Subpart—Regulations for the 1989 and Succeeding Crop Years

§ 406.1 Availability of nursery crop insurance.

- (a) Insurance shall be offered under the provisions of this subpart on the insured crop in counties within the limits prescribed by and in accordance with the provisions of the Federal Crop Insurance Act, as amended (the Act). The counties shall be designated by the Manager of the Corporation from those approved by the Board of Directors of the Corporation.

fers the contract contained in this part directly to the insured through Agents of the Corporation. Those contracts are specifically identified as being offered by the Federal Crop Insurance Corporation. Second, companies reinsured by the Corporation (hereinafter "Reinsured companies") offer contracts containing substantially the same terms and conditions as the contract set out in this part.

(c) No person may have in force more than one contract on the same crop for the crop year, whether insured by the Corporation or insured by a Reinsured company.

(d) If a person has more than one contract under the Act outstanding on the same crop for the same crop year, all such contracts will be voided for that crop year but the person will still be liable for the premium on all contracts unless the person can show to the satisfaction of the Corporation that the multiple contract insurance was inadvertent and without the fault of the insured.
