

State agency shall terminate the Program participation of the violating institution or facility. However, if the health or safety of the children is imminently threatened, the State agency may immediately terminate participation of the institution or facility. If, during an administrative review of a child care center, outside-school-hours care center, or day care home not approved by the State agency under paragraph (d)(3) of this section, the State agency observes violations of applicable health, safety, or staff-child ratio standards, or attendance in excess of licensed capacity, the State agency shall promptly refer such violations to the appropriate authority. The State agency may deny reimbursement for meals served to attending children in excess of authorized capacity.

(o) *Sponsoring organization agreement.* Each State agency shall develop and provide for the use of a standard form of agreement between each day care home sponsoring organization and all day care homes participating in the Program under such organization. However, the State agency may, at the request of the sponsor, approve an agreement developed by the sponsor. State agencies may develop a similar form for use between sponsoring organizations and other types of facilities.

(p) Following its reviews of institutions and facilities under §§ 226.6(l) and 226.23(h) conducted prior to July 1, 1988, the State agency shall report data on key elements of program operations on a form designated by FCS. These key elements include but are not limited to the program areas of meal requirements, determination of eligibility for free and reduced price meals, and the accuracy of reimbursement claims. These forms shall be submitted within 90 days of the completion of the data collection for the institutions except that, if the State has elected to conduct reviews of verification separate from its administrative reviews, the State shall retain data until all key elements have been reviewed and shall report all data for each institution on one form within 90 days of the completion of the data collection for all key elements for that institution. States shall ensure that all key element data

for an institution is collected during a 12-month period.

**§ 226.7 State agency responsibilities for financial management.**

(a) This section prescribes standards of financial management systems in administering Program funds by the State agency and institutions.

(b) Each State agency shall maintain an acceptable financial management system, adhere to financial management standards and otherwise carry out financial management policies as delineated in the Uniform Federal Assistance Regulations, at 7 CFR part 3015. State agencies or FCSRO's, where applicable, shall also have a system in place for monitoring and reviewing the institutions' documentation of their nonprofit status to ensure that all Program reimbursement funds are used: (1) Solely for the conduct of the food service operation; or (2) to improve such food service operations, principally for the benefit of the participants.

(c) *Management evaluations and audits.* State agencies shall provide FCS with full opportunity to conduct management evaluations (including visits to institutions and facilities) of all operations of the State agency under the Program and shall provide OIG with full opportunity to conduct audits (including visits to institutions and facilities) of all operations of the State agency under the Program. Within 60 calendar days of receipt of each management evaluation report, the State agency shall submit to FCSRO a written plan for correcting serious deficiencies, including specific timeframes for accomplishing corrective actions and initiating follow-up efforts. If a State agency makes a showing of good cause, however, FCS may allow more than 60 days in which to submit a plan. Each State agency shall make available its records, including records of the receipt and expenditure of funds, upon request by FCS or OIG. OIG shall also have the right to make audits of the records and operation of any institution.

(d) *Reports.* Each State agency shall submit to FCS the final Report of the Child and Adult Care Food Program (FCS 44) for each month which shall be limited to claims submitted in accordance with §226.10(e) and which shall be postmarked and/or submitted no later than 90 days following the last day of the month covered by the report. States shall not receive Program funds for any month for which the final report is not submitted within this time limit unless FCS grants an exception. Upward adjustments to a State agency's report shall not be made after 90 days from the month covered by the report unless authorized by FCS. Downward adjustments shall always be made, without FCS authorization, regardless of when it is determined that such adjustments are necessary. Adjustments shall be reported to FCS in accordance with procedures established by FCS. Each State agency shall also submit to FCS a quarterly Financial Status Report (SF-269) on the use of Program funds. Such reports shall be postmarked and/or submitted no later than 30 days after the end of each fiscal year quarter. Obligations shall be reported only for the fiscal year in which they occur. A final Financial Status Report for each fiscal year shall be postmarked and/or submitted to FCS within 120 days after the end of the fiscal year. FCS shall not be responsible for reimbursing unpaid Program obligations reported later than 120 days after the close of the fiscal year in which they were incurred.

(e) *Annual plan.* Each State shall submit to the Secretary for approval by August 15 of each year an annual plan for the use of State administrative expense funds, including a staff formula for State personnel.

(f) *Rate assignment.* Each State agency shall require institutions (other than sponsoring organizations for day care homes) to submit, not less frequently than annually, information necessary to assign rates of reimbursement as outlined in §226.9.

