writing signed by the FOIA Officer and shall include:

(1) The name and title of the person making the determination;

(2) A statement of fees assessed, if any; and

(3) A reference to the specific exemption under the FOIA authorizing the withholding of the record, and a brief explanation of how the exemption applies to the record withheld; or

(4) If appropriate, a statement that, after diligent effort, the requested records have not been found or have not been adequately examined during the time allowed by § 1631.8, and that the denial will be reconsidered as soon as the search or examination is complete; and

(5) A statement that the denial may be appealed to the General Counsel within 30 calendar days of receipt of the denial or partial denial.

(c) If, after diligent effort, existing requested records have not been found, or are known to have been destroyed or otherwise disposed of, the FOIA Officer shall so notify the requester.
§ 1631.10 Appeals to the General Counsel from initial denials.

(a) When the FOIA Officer has denied a request for records in whole or in part, the person making the request may, within 30 calendar days of receipt of the response of the FOIA Officer, appeal the denial to the General Counsel. The appeal must be in writing, addressed to the General Counsel, Federal Retirement Thrift Investment Board, 1250 H Street NW., Washington, DC 20005 and clearly labeled as a “Freedom of Information Act Appeal.”

(b) The General Counsel will act upon the appeal within 20 workdays of its receipt. The General Counsel may extend the 20 workday period of time by any number of workdays which could have been claimed and consumed by the FOIA Officer under §1631.8 but which were not claimed or consumed in making the initial determination.

(c) The General Counsel shall decide the appeal in writing and send it to the requester.

(d) If the decision is in favor of the person making the request, the General Counsel shall order the subject records be promptly made available to the person making the request.

(e) A denial in whole or in part of a request on appeal shall set forth the exemption relied on and a brief explanation of how the exemption applies to the records withheld and the reasons for asserting it, if different from that described by the FOIA Officer under §1631.9. The denial shall state that the person making the request may, if dissatisfied with the decision on appeal, file a civil action in Federal court in the district in which the person resides or has his principal place of business, in the district where the records are located, or in the District of Columbia.

(f) No personal appearance, oral argument, or hearing will ordinarily be permitted in connection with an appeal to the Board.

(g) On appeal, the General Counsel may reduce any fees previously assessed.

§ 1631.11 Fees to be charged—categories of requesters.

(a) There are four categories of FOIA requesters; commercial use requesters; representatives of news media; educational and noncommercial scientific institutions; and all other requesters. The Freedom of Information Reform Act of 1986 prescribes specific levels of fees for each of these categories:

(1) When records are being requested for commercial use, the fee policy of the Board is to levy full allowable direct cost of searching for, reviewing for release, and duplicating the records sought. Commercial users are not entitled to two hours of free search time, nor 100 free pages of reproduction of documents, nor waiver or reduction of fees, based on an assertion that disclosure would be in the public interest. The full allowable direct cost of searching for, and reviewing, records will be charged even if there is ultimately no disclosure of records. Commercial use is defined as a use that furthers the commercial trade or profit interests of the requester or person on whose behalf the request is made. In determining whether a requester falls within the commercial use category, the Board will look to the use to which a requester will put the documents requested.

(2) When records are being requested by representatives of the news media, the fee policy of the Board is to levy reproduction charges only, excluding charges for the first 100 pages. The phrase “representatives of the news media” refers to any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term “news” means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations broadcasting to the public at large, and publishers of periodicals (but only in those instances where they can qualify as disseminators of news) who make their products available for purchase or subscription by the general public. These examples are not intended to be all-inclusive. As traditional methods of news delivery evolve (e.g., electronic dissemination of
newspapers through telecommunications services), such alternative media would be included in this category. In the case of freelance journalists, they may be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization, even though not actually employed by it. A publication contract would be the clearest proof, but the Board may also look to the past publication record of a requester in making this determination.

(3) When records are being requested by an educational or noncommercial scientific institution whose purpose is scholarly or scientific research, the fee policy of the Board is to levy reproduction charges only, excluding charges for the first 100 pages. The term “educational institution” refers to a preschool, a public or private elementary or secondary school, an institution of undergraduate higher education, an institution of graduate higher education, an institution of professional education, and an institution of vocational education, which operates a program or programs of scholarly research. The term “noncommercial scientific institution” refers to an institution that is not operated on a commercial basis as that term is defined under paragraph (a)(1) of this section and which is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry. To be eligible for inclusion in this category, a requester must show that the request is being made under the auspices of a qualifying institution and that the records are not sought for a commercial use, but are sought in furtherance of scholarly (if the request is from an educational institution) or scientific (if the request is from a noncommercial scientific institution) research.

(4) For any other request which does not meet the criteria contained in paragraphs (a)(1) through (3) of this section, the fee policy of the Board is to levy full reasonable direct cost of searching for and duplicating the records sought, except that the first 100 pages of reproduction and the first two hours of search time will be furnished without charge. If computer search time is required, the first two hours of computer search time will be based on the hourly cost of operating the central processing unit and the operator’s hourly salary plus 16 percent. When the cost of the computer search, including the operator time and the cost of operating the computer to process the request, equals the equivalent dollar amount of two hours of the salary of the person performing the search, i.e., the operator, the Board shall begin assessing charges for computer search. Requests from individuals requesting records about themselves filed in the Board’s systems of records shall continue to be treated under the provisions of the Privacy Act of 1974, which permit fees only for reproduction. The Board’s fee schedule is set out in §1631.14 of this part.

(b) Except for requests that are for a commercial use, the Board may not charge for the first two hours of search time or for the first 100 pages of reproduction. However, a requestor may not file multiple requests at the same time, each seeking portions of a document or documents, solely in order to avoid payment of fees. When the Board believes that a requester or, on rare occasions, a group of requesters acting in concert, is attempting to break a request down into a series of requests for the purpose of evading the assessment of fees, the Board may aggregate any such requests and charge accordingly. For example, it would be reasonable to presume that multiple requests of this type made within a 30 calendar day period had been made to avoid fees. For requests made over a long period, however, the Board must have a reasonable basis for determining that aggregation is warranted in such cases. Before aggregating requests from more than one requester, the Board must have a reasonable basis on which to conclude that the requesters are acting in concert and are acting specifically to avoid payment of fees. In no case may the Board aggregate multiple requests on unrelated subjects from one requester.

(c) In accordance with the prohibition of section (4)(A)(iv) of the Freedom of Information Act, as amended, the Board shall not charge fees to any requester, including commercial use
§ 1631.12 Waiver or reduction of fees.

(a) The Board may waive all fees or levy a reduced fee when disclosure of the information requested is deemed to be in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Board or Federal Government and is not primarily in the commercial interest of the requester. In making its decision on waiving or reducing fees, the Board will consider the following factors:

(1) Whether the subject of the requested records concerns the operations or activities of the Board or the Government,

(2) Whether the disclosure is likely to contribute to an understanding of Government operations or activities (including those of the Board),

(3) Whether the disclosure is likely to contribute significantly to public understanding of TSP or Government operations or activities,

(4) Whether the requester has a commercial interest that would be furthered by the requested disclosure, and

(5) Whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is primarily in the commercial interest of the requester.

(b) A fee waiver request must indicate the existence and magnitude of any commercial interest that the requester has in the records that are the subject of the request.

§ 1631.13 Prepayment of fees over $250.

(a) When the Board estimates or determines that allowable charges that a requester may be required to pay are likely to exceed $250.00, the Board may require a requester to make an advance payment of the entire fee before continuing to process the request.

(b) When a requester has previously failed to pay a fee charged in a timely fashion (i.e., within 30 calendar days of the date of the billing), the Board may require the requester to pay the full amount owed plus any applicable interest as provided in §1631.14(d), and to make an advance payment of the full amount of the estimated fee before the agency begins to process a new request or a pending request from that requester.

(c) When the Board acts under paragraph (a) or (b) of this section, the administrative time limits prescribed in subsection (a)(6) of the FOIA (i.e., 10 working days from the receipt of initial requests and 20 working days from receipt of appeals from initial denial, plus permissible extensions of these time limits) will begin only after the Board has received fee payments under paragraph (a) or (b) of this section.

§ 1631.14 Fee schedule.

(a) Manual searches for records. The Board will charge at the salary rate(s) plus 16 percent (to cover benefits) of the employee(s) conducting the search. The Board may assess charges for time spent searching, even if the Board fails to locate the records or if records located are determined to be exempt from disclosure.

(b) Computer searches for records. The Board will charge the actual direct cost of providing the service. This will
include the cost of operating the central processing unit (CPU) for that portion of operating time that is directly attributable to searching for records responsive to a FOIA request and operator/programmer salary, plus 16 percent, apportionable to the search. The Board may assess charges for time spent searching, even if the Board fails to locate the records or if records located are determined to be exempt from disclosure.

(c) Duplication costs. (1) For copies of documents reproduced on a standard office copying machine in sizes up to 8½ × 14 inches, the charge will be $.15 per page.

(2) The fee for reproducing copies of records over 8½ × 14 inches, or whose physical characteristics do not permit reproduction by routine electrostatic copying, shall be the direct cost of reproducing the records through Government or commercial sources. If the Board estimates that the allowable duplication charges are likely to exceed $25, it shall notify the requester of the estimated amount of fees, unless the requester had indicated in advance his/her willingness to pay fees as high as those anticipated. Such a notice shall offer a requester the opportunity to confer with agency personnel with the objective of reformulating the request to meet his/her needs at a lower cost.

(3) For copies prepared by computer, such as tapes or printouts, the Board shall charge the actual cost, including operator time, of producing the tape or printout. If the Board estimates that the allowable duplication charges are likely to exceed $25, it shall notify the requester of the estimated amount of fees, unless the requester had indicated in advance his/her willingness to pay fees as high as those anticipated. Such a notice shall offer a requester the opportunity to confer with agency personnel with the objective of reformulating the request to meet his/her needs at a lower cost.

(4) For other methods of reproduction or duplication, the Board shall charge the actual direct costs of producing the document(s). If the Board estimates that the allowable duplication charges are likely to exceed $25, it shall notify the requester of the estimated amount of fees, unless the requester has indicated in advance his/her willingness to pay fees as high as those anticipated. Such a notice shall offer a requester the opportunity to confer with agency personnel with the objective of reformulating the request to meet his/her needs at a lower cost.

(d) Interest may be charged to those requesters who fail to pay fees charged. The Board may begin assessing interest charges on the amount billed starting on the 31st calendar day following the day on which the billing was sent. Interest will be at the rate prescribed in section 3717 of title 31 of the United States Code, and it will accrue from the date of the billing.

(e) The Board shall use the most efficient and least costly methods to comply with requests for documents made under the FOIA. The Board may choose to contract with private sector services to locate, reproduce, and disseminate records in response to FOIA requests when that is the most efficient and least costly method. When documents responsive to a request are maintained for distribution by agencies operating statutory-based fee schedule programs, such as, but not limited to, the Government Printing Office or the National Technical Information Service, the Board will inform requesters of the steps necessary to obtain records from those sources.

§ 1631.15 Information to be disclosed.

(a) In general, all records of the Board are available to the public, as required by the Freedom of Information Act. However, the Board claims the right, where it is applicable, to withhold material under the provisions specified in the Freedom of Information Act as amended (5 U.S.C. 552(b)).

(b) Records from non-U.S. Government source. (1) Board personnel will generally consider two exemptions in the FOIA in deciding whether to withhold from disclosure material from a non-U.S. Government source. Exemption 4 permits withholding of "trade secrets and commercial or financial information obtained from a person as privileged or confidential." Exemption 6 permits withholding certain information, the disclosure of
which "would constitute a clearly unwarranted invasion of personal privacy."

(2)(i) Exemption 4. Commencing January 1, 1988, the submitter of confidential commercial information must, at the time the information is submitted to the Board or within 30 calendar days of such submission, designate any information the disclosure of which the submitter claims could reasonably be expected to cause substantial competitive harm. The submitter as part of its submission, must explain the rationale for the designation of the information as commercial and confidential.

(ii) Confidential commercial information means records provided to the Board by a submitter that arguably contains material exempt from release under Exemption 4 of the FOIA, 5 U.S.C. 552(b)(4), because disclosure could reasonably be expected to cause substantial competitive harm.

(iii) After January 1, 1988, a submitter who does not designate portions of a submission as confidential commercial information waives that basis for nondisclosure unless the Board determines that it has substantial reason to believe that disclosure of the requested records would result in substantial harm to the competitive position of the submitter.

(3) When the Board determines that it has substantial reason to believe that disclosure of the requested records would result in substantial competitive harm to the submitter, and has no designation from the submitter, it shall notify the submitter of the following:

(i) That a FOIA request has been received seeking the record,

(ii) That disclosure of the record may be required,

(iii) That disclosure of the record could result in competitive harm to the submitter,

(iv) That the submitter has a period of seven workdays from date of notice within which it or a designee may object to the disclosure its records, and

(v) That a detailed explanation should be submitted setting forth all grounds as to why the disclosure would result in substantial competitive harm, such as, the general custom or usage in the business of the information in the record, the number and situation of the persons who have access to the record, the type and degree of risk of financial injury that release would cause, and the length of time the record needs to be kept confidential.

(4) In exceptional circumstances, the Board may extend by seven workdays the time for a submitter's response for good cause.

(5) The Board shall give careful consideration to all specified grounds for nondisclosure prior to making an administrative determination on the issue of competitive harm.

(6) Should the Board determine to disclose the requested records, it shall provide written notice to the submitter, explaining briefly why the submitter's objections were not sustained and setting forth the date for disclosure, which date may be less than 10 calendar days after the date of the letter to the submitter.

(7) A submitter who provided records to the Board prior to January 1, 1988, and did not designate which records contain confidential commercial information, shall be notified as provided in § 1631.15(b)(3). After making such notification, the Board will follow the procedures set forth in §1631.15(b)(4)-(6).

(8) The Board will, as a general rule, look favorably upon recommendations for withholding information about ideas, methods, and processes that are unique; about equipment, materials, or systems that are potentially patentable; or about a unique use of equipment which is specifically outlined.

(9) The Board will not withhold information that is known through custom or usage in the relevant trade, business, or profession, or information that is generally known to any reasonably educated person. Self-evident statements or reviews of the general state of the art will not ordinarily be withheld.

(10) The Board will withhold all cost data submitted, except the total estimated costs from each year of a contract. It will release these total estimated costs and ordinarily release explanatory material and headings associated with the cost data, withholding only the figures themselves. If a contractor believes that some of the explanatory material should be withheld, that material must be identified and a
§ 1631.32 Procedure in the event of a demand for disclosure.

(a) Whenever a demand is made upon an employee or former employee of the Board for the production of material or the disclosure of information described in §1631.31, he or she shall immediately notify the Executive Director or his or her designee. If possible, the Executive Director or his or her designee shall be notified promptly of such demand and, in the case of a demand for the disclosure of information, shall in any event be afforded an opportunity to appear before the court to present his or her view of the matter. Before or during any proceeding before the court, the Executive Director or his or her designee shall be given an opportunity to present his or her views. The Executive Director or his or her designee shall be entitled, during such appearance, to present oral argument and, to the extent possible, to introduce and rely upon evidence.

(b) In the event of a decision by a court that a demand for the production of information under a demand issued to a Board employee is proper, the Executive Director or his or her designee shall have the right to appeal such decision to a higher court unless the court has determined that the demand is for information subject to an exemption or deletion under 5 U.S.C. 552(b) or 552(d), respectively, in which event the determination on the application of such exemption or deletion shall be final and subject to no further review.

§ 1631.33 Subsequent actions.

After the determination of the court, the demands of a court or other authority shall be dealt with as directed by the court.

§ 1631.34 Interference with the conduct of official business.

(a) In the event of a demand for the production of material or disclosure of information described in §1631.31, an employee or former employee of the Board shall not, subject to the provisions of §1631.32, engage in any conduct which would interfere with the conduct of the Board's official business.

(b) The refusal of an employee or former employee to comply with a demand that he or she engage in any conduct other than that described in subsection (a) of this section shall be reviewed by the Board and such employee or former employee may be suspended, removed, or otherwise disciplined for such refusal.

(c) The refusal of an employee or former employee to comply with a demand that he or she engage in any conduct other than that described in subsection (a) of this section shall be reviewed by the Board and such employee or former employee may be suspended, removed, or otherwise disciplined for such refusal.

§ 1631.35 Appeals.

Any employee or former employee of the Board who is aggrieved by a decision of the Board under §1631.32 shall have the right to appeal such decision to the head of the Board.

§ 1631.36Waiver.

The Executive Director may, in his or her discretion, waive all or any part of any of the limitations and procedures set forth in this subpart.

§ 1631.37 Records.

All records, including any index or other record, pertaining to any material described in §1631.31 shall be retained by the Board as a part of its official records.

§ 1631.38 Additional requirements.

In addition to the requirements of this subpart, any employee or former employee of the Board shall comply with the requirements of any applicable law or regulation concerning the production of material or the disclosure of information described in §1631.31.

§ 1631.39 Further actions.

This subpart is in addition to all other laws and regulations concerning the production of material or the disclosure of information.

§ 1631.40 Interpretation.

The provisions of this subpart shall be interpreted in accordance with the provisions of the Freedom of Information Act and the implementing regulations of the Board.

§ 1631.41 Finality.

Any decision of the Board under this subpart shall be final and conclusive for all purposes.

§ 1631.42 Revision.

This subpart is revised from time to time to reflect changes in the law or regulations. No employee or former employee of the Board shall, in the absence of written notice to the contrary, rely upon any provision of this subpart that has been revised.
§ 1631.33 Procedure in the event of an adverse ruling.

If the court or other authority declines to stay the effect of the demand in response to a request made in accordance with §1631.32(b) pending receipt of instructions from the Executive Director or his or her designee or if the court or other authority rules that the demand must be complied with irrespective of the instructions from the Executive Director not to produce the material or disclose the information sought, the employee or former employee upon whom the demand has been made shall respectfully decline to comply with the demand.

(c) The Board will maintain mailing lists of names and addresses of all persons who wish to receive copies of agency announcements of meetings open to public observation. § 1632.5 Exemptions.

(a) Except in a case where the Board finds that the public interest requires otherwise, the Board may close a meeting or a portion or portions of a meeting under the procedures specified in §1632.7 or §1632.8 of this part, and withhold information under the provisions of §§1632.6, 1632.7, 1632.8, or 1632.11 of this part, where the Board properly determines that such meeting or portion of its meeting or the disclosure of such information is likely to:

1) Disclose matters that are:
   (i) Specifically authorized under criteria established by an Executive Order to be kept secret in the interests of national defense or foreign policy, and
   (ii) In fact properly classified pursuant to such Executive Order;

2) Relate solely to internal personnel rules and practices;

§1632.7 Meetings closed to public observation.

(a) A meeting or a portion of a meeting will be closed to public observation or information as to such meeting or portion of a meeting will be withheld, only by recorded vote of a majority of the Members of the Board when it is determined that the meeting or the portion of the meeting or the withholding of information qualifies for exemption under §1632.5. § 1636.130 General prohibitions against discrimination.

(v) Deny a qualified individual with handicaps the opportunity to participate as a member of planning or advisory boards;

(vi) Otherwise limit a qualified individual with handicaps in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified individuals with handicaps to discrimination on the basis of handicap.

(6) The agency may not administer a licensing or certification program in a manner that subjects qualified individuals with handicaps to discrimination on the basis of handicap, nor may the agency establish requirements for the programs or activities of licensees or certified entities that subject qualified individuals with handicaps to discrimination on the basis of handicap. However, the programs or activities of entities that are licensed or certified by the agency are not, themselves, covered by this part.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to individuals with handicaps or the exclusion of a specific class of individuals with handicaps from a program limited by Federal statute or Executive order to a different class of individuals with handicaps is not prohibited by this part.

§§ 1636.141—1636.148 [Reserved]

§ 1636.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in §1636.150, no qualified individual with handicaps shall, because the agency's facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 1636.150 Program accessibility: Existing facilities.

(a) General. The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by individuals with handicaps;

(2) In the case of historic preservation programs, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1636.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) Methods—(1) General. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(2) Historic preservation programs. In meeting the requirements of §1636.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to individuals with handicaps. In cases where a physical alteration to
§ 1636.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the individual with handicaps.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD’s) or equally effective telecommunication systems shall be used to communicate with persons with impaired hearing.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.
(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1636.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.

(a) The Board may report delinquent debts to appropriate credit reporting agencies by providing the following information:

(1) A statement that the debt is valid and is overdue;

(2) The name, address, taxpayer identification number, and any other information necessary to establish the identity of the debtor;

(3) The amount, status, and history of the debt; and

(4) The program or pertinent activity under which the debt arose.

(b) Before disclosing debt information to a credit reporting agency, the Board will:

(1) Take reasonable action to locate the debtor if a current address is not available; and

(2) If a current address is available, notify the debtor by certified mail, return receipt requested:

(i) That a designated Board official has reviewed the claim and has determined that the claim is valid and overdue;

(ii) That within 60 days the Board intends to disclose to a credit reporting agency the information authorized for disclosure by this section; and

(iii) That the debtor can request an explanation of the claim, can dispute the information in the Board's records concerning the claim, and can file for an administrative review, waiver, or reconsideration of the claim, where applicable.

(c) At the time debt information is submitted to a credit reporting agency, the Board will provide a written statement to the reporting agency that all required actions have been taken. In addition, the Board will, thereafter, ensure that the credit reporting agency is promptly informed of any substantive change in the conditions or amount of the debt, and promptly verify or correct information relevant to the claim.

(d) If a debtor disputes the validity of the debt, the credit reporting agency will refer the matter to the appropriate Board official. The credit reporting agency will exclude the debt from its reports until the Board certifies in writing that the debt is valid.

§ 1639.6 Contracting for collection services.

The Board will use the services of a private collection contractor where it determines that such use is in the best interest of the Board. When the Board determines that there is a need to contract for collection services, it will—

(a) Retain sole authority to:

(1) Resolve any dispute by the debtor regarding the validity of the debt;

(2) Compromise the debt;

(3) Suspend or terminate collection action;

(4) Refer the debt to the Department of Justice for litigation; and

(5) Take any other action under this part which does not result in full collection of the debt;
§ 1639.7  Initial notice to debtor.

(a) When the Executive Director determines that a debt is owed the Board, he will send a written notice to the debtor. The notice will inform the debtor of the following:

(1) The amount, nature, and basis of the debt;
(2) That payment is due immediately after receipt of the notice;
(3) That the debt is considered delinquent if it is not paid within 30 days of the date the notice is mailed or hand-delivered;
(4) That interest charges (except for State and local governments and Indian tribes), penalty charges, and administrative costs may be assessed against a delinquent debt;

§ 1639.8  Interest, penalty, and administrative costs.

(a) Interest. The Board will assess interest on all delinquent debts unless prohibited by statute, regulation, or contract.

(1) Interest begins to accrue on all debts from the date the initial notice is mailed or hand-delivered to the debtor. The Board will not recover interest if the debt is paid within 30 days of the date of the initial notice. The Board will assess an annual rate of interest that is equal to the rate of the current value of funds to the United States Treasury (i.e., the Treasury tax and loan account rate) as prescribed and published by the Secretary of the Treasury in the Federal Register and the Treasury Fiscal Requirements Manual Bulletins, unless a different rate is necessary to protect the interests of the Board. (2) The Executive Director may extend the 30-day period for payment where he determines that such action is in the best interest of the Board. A decision to extend or not to extend the payment period is final and is not subject to further review.

(b) Penalty. The Board will assess a penalty charge, not to exceed six percent a year, on any portion of a debt that is not paid within 90 days of the initial notice.

(c) Administrative costs. The Board will assess charges to cover administrative costs incurred as the result of the debtor's failure to pay a debt within 30 days of the date of the initial notice. Administrative costs include the additional costs incurred in processing and handling the debt because it became delinquent, such as costs incurred in obtaining a credit report, or in using a private collection contractor, or service fees charged by a Federal agency for collection activities undertaken on behalf of the Board.

(d) Allocation of payments. A partial payment by a debtor will be applied first to outstanding administrative costs, second to penalty assessments, third to accrued interest, and then to the outstanding debt principal.
§ 1639.20 Applicability and scope.

(a) The regulations in this subpart provide Board procedures for the collection by salary offset of a Federal employee's pay to satisfy certain debts owed to the Board or to Federal agencies.

(b) The regulations in this subpart apply to collections by the Executive Director, from:

(1) Federal employees who owe debts to the Board; and

(2) Employees of the Board who owe debts to Federal agencies.

(c) The regulations in this subpart do not apply to debts arising under the Internal Revenue Code of 1986, as amended (title 26, United States Code); the Social Security Act (42 U.S.C. 301 et seq.); the tariff laws of the United States; or to any case where collection of a debt by salary offset is explicitly provided for or prohibited by another statute (e.g., travel advances in 5 U.S.C. 5705 and employee training expenses in 5 U.S.C. 4108).

(e) A levy pursuant to the Internal Revenue Code takes precedence over a salary offset under this subpart, as provided in 5 U.S.C. 5514(d).

(f) This subpart does not apply to any adjustment to pay arising out of an employee's election of coverage or a change in coverage under a Federal retirement plan.
§ 1639.21 Waiver requests.

The regulations in this subpart do not preclude an employee from requesting waiver of an overpayment under 5 U.S.C. 5584 or 8346(b), 10 U.S.C. 2774, 32 U.S.C. 716, or under other statutory provisions pertaining to the particular debts being collected.

§ 1639.22 Notice requirements before offset.

Deductions under the authority of 5 U.S.C. 5514 may be made if, a minimum of 30 calendar days before salary offset is initiated, the Board provides the employee with written notice that he or she owes a debt to the Board. This notice of intent to offset an employee’s salary will be hand-delivered or sent by certified mail to the most current address that is available to the Board. The notice provided under this section will state:

(a) That the Board has reviewed the records relating to the claim and has determined that a debt is owed, the amount of the debt, and the facts giving rise to the debt;

(b) The Board’s intention to collect the debt by deducting money from the employee’s current disposable pay account until the debt, and all accumulated interest, penalties, and administrative costs, is paid in full;

(c) The amount, frequency, approximate beginning date, and duration of the intended deductions;

(d) An explanation of the Board’s policy concerning interest, penalties, and administrative costs, including a statement that such assessments must be made unless excused in accordance with the Federal Claims Collection Standards, 4 CFR chapter II;

(e) The employee’s right to inspect and copy all records pertaining to the debt claimed or to receive copies of those records if personal inspection is impractical;

(f) The right to a hearing conducted by an administrative law judge or other impartial hearing official (i.e., a hearing official not under the supervision or control of the Executive Director), with respect to the existence and amount of the debt claimed or the repayment schedule (i.e., the percentage of disposable pay to be deducted each pay period), so long as a request is filed by the employee as prescribed in § 1639.23;

(g) If not previously provided, the opportunity (under terms agreeable to the Board) to establish a schedule for the voluntary repayment of the debt or to enter into a written agreement to establish a schedule for repayment of the debt in lieu of offset. The agreement must be in writing and signed by both the employee and the Executive Director;

(h) The name, address, and telephone number of an officer or employee of the Board who may be contacted concerning procedures for requesting a hearing;

(i) The method and time period for requesting a hearing;

(j) That the timely filing of a request for a hearing on or before the 15th calendar day following receipt of the notice of intent will stay the commencement of collection proceedings;

(k) The name and address of the officer or employee of the Board to whom the request for a hearing should be sent;

(l) That the Board will initiate certification procedures to implement a salary offset, as appropriate, (which may not exceed 15 percent of the employee's disposable pay) not less than 30 days from the date the employee receives the notice of debt, unless the employee files a timely request for a hearing;

(m) That a final decision on the hearing (if one is requested) will be issued at the earliest practical date, but not later than 60 days after the filing of the petition requesting the hearing, unless the employee requests and the hearing official grants a delay in the proceedings;

(n) That any knowingly false or frivolous statements, representations, or evidence may subject the employee to:

(1) Disciplinary procedures appropriate under 5 U.S.C. chapter 75, 5 CFR part 752, or any other applicable statute or regulations;
§ 1639.23 Hearing.

(a) Request for hearing. Except as provided in paragraph (b) of this section, an employee who desires a hearing concerning the existence or amount of the debt or the proposed offset schedule must send such a request to the Board office designated in the notice of intent. See §1639.22(k).

(1) The request for hearing must be signed by the employee and fully identify and explain with reasonable specificity all the facts, evidence, and witnesses, if any, that support his or her position.

(2) The request for hearing must be received by the designated office on or before the 15th calendar day following the employee's receipt of the notice. Timely filing will stay the commencement of collection procedures.

(3) The employee must also specify whether an oral or written hearing is requested. If an oral hearing is desired, the request should explain why the matter cannot be resolved by review of the documentary evidence alone.

(b) Failure to timely submit. (1) If the employee files a request for a hearing after the expiration of the 15th calendar day period provided for in paragraph (a) of this section, the Board will accept the request if the employee can show that the delay was the result of circumstances beyond his or her control or because of a failure to receive notice of the filing deadline (unless the employee had actual notice of the filing deadline).

(2) An employee waives the right to a hearing, and will have his or her disposable pay offset in accordance with the Board's offset schedule, if the employee:

(i) Fails to file a request for a hearing and the failure is not excused; or

(ii) Fails to appear at an oral hearing of which he or she was notified and the hearing official does not determine that failure to appear was due to circumstances beyond the employee's control.

(c) Representation at the hearing. The creditor agency may be represented by legal counsel. The employee may represent himself or herself or may be represented by an individual of his or her choice and at his or her own expense.

(d) Review of Board records related to the debt. (1) In accordance with §1639.22(e), an employee who intends to inspect or copy Board records related to the debt must send a letter to the official designated in the notice of intent to offset stating his or her intention. The letter must be received within 15 calendar days after the employee's receipt of the notice.

(2) In response to a timely request submitted by the debtor, the designated official will notify the employee of the location and time when the employee may inspect and copy records related to the debt.

(3) If personal inspection is impractical, arrangements will be made to send copies of those records to the employee.

(e) Hearing official. The Board may request an administrative law judge to conduct the hearing or the Board may obtain a hearing official who is not under the supervision or control of the Executive Director.

(f) Procedure. (1) General. After the employee requests a hearing, the hearing official will notify the employee of the form of the hearing to be provided. If the hearing will be oral, the notice will set forth the date, time, and location of the hearing. If the hearing will be written, the employee will be notified that he or she should submit arguments in writing to the hearing official by a specified date after which the record will be closed. This date will
(2) Oral hearing. An employee who requests an oral hearing will be provided an oral hearing, if the hearing official determines that the matter cannot be resolved by review of documentary evidence alone (e.g., when an issue of credibility is involved). The hearing is not an adversarial adjudication and need not take the form of an evidentiary hearing. Witnesses who testify in oral hearings will do so under oath or affirmation. Oral hearings may take the form of, but are not limited to:

(i) Informal conferences with the hearing official, in which the employee and agency representative will be given full opportunity to present evidence, witnesses, and argument;

(ii) Informal meetings with an interview of the employee; or

(iii) Formal written submissions, with an opportunity for oral presentation.

(3) Record determination. If the hearing official determines that an oral hearing is not necessary, he or she will make the determination based upon a review of the available written record.

(4) Record. The hearing official must maintain a summary record of any hearing provided by this subpart.

(g) Date of decision. The hearing official will issue a written decision, based upon documentary evidence and information developed at the hearing, as soon as practical after the hearing, but not later than 60 days after the date on which the petition was received by the creditor agency, unless the employee requests a delay in the proceedings. In that case, the 60 day decision period will be extended by the number of days by which the hearing was postponed.

(h) Content of decision. The written decision will include:

(1) A statement of the facts presented to support the origin, nature, and amount of the debt;

(2) The hearing official’s findings, analysis, and conclusions; and

(3) The terms of any repayment schedules, if applicable.

(i) Failure to appear. (1) In the absence of good cause shown (e.g., excused illness), an employee who fails to appear at a hearing will be deemed, for the purpose of this subpart, to admit the existence and amount of the debt as described in the notice of intent.

(2) If the representative of the creditor agency fails to appear, the hearing official will proceed with the hearing as scheduled, and make his or her determination based upon the oral testimony presented by the representative(s) of the employee and the documentary documentation submitted by both parties.

(3) At the request of both parties, the hearing official will schedule a new hearing date. Both parties will be given reasonable notice of the time and place of this new hearing.

§ 1639.24 Certification.

(a) The Board will provide a certification to the paying agency in all cases in which:

(1) The hearing official determines that a debt exists;

(2) The employee admits the existence and amount of the debt by failing to request a hearing; or

(3) The employee admits the existence of the debt by failing to appear at a hearing.

(b) The certification must be in writing and must include:

(1) A statement that the employee owes the debt;

(2) The amount and basis of the debt;

(3) The date the Board’s right to collect the debt first accrued;

(4) A statement that the Board’s regulations have been approved by the Office of Personnel Management under 5 CFR part 550, subpart K;

(5) The amount and date of the collection, if only a one-time offset is required;

(6) If the collection is to be made in installments, the number of installments to be collected, the amount of each installment, and the date of the first installment, if a date other than the next officially established pay period is required; and

(7) Information regarding the completion of procedures required by 5 U.S.C. 5514, including the dates of notices and hearings provided to the employee, or, if applicable, the employee’s signed consent to salary offset or a signed statement acknowledging receipt of required procedures.
§ 1639.25 Voluntary repayment agreements as alternative to salary offset.

(a) In response to a notice of intent to offset against an employee's salary to recover a debt owed to the Board, an employee may propose to the Board that he or she be allowed to repay the debt through direct payments as an alternative to salary offset. Any employee who wishes to repay a debt without salary offset must submit in writing a proposed agreement to repay the debt. The employee's proposal must be received by the official designated in the notice of intent within 15 calendar days after the employee received the notice.

(b) In response to a timely proposal by the debtor, the Executive Director will notify the employee whether the employee's proposed written agreement for repayment is acceptable. It is within the Executive Director's discretion to accept a repayment agreement instead of proceeding by salary offset.

(c) If the Executive Director decides that the proposed repayment agreement is unacceptable, the employee will have 15 days from the date he or she received notice of the decision to file a petition for a hearing.

(d) If the Executive Director decides that the proposed repayment agreement is acceptable, the alternative arrangement must be in writing and signed by both the employee and the Executive Director.

§ 1639.26 Special review.

(a) An employee subject to salary offset or a voluntary repayment agreement in connection with a debt owed to the Board may, at any time, request that the Board conduct a special review of the amount of the salary offset or voluntary payment, based on materially changed circumstances, such as catastrophic illness, divorce, death, or disability.

(b) To assist the Board in determining whether an offset would prevent the employee from meeting essential subsistence expenses (costs incurred for food, housing, clothing, transportation, and medical care), the employee will submit a detailed statement and supporting documents for the employee, his or her spouse, and dependents, indicating:

1. Income from all sources;
2. Assets;
3. Liabilities;
4. Number of dependents;
5. Expenses for food, housing, clothing, and transportation;
6. Medical expenses; and
7. Exceptional expenses, if any.

(c) If the employee requests a special review under this section, the employee must file an alternative proposed salary offset or payment schedule and a statement, with supporting documents, showing why the current salary offset or payments result in an extreme financial hardship to the employee.

(d) The Executive Director will evaluate the statement and supporting documents, and determine whether the original offset or repayment schedule imposes an extreme financial hardship on the employee. The Executive Director will notify the employee in writing of his determination, including, if appropriate, a revised offset or payment schedule.

(e) If the special review results in a revised offset or repayment schedule, the Board will provide a new certification to the paying agency.

§ 1639.27 Procedures for salary offset.

(a) The Board will coordinate salary deductions under this subpart.

(b) The Board's payroll office will determine the amount of an employee's disposable pay and will implement the salary offset.

(c) Deductions will begin within three official pay periods following receipt by the Board's payroll office of certification for the creditor agency.

(d) Types of collection—

1. Lump-sum offset. If the amount of the debt is equal to or less than 15 percent of disposable pay, the debt generally will be collected through one lump-sum offset.

2. Installment deductions. Installment deductions will be made over a period not greater than the anticipated period of employment. The size and frequency of installment deductions will bear a reasonable relation to the size of the debt and the employee's ability to pay.
§ 1639.28 Coordinating salary offset with other agencies.

(a) Responsibility of the Board as the creditor agency. (1) The Board will coordinate debt collections with other agencies and will, as appropriate:

(i) Arrive for a hearing or special review upon proper petitioning by the debtor; and

(ii) Prescribe, upon consultation with the General Counsel, the additional practices and procedures that may be necessary to carry out the intent of this subpart.

(2) The Board will ensure:

(i) That each notice of intent to offset is consistent with the requirements of §1639.22;

(ii) That each certification of debt that is sent to a paying agency is consistent with the requirements of §1639.24; and

(iii) That hearings are properly scheduled.

(3) Requesting recovery from current paying agency. Upon completion of the procedures established in these regulations and pursuant to 5 U.S.C. 5514, the Board will provide the paying agency with a certification as provided in §1639.24.

(4) If the employee is in the process of separating and has not received a final salary check or other final payment(s) from the paying agency, the Board must submit a debt claim to the paying agency for collection under 31 U.S.C. 3716. The paying agency must certify the total amount of its collection on the debt and notify the employee and the Board. If the paying agency’s collection does not fully satisfy the debt, and the paying agency is aware that the debtor is entitled to payments from the Civil Service Retirement and Disability Fund or other similar payments that may be due the debtor employee from other Federal Government sources, the paying agency will provide written notice of the outstanding debt to the agency responsible for making the other payments to the debtor employee. The written notice will state that the employee owes a debt, the amount of the debt, and that the provisions of this section have been fully complied with. The Board must submit a properly certified claim to the agency responsible for making
the payments before the collection can be made.

(5) Separated employee. If the employee is already separated and all payments due from his or her former paying agency have been paid, the Board may request, unless otherwise prohibited, that money due and payable to the employee from the Civil Service Retirement and Disability Fund (5 CFR part 831, subpart R, or 5 CFR part 845, subpart D) or other similar funds, be administratively offset to collect the debt.

(6) Employee transfer. When an employee transfers from one paying agency to another paying agency, the Board will not repeat the due process procedures described in 5 U.S.C. 5514 and this subpart to resume the collection. The Board will submit a properly certified claim to the new paying agency and will subsequently review the debt to make sure the collection is resumed by the new paying agency.

(b) Responsibility of the Board as the paying agency. (1) Complete claim. When the Board receives a certified claim from a creditor agency, deductions should be scheduled to begin within three officially established pay intervals. Before deductions can begin, the employee will receive a written notice from the Board including:

(i) A statement that the Board has received a certified debt claim from the creditor agency;

(ii) The amount of the debt claim;

(iii) The date salary offset deductions will begin, and

(iv) The amount of such deductions.

(2) Incomplete claim. When the Board receives an incomplete certification of debt from a creditor agency, the Board will return the debt claim with a notice that procedures described in 5 U.S.C. 5514 and 5 CFR part 550, subpart K, must be followed and a properly certified debt claim received before action will be taken to collect from the employee's current pay account.

(3) Review. The Board is not authorized to review the merits of the creditor agency's determination with respect to the amount or validity of the debt certified by the creditor agency.

(4) Employees who transfer from one paying agency to another. If, after the creditor agency has submitted the debt claim to the Board, the employee transfers from the Board to a different paying agency before the debt is collected in full, the Board will certify the total amount collected on the debt and notify the employee and the creditor agency in writing. The notification to the creditor agency will include information on the employee's transfer.

§ 1639.29 Refunds.

(a) If the Board is the creditor agency, it will promptly refund any amount deducted under the authority of 5 U.S.C. 5514, when:

(1) The debt is waived or all or part of the funds deducted are otherwise found not to be owed; or

(2) An administrative or judicial order directs the Board to make a refund.

(b) Unless required or permitted by law or contract, refunds under this section will not bear interest.

§ 1639.30 Non-waiver of rights by payments.

An employee's involuntary payment of all or any portion of a debt being collected under this subpart must not be construed as a waiver of any rights which the employee may have under 5 U.S.C. 5514 or any other provisions of a written contract or law, unless there are statutory or contractual provisions to the contrary.

Subpart C—Tax Refund Offset

§ 1639.40 Applicability and scope.

(a) The regulations in this subpart implement 31 U.S.C. 3720A which authorizes the Department of the Treasury to reduce a tax refund by the amount of a past-due legally enforceable debt owed to a Federal agency.

(b) For purposes of this section, a past-due legally enforceable debt referable to the Department of the Treasury is a debt that is owed to the Board; and:

(1) Is at least $25.00 dollars;

(2) Except in the case of a judgment debt, has been delinquent for at least three months and will not have been delinquent more than 10 years at the time the offset is made;
§ 1639.41 Procedures for tax refund offset.

(a) The Board will be the point of contact with the Department of the Treasury for administrative matters regarding the offset program.

(b) The Board will ensure that the procedures prescribed by the Department of the Treasury are followed in developing information about past-due debts and submitting the debts to the IRS.

(c) The Board will submit a notification of a taxpayer's liability for past-due legally enforceable debt to the Department of the Treasury which will contain:

(1) The name and taxpayer identifying number (as defined in section 6109 of the Internal Revenue Code, 26 U.S.C. 6109) of the person who is responsible for the debt;

(2) The dollar amount of the past-due and legally enforceable debt;

(3) The date on which the original debt became past due;

(4) A statement certifying that, with respect to each debt reported, all of the requirements of eligibility of the debt for referral for the refund offset have been satisfied. See §1639.40(b).

(d) The Board shall promptly notify the Department of the Treasury to correct Board data submitted when it:

(1) Determines that an error has been made with respect to a debt that has been referred;

(2) Receives or credits a payment on the debt; or

(3) Receives notice that the person owing the debt has filed for bankruptcy under Title 11 of the United States Code or has been adjudicated bankrupt and the debt has been discharged.

§ 1639.42 Notice requirements before tax refund offset.

(a) The Board must notify, or make a reasonable attempt to notify, the person:

(1) The amount of the debt and that the debt is past due; and

(2) Unless repaid within 60 days thereafter, the debt will be referred to the Department of the Treasury for offset against any overpayment of tax; and

(3) All other requirements of 31 U.S.C. 3720A and the Department of Treasury regulations relating to the eligibility of a debt for tax return offset have been satisfied.

§ 1639.41 Notice requirements before tax refund offset.

(a) The Board must notify, or make a reasonable attempt to notify, the person:

(1) The amount of the debt and that the debt is past due; and

(2) Unless repaid within 60 days, the debt will be referred to the Department of the Treasury for offset against any refund of overpayment of tax.

(b) The Board will provide a mailing address for forwarding any written correspondence and a contact name and telephone number for any questions concerning the offset.

(c) The Board will give the individual debtor at least 60 days from the date of the notice to present evidence that all or part of the debt is not past due or legally enforceable. The Board will consider the evidence presented by the individual and will make a determination whether any amount of the debt is past due and legally enforceable. For purposes of this section, evidence that collection of the debt is affected by a
bankruptcy proceeding involving the individual will bar referral of the debt to the Department of the Treasury.

(d) Notice given to a debtor under paragraphs (a), (b), and (c) of this section shall advise the debtor of how he or she may present evidence to the Board that all or part of the debt is not past due or legally enforceable. Such evidence may not be referred to, or considered by, individuals who are not officials, employees, or agents of the United States in making the determination required under paragraph (c) of this section. Unless such evidence is directly considered by an official or employee of the Board, and the determination required under paragraph (c) of this section has been made by an official or employee of the Board, any unresolved dispute with the debtor regarding whether all or part of the debt is past due or legally enforceable must be referred to the Board for ultimate administrative disposition, and the Board must directly notify the debtor of its determination.

Subpart D—Administrative Offset

§ 1639.50 Applicability and scope.

(a) The regulations in this subpart apply to the collection of debts owed to the Board, or from a request for an offset received by the Board from a Federal agency. Administrative offset is authorized under section 5 of the Federal Claims Collection Act of 1966, as amended by the Debt Collection Act of 1982 (31 U.S.C. 3716). The regulations in this subpart are consistent with the Federal Claims Collection Standards on administrative offset issued jointly by the Department of Justice and the General Accounting Office as set forth in 4 CFR 102.3.

(b) The Executive Director, after attempting to collect a debt owed to the Board under section 3(a) of the Federal Claims Collection Act of 1966, as amended (31 U.S.C. 3711(a)), may collect the debt by administrative offset, subject to the following:

(1) The debt exists; and
(2) The person has been afforded the necessary due process rights.

(e) If the six-year period for bringing action on a debt provided in 28 U.S.C. 2415 has expired, then administrative offset may be used to collect the debt only if the costs of bringing such an action are likely to be less than the amount of the debt.

(f) No collection by administrative offset will be made on any debt that has been outstanding for more than 10 years unless facts material to the Board or a Federal agency's right to collect the debt were not known, and reasonably could not have been known, by the official or officials responsible for discovering and collecting the debt.

(g) The regulations in this subpart do not apply to:

(1) A case in which administrative offset of the type of debt involved is explicitly provided for or prohibited by another statute; or
(2) Debts owed to the Board by Federal agencies or by any State or local government.

§ 1639.51 Notice procedures.

Before collecting any debt through administrative offset, the Board will send a notice of intent to offset to the debtor by certified mail, return receipt requested, at the most current address that is available to the Board. The notice will provide:

(a) A description of the nature and amount of the debt and the intention of the Board to collect the debt through administrative offset;
§ 1639.52  Board review.

(a) A debtor may dispute the existence of the debt, the amount of debt, or the terms of repayment. A request to review a disputed debt must be submitted to the Board official who provided the notice of intent to offset within 30 calendar days of the debtor’s receipt of the written notice described in § 1639.51.

(b) If the debtor requests an opportunity to inspect or copy the Board’s records concerning the disputed claim, the Board will grant 10 business days for the review. The time period will be measured from the time the request for inspection is granted or from the time the debtor receives a copy of the records.

(c) Pending the resolution of a dispute by the debtor, transactions in any of the debtor’s account(s) maintained in the Board may be temporarily suspended to the extent of the debt that is owed. Depending on the type of transaction, the suspension could preclude its payment, removal, or transfer, as well as prevent the payment of interest or discount due on the transaction. Should the dispute be resolved in the debtor’s favor, the suspension will be immediately lifted.

(d) During the review period, interest, penalties, and administrative costs authorized by law will continue to accrue.

(e) If the debtor does not exercise the right to request a review within the time specified in this section or if, as a result of the review, it is determined that the debt is due and no written agreement is executed, then administrative offset will be ordered in accordance with the regulations in this subpart without further notice.

§ 1639.53  Written agreement for repayment.

A debtor who admits liability but elects not to have the debt collected by administrative offset will be afforded an opportunity to negotiate a written agreement for repaying the debt. If the financial condition of the debtor does not support the ability to pay in one lump sum, the Board may consider reasonable installments. No installment arrangement will be considered unless the debtor submits a financial statement, executed under penalty of perjury, reflecting the debtor’s assets, liabilities, income, and expenses. The financial statement must be submitted within 10 business days of the Board’s request for the statement. At the Board’s option, a confess-judgment note or bond of indemnity with surety may be required for installment agreements. Notwithstanding the provisions of this section, any reduction or compromise of a claim will be governed by 31 U.S.C. 3711.

§ 1639.54  Requests for offset to Federal agencies.

The Executive Director may request that funds due and payable to a debtor by another Federal agency be paid to the Board in payment of a debt owed to the Board by that debtor. In requesting administrative offset, the Board, as creditor, will certify in writing to the Federal agency holding funds of the debtor:

(a) That the debtor owes the debt;

(b) The amount and basis of the debt;

and

(c) That the Board has complied with the requirements of 31 U.S.C. 3716, its own administrative offset regulations in this subpart, and the applicable provisions of 4 CFR part 102 with respect to providing the debtor with due process.

§ 1639.55  Requests for offset from Federal agencies.

Any Federal agency may request that funds due and payable to its debtor by the Board be administratively offset in order to collect a debt owed to that agency by the debtor, so long as the funds are not payable from net assets available for Thrift Savings Plan benefits. The Board will initiate the requested offset only:

(a) Upon receipt of written certification from the creditor agency stating:

(a) Investment managers' fees and other accrued administrative expenses attributable only to the C or F Fund will be charged to the C or F Fund, respectively;

(b) All other accrued administrative expenses will be reduced by forfeitures and earnings on forfeitures accrued during the valuation period;

(c) The amount of accrued administrative expenses not covered by forfeitures under paragraph (b) of this section will be charged on a pro rata basis to the investment funds, based on the respective investment fund balances on the last day of the prior valuation period.

[61 FR 58974, Nov. 20, 1996]

§ 1645.5 Basis for allocation of earnings.

(a) Individual account basis. Except for the amounts described in paragraph (b) of this section, the individual account basis on the earnings allocation date for each source of contributions in each investment fund equals:

(1) The month-end account balance as of the previous allocation date; plus

(2) One-half of contributions posted to the individual account during the current valuation period (except for contributions referred to in paragraph (b) of this section); plus

(3) One-half of all loan repayments posted to the individual account during the current valuation period.

(b) Inclusion of retroactive contributions. The individual account basis for agency automatic (1%) contributions will also include all amounts attributable to retroactive contributions that are made to the individual account pursuant to 5 U.S.C. 8432(c)(3) and that are processed by the recordkeeper during the current valuation period.

(c) Computation of fund basis. For each valuation period, the total fund basis for each investment fund will be the sum of all individual account bases for all sources of contributions in that investment fund, calculated as described in paragraphs (a) and (b) of this section.

The total net earnings for each investment fund (as computed under §1645.3) will be divided by the total fund basis for that investment fund (as computed under §1645.5(c)). The resulting number (the "allocation factor") will be multiplied by the individual account basis for the respective source of contributions in that investment fund (as computed
under §1645.5(a)), to determine the individual account earnings for the valuation period attributable to that source of contributions in that investment fund. The earnings of the individual account for each source of contributions in each investment fund, when added together, will constitute the earnings for that individual account during the valuation period.

(b) Residual net earnings. Amounts allocated to individual accounts may not exceed the total amount of earnings available to be allocated. To avoid allocating excessive amounts, computation of earnings for individual accounts described in paragraph (a) of this section will not include fractions of a cent. Residual net earnings attributable to unallocated fractions of a cent will be allocated with the earnings for the following valuation period.

[61 FR 58974, Nov. 20, 1996]

§ 1645.7 Posting of earnings to individual accounts.

For each source of contributions for each investment fund, the amount of earnings computed for each individual account in a valuation period, as described in §1645.6, will be posted to the individual account as of the allocation date.

§ 1650.2 Eligibility for a TSP withdrawal.

(a) A participant who separates from Government employment, as defined in §1650.1, can withdraw his or her account by one of the withdrawal methods described in subpart B of this part using the procedures set out in subpart C of this part.

(b) A separated participant who is reemployed in a position in which he or she is eligible to participate in the TSP is subject to the following withdrawal eligibility rules:

(1) A participant who is reemployed in a TSP-eligible position on or before the 31st full calendar day after separation cannot withdraw his or her TSP account (except for an in-service withdrawal described in subpart D of this subpart). If the participant is scheduled for an automatic cashout, as described in §1650.22, the cashout will be canceled if the participant informs the TSP that he or she has been reemployed or expects to be reemployed within 31 full calendar days of separation.

(2) A participant who is reemployed in a TSP-eligible position more than 31 full calendar days after separation may withdraw the portion of his or her account balance which is attributable to the earlier period of employment. If the amount attributable to the earlier period of employment is greater than $3,500, the participant must submit a...
properly completed withdrawal request (Form TSP-70) selecting a withdrawal option that results in an immediate withdrawal. However, a Form TSP-70 will not be accepted unless the TSP records indicate that the former employing agency reported the participant as separated from Government employment. If a participant has elected to receive monthly payments under §1650.11, upon report by the agency that the participant is not separated, payments will not be made and, if already started, will stop.

(c) A participant who has not separated from Government employment can elect a withdrawal option described in subpart D of this part by following the procedures set out in subpart E of this part.

(d) A participant cannot make a post-employment withdrawal until any outstanding TSP loan has been either repaid in full or declared to be a taxable distribution. An outstanding TSP loan does not affect a participant’s eligibility for an in-service withdrawal.

(e) All withdrawals are subject to the rules relating to spouse’s rights (found in subpart G of this part), domestic relations orders, alimony and child support legal process, and child abuse enforcement orders (5 CFR part 1653). Post-employment withdrawals are also subject to the Internal Revenue Code’s required minimum distribution rules.

§1650.3 Frozen accounts.
A participant may not withdraw any portion of his or her account balance if the account is frozen as a result of a pending retirement benefits court order, an alimony or child support enforcement order, a child abuse enforcement order, or as a result of a freeze placed on the account by the Board for another reason.

Subpart B—Post-Employment Withdrawals

§1650.10 Single payment.
A participant can withdraw his or her entire account in a single payment.

§1650.11 Monthly payments.
(a) A participant can withdraw his or her account balance in two or more substantially equal monthly payments, to be calculated under one of the following methods:

(1) A fixed monthly payment amount. The amount must be at least $25 per month and must satisfy any minimum distribution requirements. Payments will be made each month until the account is expended. If the last scheduled payment would be less than the chosen amount, it will be combined and paid with the previous payment;

(2) A fixed number of monthly payments. The participant’s month-end account balance for the month preceding the month of the first payment will be divided by the number of payments chosen in order to determine the monthly amount. The amount must be at least $25 per month and must satisfy any minimum distribution requirements. In January of each subsequent year, the TSP will divide the December 31 account balance from the prior year by the remaining number of payments in order to determine that year’s monthly payments. If the monthly payment amount is less than $25, it will be increased to $25. This process will be repeated each year until the account is expended; or

(3) A monthly payment amount calculated using the factors set forth in Internal Revenue Service expected return multiply table V, 26 CFR 1.72-9. There is no $25 minimum monthly payment under this method. In the year payments begin, the monthly payment amount is calculated by dividing the month-end account balance for the month preceding the month of the first payment by the factor from Table V based upon the participant’s age as of his or her birthday in that year. This amount is then divided by 12 to yield the monthly payment amount. In subsequent years, the monthly payment amount is recalculated each January by dividing the December 31 account balance from the previous year by the factor from Table V based upon the participant’s age as of his or her birthday in the year payments will be made. That amount is divided by 12 to yield the monthly payment amount.

(b) A participant who chooses to receive monthly payments calculated using one of the three methods set forth in paragraph (a) of this section
§ 1650.12 Annuities.

(a) A participant can withdraw his or her entire account balance in the form of a life annuity. The participant’s account balance must be $3,500 or more in order for the TSP to purchase an annuity. The TSP will send forms to a participant who chooses this method which ask him or her to choose an annuity method, name a beneficiary (if required), and provide any necessary spousal waiver or spousal information. Upon receipt of the required information, the TSP will purchase the annuity from the TSP’s annuity vendor using the participant’s entire account balance, except for any amount necessary to satisfy minimum distribution requirements. The first annuity payment will be made approximately 30 calendar days after the purchase of the annuity. The annuity will provide a payment for life to the participant and, if applicable, the participant’s survivor, in accordance with the type of annuity chosen.

(b) The following types of annuities are available to participants:

(1) A single life annuity with level payments. This annuity is based upon the life expectancy of the participant at the time of purchase and provides monthly payments to the participant as long as he or she lives.

(2) A joint life annuity for the participant and his or her spouse with level payments. This annuity is based upon the combined life expectancies of the participant and the spouse and provides monthly payments to the participant as long as both the participant and spouse are alive, and monthly payments to the survivor, as long as he or she is alive.

(3) Either a single life or joint life annuity (as described in paragraph (b)(1) or (b)(2) of this section) where the amount of the monthly payment can increase each year on the anniversary date of the first annuity payment. The amount of the increase is based on the average annual change in the Consumer Price Index for Urban Wage Earners and Clerical Workers as measured between the period of July through September in the second calendar year preceding the anniversary date and July through September in the calendar year preceding the anniversary date. For example, if the anniversary of an increasing annuity occurs in November of 1995, the amount of the increase will be calculated based upon the change in the index between the July-September period in 1993 and the July-September period in 1994. Monthly payments cannot decrease, nor can they increase more than 3 percent each year. If this option is chosen in conjunction with a joint life annuity with the spouse, the annual increase continues to apply to benefits received by the survivor.

(4) A joint life annuity, with level payments, for the participant and another person who either is a former spouse or has an insurable interest in the participant. This annuity is based upon the combined life expectancies of the participant and the other person. It provides monthly payments to the participant as long as both the participant and the joint annuitant are alive, and monthly payments to the survivor as long as he or she is alive. Increasing payments cannot be chosen for a joint annuity with a person other than the spouse.

(i) A person has an “insurable interest” in a participant if the person is financially dependent on the participant and could reasonably expect to derive financial benefit from the participant’s continued life.

(ii) A relative (whether blood or adopted, but not by marriage) who is closer than a first cousin will be presumed to have an insurable interest in the participant.

(iii) A participant can establish that a person not described in paragraph...
(b)(4)(ii) of this section has an insurable interest in him or her by submitting with the annuity request an affidavit from a person other than the participant or the joint annuitant demonstrating that the designated joint annuitant has an insurable interest (as defined in paragraph (b)(4)(i) of this section) in the participant.

(c) Participants who choose a joint life annuity (with either a spouse or a person with an insurable interest) must choose either a 50 percent or a 100 percent survivor benefit. A 50 percent survivor benefit provides a monthly payment to the survivor which is 50 percent of the payment made when both the participant and the joint annuitant are alive. A 100 percent survivor benefit provides a monthly payment to the survivor which is the same amount as the payment made when both the participant and the survivor are alive. Either the 50 percent or the 100 percent survivor benefit may be combined with any joint life annuity option, except that the 100 percent survivor benefit can be combined with a joint annuity with a person other than the spouse (or a former spouse, if required by a retirement benefits court order) only if the joint annuitant is not more than 10 years younger than the participant.

(d) The following mutually exclusive features can be combined with certain types of annuities, as indicated:

(1) Cash refund. This feature provides that, if the participant (and joint annuitant, if applicable) dies before an amount equal to the balance used to purchase the annuity has been paid out, the difference between the balance used to purchase the annuity and the sum of monthly payments already made will be paid to the named beneficiaries. The participant (or the joint annuitant, if the participant is deceased) may name or change the beneficiaries. This feature can be combined with any other annuity option.

(2) Ten-year certain. This feature provides that, if the participant dies before annuity payments have been made for 10 years (120 payments), monthly payments will continue to be made to the beneficiaries selected by the participant until 120 payments have been made. This feature can be combined with any single life annuity option, but cannot be selected in conjunction with any joint life annuity option.

(e) The Board can, from time to time, establish other types of annuities, other levels of survivor benefits, and other annuity features.

(f) The Board can, from time to time, eliminate a type of annuity (except for those annuities described in paragraph (b) of this section), a survivor benefit level, or an annuity feature. However, if the Board does so, it must continue to allow participants to purchase annuities of the eliminated type or containing the eliminated feature for five years after the date the decision to eliminate the annuity type or feature is published in the Federal Register.

(g) Once an annuity has been purchased, the type of annuity, any annuity features, and the identity of the annuitant cannot be changed, and the annuity cannot be terminated.

§ 1650.13 Transfer of withdrawal payments.

(a) At the participant's request, the TSP will transfer directly to an eligible retirement plan all or part of any withdrawal that is an "eligible rollover distribution," as defined in 26 U.S.C. 402(c)(4). A withdrawal method that is not an eligible rollover distribution cannot be transferred.

(b) The following TSP withdrawal methods are considered eligible rollover distributions:

(1) A single payment, as described in §1650.10;

(2) Monthly payments, as described in §1650.11, where payments are expected to last less than 10 years at the time they begin, according to the following rules:

(i) If the participant elects a number of monthly payments, the number of payments must be fewer than 120;

(ii) If the participant elects a monthly payment amount, the amount, when divided into the participant's account balance as of the end of the month prior to the first payment, must yield a number less than 85;

(3) A final single payment, as described in §1650.11(c).

(c) The following withdrawal methods are not eligible rollover distributions:
§ 1650.14 Deferred withdrawal elections.

(a) Subject to paragraph (b) of this section, a participant who separates from Government employment and elects to withdraw his or her account under one of the methods provided in §§1650.10, 1650.11 or 1650.12 may specify a future date (which shall be a month and year) for payment of the withdrawal.

(b) The future date chosen under this section cannot be later than March of the year following the year in which the participant becomes age 70 1/2. If that date has already passed when the participant makes an election, the participant cannot choose a future date.

(c) If the withdrawal method chosen for future payment is a single payment or monthly payments (and the date specified for payment is more than four months in the future on the date the election form is processed), the participant will be notified before the date chosen that such payments are scheduled to begin. If the payments are eligible roll-over distributions, the participant may choose to transfer all or part of the payments to an Individual Retirement Arrangement (IRA) or another eligible retirement plan.

(d) If the withdrawal method chosen for future payment is an annuity (and the date specified for payment is more than four months in the future on the date the election form is processed), the participant will be notified before the date chosen. At that time, the participant will be sent information asking him or her to choose an annuity method, name a beneficiary (if the cash refund or 10-year certain feature is chosen), and provide any necessary spousal waiver or spousal information.

§ 1650.15 Required withdrawal date.

(a)(1) A participant must withdraw his or her account under §1650.10 or begin receiving payments under §§1650.11 or 1650.12 by April 1 of the year following the later of the year in which:

(i) The participant turns 70 1/2; or

(ii) The participant separates from Government employment.

(b) A separated participant may elect to withdraw his or her account or begin receiving payments before the date described in paragraph (a) of this section, but is not required to do so.

§ 1650.16 Changes and cancellation of withdrawal election.

Subject to the rules relating to spouses’ rights in subpart G of this part, a participant who has separated from Government employment can change his or her withdrawal election to any other withdrawal election or can cancel his or her withdrawal election if the change or cancellation can be processed before the withdrawal is disbursed.

Subpart C—Procedures for Post-Employment Withdrawals

§ 1650.20 Information to be provided by agency.

(a) Information to be provided to the TSP. When a TSP participant separates from Government employment, his or her employing agency must report the separation (including the date of separation) to the TSP record keeper. Until the TSP record keeper receives this information from the employing agency,
Federal Retirement Thrift Investment Board

§ 1650.31 Financial hardship withdrawals.

(a) A participant who has not separated from Government employment and who demonstrates financial hardship is eligible to withdraw all or a portion of his or her own contributions to the TSP and their attributable earnings in a single payment to meet certain specified financial obligations. The amount of a financial hardship in-service withdrawal request must be at least $1,000. A participant will demonstrate financial hardship if he or she meets one or both of the following tests:

(1) The participant’s monthly cash flow is negative, i.e., net income is less
§ 1650.32 Contributing to the TSP after an in-service withdrawal.

(a) A participant’s TSP contribution election will not be affected by an age-based in-service withdrawal; therefore, his or her TSP contributions will continue without interruption.

(b) A participant who obtains a financial hardship in-service withdrawal may not contribute to the TSP for any pay date falling within a period of six months, beginning on the 46th day after the date of the withdrawal and ending 180 days after this beginning date; therefore, his or her TSP contributions (and any applicable matching contributions) will be discontinued by his or her agency upon notification.
by the TSP. A participant whose TSP contributions were discontinued by his or her agency because of a hardship withdrawal can resume contributions any time after expiration of the six month period by submitting a new TSP Election Form (TSP-1). If a participant voluntarily terminated TSP contributions, he or she can resume contributions at the expiration of the six-month period, or in the next open season during which the participant would be eligible to submit a new Form TSP-1, whichever is later.

§ 1650.33 Uniqueness of loans and withdrawals.
An outstanding TSP loan cannot be converted into an in-service withdrawal, and vice versa; nor can an in-service withdrawal be returned or repaid.

Subpart E—Procedures for In-Service Withdrawals

§ 1650.40 How to obtain an age-based in-service withdrawal.
To request an age-based in-service withdrawal, a participant must submit to the TSP Service Office a properly completed withdrawal election on Form TSP-75, Age-Based In-Service Withdrawal Request.

§ 1650.41 How to obtain a financial hardship in-service withdrawal.
To request a financial hardship in-service withdrawal, a participant must submit to the TSP Service Office a properly completed request for withdrawal on Form TSP-76, Financial Hardship In-Service Withdrawal Request, a current earnings and leave statement, and supporting documentation for any extraordinary expenses listed on the application.

§ 1650.42 Taxes related to in-service withdrawals.
(a) An in-service withdrawal is an eligible rollover distribution under the Internal Revenue Code (IRC), and the IRC requires that the Board withhold at least 20 percent for Federal income tax purposes from any portion of the withdrawal that is not directly transferred to an Individual Retirement Arrangement (IRA) or other eligible retirement plan. A participant who wants the TSP to transfer all or a portion of an in-service withdrawal to an IRA or other eligible retirement plan must submit to the TSP Service Office a properly completed Form TSP-75-T, Transfer of In-Service Withdrawal. If the participant does not make a transfer election, the withdrawal will be disbursed in the form of a single payment minus the mandatory tax withholding. The mandatory withholding cannot be waived, although a participant can elect to have additional taxes withheld by submitting Form W-4P, Withholding Certificate for Pension or Annuity Payments, to the TSP Service Office.

(b) If a participant applies for a financial hardship in-service withdrawal and does not make a transfer election, he or she can request the TSP to remove additional amounts from his or her TSP account so that the amount received after the mandatory 20 percent tax withholding is the amount requested (or for which the participant qualifies, if that amount is less than the amount requested). This option may be limited by the amount of employee contributions and attributable earnings available for withdrawal.

Subpart F—[Reserved]

Subpart G—Spousal Rights

§ 1650.60 Spousal rights pertaining to post-employment withdrawals.
(a) The spousal rights described in this section only apply to post-employment withdrawals when the participant’s vested TSP account balance exceeds $3,500.

(b) The spouse of a CSRS participant is entitled to notice when the participant applies for a post-employment withdrawal, unless the participant was granted an exception under §1650.63 to the spouse notification requirement within one year of the date the withdrawal form is processed by the TSP. The participant must provide the TSP record keeper with the spouse’s correct address. The TSP record keeper will send the required notice by first class mail to the most recent address provided by the participant.
(c) The spouse of a FERS participant has a right to a joint and survivor annuity with a 50 percent survivor benefit, level payments, and no cash refund when the participant elects a post-employment withdrawal. The participant may make a different withdrawal election only if his or her spouse waives the right to this annuity. To show that the spouse has waived the right to this annuity, the participant must submit to the TSP record keeper Form TSP-70, Withdrawal Election, or Form TSP-11-C, Spouse Information and Waiver, signed by his or her spouse. Once a form containing the spouse's waiver has been submitted to the TSP record keeper, the spouse's waiver is irrevocable for purposes of that form.

§ 1650.61 Spousal rights when a separated participant changes post-employment withdrawal election.

(a) The spousal rights described in this section only apply to post-employment withdrawals when the participant's vested TSP account balance exceeds $3,500.

(b) The spouse of a CSRS participant is entitled to notice if the participant changes his or her post-employment withdrawal election, unless the participant was granted an exception under §1650.63 to the spouse notification requirement within one year of the date on which the withdrawal form is received by the TSP. The participant must provide the TSP record keeper with the spouse's correct address. The TSP record keeper will send the required notice by first class mail to the most recent address provided by the participant.

(c)(1) A married FERS participant who has made a post-employment withdrawal election and who wants to elect another withdrawal method (other than the annuity required in §1650.60(c)) must obtain a waiver from the spouse to whom he or she is married on the date the new withdrawal form is signed, unless:

(i) That spouse previously signed a waiver of the required annuity in connection with an earlier post-employment withdrawal election made by the participant; or

(ii) The participant was granted within one year of the date on which the new withdrawal form is received by the TSP an exception under §1650.64 to the requirement to obtain that spouse's signature for an in-service or post-employment withdrawal election.

(2) Once a form containing the spouse's waiver has been submitted to the TSP record keeper, the spouse's consent is irrevocable for purposes of that form.

§ 1650.62 Spousal rights pertaining to in-service withdrawals.

(a) The spousal rights described in this section apply to all in-service withdrawals and do not depend on the amount of the participant's vested account balance or the amount requested to be withdrawn.

(b) The spouse of a CSRS participant is entitled to notice when the participant applies for an in-service withdrawal, unless the participant was granted, within one year of the date on which the new withdrawal form is received by the TSP, an exception to the notice requirement under §1650.63. The participant must provide the TSP record keeper with the spouse's correct address. The TSP record keeper will send the required notice by first class mail to the most recent address provided by the participant.

(c) A participant covered by FERS must obtain the consent of his or her spouse before obtaining an in-service withdrawal unless the participant was granted, within one year of the date on which the new withdrawal form is received by the TSP, an exception to a signature requirement under §1650.64. To show spousal consent, a participant must submit to the TSP record keeper Form TSP-75, Age-Based In-Service Withdrawal Request, or Form TSP-76, Financial Hardship In-Service Withdrawal Request, signed by his or her spouse. Once a form containing the spouse's consent has been submitted to the TSP record keeper, the spouse's consent is irrevocable for purposes of that form.

§ 1650.63 Executive Director's exception to the spousal notification requirement.

(a) Whenever this subpart requires the Executive Director to give notice
§ 1650.64 Executive Director's exception to requirement to obtain the spouse's signature.

(a) Wherever this subpart requires a spouse's consent to a loan or withdrawal or a waiver of the right to a survivor annuity, an exception to this requirement may be granted if the participant establishes to the satisfaction of the Executive Director that:

1. The spouse's whereabouts cannot be determined in accordance with the provisions of §1650.63; or

2. Due to exceptional circumstances, requiring the spouse's signature would be otherwise inappropriate.

   (i) An exception to the spousal signature requirement may be granted based on exceptional circumstances only when the participant presents a judicial determination (court order) or a governmental agency determination signed by the appropriate department or division head. A court order or a governmental agency determination must contain a finding or a recitation of such exceptional circumstances regarding the spouse as would warrant an exception to the signature requirement.

   (ii) Exceptional circumstances are narrowly construed and include circumstances such as when a court order:

   (A) Indicates that the spouse and the participant have been maintaining separate residences with no financial relationship for three or more years;

   (B) Indicates that the spouse abandoned the participant, but for religious or similarly compelling reasons, the parties chose not to divorce; or

   (C) Expressly states that the participant may obtain a loan from his or her Thrift Savings Plan account or withdraw his or her Thrift Savings Plan account balance notwithstanding the absence of the spouse's signature.

(b) A withdrawal election by a separated participant or an in-service withdrawal request by a participant in the Federal service received within one year of an approved exception will be processed so long as the spouse named on the form is the spouse for whom the exception has been approved.

(c) The requirements for establishing an exception for a withdrawal by a separated participant or an in-service withdrawal can be satisfied through the following:

   (1) A judicial determination (court order) stating that the spouse's whereabouts cannot be determined;

   (2) A police or governmental agency determination signed by the appropriate department or division head which states that the spouse's whereabouts cannot be determined; or

   (3) Statements by the participant and two other persons that meet the following requirements:

      (i) The participant's statement must give the full name of the spouse, declare the participant's inability to locate the spouse, and state the efforts the participant has made to locate the spouse. Examples of attempting to locate the spouse include, but are not limited to, checking with relatives and mutual friends or using telephone directories or directory assistance for the city of the spouse's last known address. Negative statements such as “I have not seen nor heard from him” or “I have not had contact with her” are not sufficient.

      (ii) The statements from two other persons must support the participant's statement that the participant does not know the whereabouts of his or her spouse.

      (iii) Each statement must be signed and dated and must state the following:

         I understand that a false statement or willful misrepresentation is punishable under Federal law (18 U.S.C. 1001) by a fine or imprisonment or both.

      (b) A withdrawal election received within one year of an approved exception may be processed so long as the spouse named on the form is the spouse for whom the exception has been approved.

271
withdrawal by a participant in the Federal service and the one-year period of validity of an approved exception also apply to exceptions for loans under 5 CFR 1655.18.

(1) To the beneficiary or beneficiaries designated by the participant on a properly completed and filed Form TSP-3, Designation of Beneficiary, in accordance with § 1651.3;

(3) The death benefit will be paid pro rata as a single payment to the beneficiary(ies) designated on Form TSP-11-B, Beneficiary Designation for a TSP Annuity, if both the participant and the joint annuitant die after the participant has completed an election to withdraw his or her TSP account balance in the form of a joint life annuity that includes a cash refund, but before the annuity has been purchased.

(4) The death benefit will be paid in accordance with the order of precedence as set forth in paragraph (a) of this section, if the Board learns that—

(ii) Both the beneficiary(ies) named under a cash refund election and the joint annuitant have died after the participant has completed an election to withdraw, but the annuity has not yet been purchased.

(5) The death benefit will be paid pro rata to the beneficiary(ies) designated on the Form TSP-11-B if the Board learns that the participant has died after having completed an election to withdraw his or her TSP account balance in the form of a single life annuity that includes either a cash refund or 10-year certain feature, but the annuity has not yet been purchased.

(6) The death benefit will be paid in accordance with the order of precedence set forth in paragraph (a) of this section if the Board learns that the participant and all beneficiaries designated on a Form TSP-11-B have died after the participant has completed an election to withdraw his or her TSP account balance in the form of a single life annuity that includes either a cash refund or a 10-year certain feature, but the annuity has not yet been purchased.

(7) The death benefit will be paid in accordance with the order of precedence as set forth in paragraph (a) of this section if a participant dies after having completed an election to withdraw his or her TSP account balance in the form of a single life annuity that does not include either a cash refund or 10-year certain feature, but before the annuity has been purchased.

(8) If a participant dies after the annuity purchase has been completed, benefit payments will be provided in accordance with the annuity method selected.

§ 1651.3 Designation of beneficiary.

(a) Filing requirements. In order to designate a beneficiary of a TSP account, the participant must complete and file Form TSP-3. Designation of Beneficiary, unless Form TSP-11-B is used for this purpose. All Forms TSP-3 and TSP-11-B signed on or after January 1, 1995, must be received by the TSP record keeper on or before the participant's date of death. If the Form TSP-3 was received and accepted by the participant's employing agency before January 1, 1995, the TSP record keeper will process it and determine its validity when it is received from the employing agency. A valid Form TSP-3 remains in effect until it is properly canceled or changed as described in §1651.4.

(b) Eligible beneficiaries. Any individual, firm, corporation, or legal entity, including the U.S. Government, may be designated as a beneficiary. Any number of beneficiaries can be named to
§ 1651.4 Change or cancellation of a designation of beneficiary.

(a) Change. In order to change a designation of beneficiary, the participant must properly complete a new Form TSP-3, which must be received by the TSP record keeper on or before the date of death of the participant under the same rules as set forth in §1651.3(a). The TSP record keeper will honor the Form TSP-3 with the latest date signed by the participant which is otherwise valid under the rules set forth in §1651.3. A change of beneficiary may be made at any time and without the knowledge or consent of the participant’s spouse or any current or prior designated beneficiaries.

(b) Cancellation. A participant may cancel all prior designations of beneficiaries by sending the TSP record keeper either a new valid Form TSP-3 or a letter, signed and dated by the participant and witnessed in the same manner as a Form TSP-3, stating that all prior designations are canceled. In order to be effective, either of these documents must be received by the TSP record keeper on or before the date of death of the participant in accordance with the rules set forth in §1651.3(a). The filing of either of these documents will cancel all earlier designations.

(c) Will. A will, or any document other than Form TSP-3 or Form TSP-11-B, may not be used to change or cancel a beneficiary(ies) of a TSP account.

§ 1651.5 Widow or widower.

For purposes of payment under §1651.2(a)(2), the widow or widower of the participant is the person to whom the participant is married on the date of death. A person is considered to be married even if the parties are separated, unless a court decree of divorce or annulment has been entered. State law of the participant’s domicile will be used to determine whether the participant was married at the time of death.

§ 1651.6 Child or children.

If the account is to be paid to the child or children, or to descendants of deceased children by representation, as provided in §1651.2(a)(3), the following rules apply:

(a) Child. A child includes a natural or adopted child of the deceased participant.

(b) Descendants of deceased children. “By representation” means that, if a child of the participant dies before the participant, all descendants of the deceased child at the same level will equally divide the deceased child’s share of the participant’s account.

(c) Adoption by another. A natural child of a TSP participant who has been adopted by someone other than the participant during the participant’s lifetime will not be considered the child of the participant, unless the adopting parent is the spouse of the TSP participant.

§ 1651.7 Parent or parents.

If the account is to be paid to the participant’s parent or parents under §1651.2(a)(4), the following rules apply:

(a) Amount. If both parents are alive at the time of the participant’s death, each parent will be separately paid fifty percent of the account. If only one parent is alive at the time of the participant’s death, he or she will receive the entire account balance.
(b) Step-parent. A step-parent is not considered a parent unless the step-parent adopted the participant.

§ 1651.8 Participant's estate.

If the account is to be paid to the duly appointed executor or administrator of the participant's estate under §1651.2(a)(5), the following rules apply:

(a) Appointment by court. The executor or administrator must provide documentation of court appointment.

(b) Appointment by operation of law. If state law provides procedures for handling small estates, the Board will accept the person authorized to dispose of the assets of the deceased participant under those procedures as a duly appointed executor or administrator. Documentation which demonstrates that the person is properly authorized under state law must be submitted to the TSP record keeper.

§ 1651.9 Participant's next of kin.

If the account is to be paid to the participant's next of kin under §1651.2(a)(6), the next of kin of the participant will be determined in accordance with the state law of the participant's domicile at the time of death.

§ 1651.10 Deceased and non-existent beneficiaries.

(a) Designated beneficiary dies before participant. The share of any beneficiary designated on a Form TSP-3 or a Form TSP-11-B who predeceases the participant will be paid pro rata to other designated beneficiary(ies). If there are no designated beneficiaries who survive the participant, the account will be paid to the person(s) determined to be the beneficiary(ies) under the order of precedence set forth in §1651.2(a).

(b) Trust designated as beneficiary but not in existence. If a trust or other entity that has been designated as a beneficiary does not exist on the date of death of the participant, or if it is not created by will or other document that is effective upon the participant's death, the amount will be paid in accordance with the rules of paragraph (a) of this section, as if the trust were a beneficiary that predeceased the participant.

(c) Non-designated beneficiary dies before participant. If a beneficiary other than a beneficiary designated on a Form TSP-3 or a Form TSP-11-B (i.e., a beneficiary by virtue of the order of precedence) dies before the participant, the beneficiary's share will be paid equally to other living beneficiary(ies) bearing the same relationship to the participant as the deceased beneficiary. However, if the deceased beneficiary is a child of the participant, payment will be made to the deceased child's descendants, if any. If there are no other beneficiaries bearing the same relationship or, in the case of children, there are no descendants of deceased children, the deceased beneficiary's share will be paid to the person(s) next in line according to the order of precedence.

(d) Beneficiary dies after participant but before payment. If a beneficiary dies after the participant, the beneficiary's share will be paid to the beneficiary's estate.

(e) Death certificate. A copy of a beneficiary's certified death certificate is required in order to establish that the beneficiary has died.

§ 1651.11 Simultaneous death.

If a beneficiary dies at the same time as the participant, the beneficiary will be treated as if he or she predeceased the participant and the account will be paid in accordance with §1651.10. The same time is considered to be the same hour and minute as indicated on a death certificate. If the participant and beneficiary are killed in the same event, death is presumed to be simultaneous, unless evidence is presented to the contrary.

§ 1651.12 Homicide.

If the participant's death is the result of a homicide, a beneficiary will not be paid as long as the beneficiary is under investigation by local, state or Federal law enforcement authorities as a suspect. If the beneficiary is convicted of, or pleads guilty to, a crime in connection with the participant's death which would preclude the beneficiary from inheriting under state law, the beneficiary will not be entitled to receive any portion of the participant's account. The Board will follow the
§ 1651.13 How to apply for a death benefit.

In order for a deceased participant’s account to be disbursed, the TSP record keeper must receive Form TSP-17, Application for Account Balance of Deceased Participant. Any potential beneficiary or other individual can file Form TSP-17 with the TSP record keeper. The individual submitting Form TSP-17 must attach a copy of a certified death certificate of the participant to the application. The acceptance of an application by the TSP record keeper does not entitle the applicant to benefits.

§ 1651.14 How payment is made.

(a) Notice. The TSP record keeper will send notice of pending payment to each beneficiary.

(b) Payment. Payment is made separately to each entitled beneficiary. It will be sent to the address that is provided on Form TSP-3, unless a more recent address is provided on Form TSP-17, or is otherwise provided to the TSP record keeper in writing by the beneficiary. All beneficiaries must provide the TSP record keeper with a taxpayer identification number; i.e., Social Security number (SSN), employee identification number (EIN), or individual taxpayer identification number (ITIN), as appropriate.

(c) Payment to widow or widower. The widow or widower of the participant may request that the TSP transfer all or a portion of the payment to an Individual Retirement Arrangement (IRA). In order to request such a transfer, a spouse must file with the TSP record keeper Form TSP-13-S, Spouse Election to Transfer to IRA and Other Eligible Retirement Plan.

(d) Payment to minor child or incompetent beneficiary. Payment will be made in the name of a minor child or incompetent beneficiary. A parent or other guardian may direct where the payment should be sent and may make any permitted tax withholding election. A guardian of a minor child or incompetent beneficiary must submit court documentation showing his or her appointment as guardian.

(e) Payment to executor or administrator. If payment is to the executor or administrator of an estate, the check will be made payable to the estate of the deceased participant, not to the executor or administrator. A TIN must be provided for all estates.

(f) Payment to trust. If payment is to a trust, the check will be made payable to the trustee. A TIN must be provided for the trust.

§ 1651.15 Claims referred to the Board.

(a) Contested claims. Any challenge to a proposed death benefit payment must be filed in writing with the TSP record keeper before payment. All contested claims will be referred to the Board. The Board may also consider issues on its own.

(b) Payment deferred. No payment will be made until the Board has resolved the claim.

§ 1651.16 Missing and unknown beneficiaries.

(a) Locate and identify beneficiaries. (1) The TSP record keeper will attempt to identify and locate all potential beneficiaries.

(2) If a beneficiary is not identified and located, and at least one year has passed since the date of the participant’s death, the beneficiary will be treated as having predeceased the participant and the beneficiary’s share will be paid in accordance with § 1651.10.

(b) Payment to known beneficiaries. If all potential beneficiaries are known but one or more beneficiaries (and not all) appear to be missing, payment of part of the participant’s account may be made to the known beneficiaries. The lost or unidentified beneficiary’s share may be paid in accordance with paragraph (a) of this section at a later date.

Subpart A—Retirement Benefits Court Orders

§ 1653.1 Purpose.

This subpart contains regulations prescribing the Board’s procedures for processing retirement benefits court orders.

§ 1653.2 Qualifying retirement benefits court orders.

(a) The TSP will only honor the terms of a retirement benefits court order that is qualifying under paragraph (b) of this section.

(b) A retirement benefits court order must meet each of the following requirements to be considered qualifying:

1. The court order must be a court decree of divorce, of annulment, or of legal separation, or any court order or court-approved property settlement...
agreement incident to a decree of divorce, of annulment, or of legal separation. Orders may be issued at any stage of a divorce, annulment, or legal separation proceeding. Orders issued prior to a final decree, such as orders for the purpose of preserving the status quo pending the final resolution of the proceeding, are referred to as "preliminary" court orders, and will be considered "incident to" a final decree, notwithstanding that a final decree has not yet been, and may not be, issued. Orders issued subsequent to a final decree, such as orders for the purpose of amending such decree, are referred to as "subsequent" court orders, and will also be considered "incident to" such decree. However, any subsequent court order that requires the return of money properly paid pursuant to an earlier court order will not constitute a qualifying order.

(2) The court order must "expressly relate" to the Thrift Savings Plan account of a current TSP participant. This means that:

(i) The order must on its face specifically describe the TSP in such a way that it cannot be confused with other Federal Government retirement benefits or non-Federal retirement benefits; and

(ii) The order must be written in terms appropriate to a defined contribution plan rather than a defined benefit plan. For example, it should generally refer to the individual participant's "account" or "account balance" rather than a "benefit formula" or the participant's "eventual benefits."

(3) If the court order awards an amount to be paid from the participant's TSP account, the award must be for:

(i) A specific dollar amount;

(ii) A stated percentage or stated fraction of the account;

(iii) A portion of the account to be calculated by applying a formula that yields a mathematically possible result. Any variables in the formula must have values that are readily ascertainable from the face of the order or from Government employment records; or

(iv) A survivor annuity as provided in 5 U.S.C. 8435(e).

(4) Court orders that make awards from the TSP may only provide for payments:

(i) To spouses or former spouses of the participant;

(ii) As fees for attorneys for spouses or former spouses of the participant;

(iii) To dependent children or other dependents of the participant;

(iv) As fees for attorneys for dependent children or other dependents of the participant;

(c) The following retirement benefits court orders will be considered non-qualifying:

(1) Orders relating to a TSP account that contains only nonvested money, unless the money will become vested within 90 days of the date of receipt of the order if the participant remains in Federal service;

(2)(i) Orders that award an amount to be paid at a future specified date or upon the occurrence of a future specified event, unless:

(A) The amount of the entitlement can be currently calculated; and

(B) The award provides for the payment of interest or earnings from the date of calculation to the specified date or event for payment.

(ii) If an order meets the requirements of paragraphs (c)(2)(i) (A) and (B), a current payment will be made in accordance with the procedures set forth in §1653.5, rather than a payment at the future date stated in the order.

(d) For purposes of paragraph (c)(2) of this section, orders that require only that the amount of the award be calculated on the date of payment, without stating a future date or event for payment, will not be considered as awarding an amount to be paid at a future date or upon the occurrence of a future event. In such cases, the date of payment will be determined in accordance with the procedures set forth in §1653.5, and the amount of the entitlement will be determined in accordance with §1653.4 using that date of payment.

(e) Definition. For purposes of this Part, the term "former spouse" shall have the same meaning as set forth in 5 U.S.C. 8401(12).
§ 1653.3 Processing retirement benefits court orders.

(a) Board’s review of retirement benefits court orders is governed solely by the Federal Employees’ Retirement System Act (FERSA), 5 U.S.C. Chapter 84, and by the terms of this part. The Board will honor retirement benefits court orders properly issued by a court of any state, the District of Columbia, the Commonwealth of Puerto Rico, Guam, the Northern Mariana Islands, or the Virgin Islands, and any Indian court as defined by 25 U.S.C. 1301(3). However, those courts have no jurisdiction over the Board and the Board cannot be made a party to the underlying domestic relations proceedings.

(b) Retirement benefits court orders should be submitted to the Board’s recordkeeper at the following address: Thrift Savings Plan Service Office, National Finance Center, P.O. Box 61500, New Orleans, Louisiana 70161-1500. Receipt by the recordkeeper will be considered receipt by the Board.

(c) Upon receipt of a document that purports to be a qualifying retirement benefits court order, including preliminary and subsequent court orders, the participant’s account will be frozen. After the account is frozen, no withdrawals or loans will be allowed until the account is unfrozen. All other account activity, including contributions, adjustments, and interfund transfers, will be permitted.

(d) The following documents will not be treated as purporting to be a qualifying retirement benefits court order, including preliminary and subsequent court orders, the participant’s account will be frozen. Therefore accounts of participants to whom such orders relate will not be reviewed by the Board:

1. A document that does not indicate on its face (or accompany a document that establishes) that it has been issued or approved by a court;
2. A court order relating to a TSP account that has been closed;
3. A court order dated prior to June 6, 1986;
4. A court order that fails to award all or any part of the TSP account to anyone other than the participant;
5. A court order that does not mention retirement benefits.

After the participant’s account is frozen, the document will be reviewed initially to determine if it is a complete original or copy of a retirement benefits court order.

(f) If it is determined that the document is not complete, a complete document will be requested. If it is not received within 30 days of the date of such request, the account will be unfrozen and no further action will be taken with respect to the document.

(g) Upon receipt of a complete order that is either an original or a copy of a retirement benefits court order, the Board will review the order and determine whether it is a qualifying order as described in §1653.2 and, if it awards an amount to be paid from a participant’s TSP account, the amount of the entitlement. The Board will advise all parties in writing of its decision.

(h) The Board’s decision will contain the following information:

1. The Board’s determination regarding whether the court order is qualifying;
2. A statement of the applicable statute or regulations;
3. If the order is determined to be qualifying, a statement regarding the effect that compliance with the court order will have on the participant’s TSP account; and
4. If the order requires payment, a description of the method by which the entitlement under the court order was calculated and the circumstances under which payment will be made.

(i) The Board’s decision will be final. There is no administrative appeal from the decision.

(j) An account frozen under this section will be unfrozen as follows:

1. If a complete document has not been received within 30 days from the date of a request described in paragraph (f) of this section, upon expiration of the 30-day period;
2. If the order is a preliminary order or other order precluding payment from the account, as soon as practicable after receipt of a certified copy or original court order vacating or superseding such order (unless the order vacating or superseding the preliminary order itself warrants placing a freeze on the account);
3. If the order is valid to award a payment from the TSP account of a
§ 1653.4 Calculating entitlement under a retirement benefits court order.

(a) If the court order awards a percentage or fraction of the account as of a specific date or event, the amount of the entitlement will be calculated based upon the balance of the account as of the end of the month on or immediately preceding the date or event, plus any transactions posted after the date or event, but before payment, that are effective on or before the month-end date used for calculating the entitlement. For purposes of computing the amount of an entitlement, any loan amount outstanding as of the month-end date used for calculating the entitlement shall be treated as included in the account balance, unless the court order provides otherwise.

(b) If the court order awards a percentage or fraction of an account but does not contain a specific date as of which to apply the percentage or fraction to the account, the amount of the entitlement will be calculated as described in paragraph (a) of this section, using the account balance as of the end of the month on or immediately prior to the date the order was entered by the clerk of the court or, if the order does not show a date entered, the date the order was filed by the clerk shall be used, if there is no date entered or date filed, then the date the order was signed by the judge shall be used.

(c) If the court order awards a specific dollar amount, the amount of the entitlement will be the lesser of:

(1) The amount the order awards; or
(2) The amount in the account as of the end of the month on or before the date specified in the order (or, if no
date is specified, the date the order was entered by the clerk of the court or, if the order does not show a date entered, the date the order was filed by the clerk of the court, or, if the order does not contain a date entered or a date filed, the date signed by the judge) plus any transactions posted after the date or event, but before payment, that are effective on or before the month-end date used for calculating the entitlement. For purposes of computing the amount of entitlement, any loan amount outstanding as of the month-end date used for calculating the entitlement shall be treated as included in the account balance, unless the court order provides otherwise.

(d) Unless the court order specifically provides otherwise, the entitlement calculated under this section will not be credited with interest or earnings. If interest or earnings are awarded, the Board will use the monthly rates of return credited to the account unless the court order specifies a different rate. The TSP monthly rates of return may be either positive or negative. Interest or earnings will be calculated beginning with the month following the month-end valuation date used for calculating the entitlement and ending with the month prior to the month of payment.

(e) All entitlement will be calculated initially under this section including both vested and nonvested amounts in the participant’s account. If at the time of payment the non-vested portion of the account has not become vested or has been forfeited, the entitlement will be recalculated using only the participant’s vested account balance.

§ 1653.5 Procedures for payment pursuant to retirement benefits court orders.

(a) If a qualifying court order creates an entitlement to a portion of a TSP account under this part, payment will be made after the Board’s decision has been issued and the 30-day tax withholding notification period has ended. The taxpayer may receive the payment sooner by waiving the tax notification period.

(b) A payment made pursuant to a qualifying court order will be made only to the person(s) specified in the court order. If payment is to be made to the spouse or former spouse of the participant, he or she may request that the TSP transfer all or a portion of his or her payment to an Individual Retirement Arrangement (IRA) or other eligible retirement plan. Such a request must be made by filing the TSP form “Spouse Election to Transfer to IRA or Other Eligible Retirement Plan”, which must be received before payment.

(c) In no case may a payment made pursuant to a qualifying court order exceed the participant’s vested account balance, excluding any outstanding loan amount as of the end of the month preceding the date of payment. If the entitlement calculated pursuant to this subpart exceeds the participant’s vested account balance (excluding any outstanding loan amount), then only the vested amount in the account (excluding the outstanding loan balance) will be paid.

(d) The entire amount of an entitlement created by a qualifying court order must be disbursed at one time. A series of payments will not be made even if the court order provides for such a method of payment. A payment pursuant to a court order extinguishes all further rights to any payment under that order even if the entire amount of the entitlement could not be paid. Any further award must be contained in a separate court order.

(e) Payment cannot be made jointly to more than one person. If payment is to be made to more than one person, the order must separately indicate the amount to be paid to each.

(f) In order to make a payment pursuant to a retirement benefits court order, the Board’s recordkeeper must be provided with the full name, mailing address, and Social Security number of the payee, even if the payment is being mailed to another address.

(g) If the payee dies before a payment is made pursuant to a qualifying retirement benefits court order, payment will be made to the estate of the payee, unless otherwise specified by the court order. If the participant dies before payment is made pursuant to a qualifying retirement benefits order entered before the participant’s death, the
§ 1653.20 Purpose and scope.

This subpart contains regulations prescribing the Board’s procedures for responding to legal process for the enforcement of a participant’s legal obligations to make alimony or child support payments, as required by 5 U.S.C. 8437(e)(3).

§ 1653.21 Definitions.

As used in this subpart:

Alimony means the payment of funds for the support and maintenance of a spouse or former spouse. Alimony includes separate maintenance, alimony pendente lite, maintenance, and spousal support. Alimony also can include attorney’s fees, interest, and court costs, but only if these items are expressly made recoverable by qualifying legal process as described in §1653.23.

Child support means payment of funds for the support and maintenance of a child or children. Child support includes payments to provide for health care, education, recreation, clothing, or to meet other specific needs of such a child or children. Child support also can include attorney’s fees, interest, and court costs, but only if these items are expressly made recoverable by qualifying legal process as described in §1653.23.

Legal obligation means an obligation to pay alimony or child support, or both, that is currently enforceable under appropriate State or local law. A “legal obligation” may include currently payable, as well as past due, alimony or child support. However, “legal obligation” does not mean any future obligation to make alimony or child support payments.

§ 1653.22 Service of legal process.

The Thrift Savings Plan will only review legal process for the enforcement of a participant’s legal obligations to provide child support or make alimony payments upon receipt of that process. Receipt by an employing agency or any other office of the government shall not constitute receipt by the Thrift Savings Plan. Legal process should be submitted to the Thrift Savings Plan Recordkeeper at the following address: TSP Service Office, National Finance Center, P.O. Box 61500, New Orleans, LA 70161-1500. Receipt by the recordkeeper will be considered receipt by the Thrift Savings Plan.

§ 1653.23 Requirements for “qualifying” legal process.

(a) The TSP will only honor legal process if it meets each requirement of paragraph (b) of this section and one of the requirements of paragraph (c) of this section.

(b) Legal process must meet each of the following requirements in order to be qualifying:

(1) The legal process must be a writ, order, summons, or other similar process in the nature of a garnishment that is issued by:
§ 1653.24 Processing legal process.

(a) Upon receipt of a document which purports to be qualifying legal process, the participant’s account will be frozen. After an account is frozen, no withdrawal or loans will be allowed until the account is unfrozen. All other account activity, including contributions, adjustments, and interfund transfers, will be permitted.

(b) The following documents will not be treated as purporting to be qualifying legal process. Therefore, accounts of participants to whom such orders relate will not be frozen and these documents will not be reviewed by the Board:

(1) A document that pertains to a TSP account that has been closed.
(2) A document that does not indicate that it relates either to the TSP or to the participant’s retirement benefits.
(3) A document that does not appear to have been issued by a proper authority as described in §1653.23(b)(1).

(c) The Board will review a document that purports to be qualifying legal process to determine whether it is complete.

(d) If the Board determines that the document is incomplete, it will request a complete copy of the document from the party that submitted the document. If a complete copy is not received by the Board within 30 days of the Board’s request, the participant’s account will be unfrozen and no further action will be taken by the Board with respect to the document.

(e) Upon receipt of a complete document, the Board will review it to determine whether it is qualifying legal process.

(f) The Board will advise the submitting party and the TSP participant of the determination. The Board’s decision letter will contain the following information:

(1) A statement of the applicable statute and regulations.
(2) A decision regarding whether the document is qualifying legal process, as defined in §1653.23 (b) and (c).
(3) If the document is determined to be qualifying legal process, the effect that compliance with the terms of the document will have on the participant's account.

(4) If the order requires payment, the amount that will be paid pursuant to the qualifying legal process; and to whom the payment will be made.

(5) If the order requires payment, tax reporting and withholding information will be sent to the party as to whom the payment will be reported to the Internal Revenue Service as income.

(g) The Board's decision constitutes the final administrative action by the Board. There is no appeal right within the Board.

(h) An account frozen under this section will be unfrozen:

(1) If a complete document has not been received within 30 days from the date of a request described in paragraph (d) of this section, upon the expiration of the 30-day period;

(2) If the account was frozen pursuant to legal process requiring the Board to freeze the participant's account in anticipation of an order to pay over the account, the account will be unfrozen upon the occurrence of any one of the following events:

(i) As soon as practicable after receipt of a complete copy of an order vacating or superseding such order (unless the order vacating or superseding the preliminary order itself warrants placing a freeze on the account); or

(ii) Upon payment pursuant to the order to pay over the account, if the Board determines that the order is qualifying; or

(iii) As soon as practicable after the Board issues a decision letter informing the parties that the order to pay over the account is not qualifying legal process requiring payment from the participant's account; or

(3) If the account was frozen upon receipt of a document that purports to be legal process requiring payment from the participant's account, the account will be unfrozen upon the occurrence of any one of the following events:

(i) Upon payment pursuant to the document, if the Board determines that the document is qualifying legal process requiring payment from the participant's account; or

(ii) As soon as practicable after the Board issues its decision letter informing the parties that the document is not qualifying legal process requiring payment from the participant's account.

§ 1653.25 Payment pursuant to qualifying legal process.

(a) Payment will be made pursuant to qualifying legal process after the Board's decision has been issued and the 30-day tax withholding notification period has ended. The taxpayer may receive the payment sooner by waiving the tax notification period.

(b) A payment made pursuant to qualifying legal process will be made only to the persons or entities specified in the process. If payment is to be made to the spouse or former spouse of the participant, he or she may request that the TSP transfer all or a portion of his or her payment to an Individual Retirement Arrangement (IRA) or other eligible retirement plan. Such a request must be made by filing Form TSP-13-S, "Spouse Election to Transfer to IRA or Other Eligible Retirement Plan", which must be received before payment.

(c) In no case may a payment made pursuant to qualifying legal process exceed the participant's vested account balance, excluding any outstanding loan amount as of the end of the month preceding the date of payment. If the amount to be paid exceeds the participant's vested account balance (excluding any outstanding loan amount), then only the vested amount in the account (excluding the outstanding loan balance) will be paid.

(d) The entire amount to be paid pursuant to qualifying legal process must be disbursed at one time. A series of payments will not be made even if the process provides for such a method of payment. A payment made pursuant to qualifying legal process extinguishes all further rights to any payment under that legal process even if the entire amount specified could not be paid. Any further payment must be made pursuant to separate legal process.

(e) Multiple legal processes pending before the Board will be honored as follows:
(1) As between conflicting legal processes relating to the same spouse, same former spouse, or same children of the participant, the Board will pay only the legal process bearing the latest date of issuance.

(2) As between conflicting legal processes relating to two or more former spouses or to different children of the participant, the Board will pay the legal processes in the order of their dates of issuance starting with the legal process bearing the earliest date and continuing until the account is exhausted.

(f) Payment cannot be made jointly to more than one person. If payment is to be made to more than one person, the legal process must separately indicate the amount to be paid to each.

(g) In order to make payment pursuant to a qualifying legal process, the TSP recordkeeper must be provided with the full name and mailing address of the payee, even if the payment is being mailed to another address. In addition, if the payee is a spouse or former spouse of the participant, the payee must provide his or her Social Security number.

(h) If the payee dies before a payment is made pursuant to a qualifying legal process, payment will be made to the estate of the payee, unless otherwise specified by the legal process. If the participant dies before payment is made pursuant to qualifying legal process, the process will be honored as long as it is received by the TSP before payment of the account, regardless of whether the order was received before the participant’s death.

(i) A payment made pursuant to qualifying legal process in accordance with this subpart bars recovery by any other person or entity pursuant to that qualifying legal process.

(j) Payments made pursuant to qualifying legal process will be paid pro rata from the TSP investment funds in which the participant is invested, on the date as of which the payment is made. The TSP will not honor provisions of legal process that require payment to be made from specific investment funds.

(k) Unless the qualifying legal process specifically provides, interest or earnings will not be paid on the amount paid to a party or parties pursuant to the qualifying legal process.

A participant may have no more than two loans outstanding at any time. Only one of the two loans may be a loan for the purchase of a primary residence.

§ 1655.5 Loan repayment period.
(a) Minimum. The minimum loan repayment period of any loan is one year of scheduled payments.
(b) Maximum. The maximum loan repayment period of a loan for the purchase of a primary residence is 15 years of scheduled payments. The maximum loan repayment period of any other loan is 4 years of scheduled payments.

§ 1655.6 Amount of loan.
(a) Minimum amount. The initial principal amount of any loan may not be less than $1,000.
(b) Maximum amount. The principal amount of a new or reamortized loan, when added to any outstanding loan principal, may not exceed any of the following:
(1) The portion of the participant's individual account balance that is attributable to employee contributions and earnings (including any outstanding loan principal).
(2) $50,000 minus the excess of the highest outstanding loan principal of the participant during the preceding year over the current outstanding loan principal.
(3) The greater of \( \frac{1}{2} \) of the participant's vested account balance (including any outstanding loan principal), or $10,000.
(c) Subject to the requirement of paragraph (a), a participant may request a loan for the maximum allowable amount as calculated in paragraph (b).

§ 1655.7 Interest rate.
(a) Except as provided in paragraph (b) of this section, loans will bear interest at the G Fund rate in effect on the date the application is received by the recordkeeper (date of application). The interest rate per payment is calculated by dividing this G Fund rate by the number of loan payments/pay periods scheduled in a period of 12 consecutive months.
(b) If the date of application occurs before the G Fund rate has been determined for that month, the loan will bear interest at the G Fund rate in effect during the month preceding the date of application.
(c) The interest rate calculated under this section remains fixed until the loan is repaid.

§ 1655.8 Quarterly loan statements.
Each participant with an outstanding loan or loans will receive quarterly loan statements that will describe the activity relating to each of his or her outstanding loans during the period covered.

§ 1655.9 Effect of loans on individual account.
(a) For purposes of earnings allocation, the amount borrowed will be removed from the participant's account as of the last valuation date prior to the loan issue date. As provided in part 1645, the account will receive no earnings on the amount borrowed for the month in which the loan issue date occurs.
(b) The removal of the principal for earnings allocation purposes described in paragraph (a) of this section will be prorated according to the investment of the portion of the account represented by employee contributions and attributable earnings in the G Fund, the C Fund, and in the F Fund as of the most recent valuation date.
(c) Loan payments, including both principal and interest, will be credited to the individual account of the participant repaying the loan for the month in which the loan payment is processed by the recordkeeper. The loan payments (principal and interest) will be credited pro rata to the G Fund, the C Fund, and the F Fund based upon the proportions of the interim account balances of the G Fund, the C Fund, and the F Fund balances in the borrower's account on the last day of the month in which the loan payment is processed.
§ 1655.10 Loan application.

(a) A participant may apply for a loan by sending a completed and signed application to the recordkeeper.

(b) The participant must sign and date the application. By signing the application, the participant swears that the statements made in the application are true. An unsigned application will not be processed by the recordkeeper.

(c) The application must contain the following information:
   (1) The participant’s name, Social Security number, date of birth, current address, and pay cycle;
   (2) A statement as to whether the loan is for the purchase of a primary residence as described in §1655.20;
   (3) The amount requested and the loan repayment period;
   (4) Marital status of the participant and, if married, the name and address of the participant’s spouse; and
   (5) Any other information that the Executive Director may from time to time prescribe.

§ 1655.11 Loan Agreement/Promissory Note.

(a) Upon determining that the application meets the requirements of this part, the recordkeeper will send the participant a Loan Agreement/Promissory Note which will reflect the terms and conditions of the loan and the date it was prepared (loan process date).

(b) By signing the Loan Agreement/Promissory Note, the participant is bound to follow all of its terms and conditions and certifies, to the best of his or her knowledge, under penalty of perjury, to the truth of all statements made and documentation given with the Loan Agreement/Promissory Note.

(c) The recordkeeper must receive the completed Loan Agreement/Promissory Note (including any required supporting documentation) within 45 calendar days of the loan process date or the loan agreement will be cancelled. If the 45th day falls on a Saturday, Sunday, or Federal holiday, the deadline will be the next business day.

(d) The signed Loan Agreement/Promissory Note must be accompanied by:
   (1) A completed and signed discretionary payroll allotment form authorizing deductions of all amounts due under the Loan Agreement/Promissory Note, which deduction the participant agrees to maintain through his or her employing agency;
   (2) In the case of a loan for the purchase of a primary residence, supporting materials that document the purchase of the residence and the amount requested. This information is described in §1655.20; and
   (3) Any other information that the Executive Director shall from time to time require.

§ 1655.12 Loan approval.

(a) The application will be reviewed by the recordkeeper and will be accepted only if it conforms with the requirements of this part. Upon receipt of the application, the recordkeeper will determine whether:
   (1) The participant is qualified to apply for a loan under §1655.2 and has provided all required information;
   (2) The participant already has the maximum number of loans outstanding, or if the application is for a residential loan, the participant already has a residential loan outstanding;
   (3) The participant already has a pending loan application;
   (4) The requested loan exceeds the maximum amounts set forth in §1655.6(b), or is less than the minimum amount set forth in §1655.6(a). If the loan application process date occurs during a month before the monthly processing cycle, the maximum and minimum amounts will be determined using the interim account balance at the end of the prior month. If the loan application process date occurs after the monthly processing cycle but before the end of the month, the maximum and minimum amounts will be determined using the most recent valued account balance;
(5) The applicant is covered by a retirement system that is eligible to participate in the Thrift Savings Plan;

(6) A CSRS participant who is married but does not know the whereabouts of his or her spouse has been granted an exception to the spousal requirement as described in §1655.18; and

(7) The participant has received a taxable loan distribution (as described in §1655.13) from the Thrift Savings Plan within the 12 consecutive month period preceding the date of application, except as a result of a failure to repay the loan upon the participant’s separation from service or confirmed non-pay status for a period exceeding one year.

(b) Failure by the applicant to comply with any of the requirements of this part will result in rejection of the loan application.

(c) If the recordkeeper accepts the loan application, a Loan Agreement/Promissory Note will be sent to the applicant, as provided in §1655.11. When the completed Loan Agreement/Promissory Note is returned by the applicant, along with documentation, if required to be submitted under §§1655.11(d) and 1655.20, the loan will be initially approved or denied by the recordkeeper based upon the requirements of this part, including the following conditions:

(1) The participant has signed a promise to pay the loan and a statement that the information provided to the recordkeeper is true and complete to the best of the participant’s knowledge;

(2) Processing of the loan would not be prohibited by §1655.19 relating to court orders;

(3) A FERS participant’s spouse has consented to the loan or, if the spouse’s whereabouts are unknown or exceptional circumstances make it inappropriate to secure the spouse’s consent, an exception to the spousal requirement described in §1655.18 has been granted;

(4) The completed Loan Agreement/Promissory Note was received by the recordkeeper within 45 days of the date it was prepared;

(5) The participant has completed and signed a loan payment allotment form; and

(6) Any other conditions that the Executive Director may from time to time prescribe.

(d) The loan issue date will occur within 60 days of the date the loan is initially approved unless the recordkeeper determines that:

(1) A court order would prohibit the loan for the reasons described in §1655.19;

(2) The participant’s employing agency has reported the death, retirement, or separation of the participant;

(3) The participant’s account balance on the loan issue date does not contain sufficient employee contributions and related earnings to make the loan;

(4) The loan exceeds the maximum loan amount set forth in §1655.6(b) as of the most recent valuation date; or

(5) The loan does not comply with any other criteria that the Executive Director may from time to time prescribe.

(e) Loans will be issued once a month. After the loan issue date, the recordkeeper will provide information to the United States Treasury which will permit the Treasury to mail a check for the principal amount of the approved loan to the participant.

(f) A loan is considered to have been made to a participant on the loan issue date.

§ 1655.13 Distributions.

(a) The Board will declare the unpaid loan principal, plus unpaid interest, to be a taxable distribution from the Plan if:

(1) A participant is in confirmed non-pay status for a period of one year or more and the participant has not prepaid the loan as provided in §1655.17;

(2) A participant separates from Government service and does not repay the outstanding loan principal and interest in full within a date which is the earlier of:

(i) 90 calendar days after the date of the notice from the recordkeeper to the participant explaining his or her prepayment options that are available upon separation from Government service; or

(ii) 90 calendar days after the date of the notice from the recordkeeper to the participant that, because his or her
§ 1655.14 Loan payments.

(a) Loan payments (except for prepayments) may only be made through a discretionary payroll allotment. The allotment must remain in effect for the life of the loan.

(b) The initial payment on a loan is due on or before the 60th day following the loan issue date. The date when the initial payment is due may be adjusted by the Executive Director from time to time.

(c) Subsequent payments are due at regular intervals according to the participant’s pay cycle as prescribed in the Loan Agreement/Promissory Note.

§ 1655.15 Incorrect payments.

(a) If correct payments are not processed by the recordkeeper for a period in excess of 90 calendar days from the applicable one of the following dates:

(1) The date of the last correct payment;

(2) The date of the first incorrect payment, if there have been no prior correct payments; or

(3) The date the first payment was due (as calculated under §1655.14(b)), if there have been no payments;

the procedures stated in paragraph (b) of this section will apply.

(b)(1) Interest from the beginning of the 90-day period described in paragraph (a) of this section will be added to the outstanding loan principal and the participant will be required to reamortize the loan. Generally, a reamortization schedule will be calculated to maintain the remaining number of payments scheduled for the loan. The recordkeeper will prepare and send a Rider to the Loan Agreement/Promissory Note and a new payroll allotment form to the participant. The recordkeeper must receive from the participant a signed Rider to the Loan Agreement/Promissory Note and a newly signed payroll allotment form within 45 calendar days of the date the Rider is prepared. If the 45th day falls on a Saturday, Sunday, or a Federal holiday, the deadline will be the next business day.

(2) If the remaining number of payments would cause the loan term to extend beyond 18 years less 120 days from the loan issue date for a loan for the purchase of a primary residence, or five years less 120 days from the loan issue date for any other loan, the recordkeeper will reamortize the loan to enable the entire amount of principal and interest to be repaid within those limits. The recordkeeper will prepare and send to the participant a Rider to the Loan Agreement/Promissory Note and a newly signed payroll allotment form. The recordkeeper must receive from the participant, within 45 calendar days of the date the Rider is prepared, the signed Rider to the Loan Agreement/Promissory Note and a newly signed payroll allotment form. If the 45th day falls on a Saturday, Sunday, or a Federal holiday, the deadline will be the next business day.

(3) If no reamortized payments can be calculated under this section to allow the loan to be repaid within the time limit described in paragraph (b)(2) of this section, and the participant does
not prepay the loan in full, a taxable distribution will be declared.

(4) If the reamortized loan principal would exceed the maximum loan amount as calculated under §1655.6(b), the loan will not be reamortized. The participant must prepay the loan in full or a taxable distribution will be declared.

(5) If a participant does not sign and return the Rider to the Loan Agreement/Promissory Note, and the participant does not prepay the loan in full, a taxable distribution will be declared.

(6) A reamortization will be calculated based on the assumption that the reamortization will be completed 50 days after the Rider to the Loan Agreement/Promissory Note is prepared.

(c) If a period of incorrect payments does not exceed the 90-day period described in paragraph (a) of this section, no reamortization is required under paragraph (b) of this section. Any unpaid principal will be paid by additional payments in the same amount as the existing payments added to the term of the loan. Any overpaid principal will cause the loan repayment period to be shortened. If the additional payments would extend the term of the loan beyond five years from the loan issue date (or 18 years from the loan issue date in the case of a loan for the purchase of a primary residence), the participant must either reamortize the loan so as to establish scheduled payments that will repay the loan within those time periods or prepay in full the remaining unpaid amounts. If the participant does neither, a taxable distribution will be declared.

(d) For purposes of this section, incorrect payments include insufficient, excessive, and missing payments.

§ 1655.16 Reamortization.

(a) Reamortization of a loan will occur in the following situations:

(1) Under the rules stated in §1655.15;
(2) Where a participant transfers between agencies and changes pay schedules, the loan will be required to be reamortized to reflect the changed schedule;
(3) Where a participant has had his or her loan established on the basis of a particular pay schedule (e.g., bi-weekly), but actual loan payments are made on a different pay schedule (e.g., monthly), the loan will be reamortized to reflect the correct pay schedule;
(4) A participant may voluntarily reamortize a loan, subject to the following conditions:

(i) A voluntary reamortization may occur only if the participant is not currently required to reamortize the loan under the rules stated in this part;
(ii) An outstanding loan may be voluntarily reamortized only once;
(iii) Under a voluntary reamortization, the participant can shorten or extend the loan repayment period, provided that the new loan repayment period is not shorter than one year of scheduled payments and does not exceed 15 years of scheduled payments, in the case of a loan for the purchase of a primary residence, or four years of scheduled payments, in the case of all other loans.

(b) Before a loan can be reamortized, the recordkeeper must receive from the participant, within 45 days of the date a Rider to the participant’s Loan Agreement/Promissory Note was prepared, a signed Rider to his or her Loan Agreement/Promissory Note which describes the estimated terms and conditions of the reamortized loan and a newly signed payroll allotment form. If the 45th day falls on a Saturday, Sunday, or Federal holiday, the deadline will be the next business day.

(c) Upon reamortization, the new principal balance of the loan will equal the unpaid principal on the date of reamortization, plus any interest due on the unpaid principal.

(d) [Reserved]

(e) A loan may only be reamortized if the new principal (as described in paragraph (c) of this section) does not exceed the maximum loan amount calculated under §1655.6(b).
§ 1655.17

(f) The interest rate on a reamortized loan will be the same as the interest rate on the original loan.

§ 1655.17 Prepayment.

(a) A participant may prepay a loan in full at any time before the declaration of a distribution under § 1655.13 unless a separated participant has signed a statement that he or she does not intend to prepay. Partial prepayments are not permitted. Prepayment in full means receipt by the recordkeeper of payment of all principal and interest due in the form of a certified or cashier's check, a certified or treasurer's draft from a credit union, or a money order.

(b) If a participant returns a loan check to the recordkeeper in order to repay his or her loan, it will be treated as a prepayment in full. However, additional interest may be owed.

§ 1655.18 Spousal rights.

(a) Within seven calendar days of a CSRS participant's loan application process date, the recordkeeper will send a notice to the participant's current spouse that the participant has applied for a loan.

(b) As a condition for approval of the Loan Agreement/Promissory Note for a FERS participant, the participant must provide the recordkeeper with any evidence the Board requires to demonstrate that the current spouse has consented to the loan for which the participant has applied.

(c) A CSRS participant may obtain a waiver of the spousal requirement described in paragraph (a) of this section if the participant establishes, to the satisfaction of the Executive Director, that the spouse's whereabouts are unknown.

(d) A FERS participant may obtain a waiver of the spousal requirement described in paragraph (b) of this section if the participant establishes, to the satisfaction of the Executive Director that:

1) The spouse's whereabouts are unknown; or

2) Exceptional circumstances prevent the obtaining of consent.

(e) The procedures for obtaining an exception to the spousal requirements (including the definition of exceptional circumstances) described in paragraphs (c) and (d) of this section will be the same as the procedures described in 5 CFR part 1650.

[61 FR 58757, Nov. 18, 1996]

§ 1655.19 Court orders.

Upon receipt of a document that purports to be a qualifying retirement benefits court order or qualifying legal process relating to a participant's legal obligations to provide child support or make alimony payments, the participant's TSP account will be frozen. After the account is frozen, no loan will be allowed until the account is unfrozen. The Board's procedures for processing retirement benefits court orders and legal processes are explained in 5 CFR part 1653.

[61 FR 58757, Nov. 18, 1996]

§ 1655.20 Loans for the purchase of a primary residence.

(a) A loan for the purchase of a primary residence will be made only for the purchase of the primary residence of the participant or the participant and his or her spouse and for related purchase costs. The participant must actually bear all or part of the cost of the purchase of the primary residence. If the participant purchases a primary residence with someone other than his or her spouse, only the portion of the purchase costs that are borne by the participant will be considered in making the loan. A loan for the purchase of a primary residence will not be made for the purpose of paying off an existing mortgage or otherwise providing financing for an existing primary residence purchased more than 2 years earlier.

(b) A primary residence must be used by the participant as his or her principal residence. A primary residence does not include a second home or vacation home. A participant cannot have more than one primary residence. A primary residence may include a
houseboat, a house trailer, a condominium, or stock held in a cooperative housing corporation.

(c) Purchase of a primary residence means acquisition of the residence through the exchange of cash or other property or through the total construction of the new residence. Construction of an addition to or the renovation of a residence does not constitute "purchase" of a primary residence.

(d) Related purchase costs are any costs that are incurred directly as a result of the purchase or construction of a residence and which can be added to the basis of the residence for Federal tax purposes. However, "points" or loan origination fees charged for a loan, whether or not treated as part of the basis, will not be considered a purchase cost.

(e) The documentation required for a loan under this section is as follows:

(1) For all purchases except for construction, a copy of a home purchase contract or a settlement sheet or estimated settlement sheet;

(2) For construction, a home construction contract. If a single home construction contract is unavailable, additional contracts, building permits, receipts, assessments, or other documentation that demonstrates the construction of an entire primary residence and expenses in the amount of the loan may be accepted.

(f) The documentation provided under this subparagraph must bear a date that is no more than 24 months preceding the date of application.

PART 1690—MISCELLANEOUS REGULATIONS

§ 1690.1 Plan year.

The Thrift Savings Plan's plan year will be established on a calendar-year basis for all purposes, except where another applicable provision of law requires that a fiscal year or other basis be used. As used in this section, the term "calendar-year basis" means a twelve month period beginning on January 1 and ending on December 31 of the same year.

Pursuant to § 735.104(f) of this title, the Advisory Commission on Intergovernmental Relations (referred to hereinafter as the Commission) hereby adopts the following sections of part 735 of this title, Code of Federal Regulations: §§ 735.101, 735.102, 735.201a, 735.202(a), (d), (e), (f), 735.210, 735.302, 735.303(a), 735.304, 735.305(a), 735.403(a), 735.404-735.411, 735.412(b) and (d). These adopted sections are modified and supplemented as set forth in this part.

§ 1700.735-102 Review of statements of employment and financial interests.
Each statement of employment and financial interests submitted under this part shall be reviewed by the Executive Director. When this review indicates a conflict of interest of an employee or special Government employee of the Commission and the performance of his services for the Government, the Executive Director shall have the indicated conflict brought to the attention of the employee or special Government employee, grant the employee or special Government employee an opportunity to explain the indicated conflict, and attempt to resolve the indicated conflict. If the indicated conflict cannot be resolved, the Executive Director shall forward a written report on the indicated conflict to the Chairman, Advisory Commission on Intergovernmental Relations.

§ 1700.735-103 Disciplinary and other remedial action.
An employee or special Government employee of the Commission who violates any of the regulations in this part or adopted under § 1700.735-101 may be disciplined. The disciplinary action may be in addition to any penalty prescribed by law for the violation. In addition to, or in lieu of, disciplinary action, remedial action to end conflicts or appearance of conflicts of interest may include, but is not limited to:
(a) Changes in assigned duties;
(b) Divestment by the employee of his conflicting interests; or
(c) Disqualification for a particular assignment.

§ 1700.735-104 Gifts, entertainment, and favors.
The Commission authorizes the exceptions to § 735.202(a) of this title set forth in § 735.202(b) (1) through (4) of this title.

§ 1700.735-105 Outside employment.
(a) An employee of the Commission may engage in outside employment or other outside activity not incompatible with the full and proper discharge of the duties and responsibilities of his Government employment. An employee who engages in outside employment shall report that fact in writing to his supervisor.
(b) Employees and special Government employees of the Commission may engage in teaching, writing, and lecturing, provided, however, employees and special Government employees shall not receive compensation or anything of monetary value for any consultation, discussion, writing, lecturing, or appearance the subject matter of which is devoted substantially to the specific responsibilities, programs, or operations of the Commission, or which draws substantially on official data or ideas which have not been published or otherwise publicly released by the Commission. The foregoing limitation on the receipt of compensation or anything of monetary value shall not be construed as applying to amounts received for reimbursement for travel and other expenses incurred in performing the outside employment.
§ 1700.735-108 Specific provisions of Commission regulations governing special Government employees.

(a) The term “special Government employee” as used in this part means an officer or employee who is retained, designated, appointed, or employed by the Commission to perform, with or without compensation, for not more than 130 days during any period of 365 consecutive days, temporary duties either on a full-time or intermittent basis.

(b) Special Government employees shall adhere to the standards of conduct applicable to employees set forth in this part and adopted under § 1700.735-101, except that § 735.203(b) of this title is not applicable to a special Government employee.

(c) Pursuant to § 735.305(b) of this title, the Commission authorizes the same exceptions concerning gifts, entertainment, and favors for special Government employees as are authorized for employees by § 1700.735-104.

§ 1700.735-109 Statements of employment and financial interests.

