

(e) *Improving forests.* (1) Payments shall be considered to be made primarily for the purpose of improving forests if they are intended to finance actions, measures, or practices undertaken for the direct or indirect conservation or enhancement of the quantity or quality of timber resources.

(2) Improving forests includes the generation and regeneration of timber stands as well as the silvicultural improvement of such timber stands but excludes harvest cuttings not undertaken primarily for silvicultural improvement.

(f) *Providing habitat for wildlife.* (1) Payments shall be considered to be made primarily for the purpose of providing habitat for wildlife if they are intended to finance actions, measures, or practices leading directly to the establishment of those physical and biological conditions or resources that can be expected to support primarily non-cultivated and nondomesticated animal and plant life. The animal and plant life must be of value to the public in their natural state apart from any value that may be realized from them as private economic gain.

(2) Wildlife includes but is not limited to species of terrestrial or aquatic animals and plants.

(3) Habitat includes, but is not limited to, the food supply, water supply, and nesting and escape cover necessary to support populations of wildlife species. Included in the definition of wildlife habitat are domestic crops raised for the primary purpose of providing food supply or cover for specific wildlife species.

§14.7 Non-Federal programs and payments.

(a) *Definition of non-Federal programs.* Non-Federal program means any program of a State, a possession of the United States, a political subdivision of any State or possession of the United States, the District of Columbia, or a combination of any of the foregoing.

(b) *Applicability.* Payments received through non-Federal programs under which payments are made primarily for the purpose of conserving soil and water resources, protecting or restoring the environment, improving for-

ests, or providing a habitat for wildlife may be considered for exclusion from gross income under part 14.

(c) *Determining the primary purpose of non-Federal payments.* The determination of the primary purpose for which non-Federal payments are made with respect to their potential for exclusion from gross income shall be made by using the criteria set forth in part 14 for determining the primary purpose of Federal payments.

(d) *Procedure for determining the primary purpose of payments made under non-Federal programs.* (1) To initiate the process of determining the applicability of this part to payments received through non-Federal programs and the primary purpose of the payments for potential exclusion from gross income, the non-Federal official responsible for the program through which the payments are made should provide six copies of the following materials relating to the program to the Secretary of Agriculture—

(i) Authorizing legislation;

(ii) Rules or regulations;

(iii) Current policies and procedures under which payments are made and used;

(iv) A description of all practices or measures for which payments are made and used; and

(v) Any other information that may be helpful in determining the purpose for which payments, or portions thereof, are made and used.

(2) Any changes in the supporting documentation listed in paragraphs (d)(1)(i) through (d)(1)(iv) of this section, should be reported to the Secretary within 30 days of the date they become final.
