

(b) The Chairman of the State Rural Development Advisory Council will insure that programs proposed under title V including regional programs applicable within the State are not inconsistent with and are, to a maximum extent practicable, in consonance with other rural development programs and activities approved in that State.

(c) Those elements of the research and extension plan which would impact directly on rural development activities being developed or pursued by States will be considered jointly by the State Rural Development Advisory Council and appropriate State agencies to assure a constructive reinforcement of those State activities.

§ 23.5 Availability of funds.

Funds available under title V for extension and research programs shall be allocated to, and following approval of a State Annual Plan of Work, paid to the official of the State Land Grant University designated to receive funds under the Smith-Lever and Hatch Acts respectively. Funds will be available for State programs for expenditures authorized by section 503(c) of title V, in the fiscal year for which the funds were appropriated and the next fiscal year.

§ 23.6 Plan of Work.

(a) A State Annual Plan of Work for carrying out the programs authorized under title V shall be prepared. The Plan of Work should include:

(1) Identification of major problems and needs which can be met by each related extension and research program in the geographic or problem area.

(2) The relationship of this program to ongoing planning and development efforts.

(3) The organizational structure for planning, conducting, and evaluating each pilot program, including the names and title of the members of the Rural Development Advisory Council and the composition of major committees and work groups.

(4) A separate concise statement describing specific extension projects to be funded under each program. The statement should contain the following elements: Title, objectives, organization and operational procedures, probable duration, personnel, institutions

involved, and relation to the research effort. In addition, a brief description of each regular or special extension project which is complementary and supports the title V pilot program, but which is funded from other sources shall be included.

(5) A separate concise statement describing specific research projects to be funded under each program. The statement should contain the following elements: Title, objectives, organization, and operational procedures, probable duration, personnel, institutions involved, and relation to the extension effort. In addition, a brief description of each regular or special research project which is complementary and supports the title V program, but which is funded from other sources, shall be included.

(6) A plan for evaluating the impact of each program on the development of the area, including the effectiveness of the extension and research program techniques, and organizational structure for planning and conducting each program. Appraisals by community leaders in the area should be included in the evaluation.

(7) Provisions for making an annual progress report to the Assistant Secretary for Conservation, Research, and Education which will document achievements pertaining to the goals and objectives as stated in the Plan of Work.

(8) A budget statement for each program to be submitted on forms provided by the Assistant Secretary for Conservation, Research, and Education.

(b) The Plan of Work shall include plans for all programs to be conducted with funds authorized under section 503(b)(3) and (4) of title V. The Plan of Work shall include plans for the programs to be conducted by each cooperating and participating university or college and such other information as included in these guidelines. Each State program must include research and extension activities directed toward identification of programs which are likely to have the greatest impact upon accomplishing the objectives of rural development in both the short and longer terms and the use of these