(c) An employee who believes that his position has been improperly included in this section as one requiring the submission of a statement of employment and financial interests may obtain a review of his complaint under the agency’s grievance procedure.

(d) A statement of employment and financial interest is not required under this part from Members of the Commission. Members of the Commission are subject to 3 CFR 100.735-31 and are required to file a statement only if requested to do so by the Counsel to the President.

NOTE: Notwithstanding the filing of the annual supplementary statement required by 5 CFR 735.406, each employee shall at all times avoid acquiring a financial interest that could result, or taking an action that would result, in a violation of the conflicts-of-interest provisions of section 208 of title 18, United States Code or the regulations in this part or adopted under § 735.101.

§ 1701.6 Organization of Commission, vacancies, quorum.

(a) The President designates a Chairman and a Vice Chairman from among members of the Commission.

(b) Any vacancy in the membership of the Commission is filled in the same manner in which the original appointment was made; except that where the number of vacancies is fewer than the number of members specified in paragraphs (d), (e), (f) and (g) of §1701.4, each panel of names submitted in accordance with the aforementioned
Advisory Com. on Intergovernmental Relations § 1701.9

paragraphs contains at least two names for each vacancy.

(c) Where any member ceases to serve in the official position from which he or she was originally appointed under § 1701.4, that place on the Commission is deemed to be vacant.

(d) Thirteen members of the Commission constitute a quorum, but two or more members constitute a quorum for the purpose of conducting hearings.

§ 1701.7 Commission personnel.

(a) Executive Director. Is appointed by the Commission itself. He is appointed without regard to the Civil Service laws or Classification Act of 1949, and without regard to political affiliation. He is appointed solely on the basis of fitness to perform the duties of the position.

(b) Other employees. Subject to the provisions of part 1720 of this chapter and of such other rules and regulations as the Commission may adopt, the Chairman, without reference to the Civil Service laws and the Classification Act of 1949, and without regard to political affiliation, may appoint, fix the compensation of, and remove such other personnel as he deems necessary.

(c) Temporary employees. The Chairman may also procure temporary and intermittent services to the same extent as is authorized by section 15 of the Administrative Expenses Act of 1946 (5 U.S.C. 55a), but at rates not to exceed the daily rate for a GS-18.

§ 1701.8 Activities of the Commission.

The primary role of the Commission is to give advice. It issues no rules or regulations governing the general public, and the advice it gives is addressed to various levels of the American government, such as the Congress of the United States, and the States, counties, and cities. The advice it gives is contained in its recommendations and reports, and these in turn are based on research conducted by the Commission and its staff.

(a) Selection of research topics—policy applied. The policy applied by the Commission in the choice of research topics is to select ones which will strengthen the federal system, and promote the power balance and fiscal balance among the various levels of government. Weight is given to new ways of dealing with practical intergovernmental problems. Routine and continual re-evaluation of the same topic will be avoided whenever possible.

(b) Selection of research topics—criteria. The Commission, by vote of its members, selects all research projects and approves acceptance of all research grants. Its selections take into account the following general criteria:

(1) Importance of the subject area,
(2) Timeliness of the issues,
(3) Utility to the governmental levels,
(4) Compatibility with the competence of the staff, and
(5) Appropriateness for the Commission's composition and procedures.

(c) Outside requests for research. The Commission undertakes research requested by the Congress and by executive agencies to the extent that its work program and resources allow. However, where such requests do not meet the Commission's research selection criteria or where undertaking the work would impede other important work in progress, the Commission will necessarily seek additional funding to expend its work capacity temporarily. The Commission does not make research grants to other outside parties on topics those parties have selected for study nor will it request appropriation for such studies.

(d) Special funding of projects. ACIR will seek and accept grants for work on intergovernmental subjects that accord with the Commission's finding that the subject is of prime intergovernmental importance, if it is within the capacity of the staff—or outside scholars and consultants engaged for this purpose—to produce a study that meets the Commission's usual standards of quality.

§ 1701.9 Step-by-step development of Commission recommendations.

The Commission itself selects the research projects to be undertaken and assigns the priority to be given among projects. In making its selection the Commission may consider exploratory research by the ACIR staff, the Commission members expertise, and any other information the Commission members have. Thereafter:
§ 1701.9 5 CFR Ch. VII (1-1-98 Edition)

(a) Working outline. An outline of the project is prepared by the one or more staff members assigned to it by the Executive Director. In addition, the Chairman in his or her discretion, may assign one or more Commission members to monitor the staff work. The working outline covers the issues to be dealt with and the research techniques to be used. This outline is sent to the Commission members and reviewed at a "Thinkers" Session.

(b) Thinkers session. The participants at a Thinkers Session are selected by the staff, after seeking suggestions from Commission members. Participants are usually professors, researchers, and other experts who have a special knowledge and interest in the subject matter of the project. If Commission members have been assigned to oversee the work, every effort will be made to enable them to attend. Thinkers Sessions are held at times convenient to the participants and are usually held at the ACIR headquarters in Washington, but may be held elsewhere if necessary for the convenience of the participants.

(c) Preliminary draft. Following the Thinkers Session, the working outline will be appropriately revised and the staff will conduct the research work and prepare a preliminary draft of the study that may include a range of possible legislative recommendations for Commission consideration.

(d) Critics session. After being reviewed internally, the preliminary draft is subjected to review and criticism by an informal group of critics, some of whom may have been members of the Thinkers group. The critics also provide expert knowledge and a diversity of substantive and philosophical viewpoints. Care is taken to include among the critics representatives of national associations of state and local officials, as well as of Congress and federal departments and agencies. If Commission members have been assigned to oversee the work, every effort is made to encourage them to attend any meeting of the critics. Participants in a critics session are selected by the staff after seeking suggestions from Commission members. Responses to the criticisms and suggestions presented at a critics meeting are determined by the staff.

(e) Revision and submission to Commission. The draft report is then revised by the staff in light of criticisms and comments received both orally and in writing from critics, Commission members and others. A summary of the draft report, along with potential recommendations, is included in a "Docket Book" and transmitted to Commission members at least three weeks in advance of the meeting at which it is to be considered. The maximum extent feasible, copies of the entire report are made available to all interested parties at least two weeks before the full Commission considers the study.

(f) Advisory committee. In exceptional projects the Executive Director, or the Commission, may appoint a committee of advisors to help guide the research. The committee will consist of academicians and practitioners who have special competence and interest in the subject matter under study and, particularly, who are familiar with the latest developments in the field. The committee advises the staff and the Commission on all phases of the research, from initiating the research design to developing proposed recommendations. The committee's activities supplement but do not replace thinkers and critics sessions.

(g) Adoption of recommendations. The draft recommendations are then considered and separately voted upon by the Commission in meeting. Majority vote of those present is required for approval. Extensive amendments and new germane matter must be set forth in writing and be made available to each member attending the meeting before they can be voted upon. New matter determined to be non-germane by the Chairman is referred to the staff with instructions on how to deal with the material.

(h) Dissent. Members are free to dissent from actions adopted by the Commission and may have that dissent registered in any of several ways. If requested, the names of dissenting members will be shown in the minutes of the meeting. To the extent dissenting members feel the minutes fail to reflect adequately the nature of their dissent, they may,

§ 1701.10 Other activities of the Commission.

(a) The Commission devotes the necessary amount of ACIR staff time to technical assistance, publications, and education activities so as to disseminate Commission reports and encourage a study of emerging public problems which may require adoption of Commission legislative recommendations. In carrying out these implementation activities, Commission members and the staff conduct and participate in press conferences, briefings for legislative and policy officials, legislative hearings, seminars and workshops, technical assistance visits to specific jurisdictions, and other activities appropriate to its statutory mandate.

(b) Support activities. In support of its implementation activities, the Chairman and members of the Commission complement the staff work by participating in press conferences and briefings for legislative and policy officials, testifying before Congressional committees and state and local legislative bodies, participating in their home states in press and legislative activities to generate interest in ACIR reports and recommendations and to advance their implementation, making speeches as representatives of the Commission, serving as a two-way communications channel with the ACIR staff, and undertaking such other assignments on behalf of the Commission as may be appropriate.

(c) Publications. ACIR reports containing legislative recommendations or Commission "findings" or "conclusions" ("A" series) and major research reports not containing legislative recommendations ("M" series) are published only after approval by the Commission. Other reports and publications may be published with the approval of the Executive Director as follows:

Public Opinion Survey ("S" series)
Intergovernmental Perspective
In Brief ("B" series)
"What is ACIR?" Brochure
Publications List
Staff Working Papers
Information Bulletins

(d) Hearings. Whenever in the opinion of the Commission it is necessary or desirable to have a factual determination based on the testimony of sworn witnesses in an adjudicatory-type hearing, or to provide a forum for receiving statements from interested persons or members of the public, or a part thereof, in a legislative-type hearing, the Commission, or a sub-committee of the Commission (when authorized by the Commission) or any number of members thereof (not less than two) may hold a public hearing. Factors weighed when determining whether or not to hold a hearing include, but are not limited to:

(1) The extent to which all directly affected interests were represented in the critics session.
(2) Whether directly affected interests have requested a hearing with the Commission.
(3) The extent to which a report contains findings, conclusions or potential recommendations on which identifiable interests are in sharp disagreement.
(4) The extent to which hearings may be a good device for directing public attention to the Commission, the report, or both.
(5) Whether in meetings away from Washington a hearing will be a good
device for calling attention to the Commission’s presence in a particular community or region.

§ 1702.1 Establishment.
The Act establishing the Advisory Commission on Intergovernmental Relations, 42 U.S.C. 4271 et seq. (1959), 73 Stat. 703, empowers the Commission to regulate to the extent it deems desirable for the purpose of carrying out the provisions of this Act the holding of hearings, taking of testimony and fixing the time and place of meetings (42 U.S.C. 4276(a)), rules covering the appointment and compensation of employees and the procurement of temporary and intermittent services (42 U.S.C. 4276(d)). In addition, the Commission is required to publish regulations implementing the provisions of the Freedom of Information Act (5 U.S.C. 552(a)), and the Privacy Act of 1974 (Pub. L. 93-579, 5 U.S.C. 552a). These bylaws are designed to carry out these regulatory obligations.

§ 1702.2 Members.
Public Law 86-380, Sec. 3 (42 U.S.C. 4273), provides that the Commission consist of 26 members serving two-year terms—three U.S. Senators appointed by the President of the Senate, three members of the U.S. House of Representatives appointed by the Speaker of the House, three private citizens and three officers of the Executive Branch appointed by the President of the United States, and fourteen elected officials of state and local governments nominated by their respective national associations and appointed by the President of the United States. Except for the private citizen and Executive Branch members, appointments must have bipartisan balance within each membership group. The state and local officials on the Commission are divided into the following groups: four governors, three state legislators, four mayors and three elected county officials. Members serve until their terms expire and their replacements have been appointed, or until they leave public office in the membership category they represent. Members are eligible for reappointment.

§ 1702.3 Officers.
In accordance with section 4(b) of Pub. L. 86-380 (42 U.S.C. 4274(b)), the President designates the Chairman and Vice-Chairman from among the members of the Commission.

§ 1702.4 Responsibilities and duties of the Commission and Commission members.

(a) Studies, recommendations and reports. In accordance with section 5 of Pub. L. 86-380 (42 U.S.C. 4275), the Commission is responsible for choosing topics to study and consider, for recommending “ways and means for fostering better relations between the levels of government,” and for submitting reports to the President, Congress and any other unit of government or organization, including an annual report to the President and Congress. The Commission, or the Chairman upon explicit delegation by the Commission, must approve publication of each formal report containing legislative recommendations (series “A” reports) and information reports (series “M” reports).

(b) Meeting and hearings. The Commission, by majority vote of those attending the meeting, may call meetings and hearings at such times and places as it deems appropriate.

(c) Executive Director. In accordance with section 6(c) of Pub. L. 86-380 (42 U.S.C. 4276(c)), as amended, the Commission appoints at a regular or special meeting, compensates and removes the Executive Director.
(d) Committees. The Commission may establish such committees as it deems necessary or desirable to guide research, to hold hearings, or to perform other duties.

(e) Responsibilities and duties of Commission members. Members are expected to:

1. Attend all meetings.
2. Be familiar with docket book contents.
3. Be prepared to discuss and vote on proposed recommendations.
4. Attend ACIR public hearings and suggest witnesses.
5. Make speeches and appearances on behalf of ACIR.
6. Testify for ACIR at Congressional hearings.
7. Upon request of the Chairman, serve on Commission committees.

Any member authorized by the Commission may administer oaths or affirmations to witnesses appearing before the Commission or any committee or members thereof (section 6(a), Pub. L. 86-380 (42 U.S.C. 4276(a)).

§ 1702.5 Duties and powers of the Chairman and Vice-Chairman.

(a) Personnel. Subject to rules and regulations adopted by the Commission, the Chairman is empowered by section 6(d) of Pub. L. 86-380 (42 U.S.C. 4276(d)) to appoint, fix the compensation of, and remove all personnel other than the Executive Director, without regard to civil service laws or political affiliation; and to procure the services of temporary and intermittent employees.

(b) Information requests. The Chairman is empowered to request necessary information of federal departments and agencies to be furnished by them as required by Pub. L. 86-380, 42 U.S.C. 4276(b). The Vice-Chairman also is empowered to request such information.

(c) Presiding and voting. The Chairman shall preside at all meetings of the Commission. In the absence of the Chairman, the Vice-Chairman shall preside at Commission meetings. In the absence of both the Chairman and Vice-Chairman, the Commission member who will preside shall have been designated by the Chairman or failing such designation, by majority vote of those attending. The Chairman votes only in the case of a tie or when a vote is taken by written ballot.

(d) Committees. The Chairman may establish committees as necessary.

(e) Hearings. The Chairman may call hearings and fix their time and place.

(f) Encouraging attendance and reducing absenteeism. The Chairman shall promote regular attendance by Commission members at regular Commission meetings and other Commission functions. Whenever a member misses three or more consecutive regular Commission meetings, the Chairman shall write the member, on behalf of the Commission, requesting the member’s resignation. The Chairman shall send a copy of his letter to the officials responsible under the law for nominating and appointing that member to the Commission, noting his record of absenteeism and suggesting that efforts be made to vacate the seat so that a new member may be nominated. Every effort will be made to make attendance expectations known to all new members and to officials making nominations and appointments.

§ 1702.6 Commission meetings.

(a) Time and place. The Commission intends in the exercise of its discretion provided by Pub. L. 86-380, section 6(a) (42 U.S.C. 4276(a)), to meet quarterly at the call of the Chairman, except in even numbered election years when the fall quarter meeting may be cancelled. Additional meetings may be called by the Chairman or by a majority of all the Commission members. Commission meetings shall be held, upon due notice, at such times and places as the Chairman or the Commission shall determine. The Commission also intends, in the exercise of its discretion, that at least one of its meetings each year be held outside Washington, D.C.

(b) Setting meeting agendas—notice. With the approval of the Chairman, the Executive Director will establish the agenda for each regular meeting and shall notify the members of its contents by sending out a docket book at least three weeks in advance of the meeting. Members wishing items placed on the agenda may request the Chairman to do so. By vote of a majority of the members at the meeting, the agenda may be revised.
§ 1702.7

(c) Adoption of Robert's Rules of Order. The rules contained in Robert's Rules of Order Revised, 1971, shall govern the Commission in all cases to which they are applicable to the extent they are not inconsistent with these bylaws.

(d) Quorum. "Thirteen members of the Commission shall constitute a quorum for the transaction of business, but two or more members shall constitute a quorum for the purpose of conducting hearings." [Pub. L. 86-380 section 4(3); 42 U.S.C. 427(e).]

(e) Substitute for Federal executive members. Federal executive members may designate one permanent substitute of at least Assistant Secretary rank or equivalent to act fully in his or her stead as a member of the Commission. Accordingly, such substitutes for Federal Executive members may participate in Commission debates and vote on all matters. Such named substitute designations by Federal Executive members shall be for the term of the member.

(f) Polling. The Chairman, on his own motion, may poll the membership to determine the views of the members on matters on the agenda of a regular or special meeting of the Commission but which were not considered by the Commission, or where he wishes to increase the number of members voting, or where he determines there is some administrative purpose to be served. Such voting shall either be by mail or, if by telephone, shall be confirmed in writing. The result of any poll shall be reported in the Docket Book for the following meeting of the Commission and shall be subject to a motion to reconsider at the following meeting but not at any other later time.

(g) Acceptance of outside financial assistance. No outside financial assistance is accepted without approval by the Commission. The Chairman, in his discretion, may request such approval by placing it in the Commission's regular agenda or by polling the members in accordance with Article VI of the Bylaws.

§ 1702.7 Staff—powers and limitations.

(a) Duties and powers of the Executive Director. The Executive Director directs and manages the staff in carrying out the directions of the Commission and the Chairman; represents the Commission before a variety of audiences including the Congress and its committees, the Executive Office of the President and other federal agencies, national and state associations of state and local officials, state and local governments, the media, schools and universities, and the general public; and undertakes and directs such other activities as the Executive Director and the Chairman of the Commission deem in the best interest of improved intergovernmental relations throughout the nation.

(b) Commission's role in drafting legislative materials. Any proposed legislation drafted by the staff to carry out Commission recommendations is to be approved by the Commission at a regularly scheduled Commission meeting before that material is transmitted to Congress, to state legislatures, to other interested groups, or to any other source.

1 In amending and reaffirming this provision for alternate members from the Executive Branch, the Commission emphasized its desire that members of the President's Cabinet be appointed to the Commission and attend its meetings whenever possible. The Commission also stressed that an alternate substituting for an Executive Branch member should be the same person from one meeting to the next and should represent the views of the regular member with continuity. Although the Commission recognized that it might be necessary to change the designation of an alternate, the Commission urged that such changes be kept to a minimum in the interest of strengthening continuity within the Commission.

Subpart A—Freedom of Information Act Implementation

§ 1703.1 General.
This part implements section 552 of title 5, United States Code, and prescribes rules governing the availability to the public of documents and records of the Advisory Commission on Intergovernmental Relations.

§ 1703.2 Publications.
(a) Complete lists of Legislative Recommendations and Reports, together with the texts of those Recommendations, Reports and other publications are maintained in the Offices of the Commission.
(b) The Annual Report of the Commission contains a list of all Legislative Recommendations and Commission Reports adopted during the preceding year. It also contains descriptive material regarding the work of the Commission. The Annual Report is available from ACIR. Single copies of current and past Annual Reports will also be furnished by the Commission on request, to the extent that supplies on hand permit.
(c) The Commission endeavors to maintain for distribution to interested persons an adequate stock of reports, copies of congressional testimony, newsletters, minutes of recent committee meetings, and other documents of general interest. Requests for single copies of such documents will be filled at cost to the extent that supplies on hand permit.

§ 1703.3 Requests for records.
(a) It is the policy of the Commission to make records and documents in its possession available to the public to the greatest extent possible. All records of the Commission are available for public inspection and copying in accordance with this section except those records or portions of records as to which the Director or his designee specifically determines that:
(1) They fall within a particular exemption in section 552(b) of the Freedom of Information Act and
(2) Disclosure would not be consistent with the national interest, the protection of private rights or the efficient conduct of Commission business.
(b) A request for records, other than for documents which are published in the FEDERAL REGISTER or available for sale or distribution as described in §1703.2, shall be made in writing and directed to the Executive Director, Advisory Commission on Intergovernmental Relations, 1111 20th Street, NW., Washington, DC 20575. Such request shall be clearly marked “Freedom of Information Request” or “Information Request” and shall reasonably describe the record requested. The staff of the Commission will make reasonable efforts to assist a requester in formulating his request. Nothing in this section shall preclude staff of the ACIR from complying with oral, unmarked, or generally stated requests for information and documents.
(c) The Executive Director or his designee shall, within ten working days after its receipt, either comply with or deny a request for records, provided that when additional time is required because of:
(1) A need to search for, collect and examine a voluminous amount of separate and distinct records demanded in a single request, or (2) a need for consultation with another agency having a substantial interest in the determination of the request, the time limit for disposing of the request may be extended for up to ten additional working days by a written notice to the requester setting forth the reasons for and the anticipated length of the delay.
(d)(1) Where it appears to the Executive Director or his designee that fees
§ 1703.4 chargeable under § 1703.6 of this regulation for compliance with the request will exceed $25, and the requester has not indicated in advance his willingness to pay fees as high as are anticipated, the requester shall be promptly notified of the amount of the anticipated fee or such portion thereof as can readily be estimated. In such cases, a request will not be deemed to have been received until the requester is notified of the anticipated cost and agrees to bear it. The notification shall offer the requester the opportunity to confer with Commission personnel with the object of reformulating the request so as to meet his needs at lower cost.

(2) Where the anticipated fee chargeable under this part exceeds $50, an advance deposit of 25% of the anticipated fee or $25, whichever is greater, may be required. Where a requester has previously failed to pay a fee under this part, an advance deposit of the full amount of the anticipated fee may be required.

(e) The requester will be notified promptly of the determination made pursuant to paragraph (c) of this section. If the determination is to release the requested record, such record shall promptly be made available. If the determination is not to release the record, the person making the request shall, at the same time he is notified of such determination, be notified of:

(1) The reason for the determination;
(2) The name and title or position of each person responsible for the denial of the request; and
(3) His right to seek judicial review of such determination pursuant to the provisions of the Freedom of Information Act, 5 U.S.C. 552(a)(4).

§ 1703.5 Policy with respect to request for particular kinds of documents.

This section is intended to amplify the policy set out in §1703.3(a) as applied to specific categories of documents:

(a) All materials which are distributed to the membership of the Commission (Docket Book) for consideration at a plenary session will upon distribution be available to the public in accordance with §1703.2(d) of these regulations.

(b) Consultant and staff reports which are otherwise exempt from disclosure under the Freedom of Information Act as interagency or intra-agency correspondence will, absent special circumstances, be made available if the reports are in substantially completed form and have been distributed widely for comment within or outside the Government. Tentative reports and working drafts which have received only limited circulation will ordinarily not be made available.

(c) Agency comments on a report or proposed legislative recommendation, even if exempt from disclosure under the Freedom of Information Act, will nevertheless ordinarily be made available unless the agency indicates to the Commission that its comment is confidential. Comment of an individual Commission member, writing in his personal capacity, will not be made available without the consent of the member.

(d) The following categories of documents are declared to be available to the public, notwithstanding any applicable exemption in section 552(b) of the Freedom of Information Act:

(1) Agency reports on the implementation of Commission recommendations;
(2) Correspondence from the Office of the Chairman of the Commission or the Executive Director to committees of Congress, commenting on pending legislation;

§ 1703.4 Index.

The Freedom of Information Act, 5 U.S.C. 552(a)(2), requires each agency to maintain and make available for public inspection and copying a current index of certain materials issued, adopted or promulgated by the agency. With respect to the materials covered by section 552(l)(2)(B), the Commission maintains currently for distribution a complete list of Commission Recommendations ("A" Series) and Reports ("M" Series), and other reports. The Commission has no adjudicatory responsibilities of the kind contemplated by section 552(a)(2)(A) of the Act and does not ordinarily issue materials of the type described in section 552(a)(2)(C). Should such materials be issued, appropriate indexes will be maintained.
§ 1703.23 Procedures for requests pertaining to individual records in a system of records.
(a) An individual can determine if a particular system of records maintained by the Commission contains a record pertaining to himself by submitting a written request for such information to the Executive Director. The Executive Director or his designee will respond to a written request under this subpart within a reasonable time by stating that a record on the individual either is or is not contained in the system.
(b) If an individual seeks access to a record pertaining to himself in a system of records, he shall submit a written request to the Executive Director. The Executive Director or his designee will, within ten working days after its receipt, acknowledge the request and if possible decide if it should be granted. In any event, a decision will be reached promptly and notification thereof provided to the individual seeking access. If the request is denied, the individual will be informed of the reasons therefor and his right to seek judicial review.
(c) In cases where an individual has been granted access to his records, the Executive Director may, prior to releasing such records, require the submission of a signed notarized statement verifying the identity of the individual to assure that such records are disclosed to the proper person. No verification of identity will be required when such records are available under the Freedom of Information Act, 5 U.S.C. 552, as amended.

§ 1703.22 Request for amendment of correction of a record.
(a) An individual may file a request with the Executive Director for amendment or correction of a record pertaining to himself in a system of records. Such written request shall state the nature of the information in the record the individual believes to be inaccurate or incomplete, the amendment or correction desired and the reasons therefor. The individual should supply whatever information or documentation he can in support of his request for amendment or correction of a record.
(b) The Executive Director or his designee will, within ten working days

An accounting of the date, nature, and purpose of each disclosure of a record as well as the name and address of the person or agency to whom the disclosure was made will be maintained. This accounting will be made available to the individual to whom the record pertains upon the submission of a written, notarized request to the Executive Director.

(i) Has a physical or mental impairment that does not substantially limit major life activities but is treated by the agency as constituting such a limitation;

(ii) Has a physical or mental impairment that substantially limits major life activities only as a result of the attitudes of others toward such impairment;

(iii) Has none of the impairments defined in paragraph (1) of this definition but is treated by the agency as having such an impairment.

(1) With respect to any agency program or activity under which a person is required to perform services or to achieve a level of accomplishment, a handicapped person who meets the essential eligibility requirements and who can achieve the purpose of the program or activity without modifications in the program or activity that the agency can demonstrate would result in a fundamental alteration in its nature; or

§ 1720.110 Self-evaluation.

(a) The agency shall, by April 9, 1987, evaluate its current policies and practices, and the effects thereof, that do not or may not meet the requirements of this part, and, to the extent modification of any such policies and practices is required, the agency shall proceed to make the necessary modifications.

(c) The agency shall, until three years following the completion of the self-evaluation, maintain on file and make available for public inspections:

(1) A description of areas examined and any problems identified, and

(2) A description of any modifications made.

§ 1720.111 Notice.

The agency shall make available to employees, applicants, participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the programs or activities conducted by the agency, and make such information available to them in such manner as the head of the agency finds necessary to apprise such persons of the protections against discrimination assured them by section 504 and this regulation.

§§ 1720.112—1720.129 [Reserved]

§ 1720.130 General prohibitions against discrimination.

(a) No qualified handicapped person shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(b)(1) The agency, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—

(i) Deny a qualified handicapped person the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified handicapped person an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified handicapped person with an aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to handicapped persons or to any class of handicapped persons than is provided to others unless such action is necessary to provide qualified handicapped persons with aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified handicapped person the opportunity to participate as a member of planning or advisory boards; or

(vi) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

[51 FR 4574, 4579, Feb. 5, 1986; 51 FR 7543, Mar. 5, 1986]
(2) The agency may not deny a qualified handicapped person the opportunity to participate in programs or activities that are not separate or different, despite the existence of possibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—
   (i) Subject qualified handicapped persons to discrimination on the basis of handicap; or
   (ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to handicapped persons.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—
   (i) Exclude handicapped persons from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or
   (ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to handicapped persons.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified handicapped persons to discrimination on the basis of handicap.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to handicapped persons or the exclusion of a specific class of handicapped persons from a program limited by Federal statute or Executive order to a different class of handicapped persons is not prohibited by this part.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified handicapped persons.

§§ 1720.131—1720.139 [Reserved]

§ 1720.140 Employment.

No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§§ 1720.141—1720.148 [Reserved]

§ 1720.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in §1720.150, no qualified handicapped person shall, because the agency’s facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 1720.150 Program accessibility: Existing facilities.

(a) General. The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not—
   (1) Necessarily require the agency to make each of its existing facilities accessible to and usable by handicapped persons; or
   (2) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1720.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or

311
such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that handicapped persons receive the benefits and services of the program or activity.

(b) Methods. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by handicapped persons. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified handicapped persons in the most integrated setting appropriate.

(c) Time period for compliance. The agency shall comply with the obligations established under this section by June 6, 1986, except that where structural changes in facilities are undertaken, such changes shall be made by April 7, 1989, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by October 7, 1986, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including handicapped persons or organizations representing handicapped persons, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency’s facilities that limit the accessibility of its programs or activities to handicapped persons;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

§ 1720.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by handicapped persons. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151-4157), as established in 41 CFR 101-19.600 to 101-19.607, apply to buildings covered by this section.

§§ 1720.152-1720.159 [Reserved]

§ 1720.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford a handicapped person an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the handicapped person.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.
Advisory Com. on Intergovernmental Relations § 1720.170

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD’s) or equally effective telecommunication systems shall be used.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1720.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, handicapped persons receive the benefits and services of the program or activity.

§§ 1720.161—1720.169 [Reserved]

§ 1720.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs or activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Personnel Officer shall be responsible for coordinating implementation of this section. Complainants may be sent to Budget and Management Officer, Advisory Commission on Intergovernmental Relations, Suite 2000, Vanguard Building, 1111 20th St., NW., Washington, DC 20575.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157), or section 502 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 792), is not readily accessible to and usable by handicapped persons.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found;

(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §1720.170(g). The agency may extend this time for good cause.
(i) Timely appeals shall be accepted and processed by the head of the agency.

(j) The head of the agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the head of the agency determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

AUTHORITY: 5 U.S.C. 1212(e).

§ 1800.1 Filing complaints of prohibited personnel practices or other prohibited activities.

(a) Complaints of prohibited personnel practices or other prohibited activities within the investigative authority of the Special Counsel (including complaints of political activities prohibited by 5 U.S.C. 7321-7324) should be submitted to the Office of Special Counsel, Complaints Examining Unit, 1730 M Street, NW., Suite 300, Washington, DC 20036-4505.

(b) Complaints, allegations, and information may be submitted in any written form, but should include:

(2) The department or agency, location, and organizational unit complained of;

(3) A concise description of the actions complained about, names and positions of employees who took these actions, if known to the complainant, and dates, preferably in chronological order, together with any documentary evidence the complainant may have;

(4) In the case of any allegation of a prohibited personnel practice, the personnel action that has been taken or is proposed or threatened to be taken, and the date of the action, proposal, or threat;

(5) In the case of action taken because of an individual's disclosure of information, the information believed to evidence violation of law, rule, or regulation, gross mismanagement, gross waste of funds, abuse of authority, or substantial and specific danger to public health or safety and when, to whom, and how or in what form it was disclosed; and

(6) A statement as to whether the complainant consents to the disclosure of his or her identity to the agency by the Special Counsel for the purpose of further investigation.

§ 1800.2 Filing disclosures of information.

(a) Employees, former employees, or applicants for employment having information evidencing violations of law, rule, or regulation or gross mismanagement, a gross waste of funds, an abuse of authority, or a substantial and specific danger to public health or safety should be submitted to the Office of Special Counsel, Disclosure Unit, 1730 M Street, NW., Suite 300, Washington, DC 20036-4505.

(b) Information may be submitted in any written form, but should include:

(1) The name, mailing address, and telephone number(s) of the person(s) making the disclosure(s), and a time when that person(s) can be safely contacted by this agency, unless the matter is submitted anonymously;

(2) The department or agency, location and organizational unit complained of;

(3) A statement as to whether the complainant consents to the disclosure of his or her identity to the agency by the Special Counsel in connection with referral to the appropriate agency.

§ 1800.3 Advisory opinions.

The Special Counsel is authorized to issue advisory opinions only concerning Chapter 15 of Title 5, United States Code (dealing with political activity of State or local officers and employees) and Subchapter III of Chapter 73 of Title 5, United States Code (dealing with political activity of Federal officers and employees). Requesters may telephone the Office of Special Counsel toll free at 1-800-872-9855, or (202)/FTS 653-7143 in the Washington, DC, area, or make such requests in writing to the Office of Special Counsel, 1730 M
§ 1820.1 Public list.

(a) Pursuant to 5 U.S.C. 1219, the Special Counsel maintains and makes available to the public a list of:

1. Noncriminal matters referred to heads of agencies under 5 U.S.C. 1213(c) and (g)(1), and reports received as a result of such referrals;
2. Matters referred by the Special Counsel to heads of agencies under 5 U.S.C. 1215(c)(2); and
3. Matters referred to heads of agencies under 5 U.S.C. 1216(e), together with certifications from the heads of agencies under such subsection.

(b) The list is available to the public between 8:30 a.m. and 5 p.m. weekdays (except legal holidays) in the Office of Special Counsel, 1730 M Street NW., Suite 300, Washington, DC 20036-4505.

§ 1820.3 Categories of requesters under the Freedom of Information Act.

There are four categories of requesters:

(a) Commercial use requesters. These requesters seek information for themselves or on behalf of someone else for a use or purpose that furthers commercial, trade, or profit interests of the requester or the person on whose behalf the request is made. A requester will not be presumed to be a "commercial use requester" merely by submitting a request on corporate letterhead without further explanation of the use to which he plans to put the requested information. Similarly, a request submitted on the letterhead of a nonprofit organization without further explanation will not be presumed to be for a noncommercial purpose. The Office of Special Counsel will seek clarification from the requester where there is a reasonable doubt as to the intended use of the information.

(b) Educational and noncommercial scientific institution requesters. (1) An "educational institution" requester is associated with a preschool, a public or private elementary or secondary school, an institution of undergraduate or
§ 1820.4 Free or partially free search time and partially free copying.

(a) Free search time and partially free copying. Educational and noncommercial scientific institution requesters and news media requesters who are requesting records for noncommercial use are entitled to free copying for the first 100 pages. Requests from record subjects for records about themselves filed in a system of records will continue to be treated under the fee provisions of the Privacy Act, which permits the assessment of fees only for copying.

§ 1820.5 Waiver or reduction of fees.

(a) The Associate Special Counsel for Investigation, the Deputy Associate Special Counsel for Prosecution, the Associate Special Counsel for Prosecution, the Deputy Special Counsel, and the Special Counsel may authorize waiver or reduction of fees that could otherwise be assessed if disclosure of the information requested:

(1) Is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Government, and

(2) Is not primarily in the commercial interest of the requester.

(b) Satisfaction of paragraph (a)(1) of this section will be determined by all of the following:

(1) Whether the subject of the requested records concerns “the operations or activities of the Government.” The requested records concern identifiable operations of activities of the Government, and the connection between the records and the operations or activities is direct and clear, not remote or attenuated;

(2) Whether disclosure is “likely to contribute” to an understanding of Government operations or activities. An analysis of the substantive content of the releasable portions of the requested records reveals meaningfully informative information on the operations or activities of the Government that is not already in the public domain in duplicative or substantially identical form;

(3) Whether disclosure will contribute to “public understanding.” Considering the identity of the requester and his qualifications to make use of the information, disclosure will contribute to the understanding of the public at large, and not to the individual understanding of the requester or a narrow segment of interested persons; and

(4) Whether the disclosure is likely to contribute significantly to public
understanding of Government operations or activities. By an objective standard, the disclosure is likely to enhance the general public's understanding of the subject matter in question more than minimally.

(c) Satisfaction of paragraph (a)(2) of this section will be determined by both of the following:

(1) Whether the requester has a commercial interest to be furthered by the disclosure. The requester does not seek to further a commercial, trade, or profit interest, as those terms are commonly understood; and

(2) Whether the magnitude of the identified commercial interest of the requester is sufficiently large, compared to the public interest in disclosure, that disclosure is "primarily in the commercial interest of the requester." If the requester has a commercial interest, that interest is not greater than the public interest to be served by disclosure of the requested records.

§ 1820.6 Fees to be charged.

(a) Requests for records are subject to the following fees:

(1) Commercial use requesters. For search, review, and copying: Photocopies per page, $0.25. Manual record search, $2.50 per quarter hour if conducted by a clerical employee; $5.00 per quarter hour if conducted by a professional or managerial employee. Search fees may be assessed even if the records in question are not located or if the records located are determined to be exempt from disclosure.

(2) Educational and noncommercial scientific institution requesters, news media requesters. For copying only: Photocopies per page, $0.25. Manual record search (excluding the first 100 pages), $0.25 per page, $0.25 per page if conducted by a clerical employee; $0.50 per page if conducted by a professional or managerial employee.

(3) All other requesters. For search and copying only: Photocopies per page (excluding the first 100 pages), $0.25. Manual record search (excluding the first two hours), $2.50 per quarter hour if conducted by a clerical employee; $5.00 per quarter hour if conducted by a professional or managerial employee.

(b) Method of search. (1) Any "search", which includes all time spent looking for material that is responsive to a request, will be done in the most efficient and least expensive manner in order to minimize costs for both the agency and the requester.

(2) For researches made by computer, costs will be assessed when the hourly cost of operating the central processing unit and the operator's hourly salary plus 16 percent equals the equivalent dollar amount of two hours of salary of the person performing the search.

(c) Review charges. Only commercial use requesters will be charged for time spent reviewing records to determine whether they are exempt from mandatory disclosure. These charges will be assessed only for initial review (i.e., the review undertaken when first analyzing the applicability of a specific exemption to a particular record or portion of record), and not for review at the administrative appeal level of an exemption already applied. However, charges will be assessed for a second review of records or portions of records withheld in full under an exemption which is subsequently determined not to apply in order to determine the applicability of other exemptions not previously considered. Review charges shall not include costs incurred in resolving issues of law or policy that may be raised in the course of processing a request.

(d) Copying. A "page" of copying refers to a paper copy of standard size, normally 8½" x11" or 11x14". However, copies may also take the form of microform, audio-visual materials, or machine readable documentation (e.g., magnetic tape or disk), among others.

(e) Nonassessment of fees. No fees will be assessed to any requester, including commercial use requesters, if the cost of routine collection and processing of the fee would be equal to or greater than the fee itself. To make this determination, the OSC will consider the administrative costs of receiving and recording a requester's remittance and processing the fee for deposit.

(f) Other charges. Complying with requests for special services, such as certification of records as true copies and sending records by special methods (e.g., express mail) is entirely at the discretion of the Office. Since neither the Freedom of Information Act nor its fee structure covers these kinds of services, the OSC will assess fees to recover the full costs of providing these
services should the Office elect to provide them.

(g) Aggregating requests. If the Office of Special Counsel reasonably believes that a requester or a group of requesters acting in concert is filing a series of requests for the purpose of evading the assessment of fees, the OSC may aggregate the requests and assess fees accordingly. One element to be considered in determining reasonable belief is the time period within which the requests are filed. Multiple requests of this type filed within a 30-day period may be presumed to have been made to avoid fees. In no case will the Office aggregate requests on unrelated subjects from one requester.

(h) Advance notice of fees. If it is likely that fees will exceed $25, the requester will first be notified of the estimated amount, unless the requester has indicated in advance his willingness to pay fees as high as those anticipated. The notice will offer the requester the opportunity to confer with personnel of the Office of the Special Counsel with the object of reformulating the request to meet his or her needs at a lower cost.

§ 1820.7 Payments and collections.

(a) Payments. Payment of fees shall be made by check or money order payable to the United States Treasury.

(b) Advance payments. A requester is not required to make an advance payment unless:

(1) The OSC estimates or determines that the requester may be required to pay fees in excess of $250, in which case the requester will be notified of the estimated cost. The requester must then furnish satisfactory assurance of full payment, in the form of a check or money order payable to the United States Treasury, in the amount of the estimated cost. If the requester has a history of prompt payment of Freedom of Information Act fees, then the requester may be required to furnish an advance payment up to the full estimated cost; or

(2) The requester has previously failed to pay a fee assessed in a timely fashion (i.e. within 30 days of the date of billing), in which case the requester may be required to—

(i) Pay the full amount owed plus any applicable interest as provided in paragraph (d) of this section, or prove payment of the alleged amount in arrears, and

(ii) Make an advance payment of the full amount of the estimated cost before a new or pending request will be processed.

(c) Effect of nonpayment. When the OSC acts under either paragraph (b)(2)(i) or (b)(2)(ii) of this section, the administrative time limits prescribed in 5 U.S.C. 552(a)(6) of the Freedom of Information Act will begin only after the fee payments described above have been received.

(d) Interest charges. Interest may be charged to any requester who fails to pay fees assessed within 30 days of the date of billing. Interest will be assessed on the 31st day following the day on which the bill for fees was sent, and will be calculated at the rate prescribed in 31 U.S.C. 3717. Receipt of fees, even if not processed, will stay the accrual of interest.

(e) Collections. If the OSC deems it appropriate in order to encourage repayment of fees assessed in accordance with these regulations, the OSC will use the procedures authorized by the Debt Collection Act of 1982 (Public Law No. 97-365), including disclosure to consumer reporting agencies and use of collection agencies.

§ 1820.8 Appeals.

Any denial, in whole or in part, of a request for records of the Office of Special Counsel shall advise the requester of his right to appeal the denial to the Special Counsel or the Special Counsel’s designee. The requester shall submit his appeal in writing within 30 days of the denial. The appeal shall be addressed to the Special Counsel at 1730 M Street NW., Suite 300, Washington, DC 20036-4505. When a request is denied on appeal, the requester shall be advised of his right to seek judicial review.

§ 1820.9 Disclosures by authorized officials.

No employee or former employee of the Office of Special Counsel shall, in response to a demand of a court or other authority, produce or disclose any information or records acquired as
part of the performance of his official duties or because of his official status without the prior approval of the Special Counsel or the Special Counsel's duly authorized designee.

§ 1830.1 Access to records and identification.

(a) Individuals may request access to records pertaining to them that are maintained as described in the Privacy Act, 5 U.S.C. 552a, by addressing an inquiry to the Office of Special Counsel either by mail or by appearing in person at the Office of Special Counsel at 1730 M Street, NW., Suite 300, Washington, DC 20036-4505, during business hours on a regular business day. Requests in writing should be clearly and prominently marked “Privacy Act Request.” Requests for copies of records shall be subject to duplication fees set forth in §1820.6 of this chapter.

(b) Individuals making a request in person shall be required to present satisfactory proof of identity, preferably a document bearing the individual’s photograph. Requests by mail or submitted other than in person should contain sufficient information to enable the Office of Special Counsel to determine that the requester and the subject of the record are one and the same. To assist in this process, individuals should submit their names and addresses, dates and places of birth, social security number, and any other known identifying information such as an agency file number or identification number and a description of the circumstances under which the records were compiled.

§ 1830.2 Medical records.

When a request for access involves medical records that are not otherwise exempt from disclosure, the requesting individual may be advised, if it is deemed necessary, that the records will be provided only to a physician designated in writing by the individual. Upon receipt of the designation, the physician will be permitted to review the records or to receive copies by mail upon proper verification of identity.

§ 1830.3 Requests for amendment of records.

Individuals may request amendment of records pertaining to them that are subject to this part. Requests should be addressed, in writing, to the Special Counsel at 1730 M Street, NW., Suite 300, Washington, DC 20036-4505, and be clearly and prominently marked “Privacy Act Request.” Requests for amendment shall include identification of records together with a statement of the basis for the requested amendment and all available supporting documents and materials. Requests for amendment shall be acknowledged not later than 10 days (excluding Saturdays, Sundays, and legal holidays) after receipt and a determination on the request shall be made promptly.

§ 1830.4 Appeals.

When a request for access or amendment has been denied, in whole or in part, the requester shall be advised of his right to appeal to the Special Counsel or the Special Counsel’s designee. The requester shall submit his appeal in writing within 30 days of the denial. A final determination on the appeal shall be issued within 30 days (excluding Saturdays, Sundays, and legal holidays) after receipt. Where unusual circumstances prevent a determination within that time period, the time for a determination may be extended an additional 30 working days.

§ 1830.5 Exemptions.

The Office of Special Counsel will claim exemptions from the provisions of the Privacy Act at subsections (c)(3) and (d) as permitted by subsection (k).
for records subject to the Act that fall within the category of investigatory material described in paragraphs (2) and (5) and testing or examination material described in paragraph (6) of that subsection. The exemptions for investigatory material are necessary to prevent frustration of inquiries into allegations of prohibited personnel practices or political activity and to protect identities of confidential sources of information. The exemption for testing or examination material is necessary to prevent the disclosure of information which would potentially give an individual an unfair competitive advantage or diminish the utility of established examination procedures. The Office of Special Counsel also reserves the right to assert exemptions for records received from another agency that could be properly claimed by that agency in responding to a request and the Office of Special Counsel may refuse access to information compiled in reasonable anticipation of a civil action or proceeding.

PART 1840—SUBPOENAS

Authority: 5 U.S.C. 1212(e).

§ 1840.1 Service of subpoenas by mail.

In addition to all other methods of authorized service, an Office of Special Counsel subpoena may be served by mailing a copy to the person at his or her residence or place of business by certified or registered mail.

§§ 1850.112—1850.129 [Reserved]

§ 1850.130 General prohibitions against discrimination.

(a) No qualified individual with handicaps shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(b)(1) The agency, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—

(i) Deny a qualified individual with handicaps the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified individual with handicaps an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified individual with handicaps with an aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to individuals with handicaps or to any class of individuals with handicaps than is provided to others unless such action is necessary to provide qualified individuals with handicaps with aid, benefits, or services that are as effective as those provided to others;
(v) Deny a qualified individual with handicaps the opportunity to participate as a member of planning or advisory boards;

(vi) Otherwise limit a qualified individual with handicaps the opportunity to participate in programs or activities that are not separate or different, despite the existence of permis-sibly separate or different programs or activities.

(2) The agency may not deny a qualified individual with handicaps the opportunity to participate in programs or activities that are not separate or different, despite the existence of permis-sibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified individuals with handicaps to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified individuals with handicaps to discrimination on the basis of handicap.

(6) The agency may not administer a licensing or certification program in a manner that subjects qualified individuals with handicaps to discrimination on the basis of handicap, nor may the agency establish requirements for the programs or activities of licensees or certified entities that subject qualified individuals with handicaps to discrimination on the basis of handicap. However, the programs or activities of enti-ties that are licensed or certified by the agency are not, themselves, covered by this regulation.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to individuals with handicaps or the exclusion of a specific class of individuals with handicaps from a program limited by Federal statute or Executive order to a different class of individuals with handicaps is not pro-hibited by this regulation.

(d) The agency shall administer programs and activities in the most inte-grated setting appropriate to the needs of qualified individuals with handicaps.

§§ 1850.131—1850.139 [Reserved]

§ 1850.140 Employment.

No qualified individual with handicaps shall, on the basis of handicap, be subject to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§ 1850.141—1850.148 [Reserved]

§ 1850.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in §1850.150, no qualified individual with handicaps shall, because the agency’s facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subject to discrimination under any program or activity conducted by the agency.

§ 1850.150 Program accessibility: Existing facilities.

(a) General. The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by individuals with handicaps;

§§ 1850.131—1850.139 [Reserved]
§ 1850.150

(2) In the case of historic preservation programs, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1850.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) Methods—(1) General. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(2) Historic preservation programs. In meeting the requirements of §1850.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to individuals with handicaps. In cases where a physical alteration to an historic property is not required because of §1850.150(a) (2) or (3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

(ii) Assigning persons to guide individuals with handicaps into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.

(c) Time period for compliance. The agency shall comply with the obligations established under this section by November 7, 1988, except that where structural changes in facilities are undertaken, such changes shall be made by September 6, 1991, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by March 6, 1989, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—
§ 1850.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs and activities conducted by the agency.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 1850.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.

§§ 1850.161—1850.169 [Reserved]
§§ 1850.171—1850.999

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Managing Director for Operations shall be responsible for coordinating implementation of this section. Complaints may be sent to the Director for Management, Office of the Special Counsel, 1730 M Street, NW., Suite 300, Washington, DC 20036-4505.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate Government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157), is not readily accessible to and usable by individuals with handicaps.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

1. Findings of fact and conclusions of law;
2. A description of a remedy for each violation found; and
3. A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §1850.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.

(j) The head of the agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the head of the agency determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

Capitol Street, NW., Washington, DC 20317-0002; or, Administrative Services, U.S. Naval Home, 1800 Beach Drive, Gulfport, Mississippi 39507-1597. All personal (walk-in) requests will require some form of common identification.

§ 2100.4 Requirements for identification.

Only upon proper identification will any individual be granted access to records which pertain to him/her. Identification is required both for accurate record identification and to avoid disclosing records to unauthorized individuals. Individuals must provide their full name and as much information as possible in order that a proper search for records can be accomplished. Requests made by mail shall be signed by the individual requesting his/her records. Inclusion of a telephone number for the requester is recommended to expedite certain matters. Requesters applying in person must provide an identification with photograph, such as a driver’s license, military or annuitant identification card, or any official document as acceptable identification validation. Personal requests can only be accepted on regularly scheduled workdays (Monday through Friday, excluding Federal holidays) between the hours of 7:30 a.m. and 3:30 p.m.

§ 2100.5 Access by individuals.

(a) No individual will be allowed access to any information compiled or maintained in reasonable anticipation of civil actions or proceedings, or otherwise exempt under § 2100.12. Requests for pending investigations will be denied and the requester instructed to...

The request should also include the reasons why the requester believes the record is not accurate, relevant, timely, or complete. The burden of proof will be upon the individual to furnish sufficient facts to persuade the change of the record if it is determined the production of the copies is in the interest of the Government.

(c) Fee Schedule and method of payment. With the exception of paragraphs (a) and (b) of this section, fees will be charged as indicated below:

(1) Records will be duplicated at a rate of $.10 per page for all copying of 5 pages or more. There is no charge for duplication of 4 or fewer pages.

(2) Where it is anticipated that the fees chargeable under this section will amount to more than $30.00, the requester shall be promptly notified of the amount of the anticipated fee or such portion thereof as can readily be estimated. In instances where the estimated fees will exceed $30.00, an advance deposit may be required. The notice or request for advance deposit shall extend an offer to the requester in order to reformulate the request in a manner which will reduce the fees, yet still meet the needs of the requester.

(3) Fees should be paid in full prior to issuance of requested copies. In the event the requester is in arrears for previous requested copies, no subsequent request will be processed until the arrears have been paid in full.

(4) Remittances shall be in the form either of a personal check, bank draft drawn on a bank in the United States, or a postal money order. Remittances shall be made payable to the facility to which the request is being made, and mailed or delivered to the appropriate facility (see §2100.3 of this part).

§ 2100.6 Schedule of fees.

(a) Individuals will not be charged for:

(1) The search and review of the record.

(2) Copies of the record produced as a necessary part of the process of making the record available for access; or,

(3) Copies of the requested record when it has been determined that access can only be accomplished by providing a copy of the record through the mail.

(b) Waiver. The official having operational control at the appropriate facility may at no charge, provide copies of a record if it is determined the production of the copies is in the interest of the Government.

§ 2100.7 Request for correction or amendment.

Capitol Street, NW., Washington, DC 20317-0002; or, Administrative Services, U.S. Naval Home, 1800 Beach Drive, Gulfport, Mississippi 39507-1597. The appeal should be concise and should specify the reasons the requester believes that the initial action was not satisfactory. If an appeal is denied, the designated official will notify the requester of the reason for denial and of the right to judicial review pursuant to 5 U.S.C. 552a(g). If an initial denial of a request to amend records is upheld, the requestor will also be advised of his or her right to file a statement of dispute disagreeing with the denial and such statement will be provided to all future users of the file.

(b) If the designated official decides to amend the record, the requester and all previous recipients of the disputed information will be notified of the amendment. If the appeal is denied, the designated official will notify the requester of the reason of the denial, of the requester's right to file a statement of dispute disagreeing with the denial, that such statement of dispute will be retained in the file, that the statement will be provided to all future users of the file, and that the requester may file suit in a Federal district court to contest the decision not to amend the record.

§ 2100.10 Conditions of disclosure and accounting of certain disclosures.

No record containing personally identifiable information within an AFRH system of records shall be disclosed by any means to any person or agency outside the AFRH, except by written request or prior written consent of the individual subject of the record, or as provided for in the Privacy Act of 1974.
§ 2100.12 Accounting of disclosure.

(a) The AFRH or agency will maintain a record of disclosures in cases where records about the individual are disclosed from a system of records except—

(1) When the disclosure is made pursuant to the Freedom of Information Act, 5 U.S.C. 552, as amended; or

(2) When the disclosure is made to those officers and employees of the AFRH who have a need for the record in the performance of their duties.

(b) This accounting of the disclosures will be retained for at least 5 years or for the life of the record, whichever is longer, and will contain the following information:

(1) To a consumer reporting agency in accordance with 31 U.S.C. 3711(f).

§ 2100.11 Penalties.

(a) An individual may bring a civil action against the AFRH to correct or amend the record, or where there is a refusal to comply with an individual request or failure to maintain any record with accuracy, relevance, timeliness and completeness, so as to guarantee fairness, or failure to comply with any other provision of the Privacy Act. The court may order correction or amendment of records. The court may enjoin the AFRH from withholding the records and order the production of the record.

(b) Where it is determined that the action was willful or intentional with respect to 5 U.S.C. 552a(g)(1)(C) or (D), the United States may be liable for the actual damages sustained.

(c) Criminal penalties may be imposed against an officer or employee of the USSAH or USNH who discloses material, which he/she knows is prohibited from disclosure, or who willfully maintains a system of records without compliance with the notice requirements.

(d) Criminal penalties may be imposed against any person who knowingly and willfully requests or obtains any record concerning another individual from an agency under false pretenses.

(e) All of these offenses are misdemeanors with a fine not to exceed $5,000.

§ 2100.12 Accounting of disclosure.

(a) To those officers and employees of the agency which maintains the record and who have a need for the record in the performance of their duties;

(b) Required under 5 U.S.C. 552;

(c) For a routine use of the record compatible with the purpose for which it was collected;

(d) To the Bureau of the Census for purposes of planning or carrying out a census or survey or related activity pursuant to 13 U.S.C.;

(e) To a recipient who has provided the AFRH with advance adequate written assurance that the record will be used solely as a statistical research or reporting record, and the record is to be transferred in a form that is not individually identifiable;

(f) To the National Archives of the United States as a record which has sufficient historical or other value to warrant its continued preservation by the U.S. Government or for evaluation by the Archivist of the United States, or his/her designee, to determine whether the record has such value;

(g) To another agency or to an instrumentality of any governmental jurisdiction within or under the control of the United States for a civil or criminal law enforcement activity if the activity is authorized by law, and if the head of the agency or instrumentality, has made a written request to the agency which maintains the record specifying the particular portion desired and the law enforcement activity for which the record is sought;

(h) To a person pursuant to a showing of compelling circumstances affecting the health or safety of an individual if upon such disclosure notification is transmitted to the last known address of such individual;

(i) To either House of Congress, or, to the extent of matter within its jurisdiction, any committee or subcommittee thereof, any joint committee of Congress or subcommittee of any such joint committee;

(j) To the Comptroller General, or any authorized representatives, in the course of the performance of the duties of the General Accounting Office;

(k) Pursuant to the order of a court of competent jurisdiction; or
§ 2100.13

(1) A brief description of the record disclosed;
(2) The date, nature, and purpose for the disclosure; and,
(3) The name and address of the person, agency, or other entity to whom the disclosure is made.

(c) Except for the accounting of disclosure made to agencies, individuals, or entities in law enforcement activities or disclosures made from the AFRH exempt systems of records, the accounting of disclosures will be made available to the data subject upon request in accordance with the access procedures of this part.

§ 2100.13 Specific exemptions.

Subsection (k) of 5 U.S.C. 552a authorizes the AFRH to adopt rules designating eligible system of records as exempt from certain requirements of 5 U.S.C. 552a. To be eligible for a specific exemption under the authority of 5 U.S.C. 552a(k), the pertinent records within a designated system must contain one or more of the following:

(a) Investigative records compiled for law enforcement purposes. If this information has been used to deny someone a right; however, the AFRH must release it unless doing so would reveal the identity of a confidential source ((k)(2) exemption).

(b) Records used only for statistical, research, or other evaluation purposes, and which are not used to make decisions on the rights, benefits, or privileges of individuals, except as permitted by 13 U.S.C. 8 (Use of census data) ((k)(4) exemption).

(c) Data compiled to determine suitability, eligibility, or qualifications for Federal service, Federal contracts, or access to classified information. This information may be withheld only if disclosure would reveal the identity of a confidential source ((k)(5) exemption).

(d) Test or examination material used solely to determine individual qualifications for appointment or promotion in the Federal service, the disclosure of which would compromise the objectivity or fairness of the testing or examination process ((k)(6) exemption).

§ 2411.1 Purpose and scope.
This part contains the regulations of the Federal Labor Relations Authority, the General Counsel of the Federal Labor Relations Authority and the Federal Service Impasses Panel providing for public access to information from the Authority, the General Counsel or the Panel. These regulations implement the Freedom of Information Act, as amended, 5 U.S.C. 552, and the policy of the Authority, the General Counsel and the Panel to disseminate information on matters of interest to the public and to disclose to members of the public on request such information contained in records insofar as is compatible with the discharge of their responsibilities, consistent with applicable law.

§ 2411.2 Delegation of authority.
(a) Federal Labor Relations Authority/General Counsel of the Federal Labor Relations Authority, Regional Directors of the Federal Labor Relations Authority, the Freedom of Information Officer of the Office of the General Counsel, Washington, DC, and the Solicitor of the Federal Labor Relations Authority are delegated the exclusive authority to act upon all requests for information, documents and records which are received from any person or organization under §2411.4(a).
(b) Federal Service Impasses Panel. The Executive Director of the Federal Service Impasses Panel is delegated the exclusive authority to act upon all requests for information, documents and records which are received from any person or organization under §2411.4(b).

§ 2411.3 Information policy.
(a) Federal Labor Relations Authority/General Counsel of the Federal Labor Relations Authority. It is the policy of the Federal Labor Relations Authority and the General Counsel of the Federal Labor Relations Authority to make available for public inspection and copying: (i) Final decisions and orders of the Authority and administrative rulings of the General Counsel; (ii) statements of policy and interpretations which have been adopted by the Authority or by the General Counsel and are not published in the Federal Register; and (iii) administrative staff manuals and instructions to staff that affect a member of the public (except those establishing internal operating rules, guidelines, and procedures for the investigation, trial, and settlement of cases). Any person may examine and copy items (i) through (iii) at each regional office of the Authority and at the offices of the Authority and the General Counsel, respectively, in Washington, DC, under conditions prescribed by the Authority and the General Counsel, respectively, and at reasonable times during normal working hours so long as it does not interfere with the efficient operations of the Authority and the General Counsel. To the extent required to prevent a clearly unwarranted invasion of personal privacy, identifying details may be deleted and, in each case, the justification for the deletion shall be fully explained in writing.
(2) It is the policy of the Authority and the General Counsel to make promptly available for public inspection and copying, upon request by any...
§ 2411.3

person, other records where the request reasonably describes such records and otherwise conforms with the rules provided herein.

(b) Federal Service Impasses Panel. (1) It is the policy of the Federal Service Impasses Panel to make available for public inspection and copying: (i) Procedural determinations of the Panel; (ii) factfinding and arbitration reports; (iii) final decisions and orders of the Panel; (iv) statements of policy and interpretations which have been adopted by the Panel and are not published in the FEDERAL REGISTER; and (v) administrative staff manuals and instructions to staff that affect a member of the public. Any person may examine and copy items (i) through (v) at the Panel’s offices in Washington, D.C., under conditions prescribed by the Panel, and at reasonable times during normal working hours so long as it does not interfere with the efficient operations of the Panel. To the extent required to prevent a clearly unwarranted invasion of personal privacy, identifying details may be deleted and, in each case, the justification for the deletion shall be fully explained in writing.

(2) It is the policy of the Panel to make promptly available for public inspection and copying, upon request by any person, other records where the request reasonably describes such records and otherwise conforms with the rules provided herein.

(c) The Authority, the General Counsel and the Panel shall maintain and make available for public inspection and copying the current indexes and supplements thereto which are required by 5 U.S.C. 552(a)(2) and, as appropriate, a record of the final votes of each member of the Authority and of the Panel in every agency proceeding. Any person may examine and copy such document or record of the Authority, the General Counsel or the Panel at the offices of either the Authority, the General Counsel, or the Panel, as appropriate, in Washington, D.C., under conditions prescribed by the Authority, the General Counsel or the Panel at reasonable times during normal working hours so long as it does not interfere with the efficient operations of either the Authority, the General Counsel, or the Panel.

(d) The Authority, the General Counsel or the Panel may decline to disclose any matters exempted from the disclosure requirements in 5 U.S.C. 552(b), particularly those that are:

(i) Specifically authorized under criteria established by an executive order to be kept secret in the interest of national defense or foreign policy and (ii) are in fact properly classified pursuant to such executive order;

(2) Related solely to internal personnel rules and practices of the Authority, the General Counsel or the Panel;

(3) Specifically exempted from disclosure by statute (other than 5 U.S.C. 552(b)), provided that such statute:

(i) Requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue; or

(ii) Establishes particular criteria for withholding or refers to particular types of matters to be withheld;

(4) Trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(5) Interagency or intra-agency memoranda or letters which would not be available by law to a party other than an agency in litigation with the agency;

(6) Personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy; or

(7) Investigatory records compiled for law enforcement purposes, but only to the extent that the production of such records would:

(i) Interfere with an enforcement proceeding;

(ii) Deprive a person of a right to a fair trial or an impartial adjudication;

(iii) Constitute an unwarranted invasion of personal privacy;

(iv) Disclose the identity of a confidential source and, in the case of a record compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, confidential information furnished only by the confidential source;

(v) Disclose investigative techniques and procedures; or

(vi) Disclose investigatory records compiled for law enforcement purposes, but only to the extent that the production of such records would:

(i) Interfere with an enforcement proceeding;

(ii) Deprive a person of a right to a fair trial or an impartial adjudication;

(iii) Constitute an unwarranted invasion of personal privacy;

(iv) Disclose the identity of a confidential source and, in the case of a record compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, confidential information furnished only by the confidential source;

(v) Disclose investigative techniques and procedures; or
§ 2411.5 Identification of information requested.

(a) Each request under this part should reasonably describe the records being sought in a way that they can be identified and located. A request should include all pertinent details that will help identify the records sought.

(b) If the description is insufficient, the officer processing the request shall so notify the person making the request and indicate the additional information needed. Every reasonable effort shall be made to assist in the identification and location of the record sought.

(c) Upon receipt of a request for records, the appropriate Regional Director, the Freedom of Information Officer of the Office of the General Counsel, the Solicitor of the Authority, or the Executive Director of the Panel, as appropriate, shall enter it in a public log. The log shall state the date and
time received, the name and address of the person making the request, the nature of the records requested, the action taken on the request, the date of the determination letter sent pursuant to paragraphs (b) and (c) of §2411.6, the date(s) any records are subsequently furnished, the number of staff-hours and grade levels of persons who spent time responding to the request, and the payment requested and received.

§ 2411.6 Time limits for processing requests.

(a) All time limits established pursuant to this section shall begin as of the time at which a request for records is logged in by the appropriate Regional Director, the Freedom of Information Officer of the Office of the General Counsel, the Solicitor of the Authority, or the Executive Director of the Panel, as appropriate, processing the request pursuant to paragraph (c) of §2411.5. An oral request for records shall not begin any time requirement. A written request for records sent to other than the appropriate officer will be forwarded to that officer by the receiving officer, but in that event the applicable time limit for response set forth in paragraph (b) of this section shall begin upon the request being logged in as required by paragraph (c) of §2411.5.

(b) Except as provided in §2411.8, the appropriate Regional Director, the Freedom of Information Officer of the Office of the General Counsel, the Solicitor of the Authority, or the Executive Director of the Panel, as appropriate, shall, within twenty (20) working days following receipt of the request, respond in writing to the requestor, determining whether, or the extent to which, the request shall be complied with.

(1) If all the records requested have been located and a final determination has been made with respect to disclosure of all of the records requested, the response shall so state.

(2) If all of the records have not been located or a final determination has not been made with respect to disclosure of all of the records requested, the response shall state the extent to which the records involved shall be disclosed pursuant to the rules established in this part.

(3) If the request is expected to involve allowed charges in excess of $250.00, the response shall specify or estimate the fee involved and shall require prepayment of any charges in accordance with the provisions of paragraph (g) of §2411.10 before the request is processed further.

(4) Whenever possible, the response relating to a request for records that involves a fee of less than $250.00 shall be accompanied by the requested records. Where this is not possible, the records shall be forwarded as soon as possible thereafter, consistent with other obligations of the Authority, the General Counsel or the Panel.

(c) If any request for records is denied in whole or in part, the response required by paragraph (b) of this section shall notify the requester of the denial. Such denial shall specify the reason therefor, set forth the name and title or position of the person responsible for the denial, and notify the person making the request of the right to appeal the denial under the provisions of §2411.7.

§ 2411.7 Appeal from denial of request.

(a) Federal Labor Relations Authority/General Counsel of the Federal Labor Relations Authority. (1) Whenever any request for records is denied, a written appeal may be filed within thirty (30) days after the requester receives notification that the request has been denied or after the requester receives any records being made available, in the event of partial denial. If the denial was made by a Regional Director or by the Freedom of Information Officer of the Office of the General Counsel, the appeal shall be filed with the General Counsel in Washington, DC. If the denial was made by the Solicitor of the Authority, the appeal shall be filed with the Chairman of the Authority in Washington, DC.

(2) The Chairman of the Authority or the General Counsel, as appropriate, shall, within twenty (20) working days from the time of receipt of the appeal, except as provided in §2411.8, make a
determination on the appeal and respond in writing to the requester, determining whether, or the extent to which, the request shall be complied with.

(i) If the determination is to comply with the request and the request is expected to involve an assessed fee in excess of $25.00, the determination shall specify or estimate the fee involved and shall require prepayment of any charges due in accordance with the provisions of paragraph (a) of §2411.10 before the records are made available.

(ii) Whenever possible, the determination relating to a request for records that involves a fee of less than $25.00 shall be accompanied by the requested records. Where this is not possible, the records shall be forwarded as soon as possible thereafter, consistent with other obligations of the Authority or the General Counsel.

(b) Federal Service Impasses Panel. (1) Whenever any request for records is denied by the Executive Director, a written appeal may be filed with the Chairman of the Panel within thirty (30) days after the requester receives notification that the request has been denied or after the requester receives any records being made available, in the event of partial denial.

(2) The Chairman of the Panel, within twenty (20) working days from the time of receipt of the appeal, except as provided in §2411.8, shall make a determination on the appeal and respond in writing to the requester, determining whether, or the extent to which, the request shall be complied with.

(i) If the determination is to comply with the request and the request is expected to involve an assessed fee in excess of $25.00, the determination shall specify or estimate the fee involved and shall require prepayment of any charges due in accordance with the provisions of paragraph (a) of §2411.10 before the records are made available.

(ii) Whenever possible, the determination relating to a request for records that involves a fee of less than $25.00 shall be accompanied by the requested records. Where this is not possible, the records shall be forwarded as soon as possible thereafter, consistent with other obligations of the Panel.

(c) If on appeal the denial of the request for records is upheld in whole or in part by the Chairman of the Authority, the General Counsel, or the Chairman of the Panel, as appropriate, the person making the request shall be notified of the reasons for the determination, the name and title or position of the person responsible for the denial, and the provisions for judicial review of that determination under 5 U.S.C. 552(a)(4). Even though no appeal is filed from a denial in whole or in part of a request for records by the person making the request, the Chairman of the Authority, the General Counsel or the Chairman of the Panel, as appropriate, may, without regard to the time limit for filing of an appeal, sua sponte initiate consideration of a denial under this appeal procedure by written notification to the person making the request. In such event the time limit for making the determination shall commence with the issuance of such notification.

§ 2411.8 Extension of time limits.

In unusual circumstances as specified in this section, the time limits prescribed with respect to initial determinations or determinations on appeal may be extended by written notice from the officer handling the request (either initial or on appeal) to the person making such request setting forth the reasons for such extension and the date on which a determination is expected to be dispatched. No such notice shall specify a date that would result in a total extension of more than ten (10) working days. As used in this section, “unusual circumstances” means, but only to the extent reasonably necessary to the proper processing of the particular request:

(a) The need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request;

(b) The need to search for, collect and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(c) The need for consultation, which shall be conducted with all practicable speed, with another agency having a
§ 2411.9  Substantial Interest in the Determination of the Request or Among Two or More Components of the Agency Having Substantial Subject Matter Interest Therein.

§ 2411.9 Effect of Failure to Meet Time Limits.

Failure by the Authority, the General Counsel or the Panel either to deny or grant any request under this part within the time limits prescribed by the Freedom of Information Act, as amended, 5 U.S.C. 552, and these regulations shall be deemed to be an exhaustion of the administrative remedies available to the person making this request.

§ 2411.10 Fees.

(a) Definitions. For the purpose of this section:

(1) The term direct costs means those expenditures which the Authority, the General Counsel or the Panel actually incurs in searching for and duplicating (and in the case of commercial requesters, reviewing) documents to respond to a FOIA request. Direct costs include, for example, the salary of the employee performing work (the basic rate of pay for the employee plus 16 percent of the rate to cover benefits) and the cost of operating duplicating machinery. Not included in direct costs are overhead expenses such as costs of space, and heating or lighting the facility in which the records are stored.

(2) The term search includes all time spent looking for material that is responsive to a request, including page-by-page or line-by-line identification of material within documents. Searches may be done manually or by computer using existing programming.

(3) The term duplication refers to the process of making a copy of a document necessary to respond to a FOIA request. Such copies can take the form of paper copy, microfilm, audio-visual materials, or machine readable documentation (e.g., magnetic tape or disk), among others.

(4) The term review refers to the process of examining documents located in response to a commercial use request (see paragraph (a)(5) of this section) to determine whether any portion of any document located is permitted to be withheld. It also includes processing any documents for disclosure, e.g., doing all that is necessary to excise them and otherwise prepare them for release. Review does not include time spent resolving general legal or policy issues regarding the application of exemptions.

(5) The term “commercial use” request refers to a request from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made. In determining whether a requester properly belongs in this category, the Authority, the General Counsel or the Panel will look first to the use to which a requester will put the records sought, or where that use is not clear from the request itself, the Authority, the General Counsel or the Panel may seek additional clarification before assigning the request to a specific category.

(6) The term educational institution refers to a preschool, a public or private elementary or secondary school, an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, and an institution of vocational education, which operates a program or programs of scholarly research.

(7) The term non-commercial scientific institution refers to an institution that is not operated on a “commercial” basis as that term is referenced in paragraph (a)(5) of this section, and which is operated solely for the purpose of conducting scientific research the results of which are not intended to promote any particular product or industry.

(8) The term representative of the news media refers to any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term news media means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations broadcasting to the
Public at large, and publishers of periodicals (but only in those instances when they can qualify as disseminators of "news") who make their products available for purchase or subscription by the general public. These examples are not intended to be all-inclusive. In the case of "freelance" journalists, they may be regarded as working for a news organization if they demonstrate a solid basis for expecting publication through that organization, even though not actually employed by it. A publication contract would be the clearest proof, but the Authority, the General Counsel or the Panel may also look to the past publication record of a requester, press accreditation, guild membership, business registration, Federal Communications Commission licensing, or similar credentials of a requester in making this determination.

(b) Exceptions to fee charges. (1) With the exception of requesters seeking documents for a commercial use, the Authority, the General Counsel or the Panel will provide the first 100 pages of duplication and the first two hours of search time without charge. The word "pages" in this paragraph refers to paper copies of standard size, usually 8½" by 11", or their equivalent in microfiche or computer disks. The term "search time" in this paragraph is based on a manual search for records. In applying this term to searches made by computer, when the cost of the search as set forth in paragraph (d)(2) of this section equals the equivalent dollar amount of two hours of the salary of the person performing the search, the Authority, the General Counsel or the Panel will begin assessing charges for computer search.

(2) The Authority, the General Counsel, or the Panel will not charge fees to any requester, including commercial use requesters, if the cost of collecting the fee would be equal to or greater than the fee itself.

(3)(i) The Authority, the General Counsel or the Panel will provide documents without charge or at reduced charges if disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester.

(ii) In determining whether disclosure is in the public interest under paragraph (b)(3)(i) of this section, the Authority, the General Counsel, and the Panel will consider the following factors:

(a) The subject of the request. Whether the subject of the requested records concerns "the operations or activities of the government";

(b) The informative value of the information to be disclosed. Whether the disclosure is "likely to contribute" to an understanding of government operations or activities;

(c) The contribution to an understanding of the subject by the general public likely to result from disclosure. Whether disclosure of the requested information will contribute to "public understanding";

(d) The significance of the contribution to the public understanding. Whether the disclosure is likely to contribute "significantly" to public understanding of government operations or activities;

(e) The existence and magnitude of a commercial interest. Whether the requester has a commercial interest that would be furthered by the requested disclosure; and, if so

(f) The primary interest in disclosure. Whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is "primary in the commercial interest of the requester."

(iii) A request for a fee waiver based on the public interest under paragraph (b)(3)(i) of this section must address these factors as they apply to the request for records in order to be considered by the Authority, the General Counsel, or the Panel.

(c) Level of fees to be charged. The level of fees to be charged by the Authority, the General Counsel or the Panel, in accordance with the schedule set forth in paragraph (d) of this section, depends on the category of the requester. The fee levels to be charged are as follows:

(1) A request for documents appearing to be for commercial use will be charged to recover the full direct costs
§ 2411.10

5 CFR Ch. XIV (1-1-98 Edition)

(1) A request for documents from an educational or non-commercial scientific institution will be charged for the cost of reproduction alone, excluding charges for the first 100 pages. To be eligible for inclusion in this category, requesters must show that the request is being made under the auspices of a qualifying institution and that the records are not sought for a commercial use, but are sought in furtherance of scholarly (if the request is from an educational institution) or scientific (if the request is from a non-commercial scientific institution) research.

(2) The Authority, the General Counsel or the Panel shall charge requesters who are representatives of the news media for the cost of reproduction alone, excluding charges for the first 100 pages.

(3) The Authority, the General Counsel or the Panel shall charge requesters who do not fit into any of the categories above fees which recover the full direct cost of searching for and reproducing records that are responsive to the request, except that the first 100 pages of reproduction and the first two hours of search time shall be furnished without charge. Requests from record subjects for records about themselves filed in Authority, General Counsel, or Panel systems of records will continue to be treated under the fee provisions of the Privacy Act of 1974, which permits fees only for reproduction.

All requesters must reasonably describe the records sought.

(d) The following fees shall be charged in accordance with paragraph (c) of this section:

(1) Manual searches for records. The salary rate (i.e., basic pay plus 16 percent) of the employee(s) conducting the search. Search time under this paragraph and paragraph (d)(2) of this section may be charged for even if the Authority, the General Counsel or the Panel fails to locate records or if records located are determined to be exempt from disclosure.

(2) Computer searches for records. $4.15 per quarter hour, which the Authority, the General Counsel and the Panel determined to be the actual direct cost of providing the service, including computer search time directly attributable to searching for records responsive to a FOIA request, runs, and operator salary apportionable to the search.

(3) Review of records. The salary rate (i.e., basic pay plus 16 percent) of the employee(s) conducting the review. This charge applies only to requesters who are seeking documents for commercial use, and only to the review necessary at the initial administrative level to determine the applicability of any relevant FOIA exemptions, and not at the administrative appeal level of an exemption already applied.

(4) Duplication of records. Twenty-five cents per page for paper copy reproduction of documents, which the Authority, the General Counsel and the Panel determined is the reasonable direct cost of making such copies, taking into account the average salary of the operator and the cost of the reproduction machinery. For copies of records prepared by computer, such as tapes or printouts, the Authority, the General Counsel or the Panel shall charge the actual cost, including operator time, of production of the tape or printout.

(5) Forwarding material to destination. Postage, insurance and special fees will be charged on an actual cost basis.

(e) Aggregating requests. When the Authority, the General Counsel or the Panel reasonably believes that a requester or group of requesters is attempting to break a request down into a series of requests for the purpose of evading the assessment of fees, the Authority, the General Counsel or the Panel will aggregate any such requests and charge accordingly.

(f) Charging interest. Interest at the rate prescribed in 31 U.S.C. 3717 may be charged those requesters who fail to pay fees charged, beginning on the 30th day following the billing date. Receipt of a fee by the Authority, the General Counsel or the Panel, whether processed or not, will stay the accrual of interest.

(g) Advanced payments. The Authority, the General Counsel or the Panel will not require a requester to make an advance payment, i.e., payment before work is commenced or continued on a request, unless:

§ 2411.12 Annual report.

On or before March 1 of each calendar year, the Executive Director of the Authority shall submit a report of the activities of the Authority, the General Counsel and the Panel with regard to public information requests during the preceding calendar year to the Speaker of the House of Representatives and the President of the Senate for referral to the appropriate committees of the Congress. The report shall include for such calendar year all information required by 5 U.S.C. 552(a) and such other information as indicates the efforts of the Authority, the General Counsel and
the Panel to administer fully the provisions of the Freedom of Information Act, as amended.

§ 2412.10 Requests for correction or amendment of records.

(a) After inspection of any records, if the individual disagrees with any information in the record, the individual may request that the records maintained about the individual be corrected or otherwise amended. Such request shall specify the particular portions of the record to be amended or corrected, the desired amendment or correction, and the reasons therefor.

(b) Such request shall be in writing and directed as follows:

(a) Any individual whose request for access to, or amendment or correction of, records of the Authority, the General Counsel or the Panel has been denied in whole or in part by an initial decision may, within thirty (30) days of the receipt of notice of the initial decision, appeal that decision by filing a written request for review of that decision with the Chairman of the Authority in Washington, DC.

(b) The appeal shall describe:

(1) The request initially made by the individual for access to, or the amendment or correction of, records;

(2) The initial decision thereupon of the appropriate Regional Director or the Director of Administration; and

(3) The reasons why that initial decision should be modified by the Chairman of the Authority.

(c) Not later than thirty (30) working days from receipt of a request for review (unless such period is extended by the Chairman of the Authority for good cause shown), the Chairman of the Authority shall make a decision, and give notice thereof to the appealing individual, whether to modify the initial decision of the Regional Director or the Deputy Director of Administration, in any way. If the Chairman of the Authority upholds the Regional Director's or Deputy Director of Administration's initial decision not to provide access to requested records or not to amend or correct the records as requested, the Chairman of the Authority shall notify the appealing individual of the individual's right:

(1) To judicial review of the Chairman of the Authority's decision pursuant to 5 U.S.C. 552a(g)(1); and

(a) As provided in this part, the Authority, the General Counsel or the Panel will provide a copy of the records to the individual to whom they pertain. There will be a charge of ten cents per copy of each page.

(b) Any charges may be waived or reduced whenever it is in the public interest to do so.

AUTHORITY: 5 U.S.C. 552b.

SOURCE: 45 FR 3494, Jan. 17, 1980, unless otherwise noted.

§ 2413.1 Purpose and scope.

This part contains the regulations of the Federal Labor Relations Authority implementing the Government in the Sunshine Act, 5 U.S.C. 552b.

§ 2413.2 Public observation of meetings.

Every portion of every meeting of the Authority shall be open to public observation, except as provided in §2413.4, and Authority members shall not jointly conduct or dispose of agency business other than in accordance with the provisions of this part.

§ 2413.3 Definition of meeting.

For purposes of this part, meeting shall mean the deliberations of at least two (2) members of the Authority where such deliberations determine or result in the joint conduct or disposition of official agency business, but does not include deliberations to determine whether a meeting should be closed to public observation in accordance with the provisions of this part.

§ 2413.4 Closing of meetings; reasons therefor.

(a) Except where the Authority determines that the public interest requires otherwise, meetings, or portions thereof, shall not be open to public observation where the deliberations concern the issuance of a subpoena, the Authority's participation in a civil action or proceeding or an arbitration, or the initiation, conduct or disposition by the Authority of particular cases of formal agency adjudication pursuant to the procedures in 5 U.S.C. 554 or otherwise involving a determination on the record after opportunity for a hearing, or any court proceedings collateral or ancillary thereto.

(b) Meetings, or portions thereof, may also be closed by the Authority, except where it determines that the public interest requires otherwise, when the deliberations concern matters or information falling within the reasons for closing meetings specified in 5 U.S.C. 552b(c)(1) (secret matters concerning national defense or foreign policy); (c)(2) (internal personnel rules and practices); (c)(3) (matters specifically exempted from disclosure by statute); (c)(4) (privileged or confidential trade secrets and commercial or financial information); (c)(5) (matters of alleged criminal conduct or formal censure); (c)(6) (personal information where disclosure would cause a clearly unwarranted invasion of personal privacy); (c)(7) (certain materials or information from investigatory files compiled for law enforcement purposes); or (c)(9)(B) (disclosure would significantly frustrate implementation of a proposed agency action).

§ 2413.5 Action necessary to close meeting; record of votes.

A meeting shall be closed to public observation under §2413.4, only when a majority of the members of the Authority who will participate in the meeting vote to take such action.

(a) When the meeting deliberations concern matters specified in §2413.4(a), the Authority members shall vote at the beginning of the meeting, or portion thereof, on whether to close such meeting, or portion thereof, to public observation and on whether the public interest requires that a meeting which
may properly be closed should nevertheless be open to public observation. A record of such vote, reflecting the vote of each member of the Authority, shall be kept and made available to the public at the earliest practicable time.

(b) When the meeting deliberations concern matters specified in §2413.4(b), the Authority shall vote on whether to close such meeting, or portion thereof, to public observation, and on whether there is a public interest which requires that a meeting which may properly be closed should nevertheless be open to public observation. The vote shall be taken at a time sufficient to permit inclusion of information concerning the open or closed status of the meeting in the public announcement thereof. A single vote may be taken with respect to a series of meetings at which the deliberations will concern the same particular matters where such subsequent meetings are scheduled to be held within thirty (30) days after the initial meeting. A record of such vote, reflecting the vote of each member of the Authority, shall be kept and made available for the public within one (1) day after the vote is taken.

(c) Whenever any person whose interests may be directly affected by deliberations during a meeting, or a portion thereof, requests that the Authority close that meeting, or portion thereof, to public observation for any of the reasons specified in 5 U.S.C. 552b(c)(5) (matters of alleged criminal conduct or formal censure), (c)(6) (personal information where disclosure would cause a clearly unwarranted invasion of personal privacy), or (c)(7) (certain materials or information from investigatory files compiled for law enforcement purposes), the Authority members participating in the meeting, upon request of any one of its members, shall vote on whether to close such meeting, or a portion thereof, for that reason. A record of such vote, reflecting the vote of each member of the Authority participating in the meeting, shall be kept and made available to the public within one (1) day after the vote is taken.

(d) After public announcement of a meeting as provided in §2413.6, a meeting, or portion thereof, announced as closed may be opened, or a meeting, or portion thereof, announced as open may be closed only if a majority of the members of the Authority who will participate in the meeting determine by a recorded vote that Authority business so requires and that an earlier announcement of the change was not possible. The change made and the vote of each member on the change shall be announced publicly at the earliest practicable time.

(e) Before a meeting may be closed pursuant to §2413.4, the Solicitor of the Authority shall certify that in the Solicitor’s opinion the meeting may properly be closed to public observation. The certification shall set forth each applicable exemptive provision for such closing. Such certification shall be retained by the agency and made publicly available as soon as practicable.

§ 2413.6 Notice of meetings; public announcement and publication.

(a) A public announcement setting forth the time, place and subject matter of meetings, or portions thereof, closed to public observation pursuant to the provisions of §2413.4(a), shall be made at the earliest practicable time.

(b) Except for meetings closed to public observation pursuant to the provisions of §2413.4(a), the agency shall make public announcement of each meeting to be held at least seven (7) days before the scheduled date of the meeting. The announcement shall specify the time, place and subject matter of the meeting, whether it is to be open to public observation or closed, and the name, address, and phone number of an agency official designated to respond to requests for information about the meeting. The seven (7) day period for advance notice may be shortened only upon a determination by a majority of the members of the Authority who will participate in the meeting that agency business requires that such meeting be called at an earlier date, in which event the public announcements shall be made at the earliest practicable time. A record of the vote to schedule a meeting at an earlier date shall be kept and made available to the public.

(c) Within one (1) day after a vote to close a meeting, or any portion thereof, pursuant to the provisions §2413.4(b),
the agency shall make publicly available a full written explanation of its action closing the meeting, or portion thereof, together with a list of all persons expected to attend the meeting and their affiliation.

(d) If after public announcement required by paragraph (b) of this section has been made, the time and place of the meeting are changed, a public announcement shall be made at the earliest practicable time. The subject matter of the meeting may be changed after the public announcement only if a majority of the members of the Authority who will participate in the meeting determine that agency business so requires and that no earlier announcement of the change was possible. When such a change in subject matter is approved, a public announcement of the change shall be made at the earliest practicable time. A record of the vote to change the subject matter of the meeting shall be kept and made available to the public.

(e) All announcements or changes thereto issued pursuant to the provisions of paragraphs (b) and (d) of this section or pursuant to the provisions of §2413.5(d) shall be submitted for publication in the FEDERAL REGISTER immediately following their release to the public.

(f) Announcements of meetings made pursuant to the provisions of this section shall be made publicly available by the Executive Director.

§ 2413.7 Transcripts, recordings or minutes of closed meeting; public availability; retention.

(a) For every meeting, or portion thereof, closed under the provisions of §2413.4, the presiding officer shall prepare a statement setting forth the time and place of the meeting and the persons present, which statement shall be retained by the agency. For each such meeting, or portion thereof, there shall also be maintained a complete transcript or electronic recording of the proceedings, except that for meetings closed pursuant to §2413.4(a), the Authority may, in lieu of a transcript or electronic recording, maintain a set of minutes fully and accurately summarizing any action taken, the reasons therefor and views thereon, documents considered and the members' vote on each rollcall vote.

(b) The agency shall make promptly available to the public copies of transcripts, recordings or minutes maintained as provided in accordance with paragraph (a) of this section, except to the extent the items therein contain information which the agency determines may be withheld pursuant to the provisions of 5 U.S.C. 552b(c). Copies of transcripts or minutes, or transcriptions of electronic recordings including the identification of speakers, shall to the extent determined to be publicly available, be furnished to any person, subject to the payment of duplication costs in accordance with the schedule of fees set forth in §2411.10 of this subchapter and the actual cost of transcription.

(c) The agency shall maintain a complete verbatim copy of the transcript, a complete copy of the minutes, or a complete electronic recording of each meeting, or portion of a meeting, closed to the public, for a period of at least two (2) years after such meeting or until one (1) year after the conclusion of any agency proceeding with respect to which the meeting or portion was held whichever occurs later.

PART 2414—EX PARTE COMMUNICATIONS

This part contains the regulations of the Federal Labor Relations Authority relating to ex parte communications.
§ 2414.2 Unauthorized communications.

(a) No interested person outside this agency shall, in any agency proceeding subject to 5 U.S.C. 557(a), make or knowingly cause to be made any prohibited ex parte communication to any Authority member, Administrative Law Judge, or other Authority employee who is or may reasonably be expected to be involved in the decisional process of the proceeding.

Unless otherwise provided by specific order of the Authority entered in the proceeding, the prohibition of §2414.2 shall be applicable in any agency proceeding subject to 5 U.S.C. 557(a) beginning at the time of which the proceeding is noticed for hearing, unless the person responsible for the communication has knowledge that it will be noticed, in which case the prohibitions shall apply beginning at the time of such person's acquisition of such knowledge.

§ 2414.5 Communications prohibited.

Except as provided in §2414.6, ex parte communications prohibited by §2414.2 shall include:

(a) Such communications, when written, if copies thereof are not contemporaneously served by the communicator on all parties to the proceeding in accordance with the provisions of part 2429 of this chapter; and

(b) Such communications, when oral, unless advance notice thereof is given by the communicator to all parties in the proceeding and adequate opportunity afforded to them to be present.

§ 2414.6 Communications not prohibited.

Ex parte communications prohibited by §2414.2 shall not include:

(a) Oral or written communications which relate solely to matters which the Hearing Officer, Regional Director, Administrative Law Judge, General Counsel or member of the Authority is authorized by law or Authority rules to entertain or dispose of on an ex parte basis;

(f) Oral or written communications from the General Counsel to the Authority when the General Counsel is acting on behalf of the Authority under 5 U.S.C. 7123(d).

§ 2414.7 Solicitation of prohibited communications.

No person shall knowingly and willfully solicit the making of an unauthorized ex parte communication by any other person.
§ 2414.8 Reporting of prohibited communications; penalties.

(a) Any Authority member, Administrative Law Judge, or other Authority employee who is or may reasonably be expected to be involved in the decisional process of the proceeding relevant to the merits of the proceeding to whom a prohibited oral ex parte communication is attempted to be made, shall refuse to listen to the communication, inform the communicator of this rule, and advise such person that if the person has anything to say it should be said in writing with copies to all parties. Any such Authority member, Administrative Law Judge, or other Authority employee who is or may reasonably be expected to be involved in the decisional process of the proceeding relevant to the merits of the proceeding who receives, or who makes or knowingly causes to be made, an unauthorized ex parte communication, shall place or cause to be placed on the public record of the proceeding: (1) The communication, if it was written; (2) a memorandum stating the substance of the communication, if it was oral; (3) all written responses to the prohibited communication; and (4) memoranda stating the substance of all oral responses to the prohibited communication. The Executive Director, if the proceeding is then pending before the Authority, the Administrative Law Judge, or Regional Director, if the proceeding is then pending before any such judge, or the Regional Director, if the proceeding is then pending before a Hearing Officer or the Regional Director, shall serve copies of all such materials placed on the public record of the proceeding on all other parties to the proceeding and on the attorneys of record for the parties. Within ten (10) days after the mailing of such copies, any party may file with the Executive Director, Administrative Law Judge, or Regional Director serving the communication, as appropriate, and serve on all other parties, a statement setting forth facts or contentions to rebut those contained in the prohibited communication. All such responses shall be placed in the public record of the proceeding, and provision may be made for any further action, including reopening of the record, which may be required under the circumstances. No action taken pursuant to this provision shall constitute a waiver of the power of the Authority to impose an appropriate penalty under § 2414.9.

§ 2414.9 Penalties and enforcement.

(a) Where the nature and circumstances of a prohibited communication made by or caused to be made by a party to the proceeding are such that the interests of justice and statutory policy may require remedial action, the Authority, Administrative Law Judge, or Regional Director, as appropriate, may issue to the party making the communication a notice to show cause, returnable before the Authority, Administrative Law Judge, or Regional Director, within a stated period not less than seven (7) days from the date thereof, why the Authority, Administrative Law Judge, or Regional Director should not determine that the interests of justice and statutory policy require that the claim or interest in the proceeding of a party who knowingly makes a prohibited communication or knowingly causes a prohibited communication to be made, should be dismissed, denied, disregarded or otherwise adversely affected on account of such violation.

(b) Upon notice and hearing, the Authority may censure, suspend, or revoke the privilege of practice before the agency of any person who knowingly and willfully makes or solicits the making of a prohibited ex parte communication. However, before the Authority institutes formal proceedings under this subsection, it shall first advise the person or persons concerned in writing that it proposes to take such action and that they may show cause, within a period to be stated in such written advice, but not less than seven (7) days from the date thereof, why it should not take such action.

(c) The Authority may censure, or, to the extent permitted by law, suspend, dismiss, or institute proceedings for the dismissal of, any Authority agent who knowingly and willfully violates the prohibitions and requirements of this rule.

§ 2416.104—2416.109 [Reserved]

(b) The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the self-evaluation process by submitting comments (both oral and written).

(2) A description of any modifications made.

§ 2416.111 Notice.

The agency shall make available to employees, applicants, participants, beneficiaries, and other interested persons such information regarding the provisions of this regulation and its applicability to the programs or activities conducted by the agency, and make such information available to them in such manner as the head of the agency finds necessary to apprise such persons of the protections against discrimination assured them by section 504 and this regulation.

§ 2416.112—2416.129 [Reserved]

§ 2416.130 General prohibitions against discrimination.

(a) No qualified individual with handicaps shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(b)(1) The agency, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—

(i) Deny a qualified individual with handicaps the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified individual with handicaps an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified individual with handicaps with an aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to individuals with handicaps or to any class of individuals with handicaps than is provided to others unless such action is necessary to provide qualified individuals with handicaps with aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified individual with handicaps the opportunity to participate as a member of planning or advisory boards;

(vi) Otherwise limit a qualified individual with handicaps in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The agency may not deny a qualified individual with handicaps the opportunity to participate in programs or activities that are not separate or different, despite the existence of permissibly separate or different programs or activities.
(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified individuals with handicaps to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified individuals with handicaps to discrimination on the basis of handicap.

(6) The agency may not administer a licensing or certification program in a manner that subjects qualified individuals with handicaps to discrimination on the basis of handicap.

§ 2416.140 Employment.

No qualified individual with handicaps shall, on the basis of handicap, be subject to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§§ 2416.141—2416.148 [Reserved]

§ 2416.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in §2416.150, no qualified individual with handicaps shall, because the agency's facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 2416.150 Program accessibility: Existing facilities.

(a) General. The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps.

This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by individuals with handicaps;

(2) In the case of historic preservation programs, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would
result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §2416.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) Methods—(1) General. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(2) Historic preservation programs. In meeting the requirements of §2416.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to individuals with handicaps.

In cases where a physical alteration to an historic property is not required because of §2416.150(a) (2) or (3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

(ii) Assigning persons to guide individuals with handicaps into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.

(c) Time period for compliance. The agency shall comply with the obligations established under this section by November 7, 1988, except that where structural changes in facilities are undertaken, such changes shall be made by September 6, 1991, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by March 6, 1989, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency’s facilities that limit the accessibility of its programs or activities to individuals with handicaps;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.
§ 2416.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151-4157), as established in 41 CFR 101-19.600 to 101-19.607, apply to buildings covered by this section.

§§ 2416.152—2416.159 [Reserved]

§ 2416.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the individual with handicaps.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD’s) or equally effective telecommunication systems shall be used to communicate with persons with impaired hearing.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 2416.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.

§§ 2416.161—2416.169 [Reserved]

§ 2416.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs and activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Deputy for EEO and Affirmative Action shall be responsible for coordinating implementation of this section. Complaints may be sent to the Deputy for EEO and Affirmative Action, Federal Labor Relations Authority, 500 C St. SW., Washington, DC 20424.
(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate Government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157), is not readily accessible to and usable by individuals with handicaps.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;
(2) A description of a remedy for each violation found; and
(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §2416.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.

(j) The head of the agency shall notify the complainant of the results of the appeal within 60 days of the request. If the head of the agency determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

(5) The name and mailing address for the petitioner, including street number, city, state and zip code. If a labor organization petitioner is affiliated with a national organization, the local designation and the national affiliation should both be included. If a labor organization is an exclusive representative of any of the employees affected by issues raised in the petition, the date of the recognition or certification and the date any collective bargaining agreement covering the unit will expire or when the most recent agreement did expire should be included, if known.

(4) The name, mailing address and work telephone number of the contact person for each labor organization affected by issues raised in the petition.

(6) The name and mailing address for the petitioner, including street number, city, state and zip code. If a labor organization petitioner is affiliated with a national organization, the local designation and the national affiliation should both be included. If a labor organization is an exclusive representative of any of the employees affected by issues raised in the petition, the date of the recognition or certification and the date any collective bargaining agreement covering the unit will expire or when the most recent agreement did expire should be included, if known.
§ 2422.6 Notification of filing.

(a) Notification to parties. After a petition is filed, the Regional Director will notify any labor organization, agency or activity that the parties have identified as being affected by issues raised in the petition, that a petition has been filed with the Regional Director.

(b) Contents of the notification. The notification will inform the labor organization, agency or activity of:

(1) The name of the petitioner;

(2) The description of the unit(s) or employees affected by issues raised in the petition; and,
§ 2422.7

(3) A statement that all affected parties should advise the Regional Director in writing of their interest in the issues raised in the petition.

§ 2422.7 Posting notice of filing of a petition.

(a) Posting notice of petition. When appropriate, the Regional Director, after the filing of a representation petition, will direct the agency or activity to post copies of a notice to all employees in places where notices are normally posted for the employees affected by issues raised in the petition and/or distribute copies of a notice in a manner by which notices are normally distributed.

(b) Contents of notice. The notice shall advise affected employees about the petition.

(c) Duration of notice. The notice should be conspicuously posted for a period of ten (10) days and not be altered, defaced, or covered by other material.

§ 2422.8 Intervention and cross-petitions.

(a) Cross-petitions. A cross-petition is a petition which involves any employees in a unit covered by a pending representation petition. Cross-petitions must be filed in accordance with this subpart.

(b) Intervention requests and cross-petitions. A request to intervene and a cross-petition, accompanied by any necessary showing of interest, must be submitted in writing and filed with either the Regional Director or the Hearing Officer before the hearing opens, unless good cause is shown for granting an extension. If no hearing is held, a request to intervene and a cross-petition must be filed prior to action being taken pursuant to §2422.30.

(c) Labor organization intervention requests. Except for incumbent interve

crs, a labor organization seeking to intervene shall submit a statement that it has complied with 5 U.S.C. 7111(e) and one of the following:

(1) A showing of interest of ten percent (10%) or more of the employees in the unit covered by a petition seeking an election, with an alphabetical list of the names of the employees constituting the showing of interest; or

(2) A current or recently expired collective bargaining agreement covering any of the employees in the unit affected by issues raised in the petition; or

(3) Evidence that it is or was, prior to a reorganization, the recognized or certified exclusive representative of any of the employees affected by issues raised in the petition.

(d) Incumbent. An incumbent exclusive representative, without regard to the requirements of paragraph (c) of this section, will be considered a party in any representation proceeding raising issues that affect employees the incumbent represents, unless it serves the Regional Director with a written disclaimer of any representation interest in the claimed unit.

(e) Employing agency. An agency or activity will be considered a party if any of its employees are affected by issues raised in the petition.

(f) Agency or activity intervention. An agency or activity seeking to intervene in any representation proceeding must submit evidence that one or more employees of the agency or activity may be affected by issues raised in the petition.

§ 2422.9 Adequacy of showing of interest.

(a) Adequacy. Adequacy of a showing of interest refers to the percentage of employees in the unit involved as required by §§2422.3 (c) and (d) and 2422.8(c)(3).

(b) Regional Director investigation and Decision and Order. The Regional Director will conduct such investigation as deemed appropriate. A Regional Director's determination that the showing of interest is adequate is final and binding and not subject to collateral attack at a representation hearing or on appeal to the Authority. If the Regional Director determines that a showing of interest is inadequate, the Regional Director will issue a Decision and Order dismissing the petition, or denying a request for intervention.

§ 2422.10 Validity of showing of interest.

(a) Validity. Validity questions are raised by challenges to a showing of interest on grounds other than adequacy.
§ 2422.11 Challenge to the status of a labor organization.

(a) Basis of challenge to labor organization status. The only basis on which a challenge to the status of a labor organization may be made is compliance with 5 U.S.C. 7103(a)(4).

(b) Format and time for filing a challenge. Any party filing a challenge to the status of a labor organization involved in the processing of a petition must do so in writing to the Regional Director or the Hearing Officer before the hearing opens, unless good cause is shown for granting an extension. If no hearing is held, challenges to the validity of a showing of interest must be filed prior to action being taken pursuant to § 2422.30.

§ 2422.12 Timeliness of petitions seeking an election.

(a) Election bar. Where there is no certified exclusive representative, a petition seeking an election will not be considered timely if filed within twelve (12) months of a valid election involving the same unit or a subdivision of the same unit.

(b) Certification bar. Where there is a certified exclusive representative of employees, a petition seeking an election will not be considered timely if filed within twelve (12) months after the certification of the exclusive representative of the employees in an appropriate unit. If a collective bargaining agreement covering the claimed unit is pending agency head review under 5 U.S.C. 7114(c) or is in effect, paragraphs (c), (d), or (e) of this section apply.

(c) Bar during 5 U.S.C. 7114(c) agency head review. A petition seeking an election will not be considered timely if filed during the period of agency head review under 5 U.S.C. 7114(c). This bar expires upon either the passage of thirty (30) days absent agency head action, or upon the date of any timely agency head action.

(d) Contract bar where the contract is for three (3) years or less. Where a collective bargaining agreement is in effect covering the claimed unit and has a term of three (3) years or less from the date it became effective, a petition seeking an election will be considered timely if filed not more than one hundred and five (105) and not less than sixty (60) days prior to the expiration of the agreement.

(e) Contract bar where the contract is for more than three (3) years. Where a collective bargaining agreement is in effect covering the claimed unit and has a term of more than three (3) years from the date it became effective, a petition seeking an election will be considered timely if filed not more than one hundred and five (105) and not less than sixty (60) days prior to the expiration of the initial three (3) year period, and any time after the expiration of the initial three (3) year period.

(f) Unusual circumstances. A petition seeking an election or a determination relating to representation matters may be filed at any time when unusual circumstances exist that substantially affect the unit or majority representation.

(g) Premature extension. Where a collective bargaining agreement with a term of three (3) years or less has been extended prior to sixty (60) days before
its expiration date, the extension will not serve as a basis for dismissal of a petition seeking an election filed in accordance with this section.

(h) Contract requirements. Collective bargaining agreements, including agreements that go into effect under 5 U.S.C. 7114(c) and those that automatically renew without further action by the parties, do not constitute a bar to a petition seeking an election under this section unless a clear and unambiguous effective date, renewal date where applicable, duration, and termination date are ascertainable from the agreement and relevant accompanying documentation.

§ 2422.13 Resolution of issues raised by a petition.

(a) Meetings prior to filing a representation petition. All parties affected by the representation issues that may be raised in a petition are encouraged to meet prior to the filing of the petition to discuss their interests and narrow and resolve the issues. If requested by all parties a representative of the appropriate Regional Office will participate in these meetings.

(b) Meetings to narrow and resolve the issues after the petition is filed. After a petition is filed, the Regional Director may require all affected parties to meet to narrow and resolve the issues raised in the petition.

§ 2422.14 Effect of withdrawal/dismissal.

(a) Withdrawal/dismissal less than sixty (60) days before contract expiration. When a petition seeking an election that has been timely filed is withdrawn by the petitioner or dismissed by the Regional Director less than sixty (60) days prior to the expiration of an existing agreement between the incumbent exclusive representative and the agency or activity or any time after the expiration of the agreement, another petition seeking an election will not be considered timely if filed within a ninety (90) day period from either:

1. The date the withdrawal is approved; or
2. The date the petition is dismissed by the Regional Director when no application for review is filed with the Authority; or
3. The date the Authority rules on an application for review. Other pending petitions that have been timely filed under this Part will continue to be processed.

(b) Withdrawal by petitioner. A petitioner who submits a withdrawal request for a petition seeking an election that is received by the Regional Director after the notice of hearing issues or after approval of an election agreement, whichever occurs first, will be barred from filing another petition seeking an election for the same unit or any subdivision of the unit for six (6) months from the date of the approval of the withdrawal by the Regional Director.

(c) Withdrawal by incumbent. When an election is not held because the incumbent disclaims any representation interest in a unit, a petition by the incumbent seeking an election involving the same unit or a subdivision of the same unit will not be considered timely if filed within six (6) months of cancellation of the election.

§ 2422.15 Duty to furnish information and cooperate.

(a) Relevant information. After a petition is filed, all parties must, upon request of the Regional Director, furnish the Regional Director and serve all parties affected by issues raised in the petition with information concerning parties, issues, and agreements raised in or affected by the petition.

(b) Inclusions and exclusions. After a petition seeking an election is filed, the Regional Director may direct the agency or activity to furnish the Regional Director and all parties affected by issues raised in the petition with a current alphabetized list of employees and job classifications included in and/or excluded from the existing or claimed unit affected by issues raised in the petition.

(c) Cooperation. All parties are required to cooperate in every aspect of the representation process. This obligation includes cooperating fully with the Regional Director, submitting all required and requested information, and participating in prehearing conferences and hearings. The failure to cooperate in the representation process may result in the Regional Director
taking appropriate action, including dismissal of the petition or denial of intervention.

§ 2422.16 Election agreements or directed elections.

(a) Election agreements. Parties are encouraged to enter into election agreements.

(b) Regional Director directed election. If the parties are unable to agree on procedural matters, specifically, the eligibility period, method of election, dates, hours, or locations of the election, the Regional Director will decide election procedures and issue a Direction of Election, without prejudice to the rights of a party to file objections to the procedural conduct of the election.

(c) Opportunity for a hearing. Before directing an election, the Regional Director shall provide affected parties an opportunity for a hearing on other than procedural matters, and thereafter may:

(1) Issue a Decision and Order; or
(2) If there are no questions regarding unit appropriateness, issue a Direction of Election without a Decision and Order.

(d) Challenges or objections to a directed election. A Direction of Election issued under this section will be issued without prejudice to the right of any person participating in the election and/or objections to the election.

§ 2422.17 Notice of hearing and prehearing conference.

(a) Purpose of notice of a hearing. The Regional Director may issue a notice of hearing involving any issues raised in the petition.

(b) Contents. The notice of hearing will advise affected parties about the hearing. The Regional Director will also notify affected parties of the issues raised in the petition and establish a date for the prehearing conference.

(c) Prehearing conference. A prehearing conference will be conducted by the Hearing Officer, either by meeting or teleconference. All parties must participate in a prehearing conference and be prepared to fully discuss, narrow and resolve the issues set forth in the notification of the prehearing conference.

(d) No interlocutory appeal of hearing determination. A Regional Director's determination of whether to issue a notice of hearing is not appealable to the Authority.

§ 2422.18 Hearing procedures.

(a) Purpose of a hearing. Representation hearings are considered investigatory and not adversarial. The purpose of the hearing is to develop a full and complete record of relevant and material facts.

(b) Conduct of hearing. Hearings will be open to the public unless otherwise ordered by the Hearing Officer. There is no burden of proof, with the exception of proceedings on objections to elections as provided for in §2422.27(b). Formal rules of evidence do not apply.

(c) Hearing officer. Hearings will be conducted by a Hearing Officer appointed by the Regional Director. Another Hearing Officer may be substituted for the presiding Hearing Officer at any time.

(d) Transcript. An official reporter will make the official transcript of the hearing. Copies of the official transcript may be examined in the appropriate Regional Office during normal working hours. Requests by parties to purchase copies of the official transcript should be made to the official hearing reporter.

§ 2422.19 Motions.

(a) Purpose of a motion. Subsequent to the issuance of a Notice of Hearing in a representation proceeding, a party seeking a ruling, an order, or relief must do so by filing or raising a motion stating the order or relief sought and the grounds therefor. Challenges and other filings referenced in other sections of this subpart may, in the discretion of the Regional Director or Hearing Officer, be treated as a motion.

(b) Prehearing motions. Prehearing motions must be filed in writing with the Regional Director. Any response must be filed with the Regional Director within five (5) days after service of the motion. The Regional Director may rule on the motion or refer the motion to the Hearing Officer.
§ 2422.20

(c) Motions made at the hearing. During the hearing, motions will be made to the Hearing Officer and may be oral on the record, unless otherwise required in this subpart to be in writing. Responses may be oral on the record or in writing, but, absent permission of the Hearing Officer, must be provided before the hearing closes. When appropriate, the Hearing Officer will rule on motions made at the hearing or referred to the Hearing Officer by the Regional Director.

(d) Posthearing motions. Motions made after the hearing closes must be filed in writing with the Regional Director. Any response to a posthearing motion must be filed with the Regional Director within five (5) days after service of the motion.

§ 2422.20 Rights of parties at a hearing.

(a) Rights. A party at a hearing will have the right:

(1) To appear in person or by a representative;

(2) To examine and cross-examine witnesses; and

(3) To introduce into the record relevant evidence.

(b) Documentary evidence and stipulations. Parties must submit two (2) copies of documentary evidence to the Hearing Officer and copies to all other parties. Stipulations of fact between/among the parties may be introduced into evidence.

(c) Oral argument. Parties will be entitled to a reasonable period prior to the close of the hearing for oral argument. Presentation of a closing oral argument does not preclude a party from filing a brief under paragraph (d) of this section.

(d) Briefs. A party will be afforded an opportunity to file a brief with the Regional Director.

(1) An original and two (2) copies of a brief must be filed with the Regional Director within thirty (30) days from the close of the hearing.

(2) A written request for an extension of time to file a brief must be filed with and received by the Regional Director no later than five (5) days before the date the brief is due.

(3) No reply brief may be filed without permission of the Regional Director.

§ 2422.21 Duties and powers of the Hearing Officer.

(a) Duties of the Hearing Officer. The Hearing Officer will receive evidence and inquire fully into the relevant and material facts concerning the matters that are the subject of the hearing, and may make recommendations on the record to the Regional Director.

(b) Powers of the Hearing Officer. During the period a case is assigned to a Hearing Officer by the Regional Director and prior to the close of the hearing, the Hearing Officer may take any action necessary to schedule, conduct, continue, control, and regulate the hearing, including ruling on motions when appropriate.

§ 2422.22 Objections to the conduct of the hearing.

(a) Objections. Objections are oral or written complaints concerning the conduct of a hearing.

(b) Exceptions to rulings. There are automatic exceptions to all adverse rulings.

§ 2422.23 Election procedures.

(a) Regional Director conducts or supervises election. The Regional Director will decide to conduct or supervise the election. In supervised elections, agencies will perform all acts as specified in the Election Agreement or Direction of Election.

(b) Notice of election. Prior to the election a notice of election, prepared by the Regional Director, will be posted by the activity in places where notices to employees are customarily posted and/or distributed in a manner by which notices are normally distributed. The notice of election will contain the details and procedures of the election, including the appropriate unit, the eligibility period, the date(s), hour(s) and location(s) of the election, a sample ballot, and the effect of the vote.

(c) Sample ballot. The reproduction of any document purporting to be a copy
of the official ballot that suggests either directly or indirectly to employees that the Authority endorses a particular choice in the election may constitute grounds for setting aside an election if objections are filed under § 2422.26.

(d) Secret ballot. All elections will be by secret ballot.

(e) Intervenor withdrawal from ballot. When two or more labor organizations are included as choices in an election, an intervening labor organization may, prior to the approval of an election agreement or before the direction of an election, file a written request with the Regional Director to remove its name from the ballot. If the request is not received prior to the approval of an election agreement or before the direction of an election, unless the parties and the Regional Director agree otherwise, the intervening labor organization will remain on the ballot. The Regional Director's decision on the request is final and not subject to the filing of an application for review with the Authority.

(f) Incumbent withdrawal from ballot in an election to decertify an incumbent representative. When there is no intervening labor organization, an election to decertify an incumbent exclusive representative will not be held if the incumbent provides the Regional Director with a written disclaimer of any representation interest in the unit. When there is an intervenor, an election will be held if the intervening labor organization proffers a thirty percent (30%) showing of interest within the time period established by the Regional Director.

(g) Petitioner withdraws from ballot in an election. When there is no intervening labor organization, an election will not be held if the petitioner provides the Regional Director with a written request to withdraw the petition. When there is an intervenor, an election will be held if the intervening labor organization proffers a thirty percent (30%) showing of interest within the time period established by the Regional Director.

(h) Observers. All parties are entitled to representation at the polling location(s) by observers of their own selection subject to the Regional Director's approval.

(1) Parties desiring to name observers must file in writing with the Regional Director a request for specifically named observers at least fifteen (15) days prior to an election. The Regional Director may grant an extension of time for filing a request for specifically named observers for good cause where a party requests such an extension or on the Regional Director's own motion. The request must name and identify the observers requested.

(2) An agency or activity may use as its observers any employees who are not eligible to vote in the election, except:

(i) Supervisors or management officials;

(ii) Employees who have any official connection with any of the labor organizations involved; or

(iii) Non-employees of the Federal government.

(3) A labor organization may use as its observers any employees eligible to vote in the election, except:

(i) Employees on leave without pay status who are working for the labor organization involved; or

(ii) Employees who hold an elected office in the union.

(4) Objections to a request for specifically named observers must be filed with the Regional Director stating the reasons in support within five (5) days after service of the request.

(5) The Regional Director's ruling on requests for and objections to observers is final and binding and is not subject to the filing of an application for review with the Authority.

§ 2422.24 Challenged ballots.

(a) Filing challenges. A party or the Regional Director may, for good cause, challenge the eligibility of any person to participate in the election prior to the employee voting.

(b) Challenged ballot procedure. An individual whose eligibility to vote is in dispute will be given the opportunity to vote a challenged ballot. If the parties and the Region are unable to resolve the challenged ballot(s) prior to the tally of ballots, the unresolved challenged ballot(s) will be impounded and preserved until a determination...
§ 2422.25 Tally of ballots.

(a) Tallying the ballots. When the election is concluded, the Regional Director will tally the ballots.

(b) Service of the tally. When the tally is completed, the Regional Director will serve the tally of ballots on the parties in accordance with the election agreement or direction of election.

(c) Valid ballots cast. Representation will be determined by the majority of the valid ballots cast.

§ 2422.26 Objections to the election.

(a) Filing objections to the election. Objections to the procedural conduct of the election or to conduct that may have improperly affected the results of the election may be filed by any party. Objections must be filed and received by the Regional Director within five (5) days after the tally of ballots has been served. Any objections must be timely regardless of whether the challenged ballots are sufficient in number to affect the results of the election. The objections must be supported by clear and concise reasons. An original and two (2) copies of the objections must be received by the Regional Director.

(b) Supporting evidence. The objecting party must file with the Regional Director evidence, including signed statements, documents and other materials supporting the objections within ten (10) days after the objections are filed.

§ 2422.27 Determinative challenged ballots and objections.

(a) Investigation. The Regional Director will investigate objections and/or determinative challenged ballots that are sufficient in number to affect the results of the election.

(b) Burden of proof. A party filing objections to the election bears the burden of proof by a preponderance of the evidence concerning those objections. However, no party bears the burden of proof on challenged ballots.

(c) Regional Director Action. After investigation, the Regional Director will take appropriate action consistent with § 2422.30.

(d) Consolidated hearing on objections and/or determinative challenged ballots and an unfair labor practice hearing. When appropriate, and in accordance with § 2422.33, objections and/or determinative challenged ballots may be consolidated with an unfair labor practice hearing. Such consolidated hearings will be conducted by an Administrative Law Judge. Exceptions and related submissions must be filed with the Authority and the Authority will issue a decision in accordance with part 2423 of this chapter, except for the following:

(1) Sections 2423.18 and 2423.19(j) of this Subchapter concerning the burden of proof and settlement conferences are not applicable;

(2) The Administrative Law Judge may not recommend remedial action to be taken or notices to be posted as provided by § 2423.26(a) of this Subchapter;

and,

(3) References to “charge” and “complaint” in § 2423.26(b) of this chapter will be omitted.

§ 2422.28 Runoff elections.

(a) When a runoff may be held. A runoff election is required in an election involving at least three (3) choices, one of which is “no union” or “neither,” when no choice receives a majority of the valid ballots cast. However, a runoff may not be held until the Regional Director has ruled on objections to the election and determinative challenged ballots.

(b) Eligibility. Employees who were eligible to vote in the original election and who are also eligible on the date of the runoff election may vote in the runoff election.

(c) Ballot. The ballot in the runoff election will provide for a selection between the two choices receiving the largest and second largest number of votes in the election.

§ 2422.29 Inconclusive elections.

(a) Inconclusive elections. An inconclusive election is one where challenged ballots are not sufficient to affect the outcome of the election and one of the following occurs:

(1) The ballot provides for at least three (3) choices, one of which is “no union” or “neither” and the votes are equally divided; or
(2) The ballot provides for at least three (3) choices, the choice receiving the highest number of votes does not receive a majority, and at least two other choices receive the next highest and same number of votes; or

(3) When a runoff ballot provides for a choice between two labor organizations and results in the votes being equally divided; or

(4) When the Regional Director determines that there have been significant procedural irregularities.

(b) Eligibility to vote in a rerun election. A current payroll period will be used to determine eligibility to vote in a rerun election.

(c) Ballot. If the Regional Director determines that the election is inconclusive, the election will be rerun with all the choices that appeared on the original ballot.

(d) Number of reruns. There will be only one rerun of an inconclusive election. If the rerun results in another inconclusive election, the tally of ballots will indicate a majority of valid ballots has not been cast for any choice and a certification of results will be issued. If necessary, a runoff may be held when an original election is rerun.

§ 2422.31 Application for review of a Regional Director Decision and Order

(a) Filing an application for review. A party must file an application for review with the Authority within sixty (60) days of the Regional Director’s Decision and Order. The sixty (60) day time limit provided for in 5 U.S.C. 7105(f) may not be extended or waived.

(b) Contents. An application for review must be sufficient to enable the Authority to rule on the application without recourse to the record; however, the Authority may, in its discretion, examine the record in evaluating the application. An application must specify the matters and rulings to which exception(s) is taken, include a summary of evidence relating to any issue raised in the application, and make specific reference to page citations in the transcript if a hearing was held. An application may not raise any issue or rely on any facts not timely presented to the Hearing Officer or Regional Director.

(c) Review. The Authority may grant an application for review only when the application demonstrates that review is warranted on one or more of the following grounds:

(1) The decision raises an issue for which there is an absence of precedent;

(2) Established law or policy warrants reconsideration; or,

(3) There is a genuine issue over whether the Regional Director has:

(i) Failed to apply established law;

(ii) Committed a prejudicial procedural error;

(iii) Committed a clear and prejudicial error concerning a substantial factual matter.
§ 2422.32

(d) Opposition. A party may file with the Authority an opposition to an application for review within ten (10) days after the party is served with the application. A copy must be served on the Regional Director and all other parties and a statement of service must be filed with the Authority.

(e) Regional Director Decision and Order becomes the Authority's action. A Decision and Order of a Regional Director becomes the action of the Authority when:

(1) No application for review is filed with the Authority within sixty (60) days after the date of the Regional Director's Decision and Order; or

(2) A timely application for review is filed with the Authority and the Authority does not undertake to grant review of the Regional Director's Decision and Order within sixty (60) days of the filing of the application; or

(3) The Authority denies an application for review.

(f) Authority grant of review and stay. The Authority may rule on the issue(s) in an application for review in its order granting review. Neither filing nor granting an application for review shall stay any action ordered by the Regional Director unless specifically ordered by the Authority.

(g) Briefs if review is granted. If the Authority does not rule on the issue(s) in the application for review in its order granting review, the Authority may, in its discretion, afford the parties an opportunity to file briefs. The briefs will be limited to the issue(s) referenced in the Authority's order granting review.

§ 2422.33 Relief obtainable under part 2423.

Remedial relief that was or could have been obtained as a result of a motion, objection, or challenge filed or raised under this subpart, may not be the basis for similar relief if filed or raised as an unfair labor practice under part 2423 of this chapter: Provided, however, that related matters may be consolidated for hearing as noted in § 2422.27(d) of this subpart.

§ 2422.34 Rights and obligations during the pendency of representation proceedings.

(a) Existing recognitions, agreements, and obligations under the Statute. During the pendency of any representation proceeding, parties are obligated to maintain existing recognitions, adhere to the terms and conditions of existing collective bargaining agreements, and fulfill all other representational and bargaining responsibilities under the Statute.

(b) Unit status of individual employees. Notwithstanding paragraph (a) of this section and except as otherwise prohibited by law, a party may take action based on its position regarding the bargaining unit status of individual employees, pursuant to 5 U.S.C. 7103(a)(2), 7112 (b) and (c): Provided, however, that its actions may be challenged, reviewed, and remedied where appropriate.
§ 2423.1 Applicability of this part.
This part is applicable to any charge of alleged unfair labor practices filed with the Authority on or after January 11, 1979, and any complaint filed on or after October 1, 1997.

§ 2423.2 Informal proceedings.
(a) The purposes and policies of the Federal Service Labor-Management Relations Statute can best be achieved by the cooperative efforts of all persons covered by the program. To this end, it shall be the policy of the Authority and the General Counsel to encourage all persons alleging unfair labor practices and persons against whom such allegations are made to meet and, in good faith, attempt to resolve such matters prior to the filing of unfair labor practice charges with the Authority.
(b) In furtherance of the policy referred to in paragraph (a) of this section, and noting the six (6) month period of limitation set forth in 5 U.S.C. 7118(a)(4), it shall be the policy of the Authority and the General Counsel to encourage the informal resolution of unfair labor practice allegations subsequent to the filing of a charge and prior to the issuance of a complaint by the Regional Director.
(c) In order to afford the parties an opportunity to implement the policy referred to in paragraphs (a) and (b) of this section, the investigation of an unfair labor practice charge by the Regional Director will normally not commence until the parties have been afforded a reasonable amount of time, not to exceed 15 days from the filing of the charge, during which period the parties are urged to attempt to informally resolve the unfair labor practice allegation.

§ 2423.3 Who may file charges.
An activity, agency or labor organization may be charged by any person with having engaged in or engaging in
§ 2423.4 Contents of the charge; supporting evidence and documents.

(a) A charge alleging a violation of 5 U.S.C. 7116 shall be submitted on forms prescribed by the Authority and shall contain the following:

1. The name, address and telephone number of the person(s) making the charge;
2. The name, address and telephone number of the activity, agency, or labor organization against whom the charge is made;
3. A clear and concise statement of the facts constituting the alleged unfair labor practice, a statement of the section(s) and paragraph(s) of chapter 71 of title 5 of the United States Code alleged to have been violated, and the date and place of occurrence of the particular acts; and
4. A statement of any other procedure invoked involving the subject matter of the charge and the results, if any, including whether the subject matter raised in the charge:
   i. has been raised previously in a grievance procedure;
   ii. has been referred to the Federal Service Impasses Panel, the Federal Mediation and Conciliation Service, the Equal Employment Opportunity Commission, the Merit Systems Protection Board or the Special Counsel of the Merit Systems Protection Board for consideration or action; or
   iii. involves a negotiability issue raised by the charging party in a petition pending before the Authority pursuant to part 2424 of this subchapter.

(b) Such charge shall be in writing and signed and shall contain a declaration by the person signing the charge, under the penalties of the Criminal Code (18 U.S.C. 1001), that its contents are true and correct to the best of that person’s knowledge and belief.

(c) When filing a charge, the charging party shall submit to the Regional Director any supporting evidence and documents.