(g) *Administrative budget approval.* The State agency shall approve institution administrative budgets, and shall limit allowable administrative costs claimed by each sponsoring organization for day care homes to administrative costs

approved in its annual budget. The State agency may establish such administrative costs limits for other institutions. Administrative budget levels may be adjusted to reflect changes in Program activities.

(h) *Start-up payments.* Each State agency shall establish procedures for evaluating requests for start-up payments, issuing these payments to eligible sponsoring organizations, and monitoring the use of these payments.

(i) *Advance payments.* Each State agency shall establish procedures for issuing advance payments by the first day of each month and comparing these payments with earned reimbursement on a monthly basis. The State agency shall maintain on file a statement of the State's law and policy governing the use of interest earned on advanced funds by sponsors, institutions, child care facilities and adult day care facilities.

(j) *Recovery of overpayments.* Each State agency shall establish procedures to recover outstanding start-up and advance payments from institutions which, in the opinion of the State agency, will not be able to earn these payments.

(k) *Claims processing.* Each State agency shall establish procedures for institutions to properly submit claims for reimbursement. All valid claims shall be paid within 45 calendar days of receipt. Within 15 calendar days of receipt of any incomplete or incorrect claim which must be revised for payment, the State agency shall notify the institution as to why and how such claim must be revised. If the State agency disallows partial or full payment for a claim for reimbursement, it shall notify the institution which submitted the claim of its right to appeal under §226.6(k). State agencies may permit disallowances to be appealed separately from claims for reimbursement.

(l) *Participation controls.* The State agency may establish control procedures to ensure that payment is not made for meals served to participants attending in excess of the authorized capacity of each independent center, adult day care facility or child care facility.

(m) *Financial management system.* Each State agency shall establish a financial management system in accordance with the Uniform Federal Assistance Regulations, 7 CFR part 3015, and FCS guidance to identify allowable Program costs and establish standards for institutional recordkeeping and reporting. These standards shall (1) prohibit claiming reimbursement for meals provided by a participant's family, except as authorized by §226.18(e) and (2) allow the cost of meals served to adults who perform necessary food service labor under the Program, except in day care homes. The State agency shall provide guidance on financial management requirements to each institution.

#### § 226.8 Audits.

(a) Unless otherwise exempt, audits at the State and institution levels shall be conducted in accordance with the Office of Management and Budget's Circulars A-128 and A-110 and the Department's Uniform Federal Assistance Regulations (7 CFR part 3015). Title XIX and title XX proprietary institutions not subject to organization-wide audits shall be audited by the State agency at least once every two years.

(b) The funds provided to the State agency under §226.4(h) may be made available to institutions to fund a portion of organization-wide audits, provided that the organization-wide audit includes tests of the CACFP in accordance with section 10.558 of the Compliance Supplement to OMB Circular A-128. The funds provided to an institution for an organization-wide audit shall not exceed the portion of the audit's cost equal to the CACFP's portion of the total Federal grant.

(c) Funds provided under §226.4(h) may be used by the State agency to conduct program-specific audits of institutions not subject to organization-wide audits, or for which the State agency considers program specific audits to be needed. The State agency may use any funds remaining after all

required program-specific audits have been performed to conduct administrative reviews of institutions.

(d) Funds provided under §226.4(h) may only be obligated during the fiscal year for which those funds are allocated. If funds provided under §226.4(h) are not sufficient to meet the requirements of this section, the State agency may then use available State administrative expense funds to conduct audits, provided that the State agency is arranging for the audits and has not passed the responsibility down to the institution.

(e) In conducting management evaluations or audits for any fiscal year, FCS or OIG may disregard any overpayment which does not exceed \$100. In conducting State agency sponsored audits in State administered programs, the State agency may disregard any overpayment which does not exceed the amount established by State law, regulations or procedures as a minimum for which claims will be made for State losses generally. No overpayment shall be disregarded, however, where there are unpaid claims of the same fiscal year from which the overpayment can be deducted, or where there is evidence of violation of criminal law or civil fraud statutes.

(f) While OIG shall rely to the fullest extent feasible upon State sponsored audits, OIG may, whenever it considers necessary:

- (1) Make audits on a statewide basis;
- (2) Perform on-site test audits;
- (3) Review audit reports and related working papers of audits performed by or for State agencies.

(g) State agencies are not required to provide a hearing to an institution for State actions taken on the basis of a Federal audit determination. If a State agency does not provide a hearing in such situations, FCS will provide a hearing, upon request, in accordance with procedures set forth in §226.6(j) of this part.
