**Subpart B—USDA Certification of Laboratories for the Testing of Trichinae in Horsemeat**

**§98.100 General.**

A laboratory that has met the requirements for certification specified in this subpart shall receive an AMS Science and Technology Division certificate to approve its analysis for *Trichinella spiralis* in horsemeat. Certification would be granted to a qualified analyst or a laboratory based on having the proper training, facilities, and equipment. This AMS laboratory certification program will enable horsemeat exporters to comply with trichinae testing requirements of the European Community.