§ 2423.5 Selection of the unfair labor practice procedure or the negotiability procedure.

Where a labor organization files an unfair labor practice charge pursuant to this part which involves a negotiability issue, and the labor organization also files pursuant to part 2424 of this subchapter a petition for review of the same negotiability issue, the Authority and the General Counsel ordinarily will not process the unfair labor practice charge and the petition for review simultaneously. Under such circumstances, the labor organization must select under which procedure to proceed. Upon selection of one procedure, further action under the other procedure will ordinarily be suspended. Such selection must be made regardless of whether the unfair labor practice charge or the petition for review of a negotiability issue is filed first. Notification of this selection must be made in writing at the time that both procedures have been invoked, and must be served on the Authority, the appropriate Regional Director and all parties to both the unfair labor practice case and the negotiability case. Cases which solely involve an agency’s allegation that the duty to bargain in good faith does not extend to the matter proposed to be bargained and which do not involve actual or contemplated changes in conditions of employment may only be filed under part 2424 of this subchapter.

§ 2423.6 Filing and service of copies.

(a) An original and four (4) copies of the charge together with one copy for each additional charged party named shall be filed with the Regional Director for the region in which the alleged unfair labor practice has occurred or is occurring. A charge alleging that an unfair labor practice has occurred or is occurring in two or more regions may be filed with the Regional Director for any such region.

(b) Upon the filing of a charge, the charging party shall be responsible for the service of a copy of the charge (without the supporting evidence and documents) upon the person(s) against whom the charge is made, and for filing
a written statement of such service with the Regional Director. The Regional Director will, as a matter of course, cause a copy of such charge to be served on the person(s) against whom the charge is made, but shall not be deemed to assume responsibility for such service.

(c) A charge will be deemed to be filed when it is received by the appropriate Regional Director in accordance with the requirements in paragraph (a) of this section.

§ 2423.7 Investigation of charges.
(a) The Regional Director, on behalf of the General Counsel, shall conduct such investigation of the charge as the Regional Director deems necessary. Consistent with the policy set forth in §2423.2, the investigation will normally not commence until the parties have been afforded a reasonable amount of time, not to exceed 15 days from the filing of the charge, to informally resolve the unfair labor practice allegation.

(b) During the course of the investigation all parties involved will have an opportunity to present their evidence and views to the Regional Director.

(c) In connection with the investigation of charges, all persons are expected to cooperate fully with the Regional Director.

(d) The purposes and policies of the Federal Service Labor-Management Relations Statute can best be achieved by the full cooperation of all parties involved and the voluntary submission of all potentially relevant information from all potential sources during the course of the investigation. To this end, it shall be the policy of the Authority and the General Counsel to protect the identity of individuals and the substance of the statements and information they submit or which is obtained during the investigation as a means of assuring the Authority’s and the General Counsel’s continuing ability to obtain all relevant information.

§ 2423.8 Amendment of charges.
Prior to the issuance of a complaint, the charging party may amend the charge in accordance with the requirements set forth in §2423.6.

§ 2423.9 Action by the Regional Director.
(a) The Regional Director shall take action which may consist of the following, as appropriate:
(1) Approve a request to withdraw a charge;
(2) Refuse to issue a complaint;
(3) Approve a written settlement agreement in accordance with the provisions of part 2423;
(4) Issue a complaint; or
(5) Withdraw a complaint.

(b) Parties may request the General Counsel to seek appropriate temporary relief (including a restraining order) under 5 U.S.C. 7123(d). The General Counsel will initiate and prosecute injunctive proceedings under 5 U.S.C. 7123(d) only upon approval of the Authority. A determination by the General Counsel not to seek approval of the Authority for such temporary relief is final and may not be appealed to the Authority.

(c) Upon a determination to issue a complaint, whenever it is deemed advisable by the Authority to seek appropriate temporary relief (including a restraining order) under 5 U.S.C. 7123(d), the Regional Attorney or other designated agent of the Authority to whom the matter has been referred will make application for appropriate temporary relief (including a restraining order) in the district court of the United States within which the unfair labor practice is alleged to have occurred or in which the party sought to be enjoined resides or transacts business. Such temporary relief will not be sought unless the record establishes probable cause that an unfair labor practice is being committed, or if such temporary relief will interfere with the ability of the agency to carry out its essential functions.

(d) Whenever temporary relief has been obtained pursuant to 5 U.S.C. 7123(d) and thereafter the Administrative Law Judge hearing the complaint, upon which the determination to seek such temporary relief was predicated, recommends dismissal of such complaint, in whole or in part, the Regional Attorney or other designated agent of the Authority handling the case for the Authority shall inform the
§ 2423.10 Determination not to issue complaint; review of action by the Regional Director.

(a) If the Regional Director determines that the charge has not been timely filed, that the charge fails to state an unfair labor practice, or for other appropriate reasons, the Regional Director may request the charging party to withdraw the charge, and in the absence of such withdrawal within a reasonable time, decline to issue a complaint.

(b) If the Regional Director determines not to issue a complaint on a charge which is not withdrawn, the Regional Director shall provide the parties with a written statement of the reasons for not issuing a complaint.

(c) The charging party may obtain a review of the Regional Director’s decision not to issue a complaint by filing an appeal with the General Counsel within 25 days after service of the Regional Director’s decision. The appeal shall contain a complete statement setting forth the facts and reasons upon which it is based. A copy of the appeal shall also be filed with the Regional Director. In addition, the charging party should notify all other parties of the fact that an appeal has been taken, but any failure to give such notice shall not affect the validity of the appeal.

(d) A request for extension of time to file an appeal shall be in writing and received by the General Counsel not later than 5 days before the date the appeal is due. The charging party should notify the Regional Director and all other parties that it has requested an extension of time in which to file an appeal, but any failure to give such notice shall not affect the validity of its request for an extension of time to file an appeal.

(e) The General Counsel may sustain the Regional Director’s refusal to issue or re-issue a complaint, stating the grounds of affirmance, or may direct the Regional Director to take further action. The General Counsel’s decision shall be served on all the parties.

§ 2423.11 Settlement prior to issuance of a complaint.

(a) Prior to the issuance of any complaint or the taking of other formal action, the Regional Director will afford the Charging Party and the Respondent a reasonable period of time in which to enter into an informal settlement agreement to be approved by the Regional Director. Upon approval by the Regional Director and compliance with the terms of the informal settlement agreement, no further action shall be taken in the case. If the Respondent fails to perform its obligations under the informal settlement agreement, the Regional Director may determine to institute further proceedings.

(b) In the event that the Charging Party fails or refuses to become a party to an informal settlement agreement offered by the Respondent, if the Regional Director concludes that the offered settlement will effectuate the policies of the Federal Service Labor-Management Relations Statute, the Regional Director shall enter into the agreement with the Respondent and shall decline to issue a complaint. The Charging Party may obtain a review of the Regional Director’s action by filing an appeal with the General Counsel in accordance with §2423.10(c). The General Counsel shall take action on such appeal as set forth in §2423.10(e).

The answer shall admit, deny, or explain each allegation of the complaint. If the Respondent has no knowledge of an allegation or insufficient information as to its truthfulness, the answer shall so state. Motions to extend the filing deadline shall be filed in accordance with §2423.21.

The Respondent then has 20 days from the date of service of the amended complaint to file an answer with the Office of Administrative Law Judges. Intervenors may participate only on the issues determined by the Administrative Law Judge to affect them; and to the extent permitted by the Judge. Denial of such motions may be appealed pursuant to §2423.21(d).

§ 2423.23 Prehearing disclosure.

(a) Prehearing procedures. The Administrative Law Judge shall regulate the course and scheduling of prehearing matters, including prehearing orders, conferences, disclosure, motions, and subpoena requests.
(b) Changing date, time, or place of hearing. After issuance of the complaint or any prehearing order, the Administrative Law Judge may, in the Judge’s discretion or upon motion by any party through the motions procedure in §2423.21, change the date, time, or place of the hearing.

If a prehearing conference is held, all parties must participate in the prehearing conference and be prepared to discuss, narrow, and resolve the issues set forth in the complaint and answer, as well as any prehearing disclosure matters or disputes. When necessary, the Administrative Law Judge shall prepare and file for the record a written summary of actions taken at the conference. Summaries of the conference shall be served on all parties in accordance with §2429.12 of this subchapter. The following may also be considered at the prehearing conference:

§ 2423.25 Post complaint, prehearing settlements.

(a) Informal and formal settlements. Post complaint settlements may be either informal or formal.

(1) Informal settlement agreements provide for withdrawal of the complaint by the Regional Director and are not subject to approval by or an order of the Authority. If the Respondent fails to perform its obligations under the informal settlement agreement, the Regional Director may reinstitute formal proceedings consistent with this subpart.

(2) Formal settlement agreements are subject to approval by the Authority, and include the parties' agreement to waive their right to a hearing and acknowledgment that the Authority may issue an order requiring the Respondent to take action appropriate to the terms of the settlement. The formal settlement agreement shall also contain the Respondent's consent to the Authority's application for the entry of a decree by an appropriate federal court enforcing the Authority's order.

(b) Informal settlement procedure. If the Charging Party and the Respondent enter into an informal settlement agreement that is accepted by the Regional Director, the Regional Director shall withdraw the complaint and approve the informal settlement agreement. If the Charging Party fails or refuses to become a party to an informal settlement agreement offered by the Respondent, and the Regional Director concludes that the offered settlement will effectuate the policies of the Federal Service Labor-Management Relations Statute, the Regional Director shall enter into the agreement with the Respondent and shall withdraw the complaint. The Charging Party then may obtain a review of the Regional Director's action by filing an appeal with the General Counsel as provided in subpart A of this part.

(c) Formal settlement procedure. If the Charging Party and the Respondent enter into a formal settlement agreement that is accepted by the Regional Director, the Regional Director shall withdraw the complaint upon approval of the formal settlement agreement by the Authority. If the Charging Party fails or refuses to become a party to a formal settlement agreement offered by the Respondent, and the Regional Director concludes that the offered settlement will effectuate the policies of the Federal Service Labor-Management Relations Statute, the Regional Director shall enter into the agreement with the Respondent and shall withdraw the complaint. The Charging Party then may obtain a review of the Regional Director's action by filing an appeal with the General Counsel as provided in subpart A of this part.

(d) Settlement judge program. The Administrative Law Judge, in the judge's discretion or upon the request of any party, may assign a judge or other appropriate official, who shall be other than the hearing judge unless otherwise mutually agreed to by the parties, to conduct negotiations for settlement.

(1) The settlement official shall convene and preside over settlement conferences by telephone or in person.

(2) The settlement official may require that the representative for each party be present at settlement conferences and that the parties or agents with full settlement authority be present or available by telephone.

(3) The settlement official shall not discuss any aspect of the case with the hearing judge.
§ 2423.26 Stipulations of fact submissions.

(a) General. When all parties agree that no material issue of fact exists, the parties may jointly submit a motion to the Administrative Law Judge or Authority requesting consideration of the matter based upon stipulations of fact. Briefs of the parties are required and must be submitted within 30 days of the joint motion. Upon receipt of the briefs, such motions shall be ruled upon expeditiously.

(b) Stipulations to the Administrative Law Judge. Where the stipulation adequately addresses the appropriate material facts, the Administrative Law Judge may grant the motion and decide the case through stipulation.

(c) Stipulations to the Authority. Where the stipulation provides an adequate basis for application of established precedent and a decision by the Administrative Law Judge would not assist in the resolution of the case, or in unusual circumstances, the Authority may grant the motion and decide the case through stipulation.

(d) Decision based on stipulation. Where the motion is granted, the Authority will adjudicate the case and determine whether the parties have met their respective burdens based on the stipulation and the briefs.

§ 2423.27 Summary judgment motions.

(a) Motions. Any party may move for a summary judgment in its favor on any of the issues pleaded. Unless otherwise approved by the Administrative Law Judge, such motion shall be made no later than 10 days prior to the hearing. The motion shall demonstrate that there is no genuine issue of material fact and that the moving party is entitled to a judgment as a matter of law. Such motions shall be supported by documents, affidavits, applicable precedent, or other appropriate materials.

(b) Responses. Responses must be filed within 5 days after the date of service of the motion. Responses may not rest upon mere allegations or denials but must show, by documents, affidavits, applicable precedent, or other appropriate materials, that there is a genuine issue to be determined at the hearing.

(c) Decision. If all issues are decided by summary judgment, no hearing will be held and the Administrative Law Judge shall prepare a decision in accordance with §2423.34. If summary judgment is denied, or if partial summary judgment is granted, the Administrative Law Judge shall issue an opinion and order, subject to interlocutory appeal as provided in §2423.31(c) of this subchapter, and the hearing shall proceed as necessary.

§ 2423.28 Subpoenas.

(a) When necessary. Where the parties are in agreement that the appearance of witnesses or the production of documents is necessary, and such witnesses agree to appear, no subpoena need be sought.

(b) Requests for subpoenas. A request for a subpoena by any person, as defined in 5 U.S.C. 7103(a)(1), shall be in writing and filed with the Office of Administrative Law Judges not less than 10 days prior to the hearing, or with the Administrative Law Judge during the hearing. Requests for subpoenas made less than 10 days prior to the hearing shall be granted on sufficient explanation of why the request was not timely filed.

(c) Subpoena procedures. The Office of Administrative Law Judges, or any other employee of the Authority designated by the Authority, as appropriate, shall furnish the requester the subpoenas sought, provided the request is timely made. Requests for subpoenas may be made ex parte. Completion of the specific information in the subpoena and the service of the subpoena are the responsibility of the party on whose behalf the subpoena was issued.

(d) Rights of parties. A party shall have the right to appear at any hearing in person, by counsel, or by other representative; to examine and cross-examine witnesses; to introduce into the record documentary or other relevant evidence; and to submit rebuttal evidence, except that the participation of any party shall be limited to the extent prescribed by the Administrative Law Judge.

(e) Objections. Objections are oral or written complaints concerning the conduct of a hearing. Any objection not raised to the Administrative Law Judge shall be deemed waived.

(f) Official transcript. An official reporter shall make the only official transcript of such proceedings. Copies of the transcript may be examined in the appropriate Regional Office during normal working hours. Parties desiring a copy of the transcript shall make arrangements for a copy with the official hearing reporter.

The Administrative Law Judge may take any action necessary to schedule, conduct, continue, control, and regulate the hearing, including ruling on motions and taking official notice of material facts when appropriate. No provision of these regulations shall be construed to limit the powers of the Administrative Law Judge provided by 5 U.S.C. 556, 557, and other applicable provisions of the Administrative Procedure Act.

(b) Evidence. The Administrative Law Judge shall receive evidence and inquire fully into the relevant and material facts concerning the matters that are the subject of the hearing. The Administrative Law Judge may exclude any evidence that is immaterial, irrelevant, unduly repetitious, or customarily privileged. Rules of evidence shall not be strictly followed.

(c) Interlocutory appeals. Motions for an interlocutory appeal shall be filed in writing with the Administrative Law Judge within 5 days after the date of the contested ruling. The motion shall state why interlocutory review is appropriate, and why the Authority should modify or reverse the contested ruling.

(1) The Judge shall grant the motion and certify the contested ruling to the Authority if:

(i) The ruling involves an important question of law or policy about which there is substantial ground for difference of opinion; and

(ii) Immediate review will materially advance completion of the proceeding, or the denial of immediate review will cause undue harm to a party or the public.

(2) If the motion is granted, the Judge or Authority may stay the hearing during the pendency of the appeal. If the motion is denied, exceptions to the contested ruling may be filed in accordance with §2423.40 of this subchapter after the Judge issues a decision and recommended order in the case.

(d) Bench decisions. Upon joint motion of the parties, the Administrative Law Judge may issue an oral decision at the close of the hearing when, in the Judge's discretion, the nature of the case so warrants. By so moving, the parties waive their right to file posthearing briefs with the Administrative Law Judge, pursuant to §2423.33. If the decision is announced orally, it shall satisfy the requirements of §2423.34(a)(1)-(5) and a copy thereof, excerpted from the transcript, together with any supplementary matter the judge may deem necessary to complete the decision, shall be transmitted to the Authority, in accordance with §2423.34(b), and furnished to the parties in accordance with §2423.12 of this subchapter.

(e) Settlements after the opening of the hearing. As set forth in §2423.25(a), settlements may be either informal or formal.

(1) Informal settlement procedure: Judge's approval of withdrawal. If the Charging Party and the Respondent enter into an informal settlement agreement that is accepted by the Regional Director, the Regional Director may request the Administrative Law Judge for permission to withdraw the complaint and, having been granted such permission, shall withdraw the complaint and approve the informal settlement between the Charging Party and Respondent. If the Charging Party fails or refuses to become a party to an informal settlement agreement offered by the Respondent, and the Regional Director concludes that the offered settlement will effectuate the policies of the Federal Service Labor-Management Relations Statute, the Regional Director shall enter into the agreement with the Respondent and shall, if granted permission by the Administrative Law Judge, withdraw the complaint. The Charging Party then may obtain a review of the Regional Director's decision as provided in subpart A of this part.

(2) Formal settlement procedure: Judge's approval of settlement. If the Charging Party and the Respondent enter into a formal settlement agreement that is accepted by the Regional Director, the Regional Director may request the Administrative Law Judge to approve such formal settlement agreement, and upon such approval, to transmit the agreement to the Authority for approval. (a) It disagrees with the agency’s allegation that the matter as proposed to be bargained is inconsistent with any Federal law or any Government-wide rule or regulation; or

(b) It alleges, with regard to any agency rule or regulation asserted by the agency as a bar to negotiations on the matter, as proposed, that:

(1) The rule or regulation violates applicable law, or rule or regulation of appropriate authority outside the agency;

(2) The rule or regulation was not issued by the agency or by any primary national subdivision of the agency, or otherwise is not applicable to bar negotiations with the exclusive representative, under 5 U.S.C. 7117(a)(3); or

(3) No compelling need exists for the rule or regulation to bar negotiations on the matter, as proposed, because the rule or regulation does not meet the criteria established in subpart B of this part.

§ 2424.2 Who may file a petition.

A petition for review shall be dated and shall contain the following:

(a) A statement setting forth the express language of the proposal sought to be negotiated as submitted to the agency;

(b) An explicit statement of the meaning attributed to the proposal by the exclusive representative including:

(i) Explanation of terms of art, acronyms, technical language, or any other aspect of the language of the proposal which is not in common usage; and

(3) A copy of all pertinent material, including the agency’s allegation in writing that the matter, as proposed, is not within the duty to bargain in good faith, and other relevant documentary material; and

(4) Notification by the petitioning labor organization whether the negotiability issue is also involved in an unfair labor practice charge filed by such labor organization under part 2423 of this subchapter and pending before the General Counsel.

§ 2424.3 Time limits for filing.

§ 2424.4 Content of petition; service.

§ 2424.5 Selection of the unfair labor practice procedure or the negotiability procedure.

Where a labor organization files an unfair labor practice charge pursuant to part 2423 of this subchapter which involves a negotiability issue, and the labor organization also files pursuant to this part a petition for review of the same negotiability issue, the Authority and the General Counsel ordinarily will not process the unfair labor practice charge and the petition for review simultaneously. Under such circumstances, the labor organization must select under which procedure to proceed. Upon selection of one procedure, further action under the other procedure will ordinarily be suspended. Such selection must be made regardless of whether the unfair labor practice charge or the petition for review of a negotiability issue is filed first. Notification of this selection must be made in writing at the time that both procedures have been invoked, and must be served on the Authority, the appropriate Regional Director and all parties to both the unfair labor practice case and the negotiability case. Cases which solely involve an agency's allegation that the duty to bargain in good faith does not extend to the matter proposed to be bargained and which do not involve actual or contemplated changes in conditions of employment may only be filed under this part.

The statement shall cite the section of any law, rule or regulation relied upon as a basis for the allegation and shall contain a copy of any internal agency rule or regulation so relied upon. The statement shall include:

(i) Explanation of the meaning the agency attributes to the proposal as a whole, including any terms of art, acronyms, technical language or any other aspect of the language of the proposal which is not in common usage; and

(ii) Description of a particular work situation, or other particular circumstance the agency views the proposal to concern, which will enable the Authority to understand the context in which the proposal is considered to apply by the agency.

(b) A copy of the agency's statement of position, including all attachments thereto shall be served on the exclusive representative.

§ 2424.7 Response of the exclusive representative; time limits for filing; service.

(a) Within fifteen (15) days after the date of the receipt by an exclusive representative of a copy of an agency's statement of position the exclusive representative shall file a full and detailed response stating its position and reasons for:

PART 2473—S U B P O E N A S

Authority: 5 U.S.C. 7119, 7134.

§ 2473.1 Subpoenas.

(a) Any member of the Panel, the Executive Director, or other person designated by the Panel, may issue subpoenas requiring the attendance and testimony of witnesses and the production of documentary or other evidence. However, no subpoena shall be issued under this section which requires the disclosure of intramanagement guidance, advice, counsel, or training within an agency or between an agency and the Office of Personnel Management.

(b) Where the parties are in agreement that the appearance of witnesses or the production of documents is necessary, and such witnesses agree to appear, no such subpoena need be sought.

(c) A request for a subpoena by any person, as defined in 5 U.S.C. 7103(a)(1), shall be in writing and filed with the Executive Director, not less than fifteen (15) days prior to the opening of a hearing, or with the appropriate presiding official(s) during the hearing.

(d) All requests shall name and identify the witnesses or documents sought, and state the reasons therefor. The Panel, Executive Director, or any other person designated by the Panel, as appropriate, shall grant the request upon the determination that the testimony or documents appear to be necessary to the matters under consideration and the request describes with sufficient particularity the documents sought. Service of an approved subpoena is the responsibility of the party on whose behalf the subpoena was issued. The subpoena shall show on its face the name and address of the party on whose behalf the subpoena was issued.

(e) Any person served with a subpoena who does not intend to comply shall within five (5) days after the date of
service of the subpoena upon such person, petition in writing to revoke the subpoena. A copy of any petition to revoke a subpoena shall be served on the party on whose behalf the subpoena was issued. Such petition to revoke, if made prior to the hearing, and a written statement of service, shall be filed with the Executive Director. A petition to revoke a subpoena filed during the hearing, and a written statement of service shall be filed with the appropriate presiding official(s). The Executive Director, or the appropriate presiding official(s) will, as a matter of course, cause a copy of the petition to revoke to be served on the party on whose behalf the subpoena was issued, but shall not be deemed to assume responsibility for such service. The Panel, Executive Director, or any other person designated by the Panel, as appropriate, shall revoke the subpoena if the evidence the production of which is required does not relate to any matter under consideration in the proceedings, or the subpoena does not describe with sufficient particularity the evidence the production of which is required, or if for any other reason sufficient in law the subpoena is invalid. The Panel, Executive Director, or any other person designated by the Panel, as appropriate, shall make a simple statement of procedural or other ground for the ruling on the petition to revoke. The petition to revoke, any answer thereto, and any ruling thereon shall not become part of the official record except upon the request of the party aggrieved by the ruling.

(f) Upon the failure of any person to comply with a subpoena, and upon the request of the party on whose behalf the subpoena was issued, the Solicitor of the FLRA shall, on behalf of such party, institute proceedings in the appropriate district court for the enforcement thereof, unless to do so would be inconsistent with law and the policies of the Federal Service Labor-Management Relations Act. The Solicitor of the FLRA shall not be deemed thereby to have assumed responsibility for the effective prosecution of the same before the court thereafter.

(g) All papers submitted to the Executive Director under this section shall be filed in duplicate, along with a statement of service showing that a copy has been served on the other party to the dispute.

(h)(1) Witnesses (whether appearing voluntarily or under a subpoena) shall be paid the fee and mileage allowances which are paid subpoenaed witnesses in the courts of the United States: Provided, that any witness who is employed by the Federal Government shall not be entitled to receive witness fees in addition to compensation received in conjunction with official time granted for such participation, including necessary travel time, as occurs during the employee's regular work hours and when the employee would otherwise be in a work or paid leave status.

(2) Witness fees and mileage allowances shall be paid by the party at whose instance the witnesses appear except when the witness receives compensation in conjunction with official time as described in paragraph (h)(1) of this section.

1. The General Counsel of the Authority shall be appointed by the President, by and with the advice and consent of the Senate, for a term of 5 years. The General Counsel may be removed at any time by the President. The General Counsel shall hold no other office or position in the Government of the United States except as provided by law.

2. The General Counsel may—
   (A) investigate alleged unfair labor practices under this chapter,
   (B) file and prosecute complaints under this chapter, and
   (C) exercise such other powers of the Authority as the Authority may prescribe.

3. The General Counsel shall have direct authority over, and responsibility for, all employees in the office of the General Counsel, including employees of the General
Federal Labor Relations Authority

Counsel in the regional offices of the Authority.

This memorandum is intended to describe the statutory authority and set forth the prescribed duties and authority of the General Counsel of the Federal Labor Relations Authority, effective January 28, 1980.

I. Case handling—A. Unfair labor practice cases. The General Counsel has full and final authority and responsibility, on behalf of the Authority, to accept and investigate charges filed, to enter into and approve the informal settlement of charges, to approve withdrawal requests, to dismiss charges, to determine matters concerning the consolidation and severance of cases before the complaint issues, to issue complaints and notices of hearing, to appear before Administrative Law Judges in hearings on complaints and prosecute as provided in the Authority’s and the General Counsel’s rules and regulations, and to initiate and prosecute injunction proceedings as provided for in section 7123(d) of the Statute. After issuance of the Administrative Law Judge’s decision, the General Counsel may file exceptions and briefs and appear before the Authority in oral argument, subject to the Authority’s and the General Counsel’s rules and regulations.

B. Compliance actions (injunction proceedings). The General Counsel is authorized and responsible, on behalf of the Authority, to seek and effect compliance with the Authority’s orders and make such compliance reports to the Authority as it may from time to time require.

On behalf of the Authority, the General Counsel will, in full accordance with the directions of the Authority, initiate and prosecute injunction proceedings as provided in section 7123(d) of the Statute. Provided however, that the General Counsel will initiate and conduct injunction proceedings under section 7123(d) of the Statute only upon approval of the Authority.

C. Representation cases. The statutory authority of the Federal Labor Relations Authority to delegate to Regional Directors its authority to process and determine representation matters is set forth in section 7105 (e) (1) and (f) of the Statute as follows:

(e) (1) The Authority may delegate to any regional director its authority under this chapter—
(A) to determine whether a group of employees is an appropriate unit;
(B) to conduct investigations and to provide for hearings;
(C) to determine whether a question of representation exists and to direct an election; and
(D) to supervise or conduct secret ballot elections and certify the results thereof.

(f) If the Authority delegates any authority to any regional director, the Regional Director is authorized to supervise or conduct the election pursuant to section 7111 and 7112(d) of the Statute and to approve consent election agreements in accordance with section 7111(g) of the Statute.

In the event a Regional Director directs an election or approves a consent election agreement, the Regional Director shall take any action pursuant to subsection (e) of this section, the Authority may, upon application by any interested person filed within 60 days after the date of the action, review such action, but the review shall not, unless specifically ordered by the Authority, operate as a stay of action. The Authority may affirm, modify, or reverse any action reviewed under this subsection. If the Authority does not undertake to grant review of the action under this subsection within 60 days after the later of—

(1) the date of the action, or
(2) the date of the filing of any application under this subsection for review of the action;

the action shall become the action of the Authority at the end of such 60 day period.

In accordance with section 7105 (e)(1) and (f) of the Statute, Regional Directors, who are directed and supervised by the General Counsel as provided by section II of this memorandum, are hereby delegated the authority to determine whether a group of employees is an appropriate unit, to conduct investigations and to provide for hearings, to determine whether a question of representation exists and to direct an election, and to supervise or conduct secret ballot elections and certify the results thereof.

Regional Directors are authorized and have responsibility to receive and process, in accordance with decisions of the Authority and the rules and regulations of the Authority and the General Counsel, all petitions filed pursuant to sections 7111, 7112(d), 7113, 7115 and 7117(d) of the Statute.

The authority and responsibility of Regional Directors in cases filed involving such petitions shall extend to all phases of the investigation of such petitions through the conclusion of the hearing to be conducted by a Regional Office employee (if a hearing should be necessary to resolve disputed issues), including decisional action by the Regional Director after such investigation or hearing.

Regional Directors also are authorized and have responsibility to direct an election after a hearing pursuant to sections 7111 and 7112(d) of the Statute and to approve consent election agreements in accordance with section 7111(g) of the Statute.

In the event a Regional Director directs an election or approves a consent election agreement, the Regional Director is authorized to supervise or conduct the election pursuant to section 7111 and 7112(d) of the Statute. In such instances, Regional Directors are authorized and have responsibility to determine the validity of determinative challenges and objections to the conduct of the election and other similar matters. This authority and responsibility extends to all phases of the investigation such determinative challenges and objections through the conclusion of a hearing to be conducted by a Regional Office employee (if a hearing
should be necessary to resolve disputed issues, including decisional action by the Regional Director after such investigation or hearing.

Decisions and Orders of Regional Directors made pursuant to this delegation of authority become the action of the Authority:

(1) If no interested person files an application for review of the Regional Director’s Decision and Order with the Authority within sixty (60) days after the Regional Director’s Decision and Order; or

(2) If the Authority does not undertake to grant review of the Regional Director’s Decision and Order within sixty (60) days after the filing of a timely application for review;

If no interested person files an application for review of the Regional Director’s Decision and Order with the Authority within (60) days after the Regional Director’s Decision and Order, or if the Authority does not undertake to grant review of the action of the regional Director’s Decision and Order within sixty (60) days after the filing of a timely application for review, the Regional Director’s Decision and Order will become final and binding, and the Regional Director will certify to the parties the results of any election held or issue any clarification of unit, amendment of recognition or certification, determination of eligibility for dues allotment, or certification on consolidation of units as required.

The Authority will undertake to grant review of a Decision and Order of a Regional Director upon the timely filing of an application for review only where compelling reasons exist therefor as set forth in the rules and regulations.

The Authority’s granting of review upon the timely filing of an application for review of a Regional Director’s Decision and Order will not operate as a stay of such action ordered by the Regional Director, unless specifically ordered by the Authority. If the Authority grants review, the Authority may affirm, modify or reverse action reviewed.

II. Liaison with other governmental agencies. The General Counsel is authorized and has responsibility, on behalf of the Authority, to maintain appropriate and adequate liaison and arrangements with the Office of the Assistant Secretary of Labor for Labor-Management Relations with reference to the financial and other reports required to be filed with the Assistant Secretary pursuant to section 7120(c) of the Statute and the availability to the Authority and the General Counsel of the contents thereof. The General Counsel is authorized and has responsibility, on behalf of the Authority, to maintain appropriate and adequate liaison with the Federal Mediation and Conciliation Service with respect to functions which may be performed by the Federal Mediation and Conciliation Service.

III. Personnel. Under 5 U.S.C. 705(d), the Authority is authorized to appoint Regional Directors. In order better to ensure the effective exercise of the duties and responsibilities of the General Counsel described above, the General Counsel is delegated authority to recommend the appointment, transfer, demotion or discharge of any Regional Director. However, such actions may be taken only with the approval of the Authority. In the event of a vacant Regional Director position, the General Counsel may, without the approval of the Authority, detail personnel as acting Regional Director for a total period of up to 120 days commencing on the day the position becomes vacant. If the position remains vacant for more than 120 days, a detail must be approved by the Authority. Other details of personnel to act as Regional Director during periods when there is an incumbent in the position shall be accomplished by the General Counsel without the approval of the Authority. The General Counsel shall have authority to direct and supervise the Regional Directors. Under 5 U.S.C. 7104(h)(3), the General Counsel shall have direct authority over, and responsibility for all employees in the Office of the General Counsel and all personnel of the General Counsel in the field offices of the Authority. This includes full and final authority subject to applicable laws and rules, regulations and procedures of the Office of Personnel Management and the Authority over the selection, retention, transfer, promotion, demotion, discipline, discharge and in all other respects of such personnel except the detail in the event of a vacancy for a period in excess of 120 days, appointment, transfer, demotion or discharge of any Regional Director. Further, the establishment, transfer, or elimination of any Regional Office or non-Regional Office duty location may be accomplished only with the approval of the Authority. The Authority will provide such administrative support functions, including personnel management, financial management and procurement functions, through the Office of Administration of the Authority as are required by the General Counsel to carry out the General Counsel’s statutory and prescribed functions.

IV. To the extent that the above-described duties, powers and authority rest by statute with the Authority, the foregoing statement constitutes a prescription and assignment of such duties, powers and authority, whether or not so specified.

(b) The FOIA Officer or his or her designee shall maintain files containing all materials required to be retained by or furnished to the FOIA Officer under this subpart. The material shall be filed by chronological number of request within each calendar year, indexed according to the exceptions asserted, and, to the extent feasible, indexed according to the type of records requested.

(c) The FOIA Officer shall also maintain a file open to the public, which shall contain copies of all grants or denials of appeals by the Office.

§ 2502.5 Records of other Agencies.

[45 FR 47112, July 14, 1980. Redesignated at 49 FR 28233, July 11, 1984]

§ 2502.6 How to request records—form and content.

(a) A request made under the FOIA must be submitted in writing, addressed to: FOIA Officer, Office of Administration, 725 17th Street NW., Washington, DC 20503. The words “FOIA REQUEST” should be clearly marked on both the letter and the envelope. Due to security measures at the Old and New Executive Office Buildings, requests made in person should be delivered to Room G-1, at the above address.

(b) Any Office employee or official who receives a FOIA Request shall promptly forward it to the FOIA Officer, at the above address. Any Office employee or official who receives an oral request made under the FOIA shall inform the person making the request of the provisions of this subpart requiring a written request according to the procedures set out herein.

(c) Each request must reasonably describe the record(s) sought, including when known: Agency/individual originating the record, date, subject matter, type of document, location, and any other pertinent information which would assist in promptly locating the record(s).

(d) When a request is not considered reasonably descriptive, or requires the production of voluminous records, or places an extraordinary burden on the Office of Administration, seriously interfering with its normal functioning to the detriment of the business of the Government, the Office may require the person or agent making the FOIA request to confer with an Office representative in order to attempt to verify, and, if possible, narrow the scope of the request.

(e) Upon receipt of the FOIA request, the FOIA Officer will make an initial determination of which officials and offices may be involved in the search and reviewing procedures. The FOIA Officer will circulate the request to all offices so identified and any others the FOIA Officer later determines should be notified.

§ 2502.7 Initial determination.
The General Counsel or his or her designee shall have the authority to approve or deny requests received pursuant to these regulations. The decision of the General Counsel shall be final, subject only to administrative review as provided in § 2502.10.

§ 2502.8 Prompt response.
(a) The General Counsel or his or her designee shall either approve or deny a request for records within 10 working days after receipt of the request unless additional time is required for one of the following reasons:
(1) It is necessary to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or
(2) It is necessary to consult with another agency having a substantial interest in the determination of the request or among two or more components of the agency having substantial subject matter interest therein.
(b) When additional time is required for one of the reasons stated in paragraph (a) of this section, the General Counsel or his or her designee shall acknowledge receipt of the request within the 10 working day period and include a brief explanation of the reason for the delay, indicating the date by which a determination will be forthcoming. An extended deadline adopted for one of the reasons set forth above may not exceed 10 additional workdays.

§ 2502.9 Responses—form and content.
(a) When a requested record has been identified and is available, the General Counsel or his or her designee shall notify the person making the request as to where and when the record is available for inspection or the copies will be available. The notification shall also advise the person making the request of any fees assessed under § 2502.13 hereof.
(b) A denial or partial denial of a request for a record shall be in writing signed by the General Counsel or his or her designee and shall include:
(1) The name and title of the person making the determination;
(2) A reference to the specific exemption under the Freedom of Information Act authorizing the withholding of the record, and a brief explanation of how the exemption applies to the record withheld; or
(3) A statement that, after diligent effort, the requested records have not been found or have not been adequately examined during the time allowed by § 2502.9, and that the denial will be reconsidered as soon as the search or examination is complete;
(4) A statement that no agency records are responsive to the request.
(5) A statement that the denial may be appealed to the Deputy Director within 30 days of receipt of the denial or partial denial.
If a requested record cannot be located from the information supplied, or is known to have been destroyed or otherwise disposed of, the person making the request shall be so notified and the legal authority for disposition shall be cited.

§ 2502.10 Appeals to the Deputy Director from initial denials.
(a) When the General Counsel or his or her designee has denied a request for records in whole or in part, the person making the request may, within 30 days of its receipt, appeal the denial to the Deputy Director. The appeal must be in writing, addressed to the Deputy Director, Office of Administration, 725 17th Street NW., Washington, DC 20503 and clearly labeled as a "Freedom of Information Act Appeal".
(b) The Deputy Director will act upon the appeal within 20 workdays of its receipt. The Deputy Director may extend the 20 day period of time by any number of workdays which could have been claimed and consumed by the General Counsel or his or her designee under § 2502.9 but which were not claimed and consumed in making the initial determination. The Office of Administration's action on an appeal shall be in

§ 2502.11
writing, signed by the Deputy Director of the Office.
(c) If the decision is in favor of the person making the request, the Deputy Director shall order records promptly made available to the person making the request.
(d) A denial in whole or in part of a request on appeal shall set forth the exemption relied on and a brief explanation of how the exemption applied to the records withheld and the reasons for asserting it, if different from that described by the General Counsel or his or her designee under § 2502.10. The denial shall state that the person making the request may, if dissatisfied with the decision on appeal, file a civil action in the district where the records are located, or in the District of Columbia.
(e) No personal appearance, oral argument or hearing will ordinarily be permitted in connection with an appeal to the Office of Administration.
(f) On appeal, the Office may reduce any fees previously assessed.

CHARGES FOR SEARCH AND REPRODUCTION

§ 2502.11 Definitions.
For the purpose of this part:
(a) All the terms defined in the Freedom of Information Act apply.
(b) A statute specifically providing for setting the level of fees for particular types of records (5 U.S.C. 552(a)(4)(vi)) means any statute that specifically requires a government agency, such as the Government Printing Office (GPO) or the National Technical Information Service (NTIS), to set the level of fees for particular documents in order to:
(1) Serve both the general public and private sector organizations by conveniently making available government information;
(2) Ensure that groups and individuals pay the cost of publications and other services that are for their special use so that these costs are not borne by the general taxpaying public;
(3) Operate an information dissemination activity on a self-sustaining basis to the maximum extent possible; or
(4) Return overdue revenue to the Treasury for defraying, wholly or in part, appropriated funds used to pay the cost of disseminating government information.
Statutes, such as the User Fee Statute, which only provide a general discussion of fees without explicitly requiring that an agency set and collect fees for particular documents do not supersede the Freedom of Information Act under section (a)(4)(A)(vi) of that statute.
(c) The term direct costs means those expenditures that OA incurs in searching for and duplicating (and in the case of commercial requestors, reviewing) documents to respond to a FOIA request. Direct costs include, for example, the salary of the employee performing the work (the basic rate of pay for the employee plus 16 percent of that rate to cover benefits) and the cost of operating duplicating machinery. Not included in direct costs are overhead expenses such as costs of space, and heating or lighting the facility in which the records are stored.
(d) The term search includes all time spent looking for material that is responsive to a request, including page-by-page or line-by-line identification of material within documents. OA employees should ensure that searching for material is done in the most efficient and least expensive manner so as to minimize costs for both the agency and the requestor. For example, employees should not engage in a line-by-line search when merely duplicating an entire document would prove the least expensive and quicker method of complying with a request. Search should be distinguished, moreover, from review of material in order to determine whether the material is exempt from disclosure (see paragraph (f) of this section). Searches may be done manually or by computer using existing programming.
(e) The term duplication refers to the process of making a copy of a document necessary to respond to a FOIA request. Such copies can take the form of paper copy, microform, audio-visual materials, or machine readable (e.g. magnetic tape or disk), among others.
The copy provided must be in a form that is reasonably usable by the requestors.

(f) The term review refers to the process of examining documents located in response to a request that is for a commercial use (see paragraph (g) of this section) to determine whether any portion of any document located is permitted to be withheld. It also includes processing any documents for disclosure, (e.g., doing all that is necessary to excise them and otherwise prepare them for release). Review does not include time spent resolving general legal or policy issues regarding the application of exemptions.

(g) The term ‘commercial use’ request refers to a request from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requestor or the person on whose behalf the request is made. In determining whether the requestor properly belongs in this category, OA must determine the use to which a requestor will put the documents requested. Moreover, where an OA employee has reasonable cause to doubt the use to which a requestor will put the records sought, or where that use is not clear from the request itself, the employee should seek additional clarification before assigning the request to a specific category.

(h) The term educational institution refers to a preschool, a public or private elementary or secondary school, an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, or an institution of vocational education, that operates a program or programs of scholarly research.

(i) The term non-commercial scientific institution refers to an institution that is not operated on a commercial basis (as that term is referenced in paragraph (g) of this section) and that is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry.

(j) The term representative of the news media refers to any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term news means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations broadcasting to the public at large, and publishers of periodicals (but only in those instances when they can qualify as disseminators of news) who make their products available for purchase and subscription by the general public. These examples are not intended to be all-inclusive. Moreover, as traditional methods of news delivery evolve (e.g., electronic dissemination of newspapers through telecommunication services), such alternative media would be included in this category. In the case of freelance journalists, they may be regarded as working for a news organization, if they can demonstrate a solid basis for expecting publication through that organization, even though not actually employed by it. A publication contract would be the clearest proof, but OA may also look to the past publication record of a requestor in making this determination.

[56 FR 5742, Feb. 13, 1991]
§ 2502.13 Fees to be charged—categories of requestors.

There are four categories of FOIA requestors: commercial use requestors, educational and non-commercial scientific institutions; representatives of the news media; and all other requestors. The specific levels of fees for each of these categories are:

(a) Commercial use requestors. When OA receives a request for documents for commercial use, it will assess charges that recover the full direct costs of searching for, reviewing for release, and duplicating the record sought. Requestors must reasonably

(b) Restrictions on assessing fees. With the exception of requestors seeking documents for a commercial use, OA will provide the first 100 pages of duplication and the first two hours of search time without charge. Moreover, OA will not charge fees to any requestor, including commercial use requestors, if the cost of collecting a fee would be equal to or greater than the fee itself.

(1) The elements to be considered in determining whether the “cost of collecting a fee” are the administrative costs of receiving and recording a requestor’s remittance, and processing the fee for deposit in the Treasury Department’s special account.

(2) For purposes of these restrictions on assessment of fees, the term “pages” refers to copies of “8½ × 11” or “11 × 14.” Thus, requestors are not entitled to 100 microfiche or 100 computer disks, for example. A microfiche containing the equivalent of 100 pages or 100 pages of computer printout does meet the terms of the restriction.

(3) Similarly, the term “search time” in this context has as its basis, manual search. To apply this term to searches made by computer, OA will determine the hourly cost of operating the central processing unit and the operator’s hourly salary plus 16 percent. When the cost of a search (including the operator time and the cost of operating the computer to process the request) equals the equivalent dollar amount of two hours of the salary of the person performing the search, i.e., the operator, OA will begin assessing charges for a computer search.

[56 FR 5742, Feb. 13, 1991]
describe the records sought. Commercial use requestors are not entitled to two hours of free search time nor 100 free pages of reproduction of documents. OA may recover the cost of searching for and reviewing records even if there is ultimately no disclosure of records (see §2502.14).

(b) Educational and non-commercial scientific institution requestors. OA shall provide documents to requestors in this category for the cost of reproduction alone, excluding charges for the first 100 pages. To be eligible for inclusion in this category, requestors must show that the request is being made as authorized by and under the auspices of a qualifying institution and that the records are not sought for a commercial use, but are sought in furtherance of scholarly if the request is from an education institution or scientific (if the request is from a non-commercial scientific institution) research. Requestors must reasonably describe the records sought.

(c) Requestors who are representatives of the news media. OA shall provide documents to requestors in this category for the cost of reproduction alone, excluding charges for the first 100 pages. To be eligible for inclusion in this category, a requestor must meet the criteria in §2502.11(j), and his or her request must not be made for commercial use. In reference to this class of requestors a request for records supporting the news dissemination function of the requestor shall not be considered to be a request that is for a commercial use. Requestors must reasonably describe the records sought.

(d) All other requestors. OA shall charge requestors who do not fit into any of the categories above fees that recover the full, reasonable, direct cost of searching for and reproducing the records that are responsive to the request, except that the first 100 pages and the first two hours of search time shall be furnished without charge. Moreover, requests for records about the requestors filed in OA’s system of records will continue to be treated under the fee provisions of the Privacy Act of 1974 which permit fees only for reproduction. Requestors must reasonably describe the records sought.

[56 FR 5742, Feb. 13, 1991]
amount up to the full estimated charges in the case of requestors with no history of payment; or

(2) A requestor has previously failed to pay a fee charged in a timely fashion (i.e., within thirty days of the date of the billing). OA may require the requestor to pay the full amount owed plus any applicable interest as provided above or demonstrate that he or she has in fact paid the fee, and to make an advance payment of the full amount of the estimated fee before the agency begins to process a new request, or a pending request from that requestor.

When OA acts under paragraph (d) (1) or (2) of this section, the administrative time limits prescribed in the FOIA, 5 U.S.C. 552(a)(6) (i.e., ten working days from receipt of initial request and 20 working days from receipt of appeals from initial denial, plus permissible extensions of these time limits) will begin only after OA has received fee payments described above.

(e) Effect of the Debt Collection Act of 1982 (Pub. L. 97-365). OA should comply with the provisions of the Debt Collection Act, including disclosure to consumer reporting agencies and use of collection agencies, where appropriate, to encourage repayment.

§ 2502.15 Waiver or reduction of charges.

Fees otherwise chargeable in connection with a request for disclosure of a record shall be waived or reduced where it is determined that disclosure is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Government and is not primarily in the commercial interest of the requestor.

§ 2502.16 Information to be disclosed.

(a) In general, all records of the Office of Administration are available to the public, as required by the Freedom of Information Act. However, the Office claims the right, where it is applicable, to withhold material under the provisions specified in the Freedom of Information Act as amended (5 U.S.C. 552(b)).

(b) Records from Non-U.S. Government Source. (1) Upon receipt of a request for a record that was obtained from a non-U.S. Government source, or for a record containing information clearly identified as having been provided by a non-U.S. Government source, including a contract proposal or contract material, the Office will contact the source of the requested record or information requesting advice as to whether release of the record would adversely affect the source's competitive position or invade anyone's privacy. Subsequent to receipt of such advice, the Office will independently examine the requested document and will notify the requester of the final decision.

(2) OA personnel will generally consider two exemptions in the FOIA in deciding whether to withhold from disclosure material from a non-U.S. Government source. Exemption 4 permits withholding of “trade secrets and commercial or financial information obtained from a person and privileged or confidential.” Exemption 6 permits withholding certain information, the disclosure of which “would constitute a clearly unwarranted invasion of personal privacy.” The source whose material has been requested will be asked to supply convincing justification for any material it wishes withheld under the Act, in accordance with the following general guidelines.

(i) For consideration under exemption 4, the supplier of the record or information should identify material that would be likely to cause substantial harm to its present or future competitive position if it were released. If a contractor, the provider should assume that the material will be released to a competitor, even if that is not always the case. A contractor must provide detailed information on why release would be harmful, e.g., the general custom or usage in the business; the number and situation of the persons who have access to the information; the type and degree of risk of financial injury that release would cause; and the length of time the information will need to be kept confidential.

(A) In this respect, the Office of Administration will—as a general rule—look favorably upon recommendations for withholding information about
ideas, methods, and processes that are unique; about equipment, materials, or systems that are potentially patentable; or about a unique use of equipment which is specifically outlined.

(B) OA will not withhold information that is known through custom or usage in the relevant trade, business, or profession, or information that is generally known to any reasonably educated person. Self-evident statements or reviews of the general state of the art will not ordinarily be withheld.

(C) OA will withhold all cost data submitted except the total estimated cost for each year of the contract. Where appropriate, OA will release unit pricing data except where that information would disclose confidential information such as profit margins. It will release these total estimated costs and ordinarily release explanatory material and headings associated with the cost data, withholding only the figures themselves. If a contractor believes some of the explanatory material should be withheld, that material must be identified and a justification be presented as to why it should not be released.

(ii) Exemption 6 is not a blanket exemption for all personal information. The Office will balance the need to keep a person's private affairs from unnecessary public scrutiny with protection of the public's right to information on Government records.

(A) As a general practice, the Office will release information about any person named in a contract itself or about any person who signed a contract as well as information given in a proposal about any officer of a corporation submitting that proposal. Except for names and other identifying details, the Office usually releases all information in resumes concerning employees, including education and experience. Efforts will be made to identify information that should be deleted and offerors are urged to point out such material for guidance. Any information in the proposal which might constitute an unwarranted invasion of personal privacy if released should be identified and a justification for non-release provided in order to receive proper consideration.

(B) The Office can protect the names of and identifying details about other staff members who are described in a contract proposal if it is clear that identification of these employees would assist competitors in raiding and hiring them away. In this regard, names and other identifying details could be protected under Exemption 4 (harmful to competitive position) and also under Exemption 6 (it would be an unwarranted invasion of personal privacy to release them). In such a case, the Office would withhold names, home addresses, salaries, telephone numbers, social security numbers, marital status and, if these served to identify them, perhaps some details about past employment or professional activities of these persons.

§ 2502.17 Exemptions.

(a) 5 U.S.C. 552 exempts from all of its publication and disclosure requirements nine categories of records which are described in 552(b). These categories include such matters as national defense and foreign policy information, investigatory files, internal procedures and communications, materials exempted from disclosure by other statutes, information given in confidence and matters involving personal privacy.

(b) Executive Order 12028 (December 4, 1977) provides that the Office of Administration shall upon request, assist the White House office in performing its role of providing those administrative services which are primarily in direct support of the President. Due to this role of providing direct support of the President, members of the public should presume that communications between the Director of the Office of Administration and the President (and their staffs) are confidential or ordinarily will not be released; they will usually fall, at a minimum, within Exemption 5 of the Act.

(c) The records of the Office of Administration which are part of systems of records subject to the Privacy Act of 1974 are exempt from disclosure to the
§ 2502.18 Deletion of exempted information.
Where requested records contain matters which are exempted under 5 U.S.C. 552(b) but which matters are reasonably segregable from the remainder of the records, they shall be disclosed by the Office with deletions. To each such record, the Office shall attach a written justification for making deletions. A single such justification shall suffice for deletions made in a group of similar or related records.

§ 2502.19 Annual report.
The General Counsel or his or her designee shall annually on or before March 1 submit a Freedom of Information report covering the preceding calendar year to the Speaker of the House of Representatives and President of the Senate. The report shall include those matters required by 5 U.S.C. 552(d).

§ 2502.32 Procedure in the event of a demand for disclosure.
(a) Whenever a demand is made upon an employee or former employee of the Office of Administration for the production of material or the disclosure of information described in §2502.31, he shall immediately notify the Deputy Director. If possible, the Deputy Director shall be notified before the employee or former employee concerned replies to or appears before the court or other authority.
(b) If response to the demand is required before instructions from the Deputy Director are received, an attorney designated for that purpose by the Office of Administration shall appear with the employee or former employee upon whom the demand has been made, and shall furnish the court or other authority with a copy of the regulations contained in this part and inform the court or other authority that the demand has been or is being, as the case may be, referred for prompt consideration by the Deputy Director. The court or other authority shall be requested respectfully to stay the demand pending receipt of the requested instructions from the Deputy Director.

§ 2502.33 Procedure in the event of an adverse ruling.
If the court or other authority declines to stay the effect of the demand in response to a request made in accordance with §2502.32(b) pending receipt of instructions from the Deputy Director.
Director, or if the court or other authority rules that the demand must be complied with irrespective of the instructions from the Deputy Director not to produce the material or disclose the information sought, the employee or former employee upon whom the demand has been made shall respectfully decline to comply with the demand. (United States ex rel. Touhy v. Ragen, 340 U.S. 462 (1951)).

SUBCHAPTER A—ORGANIZATION AND PROCEDURES

PART 2600—ORGANIZATION AND FUNCTIONS OF THE OFFICE OF GOVERNMENT ETHICS

Sec. 2600.101 Statement of the history and purpose of the Office of Government Ethics.

The U.S. Office of Government Ethics (OGE) is an executive branch agency which is responsible for overseeing and providing guidance on Government ethics for the executive branch, including the ethics programs of executive departments and agencies. OGE was created by the Ethics in Government Act ("the Act") of 1978, Public Law No. 95-521, as amended. OGE was originally part of the Office of Personnel Management (OPM), Public Law No. 100-598 of November 3, 1988, provided for OGE's separate agency status, effective October 1, 1989. The Act created OGE to provide overall direction for executive branch policies designed to prevent conflicts of interest and to help insure high ethical standards on the part of agency officers and employees. Pursuant to the Ethics Reform Act of 1989 (Public Law No. 101-194), as revised by the technical amendments of May 4, 1990 (Public Law No. 101-280), OGE is the "supervising ethics office" for the executive branch for various purposes, including public and confidential financial disclosure reporting by executive agency officials. OGE also has various Government ethics guidance responsibilities under Executive Order 12674 of April 12, 1989, "Principles of Ethical Conduct for Government Officers and Employees" (3 CFR 1989 Compilation, pp. 215-218).

§ 2600.102 Office of Government Ethics address.

The Office of Government Ethics is located at suite 500, 1201 New York Avenue NW., Washington, DC 20005-3917. OGE has no regional offices.

§ 2600.103 Office of Government Ethics divisions; functions.

(a) The Office of Government Ethics is divided into the following offices:
   (1) The Office of the Director;
   (2) The Office of the General Counsel;
   (3) The Office of Monitoring and Compliance;
   (4) The Office of Education; and
   (5) The Office of Administration.

(b) The Office of the Director. The Director of the Office of Government Ethics is appointed by the President and confirmed by the Senate. The responsibilities of the OGE Director include: Advising the White House and executive branch Presidential appointees on Government ethics matters; maintaining ethics liaison with and providing guidance on ethics to executive branch departments and agencies; providing ethics liaison to the Congress; responding to public and press inquiries on ethics; and overseeing and coordinating all OGE rules, regulations, formal advisory opinions and major policy decisions. The OGE Deputy Director is also attached to this office and assists the Director in carrying out OGE's responsibilities, including serving as Acting Director in the absence of the Director.

(c) The Office of the General Counsel. The responsibilities of the OGE Office of the General Counsel include: Developing regulations and approving executive agency implementation under conflict of interest laws, administrative standards of conduct, post-Government employment restrictions, and public and confidential financial disclosure reporting; initiating executive branch administrative ethics corrective actions; reviewing public financial disclosure statements of advice-and-consent Presidential executive branch nominees, to identify and resolve conflicts; advising the OGE Director whether to

approve and reviewing the ongoing administration of executive branch Ethics in Government Act qualified trusts; issuing certificates of divestiture; providing informal ethics advisory opinions/advice; participating in training and public forums on ethics; monitoring and providing technical assistance on legislative Government ethics initiatives; making Freedom of Information Act and Privacy Act determinations for OGE; facilitating executive agency referrals of criminal conflict of interest violations to the Department of Justice; and advising on executive agency exemptions and designations under 18 U.S.C. 207 and 208.

(d) The Office of Monitoring and Compliance. The responsibilities of the OGE Office of Monitoring and Compliance include: auditing the ethics programs in executive branch departments and agencies, regional offices and military bases to insure compliance with ethics regulations and requirements; monitoring compliance with ethics agreements made by Presidential executive branch appointees requiring Senate advice and consent, and reviewing their annual and termination SF 278 financial disclosure reports, as well as assisting in the review of their nominee reports; reviewing executive agency designations pursuant to 18 U.S.C. 207; participating in training and public forums on ethics; and providing advice, review and liaison to the executive agencies on all ethics administrative matters pursuant to a desk officer system which the office operates.

(e) The Office of Education. The responsibilities of the OGE Office of Education include: providing information on and promoting understanding of ethical standards through training courses for executive agency ethics practitioners and development of instructional materials, such as the Government Ethics Newsgram, handbooks and videotapes; carrying out the mandate Executive Order 12674 to develop and disseminate an ethics reference manual for executive branch employees; coordinating on required annual executive agency ethics training plans and annual agency ethics program reports, including a yearly ethics survey; and providing liaison with the public and outside groups such as non-profit and educational organizations, as well as officials of state, local and foreign governments to promote understanding of Government ethics.

(f) The Office of Administration. The Office of Administration is responsible for providing and coordinating essential administrative support services to all OGE operating programs and divisions. These intra-agency functions include: Personnel; payroll; fiscal resource management; facilities management; procurement; records and property management; publishing and distribution; printing; management information systems support; library; personnel security; and funding mandatory overhead expenses necessary for the operation of OGE.

Subpart E—Schedule of Fees

§ 2604.101 Purpose.

This part contains the regulations of the Office of Government Ethics (OGE) implementing the Freedom of Information Act (FOIA) and Executive Order 12600. It describes how any person may obtain records from OGE under the FOIA. It also implements section 105(b)(1) of the Ethics in Government Act of 1978, as amended, which authorizes an agency to charge reasonable fees to cover the cost of reproduction and mailing of public financial disclosure reports requested by any person.

§ 2604.102 Applicability.

(a) General. The FOIA and this rule apply to all OGE records. However, if another law sets forth procedures for the disclosure of specific types of records, such as section 105 of the Ethics in Government Act of 1978, 5 U.S.C. appendix, OGE will process a request for those records in accordance with the procedures that apply to those specific records. See 5 CFR 2634.603 and subpart G of this part. If there is any record which is not required to be released under those provisions, OGE will consider the request under the FOIA and this rule, provided that the special Ethics Act access procedures cited must be complied with as to any record within the scope thereof.

(b) The relationship between the FOIA and the Privacy Act of 1974. The Privacy Act of 1974, 5 U.S.C. 552a, applies to records that are about individuals, but only if the records are in a system of records as defined in the Privacy Act. Requests from individuals for records about themselves which are contained in an OGE system of records will be processed under the provisions of the Privacy Act as well as the FOIA. OGE will not deny access by a first party to a record under the FOIA or the Privacy Act unless the record is not available to that individual under both the Privacy Act and the FOIA.

(c) Records available through routine distribution procedures. When the record requested includes material published and offered for sale (e.g., by the Superintendent of Documents, Government Printing Office) or which is available to the public through an established distribution system (such as that of the National Technical Information Service of the Department of Commerce), OGE will explain how the record may be obtained through those channels. If the requester, after having been advised of such alternative access, asks for regular FOIA processing instead, OGE will provide the record in accordance with its usual FOIA procedures under this part.

§ 2604.103 Definitions.

As used in this part, Agency has the meaning given in 5 U.S.C. 551(1) and 5 U.S.C. 552(f).

Business information means trade secrets or other commercial or financial information, provided to the Office by a submitter, which arguably is protected from disclosure under Exemption 4 of the Freedom of Information Act.

Business submitter means any person who provides business information, directly or indirectly, to the Office and who has a proprietary interest in the information.

Commercial use means, when referring to a request, that the request is from, or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or of a person on whose behalf the request is made. Whether a request is for a commercial use depends on the purpose of the request and the use to which the records will be put. When a request is from a representative of the news media, a
Office of Government Ethics § 2604.103

purpose or use supporting the requestor’s news dissemination function is not a commercial use.

Direct costs means those expenditures actually incurred in searching for and duplicating (and, in the case of commercial use requesters, reviewing) records to respond to a FOIA request. Direct costs include the salary of the employee performing the work and the cost of operating duplicating machinery. Not included in direct costs are overhead expenses such as costs of space and heating or lighting of the facility in which the records are stored.

Duplication means the process of making a copy of a record. Such copies include paper copy, microform, audiovisual materials, and magnetic tapes, cards, and discs.

Educational institution means a preschool, elementary or secondary school, institution of undergraduate or graduate higher education, or institute of professional or vocational education, which operates a program of scholarly research.

Freedom of Information Act or FOIA means 5 U.S.C. 552.

General Counsel means the General Counsel of the Office of Government Ethics. The General Counsel may delegate any of his responsibilities in handling FOIA requests in this part to a designee on OGE’s staff.

He, his and him include she, hers and her.

Noncommercial scientific institution means an institution that is not operated solely for purposes of furthering its own or someone else’s business, trade, or profit interests, and that is operated for purposes of conducting scientific research the results of which are not intended to promote any particular product or industry.

Office or OGE means the United States Office of Government Ethics.

Person has the meaning given in 5 U.S.C. 551(2).

Records means any handwritten, typed, or printed documents (such as memoranda, books, brochures, studies, writings, drafts, letters, transcripts, and minutes) and documentary material in other forms (such as punch-cards, magnetic tapes, cards or discs, paper tapes, audio or video recordings, maps, photographs, slides, microfilm and motion pictures) that are either created or obtained by the Office and are under Office control. It does not include objects or articles such as exhibits, models, equipment, and duplication machines or audiovisual processing materials.

Representative of the news media means a person actively gathering information for an entity organized and operated to publish or broadcast news to the public. News media entities include television and radio broadcasters, publishers of periodicals who distribute their products to the general public or who make their products available for purchase or subscription by the general public, and entities that may disseminate news through other media, such as electronic dissemination of text. Freelance journalists will be considered as representatives of a news media entity if they can show a solid basis for expecting publication through such an entity. A publication contract is such a basis, and the requester’s past publication record may show such a basis.

Request means any request for records made pursuant to 5 U.S.C. 552(a)(3).

Requester means any person who makes a request for records to OGE.

Review means the process of initially, or upon appeal (see §2604.501(b)(3)), examining documents located in a response to a request to determine whether any portion of any document is permitted to be withheld. It also includes processing documents for disclosure, such as redacting portions which may be withheld. Review does not include time spent resolving general legal and policy issues regarding the application of exemptions.

Search means the time spent looking for material that is responsive to a request, including page-by-page or line-by-line identification of material within documents.

Working days means calendar days, excepting Saturdays, Sundays, and legal public holidays.
§ 2604.201 Public reading room.

(a) Location of public reading room. The Office of Government Ethics maintains a public reading room at its offices located at 1201 New York Avenue, NW., Suite 500, Washington, DC 20005-3917. Persons desiring to utilize the reading room should contact the Office, in writing or by telephone at (202) 523-5757 or FAX (202) 523-6325, to arrange a time to inspect the materials available there.

(b) Records available. The Office of Government Ethics public reading room contains OGE records which are required by 5 U.S.C. 552(a)(2) to be made available for public inspection and copying, including:

(1) Any final opinions, as well as orders, made in the adjudication of cases;

(2) Any statements of policy and interpretation which have been adopted by the agency and are not published in the FEDERAL REGISTER;

(3) Any administrative staff manuals and instructions to staff that affect a member of the public, and which are not exempt from disclosure under section (b) of the FOIA; and

(4) Current indexes providing identifying information for the public as to any matter which was issued, adopted or promulgated after July 4, 1967, and is required by 5 U.S.C. 552(a)(2) to be made available or published.

(c) Copying. The cost of copying information available in OGE’s public reading room shall be imposed on a requester in accordance with the provisions of subpart E of this part.

§ 2604.202 Index identifying information for the public.

(a) The Office of Government Ethics will maintain and make available for public inspection and copying a current index of the materials available at its public reading room which are required to be indexed under 5 U.S.C. 552(a)(2).

(b) The Director of the Office of Government Ethics has determined that it is unnecessary and impracticable to publish quarterly or more frequently and distribute (by sale or otherwise) copies of each index and supplements thereto, as provided in 5 U.S.C. 552(a)(2). The Office will provide copies of such indexes upon request, at a cost not to exceed the direct cost of duplication and mailing, if sending records by other than ordinary mail.

Subpart C—Production and Disclosure of Records Under FOIA

§ 2604.301 Requests for records.

(a) Addressing requests. Requests for copies of records may be made in person or by telephone, (202) 523-5757, during normal business hours at the Office of Government Ethics, 1201 New York Avenue, NW., Suite 500, Washington, DC 20005-3917 or by mail addressed to the General Counsel of OGE. Although oral requests may be honored, a requester generally will be asked to submit his request under the FOIA in writing. In the case of a written request, the envelope containing the request and the letter itself should both clearly indicate that the subject is a Freedom of Information Act request.

(b) Description of records. Each request must reasonably describe the desired records in sufficient detail to enable Office personnel to locate the records with a reasonable amount of effort. A request for a specific category of records will be regarded as fulfilling this requirement if it enables responsive records to be identified by a technique or process that is not unreasonably burdensome or disruptive of Office operations.

(1) Wherever possible, a request should include specific information about each record sought, such as the date, title or name, author, recipient, and subject matter of the record.

(2) If the General Counsel determines that a request does not reasonably describe the records sought, he will either advise the requester what additional information is needed to locate the record, or otherwise state why the request is insufficient. The General Counsel will also extend to the requester an opportunity to confer with Office personnel with the objective of reformulating the request in a manner which will meet the requirements of this section.

(c) Agreement to pay fees. The filing of a request under this subpart will be
deemed to constitute an agreement by the requester to pay all applicable fees charged under subpart E of this part, up to $25.00, unless a waiver of fees is sought. The request may also specify a limit on the amount the requester is willing to spend, or may indicate a willingness to pay an amount greater than $25.00, if applicable. In cases where a requester has been notified that actual or estimated fees may amount to more than $25.00, the request will be deemed not to have been received until the requester has agreed to pay the anticipated total fee.

(d) Requests for records relating to corrective actions. No record developed pursuant to the authority of 5 U.S.C. app. (Ethics in Government Act of 1978, section 402(f)(2)) concerning the investigation of an employee for a possible violation of any provision relating to a conflict of interest shall be made available pursuant to this part unless the request for such information identifies the employee to whom the records relate and the subject matter of any alleged violation to which the records relate. Nothing in this subsection shall affect the application of subpart D of this part to any record so identified.

§ 2604.302 Response to requests.

(a) Response to initial request. The General Counsel is authorized to grant or deny any request for a record and to determine appropriate fees.

(b) Referral to another agency. When a requester seeks records that originated in another Government agency, OGE will normally refer the request to the other agency for response. If OGE refers the request to another agency, it will notify the requester of the referral. If release of certain records may adversely affect United States relations with foreign governments, the Office will usually consult with the Department of State. A request for any records classified by some other agency will be referred to that agency for response.

(c) Creating records. If a person seeks information from OGE in a format that does not currently exist, OGE will not ordinarily reformat the information for the purpose of responding to the request. OGE will advise the requester that it does not have the record in the format sought, but will provide whatever nonexempt records in existing formats that would reasonably respond to the request. Additionally, OGE will not generally develop a new record of information to satisfy a request.

(d) Record cannot be located. If a requested record cannot be located from the information supplied, the General Counsel will so notify the requester in writing.

§ 2604.303 Form and content of responses.

(a) Form of notice granting a request. After the General Counsel has made a determination to grant a request in whole or in part, the requester will be notified in writing. The notice shall describe the manner in which the record will be disclosed, whether by providing a copy of the record with the response or at a later date, or by making a copy of the record available to the requester for inspection at a reasonable time and place. The procedure for such an inspection may not unreasonably disrupt the operations of the Office. The response letter will also inform the requester in the response of any fees to be charged in accordance with the provisions of subpart E of this part.

(b) Form of notice denying a request. When the General Counsel denies a request in whole or in part, he will so notify the requester in writing. The response will be signed by the General Counsel and will include:

(1) The name and title or position of the person making the denial;

(2) A brief statement of the reason or reasons for the denial, including the FOIA exemption or exemptions which the General Counsel has relied upon in denying the request; and

(3) A statement that the denial may be appealed under § 2604.304 of this subpart, and a description of the requirements of that section.

§ 2604.304 Appeal of denials.

(a) Right of appeal. If a request has been denied in whole or in part, the requester may appeal the denial to the Deputy Director of the Office of Government Ethics, 1201 New York Avenue, NW., Suite 500, Washington, DC 20005-3917.
§ 2604.305

(b) Letter of appeal. The appeal must be in writing and must be sent within 30 days of receipt of the denial letter. An appeal should include a copy of the initial request, a copy of the letter denying the request in whole or in part, and a statement of the circumstances, reasons or arguments advanced in support of disclosure of the request for the record. Both the envelope and the letter of appeal must be clearly marked "Freedom of Information Act Appeal."

(c) Action on appeal. The disposition of an appeal will be in writing and will constitute the final action of the Office on a request. A decision affirming in whole or in part the denial of a request will include a brief statement of the reason or reasons for affirmance, including each FOIA exemption relied on. If the denial of a request is reversed in whole or in part on appeal, the request will be processed promptly in accordance with the decision on appeal.

(d) Judicial review. If the denial of the request for records is upheld in whole or in part, the Office will notify the person making the request of his right to seek judicial review under 5 U.S.C. 552(a)(4).

§ 2604.401 Policy.

(a) Policy on application of exemptions. Section 552(b) of the Freedom of Information Act contains nine exemptions to the mandatory disclosure of records. A requested record will not be withheld from inspection or copying unless it comes within one of the classes of records exempted by 5 U.S.C. 552. In making its determination on withholding, OGE will consider whether another statute, Executive order or regulation prohibits release or, if not, whether there is a need in the public interest to withhold material which is otherwise exempt under FOIA.

(b) Pledge of confidentiality. Information obtained from any individual or organization, furnished in reliance on a provision for confidentiality authorized by applicable statute, Executive order or regulation, will not be disclosed to the extent it can be withheld under one of the exemptions. However, this paragraph does not itself authorize the giving of any pledge of confidentiality by any officer or employee of the Office of Government Ethics.

(c) Exception for law enforcement information. The Office may treat records compiled for law enforcement purposes as not subject to the Freedom of Information Act when:

(1) The investigation or proceeding involves a possible violation of criminal law;

(2) There is reason to believe that the subject of the investigation or proceeding is unaware of its pendency; and

(3) The disclosure of the existence of the records could reasonably be expected to interfere with the enforcement proceedings.

(d) Partial application of exemptions. Any reasonably segregable portion of a record will be provided to any person requesting the record after deletion of separate and distinct records which are demanded in a single request; or consult with another agency having a substantial interest in the determination of the request, or consult with various OGE components that have substantial subject matter interest in the records requested.

Subpart D—Exemptions Under FOIA
§ 2604.402 Business information.

(a) In general. Business information provided to the Office of Government Ethics by a submitter will not be disclosed pursuant to a Freedom of Information Act request except in accordance with this section.

(b) Designation of business information. Submitters of business information should use good-faith efforts to designate, by appropriate markings, either at the time of submission or at a reasonable time thereafter, those portions of their submissions which they deem to be protected under exemption 4 of the FOIA (5 U.S.C. 552(b)(4)). Any such designation will expire 10 years after the records were submitted to the Government, unless the submitter requests, and provides reasonable justification for, a designation period of longer duration.

(c) Predisclosure notification. The General Counsel will provide a submitter with prompt written notice of a FOIA request regarding its business information if:

(1) The information has been designated by the submitter as information deemed protected from disclosure under Exemption 4 of the FOIA; or

(2) The General Counsel has reason to believe that the information may be protected from disclosure under Exemption 4 of the FOIA. Such written notice shall either describe the exact nature of the business information requested or provide copies of the records containing the business information. The requester also shall be notified that notice and an opportunity to object are being provided to a submitter.

(d) Opportunity to object to disclosure. A submitter has five working days from receipt of the predisclosure notification to provide a written statement of any objection to disclosure. Such statement shall specify all the grounds for withholding any of the information under any exemption of the FOIA and, in the case of Exemption 4, shall demonstrate why the information is deemed to be a trade secret or commercial or financial information that is privileged or confidential. Information provided by a submitter pursuant to this paragraph may itself be subject to disclosure under the FOIA.

(e) Notice of intent to disclose. The General Counsel will consider all objections raised by a submitter and specific grounds for nondisclosure prior to determining whether to disclose business information. Whenever the General Counsel decides to disclose business information over the objection of a submitter, he will send the submitter a written notice at least 10 working days before the date of disclosure containing:

(1) A statement of the reasons why the submitter’s objections were not sustained;

(2) A copy of the records which will be disclosed or a written description of the records; and

(3) A specified disclosure date. The requester shall also be notified of the General Counsel’s determination to disclose records over a submitter’s objections.

(f) Notice of FOIA lawsuit. Whenever a requester brings suit seeking to compel disclosure of business information, the General Counsel shall promptly notify the submitter.

(g) Exceptions to predisclosure notification. The notice requirements in paragraph (c) of this section do not apply if:

(1) The General Counsel determines that the information should not be disclosed;

(2) The information has been published previously or has been officially made available to the public;

(3) Disclosure of the information is required by law (other than 5 U.S.C. 552); or

(4) The designation made by the submitter in accordance with paragraph (b) of this section appears obviously frivolous; except that, in such a case, the General Counsel will provide the submitter with written notice of any final decision to disclose business information within a reasonable number of days prior to a specified disclosure date.

Subpart E—Schedule of Fees

§ 2604.501 Fees to be charged—general.

(a) Policy. Fees shall be assessed according to the schedule contained in
paragraph (b) of this section and the
category of requesters described in
§2604.502 for services rendered in re-
sponding to and processing requests for
records under subpart C of this part.
All fees shall be charged to the re-
quester, except where the charging of
fees is limited under §2604.503(a) and (b)
or where a waiver or reduction of fees
is granted under §2604.503(c). Request-
ers shall pay fees by check or money
order made payable to the Treasury of
the United States.

(b) Types of charges. The types of
charges that may be assessed in con-
nection with the production of records
in response to a FOIA request are as
follows:

(1) Searches—(i) Manual searches for
records. Whenever feasible, the Office
will charge at the salary rate (i.e.,
basic pay plus 16%) of the employee
making the search. However, where a
homogeneous class of personnel is used
exclusively in a search (e.g., all clerical
time or all professional time) the Of-
fice will charge $10.00 per hour for cler-
ical time and $20.00 per hour for profes-
sional time. Charges for search time
will be billed by fifteen minute seg-
ments.

(ii) Computer searches for records.
Requesters will be charged the actual di-
rect cost of conducting a search using
existing programming. These direct
costs shall include the cost of operat-
ing a central processing unit for that
portion of operating time that is di-
rectly attributable to searching for
records responsive to a request, as well
as the cost of operator/programmer sal-
ary apportionable to the search. The
Office will not alter or develop pro-
gramming to conduct a search.

(iii) Unproductive searches. The Office
will charge search fees even if no
records are found which are responsive
to the request, or if the records found
are exempt from disclosure.

(2) Duplication. The standard copying
charge for documents in paper copy is
$.15 per page. When responsive informa-
tion is provided in a format other than
paper copy, such as in the form of com-
puter tapes and discs, the requester
may be charged the direct costs of the
tape, disc, or whatever medium is used
to produce the information, as well as
any related reproduction costs.

(3) Review. Costs associated with the
review of documents, as defined in
§2604.104(q), will be charged at the sal-
dary rate (i.e., basic pay plus 16%) of the
employee conducting the review. Ex-
cept as noted below, charges may be as-
signed only for review at the initial
level, i.e., the review undertaken the
first time the documents are analyzed
to determine the applicability of spe-
cific exemptions to a particular record
or portion of the records. A requester
will not be charged for review at the
administrative appeal level concerning
the applicability of an exemption al-
ready applied at the initial level. How-
ever, when a record has been withheld
pursuant to an exemption which is sub-
sequently determined not to apply and
the record is reviewed again at the ap-
peal level to determine the potential
applicability of other exemptions, the
costs of such additional review may be
assessed.

(4) Other services and materials. Where
the Office elects, as a matter of admin-
istrative discretion, to comply with a
request for a special service or mate-
rials, such as certifying that records
are true copies or sending records by
special methods, the actual direct costs
of providing the service or materials
will be charged.
hours of free search time or 100 free pages of reproduction as described in §2604.503(a); however, the de minimis fees provision of §2604.503(b) does apply to such requesters.

(c) Educational and noncommercial scientific institutions and news media. If the request is from an educational institution or a noncommercial scientific institution, operated for scholarly or scientific research, or a representative of the news media, and the request is not for a commercial use, the Office will charge only for duplication of documents, excluding charges for the first 100 pages.

(d) All other requesters. If the request is not one described in paragraph (b) or (c) of this section, the Office will charge the full and direct costs of searching for and reproducing records that are responsive to the request, excluding the first 100 pages of duplication and the first two hours of search time.

§2604.503 Limitations on charging fees.

(a) In general. Except for requesters seeking records for a commercial use as described in §2604.502(b), the Office will provide, without charge, the first 100 pages of duplication and the first two hours of search time, or their cost equivalent.

(b) De minimis fees. The Office will not assess fees for individual requests if the total charge would be $10.00 or less.

(c) Waiver or reduction of fees. Records responsive to a request under 5 U.S.C. 552 will be furnished without charge or at a reduced charge where the Office determines, based upon information provided by a requester in support of a fee waiver request, that disclosure of the requested information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Government and is not primarily in the commercial interest of the requester. Requests for a waiver or reduction of fees will be considered on a case-by-case basis.

(1) In determining whether disclosure is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Government, the Office will consider the following factors:

(i) The subject of the request: Whether the subject of the requested records concerns the operations or activities of the Government. The subject matter of the requested records, in the context of the request, must specifically and directly concern identifiable operations or activities of the Federal Government. Furthermore, the records must be sought for their informative value with respect to those Government operations or activities;

(ii) The informative value of the information to be disclosed: Whether the information is likely to contribute to an understanding of Government operations or activities. The disclosable portions of the requested records must be meaningfully informative on specific Government operations or activities in order to hold potential for contributing to increased public understanding of those operations and activities. The disclosure of information which is already in the public domain, in either a duplicative or substantially identical form, would not be likely to contribute to such understanding, as nothing new would be added to the public record;

(iii) The contribution to an understanding of the subject by the public likely to result from disclosure: Whether disclosure of the requested information will contribute to public understanding. The disclosure must contribute to the understanding of the public at large, as opposed to the individual understanding of the requester or a narrow segment of interested persons. A requester's identity and qualifications—e.g., expertise in the subject area and ability and intention to convey information to the general public—will be considered; and

(iv) The significance of the contribution to public understanding: Whether the disclosure is likely to contribute significantly to public understanding of Government operations or activities. The public's understanding of the subject matter in question, as compared to the level of public understanding existing prior to the disclosure, must be likely to be significantly enhanced by the disclosure.

(2) In determining whether disclosure of the requested information is not primarily in the commercial interest of
the requester, the Office will consider the following factors:

(i) The existence and magnitude of a commercial interest: Whether the requester has a commercial interest that would be furthered by the requested disclosure. The Office will consider all commercial interests of the requester, or any person on whose behalf the requester may be acting, which would be furthered by the requested disclosure. In assessing the magnitude of identified commercial interests, consideration will be given to the effect that the information disclosed would have on those commercial interests; and

(ii) The primary interest in disclosure: Whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is primarily in the commercial interest of the requester. A fee waiver or reduction is warranted only where the public interest can fairly be regarded as greater in magnitude than the requester’s commercial interest in disclosure. The Office will ordinarily presume that, where a news media requester has satisfied the public interest standard, the public interest will be served primarily by disclosure to that requester. Disclosure to data brokers and others who compile and market Government information for direct economic return will not be presumed to primarily serve the public interest.

(3) Where only a portion of the requested record satisfies the requirements for a waiver or reduction of fees under this paragraph, a waiver or reduction shall be granted only as to that portion.

(4) A request for a waiver or reduction of fees must accompany the request for disclosure of records, and should include:

(i) A clear statement of the requester’s interest in the documents;

(ii) The proposed use of the documents and whether the requester will derive income or other benefit from such use;

(iii) A statement of how the public will benefit from release of the requested documents; and

(iv) If specialized use of the documents is contemplated, a statement of the requester’s qualifications that are relevant to the specialized use.

(5) A requester may appeal the denial of a request for a waiver or reduction of fees in accordance with the provisions of §2604.304.

§2604.504 Miscellaneous fee provisions.

(a) Notice of anticipated fees in excess of $25.00. Where the Office determines or estimates that the fees to be assessed under this section may amount to more than $25.00, the Office shall notify the requester as soon as practicable of the actual or estimated amount of fees, unless the requester has indicated in advance his willingness to pay fees as high as those anticipated. Where a requester has been notified that the actual or estimated fees may exceed $25.00, the request will be deemed not to have been received until the requester has agreed to pay the anticipated total fee. A notice to the requester pursuant to this paragraph will include the opportunity to confer with Office personnel in order to reformulate the request to meet the requester’s needs at a lower cost.

(b) Aggregating requests. A requester may not file multiple requests, each seeking portions of a document or documents in order to avoid the payment of fees. Where there is reason to believe that a requester or group of requesters acting in concert, is attempting to divide a request into a series of requests for the purpose of evading the assessment of fees, the Office may aggregate the requests and charge accordingly. The Office will presume that multiple requests of this type made within a 30-day period have been made in order to evade fees. Multiple requests regarding unrelated matters will not be aggregated.

(c) Advance payments. An advance payment before work is commenced or continued will not be required unless:

(1) The Office estimates or determines that the total fee to be assessed under this section is likely to exceed $250.00. When a determination is made that the allowable charges are likely to
exceed $250.00, the requester will be notified of the likely cost and will be required to provide satisfactory assurance of full payment where the requester has a history of prompt payment of an amount up to the full estimated charges in the case of requesters with no history of payment; or

(2) A requester has previously failed to pay a fee charged in a timely fashion (i.e., within 30 days of the date of the billing). In such cases the requester may be required to pay the full amount owed plus any applicable interest as provided by paragraph (e) of this section, and to make an advance payment of the full amount of the estimated fee before the Office begins to process a new request.

(3) When the Office requests an advance payment of fees, the administrative time limits described in subsection (a)(6) of the FOIA will begin to run only after the Office has received the advance payment.

(d) Billing and payment. Normally the Office will require a requester to pay all fees before furnishing the requested records. However, the Office may send a bill along with, or following the furnishing of records, in cases where the requester has a history of prompt payment.

(e) Interest charges. Interest charges on an unpaid bill may be assessed starting on the 31st day following the day on which the billing was sent. Interest shall be at the rate prescribed in 31 U.S.C. 3717 and shall accrue from the date of billing. To collect unpaid bills, the Office will follow the provisions of the Debt Collection Act of 1982, as amended (96 Stat. 1749 et seq.) including the use of consumer reporting agencies, collection agencies, and offset.

Subpart G—Fees for the Reproduction and Mailing of Public Financial Disclosure Reports

§ 2604.701 Policy.

Fees for the reproduction and mailing of public financial disclosure reports (SF 278s) requested pursuant to section 105 of the Ethics in Government Act of 1978, as amended, and §2634.603 of this chapter shall be assessed according to the schedule contained in §2604.702. Requesters shall pay fees by check or money order made payable to the Treasury of the United States. Except as provided in §2604.702(d), nothing concerning fees in subpart E of this part supersedes the charges set forth in this subpart for records covered in this subpart.

Subpart G—Fees for the Reproduction and Mailing of Public Financial Disclosure Reports

§ 2604.602 Contents of the report.

(b) The number of appeals made by persons under the FOIA, the results of such appeals, and the reasons for the action by OGE upon each appeal that results in a denial of information;

(c) The names and titles or positions of each person responsible for the denial of records requested under the FOIA;

(d) The results of each proceeding conducted pursuant to subsection (a)(4)(F) of the FOIA, including a report of the disciplinary action taken against the officer or employee who was primarily responsible for improperly withholding records or an explanation of why disciplinary action was not taken;

(e) A copy of every rule made by OGE regarding the FOIA;

(f) A copy of the fee schedule and the total amount of fees collected by OGE for making records available under the FOIA; and

(g) Such other information as indicates efforts by OGE to administer fully the FOIA.

Subpart G—Fees for the Reproduction and Mailing of Public Financial Disclosure Reports

§ 2604.701 Policy.

Fees for the reproduction and mailing of public financial disclosure reports (SF 278s) requested pursuant to section 105 of the Ethics in Government Act of 1978, as amended, and §2634.603 of this chapter shall be assessed according to the schedule contained in §2604.702. Requesters shall pay fees by check or money order made payable to the Treasury of the United States. Except as provided in §2604.702(d), nothing concerning fees in subpart E of this part supersedes the charges set forth in this subpart for records covered in this subpart.
§ 2604.702 Charges.

(a) Duplication. Except as provided in paragraph (c) of this section, copies of public financial disclosure reports (SF 278s) requested pursuant to section 105 of the Ethics in Government Act of 1978, as amended, and § 2634.603 of this chapter will be provided upon payment of $.03 per page furnished.

(b) Mailing. Except as provided in paragraph (c) of this section, the actual direct cost of mailing public financial disclosure reports will be charged for all forms requested. Where the Office elects to comply, as a matter of administrative discretion, with a request for special mailing services, the actual direct cost of such service will be charged.

(c) De minimis fees. The Office will not assess fees for individual requests if the total charge would be $10.00 or less.

(d) Miscellaneous fee provisions. The miscellaneous fee provisions set forth in § 2604.504 apply to requests for public financial disclosure reports pursuant to § 2634.603 of this chapter.

PART 2606—PRIVACY ACT RULES

[RESERVED]

Office of Government Ethics

§ 2610.105

(f) *Proceeding* means an adversary adjudication as defined above.

(g) *Director* means the Director of the United States Office of Government Ethics.

§ 2610.102 Purpose.

The Act provides for the award of attorney fees and other expenses to eligible individuals and entities who are parties to certain administrative proceedings ("adversary adjudications") before the Office of Government Ethics. An eligible party may receive an award when it prevails over the Office unless the Office's position was substantially justified or special circumstances make an award unjust. The rules in this part describe the parties eligible for awards and the proceedings that are covered. They also explain how to apply for awards, and the procedures and standards that the Office will use to make them.

§ 2610.103 When the Act applies.

The Act applies to any adversary adjudication pending or commenced before the Office of Government Ethics on or after October 1, 1989, which is the date the Office became a separate executive agency. Prior to October 1, 1989, the Office was part of the Office of Personnel Management. Any adversary adjudication pending or commenced before October 1, 1989, and not finally disposed of by that date, is governed by the rules and policies implementing the Equal Access to Justice Act as adopted by the Office of Personnel Management.

§ 2610.104 Proceedings covered.

(a) This part applies to adversary administrative adjudications conducted by the Office of Government Ethics. When all other conditions in the Act and in these rules are met, the types of proceedings to which this part applies are adversary administrative adjudications conducted by the Office under:

(b) The Office's failure to identify a type of proceeding as an adversary adjudication shall not preclude the filing of an application by a party who believes the proceeding is covered by the Act; whether the proceeding is covered will then be an issue for resolution in the proceedings on the application.

(c) If a proceeding includes both matters covered by the Act and matters specifically excluded from coverage, any award made will include only fees and expenses related to covered matters.

§ 2610.105 Eligibility of applicants.

(a) To be eligible for an award of attorney fees and other expenses under the Act, the applicant must be a party to the adversary adjudication for which it seeks an award. The term "party" is defined in 5 U.S.C. 551(3). The applicant must show that it meets all conditions of eligibility set out in this subpart and in subpart B of this part.

(b) The types of eligible applicants are as follows:

1. An individual with a net worth of not more than $2,000,000;
2. The sole owner of an unincorporated business who has a net worth of not more than $7,000,000, including both personal and business interests, and not more than 500 employees;
3. A charitable or other tax-exempt organization described in section 501(c)(3) of the Internal Revenue Code, 26 U.S.C. 501(c)(3), with not more than 500 employees;
4. A cooperative association as defined in section 15(a) of the Agricultural Marketing Act, 12 U.S.C. 1141j(a), with not more than 500 employees; and
5. any other partnership, corporation, association, unit of local government, or organization with a net worth of not more than $7,000,000 and not more than 500 employees.

(c) For the purpose of eligibility, the net worth and number of employees of an applicant shall be determined as of the date the underlying proceeding was initiated. For appeals of decisions of contracting officers made pursuant to section 6 of the Contract Disputes Act of 1978, the net worth and number of employees of an applicant shall be determined as of the date the applicant filed its appeal under 41 U.S.C. 606.
§ 2610.106 Standards for awards.

(a) A prevailing applicant may receive an award for fees and expenses incurred in connection with a proceeding or in a significant and discrete substantive portion of the proceeding, unless the position of the Office was substantially justified. The position of the Office includes, in addition to the position taken by the Office in the adversary adjudication, the action or failure to act by the Office upon which the adversary adjudication is based. The burden of proof that an award should not be made to an eligible prevailing applicant because the Office's position was substantially justified is on the Office. No presumption arises that the Office's position was not substantially justified simply because the Office did not prevail.

(b) Awards for fees and expenses incurred before the date on which a proceeding was initiated will be made only if the applicant can demonstrate that they were reasonably incurred in preparation for the proceeding.

(c) An award under this part will be reduced or denied if the applicant has unduly or unreasonably protracted the proceeding, if the applicant has falsified the application (including documentation) or net worth exhibit, or if special circumstances make the award sought unjust.

[57 FR 33268, July 28, 1992, as amended at 60 FR 38666, July 28, 1995]

§ 2610.107 Allowable fees and expenses.

(a) Awards will be based on rates customarily charged by persons engaged in the business of acting as attorneys, agents and expert witnesses, even if the services were made available without charge or at reduced rate to the applicant.

(b) Except as provided in § 2610.108, no award for the fee of an attorney or agent under these rules may exceed $75.00 per hour. No award to compensate an expert witness may exceed the highest rate at which the Office pays expert witnesses. However, an award may also include the reasonable expenses of the attorney, agency, or witness as a separate item, if the attorney, agent or witness ordinarily charges clients separately for such expenses.

(c) In determining the reasonableness of the fee sought for an attorney, agent or expert witness, the adjudicative officer shall consider the following:

(1) If the attorney, agent or witness is in private practice, his or her customary fees for similar services, or, if an employee of the applicant, the fully allocated costs of the services;

(2) The prevailing rate for similar services in the community in which the attorney, agent or witness ordinarily performs services;
Office of Government Ethics

§ 2610.201

(3) The time actually spent in the representation of the applicant;
(4) The time reasonably spent in light of the difficulty or complexity of the issues in the proceeding; and
(5) Such other factors as may bear on the value of the services provided.

(d) The reasonable cost of any study, analysis, engineering report, test, project or similar matter prepared on behalf of a party may be awarded, to the extent that the charge for the services does not exceed the prevailing rate for similar services, and the study or other matter was necessary for preparation of applicant's case.

§ 2610.108 Rulemaking on maximum rate for attorney fees.

(a) If warranted by an increase in the cost of living or by special circumstances (such as limited availability of attorneys qualified to handle certain types of proceedings), the Office may adopt regulations providing that attorney fees may be awarded at a rate higher than $75.00 per hour in some or all of the types of proceedings covered by this part. The Office will conduct any rulemaking proceedings for this purpose under the informal rulemaking procedures of the Administrative Procedure Act, 5 U.S.C. 553.

(b) Any person may file with the Office a petition for rulemaking to increase the maximum rate for attorney fees as provided in 5 U.S.C. 504(b)(1)(A)(ii). The petition should identify the rate the petitioner believes the Office should establish and the types of proceedings in which the rate should be used. It should also explain fully the reasons why the higher rate is warranted. The Office will respond to the petition within 60 days after it is filed, by initiating a rulemaking proceeding, denying the petition, or taking other appropriate action.

§ 2610.109 Awards against other agencies.

If an applicant is entitled to an award because it prevails over another agency of the United States that participates in a proceeding before the Office of Government Ethics and takes a position that is not substantially justified, the award or an appropriate portion of the award shall be made against that agency.

Subpart B—Information Required From Applicants

§ 2610.201 Contents of application.

(a) An application for an award of fees and expenses under the Act shall identify the applicant and the proceeding for which an award is sought. The application shall show that the applicant has prevailed and identify the position of the Office that the applicant alleges was not substantially justified. Unless the applicant is an individual, the application shall also state the number of employees of the applicant and describe briefly the type and purpose of its organization or business.

(b) The application shall also include a statement that the applicant's net worth does not exceed $2,000,000 (if an individual) or $7,000,000 (for all other applicants, including their affiliates). However, an applicant may omit this statement if:

(1) It attaches a copy of a ruling by the Internal Revenue Service that it qualifies as an organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) or, in the case of a tax-exempt organization not required to obtain a ruling from the Internal Revenue Service on its exempt status, a statement that describes the basis for the applicant's belief that it qualifies under such section; or

(2) It states that it is a cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a)).

(c) The application shall state the amount of fees and expenses for which an award is sought.

(d) The application may also include any other matters that the applicant wishes the Office to consider in determining whether and in what amount an award should be made.

(e) The application shall be signed by the applicant or an authorized officer or attorney of the applicant. It shall also contain or be accompanied by a written verification made by the applicant or authorized officer or attorney of the applicant under oath or under penalty of perjury that the information
§ 2610.202 Net worth exhibit.

(a) Each applicant, except a qualified tax-exempt organization or cooperative association, must provide with its application a detailed exhibit showing the net worth of the applicant and any affiliates (as defined in §2610.105(f)) when the underlying adversary adjudication was initiated. The exhibit may be in any form convenient to the applicant that provides full disclosure of the applicant's and its affiliates' assets and liabilities and is sufficient to determine whether the applicant qualifies under the standards in this part. The adjudicative officer may require an applicant to file additional information to determine its eligibility for an award.

(b) Ordinarily, the net worth exhibit will be included in the public record of the proceeding. However, an applicant that objects to public disclosure of information in any portion of the exhibit and believes there are legal grounds for withholding it from disclosure may submit that portion of the exhibit directly to the adjudicative officer in a sealed envelope labeled “Confidential Financial Information,” accompanied by a motion to withhold the information from public disclosure. The motion shall describe the information sought to be withheld and explain, in detail, why it falls within one or more of the specific exemptions from mandatory disclosure under the Freedom of Information Act, 5 U.S.C. 552(b)(1)-(9), why public disclosure of the information would adversely affect the applicant, and why disclosure is not required in the public interest. The material in question shall be served on counsel representing the Office, but need not be served on any other party to the proceeding, if any. If the adjudicative officer finds that the information should not be withheld from disclosure, it shall be placed in the public record of the proceeding. Otherwise, any request by another party or the public to inspect or copy the exhibit shall be resolved in accordance with the Office of Government Ethics' established procedures under the Freedom of Information Act.

§ 2610.203 Documentation of fees and expenses.

The application shall be accompanied by full and itemized documentation of the fees and expenses, including the cost of any study, analysis, engineering report, test, project or similar matter, for which an award is sought. A separate itemized statement shall be submitted for each professional firm or individual whose services are covered by the application, showing the hours spent in connection with the proceeding by each individual, a description of the specific services performed, the rates at which each fee has been computed, any expenses for which reimbursement is sought, the total amount claimed, and the total amount paid or payable by the applicant or by any other person or entity for the services provided. The adjudicative officer may require the applicant to provide vouchers, receipts, logs, or other documentation for any fees or expenses claimed, pursuant to §2610.306.

§ 2610.204 When an application may be filed.

(a) An application may be filed whenever the applicant has prevailed in the proceeding or in a significant and discrete substantive portion of the proceeding, but in no case later than 30 days after the Office of Government Ethics' final disposition of the proceeding.

(b) For purposes of this rule, final disposition means the date on which a decision or order disposing of the merits of the proceeding or any other complete resolution of the proceeding, such as a settlement or voluntary dismissal, becomes final and unappealable, both within the Office and to the courts.

(c) If review or reconsideration is sought or taken of a decision as to which an applicant believes it has prevailed, proceedings for the award of
fees shall be stayed pending final disposition of the underlying controversy. When the United States appeals the underlying merits of an adversary adjudication to a court, no decision on an application for fees and other expenses in connection with that adversary adjudication shall be made until a final and unreviewable decision is rendered by the court on the appeal or until the underlying merits of the case have been finally determined pursuant to the appeal.

Subpart C—Procedures for Considering Applications

§ 2610.301 Jurisdiction of adjudicative officer.

Any provision in the Office's rules and regulations other than this part which limits or terminates the jurisdiction of an adjudicative officer upon the effective date of his or her decision in the underlying proceeding shall not in any way affect his or her jurisdiction to render a decision under this part.

§ 2610.302 Filing and service of documents.

Any application for an award or other pleading or document related to an application shall be filed and served on all parties to the proceeding in the same manner as other pleadings in the proceeding, except as provided in § 2610.202(b) for confidential financial information.

§ 2610.303 Answer to application.

(a) Within 30 days after service of an application, counsel representing the Office may file an answer to the application. Agency counsel may request an extension of time for filing. If agency counsel fails to answer or otherwise fails to contest or settle the application within the 30-day period, the adjudicative officer, upon a satisfactory showing of entitlement by the applicant, may make an award for the applicant's fees and other expenses under the Act.

(b) If agency counsel and the applicant believe that the issues in the fee application can be settled, they may jointly file a statement of their intent to negotiate a settlement. The filing of this statement shall extend the time for filing an answer for an additional 30 days, and further extensions may be granted for good cause by the adjudicative officer upon request by agency counsel and the applicant.

(c) The answer shall explain in detail any objections to the award requested and identify the facts relied on in support of agency counsel's position. If the answer is based on any alleged facts not already in the record of the proceeding, agency counsel shall include with the answer either supporting affidavits or a request for further proceedings under § 2610.307.

§ 2610.304 Reply.

Within 15 days after service of an answer, the applicant may file a reply. If the reply is based on any alleged facts not already in the record of the proceeding, the applicant shall include with the reply either supporting affidavits or a request for further proceedings under § 2610.307.

§ 2610.305 Comments by other parties.

Any party to a proceeding other than the applicant and agency counsel may file comments on an application within 30 days after it is served, or on an answer within 15 days after it is served. A commenting party may not participate further in proceedings on the application unless the adjudicative officer determines that the public interest requires such participation in order to permit full exploration of matters raised in the comments.

§ 2610.306 Settlement.

The applicant and agency counsel may agree on a proposed settlement of the award before final action on the application, either in connection with a settlement of the underlying proceeding, or after the underlying proceeding has been concluded, in accordance with the settlement procedure applicable to the underlying procedure. If an eligible prevailing party and agency counsel agree on a proposed settlement of an award before an application has been filed, the application shall be filed with the proposed settlement.
§ 2610.307 Further proceedings.

(a) Ordinarily, the determination of an award will be made on the basis of the written record. However, on request of either the applicant or agency counsel, or on his or her own initiative, the adjudicative officer may order further proceedings, such as an informal conference, oral argument, additional written submissions or, as to issues other than substantial justification (such as the applicant’s eligibility or substantiation of fees and expenses), pertinent discovery or an evidentiary hearing. Such further proceedings shall be held only when necessary for full and fair resolution of the issues arising from the application, and shall be conducted as promptly as possible. Whether or not the position of the Office was substantially justified shall be determined on the basis of the administrative record, as a whole, which is made in the adversary adjudication for which fees and other expenses are sought.

(b) A request that the adjudicative officer order further proceedings under this section shall specifically identify the information sought or the disputed issues and shall explain why the additional proceedings are necessary to resolve the issues.

§ 2610.308 Decision.

The adjudicative officer shall issue an initial decision on the application within 30 days after completion of proceedings on the application. The decision shall include written findings and conclusions on the applicant’s eligibility and status as a prevailing party, and an explanation of the reasons for any difference between the amount requested and the amount awarded. The decision shall also include, if at issue, findings on whether the Office’s position was substantially justified, whether the applicant unduly protracted the proceedings, or whether special circumstances make an award unjust. If the applicant has sought an award against more than one agency, the decision shall allocate responsibility for payment of any award made among the agencies, and shall explain the reasons for the allocation made.

§ 2610.309 Agency review.

Within 30 days after issuance of an initial decision under this part, either the applicant or agency counsel may seek review of the initial decision on the fee application, or the Director (or his or her designee) may decide to review the initial decision on his or her own initiative, in accordance with the Office’s review or appeal procedures applicable to the underlying proceeding. If neither the applicant nor agency counsel seeks review and the Director (or designee) does not take review on his or her own initiative, the initial decision on the application shall become a final decision of the Office of Government Ethics 30 days after it is issued. Whether to review a decision is a matter within the discretion of the Director (or his or her designee, if any). If review is taken, the Office will issue a final decision on the application or remand the application to the adjudicative officer for further proceedings.

§ 2610.310 Judicial review.

Judicial review of final agency decisions on awards may be sought as provided in 5 U.S.C. 504(c)(2).

§ 2610.311 Payment of award.

An applicant seeking payment of an award shall submit a copy of the Office’s final decision granting the award, accompanied by a certification that the applicant will not seek review of the decision in the United States courts, to the Associate Director for Administration, Office of Government Ethics, Suite 500, 1201 New York Avenue NW., Washington, DC 20005–3917. The Office will pay the amount awarded to the applicant within 60 days, unless judicial review of the award or of the underlying decision of the adversary adjudication has been sought by the applicant, the Office, or any other party to the proceedings.

§ 2634.102 Purpose and overview.

(a) This regulation supplements and implements title I of the Act and section 201(d) of Executive Order 12674 (as modified by Executive Order 12731) with respect to executive branch employees, by setting forth more specifically the uniform procedures and requirements for financial disclosure and for the certification and use of qualified blind and diversified trusts. Additionally, this regulation implements section 502 of the Reform Act by establishing procedures for executive branch personnel to obtain Certificates of Divestiture, which permit deferred recognition of capital gain in certain instances.

(b) The rules in this part govern both the public and confidential (nonpublic) financial disclosure systems, except as otherwise indicated. Subpart I of this part contains special rules unique to the confidential disclosure system.

§ 2634.103 Executive agency supplemental regulations.

(a) This regulation is intended to provide uniformity for executive branch financial disclosure systems. However, an agency may, subject to the prior written approval of the Office of Government Ethics, issue supplemental regulations implementing this part, if necessary to address special or unique agency circumstances. Such regulations:

1. Shall be consistent with the Act, Executive Orders 12674 and 12731, and this part; and

2. Shall impose no additional reporting requirements on either public or confidential filers, unless specifically authorized by the Office of Government Ethics as supplemental confidential reporting.

NOTE: Supplemental regulations will not be used to satisfy the separate requirement of 5 U.S.C. App. (Ethics in Government Act of 1978, Section 402(d)(1)) that each agency have established written procedures on how to collect, review, evaluate, and, where appropriate, make publicly available, financial disclosure statements filed with it.

(b) Requests for approval of supplemental regulations under paragraph (a) of this section shall be submitted in writing to the Office of Government Ethics, and shall set forth the agency’s need for any proposed supplemental reporting requirements. See § 2634.901 (b) and (c).

(c) Agencies should review all of their existing financial disclosure regulations to determine which of those regulations must be modified or revoked in order to conform with the requirements of this part. Any amendatory agency regulations shall be processed in accordance with paragraphs (a) and (b) of this section.

§ 2634.104 Policies.

(a) Title I of the Act requires that high-level Federal officials disclose publicly their personal financial interests, to ensure confidence in the integrity of the Federal Government by demonstrating that they are able to carry out their duties without compromising the public trust. Title I also authorizes the Office of Government Ethics to establish a confidential (nonpublic) financial disclosure system for less senior executive branch personnel in certain designated positions, to facilitate internal agency conflict-of-interest review.

(b) Public and confidential financial disclosure serves to prevent conflicts of
interest and to identify potential conflicts, by providing for a systematic review of the financial interests of both current and prospective officers and employees. These reports assist agencies in administering their ethics programs and providing counseling to employees.

(c) Financial disclosure reports are not net worth statements. Financial disclosure systems seek only the information that the President, Congress, or OGE as the supervising ethics office for the executive branch has deemed relevant to the administration and application of the criminal conflict of interest laws, other statutes on ethical conduct or financial interests, and Executive orders or regulations on standards of ethical conduct.

(d) Nothing in the Act or this part requiring reporting of information or the filing of any report shall be deemed to authorize receipt of income, honoraria, gifts, or reimbursements; holding of assets, liabilities, or positions; or involvement in transactions that are prohibited by law, Executive order or regulation.

(e) The provisions of title I of the Act and this part requiring the reporting of information shall supersede any general requirement under any other provision of law or regulation on the reporting of information required for purposes of preventing conflicts of interest or apparent conflicts of interest. However, the provisions of title I and this part shall not supersede the requirements of 5 U.S.C. 7342 (the Foreign Gifts and Decorations Act).

(f) This regulation is intended to be gender-neutral; therefore, use of the terms he, his, and him include she, hers, and her, and vice versa.

§ 2634.105 Definitions.
For purposes of this part:
(b) Agency means any executive agency as defined in 5 U.S.C. 105 (any executive department, Government corporation, or independent establishment in the executive branch), any military department as defined in 5 U.S.C. 102, and the Postal Service and the Postal Rate Commission. (i) Honorarium means a payment of money or anything of value for an appearance, speech, or article.

(j) Income means all income from whatever source derived. It includes but is not limited to the following items: earned income such as compensation for services, fees, commissions, salaries, wages and similar items; gross income derived from business (and net income if the individual elects to include it); gains derived from dealings in property including capital gains; interest; rents; royalties; dividends; income from the investment portion of life insurance and endowment contracts; pensions; income from discharge of indebtedness; distributive share of partnership income; and income from an interest in an estate or trust. The term includes all income items, regardless of whether they are taxable for Federal income tax purposes, such as interest on municipal bonds. Generally, income means “gross income” as determined in conformity with the Internal Revenue Service principles at 26 CFR 1.61-1 through 1.61-15 and 1.61-21.

(k) Personal hospitality of any individual means hospitality extended for a nonbusiness purpose by an individual, not a corporation or organization, at the personal residence of or on property or facilities owned by that individual or his family.

(l) Personal residence means any real property used exclusively as a private dwelling by the reporting individual or his spouse, which is not rented out during any portion of the reporting period. The term is not limited to one's domicile; there may be more than one personal residence, including a vacation home.

(m) Public filer. For the definition of “public filer,” see §2634.202.

(n) Reimbursement means any payment or other thing of value received by the reporting individual (other than gifts, as defined in paragraph (h) of this section) to cover travel-related expenses of such individual, other than those which are:

(1) Provided by the United States Government, the District of Columbia, or a State or local government or political subdivision thereof;

(2) Required to be reported by the reporting individual under 5 U.S.C. 7342 (the Foreign Gifts and Decorations Act); or

(3) Required to be reported under section 304 of the Federal Election Campaign Act of 1971 (2 U.S.C. 434) (relating to reports of campaign contributions).

Note: Payments which are not made to the individual are not reimbursements for purposes of this part. Thus, payments made to the filer's employing agency to cover official travel-related expenses do not fit this definition of reimbursement. For example, payments being accepted by the agency pursuant to statutory authority such as 31 U.S.C. 1353, as implemented by 41 CFR part 304-1, are not considered reimbursements under this part 2634, because they are not payments received by the reporting individual. On the other hand, travel payments made to the employee by an outside entity for private travel are considered reimbursements for purposes of this part. Likewise, travel payments received from certain nonprofit entities under authority of 5 U.S.C. 4111 are considered reimbursements, even though for official travel, since that statute specifies that such payments must be made to the individual directly (with prior approval from the individual's agency).

(o) Relative means an individual who is related to the reporting individual, as father, mother, son, daughter, brother, sister, uncle, aunt, great uncle, great aunt, first cousin, nephew, niece, husband, wife, grandfather, grandmother, grandson, granddaughter, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half brother, half sister, or who is the grandfather or grandmother of the spouse of the reporting individual, and shall be deemed to include the fiance or fiancee of the reporting individual.

§ 2634.201 General requirements, filing dates, and extensions.

(a) Incumbents. A public filer as defined in § 2634.202 of this subpart who, during any calendar year, performs the duties of his position or office, as described in that section, for a period in excess of 60 days shall file a public financial disclosure report containing the information prescribed in subpart C of this part, on or before May 15 of the succeeding year.

Example 1. An SES official commences performing the duties of his position on November 15. He will not be required to file an incumbent report for that calendar year.

Example 2. An employee, who is classified at GS-15, is assigned to fill an SES position in an acting capacity, from October 15 through December 31. Having performed the duties of a covered position for more than 60 days during the calendar year, he will be required to file an incumbent report.

(b) New entrants. (1) Within 30 days of assuming a public filer position or office described in § 2634.202 of this subpart, an individual shall file a public financial disclosure report containing the information prescribed in subpart C of this part.

(2) However, no report shall be required if the individual:
   (i) Has, within 30 days prior to assuming such position, left another position or office for which a public financial disclosure report under the Act was required to be filed; or
   (ii) Has already filed such a report as a nominee or candidate for the position.

Example: Y, an employee of the Treasury Department who has previously filed reports in accordance with the rules of this section, terminates employment with that Department on January 12, 1991, and begins employment with the Commerce Department on February 10, 1991, in a Senior Executive Service position. Y is not a new entrant since he has assumed a position described in § 2634.202 of this subpart within thirty days of leaving another position so described. Accordingly, he need not file a new report with the Commerce Department.

NOTE: While Y did not have to file a new entrant report with the Commerce Department, that Department should request a copy of the last report which he filed with the Treasury Department, so that Commerce could determine whether or not there would be any conflicts or potential conflicts in connection with Y’s new employment. Additionally, Y will have to file an incumbent report.
§ 2634.202   Public filer defined.

The term public filer includes:

(a) The President;

(b) The Vice President;

(c) Each officer or employee in the executive branch, including a special

(2) On or before May 15 of each successive year an individual continues to be a candidate. However, in any calendar year in which an individual continues to be a candidate but all elections relating to such candidacy were held in prior calendar years, the individual need not file a report unless he becomes a candidate for a vacancy during that year.

Example P became a candidate for President in January 1991. P will be required to file a public financial disclosure report on or before May 15, 1991. If P had become a candidate on June 1, 1991, he would have been required to file a disclosure report within 30 days of that date.

(e) Termination of employment. (1) On or before the thirtieth day after termination of employment from a public filer position or office described in §2634.202 of this subpart, an individual shall file a public financial disclosure report containing the information prescribed in subpart C of this part.

(2) However, if within 30 days of such termination the individual assumes employment in another position or office for which a public report under the Act is required to be filed, no report shall be required by the provisions of this paragraph. See the related Example in paragraph (b) of this section.

(f) Extensions. The reviewing official may, for good cause shown, grant to any public filer or class thereof an extension of time for filing which shall not exceed 45 days. The employee shall set forth specific reasons for such additional extension, which shall be forwarded to the Director through the reviewing official. The reviewing official shall also submit his comments on the request. (For extensions on confidential financial disclosure reports, see §2634.903(d).)

Office of Government Ethics

Government employee as defined in 18 U.S.C. 202(a), whose position is classified above GS-15 of the General Schedule prescribed by 5 U.S.C. 5332, or the rate of basic pay for which is fixed, other than under the General Schedule, at a rate equal to or greater than 120% of the minimum rate of basic pay for GS-15 of the General Schedule; each member of a uniformed service whose pay grade is at or in excess of 0-7 under 37 U.S.C. 201; and each officer or employee in any other position determined by the Director of the Office of Government Ethics to be of equal classification;

(d) Each employee who is an administrative law judge appointed pursuant to 5 U.S.C. 3105;

(e) Any employee not otherwise described in paragraph (c) of this section who is in a position in the executive branch which is excepted from the competitive service by reason of being of a confidential or policy-making character, unless excluded by virtue of a determination under §2634.203 of this subpart;

(f) The Postmaster General, the Deputy Postmaster General, each Governor of the Board of Governors of the United States Postal Service and each officer or employee of the United States Postal Service or Postal Rate Commission whose basic rate of pay is equal to or greater than 120% of the minimum rate of basic pay for GS-15 of the General Schedule;

(g) The Director of the Office of Government Ethics and each agency’s primary designated agency ethics official;

(h) Any civilian employee not otherwise described in paragraph (c) of this section who is employed in the Executive Office of the President (other than a special Government employee, as defined in 18 U.S.C. 202(a)) and holds a commission of appointment from the President; and

(i) Anyone whose employment in a position or office described in paragraphs (a) through (h) of this section has terminated, but who has not yet satisfied the filing requirements of §2634.201(e) of this subpart.

Note: References in this section and in §§2634.203 and 2634.904 to position classifications have been adjusted to reflect elimination of General Schedule classifications GS-16, GS-17, and GS-18 by the Federal Employees Pay Comparability Act of 1990, as incorporated in section 529 of Public Law 101-509.

§ 2634.203 Persons excluded by rule.

(a) In general. Any individual or group of individuals described in §2634.202(e) of this subpart (relating to positions of a confidential or policy-making character) may be excluded by rule from the public reporting requirements of this subpart when the Director of the Office of Government Ethics determines, in his sole discretion, that such exclusion would not affect adversely the integrity of the Government or the public’s confidence in the integrity of the Government.

(b) Exclusion determination. The determination required by paragraph (a) of this section has been made for the following group of individuals who, therefore, may be excluded from the public reporting requirements of this subpart, pursuant to the procedures in paragraph (c) of this section: Individuals in any position classified at GS-15 of the General Schedule or below, or the rate of basic pay for which is less than 120% of the minimum rate of basic pay fixed for GS-15, who have no policy-making role with respect to agency programs. Such individuals may include chauffeurs, private secretaries, stenographers, and others holding positions of a similar nature whose exclusion would be consistent with the basic criterion set forth in paragraph (a) of this section. See §2634.904(d) for possible coverage by confidential disclosure rules.

(c) Procedure. (1) The exclusion of any individual from reporting requirements pursuant to this section will be effective as of the time the employing agency files with the Office of Government Ethics a list and description of each position for which exclusion is sought, and the identity of any incumbent employees in those positions. Exclusions should be requested prior to due dates for the reports which such employees would otherwise have to file.

(2) If the Office of Government Ethics finds that one or more positions has
§ 2634.204 Employment of sixty days or less.

(a) In general. Any public filer or nominee who, as determined by the official specified in this paragraph, is not reasonably expected to perform the duties of an office or position described in §2634.201(c) or §2634.202 of this subpart for more than 60 days in any calendar year shall not be subject to the reporting requirements of §2634.201(b), (c), or (e) of this subpart. This determination will be made by:

(1) The designated agency ethics official or Secretary concerned, in a case to which the provisions of §2634.201(b) or (e) of this subpart (relating to new entrant and termination reports) would otherwise apply; or

(2) The Director of the Office of Government Ethics, in a case to which the provisions of §2634.201(c) of this subpart (relating to nominee reports) would otherwise apply.

(b) Alternative reporting. Any new entrant who is exempted from filing a public financial report under paragraph (a) of this section and who is a special Government employee is subject to confidential reporting under §2634.903(b). See §2634.904(b).

(c) Exception. If the public filer or nominee actually performs the duties of an office or position referred to in paragraph (a) of this section for more than 60 days in a calendar year, the public report otherwise required by:

(1) Section 2634.201(b) or (c) of this subpart (relating to new entrant and nominee reports) shall be filed within 15 calendar days after the sixtieth day of duty; and

(2) Section 2634.201(e) of this subpart (relating to termination reports) shall be filed as provided in that paragraph.

§ 2634.205 Special waiver of public reporting requirements.

(a) General rule. In unusual circumstances, the Director of the Office of Government Ethics may grant a request for a waiver of the public reporting requirements under this subpart for an individual who is reasonably expected to perform, or has performed, the duties of an office or position for fewer than 130 days in a calendar year, but only if the Director determines that:

(1) The individual is a special Government employee, as defined in 18 U.S.C. 202(a), who performs temporary duties either on a full-time or intermittent basis;

(2) The individual is able to provide services specially needed by the Government;

(3) It is unlikely that the individual's outside employment or financial interests will create a conflict of interest; and

(4) Public financial disclosure by the individual is not necessary under the circumstances.

(b) Procedure. (1) Requests for waivers must be submitted to the Office of Government Ethics, via the requester's agency, within 10 days after an employee learns that he will hold a position which requires reporting and that he will serve in that position for more than 60 days in any calendar year, or upon serving in such a position for more than 60 days, whichever is earlier.

(2) The request shall consist of:

(i) A cover letter which identifies the individual and his position, states the approximate number of days in a calendar year which he expects to serve in that position, and requests a waiver of public reporting requirements under this section;

(ii) An enclosure which states the reasons for the individual's belief that the conditions of paragraphs (a)(1) through (4) of this section are met in the particular case; and

(iii) The report otherwise required by this subpart B, as a factual basis for the determination required by this section. The report shall bear the legend at the top of page 1: "CONFIDENTIAL: WAIVER REQUEST PENDING PURSUANT TO 5 CFR 2634.205."

(3) The agency in which the individual serves shall advise the Office of Government Ethics as to the justification for a waiver.

(4) In the event a waiver is granted, the report shall not be subject to the public disclosure requirements of §2634.603; however, the waiver request
cover letter shall be subject to those requirements. In the event that a waiver is not granted, the confidential legend shall be removed from the report, and the report shall be subject to public disclosure; however, the waiver request cover letter shall not then be subject to public disclosure.

Subpart C—Contents of Reports

SOURCE: 57 FR 11808, Apr. 7, 1992, unless otherwise noted.

§ 2634.301 Interests in property.

(a) In general. Each financial disclosure report filed pursuant to this part, whether public or confidential, shall include a brief description of any interest in property held by the filer at the end of the reporting period in a trade or business, or for investment or the production of income, having a fair market value in excess of $1,000. In the case of public financial disclosure reports, the report shall designate the category of value of the property in accordance with paragraph (d) of this section. Each item of real and personal property shall be disclosed separately. Note that for Individual Retirement Accounts (IRA's), brokerage accounts, trusts, mutual or pension funds and other entities with portfolio holdings, each underlying asset must be separately disclosed, unless the entity qualifies for special treatment under § 2634.310 of this subpart.

(b) Types of property reportable. Subject to the exceptions in paragraph (c) of this section, examples of the types of property required to be reported include, but are not limited to:

(1) Real estate;
(2) Stocks, bonds, securities, and futures contracts;
(3) Livestock owned for commercial purposes;
(4) Commercial crops, either standing or held in storage;
(5) Antiques or art held for resale or investment;
(6) Beneficial interests in trusts and estates;
(7) Deposits in banks or other financial institutions;
(8) Pensions and annuities;
(9) Mutual funds;
(10) Accounts or other funds receivable; and
(11) Capital accounts or other asset ownership in a business.

(c) Exceptions. The following property interests are exempt from the reporting requirements under paragraphs (a) and (b) of this section:

(1) Any personal liability owed to the filer, spouse, or dependent child by a spouse, or by a parent, brother, sister, or child of the filer, spouse, or dependent child;
(2) Personal savings accounts (defined as any form of deposit in a bank, savings and loan association, credit union, or similar financial institution) in a single financial institution or holdings in a single money market mutual fund, aggregating $5,000 or less in that institution or fund;
(3) A personal residence of the filer or spouse, as defined in § 2634.105(l); and
(4) Financial interests in any retirement system of the United States (including the Thrift Savings Plan) or under the Social Security Act.

(d) Valuation categories. The valuation categories specified for property items on public financial disclosure reports are as follows:

(1) Not more than $15,000;
(2) Greater than $15,000 but not more than $50,000;
(3) Greater than $50,000 but not more than $100,000;
(4) Greater than $100,000 but not more than $250,000;
(5) Greater than $250,000 but not more than $500,000;
(6) Greater than $500,000 but not more than $1,000,000; and
(7) Greater than $1,000,000.

(e) Valuation of interests in property. A good faith estimate of the fair market value of interests in property may be made in any case in which the exact value cannot be obtained without undue hardship or expense to the filer. Fair market value may also be determined by:

(1) The purchase price (in which case, the filer should indicate date of purchase);
(2) Recent appraisal;
(3) Appraisal of the property by a competent appraiser;
(4) Price listed on the stock exchange and price of similar property in the community;
(5) Agreed rental value of the property;
(6) Other reasonable methods of valuation.
§ 2634.302

(3) The assessed value for tax purposes (adjusted to reflect the market value of the property used for the assessment if the assessed value is computed at less than 100 percent of that market value);

(4) The year-end book value of non-publicly traded stock, the year-end exchange value of corporate stock, or the face value of corporate bonds or comparable securities;

(5) The net worth of a business partnership;

(6) The equity value of an individually owned business; or

(7) Any other recognized indication of value (such as the last sale on a stock exchange).

Example 1. An official has a $4,000 savings account in Bank A. His spouse has a $2,500 certificate of deposit issued by Bank B and his dependent daughter has a $200 savings account in Bank C. The official does not have to disclose the deposits, as the total value of the deposits in any one bank does not exceed $5,000. Note, however, that the source, and if he is a public filer the amount, of interest income from any bank is required to be reported under §2634.302(b) of this subpart if it exceeds the reporting threshold for income. See §2634.309 of this subpart for disclosure coverage of spouses and dependent children.

Example 2. Public filer R has a collection of post-impressionist paintings which have been carefully selected over the years. From time to time, as new paintings have been acquired to add to the collection, R has made sales of both less desirable works from his collection and paintings of various schools which he acquired through inheritance. Under these circumstances, R must report the value of all the paintings he retains as interests in property pursuant to this section, as well as income from the sales of paintings pursuant to §2634.302(b) of this subpart. Recurrent sales from a collection indicate that the collection is being held for investment or the production of income.

Example 3. A reporting individual has investments which her broker holds as an IRA and invests in stocks, bonds, and mutual funds. Each such asset having a fair market value in excess of $1,000 at the close of the reporting period must be separately listed, and also the value must be shown if she is a public filer. See §2634.301(c) of this subpart for attachment of brokerage statements in lieu of listing, in the event of extensive holdings. Note that for a mutual fund held in this IRA investment account, its underlying assets must also be separately detailed, unless it qualifies as an excepted investment fund, pursuant to §2634.310 of this subpart.

[57 FR 11808, Apr. 7, 1992; 57 FR 21854, May 22, 1992]

§ 2634.302 Income.

(a) Noninvestment income. (1) Each financial disclosure report filed pursuant to this part, whether public or confidential, shall disclose the source, type, and in the case of public financial disclosure reports the actual amount or value, of earned or other noninvestment income in excess of $200 from any one source which is received by the filer or has accrued to his benefit during the reporting period, including:

(i) Salaries, fees, commissions, wages and any other compensation for personal services (other than from United States Government employment);

(ii) Retirement benefits (other than from United States Government employment, including the Thrift Savings Plan, or from Social Security);

(iii) Any honoraria, and the date services were provided, including payments made or to be made to charitable organizations on behalf of the filer in lieu of honoraria; and

(iv) Any other noninvestment income, such as prizes, awards, or discharge of indebtedness.

Note: In calculating the amount of an honorarium, subtract any actual and necessary travel expenses incurred by the recipient and one relative. For example, if such expenses are paid or reimbursed by the honorarium source, they shall not be counted as part of the honorarium payment; if the expenses are paid or reimbursed by the individual receiving the honorarium, the amount of honorarium shall be reduced by the amount of such expenses.

Example 1. An official is a participant in a retirement plan of Coastal Airlines. Pursuant to such plan, the official and his spouse receive passage on some Coastal flights without charge, and they receive passage on other flights at a discounted fare. The difference between what Coastal charges members of the public generally and what the official and his spouse are charged for a particular flight is deemed income in-kind and must be disclosed by this reporting individual if it exceeds the $200 threshold.

Example 2. An official serves on the board of directors at a bank, for which he receives a $500 fee each calendar quarter. He also receives an annual fee of $1,500 for service as trustee of a private trust. In both instances,
such fees received or earned during the reporting period must be disclosed, and if he is a public filer the actual amount must be shown.

(2) In the case of payments in lieu of honoraria made on or after January 1, 1991, the individual shall also file a separate confidential report of charitable recipients, in accordance with part 2636 of this chapter.

(b) Investment income. Each financial disclosure report filed pursuant to this part, whether public or confidential, shall disclose:

(1) The source and type of investment income, characterized as dividends, rents, interest, capital gains, or income from qualified or excepted trusts or excepted investment funds (see §2634.310 of this subpart), which is received by the filer or accrued to his benefit during the reporting period, and which exceeds $200 in amount or value from any one source. Examples include, but are not limited to, income derived from real estate, collectible items, stocks, bonds, notes, copyrights, pensions, mutual funds, the investment portion of life insurance contracts, loans, and personal savings accounts (as defined in §2634.301(c)(2) of this subpart). Note that for entities with portfolio holdings, such as Individual Retirement Accounts (IRA’s), brokerage accounts, trusts, and mutual or pension funds, each underlying source of income must be separately disclosed, unless the entity qualifies for special treatment under §2634.310 of this subpart. For public financial disclosure reports, the amount or value of income from each reported source shall also be disclosed and categorized in accordance with the following table:

(2) The source, type, and in the case of public financial disclosure reports the actual amount or value, of gross income from a business, distributive share of a partnership, joint venture income, payments from an estate or an annuity or endowment contract, or any other items of income not otherwise covered by paragraphs (a) or (b)(1) of this section which are received by the filer or accrued to his benefit during the reporting period and which exceed $200 from any one source.

Example 1. An official rents out a portion of his residence. He receives rental income of $600 from one individual for four months and $1,200 from another individual for the remaining eight months of the year covered by his incumbent financial disclosure report. He must identify the property, specify the type of income (rent), and if he is a public filer indicate the category of the total amount of rent received. (He must also disclose the asset information required by §2634.301 of this subpart.)

Example 2. A reporting individual has three savings accounts with Bank A. One is in his name and earned $85 in interest during the reporting period. One is in a joint account with his spouse and earned $120 in interest. One is in his name and his dependent daughter’s name and earned $35 in interest. Since the aggregate interest income from this source exceeds $200, the official must disclose the name of the bank, the type of income, and if he is a public filer, the category of the total amount of interest earned from all three accounts. (He must also disclose the accounts as assets under §2634.301 of this subpart if, in the aggregate, they total more than $5,000 in that bank.)

Example 3. An official has an ownership interest in a fast-food restaurant, from which she receives $10,000 in annual income. She must specify on her financial disclosure report the type of income, such as partnership distributive share or gross business income, and if she is a public filer indicate the actual amount of such income. (Additionally, she must describe the business and categorize its asset value, pursuant to §2634.301 of this subpart).

[57 FR 11808, Apr. 7, 1992; 57 FR 21854, May 22, 1992]
§ 2634.304 Gifts and reimbursements.

(a) Gifts. Except as indicated in §§2634.308(b) and 2634.907(a), each financial disclosure report filed pursuant to this part, whether public or confidential, shall contain the identity of the source, a brief description, and in the case of public financial disclosure reports the value, of all gifts aggregating $250 or more in value which are received by the filer during the reporting period from any one source. For in-kind travel-related gifts, include a travel itinerary, dates, and nature of expenses provided.

(b) Reimbursements. Except as indicated in §§2634.308(b) and 2634.907(a), each financial disclosure report filed pursuant to this part, whether public or confidential, shall contain the identity of the source, a brief description (including a travel itinerary, dates, and the nature of expenses provided), and in the case of public financial disclosure reports the value, of any travel-related reimbursements aggregating $250 or more in value, which are received by the filer during the reporting period from any one source.

NOTE: The $250 threshold in paragraphs (a) and (b) of this section will increase if the definition of minimal value under the Foreign Gifts and Decorations Act ever exceeds $250. Section 331(a) of Public Law 102-90 established the threshold for financial disclosure of gifts and reimbursements as "more than the minimal value as established by section 7342(a)(5) of title 5, United States Code, or $250, whichever is greater."

(c) Exclusions. Reports need not contain any information about gifts and reimbursements to which the provisions of this section would otherwise apply which are received from relatives (see §2634.105(o)) or during a period in which the filer was not an officer or employee of the Federal Government. Additionally, any food, lodging, or entertainment received as "personal hospitality of any individual," as defined in §2634.105(k), need not be reported. See also exclusions specified in the definitions of gift and reimbursement, at §2634.105(h) and (n).

(d) Aggregation exception. Any gift or reimbursement with a fair market value of $100 or less need not be aggregated for purposes of the reporting...
rules of this section. However, the acceptance of gifts, whether or not reportable, is subject to the restrictions imposed by Executive Order 12674, as modified by Executive Order 12731, and the implementing regulations on standards of ethical conduct.

NOTE: The aggregation exception for gifts or reimbursements with a fair market value of $100 or less will increase if the definition of minimal value under the Foreign Gifts and Decorations Act ever exceeds $250. Section 314(a) of Public Law 102-90 established the aggregation exception for “any gift with a fair market value of $100 or less, as adjusted at the same time and by the same percentage as the minimal value is adjusted” above $250 pursuant to 5 U.S.C. 7342(a)(5).

Example 1. An official accepts a print, a pen and pencil set, and a letter opener from a community service organization he has worked with solely in his private capacity. He determines, in accordance with paragraph (e) of this section, that these gifts are valued as follows:

Gift 1—Print: $150
Gift 2—Pen and pencil set: $105
Gift 3—Letter opener: $20

The official must disclose Gifts 1 and 2, since together they aggregate $250 or more in value from the same source. Gift 3 need not be aggregated, because its value does not exceed $100.

Example 2. An official receives the following gifts from a single source:
1. Dinner for two at a local restaurant—$120.
2. Round-trip taxi fare to meet donor at the restaurant—$25.
3. Dinner at donor’s city residence—value uncertain.
4. Round-trip airline transportation and hotel accommodations to visit Epcot Center in Florida—$400.
5. Weekend at donor’s country home, including duck hunting and tennis match—value uncertain.

The official need only disclose Gift 4. Gift 1 falls within the exception in §2634.105(h) for food and beverages not consumed in connection with a gift of overnight lodging. Gifts 3 and 5 need not be disclosed because they fall within the exception for personal hospitality of an individual. Gift 2 need not be aggregated and reported, because its value does not exceed $100.

Example 3. An official receives free tickets from an outside source for himself and his spouse to attend an awards banquet at a local club. The value of each ticket is $120. Even though this is a gift which exceeds the $250 threshold amount for disclosure, the official need not report it, because of the exception in §2634.105(h) for food and beverages not consumed in connection with a gift of overnight lodging.

NOTE: Prior to accepting this gift of tickets, the individual should consult ethics officials at his agency to determine whether standards of conduct rules will permit acceptance, depending on whether or not the donor is a prohibited source and the exact nature of the event.

Example 4. An official is asked to speak at an out-of-town meeting on a matter which is unrelated to her official duties and her agency. The round-trip airfare exceeds $250. If the official pays for the ticket and is then reimbursed by the organization to which she spoke, she must disclose this reimbursement under paragraph (b) of this section. If the organization simply provided the ticket, that must be disclosed as a gift under paragraph (a) of this section.

(e) Valuation of gifts and reimbursements. The value to be assigned to a gift or reimbursement is its fair market value. For most reimbursements, this will be the amount actually received. For gifts, the value should be determined in one of the following manners:

(1) If the gift has been newly purchased, or is readily available in the market, the value shall be its retail price. The filer need not contact the donor, but may contact a retail establishment selling similar items to determine the present cost in the market.

(2) If the item is not readily available in the market, such as a piece of art, a handmade item, or an antique, the filer may make a good faith estimate of the value of the item.

(3) The term readily available in the market means that an item generally is available for retail purchase in the metropolitan area nearest to the official’s residence.

Example 1. Items such as a pen and pencil set, letter opener, leather case or engraved pen are generally available in the market and can be determined by contacting stores which sell like items and ascertaining the retail price of each.

Example 2. The value of a dinner at a restaurant can either be the actual cost of the food and beverages or the approximate value, based on the posted fare of the restaurant. The filer need not ask to see the check.

NOTE: The market value of a ticket entitling the holder to attend an event which includes food, refreshments, entertainment or other benefits is the face value of the ticket, which may exceed the actual cost of the food and other benefits.

(f) Waiver rule in the case of certain gifts—(1) In general. In unusual cases, a gift as defined in §2634.105(h) need not be aggregated under this section by
§ 2634.305

Liabilities.

(a) In general. Each financial disclosure report filed pursuant to this part, whether public or confidential, shall identify and include a brief description of the filer’s liabilities over $10,000 owed to any creditor at any time during the reporting period, and the name of the creditors to whom such liabilities are owed. For public financial disclosure reports, the report shall designate the category of value of the liabilities in accordance with §2634.301(d) of this subpart, using the greatest amount owed to the creditor during the period.

(b) Exceptions. The following are not required to be reported under paragraph (a) of this section:

1. Personal liabilities owed to a spouse or to the parent, brother, sister, or child of the filer, spouse, or dependent child;
2. Any mortgage secured by a personal residence of the filer or his spouse;
3. Any loan secured by a personal motor vehicle, household furniture, or appliances, provided that the loan does not exceed the purchase price of the item which secures it; and
4. Any revolving charge account with an outstanding liability which does not exceed $10,000 at the close of the reporting period.

Example An incumbent official has the following debts outstanding at the end of the calendar year:
1. Mortgage on personal residence—$80,000.
2. Mortgage on rental property—$50,000.
3. VISA Card—$1,000.
4. Master Card—$11,000.
5. Loan balance of $15,000, secured by family automobile purchased for $16,200.
6. Loan balance of $10,500, secured by antique furniture purchased for $8,000.
7. Loan from parents—$20,000.

The loans indicated in items 2, 4, and 6 must be disclosed. Loan 1 is exempt from disclosure under paragraph (b)(2) of this section because it is secured by the personal residence. Loan 3 need not be disclosed under paragraph (b)(4) of this section because it is considered to be a revolving charge account with an outstanding liability that does not exceed $10,000 at the end of the reporting period. Loan 5 need not be disclosed under paragraph (b)(3) of this section because it is secured by a personal motor vehicle which was purchased for more than the value of the loan. Loan 7 need not be disclosed because the creditors are persons specified in paragraph (b)(1) of this section.

§ 2634.306

Agreements and arrangements.

Each financial disclosure report filed pursuant to this part, whether public or confidential, shall identify the parties to and the date of, and shall briefly describe the terms of, any agreement.
or arrangement of the filer in existence at any time during the reporting period with respect to:
(a) Future employment;
(b) A leave of absence from employment during the period of the reporting individual's Government service;
(c) Continuation of payments by a former employer other than the United States Government; and
(d) Continuing participation in an employee welfare or benefit plan maintained by a former employer.

§ 2634.307 Outside positions.
(a) In general. Each financial disclosure report filed pursuant to this part, whether public or confidential, shall identify all positions held at any time by the filer during the reporting period, as an officer, director, trustee, general partner, proprietor, representative, executor, employee, or consultant of any corporation, company, firm, partnership, trust, or other business enterprise, any nonprofit organization, any labor organization, or any educational or other institution other than the United States.
(b) Exceptions. The following need not be reported under paragraph (a) of this section:
(1) Positions held in any religious, social, fraternal, or political entity; and
(2) Positions solely of an honorary nature, such as those with an emeritus designation.

§ 2634.308 Reporting periods and contents of public financial disclosure reports.
(a) Incumbents. Each public financial disclosure report filed pursuant to §2634.201(a) shall include on the standard form prescribed by the Office of Government Ethics consistent with subpart F of this part and in accordance with instructions issued by that Office, a full and complete statement of the information required to be reported according to the provisions of subpart C of this part, for the preceding calendar year (or for any portion of that year not already covered by a new entrant or nominee report filed under paragraph (b) or (c) of §2634.201), and, in the case of §§2634.306 and 2634.307, for the additional period up to the date of filing.
(b) New entrants, nominees, and candidates. Each public financial disclosure report filed pursuant to §2634.201(b), (c), or (d) shall include, on the standard form prescribed by the Office of Government Ethics consistent with subpart F of this part and in accordance with instructions issued by that Office, a full and complete statement of the information required to be reported according to the provisions of subpart C of this part, except for §2634.303 (relating to purchases, sales, and exchanges of certain property) and §2634.304 (relating to gifts and reimbursements). The following special rules apply:
(1) Interests in property. For purposes of §2634.301 of this subpart, the report shall include all interests in property specified by that section which are held on or after a date which is fewer than thirty-one days before the date on which the report is filed.
(2) Income. For purposes of §2634.302 of this subpart, the report shall include all income items specified by that section which are received or accrued during the period beginning on January 1 of the preceding calendar year and ending on the date on which the report is filed, except as otherwise provided by §2634.606 relating to updated disclosure for nominees.
(3) Liabilities. For purposes of §2634.305 of this subpart, the report shall include all liabilities specified by that section which are owed during the period beginning on January 1 of the preceding calendar year and ending fewer than thirty-one days before the date on which the report is filed.
(4) Agreements and arrangements. For purposes of §2634.306 of this subpart, the report shall include only those agreements and arrangements which still exist at the time of filing.
(5) Outside positions. For purposes of §2634.307 of this subpart, the report shall include all such positions held during the preceding two calendar years and the current calendar year up to the date of filing.
(6) Certain sources of compensation. Except in the case of the President, the Vice President, or a candidate referred to in §2634.201(d), the report shall also
identify the filer's sources of compensation which exceed $5,000 during either of the preceding two calendar years or during the current calendar year up to the date of filing, and shall briefly describe the nature of the duties performed or services rendered by the reporting individual for each such source of compensation. Information need not be reported, however, which is considered confidential as a result of a privileged relationship, established by law, between the reporting individual and any person. The report also need not contain any information with respect to any person for whom services were provided by any firm or association of which the reporting individual was a member, partner, or employee, unless such individual was directly involved in the provision of such services.

Example A. A nominee who is a partner or employee of a law firm and who has worked on a matter involving a client from which the firm received over $5,000 in fees during a calendar year must report the name of the client only if the value of the services rendered by the nominee exceeded $5,000. The name of the client would not normally be considered confidential.

(c) Termination reports. Each public financial disclosure report filed under §2634.201(e) shall include, on the standard form prescribed by the Office of Government Ethics consistent with subpart F of this part and in accordance with instructions issued by that Office, a full and complete statement of the information required to be reported according to the provisions of subpart C of this part, for the period beginning on the last date covered by the most recent public financial disclosure report filed by the reporting individual under this part, or on January 1 of the preceding calendar year, whichever is later, and ending on the date on which the filer's employment terminates.

§ 2634.309 Spouses and dependent children.

(a) Special disclosure rules. Each report required by the provisions of either subpart B or subpart I of this part shall also include the following information with respect to the spouse or dependent children of the reporting individual:

(1) Income. For purposes of §2634.302 of this subpart:

(i) With respect to a spouse, the source but not the amount of items of earned income (other than honoraria) which exceed $1,000 from any one source, and if items of earned income are derived from a spouse's self-employment in a business or profession, the nature of the business or profession but not the amount of the earned income;

(ii) With respect to a spouse, the source, and for a public financial disclosure report the actual amount or value, of any honoraria received by or accrued to the spouse (or payments made or to be made to charity on the spouse's behalf in lieu of honoraria) which exceed $200 from any one source, and the date on which the services were provided; and

(iii) With respect to a spouse or dependent child, the type and source, and for a public financial disclosure report the amount or value (category or actual amount, in accordance with §2634.302 of this subpart), of all other income exceeding $200 from any one source, such as investment income from interests in property (if the property itself is reportable according to §2634.301 of this subpart).

Example 1. The spouse of a filer is employed as a teller at Bank X and earns $23,000 per year. The report must disclose that the spouse is employed by Bank X. The amount of the spouse's earnings need not be disclosed, either on a public or confidential financial disclosure report.

Example 2. The spouse of a reporting individual is self-employed as a pediatrician. The report must disclose that he is a physician, but need not disclose the amount of income, either on a public or confidential financial disclosure report.

(2) Gifts and reimbursements. For purposes of §2634.304 of this subpart, gifts and reimbursements received by a spouse or dependent child which are not received totally independent of their relationship to the filer.

(3) Interests in property, transactions, and liabilities. For purposes of §§2634.301, 2634.303 (applicable only to
§ 2634.310 Trusts, estates, and investment funds.

(a) In general. (1) Except as otherwise provided in this section, each financial disclosure report shall include the information required by this subpart or subpart I of this part about the holdings of and income from the holdings of any trust, estate, investment fund or other financial arrangement from which income is received by, or with respect to which a beneficial interest in principal or income is held by, the filer, his spouse, or dependent child.

Note: One who prepares a joint tax return with his spouse will normally derive a financial or economic benefit from assets held by the spouse, and will also be charged with knowledge of such items; therefore he could not avail himself of this exception. Likewise, a trust for the education of one's minor child normally will convey a financial benefit to the parent. If so, the assets of the trust would be reportable on a financial disclosure statement.

(b) Exception. For reports filed as a new entrant, nominee, or candidate under §2634.201(b), (c), or (d), or as a new entrant under §2634.908(b), no information regarding gifts and reimbursement or transactions is required for a spouse or dependent child.

(c) Divorce and separation. A reporting individual need not report any information about:

1. A spouse living separate and apart from the reporting individual with the intention of terminating the marriage or providing for permanent separation;
2. A former spouse or a spouse from whom the reporting individual is permanently separated; or
3. Any income or obligations of the reporting individual arising from dissolution of the reporting individual’s marriage or permanent separation from a spouse.
§ 2634.311 Special rules.

(a) Political campaign funds. Political campaign funds, including campaign receipts and expenditures, need not be included in any report filed under this part. However, if the individual has authority to exercise control over the fund’s assets for personal use rather than campaign or political purposes, that portion of the fund over which such authority exists must be reported.

(b) Certificates of Divestiture. Each public financial disclosure report required by the provisions of this part shall identify those sales which have occurred pursuant to a Certificate of Divestiture during the period covered by such report. See subpart J of this part for the rules relating to the issuance of such Certificates.

(c) Reporting standards. (1) In lieu of entering data on a schedule of the report form designated by the Office of Government Ethics, a filer may attach to the reporting form a copy of a brokerage report, bank statement, or other material, which, in a clear and concise fashion, readily discloses all information which the filer would otherwise have been required to enter on the schedule.

(2) In lieu of reporting the category of amount or value of any item listed in any public financial disclosure report filed pursuant to this part, a filer may report the actual dollar amount of such item.

Subpart D—Qualified Trusts

them) and their official responsibilities.

(i) Interested party means a Government employee, his spouse, any minor or dependent child, and their representatives in any case in which the employee, spouse, or child has a beneficial interest in the principal or income of a trust proposed for certification or certified.

(ii) Qualified blind trust. The most universally adaptable qualified trust is the qualified blind trust, defined in §2634.403 of this subpart. A trust is considered to be “blind” only with regard to those trust assets about which no interested party has knowledge. When an interested party originally places assets in trust, that party still possesses knowledge about those assets. Those original assets remain financial interests of the Government official for purposes of 18 U.S.C. 208 or for any other Federal conflict of interest statutes or regulations, until the trustee notifies the official either that a particular original asset has been disposed of or that the asset’s value is less than $1000. If the trustee sells or disposes of original trust assets and then uses the proceeds to acquire new trust holdings, or if the trustee reinvests trust income to acquire new trust holdings, a “blind” trust exists for those new holdings because the interested parties possess no information about the newly acquired assets. The holdings of a “blind” trust are not classified as financial interests of the Government official for purposes of 18 U.S.C. 208 or for any other Federal conflict of interest statutes or regulations.

(iii) Qualified diversified trust. The second type of qualified trust established by the Act is the qualified diversified trust, defined in §2634.404 of this subpart. Among other requirements, a trust is considered to be “diversified” if it can be demonstrated, to the satisfaction of the Director of the Office of Government Ethics, pursuant to §2634.404(b), that the trust assets comprise a widely diversified portfolio of readily marketable securities, and do not initially include the securities of any entities having substantial activities in the same area as the Government official’s primary area of responsibility. The trust holdings are never classified as financial interests of the Government official for purposes of 18 U.S.C. 208 or for any other Federal conflict of interest statutes or regulations.

(2) Independence of trustees and other fiduciaries. Under the Act and §2634.406 of this subpart, those entities that are authorized by the Act or by the trust instrument to manage the assets of, and to control and administer, either a qualified blind or a qualified diversified trust must be independent, in fact and in appearance, from those parties who hold beneficial interests in the trust.

(i) The independence of trustees is facilitated by limiting the entities which may serve in this capacity to certain financial institutions.

(ii) In addition to the trustee, the Act extends the independence requirement to other entities which manage trust assets or administer the trust, including officers and employees of the trustee, any other entity designated in the trust instrument to perform fiduciary duties on behalf of the trust, and the officers and employees of any other entity that is involved in the management or control of the trust, such as investment counsel, investment advisers, accountants, or tax preparers and their assistants.

(iii) Those entities governed by the Act will be considered “independent” for purposes of this subpart if, among other requirements, the entities are not affiliated with, associated with, related to, or subject to the control or influence of, any of the parties that hold a beneficial interest in the trust.

(3) Communications between trust administrators and interested parties. For purposes of Federal ethics laws, the most important feature of those qualified trusts that are recognized under the Act is the separation which those trusts foster between parties with beneficial interests in the trust and entities which manage trust assets and administer the trust instrument. Once a qualified trust has been certified, the beneficiaries and their representatives are expressly prohibited from commenting directly to the trustee about matters relating to asset management and trust holdings, or to trust administration and activities. Likewise, the
trustee must make investment decisions for the trust without consulting, or being controlled by, interested parties, and the trustee is prohibited from informing interested parties directly about trust activities, except to the limited extent required under the Act. The Act requires the trustee to provide trust beneficiaries with certain standard periodic reports. Beyond receipt of these standard reports, trust beneficiaries are prohibited from actively attempting to obtain, and from passively but knowingly obtaining, directly or indirectly, any additional information which the Act prohibits beneficiaries from obtaining, including information about trust holdings and activities. Finally, instruments creating qualified trusts must require interested parties and trustees to make all permissible communications relating to the trust and to its assets in writing, with the prior written approval of the Director of the Office of Government Ethics. Sections 2634.403-2634.405 and 2634.407 of this subpart contain standards implementing these restrictions.

(4) Trust and beneficiary taxes. For tax purposes, because a trust is a separate entity distinct from its beneficiaries, a trustee must file an annual fiduciary tax return for the trust (IRS Form 1041). In addition, the trust beneficiaries must report income received from the trust on their individual tax returns. The Act establishes special filing procedures to be used by the trustee and trust beneficiaries in order to maintain the substantive separation between trust beneficiaries and trust administration. For beneficiaries of qualified blind trusts, the trustee sends a Schedule K-1 form summarizing trust income in appropriate categories to enable the beneficiaries to file individual tax returns. For beneficiaries of qualified diversified trusts, the statute requires the trustee to file the individual tax returns on behalf of the trust beneficiaries. The beneficiaries must transmit to the trustee materials concerning taxable transactions and occurrences outside of the trust, pursuant to the requirements in each trust instrument which detail this procedure.

(b) Policy considerations and objectives underlying the qualified trust program.

(1) Prior to enactment of the Act's qualified trust provisions, there was no accepted definition of a properly formulated blind or diversified trust. However, there was general agreement that the use of blind or diversified trusts often reduced the potential for conflicts of interest if Government employees do not know the exact identity, nature, and extent of their financial interests, then the employees cannot be influenced in the performance of their official duties by those interests. Their official actions, under these circumstances, should be free from collateral attack arising out of real or apparent conflicts of interest. Therefore, the most significant objective to be achieved through the use of a blind trust is the lack of knowledge, or actual "blindness," by a Government official with respect to the holdings in his trust. The same goal may be achieved through the use of a diversified trust, if that trust holds securities from different issuers in different economic sectors, and if the trust's interest in any one issuer is limited. Under these conditions, it is unlikely that official actions taken by the Government employee who holds a beneficial interest in the trust would affect individual securities to such a degree that the overall value of the trust's portfolio would be materially enhanced. Thus, wide diversification is tantamount to actual "blindness."

(2) Because, for the trusts certified under the provisions of this subpart D, the Government official is or will become blind to the identity and nature of his actual trust holdings, the reporting requirements of section 102(f)(1) of the Act and subparts C or I of this part, which generally require Government filers to disclose the contents of a trust's portfolio, do not apply. See §2634.310 of this part. Further, as discussed in paragraphs (a)(1)(ii) and (iii) of this section, 18 U.S.C. 208 and other Federal conflict of interest laws do not generally apply to the holdings of qualified trusts, except in the case of the original assets transferred to a qualified blind trust until notice that a particular original asset has been disposed of or that the asset's value is below $1,000.
Office of Government Ethics § 2634.401

(c) Qualified trust provisions of the regulation. This subpart D prescribes standards which implement the statutory requirements and policy objectives underlying the Act's qualified blind and diversified trust provisions. The Office of Government Ethics will apply the standards of this subpart to specific cases.

(1) Classification as a qualified trust. In order to be classified as a qualified trust for purposes of the Act, blind and diversified trusts must satisfy the following three requirements:

(i) The trust document must conform to announced standards. As provided under §2634.403(b) for blind trusts and §2634.404(c) for diversified trusts, the trust document must conform to the model trust instruments which are drafted and distributed by the Office of Government Ethics for use by interested parties when drafting their trust arrangements. Prior to certifying a trust under §2634.405 of this subpart, as discussed in paragraph (c)(1)(iii) of this section, the Office of Government Ethics must approve every proposed trust document. In addition to other required provisions, the trust instrument must contain language which implements the communications restrictions discussed in paragraph (a)(3) of this section. By requiring interested parties, trustees, and other signatories to the trust instrument to include communications provisions, these regulations compel the signatories diligently to safeguard against inadvertent disclosures of precluded information to the interested parties.

(ii) Truly independent fiduciaries. As discussed in paragraph (a)(2) of this section, the fiduciaries in charge of administering and managing the assets of a qualified trust must be actually and apparently independent of the parties who hold beneficial interests in the trust, and of their representatives. To ensure such independence, §2634.406 of this subpart limits the range of permissible fiduciaries. Before a trust may be classified as a qualified blind or diversified trust, the Director of the Office of Government Ethics must conclude, in his judgment, that the trust fiduciaries named in the trust instrument satisfy the standards for independence contained in §2634.406 of this subpart.

(iii) Certification by the Office of Government Ethics. Before a trust may be classified as a qualified blind or diversified trust, the Director of the Office of Government Ethics must certify, in accordance with the standards and procedures established in §2634.405 of this subpart, that the trust meets the requirements of section 102(f) of the Act and of this subpart, that certification is in the public interest, and that certification is consistent with the policies established by these provisions and by other applicable laws and regulations. This certification is essential so that the Office can ensure, in advance that the proposed trust arrangement satisfies the established standards.

(2) Certification of pre-existing trusts. Normally, those trusts certified as qualified trusts by the Director of the Office of Government Ethics under §2634.405 of this subpart are newly created trust arrangements, formulated in accordance with established standards by representatives of the interested parties in consultation with the Office of Government Ethics. However, the Director may certify a pre-existing trust as a qualified blind or qualified diversified trust under §2634.403 (blind) or §2634.404 (diversified) if he determines that such action is appropriate and is sufficient to ensure compliance with applicable laws and regulations. The pre-existing trust proposed for certification must meet both the generally applicable trust requirements, and several special requirements contained in §2634.405(c) of this subpart, including that all of the parties to the original trust agree to administer the trust in accordance with the requirements of this subpart. The pre-existing trust may be certified only if all of the conditions of this subpart are fulfilled, and if the requisite confidentiality can be assured with respect to the trust.

(3) Reporting requirements. Once a trust is classified as a qualified blind or qualified diversified trust in the manner discussed under paragraph (c)(1) of this section, §2634.310(b) applies less inclusive financial disclosure requirements to the trust assets.

(4) Sanctions and enforcement. Section 2634.702 provides civil sanctions which apply to any Government official or
trust fiduciary who violates his obligations under the Act, its implementing regulations, or the trust instrument. In addition, the Office of Government Ethics has authority under the Act to impose appropriate administrative or other sanctions. Subpart E of this part delineates the procedure which must be followed with respect to the revocation of trust certificates and trustee approvals.

(d) Drafting and implementation of the qualified trust instrument. (1) The overview of the qualified trust program contained in this section cannot anticipate every concern or question, or discuss every scenario which might arise in the course of formulating and implementing a qualified trust instrument. The Office of Government Ethics should be contacted by an interested party or by his professional representatives if the Act, the implementing regulations, and the trust instrument itself do not provide guidance in a particular instance.

(2) No trust will be considered “qualified” for purposes of the Act until the Office of Government Ethics certifies the trust prior to execution. The Office of Government Ethics makes available to attorneys model trust agreements for use in drafting proposed trust agreements which are to be submitted to the Office for certification. Attorneys are cautioned to consider each model provision in light of the circumstances presented by the particular case, and to modify provisions to the extent that such modifications are necessary or appropriate. Attorneys should not rely uncritically upon the language of the model agreements. However, many of the model provisions implement the minimum requirements which must be contained in any trust instrument certified by the Office. Certificates of Independence for fiduciaries must be executed in the form indicated in appendix A of this part.

(3) The Office of Government Ethics does not draft trust instruments for use in individual cases. However, its staff is always willing to cooperate with attorneys and to make its experience available to them in developing appropriate trust instruments which satisfy applicable Federal laws, Executive orders and regulations. If the use of a qualified trust is contemplated in a particular case, it is strongly recommended that the interested parties or their representatives contact the Office of Government Ethics as early as possible.

(4) Prior to trust certification, prospective trustees or their representatives should schedule with the staff of the Office of Government Ethics an appointment for an orientation to the specialized requirements and procedures which have been established by the Act and the regulations with respect to qualified trust administration.

§ 2634.402 Special notice for advice-and-consent nominees.

(a) In general. In any case in which the establishment of a qualified diversified trust is contemplated with respect to a reporting individual whose nomination is being considered by a Senate committee, that individual shall inform the committee of the intention to establish a qualified diversified trust at the time of filing a financial disclosure report with the committee.

(b) Applicability. The rule of this section is not applicable to members of the uniformed services or Foreign Service officers. The special notice requirement of this section shall not preclude an individual from seeking the certification of a qualified blind trust or qualified diversified trust after the Senate has given its advice and consent to a nomination.

§ 2634.403 Qualified blind trusts.

(a) Definition. A qualified blind trust is a trust in which the filer, his spouse, or his minor or dependent child has a beneficial interest, which is certified pursuant to §2634.405 of this subpart by the Director of the Office of Government Ethics, and which includes in the trust instrument in the provisions required by paragraph (b) of this section, and has an independent trustee as defined in §2634.406 of this subpart. See section 102(f)(3) of the Act.

(b) Required provisions. The instrument which establishes a blind trust must adhere substantively to model drafts circulated by the Office of Government Ethics, and must provide that:
(1) The primary purpose of the blind trust is to confer on the independent trustee and any other designated fiduciary the sole responsibility to administer the trust and to manage trust assets without the participation by, or the knowledge of, any interested party. This includes the duty to decide when and to what extent the original assets of the trust are to be sold or disposed of and in what investments the proceeds of sale are to be reinvested;

(2) The trustee and any other designated fiduciary in the exercise of their authority and discretion to manage and control the assets of the trust shall not consult or notify any interested party;

(3) None of the assets initially placed in the trust’s portfolio shall include assets the holding of which by any interested party would be prohibited by the Act, by the implementing regulations, or by any other applicable Federal law, Executive order, or regulation;

(4) Any portfolio asset transferred to the trust by an interested party is free of any restriction with respect to its transfer or sale, except as fully described in schedules attached to the trust instrument, and as approved by the Director of the Office of Government Ethics;

(5) During the term of the trust, the interested parties shall not pledge, mortgage, or otherwise encumber their interests in the property held by the trust;

(6) The trustee shall promptly notify the filer and the Director of the Office of Government Ethics when any particular asset transferred to the trust by an interested party is free of any restriction with respect to its transfer or sale, except as fully described in schedules attached to the trust instrument, and as approved by the Director of the Office of Government Ethics;

(7) The trustee or his designee shall prepare the trust’s income tax return. Under no circumstances shall the trustee or any other designated fiduciary disclose publicly, or to any interested party, the trust’s tax return, any information relating to that return except for a summary of trust income in categories necessary for an interested party to complete his individual tax return, or any information which might specifically identify current trust assets, or those assets which have been sold or disposed of from trust holdings, other than information relating to the sale or disposition of original trust assets under paragraph (b)(6) of this section;

(8) An interested party shall not receive any report on trust holdings and sources of trust income, except that the trustee shall, without identifying specifically any asset or holding:

(i) Report quarterly the aggregate market value of the assets representing the interested party’s interest in the trust;

(ii) Report the net income or loss of the trust, and any other information necessary to enable the interested party to complete his individual income tax return; and

(iii) Report annually, for purposes of section 102(a)(1)(B) of the Act, the aggregate amount of the trust’s income attributable to the interested party's beneficial interest in the trust, categorized in accordance with §2634.302(b);

(9) There shall be no direct or indirect communication with respect to the trust between an interested party and the independent trustee or any other designated fiduciary with respect to the trust unless:

(i) Such communication is in writing, with the prior written approval of the Director of the Office of Government Ethics and is filed with the Director in accordance with §2634.408(c) of this subpart; and

(ii) It relates only:

(A) To the request for a distribution from the trust, which does not specify whether the distribution shall be made in cash or in kind;

(B) To the general financial interest and needs of the interested party including, but not limited to, a preference for maximizing current income or long-term capital appreciation;

(C) To notification of the trustee by the interested party that the interested party is prohibited by subsequently applicable statute, Executive order, or regulation from holding an asset, and to directions to the trustee that the trust shall not hold that asset; or

(D) To instructions to the trustee to sell all of an asset which was initially placed in the trust by an interested party, and which, in the determination
of the filer creates a real or apparent conflict due to duties subsequently assumed by the filer (but the filer is not required to give such directions);

NOTE: By the terms of paragraph (3)(C)(vi) of section 102(f) of the Act, communications which solely consist of requests for distributions of cash or other unspecified assets of the trust are not required to be in writing. Further, there is no statutory mechanism for pre-screening of proposed communications. However, experience of the Office of Government Ethics over the years dictates the necessity of prohibiting any oral communications between the trustee and an interested party with respect to the trust and pre-screening all proposed written communications, to prevent inadvertent prohibited communications and preserve confidence in the Federal qualified trust program. Accordingly, under its authority pursuant to paragraph (3)(D) of section 102(f) of the Act, the Office of Government Ethics will not approve proposed trust instruments which do not contain language conforming to this policy, except in unusual cases where compelling necessity is demonstrated to the Director, in his sole discretion.

(10) The interested parties shall not take any action to obtain, and shall take reasonable action to avoid receiving, information with respect to the holdings and the sources of income of the trust, including a copy of any trust tax return filed by the trustee, or any information relating to that return, except for the reports and information specified in paragraphs (b)(6) and (b)(8) of this section;

(11) An independent trustee and any other designated fiduciary shall file, with the Director of the Office of Government Ethics by May 15th following any calendar year during which the trust was in existence, a properly executed Certificate of Compliance in the form prescribed in appendix B to this part. In addition, the independent trustee and such fiduciary shall maintain and make available for inspection by the Office of Government Ethics, as it may from time to time direct, the trust’s books of account and other records and copies of the trust’s tax returns for each taxable year of the trust;

(12) Neither the trustee nor any other designated fiduciary shall knowingly and willfully, or negligently:

(i) Disclose to any interested party any information regarding the trust that may not be disclosed pursuant to title I of the Act, the implementing regulations, or the trust instrument;

(ii) Acquire any holding the ownership of which is prohibited by, or not in accordance with, the terms of the trust instrument;

(iii) Solicit advice from any interested party with respect to the trust, if such solicitation is prohibited by title I of the Act, the implementing regulations, or the trust instrument; or

(iv) Fail to file any document required by title I of the Act or by this part;

(13) An interested party shall not knowingly and willfully, or negligently:

(i) Solicit or receive any information regarding the trust that may not be disclosed pursuant to title I of the Act, the implementing regulations, or the trust instrument; or

(ii) Fail to file any document required by title I of the Act or by this part;

(14) No person, including investment counsel, investment advisers, accountants, and tax preparers, may be employed or consulted by an independent trustee or any other designated fiduciary to assist in any capacity to administer the trust or to manage and control the trust assets, unless the following four conditions are met:

(i) When any interested party learns about such employment or consultation, the person must sign the trust instrument as a party, subject to the prior approval of the Director of the Office of Government Ethics;

(ii) Under all the facts and circumstances, the person is determined pursuant to the requirements for eligible entities under §2634.406 of this subpart to be independent of any interested party with respect to the trust arrangement;

(iii) The person is instructed by the independent trustee or other designated fiduciary not to disclose publicly or to any interested party information which might specifically identify current trust assets which have been sold or disposed of from trust holdings, other than information relating to the sale or disposition of original trust assets under paragraph (b)(6) of this section; and
(iv) The person is instructed by the trustee or other designated fiduciary to have no direct communication with respect to the trust with any interested party, and to make all indirect communications with respect to the trust only through the trustee, pursuant to paragraph (b)(9) of this section;

(15) The trustee shall not acquire by purchase, grant, gift, exercise of option, or otherwise, without the prior written approval of the Director of the Office of Government Ethics, securities, cash, or other property from any interested party;

(16) The existence of any banking or other client relationship between any interested party and an independent trustee or any other designated fiduciary shall be disclosed in schedules attached to the trust instrument, and no other such relationship shall be instituted unless that relationship is disclosed to the Director of the Office of Government Ethics; and

(17) The independent trustee and any other designated fiduciary shall be compensated in accordance with schedules annexed to the trust instrument.

§ 2634.404 Qualified diversified trusts.

(a) Definition. A qualified diversified trust is any trust in which the filer, his spouse, or his minor or dependent child has a beneficial interest, which is certified pursuant to §2634.405 of this subpart by the Director of the Office of Government Ethics, which has a portfolio as specified in paragraph (b) of this section, and which includes in the trust instrument the provisions required by paragraph (c) of this section and has an independent trustee as defined in §2634.406 of this subpart. See section 102(f)(4)(B) of the Act.

(b) Required portfolio—(1) Standards for initial assets. It must be established, to the satisfaction of the Director of the Office of Government Ethics, that the initial assets of the trust proposed for certification comprise a widely diversified portfolio of readily marketable securities. The reporting individual or other interested party shall provide the Director with a detailed list of the securities proposed for inclusion in the portfolio, specifying their fair market values and demonstrating that these securities meet the requirements of this paragraph. The initial trust portfolio may not contain securities of issuers having substantial activities in the reporting individual's primary area of responsibility. If requested by the Director, the designated agency ethics official for the reporting individual's employing agency shall certify whether the proposed portfolio meets this standard.

(2) Diversification standards. For purposes of paragraph (b)(1) of this section, a portfolio will be widely diversified if:

(i) The value of the securities concentrated in any particular or limited industrial, economic or geographic sector is no more than twenty percent of the total; and

(ii) The value of the securities of any single issuer (other than the United States Government) is no more than five percent of the total.

(3) Marketability standard. For purposes of paragraph (b)(1) of this section, a security will be readily marketable if:

(i) Daily price quotations for the security appear regularly in newspapers of general circulation; and

(ii) The trust holds the security in a quantity that does not unduly impair liquidity.

(c) Required provisions. The instrument which establishes a diversified trust must adhere substantively to model drafts circulated by the Office of Government Ethics, and must provide that:

(1) The primary purpose of the diversified trust is to confer on the independent trustee and any other designated fiduciary the sole responsibility to administer the trust and to manage trust assets without the participation by, or the knowledge of, any interested party. This includes the duty to decide when and to what extent the original assets of the trust are to be sold or disposed of and in what investments the proceeds of sale are to be reinvested;

(2) The trustee and any other designated fiduciary in the exercise of their authority and discretion to manage and control the assets of the trust...
shall not consult or notify any interested party;

(3) The trust's initial assets shall comprise a widely diversified portfolio of readily marketable securities, in accordance with the principles of paragraph (b) of this section, and the trustee shall not acquire additional securities in excess of the diversification standards;

(4) Any portfolio asset transferred to the trust by an interested party is free of any restriction with respect to its transfer or sale, except as fully described in schedules attached to the trust instrument, and as approved by the Director of the Office of Government Ethics;

(5) During the term of the trust, the interested parties shall not pledge, mortgage, or otherwise encumber their interests in the property held under the trust;

(6) None of the assets initially placed in the trust's portfolio shall consist of securities of issuers having substantial activities in the reporting individual's primary area of Federal responsibility;

(7) The trustee or designee shall prepare the trust's income tax return and, on behalf of any interested party, the personal income tax returns and similar tax documents which may contain information relating to the trust. Under no circumstances shall the trustee or any other designated fiduciary disclose publicly or to any interested party, any of the returns prepared by the trustee or his designee, any information relating to those returns, or any information which might specifically identify current trust assets, or those assets which have been sold or disposed of from trust holdings;

(8) An interested party shall not receive any report on trust holding and sources of trust income, except that the trustee shall, without identifying specifically any asset or holding:

(i) Report quarterly the aggregate market value of the assets representing the interested party's interest in the trust; and

(ii) Report annually, for purposes of section 102(a)(1)(B) of the Act, the aggregate amount actually distributed from the trust to such interested party, or applied for the party's benefit;

(9) There shall be no direct or indirect communication with respect to the trust between an interested party and the independent trustee or any other designated fiduciary unless:

(i) Such communication is in writing, with the prior written approval of the Director of the Office of Government Ethics and is filed with the Director in accordance with §2634.408(c) of this subpart; and,

(ii) It relates only:

(A) To the request for a distribution from the trust, which does not specify whether the distribution shall be made in cash or in kind;

(B) To the general financial interest and needs of the interested party including, but not limited to, a preference for maximizing current income or long-term capital appreciation; or

(C) To information, documents, and funds concerning income tax obligations arising from sources other than the property held in trust, which are required by the trustee to enable him to file, on behalf of an interested party, the personal income tax returns and similar tax documents which may contain information relating to the trust;

NOTE: By the terms of paragraph (3)(C)(vi) of section 102(f) of the Act, communications which solely consist of requests for distributions of cash or other unspecified assets of the trust are not required to be in writing. Further, there is no statutory mechanism for pre-screening of proposed communications. However, experience of the Office of Government Ethics over the years dictates the necessity of prohibiting any oral communications between the trustee and an interested party with respect to the trust and prescreening all proposed written communications, to prevent inadvertent prohibited communications and preserve confidence in the Federal qualified trust program. Accordingly, under its authority pursuant to paragraph (3)(D) of section 102(f) of the Act, the Office of Government Ethics will not approve proposed trust instruments which do not contain language conforming to this policy, except in unusual cases where compelling necessity is demonstrated to the Director, in his sole discretion.

(10) The interested parties shall not seek to obtain, and shall take reasonable action to avoid receiving, information with respect to trust holdings and sources of trust income, including a copy of any tax return filed by the trustee, or any information relating to
that return, except for the reports and information specified in paragraph (c)(8) of this section;

(11) An independent trustee and any other designated fiduciary shall file, with the Director of the Office of Government Ethics, by May 15 following any calendar year during which the trust was in existence, a properly executed Certificate of Compliance in the form prescribed in appendix B to this part. In addition, the independent trustee and any other designated fiduciary shall maintain and make available for inspection by the Office of Government Ethics, as it may from time to time direct, the trust’s books of account and other records and copies of the trust’s tax returns for each taxable year of the trust;

(12) Neither the trustee nor any other designated fiduciary shall knowingly and willfully, or negligently:

(i) Disclose to any interested party any information regarding the trust that may not be disclosed pursuant to title I of the Act, the implementing regulations, or the trust instrument;

(ii) Acquire any holding the ownership of which is prohibited by, or not in accordance with, the terms of the trust instrument;

(iii) Solicit advice from any interested party with respect to the trust, if such solicitation is prohibited by title I of the Act, the implementing regulations, or the trust instrument; or

(iv) Fail to file any document required by title I of the Act or by this part;

(13) An interested party shall not knowingly and willfully, or negligently:

(i) Solicit or receive any information regarding the trust that may not be disclosed pursuant to title I of the Act, the implementing regulations, or the trust instrument; or

(ii) Fail to file any document required by title I of the Act or by this part;

(14) No person, including investment counsel, investment advisers, accountants, and tax preparers, may be employed or consulted by an independent trustee or any other designated fiduciary to assist in any capacity to administer the trust or to manage and control the trust assets, unless, the following four conditions are met:

(i) When an interested party learns about such employment or consultation, the person must sign the trust instrument as a party, subject to the prior approval of the Director of the Office of Government Ethics;

(ii) Under all the facts and circumstances, the person is determined pursuant to the requirements for eligible entities under §2634.406 of this subpart to be independent of any interested party with respect to the trust arrangement;

(iii) The person is instructed by the independent trustee or other designated fiduciary to disclose publicly or to any interested party information which might specifically identify current trust assets or those assets which have been sold or disposed of from trust holdings; and

(iv) The person is instructed by an independent trustee or other designated fiduciary to have no direct communication with respect to the trust with any interested party, and to make all indirect communications with respect to the trust only through the trustee, pursuant to paragraph (c)(9) of this section;

(15) The trustee shall not acquire by purchase, grant, gift, exercise of option, or otherwise, without the prior written approval of the Director of the Office of Government Ethics, any securities, cash, or other property from any interested party;

(16) The existence of any banking or other client relationship between any interested party and an independent trustee or other designated fiduciary shall be disclosed in schedules attached to the trust instrument, and no other such relationship shall be instituted unless that relationship is disclosed to the Director of the Office of Government Ethics; and

(17) The independent trustee and any other designated fiduciary shall be compensated in accordance with schedules annexed to the trust instrument.

(d) Personal income tax returns. In the case of a trust to which this section applies, the trustee shall be given power of attorney to prepare, and shall file, on behalf of any interested party, the
§ 2634.405 Certification of trusts.

(a) Standards. Before a trust may be classified as a qualified blind or a qualified diversified trust, under the provisions of §2634.403 or §2634.404 of this subpart, respectively, the trust must be certified by the Director of the Office of Government Ethics.

(1) A trust will be certified for purposes of this subpart only if:

(i) It is established to the Director's satisfaction that the requirements of section 102(f) of the Act and this subpart have been met;

(ii) Certification is in the public interest; and

(iii) Certification is consistent with the policies established by the Act, this subpart and other applicable laws and regulations.

(2) Certification will not be granted in any case in which, in the Director's sole judgment, such action would not be appropriate because of the ready availability of other remedies, the lack of any substantive ethical concern which would warrant the establishment of a qualified trust, or the nature or negligible value of the assets proposed for a trust's initial portfolio.

(b) Certification procedures. The interested parties or their representatives should first consult the staff of the Office of Government Ethics concerning the appropriateness of, and requirements for, certification in the particular case. In order to assure timely trust certification, the interested parties shall be responsible for the expeditious submission to the Office of all required documents and responses to requests for information, including a statement that any interested party who will be a party to a certified trust instrument has read and understands the overview of executive branch qualified trusts in §2634.401(a) of this subpart. Certification shall be indicated by a letter from the Director to the interested parties or their representatives.

(c) Certification of pre-existing trusts. In addition to the normally applicable rules of this subpart D, other considerations apply to pre-existing trusts. Generally, in the case of a pre-existing trust whose terms do not permit amendments satisfying the rules of this subpart, all of the relevant parties (including the reporting individual, any other interested parties, the trustee of the pre-existing trust, and all of its other parties and beneficiaries) will be required pursuant to section 102(f)(7) of the Act to enter into an umbrella agreement specifying that the pre-existing (underlying) trust will be administered in accordance with the provisions of this subpart. A parent or guardian may execute the umbrella agreement on behalf of a required participant who is a dependent child. The umbrella agreement will be certified as a qualified trust if all requirements of this subpart are fulfilled under conditions where required confidentiality with respect to the trust can be assured. A copy of the underlying trust instrument, and a list of its assets at the time the umbrella agreement is certified as a qualified trust (categorized as to value in accordance with §2634.301(d)), shall be filed with the executed umbrella trust instrument as specified by §2634.408(a)(1)(i) of this subpart.

(d) Review of certification. The Office of Government Ethics shall maintain a program to assess, on a frequent basis, the appropriateness of any trust certification which has been granted.

(e) Revocation of certification and modification of trust instrument. Certification of a trust may be revoked pursuant to the rules of subpart E of this part. The terms of a qualified trust may not be revoked or amended, except with the prior written approval of the Director, and upon a showing of necessity and appropriateness.

§ 2634.406 Independent trustees.

(a) Standards. (1) The term independent trustee means any entity referred to in paragraph (a)(2) of this section
which, under all the facts and circumstances, is determined by the Director of the Office of Government Ethics and in the Director’s sole discretion, to be independent of any interested party with respect to a trust proposed for certification under this subpart. The term includes, unless the context indicates otherwise, in addition to the party to a trust instrument who is designated to serve as trustee, those parties who are designated to perform fiduciary duties. Approval of a proposed trustee or other designated fiduciary shall be granted only if it is established to the Director’s satisfaction that the requirements of section 102 of the Act and this subpart have been met, and that approval in the case is in the public interest and consistent with the policies established by those provisions and other applicable laws and regulations.

(2) Eligible entities. Eligibility to serve as a trustee or other fiduciary under this section is limited to a financial institution (not a person), not more than 10 percent of which is owned or controlled by a single individual, which is:

(i) A bank, as defined in 12 U.S.C. 1841(c); or

NOTE: By the terms of paragraph (3)(A)(i) of section 102(f) of the Act, an individual who is an attorney, a certified public accountant, a broker, or an investment advisor is also eligible to serve as an independent trustee. However, experience of the Office of Government Ethics over the years dictates the necessity of limiting service as a trustee or other fiduciary to the financial institutions referred to in this paragraph, to maintain effective administration of trust arrangements and preserve confidence in the Federal qualified trust program. Accordingly, under its authority pursuant to paragraph (3)(D) of section 102(f) of the Act, the Office of Government Ethics will not approve proposed trustees or other fiduciaries who are not financial institutions, except in unusual cases where compelling necessity is demonstrated to the Director, in his sole discretion.

(3) Requirements. No eligible entity shall be determined to be an independent trustee under this section unless:

(i) That entity is independent of and unassociated with any interested party so that it cannot be controlled or influenced in the administration of the trust by any interested party; and
(ii) That entity is not and has not been affiliated with any interested party, and is not a partner of, or involved in any joint venture or other investment or business with, any interested party; and
(iii) Any director, officer, or employee of such entity:

(A) Is independent of and unassociated with any interested party so that such director, officer, or employee cannot be controlled or influenced in the administration of the trust by any interested party.
(B) Is not and has not been employed by any interested party, not served as a director, officer, or employee of any organization affiliated with any interested party, and is not and has not been a partner of, or involved in any joint venture or other investment with, any interested party; and
(C) Is not a relative of any interested party.

(b) Approval procedures. (1) Appropriate documentation to establish, pursuant to the requirements of paragraph (a)(3) of this section, the independence of a proposed trustee or any other person to be designated in a trust instrument to perform fiduciary duties shall be submitted to the Office of Government Ethics in writing, including the Certificate of Independence in the form prescribed in appendix A of this part. The existence of any other banking or client relationship between an interested party and a proposed trustee or other designated fiduciary must be disclosed in such documentation, and may be subject to discontinuance as a condition of approval.

(2) The Director shall indicate approval of a proposed trustee, and of any other person designated in the trust instrument to perform fiduciary duties, by reporting such approval in writing to the interested parties or to their representatives.

(c) Review of approval. The Office of Government Ethics shall maintain a program to assess, on a frequent basis, the appropriateness of any approval which has been granted under this section.
§ 2634.407 Restrictions on fiduciaries and interested parties.

(a) Restrictions applicable to trustees and other fiduciaries. Any trustee or any other designated fiduciary of a qualified trust shall not knowingly or negligently:

(1) Disclose any information to an interested party with respect to the trust that may not be disclosed under title I of the Act, the implementing regulations or the trust instrument;

(2) Acquire any holding:

(i) Directly from an interested party without the prior written approval of the Director; or

(ii) The ownership of which is prohibited by, or not in accordance with, title I of the Act, the implementing regulations, the trust instrument, or with other applicable statutes and regulations;

(3) Solicit advice from any interested party with respect to such trust, which solicitation is prohibited by title I of the Act, the implementing regulations, or the trust instrument; or

(4) Fail to file any document required by the implementing regulations or the trust instrument.

(b) Restrictions applicable to interested parties. An interested party to a qualified trust shall not knowingly or negligently:

(1) Solicit or receive any information about the trust that may not be disclosed under title I of the Act, the implementing regulations, or the trust instrument; or

(2) Fail to file any document required by this subpart or the trust instrument.

§ 2634.408 Special filing requirements for qualified trusts.

(a) The interested party. In the case of any qualified trust, the Government employee or other interested party shall:

(1) Execution of the trust. Within thirty days after the trust is certified under §2634.405 of this subpart by the Director of the Office of Government Ethics, file with the Director a copy of:

(i) The executed trust instrument of the trust (other than those provisions which relate to the testamentary disposition of the trust assets); and

(ii) A list of the assets which were transferred to the trust, categorized as to value of each asset in accordance with §2634.301(d);

(2) Transfer of assets. Within thirty days of transferring an asset, other than cash, to a qualified trust, file a report with the Director of the Office of Government Ethics, which identifies and briefly describes each asset, categorized as to value in accordance with §2634.301(d);

(3) Dissolution of the trust. Within thirty days of the dissolution of a qualified trust:

(i) File a report of the dissolution with the Director of the Office of Government Ethics; and

(ii) File with the Director a list of assets of the trust at the time of the dissolution, categorized as to value in accordance with §2634.301(d).

(b) Trustees and other designated fiduciaries. An independent trustee of a qualified trust, and any other person designated in the trust instrument to perform fiduciary duties, shall file, with the Director of the Office of Government Ethics by May 15th following any calendar year during which the trust was in existence, a properly executed Certificate of Compliance in the form prescribed by appendix B of this part. In addition, an independent trustee and other fiduciaries shall maintain and make available for inspection by the Office of Government Ethics, as it may from time to time direct, the trust’s books of account and other records and copies of the trust’s tax returns for each taxable year of the trust.

(c) Written communications. All communications between an interested party and the trustee of a qualified trust must, under this subpart, have the prior written approval of the Director of the Office of Government Ethics. After such an approved written communication (including those communications described in §2634.403(b)(9) or §2634.404(c)(9) of this subpart) has been transmitted, the person initiating the communication shall file a copy of the communication within five days of its
§ 2634.503 Determinations.

(a) Where the Senior Attorney concludes that violations or apparent violations of the trust restrictions exist and may warrant revocation of trust certification or trustee approval previously granted under § 2634.405 or § 2634.406 of this subpart, the Senior Attorney may, pursuant to the procedure specified in paragraph (b) of this section, conduct a review of the matter, and may submit findings and a recommendation concerning final action to the Director of the Office of Government Ethics.

(b) Review procedure. (1) In his review of the matter, the Senior Attorney shall perform such examination and analysis of violations or apparent violations as he deems reasonable.

(2) The Senior Attorney shall provide an independent trustee and, if appropriate, the interested parties, with:

(i) Notice that revocation of trust certification or trustee approval is under consideration pursuant to the procedures in this subpart;

(ii) A summary of the violation or apparent violations which shall state the preliminary facts and circumstances of the transactions or occurrences involved with sufficient particularity to permit the recipients to determine the nature of the allegations; and

(iii) Notice that the recipients may present evidence and submit statements on any matter in issue within ten business days of the recipient's actual receipt of the notice and summary.

(c) Determination. (1) In making determinations with respect to the violations or apparent violations under this section, the Director of the Office of Government Ethics shall consider the findings and recommendations of final action submitted by the Senior Attorney under paragraph (a) of this section, as well as the written record of review compiled under paragraph (b) of this section.

(2) If the Director finds a violation or violations of the trust restrictions he may, as he deems appropriate:
§ 2634.601 Report forms.

(a) The Office of Government Ethics provides, through the Federal Supply Service of the General Services Administration (GSA), a standard form, the SF 278 (Public Financial Disclosure Report), for reporting the information described in subpart B of this part on executive branch public disclosure. The Office of Government Ethics also provides two uniform formats relating to confidential financial disclosure: OGE Form 450 (Confidential Financial Disclosure Report) for reporting the information described in subpart I of this part on executive branch confidential disclosure; and OGE Optional Form 450-A (Confidential Certificate of No New Interests) for voluntary use by certain employees in lieu of filing an annual OGE Form 450, if authorized by their agency, in accordance with §2634.905(d) of subpart I of this part. Supplies of these forms are to be reproduced locally by each agency, from a camera-ready copy or an electronic format made available by the Office of Government Ethics. (Until August 31, 1997, the old SF 450 remains usable, rather than the new OGE Form 450, and is available from GSA’s Federal Supply Service.)

(b) Subject to the prior written approval of the Director of the Office of Government Ethics, an agency may require employees to file additional confidential financial disclosure forms which supplement either or both of the standard forms referred to in paragraph (a) of this section, if necessary because of special or unique agency circumstances. The Director may approve such agency forms when, in his opinion, the supplementation is shown to be necessary for a comprehensive and effective agency ethics program to identify and resolve conflicts of interest. See §§2634.103 and 2634.901.

(c) Reports concerning payments made to charitable organizations in lieu of honoraria shall also be filed on the separate standard form provided in conjunction with part 2636 of this chapter, and in accordance with the procedures specified therein.

(d) The information collection and recordkeeping requirements have been approved by the Office of Management and Budget under control number 3209-0001 for the SF 278, and control number 3209-0006 for OGE Form 450/SF 450. OGE Optional Form 450-A has been determined not to require an OMB paperwork control number, as its use is strictly optional for employees, it is used exclusively by current Government employees, and it does not require affirmative disclosure of substantive information.

§ 2634.602 Filing of reports.

(a) Except as otherwise provided in this section, the reporting individual shall file financial disclosure reports required under this part with the designated agency ethics official or his delegate at the agency where the individual is employed, or was employed immediately prior to termination of employment, or in which he will serve. Detailees shall file with their primary agency. Reports are due at the times indicated in §2634.201 of subpart B (public disclosure) or §2634.903 of subpart I (confidential disclosure) of this part.
(a) Each agency shall make available to the public in accordance with the provisions of this section those public reports filed with the agency by reporting individuals described under subpart B of this part.

(b) This section does not require public availability of those reports filed by:

(1) Any individual in the Central Intelligence Agency, the Defense Intelligence Agency, or the National Security Agency, or any individual engaged in intelligence activities in any agency of the United States, if the President finds or has found that, due to the nature of the office or position occupied by that individual, public disclosure of the report would, by revealing the identity of the individual or other sensitive information, compromise the national interest of the United States. Individuals referred to in this paragraph who are exempt from the public availability requirement may also be authorized, notwithstanding §2634.701, to file any additional reports necessary to protect their identity from public disclosure, if the President finds or has found that such filings are necessary in the national interest; or

(2) An independent counsel whose identity has not been disclosed by the Court under 28 U.S.C chapter 40, or any person appointed by that independent counsel under such chapter.

(c) Each agency shall, within thirty days after any public report is received by the agency, permit inspection of the report by, or furnish a copy of the report to, any person who makes written application as provided by agency procedure. Agency reviewing officials and the support staffs who maintain the
files, the staff of the Office of Government Ethics, and Special Agents of the Federal Bureau of Investigation who are conducting a criminal inquiry into possible conflict of interest violations need not submit an application. The agency may utilize Office of Government Ethics Form 201 for such applications. An application shall state:

1. The requesting person's name, occupation, and address;
2. The name and address of any other person or organization on whose behalf the inspection or copy is requested; and
3. That the requesting person is aware of the prohibitions on obtaining or using the report set forth in paragraph (f) of this section.

(d) Applications for the inspection of or copies of public reports shall also be made available to the public throughout the period during which the report itself is made available, utilizing the procedures in paragraph (c) of this section.

(e) The agency may require a reasonable fee, established by agency regulation, to recover the direct cost of reproduction or mailing of a public report, excluding the salary of any employee involved. A copy of the report may be furnished without charge or at a reduced charge if the agency determines that waiver or reduction of the fee is in the public interest. The criteria used by an agency to determine when a fee will be reduced or waived shall be established by regulation. Agency regulations contemplated by paragraph (e) of this section do not require approval pursuant to §2634.103.

(f) It is unlawful for any person to obtain or use a public report:
1. For any unlawful purpose;
2. For any commercial purpose, other than by news and communications media for dissemination to the general public;
3. For determining or establishing the credit rating of any individual; or
4. For use, directly or indirectly, in the solicitation of money for any political, charitable, or other purpose.

Example 1. The deputy general counsel of Agency X is responsible for reviewing the public financial disclosure reports filed by persons within that agency. The agency personnel director, who does not exercise functions within the ethics program, wishes to review the disclosure report of an individual within the agency. The personnel director must file an application to review the report. However, the supervisor of an official with whom the deputy general counsel consults concerning matters arising in the review process need not file such an application.

Example 2. A state law enforcement agent is conducting an investigation which involves the private financial dealings of an individual who has filed a public financial disclosure report. The agent must complete a written application in order to inspect or obtain a copy.

Example 3. A financial institution has received an application for a loan from an official which indicates her present financial status. The official has filed a public financial disclosure statement with her agency. The financial institution cannot be given access to the disclosure form for purposes of verifying the information contained on the application.

(g)(1) Any public report filed with an agency or transmitted to the Director of the Office of Government Ethics under this section shall be retained by the agency, and by the Office of Government Ethics when it receives a copy. The report shall be made available to the public for a period of six years after receipt. After the six-year period, the report shall be destroyed unless needed in an ongoing investigation, except that in the case of an individual who filed the report pursuant to §2634.201(c) as a nominee and was not subsequently confirmed by the Senate, or who filed the report pursuant to §2634.201(d) as a candidate and was not subsequently elected, the report, unless needed in an ongoing investigation, shall be destroyed one year after the individual either is no longer under consideration by the Senate or is no longer a candidate for nomination or election to the Office of President or Vice President. See also the OGE/GOVT–1 Governmentwide executive branch Privacy Act system of records (available for inspection at the Office of Government Ethics), as well as any applicable agency system of records.

(2) For purposes of paragraph (g)(1) of this section, in the case of a reporting individual with respect to whom a trust has been certified under subpart D of this part, a copy of the qualified trust agreement, the list of assets initially placed in the trust, and all other...
Office of Government Ethics § 2634.605

publicly available documents relating to the trust shall be retained and made available to the public until the periods for retention of all other reports of the individual have lapsed under paragraph (g)(1) of this section.

(Approved by the Office of Management and Budget under control numbers 3209-0001 and 3209-0002)

§ 2634.604 Custody of and denial of public access to confidential reports.

(a) Any report filed with an agency under subpart I of this part shall be retained by the agency for a period of six years after receipt. After the six-year period, the report shall be destroyed unless needed in an ongoing investigation. See also the OGE/GOVT-2 Governmentwide executive branch Privacy Act system of records (available for inspection at the Office of Government Ethics), as well as any applicable agency system of records.

(b) The reports filed pursuant to subpart I of this part are confidential. No member of the public shall have access to such reports, except pursuant to the order of a Federal court or as otherwise provided under the Privacy Act. See 5 U.S.C. 552a and the OGE/GOVT-2 Governmentwide executive branch Privacy Act system of records (and any applicable agency system); 5 U.S.C. app. (Ethics in Government Act of 1978, section 107(a)); sections 201(d) and 502(b) of Executive Order 12674, as modified by Executive Order 12731; and § 2634.901(d).

§ 2634.605 Review of reports.

(a) In general. The designated agency ethics official shall normally serve as the reviewing official for reports submitted to his agency. That responsibility may be delegated, except in the case of certification of nominee reports required by paragraph (c) of this section. See also § 2634.105(q). He shall note on any report or supplemental report the date on which it is received. Except as indicated in paragraph (c) of this section, all reports shall be reviewed within 60 days after the date of filing. Reports reviewed by the Director of the Office of Government Ethics shall be reviewed within 60 days from the date on which they are received by that Office. Final certification in accordance with paragraph (b)(2) of this section may, of necessity, occur later, where additional information is being sought or remedial action is being taken under this section.

(b) Responsibilities of reviewing officials—(1) Initial review. The reviewing official may request an intermediate review by the filer’s supervisor. In the case of a filer who is detailed to another agency for more than 60 days during the reporting period, the reviewing official shall obtain an intermediate review by the agency where the filer served as a detailee. After obtaining any intermediate review or determining that such review is not required, the reviewing official shall examine the report to determine, to his satisfaction that:

(i) Each required item is completed; and

(ii) No interest or position disclosed on the form violates or appears to violate:

(A) Any applicable provision of chapter 11 of title 18, United States Code;

(B) The Act, as amended, and the implementing regulations;

(C) Executive Order 12674, as modified by Executive Order 12731, and the implementing regulations; or

(D) Any other agency-specific statute or regulation which governs the filer.

(ii) Signature by reviewing official. If the reviewing official determines that the report meets the requirements of paragraph (b)(1) of this section, he shall certify it by signature and date. The reviewing official need not audit the report to ascertain whether the disclosures are correct. Disclosures shall be taken at “face value” as correct, unless there is a patent omission or ambiguity or the official has independent knowledge of matters outside the report. However, a report which is signed by a reviewing official certifies that the filer’s agency has reviewed the report, and that the reviewing official has concluded that each required item has been completed and that on the basis of information contained in such report the filer is in compliance with
applicable laws and regulations noted in paragraph (b)(1)(ii) of this section.

(3) Requests for, and review based on, additional information. If the reviewing official believes that additional information is required, he shall request that it be submitted by a specified date. This additional information shall be made a part of the report. If the reviewing official concludes, on the basis of the information disclosed in the report and any additional information submitted, that the report fulfills the requirements of paragraph (b)(1) of this section, the reviewing official shall sign and date the report.

(4) Compliance with applicable laws and regulations. If the reviewing official concludes that information disclosed in the report may reveal a violation of applicable laws and regulations as specified in paragraph (b)(1)(ii) of this section, the official shall:

(i) Notify the filer of that conclusion;

(ii) Afford the filer a reasonable opportunity for an oral or written response; and

(iii) Determine, after considering any response, whether or not the filer is in compliance with applicable laws and regulations specified in paragraph (b)(1)(iii) of this section. If the reviewing official concludes that the report does not fulfill the requirements, he shall sign and date the report. If he determines that it does not, he shall:

(A) Notify the filer of the conclusion;

(B) Afford the filer an opportunity for personal consultation if practicable;

(C) Determine what remedial action under paragraph (b)(5) of this section should be taken to bring the report into compliance with the requirements of paragraph (b)(1)(ii) of this section; and

(D) Notify the filer in writing of the remedial action which is needed, and the date by which such action should be taken.

(5) Remedial action. Except in unusual circumstances, which must be fully documented to the satisfaction of the reviewing official, remedial action shall be completed not later than three months from the date on which the filer received notice that the action is required.

(ii) Remedial action may include, as appropriate:

(A) Divestiture of a conflicting interest (see subpart J of this part);

(B) Resignation from a position with a non-Federal business or other entity;

(C) Restitution;

(D) Establishment of a qualified blind or diversified trust under the Act and subpart D of this part;

(E) Procurement of a waiver under 18 U.S.C. 208(b)(1) or (b)(3);

(F) Preparation of a written instrument of recusal (disqualification); or

(G) Voluntary request by the filer for transfer, reassignment, limitation of duties, or resignation.

(6) Compliance or referral. If the filer complies with a written request for remedial action transmitted under paragraph (b)(4) of this section, the reviewing official shall indicate, in the comment section of the report, what remedial action has been taken. The official shall also sign and date the report.

(ii) If the filer does not comply by the designated date with the written request for remedial action transmitted under paragraph (b)(4) of this section, the reviewing official shall, in the case of a public filer under subpart B of this part, notify the head of the agency and the Office of Government Ethics, for appropriate action. Where the filer is in a position in the executive branch (other than in the uniformed services or the Foreign Service), appointment to which requires the advice and consent of the Senate, the Director of the Office of Government Ethics shall refer the matter to the President. In the case of the Postmaster General or Deputy Postmaster General, the Director of the Office of Government Ethics shall recommend to the Governors of the Board of Governors of the United States Postal Service the action to be taken. For confidential filers, the reviewing official will follow agency procedures.

(c) Expedited procedure in the case of individuals appointed by the President and subject to confirmation by the Senate. In the case of a report filed by an individual described in §2634.201(c) who is nominated by the President for appointment to a position that requires the advice and consent of the Senate:
(1) The Executive Office of the President shall furnish the applicable financial disclosure report form to the nominee. It shall forward the completed report to the designated agency ethics official at the agency where the nominee is serving or will serve, or it may direct the nominee to file the completed report directly with the designated agency ethics official.

(2) The designated agency ethics official shall complete an accelerated review of the report, in accordance with the standards and procedures in paragraph (b) of this section. If that official concludes that the report reveals no conflict of interest under applicable laws and regulations, the official shall:
   (i) Attach to the report a description (when available) of the position to be filled by the nominee;
   (ii) Personally certify the report by signature, and date the certification;
   (iii) Write an opinion letter to the Director of the Office of Government Ethics, personally certifying that there is no unresolved conflict of interest under applicable laws and regulations, and discussing:
      (A) Any actual or apparent conflicts of interest that were detected during the review process; and
      (B) The resolution of those real or apparent conflicts, including any specific commitment, ethics agreement entered under the provisions of subpart H of this part, or other undertaking which is reduced to writing shall be sent to the Director, in accordance with subpart H of this part; and
   (iv) Deliver the letter and the report to the Director of the Office of Government Ethics, within three working days after the designated agency ethics official receives the report.

NOTE: The designated agency ethics official's certification responsibilities in §2634.605(c) are nondelegable and must be accomplished by him personally, or by the agency's alternate designated agency ethics official, in his absence. See §2638.203 of this chapter.

(3) The Director of the Office of Government Ethics shall review the report and the letter from the designated agency ethics official. If the Director is satisfied that no unresolved conflicts of interest exist, then the Director shall sign and date the report form. The Director shall then submit the report with a letter to the appropriate Senate committee, expressing the Director's opinion whether, on the basis of information contained in the report, the nominee has complied with all applicable conflict laws and regulations.

(4) If, in the case of any nominee or class of nominees, the expedited procedure specified in this paragraph cannot be completed within the time set forth in paragraph (c)(2)(iv) of this section, the designated agency ethics official shall inform the Director. When necessary and appropriate, the Director may modify the rule of that paragraph for a nominee or a class of nominees with respect to a particular department or agency.

§ 2634.606 Updated disclosure of advice-and-consent nominees.

(a) General rule. Each individual described in §2634.201(c) who is nominated by the President for appointment to a position that requires advice and consent of the Senate, shall, at or before the commencement of the first Senate committee hearing to consider the nomination, submit to the committee an amendment to the report previously filed under §2634.201(c) and transmit copies of the amendment to the designated agency ethics official referred to in §2634.605(c)(1) of this subpart and to the Office of Government Ethics, which shall update, through the period ending no more than five days prior to the commencement of the hearing, the disclosure of information required with respect to receipt of:
   (1) Outside earned income; and
   (2) Honoraria, as defined in §2634.105(i).

(b) Additional certification. In each case to which this section applies, the Director of the Office of Government Ethics shall, at the request of the committee considering the nomination, submit to the committee an opinion letter of the nature described in §2634.605(c)(3) of this subpart concerning the updated disclosure. If the committee requests such a letter, the expedited procedure provided by §2634.605(c) of this subpart shall govern review of
the updated disclosure, which shall be deemed a report filed for purposes of that paragraph.

§ 2634.607 Advice and opinions.  
To assist employees in avoiding situations in which they might violate applicable financial disclosure laws and regulations:  
(a) The Director of the Office of Government Ethics shall render formal advisory opinions and informal advisory letters on generally applicable matters, or on important matters of first impression. See also subpart C of part 2638 of this chapter. The Director shall insure that these advisory opinions and letters are compiled, published, and made available to agency ethics officials and the public. Good faith reliance on such opinions shall provide a defense to any penalty or sanction provided by this part for fact situations indistinguishable in all material aspects from those in the opinion.  
(b) Designated agency ethics officials will offer advice and guidance to employees as needed, to assist them in complying with the requirements of the Act and this part on financial disclosure.

§ 2634.701 Failure to file or falsifying reports.  
(a) Referral of cases. The head of each agency, each Secretary concerned, or the Director of the Office of Government Ethics, as appropriate, shall refer to the Attorney General the name of any individual who is reasonable cause to believe that such individual has willfully failed to file a public report or information required on such report, or has willfully falsified any information (public or confidential) required to be reported under this part.  
(b) Civil action. The Attorney General may bring a civil action in any appropriate United States district court against any individual who knowingly and willfully violates the provisions of § 2634.407 of this part. The court in which the action is brought may assess against the individual a civil penalty in any amount, not to exceed $10,000, as provided by section 104 of the Act.

§ 2634.702 Breaches by trust fiduciaries and interested parties.  
(a) The Attorney General may bring a civil action in any appropriate United States district court against any individual who knowingly and willfully violates the provisions of § 2634.407 of this part. The court in which the action is brought may assess against the individual a civil penalty in any amount, not to exceed $10,000, as provided by section 102(f)(6)(C)(i) of the Act.  
(b) The Attorney General may bring a civil action in any appropriate United States district court against any individual who negligently violates the provisions of § 2634.407. The court in which the action is brought may assess against the individual a civil penalty in any amount, not to exceed $5,000, as provided by section 102(f)(6)(C)(ii) of the Act.

§ 2634.703 Misuse of public reports.  
The Attorney General may bring a civil action in any appropriate United States district court against any individual who knowingly and willfully falsifies or who negligently and willfully fails to file or report any information required by filers of public reports under subpart B of this part. The court in which the action is brought may assess against the individual a civil penalty in any amount, not to exceed $10,000, as provided by section 104 of the Act.

(c) Criminal action. An individual may also be prosecuted under criminal statutes for supplying false information on any financial disclosure report.

(d) Administrative remedies. The President, the Vice President, the Director of the Office of Government Ethics, the Secretary concerned, the head of each agency, and the Office of Personnel Management may take appropriate personnel or other action in accordance with applicable law or regulation against any individual for failing to file public or confidential reports required by this part, for filing such reports late, or for falsifying or failing to report required information. This may include adverse action under 5 CFR part 752, if applicable.
amount, not to exceed $10,000, as provided by section 105 of the Act. This remedy shall be in addition to any other remedy available under statutory or common law.

§ 2634.704 Late filing fee.

(a) In general. In accordance with section 104(d) of the Act, any reporting individual who is required to file a public financial disclosure report by the provisions of this part shall remit a late filing fee of $200 to the appropriate agency, payable to the U.S. Treasury, if such report is filed more than thirty days after the later of:

(1) The date such report is required to be filed pursuant to the provisions of this part; or

(2) The last day of any filing extension period granted pursuant to §2634.201(f).

(b) Exceptions. (1) The Director of the Office of Government Ethics may waive the late filing fee if he determines that the delay in filing was caused by extraordinary circumstances which made the delay reasonably necessary.

(2) Any request for a waiver of this filing fee provision must be made in writing and submitted with supporting documentation to the designated agency ethics official. That official shall review the request, and then forward it, with an opinion on the merits, to the Office of Government Ethics.

(c) Procedure. (1) The designated agency ethics official shall maintain a record of the due dates for all public reports which the employees of that agency must file, along with the new filing dates under extensions which have been granted. Each report received by the agency shall be marked with the date of receipt. For any report which has not been received by the end of the period specified in paragraph (a) of this section, the agency shall advise the delinquent filer, in writing, that:

(i) Because his financial disclosure report is more than thirty days overdue, a $200 late filing fee will become due at the time of filing, by reason of section 104(d) of the Act and §2634.704;

(ii) The filer is directed to remit to the agency, with the completed report, the $200 fee, payable to the United States Treasury;

(iii) If the filer fails to remit the $200 fee when filing his late report, it shall be subject to agency debt collection procedures; and

(iv) If extraordinary circumstances exist that would justify a request for a fee waiver, pursuant to paragraph (b) of this section, such request and supporting documentation must be submitted immediately.

(2) Upon receipt from the reporting individual of the $200 late filing fee, the collecting agency shall note the payment in its records, and shall then forward the money to the U.S. Treasury for deposit as miscellaneous receipts, in accordance with 31 U.S.C. 3302 and section 8030.30 of Volume 1 of the Treasury Financial Manual. If payment is not forthcoming, agency debt collection procedures shall be utilized, which may include salary or administrative offset, initiation of a tax refund offset, or other authorized action.

(d) Late filing fee not exclusive remedy. The late filing fee is in addition to other sanctions which may be imposed for late filing. See §2634.701 of this subpart.

(e) Confidential filers. The late filing fee does not apply to confidential filers. Late filing of confidential reports will be handled administratively under §2634.701(d) of this subpart.

(f) Date of filing. The date of filing for purposes of determining whether a public financial disclosure report is filed more than thirty days late under this section will be the date of receipt by the agency, which should be noted on the report in accordance with §2634.605(a). The thirty-day grace period on imposing a late filing fee is adequate allowance for administrative delays in the receipt of reports by an agency.

Subpart H—Ethics Agreements

SOURCE: 57 FR 11825, Apr. 7, 1992, unless otherwise noted.

§ 2634.801 Scope.

This subpart applies to ethics agreements made by any reporting individual under either subpart B or I of this
§ 2634.802 Requirements.

(a) Ethics agreement defined. The term ethics agreement shall include, for the purposes of this subpart, any oral or written promise by a reporting individual to undertake specific actions in order to alleviate an actual or apparent conflict of interest, such as:
   (1) Preparation of a written instrument for recusing (disqualifying) the individual from one or more particular matters or categories of official action;
   (2) Divestiture of a financial interest;
   (3) Resignation from a position with a non-Federal business or other entity;
   (4) Procurement of a waiver pursuant to 18 U.S.C. 208(b)(1) or (b)(3); or
   (5) Establishment of a qualified blind or diversified trust under the Act and subpart D of this part.

(b) Time limit. The ethics agreement shall specify that the individual must complete the action which he or she has agreed to undertake within a period not to exceed three months from the date of the agreement (or of Senate confirmation, if applicable). Exceptions to the three-month deadline can be made in cases of unusual hardship, as determined by the Office of Government Ethics, for those ethics agreements which are submitted to it (see §2634.803 (a), (b), or (c) of this subpart), or by the designated agency ethics official for all other ethics agreements.

Example An official of the ABC Aircraft Company is nominated to a Department of Defense position requiring the advice and consent of the Senate. As a condition of assuming the position, the individual has agreed to divest himself of his ABC Aircraft stock which he recently acquired while he was an officer with the company. However, the Securities and Exchange Commission prohibits officers of public corporations from deriving a profit from the sale of stock in the corporation in which they hold office within six months of acquiring the stock, and directs that any such profit must be returned to the issuing corporation or its stock holders. Since meeting the usual three-month time limit specified in this subpart for satisfying an ethics agreement might entail losing any profit that could be realized on the sale of this stock, the nominee requests that the limit be extended beyond the six-month period imposed by the Commission. Written approval would have to be obtained from the Office of Government Ethics to extend the customary three-month period.

§ 2634.803 Notification of ethics agreements.

(a) Nominees to positions requiring the advice and consent of the Senate. (1) In the case of a nominee referred to in §2634.201(c), the designated agency ethics official shall include with the report submitted to the Office of Government Ethics any ethics agreement which the nominee has made.

(2) A designated agency ethics official shall immediately notify the Office of Government Ethics of any ethics agreement of a nominee which is made or becomes known to the designated agency ethics official after the submission of the nominee’s report to the Office of Government Ethics. This requirement includes an ethics agreement made between a nominee and the Senate confirmation committee. The nominee shall immediately report to the designated agency ethics official any ethics agreement made with the committee.

(3) The Office of Government Ethics shall immediately apprise the designated agency ethics official and the Senate confirmation committee of any ethics agreements made directly between the nominee and the Office of Government Ethics.

(b) Incumbents in positions requiring the advice and consent of the Senate. In the case of a position which required the advice and consent of the Senate, the designated agency ethics official shall keep the Office of Government Ethics apprised of any ethics agreements which the incumbent makes, or which become known to the designated agency ethics official during the incumbent’s term in his position.

(c) Designated agency ethics officials not holding advice-and-consent positions, and employees of the Offices referred to in §2634.602(c)(1)(v). A designated agency ethics official who has entered into an ethics agreement, and who is neither a nominee to, nor an incumbent in, a position which requires the advice and consent of the Senate, as well as each employee of the Executive Office of the President or the Office of the Vice President who is referred to in §2634.602(c)(1)(v), shall include with his
§ 2634.805 Retention.

Records of ethics agreements and actions described in this subpart shall be maintained with the individual's financial disclosure report at the agency and additionally, in the case of filers described in paragraphs (a), (b), and (c) of § 2634.803 of this subpart, at the Office of Government Ethics.

§ 2634.804 Evidence of compliance.

(a) Requisite evidence of action taken.

(1) For ethics agreements of nominees to positions requiring the advice and consent of the Senate, evidence of any action taken to comply with the terms of such ethics agreements shall be submitted by the designated agency ethics official, upon receipt of the evidence, to the Office of Government Ethics and to the Senate confirmation committee.

(2) For ethics agreements of incumbents in positions which required the advice and consent of the Senate, evidence of any action taken to comply with the terms of such ethics agreements shall be submitted promptly by the designated agency ethics official to the Office of Government Ethics. A designated agency ethics official or an employee referred to in § 2634.803(c) of this subpart who is neither a nominee to, nor an incumbent in, an advice-and-consent position, must also promptly send evidence of any action taken to comply with the terms of an ethics agreement to the Office of Government Ethics.

(3) In the case of all other reporting individuals, evidence of any action taken to comply with the terms of an ethics agreement must be sent promptly to the designated agency ethics official.

(b) The following materials and any other appropriate information constitute evidence of the action taken:

(1) Recusal. A copy of any recusal instrument listing and describing the specific matters or subjects to which the recusal applies, a statement of the method by which the agency will enforce the recusal, and a list of the positions of those agency employees involved in the enforcement (i.e., the individual's immediate subordinates and supervisors).

Example: A new employee of a Federal safety board owns stock in Nationwide Airlines. She has entered into an ethics agreement to recuse herself from participating in any accident investigations involving that company's aircraft until such time as she can complete a divestiture of the asset. She must give a copy of the recusal instrument to her immediate subordinates and supervisors, and to the designated agency ethics official. The employee has also agreed to recuse herself from any particular matter (as that term is used in 18 U.S.C. 208) that might arise with respect to any of her present or future holdings. There is no requirement to execute a recusal instrument for this type of general recusal, because it is simply a promise to abide by the terms of the statute.

(2) Divestiture or resignation. Written notification that the divestiture or resignation has occurred.

(3) Waivers. A copy of any waivers issued pursuant to 18 U.S.C. 208(b)(1) or (b)(3) and signed by the appropriate supervisory official.

(4) Blind or diversified trusts. Information required by subpart D of this part to be submitted to the Office of Government Ethics for its certification of any qualified trust instrument. If the Office of Government Ethics does not certify the trust, the designated agency ethics official and, as appropriate, the Senate confirmation committee should be informed immediately.

§ 2634.805 Retention.

Records of ethics agreements and actions described in this subpart shall be maintained with the individual's financial disclosure report at the agency and additionally, in the case of filers described in paragraphs (a), (b), and (c) of § 2634.803 of this subpart, at the Office of Government Ethics.

[57 FR 11825, Apr. 7, 1992; 57 FR 21855, May 22, 1992]
§ 2634.901 Policies of confidential financial disclosure reporting.

(a) The confidential financial reporting system set forth in this subpart is designed to complement the public reporting system established by title I of the Act. High-level officials in the executive branch are required to report certain financial interests publicly to ensure that every citizen can have confidence in the integrity of the Federal Government. It is equally important in order to guarantee the efficient and honest operation of the Government that other, less senior, executive branch employees, whose Government duties involve the exercise of significant discretion in certain sensitive areas, report their financial interests and outside business activities to their employing agencies, to facilitate the review of possible conflicts of interest. These reports assist an agency in administering its ethics program and counseling its employees. Such reports are filed on a confidential basis.

(b) The confidential reporting system seeks from employees only that information which is relevant to the administration and application of criminal conflict of interest laws, administrative standards of conduct, and agency-specific statutory and program-related restrictions. The basic content of the reports required by §2634.907 of this subpart reflects that certain information is generally relevant to all agencies. However, depending upon an agency's authorized activities and any special or unique circumstances, additional information may be necessary. In these situations, and subject to the prior written approval of the Director of the Office of Government Ethics, agencies may formulate supplemental reporting requirements by following the procedures of §§2634.103 and 2634.601(b).

(c) This subpart also allows an agency to request, on a confidential basis, additional information from persons who are already subject to the public reporting requirements of this part.

§ 2634.901 Policies of confidential financial disclosure reporting.

(a) The confidential financial reporting system set forth in this subpart is designed to complement the public reporting system established by title I of the Act. High-level officials in the executive branch are required to report certain financial interests publicly to ensure that every citizen can have confidence in the integrity of the Federal Government. It is equally important in order to guarantee the efficient and honest operation of the Government that other, less senior, executive branch employees, whose Government duties involve the exercise of significant discretion in certain sensitive areas, report their financial interests and outside business activities to their employing agencies, to facilitate the review of possible conflicts of interest. These reports assist an agency in administering its ethics program and counseling its employees. Such reports are filed on a confidential basis.

(b) The confidential reporting system seeks from employees only that information which is relevant to the administration and application of criminal conflict of interest laws, administrative standards of conduct, and agency-specific statutory and program-related restrictions. The basic content of the reports required by §2634.907 of this subpart reflects that certain information is generally relevant to all agencies. However, depending upon an agency's authorized activities and any special or unique circumstances, additional information may be necessary. In these situations, and subject to the prior written approval of the Director of the Office of Government Ethics, agencies may formulate supplemental reporting requirements by following the procedures of §§2634.103 and 2634.601(b).

(c) This subpart also allows an agency to request, on a confidential basis, additional information from persons who are already subject to the public reporting requirements of this part.

The public reporting requirements of the Act address Governmentwide concerns. The reporting requirements of this subpart allow agencies to confront special or unique agency concerns. If those concerns prompt an agency to seek more extensive reporting from employees who file public reports, it may proceed on a confidential, nonpublic basis, with prior written approval from the Director of the Office of Government Ethics, under the procedures of §§2634.103 and 2634.601(b).

(d) The reports filed pursuant to this subpart are specifically characterized as "confidential," and are required to be withheld from the public, pursuant to section 107(a) of the Act. Section 107(a) leaves no discretion on this issue with the agencies. See also §2634.604. Further, Executive Order 12674 as modified by Executive Order 12731 provides, in section 201(d), for a system of nonpublic (confidential) executive branch financial disclosure to complement the Act's system of public disclosure. The confidential reports provided for by this subpart contain sensitive commercial and financial information, as well as personal privacy-protected information. These reports and the information which they contain are, accordingly, exempt from being released to the public, under exemptions 3 (A) and (B), 4, and 6 of the Freedom of Information Act (FOIA), 5 U.S.C. 552(b)(3) (A) and (B), (b)(4), and (b)(6). Additional FOIA exemptions may apply to particular reports or portions of reports. Agency personnel shall not publicly release the reports or the information which these reports contain, except pursuant to an order issued by a Federal court, or as otherwise provided under applicable provisions of the Privacy Act (5 U.S.C. 552a), and in the OGE/GOVT-2 Governmentwide executive branch Privacy Act system of records, as well as any applicable agency records system. If an agency statute requires the public reporting of certain information and, for purposes of convenience, an agency chooses to collect that information on the confidential report form filed under this subpart, only the special statutory information may be released to the public, pursuant to the terms of the statute under which it was collected.
Office of Government Ethics § 2634.903

(e) Executive branch agencies hire or use the paid and unpaid services of many individuals on an advisory or other than full-time basis as special Government employees. These employees may include experts and consultants to the Government, as well as members of Government advisory committees. It is important for those agencies that utilize such services, and for the individuals who provide the services, to anticipate and avoid real or apparent conflicts of interest. The confidential financial disclosure system promotes that goal, with special Government employees among those required to file confidential reports.

(f) For additional policies and definitions of terms applicable to both the public and confidential reporting systems, see §§ 2634.104 and 2634.105.

§ 2634.902 Transition to the new confidential financial disclosure reporting system.

(a) The new confidential financial disclosure reporting system for executive branch departments and agencies established by this subpart will become effective on October 5, 1992. Until this subpart becomes effective, each executive agency shall continue to comply with its current regulations governing confidential statements regarding employment and financial interests, as promulgated under prior Executive Order 11222, and 5 CFR part 735, § 735.106 and subpart D, and as preserved by the savings clause of section 502(a) of Executive Order 12674 as modified by Executive Order 12731 (and the prior ethics Executive Orders 11222 and 12565), and §§ 2634.901 of this subpart.

(b) To the extent feasible, agencies should strive to eliminate overlaps between, or gaps in, reporting periods as the transition to the new confidential reporting system takes place. However, the reporting periods prescribed under the new system, once effective, must be followed.

(c) Once effective, this new subpart and any other portions of this part applicable to confidential reports will supersede 5 CFR part 735, all of subpart D of part 735 of 5 CFR, and any implementing agency regulations thereunder. See also § 2634.103 and 2634.601 of this subpart concerning requests for new special supplemental agency regulations and forms, where necessary.

(d) As required by applicable law and Executive order, the confidential statements regarding employment and financial interests which were collected and retained under existing confidential financial disclosure reporting systems shall continue to be held in confidence. See section 107(a)(2) of the Act, as effective January 1, 1991 (as well as former section 207(a)(2) thereof, which was effective through December 31, 1990), section 502(b) of Executive Order 12674 as modified by Executive Order 12731 (and the prior ethics Executive Orders 11222 and 12565), and § 2634.901(d) of this subpart.

§ 2634.903 General requirements, filing dates, and extensions.

(a) Incumbents. A confidential filer who holds a position or office described in § 2634.904 of this subpart and who performs the duties of that position or office for a period in excess of 60 days during the twelve-month period ending September 30 (including more than 60 days in an acting capacity) shall file a confidential report as an incumbent, containing the information prescribed in §§ 2634.907 and 2634.908 of this subpart on or before October 31 immediately following that period. No incumbent reports are required of special Government employees described in § 2634.904(b) of this subpart, but they must file new entrant reports under § 2634.903(b) of this subpart upon each appointment or reappointment. For confidential filers under § 2634.904(c) of this subpart, consult agency supplemental regulations.

(b) New entrants. (1) Not later than 30 days after assuming a new position or office described in § 2634.904 of this subpart (which also encompasses the reappointment or redesignation of a special Government employee, including one who is serving on an advisory committee), a confidential filer shall file a confidential report containing the information prescribed in §§ 2634.907 and 2634.908 of this subpart. For confidential filers under § 2634.904(c) of this subpart, consult agency supplemental regulations.

(2) However, no report shall be required if the individual:
§ 2634.904 Confidential filer defined.

The term confidential filer includes:

(a) Each officer or employee in the executive branch whose position is classified at GS-15 or below of the General Schedule prescribed by 5 U.S.C. 5332, or the rate of basic pay for which is fixed, other than under the General Schedule, at a rate which is less than 120% of the minimum rate of basic pay for GS-15 of the General Schedule; each officer or employee of the United States Postal Service or Postal Rate Commission whose basic rate of pay is less than 120% of the minimum rate of basic pay for GS-15 of the General Schedule; each member of a uniformed service whose pay grade is less than O-7 under 37 U.S.C. 201, and each officer or employee in any other position determined by the designated agency ethics official to be of equal classification; if:

(1) The agency concludes that the duties and responsibilities of the employee's position require that employee to
participate personally and substantially through decision or the exercise of significant judgment, in taking a Government action regarding:

(i) Contracting or procurement;
(ii) Administering or monitoring grants, subsidies, licenses, or other federally conferred financial or operational benefits;
(iii) Regulating or auditing any non-Federal entity; or
(iv) Other activities in which the final decision or action will have a direct and substantial economic effect on the interests of any non-Federal entity; or
(2) The agency concludes that the duties and responsibilities of the employee’s position require the employee to file such a report to avoid involvement in a real or apparent conflict of interest, and to carry out the purposes behind any statute, Executive order, rule, or regulation applicable to or administered by that employee. Positions which might be subject to a reporting requirement under this subparagraph include those with duties which involve investigating or prosecuting violations of criminal or civil law.

Example 1. A contracting officer drafts the requests for proposals for data processing equipment of significant value which is to be purchased by his agency. He works with substantial independence of action. The contracting officer should be required to file a confidential financial disclosure report.

Example 2. An agency environmental engineer inspects a manufacturing plant to ascertain whether the plant complies with a permit to release a certain effluent into a nearby stream. Any violation of the permit standards may result in civil penalties for the plan, and in criminal penalties for the plant’s management based upon any action which they took to create the violation. If the agency engineer determines that the plant does not meet the permit requirements, he can require the plant to terminate release of the effluent until the plant satisfies the permit standards. Because the engineer exercises substantial discretion in regulating the plant’s activities, and because his final decisions will have a substantial economic effect on the plant’s interests, the engineer should be required to file a confidential financial disclosure report.

(b) Unless required to file public financial disclosure reports by subpart B of this part, all executive branch special Government employees as defined in 18 U.S.C. 202(a) and §2634.105(s), including those who serve on advisory committees. The term special Government employees does not include an advisory committee member who serves only as a representative of an industry of other outside entity or who is already a Federal employee.

Example 1. A consultant to an agency periodically advises the agency regarding important foreign policy matters. The consultant must file a confidential report if he is retained as a special Government employee and not an independent contractor.

Example 2. An advisory committee member (who is not a private group representative) attends four committee meetings every year to provide advice to an agency about pharmaceutical matters. No compensation is received by the committee member, other than travel expenses. The advisory committee member must file a confidential disclosure report, since she is a special Government employee.

(c) Each public filer referred to in §2634.202 on public disclosure who is required by agency regulations issued in accordance with §2634.907(b) of this subpart to file a supplemental confidential financial disclosure report which contains information that is more extensive than the information required in the reporting individual’s public financial disclosure report under this part.

(d) Any employee who, notwithstanding his exclusion from the public financial reporting requirements of this part by virtue of a determination under §2634.203, is covered by the criteria of paragraph (a) of this section.

§ 2634.905 Exclusions from filing requirements.

Any individual or class of individuals described in §2634.904 of this subpart, including special Government employees unless otherwise noted, may be excluded from all or a portion of the confidential reporting requirements of this subpart, when the agency head or designee determines that:

(a) The duties of a position make remote the possibility that the incumbent will be involved in a real or apparent conflict of interest;
(b) The duties of a position involve such a low level of responsibility that
§ 2634.905

the submission of a confidential financial disclosure report is unnecessary because of:

(1) The substantial degree of supervision and review over the position; or

(2) The inconsequential effect of any potential conflict on the integrity of the Government;

(c) The use of an alternative procedure approved in writing by the Office of Government Ethics is adequate to prevent possible conflicts of interest; or

(d) The use of OGE Optional Form 450-A (Confidential Certificate of No New Interests) is adequate to prevent possible conflicts of interest. This form may be used by eligible filers, as described in this paragraph, who can certify, after reexamining their most recent previous OGE Form 450, that they (and their spouse and dependent children) have acquired no new interests required to be reported on OGE Form 450, and that they have not changed jobs (no new position description or other significant change in duties) at their agency since filing that previous report. OGE Optional Form 450-A will be used under the following conditions:

(1) OGE Optional Form 450-A will only be made available for use by current employees who are not special Government employees.

(2) OGE Optional Form 450-A will only be used by incumbent filers, as described in §2634.903(a) of this subpart, in lieu of filing an annual OGE Form 450, who have a previous OGE Form 450 on file with their agency for the position they currently hold. Its due date is as specified in §2634.903(a), unless extended under §2634.903(d).

(3) As indicated on the OGE Optional Form 450-A, eligible filers may use OGE Optional Form 450-A, if applicable to their circumstances, or they may file a new OGE Form 450, at their option. Therefore, a blank OGE Form 450 and its accompanying written instructions should ordinarily be distributed to them, along with the blank OGE Optional Form 450-A. The instructions to OGE Form 450 will also provide guidance on what is meant by "reportable" interests on OGE Optional Form 450-A. In lieu of distributing a blank OGE Form 450 and its instructions, agencies may choose to develop separate guidance on the meaning of "reportable" interests, or they may refer certificate users to guidance contained in any available source, such as the Office of Government Ethics' Web site on the Internet or agency-approved electronic software for OGE Form 450. Filers would then also have to be advised of where to obtain a blank OGE Form 450, if needed.

(4) OGE Optional Form 450-A may be used by eligible filers for a maximum of three consecutive years before they are required to complete a new OGE Form 450 every fourth year, on a uniform basis for all incumbent (annual) filers, as provided in paragraph (d)(5) of this section. Agencies may, however, elect to permit use of the OGE Optional Form 450-A for only one year (or two years), and to require a new OGE Form 450 every second (or third) year, on a uniform basis for all incumbent filers, as provided in paragraph (d)(5) of this section.

(5) In each year divisible by four, beginning in 2000 (or divisible by two or three, beginning in 1998, for agencies that choose one of the more frequent options described in the second sentence of paragraph (d)(4) of this section), all incumbent filers, as described in §2634.903(a) of this subpart, must file a new OGE Form 450 rather than OGE Optional Form 450-A, regardless of how recently they may have filed an OGE Form 450 (either as a new entrant or as an annual filer who was not eligible to use, or chose not to use, the optional certificate).

(6) When submitting OGE Optional Form 450-A, filers are not required to attach a copy of their previous OGE Form 450, unless their agency determines that it is necessary. Filers should be encouraged, however, to retain a copy of their previous OGE Form 450, so that it will be readily available for their examination prior to completing an OGE Optional Form 450-A.

Example 1. An agency special Government employee who is a draftsman prepares the drawings to be used by an agency in soliciting bids for construction work on a bridge. Because he is not involved in the contracting process associated with the construction, the likelihood that his actions will create a conflict of interest is remote. The draftsman
need not be required by the agency to file a confidential financial disclosure report.

Example 2. An investigator is principally assigned as the field agent to investigate alleged violations of conflict of interest laws. The investigator works under the direct supervision of an agent-in-charge. The agent-in-charge reviews all of the investigator’s work product and then uses those materials to prepare the agency’s report which is submitted under his own name. The agency may decide not to require the investigator to file a confidential disclosure report.

Example 3. A nonsupervisory auditor at an agency is regularly assigned to cases involving possible loan improprieties by financial institutions. Prior to undertaking each enforcement review, the auditor reviews the file to determine if she, her spouse, minor or dependent child, or any general partner, organization in which she serves as an officer, director, trustee, employee, or general partner, or organization with which she is negotiating or has an agreement or an arrangement for future employment, or a close friend or relative is a subject of the investigation, or will be in any way affected by the investigation. Once she determines that there is no such relationship, she signs and dates a certification which verifies that she has reviewed the file and has determined that no conflict of interest exists. She then files the certification with the head of her auditing division. In response, the division will either reassign the case or review the conflicting interest to determine whether a waiver would be appropriate. This alternate procedure, if approved by the Office of Government Ethics in writing, will suffice for a conflict of interest review. Therefore, the agency may exclude the auditor from filing a confidential disclosure report under this subpart.

§ 2634.907 Report contents.

(a) Other than the reports of confidential filers described in § 2634.904(c), each confidential financial disclosure report filed pursuant to § 2634.903 of this subpart shall include on the standard form prescribed by the Office of Government Ethics (see § 2634.601 of subpart F of this part) and in accordance with instructions issued by the Office, a full and complete statement of information required to be reported according to the provisions of subpart C of this part, (except for those provisions in subpart C requiring the reporting of the amounts or values of any item), with respect to the following: (1) Interests in property. All the interests in property specified by § 2634.301, except:

(i) Accounts (including both demand and time deposits) in depository institutions, including banks, savings and loan associations, credit unions, and similar depository financial institutions;

(ii) Money market mutual funds and accounts;

(iii) U.S. Government obligations, including Treasury bonds, bills, notes, and savings bonds; and

(iv) Government securities issued by U.S. Government agencies;

(b) Income. All the income items specified by § 2634.302, except from:

(i) Accounts (including both demand and time deposits) in depository institutions, including banks, savings and loan associations, credit unions, and similar depository financial institutions;

(ii) Money market mutual funds and accounts;

(iii) U.S. Government obligations, including Treasury bonds, bills, notes, and savings bonds; and

(iv) Government securities issued by U.S. Government agencies;

(3) Gifts and reimbursements. All gifts and reimbursements specified by § 2634.304 (except that new entrants, as described in § 2634.903(b) of this subpart, need not report any information on gifts and reimbursements);

(4) Liabilities. All liabilities specified by § 2634.305;

(5) Agreements and arrangements. All agreements and arrangements specified by § 2634.306; and

§ 2634.906 Review of confidential filer status.

The head of each agency, or an officer designated by the head of the agency for that purpose, shall review any complaint by an individual that his position has been improperly determined by the agency to be one which requires the submission of a confidential financial disclosure report pursuant to this subpart. A decision by the agency head or designee regarding the complaint shall be final.
§ 2634.908 Reporting periods.

(a) Incumbents. Each confidential financial disclosure report filed under § 2634.903(a) of this subpart shall include on the standard form prescribed by the Office of Government Ethics and in accordance with instructions issued by the Office, a full and complete statement of the information required to be reported according to the provisions of this subpart for the preceding twelve months ending September 30, or for any portion of that period not covered by a previous confidential or public financial disclosure report filed under this part.

(b) New entrants. Each confidential financial disclosure report filed under § 2634.903(b) of this subpart shall include, on the standard form prescribed by the Office of Government Ethics and in accordance with instructions issued by the Office, a full and complete statement of the information required to be reported according to the provisions of this subpart for the preceding twelve months from the date of filing.

§ 2634.909 Procedures, penalties, and ethics agreements.

(a) The provisions of subpart F of this part govern the filing procedures and forms for, and the custody and review of, confidential disclosure reports filed under this subpart.

(b) For penalties and remedial action which apply in the event that the reporting individual fails to file, falsifies information, or files late with respect to confidential financial disclosure reports, see subpart G of this part.

(c) Subpart H of this part on ethics agreements applies to both the public and confidential reporting systems under this part.

Subpart J—Certificates of Divestiture

§ 2634.1001 Nonrecognition for sales to comply with conflict of interest requirements; general considerations.

(a) Purpose. This subpart establishes the procedures and policies of the Office of Government Ethics with respect to the issuance of Certificates of Divestiture pursuant to section 1043 of the Internal Revenue Code of 1986 (hereinafter in this subpart referred to as "section 1043").

(b) Scope. Section 1043 and the rules of this subpart provide for nonrecognition of gain in the case of sales to comply with conflict of interest requirements. The rules of this subpart relate to the issuance of Certificates of Divestiture and the permitted property into which a reinvestment must be made during the 60-day period beginning on the date of such a sale in order for nonrecognition to be permitted. Such reinvestments are called rollovers, and are limited to obligations of the United States and diversified investment funds as defined in § 2634.1003. The substantive and procedural rules relating to the tax aspects of such sales and rollovers pursuant to the statutory scheme are subject to the jurisdiction of the Internal Revenue Service. Eligible persons should seek the advice of their personal tax advisors for guidance as to the tax aspects of divestiture transactions and whether proposed acquisitions meet the requirements for permitted property. Internal Revenue Service regulations and other guidance should be consulted as to these matters. Internal Revenue Service requirements for reporting dispositions of property and making an election not to recognize gain under section 1043 must be followed by eligible persons in the manner prescribed by the Office.
persons wishing to make such an election.

(c) Policy. The Federal purpose reflected in section 1043 of the Internal Revenue Code and these rules is to minimize the burden of Government service resulting from gain on the sale of assets for which divestiture is reasonably necessary because of the conflict of interest laws, in order to attract and retain highly qualified personnel in the executive branch and to ensure the confidence of the public in the integrity of Government officials and decision-making processes.

§ 2634.1002 Issuance of Certificates of Divestiture.

(a) General rule. Pursuant to section 1043, a Certificate of Divestiture with respect to specific property shall be issued by the Director of the Office of Government Ethics pursuant to the procedures of paragraph (b) of this section upon a determination that such divestiture by an eligible person as defined in paragraph (c) of this section is reasonably necessary to comply with 18 U.S.C. 208, or any other Federal conflict of interest statute, regulation, rule, or executive order, or pursuant to the request of a congressional committee as a condition of confirmation.

(b) Procedural requirements—(1) Required submissions. A determination to issue a Certificate of Divestiture may be made by the Director of the Office of Government Ethics only upon the submission by the designated agency ethics official of the agency of employment or proposed employment of the individual referred to in paragraph (c)(1) of this section of full and complete case materials to the Office of Government Ethics. Such case materials shall include:

(i) A copy of a written request from the eligible person who is to divest the property (a Certificate of Divestiture cannot be issued for property which has already been divested) to the designated agency ethics official to pursue certification in the case of the property to be divested, which includes:

(A) A commitment to complete the divestiture on or before a specified date which is no later than the end of the three-month period referred to by §2634.802(b) (or a similarly structured agreement in any case to which paragraph (b)(1)(ii)(B) of this section applies), or any extension thereof granted, or concurred with in writing, by the Office of Government Ethics; and

(B) Full and complete information concerning the facts and circumstances relating to the acquisition of such property and its contemplated divestiture;

(ii) in the case of an individual referred to in paragraph (c)(1) of this section who:

(A) is required by the rules of this part or this title, to file a financial disclosure report, a copy of the latest report which has been filed; or

(B) is not required to file a report referred to in paragraph (b)(1)(ii)(A) of this section, a memorandum from such individual which discloses the information with respect to the specification of interests in property, income, liabilities, agreements and arrangements, and outside positions which are required to be disclosed on such a report;

(iii) A detailed description of the specific property as to which divestiture is contemplated;

(iv) Complete statements of:

(A) The facts and circumstances relevant to whether there is a reasonable necessity for divestiture (including a description of the position or applicable statutory citation setting forth the duties of the subject position); and

(B) Analysis and opinion from such designated agency ethics official concerning the application of the rules of this part in the case of the proposed certification, including specification of the date on which the three-month period referred to by §2634.802(b) (or a similarly structured agreement in any case to which paragraph (b)(1)(ii)(B) of this section applies), or any extension thereof granted, or concurred with in writing, by the Office of Government Ethics, will lapse; and

(v) In lieu of the materials described in paragraph (b)(1)(iv) of this section, in the case of the contemplated divestiture of specific property pursuant to the request of a congressional committee as a condition of confirmation, such materials shall include the written acknowledgement of the Chairman
(2) Standards for issuance. Certification pursuant to the rules of this subpart relates to the reasonable necessity for the divestiture of specific property pursuant to section 1043. Divestiture is one of the standard remedial actions available to comply with conflict of interest statutes, regulations, rules, and executive orders (see §2634.604(b)(5)), and certification ameliorates the impact of a divestiture. In cases in which the contemplated divestiture is not pursuant to the request of a congressional committee as a condition of confirmation, a Certificate of Divestiture will be issued by the Director of the Office of Government Ethics only if he concurs with the opinion of the designated agency ethics official referred to in paragraph (b)(1)(iv)(B) of this section that such divestiture is reasonably necessary to comply with 18 U.S.C. 208, or any other Federal conflict of interest statute, regulation, rule, or executive order.

(d) Special rules in the case of a trustee who is an eligible person. (1) Notwithstanding any other rule of this subpart, in the case of a trustee who is an eligible person pursuant to paragraph (c)(3) of this section, a Certificate of Divestiture will not be issued unless the parties take those actions which, in the opinion of the Director of the Office of Government Ethics, are appropriate to exclude parties in addition to those referred to in paragraph (c) (1) and (2) of this section from participation in the nonrecognition mechanism. Such measures may include, as permitted by applicable State trust and estate law, division of the trust into separate portfolios, special distributions, dissolution of the trust, or any other method deemed by the Director, in his sole discretion, to be feasible under the facts and circumstances to exclude additional parties from benefiting from the nonrecognition mechanism.

(2) In view of the further analysis which must be undertaken by the Office of Government Ethics in the case of a Certificate of Divestiture request with respect to a trustee, the required submissions in such a case shall include in addition to the materials described in paragraph (b)(1) of this section, a copy of the trust instrument, full details as to its current portfolio, and a memorandum analyzing all beneficial interests in principal and income. To the extent that there may be additional parties with beneficial interests, the staff of the Office of Government Ethics shall take appropriate action to ensure that participation in the nonrecognition mechanism is not available to such additional parties.
Office of Government Ethics § 2634.1003

Ethics may consult with representatives of the Government official, trustee, and other concerned parties, as appropriate, in order to resolve the issues presented in light of the principles described in paragraph (d)(1) of this section.

(e) Special rules in the case of employees; unfair and unintended benefits—(1) In general. Notwithstanding any other rule of this subpart, a Certificate of Divestiture will not be issued in any case in which, in the opinion of the Director of the Office of Government Ethics, in his sole discretion, an unfair or unintended benefit would be conferred on an eligible person. Paragraphs (e)(2) through (e)(6) of this section give examples of the application of the general rule of this paragraph (e)(1).

(2) Employee benefit plans. With respect to interests in pension, profit-sharing, stock bonus and other employee benefit plans, such an unfair or unintended benefit would occur upon certification of property held or received during one step of a sequence in avoidance of transferring an otherwise qualifying rollover distribution to an eligible retirement plan within 60 days. In other words, Certificates of Divestiture may not be used to achieve a tax advantaged removal of employee benefit plan funds from the rules which normally pertain to such plans in cases where no capital gains tax would be imposed if those rules were followed. Accordingly, in the absence of a demonstration that an interest in an employee benefit plan is not eligible for rollover treatment, a certificate will not be issued with respect to such an interest. Such a demonstration must satisfy the Office of Government Ethics that the plan administrator cannot make a qualifying distribution in the case of the eligible person to which the provisions of section 402(f) of the Internal Revenue Code of 1986 would apply and that the particular property interest proposed for certification falls within the statutory scheme.

(3) Certain property received as compensation for services. Such an unfair and unintended benefit would occur upon certification of property received as compensation for services, the gain from which would otherwise be treated as earned income. For example, with respect to the contemplated exercise of a stock option granted by an employer, such an unfair and unintended benefit would occur upon certification if such exercise or the sale of the resultant stock would otherwise result in earned income to the employee.

(4) Nontimely divestitures. With respect to any contemplated divestiture, such an unfair or unintended benefit would occur upon certification after the three-month period referred to by §2634.802(b) (or a similarly structured agreement in any case to which paragraph (b)(1)(ii)(B) of this section applies) has lapsed, unless there is an extension of time in a case of unusual hardship as determined pursuant to such section by the Office of Government Ethics or the designated agency ethics official (with the written concurrence of the Office of Government Ethics). In the case of such an agreement to implement a divestiture required by statute, regulation, rule, or executive order, such three-month period shall be deemed, for purposes of this subpart, to have started no later than 10 days after such requirement had become applicable.

(5) Similar or related interests. With respect to any contemplated divestiture, such an unfair advantage or unintended benefit would occur unless all similar or related interests in property were also subject to a divestiture commitment.

(6) Property acquired under improper circumstances. With respect to any contemplated divestiture, such an unfair advantage or unintended benefit would occur if the property was acquired at a time when the holding of such property was prohibited by any law or regulation or under circumstances which otherwise would create the appearance of a conflict with the conscientious performance of governmental responsibilities.

§ 2634.1003 Permitted property.

(a) In general. The categories of permitted property into which rollovers are permitted to be made have been drawn through the rules of this section so as to be neutral in respect of the vast majority of Federal programs and

513
responsibilities. The Internal Revenue Service has jurisdiction with respect to determinations concerning the application of the rules of this section in specific cases (see §2634.1001(b)). However, the ethics program rules applicable to specific agencies and positions may further limit an eligible person's choices. The advice of the designated agency ethics official should be sought in this regard. For example, there are restrictions on the purchases of shares in regulated investment companies by some Securities and Exchange Commission personnel and on purchases of obligations of the United States by some officials of the Department of the Treasury. Additionally, it may not be appropriate for some officials of agencies having international responsibilities to invest in mutual funds which exclusively invest in securities outside of the United States.

(b) Definition of “permitted property”. For purposes of section 1043 and this subpart, the term permitted property means:

(1) Any obligation of the United States; and

(2) Any “diversified investment fund”, as defined in paragraph (c) of this section.

(c) Diversified investment fund—(1) Definition. The term diversified investment fund means any open-end mutual fund (which is a “regulated investment company”, as defined by section 851 of the Internal Revenue Code of 1986), which by its prospectus, or any common trust fund maintained by a bank (which is a “common trust fund”, as defined by section 594(a) of the Internal Revenue Code of 1986), which by the literature it distributes to prospective and current investors describing its objectives and practices, does not indicate the objective or practice of devoting its investments to particular or limited industrial, economic, or geographic sectors.

(2) Ownership limitation. notwithstanding any other rule of this paragraph (c), a fund may not be considered to be a diversified investment fund in any case in which the ownership of more than one percent of the market value of the fund would be attributable to an individual referred to in §2634.1002(c)(1) immediately after a rollover.

Example 1: The Alpha Group is a family of funds which markets numerous open-end mutual funds which are typical of those generally available to the general public:

(i) The following funds of the Alpha Group would be presumed to be diversified investment funds for purposes of paragraph (c)(1) of this section, unless their prospectuses indicated an objective or practice of devoting their investments to particular or limited industrial, economic, or geographic sectors: the Common Stock Fund, the Growth Stock Fund, the S&P Index Fund, the Global Fund (investing in common stocks world-wide), the Blue Chip Fund, the Corporate Bond Fund, the Municipal Bond Fund, and the Government Bond Fund (which invests exclusively in obligations of the United States).

(ii) The following funds of the Alpha Group would not be presumed to qualify as diversified investment funds, unless their prospectuses indicated that they do not have an objective or practice of devoting their investments to particular or limited industrial, economic, or geographic sectors for purposes of paragraph (c)(1) of this section: the Pacific Fund, the Mexico Fund, the New England Fund, the Gold Fund, the Commodities Futures Fund, the Venture Capital Fund, and the Drug Industry Sector Fund.

Example 2: The Omega Fund is a closed-end mutual fund which is listed on the New York Stock Exchange. The Omega Fund is not a diversified investment fund, as only open-end mutual funds which are listed on the New York Stock Exchange. The Omega Fund is not a diversified investment fund, as only open-end mutual funds are within the definition of that term pursuant to paragraph (c)(1) of this section.

§ 2634.1004 Special rule.

Public access to Certificates of Divestiture. The Certificates of Divestiture issued pursuant to the provisions of this part shall be available to the public in accordance with the rules of §2634.603 of this part.

Public Burden Information
This collection of information is estimated to take an average of twenty minutes per response.

[57 FR 11830, Apr. 7, 1992]
§ 2635.101 Basic obligation of public service.

(a) Public service is a public trust. Each employee has a responsibility to the United States Government and its citizens to place loyalty to the Constitution, laws and ethical principles above private gain. To ensure that every citizen can have complete confidence in the integrity of the Federal Government, each employee shall respect and adhere to the principles of ethical conduct set forth in this section, as well as the implementing standards contained in this part and in supplemental agency regulations.

(b) General principles. The following general principles apply to every employee and may form the basis for the standards contained in this part. Where a situation is not covered by the standards set forth in this part, employees shall apply the principles set forth in this section in determining whether their conduct is proper.

1. Public service is a public trust, requiring employees to place loyalty to the Constitution, the laws and ethical principles above private gain.
2. Employees shall not hold financial interests that conflict with the conscientious performance of duty.
3. Employees shall not engage in financial transactions using nonpublic Government information or allow the improper use of such information to further any private interest.
4. An employee shall not, except as permitted by subpart B of this part, solicit or accept any gift or other item of monetary value from any person or entity seeking official action from, doing business with, or conducting activities regulated by the employee’s agency, or whose interests may be substantially affected by the performance or non-performance of the employee’s duties.
5. Employees shall put forth honest effort in the performance of their duties.
6. Employees shall not knowingly make unauthorized commitments or promises of any kind purporting to bind the Government.
7. Employees shall not use public office for private gain.
8. Employees shall act impartially and not give preferential treatment to any private organization or individual.
9. Employees shall protect and conserve Federal property and shall not use it for other than authorized activities.
10. Employees shall not engage in outside employment or activities, including seeking or negotiating for employment, that conflict with official Government duties and responsibilities.
11. Employees shall disclose waste, fraud, abuse, and corruption to appropriate authorities.
12. Employees shall satisfy in good faith their obligations as citizens, including all just financial obligations, especially those—such as Federal, State, or local taxes—that are imposed by law.
13. Employees shall adhere to all laws and regulations that provide equal opportunity for all Americans regardless of race, color, religion, sex, national origin, age, or handicap.
14. Employees shall endeavor to avoid any actions creating the appearance that they are violating the law or the ethical standards set forth in this part. Whether particular circumstances create an appearance that the law or these standards have been violated shall be determined from the perspective of a reasonable person with knowledge of the relevant facts.
(c) Related statutes. In addition to the standards of ethical conduct set forth in this part, there are conflict of interest statutes that prohibit certain conduct. Criminal conflict of interest statutes of general applicability to all employees, 18 U.S.C. 201, 203, 205, 208, and 209, are summarized in the appropriate subparts of this part and must be taken
§ 2635.102 Definitions.

The definitions listed below are used throughout this part. Additional definitions appear in the subparts or sections of subparts to which they apply. For purposes of this part:

(a) Agency means an executive agency as defined in 5 U.S.C. 105 and the Postal Service and the Postal Rate Commission. It does not include the General Accounting Office or the Government of the District of Columbia.

(b) Agency designee refers to any employee who, by agency regulation, instruction, or other issuance, has been delegated authority to make any determination, give any approval, or take any other action required or permitted by this part with respect to another employee. An agency may delegate these authorities to any number of agency designees necessary to ensure that determinations are made, approvals are given, and other actions are taken in a timely and responsible manner. Any provision that requires a determination, approval, or other action by the agency designee shall, where the conduct in issue is that of the agency head, be deemed to require that such determination, approval or action be made or taken by the agency head in consultation with the designated agency ethics official.

(c) Agency ethics official refers to the designated agency ethics official or to the alternate designated agency ethics official, referred to in §2638.202(b) of this chapter, and to any deputy ethics official, described in §2638.204 of this chapter, who has been delegated authority to assist in carrying out the responsibilities of the designated agency ethics official.

(d) Agency programs or operations refers to any program or function carried out or performed by an agency, whether pursuant to statute, Executive order, or regulation.

(e) Corrective action includes any action necessary to remedy a past violation or prevent a continuing violation of this part, including but not limited to restitution, change of assignment, disqualification, divestiture, termination of an activity, waiver, the creation of a qualified diversified or blind trust, or counseling.

(f) Designated agency ethics official refers to the official designated under §2638.201 of this chapter.

(g) Disciplinary action includes those disciplinary actions referred to in Office of Personnel Management regulations and instructions implementing provisions of title 5 of the United States Code or provided for in comparable provisions applicable to employees not subject to title 5, including but not limited to reprimand, suspension, demotion, and removal. In the case of a military officer, comparable provisions may include those in the Uniform Code of Military Justice.

(h) Employee means any officer or employee of an agency, including a special Government employee. It includes officers but not enlisted members of the uniformed services. For purposes other than subparts B and C of this part, it does not include the President or Vice President. Status as an employee is unaffected by pay or leave status or, in the case of a special Government employee, by the fact that the individual does not perform official duties on a given day.

(i) Head of an agency means, in the case of an agency headed by more than one person, the chair or comparable member of such agency.

(j) He, his, and him include she, hers and her.

(k) Person means an individual, corporation and subsidiaries it controls, company, association, firm, partnership, society, joint stock company, or any other organization or institution, including any officer, employee, or
agent of such person or entity. For purposes of this part, a corporation will be deemed to control a subsidiary if it owns 50 percent or more of the subsidiary's voting securities. The term is all-inclusive and applies to commercial ventures and nonprofit organizations as well as to foreign, State, and local governments, including the Government of the District of Columbia. It does not include any agency or other entity of the Federal Government or any officer or employee thereof when acting in his official capacity on behalf of that agency or entity.

(l) Special Government employee means those executive branch officers or employees specified in 18 U.S.C. 202(a). A special Government employee is retained, designated, appointed, or employed to perform temporary duties either on a full-time or intermittent basis, with or without compensation, for a period not to exceed 130 days during any consecutive 365-day period.

(m) Supplemental agency regulation means a regulation issued pursuant to §2635.105.

§ 2635.103 Applicability to members of the uniformed services.

The provisions of this part, except this section, are not applicable to enlisted members of the uniformed services. Each agency with jurisdiction over enlisted members of the uniformed services shall issue regulations defining the ethical conduct obligations of enlisted members under its jurisdiction. Those regulations shall be consistent with Executive Order 12674, April 12, 1989, as modified, and may prescribe the full range of statutory and regulatory sanctions, including those available under the Uniform Code of Military Justice, for failure to comply with such regulations.

§ 2635.104 Applicability to employees on detail.

(a) Details to other agencies. Except as provided in paragraph (d) of this section, an employee on detail, including a uniformed officer on assignment, from his employing agency to another agency for a period in excess of 30 calendar days shall be subject to any supplemental agency regulations of his employing agency.

(b) Details to the legislative or judicial branch. An employee on detail, including a uniformed officer on assignment, from his employing agency to the legislative or judicial branch for a period in excess of 30 calendar days shall be subject to the ethical standards of the branch or entity to which detailed. For the duration of any such detail or assignment, the employee shall not be subject to the provisions of this part, except this section, or, except as provided in paragraph (d) of this section, to any supplemental agency regulations of his employing agency, but shall remain subject to the conflict of interest prohibitions in title 18 of the United States Code.

(c) Details to non-Federal entities. Except to the extent exempted in writing pursuant to this paragraph, an employee detailed to a non-Federal entity remains subject to this part and to any supplemental agency regulation of his employing agency. When an employee is detailed pursuant to statutory authority to an international organization or to a State or local government for a period in excess of six months, the designated agency ethics official may grant a written exemption from subpart B of this part based on his determination that the entity has adopted written ethical standards covering solicitation and acceptance of gifts which will apply to the employee during the detail and which will be appropriate given the purpose of the detail.

(d) Applicability of special agency statutes. Notwithstanding paragraphs (a) and (b) of this section, an employee who is subject to an agency statute which restricts his activities or financial holdings specifically because of his status as an employee of that agency shall continue to be subject to any provisions in the supplemental agency regulations of his employing agency that implement that statute.

§ 2635.105 Supplemental agency regulations.

In addition to the regulations set forth in this part, an employee shall comply with any supplemental agency regulations issued by his employing agency under this section.
§ 2635.106 Disciplinary and corrective action.
(a) Except as provided in § 2635.107, a violation of this part or of supplemental agency regulations may be cause for appropriate corrective or disciplinary action to be taken under applicable Governmentwide regulations or agency procedures. Such action may be in addition to any action or penalty prescribed by law.
(b) It is the responsibility of the employing agency to initiate appropriate disciplinary or corrective action in individual cases. However, corrective action may be ordered or disciplinary action recommended by the Director of the Office of Government Ethics under the procedures at part 2638 of this chapter.
(c) A violation of this part or of supplemental agency regulations, as such, does not create any right or benefit, substantive or procedural, enforceable at law by any person against the United States, its agencies, its officers or employees, or any other person. Thus, for example, an individual who alleges that an employee has failed to adhere to laws and regulations that provide equal opportunity regardless of race, color, religion, sex, national origin, age, or handicap is required to follow applicable statutory and regulatory procedures, including those of the Equal Employment Opportunity Commission.

§ 2635.107 Ethics advice.
(a) As required by §§ 2638.201 and 2638.202(b) of this chapter, each agency has a designated agency ethics official who, on the agency's behalf, is responsible for coordinating and managing the agency's ethics program, as well as an alternate. The designated agency ethics official has authority under
§ 2638.204 of this chapter to delegate certain responsibilities, including that of providing ethics counseling regarding the application of this part, to one or more deputy ethics officials.

(b) Employees who have questions about the application of this part or any supplemental agency regulations to particular situations should seek advice from an agency ethics official. Disciplinary action for violating this part or any supplemental agency regulations will not be taken against an employee who has engaged in conduct in good faith reliance upon the advice of an agency ethics official, provided that the employee, in seeking such advice, has made full disclosure of all relevant circumstances. Where the employee's conduct violates a criminal statute, reliance on the advice of an agency ethics official cannot ensure that the employee will not be prosecuted under that statute. However, good faith reliance on the advice of an agency ethics official is a factor that may be taken into account by the Department of Justice in the selection of cases for prosecution. Disclosures made by an employee to an agency ethics official are not protected by an attorney-client privilege. An agency ethics official is required by 28 U.S.C. 535 to report any information he receives relating to a violation of the criminal code, title 18 of the United States Code.

Subpart B—Gifts From Outside Sources

§ 2635.201 Overview.

This subpart contains standards that prohibit an employee from soliciting or accepting any gift from a prohibited source or given because of the employee's official position unless the item is excluded from the definition of a gift or falls within one of the exceptions set forth in this subpart.

§ 2635.202 General standards.

(a) General prohibitions. Except as provided in this subpart, an employee shall not, directly or indirectly, solicit or accept a gift:

(1) From a prohibited source; or

(2) Given because of the employee's official position.

(b) Relationship to illegal gratuities statute. Unless accepted in violation of paragraph (c)(1) of this section, a gift accepted under the standards set forth in this subpart shall not constitute an illegal gratuity otherwise prohibited by 18 U.S.C. 201(c)(1)(B).

(c) Limitations on use of exceptions. Notwithstanding any exception provided in this subpart, other than §2635.204(j), an employee shall not:

(1) Accept a gift in return for being influenced in the performance of an official act;

(2) Solicit or coerce the offering of a gift;

(3) Accept gifts from the same or different sources on a basis so frequent that a reasonable person would be led to believe the employee is using his public office for private gain;

Example 1: A purchasing agent for a Veterans Administration hospital routinely deals with representatives of pharmaceutical manufacturers who provide information about new company products. Because of his crowded calendar, the purchasing agent has offered to meet with manufacturer representatives during his lunch hours Tuesdays through Thursdays and the representatives routinely arrive at the employee's office bringing a sandwich and a soft drink for the employee. Even though the market value of each of the lunches is less than $6 and the aggregate value from any one manufacturer does not exceed the $50 aggregate limitation in §2635.204(a) on de minimis gifts of $20 or less, the practice of accepting even these modest gifts on a recurring basis is improper.

(4) Accept a gift in violation of any statute. Relevant statutes applicable to all employees include:

(i) 18 U.S.C. 201(b), which prohibits a public official from seeking, accepting, or agreeing to receive or accept anything of value in return for being influenced in the performance of an official act or for being induced to take or omit to take any action in violation of his official duty. As used in 18 U.S.C. 201(b), the term “public official” is broadly construed and includes regular and special Government employees as well as all other Government officials; and
§ 2635.203 Definitions.

For purposes of this subpart, the following definitions shall apply:

(a) Agency has the meaning set forth in §2635.102(a). However, for purposes of this subpart, an executive department, as defined in 5 U.S.C. 101, may, by supplemental agency regulation, designate as a separate agency any component of that department which the department determines exercises distinct and separate functions.

(b) Gift includes any gratuity, favor, discount, entertainment, hospitality, loan, forbearance, or other item having monetary value. It includes services as well as gifts of training, transportation, local travel, lodgings and meals, whether provided in-kind, by purchase of a ticket, payment in advance, or reimbursement after the expense has been incurred. It does not include:

(1) Modest items of food and refreshments, such as soft drinks, coffee and donuts, offered other than as part of a meal;

(2) Greeting cards and items with little intrinsic value, such as plaques, certificates, and trophies, which are intended solely for presentation;

(3) Loans from banks and other financial institutions on terms generally available to the public;

(4) Opportunities and benefits, including favorable rates and commercial discounts, available to the public or to a class consisting of all Government employees or all uniformed military personnel, whether or not restricted on the basis of geographic considerations;

(5) Rewards and prizes given to competitors in contests or events, including random drawings, open to the public unless the employee’s entry into the contest or event is required as part of his official duties;

(6) Pension and other benefits resulting from continued participation in an employee welfare and benefits plan maintained by a former employer;

(7) Anything which is paid for by the Government or secured by the Government under Government contract;

NOTE: Some airlines encourage those purchasing tickets to join programs that award free flights and other benefits to frequent fliers. Any such benefit earned on the basis of Government-financed travel belongs to the agency rather than to the employee and may be accepted only insofar as provided under 41 CFR 301-1.103(b) and (i).

(8) Any gift accepted by the Government under specific statutory authority, including:

(i) Travel, subsistence, and related expenses accepted by an agency under the authority of 31 U.S.C. 1353 in connection with an employee’s attendance at a meeting or similar function relating to his official duties which takes place away from his duty station. The agency’s acceptance must be in accordance with the implementing regulations at 41 CFR part 304-1; and

(ii) Other gifts provided in-kind which have been accepted by an agency under its agency gift acceptance statute; or

(9) Anything for which market value is paid by the employee.

(c) Market value means the retail cost the employee would incur to purchase the gift. An employee who cannot ascertain the market value of a gift may estimate its market value by reference to the retail cost of similar items of like quality. The market value of a gift of a ticket entitling the holder to food, refreshments, entertainment, or any other benefit shall be the face value of the ticket.'
corporate logo of a prohibited source may determine its market value based on her observation that a comparable acrylic paperweight, not embedded with a logo, generally sells for about $20.

Example 2: A prohibited source has offered an employee a ticket to a charitable event consisting of a cocktail reception to be followed by an evening of chamber music. Even though the food, refreshments, and entertainment provided at the event may be worth only $20, the market value of the ticket is its $250 face value.

(d) Prohibited source means any person who:
(1) Is seeking official action by the employee's agency;
(2) Does business or seeks to do business with the employee's agency;
(3) Conducts activities regulated by the employee's agency;
(4) Has interests that may be substantially affected by performance or nonperformance of the employee's official duties; or
(5) Is an organization a majority of whose members are described in paragraphs (d) (1) through (4) of this section.

(e) A gift is solicited or accepted because of the employee's official position if it is from a person other than an employee and would not have been solicited, offered, or given had the employee not held his position as a Federal employee.

NOTE: Gifts between employees are subject to the limitations set forth in subpart C of this part.

Example 1: Where free season tickets are offered by an opera guild to all members of the Cabinet, the gift is offered because of their official positions.

(f) A gift which is solicited or accepted indirectly includes a gift:
(1) Given with the employee's knowledge and acquiescence to his parent, sibling, spouse, child, or dependent relative because of that person's relationship to the employee, or
(2) Given to any other person, including any charitable organization, on the basis of designation, recommendation, or other specification by the employee, except as permitted for the disposition of perishable items by § 2635.205(a)(2) or for payments made to charitable organizations in lieu of honoraria under § 2636.204 of this chapter.

Example 1: An employee who must decline a gift of a personal computer pursuant to this subpart may not suggest that the gift be given instead to one of five charitable organizations whose names are provided by the employee.

(g) Vendor promotional training means training provided by any person for the purpose of promoting its products or services. It does not include training provided under a Government contract or by a contractor to facilitate use of products or services it furnishes under a Government contract.

§ 2635.204 Exceptions.

The prohibitions set forth in §2635.202(a) do not apply to a gift accepted under the circumstances described in paragraphs (a) through (l) of this section and a gift accepted in accordance with one of those paragraphs will not be deemed to violate the principles set forth in §2635.101(b). Even though acceptance of a gift may be permitted by one of the exceptions contained in paragraphs (a) through (l) of this section, it is never inappropriate and frequently prudent for an employee to decline a gift offered by a prohibited source or because of his official position.

(a) Gifts of $20 or less. An employee may accept unsolicited gifts having an aggregate market value of $20 or less per occasion, provided that the aggregate market value of gifts received on any one person under the authority of this paragraph shall not exceed $50 in a calendar year. This exception does not apply to gifts of cash or of investment interests such as stock, bonds, or certificates of deposit. Where the market value of a gift or the aggregate market value of gifts offered on any single occasion exceeds $20, the employee may not pay the excess value over $20 in order to accept that portion of the gift or those gifts worth $20. Where the aggregate value of tangible items offered on a single occasion exceeds $20, the employee may decline any distinct and separate item in order to accept those items aggregating $20 or less.

Example 1: An employee of the Securities and Exchange Commission and his spouse
have been invited by a representative of a regulated entity to a Broadway play, tickets to which have a face value of $30 each. The aggregate market value of the gifts offered on this single occasion is $60, $40 more than the $20 amount that may be accepted for a single event or presentation. The employee may not accept the gift of the evening of entertainment. He and his spouse may attend the play only if he pays the full $60 value of the two tickets.

Example 2: An employee of the Defense Mapping Agency has been invited by an association of cartographers to speak about his agency’s role in the evolution of missile technology. At the conclusion of his speech, the association presents the employee a framed map with a market value of $18 and a book about the history of cartography with a market value of $15. The employee may accept the map or the book, but not both, since the aggregate value of these two tangible items exceeds $20.

Example 3: On four occasions during the calendar year, an employee of the Defense Logistics Agency was given gifts worth $10 each by four employees of a corporation that is a DLA contractor. For purposes of applying the yearly $50 limitation on gifts of $20 or less from any one person, the four gifts must be aggregated because a person is defined at §2635.102(k) to mean not only the corporate entity, but its officers and employees as well. However, for purposes of applying the $50 aggregate limitation, the employee would not have to include the value of a birthday present received from his cousin, who is employed by the same corporation, if he can accept the birthday present under the exception at §2635.204(b) for gifts based on a personal relationship.

Example 4: Under the authority of 31 U.S.C. 1353 for agencies to accept payments from non-Federal sources in connection with attendance at certain meetings or similar functions, the Environmental Protection Agency has accepted an association’s gift of travel expenses and conference fees for an employee of its Office of Radiation Programs to attend an international conference on “The Chernobyl Experience.” While at the conference, the employee may accept a gift of $20 or less from the association or from another person attending the conference even though it was not approved in advance by the EPA. Although 31 U.S.C. 1353 is the only authority under which an agency may accept gifts from certain non-Federal sources in connection with its employees’ attendance at such functions, a gift of $20 or less accepted under §2635.204(a) is a gift to the employee rather than to his employing agency.

(b) Gifts based on a personal relationship. An employee may accept a gift given under circumstances which make it clear that the gift is motivated by a family relationship or personal friendship rather than the position of the employee. Relevant factors in making such a determination include the history of the relationship and whether the family member or friend personally pays for the gift.

Example 1: An employee of the Federal Deposit Insurance Corporation has been dating a secretary employed by a member bank. For Secretary’s Week, the bank has given each secretary 2 tickets to an off-Broadway musical review and has urged each to invite a family member or friend to share the evening of entertainment. Under the circumstances, the FDIC employee may accept his girlfriend’s invitation to the theater. Even though the tickets were initially purchased by the member bank, they were given without reservation to the secretary to use as she wished, and her invitation to the employee was motivated by their personal friendship.

Example 2: Three partners in a law firm that handles corporate mergers have invited an employee of the Federal Trade Commission to join them in a golf tournament at a private club at the firm’s expense. The entry fee is $500 per foursome. The employee cannot accept the gift of one-quarter of the entry fee even though he and the three partners have developed an amicable relationship as a result of the firm’s dealings with the FTC. As evidenced in part by the fact that the fees are to be paid by the firm, it is not a personal friendship but a business relationship that is the motivation behind the partners’ gift.

(c) Discounts and similar benefits. In addition to those opportunities and benefits excluded from the definition of a gift by §2635.203(b)(4), an employee may accept:

(1) Reduced membership or other fees for participation in organization activities offered to all Government employees or all uniformed military personnel by professional organizations if the only restrictions on membership relate to professional qualifications; and

(2) Opportunities and benefits, including favorable rates and commercial discounts not precluded by paragraph (c)(3) of this section:

(i) Offered to members of a group or class in which membership is unrelated to Government employment; and

(ii) Offered to members of an organization, such as an employees’ association or agency credit union, in which
membership is related to Government employment if the same offer is broadly available to large segments of the public through organizations of similar size; or

(iii) Offered by a person who is not a prohibited source to any group or class that is not defined in a manner that specifically discriminates among Government employees on the basis of type of official responsibility or on a basis that favors those of higher rank or rate of pay; provided, however, that

(3) An employee may not accept for personal use any benefit to which the Government is entitled as the result of an expenditure or Government funds.

Example 1: An employee of the Consumer Product Safety Commission may accept a discount of $50 on a microwave oven offered by the manufacturer to all members of the CPSC employees' association. Even though the CPSC is currently conducting studies on the safety of microwave ovens, the $50 discount is a standard offer that the manufacturer has made broadly available through a number of similar organizations to large segments of the public.

Example 2: An Assistant Secretary may not accept a local country club's offer of membership to all members of Department Secretariat which includes a waiver of its $5,000 membership initiation fee. Even though the country club is not a prohibited source, the offer discriminates in favor of higher ranking officials.

Example 3: The administrative officer for a district office of the Immigration and Naturalization Service has signed an INS order to purchase 50 boxes of photocopy paper from a supplier whose literature advertises that it will give a free briefcase to anyone who purchases 50 or more boxes. Because the paper was purchased with INS funds, the administrative officer cannot keep the briefcase which, if claimed and received, is Government property.

(d) Awards and honorary degrees. (1) An employee may accept gifts, other than cash or an investment interest, with an aggregate market value of $200 or less if such gifts are a bona fide award or incident to a bona fide award that is given for meritorious public service or achievement by a person who does not have interests that may be substantially affected by the performance or nonperformance of the employee's official duties or by an association or other organization the majority of whose members do not have such interests. Gifts with an aggregate market value in excess of $200 and awards of cash or investment interests offered by such persons as awards or incidents of awards that are given for these purposes may be accepted upon a written determination by an agency ethics official that the award is made as part of an established program of recognition:

(i) Under which awards have been made on a regular basis or which is funded, wholly or in part, to ensure its continuation on a regular basis; and

(ii) Under which selection of award recipients is made pursuant to written standards.

(2) An employee may accept an honorary degree from an institution of higher education as defined at 20 U.S.C. 1141(a) based on a written determination by an agency ethics official that the timing of the award of the degree would not cause a reasonable person to question the employee's impartiality in a matter affecting the institution.

(3) An employee who may accept an award or honorary degree pursuant to paragraph (d)(1) or (2) of this section may also accept meals and entertainment given to him and to members of his family at the event at which the presentation takes place.

Example 1: Based on a determination by an agency ethics official that the prize meets the criteria set forth in §2635.204(d)(1), an employee of the National Institutes of Health may accept the Nobel Prize for Medicine, including the cash award which accompanies the prize, even though the prize was conferred on the basis of laboratory work performed at NIH.

Example 2: Prestigious University wishes to give an honorary degree to the Secretary of Labor. The Secretary may accept the honorary degree only if an agency ethics official determines in writing that the timing of the award of the degree would not cause a reasonable person to question the Secretary's impartiality in a matter affecting the university.

Example 3: An ambassador selected by a nonprofit organization as recipient of its annual award for distinguished service in the interest of world peace may, together with his wife, and children, attend the awards ceremony dinner and accept a crystal bowl worth $200 presented during the ceremony. However, where the organization has also offered airline tickets for the ambassador and his family to travel to the city where the awards ceremony is to be held, the aggregate value of the tickets and the crystal bowl exceeds $200 and he may accept only upon a written determination by the agency ethics
§ 2635.204  
official that the award is made as part of an established program of recognition.  
(e) Gifts based on outside business or employment relationships. An employee may accept meals, lodgings, transportation and other benefits:  
(1) Resulting from the business or employment activities of an employee’s spouse when it is clear that such benefits have not been offered or enhanced because of the employee’s official position;  
Example 1: A Department of Agriculture employee whose husband is a computer programmer employed by an Agriculture Department contractor may attend the company’s annual retreat for all of its employees and their families held at a resort facility. However, under § 2635.502, the employee may be disqualified from performing official duties affecting her husband’s employer.  
Example 2: Where the spouses of other clerical personnel have not been invited, an employee of the Defense Contract Audit Agency whose wife is a clerical worker at a defense contractor may not attend the contractor’s annual retreat in Hawaii for corporate officers and members of the board of directors, even though his wife received a special invitation for herself and her spouse.  
(2) Resulting from his outside business or employment activities when it is clear that such benefits have not been offered or enhanced because of his official status; or  
Example 1: The members of an Army Corps of Engineers environmental advisory committee that meets 6 times per year are special Government employees. A member who has a consulting business may accept an invitation to a $50 dinner from her corporate client, an Army construction contractor, unless, for example, the invitation was extended in order to discuss the activities of the committee.  
(3) Customarily provided by a prospective employer in connection with bona fide employment discussions. If the prospective employer has interests that could be affected by performance or nonperformance of the employee’s duties, acceptance is permitted only if the employee first has complied with the disqualification requirements of subpart F of this part applicable when seeking employment.  
Example 1: An employee of the Federal Communications Commission with responsibility for drafting regulations affecting all cable television companies wishes to apply for a job opening with a cable television holding company. Once she has properly disqualified herself from further work on the regulations as required by subpart F of this part, she may enter into employment discussions with the company and may accept the company’s offer to pay for her airfare, hotel and meals in connection with an interview trip.  
(4) For purposes of paragraphs (e)(1) through (3) of this section, employment shall have the meaning set forth in § 2635.603(a).  
(f) Gifts in connection with political activities permitted by the Hatch Act Reform Amendments. An employee who, in accordance with the Hatch Act Reform Amendments of 1993, at 5 U.S.C. 7323, may take an active part in political management or in political campaigns, may accept meals, lodgings, transportation and other benefits, including free attendance at events, when provided, in connection with such active participation, by a political organization described in 26 U.S.C. 527(e). Any other employee, such as a security officer, whose official duties require him to accompany an employee to a political event may accept meals, free attendance and entertainment provided at the event by such an organization.  
Example 1: The Secretary of the Department of Health and Human Services may accept an airline ticket and hotel accommodations furnished by the campaign committee of a candidate for the United States Senate in order to give a speech in support of the candidate.  
(g) Widely attended gatherings and other events—(1) Speaking and similar engagements. When an employee is assigned to participate as a speaker or panel participant or otherwise to present information on behalf of the agency at a conference or other event, his acceptance of an offer of free attendance at the event on the day of his presentation is permissible when provided by the sponsor of the event. The employee’s participation in the event on that day is viewed as a customary and necessary part of his performance of the assignment and does not involve a gift to him or to the agency.  
(2) Widely attended gatherings. When there has been a determination that his attendance is in the interest of the agency because it will further agency programs and operations, an employee may accept an unsolicited gift of free attendance at all or appropriate parts of a widely attended gathering of mutual interest to a number of parties.
from the sponsor of the event or, if more than 100 persons are expected to attend the event and the gift of free attendance has a market value of $250 or less, from a person other than the sponsor of the event. A gathering is widely attended if it is expected that a large number of persons will attend and that persons with a diversity of views or interests will be present, for example, if it is open to members from throughout the interested industry or profession or if those in attendance represent a range of persons interested in a given matter. For employees subject to a leave system, attendance at the event shall be on the employee’s own time or, if authorized by the employee’s agency, on excused absence pursuant to applicable guidelines for granting such absence, or otherwise without charge to the employee’s leave account.

(3) Determination of agency interest. The determination of agency interest required by paragraph (g)(2) of this section shall be made orally or in writing by the agency designee. (i) If the person who has extended the invitation has interests that may be substantially affected by the performance or nonperformance of an employee’s official duties or is an association or organization the majority of whose members have such interests, the employee’s participation may be determined to be in the interest of the agency only where there is a written finding by the agency designee that the agency’s interest in the employee’s participation in the event outweighs the concern that acceptance of the gift of free attendance may or may appear to improperly influence the employee in the performance of his official duties. Relevant factors that should be considered by the agency designee include the importance of the event to the agency, the nature and sensitivity of any pending matter affecting the interests of the person who has extended the invitation, the significance of the employee’s role in any such matter, the purpose of the event, the identity of other expected participants and the market value of the gift of free attendance. (ii) A blanket determination of agency interest may be issued to cover all or any category of invitees other than those as to whom the finding is required by paragraph (g)(3)(i) of this section. Where a finding under paragraph (g)(3)(i) of this section is required, a written determination of agency interest, including the necessary finding, may be issued to cover two or more employees whose duties similarly affect the interests of the person who has extended the invitation or, where that person is an association or organization, of its members.

(4) Free attendance. For purposes of paragraphs (g)(1) and (g)(2) of this section, free attendance may include waiver of all or part of a conference or other fee or the provision of food, refreshments, entertainment, instruction and materials furnished to all attendees as an integral part of the event. It does not include travel expenses, lodgings, entertainment collateral to the event, or meals taken other than in a group setting with all other attendees. Where the invitation has been extended to an accompanying spouse or other guest (see paragraph (g)(6) of this section), the market value of the gift of free attendance includes the market value of free attendance by the spouse or other guest as well as the market value of the employee’s own attendance.

NOTE: There are statutory authorities implemented other than by part 2635 under which an agency or an employee may be able to accept free attendance or other items not included in the definition of free attendance, such as travel expenses.

(5) Cost provided by sponsor of event. The cost of the employee’s attendance will not be considered to be provided by the sponsor, and the invitation is not considered to be from the sponsor of the event, where a person other than the sponsor designates the employee to be invited and bears the cost of the employee’s attendance through a contribution or other payment intended to facilitate the employee’s attendance. Payment of dues or a similar assessment to a sponsoring organization does not constitute a payment intended to facilitate a particular employee’s attendance.

(6) Accompanying spouse or other guest. When others in attendance will generally be accompanied by a spouse or
other guest, and where the invitation is from the same person who has invited the employee, the agency designee may authorize an employee to accept an unsolicited invitation of free attendance to an accompanying spouse or to another accompanying guest to participate in all or a portion of the event at which the employee's free attendance is permitted under paragraph (g)(1) or (g)(2) of this section. The authorization required by this paragraph may be provided orally or in writing.

Example 1: An aerospace industry association that is a prohibited source sponsors an industrywide, two-day seminar for which it charges a fee of $400 and anticipates attendance of approximately 400. An Air Force contractor pays $2,000 to the association so that the association can extend free invitations to five Air Force officials designated by the contractor. The Air Force officials may not accept the gifts of free attendance. Because the contractor specified the invitees and bore the cost of their attendance, the gift of free attendance is considered to be provided by the company and not by the sponsoring association. Had the contractor paid $2,000 to the association in order that the association might invite any five Federal employees, an Air Force official to whom the sponsoring association extended one of the five invitations could attend if his participation were determined to be in the interest of the agency. The Air Force official could not in any case accept an invitation directly from the non-sponsor contractor because the market value of the gift exceeds $250.

Example 2: An employee of the Department of Transportation is invited by a news organization to an annual press dinner sponsored by an association of press organizations. Tickets for the event cost $250 per person and attendance is limited to 400 representatives of press organizations and their guests. If the employee's attendance is determined to be in the interest of the agency, she may accept the invitation from the news organization because more than 100 persons will attend and the cost of the ticket does not exceed $250. However, if the invitation were extended to the employee and an accompanying guest, her guest could not be authorized to attend for free since the market value of the gift of free attendance would be $500 and the invitation is from a person other than the sponsor of the event.

Example 3: An employee of the Department of Energy (DOE) and her husband have been invited by a major utility executive to a small dinner party. A few other officials of the utility and their spouses or other guests are also invited, as is a representative of a consumer group concerned with utility rates and her husband. The DOE official believes the dinner party will provide him an opportunity to socialize with and get to know those in attendance. The employee may not accept the free invitation under this exception, even if his attendance could be determined to be in the interest of the agency. The small dinner party is not a widely attended gathering. Nor could the employee be authorized to accept even if the event were instead a corporate banquet to which forty company officials and their spouses or other guests were invited. In this second case, notwithstanding the larger number of persons expected (as opposed to the small dinner party just noted) and despite the presence of the consumer group representative and her husband who are not officials of the utility, those in attendance would still not represent a diversity of views or interests. Thus, the company banquet would not qualify as a widely attended gathering under those circumstances either.

Example 4: An employee of the Department of the Treasury authorized to participate in a panel discussion of economic issues as part of a one-day conference may accept the sponsor's waiver of the conference fee. Under the separate authority of § 2635.204(a), he may accept a token of appreciation for his speech having a market value of $20 or less.

Example 5: An Assistant U.S. Attorney is invited to attend a luncheon meeting of a local bar association to hear a distinguished judge lecture on cross-examining expert witnesses. Although members of the bar association are assessed a $15 fee for the meeting, the Assistant U.S. Attorney may accept the bar association's offer to attend for free, even without a determination of agency interest. The gift can be accepted under the $20 de minimis exception at § 2635.204(a).

Example 6: An employee of the Department of the Interior authorized to speak on the first day of a four-day conference on endangered species may accept the sponsor's waiver of the conference fee for the first day of the conference. If the conference is widely attended, he may be authorized, based on a determination that his attendance is in the agency's interest, to accept the sponsor's offer to waive the attendance fee for the remainder of the conference.

(h) Social invitations from persons other than prohibited sources. An employee may accept food, refreshments and entertainment, not including travel or lodgings, at a social event attended by several persons where:

(1) The invitation is from a person who is not a prohibited source; and

(2) No fee is charged to any person in attendance.
Office of Government Ethics § 2635.204

Example 1: Along with several other Government officials and a number of individuals from the private sector, the Administrator of the Environmental Protection Agency has been invited to the premier showing of a new adventure movie about industrial espionage. The producer is paying all costs of the showing. The Administrator may accept the invitation since the producer is not a prohibited source and no attendance fee is being charged to anyone who has been invited.

Example 2: An employee of the White House Press Office has been invited to a cocktail party given by a noted Washington hostess who is not a prohibited source. The employee may attend even though he has only recently been introduced to the hostess and suspects that he may have been invited because of his official position.

(i) Meals, refreshments and entertainment in foreign areas. An employee assigned to duty in, or on official travel to, a foreign area as defined in 41 CFR 301.73(c) may accept food, refreshments or entertainment in the course of a breakfast, luncheon, dinner or other meeting or event provided:

(1) The market value in the foreign area of the food, refreshments or entertainment provided at the meeting or event, as converted to U.S. dollars, does not exceed the per diem rate for the foreign area specified in the U.S. Department of State's Maximum Per Diem Allowances for Foreign Areas, Per Diem Supplement Section 925 to the Standardized Regulations (GC, FA) available from the Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402.

(2) There is participation in the meeting or event by non-U.S. citizens or by representatives of foreign governments or other foreign entities;

(3) Attendance at the meeting or event is part of the employee’s official duties to obtain information, disseminate information, promote the export of U.S. goods and services, represent the United States or otherwise further programs or operations of the agency or the U.S. mission in the foreign area; and

(4) The gift of meals, refreshments or entertainment is from a person other than a foreign government as defined in 5 U.S.C. 7342(a)(2).

Example 1: A number of local businessmen in a developing country are anxious for a U.S. company to locate a manufacturing facility in their province. An official of the Overseas Private Investment Corporation may accompany the visiting vice president of the U.S. company to a dinner meeting hosted by the businessmen at a provincial restaurant where the market value of the food and refreshments does not exceed the per diem rate for that country.

(j) Gifts to the President or Vice President. Because of considerations relating to the conduct of their offices, including those of protocol and etiquette, the President or the Vice President may accept any gift on his own behalf or on behalf of any family member, provided that such acceptance does not violate §2635.202(c) (1) or (2), 18 U.S.C. 201(b) or 201(c)(3), or the Constitution of the United States.

(k) Gifts authorized by supplemental agency regulation. An employee may accept any gift the acceptance of which is specifically authorized by a supplemental agency regulation.

(l) Gifts accepted under specific statutory authority. The prohibitions on acceptance of gifts from outside sources contained in this subpart do not apply to any item, receipt of which is specifically authorized by statute. Gifts which may be received by an employee under the authority of specific statutes include, but are not limited to:

(1) Free attendance, course or meeting materials, transportation, lodgings, food and refreshments or reimbursements therefor incident to training or meetings when accepted by the employee under the authority of 5 U.S.C. 4111 from an organization with tax-exempt status under 26 U.S.C. 501(e)(3) or from a person to whom the prohibitions in 18 U.S.C. 209 do not apply. The employee's acceptance must be approved by the agency in accordance with part 410 of this title; or

Note: 26 U.S.C. 501(c)(3) is authority for tax-exempt treatment of a limited class of nonprofit organizations, including those organized and operated for charitable, religious or educational purposes. Many nonprofit organizations are not exempt from taxation under this section.

(2) Gifts from a foreign government or international or multinational organization, or its representative, when accepted by the employee under the authority of the Foreign Gifts and Decorations Act, 5 U.S.C. 7342. As a condition of acceptance, an employee must comply with requirements imposed by
§ 2635.205

Proper disposition of prohibited gifts.

(a) An employee who has received a gift that cannot be accepted under this subpart shall, unless the gift is accepted by an agency acting under specific statutory authority:

(1) Return any tangible item to the donor or pay the donor its market value. An employee who cannot ascertain the actual market value of an item may estimate its market value by reference to the retail cost of similar items of like quality. See §2635.203(c).

Example 1: To avoid public embarrassment to the seminar sponsor, an employee of the National Park Service did not decline a barometer worth $200 given at the conclusion of his speech on Federal lands policy. The employee must either return the barometer or promptly reimburse the sponsor $200.

(2) When it is not practical to return a tangible item because it is perishable, the item may, at the discretion of the employee’s supervisor or an agency ethics official, be given to an appropriate charity, shared within the recipient’s office, or destroyed.

Example 1: With approval by the recipient’s supervisor, a floral arrangement sent by a disability claimant to a helpful employee of the Social Security Administration may be placed in the office’s reception area.

(3) For any entertainment, favor, service, benefit or other intangible, reimburse the donor the market value. Subsequent reciprocation by the employee does not constitute reimbursement.

Example 1: A Department of Defense employee wishes to attend a charitable event to which he has been offered a $300 ticket by a prohibited source. Although his attendance is not in the interest of the agency under §2635.204(g), he may attend if he reimburses the donor the $300 face value of the ticket.

(4) Dispose of gifts from foreign governments or international organizations in accordance with 41 CFR part 101-49, and dispose of materials received in conjunction with official travel in accordance with 41 CFR 101-25.103.

(b) An agency may authorize disposition or return of gifts at Government expense. Employees may use penalty mail to forward reimbursements required or permitted by this section.

(c) An employee who, on his own initiative, promptly complies with the requirements of this section will not be deemed to have improperly accepted an unsolicited gift. An employee who promptly consults his agency ethics official to determine whether acceptance of an unsolicited gift is proper and, upon the advice of the ethics official, returns the gift or otherwise disposes of the gift in accordance with this section, will be considered to have complied with the requirements of this section on his own initiative.

Subpart C—Gifts Between Employees

§ 2635.301 Overview.

This subpart contains standards that prohibit an employee from giving, donating to, or soliciting contributions for, a gift to an official superior and from accepting a gift from an employee receiving less pay than himself, unless the item is excluded from the definition of a gift or falls within one of the exceptions set forth in this subpart.

§ 2635.302 General standards.

(a) Gifts to superiors. Except as provided in this subpart, an employee may not:

(1) Directly or indirectly, give a gift to or make a donation toward a gift for an official superior; or

(2) Solicit a contribution from another employee for a gift to either his own or the other employee’s official superior.

(b) Gifts from employees receiving less pay. Except as provided in this subpart, an employee may not, directly or indirectly, accept a gift from an employee receiving less pay than himself unless:

(1) The two employees are not in a subordinate-official superior relationship; and

(2) There is a personal relationship between the two employees that would justify the gift.
§ 2635.304 Exceptions.

The prohibitions set forth in §2635.302(a) and (b) do not apply to a gift given or accepted under the circumstances described in paragraph (a) or (b) of this section. A contribution or the solicitation of a contribution that would otherwise violate the prohibitions set forth in §2635.302(a) and (b) may only be made in accordance with paragraph (c) of this section.

(a) General exceptions. On an occasional basis, including any occasion on which gifts are traditionally given or exchanged, the following may be given to an official superior or accepted from a subordinate or other employee receiving less pay:

(1) Items, other than cash, with an aggregate market value of $10 or less per occasion;

(2) Items such as food and refreshments to be shared in the office among several employees;

(3) Personal hospitality provided at a residence which is of a type and value customarily provided by the employee to personal friends;

(4) Items given in connection with the receipt of personal hospitality if of a type and value customarily provided by the employee to personal friends;

(5) Leave transferred under subpart I of part 630 of this title to an employee

(c) Limitation on use of exceptions. Notwithstanding any exception provided in this subpart, an official superior shall not coerce the offering of a gift from a subordinate.
who is not an immediate supervisor, unless obtained in violation of §630.912 of this title.

Example 1: Upon returning to work following a vacation at the beach, a claims examiner with the Department of Veterans Affairs may give his supervisor, and his supervisor may accept, a bag of saltwater taffy purchased on the boardwalk for $8.

Example 2: An employee of the Federal Deposit Insurance Corporation whose bank examination responsibilities require frequent travel may not bring her supervisor, and her supervisor may not accept, souvenir coffee mugs from the many cities she visits in the course of performing her duties, even though each of the mugs costs less than $5. Gifts given on this basis are not occasional.

Example 3: The Secretary of Labor has invited the agency’s General Counsel to a dinner party at his home. The General Counsel may bring a $15 bottle of wine to the dinner party and the Secretary may accept this customary hostess gift from his subordinate, even though its cost is in excess of $10.

Example 4: For Christmas, a secretary may give his supervisor, and the supervisor may accept, a poinsettia plant purchased for $10 or less. The secretary may also invite his supervisor to a Christmas party in his home and the supervisor may attend.

(b) Special, infrequent occasions. A gift appropriate to the occasion may be given to an official superior or accepted from a subordinate or other employee receiving less pay:

(1) In recognition of infrequently occurring occasions of personal significance such as marriage, illness, or the birth or adoption of a child; or

(2) Upon occasions that terminate a subordinate-official superior relationship, such as retirement, resignation, or transfer.

Example 1: The administrative assistant to the personnel director of the Tennessee Valley Authority may send a $30 floral arrangement to the personnel director who is in the hospital recovering from surgery. The personnel director may accept the gift.

Example 2: A chemist employed by the Food and Drug Administration has been invited to the wedding of the lab director who is his official superior. He may give the lab director and his bride, and they may accept, a place setting in the couple’s selected china pattern purchased for $70.

Example 3: Upon the occasion of the supervisor’s retirement, an employee of the Fish and Wildlife Service may give her supervisor a book of wildlife photographs which she purchased for $12. The retiring supervisor may accept the book.

(c) Voluntary contributions. An employee may solicit voluntary contributions of nominal amounts from fellow employees for an appropriate gift to an official superior and an employee may make a voluntary contribution of a nominal amount to an appropriate gift to an official superior:

(1) On a special, infrequent occasion as described in paragraph (b) of this section; or

(2) On an occasional basis, for items such as food and refreshments to be shared in the office among several employees.

An employee may accept such gifts to which a subordinate or other employee receiving less pay than himself has contributed.

Example 1: To mark the occasion of his retirement, members of the immediate staff of the Under Secretary of the Army would like to give him a party and provide him with a gift certificate. They may distribute an announcement of the party and include a nominal amount for a retirement gift in the fee for the party.

Example 2: The General Counsel of the National Endowment for the Arts may not collect contributions for a Christmas gift for the Chairman. Christmas occurs annually and is not an occasion of personal significance.

Example 3: Subordinates may not take up a collection for a gift to an official superior on the occasion of the superior’s swearing in or promotion to a higher grade position within the supervisory chain of that organization. These are not events that mark the termination of the subordinate-official superior relationship, nor are they events of personal significance within the meaning of §2635.304(b). However, subordinates may take up a collection and employees may contribute $3 each to buy refreshments to be consumed by everyone in the immediate office to mark either such occasion.

Example 4: Subordinates may each contribute a nominal amount to a fund to give a gift to an official superior upon the occasion of that superior’s transfer or promotion to a position outside the organization.

Example 5: An Assistant Secretary at the Department of the Interior is getting married. His secretary has decided that a microwave oven would be a nice gift from his staff and has informed each of the Assistant Secretary’s subordinates that they should contribute $5 for the gift. Her method of collection is improper. Although she may recommend a $5 contribution, the recommendation must be coupled with a statement that the employee whose contribution is solicited is free to contribute less or nothing at all.

Subpart D—Conflicting Financial Interests

§ 2635.401 Overview.
This subpart contains two provisions relating to financial interests. One is a disqualification requirement and the other is a prohibition on acquiring or continuing to hold specific financial interests. An employee may acquire or hold any financial interest not prohibited by § 2635.403. Notwithstanding that his acquisition or holding of a particular interest is proper, an employee is prohibited in accordance with § 2635.402 of this subpart from participating in an official capacity in any particular matter in which, to his knowledge, he or any person whose interests are imputed to him has a financial interest, if the particular matter will have a direct and predictable effect on that interest. See also part 2640 of this chapter, for additional guidance amplifying § 2635.402.

§ 2635.402 Disqualifying financial interests.

(a) Statutory prohibition. An employee is prohibited by criminal statute, 18 U.S.C. 208(a), from participating personally and substantially in an official capacity in any particular matter in which, to his knowledge, he or any person whose interests are imputed to him has a financial interest, if the particular matter will have a direct and predictable effect on that interest.

(b) Definitions. For purposes of this section, the following definitions shall apply:

(i) Direct and predictable effect. (i) A particular matter will have a direct effect on a financial interest if there is a close causal link between any decision or action to be taken in the matter and any expected effect of the matter on the financial interest. An effect may be direct even though it does not occur immediately. A particular matter will not have a direct effect on a financial interest, however, if the chain of causation is attenuated or is contingent upon the occurrence of events that are speculative or that are independent of, and unrelated to, the matter. A particular matter that has an effect on a financial interest only as a consequence of its effects on the general economy does not have a direct effect within the meaning of this subpart.

(ii) A particular matter will have a predictable effect if there is a real, as opposed to a speculative possibility that the matter will affect the financial interest. It is not necessary, however, that the magnitude of the gain or loss be known, and the dollar amount of the gain or loss is immaterial.

NOTE: If a particular matter involves a specific party or parties, generally the matter will at most only have a direct and predictable effect, for purposes of this subpart, on a financial interest of the employee in or with a party, such as the employee's interest by virtue of owning stock. There may, however, be some situations in which, under the above standards, a particular matter will have a direct and predictable effect on an employee's financial interests in or with a nonparty. For example, if a party is a corporation, a particular matter may also have a direct and predictable effect on an employee's financial interests through ownership of stock in an affiliate, parent, or subsidiary of that party. Similarly, the disposition of a protest against the award of a contract to a particular company may also have a direct and predictable effect on an employee's financial interest in another company listed as a subcontractor in the proposal of one of the competing offerors.

Example 1: An employee of the National Library of Medicine at the National Institutes of Health has just been asked to serve on the technical evaluation panel to review proposals for a new library computer search system. DEF Computer Corporation, a closely held company in which he and his wife own a majority of the stock, has submitted a proposal. Because award of the systems contract to DEF or to any other offeror will have a direct and predictable effect on both his and her financial interests, he must disqualified himself from participation in the matter under this subpart.
his wife's financial interests, the employee cannot participate on the technical evaluation team unless his disqualification has been waived.

Example 2: Upon assignment to the technical evaluation panel, the employee in the preceding example finds that DEF Computer Corporation has not submitted a proposal. Rather, LMN Corp., with which DEF competes for private sector business, is one of the six offerors. The employee is not disqualified from serving on the technical evaluation panel. Any effect on the employee's financial interests as a result of the agency's decision to award or not award the systems contract to LMN would be at most indirect and speculative.

(2) Imputed interests. For purposes of 18 U.S.C. 208(a) and this subpart, the financial interests of the following persons will serve to disqualify an employee to the same extent as if they were the employee's own interests:

(i) The employee's spouse;
(ii) The employee's minor child;
(iii) The employee's general partner;
(iv) An organization or entity which the employee serves as officer, director, trustee, general partner or employee; and
(v) A person with whom the employee is negotiating for or has an arrangement concerning prospective employment. (Employees who are seeking other employment should refer to and comply with the standards in subpart F of this part).

Example 1: An employee of the Department of Education serves without compensation on the board of directors of Kinder World, Inc., a nonprofit corporation that engages in good works. Even though her personal financial interests will not be affected, the employee must disqualify herself from participating in the review of a grant application submitted by Kinder World. Award or denial of the grant will affect the financial interests of Kinder World and its financial interests are imputed to her as a member of its board of directors.

Example 2: The spouse of an employee of the Food and Drug Administration has obtained a position with a well established biomedical research company. The company has developed an artificial limb for which it is seeking FDA approval and the employee would ordinarily be asked to participate in the FDA's review and approval process. The spouse is a salaried employee of the company and has no direct ownership interest in the company. Nor does she have an indirect ownership interest, as would be the case, for example, if she were participating in a pension plan that held stock in the company. Her position with the company is such that the granting or withholding of FDA approval will not have a direct and predictable effect on her salary or on her continued employment with the company. Since the FDA approval process will not affect her spouse's financial interests, the employee is not disqualified under §2635.402 from participating in that process. Nevertheless, the financial interests of the spouse's employer may be disqualifying under the impartiality principle, as implemented at §2635.502.

(3) Particular matter. The term particular matter encompasses only matters that involve deliberation, decision, or action that is focused upon the interests of specific persons, or a discrete and identifiable class of persons. Such a matter is covered by this subpart even if it does not involve formal parties and may include governmental action such as legislation or policy-making that is narrowly focused on the interests of such a discrete and identifiable class of persons. The term particular matter, however, does not extend to the consideration or adoption of broad policy options that are directed to the interests of a large and diverse group of persons. The particular matters covered by this subpart include a judicial or other proceeding, application, request for a ruling or other determination, contract, claim, controversy, charge, accusation or arrest.

Example 1: The Internal Revenue Service's amendment of its regulations to change the manner in which depreciation is calculated is not a particular matter, nor is the Social Security Administration's consideration of changes to its appeal procedures for disability claimants.

Example 2: Consideration by the Interstate Commerce Commission of regulations establishing safety standards for trucks on interstate highways involves a particular matter.

(4) Personal and substantial. To participate personally means to participate directly. It includes the direct and active supervision of the participation of a subordinate in the matter. To participate substantially means that the employee's involvement is of significance to the matter. Participation may be substantial even though it is not determinative of the outcome of a particular matter. However, it requires more than official responsibility, knowledge, perfunctory involvement, or involvement on an administrative or peripheral issue. A finding of substantiality should be based not only on the...
effort devoted to a matter, but also on the importance of the effort. While a series of peripheral involvements may be insubstantial, the single act of approving or participating in a critical step may be substantial. Personal and substantial participation may occur when, for example, an employee participates through decision, approval, disapproval, recommendation, investigation or the rendering of advice in a particular matter.

(c) Disqualification. Unless the employee is authorized to participate in the particular matter by virtue of a waiver or exemption described in paragraph (d) of this section or because the interest has been divested in accordance with paragraph (e) of this section, an employee shall disqualify himself from participating in a particular matter in which, to his knowledge, he or a person whose interests are imputed to him has a financial interest, if the particular matter will have a direct and predictable effect on that interest. Disqualification is accomplished by not participating in the particular matter.

(1) Notification. An employee who becomes aware of the need to disqualify himself from participation in a particular matter to which he has been assigned should notify the person responsible for his assignment. An employee who is responsible for his own assignment should notify the person responsible for his assignment. An employee who is responsible for his own assignment should take whatever steps are necessary to ensure that he does not participate in the matter from which he is disqualified. Appropriate oral or written notification of the employee’s disqualification may be made to coworkers by the employee or a supervisor to ensure that the employee is not involved in a matter from which he is disqualified.

(2) Documentation. An employee need not file a written disqualification statement unless he is required by part 2634 of this chapter to file written evidence of compliance with an ethics agreement with the Office of Government Ethics or is asked by an agency ethics official or the person responsible for his assignment to file a written disqualification statement. However, an employee may elect to create a record of his actions by providing written notice to a supervisor or other appropriate official.

Example 1: An Assistant Secretary of the Department of the Interior owns recreational property that borders on land which is being considered for annexation to a national park. Annexation would directly and predictably increase the value of her vacation property and, thus, she is disqualified from participating in any way in the Department’s deliberations or decisions regarding the annexation. Because she is responsible for determining which matters she will work on, she may accomplish her disqualification merely by ensuring that she does not participate in the matter. Because of the level of her position, however, the Assistant Secretary might be wise to establish a record that she has acted properly by providing a written disqualification statement to an official superior and by providing written notification of the disqualification to subordinates to ensure that they do not raise or discuss with her any issues related to the annexation.

(d) Waiver of or exemptions from disqualification. An employee who would otherwise be disqualified by 18 U.S.C. 208(a) may be permitted to participate in a particular matter where the otherwise disqualifying financial interest is the subject of a regulatory exemption or individual waiver described in this paragraph, or results from certain Indian birthrights as described in 18 U.S.C. 208(b)(4).

(1) Regulatory exemptions. Under 18 U.S.C. 208(b)(2), regulatory exemptions of general applicability have been issued by the Office of Government Ethics, based on its determination that particular interests are too remote or too inconsequential to affect the integrity of the services of employees to whom those exemptions apply. See the regulations in subpart B of part 2640 of this chapter, which supersede any pre-existing agency regulatory exemptions.

(2) Individual waivers. An individual waiver enabling the employee to participate in one or more particular matters may be issued under 18 U.S.C. 208(b)(1) if, in advance of the employee’s participation:

(i) The employee:

(A) Advises the Government official responsible for the employee’s appointment (or other Government official to whom authority to issue such a waiver for the employee has been delegated) about the nature and circumstances of the particular matter or matters; and
§ 2635.403 Prohibited financial interests.

An employee shall not acquire or hold any financial interest that he is prohibited from acquiring or holding by statute, by agency regulation issued in accordance with paragraph (a) of this section or by reason of an agency determination of substantial conflict under paragraph (b) of this section.

NOTE: There is no statute of Government-wide applicability prohibiting employees from holding or acquiring any financial interest. Statutory restrictions, if any, are contained in agency statutes which, in some cases, may be implemented by agency regulations issued independent of this part.

(a) Agency regulation prohibiting certain financial interests. An agency may, by supplemental agency regulation issued after February 3, 1993, prohibit or restrict the acquisition or holding of financial interests.
a financial interest or a class of financial interests by agency employees, or any category of agency employees, and the spouses and minor children of those employees, based on the agency's determination that the acquisition or holding of such financial interests would cause a reasonable person to question the impartiality and objectivity with which agency programs are administered. Where the agency restricts or prohibits the holding of certain financial interests by its employees' spouses or minor children, any such prohibition or restriction shall be based on a determination that there is a direct and appropriate nexus between the prohibition or restriction as applied to spouses and minor children and the efficiency of the service.

(b) Agency determination of substantial conflict. An agency may prohibit or restrict an individual employee from acquiring or holding a financial interest or a class of financial interests based upon the agency designee's determination that the holding of such interest or interests will:

(1) Require the employee's disqualification from matters so central or critical to the performance of his official duties that the employee's ability to perform the duties of his position would be materially impaired; or

(2) Adversely affect the efficient accomplishment of the agency's mission because another employee cannot be readily assigned to perform work from which the employee would be disqualified by reason of the financial interest.

Example 1: An Air Force employee who owns stock in a major aircraft engine manufacturer is being considered for promotion to a position that involves responsibility for development of a new fighter airplane. If the agency determined that engineering and other decisions about the Air Force's requirements for the fighter would directly and predictably affect his financial interests, the employee could not, by virtue of 18 U.S.C. 208(a), perform these significant duties of the position while retaining his stock in the company. The agency can require the employee to sell his stock as a condition of being selected for the position rather than allowing him to disqualify himself in particular matters.

(c) Definition of financial interest. For purposes of this section:

(1) Except as provided in paragraph (c)(2) of this section, the term financial interest is limited to financial interests that are owned by the employee or by the employee's spouse or minor children. However, the term is not limited to only those financial interests that would be disqualifying under 18 U.S.C. 208(a) and §2635.402. The term includes any current or contingent ownership, equity, or security interest in real or personal property or a business and may include an indebtedness or compensated employment relationship. It thus includes, for example, interests in the nature of stocks, bonds, partnership interests, fee and leasehold interests, mineral and other property rights, deeds of trust, and liens, and extends to any right to purchase or acquire any such interest, such as a stock option or commodity future. It does not include a future interest created by someone other than the employee, his spouse, or dependent child or any right as a beneficiary of an estate that has not been settled.

Example 2: An agency that insures bank deposits may, by supplemental agency regulation, prohibit its employees who are bank examiners from obtaining loans from banks they examine. Examination of a member bank could have no effect on an employee's fixed obligation to repay a loan from that bank and, thus, would not affect an employee's financial interests so as to require disqualification under §2635.402. Nevertheless, a loan from a member bank is a discrete financial interest within the meaning of §2635.403(c) that may, when appropriate, be prohibited by supplemental agency regulation.

(2) The term financial interest includes service, with or without compensation, as an officer, director, trustee, general partner or employee of any person, including a nonprofit entity, whose financial interests are imputed to the employee under §2635.402(b)(2)(iii) or (iv).

Example 1: The Foundation for the Preservation of Wild Horses maintains herds of horses that graze on public and private...
lands. Because its costs are affected by Federal policies regarding grazing permits, the Foundation routinely comments on all proposed rules governing use of Federal grasslands issued by the Bureau of Land Management. BLM may require an employee to resign his uncompensated position as Vice President of the Foundation as a condition of his promotion to a policy-level position within the Bureau rather than allowing him to rely on disqualification in particular cases.

(d) Reasonable period to divest or terminate. Whenever an agency directs divestiture of a financial interest under paragraph (a) or (b) of this section, the employee shall be given a reasonable period of time, considering the nature of his particular duties and the nature and marketability of the interest, within which to comply with the agency's direction. Except in cases of unusual hardship, as determined by the agency, a reasonable period shall not exceed 90 days from the date divestiture is first directed. However, as long as the employee continues to hold the financial interest, he remains subject to any restrictions imposed by this subpart.

(e) Eligibility for special tax treatment. An employee required to sell or otherwise divest a financial interest may be eligible to defer the tax consequences of divestiture under subpart J of part 2634 of this chapter.

Subpart E—Impartiality in Performing Official Duties

§ 2635.501 Overview.

(a) This subpart contains two provisions intended to ensure that an employee takes appropriate steps to avoid an appearance of loss of impartiality in the performance of his official duties. Under §2635.502, unless he receives prior authorization, an employee should not participate in a particular matter involving specific parties which he knows is likely to affect the financial interests of a member of his household, or in which he knows a person with whom he has a covered relationship is or represents a party, if he determines that a reasonable person with knowledge of the relevant facts would question his impartiality in the matter. An employee who is concerned that other circumstances would raise a question regarding his impartiality should use the process described in §2635.502 to determine whether he should or should not participate in a particular matter.

(b) Under §2635.503, an employee who has received an extraordinary severance or other payment from a former employer prior to entering Government service is subject, in the absence of a waiver, to a two-year period of disqualification from participation in particular matters in which that former employer is or represents a party.

NOTE: Questions regarding impartiality necessarily arise when an employee's official duties impact upon the employee's own financial interests or those of certain other persons, such as the employee's spouse or minor child. An employee is prohibited by criminal statute, 18 U.S.C. 208(a), from participating personally and substantially in an official capacity in any particular matter in which, to his knowledge, he, his spouse, general partner or minor child has a financial interest, if the particular matter will have a direct and predictable effect on that interest. The statutory prohibition also extends to an employee's participation in a particular matter in which, to his knowledge, an organization in which the employee is serving as officer, director, trustee, general partner or employee, or with whom he is negotiating or has an arrangement concerning prospective employment, has a financial interest. Where the employee's participation in a particular matter would affect any one of these financial interests, the standards set forth in subparts D or F of this part apply and only a statutory waiver or exemption, as described in §§2635.402(d) and 2635.605(a), will enable the employee to participate in that matter. The authorization procedures in §2635.502(d) may not be used to authorize an employee's participation in any such matter. Where the employee complies with all terms of the waiver, the granting of a statutory waiver will be deemed to constitute a determination that the interest of the Government in the employee's participation outweighs the concern that a reasonable person may question the integrity of agency programs and operations. Similarly, where the employee meets all prerequisites for the application of one of the exemptions set forth in subpart B of part 2640 of this chapter, that also constitutes a determination that the interest of the Government in the employee's participation outweighs the concern that a reasonable person...
may question the integrity of agency programs and operations.

§ 2635.502 Personal and business relationships.

(a) Consideration of appearances by the employee. Where an employee knows that a particular matter involving specific parties is likely to have a direct and predictable effect on the financial interest of a member of his household, or knows that a person with whom he has a covered relationship is or represents a party to such matter, and where the employee determines that the circumstances would cause a reasonable person with knowledge of the relevant facts to question his impartiality in the matter, the employee should not participate in the matter unless he has informed the agency designee of the appearance problem and received authorization from the agency designee in accordance with paragraph (d) of this section.

(1) In considering whether a relationship would cause a reasonable person to question his impartiality, an employee may seek the assistance of his supervisor, an agency ethics official or the agency designee.

(2) An employee who is concerned that circumstances other than those specifically described in this section would raise a question regarding his impartiality should use the process described in this section to determine whether he should or should not participate in a particular matter.

(b) Definitions. For purposes of this section:

(1) An employee has a covered relationship with:

(i) A person, other than a prospective employer described in §2635.603(c), with whom the employee has or seeks a business, contractual or other financial relationship that involves other than a routine consumer transaction;

NOTE: An employee who is seeking employment within the meaning of §2635.603 shall comply with subpart F of this part rather than with this section.

(ii) A person who is a member of the employee’s household, or who is a relative with whom the employee has a close personal relationship;

(iii) A person for whom the employee’s spouse, parent or dependent child is, to the employee’s knowledge, serving or seeking to serve as an officer, director, trustee, general partner, agent, attorney, consultant, contractor or employee;

(iv) Any person for whom the employee has, within the last year, served as officer, director, trustee, general partner, agent, attorney, consultant, contractor or employee; or

(v) An organization, other than a political party described in 26 U.S.C. 527(e), in which the employee is an active participant. Participation is active if, for example, it involves service as an official of the organization or in a capacity similar to that of a committee or subcommittee chairperson or spokesperson, or participation in directing the activities of the organization. In other cases, significant time devoted to promoting specific programs of the organization, including coordination of fundraising efforts, is an indication of active participation. Payment of dues or the donation or solicitation of financial support does not, in itself, constitute active participation.

NOTE: Nothing in this section shall be construed to suggest that an employee should not participate in a matter because of his political, religious or moral views.

(2) Direct and predictable effect has the meaning set forth in §2635.402(b)(1).

(3) Particular matter involving specific parties has the meaning set forth in §2637.102(a)(7) of this chapter.

Example 1: An employee of the General Services Administration has made an offer to purchase a restaurant owned by a local developer. The developer has submitted an offer in response to a GSA solicitation for lease of office space. Under the circumstances, she would be correct in concluding that a reasonable person would be likely to question her impartiality if she were to participate in evaluating that developer’s or its competitor’s lease proposal.

Example 2: An employee of the Department of Labor is providing technical assistance in drafting occupational safety and health legislation that will affect all employers of five or more persons. His wife is employed as an administrative assistant by a large corporation that will incur additional costs if the proposed legislation is enacted. Because the
§ 2635.502

Legislation is not a particular matter involving specific parties, the employee may continue to work on the legislation and need not be concerned that his wife's employment with an affected corporation would raise a question concerning his impartiality.

Example 3: An employee of the Defense Logistics Agency who has responsibilities for testing avionics being produced by an Air Force contractor has just learned that his sister-in-law has accepted employment as an engineer with the contractor's parent corporation. Where the parent corporation is a conglomerate, the employee could reasonably conclude that, under the circumstances, a reasonable person would not be likely to question his impartiality if he were to continue to perform his test and evaluation responsibilities.

Example 4: An engineer has just resigned from her position as vice president of an electronics company in order to accept employment with the Federal Aviation Administration in a position involving procurement responsibilities. Although the employee did not receive an extraordinary payment in connection with her resignation and has severed all financial ties with the firm, under the circumstances she would be correct in concluding that her former service as an officer of the company would be likely to cause a reasonable person to question her impartiality if she were to participate in the administration of a DOT contract for which the firm is a first-tier subcontractor.

Example 5: An employee of the Internal Revenue Service is a member of a private organization whose purpose is to restore a Victorian-era railroad station and she chairs its annual fundraising drive. Under the circumstances, the employee would be correct in concluding that her active membership in the organization would be likely to cause a reasonable person to question her impartiality if she were to participate in an IRS determination regarding the tax-exempt status of the organization.

(c) Determination by agency designee. Where he has information concerning a potential appearance problem arising from the financial interest of a member of the employee's household in a particular matter involving specific parties, or from the role in such matter of a person with whom the employee has a covered relationship, the agency designee may make an independent determination as to whether a reasonable person with knowledge of the relevant facts would be likely to question the employee's impartiality in the matter. Ordinarily, the agency designee's determination will be initiated by information provided by the employee pursuant to paragraph (a) of this section. However, at any time, including after the employee has disqualified himself from participation in a matter pursuant to paragraph (e) of this section, the agency designee may make this determination on his own initiative or when requested by the employee's supervisor or any other person responsible for the employee's assignment.

(1) If the agency designee determines that the employee's impartiality is likely to be questioned, he shall then determine, in accordance with paragraph (d) of this section, whether the employee should be authorized to participate in the matter. Where the agency designee determines that the employee's participation should not be authorized, the employee will be disqualified from participation in the matter in accordance with paragraph (e) of this section.

(2) If the agency designee determines that the employee's impartiality is not likely to be questioned, he may advise the employee, including an employee who has reached a contrary conclusion under paragraph (a) of this section, that the employee's participation in the matter would be proper.

(d) Authorization by agency designee. Where an employee's participation in a particular matter involving specific parties would not violate 18 U.S.C. 208(a), but would raise a question in the mind of a reasonable person about his impartiality, the agency designee may authorize the employee to participate in the matter based on a determination, made in light of all relevant circumstances, that the interest of the Government in the employee's participation outweighs the concern that a reasonable person may question the integrity of the agency's programs and operations. Factors which may be taken into consideration include:

(1) The nature of the relationship involved;
(2) The effect that resolution of the matter would have upon the financial interests of the person involved in the relationship;
(3) The nature and importance of the employee's role in the matter, including the extent to which the employee is called upon to exercise discretion in the matter;
(4) The sensitivity of the matter; 
(5) The difficulty of reassigning the matter to another employee; and 
(6) Adjustments that may be made in the employee’s duties that would reduce or eliminate the likelihood that a reasonable person would question the employee’s impartiality.

Authorization by the agency designee shall be documented in writing at the agency designee’s discretion or when requested by the employee. An employee who has been authorized to participate in a matter involving specific parties may not thereafter disqualify himself from participation in the matter on the basis of an appearance problem involving the same circumstances that have been considered by the agency designee.

Example 1: The Deputy Director of Personnel for the Department of the Treasury and an attorney with the Department’s Office of General Counsel are general partners in a real estate partnership. The Deputy Director advises his supervisor, the Director of Personnel, of the relationship upon being assigned to a selection panel for a position for which his partner has applied. If selected, the partner would receive a substantial increase in salary. The agency designee cannot authorize the Deputy Director to participate on the panel under the authority of this section since the Deputy Director is prohibited by criminal statute, 18 U.S.C. 208(a), from participating in a particular matter affecting the financial interest of a person who is his general partner. See §2635.402.

Example 2: A new employee of the Securities and Exchange Commission is assigned to an investigation of insider trading by the brokerage house where she had recently been employed. Because of the sensitivity of the investigation, the agency designee may be unable to conclude that the Government’s interest in the employee’s participation in the investigation outweighs the concern that a reasonable person may question the integrity of the investigation, even though the employee has severed all financial ties with the company. Based on consideration of all relevant circumstances, the agency designee might determine, however, that it is in the interest of the Government for the employee to complete the audit, which is subject to additional levels of review.

(e) Disqualification. Unless the employee is authorized to participate in the matter under paragraph (d) of this section, an employee shall not participate in a particular matter involving specific parties when he or the agency designee has concluded, in accordance with paragraph (a) or (c) of this section, that the financial interest of a member of the employee’s household, or the role of a person with whom he has a covered relationship, is likely to raise a question in the mind of a reasonable person about his impartiality. Disqualification is accomplished by not participating in the matter.

(1) Notification. An employee who becomes aware of the need to disqualify himself from participation in a particular matter involving specific parties to which he has been assigned should notify the person responsible for his assignment. An employee who is responsible for his own assignment should take whatever steps are necessary to ensure that he does not participate in the matter from which he is disqualified. Appropriate oral or written notification of the employee’s disqualification may be made to coworkers by the employee or a supervisor to ensure that the employee is not involved in a particular matter involving specific parties from which he is disqualified.

(2) Documentation. An employee need not file a written disqualification statement unless he is required by part 2634 of this chapter to file written evidence of compliance with an ethics agreement with the Office of Government Ethics or is specifically asked by an agency ethics official or the person responsible for his assignment to file a written disqualification statement. However, an employee may elect to create a record of his actions by providing written notice to a supervisor or other appropriate official.

(f) Relevant considerations. An employee’s reputation for honesty and integrity is not a relevant consideration for purposes of any determination required by this section.
§ 2635.503 Extraordinary payments from former employers.

(a) Disqualification requirement. Except as provided in paragraph (c) of this section, an employee shall be disqualified for two years from participating in any particular matter in which a former employer is a party or represents a party if he received an extraordinary payment from that person prior to entering Government service. The two-year period of disqualification begins to run on the date that the extraordinary payment is received.

Example 1: Following his confirmation hearings and one month before his scheduled swearing in, a nominee to the position of Assistant Secretary of a department received an extraordinary payment from his employer. For one year and 11 months after his swearing in, the Assistant Secretary may not participate in any particular matter to which his former employer is a party.

Example 2: An employee received an extraordinary payment from her former employer, a coal mine operator, prior to entering on duty with the Department of the Interior. For two years thereafter, she may not participate in a determination regarding her former employer's obligation to reclaim a particular mining site, because her former employer is a party to the matter. However, she may help to draft reclamation legislation affecting all coal mining operations because this legislation does not involve any parties.

(b) Definitions. For purposes of this section, the following definitions shall apply:

(1) Extraordinary payment means any item, including cash or an investment interest, with a value in excess of $10,000, which is paid:

(i) On the basis of a determination made after it became known to the former employer that the individual was being considered for or had accepted a Government position; and

(ii) Other than pursuant to the former employer’s established compensation, partnership, or benefits program. A compensation, partnership, or benefits program will be deemed an established program if it is contained in bylaws, a contract or other written form, or if there is a history of similar payments made to others not entering into Federal service.

Example 1: The vice president of a small corporation is nominated to be an ambassador. In recognition of his service to the corporation, the board of directors voted to pay him $50,000 upon his confirmation in addition to the regular severance payment provided for by the corporate bylaws. The regular severance payment is not an extraordinary payment. The gratuitous payment of $50,000 is an extraordinary payment, since the corporation had not made similar payments to other departing officers.

(2) Former employer includes any person which the employee served as an officer, director, trustee, general partner, agent, attorney, consultant, contractor or employee.

(c) Waiver of disqualification. The disqualification requirement of this section may be waived based on a finding that the amount of the payment was not so substantial as to cause a reasonable person to question the employee’s ability to act impartially in a matter in which the former employer is or represents a party. The waiver shall be in writing and may be given only by the head of the agency or, where the recipient of the payment is the head of the agency, by the President or his designee. Waiver authority may be delegated by agency heads to any person who has been delegated authority to issue individual waivers under 18 U.S.C. 208(b) for the employee who is the recipient of the extraordinary payment.

Subpart F—Seeking Other Employment

§ 2635.601 Overview.

This subpart contains a disqualification requirement that applies to employees when seeking employment with persons who otherwise would be affected by the performance or non-performance of the employees' official duties. Specifically, it addresses the requirement of 18 U.S.C. 208(a) that an employee disqualify himself from participation in any particular matter that will have a direct and predictable effect on the financial interests of a person “with whom he is negotiating or has any arrangement concerning prospective employment.” Beyond this statutory requirement, it also addresses the issues of lack of impartiality that require disqualification from particular matters affecting the financial interests of a prospective employer when an employee’s actions in seeking employment fall short of actual employment negotiations.
Office of Government Ethics

§ 2635.602 Applicability and related considerations.

To ensure that he does not violate 18 U.S.C. 208(a) or the principles of ethical conduct contained in §2635.101(b), an employee who is seeking employment or who has an arrangement concerning prospective employment shall comply with the applicable disqualification requirements of §§2635.604 and 2635.606 if the employee’s official duties would affect the financial interests of a prospective employer or of a person with whom he has an arrangement concerning prospective employment. Compliance with this subpart also will ensure that the employee does not violate subpart D or E of this part.

NOTE: An employee who is seeking employment with a person whose financial interests are not affected by the performance or non-performance of his official duties has no obligation under this subpart. An employee may, however, be subject to other statutes which impose requirements on employment contacts or discussions, such as 41 U.S.C. 423(c), applicable to agency officials involved in certain procurement matters.

(a) Related employment restrictions—(1) Outside employment while a Federal employee. An employee who is contemplating outside employment to be undertaken concurrently with his Federal employment must abide by any limitations applicable to his outside activities under subparts G and H of this part. He must also comply with any disqualification requirement that may be applicable under subpart D or E of this part as a result of his outside employment activities.

(2) Post-employment restrictions. An employee who is contemplating employment to be undertaken following the termination of his Federal employment should consult an agency ethics official to obtain advice regarding any post-employment restrictions that may be applicable. Regulations implementing the Governmentwide post-employment statute, 18 U.S.C. 207, are contained in parts 2637 and 2641 of this chapter. Employees are cautioned that they may be subject to additional statutory prohibitions on post-employment acceptance of compensation from contractors, such as 41 U.S.C. 423(d).

(b) Interview trips and entertainment. Where a prospective employer who is a prohibited source as defined in §2635.203(d) offers to reimburse an employee’s travel expenses, or provide other reasonable amenities incident to employment discussions, the employee may accept such amenities in accordance with §2635.204(e)(3).

§ 2635.603 Definitions.

For purposes of this subpart:

(a) Employment means any form of non-Federal employment or business relationship involving the provision of personal services by the employee, whether to be undertaken at the same time as or subsequent to Federal employment. It includes but is not limited to personal services as an officer, director, employee, agent, attorney, consultant, contractor, general partner or trustee.

Example 1: An employee of the Bureau of Indian Affairs who has announced her intention to retire is approached by tribal representatives concerning a possible consulting contract with the tribe. The independent contractual relationship the tribe wishes to negotiate is employment for purposes of this subpart.

Example 2: An employee of the Department of Health and Human Services is invited to a meeting with officials of a nonprofit corporation to discuss the possibility of his serving as a member of the corporation’s board of directors. Service, with or without compensation, as a member of the board of directors constitutes employment for purposes of this subpart.

(b) An employee is seeking employment once he has begun seeking employment within the meaning of paragraph (b)(1) of this section and until he is no longer seeking employment within the meaning of paragraph (b)(2) of this section.

(1) An employee has begun seeking employment if he has directly or indirectly:

(i) Engaged in negotiations for employment with any person. For these purposes, as for 18 U.S.C. 208(a), the term negotiations means discussion or communication with another person, or such person’s agent or intermediary, mutually conducted with a view toward reaching an agreement regarding possible employment with that person. The term is not limited to discussions...
§ 2635.603

The employee has been informed that he may begin seeking employment when:

(i) The employee or the prospective employer rejects the possibility of employment and all discussions of possible employment have terminated; or

(ii) Two months have transpired after the employee’s dispatch of an unsolicited resume or employment proposal, provided the employee has received no indication of interest in employment discussions from the prospective employer.

(3) For purposes of this definition, a response that defers discussions until the foreseeable future does not constitute rejection of an unsolicited employment overture or proposal, or the rejection of a prospective employment possibility.

Example 1: An employee of the Health Care Financing Administration is complimented on her work by an official of a State Health Department who asks her to call if she is ever interested in leaving Federal service. The employee explains to the State official that she is very happy with her job at HCFA and is not interested in another job. She thanks him for his compliment regarding her work and adds that she will remember his interest if she ever decides to leave the Government. The employee has rejected the unsolicited employment overture and has not begun seeking employment.

Example 2: The employee in the preceding example responds by stating that she cannot discuss future employment while she is working on a project affecting the State’s health care funding but would like to discuss employment with the State when the project is completed. Because the employee has merely deferred employment discussions until the foreseeable future, she has begun seeking employment with the State Health Department.

Example 3: An employee of the Defense Contract Audit Agency is auditing the overhead accounts of an Army contractor. While at the contractor’s headquarters, the head of the contractor’s accounting division tells the employee that his division is thinking about hiring another accountant and asks whether the employee might be interested in leaving DCAA. The DCAA employee says he is interested in knowing what kind of work would be involved. They discuss the duties of the position the accounting division would like to fill and the DCAA employee’s qualifications for the position. They do not discuss salary. The head of the division explains that he has not yet received authorization to fill the particular position and will get back to the employee when he obtains the necessary approval for additional staffing. The employee and the contractor’s official have engaged in negotiations regarding possible employment. The employee has begun seeking employment with the Army contractor.

Example 4: An employee of the Occupational Safety and Health Administration helping to draft safety standards applicable to the textile industry has mailed his resume to 25 textile manufacturers. He has not begun seeking employment with any of the twenty-five. If he receives a response from one of the resume recipients indicating an interest in employment discussions, the employee will have begun seeking employment with the respondent at that time.

Example 5: A special Government employee of the Federal Deposit Insurance Corporation is serving on an advisory committee formed for the purpose of reviewing rules applicable to all member banks. She mails an unsolicited letter to a member bank offering her services as a contract consultant. She has not begun seeking employment with the bank until she receives some response indicating an interest in discussing her employment proposal. A letter merely acknowledging receipt of the proposal is not an indication of interest in employment discussions.

Example 6: A geologist employed by the U.S. Geological Survey has been working as a member of a team preparing the Government’s case in an action brought by the Government against six oil companies. The geologist sends her resume to an oil company that is a named defendant in the action. The geologist has begun seeking employment with that oil company and will be seeking...
employment for two months from the date the resume was mailed. However, if she withdraws her application or is notified within the two-month period that her resume has been rejected, she will no longer be seeking employment with the oil company as of the date she makes such withdrawal or receives such notification.

(c) Prospective employer means any person with whom the employee is seeking employment. Where contacts that constitute seeking employment are made by or with an agent or other intermediary, the term prospective employer includes:

(1) A person who uses that agent or other intermediary for the purpose of seeking to establish an employment relationship with the employee if the agent identifies the prospective employer to the employee; and

(2) A person contacted by the employee's agent or other intermediary for the purpose of seeking to establish an employment relationship if the agent identifies the prospective employer to the employee.

Example 1: An employee of the Federal Aviation Administration has overall responsibility for airport safety inspections in a three-state area. She has retained an employment search firm to help her find another job. The search firm has just reported to the FAA employee that it has given her resume to and had promising discussions with two airport authorities within her jurisdiction. Even though the employee has not personally had employment discussions with either, each airport authority is her prospective employer. She began seeking employment with each upon learning its identity and that it has given her resume. However, an employee may elect to create a record of his actions by providing written notice to a supervisor or other appropriate official.

Example 2: An employee of the Food and Drug Administration is participating in the audit of a contract for laboratory support services. Before sending his resume to a lab which is a subcontractor under the VA contract, the employee should disqualify himself from participation in the audit. Since he cannot withdraw from participation in the audit without the approval of his supervisor, he should disclose his intentions to his supervisor in order that appropriate adjustments in his work assignments can be made.

§ 2635.604 Disqualification while seeking employment.

(a) Obligation to disqualify. Unless the employee's participation is authorized in accordance with §2635.605, the employee shall not participate in a particular matter that, to his knowledge, has a direct and predictable effect on the financial interests of a prospective employer with whom he is seeking employment within the meaning of §2635.603(b). Disqualification is accomplished by not participating in the particular matter.

(b) Notification. An employee who becomes aware of the need to disqualify himself from participation in a particular matter to which he has been assigned should notify the person responsible for his assignment. An employee who is responsible for his own assignment should take whatever steps are necessary to ensure that he does not participate in the matter from which he is disqualified. Appropriate oral or written notification of the employee's disqualification may be made to coworkers by the employee or a supervisor to ensure that the employee is not involved in a matter from which he is disqualified.

(c) Documentation. An employee need not file a written disqualification statement unless he is required by part 2634 of this chapter to file written evidence of compliance with an ethics agreement with the Office of Government Ethics or is specifically asked by an agency ethics official or the person responsible for his assignment to file a written disqualification statement. However, an employee may elect to create a record of his actions by providing written notice to a supervisor or other appropriate official.
advise those individuals of his disqualification.

Example 3: The General Counsel of a regulatory agency wishes to engage in discussions regarding possible employment as corporate counsel of a regulated entity. Matters directly affecting the financial interests of the regulated entity are pending within the Office of General Counsel, but the General Counsel will not be called upon to act in any such matter because signature authority for that particular class of matters has been delegated to an Assistant General Counsel. Because the General Counsel is responsible for assigning work within the Office of General Counsel, he can in fact accomplish his disqualification by simply avoiding any involvement in matters affecting the regulated entity. However, because it is likely to be assumed by others that the General Counsel is involved in all matters within the cognizance of the Office of General Counsel, he would be wise to file a written disqualification statement with the Commissioners of the regulatory agency and provide his subordinates with written notification of his disqualification, or he may be specifically asked by an agency ethics official or the Commissioners to file a written disqualification statement.

Example 4: A scientist is employed by the National Science Foundation as a special Government employee to serve on a panel that reviews grant applications to fund research relating to deterioration of the ozone layer. She is discussing possible employment as a member of the faculty of a university that several years earlier received an NSF grant to study the effect of fluorocarbons, but has no grant application pending. As long as the university does not submit a new application for the panel's review, the employee would not have to take any action to effect disqualification.

(d) Agency determination of substantial conflict. Where the agency determines that the employee's action in seeking employment with a particular person will require his disqualification from matters so central or critical to the performance of his official duties that the employee's ability to perform the duties of his position would be materially impaired, the agency may allow the employee to take annual leave or leave without pay while seeking employment, or may take other appropriate administrative action.

§ 2635.605 Waiver or authorization permitting participation while seeking employment.

(a) Waiver. Where, as defined in §2635.603(b)(1)(i), an employee is engaged in discussions that constitute employment negotiations for purposes of 18 U.S.C. 208(a), the employee may participate in a particular matter that has a direct and predictable effect on the financial interests of a prospective employer only after receiving a written waiver issued under the authority of 18 U.S.C. 208(b)(1) or (b)(3). These waivers are described in §2635.402(d). See also subpart C of part 2640 of this chapter. For certain employees, a regulatory exemption under the authority of 18 U.S.C. 208(b)(2) may also apply (see subpart B of part 2640 of this chapter).

Example 1: An employee of the Department of Agriculture has had two telephone conversations with an orange grower regarding possible employment. They have discussed the employee's qualifications for a particular position with the grower, but have not yet discussed salary or other specific terms of employment. The employee is negotiating for employment within the meaning of 18 U.S.C. 208(a) and §2635.603(b)(1)(i). In the absence of a written waiver issued under 18 U.S.C. 208(b)(1), she may not take official action on a complaint filed by a competitor alleging that the grower has shipped oranges in violation of applicable quotas.

(b) Authorization by agency designee. Where an employee is seeking employment within the meaning of §2635.603(b)(1) (ii) or (iii), a reasonable person would be likely to question his impartiality if he were to participate in a particular matter that has a direct and predictable effect on the financial interests of any such prospective employer. The employee may participate in such matters only where the agency designee has authorized his participation in accordance with the standards set forth in §2635.502(d).

Example 1: Within the past month, an employee of the Education Department mailed her resume to a university. She is thus seeking employment with the university within the meaning of §2635.603(b)(1)(i) even though she has received no reply. In the absence of specific authorization by the agency designee in accordance with §2635.502(d), she
may not participate in an assignment to re-
view a grant application submitted by the
university.

§ 2635.606 Disqualification based on an
arrangement concerning prospective employment or otherwise after
negotiations.

(a) Employment or arrangement con-
cerning employment. An employee shall
be disqualified from taking official ac-
tion in a particular matter that has a
direct and predictable effect on the fi-
nancial interests of the person by
whom he is employed or with whom he
has an arrangement concerning future
employment, unless authorized to par-
ticipate in the matter by a written
waiver issued under the authority of 18
U.S.C. 208 (b)(1) or (b)(3), or by a regu-
larly exemption under the authority
of 18 U.S.C. 208 (b)(2). These waivers
and exemptions are described in
§2635.402(d). See also subparts B and C
of part 2640 of this chapter.

Example 1: A military officer has accepted
a job with a defense contractor to begin in
six months, after his retirement from mili-
tary service. During the period that he re-
mains with the Government, the officer may
not participate in the administration of a
contract with that particular defense con-
tractor unless he has received a written
waiver issued under the authority of 18
U.S.C. 208 (b)(1) or (b)(3), or by a regu-
larly exemption under the authority
of 18 U.S.C. 208 (b)(2). These waivers
and exemptions are described in
§2635.402(d). See also subparts B and C
of part 2640 of this chapter.

Example 2: An accountant has just been of-
fered a job with the Comptroller of the Cur-
rency which involves a two-year limited ap-
pointment. Her private employer, a large
corporation, believes the job will enhance
her skills and has agreed to give her a two-
year unpaid leave of absence at the end of
which she has agreed to return to work for
the corporation. During the two-year period
she is to be a COC employee, the accountant
will have an arrangement concerning future
employment with the corporation that will
require her disqualification from participa-
tion in any particular matter that will have
a direct and predictable effect on the cor-
poration’s financial interests.

(b) Offer rejected or not made. The
agency designee for the purpose of
§2635.502(c) may, in an appropriate
case, determine that an employee not
covered by the preceding paragraph
who has sought but is no longer seek-
ing employment nevertheless shall be
subject to a period of disqualification
upon the conclusion of employment ne-
gotiations. Any such determination
shall be based on a consideration of all
the relevant factors, including those
listed in §2635.502(d), and a determina-
tion that the concern that a reasonable
person may question the integrity of
the agency’s decisionmaking process
outweighs the Government’s interest
in the employee’s participation in the
particular matter.

Example 1: An employee of the Securities
and Exchange Commission was relieved of
responsibility for an investigation of a
broker-dealer while seeking employment
with the law firm representing the broker-
dealer in that matter. The firm did not offer
her the partnership position she sought.
Even though she is no longer seeking em-
ployment with the firm, she may continue to
be disqualified from participating in the in-
vestigation based on a determination by the
agency designee that the concern that a rea-
sonable person might question whether, in
view of the history of the employment nego-
tiations, she could act impartially in the
matter outweighs the Government’s interest
in her participation.

Subpart G—Misuse of Position

§ 2635.701 Overview.

This subpart contains provisions re-
lating to the proper use of official time
and authority, and of information and
resources to which an employee has ac-
cess because of his Federal employ-
ment. This subpart sets forth standards
relating to:

(a) Use of public office for private
gain;
(b) Use of nonpublic information;
(c) Use of Government property; and
(d) Use of official time.

§ 2635.702 Use of public office for pri-
vate gain.

An employee shall not use his public
office for his own private gain, for the
endorsement of any product, service or
enterprise, or for the private gain of
friends, relatives, or persons with
whom the employee is affiliated in a
nongovernmental capacity, including
nonprofit organizations of which the
employee is an officer or member, and
persons with whom the employee has
or seeks employment or business rela-
tions. The specific prohibitions set
forth in paragraphs (a) through (d) of this section apply this general standard, but are not intended to be exclusive or to limit the application of this section.

(a) Inducement or coercion of benefits. An employee shall not use or permit the use of his Government position or title or any authority associated with his public office in a manner that is intended to coerce or induce another person, including a subordinate, to provide any benefit, financial or otherwise, to himself or to friends, relatives, or persons with whom the employee is affiliated in a nongovernmental capacity.

Example 1: Offering to pursue a relative's consumer complaint over a household appliance, an employee of the Securities and Exchange Commission called the general counsel of the manufacturer and, in the course of discussing the problem, stated that he worked at the SEC and was responsible for reviewing the company's filings. The employee violated the prohibition against use of public office for private gain by invoking his official authority in an attempt to influence action to benefit his relative.

Example 2: An employee of the Department of Commerce was asked by a friend to determine why his firm's export license had not yet been granted by another office within the Department of Commerce. At a department-level staff meeting, the employee raised as a matter for official inquiry the delay in approval of the particular license and asked that the particular license be expedited. The official used her public office in an attempt to benefit her friend and, in acting as her friend's agent for the purpose of pursuing the export license with the Department of Commerce, may also have violated 18 U.S.C. 205.

(b) Appearance of governmental sanction. Except as otherwise provided in this part, an employee shall not use or permit the use of his Government position or title or any authority associated with his public office in a manner that could reasonably be construed to imply that his agency or the Government sanctions or endorses his personal activities or those of another. When teaching, speaking, or writing in a personal capacity, he may refer to his official title or position only as permitted by §2635.807(b). He may sign a letter of recommendation using his official title only in response to a request for an employment recommendation or character reference based upon personal knowledge of the ability or character of an individual with whom he has dealt in the course of Federal employment or whom he is recommending for Federal employment.

Example 1: An employee of the Department of the Treasury who is asked to provide a letter of recommendation for a former subordinate on his staff may provide the recommendation using official stationery and may sign the letter using his official title. If, however, the request is for the recommendation of a personal friend with whom he has not dealt in the Government, the employee should not use official stationery or sign the letter of recommendation using his official title, unless the recommendation is for Federal employment. In writing the letter of recommendation for his personal friend, it may be appropriate for the employee to refer to his official position in the body of the letter.

(c) Endorsements. An employee shall not use or permit the use of his Government position or title or any authority associated with his public office to endorse any product, service or enterprise except:

(1) In furtherance of statutory authority to promote products, services or enterprises; or

(2) As a result of documentation of compliance with agency requirements or standards or as the result of recognition for achievement given under an agency program of recognition for accomplishment in support of the agency's mission.

Example 1: A Commissioner of the Consumer Product Safety Commission may not appear in a television commercial in which she endorses an electrical appliance produced by her former employer, stating that it has been found by the CPSC to be safe for residential use.

Example 2: A Foreign Commercial Service officer from the Department of Commerce is asked by a United States telecommunications company to meet with representatives of the Government of Spain, which is in the process of procuring telecommunications services and equipment. The company is bidding against five European companies and the statutory mission of the Department of Commerce includes assisting the export activities of U.S. companies. As part of his official duties, the Foreign Commercial Service officer may meet with Spanish officials and explain the advantages of procurement from the United States company.

Example 3: The Administrator of the Environmental Protection Agency may sign a letter to an oil company indicating that its refining operations are in compliance with Federal air quality standards even though he...
knows that the company has routinely displayed letters of this type in television commercials portraying it as a “trustee of the environment for future generations.”

Example 4: An Assistant Attorney General may not use his official title or refer to his Government position in a book jacket endorsement of a novel about organized crime written by an author whose work he admires. Nor may he do so in a book review published in a newspaper.

(d) Performance of official duties affecting a private interest. To ensure that the performance of his official duties does not give rise to an appearance of use of public office for private gain or of giving preferential treatment, an employee whose duties would affect the financial interests of a friend, relative or person with whom he is affiliated in a nongovernmental capacity shall comply with any applicable requirements of §2635.502.

(e) Use of terms of address and ranks. Nothing in this section prohibits an employee who is ordinarily addressed using a general term of address, such as “The Honorable”, or a rank, such as a military or ambassadorial rank, from using that term of address or rank in connection with a personal activity.

§2635.703 Use of nonpublic information.

(a) Prohibition. An employee shall not engage in a financial transaction using nonpublic information, nor allow the improper use of nonpublic information to further his own private interest or that of another, whether through advice or recommendation, or by knowing unauthorized disclosure.

(b) Definition of nonpublic information. For purposes of this section, nonpublic information is information that the employee gains by reason of Federal employment and that he knows or reasonably should know has not been made available to the general public. It includes information that he knows or reasonably should know:

1. Is routinely exempt from disclosure under 5 U.S.C. 552 or otherwise protected from disclosure by statute, Executive order or regulation;
2. Is designated as confidential by an agency; or
3. Has not actually been disseminated to the general public and is not authorized to be made available to the public on request.

Example 1: A Navy employee learns in the course of her duties that a small corporation will be awarded a Navy contract for electrical test equipment. She may not take any action to purchase stock in the corporation or its suppliers and she may not advise friends or relatives to do so until after public announcement of the award. Such actions could violate Federal securities statutes as well as this section.

Example 2: A General Services Administration employee involved in evaluating proposals for a construction contract cannot disclose the terms of a competing proposal to a friend employed by a company bidding on the work. Prior to award of the contract, bid or proposal information is nonpublic information specifically protected by 41 U.S.C. 423.

Example 3: An employee is a member of a source selection team assigned to review the proposals submitted by several companies in response to an Army solicitation for spare parts. As a member of the evaluation team, the employee has access to proprietary information regarding the production methods of Alpha Corporation, one of the competitors. He may not use that information to assist Beta Company in drafting a proposal to compete for a Navy spare parts contract. The Federal Acquisition Regulation in 48 CFR parts 3, 14 and 15 restricts the release of information related to procurements and other contractor information that must be protected under 18 U.S.C. 1905 and 41 U.S.C. 423.

Example 4: An employee of the Nuclear Regulatory Commission inadvertently includes a document that is exempt from disclosure with a group of documents released in response to a Freedom of Information Act request. Regardless of whether the document is used improperly, the employee’s disclosure does not violate this section because it was a knowing unauthorized disclosure made for the purpose of furthering a private interest.

Example 5: An employee of the Army Corps of Engineers is actively involved in the activities of an organization whose goals relate to protection of the environment. The employee may not, other than as permitted by agency procedures, give the organization or a newspaper reporter nonpublic information about long-range plans to build a particular dam.

§2635.704 Use of Government property.

(a) Standard. An employee has a duty to protect and conserve Government property and shall not use such property, or allow its use, for other than authorized purposes.
§ 2635.705

(b) Definitions. For purposes of this section:

(1) Government property includes any form of real or personal property in which the Government has an ownership, leasehold, or other property interest as well as any right or other intangible interest that is purchased with Government funds, including the services of contractor personnel. The term includes office supplies, telephone and other telecommunications equipment and services, the Government mails, automated data processing capabilities, printing and reproduction facilities, Government records, and Government vehicles.

(2) Authorized purposes are those purposes for which Government property is made available to members of the public or those purposes authorized in accordance with law or regulation.

Example 1: Under regulations of the General Services Administration at 41 CFR 101-35.201, an employee may make a personal long distance call charged to her personal calling card.

Example 2: An employee of the Commodity Futures Trading Commission whose office computer gives him access to a commercial service providing information for investors may not use that service for personal investment research.

Example 3: In accordance with Office of Personnel Management regulations at part 251 of this title, an attorney employed by the Department of Justice may be permitted to use her office word processor and agency photocopy equipment to prepare a paper to be presented at a conference sponsored by a professional association of which she is a member.

Subpart H—Outside Activities

§ 2635.801 Overview.

(a) This subpart contains provisions relating to outside employment, outside activities and personal financial obligations of employees that are in addition to the principles and standards set forth in other subparts of this part. Several of these provisions apply to uncompensated as well as to compensated outside activities.

(b) An employee who wishes to engage in outside employment or other outside activities must comply with all relevant provisions of this subpart, including, when applicable:

(1) The prohibition on outside employment or any other outside activity that conflicts with the employee's official duties;
Office of Government Ethics § 2635.801

(2) Any agency-specific requirement for prior approval of outside employment or activities;
(3) The limitations on receipt of outside earned income by certain Presidential appointees and other noncareer employees;
(4) The limitations on paid and unpaid service as an expert witness;
(5) The limitations on participation in professional organizations;
(6) The limitations on paid and unpaid teaching, speaking, and writing; and
(7) The limitations on fundraising activities.

(c) Outside employment and other outside activities of an employee must also comply with applicable provisions set forth in other subparts of this part and in supplemental agency regulations. These include the principle that an employee shall endeavor to avoid actions creating an appearance of violating any of the ethical standards in this part and the prohibition against use of official position for an employee's private gain or for the private gain of any person with whom he has employment or business relations or is otherwise affiliated in a nongovernmental capacity.

(d) In addition to the provisions of this and other subparts of this part, an employee who wishes to engage in outside employment or other outside activities must comply with applicable statutes and regulations. Relevant provisions of law, many of which are listed in subpart I of this part, may include:

(1) 18 U.S.C. 201(b), which prohibits a public official from seeking, accepting or agreeing to receive or accept anything of value in return for being influenced in the performance of an official act or for being induced to take or omit to take any action in violation of his official duty;
(2) 18 U.S.C. 201(c), which prohibits a public official, otherwise than as provided by law for the proper discharge of official duty, from seeking, accepting, or agreeing to receive or accept anything of value for or because of any official act;
(3) 18 U.S.C. 203(a), which prohibits an employee from seeking, accepting, or agreeing to receive or accept compensation for any representational services, rendered personally or by another, in relation to any particular matter in which the United States is a party or has a direct and substantial interest, before any department, agency, or other specified entity. This statute contains several exceptions, as well as standards for special Government employees that limit the scope of the restriction;
(4) 18 U.S.C. 205, which prohibits an employee, whether or not for compensation, from acting as agent or attorney for anyone in a claim against the United States or from acting as agent or attorney for anyone, before any department, agency, or other specified entity, in any particular matter in which the United States is a party or has a direct and substantial interest. It also prohibits receipt of any gratuity, or any share of or interest in a claim against the United States, in consideration for assisting in the prosecution of such claim. This statute contains several exceptions, as well as standards for special Government employees that limit the scope of the restrictions;
(5) 18 U.S.C. 209, which prohibits an employee, other than a special Government employee, from receiving any salary or any contribution to or supplementation of salary from any source other than the United States as compensation for services as a Government employee. The statute contains several exceptions that limit its applicability;
(6) The Emoluments Clause of the United States Constitution, article I, section 9, clause 8, which prohibits anyone holding an office of profit or trust under the United States from accepting any gift, office, title or emolument, including salary or compensation, from any foreign government except as authorized by Congress. In addition, 18 U.S.C. 219 generally prohibits any public official from being or acting as an agent of a foreign principal, including a foreign government, corporation or person, if the employee would be required to register as a foreign agent under 22 U.S.C. 611 et seq.;
(7) The Hatch Act Reform Amendments, 5 U.S.C. 7321 through 7326, which govern the political activities of executive branch employees; and
§ 2635.802

(8) The limitations on outside employment, 5 U.S.C. App. (Ethics in Government Act of 1978), which prohibit a covered noncareer employee's receipt of compensation for specified activities and provide that he shall not allow his name to be used by any firm or other entity which provides professional services involving a fiduciary relationship. Implementing regulations are contained in §§2636.305 through 2636.307 of this chapter.

§ 2635.802 Conflicting outside employment and activities.

An employee shall not engage in outside employment or any other outside activity that conflicts with his official duties. An activity conflicts with an employee's official duties:

(a) If it is prohibited by statute or by an agency supplemental regulation; or

(b) If, under the standards set forth in §§2635.402 and 2635.502, it would require the employee's disqualification from matters so central or critical to the performance of his official duties that the employee's ability to perform the duties of his position would be materially impaired.

Employees are cautioned that even though an outside activity may not be prohibited under this section, it may violate other principles or standards set forth in this part or standards set forth in this chapter or require the employee to disqualify himself from participation in certain particular matters under either subpart D or subpart E of this part.

Example 1: An employee of the Environmental Protection Agency has just been promoted. His principal duty in his new position is to write regulations relating to the disposal of hazardous waste. The employee may not continue to serve as president of a non-profit environmental organization that routinely submits comments on such regulations. His service as an officer would require his disqualification from duties critical to the performance of his official duties on a basis so frequent as to materially impair his ability to perform the duties of his position.

Example 2: An employee of the Occupational Safety and Health Administration who was and is expected again to be instrumental in formulating new OSHA safety standards applicable to manufacturers that use chemical solvents has been offered a consulting contract to provide advice to an affected company in restructuring its manufacturing operations to comply with the OSHA standards. The employee should not enter into the consulting arrangement even though he is not currently working on OSHA standards affecting this industry and his consulting contract can be expected to be completed before he again works on such standards. Even though the consulting arrangement would not be a conflicting activity within the meaning of §2635.802, it would create an appearance that the employee had used his official position to obtain the compensated outside business opportunity and it would create the further appearance of using his public office for the private gain of the manufacturer.

§ 2635.803 Prior approval for outside employment and activities.

When required by agency supplemental regulation issued after February 3, 1993, an employee shall obtain prior approval before engaging in outside employment or activities. Where it is determined to be necessary or desirable for the purpose of administering its ethics program, an agency shall, by supplemental regulation, require employees or any category of employees to obtain prior approval before engaging in specific types of outside activities, including outside employment.

§ 2635.804 Outside earned income limitations applicable to certain Presidential appointees and other noncareer employees.

(a) Presidential appointees to full-time noncareer positions. A Presidential appointee to a full-time noncareer position shall not receive any outside earned income for outside employment, or for any other outside activity, carried out in satisfaction of the employee's obligation under a contract entered into prior to April 12, 1989.

(b) Covered noncareer employees. Covered noncareer employees, as defined in §2636.303(a) of this chapter, may not, in any calendar year, receive outside earned income limitations.
earned income attributable to that calendar year which exceeds 15 percent of the annual rate of basic pay for level II of the Executive Schedule under 5 U.S.C. 5313, as in effect on January 1 of such calendar year. Employees should consult the regulations implementing this limitation, which are contained in §§2636.301 through 2636.304 of this chapter.

NOTE: In addition to the 15 percent limitation on outside earned income, covered noncareer employees are prohibited from receiving any compensation for: practicing a profession which involves a fiduciary relationship; affiliating with or being employed by a firm or other entity which provides professional services involving a fiduciary relationship; serving as an officer or member of the board of any association, corporation or other entity; or teaching without prior approval. Implementing regulations are contained in §§2636.305 through 2636.307 of this chapter.

(c) Definitions. For purposes of this section:

(1) Outside earned income has the meaning set forth in §2636.303(b) of this chapter, except that §2636.303(b)(8) shall not apply.

(2) Presidential appointee to a full-time noncareer position means any employee who is appointed by the President to a full-time position described in 5 U.S.C. 5312 through 5317 or to a position that, by statute or as a matter of practice, is filled by Presidential appointment, other than:

(i) A position filled under the authority of 3 U.S.C. 105 or 3 U.S.C. 107(a) for which the rate of basic pay is less than that for GS-9, step 1 of the General Schedule;

(ii) A position, within a White House operating unit, that is designated as not normally subject to change as a result of a Presidential transition;

(iii) A position within the uniformed services; or

(iv) A position in which a member of the foreign service is serving that does not require advice and consent of the Senate.

Example 1: A career Department of Justice employee who is detailed to a policy-making position in the White House Office that is ordinarily filled by a noncareer employee is not a Presidential appointee to a full-time noncareer position.

Example 2: A Department of Energy employee appointed under §213.3301 of this title to a Schedule C position is appointed by the agency and, thus, is not a Presidential appointee to a full-time noncareer position.

§ 2635.805 Service as an expert witness.

(a) Restriction. An employee shall not serve, other than on behalf of the United States, as an expert witness, with or without compensation, in any proceeding before a court or agency of the United States in which the United States is a party or has a direct and substantial interest, unless the employee's participation is authorized by the agency under paragraph (c) of this section. Except as provided in paragraph (b) of this section, this restriction shall apply to a special Government employee only if he has participated as an employee or special Government employee in the particular proceeding or in the particular matter that is the subject of the proceeding.

(b) Additional restriction applicable to certain special Government employees. (1) In addition to the restriction described in paragraph (a) of this section, a special Government employee described in paragraph (b)(2) of this section shall not serve, other than on behalf of the United States, as an expert witness, with or without compensation, in any proceeding before a court or agency of the United States in which his employing agency is a party or has a direct and substantial interest, unless the employee's participation is authorized by the agency under paragraph (c) of this section.

(2) The restriction in paragraph (b)(1) of this section shall apply to a special Government employee who:

(i) Is appointed by the President;

(ii) Serves on a commission established by statute; or

(iii) Has served or is expected to serve for more than 60 days in a period of 365 consecutive days.

(c) Authorization to serve as an expert witness. Provided that the employee's testimony will not violate any of the principles or standards set forth in this part, authorization to provide expert witness service otherwise prohibited by paragraphs (a) and (b) of this section may be given by the designated agency ethics official of the agency in which the employee serves when:
§ 2635.806 Participation in professional associations. [Reserved]

§ 2635.807 Teaching, speaking and writing.

(a) Compensation for teaching, speaking or writing. Except as permitted by paragraph (a)(3) of this section, an employee, including a special Government employee, shall not receive compensation from any source other than the Government for teaching, speaking or writing that relates to the employee’s official duties.

(1) Relationship to other limitations on receipt of compensation. The compensation prohibition contained in this section is in addition to any other limitation on receipt of compensation set forth in this chapter, including:

(i) The requirement contained in § 2636.307 of this chapter that covered noncareer employees obtain advance authorization before engaging in teaching for compensation; and

(ii) The prohibitions and limitations in § 2635.804 and in § 2636.304 of this chapter on receipt of outside earned income applicable to certain Presidential appointees and to other covered noncareer employees.

(2) Definitions. For purposes of this paragraph:

(i) Teaching, speaking or writing relates to the employee’s official duties if:

(A) The activity is undertaken as part of the employee’s official duties;

(B) The circumstances indicate that the invitation to engage in the activity was extended to the employee primarily because of his official position rather than his expertise on the particular subject matter;

(C) The invitation to engage in the activity or the offer of compensation for the activity was extended to the employee, directly or indirectly, by a person who has interests that may be affected substantially by performance or nonperformance of the employee’s official duties;

(D) The information conveyed through the activity draws substantially on ideas or official data that are nonpublic information as defined in § 2635.703(b); or

(E) Except as provided in paragraph (a)(2)(i)(E)(4) of this section, the subject of the activity deals in significant part with:

(1) Any matter to which the employee presently is assigned or to which the employee had been assigned during the previous one-year period;

(2) Any ongoing or announced policy, program or operation of the agency; or

(3) In the case of a noncareer employee as defined in § 2636.303(a) of this chapter, the general subject matter area, industry, or economic sector primarily affected by the programs and operations of his agency.

(4) The restrictions in paragraphs (a)(2)(i)(E)(2) and (3) of this section do not apply to a special Government employee. The restriction in paragraph (a)(2)(i)(E)(1) of this section applies only during the current appointment of a special Government employee; except that if the special Government employee has not served or is not expected to serve for more than 60 days during the first year or any subsequent one year period of that appointment, the restriction applies only to particular matters involving specific parties in which the special Government employee has participated or is participating personally and substantially.

NOTE: Section 2635.807(a)(2)(i)(E) does not preclude an employee, other than a covered noncareer employee, from receiving compensation for teaching, speaking or writing on a subject within the employee’s discipline.
or inherent area of expertise based on his educational background or experience even though the teaching, speaking or writing deals generally with a subject within the agency’s areas of responsibility.

Example 1: The Director of the Division of Enforcement at the Commodity Futures Trading Commission has a keen interest in stamp collecting and has spent years developing his own collection as well as studying the field generally. He is asked by an international society of philatelists to give a series of four lectures on how to assess the value of American stamps. Because the subject does not relate to his official duties, the Director may accept compensation for the lecture series. He could not, however, accept a similar invitation from a commodities broker.

Example 2: A scientist at the National Institutes of Health, whose principal area of government research is the molecular basis of the development of cancer, could not be compensated for writing a book which focuses specifically on the research she conducts in her position at NIH, and thus, relates to her official duties. However, the scientist could receive compensation for writing or editing a textbook on the treatment of all cancers on the basis that the book does not focus on recent research at NIH, but rather conveys scientific knowledge gleaned from the scientific community as a whole. The book might include a chapter, among many other chapters, which discusses the molecular basis of cancer development. Additionally, the book could contain brief discussions of recent developments in cancer treatment, even though some of those developments are derived from NIH research, as long as it is available to the public.

Example 3: On his own time, a National Highway Traffic Safety Administration employee prepared a consumer’s guide to purchasing a safe automobile that focuses on automobile crashworthiness statistics gathered and made public by NHTSA. He may not receive royalties or any other form of compensation for the guide. The guide deals in significant part with the programs or operations of NHTSA and, therefore, relates to the employee's official duties. On the other hand, the employee could receive royalties from the sale of a consumer’s guide to values in used automobiles even though it contains a brief, incidental discussion of automobile safety standards developed by NHTSA.

Example 4: An employee of the Securities and Exchange Commission may not receive compensation for a book which focuses specifically on the regulation of the securities industry in the United States, since that subject concerns the regulatory programs or operations of the SEC. The employee may, however, write a book about the advantages of investing in various types of securities as long as the book contains only an incidental discussion of any program or operation of the SEC.

Example 5: An employee of the Department of Commerce who works in the Department’s employee relations office is an acknowledged expert in the field of Federal employee labor relations, and participates in Department negotiations with employee unions. The employee may receive compensation from a private training institute for a series of lectures which describe the decisions of the Federal Labor Relations Authority concerning unfair labor practices, provided that her lectures do not contain any significant discussion of labor relations cases handled at the Department of Commerce, or the Department’s labor relations policies. Federal Labor Relations Authority decisions concerning Federal employee unfair labor practices are not a specific program or operation of the Department of Commerce and thus do not relate to the employee’s official duties. However, an employee of the FLRA could not give the same presentations for compensation.

Example 6: A program analyst employed at the Environmental Protection Agency may receive royalties and other compensation for a book about the history of the environmental movement in the United States even though it contains brief references to the creation and responsibilities of the EPA. A covered noncareer employee of the EPA, however, could not receive compensation for writing the same book because it deals with the general subject matter area affected by EPA programs and operations. Neither employee could receive compensation for writing a book that focuses on specific EPA regulations or otherwise on its programs and operations.

Example 7: An attorney in private practice has been given a one year appointment as a special Government employee to serve on an advisory committee convened for the purpose of surveying and recommending modification of procurement regulations that deter small businesses from competing for Government contracts. Because his service under that appointment is not expected to exceed 60 days, the attorney may accept compensation for an article about the anti-competitive effects of certain regulatory certification requirements even though those regulations are being reviewed by the advisory committee. The regulations which are the focus of the advisory committee deliberations are not a particular matter involving specific parties. Because the information is nonpublic, he could not, however, accept compensation for an article which recounts advisory committee deliberations that took place in a meeting closed to the public in order to discuss proprietary information provided by a small business.
Example 8: A biologist who is an expert in marine life is employed for more than 60 days in a year as a special Government employee by the National Science Foundation to assist in developing a program of grants by the Foundation for the study of coral reefs. The biologist may continue to receive compensation for speaking, teaching and writing about marine life generally and coral reefs specifically. However, during the term of her appointment as a special Government employee, she may not receive compensation for an article about the NSF program she is participating in developing. Only the latter would concern a matter to which the special Government employee is assigned.

Example 9: An expert on international banking transactions has been given a one-year appointment as a special Government employee to assist in analyzing evidence in the Government’s fraud prosecution of owners of a failed savings and loan association. It is anticipated that she will serve fewer than 60 days under that appointment. Nevertheless, during her appointment, the expert may not accept compensation for an article about the fraud prosecution, even though the article does not reveal nonpublic information. The prosecution is a particular matter that involves specific parties.

(ii) Agency has the meaning set forth in §2635.102(a), except that any component of a department designated as a separate agency under §2635.203(a) shall be considered a separate agency.

(iii) Compensation includes any form of consideration, remuneration or income, including royalties, given for or in connection with the employee’s teaching, speaking or writing activities. Unless accepted under specific statutory authority, such as 31 U.S.C. 1353, 5 U.S.C. 4111 or 7342, or an agency gift acceptance statute, it includes transportation, lodgings and meals, whether provided in kind, by purchase of a ticket, by payment in advance or by reimbursement after the expense has been incurred. It does not include:

(A) Items offered by any source that could be accepted from a prohibited source under subpart B of this part;

(B) Meals or other incidents of attendance such as waiver of attendance fees or course materials furnished as part of the event at which the teaching or speaking takes place; or

(C) Copies of books or of publications containing articles, reprints of articles, tapes of speeches, and similar items that provide a record of the teaching, speaking or writing activity.

(iv) Receive means that there is actual or constructive receipt of the compensation by the employee so that the employee has the right to exercise dominion and control over the compensation and to direct its subsequent use. Compensation received by an employee includes compensation which is:

(A) Paid to another person, including a charitable organization, on the basis of designation, recommendation or other specification by the employee; or

(B) Paid with the employee’s knowledge and acquiescence to his parent, sibling, spouse, child, or dependent relative.

(v) Personal and substantial participation has the meaning set forth in §2637.102(a)(7) of this chapter.

(vi) Particular matter involving specific parties has the meaning set forth in §2637.402(b)(4).

(3) Exception for teaching certain courses. Notwithstanding that the activity would relate to his official duties under paragraphs (a)(2)(i) (B) or (E) of this section, an employee may accept compensation for teaching a course requiring multiple presentations by the employee if the course is offered as part of:

(I) The regularly established curriculum of:

(A) An institution of higher education as defined at 20 U.S.C. 1141(a); (B) An elementary school as defined at 20 U.S.C. 2891(8); or

(C) A secondary school as defined at 20 U.S.C. 2891(21); or

(ii) A program of education or training sponsored and funded by the Federal Government or by a State or local government which is not offered by an entity described in paragraph (a)(3)(i) of this section.

Example 1: An employee of the Cost Accounting Standards Board who teaches an advanced accounting course as part of the regular business school curriculum of an accredited university may receive compensation for teaching the course even though a substantial portion of the course deals with cost accounting principles applicable to contracts with the Government.

Example 2: An attorney employed by the Equal Employment Opportunity Commission may accept compensation for teaching a course at a state college on the subject of Federal employment discrimination law. The attorney could not accept compensation for
teaching the same seminar as part of a continuing education program sponsored by her bar association because the subject of the course is focused on the operations or programs of the EEOC and the sponsor of the course is not an accredited educational institution.

Example 3: An employee of the National Endowment for the Humanities is invited by a private university to teach a course that is a survey of Government policies in support of artists, poets and writers. As part of his official duties, the employee administers a grant that the university has received from the NEH. The employee may not accept compensation for teaching the course because the university has interests that may be substantially affected by the performance or nonperformance of the employee's duties. Likewise, an employee may not receive compensation for any teaching that is undertaken as part of his official duties or that involves the use of nonpublic information.

(b) Reference to official position. An employee who is engaged in teaching, speaking or writing as outside employment or as an outside activity shall not use or permit the use of his official title or position to identify him in connection with his teaching, speaking or writing activity or to promote any book, seminar, course, program or similar undertaking, except that:

(1) An employee may include or permit the inclusion of his title or position as one of several biographical details when such information is given to identify him in connection with his teaching, speaking or writing, provided that other pertinent biographical details are mentioned as well.

(2) An employee may use, or permit the use of, his title or position in connection with an article published in a scientific or professional journal, provided that the title or position is accompanied by a reasonably prominent disclaimer satisfactory to the agency stating that the views expressed in the article do not necessarily represent the views of the agency or the United States; and

(3) An employee who is ordinarily addressed using a general term of address, such as "The Honorable," or a rank, such as a military or ambassadorial rank, may use or permit the use of that term of address or rank in connection with his teaching, speaking or writing.

NOTE: Some agencies may have policies requiring advance agency review, clearance, or approval of certain speeches, books, articles or similar products to determine whether the product contains an appropriate disclaimer, discloses nonpublic information, or otherwise complies with this section.

Example 1: A meteorologist employed with the National Oceanic and Atmospheric Administration is asked by a local university to teach a graduate course on hurricanes. The university may include the meteorologist's Government title and position together with other information about his education and previous employment in course materials setting forth biographical data on all teachers involved in the graduate program. However, his title or position may not be used to promote the course, for example, by featuring the meteorologist's Government title, Senior Meteorologist, NOAA, in bold type under his name. In contrast, his title may be used in this manner when the meteorologist is authorized by NOAA to speak in his official capacity.

Example 2: A doctor just employed by the Centers for Disease Control has written a paper based on his earlier independent research into cell structures. Incident to the paper's publication in the Journal of the American Medical Association, the doctor may be given credit for the paper, as Dr. M. Wellbeing, Associate Director, Centers for Disease Control, provided that the article also contains a disclaimer, concurred in by the CDC, indicating that the paper is the result of the doctor's independent research and does not represent the findings of the CDC.

Example 3: An employee of the Federal Deposit Insurance Corporation has been asked to give a speech in his private capacity, without compensation, to the annual meeting of a committee of the American Bankers Association on the need for banking reform. The employee may be described in his introduction at the meeting as an employee of the Federal Deposit Insurance Corporation provided that other pertinent biographical details are mentioned as well.

§ 2635.808 Fundraising activities.

An employee may engage in fundraising only in accordance with the restrictions in part 950 of this title on the conduct of charitable fundraising in the Federal workplace and in accordance with paragraphs (b) and (c) of this section.
§ 2635.808

(a) Definitions. For purposes of this section: (1) Fundraising means the raising of funds for a nonprofit organization, other than a political organization as defined in 26 U.S.C. 527(e), through:

(i) Solicitation of funds or sale of items; or

(ii) Participation in the conduct of an event by an employee where any portion of the cost of attendance or participation may be taken as a charitable tax deduction by a person incurring that cost.

(2) Participation in the conduct of an event means active and visible participation in the promotion, production, or presentation of the event and includes serving as honorary chairperson, sitting at a head table during the event, and standing in a reception line. The term does not include mere attendance at an event provided that, to the employee's knowledge, his attendance is not used by the nonprofit organization to promote the event. While the term generally includes any public speaking during the event, it does not include the delivery of an official speech as defined in paragraph (a)(3) of this section or any seating or other participation appropriate to the delivery of such a speech. Waiver of a fee for attendance at an event by a participant in the conduct of that event does not constitute a gift for purposes of subpart B of this part.

NOTE: This section does not prohibit fundraising for a political party, candidate for partisan political office, or partisan political group. However, there are statutory restrictions that apply to political fundraising. For example, under the Hatch Act Reform Amendments of 1993, at 5 U.S.C. 7323(a), employees may not knowingly solicit, accept, or receive a political contribution from any person, except under limited circumstances. In addition, employees are prohibited by 18 U.S.C. 607 from soliciting or receiving political contributions in Federal offices, and, except as permitted by the Hatch Act Reform Amendments, are prohibited by 18 U.S.C. 602 from knowingly soliciting political contributions from other employees.

Example 1: The Secretary of Labor is invited to speak at a banquet honoring a distinguished labor leader, the proceeds of which will benefit a nonprofit organization that assists homeless families. She devotes a majority of her speech to the Administration's Points of Light initiative, an effort to encourage citizens to volunteer their time to help solve serious social problems. Because she is authorized to speak on Administration policy, her remarks at the banquet are an official speech. However, the Secretary would be engaged in fundraising if she were to conclude her official speech with a request for donations to the nonprofit organization.

Example 2: A charitable organization is sponsoring a two-day tennis tournament at a country club in the Washington, DC area to raise funds for recreational programs for learning disabled children. The organization has invited the Secretary of Education to give a speech on federally funded special education programs at the awards dinner to be held at the conclusion of the tournament and a determination has been made that the dinner is an appropriate forum for the particular speech. The Secretary may speak at the dinner and, under §2635.204(g)(1), he may partake of the meal provided to him at the dinner.

(4) Personally solicit means to request or otherwise encourage donations or other support either through person-to-person contact or through the use of one's name or identity in correspondence or by permitting its use by others. It does not include the solicitation of funds through the media or through either oral remarks, or the contemporaneous dispatch of like items of mass-
produced correspondence, if such remarks or correspondence are addressed to a group consisting of many persons, unless it is known to the employee that the solicitation is targeted at subordinates or at persons who are prohibited sources within the meaning of §2635.203(d). It does not include behind-the-scenes assistance in the solicitation of funds, such as drafting correspondence, stuffing envelopes, or accounting for contributions.

Example 1: An employee of the Department of Energy who signs a letter soliciting funds for a local private school does not “personally solicit” funds when 500 copies of the letter, which makes no mention of his DOE position and title, are mailed to members of the local community, even though some individuals who are employed by Department of Energy contractors may receive the letter.

(b) Fundraising in an official capacity. An employee may participate in fundraising in an official capacity if, in accordance with a statute, Executive order, regulation or otherwise as determined by the agency, he is authorized to engage in the fundraising activity as part of his official duties. When authorized to participate in an official capacity, an employee may use his official title, position and authority.

Example 1: Because participation in his official capacity is authorized under part 950 of this title, the Secretary of the Army may sign a memorandum to all Army personnel encouraging them to donate to the Combined Federal Campaign.

(c) Fundraising in a personal capacity. An employee may engage in fundraising in his personal capacity provided that he does not:

(1) Personally solicit funds or other support from a subordinate or from any person:

(i) Known to the employee, if the employee is other than a special Government employee, to be a prohibited source within the meaning of §2635.203(d); or

(ii) Known to the employee, if the employee is a special Government employee, to be a prohibited source within the meaning of §2635.203(d)(4) that is a person whose interests may be substantially affected by performance or non-performance of his official duties;

(2) Use or permit the use of his official title, position or any authority associated with his public office to further the fundraising effort, except that an employee who is ordinarily addressed using a general term of address, such as “The Honorable,” or a rank, such as a military or ambassadorial rank, may use or permit the use of that term of address or rank for such purposes; or

(3) Engage in any action that would otherwise violate this part.

Example 1: A nonprofit organization is sponsoring a golf tournament to raise funds for underprivileged children. The Secretary of the Navy may not enter the tournament with the understanding that the organization intends to attract participants by offering other entrants the opportunity, in exchange for a donation in the form of an entry fee, to spend the day playing 18 holes of golf in a foursome with the Secretary of the Navy.

Example 2: An employee of the Merit Systems Protection Board may not use the agency’s photocopier to reproduce fundraising literature for her son’s private school. Such use of the photocopier would violate the standards at §2635.704 regarding use of Government property.

Example 3: An Assistant Attorney General may not sign a letter soliciting funds for a homeless shelter as “John Doe, Assistant Attorney General.” He also may not sign a letter with just his signature, “John Doe,” soliciting funds from a prohibited source, unless the letter is one of many identical, mass-produced letters addressed to a large group where the solicitation is not known to him to be targeted at persons who are either prohibited sources or subordinates.

§ 2635.809 Just financial obligations. Employees shall satisfy in good faith their obligations as citizens, including all just financial obligations, especially those such as Federal, State, or local taxes that are imposed by law. For purposes of this section, a just financial obligation includes any financial obligation acknowledged by the employee or reduced to judgment by a court. In good faith means an honest intention to fulfill any just financial obligation in a timely manner. In the event of a dispute between an employee and an alleged creditor, this section does not require an agency to determine the validity or amount of the disputed debt or to collect a debt on the alleged creditor’s behalf.
§ 2635.901 General.

In addition to the standards of ethical conduct set forth in subparts A through H of this part, there are a number of statutes that establish standards to which an employee’s conduct must conform. The list set forth in § 2635.902 references some of the more significant of those statutes. It is not comprehensive and includes only references to statutes of general applicability. While it includes references to several of the basic conflict of interest statutes whose standards are explained in more detail throughout this part, it does not include references to statutes of more limited applicability, such as statutes that apply only to officers and employees of the Department of Defense.

§ 2635.902 Related statutes.

Subpart A—General Provisions

§ 2636.101 Purpose.

This part is issued under authority contained in titles II and VI of the Ethics Reform Act of 1989 (Pub. L. 101-194, as amended), amending the Ethics in Government Act of 1978, and contains regulations that implement the following:
(a) The prohibition at 5 U.S.C. app. 501(b) against receipt of honoraria and the provisions of 5 U.S.C. app. 501(c) whereby payments may be made to charitable organizations in lieu of honoraria;
(b) The confidential reporting requirement at 5 U.S.C. app. 102(a)(1)(A) applicable to payments made to charitable organizations in lieu of honoraria; and
(c) The 15 percent outside earned income limitation at 5 U.S.C. app. 501(a) and the limitations at 5 U.S.C. app. 502 on outside employment and affiliation applicable to certain noncareer employees.

§ 2636.102 Definitions.

The definitions listed below are of general applicability to this part. Additional definitions of narrower applicability appear in the subparts or sections of subparts to which they apply.

For purposes of this part:

(a) Agency ethics official refers to the designated agency ethics official and to any deputy ethics official described in §2638.204 of this subchapter to whom authority to issue advisory opinions under §2636.103 of this part or to receive and review reports of honoraria recipients under §2636.204 of this part has been delegated by the designated agency ethics official.

(b) Designated agency ethics official refers to the official described in §2638.201 of this subchapter.

(c) Employee means any officer or employee of the executive branch, other than a special Government employee as defined in 18 U.S.C. 202. It includes officers but not enlisted members of the uniformed services as defined in 5 U.S.C. 2101(3). It does not include the President or Vice President.

(d) Executive branch includes each executive agency as defined in 5 U.S.C. 105 and any other entity or administrative unit in the executive branch. However, it does not include any agency that is defined by 5 U.S.C. app. 109(11) as within the legislative branch.

(e) The terms he, his, and him include “she,” “hers” and “her.”

§ 2636.103 Advisory opinions.

(a) Request for an advisory opinion. (1) An employee may request an advisory opinion from an agency ethics official as to whether specific conduct which has not yet occurred would violate any provision contained in this part.

(ii) Whether a noncareer employee who is subject to the restrictions in subpart C of this part may receive compensation for teaching. An advisory opinion issued under this section may not be substituted for the advance written approval required by §2636.307 of this part.

(3) The employee’s request for an advisory opinion shall be submitted in writing, shall be dated and signed, and shall include all information reasonably available to the employee that is relevant to the inquiry. Where, in the opinion of the agency ethics official, complete information has not been provided, that official may request the employee to furnish additional information necessary to issue an opinion.

(b) Issuance of advisory opinion. As soon as practicable after receipt of all necessary information, the agency ethics official shall issue a written opinion as to whether the conduct in issue would violate any provision contained in this part. Where conduct which would not violate this part would violate another statute relating to conflicts of interest or applicable standards of conduct, the advisory opinion shall so state and shall caution the employee against engaging in the conduct.

(1) For the purpose of issuing an advisory opinion, the agency ethics official may request additional information from agency sources, including the requesting employee’s supervisor, and may rely upon the accuracy of information furnished by the requester or any agency source unless he has reason to believe that the information is fraudulent, misleading or otherwise incorrect.

(2) A copy of the request and advisory opinion shall be retained for a period of 6 years.

(c) Good faith reliance on an advisory opinion. An employee who engages in conduct in good faith reliance upon an advisory opinion issued by an ethics official of his agency to another
neither the Office of Government Ethics nor the employing agency shall initiate civil or disciplinary action under this part for conduct that is indistinguishable in all material aspects from the conduct described in the advisory opinion. However, an advisory opinion issued under this section shall not insulate the employee from other civil or disciplinary action if his conduct violates any other laws, rule, regulation or lawful management policy or directive. Where an employee has actual knowledge or reason to believe that the opinion is based on fraudulent, misleading, or otherwise incorrect information, the employee's reliance on the opinion will not be deemed to be in good faith.

(d) Revision of an ethics opinion. Nothing in this section prohibits an agency ethics official from revising an ethics opinion on a prospective basis where he determines that the ethics opinion previously issued is incorrect, either as a matter of law or because it is based on erroneous information.

§ 2636.104 Civil, disciplinary and other action.

(a) Civil action. Except when the employee engages in conduct in good faith reliance upon an advisory opinion issued under §2636.103 of this subpart, an employee who accepts an honorarium or engages in any other conduct in violation of the prohibitions, limitations and restrictions contained in this part may be subject to civil action under 5 U.S.C. app. 504(a) and a civil penalty of not more than $10,000 or the amount of compensation the individual received for the prohibited conduct, whichever is greater. Knowing and willful failure to file the report required by §2636.205 of this part or falsification of information thereon may subject an employee to a civil penalty of not more than $10,000 under 5 U.S.C. app. 104(a).

(b) Disciplinary and corrective action. An agency may initiate disciplinary or corrective action against an employee who violates any provision of this part, which may be in addition to any civil penalty prescribed by law. When an employee engages in conduct in good faith reliance upon an advisory opinion issued under §2636.103 of this subpart, an agency may not initiate disciplinary or corrective action for violation of this part. Disciplinary action includes reprimand, suspension, demotion and removal. Corrective action includes any action necessary to remedy a past violation or prevent a continuing violation of this part, including but not limited to restitution or termination of an activity. It is the responsibility of the employing agency to initiate disciplinary or corrective action in appropriate cases. However, the Director of the Office of Government Ethics may order corrective action or recommend disciplinary action under the procedures at part 2638 of this subchapter. The imposition of disciplinary action is at the discretion of the employing agency.

(c) Late Filing Fee. An employee may be assessed a late filing fee of $200 under 5 U.S.C. app. 104(d) for any report of payments to charitable organizations in lieu of honoraria required by §2636.205 of this part that is filed more than 30 days after the date the report is due.

(d) Criminal penalties. An employee who knowingly and willfully falsifies information on a report of payments to charitable organizations in lieu of honoraria required by §2636.205 of this part may be subject to criminal prosecution and sentencing under 18 U.S.C. 1001 and 3571.

Subpart B—The Honorarium Prohibition; Confidential Reporting of Payments to Charities in Lieu of Honoraria

§ 2636.201 General standard.

An individual may not receive any honorarium while that individual is an employee.

§ 2636.202 Relationship to other laws and regulations.

The honorarium prohibition described in this subpart is in addition to any restriction on appearances, speaking or writing or the receipt of compensation therefor to which an employee is subject under applicable standards of conduct or by reason of any statute or regulation relating to conflicts of interests. Even though compensation for an activity is not
prohibited by this subpart, an employee should accept compensation, including travel expenses, or engage in the activity for which compensation is offered, only after determining that it is not prohibited by the following:

(a) An employee is prohibited by criminal statute and by the standards of conduct at part 735 of this title and agency implementing regulations from accepting compensation for an appearance or speech made or an article written in his official capacity or as part of his official duties. Unless specifically authorized by a statute, such as 5 U.S.C. 4111, 5 U.S.C. 7342, or 31 U.S.C. 1353, this prohibition applies to the acceptance of travel expenses paid other than by the United States Government.

(b) An employee is prohibited by the standards of conduct from receiving compensation, including travel expenses, for speaking or writing on subject matter that focuses specifically on his official duties or on the responsibilities, policies and programs of his employing agency.

(c) As described in subpart C of this part, certain noncareer employees are subject to limitations on their receipt of outside earned income and may not engage in compensated teaching activities without advance approval under §2636.307 of that subpart.

§ 2636.203 Definitions.

For purposes of this subpart:

(a) Honorarium means a payment of money or anything of value for an appearance, speech or article. The term does not include:

(1) Items that may be accepted under applicable standards of conduct gift regulations if they were offered by a prohibited source;

(2) Meals or other incidents of attendance, such as waiver of attendance fees or course materials furnished as part of the event at which an appearance or speech is made;

(3) Copies of publication containing articles, reprints of articles, tapes of appearances or speeches, and similar items that provide a record of the appearance, speech or article;

(4) Actual and necessary travel expenses for the employee and one relative incurred in connection with an appearance or speech or the writing or publication of an article. Such travel expenses, when paid, reimbursed or provided in kind by another, shall not be counted as part of an honorarium. Where such expenses are not paid or reimbursed, the amount of an honorarium shall be determined by subtracting the actual and necessary travel expenses incurred in connection with the appearance or speech or the writing or publication of the article;

(5) Actual expenses in the nature of typing, editing and reproduction costs incurred in connection with the making of an appearance or speech or the writing or publication of an article, when paid or reimbursed by another;

(6) Compensation for goods or services other than appearing, speaking or writing, even though making an appearance or speech or writing an article may be an incidental task associated with provision of the goods or services;

(7) Salary, wages and other compensation pursuant to an employee's usual employee compensation plan when paid by the employer for services on a continuing basis that involve appearing, speaking or writing. For these purposes, the term "employment" refers to services rendered in the context of an employer-employee relationship. It does not include any arrangement entered into by the employee or another as an independent contractor or with an agent, speakers bureau or similar entity that facilitates appearances or speaking or writing opportunities;

(8) Compensation for teaching a course involving multiple presentations by the employee offered as part of a program of education or training sponsored and funded by the Federal government or by a state or local government;

(9) Compensation for teaching a course involving multiple presentations by the employee offered as part of the regularly established curriculum of an institution of higher education as defined at 20 U.S.C. 1141(a);

(10) An award for artistic, literary or oratorical achievement made on a competitive basis under established criteria;

(11) Witness fees credited under 5 U.S.C. 5515 against compensation payable by the United States; or
Office of Government Ethics

§ 2636.203

(12) Compensation received for any appearance or speech made or article accepted for publication prior to January 1, 1991, or for any appearance or speech made or article written in satisfaction of the employee's obligation under a contract entered into prior to January 1, 1991.

(13) Payment for a series of three or more different but related appearances, speeches or articles, provided that the subject matter is not directly related to the employee's official duties and that the payment is not made because of the employee's status with the Government.

Example 1. An employee of the Department of Agriculture has entered into a contract to develop a complex software package for a private company. The contract, which is for a single fee for all work to be provided under the contract, requires the employee to provide 2 hours of oral instruction on the use of the program. He may accept the entire fee for performance under the contract. No part of the fee is an honorarium since the 2 hours of instruction is only incidental to his development and delivery of the software package. He could not, however, receive a fee specifically for 2 hours of oral instruction on the use of a program he had earlier provided under a contract that required only his development of a program.

Example 2. A management trainee employed by the Bureau of Indian Affairs is employed two nights a week as a reporter on a local newspaper. He may receive a salary for his continuing employment even though it is in a profession characterized by the writing of articles. He may not, however, accept compensation for newspaper or magazine articles written on a freelance basis or pursuant to a contract to furnish 5 articles over a one year period.

Example 3. An employee employed by the Department of the Treasury has entered into an agreement with a speakers bureau to give 10 unrelated after-dinner speeches to be arranged by the speakers bureau with various organizations over a six-month period. The employee may not receive the contract fee of $10,000. The 10 speeches do not constitute a series of speeches, but 10 individual speeches.

Example 4. An attorney employed by the Department of the Air Force may not accept compensation for teaching a two-day seminar on Federal procurement law presented by a publishing company under the sponsorship of an accredited law school. He may, however, accept compensation for teaching procurement law as part of the law school's regular curriculum of courses.

Example 5. An air traffic controller employed by the Federal Aviation Administration has entered into a contract with a magazine publisher to write an article on sheep ranching in New Zealand. In addition to a fee of $500 for the article, the contract provides that the publisher will provide expenses for the employee to travel to New Zealand to conduct research on sheep ranching. The employee may accept the travel expenses, but not the $500 fee. In lieu of the $500 fee, he could not accept expenses to travel to and stay for a weekend in Sydney, Australia after the completion of his research.

Example 6. An employee of the National Aeronautics and Space Administration may accept compensation for a series of three articles on white collar crime she has agreed to write for a local newspaper. While she could not accept compensation for just two articles on white collar crime, she could accept a national journalism award for two articles she had written on an uncompensated basis.

Example 7. A physicist employed by the Department of Energy to conduct research on laser technology may not accept a contract fee for a series of three lectures on lasers where one of the lectures is to focus on the research he is conducting for DOE.

(b) Appearance means attendance at a public or private conference, convention, meeting, hearing, event or other gathering and the incidental conversation or remarks made at that time. Unless the opportunity was extended to the employee wholly or in part because of his official position, the term does not include performances using an artistic, athletic or other such skill or talent or primarily for the purpose of demonstration or display.

Example 1. Because the fee is for an 'appearance', an employee of the Securities and Exchange Commission who was responsible for a major securities fraud investigation may not accept a fee for standing in the reception line at the premier of a movie entitled "Junk Bond Scandal."

Example 2. A staff member of the National Security Council does not make an 'appearance' by playing the piano and singing at a wedding reception and may accept a fee for his performance.

Example 3. An employee of the Forest Service does not make an 'appearance' by modeling in a fashion show and may accept a modeling fee.

(c) Speech means an address, oration, or other form of oral presentation, whether made in person, recorded or broadcast. Unless the opportunity was extended to the employee wholly or in part because of his official position, the term does not include the recitation of scripted material, as for a live or recorded theatrical production, or
any oral presentation that is an incident of any performance that is excluded from the definition of an appearance in paragraph (b) of this section. It does not include the conduct of worship services or religious ceremonies.

Example 1. An attorney employed by the Department of Justice may not receive a $50 honorarium for her informal talk to a local gardening club on how to design and grow a Victorian rose garden. Her talk, though informal, is a "speech."

Example 2. A nutritionist employed by the National Institutes of Health who is a stand-up comedian by avocation may accept a fee for performing a comedy routine at a dinner theater. His oral remarks do not constitute a speech because they are an incident of his performance using his talent as a comedian. He could not, however, accept compensation for a speech simply because he tells an introductory joke or otherwise amuses his audience.

Example 3. A statistician employed by the Department of Labor who is a lay minister may accept a gratuitous payment of $50 for performing a funeral service since it involves his conduct of a religious ceremony. However, he may not accept a payment for a talk on theology given to other ministers, for offering a prayer at the opening of a convention or for delivering a sermon during a worship service conducted by another minister. He could accept payment for his own conduct of worship services.

Example 4. A price analyst employed by the Defense Fuel Supply Agency may accept a fee of $100 for writing a speech to be delivered by another. The term "speech" includes only oral presentations and does not include writing a speech to be delivered by someone other than the employee. Moreover, the text of a speech is not an article.

Example 5. The stage portrayal of Hamlet by an employee of the Department of State does not involve the making of a "speech." He may be paid for his role in the Shakespearean production.

(d) Article means a writing, other than a book or a chapter of a book, which has been or is intended to be published or republished in a journal, newspaper, magazine or similar collection of writings. The term does not include works of fiction, poetry, lyrics, or script.

Example 1. An employee of the Office of Personnel Management who has reviewed a new book about the New York Yankees may not accept a $50 honorarium from the publisher of a sports magazine. The book review is an "article."

Example 2. The lyrics and music for a college song written by two Department of the Navy attorneys does not constitute an "article." The attorneys could each accept a gratuitous payment of $50 if the song were selected by their alma mater for publication in its compendium of college songs.

Example 3. An engineer employed by the National Aeronautics and Space Administration has entered into a contract with an association of electrical component manufacturers to proofread and edit articles submitted by members of the association for publication in its monthly newsletter. The employee may accept the contract fee since the compensation is not for the writing of articles.

Example 4. An accountant employed by the Federal Deposit Insurance Corporation may accept compensation for writing a chapter of a textbook on corporate accounting. A chapter of a book is not an "article."

(e) Receive means that there is actual or constructive receipt of the honorarium by the employee so that the employee has a right to exercise dominion and control over the honorarium and direct its subsequent use.

For purposes of this subpart, an honorarium is received while an employee if it is for an appearance or speech made or any article submitted for publication by that individual while he was an employee. Except when it is paid to a charitable organization in accordance with §2636.204 of this subpart, an honorarium is received by an employee:

(1) If it is paid to another person on the basis of designation, recommendation or other specification by the employee; or

(2) If, with the employee's knowledge and acquiescence, it is paid to his parent, sibling, spouse, child or dependent relative.
Office of Government Ethics

§ 2636.204

Payment to charitable organizations in lieu of honoraria.

(a) Effect of payment to a charitable organization. An honorarium which, but for this subpart, could be paid to an employee but is paid instead on behalf of the employee to a charitable organization is deemed not to be received by the employee. An employee may suggest that an honorarium that he is prohibited from receiving solely by application of this subpart be paid to a charitable organization. An honorarium received and later donated to a charitable organization by the employee does not qualify as a payment to a charitable organization in lieu of an honorarium made in accordance with this section.

NOTE: An employee on whose behalf a payment in lieu of an honorarium has been made to a charitable organization may not take a tax deduction on account of the payment under any provision of the Internal Revenue Code or under any tax law of a State or political subdivision thereof.

(f) Charitable organization means an organization which is qualified with respect to deductible charitable contributions under 26 U.S.C. 170(c) because it is organized or operated exclusively for religious, charitable, scientific, literary, educational or another specified purpose. It includes, but is not limited to, an organization exempt from Federal taxation under the authority of 26 U.S.C. 501(c)(3).

(g) Travel expenses means the actual and necessary cost of transportation, lodging and meals incurred while away from the employee's residence or principal place of employment in connection with an appearance, speech or article. Where the lodgings and meals portion of travel expenses are paid or reimbursed by another in the form of a per diem or subsistence expense allowance, that allowance shall be treated as actual and necessary travel expenses if the allowance is no more than that customarily paid by the payor to its own officers or employees, provided the employee in fact incurs costs for commercial meals and lodgings on each day for which the allowance is received.

§ 2636.204

Payment to charitable organizations in lieu of honoraria.

(b) Nonqualifying payments to charitable organizations. No payment may be made to a charitable organization pursuant to this section:

(1) If the employee would be prohibited from receiving and retaining the honorarium by any conflict of interest statute or regulation or applicable standards of conduct other than this subpart. Honoraria that the employee is prohibited from receiving and retaining would include, for example, any honorarium that is for:
   (i) An appearance or speech made or article written by the employee in an official capacity or as part of his official duties; or
   (ii) A speech or article, the subject matter of which focuses specifically on agency responsibilities, policies or programs.

(2) In an amount in excess of $2,000 per appearance, speech, or article; or

(3) If the employee, the employee's parent, sibling, spouse, child, or dependent relative derives any direct financial benefit from the charitable organization that is separate from and beyond any general benefit conferred by the organization's activities.

Example 1. An Assistant U.S. Attorney who has successfully prosecuted an espionage case may not suggest that an honorarium offered for his speech about the prosecution be given to his law school. Because the topic of the speech relates to his official duties, he is prohibited from accepting any compensation by applicable standards of conduct. He could, however, suggest that an honorarium offered for his speech on training sheepdogs, be paid to his school.

Example 2. A personnel specialist employed by the Department of Labor whose spouse is employed by the Red Cross may not suggest that an honorarium for his speech about his vacation spent bicycling through China be donated in his name to the Red Cross.

Example 3. A claims examiner employed by the Department of Veterans Affairs whose mother suffers from Parkinson's Disease may suggest that an honorarium for her article on historic preservation be donated to a charitable organization that funds research seeking a cure for Parkinson’s Disease. She may not suggest, however, that it be donated to a charitable organization that provides her mother with in-home nursing services.
§ 2636.205 Reporting payments to charitable organizations in lieu of honoraria.

(a) Who must file. A current or former employee, other than a new entrant, who is required to file a financial disclosure report, either on a confidential or public basis, shall at the same time file a confidential report of payments to charitable organizations in lieu of honoraria if:

1. Payments in lieu of honoraria aggregating more than $200 were made on his behalf by any one source to one or more charitable organizations during the reporting period covered by the financial disclosure statement; or

2. In the case of an individual filing a termination report, there is an understanding between the reporting individual and any other person that payments in lieu of honoraria will be made on his behalf for an appearance or speech made or article submitted for publication while the individual was a Government employee which, together with any payments in lieu of honoraria made by that source during the reporting period, will aggregate more than $200.

This reporting requirement is in addition to any other requirement to disclose on a public or confidential financial disclosure report the source, date and amount of an honorarium paid to a charitable organization on the employee's behalf. It does not apply to any payment in lieu of an honorarium made to a charitable organization on behalf of the current or former employee's spouse or dependent child.

(b) Where and when to file. The report required by this section shall be filed with the agency ethics official by the date the current or former employee is required to file a confidential or public financial disclosure report. Any grant of an extension to file a financial disclosure report shall automatically extend the date for filing the report of payments to charitable organizations in lieu of honoraria and the agency ethics official may, for good cause shown by the employee, grant a separate extension of the date for filing the report required by this section. The total of all extensions for filing the report required by this section shall not exceed 90 days.

(c) Reporting period. The report of payments to charitable organizations in lieu of honoraria shall cover the same period that applies to the confidential or public financial disclosure report the individual is required to file. For employees filing annual financial disclosure reports, the reporting period is the preceding calendar year or, if the employee commenced Government service during that year, the portion of the preceding calendar year beginning with the date the employee entered on duty. For those filing termination reports, the reporting period is the portion of the calendar year in which he terminated Government service up to the date of termination and, if he has not yet filed an annual financial disclosure report covering that period, the preceding calendar year or other period required for the annual report.

(d) What to report. Each report shall be filed on the standard form prescribed by the Office of Government Ethics and made available through the General Services Administration. Each report filed shall include the following information for each payment to a charitable organization in lieu of an honorarium, regardless of amount, made on the employee's behalf by any source from whom such payments made during the reporting period aggregate more than $200:

1. The date of the payment (if payment has been made);

2. The date of the appearance or speech for which the honorarium was paid or, where the honorarium is for an article, the date the article was submitted by the employee for publication;

3. The name of the person or entity making the payment to the charitable organization;

4. The name and the tax status of charitable purpose of the recipient;

5. The subject matter of the speech or article or, where the honorarium is for an appearance, the reason for the appearance; and

6. The amount of the payment;

An individual filing a termination report who is reporting with respect to payments which have not yet been made should write "Not Applicable" in the space provided for the date of payment and should provide the remainder
Office of Government Ethics § 2636.205

of the information required on the basis of his best knowledge and belief as to payments which he understands will be made to charitable organizations on his behalf.

(e) Effect of signing the form. By signing the form the employee certifies that the information he has reported is true, complete and correct to the best of his knowledge and that neither he nor his parent, sibling, spouse, child or dependent relative receives from the recipient charitable organization a benefit that is separate and distinct from any general benefit conferred by the organization’s activities.

(f) Review of reports. Within 60 days after receipt, the agency ethics official shall review each report of payments to charitable organizations in lieu of honoraria to determine that the reporting requirements of this section have been met and that each payment reported meets the standards at §2636.204 of this subpart.

(1) If the agency ethics official determines that the report is complete and that each payment is proper, he shall sign and date the report.

(2) If the agency ethics official determines that the form is not complete, he shall request that the employee complete the form by a specific date and annotate each addition or change with the employee’s signature and the date the annotation was made. The 60 day period for review shall run from the date the completed form is filed.

(3) If the agency ethics official determines that additional information is needed to determine whether a payment to a charitable organization meets the standards at §2636.204 of this subpart, he shall request that the employee furnish such information by a specific date and shall date and append to the report any information obtained in writing or annotate the report to reflect any information obtained other than in writing and the date it was furnished. The 60 day period for review shall run from the date the additional information is furnished.

(5) If the agency ethics official determines that the employee has failed to file a report or a complete report or has received an honorarium in violation of §2636.201 of this subpart because a reported payment does not meet the standards at §2636.204 of this subpart, he shall give the individual written notice of the deficiency and 10 days in which to submit a written response and, thereafter, shall refer the case for appropriate action as described in §2636.104 of this subpart and annotate the report to reflect that referral.

(g) Filing of reports with the Office of Government Ethics. On August 15 of each year, the designated agency ethics official shall forward to the Office of Government Ethics all reports reviewed within his agency during the preceding one-year period.

(h) Review of reports by the Office of Government Ethics. Within 60 days after receiving the reports forwarded under paragraph (g) of this section, reports of payments to charitable organizations in lieu of honoraria filed by individuals whose public financial disclosure reports are required to be filed with the Director of the Office of Government shall be reviewed and signed by the Director.

(i) Retention of reports. Reports of payments to charitable organizations in lieu of honoraria shall be retained by the Office of Government Ethics for a period of 6 years. Unless needed in an ongoing investigation, the reports shall be destroyed after 6 years.

(j) Confidentiality of reports. Reports of payments to charitable organization in lieu of honoraria filed pursuant to this section are not available to members of the public and are to be treated with the confidentiality afforded confidential financial disclosure reports.

§ 2636.301

Subpart C—Outside Earned Income Limitation and Employment and Affiliation Restrictions Applicable to Certain Noncareer Employees

§ 2636.301 General standards.

A covered noncareer employee shall not:

(a) Receive outside earned income in excess of the 15 percent limitation described in §2636.304 of this subpart;

(b) Receive compensation or allow the use of his name in violation of the restrictions relating to professions involving a fiduciary relationship described in §2636.305 of this subpart;

(c) Receive compensation for serving as an officer or board member in violation of the restriction described in §2636.306 of this subpart; or

(d) Receive compensation for teaching without having first obtained advance authorization as required by §2636.307 of this subpart.

§ 2636.302 Relationship to other laws and regulations.

The limitations and restrictions contained in this section are in addition to any limitations and restrictions imposed upon an employee by applicable standards of conduct or by reason of any statute or regulation relating to conflicts of interest. Even though conduct or the receipt of compensation is not prohibited by this subpart, an employee should accept compensation or engage in the activity for which compensation is offered only after determining that it is otherwise permissible. In particular, a covered noncareer employee should accept compensation only after determining that its receipt does not violate the following prohibitions:

(a) A covered noncareer employee who is a Presidential appointee to a full-time noncareer position is prohibited by section 102 of Executive Order 12674, as amended, from receiving any outside earned income for outside employment or any other activity performed during that Presidential appointment.

(b) An individual is prohibited from receiving any honorarium while he is an employee. The honoraria prohibition, described in subpart B of this part, applies to any compensation for an appearance or speech made or article submitted for publication while the individual is an employee.

§ 2636.303 Definitions.

For purposes of this section:

(a) Covered noncareer employee means an employee, other than a special Government employee as defined in 18 U.S.C. 202, whose rate of basic pay is equal to or greater than the annual rate of basic pay in effect for GS-16, step 1 of the General Schedule under 5 U.S.C. 5332 and who is:

(1) Appointed by the President to a position described in the Executive Schedule, 5 U.S.C. 5312 through 5317, or to a position that, by statute or as a matter of practice, is filled by Presidential appointment, other than:

(i) A position within the uniformed services; or

(ii) A position within the foreign service below the level of Assistant Secretary or Chief of Mission;

(2) A noncareer member of the Senior Executive Service or of another SES-type system, such as the Senior Foreign Service;

(3) Appointed to a Schedule C position or to a position under an agency-specific statute that establishes appointment criteria essentially the same as those set forth in §213.3301 of this title for Schedule C positions; or

(4) Appointed to a noncareer executive assignment position or to a position under an agency-specific statute that establishes appointment criteria essentially the same as those set forth in §305.601 of this title for noncareer executive assignment positions.

For purposes of applying this definition to an individual who holds a General Schedule or other position that provides several rates of pay or steps per grade, his rate of basic pay shall be the rate of pay for the lowest step of the grade at which he is employed.

Example 1. A Schedule C appointee to a position with the United States Information Agency who holds a GS-15 position and who is compensated at the rate for GS-15, Step 9 is not a covered noncareer employee even though the pay he receives in a calendar year exceeds the annual pay for GS-16, Step 1. Notwithstanding that he is compensated at Step 9, the basic rate of pay for the GS-
15 position he holds is the rate in effect for GS–15, Step 1 of the General Schedule, which is lower than the rate for GS–16, Step 1.

Example 2. An employee of the Environmental Protection Agency who has been a career GS–15 employee for 10 years and who is offered a non-career SES position with the Federal Aviation Administration will, if he accepts the offer, become a covered non-career employee by reason of that appointment, regardless of his former status.

Example 3. A Department of Justice employee who holds a Schedule A appointment is not a covered noncareer employee even though he does not have competitive status within the meaning of §212.301 of this title.

Outside earned income and compensation both mean wages, salaries, honoraria, commissions, professional fees and any other form of compensation for services other than salary, benefits and allowances paid by the United States Government. Neither term includes:

(1) Items that may be accepted under applicable standards of conduct gift regulations if they were offered by a prohibited source;
(2) Income attributable to service with the military reserves or national guard;
(3) Income from pensions and other continuing benefits attributable to previous employment or services;
(4) Income from investment activities where the individual's services are not a material factor in the production of income;
(5) Copyright royalties, fees, and their functional equivalent, from the use or sale of copyright, patent and similar forms of intellectual property rights, when received from established users or purchasers of those rights;
(6) Actual and necessary expenses incurred by the employee in connection with an outside activity. Where such expenses are paid or reimbursed by another person, the amount of any such payment shall not be counted as compensation or outside earned income. Where such expenses are not paid or reimbursed, the amount of compensation or outside earned income shall be determined by subtracting the actual and necessary expenses incurred by the employee from any payment received for the activity;
(7) An honorarium paid to a charitable organization pursuant to §2636.204 of this part; or
(8) Compensation for:
(i) Services rendered prior to January 1, 1991, or prior to becoming a covered noncareer employee;
(ii) Services rendered in satisfaction of a covered noncareer employee's obligation under a contract entered into prior to January 1, 1991; or
(iii) Services which the covered noncareer employee first undertook to provide prior to January 1, 1991, where the standards of the applicable profession require the employee to complete the case or other undertaking.

Example 1. A covered noncareer employee is a limited partner in a partnership that invests in commercial real estate. Because he does not take an active role in the management of the partnership, his share of the partnership income is neither "outside earned income" nor "compensation."

Example 2. A covered noncareer employee of the Civil Rights Commission serves without compensation as a member of the Board of Visitors for a university. The roundtrip airfare and hotel expenses paid by the university to permit him to attend quarterly meetings of the Board are neither "outside earned income" nor "compensation."

Example 3. Where a covered noncareer employee pays for transcripts of a hearing in which he is providing pro bono legal representation, reimbursements for those expenses by a legal aid organization are neither "outside earned income" nor "compensation."

Example 4. During the term of his appointment, a Deputy Assistant Secretary of Labor enters into a contract to write a book of fictional short stories. Royalties based on actual sales of the book after publication are investment income attributable to the property interest he retains in the book and, as such, are neither "outside earned income" nor "compensation."

(c) Receive means that the employee has the right to exercise dominion and control over the compensation or outside earned income and direct its subsequent use. Compensation or outside earned income is received by an employee if it is for his conduct and:

(1) If it is paid to any other person on the basis of designation, recommendation or other specification by the employee; or
(2) If, with the employee's knowledge and acquiescence, it is paid to his parent, sibling, spouse, child or dependent relative.

Compensation that is prohibited by §2636.305 through §2636.307 of this subpart is received while an individual is
§ 2636.304

an employee if it is for conduct by him that occurs while an employee, even though actual payment may be deferred until after Federal employment has terminated. Payments made to charitable organizations in lieu of honoraria under § 2636.204 of this part are not compensation or outside earned income and thus are not received in violation of any of the limitations contained in his subpart. However, other compensation or outside earned income donated to a charitable organization is received by the employee.

§ 2636.304 The 15 percent limitation on outside earned income.

(a) Limitation applicable to individuals who are covered noncareer employees on January 1 of any calendar year. A covered noncareer employee may not, in any calendar year, receive outside earned income attributable to that calendar year which exceeds 15 percent of the annual rate of basic pay for level II of the Executive Schedule under 5 U.S.C. 5313, as in effect on January 1 of such calendar year. The effective date of a change in the rate for level II of the Executive Schedule shall be the date on which a new rate of basic pay for level II first becomes applicable to any level II position.

NOTE: Notwithstanding the 15 percent limitation described in this section, a covered noncareer employee who is a Presidential appointee to a full-time noncareer position is prohibited by section 102 of Executive Order 12674, as amended, from receiving any outside earned income for outside employment or any other activity performed during that Presidential appointment.

Example 1. Notwithstanding that the compensation he will receive would not exceed 15 percent of the rate for level II of the Executive Schedule, a covered noncareer employee of the Department of Energy may not receive any compensation for teaching a university course unless he first receives the authorization required by § 2636.307 of this subpart.

(b) Limitation applicable to individuals who become covered noncareer employees after January 1 of any calendar year. The outside earned income limitation that applies to an individual who becomes a covered noncareer employee during a calendar year shall be determined on a pro rata basis. His outside earned income while so employed in that calendar year shall not exceed 15 percent of the annual rate of basic pay for level II of the Executive Schedule in effect on January 1 of the calendar year divided by 365 and multiplied by the number of days during that calendar year that he holds the covered noncareer position.

Example 1. A former college professor received an appointment to a noncareer Senior Executive Service position on November 1, 1991. The rate of basic pay in effect for Executive Level II on January 1, 1991 was $125,100. For the 61 day period from November 1, 1991 through December 31, 1991, the amount of outside income he may earn is limited to $3,129. That amount is determined as follows:

Step 1. The rate of basic pay for Executive Level II as in effect on January 1 of that year ($125,100) is divided by 365. That quotient is $342;

Step 2. The dollar amount determined by Step 1 ($342) is then multiplied by the 61 days the employee held the covered noncareer position. That product is $20,862;

Step 3. The dollar amount determined by Step 2 ($20,862) is multiplied by .15 or 15 percent. The product ($3,129) is the maximum outside earned income the employee may have in the particular year attributable to the period of his service in a covered noncareer position.

(c) Computation principle. For purposes of any computation required by this section, any amount of $.50 or more shall be rounded up to the next full dollar and any amount less than $.50 shall be rounded down to the next full dollar.

(d) Year to which outside earned income is attributable. Regardless of when it is paid, outside earned income is attributable to the calendar year in which the services for which it is paid were provided.

§ 2636.305 Compensation and other restrictions relating to professions involving a fiduciary relationship.

(a) Applicable restrictions. A covered noncareer employee shall not:

(1) Receive compensation for:

(i) Practicing a profession which involves a fiduciary relationship; or

(ii) Affiliating with or being employed to perform professional duties by a firm, partnership, association, corporation, or other entity which provides professional services involving a fiduciary relationship; or
(2) Permit his name to be used by any firm, partnership, association, corporation, or other entity which provides professional services involving a fiduciary relationship.

Example 1. A covered noncareer employee of the White House Office who is an attorney may not receive compensation for drafting a will for her friend. She may, however, participate in her bar association’s pro bono program by providing free legal services for the elderly, provided her participation in the program is otherwise proper. For example, 18 U.S.C. 205 would prohibit her from representing her pro bono client in a hearing before the Social Security Administration.

Example 2. An accountant named C.B. Debit who is offered a covered noncareer appointment must terminate his partnership in the accounting firm of Delight, Waterhose and Debit upon appointment. Because his deceased father, J.R. Debit, was the founding partner for whom the firm is named, the name Debit need not be deleted from the firm’s name. However, the name C.B. Debit may not appear on the firm’s letterhead after the individual enters on duty as a covered noncareer employee.

(b) Definitions. For purposes of this section:

(1) Profession means a calling requiring specialized knowledge and often long and intensive preparation including instruction in skills and methods as well as in the scientific, historical or scholarly principles underlying such skills and methods. It is characteristic of a profession that those in the profession, through force of organization or concerted opinion, establish and maintain high standards of achievement and conduct, and commit its practitioners to continued study of the field. Consulting and advising with respect to subject matter that is generally regarded as the province of practitioners of a profession shall be considered a profession.

(2) Profession which involves a fiduciary relationship means a profession in which the nature of the services provided causes the recipient of those services to place a substantial degree of trust and confidence in the integrity, fidelity and specialized knowledge of the practitioner. Such professions are not limited to those whose practitioners are legally defined as fiduciaries and include practitioners in such areas as law, insurance, medicine, architecture, financial services and accounting. A covered noncareer employee who is uncertain whether a particular field of endeavor is a profession which involves a fiduciary relationship may request an advisory opinion under §2636.103.

Example 1. In view of the standards of the profession which require a licensed real estate broker to act in the best interests of his clients, the selling of real estate by a licensed broker involves the practice of a profession involving a fiduciary relationship.

Example 2. A covered noncareer employee may receive the customary fee for serving as the executor of his mother’s estate, provided he does not violate the applicable limitation on the amount of outside earned income he may receive. Although the executor of an estate has fiduciary obligations, serving as an executor in these circumstances does not involve the practice of a profession and, therefore, is not prohibited. He could not, however, serve for compensation as attorney for the estate.

§2636.306 Compensation restriction applicable to service as an officer or member of a board.

(a) Applicable restriction. A covered noncareer employee shall not receive compensation for serving as an officer or member of the board of any association, corporation or other entity. Nothing in this section prohibits uncompensated service with any entity.

(b) Definition. For purposes of this section, the phrase “association, corporation or other entity” is not limited to for-profit entities, but includes nonprofit entities, such as charitable organizations and professional associations, as well as any unit of state or local government.

Example 1. A covered noncareer employee of the Environmental Protection Agency may not serve with compensation on the board of directors of his sister’s closely-held computer software corporation.

Example 2. A covered noncareer employee of the Department of the Navy may serve without compensation as an officer of a charitable organization that operates a hospice.

Example 3. A covered noncareer employee of the Coast Guard appointed to serve as a member of the board of education of the county in which she is a resident may not receive compensation for that service.
§ 2636.307 Requirement for advance authorization to engage in teaching for compensation.

(a) Authorization requirement. A covered noncareer employee may receive compensation for teaching only when specifically authorized in advance by the designated agency ethics official.

(b) Definition. For purposes of this section “teaching” means any activity that involves oral presentation or personal interaction, the primary function of which is to instruct or otherwise impart knowledge or skill. It is not limited to teaching that occurs in a formal setting, such as a classroom, but extends to instruction on an individual basis or in an informal setting.

(c) Request for authorization. An employee may request authorization to engage in compensated teaching activities by forwarding a written request to the designated agency ethics official. The request shall describe the employee’s official duties, the subject matter of the teaching activity, the entity sponsoring the course, and the student, class or audience to be taught. In addition, it shall set forth the terms of the compensation arrangement and identify the source of the payment. The request shall be accompanied by any contract or employment agreement and any literature describing, publicizing or otherwise promoting the class, classes or course.

(d) Standard for authorization. Compensated teaching may be approved by the designated agency ethics official only when:

(1) The teaching will not interfere with the performance of the employee’s official duties or give rise to an appearance that the teaching opportunity was extended to the employee principally because of his official position;

(2) The employee’s receipt of compensation does not violate any of the limitations and prohibitions on honoraria, compensation or outside earned income contained in this part; and

(3) Neither the teaching activity nor the employee’s receipt of compensation therefor will violate applicable standards of conduct or any statute or regulation related to conflicts of interests.

(e) Determination and authorization. The determination by the designated agency ethics official to grant or deny authorization to engage in teaching for compensation shall be in writing and shall be final. The authority of the designated agency ethics official to authorize compensated teaching may not be delegated to any person other than the alternate designated agency ethics official described in § 2638.202(b).

Subpart A—General Provisions

§ 2637.101 Purpose and policy.

(a) Authority. Section 401(a) of the Ethics in Government Act of 1978 (the “Act”), as amended by Public Law 100-598 (Nov. 3, 1988), established the Office of Government Ethics (“OGE”) as a separate agency in the executive branch, effective October 1, 1989. OGE was formerly a part of the Office of Personnel Management (“OPM”). Sections 402 (a) and (b) of the Act, as amended, provide that the Director of the Office of Government Ethics (“the Director”) shall provide, in consultation with OPM, overall direction of executive branch policies related to preventing conflicts of interest on the part of officers and employees of any executive agency as defined in section 105 of title 5, United State Code, and shall propose, in consultation with the Attorney General and OPM, rules and regulations to be promulgated by the President or by OGE pertaining to conflicts of interest and ethics in the executive branch. The purpose of this part is to issue regulations prepared by the Director which give content to the restrictions on post employment activity established by title V of the Act (18 U.S.C. 207) for administrative enforcement with respect to former officers and employees of the executive branch; generally to guide agencies in exercising the administrative enforcement authority reflected in section 18 U.S.C. 207(j); to set forth the procedures to be employed in making certain determinations and designations pursuant to the Act; and to provide guidance to individuals who must conform to the law. Criminal enforcement of the provisions of 18 U.S.C. 207 remains the exclusive responsibility of the Attorney General.

(b) Consultation with the Attorney General. In proposing these regulations, the Director consulted with the Attorney General as to the content of regulations governing substantive prohibitions as well as other matters. The Attorney General has advised that such regulations are consistent with his opinion as to the interpretation of the Act.

§ 2637.101 Purpose and policy.
Office of Government Ethics § 2637.101

(c) Policy and limitations. These regulations bar certain acts by former Government employees which may reasonably give the appearance of making unfair use of prior Government employment and affiliations.

(1) When a former Government employee who has been involved with a particular matter decides to act as the representative for another person on that matter, such “switching of sides” undermines confidence in the fairness of proceedings and creates the impression that personal influence, gained by Government affiliation, is decisive.

(2) Similarly, when a former high-level employee assists in representing another by personal presence at an appearance before the Government regarding a matter which is in dispute, such assistance suggests an attempt to use personal influence and the possible unfair use of information unavailable to others. Different considerations are involved, however, with respect to assistance given as part of customary supervisory participation in a project funded by a Government contract or grant, since a former employee’s knowledge may benefit the project and thus the Government, and regular communications with associates may properly be regarded as inherent in managerial responsibility. Such assistance, when not rendered by personal presence during an appearance, is not covered by the statute.

(3) When a former Senior Employee returns to argue a particular matter to the employee’s former agency in the period immediately following the termination of official employment, it appears that Government-based relationships are being used for private ends.

(4) Former officers and employees may fairly be required to avoid such activities in the circumstances specified by statute and in these regulations.

(5) The provisions of 18 U.S.C. 207 do not, however, bar any former Government employee, regardless of rank, from employment with any private or public employer after Government service. Nor do they effectively bar employment even on a particular matter in which the former Government employee had major official involvement except in certain circumstances involving persons engaged in professional advocacy. Former Government employees may be fully active in high-level supervisory positions whether or not the work is funded by the United States and includes matters in which the employee was involved while employed by the Government. The statutory provisions are not intended to discourage the movement of skilled professionals in Government, to and from positions in industry, research institutions, law and accounting firms, universities and other major sources of expertise. Such a flow of skills can promote efficiency and communication between the Government and private activities, and it is essential to the success of many Government programs. Instead, only certain acts which are detrimental to public confidence in the Government are prohibited.

(6) Departments and agencies have primary responsibility for the administrative enforcement of the post employment restrictions found in the Act. The Department of Justice may initiate criminal enforcement in cases involving aggravated circumstances; agency heads are required to report substantiated allegations of violations of 18 U.S.C. 207 to the Department of Justice and the Director, OGE. It is essential that title V of the Act be enforced so as to advance its objectives, which include improvement in government efficiency, equal treatment for equal claims, greater public confidence in the integrity of their government, elimination of the use of public office for private gain, and securing the integrity of the government’s policy-making processes. Departments and agencies should avoid enforcement actions that do not advance these objectives but instead frustrate the Government’s ability to employ the skilled persons who are needed to make the programs of the Federal Government succeed. Special attention should be given to the need to preserve the free flow of expertise, especially in scientific, technological and other technical areas, from private activities to the government.

(7) The examples contained in these regulations are intended to give guidance, but are illustrative, not comprehensive. Each agency may provide
§ 2637.102 Definitions.

(a) Statutory definitions. The following are defined terms which largely repeat portions of the text of the statute. They are set out here to permit a simplified presentation of statutory requirements in the regulations which follow. Other definitions, which supplement the statutory language, are listed in paragraph (b) of this section and are set forth in detail in the substantive regulations.

(1) United States or Government means any department, agency, court, court-martial, or any civil, military or naval commission of the United States, the District of Columbia, or any officer or employee thereof.

(2) Agency includes an Executive Department, a Government corporation and an independent establishment of the executive branch, which includes an independent commission. (See 18 U.S.C. 6.)

(3) Government Employee includes any officer or employee of the Executive Branch (as defined in 18 U.S.C. 202 and, e.g., 5 U.S.C. 2104 and 2105); those appointed or detailed under 5 U.S.C. 3374, and a Special Government Employee, but shall not include an individual performing services for the United States as an independent contractor under a personal service contract.

(4) Former Government Employee means one who was, and is no longer, a Government employee.

(5) Special Government Employee means an officer or employee of an agency who is retained, designated, appointed, or employed to perform, with or without compensation, for not to exceed 130 days during any period of three hundred and sixty five consecutive days, temporary duties either on a full time or intermittent basis (18 U.S.C. 202).

(6) Senior Employee means an officer or employee named in, or designated by the Director pursuant to, section 207(d) of title 18 U.S.C. to whom 207(b)(ii) and (c) shall apply (See § 2637.211 of this part.)

(7) Particular Government matter involving a specific party means any judicial or other proceeding, application, request for a ruling or other determination, contract, claim, controversy, investigation, charge, accusation, arrest or other particular matter involving a specific party or parties in which the United States is a party or has a direct and substantial interest.

(9) Rate of Pay: (See § 2637.211(b)(4).)
2637.201 Restrictions on any former Government employee's acting as representative as to a particular matter in which the employee personally and substantially participated.

(a) Basic prohibition of 18 U.S.C. 207(a). No former Government employee, after terminating Government employment, shall knowingly act as agent or attorney for, or otherwise represent any other person in any formal or informal appearance before, or with the intent to influence, make any oral or written communication on behalf of any other person (1) to the United States, (2) in connection with any particular Government matter involving a specific party, (3) in which matter such employee participated personally and substantially as a Government employee.

(b) Representation: Acting as agent or attorney, or other representative in an appearance, or communicating with intent to influence—(1) Attorneys and agents. The target of this provision is the former employee who participates in a particular matter while employed by the Government and later “switches sides” by representing another person on the same matter.

NOTE: The examples in these regulations do not incorporate the special statutory restrictions on Senior Employees, except where the terms “Senior Employee” or “Senior” are expressly used.

Example 1: A lawyer in the Department of Justice personally works on an antitrust case involving Q Company. After leaving the Department, he is asked by Q Company to represent it in that case. He may not do so.

Example 2: A former employee makes a telephone call to a present employee to discuss a particular matter that is not the subject of a formal proceeding. She has made a communication.

(2) Others. The statutory prohibition covers any other former employee, including managerial and technical personnel, who represents another person in an appearance or, by other communication, attempts to influence the Government concerning a particular matter in which he or she was involved. For example, a former technical employee may not act as a manufacturer's promotional or contract representative to the Government on a particular matter in which he or she participated. Nor could such employee appear as an expert witness against the Government in connection with such a matter. (See §2637.208 for specific rules relating to expert witnesses.)

(3)Appearances; communications made with intent to influence. An appearance occurs when an individual is physically present before the United States in either a formal or informal setting or conveys material to the United States in connection with a formal proceeding or application. A communication is broader than an appearance and includes for example, correspondence, or telephone calls.

Example 1: An appearance occurs when a former employee meets with an agency employee personally to discuss a matter; or when he submits a brief in an agency administrative proceeding in his own name.

Example 2: A former employee makes a telephone call to a present employee to discuss a particular matter that is not the subject of a formal proceeding. She has made a communication.

(4) Government visits to other premises. Neither a prohibited appearance nor communication occurs when a former Government employee communicates with a Government employee who, at the instance of the United States, visits or is assigned to premises leased to, or owned or occupied by, a person other than the United States which are or may be used for performance under an actual or proposed contract or grant, when such communication concerns work performed or to be performed and occurs in the ordinary course of evaluation, administration, or performance of the actual or proposed contract or grant.

(5) Elements of “influence” and potential controversy required. Communications which do not include an “intent to influence” are not prohibited. Moreover, acting as agent or attorney in connection with a routine request not involving a potential controversy is not prohibited. For example, the following are not prohibited: a question by an attorney as to the status of a particular matter; a request for publicly available documents; or a communication by a former employee, not in connection with an adversary proceeding, imparting purely factual information. (See also §2637.204(d) of this part.)

Example 1: A Government employee, who participated in writing the specifications of a contract awarded to Q Company for the design of certain education testing programs, joins Q Company and does work under the
§ 2637.201

contract. She is asked to accompany a company vice-president to a meeting to state the results of a series of trial tests, and does so. No violation occurs when she provides the information to her former agency. During the meeting a dispute arises as to some terms of the contract, and she is called upon to support Q Company’s position. She may not do so. If she had reason to believe that the contractual dispute would be a subject of the meeting, she should not have attended.

(6) Assistance. A former employee is not prohibited from providing in-house assistance in connection with the representation of another person.

Example 1: A Government employee administered a particular contract for agricultural research with Q Company. Upon termination of her Government employment, she is hired by Q Company. She works on the matter covered by the contract, but has no direct contact with the Government. At the request of a company vice-president, she prepares a paper describing the persons at her former agency who should be contacted and what should be said to them in an effort to increase the scope of funding of the contract and to resolve favorably a dispute over a contract clause. She may do so.

(7) Project responses not included. In a context not involving a potential controversy involving the United States no finding of an “intent to influence” shall be based upon whatever influential effect inheres in an attempt to formulate a meritorious proposal or program.

Example 1: The employee of Q Company in the previous example is asked to design an education assistance program, which she does and transmits it to the Government. This is not prohibited despite the fact that her well-designed program may be inherently influential on a question of additional funding under the contract. She may not argue for its acceptance.

(c) “Particular matter involving a specific party or parties”—(1) Specific matters vs. policy matters. The prohibitions of subsections (a) and (b) of 18 U.S.C. 207, are based on the former Government employee’s prior participation in or responsibility for a “judicial or other proceeding, application, request for a ruling or other determination, contract, claim, controversy, investigation, charge, accusation, arrest, or other particular matter involving a specific party or parties” in which the United States is a party or has a direct and substantial interest. Such a matter typically involves a specific proceeding affecting the legal rights of the parties or an isolatable transaction or related set of transactions between identifiable parties. Rulemaking, legislation, the formulation of general policy, standards or objectives, or other action of general application is not such a matter. Therefore, a former Government employee may represent another person in connection with a particular matter involving a specific party even if rules or policies which he or she had a role in establishing are involved in the proceeding.

Example 1: A Government employee formulated the policy objectives of an energy conservation program. He is not restricted from later representing a university which seeks a grant or contract for work emerging from such a program.

Example 2: A Government employee reviews and approves a specific city’s application for Federal assistance for a renewal project. After leaving Government service, she may not represent the city in relation to that project.

Example 3: An employee is regularly involved in the formulation of policy, procedures and regulations governing departmental procurement and acquisition functions. Participation in such activities does not restrict the employee after leaving the Government as to particular cases involving the application of such policies, procedures, or regulations.

Example 4: An employee of the Office of Management and Budget participates substantially on the merits of a decision to reduce the funding level of a program, which has the effect of reducing the amount of money which certain cities receive to conduct youth work programs. After leaving the Government she may represent any of the cities in securing funds for its youth program, since her participation was in connection with a program, not a particular matter involving specific parties.

Example 5: An agency attorney participates in drafting a standard form contract and certain “standard terms and clauses” for use in future contracts. He is not thereafter barred from representing a person in a dispute involving the application of such a “standard term or clause” in a particular contract in which he did not participate as a Government employee.

(2) Technical matters. In connection with technical work, participation in projects generally involving one or more scientific or engineering concepts, in feasibility studies, or in proposed programs prior to the formulation of a contract will not restrict
Office of Government Ethics

§ 2637.201

Example 1: A Government employee participates significantly in formulating the “mission need” of a project pursuant to OMB Circular No. A-109, and the award of a contract to Z Company, the purpose of which is to propose alternative technical approaches. He is not barred, after leaving Government service, from representing Q Company which later seeks a contract to manufacture one of the systems suggested by the Z Company.

Example 2: A Government employee, who has worked for years on the design of a new satellite communications system, joins C Company. Later, the Government issues a “request for proposals” (“rfp”) to construct the new system, which is circulated generally to industry. The employee proposes to act as C Company’s representative in connection with its anticipated proposals for the contract. He may do so. The satellite contract became a particular matter when the rfp was being formulated; it would ordinarily not become one involving a specific party or parties until initial proposals or indications of interest therein by contractors were first received. Moreover, if the employee’s work for C Company were limited to the formulation and communication of a proposal in response to the rfp, it would not be prohibited to the extent it involved a communication for the purpose of furnishing scientific or technological information to the Government, exempt under 18 U.S.C. 207(f). See §2637.206 below. (See paragraph (3) below as to a case where the employee’s own participation may cause a different result.)

(3) Relationship of personal participation to specificity. In certain cases, whether a matter should be treated as a “particular matter involving specific parties” may depend on the employee’s own participation in events which give particularity and specificity to the matter in question. For example, if a Government employee (i) personally participated in that stage of the formulation of a proposed contract where significant requirements were discussed and one or more persons was identified to perform services thereunder and (ii) actively urged that such a contract be awarded, but the contract was actually awarded only after the employee left, the contract may nevertheless be a particular matter involving a specific party as to such former Government employee.

Example 1: A Government employee advises her agency that it needs certain work done and meets with private firm X to discuss and develop requirements and operating procedures. Thereafter, the employee meets with agency officials and persuades them of the need for a project along the lines discussed with X. She leaves the Government and the project is awarded by other employees to firm X. The employee is asked by X to represent it on the contract. She may not do so.

(4) The same particular matter must be involved. The requirement of a “particular matter involving a specific party” applies both at the time that the Government employee acts in an official capacity and at the time in question after Government service. The same particular matter may continue in another form or in part. In determining whether two particular matters are the same, the agency should consider the extent to which the matters involve the same basic facts, related issues, the same or related parties, time elapsed, the same confidential information, and the continuing existence of an important Federal interest.

Example 1: A Government employee was substantially involved in the award of a long-term contract to Z Company for the development of alternative energy sources. Six years after he terminates Government employment, the contract is still in effect, but much of the technology has changed as have many of the personnel. The Government proposes to award a “follow on” contract, involving the same objective, after competitive bidding. The employee may represent Q Company in its proposals for the follow-on contract, since Q Company’s proposed contract is a different matter from the contract with Z Company. He may also represent Z Company in its efforts to continue as contractor, if the agency determines on the basis of facts referred to above, that the new contract is significantly different in its particulars from the old. The former employee should first consult his agency and request a written determination before undertaking any representation in the matter.

Example 2: A Government employee reviewed and approved certain wiretap applications. The prosecution of a person overheard during the wiretap, although not originally targeted, must be regarded as part of the same particular matter as the initial wiretap application. The reason is that the validity of the wiretap may be put in issue and many of the facts giving rise to the wiretap application would be involved. Other examples: See §2637.201(b)(1), Example 1, and (c), Example 2.

(5) United States must be a party or have an interest. The particular matter must be one in which the United States is a party, such as in a judicial or administrative proceeding or a contract.
or in which it has a direct and substantial interest. The importance of the federal interest in a matter can play a role in determining whether two matters are the same particular matter.

Example 1: An attorney participated in preparing the Government’s antitrust action against Z Company. After leaving the Government, she may not represent Z Company in a private antitrust action brought against it by X Company on the same facts involved in the Government action. Nor may she represent X Company in that matter. The interest of the United States in preventing both inconsistent results and the appearance of impropriety in the same factual matter involving the same party, Z Company, is direct and substantial. However, if the Government’s antitrust investigation or case is closed, the United States no longer has a direct and substantial interest in the case.

Example 2: A member of a Government team providing a foreign country leaves and seeks to represent a private contractor in making arrangements with the Government to perform the same service. The proposed new contract may or may not be considered a separate matter, depending upon whether the United States has a national interest in maintaining the original contract. The agency involved must be consulted by the former employee before the representation can be undertaken.

(d) “Participate personally and substantially”—(1) Basic requirements. The restrictions of section 207(a) apply only to those matters in which a former Government employee had “personal and substantial participation,” exercised “through decision, approval, disapproval, recommendation, the rendering of advice, investigation or otherwise.” To participate “personally” means directly, and includes the participation of a subordinate when actually directed by the former Government employee in the matter. “Substantially,” means that the employee’s involvement must be of significance to the matter, or form a basis for a reasonable appearance of such significance. It requires more than official responsibility, knowledge, perfunctory involvement, or involvement on an administrative or peripheral issue. A finding of substantiality should be based not only on the effort devoted to a matter, but on the importance of the effort. While a series of peripheral involvements may be insubstantial, the single act of participation in a critical step may be substantial. It is essential that the participation be related to a “particular matter involving a specific party.” (See paragraph (c) of this section.) (See also §2637.203(f) of this part.)

Example 1: If an officer personally approves the departmental budget, he does not participate substantially in the approval of all items contained in the budget. His participation is substantial only in those cases where a budget item is actually put in issue. Even then, the former Government employee is not disqualified with respect to an item if it is a general program rather than a particular matter involving a specific party. The former Government employee may, however, have official responsibility for such matters. (See §2637.202(c).)

Example 2: A Government lawyer is not in charge of, nor has official responsibility for a particular case, but is frequently consulted as to filings, discovery, and strategy. Such an individual has personally and substantially participated in the matter.

(2) Participation on ancillary matters. An employee’s participation on subjects not directly involving the substantive merits of a matter may not be “substantial,” even if it is time-consuming. An employee whose responsibility is the review of a matter solely for compliance with administrative control or budgetary considerations and who reviews a particular matter for such a purpose should not be regarded as having participated substantially in the matter, except when such considerations also are the subject of the employee’s proposed representation. (See §2637.202(b) of this part.) Such an employee could theoretically cause a halt in a program for non-compliance with standards under his or her jurisdiction, but lacks authority to initiate a program or to disapprove it on the basis of its substance.

(3) Role of official responsibility in determining substantial participation. “Official responsibility” is defined in §2637.202(b)(1). “Personal and substantial participation” is different from “official responsibility.” One’s responsibility may, however, play a role in determining the “substantiality” of an employee’s participation. For example, ordinarily an employee’s forbearance on a matter is not substantial participation. If, however, an employee is charged with responsibility for review of a matter and action cannot be undertaken over his or her objection, the
result may be different. If the employee reviews a matter and passes it on, his or her participation may be regarded as “substantial” even if he or she claims merely to have engaged in inaction.

(e) Agency responsibility in complex cases. In certain complex factual cases, the agency with which the former Government employee was associated is likely to be in the best position to make a determination as to certain issues, for example, the identity or existence of a particular matter. Designated agency ethics officials should provide advice promptly to former Government employees who make inquiry on any matter arising under these regulations.

§ 2637.202 Two-year restriction on any former Government employee’s acting as representative as to a particular matter for which the employee had official responsibility.

(a) Basic prohibition of 18 U.S.C. 207(b)(1). No former Government employee, within two years after terminating employment by the United States, shall knowingly act as agent or attorney for, or otherwise represent any other person in any formal or informal appearance before, or with the intent to influence, any oral or written communication on behalf of any other person (1) to the United States, (2) in connection with any particular Government matter involving a specific party (3) if such matter was actually pending under the employee’s responsibility as an officer or employee within period of one year prior to the termination of such responsibility.

(b) “Official responsibility”—(1) Definition. “Official responsibility” is defined in 18 U.S.C. 202 as, “the direct administrative or operating authority, whether intermediate or final, and either exercisable alone or with others, and either personally or through subordinates, to approve, disapprove, or otherwise direct Government actions.”

(2) Determining official responsibility. Ordinarily, the scope of an employee’s “official responsibility” is determined by those areas assigned by statute, regulation, Executive Order, job description or delegation of authority. All particular matters under consideration in an agency are under the “official responsibility” of the agency head, and each is under that of any intermediate supervisor having responsibility for an employee who actually participates in the matter within the scope of his or her duties.

(3) Ancillary matters and official responsibility. “Administrative” authority as used in the foregoing definition means authority for planning, organizing and controlling matters rather than authority to review or make decisions on ancillary aspects of a matter such as the regularity of budgeting procedures, public or community relations aspects, or equal employment opportunity considerations. Responsibility for such an ancillary consideration does not constitute responsibility for the particular matter, except when such a consideration is also the subject of the employee’s proposed representation.

Example 1: An agency’s comptroller would not have official responsibility for all programs in the agency, even though she must review the budget, and all such programs are contained in the budget.

Example 2: Within two years after terminating employment, an agency’s former comptroller is asked to represent Q Company in a dispute arising under a contract which was in effect during the comptroller’s tenure. The dispute concerns an accounting formula, under the contract, a matter as to which a subordinate division of the comptroller’s office was consulted. She may not represent Q Company on this matter.

(4) Knowledge of matter pending required. In order for a former employee to be barred from representing another as to a particular matter, he or she need not have known, while employed by the Government, that the matter was pending under his or her official responsibility. However, the former employee is not subject to the restriction unless at the time of the proposed representation of another, he or she knows or learns that the matter had been under his or her responsibility. Ordinarily, a former employee who is asked to represent another on a matter will become aware of facts sufficient to suggest the relationship of the prior matter to his or her former agency. If so, he or she is under a duty to make further inquiry, including direct contact with an agency’s designated ethics official where the matter is in doubt.
§ 2637.203 Two-year restriction on a former senior employee's assisting in representing as to a matter in which the employee participated personally and substantially.

(a) Basic prohibition of 18 U.S.C. 207(b)(ii). No former Senior Employee (see §2637.102(a)(6)), within two years after terminating employment by the United States, shall knowingly represent or aid, counsel, advise, consult, or assist in representing any other person by personal presence at any formal or informal appearance, (1) before the United States, (2) in connection with any particular Government matter involving a specific party, (3) in which matter he or she participated personally and substantially.

(b) Limitation to “representational” assistance by “personal presence” at an appearance. Section 207(b)(ii) is limited to assistance “in representing” another person by “personal presence” at an “appearance” before the United States. Different in scope from sections 207(a) and 207(b)(i), it does not apply to assistance in connection with an oral or written communication made with an intent to influence which does not involve an appearance. Nor does it bar assistance in preparation for either a formal or informal personal appearance or an appearance by written submission in a formal proceeding where the former employee is not personally present before the Government or a Government employee. The provision

(5) Self-disqualification. A former employee cannot avoid the restrictions of this section on the ground by self-disqualification with respect to a matter for which he or she otherwise had official responsibility. However, self-disqualification is effective to eliminate the restriction of section 207(a).

(c) “Actually pending.” “Actually pending” means that the matter was in fact referred to or under consideration by persons within the employee’s area of responsibility, not that it merely could have been.

Example 1: A staff lawyer in a department’s Office of General Counsel is consulted by procurement officers on the correct resolution of a contractual matter involving Q Company. The lawyer renders an opinion resolving the question. The same legal question arises later in several contracts with other companies, but none of the disputes with such companies is referred to the Office of the General Counsel. The General Counsel has official responsibility for the determination of the Q Company matter. The other matters were never “actually pending” under that responsibility, although as a theoretical matter, such responsibility extended to all legal matters within the department.

(d) Other essential requirements. All other requirements of the statute must be met before the restriction on representation applies. The same considerations apply in determining the existence of a “particular matter involving a specific party,” a representation in an “appearance,” or “intent to influence,” and so forth as set forth under §2637.201 of this part.

Example 1: During her tenure as head of an agency, an officer’s subordinates undertook major changes in agency enforcement standards involving occupational safety. Eighteen months after terminating Government employment, she is asked to represent Z Company which believes it is being unfairly treated under the enforcement program. The Z Company matter first arose on a complaint filed after the agency head terminated her employment. She may represent Z Company because the matter pending under her official responsibility was not one involving “a specific party.” (Moreover, the time-period covered by 18 U.S.C. 207(c) has elapsed.)

(e) Measurement of two-year restriction period. The statutory two-year period is measured from the date when the employee’s responsibility in a particular area ends, not from the termination of Government service, unless the two occur simultaneously. The prohibition applies to all particular matters subject to such responsibility in the one-year period before termination of such responsibility.

Example 1: The Director, Import/Export Division of A Agency retires after 26 years of service and enters private industry as a consultant. He will be restricted for two years with respect to all matters which were actually pending under his official responsibility in the year before his retirement.

Example 2: An employee transfers from a position in A Agency to a position in B Agency, and she leaves B Agency for private employment 9 months later. In 15 months she will be free of restriction insofar as matters which were pending under her responsibility in A Agency in the year before her transfer. She will be restricted for two years in respect of B Agency matters which were pending in the year before her departure for private employment.

§ 2637.204 A former senior employee's representation or advice to another person.

(a) Basic prohibition of 18 U.S.C. 207(b)(i). No former Senior Employee (see §2637.102(a)(6)), within two years after terminating employment by the United States, shall knowingly represent or aid, counsel, advise, consult, or assist in representing any other person by personal presence at any formal or informal appearance, (1) before the United States, (2) in connection with any particular Government matter involving a specific party, (3) in which matter he or she participated personally and substantially.

(b) Limitation to “representational” assistance by “personal presence” at an appearance. Section 207(b)(i) is limited to assistance “in representing” another person by “personal presence” at an “appearance” before the United States. Different in scope from sections 207(a) and 207(b)(ii), it does not apply to assistance in connection with an oral or written communication made with an intent to influence which does not involve an appearance. Nor does it bar assistance in preparation for either a formal or informal personal appearance or an appearance by written submission in a formal proceeding where the former employee is not personally present before the Government or a Government employee. The provision

5 CFR Ch. XVI (1-1-98 Edition)
Office of Government Ethics § 2637.203

designed to prevent the former Senior Employee from playing any auxiliary role during a negotiation proceeding or similar transaction with the Government so that he or she does not appear to be lending personal influence to the resolution of a matter and cannot do so in fact.

Example 1: A former Senior Employee makes suggestions as to the content of a letter to be sent to the Government on a matter in which he had participated. No violation occurs.

(c) Managerial and other off-scene assistance. The statute does not prohibit a former Senior Employee's advice and assistance to his or her organization's representatives which does not involve his or her personal presence at an appearance before the Government. The former Senior Employee's preparation of documents to be presented in any formal or informal proceeding does not constitute personal presence at an appearance, even where submission of such a document might technically constitute an appearance.

Example 1: A former Senior Employee attends a hearing on a matter in which she had participated personally and substantially while in the Government. She speaks with the representative of a private party during the hearing. A violation occurs if the former Senior Employee lends assistance to the representative in that conversation.

Example 2: A Senior Justice Department lawyer personally works on an antitrust case against Z Company. After leaving the Department, she is asked to discuss legal strategy with lawyers representing Z Company on that same antitrust case, to write portions of a brief and to direct the research of the staff working on the case. Any such aid would not be prohibited by the statute, but would likely be prohibited by professional disciplinary rules.

(d) Representational assistance. The statute seeks to prevent a former Senior Employee from making unfair use of his or her prior governmental position by prohibiting all forms of assistance in the representation of another when personally present at an appearance, including giving advice as to how the representation in an appearance should be conducted, supplying information, participating in drafting materials, or dealing with forensic or argumentative matters (such as testimony, methods of persuasion, or strategy of presentation).

(e) Measurement of restriction period. The statutory two-year period is measured from the date of termination of employment in the Senior Employee position held by the former employee when he or she participated personally and substantially in the matter involved. (cf. §2637.202(e))

(f) Other Essential Requirements. All conditions of the statutory prohibition must be met. Specifically, the former employee, (1) must have been a "Senior Employee," (2) who "participated personally and substantially" (See §2637.201(d) of this part) in (3) a "particular matter involving a specific party." (See subpart §2637.201(c) of this part.)

(g) General Examples:

Example 1: A Senior Federal Trade Commission Employee, an economist by profession, participates in an investigation involving X Company, and a proceeding is commenced against X Company based on the investigation. After leaving the Commission, he offers to serve as a consultant to the lawyers for X Company on certain economic matters involved in the proceeding. He attends the proceeding and at the close of each day, meets in the lawyers' office to advise them. Such conduct violates the statute.

Example 2: A Senior Employee of the Department of the Treasury participates in a number of projects with universities and financial research institutions funded by Government grants. After leaving the Government, she becomes dean of a graduate school of business which performs work under a number of such grants. She may, in the discharge of her duties, supervise research and advise as to how funds under such a contract should be allocated, whether or not these matters are, as is likely, communicated to her former Department by the graduate school's representatives. (See §2637.204.)

Example 3: A Senior Defense Department official participated personally and substantially in a contract award to F Company for fighter planes. After leaving the Department, the former official goes to work for F Company. Subsequently, F Company desires to renegotiate prices and a pension provision on the fighter plane contract, matters in which dispute is anticipated. The former official could not attend a meeting with Government employees at which such matters will be discussed and give assistance to those representing F Company in the negotiations. He could generally render advice as long as he remained absent from the negotiations.

Example 4: A Senior Justice Department lawyer participated in an antitrust case against Q Company, which is represented by Y law firm. Immediately after leaving, the
§ 2637.204

Department, she goes to work with Y law firm, and assists at a trial representing Q Company in a different antitrust case, not involving the allegations in the Government case. Such assistance would not be barred because it does not occur in connection with the same particular matter.

Example 5: A Senior Employee of the Department of Health and Human Services leaves to take a university position. The former official’s new duties include various HHS contracts which the university holds. Some of the contracts were awarded by a division within HHS which was under her official responsibility. She is not barred from assistance in negotiations with respect to such contracts, because the restriction applies only to those matters in which she had participated personally and substantially, not to those matters for which she had official responsibility. Note, however, that any participation by her as a representative would be barred by 18 U.S.C. 207(b)(1) as described in §2637.202 of this part. (But see §2637.204.)

Example 6: A Senior Scientist with the Food and Drug Administration was personally and substantially involved in a licensing proceeding concerning a specific drug. After leaving the FDA, he is employed by the manufacturer of the drug. There he engages in research, indicating that the drug is safe and effective, which his employer later presents to FDA in connection with the proceeding. He assists during this presentation. Such assistance would normally be restricted but may be allowed to the extent that the former official is furnishing scientific information to the Government. (See 18 U.S.C. 207(f) and §2637.206 of this part.)

Example 7: A former Senior Employee of the Federal Communications Commission leaves the agency to join a graduate school faculty. In one of his courses, which from time to time includes Government employees, he discusses, unfavorably to the Commission, a specific licensing case in which he was personally and substantially involved. The restriction does not apply because the conduct does not occur in connection with any representational activities.

§ 2637.204 One-year restriction on a former senior employee’s transactions with former agency on a particular matter, regardless of prior involvement.

(a) Basic prohibition of 18 U.S.C. 207(c).

For a period of one year after terminating employment by the United States, no former Senior Employee (other than a special Government employee who serves for fewer than sixty days in a calendar year) shall knowingly act as an agent or attorney for, or otherwise represent, anyone in any formal or informal appearance before, or with the intent to influence, make any written or oral communication on behalf of anyone to (1) his or her former department or agency, or any of its officers or employees, (2) in connection with any particular Government matter, whether or not involving a specific party, which is pending before such department or agency, or in which it has a direct and substantial interest.

(b) Transactions exempted from the basic prohibition of 18 U.S.C. 207(c). The prohibition set forth above shall not apply to an appearance, a communication, or representation by a former Senior Employee, who is:

(1) An elected official of a State or local government, acting on behalf of such government, or

(2) Whose principal occupation or employment is with (i) an agency or instrumentality of a State or local government, (ii) an accredited, degree-granting institution of higher education, as defined in section 1201(a) of the Higher Education Act of 1965, or (iii) a hospital or medical research organization, exempted and defined under section 501(c)(3) of the Internal Revenue Code of 1954, and the appearance, communication, or representation is on behalf of such government, institution, hospital or organization.

Example 1: A former Senior Employee of the Federal Highway Administration is appointed to the position of Secretary of Transportation for the State of Kansas. He would not be prohibited from transacting business with his former agency concerning new matters on behalf of the State. He would, however, be restricted as to 207(a) and 207(b) matters.

Example 2: A former Senior Employee of the Department of Housing and Urban Development establishes a consulting firm and is engaged by the City of Los Angeles to aid it in procuring a particular grant. He may not represent Los Angeles before his former Department because his “principal occupation or employment” is not with such city.

Example 3: A former Senior Employee of the Department of Education founds a vocational school for the training of legal paraprofessionals and associated staff. He desires to communicate with officials at his former Department for the purpose of establishing a program of assistance to such institutions. He may not do so, since the vocational school is not an “accredited, degree granting institution of higher education.”
Office of Government Ethics § 2637.204

(c) No prior involvement required. The prohibition contained in this section applies without regard to whether the former Senior Employee had participated in, or had responsibility for, the particular matter and includes matters which first arise after the employee leaves Government service. The section aims at the possible use of personal influence based upon past Governmental affiliations to facilitate the transaction of business.

(d) Specific parties unnecessary. The particular matter in which the former Senior Employee proposes to act before his or her former agency need not be one “involving specific parties,” and thus is not limited to disputed proceedings or contracts in which a party has already been identified. However, the restriction does not encompass every kind of matter, but only a particular one similar to those cited in the statutory language, i.e., any judicial or other proceeding, application, request for a ruling or determination, contract, claim, controversy, investigation, charge, accusation, or arrest. Rule-making is specifically included. Thus such matters as the proposed adoption of a regulation or interpretive ruling, or an agency’s determination to undertake a particular project or to open such a project to competitive bidding are covered. Not included are broad technical areas and policy issues and conceptual work done before a program has become particularized into one or more specific projects. The particular matter must be pending before the agency or be one in which the agency has a “direct and substantial interest.”

( NOTE: Each post employment activity in the examples in this section is assumed to take place within one year of termination of Government employment.)

Example 1: A Senior Employee of the Department of Health and Human Services leaves Government employment for private practice, and shortly thereafter telephones a former associate urging that the Department (a) adopt a new procedure to put a ceiling on hospital costs; (b) not adopt a particular rule proposed for drug testing; and (c) oppose a bill pending in Congress relating to such drug testing. He is prohibited from attempting to influence his former co-worker on any of these matters. The first, not yet pending, is of interest to the Department; the second is pending in the Department; and the third is pending elsewhere, and is of interest to the Department. Note that the former Senior Employee may, however, communicate the same views to Congress, other agencies, the public or the press.

Example 2: A recently retired Senior Employee of the Department of Defense believes that the Department’s general emphasis on manned aircraft is not in the national interest. After his departure, he may continue to argue the point to the Department.

(e) Element of controversy or influence required. The prohibition on acting as a representative or attempting to influence applies to situations in which there is an appreciable element of actual or potential dispute or an application or submission to obtain Government rulings, benefits or approvals, and not to a situation merely involving, for example: the transmission or filing of a document that does not involve an application for Government benefit, approval or ruling; a request for information; purely social or informational communications; or those required by law or regulations (in situations other than adversary proceedings). Each agency should, after consulting with the Director or the Attorney General, as appropriate, give guidance on the kinds of applications, filings and other matters which are not prohibited by section 207(c).

Example 1: A former Senior Employee of the Internal Revenue Service prepares and mails a client’s tax return. This is not a prohibited act. Should any controversy arise in connection with the tax return, the former employee may not represent the client, but may be called upon to state how the return was prepared.

Example 2: A former Senior Employee of the Securities and Exchange Commission prepared and transmitted for filing to the Commission a client’s annual report on form 10-K. This is not a violation, because the 10-K is a disclosure report, not intended to obtain a Government benefit or ruling.

Example 3: A former Senior Employee of the Securities and Exchange Commission becomes executive vice-president of a major industrial corporation, registered under the Securities Exchange Act of 1934. Pursuant to Commission regulations, the officers of the corporation are required to sign certain filings on behalf of the corporation, which are transmitted to the Commission. The employee may review, concur or request changes in, and sign any such filing required to be transmitted to the Commission.

(f) Agency activity or interest in matter. The restriction applies to the former employee’s contacts with his or her
§ 2637.204

former agency in connection with a matter before or of “direct and substantial interest” to the agency.

Example 1: A former Senior Employee of the Securities and Exchange Commission is asked to represent Z Company in a new matter before the Commission, one in which the former employee had no prior involvement. He may not do so.

Example 2: The matter in the foregoing example is referred to the Department of Justice for prosecution, and the former employee is asked for the first time to represent Z Company in the criminal proceeding. The matter is likely to be of direct and substantial interest to the Commission. If so, the former employee may not communicate with the Commission in the matter. However, the former Senior Employee may communicate with the Commission in order to determine whether it asserts a direct and substantial interest in the criminal proceeding. In the event of a negative answer to the question, the former Senior Employee may communicate with the Commission.

Example 3: In connection with an entirely new matter a former Senior Employee of the Securities and Exchange Commission undertakes the representation of Z Company in private litigation brought by Q Company, (e.g., a private action arising under the Securities Exchange Act of 1934). Before the suit was commenced, there was no actual expression of interest by the Commission in the matter. As the litigation develops, an important question of statutory interpretation is raised, and the Commission files a brief as amicus curiae (friend of the court). The former Senior Employee may respond to the brief and need not withdraw from representation of Z Company, but he may not otherwise communicate with the Commission in the matter. If the Commission were to commence a proceeding or investigation again, Z Company on the basis of the same facts involved in the private litigation brought by Q Company, the former employee could continue his representation in the private litigation, but could not represent Z Company in the Commission’s proceeding until after the expiration of one year from the termination of his employment with the Commission.

[NOTE: Where an agency becomes a party to a proceeding subsequent to its commencement, the question whether a former Senior Employee may continue representation should ordinarily be decided by the court on a motion for disqualification in the particular circumstances.]

Example 4: In connection with a new matter, a former Senior Employee of the Federal Food and Drug Administration, since retired to private law practice, is asked to consult and assist in the preparation of briefs to be filed with the Administration on a new particular matter. He may do so, but he should not sign briefs or other communications or take any other action that might constitute an appearance.

(g) Application or proposals for funding of research. In connection with any application or proposal for Government funding of research, the restrictions of this section do not prevent a former Senior Employee from assuming responsibility for the direction or conduct of such research and from providing scientific or technological information to the Senior Employee’s former agency regarding such research. The former Senior Employee may not, however, submit the application on behalf of the applicant or argue for its approval or funding by the agency.

Example 1: A former Senior Employee of the National Institute of Health (NIH), employed by a non-exempt research institute, prepares an application to NIH for a research contract. The application is submitted to NIH by the institute and lists the Senior Employee as principal investigator. The Senior Employee does not violate 18 U.S.C. 207(c) by preparing the application or by being listed as principal investigator, since these are not representational activities. He may also sign an assurance to NIH, as part of the application, that he will be responsible for the scientific and technical direction and conduct of the project if an award is made. He may also communicate with NIH to provide scientific or technical information on the application, including presentation to NIH personnel at the research site, so long as he does not argue for approval or funding of the application.

(h) Personal matters. Unlike the provisions of subsections 207(a) and (b) the restrictions of this section apply when the former Senior Employee seeks to represent himself or herself. However, they do not apply to appearances or communications concerning matters of a personal and individual nature, such as personal income taxes, pension benefits, or the application of any provision of these regulations to an undertaking proposed by a Senior Employee. (See 18 U.S.C. 207(f).) A former Senior Employee may also appear pro se (on his or her own behalf) in any litigation or administrative proceeding, involving the individual’s former agency. The former employee may not contact his or her former agency in order to secure an item of business, except for (1) discussions in contemplation of being employed by the agency as a consultant.
or otherwise; or (2) a proposal to furnish scientific or technological information to the Government.

Example 1: Any former Government Employee may contact his or her former agency to seek information or determinations as to matters in question under these regulations or under 18 U.S.C. 207, such as whether a particular matter is considered to have been under the employee's official responsibility, whether a matter is one in which the agency asserts a direct and substantial interest, or whether a current matter is considered to be the same as that in which the employee had been involved.

(i) Statements based on special knowledge. The restrictions of the section do not prevent a former Senior Employee from making or providing a statement, which is based on the former Senior Employee's own special knowledge in the particular area that is the subject matter of the statement, provided that no compensation is thereby received, other than that regularly provided by law or regulation for witnesses. (See 18 U.S.C. 207(i).)

Example 1: A former Senior Employee may make any statement of his own views to his former agency on any subject matter in which he has no substantial pecuniary interests, acting on his own behalf.

Example 2: A former Senior Employee is called by his successor at the agency for the purpose of eliciting some information on a matter in which he had been involved in an official capacity. His response is not prohibited.

Example 3: A former Senior Employee may recommend an individual to her former agency for employment, based on her personal knowledge of the individual's qualifications and character.

(j) Measurement of one-year restriction period. The statutory one-year period is measured from the date when the individual's responsibility as a Senior Employee in a particular agency ends, not from the termination of Government service, unless the two occur simultaneously. (See §2637.202(e).)

§ 2637.205 Limitation of restrictions of 18 U.S.C. 207(c) to less than that whole of a department or agency.

(a) Authority. There are two methods by which the application of the one-year “cooling-off” prohibition of 18 U.S.C. 207(c) may be limited to less than the entirety of a department or agency. First, 18 U.S.C. 207(e) provides that the Director may by rule designate as “separate” a statutory agency or bureau which exercises functions that are distinct and separate from the remaining functions of the parent department or agency of which it is part. (see §2637.214) Second, under the provisions of 18 U.S.C. 207(d)(1)(C), the Director may restrict the application of the prohibition as to a former employee (other than one who served in an Executive Level position or at a uniformed service grade level of 0-9 and above) insofar as it affects his or her communications with persons in an unrelated agency or bureau within his former parent department or agency which has separate and distinct subject matter jurisdiction from the agency or bureau in which he or she served. (see §2637.215)

(b) Distinctions between the 18 U.S.C. 207(e) and 207(d)(1)(C) provisions. (1) The authority granted by 18 U.S.C. 207(e) is applicable solely to a separate statutory agency or bureau, that is, one created by statute or the functions of which are expressly referred to by statute in such a way that appears to Congress intended that its functions were to be separable. A determination made under this 18 U.S.C. 207(e) does not, however, benefit former heads of the separate statutory agency or bureau. Such a determination does, however, work to the benefit of other employees at Executive Level or at uniformed service grade level of 0-9 or above.

(2) The determination made pursuant to section 207(d)(1)(C) is intended to provide similar recognition of separability where the subordinate agency or bureau has been administratively created. A determination of such separability does inure to the benefit of the head of the separate component if he is a Senior Employee designated by the Director. However, the determination is not beneficial to persons, including the head of a separate component, in positions at Executive Level or serving at uniformed service grade level of 0-9 above.

(c) Separate Statutory Components—(1) Procedure. Each agency shall notify the Director, in writing, of any separate statutory agency or bureau which it desires to submit for such designation under 18 U.S.C. 207(e), providing:
(i) A description of the functions of the agency or bureau, indicating the basis on which such functions are claimed to be distinct and separate from the parent organization;

(ii) The separate statutory basis of the agency or bureau; and

(iii) Identification of those positions in the parent agency with official responsibility for supervision of such separate statutory agency or bureau.

(2) Standards. A parent agency may propose as a “separate” statutory agency an agency or bureau (i) created specifically by statute, (ii) the functions of which are expressly referred to by statute in such a way as to indicate that a separate component was intended or (iii) which is the successor to either of the foregoing; but a decision as to the sufficiency of the statutory authority as well as the separability of functions shall be reserved to the Director, OGE.

(3) Effect of designation. If a subordinate part of an agency is designated as “separate” by the Director, then Senior Employees of such separate agency and those of the parent agency are not subject to the restrictions of section 207(c) as to each other’s agencies—except that the prohibition of section 207(c) remains applicable to the former head of a “separate” subordinate agency and to former Senior Employees of the parent agency whose official responsibility included supervision of the subordinate agency.

Example 1: A former Senior Employee of the Product Agency in Executive Department leaves and joins a law firm which represents Q Corporation. Product Agency has been designated by the Director as separate from Executive Department. The former employee is not restricted from representing the Q Corporation on a new matter before the Executive Department.

(d) Separate Nonstatutory Components—(1) Procedure. Each agency may notify the Director, in writing, of a component agency, bureau or office having separate and distinct subject matter jurisdiction which it desires to submit for designation under 18 U.S.C. 207(e), providing:

(i) A description of the subject matter jurisdiction of such component, indicating the basis on which such jurisdiction is claimed to be separate and distinct from certain other agencies, bureaus and offices of the parent agency;

(ii) A description of the nature of the connections and interactions between such component and certain other agencies, bureaus or offices of the parent agency indicating the basis on which the component is claimed to be unrelated;

(iii) A statement of the basis on which it is claimed that no potential exists for use by former Senior Employees of such component of undue influence or unfair advantage with respect to the named other agencies, bureaus or offices of the parent agency, based on past Government service; and

(iv) Identification of those organizational units of the parent agency having administrative or operational authority over such component agency, bureau or office.

(2) Standards. (i) A parent agency may propose as “separate” from other parts of a department or agency any agency or bureau having subject matter jurisdiction separate and distinct from one or more other portions of the department or agency accompanied by a showing that there would be no potential for use of undue influence or unfair advantage based upon past Government service if a former employee of one such subordinate agency or bureau communicated with employees of such other portions of the department or agency.

(ii) A determination under this section rests solely with the Director, OGE, and is available only for those subordinate components which would, but for the lack of a statutory basis, qualify for separate agency treatment under 18 U.S.C. 207(e).

(iii) Where one component has supervisory authority over another, the two components may not be considered separate and distinct for purposes of this section.

(iv) The requirement of “separate and distinct subject matter jurisdiction” may be met in at least two ways. First, the substantive areas of coverage may be distinct. For example, an office or bureau within the parent agency may handle only maritime matters. Second, the regional area of coverage may be different. For example, one regional office may, on appropriate facts,
Office of Government Ethics § 2637.206

be considered separate and distinct from other regional offices and from the parent agency—except for the bureau or office in the parent agency which is responsible for its supervision.

(v) It is necessary to specify the “unrelated agency or bureau within the same department or agency” as to which it is recommended that post employment communication be permitted. For example, one bureau may involve a subject matter distinct from some, but not all, parts of the parent department. Attempts to fractionalize a department could, however, become deeply complicated and involve difficult judgments and fact-finding. OGE will not usually act on such cases, and submissions should be confined to relatively clear cases.

(3) Effect of determination. If a component agency, bureau or office is determined to be separate by the Director, then Senior Employees of such component are not subject to the restrictions of 18 U.S.C. 207(c) and § 2637.204 as to the remaining agencies, bureaus or offices of the parent agency (except certain such agencies, bureaus or offices as specified in § 2637.205)—except that the prohibition of section 207(c) and § 2637.204 shall remain applicable (i) to those former Senior Employees of such component who served in positions designated by 18 U.S.C. 207(d)(1)(A) and (B) and (ii) to former Senior Employees of such component with respect to the parent agency (as defined in § 2637.205(e)). Such limited application of 18 U.S.C. 207(c) may be available for the head of a separate component, unlike the limitation of 18 U.S.C. 207(e), as determined by the Director.

Example 1: In the Department of Justice, while the Antitrust Division may be “separate” from other Divisions, it is not separate from the immediate office of the Attorney General.

§ 2637.206 Exemption for scientific and technological information.

(a) Exemption. The making of communications solely for the purpose of furnishing scientific or technological information pursuant to agency procedures is exempt from all prohibitions and restrictions set forth in §§ 2637.201–2637.204 of these regulations (subsections (a), (b), and (c) of 18 U.S.C. 207). This exemption allows the free exchange of such information regardless of a former Government employee’s prior participation in or responsibility for the matter. The former Senior Employee should not argue for the acceptance of a proposal. The exemption is not limited to communications constituting the furnishing of information, but includes those “for the purpose of” doing so. No violation occurs when, for example, a former Government employee working on a project makes contact to determine the kind and form of information required, or the adequacy of information already supplied, so long as agency procedures are satisfied.

Example 1: A project manager, regardless of prior involvement in a particular matter, may contact the Government to determine deficiencies in system design or performance, furnish scientific or technological information relating to a solution or approach to a problem, seek related information from the Government; advise and supervise others who are involved as to such matters; and meet with Government technical experts for such purpose; provided in each case that there is compliance with such agency regulations as have been issued.

(b) Necessary information. Scientific and technological information includes feasibility, risk, cost, and speed of implementation, when necessary to appreciate fairly the practical significance of the information. The Government may and should be fully informed of the significance of scientific and technological alternatives.

(c) Intent to influence. The furnishing of meritorious or convincing scientific or technological proposals does not constitute an intent to influence. (See § 2637.201(b)(7) of this part.)

(d) Expert testimony. This exemption does not include testimony as an “expert” in adversary proceedings in a matter in which the United States is involved or has an interest. Such testimony is governed by regulations set forth in § 2637.208. As to assistance as an expert or consultant, see § 2637.203(g), Example 7.

(e) Agency responsibility for procedures. The primary responsibility for developing procedures to guide activity under this exemption lies with each agency, so that such procedures comport with the particular characteristics of agency programs and needs. Such procedures will be reviewed periodically by
§ 2637.207 Exemption for persons with special qualification in a technical discipline.

(a) Applicability. A former Government employee may be exempted from the restrictions on post employment practices if the head of the agency concerned with the particular matter, in consultation with the Director, executes a certification published in the Federal Register that such former Government employee has outstanding qualifications in a scientific, technological, or other technical discipline; is acting with respect to a particular matter which requires such qualifications; and that the national interest would be served by such former Government employee's participation.

(b) When appropriate. This exemption should generally be utilized only where the former Government employee's involvement is needed on so continuous and comprehensive a basis that compliance with the procedures adopted for the communication of technical information (see §2637.206), or other actions to isolate the former Government employee from other aspects of the matter, would be burdensome and impractical.

(c) Certification authority. Certification should take place at no lower level than the head of the agency, the deputy thereof, or in the absence of both, the acting agency head. Consultation with the Director shall precede any certification. The exemption takes place upon the execution of the certification, provided that it is transmitted to the Federal Register for publication.

(d) Agency registry. An agency may establish a registry for current employees, wherein the nature of their qualifications in one or more technical fields is certified after review by a supervisor, as a basis for establishing such qualifications in connection with, and to expedite, a later request for certification, should the necessity for such request arise.

§ 2637.208 Testimony and statements under oath or subject to penalty of perjury.

(a) Statutory basis. Section 207(h) provides:

"Nothing in this section shall prevent a former officer or employee from giving testimony under oath, or from making statements required to be made under penalty of perjury."

(b) Applicability. A former Government employee may testify before any court, board, commission, or legislative body with respect to matters of fact within the personal knowledge of the former Government employee. This provision does not, however, allow a former Government employee, otherwise barred under 18 U.S.C. 207 (a), (b), or (c) to testify on behalf of another as an expert witness except: (1) To the extent that the former employee may testify from personal knowledge as to occurrences which are relevant to the issues in the proceeding, including those in which the former Government employee participated, utilizing his or her expertise, or (2) in any proceeding where it is determined that another expert in the field cannot practically be obtained; that it is impracticable for the facts or opinions on the same subject to be obtained by other means, and that the former Government employee's testimony is required in the interest of justice.

(c) Statements under penalty of perjury. A former Government employee may make any statement required to be made under penalty of perjury, such as those required in registration statements for securities, tax returns, or security clearances. The exception does
§ 2637.209 Partners of present or former Government employees.

(a) Scope. Section 207(g) of 18 U.S.C. prohibits a partner of a current Government employee from acting as agent or attorney before the United States in a particular Government matter in which such Government employee participates, or did participate, personally and substantially. To the extent such section involves the activities of current Government employees and their partners, it is beyond the scope of these regulations.

(b) Imputation. Neither the Act nor these regulations impute the restrictions on former employees to partners or associates of such employees. Imputation of the restrictions of sections 207 (b)(ii) and (c) to partners of former employees would be inappropriate for the additional reason that section 207(b)(ii) itself restricts secondary-level activity, and section 207(c) is directed at the exercise of influence personal to the former Senior Employee.

§ 2637.210 Officials of a State; officials of corporations created by an Act of Congress and public international organizations.

For purposes of sections 207 (a), (b) and (c) of title 18 U.S.C.:

(a) An official whose powers are established by the constitution of any State of the United States does not act on behalf of “any other person” or “anyone” when acting in his or her official capacity, but rather constitutes the official authority of the State; and

(b) A former employee does not engage in unlawful activity when he or she acts on behalf of (1) a corporation specifically created by an Act of Congress if any of its directors is currently appointed by the United States; or (2) any public international organization if he or she serves by nomination or request of the United States on a temporary assignment from any agency.

§ 2637.211 Standards and procedures for designating senior employee positions pursuant to 18 U.S.C. 207(d).

(a) Definitions. As used in these regulations, Senior Employee refers to any person specified in or designated pursuant to 18 U.S.C. 207(d)(1); that is, employed by the United States:

(1) At a rate of pay specified or fixed according to subchapter II of chapter 53 of title 5, U.S.C., generally known as “Executive Level;” or

(2) On active duty as a commissioned officer of a uniformed service in a pay grade of 0-9 or above as described in 37 U.S.C. 201; or

(3) In a position in any pay system for which the basic rate of pay is equal to or greater than that for GS-17 as prescribed by 5 U.S.C. 5332 or positions which are established within the Senior Executive Service (SES) pursuant to the Civil Service Reform Act of 1978, or positions of active duty commissioned officers of the uniformed services assigned to pay grade 0-7 and 0-8, as described in 37 U.S.C. 201, and who has significant decision-making or supervisory responsibilities, as designated by the Director, pursuant to paragraph (b) of this section.

(b) Designation procedures. The following procedures will be followed in designation of Senior Employee positions pursuant to 18 U.S.C. 207(d)(1)(C):

(1) Positions at GS-17 and 18 level, Senior Executive Service, and pay grades 0-7 and 0-8 of the uniformed services. The following are designated effective February 28, 1980, unless exempted as provided in paragraph (b)(2) of this section: All positions classified at GS-17 or above in the General Schedule; those in any other pay system, the rate of pay for which is at least that of grade GS-17; those in the Senior Executive Service; and those active duty uniformed service officers serving in pay grades 0-7 and 0-8. Each agency head shall submit to the Director, by May 15, 1979 and on every May 15 thereafter, a report consisting of: (i) a description of all positions as set forth in this paragraph; (ii) the agency’s recommendation as to those positions that should not be designated, based on standards established in these regulations or any other reason; and (iii) the
basis and reasons for each such recommendation. After making such additional inquiries as appear desirable, the Director will determine which positions should be exempt. Notwithstanding the foregoing, the effective date for Executive Level positions, whether or not included in the Senior Executive Service, is July 1, 1979.

(2) Standards for designation and exemption. Positions, or classes of positions, which do not have significant decision-making or supervisory responsibility will be exempted from designation. Initial exemptions will be retroactive. Classes of positions which may be considered for exemption are those in which decision-making responsibility does not regularly extend to major policy issues within the agency or in which supervisory responsibility extends to less than all of a directorate, bureau or department which has major policy or operational responsibility. The foregoing may include, without limitation, special assistants, technical and professional advisors to persons who make policy decisions, those involved primarily in research and technical work, and administrative law judges.

(3) Senior Executive Service. The establishment of positions within the Senior Executive Service pursuant to the Civil Service Reform Act of 1978 is the responsibility of the Office of Personnel Management. The choice of an individual to enter or not to enter the Senior Executive Service is not a relevant factor in the designation under these regulations of a position held by such person.

(4) ''Rate of pay.'' As used in the definition of Senior Employee, the ''rate of pay'' is that specified by or pursuant to law without regard to the ceiling limitations of section 5308 or section 5373 of title 5 U.S.C.; except that an individual in an executive level or GS-17 or 18 position is deemed to be employed at the rate of pay specified for that position. Increases in pay due to "steps" are not considered in determining pay grade or level.

(c) Differential designation. Where appropriate, the Director may designate positions for purposes of 18 U.S.C. 207(c) without designating the positions for purposes of 18 U.S.C. 207(b)(iii).

Example 1: It may be determined that a given position or class of positions will be restricted as to contact in the first post employment year, but not as to assisting in representation.

(d) Fair notice of designation. No Senior Employee designation made pursuant to 18 U.S.C. 207(d)(1)(C) will be effective until the last day of the fifth full calendar month after the first publication of a notice by the Director of intention to designate; except as indicated in paragraph (i) of this section, and as to a person first occupying the position after such notice is published.

The designation in paragraph (b)(1) of this section and the comparable designation in the interim regulations of April 3, 1979 (44 FR 19974) constitutes notice.

(e) "Acting" or temporary positions. An individual may serve in a position designated pursuant to 18 U.S.C. 207(d) for up to 60 days in an "acting" or temporary capacity without being subject to those restrictions which specially apply to such positions, unless such individual (1) was transferred or detailed from another designated position, or (2) without a significant break in continuity, is named permanently to such position.

(f) Special Government Employee. A Special Government Employee who serves on 60 days or less in a given calendar year may serve in a designated position without being subject to the restrictions which specially apply to such position. A Special Government Employee is deemed to serve only on those days actually engaged in work for the Government under his or her Special Government Employee arrangement.

(g) Publication. Positions designated by the Director pursuant to 18 U.S.C. 207(d)(1)(C) and not exempted will be published in the Federal Register.

(h) Computation of time. An individual who transfers from a designated position to one that is not designated shall compute the commencement of the time periods contained in 18 U.S.C. 207(b)(ii) and (c) from the time of such transfer, except as indicated in paragraph (i) of this section. (See §2637.202(e).)

(i) Position shifting. In any case where a person transfers from a designated position to one that is not, the agency
Office of Government Ethics § 2637.212

head shall within one month transmit to the Director a report reciting the functions of each position, the reason for the transfer, and the identities of the prior holder of the position assumed and the successor, if any, to the position departed. If the Director designates the newly assumed position pursuant to section 207(d)(1)(C) of title 18 U.S.C., such designation shall be effective retroactively to the date of transfer notwithstanding paragraph (d) of this section.

(j) Revocation of Designations. In the event the Director determines that a position previously designated should not have been, the designation will be revoked. Except for designations made under paragraph (i) of this section, the revocation may be made retroactive if the initial designation is determined to have been erroneous or if there is a change in standards for designation applicable to the position. Retroactive effect will not be given where the basis for revocation is a change in the functions or importance of a position.

§ 2637.212 Administrative enforcement proceedings.

(a) Basic procedures. The following basic guidelines for administrative enforcement of restrictions on post employment activities are designed to expedite consultation with the Director as required pursuant to section 207(j) of title 18 U.S.C.

(1) Delegation. The head of an agency may delegate his or her authority under this subpart.

(2) Initiation of administrative disciplinary hearing. (i) On receipt of information regarding a possible violation of 18 U.S.C. 207 and after determining that such information appears substantiated, the agency head shall expeditiously provide such information, along with any comments or agency regulations, to the Director and to the Criminal Division, Department of Justice. The agency should coordinate any investigation on administrative action with the Department of Justice to avoid prejudicing criminal proceedings, unless the Department of Justice communicates to the Agency that it does not intend to initiate criminal prosecution.

(ii) Whenever an agency has determined after appropriate review that there is reasonable cause to believe that a former Government employee has violated any of these regulations or 18 U.S.C. 207(a), (b), or (c), it may initiate an administrative disciplinary proceeding by providing the former Government employee with notice as defined in paragraph (a)(3) of this section. Agencies may establish procedures to protect the privacy of former employees as to allegations made prior to a determination of sufficient cause to initiate an administrative disciplinary hearing.

(3) Adequate notice. (i) An agency must provide a former Government employee with adequate notice of an intention to institute a proceeding and an opportunity for a hearing.

(ii) Notice to the former Government employee must include:

(A) A statement of allegations (and the basis thereof) sufficiently detailed to enable the former Government employee to prepare an adequate defense;

(B) Notification of the right to a hearing; and

(C) An explanation of the method by which a hearing may be requested.

(4) Presiding official. (i) The presiding official at proceedings under this subpart shall be the agency head or an individual to whom the agency head has delegated authority to make an initial decision (hereinafter referred to as “examiner”).

(ii) Appropriate qualifications shall be established for examiners.

(iii) An examiner shall be impartial. No individual who has participated in any manner in the decision to initiate the proceedings may serve as an examiner in those proceedings.

(5) Time, date and place. (i) The hearing shall be conducted at a reasonable time, date, and place.

(ii) In setting a hearing date, the presiding official shall give due regard to the former Government employee's need for:

(A) Adequate time to prepare a defense properly, and

(B) An expeditious resolution of allegations that may be damaging to his or her reputation.
§ 2637.213

(6) Hearing rights. A hearing shall include, at a minimum, the following rights:

(i) To represent oneself or to be represented by counsel;

(ii) To introduce and examine witnesses and to submit physical evidence;

(iii) To confront and cross-examine adverse witnesses;

(iv) To present oral argument, and

(v) To receive a transcript or recording of the proceedings, on request.

(7) Burden of proof. In any hearing under this subpart, the agency has the burden of proof and must establish substantial evidence of a violation.

(8) Hearing decision. (i) The presiding official shall make a determination exclusively on matters of record in the proceeding, and shall set forth in the decision all findings of fact and conclusions of law relevant to the matters at issue.

(ii) Within a reasonable period of the date of an initial decision, as set by the agency, either party may appeal the decision to the agency head. The agency head shall base his or her decision on such appeal solely on the record of the proceedings or those portions thereof cited by the parties to limit the issues.

(iii) If the agency head modifies or reverses the initial decision, he or she shall specify such findings of fact and conclusions of law as are different from those of the hearing examiner.

(9) Administrative sanctions. The agency head may take appropriate action in the case of any individual who was found in violation of 18 U.S.C. 207 (a), (b), or (c) of these regulations after a final administrative decision or who failed to request a hearing after receiving adequate notice, by:

(i) Prohibiting the individual from making, on behalf of any other person except the United States, any formal or informal appearance before, or, with the intent to influence, any oral or written communication to, such department or agency on any matter of business for a period not to exceed five years, which may be accomplished by directing agency employees to refuse to participate in any such appearance or to accept any such communication; or

(ii) Taking other appropriate disciplinary action.

(10) Judicial review. Any person found to have participated in a violation of 18 U.S.C. 207 (a), (b), or (c) of these regulations may seek judicial review of the administrative determination.

(11) Consultation and review. Each agency shall submit a copy of its procedures for administrative enforcement to the Director.

§ 2637.213 Effective date of restrictions.

(a) Persons affected. Any person who holds a Government position after June 30, 1979, becomes subject to any additional restrictions relating to the holder of that position contained in the amendments to 18 U.S.C. 207 as set forth in these regulations. Restrictions which depend on the designation of a position by the Director shall become applicable on the date such designation becomes effective.

(b) Fair notice of substantive changes. No change in the substance of these regulations shall become effective with respect to a Government employee who is adversely affected by such change until and unless such employee remains in a position to which such change is applicable for a period of five months following the first publication of a regulation in final form, reflecting or prescribing such change, or unless such employee accepts such a position after the publication.

(a) The Director of the Office of Government Ethics has the authority and responsibility to render formal advisory opinions pursuant to Section 402(b)(8) of the Act. This service is available to any person who has a question about a matter over which the Office of Government Ethics has jurisdiction. Formal advisory opinions will be issued when a two-pronged test is met. First, the person making the request must meet the requirements of §2638.302 and, second, the subject matter of the request must meet the criteria set forth in §2638.303.

(b) Normally, formal advisory opinions will not be issued to individuals who wish to obtain general advice concerning their own specific present or
proposed activities or financial transactions. Such questions should be directed to the designated ethics official of the agency in which the individual will serve, serves or served. If a designated agency ethics official receives a request which he or she believes should be answered by the Office of Government Ethics, a referral procedure is available.

(c) The Office of Government Ethics will provide interested parties, to the extent practicable, with an opportunity to comment on any question which will be the subject of a formal advisory opinion issued by the Office. These opinions will be published in a form which will not identify specific individuals unless necessary to the understanding of the opinion. Copies will be sent to the designated ethics officials of each agency and be available at the Office of Government Ethics in that same form.

§ 2638.302 Who may request a formal advisory opinion.

Any person (as defined in §2638.104) may request an opinion with respect to a situation in which that person is directly involved. A designated agency ethics official, representative, or attorney may request an opinion on behalf of the person. Notwithstanding this direct involvement requirement, a designated agency ethics official may always request an opinion concerning a situation about which he or she has knowledge.

§ 2638.303 Subject matter of formal advisory opinions.

Formal advisory opinions will be rendered on matters of general applicability or on important matters of first impression concerning the application of the Act, Executive Order 11222 and regulations promulgated pursuant to such Act and Executive Order, and the laws embodied in 18 U.S.C. 202-209. The Director will respond to those requests which in his or her discretion fall within this category taking into consideration:

(a) The unique nature of the question and its precedential value,
(b) The potential number of officers or employees throughout the Government affected by the question,
(c) The frequency with which the question arises, and
(d) The likelihood or presence of inconsistent interpretations on the same question by different agencies.

Except in unusual circumstances, opinions will not be rendered with respect to hypothetical situations posed in requests. Opinions may be rendered, however, on proposed activities or transactions.

§ 2638.304 Form of requests for formal advisory opinions.

(a) A request for a formal advisory opinion should be directed to the Director of the Office of Government Ethics, Suite 500, 1201 New York Avenue NW., Washington, DC 20005-3917.

(b)(1) A request should be in writing and signed by the individual making the request or by a representative of that person. A request shall state all material facts necessary for the Director to render a complete and correct opinion.

(2) In addition, it should also include the following information:

(i) the name, mailing address, and daytime telephone contact of the individual making the request, and
(ii) a copy of the position, description of the position involved, if available.

(c) If the request is submitted by a representative, he or she must show his or her representative status, list a mailing address and daytime telephone contact.

§ 2638.305 Acceptance of requests for formal advisory opinions.

(a) Subject to the provisions of paragraph (d) of this section, the Director shall review each request for a formal advisory opinion and take one of the following actions:

(1) If the Director determines that the person making the request meets the requirements of §2638.302 and that the subject matter of the request qualifies under the criteria established in §2638.303, he or she shall assign an identifying number to the request and notify the person that a formal advisory opinion will be rendered; or
§ 2638.306 Notice of requests.

(2) If the Director determines that the person making the request is not a person who is eligible to receive a formal advisory opinion as provided in § 2638.302, or that the subject of the request is not a matter upon which the Office issues formal advisory opinions as outlined by § 2638.303, he or she shall so notify the person making the request.

When a formal advisory opinion will not be rendered, the Office of Government Ethics may provide other informational assistance to the person as appropriate. (See also §2638.312.)

(b) If at any time after receipt of a request for a formal advisory opinion, the Director believes that additional relevant information is needed, he or she may seek such information directly from the person requesting the opinion or from other sources which may include the agency involved.

(c) The person requesting the opinion may furnish the Office of Government Ethics with legal memoranda or other material relevant to the opinion requested.

(d)(1) In the case of a request which involves an actual or apparent violation of any conflict of interest law embodied in 18 U.S.C. 202-209, the Director shall consult with the Criminal Division of the Department of Justice.

(2) If after such consultation the Criminal Division determines that a criminal investigation will be undertaken, the Director shall take no further action with regard to that request pending a determination by the Criminal Division not to prosecute.

(3) Upon receipt of a determination by the Criminal Division not to prosecute, the Director shall then follow the procedures for all other requests for formal advisory opinions set forth in this part.

§ 2638.307 Written comment on requests.

(a) To the extent practicable, the Director shall provide interested parties with an opportunity to submit written comment on a request for a formal advisory opinion. A time by which the comment should be received will be indicated with the notice that the request has been made.

(b) Additional time in which to comment may be granted upon written request to or at the discretion of the Director. Such requests and all written comments shall be sent to the Office of Government Ethics, Suite 500, 1201 New York Avenue NW., Washington, DC 20005-3917.

§ 2638.308 Issuance.

(a) A formal advisory opinion,

(1) Which involves the application of any conflict of interest law embodied in 18 U.S.C. 202-209 to a transaction or activity which does not raise a question of an actual or apparent violation of this law but which raises an important matter of first impression, or

(2) Which is issued following the procedure set forth in §2638.305(d), requires consultation by the Office of Government Ethics with the Office of Legal Counsel of the Department of Justice before it is issued.

(b) An advisory opinion shall be considered issued when it is dated, numbered, and signed by the Director. Unless released by the person who made the request, the opinion will not become publicly available until information which identifies individuals involved and which is unnecessary to the complete understanding of the opinion has been deleted from the opinion and this version of the opinion is placed in a public reading file at the Office of Government Ethics. (See §2638.310)

§ 2638.309 Reliance on formal advisory opinions.

(a) Any formal advisory opinion referred to in §2638.308(a) or any provisions or finding of a formal advisory opinion involving the application of the Act, Executive Order 11222 and the
regulations promulgated pursuant to the Act or Executive Order, may be relied upon by:

(1) Any person directly involved in the specific transaction or activity with respect to which such advisory opinion has been rendered, and

(2) Any person directly involved in any specific transaction or activity which is indistinguishable in all its material aspects from the transaction or activity with respect to which such advisory opinion was rendered.

(b) Any person who relies upon any provision or finding of any formal advisory opinion in accordance with paragraph (a) of this section and who acts in good faith in accordance with the provisions and findings of such opinion, shall not, as a result of such act, be subject to prosecution under 18 U.S.C. 202–209 or, in the case where the opinion is exculpatory, be subject to any administrative adverse action or civil action based upon legal authority cited in that opinion.

§ 2638.310 Public availability and publication of formal advisory opinions.

(a) The Director shall make sufficient deletions in any formal advisory opinion so that unless necessary to the complete understanding of the opinion, the identity of any person involved is not disclosed. No deletion shall in any way affect the substance of the opinion.

(b) A copy of this version of the opinion shall then be made available for public inspection within 10 working days after the issuance of the opinion at the Office of Government Ethics, Suite 500, 1201 New York Avenue NW., Washington, DC 20005–3917.

(c) The Director shall thereafter publish this version of the opinion.

§ 2638.311 Copies of published formal advisory opinions.

Each designated agency ethics official shall receive a copy of each published opinion. Copies will also be available to the public from the Office of Government Ethics upon request at no more than cost.

§ 2638.312 Referral of requests.

(a) If a designated agency ethics official receives a request for advice from a person and determines that the request may come within the criteria set forth in § 2638.303, he or she shall contact the Office of Government Ethics concerning the request before referring the request to the Office. If after such consultation the Office of Government Ethics determines that the request should be the subject of a formal advisory opinion, the designated agency ethics official shall notify the person making the request of that determination and request the person’s permission to refer the request to the Office of Government Ethics.

(b) If the Director receives a request for an opinion which does not fulfill the criteria set forth in § 2638.303, he or she may:

(1) Furnish informational assistance to the person as provided in § 2638.305(a), or

(2) Refer the request to the appropriate designated agency ethics official.

(c) In all instances covered by paragraphs (a) and (b) of this section, a referral will not be made in the case of questions regarding possible future employment plans of an individual making the request unless he or she is first notified and gives his or her consent or the request itself indicates that such a referral may be made.

§ 2638.313 Agency opinions.

If the designated agency ethics official issues a written opinion concerning the application of 18 U.S.C. 202–209, he or she shall transmit a copy of that opinion to the Office of Government Ethics.

(3) If the Director determines that a deficiency is not being corrected, the Director will issue an Order under paragraph (d) of this section.

§ 2638.501 In general.

(a) Authority. The Director of the Office of Government Ethics has authority under subsections 402(b)(9) and 402(f)(2) of the Act to order corrective and remedial action with respect to individual employees to bring about compliance with applicable ethics provisions. Nothing in this subpart relieves an agency of its primary responsibility to ensure compliance.

(b) Definitions. For the purpose of this subpart:

(1) Ethics provision includes any rule, regulation or executive order relating to conflicts of interest or standards of conduct in the executive branch. The term excludes any statute that is contained in title 18 of the United States Code or which imposes a criminal penalty as well as any statute made applicable to a specific agency that mandates or proscribes conduct not otherwise the subject of Governmentwide standards. It excludes any matter covered by sections 101(k) and (m) of Executive Order 12674 that are within the cognizance of agency Inspectors General, the Office of Special Counsel or the Equal Employment Opportunity Commission.

(2) Employee means any officer or employee, including a special Government employee, covered by any of the provisions contained in part 735 of this title.

(3) Head of an agency, in the case of an agency that is headed by a board, committee or other group of individuals, refers to the employee’s appointing authority.

(4) Corrective action means any action necessary to remedy a violation of an ethics provision including, but not limited to, recusal, divestiture, termination of an activity, restitution, or the creation of a qualified blind or diversified trust.

(5) Disciplinary action includes the full range of disciplinary actions provided for by Office of Personnel Management regulations and instructions implementing authorities contained in title 5 of the United States Code or provided for in comparable authorities applicable to employees not subject to title 5.

(6) The terms he, his and him include “she,” “hers” and “her.”

(c) Violations of criminal statutes. Nothing contained in this part gives the Director or any agency official authority to make a finding that any criminal statute relating to conflicts of interest is being or has been violated. If facts elicited under these procedures indicate that a criminal violation of any such provision is occurring or has occurred, the suspected violation will be referred for possible prosecution in accordance with 28 U.S.C. 535 and the reporting requirements set forth in §2638.603 of this chapter shall apply. Subsequent to referral, proceedings under this subpart may be initiated or continued at the discretion of the Director, after consultation with the appropriate investigatory or prosecutorial authorities.

(d) National security. Proceedings under this subpart shall be conducted in accordance with applicable national security requirements.

§ 2638.502 Recommendations and advice.

The Director may make recommendations and provide advice to agencies, designated agency ethics officials and employees for the purpose of ensuring an employee’s compliance with applicable ethics provisions. This authority may be used where there is doubt or a dispute regarding the applicability of an ethics provision or where the Director has information indicating that an ethics provision is being improperly interpreted. Recommendations may be made or advice provided on the Director’s own initiative or at
§ 2638.503

the Director’s discretion in response to a written or oral request. As determined by the Director, the recommendation may be made or the advice given either orally or in writing. In addition, the Director shall afford an employee the opportunity for personal consultation, if practicable, regarding action required to be taken by the employee to achieve compliance with applicable ethics provisions.

§ 2638.503 Agency investigations.

(a) Recommendation of investigation. If the Director has reason to believe that an employee is violating or has violated any ethics provision, the Director may recommend to the head of the agency that the agency conduct such investigation as is necessary to determine whether, in fact, a violation is occurring or has occurred and, where warranted, take appropriate disciplinary or corrective action. If the matter already has been investigated or if the facts are fully known to the agency and, in the opinion of the agency head, require no further investigation, the head of the agency shall notify the Director of that determination and shall promptly file the agency report required by paragraph (c) of this section.

(b) Initiation of investigation. The head of the agency shall notify the Director when the agency has initiated an investigation. Where it is anticipated that the investigation will not be completed within 60 calendar days, the head of the agency will notify the Director of that fact and provide an explanation reasonably justifying additional time.

(c) Agency report. The head of the agency shall file a report with the Director detailing findings of fact and disciplinary and/or corrective actions taken, if any.

(d) Director’s determination. The Director will make a determination based on the agency investigation and report.

(1) If the Director determines that the agency has conducted an adequate investigation and has taken appropriate corrective and/or disciplinary action, the Director shall notify the agency that the matter is closed.

(2) If the Director determines that the agency has conducted an adequate investigation and has recommended appropriate corrective and/or disciplinary action, the Director shall notify the agency that the matter will be closed upon notification that such action has been taken.

(3) If the Director determines that the agency has not conducted an adequate investigation, the Director may recommend that the agency undertake further investigative effort.

(4) If the Director determines that the agency has improperly interpreted an ethics provision or improperly applied an ethics provision to the facts of the case, the Director may, in accordance with §2638.502, provide advice and recommendations necessary to ensure compliance.

(5) If the Director determines that the agency has improperly interpreted an ethics provision or improperly applied an ethics provision to the facts of the case, the Director may notify the head of the agency of intent to institute proceedings under §2638.504 or §2638.505.

(e) Notice of noncompliance. If the Director determines that the agency has failed to conduct an adequate investigation within a reasonable period of time, the Director shall notify the President of that determination. A Notice of Noncompliance will not be based upon a determination that the agency has improperly interpreted or applied an ethics provision or that the agency has taken or recommended inappropriate corrective or disciplinary action.

§ 2638.504 Director’s finding.

(a) In general. If the Director has reason to believe that an employee is violating or has violated an ethics provision, the Director may initiate proceedings under this section for the purpose of making a finding as to whether there is or has been such a violation. In
the context of such proceedings, the Office of Government Ethics has the burden of proof to establish that the employee is violating or has violated an ethics provision. The procedures contained in this section do not apply to findings or orders for action made to obtain compliance with the financial disclosure requirements in title II of the Ethics Act. For those findings and orders, the procedures contained in section 206 of the Act shall apply.

(b) Investigation. The Director may initiate such investigation as is necessary to determine whether proceedings under this section are warranted. Ordinarily, a determination to proceed will be based upon an agency report of investigation filed under §2638.503(c) and a determination by the Director under §2638.503(d)(5) that the agency has taken or recommended inappropriate corrective or disciplinary action.

(c) Notice. The employee shall be served personally or by United States mail with written notice of commencement of proceedings under this section. A copy of the notice shall be provided to the head of the agency and to the designated agency ethics official. The notice shall be signed by the Director and shall include the following:

(1) A brief statement setting forth the basis for a possible ethics violation;
(2) A copy of this section; and
(3) The date by which the employee's comments must be submitted.

(d) Employee comments. The respondent employee has the right to comment on the alleged violation of an ethics provision by submission of evidence or arguments. As determined by the Director, the submission may be made orally or in writing. In the absence of an extension granted by the Director for good cause shown, comments shall be submitted within the time set forth in the notice.

(e) Finding. The Director will make a written finding as to whether a violation of an ethics provision has occurred or is occurring. The finding will include a statement of the facts upon which the finding is based and a reference to the specific ethics provision in issue. A copy of the finding will be provided to the respondent employee, the head of the agency and the designated agency ethics official.

§ 2638.505 Director's decision and order.

(a) In general. Where the Director has reason to believe that an employee is violating an ethics provision, the Director may, subject to the procedures set forth in this section, issue an order that the employee take specific corrective action to remedy the violation. Ordinarily, a determination to proceed under this paragraph (a) will be based on the Director's finding under §2638.504(e) that an ethics violation has occurred or is occurring and reason to believe that the violation is continuing. The procedures contained in this section do not apply to findings or orders for action made to obtain compliance with the financial disclosure requirements in title II of the Ethics Act. For those findings and orders, the procedures contained in section 206 of the Act shall apply.

(b) Notice. The employee will be served, personally or by United States mail, with notice of proceedings to determine whether a violation of an ethics provision is occurring and whether corrective action is necessary to end the violation. A copy of the notice shall be provided to the head of the employee's agency and the designated agency ethics official thereof. The notice shall specify the employee's right to present evidence or arguments either in writing or, at the employee's written request, at a hearing conducted on the record. The notice shall be signed by the Director and shall include:

(1) A brief statement setting forth the basis for a possible ethics violation;
(2) Where applicable, a copy of the Director's finding under §2638.504(e);
(3) A statement of the authority under which proceedings are to be conducted, together with a copy of this section; and
(4) The date by which the employee must, by written notification to the Director, elect to present evidence and arguments either at a hearing or in writing.

(c) Separation of functions. Once the Director has issued a notice of proceedings and if the respondent employee has elected to have a hearing conducted on the record, the General Counsel of the Office of Government Ethics has the duty to represent the employee in the hearing in the same manner as in the case of an employee represented by counsel. The General Counsel shall conduct the hearing and the findings of the hearing shall be considered in determining whether the employee is violating an ethics provision.

(d) Final decision and order. The final decision and order of the Director shall be issued within ninety days after the second of the dates on which the final statement of evidence or arguments have been submitted, unless the Director determines that an extension of time is necessary for good cause shown. A copy of the final decision and order shall be provided to the employee, the head of the agency, and the designated agency ethics official.
Ethics shall designate attorneys of the Office of Government Ethics to participate on behalf of the Office in the proceedings, including the investigation and presentation of the evidence at the hearing. During this time period, the General Counsel of the Office of Government Ethics shall serve as Advisor to the Director and will not supervise Office of Government Ethics attorneys who are charged with the investigation and presentation of the evidence in the pending matter. A Deputy General Counsel shall supervise the Office attorneys responsible for the investigation and presentation of the evidence during this time period. No officer, employee, or agent engaged in the performance of investigative or advocacy functions for the Office of Government Ethics shall, in that or a factually related case, participate or advise in the decision, recommended decision or Office review except as witness or counsel in the proceedings. The Deputy General Counsel may request the views or report of the designated agency ethics official of the employee's agency when necessary to develop the record.

(d) Written submissions. Where the respondent employee elects to submit evidence and arguments in writing, he will be given a period of 30 calendar days from the date of the notice within which to make a submission.

(e) Hearings. If the respondent employee demands a hearing conducted on the record, he will be given a period of 30 calendar days from the date of the notice of the time and place of the hearing. The hearing will be convened within a reasonable period of time and will be conducted on the record. An administrative law judge who has been appointed under 5 U.S.C. 3105 shall act as the presiding official at the hearing. Hearings will be informal as may be reasonably appropriate under all the circumstances. Evidence and testimony, although not ordinarily admissible under rules of evidence, may be received subject to the discretion of the administrative law judge. Immaterial, irrelevant or unduly repetitious evidence may be excluded. The parties may stipulate as to any facts or testimony. The testimony of witnesses shall be under oath and witnesses shall be subject to cross-examination. The administrative law judge shall make such rulings with respect to the conduct of the hearings as circumstances may require to ensure the orderly and expeditious presentation of evidence in a manner fair to the parties and consistent with these regulations and requirements of due process of law. The following procedures will apply to the hearing:

(1) Conference. The respondent employee or the designated attorney for the Office of Government Ethics may request, and the administrative law judge, on his own initiative or in response to a request, may set a prehearing conference for such purposes as the administrative law judge deems necessary.

(2) Public hearings. Hearings shall generally be open to the public. However, the administrative law judge may order a hearing or any part thereof closed, on his own initiative or upon motion of a party or other affected person, where to do so would be in the best interests of national security, the respondent employee, a witness, the public or other affected persons. Unless specifically excluded by the administrative law judge, the designated agency ethics official of the employee's agency shall be permitted to attend a closed hearing. Any order closing the hearing or any part thereof shall set forth the reasons for the administrative law judge's decision. Any objections thereto shall be made a part of the record. If a party or affected person's request to close the hearing or any part thereof is denied by the administrative law judge, that request shall be immediately appealable to the Director and the hearing shall be held in abeyance pending resolution of the appeal. The notice of appeal shall be filed in writing, not to exceed 10 pages exclusive of attachments, with the Director within 3 working days of the administrative law judge's denial of the request. The Director shall provide an opportunity for an oral hearing on the appeal conducted on the record and shall decide the appeal within 3 working days following receipt of the notice of appeal.

(3) Continuances and delays. The authority to adjourn the hearing shall rest with the administrative law judge.
Continuances will be allowed only for the most compelling reasons.

(4) Hearing record. Testimony and arguments shall be recorded verbatim and preserved for a reasonable period of time. When requested, transcripts of the testimony and arguments and copies of all documentary exhibits will be made available to the respondent employee upon the payment of the reasonable costs thereof.

(5) Representation. A party is entitled to appear in person or by or with counsel.

(6) Witnesses. The administrative law judge does not have the authority to subpoena witnesses. However, the respondent employee and the Office of Government Ethics may call witnesses whose testimony is relevant and necessary to the proceedings. Witnesses who are to testify or to produce documents in their official capacities will be assigned to do so by their agencies pursuant to 5 U.S.C. 6322 and will be paid travel expenses under 5 U.S.C. 5702. Witnesses who are not Federal employees may be issued invitational travel orders under 5 U.S.C. 5703 based on a determination by the administrative law judge that their testimony is essential to the proceedings.

(7) Proof. The Office of Government Ethics has the burden of proof to establish that the respondent employee is committing a violation of an ethics provision and that corrective action is necessary to end the violation.

(8) Evidence. A party is entitled to present his case or defense by oral or documentary evidence, to submit rebuttal evidence, and to conduct cross-examination. The respondent employee and the designated attorney for the Office of Government Ethics may offer evidence, arguments, testimony of witnesses, affidavits or sworn statements.

(f) Recommended decision. At the conclusion of the hearing, the administrative law judge may request that the parties submit proposed findings and conclusions within a reasonable period of time. After receipt of the proposed findings and conclusions, if any, the administrative law judge shall certify the entire record to the Director for decision. When so certifying the record, the administrative law judge shall make a recommended decision that includes his written findings of fact and conclusions of law with respect to material issues.

(g) Decision and order. The Director's decision shall include written findings and conclusions with respect to all material issues and shall be supported by substantial evidence of record. The order shall state the corrective action, if any, to be taken by the respondent employee in order to remedy a violation of an ethics provision and shall establish a reasonable period of time within which the respondent employee must commence and complete the corrective action. A copy of the decision and order shall be furnished to the respondent employee and to the head of the agency and the designated agency ethics official, or where the respondent employee is the head of an agency, to the President.

(1) Preliminary to issuing a decision and order, the Director may request that comments on the recommended decision be provided by the designated agency ethics official of the employee's agency.

(2) Where the respondent employee has elected to have a hearing conducted on the record, the Director shall issue a decision and order as soon as practicable following receipt of the certified record and the administrative law judge's recommended decision.

(3) Where the respondent employee has elected to make a written submission under paragraph (d) of this section or has chosen to make no submission and has not requested a hearing, the Director will issue a decision and order as soon as practicable following receipt of all materials of record.

(4) In addition to the decision and order and any finding issued under §2638.504(e), the record will include, where applicable, all written submission under §2638.504(d) and §2638.505(d), a record of the hearing, all documentary evidence introduced at the hearing, any proposed findings and conclusions submitted by the parties and the administrative law judge's recommended decision.

(h) Compliance with the order. The respondent employee shall comply with the Director's order by commencing and completing the corrective action within the time specified in the order.
§ 2638.506 Director's recommendation.

(a) Where the Director has made a finding under §2638.504(e) or has issued a decision and order under §2638.505(g) that an ethics provision is being or has been violated, the Director may recommend to the head of the respondent employee's agency that appropriate disciplinary action be taken. If the respondent employee is the head of an agency, the Director shall make any such recommendation to the President and the procedures contained in this section will serve as guidance only.

(b) Agency response. Within the time specified by the Director in his recommendation, the head of the agency shall notify the Director in writing of the action taken. If the action cannot be accomplished within the time specified, the head of the agency shall notify the Director in writing of the time needed for the action to be taken, and, thereafter, will provide appropriate notice of the disciplinary action taken.

(c) Notice of noncompliance. If the Director determines that the head of an agency has not taken appropriate disciplinary action within a reasonable period of time after the Director has recommended such action, the Director may notify the President of that determination in writing.

and employees, including possible violations of 18 U.S.C. 207 by former officers and employees. Guidelines issued by the Attorney General require reporting of such allegations or complaints to the local office of the appropriate investigative agency, the United States Attorney for the district in which the violation occurred or is occurring and the appropriate division of the Department of Justice.

(b) Report of referral. When any matter involving an alleged violation of Federal conflict of interest law is referred pursuant to 28 U.S.C. 535, the agency shall concurrently notify the Director of the Office of Government Ethics of the referral and provide a copy of the referral document, unless such notification or disclosure would otherwise be prohibited by law.

(c) Disposition reports. (1) Where there has been notice that the matter reported under paragraph (b) of this section will not be prosecuted, the agency shall promptly notify the Director of that fact, the date of the decision and any disciplinary or corrective action initiated, taken or to be taken by the agency.

(2) When the agency is notified or learns from the Department of Justice that an indictment has been handed up and signed or an information has been filed, the agency shall promptly report that fact to the Director. Thereafter, the agency shall promptly notify the Director of the final disposition of the prosecution and of any disciplinary or corrective action initiated, taken or to be taken by the agency.

(3) When disciplinary or corrective action is initiated or is to be taken, the agency will notify the Director of the final disposition of the matter.

Subpart G—Executive Agency Ethics Training Programs

SOURCE: 57 FR 11890, Apr. 7, 1992, unless otherwise noted.

§ 2638.701 Executive agency ethics training programs; generally.

Each executive branch agency shall maintain a program of ethics training designed to ensure that all of its employees are aware of the Federal conflict of interest statutes, located at chapter 11 of title 18 of the United States Code; the Principles of Ethical Conduct, found in part I of Executive Order 12674, as modified; the Standards of Ethical Conduct for Employees of the Executive Branch, codified at 5 CFR part 2635, and any agency supplemental regulation thereto; and how to contact agency ethics officials when the employee needs advice concerning ethics issues. As a minimum, each agency program shall consist of the initial ethics orientation required by §2638.703 of this subpart and the annual ethics briefing required by §2638.704 of this subpart. For purposes of this subpart, the term “employee” shall include special Government employees (as defined in 18 U.S.C. 202(a)) and officers of the uniformed services.

§ 2638.702 Responsibilities of the designated agency ethics official; review by the Office of Government Ethics.

It shall be the responsibility of the designated agency ethics official of each executive agency or his or her designee to make any written determinations provided for in this subpart and to:

(a) Direct the agency ethics training program to ensure that it meets the requirements of E.O. 12674 (as modified by E.O. 12731) and of this subpart and that the course content is legally correct;

(b) Ensure the availability of qualified individuals to meet the annual ethics briefing requirements of §2638.704 of this subpart. For the purposes of this subpart, the following shall be considered qualified individuals:

(1) The designated agency ethics official described in §2638.201;

(2) The alternate agency ethics official described in §2638.202(b);

(3) A deputy ethics official described in §2638.204;

(4) Any employee of the Office of Government Ethics whose services are made available by the Office of Government Ethics; and
§ 2638.703 Initial agency ethics orientation.

(a) Each new agency employee who enters on duty shall, within 90 days of the date of his or her entrance on duty, be given:

(1) Except as provided in paragraph (b) of this section, a copy of part 2635 of this chapter, Standards of Ethical Conduct for Employees of the Executive Branch, and any supplemental regulation of the concerned agency;

(2) The names, titles, office addresses, and telephone numbers of the Designated Agency Ethics Official and other agency ethics officials available to answer questions regarding the employee’s ethical responsibilities; and

(3) A minimum of one hour of official duty time for the purpose of permitting the employee to review the written materials furnished pursuant to this section. If the agency provides verbal ethics training during official duty time, including a verbal ethics briefing provided in accordance with §2638.704(d) of this subpart, or a nominee or other new entrant receives verbal ethics training provided by the Office of Government Ethics or the White House Office, the period of official duty time set aside

(5) An individual determined by the designated agency ethics official or his or her designee to possess sufficient familiarity with the conflict of interest statutes and standards of ethical conduct regulations applicable to agency employees to respond to routine questions raised during briefing; and

(c) Develop each year a written plan for annual ethics training to be conducted by the agency. The written plan for annual ethics training shall be completed by the beginning of the calendar year covered by the plan. In developing their written plans for annual ethics training, agencies shall coordinate with OGE where necessary. The plan shall contain a brief narrative description of the agency’s annual ethics training, and shall also include:

(1) An estimate of the total number of agency employees who will be provided annual ethics briefings, including:

(A) An estimate of the number of public filers to whom annual ethics briefings will be presented verbally with a qualified individual present in accordance with §2638.704(d)(2)(ii) of this subpart;

(B) An estimate of the number of public filers to whom annual ethics briefings will be presented under the exception provided at §2638.704(d)(2)(iii)(A) of this subpart; and

(C) An estimate of the number of special Government employees who are public filers to whom the annual ethics briefing will be presented in accordance with the exception provided at §2638.704(d)(2)(iii)(B) of this subpart; and

(ii) An estimate of the number of covered employees other than public filers described in §2638.704(b)(3) of this subpart who must be provided annual ethics briefings, including:

(A) An estimate of the number of covered employees who will receive a verbal annual ethics briefing in accordance with the exception provided at §2638.704(d)(3)(iii)(A) of this subpart;

(D) An estimate of the number of special Government employees and the number of officers in the uniformed services who will receive a written ethics briefing in accordance with the exceptions provided at §2638.704(d)(3)(iii)(B) and (d)(3)(iii)(C) of this subpart; and

(E) An estimate of the number of covered employees who will receive a written ethics briefing in accordance with the exception provided at §2638.704(d)(3)(iii)(D) of this subpart; and

(2) Any other information that the designated agency ethics official believes will facilitate OGE’s review of the agency’s ethics training program.

for individual review may be reduced by the time spent in such training. (b) An agency may meet the requirement of paragraph (a)(1) of this section by:

(1) Furnishing each employee a copy of the Standards of Ethical Conduct for Employees of the Executive Branch at part 2635 of this chapter, and any supplemental regulation of the concerned agency, for the purposes of review only, provided that copies of the complete text of part 2635 and any supplemental regulation of the concerned agency are retained and readily accessible in the employee's immediate office for use by several employees; or

(2) Providing each employee with materials that summarize part 1 of Executive Order 12674, as modified by Executive Order 12731, 3 CFR, 1990 Comp., p. 306, the Standards of Ethical Conduct for Employees of the Executive Branch at part 2635 of this chapter, and any supplemental regulation of the concerned agency. To ensure that all employees have access to all of the information contained in these documents, an agency using this alternative must ensure that copies of the complete text of part 2635 and the agency's supplemental regulation thereto (if any) are retained and readily accessible in the employees' immediate office area.

§ 2638.704 Annual ethics briefings.

(a) Annual ethics briefings. Executive branch agencies must provide each employee identified in paragraph (b) of this section with an ethics briefing every calendar year. This briefing must meet the content requirements contained in paragraph (c) of this section and the presentation requirements contained in paragraph (d) of this section.

(b) Employees covered. Executive branch agency employees to whom this section applies include all of the following:

(1) Employees appointed by the President;

(2) Employees employed within the Executive Office of the President;

(3) Employees required to file public financial disclosure reports under part 2634 of this chapter;

(4) Employees required to file confidential (nonpublic) financial disclosure reports under subpart I of part 2634 of this chapter or any supplemental regulation or addendum of the concerned agency (agency employees who are excluded from the confidential financial disclosure requirements through the use of an alternative procedure approved by the Office of Government Ethics pursuant to §2634.905(c) of this chapter must also receive annual ethics briefings from their agency pursuant to this paragraph);

(5) Contracting officers within the meaning of 41 U.S.C. 423(f)(5); and

(6) Other agency employees designated by the head of the agency or his or her designee based on a determination that such briefings are desirable in view of their particular official duties.

(c) Content. Agencies are encouraged to vary the emphasis and content of annual agency ethics briefings from year to year as necessary within the context of their ethics programs. The emphasis and content are generally a matter of each agency's sole discretion. However, each briefing must include, as a minimum:

(1) A reminder of the employees' responsibilities under part I of Executive Order 12674, as modified, the Standards of Ethical Conduct for Employees of the Executive Branch, part 2635 of this chapter, and any supplemental regulation thereto by the concerned agency;

(2) A reminder of the employees' responsibilities under the conflict of interest statutes contained in 18 U.S.C. chapter 11; and

(3) The names, titles, office addresses, and telephone numbers of the designated agency ethics official and other agency ethics officials available to answer questions regarding the employees' ethical responsibilities.

(d) Presentation. The annual ethics briefing shall be presented in accordance with the following requirements:

(1) A qualified individual, as defined in §2638.702(b) of this subpart, shall:

(i) Present the briefing, if the briefing is presented in person;
(ii) Prepare the recorded materials or presentation, if the briefing is presented by telecommunications, computer-based methods or recorded means; or

(iii) Prepare the written ethics briefing, if the annual ethics briefing requirement is satisfied through the use of a written ethics briefing in accordance with paragraphs (d)(2)(iii)(A)(2), (d)(2)(iii)(B), (d)(3)(i) or (d)(3)(iii) of this section.

(2) Annual briefings for filers of public financial disclosure reports. (i) The annual ethics briefings for covered employees described at paragraph (b)(3) of this section shall be verbal, either in person or by telecommunications, computer-based methods or recorded means. Employees must be provided a minimum of one hour of official duty time for this briefing.

(ii) A qualified individual, as defined in § 2638.702(b) of this subpart, shall be present during and immediately following the presentation. The qualified individual need not be physically present at the training site to meet this requirement. To meet the "presence" requirement, the covered employees receiving the briefing must have direct and immediate access to the qualified individual.

Example 1 to paragraph (d)(2)(ii): An agency provides annual ethics briefings for public filers in a regional office by establishing a video conference link between a qualified individual in the headquarters office and the regional office. Because the link provides for direct and immediate communication between the qualified individual and the employees receiving the briefing, this arrangement fulfills the physical presence requirement because the employees receiving the briefing have direct and immediate access to a qualified individual.

Example 3 to paragraph (d)(2)(ii): The physical presence requirement would not be met if the facts of Example 2 were varied so that the employees receiving the briefing did not have immediate access to the qualified individual, either because there was no phone provided at the training site or because the qualified individual was not standing by to respond to any questions raised. Merely providing the phone number of the qualified individual, without providing access to that individual who is standing by to answer questions raised during the briefing, does not provide the employees receiving the training with the direct and immediate access to the qualified individual necessary to satisfy the presence requirement.

(iii) Exceptions. An agency may provide the annual ethics briefing for employees described in paragraph (b)(3) of this section by means other than as specified in paragraphs (d)(2)(i) and (d)(2)(ii) of this section only under the following circumstances:

(A) Where the Designated Agency Ethics Official, or his or her designee, has made a written determination that circumstances make it impractical to provide the annual verbal ethics briefing with a qualified individual present, to a particular employee or group of employees in accordance with paragraphs (d)(2)(i) and (d)(2)(ii) of this section. In such cases, the annual ethics briefing may be provided without the presence of a qualified individual, provided that a minimum of one hour of official duty time is set aside for employees to attend the presentation or review the written materials, either by:

(1) Telecommunications, computer-based methods or recorded means; or

(2) Written means.

Example 1 to paragraph (d)(2)(iii)(A): The State Department has one public filer (the Ambassador) in the American Embassy in Ulan Bator, Mongolia. Because of the difference in time zones and the uncertainty of an ambassador's schedule, the designated agency ethics
official for the State Department is justified in making a written determination that circumstances make it impractical to provide the annual ethics training as a verbal briefing, either with or without the presence of a qualified individual. The required annual ethics briefing can therefore be provided by written means in accordance with §2638.704(d)(2)(iii)(A)(2). Note that an initial ethics orientation provided in the same calendar year in accordance with §2638.703 of this subpart will meet this annual written ethics briefing requirement, provided the materials meet the content requirements stated at paragraph (c) of this section.

(B) In the case of special Government employees who are covered employees under paragraph (b)(3) of this section, an agency may (without the presence of a qualified individual) provide the annual ethics briefing by written or other means at the agency's discretion, provided that a minimum of one hour of official duty time is set aside for employees to attend the presentation or review the written materials.

(3) Annual ethics briefings for all other covered employees. (i) An agency may satisfy the annual ethics briefing requirement for covered employees other than those described at paragraph (b)(3) of this section for up to two out of every three calendar years through the distribution of a written ethics briefing to those employees. In such case, while not required to provide a minimum of one hour of official duty time, an agency must provide employees receiving their annual ethics briefings under this paragraph with sufficient official duty time to review the written materials provided. Note that an initial ethics orientation provided in the same calendar year in accordance with §2638.703 of this subpart will meet this annual ethics briefing requirement (as well as that of §2638.704(d)(3)(iii) of this section), provided the materials meet the content requirements stated at paragraph (c) of this section.

(ii) Except as permitted under paragraph (d)(3)(iii) of this section, the ethics briefing for covered employees other than those described at paragraph (b)(3) of this section shall be presented verbally at least once every three years, either in person or by telecommunications, computer-based methods or recorded means. Employees must be provided a minimum of one hour of official duty time for this verbal briefing. Unlike the annual ethics briefing described at paragraph (d)(2) of this section, for covered employees described at paragraph (b)(3) of this section, a qualified individual need not be present during and immediately following the verbal presentation provided under this paragraph.

(iii) Exceptions. An agency can provide covered employees receiving their annual ethics briefings under this paragraph (d)(3) with written briefings only, in accordance with paragraph (d)(3)(ii) of this section, every year without the verbal ethics briefing as described at paragraph (d)(3)(ii) of this section at least once in any three calendar year period, under the following circumstances:

(A) Where the Designated Agency Ethics Official, or his or her designee, has made a written determination that circumstances make it impractical to provide an ethics briefing verbally once every three calendar years to a particular employee or group of employees in accordance with paragraph (d)(3)(ii) of this section;

(B) In the case of special Government employees who are expected to work fewer than 60 days in a calendar year;

(C) In the case of officers in the uniformed services who serve on active duty for 30 or fewer consecutive days; or

(D) Where a particular employee or group of employees are covered employees solely because of agency discretionary designation pursuant to paragraph (b)(6) of this section.
Subpart A—General Provisions

§ 2640.101 Purpose.

18 U.S.C. 208(a) prohibits an officer or employee of the executive branch, of any independent agency of the United States, of the District of Columbia, or Federal Reserve bank director, officer, or employee, or any special Government employee from participating in an official capacity in particular matters in which he has a personal financial interest, or in which certain persons or organizations with which he is affiliated have a financial interest. The statute is intended to prevent an employee from allowing personal interests to affect his official actions, and to protect governmental processes from actual or apparent conflicts of interests. However, in certain cases, the nature and size of the financial interest and the nature of the matter in which the employee would act are unlikely to affect an employee's official actions. Accordingly, the statute permits waivers of the disqualification provision in certain cases, either on an individual basis or pursuant to general regulation. Section 208(b)(2) provides that the Director of the Office of Government Ethics may, by regulation, exempt from the general prohibition, financial interests which are too remote or too inconsequential to affect the integrity of the services of the employees to which the prohibition applies. The regulations in this part describe those financial interests. This part also provides guidance to agencies on the factors to consider when issuing individual waivers under 18 U.S.C. 208(b)(1) or (b)(3), and provides an interpretation of 18 U.S.C. 208(a).

5 CFR Ch. XVI (1-1-98 Edition)
agency of the United States, a Federal Reserve bank director, officer, or employee, or an officer or employee of the District of Columbia. The term also includes a special Government employee as defined in 18 U.S.C. 202.

(c) Employee benefit plan means a plan as defined in section 3(3) of the Employee Retirement Income Security Act of 1974, 29 U.S.C. 1002(3), and that has more than one participant. An employee benefit plan is any plan, fund or program established or maintained by an employer or an employee organization, or both, to provide its participants medical, disability, death, unemployment, or vacation benefits, training programs, day care centers, scholarship funds, prepaid legal services, deferred income, or retirement income.

(d) He, his, and him include she, hers, and her.

(e) Holdings means portfolio of investments.

(f) Independent trustee means a trustee who is independent of the sponsor and the participants in a plan, or is a registered investment advisor.

(g) Institution of higher education means an educational institution as defined in 20 U.S.C. 1141(a).

(h) Issuer means a person who issues or proposes to issue any security, or has any outstanding security which it has issued.

(i) Long-term Federal Government security means a bond or note, except for a U.S. Savings bond, with a maturity of more than one year issued by the United States Treasury pursuant to 31 U.S.C. chapter 31.

(j) Municipal security means direct obligation of, or obligation guaranteed as to principal or interest by, a State (or any of its political subdivisions, or any municipal corporate instrumentality of one or more States), or the District of Columbia, Puerto Rico, the Virgin Islands, or any other possession of the United States.

(k) Mutual fund means an entity which is registered as a management company under the Investment Company Act of 1940, as amended (15 U.S.C. 80a–1 et seq.). For purposes of this part, the term mutual fund includes open-end and closed-end mutual funds and registered money market funds.

(l) Particular matter involving specific parties includes any judicial or other proceeding, application, request for a ruling or other determination, contract, claim, controversy, investigation, charge, accusation, arrest or other particular matter involving a specific party or parties. The term typically involves a specific proceeding affecting the legal rights of the parties, or an isolatable transaction or related set of transactions between identified parties.

(m) Particular matter of general applicability means a particular matter that is focused on the interests of a discrete and identifiable class of persons, but does not involve specific parties.

(n) Pension plan means any plan, fund or program maintained by an employer or an employee organization, or both, to provide retirement income to employees, or which results in deferral of income for periods extending to, or beyond, termination of employment.

(o) Person means an individual, corporation, company, association, firm, partnership, society or any other organization or institution.

(p) Publicly traded security means a security as defined in paragraph (r) of this section and which is:

1. Registered with the Securities and Exchange Commission pursuant to section 12 of the Securities Exchange Act of 1934 (15 U.S.C. 78l) and listed on a national or regional securities exchange or traded through NASDAQ;

2. Issued by an investment company registered pursuant to section 8 of the Investment Company Act of 1940, as amended (15 U.S.C. 80a–8); or

Note to paragraph (p): National securities exchanges include the American Stock Exchange and the New York Stock Exchange. Regional exchanges include Boston, Cincinnati, Intermountain (Salt Lake City), Midwest (Chicago), Pacific (Los Angeles and San Francisco), Philadelphia (Philadelphia and Miami), and Spokane stock exchanges.

(q) Sector mutual fund means a mutual fund that concentrates its investments in an industry, business, single
§ 2640.103 Prohibition.

(a) Statutory prohibition. Unless permitted by 18 U.S.C. 208(b) (1)-(4), an employee is prohibited by 18 U.S.C. 208(a) from participating personally and substantially in an official capacity in any particular matter in which, to his knowledge, he or any other person specified in the statute has a financial interest, if the particular matter will have a direct and predictable effect on that interest. The restrictions of 18 U.S.C. 208 are described more fully in 5 CFR 2635.401 and 2635.402.

(1) Particular matter. The term “particular matter” includes only matters that involve deliberation, decision, or action that is focused upon the interests of specific persons, or a discrete and identifiable class of persons. The term may include matters which do not involve formal parties and may extend to legislation or policy making that is narrowly focused on the interests of a discrete and identifiable class of persons. It does not, however, cover consideration or adoption of broad policy options directed to the interests of a large and diverse group of persons. The particular matters covered by this part include a judicial or other proceeding, application or request for a ruling or other determination, contract, claim, controversy, charge, accusation or arrest.

Example 1: The Overseas Private Investment Corporation decides to hire a contractor to conduct EEO training for its employees. The award of a contract for training services is a particular matter.

Example 2: The spouse of a high level official of the Internal Revenue Service (IRS) requests a meeting on behalf of her client (a major U.S. corporation) with IRS officials to discuss a provision of IRS regulations governing depreciation of equipment. The spouse will be paid a fee by the corporation for arranging and attending the meeting. The consideration of the spouse’s request and the decision to hold the meeting are particular matters in which the spouse has a financial interest.

Example 3: A regulation published by the Department of Agriculture applicable only to companies that operate meat packing plants is a particular matter.

Example 4: A change by the Department of Labor to health and safety regulations applicable to all employers in the United States is not a particular matter. The change in the regulations is directed to the interests of a large and diverse group of persons.

Example 5: The allocation of additional resources to the investigation and prosecution of white collar crime by the Department of Justice is not a particular matter. Similarly, deliberations on the general merits of an omnibus bill such as the Tax Reform Act of 1986 are not sufficiently focused on the interests of specific persons, or a discrete and identifiable group of persons to constitute participation in a particular matter.

Example 6: The recommendations of the Council of Economic Advisors to the President about appropriate policies to maintain economic growth and stability are not particular matters. Discussions about economic growth policies are directed to the interests of a large and diverse group of persons.

Example 7: The formulation and implementation of the response of the United States to the military invasion of a U.S. ally is not a particular matter. General deliberations, decisions and actions concerning a response are based on a consideration of the political, military, diplomatic and economic interests of every sector of society and are too diffuse to be focused on the interests of specific individuals or entities. However, at the time consideration is given to actions focused on specific individuals or entities, or a discrete and identifiable class of individuals or entities, the matters under consideration would...
be particular matters. These would include, for example, discussions whether to close a particular oil pumping station or pipeline in the area where hostilities are taking place, or a decision to seize a particular oil field or oil tanker.

Example 8: An attorney at the United States Department of Justice is working on a case in which several large companies are defendants. If the Department wins the case, the defendants may be required to reimburse the Federal Government for their failure to adequately perform work under several contracts with the Government. The attorney’s spouse is a salaried employee of one of the companies, working in a division that has no involvement in any of the contracts. She does not participate in any bonus or benefit plans tied to the profitability of the company, nor does she own stock in the company. Because there is no evidence that the case will have a direct and predictable effect on whether the spouse will retain her job or maintain the level of her salary, or whether the company will undergo any reorganization that would affect her interests, the attorney would not have a disqualifying financial interest in the matter. However, the attorney must consider, under the requirements of §2635.502 of this chapter, whether his impartiality would be questioned if he continues to work on the case.

Office of Government Ethics §2640.103

Example 2: A legislative proposal for broad health care reform is not a particular matter because it is not focused on the interests of specific persons, or a discrete and identifiable class of persons. It is intended to affect every person in the United States. However, consideration and implementation, through regulations, of a section of the health care bill limiting the amount that can be charged for prescription drugs is sufficiently focused on the interests of pharmaceutical companies that it would be a particular matter.

(2) Personal and substantial participation. To participate “personally” means to participate directly. It includes the direct and active supervision of the participation of a subordinate in the matter. To participate “substantially” means that the employee’s involvement is of significance to the matter. Participation may be substantial even though it is not determinative of the outcome of a particular matter. However, it requires more than official responsibility, knowledge, perfunctory involvement, or involvement on an administrative or peripheral issue. A finding of substantiality should be based not only on the effort devoted to the matter, but also on the importance of the effort. While a series of peripheral involvements may be insignificant, the single act of approving or participating in a critical step may be substantial. Personal and substantial participation may occur when, for example, an employee participates through decision, approval, disapproval, recommendation, investigation or the rendering of advice in a particular matter.

Example 1: An agency’s Office of Enforcement is investigating the allegedly fraudulent marketing practices of a major corporation. One of the agency’s personnel specialists is asked to provide information to the Office of Enforcement about the agency’s personnel ceiling so that the Office can determine whether new employees can be hired to work on the investigation. The employee personnel specialist owns $10,000 worth of stock in the corporation that is the target of the investigation. She does not have a disqualifying financial interest in the matter (the investigation and possible subsequent enforcement proceedings) because her involvement is on a peripheral personnel issue and her participation cannot be considered “substantial” as defined in the statute.

(3) Direct and predictable effect. (i) A particular matter will have a “direct” effect on a financial interest if there is a close causal link between any decision or action to be taken in the matter and any expected effect of the matter on the financial interest. An effect may be direct even though it does not occur immediately. A particular matter will not have a direct effect on a financial interest, however, if the chain of causation is attenuated or is contingent upon the occurrence of events that are speculative or that are independent of, and unrelated to, the matter. A particular matter that has an effect on a financial interest only as a consequence of its effects on the general economy does not have a direct effect within the meaning of this part.

(ii) A particular matter will have a “predictable” effect if there is a real, as opposed to a speculative, possibility that the matter will affect the financial interest. It is not necessary, however, that the magnitude of the gain or loss be known, and the dollar amount of the gain or loss is immaterial.

Example 1: An agency’s Office of Enforcement is investigating the allegedly fraudulent marketing practices of a major corporation. One of the agency’s personnel specialists is asked to provide information to the Office of Enforcement about the agency’s personnel ceiling so that the Office can determine whether new employees can be hired to work on the investigation. The employee personnel specialist owns $10,000 worth of stock in the corporation that is the target of the investigation. She does not have a disqualifying financial interest in the matter (the investigation and possible subsequent enforcement proceedings) because her involvement is on a peripheral personnel issue and her participation cannot be considered “substantial” as defined in the statute.

Example 2: A legislative proposal for broad health care reform is not a particular matter because it is not focused on the interests of specific persons, or a discrete and identifiable class of persons. It is intended to affect every person in the United States. However, consideration and implementation, through regulations, of a section of the health care bill limiting the amount that can be charged for prescription drugs is sufficiently focused on the interests of pharmaceutical companies that it would be a particular matter.

Example 8: An attorney at the United States Department of Justice is working on a case in which several large companies are defendants. If the Department wins the case, the defendants may be required to reimburse the Federal Government for their failure to adequately perform work under several contracts with the Government. The attorney’s spouse is a salaried employee of one of the companies, working in a division that has no involvement in any of the contracts. She does not participate in any bonus or benefit plans tied to the profitability of the company, nor does she own stock in the company. Because there is no evidence that the case will have a direct and predictable effect on whether the spouse will retain her job or maintain the level of her salary, or whether the company will undergo any reorganization that would affect her interests, the attorney would not have a disqualifying financial interest in the matter. However, the attorney must consider, under the requirements of §2635.502 of this chapter, whether his impartiality would be questioned if he continues to work on the case.

Example 2: A special Government employee (SGE) whose principal employment is as a researcher at a major university is appointed to serve on an advisory committee that will evaluate the safety and effectiveness of a new medical device to regulate arrhythmic heartbeats. The device is being developed by
Alpha Medical Inc., a company which also has contracted with the SGE’s university to assist in developing another medical device related to kidney dialysis. There is no evidence that the advisory committee’s determinations concerning the medical device under review will affect Alpha Medical’s contract with the university to develop the kidney dialysis device. The SGE may participate in the committee’s deliberations because those deliberations will not have a direct and predictable effect on the financial interests of the researcher or his employer.

Example 3: The SGE in the preceding example is instead asked to serve on an advisory committee that has been convened to conduct a preliminary evaluation of the new kidney dialysis device developed by Alpha Medical under contract with the employee’s university. Alpha’s contract with the university requires the university to undertake additional testing of the device to address issues raised by the committee during its review. The committee’s actions will have a direct and predictable effect on the university’s financial interest.

Example 4: An engineer at the Environmental Protection Agency (EPA) was formerly employed by Waste Management, Inc., a corporation subject to EPA’s regulations concerning the disposal of hazardous waste materials. Waste Management is a large corporation, with less than 5% of its profits derived from handling hazardous waste materials. The engineer has a vested interest in a defined benefit pension plan sponsored by Waste Management, which guarantees that he will receive payments of $500 per month beginning at age 62. As an employee of EPA, the engineer has been assigned to evaluate Waste Management’s compliance with EPA’s hazardous waste regulations. There is no evidence that the engineer’s monitoring activities will affect Waste Management’s ability or willingness to pay his pension benefits when he is entitled to receive them at age 62. Therefore, the EPA’s monitoring activities will not have a direct and predictable effect on the employee’s financial interest in his Waste Management pension. However, the engineer should consider whether, under the standards set forth in 5 CFR 2635.502, a reasonable person would question his impartiality if he acts in a matter in which Waste Management is a party.

(b) Disqualifying financial interests. For purposes of 18 U.S.C. 208(a) and this section, the term financial interest means the potential for gain or loss to the employee, or other person specified in section 208, as a result of governmental action on the particular matter. The disqualifying financial interest might arise from ownership of certain financial instruments or investments such as stock, bonds, mutual funds, or real estate. Additionally, a disqualifying financial interest might derive from a salary, indebtedness, job offer, or any similar interest that may be affected by the matter.

Example 1: An employee of the Department of the Interior owns transportation bonds issued by the State of Minnesota. The proceeds of the bonds will be used to fund improvements to certain State highways. In her official position, the employee is evaluating an application from Minnesota for a grant to support a State wildlife refuge. The employee’s ownership of the transportation bonds does not create a disqualifying financial interest in Minnesota’s application for wildlife funds because approval or disapproval of the grant will not in any way affect the current value of the bonds or have a direct and predictable effect on the State’s ability or willingness to honor its obligation to pay the bonds when they mature.

Example 2: An employee of the Bureau of Land Management owns undeveloped land adjacent to Federal lands in New Mexico. A portion of the Federal land will be leased by the Bureau to a mining company for exploration and development, resulting in an increase in the value of the surrounding privately owned land, including that owned by the employee. The employee has a financial interest in the lease of the Federal land to the mining company and, therefore, cannot participate in Bureau matters involving the lease unless he obtains an individual waiver pursuant to 18 U.S.C. 208(b)(1).

Example 3: A special Government employee serving on an advisory committee studying the safety and effectiveness of a new arthritis drug is a practicing physician with a specialty in treating arthritis. The drug being studied by the committee would be a low cost alternative to current treatments for arthritis. If the drug is ultimately approved, the physician will be able to prescribe the less expensive drug. The physician does not own stock in, or hold any position, or have any business relationship with the company developing the drug. Moreover, there is no indication that the availability of a less expensive treatment for arthritis will increase the volume and profitability of the doctor’s private practice. Accordingly, the physician has no disqualifying financial interest in the actions of the advisory committee.

(c) Interests of others. The financial interests of the following persons will serve to disqualify an employee to the same extent as the employee’s own interests:

(1) The employee’s spouse;
(2) The employee’s minor child;
(3) The employee’s general partner;
§ 2640.103

Office of Government Ethics

(4) An organization or entity which the employee serves as officer, director, trustee, general partner, or employee; and

(5) A person with whom the employee is negotiating for, or has an arrangement concerning, prospective employment.

Example 1: An employee of the Consumer Product Safety Commission (CPSC) has two minor children who have inherited shares of stock from their grandparents in a company that manufactures small appliances. Unless an exemption is applicable under §2640.202 or he obtains a waiver under 18 U.S.C. 208(b)(1), the employee is disqualified from participating in a CPSC proceeding to require the manufacturer to remove a defective appliance from the market.

Example 2: A newly appointed employee of the Department of Housing and Urban Development (HUD) is a general partner with three former business associates in a partnership that owns a travel agency. The employee knows that his three general partners are also partners in another partnership that owns a HUD-subsidized housing project. Unless he receives a waiver pursuant to 18 U.S.C. 208(b)(1), the employee must disqualify himself from participating in the award of the grant.

Example 3: The spouse of an employee of the Department of Health and Human Services (HHS) works for a consulting firm that provides support services to colleges and universities on research projects they are conducting under grants from HHS. The spouse is a salaried employee who has no direct ownership interest in the firm such as through stockholding, and the award of a grant to a particular university will have no direct and predictable effect on his continued employment or his salary. Because the award of a grant will not affect the spouse’s financial interest, section 208 would not bar the HHS employee from participating in the award of the grant to a university to which the consulting firm will provide services. However, the employee should consider whether her participation in the award of the grant would be barred under the impartiality provision in the Standards of Ethical Conduct for Employees of the Executive Branch at 5 CFR 2635.102.

(d) Disqualification. Unless the employee is authorized to participate in the particular matter by virtue of an exemption or waiver described in subpart B or subpart C of this part, or the interest has been divested in accordance with paragraph (e) of this section, an employee shall disqualify himself from participating in a particular matter in which, to his knowledge, he or any other person specified in the statute has a financial interest, if the particular matter will have a direct and predictable effect on that interest. Disqualification is accomplished by not participating in the particular matter.

(1) Notification. An employee who becomes aware of the need to disqualify himself from participation in a particular matter to which he has been assigned should notify the person responsible for his assignment. An employee who is responsible for his own assignments should take whatever steps are necessary to ensure that he does not participate in the matter from which he is disqualified. Appropriate oral or written notification of the employee’s disqualification may be made to coworkers by the employee or a supervisor to ensure that the employee is not involved in a matter from which he is disqualified.

(2) Documentation. An employee need not file a written disqualification statement unless he is required by part 2634 of this chapter to file written evidence of compliance with an ethics agreement with the Office of Government Ethics, is asked by an agency ethics official or the person responsible for his assignment to file a written disqualification statement, or is required to do so by agency supplemental regulation issued pursuant to 5 CFR 2635.105. However, an employee may elect to create a record of his actions by providing written notice to a supervisor or other appropriate official.

Example 1: The supervisor of an employee of the Department of Education asks the employee to attend a meeting on his behalf on developing national standards for science education in secondary schools. When the employee arrives for the meeting, she realizes one of the participants is the president of Education Consulting Associates (ECA), a firm which has been awarded a contract to prepare a bulletin describing the Department’s policies on science education standards. The employee’s spouse has a subcontract with ECA to provide the graphics and charts that will be used in the bulletin. Because the employee realizes that the meeting will involve matters relating to the production of the bulletin, the employee properly decides that she must disqualify herself from participating in the discussions.
After withdrawing from the meeting, the employee should notify her supervisor about the reason for her disqualification. She may elect to put her disqualification statement in writing, or to simply notify her supervisor orally. She may also elect to notify appropriate coworkers about her need to disqualify herself from this matter.

(e) Divestiture of a disqualifying financial interest. Upon sale or other divestiture of the asset or other interest that causes his disqualification from participation in a particular matter, an employee is no longer prohibited from acting in the particular matter.

(1) Voluntary divestiture. An employee who would otherwise be disqualified from participation in a particular matter may voluntarily sell or otherwise divest himself of the interest that causes the disqualification.

(2) Directed divestiture. An employee may be required to sell or otherwise divest himself of the disqualifying financial interest if his continued holding of that interest is prohibited by statute or by agency supplemental regulation issued in accordance with §2635.403(a) of this chapter, or if the agency determines in accordance with §2635.403(b) of this chapter that a substantial conflict exists between the financial interest and the employee's duties or accomplishment of the agency's mission.

(3) Eligibility for special tax treatment. An employee who is directed to divest an interest may be eligible to defer the tax consequences of divestiture under subpart J of part 2634 of this chapter.

(f) Official duties that give rise to potential conflicts. Where an employee's official duties create a substantial likelihood that the employee may be assigned to a particular matter from which he is disqualified, the employee should advise his supervisor or other person responsible for his assignments of that potential so that conflicting assignments can be avoided, consistent with the agency's needs.

Subpart B—Exemptions Pursuant to 18 U.S.C. 208(b)(2)

§2640.201 Exemptions for interests in mutual funds, unit investment trusts, and employee benefit plans.

(a) Diversified mutual funds and unit investment trusts. An employee may participate in any particular matter affecting one or more holdings of a diversified mutual fund or a diversified unit investment trust where the disqualifying financial interest in the matter arises because of the ownership of an interest in the fund or trust.

Example 1: An employee owns shares worth $100,000 in several mutual funds whose portfolios contain stock in a small computer company. Each mutual fund prospectus describes the fund as a “management company,” but does not characterize the fund as having a policy of concentrating its investments in any particular industry, business, single country (other than the U.S.) or bonds of a single State. The employee may participate in agency matters affecting the computer company.

Example 2: A nonsupervisory employee of the Department of Energy owns shares in a mutual fund that expressly concentrates its holdings in the stock of utility companies. The employee may not rely on the exemption in paragraph (a) of this section to act in matters affecting a utility company whose stock is part of the mutual fund's portfolio because the fund is not a diversified fund as defined in §2640.102(a). The employee may, however, seek an individual waiver under 18 U.S.C. 208(b)(1) permitting him to act. Moreover, depending upon the value of the employee's interest in the fund and the type of particular matter in which he would participate, one of the exemptions at §2640.202(a) or (b) for interests arising from publicly traded securities may be applicable.

(b) Sector mutual funds. An employee may participate in any particular matter affecting one or more holdings of a sector mutual fund where the affected holding is not invested in the sector in which the fund concentrates, and where the disqualifying financial interest in the matter arises because of ownership of an interest in the fund.

Example 1: An employee of the Federal Reserve owns shares in the mutual fund described in the preceding example. In addition to holdings in utility companies, the mutual fund contains stock in certain regional
stocks chosen by an independent financial
sets of which are invested primarily in
ployee has interests in a 401(k) plan, the as-

in the plan.

matter arises because of participation
qualifying financial interest in the
(c)(1)(ii) of this section where the dis-
pension plan described in paragraph
sponsor of a State or local government
maintained by a State government
any political subdivision of a State
government for its employees; or
(iii) A diversified employee benefit
plan, provided:
(A) The investments of the plan are
administered by an independent trust-
eer, and the employee, or other person
specified in section 208(a) does not par-
ticipate in the selection of the plan's
investments or designate specific plan
investments (except for directing that
contributions be divided among several
different categories of investments,
such as stocks, bonds or mutual funds,
which are available to plan partici-
pants); and
(B) The plan is not a profit-sharing or
stock bonus plan.

NOTE TO PARAGRAPH (c)(1): Employee ben-
fit plans that are tax deferred under 26
U.S.C. 401(k) are not considered profit-shar-
ing plans for purposes of this section. How-
ever, for the exemption to apply, 401(k) plans
must meet the requirements of paragraph
(c)(1)(iii)(A) of this section.

(2) Particular matters of general ap-
plability, such as rulemaking, affect-
ing the State or local government
sponsor of a State or local government
pension plan described in paragraph
(c)(1)(ii) of this section where the dis-
qualifying financial interest in the
matter arises because of participation
in the plan.

Example 1: An attorney terminates his po-
sition with a law firm to take a position
with the Department of Justice. As a result
of his employment with the firm, the em-
ployee has interests in a 401(k) plan, the as-
sets of which are invested primarily in
stocks chosen by an independent financial
management firm. He also participates in a
defined contribution pension plan main-
tained by the firm, the assets of which are
stocks, bonds, and financial instruments.

The plan is managed by an independent
trustee. Assuming that the manager of the
pension plan has a written policy of diversi-
fying plan investments, the employee may
act in matters affecting the plan’s holdings.
The employee may also participate in mat-
ters affecting the holdings of his 401(k) plan
if the individual financial management
firm that selects the plan’s investments has a
written policy of diversifying the plan’s as-
sets. Employee benefit plans that are tax de-
ferred under 26 U.S.C. 401(k) are not consid-
ered profit-sharing or stock bonus plans for
purposes of this part.

Example 2: An employee of the Department
of Agriculture who is a former New York
State employee has a vested interest in a
pension plan established by the State of New
York for its employees. She may participate
in an agency matter that would affect a com-
pany whose stock is in the pension plan’s
portfolio. She also may participate in a mat-
ter of general applicability affecting all
States, including the State of New York,
such as the drafting and promulgation of a
rule requiring States to expend additional
resources implementing the Food Stamp pro-
gram. Unless she obtains an individual waiv-
er under 18 U.S.C. 208(b)(1), she may not par-
ticipate in a matter involving the State of New
York as a party, such as an application
by the State for additional Federal funding
for administrative support services, if that
matter would affect the State’s ability or
willingness to honor its obligation to pay her
pension benefits.

§ 2640.202 Exemptions for interests in
securities.

(a) De minimis exemption for matters in-
volving parties. An employee may par-
ticipate in any particular matter in-
volving specific parties in which the
disqualifying financial interest arises
from the ownership by the employee,
his spouse or minor children of securi-
ties issued by one or more entities af-
fected by the matter, if:
(1) The securities are publicly traded,
or are long-term Federal Government,
or are municipal securities; and
(2) The aggregate market value of the
holdings of the employee, his spouse,
and his minor children in the securities
of all entities does not exceed $5,000.

Example 1: An employee owns 100 shares of
publicly traded stock valued at $3,000 in XYZ
Corporation. As part of his official duties,

the employee is evaluating bids for performing
computer maintenance services at his agency and discovers that XYZ Corporation is one of the companies that has submitted a bid. The employee is not required to recuse himself from continuing to evaluate the bids.

Example 2: In the preceding example, the employee and his spouse each own 100 shares of stock in XYZ Corporation, resulting in ownership of $6,000 worth of stock by the employee and his spouse. The exemption in paragraph (a) of this section would not permit the employee to participate in the evaluation of bids because the aggregate market value of the holdings of the employee, spouse and minor children of securities issued by XYZ Corporation exceeds $5,000. The employee could, however, seek an individual waiver under 18 U.S.C. 208(b)(1) in order to participate in the evaluation of bids.

Example 3: An employee is assigned to monitor XYZ Corporation’s performance of a contract to provide computer maintenance services at the employee’s agency. At the time the employee is first assigned these duties, he owns publicly traded stock in XYZ Corporation valued at less than $5,000. During the time the contract is being performed, however, the value of the employee’s stock increases to $7,500. When the employee knows that the value of his stock exceeds $5,000, he must disqualify himself from any further participation in matters affecting XYZ Corporation or seek an individual waiver under 18 U.S.C. 208(b)(1). Alternatively, the employee may divest the portion of his XYZ stock that exceeds $5,000. This can be accomplished through a standing order with his broker to sell when the value of the stock exceeds $5,000.

(b) De minimis exemption for matters of general applicability. (1) An employee may participate in any particular matter of general applicability, such as rulemaking, in which the disqualifying financial interest arises from the ownership by the employee, his spouse or minor children of securities issued by one or more entities affected by the matter, if:

(i) The securities are publicly traded, or are municipal securities, the market value of which does not exceed:

(A) $25,000 in any one such entity; and

(B) $50,000 in all affected entities; or

(ii) The securities are long-term Federal Government securities, the market value of which does not exceed $50,000.

(2) For purposes of this paragraph (b), the value of securities owned by the employee, his spouse, and minor children must be aggregated in applying the exemption.

Example 1: The Bureau of Export Administration at the Department of Commerce is in the process of formulating a regulation concerning exportation of portable computers. The regulation will affect all domestic companies that sell portable computers. An employee of the Department who is assisting in drafting the regulation owns $37,000 worth of stock in CompAmerica and $20,000 worth of stock in XYZ Computer Inc. Even though the employee owns $57,000 worth of stock in companies that will be affected by the regulation, she may participate in drafting the regulation because the value of the securities she owns does not exceed $25,000 in any one affected company and the total value of stock owned in all affected companies does not exceed $50,000.

Example 2: A health scientist administrator employed in the Public Health Service at the Department of Health and Human Services is assigned to serve on a Department-wide task force that will recommend changes in how Medicare reimbursements will be made to health care providers. The employee owns $10,000 worth of shares in a sector mutual fund invested primarily in health-related companies such as pharmaceuticals, developers of medical instruments and devices, managed care health organizations, and acute care hospitals. Because the fund is not a “diversified mutual fund” as defined in §2640.102(a), the exemption at §2640.201(a) is not applicable. However, because the fund is a “publicly traded security” as defined in §2640.102(p), the exemption for financial interests arising from ownership of a de minimis amount of securities at paragraph (b) of this section will permit the employee to participate on the task force.

(c) Exemption for certain Federal Government securities. An employee may participate in any particular matter in which the disqualifying financial interest arises from the ownership of short-term Federal Government securities or from U.S. Savings bonds.

(d) Exemption for interests of tax-exempt organizations. An employee may participate in any particular matter in which the disqualifying financial interest arises from the ownership of publicly traded or municipal securities, or long-term Federal Government securities by an organization which is tax-exempt pursuant to 26 U.S.C. 501(c) (3) or (4), and of which the employee is an unpaid officer, director, or trustee, or an employee, if:

(1) The matter affects only the organization’s investments, not the organization directly;
(2) The employee plays no role in making investment decisions for the organization, except for participating in the decision to invest in several different categories of investments such as stocks, bonds, or mutual funds; and

(3) The organization’s only relationship to the issuer, other than that which arises from routine commercial transactions, is that of investor.

Example 1: An employee of the Federal Reserve is a director of the National Association to Save Trees (NAST), an environmental organization that is tax-exempt under section 501(c)(3) of the Internal Revenue Code. The employee knows that NAST has an endowment fund that is partially invested in the publicly traded stock of Computer Inc. The employee’s position at the Federal Reserve involves the procurement of computer software, including software marketed by Computer Inc. The employee may participate in the procurement of software from Computer Inc. provided that he is not involved in selecting NAST’s investments, and that NAST has no relationship to Computer Inc. other than as an investor in the company and routine purchaser of Computer Inc. software.

(e) Exemption for certain interests of general partners. An employee may participate in any particular matter in which the disqualifying financial interest arises from:

(1) The ownership of publicly traded securities, long-term Federal Government securities, or municipal securities by the employee’s general partner, provided:

(i) Ownership of the securities is not related to the partnership between the employee and his general partner, and

(ii) The value of the securities does not exceed $200,000; or

(2) Any interest of the employee’s general partner if the employee’s relationship to the general partner is as a limited partner in a partnership that has at least 100 limited partners.

Example 1: An employee of the Department of Transportation is a general partner in a partnership that owns commercial property. The employee knows that one of his partners owns stock in an aviation company valued at $100,000 because the stock has been pledged as collateral for the purchase of the commercial property by the partnership. In the absence of an individual waiver under 18 U.S.C. 208(b)(1), the employee may not act in a matter affecting the aviation company. Because the stock has been pledged as collateral, ownership of the securities is related to the partnership between the employee and his general partner.

Example 2: An employee of the Pension Benefit Guaranty Corporation (PBGC) has a limited partnership interest in Ambank Partners, a large partnership with more than 500 limited partners. The partnership assets are invested in the securities of various financial institutions. Ambank’s general partner is Capital Investment Services, an investment firm whose pension plan for its own employees is being examined by the PBGC for possible unfunded liabilities. Even though the employee’s general partner (Capital Investment Services) has a financial interest in PBGC’s review of the pension plan, the employee may participate in that review because his relationship with his general partner is that of a limited partner in a partnership that has at least 100 limited partners.

§ 2640.203 Miscellaneous exemptions.

(a) Hiring decisions. An employee may participate in a hiring decision involving an applicant who is currently employed by a corporation that issues publicly traded securities, if the disqualifying financial interest arises from:

(1) Ownership of publicly traded securities issued by the corporation; or

(2) Participation in a pension plan sponsored by the corporation.

(b) Employees on leave from institutions of higher education. An employee on a leave of absence from an institution of higher education may participate in any particular matter of general applicability affecting the financial interests of the institution from which he is on leave, provided that the matter will not have a special or distinct effect on that institution other than as part of a class.

Example 1: An employee at the Department of Defense (DOD) is on a leave of absence from his position as a tenured Professor of Engineering at the University of California (UC) at Berkeley. While at DOD, he is assigned to assist in developing a regulation which will contain new standards for the oversight of grants given by DOD. Even though the University of California at Berkeley is a DOD grantee, and will be affected by these new monitoring standards, the employee may participate in developing the standards because UC Berkeley will be affected only as part of the class of all DOD grantees. However, if the new standards...
§ 2640.203

An employee may participate in any particular matter affecting one campus of a State multi-campus institution of higher education, if the employee's disqualifying financial interest is employment in a position with no multi-campus responsibilities at a separate campus of the same multi-campus institution.

Example 1: A special Government employee (SGE) member of an advisory committee convened by the National Science Foundation is a full-time professor in the School of Engineering at one campus of a State university. The SGE may participate in formulating the committee's recommendation to award a grant to a researcher at another campus of the same State university system.

Example 2: A member of the Board of Regents at a State university is asked to serve on an advisory committee established by the Department of Health and Human Services to consider applications for grants for human genome research projects. An application from another university that is part of the same State system will be reviewed by the committee. Unless he receives an individual waiver under section 208(b)(1) or (b)(3), the advisory committee member may not participate in matters affecting the second university that is part of the State system because as a member of the Board of Regents, he has duties and responsibilities that affect the entire State educational system.

(d) Exemptions for financial interests arising from Social Security or veterans' benefits. An employee may participate in any particular matter where the disqualifying financial interest arises from Federal Government or Federal Reserve Bank salary or benefits, or from Social Security or veterans' benefits, except an employee may not:

(1) Make determinations that individually or specially affect his own salary and benefits; or

(2) Make determinations, requests, or recommendations that individually or specially relate to, or affect, the salary or benefits of any other person specified in section 208.

Example 1: An employee of the Office of Management and Budget may vigorously perform the duties of his position even though his outstanding performance would result in a performance bonus or other similar merit award.

Example 2: A policy analyst at the Defense Intelligence Agency may request promotion to another grade or salary level. However, the analyst may not recommend or approve the promotion of her general partner to the next grade.

Example 3: An engineer employed by the National Science Foundation may request that his agency pay the registration fees and appropriate travel expenses required for him to attend a conference sponsored by the Engineering Institute of America. However, the employee may not approve payment of his own travel expenses and registration fees unless he has been delegated, in advance, authority to make such approvals in accordance with agency policy.

Example 4: A GS-14 attorney at the Department of Justice may review and make comments about the legal sufficiency of a bill to raise the pay level of all Federal employees paid under the General Schedule even though the employee will obtain health insurance from one of these providers to formulate the package of benefits for veterans, even though he himself is a veteran who would be eligible for treatment in a hospital operated by the VA.

Example 5: An employee of the Office of Personnel Management may participate in discussions with various health insurance providers to formulate the package of benefits that will be available to Federal employees who participate in the Government's Federal Employees Health Benefits Program, even though the employee will obtain health insurance from one of these providers through the program.

Example 7: An employee of the Federal Supply Service Division of the General Services Administration (GSA) may participate in GSA's evaluation of the feasibility of privatizing the entire Federal Supply Service, even though the employee's own position would be eliminated if the Service were privatized.
Example 8: Absent an individual waiver under section 208(b)(1), the employee in the preceding example could not participate in the implementation of a GSA plan to create an employee-owned private corporation which would carry out Federal Supply Service functions under contract with GSA. Because implementing the plan would result not only in the elimination of the employee's Federal position, but also in the creation of a new position in the new corporation to which the employee would be transferred, the employee would have a disqualifying financial interest in the matter arising from other than Federal salary and benefits, or Social Security or veterans benefits.

Example 9: A career member of the Senior Executive Service (SES) at the Internal Revenue Service (IRS) may serve on a performance review board that makes recommendations about the performance awards that will be awarded to other career SES employees at the IRS. The amount of the employee's own SES performance award would be affected by the board's recommendations because all SES awards are derived from the same limited pool of funds. However, the employee's activities on the board involve only recommendations, and not determinations that individually or specially affect his own award. Additionally, 5 U.S.C. 5384(c)(2) requires that a majority of the board's members be career SES employees.

Example 10: In carrying out a reorganization of the Office of General Counsel (OGC) of the Federal Trade Commission, the Deputy General Counsel is asked to determine which of five Senior Executive Service (SES) positions in the OGC to abolish. Because her own position is one of the five SES positions being considered for elimination, the matter is one that would individually or specially affect her own salary and benefits and, therefore, the Deputy may not decide which position should be abolished.

Note to Paragraph (d): This exemption does not permit an employee to take any action in violation of any other statutory or regulatory requirement, such as the prohibition on the employment of relatives at 5 U.S.C. 3110.

(e) Commercial discount and incentive programs. An employee may participate in any particular matter affecting the sponsor of a discount, incentive, or other similar benefit program if the disqualifying financial interest arises because of participation in the program, provided:

(1) The program is open to the general public; and

(2) Participation in the program involves no other financial interest in the sponsor, such as stockholding.

Example 1: An attorney at the Pension Benefit Guaranty Corporation who is a member of a frequent flier program sponsored by Alpha Airlines may assist in an action against Alpha for failing to make payments to its employee pension fund, even though the agency action will cause Alpha to disband its frequent flier program.

(f) Mutual insurance companies. An employee may participate in any particular matter affecting a mutual insurance company if the disqualifying financial interest arises because of an interest as a policyholder, unless the matter would affect the company's ability to pay claims required under the terms of the policy or to pay the cash value of the policy.

Example 1: An administrative law judge at the Department of Labor receives dividends from a mutual insurance company which he takes in the form of reduced premiums on his life insurance policy. The amount of the dividend is based upon the company's overall profitability. Nevertheless, he may preside in a Department hearing involving a major corporation insured by the same company even though the insurance company will have to pay the corporation's penalties and other costs if the Department prevails in the hearing.

Example 2: An employee of the Department of Justice is assigned to prosecute a case involving the fraudulent practices of an issuer of junk bonds. While developing the facts pertinent to the case, the employee learns that the mutual life insurance company from which he holds a life insurance policy has invested heavily in these junk bonds. If the Government succeeds in its case, the bonds will be worthless and the corresponding decline in the insurance company's investments will impair the company's ability to pay claims under the policies it has issued. The employee may not continue assisting in the prosecution of the case unless he obtains an individual waiver pursuant to section 208(b)(1).

(g) Exemption for employment interests of special Government employees serving on advisory committees. A special Government employee serving on an advisory committee within the meaning of the Federal Advisory Committee Act (5 U.S.C. app.) may participate in any particular matter of general applicability where the disqualifying financial interest arises from his non-Federal employment or non-Federal prospective employment, provided that the matter will not have a special or distinct effect on the employee or employer other than as part of a class.
§ 2640.203

For purposes of this paragraph, “disqualifying financial interest” arising from non-Federal employment does not include the interests of a special Government employee arising from the ownership of stock in his employer or prospective employer.

Example 1: A chemist employed by a major pharmaceutical company has been appointed to serve on an advisory committee established to develop recommendations for new standards for AIDS vaccine trials involving human subjects. Even though the chemist’s employer is in the process of developing an experimental AIDS vaccine and therefore will be affected by the new standards, the chemist may participate in formulating the advisory committee’s recommendations. The chemist’s employer will be affected by the new standards only as part of the class of all pharmaceutical companies and other research entities that are attempting to develop an AIDS vaccine.

Example 2: The National Cancer Institute (NCI) has established an advisory committee to evaluate a university’s performance of an NCI-grant to study the efficacy of a newly developed breast cancer drug. An employee of the university may not participate in the evaluation of the university’s performance because it is not a matter of general applicability.

Example 3: An engineer whose principal employment is with a major Department of Defense (DOD) contractor is appointed to serve on an advisory committee established by DOD to develop concepts for the next generation of laser-guided missiles. The engineer’s employer, as well as a number of other similar companies, has developed certain missile components for DOD in the past, and has the capability to work on aspects of the newer missile designs under consideration by the committee. The engineer owns $20,000 worth of stock in his employer. Because the exemption for the employment interests of special Government employees serving on advisory committees does not extend to financial interests arising from the ownership of stock, the engineer may not participate in committee matters affecting his employer unless he receives an individual waiver under section 208(b)(1) or (b)(3), or determines whether the exemption for interests in securities at §2640.202(b) applies.

(h) Directors of Federal Reserve Banks. A Director of a Federal Reserve Bank or a branch of a Federal Reserve Bank may participate in the following matters, even though they may be particular matters in which he, or any other person specified in section 208(a), has a disqualifying financial interest:

1. Establishment of rates to be charged for all advances and discounts by Federal Reserve Banks;
2. Consideration of monetary policy matters, regulations, statutes and proposed or pending legislation, and other matters of broad applicability intended to have uniform application to banks within the Reserve Bank district;
3. Approval or ratification of extensions of credit, advances or discounts to a depository institution that has not been determined to be in a hazardous financial condition by the President of the Reserve Bank; or
4. Approval or ratification of extensions of credit, advances or discounts to a depository institution that has not been determined to be in a hazardous financial condition by the President of the Reserve Bank, provided that the disqualifying financial interest arises from the ownership of stock in, or service as an officer, director, trustee, general partner or employee, of an entity other than the depository institution, or its parent holding company or subsidiary of such holding company.

(i) Medical products. A special Government employee serving on an advisory committee within the meaning of the Federal Advisory Committee Act (5 U.S.C. app.) may participate in Federal advisory committee matters concerning medical products if the disqualifying financial interest arises from:
1. Employment with a hospital or other similar medical facility whose only interest in the medical product or device is purchase of it for use by, or sale to, its patients; or
2. The use or prescription of medical products for patients.

(j) Nonvoting members of standing technical advisory committees established by the Food and Drug Administration. A special Government employee serving as a nonvoting representative member of an advisory committee established by the Food and Drug Administration pursuant to the requirements of the Federal Advisory Committee Act (5 U.S.C. app.) and appointed under a statutory authority requiring the appointment of representative members, may participate in any particular matter affecting a disqualifying financial...

§ 2640.301

Interest in the class which the employee represents. Nonvoting representative members of Food and Drug Administration advisory committees are described in 21 CFR 14.80(b)(2), 14.84, 14.86, and 14.95(a).

Example 1: The FDA’s Medical Devices Advisory Committee is established pursuant to 21 U.S.C. 360c(b), which requires that each panel of the Committee include one nonvoting industry representative and one nonvoting consumer representative. An industry representative on the Ophthalmic Devices Panel of this Committee has been appointed as a special Government employee, in accordance with the procedures described at 14 CFR 14.84. The special Government employee may participate in Panel discussions concerning the premarket approval application for a silicone posterior chamber intraocular lens manufactured by MedInc, even though she is employed by, and owns stock in, another company that manufactures a competing product. However, a consumer representative who serves as a special Government employee on the same Panel may not participate in Panel discussions concerning the premarket approval application for a silicone posterior chamber intraocular lens manufactured by MedInc, even though she is employed by, and owns stock in, another company that manufactures a competing product. An employee of the Tennessee Valley Authority may participate in developing or approving rate schedules or similar matters affecting the general cost of electric power sold by TVA, if the disqualifying financial interest arises from use of such power by the employee or by any other person specified in section 208(a).

(k) Employees of the Tennessee Valley Authority. An employee of the Tennessee Valley Authority (TVA) may participate in developing or approving rate schedules or similar matters affecting the general cost of electric power sold by TVA, if the disqualifying financial interest arises from use of such power by the employee or by any other person specified in section 208(a).

§ 2640.204 Prohibited financial interests.

None of the exemptions set forth in §§2640.201, 2640.202, or 2640.203 apply to any financial interest held or acquired by an employee, his spouse, or minor child in violation of a statute or agency supplemental regulation issued in accordance with 5 CFR 2635.105, or that is otherwise prohibited under 5 CFR 2635.403(b).

Example 1: The Office of the Comptroller of the Currency (OCC), in a regulation that supplements part 2626 of this chapter, prohibits certain employees from owning stock in commercial banks. If an OCC employee purchases stock valued at $2,000 in contravention of the regulation, the exemption at §2640.200(a) for interests arising from the ownership of no more than $5,000 worth of publicly traded stock will not apply to the employee’s participation in matters affecting the bank.

§ 2640.205 Employee responsibility.

Prior to taking official action in a matter which an employee knows would affect his financial interest or the interest of another person specified in 18 U.S.C. 208(a), an employee must determine whether one of the exemptions in §§2640.201, 2640.202, or 2640.203 would permit his action notwithstanding the existence of the disqualifying interest. An employee who is unsure whether an exemption is applicable in a particular case, should consult an agency ethics official prior to taking action in a particular matter.

§ 2640.206 Existing agency exemptions.

An employee who, prior to January 17, 1997, acted in an official capacity in a particular matter in which he had a financial interest, will be deemed to have acted in accordance with applicable regulations if he acted in reliance on an exemption issued by his employing Government agency pursuant to 18 U.S.C. 208(b)(2), as in effect prior to November 30, 1989.

Subpart C—Individual Waivers

§ 2640.301 Waivers issued pursuant to 18 U.S.C. 208(b)(1).

(a) Requirements for issuing an individual waiver under 18 U.S.C. 208(b)(1). Pursuant to 18 U.S.C. 208(b)(1), an agency may determine in an individual case that a disqualifying financial interest in a particular matter or matters is not so substantial as to be deemed likely to affect the integrity of the employee’s services to the Government. Upon making that determination, the agency may then waive the employee’s disqualification notwithstanding the financial interest, and permit the employee to participate in the particular matter. Waivers issued pursuant to section 208(b)(1) should comply with the following requirements:

(1) The disqualifying financial interest, and the nature and circumstances of the particular matter or matters, must be fully disclosed to the Government official responsible for appointing
the employee to his position (or other Government official to whom authority to issue such a waiver for the employee has been delegated);

(2) The waiver must be issued in writing by the Government official responsible for appointing the employee to his position (or other Government official to whom the authority to issue such a waiver for the employee has been delegated);

(3) The waiver should describe the disqualifying financial interest, the particular matter or matters to which it applies, the employee's role in the matter or matters, and any limitations on the employee's ability to act in such matters;

(4) The waiver shall be based on a determination that the disqualifying financial interest is not so substantial as to be deemed likely to affect the integrity of the employee's services to the Government. Statements concerning the employee's good character are not material to, nor a basis for making, such a decision;

(5) The waiver must be issued prior to the employee taking any action in the matter or matters; and

(6) The waiver may apply to both present and future financial interests, provided the interests are described with sufficient specificity.

NOTE TO PARAGRAPH (a): The disqualifying financial interest, the particular matter or matters to which the waiver applies, and the employee's role in such matters do not need to be described with any particular degree of specificity. For example, if a waiver were to apply to all matters which an employee would undertake as part of his official duties, the waiver document would not have to enumerate those duties. The information contained in the waiver, however, should provide a clear understanding of the nature and identity of the disqualifying financial interest, the matters to which the waiver will apply, and the employee's role in such matters.

(b) Agency determination concerning substantiality of the disqualifying financial interest. In determining whether a disqualifying financial interest is sufficiently substantial to be deemed likely to affect the integrity of the employee's services to the Government, the responsible official may consider the following factors:

(1) The type of interest that is creating the disqualification (e.g. stock, bonds, real estate, other securities, cash payment, job offer, or enhancement of a spouse's employment);

(2) The identity of the person whose financial interest is involved, and if the interest is not the employee's, the relationship of that person to the employee;

(3) The dollar value of the disqualifying financial interest, if it is known or can be estimated (e.g. the amount of cash payment which may be gained or lost, the salary of the job which will be gained or lost, the predictable change in either the market value of the stock or the actual or potential profit or loss or cost of the matter to the company issuing the stock, the change in the value of real estate or other securities);

(4) The value of the financial instrument or holding from which the disqualifying financial interest arises (e.g. the face value of the stock, bond, other security or real estate) and its value in relationship to the individual's assets. If the disqualifying financial interest is that of a general partner or organization specified in section 208, this information must be provided only to the extent that it is known by the employee; and

(5) The nature and importance of the employee's role in the matter, including the extent to which the employee is called upon to exercise discretion in the matter.

(6) Other factors which may be taken into consideration include:

(i) The sensitivity of the matter;

(ii) The need for the employee's services in the particular matter; and

(iii) Adjustments that may be made in the employee's duties that would reduce or eliminate the likelihood that the integrity of the employee's services would be questioned by a reasonable person.

§ 2640.302 Waivers issued pursuant to 18 U.S.C. 208(b)(3).

(a) Requirements for issuing an individual waiver under 18 U.S.C. 208(b)(3). Pursuant to 18 U.S.C. 208(b)(3), an agency may determine in an individual case that the prohibition of 18 U.S.C. 208(a)
Office of Government Ethics

§ 2640.303

should not apply to a special Government employee serving on, or an individual being considered for, appointment to an advisory committee established under the Federal Advisory Committee Act, notwithstanding the fact that the individual has one or more financial interests that would be affected by the activities of the advisory committee. The agency's determination must be based on a certification that the need for the employee's services outweighs the potential for a conflict of interest created by the financial interest involved. Waivers issued pursuant to 18 U.S.C. 208(b)(3) should comply with the following requirements:

(a) General certification concerning need for individual's services.

In determining whether the need for an individual's services on an advisory committee outweighs the potential for a conflict of interest created by the disqualifying financial interest, the responsible official may consider the following factors:

1. The type of interest that is creating the disqualification (e.g. stock, bonds, real estate, other securities, cash payment, job offer, or enhancement of a spouse's employment);
2. The identity of the person whose financial interest is involved, and if the interest is not the individual's, the relationship of that person to the individual;
3. The uniqueness of the individual's qualifications;
4. The difficulty of locating a similarly qualified individual without a disqualifying financial interest to serve on the committee;
5. The dollar value of the disqualifying financial interest, if it is known or can be estimated (e.g. the amount of cash payment which may be gained or lost, the salary of the job which will be gained or lost, the predictable change in either the market value of the stock or the actual or potential profit or loss or cost of the matter to the company issuing the stock, the change in the value of real estate or other securities);
6. The value of the financial instrument or holding from which the disqualifying financial interest arises (e.g. the face value of the stock, bond, other security or real estate) and its value in relationship to the individual's assets. If the disqualifying financial interest is that of a general partner or organization specified in section 208, this information must be provided only to the extent that it is known by the employee; and
7. The extent to which the disqualifying financial interest will be affected individually or particularly by the actions of the advisory committee.

§ 2640.303 Consultation and notification regarding waivers.

When practicable, an official is required to consult formally or informally with the Office of Government Ethics prior to granting a waiver referred to in §§ 2640.301 and 2640.302. A copy of each such waiver is to be forwarded to the Director of the Office of Government Ethics.
§ 2640.304 Public availability of agency waivers.

(a) Availability. A copy of an agency waiver issued pursuant to 18 U.S.C. 208(b)(1) or (b)(3) shall be made available upon request to the public by the issuing agency. Public release of waivers shall be in accordance with the procedures set forth in section 105 of the Ethics in Government Act of 1978, as amended. Those procedures are described in 5 CFR 2634.603.

(b) Limitations on availability. In making a waiver issued pursuant to 18 U.S.C. 208(b)(1) or (b)(3) publicly available, an agency:

(1) May withhold from public disclosure any information contained in the waiver that would be exempt from disclosure pursuant to 5 U.S.C. 552; and

(2) Shall withhold from public disclosure information in a waiver issued pursuant to 18 U.S.C. 208(b)(3) concerning an individual’s financial interest which is more extensive than that required to be disclosed by the individual in his financial disclosure report under the Ethics in Government Act of 1978, as amended, or which is otherwise subject to a prohibition on public disclosure under law.

APPENDIX B TO PART 2641—AGENCY COMPONENTS FOR PURPOSES OF 18 U.S.C. 207(c)

SOURCE: 56 FR 3963, Feb. 1, 1991, unless otherwise noted.
§ 2641.201 One-year restriction on a former senior employee's representational activities.

For one year after service in a "senior" position terminates, no former "senior" employee may knowingly make, with the intent to influence, any communication or appearance before an employee of a department or agency in which he served in any capacity during the one-year period prior to termination from "senior" service, if that communication or appearance is made on behalf of any other person (except the United States) in connection with any matter on which he seeks official action by any employee.

(b) Applicability. 18 U.S.C. 207(c) applies to all former "senior employees" as defined in § 2641.101 of this part. Certain individuals who served in "very senior" positions are subject to the one-year bar set forth in section 207(d) in lieu of that set forth in section 207(c). See definition of "very senior employee" in §2641.101.

(1) Special Government Employees. 18 U.S.C. 207(c) does not apply to an individual as a result of service as a special Government employee unless the individual:

(i) Served in a senior employee position while serving as a special Government employee; and

(ii) Served 60 or more days as a special Government employee during the one-year period before terminating service as a senior employee.

(2) Exemption from 18 U.S.C. 207(c). 18 U.S.C. 207(c) does not apply to an individual as a result of service in a senior position if that position has been exempted from section 207(c) pursuant to the waiver procedures set forth in §2641.201(d) of this part.

(c) Measurement of Restriction. 18 U.S.C. 207(c) is a one-year restriction. The one-year period is measured from the date when the employee ceases to be a senior employee, not from the termination of Government service, unless the two occur simultaneously.

(d) Waiver of 18 U.S.C. 207(c). Certain positions or categories of positions can be exempted from 18 U.S.C. 207(c) through the grant of a waiver by the Director of the Office of Government Ethics. 18 U.S.C. 207(c)(2)(C).

(1) Effect of Exemption. When an eligible position is exempted from 18 U.S.C. 207(c) by the Director of the Office of Government Ethics, the one-year restriction of section 207(c) will not be
triggered upon any employee’s termination from the position.

(2) Eligible Senior Employee Positions. Any senior employee position is eligible for exemption except the following:

(i) Positions for which the rate of pay is specified in or fixed according to 5 U.S.C. 5311-5318 (the Executive Schedule);

(ii) Positions whose occupants are appointed by the President pursuant to 3 U.S.C. 105(a)(2)(B); or

(iii) Positions whose occupants are appointed by the Vice President pursuant to 3 U.S.C. 106(a)(1)(B).

(3) Procedure. An exemption shall be granted in accordance with the following procedure:

(i) Initial Exemption. An agency’s designated agency ethics official shall forward to the Director of the Office of Government Ethics a written request that a certain senior employee position or category of positions be exempted from 18 U.S.C. 207(c). Any such request shall address the criteria set forth in paragraph (d)(5) of this section. A designated agency ethics official may also request that a current exemption be revoked.

(ii) Agency Update. Designated agency ethics officials shall by November 30 of each year forward to the Office of Government Ethics a letter stating whether positions or categories of positions currently exempted should remain exempt from the application of 18 U.S.C. 207(c) in light of the criteria set forth in paragraph (d)(5) of this section. A designated agency ethics official may also request that a current exemption be revoked.

(iii) Action by Office of Government Ethics. The Director of the Office of Government Ethics shall promptly provide to the designated agency ethics official a written response to each initial request for exemption or revocation. The Director shall annually publish in appendix A to this part an updated compilation of all exempted positions or categories of positions. The Director shall publish notice in the Federal Register when he determines to revoke an exemption based on his finding that the position or positions no longer qualify for exemption.

(4) Effective Date of Exemption. Exemptions issued under paragraph (d) of this section shall be effective as of the date of the Director’s written response to the designated agency ethics official indicating that the request for exemption has been granted. An exemption shall inure to the benefit of the individual who holds the position when the exemption takes effect, as well as to his successors, but shall not benefit individuals who terminated senior service prior to the effective date of the exemption. Revocation of an exemption shall be effective 90 days after the date that the Director publishes notice of the revocation in the Federal Register. Individuals who formerly served in an exempted position will not become subject to 18 U.S.C. 207(c) in the event the position’s exempted status is revoked subsequent to the individual’s termination from the position.

(5) Criteria for Exemption. Before exempting a position or positions from 18 U.S.C. 207(c), the Director of the Office of Government Ethics must find that with respect to the position or category of positions:

(i) The granting of the exemption would not create the potential for use by former senior employees of undue influence or unfair advantage based on past Government service; and

(ii) The imposition of the restrictions would create an undue hardship on the department or agency in obtaining qualified personnel to fill such position or positions as shown by relevant factors which may include, but are not limited to:

(A) The payment of a special rate of pay to the incumbent of the position pursuant to specific statutory authority; or

(B) The requirement that the incumbent of the position have outstanding qualifications in a scientific, technological, or other technical discipline.

(e) Separate Departmental or Agency Components. For purposes of 18 U.S.C. 207(c) only, the Director of the Office of Government Ethics is authorized by 18 U.S.C. 207(h) to designate departmental and agency “components” that are distinct and separate from the “parent” department or agency and from each other. Absent such designation, the representational bar of section 207(c) extends to the whole of the department or agency in which the former senior employee served.

(1) Effect of Designation. An eligible former senior employee who served in a
Office of Government Ethics § 2641.201

“parent” department or agency is not barred by 18 U.S.C. 207(c) from making communications to or appearances before any employee of any designated component of that parent, but is barred as to employees of that parent or of other components that have not been designated. An eligible former senior employee who served in a designated component of a parent department or agency is barred from communicating to or making an appearance before any employee of that component, but is not barred as to any employee of the parent or of any other component.

(2) Eligible Senior Employees. All former senior employees are eligible to benefit from this procedure except those who were senior employees by virtue of having been:

(i) Employed in a position for which the rate of pay is specified in or fixed according to 5 U.S.C. 5311-5318 (the Executive Schedule);

(ii) Appointed by the President to a position under 3 U.S.C. 105(a)(2)(B); or

(iii) Appointed by the Vice President to a position under 3 U.S.C. 106(a)(1)(B).

(3) Procedure. Distinct and separate components shall be designated in accordance with the following procedure:

(i) Initial Designation. Initial designations of departmental and agency components are set forth in appendix B to this part and are effective as of January 1, 1991.

(ii) Agency Update. A designated agency ethics official may at any time recommend the designation of an additional component or the revocation of a current designation by forwarding a written request to the Director addressing the criteria set forth in paragraph (e)(6) of this section. Designated agency ethics officials shall by November 30 of each year forward to the Office of Government Ethics a letter stating whether components currently designated should remain designated in light of the criteria set forth in paragraph (e)(6).

(iii) Action of Office of Government Ethics. The Director of the Office of Government Ethics shall by rule make or revoke a component designation after considering the recommendation of the designated agency ethics official. The Director shall annually publish in appendix B to this part an updated compilation of all designated departmental or agency components.

(4) Effective Date of Designation. Initial component designations shall be effective as of January 1, 1991. Any subsequent designation shall be effective as of the effective date of the rule that creates the designation, but shall not be effective as to employees who terminated senior service prior to that date. Revocation of a component designation shall be effective 90 days after the effective date of the rule that revokes the designation, but shall not be effective as to individuals who terminated senior service prior to the expiration of such 90-day period.

(5) Unauthorized Designations. No agency or bureau within the Executive Office of the President may be designated as a separate departmental or agency component.

(6) Criteria for Designation. Before designating an agency component as distinct and separate for purposes of 18 U.S.C. 207(c), the Director of the Office of Government Ethics must find that:

(i) There exists no potential for use by former senior employees of undue influence or unfair advantage based on past Government service; and

(ii) The component is an agency or bureau, within a department or agency, that exercises functions which are distinct and separate from the functions of the parent department or agency and from the functions of other components of that parent as shown by relevant factors which may include, but are not limited to:

(A) The component’s creation by statute or a statutory reference indicating that it exercises functions which are distinct and separate; or

(B) The component’s exercise of separate and distinct subject matter or geographical jurisdiction.

(7) Supervisory Relationship. Provided that a component has a separate statutory basis or exercises distinct and separate subject matter or geographical jurisdiction, the parent will generally be deemed by the Director of the Office of Government Ethics to be distinct and separate from that component notwithstanding that the parent may exercise general supervisory authority over the component. However, the degree of a parent’s supervision over a
component will be a factor in determining whether subject matter or geographical jurisdiction is in fact distinct and separate. The Director will not ordinarily consider two components as distinct and separate from one another where one component exercises supervisory authority over another.

§ 3101.101 General.

(a) Purpose. In accordance with 5 CFR 2635.105, the regulations in this part apply to employees of the Department of the Treasury and supplement the Standards of Ethical Conduct for Employees of the Executive Branch contained in 5 CFR part 2635. Employees are required to comply with 5 CFR part 2635, this part, and bureau guidance and procedures established pursuant to this section. Department employees are also subject to any additional rules of conduct that the Department or their employing bureaus are authorized to issue. See 31 CFR part 0, Department of the Treasury Employee Rules of Conduct.

(b) Bureau instructions. With the concurrence of the Designated Agency Ethics Official (DAEEO), bureaus of the Department of the Treasury are authorized to issue instructions or manual issuances providing explanatory guidance and establishing procedures necessary to implement this part and part 2635 of this title. See 5 CFR 2635.105(c).

(c) Definition of “agency designee.” As used in this part and in part 2635 of this title, the term “agency designee” refers to any employee who has been delegated authority by an instruction or manual issuance issued by a bureau under paragraph (b) of this section to make a determination, give an approval, or take other action required or permitted by this part or part 2635 of this title with respect to another employee. See 5 CFR 2635.102(b).

§ 3101.102 Designation of separate agency components.

Pursuant to 5 CFR 2635.203(a), each of the following components of the Department of the Treasury is designated as a separate agency for purposes of the regulations contained in subpart B of 5 CFR part 2635 governing gifts from outside sources and 5 CFR 2635.807 governing teaching, speaking or writing:

(a) Bureau of Alcohol, Tobacco and Firearms (ATF);
(b) Bureau of Engraving and Printing;
(c) Bureau of the Public Debt;
(d) Federal Law Enforcement Training Center;
(e) Financial Management Service;
(f) Internal Revenue Service (IRS);
(g) Office of the Comptroller of the Currency (OCC);
(h) Office of the Inspector General;
(i) Office of Thrift Supervision (OTS);
(j) United States Customs Service (USCS);
(k) United States Mint; and
(l) United States Secret Service.

For purposes of this section, employees in the Legal Division shall be considered to be part of the bureaus or offices in which they serve.

NOTE: As a result of the designations contained in this section, employees of the remaining parts of the Department of the Treasury (e.g., employees in Departmental Offices, including the Financial Crimes Enforcement Network) will also be treated as employees of an agency that is separate from all of the above listed bureaus and offices for purposes of determining whether the donor of a gift is a prohibited source under 5 CFR 2635.203(d) and for identifying an employee’s “agency” under 5 CFR 2635.807 governing teaching, speaking and writing.
§ 3101.103 Prohibition on purchase of certain assets.

(a) General prohibition. Except as provided in paragraph (b) of this section, no employee of the Department of the Treasury shall purchase, directly or indirectly, property:

1. Owned by the Government and under the control of the employee's bureau (or a bureau over which the employee exercises supervision); or

2. Sold under the direction or incident to the functions of the employee's bureau.

(b) Exceptions. The prohibition in paragraph (a) of this section does not apply to the purchase of Government securities or items sold generally to the public at fixed prices, such as numismatic items produced by the United States Mint or foreign gifts deposited with the Department pursuant to 5 U.S.C. 7342 that an employee may purchase pursuant to 41 CFR part 101-49.

(c) Waiver. An employee may make a purchase otherwise prohibited by this section where a written waiver of the prohibition has been given to the employee by an agency designee with the advice and legal clearance of the DAEO, or the appropriate Office of Chief or Legal Counsel. Such a waiver may be granted only on a determination that the waiver is not otherwise prohibited by law and that, in the mind of a reasonable person with knowledge of the particular circumstances, the purchase of the asset will not raise a question as to whether the employee has used his or her official position or inside information to obtain an advantageous purchase or create an appearance of loss of impartiality in the performance of the employee's duties.

NOTE: Employees of the OCC and OTS are subject to additional limitations on the purchase of assets that are set out in bureau-specific rules contained in §§ 3101.108 and 3101.109.

§ 3101.104 Outside employment.

(a) General requirement for prior approval. All Department of the Treasury employees shall obtain prior written approval before engaging in any outside employment or business activities, with or without compensation, except to the extent that the employing bureau issues an instruction or manual issuance pursuant to paragraph (b) of this section exempting an activity or class of activities from this requirement. Approval shall be granted only on a determination that the employment or activity is not expected to involve conduct prohibited by statute, part 2635 of this title, or any provision of this part.

NOTE: Employees of the ATF, IRS, Legal Division, OCC, USCS and United States Secret Service are subject to additional limitations on outside employment and activities that are set out in bureau-specific rules contained in this part.

(b) Bureau responsibilities. Each bureau, which for the purposes of this section includes the Departmental Offices and the Office of the Inspector General, shall issue instructions or manual issuances governing the submission of requests for approval of outside employment or business activities and designating appropriate officials to act on such requests. The instructions or manual issuances may exempt categories of employment or activities from the prior approval requirement based on a determination that employment or activities within those categories would generally be approved and are not likely to involve conduct prohibited by statute, part 2635 of this title or any provision of this part. Bureaus may include in their instructions or issuances examples of outside employment or activities that are permissible or impermissible consistent with this part and part 2635 of this title. Bureaus shall retain in employees' Official Personnel Folders (temporary side) all requests for approval whether granted or denied.

§ 3101.105 Additional rules for Bureau of Alcohol, Tobacco and Firearms employees.

The following rules apply to the employees of the Bureau of Alcohol, Tobacco and Firearms and are in addition to §§3101.101 through 3101.104:

(a) Prohibited financial interests. Except as provided in this section, no employee of the ATF, or spouse or minor child of an ATF employee, shall have, directly or indirectly, any financial interest, including compensated employment, in the alcohol, tobacco, firearms
§ 3101.106 Additional rules for Internal Revenue Service employees.

The following rules apply to the employees of the Internal Revenue Service and are in addition to §§ 3101.101 through 3101.104:

(a) Prohibited recommendations. Employees of the IRS shall not recommend, refer or suggest, specifically or by implication, any attorney, accountant, or firm of attorneys or accountants to any person in connection with any official business which involves or may involve the IRS.

(b) Prohibited outside employment. Involvement by an employee of the IRS in the following types of outside employment or business activities is prohibited and shall constitute a conflict with the employee’s official duties pursuant to 5 CFR 2635.802:

1. Performance of legal services involving Federal, State or local tax matters;
2. Appearing on behalf of any taxpayer as a representative before any Federal, State, or local government agency, in an action involving a tax matter except on written authorization of the Commissioner of Internal Revenue;
3. Engaging in accounting, or the use, analysis, and interpretation of financial records when such activity involves tax matters;
4. Engaging in bookkeeping, the recording of transactions, or the record-making phase of accounting, when such activity is directly related to a tax determination; and
5. Engaging in the preparation of tax returns for compensation, gift, or favor.

(c) Seasonal employees. Seasonal employees of the IRS while in non-duty status may engage in outside employment or activities other than those prohibited by paragraph (b) of this section without obtaining prior written permission.

§ 3101.107 Additional rules for Legal Division employees.

The following rules apply to the employees of the Legal Division and are in addition to §§ 3101.101 through 3101.104:

(a) Application of rules of other bureaus. In addition to the rule contained in paragraph (b) of this section, employees in the Legal Division shall be covered by the rules contained in this part that are applicable to employees of the bureaus or offices in which the Legal Division employees serve, subject to any instructions which the General Counsel or appropriate Chief or Legal Counsel may issue in accordance with § 3101.101(b).

(b) Prohibited outside employment. Pursuant to 5 CFR 2635.802, it is prohibited and shall constitute a conflict with the employee’s official duties for an attorney employed in the Legal Division to engage in the outside practice of law that might require the attorney to:

1. Take a position that is or appears to be in conflict with the interests of the Department of the Treasury which is the client to whom the attorney owes a professional responsibility; or
2. Interpret any statute, regulation or rule administered or issued by the Department.

The following rules apply to the employees of the Office of the Comptroller of the Currency and are in addition to §§ 3101.101–3101.104:

(a) Prohibited financial interests—(1) Prohibition. Except as provided in paragraphs (a)(3) and (g) of this section, no OCC employee, or spouse or minor child of an OCC employee, shall own,
directly or indirectly, securities of any commercial bank (including both national and State-chartered banks) or commercial bank affiliate, including a bank holding company.

(2) Definition of “securities”. For purposes of paragraphs (a)(1) and (a)(3) of this section, the term “securities” includes all interests in debt or equity instruments. The term includes, without limitation, secured and unsecured bonds, debentures, notes, securitized assets and commercial paper, as well as all types of preferred and common stock. The term encompasses both current and contingent ownership interests, including any beneficial or legal interest derived from a trust. It extends to any right to acquire or dispose of any long or short position in such securities and includes, without limitation, interests convertible into such securities, as well as options, rights, warrants, puts, calls, and straddles with respect thereto.

(3) Exceptions. Nothing in this section prohibits an OCC employee, or spouse or minor child of an OCC employee, from:

(i) Investing in a publicly traded or publicly available mutual fund or other collective investment fund or in a widely held pension or similar fund provided that the fund does not invest more than 25 percent of its assets in securities of one or more commercial banks (including both national and State-chartered banks) and commercial bank affiliates (including bank holding companies) and the employee neither exercises control over nor has the ability to exercise control over the financial interests held in the fund;

(ii) Investing in the publicly traded securities of a holding company of a nonbank bank or of a retailing firm that owns or sponsors a credit card bank as defined by the Competitive Equality Banking Act of 1987, except that an employee who owns such an interest must be disqualified from participating in the regulation or supervision of the nonbank bank or the credit card bank;

(iii) Using a commercial bank or commercial bank affiliate as custodian or trustee of accounts containing tax-deferred retirement funds; or

(iv) Owning any security pursuant to a waiver granted under paragraph (g) of this section.

(b) Prohibited borrowing—(1) Prohibition on employee borrowing. Except as provided in this section, no covered OCC employee shall seek or obtain any loan or extension of credit, including credit obtained through the use of a credit card, from any national bank or from an officer, director, employee, or subsidiary of any national bank.

(2) Prohibition on borrowing by a spouse or minor child. The prohibition in paragraph (b)(1) of this section shall apply to the spouse or minor child of a covered OCC employee unless the loan or extension of credit:

(i) Is supported only by the income or independent means of the spouse or minor child;

(ii) Is obtained on terms and conditions no more favorable than those offered to the general public; and

(iii) The covered OCC employee does not participate in the negotiation for the loan or serve as co-maker, endorser, or guarantor of the loan.

(3) Covered OCC employee. For purposes of the prohibitions on borrowing contained in paragraphs (b)(1) and (b)(2) of this section, “covered OCC employee” means:

(i) An OCC bank examiner; and

(ii) Any other OCC employee specified in an OCC instruction or manual issuance whose duties and responsibilities, as determined by the Comptroller of the Currency or his or her designee, require application of the prohibition on borrowing contained in this section to ensure public confidence that the OCC’s programs are conducted impartially and objectively.

(4) Exceptions. Nothing in this section prohibits a covered OCC employee, or the spouse or minor child of a covered OCC employee, from obtaining a loan or extension of credit described in paragraphs (b)(4)(i) through (b)(4)(iii) of this section from a national bank if the loan or extension of credit is obtained on terms and conditions no more favorable than those offered to the general public, the employee is not assigned to examine the bank at the time the loan or extension of credit is obtained, and the employee submits to the Chief
§ 3101.108

Counsel or designee a written disqualification from examining or otherwise participating in the supervision of the bank. The exceptions provided by this paragraph are for loans or extensions of credit obtained:

(i) Through use of a credit card issued by a national bank where:
   (A) The employee is assigned to a district office and the bank is not headquartered in the employee's district;
   (B) The employee is assigned to the Multinational Division and the bank is not supervised by that Division; or
   (C) The employee is assigned to the Washington office (other than the Multinational Division);
(ii) Through use of a national bank credit card sponsored by a retailing firm (e.g., Nordstrom, Lord and Taylor, Amoco Oil Company); or
(iii) Through assumption of a mortgage loan on the employee's residence which is liquidated in accordance with its original terms without renewal or renegotiation.

(5) Pre-existing credit. This section does not prohibit a covered OCC employee, or spouse or minor child of a covered OCC employee, from retaining a loan from a national bank on its original terms if the loan was incurred prior to employment by the OCC or as a result of the sale or transfer of a loan to a national bank or the conversion or merger of the lender into a national bank. Any renewal or renegotiation of a pre-existing loan or extension of credit will be treated as a new loan subject to the prohibitions in paragraphs (b)(1) and (b)(2) of this section.

(c) Restrictions arising from third party relationships. If any of the entities listed in paragraphs (c)(1) through (c)(7) of this section have securities that an OCC employee would be prohibited from having by paragraph (a) of this section, or loans or extensions of credit that a covered OCC employee would be prohibited from obtaining under paragraph (b) of this section, the employee shall promptly report such interests to the Chief Counsel or designee. The Chief Counsel or designee may require the employee to terminate the third party relationship, undertake an appropriate disqualification, or take other appropriate action necessary, under the particular circumstances, to avoid a statutory violation or a violation of part 2635 of this title, or this part, including an appearance of misuse of position or loss of impartiality. This paragraph applies to any:

(1) Partnership in which the employee, or spouse or minor child of the employee, is a general partner;
(2) Partnership in which the employee, or spouse or minor child of the employee, individually or jointly holds more than a 10 percent limited partnership interest;
(3) Closely held corporation in which the employee, or spouse or minor child of the employee, individually or jointly holds more than a 10 percent equity interest;

(5) Investment club or similar informal investment arrangement between the employee, or spouse or minor child of the employee, and others;
(6) Qualified profit sharing, retirement or similar plan in which the employee, or spouse or minor child of the employee, has an interest; or
(7) Other entity if the employee, or spouse or minor child of the employee, individually or jointly holds more than a 25 percent equity interest.

(d) Prohibited recommendations. Employees of the OCC shall not make recommendations or suggestions, directly or indirectly, concerning the acquisition or sale or other divestiture of securities of any commercial bank or commercial bank affiliate, including a bank holding company.

(e) Prohibited purchase of assets. No employee of the OCC, or spouse or minor child of an OCC employee, shall purchase, directly or indirectly, an asset (e.g., real property, automobiles, furniture, or similar items) from a national bank or national bank affiliate, including a bank holding company, unless it is sold at a public auction or by other means which assure that the selling price is the asset's fair market value.

(f) Outside employment—(1) Prohibition on outside employment. No covered OCC employee shall perform services for compensation for any bank, banking or
loan association, or national bank affiliate, or for any officer, director or employee of, or for any person connected in any capacity with a bank, banking or loan association or national bank affiliate.

(2) Covered OCC employee. For purposes of the prohibitions on outside employment contained in paragraph (f)(1) of this section, “covered OCC employee” means:
   (i) An OCC bank examiner; and
   (ii) Any other OCC employee specified in an OCC instruction or manual issuance whose duties and responsibilities, as determined by the Comptroller of the Currency or his or her designee, require application of the prohibition on outside employment contained in this section to ensure public confidence that the OCC’s programs are conducted impartially and objectively.

(g) Waivers. An agency designee may grant a written waiver from any provision of this section based on a determination made with the advice and legal clearance of the DAEO or Office of the Chief Counsel that the waiver is not inconsistent with part 2635 of this title or otherwise prohibited by law and that, under the particular circumstances, application of the prohibition is not necessary to avoid the appearance of misuse of position or loss of impartiality or otherwise to ensure confidence in the impartiality and objectivity with which agency programs are administered. A waiver under this paragraph may impose appropriate conditions, such as requiring execution of a written disqualification.

§ 3101.109 Additional rules for Office of Thrift Supervision employees.

The following rules apply to the employees of the Office of Thrift Supervision and are in addition to §§ 3101.101 through 3101.104:

(a) Covered OTS employee. For purposes of this section, the term “covered OTS employee” means:
   (1) An OTS examiner;
   (2) An employee in a position at OTS grade 17 or above; and
   (3) Any other OTS employee specified in an OTS instruction or manual issuance whose duties and responsibilities, as determined by the Director of the OTS or his or her designee, require application of the prohibitions contained in this section to ensure public confidence that the OTS’s programs are conducted impartially and objectively.

(b) Prohibited financial interests—(1) Prohibition. Except as provided in paragraphs (b)(3) and (g) of this section, no covered OTS employee, or spouse or minor child of a covered OTS employee, shall own, directly or indirectly, securities of any OTS-regulated savings association or savings association holding company.

(2) Definition of “securities”. For purposes of paragraphs (b)(1) and (b)(3) of this section, the term “securities” includes all interests in debt or equity instruments. The term includes, without limitation, secured and unsecured bonds, debentures, notes, securitized assets and commercial paper, as well as all types of preferred and common stock. The term encompasses both current and contingent ownership interests, including any beneficial or legal interest derived from a trust. It extends to any right to acquire or dispose of any long or short position in such securities and includes, without limitation, interests convertible into such securities, as well as options, rights, warrants, puts, calls, and straddles with respect thereto.

(3) Exceptions. Nothing in this section prohibits a covered OTS employee, or spouse or minor child of a covered OTS employee, from:
   (i) Investing in a publicly traded or publicly available mutual fund or other collective investment fund or in a widely held pension or similar fund provided that the fund does not invest more than 25 percent of its assets in securities of one or more OTS-regulated savings associations or savings association holding companies and the employee neither exercises control over nor has the ability to exercise control over the financial interests held in the fund;
   (ii) Investing in certain non-financial holding companies whose principal business is unrelated to the financial services industry and which are identified as such on a list maintained by the Chief Counsel of the OTS;
§ 310.109

(iii) Using a savings association as custodian or trustee of accounts containing tax-deferred retirement funds; or

(iv) Owning any security pursuant to a waiver granted under paragraph (g) of this section.

(c) Prohibited borrowing—(1) Prohibition on employee borrowing. Except as provided in this section, no covered OTS employee shall seek or obtain any loan or extension of credit, including credit obtained through the use of a credit card, from any OTS-regulated savings association or an officer, director, employee, or subsidiary of any such association.

(2) Prohibition on borrowing by a spouse or minor child. The prohibition in paragraph (c)(1) of this section shall apply to the spouse or minor child of a covered OTS employee unless the loan or extension of credit:

(i) Is supported only by the income or independent means of the spouse or minor child;

(ii) Is obtained on terms and conditions no more favorable than those offered to the general public; and

(iii) The covered OTS employee does not participate in the negotiation for the loan or serve as co-maker, endorser, or guarantor of the loan.

(3) Exceptions. Nothing in this section prohibits a covered OTS employee, or the spouse or minor child of a covered OTS employee, from obtaining a loan or extension of credit described in paragraphs (c)(3)(i) through (c)(3)(iii) of this section from an OTS-regulated savings association if the loan or extension of credit is obtained on terms and conditions no more favorable than those offered to the general public, the employee is not assigned to examine the savings association at the time the loan or extension of credit is obtained, and the employee submits to the Chief Counsel or designee a written disqualification from the supervision of the savings association. The exceptions provided by this paragraph are for loans or extensions of credit obtained:

(i) Through use of a credit card issued by a savings association where:

(A) The employee is assigned to a regional office and the savings association is not headquartered in the employee's region; or

(B) The employee is assigned to the Washington office;

(ii) Through use of a savings association credit card sponsored by a retailing firm (e.g., Sears); or

(iii) Through assumption of a mortgage loan on the employee's residence which is liquidated in accordance with its original terms without renewal or renegotiation, with prior approval from the Chief Counsel, a Regional Director, Regional Deputy Director or designee.

(4) Pre-existing credit. This section does not prohibit a covered OTS employee, or spouse or minor child of a covered OTS employee, from retaining a loan from an OTS-regulated savings association on its original terms if the loan was incurred prior to April 30, 1991, or employment by the OTS, whichever date is later, or as a result of the sale or transfer of the loan to a savings association or the conversion or merger of the lender into an OTS-regulated savings association. Any renewal or renegotiation of a pre-existing loan or extension of credit is covered by paragraphs (c)(1) and (c)(2) of this section.

(d) Restrictions arising from third party relationships. If any of the entities listed in paragraphs (d)(1) through (d)(7) of this section have securities that a covered OTS employee would be prohibited from having by paragraph (b) of this section, or loans or extensions of credit that a covered OTS employee would be prohibited from obtaining under paragraph (c) of this section, the employee shall promptly report such interests to the Chief Counsel or designee. The Chief Counsel or designee may require the employee to terminate the third party relationship, undertake an appropriate disqualification, or take other appropriate action necessary, under the particular circumstances, to avoid a statutory violation or a violation of part 2635 of this title or this part, including an appearance of misuse of position or loss of impartiality.

This paragraph (d) applies to any:

(1) Partnership in which the employee, or spouse or minor child of the employee, is a general partner;

(2) Partnership in which the employee, or spouse or minor child of the
employee, individually or jointly holds more than a 10 percent limited partnership interest;

(3) Closely held corporation in which the employee, or spouse or minor child of the employee, individually or jointly holds more than a 10 percent equity interest;

(4) Trust in which the employee, or spouse or minor child of the employee, has a legal or beneficial interest;

(5) Investment club or similar informal investment arrangement between the employee, or spouse or minor child of the employee, and others;

(6) Qualified profit sharing, retirement or similar plan in which the employee, or spouse or minor child of the employee, has an interest; or

(7) Other entity if the employee, or spouse or minor child of the employee, individually or jointly holds more than a 25 percent equity interest.

(e) Prohibited recommendations. Employees of the OTS shall not make recommendations or suggestions, directly or indirectly, concerning the acquisition or sale, or other divestiture of securities of any OTS-regulated savings association or savings association holding company.

(f) Prohibited purchase of assets. No covered OTS employee, or spouse or minor child of a covered OTS employee, shall purchase, directly or indirectly, an asset (e.g., real property, automobiles, furniture, or similar items) from a savings association or savings association affiliate, including a savings association holding company, unless it is sold at a public auction or by other means which assure that the selling price is the asset’s fair market value.

(g) Waivers. An agency designee may grant a written waiver from any provision of this section based on a determination made with the advice and legal clearance of the DAEO or Office of the Chief Counsel that the waiver is not inconsistent with part 2635 of this title or otherwise prohibited by law and that, under the particular circumstances, application of the prohibition is not necessary to avoid the appearance of misuse of position or loss of impartiality, or otherwise to ensure confidence in the impartiality and objectivity with which agency programs are administered. A waiver under this paragraph may impose appropriate conditions, such as requiring execution of a written disqualification.

§ 3101.110 Additional rules for United States Customs Service employees.

The following rules apply to the employees of the United States Customs Service and are in addition to §§ 3101.101 through 3101.104:

(a) Prohibition on outside employment. No employee of the USCS shall work for a customs broker, international carrier, bonded warehouse, foreign trade zone, cartman, law firm engaged in the practice of customs law or importation department of a business, nor be employed in any private capacity related to the importation or exportation of merchandise.

(b) Restrictions arising from employment of relatives. If the spouse of a USCS employee, or other relative who is dependent on or resides with a USCS employee, is employed in a position that the employee would be prohibited from occupying by paragraph (a) of this section, the employee shall file a report of family member employment with his or her supervisor. Supervisors shall forward such reports to the appropriate Regional Counsel for transmittal to the Chief Counsel. The employee shall be disqualified from participation in any matter involving the relative or the relative’s employer unless an agency designee, with the advice and legal clearance of the DAEO or Office of the Chief Counsel, authorizes the employee to participate in the matter using the standard in §2635.502(d) of this title.

§ 3201.102 Extensions of credit from FDIC-insured depository institutions.

(a) Credit subject to this section. The prohibition, disqualification, and retention provisions of this section apply to a current or contingent financial obligation of the employee. For purposes of this section, a current or contingent financial obligation of an employee’s spouse or minor child is considered to be an obligation of the employee.

(b) Prohibition on acceptance of credit from FDIC-insured State nonmember banks applicable to certain high-level officials. (1) An employee described in paragraph (b)(2) of this section shall not, directly or indirectly, accept or become obligated on an extension of credit from an FDIC-insured State nonmember bank or its subsidiary, except credit extended through the use of a credit card under the same terms and conditions as are offered to the general public.

(ii) The prohibition in paragraph (b)(1) of this section applies to:
(i) An employee who is a member of the Board of Directors, an assistant or deputy to the Board of Directors or to an appointed Board member, and a covered employee who is an assistant to such person; and
(ii) The director of a Washington office or of a division, other than the Division of Supervision and the Division of Compliance and Consumer Affairs, and a covered employee who holds a position immediately subordinate to such director.

(c) Prohibition on acceptance of credit from FDIC-insured State nonmember banks for employees assigned to the Division of Supervision and employees assigned to the Division of Compliance and Consumer Affairs. (1) An employee described in paragraph (c)(2) of this section shall not, directly or indirectly, accept or become obligated on an extension of credit from an FDIC-insured
State nonmember bank or from an officer, director, employee, or subsidiary of such bank, except:

(d) Two-year prohibition on acceptance of credit from FDIC-insured depository institutions. An employee described in paragraph (d)(2) of this section shall not, directly or indirectly, accept or become obligated on an extension of credit from an FDIC-insured depository institution or its subsidiary for a period of two years from the date of the employee’s last personal and substantial participation in an audit, resolution, liquidation, supervisory proceeding, or internal agency deliberation affecting that particular institution, its predecessor or successor, or any subsidiary of such institution. This prohibition does not apply to credit obtained through the use of a credit card under the same terms and conditions as are offered to the general public.

(2) The prohibition in paragraph (d)(1) of this section applies to an employee in the Division of Finance, Division of Resolutions and Receiverships, Division of Insurance, Legal Division, or who is a member of a standing committee of the Board of Directors whose official duties include:

(i) Audit of insured depository institutions for deposit insurance assessment purposes;

(ii) Resolution or liquidation of failed or failing insured depository institutions;

(iii) Participation in the supervision of insured depository institutions or enforcement proceedings under the Federal Deposit Insurance Act; or

(iv) Internal agency deliberations affecting a particular insured depository institution, its predecessor or successor, or a subsidiary of such institution.

(e) Prohibition on acceptance of credit from an assisted or assuming entity for employees of the Division of Depositor and Asset Services. (1) An employee described in paragraph (e)(2) of this section shall not, directly or indirectly, accept or become obligated on any extension of credit from an assisted or assuming entity located in the employee’s region of official assignment. This prohibition does not apply to credit obtained through the use of a credit card under the same terms and conditions as are offered to the general public.

(2) The prohibition in paragraph (e)(1) of this section applies to a regional director, deputy regional director, and any other covered employee in the Division of Depositor and Asset Services assigned to a service center or other field office.
(f) Employee disqualification. (1) An employee described in paragraph (c)(2) of this section shall not participate in an examination, audit, visitation, review, or investigation, or other particular matter involving an FDIC-insured depository institution or other person with whom the employee has an outstanding extension of credit.

(2) A covered employee, other than an employee who is described in paragraph (c)(2) of this section, shall not participate in any particular matter involving an FDIC-insured depository institution or other person with whom the employee has an outstanding extension of credit.

(3) Disqualification is not required under paragraph (f)(2) of this section:

(i) If the credit was extended through the use of a credit card on the same terms and conditions as are offered to the general public; or

(ii) When the agency designee, with the concurrence of the appropriate director, has authorized the employee to participate in the matter using the standard set forth in 5 CFR 2635.502(d).

(4) The Comptroller of the Currency and the Director of the Office of Thrift Supervision shall be disqualified from matters pending before the Board of Directors to the same extent as a covered employee subject to paragraph (f)(2) of this section.

(g) Retention and renegotiation of pre-existing extensions of credit. (1) Nothing in this section prohibits the retention of a pre-existing extension of credit that an employee would be prohibited from accepting by §3201.102(b) or (c) if the extension of credit was permitted to be retained under 12 CFR part 336 prior to the adoption of this regulation or if the employee's acceptance of the extension of credit was proper at the time the obligation was incurred, as in the case of an extension of credit incurred prior to commencement of employment or reassignment to another division or location. Subsequent action affecting the status of the creditor, such as merger, acquisition, or transaction under 12 U.S.C. 1823, does not change the character of an extension of credit that was proper when incurred. An employee who retains a pre-existing extension that he or she would be prohibited from accepting by §3201.102(b) or (c) shall report the pre-existing extension of credit to the appropriate director or agency designee within 30 days from the following event, as appropriate:

(i) Adoption of this part;

(ii) Commencement of employment;

(iii) Assignment to another division or location; or

(iv) Action affecting the status of the creditor.

(2) Any renegotiation of a pre-existing extension of credit shall be treated as a new extension of credit that is subject to the prohibitions contained in §3201.102(b) through (d). An employee may request that an exception be made to the prohibitions to permit renegotiation of a pre-existing extension of credit. Any such request shall be made in writing to the appropriate director and agency designee, or in the case of an employee described in paragraph (b)(2)(i) and (ii) of this section, to the Ethics Counselor, stating:

(i) The purpose of the renegotiation;

(ii) The terms and conditions of the original extension of credit;

(iii) The terms and conditions now available to the general public;

(iv) The terms and conditions now offered to the employee;

(v) The action the employee has taken to move the loan to an institution from which an employee would not be prohibited from accepting an extension of credit; and

(vi) The financial hardship, if any, denial of the request will cause.

(3) After submission of the request, the appropriate director and agency designee, or the Ethics Counselor, may grant the employee's request based upon a written determination that the request is not inconsistent with 5 CFR part 2635 or otherwise prohibited by law and that, under the particular circumstances, application of the prohibition is not necessary to avoid the appearance of the misuse of position or loss of impartiality, or otherwise to ensure confidence in the impartiality and objectivity with which agency programs are administered.

§ 3201.103 Prohibitions on ownership of securities of FDIC-insured depository institutions.

(a) Prohibition on ownership. Except as permitted by this section, an employee or the spouse or minor child of an employee, shall not acquire, own, or control, directly or indirectly, a security of an FDIC-insured depository institution, or an affiliate of an FDIC-insured depository institution.

(b) Exception to prohibition for certain interests. Nothing in this section prohibits an employee, or the spouse or minor child of an employee, from:

(1) Acquiring, owning or controlling the securities of certain publicly traded bank holding companies or their nonbank subsidiaries where the bank holding company is not primarily engaged in banking and either the bank holding company or the bank it holds is exempt under the provisions of the Bank Holding Company Act of 1956 and which are identified as such by the Board of Governors of the Federal Reserve System (a list of exempt institutions can be obtained from the Corporation’s Ethics Section);

(2) Acquiring, owning, or controlling the securities of certain nonfinancial savings association holding companies whose principal business is unrelated to the financial services industry and which are identified as such by the Office of Thrift Supervision pursuant to 5 CFR 310.109(b)(3)(ii) (a list of such institutions can be obtained from the Corporation’s Ethics Section);

(3) Retaining a security of an FDIC-insured depository institution or an affiliate of an FDIC-insured depository institution if the security was permitted to be retained by the employee under 12 CFR part 336 prior to the adoption of this regulation, was obtained prior to commencement of employment with the Corporation, or was acquired by a spouse prior to marriage to the employee;

(4) Acquiring, owning, or controlling a security of an FDIC-insured depository institution or the affiliate of an FDIC-insured depository institution where the security was acquired by inheritance, gift, stock split, involuntary stock dividend, merger, acquisition, or other change in corporate ownership, exercise of preemptive right, or otherwise without specific intent to acquire the security, or, by an employee’s spouse or minor child as part of a compensation package in connection with his or her employment. This provision permits the retention of any such interest only where:

(i) The employee makes full, written disclosure on FDIC form 2410/07 to the Ethics Counselor within 30 days of commencing employment or acquiring the interest; and

(ii) The employee is disqualified in accordance with 5 CFR part 2635, subpart D, from participating in any particular matter that affects his or her financial interests, or that of his or her spouse or minor child;

(5) Acquiring, owning, or controlling an interest in a publicly traded or publicly available investment fund provided that, upon initial or subsequent investment by the employee (excluding ordinary dividend reinvestment), the fund does not have invested, or indicate in its prospectus the intent to invest, more than 30 percent of its assets in the securities of one or more FDIC-insured depository institutions or FDIC-insured depository institution holding companies and the employee neither exercises control nor has the ability to exercise control over the financial interests held in the fund; or

(6) Using an FDIC-insured depository institution or an affiliate of an FDIC-insured depository institution as custodian or trustee of accounts containing tax-deferred retirement funds.

(c) Divestiture. Based upon a determination of substantial conflict under 5 CFR 2635.403(b), the Ethics Counselor may require an employee, or the spouse or minor child of an employee, to divest a security he or she is otherwise authorized to retain under paragraph (b) of this section.

(c) The one-year prohibition imposed by paragraph (a) of this section, and the one-year period preceding the employee's entrance on duty specified in paragraph (a) of this section, may each be extended in an individual case based on a written determination by the agency designee that, under the particular circumstances, the employee's participation in the particular matter would cause a reasonable person with knowledge of the facts to question his or her impartiality.

§ 3301.101 General.
(a) Purpose. The regulations in this part apply to employees of the Department of Energy (DOE), excluding employees of the Federal Energy Regulatory Commission, and supplement the Standards of Ethical Conduct for Employees of the Executive Branch contained in 5 CFR part 2635. DOE employees are also subject to the regulations on financial disclosure contained in 5 CFR part 2634, and to additional regulations on responsibilities and conduct at 5 CFR part 735, and DOE specific provisions contained in 10 CFR part 1010.
(b) Definitions. Unless a term is otherwise defined in this part, the definitions set forth in 5 CFR part 2635 apply to terms used in this part. In addition, for purposes of this part:
Agency designee, as used also in 5 CFR part 2635, means the employee’s immediate supervisor and, for purposes of the approval required by §3301.103(a), includes the Counselor.
Counselor means the DOE’s designated agency ethics official or his delegates.

§ 3301.102 Procedure for accomplishing disqualification.
(a) Disqualifying financial interests. A DOE employee who is required, in accordance with 5 CFR 2635.402(c), to disqualify himself from participation in a particular matter to which he has been assigned shall, notwithstanding the guidance in 5 CFR 2635.402(c)(1) and (2), provide written notice of disqualification to his supervisor and counselor upon determining that he will not participate in the matter.
(b) Disqualification to ensure impartiality. A DOE employee who is required, in accordance with 5 CFR 2635.502(e), to disqualify himself from participation in a particular matter involving specific parties to which he has been assigned shall, notwithstanding the guidance in 5 CFR 2635.502(e)(1) and (2), provide written notice of disqualification to his supervisor and counselor upon determining that he will not participate in the matter.
(c) Disqualification from matter affecting prospective employers. A DOE employee who is required, in accordance with 5 CFR 2635.604(a), to disqualify himself from participation in a particular matter to which he has been assigned shall, notwithstanding the guidance in 5 CFR 2635.604(b) and (c), provide written notice of disqualification to his supervisor and counselor upon determining that he will not participate in the matter.
(d) Withdrawal of notification. A DOE employee may withdraw written notice under paragraphs (a), (b), or (c) of this section upon deciding that disqualification from participation in the matter is no longer required. A withdrawal of notification shall be in writing and provided to the employee’s supervisor and counselor.

§ 3301.103 Prior approval for outside employment.
(a) Prior approval requirement. Before engaging in any outside employment, whether or not for compensation, an employee, other than a special Government employee, must obtain written approval of his immediate supervisor and the Counselor. Requests for approval shall include the name of the person, group or organization for whom the work is to be performed; the type of work to be performed; and the proposed hours of work and approximate dates of employment.
(b) Standard for approval. Approval shall be granted unless there is a determination that the outside employment is expected to involve conduct prohibited by statute or Federal regulation, including 5 CFR part 2635.
(c) Definition of employment. For purposes of this section, “employment” means any form of non-Federal employment or business relationship involving the provision of personal services by the employee. PART 3401—SUPPLEMENTAL STANDARDS OF ETHICAL CONDUCT FOR EMPLOYEES OF THE FEDERAL ENERGY REGULATORY COMMISSION

Sec. 3401.101 General.
3401.102 Prohibited financial interests.
3401.103 Procedures for accomplishing disqualification.
3401.104 Prior approval for outside employment.

SOURCE: 61 FR 43414, Aug. 23, 1996, unless otherwise noted.

§ 3401.101 General.

In accordance with 5 CFR 2635.105, the regulations in this part apply to employees of the Federal Energy Regulatory Commission (Commission) and supplement the Standards of Ethical Conduct for Employees of the Executive Branch contained in 5 CFR part 2635. In addition to the standards in 5 CFR part 2635 and this part, employees are subject to the executive branch financial disclosure regulations contained in 5 CFR part 2634, additional regulations on responsibilities and conduct at 5 CFR part 735, and Commission specific provisions contained in 18 CFR part 3c.

§ 3401.102 Prohibited financial interests.

(a) General prohibition. Except as provided in paragraphs (b) and (c) of this section, an employee, or the spouse or minor child of an employee, shall not acquire or hold any securities of:

(1) A natural gas company;
(2) An interstate oil pipeline;
(3) A hydroelectric licensee or exemptee;
(4) A public utility;
(5) Any electric utility engaged in the wholesale sale or transmission of electricity or having obtained an interconnection or wheeling order under Part II of the Federal Power Act; or

(b) Waiver. The DAEO may grant a written waiver from this section based on a determination that the waiver is not inconsistent with part 2635 of this title or otherwise prohibited by law and that, under the particular circumstances, application of the provision is not necessary to avoid the appearance of misuse of position or loss of impartiality, or otherwise to ensure confidence in the impartiality and objectivity with which Commission programs are administered. A waiver under this paragraph may impose appropriate conditions, such as requiring execution of a written disqualification.

(c) Definitions. For purposes of this section:

(1) The term securities includes all interests in debt or equity instruments. The term includes, without limitation, secured and unsecured bonds, debentures, notes, securitized assets, and commercial paper, as well as all types of preferred and common stock. The term encompasses both current and contingent ownership interests, including any beneficial or legal interest derived from a trust. It extends to any right to acquire any long or short position in such securities and includes, without limitation, interests convertible into such securities, as well as options, rights, warrants, puts, calls and straddles with respect thereto. It does not include an interest in a publicly traded or publicly available mutual fund or other collective investment fund, or in a widely held pension or similar fund, provided that the fund’s prospectus does not indicate the objective or practice of concentrating its investments in entities identified in paragraphs (a)(1) through (a)(5) of this section, and the employee neither exercises control nor has the ability to exercise control over the financial interests held in the fund.

(2) The term parent means a company that possesses, directly or indirectly, the power to direct or cause the direction of the management and policies of an entity identified in paragraphs (a)(1) through (a)(5) of this section.
§ 3401.103 Procedures for accomplishing disqualification.

(a) An employee, other than a member of the Commission, who is required, in accordance with 5 CFR 2635.402(c), 2635.502(e), or 2635.604(a), to disqualify himself from participation in a particular matter before the Commission shall provide written notice of disqualification to his supervisor and to the DAEO when he becomes aware of the need to disqualify himself from participation in the matter. This procedure is required notwithstanding the guidance in 5 CFR 2635.402(c)(2), 2635.502(e)(2), and 2635.604(c).

(b) An employee may withdraw written notice under paragraph (a) of this section upon determining that disqualification from participation in the matter is no longer required. A withdrawal of disqualification shall be in writing and shall be provided to the employee's supervisor and to the DAEO.

§ 3401.104 Prior approval for outside employment.

(a) Prior approval requirement. An employee, other than a special Government employee, must obtain written approval from the DAEO through normal supervisory channels before engaging in outside employment with any person who is a "prohibited source" as that term is defined at 5 CFR 2635.203(d).

(b) Approval of requests. Approval under this section shall be denied only upon a determination by the DAEO that the outside activity is expected to involve conduct prohibited by statute or Federal regulations, including 5 CFR part 2635.

(c) Definitions. For purposes of this section, "employment" means any form of non-Federal employment or business relationship or activity involving the provision of personal services by the employee for compensation other than reimbursement of actual and necessary expenses. It includes, but is not limited to, personal services as an officer, director, employee, agent, attorney, consultant, contractor, general partner, or trustee.

PART 3501—SUPPLEMENTAL STANDARDS OF ETHICAL CONDUCT FOR EMPLOYEES OF THE DEPARTMENT OF THE INTERIOR

Sec. 3501.101 General.
3501.102 Designation of separate agency components.
3501.103 Prohibited interests in Federal lands.
3501.104 Prohibited interests in mining.

§ 3501.101 General.
(a) In accordance with 5 CFR 2635.105, the regulations in this part apply to employees of the Department of the Interior and supplement the Standards of Ethical Conduct for Employees of the Executive Branch contained in 5 CFR part 2635. In addition to the regulations in 5 CFR part 2635 and this part, employees of the Department are subject to the employee responsibilities and conduct regulations at 5 CFR part 735; the executive branch financial disclosure regulations at 5 CFR part 2634; and the Department’s employee responsibilities and conduct regulations at 43 CFR part 20.
(b) Definitions. As used in this part:
(1) Department means the U.S. Department of the Interior and any of its components.
(2) Bureau means each major program operating component of the Department, the Office of the Secretary, the Office of the Solicitor, and the Office of the Inspector General.
(3) Designated Agency Ethics Official means the Assistant Secretary—Policy, Management and Budget.
(4) Ethics Counselor means the head of each bureau, except that the Deputy Assistant Secretary for Policy is the Ethics Counselor for employees within the Office of the Secretary.
(5) Deputy Ethics Counselor means the bureau personnel officer or other qualified headquarters employee who has been delegated responsibility for the operational duties of the Ethics Counselor for the bureau.
(c) Bureau instructions. With the concurrence of the Designated Agency Ethics Official, each Ethics Counselor is authorized, consistent with 5 CFR 2635.105(c), to issue explanatory guidance and establish procedures necessary to implement this part and part 2635 of this title for his or her bureau.

§ 3501.102 Designation of separate agency components.
(a) Each of the following ten components of the Department is designated as an agency separate from each of the other nine listed components and, for employees of that component, as an agency distinct from the remainder of the Department, for purposes of the regulations in subpart B of 5 CFR 2635 governing gifts from outside sources, 5 CFR 2635.807 governing teaching, speaking and writing, and § 3501.105 requiring prior approval of outside employment. However, the following ten components are not deemed to be separate agencies for purposes of applying any provision of 5 CFR part 2635 or this part to employees of the remainder of the Department:
(1) Bureau of Indian Affairs, including the Office of Indian Education Programs;
(2) Bureau of Land Management;
(3) Bureau of Reclamation;
(4) Minerals Management Service;
(5) National Indian Gaming Commission;
(6) National Park Service;
(7) Office of Surface Mining Reclamation and Enforcement;
(8) Office of the Special Trustee for American Indians;
(9) U.S. Fish and Wildlife Service; and
(10) U.S. Geological Survey.
(b) Employees in components not listed in paragraph (a) of this section (including employees within the immediate office of each Assistant Secretary) are employees of the remainder of the Department, which for those employees shall include the components designated in this section as well as those parts of the Department not designated in this section.
Example 1: A company that conducts activities regulated by the Bureau of Land Management would not be a prohibited source of gifts for an employee of the National Park Service (NPS), unless that company seeks official action by the NPS; does business or seeks to do business with the NPS; conducts activities that are regulated by the NPS; or has interests that may be substantially affected by the performance or nonperformance of that employee’s official duties.

Example 2: A paralegal who works part-time in the Office of the Solicitor wants to take an additional part-time job with a private company that does business with the U.S. Geological Survey. The company is a prohibited source for the paralegal, since the company does business with a component of the Department from which his component has not been listed as separate in §3501.102(a). The paralegal must obtain prior approval for the outside employment, because §3501.105 requires employees to obtain such approval before engaging in outside employment with a prohibited source.

§ 3501.103 Prohibited interests in Federal lands.

(a) Cross-references to statutory prohibitions—(1) Prohibited purchases of public land by Bureau of Land Management employees. As set forth in 43 CFR 20.401, the officers, clerks, and employees in the Bureau of Land Management are prohibited by 43 U.S.C. 11 from directly or indirectly purchasing or becoming interested in the purchase of any of the public lands.

(2) Prohibited interests in the lands or mineral wealth of the region under survey for U.S. Geological Survey employees. As set forth in 43 CFR 20.401, the Director and members of the U.S. Geological Survey are prohibited by 43 U.S.C. 11 from directly or indirectly purchasing or becoming interested in the purchase of any of the public lands.

(b) Prohibited financial interests in Federal lands for Minerals Management Service employees and for the Secretary and employees of the Office of the Secretary and other Departmental offices reporting directly to a Secretarial officer who are in positions classified at GS-15 and above. As used in this section, “Office of the Secretary and other Departmental Offices reporting directly to a Secretarial officer” means the Immediate Office of the Secretary; Office of the Solicitor; Office of the Inspector General; Office of Communications; Office of Environmental Policy and Compliance; Office of Policy Analysis; Office of Financial Management, and Office of Information Resources Management.

(2) Exceptions. The prohibition in paragraph (b)(1) of this section does not apply to:

(i) An individual employed on an intermittent or seasonal basis for a period not exceeding 180 working days in each calendar year; or

(ii) A special Government employee engaged in field work relating to land, range, forest, and mineral conservation and management activities.

(c) Prohibition as to Department-granted rights in Federal lands. (1) Except as provided in paragraph (c)(2) of this section, employees and their spouses and their minor children are prohibited from acquiring or retaining any claim, permit, lease, small tract entries, or other rights that are granted by the Department in Federal lands.

(2) Exceptions. (i) Nothing in paragraph (c)(1) of this section prohibits the recreational or other personal and noncommercial use of Federal lands by an employee, or the employee’s spouse or minor child, on the same terms as use of Federal lands is available to the general public.

(ii) Unless otherwise prohibited by law, employees in the Office of the Assistant Secretary—Indian Affairs, or in
§ 3501.104 Prohibited interests in mining.

(a) Cross-referenced to statutory prohibition. As set forth in 30 CFR part 706 and 43 CFR 20.402, employees of the Office of Surface Mining Reclamation and Enforcement and other employees who perform functions or duties under the Surface Mining Control and Reclamation Act of 1977, 30 U.S.C. 1201 et seq., are prohibited by 30 U.S.C. 1211(f) from having a direct or indirect financial interest in underground or surface coal mining operations.

(b) Prohibited interests in private mining activities in the United States for U.S. Geological Survey employees, their spouses, and minor children. (1) Except as provided in this section, no employee of the U.S. Geological Survey (USGS), or spouse or minor child of a USGS employee, shall have a direct or indirect financial interest in private mining activities in the United States.

(2) Definitions. For purposes of applying the prohibition in paragraph (b)(1) of this section:

(i) Financial interest has the meaning set forth in 5 CFR 2635.403(c), and includes an employee’s legal or beneficial interest in a trust.

(ii) Private mining activities means exploration, development, and production of oil, gas, and other minerals on land in the United States that is not owned by the Federal government or by a State or local government.

(3) Exceptions. The prohibition set forth in paragraph (b)(1) of this section does not apply to:

(i)(A) Financial interests worth $5000 or less, for employees (or their spouses and minor children) of the Office of the Director and the Geologic Division, or

(B) A single financial interest worth $5000 or less or an aggregate of financial interests worth $15,000 or less, for employees (or their spouses and minor children) of all other USGS organizational elements;

(ii) Mineral royalties and overriding royalty interests of $600 per year or less;

(iii) A publicly traded or publicly available investment fund (e.g., a mutual fund) which, in its prospectus, does not indicate the objective or practice of concentrating its investments in entities engaged in private mining activities in the United States, if the employee neither exercises control nor has the ability to exercise control over the financial interests held in the fund;

(iv) A legal or beneficial interest in a qualified profit sharing, retirement, or similar plan, provided that the plan does not invest more than 25 percent of its funds in debt or equity instruments of entities engaged in private mining
activities in the United States, and the employee neither exercise control nor has the ability to exercise control over the financial interests held in the plan; or

(iv) The ownership of a financial interest by an employee’s spouse or minor child where the spouse or minor child obtained the interest through:

(A) A gift from someone other than the employee or a member of the employee’s household;
(B) Inheritance;
(C) Acquisition prior to the employee’s becoming a USGS employee;
(D) Acquisition prior to marriage to a USGS employee; or
(E) A compensation package in connection with the employment of the spouse or minor child.

(4) Divestiture. The Director of the U.S. Geological Survey may require an employee to divest an interest the employee is otherwise authorized to retain under an exception listed in paragraph (b)(3) of this section, based on a determination of substantial conflict under §2635.403(b) of this title.

(5) Waivers. The Director of the U.S. Geological Survey may grant a written waiver from the prohibition contained in paragraph (b)(1) of this section, based on a determination of substantial conflict under §2635.403(b) of this title.

(6) Pre-existing interests. A spouse or minor child of an employee may retain a financial interest otherwise prohibited by paragraph (b)(1) of this section which was permitted under criteria and procedures in effect before November 2, 1996, unless the Director of the U.S. Geological Survey determines in writing that such retention is inconsistent with the standards for waivers in paragraph (b)(5) of this section.

§ 3501.105 Outside employment and activities.

(a) Prohibited outside employment and activities. (1) Under 43 U.S.C. 33(a), employees of the U.S. Geological Survey shall execute no surveys or examinations for private parties or corporations.

(2) Employees in the Bureau of Land Management may not engage in outside employment as real estate agents and realty specialists. Such employees are not required to cancel a real estate license, but may maintain the license on an inactive basis.

(3) Employees in the Office of the Assistant Secretary—Indian Affairs, or in the Bureau of Indian Affairs (BIA), may not hold a position on a tribal election board or on a tribal school board which oversees BIA schools.

NOTE TO PARAGRAPH (a)(3): Except for membership on a tribal election board and a tribal school board which oversees BIA schools, an eligible person employed in the Office of the Assistant Secretary—Indian Affairs or in the BIA may become a candidate for office in his local tribe or may be appointed as a representative of his local tribe if prior approval is obtained from the Deputy Assistant Secretary—Indian Affairs pursuant to paragraph (b) of this section.

(b) Prior approval of outside employment—(1) Prior approval requirement. (i) An employee of the Department, other than an employee of the U.S. Geological Survey or a special Government employee, shall obtain written approval from his ethics counselor or other agency designee before engaging in outside employment with a prohibited source.

(ii)(A) An employee of the U.S. Geological Survey (USGS), other than a special Government employee, shall obtain written approval from his ethics counselor or other agency designee before engaging in outside employment with a prohibited source.

(ii)(A) An employee of the U.S. Geological Survey (USGS), other than a special Government employee, shall obtain written approval from the USGS deputy ethics counselor before engaging in any outside employment.

(B) The USGS may issue instructions exempting categories of employment from the prior approval requirement in paragraph (b)(1)(ii)(A) of this section, based on a determination that the employment within those categories would generally be approved and are
§ 3501.105

not likely to involve conduct prohibited by statute or Federal regulation, including 5 CFR part 2635 and this part.

(2) Form of request for approval.

(i) A request for prior approval of outside employment shall include, at a minimum, the following:

(A) The employee's name, occupational title, office address, and office telephone number;

(B) A brief description of the employee's official duties;

(C) The nature of the outside employment, including a full description of the specific duties or services to be performed;

(D) The name and address of the prospective outside employer; and

(E) A statement that the employee currently has no official duties involving a matter that affects the outside employer and will disqualify himself from future participation in matters that could directly affect the outside employer.

(ii) Upon a significant change in the nature of the outside employment or in the employee's official position, the employee shall submit a revised request for approval.

(3) Standard for approval. Approval shall be granted unless a determination is made that the outside employment is expected to involve conduct prohibited by statute or Federal regulation, including 5 CFR part 2635 and this part.

(4) Definitions. As used in this section:

(i) Employment means any form of non-Federal business relationship involving the provision of personal services by the employee, with or without compensation. It includes but is not limited to personal services as an officer, director, employee, agent, attorney, consultant, contractor, general partner, trustee, teacher, or speaker. It includes writing done under an arrangement with another person for production or publication of the written product. It does not, however, include participation in the activities of a non-profit charitable, religious, professional, social, fraternal, educational, recreational, public service, or civic organization, unless the participation involves the provision of professional services or advice for compensation other than reimbursement for actual expenses.

(ii) Prohibited source has the meaning in 5 CFR 2635.203(d), as supplemented by § 3501.102, and includes any person who:

SOURCE: 58 FR 47622, Sept. 10, 1993, unless otherwise noted.

§ 3601.101 Purpose.
In accordance with 5 CFR 2635.105, the regulations in this part apply to employees of the Department of Defense (DoD) and supplement the Standards of Ethical Conduct for Employees of the Executive Branch contained in 5 CFR part 2635. DoD employees are required to comply with part 2635, this part, and implementing guidance and procedures.

§ 3601.102 Designation of separate agency components.
(a) Pursuant to 5 CFR 2635.203(a), each of the following components of DoD is designated as a separate agency for purposes of the regulations in subpart B of 5 CFR part 2635 governing gifts from outside sources and 5 CFR 2635.807 governing teaching, speaking and writing:
(1) Department of the Army;
(2) Department of the Navy;
(3) Department of the Air Force;
(4) Defense Commissary Agency;
(5) Defense Contract Audit Agency;
(6) Defense Finance and Accounting Service;
(7) Defense Information Systems Agency;
(8) Defense Intelligence Agency;
(9) Defense Investigative Service;
(10) Defense Logistics Agency;
(11) Defense Mapping Agency;
(12) Defense Nuclear Agency;
(13) National Security Agency;
(14) Office of the Inspector General; and
(15) Uniformed Services University of the Health Sciences.
(b) Employees of DoD components not designated as separate agencies, including employees of the Office of the Secretary of Defense, will be treated as employees of DoD which shall be treated as a single agency that is separate from the above listed agencies for purposes of determining whether the donor of a gift is a prohibited source under 5 CFR 2635.203(d) and for identifying the DoD employee’s agency under 5 CFR 2635.807 governing teaching, speaking and writing.

§ 3601.103 Additional exceptions for gifts from outside sources.
In addition to the gifts which come within the exceptions set forth in 5 CFR 2635.204, and subject to all provisions of 5 CFR 2635.201 through 2635.205, a DoD employee may accept gifts from outside sources otherwise prohibited by 5 CFR 2635.201(a) as follows:
(a) Events sponsored by States, local governments or civic organizations. A DoD employee may accept a sponsor’s unsolicited gift of free attendance for himself and an accompanying spouse at an event sponsored by a State or local government or by a civic organization exempt from taxation under 26 U.S.C. 501(c)(4) when:
(1) The agency designee has determined that the community relations interests of the agency will be served by the DoD employee’s attendance;
(2) The cost of the DoD employee’s and the spouse’s attendance is provided by the sponsor in accordance with 5 CFR 2635.204(g)(5); and
(3) The gift of free attendance meets the definition in 5 CFR 2635.204(g)(4).
(b) Scholarships and grants. A DoD employee, or the dependent of a DoD employee, may accept an educational scholarship or grant from an entity that does not have interests that may...
be substantially affected by the performance or non-performance of the involved DoD employee’s official duties, or from an association or similar entity that does not have a majority of members with such interests, if the designated agency ethics official or designee determines that:

(a) The scholarship or grant is made as part of an established program of grants or awards that is funded, wholly or in part, to ensure its continuation on a regular basis and under which recipients are selected pursuant to written standards; or

(b) The scholarship or grant is established for the benefit of DoD employees, or the dependents of DoD employees, and recipients are selected pursuant to written standards approved by the Secretary of Defense or, where the scholarship or grant is available only to military members or their dependents, by the Secretary of the military department concerned.

§ 3601.105 Standards for accomplishing disqualification.

(a) Disqualifying financial interests. A DoD employee who is required, in accordance with 5 CFR 2635.402(c), to disqualify himself from participation in a particular matter to which he has been assigned shall, notwithstanding the guidance in 5 CFR 2635.402(c)(1) and (2), provide written notice of disqualification to his supervisor upon determining that he will not participate in the matter.

(b) Disqualification to ensure impartiality. A DoD employee who is required, in accordance with 5 CFR 2635.502(e), to disqualify himself from participation in a particular matter involving specific parties to which he has been assigned shall, notwithstanding the guidance in 5 CFR 2635.502(e)(1) and (2), provide written notice of disqualification to his supervisor upon determining that he will not participate in the matter.

(c) Disqualification from matter effecting prospective employees. A DoD employee who is required, in accordance with 5 CFR 2635.604(a), to disqualify himself from participation in a particular matter to which he has been assigned shall, notwithstanding the guidance in 5 CFR 2635.604(b) and (c), provide written notice of disqualification to his supervisor upon determining that he will not participate in the matter.
(d) Withdrawal of notification. A DoD employee may withdraw written notice under paragraphs (a), (b) or (c) of this section upon deciding that disqualification from participation in the matter is no longer required.

§ 3601.106 Limitation on solicited sales.

A DoD employee shall not knowingly solicit or make solicited sales to DoD personnel who are junior in rank, grade or position, or to the family members of such personnel, on or off duty. In the absence of coercion or intimidation, this does not prohibit the sale or lease of a DoD employee’s noncommercial personal or real property or commercial sales solicited and made in a retail establishment during off-duty employment. The posting of an advertisement in accordance with Federal building management policies does not constitute solicitation for purposes of this section.

§ 3601.107 Prior approval for outside employment and business activities.

(a) A DoD employee, other than a special Government employee, who is required to file a financial disclosure report (SF 450 or SF 278) shall obtain written approval from the agency designee before engaging in a business activity or compensated outside employment with a prohibited source, unless general approval has been given in accordance with paragraph (b) of this section. Approval shall be granted unless a determination is made that the business activity or compensated outside employment is expected to involve conduct prohibited by statute or regulation. For purposes of this section, the following definitions apply:

(1) Business activity. Any business, contractual or other financial relationship not involving the provision of personal services by the DoD employee. It does not include a routine commercial transaction or the purchase of an asset or interest, such as common stock, that is available to the general public;

(2) Employment. Any form of non-Federal employment or business relationship involving the provision of personal services by the DoD employee. It includes, but is not limited to, personal services as an officer, director, employee, agent, attorney, consultant, contractor, general partner or trustee; and

(3) Prohibited source. See 5 CFR 2635.203(d) (modified by the separate DoD component agency designations in § 3601.102 of this part).

(b) The DoD component designated agency ethics official or designee may, by a written notice, exempt categories of business activities or employment from the requirement of paragraph (a) of this section, for prior approval based on a determination that business activities or employment within those categories would generally be approved and are not likely to involve conduct prohibited by statute or regulation.

§ 3601.108 Disclaimer for speeches and writings devoted to agency matters.

A DoD employee who uses or permits the use of his military rank or who includes or permits the inclusion of his title or position as one of several biographical details given to identify himself in connection with teaching, speaking or writing, in accordance with 5 CFR 2635.807(b), shall make a disclaimer if the subject of the teaching, speaking or writing deals in significant part with any ongoing or announced policy, program or operation of the DoD employee’s agency, as defined in § 3601.102, and the DoD employee has not been authorized by appropriate agency authority to present that material as the agency’s position. The disclaimer shall be made as follows:

(a) The required disclaimer shall expressly state that the views presented are those of the speaker or author and do not necessarily represent the views of DoD or its components.

(b) Where a disclaimer is required for an article, book or other writing, the disclaimer will be printed in a reasonably prominent position in the writing itself.

(c) Where a disclaimer is required for a speech or other oral presentation, the disclaimer may be given orally provided it is given at the beginning of the oral presentation.

(a) In the absence of prior approval by the agency designee, no employee shall purchase, directly or indirectly, from the Department of Justice or its agents property forfeited to the United States and no employee shall use property forfeited to the United States which has been purchased, directly or indirectly, from the Department of Justice or its agents by his spouse or minor child. Approval may be granted only on the basis of a written determination by the agency designee that in the mind of a reasonable person with knowledge of the circumstances, purchase or use by the employee of the asset will not raise a question as to whether the employee has used his official position or nonpublic information to obtain or assist in an advantageous purchase or create an appearance of loss of impartiality in the performance of the employee’s duties. A copy of the written determination shall be filed with the Deputy Attorney General.

(b) No employee of the United States Marshals Service, Federal Bureau of Investigation, or Drug Enforcement Administration shall purchase, directly or indirectly, from his component, the General Services Administration, or the agent of either, property formerly used by that component and no such employee shall use property formerly used by his component which has been purchased, directly or indirectly, by his spouse or minor child from his component, the General Services Administration, or to the agent of either.

§ 3801.105 Personal use of Government property.

Employees are prohibited by part 2635 of this title and the application of the teaching, speaking and writing provisions found in § 2635.807 of this title.

§ 3801.106 Outside employment.

(a) Definition. For purposes of this section, outside employment means any form of employment, business relationship or activity, involving the provision of personal services whether or not for compensation, other than in the discharge of official duties. It includes, but is not limited to, services as a lawyer, officer, director, trustee, employee, agent, consultant, contractor, or general partner. Speaking, writing and serving as a fact witness are excluded from this definition, so long as they are not combined with the provision of other services that do fall within this definition, such as the practice of law. Employees who wish to engage in compensated speaking and writing should review § 2635.807 of this title.

(b) Prohibited outside employment. (1) No employee may engage in outside employment that involves:

(i) The practice of law, unless it is uncompensated and in the nature of community service, or unless it is on behalf of himself, his parents, spouse, or children;

(ii) Any criminal or habeas corpus matter, be it Federal, State, or local;

(iii) Litigation, investigations, grants or other matters in which the Department of Justice is or represents a party, witness, litigant, investigator or grant-maker.

(2) Where application of the restrictions of paragraph (b)(1) of this section will cause undue personal or family hardship; unduly prohibit an employee from completing a professional obligation entered into prior to Government service; or unduly restrict the Department from securing necessary and uniquely specialized services, the restrictions may be waived in writing based upon a determination that the activities covered by the waiver are not expected to involve conduct prohibited by statute or Federal regulation. Employees should refer to DOJ Order 1735.1 on obtaining waivers. The Order is available from the agency designee which, for purposes of this rule, shall be the Deputy Designated Agency Ethics official for the component.

(c) Prior approval for outside employment. (1) An employee must obtain
written approval before engaging in outside employment, not otherwise prohibited by paragraph (b) of this section that involves:

(i) The practice of law; or
(ii) A subject matter, policy, or program that is in his component’s area of responsibility.

(2) Employees should refer to DOJ Order 1735.1 for procedures on obtaining prior approval. A waiver granted pursuant to paragraph (b)(2) of this section will be sufficient to satisfy this prior approval requirement.

(3) Approval shall be granted only upon a determination that the outside employment is not expected to involve conduct that is prohibited by statute or Federal regulation.

or minor child of a covered employee, from:

(1) Investing in a publicly traded or publicly available investment fund which, in its prospectus, does not indicate the objective or practice of concentrating its investments in the securities of System institutions or related entities, if the employee neither exercises control over nor has the ability to exercise control over the financial interests held in the fund;

(2) Having a legal or beneficial interest in a qualified profit sharing, retirement, or similar plan, provided that the plan does not invest more than 25 percent of its funds in securities of System institutions or related entities, and the employee neither exercises control over nor has the ability to exercise control over the financial interests held in the plan;

Except as provided in paragraph (b) of this section, no covered employee, or spouse or minor child of a covered employee, shall seek or obtain any loan or extension of credit from a System institution or from an officer, director, employee, or related entity of a System institution.

(b) Exception. This section does not prohibit a covered employee, or spouse or minor child of a covered employee, from retaining a loan from a System institution on its original terms if the loan was obtained prior to appointment to a covered employee position. For loans retained pursuant to this paragraph, a covered employee shall submit to his or her immediate supervisor, the ethics liaison in his or her office, and the DAEO, a written disqualification from examining, auditing, visiting, reviewing, investigating, or otherwise participating in the regulation or supervision of the System institution that is providing the retained credit. Written disqualification shall be made within 30 days of appointment to a covered employee position on a form prescribed by the DAEO. Any renewal or renegotiation of a pre-existing loan or extension of credit will be treated as a new loan subject to the prohibition in paragraph (a) of this section.

§ 4001.105 Purchase of System institution assets.

(a) Prohibition on purchasing assets owned by a System institution. No employee, or spouse or minor child of an employee, shall purchase, directly or indirectly, an asset (such as real property, vehicles, furniture, or similar items) from a System institution or related entity, regardless of how the asset is sold.

(2) Disqualification. An employee who is involved in the disposition of receivership or conservatorship assets, or assets acquired by the Corporation as a result of its provision of open bank assistance to troubled System banks, shall disqualify himself or herself from participation in the disposition of such assets when the employee becomes aware that anyone with whom the employee has a covered relationship, as defined in § 2635.502(b)(1) of the Executive Branch-wide Standards, is or will be attempting to acquire such assets. When the spouse of a covered employee, or other relative who is dependent on or resides with a covered employee, is employed in a position that the employee would be prohibited from occupying by § 4001.108(a), the employee shall file a report of family member employment with his or her immediate
§ 4001.107 Involvement in System institution board member elections.

No covered employee who is able to participate in a System institution board election because of System securities owned by virtue of retaining a pre-existing loan or extension of credit from a System institution in accordance with §4001.104(b) shall take any part, directly or indirectly, in the nomination or election of a board member of a System institution, other than by exercising the right to vote. In addition, a covered employee shall not make any oral or written statement that may be reasonably construed as intending to influence any vote in such nominations or elections.

§ 4001.108 Outside employment and business activity.

(a) Prohibition. No covered employee shall perform services, either on a paid or unpaid basis, for any System institution or related entity, or any officer, director, employee, or person connected with a System institution or related entity. An employee proposing to engage in outside employment and business activities is required, prior to commencement, to send a written notice of the proposed employment or activity to the DAEO on a form prescribed by the DAEO. Approval shall be granted only upon a determination that the employment or activity is not expected to involve conduct prohibited by statute, part 2635 of this title, or paragraph (a) of this section.

(c) Definition. For purposes of this section, “employment” means any form of non-Federal employment, business relationship or activity involving the provision of personal services by the employee, whether or not for compensation. It includes, but is not limited to, personal services as an officer, director, employee, agent, attorney, consultant, contractor, general partner, trustee, teacher, or speaker. It includes writing when done under an arrangement with another person for production or publication of the written product. It does not, however, include participation in the activities of a non-profit charitable, religious, professional, social, fraternal, educational, recreational, public service, or civic organization for which no compensation is received other than reimbursement for necessary expenses.

§ 4001.109 Waivers.

The DAEO may grant a written waiver from any provision of this part based on a determination that the waiver is not inconsistent with part 2635 of this title or otherwise prohibited by law and that, under the particular circumstances, application of the provision is not necessary to avoid the appearance of misuse of position or loss of impartiality, or otherwise to ensure confidence in the impartiality and objectivity with which Corporation programs are administered. A waiver under this paragraph may impose appropriate conditions, such as requiring execution of a written disqualification.

The FCA Designated Agency Ethics Official (DAEO) or his or her designee, in consultation with the Office Directors, will determine which employees are covered for the purpose of this part.
(b) Related entity means:

(2) Affiliates defined in section 8.11(e) of the Act, 12 U.S.C. 2279aa-11;
(3) Service organizations authorized by section 4.25 of the Act, 12 U.S.C. 2211; and
(4) Any other entity owned or controlled by one or more Farm Credit System (System) institution that is not chartered by the FCA.
(c) System institution refers to:
(1) All institutions chartered and regulated by the FCA as described in section 1.2 of the Act, 12 U.S.C. 2002;  
(2) The Federal Farm Credit Banks Funding Corporation, established pursuant to section 4.9 of the Act, 12 U.S.C. 2160; and

§ 4101.103 Prohibited financial interests.
(a) Prohibition. Except as provided in paragraph (c) of this section and §4101.109, no covered employee, or spouse or minor child of a covered employee, shall own, directly or indirectly, securities issued by a System institution or related entity.
(b) Definition of securities. For purposes of this section, the term ‘securities’ includes all interests in debt or equity instruments. The term includes, without limitation, secured and unsecured bonds, debentures, notes, securitized assets and commercial paper, as well as all types of preferred and common stock. The term encompasses both current and contingent ownership interests, including any beneficial or legal interest derived from a trust. It extends to any right to acquire or dispose of any long and short position in such securities and includes, without limitation, interests convertible into such securities, as well as options, rights, warrants, puts, calls, and straddles relating to such securities.
(c) Exceptions. Nothing in this section prohibits a covered employee, or spouse or minor child of a covered employee, from:
§ 4101.105 Purchase of System institution assets.

(a) Prohibition on purchasing assets owned by a System institution. No covered employee, or spouse or minor child of a covered employee, shall purchase, directly or indirectly, an asset (such as real property, vehicles, furniture, or similar items) from a System institution or related entity, unless it is sold at a public auction or by other means which assure that the selling price is the asset’s fair market value. A covered employee shall obtain concurrence from the DAEO about whether a proposed purchase of a System institution asset is proper.

(b) Assets held or managed by the Farm Credit System Insurance Corporation or a receiver or conservator—(1) Prohibition on purchase. No covered employee, or spouse or minor child of a covered employee, shall purchase, directly or indirectly, an asset (such as real property, vehicles, furniture, or similar items) that is held or managed by a receiver or conservator for a System institution or that is held by the Farm Credit System Insurance Corporation (Corporation) as a result of its provision of open bank assistance to troubled System banks regardless of how the asset is sold.

(2) Disqualification. A covered employee who is involved in the disposition of receivership or conservatorship assets, or assets acquired by the Corporation as a result of its provision of open bank assistance to troubled System banks, shall disqualify himself or herself from participation in the disposition of such assets when the employee becomes aware that anyone with whom the employee has a covered relationship, as defined in §2635.502(b)(1) of the Executive Branchwide Standards, is or will be attempting to acquire such assets. The employee shall provide written notification of the disqualification to his or her immediate supervisor, the ethics liaison in his or her office, and the DAEO.

§ 4101.104 Prohibited borrowing.

(a) Prohibition on employee borrowing. Except as provided in paragraph (b) of this section, no covered employee, or spouse or minor child of a covered employee, shall seek or obtain any loan or extension of credit from a System institution or from an officer, director, employee, or related entity of a System institution.

(b) Exception. This section does not prohibit a covered employee, or spouse or minor child of a covered employee, from retaining a loan from a System institution on its original terms if the loan was obtained prior to appointment to a covered employee position. For loans retained pursuant to this paragraph, a covered employee shall submit to his or her immediate supervisor, the ethics liaison in his or her office, and the DAEO, a written disqualification from examining, auditing, visiting, reviewing, investigating, or otherwise participating in the supervision of the System institution that is providing the retained credit. Written disqualification shall be made within 30 days of appointment to a covered employee position on a form prescribed by the DAEO. Any renewal or renegotiation of a pre-existing loan or extension of credit will be treated as a new loan subject to the prohibition in paragraph (a) of this section.
§ 4101.106 Restrictions arising from the employment of relatives.

When the spouse of a covered employee, or other relative who is dependent on or resides with a covered employee, is employed in a position that the employee would be prohibited from occupying by § 4101.108(a), the employee shall file a report of family member employment with his or her immediate supervisor, the ethics liaison in his or her office, and the DAEO on a form prescribed by the DAEO. Notice shall be made as soon as possible after learning about employment already in existence or in advance of known prospective employment. The employee shall be disqualified from participation in any matter involving the employee’s spouse or relative, or the employing entity, unless the DAEO authorizes the employee to participate in the matter using the standard in § 2635.502(d) of the Executive Branch-wide Standards.

§ 4101.107 Involvement in System institution board member elections.

No covered employee who is able to participate in a System institution board election because of System securities owned by virtue of retaining a pre-existing loan or extension of credit from a System institution in accordance with § 4101.104(b) shall take any part, directly or indirectly, in the nomination or election of a board member of a System institution, other than by exercising the right to vote. In addition, a covered employee shall not make any oral or written statement that may be reasonably construed as intending to influence any vote in such nominations or elections.

§ 4101.108 Outside employment and business activity.

(a) Prohibition. No covered employee shall perform services, either on a paid or unpaid basis, for any System institution or related entity, or any officer, director, employee, or person connected with a System institution or related entity. Nothing in this section would prohibit covered employees from providing any service that is a part of their official duties.

(b) General requirement for prior approval. All employees shall obtain prior written approval before engaging in any outside employment or business activity, with or without compensation, unless the outside activity is exempt from the definition of “employment” as set forth in paragraph (c) of this section. An employee proposing to engage in outside employment and business activities is required, prior to commencement, to send a written notice of the proposed employment or activity to the DAEO on a form prescribed by the DAEO. Approval shall be granted only upon a determination that the employment or activity is not expected to involve conduct prohibited by statute, part 2635 of this title, or paragraph (a) of this section.

(c) Definition. For purposes of this section, “employment” means any form of non-Federal employment, business relationship or activity involving the provision of personal services by the employee, whether or not for compensation. It includes, but is not limited to, personal services as an officer, director, employee, agent, attorney, consultant, contractor, general partner, trustee, teacher, or speaker. It includes writing when done under an arrangement with another person for production or publication of the written product. It does not, however, include participation in the activities of a nonprofit charitable, religious, professional, social, fraternal, educational, recreational, public service, or civic organization for which no compensation is received other than reimbursement for necessary expenses.

§ 4101.109 Waivers.

The DAEO may grant a written waiver from any provision of this part based on a determination that the waiver is not inconsistent with part 2635 of this title or otherwise prohibited by law and that, under the particular circumstances, application of the provision is not necessary to avoid the appearance of misuse of position or loss of impartiality, or otherwise to ensure confidence in the impartiality and objectivity with which Agency programs are administered. A waiver under this paragraph may impose appropriate conditions, such as requiring execution of a written disqualification.

§ 4501.102 Examination information.
(a) An employee of OPM who takes part in the construction of written tests or any other assessment device, has access to such material, or is involved in the examination rating process, shall notify his supervisor, in writing, when he intends to file for a competitive examination, an internal competitive examination, or an Armed Services entrance examination. The employee also must give such notice if he knows that his spouse, minor child, or business general partner intends to take any of these examinations.
(b) The employee's supervisor or other appropriate authority will arrange the employee's duty assignments to prevent his contact with materials related to the examination or examinations that will be taken. (c) The employee's supervisor is responsible for seeing that notifications given by employees under this section are transmitted promptly to the Test Security Officer in OPM's Employment Service.

§ 4501.103 Prior approval for certain outside activities.
(a) Prior approval requirement. An employee, other than a special Government employee, shall obtain written approval before engaging—with or without compensation—in the following outside activities:

(2) Teaching, speaking, or writing that relates to the employee's official duties;

(4)(i) Except as provided in paragraph (a)(4)(ii) of this section, providing services, other than clerical services or service as a fact witness, on behalf of any other person in connection with a particular matter:
(A) In which the United States is a party;
(B) In which the United States has a direct and substantial interest; or
(C) If the provision of services involves the preparation of materials for submission to, or representation before, a Federal court or executive branch agency.

(ii) Prior approval is not required by paragraph (a)(4)(i) of this section for OPM employees acting on behalf of the labor organization that is the exclusive representative of the OPM employees in the unit it represents to provide services as an agent or attorney for, or otherwise to represent, such an OPM employee who is the subject of disciplinary, loyalty, or other personnel administration proceedings in connection with those proceedings.

(b) Submission of requests for approval.
(1) Requests for approval shall be submitted in writing to the agency designee, through normal supervisory channels. Such requests shall include, at a minimum, the following:
(i) The employee’s name and position title;
(ii) The name and address of the person or organization for whom the outside activity is to be performed;
(iii) A description of the proposed outside activity, including the duties and services to be performed while engaged in the activity; and
(iv) The proposed hours that the employee will engage in the outside activity, and the approximate dates of the activity.
(2) Together with his request for approval, the employee shall provide a certification that:
(i) The outside activity will not depend in any way on nonpublic information;
(ii) No official duty time or Government property, resources, or facilities not available to the general public will be used in connection with the outside activity; and
(iii) The employee has read subpart H (“Outside Activities”) of 5 CFR part 2635.

(3) Upon a significant change in the nature or scope of the outside activity or in the employee’s official position, the employee shall submit a revised request for approval.

(c) Approval of requests. Approval shall be granted only upon a determination by the agency designee, in consultation with an agency ethics official when such consultation is deemed necessary by the agency designee, that the outside activity is not expected to involve conduct prohibited by statute or Federal regulation, including 5 CFR part 2635.

(d) Definitions. For purposes of this section:
(1) Active participant has the meaning set forth in 5 CFR 2635.502(b)(1)(v).
(2) Nonpublic information has the meaning set forth in 5 CFR 2635.703(b).
(3) Professional services means the provision of personal services by an employee, including the rendering of advice or consultation, which involves application of the skills of a profession as defined in 5 CFR 2636.305(b)(1).

5001.104 Prior approval for outside employment.

SOURCE: 58 FR 41990, Aug. 6, 1993, unless otherwise noted.

§ 5001.101 General.
In accordance with 5 CFR 2635.105, the regulations in this part apply to members and other employees of the Interstate Commerce Commission and supplement the Standards of Ethical Conduct for Employees of the Executive Branch contained in 5 CFR part 2635. (i) Any company that owns or controls and has more than two percent of its assets directly invested in or derives more than two percent of its income directly from a for-hire transportation company whether or not subject to the Interstate Commerce Act; or
(ii) Any company, mutual fund or other enterprise which has an interest of more than ten percent of its assets directly invested in or derives more than ten percent of its income directly from for-hire transportation companies whether or not subject to the Interstate Commerce Act.

(c) Exceptions.
(1) Where a previously proper holding of a member or other employee becomes prohibited because of the enterprise's acquisition of an interest in a for-hire transportation company, the employee shall have nine months within which to dispose of the interest.
(2) In cases of financial hardship where the relationship or interest is not prohibited by 49 U.S.C. 10301(d) or 10306(e), the Designated Agency Ethics Official may grant a written waiver of the prohibition in paragraph (a) of this section based on a determination that application of the prohibition is not necessary to ensure public confidence in the impartiality and objectivity with which the Commission's programs are administered or to avoid a violation of part 2635 of this title.

§ 5001.103 Impartiality determinations for members of the Interstate Commerce Commission.
A member is an “agency designee” for the purposes of making an impartiality disqualification determination under 5 CFR 2635.502(d) with respect to the member's own participation in a Commission proceeding. This determination must be made in consultation...

5. The written approval of the employee’s immediate supervisor.

(b) Approval shall be granted only upon a determination that the outside employment is not expected to involve conduct prohibited by statute or Federal regulation.

(c) For purposes of this section, “employment” means any form of non-Federal employment, business relationship or activity involving the provision of personal services by the employee, whether or not for compensation. It includes but is not limited to personal services as an officer, director, employee, agent, attorney, consultant, contractor, general partner, trustee, teacher or speaker. It includes writing when done under an arrangement with another person for production or publication of the written product. Sec. 5101.101 General.
5101.102 Prohibited financial interests and transactions.
5101.103 Outside employment and activities.

SOURCE: 58 FR 52638, Oct. 12, 1993, unless otherwise noted.

§ 5101.101 General.
In accordance with 5 CFR 2635.105, the regulations in this part apply to members and other employees of the Commodity Futures Trading Commission and supplement the Standards of Ethical Conduct for Employees of the Executive Branch contained in 5 CFR part 2635. Members and other employees are required to comply with 5 CFR part 2635 and this part. Commission members and other employees are also subject to the Regulation Concerning Conduct of Members and Employees and Former Members and Employees of the Commission at 17 CFR part 140.

§ 5101.102 Prohibited financial interests and transactions.
In accordance with 5 CFR 2635.403(a), no Commission member or other employee shall engage in business or financial transactions, or hold business or financial interests, prohibited by the Commodity Exchange Act, as set forth in 17 CFR 140.735-2.

§ 5101.103 Outside employment and activities.

(a) Subject to the restrictions and requirements contained in 5 CFR part 2635 and this part, Commission members and other employees are encouraged to engage in teaching, speaking, and writing activities and, when qualified, to participate without compensation in programs to provide legal assistance and representation to indigents.

(b) Prohibitions. A Commission member or other employee shall not engage in non-Federal employment or any other outside activity that:
(1) Involves the rendering of advice concerning any legal, accounting or economic matter, or any agricultural, mining, foreign currency market or other commodity-related matter, in which the Commission may be significantly interested, except that this prohibition shall not apply to a special Government employee unless the special Government employee
(ii) Has participated personally and substantially as an employee or special Government employee in the same matter; or
(ii) Has served with the Commission 60 days or more during the immediately preceding period of 365 consecutive days.
(2) Involves an appearance in court or on a brief in a representative capacity in relation to any matter which relates to any policy, program or operation of the Commission; or
(3) Is prohibited by section 2(a)(7) of the Commodity Exchange Act, as incorporated in 17 CFR 140.735-2 and 140.735-3. That statute provides that no Commission member or employee shall accept employment or compensation from any person, exchange or clearing-house subject to regulation by the Commission, or participate, directly or indirectly, in any contract market operations or transactions of a character subject to regulation by the Commission.

(c) Prior approval for outside employment. (1) Before engaging in any outside employment, with or without compensation, an employee of the Commission, other than a special Government employee, must obtain written approval from his or her division or office head and the Executive Director, who may seek the concurrence of the General Counsel.
(2) In addition to the approval under paragraph (c)(1) of this section, an employee, including a special Government employee, must obtain written approval from the Commission to appear in court or on a brief in a representative capacity.
(3) Approval shall be granted only upon a determination that the outside

employment is not expected to involve conduct prohibited by statute or Federal regulation, including 5 CFR part 2635 and this part.

(4) The approval required by paragraph (c)(1) or (c)(2) of this section shall be requested in writing in advance of engaging in outside employment. The request shall be submitted to the employee's division or office head, through the employee's immediate supervisor, and shall set forth all pertinent facts regarding the anticipated employment, including the name of the employer, the nature of the work to be performed, its estimated duration and the amount of compensation to be received. PART 5201—SUPPLEMENTAL STANDARDS OF ETHICAL CONDUCT FOR EMPLOYEES OF THE DEPARTMENT OF LABOR

Sec.
5201.101 General.
5201.102 Designation of separate agency components.
5201.103 Fundraising activities.
5201.105 Additional rules for Mine Safety and Health Administration employees.

SOURCE: 61 FR 57284, Nov. 6, 1996, unless otherwise noted.

§ 5201.101 General.
In accordance with 5 CFR 2635.105, the regulations in this part apply to employees of the Department of Labor (Department) and supplement the Standards of Ethical Conduct for Employees of the Executive Branch contained in 5 CFR part 2635.

§ 5201.102 Designation of separate agency components.
(a) Separate agency components of the Department of Labor. Pursuant to 5 CFR 2635.203(a), each of the ten components of the Department listed below is designated as an agency separate from each of the other nine listed components and, for employees of that component, as an agency distinct from the remainder of the Department. However, the components listed below are not deemed to be separate agencies for purposes of applying any provision of 5 CFR part 2635 or this part to employees of the remainder of the Department:
(1) Benefits Review Board;
(2) Employees Compensation Appeals Board;
(3) Mine Safety and Health Administration (MSHA);
(4) Veterans’ Employment and Training Service;
(5) Occupational Safety and Health Administration (OSHA);
(6) Pension and Welfare Benefits Administration (PWBA);
(7) Bureau of International Labor Affairs;
(8) Bureau of Labor Statistics;
(9) Employment and Training Administration (ETA); and
(10) Employment Standards Administration (ESA).

(b) Separate agency subcomponents of ESA. Pursuant to 5 CFR 2635.203(a), each of the four subcomponents of the Employment Standards Administration (ESA) listed in this paragraph is designated as an agency separate from each of the other three listed components and, for employees of that subcomponent, as an agency distinct from the remainder of ESA. However, the components listed in this paragraph are not deemed to be separate agencies for purposes of applying any provision of 5 CFR part 2635 or this part to employees of the remainder of ESA:
(1) Wage and Hour Division;
(2) Office of Federal Contract Compliance Programs;
(3) Office of Workers Compensation Programs; and
(4) Office of Labor-Management Standards.

(c) Definitions. (1) Remainder of the Department means employees in the Office of the Secretary and any other employee of the Department not in one of the 10 components designated as separate agencies in paragraph (a) of this section.
(2) Remainder of ESA means employees in the Office of the Assistant Secretary for Employment Standards and any other ESA employee not in one of the four subcomponents designated as separate agencies in paragraph (b) of this section.

(d) Applicability of separate agency designations. The designations in paragraphs (a) and (b) of this section identify an employee’s “agency” for purposes of:
(1) Determining when a person is a prohibited source within the meaning of 5 CFR 2635.203(d) for purposes of applying the regulations at subpart B of 5 CFR part 2635 governing gifts from outside sources;
(2) Determining whether teaching, speaking or writing relates to the employee’s official duties within the meaning of 5 CFR 2635.807(a)(2)(i); and
(3) Determining when a person is a prohibited source for purposes of applying the regulations at 5 CFR 2635.808(c) governing fundraising in a personal capacity.

Example 1: An employee of the Mine Safety and Health Administration attends a Saturday football game together with an employee of the Office of the Solicitor. By coincidence, they are seated next to a contract consultant to the Employment and Training Administration. They talk about the game and describe their jobs and personal interests to their new seat-mate. The consultant states that he and his wife will not be able to attend next week’s game and would like to give their very expensive tickets to people who will really enjoy them. The MSHA employee may accept the ticket. MSHA is designated as a separate agency under §5201.102, and the ETA contractor is not prohibited source of gifts for MSHA employees. The contractor is not regulated by and has no business dealings with MSHA. The Solicitor’s Office employee may not accept the gift. The ETA contractor is a prohibited source for Solicitor’s Office employees because the Solicitor’s Office is a part of the “Remainder of the Department of Labor.” Any source which is prohibited for any component of the Department of Labor is a prohibited source for employees in the “Remainder.”

§ 5201.103 Fundraising activities.

Notwithstanding 5 CFR 2635.808(c)(1)(i), an employee of any separate agency component listed in this section may, in a personal capacity, personally solicit funds from a person who is a prohibited source if person is a prohibited source for employees of the component only under 5 CFR 2635.203(d)(3) because the person conducts activities regulated by the component:

(a) The Wage and Hour Division;
(b) The Office of Federal Contract Compliance Programs;
(c) The Remainder of the Employment Standards Administration, as defined in §5201.102(c);
(d) Occupational Safety and Health Administration;
(e) Pension and Welfare Benefits Administration;
(f) Veterans’ Employment and Training Service; and
(g) The Remainder of the Department of Labor, as defined in §5201.102(c).

Example 1: A training official in the Mine Safety and Health Administration raises money for a local homeless shelter during his off-duty hours. He may seek a contribution from a firm that is regulated by PWBA under the Employee Retirement Income Security Act but may not seek contributions from one that he knows is currently under investigation for a violation of the Act. While firms regulated by an agency would ordinarily be prohibited sources for purposes of an employee’s fundraising in a personal capacity, §5201.103 provides that employees of PWBA and the other separate agency components listed in that section may seek charitable contributions from an entity that is a prohibited source only because its activities are subject to regulation by that separate agency component. On the other hand, the employee may not engage in fundraising from a person who he knows is a prohibited source for any other reason, such as an ongoing enforcement action.

Example 2: A typist in the Pension and Welfare Benefits Administration raises money for a local homeless shelter during his off-duty hours. He may seek a contribution from a firm that is regulated by PWBA under the Employee Retirement Income Security Act but may not seek contributions from one that he knows is currently under investigation for a violation of the Act. While firms regulated by an agency would ordinarily be prohibited sources for purposes of an employee’s fundraising in a personal capacity, §5201.103 provides that employees of PWBA and the other separate agency components listed in that section may seek charitable contributions from an entity that is a prohibited source only because its activities are subject to regulation by that separate agency component. On the other hand, the employee may not engage in fundraising from a person who he knows is a prohibited source for any other reason, such as an ongoing enforcement action.

Example 3: An employee of the Employment and Training Administration may seek charitable contributions from a firm currently under investigation by the Occupational Safety and Health Administration (OSHA). ETA does not regulate this firm and has had no dealings or business with it of any kind. Since ETA has been designated as a separate agency under §5201.102, ETA employees need only consider their own official duties and activities and those of ETA in determining whether a person is a prohibited source for purposes of their fundraising in a personal capacity. The fact that a person may be a prohibited source of direct and indirect gifts for OSHA employees is not relevant in this instance.

The rules in this section apply to employees of the Office of the Inspector General (OIG) and are in addition to §§ 5201.101, 5201.102, and 5201.103.

(a) Prior approval for outside employment. (1) Before engaging in any outside employment, an OIG employee must obtain the written approval of the Inspector General or the Inspector General’s designee.

(2) Submission of requests for approval.

(i) Requests for approval shall be submitted in writing to the Inspector General or the Inspector General’s designee. Such requests shall include, at a minimum, the following:

(A) The employee’s name and position title;
(B) The name and address of the person, group, or organization for whom the employee proposes to engage in outside employment; and
(C) A description of the proposed outside employment, including the duties and services to be performed while engaged in the outside employment, and the approximate dates of the outside employment.

(ii) Together with the employee’s request for approval, the employee shall provide a certification that:

(A) The outside employment will not depend in any way on nonpublic information, as defined at 5 CFR 2635.703(b);
(B) No official duty time or Government property, resources, or facilities not available to the general public will be used in connection with the outside employment; and
(C) The employee has read and is familiar with the Standards of Ethical Conduct for Employees of the Executive Branch (5 CFR part 2635), including subpart H, (“Outside Activities”), and the Department’s supplemental standards of ethical conduct set forth in this part.

(iii) Upon a significant change in the nature or scope of the outside employment or in the employee’s official position, the employee shall submit a revised request for approval.

(3) Standard for approval. Approval shall be granted only upon a determination that the outside employment is not expected to involve conduct prohibited by statute or Federal regulation, including 5 CFR part 2635 and this part.

(4) Definitions. For purposes of this section, “employment” means any form of non-Federal employment or any business relationship involving the provision of personal services by the employee. It includes but is not limited to personal services as an officer, director, employee, agent, attorney, consultant, contractor, general partner, or trustee.

§ 5201.105 Additional rules for Mine Safety and Health Administration employees.

The rules in this section apply to employees of the Mine Safety and Health Administration (MSHA) and are in addition to §§ 5201.101, 5201.102, and 5201.103.

(a) Prohibited financial interests. Employees in the MSHA and their spouses and minor children are prohibited from having any financial interests (including compensated employment) in any company or other person engaged in mining activities subject to the Federal Mine Safety and Health Act of 1977 (Mine Safety and Health Act), 30 U.S.C. 801 et seq. A company or other person shall be deemed to be engaged in such mining activities if it owns 50 percent or more of the voting securities of another company or other person engaged in such mining activities. A company or other person shall not be deemed to be engaged in such mining activities solely because it is controlled by a company or other person which does engage in such activities.

(b) Exceptions. (1) Nothing in this section prohibits an employee or the spouse or minor child of an employee from acquiring, owning, or controlling an interest in a publicly traded or publicly available investment fund provided that, upon initial or subsequent investment by the employee (excluding ordinary dividend reinvestment), the fund does not have invested, or does not indicate in its prospectus the intent to invest, more than 30 percent of its assets in the securities of a company or other person engaged in mining activities subject to the Mine Safety and Health Act, and the employee, spouse, or minor child neither exercises control nor has the ability to exercise
control over the financial interests held in the fund.

(2) Nothing in this section prohibits an employee or the spouse or minor child of an employee from having a financial interest in a pension administered by, or which invests in, a company or other person engaged in mining activities subject to the Mine Safety and Health Act.

Example: A mine inspector who was a former employee of mining company X could continue to participate in mine company X's pension plan without violating this section. However, he would have to disclose the interest on his financial disclosure report. Additionally, the inspector should not inspect or otherwise take official action on a matter affecting mine company X without checking with his ethics advisor to ensure that performance of his official duties would not violate the conflict of interest statute (18 U.S.C. 208) or any other ethics provisions.

(c) Waiver.

(1) The Assistant Secretary of labor for Mine Safety and Health or the Assistant Secretary's designee may grant an employee a written waiver from the prohibitions contained in paragraph (a) of this section, based on a determination that the waiver is not inconsistent with 5 CFR part 2635 or otherwise prohibited by law and that, under the particular circumstances, application of the prohibition is not necessary to avoid the appearance of misuse of position or loss of impartiality, or to ensure confidence in the impartiality and objectivity with which Mine Safety and Health Administration programs are administered.

(2) The Assistant Secretary or the designee shall grant a waiver from the prohibitions in paragraph (a) of this section regarding spouses and minor children unless the Assistant Secretary or the designee determines that the covered relationship or interest is likely to be inconsistent with 5 CFR part 2635 or is otherwise prohibited by law.

(3) A waiver under this section may be accompanied by appropriate conditions, such as requiring execution of a written statement of disqualification. A waiver may be withdrawn if it is later determined that such waiver does not meet the requirements for the granting of waivers under this paragraph. Notwithstanding the grant of any waiver, a covered employee remains subject to the disqualification requirements of 5 CFR 2635.402 and 2635.502.

(4) Factors which may be considered in connection with the granting or denial of waivers include the nature and extent of the financial interest, and the official position and duties of the employee.

(d) Pre-existing interests. Notwithstanding paragraph (a) of this section, an employee of the Mine Safety and Health Administration, and a spouse or minor child of such an employee, may retain financial interests otherwise prohibited by paragraph (a) of this section which were approved in writing under procedures in effect before the effective date of this section, unless the approval is withdrawn, subject to the standards applicable to the withdrawal of waivers under paragraph (c) of this section.
PART 5301—SUPPLEMENTAL STANDARDS OF ETHICAL CONDUCT FOR EMPLOYEES OF THE NATIONAL SCIENCE FOUNDATION

§ 5301.101 General.
(a) Purpose. In accordance with 5 CFR 2635.105, the regulations in this part apply to employees of the National Science Foundation (NSF), including Members of the National Science Board. They supplement the Standards of Ethical Conduct for Employees of the Executive Branch contained in 5 CFR part 2635.
(b) Definitions. For purposes of this part, unless a provision plainly indicates otherwise:

(1) Award means any grant, contract, cooperative agreement, loan, or other arrangement made by the Government.

(2) Employee has the meaning set forth in 5 CFR 2635.102(h), except that, for purposes of this part, it shall not include a special Government employee.

(3) Institution means any university, college, business firm, research institute, professional society, or other organization. It includes all parts of a university or college, including all institutions in a multi-institution State or city system. It includes any university consortium or joint corporation, but not the individual universities that belong to such a consortium. Those universities shall be considered separate institutions for purposes of this part.

(4) Proposal means an application for an award and includes a bid.

§ 5301.102 Participation in proposals and awards.
(a) Participation in proposals and awards. (1) For the purpose of determining whether an employee or a special Government employee, other than a Member of the National Science Board, should participate as part of his official duties in a proposal or award, the affiliations and relationships listed in paragraph (a)(3) of this section shall be considered additional “covered relationships” for purposes of applying 5 CFR 2635.502. Except as provided in paragraph (a)(2) of this section, they shall be treated as disqualifying to the same extent as the covered relationships listed in 5 CFR 2635.502(b)(1).

(2) Where an affiliation or relationship is listed in paragraph (a)(3) of this section as “automatically disqualifying,” an employee shall not participate in a proposal or award in which the institution or other person with whom the employee has a covered relationship is or represents a party unless participation is authorized in accordance with 5 CFR 2635.502(d) by the agency designee, with the concurrence of an ethics counselor in the Office of the General Counsel.

(3) An employee has a covered relationship, within the meaning of 5 CFR 2635.502(b)(1), with:

(i) An institution with which the employee is affiliated through:

(A) Membership on a visiting committee or similar body at the institution. The relationship is automatically disqualifying where the particular department, school, or faculty that the visiting committee or similar body advises originated the proposal or where a proposal from the department, school, or faculty formed the basis for the award;

(B) Current enrollment of the employee or a member of the employee’s household as a student;

(C) Receipt and retention of an honorarium or other form of compensation, award, or off-duty travel payment from the institution within the last twelve months. The relationship is automatically disqualifying, unless the payment or award was received before beginning Government service; and

(ii) A person who is an investigator or project director on or who otherwise

National Science Foundation § 5301.103

is identified in a proposal as a party to the proposal or award and with whom the employee has:

(A) A family relationship as sibling, parent, spouse, or child. Any such relationship is automatically disqualifying;

(B) Associated, in the past or currently, as thesis advisor or thesis student;

(C) Collaborated on a project, book, article, report, or paper within the last 48 months; or

(D) Co-edited a journal, compendium, or conference proceedings within the last 24 months.

(b) Reporting involvement of prospective, current, or recent employees. (1) When an employee who is participating in a proposal or award becomes aware that a prospective, current, or recent NSF employee or current National Science Board member is or is likely to become a member of the research group or project staff under that proposal or award, the employee shall bring that circumstance to the attention of an agency designee. For purposes of this paragraph:

(i) A “recent NSF employee” is any former NSF employee who left the NSF within the year before submission of the proposal at issue or on which the award was based.

(ii) A “prospective NSF employee” is any person being recruited by an NSF official for a specific opening and from whom the official has received an indication of mutual interest. Such a person is a “prospective NSF employee”, even though those recruiting have not extended an offer and even though the person might not accept an offer if it were extended.

(2) The agency designee shall review the circumstances to determine what action, if any, should be taken to assure that the proposal or award is administered impartially and otherwise in compliance with applicable laws and regulations, including this part, 5 CFR part 2635, 18 U.S.C. 207 and 208, and 45 CFR part 680.

§ 5301.103 Outside employment and activities.

(a) Prohibited outside employment and activities. (1) An NSF employee may not receive, directly or indirectly, any salary, consulting fee, honorarium, or other form of compensation for services, or reimbursement of expenses, from an NSF award.

(2) An NSF employee may not serve as principal investigator or project director under an NSF award.

(3) An NSF employee may not receive, directly or indirectly, any honorarium or any other form of compensation, or reimbursement of expenses from anyone, other than the United States, for participating in an event supported by NSF funds.

(b) Prior approval of outside employment and activities. (1) An employee shall obtain written approval from an agency designee before:

(i) Engaging in compensated outside employment with any person or institution (including any for-profit, non-profit, or governmental organization) which does business or may reasonably be expected to do business with the NSF. For these purposes, “employment” means any form of non-Federal employment or business relationship involving the provision of personal services by the employee. It includes, but is not limited to, personal services as an officer, director, employee, agent, attorney, consultant, contractor, general partner, trustee, teacher, or speaker. It includes writing when done under an arrangement for publication of the written product; or

(ii) Serving, with or without compensation, on a visiting committee with any institution that does business or may reasonably be expected to do business with NSF.

(2) In addition to any prior approval required in paragraph (b)(1) of this section, an employee shall obtain prior written approval:

(i) From an ethics counselor in the Office of the General Counsel before participating, with or without compensation, as a policymaking officer of any research or educational institution or any scientific society or professional association; and

(ii) From his Assistant Director or Office head before serving in a personal capacity as an organizer, director, proceedings editor, or session chairperson for a conference, workshop, or similar
§ 5301.104 Participation in NSF-supported conferences.

An NSF employee may participate in conferences, workshops, and similar events supported by NSF funds provided that:

(a) Where the employee's participation is undertaken in a personal capacity, his participation does not violate the restrictions on outside employment and activities of §5301.103(a), and the approval requirements of §5301.103(b) have been met.

(b) Where the employee's participation is undertaken as part of his official duties as an NSF employee:

(1) The employee shall obtain prior written approval from his Assistant Director or Office head before serving as an organizer, director, proceedings editor, or session chairperson for a conference, workshop, or similar event sponsored by NSF funds, or before presenting a paper at such an event. However, prior approval is not required where the primary purpose of the event is to plan, assess, or publicize NSF programs or needs, or where the subject of the paper or session to be presented focuses on NSF programs or needs.

(2) The approval required by paragraph (b)(1) of this section shall be granted only upon a determination that the importance of the employee's participation outweighs any appearance of use of official position to enhance his personal credentials.

§ 5301.105 Restrictions applicable to Members of the National Science Board.

(a) Participation in proposals and awards. (1) For the purpose of determining whether a Member of the National Science Board (Board) should participate as part of his official duties in a proposal or award coming before the Board or any of its committees, the affiliations and relationships listed in paragraph (a)(3) of this section shall be considered “covered relationships” for purposes of applying 5 CFR 2635.502. Except as provided in paragraph (a)(2) of this section, they shall be treated as disqualifying to the same extent as the covered relationships listed in 5 CFR 2635.502(b)(1).

(2) Where an affiliation or relationship is listed in paragraph (a)(3) of this section as “automatically disqualifying,” a Member of the National Science Board shall not participate in a proposal or award in which the institution or other person with whom the Member has a covered relationship is or represents a party, unless participation is authorized in accordance with 5 CFR 2635.502(d) by the Chairman of the National Science Board or by the Designated Agency Ethics Official.

(3) A Member of the National Science Board has a covered relationship, within the meaning of 5 CFR 2635.502(b)(1), with:

(i) An institution or other person with which the Member is affiliated through:

(A) Membership on a visiting committee or similar body at the institution. The relationship is automatically disqualifying where the particular department, school, or faculty that the visiting committee or similar body advises originated the proposal or where a proposal from the department, school, or faculty formed the basis for the award; or

(B) Current enrollment of the Member or a member of his household as a student; and

(ii) A person who is an investigator or project director or who is otherwise identified in a proposal as a party to the proposal or award and with whom the Member has a family relationship as sibling, parent, spouse, or child. Any such relationship is automatically disqualifying.

(b) Outside employment and activities.

(1) A Member of the National Science Board shall not represent himself, herself, or any other person in negotiations or other dealings with an NSF official on any proposal, award, or other...
National Science Foundation § 5301.105

particular matter, as defined in 5 CFR 2635.402(b)(3).

(2) A Member of the National Science Board may not receive compensation from any award made while serving on the Board. However, unless prohibited by law, an award may be charged, and a Member may be reimbursed, for actual expenses incurred by the Member in doing work supported by the award. If a Member was an investigator or consultant under an award before appointment to the Board, the award may be charged and the Member may continue to receive compensation to the extent established before the Member’s nomination.

Source: 61 FR 39763, July 30, 1996, unless otherwise noted.

§ 5501.101 General.

(a) Purpose. The regulations in this part apply to employees of the Department of Health and Human Services (HHS) and supplement the Standards of Ethical Conduct for Employees of the Executive Branch contained in 5 CFR part 2635. In addition to 5 CFR part 2635 and this part, employees are required to comply with implementing guidance and procedures issued by HHS components in accordance with 5 CFR 2635.105(c). Employees are also subject to the executive branch-wide financial disclosure regulations at 5 CFR part 2634, the Employee Responsibilities and Conduct regulations at 5 CFR part 735, and the HHS regulations regarding conduct at 45 CFR part 73.

(b) Applicability. The regulations in this part apply to individuals who are “employees” within the meaning of 5 CFR 2635.102(h). The regulations thus apply to special Government employees, except to the extent they are specifically excluded from certain provisions, and to uniformed service officers in the Public Health Service Commissioned Corps on active duty.

(c) Definitions. Unless a term is otherwise defined in this part, the definitions set forth in 5 CFR part 2635 apply to terms in this part. In addition, for purposes of this part:

(1) Federally recognized Indian tribe or Alaska Native village or regional or village corporation means any Indian tribe, band, nation, or other organized group or community, including any Alaska Native village or regional or village corporation as defined in or established pursuant to the Alaska Native Claims Settlement Act, 43 U.S.C. 1601 et seq., which is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians.

(2) Significantly regulated organization means an organization for which the sales of products regulated by the Food and Drug Administration (FDA) constitute ten percent or more of annual gross sales in the organization’s previous fiscal year; where an organization does not have a record of sales of FDA-regulated products, it will be deemed to be significantly regulated if its operations are solely in fields regulated by FDA.

§ 5501.102 Designation of HHS components as separate agencies.

(a) Separate agency components of HHS. Pursuant to 5 CFR 2635.203(a), each of the thirteen components of HHS listed below is designated as an agency separate from each of the other twelve listed components and, for employees of that component, as an agency distinct from the remainder of HHS.

(1) Administration on Aging;
§ 5501.104

Prohibited financial interests applicable to employees of the Food and Drug Administration and the Office of the Chief Counsel.

(a) General prohibition. Except as permitted by paragraph (b) of this section, no employee or spouse or minor child of an employee, other than a special Government employee or the spouse or minor child of a special Government employee, of the Food and Drug Administration or of the Office of the Chief Counsel shall have a financial interest in a significantly regulated organization.

(b) Exceptions. Notwithstanding the prohibition in paragraph (a) of this section:

(1) An employee or spouse or minor child of an employee may hold a position arising from employment with a significantly regulated organization.

(2) An employee who is not required to file a public or confidential financial disclosure report pursuant to 5 CFR part 2634, or the spouse or minor child of such employee, may hold a financial interest in a significantly regulated organization if:

(i) The total cost or value, measured at the time of acquisition, of the combined interests of the employee and the

§ 5501.103 Gifts from federally recognized Indian tribes or Alaska Native villages or regional or village corporations.

(a) Tribal or Alaska Native gifts. In addition to the gifts which come within the exceptions set forth in 5 CFR 2635.204, and subject to all provisions of 5 CFR 2635.201 through 2635.205, an employee may accept unsolicited gifts of native artwork or crafts from federally recognized Indian tribes or Alaska Native villages or regional or village corporations, provided that the aggregate market value of individual gifts received from any one tribe or village under the authority of this paragraph shall not exceed $200 in a calendar year.

(b) Limitations on use of exception. If the donor is a tribe or village that has interests that may be substantially affected by the performance or non-performance of an employee's official duties, the employee may accept the gifts authorized by paragraph (a) of this section only where there is a written finding by the agency designee that acceptance of the gift is in the agency's interest and will not violate any of the limitations on the use of exceptions contained in 5 CFR 2635.202(c).
employee’s spouse and minor children in the regulated organization was $5,000 or less;

(ii) The holding, if it represents an equity interest, constitutes less than 1 percent of the total outstanding equity of the organization; and

(iii) The total holdings in significantly regulated organizations account for less than 50 percent of the total value of the combined investment portfolios of the employee and the employee’s spouse and minor children.

(3) An employee or spouse or minor child of an employee may have an interest in a significantly regulated organization that constitutes any interest in a publicly traded or publicly available investment fund (e.g., a mutual fund), or a widely held pension or similar fund, which, in the literature it distributes to prospective and current investors or participants, does not indicate the objective or practice of concentrating its investments in significantly regulated organizations, if the employee neither exercises control nor has the ability to exercise control over the financial interests held in the fund.

(4) In cases involving exceptional circumstances, the Commissioner or the Commissioner’s designee may grant a written exception to permit an employee, or the spouse or minor child of an employee, to hold a financial interest in a significantly regulated organization based upon a determination that the application of the prohibition in paragraph (a) of this section is not necessary to ensure public confidence in the impartiality or objectivity with which HHS programs are administered or to avoid a violation of part 2635 of this title.

NOTE: With respect to any excepted financial interest, employees are reminded of their obligations under 5 CFR part 2635, and specifically their obligation under subpart D to disqualify themselves from participating in any particular matter in which they, their spouses or minor children have a financial interest. Furthermore, the agency may prohibit or restrict an individual employee from acquiring or holding any financial interest or a class of financial interests based on the agency’s determination that the interest creates a substantial conflict with the employee’s duties, within the meaning of 5 CFR 2635.403.

§ 5501.105 Exemption for otherwise disqualifying financial interests derived from Indian or Alaska Native birthrights.

(a) Under 18 U.S.C. 208(b)(4), an employee who otherwise would be disqualified may participate in a particular matter where the otherwise disqualifying financial interest that would be affected results solely from the interest of the employee, or the employee’s spouse or minor child, in birthrights:

(1) In an Indian tribe, band, nation, or other organized group or community, including any Alaska Native village corporation as defined in or established pursuant to the Alaska Native Claims Settlement Act, which is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians;

(2) In an Indian allotment the title to which is held in trust by the United States or which is inalienable by the allottee without the consent of the United States; or

(3) In an Indian claims fund held in trust or administered by the United States.

(b) The exemption described in paragraph (a) of this section applies only if the particular matter does not involve the Indian allotment or claims fund or the Indian tribe, band, nation, organized group or community, or Alaska Native village corporation as a specific party or parties.

§ 5501.106 Outside employment and other outside activities.

(a) Applicability. This section does not apply to special Government employees.

(b) Definitions. For purposes of this section:

(1) Compensation has the meaning set forth in 5 CFR 2635.807(a)(2)(iii).

(2) Consultative services means the provision of personal services by an employee, including the rendering of advice or consultation, which requires advanced knowledge in a field of science or learning customarily acquired by a course of specialized instruction and study in an institution of higher education, hospital, or other similar facility.
(3) Professional services means the provision of personal services by an employee, including the rendering of advice or consultation, which involves the skills of a profession as defined in 5 CFR 2636.305(b)(1).

(c) Prohibited outside employment and activities—

(1) Prohibited assistance in the preparation of grant applications or contract proposals. An employee shall not provide consultative or professional services, for compensation, to or on behalf of any other person to prepare, or assist in the preparation of, any grant application, contract proposal, program report, or other document intended for submission to HHS.

(2) Prohibited employment in HHS-funded activities. An employee shall not, for compensation, engage in employment, as defined in 5 CFR 2635.603(a), with respect to a particular activity funded by an HHS grant, contract, cooperative agreement, cooperative research and development agreement, or other funding mechanism authorized by statute.

(3) Prohibited outside activities applicable to employees of the Food and Drug Administration and the Office of the Chief Counsel. An employee of the Food and Drug Administration or the Office of the Chief Counsel who is required to file a public or confidential financial disclosure report pursuant to 5 CFR part 2634 shall not:

(i) Engage in any self-employed business activity for which the sale or promotion of FDA-regulated products is expected to constitute ten percent or more of annual gross sales or revenues; or

(ii) Engage in employment, as defined in 5 CFR 2635.603(a), whether or not for compensation, with a significantly regulated organization, as defined in §5501.101(c)(2), unless the employment meets either of the following exceptions:

(A) The employment consists of the practice of medicine, dentistry, veterinary medicine, pharmacy, nursing, or similar practices, provided that the employment does not involve substantial unrelated non-professional duties, such as personnel management, contracting and purchasing responsibilities (other than normal "out-of-stock" requisitioning), and does not involve employment by a medical product manufacturer in the conduct of biomedical research; or

(B) The employment is limited to clerical or similar services (such as cashier or janitorial services) in retail stores, such as supermarkets, drug stores, or department stores.

(4) Prohibited outside practice of law applicable to attorneys in the Office of the General Counsel.

(i) An employee who serves as an attorney in or under the supervision of the Office of the General Counsel shall not engage in any outside practice of law that might require the attorney to:

(A) Assert a legal position that is or appears to be in conflict with the interests of the Department of Health and Human Services, the client to which the attorney owes a professional responsibility; or

(B) Interpret any statute, regulation or rule administered or issued by the Department.

(ii) Exceptions. Nothing in this section prevents an employee from:

(A) Acting, with or without compensation, as an agent or attorney for, or otherwise representing, the employee's parents, spouse, child, or any person for whom, or for any estate for which, the employee is serving as guardian, executor, administrator, trustee, or other personal fiduciary to the extent permitted by 18 U.S.C. 203 and 205, or from providing advice or counsel to such persons or estate; or

(B) Acting, without compensation, as an agent or attorney for, or otherwise representing, any person who is the subject of disciplinary, loyalty, or other personnel administration proceedings in connection with those proceedings to the extent permitted by 18 U.S.C. 205, or from providing uncompensated advice or counsel to such person; or

(C) Giving testimony under oath or from making statements required to be made under penalty for perjury or contempt.

(iii) Specific approval procedures.

(A) The exceptions to 18 U.S.C. 203 and 205 described in paragraph (c)(4)(ii)(A) of this section do not apply
§ 5501.106

unless the employee obtained the approval of the Government official responsible for the appointment of the employee to a Federal position.

(B) The exception to 18 U.S.C. 205 described in paragraph (c)(4)(i)(B) of this section does not apply unless the employee obtained the approval of a supervisory official who has authority to determine whether the employee's proposed representation of another person in a personnel administration matter is consistent with the faithful performance of the employee's duties.

(d) Prior approval for outside employment and other outside activities—

(1) General approval requirement. Except to the extent that an employment or other activity has been exempted under paragraph (d)(5) of this section, an employee shall obtain written approval prior to engaging, with or without compensation, in the following outside employment or activities:

(i) Providing consultative or professional services, including service as an expert witness.

(ii) Engaging in teaching, speaking, writing, or editing that:

(A) Relates to the employee's official duties within the meaning of 5 CFR 2635.807(a)(2)(i)(B) through (E); or

(B) Would be undertaken as a result of an invitation to engage in the activity that was extended to the employee by a person who is a prohibited source within the meaning of 5 CFR 2635.203(d), as modified by §5501.102.

(iii) Providing services to a non-Federal entity as an officer, director, or board member, or as a member of a group, such as a planning commission advisory council, editorial board, or scientific or technical advisory board or panel, which requires the provision of advice, counsel, or consultation, unless the service is provided without compensation other than reimbursement of expenses to a political, religious, social, fraternal, or recreational organization, unless the position held does not require the provision of professional services within the meaning of paragraph (b)(3) of this section.

(ii) In addition to the general approval requirements set forth in paragraph (d)(1) of this section, an employee of the Food and Drug Administration or the Office of the Chief Counsel shall obtain written approval prior to engaging in any outside employment, as defined in 5 CFR 2635.603(a), whether or not for compensation, or any self-employed business activity.

(iii) The requirement of paragraph (d)(2)(i) of this section does not apply to participation in the activities of a political, religious, social, fraternal, or recreational organization, unless the position held requires the provision of professional services or is performed for compensation other than the reimbursement of expenses.

(3) Submission of requests for approval. An employee seeking to engage in any of the activities for which advance approval is required shall make a written request for approval a reasonable time before beginning the activity. This request should be directed to the employee's supervisor who will forward it to the official authorized to approve outside employment and activities requests for the employee's component. All requests for prior approval shall include the following information:

(i) The employee's name, organizational location, occupational title, grade, and salary;

(ii) The nature of the proposed outside employment or other outside activity, including a full description of the specific duties or services to be performed;

(iii) A description of the employee's official duties that relate in any way to the proposed activity;

(iv) The name and address of the person or organization for whom or with which the work or activity will be done, including the location where the services will be performed;

(v) The estimated total time that will be devoted to the activity. If the proposed outside activity is to be performed on a continuing basis, a statement of the estimated number of hours per year; for other employment, a
statement of the anticipated beginning and ending date;  
(vi) A statement as to whether the work can be performed entirely outside of the employee’s regular duty hours and, if not, the estimated number of hours of absence from that will be required;  
(vii) The method of basis of any compensation (e.g., fee, per diem, honorarium, royalties, stock options, travel and expenses, or other);  
(viii) A statement as to whether the compensation is derived from an HHS grant, contract, cooperative agreement, or other source of HHS funding;  
(ix) For activities involving the provision of consultative or professional services, a statement indicating whether the client, employer, or other person on whose behalf the services are performed is receiving, or intends to seek, an HHS grant, contract, cooperative agreement, or other funding relationship; and  
(x) For activities involving teaching, speaking, writing, or editing, the proposed text of any disclaimer required by 5 CFR 2635.807(b)(2) or by the instructions or manual issuances authorized under paragraph (d)(5) of this section.  
(4) Standard for approval. Approval shall be granted unless it is determined that the outside employment or other outside activity is expected to involve conduct prohibited by statute or Federal regulation, including 5 CFR part 2635 and this part.  

NOTE: The granting of granting of approval for an outside activity does not relieve the employee of the obligation to abide by all applicable laws governing employee conduct nor does approval constitute a sanction of any violation. Approval involves an assessment that the general activity as described on the submission does not appear likely to violate any criminal statutes or other ethics rules. Employees are reminded that during the course of an otherwise approvable activity, situations may arise, or actions may be contemplated, that, nevertheless, pose ethical concerns.

Example 1: A clerical employee with a degree in library science volunteers to work on the acquisitions committee at a local public library. Serving on a panel that renders advice to a non-Federal entity is subject to prior approval. Because recommending books for the library collection normally would not pose a conflict with the typing duties assigned the employee, the request would be approved.

Example 2: While serving on the library acquisitions committee, the clerical employee in the preceding example is asked to help the library business office locate a missing book order. Shipment of the order is delayed because the publisher has declared bankruptcy and its assets, including inventory in the warehouse, have been frozen to satisfy the claims of the Internal Revenue Service and other creditors. The employee may not contact the Federal bankruptcy trustee to seek, on behalf of the public library, the release of the books. Even though the employee’s service on the acquisitions committee had been approved, a criminal statute, 18 U.S.C. 205, would preclude any representation by a Federal employee of an outside entity before a Federal court or agency with respect to a matter in which the United States is a party or has a direct and substantial interest.

(5) Responsibilities of the designated agency ethics official and component agencies. (i) The designated agency ethics official or, with the concurrence of the designated agency ethics official, each of the separate agency components of HHS listed in §5501.102 may issue an instruction or a manual issuance exempting categories of employment or other outside activities from a requirement of prior written approval based on a determination that the employment or activities within those categories would generally be approved and are not likely to involve conduct prohibited by statute or Federal regulations, including 5 CFR part 2635 and this part.  
(ii) HHS components may specify internal procedures governing the submission of prior approval requests and designate appropriate officials to act on such requests. The instructions or manual issuances may include examples of outside employment and other outside activities that are permissible or impermissible consistent with 5 CFR part 2635 and this part. With respect to teaching, speaking, writing, or editing activities, the instructions or manual issuances may specify preclearance procedures and/or require disclaimers indicating that the views expressed do not necessarily represent the views of the agency or the United States.  
(iii) The officials within the respective HHS components who are responsible for the administrative aspects of these regulations and the maintenance of records shall make provisions for the
§ 5501.107 Filing and retention of requests for approval of outside employment and other outside activities and copies of the notification of approval or disapproval.

§ 5501.107 Teaching, speaking and writing by special Government employees in the Public Health Service.

(a) Applicability. This section applies to special Government employees in the Public Health Service who otherwise are prohibited from accepting compensation for teaching, speaking or writing that is related to their official duties, within the meaning of 5 CFR 2635.807(a)(2)(i)(C), because the invitation or the offer of compensation for the activity was extended at a time when the special Government employee was assigned to perform official duties that may substantially affect the interests of the inviter or offeror.

(b) Permissible compensation. A special Government employee may accept compensation for teaching, speaking or writing in circumstances described in paragraph (a) of this section only where the special Government employee recuses from the official assignment that may substantially affect the interests of the person who extended the invitation to engage in the activity or the offer of compensation.

§ 5501.108 Exception to the prohibition against assisting in the prosecution of claims against, or acting as an agent or attorney before, the Government, applicable only to employees assigned to federally recognized Indian tribes or Alaska Native villages or regional or village corporations pursuant to the Intergovernmental Personnel Act.

(a) 18 U.S.C. 205. Section 205 of title 18 of the United States Code prohibits an employee, whether or not for compensation, from acting as an agent or attorney for anyone in a claim against the United States, or from acting in such capacity on behalf of another before any department, agency, or other specified entity, in any particular matter in which the United States is a party or has a direct and substantial interest.

(b) Exception applicable only to employees assigned to federally recognized Indian tribes or Alaska Native villages or regional or village corporations pursuant to the Intergovernmental Personnel Act. Notwithstanding the provisions of 18 U.S.C. 205, the Indian Self-Determination Act (25 U.S.C. 450(f)) authorizes Federal employees detailed or assigned to Indian tribes or Alaska Native villages or regional or village corporations, pursuant to the Intergovernmental Personnel Act (5 U.S.C. 3372), to act as agents or attorneys for, or appear on behalf of, such tribes or Alaska Native villages or corporations in connection with any matter pending before any department, agency, court, or commission, in which the United States is a party or has a direct and substantial interest. Such employees must advise, in writing, the head of the agency, with which they are dealing on behalf of an Indian tribe or Alaska Native village or corporation, of any personal and substantial involvement they may have had as an officer or employee of the United States in connection with the matter concerned.

(ii) Who is or, in the past 4 years, has been a party to a proceeding before the Postal Rate Commission;
(iii) Whose primary business involves entering publications as second-class mail;

§ 5601.102 Prohibited financial interests.
Any employee shall not, directly or indirectly, have any financial interest in a person whose interests are significantly affected by rates of postage, fees for postal services, the classification of mail, or the operations of the Postal Service.

§ 5601.103 Notice of disqualification when seeking employment.
An employee who has been assigned to a particular matter which affects the financial interests of a prospective employer and who is required, in accordance with 5 CFR 2635.604(a), to disqualify himself from participation in that matter shall, notwithstanding the guidance in 5 CFR 2635.604(b) and (c), provide notice of disqualification to his supervisor upon determining that he will not participate in the matter.

§ 5601.104 Outside employment.
(a) Prohibited outside employment. An employee shall not engage in outside employment, either on a paid or unpaid basis, with or for a company or other person whose interests are significantly affected by rates of postage, fees for postal services, the classification of mail, or the operations of the Postal Service.
(b) Prior approval for outside employment. An employee who wishes to engage in outside employment, either on a paid or unpaid basis, shall obtain the prior written approval of the designated agency ethics official. A request for such approval shall be submitted in writing with sufficient description of the employment to enable the designated agency ethics official to give approval based on a determination that the outside employment is not expected to involve conduct prohibited by statute or Federal regulation, including paragraph (a) of this section and 5 CFR part 2635.
Postal Rate Commission § 5601.104

(c) Definition of employment. For purposes of this section employment means any form of non-Federal employment or business relationship involving the provision of personal services by the employee. It includes but is not limited to personal services as an officer, director, employee, agent, attorney, consultant, contractor, general partner or trustee. Employment does not include participation in the activities of a nonprofit charitable, religious, professional, social, fraternal, educational, recreational, public service or civic organizations unless such activities involve the practice of a profession within the meaning of 5 CFR 2636.305(b)(1), including the giving of professional advice, or are for compensation other than reimbursement of expenses.

PART 5701—SUPPLEMENTAL STANDARDS OF ETHICAL CONDUCT FOR EMPLOYEES OF THE FEDERAL TRADE COMMISSION

§ 5701.101 Prior approval for outside employment.

(a) Before engaging in any outside employment, whether or not for compensation, an employee of the Federal Trade Commission, other than a Commissioner, must obtain the written approval of his or her supervisor and the Designated Agency Ethics Official (DAEO) or his or her designee. Requests for approval shall be forwarded through normal supervisory channels to the DAEO and shall include, at a minimum, the following:

(1) A statement of the name of the person, group, or organization for whom the work is to be performed; the type of work to be performed; and the proposed hours of work and approximate dates of employment;

(2) The employee’s certification that the outside employment will not depend in any way on information obtained as a result of the employee’s official Government position;

(3) The employee’s certification that no official duty time or Government property, resource, or facilities not available to the general public will be used in connection with the outside employment;

(4) The employee’s certification that he has read, is familiar with, and will abide by the restrictions contained in all applicable Federal laws and regulations, including those found in 18 U.S.C. chapter 11 and those found or referenced in subpart H ("Outside Activities") of 5 CFR part 2635 (Standards of Ethical Conduct for Employees of the Executive Branch); and

(5) The written approval of the employee’s immediate supervisor.

(b) Approval shall be granted only upon a determination that the outside employment is not expected to involve conduct prohibited by statute or Federal regulation. In the case of an employee who wishes to practice a profession involving a fiduciary relationship, as defined in 5 CFR 2636.305(b), approval will be granted only on a case-by-case basis.

(c) For purposes of this section, “employment” means any form of non-Federal employment or business relationship involving the provision of personal services by the employee, whether or not for compensation. It includes but is not limited to personal services as an officer, director, employee, agent, attorney, consultant, contractor, general partner, or trustee. Prior approval is not required, however, to participate in the activities of a nonprofit charitable, religious, professional, social, fraternal, educational, recreational, public service, or civic organization, unless such activities involve the provision of professional services or advice or are for compensation other than reimbursement of expenses.

CHAPTER XLVIII—NUCLEAR REGULATORY COMMISSION

Part 5801 Supplemental standards of ethical conduct for employees of the Nuclear Regulatory Commission ... Page 732
PART 5801—SUPPLEMENTAL STANDARDS OF ETHICAL CONDUCT FOR EMPLOYEES OF THE NUCLEAR REGULATORY COMMISSION

Sec. 5801.101 General.
5801.102 Prohibited securities.
5801.103 Prior approval for outside employment.

SOURCE: 59 FR 17459, Apr. 13, 1994, unless otherwise noted.

§ 5801.101 General.
In accordance with 5 CFR 2635.105, the regulations in this part apply to members and other employees of the Nuclear Regulatory Commission and supplement the Standards of Ethical Conduct for Employees of the Executive Branch contained in 5 CFR part 2635. In addition to the standards in 5 CFR part 2635 and this part, members and other employees are subject to the executive branch financial disclosure regulations contained in 5 CFR part 2634 and to additional regulations regarding their conduct contained in 10 CFR part 0.

§ 5801.102 Prohibited securities.
(a) General prohibition. No covered employee, and no spouse or minor child of a covered employee, shall own securities issued by an entity on the list described in paragraph (b) of this section.

(b) Prohibited securities list. Once a year, or on a more frequent basis, the Commission will publish and distribute to employees a list of entities whose securities a covered employee or the spouse or minor child of a covered employee may not own. The list shall consist of entities which are:

(1) Applicants for or holders of early site permits, construction permits, operating licenses, or combined construction permits and operating licenses for facilities which generate electric energy by means of a nuclear reactor;

(2) State or local governments, if the primary purpose of the security is to finance the construction or operation of a nuclear reactor or a low-level waste facility;

(3) Entities manufacturing or selling nuclear power or test reactors;

(4) Architectural-engineering companies providing services relating to a nuclear power reactor;

(5) Applicants for, or holders of, a certified standard design;

(6) Entities licensed or regulated by the Commission to mill, convert, enrich, fabricate, store, or dispose of source, byproduct, or special nuclear material, or applicants for such licenses that are designated by the Commission because they are or will be substantially engaged in such nuclear fuel cycle or disposal activities;

(7) The parent corporation of any subsidiary described in paragraphs (b)(1)–(b)(6) of this section; and

(8) An energy or utility sector investment fund which has more than 25% of its assets invested in securities issued by entities described in paragraphs (b)(1)–(b)(7) of this section.

(c) Definitions. For purposes of this section:

(1) A covered employee means:

(i) A member of the Commission;

(ii) The Inspector General of the NRC;

(iii) A member of the Senior Executive Service (SES);

(iv) An employee who holds a non-SES position above GG–15; and

(v) Any other employee, including a special Government employee, whose duties and responsibilities, as determined by the Commission or its designees, require application of the securities ownership prohibition contained in this section to ensure public confidence that NRC programs are conducted impartially and objectively.

The positions of these employees are specified in NRC Management Handbook 7.7, which is available in the NRC Public Document Room; and

(2) The term “securities” includes all interests in debts or equity instruments. The term includes, without limitation, secured and unsecured bonds, debentures, notes, securitized assets and commercial paper, as well as all types of preferred and common stock. The term encompasses both current...
Nuclear Regulatory Commission § 5801.102

and contingent ownership interests, including any beneficial or legal interest derived from a trust. It extends to any right to acquire or dispose of any long or short position in such securities and includes, without limitation, interests convertible into such securities, as well as options, rights, warrants, puts, calls, and straddles with respect thereto.

(d) Divestiture and reporting of prohibited securities—(1) Newly covered employees. Upon promotion or other appointment to a position subject to the securities prohibition of this section, a covered employee shall sign a certification:

(i) Identifying securities of an entity on the prohibited securities list which the employee, or the spouse or minor child of the employee, owns, or

(ii) Stating that the employee, or the spouse or minor child of the employee, does not own any prohibited securities.

Except as provided in paragraph (d)(4) of this section, the newly covered employee, or the spouse or minor child of the employee, shall divest prohibited securities within 90 days after appointment to the covered position.

(2) Newly prohibited securities. Within 30 days after publication of the prohibited securities list to which an entity's name has been added, a covered employee who owns, or whose spouse or minor child owns, prohibited securities shall make a written report of that ownership to the Office of the General Counsel. Except as provided in paragraph (d)(4) of this section, the newly covered employee, or the spouse or minor child of the covered employee, shall divest prohibited securities within 90 days after publication of the prohibited securities list.

(3) Securities acquired without specific intent. Within 30 days after a covered employee, or the spouse or minor child of a covered employee, acquires securities of an entity on the prohibited securities list as a result of marriage, inheritance, gift or otherwise without specific intent to acquire the securities, the covered employee shall make a written report of the acquisition to the Office of the General Counsel. Except as provided in paragraph (d)(4) of this section, a covered employee, or the spouse or minor child of a covered employee, shall divest prohibited securities within 90 days after the date of acquisition.

(4) Extension of period to divest. Upon a showing of undue hardship, the Chairman of the Nuclear Regulatory Commission may extend the 90 day period for divestiture specified in paragraphs (d)(1) through (d)(3) of this section.

(5) Disqualification pending divestiture. Pending divestiture of prohibited securities, a covered employee must disqualify himself or herself, in accordance with 5 CFR 2635.402, from participation in particular matters which, as a result of continued ownership of the prohibited securities, would affect the financial interests of the employee, or those of the spouse or minor child of the employee. Disqualification is not required where a waiver described in 5 CFR 2635.402(d) applies. Procedures for obtaining individual waivers are contained in NRC Handbook 7.7, which is available in the NRC Public Document Room.

(6) Tax treatment of gain on divested securities. Where divestiture is required by this section, the covered employee (except a special Government employee) may be eligible to defer the tax consequences of divestiture under subpart J of 5 CFR part 2634, pursuant to procedures in NRC Handbook 7.7, which is available in the NRC Public Document Room.

(e) Waivers. (1) The Chairman may grant a waiver to permit a covered employee, or the spouse or minor child of a covered employee, to retain ownership of a security of an entity on the prohibited securities list upon a determination that the holding of the security is not inconsistent with 5 CFR part 2635 or otherwise prohibited by law, and that:

(i) Under the circumstances, application of the prohibition is not necessary to ensure confidence in the impartiality and objectivity with which NRC programs are administered;

(ii) Legal constraints prevent divestiture; or

(iii) For a special Government employee, divestiture would result in substantial financial hardship.

(2) Where a waiver has been granted under paragraph (e)(1) of this section, the covered employee must disqualify
§ 5801.103 Prior approval for outside employment.

(a) An employee, other than a special Government employee, shall obtain written authorization before engaging in compensated outside employment with:

(3) An organization directly engaged in activities in the commercial nuclear field;
(4) A Commission contractor;
(5) A Commission supplier;
(6) An applicant for or holder of a license issued by a State pursuant to an agreement between the Commission and the State;

(b) Requests for approval shall be submitted in writing to the agency designee specified in NRC Management Directive 7.8, which is available in the NRC Public Document Room, in accordance with procedures set forth in the accompanying NRC Handbook.

(c) Approval of outside employment shall be granted in writing only upon a determination by the agency designee that the proposed outside employment would not violate a Federal statute or regulation, including 5 CFR 2635.

(d) For purposes of this section, "outside employment" means any form of non-Federal employment, business relationship or activity, involving the provision of personal services by the employee. It includes, but is not limited to, personal services as an officer, director, employee, agent, attorney, consultant, contractor, general partner, trustee, teacher or speaker.

Sec. 6201.101 General.
6201.102 Prohibited financial interests.
6201.103 Prior approval for outside employment.

SOURCE: 60 FR 17626, Apr. 7, 1995, unless otherwise noted.

§ 6201.101 General.

In accordance with 5 CFR 2635.105, the regulations in this part apply to employees of the Export-Import Bank of the United States (Bank) and supplement the Standards of Ethical Conduct for Employees of the Executive Branch contained in 5 CFR part 2635. In addition to the standards in 5 CFR part 2635 and this part, employees of the Bank are subject to the executive branch financial disclosure regulations contained in 5 CFR part 2634.

§ 6201.102 Prohibited financial interests.

(a) Prohibition. Except as provided in paragraph (f) of this section, no covered employee or covered family member shall own securities issued by an exporter or lending institution appearing on the List of Designated Entities under paragraph (b) of this section.

(b) List of Designated Entities—(1) Compilation of list of designated entities. Once each fiscal year, the designated agency ethics official (DAEO) shall compile a List of Designated Entities based upon the following criteria:

(i) All exporters that, during the preceding two fiscal years, exported an aggregate dollar volume of goods and services supported by the Bank in excess of four hundred million dollars ($400,000,000); and

(ii) All exporters that, during the preceding two fiscal years, had seven (7) or more aggregate export transactions supported by the Bank;

(iii) All lending institutions that, during the preceding two fiscal years, financed an aggregate dollar volume of export transactions supported by the Bank in excess of one hundred fifty million dollars ($150,000,000); and

(iv) All lending institutions that, during the preceding two fiscal years, financed twenty (20) or more aggregate export transactions supported by the Bank.

(2) Distribution of list of designated entities. The DAEO shall distribute the List of Designated Entities to all covered employees promptly after it is compiled, and shall ensure that each new covered employee receives a copy of the current List of Designated Entities promptly after becoming a covered employee.

(c) Definitions. For purposes of this section:

(1) Covered employee means an employee of the Bank, other than a special Government employee, who is required to file a public or a confidential financial disclosure report (Form SF 278 or SF 450) under 5 CFR part 2634.

(2) Covered family member means the spouse or minor child of a covered employee.

(3) Securities means all financial interests evidenced by debt or equity instruments. The term includes, without limitation, bonds, debentures, notes, securitized assets and commercial paper, as well as all types of preferred and common stock. The term encompasses both present and contingent ownership interests, including any beneficial or legal interest derived from a trust. It extends to any right to acquire or dispose of any long or short position in such securities and includes, without limitation, interests convertible into such securities, as well as options, rights, warrants, puts, calls, and straddles with respect thereto. It does not include:

(i) An investment in a publicly traded or publicly available mutual fund or other collective investment fund or in a widely held pension or similar fund, provided that the fund does not invest more than ten percent (10%) of the value of its portfolio in securities of
any one entity on the List of Designated Entities and the covered employee or covered family member either exercises control over nor has the ability to exercise control over the financial interests held in the fund; or

(ii) Certificates of deposit, checking accounts, savings accounts and other deposit accounts.

(4) Support by the Bank means:

(i) Direct loans made by the Bank;

(ii) Guarantees by the Bank of loans from lending institutions; or

(iii) Insurance policies issued by the Bank under any of its insurance programs.

(d) Restrictions arising from third party relationships. If a covered employee has knowledge that any of the entities described in paragraphs (d)(1) through (d)(6) of this section own any security that a covered employee or covered family member would be prohibited from owning by paragraph (a) of this section, the covered employee shall promptly report such interests to the DAEO. The DAEO may require the covered employee to terminate the third party relationship, undertake an appropriate disqualification, or take other appropriate action necessary, under the particular circumstances, to avoid a statutory violation or a violation of part 2635 of this title or of this part, including an appearance of misuse of position or loss of impartiality. This paragraph applies to any:

(1) Partnership in which the covered employee or covered family member is a general partner;

(2) Partnership in which the covered employee and/or covered family member(s) in the aggregate holds more than a ten percent (10%) equity interest;

(3) Closely held corporation in which the covered employee and/or covered family member(s) in the aggregate holds more than a ten percent (10%) equity interest;

(4) Trust in which the covered employee or covered family member has a legal or beneficial interest;

(5) Investment club or similar informal investment arrangement between the covered employee or covered family member and others; or

(6) Other entity if the covered employee and/or covered family member(s) in the aggregate holds more than a ten percent (10%) equity interest.

(e) Period to Divest. Unless a waiver is granted pursuant to paragraph (f) of this section, a covered employee or covered family member who owns securities of a designated entity as of the date that the initial List of Designated Entities is circulated to covered employees, the date that a revised List of Designated Entities is circulated to covered employees, or the first day that an individual becomes a covered employee, shall divest the securities within six (6) months of such date. The DAEO may, in certain cases of unusual hardship, grant a written extension of up to an additional six (6) months within which a covered employee or covered family member must divest securities of a designated entity. Notwithstanding the grant of an extension, a covered employee remains subject to the disqualification requirements of 5 CFR 2635.402 and 2635.502. A covered employee or covered family member who must divest securities pursuant to this section should refer to section 1043 of the Internal Revenue Code and to the regulations of subpart J of 5 CFR part 2634 under which the covered employee or covered family member may be eligible to defer the recognition of taxable gain on the sale or other divestiture.

(f) Waivers. The DAEO may grant a written waiver from the securities prohibition contained in this section based on a determination that the waiver is not inconsistent with 5 CFR part 2635 or otherwise prohibited by law and that, under the particular circumstances, application of the prohibition is not necessary to avoid the appearance of misuse of position or loss of impartiality, or otherwise to ensure confidence in the impartiality and objectivity with which Bank programs are administered. A waiver under this paragraph may be accompanied by appropriate conditions, such as requiring execution of a written statement of disqualification. Notwithstanding the grant of any waiver, a covered employee remains subject to the disqualification requirements of 5 CFR 2635.402 and 2635.502.
§ 6201.103 Prior approval for outside employment.

(a) Prior approval requirement. Before engaging in any outside employment, whether or not for compensation, an employee, other than a special Government employee, must obtain the written approval of the employee's immediate supervisor and the DAEO. Requests for approval shall be forwarded through normal supervisory channels to the DAEO and shall include the name of the person, group, or organization for whom the work is to be performed; the type of work to be performed; and the proposed hours of work and approximate dates of employment.

(b) Standard for approval. Approval shall be granted only upon a determination that the outside employment is not expected to involve conduct prohibited by statute or Federal regulation (including 5 CFR part 2635). In the case of an employee who wishes to practice a profession involving a fiduciary relationship, as defined in 5 CFR 2636.305(b), approval will be granted only for each individual matter in the course of practicing such profession.

(c) Definition of employment. For purposes of this section, “employment” means any form of non-Federal employment or business relationship involving the provision of personal services by the employee. It includes but is not limited to personal services as an officer, director, employee, agent, attorney, consultant, contractor, general partner, trustee or teacher. It also includes writing when done under an arrangement with another person for production or publication of the written product. It does not, however, include participation in the activities of a non-profit charitable, religious, professional, social, fraternal, educational, recreational, public service or civic organization, unless such activities involve the provision of professional services or advice or are for compensation other than reimbursement of expenses.

(g) Agency determinations of substantial conflict. Nothing in this section prevents the Bank from prohibiting or restricting an individual Bank employee from acquiring or holding a financial interest or a class of financial interests based upon the Bank’s determination of substantial conflict pursuant to 5 CFR 2635.403(b).

PART 6301—SUPPLEMENTAL STANDARDS OF ETHICAL CONDUCT FOR EMPLOYEES OF THE DEPARTMENT OF EDUCATION

Sec.
6301.101 General.
6301.102 Prior approval for certain outside activities.

§ 6301.101 General.
In accordance with 5 CFR 2635.105, the regulations in this part apply to employees of the Department of Education and supplement the Standards of Ethical Conduct for Employees of the Executive Branch contained in 5 CFR part 2635.
[60 FR 5817, Jan. 30, 1995]

§ 6301.102 Prior approval for certain outside activities.
(a) An employee, other than a special Government employee, must obtain written approval prior to engaging—without or without compensation—in the following outside activities:
(1) Except as provided in paragraph (b)(1) of this section, providing services, other than clerical services or service as a fact witness, on behalf of any other person in connection with a particular matter:
(i) In which the United States is a party;
(ii) In which the United States has a direct and substantial interest; or
(iii) If the provision of services involves the preparation of materials for submission to, or representation before, a Federal court or executive branch agency.
(2) Except as provided in paragraph (b)(2) of this section:
(i) Serving as an officer, director, trustee, general partner, agent, attorney, consultant, contractor, employee, advisory committee member, or active participant for a prohibited source; or
(ii) Engaging in teaching, speaking, consulting, or writing that relates to the employee’s official duties.
(b) Unless the services are to be provided for compensation, including reimbursement for transportation, lodging and meals:
(1) Prior approval is not required by paragraph (a)(1) of this section to provide services as an agent or attorney for, or otherwise to represent, another Department of Education employee who is the subject of disciplinary, loyalty, or other personnel administration proceedings in connection with those proceedings; and
(2) Prior approval is not required by paragraph (a)(2) of this section:
(i) To participate in the activities of a:
(A) Social, fraternal, civic, or political entity; 
(B) Religious entity that is not a prohibited source; or
(C) Parent-Teacher Association or similar parent organization at the employee’s child’s school or day care center, other than as a member of a board of directors or other governing body of the school or center, or the educational agency of which it is a part; or
(ii) To provide direct instructional, social, or medical services to students or other individuals.
(c) An employee who is required by paragraph (a) of this section to obtain prior written approval shall submit a written request for approval in accordance with Department procedures.
(d) The cognizant reviewing official shall grant approval unless he or she determines that the outside activity is expected to involve conduct prohibited by statute or Federal regulations, including 5 CFR part 2635.
(e) For the purposes of this section:
(1) “Active participant” has the meaning set forth in 5 CFR 2635.502(b)(1)(v).
(2) “Prohibited source” has the meaning set forth in 5 CFR 2635.203(d).
(3) “Relates to the employee’s official duties” means that the activity meets one or more of the tests described in 5 CFR 2635.807(a)(2)(i) through (E). It includes, in relevant part:
(i) Activities an employee has been invited to participate in because of his or her official position rather than his or her expertise in the subject matter;
(ii) A situation in which an employee has been asked to participate in an activity by a person or organization that
Department of Education § 6301.102

has interests that may be substantially affected by the performance or non-performance of the employee's official duties;

(iii) Activities that convey information derived from nonpublic information gained during the course of Government employment; and

(iv) Activities that deal in significant part with any matter to which the employee is or has been officially assigned in the last year, any ongoing or announced Department policy, program or operation, or—in the case of certain noncareer employees—any matter that is generally related to education or vocational rehabilitation.

Example 1: A Department employee witnessed an automobile accident involving two privately owned cars on her way to work. Some time later she is served with a subpoena at home to appear in Federal court as a fact witness on behalf of the plaintiff, who was injured in the car accident, in a civil case alleging negligence. The Department employee is not required to obtain prior approval to comply with the subpoena because this civil case is not a matter in which the United States is a party or has a direct and substantial interest.

Example 2: A Department employee would like to prepare Federal tax returns for clients on his own time. He is required to obtain prior approval to participate in this outside activity because it involves the provision of personal services in the preparation of materials for submission to the Internal Revenue Service, an executive branch agency.

Example 3: Arlene, a Department employee, has been asked by a Department colleague to represent him, without compensation, in an equal employment opportunity complaint he filed alleging that his supervisor failed to promote him because he is over 40 years old. Arlene is not required to obtain prior approval under this regulation before providing such representation because it involves services for another Department of Education employee in connection with a personnel administration proceeding. However, under 18 U.S.C. section 205, she may only provide such representation if it is not inconsistent with faithful performance of her duties.

Example 4: A local school board offers a Department employee a paid position as a referee of high school football games. The employee must seek prior approval to accept this outside employment because the local school board is a prohibited source. If, on the other hand, the employee volunteered to coach soccer, without pay, in a sports program sponsored by the local school board, no prior approval is required because she would be engaging in direct instructional services to students.

Example 5: A Department program specialist in the Office of Elementary and Secondary Education actively pursues an interest in painting. The community art league, where he has taken evening art classes, asks him if he would be interested in teaching an evening course on painting with acrylics. The employee is not required to obtain approval prior to accepting this employment. The community art league is not a prohibited source, and the subject matter of the course is not related to his duties.

Example 6: A Department employee helps organize local tennis tournaments. A national tennis magazine calls and asks her to write a monthly column about recreational tennis in her area. The magazine offers to pay the employee $500 for each column. The subject matter is not related to her duties, and the employee is not required to seek prior approval to write this column. However, the employee is still subject to all of the Standards of Conduct and other laws that may apply, including the limitation on outside earned income for certain noncareer employees, as well as the prohibition on using Government resources to pursue outside activities and employment.

Example 7: An employee's elderly parent is retired and receiving Social Security benefits. The employee would like to represent his parent in an administrative hearing before the Social Security Administration concerning a dispute over benefits. The employee must obtain prior approval to undertake the activity of representing his parent because he is providing services to his parent in a particular matter in which the United States is a party. Moreover, the services will involve representation before a Federal agency.

CHAPTER LIV—ENVIRONMENTAL PROTECTION AGENCY

Part 6401 Supplemental standards of ethical conduct for employees of the Environmental Protection Agency Page 748
PART 6401—SUPPLEMENTAL STANDARDS OF ETHICAL CONDUCT FOR EMPLOYEES OF THE ENVIRONMENTAL PROTECTION AGENCY

Sec. 6401.101 General.
6401.102 Prohibited financial interests.
6401.103 Prior approval for outside employment.

S O U R C E : 61 FR 40502, Aug. 2, 1996, unless otherwise noted.

§ 6401.101 General.
In accordance with 5 CFR 2635.105, the regulations in this part apply to employees of the Environmental Protection Agency and supplement the Standards of Ethical Conduct for Employees of the Executive Branch contained in 5 CFR part 2635.

§ 6401.102 Prohibited financial interests.
(a) The following employees are prohibited from holding the types of financial interests described in this section:

(1) Employees in the Office of Mobile Sources are prohibited from having outside employment with or holding stock or any other financial interest in manufacturers of automobiles and mobile source pollution control equipment.

(2) Employees in the Office of Pesticide Programs are prohibited from having outside employment with or holding stock or any other financial interest in companies that manufacture or provide wholesale distribution of pesticide products registered by the EPA. These restrictions apply to companies with subsidiaries in these areas but do not include retail distributors to the general public.

(3) Employees in the Office of Information Resources Management involved with data management contracting or computer contracting are prohibited from having outside employment with or holding stock or any other financial interest in data management, computer, or information processing firms.

(4) Employees who perform functions or duties under the Surface Mining Control and Reclamation Act (such as reviewing Environmental Impact Statements of the Office of Surface Mining in the Department of Interior) are prohibited by 30 U.S.C. 1211(f) from holding direct or indirect interests in underground or surface coal mining operations.

(i) Implementing regulations of the Office of Surface Mining at 30 CFR 706.3 define the terms “direct financial interest” and “indirect financial interest” as follows:

(A) Direct financial interest means ownership or part ownership by an employee of land, stocks, bonds, debentures, warrants, a partnership, shares, or any other holding and also means any other arrangement where the employee may benefit from his or her holding in or salary from coal mining operations. Direct financial interests include employment, pensions, creditor, real property and other financial relationships.

(B) Indirect financial interest means the same financial relationships as for direct ownership but where the employee reaps the benefits of such interests, including interests held by the employee’s spouse, minor child or other relatives, including in-laws, residing in the employee’s home. The employee will not be deemed to have an indirect financial interest if there is no relationship between the employee’s functions or duties and the coal mining operation in which the spouse, minor child or other resident relative holds a financial interest.

(ii) Violation of the restrictions in this section is punishable by a fine of up to $2,500 or imprisonment for not more than one year, or both.

(iii) Employees who perform functions or duties under the Surface Mining Control and Reclamation Act are not prohibited thereunder from holding interests in excepted investment funds as defined at 5 CFR 2634.310(c)(2) provided that such funds are widely diversified, that is, hold no more than 5% of the value of their portfolios in the securities of any one issuer (other than the United States Government) and no
more than 20% in any particular economic or geographic sector.

(5) Members of the Interagency Testing Committee established under section 4(e) of the Toxic Substances Control Act (15 U.S.C. 2603(e)) are prohibited thereunder from holding any stocks or bonds, or having any substantial pecuniary interest, in any person engaged in the manufacture, processing, or distribution in commerce of any substance or mixture subject to any requirement of the Act or any rule or order issued under the Act.

(i) The statutory prohibitions in this section are enforceable by an action for a court order to restrain violations.

(ii) Members of the Interagency Testing Committee are not prohibited thereunder from holding interests in excepted investment funds as defined at 5 CFR 2634.310(c)(2) provided that such fund are widely diversified, that is, hold no more than 5% of the value of their portfolios in the securities of any one issuer (other than the United States Government) and no more than 20% in any particular economic sector.

(b) The Designated Agency Ethics Official or the cognizant Deputy Ethics Official may grant a written waiver from the prohibitions in paragraph (a)(1) through (a)(3) of this section based on a determination that the waiver is not inconsistent with part 2635 of this title or otherwise prohibited by law and that, under the particular circumstances, application of the prohibition is not necessary to avoid the appearance of misuse of position or loss of impartiality, or otherwise to ensure confidence in the impartiality and objectivity with which agency programs are administered. A waiver under this paragraph may impose appropriate conditions, such as requiring execution of a written disqualification.

§ 6401.103 Prior approval for outside employment.

(a) Requirement for approval. An employee shall obtain approval from his or her Deputy Ethics Official before engaging in outside employment, with or without compensation, that involves:

(1) Consulting services;

(2) The practice of a profession as defined in 5 CFR 2636.305(b)(1);

(3) Holding State or local public office;

(4) Subject matter that deals in significant part with the policies, programs or operations of EPA or any matter to which the employee presently is assigned or to which the employee has been assigned during the previous one-year period; or

(5) The provision of services to or for:

(i) An EPA contractor or subcontractor;

(ii) The holder of an EPA assistance agreement or subagreement; or

(iii) A firm regulated by the EPA office or Region in which the employee serves.

(b) Form and content of request. The employee's request for approval of outside employment shall be submitted in writing to his or her Deputy Ethics Official. The request shall be sent through the employee's immediate supervisor (for the supervisor's information) and shall include:

(1) Employee's name, title and grade;

(2) Nature of the outside activity, including a full description of the services to be performed and the amount of compensation expected;

(3) The name and business of the person or organization for which the work will be done (in cases of self-employment, indicate the type of services to be rendered and estimate the number of clients or customers anticipated during the next 6 months);

(4) The estimated time to be devoted to the activity;

(5) Whether the service will be performed entirely outside of normal duty hours (if not, estimate the number of hours of absence from work required);

(6) The employee's statement that no official duty time or Government property, resources, or facilities not available to the general public will be used
§ 6401.103  in connection with the outside employment:

(7) The basis for compensation (e.g., fee, per diem, per annum, etc.);

(8) The employee’s statement that he or she has read, is familiar with, and will abide by the restrictions described in 5 CFR part 2635 and §6401.102; and

(9) An identification of any EPA assistance agreements or contracts held by a person to or for whom services would be provided.

(c) Standard for approval. Approval shall be granted only upon a determination that the outside employment is not expected to involve conduct prohibited by statute or Federal regulation, including 5 CFR part 2635 and §6401.102. The decision must be in writing.

(d) Keeping the record up-to-date. If there is a change in the nature or scope of the duties or services performed or the nature of the employee’s business, the employee must submit a revised request for approval. Where an employee transfers to an organization for which a different Deputy Ethics Official has responsibility, the employee must obtain approval from the new Deputy Ethics Official. In addition, each approved request is valid only for five years unless the employee’s Deputy Ethics Official specifies a longer time period.

(e) Definition of employment. For purposes of this section, “employment” means any form of non-Federal employment, business relationship, or activity involving the provision of personal services by the employee, whether or not for compensation. It includes but is not limited to personal services as an officer, director, employee, agent, attorney, consultant, contractor, general partner, trustee, teacher, or speaker. It includes writing when done under an arrangement with another person for production or publication of the written product. It does not, however, include participation in the activities of nonprofit charitable, religious, professional, social, fraternal, educational, recreational, public service, or civic organizations, unless such activities are for compensation other than reimbursement for expenses.

6701.102 Prohibition on solicited sales to subordinates.
6701.103 Prohibited purchases of property sold by GSA.
6701.104 Prohibited purchases of real estate by certain GSA employees involved in the acquisition or disposal of real estate.
6701.105 Taking or disposing of Government property.
6701.106 Prior approval for outside employment.
6701.107 Reporting waste, fraud, abuse and corruption.

SOURCE: 61 FR 56401, Nov. 1, 1996, unless otherwise noted.

§ 6701.101 General.

In accordance with 5 CFR 2635.105, the regulations in this part apply to employees of the General Services Administration (GSA) and supplement the Standards of Ethical Conduct for Employees of the Executive Branch (Standards) contained in 5 CFR part 2635. In addition to the executive branch-wide Standards in 5 CFR part 2635 and this part, GSA employees are subject to the executive branch financial disclosure regulations contained in 5 CFR part 2634.

§ 6701.102 Prohibition on solicited sales to subordinates.

A GSA employee shall not engage in solicitation of sales, on or off duty, to any GSA employee under his supervision, at any level. This prohibition applies, but is not limited to, solicitation for the sale of insurance, stock, mutual funds, real estate, computer equipment and any other commodities, goods or services except:
(a) The one-time sale of the employee’s personal property or privately owned dwelling; or
(b) Sales made in the course of outside employment of GSA employees in retail stores and under other circumstances not involving solicitation.

§ 6701.103 Prohibited purchases of property sold by GSA.

(a) General prohibition. Except as provided in paragraphs (b) and (c) of this section, no GSA employee, or spouse or minor child of a GSA employee, shall purchase, directly or indirectly Government property, real or personal, being sold by GSA.

(b) Exception. The prohibition in paragraph (a) of this section does not apply to the purchase of foreign gifts deposited with the agency pursuant to 5 U.S.C. 7342, that an employee may purchase pursuant to 41 CFR part 101-49.

(c) Waiver. An employee may make a purchase otherwise prohibited by paragraph (a) of this section where a written waiver of the prohibition has been given to the employee by the Administrator of GSA or his designee. Such a waiver may be granted only upon a determination that the waiver is not otherwise prohibited by law and that, in the mind of a reasonable person with knowledge of the particular circumstances, the purchase of the property will not raise a question as to whether the employee has used his official position or nonpublic information to obtain an advantageous purchase or create an appearance of loss of impartiality in the performance of the employee’s duties.

§ 6701.104 Prohibited purchases of real estate by certain GSA employees involved in the acquisition or disposal of real estate.

(a) General prohibition. Except as provided in paragraphs (b) and (c) of this section, employees who personally and substantially participate in or have official responsibility for the acquisition or disposal of real estate or interests therein, shall not directly or indirectly purchase or participate as an agent or otherwise in the purchase of any real estate or interest therein.

(b) Exception. The prohibition in paragraph (a) of this section does not apply to an employee’s purchase of real estate for use as his personal or other residential property, such as a vacation home.
(c) Waiver. An employee may make a purchase otherwise prohibited by this section where a written waiver of the prohibition has been given to the employee by the employee's immediate supervisor, with the advice of a Deputy Standards of Conduct Counselor or the Designated Agency Ethics Official. Such a waiver may be granted only if a determination is made that the waiver is not otherwise prohibited by law or regulation, and that in the mind of a reasonable person with knowledge of the particular circumstances, the purchase of such real estate or interest therein will not raise a question as to whether the employee will use his official position or nonpublic information to obtain an advantageous purchase or create an appearance of loss of impartiality in the performance of the employee's duties.

§ 6701.105 Taking or disposing of Government property.

An employee shall not, directly or indirectly, take or dispose of, or allow the taking or disposal of, Government property, unless authorized to do so. For purposes of this section, property remains Government property until disposed of in accordance with applicable rules and regulations.

§ 6701.106 Prior approval for outside employment.

(a) Approval requirement. A GSA employee, other than a special Government employee, shall obtain written approval from his immediate supervisor prior to engaging in outside employment with a prohibited source, with or without compensation.

(b) Form of request for approval. A request for approval of outside employment shall include, at a minimum, the following:

(1) The employee's name, location and occupational title;

(2) A brief description of the employee's official duties;

(3) The nature of the outside employment, including a full description of the specific duties or services to be performed;

(4) The name and address of the prospective outside employer for which work will be done; and

(5) A statement that the employee currently has no official duties involving a matter that affects the outside employer and will disqualify himself from future participation in matters that could directly affect the outside employer.

(c) Standard for approval. Approval shall be granted unless a determination is made that the outside employment is expected to involve conduct prohibited by statute or regulation, including 5 CFR part 2635 and this part.

(d) Definitions. For purposes of this section:

(1) Employment means any form of non-Federal employment or business relationship involving the provision of personal services by the employee. It includes but is not limited to personal services as an officer, director, employee, agent, attorney, consultant, contractor, general partner, trustee, teacher, or speaker. It includes writing done under an arrangement with another person for production or publication of the written product. It does not, however, include participation in the activities of a nonprofit charitable, religious, professional, social, fraternal, educational, recreational, public service, or civic organization, unless the participation involves the provision of professional services or advice for compensation other than reimbursement for actual expenses.

(2) Prohibited source has the meaning in 5 CFR 2635.203(d), and includes any person who:

(i) Is seeking official action by GSA;

(ii) Does business or seeks to do business with GSA;

(iii) Conducts activities regulated by GSA;

(iv) Has interests that may be substantially affected by performance or nonperformance of the employee's official duties; or

(v) Is an organization a majority of whose members are described in paragraphs (d)(2)(i) through (iv) of this section.

NOTE TO §6701.106: An employee may obtain advice from an agency ethics official as to whether a potential employer is a prohibited source.
§ 6701.107 Reporting waste, fraud, abuse and corruption.

GSA employees shall disclose immediately any waste, fraud, abuse, and corruption to appropriate authorities, such as the Office of Inspector General.
CHAPTER LVIII—BOARD OF GOVERNORS OF THE FEDERAL RESERVE SYSTEM

PART 8401—SUPPLEMENTAL STANDARDS OF ETHICAL CONDUCT FOR EMPLOYEES OF THE FEDERAL MINE SAFETY AND HEALTH REVIEW COMMISSION

Sec.
8401.101 General.
8401.102 Prohibited financial interests.
8401.103 Prior approval for outside employment.

SOURCE: 61 FR 39871, July 31, 1996, unless otherwise noted.

§ 8401.101 General.

In accordance with 5 CFR 2635.105, the regulations in this part apply to the employees of the Federal Mine Safety and Health Review Commission (Commission) and supplement the Standards of Ethical Conduct for Employees of the Executive Branch at 5 CFR part 2635. Commission employees also are subject to the executive branch financial disclosure regulations at 5 CFR part 2634.

§ 8401.102 Prohibited financial interests.

(a) Prohibition. Except as provided in this section, no employee (other than a special Government employee), or spouse or minor child of such an employee, shall have a financial interest, including compensated employment or indebtedness, in any company or other person engaged in mining activities subject to the Federal Mine Safety and Health Act of 1977 (Federal Mine Safety and Health Act), 30 U.S.C. 801 et seq.

(b) Exceptions. (1) This section does not prohibit an employee, or the spouse or minor child of an employee, from investing in a publicly traded or publicly available investment fund which, in its prospectus, does not indicate the objective or practice of concentrating its investments in the securities of any company or other person engaged in mining activities subject to the Federal Mine Safety and Health Act, provided that the employee neither:

(i) Exercises control over the financial interests held in the fund; nor

(ii) Has the ability to exercise control over the financial interests held in the fund.

(2)(i) Unless divestiture is required by paragraph (c) of this section, this section does not prohibit an employee, or the spouse or minor child of an employee, from owning or controlling securities of any company or other person engaged in mining activities subject to the Federal Mine Safety and Health Act, whenever:

(A) Ownership or control was acquired prior to the employee's commencement of employment, through a change in marital status, or through circumstances beyond the employee's control and without the appearance of attempting to circumvent the prohibitions in this section, such as acquisition by inheritance, gift, or merger, acquisition or other change in corporate ownership, provided that: (1) The employee makes full, written disclosure to the designated agency ethics official within 30 days after the security is acquired or the employment is commenced; and

(B) The securities result from a stock split, stock dividend or the exercise of preemptive rights arising out of securities permitted by paragraph (b)(2)(i)(A) of this section. This paragraph does not permit the holding of stocks purchased through voluntary reinvestment of cash dividends.

(ii) For purposes of this section, the term “securities” includes all interests in debt or equity instruments. The term includes, without limitation, secured and unsecured bonds, debentures, notes, securitized assets and commercial paper, as well as all types of preferred and common stock. The term encompasses both current and contingent ownership interests, including any beneficial or legal interest derived from a trust. It extends to any right to acquire or dispose of any long or short
position in such securities and includes, without limitation, interests convertible into such securities, as well as options, rights, warrants, puts, calls, and straddles with respect thereto.

(c) Divestiture. The designated agency ethics official may require an employee to divest a security the employee is otherwise authorized to retain under paragraph (b)(2) of this section, based on a determination of substantial conflict under §2635.403(b) of this title.

(d) Waivers. The designated agency ethics official may grant a written waiver from the prohibition contained in this section based on a determination that the waiver is not inconsistent with 5 CFR part 2635 or otherwise prohibited by law and that, under the particular circumstances, application of the prohibition is not necessary to avoid the appearance of misuse of position or loss of impartiality, or otherwise to ensure confidence in the impartiality and objectivity with which Commission programs are administered. A waiver under this paragraph may be accompanied by appropriate conditions, such as requiring execution of a written statement of disqualification. Notwithstanding the grant of any waiver, an employee remains subject to the disqualification requirements of 5 CFR 2635.402 and 2635.502.

§ 8401.103 Prior approval for outside employment.

(a) Prior approval requirement. (1) Before engaging in any outside employment, whether or not for compensation, a Commission employee who is classified at GS-13 or above, as well as a Commission attorney at any grade level, must obtain the written approval of the employee's immediate supervisor and the designated agency ethics official. This requirement does not apply to a special Government employee of the Commission.

(2) Requests for approval shall be forwarded through the employee's immediate supervisor to the designated agency ethics official and shall include at a minimum the name of the person, group, or organization for whom the work is to be performed; the type of work to be performed; and the proposed hours of work and approximate dates of employment.

(b) Standard for approval. Approval shall be granted only upon a determination that outside employment is not expected to involve conduct prohibited by statute or Federal regulation, including 5 CFR 2635 and this part.

(c) Definitions. For purposes of this section:

(1) Employment means any form of non-Federal employment or business relationship involving the provision of personal services by the employee. It includes but is not limited to personal services as an officer, director, employee, agent, attorney, consultant, contractor, general partner, trustee or teacher. It also includes writing when done under an arrangement with another person for production or publication of the written product. It does not, however, include participation in the activities of a nonprofit charitable, religious, professional, social, fraternal, educational, recreational, public service or civic organization, unless such activities involve the provision of professional services or advice or are for compensation other than reimbursement expenses.

Title 6—Economic Stabilization [Reserved]

EDITORIAL NOTE: The Office of the Federal Register received a letter on December 24, 1981 from the Office of the General Counsel, Department of the Treasury which recommended that 6 CFR part 602 not be republished. The letter explained that part 602 was originally issued by Treasury to carry out the functions assigned to it by Executive Order 11788—Providing for the Orderly Termination of Economic Stabilization Activities. The letter further explained those functions "have been completed and that no Treasury personnel are assigned any active Economic Stabilization functions." Thus, the Treasury Department concluded that 6 CFR part 602 was unnecessary and ought to be removed from the Code of Federal Regulations.

The wage and price regulatory program was terminated on February 2, 1981, by Executive Order 12288 of January 29, 1981 (46 FR 10135) and the Council on Wage and Price Stability was terminated as provided by Pub. L. 97-12 (95 Stat. 74) (46 FR 11229, Feb. 6, 1981).

Since the Council on Wage and Price Stability has been terminated and the functions of the Department of the Treasury pursuant to E.O. 11788 have been completed, the Director of the Office of the Federal Register, pursuant to 1 CFR 8.2 hereby removes from the Code of Federal Regulations Title 6, Chapter VI, Assistant Secretary for Administration, Department of the Treasury, consisting of part 602, and Chapter VII, Council on Wage and Price Stability, consisting of parts 701 through 704 inclusive.

Title 6, Code of Federal Regulations is hereby vacated.
